(a) “Community facility” means a property owned by a nonprofit or for-profit entity in which health and human services are provided and space is offered in a manner that provides increased access to, or delivery or distribution of, food or other agricultural products to encourage public consumption and household purchases of fresh produce or other healthy food to improve the public health and well-being of low-income children, families, and older adults.

(b) “Department” means the Department of Agriculture and Consumer Services.

(c) “Independent grocery store or supermarket” means an independently owned grocery store or supermarket whose parent company does not own more than 40 grocery stores throughout the country based upon ownership conditions as identified in the latest Nielsen TDLinx Supermarket/Supercenter database.

(d) “Low-income community” means a population census tract, as reported in the most recent United States Census Bureau American Community Survey, which meets one of the following criteria:

1. The poverty rate is at least 20 percent;
2. In the case of a low-income community located outside of a metropolitan area, the median family income does not exceed 80 percent of the statewide median family income; or
3. In the case of a low-income community located inside of a metropolitan area, the median family income does not exceed 80 percent of the statewide median family income or 80 percent of the metropolitan median family income, whichever is greater.

(e) “Program” means the Healthy Food Financing Initiative established by the department.

(f) “Underserved community” means a distressed urban, suburban, or rural geographic area where a substantial number of residents have low access to a full-service supermarket or grocery store. An area with limited supermarket access must be:

1. A census tract, as determined to be an area with low access by the United States Department of Agriculture, as identified in the Food Access Research Atlas;
2. Identified as a limited supermarket access area as recognized by the Community Development Financial Institutions Fund of the United States Department of the Treasury; or
3. Identified as an area with low access to a supermarket or grocery store through a methodology that has been adopted for use by another governmental initiative, or well-established or well-regarded philanthropic healthy food initiative.

(2) The department shall establish a Healthy Food Financing Initiative program that is composed of and coordinates the use of grants from any source; federal, state, and private loans from a governmental entity or institutions regulated by a governmental entity; federal tax credits; and other types of financial assistance for the construction, rehabilitation, or expansion of independent grocery stores, supermarkets, community facilities, or other structures to increase access to fresh produce and other nutritious food in underserved communities.

(3)(a) The department may contract with one or more qualified nonprofit organizations or Florida-based federally certified community development financial institutions to administer the program through a public-private partnership. Eligible community development financial institutions must be able to demonstrate:

1. Prior experience in healthy food financing.

2. Support from the Community Development Financial Institutions Fund of the United States Department of the Treasury.

3. The ability to successfully manage and operate lending and tax credit programs.

4. The ability to assume full financial risk for loans made under this initiative.

(b) The department shall:

1. Establish program guidelines, raise matching funds, promote the program statewide, evaluate applicants, underwrite and disburse grants and loans, and monitor compliance and impact. The department may contract with a third-party administrator to carry out such duties. If the department contracts with a third-party administrator, funds shall be granted to the third-party administrator to create a revolving loan fund for the purpose of financing projects that meet the criteria of the program. The third-party administrator shall report to the department annually.

2. Create eligibility guidelines and provide financing through an application process. Eligible projects must be:

- a. Located in an underserved community;
- b. Primarily serve low-income communities; and
- c. Provide for the construction of new independent grocery stores or supermarkets; the renovation or expansion of, including infrastructure upgrades to, existing independent grocery stores or supermarkets; or the construction, renovation, or expansion of, including infrastructure upgrades to, community facilities to improve the availability and quality of fresh produce and other healthy foods.

3. Report annually to the President of the Senate and the Speaker of the House of Representatives on the projects funded, the geographic distribution of the projects, the costs of the program, and the outcomes, including the number and type of jobs created.

(4)(a) The Office of Program Policy Analysis and Government Accountability shall review the program and data collected from the department after a term of 7 years and report to the President of the Senate and the Speaker of the House of Representatives. The report shall include, but is not limited to, health impacts based on data collected by the state on diabetes, heart disease and other obesity-related diseases, and other factors as determined by the department.

(b) If the report determines the program to be unsuccessful after 7 years, the department shall create guidelines for unused funds to be returned to the initial investor.

(5) A for-profit entity, including a convenience store or a fueling station, or a not-for-profit entity, including, but not limited to, a sole proprietorship, partnership, limited liability company, corporation, cooperative, nonprofit organization, nonprofit community development entity, or private university, may apply for financing. An applicant for financing must:

- (a) Demonstrate the capacity to successfully implement the project and the likelihood that the project will be economically self-sustaining;
- (b) Demonstrate the ability to repay the loan; and
- (c) Agree, as an independent grocery store or supermarket, for at least 5 years, to:

1. Accept Supplemental Nutrition Assistance Program benefits;
2. Apply to accept Special Supplemental Nutrition Program for Women, Infants, and Children benefits and accept such benefits, if approved;
3. Allocate at least 30 percent of food retail space for the sale of perishable foods, which may include fresh or frozen dairy products, fresh produce, and fresh meats, poultry, and fish;

4. Comply with all data collection and reporting requirements established by the department; and

5. Promote the hiring of local residents.

Projects including, but not limited to, corner stores, bodegas, or other types of nontraditional grocery stores that do not meet the 30 percent minimum in subparagraph 3. can still qualify for funding if such funding will be used for refrigeration, displays, or other one-time capital expenditures to promote the sale of fresh produce and other healthy foods.

(6) In determining which qualified projects to finance, the department or third-party administrator shall:

(a) Give preference to local Florida-based grocers or local business owners with experience in grocery stores and to grocers and business owners with a business plan model that includes written documentation of opportunities to purchase from Florida farmers and growers before seeking out-of-state purchases;

(b) Consider the level of need in the area to be served;

(c) Consider the degree to which the project will have a positive economic impact on the underserved community, including the creation or retention of jobs for local residents;

(d) Consider the location of existing independent grocery stores, supermarkets, or other markets relevant to the applicant's project and provide the established entity the right of first refusal for such project; and

(e) Consider other criteria as determined by the department.

(7) Financing for projects may be used for the following purposes:

(a) Site acquisition and preparation.

(b) Construction and build-out costs.

(c) Equipment and furnishings.

(d) Workforce training or security.

(e) Predevelopment costs, such as market studies and appraisals.

(f) Energy efficiency measures.

(g) Working capital for first-time inventory and startup costs.

(h) Acquisition of seeds and starter plants for the residential cultivation of fruits, vegetables, herbs, and other culinary products. However, only 7 percent of the total funds expended in any one project under this section may be used for such acquisition.

(i) Other purposes as determined by the department or a third-party administrator.

(8) The department shall adopt rules to administer this section.

Section 2. *Implementation of the Healthy Food Financing Initiative is contingent upon appropriation by the Legislature.*

Section 3. This act shall take effect July 1, 2016.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the Healthy Food Financing Initiative; providing definitions; directing the Department of Agriculture and Consumer Services to establish a Healthy Food Financing Initiative program to provide specified financing to construct, rehabilitate, or expand independent grocery stores and supermarkets in underserved communities within low-income communities; authorizing the department to contract with a third-party administrator; establishing funding specifications for administrators; providing program, project, and applicant requirements; authorizing funds to be used for specified purposes; di-

recting the department to submit an annual report to the Legislature and adopt rules; directing the Office of Program Policy Analysis and Government Accountability to study the results of the program after a certain time period; directing the termination of the program under certain conditions; providing that implementation of the program is contingent upon legislative appropriation; providing an effective date.

On motion by Senator Flores—

CS for CS for HB 447—A bill to be entitled An act relating to local government environmental financing; providing a short title; amending s. 212.055, F.S.; expanding the uses of local government infrastructure surtaxes to include acquiring any interest in land for public recreation, conservation, or protection of natural resources or to prevent or satisfy private property rights claims resulting from limitations imposed by the designation of an area of critical state concern; revising definitions for purposes of using surtax proceeds; amending s. 215.619, F.S.; expanding the use of Everglades restoration bonds to include the City of Key West Area of Critical State Concern; expanding the types of water management projects eligible for funding; revising the dates for issuance and maturity of Everglades restoration bonds; reducing the annual appropriation amount dedicated to fund the Florida Keys Area of Critical State Concern protection program; authorizing bond proceeds to be spent on the City of Key West Area of Critical State Concern; expanding projects that may be funded by bond proceeds; specifying procedures to be followed for certain lands that are no longer needed for certain restoration purposes; amending s. 259.045, F.S.; requiring the Depart-

ment of Environmental Protection to annually consider certain recommendations to buy specific lands within and outside an area of critical state concern; authorizing certain local governments and special districts to recommend additional lands for purchase; amending s. 259.105, F.S.; requiring specific Florida Forever appropriations to be used for the purchase of lands in the Florida Keys Area of Critical State Concern; amending s. 380.0552, F.S.; revising legislative intent regarding the Florida Keys Area of Critical State Concern; specifying that plan amendments in the Florida Keys must also be consistent with protecting and improving specified water quality and water supply projects; amending s. 380.0666, F.S.; expanding powers of a land authority to include acquiring lands to prevent or satisfy private property rights claims resulting from limitations imposed by the designation of an area of critical state concern and contribute funds for certain land purchases by the department; providing limitations relating to acquiring or contributing lands to improve public transportation facilities; providing an effective date.

—a companion measure, was substituted for **CS for SB 770** and read the second time by title.

Senator Flores moved the following amendment which was adopted:

Amendment 1 (817954) (with title amendment)—Delete lines 199-305 and insert:

(a) Everglades restoration bonds, except refunding bonds, may be issued only in fiscal years 2002-2003 through 2019-2020 and may not be issued in an amount exceeding \$100 million per fiscal year unless:

1. The Department of Environmental Protection has requested additional amounts in order to achieve cost savings or accelerate the purchase of land; or

2. The Legislature authorizes an additional amount of bonds not to exceed \$200 million, and limited to \$50 million per fiscal year, specifically for the purpose of funding the Florida Keys Area of Critical State Concern protection program *and the City of Key West Area of Critical State Concern*. Proceeds from the bonds shall be managed by the Department of Environmental Protection for the purpose of entering into financial assistance agreements with local governments located in the Florida Keys Area of Critical State Concern *or the City of Key West Area of Critical State Concern* to finance or refinance the cost of constructing sewage collection, treatment, and disposal facilities *or building projects that protect, restore, or enhance nearshore water quality and fisheries, such as stormwater or canal restoration projects and projects to protect water resources available to the Florida Keys*.

(b) The duration of Everglades restoration bonds may not exceed 20 annual maturities and must mature by December 31, 2047 ~~2040~~. Except for refunding bonds, a series of bonds may not be issued unless an amount equal to the debt service coming due in the year of issuance has been appropriated by the Legislature. Not more than 58.25 percent of documentary stamp taxes collected may be taken into account for the purpose of satisfying an additional bonds test set forth in any authorizing resolution for bonds issued on or after July 1, 2015. Beginning July 1, 2010, the Legislature shall analyze the ratio of the state's debt to projected revenues before authorizing the issuance of bonds under this section.

(7) *If the South Florida Water Management District and the Department of Environmental Protection determine that lands purchased using bond proceeds within the Florida Keys Area of Critical State Concern, the City of Key West Area of Critical State Concern, or outside the Florida Keys Area of Critical State Concern but which were purchased to preserve and protect the potable water supply to the Florida Keys, are no longer needed for the purpose for which they were purchased, the entity owning the lands may dispose of them. However, before the lands can be disposed of, each general purpose local government within the boundaries of which a portion of the land lies must agree to the disposal of lands within its boundaries and must be offered the first right to purchase those lands.*

Section 4. Section 259.045, Florida Statutes, is amended to read:

259.045 Purchase of lands in areas of critical state concern; recommendations by department and land authorities.—Within 45 days ~~after of the designation by the Administration Commission designates of~~ an area as an area of critical state concern under s. 380.05, *and annually thereafter*, the Department of Environmental Protection shall consider the recommendations of the state land planning agency pursuant to s. 380.05(1)(a) relating to purchase of lands within *an area of critical state concern or lands outside an area of critical state concern that directly impact an area of critical state concern, which may include lands used to preserve and protect water supply, the proposed area* and shall make recommendations to the board with respect to the purchase of the fee or any lesser interest in *any such lands that are: situated in such an area of critical state concern as*

- (1) Environmentally endangered lands; ~~or~~
- (2) Outdoor recreation lands;
- (3) *Lands that conserve sensitive habitat;*
- (4) *Lands that protect, restore, or enhance nearshore water quality and fisheries;*
- (5) *Lands used to protect and enhance water supply to the Florida Keys, including alternative water supplies such as reverse osmosis and reclaimed water systems; or*
- (6) *Lands used to prevent or satisfy private property rights claims resulting from limitations imposed by the designation of an area of critical state concern if the acquisition of such lands fulfills a public purpose listed in s. 259.032(2).*

The department, a local government, a special district, or ~~and~~ a land authority within an area of critical state concern ~~as authorized in chapter 380~~, may make recommendations with respect to additional purchases which were not included in the state land planning agency recommendations.

Section 5. Paragraph (b) of subsection (3) of section 259.105, Florida Statutes, is amended to read:

259.105 The Florida Forever Act.—

(3) Less the costs of issuing and the costs of funding reserve accounts and other costs associated with bonds, the proceeds of cash payments or bonds issued pursuant to this section shall be deposited into the Florida Forever Trust Fund created by s. 259.1051. The proceeds shall be distributed by the Department of Environmental Protection in the following manner:

(b) Thirty-five percent to the Department of Environmental Protection for the acquisition of lands and capital project expenditures described in this section. Of the proceeds distributed pursuant to this paragraph, it is the intent of the Legislature that an increased priority be given to those acquisitions which achieve a combination of conservation goals, including protecting Florida's water resources and natural groundwater recharge. At a minimum, 3 percent, and no more than 10 percent, of the funds allocated pursuant to this paragraph shall be spent on capital project expenditures identified during the time of acquisition which meet land management planning activities necessary for public access. *Beginning in the 2017-2018 fiscal year and continuing through the 2026-2027 fiscal year, at least \$5 million of the funds allocated pursuant to this paragraph shall be spent on land acquisition within the Florida Keys Area of Critical State Concern as authorized pursuant to s. 259.045.*

Section 6. *For the 2016-2017 fiscal year, the sum of \$5 million in nonrecurring funds from the General Revenue Fund is appropriated to the Department of Environmental Protection to be distributed in accordance with the existing interlocal agreement among the Village of Islamorada, the Key Largo Wastewater Treatment District, the City of Marathon, the Monroe County/Florida Keys Aqueduct Authority, the City of Key West, and Key Colony Beach, for the purposes of constructing sewage collection, treatment, and disposal facilities; implementing stormwater collection and treatment systems; canal restoration and*

muck remediation projects; and projects that protect and enhance water supply in the Florida Keys Area of Critical State Concern and the City of Key West Area of Critical State Concern; or, for the purposes of land acquisition within the Florida Keys Area of Critical Concern as authorized pursuant to s. 259.045, Florida Statutes, with increased priority given to those acquisitions that achieve a combination of conservation goals, including protecting Florida's water resources and natural groundwater recharge. A local government requesting disbursement pursuant to this appropriation shall provide the Department of Environmental Protection with such documentation as the department deems necessary to verify that the costs are properly incurred and work has been performed.

And the title is amended as follows:

Delete lines 16-34 and insert: revising the date for the maturity of Everglades restoration bonds; authorizing bond proceeds to be spent on the City of Key West Area of Critical State Concern; expanding projects that may be funded by bond proceeds; specifying procedures to be followed for certain lands that are no longer needed for certain restoration purposes; amending s. 259.045, F.S.; requiring the Department of Environmental Protection to annually consider certain recommendations to buy specific lands within and outside an area of critical state concern; authorizing certain local governments and special districts to recommend additional lands for purchase; amending s. 259.105, F.S.; requiring specific Florida Forever appropriations to be used for the purchase of lands in the Florida Keys Area of Critical State Concern; providing an appropriation; amending s. 380.0552, F.S.;

incorporate the amendment made by the act to s. 893.02, F.S., in a reference thereto; reenacting ss. 944.17(3)(a), 948.001(8), and 948.101(1)(e), F.S., relating to the receipt by the state correctional system of certain persons sentenced to incarceration, the definition of the term “probation,” and the terms and conditions of community control, respectively, to incorporate the amendment made by the act to s. 948.03, F.S., in references thereto; providing an effective date.

—a companion measure, was substituted for **CS for CS for CS for SB 676** and read the second time by title.

Pursuant to Rule 7.1(1), there being no objection, consideration of the following late-filed amendment was allowed:

Senator Grimsley moved the following amendment:

Amendment 1 (899458) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsection (7) of section 110.12315, Florida Statutes, is amended to read:

110.12315 Prescription drug program.—The state employees’ prescription drug program is established. This program shall be administered by the Department of Management Services, according to the terms and conditions of the plan as established by the relevant provisions of the annual General Appropriations Act and implementing legislation, subject to the following conditions:

(7) The department shall establish the reimbursement schedule for prescription pharmaceuticals dispensed under the program. Reimbursement rates for a prescription pharmaceutical must be based on the cost of the generic equivalent drug if a generic equivalent exists, unless the physician, *advanced registered nurse practitioner, or physician assistant* prescribing the pharmaceutical clearly states on the prescription that the brand name drug is medically necessary or that the drug product is included on the formulary of drug products that may not be interchanged as provided in chapter 465, in which case reimbursement must be based on the cost of the brand name drug as specified in the reimbursement schedule adopted by the department.

Section 2. Paragraph (c) of subsection (1) of section 310.071, Florida Statutes, is amended, and subsection (3) of that section is republished, to read:

310.071 Deputy pilot certification.—

(1) In addition to meeting other requirements specified in this chapter, each applicant for certification as a deputy pilot must:

(c) Be in good physical and mental health, as evidenced by documentary proof of having satisfactorily passed a complete physical examination administered by a licensed physician within the preceding 6 months. The board shall adopt rules to establish requirements for passing the physical examination, which rules shall establish minimum standards for the physical or mental capabilities necessary to carry out the professional duties of a certificated deputy pilot. Such standards shall include zero tolerance for any controlled substance regulated under chapter 893 unless that individual is under the care of a physician, *an advanced registered nurse practitioner, or a physician assistant* and that controlled substance was prescribed by that physician, *advanced registered nurse practitioner, or physician assistant*. To maintain eligibility as a certificated deputy pilot, each certificated deputy pilot must annually provide documentary proof of having satisfactorily passed a complete physical examination administered by a licensed physician. The physician must know the minimum standards and certify that the certificateholder satisfactorily meets the standards. The standards for certificateholders shall include a drug test.

(3) The initial certificate issued to a deputy pilot shall be valid for a period of 12 months, and at the end of this period, the certificate shall automatically expire and shall not be renewed. During this period, the board shall thoroughly evaluate the deputy pilot’s performance for suitability to continue training and shall make appropriate recommendations to the department. Upon receipt of a favorable re-

commendation by the board, the department shall issue a certificate to the deputy pilot, which shall be valid for a period of 2 years. The certificate may be renewed only two times, except in the case of a fully licensed pilot who is cross-licensed as a deputy pilot in another port, and provided the deputy pilot meets the requirements specified for pilots in paragraph (1)(c).

Section 3. Subsection (3) of section 310.073, Florida Statutes, is amended to read:

310.073 State pilot licensing.—In addition to meeting other requirements specified in this chapter, each applicant for license as a state pilot must:

(3) Be in good physical and mental health, as evidenced by documentary proof of having satisfactorily passed a complete physical examination administered by a licensed physician within the preceding 6 months. The board shall adopt rules to establish requirements for passing the physical examination, which rules shall establish minimum standards for the physical or mental capabilities necessary to carry out the professional duties of a licensed state pilot. Such standards shall include zero tolerance for any controlled substance regulated under chapter 893 unless that individual is under the care of a physician, *an advanced registered nurse practitioner, or a physician assistant* and that controlled substance was prescribed by that physician, *advanced registered nurse practitioner, or physician assistant*. To maintain eligibility as a licensed state pilot, each licensed state pilot must annually provide documentary proof of having satisfactorily passed a complete physical examination administered by a licensed physician. The physician must know the minimum standards and certify that the licensee satisfactorily meets the standards. The standards for licensees shall include a drug test.

Section 4. Paragraph (b) of subsection (3) of section 310.081, Florida Statutes, is amended to read:

310.081 Department to examine and license state pilots and certify deputy pilots; vacancies.—

(3) Pilots shall hold their licenses or certificates pursuant to the requirements of this chapter so long as they:

(b) Are in good physical and mental health as evidenced by documentary proof of having satisfactorily passed a physical examination administered by a licensed physician or physician assistant within each calendar year. The board shall adopt rules to establish requirements for passing the physical examination, which rules shall establish minimum standards for the physical or mental capabilities necessary to carry out the professional duties of a licensed state pilot or a certificated deputy pilot. Such standards shall include zero tolerance for any controlled substance regulated under chapter 893 unless that individual is under the care of a physician, *an advanced registered nurse practitioner, or a physician assistant* and that controlled substance was prescribed by that physician, *advanced registered nurse practitioner, or physician assistant*. To maintain eligibility as a certificated deputy pilot or licensed state pilot, each certificated deputy pilot or licensed state pilot must annually provide documentary proof of having satisfactorily passed a complete physical examination administered by a licensed physician. The physician must know the minimum standards and certify that the certificateholder or licensee satisfactorily meets the standards. The standards for certificateholders and for licensees shall include a drug test.

Upon resignation or in the case of disability permanently affecting a pilot's ability to serve, the state license or certificate issued under this chapter shall be revoked by the department.

Section 5. Subsection (7) of section 456.072, Florida Statutes, is amended to read:

456.072 Grounds for discipline; penalties; enforcement.—

(7) Notwithstanding subsection (2), upon a finding that a physician has prescribed or dispensed a controlled substance, or caused a controlled substance to be prescribed or dispensed, in a manner that vio-

lates the standard of practice set forth in s. 458.331(1)(q) or (t), s. 459.015(1)(t) or (x), s. 461.013(1)(o) or (s), or s. 466.028(1)(p) or (x), *or that an advanced registered nurse practitioner has prescribed or dispensed a controlled substance, or caused a controlled substance to be prescribed or dispensed, in a manner that violates the standard of practice set forth in s. 464.018(1)(n) or (p)6.*, the physician or *advanced registered nurse practitioner* shall be suspended for a period of not less than 6 months and pay a fine of not less than \$10,000 per count. Repeated violations shall result in increased penalties.

Section 6. Section 456.44, Florida Statutes, is amended to read:

456.44 Controlled substance prescribing.—

(1) DEFINITIONS.—*As used in this section, the term:*

(a) “Addiction medicine specialist” means a board-certified psychiatrist with a subspecialty certification in addiction medicine or who is eligible for such subspecialty certification in addiction medicine, an addiction medicine physician certified or eligible for certification by the American Society of Addiction Medicine, or an osteopathic physician who holds a certificate of added qualification in Addiction Medicine through the American Osteopathic Association.

(b) “Adverse incident” means any incident set forth in s. 458.351(4)(a)-(e) or s. 459.026(4)(a)-(e).

(c) “Board-certified pain management physician” means a physician who possesses board certification in pain medicine by the American Board of Pain Medicine, board certification by the American Board of Interventional Pain Physicians, or board certification or subcertification in pain management or pain medicine by a specialty board recognized by the American Association of Physician Specialists or the American Board of Medical Specialties or an osteopathic physician who holds a certificate in Pain Management by the American Osteopathic Association.

(d) “Board eligible” means successful completion of an anesthesia, physical medicine and rehabilitation, rheumatology, or neurology residency program approved by the Accreditation Council for Graduate Medical Education or the American Osteopathic Association for a period of 6 years from successful completion of such residency program.

(e) “Chronic nonmalignant pain” means pain unrelated to cancer which persists beyond the usual course of disease or the injury that is the cause of the pain or more than 90 days after surgery.

(f) “Mental health addiction facility” means a facility licensed under chapter 394 or chapter 397.

(g) “Registrant” means a physician, a physician assistant, or an advanced registered nurse practitioner who meets the requirements of subsection (2).

(2) REGISTRATION.—~~Effective January 1, 2012,~~ A physician licensed under chapter 458, chapter 459, chapter 461, or chapter 466, a physician assistant licensed under chapter 458 or chapter 459, or an advanced registered nurse practitioner certified under part I of chapter 464 who prescribes any controlled substance, listed in Schedule II, Schedule III, or Schedule IV as defined in s. 893.03, for the treatment of chronic nonmalignant pain, must:

(a) Designate himself or herself as a controlled substance prescribing practitioner on *his or her* ~~the physician's~~ practitioner profile.

(b) Comply with the requirements of this section and applicable board rules.

(3) STANDARDS OF PRACTICE.—The standards of practice in this section do not supersede the level of care, skill, and treatment recognized in general law related to health care licensure.

(a) A complete medical history and a physical examination must be conducted before beginning any treatment and must be documented in the medical record. The exact components of the physical examination

shall be left to the judgment of the ~~registrant clinician~~ who is expected to perform a physical examination proportionate to the diagnosis that justifies a treatment. The medical record must, at a minimum, document the nature and intensity of the pain, current and past treatments for pain, underlying or coexisting diseases or conditions, the effect of the pain on physical and psychological function, a review of previous medical records, previous diagnostic studies, and history of alcohol and substance abuse. The medical record shall also document the presence of one or more recognized medical indications for the use of a controlled substance. Each registrant must develop a written plan for assessing each patient's risk of aberrant drug-related behavior, which may include patient drug testing. Registrants must assess each patient's risk for aberrant drug-related behavior and monitor that risk on an ongoing basis in accordance with the plan.

(b) Each registrant must develop a written individualized treatment plan for each patient. The treatment plan shall state objectives that will be used to determine treatment success, such as pain relief and improved physical and psychosocial function, and shall indicate if any further diagnostic evaluations or other treatments are planned. After treatment begins, the ~~registrant physician~~ shall adjust drug therapy to the individual medical needs of each patient. Other treatment modalities, including a rehabilitation program, shall be considered depending on the etiology of the pain and the extent to which the pain is associated with physical and psychosocial impairment. The interdisciplinary nature of the treatment plan shall be documented.

(c) The ~~registrant physician~~ shall discuss the risks and benefits of the use of controlled substances, including the risks of abuse and addiction, as well as physical dependence and its consequences, with the patient, persons designated by the patient, or the patient's surrogate or guardian if the patient is incompetent. The ~~registrant physician~~ shall use a written controlled substance agreement between the ~~registrant physician~~ and the patient outlining the patient's responsibilities, including, but not limited to:

1. Number and frequency of controlled substance prescriptions and refills.
2. Patient compliance and reasons for which drug therapy may be discontinued, such as a violation of the agreement.
3. An agreement that controlled substances for the treatment of chronic nonmalignant pain shall be prescribed by a single treating ~~registrant physician~~ unless otherwise authorized by the treating ~~registrant physician~~ and documented in the medical record.

(d) The patient shall be seen by the ~~registrant physician~~ at regular intervals, not to exceed 3 months, to assess the efficacy of treatment, ensure that controlled substance therapy remains indicated, evaluate the patient's progress toward treatment objectives, consider adverse drug effects, and review the etiology of the pain. Continuation or modification of therapy shall depend on the ~~registrant's physician's~~ evaluation of the patient's progress. If treatment goals are not being achieved, despite medication adjustments, the ~~registrant physician~~ shall reevaluate the appropriateness of continued treatment. The ~~registrant physician~~ shall monitor patient compliance in medication usage, related treatment plans, controlled substance agreements, and indications of substance abuse or diversion at a minimum of 3-month intervals.

(e) The ~~registrant physician~~ shall refer the patient as necessary for additional evaluation and treatment in order to achieve treatment objectives. Special attention shall be given to those patients who are at risk for misusing their medications and those whose living arrangements pose a risk for medication misuse or diversion. The management of pain in patients with a history of substance abuse or with a comorbid psychiatric disorder requires extra care, monitoring, and documentation and requires consultation with or referral to an addiction medicine specialist or a psychiatrist.

(f) A ~~registrant physician registered under this section~~ must maintain accurate, current, and complete records that are accessible and readily available for review and comply with the requirements of this

section, the applicable practice act, and applicable board rules. The medical records must include, but are not limited to:

1. The complete medical history and a physical examination, including history of drug abuse or dependence.
2. Diagnostic, therapeutic, and laboratory results.
3. Evaluations and consultations.
4. Treatment objectives.
5. Discussion of risks and benefits.
6. Treatments.
7. Medications, including date, type, dosage, and quantity prescribed.
8. Instructions and agreements.
9. Periodic reviews.
10. Results of any drug testing.
11. A photocopy of the patient's government-issued photo identification.
12. If a written prescription for a controlled substance is given to the patient, a duplicate of the prescription.
13. The ~~registrant's physician's~~ full name presented in a legible manner.

(g) A ~~registrant~~ shall immediately refer patients with signs or symptoms of substance abuse ~~shall be immediately referred~~ to a board-certified pain management physician, an addiction medicine specialist, or a mental health addiction facility as it pertains to drug abuse or addiction unless the ~~registrant is a physician who is board-certified or board-eligible in pain management~~. Throughout the period of time before receiving the consultant's report, a prescribing ~~registrant physician~~ shall clearly and completely document medical justification for continued treatment with controlled substances and those steps taken to ensure medically appropriate use of controlled substances by the patient. Upon receipt of the consultant's written report, the prescribing ~~registrant physician~~ shall incorporate the consultant's recommendations for continuing, modifying, or discontinuing controlled substance therapy. The resulting changes in treatment shall be specifically documented in the patient's medical record. Evidence or behavioral indications of diversion shall be followed by discontinuation of controlled substance therapy, and the patient shall be discharged, and all results of testing and actions taken by the ~~registrant physician~~ shall be documented in the patient's medical record.

This subsection does not apply to a board-eligible or board-certified anesthesiologist, physiatrist, rheumatologist, or neurologist, or to a board-certified physician who has surgical privileges at a hospital or ambulatory surgery center and primarily provides surgical services. This subsection does not apply to a board-eligible or board-certified medical specialist who has also completed a fellowship in pain medicine approved by the Accreditation Council for Graduate Medical Education or the American Osteopathic Association, or who is board eligible or board certified in pain medicine by the American Board of Pain Medicine, the American Board of Interventional Pain Physicians, the American Association of Physician Specialists, or a board approved by the American Board of Medical Specialties or the American Osteopathic Association and performs interventional pain procedures of the type routinely billed using surgical codes. This subsection does not apply to a ~~registrant physician~~ who prescribes medically necessary controlled substances for a patient during an inpatient stay in a hospital licensed under chapter 395.

Section 7. Paragraph (b) of subsection (2) of section 458.3265, Florida Statutes, is amended to read:

458.3265 Pain-management clinics.—

(2) PHYSICIAN RESPONSIBILITIES.—These responsibilities apply to any physician who provides professional services in a pain-management clinic that is required to be registered in subsection (1).

(b) ~~Only a person may not dispense any medication on the premises of a registered pain management clinic unless he or she is a physician licensed under this chapter or chapter 459 may dispense medication or prescribe a controlled substance regulated under chapter 893 on the premises of a registered pain-management clinic.~~

Section 8. Paragraph (b) of subsection (2) of section 459.0137, Florida Statutes, is amended to read:

459.0137 Pain-management clinics.—

(2) PHYSICIAN RESPONSIBILITIES.—These responsibilities apply to any osteopathic physician who provides professional services in a pain-management clinic that is required to be registered in subsection (1).

(b) ~~Only a person may not dispense any medication on the premises of a registered pain management clinic unless he or she is a physician licensed under this chapter or chapter 458 may dispense medication or prescribe a controlled substance regulated under chapter 893 on the premises of a registered pain-management clinic.~~

Section 9. Paragraph (e) of subsection (4) of section 458.347, Florida Statutes, is amended, and paragraph (c) of subsection (9) of that section is republished, to read:

458.347 Physician assistants.—

(4) PERFORMANCE OF PHYSICIAN ASSISTANTS.—

(e) A supervisory physician may delegate to a fully licensed physician assistant the authority to prescribe or dispense any medication used in the supervisory physician's practice unless such medication is listed on the formulary created pursuant to paragraph (f). A fully licensed physician assistant may only prescribe or dispense such medication under the following circumstances:

1. A physician assistant must clearly identify to the patient that he or she is a physician assistant. Furthermore, the physician assistant must inform the patient that the patient has the right to see the physician prior to any prescription being prescribed or dispensed by the physician assistant.

2. The supervisory physician must notify the department of his or her intent to delegate, on a department-approved form, before delegating such authority and notify the department of any change in prescriptive privileges of the physician assistant. Authority to dispense may be delegated only by a supervising physician who is registered as a dispensing practitioner in compliance with s. 465.0276.

3. The physician assistant must file with the department a signed affidavit that he or she has completed a minimum of 10 continuing medical education hours in the specialty practice in which the physician assistant has prescriptive privileges with each licensure renewal application. *Three of the 10 hours must consist of a continuing education course on the safe and effective prescribing of controlled substance medications which is offered by a statewide professional association of physicians in this state accredited to provide educational activities designated for the American Medical Association Physician's Recognition Award Category 1 credit or designated by the American Academy of Physician Assistants as a Category 1 credit.*

4. The department may issue a prescriber number to the physician assistant granting authority for the prescribing of medicinal drugs authorized within this paragraph upon completion of the foregoing requirements. The physician assistant shall not be required to independently register pursuant to s. 465.0276.

5. The prescription must be written in a form that complies with chapter 499 and must contain, in addition to the supervisory physician's name, address, and telephone number, the physician assistant's pre-

scriber number. Unless it is a drug or drug sample dispensed by the physician assistant, the prescription must be filled in a pharmacy permitted under chapter 465 and must be dispensed in that pharmacy by a pharmacist licensed under chapter 465. The appearance of the prescriber number creates a presumption that the physician assistant is authorized to prescribe the medicinal drug and the prescription is valid.

6. The physician assistant must note the prescription or dispensing of medication in the appropriate medical record.

(9) COUNCIL ON PHYSICIAN ASSISTANTS.—The Council on Physician Assistants is created within the department.

(c) The council shall:

1. Recommend to the department the licensure of physician assistants.

2. Develop all rules regulating the use of physician assistants by physicians under this chapter and chapter 459, except for rules relating to the formulary developed under paragraph (4)(f). The council shall also develop rules to ensure that the continuity of supervision is maintained in each practice setting. The boards shall consider adopting a proposed rule developed by the council at the regularly scheduled meeting immediately following the submission of the proposed rule by the council. A proposed rule submitted by the council may not be adopted by either board unless both boards have accepted and approved the identical language contained in the proposed rule. The language of all proposed rules submitted by the council must be approved by both boards pursuant to each respective board's guidelines and standards regarding the adoption of proposed rules. If either board rejects the council's proposed rule, that board must specify its objection to the council with particularity and include any recommendations it may have for the modification of the proposed rule.

3. Make recommendations to the boards regarding all matters relating to physician assistants.

4. Address concerns and problems of practicing physician assistants in order to improve safety in the clinical practices of licensed physician assistants.

Section 10. Effective January 1, 2017, paragraph (f) of subsection (4) of section 458.347, Florida Statutes, is amended to read:

458.347 Physician assistants.—

(4) PERFORMANCE OF PHYSICIAN ASSISTANTS.—

(f)1. The council shall establish a formulary of medicinal drugs that a fully licensed physician assistant having prescribing authority under this section or s. 459.022 may not prescribe. The formulary must include ~~controlled substances as defined in chapter 893~~, general anesthetics, and radiographic contrast materials, *and must limit the prescription of Schedule II controlled substances as listed in s. 893.03 to a 7-day supply. The formulary must also restrict the prescribing of psychiatric mental health controlled substances for children younger than 18 years of age.*

2. In establishing the formulary, the council shall consult with a pharmacist licensed under chapter 465, but not licensed under this chapter or chapter 459, who shall be selected by the State Surgeon General.

3. Only the council shall add to, delete from, or modify the formulary. Any person who requests an addition, a deletion, or a modification of a medicinal drug listed on such formulary has the burden of proof to show cause why such addition, deletion, or modification should be made.

4. The boards shall adopt the formulary required by this paragraph, and each addition, deletion, or modification to the formulary, by rule. Notwithstanding any provision of chapter 120 to the contrary, the formulary rule shall be effective 60 days after the date it is filed with the Secretary of State. Upon adoption of the formulary, the department shall mail a copy of such formulary to each fully licensed physician

assistant having prescribing authority under this section or s. 459.022, and to each pharmacy licensed by the state. The boards shall establish, by rule, a fee not to exceed \$200 to fund the provisions of this paragraph and paragraph (e).

Section 11. Subsection (2) of section 464.003, Florida Statutes, is amended to read:

464.003 Definitions.—As used in this part, the term:

(2) “Advanced or specialized nursing practice” means, in addition to the practice of professional nursing, the performance of advanced-level nursing acts approved by the board which, by virtue of postbasic specialized education, training, and experience, are appropriately performed by an advanced registered nurse practitioner. Within the context of advanced or specialized nursing practice, the advanced registered nurse practitioner may perform acts of nursing diagnosis and nursing treatment of alterations of the health status. The advanced registered nurse practitioner may also perform acts of medical diagnosis and treatment, prescription, and operation *as authorized within the framework of an established supervisory protocol which are identified and approved by a joint committee composed of three members appointed by the Board of Nursing, two of whom must be advanced registered nurse practitioners; three members appointed by the Board of Medicine, two of whom must have had work experience with advanced registered nurse practitioners; and the State Surgeon General or the State Surgeon General’s designee. Each committee member appointed by a board shall be appointed to a term of 4 years unless a shorter term is required to establish or maintain staggered terms. The Board of Nursing shall adopt rules authorizing the performance of any such acts approved by the joint committee. Unless otherwise specified by the joint committee, such acts must be performed under the general supervision of a practitioner licensed under chapter 458, chapter 459, or chapter 466 within the framework of standing protocols which identify the medical acts to be performed and the conditions for their performance.* The department may, by rule, require that a copy of the protocol be filed with the department along with the notice required by s. 458.348.

Section 12. Section 464.012, Florida Statutes, is amended to read:

464.012 Certification of advanced registered nurse practitioners; fees; *controlled substance prescribing.*—

(1) Any nurse desiring to be certified as an advanced registered nurse practitioner shall apply to the department and submit proof that he or she holds a current license to practice professional nursing and that he or she meets one or more of the following requirements as determined by the board:

(a) Satisfactory completion of a formal postbasic educational program of at least one academic year, the primary purpose of which is to prepare nurses for advanced or specialized practice.

(b) Certification by an appropriate specialty board. Such certification shall be required for initial state certification and any recertification as a registered nurse anesthetist or nurse midwife. The board may by rule provide for provisional state certification of graduate nurse anesthetists and nurse midwives for a period of time determined to be appropriate for preparing for and passing the national certification examination.

(c) Graduation from a program leading to a master’s degree in a nursing clinical specialty area with preparation in specialized practitioner skills. For applicants graduating on or after October 1, 1998, graduation from a master’s degree program shall be required for initial certification as a nurse practitioner under paragraph (4)(c). For applicants graduating on or after October 1, 2001, graduation from a master’s degree program shall be required for initial certification as a registered nurse anesthetist under paragraph (4)(a).

(2) The board shall provide by rule the appropriate requirements for advanced registered nurse practitioners in the categories of certified registered nurse anesthetist, certified nurse midwife, and nurse practitioner.

(3) An advanced registered nurse practitioner shall perform those functions authorized in this section within the framework of an established protocol that is filed with the board upon biennial license renewal and within 30 days after entering into a supervisory relationship with a physician or changes to the protocol. The board shall review the protocol to ensure compliance with applicable regulatory standards for protocols. The board shall refer to the department licensees submitting protocols that are not compliant with the regulatory standards for protocols. A practitioner currently licensed under chapter 458, chapter 459, or chapter 466 shall maintain supervision for directing the specific course of medical treatment. Within the established framework, an advanced registered nurse practitioner may:

- (a) Monitor and alter drug therapies.
- (b) Initiate appropriate therapies for certain conditions.
- (c) Perform additional functions as may be determined by rule in accordance with s. 464.003(2).
- (d) Order diagnostic tests and physical and occupational therapy.

(4) In addition to the general functions specified in subsection (3), an advanced registered nurse practitioner may perform the following acts within his or her specialty:

(a) The certified registered nurse anesthetist may, to the extent authorized by established protocol approved by the medical staff of the facility in which the anesthetic service is performed, perform any or all of the following:

1. Determine the health status of the patient as it relates to the risk factors and to the anesthetic management of the patient through the performance of the general functions.
2. Based on history, physical assessment, and supplemental laboratory results, determine, with the consent of the responsible physician, the appropriate type of anesthesia within the framework of the protocol.
3. Order under the protocol preanesthetic medication.
4. Perform under the protocol procedures commonly used to render the patient insensible to pain during the performance of surgical, obstetrical, therapeutic, or diagnostic clinical procedures. These procedures include ordering and administering regional, spinal, and general anesthesia; inhalation agents and techniques; intravenous agents and techniques; and techniques of hypnosis.
5. Order or perform monitoring procedures indicated as pertinent to the anesthetic health care management of the patient.
6. Support life functions during anesthesia health care, including induction and intubation procedures, the use of appropriate mechanical supportive devices, and the management of fluid, electrolyte, and blood component balances.
7. Recognize and take appropriate corrective action for abnormal patient responses to anesthesia, adjunctive medication, or other forms of therapy.
8. Recognize and treat a cardiac arrhythmia while the patient is under anesthetic care.
9. Participate in management of the patient while in the post-anesthesia recovery area, including ordering the administration of fluids and drugs.
10. Place special peripheral and central venous and arterial lines for blood sampling and monitoring as appropriate.

(b) The certified nurse midwife may, to the extent authorized by an established protocol which has been approved by the medical staff of the health care facility in which the midwifery services are performed, or approved by the nurse midwife’s physician backup when the delivery is performed in a patient’s home, perform any or all of the following:

1. Perform superficial minor surgical procedures.
2. Manage the patient during labor and delivery to include amniotomy, episiotomy, and repair.
3. Order, initiate, and perform appropriate anesthetic procedures.
4. Perform postpartum examination.
5. Order appropriate medications.
6. Provide family-planning services and well-woman care.
7. Manage the medical care of the normal obstetrical patient and the initial care of a newborn patient.

(c) The nurse practitioner may perform any or all of the following acts within the framework of established protocol:

1. Manage selected medical problems.
2. Order physical and occupational therapy.
3. Initiate, monitor, or alter therapies for certain uncomplicated acute illnesses.
4. Monitor and manage patients with stable chronic diseases.
5. Establish behavioral problems and diagnosis and make treatment recommendations.

(5) The board shall certify, and the department shall issue a certificate to, any nurse meeting the qualifications in this section. The board shall establish an application fee not to exceed \$100 and a biennial renewal fee not to exceed \$50. The board is authorized to adopt such other rules as are necessary to implement the provisions of this section.

(6)(a) *The board shall establish a committee to recommend a formulary of controlled substances that an advanced registered nurse practitioner may not prescribe or may prescribe only for specific uses or in limited quantities. The committee must consist of three advanced registered nurse practitioners licensed under this section, recommended by the board; three physicians licensed under chapter 458 or chapter 459 who have work experience with advanced registered nurse practitioners, recommended by the Board of Medicine; and a pharmacist licensed under chapter 465 who is a doctor of pharmacy, recommended by the Board of Pharmacy. The committee may recommend an evidence-based formulary applicable to all advanced registered nurse practitioners which is limited by specialty certification, is limited to approved uses of controlled substances, or is subject to other similar restrictions the committee finds are necessary to protect the health, safety, and welfare of the public. The formulary must restrict the prescribing of psychiatric mental health controlled substances for children younger than 18 years of age to advanced registered nurse practitioners who also are psychiatric nurses as defined in s. 394.455. The formulary must also limit the prescribing of Schedule II controlled substances as listed in s. 893.03 to a 7-day supply, except that such restriction does not apply to controlled substances that are psychiatric medications prescribed by psychiatric nurses as defined in s. 394.455.*

(b) *The board shall adopt by rule the recommended formulary and any revision to the formulary which it finds is supported by evidence-based clinical findings presented by the Board of Medicine, the Board of Osteopathic Medicine, or the Board of Dentistry.*

(c) *The formulary required under this subsection does not apply to a controlled substance that is dispensed for administration pursuant to an order, including an order for medication authorized by subparagraph (4)(a)3., subparagraph (4)(a)4., or subparagraph (4)(a)9.*

(d) *The board shall adopt the committee's initial recommendation no later than October 31, 2016.*

(7) *This section shall be known as "The Barbara Lumpkin Prescribing Act."*

Section 13. Effective January 1, 2017, subsection (3) of section 464.012, Florida Statutes, as amended by this act, is amended to read:

464.012 Certification of advanced registered nurse practitioners; fees; controlled substance prescribing.—

(3) An advanced registered nurse practitioner shall perform those functions authorized in this section within the framework of an established protocol that is filed with the board upon biennial license renewal and within 30 days after entering into a supervisory relationship with a physician or changes to the protocol. The board shall review the protocol to ensure compliance with applicable regulatory standards for protocols. The board shall refer to the department licensees submitting protocols that are not compliant with the regulatory standards for protocols. A practitioner currently licensed under chapter 458, chapter 459, or chapter 466 shall maintain supervision for directing the specific course of medical treatment. Within the established framework, an advanced registered nurse practitioner may:

(a) *Prescribe, dispense, administer, or order any drug; however, an advanced registered nurse practitioner may prescribe or dispense a controlled substance as defined in s. 893.03 only if the advanced registered nurse practitioner has graduated from a program leading to a master's or doctoral degree in a clinical nursing specialty area with training in specialized practitioner skills ~~Monitor and alter drug therapies.~~*

(b) Initiate appropriate therapies for certain conditions.

(c) Perform additional functions as may be determined by rule in accordance with s. 464.003(2).

(d) Order diagnostic tests and physical and occupational therapy.

Section 14. Subsection (3) of section 464.013, Florida Statutes, is amended to read:

464.013 Renewal of license or certificate.—

(3) The board shall by rule prescribe up to 30 hours of continuing education biennially as a condition for renewal of a license or certificate.

(a) A nurse who is certified by a health care specialty program accredited by the National Commission for Certifying Agencies or the Accreditation Board for Specialty Nursing Certification is exempt from continuing education requirements. The criteria for programs ~~shall~~ be approved by the board.

(b) *Notwithstanding the exemption in paragraph (a), as part of the maximum 30 hours of continuing education hours required under this subsection, advanced registered nurse practitioners certified under s. 464.012 must complete at least 3 hours of continuing education on the safe and effective prescription of controlled substances. Such continuing education courses must be offered by a statewide professional association of physicians in this state accredited to provide educational activities designated for the American Medical Association Physician's Recognition Award Category 1 credit, the American Nurses Credentialing Center, the American Association of Nurse Anesthetists, or the American Association of Nurse Practitioners and may be offered in a distance learning format.*

Section 15. Paragraph (p) is added to subsection (1) of section 464.018, Florida Statutes, and subsection (2) of that section is republished, to read:

464.018 Disciplinary actions.—

(1) The following acts constitute grounds for denial of a license or disciplinary action, as specified in s. 456.072(2):

(p) *For an advanced registered nurse practitioner:*

1. *Presigning blank prescription forms.*

2. *Prescribing for office use any medicinal drug appearing on Schedule II in chapter 893.*

3. Prescribing, ordering, dispensing, administering, supplying, selling, or giving a drug that is an amphetamine, a sympathomimetic amine drug, or a compound designated in s. 893.03(2) as a Schedule II controlled substance, to or for any person except for:

a. The treatment of narcolepsy; hyperkinesia; behavioral syndrome in children characterized by the developmentally inappropriate symptoms of moderate to severe distractibility, short attention span, hyperactivity, emotional lability, and impulsivity; or drug-induced brain dysfunction.

b. The differential diagnostic psychiatric evaluation of depression or the treatment of depression shown to be refractory to other therapeutic modalities.

c. The clinical investigation of the effects of such drugs or compounds when an investigative protocol is submitted to, reviewed by, and approved by the department before such investigation is begun.

4. Prescribing, ordering, dispensing, administering, supplying, selling, or giving growth hormones, testosterone or its analogs, human chorionic gonadotropin (HCG), or other hormones for the purpose of muscle building or to enhance athletic performance. As used in this subparagraph, the term "muscle building" does not include the treatment of injured muscle. A prescription written for the drug products identified in this subparagraph may be dispensed by a pharmacist with the presumption that the prescription is for legitimate medical use.

5. Promoting or advertising on any prescription form a community pharmacy unless the form also states: "This prescription may be filled at any pharmacy of your choice."

6. Prescribing, dispensing, administering, mixing, or otherwise preparing a legend drug, including a controlled substance, other than in the course of his or her professional practice. For the purposes of this subparagraph, it is legally presumed that prescribing, dispensing, administering, mixing, or otherwise preparing legend drugs, including all controlled substances, inappropriately or in excessive or inappropriate quantities is not in the best interest of the patient and is not in the course of the advanced registered nurse practitioner's professional practice, without regard to his or her intent.

7. Prescribing, dispensing, or administering a medicinal drug appearing on any schedule set forth in chapter 893 to himself or herself, except a drug prescribed, dispensed, or administered to the advanced registered nurse practitioner by another practitioner authorized to prescribe, dispense, or administer medicinal drugs.

8. Prescribing, ordering, dispensing, administering, supplying, selling, or giving amygdalin (laetrile) to any person.

9. Dispensing a substance designated in s. 893.03(2) or (3) as a substance controlled in Schedule II or Schedule III, respectively, in violation of s. 465.0276.

10. Promoting or advertising through any communication medium the use, sale, or dispensing of a substance designated in s. 893.03 as a controlled substance.

(2) The board may enter an order denying licensure or imposing any of the penalties in s. 456.072(2) against any applicant for licensure or licensee who is found guilty of violating any provision of subsection (1) of this section or who is found guilty of violating any provision of s. 456.072(1).

Section 16. Section 627.42392, Florida Statutes, is created to read:

627.42392 *Prior authorization.*—

(1) As used in this section, the term "health insurer" means an authorized insurer offering health insurance as defined in s. 624.603, a managed care plan as defined in s. 409.962(9), or a health maintenance organization as defined in s. 641.19(12).

(2) Notwithstanding any other provision of law, in order to establish uniformity in the submission of prior authorization forms on or after

January 1, 2017, a health insurer, or a pharmacy benefits manager on behalf of the health insurer, which does not use an electronic prior authorization form for its contracted providers shall use only the prior authorization form that has been approved by the Financial Services Commission in consultation with the Agency for Health Care Administration to obtain a prior authorization for a medical procedure, course of treatment, or prescription drug benefit. Such form may not exceed two pages in length, excluding any instructions or guiding documentation.

(3) The Financial Services Commission in consultation with the Agency for Health Care Administration shall adopt by rule guidelines for all prior authorization forms which ensure the general uniformity of such forms.

Section 17. Subsection (11) of section 627.6131, Florida Statutes, is amended to read:

627.6131 *Payment of claims.*—

(11) A health insurer may not retroactively deny a claim because of insured ineligibility:

(a) At any time, if the health insurer verified the eligibility of an insured who is not a recipient of advance payments of the federal premium tax credit and the insurer issued an authorization for payment to a provider;

(b) For services authorized by the insurer and rendered during the first 30 days of a federally required grace period when an insured is a recipient of advance payments of the federal premium tax credit; or

(c) More than 1 year after the date of payment of the claim.

Section 18. Subsection (10) of section 641.3155, Florida Statutes, is amended to read:

641.3155 *Prompt payment of claims.*—

(10) A health maintenance organization may not retroactively deny a claim because of subscriber ineligibility:

(a) At any time, if the health maintenance organization verified the eligibility of a subscriber who is not a recipient of advance payments of the federal premium tax credit and the health maintenance organization issued an authorization for payment to a provider;

(b) For services authorized by the health maintenance organization and rendered during the first 30 days of a federally required grace period when a subscriber is a recipient of advance payments of the federal premium tax credit; or

(c) More than 1 year after the date of payment of the claim.

Section 19. Subsection (21) of section 893.02, Florida Statutes, is amended to read:

893.02 *Definitions.*—The following words and phrases as used in this chapter shall have the following meanings, unless the context otherwise requires:

(21) "Practitioner" means a physician licensed ~~under pursuant to~~ chapter 458, a dentist licensed ~~under pursuant to~~ chapter 466, a veterinarian licensed ~~under pursuant to~~ chapter 474, an osteopathic physician licensed ~~under pursuant to~~ chapter 459, an advanced registered nurse practitioner certified under chapter 464, a naturopath licensed ~~under pursuant to~~ chapter 462, a certified optometrist licensed ~~under pursuant to~~ chapter 463, or a podiatric physician licensed ~~under pursuant to~~ chapter 461, or a physician assistant licensed under chapter 458 or chapter 459, provided such practitioner holds a valid federal controlled substance registry number.

Section 20. Paragraph (n) of subsection (1) of section 948.03, Florida Statutes, is amended to read:

948.03 *Terms and conditions of probation.*—

(1) The court shall determine the terms and conditions of probation. Conditions specified in this section do not require oral pronouncement at the time of sentencing and may be considered standard conditions of probation. These conditions may include among them the following, that the probationer or offender in community control shall:

(n) Be prohibited from using intoxicants to excess or possessing any drugs or narcotics unless prescribed by a physician, *an advanced registered nurse practitioner, or a physician assistant*. The probationer or community controllee ~~may shall~~ not knowingly visit places where intoxicants, drugs, or other dangerous substances are unlawfully sold, dispensed, or used.

Section 21. Paragraph (a) of subsection (1) and subsection (2) of section 458.348, Florida Statutes, are amended to read:

458.348 Formal supervisory relationships, standing orders, and established protocols; notice; standards.—

(1) NOTICE.—

(a) When a physician enters into a formal supervisory relationship or standing orders with an emergency medical technician or paramedic licensed pursuant to s. 401.27, which relationship or orders contemplate the performance of medical acts, or when a physician enters into an established protocol with an advanced registered nurse practitioner, which protocol contemplates the performance of medical acts ~~identified and approved by the joint committee pursuant to s. 464.003(2) or~~ acts set forth in s. 464.012(3) and (4), the physician shall submit notice to the board. The notice shall contain a statement in substantially the following form:

I, _____ (name and professional license number of physician), of _____ (address of physician) have hereby entered into a formal supervisory relationship, standing orders, or an established protocol with _____ (number of persons) emergency medical technician(s), _____ (number of persons) paramedic(s), or _____ (number of persons) advanced registered nurse practitioner(s).

(2) ESTABLISHMENT OF STANDARDS BY JOINT COMMITTEE.—The joint committee ~~created under s. 464.003(2)~~ shall determine minimum standards for the content of established protocols pursuant to which an advanced registered nurse practitioner may perform medical acts ~~identified and approved by the joint committee pursuant to s. 464.003(2) or~~ acts set forth in s. 464.012(3) and (4) and shall determine minimum standards for supervision of such acts by the physician, unless the joint committee determines that any act set forth in s. 464.012(3) or (4) is not a medical act. Such standards shall be based on risk to the patient and acceptable standards of medical care and shall take into account the special problems of medically underserved areas. The standards developed by the joint committee shall be adopted as rules by the Board of Nursing and the Board of Medicine for purposes of carrying out their responsibilities pursuant to part I of chapter 464 and this chapter, respectively, but neither board shall have disciplinary powers over the licensees of the other board.

Section 22. Paragraph (a) of subsection (1) of section 459.025, Florida Statutes, is amended to read:

459.025 Formal supervisory relationships, standing orders, and established protocols; notice; standards.—

(1) NOTICE.—

(a) When an osteopathic physician enters into a formal supervisory relationship or standing orders with an emergency medical technician or paramedic licensed pursuant to s. 401.27, which relationship or orders contemplate the performance of medical acts, or when an osteopathic physician enters into an established protocol with an advanced registered nurse practitioner, which protocol contemplates the performance of medical acts ~~identified and approved by the joint committee pursuant to s. 464.003(2) or~~ acts set forth in s. 464.012(3) and (4), the osteopathic physician shall submit notice to the board. Pursuant to Rule 7.1(1), there being no objection, consideration of the following late-filed amendment was allowed:

Senator Garcia moved the following amendment to **Amendment 1 (899458)** which was adopted:

Amendment 1A (594148) (with title amendment)—Between lines 123 and 124 insert:

Section 5. Present subsections (1) through (10) of section 395.0191, Florida Statutes, are redesignated as subsections (2) through (11), re-

spectively, a new subsection (1) and subsection (12) are added to that section, and present subsection (6) of that section is amended, to read:

395.0191 Staff membership and clinical privileges.—

(1) *As used in this section, the term:*

(a) *“Certified surgical assistant” means a surgical assistant who maintains a valid and active certification under one of the following designations: certified surgical first assistant, from the National Board of Surgical Technology and Surgical Assisting; certified surgical assistant, from the National Surgical Assistant Association; or surgical assistant-certified, from the American Board of Surgical Assistants.*

(b) *“Certified surgical technologist” means a surgical technologist who maintains a valid and active certification as a certified surgical technologist from the National Board of Surgical Technology and Surgical Assisting.*

(c) *“Surgeon” means a health care practitioner as defined in s. 456.001 whose scope of practice includes performing surgery and who is listed as the primary surgeon in the operative record.*

(d) *“Surgical assistant” means a person who provides aid in exposure, hemostasis, closures, and other intraoperative technical functions and who assists the surgeon in performing a safe operation with optimal results for the patient.*

(e) *“Surgical technologist” means a person whose duties include, but are not limited to, maintaining sterility during a surgical procedure, handling and ensuring the availability of necessary equipment and supplies, and maintaining visibility of the operative site to ensure that the operating room environment is safe, that proper equipment is available, and that the operative procedure is conducted efficiently.*

(7)(6) Upon the written request of the applicant, any licensed facility that has denied staff membership or clinical privileges to any applicant specified in subsection (2) or subsection (3) ~~subsection (1) or subsection (2)~~ shall, within 30 days of such request, provide the applicant with the reasons for such denial in writing. A denial of staff membership or clinical privileges to any applicant shall be submitted, in writing, to the applicant’s respective licensing board.

(12) *At least 50 percent of the surgical assistants and 50 percent of the surgical technologists that a licensed facility employs or with whom it contracts must be certified surgical assistants and certified surgical technologists, respectively. The requirements of this subsection do not apply to the following:*

(a) *A person who has completed an appropriate training program for surgical technology in any branch of the Armed Forces or reserve component of the Armed Forces.*

(b) *A person who was employed or contracted to perform the duties of a surgical technologist or surgical assistant at any time before July 1, 2016.*

(c) *A health care practitioner as defined in s. 456.001 or a student if the duties performed by the practitioner or the student are within the scope of the practitioner’s or the student’s training and practice.*

(d) *A person enrolled in a surgical technology or surgical assisting training program accredited by the Commission on Accreditation of Allied Health Education Programs, the Accrediting Bureau of Health Education Schools, or another accrediting body recognized by the United States Department of Education on July 1, 2016. A person may practice as a surgical technologist or a surgical assistant for 2 years after completion of such a training program before he or she is required to obtain a certification under this subsection.*

And the title is amended as follows:

Between lines 1017 and 1018 insert: s. 395.0191, F.S.; defining terms; requiring a certain percentage of surgical assistants and surgical technologists employed or contracting with a hospital to be certified; providing exceptions to the certification requirement; conforming cross-references; amending

Amendment 1 (899458), as amended, was adopted.

On motion by Senator Grimsley, by two-thirds vote, **HB 423**, as amended, was read the third time by title, passed, and certified to the House. The vote on passage was:

Pursuant to Rule 7.1(1), there being no objection, consideration of the following late-filed amendments was allowed:

Senator Hays moved the following amendments which were adopted:

Amendment 1 (291762) (with directory and title amendments)—Between lines 173 and 174 insert:

(7) The commission shall determine the reasonableness of rate case expenses and shall disallow all rate case expenses determined to be unreasonable. No rate case expense determined to be unreasonable shall be paid by a consumer.

(a) In determining the reasonable level of rate case expense, the commission shall consider *the following criteria as a basis for disallowing such rate case expense when the criteria are specifically raised in writing by the Public Counsel, an intervenor, or commission staff:*

1. The extent to which a utility has utilized or failed to utilize the provisions of paragraph (4)(a) or paragraph (4)(b).

2. *Whether the customers have received a material benefit as a result of the rate case.*

3. *The amount of time between each rate case.*

4. *The extent to which, at the time of the initial filing, the utility filed complete documentation as required by commission rule, including, but not limited to, minimum filing requirements.*

5. *Whether the utility's rate case filing seeks preferential benefits to shareholders, owners, or nonregulated affiliates.*

6. *The proportion of any rate increase approved by the commission as compared to the amount initially requested by the utility.*

7. *The amount of overall rate case expense incurred and requested as compared to the amount of rate increase approved by the commission.*

8. *The utility management's culpability in causing any deficiencies in the quality of service provided by the utility.*

9. ~~and~~ *Such other criteria as the commission may establish by rule.*

(b) *If any of the criteria specified under paragraph (a) are specifically contested in an evidentiary proceeding, the commission shall make*

specific findings of fact, supported by competent, substantial evidence, for each criterion and the extent to which each criterion benefits the customer. The commission may allocate the benefits between the customers and the shareholders, owners, or affiliates accordingly and may disallow rate case expense in accordance with the specific findings of fact.

And the directory clause is amended as follows:

Delete line 68 and insert:

(4) and subsection (7) are amended, subsection (8) is renumbered as subsection (10),

And the title is amended as follows:

Delete line 21 and insert: specified expense items; requiring the commission to consider certain criteria in determining the reasonableness of rate case expenses, when specifically raised in writing by certain parties; specifying standards for evidentiary proceedings involving challenges to such criteria; authorizing the commission to allocate benefits between the customers and shareholders, owners, or affiliates and to disallow rate case expense under certain circumstances; specifying the time period

Amendment 2 (108966) (with title amendment)—Delete lines 181-202 and insert:

(9) A utility may not earn a return on the unamortized balance of the rate case expense. Any unamortized balance of rate case expense shall be excluded in calculating the utility's rate base.

Section 4. Subsection (3) of section 367.0814, Florida Statutes, is amended to read:

367.0814 Staff assistance in changing rates and charges; interim rates.—

(3) The provisions of s. 367.081(1), (2)(a), and (3) shall apply in determining the utility's rates and charges. *However, the commission may not award rate case expenses to recover attorney fees or fees of other outside consultants who are engaged for the purpose of preparing or filing the case if a utility receives staff assistance in changing rates and charges pursuant to this section, unless the Office of Public Counsel or interested parties have intervened. The commission may award rate case expenses for attorney fees or fees of other outside consultants if such fees are incurred for the purpose of providing consulting or legal services to the utility after the initial staff report is made available to customers and the utility. If there is a protest or appeal by a party other than the utility, the commission may award rate case expenses to*

Amendment 1 (942260) (with title amendment)—Delete lines 14-29 and insert:

Section 1. Paragraph (e) of subsection (1) of section 1003.4156, Florida Statutes, is amended to read:

1003.4156 General requirements for middle grades promotion.—

(1) In order for a student to be promoted to high school from a school that includes middle grades 6, 7, and 8, the student must successfully complete the following courses:

(e) One course in career and education planning to be completed in 6th, 7th, or 8th grade. The course may be taught by any member of the instructional staff. At a minimum, the course must be Internet-based, easy to use, and customizable to each student and include research-based assessments to assist students in determining educational and career options and goals. In addition, the course must result in a completed personalized academic and career plan for the student, *which the student is in no way obligated to pursue*; must emphasize the importance of entrepreneurship skills; must emphasize technology or the application of technology in career fields; and, beginning in the 2014-2015 academic year, must include information from the Department of Economic Opportunity's economic security report as described in s. 445.07. The required personalized academic and career plan must inform students of high school graduation requirements, including a detailed explanation of the diploma designation options provided under s. 1003.4285; high school assessment and college entrance test requirements; Florida Bright Futures Scholarship Program requirements; state university and Florida College System institution admission requirements; available opportunities to earn college credit in high school, including Advanced Placement courses; the International Baccalaureate Program; the Advanced International Certificate of Education Program; dual enrollment, including career dual enrollment; and career education courses, including career-themed courses and courses that lead to industry certification pursuant to s. 1003.492 or s. 1008.44. *The course in career and education planning required in this paragraph may include, or a school district may develop, grade level curricula or instruction that introduces students to various careers, but the course or school district must not require any curriculum, instruction, or employment-related activity that obligates an elementary or a secondary student to involuntarily select a career, a career interest, an employment goal, or a related job training.*

Each school must inform parents about the course curriculum and activities. Each student shall complete a personal education plan that must be signed by the student and the student's parent. The Department of Education shall develop course frameworks and professional development materials for the career and education planning course. The course may be implemented as a stand-alone course or integrated into another course or courses. The Commissioner of Education shall collect longitudinal high school course enrollment data by student ethnicity in order to analyze course-taking patterns.

Section 2. Section 1003.4996, Florida Statutes, is created to read:

1003.4996 Competency-Based Education Pilot Program.—Beginning with the 2016-2017 school year, the Competency-Based Education Pilot Program is created within the Department of Education to be administered for a period of 5 years. The purpose of the pilot program is to provide an educational environment that allows students to advance to higher levels of learning upon the mastery of concepts and skills through statutory exemptions relating to student progression and the awarding of credits.

(1) *PARTICIPATION.—The P.K. Yonge Developmental Research School and the Lake, Palm Beach, Pinellas, and Seminole County School Districts may submit an application in a format prescribed by the department to participate in the pilot program. A school or school district may discontinue its participation in the pilot program at its discretion, or a student who participates in the pilot program may discontinue his or her participation in the program at the end of the current academic period and at the discretion of the student or the student's parent.*

And the title is amended as follows:

Delete lines 2-6 and insert: An act relating to the competency-based education; amending s. 1003.4156, F.S.; specifying that a student is not obligated to pursue the personalized academic and career plan; authorizing career and education planning courses to include, or school districts to develop, specified grade level curricula or instruction; prohibiting such courses or school districts from requiring certain curricula, instruction, or activities; creating s. 1003.4996, F.S.; creating the Competency-Based Education Pilot Program; providing for participa-

Senator Legg moved the following amendment which was adopted:

Amendment 1 (816310) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Paragraph (k) of subsection (4) of section 1001.7065, Florida Statutes, is amended to read:

1001.7065 Preeminent state research universities program.—

(4) **PREEMINENT STATE RESEARCH UNIVERSITY INSTITUTE FOR ONLINE LEARNING.**—A state research university that, as of July 1, 2013, meets all 12 of the academic and research excellence standards identified in subsection (2), as verified by the Board of Governors, shall establish an institute for online learning. The institute shall establish a robust offering of high-quality, fully online baccalaureate degree programs at an affordable cost in accordance with this subsection.

(k) The university shall establish a tuition structure for its online institute in accordance with this paragraph, notwithstanding any other provision of law.

1. For students classified as residents for tuition purposes, tuition for an online baccalaureate degree program shall be set at no more than 75 percent of the tuition rate as specified in the General Appropriations Act pursuant to s. 1009.24(4) and 75 percent of the tuition differential pursuant to s. 1009.24(16). No distance learning fee, fee for campus facilities, or fee for on-campus services may be assessed, except that online students shall pay the university's technology fee, financial aid fee, and Capital Improvement Trust Fund fee. The revenues generated from the Capital Improvement Trust Fund fee shall be dedicated to the university's institute for online learning.

2. For students classified as nonresidents for tuition purposes, tuition may be set at market rates in accordance with the business plan.

3. Tuition for an online degree program shall include all costs associated with instruction, materials, and enrollment, excluding costs associated with the provision of textbooks and instructional materials pursuant to s. 1004.085 and physical laboratory supplies.

4. Subject to the limitations in subparagraph 1., tuition may be differentiated by degree program as appropriate to the instructional and other costs of the program in accordance with the business plan. Pricing must incorporate innovative approaches that incentivize persistence and completion, including, but not limited to, a fee for assessment, a bundled or all-inclusive rate, and sliding scale features.

5. The university must accept advance payment contracts and student financial aid.

6. Fifty percent of the net revenues generated from the online institute of the university shall be used to enhance and enrich the online institute offerings, and 50 percent of the net revenues generated from the online institute shall be used to enhance and enrich the university's campus state-of-the-art research programs and facilities.

7. The institute may charge additional local user fees pursuant to s. 1009.24(14) upon the approval of the Board of Governors.

8. The institute shall submit a proposal to the president of the university authorizing additional user fees for the provision of voluntary student participation in activities and additional student services.

Section 2. Section 1004.084, Florida Statutes, is created to read:

1004.084 College affordability.—

(1) *The Board of Governors and the State Board of Education shall annually identify strategies to promote college affordability for all Floridians by evaluating, at a minimum, the impact of:*

(a) *Tuition and fees on undergraduate, graduate, and professional students at public colleges and universities and graduate assistants employed by public universities.*

(b) *Federal, state, and institutional financial aid policies on the actual cost of attendance for students and their families.*

(c) *The costs of textbooks and instructional materials.*

(2) *By December 31 of each year, beginning in 2016, the Board of Governors and the State Board of Education shall submit a report on their respective college affordability initiatives to the Governor, the President of the Senate, and the Speaker of the House of Representatives.*

Section 3. Section 1004.085, Florida Statutes, is amended to read:

1004.085 Textbook and instructional materials affordability.—

(1) *As used in this section, the term "instructional materials" means educational materials for use within a course which may be available in printed or digital format.*

(2)~~(1)~~ *An ~~Ne~~ employee of a Florida College System institution or state university may not demand or receive any payment, loan, subscription, advance, deposit of money, service, or anything of value, present or promised, in exchange for requiring students to purchase a specific textbook or instructional material for coursework or instruction.*

(3)~~(2)~~ *An employee may receive:*

(a) *Sample copies, instructor copies, or instructional materials. These materials may not be sold for any type of compensation if they are specifically marked as free samples not for resale.*

(b) *Royalties or other compensation from sales of textbooks or instructional materials that include the instructor's own writing or work.*

(c) *Honoraria for academic peer review of course materials.*

(d) *Fees associated with activities such as reviewing, critiquing, or preparing support materials for textbooks or instructional materials pursuant to guidelines adopted by the State Board of Education or the Board of Governors.*

(e) *Training in the use of course materials and learning technologies.*

(4) *Each Florida College System institution and state university board of trustees shall, each semester, examine the cost of textbooks and instructional materials by course and course section for all general education courses offered at the institution to identify any variance in the cost of textbooks and instructional materials among different sections of the same course and the percentage of textbooks and instructional materials that remain in use for more than one term. Courses that have a wide variance in costs among sections or that have frequent changes in textbook and instructional materials selections shall be identified and a list of such courses sent to the appropriate academic department chair for review. This subsection is repealed July 1, 2018, unless reviewed and saved from repeal through reenactment by the Legislature.*

(5) *Each Florida College System institution and state university board of trustees is authorized to adopt policies in consultation with providers, including bookstores, which allow for the use of innovative pricing techniques and payment options for textbooks and instructional materials. Such policies may include bulk pricing arrangements that enable students to purchase course materials or texts that are delivered digitally; delivered through other technologies that are, or the licenses of which are, required for use within a course; or delivered in a print format. Innovative pricing techniques and payment options must include an opt-in provision for students and may be approved only if there is documented evidence that the options reduce the cost of textbooks and instructional materials for students taking a course.*

~~(6)(9)~~ Each Florida College System institution ~~institutions~~ and state university ~~universities~~ shall post prominently in the course registration system and on its website ~~on their websites~~, as early as is feasible, but at least 45 ~~not less than 30~~ days before ~~prior to~~ the first day of class for each term, a hyperlink to lists ~~list~~ of each ~~textbook~~ required and recommended textbooks and instructional materials for at least 95 percent of all courses and ~~each~~ course sections offered at the institution during the upcoming term. The lists ~~posted list~~ must include the International Standard Book Number (ISBN) for each required and recommended textbook and instructional material or other identifying information, which must include, at a minimum, all of the following: the title, all authors listed, publishers, edition number, copyright date, published date, and other relevant information necessary to identify the specific ~~textbook or~~ textbooks or instructional materials required and recommended for each course. The State Board of Education and the Board of Governors shall include in the policies, procedures, and guidelines adopted under subsection (7) ~~(4)~~ certain limited exceptions to this notification requirement for classes added after the notification deadline.

~~(7)(4)~~ After receiving input from students, faculty, bookstores, and publishers, the State Board of Education and the Board of Governors each shall adopt textbook and instructional materials affordability policies, procedures, and guidelines for implementation by Florida College System institutions and state universities, respectively, that further efforts to minimize the cost of textbooks and instructional materials for students attending such institutions while maintaining the quality of education and academic freedom. The policies, procedures, and guidelines shall address ~~provide for the following~~:

(a) ~~The establishment of deadlines for an instructor or department to notify the bookstore of required and recommended textbooks and instructional materials so that the bookstore may verify availability, source lower cost options when practicable, explore alternatives with faculty when academically appropriate, and maximize the availability of used textbooks and instructional materials. That textbook adoptions are made with sufficient lead time to bookstores so as to confirm availability of the requested materials and, where possible, ensure maximum availability of used books.~~

(b) ~~Confirmation by the course instructor or academic department offering the course, before the textbook or instructional materials adoption is finalized. That, in the textbook adoption process, of the intent to use all items ordered, particularly each individual item sold as part of a bundled package, is confirmed by the course instructor or the academic department offering the course before the adoption is finalized.~~

(c) ~~Determination by That a course instructor or the academic department offering the course determines, before a textbook or instructional material is adopted, of the extent to which a new edition differs significantly and substantively from earlier versions and the value to the student of changing to a new edition or the extent to which an open-access textbook or instructional material is available may exist and be used.~~

~~(d) That the establishment of policies shall address~~ The availability of required and recommended textbooks and instructional materials to students otherwise unable to afford the cost, including consideration of the extent to which an open-access textbook or instructional material may be used.

(e) ~~Participation by That~~ course instructors and academic departments ~~are encouraged to participate~~ in the development, adaptation, and review of open-access textbooks and instructional materials and, in particular, open-access textbooks and instructional materials for high-demand general education courses.

(f) *Consultation with school districts to identify practices that impact the cost of dual enrollment textbooks and instructional materials to school districts, including, but not limited to, the length of time that textbooks and instructional materials remain in use.*

(g) *Selection of textbooks and instructional materials through cost-benefit analyses that enable students to obtain the highest-quality product at the lowest available price, by considering:*

1. *Purchasing digital textbooks in bulk.*

2. *Expanding the use of open-access textbooks and instructional materials.*

3. *Providing rental options for textbooks and instructional materials.*

4. *Increasing the availability and use of affordable digital textbooks and learning objects.*

5. *Developing mechanisms to assist in buying, renting, selling, and sharing textbooks and instructional materials.*

6. *The length of time that textbooks and instructional materials remain in use.*

7. *An evaluation of cost savings for textbooks and instructional materials which a student may realize if individual students are able to exercise opt-in provisions for the purchase of the materials.*

(8) *The board of trustees of each Florida College System institution and state university shall report, by September 30 of each year, beginning in 2016, to the Chancellor of the Florida College System or the Chancellor of the State University System, as applicable, the textbook and instructional materials selection process for general education courses with a wide cost variance identified pursuant to subsection (4) and high-enrollment courses; specific initiatives of the institution designed to reduce the costs of textbooks and instructional materials; policies implemented in accordance with subsection (6); the number of courses and course sections that were not able to meet the textbook and instructional materials posting deadline for the previous academic year; and any additional information determined by the chancellors. By November 1 of each year, beginning in 2016, each chancellor shall provide a summary of the information provided by institutions to the State Board of Education and the Board of Governors, as applicable.*

Section 4. Subsection (20) is added to section 1009.23, Florida Statutes, to read:

1009.23 Florida College System institution student fees.—

(20) *Each Florida College System institution shall publicly notice and notify all enrolled students of any proposal to increase tuition or fees at least 28 days before its consideration at a board of trustees meeting. The notice must:*

- (a) *Include the date and time of the meeting at which the proposal will be considered.*

- (b) *Specifically outline the details of existing tuition and fees, the rationale for the proposed increase, and how the funds from the proposed increase will be used.*

- (c) *Be posted on the institution's website and issued in a press release.*

Section 5. Paragraph (b) of subsection (4) of section 1009.24, Florida Statutes, is amended, and subsection (20) is added to that section, to read:

1009.24 State university student fees.—

(4)

- (b) ~~The Board of Governors, or the board's designee,~~ may establish tuition for graduate and professional programs, and out-of-state fees for all programs. Except as otherwise provided in this section, the sum of tuition and out-of-state fees assessed to nonresident students must be sufficient to offset the full instructional cost of serving such students. However, adjustments to out-of-state fees or tuition for graduate programs and professional programs may not exceed 15 percent in any year.

(20) *Each state university shall publicly notice and notify all enrolled students of any proposal to increase tuition or fees at least 28 days before its consideration at a board of trustees meeting. The notice must:*

- (a) *Include the date and time of the meeting at which the proposal will be considered.*

(b) *Specifically outline the details of existing tuition and fees, the rationale for the proposed increase, and how the funds from the proposed increase will be used.*

(c) *Be posted on the university's website and issued in a press release.*

Section 6. This act shall take effect July 1, 2016.

