412	DEPARTMENT OF TRANSPORTATION																
414		ITEM 1877 FIXED CAPITAL OUTLAY RAIL DEVELOPMENT/GRANTS						From the funds in Specific Appropriation 1877, \$150,000 shall be used to complete a station area plan to provide for transit-oriented development within a half-mile of the proposed Tri-Rail Coastal Link station location. Planning shall include an engineering and environmental analysis, master site plan, and preliminary financial plans for the project.					From the funds in Specific Appropriation 1877, \$150,000 shall be used to complete a station area plan to provide for transit-oriented development within a half-mile of the proposed Tri-Rail Coastal Link station location. Planning shall include an engineering and environmental analysis, master site plan, and preliminary financial plans for the project.				
415		ITEM 1879 FIXED CAPITAL OUTLAY PRELIMINARY ENGINEERING CONSULTANTS	From the funds in Specific Appropriation 1879, \$2,000,000 of nonrecurring funds are appropriated for alternative transportation planning. These funds shall be used for preliminary design and engineering related to future rail in Miami-Dade County.										From the funds in Specific Appropriation 1879, \$2,000,000 of nonrecurring funds are appropriated for alternative transportation planning. These funds shall be used for preliminary design and engineering related to future rail in Miami-Dade County.				
416		ITEM 1890 FIXED CAPITAL OUTLAY RAIL DEVELOPMENT/GRANTS	From the funds in Specific Appropriation 1890, \$10,000,000 is provided for Quiet Zone improvements in response to the use of locomotive horns at highway-rail grade crossings. The department will create a grant program for quiet zones requested by local agencies and will provide funding of up to 50 percent of the nonfederal and nonprivate share of the total costs of any qualifying quiet zone capital improvement project. The department will coordinate and work closely with local, state, and federal agencies to provide technical support to local agencies for the development of quiet zone plans. Local agencies may apply for grant funds after its quiet zone plan is approved by the department. The Department of Transportation will monitor crossing incidents at approved quiet zone locations and have the right to revoke the quiet zone(s) at any time if a significant deterioration in safety results from quiet zone implementation. When allocating full-time equivalent (FTE) positions to individual regional workforce boards, the Department of Economic Opportunity must ensure that workforce services are effectively and efficiently provided throughout the state. The department is authorized to reallocate any FTE position allocated to a regional workforce board that has been or becomes vacant for more than 180 days. When reallocating a vacant FTE position, the department must give priority to a regional workforce board that would used the FTE position to provide additional services to veterans.				
428		ITEM 2193A SPECIAL CATEGORIES GRANTS AND AIDS - WORKFORCE PROJECTS	The Department of Economic Opportunity shall directly contract with these entities.					Funds provided in Specific Appropriation 2193A from the General Revenue Fund shall be allocated as follows:					The Department of Economic Opportunity shall directly contract with these entities.				
			From the funds provided from nonrecurring General Revenue Fund in Specific Appropriation 2193A, the Florida Endowment Foundation for Vocational Rehabilitation shall develop and operate a statewide transportation pilot program for the partial reimbursement of the costs of transportation services for employed persons who are at least 18 years of age, are legal residents of this state, are significantly and chronically disabled, are not receiving personal care attendant services, and require assistance with or support for transportation in order to obtain and retain employment. The pilot program shall provide reasonable reimbursement, as determined by the oversight group described in section 413.402 (2)(b), Florida Statutes, of travel expenses for up to 100 persons each month. Monthly reimbursement shall be limited to the lesser of \$800 or 50 percent of each person's documented transportation costs. The Florida Endowment Foundation for Vocational Rehabilitation shall receive funds to administer the pilot program at a percent of program costs equal to the percent set out section 413.402, Florida Statutes, from funds to be deposited with the Florida Endowment Foundation for Vocational Rehabilitation. No later than December 31, 2015, the Florida Endowment Foundation for Vocational Rehabilitation shall report to the Governor, the President of the Senate, and the Speaker of the House of Representatives concerning the impact of the pilot project.					National Cyber Partnership - Cyber Training Pilot Initiative for Veterans..... 750,000 Grow Tampa Tech..... 375,000 The Able Trust..... 1,200,000 Seaport Employment Training Grant..... 300,000 Home Builders Institute (PACT)..... 500,000 Big Brothers Big Sisters JOBS Mentoring Program..... 500,000 The Department of Economic Opportunity shall directly contract with these entities. 