PRAYER

The following prayer was offered by Michelle Lawson, Chaplain of the 927th Combat Sustainment Support Battalion, Starke:

Lord of all creation, we are mindful this day of the heritage left by those who founded this great state and the Florida National Guard. We are especially grateful for the alliance formed between soldiers and citizens in times of prosperity and devastation. May we not take for granted what so many have sacrificed and died for—freedom. Help us be responsible citizens who strive continually to make liberty and justice a reality for all.

Divinely inspire our presence and participation today in order to inform and enrich our commitment to one another. Challenge us to live out the principles and vision that we share in common. Strengthen us to walk in obedience knowing continued peace requires discipline, choices, and sacrifices for ourselves and our families to protect the integrity of our state. In your gracious name, we pray. Amen.

Excused: Senator Hukill

PRAYER

The following prayer was offered by Rabbi Schneur Z. Oirechman, Executive Director of Chabad Lubavitch of the Panhandle, Tallahassee:

Almighty G-d, creator of the universe: As we approach the holiday of Passover, let us invoke the ancient lessons of Passover today. We pray that we always remember that the meaning of Passover becomes visible in our lives today. We pray for the strength to experience our personal exodus from our personal Egypt—which in Hebrew is Mitzrayim, meaning “boundary” or “limitation.”

We pray to be delivered from self-made obstacles that limit our potential. We pray to overcome those inhibitions and habits that we have allowed to limit our souls’ potential. We pray to feel grateful for what we have and rejoice in what we can become, and we pray for the release of self-imposed slavery to false gods of ego and money.

Almighty G-d: Grant us the power to take that leap of faith. Give us the strength to look at the good within us and correct our faults. Let us be like the ancient Hebrews who escaped from slavery in mere moments. Let us pass over our personal shortcomings, and let us rise from despair to freedom. Let us remember the teachings of the Sages, who

said that darkness is but the absence of light and that a little light drives away much darkness.

Almighty G-d: As we proceed through the desert, when we feel dry and empty, may we never stray far from our wellsprings of inner goodness and light. Let us be inspired by the life of the Lubavitcher Rebbe Rabbi Schneersohn, whose birthday we mark next week. The Rebbe’s message to the world is that every act of goodness and kindness can change our lives and the world, bringing immediate redemption to the entire universe.

Almighty G-d: Bless the Honorable President and distinguished Senators. They add light to our world, both in their lives and the lives of others, by adding acts of goodness and kindness.

We pray that these acts finally tip the scale of good and evil to usher in the age of redemption for all humanity. Amen.

PLEDGE

Senate Pages, Greg Unke of Live Oak; Airyel Ogden of Margate; Connor Warmuth of St. Augustine; and Lucie Flowers of Tallahassee, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

PRAYER

The following prayer was offered by Donny Bennett, an employee with the Office of the Senate Sergeant at Arms:

My mother left a quote in her Bible that read, “Lord, give my sons humility so that they may understand the simplicity of true greatness and from where it comes.”

Dear Heavenly Father, as we come to you today, we seek guidance, we seek understanding, and sometimes, we just need someone to cry out to. From the wealthiest person to the poorest person, from the wonderful people of this great state, to the great people all around the world, we are all going through something.

Lord, you didn’t say, “Sit at the door of Jericho and watch.” You said, “March around it!” You didn’t say, “Watch me work.” You said, “Get out there, make a difference, and love one another.” Lord, give us strength to put one foot in front of the other and to push through those times when we feel we can’t go any further.

I pray that we stay faithful and we realize in this process the power of grace and forgiveness. Let us all remember, at the end of the day, as long as we put God first in every decision we make, we will have an opportunity to be a shining light for someone that is battling in the

dark. We love you and we thank you for all the many blessings in our lives. Everyone said, “Amen.”

PLEDGE

Senate Pages, Ethan Cary of Tallahassee; Brishauna Conner of Greenville; Christina Daughtry of West Palm Beach; and Elizabeth Moore of Lutz, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

PRAYER

The following prayer was offered by Dr. Morgan J. Browning, Pastor, First Baptist Church, Ortega Campus, Jacksonville:

Dear Heavenly Father, the creator of all things, you are an amazing, loving, all-knowing, ever-present, and all-powerful God. I want to thank you today for the privilege to talk to you by this beautiful means called prayer. I am grateful that you care about us enough to listen to our concerns. We stand before you today with empty hands in need of your grace and provision.

I cry out to you today for this very distinct group of men and women, our state Senators. They are so gifted and talented, and yet, they too have needs. I am glad that you are a generous God who wants to see all of them do well and prosper.

Therefore, I pray that your hand of favor, your blessings, would be upon these leaders. I ask that you afford them much wisdom and knowledge in making decisions. Please give them the power and strength to lead without compromise or fear. May your love fill each heart so that they will be able to work together in unity.

I ask these petitions so our beautiful sunshine state will become an even better place to live and enjoy life as a result of the time these Senators spend together. I know all this can be accomplished because we believe in our state motto, "In God We Trust." Amen.

PLEDGE

Senate Pages, AJ LaCoursiere of Atlantis; Johnny Farias of Homestead; Sam Clarke of Boca Raton; and Jane Honorat of Miramar, daughter of Senate employee Elizabeth Honorat, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

Senator Passidomo moved the following amendment which was adopted:

Amendment 1 (762384) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Section 101.68, Florida Statutes, is amended to read:

101.68 Canvassing of vote-by-mail ballot.—

(1) The supervisor of the county where the absent elector resides shall receive the voted ballot, at which time the supervisor shall compare the signature of the elector on the voter's certificate with the signature of the elector in the registration books or the precinct register to determine whether the elector is duly registered in the county and may record on the elector's registration certificate that the elector has voted. ~~However, effective July 1, 2005,~~ An elector who dies after casting a vote-by-mail ballot but on or before election day shall remain listed in the registration books until the results have been certified for the election in which the ballot was cast. The supervisor shall safely keep the ballot unopened in his or her office until the county canvassing board canvasses the vote. Except as provided in subsection (4), after a vote-by-mail ballot is received by the supervisor, the ballot is deemed to have been cast, and changes or additions may not be made to the voter's certificate.

(2)(a) The county canvassing board may begin the canvassing of vote-by-mail ballots at 7 a.m. on the 15th day before the election, but not later than noon on the day following the election. In addition, for any county using electronic tabulating equipment, the processing of vote-by-mail ballots through such tabulating equipment may begin at 7 a.m. on the 15th day before the election. However, notwithstanding any such authorization to begin canvassing or otherwise processing vote-by-mail ballots early, no result shall be released until after the closing of the polls in that county on election day. Any supervisor of elections, deputy supervisor of elections, canvassing board member, election board member, or election employee who releases the results of a canvassing or processing of vote-by-mail ballots prior to the closing of the polls in that county on election day commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(b) To ensure that all vote-by-mail ballots to be counted by the canvassing board are accounted for, the canvassing board shall compare the number of ballots in its possession with the number of requests for ballots received to be counted according to the supervisor's file or list.

(c)1. The canvassing board ~~must~~ shall, if the supervisor has not already done so, compare the signature of the elector on the voter's certificate or on the vote-by-mail ballot *cure* affidavit as provided in subsection (4) with the signature of the elector in the registration books or the precinct register to see that the elector is duly registered in the county and to determine the legality of that vote-by-mail ballot. A *vote-by-mail ballot may only be counted if:*

a. The signature on the voter's certificate or the cure affidavit matches the elector's signature in the registration books or precinct register; however, in the case of a cure affidavit, the supporting identification listed in subsection (4) must also confirm the identity of the elector; or

b. The cure affidavit contains a signature that does not match the elector's signature in the registration books or precinct register, but the elector has submitted a current and valid Tier 1 identification pursuant to subsection (4) which confirms the identity of the elector.

2. The ballot of an elector who casts a vote-by-mail ballot shall be counted even if the elector dies on or before election day, as long as, ~~before~~ prior to the death of the voter, the ballot was postmarked by the United States Postal Service, date-stamped with a verifiable tracking number by a common carrier, or already in the possession of the su-

pervisor of elections. A vote by mail ballot is considered illegal if the voter's certificate or vote by mail ballot affidavit does not include the signature of the elector, as shown by the registration records or the precinct register. However,

3. A vote-by-mail ballot is not considered illegal if the signature of the elector does not cross the seal of the mailing envelope. If the canvassing board determines that any ballot is illegal, a member of the board shall, without opening the envelope, mark across the face of the envelope: "rejected as illegal." The vote by mail ballot affidavit, if applicable, the envelope, and the ballot contained therein shall be preserved in the manner that official ballots voted are preserved.

4.2. If any elector or candidate present believes that a vote-by-mail ballot is illegal due to a defect apparent on the voter's certificate or the cure vote by mail ballot affidavit, he or she may, at any time before the ballot is removed from the envelope, file with the canvassing board a protest against the canvass of that ballot, specifying the precinct, the ballot, and the reason he or she believes the ballot to be illegal. A challenge based upon a defect in the voter's certificate or cure vote by mail ballot affidavit may not be accepted after the ballot has been removed from the mailing envelope.

5. If the canvassing board determines that a ballot is illegal, a member of the board must, without opening the envelope, mark across the face of the envelope: "rejected as illegal." The cure affidavit, if applicable, the envelope, and the ballot therein shall be preserved in the manner that official ballots are preserved.

(d) The canvassing board shall record the ballot upon the proper record, unless the ballot has been previously recorded by the supervisor. The mailing envelopes shall be opened and the secrecy envelopes shall be mixed so as to make it impossible to determine which secrecy envelope came out of which signed mailing envelope; however, in any county in which an electronic or electromechanical voting system is used, the ballots may be sorted by ballot styles and the mailing envelopes may be opened and the secrecy envelopes mixed separately for each ballot style. The votes on vote-by-mail ballots shall be included in the total vote of the county.

(3) The supervisor or the chair of the county canvassing board shall, after the board convenes, have custody of the vote-by-mail ballots until a final proclamation is made as to the total vote received by each candidate.

(4)(a) The supervisor of elections shall, on behalf of the county canvassing board, notify each elector whose ballot was rejected as illegal and provide the specific reason the ballot was rejected. The supervisor shall mail a voter registration application to the elector to be completed indicating the elector's current signature if the elector's ballot was rejected due to a difference between the elector's signature on the voter's certificate or vote by mail ballot affidavit and the elector's signature in the registration books or precinct register. This section does not prohibit the supervisor from providing additional methods for updating an elector's signature.

(b) ~~Until 5 p.m. on the day before an election,~~ The supervisor shall, on behalf of the county canvassing board, immediately notify ~~allow~~ an elector who has returned a vote-by-mail ballot that does not include the elector's signature or contains a signature that does not match the elector's signature in the registration books or precinct register. The supervisor shall allow such an elector to complete and submit an affidavit in order to cure the ~~unsigned~~ vote-by-mail ballot until 5 p.m. on the day before the election.

(b)(e) The elector shall provide identification to the supervisor and must complete a cure vote by mail ballot affidavit in substantially the following form:

VOTE-BY-MAIL BALLOT CURE AFFIDAVIT

I, ..., am a qualified voter in this election and registered voter of ... County, Florida. I do solemnly swear or affirm that I requested and returned the vote-by-mail ballot and that I have not and will not vote more than one ballot in this election. I understand that if I commit or

attempt any fraud in connection with voting, vote a fraudulent ballot, or vote more than once in an election, I may be convicted of a felony of the third degree and fined up to \$5,000 and imprisoned for up to 5 years. I understand that my failure to sign this affidavit means that my vote-by-mail ballot will be invalidated.

(Voter's Signature) _____

(Address) _____

(c)(d) Instructions must accompany the cure vote by mail ballot affidavit in substantially the following form:

READ THESE INSTRUCTIONS CAREFULLY BEFORE COMPLETING THE AFFIDAVIT. FAILURE TO FOLLOW THESE INSTRUCTIONS MAY CAUSE YOUR BALLOT NOT TO COUNT.

1. In order to ensure that your vote-by-mail ballot will be counted, your affidavit should be completed and returned as soon as possible so that it can reach the supervisor of elections of the county in which your precinct is located no later than 5 p.m. on the ~~2nd~~ day before the election.

2. You must sign your name on the line above (Voter's Signature).

3. You must make a copy of one of the following forms of identification:

a. Tier 1 identification.—Current and valid identification that includes your name and photograph: Florida driver license; Florida identification card issued by the Department of Highway Safety and Motor Vehicles; United States passport; debit or credit card; military identification; student identification; retirement center identification; neighborhood association identification; public assistance identification; veteran health identification card issued by the United States Department of Veterans Affairs; a Florida license to carry a concealed weapon or firearm; or an employee identification card issued by any branch, department, agency, or entity of the Federal Government, the state, a county, or a municipality; or

b. Tier 2 identification.—ONLY IF YOU DO NOT HAVE A TIER 1 FORM OF IDENTIFICATION, identification that shows your name and current residence address: current utility bill, bank statement, government check, paycheck, or government document (excluding voter identification card).

4. Place the envelope bearing the affidavit into a mailing envelope addressed to the supervisor. Insert a copy of your identification in the mailing envelope. Mail, deliver, or have delivered the completed affidavit along with the copy of your identification to your county supervisor of elections. Be sure there is sufficient postage if mailed and that the supervisor's address is correct.

5. Alternatively, you may fax or e-mail your completed affidavit and a copy of your identification to the supervisor of elections. If e-mailing, please provide these documents as attachments.

(d)(e) The department and each supervisor shall include the affidavit and instructions on their respective websites. The supervisor must include his or her office's mailing address, e-mail address, and fax number on the page containing the affidavit instructions; the department's instruction page must include the office mailing addresses, e-mail addresses, and fax numbers of all supervisors of elections or provide a conspicuous link to such addresses.

(e)(f) The supervisor shall attach each affidavit received to the appropriate vote-by-mail ballot mailing envelope.

(f) After all election results on the ballot have been certified, the supervisor shall, on behalf of the county canvassing board, notify each elector whose ballot has been rejected as illegal and provide the specific reason the ballot was rejected. In addition, the supervisor shall mail a voter registration application to the elector to be completed indicating the elector's current signature if the signature on the voter's certificate or cure affidavit did not match the elector's signature in the registration

books or precinct register. This section does not prohibit the supervisor from providing additional methods for updating an elector's signature.

Section 2. This act shall take effect upon becoming a law.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the canvassing of vote-by-mail ballots; amending s. 101.68, F.S.; deleting an obsolete date; modifying and clarifying provisions governing the canvassing of vote-by-mail ballots; authorizing use of the vote-by-mail ballot cure affidavit if an elector's signature does not match the signature in the registration books or precinct register; requiring the supervisor of elections to immediately notify an elector upon receipt of a vote-by-mail ballot with a missing or mismatched signature; revising terminology; revising the cure affidavit instructions with respect to acceptable forms of identification; specifying that a Florida driver license or Florida identification card are acceptable forms of identification for purposes of curing a vote-by-mail ballot; expanding the scope of post-election signature update requests to include electors who cured a vote-by-mail ballot with a mismatched signature; providing an effective date.