And the title is amended as follows:

Pursuant to Rule 7.1(1), there being no objection, consideration of the following late-filed amendment was allowed:

Senator Grimsley moved the following amendment:

Amendment 1 (510114) (with title amendment)—Delete every-thing after the enacting clause and insert:

Section 1. Section 394.453, Florida Statutes, is amended to read:

394.453 Legislative intent.—It is the intent of the Legislature to authorize and direct the Department of Children and Families to evaluate, research, plan, and recommend to the Governor and the Legislature programs designed to reduce the occurrence, severity, duration, and disabling aspects of mental, emotional, and behavioral disorders. It is the intent of the Legislature that treatment programs for such disorders shall include, but not be limited to, comprehensive health, social, educational, and rehabilitative services to persons requiring intensive short-term and continued treatment in order to encourage them to assume responsibility for their treatment and recovery. It is intended that such persons be provided with emergency service and temporary detention for evaluation when required; that they be admitted to treatment facilities on a voluntary basis when extended or continuing care is needed and unavailable in the community; that involuntary placement be provided only when expert evaluation determines that it is necessary; that any involuntary treatment or examination be accomplished in a setting which is clinically appropriate and most likely to facilitate the person’s return to the community as soon as possible; and that individual dignity and human rights be guaranteed to all persons who are admitted to mental health facilities or who are being held under s. 394.463. It is the further intent of the Legislature that the least restrictive means of intervention be employed based on the individual needs of each person, within the scope of available services. It is the policy of this state that the use of restraint and seclusion on clients is justified only as an emergency safety measure to be used in response to imminent danger to the client or others. It is, therefore, the intent of the Legislature to achieve an ongoing reduction in the use of restraint and seclusion in programs and facilities serving persons with mental illness. *The Legislature further finds the need for additional psychiatrists to be of critical state concern and recommends the establishment of an additional psychiatry program to be offered by one of Florida’s schools of medicine currently not offering psychiatry. The program shall seek to integrate primary care and psychiatry and other evolving models of care for persons with mental health and substance use disorders. Additionally, the Legislature finds that the use of telemedicine for patient evaluation, case management, and ongoing care will improve management of patient care and reduce costs of transportation.*

Section 2. Subsection (2) of section 394.467, Florida Statutes, is amended to read:

394.467 Involuntary inpatient placement.—

(2) ADMISSION TO A TREATMENT FACILITY.—A patient may be retained by a receiving facility or involuntarily placed in a treatment facility upon the recommendation of the administrator of the receiving facility where the patient has been examined and after adherence to the notice and hearing procedures provided in s. 394.4599. The recommendation must be supported by the opinion of a psychiatrist and the second opinion of a clinical psychologist or another psychiatrist, both of whom have personally examined the patient within the preceding 72 hours, that the criteria for involuntary inpatient placement are met. However, in a county that has a population of fewer than 50,000, if the administrator certifies that a psychiatrist or clinical psychologist is not available to provide the second opinion, the second opinion may be provided by a licensed physician who has postgraduate training and experience in diagnosis and treatment of mental and nervous disorders or by a psychiatric nurse. Any ~~second~~ opinion authorized in this subsection may be conducted through a face-to-face examination, in person or by electronic means. Such recommendation shall be entered on an involuntary inpatient placement certificate that authorizes the receiving facility to retain the patient pending transfer to a treatment facility or completion of a hearing.

Section 3. Paragraphs (e) and (f) of subsection (1) and paragraph (b) of subsection (4) of section 397.451, Florida Statutes, are amended to read:

397.451 Background checks of service provider personnel.—

(1) PERSONNEL BACKGROUND CHECKS; REQUIREMENTS AND EXCEPTIONS.—

(e) Personnel employed directly or under contract with the Department of Corrections in an inmate substance abuse program ~~who have direct contact with unmarried inmates under the age of 18 or with inmates who are developmentally disabled~~ are exempt from the fin-

gerprinting and background check requirements of this section *unless they have direct contact with unmarried inmates under the age of 18 or with inmates who are developmentally disabled.*

(f) Service provider personnel who request an exemption from disqualification must submit the request within 30 days after being notified of the disqualification. *If 5 years or more have elapsed since the most recent disqualifying offense, service provider personnel may work with adults with substance use disorders under the supervision of a qualified professional licensed under chapter 490 or chapter 491 or a master's level certified addiction professional until the agency makes a final determination regarding the request for an exemption from disqualification. Upon notification of the disqualification, the service provider shall comply with requirements regarding exclusion from employment in s. 435.06.*

(4) EXEMPTIONS FROM DISQUALIFICATION.—

(b) Since rehabilitated substance abuse impaired persons are effective in the successful treatment and rehabilitation of *individuals with substance use disorders* ~~substance abuse impaired adolescents~~, for service providers which treat adolescents 13 years of age and older, service provider personnel whose background checks indicate crimes under s. 817.563, s. 893.13, or s. 893.147 may be exempted from disqualification from employment pursuant to this paragraph.

Section 4. This act shall take effect upon becoming a law.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to behavioral health workforce; amending s. 394.453, F.S.; revising legislative intent; amending s. 394.467, F.S.; revising procedures for recommending admission of a patient to a treatment facility; amending s. 397.451, F.S.; revising provisions relating to personnel background checks and exemptions from disqualification for certain service provider personnel; providing an effective date.

Pursuant to Rule 7.1(1), there being no objection, consideration of the following late-filed amendments was allowed:

Senator Grimsley moved the following amendments to **Amendment 1 (510114)** which were adopted:

Amendment 1A (746206) (with title amendment)—Delete line 62 and insert: However, ~~in a county that has a population of fewer than 50,000,~~

And the title is amended as follows:

Delete line 118 and insert: intent; amending s. 394.467, F.S.; authorizing a second opinion for admission to a treatment facility to be provided by certain licensed physicians in all counties, rather than counties with a specified population size; revising procedures

Amendment 1B (654244) (with title amendment)—Between lines 108 and 109 insert:

Section 4. Paragraph (g) is added to subsection (1) of section 456.44, Florida Statutes, and subsections (2) and (3) of that section are amended, to read:

456.44 Controlled substance prescribing.—

(1) DEFINITIONS.—*As used in this section, the term:*

(g) *“Registrant” means a physician who meets the requirements of subsection (2).*

(2) REGISTRATION.—~~Effective January 1, 2012,~~ A physician licensed under chapter 458, chapter 459, chapter 461, or chapter 466 who prescribes any controlled substance, listed in Schedule II, Schedule III, or Schedule IV as defined in s. 893.03, for the treatment of chronic nonmalignant pain, must:

(a) Designate himself or herself as a controlled substance prescribing practitioner on ~~his or her~~ ~~the physician's~~ practitioner profile.

(b) Comply with the requirements of this section and applicable board rules.

(3) STANDARDS OF PRACTICE.—The standards of practice in this section do not supersede the level of care, skill, and treatment recognized in general law related to health care licensure.

(a) A complete medical history and a physical examination must be conducted before beginning any treatment and must be documented in the medical record. The exact components of the physical examination shall be left to the judgment of the ~~registrant clinician~~ who is expected to perform a physical examination proportionate to the diagnosis that justifies a treatment. The medical record must, at a minimum, document the nature and intensity of the pain, current and past treatments for pain, underlying or coexisting diseases or conditions, the effect of the pain on physical and psychological function, a review of previous medical records, previous diagnostic studies, and history of alcohol and substance abuse. The medical record shall also document the presence of one or more recognized medical indications for the use of a controlled substance. Each registrant must develop a written plan for assessing each patient's risk of aberrant drug-related behavior, which may include patient drug testing. Registrants must assess each patient's risk for aberrant drug-related behavior and monitor that risk on an ongoing basis in accordance with the plan.

(b) Each registrant must develop a written individualized treatment plan for each patient. The treatment plan shall state objectives that will be used to determine treatment success, such as pain relief and improved physical and psychosocial function, and shall indicate if any further diagnostic evaluations or other treatments are planned. After treatment begins, the ~~registrant physician~~ shall adjust drug therapy to the individual medical needs of each patient. Other treatment modalities, including a rehabilitation program, shall be considered depending on the etiology of the pain and the extent to which the pain is associated with physical and psychosocial impairment. The interdisciplinary nature of the treatment plan shall be documented.

(c) The ~~registrant physician~~ shall discuss the risks and benefits of the use of controlled substances, including the risks of abuse and addiction, as well as physical dependence and its consequences, with the patient, persons designated by the patient, or the patient's surrogate or guardian if the patient is incompetent. The ~~registrant physician~~ shall use a written controlled substance agreement between the ~~registrant physician~~ and the patient outlining the patient's responsibilities, including, but not limited to:

1. Number and frequency of controlled substance prescriptions and refills.
2. Patient compliance and reasons for which drug therapy may be discontinued, such as a violation of the agreement.
3. An agreement that controlled substances for the treatment of chronic nonmalignant pain shall be prescribed by a single treating ~~registrant physician~~ unless otherwise authorized by the treating ~~registrant physician~~ and documented in the medical record.

(d) The patient shall be seen by the ~~registrant physician~~ at regular intervals, not to exceed 3 months, to assess the efficacy of treatment, ensure that controlled substance therapy remains indicated, evaluate the patient's progress toward treatment objectives, consider adverse drug effects, and review the etiology of the pain. Continuation or modification of therapy shall depend on the ~~registrant's physician's~~ evaluation of the patient's progress. If treatment goals are not being achieved, despite medication adjustments, the ~~registrant physician~~ shall reevaluate the appropriateness of continued treatment. The ~~registrant physician~~ shall monitor patient compliance in medication usage, related treatment plans, controlled substance agreements, and indications of substance abuse or diversion at a minimum of 3-month intervals.

(e) The ~~registrant physician~~ shall refer the patient as necessary for additional evaluation and treatment in order to achieve treatment objectives. Special attention shall be given to those patients who are at risk for misusing their medications and those whose living arrangements pose a risk for medication misuse or diversion. The management of pain in patients with a history of substance abuse or with a comorbid psychiatric disorder requires extra care, monitoring, and documenta-

tion and requires consultation with or referral to an addiction medicine specialist or a psychiatrist.

(f) A ~~registrant physician registered under this section~~ must maintain accurate, current, and complete records that are accessible and readily available for review and comply with the requirements of this section, the applicable practice act, and applicable board rules. The medical records must include, but are not limited to:

1. The complete medical history and a physical examination, including history of drug abuse or dependence.
2. Diagnostic, therapeutic, and laboratory results.
3. Evaluations and consultations.
4. Treatment objectives.
5. Discussion of risks and benefits.
6. Treatments.
7. Medications, including date, type, dosage, and quantity prescribed.
8. Instructions and agreements.
9. Periodic reviews.
10. Results of any drug testing.
11. A photocopy of the patient's government-issued photo identification.
12. If a written prescription for a controlled substance is given to the patient, a duplicate of the prescription.
13. The ~~registrant's physician's~~ full name presented in a legible manner.

(g) A ~~registrant shall immediately refer~~ patients with signs or symptoms of substance abuse ~~shall be immediately referred~~ to a board-certified pain management physician, an addiction medicine specialist, or a mental health addiction facility as it pertains to drug abuse or addiction unless the ~~registrant is a physician who~~ is board-certified or board-eligible in pain management. Throughout the period of time before receiving the consultant's report, a prescribing ~~registrant physician~~ shall clearly and completely document medical justification for continued treatment with controlled substances and those steps taken to ensure medically appropriate use of controlled substances by the patient. Upon receipt of the consultant's written report, the prescribing ~~registrant physician~~ shall incorporate the consultant's recommendations for continuing, modifying, or discontinuing controlled substance therapy. The resulting changes in treatment shall be specifically documented in the patient's medical record. Evidence or behavioral indications of diversion shall be followed by discontinuation of controlled substance therapy, and the patient shall be discharged, and all results of testing and actions taken by the ~~registrant physician~~ shall be documented in the patient's medical record.

This subsection does not apply to a board-eligible or board-certified anesthesiologist, psychiatrist, rheumatologist, or neurologist, or to a board-certified physician who has surgical privileges at a hospital or ambulatory surgery center and primarily provides surgical services. This subsection does not apply to a board-eligible or board-certified medical specialist who has also completed a fellowship in pain medicine approved by the Accreditation Council for Graduate Medical Education or the American Osteopathic Association, or who is board eligible or board certified in pain medicine by the American Board of Pain Medicine, the American Board of Interventional Pain Physicians, the American Association of Physician Specialists, or a board approved by the American Board of Medical Specialties or the American Osteopathic Association and performs interventional pain procedures of the type routinely billed using surgical codes. This subsection does not apply to a ~~registrant physician~~ who prescribes medically necessary controlled substances for a patient during an inpatient stay in a hospital licensed under chapter 395.

Section 5. Paragraph (b) of subsection (2) of section 458.3265, Florida Statutes, is amended to read:

458.3265 Pain-management clinics.—

(2) PHYSICIAN RESPONSIBILITIES.—These responsibilities apply to any physician who provides professional services in a pain-management clinic that is required to be registered in subsection (1).

(b) ~~Only a person may not dispense any medication on the premises of a registered pain management clinic unless he or she is a physician licensed under this chapter or chapter 459 may dispense medication or prescribe a controlled substance regulated under chapter 893 on the premises of a registered pain-management clinic.~~

Section 6. Paragraph (b) of subsection (2) of section 459.0137, Florida Statutes, is amended to read:

459.0137 Pain-management clinics.—

(2) PHYSICIAN RESPONSIBILITIES.—These responsibilities apply to any osteopathic physician who provides professional services in a pain-management clinic that is required to be registered in subsection (1).

(b) ~~Only a person may not dispense any medication on the premises of a registered pain management clinic unless he or she is a physician licensed under this chapter or chapter 458 may dispense medication or prescribe a controlled substance regulated under chapter 893 on the premises of a registered pain-management clinic.~~

Section 7. Section 464.012, Florida Statutes, is amended to read:

464.012 Certification of advanced registered nurse practitioners; fees.—

(1) Any nurse desiring to be certified as an advanced registered nurse practitioner shall apply to the department and submit proof that he or she holds a current license to practice professional nursing and that he or she meets one or more of the following requirements as determined by the board:

(a) Satisfactory completion of a formal postbasic educational program of at least one academic year, the primary purpose of which is to prepare nurses for advanced or specialized practice.

(b) Certification by an appropriate specialty board. Such certification shall be required for initial state certification and any recertification as a registered nurse anesthetist, *psychiatric nurse*, or nurse midwife. The board may by rule provide for provisional state certification of graduate nurse anesthetists, *psychiatric nurses*, and nurse midwives for a period of time determined to be appropriate for preparing for and passing the national certification examination.

(c) Graduation from a program leading to a master's degree in a nursing clinical specialty area with preparation in specialized practitioner skills. For applicants graduating on or after October 1, 1998, graduation from a master's degree program shall be required for initial certification as a nurse practitioner under paragraph (4)(c). For applicants graduating on or after October 1, 2001, graduation from a master's degree program shall be required for initial certification as a registered nurse anesthetist under paragraph (4)(a).

(2) The board shall provide by rule the appropriate requirements for advanced registered nurse practitioners in the categories of certified registered nurse anesthetist, certified nurse midwife, and nurse practitioner.

(3) An advanced registered nurse practitioner shall perform those functions authorized in this section within the framework of an established protocol that is filed with the board upon biennial license renewal and within 30 days after entering into a supervisory relationship with a physician or changes to the protocol. The board shall review the protocol to ensure compliance with applicable regulatory standards for protocols. The board shall refer to the department licensees submitting protocols that are not compliant with the regulatory standards for protocols. A practitioner currently licensed under chapter 458, chapter 459, or chapter 466 shall maintain supervision for directing the specific course

of medical treatment. Within the established framework, an advanced registered nurse practitioner may:

- (a) Monitor and alter drug therapies.
- (b) Initiate appropriate therapies for certain conditions.
- (c) Perform additional functions as may be determined by rule in accordance with s. 464.003(2).
- (d) Order diagnostic tests and physical and occupational therapy.
- (4) In addition to the general functions specified in subsection (3), an advanced registered nurse practitioner may perform the following acts within his or her specialty:

(a) The certified registered nurse anesthetist may, to the extent authorized by established protocol approved by the medical staff of the facility in which the anesthetic service is performed, perform any or all of the following:

1. Determine the health status of the patient as it relates to the risk factors and to the anesthetic management of the patient through the performance of the general functions.
2. Based on history, physical assessment, and supplemental laboratory results, determine, with the consent of the responsible physician, the appropriate type of anesthesia within the framework of the protocol.
3. Order under the protocol preanesthetic medication.
4. Perform under the protocol procedures commonly used to render the patient insensible to pain during the performance of surgical, obstetrical, therapeutic, or diagnostic clinical procedures. These procedures include ordering and administering regional, spinal, and general anesthesia; inhalation agents and techniques; intravenous agents and techniques; and techniques of hypnosis.
5. Order or perform monitoring procedures indicated as pertinent to the anesthetic health care management of the patient.
6. Support life functions during anesthesia health care, including induction and intubation procedures, the use of appropriate mechanical supportive devices, and the management of fluid, electrolyte, and blood component balances.
7. Recognize and take appropriate corrective action for abnormal patient responses to anesthesia, adjunctive medication, or other forms of therapy.
8. Recognize and treat a cardiac arrhythmia while the patient is under anesthetic care.
9. Participate in management of the patient while in the post-anesthesia recovery area, including ordering the administration of fluids and drugs.
10. Place special peripheral and central venous and arterial lines for blood sampling and monitoring as appropriate.

(b) The certified nurse midwife may, to the extent authorized by an established protocol which has been approved by the medical staff of the health care facility in which the midwifery services are performed, or approved by the nurse midwife's physician backup when the delivery is performed in a patient's home, perform any or all of the following:

1. Perform superficial minor surgical procedures.
2. Manage the patient during labor and delivery to include amiotomy, episiotomy, and repair.
3. Order, initiate, and perform appropriate anesthetic procedures.
4. Perform postpartum examination.
5. Order appropriate medications.
6. Provide family-planning services and well-woman care.

7. Manage the medical care of the normal obstetrical patient and the initial care of a newborn patient.

(c) The nurse practitioner may perform any or all of the following acts within the framework of established protocol:

1. Manage selected medical problems.
2. Order physical and occupational therapy.
3. Initiate, monitor, or alter therapies for certain uncomplicated acute illnesses.
4. Monitor and manage patients with stable chronic diseases.
5. Establish behavioral problems and diagnosis and make treatment recommendations.

(5) *A psychiatric nurse, as defined in s. 394.455, within the framework of an established protocol with a psychiatrist, may prescribe psychotropic controlled substances for the treatment of mental disorders.*

(6) The board shall certify, and the department shall issue a certificate to, any nurse meeting the qualifications in this section. The board shall establish an application fee not to exceed \$100 and a biennial renewal fee not to exceed \$50. The board is authorized to adopt such other rules as are necessary to implement the provisions of this section.

Section 8. Paragraph (p) is added to subsection (1) of section 464.018, Florida Statutes, and subsection (2) of that section is republished, to read:

464.018 Disciplinary actions.—

(1) The following acts constitute grounds for denial of a license or disciplinary action, as specified in s. 456.072(2):

(p) *For a psychiatric nurse:*

1. *Presigning blank prescription forms.*
2. *Prescribing for office use any medicinal drug appearing in Schedule II of s. 893.03.*
3. *Prescribing, ordering, dispensing, administering, supplying, selling, or giving a drug that is an amphetamine, a sympathomimetic amine drug, or a compound designated in s. 893.03(2) as a Schedule II controlled substance, to or for any person except for:*
 - a. *The treatment of narcolepsy; hyperkinesia; behavioral syndrome in children characterized by the developmentally inappropriate symptoms of moderate to severe distractibility, short attention span, hyperactivity, emotional lability, and impulsivity; or drug-induced brain dysfunction.*
 - b. *The differential diagnostic psychiatric evaluation of depression or the treatment of depression shown to be refractory to other therapeutic modalities.*
 - c. *The clinical investigation of the effects of such drugs or compounds when an investigative protocol is submitted to, reviewed by, and approved by the department before such investigation is begun.*

4. *Prescribing, ordering, dispensing, administering, supplying, selling, or giving growth hormones, testosterone or its analogs, human chorionic gonadotropin (HCG), or other hormones for the purpose of muscle building or to enhance athletic performance. As used in this subparagraph, the term "muscle building" does not include the treatment of injured muscle. A prescription written for the drug products identified in this subparagraph may be dispensed by a pharmacist with the presumption that the prescription is for legitimate medical use.*

5. *Promoting or advertising on any prescription form a community pharmacy unless the form also states: "This prescription may be filled at any pharmacy of your choice."*

6. *Prescribing, dispensing, administering, mixing, or otherwise preparing a legend drug, including a controlled substance, other than in the course of his or her professional practice. For the purposes of this subparagraph, it is legally presumed that prescribing, dispensing, administering, mixing, or otherwise preparing legend drugs, including all*

controlled substances, inappropriately or in excessive or inappropriate quantities is not in the best interest of the patient and is not in the course of the advanced registered nurse practitioner's professional practice, without regard to his or her intent.

7. *Prescribing, dispensing, or administering a medicinal drug appearing on any schedule set forth in chapter 893 to himself or herself, except a drug prescribed, dispensed, or administered to the psychiatric nurse by another practitioner authorized to prescribe, dispense, or administer medicinal drugs.*

8. *Prescribing, ordering, dispensing, administering, supplying, selling, or giving amygdalin (laetrile) to any person.*

9. *Dispensing a substance designated in s. 893.03(2) or (3) as a substance controlled in Schedule II or Schedule III, respectively, in violation of s. 465.0276.*

10. *Promoting or advertising through any communication medium the use, sale, or dispensing of a substance designated in s. 893.03 as a controlled substance.*

(2) The board may enter an order denying licensure or imposing any of the penalties in s. 456.072(2) against any applicant for licensure or licensee who is found guilty of violating any provision of subsection (1) of this section or who is found guilty of violating any provision of s. 456.072(1).

Section 9. Subsection (21) of section 893.02, Florida Statutes, is amended to read:

893.02 Definitions.—The following words and phrases as used in this chapter shall have the following meanings, unless the context otherwise requires:

(21) "Practitioner" means a physician licensed pursuant to chapter 458, a dentist licensed pursuant to chapter 466, a veterinarian licensed pursuant to chapter 474, an osteopathic physician licensed pursuant to chapter 459, a naturopath licensed pursuant to chapter 462, a certified optometrist licensed pursuant to chapter 463, *a psychiatric nurse as defined in s. 394.455*, or a podiatric physician licensed pursuant to chapter 461, provided such practitioner holds a valid federal controlled substance registry number.

And the title is amended as follows:

Delete line 123 and insert: provider personnel; amending s. 456.44, F.S.; defining the term "registrant"; requiring psychiatric nurses to make certain designations and comply with certain requirements under specified circumstances; amending s. 458.3265, F.S.; restricting to physicians the authorization to dispense certain medications or prescribe certain controlled substances on the premises of a registered pain-management clinic; amending s. 459.0137, F.S.; restricting to osteopathic physicians the authorization to dispense certain medications or prescribe certain controlled substances on the premises of a registered pain-management clinic; amending s. 464.012, F.S.; providing certification criteria for psychiatric nurses; authorizing psychiatric nurses to prescribe certain psychotropic controlled substances under certain circumstances; amending s. 464.018, F.S.; providing that certain acts by a psychiatric nurse constitute grounds for denial of a license or disciplinary action; amending s. 893.02, F.S.; revising the definition of the term "practitioner"; providing an effective date.

PRAYER

The following prayer was offered by Major Timothy Gilliam, Area Commander of the Salvation Army of Lee, Hendry, and Glades Counties:

Mighty God, we gather here today with our hearts filled with thanks and gratitude for the blessings you continually bestow upon us. You have endowed our state and its people with your provision, resources, and protection. We acknowledge you as the creator and sustainer of all things.

As this particular session of the state legislature draws to a conclusion, continue to guide and inspire our lawmakers who represent us in times of prosperity, as well as in times when tough decisions are necessary. Give them the wisdom to take actions that preserve the dignity of all our citizens.

Continually lead our Governor, Senators, and Representatives. Help them to remember the poor, the needy, the elderly, and the disenfranchised. Give them discernment when it comes to providing opportunities for those lacking employment and vital necessities for daily living. We pray that Florida's best days are ahead of us and not behind us, and we understand this can only happen by your leading.

Help us to be people of peace and of justice. Help us to be a positive example for the rest of the nation and not an embarrassment. May our state be a bright light in a world that, at times, seems to be getting darker. Teach us to love all that is good and to shun all that is evil.

Guide and bless the men and women of this chamber. Remind them, not only of the gravity of their positions, but also of the fact that you can make their burden lighter. Grant each of them your strength and encouragement. For we ask all these things in your name. Amen.

PLEDGE

Senate Pages, Reece Poppell of Tallahassee; Aaron Denys of Port Orange; and Emily Smith of Riverview, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

DOCTOR OF THE DAY

The President recognized Dr. Dennis F. Saver of Vero Beach, sponsored by Senator Negron, as the doctor of the day. Dr. Saver specializes in family medicine.

MESSAGES FROM THE HOUSE OF REPRESENTATIVES

The Honorable Andy Gardiner, President

I am directed to inform the Senate that the House of Representatives has passed CS/SB 1288, with 1 amendment, and requests the concurrence of the Senate.

Bob Ward, Clerk

CS for SB 1288—A bill to be entitled An act relating to emergency management; amending s. 252.34, F.S.; defining the term "activate" for purposes of part I of ch. 252, F.S.; amending ss. 163.360, 474.2125, and 627.659, F.S.; conforming cross-references; providing an effective date.

House Amendment 1 (176719) (with title amendment)—Between lines 18 and 19, insert:

Section 2. Section 252.359, Florida Statutes, is created to read:

252.359 *Ensuring availability of emergency supplies.*—

(1) *In order to meet the needs of residents affected during a declared emergency and to ensure the continuing economic resilience of communities impacted by disaster, the division shall establish a statewide system to facilitate the transport and distribution of essentials in commerce.*

(2) *As used in this section, the term "essentials" means goods that are consumed or used as a direct result of a declared emergency, or that are consumed or used to preserve, protect, or sustain life, health, safety, or economic well-being.*

(3) *The division shall develop a system to certify each person who facilitates the transport or distribution of essentials in commerce. The division may not certify a person other than a person who routinely transports or distributes essentials. In developing the system, the division:*

(a) *May provide for a preemergency or postemergency declaration certification.*

(b) *Shall allow the certification of an employer, if requested by the employer, to constitute a certification of the employer's employees.*

(c) *Shall create an easily recognizable indicium of certification to assist local officials' efforts in determining which persons have been certified under this subsection.*

(d) *Shall limit the duration of each certificate to no more than 1 year. Each certificate may be renewed so long as the criteria for certification are met.*

(4) *A person or employer certified under subsection (3) is not required to obtain any additional certification or fulfill any additional requirement to transport or distribute essentials.*

(5) *Notwithstanding any curfew, a person or employer certified under subsection (3) may enter or remain in the curfew area for the limited purpose of facilitating the transport or distribution of essentials and may provide service that exceeds otherwise applicable hours of service maximums to the extent authorized by a duly executed declaration of a state of emergency.*

(6) *This section does not prohibit a law enforcement officer from specifying the permissible route of ingress or egress for a person certified under subsection (3).*

And the title is amended as follows:

Remove line 4 and insert: purposes of part I of ch. 252, F.S.; creating s. 252.359, F.S.; directing the Division of Emergency Management to create a statewide system to facilitate the transport and distribution of essentials in commerce during a declared emergency; defining the term "essentials"; directing the division to create a certification system for persons transporting or distributing essentials in commerce; providing requirements and conditions for the certification system; permitting certain activities by certified persons during a curfew; authorizing a law enforcement officer to specify a permissible route of ingress or egress for a certified person; amending ss.

On motion by Senator Richter, the Senate concurred in the House amendment.

CS for SB 1288 passed, as amended, was ordered engrossed, and then enrolled. The action of the Senate was certified to the House. The vote on passage was:

The Honorable Andy Gardiner, President

I am directed to inform the Senate that the House of Representatives has passed CS/CS/SB 698, with 1 amendment, and requests the concurrence of the Senate.

Bob Ward, Clerk

CS for CS for SB 698—A bill to be entitled An act relating to alcoholic beverages and tobacco; amending s. 210.13, F.S.; revising applicability to include other persons who may be subject to a determination of tax on failure to file and return; amending s. 218.32, F.S.; requiring local governmental entities to include revenues derived from the use of temporary alcoholic beverage permits in annual financial reports; amending s. 561.01, F.S.; defining the term "railroad transit station"; amending s. 561.20, F.S.; providing that a license must be revoked or a pending application must be denied under certain circumstances; providing that certain licensees or applicants are not eligible to have an interest in a subsequent license under certain circumstances for a specified timeframe; amending s. 561.29, F.S.; requiring the division to grant a one-time written waiver or extension of certain requirements to specified licensees; revising the circumstances under which a licensee may seek and the division may grant a waiver or extension of the requirements; creating s. 561.4205, F.S.; requiring an alcoholic beverage distributor to charge a deposit for certain alcoholic beverage sales; providing an inventory and reconciliation process as an accounting alternative for specified vendors; providing an inventory and reconciliation process for malt beverage kegs; amending s. 561.422, F.S.; authorizing the division to issue temporary permits to municipalities and counties to sell alcoholic beverages for consumption on the premises of an event; authorizing the director of the division to issue more than three permits per calendar year under certain circumstances; providing conditions for such permits; requiring certain municipalities and counties to properly store and secure unconsumed alcoholic beverages; amending s. 563.06, F.S.; revising requirements for certain vendors to be authorized to fill or refill a growler; revising which licensed vendors may fill or refill a growler; amending s. 565.02, F.S.; authorizing vendors in railroad transit stations to obtain licenses to keep and sell alcoholic beverages; prohibiting a municipality or county from requiring an additional license or levying a tax to sell certain beverages; revising the locations where certain beverages may be sold; providing liquor bottle size restrictions for railroad transit stations; prohibiting the transfer of certain licenses; requiring operators of railroads and sleeping cars to keep separate certain alcoholic beverages; amending s. 565.04, F.S.; authorizing a licensed distributor to transport alcoholic beverages through certain premises under specified circumstances; providing an effective date.

House Amendment 1 (023647) (with title amendment)—Remove everything after the enacting clause and insert:

Section 1. Section 210.13, Florida Statutes, is amended to read:

210.13 *Determination of tax on failure to file a return.*—If a dealer or other person required to remit the tax under this part fails to file any return required under this part, or having filed an incorrect or insufficient return, fails to file a correct or sufficient return, as the case

may require, within 10 days after the giving of notice to the dealer by the Division of Alcoholic Beverages and Tobacco that such return or corrected or sufficient return is required, the division shall determine the amount of tax due by such dealer any time within 3 years after the making of the earliest sale included in such determination and give written notice of such determination to such dealer. Such a determination shall finally and irrevocably fix the tax unless the dealer against whom it is assessed shall, within 30 days after the giving of notice of such determination, apply to the division for a hearing. Judicial review shall not be granted unless the amount of tax stated in the decision, with penalties thereon, if any, shall have been first deposited with the division, and an undertaking or bond filed in the court in which such cause may be pending in such amount and with such sureties as the court shall approve, conditioned that if such proceeding be dismissed or the decision of the division confirmed, the applicant for review will pay all costs and charges which may accrue against the applicant in the prosecution of the proceeding. At the option of the applicant, such undertaking or bond may be in an additional sum sufficient to cover the tax, penalties, costs, and charges aforesaid, in which event the applicant shall not be required to pay such tax and penalties precedent to the granting of such review by such court.

Section 2. Subsection (22) is added to section 561.01, Florida Statutes, to read:

561.01 Definitions.—As used in the Beverage Law:

(22) “Railroad transit station” means a platform or a terminal facility where passenger trains operating on a guided rail system according to a fixed schedule between two or more cities regularly stop to load and unload passengers or goods. The term includes a passenger waiting lounge and dining, retail, entertainment, or recreational facilities within the licensed premises owned or leased by the railroad operator or owner.

Section 3. Paragraph (a) of subsection (2) of section 561.20, Florida Statutes, is amended to read:

561.20 Limitation upon number of licenses issued.—

(2)(a) ~~The No such limitation of the number of licenses as herein provided in this section does not shall henceforth~~ prohibit the issuance of a special license to:

1. Any bona fide hotel, motel, or motor court of not fewer than 80 guest rooms in any county having a population of less than 50,000 residents, and of not fewer than 100 guest rooms in any county having a population of 50,000 residents or greater; or any bona fide hotel or motel located in a historic structure, as defined in s. 561.01(21), with fewer than 100 guest rooms which derives at least 51 percent of its gross revenue from the rental of hotel or motel rooms, which is licensed as a public lodging establishment by the Division of Hotels and Restaurants; provided, however, that a bona fide hotel or motel with no fewer than 10 and no more than 25 guest rooms which is a historic structure, as defined in s. 561.01(21), in a municipality that on the effective date of this act has a population, according to the University of Florida’s Bureau of Economic and Business Research Estimates of Population for 1998, of no fewer than 25,000 and no more than 35,000 residents and that is within a constitutionally chartered county may be issued a special license. This special license shall allow the sale and consumption of alcoholic beverages only on the licensed premises of the hotel or motel. In addition, the hotel or motel must derive at least 60 percent of its gross revenue from the rental of hotel or motel rooms and the sale of food and nonalcoholic beverages; provided that the provisions of this subparagraph shall supersede local laws requiring a greater number of hotel rooms;

2. Any condominium accommodation of which no fewer than 100 condominium units are wholly rentable to transients and which is licensed under the provisions of chapter 509, except that the license shall be issued only to the person or corporation which operates the hotel or motel operation and not to the association of condominium owners;

3. Any condominium accommodation of which no fewer than 50 condominium units are wholly rentable to transients, which is licensed under the provisions of chapter 509, and which is located in any county having home rule under s. 10 or s. 11, Art. VIII of the State Constitution of 1885, as amended, and incorporated by reference in s. 6(e), Art. VIII of the State Constitution, except that the license shall be issued only to

the person or corporation which operates the hotel or motel operation and not to the association of condominium owners;

4. ~~A food service establishment that has Any restaurant having 2,500 square feet of service area, is and equipped to serve meals to 150 persons full course meals at tables at one time, and derives deriving at least 51 percent of its gross food and beverage revenue from the sale of food and nonalcoholic beverages during the first 60-day operating period and each 12-month operating period thereafter. A food service establishment; however, no restaurant granted a special license on or after January 1, 1958, pursuant to general or special law may not shall operate as a package store and may not sell, nor shall intoxicating beverages be sold under such license after the hours of serving or consumption of food have elapsed. Failure by a licensee to meet the required percentage of food and nonalcoholic beverage gross revenues during the covered operating period shall result in revocation of the license or denial of the pending license application. A licensee whose license is revoked or an applicant whose pending application is denied, or any person required to qualify on the special license application, is ineligible to have any interest in a subsequent application for such a license for a period of 120 days after the date of the final denial or revocation; or~~

5. Any caterer, deriving at least 51 percent of its gross revenue from the sale of food and nonalcoholic beverages, licensed by the Division of Hotels and Restaurants under chapter 509. Notwithstanding any other provision of law to the contrary, a licensee under this subparagraph shall sell or serve alcoholic beverages only for consumption on the premises of a catered event at which the licensee is also providing prepared food, and shall prominently display its license at any catered event at which the caterer is selling or serving alcoholic beverages. A licensee under this subparagraph shall purchase all alcoholic beverages it sells or serves at a catered event from a vendor licensed under s. 563.02(1), s. 564.02(1), or licensed under s. 565.02(1) subject to the limitation imposed in subsection (1), as appropriate. A licensee under this subparagraph may not store any alcoholic beverages to be sold or served at a catered event. Any alcoholic beverages purchased by a licensee under this subparagraph for a catered event that are not used at that event must remain with the customer; provided that if the vendor accepts unopened alcoholic beverages, the licensee may return such alcoholic beverages to the vendor for a credit or reimbursement. Regardless of the county or counties in which the licensee operates, a licensee under this subparagraph shall pay the annual state license tax set forth in s. 565.02(1)(b). A licensee under this subparagraph must maintain for a period of 3 years all records required by the department by rule to demonstrate compliance with the requirements of this subparagraph, including licensed vendor receipts for the purchase of alcoholic beverages and records identifying each customer and the location and date of each catered event. Notwithstanding any provision of law to the contrary, any vendor licensed under s. 565.02(1) subject to the limitation imposed in subsection (1), may, without any additional licensure under this subparagraph, serve or sell alcoholic beverages for consumption on the premises of a catered event at which prepared food is provided by a caterer licensed under chapter 509. If a licensee under this subparagraph also possesses any other license under the Beverage Law, the license issued under this subparagraph shall not authorize the holder to conduct activities on the premises to which the other license or licenses apply that would otherwise be prohibited by the terms of that license or the Beverage Law. Nothing in this section shall permit the licensee to conduct activities that are otherwise prohibited by the Beverage Law or local law. The Division of Alcoholic Beverages and Tobacco is hereby authorized to adopt rules to administer the license created in this subparagraph, to include rules governing licensure, recordkeeping, and enforcement. The first \$300,000 in fees collected by the division each fiscal year pursuant to this subparagraph shall be deposited in the Department of Children and Families’ Operations and Maintenance Trust Fund to be used only for alcohol and drug abuse education, treatment, and prevention programs. The remainder of the fees collected shall be deposited into the Hotel and Restaurant Trust Fund created pursuant to s. 509.072.

However, any license heretofore issued to any such hotel, motel, motor court, or restaurant or hereafter issued to any such hotel, motel, or motor court, including a condominium accommodation, under the general law shall not be moved to a new location, such license being valid only on the premises of such hotel, motel, motor court, or restaurant. Licenses issued to hotels, motels, motor courts, or restaurants under the general law and held by such hotels, motels, motor courts, or restaurants on May 24, 1947, shall be counted in the quota limitation con-

tained in subsection (1). Any license issued for any hotel, motel, or motor court under the provisions of this law shall be issued only to the owner of the hotel, motel, or motor court or, in the event the hotel, motel, or motor court is leased, to the lessee of the hotel, motel, or motor court; and the license shall remain in the name of the owner or lessee so long as the license is in existence. Any special license now in existence heretofore issued under the provisions of this law cannot be renewed except in the name of the owner of the hotel, motel, motor court, or restaurant or, in the event the hotel, motel, motor court, or restaurant is leased, in the name of the lessee of the hotel, motel, motor court, or restaurant in which the license is located and must remain in the name of the owner or lessee so long as the license is in existence. Any license issued under this section shall be marked "Special," and nothing herein provided shall limit, restrict, or prevent the issuance of a special license for any restaurant or motel which shall hereafter meet the requirements of the law existing immediately prior to the effective date of this act, if construction of such restaurant has commenced prior to the effective date of this act and is completed within 30 days thereafter, or if an application is on file for such special license at the time this act takes effect; and any such licenses issued under this proviso may be annually renewed as now provided by law. Nothing herein prevents an application for transfer of a license to a bona fide purchaser of any hotel, motel, motor court, or restaurant by the purchaser of such facility or the transfer of such license pursuant to law.

Section 4. Paragraphs (h) and (i) of subsection (1) of section 561.29, Florida Statutes, are amended to read:

561.29 Revocation and suspension of license; power to subpoena.—

(1) The division is given full power and authority to revoke or suspend the license of any person holding a license under the Beverage Law, when it is determined or found by the division upon sufficient cause appearing of:

(h) Failure by the holder of any license under s. 561.20(1) to maintain the licensed premises in an active manner in which the licensed premises are open for the bona fide sale of authorized alcoholic beverages during regular business hours of at least 6 hours a day for a period of 120 days or more during any 12-month period commencing 18 months after the acquisition of the license by the licensee, regardless of the date the license was originally issued. Every licensee must notify the division in writing of any period during which his or her license is inactive and place the physical license with the division to be held in an inactive status. ~~The division may waive or extend the requirement of this section upon the finding of hardship, including the purchase of the license in order to transfer it to a newly constructed or remodeled location. However, during such closed period, the licensee shall make reasonable efforts toward restoring the license to active status. This paragraph applies shall apply to all annual license periods commencing on or after July 1, 1981, but does shall not apply to licenses issued after September 30, 1988. The division shall, upon written request of the licensee, grant a one-time written waiver or extension of the requirements of this paragraph for a period not to exceed 12 months. Additionally, the division may, upon written request of the licensee, grant a waiver or extension of the requirements of this paragraph for a period not to exceed 12 months if the licensee demonstrates that:~~

1. *The licensed premises has been physically damaged to such an extent that active operation of the business at the premises is impracticable;*

2. *Construction or remodeling is underway to relocate the license to another location;*

3. *The licensed premises is prohibited from making sales as the result of an order of a court of competent jurisdiction, or the action or inaction of a governmental entity relating to the permitting, construction, or occupational capacity of the physical location of the licensed premises.*

(i) Failure of ~~a any~~ licensee ~~having issued a new or transfer~~ license issued under s. 561.20(1) after September 30, 1988, ~~under s. 561.20(1)~~ to maintain the licensed premises in an active manner in which the licensed premises are open for business to the public for the bona fide retail sale of authorized alcoholic beverages during regular and reasonable business hours for at least 8 hours a day for a period of 210 days or more during any 12-month period commencing 6 months after the

acquisition of the license by the licensee. It is the intent of this act that for purposes of compliance with this paragraph, a licensee shall operate the licensed premises in a manner so as to maximize sales and tax revenues thereon; this includes maintaining a reasonable inventory of merchandise, including authorized alcoholic beverages, and the use of good business practices to achieve the intent of this law. Any attempt by a licensee to circumvent the intent of this law shall be grounds for revocation or suspension of the alcoholic beverage license. ~~The division may, upon written request of the licensee, give a written waiver of this requirement for a period not to exceed 12 months in cases where the licensee demonstrates that the licensed premises has been physically destroyed through no fault of the licensee, when the licensee has suffered an incapacitating illness or injury which is likely to be prolonged, or when the licensed premises has been prohibited from making sales as a result of any action of any court of competent jurisdiction. Any waiver given pursuant to this subsection may be continued upon subsequent written request showing that substantial progress has been made toward restoring the licensed premises to a condition suitable for the resumption of sales or toward allowing for a court having jurisdiction over the premises to release said jurisdiction, or that an incapacitating illness or injury continues to exist. However, in no event may the waivers necessitated by any one occurrence cumulatively total more than 24 months. A Every licensee shall notify the division in writing of any period during which his or her license is inactive and place the physical license with the division to be held in an inactive status. For the purpose of calculating compliance with the requirements of this paragraph, a license that is acquired in a transaction that is not an arm's length transaction, including transfers from relatives, affiliates, subsidiaries, and other related entities, retains and is subject to the first related transferor's date of acquisition and related periods of operation. The division shall, upon written request of the licensee, grant a one-time written waiver or extension of the requirements of this paragraph for a period not to exceed 12 months. Additionally, the division may, upon written request of the licensee, grant a waiver or extension of the requirements of this paragraph for a period not to exceed 12 months if the licensee demonstrates that:~~

1. *The licensed premises has been physically damaged to such an extent that active operation of the business at the premises is impracticable;*

2. *Construction or remodeling is underway to relocate the license to another location;*

3. *The licensed premises has been prohibited from making sales as the result of any order of any court of competent jurisdiction, or any action or inaction of a governmental entity relating to the permitting, construction, or occupational capacity of the physical location of the licensed premises.*

Section 5. Section 561.4205, Florida Statutes, is created to read:

561.4205 Keg deposits; limited alternative inventory and reconciliation process.—

(1) A distributor selling an alcoholic beverage to a vendor in bulk, by recyclable keg or other similar reusable container, for the purpose of sale in draft form on tap, must charge the vendor a deposit, to be referred to as a "keg deposit," in an amount not less than that charged to the distributor by the manufacturer for each keg or container of the beverage sold. The deposit amount charged to a vendor for a draft keg or container of a like brand must be uniform. Charges made for deposits collected or credits allowed for empty kegs or containers returned must be shown separately on all sale tickets or invoices. A copy of such sales tickets or invoices must be given to the vendor at the time of delivery.

(2) In lieu of receiving a keg deposit, a distributor selling alcoholic beverages by recyclable keg or other similar reusable container for the purpose of sale in draft form to a vendor identified in s. 561.01(18) or s. 565.02(6) or (7) shall implement an inventory and reconciliation process with such vendor in which an accounting of kegs is completed and any loss or variance in the number of kegs is paid for by the vendor on a per-keg basis equivalent to the required keg deposit. This inventory and reconciliation process may occur twice per year, at the discretion of the distributor, but must occur at least annually. Upon completion of an agreed upon keg inventory and reconciliation, the vendor shall remit payment within 15 days after receiving an invoice from the distributor.

The vendor may choose to establish and fund a separate account with the distributor for the purpose of expediting timely payments.

Section 6. Section 561.422, Florida Statutes, is amended to read:

561.422 Nonprofit civic organizations, charitable organizations, municipalities, and counties; temporary permits.—Upon the filing of an application, presentation of a local building and zoning permit, and payment of a fee of \$25 per permit, the director of the division may issue a permit authorizing a bona fide nonprofit civic organization, charitable organization, municipality, or county to sell alcoholic beverages for consumption on the premises only, for a period not to exceed 3 days, subject to any state law or municipal or county ordinance regulating the time for selling such beverages. All net profits from sales of alcoholic beverages collected during the permit period by a nonprofit or civic organization must be retained by such organizations ~~the nonprofit civic organization~~. All net profits from sales of alcoholic beverages collected during the permit period by a municipality or county must be donated to a nonprofit civic or charitable organization within 90 days after the permitted event. A municipality or county may only be issued such a temporary permit if it has attempted to solicit a qualified nonprofit civic or charitable organization to conduct such sales but has been unable to find such a qualifying organization in a reasonably practicable manner and timeframe. A nonprofit ~~any such~~ civic organization, charitable organization, municipality, or county may be issued no more than 12 ~~only three such~~ permits per calendar year. Notwithstanding other provisions of the Beverage Law, a nonprofit ~~any~~ civic organization, charitable organization, municipality, or county licensed under this section may purchase alcoholic beverages from a distributor or vendor licensed under the Beverage Law. The division may adopt rules and conduct audits to ensure compliance with this section.

Section 7. Effective upon this act becoming a law, paragraph (a) of subsection (7) of section 563.06, Florida Statutes, is amended to read:

563.06 Malt beverages; imprint on individual container; size of containers; exemptions.—

(7) Notwithstanding any other provision of the Beverage Law, a malt beverage may be packaged in a growler, which is an individual container that holds 32, 64, or 128 ounces of such malt beverage if it is filled at the point of sale.

(a) A growler may be filled or refilled by any of the following:

1. A licensed manufacturer of malt beverages holding a vendor's license under s. 561.221(2).

2. A vendor holding a quota license under s. 561.20(1) or s. 565.02(1)(a) ~~which that~~ authorizes the sale of malt beverages.

3. A vendor holding a license under s. 563.02(1)(b)-(f), s. 564.02(1)(b)-(f), or s. 565.02(1)(b)-(f), unless such license restricts the sale of malt beverages to sale for consumption only on the premises of such vendor.

4. A vendor holding a license pursuant to s. 563.02(1)(a) or s. 564.02(1)(a), having held that license in current, active status on June 30, 2015, subject to the following requirements:

a. The vendor proves, to the satisfaction of the division, that the vendor had draft equipment and tapping accessories installed and had purchased kegs before June 30, 2015.

b. The growlers are filled or refilled by the vendor or the vendor's employee aged 18 or older.

c. The taps or mechanisms used to fill or refill the growlers are not accessible to customers.

d. The growlers meet the labeling and sealing requirements of paragraph (b).

e. The vendor does not permit consumption on premises, including tastings or other sampling activities.

Section 8. Subsections (2) and (9) of section 565.02, Florida Statutes, are amended to read:

565.02 License fees; vendors; clubs; caterers; and others.—

(2) An ~~any~~ operator of railroads or sleeping cars, or a vendor in a railroad transit station, in this state may obtain a license to keep for sale and to sell the beverages mentioned in the Beverage Law ~~on passenger trains upon the payment of an annual license tax of \$2,500, the tax to be paid to the division. A municipality or county may not require an additional license or levy a tax for the privilege of selling such beverages.~~

(a) Operators of railroads or sleeping cars in this state are authorized ~~Such license shall authorize the holder thereof to~~ keep for sale and to sell all beverages mentioned in the Beverage Law for consumption upon any dining, club, parlor, buffet, or observation car of a passenger train in which certified copies of the licenses issued to the operators are posted. Certified copies of such licenses shall be issued by the division upon the payment of a \$10 fee ~~operated by it in this state, but such beverages may be sold only to passengers upon the cars and must be served for consumption thereon. It is unlawful for such licensees to purchase or sell any liquor except in miniature bottles of not more than 2 ounces. A Every such license for the sale of alcoholic beverages on a passenger train shall be good throughout the state. Except for alcoholic beverages sold within the licensed premises of a railroad transit station, it is unlawful for such licensees to purchase or sell any liquor on a passenger train except in miniature bottles of not more than 2 ounces. No license shall be required, or tax levied by any municipality or county, for the privilege of selling such beverages for consumption in such cars. Such beverages shall be sold only on cars in which are posted certified copies of the licenses issued to such operator. Such certified copies of such licenses shall be issued by the division upon the payment of a tax of \$10.~~

(b) A vendor in a railroad transit station is authorized to keep for sale and to sell all beverages mentioned in the Beverage Law. A license issued to a vendor in a railroad transit station may not be transferred to locations beyond the railroad transit station. The alcoholic beverages sold are for consumption on the licensed premises and may be consumed in all areas within the railroad transit station and on a passenger train. Operators of railroads and sleeping cars shall keep separate the alcoholic beverages intended for sale on passenger trains and the alcoholic beverages intended for sale in the railroad transit station.

(9)(a) As used in this subsection, the term:

1. "Annual capacity" means an amount equal to the number of lower berths on a vessel multiplied by the number of embarkations of that vessel during a calendar year.

2. "Base rate" means an amount equal to the total taxes and surcharges paid by all permittees pursuant to the Beverage Law and chapter 210 for sales of alcoholic beverages, cigarettes, and other tobacco products taking place between January 1, 2015, and December 31, 2015, inclusive, divided by the sum of the annual capacities of all vessels permitted pursuant to former s. 565.02(9), Florida Statutes 2015, for calendar year 2015.

3. "Embarkation" means an instance in which a vessel departs from a port in this state.

4. "Lower berth" means a bed that is:

a. Affixed to a vessel;

b. Not located above another bed in the same cabin; and

c. Located in a cabin not in use by employees of the operator of the vessel or its contractors.

5. "Quarterly capacity" means an amount equal to the number of lower berths on a vessel multiplied by the number of embarkations of that vessel during a calendar quarter.

(b) It is the finding of the Legislature that passenger vessels engaged exclusively in foreign commerce are susceptible to a distinct and separate classification for purposes of the sale of alcoholic beverages, cigarettes, and other tobacco products under the Beverage Law and chapter 210.

(c) Upon the filing of an application and payment of an annual fee of \$1,100, the director is authorized to issue a permit authorizing the

operator, or, if applicable, his or her concessionaire, of a passenger vessel which has cabin-berth capacity for at least 75 passengers, and which is engaged exclusively in foreign commerce, to sell alcoholic beverages, cigarettes, and other tobacco products on the vessel for consumption on board only:

1.(a) For no more than ~~During a period not in excess of 24 hours before~~ ~~prior to~~ departure while the vessel is moored at a dock or wharf in a port of this state; or

2.(b) At any time while the vessel is located in Florida territorial waters and is in transit to or from international waters.

One such permit shall be required for each such vessel and shall name the vessel for which it is issued. No license shall be required or tax levied by any municipality or county for the privilege of selling beverages, cigarettes, or other tobacco products for consumption on board such vessels. The beverages, cigarettes, or other tobacco products so sold may be purchased outside the state by the permittee, and the same shall not be considered as imported for the purposes of s. 561.14(3) solely because of such sale. The permittee is not required to obtain its beverages, cigarettes, or other tobacco products from licensees under the Beverage Law or chapter 210. Each permittee, ~~but it~~ shall keep a strict account of the quarterly capacity of each of its vessels ~~all such beverages sold within this state~~ and shall make ~~quarterly~~ ~~monthly~~ reports to the division on forms prepared and furnished by the division. ~~A permittee who sells on board the vessel beverages withdrawn from United States Bureau of Customs and Border Protection bonded storage on board the vessel may satisfy such accounting requirement by supplying the division with copies of the appropriate United States Bureau of Customs and Border Protection forms evidencing such withdrawals as importations under United States customs laws.~~

(d) Each ~~Such~~ permittee shall pay to the state ~~a~~ ~~an~~ excise tax for beverages, cigarettes, and other tobacco products sold pursuant to this subsection in an amount equal to the base rate multiplied by the permittee's quarterly capacity during the calendar quarter, less any tax or surcharge already paid by a licensed manufacturer or distributor pursuant to the Beverage Law or chapter 210 on beverages, cigarettes, and other tobacco products sold by the permittee pursuant to this subsection during the quarter for which tax is due ~~section, if such excise tax has not previously been paid, in an amount equal to the tax which would be required to be paid on such sales by a licensed manufacturer or distributor.~~

(e) A vendor holding such permit shall pay the tax ~~quarterly~~ ~~monthly~~ to the division at the same time he or she furnishes the required report. Such report shall be filed on or before the 15th day of each calendar quarter ~~month~~ for the quarterly capacity sales occurring during the previous calendar quarter ~~month~~.

(f) By August 1, 2016, each permittee shall report the annual capacity for each of its vessels for calendar year 2015 to the division on forms prepared and furnished by the division. By September 1, 2016, the division shall calculate the base rate and report it to each permittee. The base rate shall also be published in the Florida Administrative Register and on the department's website.

(g) Revenues collected pursuant to this subsection shall be distributed pursuant to s. 561.121(1).

Section 9. Section 565.04, Florida Statutes, is amended to read:

565.04 Package store restrictions.—

(1) Vendors licensed under s. 565.02(1)(a) shall not in said place of business sell, offer, or expose for sale any merchandise other than such beverages, and such places of business shall be devoted exclusively to such sales; provided, however, that such vendors shall be permitted to sell bitters, grenadine, nonalcoholic mixer-type beverages (not to include fruit juices produced outside this state), fruit juices produced in this state, home bar, and party supplies and equipment (including but not limited to glassware and party-type foods), miniatures of no alcoholic content, and tobacco products. Such places of business shall have no openings permitting direct access to any other building or room, except to a private office or storage room of the place of business from which patrons are excluded.

(2) Notwithstanding any other law, when delivering alcoholic beverages to a vendor licensed under s. 565.02(1)(a), a licensed distributor

may transport the beverages through another premises owned in whole or in part by the vendor.

Section 10. Except as otherwise expressly provided in this act and except for this section, which shall take effect upon this act becoming a law, this act shall take effect July 1, 2016.

And the title is amended as follows:

Remove everything before the enacting clause and insert: A bill to be entitled An act relating to alcoholic beverages and tobacco; amending s. 210.13, F.S.; revising applicability to include other persons who may be subject to a determination of tax on failure to file a return; amending s. 561.01, F.S.; defining the term "railroad transit station"; amending s. 561.20, F.S.; revising the requirements to obtain and maintain a food service establishment alcoholic beverage license; amending s. 561.29, F.S.; requiring the Division of Alcoholic Beverages and Tobacco to grant a one-time written waiver or extension of certain requirements to specified licensees; revising the circumstances under which a licensee may seek and the division may grant a waiver or extension of the requirements; revising compliance requirements for certain licensees; creating s. 561.4205, F.S.; requiring an alcoholic beverage distributor to charge a deposit for certain alcoholic beverage sales; providing an inventory and reconciliation process as an accounting alternative for specified vendors; providing an inventory and reconciliation process for malt beverage kegs; amending s. 561.422, F.S.; authorizing the division to issue temporary permits to charitable organizations, municipalities, and counties to sell alcoholic beverages for consumption on the premises of an event; amending s. 563.06, F.S.; authorizing certain licensees to fill or refill growlers under certain conditions; amending s. 565.02, F.S.; authorizing operators of railroad transit stations to obtain licenses to sell alcoholic beverages; providing requirements and conditions; prohibiting a municipality or county from requiring an additional license or levying a tax to sell certain beverages; exempting railroad transit stations from liquor bottle size restrictions; revising the tax on the sale of alcoholic beverages on certain foreign passenger vessels; imposing a tax on sale of cigarettes and other tobacco products on certain foreign passenger vessels; defining terms; revising legislative findings; requiring permittees to submit a report to the division; providing requirements for the report; amending s. 565.04, F.S.; authorizing a licensed distributor to transport alcoholic beverages through certain premises under specified circumstances; providing effective dates.

The Honorable Andy Gardiner, President

I am directed to inform the Senate that the House of Representatives has passed CS/SB 966, with 1 amendment, and requests the concurrence of the Senate.

Bob Ward, Clerk

CS for SB 966—A bill to be entitled An act relating to unclaimed property; amending s. 717.107, F.S.; revising a presumption of when funds held or owing under a matured or terminated life or endowment insurance policy or annuity contract are unclaimed; revising a condition of when certain insurance policies or annuity contracts are deemed matured and the proceeds are due and payable; requiring an insurer to compare records of certain insurance policies, annuity contracts, and retained asset accounts of its insureds against the United States Social Security Administration Death Master File or a certain database or service to determine if a death is indicated; providing requirements for the comparison; providing for a presumption of death for certain individuals; providing an exception; requiring an insurer to account for certain variations in data and partial information; providing the circumstances under which a policy, a contract, or an account is deemed to be in force; providing applicability; defining a term; requiring an insurer to follow certain procedures after learning of a death through a specified comparison; authorizing an insurer to disclose certain personal information to specified persons for certain purposes; prohibiting an insurer and specified entities from charging fees and costs associated with certain activities; conforming provisions to changes made by the act; providing retroactive applicability; providing an effective date.

House Amendment 2 (825195) (with title amendment)—Remove everything after the enacting clause and insert:

Section 1. Section 717.107, Florida Statutes, is amended to read:

717.107 Funds owing under life insurance policies, *annuity contracts, and retained asset accounts; fines, penalties, and interest; United States Social Security Administration Death Master File.*—

(1) Funds held or owing under any life or endowment insurance policy or annuity contract which has matured or terminated are presumed unclaimed if unclaimed for more than 5 years after the *date of death of the insured, the annuitant, or the retained asset account holder funds became due and payable as established from the records of the insurance company holding or owing the funds*, but property described in paragraph (3)(d) ~~(3)(b)~~ is presumed unclaimed if such property is not claimed for more than 2 years. The amount presumed unclaimed shall include any amount due and payable under s. 627.4615.

(2) If a person other than the insured, *the ~~or~~ annuitant, or the retained asset account holder* is entitled to the funds and no address of the person is known to the company or it is not definite and certain from the records of the company who is entitled to the funds, it is presumed that the last known address of the person entitled to the funds is the same as the last known address of the insured, *the ~~or~~ annuitant, or the retained asset account holder* according to the records of the company.

(3) For purposes of this chapter, a life or endowment insurance policy or annuity contract not matured by actual proof of the death of the insured, *the ~~or~~ annuitant, or the retained asset account holder* according to the records of the company is deemed matured and the proceeds due and payable if *any of the following applies*:

(a) The company knows that the insured, *the ~~or~~ annuitant, or the retained asset account holder* has died; ~~or~~

(b) A presumption of death made in accordance with paragraph (8)(c) has not been rebutted.

(c) *The policy or contract has reached its maturity date.*

~~(d)(b)1.~~ (d)1. The insured has attained, or would have attained if he or she were living, the limiting age under the mortality table on which the reserve is based;

2. The policy was in force at the time the insured attained, or would have attained, the limiting age specified in subparagraph 1.; and

3. Neither the insured nor any other person appearing to have an interest in the policy within the preceding 2 years, according to the records of the company, has assigned, readjusted, or paid premiums on the policy; subjected the policy to a loan; corresponded in writing with the company concerning the policy; or otherwise indicated an interest as evidenced by a memorandum or other record on file prepared by an employee of the company.

(4) For purposes of this chapter, the application of an automatic premium loan provision or other nonforfeiture provision contained in an insurance policy does not prevent the policy from being matured or terminated under subsection (1) if the insured has died or the insured or the beneficiaries of the policy otherwise have become entitled to the proceeds thereof before the depletion of the cash surrender value of a policy by the application of those provisions.

(5) If the laws of this state or the terms of the life insurance policy require the company to give notice to the insured or owner that an automatic premium loan provision or other nonforfeiture provision has been exercised and the notice, given to an insured or owner whose last known address according to the records of the company is in this state, is undeliverable, the company shall make a reasonable search to ascertain the policyholder's correct address to which the notice must be mailed.

(6) Notwithstanding any other provision of law, if the company learns of the death of the insured, *the ~~or~~ annuitant, or the retained asset account holder* and the beneficiary has not communicated with the insurer within 4 months after the death, the company shall take reasonable steps to pay the proceeds to the beneficiary.

(7) Commencing 2 years after July 1, 1987, every change of beneficiary form issued by an insurance company under any life or endowment insurance policy or annuity contract to an insured or owner who is a resident of this state must request the following information:

(a) The name of each beneficiary, or if a class of beneficiaries is named, the name of each current beneficiary in the class.

(b) The address of each beneficiary.

(c) The relationship of each beneficiary to the insured.

(8)(a) *Notwithstanding any other provision of law, an insurer shall compare the records of its insureds' life or endowment insurance policies, annuity contracts that provide a death benefit, and retained asset accounts that were in force at any time on or after January 1, 1992, against the United States Social Security Administration Death Master File once to determine whether the death of an insured, an annuitant, or a retained asset account holder is indicated and shall thereafter use the Death Master File update files for future comparisons. The comparisons must use the name and social security number or date of birth of the insured, the annuitant, or the retained asset account holder. The comparisons must be made on at least an annual basis before August 31 of each year. If an insurer performs such comparisons regarding its annuities or other books of business more frequently than once a year, the insurer must also make comparisons regarding its life insurance policies, annuity contracts that provide a death benefit, and retained asset accounts at the same frequency as is made regarding its annuities or other books or lines of business. An insurer may perform the comparisons required by this paragraph using any database or service that the department determines is at least as comprehensive as the United States Social Security Administration Death Master File for the purpose of indicating that a person has died.*

(b) *However, an insurer that meets one of the following criteria as of June 30, 2016, shall conduct the comparison in paragraph (a) to all in-force policies:*

1. *The insurer has entered into a regulatory settlement agreement with the Office of Insurance Regulation; or*

2. *The insurer has received a targeted market conduct examination report issued by the Office of Insurance Regulation regarding claims-handling practices and the use of the Death Master File with no findings of violations of law.*

(c) *An insured, an annuitant, or a retained asset account holder is presumed deceased if the date of his or her death is indicated by the comparison required under paragraph (a) unless the insurer has in its records competent and substantial evidence that the person is living, including, but not limited to, a contact made by the insurer with such person or his or her legal representative. The insurer shall account for common variations in data and for any partial names, social security numbers, dates of birth, and addresses of the insured, the annuitant, or*

the retained asset account holder which would otherwise preclude an exact match.

(d) For purposes of this section, a policy, an annuity contract, or a retained asset account is deemed to be in force if it has not lapsed, has not been cancelled, or has not been terminated at the time of death of the insured, the annuitant, or the retained asset account holder.

(e) This subsection does not apply to an insurer with respect to benefits payable under:

1. An annuity that is issued in connection with an employment-based plan subject to the Employee Retirement Income Security Act of 1974 or that is issued to fund an employment-based retirement plan, including any deferred compensation plan.

2. A policy of credit life or accidental death insurance.

3. A joint and survivor annuity contract if an annuitant is still living.

4. A policy issued to a group master policy owner for which the insurer does not perform recordkeeping functions. For purposes of this subparagraph, the term "recordkeeping" means those circumstances under which the insurer has agreed through a group policyholder to be responsible for obtaining, maintaining, and administering, in its own or its agents' systems, information about each individual insured under a group insurance policy or a line of coverage thereunder, including at least the following:

- a. The social security number, or name and date of birth;
- b. Beneficiary designation information;
- c. Coverage eligibility;
- d. The benefit amount; and
- e. Premium payment status.

5. Any policy or certificate of life insurance that is assigned to a person licensed under s. 497.452 to fund a preneed funeral merchandise or service contract.

(9) No later than 120 days after learning of the death of an insured, an annuitant, or a retained asset account holder through a comparison under subsection (8), an insurer shall:

(a) Complete and document an effort to confirm the death of the insured, the annuitant, or the retained asset account holder against other available records and information.

(b) Review its records to determine whether the insured, the annuitant, or the retained asset account holder purchased other products from the insurer.

(c) Determine whether benefits may be due under a policy, an annuity, or a retained asset account.

(d) Complete and document an effort to locate and contact the beneficiary or authorized representative under a policy, an annuity, or a retained asset account if such person has not communicated with the insurer before the expiration of the 120-day period. The effort must include:

1. Sending to the beneficiary or authorized representative information concerning the claim process of the insurer.

2. Notice of any requirement to provide a certified original or copy of the death certificate if applicable under the policy, annuity, or retained asset account.

(10) An insurer may, to the extent permitted by law, disclose the minimum necessary personal information about an insured, an annuitant, a retained asset account owner, or a beneficiary to an individual or entity reasonably believed by the insurer to possess the ability to assist the insurer in locating the beneficiary or any other individual or entity that is entitled to payment of the claim proceeds.

(11) An insurer, or any agent or third party that it engages or that works on its behalf, may not charge insureds, annuitants, retained asset account holders, beneficiaries, or the estates of insureds, annuitants, retained asset account holders, or the beneficiaries of an estate any fees or costs associated with any search, verification, claim, or delivery of funds conducted pursuant to this section.

Section 2. The amendments made by this act are remedial in nature and apply retroactively. Fines, penalties, or additional interest, pursuant to chapter 717, Florida Statutes, may not be imposed due to the failure to report and remit an unclaimed life or an endowment insurance policy, a retained asset account, or an annuity contract with a death benefit if any unclaimed life or endowment insurance policy, retained asset account, or annuity contract proceeds are reported and remitted to the Department of Financial Services on or before May 1, 2021.

Section 3. This act shall take effect upon becoming a law.

And the title is amended as follows:

Remove everything before the enacting clause and insert: A bill to be entitled An act relating to unclaimed property; amending s. 717.107, F.S.; revising a presumption of when funds held or owing under a matured or terminated life or endowment insurance policy or annuity contract are unclaimed; revising conditions of when certain insurance policies or annuity contracts are deemed matured and the proceeds are due and payable; requiring an insurer to compare records of certain insurance policies, annuity contracts, and retained asset accounts against the United States Social Security Administration Death Master File or a certain database or service to determine whether a death is indicated and to update certain records; providing requirements for the comparison; providing for a presumption of death for certain individuals; providing exceptions; requiring an insurer to account for certain variations in data and partial information; providing the circumstances under which a policy, a contract, or an account is deemed to be in force; providing applicability; defining the term "recordkeeping"; requiring an insurer to follow certain procedures after learning of a death through a specified comparison; authorizing an insurer to disclose certain personal information to specified persons or entities for certain purposes; prohibiting an insurer and specified entities from charging fees and costs associated with certain activities; conforming provisions to changes made by the act; providing retroactive applicability; providing an effective date.

The Honorable Andy Gardiner, President

I am directed to inform the Senate that the House of Representatives has passed CS/SB 218, with one amendment, and requests the concurrence of the Senate.

Bob Ward, Clerk

CS for SB 218—A bill to be entitled An act relating to offenses involving electronic benefits transfer cards; amending s. 414.39, F.S.; specifying acts that constitute trafficking in food assistance benefits cards and are subject to criminal penalties; providing criminal penalties; reenacting s. 921.0022(3)(a), F.S., relating to level 1 of the offense severity ranking chart, to incorporate the amendment made to s. 414.39, F.S., in a reference thereto; providing an effective date.

House Amendment 1 (381087) (with title amendment)—Remove everything after the enacting clause and insert:

Section 1. Subsection (2) of section 414.39, Florida Statutes, is amended to read:

414.39 Fraud.—

(2)(a) Any person who knowingly:

- 1.(a) Uses, transfers, acquires, traffics, alters, forges, or possesses;
2.(b) Attempts to use, transfer, acquire, traffic, alter, forge, or possess; or
3.(c) Aids and abets another person in the use, transfer, acquisition, traffic, alteration, forgery, or possession of, a food assistance identification card, an authorization, including, but not limited to, an electronic authorization, for the expenditure of food assistance benefits, a certificate of eligibility for medical services, or a Medicaid identification card in any manner not authorized by law commits a crime and shall be punished as provided in subsection (5).

(b) For purposes of this subsection, the term "traffic," as it relates to food assistance benefits, includes:

- 1. Buying, selling, stealing, or otherwise effecting an exchange of food assistance benefits for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone;
2. Intentionally reselling a product purchased with food assistance benefits in exchange for cash or consideration other than eligible food; or
3. Intentionally purchasing a product originally purchased with food assistance benefits using cash or consideration other than eligible food.

(c)1. Notwithstanding subsection (5), a person who knowingly possesses in any manner not authorized by law two or more electronic benefit transfer cards for food assistance benefits that were issued to other persons and who sells or attempts to sell one or more of such cards commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084. Each electronic benefit transfer card possessed, sold, or attempted to be sold in violation of this subparagraph constitutes a separate offense.

2. In addition to any other penalty, a person who commits a violation of subparagraph 1. shall be ordered by the court to serve at least 40 hours of community service. If the court determines that the community service can be performed at a nonprofit entity that provides the community with food services for the needy, the court shall order that the community service be performed at such an entity.

Section 2. Paragraph (a) of subsection (3) of section 921.0022, Florida Statutes, is amended to read:

921.0022 Criminal Punishment Code; offense severity ranking chart.—

Section 6. For the purpose of incorporating the amendment made by this act to section 414.39, Florida Statutes, in a reference thereto, subsection (5) of section 1002.91, Florida Statutes, is reenacted to read:

1002.91 Investigations of fraud or overpayment; penalties.—

(5) If a school readiness program provider or a Voluntary Pre-kindergarten Education Program provider, or an owner, officer, or director thereof, is convicted of, found guilty of, or pleads guilty or nolo contendere to, regardless of adjudication, public assistance fraud pursuant to s. 414.39, or is acting as the beneficial owner for someone who has been convicted of, found guilty of, or pleads guilty or nolo contendere to, regardless of adjudication, public assistance fraud pursuant to s. 414.39, the early learning coalition shall refrain from contracting with, or using the services of, that provider for a period of 5 years. In addition, the coalition shall refrain from contracting with, or using the services of, any provider that shares an officer or director with a provider that is convicted of, found guilty of, or pleads guilty or nolo contendere to, regardless of adjudication, public assistance fraud pursuant to s. 414.39 for a period of 5 years.

Section 7. This act shall take effect October 1, 2016.

And the title is amended as follows:

Remove everything before the enacting clause and insert: A bill to be entitled An act relating to public assistance fraud; amending s. 414.39, F.S.; specifying acts that constitute trafficking in food assistance benefits and are subject to criminal penalties; prohibiting specified acts relating to the possession and sale of electronic benefit transfer cards for food assistance benefits that were issued to other persons; providing criminal penalties; amending s. 921.0022, F.S.; deleting a reference to s. 414.39(2), F.S., relating to the unauthorized use, possession, forgery, or alteration of certain food assistance program and Medicaid identification, from the offense severity ranking chart; reenacting ss. 414.41(1)(b), 772.102(1)(a), 895.02(1)(a), and 1002.91(5), F.S., relating to recovery of payments made due to mistake or fraud, definitions for civil remedies for criminal practices, definitions for racketeering, and investigations of fraud or overpayment, respectively, to incorporate the amendment made by this act to s. 414.39, F.S., in references thereto; providing an effective date.

Senator Hutson moved the following amendment which was adopted:

Senate Amendment 1 (583000) (with title amendment) to House Amendment 1 (381087)—Delete lines 22-49 and insert:

(b) *As used in this subsection, the term "traffic" includes:*

1. *Buying, selling, stealing, or otherwise effecting an exchange of food assistance benefits issued and accessed via electronic benefits transfer (EBT) cards, electronic benefits transfer (EBT) card numbers and personal identification numbers (PINs), or by manual voucher and signature, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone;*

2. *Attempting to buy, sell, steal, or otherwise effect an exchange of food assistance benefits issued and accessed via electronic benefits transfer (EBT) cards, electronic benefits transfer (EBT) card numbers and personal identification numbers (PINs), or by manual voucher and signature, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone;*

3. *Exchanging firearms, ammunition, explosives, or controlled substances, as defined in s. 893.02, for food assistance benefits;*

4. *Purchasing with food assistance benefits a product with the intent of obtaining cash or consideration other than eligible food by reselling the product, and subsequently intentionally reselling the product purchased with food assistance benefits in exchange for cash or consideration other than eligible food; or*

5. *Intentionally purchasing products originally purchased with food assistance benefits in exchange for cash or consideration other than eligible food.*

(c) *Any person who has possession of two or more electronic benefits transfer (EBT) cards issued to other persons and who sells or attempts to sell one or more of these cards commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. A second or subsequent violation of this paragraph constitutes a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.*

(d) *In addition to any other penalty, a person who commits a violation of paragraph (c) shall be ordered by the court to serve at least 20*

hours of community service. If the court determines that the community service can be performed at a nonprofit entity that provides the community with food services for the needy, the court shall order that the community service be performed at such an entity.

And the title is amended as follows:

Delete lines 329-336 and insert: An act relating to offenses involving electronic benefits transfer cards; amending s. 414.39, F.S.; specifying acts that constitute trafficking in food assistance benefits cards and are subject to criminal penalties; providing criminal penalties; amending s. 921.0022, F.S.; deleting a

SENATOR RICHTER PRESIDING

SB 314—A bill to be entitled An act relating to juvenile justice; amending s. 985.557, F.S.; revising the circumstances under which a state attorney may file an information when a child of a certain age range commits or attempts to commit specified crimes; deleting a requirement that a state attorney file an information under certain circumstances; deleting a provision that prohibits physical contact with adult offenders under certain circumstances; revising the effects of the direct filing of a child; prohibiting the transfer of a child under certain circumstances based on the child’s competency; authorizing a child to request a hearing to determine whether he or she must remain in adult court; requiring the court to consider certain factors after a written request is made for a hearing; authorizing the court to waive the case back to juvenile court; requiring the Department of Juvenile Justice to collect specified data under certain circumstances; requiring the department to provide an annual report to the Legislature; amending s. 985.56, F.S.; revising the crimes and the age of a child who is subject to the jurisdiction of a circuit court; prohibiting the transfer of a child under certain circumstances based on the child’s competency; removing provisions regarding sentencing of a child; authorizing, rather than requiring, a court to transfer a child indicted under certain circumstances; making technical changes; amending s. 985.565, F.S.; revising the criteria to be used in determining whether to impose juvenile or adult sanctions; requiring the adult court to render an order including specific findings of fact and the reasons for its decision; providing that the order is reviewable on appeal; requiring the court to consider any reports that may assist in the sentencing of a child; providing for the examination of the reports; removing a provision that requires a court to impose adult sanctions under certain circumstances; revising how a child may be sanctioned under certain circumstances; requiring the court to explain the basis for imposing adult sanctions; revising when juvenile sanctions may be imposed; amending s. 985.556, F.S.; conforming provisions to changes made by the act; reenacting ss. 985.15(1), 985.265(5), and 985.556(3), F.S., relating to filing decisions; detention transfer and release, education, and adult jails; and waiver of juvenile court jurisdiction and hearings, respectively, to incorporate the amendment made to s. 985.557, F.S., in references thereto; reenacting ss. 985.514(3) and 985.556(5)(a), F.S., relating to responsibility for cost of care and fees, and waiver of juvenile court jurisdiction and hearings, respectively, to incorporate the amendment made to s. 985.565, F.S., in references thereto; providing an effective date.

—was read the second time by title.

Senator Diaz de la Portilla moved the following amendment which was adopted:

Amendment 1 (865416) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsections (2) and (3) of section 985.556, Florida Statutes, are amended, and present subsections (4) and (5) of that section are redesignated as subsections (3) and (4), respectively, to read:

985.556 Waiver of juvenile court jurisdiction; hearing.—

(2) INVOLUNTARY DISCRETIONARY WAIVER.—~~Except as provided in subsection (3),~~ The state attorney may file a motion requesting the court to transfer the child for criminal prosecution if the child was

14 years of age or older at the time the alleged delinquent act or violation of law was committed.

~~(3) INVOLUNTARY MANDATORY WAIVER.—~~

~~(a) If the child was 14 years of age or older, and if the child has been previously adjudicated delinquent for an act classified as a felony, which adjudication was for the commission of, attempt to commit, or conspiracy to commit murder, sexual battery, armed or strong armed robbery, carjacking, home invasion robbery, aggravated battery, aggravated assault, or burglary with an assault or battery, and the child is currently charged with a second or subsequent violent crime against a person; or~~

~~(b) If the child was 14 years of age or older at the time of commission of a fourth or subsequent alleged felony offense and the child was previously adjudicated delinquent or had adjudication withheld for or was found to have committed, or to have attempted or conspired to commit, three offenses that are felony offenses if committed by an adult, and one or more of such felony offenses involved the use or possession of a firearm or violence against a person;~~

~~the state attorney shall request the court to transfer and certify the child for prosecution as an adult or shall provide written reasons to the court for not making such request, or proceed under s. 985.557(1). Upon the state attorney's request, the court shall either enter an order transferring the case and certifying the case for trial as if the child were an adult or provide written reasons for not issuing such an order.~~

Section 2. Paragraph (c) is added to subsection (1) of section 985.557, Florida Statutes, present subsection (2) of that section is amended, present subsections (3) and (4) of that section are redesignated as subsections (2) and (3), respectively, and a new subsection (4) and subsection (5) are added to that section, to read:

985.557 Direct filing of an information; discretionary and mandatory criteria.—

(1) DISCRETIONARY DIRECT FILE.—

(c)1. A decision under this section to transfer a child to adult court for criminal prosecution, or a decision not to transfer a child eligible for direct file, shall be documented in writing by the state attorney in charge of the case and be signed by the child's defense attorney or, if the child is not represented by counsel, by the child's parent or guardian. The document shall be filed with the court at the disposition of the case. The state attorney shall include the following information in the written decision:

- a. Whether adult codefendants were involved in the case.
- b. The length of time the child spent in jail awaiting disposition.
- c. Whether any discovery has been conducted on the case at the time of transfer.
- d. Whether the child waived the right to go to trial.
- e. If the decision to transfer or not to transfer resulted in a plea agreement, the details of the plea agreement, including previous plea offers made by the state but not accepted by the child, and any conditions placed on the plea offer.
- f. Whether the prosecutor allowed the judge to sentence the child to a disposition other than what the prosecutor was offering in exchange for the child not being transferred to adult court.
- g. Whether the child had to waive statutory limits on secure detention in order to avoid a direct file transfer, and, if available, the amount of time the child who waived secure detention limits actually spent in secure detention.