438		ITEM 2252 LUMP SUM ECONOMIC DEVELOPMENT TOOLS	Except as otherwise provided below, funds provided in Specific Appropriation 2252 are provided for economic development incentives, specifically tax credits and grant awards. Funds are provided for the following programs and purposes: Qualified Target Industry (QTI) Tax Refund; Qualified Defense Contractor and Space Flight Business Tax Refund; QTI Tax Refund - Brownfield Redevelopment Bonus; High Impact Performance Incentive (HIPI) Grant; Local Government Distressed Area Matching Grant Program; Innovation Incentive Program; Quick Action Closing Fund Program; and Transportation Facility projects. Funds must only be used for projects that meet the eligibility requirements of law. These funds shall not be released for any other purpose and may only be disbursed when projects meet the contracted performance requirements. Funds provided in Specific Appropriation 2252 from the Economic Development Trust Fund represent local matching funds. If the Department of Economic Opportunity determines, in consultation with the Executive Office of the Governor, that state funds for an approved Quick Action Closing or Innovation Incentive project should be held in an escrow account outside of the state treasury, the department must provide quarterly reports, within 10 business days after the end of the quarter, regarding all escrow activity and the repayment of any interest to the appropriate fund in the state treasury. Such report must include the anticipated payment date(s) of all funds held in escrow. From the State Economic Enhancement and Development Trust Fund in Specific Appropriation 2252, \$20 million shall be allocated for film and entertainment projects as defined in section 288.1254, Florida Statutes. After the maximum available tax credits authorized in section 288.1254(7), Florida Statutes, has been awarded to qualified productions, Enterprise Florida, Inc., shall use funds from this \$20 million allocation to award contracts under the incentive programs enumerated above to qualified productions which have successfully completed the application process in section 288.1258, Florida Statutes.					Except as otherwise provided below, funds provided in Specific Appropriation 2252 are provided for the Qualified Target Industry (QTI) Tax Refund, Qualified Defense Contractor and Space Flight Business Tax Refund, QTI Tax Refund - Brownfield Redevelopment Bonus, Brownfield Redevelopment Tax Refund, High Impact Performance Incentive Grant, Quick Action Closing, Innovation Incentive programs, and transportation facilities, and only for projects that meet the eligibility requirements of law. These funds shall not be released for any other purpose and may only be disbursed when projects meet the contracted performance requirements. Funds provided in Specific Appropriation 2252 from the Economic Development Trust Fund represent local matching funds. If the Department of Economic Opportunity determines, in consultation with the Executive Office of the Governor, that state funds for an approved Quick Action Closing or Innovation Incentive project should be held in an escrow account outside of the state treasury, the department must provide quarterly reports, within 10 business days after the end of each quarter, to the Governor's Office of Policy and Budget, the chair of the Senate Appropriations Committee, and the chair of the House Appropriations Committee regarding all escrow activity and the repayment of any interest to the appropriate fund in the state treasury. Such report must include the anticipated payment date(s) of all funds held in escrow. From the funds provided in Specific Appropriation 2252 from the State Economic Enhancement and Development Trust Fund, \$500,000 shall be provided to the Florida Manufacturing Extension Partnership for the purpose of leveraging federal and private resources for the support and delivery of services to the manufacturing community, which will provide economic stimulus through job creation and retention and assist Florida manufacturers to become more efficient and globally competitive.					Except as otherwise provided below, funds provided in Specific Appropriation 2252 are provided for economic development incentives, specifically tax credits and grant awards. Funds are provided for the following programs and purposes: Qualified Target Industry (QTI) Tax Refund; Qualified Defense Contractor and Space Flight Business Tax Refund; QTI Tax Refund - Brownfield Redevelopment Bonus; High Impact Performance Incentive (HIPI) Grant; Local Government Distressed Area Matching Grant Program; Innovation Incentive Program; Quick Action Closing Fund Program; and Transportation Facility projects. 465		item 3097 SPECIAL CATEGORIES GRANTS AND AIDS - FEDERAL ELECTION ACTIVITIES (HELP AMERICA VOTE ACT)	Funds in Specific Appropriation 3097 shall be distributed to county supervisors of elections to be used for election administration activities such as voter education; pollworker training; standardizing elections results reporting; or other federal election administrative activities as approved by the Department of State. County supervisors of elections will receive funds only after providing the Department of State a detailed description of the programs that will be implemented. Funds distributed to county supervisors of elections require a certification from the county that matching funds will be provided in an amount equal to fifteen percent of the amount to be received from the state. Also, before a county supervisor of elections receives funds for any software or hardware technology, including, but not limited to any emerging technology that enhances or facilitates the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes, and the certification of accurate and complete official election results, the software or technology must first be certified or approved, whichever is applicable by the Department of State. Additionally, before the Supervisor can receive funds for emerging or enhancing technology, the county supervisor of elections and the chairperson of the county governing body must certify that the county has purchased and made available sufficient equipment for casting and counting ballots to meet the needs of the county electors including reducing the wait time at the polls during the early voting period and on election day for the next regularly scheduled general election. To be eligible, a county must segregate federal funds and required county matching dollars in a separate account established to hold only such funds. Funds in this account must be used only for the activities for which the funds were received. Funds shall remain in the account to be used for the same purposes for subsequent years or until such funds are expended. Supervisors of elections shall report to the Department of State any unspent funds remaining on June 30 of each fiscal year.