SR 574—A resolution opposing United Nations Security Council Resolution 2334 and requesting its repeal or fundamental alteration.

WHEREAS, the United States has long supported a negotiated settlement leading to a sustainable two-state solution with the democratic, Jewish state of Israel and a demilitarized, democratic Palestinian state living side-by-side in peace and security, and

WHEREAS, since 1993, the United States has facilitated direct, bilateral negotiations between both parties toward achieving a two-state solution and ending all outstanding claims, and

WHEREAS, it is the long-standing policy of the United States that a peaceful resolution to the Israeli-Palestinian conflict will only come through direct, bilateral negotiations between the two parties, and

WHEREAS, it was the long-standing position of the United States to oppose and, if necessary, veto United Nations Security Council resolutions dictating additional binding parameters on the peace process, and

WHEREAS, it was also the long-standing position of the United States to oppose and, if necessary, veto one-sided or anti-Israel United Nations Security Council resolutions, and

WHEREAS, the United States has stood in the minority internationally over successive administrations in defending Israel in international forums, including vetoing one-sided resolutions in 1995, 1997, 2001, 2002, 2003, 2004, 2006, and 2011 before the United Nations Security Council, and

WHEREAS, the United States recently signed a new memorandum of understanding with the Israeli government regarding security assistance, consistent with long-standing support for Israel among successive administrations and Congresses and representing an important United States commitment toward Israel's qualitative military edge, and

WHEREAS, on November 29, 2016, the United States House of Representatives unanimously passed House Concurrent Resolution 165, expressing and reaffirming long-standing United States policy in support of a direct, bilaterally negotiated settlement of the Israeli-Palestinian conflict and in opposition to United Nations Security Council resolutions that impose a solution to the conflict, and

WHEREAS, on December 23, 2016, the United States Permanent Representative to the United Nations disregarded House Concurrent Resolution 165 and departed from long-standing United States policy by abstaining and permitting United Nations Security Council Resolution 2334 to be adopted under Chapter VI of the United Nations Charter, and

WHEREAS, the United States' abstention on United Nations Security Council Resolution 2334 contradicts the Oslo Accords and its associated process that is predicated on resolving the Israeli-Palestinian conflict between the parties through direct, bilateral negotiations, and

WHEREAS, United Nations Security Council Resolution 2334 claims that "the establishment by Israel of settlements in the Palestinian territory occupied since 1967, including East Jerusalem, has no legal validity and constitutes a flagrant violation under international law and a major obstacle to the achievement of the two-State solution and a just, lasting and comprehensive peace," and

WHEREAS, by referring to the "4 June 1967 lines" as the basis for negotiations, United Nations Security Council Resolution 2334 effectively states that the Jewish Quarter of the Old City of Jerusalem and the Western Wall, Judaism's holiest site, are "occupied territory," thereby equating these sites with outposts in the West Bank which the Israeli government has deemed illegal, and

WHEREAS, passage of United Nations Security Council Resolution 2334 effectively legitimizes efforts by the Palestinian Authority to impose its own solution through international organizations and unjustified boycotts or divestment campaigns against Israel by calling "upon all States, bearing in mind paragraph 1 of this resolution, to distinguish, in their relevant dealings, between the territory of the State of Israel and the territories occupied since 1967," and will require the United States and Israel to take effective action to counteract the resolution's potential harmful impacts, and

WHEREAS, United Nations Security Council Resolution 2334 did not directly call upon Palestinian leadership to fulfill their obligations toward negotiations or mention that part of the eventual Palestinian state is currently controlled by Hamas, a designated terrorist organization, and

WHEREAS, United Nations Security Council Resolution 2334 sought to impose or unduly influence solutions to final-status issues and is biased against Israel, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Florida Senate finds that:

(1) The passage of United Nations Security Council Resolution 2334 undermined the long-standing position of the United States to oppose and veto United Nations Security Council resolutions that seek to impose solutions to final-status issues or are one-sided and anti-Israel, reversing decades of bipartisan agreement.

(2) The passage of United Nations Security Council Resolution 2334 undermines the prospect of Israelis and Palestinians resuming productive, direct, bilateral negotiations.

(3) The passage of United Nations Security Council Resolution 2334 contributes to the politically motivated acts of boycotting, divesting from, and sanctioning Israel and represents a concerted effort to extract concessions from Israel outside of direct, bilateral negotiations between the Israelis and Palestinians, which must be actively rejected.

(4) Any future measures taken by any organization, including the United Nations Security Council, to impose an agreement or para-

meters for an agreement will set back the peace process, harm the security of Israel, contradict the enduring bipartisan consensus on strengthening the United States-Israel relationship, and weaken support for such organizations.

(5) A durable and sustainable peace agreement between Israel and the Palestinians is only possible with direct, bilateral negotiations between the parties resulting in a Jewish, democratic state living next to a demilitarized Palestinian state in peace and security.

(6) The United States government should work to facilitate serious, direct, unconditional negotiations between the parties toward a sustainable peace agreement.

(7) The United States government should oppose and veto future one-sided, anti-Israel United Nations Security Council resolutions that seek to impose solutions to final-status issues.

BE IT FURTHER RESOLVED that the Florida Senate opposes and requests the repeal of United Nations Security Council Resolution 2334 or the fundamental alteration of the resolution so that it:

- (1) Is no longer one-sided and anti-Israel.
- (2) Authorizes all final-status issues toward a two-state solution to be resolved through direct, bilateral negotiations between the parties involved.

BE IT FURTHER RESOLVED that the Secretary of State is directed to dispatch copies of this memorial to the President of the United States, the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, and the Israeli Embassy in Washington, D.C., for transmission to the proper authorities of the State of Israel as a tangible token of the sentiments expressed herein.

Excused: Senators Grimsley, Hukill, and Rader

PRAYER

The following prayer was offered by Reverend Robert W. Jakoby, Assistant Vice President, Emeritus, Pastoral Care Services, Baptist Health South Florida, Miami:

Almighty God, we pause in our busy schedules to acknowledge you as the creator and sustainer of life, recognizing you are the one who has granted us the health and strength to have busy schedules. We confess we often get so focused on daily activities that we fail to comprehend your involvement in all areas of our life. Thank you for loving us for who we are and not wanting to leave us as we are.

As life has become increasingly chaotic, violent, and restless in our country and the world, we acknowledge our dependence upon you for direction. May you, O God, grant guidance to these men and women in their proceedings on this Senate floor today. Give wisdom and direction to each of these Senators who represent the people of our state. May their collective wisdom lead them to right and honorable decisions that would be for all the people. Help each Senator to know the plans and purpose that you have for their lives individually, and for the people of this great state.

For Governor Scott and every Senator—I ask that you grant good health, daily protection, and safe travels. Extend this, likewise, to each of their families. I pray this in your holy son’s name. Amen.

PLEDGE

Senate Pages, Lucas Qualls of Atlantis, son of Senator Clemens; Molly Lovestrand of Floral City; Kayla Woodie of Hialeah; and Koda Robillard of Pittsboro, North Carolina, nephew of Senator Flores, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

At the request of Senator Hukill—

By Senator Hukill—

SR 1340—A resolution recognizing September 2017 as “Spinal Cord Injury Awareness Month” in Florida.

WHEREAS, the central nervous system is made up of two parts, the brain and the spinal cord, and

WHEREAS, the spinal cord is considered the information super-highway of the body because it contains bundles of neurons that carry signals to and from the brain, controlling many bodily functions, and

WHEREAS, after a spinal cord injury occurs, damaged neurons can no longer emit signals to or from the brain, and the injured person suffers permanent sensory loss and loss of muscle control, and

WHEREAS, in 2016, an estimated 282,000 individuals in the United States were living with a spinal cord injury, and

WHEREAS, it is estimated that the number of new cases involving spinal cord injury in the United States is approximately 17,000 each year, and

WHEREAS, the average age at injury for victims is 42 years, with men accounting for about 80 percent of all new spinal cord injury cases, and

WHEREAS, the National Spinal Cord Injury Statistical Center’s 2016 data sheet shows that the four leading causes of spinal cord injury for both men and women were auto accidents, falls, acts of violence, and sports-related activities, and

WHEREAS, the same report shows that the average annual cost of care for individuals who had a spinal cord injury ranged from approximately \$350,000 to \$1.06 million the first year after injury, with an estimated lifetime cost of between approximately \$1.1 million and \$4.7 million, depending on the severity of injury and the age of the individual at the time of injury, and

WHEREAS, over the past two decades, scientists have made major breakthroughs in understanding how to stimulate the regeneration of

damaged neurons, restore normal function, and improve the quality of life for patients with spinal cord injuries in areas such as infertility and pain management, and

WHEREAS, scores of national, regional, and local organizations and researchers, doctors, volunteers, and others across this state are dedicated to improving the quality of life of people with spinal cord injuries and their families, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That September 2017 is recognized as “Spinal Cord Injury Awareness Month” in Florida.

By Senator Powell—

SR 1800—A resolution recognizing the 50th anniversary of the reunification of Jerusalem.

WHEREAS, the United States and Israel were built by idealists, including those who had fled war and oppression, who planted the seeds of democracy to foster a better world, and the two nations exist because people before us refused to be constrained by the past or the difficulties of the present, and

WHEREAS, the relationship between the two nations is based not only on shared interests, but also on deeply held shared values, and

WHEREAS, the 1967 Six-Day War was a transformative event in the history of Israel and the Jewish people, in which Israel, surrounded on all its borders and threatened with annihilation, emerged with a decisive military victory against the combined armies of neighboring aggressor states, and also created unresolved challenges with which Israel grapples to this day, and

WHEREAS, after 19 years during which Jerusalem was divided, Jewish holy sites were desecrated, and access to them was denied, the conflict resulted in the city’s reunification, and

WHEREAS, since 1967, Israel has respected the right of all peoples to visit its holy sites, subject to security requirements, and this right must continue to be maintained, and

WHEREAS, before 1967 and thereafter, Israel has never ceased struggling to achieve peace with its neighbors, making painful sacrifices, including the removal of settlements and military forces from strategically important areas, and

WHEREAS, a peace treaty with Egypt was forged in 1979, under which Israel withdrew from the Sinai, and, in 1994, Jordan and Israel signed a peace treaty, and, despite numerous crises, the treaties remain intact and provide an important source of stability in the region, leading to vital security cooperation in the face of threats to these nations, and

WHEREAS, the Six-Day War left Israel in control over the lives of millions of Palestinians living in the West Bank and Gaza, causing enormous trauma and suffering on both sides, and

WHEREAS, in the pursuit of peace and reconciliation, Israel has engaged in direct negotiations with Palestinian leaders since 1993 and forged interim agreements leading to territorial concessions under which, despite tensions, terrorism, and other difficulties, Israel has developed a working administrative and security relationship with the Palestinian National Authority, and

WHEREAS, Israel further unilaterally disengaged from Gaza in 2005, with the aim of improving the situation for Palestinians, and

WHEREAS, despite numerous efforts over the years, a peace agreement between Israel and the Palestinian leadership has proven to be

elusive, with Israel accepting and Palestinian leaders rejecting numerous peace offers since 1947, and

WHEREAS, while the current environment has not been conducive to peace initiatives, it is hoped that Israel and the Palestinian National Authority can resume negotiations leading to a comprehensive conflict-ending agreement resolving all outstanding issues, including borders; refugees, both Palestinian and Jewish people from Arab states; security; settlements; and Jerusalem, and

WHEREAS, this is a time to intensify support for efforts by Israeli and Palestinian civil society leaders to build an infrastructure of peace from the ground up through people-to-people initiatives to pursue diplomatic solutions that will serve to anchor any future agreements, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the 50th anniversary of the reunification of Jerusalem is recognized as an occasion to reaffirm the Florida Senate’s strong support for the democratic State of Israel.

BE IT FURTHER RESOLVED that peace between Israel and the Arab world would significantly bolster efforts to confront extremism and violence in the region by terrorist organizations.

BE IT FURTHER RESOLVED that a copy of this resolution, with the Seal of the Senate affixed, be presented to the President of the United States, the President Pro Tempore of the United States Senate, the Speaker of the United States House of Representatives, the members of the Florida delegation of the United States House of Representatives and the United States Senate, and the Ambassador of the State of Israel to the United States as a tangible token of the sentiments of the Florida Senate.

SR 1804—A resolution recognizing the Florida Alliance of YMCAs and celebrating 60 years of service of the Florida YMCA Youth in Government program.

WHEREAS, the YMCA Youth in Government program was founded in 1936 to give students nationwide the opportunity to serve as part of a youth-run, youth-led model government process, and

WHEREAS, the Florida YMCA Youth in Government program was founded in 1957 and, since that time, delegates have been actively engaged with the issues that impact their families, schools, YMCAs, and communities, and

WHEREAS, the founding principle of the Florida YMCA Youth in Government program is servant leadership, and its model government process is designed to prepare students for a life of engaged and active citizenship built on the values of civil debate, statesmanship, and research-based policy solutions, and

WHEREAS, the Florida YMCA Youth in Government program is led by hundreds of teachers, students, and parents who volunteer tens of thousands of hours of their time to ensure the success of the program for the youth of this state, regardless of a participant’s background or socioeconomic status, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

SR 1810—A resolution recognizing the need for, and encouraging policies that improve access to, home dialysis for minorities living with end-stage renal disease.

WHEREAS, end-stage renal disease (ESRD), also known as kidney failure, currently impacts 661,000 Americans, and more than 89,000 Americans die from ESRD annually, and

WHEREAS, more than 117,000 new ESRD cases are diagnosed each year, with 7,500 of those cases diagnosed in Florida, and

WHEREAS, dialysis and transplant are the only treatments for ESRD, and 70 percent of patients are on dialysis, and

WHEREAS, when dialysis is the method of treatment, a patient may either obtain treatment in his or her home with home hemodialysis (HHD) or home peritoneal dialysis (PD) or be transported to a dialysis center three times each week for hemodialysis, and

WHEREAS, HHD provides significant economic and lifestyle advantages, including greater autonomy and flexibility over when a patient dialyzes; reduces dependence on transportation, as there is no travel to a clinic for treatments; and is more conducive to employment, as evidenced by higher rates of employment among home dialysis patients, and

WHEREAS, the first 3 months of dialysis cost an average of \$43,000 per patient, and

WHEREAS, access to an HHD training program allows Medicaid patients to move to Medicare as their primary payer on the first day of treatment, as opposed to at the beginning of the fourth month of treatment, by eliminating the Medicare waiting period and, therefore, saves taxpayers a significant amount of money, and

WHEREAS, this 3-month Medicare waiting period drives up the cost to states and, assuming 1,000 new Medicaid ESRD cases, could mean as much as \$43 million in Medicaid costs each year, and

WHEREAS, only 10 percent of dialysis patients receive treatment at home, and

WHEREAS, ESRD disproportionately affects minority Americans, with incidence among African Americans 3.7 times greater than in Caucasians, and

WHEREAS, Hispanic patients are 13 percent less likely than Caucasians to receive PD and 37 percent less likely to receive HHD, while African-American patients are 29 percent less likely than Caucasians to receive PD and 17 percent less likely to receive HHD, and HHD and HHD home training are less available in poorer counties, and

WHEREAS, significant barriers preclude many patients from accessing HHD, including the lack of sufficient provider education about HHD, insufficient reimbursement for HHD, limited patient awareness of the option of HHD, and potentially burdensome requirements for care partner support, and

WHEREAS, policymakers can alleviate these burdens by focusing on telehealth, medical waste laws, and reimbursement levels; by enabling and encouraging providers to offer HHD to more of their patients; and by providing a pathway for staff-assisted HHD, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the importance of equal access to all dialysis modalities for end-stage renal disease is recognized as a means of preserving state funds by enabling more patients who can benefit from home dialysis to access it.