2. On or before the 15th of each month, the state attorney in each judicial circuit shall collect the information specified in subparagraph 1. for all cases disposed of the previous month and submit that documentation to the department for data collection.

~~(2) MANDATORY DIRECT FILE.—~~

~~(a) With respect to any child who was 16 or 17 years of age at the time the alleged offense was committed, the state attorney shall file an information if the child has been previously adjudicated delinquent for an act classified as a felony, which adjudication was for the commission of, attempt to commit, or conspiracy to commit murder, sexual battery, armed or strong armed robbery, carjacking, home invasion robbery, aggravated battery, or aggravated assault, and the child is currently charged with a second or subsequent violent crime against a person.~~

~~(b) With respect to any child 16 or 17 years of age at the time an offense classified as a forcible felony, as defined in s. 776.08, was committed, the state attorney shall file an information if the child has previously been adjudicated delinquent or had adjudication withheld for three acts classified as felonies each of which occurred at least 45 days apart from each other. This paragraph does not apply when the state attorney has good cause to believe that exceptional circumstances exist which preclude the just prosecution of the juvenile in adult court.~~

~~(c) The state attorney must file an information if a child, regardless of the child's age at the time the alleged offense was committed, is alleged to have committed an act that would be a violation of law if the child were an adult, that involves stealing a motor vehicle, including, but not limited to, a violation of s. 812.133, relating to carjacking, or s. 812.014(2)(c)6., relating to grand theft of a motor vehicle, and while the child was in possession of the stolen motor vehicle the child caused serious bodily injury to or the death of a person who was not involved in the underlying offense. For purposes of this section, the driver and all willing passengers in the stolen motor vehicle at the time such serious bodily injury or death is inflicted shall also be subject to mandatory transfer to adult court. "Stolen motor vehicle," for the purposes of this section, means a motor vehicle that has been the subject of any criminal wrongful taking. For purposes of this section, "willing passengers" means all willing passengers who have participated in the underlying offense.~~

~~(d)1. With respect to any child who was 16 or 17 years of age at the time the alleged offense was committed, the state attorney shall file an information if the child has been charged with committing or attempting to commit an offense listed in s. 775.087(2)(a)1.a. q., and, during the commission of or attempt to commit the offense, the child:~~

~~a. Actually possessed a firearm or destructive device, as those terms are defined in s. 790.001.~~

~~b. Discharged a firearm or destructive device, as described in s. 775.087(2)(a)2.~~

~~c. Discharged a firearm or destructive device, as described in s. 775.087(2)(a)3., and, as a result of the discharge, death or great bodily harm was inflicted upon any person.~~

~~2. Upon transfer, any child who is:~~

~~a. Charged under sub subparagraph 1.a. and who has been previously adjudicated or had adjudication withheld for a forcible felony offense or any offense involving a firearm, or who has been previously placed in a residential commitment program, shall be subject to sentencing under s. 775.087(2)(a), notwithstanding s. 985.565.~~

~~b. Charged under sub subparagraph 1.b. or sub subparagraph 1.c., shall be subject to sentencing under s. 775.087(2)(a), notwithstanding s. 985.565.~~

~~3. Upon transfer, any child who is charged under this paragraph, but who does not meet the requirements specified in subparagraph 2., shall be sentenced under s. 985.565; however, if the court imposes a juvenile sanction, the court must commit the child to a high risk or maximum risk juvenile facility.~~

~~4. This paragraph shall not apply if the state attorney has good cause to believe that exceptional circumstances exist that preclude the just prosecution of the child in adult court.~~

~~5. The Department of Corrections shall make every reasonable effort to ensure that any child 16 or 17 years of age who is convicted and sentenced under this paragraph be completely separated such that there is no physical contact with adult offenders in the facility, to the extent that it is consistent with chapter 958.~~

(4) *TRANSFER PROHIBITION.*—Notwithstanding any other law, a child who is eligible for direct file and who has previously been found to be incompetent but has not been restored to competency by a court may not be transferred to adult court for criminal prosecution. A transferred child who is found to be incompetent must be returned to the jurisdiction of the juvenile court.

(5) *DATA COLLECTION RELATING TO DIRECT FILE.*—

(a) Beginning January 1, 2017, the department shall collect data relating to children who qualify for direct file under this section and s. 985.556 regardless of the outcome of the case, including, but not limited to:

1. Age.
2. Race and ethnicity.
3. Gender.
4. Circuit and county of residence.
5. Circuit and county of offense.
6. Prior adjudicated offenses.
7. Prior periods of probation.
8. Previous contacts with law enforcement agencies or the court which result in a civil citation, arrest, or charges being filed with the state.
9. Initial charges.
10. Charges at disposition.
11. Whether child codefendants were involved who were transferred to adult court.
12. Whether the child was represented by counsel.
13. Risk assessment instrument score.
14. The child's medical, mental health, substance abuse, or trauma history.
15. The child's history of mental impairment or disability-related accommodations.
16. The child's history of abuse or neglect.
17. The child's history of foster care placements, including the number of prior placements.
18. Whether the child has below-average intellectual functioning.
19. Whether the child has received mental health services or treatment.
20. Whether the child has been the subject of a child-in-need-of-services or families-in-need-of-services petition or a dependency petition.
21. Whether the child was transferred for criminal prosecution as an adult.
22. The case resolution in juvenile court.
23. The case resolution in adult court.
24. Whether the child was represented by counsel or whether the child waived counsel.
25. Information generated by the office of the state attorney in each judicial circuit under subparagraph (1)(c)1.

(b) Beginning January 1, 2017, for a child transferred for criminal prosecution as an adult, the department shall also collect:

1. Disposition data, including, but not limited to, whether the child received adult sanctions, juvenile sanctions, or diversion and, if sen-

tenced to prison, the length of the prison sentence or the enhanced sentence; and

2. Whether the child was previously found incompetent to proceed in juvenile court.

(c) For every juvenile case transferred between July 1, 2015, and June 30, 2016, the department shall work with the Office of Program Policy Analysis and Government Accountability to generate a report analyzing the aggregated data. The department must provide this report to the Governor, the President of the Senate, and the Speaker of the House of Representatives by January 31, 2017.

(d) The department must work with the Office of Program Policy Analysis and Government Accountability to generate a report analyzing the aggregated data under paragraphs (a) and (b) on an annual basis. The department must provide this report to the Governor, the President of the Senate, and the Speaker of the House of Representatives no later than January 31 of the following calendar year.

Section 3. Subsection (54) of section 985.03, Florida Statutes, is amended to read:

985.03 Definitions.—As used in this chapter, the term:

(54) “Waiver hearing” means a hearing provided for under s. 985.556 ~~s. 985.556(4)~~.

Section 4. Subsection (2) of section 985.04, Florida Statutes, is amended to read:

985.04 Oaths; records; confidential information.—

(2) Notwithstanding any other provisions of this chapter, the name, photograph, address, and crime or arrest report of a child:

(a) Taken into custody if the child has been taken into custody by a law enforcement officer for a violation of law which, if committed by an adult, would be a felony;

(b) Found by a court to have committed three or more violations of law which, if committed by an adult, would be misdemeanors;

(c) Transferred to the adult system under s. 985.557, indicted under s. 985.56, or waived under s. 985.556;

~~(d) Taken into custody by a law enforcement officer for a violation of law subject to s. 985.557(2)(b) or (d); or~~

~~(d)(e)~~ Transferred to the adult system but sentenced to the juvenile system under s. 985.565

shall not be considered confidential and exempt from s. 119.07(1) solely because of the child's age.

Section 5. Subsection (1) of section 985.15, Florida Statutes, is amended to read:

985.15 Filing decisions.—

(1) The state attorney may in all cases take action independent of the action or lack of action of the juvenile probation officer and shall determine the action that is in the best interest of the public and the child. ~~If the child meets the criteria requiring prosecution as an adult under s. 985.556, the state attorney shall request the court to transfer and certify the child for prosecution as an adult or shall provide written reasons to the court for not making such a request. In all other cases,~~ The state attorney may:

(a) File a petition for dependency;

(b) File a petition under chapter 984;

(c) File a petition for delinquency;

(d) File a petition for delinquency with a motion to transfer and certify the child for prosecution as an adult;

(e) File an information under s. 985.557;

- (f) Refer the case to a grand jury;
- (g) Refer the child to a diversionary, pretrial intervention, arbitration, or mediation program, or to some other treatment or care program if such program commitment is voluntarily accepted by the child or the child's parents or legal guardian; or
- (h) Decline to file.

Section 6. Paragraphs (a) and (b) of subsection (4) of section 985.565, Florida Statutes, are amended to read:

985.565 Sentencing powers; procedures; alternatives for juveniles prosecuted as adults.—

(4) SENTENCING ALTERNATIVES.—

(a) *Adult sanctions.*—

1. Cases prosecuted on indictment.—If the child is found to have committed the offense punishable by death or life imprisonment, the child shall be sentenced as an adult. If the juvenile is not found to have committed the indictable offense but is found to have committed a lesser included offense or any other offense for which he or she was indicted as a part of the criminal episode, the court may sentence as follows:

- a. As an adult;
- b. Under chapter 958; or
- c. As a juvenile under this section.

2. Other cases.—If a child who has been transferred for criminal prosecution pursuant to information or waiver of juvenile court jurisdiction is found to have committed a violation of state law or a lesser included offense for which he or she was charged as a part of the criminal episode, the court may sentence as follows:

- a. As an adult;
- b. Under chapter 958; or
- c. As a juvenile under this section.

~~3. Notwithstanding any other provision to the contrary, if the state attorney is required to file a motion to transfer and certify the juvenile for prosecution as an adult under s. 985.556(3) and that motion is granted, or if the state attorney is required to file an information under s. 985.557(2)(a) or (b), the court must impose adult sanctions.~~

3.4. Any sentence imposing adult sanctions is presumed appropriate, and the court is not required to set forth specific findings or enumerate the criteria in this subsection as any basis for its decision to impose adult sanctions.

~~4.5. When a child has been transferred for criminal prosecution as an adult and has been found to have committed a violation of state law, the disposition of the case may include the enforcement of any restitution ordered in any juvenile proceeding.~~

(b) *Juvenile sanctions.*—~~For juveniles transferred to adult court but who do not qualify for such transfer under s. 985.556(3) or s. 985.557(2)(a) or (b),~~ The court may impose juvenile sanctions under this paragraph *for juveniles transferred to adult court.* If juvenile sentences are imposed, the court shall, under this paragraph, adjudge the child to have committed a delinquent act. Adjudication of delinquency shall not be deemed a conviction, nor shall it operate to impose any of the civil disabilities ordinarily resulting from a conviction. The court shall impose an adult sanction or a juvenile sanction and may not sentence the child to a combination of adult and juvenile punishments. An adult sanction or a juvenile sanction may include enforcement of an order of restitution or probation previously ordered in any juvenile proceeding. However, if the court imposes a juvenile sanction and the department determines that the sanction is unsuitable for the child, the department shall return custody of the child to the sentencing court for further proceedings, including the imposition of adult sanctions. Upon adjudicating a child delinquent under subsection (1), the court may:

1. Place the child in a probation program under the supervision of the department for an indeterminate period of time until the child reaches the age of 19 years or sooner if discharged by order of the court.

2. Commit the child to the department for treatment in an appropriate program for children for an indeterminate period of time until the child is 21 or sooner if discharged by the department. The department shall notify the court of its intent to discharge no later than 14 days prior to discharge. Failure of the court to timely respond to the department's notice shall be considered approval for discharge.

3. Order disposition under ss. 985.435, 985.437, 985.439, 985.441, 985.45, and 985.455 as an alternative to youthful offender or adult sentencing if the court determines not to impose youthful offender or adult sanctions.

It is the intent of the Legislature that the criteria and guidelines in this subsection are mandatory and that a determination of disposition under this subsection is subject to the right of the child to appellate review under s. 985.534.

Section 7. For the purpose of incorporating the amendment made by this act to sections 985.556 and 985.557, Florida Statutes, in a reference thereto, subsection (5) of section 985.265, Florida Statutes, is reenacted to read:

985.265 Detention transfer and release; education; adult jails.—

(5) The court shall order the delivery of a child to a jail or other facility intended or used for the detention of adults:

(a) When the child has been transferred or indicted for criminal prosecution as an adult under part X, except that the court may not order or allow a child alleged to have committed a misdemeanor who is being transferred for criminal prosecution pursuant to either s. 985.556 or s. 985.557 to be detained or held in a jail or other facility intended or used for the detention of adults; however, such child may be held temporarily in a detention facility; or

(b) When a child taken into custody in this state is wanted by another jurisdiction for prosecution as an adult.

The child shall be housed separately from adult inmates to prohibit a child from having regular contact with incarcerated adults, including trustees. "Regular contact" means sight and sound contact. Separation of children from adults shall permit no more than haphazard or accidental contact. The receiving jail or other facility shall contain a separate section for children and shall have an adequate staff to supervise and monitor the child's activities at all times. Supervision and monitoring of children includes physical observation and documented checks by jail or receiving facility supervisory personnel at intervals not to exceed 10 minutes. This subsection does not prohibit placing two or more children in the same cell. Under no circumstances shall a child be placed in the same cell with an adult.

Section 8. This act shall take effect July 1, 2016.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to direct filing of juveniles; amending s. 985.556, F.S.; deleting provisions relating to the involuntary mandatory waiver of children by a state attorney; amending s. 985.557, F.S.; requiring a state attorney to document in writing specified information; requiring the state attorney to submit specified collected information to the Department of Juvenile Justice; deleting provisions relating to the mandatory direct filing of children to adult court; prohibiting the transfer to adult court of a child found to be incompetent under certain circumstances; requiring the department to collect specified information beginning on a certain date; requiring the department to work with the Office of Program Policy Analysis and Government Accountability to generate a report of specified information; requiring the department to submit reports to the Governor and the Legislature by specified dates; amending ss. 985.03, 985.04, 985.15, and 985.565, F.S.; conforming provisions to changes made by the act; reenacting s. 985.265(5), F.S., relating to juvenile detention transfer and release and education, and adult jails, to incorporate the amendments made to ss. 985.556 and 985.557, F.S., in a reference thereto; providing an effective date.

On motion by Senator Negron—

HB 989—A bill to be entitled An act relating to implementation of the water and land conservation constitutional amendment; amending s. 375.041, F.S.; requiring a minimum specified percentage of funds within the Land Acquisition Trust Fund to be appropriated for Everglades restoration projects; providing a preference in the use of funds to certain projects that reduce discharges to the St. Lucie and Caloosahatchee estuaries; providing an effective date.

—a companion measure, was substituted for **CS for CS for SB 1168** and read the second time by title.

Senator Negron moved the following amendment:

Amendment 1 (753356) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. *As reflected in the 2016-2017 General Appropriations Act, HB 5001, and this act, the Legislature recognizes the critical importance of restoring and preserving our water and natural resources and is committed to long-term funding for the Everglades and Florida's springs.*

Section 2. Subsection (3) of section 375.041, Florida Statutes, is amended to read:

375.041 Land Acquisition Trust Fund.—

(3) Funds distributed into the Land Acquisition Trust Fund pursuant to s. 201.15 shall be applied:

(a) First, to pay debt service or to fund debt service reserve funds, rebate obligations, or other amounts payable with respect to Florida Forever bonds issued under s. 215.618; and pay debt service, provide reserves, and pay rebate obligations and other amounts due with respect to Everglades restoration bonds issued under s. 215.619;

(b) *Beginning with the 2017-2018 fiscal year, of the funds remaining after the payments required under paragraph (a), but before funds may be appropriated, pledged, or dedicated for other uses:*

1. *A minimum of the lesser of 25 percent or \$200 million shall be appropriated annually for Everglades projects that implement the Comprehensive Everglades Restoration Plan as set forth in s. 373.470, including the Central Everglades Planning Project subject to Congressional authorization; the Long-Term Plan as defined in s. 373.4592(2); and the Northern Everglades and Estuaries Protection Program as set forth in s. 373.4595. From these funds, \$32 million shall be distributed each fiscal year through the 2023-2024 fiscal year to the South Florida Water Management District for the Long-Term Plan as defined in s. 373.4592(2). After deducting the \$32 million distributed under this subparagraph, from the funds remaining, a minimum of the lesser of 76.5 percent or \$100 million shall be appropriated each fiscal year through the 2025-2026 fiscal year for the planning, design, engineering, and construction of the Comprehensive Everglades Restoration Plan as set forth in s. 373.470, including the Central Everglades Planning Project subject to Congressional authorization. The Department of Environmental Protection and the South Florida Water Management District shall give preference to those Everglades restoration projects that reduce harmful discharges of water from Lake Okeechobee to the St. Lucie or Caloosahatchee estuaries in a timely manner. For the purpose of performing the calculation provided in this subparagraph, the amount of debt service paid pursuant to paragraph (a) for bonds issued after July 1, 2017, for the purposes set forth under paragraph (b) shall be added to the amount remaining after the payments required under paragraph (a). The amount of the distribution calculated shall then be reduced by an amount equal to the debt service paid pursuant to paragraph (a) on bonds issued after July 1, 2017, for the purposes set forth under this subparagraph.*

2. *A minimum of the lesser of 7.6 percent or \$50 million shall be appropriated annually for spring restoration, protection, and management projects. For the purpose of performing the calculation provided in this subparagraph, the amount of debt service paid pursuant to paragraph (a) for bonds issued after July 1, 2017, for the purposes set forth under paragraph (b) shall be added to the amount remaining after the payments required under paragraph (a). The amount of the distribution calculated shall then be reduced by an amount equal to the debt service paid pursuant to paragraph (a) on bonds issued after July 1, 2017, for the purposes set forth under this subparagraph.*

3. *The sum of \$5 million shall be appropriated annually each fiscal year through the 2025-2026 fiscal year to the St. Johns River Water Management District for projects dedicated to the restoration of Lake Apopka. This distribution shall be reduced by an amount equal to the debt service paid pursuant to paragraph (a) on bonds issued after July 1, 2017, for the purposes set forth in this subparagraph. ~~Then, to pay the debt service on bonds issued before February 1, 2009, by the South Florida Water Management District and the St. Johns River Water Management District, which are secured by revenues provided pursuant to former s. 373.59, Florida Statutes 2014, or which are necessary to fund debt service reserve funds, rebate obligations, or other amounts payable with respect to such bonds. This paragraph expires July 1, 2016; and~~*

(c) *Then, to distribute \$32 million each fiscal year to the South Florida Water Management District for the Long-Term Plan as defined in s. 373.4592(2). This paragraph expires July 1, 2017 ~~2024~~.*

Section 3. This act shall take effect July 1, 2016.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to implementation of the water and land conservation constitutional amendment; providing legislative intent; amending s. 375.041, F.S.; requiring specified amounts of funds within the Land Acquisition Trust Fund, beginning at a specified time, to be appropriated for certain projects; providing a preference in the use of funds distributed for Everglades restoration projects for projects that reduce harmful discharges to the St. Lucie estuary and the Caloosahatchee estuary; requiring such appropriations to be reduced by an amount equal to the debt service paid on bonds issued for specified purposes; deleting an obsolete provision; providing an effective date.

Pursuant to Rule 7.1(1), there being no objection, consideration of the following late-filed amendment was allowed:

Senator Negron moved the following substitute amendment which was adopted:

Amendment 2 (153680) (with title amendment)—Delete everything after the enacting clause and insert:

—a companion measure, was substituted for **CS for SB 1290** and read the second time by title.

Senator Dean moved the following amendment which was adopted:

Amendment 1 (843774) (with title amendment)—Before line 252 insert:

Section 1. Section 327.45, Florida Statutes, is created to read:

327.45 Protection zones for springs.—

(1) *As used in this section, the term "navigable waters of the United States" means the waters of the United States, including the territorial seas, as referenced in the Clean Water Act, 33 U.S.C. ss. 1251 et seq., and the federal rules and regulations promulgated thereunder.*

(2) *The commission may establish by rule protection zones that restrict the speed and operation of vessels to protect and prevent harm to springs. This harm includes negative impacts to water quality, water quantity, hydrology, wetlands, and aquatic and wetland-dependent species.*

(3) *When developing a protection zone, the commission shall do so in consultation and coordination with the water management district, the Department of Environmental Protection, and the governing bodies of the county and municipality, if applicable, in which the zone is located. If the zone includes navigable waters of the United States, the commission shall additionally coordinate with the United States Coast Guard and the United States Army Corps of Engineers.*

(4) Any individual who operates a vessel in violation of a spring protection zone rule adopted pursuant to this section shall be charged on a uniform boating citation as provided in s. 327.74 and is subject to the penalties provided in s. 327.73(1)(y).

(5) Restrictions in a protection zone do not apply:

(a) To law enforcement, firefighting, or rescue personnel operating a vessel in the course of performing their official duties; or

(b) In emergency situations. However, the emergency operation of a vessel must be a reasonable response given the circumstances.

(6) The commission is responsible for the posting and maintenance of regulatory markers identifying protection zones.

(7) The commission may adopt rules to implement this section.

Section 2. Paragraph (y) is added to subsection (1) of section 327.73, Florida Statutes, to read:

327.73 Noncriminal infractions.—

(1) Violations of the following provisions of the vessel laws of this state are noncriminal infractions:

(y) Section 327.45, relating to protection zones for springs, for which the penalty is:

1. For a first offense, \$50.
2. For a second offense occurring within 12 months after a prior conviction, \$250.
3. For a third offense occurring within 36 months after a prior conviction, \$500.
4. For a fourth or subsequent offense occurring within 72 months after a prior conviction, \$1,000.

Any person cited for a violation of any provision of this subsection shall be deemed to be charged with a noncriminal infraction, shall be cited for such an infraction, and shall be cited to appear before the county court. The civil penalty for any such infraction is \$50, except as otherwise provided in this section. Any person who fails to appear or otherwise properly respond to a uniform boating citation shall, in addition to the charge relating to the violation of the boating laws of this state, be charged with the offense of failing to respond to such citation and, upon conviction, be guilty of a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083. A written warning to this effect shall be provided at the time such uniform boating citation is issued.

Section 3. Subsection (1) of section 327.731, Florida Statutes, is amended to read:

327.731 Mandatory education for violators.—

(1) A person convicted of a criminal violation under this chapter, convicted of a noncriminal infraction under this chapter if the infraction resulted in a reportable boating accident, or convicted of two noncriminal infractions as specified in s. 327.73(1)(h)-(k), (m), (o), (p), and (s)-(y) ~~(s)-(x)~~, said infractions occurring within a 12-month period, must:

(a) Enroll in, attend, and successfully complete, at his or her own expense, a classroom or online boating safety course that is approved by and meets the minimum standards established by commission rule;

(b) File with the commission within 90 days proof of successful completion of the course; and

(c) Refrain from operating a vessel until he or she has filed proof of successful completion of the course with the commission.

And the title is amended as follows:

Delete line 2 and insert: An act relating to state areas; creating s. 327.45, F.S.; defining a term; authorizing the Fish and Wildlife Conservation Commission to establish certain protection zones; requiring the commission to develop such zones in consultation and coordination with certain entities; requiring the commission to coordinate with ad-

ditional entities under certain circumstances; providing penalties for certain violations; providing applicability; amending s. 327.73, F.S.; providing penalties for violations relating to protection zones for springs; amending s. 327.731, F.S.; conforming provisions to changes made by the act; amending s. 253.025,

THE PRESIDENT PRESIDING

Pursuant to Rule 7.1(1), there being no objection, consideration of the following late-filed amendment was allowed:

Senator Negron moved the following amendment:

Amendment 2 (312550) (with title amendment)—Delete lines 1721-1740 and insert:

(7) Before a facility or parcel of nonconservation land is offered for lease to a local or federal unit of government or a private party, it shall first be offered for lease to state agencies, and state research universities designated as preeminent pursuant to s. 1001.7065. Within 45 days after the offer for lease of a surplus building or parcel, a state agency or preeminent state research university that requests the lease must submit a plan to the board of trustees that includes a description of the proposed use, including future use, of the facility or parcel. The board of trustees must review and approve the plan before approving the lease. The plan must, at a minimum, include the proposed use of the facility or parcel, the estimated cost of renovation, a capital improvement plan for the building, evidence that the facility or parcel meets an existing need that cannot otherwise be met, and other criteria adopted by rule of the board of trustees. The board of trustees or its designee shall compare the estimated value of the facility or parcel to any submitted business plan to determine if the lease or sale is in the best interest of the state. The board of trustees shall adopt rules pursuant to chapter 120 to implement this section. A preeminent state research university or state agency that has requested the use of a

—was taken up out of order and read the second time by title.

The Committee on Appropriations recommended the following amendment which was moved by Senator Hukill:

Amendment 1 (673118) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Paragraph (c) of subsection (5) of section 125.0104, Florida Statutes, is redesignated as paragraph (d), present paragraph (d) of that subsection is amended, and a new paragraph (c) is added to that subsection, to read:

125.0104 Tourist development tax; procedure for levying; authorized uses; referendum; enforcement.—

(5) AUTHORIZED USES OF REVENUE.—

(c) A county located adjacent to the Gulf of Mexico or the Atlantic Ocean, except a county that receives revenue from taxes levied pursuant to s. 125.0108, which meets the following criteria may use up to 10 percent of the tax revenue received pursuant to this section to reimburse expenses incurred in providing public safety services, including emergency medical services as defined in s. 401.107(3), and law enforcement services, which are needed to address impacts related to increased tourism and visitors to an area. However, if taxes collected pursuant to this section are used to reimburse emergency medical services or public safety services for tourism or special events, the governing board of a county or municipality may not use such taxes to supplant the normal operating expenses of an emergency medical services department, a fire department, a sheriff's office, or a police department. To receive reimbursement, the county must:

1. Generate a minimum of \$10 million in annual proceeds from any tax, or any combination of taxes, authorized to be levied pursuant to this section;
2. Have at least three municipalities; and
3. Have an estimated population of less than 225,000, according to the most recent population estimate prepared pursuant to s. 186.901, excluding the inmate population.

The board of county commissioners must by majority vote approve reimbursement made pursuant to this paragraph upon receipt of a recommendation from the tourist development council.

(e)(d) Any use of the local option tourist development tax revenues collected pursuant to this section for a purpose not expressly authorized by paragraph (3)(l) or paragraph (3)(n) or paragraphs (a)-(d) paragraph (a), paragraph (b), or paragraph (c) of this subsection is expressly prohibited.

Section 2. Effective upon this act becoming a law, paragraph (b) of subsection (14) and paragraph (b) of subsection (15) of section 196.012, Florida Statutes, are amended to read:

196.012 Definitions.—For the purpose of this chapter, the following terms are defined as follows, except where the context clearly indicates otherwise:

(14) "New business" means:

(b) Any business or organization located in an area that was designated as an enterprise zone pursuant to chapter 290 as of December 30, 2015, or brownfield area that first begins operation on a site clearly separate from any other commercial or industrial operation owned by the same business or organization.

(15) "Expansion of an existing business" means:

(b) Any business or organization located in an area that was designated as an enterprise zone pursuant to chapter 290 as of December 30, 2015, or brownfield area that increases operations on a site located within the same zone or area collocated with a commercial or industrial operation owned by the same business or organization under common control with the same business or organization.

Section 3. Effective upon this act becoming a law, subsections (5) and (11) of section 196.1995, Florida Statutes, are amended to read:

196.1995 Economic development ad valorem tax exemption.—

(5) Upon a majority vote in favor of such authority, the board of county commissioners or the governing authority of the municipality, at its discretion, by ordinance may exempt from ad valorem taxation up to 100 percent of the assessed value of all improvements to real property made by or for the use of a new business and of all tangible personal property of such new business, or up to 100 percent of the assessed value of all added improvements to real property made to facilitate the expansion of an existing business and of the net increase in all tangible personal property acquired to facilitate such expansion of an existing business. To qualify for this exemption, the improvements to real property must be made or the tangible personal property must be added or increased after approval by motion or resolution of the local governing body, subject to ordinance adoption or on or after the day the ordinance is adopted. However, if the authority to grant exemptions is approved in a referendum in which the ballot question contained in subsection (3) appears on the ballot, the authority of the board of county commissioners or the governing authority of the municipality to grant exemptions is limited solely to new businesses and expansions of existing businesses that are located in an area which was designated as an enterprise zone pursuant to chapter 290 as of December 30, 2015, or in a brownfield area. New businesses and expansions of existing businesses located in an area that was designated as an enterprise zone pursuant to chapter 290 as of December 30, 2015, but is not in a brownfield area, may qualify for the ad valorem tax exemption only if approved by motion or resolution of the local governing body, subject to ordinance adoption, or by ordinance, enacted before December 31, 2015. Property acquired to replace existing property shall not be considered to facilitate a business expansion. All data center equipment for a data center shall be exempt from ad valorem taxation for the term of the approved exemption. The exemption applies only to taxes levied by the respective unit of government granting the exemption. The exemption does not apply, however, to taxes levied for the payment of bonds or to taxes authorized by a vote of the electors pursuant to s. 9(b) or s. 12, Art. VII of the State Constitution. Any such exemption shall remain in effect for up to 10 years with respect to any particular facility, or up to 20 years for a data center, regardless of any change in the authority of the county or municipality to grant such exemptions or the expiration of the Enterprise Zone Act pursuant to chapter 290. The exemption shall not be prolonged

or extended by granting exemptions from additional taxes or by virtue of any reorganization or sale of the business receiving the exemption.

(11) An ordinance granting an exemption under this section shall be adopted in the same manner as any other ordinance of the county or municipality and shall include the following:

(a) The name and address of the new business or expansion of an existing business to which the exemption is granted;

(b) The total amount of revenue available to the county or municipality from ad valorem tax sources for the current fiscal year, the total amount of revenue lost to the county or municipality for the current fiscal year by virtue of economic development ad valorem tax exemptions currently in effect, and the estimated revenue loss to the county or municipality for the current fiscal year attributable to the exemption of the business named in the ordinance;

(c) The period of time for which the exemption will remain in effect and the expiration date of the exemption, which may be any period of time up to 10 years, or up to 20 years for a data center; and

(d) A finding that the business named in the ordinance meets the requirements of s. 196.012(14) or (15).

Section 4. *The amendments made by this act to ss. 196.012 and 196.1995, Florida Statutes, which relate to the ad valorem tax exemption for certain enterprise zone businesses are remedial in nature and apply retroactively to December 31, 2015, and the amendments to s. 196.1995, Florida Statutes, made by this act which relate to the ad valorem tax exemption for data center equipment apply upon this act becoming a law.*

Section 5. Section 201.15, Florida Statutes, is amended to read:

201.15 Distribution of taxes collected.—All taxes collected under this chapter are hereby pledged and shall be first made available to make payments when due on bonds issued pursuant to s. 215.618 or s. 215.619, or any other bonds authorized to be issued on a parity basis with such bonds. Such pledge and availability for the payment of these bonds shall have priority over any requirement for the payment of service charges or costs of collection and enforcement under this section. All taxes collected under this chapter, except taxes distributed to the Land Acquisition Trust Fund pursuant to subsections (1) and (2), are subject to the service charge imposed in s. 215.20(1). Before distribution pursuant to this section, the Department of Revenue shall deduct amounts necessary to pay the costs of the collection and enforcement of the tax levied by this chapter. The costs and service charge may not be levied against any portion of taxes pledged to debt service on bonds to the extent that the costs and service charge are required to pay any amounts relating to the bonds. All of the costs of the collection and enforcement of the tax levied by this chapter and the service charge shall be available and transferred to the extent necessary to pay debt service and any other amounts payable with respect to bonds authorized before January 1, 2017 ~~2015~~, secured by revenues distributed pursuant to this section. All taxes remaining after deduction of costs shall be distributed as follows:

(1) Amounts necessary to make payments on bonds issued pursuant to s. 215.618 or s. 215.619, as provided under paragraphs (3)(a) and (b), or on any other bonds authorized to be issued on a parity basis with such bonds shall be deposited into the Land Acquisition Trust Fund.

(2) If the amounts deposited pursuant to subsection (1) are less than 33 percent of all taxes collected after first deducting the costs of collection, an amount equal to 33 percent of all taxes collected after first deducting the costs of collection, minus the amounts deposited pursuant to subsection (1), shall be deposited into the Land Acquisition Trust Fund.

(3) Amounts on deposit in the Land Acquisition Trust Fund shall be used in the following order:

(a) Payment of debt service or funding of debt service reserve funds, rebate obligations, or other amounts payable with respect to Florida Forever bonds issued pursuant to s. 215.618. The amount used for such purposes may not exceed \$300 million in each fiscal year. It is the intent of the Legislature that all bonds issued to fund the Florida Forever Act be retired by December 31, 2040. Except for bonds issued to refund previously issued bonds, no series of bonds may be issued pursuant to

this paragraph unless such bonds are approved and the debt service for the remainder of the fiscal year in which the bonds are issued is specifically appropriated in the General Appropriations Act.

(b) Payment of debt service or funding of debt service reserve funds, rebate obligations, or other amounts due with respect to Everglades restoration bonds issued pursuant to s. 215.619. Taxes distributed under paragraph (a) and this paragraph must be collectively distributed on a pro rata basis when the available moneys under this subsection are not sufficient to cover the amounts required under paragraph (a) and this paragraph.

Bonds issued pursuant to s. 215.618 or s. 215.619 are equally and ratably secured by moneys distributable to the Land Acquisition Trust Fund.

(4) After the required distributions to the Land Acquisition Trust Fund pursuant to subsections (1) and (2) and deduction of the service charge imposed pursuant to s. 215.20(1), the remainder shall be distributed as follows:

(a) The lesser of 24.18442 percent of the remainder or \$541.75 million in each fiscal year shall be paid into the State Treasury to the credit of the State Transportation Trust Fund. Of such funds, \$75 million for each fiscal year shall be transferred to the State Economic Enhancement and Development Trust Fund within the Department of Economic Opportunity. Notwithstanding any other law, the remaining amount credited to the State Transportation Trust Fund shall be used for:

1. Capital funding for the New Starts Transit Program, authorized by Title 49, U.S.C. s. 5309 and specified in s. 341.051, in the amount of 10 percent of the funds;

2. The Small County Outreach Program specified in s. 339.2818, in the amount of 10 percent of the funds;

3. The Strategic Intermodal System specified in ss. 339.61, 339.62, 339.63, and 339.64, in the amount of 75 percent of the funds after deduction of the payments required pursuant to subparagraphs 1. and 2.; and

4. The Transportation Regional Incentive Program specified in s. 339.2819, in the amount of 25 percent of the funds after deduction of the payments required pursuant to subparagraphs 1. and 2. The first \$60 million of the funds allocated pursuant to this subparagraph shall be allocated annually to the Florida Rail Enterprise for the purposes established in s. 341.303(5).

(b) The lesser of 0.1456 percent of the remainder or \$3.25 million in each fiscal year shall be paid into the State Treasury to the credit of the Grants and Donations Trust Fund in the Department of Economic Opportunity to fund technical assistance to local governments.

Moneys distributed pursuant to paragraphs (a) and (b) may not be pledged for debt service unless such pledge is approved by referendum of the voters.

(c) Eleven and twenty-four hundredths percent of the remainder in each fiscal year shall be paid into the State Treasury to the credit of the State Housing Trust Fund. Of such funds, the first \$35 million shall be transferred annually, subject to any distribution required under subsection (5), to the State Economic Enhancement and Development Trust Fund within the Department of Economic Opportunity. The remainder shall be used as follows:

1. Half of that amount shall be used for the purposes for which the State Housing Trust Fund was created and exists by law.

2. Half of that amount shall be paid into the State Treasury to the credit of the Local Government Housing Trust Fund and used for the purposes for which the Local Government Housing Trust Fund was created and exists by law.

(d) Twelve and ninety-three hundredths percent of the remainder in each fiscal year shall be paid into the State Treasury to the credit of the State Housing Trust Fund. Of such funds, the first \$40 million shall be transferred annually, subject to any distribution required under subsection (5), to the State Economic Enhancement and Development Trust

Fund within the Department of Economic Opportunity. The remainder shall be used as follows:

1. Twelve and one-half percent of that amount shall be deposited into the State Housing Trust Fund and expended by the Department of Economic Opportunity and the Florida Housing Finance Corporation for the purposes for which the State Housing Trust Fund was created and exists by law.

2. Eighty-seven and one-half percent of that amount shall be distributed to the Local Government Housing Trust Fund and used for the purposes for which the Local Government Housing Trust Fund was created and exists by law. Funds from this category may also be used to provide for state and local services to assist the homeless.

(e) The lesser of 0.017 percent of the remainder or \$300,000 in each fiscal year shall be paid into the State Treasury to the credit of the General Inspection Trust Fund to be used to fund oyster management and restoration programs as provided in s. 379.362(3).

(5) Distributions to the State Housing Trust Fund pursuant to paragraphs (4)(c) and (d) must be sufficient to cover amounts required to be transferred to the Florida Affordable Housing Guarantee Program's annual debt service reserve and guarantee fund pursuant to s. 420.5092(6)(a) and (b) up to the amount required to be transferred to such reserve and fund based on the percentage distribution of documentary stamp tax revenues to the State Housing Trust Fund which is in effect in the 2004-2005 fiscal year.

(6) After the distributions provided in the preceding subsections, any remaining taxes shall be paid into the State Treasury to the credit of the General Revenue Fund.

Section 6. Paragraph (b) of subsection (1) of section 206.9825, Florida Statutes, is amended to read:

206.9825 Aviation fuel tax.—

(1)

(b) Any licensed wholesaler or terminal supplier that delivers aviation fuel to an air carrier offering transcontinental jet service and that, after January 1, 1996, *but before July 1, 2016*, increases the air carrier's Florida workforce by more than 1,000 percent and by 250 or more full-time equivalent employee positions, may receive a credit or refund as the ultimate vendor of the aviation fuel for the 6.9 cents excise tax previously paid, provided that the air carrier has no facility for fueling highway vehicles from the tank in which the aviation fuel is stored. In calculating the new or additional Florida full-time equivalent employee positions, any full-time equivalent employee positions of parent or subsidiary corporations which existed before January 1, 1996, shall not be counted toward reaching the Florida employment increase thresholds. The refund allowed under this paragraph is in furtherance of the goals and policies of the State Comprehensive Plan set forth in s. 187.201(16)(a), (b)1., 2., (17)(a), (b)1., 4., (19)(a), (b)5., (21)(a), (b)1., 2., 4., 7., 9., and 12.

Section 7. Effective July 1, 2019, section 206.9825, Florida Statutes, as amended by this act, is amended to read:

206.9825 Aviation fuel tax.—

(1)(a) Except as otherwise provided in this part, an excise tax of 4.27 ~~6.9~~ cents per gallon of aviation fuel is imposed upon every gallon of aviation fuel sold in this state, or brought into this state for use, upon which such tax has not been paid or the payment thereof has not been lawfully assumed by some person handling the same in this state. Fuel taxed pursuant to this part ~~is~~ shall not be subject to the taxes imposed by ss. 206.41(1)(d), (e), and (f) and 206.87(1)(b), (c), and (d).

~~(b) Any licensed wholesaler or terminal supplier that delivers aviation fuel to an air carrier offering transcontinental jet service and that, after January 1, 1996, but before July 1, 2016, increases the air carrier's Florida workforce by more than 1,000 percent and by 250 or more full-time equivalent employee positions, may receive a credit or refund as the ultimate vendor of the aviation fuel for the 6.9 cents excise tax previously paid, provided that the air carrier has no facility for fueling highway vehicles from the tank in which the aviation fuel is stored. In calculating the new or additional Florida full-time equivalent~~

~~employee positions, any full-time equivalent employee positions of parent or subsidiary corporations which existed before January 1, 1996, shall not be counted toward reaching the Florida employment increase thresholds. The refund allowed under this paragraph is in furtherance of the goals and policies of the State Comprehensive Plan set forth in s. 187.201(16)(a), (b)1., 2., (17)(a), (b)1., 4., (19)(a), (b)5., (21)(a), (b)1., 2., 4., 7., 9., and 12.~~

~~(e) If, before July 1, 2001, the number of full-time equivalent employee positions created or added to the air carrier's Florida workforce falls below 250, the exemption granted pursuant to this section shall not apply during the period in which the air carrier has fewer than the 250 additional employees.~~

~~(d) The exemption taken by credit or refund pursuant to paragraph (b) shall apply only under the terms and conditions set forth therein. If any part of that paragraph is judicially declared to be unconstitutional or invalid, the validity of any provisions taxing aviation fuel shall not be affected and all fuel exempted pursuant to paragraph (b) shall be subject to tax as if the exemption was never enacted. Every person benefiting from such exemption shall be liable for and make payment of all taxes for which a credit or refund was granted.~~

(b)(~~e~~)1. Sales of aviation fuel to, and exclusively used for flight training through a school of aeronautics or college of aviation by, a college based in this state which is a tax-exempt organization under s. 501(c)(3) of the Internal Revenue Code or a university based in this state are exempt from the tax imposed by this part if the college or university:

a. Is accredited by or has applied for accreditation by the Aviation Accreditation Board International; and

b. Offers a graduate program in aeronautical or aerospace engineering or offers flight training through a school of aeronautics or college of aviation.

2. A licensed wholesaler or terminal supplier that sells aviation fuel to a college or university qualified under this paragraph and that does not collect the aviation fuel tax from the college or university on such sale may receive an ultimate vendor credit for the 4.27-cent ~~6.9-cent~~ excise tax previously paid on the aviation fuel delivered to such college or university.

3. A college or university qualified under this paragraph which purchases aviation fuel from a retail supplier, including a fixed-base operator, and pays the 4.27-cent ~~6.9-cent~~ excise tax on the purchase may apply for and receive a refund of the aviation fuel tax paid.

(2)(a) An excise tax of 4.27 ~~6.9~~ cents per gallon is imposed on each gallon of kerosene in the same manner as prescribed for diesel fuel under ss. 206.87(2) and 206.872.

(b) The exemptions provided by s. 206.874 shall apply to kerosene if the dyeing and marking requirements of s. 206.8741 are met.

(c) Kerosene prepackaged in containers of 5 gallons or less and labeled "Not for Use in a Motor Vehicle" is exempt from the taxes imposed by this part when sold for home heating and cooking. Packagers may qualify for a refund of taxes previously paid, as prescribed by the department.

(d) Sales of kerosene in quantities of 5 gallons or less by a person not licensed under this chapter who has no facilities for placing kerosene in the fuel supply system of a motor vehicle may qualify for a refund of taxes paid. Refunds of taxes paid shall be limited to sales for use in home heating or cooking and shall be documented as prescribed by the department.

(3) An excise tax of 4.27 ~~6.9~~ cents per gallon is imposed on each gallon of aviation gasoline in the manner prescribed by paragraph (2)(a). However, the exemptions allowed by paragraph (2)(b) do not apply to aviation gasoline.

(4) Any licensed wholesaler or terminal supplier that delivers undyed kerosene to a residence for home heating or cooking may receive a credit or refund as the ultimate vendor of the kerosene for the 4.27-cent ~~6.9-cent~~ excise tax previously paid.

(5) Any licensed wholesaler or terminal supplier that delivers undyed kerosene to a retail dealer not licensed as a wholesaler or terminal supplier for sale as a home heating or cooking fuel may receive a credit or refund as the ultimate vendor of the kerosene for the ~~4.27-cent 6.9 cents~~ excise tax previously paid, provided the retail dealer has no facility for fueling highway vehicles from the tank in which the kerosene is stored.

(6) Any person who fails to meet the requirements of this section is subject to a backup tax as provided by s. 206.873.

Section 8. Section 210.13, Florida Statutes, is amended to read:

210.13 Determination of tax on failure to file a return.—If a dealer or other person required to remit the tax under this part fails to file any return required under this part; or, having filed an incorrect or insufficient return, fails to file a correct or sufficient return, as the case may require, within 10 days after the giving of notice to the dealer or other person by the Division of Alcoholic Beverages and Tobacco that such return or corrected or sufficient return is required, the division shall determine the amount of tax due by such dealer or other person any time within 3 years after the making of the earliest sale included in such determination and give written notice of such determination to such dealer or other person. Such a determination shall finally and irrevocably fix the tax unless the dealer or other person against whom it is assessed ~~shall~~, within 30 days after the giving of notice of such determination, ~~applies apply~~ to the division for a hearing. Judicial review shall not be granted unless the amount of tax stated in the decision, with penalties thereon, if any, ~~is shall have been~~ first deposited with the division, and an undertaking or bond filed in the court in which such cause may be pending in such amount and with such sureties as the court shall approve, conditioned that if such proceeding be dismissed or the decision of the division confirmed, the applicant for review will pay all costs and charges which may accrue against the applicant in the prosecution of the proceeding. At the option of the applicant, such undertaking or bond may be in an additional sum sufficient to cover the tax, penalties, costs, and charges aforesaid, in which event the applicant shall not be required to pay such tax and penalties precedent to the granting of such review by such court.

Section 9. Subsections (1) through (13) of section 210.25, Florida Statutes, are renumbered as subsections (2) through (14), respectively, a new subsection (1) is added to that section, and present subsection (13) of that section is amended, to read:

210.25 Definitions.—As used in this part:

(1) “Affiliate” means a manufacturer or other person that directly or indirectly, through one or more intermediaries, controls or is controlled by a distributor or that is under common control with a distributor.

(14)~~(13)~~ “Wholesale sales price” means the sum of:

(a) The full price paid by the distributor to acquire the tobacco products, including charges by the seller for the cost of materials, the cost of labor and service, charges for transportation and delivery, the federal excise tax, and any other charge, even if the charge is listed as a separate item on the invoice paid by the ~~established price for which a manufacturer sells a tobacco product to a distributor~~, exclusive of any diminution by volume or other discounts, including a discount provided to a distributor by an affiliate; and

(b) The federal excise tax paid by the distributor on the tobacco products if the tax is not included in the full price under paragraph (a).

Section 10. Paragraph (a) of subsection (1) of section 212.05, Florida Statutes, is amended to read:

212.05 Sales, storage, use tax.—It is hereby declared to be the legislative intent that every person is exercising a taxable privilege who engages in the business of selling tangible personal property at retail in this state, including the business of making mail order sales, or who rents or furnishes any of the things or services taxable under this chapter, or who stores for use or consumption in this state any item or article of tangible personal property as defined herein and who leases or rents such property within the state.

(1) For the exercise of such privilege, a tax is levied on each taxable transaction or incident, which tax is due and payable as follows:

(a)1.a. At the rate of 6 percent of the sales price of each item or article of tangible personal property when sold at retail in this state, computed on each taxable sale for the purpose of remitting the amount of tax due the state, and including each and every retail sale.

b. Each occasional or isolated sale of an aircraft, boat, mobile home, or motor vehicle of a class or type which is required to be registered, licensed, titled, or documented in this state or by the United States Government shall be subject to tax at the rate provided in this paragraph. The department shall by rule adopt any nationally recognized publication for valuation of used motor vehicles as the reference price list for any used motor vehicle which is required to be licensed pursuant to s. 320.08(1), (2), (3)(a), (b), (c), or (e), or (9). If any party to an occasional or isolated sale of such a vehicle reports to the tax collector a sales price which is less than 80 percent of the average loan price for the specified model and year of such vehicle as listed in the most recent reference price list, the tax levied under this paragraph shall be computed by the department on such average loan price unless the parties to the sale have provided to the tax collector an affidavit signed by each party, or other substantial proof, stating the actual sales price. Any party to such sale who reports a sales price less than the actual sales price is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. The department shall collect or attempt to collect from such party any delinquent sales taxes. In addition, such party shall pay any tax due and any penalty and interest assessed plus a penalty equal to twice the amount of the additional tax owed. Notwithstanding any other provision of law, the Department of Revenue may waive or compromise any penalty imposed pursuant to this subparagraph.

2. This paragraph does not apply to the sale of a boat or aircraft by or through a registered dealer under this chapter to a purchaser who, at the time of taking delivery, is a nonresident of this state, does not make his or her permanent place of abode in this state, and is not engaged in carrying on in this state any employment, trade, business, or profession in which the boat or aircraft will be used in this state, or is a corporation none of the officers or directors of which is a resident of, or makes his or her permanent place of abode in, this state, or is a noncorporate entity that has no individual vested with authority to participate in the management, direction, or control of the entity's affairs who is a resident of, or makes his or her permanent abode in, this state. For purposes of this exemption, either a registered dealer acting on his or her own behalf as seller, a registered dealer acting as broker on behalf of a seller, or a registered dealer acting as broker on behalf of the purchaser may be deemed to be the selling dealer. This exemption shall not be allowed unless:

a. The purchaser removes a qualifying boat, as described in subparagraph f., from the state within 90 days after the date of purchase or extension, or the purchaser removes a nonqualifying boat or an aircraft from this state within 10 days after the date of purchase or, when the boat or aircraft is repaired or altered, within 20 days after completion of the repairs or alterations; or if the aircraft will be registered in a foreign jurisdiction and:

(I) Application for the aircraft's registration is properly filed with a civil airworthiness authority of a foreign jurisdiction within 10 days after the date of purchase;

(II) The purchaser removes the aircraft from the state to a foreign jurisdiction within 10 days after the date the aircraft is registered by the applicable foreign airworthiness authority; and

(III) The aircraft is operated in the state solely to remove it from the state to a foreign jurisdiction.

For purposes of this sub-subparagraph, the term “foreign jurisdiction” means any jurisdiction outside of the United States or any of its territories;

b. The purchaser, within 30 days from the date of departure, ~~provides shall provide~~ the department with written proof that the purchaser licensed, registered, titled, or documented the boat or aircraft outside the state. If such written proof is unavailable, within 30 days the purchaser shall provide proof that the purchaser applied for such license, title, registration, or documentation. The purchaser shall forward to the department proof of title, license, registration, or documentation upon receipt;

c. The purchaser, within 10 days of removing the boat or aircraft from Florida, ~~furnishes shall furnish~~ the department with proof of removal in the form of receipts for fuel, dockage, slippage, tie-down, or hanging from outside of Florida. The information so provided must clearly and specifically identify the boat or aircraft;

d. The selling dealer, within 5 days of the date of sale, ~~provides shall provide~~ to the department a copy of the sales invoice, closing statement, bills of sale, and the original affidavit signed by the purchaser attesting that he or she has read the provisions of this section;

e. The seller makes a copy of the affidavit a part of his or her record for as long as required by s. 213.35; and

f. Unless the nonresident purchaser of a boat of 5 net tons of admeasurement or larger intends to remove the boat from this state within 10 days after the date of purchase or when the boat is repaired or altered, within 20 days after completion of the repairs or alterations, the nonresident purchaser ~~applies shall apply~~ to the selling dealer for a decal which authorizes 90 days after the date of purchase for removal of the boat. The nonresident purchaser of a qualifying boat may apply to the selling dealer within 60 days after the date of purchase for an extension decal that authorizes the boat to remain in this state for an additional 90 days, but not more than a total of 180 days, before the nonresident purchaser is required to pay the tax imposed by this chapter. The department is authorized to issue decals in advance to dealers. The number of decals issued in advance to a dealer shall be consistent with the volume of the dealer's past sales of boats which qualify under this sub-subparagraph. The selling dealer or his or her agent shall mark and affix the decals to qualifying boats in the manner prescribed by the department, ~~before prior to~~ delivery of the boat.

(I) The department is hereby authorized to charge dealers a fee sufficient to recover the costs of decals issued, except the extension decal shall cost \$425.

(II) The proceeds from the sale of decals will be deposited into the administrative trust fund.

(III) Decals shall display information to identify the boat as a qualifying boat under this sub-subparagraph, including, but not limited to, the decal's date of expiration.

(IV) The department is authorized to require dealers who purchase decals to file reports with the department and may prescribe all necessary records by rule. All such records are subject to inspection by the department.

(V) Any dealer or his or her agent who issues a decal falsely, fails to affix a decal, mismarks the expiration date of a decal, or fails to properly account for decals will be considered prima facie to have committed a fraudulent act to evade the tax and will be liable for payment of the tax plus a mandatory penalty of 200 percent of the tax, and shall be liable for fine and punishment as provided by law for a conviction of a misdemeanor of the first degree, as provided in s. 775.082 or s. 775.083.

(VI) Any nonresident purchaser of a boat who removes a decal ~~before prior to~~ permanently removing the boat from the state, or defaces, changes, modifies, or alters a decal in a manner affecting its expiration date ~~before prior to~~ its expiration, or who causes or allows the same to be done by another, will be considered prima facie to have committed a fraudulent act to evade the tax and will be liable for payment of the tax plus a mandatory penalty of 200 percent of the tax, and shall be liable for fine and punishment as provided by law for a conviction of a misdemeanor of the first degree, as provided in s. 775.082 or s. 775.083.

(VII) The department is authorized to adopt rules necessary to administer and enforce this subparagraph and to publish the necessary forms and instructions.

(VIII) The department is hereby authorized to adopt emergency rules pursuant to s. 120.54(4) to administer and enforce the provisions of this subparagraph.

If the purchaser fails to remove the qualifying boat from this state within the maximum 180 days after purchase or a nonqualifying boat or an aircraft from this state within 10 days after purchase or, when the boat or aircraft is repaired or altered, within 20 days after completion of such repairs or alterations, or permits the boat or aircraft to return to

this state within 6 months from the date of departure, except as provided in s. 212.08(7)(fff), or if the purchaser fails to furnish the department with any of the documentation required by this subparagraph within the prescribed time period, the purchaser shall be liable for use tax on the cost price of the boat or aircraft and, in addition thereto, payment of a penalty to the Department of Revenue equal to the tax payable. This penalty shall be in lieu of the penalty imposed by s. 212.12(2). The maximum 180-day period following the sale of a qualifying boat tax-exempt to a nonresident may not be tolled for any reason.

Section 11. Paragraph (c) of subsection (1) of section 212.06, Florida Statutes, is amended to read:

212.06 Sales, storage, use tax; collectible from dealers; "dealer" defined; dealers to collect from purchasers; legislative intent as to scope of tax.—

(1)

(c)1. Notwithstanding the provisions of paragraph (b), the use tax on asphalt manufactured for one's own use shall be calculated with respect to paragraph (b) only upon the cost of materials which become a component part or which are an ingredient of the finished asphalt and upon the cost of the transportation of such components and ingredients. In addition, an indexed tax of 38 cents per ton of such manufactured asphalt shall be due at the same time and in the same manner as taxes due pursuant to paragraph (b). Beginning July 1, 1989, the indexed tax shall be adjusted each July 1 to an amount, rounded to the nearest cent, equal to the product of 38 cents multiplied by a fraction, the numerator of which is the annual average of the "materials and components for construction" series of the producer price index, as calculated and published by the United States Department of Labor, Bureau of Statistics, for the previous calendar year, and the denominator of which is the annual average of said series for calendar year 1988.

2.a. Beginning July 1, 1999, the indexed tax imposed by this paragraph on manufactured asphalt which is used for any federal, state, or local government public works project shall be reduced by 20 percent.

b. Beginning July 1, 2000, the indexed tax imposed by this paragraph on manufactured asphalt which is used for any federal, state, or local government public works project shall be reduced by 40 percent.

c. *Beginning July 1, 2016, the indexed tax imposed by this paragraph on manufactured asphalt which is used for any federal, state, or local government public works project shall be reduced by 60 percent.*

d. *Beginning July 1, 2017, the indexed tax imposed by this paragraph on manufactured asphalt which is used for any federal, state, or local government public works project shall be reduced by 80 percent.*

e. *Beginning July 1, 2018, manufactured asphalt used for any federal, state, or local government public works project shall be exempt from the indexed tax imposed by this paragraph.*

Section 12. Paragraphs (n) and (kkk) of subsection (7) of section 212.08, Florida Statutes, are amended to read:

212.08 Sales, rental, use, consumption, distribution, and storage tax; specified exemptions.—The sale at retail, the rental, the use, the consumption, the distribution, and the storage to be used or consumed in this state of the following are hereby specifically exempt from the tax imposed by this chapter.

(7) MISCELLANEOUS EXEMPTIONS.—Exemptions provided to any entity by this chapter do not inure to any transaction that is otherwise taxable under this chapter when payment is made by a representative or employee of the entity by any means, including, but not limited to, cash, check, or credit card, even when that representative or employee is subsequently reimbursed by the entity. In addition, exemptions provided to any entity by this subsection do not inure to any transaction that is otherwise taxable under this chapter unless the entity has obtained a sales tax exemption certificate from the department or the entity obtains or provides other documentation as required by the department. Eligible purchases or leases made with such a certificate must be in strict compliance with this subsection and departmental rules, and any person who makes an exempt purchase with a certificate that is not in strict compliance with this subsection and the

rules is liable for and shall pay the tax. The department may adopt rules to administer this subsection.

(n) *Veterans' organizations.*—

1. There are exempt from the tax imposed by this chapter transactions involving sales or leases to qualified veterans' organizations and their auxiliaries when used in carrying on their customary veterans' organization activities or sales of food or drink by qualified veterans' organizations in connection with customary veterans' organization activities to members of qualified veterans' organizations.

2. As used in this paragraph, the term "veterans' organizations" means nationally chartered or recognized veterans' organizations, including, but not limited to, the American Legion, Veterans of Foreign Wars of the United States, Florida chapters of the Paralyzed Veterans of America, Catholic War Veterans of the U.S.A., Jewish War Veterans of the U.S.A., and the Disabled American Veterans, Department of Florida, Inc., which hold current exemptions from federal income tax under s. 501(c)(4) or (19) of the Internal Revenue Code of 1986, as amended.

(kkk) *Certain machinery and equipment.*—

1. Industrial machinery and equipment purchased by eligible manufacturing businesses which is used at a fixed location in ~~within this state, or a mixer drum affixed to a mixer truck which is used at any location within this state to mix, agitate, and transport freshly mixed concrete in a plastic state,~~ for the manufacture, processing, compounding, or production of items of tangible personal property for sale is ~~shall be exempt from the tax imposed by this chapter. Parts and labor required to affix a mixer drum exempt under this paragraph to a mixer truck are also exempt.~~ If, at the time of purchase, the purchaser furnishes the seller with a signed certificate certifying the purchaser's entitlement to exemption pursuant to this paragraph, the seller is not required to collect ~~is relieved of the responsibility for collecting the tax on the sale of such items, and the department shall look solely to the purchaser for recovery of the tax if it determines that the purchaser was not entitled to the exemption.~~

2. For purposes of this paragraph, the term:

a. "Eligible manufacturing business" means any business whose primary business activity at the location where the industrial machinery and equipment is located is within the industries classified under NAICS codes 31, 32, ~~and~~ 33, and 423930.

b. "Eligible postharvest activity business" means a business whose primary business activity, at the location where the postharvest machinery and equipment is located, is within the industries classified under NAICS code 115114.

c. ~~As used in this subparagraph,~~ "NAICS" means those classifications contained in the North American Industry Classification System, as published in 2007 by the Office of Management and Budget, Executive Office of the President.

~~d.~~ "Primary business activity" means an activity representing more than 50 percent of the activities conducted at the location where the industrial machinery and equipment or *postharvest machinery and equipment* is located.

~~e.~~ "Industrial machinery and equipment" means tangible personal property or other property that has a depreciable life of 3 years or more and that is used as an integral part in the manufacturing, processing, compounding, or production of tangible personal property for sale. *The term includes tangible personal property or other property that has a depreciable life of 3 years or more which is used as an integral part in the recycling of metals for sale.* A building and its structural components are not industrial machinery and equipment unless the building or structural component is so closely related to the industrial machinery and equipment that it houses or supports that the building or structural component can be expected to be replaced when the machinery and equipment are replaced. Heating and air conditioning systems are not industrial machinery and equipment unless the sole justification for their installation is to meet the requirements of the production process, even though the system may provide incidental comfort to employees or serve, to an insubstantial degree, nonproduction activities. The term includes parts and accessories for industrial machinery and equipment

only to the extent that the parts and accessories are purchased ~~prior to~~ the date the machinery and equipment are placed in service.

f. "Postharvest activities" means services performed on crops, after their harvest, with the intent of preparing them for market or further processing. *Postharvest activities include, but are not limited to, crop cleaning, sun drying, shelling, fumigating, curing, sorting, grading, packing, and cooling.*

g. "Postharvest machinery and equipment" means tangible personal property or other property with a depreciable life of 3 years or more which is used primarily for postharvest activities. A building and its structural components are not postharvest industrial machinery and equipment unless the building or structural component is so closely related to the postharvest machinery and equipment that it houses or supports that the building or structural component can be expected to be replaced when the postharvest machinery and equipment is replaced. Heating and air conditioning systems are not postharvest machinery and equipment unless the sole justification for their installation is to meet the requirements of the postharvest activities process, even though the system may provide incidental comfort to employees or serve, to an insubstantial degree, nonpostharvest activities.

3. *Postharvest machinery and equipment purchased by an eligible postharvest activity business which is used at a fixed location in this state is exempt from the tax imposed by this chapter. All labor charges for the repair of, and parts and materials used in the repair of and incorporated into, such postharvest machinery and equipment are also exempt. If, at the time of purchase, the purchaser furnishes the seller with a signed certificate certifying the purchaser's entitlement to exemption pursuant to this subparagraph, the seller is not required to collect the tax on the sale of such items, and the department shall look solely to the purchaser for recovery of the tax if it determines that the purchaser was not entitled to the exemption.*

~~4.~~ *A mixer drum affixed to a mixer truck which is used at any location in this state to mix, agitate, and transport freshly mixed concrete in a plastic state for sale is exempt from the tax imposed by this chapter. Parts and labor required to affix a mixer drum exempt under this subparagraph to a mixer truck are also exempt. If, at the time of purchase, the purchaser furnishes the seller with a signed certificate certifying the purchaser's entitlement to exemption pursuant to this subparagraph, the seller is not required to collect the tax on the sale of such items, and the department shall look solely to the purchaser for recovery of the tax if it determines that the purchaser was not entitled to the exemption. This subparagraph ~~paragraph~~ is repealed April 30, 2017.*

Section 13. Effective upon this act becoming a law and operating retroactively to January 1, 2016, paragraph (n) of subsection (1) and paragraph (c) of subsection (2) of section 220.03, Florida Statutes, are amended to read:

220.03 Definitions.—

(1) SPECIFIC TERMS.—When used in this code, and when not otherwise distinctly expressed or manifestly incompatible with the intent thereof, the following terms shall have the following meanings:

(n) "Internal Revenue Code" means the United States Internal Revenue Code of 1986, as amended and in effect on January 1, 2016 ~~2015~~, except as provided in subsection (3).

(2) DEFINITIONAL RULES.—When used in this code and neither otherwise distinctly expressed nor manifestly incompatible with the intent thereof:

(c) Any term used in this code has the same meaning as when used in a comparable context in the Internal Revenue Code and other statutes of the United States relating to federal income taxes, as such code and statutes are in effect on January 1, 2016 ~~2015~~. However, if subsection (3) is implemented, the meaning of a term shall be taken at the time the term is applied under this code.

Section 14. Effective upon this act becoming a law and operating retroactively to January 1, 2016, paragraph (e) of subsection (1) of section 220.13, Florida Statutes, is amended to read:

220.13 "Adjusted federal income" defined.—

(1) The term “adjusted federal income” means an amount equal to the taxpayer’s taxable income as defined in subsection (2), or such taxable income of more than one taxpayer as provided in s. 220.131, for the taxable year, adjusted as follows:

(e) *Adjustments related to federal acts.*—Taxpayers shall be required to make the adjustments prescribed in this paragraph for Florida tax purposes with respect to certain tax benefits received pursuant to the Economic Stimulus Act of 2008, the American Recovery and Reinvestment Act of 2009, the Small Business Jobs Act of 2010, the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010, the American Taxpayer Relief Act of 2012, and the Tax Increase Prevention Act of 2014, and the Consolidated Appropriations Act, 2016.

1. There shall be added to such taxable income an amount equal to 100 percent of any amount deducted for federal income tax purposes as bonus depreciation for the taxable year pursuant to ss. 167 and 168(k) of the Internal Revenue Code of 1986, as amended by s. 103 of Pub. L. No. 110-185, s. 1201 of Pub. L. No. 111-5, s. 2022 of Pub. L. No. 111-240, s. 401 of Pub. L. No. 111-312, s. 331 of Pub. L. No. 112-240, and s. 125 of Pub. L. No. 113-295, and s. 143 of Division Q of Pub. L. No. 114-113, for property placed in service after December 31, 2007, and before January 1, 2021 ~~2015~~. For the taxable year and for each of the 6 subsequent taxable years, there shall be subtracted from such taxable income an amount equal to one-seventh of the amount by which taxable income was increased pursuant to this subparagraph, notwithstanding any sale or other disposition of the property that is the subject of the adjustments and regardless of whether such property remains in service in the hands of the taxpayer.

2. There shall be added to such taxable income an amount equal to 100 percent of any amount in excess of \$128,000 deducted for federal income tax purposes for the taxable year pursuant to s. 179 of the Internal Revenue Code of 1986, as amended by s. 102 of Pub. L. No. 110-185, s. 1202 of Pub. L. No. 111-5, s. 2021 of Pub. L. No. 111-240, s. 402 of Pub. L. No. 111-312, s. 315 of Pub. L. No. 112-240, and s. 127 of Pub. L. No. 113-295, for taxable years beginning after December 31, 2007, and before January 1, 2015. For the taxable year and for each of the 6 subsequent taxable years, there shall be subtracted from such taxable income one-seventh of the amount by which taxable income was increased pursuant to this subparagraph, notwithstanding any sale or other disposition of the property that is the subject of the adjustments and regardless of whether such property remains in service in the hands of the taxpayer.

3. There shall be added to such taxable income an amount equal to the amount of deferred income not included in such taxable income pursuant to s. 108(i)(1) of the Internal Revenue Code of 1986, as amended by s. 1231 of Pub. L. No. 111-5. There shall be subtracted from such taxable income an amount equal to the amount of deferred income included in such taxable income pursuant to s. 108(i)(1) of the Internal Revenue Code of 1986, as amended by s. 1231 of Pub. L. No. 111-5.

4. Subtractions available under this paragraph may be transferred to the surviving or acquiring entity following a merger or acquisition and used in the same manner and with the same limitations as specified by this paragraph.

5. The additions and subtractions specified in this paragraph are intended to adjust taxable income for Florida tax purposes, and, notwithstanding any other provision of this code, such additions and subtractions shall be permitted to change a taxpayer’s net operating loss for Florida tax purposes.

Section 15. (1) *The Department of Revenue is authorized, and all conditions are deemed to be met, to adopt emergency rules pursuant to s. 120.54(4), Florida Statutes, for the purpose of implementing the amendments made by this act to s. 220.03(1)(n) and (2)(c), Florida Statutes, and s. 220.13(1)(e), Florida Statutes.*

(2) *Notwithstanding any other provision of law, emergency rules adopted pursuant to subsection (1) are effective for 6 months after adoption and may be renewed during the pendency of procedures to adopt permanent rules addressing the subject of the emergency rules.*

(3) *This section expires January 1, 2020.*

Section 16. Effective upon this act becoming a law and applicable to taxable years beginning on or after January 1, 2016, section 220.222, Florida Statutes, is amended to read:

220.222 Returns; time and place for filing.—

(1)(a) Returns required by this code shall be filed with the office of the department in Leon County or at such other place as the department may by regulation prescribe. All returns required for a DISC (Domestic International Sales Corporation) under paragraph 6011(c)(2) of the Internal Revenue Code shall be filed on or before the 1st day of the 10th month ~~after following~~ the close of the taxable year; all partnership information returns shall be filed on or before the 1st day of the 4th ~~5th~~ month ~~after following~~ the close of the taxable year; and all other returns shall be filed on or before the 1st day of the 5th ~~4th~~ month ~~after following~~ the close of the taxable year or the 15th day ~~after following~~ the due date, without extension, for the filing of the related federal return for the taxable year, unless under subsection (2) one or more extensions of time, not to exceed 6 months in the aggregate, for any such filing is granted.

(b) *Notwithstanding paragraph (a), for taxable years beginning before January 1, 2026, returns of taxpayers with a taxable year ending on June 30 shall be filed on or before the 1st day of the 4th month after the close of the taxable year or the 15th day after the due date, without extension, for the filing of the related federal return for the taxable year, unless under subsection (2) one or more extensions of time for any such filing is granted.*

(2)(a) When a taxpayer has been granted an extension or extensions of time within which to file its federal income tax return for any taxable year, and if the requirements of s. 220.32 are met, the filing of a request for such extension or extensions with the department shall automatically extend the due date of the return required under this code until ~~15 days after the expiration of the federal extension or until~~ the expiration of 6 months from the original due date, ~~whichever first occurs.~~

(b) The department may grant an extension or extensions of time for the filing of any return required under this code upon receiving a prior request therefor if good cause for an extension is shown. However, the aggregate extensions of time under ~~paragraph~~ paragraphs (a) and ~~this paragraph must (b) shall~~ not exceed 6 months. ~~An No~~ extension granted under this paragraph ~~is not shall~~ be valid unless the taxpayer complies with the requirements of s. 220.32.

(c) For purposes of this subsection, a taxpayer is not in compliance with the requirements of s. 220.32 if the taxpayer underpays the required payment by more than the greater of \$2,000 or 30 percent of the tax shown on the return when filed.

(d) *For taxable years beginning before January 1, 2026, the 6-month time period in paragraphs (a) and (b) shall be 7 months for taxpayers with a taxable year ending June 30 and shall be 5 months for taxpayers with a taxable year ending December 31.*

Section 17. Effective upon this act becoming a law and applicable to taxable years beginning on or after January 1, 2017, section 220.241, Florida Statutes, is amended to read:

220.241 Declaration; time for filing.—

(1) A declaration of estimated tax under this code shall be filed before the 1st day of the 6th ~~5th~~ month of each taxable year, except that if the minimum tax requirement of s. 220.24(1) is first met:

(a)(~~1~~) After the 3rd month and before the 6th month of the taxable year, the declaration shall be filed before the 1st day of the 7th month;

(b)(~~2~~) After the 5th month and before the 9th month of the taxable year, the declaration shall be filed before the 1st day of the 10th month; or

(c)(~~3~~) After the 8th month and before the 12th month of the taxable year, the declaration shall be filed for the taxable year before the 1st day of the succeeding taxable year.

(2) *Notwithstanding subsection (1), for taxable years beginning before January 1, 2026, taxpayers with a taxable year ending on June 30*

shall file declarations before the 1st day of the 5th month of each taxable year, unless paragraph (1)(a), paragraph (1)(b), or paragraph (1)(c) applies.

Section 18. Effective upon this act becoming a law and applicable to taxable years beginning on or after January 1, 2017, subsection (1) of section 220.33, Florida Statutes, is amended to read:

220.33 Payments of estimated tax.—A taxpayer required to file a declaration of estimated tax pursuant to s. 220.24 shall pay such estimated tax as follows:

(1) If the declaration is required to be filed before the 1st day of the 6th month of the taxable year, the estimated tax shall be paid in four equal installments. The first installment shall be paid at the time of the required filing of the declaration; the second and third installments shall be paid before the 1st day of the 7th month and before the 1st day of the 10th month of the taxable year, respectively; and the fourth installment shall be paid before the 1st day of the next taxable year.

Section 19. Effective upon this act becoming a law and applicable to taxable years beginning on or after January 1, 2017, paragraph (c) of subsection (2) of section 220.34, Florida Statutes, is amended to read:

220.34 Special rules relating to estimated tax.—

(2) No interest or penalty shall be due or paid with respect to a failure to pay estimated taxes except the following:

(c) The period of the underpayment for which interest and penalties apply shall commence on the date the installment was required to be paid, determined without regard to any extensions of time, and shall terminate on the earlier of the following dates:

1. The 1st first day of the 5th fourth month after following the close of the taxable year;

2. For taxable years beginning before January 1, 2026, for taxpayers with a taxable year ending June 30, the 1st day of the 4th month after the close of the taxable year; or

3. With respect to any portion of the underpayment, the date on which such portion is paid.

For purposes of this paragraph, a payment of estimated tax on any installment date shall be considered a payment of any previous underpayment only to the extent such payment exceeds the amount of the installment determined under subparagraph (b)1. for such installment date.

Section 20. Subsections (1) and (2) of section 561.121, Florida Statutes, are amended to read:

561.121 Deposit of revenue.—

(1) All state funds collected pursuant to ss. 563.05, 564.06, 565.02(9), and 565.12 shall be paid into the State Treasury and disbursed in the following manner:

(a) Two percent of monthly collections of the excise taxes on alcoholic beverages established in ss. 563.05, 564.06, and 565.12 and the tax on alcoholic beverages, cigarettes, and other tobacco products established in s. 565.02(9) shall be deposited into the Alcoholic Beverage and Tobacco Trust Fund to meet the division's appropriation for the state fiscal year.

(b) The remainder of the funds collected pursuant to ss. 563.05, 564.06, and 565.12 and the tax on alcoholic beverages, cigarettes, and other tobacco products established in s. 565.02(9) shall be credited to the General Revenue Fund.

(2) The unencumbered balance in the Alcoholic Beverage and Tobacco Trust Fund at the close of each fiscal year may not exceed \$2 million. These funds shall be held in reserve for use in the event that trust fund revenues are unable to meet the division's appropriation for the next fiscal year. In the event of a revenue shortfall, these funds shall be spent pursuant to subsection (3). Notwithstanding subsection (1), if the unencumbered balance on June 30 in any fiscal year is less than \$2

million, the department is authorized to retain the difference between the June 30 unencumbered balance in the trust fund and \$2 million from the July collections of state funds collected pursuant to ss. 563.05, 564.06, and 565.12 and the tax on alcoholic beverages, cigarettes, and other tobacco products established in s. 565.02(9). Any unencumbered funds in excess of reserve funds shall be transferred unallocated to the General Revenue Fund by August 31 of the next fiscal year.

Section 21. Subsection (4) of section 564.06, Florida Statutes, is amended to read:

564.06 Excise taxes on wines and beverages.—

(4) As to cider, which is made from the normal alcoholic fermentation of the juice of sound, ripe apples or pears, including but not limited to flavored, sparkling, or carbonated cider and cider made from condensed apple or pear must, that contain not less than one-half of 1 percent of alcohol by volume and not more than 7 percent of alcohol by volume, there shall be paid by all manufacturers and distributors a tax at the rate of \$.89 per gallon. With the sole exception of the excise tax rate, cider shall be considered wine and shall be subject to the provisions of this chapter.

Section 22. Subsection (9) of section 565.02, Florida Statutes, is amended to read:

565.02 License fees; vendors; clubs; caterers; and others.—

(9)(a) As used in this subsection, the term:

1. "Annual capacity" means an amount equal to the number of lower berths on a vessel multiplied by the number of embarkations of that vessel during a calendar year.

2. "Base rate" means an amount equal to the total taxes and surcharges paid by all permittees pursuant to the Beverage Law and chapter 210 for sales of alcoholic beverages, cigarettes, and other tobacco products taking place between January 1, 2015, and December 31, 2015, inclusive, divided by the sum of the annual capacities of all vessels permitted pursuant to former s. 565.02(9), Florida Statutes 2015, for calendar year 2015.

3. "Embarkation" means an instance in which a vessel departs from a port in this state.

4. "Lower berth" means a bed that is:

a. Affixed to a vessel;

b. Not located above another bed in the same cabin; and

c. Located in a cabin not in use by employees of the operator of the vessel or its contractors.

5. "Quarterly capacity" means an amount equal to the number of lower berths on a vessel multiplied by the number of embarkations of that vessel during a calendar quarter.

(b) It is the finding of the Legislature that passenger vessels engaged exclusively in foreign commerce are susceptible to a distinct and separate classification for purposes of the sale of alcoholic beverages, cigarettes, and other tobacco products under the Beverage Law and chapter 210.

(c) Upon the filing of an application and payment of an annual fee of \$1,100, the director is authorized to issue a permit authorizing the operator, or, if applicable, his or her concessionaire, of a passenger vessel which has cabin-berth capacity for at least 75 passengers, and which is engaged exclusively in foreign commerce, to sell alcoholic beverages, cigarettes, and other tobacco products on the vessel for consumption on board only:

1.(a) For no more than ~~During a period not in excess of~~ 24 hours before ~~prior to~~ departure while the vessel is moored at a dock or wharf in a port of this state; or

2.(b) At any time while the vessel is located in Florida territorial waters and is in transit to or from international waters.

One such permit shall be required for each such vessel and shall name the vessel for which it is issued. No license shall be required or tax levied by any municipality or county for the privilege of selling beverages, cigarettes, or other tobacco products for consumption on board such vessels. The beverages, cigarettes, or other tobacco products so sold may be purchased outside the state by the permittee, and the same shall not be considered as imported for the purposes of s. 561.14(3) solely because of such sale. The permittee is not required to obtain its beverages, cigarettes, or other tobacco products from licensees under the Beverage Law or chapter 210. Each permittee, ~~but it~~ shall keep a strict account of the quarterly capacity of each of its vessels ~~all such beverages sold within this state~~ and shall make ~~quarterly~~ monthly reports to the division on forms prepared and furnished by the division. ~~A permittee who sells on board the vessel beverages withdrawn from United States Bureau of Customs and Border Protection bonded storage on board the vessel may satisfy such accounting requirement by supplying the division with copies of the appropriate United States Bureau of Customs and Border Protection forms evidencing such withdrawals as importations under United States customs laws.~~

(d) ~~Each~~ Such permittee shall pay to the state a ~~an~~ excise tax for beverages, cigarettes, and other tobacco products sold pursuant to this subsection in an amount equal to the base rate multiplied by the permittee's quarterly capacity during the calendar quarter, less any tax or surcharge already paid by a licensed manufacturer or distributor pursuant to the Beverage Law or chapter 210 on beverages, cigarettes, and other tobacco products sold by the permittee pursuant to this subsection during the quarter for which tax is due ~~section, if such excise tax has not previously been paid, in an amount equal to the tax which would be required to be paid on such sales by a licensed manufacturer or distributor.~~

(e) A vendor holding such permit shall pay the tax ~~quarterly~~ monthly to the division at the same time he or she furnishes the required report. Such report shall be filed on or before the 15th day of each calendar quarter ~~month~~ for the quarterly capacity sales occurring during the previous calendar quarter ~~month~~.

(f) No later than August 1, 2016, each permittee shall report the annual capacity for each of its vessels for calendar year 2015 to the division on forms prepared and furnished by the division. No later than September 1, 2016, the division shall calculate the base rate and report it to each permittee. The base rate shall also be published in the Florida Administrative Register and on the department's website. The division may verify independently the information provided under this paragraph.

(g) Revenues collected pursuant to this subsection shall be distributed pursuant to s. 561.121(1).

Section 23. Subsection (1) of section 951.22, Florida Statutes, is amended to read:

951.22 County detention facilities; contraband articles.—

(1) It is unlawful, except through regular channels as duly authorized by the sheriff or officer in charge, to introduce into or possess upon the grounds of any county detention facility as defined in s. 951.23 or to give to or receive from any inmate of any such facility wherever said inmate is located at the time or to take or to attempt to take or send therefrom any of the following articles which are hereby declared to be contraband for the purposes of this act, to wit: Any written or recorded communication; any currency or coin; any article of food or clothing; any tobacco products as defined in s. 210.25(12) ~~210.25(11)~~; any cigarette as defined in s. 210.01(1); any cigar; any intoxicating beverage or beverage which causes or may cause an intoxicating effect; any narcotic, hypnotic, or excitative drug or drug of any kind or nature, including nasal inhalators, sleeping pills, barbiturates, and controlled substances as defined in s. 893.02(4); any firearm or any instrumentality customarily used or which is intended to be used as a dangerous weapon; and any instrumentality of any nature that may be or is intended to be used as an aid in effecting or attempting to effect an escape from a county facility.

Section 24. *Clothing and school supplies; sales tax holiday.*—

(1) *The tax levied under chapter 212, Florida Statutes, may not be collected during the period from 12:01 a.m. on August 5, 2016, through 11:59 p.m. on August 7, 2016, on the retail sale of:*

(a) *Clothing, wallets, or bags, including handbags, backpacks, fanny packs, and diaper bags, but excluding briefcases, suitcases, and other garment bags, having a sales price of \$60 or less per item. As used in this paragraph, the term "clothing" means:*

1. *Any article of wearing apparel intended to be worn on or about the human body, excluding watches, watchbands, jewelry, umbrellas, and handkerchiefs; and*

2. *All footwear, excluding skis, swim fins, roller blades, and skates.*

(b) *School supplies having a sales price of \$15 or less per item. As used in this paragraph, the term "school supplies" means pens, pencils, erasers, crayons, notebooks, notebook filler paper, legal pads, binders, lunch boxes, construction paper, markers, folders, poster board, composition books, poster paper, scissors, cellophane tape, glue or paste, rulers, computer disks, protractors, compasses, and calculators.*

(2) *The tax exemptions provided in this section do not apply to sales within a theme park or entertainment complex as defined in s. 509.013(9), Florida Statutes, within a public lodging establishment as defined in s. 509.013(4), Florida Statutes, or within an airport as defined in s. 330.27(2), Florida Statutes.*

(3) *The tax exemptions provided in this section apply at the option of a dealer if less than 5 percent of the dealer's gross sales of tangible personal property in the prior calendar year are comprised of items that would be exempt under this section. If a qualifying dealer chooses not to participate in the tax holiday, by August 1, 2016, the dealer must notify the Department of Revenue in writing of its election to collect sales tax during the holiday and must post a copy of that notice in a conspicuous location at its place of business.*

(4) *The Department of Revenue may, and all conditions are deemed met to, adopt emergency rules pursuant to s. 120.54(4), Florida Statutes, to administer this section.*

(5) *For the 2016-2017 fiscal year, the sum of \$229,982 in non-recurring funds is appropriated from the General Revenue Fund to the Department of Revenue for the purpose of implementing this section.*

Section 25. *For the 2016-2017 fiscal year, the sum of \$100,374 in nonrecurring funds is appropriated from the General Revenue Fund to the Department of Revenue for the purpose of implementing ss. 220.03, 220.13, 220.222, 220.241, 220.33, and 220.34, as amended by this act.*

Section 26. Except as otherwise expressly provided in this act and except for this section, which shall take effect upon this act becoming a law, this act shall take effect July 1, 2016.

MESSAGES FROM THE HOUSE OF REPRESENTATIVES

The Honorable Andy Gardiner, President

I am directed to inform the Senate that the House of Representatives has passed CS/CS/CS/SB 540, with 1 amendment, and requests the concurrence of the Senate.

Bob Ward, Clerk

CS for CS for CS for SB 540—A bill to be entitled An act relating to estates; creating s. 731.1055, F.S.; providing that the validity and the effect of a specified disposition of real property be determined by Florida law; amending s. 731.106, F.S.; conforming provisions to changes made by the act; amending s. 736.0802, F.S.; defining the term "pleading"; authorizing a trustee to pay attorney fees and costs from the assets of the trust without specified approval or court authorization in certain circumstances; requiring the trustee to serve a written notice of intent upon each qualified beneficiary of the trust before the payment is made; requiring the notice of intent to contain specified information and to be served in a specified manner; providing that specified qualified beneficiaries may be entitled to an order compelling the refund of a specified payment to the trust; requiring the court to award specified attorney fees and costs in certain circumstances; authorizing the court to prohibit a trustee from using trust assets to make a specified payment; authorizing the court to enter an order compelling the return of specified attorney fees and costs to the trust with interest at the statutory rate; requiring the court to deny a specified motion unless the court finds a reasonable basis to conclude that there has been a breach of the trust; authorizing a court to deny the motion if it finds good cause to do so; authorizing the movant to show that a reasonable basis exists, and a trustee to rebut the showing, through specified means; authorizing the court to impose such remedies or sanctions as it deems appropriate; providing that a trustee is authorized to use trust assets in a specified manner if a claim or defense of breach of trust is withdrawn, dismissed, or judicially resolved in a trial court without a determination that the trustee has committed a breach of trust; providing that specified proceedings, remedies, and rights are not limited; amending ss. 736.0816 and 736.1007, F.S.; conforming provisions to changes made by the act; providing an effective date.

House Amendment 1 (065027) (with title amendment)—Between lines 66 and 67, insert:

Section 3. Section 732.201, Florida Statutes, is amended to read:

732.201 Right to elective share.—The surviving spouse of a person who dies domiciled in Florida has the right to a share of the elective estate of the decedent as provided in this part, to be designated the elective share. The election does not reduce what the spouse receives if the election were not made and the spouse is not treated as having predeceased the decedent.

Section 4. It is the intent of the Legislature that the amendment to s. 732.201, Florida Statutes, made by this act is to clarify existing law.

And the title is amended as follows:

Remove line 7 and insert: 732.201, F.S.; revising the right to elective share for a surviving spouse; providing legislative intent; amending s. 736.0802, F.S.; defining the term "pleading";

The Honorable Andy Gardiner, President

I am directed to inform the Senate that the House of Representatives has passed CS/SB 230, with 1 amendment, and requests the concurrence of the Senate.

Bob Ward, Clerk

CS for SB 230—A bill to be entitled An act relating to missing persons with special needs; creating s. 937.041, F.S.; creating pilot projects in specified counties to provide personal devices to aid search-and-rescue efforts for persons with special needs; providing for administration of the project; requiring reports; providing for expiration; providing an appropriation; providing an effective date.

House Amendment 1 (930249) (with title amendment)—Remove lines 14-64 and insert: 937.041 Missing persons with special needs pilot projects.—

(1)(a) There is created a pilot project in Alachua, Baker, Columbia, Hamilton, and Suwannee Counties, to be known as "Project Leo," to provide personal devices to aid search-and-rescue efforts for persons with special needs in the case of elopement.

(b) There is created an additional pilot project in Palm Beach County to provide personal devices to aid search-and-rescue efforts for persons with special needs in the case of elopement.

(c) There is created an additional pilot project in Hillsborough County to provide personal devices to aid search-and-rescue efforts for persons with special needs in the case of elopement.

(2)(a)1. Participants for the pilot project specified in paragraph (1)(a) shall be selected based on criteria developed by the Center for Autism and Related Disabilities at the University of Florida.

2. Participants for the pilot project specified in paragraph (1)(b) shall be selected based on criteria developed by the Center for Autism and Related Disabilities at Florida Atlantic University.

3. Participants for the pilot project specified in paragraph (1)(c) shall be selected based on criteria developed by the Center for Autism and Related Disabilities at the University of South Florida.

(b) Criteria for participation in the pilot projects must include, at a minimum, the person's risk of elopement. The qualifying participants shall be selected on a first-come, first-served basis by the respective centers to the extent of available funding within their existing resources. Each project must be voluntary and free of charge to participants.

(3) Under each pilot project, personal devices to aid search-and-rescue efforts which are attachable to clothing or otherwise worn shall be provided by the respective center to the sheriff's offices of the participating counties. The devices shall be distributed to project participants by the county sheriff's offices in conjunction with the respective center. The respective center shall fund any costs associated with monitoring the devices.

(4) Each center shall submit a preliminary report by December 1, 2016, and a final report by December 15, 2017, to the Governor, the President of the Senate, and the Speaker of the House of Representatives describing the implementation and operation of its pilot project. At a minimum, each report must include the criteria used to select participants, the number of participants, the nature of the participants' special needs, the number of participants who elope, the amount of time taken to rescue such participants following elopement, and the outcome of any rescue attempts. Each final report shall also provide recommendations for modification or continued implementation of the project.

(5) Each project shall operate to the extent of available funding within the respective center's existing resources.

(6) This section expires June 30, 2018.

Section 2. For the 2016-2017 fiscal year, the sum of \$100,000 in nonrecurring funds is appropriated from the General Revenue Fund to the Center for Autism and Related Disabilities at the University of Florida, the sum of \$100,000 in nonrecurring funds is appropriated from the General Revenue Fund to the Center for Autism and Related Disabilities at Florida Atlantic University, and the sum of \$100,000 in nonrecurring funds is appropriated from the General Revenue Fund to the Center for Autism and Related Disabilities at the University of South Florida. The funds provided to each center shall be used for the purchase of personal devices to aid search-and-rescue efforts for persons with special needs in the case of elopement.

And the title is amended as follows:

Remove lines 6-8 and insert: needs; providing for administration of the projects; requiring reports; providing for expiration; providing appropriations; providing an effective date.

Bob Ward, Clerk

CS for SB 100—A bill to be entitled An act relating to the Petroleum Restoration Program; amending s. 376.305, F.S.; revising the eligibility requirements of the Abandoned Tank Restoration Program; deleting provisions prohibiting the relief of liability for persons who acquired title after a certain date; amending s. 376.3071, F.S.; revising legislative intent and purpose; deleting an expiration date; revising the criteria for determining what constitutes certain rehabilitation program tasks; revising the conditions for eligibility and methods for payment of costs for

the low-scored site initiative; revising the eligibility requirements for receiving rehabilitation funding; specifying that the issuance of a site rehabilitation completion order does not alter eligibility for state-funded remediation under certain circumstances; clarifying that a change in ownership does not preclude a site from entering into the program; providing additional funding for remediation and monitoring under certain circumstances; amending s. 376.30713, F.S.; revising advanced cleanup application requirements; increasing the total amount for which the department may contract for advanced cleanup work in a fiscal year; authorizing property owners and responsible parties to enter into voluntary cost-share agreements under certain circumstances; providing an effective date.

House Amendment 1 (594423) (with title amendment)—Between lines 30 and 31, insert:

Section 1. Present subsections (4) through (22) of section 376.301, Florida Statutes, are redesignated as subsections (5) through (23), respectively, present subsections (23) through (48) of that section are redesignated as subsections (25) through (50), respectively, and new subsections (4) and (24) are added to that section, to read:

376.301 Definitions of terms used in ss. 376.30-376.317, 376.70, and 376.75.—When used in ss. 376.30-376.317, 376.70, and 376.75, unless the context clearly requires otherwise, the term:

(4) “Background concentration” means the concentration of contaminants naturally occurring or resulting from anthropogenic impacts unrelated to the discharge of pollutants or hazardous substances at a contaminated site undergoing site rehabilitation.

(24) “Long-term natural attenuation” means natural attenuation approved by the department as a site rehabilitation program task for a period of more than 5 years.

Section 2. Paragraph (b) of subsection (1) and subsection (2) of section 376.30701, Florida Statutes, are amended to read:

376.30701 Application of risk-based corrective action principles to contaminated sites; applicability; legislative intent; rulemaking authority; contamination cleanup criteria; limitations; reopeners.—

(1) APPLICABILITY.—

(b) This section shall apply to all contaminated sites resulting from a discharge of pollutants or hazardous substances where legal responsibility for site rehabilitation exists pursuant to other provisions of this chapter or chapter 403, except for those contaminated sites subject to the risk-based corrective action cleanup criteria established for the petroleum, brownfields, and drycleaning programs pursuant to ss. 376.3071, 376.81, and 376.3078, respectively. *This section does not apply to nonprogram petroleum-contaminated sites unless application of this section is requested by the person responsible for site rehabilitation.*

(2) INTENT; RULEMAKING AUTHORITY; CLEANUP CRITERIA.—It is the intent of the Legislature to protect the health of all people under actual circumstances of exposure. By July 1, 2004, the secretary of the department shall establish criteria by rule for the purpose of determining, on a site-specific basis, the rehabilitation program tasks that comprise a site rehabilitation program, including a voluntary site rehabilitation program, and the level at which a rehabilitation program task and a site rehabilitation program may be deemed completed. In establishing these rules, the department shall apply, to the maximum extent feasible, a risk-based corrective action process to achieve protection of human health and safety and the environment in a cost-effective manner based on the principles set forth in this subsection. These rules shall prescribe a phased risk-based corrective action process that is iterative and that tailors site rehabilitation tasks to site-specific conditions and risks. The department and the person responsible for site rehabilitation are encouraged to establish decision points at which risk management decisions will be made. The department shall provide an early decision, when requested, regarding applicable exposure factors and a risk management approach based on the current and future land use at the site. These rules ~~must~~ ~~shall~~ ~~also~~ include protocols for the use of natural attenuation, *including long-term natural attenuation where site conditions warrant*, the use of institutional and engineering controls, and the issuance of “No Further Action” orders. The criteria for determining what constitutes a rehabilitation program task or com-

pletion of a site rehabilitation program task or site rehabilitation program, including a voluntary site rehabilitation program, must:

(a) Consider the current exposure and potential risk of exposure to humans and the environment, including multiple pathways of exposure. The physical, chemical, and biological characteristics of each contaminant must be considered in order to determine the feasibility of a risk-based corrective action assessment.

(b) Establish the point of compliance at the source of the contamination. However, the department ~~may be authorized to~~ temporarily move the point of compliance to the boundary of the property, or to the edge of the plume when the plume is within the property boundary, while cleanup, including cleanup through natural attenuation processes in conjunction with appropriate monitoring, is proceeding. The department ~~may also be authorized,~~ pursuant to criteria provided in this section, ~~to~~ temporarily extend the point of compliance beyond the property boundary with appropriate monitoring, if such extension is needed to facilitate natural attenuation or to address the current conditions of the plume, provided human health, public safety, and the environment are protected. When temporarily extending the point of compliance beyond the property boundary, it cannot be extended further than the lateral extent of the plume, if known, at the time of execution of a cleanup agreement, if required, or the lateral extent of the plume as defined at the time of site assessment. Temporary extension of the point of compliance beyond the property boundary, as provided in this paragraph, must include actual notice by the person responsible for site rehabilitation to local governments and the owners of any property into which the point of compliance is allowed to extend and constructive notice to residents and business tenants of the property into which the point of compliance is allowed to extend. Persons receiving notice pursuant to this paragraph shall have the opportunity to comment within 30 days after receipt of the notice. Additional notice concerning the status of natural attenuation processes shall be similarly provided to persons receiving notice pursuant to this paragraph every 5 years.

(c) Ensure that the site-specific cleanup goal is that all contaminated sites being cleaned up pursuant to this section ultimately achieve the applicable cleanup target levels provided in this subsection. In the circumstances provided in this subsection, and after constructive notice and opportunity to comment within 30 days after receipt of the notice to local government, owners of any property into which the point of compliance is allowed to extend, and residents of any property into which the point of compliance is allowed to extend, the department may allow concentrations of contaminants to temporarily exceed the applicable cleanup target levels while cleanup, including cleanup through natural attenuation processes in conjunction with appropriate monitoring, is proceeding, if human health, public safety, and the environment are protected.

(d) Allow the use of institutional or engineering controls at contaminated sites being cleaned up pursuant to this section, where appropriate, to eliminate or control the potential exposure to contaminants of humans or the environment. The use of controls must be preapproved by the department and only after constructive notice and opportunity to comment within 30 days after receipt of notice is provided to local governments, owners of any property into which the point of compliance is allowed to extend, and residents on any property into which the point of compliance is allowed to extend. When institutional or engineering controls are implemented to control exposure, the removal of the controls must have prior department approval and must be accompanied by the resumption of active cleanup, or other approved controls, unless cleanup target levels under this section have been achieved.

(e) Consider the ~~interactive additive~~ effects of contaminants, including additive, synergistic, and antagonistic effects. ~~The synergistic and antagonistic effects shall also be considered when the scientific data become available.~~

(f) Take into consideration individual site characteristics, which shall include, but not be limited to, the current and projected use of the affected groundwater and surface water in the vicinity of the site, current and projected land uses of the area affected by the contamination, the exposed population, the degree and extent of contamination, the rate of contaminant migration, the apparent or potential rate of contaminant degradation through natural attenuation processes, the lo-

cation of the plume, and the potential for further migration in relation to site property boundaries.

(g) Apply state water quality standards as follows:

1. Cleanup target levels for each contaminant found in groundwater shall be the applicable state water quality standards. Where such standards do not exist, the cleanup target levels for groundwater shall be based on the minimum criteria specified in department rule. The department shall apply the following, as appropriate, in establishing the applicable cleanup target levels: calculations using a lifetime cancer risk level of 1.0E-6; a hazard index of 1 or less; the best achievable detection limit; and nuisance, organoleptic, and aesthetic considerations. However, the department ~~may shall~~ not require site rehabilitation to achieve a cleanup target level for any individual contaminant that is more stringent than the site-specific, ~~naturally occurring~~ background concentration for that contaminant.

2. Where surface waters are exposed to contaminated groundwater, the cleanup target levels for the contaminants ~~must shall~~ be based on the more protective of the groundwater or surface water standards as established by department rule, *unless it has been demonstrated that the contaminants do not cause or contribute to the exceedance of applicable surface water quality criteria. In such circumstance,* the point of measuring compliance with the surface water standards shall be in the groundwater immediately adjacent to the surface water body.

3. Using risk-based corrective action principles, the department shall approve alternative cleanup target levels in conjunction with institutional and engineering controls, if needed, based upon an applicant's demonstration, using site-specific or other relevant data and information, risk assessment modeling results, including results from probabilistic risk assessment modeling, risk assessment studies, risk reduction techniques, or a combination thereof, that human health, public safety, and the environment are protected to the same degree as provided in subparagraphs 1. and 2. Where a state water quality standard is applicable, a deviation may not result in the application of cleanup target levels more stringent than the standard. In determining whether it is appropriate to establish alternative cleanup target levels at a site, the department must consider the effectiveness of source removal, if any, that has been completed at the site and the practical likelihood of the use of low yield or poor quality groundwater, the use of groundwater near marine surface water bodies, the current and projected use of the affected groundwater in the vicinity of the site, or the use of groundwater in the immediate vicinity of the contaminated area, where it has been demonstrated that the groundwater contamination is not migrating away from such localized source, provided human health, public safety, and the environment are protected. Groundwater resource protection remains the ultimate goal of cleanup, particularly in light of the state's continued growth and consequent demands for drinking water resources. The Legislature recognizes the need for a protective yet flexible cleanup approach that risk-based corrective action provides. Only where it is appropriate on a site-specific basis, using the criteria in this paragraph and careful evaluation by the department, shall proposed alternative cleanup target levels be approved. *If alternative cleanup target levels are used, institutional controls are not required if:*

a. *The only cleanup target levels exceeded are the groundwater cleanup target levels derived from nuisance, organoleptic, or aesthetic considerations;*

b. *Concentrations of all contaminants meet the state water quality standards or the minimum criteria, based on the protection of human health, public safety, and the environment, as provided in subparagraph 1.;*

c. *All of the groundwater cleanup target levels established pursuant to subparagraph 1. are met at the property boundary;*

d. *The person responsible for site rehabilitation has demonstrated that the contaminants will not migrate beyond the property boundary at concentrations that exceed the groundwater cleanup target levels established pursuant to subparagraph 1.;*

e. *The property has access to and is using an offsite water supply, and an unplugged private well is not used for domestic purposes; and*

f. The real property owner does not object to the “No Further Action” proposal to the department or the local pollution control program.

(h) Provide for the department to issue a “No Further Action” order, with conditions, including, but not limited to, the use of institutional or engineering controls where appropriate, when alternative cleanup target levels established pursuant to subparagraph (g)3. have been achieved or when the person responsible for site rehabilitation can demonstrate that the cleanup target level is unachievable with the use of available technologies. ~~Before~~ ~~Prior to~~ issuing such an order, the department shall consider the feasibility of an alternative site rehabilitation technology at the contaminated site.

(i) Establish appropriate cleanup target levels for soils. Although there are existing state water quality standards, there are no existing state soil quality standards. The Legislature does not intend, through the adoption of this section, to create such soil quality standards. The specific rulemaking authority granted pursuant to this section merely authorizes the department to establish appropriate soil cleanup target levels. These soil cleanup target levels shall be applicable at sites only after a determination as to legal responsibility for site rehabilitation has been made pursuant to other provisions of this chapter or chapter 403.

1. In establishing soil cleanup target levels for human exposure to each contaminant found in soils from the land surface to 2 feet below land surface, the department shall apply the following, as appropriate: calculations using a lifetime cancer risk level of 1.0E-6; a hazard index of 1 or less; and the best achievable detection limit. However, the department ~~may shall~~ not require site rehabilitation to achieve a cleanup target level for an individual contaminant that is more stringent than the site-specific, ~~naturally occurring~~ background concentration for that contaminant. Institutional controls or other methods shall be used to prevent human exposure to contaminated soils more than 2 feet below the land surface. Any removal of such institutional controls shall require such contaminated soils to be remediated.

2. Leachability-based soil cleanup target levels shall be based on protection of the groundwater cleanup target levels or the alternate cleanup target levels for groundwater established pursuant to this paragraph, as appropriate. Source removal and other cost-effective alternatives that are technologically feasible shall be considered in achieving the leachability soil cleanup target levels established by the department. The leachability goals ~~are shall~~ not be applicable if the department determines, based upon individual site characteristics, and in conjunction with institutional and engineering controls, if needed, that contaminants will not leach into the groundwater at levels that pose a threat to human health, public safety, and the environment.

3. Using risk-based corrective action principles, the department shall approve alternative cleanup target levels in conjunction with institutional and engineering controls, if needed, based upon an applicant’s demonstration, using site-specific or other relevant data and information, risk assessment modeling results, including results from probabilistic risk assessment modeling, risk assessment studies, risk reduction techniques, or a combination thereof, that human health, public safety, and the environment are protected to the same degree as provided in subparagraphs 1. and 2.

The department shall require source removal as a risk reduction measure if warranted and cost-effective. Once source removal at a site is complete, the department shall reevaluate the site to determine the degree of active cleanup needed to continue. Further, the department shall determine if the reevaluated site qualifies for monitoring only or if no further action is required to rehabilitate the site. If additional site rehabilitation is necessary to reach “No Further Action” status, the department is encouraged to utilize natural attenuation monitoring, including long-term natural attenuation ~~and~~ monitoring, where site conditions warrant.

Section 3. Present subsections (3) through (11) of section 376.79, Florida Statutes, are redesignated as subsections (4) through (12), respectively, present subsections (12) through (19) are redesignated as subsections (14) through (21), respectively, and new subsections (3) and (13) are added to that section, to read:

376.79 Definitions relating to Brownfields Redevelopment Act.—As used in ss. 376.77-376.85, the term:

(3) “Background concentration” means the concentration of contaminants naturally occurring or resulting from anthropogenic impacts unrelated to the discharge of pollutants or hazardous substances at a contaminated site undergoing site rehabilitation.

(13) “Long-term natural attenuation” means natural attenuation approved by the department as a site rehabilitation program task for a period of more than 5 years.

Section 4. Section 376.81, Florida Statutes, is amended to read:

376.81 Brownfield site and brownfield areas contamination cleanup criteria.—

(1) It is the intent of the Legislature to protect the health of all people under actual circumstances of exposure. By July 1, 2001, the secretary of the department shall establish criteria by rule for the purpose of determining, on a site-specific basis, the rehabilitation program tasks that comprise a site rehabilitation program and the level at which a rehabilitation program task and a site rehabilitation program may be deemed completed. In establishing the rule, the department shall apply, to the maximum extent feasible, a risk-based corrective action process to achieve protection of human health and safety and the environment in a cost-effective manner based on the principles set forth in this subsection. The rule must prescribe a phased risk-based corrective action process that is iterative and that tailors site rehabilitation tasks to site-specific conditions and risks. The department and the person responsible for brownfield site rehabilitation are encouraged to establish decision points at which risk management decisions will be made. The department shall provide an early decision, when requested, regarding applicable exposure factors and a risk management approach based on the current and future land use at the site. The rule ~~must shall~~ ~~also~~ include protocols for the use of natural attenuation, including long-term natural attenuation where site conditions warrant, the use of institutional and engineering controls, and the issuance of “no further action” letters. The criteria for determining what constitutes a rehabilitation program task or completion of a site rehabilitation program task or site rehabilitation program must:

(a) Consider the current exposure and potential risk of exposure to humans and the environment, including multiple pathways of exposure. The physical, chemical, and biological characteristics of each contaminant must be considered in order to determine the feasibility of risk-based corrective action assessment.

(b) Establish the point of compliance at the source of the contamination. However, the department ~~may is authorized to~~ temporarily move the point of compliance to the boundary of the property, or to the edge of the plume when the plume is within the property boundary, while cleanup, including cleanup through natural attenuation processes in conjunction with appropriate monitoring, is proceeding. The department ~~may also is authorized,~~ pursuant to criteria provided for in this section, ~~to~~ temporarily extend the point of compliance beyond the property boundary with appropriate monitoring, if such extension is needed to facilitate natural attenuation or to address the current conditions of the plume, provided human health, public safety, and the environment are protected. When temporarily extending the point of compliance beyond the property boundary, it cannot be extended further than the lateral extent of the plume at the time of execution of the brownfield site rehabilitation agreement, if known, or the lateral extent of the plume as defined at the time of site assessment. Temporary extension of the point of compliance beyond the property boundary, as provided in this paragraph, must include actual notice by the person responsible for brownfield site rehabilitation to local governments and the owners of any property into which the point of compliance is allowed to extend and constructive notice to residents and business tenants of the property into which the point of compliance is allowed to extend. Persons receiving notice pursuant to this paragraph shall have the opportunity to comment within 30 days of receipt of the notice.

(c) Ensure that the site-specific cleanup goal is that all contaminated brownfield sites and brownfield areas ultimately achieve the applicable cleanup target levels provided in this section. In the circumstances provided below, and after constructive notice and opportunity to comment within 30 days from receipt of the notice to local government, to owners of any property into which the point of compliance is allowed to extend, and to residents on any property into which the point of compliance is allowed to extend, the department may allow con-

centrations of contaminants to temporarily exceed the applicable cleanup target levels while cleanup, including cleanup through natural attenuation processes in conjunction with appropriate monitoring, is proceeding, if human health, public safety, and the environment are protected.

(d) Allow brownfield site and brownfield area rehabilitation programs to include the use of institutional or engineering controls, where appropriate, to eliminate or control the potential exposure to contaminants of humans or the environment. The use of controls must be preapproved by the department and only after constructive notice and opportunity to comment within 30 days from receipt of notice is provided to local governments, to owners of any property into which the point of compliance is allowed to extend, and to residents on any property into which the point of compliance is allowed to extend. When institutional or engineering controls are implemented to control exposure, the removal of the controls must have prior department approval and must be accompanied by the resumption of active cleanup, or other approved controls, unless cleanup target levels under this section have been achieved.

(e) Consider the *interactive additive effects of contaminants, including additive, synergistic, and antagonistic effects*. ~~The synergistic and antagonistic effects shall also be considered when the scientific data become available.~~

(f) Take into consideration individual site characteristics, which shall include, but not be limited to, the current and projected use of the affected groundwater and surface water in the vicinity of the site, current and projected land uses of the area affected by the contamination, the exposed population, the degree and extent of contamination, the rate of contaminant migration, the apparent or potential rate of contaminant degradation through natural attenuation processes, the location of the plume, and the potential for further migration in relation to site property boundaries.

(g) Apply state water quality standards as follows:

1. Cleanup target levels for each contaminant found in groundwater shall be the applicable state water quality standards. Where such standards do not exist, the cleanup target levels for groundwater shall be based on the minimum criteria specified in department rule. The department shall apply the following, as appropriate, in establishing the applicable cleanup target levels: calculations using a lifetime cancer risk level of 1.0E-6; a hazard index of 1 or less; the best achievable detection limit; and nuisance, organoleptic, and aesthetic considerations. However, the department ~~may~~ *shall* not require site rehabilitation to achieve a cleanup target level for any individual contaminant which is more stringent than the site-specific, ~~naturally occurring~~ background concentration for that contaminant.

2. Where surface waters are exposed to contaminated groundwater, the cleanup target levels for the contaminants ~~must~~ *shall* be based on the more protective of the groundwater or surface water standards as established by department rule, *unless it has been demonstrated that the contaminants do not cause or contribute to the exceedance of applicable surface water quality criteria. In such circumstances, the point of measuring compliance with the surface water standards shall be in the groundwater immediately adjacent to the surface water body.*

3. Using risk-based corrective action principles, the department shall approve alternative cleanup target levels in conjunction with institutional and engineering controls, if needed, based upon an applicant's demonstration, using site-specific or other relevant data and information, risk assessment modeling results, including results from probabilistic risk assessment modeling, risk assessment studies, risk reduction techniques, or a combination thereof, that human health, public safety, and the environment are protected to the same degree as provided in subparagraphs 1. and 2. Where a state water quality standard is applicable, a deviation may not result in the application of cleanup target levels more stringent than the standard. In determining whether it is appropriate to establish alternative cleanup target levels at a site, the department must consider the effectiveness of source removal, if any, which has been completed at the site and the practical likelihood of the use of low yield or poor quality groundwater, the use of groundwater near marine surface water bodies, the current and projected use of the affected groundwater in the vicinity of the site, or the use of groundwater in the immediate vicinity of the contaminated area,

where it has been demonstrated that the groundwater contamination is not migrating away from such localized source, provided human health, public safety, and the environment are protected. When using alternative cleanup target levels at a brownfield site, institutional controls ~~are~~ *shall* not be required if:

a. The only cleanup target levels exceeded are the groundwater cleanup target levels derived from nuisance, organoleptic, or aesthetic considerations;

b. Concentrations of all contaminants meet the state water quality standards or *the* minimum criteria, based on *the* protection of human health, provided in subparagraph 1.;

c. All of the groundwater cleanup target levels established pursuant to subparagraph 1. are met at the property boundary;

d. The person responsible for brownfield site rehabilitation has demonstrated that the contaminants will not migrate beyond the property boundary at concentrations exceeding the groundwater cleanup target levels established pursuant to subparagraph 1.;

e. The property has access to and is using an offsite water supply and no unplugged private wells are used for domestic purposes; and

f. The real property owner provides written acceptance of the "no further action" proposal to the department or the local pollution control program.

(h) Provide for the department to issue a "no further action order," with conditions, including, but not limited to, the use of institutional or engineering controls where appropriate, when alternative cleanup target levels established pursuant to subparagraph (g)3. have been achieved, or when the person responsible for brownfield site rehabilitation can demonstrate that the cleanup target level is unachievable within available technologies. ~~Before~~ *Prior to* issuing such an order, the department shall consider the feasibility of an alternative site rehabilitation technology ~~at in the brownfield site area.~~

(i) Establish appropriate cleanup target levels for soils.

1. In establishing soil cleanup target levels for human exposure to each contaminant found in soils from the land surface to 2 feet below land surface, the department shall apply the following, as appropriate: calculations using a lifetime cancer risk level of 1.0E-6; a hazard index of 1 or less; and the best achievable detection limit. However, the department ~~may~~ *shall* not require site rehabilitation to achieve a cleanup target level for an individual contaminant which is more stringent than the site-specific, ~~naturally occurring~~ background concentration for that contaminant. Institutional controls or other methods shall be used to prevent human exposure to contaminated soils more than 2 feet below the land surface. Any removal of such institutional controls shall require such contaminated soils to be remediated.

2. Leachability-based soil *cleanup* target levels shall be based on protection of the groundwater cleanup target levels or the alternate cleanup target levels for groundwater established pursuant to this paragraph, as appropriate. Source removal and other cost-effective alternatives that are technologically feasible shall be considered in achieving the leachability soil *cleanup* target levels established by the department. The leachability goals ~~are~~ *shall* not be applicable if the department determines, based upon individual site characteristics, and in conjunction with institutional and engineering controls, if needed, that contaminants will not leach into the groundwater at levels that pose a threat to human health, public safety, and the environment.

3. Using risk-based corrective action principles, the department shall approve alternative cleanup target levels in conjunction with institutional and engineering controls, if needed, based upon an applicant's demonstration, using site-specific or other relevant data and information, risk assessment modeling results, including results from probabilistic risk assessment modeling, risk assessment studies, risk reduction techniques, or a combination thereof, that human health, public safety, and the environment are protected to the same degree as provided in subparagraphs 1. and 2.

(2) The department shall require source removal, as a risk reduction measure, if warranted and cost-effective. Once source removal at a site is complete, the department shall reevaluate the site to determine the

degree of active cleanup needed to continue. Further, the department shall determine if the reevaluated site qualifies for monitoring only or if no further action is required to rehabilitate the site. If additional site rehabilitation is necessary to reach "no further action" status, the department is encouraged to utilize natural attenuation *monitoring, including long-term natural attenuation and* monitoring, where site conditions warrant.

(3) The cleanup criteria described in this section govern only site rehabilitation activities occurring at the contaminated site. Removal of contaminated media from a site for offsite relocation or treatment must be in accordance with all applicable federal, state, and local laws and regulations.

Section 5. Subsection (3) of section 196.1995, Florida Statutes, is amended to read:

196.1995 Economic development ad valorem tax exemption.—

(3) The board of county commissioners or the governing authority of the municipality that calls a referendum within its total jurisdiction to determine whether its respective jurisdiction may grant economic development ad valorem tax exemptions may vote to limit the effect of the referendum to authority to grant economic development tax exemptions for new businesses and expansions of existing businesses located in an enterprise zone or a brownfield area, as defined in s. 376.79(5) ~~s. 376.79(4)~~. If an area nominated to be an enterprise zone pursuant to s. 290.0055 has not yet been designated pursuant to s. 290.0065, the board of county commissioners or the governing authority of the municipality may call such referendum prior to such designation; however, the authority to grant economic development ad valorem tax exemptions does not apply until such area is designated pursuant to s. 290.0065. The ballot question in such referendum shall be in substantially the following form and shall be used in lieu of the ballot question prescribed in subsection (2):

Shall the board of county commissioners of this county (or the governing authority of this municipality, or both) be authorized to grant, pursuant to s. 3, Art. VII of the State Constitution, property tax exemptions for new businesses and expansions of existing businesses that are located in an enterprise zone or a brownfield area and that are expected to create new, full-time jobs in the county (or municipality, or both)?

....Yes—For authority to grant exemptions.

....No—Against authority to grant exemptions.

Section 6. Paragraph (a) of subsection (1) of section 287.0595, Florida Statutes, is amended to read:

287.0595 Pollution response action contracts; department rules.—

(1) The Department of Environmental Protection shall establish, by adopting administrative rules as provided in chapter 120:

(a) Procedures for determining the qualifications of responsible potential vendors prior to advertisement for and receipt of bids, proposals, or replies for pollution response action contracts, including procedures for the rejection of unqualified vendors. Response actions are those activities described in s. 376.301(39) ~~s. 376.301(37)~~.

Section 7. Paragraph (c) of subsection (5) of section 288.1175, Florida Statutes, is amended to read:

288.1175 Agriculture education and promotion facility.—

(5) The Department of Agriculture and Consumer Services shall competitively evaluate applications for funding of an agriculture education and promotion facility. If the number of applicants exceeds three, the Department of Agriculture and Consumer Services shall rank the applications based upon criteria developed by the Department of Agriculture and Consumer Services, with priority given in descending order to the following items:

(c) The location of the facility in a brownfield site as defined in s. 376.79(4) ~~s. 376.79(3)~~, a rural enterprise zone as defined in s. 290.004, an agriculturally depressed area as defined in s. 570.74, or a county that has lost its agricultural land to environmental restoration projects.

And the title is amended as follows:

Remove line 2 and insert: An act relating to pollution discharge removal and prevention; amending s. 376.301, F.S.; defining the terms "background concentration" and "long-term natural attenuation"; amending s. 376.30701, F.S.; exempting nonprogram petroleum-contaminated sites from the application of risk-based corrective action principles under certain circumstances; requiring the Department of Environmental Protection to include protocols for the use of long-term natural attenuation where site conditions warrant; requiring specified interactive effects of contaminants to be considered as cleanup criteria; revising how cleanup target levels are applied where surface waters are exposed to contaminated groundwater; authorizing the use of relevant data and information when assessing cleanup target levels; providing that institutional controls are not required under certain circumstances if alternative cleanup target levels are used; amending s. 376.79, F.S.; defining the terms "background concentration" and "long-term natural attenuation"; amending s. 376.81, F.S.; providing additional contamination cleanup criteria for brownfield sites and brownfield areas; amending ss. 196.1995, 287.0595, and 288.1175, F.S.; conforming cross-references;

On motion by Senator Simpson, the Senate concurred in the House amendment.

CS for SB 100 passed, as amended, was ordered engrossed, and then enrolled. The action of the Senate was certified to the House. The vote on passage was:

The Honorable Andy Gardiner, President

I am directed to inform the Senate that the House of Representatives has passed CS/SB 620, with 1 amendment, and requests the concurrence of the Senate.

Bob Ward, Clerk

CS for SB 620—A bill to be entitled An act relating to medical examiners; amending s. 382.011, F.S.; providing that a member of the public may not be charged for certain examinations, investigations, or autopsies; authorizing a county to charge a medical examiner approval fee under certain circumstances; providing an effective date.

House Amendment 1 (441261) (with title amendment)—Remove lines 24-37 and insert: determination of the cause of death.

Section 2. Subsection (3) of section 406.06, Florida Statutes, is amended to read:

406.06 District medical examiners; associates; suspension of medical examiners.—

(3) District medical examiners and associate medical examiners shall be entitled to compensation and such reasonable salary and fees as

are established by the board of county commissioners in the respective districts. *However, a county or district medical examiner may not charge a fee for the examination, investigation, or autopsy to determine the cause of death involving any of the circumstances listed in 406.11(1) if the decedent is listed in the death record filed with the Department of Health electronic death registration system as a veteran as defined in s. 1.01(14) or a minor. Additionally, a county or district medical examiner may not charge such a fee to a person licensed under chapter 497 or any other member of the public.*

Section 3. This act shall take effect October 1, 2017.

And the title is amended as follows:

House Amendment 1 (533707) to Senate Amendment 1 (768878) (with title amendment)—Remove lines 5-104 of the amendment and insert:

Section 1. *Telehealth utilization and insurance coverage report.*—

(1) *The Agency for Health Care Administration, the Department of Health, and the Office of Insurance Regulation shall, within existing resources, survey health care facilities, health maintenance organizations, health care practitioners, and health insurers, respectively, and perform any other research necessary to collect the following information:*

- (a) *The types of health care services provided via telehealth.*
- (b) *The extent to which telehealth is used by health care practitioners and health care facilities nationally and in the state.*
- (c) *The estimated costs and cost savings to health care entities, health care practitioners, and the state associated with using telehealth to provide health care services.*
- (d) *Which health care insurers, health maintenance organizations, and managed care organizations cover health care services provided to patients in Florida via telehealth, whether the coverage is restricted or limited, and how such coverage compares to that insurer's coverage for services provided in person. The comparison shall at a minimum include:*

- 1. *Covered medical or other health care services.*
- 2. *A description of whether payment rates for such services provided via telehealth are less than, equal to, or greater than payment rates for such services provided in person.*
- 3. *Any annual or lifetime dollar maximums on coverage for services provided via telehealth and in person.*
- 4. *Any copayments, coinsurance, or deductible amounts, or policy year, calendar year, lifetime, or other durational benefit limitation or maximum for benefits or services provided via telehealth and in person.*
- 5. *Any conditions imposed for coverage for services provided via telehealth that are not imposed for coverage for the same services provided in person.*

(e) *The barriers to using, implementing the use of, or accessing services via telehealth.*

(2) *The Telehealth Advisory Council is created within the Agency for Health Care Administration for the purpose of making recommendations based on the surveys and research findings required by this section. The agency shall use existing and available resources to administer and support the activities of the council under this section.*

(a) *Members of the council shall serve without compensation and are not entitled to reimbursement for per diem or travel expenses. The council shall consist of 15 members, as follows:*

1. *The Secretary of Health Care Administration, or his or her designee, who shall serve as the chair of the council.*

2. *The State Surgeon General or his or his designee.*

3. *The following members appointed by the Secretary of Health Care Administration:*

- a. *Two representatives of health insurers that offer coverage for telehealth services.*
- b. *Two representatives of organizations that represent health care facilities.*
- c. *Two representatives of entities that create or sell telehealth products.*
- d. *One representative of an organization that represents telehealth stakeholders.*

e. *Two representatives of long-term care services, one of whom shall be a representative of a nursing home and one of whom shall be a representative from a home health agency or community-based health services program.*

4. *The following members appointed by the State Surgeon General:*

- a. *Two health care practitioners, each of whom practices in a different area of medicine.*
- b. *Two representatives of organizations that represent health care practitioners.*

(b) *The council shall review the surveys and research findings required by this section and make recommendations to increase the use and accessibility of services provided via telehealth, including the identification of any barriers to implementing or accessing services provided via telehealth, in a report that shall be submitted to the Governor, the President of the Senate, and the Speaker of the House of Representatives on or before December 1, 2018.*

(3) *The Agency for Health Care Administration shall compile the surveys and research findings required by this section and submit a report of such findings to the Governor, the President of the Senate, and the Speaker of the House of Representatives on or before June 30, 2018.*

(4) *The Department of Health shall survey all health care practitioners, as defined in s. 456.001, upon and as a condition of licensure renewal to compile the information required pursuant to this section. The Department of Health and the Office of Insurance Regulation shall submit their survey and research findings to the agency and shall assist the agency in compiling the information to prepare the report.*

(5) *The Agency for Health Care Administration, the Department of Health, and the Office of Insurance Regulation may assess fines under ss. 408.813(2)(d), 456.072(2)(d), and 624.310(5), Florida Statutes, respectively, against a health care facility, health maintenance organization, health care practitioner, and health insurer for failure to complete the surveys required under this section.*

(6) *This section expires January 1, 2019.*

Section 2. This act shall take effect July 1, 2016.

And the title is amended as follows:

Remove lines 111-129 of the amendment and insert: An act relating to telehealth; requiring the Agency for Health Care Administration, the Department of Health, and the Office of Insurance Regulation to collect certain information; creating the Telehealth Advisory Council within the agency for specified purposes; specifying council membership; providing for council membership requirements; requiring the council to review certain findings and make recommendations in a report to the Governor and the Legislature by a specified date; requiring the agency to report such information to the Governor and Legislature by a specified date; providing certain enforcement authority to each agency; providing for expiration of the reporting requirement; providing an effective date.

(6) *This section expires June 30, 2018.*

Section 2. Subsection (1) of section 636.202, Florida Statutes, is amended to read:

636.202 Definitions.—As used in this part, the term:

(1) “Discount medical plan” means a business arrangement or contract in which a person, in exchange for fees, dues, charges, or other consideration, provides access for plan members to providers of medical services and the right to receive medical services from those providers at a discount. The term “discount medical plan” does not include any product regulated under chapter 627, chapter 641, or part I of this chapter, or any medical services provided through a telecommunications medium that does not offer a discount to the plan member for those medical services.

And the title is amended as follows:

Delete line 121 and insert: the reporting requirement; amending s. 636.202, F.S.; excluding medical services provided through certain telecommunications media from the definition of “discount medical plan”; providing an effective

Senator Garcia moved the following amendment which was adopted:

Senate Amendment 2 (703392) (with title amendment) to House Amendment 1 (533707) to Senate Amendment 1 (768878)—Between lines 102 and 103 insert:

Section 2. Notwithstanding the amendment made to s. 409.975(6), Florida Statutes, by HB 5101, 1st Eng., 2016 Regular Session, subsection (6) of s. 409.975, Florida Statutes, is reenacted to read:

409.975 Managed care plan accountability.—In addition to the requirements of s. 409.967, plans and providers participating in the managed medical assistance program shall comply with the requirements of this section.

(6) PROVIDER PAYMENT.—Managed care plans and hospitals shall negotiate mutually acceptable rates, methods, and terms of payment. For rates, methods, and terms of payment negotiated after the contract between the agency and the plan is executed, plans shall pay hospitals, at a minimum, the rate the agency would have paid on the first day of the contract between the provider and the plan. Such payments to hospitals may not exceed 120 percent of the rate the agency would have paid on the first day of the contract between the provider and the plan, unless specifically approved by the agency. Payment rates may be updated periodically.

Section 3. It is the intent of the Legislature that the reenactment of s. 409.975(6), Florida Statutes, made by this act shall control over the amendment to that subsection made by HB 5101, 1st Eng., 2016 Regular Session, regardless of the order in which the reenactment and the amendment are enacted.

And the title is amended as follows:

Delete lines 108-121 and insert: An act relating to health care; requiring the Agency for Health Care Administration, the Department of Health, and the Office of Insurance Regulation to collect certain information; creating the Telehealth Advisory Council within the agency for specified purposes; specifying council membership; providing for council membership requirements; requiring the council to review certain findings and make recommendations in a report to the Governor and the Legislature by a specified date; requiring the agency to report such information to the Governor and Legislature by a specified date; providing certain enforcement authority to each agency; providing for expiration of the reporting requirement; reenacting s. 409.975(6), F.S., relating to provider payment of managed medical assistance program participants; providing legislative intent regarding the effect of other legislation; providing an effective

—which was previously considered this day with pending **Amendment 2 (312550)** by Senator Negron.

Pursuant to Rule 7.1(1), there being no objection, consideration of the following late-filed amendment was allowed:

Senator Negron moved the following substitute amendment which was adopted:

Amendment 3 (277934) (with title amendment)—Delete lines 1721-1743 and insert:

(7) *Before a building or parcel of land is offered for lease or sale to a local or federal unit of government or a private party, it shall first be offered for lease to state agencies, state universities, and Florida College System institutions, with priority consideration given to state universities and Florida College System institutions. Within 60 days after the offer for lease of a surplus building or parcel, a state university or Florida College System institution that requests the lease must submit a plan for review and approval by the Board of Trustees of the Internal Improvement Trust Fund regarding the intended use, including future use, of the building or parcel of land before approval of a lease. Within 60 days after the offer for lease of a surplus building or parcel, a state agency that requests the lease of such facility or parcel must submit a plan for review and approval by the board of trustees regarding the intended use. The state agency plan must, at a minimum, include the proposed use of the facility or parcel, the estimated cost of renovation, a capital improvement plan for the building, evidence that the building or parcel meets an existing need that cannot otherwise be met, and other*

criteria developed by rule by the board of trustees. The board or its designee shall compare the estimated value of the building or parcel to any submitted business plan to determine if the lease or sale is in the best interest of the state. The board of trustees shall adopt rules pursuant to chapter 120 for the implementation of this section.

And the title is amended as follows:

Delete lines 123-125 and insert: to state agencies, state universities, or Florida College System institutions before being offered for lease or sale to a local or federal unit of government or private party; providing priority for state universities or Florida College System institutions;

Amendment 1 (588642) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsections (5) and (6) are added to section 311.12, Florida Statutes, to read:

311.12 Seaport security.—

(5) **ADVISORY COMMITTEE.**—

(a) *There is created the Seaport Security Advisory Committee, which shall be under the direction of the Florida Seaport Transportation and Economic Development Council.*

(b) *The committee shall consist of the following members:*

1. *Five or more port security directors appointed by the council chair shall serve as voting members. The council chair shall designate one member of the committee to serve as committee chair.*

2. *A designee from the United States Coast Guard shall serve ex officio as a nonvoting member.*

3. *A designee from United States Customs and Border Protection shall serve ex officio as a nonvoting member.*

4. *Two representatives from local law enforcement agencies providing security services at a Florida seaport shall serve ex officio as nonvoting members.*

(c) *The committee shall meet at the call of the chair but at least annually. A majority of the voting members constitutes a quorum for the purpose of transacting business of the committee, and a vote of the majority of the voting members present is required for official action by the committee.*

(d) *The committee shall provide a forum for discussion of seaport security issues, including, but not limited to, matters such as national and state security strategy and policy, actions required to meet current and future security threats, statewide cooperation on security issues, and security concerns of the state's maritime industry.*

(6) **GRANT PROGRAM.**—

(a) *The Florida Seaport Transportation and Economic Development Council shall establish a Seaport Security Grant Program for the purpose of assisting in the implementation of security plans and security measures at the seaports listed in s. 311.09(1). Funds may be used for the purchase of equipment, infrastructure needs, cybersecurity programs, and other security measures identified in a seaport's approved federal security plan. Such grants may not exceed 75 percent of the total cost of the request and are subject to legislative appropriation.*

(b) *The Seaport Security Advisory Committee shall review applications for the grant program and make recommendations to the council for grant approvals. The council shall adopt by rule criteria to implement this subsection.*

Section 2. Section 316.003, Florida Statutes, is reordered and amended to read:

316.003 **Definitions.**—The following words and phrases, when used in this chapter, shall have the meanings respectively ascribed to them in this section, except where the context otherwise requires:

(1) **AUTHORIZED EMERGENCY VEHICLES.**—Vehicles of the fire department (fire patrol), police vehicles, and such ambulances and emergency vehicles of municipal departments, public service corpora-

tions operated by private corporations, the Fish and Wildlife Conservation Commission, the Department of Environmental Protection, the Department of Health, the Department of Transportation, and the Department of Corrections as are designated or authorized by their respective department or the chief of police of an incorporated city or any sheriff of any of the various counties.

(2)(90) **AUTONOMOUS VEHICLE.**—Any vehicle equipped with autonomous technology. The term “autonomous technology” means technology installed on a motor vehicle that has the capability to drive the vehicle on which the technology is installed without the active control or monitoring by a human operator. The term excludes a motor vehicle enabled with active safety systems or driver assistance systems, including, without limitation, a system to provide electronic blind spot assistance, crash avoidance, emergency braking, parking assistance, adaptive cruise control, lane keep assistance, lane departure warning, or traffic jam and queuing assistant, unless any such system alone or in combination with other systems enables the vehicle on which the technology is installed to drive without the active control or monitoring by a human operator.

(3)(2) **BICYCLE.**—Every vehicle propelled solely by human power, and every motorized bicycle propelled by a combination of human power and an electric helper motor capable of propelling the vehicle at a speed of not more than 20 miles per hour on level ground upon which any person may ride, having two tandem wheels, and including any device generally recognized as a bicycle though equipped with two front or two rear wheels. The term does not include such a vehicle with a seat height of no more than 25 inches from the ground when the seat is adjusted to its highest position or a scooter or similar device. A ~~Ne~~ person under the age of 16 may not operate or ride upon a motorized bicycle.

(4)(63) **BICYCLE PATH.**—Any road, path, or way that is open to bicycle travel, which road, path, or way is physically separated from motorized vehicular traffic by an open space or by a barrier and is located either within the highway right-of-way or within an independent right-of-way.

(5)(76) **BRAKE HORSEPOWER.**—The actual unit of torque developed per unit of time at the output shaft of an engine, as measured by a dynamometer.

(6)(3) **BUS.**—Any motor vehicle designed for carrying more than 10 passengers and used for the transportation of persons and any motor vehicle, other than a taxicab, designed and used for the transportation of persons for compensation.

(7)(4) **BUSINESS DISTRICT.**—The territory contiguous to, and including, a highway when 50 percent or more of the frontage thereon, for a distance of 300 feet or more, is occupied by buildings in use for business.

(8)(5) **CANCELLATION.**—~~Declaration of Cancellation means that a license which was issued through error or fraud as is declared void and terminated. A new license may be obtained only as permitted in this chapter.~~

(9)(64) **CHIEF ADMINISTRATIVE OFFICER.**—The head, or his or her designee, of any law enforcement agency which is authorized to enforce traffic laws.

(10)(65) **CHILD.**—A child as defined in s. 39.01, s. 984.03, or s. 985.03.

(11) **COMMERCIAL MEGACYCLE.**—*A vehicle that has fully operational pedals for propulsion entirely by human power and meets all of the following requirements:*

(a) *Has four wheels and is operated in a manner similar to a bicycle.*

(b) *Has at least five but no more than 15 seats for passengers.*

(c) *Is primarily powered by pedaling but may have an auxiliary motor capable of propelling the vehicle at no more than 15 miles per hour.*

(12)(66) **COMMERCIAL MOTOR VEHICLE.**—Any self-propelled or towed vehicle used on the public highways in commerce to transport passengers or cargo, if such vehicle:

- (a) Has a gross vehicle weight rating of 10,000 pounds or more;
- (b) Is designed to transport more than 15 passengers, including the driver; or
- (c) Is used in the transportation of materials found to be hazardous for the purposes of the Hazardous Materials Transportation Act, as amended (49 U.S.C. ss. 1801 et seq.).

A vehicle that occasionally transports personal property to and from a closed-course motorsport facility, as defined in s. 549.09(1)(a), is not a commercial motor vehicle if it is not used for profit and corporate sponsorship is not involved. As used in this subsection, the term “corporate sponsorship” means a payment, donation, gratuity, in-kind service, or other benefit provided to or derived by a person in relation to the underlying activity, other than the display of product or corporate names, logos, or other graphic information on the property being transported.

~~(13)(67)~~ COURT.—The court having jurisdiction over traffic offenses.

~~(14)(6)~~ CROSSWALK.—

(a) That part of a roadway at an intersection included within the connections of the lateral lines of the sidewalks on opposite sides of the highway, measured from the curbs or, in the absence of curbs, from the edges of the traversable roadway.

(b) Any portion of a roadway at an intersection or elsewhere distinctly indicated for pedestrian crossing by lines or other markings on the surface.

~~(15)(7)~~ DAYTIME.—The period from a half hour before sunrise to a half hour after sunset. *The term “nighttime” means at any other hour.*

~~(16)(8)~~ DEPARTMENT.—The Department of Highway Safety and Motor Vehicles as defined in s. 20.24. Any reference herein to *the Department of Transportation* shall be construed as referring to the Department of Transportation *as*; defined in s. 20.23; or the appropriate division thereof.

~~(17)(9)~~ DIRECTOR.—The Director of the Division of the Florida Highway Patrol of the Department of Highway Safety and Motor Vehicles.

~~(18)(10)~~ DRIVER.—Any person who drives or is in actual physical control of a vehicle on a highway or who is exercising control of a vehicle or steering a vehicle being towed by a motor vehicle.

~~(19)~~ DRIVER-ASSISTIVE TRUCK PLATOONING TECHNOLOGY.—*Vehicle automation and safety technology that integrates sensor array, wireless vehicle-to-vehicle communications, active safety systems, and specialized software to link safety systems and synchronize acceleration and braking between two vehicles while leaving each vehicle’s steering control and systems command in the control of the vehicle’s driver in compliance with the National Highway Traffic Safety Administration rules regarding vehicle-to-vehicle communications.*

~~(20)(82)~~ ELECTRIC PERSONAL ASSISTIVE MOBILITY DEVICE.—Any self-balancing, two-nontandem-wheeled device, designed to transport only one person, with an electric propulsion system with average power of 750 watts (1 horsepower), the maximum speed of which, on a paved level surface when powered solely by such a propulsion system while being ridden by an operator who weighs 170 pounds, is less than 20 miles per hour. Electric personal assistive mobility devices are not vehicles as defined in this section.

~~(21)(11)~~ EXPLOSIVE.—Any chemical compound or mechanical mixture that is commonly used or intended for the purpose of producing an explosion and which contains any oxidizing and combustible units or other ingredients in such proportions, quantities, or packing that an ignition by fire, friction, concussion, percussion, or detonator of any part of the compound or mixture may cause such a sudden generation of highly heated gases that the resultant gaseous pressures are capable of producing destructive effect on contiguous objects or of destroying life or limb.

~~(22)(62)~~ FARM LABOR VEHICLE.—Any vehicle equipped and used for the transportation of nine or more migrant or seasonal farm workers, in addition to the driver, to or from a place of employment or employment-related activities. The term does not include:

- (a) Any vehicle carrying only members of the immediate family of the owner or driver.
- (b) Any vehicle being operated by a common carrier of passengers.
- (c) Any carpool as defined in s. 450.28(3).

The charter county, non-charter county, or municipality may use its currently appointed code enforcement board or special magistrate to serve as the local hearing officer. The department may enter into an interlocal agreement to use the local hearing officer of a county or municipality.

~~(35)(80)~~ MAXI-CUBE VEHICLE.—A specialized combination vehicle consisting of a truck carrying a separable cargo-carrying unit combined with a semitrailer designed so that the separable cargo-carrying unit is to be loaded and unloaded through the semitrailer. The entire combination may not exceed 65 feet in length, and a single component of that combination may not exceed 34 feet in length.

~~(36)(61)~~ MIGRANT OR SEASONAL FARM WORKER.—Any person employed in hand labor operations in planting, cultivation, or harvesting agricultural crops.

~~(37)(77)~~ MOPED.—Any vehicle with pedals to permit propulsion by human power, having a seat or saddle for the use of the rider and designed to travel on not more than three wheels; with a motor rated not in excess of 2 brake horsepower and not capable of propelling the vehicle at a speed greater than 30 miles per hour on level ground; and with a power-drive system that functions directly or automatically without clutching or shifting gears by the operator after the drive system is engaged. If an internal combustion engine is used, the displacement may not exceed 50 cubic centimeters.

~~(38)(86)~~ MOTOR CARRIER TRANSPORTATION CONTRACT.—

(a) A contract, agreement, or understanding covering:

1. The transportation of property for compensation or hire by the motor carrier;

2. Entrance on property by the motor carrier for the purpose of loading, unloading, or transporting property for compensation or hire; or

3. A service incidental to activity described in subparagraph 1. or subparagraph 2., including, but not limited to, storage of property.

(b) “Motor carrier transportation contract” does not include the Uniform Intermodal Interchange and Facilities Access Agreement administered by the Intermodal Association of North America or other agreements providing for the interchange, use, or possession of intermodal chassis, containers, or other intermodal equipment.

~~(39)(21)~~ MOTOR VEHICLE.—Except when used in s. 316.1001, a self-propelled vehicle not operated upon rails or guideway, but not including any bicycle, motorized scooter, electric personal assistive mobility device, swamp buggy, or moped. For purposes of s. 316.1001, “motor vehicle” has the same meaning as *provided* in s. 320.01(1)(a).

~~(40)(22)~~ MOTORCYCLE.—Any motor vehicle having a seat or saddle for the use of the rider and designed to travel on not more than three wheels in contact with the ground, but excluding a tractor or a moped.

~~(41)(82)~~ MOTORIZED SCOOTER.—Any vehicle not having a seat or saddle for the use of the rider, designed to travel on not more than three wheels, and not capable of propelling the vehicle at a speed greater than 30 miles per hour on level ground.

~~(42)(78)~~ NONPUBLIC SECTOR BUS.—Any bus which is used for the transportation of persons for compensation and which is not owned, leased, operated, or controlled by a municipal, county, or state government or a governmentally owned or managed nonprofit corporation.

~~(43)(23)~~ OFFICIAL TRAFFIC CONTROL DEVICES.—All signs, signals, markings, and devices, not inconsistent with this chapter, placed or erected by authority of a public body or official having jurisdiction for the purpose of regulating, warning, or guiding traffic.

~~(44)(24)~~ OFFICIAL TRAFFIC CONTROL SIGNAL.—Any device, whether manually, electrically, or mechanically operated, by which traffic is alternately directed to stop and permitted to proceed.

~~(45)(25)~~ OPERATOR.—Any person who is in actual physical control of a motor vehicle upon the highway, or who is exercising control over or steering a vehicle being towed by a motor vehicle.

~~(46)(26)~~ OWNER.—A person who holds the legal title of a vehicle. ~~If, or, in the event~~ a vehicle is the subject of an agreement for the conditional sale or lease thereof with the right of purchase upon performance of the conditions stated in the agreement and with an immediate right of possession vested in the conditional vendee or lessee, ~~or if in the event~~ a mortgagor of a vehicle is entitled to possession, ~~then~~ such conditional vendee, or lessee, or mortgagor shall be deemed the owner, for the purposes of this chapter.

~~(47)(27)~~ PARK OR PARKING.—The standing of a vehicle, whether occupied or not *occupied*, otherwise than temporarily for the purpose of and while actually engaged in loading or unloading merchandise or passengers as may be permitted by law under this chapter.

~~(48)(28)~~ PEDESTRIAN.—Any person afoot.

~~(49)(29)~~ PERSON.—Any natural person, firm, copartnership, association, or corporation.

~~(50)(30)~~ PNEUMATIC TIRE.—Any tire in which compressed air is designed to support the load.

~~(51)(31)~~ POLE TRAILER.—Any vehicle without motive power designed to be drawn by another vehicle and attached to the towing vehicle by means of a reach or pole, or by being boomed or otherwise secured to the towing vehicle, and ordinarily used for transporting long or irregularly shaped loads such as poles, pipes, or structural members capable, generally, of sustaining themselves as beams between the supporting connections.

~~(52)(32)~~ POLICE OFFICER.—Any officer authorized to direct or regulate traffic or to make arrests for violations of traffic regulations, including Florida highway patrol officers, sheriffs, deputy sheriffs, and municipal police officers.

~~(53)(33)~~ PRIVATE ROAD OR DRIVEWAY.—Except as otherwise provided in paragraph ~~(75)(b)~~ ~~(53)(b)~~, any privately owned way or place used for vehicular travel by the owner and those having express or implied permission from the owner, but not by other persons.

~~(54)(34)~~ RADIOACTIVE MATERIALS.—Any materials or combination of materials which emit ionizing radiation spontaneously in which the radioactivity per gram of material, in any form, is greater than 0.002 microcuries.

~~(55)(35)~~ RAILROAD.—A carrier of persons or property upon cars operated upon stationary rails.

~~(56)(36)~~ RAILROAD SIGN OR SIGNAL.—Any sign, signal, or device erected by authority of a public body or official, or by a railroad, and intended to give notice of the presence of railroad tracks or the approach of a railroad train.

~~(57)(37)~~ RAILROAD TRAIN.—A steam engine, electric or other motor, with or without cars coupled thereto, operated upon rails, except a streetcar.

~~(58)(38)~~ RESIDENCE DISTRICT.—The territory contiguous to, and including, a highway, not comprising a business district, when the property on such highway, for a distance of 300 feet or more, is, in the main, improved with residences or residences and buildings in use for business.

~~(59)(39)~~ REVOCATION.—~~Termination of Revocation means that~~ a licensee’s privilege to drive a motor vehicle ~~is terminated~~. A new license may be obtained only as permitted by law.

~~(60)(40)~~ RIGHT-OF-WAY.—The right of one vehicle or pedestrian to proceed in a lawful manner in preference to another vehicle or pedestrian approaching under such circumstances of direction, speed, and

proximity as to give rise to danger of collision unless one grants precedence to the other.

(61)(41) ROAD TRACTOR.—Any motor vehicle designed and used for drawing other vehicles and not so constructed as to carry any load thereon, either independently or as any part of the weight of a vehicle or load so drawn.

(62)(42) ROADWAY.—That portion of a highway improved, designed, or ordinarily used for vehicular travel, exclusive of the berm or shoulder. *If in the event* a highway includes two or more separate roadways, the term “roadway” ~~as used herein~~ refers to any such roadway separately, but not to all such roadways collectively.

(63)(43) SADDLE MOUNT; FULL MOUNT.—An arrangement whereby the front wheels of one vehicle rest in a secured position upon another vehicle. All of the wheels of the towing vehicle are upon the ground, and only the rear wheels of the towed vehicle rest upon the ground. Such combinations may include one full mount, whereby a smaller transport vehicle is placed completely on the last towed vehicle.

(64)(44) SAFETY ZONE.—The area or space officially set apart within a roadway for the exclusive use of pedestrians and protected or so marked by adequate signs or authorized pavement markings as to be plainly visible at all times while set apart as a safety zone.

(65)(92) SANITATION VEHICLE.—A motor vehicle that bears an emblem that is visible from the roadway and clearly identifies that the vehicle belongs to or is under contract with a person, entity, cooperative, board, commission, district, or unit of local government that provides garbage, trash, refuse, or recycling collection.

(66)(45) SCHOOL BUS.—Any motor vehicle that complies with the color and identification requirements of chapter 1006 and is used to transport children to or from public or private school or in connection with school activities, but not including buses operated by common carriers in urban transportation of school children. The term “school” includes all preelementary, elementary, secondary, and postsecondary schools.

(67)(46) SEMITRAILER.—Any vehicle with or without motive power, other than a pole trailer, designed for carrying persons or property and for being drawn by a motor vehicle and so constructed that some part of its weight and that of its load rests upon, or is carried by, another vehicle.

(68)(47) SIDEWALK.—That portion of a street between the curb-line, or the lateral line, of a roadway and the adjacent property lines, intended for use by pedestrians.

(69)(48) SPECIAL MOBILE EQUIPMENT.—Any vehicle not designed or used primarily for the transportation of persons or property and only incidentally operated or moved over a highway, including, but not limited to, ditchdigging apparatus, well-boring apparatus, and road construction and maintenance machinery, such as asphalt spreaders, bituminous mixers, bucket loaders, tractors other than truck tractors, ditchers, leveling graders, finishing machines, motor graders, road rollers, scarifiers, earthmoving carryalls and scrapers, power shovels and draglines, and self-propelled cranes and earthmoving equipment. The term does not include house trailers, dump trucks, truck-mounted transit mixers, cranes or shovels, or other vehicles designed for the transportation of persons or property to which machinery has been attached.

(70)(49) STAND OR STANDING.—The halting of a vehicle, whether occupied or not *occupied*, otherwise than temporarily, for the purpose of, and while actually engaged in, receiving or discharging passengers, as may be permitted by law under this chapter.

(71)(50) STATE ROAD.—Any highway designated as a state-maintained road by the Department of Transportation.

(72)(51) STOP.—When required, complete cessation from movement.

(73)(52) STOP OR STOPPING.—When prohibited, any halting, even momentarily, of a vehicle, whether occupied or not *occupied*, except when necessary to avoid conflict with other traffic or to comply with the directions of a law enforcement officer or traffic control sign or signal.

(74)(70) STRAIGHT TRUCK.—Any truck on which the cargo unit and the motive power unit are located on the same frame so as to form a single, rigid unit.

(75)(53) STREET OR HIGHWAY.—

(a) The entire width between the boundary lines of every way or place of whatever nature when any part thereof is open to the use of the public for purposes of vehicular traffic;

(b) The entire width between the boundary lines of any privately owned way or place used for vehicular travel by the owner and those having express or implied permission from the owner, but not by other persons, or any limited access road owned or controlled by a special district, whenever, by written agreement entered into under s. 316.006(2)(b) or (3)(b), a county or municipality exercises traffic control jurisdiction over said way or place;

(c) Any area, such as a runway, taxiway, ramp, clear zone, or parking lot, within the boundary of any airport owned by the state, a county, a municipality, or a political subdivision, which area is used for vehicular traffic but which is not open for vehicular operation by the general public; or

(d) Any way or place used for vehicular traffic on a controlled access basis within a mobile home park recreation district which has been created under s. 418.30 and the recreational facilities of which district are open to the general public.

(76)(54) SUSPENSION.—Temporary withdrawal of a licensee’s privilege to drive a motor vehicle.

(77)(89) SWAMP BUGGY.—A motorized off-road vehicle that is designed or modified to travel over swampy or varied terrain and that may use large tires or tracks operated from an elevated platform. The term does not include any vehicle defined in chapter 261 or otherwise defined or classified in this chapter.

(78)(81) TANDEM AXLE.—Any two axles ~~the whose~~ centers of *which* are more than 40 inches but not more than 96 inches apart and are individually attached to or articulated from, or both, a common attachment to the vehicle, including a connecting mechanism designed to equalize the load between axles.

(79)(71) TANDEM TRAILER TRUCK.—Any combination of a truck tractor, semitrailer, and trailer coupled together so as to operate as a complete unit.

(80)(72) TANDEM TRAILER TRUCK HIGHWAY NETWORK.—A highway network consisting primarily of four or more lanes, including all interstate highways; highways designated by the United States Department of Transportation as elements of the National Network; and any street or highway designated by the Florida Department of Transportation for use by tandem trailer trucks, in accordance with s. 316.515, except roads on which truck traffic was specifically prohibited on January 6, 1983.

(81)(73) TERMINAL.—Any location where:

(a) Freight ~~either~~ originates, terminates, or is handled in the transportation process; or

(b) Commercial motor carriers maintain operating facilities.

(82)(55) THROUGH HIGHWAY.—Any highway or portion thereof on which vehicular traffic is given the right-of-way and at the entrances to which vehicular traffic from intersecting highways is required to yield right-of-way to vehicles on such through highway in obedience to ~~either~~ a stop sign or yield sign, or otherwise in obedience to law.

(83)(56) TIRE WIDTH.—~~The Tire width is the~~ width stated on the surface of the tire by the manufacturer of the tire, if the width stated does not exceed 2 inches more than the width of the tire contacting the surface.

(84)(57) TRAFFIC.—Pedestrians, ridden or herded animals, and vehicles, streetcars, and other conveyances ~~either~~ singly or together while using any street or highway for purposes of travel.

(85)(87) **TRAFFIC INFRACTION DETECTOR.**—A vehicle sensor installed to work in conjunction with a traffic control signal and a camera or cameras synchronized to automatically record two or more sequenced photographic or electronic images or streaming video of only the rear of a motor vehicle at the time the vehicle fails to stop behind the stop bar or clearly marked stop line when facing a traffic control signal steady red light. Any notification under s. 316.0083(1)(b) or traffic citation issued by the use of a traffic infraction detector must include a photograph or other recorded image showing both the license tag of the offending vehicle and the traffic control device being violated.

(86)(84) **TRAFFIC SIGNAL PREEMPTION SYSTEM.**—Any system or device with the capability of activating a control mechanism mounted on or near traffic signals which alters a traffic signal's timing cycle.

(87)(58) **TRAILER.**—Any vehicle with or without motive power, other than a pole trailer, designed for carrying persons or property and for being drawn by a motor vehicle.

(88)(74) **TRANSPORTATION.**—The conveyance or movement of goods, materials, livestock, or persons from one location to another on any road, street, or highway open to travel by the public.

(89)(88) **TRI-VEHICLE.**—An enclosed three-wheeled passenger vehicle that:

- (a) Is designed to operate with three wheels in contact with the ground;
- (b) Has a minimum unladen weight of 900 pounds;
- (c) Has a single, completely enclosed, occupant compartment;
- (d) Is produced in a minimum quantity of 300 in any calendar year;
- (e) Is capable of a speed greater than 60 miles per hour on level ground; and
- (f) Is equipped with:
 1. Seats that are certified by the vehicle manufacturer to meet the requirements of Federal Motor Vehicle Safety Standard No. 207, "Seating systems" (49 C.F.R. s. 571.207);
 2. A steering wheel used to maneuver the vehicle;
 3. A propulsion unit located forward or aft of the enclosed occupant compartment;
 4. A seat belt for each vehicle occupant certified to meet the requirements of Federal Motor Vehicle Safety Standard No. 209, "Seat belt assemblies" (49 C.F.R. s. 571.209);
 5. A windshield and an appropriate windshield wiper and washer system that are certified by the vehicle manufacturer to meet the requirements of Federal Motor Vehicle Safety Standard No. 205, "Glazing materials" (49 C.F.R. s. 571.205) and Federal Motor Vehicle Safety Standard No. 104, "Windshield wiping and washing systems" (49 C.F.R. s. 571.104); and
 6. A vehicle structure certified by the vehicle manufacturer to meet the requirements of Federal Motor Vehicle Safety Standard No. 216, "Rollover crush resistance" (49 C.F.R. s. 571.216).

(90)(59) **TRUCK.**—Any motor vehicle designed, used, or maintained primarily for the transportation of property.

(91)(60) **TRUCK TRACTOR.**—Any motor vehicle designed and used primarily for drawing other vehicles and not so constructed as to carry a load other than a part of the weight of the vehicle and load so drawn.

(92)(93) **UTILITY SERVICE VEHICLE.**—A motor vehicle that bears an emblem that is visible from the roadway and clearly identifies that the vehicle belongs to or is under contract with a person, entity, cooperative, board, commission, district, or unit of local government that provides electric, natural gas, water, wastewater, cable, telephone, or communications services.

(93)(75) **VEHICLE.**—Every device, in, upon, or by which any person or property is or may be transported or drawn upon a highway, *except* ~~excepting~~ devices used exclusively upon stationary rails or tracks.

(94)(85) **VICTIM SERVICES PROGRAMS.**—Any community-based organization *the whose* primary purpose of *which* is to act as an advocate for the victims and survivors of traffic crashes and for their families. The victims services offered by these programs may include grief and crisis counseling, assistance with preparing victim compensation claims excluding third-party legal action, or connecting persons with other service providers, and providing emergency financial assistance.

(95)(79) **WORK ZONE AREA.**—The area and its approaches on any state-maintained highway, county-maintained highway, or municipal street where construction, repair, maintenance, or other street-related or highway-related work is being performed or where one or more lanes *are is* closed to traffic.

Section 3. Subsection (7) of section 316.0745, Florida Statutes, is amended to read:

316.0745 Uniform signals and devices.—

(7) The Department of Transportation *may, upon receipt and investigation of reported noncompliance and is authorized,* after hearing pursuant to 14 days' notice, ~~to~~ direct the removal of any purported traffic control device *that fails to meet the requirements of this section,* wherever the device is located and without regard to assigned responsibility under s. 316.1895 ~~which fails to meet the requirements of this section.~~ The public agency erecting or installing the same shall immediately *bring it into compliance with the requirements of this section* or remove said device or signal upon the direction of the Department of Transportation and may not, for a period of 5 years, install any replacement or new traffic control devices paid for in part or in full with revenues raised by the state unless written prior approval is received from the Department of Transportation. Any additional violation by a public body or official shall be cause for the withholding of state funds for traffic control purposes until such public body or official demonstrates to the Department of Transportation that it is complying with this section.

Section 4. Section 316.2069, Florida Statutes, is created to read:

316.2069 *Commercial Megacycles.*—*The governing body of a municipality, or the governing board of a county with respect to an unincorporated portion of the county, may authorize the operation of a commercial megacycle on roads or streets within the respective jurisdictions if the requirements of subsections (1) through (3) are met:*

(1) *Prior to authorizing such operation, the responsible local governmental entity must first determine that commercial megacycles may safely travel on or cross the public road or street, considering factors including, but not limited to, the speed, volume, and character of motor vehicle traffic using the road or street. Upon such determination, the responsible governmental entity shall post appropriate signs to indicate that such operation is allowed.*

(2) *The authorization by the governing body must clearly identify the roads or streets under the governing body's jurisdiction on or across which operation of commercial megacycles is permitted.*

(3) *The governing body's authorization, at a minimum, must require that a commercial megacycle be:*

(a) *Operated at all times by its owner or lessee or an employee of the owner or lessee.*

(b) *Operated by a driver at least 18 years of age who possess a Class E driver license.*

(c) *Occupied by a safety monitor at least 18 years of age, who shall supervise the passengers while the commercial megacycle is in motion.*

(d) *Insured with minimum commercial general liability insurance of not less than \$1,000,000, prior to and at all times of operation, satisfactory proof of which shall be provided to the appropriate governing body.*

(4) *The Department of Transportation may prohibit the operation of commercial megacycles on or across any road under its jurisdiction if it determines that such prohibition is necessary in the interest of safety.*

(5) *Section 316.1936 does not apply to the passengers being transported in a commercial megacycle while operating in accordance with this section.*

(6) *This section does not prohibit use of an auxiliary motor to move the commercial megacycle from the roadway under emergency circumstances or while no passenger is on board.*

Section 5. Subsection (5) of section 316.235, Florida Statutes, is amended to read:

316.235 Additional lighting equipment.—

(5) A bus, ~~as defined in s. 316.003(3),~~ may be equipped with a deceleration lighting system ~~that which~~ cautions following vehicles that the bus is slowing, *is* preparing to stop, or is stopped. Such lighting system shall consist of red or amber lights mounted in horizontal alignment on the rear of the vehicle at ~~or near~~ the vertical centerline of the vehicle, *no greater than 12 inches apart*, not higher than the lower edge of the rear window or, if the vehicle has no rear window, not higher than 100 ~~72~~ inches from the ground. Such lights shall be visible from a distance of not less than 300 feet to the rear in normal sunlight. Lights are permitted to light and flash during deceleration, braking, or standing and idling of the bus. Vehicular hazard warning flashers may be used in conjunction with or in lieu of a rear-mounted deceleration lighting system.