BE IT FURTHER RESOLVED that state agencies and policymakers are encouraged to implement policies to decrease the disproportionate number of African Americans and other minorities who lack access to home dialysis modalities.

PRAYER

The following prayer was offered by Pastor Terrance Wilson, Trinity Church, Miami Gardens:

Mighty God, we believe that what the scripture says in the Psalms is true: "This is the day the Lord has made; We will rejoice and be glad in it." We rejoice because you, oh merciful God, have given us another day and with that day, another opportunity to show love towards one another, to reconcile the mistakes of our past, and to seize the moments this present day has to offer. On this day, we gather to build a better tomorrow, knowing and believing we can only do so with your guidance and divine wisdom.

I pray for the leadership of this great State of Florida, believing that, "In the Lord's hand, the king's heart is a stream of water that he channels toward all who please him." May our actions as a state and nation be pleasing to you, oh matchless God, and may you propel our hearts in a direction that leads us to have compassion for our fellow man, in spite of our own preconceived notions of him. May we always follow the command to love our neighbor as ourselves, knowing that this command calls us to seek out the common ground you have created in all of us. May we strive to find the links in the cords that bind us together as people, and may we eliminate the barriers between us that

hinder us from calling each other brothers and sisters. Though we are all uniquely created, may we remember we are all fearfully and wonderfully created in your image. For it is only through you, oh God, that we can truly operate in unity.

Finally, creator God, we thank you for this great nation, the United States of America. May your divine hand always be upon us and protect us from those who would wish to harm us. We know and believe in scriptures that remind us, "The Lord God is a sun and a shield; the Lord bestows favor and honor." As our sun, may you continually provide and resource our nation and state to create brighter pathways for the generations that will follow us. As our shield, may you guard us from decisions that may potentially become destructive towards ourselves and others. May your favor and honor continue to bless us today, and be a hope for our children, as we believe for a better tomorrow. We pray these things in thy name. Amen.

PLEDGE

Senator Campbell led the Senate in the Pledge of Allegiance to the flag of the United States of America.

The machine, or any machine or device linked to the machine, does not include or make use of video reels or mechanical reels or other video depictions of slot machine or casino game themes or titles for game play, but does not preclude the use of casino game themes or titles on such tickets or signage or advertising displays on the machines;

(b) A machine that dispenses pre-determined electronic instant lottery tickets and displays an image of the ticket on a video screen on the machine, where the player touches the image of the ticket on the video screen to reveal the outcome of the ticket, provided the machine does not permit a player to redeem winnings, does not make use of video reels or mechanical reels, and does not simulate the play of any casino game, and the lottery retailer is paid the same amount as would be paid for the sale of paper instant lottery tickets; or

(c) A machine that dispenses a paper lottery ticket with numbers selected by the player or randomly by the machine, but does not reveal the winning numbers. Such winning numbers are selected at a subsequent time and different location through a drawing conducted by the state lottery. The machine, or any machine or device linked to the machine, does not include or make use of video reels or mechanical reels or other video depictions of slot machine or casino game themes or titles for game play. The machine is not used to redeem a winning ticket. This does not preclude the use of casino game themes, titles for signage, or advertising displays on the machine.

(20) "Monthly payment" means the monthly revenue share payment which the Tribe remits to the state on the 15th day of the month following each month of the revenue sharing cycle.

(21) "Net revenue base" means the net win for the 12 month period immediately preceding the offering of, for public or private use, Class III or other casino-style gaming at any of the licensed pari-mutuel facilities in Broward and Miami-Dade Counties, except that if the commencement

(22) “Net win” means the total receipts from the play of all covered games less all prize payouts and free play or promotional credits issued by the Tribe.

(23) “Pari-mutuel wagering activities” means those activities presently authorized by chapter 550, which do not include any casino-style game or device that includes video reels or mechanical reels or other slot machine or casino game themes or titles.

(26) “Revenue share payment” means the periodic payment by the Tribe to the state provided for in Part XI.

(27) “Revenue sharing cycle” means the annual 12-month period of the Tribe’s operation of covered games in its facilities beginning on July 1 of each fiscal year, except for during the initial payment period, when the first revenue sharing cycle begins on July 1 of the previous year, and the Tribe receives a credit for any amount paid to the state under the 2010 Compact for that revenue sharing cycle.

(28) “Rules and regulations” means the rules and regulations promulgated by the commission for implementation of this compact.

(29) “State” means the State of Florida.

AUTHORIZATION AND LOCATION OF COVERED GAMES.—

(1) The Tribe and state agree that the Tribe is authorized to operate covered games on its Indian lands, as defined in the Indian Gaming Regulatory Act, in accordance with the provisions of this compact. Except as otherwise provided in this compact, nothing gives the Tribe the right to conduct roulette, craps, roulette-style games, or craps-style games; however, nothing in the compact is intended to prohibit the Tribe from operating slot machines that employ video or mechanical displays of roulette, wheels, or other table game themes. Except for the provisions in subsection (1) of Part XI, nothing in this compact shall limit the Tribe’s right to operate any Class II gaming under the Indian Gaming Regulatory Act.

(2) The Tribe is authorized to conduct covered games under this compact only at the following seven existing facilities, which may be expanded or replaced as provided in subsection (3) on Indian lands:

- (a) Seminole Indian Casino-Brighton in Okeechobee, FL.

(3) Any of the facilities existing on Indian lands identified in subsection (2) may be expanded or replaced by another facility on the same Indian lands with at least 60 days’ advance notice to the state.

PART V

RULES AND REGULATIONS; MINIMUM REQUIREMENTS FOR OPERATIONS.—

(1) At all times during the term of this compact, the Tribe shall be responsible for all duties that are assigned to it and the commission under this compact. The Tribe shall promulgate any rules necessary to implement this compact, which, at a minimum, shall expressly include or incorporate by reference all provisions of Parts V, VI, VII, and VIII. Nothing in this compact shall be construed to affect the Tribe’s right to amend its rules, provided that any such amendment is in conformity with this compact. The state compliance agency may propose additional rules consistent with and related to the implementation of this compact to the commission at any time, and the commission shall give good faith consideration to such proposed rules and shall notify the state compliance agency of its response or action with respect to such rules.

(2) All facilities shall comply with, and all covered games approved under this compact shall be operated in accordance with, the requirements set forth in this compact, including, but not limited to, the requirements set forth in subsections (3) and (4) and the Tribe’s Internal Control Policies and Procedures. In addition, all facilities and all covered games shall be operated in strict compliance with tribal internal control standards that provide a level of control that equals or exceeds those set forth in the National Indian Gaming Commission’s Minimum Internal Control Standards, 25 C.F.R. part 542 (2015), even if the 2015 regulations are determined to be invalid or are subsequently withdrawn by the National Indian Gaming Commission. The Tribe may amend or supplement its internal control standards from time to time, provided that such changes continue to provide a level of control that equals or exceeds those set forth in 25 C.F.R. part 542 (2015).

(3) The Tribe and the commission shall retain all documents in compliance with the requirements set forth in the Tribe’s Record Retention Policies and Procedures.

(4) The Tribe shall continue and maintain its program to combat problem gambling and curtail compulsive gambling and work with the Florida Council on Compulsive Gambling or other organizations dedicated to assisting problem gamblers. The Tribe shall continue to maintain the following safeguards against problem gambling:

(a) The Tribe shall provide to every new gaming employee a comprehensive training and education program designed in cooperation with the Florida Council on Compulsive Gambling or other organization dedicated to assisting problem gamblers.

(b) The Tribe shall make printed materials available to patrons, which include contact information for the Florida Council on Compulsive Gambling 24-hour helpline or other hotline dedicated to assisting problem gamblers, and will work with the Florida Council on Compulsive Gambling or other organization dedicated to assisting problem gamblers to provide contact information for the Florida Council on Compulsive Gambling or other organization dedicated to assisting problem gamblers, and to provide such information on the facility’s website. The Tribe shall continue to display within the facilities all literature from the Florida Council on Compulsive Gambling or other organization dedicated to assisting problem gamblers.

(c)1. The commission shall establish a list of patrons voluntarily excluded from the Tribe’s facilities, pursuant to subparagraph 3.

2. The Tribe shall employ its best efforts to exclude patrons on such list from entry into its facilities; provided that nothing in this compact shall create for patrons who are excluded but gain access to the facilities, or any other person, a cause of action or claim against the state, the Tribe or the commission, or any other person, entity, or agency for failing to enforce such exclusion.

3. Patrons who believe they may be compulsively playing covered games may request that their names be placed on the list of patrons voluntarily excluded from the Tribe’s facilities.

(d) All covered game employees shall receive training on identifying compulsive gamblers and shall be instructed to ask such persons to leave. The facility shall make available signs bearing a toll-free help-line number and educational and informational materials at conspicuous locations and automated teller machines in each facility, which materials aim at the prevention of problem gaming and which specify where patrons may receive counseling or assistance for gambling problems. All covered games employees shall also be screened by the Tribe for compulsive gambling habits. Nothing in this subsection shall create for patrons, or any other person, a cause of action or claim against the state, the Tribe or the commission, or any other person, entity, or agency for failing to identify a patron or person who is a compulsive gambler or ask that person to leave.

(e) The Tribe shall follow the rules for exclusion of patrons set forth in the Seminole Tribal Gaming Code.

(f) The Tribe shall make diligent efforts to prevent underage individuals from loitering in the area of each facility where the covered games take place.

(g) The Tribe shall ensure that any advertising and marketing of covered games at the facilities contains a responsible gambling message and a toll-free help-line number for problem gamblers, where practical, and that such advertising and marketing make no false or misleading claims.

(5) The state may secure an annual independent audit of the conduct of covered games subject to this compact, as set forth in Part VIII.

(6) The facility shall visibly display summaries of the rules for playing covered games and promotional contests and shall make available complete sets of rules upon request. The Tribe shall provide copies of all such rules to the state compliance agency within 30 calendar days after issuance or amendment.

(7) The Tribe shall provide the commission and state compliance agency with a chart of the supervisory lines of authority with respect to those directly responsible for the conduct of covered games, and shall promptly notify those agencies of any material changes to the chart.

(8) The Tribe shall continue to maintain proactive approaches to prevent improper alcohol sales, drunk driving, underage drinking, and underage gambling. These approaches shall involve intensive staff training, screening and certification, patron education, and the use of security personnel and surveillance equipment in order to enhance patrons' enjoyment of the facilities and provide for patron safety.

(a) Staff training includes specialized employee training in non-violent crisis intervention, driver license verification, and detection of intoxication.

(b) Patron education shall be carried out through notices transmitted on valet parking stubs, posted signs in the facilities, and in brochures.

(c) Roving and fixed security officers, along with surveillance cameras, shall assist in the detection of intoxicated patrons, investigate problems, and engage with patrons to deescalate volatile situations.

(d) To help prevent alcohol-related crashes, the Tribe will continue to operate the "Safe Ride Home Program," a free taxi service.

(e) The Tribe shall maintain these programs and policies in its Alcohol Beverage Control Act for the duration of the compact but may replace such programs and policies with stricter or more extensive programs and policies. The Tribe shall provide the state with written notice of any changes to the Tribe's Alcohol Beverage Control Act, which notice shall include a copy of such changes and shall be sent on or before the effective date of the change. Nothing in this subsection shall create for patrons, or any other person, a cause of action or claim against the state, the Tribe or the commission, or any other person, entity, or agency for failing to fulfill the requirements of this subsection.

(9) A person under 21 years of age may not play covered games, unless otherwise permitted by state law.

(10) The Tribe may establish and operate facilities that operate covered games only on its Indian lands as defined by the Indian Gaming Regulatory Act and as specified in Part IV.

(11) The commission shall keep a record of, and shall report at least quarterly to the state compliance agency, the number of covered games in each facility, by the name or type of each game and its identifying number.

(12) The Tribe and the commission shall make available, to any member of the public upon request, within 10 business days, a copy of the minimum internal control standards of the National Indian Gaming Commission (25 C.F.R. part 542 (2015)), the Seminole Tribal Gaming Code, this compact, the rules of each covered game operated by the Tribe, and the administrative procedures for addressing patron tort claims under Part VI.

PART VI

PATRON DISPUTES, WORKERS' COMPENSATION, TORT CLAIMS; PRIZE CLAIMS; LIMITED CONSENT TO SUIT.—

(1) All patron disputes involving gaming shall be resolved in accordance with the procedures established in the Seminole Tribal Gaming Code.

(2) Tort claims by employees of the Tribe's facilities will be handled pursuant to the provisions of the Tribe's Workers' Compensation Ordinance, which shall provide workers the same or better protections as provided in state workers' compensation laws.

(3) Disputes involving employees of the Tribe's facilities will be handled pursuant to the provisions of the Tribe's policy for gaming employees, as set forth in the Employee Fair Treatment and Dispute Resolution Policy.

(4) A patron who claims to have been injured after the effective date of the compact at one of the Tribe's facilities in which covered games are played is required to provide written notice to the Tribe's Risk Management Department or the facility, in a reasonable and timely manner, but no longer than three years after the date of the incident giving rise to the claimed injury, or the claim shall be forever barred.

(5) The Tribe shall have 30 days to respond to a claim made by a patron. If the Tribe fails to respond within 30 days, the patron may file suit against the Tribe. When the Tribe responds to an incident alleged to have caused a patron's injury or illness, the Tribe shall provide a claim form to the patron. The form must include the address for the Tribe's Risk Management Department and provide notice of the Tribe's administrative procedures for addressing patron tort claims, including notice of the relevant deadlines that may bar such claims if the Tribe's administrative procedures are not followed. It is the patron's responsibility to complete the form and forward the form to the Tribe's Risk Management Department within a reasonable period of time, and in a reasonable and timely manner. Nothing herein shall interfere with any claim a patron might have arising under the Federal Tort Claim Act.

(6) Upon receiving written notification of the claim, the Tribe's Risk Management Department shall forward the notification to the Tribe's insurance carrier. The Tribe shall use its best efforts to ensure that the insurance carrier contacts the patron within a reasonable period of time after receipt of the claim.

(7) The insurance carrier shall handle the claim to conclusion. If the patron, Tribe, and insurance carrier are not able to resolve the claim in good faith within one year after the patron provided written notice to the Tribe's Risk Management Department or the facility, the patron may bring a tort claim against the Tribe in any court of competent jurisdiction in the county in which the incident alleged to have caused injury occurred, as provided in this compact, and subject to a four-year statute of limitations, which shall begin to run from the date of the incident of the injury alleged in the claim. A patron's notice of injury to the Tribe pursuant to subsection (4) and the fulfillment of the good faith attempt at resolution pursuant to this part are conditions precedent to filing suit.

(8) For tort claims of patrons made pursuant to subsection (4), the Tribe agrees to waive its tribal sovereign immunity to the same extent as the state waives its sovereign immunity, as specified in s. 768.28(1) and (5), Florida Statutes, as such provision may be amended from time to time by the Legislature. In no event shall the Tribe be deemed to have waived its tribal immunity from suit beyond the limits set forth in s. 768.28(5), Florida Statutes. These limitations are intended to include

liability for compensatory damages, costs, pre-judgment interest, and attorney fees if otherwise allowable under state law arising out of any claim brought or asserted against the Tribe, its subordinate governmental and economic units, any Tribal officials, employees, servants, or agents in their official capacities and any entity which is owned, directly or indirectly, by the Tribe. All patron tort claims brought pursuant to this provision shall be brought solely against the Tribe, as the sole party in interest.

(9) Notices explaining the procedures and time limitations with respect to making a tort claim shall be prominently displayed in the facilities, posted on the Tribe's website, and provided to any patron for whom the Tribe has notice of the injury or property damage giving rise to the tort claim. Such notices shall explain:

(a) The method and places for making a tort claim, including where the patron must submit the claim.

(b) That the process is the exclusive method for asserting a tort claim arising under this section against the Tribe.

(c) That the Tribe and its insurance carrier have one year from the date the patron gives notice of the claim to resolve the matter, and that after that time, the patron may file suit in a court of competent jurisdiction.

(d) That the exhaustion of the process is a prerequisite to filing a claim in state court.

(e) That claims that fail to follow this process shall be forever barred.

(10) The Tribe shall maintain an insurance policy that shall:

(a) Prohibit the insurer or the Tribe from invoking tribal sovereign immunity for claims up to the limits to which the state has waived sovereign immunity as set forth in s. 768.28(5), Florida Statutes, or its successor statute.

(b) Include covered claims made by a patron or invitee for personal injury or property damage.

(c) Permit the insurer or the Tribe to assert any statutory or common law defense other than sovereign immunity.

(d) Provide that any award or judgment rendered in favor of a patron or invitee shall be satisfied solely from insurance proceeds.

(11) The Tribal Council of the Seminole Tribe of Florida may, in its discretion, consider claims for compensation in excess of the limits of the Tribe's waiver of its sovereign immunity.

PART VII

ENFORCEMENT OF COMPACT PROVISIONS.—

(1) The Tribe, the commission, and the state compliance agency, to the extent authorized by this compact, shall be responsible for regulating activities pursuant to this compact. As part of its responsibilities, the Tribe shall adopt or issue standards designed to ensure that the facilities are constructed, operated, and maintained in a manner that adequately protects the environment and public health and safety. Additionally, the Tribe and the commission shall ensure that:

(a) Operation of the conduct of covered games is in strict compliance with:

1. The Seminole Tribal Gaming Code.

2. All rules, regulations, procedures, specifications, and standards lawfully adopted by the National Indian Gaming Commission and the commission.

3. The provisions of this compact, including, but not limited to, the Tribe's standards and rules.

(b) Reasonable measures are taken to:

1. Ensure the physical safety of facility patrons, employees, and any other person while in the facility.

2. Prevent illegal activity at the facilities or with regard to the operation of covered games, including, but not limited to, the maintenance of employee procedures and a surveillance system.

3. Ensure prompt notification is given, in accordance with applicable law, to appropriate law enforcement authorities of persons who may be involved in illegal acts.

4. Ensure that the construction and maintenance of the facilities complies with the standards of the Florida Building Code, the provisions of which the Tribe has adopted as the Seminole Tribal Building Code.

5. Ensure adequate emergency access plans have been prepared to ensure the health and safety of all covered game patrons.

(2) All licenses for members and employees of the commission shall be issued according to the same standards and terms applicable to facility employees. The commission's officers shall be independent of the Tribal gaming operations, and shall be supervised by and accountable only to the commission. A commission officer shall be available to the facility during all hours of operation upon reasonable notice, and shall have immediate access to any and all areas of the facility for the purpose of ensuring compliance with the provisions of this compact. The commission shall investigate any suspected or reported violation of this part and shall officially enter into its files timely written reports of investigations and any action taken thereon, and shall forward copies of such investigative reports to the state compliance agency within 30 calendar days after such filing. The scope of such reporting shall be determined by the commission and the state compliance agency as soon as practicable after the effective date of this compact. Any such violations shall be reported immediately to the commission, and the commission shall immediately forward such reports to the state compliance agency. In addition, the commission shall promptly report to the state compliance agency any such violations which it independently discovers.

(3) In order to develop and foster a positive and effective relationship in the enforcement of the provisions of this compact, representatives of the commission and the state compliance agency shall meet at least annually to review past practices and examine methods to improve the regulatory scheme created by this compact. The meetings shall take place at a location mutually agreed upon by the commission and the state compliance agency. The state compliance agency, before or during such meetings, shall disclose to the commission any concerns, suspected activities, or pending matters reasonably believed to constitute violations of the compact by any person, organization, or entity, if such disclosure will not compromise the interest sought to be protected.

PART VIII

STATE MONITORING OF COMPACT.—

(1) It is the express intent of the Tribe and the state for the Tribe to regulate its own gaming activities. Notwithstanding, the state shall conduct random inspections as provided for in this part to ensure that the Tribe is operating in accordance with the terms of the compact. The state may secure an annual independent audit of the conduct of covered games subject to this compact and the Tribe shall cooperate with such audit. The audit shall:

(a) Examine the covered games operated by the Tribe to ensure compliance with the Tribe's Internal Control Policies and Procedures and any other standards, policies, or procedures adopted by the Tribe, the commission, or the National Indian Gaming Commission which govern the play of covered games.

(b) Examine revenues in connection with the conduct of covered games and include only those matters necessary to verify the determination of net win and the basis and amount of the payments the Tribe is required to make to the state pursuant to Part XI and as defined by this compact.

(2) A copy of the audit report for the conduct of covered games shall be submitted to the commission and the state compliance agency within 30 calendar days after completion. Representatives of the state compliance agency may, upon request, meet with the Tribe and its auditors to discuss the audit or any matters in connection therewith; provided that such discussions are limited to covered games information. The annual independent audit shall be performed by an independent firm selected by the state which has experience in auditing casino operations, subject to the consent of the Tribe, which shall not be unreasonably withheld. The Tribe shall pay for the cost of the annual independent audit.

(3) As provided herein, the state compliance agency may monitor the conduct of covered games to ensure that the covered games are conducted in compliance with the provisions of this compact. In order to properly monitor the conduct of covered games, agents of the state compliance agency shall have reasonable access, without prior notice, to all public areas of the facilities related to the conduct of covered games.

(a) The state compliance agency may review whether the Tribe's facilities are in compliance with the provisions of this compact and the Tribe's rules and regulations applicable to covered games and may advise on such issues as it deems appropriate. In the event of a dispute or disagreement between Tribal and state compliance agency regulators, the dispute or disagreement shall be resolved in accordance with the dispute resolution provisions of Part XIII.

(b) In order to fulfill its oversight responsibilities, the state compliance agency may perform on a routine basis specific oversight testing procedures as set forth in paragraph (c).

(c)1. The state compliance agency may inspect any covered games in operation at the facilities on a random basis, provided that such inspections may not exceed one inspection per facility per calendar month and the inspection may not exceed ten hours spread over those two consecutive days, unless the state compliance agency determines that additional inspection hours are needed to address the issues of substantial noncompliance, provided that the state compliance agency provides the Tribe with written notification of the need for additional inspection hours and a written summary of the substantial noncompliance issues that need to be addressed during the additional inspection hours. The total number of hours of random inspections and audit reviews per year may not exceed 1,200 hours. Inspection hours shall be calculated on the basis of the actual amount of time spent by the state compliance agency conducting the inspections at a facility, without accounting for a multiple for the number of state compliance agency inspectors or agents engaged in the inspection activities. The purpose of the random inspections is to confirm that the covered games function properly pursuant to the manufacturer's technical standards and are conducted in compliance with the Tribe's Internal Control Policies and Procedures and any other standards, policies, or procedures adopted by the Tribe, the commission, or the National Indian Gaming Commission which govern the play of covered games. The state compliance agency shall provide notice to the commission of such inspection at or before the commencement of a random inspection and a commission agent may accompany the inspection.

2. For each facility, the state compliance agency may perform one annual review of the Tribe's slot machine compliance audit.

3. At least annually, the state compliance agency may meet with the Tribe's Internal Audit Department for Gaming to review internal controls and the record of violations for each facility.

(d) The state compliance agency shall cooperate with and obtain the assistance of the commission in the resolution of any conflicts in the management of the facilities, and the state and the Tribe shall make their best efforts to resolve disputes through negotiation whenever possible. Therefore, to foster a spirit of cooperation and efficiency, the state compliance agency and Tribe shall resolve disputes between the state compliance agency staff and commission regulators about the day-to-day regulation of the facilities through meeting and conferring in good faith. Notwithstanding, the parties may seek other relief that may be available when circumstances require such relief. In the event of a dispute or disagreement between tribal and state compliance agency regulators, the dispute or disagreement shall be resolved in accordance with the dispute resolution provisions of Part XIII.

(e) The state compliance agency shall have access to each facility during the facility's operating hours only. No advance notice is required when the state compliance agency inspection is limited to public areas of the facility; however, representatives of the state compliance agency shall provide notice and photographic identification to the commission of their presence before beginning any such inspections.

(f) The state compliance agency agents, to ensure that a commission officer is available to accompany the state compliance agency agents at all times, shall provide one hour notice and photographic identification to the commission before entering any nonpublic area of a facility. Agents of the state compliance agency shall be accompanied in nonpublic areas of the facility by a commission officer.

(g) Any suspected or claimed violations of this compact or law shall be directed in writing to the commission. The state compliance agency, in

conducting the functions assigned them under this compact, shall not unreasonably interfere with the functioning of any facility.

(4) Subject to the provisions herein, the state compliance agency may review and request copies of documents of the facility related to its conduct of covered games during normal business hours unless otherwise allowed by the Tribe. The Tribe may not refuse said inspection and copying of such documents, provided that the inspectors do not require copies of documents in such volume that it unreasonably interferes with the normal functioning of the facilities or covered games. To the extent that the Tribe provides the state with information that the Tribe claims to be confidential and proprietary, or a trade secret, the Tribe shall clearly mark such information with the following designation: "Trade Secret, Confidential, and Proprietary." If the state receives a request under chapter 119 that would include such designated information, the state shall promptly notify the Tribe of such a request and the Tribe shall promptly notify the state about its intent to seek judicial protection from disclosure. Upon such notice from the Tribe, the state may not release the requested information until a judicial determination is made. This designation and notification procedure does not excuse the state from complying with the requirements of the state's public records law, but is intended to provide the Tribe the opportunity to seek whatever judicial remedy it deems appropriate. Notwithstanding the foregoing procedure, the state compliance agency may provide copies of tribal documents to federal law enforcement and other state agencies or state consultants that the state deems reasonably necessary in order to conduct or complete any investigation of suspected criminal activity in connection with the Tribe's covered games or the operation of the facilities or in order to assure the Tribe's compliance with this compact.

(5) At the completion of any state compliance agency inspection or investigation, the state compliance agency shall forward any written report thereof to the commission, containing all pertinent, non-confidential, nonproprietary information regarding any violation of applicable laws or this compact which was discovered during the inspection or investigation unless disclosure thereof would adversely impact an investigation of suspected criminal activity. Nothing herein prevents the state compliance agency from contacting tribal or federal law enforcement authorities for suspected criminal wrongdoing involving the commission.

(6) Except as expressly provided in this compact, nothing in this compact shall be deemed to authorize the state to regulate the Tribe's government, including the commission, or to interfere in any way with the Tribe's selection of its governmental officers, including members of the commission.

PART IX

JURISDICTION.—The obligations and rights of the state and the Tribe under this compact are contractual in nature and are to be construed in accordance with the laws of the state. This compact does not alter tribal, federal, or state civil adjudicatory or criminal jurisdiction in any way.

PART X

LICENSING.—The Tribe and the commission shall comply with the licensing and hearing requirements set forth in 25 C.F.R. parts 556 and 558, as well as the applicable licensing and hearing requirements set forth in Articles IV, V, and VI of the Seminole Tribal Gaming Code. The commission shall notify the state compliance agency of any disciplinary hearings or revocation or suspension of licenses.

PART XI

PAYMENTS TO THE STATE OF FLORIDA.—

(1) The parties acknowledge and recognize that this compact provides the Tribe with partial but substantial exclusivity and other valuable consideration consistent with the goals of the Indian Gaming Regulatory Act, including special opportunities for tribal economic development through gaming within the external boundaries of the state with respect to the play of covered games. In consideration thereof, the Tribe covenants and agrees, subject to the conditions agreed upon in Part XII, to make payments to the state derived from net win as set forth in subsections (2) and (7). The Tribe further agrees that it will not purchase or lease any new Class II video bingo terminals or their equivalents for use at its facilities after the effective date of this compact.

(2) The Tribe shall make periodic revenue share payments to the state derived from net win as set forth in this subsection, and any such payments shall be made to the state via electronic funds transfer. Of the amounts paid by the Tribe to the state, three percent shall be distributed to local governments, including both counties and municipalities, in the state affected by the Tribe's operation of covered games. Of the remaining amounts paid by the Tribe to the state, one-third shall be allocated to K-12 teacher recruitment and retention bonuses, one-third shall be allocated to schools that serve students from persistently failing schools, and one-third shall be allocated to higher education institutions to recruit and retain distinguished faculty. If the Florida Legislature fails to allocate the amounts to the specified educational purposes in the precise manner and amounts set forth in this subsection, all further payments due to the state pursuant to subsections (2) and (7) shall cease, until such time as such allocations are made, in which event the payments shall resume. Payments shall be due in accordance with the payment schedule set forth in paragraph (a).

(a) Revenue share payments by the Tribe to the state shall be calculated as follows:

1. During the initial payment period, the Tribe agrees to pay the state a revenue share payment in accordance with this subparagraph.

a. 13 percent of all amounts up to \$2 billion of net win received by the Tribe from the operation and play of covered games during each revenue sharing cycle;

b. 17.5 percent of all amounts greater than \$2 billion up to and including \$3.5 billion of net win received by the Tribe from the operation and play of covered games during each revenue sharing cycle;

c. 20 percent of all amounts greater than \$3.5 billion up to and including \$4 billion of net win received by the Tribe from the operation and play of covered games during each revenue sharing cycle;

d. 22.5 percent of all amounts greater than \$4 billion up to and including \$4.5 billion of net win received by the Tribe from the operation and play of covered games during each revenue sharing cycle; or

e. 25 percent of all amounts greater than \$4.5 billion of net win received by the Tribe from the operation and play of covered games during each revenue sharing cycle.