Section 6. Subsections (1) and (3) of section 316.303, Florida Statutes, are amended to read:

316.303 Television receivers.—

(1) No motor vehicle *may be operated on the highways of this state if the vehicle is actively displaying moving television broadcast or pre-recorded video entertainment content that is ~~shall be equipped with television type receiving equipment so located that the viewer or screen is~~ visible from the driver's seat while the vehicle is in motion, unless the vehicle is equipped with autonomous technology, as defined in s. 316.003(2), and is being operated in autonomous mode, as provided in s. 316.85(2).*

(3) This section does not prohibit the use of an electronic display used in conjunction with a vehicle navigation system; *an electronic display used by an operator of a vehicle equipped with autonomous technology, as defined in s. 316.003(2); or an electronic display used by an operator of a vehicle equipped and operating with driver-assistive truck platooning technology, as defined in s. 316.003(19).*

Section 7. Paragraph (c) of subsection (3) of section 316.640, Florida Statutes, is amended to read:

316.640 Enforcement.—The enforcement of the traffic laws of this state is vested as follows:

(3) MUNICIPALITIES.—

(c)1. A chartered municipality or its authorized agency or instrumentality may employ as a parking enforcement specialist any individual who successfully completes a training program established and approved by the Criminal Justice Standards and Training Commission for parking enforcement specialists, but who does not otherwise meet the uniform minimum standards established by the commission for law enforcement officers or auxiliary or part-time officers under s. 943.12.

2. A parking enforcement specialist employed by a chartered municipality or its authorized agency or instrumentality is authorized to enforce all state, county, and municipal laws and ordinances governing parking within the boundaries of the municipality employing the specialist, *or, pursuant to a memorandum of understanding between the county and the municipality, within the boundaries of the county in which the chartered municipality or its authorized agency or instrumentality is located*, by appropriate state, county, or municipal traffic citation.

3. A parking enforcement specialist employed pursuant to this subsection may not carry firearms or other weapons or have arrest authority.

Section 8. Subsection (1) of section 316.85, Florida Statutes, is amended to read:

316.85 Autonomous vehicles; operation.—

(1) A person who possesses a valid driver license may operate an autonomous vehicle in autonomous mode *on roads in this state if the vehicle is equipped with autonomous technology, as defined in s. 316.003(2).*

Section 9. Section 316.86, Florida Statutes, is amended to read:

316.86 ~~Operation of vehicles equipped with autonomous technology on roads for testing purposes; financial responsibility; Exemption from liability for manufacturer when third party converts vehicle.—~~

~~(1) Vehicles equipped with autonomous technology may be operated on roads in this state by employees, contractors, or other persons designated by manufacturers of autonomous technology, or by research organizations associated with accredited educational institutions, for the purpose of testing the technology. For testing purposes, a human operator shall be present in the autonomous vehicle such that he or she has the ability to monitor the vehicle's performance and intervene, if necessary, unless the vehicle is being tested or demonstrated on a closed course. Before the start of testing in this state, the entity performing the testing must submit to the department an instrument of insurance, surety bond, or proof of self insurance acceptable to the department in the amount of \$5 million.~~

~~(2) The original manufacturer of a vehicle converted by a third party into an autonomous vehicle is ~~shall~~ not be liable in, and shall have a defense to and be dismissed from, any legal action brought against the original manufacturer by any person injured due to an alleged vehicle defect caused by the conversion of the vehicle, or by equipment installed by the converter, unless the alleged defect was present in the vehicle as originally manufactured.~~

Section 10. Subsection (1) of section 319.145, Florida Statutes, is amended to read:

319.145 Autonomous vehicles.—

(1) An autonomous vehicle registered in this state must continue to meet *applicable* federal standards and regulations for ~~such a~~ motor vehicle. The vehicle ~~must~~ *shall*:

(a) *Have a system to safely alert the operator if an autonomous technology failure is detected while the autonomous technology is engaged. When an alert is given, the system must:*

1. *Require the operator to take control of the autonomous vehicle; or*

2. *If the operator does not, or is not able to, take control of the autonomous vehicle, be capable of bringing the vehicle to a complete stop. Have a means to engage and disengage the autonomous technology which is easily accessible to the operator.*

(b) *Have a means, inside the vehicle, to visually indicate when the vehicle is operating in autonomous mode.*

~~(c) Have a means to alert the operator of the vehicle if a technology failure affecting the ability of the vehicle to safely operate autonomously is detected while the vehicle is operating autonomously in order to indicate to the operator to take control of the vehicle.~~

~~(c)(d) Be capable of being operated in compliance with the applicable traffic and motor vehicle laws of this state.~~

Section 11. Subsection (1) of section 320.525, Florida Statutes, is amended to read:

320.525 Port vehicles and equipment; definition; exemption.—

(1) As used in this section, the term "port vehicles and equipment" means trucks, tractors, trailers, truck cranes, top loaders, fork lifts,

hostling tractors, chassis, or other vehicles or equipment used for transporting cargo, containers, or other equipment. *The term includes motor vehicles being relocated within a port facility or via designated port district roads.*

Section 12. Paragraph (c) of subsection (1) of section 332.08, Florida Statutes, is amended to read:

332.08 Additional powers.—

(1) In addition to the general powers in ss. 332.01-332.12 conferred and without limitation thereof, a municipality that has established or may hereafter establish airports, restricted landing areas, or other air navigation facilities, or that has acquired or set apart or may hereafter acquire or set apart real property for such purposes, is authorized:

(c) To lease for a term not exceeding ~~50~~ ~~30~~ years such airports or other air navigation facilities, or real property acquired or set apart for airport purposes, to private parties, any municipal or state government or the national government, or any department of either thereof, for operation; to lease or assign for a term not exceeding ~~50~~ ~~30~~ years to private parties, any municipal or state government or the national government, or any department of either thereof, for operation or use consistent with the purposes of ss. 332.01-332.12, space, area, improvements, or equipment on such airports; to sell any part of such airports, other air navigation facilities, or real property to any municipal or state government, or the United States or any department or instrumentality thereof, for aeronautical purposes or purposes incidental thereto, and to confer the privileges of concessions of supplying upon its airports goods, commodities, things, services, and facilities; provided, that in each case in so doing the public is not deprived of its rightful equal and uniform use thereof.

Section 13. Section 333.01, Florida Statutes, is amended to read:

333.01 Definitions.—~~As used in For the purpose of this chapter, the term following words, terms, and phrases shall have the meanings herein given, unless otherwise specifically defined, or unless another intention clearly appears, or the context otherwise requires:~~

(1) “Aeronautical study” means a Federal Aviation Administration study, conducted in accordance with the standards of 14 C.F.R. part 77, subpart C, and Federal Aviation Administration policy and guidance, on the effect of proposed construction or alteration upon the operation of air navigation facilities and the safe and efficient use of navigable airspace.

~~(1) “Aeronautics” means transportation by aircraft; the operation, construction, repair, or maintenance of aircraft, aircraft power plants and accessories, including the repair, packing, and maintenance of parachutes; the design, establishment, construction, extension, operation, improvement, repair, or maintenance of airports, restricted landing areas, or other air navigation facilities, and air instruction.~~

(2) “Airport” means any area of land or water designed and set aside for the landing and taking off of aircraft and ~~used~~ ~~utilized~~ or to be ~~used~~ ~~utilized~~ in the interest of the public for such purpose.

(3) “Airport hazard” means *an obstruction to air navigation which affects the safe and efficient use of navigable airspace or the operation of planned or existing air navigation and communication facilities any structure or tree or use of land which would exceed the federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29 and which obstructs the airspace required for the flight of aircraft in taking off, maneuvering, or landing or is otherwise hazardous to such taking off, maneuvering, or landing of aircraft and for which no person has previously obtained a permit or variance pursuant to s. 333.025 or s. 333.07.*

(4) “Airport hazard area” means any area of land or water upon which an airport hazard might be established ~~if not prevented as provided in this chapter.~~

(5) “Airport land use compatibility zoning” means airport zoning regulations governing ~~restricting~~ the use of land on, adjacent to, or in the immediate vicinity of airports ~~in the manner enumerated in s. 333.03(2) to activities and purposes compatible with the continuation of normal airport operations including landing and takeoff of aircraft in order to promote public health, safety, and general welfare.~~

(6) “Airport layout plan” means *a set of scaled drawings that provide a graphic representation of the existing and future development plan for the airport and demonstrate the preservation and continuity of safety, utility, and efficiency of the airport detailed, scale engineering drawing, including pertinent dimensions, of an airport’s current and planned facilities, their locations, and runway usage.*

(7) “Airport master plan” means *a comprehensive plan of an airport which typically describes current and future plans for airport development designed to support existing and future aviation demand.*

(8) “Airport protection zoning regulations” means *airport zoning regulations governing airport hazards.*

(9) “Department” means *the Department of Transportation as created under s. 20.23.*

(10) “Educational facility” means *any structure, land, or use that includes a public or private kindergarten through 12th grade school, charter school, magnet school, college campus, or university campus. The term does not include space used for educational purposes within a multi-tenant building.*

(11) “Landfill” has the same meaning as provided in s. 403.703.

~~(12)(7)~~ “Obstruction” means any existing or proposed ~~manmade object or object, of natural growth or terrain, or structure construction or alteration that exceeds~~ ~~violates~~ the federal obstruction standards contained in 14 C.F.R. part 77, subpart C ~~ss. 77.21, 77.23, 77.25, 77.28, and 77.29.~~ The term includes:

(a) Any object of natural growth or terrain;

(b) Permanent or temporary construction or alteration, including equipment or materials used and any permanent or temporary apparatus; or

(c) Alteration of any permanent or temporary existing structure by a change in the structure’s height, including appurtenances, lateral dimensions, and equipment or materials used in the structure.

~~(13)(8)~~ “Person” means any individual, firm, copartnership, corporation, company, association, joint-stock association, or body politic, and includes any trustee, receiver, assignee, or other similar representative thereof.

~~(14)(9)~~ “Political subdivision” means *the local government of any county, municipality city, town, village, or other subdivision or agency thereof, or any district or special district, port commission, port authority, or other such agency authorized to establish or operate airports in the state.*

(15) “Public-use airport” means *an airport, publicly or privately owned, licensed by the state, which is open for use by the public.*

~~(16)(10)~~ “Runway protection ~~clear~~ zone” means *an area at ground level beyond the runway end to enhance the safety and protection of people and property on the ground a runway-clear zone as defined in 14 C.F.R. s. 151.9(b).*

~~(17)(11)~~ “Structure” means any object, constructed, erected, altered, or installed by humans, including, but not limited to ~~without limitation~~ thereof, buildings, towers, smokestacks, utility poles, power generation equipment, and overhead transmission lines.

(18) “Substantial modification” means *any repair, reconstruction, rehabilitation, or improvement of a structure when the actual cost of the repair, reconstruction, rehabilitation, or improvement of the structure equals or exceeds 50 percent of the market value of the structure.*

Section 14. Section 333.025, Florida Statutes, is amended to read:

333.025 Permit required for obstructions ~~structures exceeding federal obstruction standards.~~—

(1) A person proposing the construction or alteration ~~In order to prevent the erection of an obstruction must obtain a permit from the department structures dangerous to air navigation, subject to the provisions of subsections (2), (3), and (4), each person shall secure from the~~

Department of Transportation a permit for the erection, alteration, or modification of any structure the result of which would exceed the federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29. However, permits from the department of Transportation will be required only within an airport hazard area where federal obstruction standards are exceeded and if the proposed construction or alteration is within a 10-nautical-mile radius of the airport reference point, located at the approximate geometric geographical center of all usable runways of a public-use airport or a publicly owned or operated airport, a military airport, or an airport licensed by the state for public use.

(2) Existing, planned, and proposed Affected airports will be considered as having those facilities on public-use airports contained in an which are shown on the airport master plan, in or an airport layout plan submitted to the Federal Aviation Administration, Airport District Office or in comparable military documents shall, and will be so protected from airport hazards. Planned or proposed public use airports which are the subject of a notice or proposal submitted to the Federal Aviation Administration or to the Department of Transportation shall also be protected.

(3) A permit is not required for existing structures that requirements of subsection (1) shall not apply to projects which received construction permits from the Federal Communications Commission for structures exceeding federal obstruction standards before prior to May 20, 1975, provided such structures now exist; a permit is not required for nor shall it apply to previously approved structures now existing, or any necessary replacement or repairs to such existing structures if, so long as the height and location are is unchanged.

(4) If When political subdivisions have, in compliance with this chapter, adopted adequate airport airspace protection zoning regulations, placed in compliance with s. 333.03, and such regulations are on file with the department's aviation office, and established a permitting process Department of Transportation, a permit for the construction or alteration of an obstruction is such structure shall not be required from the department of Transportation. Upon receipt of a complete permit application, the local government shall provide a copy of the application to the department's aviation office by certified mail, return receipt requested, or by a delivery service that provides a receipt evidencing delivery. To evaluate technical consistency with this subsection, the department shall have a 15-day review period following receipt of the application, which must run concurrently with the local government permitting process. Cranes, construction equipment, and other temporary structures in use or in place for a period not to exceed 18 consecutive months are exempt from the department's review, unless such review is requested by the department.

(5) The department of Transportation shall, within 30 days after of the receipt of an application for a permit, issue or deny a permit for the construction or erection, alteration, or modification of an obstruction any structure the result of which would exceed federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29. The department shall review permit applications in conformity with s. 120.60.

(6) In determining whether to issue or deny a permit, the department shall consider:

- (a) The safety of persons on the ground and in the air.
- (b) The safe and efficient use of navigable airspace.
- (c)(a) The nature of the terrain and height of existing structures.
- (b) Public and private interests and investments.

(d) The effect of the construction or alteration of an obstruction on the state licensing standards for a public-use airport contained in chapter 330 and rules adopted thereunder.

(e)(e) The character of existing and planned flight flying operations and planned developments at public-use of airports.

(f)(d) Federal airways, visual flight rules, flyways and corridors, and instrument approaches as designated by the Federal Aviation Administration.

(g)(e) The effect of Whether the construction or alteration of an obstruction on the proposed structure would cause an increase in the minimum descent altitude or the decision height at the affected airport.

(f) Technological advances.

(g) The safety of persons on the ground and in the air.

(h) Land use density.

(i) The safe and efficient use of navigable airspace.

(h)(j) The cumulative effects on navigable airspace of all existing obstructions structures, proposed structures identified in the applicable jurisdictions' comprehensive plans, and all other known proposed obstructions structures in the area.

(7) When issuing a permit under this section, the department of Transportation shall, as a specific condition of such permit, require the owner obstruction marking and lighting of the obstruction to install, operate, and maintain, at the owner's expense, marking and lighting in conformance with the specific standards established by the Federal Aviation Administration permitted structure as provided in s. 333.07(3)(b).

(8) The department may of Transportation shall not approve a permit for the construction or alteration erection of an obstruction a structure unless the applicant submits both documentation showing both compliance with the federal requirement for notification of proposed construction or alteration and a valid aeronautical study. A evaluation, and no permit may not shall be approved solely on the basis that the Federal Aviation Administration determined that the such proposed construction or alteration of an obstruction was not an airport hazard structure will not exceed federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, or 77.29, or any other federal aviation regulation.

(9) The denial of a permit under this section is subject to administrative review pursuant to chapter 120.

Section 15. Section 333.03, Florida Statutes, is amended to read:

333.03 Requirement Power to adopt airport zoning regulations.—

(1)(a) In order to prevent the creation or establishment of airport hazards, Every political subdivision having an airport hazard area within its territorial limits shall, by October 1, 1977, adopt, administer, and enforce, under the police power and in the manner and upon the conditions hereinafter prescribed in this section, airport protection zoning regulations for such airport hazard area.

(b) If Where an airport is owned or controlled by a political subdivision and if any other political subdivision has land upon which an obstruction may be constructed or altered which underlies any surface of the airport as provided in 14 C.F.R. part 77, subpart C, the political subdivisions airport hazard area appertaining to such airport is located wholly or partly outside the territorial limits of said political subdivision, the political subdivision owning or controlling the airport and the political subdivision within which the airport hazard area is located, shall either:

1. By interlocal agreement, in accordance with the provisions of chapter 163, adopt, administer, and enforce a set of airport protection zoning regulations applicable to the airport hazard area in question; or

2. By ordinance, regulation, or resolution duly adopted, create a joint airport protection zoning board that, which board shall have the same power to adopt, administer, and enforce a set of airport protection zoning regulations applicable to the airport hazard area in question as that vested in paragraph (a) in the political subdivision within which such area is located. The Each such joint airport protection zoning board shall have as voting members two representatives appointed by each participating political subdivision participating in its creation and in addition a chair elected by a majority of the members so appointed. However, The airport manager or a representative of each airport in managers of the affected participating political subdivisions shall serve on the board in a nonvoting capacity.

(c) Airport protection zoning regulations adopted under paragraph (a) must ~~shall, at as~~ a minimum, require:

1. A permit ~~variance~~ for the construction or erection, alteration, or modification of any obstruction structure which would cause the structure to exceed the federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29;

2. Obstruction marking and lighting for obstructions structures as specified in s. 333.07(3);

3. Documentation showing compliance with the federal requirement for notification of proposed construction or alteration of structures and a valid aeronautical study ~~evaluation~~ submitted by each person applying for a permit ~~variance~~;

4. Consideration of the criteria in s. 333.025(6), when determining whether to issue or deny a permit ~~variance~~; and

5. That approval of a permit not be based ~~no variance shall be approved~~ solely on the determination by the Federal Aviation Administration basis that the ~~such~~ proposed structure is not an airport hazard will not exceed federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, or 77.29, or any other federal aviation regulation.

(d) The department shall be available to provide assistance to political subdivisions regarding federal obstruction standards shall issue copies of the federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29 to each political subdivision having airport hazard areas and, in cooperation with political subdivisions, shall issue appropriate airport zoning maps depicting within each county the maximum allowable height of any structure or tree. Material distributed pursuant to this subsection shall be at no cost to authorized recipients.

(2) In the manner provided in subsection (1), political subdivisions shall adopt, administer, and enforce interim airport land use compatibility zoning regulations shall be adopted. Airport land use compatibility zoning When political subdivisions have adopted land development regulations shall, at a minimum, in accordance with the provisions of chapter 163 which address the use of land in the manner consistent with the provisions herein, adoption of airport land use compatibility regulations pursuant to this subsection shall not be required. Interim airport land use compatibility zoning regulations shall consider the following:

(a) The prohibition of new landfills and the restriction of existing landfills Whether sanitary landfills are located within the following areas:

1. Within 10,000 feet from the nearest point of any runway used or planned to be used by turbine turbojet or turboprop aircraft.

2. Within 5,000 feet from the nearest point of any runway used only by only nonturbine piston type aircraft.

3. Outside the perimeters defined in subparagraphs 1. and 2., but still within the lateral limits of the civil airport imaginary surfaces defined in 14 C.F.R. s. 77.19 part 77.25. Case-by-case review of such landfills is advised.

(b) Where Whether any landfill is located and constructed in a manner so that it attracts or sustains hazardous bird movements from feeding, water, or roosting areas into, or across, the runways or approach and departure patterns of aircraft. The landfill operator must political subdivision shall request from the airport authority or other governing body operating the airport a report on such bird feeding or roosting areas that at the time of the request are known to the airport. In preparing its report, the authority, or other governing body, shall consider whether the landfill will incorporate bird management techniques or other practices to minimize bird hazards to airborne aircraft. The airport authority or other governing body shall respond to the political subdivision no later than 30 days after receipt of such request.

(c) Where an airport authority or other governing body operating a publicly owned, public-use airport has conducted a noise study in accordance with the provisions of 14 C.F.R. part 150, or where a public-use airport owner has established noise contours pursuant to another public

study approved by the Federal Aviation Administration, the prohibition of incompatible uses, as established in the noise study in 14 C.F.R. part 150, Appendix A or as a part of an alternative Federal Aviation Administration-approved public study, within the noise contours established by any of these studies, except if such uses are specifically contemplated by such study with appropriate mitigation or similar techniques described in the study neither residential construction nor any educational facility as defined in chapter 1013, with the exception of aviation school facilities, shall be permitted within the area contiguous to the airport defined by an outer noise contour that is considered incompatible with that type of construction by 14 C.F.R. part 150, Appendix A or an equivalent noise level as established by other types of noise studies.

(d) Where an airport authority or other governing body operating a publicly owned, public-use airport has not conducted a noise study, the prohibition of neither residential construction and nor any educational facility as defined in chapter 1013, with the exception of aviation school facilities, shall be permitted within an area contiguous to the airport measuring one-half the length of the longest runway on either side of and at the end of each runway centerline.

(e)(3) The restriction of In the manner provided in subsection (1), airport zoning regulations shall be adopted which restrict new incompatible uses, activities, or substantial modifications to existing incompatible uses construction within runway protection clear zones, including uses, activities, or construction in runway clear zones which are incompatible with normal airport operations or endanger public health, safety, and welfare by resulting in congregations of people, emissions of light or smoke, or attraction of birds. Such regulations shall prohibit the construction of an educational facility of a public or private school at either end of a runway of a publicly owned, public use airport within an area which extends 5 miles in a direct line along the centerline of the runway, and which has a width measuring one-half the length of the runway. Exceptions approving construction of an educational facility within the delineated area shall only be granted when the political subdivision administering the zoning regulations makes specific findings detailing how the public policy reasons for allowing the construction outweigh health and safety concerns prohibiting such a location.

(4) The procedures outlined in subsections (1), (2), and (3) for the adoption of such regulations are supplemental to any existing procedures utilized by political subdivisions in the adoption of such regulations.

(3)(5) Political subdivisions shall provide The Department of Transportation shall provide technical assistance to any political subdivision requesting assistance in the preparation of an airport zoning code; a copy of all local airport protection zoning codes, rules, and regulations and airport land use compatibility zoning regulations, and any related amendments and proposed and granted variances thereto, to shall be filed with the department's aviation office within 30 days after adoption department.

(4)(6) Nothing in Subsection (2) may not or subsection (3) shall be construed to require the removal, alteration, sound conditioning, or other change, or to interfere with the continued use or adjacent expansion of any educational facility structure or site in existence on July 1, 1993, or be construed to prohibit the construction of any new structure for which a site has been determined as provided in former s. 225.19, as of July 1, 1993.

(5) This section does not prohibit an airport authority, a political subdivision or its administrative agency, or any other governing body operating a public-use airport from establishing airport zoning regulations more restrictive than prescribed in this section in order to protect the health, safety, and welfare of the public in the air and on the ground.

Section 16. Section 333.04, Florida Statutes, is amended to read:

333.04 Comprehensive zoning regulations; most stringent to prevail where conflicts occur.—

(1) INCORPORATION.—In the event that a political subdivision has adopted, or hereafter adopts, a comprehensive plan or policy zoning ordinance regulating, among other things, the height of buildings, structures, and natural objects, and uses of property, any airport zoning regulations applicable to the same area or portion thereof may be in-

incorporated in and made a part of such comprehensive *plan or policy zoning regulations*, and be administered and enforced in connection therewith.

(2) CONFLICT.—In the event of conflict between any airport zoning regulations adopted under this chapter and any other regulations applicable to the same area, whether the conflict be with respect to the height of structures or *vegetation trees*, the use of land, or any other matter, and whether such regulations were adopted by the political subdivision *that which* adopted the airport zoning regulations or by some other political subdivision, the more stringent limitation or requirement shall govern and prevail.

Section 17. Section 333.05, Florida Statutes, is amended to read:

333.05 Procedure for adoption of *airport zoning regulations*.—

(1) NOTICE AND HEARING.—~~No~~ Airport zoning regulations *may not shall* be adopted, amended, or ~~repealed~~ *changed* under this chapter except by action of the legislative body of the political subdivision or *affected subdivisions in question*, or the joint board provided in s. 333.03(1)(b)2. ~~s. 333.03(1)(b)~~ by the *political subdivisions bodies* therein provided and set forth, after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. Notice of the hearing shall be published at least once a week for 2 consecutive weeks in a *newspaper an official paper, or a paper of general circulation*; in the political subdivision or subdivisions *where in which* ~~are located~~ the airport *zoning regulations are areas* to be adopted, amended, or *repealed zoned*.

(2) AIRPORT ZONING COMMISSION.—~~Before~~ *Prior to* the initial zoning of any airport area under this chapter, the political subdivision or joint airport zoning board *that which* is to adopt, *administer, and enforce* the regulations *must shall* appoint a commission, to be known as the airport zoning commission, to recommend the boundaries of the various zones to be established and the regulations to be adopted therefor. Such commission shall make a preliminary report and hold public hearings thereon before submitting its final report, and the legislative body of the political subdivision or the joint airport zoning board *may shall* not hold its public hearings or take any action until it has received the final report of such commission, and at least 15 days shall elapse between the receipt of the final report of the commission and the hearing to be held by the latter board. *If Where* a *planning city plan* commission, *an airport commission*, or a comprehensive zoning commission already exists, it may be appointed as the airport zoning commission.

Section 18. Section 333.06, Florida Statutes, is amended to read:

333.06 Airport zoning *regulation* requirements.—

(1) REASONABLENESS.—All airport zoning regulations adopted under this chapter shall be reasonable and *may not none shall* impose any requirement or restriction which is not reasonably necessary to effectuate the purposes of this chapter. In determining what regulations it may adopt, each political subdivision and joint airport zoning board shall consider, among other things, the character of the flying operations expected to be conducted at the airport, the nature of the terrain within the airport hazard area and runway *protection clear* zones, the character of the neighborhood, the uses to which the property to be zoned is put and adaptable, and the impact of any new use, activity, or construction on the airport's operating capability and capacity.

(2) INDEPENDENT JUSTIFICATION.—The purpose of all airport zoning regulations adopted under this chapter is to provide both airspace protection and land *uses use* compatible with airport operations. Each aspect of this purpose requires independent justification in order to promote the public interest in safety, health, and general welfare. Specifically, construction in a runway *protection clear* zone which does not exceed airspace height restrictions is not *conclusive evidence per se* that such use, activity, or construction is compatible with airport operations.

(3) NONCONFORMING USES.—~~An~~ *No* airport *protection zoning regulation regulations* adopted under this chapter *may not shall* require the removal, lowering, or other change or alteration of any *obstruction structure or tree* not conforming to the *regulation regulations* when

adopted or amended, or otherwise interfere with the continuance of any nonconforming use, except as provided in s. 333.07(1) and (3).

(4) ADOPTION OF AIRPORT MASTER PLAN AND NOTICE TO AFFECTED LOCAL GOVERNMENTS.—An airport master plan shall be prepared by each *public-use publicly owned and operated* airport licensed by the department of ~~Transportation~~ under chapter 330. The authorized entity having responsibility for governing the operation of the airport, when either requesting from or submitting to a state or federal governmental agency with funding or approval jurisdiction a "finding of no significant impact," an environmental assessment, a site-selection study, an airport master plan, or any amendment to an airport master plan, shall submit simultaneously a copy of said request, submittal, assessment, study, plan, or amendments by certified mail to all affected local governments. *As used in For the purposes of* this subsection, *the term* "affected local government" is defined as any *municipality city* or county having jurisdiction over the airport and any *municipality city* or county located within 2 miles of the boundaries of the land subject to the airport master plan.

Section 19. Section 333.065, Florida Statutes, is repealed.

Section 20. Section 333.07, Florida Statutes, is amended to read:

333.07 *Local government permitting of airspace obstructions Permits and variances*.—

(1) PERMITS.—

(a) A person proposing to construct, alter, or allow an airport obstruction in an airport hazard area in violation of the airport protection zoning regulations adopted under this chapter must apply for a permit. ~~Any~~ *Any* airport zoning regulations adopted under this chapter may require that a permit be obtained before any new structure or use may be constructed or established and before any existing use or structure may be substantially changed or substantially altered or repaired. In any event, however, all such regulations shall provide that before any ~~nonconforming structure or tree may be replaced, substantially altered or repaired, rebuilt, allowed to grow higher, or replanted, a permit must be secured from the administrative agency authorized to administer and enforce the regulations, authorizing such replacement, change, or repair. No permit may not shall be issued if it granted that would allow the establishment or creation of an airport hazard or if it would permit a nonconforming obstruction structure or tree or nonconforming use to be made or become higher or to become a greater hazard to air navigation than it was when the applicable airport protection zoning regulation was adopted which allowed the establishment or creation of the obstruction, or than it is when the application for a permit is made.~~

(b) ~~If Whenever~~ the political subdivision or its administrative agency determines that a nonconforming obstruction ~~use or nonconforming structure or tree~~ has been abandoned or is more than 80 percent torn down, destroyed, deteriorated, or decayed, ~~a no permit may not shall be granted if it that would allow the obstruction said structure or tree to exceed the applicable height limit or otherwise deviate from the airport protection zoning regulations; and, Whether or not an application is made for a permit under this subsection or not, the said agency may by appropriate action, compel the owner of the nonconforming obstruction may be required structure or tree, at his or her own expense, to lower, remove, reconstruct, alter, or equip such obstruction object as may be necessary to conform to the current airport protection zoning regulations. If the owner of the nonconforming obstruction neglects or refuses structure or tree shall neglect or refuse to comply with such requirement order for 10 days after notice thereof, the administrative said agency may report the violation to the political subdivision involved therein, which subdivision, through its appropriate agency, may proceed to have the obstruction object so lowered, removed, reconstructed, altered, or equipped; and assess the cost and expense thereof upon the owner of the obstruction object or the land whereon it is or was located, and, unless such an assessment is paid within 90 days from the service of notice thereof on the owner or the owner's agent, of such object or land, the sum shall be a lien on said land, and shall bear interest thereafter at the rate of 6 percent per annum until paid, and shall be collected in the same manner as taxes on real property are collected by said political subdivision, or, at the option of said political subdivision, said lien may be enforced in the manner provided for enforcement of liens by chapter 85.~~

~~(c) Except as provided herein, applications for permits shall be granted, provided the matter applied for meets the provisions of this chapter and the regulations adopted and in force hereunder.~~

(2) *CONSIDERATIONS WHEN ISSUING OR DENYING PERMITS.*—*In determining whether to issue or deny a permit, the political subdivision or its administrative agency must consider the following, as applicable:*

- (a) *The safety of persons on the ground and in the air.*
- (b) *The safe and efficient use of navigable airspace.*
- (c) *The nature of the terrain and height of existing structures.*
- (d) *The effect of the construction or alteration on the state licensing standards for a public-use airport contained in chapter 330 and rules adopted thereunder.*
- (e) *The character of existing and planned flight operations and developments at public-use airports.*
- (f) *Federal airways, visual flight rules, flyways and corridors, and instrument approaches as designated by the Federal Aviation Administration.*
- (g) *The effect of the construction or alteration of the proposed structure on the minimum descent altitude or the decision height at the affected airport.*
- (h) *The cumulative effects on navigable airspace of all existing structures and all other known proposed structures in the area.*
- (i) *Additional requirements adopted by the political subdivision or administrative agency pertinent to evaluation and protection of airspace and airport operations.*

~~(2) VARIANCES.—~~

~~(a) Any person desiring to erect any structure, increase the height of any structure, permit the growth of any tree, or otherwise use his or her property in violation of the airport zoning regulations adopted under this chapter or any land development regulation adopted pursuant to the provisions of chapter 163 pertaining to airport land use compatibility, may apply to the board of adjustment for a variance from the zoning regulations in question. At the time of filing the application, the applicant shall forward to the department by certified mail, return receipt requested, a copy of the application. The department shall have 45 days from receipt of the application to comment and to provide its comments or waiver of that right to the applicant and the board of adjustment. The department shall include its explanation for any objections stated in its comments. If the department fails to provide its comments within 45 days of receipt of the application, its right to comment is waived. The board of adjustment may proceed with its consideration of the application only upon the receipt of the department's comments or waiver of that right as demonstrated by the filing of a copy of the return receipt with the board. Noncompliance with this section shall be grounds to appeal pursuant to s. 333.08 and to apply for judicial relief pursuant to s. 333.11. Such variances may only be allowed where a literal application or enforcement of the regulations would result in practical difficulty or unnecessary hardship and where the relief granted would not be contrary to the public interest but would do substantial justice and be in accordance with the spirit of the regulations and this chapter. However, any variance may be allowed subject to any reasonable conditions that the board of adjustment may deem necessary to effectuate the purposes of this chapter.~~

~~(b) The Department of Transportation shall have the authority to appeal any variance granted under this chapter pursuant to s. 333.08, and to apply for judicial relief pursuant to s. 333.11.~~

(3) OBSTRUCTION MARKING AND LIGHTING.—

~~(a) In issuing a granting any permit or variance under this section, the political subdivision or its administrative agency or board of adjustment shall require the owner of the obstruction structure or tree in question to install, operate, and maintain thereon, at his or her own expense, such marking and lighting in conformance with the specific~~

~~standards established by the Federal Aviation Administration as may be necessary to indicate to aircraft pilots the presence of an obstruction.~~

~~(b) Such marking and lighting shall conform to the specific standards established by rule by the Department of Transportation.~~

~~(c) Existing structures not in compliance on October 1, 1988, shall be required to comply whenever the existing marking requires refurbishment, whenever the existing lighting requires replacement, or within 5 years of October 1, 1988, whichever occurs first.~~

Section 21. Section 333.08, Florida Statutes, is repealed.

Section 22. Section 333.09, Florida Statutes, is amended to read:

333.09 Administration of airport protection zoning regulations.—

(1) *ADMINISTRATION.*—All airport protection zoning regulations adopted under this chapter shall provide for the administration and enforcement of such regulations by the political subdivision or its administrative agency an administrative agency which may be an agency created by such regulations or any official, board, or other existing agency of the political subdivision adopting the regulations or of one of the political subdivisions which participated in the creation of the joint airport zoning board adopting the regulations, if satisfactory to that political subdivision, but in no case shall such administrative agency be or include any member of the board of adjustment. The duties of any administrative agency designated pursuant to this chapter must shall include that of hearing and deciding all permits under s. 333.07 s. 333.07(1), deciding all matters under s. 333.07(3), as they pertain to such agency, and all other matters under this chapter applying to said agency; but such agency shall not have or exercise any of the powers herein delegated to the board of adjustment.

(2) *LOCAL GOVERNMENT PROCESS.*—

(a) A political subdivision required to adopt airport zoning regulations under this chapter shall provide a process to:

1. Issue or deny permits consistent with s. 333.07.
2. Provide the department with a copy of a complete application consistent with s. 333.025(4).
3. Enforce the issuance or denial of a permit or other determination made by the administrative agency with respect to airport zoning regulations.

(b) If a zoning board or permitting body already exists within a political subdivision, the zoning board or permitting body may implement the airport zoning regulation permitting and appeals processes.

(3) *APPEALS.*—

(a) A person, a political subdivision or its administrative agency, or a joint airport zoning board that contends a decision made by a political subdivision or its administrative agency is an improper application of airport zoning regulations may use the process established for an appeal.

(b) All appeals taken under this section must be taken within a reasonable time, as provided by the political subdivision or its administrative agency, by filing with the entity from which the appeal is taken a notice of appeal specifying the grounds for appeal.

(c) An appeal shall stay all proceedings in the underlying action appealed from, unless the entity from which the appeal is taken certifies pursuant to the rules for appeal that by reason of the facts stated in the certificate a stay would, in its opinion, cause imminent peril to life or property. In such cases, proceedings may not be stayed except by order of the political subdivision or its administrative agency on notice to the entity from which the appeal is taken and for good cause shown.

(d) The political subdivision or its administrative agency shall set a reasonable time for the hearing of appeals, give public notice and due notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing, any party may appear in person, by agent, or by attorney.

(e) *The political subdivision or its administrative agency may, in conformity with this chapter, affirm, reverse, or modify the decision on the permit or other determination from which the appeal is taken.*

Section 23. *Section 333.10, Florida Statutes, is repealed.*

Section 25. *Section 333.11, Florida Statutes, is amended to read:*

333.11 *Judicial review.—*

(1) ~~Any person, aggrieved, or taxpayer affected, by any decision of a board of adjustment, or any governing body of a political subdivision, or the Department of Transportation or any joint airport zoning board affected by a decision of a political subdivision, or its of any administrative agency hereunder, may apply for judicial relief to the circuit court in the judicial circuit where the political subdivision board of adjustment is located within 30 days after rendition of the decision by the board of adjustment. Review shall be by petition for writ of certiorari, which shall be governed by the Florida Rules of Appellate Procedure.~~

(2) ~~Upon presentation of such petition to the court, it may allow a writ of certiorari, directed to the board of adjustment, to review such decision of the board. The allowance of the writ shall not stay the proceedings upon the decision appealed from, but the court may, on application, on notice to the board, on due hearing and due cause shown, grant a restraining order.~~

(3) ~~The board of adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions thereof as may be called for by the writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified.~~

(2)(4) ~~The court has shall have exclusive jurisdiction to affirm, reverse, or modify, or set aside the decision on the permit or other determination from which the appeal is taken brought up for review, in whole or in part, and, if appropriate need be, to order further proceedings by the political subdivision or its administrative agency board of adjustment. The findings of fact by the political subdivision or its administrative agency board, if supported by substantial evidence, shall be accepted by the court as conclusive, and an no objection to a decision of the political subdivision or its administrative agency may not board shall be considered by the court unless such objection was raised in the underlying proceeding shall have been urged before the board, or, if it was not so urged, unless there were reasonable grounds for failure to do so.~~

(3)(5) ~~If in any case in which airport zoning regulations adopted under this chapter, although generally reasonable, are held by a court to interfere with the use and enjoyment of a particular structure or parcel of land to such an extent, or to be so onerous in their application to such a structure or parcel of land, as to constitute a taking or deprivation of that property in violation of the State Constitution or the Constitution of the United States, such holding shall not affect the application of such regulations to other structures and parcels of land, or such regulations as are not involved in the particular decision.~~

(4)(6) ~~A judicial No appeal to any court may not shall be or is permitted under this section until the appellant has exhausted all of its remedies through application for local government permits, exceptions, and appeals, to any courts, as herein provided, save and except an appeal from a decision of the board of adjustment, the appeal herein provided being from such final decision of such board only, the appellant being hereby required to exhaust his or her remedies hereunder of application for permits, exceptions and variances, and appeal to the board of adjustment, and gaining a determination by said board, before being permitted to appeal to the court hereunder.~~

Section 26. *Section 333.12, Florida Statutes, is amended to read:*

333.12 *Acquisition of air rights.—If in any case which it is desired to remove, lower or otherwise terminate a nonconforming obstruction is determined to be an airport hazard and the owner will not remove, lower, or otherwise eliminate it—structure or use, or the approach protection necessary cannot, because of constitutional limitations, be provided by airport zoning regulations under this chapter; or it appears advisable*

that the necessary approach protection be provided by acquisition of property rights rather than by airport zoning regulations, the political subdivision within which the property or nonconforming obstruction use is located, or the political subdivision owning or operating the airport or being served by it, may acquire, by purchase, grant, or condemnation in the manner provided by chapter 73, such property, air right, aviation navigation easement, or other estate, portion, or interest in the property or nonconforming obstruction structure or use or such interest in the air above such property, tree, structure, or use, in question, as may be necessary to effectuate the purposes of this chapter, and in so doing, if by condemnation, to have the right to take immediate possession of the property, interest in property, air right, or other right sought to be condemned, at the time, and in the manner and form, and as authorized by chapter 74. In the case of the purchase of any property, or any easement, or estate or interest therein or the acquisition of the same by the power of eminent domain, the political subdivision making such purchase or exercising such power shall, in addition to the damages for the taking, injury, or destruction of property, also pay the cost of the removal and relocation of any structure or any public utility that which is required to be moved to a new location.

Section 27. *Section 333.13, Florida Statutes, is amended to read:*

333.13 *Enforcement and remedies.—*

(1) *Each violation of this chapter or of any airport zoning regulations, orders, or rulings adopted promulgated or made pursuant to this chapter shall constitute a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083, and each day a violation continues to exist shall constitute a separate offense.*

(2) *In addition, the political subdivision or agency adopting the airport zoning regulations under this chapter may institute in any court of competent jurisdiction an action to prevent, restrain, correct, or abate any violation of this chapter or of airport zoning regulations adopted under this chapter or of any order or ruling made in connection with their administration or enforcement, and the court shall adjudge to the plaintiff such relief, by way of injunction, (which may be mandatory,) or otherwise, as may be proper under all the facts and circumstances of the case in order to fully effectuate the purposes of this chapter and of the regulations adopted and orders and rulings made pursuant thereto.*

(3) *The department of Transportation may institute a civil action for injunctive relief in the appropriate circuit court to prevent violation of any provision of this chapter.*

Section 28. *Section 333.135, Florida Statutes, is created to read:*

333.135 *Transition provisions.—*

(1) *Any airport zoning regulation in effect on July 1, 2016, which includes provisions in conflict with this chapter shall be amended to conform to the requirements of this chapter by July 1, 2017.*

(2) *Any political subdivision having an airport within its territorial limits which has not adopted airport zoning regulations shall, by July 1, 2017, adopt airport zoning regulations consistent with this chapter.*

(3) *For those political subdivisions that have not yet adopted airport zoning regulations pursuant to this chapter, the department shall administer the permitting process as provided in s. 333.025.*

Section 29. *Section 333.14, Florida Statutes, is repealed.*

Section 30. *Section 335.085, Florida Statutes, is created to read:*

335.085 *Installation of roadside barriers along certain water bodies contiguous with state roads.—*

(1) *This section shall be cited as “Chloe’s Law.”*

(2) *By June 30, 2018, the department shall install roadside barriers to shield water bodies contiguous with state roads at locations where a death due to drowning resulted from a motor vehicle accident in which a vehicle departed the adjacent state road during the period between July 1, 2006, and July 1, 2016. This requirement does not apply to any location at which the department’s chief engineer determines, based on engineering principles, that installation of a barrier would increase the risk of injury to motorists traveling on the adjacent state road.*

Section 31. *The Department of Transportation shall review all motor vehicle accidents that resulted in death due to drowning in a water body contiguous with a state road and that occurred during the period between July 1, 2006, and July 1, 2016. The department shall use the reconciled crash data received from the Department of Highway Safety and Motor Vehicles and shall submit a report to the President of the Senate and the Speaker of the House of Representatives by January 3, 2017, providing recommendations regarding any necessary changes to state laws and department rules to enhance traffic safety.*

Section 32. Subsection (3) of section 337.0261, Florida Statutes, is amended to read:

337.0261 Construction aggregate materials.—

(3) LOCAL GOVERNMENT DECISIONMAKING.—A ~~No~~ local government ~~may not shall~~ approve or deny a proposed land use zoning change, comprehensive plan amendment, land use permit, ordinance, or order regarding construction aggregate materials without considering any information provided by the Department of Transportation regarding the effect such change, amendment, permit decision, ordinance, or order would have on the availability, transportation, cost, and potential extraction of construction aggregate materials on the local area, the region, and the state. The failure of the Department of Transportation to provide this information shall not be a basis for delay or invalidation of the local government action. A ~~No~~ local government may not impose a moratorium, or combination of moratoria, of more than 12 months' duration on the mining or extraction of construction aggregate materials, commencing on the date the vote was taken to impose the moratorium. January 1, 2007, shall serve as the commencement of the 12-month period for moratoria already in place as of July 1, 2007.

Section 33. Paragraph (a) of subsection (1) of section 337.18, Florida Statutes, is amended to read:

337.18 Surety bonds for construction or maintenance contracts; requirement with respect to contract award; bond requirements; defaults; damage assessments.—

(1)(a) A surety bond shall be required of the successful bidder in an amount equal to the awarded contract price. However, the department may choose, in its discretion and applicable only to multiyear maintenance contracts, to allow for incremental annual contract bonds that cumulatively total the full, awarded, multiyear contract price.

1. *The department may waive the requirement for all or a portion of a surety bond if:*

a. ~~For a project for which~~ The contract price is \$250,000 or less ~~and, the department may waive the requirement for all or a portion of a surety bond if it~~ determines that the project is of a noncritical nature and that nonperformance will not endanger public health, safety, or property;

b. *The prime contractor is a qualified nonprofit agency for the blind or for the other severely handicapped under s. 413.036(2); or*

c. *The prime contractor is using a subcontractor that is a qualified nonprofit agency for the blind or for the other severely handicapped under s. 413.036(2). However, the department may not waive more than the amount of the subcontract.*

2. If the Secretary of Transportation or the secretary's designee determines that it is in the best interests of the department to reduce the bonding requirement for a project and that to do so will not endanger public health, safety, or property, the department may waive the requirement of a surety bond in an amount equal to the awarded contract price for a project having a contract price of \$250 million or more and, in its place, may set a surety bond amount that is a portion of the total contract price and provide an alternate means of security for the balance of the contract amount that is not covered by the surety bond or provide for incremental surety bonding and provide an alternate means of security for the balance of the contract amount that is not covered by the surety bond. Such alternative means of security may include letters of credit, United States bonds and notes, parent company guarantees, and cash collateral. The department may require alternate means of security if a surety bond is waived. The surety on such bond shall be a surety company authorized to do business in the state. All bonds shall

be payable to the department and conditioned for the prompt, faithful, and efficient performance of the contract according to plans and specifications and within the time period specified, and for the prompt payment of all persons defined in s. 713.01 furnishing labor, material, equipment, and supplies for work provided in the contract; however, whenever an improvement, demolition, or removal contract price is \$25,000 or less, the security may, in the discretion of the bidder, be in the form of a cashier's check, bank money order of any state or national bank, certified check, or postal money order. The department shall adopt rules to implement this subsection. Such rules shall include provisions under which the department shall refuse to accept bonds on contracts when a surety wrongfully fails or refuses to settle or provide a defense for claims or actions arising under a contract for which the surety previously furnished a bond.

Section 34. Subsection (4) of section 338.165, Florida Statutes, is amended, and subsection (11) is added to that section, to read:

338.165 Continuation of tolls.—

(4) Notwithstanding any other law to the contrary, pursuant to s. 11, Art. VII of the State Constitution, and subject to the requirements of subsection (2), the Department of Transportation may request the Division of Bond Finance to issue bonds secured by toll revenues collected on the Alligator Alley ~~and~~; the Sunshine Skyway Bridge, ~~the Bee Line East Expressway, the Navarre Bridge, and the Pinellas Bayway~~ to fund transportation projects located within the county or counties in which the project is located and contained in the adopted work program of the department.

(11) *The department's Pinellas Bayway System may be transferred by the department and become part of the turnpike system under the Florida Turnpike Enterprise Law. The transfer does not affect the rights of the parties, or their successors in interest, under the settlement agreement and final judgment in Leonard Lee Ratner, Esther Ratner, and Leeco Gas and Oil Co. v. State Road Department of the State of Florida, No. 67-1081 (Fla. 2nd Cir. Ct. 1968). Upon transfer of the Pinellas Bayway System to the turnpike system, the department shall also transfer to the Florida Turnpike Enterprise the funds deposited in the reserve account established by chapter 85-364, Laws of Florida, as amended by chapters 95-382 and 2014-223, Laws of Florida, which funds shall be used by the Florida Turnpike Enterprise solely to help fund the costs of repair or replacement of the transferred facilities.*

Section 35. *Chapter 85-364, Laws of Florida, as amended by chapter 95-382 and section 48 of chapter 2014-223, Laws of Florida, is repealed.*

Section 36. Subsections (5) and (6) of section 338.231, Florida Statutes, are amended to read:

338.231 Turnpike tolls, fixing; pledge of tolls and other revenues.— The department shall at all times fix, adjust, charge, and collect such tolls and amounts for the use of the turnpike system as are required in order to provide a fund sufficient with other revenues of the turnpike system to pay the cost of maintaining, improving, repairing, and operating such turnpike system; to pay the principal of and interest on all bonds issued to finance or refinance any portion of the turnpike system as the same become due and payable; and to create reserves for all such purposes.

(5) ~~In each fiscal year while any of the bonds of the Broward County Expressway Authority series 1984 and series 1986-A remain outstanding, the department is authorized to pledge revenues from the turnpike system to the payment of principal and interest of such series of bonds and the operation and maintenance expenses of the Sawgrass Expressway, to the extent gross toll revenues of the Sawgrass Expressway are insufficient to make such payments. The terms of an agreement relative to the pledge of turnpike system revenue will be negotiated with the parties of the 1984 and 1986 Broward County Expressway Authority lease purchase agreements, and subject to the covenants of those agreements. The agreement must establish that the Sawgrass Expressway is subject to the planning, management, and operating control of the department limited only by the terms of the lease purchase agreements. The department shall provide for the payment of operation and maintenance expenses of the Sawgrass Expressway until such agreement is in effect. This pledge of turnpike system revenues is subordinate to the debt service requirements of any future issue of turnpike bonds, the payment of turnpike system opera-~~

~~tion and maintenance expenses, and subject to any subsequent resolution or trust indenture relating to the issuance of such turnpike bonds.~~

(5)(6) The use and disposition of revenues pledged to bonds are subject to ss. 338.22-338.241 and such regulations as the resolution authorizing the issuance of the bonds or such trust agreement may provide.

Section 36. Paragraph (i) of subsection (6) and paragraph (c) of subsection (7) of section 339.175, Florida Statutes, are amended to read:

339.175 Metropolitan planning organization.—

(6) POWERS, DUTIES, AND RESPONSIBILITIES.—The powers, privileges, and authority of an M.P.O. are those specified in this section or incorporated in an interlocal agreement authorized under s. 163.01. Each M.P.O. shall perform all acts required by federal or state laws or rules, now and subsequently applicable, which are necessary to qualify for federal aid. It is the intent of this section that each M.P.O. shall be involved in the planning and programming of transportation facilities, including, but not limited to, airports, intercity and high-speed rail lines, seaports, and intermodal facilities, to the extent permitted by state or federal law.

(i) *The Tampa Bay Area Regional Transportation Authority Metropolitan Planning Organization Chairs* A chair's Coordinating Committee is created *within the Tampa Bay Area Regional Transportation Authority*, composed of the M.P.O.'s serving *Citrus, Hernando, Hillsborough, Manatee, Pasco, Pinellas, Polk, and Sarasota Counties. The authority shall provide administrative support and direction to the committee.* The committee must, at a minimum:

1. Coordinate transportation projects deemed to be regionally significant by the committee.
2. Review the impact of regionally significant land use decisions on the region.
3. Review all proposed regionally significant transportation projects in the respective transportation improvement programs which affect more than one of the M.P.O.'s represented on the committee.
4. Institute a conflict resolution process to address any conflict that may arise in the planning and programming of such regionally significant projects.

(7) LONG-RANGE TRANSPORTATION PLAN.—Each M.P.O. must develop a long-range transportation plan that addresses at least a 20-year planning horizon. The plan must include both long-range and short-range strategies and must comply with all other state and federal requirements. The prevailing principles to be considered in the long-range transportation plan are: preserving the existing transportation infrastructure; enhancing Florida's economic competitiveness; and improving travel choices to ensure mobility. The long-range transportation plan must be consistent, to the maximum extent feasible, with future land use elements and the goals, objectives, and policies of the approved local government comprehensive plans of the units of local government located within the jurisdiction of the M.P.O. Each M.P.O. is encouraged to consider strategies that integrate transportation and land use planning to provide for sustainable development and reduce greenhouse gas emissions. The approved long-range transportation plan must be considered by local governments in the development of the transportation elements in local government comprehensive plans and any amendments thereto. The long-range transportation plan must, at a minimum:

(c) Assess capital investment and other measures necessary to:

1. Ensure the preservation of the existing metropolitan transportation system including requirements for the operation, resurfacing, restoration, and rehabilitation of major roadways and requirements for the operation, maintenance, modernization, and rehabilitation of public transportation facilities; and
2. Make the most efficient use of existing transportation facilities to relieve vehicular congestion, *improve safety*, and maximize the mobility of people and goods. *Such efforts must include, but are not limited to, consideration of infrastructure and technological improvements necessary to accommodate advances in vehicle technology, such as autonomous technology and other developments.*

In the development of its long-range transportation plan, each M.P.O. must provide the public, affected public agencies, representatives of transportation agency employees, freight shippers, providers of freight transportation services, private providers of transportation, representatives of users of public transit, and other interested parties with a reasonable opportunity to comment on the long-range transportation plan. The long-range transportation plan must be approved by the M.P.O.

Section 37. Subsection (2) of section 339.2818, Florida Statutes, is amended to read:

339.2818 Small County Outreach Program.—

(2)(a) For the purposes of this section, the term "small county" means any county that has a population of 170,000 ~~150,000~~ or less as determined by the most recent official estimate pursuant to s. 186.901.

~~(b) Notwithstanding paragraph (a), for the 2015-2016 fiscal year, for purposes of this section, the term "small county" means any county that has a population of 165,000 or less as determined by the most recent official estimate pursuant to s. 186.901. This paragraph expires July 1, 2016.~~

Section 38. Subsections (1) and (2) of section 339.55, Florida Statutes, are amended to read:

339.55 State-funded infrastructure bank.—

(1) There is created within the Department of Transportation a state-funded infrastructure bank for the purpose of providing loans and credit enhancements to government units and private entities for use in constructing and improving transportation facilities *or ancillary facilities that produce or distribute natural gas or fuel.*

(2) The bank may lend capital costs or provide credit enhancements for:

(a) A transportation facility project that is on the State Highway System or that provides for increased mobility on the state's transportation system or provides intermodal connectivity with airports, seaports, rail facilities, and other transportation terminals, pursuant to s. 341.053, for the movement of people and goods.

(b) Projects of the Transportation Regional Incentive Program which are identified pursuant to s. 339.2819(4).

(c)1. Emergency loans for damages incurred to public-use commercial deepwater seaports, public-use airports, and other public-use transit and intermodal facilities that are within an area that is part of an official state declaration of emergency pursuant to chapter 252 and all other applicable laws. Such loans:

a. May not exceed 24 months in duration except in extreme circumstances, for which the Secretary of Transportation may grant up to 36 months upon making written findings specifying the conditions requiring a 36-month term.

b. Require application from the recipient to the department that includes documentation of damage claims filed with the Federal Emergency Management Agency or an applicable insurance carrier and documentation of the recipient's overall financial condition.

c. Are subject to approval by the Secretary of Transportation and the Legislative Budget Commission.

2. Loans provided under this paragraph must be repaid upon receipt by the recipient of eligible program funding for damages in accordance with the claims filed with the Federal Emergency Management Agency or an applicable insurance carrier, but no later than the duration of the loan.

(d) *Beginning July 1, 2017, applications for the development and construction of natural gas fuel production or distribution facilities used primarily to support the transportation activities at seaports or intermodal facilities. Loans under this paragraph may be used to refinance outstanding debt.*

Section 39. Paragraph (c) is added to subsection (3) of section 339.64, Florida Statutes, and paragraph (a) of subsection (4) of that section is amended, to read:

339.64 Strategic Intermodal System Plan.—

(3)

(c) *The department shall coordinate with federal, regional, and local partners, as well as industry representatives, to consider infrastructure and technological improvements necessary to accommodate advances in vehicle technology, such as autonomous technology and other developments, in Strategic Intermodal System facilities.*

(4) The Strategic Intermodal System Plan shall include the following:

(a) A needs assessment *that must include, but is not limited to, consideration of infrastructure and technological improvements necessary to accommodate advances in vehicle technology, such as autonomous technology and other developments.*

Section 40. *Section 341.0532, Florida Statutes, is repealed.*

Section 41. Paragraphs (a) and (b) of subsection (2) of section 343.92, Florida Statutes, are amended to read:

343.92 Tampa Bay Area Regional Transportation Authority.—

(2) The governing board of the authority shall consist of *15 voting* ~~16~~ members.

(a) ~~There shall be one nonvoting, ex officio member of the board who shall be appointed by~~ The secretary of the department *shall appoint two advisors to the board but* who must be the district secretary for each one of the department districts within the seven-county area of the authority, ~~at the discretion of the secretary of the department.~~

(b) ~~The~~ ~~There shall be~~ 15 voting members of the board *shall be* as follows:

1. The county commissions of Citrus, Hernando, Hillsborough, Pasco, Pinellas, Manatee, and Sarasota Counties shall each appoint one elected official to the board. Members appointed under this subparagraph shall serve 2-year terms with not more than three consecutive terms being served by any person. If a member under this subparagraph leaves elected office, a vacancy exists on the board to be filled as provided in this subparagraph.

2. The *Tampa Bay Area Regional Transportation Authority (TBARTA) Metropolitan Planning Organization* ~~West-Central Florida M.P.O.~~ Chairs Coordinating Committee shall appoint one member to the board who must be a chair of one of the six metropolitan planning organizations in the region. The member appointed under this subparagraph shall serve a 2-year term with not more than three consecutive terms being served by any person.

3.a. Two members of the board shall be the mayor, or the mayor's designee, of the largest municipality within the service area of each of the following independent transit agencies or their legislatively created successor agencies: Pinellas Suncoast Transit Authority and Hillsborough Area Regional Transit Authority. The largest municipality is that municipality with the largest population as determined by the most recent United States Decennial Census.

b. Should a mayor choose not to serve, his or her designee must be an elected official selected by the mayor from that largest municipality's city council or city commission. A mayor or his or her designee shall serve a 2-year term with not more than three consecutive terms being served by any person.

c. A designee's term ends if the mayor leaves office for any reason. If a designee leaves elected office on the city council or commission, a vacancy exists on the board to be filled by the mayor of that municipality as provided in sub-subparagraph a.

d. A mayor who has served three consecutive terms on the board must designate an elected official from that largest municipality's city council or city commission to serve on the board for at least one term.

4.a. One membership on the board shall rotate every 2 years between the mayor, or his or her designee, of the largest municipality within Manatee County and the mayor, or his or her designee, of the largest municipality within Sarasota County. The mayor, or his or her designee, from the largest municipality within Manatee County shall serve the first 2-year term. The largest municipality is that municipality with the largest population as determined by the most recent United States Decennial Census.

b. Should a mayor choose not to serve, his or her designee must be an elected official selected by the mayor from that municipality's city council or city commission.

5. The Governor shall appoint to the board four business representatives, each of whom must reside in one of the seven counties governed by the authority, none of whom may be elected officials, and at least one but not more than two of whom shall represent counties within the federally designated Tampa Bay Transportation Management Area. Members appointed by the Governor shall serve 3-year terms with not more than two consecutive terms being served by any person.

Section 42. Paragraphs (d), (e), and (f) of subsection (3) of section 343.922, Florida Statutes, are amended, and paragraph (g) is added to that subsection, to read:

343.922 Powers and duties.—

(3)

(d) After its adoption, the master plan shall be updated every *5* ~~2~~ years before July 1.

(e) The authority shall present the original master plan and updates to the governing bodies of the counties within the seven-county region, to the *TBARTA Metropolitan Planning Organization* ~~West-Central Florida M.P.O.~~ Chairs Coordinating Committee, and to the legislative delegation members representing those counties within 90 days after adoption.

(f) The authority shall coordinate plans and projects with the *TBARTA Metropolitan Planning Organization* ~~West-Central Florida M.P.O.~~ Chairs Coordinating Committee, to the extent practicable, and participate in the regional M.P.O. planning process to ensure regional comprehension of the authority's mission, goals, and objectives.

(g) *The authority shall provide administrative support and direction to the TBARTA Metropolitan Planning Organization Chairs Coordinating Committee as provided in s. 339.175(6)(i).*

Section 43. Subsection (3) of section 348.565, Florida Statutes, is amended, and subsection (5) is added to that section, to read:

348.565 Revenue bonds for specified projects.—The existing facilities that constitute the Tampa-Hillsborough County Expressway System are hereby approved to be refinanced by revenue bonds issued by the Division of Bond Finance of the State Board of Administration pursuant to s. 11(f), Art. VII of the State Constitution and the State Bond Act or by revenue bonds issued by the authority pursuant to s. 348.56(1)(b). In addition, the following projects of the Tampa-Hillsborough County Expressway Authority are approved to be financed or refinanced by the issuance of revenue bonds in accordance with this part and s. 11(f), Art. VII of the State Constitution:

(3) Lee Roy Selmon Crosstown Expressway System widening, *and any extensions thereof.*

(5) *Capital projects that the authority is authorized to acquire, construct, reconstruct, equip, operate, and maintain pursuant to this part, including, without limitation, s. 348.54(15), provided that any financing of such projects does not pledge the full faith and credit of the state.*

Section 44. Subsection (20) is added to section 479.16, Florida Statutes, to read:

479.16 Signs for which permits are not required.—The following signs are exempt from the requirement that a permit for a sign be obtained under this chapter but are required to comply with s. 479.11(4)-(8), and ~~the provisions of~~ subsections (15)-(20) ~~(15)-(19)~~ may not be implemented or continued if the Federal Government notifies the

department that implementation or continuation will adversely affect the allocation of federal funds to the department:

(20) Signs that are located within the controlled area of a federal-aid primary highway but that are on a parcel adjacent to an off-ramp to the termination point of a turnpike system, if there is no directional decision to be made by a driver, the signs are primarily facing the off-ramp, and the signs have been in existence since at least 1995.

If the exemptions in subsections (15)-(20) ~~(15)-(19)~~ are not implemented or continued due to notification from the Federal Government that the allocation of federal funds to the department will be adversely impacted, the department shall provide notice to the sign owner that the sign must be removed within 30 days after receipt of the notice. If the sign is not removed within 30 days after receipt of the notice by the sign owner, the department may remove the sign, and the costs incurred in connection with the sign removal shall be assessed against and collected from the sign owner.

Section 45. *The Department of Transportation, in consultation with the Department of Highway Safety and Motor Vehicles, shall study the use and safe operation of driver-assistive truck platooning technology, as defined in s. 316.003, Florida Statutes, for the purpose of developing a pilot project to test vehicles that are equipped to operate using driver-assistive truck platooning technology.*

(1) Upon conclusion of the study, the Department of Transportation, in consultation with the Department of Highway Safety and Motor Vehicles, may conduct a pilot project to test the use and safe operation of vehicles equipped with driver-assistive truck platooning technology.

(2) Notwithstanding ss. 316.0895 and 316.303, Florida Statutes, the Department of Transportation may conduct the pilot project in such a manner and at such locations as determined by the Department of Transportation based on the study.

(3) Before the start of the pilot project, manufacturers of driver-assistive truck platooning technology being tested in the pilot project must submit to the Department of Highway Safety and Motor Vehicles an instrument of insurance, a surety bond, or proof of self-insurance acceptable to the department in the amount of \$5 million.

(4) Upon conclusion of the pilot project, the Department of Transportation, in consultation with the Department of Highway Safety and Motor Vehicles, shall submit the results of the study and any findings or recommendations from the pilot project to the Governor, the President of the Senate, and the Speaker of the House of Representatives.

Section 46. (1)(a) *The Office of Economic and Demographic Research shall evaluate and determine the economic benefits, as defined in s. 288.005(1), Florida Statutes, of the state's investment in the Department of Transportation's adopted work program developed in accordance with s. 339.135(5), Florida Statutes, for fiscal year 2016-2017 and the following 4 fiscal years. At a minimum, a separate return on investment shall be projected for each of the following areas:*

1. Roads and highways.
2. Rails.
3. Public transit.
4. Aviation.
5. Seaports.

(b) *The evaluation shall be limited to the funding anticipated by the adopted work program but may address the continuing economic impact for those transportation projects in the 5 years after the conclusion of the adopted work program. The evaluation must also determine the number of jobs created, the increase or decrease in personal income, and the impact on gross domestic product from the direct, indirect, and induced effects on the state's investment in each area.*

(2) *The Department of Transportation and each of its district offices shall provide the Office of Economic and Demographic Research full access to all data necessary to complete the evaluation, including any confidential data.*

(3) *The Office of Economic and Demographic Research shall submit the evaluation to the President of the Senate and the Speaker of the House of Representatives by January 1, 2017.*

Section 47. *Notwithstanding any other law or local ordinance to the contrary, non-emergency transportation services under any Medicaid program administered by the state or its contracted providers may be provided, subject only to Medicaid laws, rules, and contract terms, by entities including, but not limited to commercial airline; ground ambulances subcontracted for use as stretcher vans; ground and air ambulances; mass transit and public transportation systems; medical vehicles (wheelchair or stretcher vans); multi-load passenger van; private vehicle; private non-profit agencies; and taxi. No political subdivision may limit or proscribe the types of vehicles that may be used for non-emergency medical transportation covered by any federally-funded program or commercial health coverage product. This section shall not apply to the provision of emergency medical transportation services under part III of chapter 401.*

Section 48. Paragraph (c) of subsection (1) of section 212.05, Florida Statutes, is amended to read:

212.05 Sales, storage, use tax.—It is hereby declared to be the legislative intent that every person is exercising a taxable privilege who engages in the business of selling tangible personal property at retail in this state, including the business of making mail order sales, or who rents or furnishes any of the things or services taxable under this chapter, or who stores for use or consumption in this state any item or article of tangible personal property as defined herein and who leases or rents such property within the state.

(1) For the exercise of such privilege, a tax is levied on each taxable transaction or incident, which tax is due and payable as follows:

(c) At the rate of 6 percent of the gross proceeds derived from the lease or rental of tangible personal property, as defined herein; however, the following special provisions apply to the lease or rental of motor vehicles:

1. When a motor vehicle is leased or rented for a period of less than 12 months:

a. If the motor vehicle is rented in Florida, the entire amount of such rental is taxable, even if the vehicle is dropped off in another state.

b. If the motor vehicle is rented in another state and dropped off in Florida, the rental is exempt from Florida tax.

2. Except as provided in subparagraph 3., for the lease or rental of a motor vehicle for a period of not less than 12 months, sales tax is due on the lease or rental payments if the vehicle is registered in this state; provided, however, that no tax shall be due if the taxpayer documents use of the motor vehicle outside this state and tax is being paid on the lease or rental payments in another state.

3. The tax imposed by this chapter does not apply to the lease or rental of a commercial motor vehicle as defined in s. 316.003(12)(a) ~~316.003(66)(a)~~ to one lessee or rentee for a period of not less than 12 months when tax was paid on the purchase price of such vehicle by the lessor. To the extent tax was paid with respect to the purchase of such vehicle in another state, territory of the United States, or the District of Columbia, the Florida tax payable shall be reduced in accordance with the provisions of s. 212.06(7). This subparagraph shall only be available when the lease or rental of such property is an established business or part of an established business or the same is incidental or germane to such business.

Section 49. Subsection (1) of section 316.1303, Florida Statutes, is amended to read:

316.1303 Traffic regulations to assist mobility-impaired persons.—

(1) Whenever a pedestrian who is mobility impaired is in the process of crossing a public street or highway with the assistance of a guide dog or service animal designated as such with a visible means of identification, a walker, a crutch, an orthopedic cane, or a wheelchair, the driver of a vehicle approaching the intersection, ~~as defined in s. 316.003(17),~~ shall bring his or her vehicle to a full stop before arriving at

the intersection and, before proceeding, shall take precautions necessary to avoid injuring the pedestrian.

Section 50. Paragraph (b) of subsection (2) and paragraph (a) of subsection (4) of section 316.545, Florida Statutes, are amended to read:

316.545 Weight and load unlawful; special fuel and motor fuel tax enforcement; inspection; penalty; review.—

(2)

(b) The officer or inspector shall inspect the license plate or registration certificate of the commercial vehicle, ~~as defined in s. 316.003(66)~~, to determine whether its gross weight is in compliance with the declared gross vehicle weight. If its gross weight exceeds the declared weight, the penalty shall be 5 cents per pound on the difference between such weights. In those cases when the commercial vehicle, ~~as defined in s. 316.003(66)~~, is being operated over the highways of the state with an expired registration or with no registration from this or any other jurisdiction or is not registered under the applicable provisions of chapter 320, the penalty herein shall apply on the basis of 5 cents per pound on that scaled weight which exceeds 35,000 pounds on laden truck tractor-semitrailer combinations or tandem trailer truck combinations, 10,000 pounds on laden straight trucks or straight truck-trailer combinations, or 10,000 pounds on any unladen commercial motor vehicle. If the license plate or registration has not been expired for more than 90 days, the penalty imposed under this paragraph may not exceed \$1,000. In the case of special mobile equipment ~~as defined in s. 316.003(48)~~, which qualifies for the license tax provided for in s. 320.08(5)(b), being operated on the highways of the state with an expired registration or otherwise not properly registered under the applicable provisions of chapter 320, a penalty of \$75 shall apply in addition to any other penalty which may apply in accordance with this chapter. A vehicle found in violation of this section may be detained until the owner or operator produces evidence that the vehicle has been properly registered. Any costs incurred by the retention of the vehicle shall be the sole responsibility of the owner. A person who has been assessed a penalty pursuant to this paragraph for failure to have a valid vehicle registration certificate pursuant to the provisions of chapter 320 is not subject to the delinquent fee authorized in s. 320.07 if such person obtains a valid registration certificate within 10 working days after such penalty was assessed.

(4)(a) A ~~no~~ commercial vehicle ~~may not, as defined in s. 316.003(66), shall~~ be operated over the highways of this state unless it has been properly registered under ~~the provisions of~~ s. 207.004. Whenever any law enforcement officer identified in s. 207.023(1), upon inspecting the vehicle or combination of vehicles, determines that the vehicle is in violation of s. 207.004, a penalty in the amount of \$50 shall be assessed, and the vehicle may be detained until payment is collected by the law enforcement officer.

Section 51. Subsection (2) of section 316.605, Florida Statutes, is amended to read:

316.605 Licensing of vehicles.—

(2) Any commercial motor vehicle, ~~as defined in s. 316.003(66)~~, operating over the highways of this state with an expired registration, with no registration from this or any other jurisdiction, or with no registration under the applicable provisions of chapter 320 shall be in violation of s. 320.07(3) and shall subject the owner or operator of such vehicle to the penalty provided. In addition, a commercial motor vehicle found in violation of this section may be detained by any law enforcement officer until the owner or operator produces evidence that the vehicle has been properly registered and that any applicable delinquent penalties have been paid.

Section 52. Subsection (6) of section 316.6105, Florida Statutes, is amended to read:

316.6105 Violations involving operation of motor vehicle in unsafe condition or without required equipment; procedure for disposition.—

(6) This section does not apply to commercial motor vehicles ~~as defined in s. 316.003(66)~~ or transit buses owned or operated by a governmental entity.

Section 53. Paragraph (a) of subsection (2) of section 316.613, Florida Statutes, is amended to read:

316.613 Child restraint requirements.—

(2) As used in this section, the term “motor vehicle” means a motor vehicle as defined in s. 316.003 that is operated on the roadways, streets, and highways of the state. The term does not include:

(a) A school bus ~~as defined in s. 316.003(45)~~.

Section 54. Subsection (8) of section 316.622, Florida Statutes, is amended to read:

316.622 Farm labor vehicles.—

(8) The department shall provide to the Department of Business and Professional Regulation each quarter a copy of each accident report involving a farm labor vehicle, ~~as defined in s. 316.003(62), commencing with the first quarter of the 2006-2007 fiscal year.~~

Section 55. Paragraph (b) of subsection (1) of section 316.650, Florida Statutes, is amended to read:

316.650 Traffic citations.—

(1)

(b) The department shall prepare, and supply to every traffic enforcement agency in the state, an appropriate affidavit-of-compliance form that shall be issued along with the form traffic citation for any violation of s. 316.610 and that indicates the specific defect needing to be corrected. However, such affidavit of compliance ~~may shall~~ not be issued in the case of a violation of s. 316.610 by a commercial motor vehicle ~~as defined in s. 316.003(66)~~. Such affidavit-of-compliance form shall be distributed in the same manner and to the same parties as is the form traffic citation.

Section 56. Subsection (1) of section 316.70, Florida Statutes, is amended to read:

316.70 Nonpublic sector buses; safety rules.—

(1) The Department of Transportation shall establish and revise standards to ~~ensure assure~~ the safe operation of nonpublic sector buses, ~~as defined in s. 316.003(78)~~, which standards shall be those contained in 49 C.F.R. parts 382, 385, and 390-397 and which shall be directed ~~toward ensuring towards assuring~~ that:

(a) Nonpublic sector buses are safely maintained, equipped, and operated.

(b) Nonpublic sector buses are carrying the insurance required by law and carrying liability insurance on the checked baggage of passengers not to exceed the standard adopted by the United States Department of Transportation.

(c) Florida license tags are purchased for nonpublic sector buses pursuant to s. 320.38.

(d) The driving records of drivers of nonpublic sector buses are checked by their employers at least once each year to ascertain whether the driver has a suspended or revoked driver license.

Section 57. Paragraph (a) of subsection (1) of section 320.01, Florida Statutes, is amended to read:

320.01 Definitions, general.—As used in the Florida Statutes, except as otherwise provided, the term:

(1) “Motor vehicle” means:

(a) An automobile, motorcycle, truck, trailer, semitrailer, truck tractor and semitrailer combination, or any other vehicle operated on the roads of this state, used to transport persons or property, and propelled by power other than muscular power, but the term does not include traction engines, road rollers, special mobile equipment as defined in s. 316.003 ~~316.003(48)~~, vehicles that run only upon a track, bicycles, swamp buggies, or mopeds.

Section 58. Section 320.08, Florida Statutes, is amended to read:

320.08 License taxes.—Except as otherwise provided herein, there are hereby levied and imposed annual license taxes for the operation of motor vehicles, mopeds, motorized bicycles as defined in s. 316.003(2) ~~316.003(2)~~, tri-vehicles as defined in s. 316.003, and mobile homes, as defined in s. 320.01, which shall be paid to and collected by the department or its agent upon the registration or renewal of registration of the following:

Senator Evers moved the following amendment to **Amendment 1 (588642)** which was adopted:

Amendment 1A (895840) (with title amendment)—Between lines 4 and 5 insert:

Section 1. Subsection (5) is added to section 288.1097, Florida Statutes, to read:

288.1097 Qualified job training organizations; certification; duties.—

(5) *Notwithstanding s. 624.4625(1)(b), any member of a qualified job training organization that is both certified under this section and has at least one roadside cleaning service contract with a state agency among its membership may participate in a self-insurance fund authorized under s. 624.4625.*

And the title is amended as follows:

Delete line 2871 and insert: An act relating to transportation; amending s. 288.1097, F.S.; authorizing members of certain qualified job training organizations to participate in a self-insurance fund; amending s. 311.12,

Senator Abruzzo moved the following amendment to **Amendment 1 (588642)** which was adopted:

Amendment 1B (272370) (with title amendment)—Between lines 822 and 823 insert:

Section 11. Paragraph (b) of subsection (3) of section 319.30, Florida Statutes, is amended, and paragraph (c) is added to that subsection, to read:

319.30 Definitions; dismantling, destruction, change of identity of motor vehicle or mobile home; salvage.—

(3)

(b) The owner, including persons who are self-insured, of a motor vehicle or mobile home that is considered to be salvage shall, within 72 hours after the motor vehicle or mobile home becomes salvage, forward the title to the motor vehicle or mobile home to the department for processing. However, an insurance company that pays money as compensation for the total loss of a motor vehicle or mobile home shall obtain the certificate of title for the motor vehicle or mobile home, make the required notification to the National Motor Vehicle Title Information System, and, within 72 hours after receiving such certificate of title, forward such title to the department for processing. The owner or insurance company, as applicable, may not dispose of a vehicle or mobile home that is a total loss before it obtains a salvage certificate of title or certificate of destruction from the department. *Effective July 1, 2023:*

1. *Thirty days after payment of a claim for compensation pursuant to this paragraph, the insurance company may receive a salvage certificate of title or certificate of destruction from the department if the insurance company is unable to obtain a properly assigned certificate of title from the owner or lienholder of the motor vehicle or mobile home, if the motor vehicle or mobile home does not carry an electronic lien on the title and the insurance company:*

a. *Has obtained the release of all liens on the motor vehicle or mobile home;*

b. *Has provided proof of payment of the total loss claim; and*

c. *Has provided an affidavit on letterhead signed by the insurance company or its authorized agent stating the attempts that have been*

made to obtain the title from the owner or lienholder and further stating that all attempts are to no avail. The affidavit must include a request that the salvage certificate of title or certificate of destruction be issued in the insurance company's name due to payment of a total loss claim to the owner or lienholder. The attempts to contact the owner may be by written request delivered in person or by first-class mail with a certificate of mailing to the owner's or lienholder's last known address.

2. If the owner or lienholder is notified of the request for title in person, the insurance company must provide an affidavit attesting to the in-person request for a certificate of title.

3. The request to the owner or lienholder for the certificate of title must include a complete description of the motor vehicle or mobile home and the statement that a total loss claim has been paid on the motor vehicle or mobile home.

(c) When applying for a salvage certificate of title or certificate of destruction, the owner or insurance company must provide the department with an estimate of the costs of repairing the physical and mechanical damage suffered by the vehicle for which a salvage certificate of title or certificate of destruction is sought. If the estimated costs of repairing the physical and mechanical damage to the mobile home are equal to 80 percent or more of the current retail cost of the mobile home, as established in any official used mobile home guide, the department shall declare the mobile home unbuildable and print a certificate of destruction, which authorizes the dismantling or destruction of the mobile home. For a late model vehicle with a current retail cost of at least \$7,500 just prior to sustaining the damage that resulted in the total loss, as established in any official used car guide or valuation service, if the owner or insurance company determines that the estimated costs of repairing the physical and mechanical damage to the vehicle are equal to 90 percent or more of the current retail cost of the vehicle, as established in any official used motor vehicle guide or valuation service, the department shall declare the vehicle unbuildable and print a certificate of destruction, which authorizes the dismantling or destruction of the motor vehicle. However, if the damaged motor vehicle is equipped with custom-lowered floors for wheelchair access or a wheelchair lift, the insurance company may, upon determining that the vehicle is repairable to a condition that is safe for operation on public roads, submit the certificate of title to the department for reissuance as a salvage rebuildable title and the addition of a title brand of "insurance-declared total loss." The certificate of destruction shall be reassignable a maximum of two times before dismantling or destruction of the vehicle is required, and shall accompany the motor vehicle or mobile home for which it is issued, when such motor vehicle or mobile home is sold for such purposes, in lieu of a certificate of title. The department may not issue a certificate of title for that vehicle. This subsection is not applicable if a mobile home is worth less than \$1,500 retail just prior to sustaining the damage that resulted in the total loss in any official used mobile home guide or when a stolen motor vehicle or mobile home is recovered in substantially intact condition and is readily resalable without extensive repairs to or replacement of the frame or engine. If a motor vehicle has a current retail cost of less than \$7,500 just prior to sustaining the damage that resulted in the total loss, as established in any official used motor vehicle guide or valuation service, or if the vehicle is not a late model vehicle, the owner or insurance company that pays money as compensation for the total loss of the motor vehicle shall obtain a certificate of destruction, if the motor vehicle is damaged, wrecked, or burned to the extent that the only residual value of the motor vehicle is as a source of parts or scrap metal, or if the motor vehicle comes into this state under a title or other ownership document that indicates that the motor vehicle is not repairable, is junked, or is for parts or dismantling only. A person who knowingly violates this paragraph or falsifies documentation to avoid the requirements of this paragraph commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

And the title is amended as follows:

Delete line 2927 and insert: operation of autonomous vehicles; amending s. 319.30, F.S.; authorizing insurance companies to receive a salvage certificate of title or certificate of destruction from the Department of Highway Safety and Motor Vehicles after a specified

number of days after payment of a claim as of a specified date, subject to certain requirements; requiring insurance companies seeking such title or certificate of destruction to follow a specified procedure; providing requirements for the request; amending s. 320.525,

PRAYER

The following prayer was offered by Reverend David S. Williams, Chaplain, Jacksonville Sheriff's Office:

O God, who governs the world in righteousness and whose judgments are true and righteous: Grant those who legislate for us to be of one mind, to establish justice, and promote the welfare of all people. Bless all members of the Senate with understanding, purpose, and sound speech, that at the end of the day they may hear the voice of God say, "Job well done." Amen.

PLEDGE

Senate Pages, Connor Hansen of Tallahassee; Logan Roberts of Tallahassee; and Bailey Smith of Tallahassee, joined by Andrew Gardiner, Jr., Joanna Gardiner, and Kathryn Gardiner, children of the President; and Faith Lee, daughter of Senator Lee; led the Senate in the Pledge of Allegiance to the flag of the United States of America.

ADOPTION OF RESOLUTIONS

At the request of Senator Latvala—

By Senator Latvala—

SR 1794—A resolution recognizing and commending the Moffitt Cancer Center on the occasion of its 30th anniversary.

WHEREAS, in 1981, the Legislature passed a bill creating the H. Lee Moffitt Cancer Center and Research Institute, and construction of the project began in 1983, and

WHEREAS, the Moffitt Cancer Center opened in 1986 and in 1989 launched the Blood and Marrow Transplant Program, and

WHEREAS, in 1993, Moffitt Cancer Center Screening and Prevention opened, followed in 1995 by the Moffitt Research Center, and

WHEREAS, in 1998, the Moffitt Cancer Center earned a National Cancer Institute (NCI) Cancer Center Support Grant, and the Legislature appropriated \$100 million to expand research and clinical programs, and

WHEREAS, in 2001, the Moffitt Cancer Center earned NCI Comprehensive Cancer Center status and in 2003 opened the Vincent A. Stabile Research Building and an expanded Muriel Rothman Building, and

WHEREAS, in 2003 the Moffitt Cancer Center launched Total Cancer Care, an innovative program that seeks to overcome economic and geographic barriers to advanced cancer care, and

WHEREAS, in 2009, the Moffitt Cancer Center opened the South Expansion, where two new Varian Trilogy units and a new Pinnacle Treatment Planning System have been installed and are in use in the Radiation Oncology Section, and

WHEREAS, in 2011, the Moffitt Cancer Center at International Plaza opened, and Moffitt South moved to a location near Tampa International Airport and International Plaza, and

WHEREAS, in 2015 the modern, 207,000-square-foot Moffitt McKinley Outpatient Center opened, fulfilling a critical need for expanded outpatient services, and

WHEREAS, the Moffitt Cancer Center, the state's only NCI-designated Comprehensive Cancer Center and the state leader in treatment, research, and training, treats 1,000 patients each day as the third-largest and fastest-growing cancer center in the nation, and

WHEREAS, the Moffitt Cancer Center has grown from 400 employees to more than 5,000, and has a nearly \$2 billion economic impact, with more than 100 patent applications, and

WHEREAS, the Moffitt Cancer Center is training more than 1,800 students annually to address the critical future shortage of oncologists in this state, and

WHEREAS, the Moffitt Cancer Center is leading the state in research, with nearly 12,000 patients placed in clinical trials in the past 5 years, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Senate recognizes and commends the Moffitt Cancer Center on the occasion of its 30th anniversary.

—was introduced, read, and adopted by publication.

RECONSIDERATION OF AMENDMENT

On motion by Senator Brandes, the Senate reconsidered the vote by which engrossed **Amendment 1 (691108)** was adopted.

Senator Brandes moved the following amendment:

Amendment 1 (691108) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsection (5) is added to section 288.1097, Florida Statutes, to read:

288.1097 Qualified job training organizations; certification; duties.—

(5) *Notwithstanding s. 624.4625(1)(b), any member of a qualified job training organization that is both certified under this section and has at least one roadside cleaning service contract with a state agency among its membership may participate in a self-insurance fund authorized under s. 624.4625.*

Section 2. Subsections (5) and (6) are added to section 311.12, Florida Statutes, to read:

311.12 Seaport security.—

(5) **ADVISORY COMMITTEE.**—

(a) *There is created the Seaport Security Advisory Committee, which shall be under the direction of the Florida Seaport Transportation and Economic Development Council.*

(b) *The committee shall consist of the following members:*

1. *Five or more port security directors appointed by the council chair shall serve as voting members. The council chair shall designate one member of the committee to serve as committee chair.*

2. *A designee from the United States Coast Guard shall serve ex officio as a nonvoting member.*

3. *A designee from United States Customs and Border Protection shall serve ex officio as a nonvoting member.*

4. *Two representatives from local law enforcement agencies providing security services at a Florida seaport shall serve ex officio as nonvoting members.*

(c) *The committee shall meet at the call of the chair but at least annually. A majority of the voting members constitutes a quorum for the purpose of transacting business of the committee, and a vote of the majority of the voting members present is required for official action by the committee.*

(d) *The committee shall provide a forum for discussion of seaport security issues, including, but not limited to, matters such as national and state security strategy and policy, actions required to meet current and future security threats, statewide cooperation on security issues, and security concerns of the state's maritime industry.*

(6) **GRANT PROGRAM.**—

(a) *The Florida Seaport Transportation and Economic Development Council shall establish a Seaport Security Grant Program for the purpose of assisting in the implementation of security plans and security measures at the seaports listed in s. 311.09(1). Funds may be used for the purchase of equipment, infrastructure needs, cybersecurity programs, and other security measures identified in a seaport's approved federal security plan. Such grants may not exceed 75 percent of the total cost of the request and are subject to legislative appropriation.*

(b) *The Seaport Security Advisory Committee shall review applications for the grant program and make recommendations to the council for grant approvals. The council shall adopt by rule criteria to implement this subsection.*

Section 3. Section 316.003, Florida Statutes, is reordered and amended to read:

316.003 Definitions.—The following words and phrases, when used in this chapter, shall have the meanings respectively ascribed to them in this section, except where the context otherwise requires:

(10)(65) CHILD.—A child as defined in s. 39.01, s. 984.03, or s. 985.03.

(11) COMMERCIAL MEGACYCLE.—*A vehicle that has fully operational pedals for propulsion entirely by human power and meets all of the following requirements:*

- (a) *Has four wheels and is operated in a manner similar to a bicycle.*
- (b) *Has at least five but no more than 15 seats for passengers.*
- (c) *Is primarily powered by pedaling but may have an auxiliary motor capable of propelling the vehicle at no more than 15 miles per hour.*

(12)(66) COMMERCIAL MOTOR VEHICLE.—Any self-propelled or towed vehicle used on the public highways in commerce to transport passengers or cargo, if such vehicle:

- (a) Has a gross vehicle weight rating of 10,000 pounds or more;
- (b) Is designed to transport more than 15 passengers, including the driver; or
- (c) Is used in the transportation of materials found to be hazardous for the purposes of the Hazardous Materials Transportation Act, as amended (49 U.S.C. ss. 1801 et seq.).

A vehicle that occasionally transports personal property to and from a closed-course motorsport facility, as defined in s. 549.09(1)(a), is not a commercial motor vehicle if it is not used for profit and corporate sponsorship is not involved. As used in this subsection, the term “corporate sponsorship” means a payment, donation, gratuity, in-kind service, or other benefit provided to or derived by a person in relation to the underlying activity, other than the display of product or corporate names, logos, or other graphic information on the property being transported.

(13)(67) COURT.—The court having jurisdiction over traffic offenses.

(14)(6) CROSSWALK.—

(a) That part of a roadway at an intersection included within the connections of the lateral lines of the sidewalks on opposite sides of the highway, measured from the curbs or, in the absence of curbs, from the edges of the traversable roadway.

(b) Any portion of a roadway at an intersection or elsewhere distinctly indicated for pedestrian crossing by lines or other markings on the surface.

(15)(7) DAYTIME.—The period from a half hour before sunrise to a half hour after sunset. *The term “nighttime” means at any other hour.*

(16)(8) DEPARTMENT.—The Department of Highway Safety and Motor Vehicles as defined in s. 20.24. Any reference herein to *the* Department of Transportation shall be construed as referring to the Department of Transportation *as*, defined in s. 20.23; or the appropriate division thereof.

(17)(9) DIRECTOR.—The Director of the Division of the Florida Highway Patrol of the Department of Highway Safety and Motor Vehicles.

(18)(10) DRIVER.—Any person who drives or is in actual physical control of a vehicle on a highway or who is exercising control of a vehicle or steering a vehicle being towed by a motor vehicle.

(19) DRIVER-ASSISTIVE TRUCK PLATOONING TECHNOLOGY.—*Vehicle automation and safety technology that integrates sensor array, wireless vehicle-to-vehicle communications, active safety systems, and specialized software to link safety systems and synchronize acceleration and braking between two vehicles while leaving each vehicle’s steering control and systems command in the control of the vehicle’s driver in compliance with the National Highway Traffic Safety Administration rules regarding vehicle-to-vehicle communications.*

(20)(82) ELECTRIC PERSONAL ASSISTIVE MOBILITY DEVICE.—Any self-balancing, two-nontandem-wheeled device, designed to transport only one person, with an electric propulsion system with average power of 750 watts (1 horsepower), the maximum speed of which, on a paved level surface when powered solely by such a propulsion system while being ridden by an operator who weighs 170 pounds, is less than 20 miles per hour. Electric personal assistive mobility devices are not vehicles as defined in this section.

(21)(11) EXPLOSIVE.—Any chemical compound or mechanical mixture that is commonly used or intended for the purpose of producing an explosion and which contains any oxidizing and combustible units or other ingredients in such proportions, quantities, or packing that an ignition by fire, friction, concussion, percussion, or detonator of any part of the compound or mixture may cause such a sudden generation of highly heated gases that the resultant gaseous pressures are capable of producing destructive effect on contiguous objects or of destroying life or limb.

(22)(62) FARM LABOR VEHICLE.—Any vehicle equipped and used for the transportation of nine or more migrant or seasonal farm workers, in addition to the driver, to or from a place of employment or employment-related activities. The term does not include:

- (a) Any vehicle carrying only members of the immediate family of the owner or driver.
- (b) Any vehicle being operated by a common carrier of passengers.
- (c) Any carpool as defined in s. 450.28(3).

(23)(12) FARM TRACTOR.—Any motor vehicle designed and used primarily as a farm implement for drawing plows, mowing machines, and other implements of husbandry.

(24)(13) FLAMMABLE LIQUID.—Any liquid which has a flash point of 70 degrees Fahrenheit or less, as determined by a Tagliabue or equivalent closed-cup test device.

(25)(68) GOLF CART.—A motor vehicle designed and manufactured for operation on a golf course for sporting or recreational purposes.

(26)(14) GROSS WEIGHT.—The weight of a vehicle without load plus the weight of any load thereon.

(27)(69) HAZARDOUS MATERIAL.—Any substance or material which has been determined by the secretary of the United States Department of Transportation to be capable of imposing an unreasonable risk to health, safety, and property. This term includes hazardous waste as defined in s. 403.703(13).

(28)(45) HOUSE TRAILER.—

(a) A trailer or semitrailer which is designed, constructed, and equipped as a dwelling place, living abode, or sleeping place, (either permanently or temporarily,) and is equipped for use as a conveyance on streets and highways; or

(b) A trailer or a semitrailer the chassis and exterior shell of which is designed and constructed for use as a house trailer, as defined in paragraph (a), but which is used instead, permanently or temporarily, for the advertising, sales, display, or promotion of merchandise or services or for any other commercial purpose except the transportation of property for hire or the transportation of property for distribution by a private carrier.

(29)(16) IMPLEMENT OF HUSBANDRY.—Any vehicle designed and adapted exclusively for agricultural, horticultural, or livestock-raising operations or for lifting or carrying an implement of husbandry and in either case not subject to registration if used upon the highways.

(30)(17) INTERSECTION.—

(a) The area embraced within the prolongation or connection of the lateral curblines; or, if none, then the lateral boundary lines of the roadways of two highways which join one another at, or approximately at, right angles; or the area within which vehicles traveling upon different highways joining at any other angle may come in conflict.

(b) Where a highway includes two roadways 30 feet or more apart, ~~then~~ every crossing of each roadway of such divided highway by an intersecting highway shall be regarded as a separate intersection. *If the* ~~In the event such~~ intersecting highway also includes two roadways 30 feet or more apart, ~~then~~ every crossing of two roadways of such highways shall be regarded as a separate intersection.

(31)(18) LANED HIGHWAY.—A highway the roadway of which is divided into two or more clearly marked lanes for vehicular traffic.

(32)(19) LIMITED ACCESS FACILITY.—A street or highway especially designed for through traffic and over, from, or to which owners or occupants of abutting land or other persons have no right or easement, or only a limited right or easement, of access, light, air, or view by reason of the fact that their property abuts upon such limited access facility or for any other reason. Such highways or streets may be parkways from which trucks, buses, and other commercial vehicles are excluded; or ~~they~~ may be freeways open to use by all customary forms of street and highway traffic.

(33)(20) LOCAL AUTHORITIES.—~~Includes~~ All officers and public officials of the several counties and municipalities of this state.

(34)(91) LOCAL HEARING OFFICER.—The person, designated by a department, county, or municipality that elects to authorize traffic infraction enforcement officers to issue traffic citations under s. 316.0083(1)(a), who is authorized to conduct hearings related to a notice of violation issued pursuant to s. 316.0083. The charter county, non-charter county, or municipality may use its currently appointed code enforcement board or special magistrate to serve as the local hearing officer. The department may enter into an interlocal agreement to use the local hearing officer of a county or municipality.

(35)(80) MAXI-CUBE VEHICLE.—A specialized combination vehicle consisting of a truck carrying a separable cargo-carrying unit combined with a semitrailer designed so that the separable cargo-carrying unit is to be loaded and unloaded through the semitrailer. The entire combination may not exceed 65 feet in length, and a single component of that combination may not exceed 34 feet in length.

(36)(61) MIGRANT OR SEASONAL FARM WORKER.—Any person employed in hand labor operations in planting, cultivation, or harvesting agricultural crops.

(37)(77) MOPED.—Any vehicle with pedals to permit propulsion by human power, having a seat or saddle for the use of the rider and designed to travel on not more than three wheels; with a motor rated not in excess of 2 brake horsepower and not capable of propelling the vehicle at a speed greater than 30 miles per hour on level ground; and with a power-drive system that functions directly or automatically without clutching or shifting gears by the operator after the drive system is engaged. If an internal combustion engine is used, the displacement may not exceed 50 cubic centimeters.

(38)(86) MOTOR CARRIER TRANSPORTATION CONTRACT.—

(a) A contract, agreement, or understanding covering:

1. The transportation of property for compensation or hire by the motor carrier;
2. Entrance on property by the motor carrier for the purpose of loading, unloading, or transporting property for compensation or hire; or
3. A service incidental to activity described in subparagraph 1. or subparagraph 2., including, but not limited to, storage of property.

(b) “Motor carrier transportation contract” does not include the Uniform Intermodal Interchange and Facilities Access Agreement administered by the Intermodal Association of North America or other agreements providing for the interchange, use, or possession of intermodal chassis, containers, or other intermodal equipment.

(39)(21) MOTOR VEHICLE.—Except when used in s. 316.1001, a self-propelled vehicle not operated upon rails or guideway, but not including any bicycle, motorized scooter, electric personal assistive mobility device, swamp buggy, or moped. For purposes of s. 316.1001, “motor vehicle” has the same meaning as *provided* in s. 320.01(1)(a).

(40)(22) MOTORCYCLE.—Any motor vehicle having a seat or saddle for the use of the rider and designed to travel on not more than three wheels in contact with the ground, but excluding a tractor or a moped.

(41)(82) MOTORIZED SCOOTER.—Any vehicle not having a seat or saddle for the use of the rider, designed to travel on not more than three wheels, and not capable of propelling the vehicle at a speed greater than 30 miles per hour on level ground.

(42)(78) NONPUBLIC SECTOR BUS.—Any bus which is used for the transportation of persons for compensation and which is not owned, leased, operated, or controlled by a municipal, county, or state government or a governmentally owned or managed nonprofit corporation.

(43)(23) OFFICIAL TRAFFIC CONTROL DEVICES.—All signs, signals, markings, and devices, not inconsistent with this chapter, placed or erected by authority of a public body or official having jurisdiction for the purpose of regulating, warning, or guiding traffic.

(44)(24) OFFICIAL TRAFFIC CONTROL SIGNAL.—Any device, whether manually, electrically, or mechanically operated, by which traffic is alternately directed to stop and permitted to proceed.

(45)(25) OPERATOR.—Any person who is in actual physical control of a motor vehicle upon the highway; or who is exercising control over or steering a vehicle being towed by a motor vehicle.

(46)(26) OWNER.—A person who holds the legal title of a vehicle. *If,* ~~or, in the event~~ a vehicle is the subject of an agreement for the conditional sale or lease thereof with the right of purchase upon performance of the conditions stated in the agreement and with an immediate right of possession vested in the conditional vendee or lessee, or *if in the event* a mortgagor of a vehicle is entitled to possession, ~~then~~ such conditional vendee; or lessee; or mortgagor shall be deemed the owner; for the purposes of this chapter.

(47)(27) PARK OR PARKING.—The standing of a vehicle, whether occupied or not *occupied*, otherwise than temporarily for the purpose of and while actually engaged in loading or unloading merchandise or passengers as may be permitted by law under this chapter.

(48)(28) PEDESTRIAN.—Any person afoot.

(49)(29) PERSON.—Any natural person, firm, copartnership, association, or corporation.

(50)(30) PNEUMATIC TIRE.—Any tire in which compressed air is designed to support the load.

(51)(31) POLE TRAILER.—Any vehicle without motive power designed to be drawn by another vehicle and attached to the towing vehicle by means of a reach or pole, or by being boomed or otherwise secured to the towing vehicle, and ordinarily used for transporting long

or irregularly shaped loads such as poles, pipes, or structural members capable, generally, of sustaining themselves as beams between the supporting connections.

(52)(32) POLICE OFFICER.—Any officer authorized to direct or regulate traffic or to make arrests for violations of traffic regulations, including Florida highway patrol officers, sheriffs, deputy sheriffs, and municipal police officers.

(53)(33) PRIVATE ROAD OR DRIVEWAY.—Except as otherwise provided in paragraph (75)(b) (53)(b), any privately owned way or place used for vehicular travel by the owner and those having express or implied permission from the owner, but not by other persons.

(54)(34) RADIOACTIVE MATERIALS.—Any materials or combination of materials which emit ionizing radiation spontaneously in which the radioactivity per gram of material, in any form, is greater than 0.002 microcuries.

(55)(35) RAILROAD.—A carrier of persons or property upon cars operated upon stationary rails.

(56)(36) RAILROAD SIGN OR SIGNAL.—Any sign, signal, or device erected by authority of a public body or official, or by a railroad, and intended to give notice of the presence of railroad tracks or the approach of a railroad train.

(57)(37) RAILROAD TRAIN.—A steam engine, electric or other motor, with or without cars coupled thereto, operated upon rails, except a streetcar.

(58)(38) RESIDENCE DISTRICT.—The territory contiguous to, and including, a highway, not comprising a business district, when the property on such highway, for a distance of 300 feet or more, is, in the main, improved with residences or residences and buildings in use for business.

(59)(39) REVOCATION.—~~Termination of~~ Revocation means that a licensee's privilege to drive a motor vehicle is terminated. A new license may be obtained only as permitted by law.

(60)(40) RIGHT-OF-WAY.—The right of one vehicle or pedestrian to proceed in a lawful manner in preference to another vehicle or pedestrian approaching under such circumstances of direction, speed, and proximity as to give rise to danger of collision unless one grants precedence to the other.

(61)(41) ROAD TRACTOR.—Any motor vehicle designed and used for drawing other vehicles and not so constructed as to carry any load thereon, either independently or as any part of the weight of a vehicle or load so drawn.

(62)(42) ROADWAY.—That portion of a highway improved, designed, or ordinarily used for vehicular travel, exclusive of the berm or shoulder. ~~If in the event~~ a highway includes two or more separate roadways, the term "roadway" as used herein refers to any such roadway separately, but not to all such roadways collectively.

(63)(43) SADDLE MOUNT; FULL MOUNT.—An arrangement whereby the front wheels of one vehicle rest in a secured position upon another vehicle. All of the wheels of the towing vehicle are upon the ground, and only the rear wheels of the towed vehicle rest upon the ground. Such combinations may include one full mount, whereby a smaller transport vehicle is placed completely on the last towed vehicle.

(64)(44) SAFETY ZONE.—The area or space officially set apart within a roadway for the exclusive use of pedestrians and protected or so marked by adequate signs or authorized pavement markings as to be plainly visible at all times while set apart as a safety zone.

(65)(92) SANITATION VEHICLE.—A motor vehicle that bears an emblem that is visible from the roadway and clearly identifies that the vehicle belongs to or is under contract with a person, entity, cooperative, board, commission, district, or unit of local government that provides garbage, trash, refuse, or recycling collection.

(66)(45) SCHOOL BUS.—Any motor vehicle that complies with the color and identification requirements of chapter 1006 and is used to transport children to or from public or private school or in connection

with school activities, but not including buses operated by common carriers in urban transportation of school children. The term "school" includes all preelementary, elementary, secondary, and postsecondary schools.

(67)(46) SEMITRAILER.—Any vehicle with or without motive power, other than a pole trailer, designed for carrying persons or property and for being drawn by a motor vehicle and so constructed that some part of its weight and that of its load rests upon, or is carried by, another vehicle.

(68)(47) SIDEWALK.—That portion of a street between the curb-line, or the lateral line, of a roadway and the adjacent property lines, intended for use by pedestrians.

(69)(48) SPECIAL MOBILE EQUIPMENT.—Any vehicle not designed or used primarily for the transportation of persons or property and only incidentally operated or moved over a highway, including, but not limited to, ditchdigging apparatus, well-boring apparatus, and road construction and maintenance machinery, such as asphalt spreaders, bituminous mixers, bucket loaders, tractors other than truck tractors, ditchers, leveling graders, finishing machines, motor graders, road rollers, scarifiers, earthmoving carryalls and scrapers, power shovels and draglines, and self-propelled cranes and earthmoving equipment. The term does not include house trailers, dump trucks, truck-mounted transit mixers, cranes or shovels, or other vehicles designed for the transportation of persons or property to which machinery has been attached.

(70)(49) STAND OR STANDING.—The halting of a vehicle, whether occupied or not *occupied*, otherwise than temporarily, for the purpose of, and while actually engaged in, receiving or discharging passengers, as may be permitted by law under this chapter.

(71)(50) STATE ROAD.—Any highway designated as a state-maintained road by the Department of Transportation.

(72)(51) STOP.—When required, complete cessation from movement.

(73)(52) STOP OR STOPPING.—When prohibited, any halting, even momentarily, of a vehicle, whether occupied or not *occupied*, except when necessary to avoid conflict with other traffic or to comply with the directions of a law enforcement officer or traffic control sign or signal.

(74)(70) STRAIGHT TRUCK.—Any truck on which the cargo unit and the motive power unit are located on the same frame so as to form a single, rigid unit.

(75)(53) STREET OR HIGHWAY.—

(a) The entire width between the boundary lines of every way or place of whatever nature when any part thereof is open to the use of the public for purposes of vehicular traffic;

(b) The entire width between the boundary lines of any privately owned way or place used for vehicular travel by the owner and those having express or implied permission from the owner, but not by other persons, or any limited access road owned or controlled by a special district, whenever, by written agreement entered into under s. 316.006(2)(b) or (3)(b), a county or municipality exercises traffic control jurisdiction over said way or place;

(c) Any area, such as a runway, taxiway, ramp, clear zone, or parking lot, within the boundary of any airport owned by the state, a county, a municipality, or a political subdivision, which area is used for vehicular traffic but which is not open for vehicular operation by the general public; or

(d) Any way or place used for vehicular traffic on a controlled access basis within a mobile home park recreation district which has been created under s. 418.30 and the recreational facilities of which district are open to the general public.

(76)(54) SUSPENSION.—Temporary withdrawal of a licensee's privilege to drive a motor vehicle.

(77)(89) SWAMP BUGGY.—A motorized off-road vehicle that is designed or modified to travel over swampy or varied terrain and that

may use large tires or tracks operated from an elevated platform. The term does not include any vehicle defined in chapter 261 or otherwise defined or classified in this chapter.

(78)(81) TANDEM AXLE.—Any two axles ~~the whose~~ centers of which are more than 40 inches but not more than 96 inches apart and are individually attached to or articulated from, or both, a common attachment to the vehicle, including a connecting mechanism designed to equalize the load between axles.

(79)(71) TANDEM TRAILER TRUCK.—Any combination of a truck tractor, semitrailer, and trailer coupled together so as to operate as a complete unit.

(80)(72) TANDEM TRAILER TRUCK HIGHWAY NETWORK.—A highway network consisting primarily of four or more lanes, including all interstate highways; highways designated by the United States Department of Transportation as elements of the National Network; and any street or highway designated by the Florida Department of Transportation for use by tandem trailer trucks, in accordance with s. 316.515, except roads on which truck traffic was specifically prohibited on January 6, 1983.

(81)(73) TERMINAL.—Any location where:

(a) Freight ~~either~~ originates, terminates, or is handled in the transportation process; or

(b) Commercial motor carriers maintain operating facilities.

(82)(55) THROUGH HIGHWAY.—Any highway or portion thereof on which vehicular traffic is given the right-of-way and at the entrances to which vehicular traffic from intersecting highways is required to yield right-of-way to vehicles on such through highway in obedience to ~~either~~ a stop sign or yield sign, or otherwise in obedience to law.

(83)(56) TIRE WIDTH.—~~The Tire width is that~~ width stated on the surface of the tire by the manufacturer of the tire, if the width stated does not exceed 2 inches more than the width of the tire contacting the surface.

(84)(57) TRAFFIC.—Pedestrians, ridden or herded animals, and vehicles, streetcars, and other conveyances ~~either~~ singly or together while using any street or highway for purposes of travel.

(85)(87) TRAFFIC INFRACTION DETECTOR.—A vehicle sensor installed to work in conjunction with a traffic control signal and a camera or cameras synchronized to automatically record two or more sequenced photographic or electronic images or streaming video of only the rear of a motor vehicle at the time the vehicle fails to stop behind the stop bar or clearly marked stop line when facing a traffic control signal steady red light. Any notification under s. 316.0083(1)(b) or traffic citation issued by the use of a traffic infraction detector must include a photograph or other recorded image showing both the license tag of the offending vehicle and the traffic control device being violated.

(86)(84) TRAFFIC SIGNAL PREEMPTION SYSTEM.—Any system or device with the capability of activating a control mechanism mounted on or near traffic signals which alters a traffic signal's timing cycle.

(87)(58) TRAILER.—Any vehicle with or without motive power, other than a pole trailer, designed for carrying persons or property and for being drawn by a motor vehicle.

(88)(74) TRANSPORTATION.—The conveyance or movement of goods, materials, livestock, or persons from one location to another on any road, street, or highway open to travel by the public.

(89)(88) TRI-VEHICLE.—An enclosed three-wheeled passenger vehicle that:

(a) Is designed to operate with three wheels in contact with the ground;

(b) Has a minimum unladen weight of 900 pounds;

(c) Has a single, completely enclosed, occupant compartment;

(d) Is produced in a minimum quantity of 300 in any calendar year;

(e) Is capable of a speed greater than 60 miles per hour on level ground; and

(f) Is equipped with:

1. Seats that are certified by the vehicle manufacturer to meet the requirements of Federal Motor Vehicle Safety Standard No. 207, "Seating systems" (49 C.F.R. s. 571.207);

2. A steering wheel used to maneuver the vehicle;

3. A propulsion unit located forward or aft of the enclosed occupant compartment;

4. A seat belt for each vehicle occupant certified to meet the requirements of Federal Motor Vehicle Safety Standard No. 209, "Seat belt assemblies" (49 C.F.R. s. 571.209);

5. A windshield and an appropriate windshield wiper and washer system that are certified by the vehicle manufacturer to meet the requirements of Federal Motor Vehicle Safety Standard No. 205, "Glazing materials" (49 C.F.R. s. 571.205) and Federal Motor Vehicle Safety Standard No. 104, "Windshield wiping and washing systems" (49 C.F.R. s. 571.104); and

6. A vehicle structure certified by the vehicle manufacturer to meet the requirements of Federal Motor Vehicle Safety Standard No. 216, "Rollover crush resistance" (49 C.F.R. s. 571.216).

(90)(59) TRUCK.—Any motor vehicle designed, used, or maintained primarily for the transportation of property.

(91)(60) TRUCK TRACTOR.—Any motor vehicle designed and used primarily for drawing other vehicles and not so constructed as to carry a load other than a part of the weight of the vehicle and load so drawn.

(92)(93) UTILITY SERVICE VEHICLE.—A motor vehicle that bears an emblem that is visible from the roadway and clearly identifies that the vehicle belongs to or is under contract with a person, entity, cooperative, board, commission, district, or unit of local government that provides electric, natural gas, water, wastewater, cable, telephone, or communications services.

(93)(75) VEHICLE.—Every device, in, upon, or by which any person or property is or may be transported or drawn upon a highway, ~~except~~ ~~excepting~~ devices used exclusively upon stationary rails or tracks.

(94)(85) VICTIM SERVICES PROGRAMS.—Any community-based organization ~~the whose~~ primary purpose of which is to act as an advocate for the victims and survivors of traffic crashes and for their families. The victims services offered by these programs may include grief and crisis counseling, assistance with preparing victim compensation claims excluding third-party legal action, or connecting persons with other service providers, and providing emergency financial assistance.

(95)(79) WORK ZONE AREA.—The area and its approaches on any state-maintained highway, county-maintained highway, or municipal street where construction, repair, maintenance, or other street-related or highway-related work is being performed or where one or more lanes ~~are is~~ closed to traffic.

Section 4. Subsection (7) of section 316.0745, Florida Statutes, is amended to read:

316.0745 Uniform signals and devices.—

(7) The Department of Transportation *may, upon receipt and investigation of reported noncompliance and is authorized,* after hearing pursuant to 14 days' notice, ~~to~~ direct the removal of any purported traffic control device *that fails to meet the requirements of this section,* wherever the device is located and without regard to assigned responsibility under s. 316.1895 ~~which fails to meet the requirements of this section.~~ The public agency erecting or installing the same shall immediately *bring it into compliance with the requirements of this section* or remove said device or signal upon the direction of the Department of Transportation and may not, for a period of 5 years, install any replacement or new traffic control devices paid for in part or in full with revenues raised by the state unless written prior approval is received from the Department of Transportation. Any additional violation by a

public body or official shall be cause for the withholding of state funds for traffic control purposes until such public body or official demonstrates to the Department of Transportation that it is complying with this section.

Section 5. Section 316.2069, Florida Statutes, is created to read:

316.2069 Commercial Megacycles.—*The governing body of a municipality, or the governing board of a county with respect to an unincorporated portion of the county, may authorize the operation of a commercial megacycle on roads or streets within the respective jurisdictions if the requirements of subsections (1) through (3) are met:*

(1) *Prior to authorizing such operation, the responsible local governmental entity must first determine that commercial megacycles may safely travel on or cross the public road or street, considering factors including, but not limited to, the speed, volume, and character of motor vehicle traffic using the road or street. Upon such determination, the responsible governmental entity shall post appropriate signs to indicate that such operation is allowed.*

(2) *The authorization by the governing body must clearly identify the roads or streets under the governing body's jurisdiction on or across which operation of commercial megacycles is permitted.*

(3) *The governing body's authorization, at a minimum, must require that a commercial megacycle be:*

(a) *Operated at all times by its owner or lessee or an employee of the owner or lessee.*

(b) *Operated by a driver at least 18 years of age who possess a Class E driver license.*

(c) *Occupied by a safety monitor at least 18 years of age, who shall supervise the passengers while the commercial megacycle is in motion.*

(d) *Insured with minimum commercial general liability insurance of not less than \$1,000,000, prior to and at all times of operation, satisfactory proof of which shall be provided to the appropriate governing body.*

(4) *The Department of Transportation may prohibit the operation of commercial megacycles on or across any road under its jurisdiction if it determines that such prohibition is necessary in the interest of safety.*

(5) *Section 316.1936 does not apply to the passengers being transported in a commercial megacycle while operating in accordance with this section.*

(6) *This section does not prohibit use of an auxiliary motor to move the commercial megacycle from the roadway under emergency circumstances or while no passenger is on board.*

Section 6. Subsection (5) of section 316.235, Florida Statutes, is amended to read:

316.235 Additional lighting equipment.—

(5) A bus, as defined in s. 316.003(3), may be equipped with a deceleration lighting system that which cautions following vehicles that the bus is slowing, is preparing to stop, or is stopped. Such lighting system shall consist of red or amber lights mounted in horizontal alignment on the rear of the vehicle at or near the vertical centerline of the vehicle, no greater than 12 inches apart, not higher than the lower edge of the rear window or, if the vehicle has no rear window, not higher than 100 72 inches from the ground. Such lights shall be visible from a distance of not less than 300 feet to the rear in normal sunlight. Lights are permitted to light and flash during deceleration, braking, or standing and idling of the bus. Vehicular hazard warning flashers may be used in conjunction with or in lieu of a rear-mounted deceleration lighting system.

Section 7. Subsections (1) and (3) of section 316.303, Florida Statutes, are amended to read:

316.303 Television receivers.—

(1) No motor vehicle may be operated on the highways of this state if the vehicle is actively displaying moving television broadcast or pre-recorded video entertainment content that is ~~shall be equipped with television type receiving equipment so located that the viewer or screen is visible from the driver's seat while the vehicle is in motion, unless the vehicle is equipped with autonomous technology, as defined in s. 316.003(2), and is being operated in autonomous mode, as provided in s. 316.85(2).~~

(3) This section does not prohibit the use of an electronic display used in conjunction with a vehicle navigation system; an electronic display used by an operator of a vehicle equipped with autonomous technology, as defined in s. 316.003(2); or an electronic display used by an operator of a vehicle equipped and operating with driver-assistive truck platooning technology, as defined in s. 316.003(19).

Section 8. Paragraph (c) of subsection (3) of section 316.640, Florida Statutes, is amended to read:

316.640 Enforcement.—The enforcement of the traffic laws of this state is vested as follows:

(3) MUNICIPALITIES.—

(c)1. A chartered municipality or its authorized agency or instrumentality may employ as a parking enforcement specialist any individual who successfully completes a training program established and approved by the Criminal Justice Standards and Training Commission for parking enforcement specialists, but who does not otherwise meet the uniform minimum standards established by the commission for law enforcement officers or auxiliary or part-time officers under s. 943.12.

2. A parking enforcement specialist employed by a chartered municipality or its authorized agency or instrumentality is authorized to enforce all state, county, and municipal laws and ordinances governing parking within the boundaries of the municipality employing the specialist, or, pursuant to a memorandum of understanding between the county and the municipality, within the boundaries of the county in which the chartered municipality or its authorized agency or instrumentality is located, by appropriate state, county, or municipal traffic citation.

3. A parking enforcement specialist employed pursuant to this subsection may not carry firearms or other weapons or have arrest authority.

Section 9. Subsection (1) of section 316.85, Florida Statutes, is amended to read:

316.85 Autonomous vehicles; operation.—

(1) A person who possesses a valid driver license may operate an autonomous vehicle in autonomous mode on roads in this state if the vehicle is equipped with autonomous technology, as defined in s. 316.003(2).

Section 10. Section 316.86, Florida Statutes, is amended to read:

316.86 Operation of vehicles equipped with autonomous technology on roads for testing purposes; financial responsibility; Exemption from liability for manufacturer when third party converts vehicle.—

~~(1) Vehicles equipped with autonomous technology may be operated on roads in this state by employees, contractors, or other persons designated by manufacturers of autonomous technology, or by research organizations associated with accredited educational institutions, for the purpose of testing the technology. For testing purposes, a human operator shall be present in the autonomous vehicle such that he or she has the ability to monitor the vehicle's performance and intervene, if necessary, unless the vehicle is being tested or demonstrated on a closed course. Before the start of testing in this state, the entity performing the testing must submit to the department an instrument of insurance, surety bond, or proof of self-insurance acceptable to the department in the amount of \$5 million.~~

~~(2) The original manufacturer of a vehicle converted by a third party into an autonomous vehicle is shall not be liable in, and shall have a defense to and be dismissed from, any legal action brought against the original manufacturer by any person injured due to an alleged vehicle~~

defect caused by the conversion of the vehicle, or by equipment installed by the converter, unless the alleged defect was present in the vehicle as originally manufactured.

Section 11. Subsection (1) of section 319.145, Florida Statutes, is amended to read:

319.145 Autonomous vehicles.—

(1) An autonomous vehicle registered in this state must continue to meet applicable federal standards and regulations for such a motor vehicle. The vehicle must ~~shall~~:

(a) ~~Have a system to safely alert the operator if an autonomous technology failure is detected while the autonomous technology is engaged. When an alert is given, the system must:~~

1. ~~Require the operator to take control of the autonomous vehicle; or~~
2. ~~If the operator does not, or is not able to, take control of the autonomous vehicle, be capable of bringing the vehicle to a complete stop. Have a means to engage and disengage the autonomous technology which is easily accessible to the operator.~~

(b) Have a means, inside the vehicle, to visually indicate when the vehicle is operating in autonomous mode.

~~(c) Have a means to alert the operator of the vehicle if a technology failure affecting the ability of the vehicle to safely operate autonomously is detected while the vehicle is operating autonomously in order to indicate to the operator to take control of the vehicle.~~

~~(c)(d)~~ Be capable of being operated in compliance with the applicable traffic and motor vehicle laws of this state.

Section 12. Paragraph (b) of subsection (3) of section 319.30, Florida Statutes, is amended, and paragraph (c) is added to that subsection, to read:

319.30 Definitions; dismantling, destruction, change of identity of motor vehicle or mobile home; salvage.—

(3)

(b) The owner, including persons who are self-insured, of a motor vehicle or mobile home that is considered to be salvage shall, within 72 hours after the motor vehicle or mobile home becomes salvage, forward the title to the motor vehicle or mobile home to the department for processing. However, an insurance company that pays money as compensation for the total loss of a motor vehicle or mobile home shall obtain the certificate of title for the motor vehicle or mobile home, make the required notification to the National Motor Vehicle Title Information System, and, within 72 hours after receiving such certificate of title, forward such title to the department for processing. The owner or insurance company, as applicable, may not dispose of a vehicle or mobile home that is a total loss before it obtains a salvage certificate of title or certificate of destruction from the department. *Effective July 1, 2023:*

1. *Thirty days after payment of a claim for compensation pursuant to this paragraph, the insurance company may receive a salvage certificate of title or certificate of destruction from the department if the insurance company is unable to obtain a properly assigned certificate of title from the owner or lienholder of the motor vehicle or mobile home, if the motor vehicle or mobile home does not carry an electronic lien on the title and the insurance company:*

- a. *Has obtained the release of all liens on the motor vehicle or mobile home;*
- b. *Has provided proof of payment of the total loss claim; and*
- c. *Has provided an affidavit on letterhead signed by the insurance company or its authorized agent stating the attempts that have been made to obtain the title from the owner or lienholder and further stating that all attempts are to no avail. The affidavit must include a request that the salvage certificate of title or certificate of destruction be issued in the insurance company's name due to payment of a total loss claim to the owner or lienholder. The attempts to contact the owner may be by written*

request delivered in person or by first-class mail with a certificate of mailing to the owner's or lienholder's last known address.

2. *If the owner or lienholder is notified of the request for title in person, the insurance company must provide an affidavit attesting to the in-person request for a certificate of title.*

3. *The request to the owner or lienholder for the certificate of title must include a complete description of the motor vehicle or mobile home and the statement that a total loss claim has been paid on the motor vehicle or mobile home.*

(c) When applying for a salvage certificate of title or certificate of destruction, the owner or insurance company must provide the department with an estimate of the costs of repairing the physical and mechanical damage suffered by the vehicle for which a salvage certificate of title or certificate of destruction is sought. If the estimated costs of repairing the physical and mechanical damage to the mobile home are equal to 80 percent or more of the current retail cost of the mobile home, as established in any official used mobile home guide, the department shall declare the mobile home unrebuildable and print a certificate of destruction, which authorizes the dismantling or destruction of the mobile home. For a late model vehicle with a current retail cost of at least \$7,500 just prior to sustaining the damage that resulted in the total loss, as established in any official used car guide or valuation service, if the owner or insurance company determines that the estimated costs of repairing the physical and mechanical damage to the vehicle are equal to 90 percent or more of the current retail cost of the vehicle, as established in any official used motor vehicle guide or valuation service, the department shall declare the vehicle unrebuildable and print a certificate of destruction, which authorizes the dismantling or destruction of the motor vehicle. However, if the damaged motor vehicle is equipped with custom-lowered floors for wheelchair access or a wheelchair lift, the insurance company may, upon determining that the vehicle is repairable to a condition that is safe for operation on public roads, submit the certificate of title to the department for reissuance as a salvage rebuildable title and the addition of a title brand of "insurance-declared total loss." The certificate of destruction shall be reassignable a maximum of two times before dismantling or destruction of the vehicle is required, and shall accompany the motor vehicle or mobile home for which it is issued, when such motor vehicle or mobile home is sold for such purposes, in lieu of a certificate of title. The department may not issue a certificate of title for that vehicle. This subsection is not applicable if a mobile home is worth less than \$1,500 retail just prior to sustaining the damage that resulted in the total loss in any official used mobile home guide or when a stolen motor vehicle or mobile home is recovered in substantially intact condition and is readily resalable without extensive repairs to or replacement of the frame or engine. If a motor vehicle has a current retail cost of less than \$7,500 just prior to sustaining the damage that resulted in the total loss, as established in any official used motor vehicle guide or valuation service, or if the vehicle is not a late model vehicle, the owner or insurance company that pays money as compensation for the total loss of the motor vehicle shall obtain a certificate of destruction, if the motor vehicle is damaged, wrecked, or burned to the extent that the only residual value of the motor vehicle is as a source of parts or scrap metal, or if the motor vehicle comes into this state under a title or other ownership document that indicates that the motor vehicle is not repairable, is junked, or is for parts or dismantling only. A person who knowingly violates this paragraph or falsifies documentation to avoid the requirements of this paragraph commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

Section 13. Subsection (1) of section 320.525, Florida Statutes, is amended to read:

320.525 Port vehicles and equipment; definition; exemption.—

(1) As used in this section, the term "port vehicles and equipment" means trucks, tractors, trailers, truck cranes, top loaders, fork lifts, hostling tractors, chassis, or other vehicles or equipment used for transporting cargo, containers, or other equipment. *The term includes motor vehicles being relocated within a port facility or via designated port district roads.*

Section 14. Paragraph (c) is added to subsection (8) of section 322.051, Florida Statutes, to read:

322.051 Identification cards.—

(8)

(c) *The international symbol for the deaf and hard of hearing shall be exhibited on the identification card of a person who is deaf or hard of hearing upon the payment of an additional \$1 fee for the identification card and the presentation of sufficient proof that the person is deaf or hard of hearing as determined by the department. Until a person's identification card is next renewed, the person may have the symbol added to his or her identification card upon surrender of his or her current identification card, payment of a \$2 fee to be deposited into the Highway Safety Operating Trust Fund, and presentation of sufficient proof that the person is deaf or hard of hearing as determined by the department. If the applicant is not conducting any other transaction affecting the identification card, a replacement identification card may be issued with the symbol without payment of the fee required in s. 322.21(1)(f)3. For purposes of this paragraph, the international symbol for the deaf and hard of hearing is substantially as follows:*

. . . (International Symbol of Access for Hearing Loss) . . .

Section 15. Paragraph (c) of subsection (1) of section 322.14, Florida Statutes, is redesignated as paragraph (d), and a new paragraph (c) is added to that subsection to read:

322.14 Licenses issued to drivers.—

(1)

(c) *The international symbol for the deaf and hard of hearing provided in s. 322.051(8)(c) shall be exhibited on the driver license of a person who is deaf or hard of hearing upon the payment of an additional \$1 fee for the license and the presentation of sufficient proof that the person is deaf or hard of hearing as determined by the department. Until a person's license is next renewed, the person may have the symbol added to his or her license upon the surrender of his or her current license, payment of a \$2 fee to be deposited into the Highway Safety Operating Trust Fund, and presentation of sufficient proof that the person is deaf or hard of hearing as determined by the department. If the applicant is not conducting any other transaction affecting the driver license, a replacement license may be issued with the symbol without payment of the fee required in s. 322.21(1)(e).*

Section 16. *The amendments made by this act to ss. 322.051 and 322.14, Florida Statutes, shall apply upon implementation of new designs for the driver license and identification card by the Department of Highway Safety and Motor Vehicles.*

Section 17. Paragraph (c) of subsection (1) of section 332.08, Florida Statutes, is amended to read:

332.08 Additional powers.—

(1) In addition to the general powers in ss. 332.01-332.12 conferred and without limitation thereof, a municipality that has established or may hereafter establish airports, restricted landing areas, or other air navigation facilities, or that has acquired or set apart or may hereafter acquire or set apart real property for such purposes, is authorized:

(c) To lease for a term not exceeding 50 ~~30~~ years such airports or other air navigation facilities, or real property acquired or set apart for airport purposes, to private parties, any municipal or state government or the national government, or any department of either thereof, for operation; to lease or assign for a term not exceeding 50 ~~30~~ years to private parties, any municipal or state government or the national government, or any department of either thereof, for operation or use consistent with the purposes of ss. 332.01-332.12, space, area, improvements, or equipment on such airports; to sell any part of such airports, other air navigation facilities, or real property to any municipal or state government, or the United States or any department or instrumentality thereof, for aeronautical purposes or purposes incidental thereto, and to confer the privileges of concessions of supplying upon its airports goods, commodities, things, services, and facilities; provided, that in each case in so doing the public is not deprived of its rightful equal and uniform use thereof.

Section 18. Section 333.01, Florida Statutes, is amended to read:

333.01 Definitions.—~~As used in For the purpose of this chapter, the term following words, terms, and phrases shall have the meanings herein given, unless otherwise specifically defined, or unless another intention clearly appears, or the context otherwise requires:~~

(1) “Aeronautical study” means a Federal Aviation Administration study, conducted in accordance with the standards of 14 C.F.R. part 77, subpart C, and Federal Aviation Administration policy and guidance, on the effect of proposed construction or alteration upon the operation of air navigation facilities and the safe and efficient use of navigable airspace.

~~(1) “Aeronautics” means transportation by aircraft; the operation, construction, repair, or maintenance of aircraft, aircraft power plants and accessories, including the repair, packing, and maintenance of parachutes; the design, establishment, construction, extension, operation, improvement, repair, or maintenance of airports, restricted landing areas, or other air navigation facilities, and air instruction.~~

(2) “Airport” means any area of land or water designed and set aside for the landing and taking off of aircraft and ~~used~~ ~~utilized~~ or to be used ~~utilized~~ in the interest of the public for such purpose.

(3) “Airport hazard” means *an obstruction to air navigation which affects the safe and efficient use of navigable airspace or the operation of planned or existing air navigation and communication facilities* ~~any structure or tree or use of land which would exceed the federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29 and which obstructs the airspace required for the flight of aircraft in taking off, maneuvering, or landing or is otherwise hazardous to such taking off, maneuvering, or landing of aircraft and for which no person has previously obtained a permit or variance pursuant to s. 333.025 or s. 333.07.~~

(4) “Airport hazard area” means any area of land or water upon which an airport hazard might be established ~~if not prevented as provided in this chapter.~~

(5) “Airport land use compatibility zoning” means airport zoning regulations *governing restricting* the use of land on, adjacent to, or in the immediate vicinity of airports ~~in the manner enumerated in s. 333.03(2) to activities and purposes compatible with the continuation of normal airport operations including landing and takeoff of aircraft in order to promote public health, safety, and general welfare.~~

(6) “Airport layout plan” means a *set of scaled drawings that provide a graphic representation of the existing and future development plan for the airport and demonstrate the preservation and continuity of safety, utility, and efficiency of the airport detailed, scale engineering drawing, including pertinent dimensions, of an airport's current and planned facilities, their locations, and runway usage.*

(7) “Airport master plan” means a *comprehensive plan of an airport which typically describes current and future plans for airport development designed to support existing and future aviation demand.*

(8) “Airport protection zoning regulations” means *airport zoning regulations governing airport hazards.*

(9) “Department” means *the Department of Transportation as created under s. 20.23.*

(10) “Educational facility” means *any structure, land, or use that includes a public or private kindergarten through 12th grade school, charter school, magnet school, college campus, or university campus. The term does not include space used for educational purposes within a multi-tenant building.*

(11) “Landfill” has the same meaning as provided in s. 403.703.

~~(12)(7)~~ “Obstruction” means any existing or proposed ~~manmade object or object, of natural growth or terrain, or structure construction or alteration that exceeds violates~~ the federal obstruction standards contained in 14 C.F.R. part 77, subpart C ~~ss. 77.21, 77.23, 77.25, 77.28, and 77.29. The term includes:~~

(a) *Any object of natural growth or terrain;*

(b) Permanent or temporary construction or alteration, including equipment or materials used and any permanent or temporary apparatus; or

(c) Alteration of any permanent or temporary existing structure by a change in the structure's height, including appurtenances, lateral dimensions, and equipment or materials used in the structure.

(13)(9) "Person" means any individual, firm, copartnership, corporation, company, association, joint-stock association, or body politic, and includes any trustee, receiver, assignee, or other similar representative thereof.

(14)(9) "Political subdivision" means the local government of any county, municipality, city, town, village, or other subdivision or agency thereof, or any district or special district, port commission, port authority, or other such agency authorized to establish or operate airports in the state.

(15) "Public-use airport" means an airport, publicly or privately owned, licensed by the state, which is open for use by the public.

(16)(10) "Runway protection clear zone" means an area at ground level beyond the runway end to enhance the safety and protection of people and property on the ground a runway clear zone as defined in 14 C.F.R. s. 151.9(b).

(17)(11) "Structure" means any object; constructed, erected, altered, or installed by humans, including, but not limited to without limitation thereof, buildings, towers, smokestacks, utility poles, power generation equipment, and overhead transmission lines.

(18) "Substantial modification" means any repair, reconstruction, rehabilitation, or improvement of a structure when the actual cost of the repair, reconstruction, rehabilitation, or improvement of the structure equals or exceeds 50 percent of the market value of the structure.

Section 19. Section 333.025, Florida Statutes, is amended to read:

333.025 Permit required for obstructions structures exceeding federal obstruction standards.—

(1) A person proposing the construction or alteration ~~In order to prevent the erection of an obstruction must obtain a permit from the department structures dangerous to air navigation, subject to the provisions of subsections (2), (3), and (4), each person shall secure from the Department of Transportation a permit for the erection, alteration, or modification of any structure the result of which would exceed the federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29.~~ However, permits from the department of Transportation will be required only within an airport hazard area where federal obstruction standards are exceeded and if the proposed construction or alteration is within a 10-nautical-mile radius of the airport reference point, located at the approximate geometric geographical center of all usable runways of a public-use airport or a publicly owned or operated airport, a military airport, or an airport licensed by the state for public use.

(2) Existing, planned, and proposed ~~Affected airports will be considered as having those facilities on public-use airports contained in an which are shown on the airport master plan, in or an airport layout plan submitted to the Federal Aviation Administration, Airport District Office or in comparable military documents shall, and will be so protected from airport hazards. Planned or proposed public use airports which are the subject of a notice or proposal submitted to the Federal Aviation Administration or to the Department of Transportation shall also be protected.~~

(3) A permit is not required for existing structures that requirements of subsection (1) shall not apply to projects which received construction permits from the Federal Communications Commission for structures exceeding federal obstruction standards before prior to May 20, 1975; provided such structures now exist; a permit is not required for nor shall it apply to previously approved structures now existing, or any necessary replacement or repairs to such existing structures if, so long as the height and location are unchanged.

(4) If ~~When~~ political subdivisions have, in compliance with this chapter, adopted adequate airport airspace protection zoning regula-

tions, placed in compliance with s. 333.03, and such regulations are on file with the department's aviation office, and established a permitting process Department of Transportation, a permit for the construction or alteration of an obstruction is such structure shall not be required from the department of Transportation. Upon receipt of a complete permit application, the local government shall provide a copy of the application to the department's aviation office by certified mail, return receipt requested, or by a delivery service that provides a receipt evidencing delivery. To evaluate technical consistency with this subsection, the department shall have a 15-day review period following receipt of the application, which must run concurrently with the local government permitting process. Cranes, construction equipment, and other temporary structures in use or in place for a period not to exceed 18 consecutive months are exempt from the department's review, unless such review is requested by the department.

(5) The department of Transportation shall, within 30 days after of the receipt of an application for a permit, issue or deny a permit for the construction or erection, alteration, or modification of an obstruction any structure the result of which would exceed federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29. The department shall review permit applications in conformity with s. 120.60.

(6) In determining whether to issue or deny a permit, the department shall consider:

- (a) The safety of persons on the ground and in the air.
- (b) The safe and efficient use of navigable airspace.
- (c)(a) The nature of the terrain and height of existing structures.
- (b) Public and private interests and investments.

(d) The effect of the construction or alteration of an obstruction on the state licensing standards for a public-use airport contained in chapter 330 and rules adopted thereunder.

(e)(e) The character of existing and planned flight flying operations and planned developments at public-use of airports.

(f)(d) Federal airways, visual flight rules, flyways and corridors, and instrument approaches as designated by the Federal Aviation Administration.

(g)(e) The effect of Whether the construction or alteration of an obstruction on the proposed structure would cause an increase in the minimum descent altitude or the decision height at the affected airport.

- (f) Technological advances.
- (g) The safety of persons on the ground and in the air.
- (h) Land use density.
- (i) The safe and efficient use of navigable airspace.

(h)(f) The cumulative effects on navigable airspace of all existing obstructions structures, proposed structures identified in the applicable jurisdictions' comprehensive plans, and all other known proposed obstructions structures in the area.

(7) When issuing a permit under this section, the department of Transportation shall, as a specific condition of such permit, require the owner obstruction marking and lighting of the obstruction to install, operate, and maintain, at the owner's expense, marking and lighting in conformance with the specific standards established by the Federal Aviation Administration permitted structure as provided in s. 333.07(3)(b).

(8) The department may of Transportation shall not approve a permit for the construction or alteration erection of an obstruction a structure unless the applicant submits both documentation showing both compliance with the federal requirement for notification of proposed construction or alteration and a valid aeronautical study. A evaluation, and no permit may not shall be approved solely on the basis that the Federal Aviation Administration determined that the such proposed construction or alteration of an obstruction was not an airport

hazard structure will not exceed federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, or 77.29, or any other federal aviation regulation.

(9) The denial of a permit under this section is subject to administrative review pursuant to chapter 120.

Section 20. Section 333.03, Florida Statutes, is amended to read:

333.03 Requirement ~~Power~~ to adopt airport zoning regulations.—

(1)(a) ~~In order to prevent the creation or establishment of airport hazards, Every political subdivision having an airport hazard area within its territorial limits shall, by October 1, 1977, adopt, administer, and enforce, under the police power and in the manner and upon the conditions hereinafter prescribed in this section, airport protection zoning regulations for such airport hazard area.~~

(b) ~~If Where an airport is owned or controlled by a political subdivision and if any other political subdivision has land upon which an obstruction may be constructed or altered which underlies any surface of the airport as provided in 14 C.F.R. part 77, subpart C, the political subdivisions airport hazard area appertaining to such airport is located wholly or partly outside the territorial limits of said political subdivision, the political subdivision owning or controlling the airport and the political subdivision within which the airport hazard area is located, shall either:~~

1. ~~By interlocal agreement, in accordance with the provisions of chapter 163, adopt, administer, and enforce a set of airport protection zoning regulations applicable to the airport hazard area in question; or~~

2. ~~By ordinance, regulation, or resolution duly adopted, create a joint airport protection zoning board that, which board shall have the same power to adopt, administer, and enforce a set of airport protection zoning regulations applicable to the airport hazard area in question as that vested in paragraph (a) in the political subdivision within which such area is located. The Each such joint airport protection zoning board shall have as voting members two representatives appointed by each participating political subdivision participating in its creation and in addition a chair elected by a majority of the members so appointed. However, The airport manager or a representative of each airport in managers of the affected participating political subdivisions shall serve on the board in a nonvoting capacity.~~

(c) ~~Airport protection zoning regulations adopted under paragraph (a) must shall, at as a minimum, require:~~

1. ~~A permit variance for the construction or erection, alteration, or modification of any obstruction structure which would cause the structure to exceed the federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29;~~

2. ~~Obstruction marking and lighting for obstructions structures as specified in s. 333.07(3);~~

3. ~~Documentation showing compliance with the federal requirement for notification of proposed construction or alteration of structures and a valid aeronautical study evaluation submitted by each person applying for a permit variance;~~

4. ~~Consideration of the criteria in s. 333.025(6), when determining whether to issue or deny a permit variance; and~~

5. ~~That approval of a permit not be based no variance shall be approved solely on the determination by the Federal Aviation Administration basis that the such proposed structure is not an airport hazard will not exceed federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, or 77.29, or any other federal aviation regulation.~~

(d) ~~The department shall be available to provide assistance to political subdivisions regarding federal obstruction standards shall issue copies of the federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29 to each political subdivision having airport hazard areas and, in cooperation with political subdivisions, shall issue appropriate airport zoning maps depicting within each county the maximum allowable height of any structure or tree. Material~~

~~distributed pursuant to this subsection shall be at no cost to authorized recipients.~~

(2) ~~In the manner provided in subsection (1), political subdivisions shall adopt, administer, and enforce interim airport land use compatibility zoning regulations shall be adopted. Airport land use compatibility zoning When political subdivisions have adopted land development regulations shall, at a minimum, in accordance with the provisions of chapter 163 which address the use of land in the manner consistent with the provisions herein, adoption of airport land use compatibility regulations pursuant to this subsection shall not be required. Interim airport land use compatibility zoning regulations shall consider the following:~~

(a) ~~The prohibition of new landfills and the restriction of existing landfills Whether sanitary landfills are located within the following areas:~~

1. ~~Within 10,000 feet from the nearest point of any runway used or planned to be used by turbine turbojet or turboprop aircraft.~~

2. ~~Within 5,000 feet from the nearest point of any runway used only by only nonturbine piston type aircraft.~~

3. ~~Outside the perimeters defined in subparagraphs 1. and 2., but still within the lateral limits of the civil airport imaginary surfaces defined in 14 C.F.R. s. 77.19 part 77.25. Case-by-case review of such landfills is advised.~~

(b) ~~Where Whether any landfill is located and constructed in a manner so that it attracts or sustains hazardous bird movements from feeding, water, or roosting areas into, or across, the runways or approach and departure patterns of aircraft. The landfill operator must political subdivision shall request from the airport authority or other governing body operating the airport a report on such bird feeding or roosting areas that at the time of the request are known to the airport. In preparing its report, the authority, or other governing body, shall consider whether the landfill will incorporate bird management techniques or other practices to minimize bird hazards to airborne aircraft. The airport authority or other governing body shall respond to the political subdivision no later than 30 days after receipt of such request.~~

(c) ~~Where an airport authority or other governing body operating a publicly owned, public-use airport has conducted a noise study in accordance with the provisions of 14 C.F.R. part 150, or where a public-use airport owner has established noise contours pursuant to another public study approved by the Federal Aviation Administration, the prohibition of incompatible uses, as established in the noise study in 14 C.F.R. part 150, Appendix A or as a part of an alternative Federal Aviation Administration-approved public study, within the noise contours established by any of these studies, except if such uses are specifically contemplated by such study with appropriate mitigation or similar techniques described in the study neither residential construction nor any educational facility as defined in chapter 1013, with the exception of aviation school facilities, shall be permitted within the area contiguous to the airport defined by an outer noise contour that is considered incompatible with that type of construction by 14 C.F.R. part 150, Appendix A or an equivalent noise level as established by other types of noise studies.~~

(d) ~~Where an airport authority or other governing body operating a publicly owned, public-use airport has not conducted a noise study, the prohibition of neither residential construction and nor any educational facility as defined in chapter 1013, with the exception of aviation school facilities, shall be permitted within an area contiguous to the airport measuring one-half the length of the longest runway on either side of and at the end of each runway centerline.~~

(e) ~~(3) The restriction of In the manner provided in subsection (1), airport zoning regulations shall be adopted which restrict new incompatible uses, activities, or substantial modifications to existing incompatible uses construction within runway protection clear zones, including uses, activities, or construction in runway clear zones which are incompatible with normal airport operations or endanger public health, safety, and welfare by resulting in congregations of people, emissions of light or smoke, or attraction of birds. Such regulations shall prohibit the construction of an educational facility of a public or private school at either end of a runway of a publicly owned, public use airport within an~~

area which extends 5 miles in a direct line along the centerline of the runway, and which has a width measuring one-half the length of the runway. Exceptions approving construction of an educational facility within the delineated area shall only be granted when the political subdivision administering the zoning regulations makes specific findings detailing how the public policy reasons for allowing the construction outweigh health and safety concerns prohibiting such a location.

(4) ~~The procedures outlined in subsections (1), (2), and (3) for the adoption of such regulations are supplemental to any existing procedures utilized by political subdivisions in the adoption of such regulations.~~

(3)(5) ~~Political subdivisions shall provide The Department of Transportation shall provide technical assistance to any political subdivision requesting assistance in the preparation of an airport zoning code; a copy of all local airport protection zoning codes, rules, and regulations and airport land use compatibility zoning regulations, and any related amendments and proposed and granted variances thereto, to shall be filed with the department's aviation office within 30 days after adoption department.~~

(4)(6) ~~Nothing in Subsection (2) may not or subsection (3) shall be construed to require the removal, alteration, sound conditioning, or other change, or to interfere with the continued use or adjacent expansion of any educational facility structure or site in existence on July 1, 1993, or be construed to prohibit the construction of any new structure for which a site has been determined as provided in former s. 225.10, as of July 1, 1993.~~

(5) ~~This section does not prohibit an airport authority, a political subdivision or its administrative agency, or any other governing body operating a public-use airport from establishing airport zoning regulations more restrictive than prescribed in this section in order to protect the health, safety, and welfare of the public in the air and on the ground.~~

Section 21. Section 333.04, Florida Statutes, is amended to read:

333.04 Comprehensive zoning regulations; most stringent to prevail where conflicts occur.—

(1) INCORPORATION.—In the event that a political subdivision has adopted, or hereafter adopts, a comprehensive *plan or policy zoning ordinance* regulating, among other things, the height of buildings, structures, and natural objects, and uses of property, any airport zoning regulations applicable to the same area or portion thereof may be incorporated in and made a part of such comprehensive *plan or policy zoning regulations*, and be administered and enforced in connection therewith.

(2) CONFLICT.—In the event of conflict between any airport zoning regulations adopted under this chapter and any other regulations applicable to the same area, whether the conflict be with respect to the height of structures or *vegetation trees*, the use of land, or any other matter, and whether such regulations were adopted by the political subdivision *that which* adopted the airport zoning regulations or by some other political subdivision, the more stringent limitation or requirement shall govern and prevail.

Section 22. Section 333.05, Florida Statutes, is amended to read:

333.05 Procedure for adoption of *airport zoning regulations*.—

(1) NOTICE AND HEARING.—~~No~~ Airport zoning regulations *may not shall* be adopted, amended, or *repealed changed* under this chapter except by action of the legislative body of the political subdivision or *affected subdivisions in question*, or the joint board provided in s. 333.03(1)(b)2. ~~s. 333.03(1)(b)~~ by the political subdivisions *bodies* therein provided and set forth, after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. Notice of the hearing shall be published at least once a week for 2 consecutive weeks in a *newspaper an official paper, or a paper* of general circulation; in the political subdivision or subdivisions *where in which* ~~are located~~ the airport zoning regulations are *areas* to be adopted, amended, or *repealed zoned*.

(2) AIRPORT ZONING COMMISSION.—~~Before~~ *Prior to* the initial zoning of any airport area under this chapter, the political subdivision or joint airport zoning board *that which* is to adopt, *administer, and*

enforce the regulations *must shall* appoint a commission, to be known as the airport zoning commission, to recommend the boundaries of the various zones to be established and the regulations to be adopted therefor. Such commission shall make a preliminary report and hold public hearings thereon before submitting its final report, and the legislative body of the political subdivision or the joint airport zoning board *may shall* not hold its public hearings or take any action until it has received the final report of such commission, and at least 15 days shall elapse between the receipt of the final report of the commission and the hearing to be held by the latter board. *If Where* a *planning city plan* commission, *an airport commission*, or a comprehensive zoning commission already exists, it may be appointed as the airport zoning commission.

Section 23. Section 333.06, Florida Statutes, is amended to read:

333.06 Airport zoning *regulation* requirements.—

(1) REASONABLENESS.—All airport zoning regulations adopted under this chapter shall be reasonable and *may not none shall* impose any requirement or restriction which is not reasonably necessary to effectuate the purposes of this chapter. In determining what regulations it may adopt, each political subdivision and joint airport zoning board shall consider, among other things, the character of the flying operations expected to be conducted at the airport, the nature of the terrain within the airport hazard area and runway *protection clear* zones, the character of the neighborhood, the uses to which the property to be zoned is put and adaptable, and the impact of any new use, activity, or construction on the airport's operating capability and capacity.

(2) INDEPENDENT JUSTIFICATION.—The purpose of all airport zoning regulations adopted under this chapter is to provide both airspace protection and land *uses use* compatible with airport operations. Each aspect of this purpose requires independent justification in order to promote the public interest in safety, health, and general welfare. Specifically, construction in a runway *protection clear* zone which does not exceed airspace height restrictions is not *conclusive evidence per se* that such use, activity, or construction is compatible with airport operations.

(3) NONCONFORMING USES.—~~An No~~ airport *protection zoning regulation regulations* adopted under this chapter *may not shall* require the removal, lowering, or other change or alteration of any *obstruction structure or tree* not conforming to the *regulation regulations* when adopted or amended, or otherwise interfere with the continuance of any nonconforming use, except as provided in s. 333.07(1) and (3).

(4) ADOPTION OF AIRPORT MASTER PLAN AND NOTICE TO AFFECTED LOCAL GOVERNMENTS.—An airport master plan shall be prepared by each *public-use publicly owned and operated* airport licensed by the department of Transportation under chapter 330. The authorized entity having responsibility for governing the operation of the airport, when either requesting from or submitting to a state or federal governmental agency with funding or approval jurisdiction a "finding of no significant impact," an environmental assessment, a site-selection study, an airport master plan, or any amendment to an airport master plan, shall submit simultaneously a copy of said request, submittal, assessment, study, plan, or amendments by certified mail to all affected local governments. *As used in For the purposes of* this subsection, *the term* "affected local government" is defined as any *municipality city* or county having jurisdiction over the airport and any *municipality city* or county located within 2 miles of the boundaries of the land subject to the airport master plan.

Section 24. *Section 333.065, Florida Statutes, is repealed.*

Section 25. Section 333.07, Florida Statutes, is amended to read:

333.07 *Local government permitting of airspace obstructions Permits and variances*.—

(1) PERMITS.—

(a) A person proposing to construct, alter, or allow an airport obstruction in an airport hazard area in violation of the airport protection zoning regulations adopted under this chapter *must apply for a permit. A Any airport zoning regulations adopted under this chapter may require that a permit be obtained before any new structure or use may be*

~~constructed or established and before any existing use or structure may be substantially changed or substantially altered or repaired. In any event, however, all such regulations shall provide that before any nonconforming structure or tree may be replaced, substantially altered or repaired, rebuilt, allowed to grow higher, or replanted, a permit must be secured from the administrative agency authorized to administer and enforce the regulations, authorizing such replacement, change, or repair. No permit may not shall be issued if it granted that would allow the establishment or creation of an airport hazard or if it would permit a nonconforming obstruction structure or tree or nonconforming use to be made or become higher or to become a greater hazard to air navigation than it was when the applicable airport protection zoning regulation was adopted which allowed the establishment or creation of the obstruction, or than it is when the application for a permit is made.~~

(b) ~~If Whenever the political subdivision or its administrative agency determines that a nonconforming obstruction use or nonconforming structure or tree has been abandoned or is more than 80 percent torn down, destroyed, deteriorated, or decayed, a no permit may not shall be granted if it that would allow the obstruction said structure or tree to exceed the applicable height limit or otherwise deviate from the airport protection zoning regulations; and, Whether or not an application is made for a permit under this subsection or not, the said agency may by appropriate action, compel the owner of the nonconforming obstruction may be required structure or tree, at his or her own expense, to lower, remove, reconstruct, alter, or equip such obstruction object as may be necessary to conform to the current airport protection zoning regulations. If the owner of the nonconforming obstruction neglects or refuses structure or tree shall neglect or refuse to comply with such requirement order for 10 days after notice thereof, the administrative said agency may report the violation to the political subdivision involved therein, which subdivision, through its appropriate agency, may proceed to have the obstruction object so lowered, removed, reconstructed, altered, or equipped; and assess the cost and expense thereof upon the owner of the obstruction object or the land whereon it is or was located, and, unless such an assessment is paid within 90 days from the service of notice thereof on the owner or the owner's agent, of such object or land, the sum shall be a lien on said land, and shall bear interest thereafter at the rate of 6 percent per annum until paid, and shall be collected in the same manner as taxes on real property are collected by said political subdivision, or, at the option of said political subdivision, said lien may be enforced in the manner provided for enforcement of liens by chapter 85.~~

(c) ~~Except as provided herein, applications for permits shall be granted, provided the matter applied for meets the provisions of this chapter and the regulations adopted and in force hereunder.~~

(2) **CONSIDERATIONS WHEN ISSUING OR DENYING PERMITS.**—*In determining whether to issue or deny a permit, the political subdivision or its administrative agency must consider the following, as applicable:*

- (a) *The safety of persons on the ground and in the air.*
- (b) *The safe and efficient use of navigable airspace.*
- (c) *The nature of the terrain and height of existing structures.*
- (d) *The effect of the construction or alteration on the state licensing standards for a public-use airport contained in chapter 330 and rules adopted thereunder.*
- (e) *The character of existing and planned flight operations and developments at public-use airports.*
- (f) *Federal airways, visual flight rules, flyways and corridors, and instrument approaches as designated by the Federal Aviation Administration.*
- (g) *The effect of the construction or alteration of the proposed structure on the minimum descent altitude or the decision height at the affected airport.*
- (h) *The cumulative effects on navigable airspace of all existing structures and all other known proposed structures in the area.*

(i) *Additional requirements adopted by the political subdivision or administrative agency pertinent to evaluation and protection of airspace and airport operations.*

(2) **VARIANCES.**—

(a) ~~Any person desiring to erect any structure, increase the height of any structure, permit the growth of any tree, or otherwise use his or her property in violation of the airport zoning regulations adopted under this chapter or any land development regulation adopted pursuant to the provisions of chapter 163 pertaining to airport land use compatibility, may apply to the board of adjustment for a variance from the zoning regulations in question. At the time of filing the application, the applicant shall forward to the department by certified mail, return receipt requested, a copy of the application. The department shall have 45 days from receipt of the application to comment and to provide its comments or waiver of that right to the applicant and the board of adjustment. The department shall include its explanation for any objections stated in its comments. If the department fails to provide its comments within 45 days of receipt of the application, its right to comment is waived. The board of adjustment may proceed with its consideration of the application only upon the receipt of the department's comments or waiver of that right as demonstrated by the filing of a copy of the return receipt with the board. Noncompliance with this section shall be grounds to appeal pursuant to s. 333.08 and to apply for judicial relief pursuant to s. 333.11. Such variances may only be allowed where a literal application or enforcement of the regulations would result in practical difficulty or unnecessary hardship and where the relief granted would not be contrary to the public interest but would do substantial justice and be in accordance with the spirit of the regulations and this chapter. However, any variance may be allowed subject to any reasonable conditions that the board of adjustment may deem necessary to effectuate the purposes of this chapter.~~

(b) ~~The Department of Transportation shall have the authority to appeal any variance granted under this chapter pursuant to s. 333.08, and to apply for judicial relief pursuant to s. 333.11.~~

(3) **OBSTRUCTION MARKING AND LIGHTING.**—

(a) ~~In issuing a granting any permit or variance under this section, the political subdivision or its administrative agency or board of adjustment shall require the owner of the obstruction structure or tree in question to install, operate, and maintain thereon, at his or her own expense, such marking and lighting in conformance with the specific standards established by the Federal Aviation Administration as may be necessary to indicate to aircraft pilots the presence of an obstruction.~~

(b) ~~Such marking and lighting shall conform to the specific standards established by rule by the Department of Transportation.~~

(c) ~~Existing structures not in compliance on October 1, 1988, shall be required to comply whenever the existing marking requires refurbishment, whenever the existing lighting requires replacement, or within 5 years of October 1, 1988, whichever occurs first.~~

Section 26. *Section 333.08, Florida Statutes, is repealed.*

Section 27. *Section 333.09, Florida Statutes, is amended to read:*

333.09 *Administration of airport protection zoning regulations.—*

(1) **ADMINISTRATION.**—*All airport protection zoning regulations adopted under this chapter shall provide for the administration and enforcement of such regulations by the political subdivision or its administrative agency an administrative agency which may be an agency created by such regulations or any official, board, or other existing agency of the political subdivision adopting the regulations or of one of the political subdivisions which participated in the creation of the joint airport zoning board adopting the regulations, if satisfactory to that political subdivision, but in no case shall such administrative agency be or include any member of the board of adjustment. The duties of any administrative agency designated pursuant to this chapter must shall include that of hearing and deciding all permits under s. 333.07 s. 333.07(1), deciding all matters under s. 333.07(3), as they pertain to such agency, and all other matters under this chapter applying to said agency, but such agency shall not have or exercise any of the powers herein delegated to the board of adjustment.*

(2) LOCAL GOVERNMENT PROCESS.—

(a) A political subdivision required to adopt airport zoning regulations under this chapter shall provide a process to:

1. Issue or deny permits consistent with s. 333.07.
2. Provide the department with a copy of a complete application consistent with s. 333.025(4).
3. Enforce the issuance or denial of a permit or other determination made by the administrative agency with respect to airport zoning regulations.

(b) If a zoning board or permitting body already exists within a political subdivision, the zoning board or permitting body may implement the airport zoning regulation permitting and appeals processes.

(3) APPEALS.—

(a) A person, a political subdivision or its administrative agency, or a joint airport zoning board that contends a decision made by a political subdivision or its administrative agency is an improper application of airport zoning regulations may use the process established for an appeal.

(b) All appeals taken under this section must be taken within a reasonable time, as provided by the political subdivision or its administrative agency, by filing with the entity from which the appeal is taken a notice of appeal specifying the grounds for appeal.

(c) An appeal shall stay all proceedings in the underlying action appealed from, unless the entity from which the appeal is taken certifies pursuant to the rules for appeal that by reason of the facts stated in the certificate a stay would, in its opinion, cause imminent peril to life or property. In such cases, proceedings may not be stayed except by order of the political subdivision or its administrative agency on notice to the entity from which the appeal is taken and for good cause shown.

(d) The political subdivision or its administrative agency shall set a reasonable time for the hearing of appeals, give public notice and due notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing, any party may appear in person, by agent, or by attorney.

(e) The political subdivision or its administrative agency may, in conformity with this chapter, affirm, reverse, or modify the decision on the permit or other determination from which the appeal is taken.

Section 28. Section 333.10, Florida Statutes, is repealed.

Section 29. Section 333.11, Florida Statutes, is amended to read:

333.11 Judicial review.—

(1) Any person, aggrieved, or taxpayer affected, by any decision of a board of adjustment, or any governing body of a political subdivision, or the Department of Transportation or any joint airport zoning board affected by a decision of a political subdivision, or its administrative agency hereunder, may apply for judicial relief to the circuit court in the judicial circuit where the political subdivision board of adjustment is located within 30 days after rendition of the decision by the board of adjustment. Review shall be by petition for writ of certiorari, which shall be governed by the Florida Rules of Appellate Procedure.

(2) Upon presentation of such petition to the court, it may allow a writ of certiorari, directed to the board of adjustment, to review such decision of the board. The allowance of the writ shall not stay the proceedings upon the decision appealed from, but the court may, on application, on notice to the board, on due hearing and due cause shown, grant a restraining order.

(3) The board of adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions thereof as may be called for by the writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified.

(2)(4) The court ~~has shall have~~ exclusive jurisdiction to affirm, reverse, or modify, ~~or set aside~~ the decision on the permit or other determination from which the appeal is taken ~~brought up for review, in whole or in part,~~ and, if appropriate ~~need be,~~ to order further proceedings by the political subdivision or its administrative agency ~~board of adjustment.~~ The findings of fact by the political subdivision or its administrative agency ~~board,~~ if supported by substantial evidence, shall be accepted by the court as conclusive, and ~~an no~~ objection to a decision of the political subdivision or its administrative agency may not ~~board~~ ~~shall~~ be considered by the court unless such objection was raised in the underlying proceeding ~~shall have been urged before the board, or, if it was not so urged, unless there were reasonable grounds for failure to do so.~~

(3)(5) If ~~in any case in which~~ airport zoning regulations adopted under this chapter, ~~although generally reasonable,~~ are held by a court to interfere with the use and enjoyment of a particular structure or parcel of land to such an extent, or to be so onerous in their application to such a structure or parcel of land, as to constitute a taking or deprivation of that property in violation of the State Constitution or the Constitution of the United States, such holding shall not affect the application of such regulations to other structures and parcels of land, or such regulations as are not involved in the particular decision.