2. During the guarantee payment period, the Tribe agrees to make fixed payments in accordance with this subparagraph. In addition, within 90 days after the end of the guarantee payment period, the Tribe shall make an additional payment to the state equal to the amount above \$3 billion, if any, that would have been owed by the Tribe to the state had the percentages set forth in subparagraph 3. been applicable during the guarantee payment period.

a. A payment of \$325 million during the first revenue sharing cycle;

b. A payment of \$350 million during the second revenue sharing cycle;

c. A payment of \$375 million during the third revenue sharing cycle;

d. A payment of \$425 million during the fourth revenue sharing cycle;

e. A payment of \$475 million during the fifth revenue sharing cycle;

f. A payment of \$500 million during the sixth revenue sharing cycle; and

g. A payment of \$550 million during the seventh revenue sharing cycle.

3. During the regular payment period, the Tribe agrees to pay a revenue share payment, for each revenue sharing cycle, to the state equal to the amount calculated in accordance with this subparagraph.

a. 13 percent of all amounts up to \$2 billion of net win received by the Tribe from the operation and play of covered games during each revenue sharing cycle;

b. 17.5 percent of all amounts greater than \$2 billion up to and including \$3.5 billion of net win received by the Tribe from the operation and play of covered games during each revenue sharing cycle;

c. 20 percent of all amounts greater than \$3.5 billion up to and including \$4 billion of net win received by the Tribe from the operation and play of covered games during each revenue sharing cycle;

d. 22.5 percent of all amounts greater than \$4 billion up to and including \$4.5 billion of net win received by the Tribe from the operation and play of covered games during each revenue sharing cycle; or

e. 25 percent of all amounts greater than \$4.5 billion of net win received by the Tribe from the operation and play of covered games during each revenue sharing cycle.

(3) The Tribe shall remit monthly payments as follows:

(a) On or before the 15th day of the month following each month of the revenue sharing cycle, the Tribe will remit to the state or its assignee the monthly payment. For purposes of this section, the monthly payment shall be 8.3 percent of the estimated revenue share payment to be paid by the Tribe during such revenue sharing cycle.

(b) The Tribe shall make available to the state at the time of the monthly payment the basis for the calculation of the payment.

(c) The Tribe shall, on a monthly basis, reconcile the calculation of the estimated revenue share payment based on the Tribe's unaudited financial statements related to covered games.

(4) The Tribe shall have an audit conducted as follows:

(a) On or before the 45th day after the third month, sixth month, ninth month, and twelfth month of each revenue sharing cycle, provided that the 12-month period does not coincide with the Tribe's fiscal year end date as indicated in paragraph (c), the Tribe shall provide the state with an audit report by its independent auditors as to the annual revenue share calculation.

(b) For each quarter within revenue sharing cycle, the Tribe shall engage its independent auditors to conduct a review of the unaudited net revenue from covered games. On or before the 120th day after the end of the Tribe's fiscal year, the Tribe shall require its independent auditors to provide an audit report with respect to net win for covered games and the related payment of the annual revenue share.

(c) If the twelfth month of the revenue sharing cycle does not coincide with the Tribe's fiscal year, the Tribe shall deduct net win from covered games for any of the months outside of the revenue sharing cycle and include net win from covered games for those months outside of the Tribe's audit period but within the revenue sharing cycle, before issuing the audit report.

(d) No later than 30 calendar days after the day the audit report is issued, the Tribe shall remit to the state any underpayment of the annual revenue share, and the state shall either reimburse to the Tribe any overpayment of the annual revenue share or authorize the overpayment to be deducted from the next successive monthly payment or payments.

(5) If, after any change in state law to affirmatively allow internet or online gaming, or any functionally equivalent remote gaming system that permits a person to play from home or any other location that is remote from a casino or other commercial gaming facility, the Tribe's net win from the operation of covered games at all of its facilities combined drops more than five percent below its net win from the previous 12-month period, the Tribe shall no longer be required to make payments to the state based on the guaranteed minimum compact term payment and shall not be required to make the guaranteed minimum compact term payment. However, the Tribe shall continue to make payments based on the percentage revenue share amount. The Tribe shall resume making the guaranteed minimum compact term payment for any subsequent revenue sharing cycle in which its net win rises above the level described in this subsection. This subsection does not apply if:

(a) The decline in net win is due to acts of God, war, terrorism, fires, floods, or accidents causing damage to or destruction of one or more of its facilities or property necessary to operate the facility of facilities; or

(b) The Tribe offers internet or online gaming or any functionally equivalent remote gaming system that permits a person to game from home or any other location that is remote from any of the Tribe's facilities, as authorized by law.

(6) The annual oversight assessment, which shall not exceed \$250,000 per year, indexed for inflation as determined by the Consumer Price Index, shall be determined and paid in quarterly installments within 30 calendar days after receipt by the Tribe of an invoice from the state compliance agency. The Tribe reserves the right to audit the invoices on an annual basis, a copy of which will be provided to the state compliance agency, and any discrepancies found therein shall be reconciled within 45 calendar days after receipt of the audit by the state compliance agency.

(7) The Tribe shall make an annual donation to the Florida Council on Compulsive Gaming as an assignee of the state in an amount not less than \$250,000 per facility.

(8) In accordance with the Tribe's previous and continued conduct of Class III gaming pursuant to the previously existing compact, the Tribe shall continue to pay the state \$19.5 million on or before the 15th day of the month following each month that the Tribe conducts Class III gaming before the effective date of this compact.

(9) On the effective date of this compact, any moneys remitted by the Tribe before the effective date of this compact shall be released to the state without further obligation or encumbrance.

(10) Except as expressly provided in this part, nothing in this compact shall be deemed to require the Tribe to make payments of any kind to the state or any of its agencies.

PART XII

REDUCTION OF TRIBAL PAYMENTS BECAUSE OF LOSS OF EXCLUSIVITY OR OTHER CHANGES IN STATE LAW.—The intent of this compact is to provide the Tribe with the right to operate covered games on an exclusive basis throughout the state, subject to the exceptions and provisions in this part.

(1) For purposes of this subsection, the terms "Class III gaming" or "other casino-style gaming" include, but are not limited to, slot machines, electronically assisted bingo or electronically assisted pull-tab games, noncard table games, video lottery terminals, or any similar games, whether or not such games are determined through the use of a random number generator.

(a) If, after February 1, 2017, state law is amended, implemented, or interpreted to allow the operation of Class III gaming or other casino-style gaming at any location under the jurisdiction of the state that was not in operation as of February 1, 2017, or a new form of Class III gaming or other casino-style gaming that was not in operation as of February 1, 2017, and such gaming is offered to the public as a result of the amendment, implementation, or interpretation, the Tribe, no fewer than 30 days after the commencement of such new gaming or 90 days after the state's receipt of written notice from the Tribe pursuant to subsection (b), whichever occurs later, may elect to begin making the affected portion of its payments due to the state pursuant to subsections (2) and (7) of Part XI, into an escrow account.

(b) In order to exercise the provisions of paragraph (a), the Tribe must first notify the state, within 90 days after such amendment, implementation, or interpretation of state law, of the Tribe's objections to such action or interpretation and further specify the basis for the Tribe's contention that such action or interpretation infringes upon the substantial exclusivity afforded under this compact. As part of its written notice, the Tribe must also indicate, if applicable, its intention to begin making the affected portion of its payments due to the state into an escrow account.

(c) Upon receipt of written notice from the Tribe, the state may elect to:

1. Invoke the dispute resolution provisions of Part XIII to determine whether the Tribe's contention is well-founded. In such proceeding, the Tribe carries the burden of proof and persuasion. The pendency of such proceeding tolls the time periods set forth in paragraph (1)(a) of Part XI for the duration of the dispute or litigation; or

2. Seek through enforcement action, legislation, or other means to stop the conduct of such new games.

(d)1. If, within 15 months following the state's receipt of written notice from the Tribe, the Tribe's contention is deemed not to be well-founded at the conclusion of dispute resolution or new gaming is made illegal and is halted, then all funds being held in the escrow account shall be released to the state and all further payments due to the state pursuant to subsections (2) and (7) of Part XI shall promptly resume.

2. If, after 15 months following the state's receipt of written notice from the Tribe, the Tribe's contention is deemed to be well-founded at the conclusion of dispute resolution and such gaming is not made illegal and halted, then all funds being held in escrow shall be returned to the Tribe and all further payments due to the state pursuant to subsections (2) and (7) of Part XI shall cease or be reduced as provided in subsection (2) until such gaming is no longer operated, in which event the payments shall promptly resume.

(2) The following are exceptions to the exclusivity provisions of subsection (1):

(a) Any Class III gaming authorized by a compact between the state and any other federally recognized tribe pursuant to Indian Gaming Regulatory Act, provided that the tribe has land in federal trust in the state as of February 1, 2017.

(b) The operation of slot machines, which does not include any game played with tangible playing cards, at each of the four currently operating licensed pari-mutuel facilities in Broward County and the four currently operating licensed pari-mutuel facilities in Miami-Dade County, whether or not currently operating slot machines, provided that such licenses are not transferred or otherwise used to move or operate such slot machines at any other location.

(c)1. If state law is amended to allow for the play of any additional type of Class III or other casino-style gaming at any of the presently operating licensed pari-mutuel facilities in Broward and Miami-Dade Counties, the Tribe may be entitled to a reduction in the revenue sharing payment as described in subparagraph 2.

2. If the Tribe's annual net win from its facilities located in Broward County for the 12 month period after the gaming specified in subparagraph 1. begins to be offered for public or private use is less than the net revenue base, the revenue share payments due to the state, pursuant to subparagraph (2)(a)2. of Part XI, for the next revenue sharing cycle and future revenue sharing cycles shall be calculated by reducing the Tribe's payment on revenue generated from its facilities in Broward County by 50 percent of that reduction in annual net win from its facilities in Broward County. This paragraph does not apply if the decline in net win is due to acts of God, war, terrorism, fires, floods, or accidents causing damage to or destruction of one or more of its facilities or property necessary to operate the facility or facilities.

3. If the Tribe's annual net win from its facilities located in Broward County subsequently equals or exceeds the net revenue base, then the Tribe's payments due to the state pursuant to subparagraph (2)(a)2. of Part XI shall again be calculated without any reduction, but may be reduced again under the provisions set forth in subparagraph 2.

(d) If state law is amended to allow the play of Class III gaming or other casino-style gaming, as defined in this part, at any location in Miami-Dade County or Broward County under the jurisdiction of the state that is not presently licensed for the play of such games at such locations, other than those facilities set forth in paragraph (c) and this paragraph, and such games were not in play as of February 1, 2017, and such gaming begins to be offered for public or private use, the payments due the state pursuant to subparagraph (c)2., shall be calculated by excluding the net win from the Tribe's facilities in Broward County.

(e) The operation of a combined total of not more than 350 historic racing machines, connected to a central server at that facility, and electronic bingo machines at each pari-mutuel facility licensed as of February 1, 2017, and not located in either Broward County or Miami-Dade County.

(f) The operation of pari-mutuel wagering activities at pari-mutuel facilities licensed by the state, provided such facilities annually conduct

a full schedule of live races or games in a manner that would comply with the Florida Statutes in effect as of February 1, 2017.

(g) The operation of poker, including no-limit poker but excluding any game involving a bank, at card rooms licensed by the state; provided all such card rooms are located at pari-mutuel facilities that annually conduct a certain number of live performances in a manner that would comply with cardroom license renewal requirements set forth in the Florida Statutes in effect as of February 1, 2017.

(h) The operation by the Department of the Lottery of those types of lottery games authorized under chapter 24 as of February 1, 2017, but not including any player-activated or operated machine or device other than a lottery vending machine or any banked or banking card or table game. However, not more than ten lottery vending machines may be installed at any facility or location and no lottery vending machine that dispenses electronic instant tickets may be installed at any licensed pari-mutuel facility.

(i) The operation of games authorized by chapter 849 as of February 1, 2017, which does not authorize any card game in which any person, operator, or other party serves as a bank, paying all winners and collecting from all losers.

(3) To the extent that the exclusivity provisions of this part are breached or otherwise violated and the Tribe's ongoing payment obligations to the state pursuant to subsections (2) and (7) of Part XI cease, any outstanding payments that would have been due the state from the Tribe's facilities before the breach or violation shall be made within 30 business days after the breach or violation.

(4) The breach of this part's exclusivity provisions and the cessation of payments pursuant to subsections (2) and (7) of Part XI shall not excuse the Tribe from continuing to comply with all other provisions of this compact, including continuing to pay the state the annual oversight assessment as set forth in subsection (3) of Part XI.

PART XIII

DISPUTE RESOLUTION.—In the event that the Tribe or State believes that the other party has failed to comply with any requirements of this compact, or in the event of any dispute hereunder, including, but not limited to, a dispute over the proper interpretation of the terms and conditions of this compact, the goal of the parties is to resolve all disputes amicably and voluntarily whenever possible. In pursuit of this goal, the following procedures may be invoked:

(1) A party asserting noncompliance or seeking an interpretation of this compact first shall serve written notice on the other party. The notice shall identify the specific compact provision alleged to have been violated or in dispute and shall specify in detail the asserting party's contention and any factual basis for the claim. Representatives of the Tribe and state shall meet within 30 calendar days after receipt of notice in an effort to resolve the dispute, unless they mutually agree to extend this period.

(2) A party asserting noncompliance or seeking an interpretation of this compact under this part shall be deemed to have certified that to the best of the party's knowledge, information, and belief formed after reasonable inquiry, the claim of noncompliance or the request for interpretation of this compact is warranted and made in good faith and not for any improper purpose, such as to harass or to cause unnecessary delay or the needless incurring of the cost of resolving the dispute.

(3) If the parties are unable to resolve a dispute through the process specified in subsections (1) and (2), either party may call for mediation under the Commercial Mediation Procedures of the American Arbitration Association or any successor procedures, provided that such mediation does not last more than 60 calendar days, unless an extension to this time limit is negotiated by the parties. Only matters arising under the terms of this compact may be available for resolution through mediation. If the parties are unable to resolve a dispute through the process specified in this part, notwithstanding any other provision of law, either party may bring an action in a United States District Court having venue regarding a dispute arising under this compact. If the court declines to exercise jurisdiction, or federal precedent exists that holds that the court would not have jurisdiction over such a dispute, either party may bring the action in the appropriate court of the Seventeenth Judicial

Circuit in Broward County, Florida. The parties are entitled to all rights of appeal permitted by law in the court system in which the action is brought.

(4) For purposes of actions based on disputes between the state and the Tribe that arise under this compact and the enforcement of any judgment resulting from such action, the Tribe and the state each expressly waive the right to assert sovereign immunity from suit and from enforcement of any ensuing judgment, and further consent to be sued in federal or state court, including the right of appeal specified above, as the case may be, provided that:

(a) The dispute is limited solely to issues arising under this compact.

(b) There is no claim for monetary damages, except that payment of any money required by the terms of this compact, as well as injunctive relief or specific performance enforcing a provision of this compact requiring the payment of money to the state may be sought.

(c) Nothing herein shall be construed to constitute a waiver of the sovereign immunity of the Tribe with respect to any third party that is made a party or intervenes as a party to the action. In the event that intervention, joinder, or other participation by any additional party in any action between the state and the Tribe would result in the waiver of the Tribe's sovereign immunity as to that additional party, the waiver of the Tribe may be revoked.

(5) The state may not be precluded from pursuing any mediation or judicial remedy against the Tribe on the grounds that the state has failed to exhaust its Tribal administrative remedies.

(6) Notwithstanding any other provision of this part, any failure of the Tribe to remit the payments pursuant to the terms of Part XI entitles the state to seek injunctive relief in federal or state court, at the state's election, to compel the payments after the dispute resolution process in subsections (1) and (2) is exhausted.

PART XIV

CONSTRUCTION OF COMPACT; SEVERANCE; FEDERAL APPROVAL.—

(1) Each provision of this compact shall stand separate and independent of every other provision. In the event that a federal district court in Florida or other court of competent jurisdiction shall find any provision of this compact to be invalid, the remaining provisions shall remain in full force and effect, provided that severing the invalidated provision does not undermine the overall intent of the parties in entering into this compact. However, if subsection (6) of Part III, Part XI, or Part XII is held by a court of competent jurisdiction to be invalid, this compact will become null and void.

(2) It is understood that Part XII, which provides for a cessation of the payments to the state under Part XI, does not create any duty on the state but only a remedy for the Tribe if gaming under state jurisdiction is expanded.

(3) This compact is intended to meet the requirements of the Indian Gaming Regulatory Act as it reads on the effective date of this compact, and where reference is made to the Indian Gaming Regulatory Act, or to an implementing regulation thereof, the reference is deemed to have been incorporated into this document. Subsequent changes to the Indian Gaming Regulatory Act that diminish the rights of the state or Tribe may not be applied retroactively to alter the terms of this compact, except to the extent that federal law validly mandates that retroactive application without the respective consent of the state or the Tribe. In the event that a subsequent change in the Indian Gaming Regulatory Act, or to an implementing regulation thereof, mandates retroactive application without the respective consent of the state or the Tribe, the parties agree that this compact is voidable by either party if the subsequent change materially alters the provisions in the compact relating to the play of covered games, revenue sharing payments, suspension or reduction of payments, or exclusivity.

(4) Neither the presence of language that is not included in this compact, nor the absence in this compact of language that is present in another state-tribal compact shall be a factor in construing the terms of this compact.

(5) *The Tribe and the state shall defend the validity of this compact.*

(6) *The parties shall cooperate in seeking approval of this compact from the Secretary of the Department of the Interior.*

PART XV

NOTICES.—All notices required under this compact shall be given by certified mail, return receipt requested, commercial overnight courier service, or personal delivery, to the Governor, the President of the Senate, the Speaker of the House of Representatives, and the Chairman and General Counsel of the Seminole Tribe of Florida.

PART XVI

EFFECTIVE DATE AND TERM.—

(1) *This compact, if identical to the version ratified by the Legislature in s. 285.710(3)(c), Florida Statutes, in 2017, shall become effective upon its approval as a tribal-state compact within the meaning of the Indian Gaming Regulatory Act either by action of the Secretary of the Department of the Interior or by operation of law under 25 U.S.C. s. 2710(d)(8) upon publication of a notice of approval in the Federal Register under 25 U.S.C. s. 2710(d)(8)(D).*

(2) *This compact shall have a term of twenty years beginning on the first day of the month following the month in which the compact becomes effective under subsection (1).*

(3) *The Tribe's authorization to offer covered games under this compact shall automatically terminate twenty years after the effective date unless renewed by an affirmative act of the Legislature.*

PART XVII

AMENDMENT OF COMPACT AND REFERENCES.—

(1) *Amendment of this compact may only be made by written agreement of the parties, subject to approval by the Secretary of the Department of the Interior, either by publication of the notice of approval in the Federal Register or by operation of law under 25 U.S.C. s. 2710(d)(8).*

(2) *Legislative ratification is required for any amendment to the compact that alters the provisions relating to covered games, the amount of revenue sharing payments, suspension or reduction in payments, or exclusivity.*

(3) *Changes in the provisions of tribal ordinances, regulations, and procedures referenced in this compact may be made by the Tribe with 30 days' advance notice to the state. If the state has an objection to any change to the tribal ordinance, regulation, or procedure which is the subject of the notice on the ground that its adoption would be a violation of the Tribe's obligations under this compact, the state may invoke the dispute resolution provisions provided in Part XIII.*

PART XVIII

MISCELLANEOUS.—

(1) *Except to the extent expressly provided in this compact, this compact is not intended to, and shall not be construed to, create any right on the part of a third party to bring an action to enforce any of its terms.*

(2) *If, after the effective date of this compact, the state enters into a compact with any other Tribe that contains more favorable terms with respect to the provisions of this Compact and the Secretary of the Department of the Interior approves such compact, either by publication of the notice of approval in the Federal Register or by operation of law under 25 U.S.C. s. 2710(d)(8), upon tribal notice to the state and the Secretary, this compact shall be deemed amended to contain the more favorable terms, unless the state objects to the change and can demonstrate, in a proceeding commenced under Part XIII, that the terms in question are not more favorable.*

(3) *Upon the occurrence of certain events beyond the Tribe's control, including acts of God, war, terrorism, fires, floods, or accidents causing damage to or destruction of one or more of its facilities or property necessary to operate the facility or facilities, the Tribe's obligation to pay the guaranteed minimum compact term payment described in Part XI*

shall be reduced pro rata to reflect the percentage of the total net win lost to the Tribe from the impacted facility or facilities and the net win specified under subsection (2) of Part XII for purposes of determining whether the Tribe's payments described in Part XI shall cease, shall be reduced pro rata to reflect the percentage of the total net win lost to the Tribe from the impacted facility or facilities. The foregoing shall not excuse any obligations of the Tribe to make payments to the state as and when required hereunder or in any related document or agreement.

(4) *The Tribe and the state recognize that opportunities to engage in gaming in smoke-free or reduced-smoke environments provides both health and other benefits to patrons, and the Tribe has instituted a nonsmoking section at its Seminole Hard Rock Hotel & Casino-Hollywood Facility. As part of its continuing commitment to this issue, the Tribe shall:*

(a) *Install and utilize a ventilation system at all new construction at its facilities, which system exhausts tobacco smoke to the extent reasonably feasible under existing state-of-the-art technology.*

(b) *Designate a smoke-free area for slot machines at all new construction at its facilities.*

(c) *Install nonsmoking, vented tables for table games installed in its facilities sufficient to reasonably respond to demand for such tables.*

(d) *Designate a nonsmoking area for gaming within all of its facilities within five years after the effective date of the compact.*

(5) *The annual average minimum pay-out of all slot machines in each facility may not be less than 85 percent.*

(6) *Nothing in this compact shall alter any of the existing memoranda of understanding, contracts, or other agreements entered into between the Tribe and any other federal, state, or local governmental entity.*

(7) *The Tribe currently has, as set forth in its Employee Fair Treatment and Dispute Resolution Policy, and agrees to maintain, standards that are comparable to the standards provided in federal laws and state laws forbidding employers from discrimination in connection with the employment of persons working at the facilities on the basis of race, color, religion, national origin, gender, age, disability, or marital status. Nothing herein shall preclude the Tribe from giving preference in employment, promotion, seniority, lay-offs, or retention to members of the Tribe and other federally recognized tribes.*

(8) *The Tribe shall, with respect to any facility where covered games are played, adopt and comply with tribal requirements that meet the same minimum state requirements applicable to businesses in the state with respect to environmental and building standards.*

PART XIX

EXECUTION.—The Governor of the State of Florida affirms that he has authority to act for the state in this matter and that, provided that this compact is identical to the compact ratified by the Legislature pursuant to s. 285.710(3)(c), Florida Statutes, no further action by the state or any state official is necessary for this compact to take effect upon federal approval by action of the Secretary of the Department of the Interior or by operation of law under 25 U.S.C. s. 2710(d)(8) by publication of the notice of approval in the Federal Register. The Governor affirms that he will proceed with obtaining such federal approval and take all other appropriate action to effectuate the purposes and intent of this Compact. The undersigned Chairman of the Tribal Council of the Seminole Tribe of Florida affirms that he is duly authorized and has the authority to execute this Compact on behalf of the Tribe. The Chairman also affirms that he will assist in obtaining federal approval and take all other appropriate action to effectuate the purposes and intent of this Compact.

Section 2. Subsection (4) of section 285.712, Florida Statutes, is amended to read:

285.712 Tribal-state gaming compacts.—

(4) Upon execution ~~receipt of an act ratifying~~ a tribal-state compact entered pursuant to s. 285.710(3)(b), the Governor shall provide a copy to the Secretary of State who shall forward a copy of the executed compact

and the ratifying act to the United States Secretary of the Interior for his or her review and approval, in accordance with 25 U.S.C. s. 2710(d)(8) ~~2710(8)(d)~~.

Section 3. Subsections (9), (11), (13), and (14) of section 550.054, Florida Statutes, are amended to read:

550.054 Application for permit to conduct pari-mutuel wagering.—

(9)(a) After a permit has been granted by the division and has been ratified and approved by the majority of the electors participating in the election in the county designated in the permit, the division shall grant to the lawful permit holder, subject to the conditions of this chapter, a license to conduct pari-mutuel operations under this chapter, and, except as provided in s. 550.5251, the division shall fix annually the time, place, and number of days during which pari-mutuel operations may be conducted by the permit holder at the location fixed in the permit and ratified in the election. After the first license has been issued to the holder of a ratified permit for racing in any county, all subsequent annual applications for a license by that permit holder must be accompanied by proof, in such form as the division requires, that the ratified permit holder still possesses all the qualifications prescribed by this chapter and that the permit has not been recalled at a later election held in the county.

(b) The division may revoke or suspend any permit or license issued under this chapter upon ~~a~~ the willful violation by the permit holder or licensee of ~~any provision of chapter 551, chapter 849, or this chapter or rules of any rule adopted pursuant to those chapters under this chapter. With the exception of the revocation of permits required in paragraphs (c) and (f) in lieu of suspending or revoking a permit or license, the division, in lieu of suspending or revoking a permit or license, may impose a civil penalty against the permit holder or licensee for a violation of this chapter or rules adopted pursuant thereto any rule adopted by the division.~~ The penalty so imposed may not exceed \$1,000 for each count or separate offense. All penalties imposed and collected must be deposited with the Chief Financial Officer to the credit of the General Revenue Fund.

(c)1. *The division shall revoke the permit of any permit holder that fails to make payments due pursuant to chapter 550, chapter 551, or s. 849.086 for more than 24 consecutive months unless such failure was the direct result of fire, strike, war, or other disaster or event beyond the permit holder's control. Financial hardship to the permit holder does not, in and of itself, constitute just cause for failure to make payments.*

2. *The division shall revoke the permit of any permit holder that has not obtained an operating license in accordance with s. 550.01215 for a period of more than 24 consecutive months after June 30, 2012. The division shall revoke the permit upon adequate notice to the permit holder. Financial hardship to the permit holder does not, in and of itself, constitute just cause for failure to operate.*

(d) *A new permit to conduct pari-mutuel wagering may not be approved or issued after January 1, 2017.*

(e) *A permit revoked under this subsection is void and may not be reissued.*

(11)(a) A permit granted under this chapter may not be transferred or assigned except upon written approval by the division pursuant to s. 550.1815, ~~except that the holder of any permit that has been converted to a jai alai permit may lease or build anywhere within the county in which its permit is located.~~

(13)(a) ~~Notwithstanding any provision provisions of this chapter or chapter 551, a pari-mutuel no thoroughbred horse racing permit or license issued under this chapter may not shall be transferred, or re-issued when such reissuance is in the nature of a transfer so as to permit or authorize a licensee to change the location of a thoroughbred horse racetrack except upon proof in such form as the division may prescribe that a referendum election has been held:~~

1. ~~If the proposed new location is within the same county as the already licensed location, in the county where the licensee desires to conduct the race meeting and that a majority of the electors voting on that question in such election voted in favor of the transfer of such license.~~

2. ~~If the proposed new location is not within the same county as the already licensed location, in the county where the licensee desires to conduct the race meeting and in the county where the licensee is already licensed to conduct the race meeting and that a majority of the electors voting on that question in each such election voted in favor of the transfer of such license.~~

(b) ~~Each referendum held under the provisions of this subsection shall be held in accordance with the electoral procedures for ratification of permits, as provided in s. 550.0651. The expense of each such referendum shall be borne by the licensee requesting the transfer.~~

(14)(a) ~~Notwithstanding any other provision of law, a pari-mutuel permit, cardroom, or slot machine facility may not be relocated, and a pari-mutuel permit may not be converted to another class of permit. Any holder of a permit to conduct jai alai may apply to the division to convert such permit to a permit to conduct greyhound racing in lieu of jai alai if:~~

1. ~~Such permit is located in a county in which the division has issued only two pari-mutuel permits pursuant to this section;~~

2. ~~Such permit was not previously converted from any other class of permit; and~~

3. ~~The holder of the permit has not conducted jai alai games during a period of 10 years immediately preceding his or her application for conversion under this subsection.~~

(b) ~~The division, upon application from the holder of a jai alai permit meeting all conditions of this section, shall convert the permit and shall issue to the permit holder a permit to conduct greyhound racing. A permit holder of a permit converted under this section shall be required to apply for and conduct a full schedule of live racing each fiscal year to be eligible for any tax credit provided by this chapter. The holder of a permit converted pursuant to this subsection or any holder of a permit to conduct greyhound racing located in a county in which it is the only permit issued pursuant to this section who operates at a leased facility pursuant to s. 550.475 may move the location for which the permit has been issued to another location within a 30 mile radius of the location fixed in the permit issued in that county, provided the move does not cross the county boundary and such location is approved under the zoning regulations of the county or municipality in which the permit is located, and upon such relocation may use the permit for the conduct of pari-mutuel wagering and the operation of a cardroom. The provisions of s. 550.6305(9)(d) and (f) shall apply to any permit converted under this subsection and shall continue to apply to any permit which was previously included under and subject to such provisions before a conversion pursuant to this section occurred.~~

Section 4. *Section 550.0555, Florida Statutes, is repealed.*

Section 5. *Section 550.0745, Florida Statutes, is repealed.*

Section 6. Subsection (3) of section 550.09512, Florida Statutes, is amended to read:

550.09512 Harness horse taxes; abandoned interest in a permit for nonpayment of taxes.—

(3)(a) ~~The division shall revoke the permit of a harness horse racing permit holder who does not pay tax on handle for live harness horse performances for a full schedule of live races for more than 24 consecutive months during any 2 consecutive state fiscal years shall be void and shall escheat to and become the property of the state unless such failure to operate and pay tax on handle was the direct result of fire, strike, war, or other disaster or event beyond the ability of the permit holder to control. Financial hardship to the permit holder does shall not, in and of itself, constitute just cause for failure to operate and pay tax on handle. A permit revoked under this subsection is void and may not be reissued.~~

(b) ~~In order to maximize the tax revenues to the state, the division shall reissue an escheated harness horse permit to a qualified applicant pursuant to the provisions of this chapter as for the issuance of an initial permit. However, the provisions of this chapter relating to referendum requirements for a pari-mutuel permit shall not apply to the reissuance of an escheated harness horse permit. As specified in the application and upon approval by the division of an application for the permit, the new permit holder shall be authorized to operate a harness~~

horse facility anywhere in the same county in which the escheated permit was authorized to be operated, notwithstanding the provisions of s. 550.054(2) relating to mileage limitations.