(4)(6) A judicial ~~no~~ appeal to any court may not ~~shall be or is~~ permitted under this section until the appellant has exhausted all of its remedies through application for local government permits, exceptions, and appeals, ~~to any courts, as herein provided, save and except an appeal from a decision of the board of adjustment, the appeal herein provided being from such final decision of such board only, the appellant being hereby required to exhaust his or her remedies hereunder of application for permits, exceptions and variances, and appeal to the board of adjustment, and gaining a determination by said board, before being permitted to appeal to the court hereunder.~~

Section 30. Section 333.12, Florida Statutes, is amended to read:

333.12 Acquisition of air rights.—~~If in any case which it is desired to remove, lower or otherwise terminate a nonconforming obstruction is determined to be an airport hazard and the owner will not remove, lower, or otherwise eliminate it—structure or use; or~~ the approach protection necessary cannot, because of constitutional limitations, be provided by airport zoning regulations under this chapter; or it appears advisable that the necessary approach protection be provided by acquisition of property rights rather than by airport zoning regulations, the political subdivision within which the property or nonconforming obstruction ~~use~~ is located, or the political subdivision owning or operating the airport or being served by it, may acquire, by purchase, grant, or condemnation in the manner provided by chapter 73, such ~~property,~~ air right, ~~avigation navigation~~ easement, or other estate, portion, or interest in the property or nonconforming obstruction ~~structure or use~~ or such interest in the air above such property, ~~tree, structure, or use,~~ in question, as may be necessary to effectuate the purposes of this chapter, and in so doing, if by condemnation, to have the right to take immediate possession of the property, interest in property, air right, or other right sought to be condemned, at the time, and in the manner and form, and as authorized by chapter 74. In the case of the purchase of any property, ~~or any~~ easement, or estate or interest therein or the acquisition of the same by the power of eminent domain, the political subdivision making such purchase or exercising such power shall, in addition to the damages for the taking, injury, or destruction of property, also pay the cost of the removal and relocation of any structure or any public utility ~~that which~~ is required to be moved to a new location.

Section 31. Section 333.13, Florida Statutes, is amended to read:

333.13 Enforcement and remedies.—

(1) Each violation of this chapter or of any airport zoning regulations, orders, or rulings ~~promulgated~~ or made pursuant to this chapter shall constitute a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083, and each day a violation continues to exist shall constitute a separate offense.

(2) In addition, the political subdivision or agency adopting the airport zoning regulations under this chapter may institute in any court of competent jurisdiction an action to prevent, restrain, correct, or abate any violation of this chapter or of airport zoning regulations adopted

under this chapter or of any order or ruling made in connection with their administration or enforcement, and the court shall adjudge to the plaintiff such relief, by way of injunction, (which may be mandatory,) or otherwise, as may be proper under all the facts and circumstances of the case in order to fully effectuate the purposes of this chapter and of the regulations adopted and orders and rulings made pursuant thereto.

(3) The department of Transportation may institute a civil action for injunctive relief in the appropriate circuit court to prevent violation of any provision of this chapter.

Section 32. Section 333.135, Florida Statutes, is created to read:

333.135 Transition provisions.—

(1) Any airport zoning regulation in effect on July 1, 2016, which includes provisions in conflict with this chapter shall be amended to conform to the requirements of this chapter by July 1, 2017.

(2) Any political subdivision having an airport within its territorial limits which has not adopted airport zoning regulations shall, by July 1, 2017, adopt airport zoning regulations consistent with this chapter.

(3) For those political subdivisions that have not yet adopted airport zoning regulations pursuant to this chapter, the department shall administer the permitting process as provided in s. 333.025.

Section 33. Section 333.14, Florida Statutes, is repealed.

Section 34. Section 335.085, Florida Statutes, is created to read:

335.085 Installation of roadside barriers along certain water bodies contiguous with state roads.—

(1) This section shall be cited as “Chloe’s Law.”

(2) By June 30, 2018, the department shall install roadside barriers to shield water bodies contiguous with state roads at locations where a death due to drowning resulted from a motor vehicle accident in which a vehicle departed the adjacent state road during the period between July 1, 2006, and July 1, 2016. This requirement does not apply to any location at which the department’s chief engineer determines, based on engineering principles, that installation of a barrier would increase the risk of injury to motorists traveling on the adjacent state road.

Section 35. The Department of Transportation shall review all motor vehicle accidents that resulted in death due to drowning in a water body contiguous with a state road and that occurred during the period between July 1, 2006, and July 1, 2016. The department shall use the reconciled crash data received from the Department of Highway Safety and Motor Vehicles and shall submit a report to the President of the Senate and the Speaker of the House of Representatives by January 3, 2017, providing recommendations regarding any necessary changes to state laws and department rules to enhance traffic safety.

Section 36. Subsection (3) of section 337.0261, Florida Statutes, is amended to read:

337.0261 Construction aggregate materials.—

(3) LOCAL GOVERNMENT DECISIONMAKING.—A ~~No~~ local government may not ~~shall~~ approve or deny a proposed land use zoning change, comprehensive plan amendment, land use permit, ordinance, or order regarding construction aggregate materials without considering any information provided by the Department of Transportation regarding the effect such change, amendment, permit decision, ordinance, or order would have on the availability, transportation, cost, and potential extraction of construction aggregate materials on the local area, the region, and the state. The failure of the Department of Transportation to provide this information shall not be a basis for delay or invalidation of the local government action. A ~~No~~ local government may not impose a moratorium, or combination of moratoria, of more than 12 months’ duration on the mining or extraction of construction aggregate materials, commencing on the date the vote was taken to impose the moratorium. January 1, 2007, shall serve as the commencement of the 12-month period for moratoria already in place as of July 1, 2007.

Section 37. Paragraph (a) of subsection (1) of section 337.18, Florida Statutes, is amended to read:

337.18 Surety bonds for construction or maintenance contracts; requirement with respect to contract award; bond requirements; defaults; damage assessments.—

(1)(a) A surety bond shall be required of the successful bidder in an amount equal to the awarded contract price. However, the department may choose, in its discretion and applicable only to multiyear maintenance contracts, to allow for incremental annual contract bonds that cumulatively total the full, awarded, multiyear contract price.

1. The department may waive the requirement for all or a portion of a surety bond if:

a. ~~For a project for which~~ The contract price is \$250,000 or less and, the department may waive the requirement for all or a portion of a surety bond if it determines that the project is of a noncritical nature and that nonperformance will not endanger public health, safety, or property;

b. The prime contractor is a qualified nonprofit agency for the blind or for the other severely handicapped under s. 413.036(2); or

c. The prime contractor is using a subcontractor that is a qualified nonprofit agency for the blind or for the other severely handicapped under s. 413.036(2). However, the department may not waive more than the amount of the subcontract.

2. If the Secretary of Transportation or the secretary’s designee determines that it is in the best interests of the department to reduce the bonding requirement for a project and that to do so will not endanger public health, safety, or property, the department may waive the requirement of a surety bond in an amount equal to the awarded contract price for a project having a contract price of \$250 million or more and, in its place, may set a surety bond amount that is a portion of the total contract price and provide an alternate means of security for the balance of the contract amount that is not covered by the surety bond or provide for incremental surety bonding and provide an alternate means of security for the balance of the contract amount that is not covered by the surety bond. Such alternative means of security may include letters of credit, United States bonds and notes, parent company guarantees, and cash collateral. The department may require alternate means of security if a surety bond is waived. The surety on such bond shall be a surety company authorized to do business in the state. All bonds shall be payable to the department and conditioned for the prompt, faithful, and efficient performance of the contract according to plans and specifications and within the time period specified, and for the prompt payment of all persons defined in s. 713.01 furnishing labor, material, equipment, and supplies for work provided in the contract; however, whenever an improvement, demolition, or removal contract price is \$25,000 or less, the security may, in the discretion of the bidder, be in the form of a cashier’s check, bank money order of any state or national bank, certified check, or postal money order. The department shall adopt rules to implement this subsection. Such rules shall include provisions under which the department shall refuse to accept bonds on contracts when a surety wrongfully fails or refuses to settle or provide a defense for claims or actions arising under a contract for which the surety previously furnished a bond.

Section 38. Subsection (4) of section 338.165, Florida Statutes, is amended, and subsection (11) is added to that section, to read:

338.165 Continuation of tolls.—

(4) Notwithstanding any other law to the contrary, pursuant to s. 11, Art. VII of the State Constitution, and subject to the requirements of subsection (2), the Department of Transportation may request the Division of Bond Finance to issue bonds secured by toll revenues collected on the Alligator Alley ~~and~~, the Sunshine Skyway Bridge, ~~the Beehive East Expressway, the Navarre Bridge, and the Pinellas Bayway~~ to fund transportation projects located within the county or counties in which the project is located and contained in the adopted work program of the department.

(11) The department’s Pinellas Bayway System may be transferred by the department and become part of the turnpike system under the Florida Turnpike Enterprise Law. The transfer does not affect the rights of the parties, or their successors in interest, under the settlement agreement and final judgment in Leonard Lee Ratner, Esther Ratner,

and *Leeco Gas and Oil Co. v. State Road Department of the State of Florida*, No. 67-1081 (Fla. 2nd Cir. Ct. 1968). Upon transfer of the Pinellas Bayway System to the turnpike system, the department shall also transfer to the Florida Turnpike Enterprise the funds deposited in the reserve account established by chapter 85-364, Laws of Florida, as amended by chapters 95-382 and 2014-223, Laws of Florida, which funds shall be used by the Florida Turnpike Enterprise solely to help fund the costs of repair or replacement of the transferred facilities.

Section 39. Chapter 85-364, Laws of Florida, as amended by chapter 95-382 and section 48 of chapter 2014-223, Laws of Florida, is repealed.

Section 40. Subsections (5) and (6) of section 338.231, Florida Statutes, are amended to read:

338.231 Turnpike tolls, fixing; pledge of tolls and other revenues.—The department shall at all times fix, adjust, charge, and collect such tolls and amounts for the use of the turnpike system as are required in order to provide a fund sufficient with other revenues of the turnpike system to pay the cost of maintaining, improving, repairing, and operating such turnpike system; to pay the principal of and interest on all bonds issued to finance or refinance any portion of the turnpike system as the same become due and payable; and to create reserves for all such purposes.

~~(5) In each fiscal year while any of the bonds of the Broward County Expressway Authority series 1984 and series 1986 A remain outstanding, the department is authorized to pledge revenues from the turnpike system to the payment of principal and interest of such series of bonds and the operation and maintenance expenses of the Sawgrass Expressway, to the extent gross toll revenues of the Sawgrass Expressway are insufficient to make such payments. The terms of an agreement relative to the pledge of turnpike system revenue will be negotiated with the parties of the 1984 and 1986 Broward County Expressway Authority lease purchase agreements, and subject to the covenants of those agreements. The agreement must establish that the Sawgrass Expressway is subject to the planning, management, and operating control of the department limited only by the terms of the lease purchase agreements. The department shall provide for the payment of operation and maintenance expenses of the Sawgrass Expressway until such agreement is in effect. This pledge of turnpike system revenues is subordinate to the debt service requirements of any future issue of turnpike bonds, the payment of turnpike system operation and maintenance expenses, and subject to any subsequent resolution or trust indenture relating to the issuance of such turnpike bonds.~~

~~(5)(6)~~ The use and disposition of revenues pledged to bonds are subject to ss. 338.22-338.241 and such regulations as the resolution authorizing the issuance of the bonds or such trust agreement may provide.

Section 41. Paragraph (i) of subsection (6) and paragraph (c) of subsection (7) of section 339.175, Florida Statutes, are amended to read:

339.175 Metropolitan planning organization.—

(6) POWERS, DUTIES, AND RESPONSIBILITIES.—The powers, privileges, and authority of an M.P.O. are those specified in this section or incorporated in an interlocal agreement authorized under s. 163.01. Each M.P.O. shall perform all acts required by federal or state laws or rules, now and subsequently applicable, which are necessary to qualify for federal aid. It is the intent of this section that each M.P.O. shall be involved in the planning and programming of transportation facilities, including, but not limited to, airports, intercity and high-speed rail lines, seaports, and intermodal facilities, to the extent permitted by state or federal law.

(i) *The Tampa Bay Area Regional Transportation Authority Metropolitan Planning Organization Chairs* A chair's Coordinating Committee is created *within the Tampa Bay Area Regional Transportation Authority*, composed of the M.P.O.'s serving Citrus, Hernando, Hillsborough, Manatee, Pasco, Pinellas, Polk, and Sarasota Counties. *The authority shall provide administrative support and direction to the committee.* The committee must, at a minimum:

1. Coordinate transportation projects deemed to be regionally significant by the committee.

2. Review the impact of regionally significant land use decisions on the region.

3. Review all proposed regionally significant transportation projects in the respective transportation improvement programs which affect more than one of the M.P.O.'s represented on the committee.

4. Institute a conflict resolution process to address any conflict that may arise in the planning and programming of such regionally significant projects.

(7) LONG-RANGE TRANSPORTATION PLAN.—Each M.P.O. must develop a long-range transportation plan that addresses at least a 20-year planning horizon. The plan must include both long-range and short-range strategies and must comply with all other state and federal requirements. The prevailing principles to be considered in the long-range transportation plan are: preserving the existing transportation infrastructure; enhancing Florida's economic competitiveness; and improving travel choices to ensure mobility. The long-range transportation plan must be consistent, to the maximum extent feasible, with future land use elements and the goals, objectives, and policies of the approved local government comprehensive plans of the units of local government located within the jurisdiction of the M.P.O. Each M.P.O. is encouraged to consider strategies that integrate transportation and land use planning to provide for sustainable development and reduce greenhouse gas emissions. The approved long-range transportation plan must be considered by local governments in the development of the transportation elements in local government comprehensive plans and any amendments thereto. The long-range transportation plan must, at a minimum:

(c) Assess capital investment and other measures necessary to:

1. Ensure the preservation of the existing metropolitan transportation system including requirements for the operation, resurfacing, restoration, and rehabilitation of major roadways and requirements for the operation, maintenance, modernization, and rehabilitation of public transportation facilities; and

2. Make the most efficient use of existing transportation facilities to relieve vehicular congestion, *improve safety*, and maximize the mobility of people and goods. *Such efforts must include, but are not limited to, consideration of infrastructure and technological improvements necessary to accommodate advances in vehicle technology, such as autonomous technology and other developments.*

In the development of its long-range transportation plan, each M.P.O. must provide the public, affected public agencies, representatives of transportation agency employees, freight shippers, providers of freight transportation services, private providers of transportation, representatives of users of public transit, and other interested parties with a reasonable opportunity to comment on the long-range transportation plan. The long-range transportation plan must be approved by the M.P.O.

Section 42. Subsection (2) of section 339.2818, Florida Statutes, is amended to read:

339.2818 Small County Outreach Program.—

(2)(a) For the purposes of this section, the term "small county" means any county that has a population of 170,000 ~~150,000~~ or less as determined by the most recent official estimate pursuant to s. 186.901.

~~(b) Notwithstanding paragraph (a), for the 2015-2016 fiscal year, for purposes of this section, the term "small county" means any county that has a population of 165,000 or less as determined by the most recent official estimate pursuant to s. 186.901. This paragraph expires July 1, 2016.~~

Section 43. Subsections (1) and (2) of section 339.55, Florida Statutes, are amended to read:

339.55 State-funded infrastructure bank.—

(1) There is created within the Department of Transportation a state-funded infrastructure bank for the purpose of providing loans and credit enhancements to government units and private entities for use in constructing and improving transportation facilities *or ancillary facilities that produce or distribute natural gas or fuel.*

(2) The bank may lend capital costs or provide credit enhancements for:

(a) A transportation facility project that is on the State Highway System or that provides for increased mobility on the state's transportation system or provides intermodal connectivity with airports, seaports, rail facilities, and other transportation terminals, pursuant to s. 341.053, for the movement of people and goods.

(b) Projects of the Transportation Regional Incentive Program which are identified pursuant to s. 339.2819(4).

(c)1. Emergency loans for damages incurred to public-use commercial deepwater seaports, public-use airports, and other public-use transit and intermodal facilities that are within an area that is part of an official state declaration of emergency pursuant to chapter 252 and all other applicable laws. Such loans:

a. May not exceed 24 months in duration except in extreme circumstances, for which the Secretary of Transportation may grant up to 36 months upon making written findings specifying the conditions requiring a 36-month term.

b. Require application from the recipient to the department that includes documentation of damage claims filed with the Federal Emergency Management Agency or an applicable insurance carrier and documentation of the recipient's overall financial condition.

c. Are subject to approval by the Secretary of Transportation and the Legislative Budget Commission.

2. Loans provided under this paragraph must be repaid upon receipt by the recipient of eligible program funding for damages in accordance with the claims filed with the Federal Emergency Management Agency or an applicable insurance carrier, but no later than the duration of the loan.

(d) *Beginning July 1, 2017, applications for the development and construction of natural gas fuel production or distribution facilities used primarily to support the transportation activities at seaports or intermodal facilities. Loans under this paragraph may be used to refinance outstanding debt.*

Section 44. Paragraph (c) is added to subsection (3) of section 339.64, Florida Statutes, and paragraph (a) of subsection (4) of that section is amended, to read:

339.64 Strategic Intermodal System Plan.—

(3)

(c) *The department shall coordinate with federal, regional, and local partners, as well as industry representatives, to consider infrastructure and technological improvements necessary to accommodate advances in vehicle technology, such as autonomous technology and other developments, in Strategic Intermodal System facilities.*

(4) The Strategic Intermodal System Plan shall include the following:

(a) A needs assessment *that must include, but is not limited to, consideration of infrastructure and technological improvements necessary to accommodate advances in vehicle technology, such as autonomous technology and other developments.*

Section 45. *Section 341.0532, Florida Statutes, is repealed.*

Section 46. Paragraphs (a) and (b) of subsection (2) of section 343.92, Florida Statutes, are amended to read:

343.92 Tampa Bay Area Regional Transportation Authority.—

(2) The governing board of the authority shall consist of *15 voting* ~~16~~ members.

(a) ~~There shall be one nonvoting, ex officio member of the board who shall be appointed by the secretary of the department shall appoint two advisors to the board but~~ who must be the district secretary for each ~~one~~

of the department districts within the seven-county area of the authority, ~~at the discretion of the secretary of the department.~~

(b) ~~The~~ There shall be 15 voting members of the board *shall be* as follows:

1. The county commissions of Citrus, Hernando, Hillsborough, Pasco, Pinellas, Manatee, and Sarasota Counties shall each appoint one elected official to the board. Members appointed under this subparagraph shall serve 2-year terms with not more than three consecutive terms being served by any person. If a member under this subparagraph leaves elected office, a vacancy exists on the board to be filled as provided in this subparagraph.

2. The *Tampa Bay Area Regional Transportation Authority (TBARTA) Metropolitan Planning Organization West-Central Florida M.P.O.* Chairs Coordinating Committee shall appoint one member to the board who must be a chair of one of the six metropolitan planning organizations in the region. The member appointed under this subparagraph shall serve a 2-year term with not more than three consecutive terms being served by any person.

3.a. Two members of the board shall be the mayor, or the mayor's designee, of the largest municipality within the service area of each of the following independent transit agencies or their legislatively created successor agencies: Pinellas Suncoast Transit Authority and Hillsborough Area Regional Transit Authority. The largest municipality is that municipality with the largest population as determined by the most recent United States Decennial Census.

b. Should a mayor choose not to serve, his or her designee must be an elected official selected by the mayor from that largest municipality's city council or city commission. A mayor or his or her designee shall serve a 2-year term with not more than three consecutive terms being served by any person.

c. A designee's term ends if the mayor leaves office for any reason. If a designee leaves elected office on the city council or commission, a vacancy exists on the board to be filled by the mayor of that municipality as provided in sub-subparagraph a.

d. A mayor who has served three consecutive terms on the board must designate an elected official from that largest municipality's city council or city commission to serve on the board for at least one term.

4.a. One membership on the board shall rotate every 2 years between the mayor, or his or her designee, of the largest municipality within Manatee County and the mayor, or his or her designee, of the largest municipality within Sarasota County. The mayor, or his or her designee, from the largest municipality within Manatee County shall serve the first 2-year term. The largest municipality is that municipality with the largest population as determined by the most recent United States Decennial Census.

b. Should a mayor choose not to serve, his or her designee must be an elected official selected by the mayor from that municipality's city council or city commission.

5. The Governor shall appoint to the board four business representatives, each of whom must reside in one of the seven counties governed by the authority, none of whom may be elected officials, and at least one but not more than two of whom shall represent counties within the federally designated Tampa Bay Transportation Management Area. Members appointed by the Governor shall serve 3-year terms with not more than two consecutive terms being served by any person.

Section 47. Paragraphs (d), (e), and (f) of subsection (3) of section 343.922, Florida Statutes, are amended, and paragraph (g) is added to that subsection, to read:

343.922 Powers and duties.—

(3)

(d) After its adoption, the master plan shall be updated every *5* ~~2~~ years before July 1.

(e) The authority shall present the original master plan and updates to the governing bodies of the counties within the seven-county region,

to the ~~TBARTA Metropolitan Planning Organization West-Central Florida M.P.O.~~ Chairs Coordinating Committee, and to the legislative delegation members representing those counties within 90 days after adoption.

(f) The authority shall coordinate plans and projects with the ~~TBARTA Metropolitan Planning Organization West-Central Florida M.P.O.~~ Chairs Coordinating Committee, to the extent practicable, and participate in the regional M.P.O. planning process to ensure regional comprehension of the authority's mission, goals, and objectives.

(g) *The authority shall provide administrative support and direction to the TBARTA Metropolitan Planning Organization Chairs Coordinating Committee as provided in s. 339.175(6)(i).*

Section 48. Subsection (3) of section 348.565, Florida Statutes, is amended, and subsection (5) is added to that section, to read:

348.565 Revenue bonds for specified projects.—The existing facilities that constitute the Tampa-Hillsborough County Expressway System are hereby approved to be refinanced by revenue bonds issued by the Division of Bond Finance of the State Board of Administration pursuant to s. 11(f), Art. VII of the State Constitution and the State Bond Act or by revenue bonds issued by the authority pursuant to s. 348.56(1)(b). In addition, the following projects of the Tampa-Hillsborough County Expressway Authority are approved to be financed or refinanced by the issuance of revenue bonds in accordance with this part and s. 11(f), Art. VII of the State Constitution:

(3) Lee Roy Selmon Crosstown Expressway System widening, and any extensions thereof.

(5) *Capital projects that the authority is authorized to acquire, construct, reconstruct, equip, operate, and maintain pursuant to this part, including, without limitation, s. 348.54(15), provided that any financing of such projects does not pledge the full faith and credit of the state.*

Section 49. Subsection (20) is added to section 479.16, Florida Statutes, to read:

479.16 Signs for which permits are not required.—The following signs are exempt from the requirement that a permit for a sign be obtained under this chapter but are required to comply with s. 479.11(4)-(8), and ~~the provisions of subsections (15)-(20) (15)-(19)~~ may not be implemented or continued if the Federal Government notifies the department that implementation or continuation will adversely affect the allocation of federal funds to the department:

(20) *Signs that are located within the controlled area of a federal-aid primary highway but that are on a parcel adjacent to an off-ramp to the termination point of a turnpike system, if there is no directional decision to be made by a driver, the signs are primarily facing the off-ramp, and the signs have been in existence since at least 1995.*

If the exemptions in subsections (15)-(20) ~~(15)-(19)~~ are not implemented or continued due to notification from the Federal Government that the allocation of federal funds to the department will be adversely impacted, the department shall provide notice to the sign owner that the sign must be removed within 30 days after receipt of the notice. If the sign is not removed within 30 days after receipt of the notice by the sign owner, the department may remove the sign, and the costs incurred in connection with the sign removal shall be assessed against and collected from the sign owner.

Section 50. Section 563.13, Florida Statutes, is created to read:

563.13 *Florida brewery directional signs; fees.—Upon the request of a brewery licensed under s. 561.221(2) or (3) which produces a minimum of 2,500 barrels per year on the premises, is open to the public at least 30 hours per week, and is available for tours, the Department of Transportation shall install directional signs for the brewery on the rights-of-way of interstate highways and primary and secondary roads in accordance with Florida's Highway Guide Sign Program as provided in chapter 14-51, Florida Administrative Code. A brewery licensed in this state which requests placement of a directional sign through the department's permit process shall pay all associated costs.*

Section 51. Paragraph (a) of subsection (2) of section 812.014, Florida Statutes, is amended to read:

812.014 Theft.—

(2)(a)1. If the property stolen is valued at \$100,000 or more or is a semitrailer that was deployed by a law enforcement officer; or

2. If the property stolen is cargo valued at \$50,000 or more that has entered the stream of interstate or intrastate commerce from the shipper's loading platform to the consignee's receiving dock; or

3. If the offender commits any grand theft and:

a. In the course of committing the offense the offender uses a motor vehicle as an instrumentality, other than merely as a getaway vehicle, to assist in committing the offense and thereby damages the real property of another; ~~or~~

b. In the course of committing the offense the offender causes damage to the real or personal property of another in excess of \$1,000; or;

c. *In the course of committing the offense the offender uses any type of device to defeat, block, disable, jam, or interfere with a global positioning system or similar system designed to identify the location of the cargo or the vehicle or trailer carrying the cargo,*

the offender commits grand theft in the first degree, punishable as a felony of the first degree, as provided in s. 775.082, s. 775.083, or s. 775.084.

Section 52. *The Department of Transportation, in consultation with the Department of Highway Safety and Motor Vehicles, shall study the use and safe operation of driver-assistive truck platooning technology, as defined in s. 316.003, Florida Statutes, for the purpose of developing a pilot project to test vehicles that are equipped to operate using driver-assistive truck platooning technology.*

(1) *Upon conclusion of the study, the Department of Transportation, in consultation with the Department of Highway Safety and Motor Vehicles, may conduct a pilot project to test the use and safe operation of vehicles equipped with driver-assistive truck platooning technology.*

(2) *Notwithstanding ss. 316.0895 and 316.303, Florida Statutes, the Department of Transportation may conduct the pilot project in such a manner and at such locations as determined by the Department of Transportation based on the study.*

(3) *Before the start of the pilot project, manufacturers of driver-assistive truck platooning technology being tested in the pilot project must submit to the Department of Highway Safety and Motor Vehicles an instrument of insurance, a surety bond, or proof of self-insurance acceptable to the department in the amount of \$5 million.*

(4) *Upon conclusion of the pilot project, the Department of Transportation, in consultation with the Department of Highway Safety and Motor Vehicles, shall submit the results of the study and any findings or recommendations from the pilot project to the Governor, the President of the Senate, and the Speaker of the House of Representatives.*

Section 53. (1)(a) *The Office of Economic and Demographic Research shall evaluate and determine the economic benefits, as defined in s. 288.005(1), Florida Statutes, of the state's investment in the Department of Transportation's adopted work program developed in accordance with s. 339.135(5), Florida Statutes, for fiscal year 2016-2017 and the following 4 fiscal years. At a minimum, a separate return on investment shall be projected for each of the following areas:*

1. Roads and highways.
2. Rails.
3. Public transit.
4. Aviation.
5. Seaports.

(b) *The evaluation shall be limited to the funding anticipated by the adopted work program but may address the continuing economic impact for those transportation projects in the 5 years after the conclusion of the adopted work program. The evaluation must also determine the number*

of jobs created, the increase or decrease in personal income, and the impact on gross domestic product from the direct, indirect, and induced effects on the state's investment in each area.

(2) The Department of Transportation and each of its district offices shall provide the Office of Economic and Demographic Research full access to all data necessary to complete the evaluation, including any confidential data.

(3) The Office of Economic and Demographic Research shall submit the evaluation to the President of the Senate and the Speaker of the House of Representatives by January 1, 2017.

Section 54. Section 316.87, Florida Statutes, is created to read:

316.87 Nonemergency medical transportation services.—To ensure the availability of nonemergency medical transportation services throughout the state, a provider licensed by the county or operating under a permit issued by the county may not be required to use a vehicle that is larger than needed to transport the number of persons being transported or that is inconsistent with the medical condition of the individuals receiving the nonemergency medical transportation services. This section does not apply to the procurement, contracting, or provision of paratransit transportation services, directly or indirectly, by a county or an authority, pursuant to the Americans with Disabilities Act of 1990, as amended.

Section 55. *Transportation facility designations; Department of Transportation to erect suitable markers.—*

(1) *That portion of C.R. 155/Meridian Road between Meridian Hills Road and the Georgia state line in Leon County is designated as “Dubose Ausley Highway.”*

(2) *The Department of Transportation is directed to erect suitable markers designating the transportation facilities as described in this section.*

Section 56. *Transportation facility designations; Department of Transportation to erect suitable markers.—*

(1) *Bridge number 429958 on S.R. 842/Broward Boulevard at North Fork New River in Broward County is designated as the “Senator Christopher L. Smith Bridge.”*

(2) *The Department of Transportation is directed to erect suitable markers designating the transportation facility as described in this section.*

Section 57. *Transportation facility designations; Department of Transportation to erect suitable markers.—*

(1) *That portion of S.R. 922 from N.E. 10th Avenue east to the North Miami City Limits in Miami-Dade County is designated as “Stanley G. Tate Boulevard.”*

(2) *That portion of Miami Avenue between N.E. 5th Street and U.S. 41/S.R. 90/S.E. 7th Street in Miami-Dade County is designated as “Robert L. Shevin Memorial Boulevard.”*

(3) *Bridge number 870054 on S.R. 112/W. 41st Street/Arthur Godfrey Road in Miami Beach is designated as the “Senator Paul B. Steinberg Bridge.”*

(4) *The Department of Transportation is directed to erect suitable markers designating the transportation facilities as described in this section.*

Section 58. Section 1 of chapter 26497, Laws of Florida, 1951, is amended to read:

Section 1. That the following described route be and the same is hereby declared, designated and established as a State Road, forming a part of the connecting system of the State of Florida, and shall be known as the **SHEPARD BROAD CAUSEWAY BOULEVARD**.

Beginning at the intersection of State Road AIA and 96th Street in Dade County, Florida, and running in a Westerly direction, as near as possible in a direct line, through the Town of Bay Harbor Islands,

Florida, across Broad Causeway, spanning Biscayne Bay, and through the Town of North Miami, Florida, to the point where such highway shall intersect with State Road Number 7, along the most practicable and feasible route to be determined by the State Road Department.

Section 59. Paragraph (c) of subsection (1) of section 212.05, Florida Statutes, is amended to read:

212.05 Sales, storage, use tax.—It is hereby declared to be the legislative intent that every person is exercising a taxable privilege who engages in the business of selling tangible personal property at retail in this state, including the business of making mail order sales, or who rents or furnishes any of the things or services taxable under this chapter, or who stores for use or consumption in this state any item or article of tangible personal property as defined herein and who leases or rents such property within the state.

(1) For the exercise of such privilege, a tax is levied on each taxable transaction or incident, which tax is due and payable as follows:

(c) At the rate of 6 percent of the gross proceeds derived from the lease or rental of tangible personal property, as defined herein; however, the following special provisions apply to the lease or rental of motor vehicles:

1. When a motor vehicle is leased or rented for a period of less than 12 months:

a. If the motor vehicle is rented in Florida, the entire amount of such rental is taxable, even if the vehicle is dropped off in another state.

b. If the motor vehicle is rented in another state and dropped off in Florida, the rental is exempt from Florida tax.

2. Except as provided in subparagraph 3., for the lease or rental of a motor vehicle for a period of not less than 12 months, sales tax is due on the lease or rental payments if the vehicle is registered in this state; provided, however, that no tax shall be due if the taxpayer documents use of the motor vehicle outside this state and tax is being paid on the lease or rental payments in another state.

3. The tax imposed by this chapter does not apply to the lease or rental of a commercial motor vehicle as defined in s. 316.003(12)(a) ~~316.003(66)(a)~~ to one lessee or rentee for a period of not less than 12 months when tax was paid on the purchase price of such vehicle by the lessor. To the extent tax was paid with respect to the purchase of such vehicle in another state, territory of the United States, or the District of Columbia, the Florida tax payable shall be reduced in accordance with the provisions of s. 212.06(7). This subparagraph shall only be available when the lease or rental of such property is an established business or part of an established business or the same is incidental or germane to such business.

Section 60. Subsection (1) of section 316.1303, Florida Statutes, is amended to read:

316.1303 Traffic regulations to assist mobility-impaired persons.—

(1) Whenever a pedestrian who is mobility impaired is in the process of crossing a public street or highway with the assistance of a guide dog or service animal designated as such with a visible means of identification, a walker, a crutch, an orthopedic cane, or a wheelchair, the driver of a vehicle approaching the intersection, ~~as defined in s. 316.003(17)~~, shall bring his or her vehicle to a full stop before arriving at the intersection and, before proceeding, shall take precautions necessary to avoid injuring the pedestrian.

Section 61. Paragraph (b) of subsection (2) and paragraph (a) of subsection (4) of section 316.545, Florida Statutes, are amended to read:

316.545 Weight and load unlawful; special fuel and motor fuel tax enforcement; inspection; penalty; review.—

(2)

(b) The officer or inspector shall inspect the license plate or registration certificate of the commercial vehicle, ~~as defined in s. 316.003(66)~~, to determine *whether* if its gross weight is in compliance with the declared gross vehicle weight. If its gross weight exceeds the

declared weight, the penalty shall be 5 cents per pound on the difference between such weights. In those cases when the commercial vehicle, ~~as defined in s. 316.003(66)~~, is being operated over the highways of the state with an expired registration or with no registration from this or any other jurisdiction or is not registered under the applicable provisions of chapter 320, the penalty herein shall apply on the basis of 5 cents per pound on that scaled weight which exceeds 35,000 pounds on laden truck tractor-semitrailer combinations or tandem trailer truck combinations, 10,000 pounds on laden straight trucks or straight truck-trailer combinations, or 10,000 pounds on any unladen commercial motor vehicle. If the license plate or registration has not been expired for more than 90 days, the penalty imposed under this paragraph may not exceed \$1,000. In the case of special mobile equipment ~~as defined in s. 316.003(48)~~, which qualifies for the license tax provided for in s. 320.08(5)(b), being operated on the highways of the state with an expired registration or otherwise not properly registered under the applicable provisions of chapter 320, a penalty of \$75 shall apply in addition to any other penalty which may apply in accordance with this chapter. A vehicle found in violation of this section may be detained until the owner or operator produces evidence that the vehicle has been properly registered. Any costs incurred by the retention of the vehicle shall be the sole responsibility of the owner. A person who has been assessed a penalty pursuant to this paragraph for failure to have a valid vehicle registration certificate pursuant to the provisions of chapter 320 is not subject to the delinquent fee authorized in s. 320.07 if such person obtains a valid registration certificate within 10 working days after such penalty was assessed.

(4)(a) A ~~no~~ commercial vehicle ~~may not, as defined in s. 316.003(66),~~ shall be operated over the highways of this state unless it has been properly registered under the provisions of s. 207.004. Whenever any law enforcement officer identified in s. 207.023(1), upon inspecting the vehicle or combination of vehicles, determines that the vehicle is in violation of s. 207.004, a penalty in the amount of \$50 shall be assessed, and the vehicle may be detained until payment is collected by the law enforcement officer.

Section 62. Subsection (2) of section 316.605, Florida Statutes, is amended to read:

316.605 Licensing of vehicles.—

(2) Any commercial motor vehicle, ~~as defined in s. 316.003(66)~~, operating over the highways of this state with an expired registration, with no registration from this or any other jurisdiction, or with no registration under the applicable provisions of chapter 320 shall be in violation of s. 320.07(3) and shall subject the owner or operator of such vehicle to the penalty provided. In addition, a commercial motor vehicle found in violation of this section may be detained by any law enforcement officer until the owner or operator produces evidence that the vehicle has been properly registered and that any applicable delinquent penalties have been paid.

Section 63. Subsection (6) of section 316.6105, Florida Statutes, is amended to read:

316.6105 Violations involving operation of motor vehicle in unsafe condition or without required equipment; procedure for disposition.—

(6) This section does not apply to commercial motor vehicles ~~as defined in s. 316.003(66)~~ or transit buses owned or operated by a governmental entity.

Section 64. Paragraph (a) of subsection (2) of section 316.613, Florida Statutes, is amended to read:

316.613 Child restraint requirements.—

(2) As used in this section, the term “motor vehicle” means a motor vehicle as defined in s. 316.003 that is operated on the roadways, streets, and highways of the state. The term does not include:

(a) A school bus as defined in s. 316.003(66) ~~316.003(45)~~.

Section 65. Subsection (8) of section 316.622, Florida Statutes, is amended to read:

316.622 Farm labor vehicles.—

(8) The department shall provide to the Department of Business and Professional Regulation each quarter a copy of each accident report involving a farm labor vehicle, ~~as defined in s. 316.003(62), commencing with the first quarter of the 2006-2007 fiscal year.~~

Section 66. Paragraph (b) of subsection (1) of section 316.650, Florida Statutes, is amended to read:

316.650 Traffic citations.—

(1)

(b) The department shall prepare, and supply to every traffic enforcement agency in the state, an appropriate affidavit-of-compliance form that shall be issued along with the form traffic citation for any violation of s. 316.610 and that indicates the specific defect needing to be corrected. However, such affidavit of compliance ~~may~~ shall not be issued in the case of a violation of s. 316.610 by a commercial motor vehicle ~~as defined in s. 316.003(66)~~. Such affidavit-of-compliance form shall be distributed in the same manner and to the same parties as is the form traffic citation.

Section 67. Subsection (1) of section 316.70, Florida Statutes, is amended to read:

316.70 Nonpublic sector buses; safety rules.—

(1) The Department of Transportation shall establish and revise standards to ~~ensure~~ assure the safe operation of nonpublic sector buses, ~~as defined in s. 316.003(78)~~, which standards shall be those contained in 49 C.F.R. parts 382, 385, and 390-397 and which shall be directed ~~to-ward ensuring towards~~ assuring that:

(a) Nonpublic sector buses are safely maintained, equipped, and operated.

(b) Nonpublic sector buses are carrying the insurance required by law and carrying liability insurance on the checked baggage of passengers not to exceed the standard adopted by the United States Department of Transportation.

(c) Florida license tags are purchased for nonpublic sector buses pursuant to s. 320.38.

(d) The driving records of drivers of nonpublic sector buses are checked by their employers at least once each year to ascertain whether the driver has a suspended or revoked driver license.

Section 68. Paragraph (a) of subsection (1) of section 320.01, Florida Statutes, is amended to read:

320.01 Definitions, general.—As used in the Florida Statutes, except as otherwise provided, the term:

(1) “Motor vehicle” means:

(a) An automobile, motorcycle, truck, trailer, semitrailer, truck tractor and semitrailer combination, or any other vehicle operated on the roads of this state, used to transport persons or property, and propelled by power other than muscular power, but the term does not include traction engines, road rollers, special mobile equipment as defined in s. 316.003 ~~316.003(48)~~, vehicles that run only upon a track, bicycles, swamp buggies, or mopeds.

Section 69. Section 320.08, Florida Statutes, is amended to read:

320.08 License taxes.—Except as otherwise provided herein, there are hereby levied and imposed annual license taxes for the operation of motor vehicles, mopeds, motorized bicycles as defined in s. 316.003(2) ~~316.003(2)~~, tri-vehicles as defined in s. 316.003, and mobile homes, as defined in s. 320.01, which shall be paid to and collected by the department or its agent upon the registration or renewal of registration of the following:

(1) MOTORCYCLES AND MOPEDS.—

(a) Any motorcycle: \$10 flat.

(b) Any moped: \$5 flat.

(c) Upon registration of a motorcycle, motor-driven cycle, or moped, in addition to the license taxes specified in this subsection, a non-refundable motorcycle safety education fee in the amount of \$2.50 shall be paid. The proceeds of such additional fee shall be deposited in the Highway Safety Operating Trust Fund to fund a motorcycle driver improvement program implemented pursuant to s. 322.025, the Florida Motorcycle Safety Education Program established in s. 322.0255, or the general operations of the department.

(d) An ancient or antique motorcycle: \$7.50 flat, of which \$2.50 shall be deposited into the General Revenue Fund.

(2) AUTOMOBILES OR TRI-VEHICLES FOR PRIVATE USE.—

Senator Evers moved the following amendment to **Amendment 1 (691108)** which was adopted by two-thirds vote:

Amendment 1A (407876) (with title amendment)—Between lines 14 and 15 insert:

Section 2. Present subsection (3) of section 296.11, Florida Statutes, is renumbered as subsection (4), and a new subsection (3) is added to that section, to read:

296.11 Funds of home and disposition of moneys.—

(3) *All moneys received pursuant to s. 320.089 from the sale of Woman Veteran license plates shall be deposited into the Grants and Donations Trust Fund. All such moneys must be expended solely for the purpose of creating and implementing programs to benefit women veterans.*

Section 3. Subsection (2) of section 296.38, Florida Statutes, is amended to read:

296.38 Funds of home and disposition of moneys.—

(2)(a) The home shall be empowered to receive and accept gifts, grants, and endowments in the name of the home. All such gifts, grants, and endowments are to be used for the benefit of the home and its residents. The administrator, together with the director, shall have the authority to determine how these gifts, grants, and endowments could best benefit the home and its residents unless the benefactor requests or instructs that the gift, grant, or endowment be used for a specific purpose. The home shall deposit all moneys received pursuant to this subsection into the Grants and Donations Trust Fund. *Except as provided in paragraph (b), moneys in the Grants and Donations Trust Fund shall be expended for the common benefit of the residents of the home, such as recreational equipment, improved facilities, recreational supplies, and goods and services offered or available to all residents.*

(b) *All moneys received pursuant to s. 320.089 from the sale of Woman Veteran license plates shall be deposited into the Grants and Donations Trust Fund. All such moneys must be expended solely for the purpose of creating and implementing programs to benefit women veterans.*

Section 4. Paragraph (c) of subsection (1) of section 320.089, Florida Statutes, is amended to read:

320.089 Veterans of the United States Armed Forces; members of National Guard; survivors of Pearl Harbor; Purple Heart medal recipients; active or retired United States Armed Forces reservists; Combat Infantry Badge, Combat Medical Badge, or Combat Action Badge recipients; Combat Action Ribbon recipients; Air Force Combat Action Medal recipients; Distinguished Flying Cross recipients; former prisoners of war; Korean War Veterans; Vietnam War Veterans; Operation Desert Shield Veterans; Operation Desert Storm Veterans; Operation Enduring Freedom Veterans; Operation Iraqi Freedom Veterans; Women Veterans; World War II Veterans; and Navy Submariners; special license plates; fee.—

(1)

(c) Any revenue generated from the sale of Woman Veteran license plates must be deposited into the ~~Grants and Donations~~ ~~Operations and Maintenance~~ Trust Fund administered by the Department of Veterans' Affairs pursuant to s. 20.375(2) ~~20.375(3)~~ and must be used solely for the purpose of creating and implementing programs to benefit women veterans. Notwithstanding any provisions of law to the contrary, an applicant for a Pearl Harbor Survivor license plate or a Purple Heart license plate who also qualifies for a disabled veteran's license plate under s. 320.084 shall be issued the appropriate special license plate without payment of the license tax imposed by s. 320.08.

And the title is amended as follows:

Delete line 3126 and insert: a self-insurance fund; amending ss. 296.11 and 296.38, F.S.; requiring moneys received from the sale of Woman Veteran license plates to be used for certain purposes;

amending s. 320.089, F.S.; requiring that revenue generated from the sale of Woman Veteran license plates be deposited into the Grants and Donations Trust Fund, rather than the Operations and Maintenance Trust Fund; amending s. 311.12, F.S.;

Senator Simpson moved the following amendment to **Amendment 1 (691108)** which was adopted by two-thirds vote:

Amendment 1B (627276) (with title amendment)—Between lines 747 and 748 insert:

Section 8. Paragraph (b) of subsection (3) of section 316.515, Florida Statutes, is amended to read:

316.515 Maximum width, height, length.—

(3) LENGTH LIMITATION.—Except as otherwise provided in this section, length limitations apply solely to a semitrailer or trailer, and not to a truck tractor or to the overall length of a combination of vehicles. No combination of commercial motor vehicles coupled together and operating on the public roads may consist of more than one truck tractor and two trailing units. Unless otherwise specifically provided for in this section, a combination of vehicles not qualifying as commercial motor vehicles may consist of no more than two units coupled together; such nonqualifying combination of vehicles may not exceed a total length of 65 feet, inclusive of the load carried thereon, but exclusive of safety and energy conservation devices approved by the department for use on vehicles using public roads. Notwithstanding any other provision of this section, a truck tractor-semi-trailer combination engaged in the transportation of automobiles or boats may transport motor vehicles or boats on part of the power unit; and, except as may otherwise be mandated under federal law, an automobile or boat transporter semi-trailer may not exceed 50 feet in length, exclusive of the load; however, the load may extend up to an additional 6 feet beyond the rear of the trailer. The 50-foot length limitation does not apply to non-stinger-steered automobile or boat transporters that are 65 feet or less in overall length, exclusive of the load carried thereon, or to stinger-steered automobile or boat transporters that are 75 feet or less in overall length, exclusive of the load carried thereon. For purposes of this subsection, a “stinger-steered automobile or boat transporter” is an automobile or boat transporter configured as a semitrailer combination wherein the fifth wheel is located on a drop frame located behind and below the rearmost axle of the power unit. Notwithstanding paragraphs (a) and (b), any straight truck or truck tractor-semi-trailer combination engaged in the transportation of horticultural trees may allow the load to extend up to an additional 10 feet beyond the rear of the vehicle, provided said trees are resting against a retaining bar mounted above the truck bed so that the root balls of the trees rest on the floor and to the front of the truck bed and the tops of the trees extend up over and to the rear of the truck bed, and provided the overhanging portion of the load is covered with protective fabric.

(b) *Semitrailers.*—

1. A semitrailer operating in a truck tractor-semi-trailer combination may not exceed 48 feet in extreme overall outside dimension, measured from the front of the unit to the rear of the unit and the load carried thereon, exclusive of safety and energy conservation devices approved by the department for use on vehicles using public roads, unless it complies with subparagraph 2. A semitrailer which exceeds 48 feet in length and is used to transport divisible loads may operate in this state only if issued a permit under s. 316.550 and if such trailer meets the requirements of this chapter relating to vehicle equipment and safety. Except for highways on the tandem trailer truck highway network, public roads deemed unsafe for longer semitrailer vehicles or those roads on which such longer vehicles are determined not to be in the interest of public convenience shall, in conformance with s. 316.006, be restricted by the Department of Transportation or by the local authority to use by semitrailers not exceeding a length of 48 feet, inclusive of the load carried thereon but exclusive of safety and energy conservation devices approved by the department for use on vehicles using public roads. Truck tractor-semi-trailer combinations shall be afforded reasonable access to terminals; facilities for food, fuel, repairs, and rest; and points of loading and unloading.

2. A semitrailer which is more than 48 feet but not more than 57 ~~53~~ feet in extreme overall outside dimension, as measured pursuant to subparagraph 1., may operate on public roads, except roads on the State Highway System which are restricted by the Department of Transportation or other roads restricted by local authorities, if:

a. The distance between the kingpin or other peg that locks into the fifth wheel of a truck tractor and the center of the rear axle or rear group of axles does not exceed 41 feet, or, in the case of a semitrailer used exclusively or primarily to transport vehicles in connection with motorsports competition events, the distance does not exceed 46 feet from the kingpin to the center of the rear axles; and

b. It is equipped with a substantial rear-end underride protection device meeting the requirements of 49 C.F.R. s. 393.86, “Rear End Protection.”

And the title is amended as follows:

Delete line 3164 and insert: in vehicles; amending s. 316.515, F.S.; extending the allowable length of certain semitrailers authorized to operate on public roads under certain conditions; amending s. 316.640, F.S.; expanding the

Amendment 1D (886230) (with title amendment)—Between lines 14 and 15 insert:

Section 2. Subsection (2) of section 311.07, Florida Statutes, is amended to read:

311.07 Florida seaport transportation and economic development funding.—

(2) A minimum of ~~\$25~~ **\$15** million per year shall be made available from the State Transportation Trust Fund to fund the Florida Seaport Transportation and Economic Development Program. The Florida Seaport Transportation and Economic Development Council created in s. 311.09 shall develop guidelines for project funding. Council staff, the Department of Transportation, and the Department of Economic Opportunity shall work in cooperation to review projects and allocate funds in accordance with the schedule required for the Department of Transportation to include these projects in the tentative work program developed pursuant to s. 339.135(4).

Section 3. Subsection (9) of section 311.09, Florida Statutes, is amended to read:

311.09 Florida Seaport Transportation and Economic Development Council.—

(9) The Department of Transportation shall include *at least \$25* ~~no less than \$15~~ million per year in its annual legislative budget request for the Florida Seaport Transportation and Economic Development Program funded under s. 311.07. Such budget *must* ~~shall~~ include funding for projects approved by the council which have been determined by each agency to be consistent. The department shall include the specific approved Florida Seaport Transportation and Economic Development Program projects to be funded under s. 311.07 during the ensuing fiscal year in the tentative work program developed pursuant to s. 339.135(4). The total amount of funding to be allocated to Florida Seaport Transportation and Economic Development Program projects

under s. 311.07 during the successive 4 fiscal years shall also be included in the tentative work program developed pursuant to s. 339.135(4). The council may submit to the department a list of approved projects that could be made production-ready within the next 2 years. The list shall be submitted by the department as part of the needs and project list prepared pursuant to s. 339.135(2)(b). However, the department shall, upon written request of the Florida Seaport Transportation and Economic Development Council, submit work program amendments pursuant to s. 339.135(7) to the Governor within 10 days after the later of the date the request is received by the department or the effective date of the amendment, termination, or closure of the applicable funding agreement between the department and the affected seaport, as required to release the funds from the existing commitment. Notwithstanding s. 339.135(7)(c), any work program amendment to transfer prior year funds from one approved seaport project to another seaport project is subject to the procedures in s. 339.135(7)(d). Notwithstanding any provision of law to the contrary, the department may transfer unexpended budget between the seaport projects as identified in the approved work program amendments.

And the title is amended as follows:

Delete line 3126 and insert: a self-insurance fund; amending s. 311.07, F.S.; increasing the minimum amount that must be made available annually from the State Transportation Trust Fund to fund the Florida Seaport Transportation and Economic Development Program; amending s. 311.09, F.S.; increasing the amount per year the department must include in its annual legislative budget request for the Florida Seaport Transportation and Economic Development Program; amending s. 311.12, F.S.;

Amendment 1E (761354) (with title amendment)—Between lines 2470 and 2471 insert:

Section 55. Subsection (4) of section 320.02, Florida Statutes, is amended to read:

320.02 Registration required; application for registration; forms.—

(4) *Except as provided in ss. 775.21, 775.261, 943.0435, 944.607, and 985.4815, the owner of any motor vehicle registered in the state shall notify the department in writing of any change of address within 30 20 days of such change. The notification shall include the registration license plate number, the vehicle identification number (VIN) or title certificate number, year of vehicle make, and the owner's full name.*

Section 56. Paragraph (a) of subsection (3) of section 320.07, Florida Statutes, is amended to read:

320.07 Expiration of registration; renewal required; penalties.—

(3) The operation of any motor vehicle without having attached thereto a registration license plate and validation stickers, or the use of any mobile home without having attached thereto a mobile home sticker, for the current registration period shall subject the owner thereof, if he or she is present, or, if the owner is not present, the operator thereof to the following penalty provisions:

(a) Any person whose motor vehicle or mobile home registration has been expired for a period of 6 months or less commits a noncriminal traffic infraction, punishable as a nonmoving violation as provided in chapter 318. *However, a law enforcement officer may not issue a citation for a violation under this paragraph until midnight on the last day of the owner's birth month of the year the registration expires.*

Section 57. Subsection (9) of section 322.051, Florida Statutes, is amended to read:

322.051 Identification cards.—

(9) Notwithstanding any other provision of this section or s. 322.21 to the contrary, the department shall issue or renew a card at no charge to a person who presents evidence satisfactory to the department that he or she is homeless as defined in s. 414.0252(7), *to a juvenile offender who is in the custody or under the supervision of the Department of Juvenile Justice and receiving services pursuant to s. 985.461, to an inmate receiving a card issued pursuant to s. 944.605(7), or, if necessary, to an inmate receiving a replacement card if the department determines that he or she has a valid state identification card. If the*

replacement state identification card is scheduled to expire within 6 months, the department may also issue a temporary permit valid for at least 6 months after the release date. *The department's mobile issuing units shall process the identification cards for juvenile offenders and inmates at no charge, as provided by s. 944.605 (7)(a) and (b).*

Section 58. Subsections (1) and (2) of section 322.19, Florida Statutes, are amended to read:

322.19 Change of address or name.—

(1) *Except as provided in ss. 775.21, 775.261, 943.0435, 944.607, and 985.4815, whenever any person, after applying for or receiving a driver license or identification card, changes his or her legal name, that person must within 30 40 days thereafter obtain a replacement license or card that reflects the change.*

(2) *If a ~~Whenever any~~ person, after applying for or receiving a driver license or identification card, changes the legal residence or mailing address in the application, or license, or card, the person must, within 30 40 calendar days after making the change, obtain a replacement license or card that reflects the change. A written request to the department must include the old and new addresses and the driver license or identification card number. Any person who has a valid, current student identification card issued by an educational institution in this state is presumed not to have changed his or her legal residence or mailing address. This subsection does not affect any person required to register a permanent or temporary address change pursuant to s. 775.13, s. 775.21, s. 775.25, or s. 943.0435.*

Section 59. Paragraph (f) of subsection (1) of section 322.21, Florida Statutes, is amended to read:

322.21 License fees; procedure for handling and collecting fees.—

(1) Except as otherwise provided herein, the fee for:

(f) An original, renewal, or replacement identification card issued pursuant to s. 322.051 is \$25, except that an applicant who presents evidence satisfactory to the department that he or she is homeless as defined in s. 414.0252(7); ~~or~~ his or her annual income is at or below 100 percent of the federal poverty level; *or he or she is a juvenile offender who is in the custody or under the supervision of the Department of Juvenile Justice, is receiving services pursuant to s. 985.461, and whose identification card is issued by the department's mobile issuing units is exempt from such fee. Funds collected from fees for original, renewal, or replacement identification cards shall be distributed as follows:*

1. For an original identification card issued pursuant to s. 322.051, the fee shall be deposited into the General Revenue Fund.

2. For a renewal identification card issued pursuant to s. 322.051, \$6 shall be deposited into the Highway Safety Operating Trust Fund, and \$19 shall be deposited into the General Revenue Fund.

3. For a replacement identification card issued pursuant to s. 322.051, \$9 shall be deposited into the Highway Safety Operating Trust Fund, and \$16 shall be deposited into the General Revenue Fund. Beginning July 1, 2015, or upon completion of the transition of the driver license issuance services, if the replacement identification card is issued by the tax collector, the tax collector shall retain the \$9 that would otherwise be deposited into the Highway Safety Operating Trust Fund and the remaining revenues shall be deposited into the General Revenue Fund.

Section 60. Present subsections (2) and (3) of section 765.521, Florida Statutes, are redesignated as subsections (3) and (4), respectively, and a new subsection (2) is added to that section, to read:

765.521 Donations as part of driver license or identification card process.—

(2) *The department shall maintain an integrated link on its website referring a visitor renewing a driver license or conducting other business to the donor registry operated under s. 765.5155.*

And the title is amended as follows:

MESSAGES FROM THE HOUSE OF REPRESENTATIVES

The Honorable Andy Gardiner, President

I am directed to inform the Senate that the House of Representatives has passed CS/SB 184, with 3 amendments, and requests the concurrence of the Senate.

Bob Ward, Clerk

CS for SB 184—A bill to be entitled An act relating to military and veterans affairs; amending s. 322.08, F.S.; requiring the application form for an original, renewal, or replacement driver license or identification card to include a voluntary checkoff authorizing veterans to request written or electronic information on federal, state, and local benefits and services for veterans; requiring the requested information to be delivered by a third-party provider; requiring the Department of Highway Safety and Motor Vehicles to report monthly to the Department of Veterans' Affairs the names and mailing or e-mail addresses of veterans who request information; requiring the Department of Veterans' Affairs to disseminate veteran contact information to the third-party provider; requiring that the third-party provider be a nonprofit organization; defining the term "nonprofit organization"; requiring that the Department of Veterans' Affairs provide veteran contact information to the appropriate county or city veteran service officer; specifying that a third-party provider may use veteran contact information only as authorized; prohibiting a third-party provider from selling veteran contact information; requiring a third-party provider to maintain con-

fidentiality of veteran contact information under specified provisions; providing a penalty; creating the Military and Overseas Voting Assistance Task Force within the Department of State; specifying membership of the task force; authorizing reimbursement for per diem and travel expenses; prescribing duties of the task force; requiring submission of a report to the Governor and the Legislature by a specified date; providing for expiration of the task force; providing for staffing; providing legislative findings and intent regarding continuing education for veterans of the United States Armed Forces; providing legislative intent to require collaboration between the State Board of Education and the Board of Governors of the State University System in achieving specified goals regarding educational opportunities for veterans; providing an effective date.

House Amendment 1 (980175) (with title amendment)—Between lines 45 and 46, insert:

Section 1. Section 83.683, Florida Statutes, is created to read:

83.683 Rental application by a servicemember.—

(1) *If a landlord requires a prospective tenant to complete a rental application before residing in a rental unit, the landlord must complete processing of a rental application submitted by a prospective tenant who is a servicemember, as defined in s. 250.01, within 7 days after submission and must, within that 7-day period, notify the servicemember in writing of an application approval or denial and, if denied, the reason for denial. Absent a timely denial of the rental application, the landlord must lease the rental unit to the servicemember if all other terms of the application and lease are complied with.*

(2) *If a condominium association, as defined in chapter 718, a cooperative association, as defined in chapter 719, or a homeowners' association, as defined in chapter 720, requires a prospective tenant of a condominium unit, cooperative unit, or parcel within the association's control to complete a rental application before residing in a rental unit or parcel, the association must complete processing of a rental application submitted by a prospective tenant who is a servicemember, as defined in s. 250.01, within 7 days after submission and must, within that 7-day period, notify the servicemember in writing of an application approval or denial and, if denied, the reason for denial. Absent a timely denial of the rental application, the association must allow the unit or parcel owner to lease the rental unit or parcel to the servicemember and the landlord must lease the rental unit or parcel to the servicemember if all other terms of the application and lease are complied with.*

(3) *The provisions of this section may not be waived or modified by the agreement of the parties under any circumstances.*

And the title is amended as follows:

Between lines 2 and 3, insert: creating s. 83.683, F.S.; requiring a landlord, a condominium association, a cooperative association, or a homeowners' association to complete the processing of a rental application submitted by a servicemember within a specified timeframe; providing applicability;

House Amendment 2 (908953) (with title amendment)—Between lines 92 and 93, insert:

Section 2. Subsection (4) of section 265.003, Florida Statutes, is amended to read:

265.003 Florida Veterans' Hall of Fame.—

(4)(a) *The Florida Veterans' Hall of Fame Council shall annually accept nominations of persons to be considered for induction into the Florida Veterans' Hall of Fame and shall transmit a list of up to 20 nominees to the Department of Veterans' Affairs for submission to the Governor and the Cabinet who will select the nominees to be inducted.*

(b) *In selecting its nominees for submission to the Governor and the Cabinet, the Florida Veterans' Hall of Fame council shall give preference to veterans who were born in Florida or adopted Florida as their home state or base of operation and who have made a significant contribution to the state in civic, business, public service, or other pursuits.*

(c) For purposes of this section, the term “veteran” or “military veteran” means a person who meets the definition of the term in s. 1.01(14) or a former member of the Florida National Guard.

Section 3. Section 489.1131, Florida Statutes, is created to read:

489.1131 Credit for relevant military training and education.-

(1) The department shall provide a method by which honorably discharged veterans may apply for licensure. The method must include a veteran-specific application and provide:

(a) To the fullest extent possible, credit toward the requirements for licensure for military experience, training, and education received and completed during service in the United States Armed Forces if the military experience, training, or education is substantially similar to the experience, training, or education required for licensure.

(b) Acceptance of up to 3 years of active duty service in the United States Armed Forces, regardless of duty or training, to meet the experience requirements of s. 489.111(2)(c). At least 1 additional year of active experience as a foreman in the trade, either civilian or military, is required to fulfill the experience requirement of s. 489.111(2)(c).

The board may adopt rules pursuant to s. 120.536(1) and s. 120.54 to implement this subsection.

(2) Notwithstanding any other provision of law, beginning October 1, 2017, and annually thereafter, the department, in conjunction with the board, is directed to prepare and submit a report titled “Construction and Electrical Contracting Veteran Applicant Statistics” to the Governor, the President of the Senate, and the Speaker of the House of Representatives. The report must include statistics and information relating to this section and s. 489.5161 which detail:

- (a) The number of applicants who identified themselves as veterans.
- (b) The number of veterans whose application for a license was approved.

Section 6. Section 493.61035, Florida Statutes, is created to read:

493.61035 Credit for relevant military training and education.—

(1) The department shall provide a method by which honorably discharged veterans may apply for licensure. The method must include:

(a) To the fullest extent possible, credit toward the requirements for licensure for military training and education received and completed during service in the United States Armed Forces if the military training or education is substantially similar to the training or education required for licensure.

(b) Identification of overlaps and gaps between the requirements for licensure and the military training or education received and completed by the veteran, and subsequent notification to the veteran of the overlaps and gaps.

(c) Assistance in identifying programs that offer training and education needed to meet the requirements for licensure.

(2) Notwithstanding any other provision of law, beginning October 1, 2017, and annually thereafter, the department is directed to prepare and submit a report to the Governor, the President of the Senate, and the Speaker of the House of Representatives. In addition to any other information that the Legislature may require, the report must include statistics and relevant information which detail:

- (a) *The number of applicants who identified themselves as veterans.*
- (b) *The number of veterans whose application for a license was approved.*
- (c) *The number of veterans whose application for a license was denied, including the reasons for denial.*
- (d) *Data on the application processing times for veterans.*
- (e) *The department's efforts to assist veterans in identifying programs that offer training and education needed to meet the requirements for licensure.*
- (f) *The department's identification of the most common overlaps and gaps between the requirements for licensure and the military training and education received and completed by the veterans.*

(g) *Recommendations on ways to improve the department's ability to meet the needs of veterans which would effectively address the challenges that veterans face when separating from military service and seeking a license for a profession or occupation regulated by the department pursuant to chapter 493.*

Section 7. (1) *The Department of Highway Safety and Motor Vehicles and the Department of Military Affairs shall jointly conduct a pilot program to provide onsite commercial motor vehicle driver license testing opportunities to qualified members of the Florida National Guard pursuant to the Department of Highway Safety and Motor Vehicles commercial motor vehicle driver license skills test waiver under s. 322.12, Florida Statutes. Testing must be held at a Florida National Guard Armory, a Florida United States Armed Forces Reserve Center, or the Camp Blanding Joint Training Center. The pilot program shall be accomplished using existing funds appropriated to each department.*

(2) *By June 30, 2017, the Department of Highway Safety and Motor Vehicles and the Department of Military Affairs shall jointly submit a report on the results of the pilot program to the President of the Senate and the Speaker of the House of Representatives.*

(3) *This section is repealed October 1, 2017, and shall not be codified in the Florida Statutes.*

And the title is amended as follows:

Remove line 27 and insert: provisions; providing a penalty; amending s. 265.003, F.S.; defining the term "veteran" or "military veteran" for purposes of determining persons the Florida Veterans' Hall of Fame Council may consider as nominees for the Florida Veterans' Hall of Fame; creating s. 489.1131, F.S.; directing the Department of Business and Professional Regulation to provide a method by which honorably discharged veterans may apply for construction contracting licensure; authorizing the Construction Industry Licensing Board to adopt rules; directing the department, in conjunction with the board, to annually prepare and submit a specified report to the Governor and Legislature; amending s. 489.511, F.S.; revising eligibility criteria for taking the electrical or alarm system contractor certification examination; creating s. 489.5161, F.S.; directing the Department of Business and Professional Regulation to provide a method by which honorably discharged veterans may apply for electrical or alarm system contracting licensure; authorizing the Electrical Contractors' Licensing Board to adopt rules; directing the department, in conjunction with the board, to annually prepare and submit a specified report to the Governor and Legislature; creating s. 493.61035, F.S.; directing the Department of Agriculture and Consumer Services to provide a method by which honorably discharged veterans may apply for private investigative, private security, and repossession services licensure; authorizing the department to adopt rules; directing the department to annually prepare and submit a specified report to the Governor and Legislature; directing the Department of Highway Safety and Motor Vehicles and the Department of Military Affairs to conduct a commercial motor vehicle driver license testing pilot program; specifying testing locations and funding; requiring the departments to submit a report to the Legislature by a specified date; providing for repeal of the program; creating the Military

(8) "Airport protection zoning regulations" means airport zoning regulations governing airport hazards.

(9) "Department" means the Department of Transportation.

(10) "Educational facility" means any structure, land, or use thereof that includes a public or private K-12 school, charter school, magnet school, college campus, or university campus. The term does not include space used for educational purposes within a multi-tenant building.

(11) "Landfill" has the same meaning as provided in s. 403.703.

(12)(7) "Obstruction" means any object of natural growth or terrain, or permanent or temporary construction or alteration, including equipment or materials used and any permanent or temporary apparatus, or alteration of any permanent or temporary existing structure by a change in its height, including appurtenances, or lateral dimensions, including equipment or material used therein, existing or proposed, which exceeds manmade object or object of natural growth or terrain that violates the federal obstruction standards contained in 14 C.F.R. part 77, subpart C ss. 77.21, 77.23, 77.25, 77.28, and 77.29.

(13)(8) "Person" means any individual, firm, copartnership, corporation, company, association, joint-stock association, or body politic, and includes any trustee, receiver, assignee, or other similar representative thereof.

(14)(9) "Political subdivision" means the local government of any county, city, town, village, or other subdivision or agency thereof, or any district or special district, port commission, port authority, or other such agency authorized to establish or operate airports in the state.

(15) "Public-use airport" means an airport, publicly or privately owned, licensed by the state, which is open for use by the public.

(16)(10) "Runway protection clear zone" means an area at ground level beyond the runway end to enhance the safety and protection of people and property on the ground a runway clear zone as defined in 14 C.F.R. s. 151.9(b).

(17)(11) "Structure" means any object, constructed, erected, altered, or installed by humans, including, but without limitation thereof, buildings, towers, smokestacks, utility poles, power generation equipment, and overhead transmission lines.

(18) "Substantial modification" means any repair, reconstruction, rehabilitation, or improvement of a structure the actual cost of which equals or exceeds 50 percent of the market value of the structure.

(12) "Tree" includes any plant of the vegetable kingdom.

Section 2. Section 333.025, Florida Statutes, is amended to read:

333.025 Permit required for obstructions structures exceeding federal obstruction standards.—

(1) A person proposing the construction or alteration of an obstruction shall obtain a permit from the department in order to prevent the erection of structures dangerous to air navigation, subject to the provisions of subsections (2), (3), and (4), each person shall secure from the Department of Transportation a permit for the erection, alteration, or modification of any structure the result of which would exceed the federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29. However, permits from the department are of Transportation will be required only within an airport hazard area where federal obstruction standards are exceeded and if the proposed construction or alteration is within a 10-nautical-mile radius of the airport reference point, located at the approximate geometric geo-

graphical center of all usable runways of a public-use airport or a publicly owned or operated airport, a military airport, or an airport licensed by the state for public use.

(2) Existing, planned, and proposed Affected airports will be considered as having those facilities on public-use airports contained in an which are shown on the airport master plan, on or an airport layout plan submitted to the Federal Aviation Administration Airport District Office, or in comparable military documents shall, and will be so protected from airport hazards. Planned or proposed public-use airports which are the subject of a notice or proposal submitted to the Federal Aviation Administration or to the Department of Transportation shall also be protected.

(3) A permit is not required for existing structures that requirements of subsection (1) shall not apply to projects which received construction permits from the Federal Communications Commission for structures exceeding federal obstruction standards before prior to May 20, 1975, and a permit is not required for provided such structures now exist; nor shall it apply to previously approved structures now existing, or any necessary replacement or repairs to such existing structures provided, so long as the height and location are is unchanged.

(4) When political subdivisions have, in compliance with this chapter, adopted adequate airport airspace protection zoning regulations, placed in compliance with s. 333.03, and such regulations are on file with the department's Aviation and Spaceports Office Department of Transportation, and established a permitting process, a permit for such structure is shall not be required from the department of Transportation. Upon receipt of a complete permit application, the local government shall provide a copy of the application to the department's Aviation and Spaceports Office by certified mail, return receipt requested, or by delivery service that provides a receipt evidencing delivery. To evaluate technical consistency with this subsection, the department has a 15-day review period following receipt of the application, which runs concurrently with the local government permitting process. Cranes, construction equipment, and other temporary structures in use or in place for a period not to exceed 18 consecutive months are exempt from department review unless such review is requested by the department.

(5) The department of Transportation shall, within 30 days after of the receipt of an application for a permit, issue or deny a permit for the construction or erection, alteration, or modification of an obstruction. The department shall review permit applications in conformity with s. 120.60 any structure the result of which would exceed federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29.

(6) In determining whether to issue or deny a permit, the department shall consider:

(a) The safety of persons on the ground and in the air.

(b) The safe and efficient use of navigable airspace.

(c)(a) The nature of the terrain and height of existing structures.

(d) The effect of the construction or alteration of an obstruction on the state licensing standards for a public-use airport contained in chapter 330 and rules adopted thereunder.

(b) Public and private interests and investments.

(e)(c) The character of existing and planned flight flying operations and planned developments at public-use of airports.

(f)(d) Federal airways, visual flight rules, flyways and corridors, and instrument approaches as designated by the Federal Aviation Administration.

(g)(e) The effect of Whether the construction or alteration of an obstruction on of the proposed structure would cause an increase in the minimum descent altitude or the decision height at the affected airport.

(f) Technological advances.

(g) The safety of persons on the ground and in the air.

(h) Land use density.

~~(i) The safe and efficient use of navigable airspace.~~

~~(h)(4) The cumulative effects on navigable airspace of all existing obstructions structures, proposed structures identified in the applicable jurisdictions' comprehensive plans, and all other known proposed obstructions structures in the area.~~

~~(7) When issuing a permit under this section, the department of Transportation shall, as a specific condition of such permit, require the owner of the obstruction to install, operate, and maintain thereon, at the owner's expense, marking and lighting in conformance with the specific standards established by the Federal Aviation Administration of the permitted structure as provided in s. 333.07(3)(b).~~

~~(8) The department may of Transportation shall not approve a permit for the construction or alteration of an obstruction erection of a structure unless the applicant submits both documentation showing compliance with the federal requirement for notification of proposed construction or alteration and a valid aeronautical study. A evaluation, and no permit may not shall be approved solely because the Federal Aviation Administration determines that the proposed obstruction is not an airport hazard on the basis that such proposed structure will not exceed federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, or 77.29, or any other federal aviation regulation.~~

~~(9) The denial of a permit under this section is subject to administrative review under chapter 120.~~

Section 3. Section 333.03, Florida Statutes, is amended to read:

333.03 ~~Power to adopt~~ Airport protection zoning regulations.—

~~(1)(a) In order to prevent the creation or establishment of airport hazards, Every political subdivision having an airport hazard area within its territorial limits shall, by October 1, 1977, adopt, administer, and enforce, under the police power and in the manner and upon the conditions hereinafter prescribed in this section, airport protection zoning regulations for such airport hazard area.~~

~~(b) When Where an airport is owned or controlled by a political subdivision and any other political subdivision has land upon which an obstruction may be constructed or altered, which land underlies any of the surfaces of the airport described in 14 C.F.R. part 77, subpart C, the political subdivisions airport hazard area appertaining to such airport is located wholly or partly outside the territorial limits of said political subdivision, the political subdivision owning or controlling the airport and the political subdivision within which the airport hazard area is located, shall either:~~

~~1. By interlocal agreement, in accordance with the provisions of chapter 163, adopt, administer, and enforce a set of airport protection zoning regulations applicable to the airport hazard area in question; or~~

~~2. By ordinance, regulation, or resolution duly adopted, create a joint airport protection zoning board that, which board shall have the same power to adopt, administer, and enforce a set of airport protection zoning regulations applicable to the airport hazard area in question as that vested in paragraph (a) in the political subdivision within which such area is located. The Each such joint airport protection zoning board shall have as voting members two representatives appointed by each participating political subdivision participating in its creation and in addition a chair elected by a majority of the members so appointed. However, The airport manager or a representative of each airport in managers of the participating affected political subdivisions shall serve on the board in a nonvoting capacity.~~

~~(c) Airport protection zoning regulations adopted under paragraph (a) shall, at as a minimum, require:~~

~~1. A permit variance for the construction or erection, alteration, or modification of any obstruction structure which would cause the structure to exceed the federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29;~~

~~2. Obstruction Marking and lighting for obstructions structures as specified in s. 333.07(2);~~

~~3. Documentation showing compliance with the federal requirement for notification of proposed construction or alteration of structures and a~~

~~valid aeronautical study evaluation submitted by each person applying for a permit variance;~~

~~4. Consideration of the criteria in s. 333.025(6), when determining whether to issue or deny a permit variance; and~~

~~5. That a permit may not no variance shall be approved solely because the Federal Aviation Administration determines that the proposed obstruction is not an airport hazard on the basis that such proposed structure will not exceed federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, or 77.29, or any other federal aviation regulation.~~

~~(d) The department shall be available to provide assistance to political subdivisions with regard to issue copies of the federal obstruction standards as contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29 to each political subdivision having airport hazard areas and, in cooperation with political subdivisions, shall issue appropriate airport zoning maps depicting within each county the maximum allowable height of any structure or tree. Material distributed pursuant to this subsection shall be at no cost to authorized recipients.~~

~~(2) In the manner provided in subsection (1), political subdivisions shall adopt, administer, and enforce interim airport land use compatibility zoning regulations shall be adopted. Airport land use compatibility zoning regulations shall, at a minimum, address When political subdivisions have adopted land development regulations in accordance with the provisions of chapter 163 which address the use of land in the manner consistent with the provisions herein, adoption of airport land use compatibility regulations pursuant to this subsection shall not be required. Interim airport land use compatibility zoning regulations shall consider the following:~~

~~(a) Prohibiting any new landfills and restricting any existing Whether sanitary landfills are located within the following areas:~~

~~1. Within 10,000 feet from the nearest point of any runway used or planned to be used by turbine turbojet or turboprop aircraft.~~

~~2. Within 5,000 feet from the nearest point of any runway used only by nonturbine piston type aircraft.~~

~~3. Outside the perimeters defined in subparagraphs 1. and 2., but still within the lateral limits of the civil airport imaginary surfaces defined in 14 C.F.R. s. 77.19 part 77.25. Case-by-case review of such landfills is advised.~~

~~(b) Where Whether any landfill is located and constructed so that it attracts or sustains hazardous bird movements from feeding, water, or roosting areas into, or across, the runways or approach and departure patterns of aircraft. The operator of such a landfill must be required to political subdivision shall request from the airport authority or other governing body operating the airport a report on such bird feeding or roosting areas that at the time of the request are known to the airport. In preparing its report, the authority, or other governing body, shall consider whether the landfill will incorporate bird management techniques or other practices to minimize bird hazards to airborne aircraft. The airport authority or other governing body shall respond to the political subdivision no later than 30 days after receipt of such request.~~

~~(c) Where an airport authority or other governing body operating a publicly owned, public-use airport has conducted a noise study in accordance with the provisions of 14 C.F.R. part 150 or where a public-use airport owner has established noise contours pursuant to another public study approved by the Federal Aviation Administration. Noncompatible land uses, as established in the noise study under Appendix A to 14 C.F.R. part 150 or as a part of an alternative public study approved by the Federal Aviation Administration, are not permitted within the noise contours established by such study, except where such land use is specifically contemplated by such study with appropriate mitigation or similar techniques described in the study, neither residential construction nor any educational facility as defined in chapter 1013, with the exception of aviation school facilities, shall be permitted within the area contiguous to the airport defined by an outer noise contour that is considered incompatible with that type of construction by 14 C.F.R. part 150, Appendix A or an equivalent noise level as established by other types of noise studies.~~

(d) Where an airport authority or other governing body operating a ~~publicly owned~~, public-use airport has not conducted a noise study, ~~neither Residential construction and nor any educational facility as defined in chapter 1013, with the exception of an aviation school facility facilities, are not shall be permitted within an area contiguous to the airport measuring one-half the length of the longest runway on either side of and at the end of each runway centerline.~~

~~(e)(3) Restricting In the manner provided in subsection (1), airport zoning regulations shall be adopted which restrict new incompatible uses, activities, or substantial modifications to existing incompatible uses construction within runway protection clear zones, including uses, activities, or construction in runway clear zones which are incompatible with normal airport operations or endanger public health, safety, and welfare by resulting in congregations of people, emissions of light or smoke, or attraction of birds. Such regulations shall prohibit the construction of an educational facility of a public or private school at either end of a runway of a publicly owned, public use airport within an area which extends 5 miles in a direct line along the centerline of the runway, and which has a width measuring one half the length of the runway. Exceptions approving construction of an educational facility within the delineated area shall only be granted when the political subdivision administering the zoning regulations makes specific findings detailing how the public policy reasons for allowing the construction outweigh health and safety concerns prohibiting such a location.~~

~~(4) The procedures outlined in subsections (1), (2), and (3) for the adoption of such regulations are supplemental to any existing procedures utilized by political subdivisions in the adoption of such regulations.~~

~~(3)(5) Political subdivisions shall provide The Department of Transportation shall provide technical assistance to any political subdivision requesting assistance in the preparation of an airport zoning code: a copy of all local airport protection zoning codes, rules, and regulations and airport land use compatibility zoning regulations, together with any related amendments, to the department's Aviation and Spaceports Office within 30 days after adoption, and amendments and proposed and granted variances thereto, shall be filed with the department.~~

~~(4)(6) Nothing in Subsection (2) does not or subsection (3) shall be construed to require the removal, alteration, sound conditioning, or other change to, or to interfere with the continued use or adjacent expansion of, any educational facility structure or site in existence on July 1, 1993, or be construed to prohibit the construction of any new structure for which a site has been determined as provided in former s. 235.10, as of July 1, 1993.~~

~~(5) This section does not preclude an airport authority, political subdivision or its administrative agency, or other governing body operating a public-use airport from establishing airport zoning regulations more restrictive than prescribed in this section in order to protect the health, safety, and welfare of the public in the air and on the ground.~~

Section 4. Section 333.04, Florida Statutes, is amended to read:

333.04 Comprehensive plans or policies ~~zoning regulations~~; most stringent zoning regulations to prevail where conflicts occur.—

(1) INCORPORATION.—~~If In the event that a political subdivision has adopted, or hereafter adopts, a comprehensive plan or policy that regulates zoning ordinance regulating, among other things, the height of buildings, structures, and natural objects, and uses of property, any airport zoning regulations applicable to the same area or portion thereof may be incorporated in and made a part of such comprehensive plan or policy zoning regulations, and be administered and enforced in connection therewith.~~

(2) CONFLICT.—~~If there is a In the event of conflict between any airport zoning regulations adopted under this chapter and any other regulations applicable to the same area, whether the conflict be with respect to the height of structures or vegetation trees, the use of land, or any other matter, and whether such regulations were adopted by the political subdivision that which adopted the airport zoning regulations or by some other political subdivision, the more stringent limitation or requirement shall govern and prevail.~~

Section 5. Section 333.05, Florida Statutes, is amended to read:

333.05 Procedure for adoption of zoning regulations.—

(1) NOTICE AND HEARING.—~~No Airport zoning regulations may not shall be adopted, amended, or repealed changed under this chapter except by action of the legislative body of the political subdivision or affected subdivisions in question, or the joint board provided for in s. 333.03(1)(b)2. 333.03(1)(b) by the bodies therein provided and set forth, after a public hearing on the adoption, amendment, or repeal in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. Notice of the hearing shall be published at least once a week for 2 consecutive weeks in a newspaper an official paper, or a paper of general circulation, in the political subdivision or subdivisions where in which are located the airport zoning regulations are areas to be adopted, amended, or deleted zoned.~~

(2) AIRPORT ZONING COMMISSION.—~~Before Prior to the initial zoning of any airport area under this chapter, the political subdivision or joint airport zoning board that which is to adopt, administer, and enforce the regulations shall appoint a commission, to be known as the airport zoning commission, to recommend the boundaries of the various zones to be established and the regulations to be adopted therefor. The Such commission shall make a preliminary report and hold public hearings on the preliminary report thereon before submitting its final report, and The legislative body of the political subdivision or the joint airport zoning board may shall not hold its public hearings or take any action until it has received the final report of the such commission, and at least 15 days have elapsed shall elapse between the receipt of the final report of the commission and the hearing to be held by the legislative body or the latter board. Where a planning city plan commission, airport commission, or comprehensive zoning commission already exists, it may be appointed as the airport zoning commission.~~

Section 6. Section 333.06, Florida Statutes, is amended to read:

333.06 Airport zoning regulation requirements.—

(1) REASONABLENESS.—All airport zoning regulations adopted under this chapter shall be reasonable and ~~none shall not~~ impose any requirement or restriction that which is not reasonably necessary to effectuate the purposes of this chapter. In determining what regulations it may adopt, each political subdivision and joint airport zoning board shall consider, among other things, the character of the flying operations expected to be conducted at the airport, the nature of the terrain within the airport hazard area and runway protection clear zones, the character of the neighborhood, the uses to which the property to be zoned is put and adaptable, and the impact of any new use, activity, or construction on the airport's operating capability and capacity.