Section 7. Subsections (3) and (7) of section 550.09515, Florida Statutes, are amended to read:

550.09515 Thoroughbred horse taxes; abandoned interest in a permit for nonpayment of taxes.—

(3)(a) ~~The division shall revoke the permit of a thoroughbred racing horse permitholder that who~~ does not pay tax on handle for live thoroughbred horse performances for a full schedule of live races for more than 24 consecutive months during any 2 consecutive state fiscal years shall be void and shall escheat to and become the property of the state unless such failure to operate and pay tax on handle was the direct result of fire, strike, war, or other disaster or event beyond the ability of the permitholder to control. Financial hardship to the permitholder does not, in and of itself, constitute just cause for failure to operate and pay tax on handle. A permit revoked under this subsection is void and may not be reissued.

(b) ~~In order to maximize the tax revenues to the state, the division shall reissue an escheated thoroughbred horse permit to a qualified applicant pursuant to the provisions of this chapter as for the issuance of an initial permit. However, the provisions of this chapter relating to referendum requirements for a pari-mutuel permit shall not apply to the reissuance of an escheated thoroughbred horse permit. As specified in the application and upon approval by the division of an application for the permit, the new permitholder shall be authorized to operate a thoroughbred horse facility anywhere in the same county in which the escheated permit was authorized to be operated, notwithstanding the provisions of s. 550.054(2) relating to mileage limitations.~~

(7) ~~If a thoroughbred permitholder fails to operate all performances on its 2001-2002 license, failure to pay tax on handle for a full schedule of live races for those performances in the 2001-2002 fiscal year does not constitute failure to pay taxes on handle for a full schedule of live races in a fiscal year for the purposes of subsection (3). This subsection may not be construed as forgiving a thoroughbred permitholder from paying taxes on performances conducted at its facility pursuant to its 2001-2002 license other than for failure to operate all performances on its 2001-2002 license. This subsection expires July 1, 2003.~~

Senator Flores moved the following amendments which were adopted:

Amendment 3 (796306) (with title amendment)—Between lines 390 and 391 insert:

Section 7. Paragraph (d) of subsection (2) of section 400.179, Florida Statutes, is amended to read:

400.179 Liability for Medicaid underpayments and overpayments.—

(2) Because any transfer of a nursing facility may expose the fact that Medicaid may have underpaid or overpaid the transferor, and because in most instances, any such underpayment or overpayment can only be determined following a formal field audit, the liabilities for any such underpayments or overpayments shall be as follows:

(d) Where the transfer involves a facility that has been leased by the transferor:

1. The transferee shall, as a condition to being issued a license by the agency, acquire, maintain, and provide proof to the agency of a bond with a term of 30 months, renewable annually, in an amount not less than the total of 3 months' Medicaid payments to the facility computed on the basis of the preceding 12-month average Medicaid payments to the facility.

2. A leasehold licensee may meet the requirements of subparagraph 1. by payment of a nonrefundable fee, paid at initial licensure, paid at the time of any subsequent change of ownership, and paid annually thereafter, in the amount of 1 percent of the total of 3 months' Medicaid payments to the facility computed on the basis of the preceding 12-month average Medicaid payments to the facility. If a preceding 12-month average is not available, projected Medicaid payments may be

used. The fee shall be deposited into the Grants and Donations Trust Fund and shall be accounted for separately as a Medicaid nursing home overpayment account. These fees shall be used at the sole discretion of the agency to repay nursing home Medicaid overpayments *or for enhanced payments to nursing facilities as specified in the General Appropriations Act or other law.* Payment of this fee shall not release the licensee from any liability for any Medicaid overpayments, nor shall payment bar the agency from seeking to recoup overpayments from the licensee and any other liable party. As a condition of exercising this lease bond alternative, licensees paying this fee must maintain an existing lease bond through the end of the 30-month term period of that bond. The agency is herein granted specific authority to promulgate all rules pertaining to the administration and management of this account, including withdrawals from the account, subject to federal review and approval. This provision shall take effect upon becoming law and shall apply to any leasehold license application. The financial viability of the Medicaid nursing home overpayment account shall be determined by the agency through annual review of the account balance and the amount of total outstanding, unpaid Medicaid overpayments owing from leasehold licensees to the agency as determined by final agency audits. By March 31 of each year, the agency shall assess the cumulative fees collected under this subparagraph, minus any amounts used to repay nursing home Medicaid overpayments and amounts transferred to contribute to the General Revenue Fund pursuant to s. 215.20. If the net cumulative collections, minus amounts utilized to repay nursing home Medicaid overpayments, exceed \$25 million, the provisions of this subparagraph shall not apply for the subsequent fiscal year.

3. The leasehold licensee may meet the bond requirement through other arrangements acceptable to the agency. The agency is herein granted specific authority to promulgate rules pertaining to lease bond arrangements.

4. All existing nursing facility licensees, operating the facility as a leasehold, shall acquire, maintain, and provide proof to the agency of the 30-month bond required in subparagraph 1., above, on and after July 1, 1993, for each license renewal.

5. It shall be the responsibility of all nursing facility operators, operating the facility as a leasehold, to renew the 30-month bond and to provide proof of such renewal to the agency annually.

6. Any failure of the nursing facility operator to acquire, maintain, renew annually, or provide proof to the agency shall be grounds for the agency to deny, revoke, and suspend the facility license to operate such facility and to take any further action, including, but not limited to, enjoining the facility, asserting a moratorium pursuant to part II of chapter 408, or applying for a receiver, deemed necessary to ensure compliance with this section and to safeguard and protect the health, safety, and welfare of the facility's residents. A lease agreement required as a condition of bond financing or refinancing under s. 154.213 by a health facilities authority or required under s. 159.30 by a county or municipality is not a leasehold for purposes of this paragraph and is not subject to the bond requirement of this paragraph.

And the title is amended as follows:

Delete line 42 and insert: regardless of the number of licensed beds; amending s. 400.179, F.S.; providing that certain fees deposited into the Medicaid nursing home overpayment account in the Grants and Donations Trust Fund may be used by the agency for enhanced payments to nursing facilities as specified in the General Appropriations Act or other law; amending s.

Amendment 4 (559592) (with title amendment)—Between lines 1082 and 1083 insert:

Section 16. Subsection (6) of section 409.983, Florida Statutes, is amended to read:

409.983 Long-term care managed care plan payment.—In addition to the payment provisions of s. 409.968, the agency shall provide payment to plans in the long-term care managed care program pursuant to this section.

(6) The agency shall establish nursing-facility-specific payment rates for each licensed nursing home ~~based on facility costs adjusted for inflation and other factors~~ as authorized in the General Appropriations

Act. Payments to long-term care managed care plans shall be reconciled, *as necessary*, to reimburse actual payments to nursing facilities resulting from changes in nursing home per diem rates, but may not be reconciled to actual days experienced by the long-term care managed care plans.

And the title is amended as follows:

Delete line 114 and insert: managed care program; amending s. 409.983, F.S.; eliminating the requirement that the agency consider facility costs adjusted for inflation in the establishment of certain payment rates for nursing homes; requiring the agency to contract

1009.89 The William L. Boyd, IV, *Effective Access to Student Education Florida Resident Access* grants.—

(1) The Legislature finds and declares that independent nonprofit colleges and universities eligible to participate in the William L. Boyd, IV, *Effective Access to Student Education Florida Resident Access* Grant Program are an integral part of the higher education system in this state and that a significant number of state residents choose this form of higher education. The Legislature further finds that a strong and viable system of independent nonprofit colleges and universities reduces the tax burden on the citizens of the state. Because the William L. Boyd, IV, *Effective Access to Student Education Florida Resident Access* Grant Program is not related to a student's financial need or other criteria upon which financial aid programs are based, it is the intent of the Legislature that the William L. Boyd, IV, *Effective Access to Student Education Florida Resident Access* Grant Program not be considered a financial aid program but rather a tuition assistance program for its citizens.

(2) The William L. Boyd, IV, *Effective Access to Student Education Florida Resident Access* Grant Program shall be administered by the Department of Education. The State Board of Education shall adopt rules for the administration of the program.

(3) The department shall issue through the program a William L. Boyd, IV, *Effective Access to Student Education Florida Resident Access* grant to any full-time degree-seeking undergraduate student registered at an independent nonprofit college or university which is located in and chartered by the state; which is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools; which grants baccalaureate degrees; which is not a state university or Florida Community College System institution; and which has a secular purpose, so long as the receipt of state aid by students at the institution would not have the primary effect of advancing or impeding religion or result in an excessive entanglement between the state and any religious sect. Any independent college or university that was eligible to receive tuition vouchers on January 1, 1989, and which continues to meet the criteria under which its eligibility was established, shall remain eligible to receive William L. Boyd, IV, *Effective Access to Student Education Florida Resident Access* grant payments.

(4) A person is eligible to receive such William L. Boyd, IV, *Effective Access to Student Education Florida Resident Access* grant if:

Boyd, IV, *Effective Access to Student Education Florida Resident Access* grant may be paid on a prorated basis in advance of the registration period. The department shall make such payments to the college or university in which the student is enrolled for credit to the student's account for payment of tuition and fees. Institutions shall certify to the department the amount of funds disbursed to each student and shall remit to the department any undisbursed advances or refunds

within 60 days of the end of regular registration. A student is not eligible to receive the award for more than 9 semesters or 14 quarters, except as otherwise provided in s. 1009.40(3).

(b) If the combined amount of the William L. Boyd, IV, *Effective Access to Student Education Florida Resident Access* grant issued pursuant to this act and all other scholarships and grants for tuition and fees exceeds the amount charged to the student for tuition and fees, the department shall reduce the William L. Boyd, IV, *Effective Access to Student Education Florida Resident Access* grant issued pursuant to this act by an amount equal to such excess.

(6) If the number of eligible students exceeds the total authorized in the General Appropriations Act, an institution may use its own resources to assure that each eligible student receives the full benefit of the grant amount authorized.

(2) There is established the Alec P. Courtelis University Facility Enhancement Challenge Grant Program for the purpose of assisting universities build high priority instructional and research-related capital facilities, including common areas connecting such facilities. The associated foundations that serve the universities shall solicit gifts from private sources to provide matching funds for capital facilities. For the purposes of this act, private sources of funds may ~~shall~~ not include any federal, state, or local government funds that a university may receive.

~~(3)(a) There is established the Alec P. Courtelis Capital Facilities Matching Trust Fund to facilitate the development of high priority instructional and research-related capital facilities, including common areas connecting such facilities, within a university. All appropriated funds deposited into the trust fund shall be invested pursuant to s. 17.61. Interest income accruing to that portion of the trust fund shall increase the total funds available for the challenge grant program.~~

~~(b) Effective July 1, 2009, the Alec P. Courtelis Capital Facilities Matching Trust Fund is terminated.~~

~~(c) The State Board of Education shall pay any outstanding debts and obligations of the terminated fund as soon as practicable, and the Chief Financial Officer shall close out and remove the terminated funds from various state accounting systems using generally accepted accounting principles concerning warrants outstanding, assets, and liabilities.~~

~~(d) By June 30, 2008, all private funds and associated interest earnings held in the Alec P. Courtelis Capital Facilities Matching Trust Fund shall be transferred to the originating university's individual program account.~~

(3)(4) Each university shall establish, pursuant to s. 1011.42, a facilities matching grant program account as a depository for private contributions provided under this section. Once a project is under contract, funds appropriated as state matching funds may be transferred to the university's account once the Board of Governors certifies receipt of the private matching funds pursuant to subsection (4) (5). State funds that are not needed as matching funds for the project for which appropriated shall be transferred, together with any accrued interest, back to the state fund from which such funds were appropriated. The transfer of unneeded state funds ~~must~~ shall occur within 30 days after final completion of the project or within 30 days after a determination that the project will not be completed. The Public Education Capital Outlay and Debt Service Trust Fund or the Capital Improvement Trust Fund ~~may~~ shall not be used as the source of the state match for private contributions. Interest income accruing from the private donations shall be returned to the participating foundation upon completion of the project.

(4)(5) A project may not be initiated unless all private funds for planning, construction, and equipping the facility have been received and deposited in the separate university program account designated for this purpose. However, these requirements do not preclude the university from expending funds derived from private sources to develop a prospectus, including preliminary architectural schematics or models, for use in its efforts to raise private funds for a facility, and for site preparation, planning, and construction. The Board of Governors shall establish a method for validating the receipt and deposit of private matching funds. The Legislature may appropriate the state's matching funds in one or more fiscal years for the planning, construction, and equipping of an eligible facility. Each university shall notify all donors of private funds of a substantial delay in the availability of state matching funds for this program.

(5)(6) To be eligible to participate in the Alec P. Courtelis University Facility Enhancement Challenge Grant Program, a university ~~must~~ shall raise a contribution equal to one-half of the total cost of a facilities construction project from private nongovernmental sources which ~~must~~ shall be matched by a state appropriation equal to the amount raised for a facilities construction project subject to the General Appropriations Act.

(6)(7) If the state's share of the required match is insufficient to meet the requirements of subsection (5) (6), the university ~~must~~ shall renegotiate the terms of the contribution with the donors. If the project is terminated, each private donation, plus accrued interest, reverts to the foundation for remittance to the donor.

(7)(8) By October 15 of each year, the Board of Governors shall transmit to the Legislature a list of projects that meet all eligibility requirements to participate in the Alec P. Courtelis University Facility Enhancement Challenge Grant Program and a budget request that includes the recommended schedule necessary to complete each project.

(8)(9) In order for a project to be eligible under this program, it must be included in the university 5-year capital improvement plan and must receive approval from the Board of Governors or the Legislature.

(9)(10) A university's project may not be removed from the approved 3-year PECO priority list because of its successful participation in this program until approved by the Legislature and provided for in the General Appropriations Act. When such a project is completed and removed from the list, all other projects shall move up on the 3-year PECO priority list. A university ~~may~~ shall not use PECO funds, including the

Capital Improvement Trust Fund fee and the building fee, to complete a project under this section.

(10)(11) The surveys, architectural plans, facility, and equipment ~~are~~ shall be the property of the State of Florida. A facility constructed pursuant to this section may be named in honor of a donor at the option of the university and the Board of Governors. A ~~No~~ facility ~~may not~~ shall be named after a living person without prior approval by the Legislature.

(11)(12) Effective July 1, 2011, state matching funds are temporarily suspended for donations received for this program on or after June 30, 2011. Existing eligible donations remain eligible for future matching funds. The program may be restarted after \$200 million of the backlog for programs under ss. 1011.32, 1011.85, 1011.94, and this section have been matched.

(12) *Notwithstanding the suspension provision under subsection (11), for the 2017-2018 fiscal year and subject to the General Appropriations Act, the Legislature may choose to prioritize funding for those projects that have matching funds available before June 30, 2011, and that have not yet been constructed.*

ADOPTION OF RESOLUTIONS

At the request of Senator Passidomo—

By Senator Passidomo—

SR 402—A resolution recognizing May 2017 as “Bladder Cancer Awareness Month” in Florida.

WHEREAS, the American Cancer Society’s Cancer Statistics Center estimates that, in 2017, 79,030 new cases of urinary bladder cancer will be diagnosed nationwide, with 16,870 people dying from the disease, and

WHEREAS, approximately 587,000 people in the United States are currently living with a diagnosis of urinary bladder cancer, and

WHEREAS, the center estimates that Florida will have 6,430 new cases of urinary bladder cancer in 2017, making it the sixth most common cancer in this state in terms of new cases, and

WHEREAS, although bladder cancer can occur at any age, the center reports that a higher percentage of people suffering from the disease are over the age of 55, with the historical probability of developing urinary bladder cancer highest for those over the age of 70, and

WHEREAS, in keeping with its population ranking and large elderly population, Florida is projected by the center to have the second highest number of new cases of urinary bladder cancer in the 50 states in 2017, and

WHEREAS, the center reports that urinary bladder cancer was the fourth most common cancer in men in Florida for the 5-year period beginning in 2009, with men currently having a 1 in 26 chance of being diagnosed in their lifetimes, while women have only a 1 in 88 chance of being diagnosed, and

WHEREAS, due to a recurrence rate of greater than 50 percent, urinary bladder cancer is one of the most expensive cancers to treat over the lifetime of the patient, and

WHEREAS, smoking, employment in certain professions with chemical exposures, and certain military chemical exposures increase the likelihood that an individual will develop urinary bladder cancer, and

WHEREAS, the diagnosis of urinary bladder cancer in women is often delayed until after common gynecological problems can be ruled out, and

WHEREAS, most people do not know the early, vague signs and symptoms of urinary bladder cancer and should discuss concerns about their urinary systems with their doctor, NOW, THEREFORE,

PRAYER

The following prayer was offered by LaQuisha Persak, an employee with the Senate Majority Office:

Heavenly Father, we come before you today with thanksgiving and humble hearts, giving you all the glory for allowing us to be here today. We thank you, Lord, for all of our leaders in government, but specifically, we thank you for our state Senators. We acknowledge that you have called them and positioned them for such a time as this.

Lord, we pray for your divine guidance and direction as they consider this very important state business before them today. Proverbs 37:5 says, "Commit everything you do to the Lord. Trust him, and he will help you." Proverbs 3:5-7 says, "Trust in the Lord with all your heart; do not depend on your own understanding. Seek his will in all you do, and he will show you which path to take."

Lord, we thank you that you are a great God in whom we can put our trust. We are confident in the fact that you are always here to help us and will show us the way. As our state motto is so beautifully displayed in the Senate chamber, it holds so true to our prayer today: "In God We Trust." Amen.

PLEDGE

Senate Pages, John Hunschofsky of Parkland; Bradley Lockett of Clermont; Grace Robinson of Largo; and Kierra Law of Orlando, led the

Senate in the Pledge of Allegiance to the flag of the United States of America.

Excused: Senators Hukill and Rader

PRAYER

The following prayer was offered by Senator Montford:

Gracious Father, we come to you today knowing it is incumbent upon this body to lead the State of Florida, an awesome responsibility. There might never have been a time when the people of Florida and this country need a reminder of what civil leadership, service, and solidarity for the common good look like. We come to you for guidance, for patience, and for humbleness to provide that example to your people.

I ask of you today that you give each of us the strength and the wisdom to speak for our own constituents, and for understanding and compassion when our colleagues speak for theirs, even in opposition. We come to you today to ask for your moral leadership. As you have provided for us, you have also given us the task of providing to those around us. Thank you, Lord, for the opportunity for this Senate to be a moral compass and an example of empathy and sacrifice, as you have been an example of sacrifice and empathy to us.

The last few weeks have been challenging. Help us to keep a clear mind and a strong heart. Help us to use the strength you have graced us with. Help us to understand and recognize our weaknesses and to act accordingly. As you told us in Matthew 11:28: "Come to me, all you who are weary and heavy laden, and I will give you rest." Father, grant

us the perspective to remember that not far from the doors of these chambers and around our state children are hungry, elderly are sick, and families are suffering. Let us remember you taught us to care for the least of these.

Lord, we ask for your special blessings and care for those men and women in our armed forces, who risk their lives to protect the very freedoms granted by the democracy we take part in here today. Bless their families who will miss them at dinner tonight, and their children eagerly awaiting their return. In your name we pray, and all God's people said, "Amen."

PLEDGE

Senate Pages, Miles Nelson of Crawfordville; Jamey Harvey of Sopchoppy; Nina Fusco of Melbourne; and Jordan Rolling of Westville, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

DOCTOR OF THE DAY

The President recognized Dr. Jeffrey S. Block of Miami, sponsored by Senator Artiles, as the doctor of the day. Dr. Block specializes in anesthesiology.

POINT OF PERSONAL PRIVILEGE

On motion by Senator Benacquisto, by two-thirds vote, the following remarks were ordered spread upon the Journal:

Senator Artiles: Mr. President, with your permission, I would like to request a moment of personal privilege. Thank you, Mr. President.

I extend a heartfelt apology to my colleagues and to all of those I have offended. While my words have caused pain in many, I would like to specifically apologize to two members.

To Senator Audrey Gibson, I apologize. I am so sorry for the words and the tone I used with you regretfully Monday night. There is no excuse, nor will I offer one. My comments to you were the most regretful of all because they injured you personally. No one deserves to be spoken to that way, much less a person of your stature, dignity, and integrity.

I humbly ask you to accept my heartfelt apology. As you can see, my harsh words have adversely reflected more on me, than they could ever have on anyone else. And while the words I used toward you are not the ones that made the headlines, it is those words I will have the most difficulty in forgiving myself for because they hurt you.

To Senator Perry Thurston, my friend and colleague, and a person who put his arm around me and tried to guide me in the right direction: You have demonstrated to me time and time again your friendship and also that you are a gentleman and man of principle. I respectfully ask for your forgiveness.

And to you, President Negron, I owe you an apology. Your countless hours, work ethic, and dedication to leading this body don't merit my crass and juvenile comments. For me to denigrate your efforts and insult my fellow colleagues is an affront to you and the Senate. I respectfully ask for your forgiveness.

With regard to the word which I used toward no one in particular, but that is rightfully the most inflammatory, I know my explanation is inadequate, but it's sincere. I grew up in a diverse community. We share each other's customs, cultures, and vernacular. I realize that my position does not allow me for the looseness of words or slang, regardless of how benign my intentions were.

In the Marine Corps, we take great pride in standing up and accepting responsibility for mistakes because lives are on the line. I stand up before all of you, every one of you, and with great humility, I ask for your forgiveness. And with that, I close.

COMMUNICATION

The Honorable Joe Negron, President
The Florida Senate

April 21, 2017

Dear President Negron,

Seven years ago, I began my public service with one goal in mind, and that was to serve a cause greater than my own.

Serving my constituents and improving their lives is why I serve. On many important issues, caring for the elderly, education, and job creation, I have made it my personal mission to put others first. It's the way I was raised, and the way I still choose to live my life today.

As a Marine, this attitude was embodied in our motto: *Semper Fidelis*, or "Always Faithful." Be faithful to God, to country, and to our fellow soldiers.

As a father and husband, despite the daily demands of elected office, I always keep the promises that I make to my two beautiful daughters, Bella and Giavanna, and my loving wife Aimee. I'm a fulfilled man, because of their unconditional love and support.

It is clear to me my recent actions and words that I spoke fell far short of what I expect for myself, and for this I am very sorry. I apologize to my family and friends and I apologize to all of my fellow Senators and lawmakers. To the people of my district and all of Miami-Dade, I am sorry I have let you down and ask for your forgiveness.

My actions and my presence in government is now a distraction to my colleagues, the legislative process, and the citizens of our great State.

I am responsible and I am accountable and effective immediately, I am resigning from the Florida State Senate.

It's clear there are consequences to every action, and in this area, I will need time for personal reflection and growth.

I leave this office knowing that despite my shortcomings, I have fought hard to change the status quo while remaining true to myself. I'm grateful for those that have stood by my side, including my family, friends, and supporters.

Serving my community in the Florida Legislature has been the honor of a lifetime and I do not leave this process lightly. I will discover ways to continue to serve my community in the future. God bless the great State of Florida and our great country.

Sincerely,
Frank Artiles
Senator, District 40

Excused: Senators Farmer, Hukill, and Torres

PRAYER

The following prayer was offered by Senior Pastor Dr. Evon Horton, Brownsville Assembly of God, Pensacola:

O Lord, I pray for the members of the Florida Senate to find your peace and direction, and for these men and women to act and lead according to your word.

A house divided against itself cannot stand; therefore, I pray for them to be unified in righteousness for the sake of our great State of Florida. I pray for your protection to cover all our law enforcement officers and the men and women of the military. I ask for godly counsel and wisdom for judges across our state.

I pray for our state’s leaders—mayors, city council members, county commissioners, state Representatives, state Senators, and our Governor, Rick Scott. I pray that each one will lead in righteousness, rightness, right decisions, and godly decisions, and that we would be willing to stand for what is right, not just what is politically right.

I pray our leaders will prosper in their leadership, their families, and their personal lives. I pray the blessing of God would come upon them so

they will find joy in their public service. I pray our Senators today would look out for each other, so if they are prospering, they will be willing to be generous in their prosperity and care for the “least of these.”

I pray you will give this Senate a legacy; yes, Lord, a legacy, that they will look out for the good of our state, Florida. As we are blessed, we will bless others, and we will be known as a state that is blessed and blesses. As our blessings increase and our legacy increases, we then will have greater influence over this nation and other nations. Not from force, but from compassionate influence.

And lastly, Lord, I pray these Senators will be leaders who praise God; that we won’t be caught in our own adulation but we will give credit to God. When we give credit to our creator, then others will look to you as their creator, redeemer, savior, and sustainer.

In quoting a prayer of President Reagan, I pray: “Without God, there is no virtue, because there’s no prompting of the conscience. Without God, we’re mired in the material, that flat world that tells us only what the senses perceive. Without God, there is a coarsening of the society. And without God, democracy will not and cannot long endure. If we ever forget that we’re one nation under God, then we will be a nation gone under.”

In the name of our Lord, Jesus Christ. Amen.

PLEDGE

Senate Pages, Jonathan Saladino of Merritt Island; Jacob Baxley of Ocala, grandson of Senator Baxley; Emma Lightsey of Fort Meade; and Abby Burroughs of Jacksonville, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

CS for SR 1440—A resolution acknowledging the abuses experienced by children confined in the Arthur G. Dozier School for Boys and the Florida School for Boys at Okeechobee and expressing the Senate's regret for such abuses and its commitment to ensure that the children of this state are protected from the abuses and violations of fundamental human decency.

WHEREAS, the Florida State Reform School, also called the Florida Industrial School for Boys and later known as the Arthur G. Dozier School for Boys, referred to in this resolution as "Dozier School," was opened by the State of Florida in 1900 in Marianna to house children who had committed minor criminal offenses, such as incorrigibility, truancy, and smoking, as well as more serious offenses such as theft and murder, and

WHEREAS, many of the children who were sent to Dozier School were sentenced without legal representation before the court, often without a known basis for being sent to the school or a specific duration of confinement, and

WHEREAS, within the first 13 years of Dozier School's operation, six state-led investigations were conducted in response to reports of children being chained to walls in irons, severely beaten, and used for child labor, and

WHEREAS, throughout Dozier School's history, reports of abuse, suspicious deaths, and threats of closure plagued the school, and

WHEREAS, many former students of Dozier School have sworn under oath that they were beaten at a facility located on the school grounds known as the "White House," and

WHEREAS, a psychologist employed at Dozier School testified under oath at a 1958 United States Senate Judiciary Committee hearing that

boys at the school were beaten by an administrator, that the blows were severe and dealt with a great deal of force with a full arm swing over the head and down, that a leather strap approximately 10 inches long was used, and that the beatings were “brutality,” and

WHEREAS, a former Dozier School employee stated in interviews with law enforcement that, in 1962, several employees of the school were removed from the facility based upon allegations that they made sexual advances toward boys at the facility, and

WHEREAS, a forensic investigation funded by the Florida Legislature and conducted from 2013 to 2016 by the University of South Florida found incomplete records regarding deaths and burials that occurred at Dozier School between 1900 and 1960, and that families were often notified after the child was buried or denied access to their remains at the time of burial, and

WHEREAS, the excavations conducted as part of the forensic investigation yielded 55 burial sites, 24 more sites than reported in official records, and

WHEREAS, given the lack of documentation and contradictions in the historical record, questions persist regarding the identity of persons buried at Dozier School and the circumstances surrounding their deaths, and

WHEREAS, in 1955, the State of Florida opened a new reform school in Okeechobee, called the Florida School for Boys at Okeechobee, referred to in this resolution as “the Okeechobee School,” to address overcrowding at Dozier School, and staff of Dozier School were transferred to the Okeechobee School where similar practices were implemented, and

WHEREAS, many former students of the Okeechobee School have sworn under oath that they were beaten at a facility on school grounds known as the “Adjustment Unit,” and

WHEREAS, former Governor Claude Kirk toured Dozier School in 1968 and stated, “If one of your kids were kept in such circumstances, you’d be up there with rifles,” and

WHEREAS, Dozier School was closed in 2011 after investigations by the Florida Department of Law Enforcement and the Civil Rights Division of the United States Department of Justice, and

WHEREAS, more than 500 former students of Dozier School and the Okeechobee School have come forward with reports of physical, mental, and sexual abuse by school staff during the 1940s, 1950s, and 1960s, and resulting trauma that has endured throughout their adult lives, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Senate regrets that the treatment of boys who were sent to the Arthur G. Dozier School for Boys and the Okeechobee School was cruel, unjust, and a violation of human decency, and acknowledges this shameful part of the State of Florida’s history.

BE IT FURTHER RESOLVED that the Senate apologizes to the boys who were confined to Arthur G. Dozier School for Boys and the Okeechobee School and their family members for the wrongs committed against them by employees of the State of Florida.

BE IT FURTHER RESOLVED that the Senate expresses its commitment to ensuring that children who have been placed in the State of Florida’s care are protected from abuse and violations of fundamental human decency.