(2) INDEPENDENT JUSTIFICATION.—The purpose of all airport zoning regulations adopted under this chapter is to provide both airspace protection and land uses use compatible with airport operations. Each aspect of this purpose requires independent justification in order to promote the public interest in safety, health, and general welfare. Specifically, construction in a runway protection clear zone which does not exceed airspace height restrictions is not *conclusive evidence per se* that such use, activity, or construction is compatible with airport operations.

(3) NONCONFORMING USES.—~~No Airport protection zoning regulations adopted under this chapter may not shall require the removal, lowering, or other change or alteration of any obstruction structure or tree not conforming to the regulations when adopted or amended, or otherwise interfere with the continuance of any nonconforming use, except as provided in s. 333.07(1) and (3).~~

(4) ADOPTION OF AIRPORT MASTER PLAN AND NOTICE TO AFFECTED LOCAL GOVERNMENTS.—An airport master plan shall be prepared by each public-use publicly owned and operated airport licensed by the department of Transportation under chapter 330. The authorized entity having responsibility for governing the operation of the airport, when either requesting from or submitting to a state or federal governmental agency with funding or approval jurisdiction a "finding of no significant impact," an environmental assessment, a site-selection study, an airport master plan, or any amendment to an airport master plan, shall submit simultaneously a copy of said request, submittal, assessment, study, plan, or amendments by certified mail to all

affected local governments. For the purposes of this subsection, "affected local government" means ~~is defined as~~ any city or county having jurisdiction over the airport and any city or county located within 2 miles of the boundaries of the land subject to the airport master plan.

Section 7. Section 333.07, Florida Statutes, is amended to read:

333.07 *Local government permitting of airspace obstructions* ~~Permits and variances.~~—

(1) PERMITS.—

(a) ~~A person proposing to construct, alter, or allow an airport obstruction in an airport hazard area in violation of the airport protection zoning regulations adopted under this chapter shall apply for a permit. Any airport zoning regulations adopted under this chapter may require that a permit be obtained before any new structure or use may be constructed or established and before any existing use or structure may be substantially changed or substantially altered or repaired. In any event, however, all such regulations shall provide that before any nonconforming structure or tree may be replaced, substantially altered or repaired, rebuilt, allowed to grow higher, or replanted, a permit must be secured from the administrative agency authorized to administer and enforce the regulations, authorizing such replacement, change, or repair. No permit may not shall be issued granted that would allow the establishment or creation of an airport hazard or that would permit a nonconforming obstruction structure or tree or nonconforming use to be made or become higher or to become a greater hazard to air navigation than it was when the applicable airport protection zoning regulation was adopted that allowed the establishment or creation of the obstruction or than it is when the application for a permit is made.~~

(b) ~~Whenever the political subdivision or its administrative agency determines that a nonconforming obstruction use or nonconforming structure or tree has been abandoned or that is more than 80 percent of the obstruction is torn down, destroyed, deteriorated, or decayed, a no permit may not shall be granted that would allow the obstruction said structure or tree to exceed the applicable height limit or otherwise deviate from the airport protection zoning regulations.; and, Regardless of whether an application is made for a permit under this subsection or not, the said agency may by appropriate action, compel the owner of the nonconforming obstruction may be required structure or tree, at his or her own expense, to lower, remove, reconstruct, alter, or equip such obstruction object as may be necessary to conform to the current airport protection zoning regulations. If the owner of the nonconforming obstruction fails or refuses structure or tree shall neglect or refuse to comply with such requirement within order for 10 days after notice thereof, the administrative said agency may report the violation to the political subdivision involved therein, which subdivision, through its appropriate agency, may proceed to have the obstruction object so lowered, removed, reconstructed, altered, or equipped; and assess the cost and expense thereof upon the owner of the obstruction object or the land whereon it is or was located; and, unless such an assessment is paid within 90 days from the service of notice thereof on the owner or the owner's agent, of such object or land, the sum shall be a lien on said land, and shall bear interest thereafter at the rate of 6 percent per annum until paid, and shall be collected in the same manner as taxes on real property are collected by said political subdivision, or, at the option of said political subdivision, said lien may be enforced in the manner provided for enforcement of liens by chapter 85.~~

(c) ~~Except as provided herein, applications for permits shall be granted, provided the matter applied for meets the provisions of this chapter and the regulations adopted and in force hereunder.~~

(2) *CONSIDERATIONS WHEN ISSUING OR DENYING PERMITS.*—*In determining whether to issue or deny a permit, the political subdivision or its administrative agency shall consider the following, as applicable:*

- (a) *The safety of persons on the ground and in the air.*
- (b) *The safe and efficient use of navigable airspace.*
- (c) *The nature of the terrain and height of existing structures.*

(d) *The effect of the construction or alteration on the state licensing standards for a public-use airport contained in chapter 330 and rules adopted thereunder.*

(e) *The character of existing and planned flight operations and developments at public-use airports.*

(f) *Federal airways, visual flight rules, flyways and corridors, and instrument approaches as designated by the Federal Aviation Administration.*

(g) *The effect of the construction or alteration of the proposed structure on the minimum descent altitude or the decision height at the affected airport.*

(h) *The cumulative effects on navigable airspace of all existing structures and all other known proposed structures in the area.*

(i) *Additional requirements adopted by the political subdivision or administrative agency pertinent to evaluation and protection of airspace and airport operations.*

(2) ~~VARIANCES.~~—

(a) ~~Any person desiring to erect any structure, increase the height of any structure, permit the growth of any tree, or otherwise use his or her property in violation of the airport zoning regulations adopted under this chapter or any land development regulation adopted pursuant to the provisions of chapter 163 pertaining to airport land use compatibility, may apply to the board of adjustment for a variance from the zoning regulations in question. At the time of filing the application, the applicant shall forward to the department by certified mail, return receipt requested, a copy of the application. The department shall have 45 days from receipt of the application to comment and to provide its comments or waiver of that right to the applicant and the board of adjustment. The department shall include its explanation for any objections stated in its comments. If the department fails to provide its comments within 45 days of receipt of the application, its right to comment is waived. The board of adjustment may proceed with its consideration of the application only upon the receipt of the department's comments or waiver of that right as demonstrated by the filing of a copy of the return receipt with the board. Noncompliance with this section shall be grounds to appeal pursuant to s. 333.08 and to apply for judicial relief pursuant to s. 333.11. Such variances may only be allowed where a literal application or enforcement of the regulations would result in practical difficulty or unnecessary hardship and where the relief granted would not be contrary to the public interest but would do substantial justice and be in accordance with the spirit of the regulations and this chapter. However, any variance may be allowed subject to any reasonable conditions that the board of adjustment may deem necessary to effectuate the purposes of this chapter.~~

(b) ~~The Department of Transportation shall have the authority to appeal any variance granted under this chapter pursuant to s. 333.08, and to apply for judicial relief pursuant to s. 333.11.~~

(3) *OBSTRUCTION MARKING AND LIGHTING.*—

(a) ~~When issuing a In granting any permit or variance under this section, the political subdivision or its administrative agency or board of adjustment shall require the owner of the obstruction structure or tree in question to install, operate, and maintain thereon, at the owner's his or her own expense, such marking and lighting in conformance with the specific standards established by the Federal Aviation Administration as may be necessary to indicate to aircraft pilots the presence of an obstruction.~~

(b) ~~Such marking and lighting shall conform to the specific standards established by rule by the Department of Transportation.~~

(c) ~~Existing structures not in compliance on October 1, 1988, shall be required to comply whenever the existing marking requires refurbishment, whenever the existing lighting requires replacement, or within 5 years of October 1, 1988, whichever occurs first.~~

Section 8. Section 333.09, Florida Statutes, is amended to read:

333.09 *Administration of airport zoning regulations.*—

(1) *ADMINISTRATION.*—All airport zoning regulations adopted under this chapter shall provide for the administration and enforcement of such regulations by *the political subdivision or its an administrative agency which may be an agency created by such regulations or any official, board, or other existing agency of the political subdivision adopting the regulations or of one of the political subdivisions which participated in the creation of the joint airport zoning board adopting the regulations, if satisfactory to that political subdivision, but in no case shall such administrative agency be or include any member of the board of adjustment.* The duties of *an any administrative agency designated pursuant to this chapter shall include that of hearing and deciding all permits under s. 333.07 333.07(1), deciding all matters under s. 333.07(3), as they pertain to such agency, and all other matters under this chapter applying to such said agency, but such agency shall not have or exercise any of the powers herein delegated to the board of adjustment.*

(2) *LOCAL GOVERNMENT PROCESS.*—

(a) *A political subdivision required to adopt airport zoning regulations under this chapter shall provide a process to:*

1. *Issue or deny permits consistent with s. 333.07.*
2. *Provide the department with a copy of a complete application consistent with s. 333.025(4).*
3. *Enforce the issuance or denial of a permit or other determination made by the administrative agency with respect to airport zoning regulations.*

(b) *If a zoning board or permitting body already exists within a political subdivision, the zoning board or permitting body may implement the airport zoning regulation permitting and appeals processes.*

(3) *APPEALS.*—

(a) *A person, a political subdivision or its administrative agency, or a joint airport zoning board that contends that a decision made by a political subdivision or its administrative agency is an improper application of airport zoning regulations may use the process established for an appeal.*

(b) *All appeals taken under this section must be taken within a reasonable time, as provided by the political subdivision or its administrative agency, by filing with the entity from which appeal is taken a notice of appeal specifying the grounds for appeal.*

(c) *An appeal shall stay all proceedings in the underlying action appealed from, unless the entity from which the appeal is taken certifies, pursuant to the rules for appeal, that by reason of the facts stated in the certificate a stay would, in its opinion, cause imminent peril to life or property. In such cases, proceedings shall not be stayed except by order of the political subdivision or its administrative agency on notice to the entity from which the appeal is taken and for good cause shown.*

(d) *The political subdivision or its administrative agency shall set a reasonable time for the hearing of appeals, give public notice and due notice to the parties in interest, and decide the issue within a reasonable time. Upon the hearing, any party may appear in person, by agent, or by attorney.*

(e) *The political subdivision or its administrative agency may, in conformity with this chapter, affirm, reverse, or modify the decision on the permit or other determination from which the appeal is taken.*

Section 9. Section 333.11, Florida Statutes, is amended to read:

333.11 Judicial review.—

(1) *A Any person, aggrieved, or taxpayer affected, by any decision of a board of adjustment, or any governing body of a political subdivision, or the Department of Transportation or any joint airport zoning board affected by a decision of a political subdivision, or its of any administrative agency hereunder, may apply for judicial relief to the circuit court in the judicial circuit where the political subdivision board of adjustment is located within 30 days after rendition of the decision by the board of adjustment. Review shall be by petition for writ of cer-*

tiorari, which shall be governed by the Florida Rules of Appellate Procedure.

(2) ~~Upon presentation of such petition to the court, it may allow a writ of certiorari, directed to the board of adjustment, to review such decision of the board. The allowance of the writ shall not stay the proceedings upon the decision appealed from, but the court may, on application, on notice to the board, on due hearing and due cause shown, grant a restraining order.~~

(3) ~~The board of adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions thereof as may be called for by the writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified.~~

(2)(4) ~~The court has shall have exclusive jurisdiction to affirm, reverse, or modify, or set aside the decision on the permit or other determination from which the appeal is taken brought up for review, in whole or in part, and, if appropriate need be, to order further proceedings by the political subdivision or its administrative agency board of adjustment. House Amendment 1 (171349) (with title amendment)—Remove everything after the enacting clause and insert:

Section 1. Paragraph (e) is added to subsection (10) of section 29.004, Florida Statutes, to read:

29.004 State courts system.—For purposes of implementing s. 14, Art. V of the State Constitution, the elements of the state courts system to be provided from state revenues appropriated by general law are as follows:

(10) Case management. Case management includes:

(e) *Service referral, coordination, monitoring, and tracking for mental health programs under chapter 394.*

Case management may not include costs associated with the application of therapeutic jurisprudence principles by the courts. Case management also may not include case intake and records management conducted by the clerk of court.

Section 2. Subsections (65) through (79) of section 39.01, Florida Statutes, are renumbered as subsections (66) through (80), respectively, and a new subsection (65) is added to that section to read:

39.01 Definitions.—When used in this chapter, unless the context otherwise requires:

(65) *“Qualified professional” means a physician or a physician assistant licensed under chapter 458 or chapter 459; a psychiatrist licensed under chapter 458 or chapter 459; a psychologist as defined in s.*

490.003(7) or a professional licensed under chapter 491; or a psychiatric nurse as defined in s. 394.455.

Section 3. Paragraph (c) of subsection (6) of section 39.407, Florida Statutes, is amended to read:

39.407 Medical, psychiatric, and psychological examination and treatment of child; physical, mental, or substance abuse examination of person with or requesting child custody.—

(6) Children who are in the legal custody of the department may be placed by the department, without prior approval of the court, in a residential treatment center licensed under s. 394.875 or a hospital licensed under chapter 395 for residential mental health treatment only pursuant to this section or may be placed by the court in accordance with an order of involuntary examination or involuntary placement entered pursuant to s. 394.463 or s. 394.467. All children placed in a residential treatment program under this subsection must have a guardian ad litem appointed.

(c) Before a child is admitted under this subsection, the child shall be assessed for suitability for residential treatment by a qualified evaluator who has conducted a personal examination and assessment of the child and has made written findings that:

1. The child appears to have an emotional disturbance serious enough to require residential treatment and is reasonably likely to benefit from the treatment.

2. The child has been provided with a clinically appropriate explanation of the nature and purpose of the treatment.

3. All available modalities of treatment less restrictive than residential treatment have been considered, and a less restrictive alternative that would offer comparable benefits to the child is unavailable.

A copy of the written findings of the evaluation and suitability assessment must be provided to the department, ~~and~~ to the guardian ad litem, *and, if the child is a member of a Medicaid managed care plan, to the plan that is financially responsible for the child's care in residential treatment, all of whom must be provided with ~~who shall have~~ the opportunity to discuss the findings with the evaluator.*

Section 4. Section 394.453, Florida Statutes, is amended to read:

394.453 Legislative intent.—

(1) It is the intent of the Legislature:

(a) To authorize and direct the Department of Children and Families to evaluate, research, plan, and recommend to the Governor and the Legislature programs designed to reduce the occurrence, severity, duration, and disabling aspects of mental, emotional, and behavioral disorders.

(b) ~~It is the intent of the Legislature~~ That treatment programs for such disorders ~~shall~~ include, but not be limited to, comprehensive health, social, educational, and rehabilitative services to persons requiring intensive short-term and continued treatment in order to encourage them to assume responsibility for their treatment and recovery. It is intended that:

1. Such persons be provided with emergency service and temporary detention for evaluation when required;

2. ~~Such persons that they~~ be admitted to treatment facilities on a voluntary basis when extended or continuing care is needed and unavailable in the community;

3. ~~that~~ Involuntary placement be provided only when expert evaluation determines ~~that~~ it is necessary;

4. ~~that~~ Any involuntary treatment or examination be accomplished in a setting ~~that which~~ is clinically appropriate and most likely to facilitate the person's return to the community as soon as possible; and

5. ~~that~~ Individual dignity and human rights be guaranteed to all persons who are admitted to mental health facilities or who are being held under s. 394.463.

(c) That services provided to persons in this state use the coordination-of-care principles characteristic of recovery-oriented services and include social support services, such as housing support, life skills and vocational training, and employment assistance, necessary for persons with mental health disorders and co-occurring mental health and substance use disorders to live successfully in their communities.

(d) That state policy and funding decisions be driven by data concerning the populations served and the effectiveness of the services provided.

(e) That licensed, qualified health professionals be authorized to practice to the fullest extent of their education and training in the performance of professional functions necessary to carry out the intent of this part.

~~(2) It is the further intent of the Legislature that the least restrictive means of intervention be employed based on the individual needs of each person, within the scope of available services. It is the policy of this state that the use of restraint and seclusion on clients is justified only as an emergency safety measure to be used in response to imminent danger to the client or others. It is, therefore, the intent of the Legislature to achieve an ongoing reduction in the use of restraint and seclusion in programs and facilities serving persons with mental illness.~~

Section 5. Section 394.4573, Florida Statutes, is amended to read:

394.4573 ~~Coordinated system of care; annual assessment; essential elements~~ ~~Continuity of care management system~~; measures of performance; system improvement grants; reports.—*On or before December 1 of each year, the department shall submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives an assessment of the behavioral health services in this state. The assessment shall consider, at a minimum, the extent to which designated receiving systems function as no-wrong-door models, the availability of treatment and recovery services that use recovery-oriented and peer-involved approaches, the availability of less-restrictive services, and the use of evidence-informed practices. The department's assessment shall consider, at a minimum, the needs assessments conducted by the managing entities pursuant to s. 394.9082(5). Beginning in 2017, the department shall compile and include in the report all plans submitted by managing entities pursuant to s. 394.9082(8) and the department's evaluation of each plan.*

(1) As used in ~~For the purposes of~~ this section:

(a) “Care coordination” means intensive activities undertaken across systems and providers to facilitate the delivery of treatment services and recovery supports to individuals with complex needs who are not yet effectively connected with such services and supports.

~~(b)~~ (a) “Case management” means those direct services provided to a client in order to assess his or her activities aimed at assessing client needs, plan or arrange planning services, coordinate service providers, link linking the service system to a client, monitor coordinating the various system components, monitoring service delivery, and evaluate patient outcomes evaluating the effect of service delivery.

~~(b)~~ “Case manager” means an individual who works with clients, and their families and significant others, to provide case management.

~~(c)~~ “Client manager” means an employee of the department who is assigned to specific provider agencies and geographic areas to ensure that the full range of needed services is available to clients.

~~(c)~~ (d) “Coordinated system ~~Continuity of care management system~~” means a system that assures, within available resources, that clients have access to the full array of behavioral and related services in a region or community offered by all service providers, whether participating under contract with the managing entity or by another method of community partnership or mutual agreement within the mental health services delivery system.

(d) “No-wrong-door model” means a model for the delivery of acute care services to persons who have mental health or substance use disorders, or both, which optimizes access to care, regardless of the entry point to the behavioral health care system.

(2) The essential elements of a coordinated system of care include:

(a) Community interventions, such as prevention, primary care for behavioral health needs, therapeutic and supportive services, crisis response services, and diversion programs.

(b) A designated receiving system that consists of one or more facilities serving a defined geographic area and responsible for assessment and evaluation, both voluntary and involuntary, and treatment or triage of patients who have a mental health or substance use disorder, or co-occurring disorders.

1. A county or several counties shall plan the designated receiving system using a process that includes the managing entity and is open to participation by individuals with behavioral health needs and their families, service providers, law enforcement agencies, and other parties. The county or counties, in collaboration with the managing entity, shall document the designated receiving system through written memoranda of agreement or other binding arrangements. The county or counties and the managing entity shall approve and implement the designated receiving system by July 1, 2017, and the county or counties and the managing entity shall review, update as necessary, and reapprove the designated receiving system at least once every 3 years.

2. To the extent permitted by available resources, the designated receiving system shall function as a no-wrong-door model. The designated receiving system may be organized in any manner which functions as a no-wrong-door model that responds to individual needs and integrates services among various providers. Such models include, but are not limited to:

a. A central receiving system that consists of a designated central receiving facility that serves as a single entry point for persons with mental health or substance use disorders, or co-occurring disorders. The central receiving facility shall be capable of assessment, evaluation, and triage or treatment of various conditions and circumstances.

b. A coordinated receiving system that consists of multiple entry points that are linked by shared data systems, formal referral agreements, and cooperative arrangements for care coordination and case management. Each entry point shall be a designated receiving facility and shall, within existing resources, provide or arrange for necessary services following an initial assessment and evaluation.

c. A tiered receiving system that consists of multiple entry points, some of which offer only specialized or limited services. Each service provider shall be classified according to its capabilities as either a designated receiving facility, or another type of service provider such as a triage center, or an access center. All participating service providers shall, within existing resources, be linked by methods to share data, formal referral agreements, and cooperative arrangements for care coordination and case management.

An accurate inventory of the participating service providers which specifies the capabilities and limitations of each provider and its ability to accept patients under the designated receiving system agreements and the transportation plan developed pursuant to this section shall be maintained and made available at all times to all first responders in the service area.

(c) Transportation in accordance with a plan developed under s. 394.462.

(d) Crisis services, including mobile response teams, crisis stabilization units, addiction receiving facilities, and detoxification facilities.

(e) Case management. Each case manager or person directly supervising a case manager who provides Medicaid-funded targeted case management services shall hold a valid certification from a department-approved credentialing entity as defined in s. 397.311(9) by July 1, 2017, and within 6 months after hire thereafter.

(f) Care coordination that involves coordination with other local systems and entities, public and private, which are involved with the individual, such as primary care, child welfare, behavioral health care, and criminal and juvenile justice organizations. The department shall define the priority populations for receiving care coordination. In defining the priority populations, the department shall take into account the availability of resources for that purpose and consider:

1. The number and duration of involuntary admissions within a specified time.

2. The degree of involvement with the criminal justice system and the risk to public safety posed by the individual.

3. Whether the individual has recently resided in or is currently awaiting admission to or discharge from a treatment facility as defined in s. 394.455.

4. The degree of utilization of behavioral health services.

5. Whether the individual is a parent or caregiver who is involved with the child welfare system.

(g) Outpatient services.

(h) Residential services.

(i) Hospital inpatient care.

(j) Aftercare and other post-discharge services.

(k) Medication-assisted treatment and medication management.

(l) Recovery support, including, but not limited to, support for competitive employment, educational attainment, independent living skills development, family support and education, wellness management and self-care, and assistance in obtaining housing that meets the individual's needs. Such housing shall include mental health residential treatment facilities, limited mental health assisted living facilities, adult family care homes, and supportive housing. Housing provided using state funds shall provide a safe and decent environment free from abuse and neglect. The care plan shall assign specific responsibility for initial and ongoing evaluation of the supervision and support needs of the individual and the identification of housing that meets such needs. For purposes of this paragraph, the term "supervision" means oversight of and assistance with compliance with the clinical aspects of an individual's care plan.

(3) Subject to a specific appropriation by the Legislature, the department may award system improvement grants to managing entities based on the submission of a detailed plan to enhance services, coordination, or performance measurement to address the needs identified in the department's assessment under this section. Such a grant must be awarded through a performance-based contract that links payments to the documented and measurable achievement of system improvements. ~~The department is directed to implement a continuity of care management system for the provision of mental health care, through the provision of client and case management, including clients referred from state treatment facilities to community mental health facilities. Such system shall include a network of client managers and case managers throughout the state designed to:~~

~~(a) Reduce the possibility of a client's admission or readmission to a state treatment facility.~~

~~(b) Provide for the creation or designation of an agency in each county to provide single intake services for each person seeking mental health services. Such agency shall provide information and referral services necessary to ensure that clients receive the most appropriate and least restrictive form of care, based on the individual needs of the person seeking treatment. Such agency shall have a single telephone number, operating 24 hours per day, 7 days per week, where practicable, at a central location, where each client will have a central record.~~

~~(c) Advocate on behalf of the client to ensure that all appropriate services are afforded to the client in a timely and dignified manner.~~

~~(d) Require that any public receiving facility initiating a patient transfer to a licensed hospital for acute care mental health services not accessible through the public receiving facility shall notify the hospital of such transfer and send all records relating to the emergency psychiatric or medical condition.~~

~~(3) The department is directed to develop and include in contracts with service providers measures of performance with regard to goals and objectives as specified in the state plan. Such measures shall use, to the extent practical, existing data collection methods and reports and shall not require, as a result of this subsection, additional reports on the~~

~~part of service providers. The department shall plan monitoring visits of community mental health facilities with other state, federal, and local governmental and private agencies charged with monitoring such facilities.~~

Section 6. Section 394.461, Florida Statutes, is amended to read:

394.461 Designation of receiving and treatment facilities *and receiving systems*.—The department is authorized to designate and monitor receiving facilities, ~~and~~ treatment facilities, *and receiving systems* and may suspend or withdraw such designation for failure to comply with this part and rules adopted under this part. Unless designated by the department, facilities are not permitted to hold or treat involuntary patients under this part.

(1) RECEIVING FACILITY.—The department may designate any community facility as a receiving facility. Any other facility within the state, including a private facility or a federal facility, may be so designated by the department, provided that such designation is agreed to by the governing body or authority of the facility.

(2) TREATMENT FACILITY.—The department may designate any state-owned, state-operated, or state-supported facility as a state treatment facility. A civil patient shall not be admitted to a state treatment facility without previously undergoing a transfer evaluation. Before a court hearing for involuntary placement in a state treatment facility, the court shall receive and consider the information documented in the transfer evaluation. Any other facility, including a private facility or a federal facility, may be designated as a treatment facility by the department, provided that such designation is agreed to by the appropriate governing body or authority of the facility.

(3) PRIVATE FACILITIES.—Private facilities designated as receiving and treatment facilities by the department may provide examination and treatment of involuntary patients, as well as voluntary patients, and are subject to all the provisions of this part.

(4) REPORTING REQUIREMENTS.—

(a) A facility designated as a public receiving or treatment facility under this section shall report to the department on an annual basis the following data, unless these data are currently being submitted to the Agency for Health Care Administration:

1. Number of licensed beds.
2. Number of contract days.
3. Number of admissions by payor class and diagnoses.
4. Number of bed days by payor class.
5. Average length of stay by payor class.
6. Total revenues by payor class.

(b) For the purposes of this subsection, "payor class" means Medicare, Medicare HMO, Medicaid, Medicaid HMO, private-pay health insurance, private-pay health maintenance organization, private preferred provider organization, the Department of Children and Families, other government programs, self-pay patients, and charity care.

(c) The data required under this subsection shall be submitted to the department no later than 90 days following the end of the facility's fiscal year. A facility designated as a public receiving or treatment facility shall submit its initial report for the 6-month period ending June 30, 2008.

(d) The department shall issue an annual report based on the data required pursuant to this subsection. The report shall include individual facilities' data, as well as statewide totals. The report shall be submitted to the Governor, the President of the Senate, and the Speaker of the House of Representatives.

(5) RECEIVING SYSTEM.—*The department may designate as a receiving system one or more facilities serving a defined geographic area developed pursuant to s. 394.4573 that is responsible for assessment and evaluation, both voluntary and involuntary, and treatment or triage for patients who present with mental illness, substance use disorder, or co-*

occurring disorders. Any transportation plans developed pursuant to s. 394.462 must support the operation of the receiving system.

(6)(~~5~~) RULES.—The department *may* ~~shall~~ adopt rules relating to:

(a) Procedures and criteria for receiving and evaluating facility applications for designation, which may include onsite facility inspection and evaluation of an applicant's licensing status and performance history, as well as consideration of local service needs.

(b) Minimum standards consistent with this part that a facility must meet and maintain in order to be designated as a receiving or treatment facility and procedures for monitoring continued adherence to such standards.

(c) *Procedures and criteria for designating receiving systems, which may include consideration of the adequacy of services provided by facilities within the receiving system to meet the needs of the geographic area within available resources.*

(d)(~~e~~) Procedures for receiving complaints against a designated facility or designated receiving system and for initiating inspections and investigations of facilities or receiving systems alleged to have violated the provisions of this part or rules adopted under this part.

(e)(~~d~~) Procedures and criteria for the suspension or withdrawal of designation as a receiving facility or receiving system.

Section 7. *Section 394.675, Florida Statutes, is repealed.*

Section 8. Subsection (3) and paragraph (b) of subsection (4) of section 394.75, Florida Statutes, are amended to read:

394.75 State and district substance abuse and mental health plans.—

(3) The district health and human services board shall prepare an integrated district substance abuse and mental health plan. The plan shall be prepared and updated on a schedule established by the Alcohol, Drug Abuse, and Mental Health Program Office. The plan shall reflect the needs and program priorities established by the department and the needs of the district established under ss. 394.4573 and 394.674 and ~~394.675~~. The plan must list in order of priority the mental health and the substance abuse treatment needs of the district and must rank each program separately. The plan shall include:

(a) A record of the total amount of money available in the district for mental health and substance abuse services.

(b) A description of each service that will be purchased with state funds.

(c) A record of the amount of money allocated for each service identified in the plan as being purchased with state funds.

(d) A record of the total funds allocated to each provider.

(e) A record of the total funds allocated to each provider by type of service to be purchased with state funds.

(f) Input from community-based persons, organizations, and agencies interested in substance abuse and mental health treatment services; local government entities that contribute funds to the public substance abuse and mental health treatment systems; and consumers of publicly funded substance abuse and mental health services, and their family members. The plan must describe the means by which this local input occurred.

The plan shall be submitted by the district board to the district administrator and to the governing bodies for review, comment, and approval.

(4) The district plan shall:

(b) Provide the means for meeting the needs of the district's eligible clients, specified in ss. 394.4573 and 394.674 and ~~394.675~~, for substance abuse and mental health services.

Section 9. Paragraph (a) of subsection (3) of section 394.76, Florida Statutes, is amended to read:

394.76 Financing of district programs and services.—If the local match funding level is not provided in the General Appropriations Act or the substantive bill implementing the General Appropriations Act, such funding level shall be provided as follows:

(3) The state share of financial participation shall be determined by the following formula:

(a) The state share of approved program costs shall be a percentage of the net balance determined by deducting from the total operating cost of services and programs, as specified in s. 394.4573 ~~394.675(1)~~, those expenditures which are ineligible for state participation as provided in subsection (7) and those ineligible expenditures established by rule of the department pursuant to s. 394.78.

Section 12. Section 394.462, Florida Statutes, is amended to read:

394.462 Transportation.—*A transportation plan shall be developed and implemented by each county by July 1, 2017, in collaboration with the managing entity in accordance with this section. A county may enter into a memorandum of understanding with the governing boards of nearby counties to establish a shared transportation plan. When multiple counties enter into a memorandum of understanding for this purpose, the counties shall notify the managing entity and provide it with a copy of the agreement. The transportation plan shall describe methods of transport to a facility within the designated receiving system for individuals subject to involuntary examination under s. 394.463 or in-*

voluntary admission under s. 397.6772, s. 397.679, s. 397.6798, or s. 397.6811, and may identify responsibility for other transportation to a participating facility when necessary and agreed to by the facility. The plan may rely on emergency medical transport services or private transport companies, as appropriate. The plan shall comply with the transportation provisions of this section and ss. 397.6772, 397.6795, 397.6822, and 397.697.

(1) TRANSPORTATION TO A RECEIVING FACILITY.—

(a) Each county shall designate a single law enforcement agency within the county, or portions thereof, to take a person into custody upon the entry of an ex parte order or the execution of a certificate for involuntary examination by an authorized professional and to transport that person to the appropriate facility within the designated receiving system pursuant to a transportation plan or an exception under subsection (4), or to the nearest receiving facility if neither apply ~~for examination.~~

(b)1. The designated law enforcement agency may decline to transport the person to a receiving facility only if:

a.1. The jurisdiction designated by the county has contracted on an annual basis with an emergency medical transport service or private transport company for transportation of persons to receiving facilities pursuant to this section at the sole cost of the county; and

b.2. The law enforcement agency and the emergency medical transport service or private transport company agree that the continued presence of law enforcement personnel is not necessary for the safety of the person or others.

2.3. ~~The entity providing transportation jurisdiction designated by the county~~ may seek reimbursement for transportation expenses. The party responsible for payment for such transportation is the person receiving the transportation. The county shall seek reimbursement from the following sources in the following order:

a. From a private or public third-party payor ~~an insurance company, health care corporation, or other source~~, if the person receiving the transportation has applicable coverage ~~is covered by an insurance policy or subscribes to a health care corporation or other source for payment of such expenses.~~

b. From the person receiving the transportation.

c. From a financial settlement for medical care, treatment, hospitalization, or transportation payable or accruing to the injured party.

(c)(b) ~~A Any~~ company that transports a patient pursuant to this subsection is considered an independent contractor and is solely liable for the safe and dignified ~~transport transportation~~ of the patient. Such company must be insured and provide no less than \$100,000 in liability insurance with respect to the ~~transport transportation~~ of patients.

(d)(e) Any company that contracts with a governing board of a county to transport patients shall comply with the applicable rules of the department to ensure the safety and dignity of ~~the~~ patients.

(e)(d) When a law enforcement officer takes custody of a person pursuant to this part, the officer may request assistance from emergency medical personnel if such assistance is needed for the safety of the officer or the person in custody.

(f)(e) When a member of a mental health overlay program or a mobile crisis response service is a professional authorized to initiate an involuntary examination pursuant to s. 394.463 or s. 397.675 and that professional evaluates a person and determines that transportation to a receiving facility is needed, the service, at its discretion, may transport the person to the facility or may call on the law enforcement agency or other transportation arrangement best suited to the needs of the patient.

(g)(f) When any law enforcement officer has custody of a person based on either noncriminal or minor criminal behavior that meets the statutory guidelines for involuntary examination pursuant to s. 394.463 ~~under this part~~, the law enforcement officer shall transport the person to the appropriate facility within the designated receiving system pur-

suant to a transportation plan or an exception under subsection (4), or to the nearest receiving facility if neither apply for examination.

(h)(g) When any law enforcement officer has arrested a person for a felony and it appears that the person meets the statutory guidelines for involuntary examination or placement under this part, such person *must* ~~shall~~ first be processed in the same manner as any other criminal suspect. The law enforcement agency shall thereafter immediately notify *the appropriate facility within the designated receiving system pursuant to a transportation plan or an exception under subsection (4), or to the nearest public receiving facility if neither apply. The receiving facility,* which shall be responsible for promptly arranging for the examination and treatment of the person. A receiving facility is not required to admit a person charged with a crime for whom the facility determines and documents that it is unable to provide adequate security, but shall provide ~~mental health~~ examination and treatment to the person where he or she is held.

(i)(h) If the appropriate law enforcement officer believes that a person has an emergency medical condition as defined in s. 395.002, the person may be first transported to a hospital for emergency medical treatment, regardless of whether the hospital is a designated receiving facility.

(j)(i) The costs of transportation, evaluation, hospitalization, and treatment incurred under this subsection by persons who have been arrested for violations of any state law or county or municipal ordinance may be recovered as provided in s. 901.35.

(k)(j) *The appropriate facility within the designated receiving system pursuant to a transportation plan or an exception under subsection (4), or the nearest receiving facility if neither apply, must accept persons brought by law enforcement officers, or an emergency medical transport service or a private transport company authorized by the county for involuntary examination pursuant to s. 394.463.*

(l)(k) Each law enforcement agency *designated pursuant to paragraph (a) shall establish a policy that develop a memorandum of understanding with each receiving facility within the law enforcement agency's jurisdiction which reflects a single set of protocols approved by the managing entity for the safe and secure transportation of the person and transfer of custody of the person. These protocols must also address crisis intervention measures.*

(m)(l) When a jurisdiction has entered into a contract with an emergency medical transport service or a private transport company for transportation of persons to ~~receiving facilities within the designated receiving system,~~ such service or company shall be given preference for transportation of persons from nursing homes, assisted living facilities, adult day care centers, or adult family-care homes, unless the behavior of the person being transported is such that transportation by a law enforcement officer is necessary.

(n)(m) ~~Nothing in~~ This section *may not* ~~shall~~ be construed to limit emergency examination and treatment of incapacitated persons provided in accordance with ~~the provisions of~~ s. 401.445.

(2) TRANSPORTATION TO A TREATMENT FACILITY.—

(a) If neither the patient nor any person legally obligated or responsible for the patient is able to pay for the expense of transporting a voluntary or involuntary patient to a treatment facility, the *transportation plan established by the governing board of the county or counties must specify how in which the hospitalized patient will be transported to, from, and between facilities in a is hospitalized shall arrange for such required transportation and shall ensure the safe and dignified manner transportation of the patient. The governing board of each county is authorized to contract with private transport companies for the transportation of such patients to and from a treatment facility.*

(b) A ~~any~~ company that transports a patient pursuant to this subsection is considered an independent contractor and is solely liable for the safe and dignified transportation of the patient. Such company must be insured and provide no less than \$100,000 in liability insurance with respect to the ~~transport transportation~~ of patients.

(c) A ~~any~~ company that contracts with *one or more counties the governing board of a county* to transport patients *in accordance with*

this section shall comply with the applicable rules of the department to ensure the safety and dignity of the patients.

(d) County or municipal law enforcement and correctional personnel and equipment *may shall* not be used to transport patients adjudicated incapacitated or found by the court to meet the criteria for involuntary placement pursuant to s. 394.467, except in small rural counties where there are no cost-efficient alternatives.

(3) TRANSFER OF CUSTODY.—Custody of a person who is transported pursuant to this part, along with related documentation, shall be relinquished to a responsible individual at the appropriate receiving or treatment facility.

(4) EXCEPTIONS.—An exception to the requirements of this section may be granted by the secretary of the department for the purposes of improving service coordination or better meeting the special needs of individuals. A proposal for an exception must be submitted by the district administrator after being approved by the governing boards of any affected counties, *before prior to* submission to the secretary.

(a) A proposal for an exception must identify the specific provision from which an exception is requested; describe how the proposal will be implemented by participating law enforcement agencies and transportation authorities; and provide a plan for the coordination of services such as case management.

(b) The exception may be granted only for:

1. An arrangement centralizing and improving the provision of services within a district, which may include an exception to the requirement for transportation to the nearest receiving facility;

2. An arrangement by which a facility may provide, in addition to required psychiatric services, an environment and services which are uniquely tailored to the needs of an identified group of persons with special needs, such as persons with hearing impairments or visual impairments, or elderly persons with physical frailties; or

3. A specialized transportation system that provides an efficient and humane method of transporting patients to receiving facilities, among receiving facilities, and to treatment facilities.

(c) Any exception approved pursuant to this subsection shall be reviewed and approved every 5 years by the secretary.

The exceptions provided in this subsection shall expire on June 30, 2017, and no new exceptions shall be granted after that date. After June 30, 2017, the transport of a patient to a facility that is not the nearest facility must be made pursuant to a plan as provided in this section.

Section 13. Section 394.467, Florida Statutes, is amended to read:

394.467 Involuntary inpatient placement.—

(1) CRITERIA.—A person may be *ordered for placed in* involuntary inpatient placement for treatment upon a finding of the court by clear and convincing evidence that:

(a) He or she *has a mental illness is mentally ill* and because of his or her mental illness:

1.a. He or she has refused voluntary *inpatient* placement for treatment after sufficient and conscientious explanation and disclosure of the purpose of *inpatient* placement for treatment; or

b. He or she is unable to determine for himself or herself whether *inpatient* placement is necessary; and

2.a. He or she is *manifestly* incapable of surviving alone or with the help of willing and responsible family or friends, including available alternative services, and, without treatment, is likely to suffer from neglect or refuse to care for himself or herself, and such neglect or refusal poses a real and present threat of substantial harm to his or her well-being; or

b. There is substantial likelihood that in the near future he or she will inflict serious bodily harm on *self or others himself or herself or*

another person, as evidenced by recent behavior causing, attempting, or threatening such harm; and

(b) All available less restrictive treatment alternatives ~~that which~~ would offer an opportunity for improvement of his or her condition have been judged to be inappropriate.

(2) ADMISSION TO A TREATMENT FACILITY.—A patient may be retained by a ~~receiving~~ facility or involuntarily placed in a treatment facility upon the recommendation of the administrator of the ~~receiving~~ facility where the patient has been examined and after adherence to the notice and hearing procedures provided in s. 394.4599. The recommendation must be supported by the opinion of a psychiatrist and the second opinion of a clinical psychologist or another psychiatrist, both of whom have personally examined the patient within the preceding 72 hours, that the criteria for involuntary inpatient placement are met. However, in a county that has a population of fewer than 50,000, if the administrator certifies that a psychiatrist or clinical psychologist is not available to provide the second opinion, the second opinion may be provided by a licensed physician who has postgraduate training and experience in diagnosis and treatment of mental ~~illness and nervous disorders~~ or by a psychiatric nurse. Any ~~second~~ opinion authorized in this subsection may be conducted through a face-to-face examination, in person or by electronic means. Such recommendation shall be entered on a petition for an involuntary inpatient placement certificate that authorizes the ~~receiving~~ facility to retain the patient pending transfer to a treatment facility or completion of a hearing.

(3) PETITION FOR INVOLUNTARY INPATIENT PLACEMENT.—The administrator of the facility shall file a petition for involuntary inpatient placement in the court in the county where the patient is located. Upon filing, the clerk of the court shall provide copies to the department, the patient, the patient's guardian or representative, and the state attorney and public defender of the judicial circuit in which the patient is located. A ~~no fee may not shall~~ be charged for the filing of a petition under this subsection.

(4) APPOINTMENT OF COUNSEL.—Within 1 court working day after the filing of a petition for involuntary inpatient placement, the court shall appoint the public defender to represent the person who is the subject of the petition, unless the person is otherwise represented by counsel. The clerk of the court shall immediately notify the public defender of such appointment. Any attorney representing the patient shall have access to the patient, witnesses, and records relevant to the presentation of the patient's case and shall represent the interests of the patient, regardless of the source of payment to the attorney.

(5) CONTINUANCE OF HEARING.—The patient is entitled, with the concurrence of the patient's counsel, to at least one continuance of the hearing. ~~The continuance shall be for a period of up to 4 weeks.~~

(6) HEARING ON INVOLUNTARY INPATIENT PLACEMENT.—

(a)1. The court shall hold the hearing on involuntary inpatient placement within 5 *court working* days, unless a continuance is granted.

2. *Except for good cause documented in the court file, the hearing must shall be held in the county or the facility, as appropriate, where the patient is located, must and shall be as convenient to the patient as is may be consistent with orderly procedure, and shall be conducted in physical settings not likely to be injurious to the patient's condition. If the court finds that the patient's attendance at the hearing is not consistent with the best interests of the patient, and the patient's counsel does not object, the court may waive the presence of the patient from all or any portion of the hearing. The state attorney for the circuit in which the patient is located shall represent the state, rather than the petitioning facility administrator, as the real party in interest in the proceeding.*

3.2. The court may appoint a ~~general or special~~ magistrate to preside at the hearing. One of the professionals who executed the *petition for involuntary inpatient placement*-certificate shall be a witness. The patient and the patient's guardian or representative shall be informed by the court of the right to an independent expert examination. If the patient cannot afford such an examination, the court shall *ensure that one is provided, as otherwise provided for by law provide for one*. The independent expert's report is ~~shall be~~ confidential and not discoverable, unless the expert is to be called as a witness for the patient at the

hearing. The testimony in the hearing must be given under oath, and the proceedings must be recorded. The patient may refuse to testify at the hearing.

(b) If the court concludes that the patient meets the criteria for involuntary inpatient placement, it ~~may shall~~ order that the patient be transferred to a treatment facility or, if the patient is at a treatment facility, that the patient be retained there or be treated at any other appropriate ~~receiving or treatment~~ facility, or that the patient receive services ~~from a receiving or treatment facility~~, on an involuntary basis, for ~~a period of up to 90 days 6 months~~. *However, any order for involuntary mental health services in a treatment facility may be for up to 6 months.* The order shall specify the nature and extent of the patient's mental illness. *The court may not order an individual with traumatic brain injury or dementia who lacks a co-occurring mental illness to be involuntarily placed in a state treatment facility.* The facility shall discharge a patient any time the patient no longer meets the criteria for involuntary inpatient placement, unless the patient has transferred to voluntary status.

(c) If at any time ~~before prior to~~ the conclusion of the hearing on involuntary inpatient placement it appears to the court that the person does not meet the criteria for involuntary inpatient placement under this section, but instead meets the criteria for involuntary outpatient ~~services placement~~, the court may order the person evaluated for involuntary outpatient ~~services placement~~ pursuant to s. 394.4655. The petition and hearing procedures set forth in s. 394.4655 shall apply. If the person instead meets the criteria for involuntary assessment, protective custody, or involuntary admission pursuant to s. 397.675, then the court may order the person to be admitted for involuntary assessment for a period of 5 days pursuant to s. 397.6811. Thereafter, all proceedings ~~are shall be~~ governed by chapter 397.

(d) At the hearing on involuntary inpatient placement, the court shall consider testimony and evidence regarding the patient's competence to consent to treatment. If the court finds that the patient is incompetent to consent to treatment, it shall appoint a guardian advocate as provided in s. 394.4598.

(e) The administrator of the ~~petitioning receiving~~ facility shall provide a copy of the court order and adequate documentation of a patient's mental illness to the administrator of a treatment facility ~~if the when~~ ~~ever~~ a patient is ordered for involuntary inpatient placement, whether by civil or criminal court. The documentation ~~must shall~~ include any advance directives made by the patient, a psychiatric evaluation of the patient, and any evaluations of the patient performed by a *psychiatric nurse, a clinical psychologist, a marriage and family therapist, a mental health counselor, or a clinical social worker*. The administrator of a treatment facility may refuse admission to any patient directed to its facilities on an involuntary basis, whether by civil or criminal court order, who is not accompanied ~~at the same time~~ by adequate orders and documentation.

(7) PROCEDURE FOR CONTINUED INVOLUNTARY INPATIENT PLACEMENT.—

(a) Hearings on petitions for continued involuntary inpatient placement ~~of an individual placed at any treatment facility are shall be~~ administrative hearings and ~~must shall~~ be conducted in accordance with ~~the provisions of~~ s. 120.57(1), except that any order entered by the administrative law judge is ~~shall be~~ final and subject to judicial review in accordance with s. 120.68. Orders concerning patients committed after successfully pleading not guilty by reason of insanity ~~are shall be~~ governed by ~~the provisions of~~ s. 916.15.

(b) If the patient continues to meet the criteria for involuntary inpatient placement ~~and is being treated at a treatment facility~~, the administrator shall, ~~before prior to~~ the expiration of the period ~~during which~~ the treatment facility is authorized to retain the patient, file a petition requesting authorization for continued involuntary inpatient placement. The request ~~must shall~~ be accompanied by a statement from the patient's physician, *psychiatrist, psychiatric nurse, or clinical psychologist* justifying the request, a brief description of the patient's treatment during the time he or she was involuntarily placed, and an individualized plan of continued treatment. Notice of the hearing ~~must shall~~ be provided as ~~provided set forth~~ in s. 394.4599. *If a patient's attendance at the hearing is voluntarily waived, the administrative law judge must determine that the waiver is knowing and voluntary before*

waiving the presence of the patient from all or a portion of the hearing. Alternatively, if at the hearing the administrative law judge finds that attendance at the hearing is not consistent with the best interests of the patient, the administrative law judge may waive the presence of the patient from all or any portion of the hearing, unless the patient, through counsel, objects to the waiver of presence. The testimony in the hearing must be under oath, and the proceedings must be recorded.

(c) Unless the patient is otherwise represented or is ineligible, he or she shall be represented at the hearing on the petition for continued involuntary inpatient placement by the public defender of the circuit in which the facility is located.

(d) If at a hearing it is shown that the patient continues to meet the criteria for involuntary inpatient placement, the administrative law judge shall sign the order for continued involuntary inpatient placement for a period up to 90 days not to exceed 6 months. However, any order for involuntary mental health services in a treatment facility may be for up to 6 months. The same procedure shall be repeated before prior to the expiration of each additional period the patient is retained.

(e) If continued involuntary inpatient placement is necessary for a patient admitted while serving a criminal sentence, but his or her whose sentence is about to expire, or for a minor patient involuntarily placed, while a minor but who is about to reach the age of 18, the administrator shall petition the administrative law judge for an order authorizing continued involuntary inpatient placement.

(f) If the patient has been previously found incompetent to consent to treatment, the administrative law judge shall consider testimony and evidence regarding the patient's competence. If the administrative law judge finds evidence that the patient is now competent to consent to treatment, the administrative law judge may issue a recommended order to the court that found the patient incompetent to consent to treatment that the patient's competence be restored and that any guardian advocate previously appointed be discharged.

(g) If the patient has been ordered to undergo involuntary inpatient placement and has previously been found incompetent to consent to treatment, the court shall consider testimony and evidence regarding the patient's incompetence. If the patient's competency to consent to treatment is restored, the discharge of the guardian advocate shall be governed by s. 394.4598.

The procedure required in this subsection must be followed before the expiration of each additional period the patient is involuntarily receiving services.

(8) ~~RETURN TO FACILITY OF PATIENTS.~~—If a patient involuntarily held ~~When a patient~~ at a treatment facility under this part leaves the facility without the administrator's authorization, the administrator may authorize a search for the patient and his or her the return of the patient to the facility. The administrator may request the assistance of a law enforcement agency in this regard ~~the search for and return of the patient.~~

Section 14. Section 394.46715, Florida Statutes, is amended to read:

394.46715 Rulemaking authority.—~~The department may adopt rules to administer this part~~ Department of Children and Families shall have rulemaking authority to implement the provisions of ss. 394.455, 394.4598, 394.4615, 394.463, 394.4655, and 394.467 as amended or created by this act. ~~These rules shall be for the purpose of protecting the health, safety, and well-being of persons examined, treated, or placed under this act.~~

Section 15. Subsection (2) of section 394.4685, Florida Statutes, is amended to read:

394.4685 Transfer of patients among facilities.—

(2) TRANSFER FROM PUBLIC TO PRIVATE FACILITIES.—

(a) A patient who has been admitted to a public receiving or public treatment facility and has requested, either personally or through his or her guardian or guardian advocate, and is able to pay for treatment in a private facility shall be transferred at the patient's expense to a private facility upon acceptance of the patient by the private facility.

(b) A public receiving facility initiating a patient transfer to a licensed hospital for acute care mental health services not accessible through the public receiving facility shall notify the hospital of such transfer and send the hospital all records relating to the emergency psychiatric or medical condition.

Section 16. Section 394.656, Florida Statutes, is amended to read:

394.656 Criminal Justice, Mental Health, and Substance Abuse Reinvestment Grant Program.—

(1) There is created within the Department of Children and Families the Criminal Justice, Mental Health, and Substance Abuse Reinvestment Grant Program. The purpose of the program is to provide funding to counties with which they may use to ~~can~~ plan, implement, or expand initiatives that increase public safety, avert increased spending on criminal justice, and improve the accessibility and effectiveness of treatment services for adults and juveniles who have a mental illness, substance abuse disorder, or co-occurring mental health and substance abuse disorders and who are in, or at risk of entering, the criminal or juvenile justice systems.

(2) The department shall establish a Criminal Justice, Mental Health, and Substance Abuse Statewide Grant Review Committee. The committee shall include:

- (a) One representative of the Department of Children and Families;
 - (b) One representative of the Department of Corrections;
 - (c) One representative of the Department of Juvenile Justice;
 - (d) One representative of the Department of Elderly Affairs; ~~and~~
 - (e) One representative of the Office of the State Courts Administrator;
 - (f) One representative of the Department of Veterans' Affairs;
 - (g) One representative of the Florida Sheriffs Association;
 - (h) One representative of the Florida Police Chiefs Association;
 - (i) One representative of the Florida Association of Counties;
 - (j) One representative of the Florida Alcohol and Drug Abuse Association;
 - (k) One representative of the Florida Association of Managing Entities;
 - (l) One representative of the Florida Council for Community Mental Health;
 - (m) One representative of the National Alliance of Mental Illness;
 - (n) One representative of the Florida Prosecuting Attorneys Association;
 - (o) One representative of the Florida Public Defender Association; and
 - (p) One administrator of an assisted living facility that holds a limited mental health license.
- (3) The committee shall serve as the advisory body to review policy and funding issues that help reduce the impact of persons with mental illness and substance abuse disorders on communities, criminal justice agencies, and the court system. The committee shall advise the department in selecting priorities for grants and investing awarded grant moneys.
- (4) The committee must have experience in substance use and mental health disorders, community corrections, and law enforcement. To the extent possible, the members of the committee shall have expertise in grant review ~~writing, grant reviewing,~~ and grant application scoring.
- (5)(a)(~~3~~)~~(a)~~ A county, or a not-for-profit community provider or managing entity designated by the county planning council or committee, as described in s. 394.657, may apply for a 1-year planning grant or

a 3-year implementation or expansion grant. The purpose of the grants is to demonstrate that investment in treatment efforts related to mental illness, substance abuse disorders, or co-occurring mental health and substance abuse disorders results in a reduced demand on the resources of the judicial, corrections, juvenile detention, and health and social services systems.

(b) To be eligible to receive a 1-year planning grant or a 3-year implementation or expansion grant:

1. A county applicant must have a ~~county~~ planning council or committee that is in compliance with the membership requirements set forth in this section.

2. A not-for-profit community provider or managing entity must be designated by the county planning council or committee and have written authorization to submit an application. A not-for-profit community provider or managing entity must have written authorization for each submitted application.

(c) The department may award a 3-year implementation or expansion grant to an applicant who has not received a 1-year planning grant.

(d) The department may require an applicant to conduct sequential intercept mapping for a project. For purposes of this paragraph, the term "sequential intercept mapping" means a process for reviewing a local community's mental health, substance abuse, criminal justice, and related systems and identifying points of interceptions where interventions may be made to prevent an individual with a substance abuse disorder or mental illness from deeper involvement in the criminal justice system.

(6)(4) The grant review and selection committee shall select the grant recipients and notify the department of ~~Children and Families~~ in writing of the recipients' names of the applicants who have been selected by the committee to receive a grant. Contingent upon the availability of funds and upon notification by the grant review and selection committee of those applicants approved to receive planning, implementation, or expansion grants, the department of ~~Children and Families~~ may transfer funds appropriated for the grant program to a selected grant recipient to ~~any county awarded a grant~~.

Section 17. Section 394.761, Florida Statutes, is created to read:

394.761 Revenue maximization.—The agency and the department shall develop a plan to obtain federal approval for increasing the availability of federal Medicaid funding for behavioral health care. Increased funding shall be used to advance the goal of improved integration of behavioral health services and primary care services for individuals eligible for Medicaid through the development and effective implementation of the behavioral health system of care as described in s. 394.4573. The agency and the department shall submit the written plan to the President of the Senate and the Speaker of the House of Representatives by November 1, 2016. The plan shall identify the amount of general revenue funding appropriated for mental health and substance abuse services which is eligible to be used as state Medicaid match. The plan shall evaluate alternative uses of increased Medicaid funding, including seeking Medicaid eligibility for the severely and persistently mentally ill or persons with substance use disorders, increased reimbursement rates for behavioral health services, adjustments to the capitation rate for Medicaid enrollees with chronic mental illness and substance use disorders, including targeted case management for individuals with substance use disorder as a Medicaid-funded service, supplemental payments to mental health and substance abuse service providers through a designated state health program or other mechanisms, and innovative programs to provide incentives for improved outcomes for behavioral health conditions. The plan shall identify the advantages and disadvantages of each alternative and assess each alternative's potential for achieving improved integration of services. The plan shall identify the types of federal approvals necessary to implement each alternative and project a timeline for implementation.

Section 18. Subsection (5) of section 394.879, Florida Statutes, is amended, and subsection (6) is added to that section, to read:

394.879 Rules; enforcement.—

(5) The agency or the department may not adopt any rule governing the design, construction, erection, alteration, modification, repair, or

demolition of crisis stabilization units. It is the intent of the Legislature to preempt that function to the Florida Building Commission and the State Fire Marshal through adoption and maintenance of the Florida Building Code and the Florida Fire Prevention Code. However, a crisis stabilization unit, short-term residential treatment facility, or integrated adult mental health crisis stabilization and addictions receiving facility which is collocated with a centralized receiving facility may be in a multi-story building and may be authorized on floors other than the ground floor. The agency shall provide technical assistance to the commission and the State Fire Marshal in updating the construction standards of the Florida Building Code and the Florida Fire Prevention Code which govern crisis stabilization units. In addition, the agency may enforce the special-occupancy provisions of the Florida Building Code and the Florida Fire Prevention Code which apply to crisis stabilization units in conducting any inspection authorized under this part or part II of chapter 408.

(6) The department and the Agency for Health Care Administration shall develop a plan for modifying licensure statutes and rules to provide options for a single, consolidated license for a provider that offers multiple types of either mental health services or substance abuse services, or both, regulated under chapters 394 and 397, respectively. The plan shall identify options for license consolidation within the department and the agency and shall identify interagency license consolidation options. The department and the agency shall submit the plan to the Governor, the President of the Senate, and the Speaker of the House of Representatives by November 1, 2016.

Section 19. Section 394.9082, Florida Statutes, is amended to read:

(Substantial rewording of section. See s. 394.9082, F.S., for present text.)

394.9082 Behavioral health managing entities.—

(1) INTENT AND PURPOSE.—

(a) The Legislature finds that untreated behavioral health disorders constitute major health problems for residents of this state, are a major economic burden to the citizens of this state, and substantially increase demands on the state's juvenile and adult criminal justice systems, the child welfare system, and health care systems. The Legislature finds that behavioral health disorders respond to appropriate treatment, rehabilitation, and supportive intervention. The Legislature finds that local communities have also made substantial investments in behavioral health services, contracting with safety net providers who by mandate and mission provide specialized services to vulnerable and hard-to-serve populations and have strong ties to local public health and public safety agencies. The Legislature finds that a regional management structure that facilitates a comprehensive and cohesive system of coordinated care for behavioral health treatment and prevention services will improve access to care, promote service continuity, and provide for more efficient and effective delivery of substance abuse and mental health services. The Legislature finds that discharge of a mental health consumer from a public receiving facility into homelessness is inappropriate and detrimental to recovery. It is the intent of the Legislature that such consumers not be discharged from a public receiving facility into homelessness. Managing entities, public receiving facilities, homeless services providers, and licensed housing providers shall work to create cooperative agreements and networks that facilitate recovery.

(b) The purpose of the behavioral health managing entities is to plan, coordinate, and contract for the delivery of community mental health and substance abuse services, to improve access to care, to promote service continuity, to purchase services, and to support efficient and effective delivery of services.

(2) DEFINITIONS.—As used in this section, the term:

(a) "Behavioral health services" means mental health services and substance abuse prevention and treatment services as described in this chapter and chapter 397.

(b) "Coordinated system of care" means the array of mental health services and substance abuse services described in s. 394.4573.

(c) "Geographic area" means one or more contiguous counties, circuits, or regions as described in s. 409.966.

(d) “Managed behavioral health organization” means a Medicaid managed care organization currently under contract with the statewide Medicaid managed medical assistance program in this state pursuant to part IV of chapter 409, including a managed care organization operating as a behavioral health specialty plan.

(e) “Managing entity” means a corporation selected by and under contract with the department to manage the daily operational delivery of behavioral health services through a coordinated system of care.

(f) “Provider network” means the group of direct service providers, facilities, and organizations under contract with a managing entity to provide a comprehensive array of emergency, acute care, residential, outpatient, recovery support, and consumer support services, including prevention services.

(g) “Subregion” means a distinct portion of a managing entity’s geographic region defined by unifying service and provider utilization patterns.

(3) **DEPARTMENT DUTIES.**—The department shall:

(a) Contract with organizations to serve as managing entities in accordance with the requirements of this section and conduct a readiness review of any new managing entities before such entities assume their responsibilities.

(b) Specify data reporting requirements and use of shared data systems.

(c) Develop strategies to divert persons with mental illness or substance use disorders from the criminal and juvenile justice systems in collaboration with the court system and the Department of Juvenile Justice and to integrate behavioral health services with the child welfare system.

(d) Support the development and implementation of a coordinated system of care by requiring each provider that receives state funds for behavioral health services through a direct contract with the department to work with the managing entity in the provider’s service area to coordinate the provision of behavioral health services as part of the contract with the department.

(e) Provide technical assistance to the managing entities.

(f) Promote the coordination of behavioral health care and primary care.

(g) Facilitate coordination between the managing entity and other payors of behavioral health care.

(h) Develop and provide a unique identifier for clients receiving behavioral health services through the managing entity to coordinate care.

(i) Coordinate procedures for the referral and admission of patients to, and the discharge of patients from, treatment facilities as defined in s. 394.455 and their return to the community.

(j) Ensure that managing entities comply with state and federal laws, rules, regulations, and grant requirements.

(k) Develop rules for the operations of, and the requirements that shall be met by, the managing entity, if necessary.

(l) Annually review contract and reporting requirements and reduce costly, duplicative, and unnecessary administrative requirements.

(4) **CONTRACT WITH MANAGING ENTITIES.**—

(a) In contracting for services with managing entities under this section, the department shall first attempt to contract with not-for-profit, community-based organizations with competence in managing provider networks serving persons with mental health and substance use disorders to serve as managing entities.

(b) The department shall issue an invitation to negotiate under s. 287.057 to select an organization to serve as a managing entity. If the department receives fewer than two responsive bids to the solicitation, the department shall reissue the solicitation, in which case managed

behavioral health organizations shall also be eligible to bid and be awarded a contract.

(c) If the managing entity is a not-for-profit, community-based organization, it must have a governing board that is representative. At a minimum, the governing board must include consumers and their family members; representatives of local government, area law enforcement agencies, health care facilities, and community-based care lead agencies; business leaders; and providers of substance abuse and mental health services as defined in this chapter and chapter 397.

(d) If the managing entity is a managed behavioral health organization, it must establish an advisory board that meets the same requirements specified in paragraph (c) for a governing board.

(e) If the department issues an invitation to negotiate pursuant to paragraph (b), the department shall consider, at a minimum, the following factors:

1. Experience serving persons with mental health and substance use disorders.

2. Established community partnerships with behavioral health care providers.

3. Demonstrated organizational capabilities for network management functions.

4. Capability to coordinate behavioral health services with primary care services.

5. Willingness to provide recovery-oriented services and systems of care and work collaboratively with persons with mental health and substance use disorders and their families in designing such systems and delivering such services.

(f) The department’s contracts with managing entities must support efficient and effective administration of the behavioral health system and ensure accountability for performance.

(g) A contractor serving as a managing entity shall operate under the same data reporting, administrative, and administrative rate requirements, regardless of whether it is a for-profit or not-for-profit entity.

(h) The contract must designate the geographic area that will be served by the managing entity, which area must be of sufficient size in population, funding, and services to allow for flexibility and efficiency.

(i) The contract must require that, when there is a change in the managing entity in a geographic area, a transition plan be developed and implemented by the department which ensures continuity of care for patients receiving behavioral health services.

(j) By June 30, 2019, if all other contract requirements and performance standards are met and the department determines that a managing entity under contract as of July 1, 2016, has received network accreditation pursuant to subsection (6), the department may continue its contract with the managing entity for up to, but not exceeding, 5 years, including any and all renewals and extensions. Thereafter, the department must issue a competitive solicitation pursuant to paragraph (b).

(5) **MANAGING ENTITY DUTIES.**—A managing entity shall:

(a) Maintain a governing board or, if a managed behavioral health organization, an advisory board as provided in paragraph (4)(c) or paragraph (4)(d), respectively.

(b) Conduct a community behavioral health care needs assessment every 3 years in the geographic area served by the managing entity which specifies needs by subregion. The process for conducting the needs assessment shall include an opportunity for public participation. The assessment shall include, at a minimum, the information the department needs for its annual report to the Governor and Legislature pursuant to s. 394.4573. The managing entity shall provide the needs assessment to the department.

(c) Determine the optimal array of services to meet the needs identified in the community behavioral health care needs assessment and expand the scope of services as resources become available.

(d) Work independently and collaboratively with stakeholders to improve access to and effectiveness, quality, and outcomes of behavioral health services. This work may include, but need not be limited to, facilitating the dissemination and use of evidence-informed practices.

(e) Promote the development and effective implementation of a coordinated system of care pursuant to s. 394.4573.

(f) Submit network management plans and other documents as required by the department.

(g) Develop a comprehensive provider network of qualified providers to deliver behavioral health services. The managing entity is not required to competitively procure network providers but shall publicize opportunities to join the provider network and evaluate providers in the network to determine if they may remain in the network. The managing entity shall publish these processes on its website. The managing entity shall ensure continuity of care for clients if a provider ceases to provide a service or leaves the network.

(h) As appropriate, develop local resources by pursuing third-party payments for services, applying for grants, assisting providers in securing local matching funds and in-kind services, and employing any other method needed to ensure that services are available and accessible.

(i) Provide assistance to counties to develop a designated receiving system pursuant to s. 394.4573 and a transportation plan pursuant to s. 394.462.

(j) Enter into cooperative agreements with local homeless councils and organizations for sharing information about clients, available resources, and other data or information for addressing the homelessness of persons suffering from a behavioral health crisis. All information sharing must comply with federal and state privacy and confidentiality laws, statutes, and regulations.

(k) Work collaboratively with public receiving facilities and licensed housing providers to establish a network of licensed housing resources for mental health consumers that will prevent and reduce readmissions to public receiving facilities.

(l) Monitor network providers' performance and their compliance with contract requirements and federal and state laws, rules, regulations, and grant requirements.

(m) Manage and allocate funds for services to meet federal and state laws, rules, and regulations.

(n) Promote coordination of behavioral health care with primary care.

(o) Implement shared data systems necessary for the delivery of coordinated care and integrated services, the assessment of managing entity performance and provider performance, and the reporting of outcomes and costs of services.

(p) Operate in a transparent manner, providing public access to information, notice of meetings, and opportunities for public participation in managing entity decisionmaking.

(q) Establish and maintain effective relationships with community stakeholders, including individuals served by the behavioral health system of care and their families, local governments, and other community organizations that meet the needs of individuals with mental illness or substance use disorders.

(r) Collaborate with and encourage increased coordination between the provider network and other systems, programs, and entities, such as the child welfare system, law enforcement agencies, the criminal and juvenile justice systems, the Medicaid program, offices of the public defender, and offices of criminal conflict and civil regional counsel.

1. Collaboration with the criminal and juvenile justice systems shall seek, at a minimum, to divert persons with mental illness, substance use disorders, or co-occurring conditions from these systems.

2. Collaboration with the court system shall seek, at a minimum, to develop specific written procedures and agreements to maximize the use of involuntary outpatient services, reduce involuntary inpatient treatment, and increase diversion from the criminal and juvenile justice systems.

3. Collaboration with the child welfare system shall seek, at a minimum, to provide effective and timely services to parents and caregivers involved in the child welfare system.

(6) NETWORK ACCREDITATION AND SYSTEMS COORDINATION AGREEMENTS.—

(a)1. The department shall identify acceptable accreditations which address coordination within a network and, if possible, between the network and major systems and programs with which the network interacts, such as the child welfare system, the courts system, and the Medicaid program. In identifying acceptable accreditations, the department shall consider whether the accreditation facilitates integrated strategic planning, resource coordination, technology integration, performance measurement, and increased value to consumers through choice of and access to services, improved coordination of services, and effectiveness and efficiency of service delivery.

2. All managing entities under contract with the state by July 1, 2016, shall earn accreditation deemed acceptable by the department pursuant to subparagraph 1. by June 30, 2019. Managing entities whose initial contract with the state is executed after July 1, 2016, shall earn network accreditation within 3 years after the contract execution date. Pursuant to paragraph (4)(j), the department may continue the contract of a managing entity under contract as of July 1, 2016, that earns the network accreditation within the required timeframe and maintains it throughout the contract term.

(b) If no accreditations are available or deemed acceptable pursuant to paragraph (a) which address coordination between the provider network and major systems and programs with which the provider network interacts, each managing entity shall enter into memoranda of understanding which details mechanisms for communication and coordination. The managing entity shall enter into such memoranda with any community-based care lead agencies, circuit courts, county courts, sheriffs' offices, offices of the public defender, offices of criminal conflict and civil regional counsel, Medicaid managed medical assistance plans, and homeless coalitions in its service area. Each managing entity under contract on July 1, 2016, shall enter into such memoranda by June 30, 2017, and each managing entity under contract after July 1, 2016, shall enter into such memoranda within 1 year after its contract execution date.

(7) PERFORMANCE MEASUREMENT AND ACCOUNTABILITY.—Managing entities shall collect and submit data to the department regarding persons served, outcomes of persons served, costs of services provided through the department's contract, and other data as required by the department. The department shall evaluate managing entity performance and the overall progress made by the managing entity, together with other systems, in meeting the community's behavioral health needs, based on consumer-centered outcome measures that reflect national standards, if possible, that can be accurately measured. The department shall work with managing entities to establish performance standards, including, but not limited to:

(a) The extent to which individuals in the community receive services, including, but not limited to, parents or caregivers involved in the child welfare system who need behavioral health services.

(b) The improvement in the overall behavioral health of a community.

(c) The improvement in functioning or progress in the recovery of individuals served by the managing entity, as determined using person-centered measures tailored to the population.

(d) The success of strategies to:

1. Divert admissions to acute levels of care, jails, prisons, and forensic facilities as measured by, at a minimum, the total number and percentage of clients who, during a specified period, experience multiple admissions to acute levels of care, jails, prisons, or forensic facilities; and

2. Address the housing needs of individuals being released from public receiving facilities who are homeless.

(e) Consumer and family satisfaction.

(f) The satisfaction of key community constituencies, such as law enforcement agencies, community-based care lead agencies, juvenile justice agencies, the courts, school districts, local government entities, hospitals, and other organizations, as appropriate, for the geographical service area of the managing entity.

(8) **ENHANCEMENT PLANS.**—By November 1 of each year, beginning in 2017, each managing entity shall develop and submit to the department a prioritized plan for phased enhancement of the behavioral health system of care by subregion of the managing entity's service area, if appropriate, based on the assessed behavioral health care needs of the subregion and service gaps. If the plan recommends additional funding, for each recommended use of funds the enhancement plan shall describe, at a minimum, the specific needs that would be met, the specific services that would be purchased, the estimated benefits of the services, the projected costs, the projected number of individuals that would be served, and any other information indicating the estimated benefit to the community. The managing entity shall include consumers and their family members, local governments, law enforcement agencies, service providers, community partners, and other stakeholders when developing the plan. Individual sections of the plan shall address:

(a) The designated receiving systems developed pursuant to s. 394.4573, and shall give consideration to implementation of no-wrong-door models; evidence-based, evidence-informed, and innovative practices for diverting individuals from the acute behavioral health care system; and the most efficient and cost-effective manner to address the needs of individuals once they are in the system.

(b) Treatment and recovery services, and shall emphasize the provision of care coordination to priority populations and the use of recovery-oriented, peer-involved approaches.

(c) Coordination between the behavioral health system of care and other systems, such as the child welfare system, and shall give consideration to approaches for enhancing such coordination.

(9) **FUNDING FOR MANAGING ENTITIES.**—

(a) A contract established between the department and a managing entity under this section shall be funded by general revenue, other applicable state funds, or applicable federal funding sources. A managing entity may carry forward documented unexpended state funds from one fiscal year to the next, but the cumulative amount carried forward may not exceed 8 percent of the annual amount of the contract. Any unexpended state funds in excess of that percentage shall be returned to the department. The funds carried forward may not be used in a way that would increase future recurring obligations or for any program or service that was not authorized under the existing contract with the department. Expenditures of funds carried forward shall be separately reported to the department. Any unexpended funds that remain at the end of the contract period shall be returned to the department. Funds carried forward may be retained through contract renewals and new contract procurements as long as the same managing entity is retained by the department.

(b) The method of payment for a fixed-price contract with a managing entity shall provide for a 2-month advance payment at the beginning of each fiscal year and equal monthly payments thereafter.

(10) **ACUTE CARE SERVICES UTILIZATION DATABASE.**—The department shall develop, implement, and maintain standards under which a managing entity shall collect utilization data from all public receiving facilities situated within its geographical service area and all detoxification and addictions receiving facilities under contract with the managing entity. As used in this subsection, the term "public receiving facility" means an entity that meets the licensure requirements of, and is designated by, the department to operate as a public receiving facility under s. 394.875 and that is operating as a licensed crisis stabilization unit.

(a) The department shall develop standards and protocols to be used for data collection, storage, transmittal, and analysis. The standards

and protocols shall allow for compatibility of data and data transmittal between public receiving facilities, detoxification facilities, addictions receiving facilities, managing entities, and the department for the implementation, and to meet the requirements, of this subsection.

(b) A managing entity shall require providers specified in paragraph (a) to submit data, in real time or at least daily, to the managing entity for:

1. All admissions and discharges of clients receiving public receiving facility services who qualify as indigent, as defined in s. 394.4787.

2. All admissions and discharges of clients receiving substance abuse services in an addictions receiving facility or detoxification facility pursuant to parts IV and V of chapter 397 who qualify as indigent.

3. The current active census of total licensed beds, the number of beds purchased by the department, the number of clients qualifying as indigent who occupy those beds, and the total number of unoccupied licensed beds, regardless of funding.

(c) A managing entity shall require providers specified in paragraph (a) to submit data, on a monthly basis, to the managing entity which aggregates the daily data submitted under paragraph (b). The managing entity shall reconcile the data in the monthly submission to the data received by the managing entity under paragraph (b) to check for consistency. If the monthly aggregate data submitted by a provider under this paragraph are inconsistent with the daily data submitted under paragraph (b), the managing entity shall consult with the provider to make corrections necessary to ensure accurate data.

(d) A managing entity shall require providers specified in paragraph (a) within its provider network to submit data, on an annual basis, to the managing entity which aggregates the data submitted and reconciled under paragraph (c). The managing entity shall reconcile the data in the annual submission to the data received and reconciled by the managing entity under paragraph (c) to check for consistency. If the annual aggregate data submitted by a provider under this paragraph are inconsistent with the data received and reconciled under paragraph (c), the managing entity shall consult with the provider to make corrections necessary to ensure accurate data.

(e) After ensuring the accuracy of data pursuant to paragraphs (c) and (d), the managing entity shall submit the data to the department on a monthly and an annual basis. The department shall create a statewide database for the data described under paragraph (b) and submitted under this paragraph for the purpose of analyzing the payments for and the use of crisis stabilization services funded by the Baker Act and detoxification and addictions receiving services provided pursuant to parts IV and V of chapter 397 on a statewide basis and on an individual provider basis.

Section 20. Subsections (4) through (9) of section 397.305, Florida Statutes, are renumbered as subsections (7) through (12), respectively, and new subsections (4), (5), and (6) are added to that section to read:

397.305 Legislative findings, intent, and purpose.—

(4) It is the intent of the Legislature that licensed, qualified health professionals be authorized to practice to the full extent of their education and training in the performance of professional functions necessary to carry out the intent of this chapter.

(5) It is the intent of the Legislature that state policy and funding decisions be driven by data concerning the populations served and the effectiveness of the services provided.

(6) It is the intent of the Legislature to establish expectations that services provided to persons in this state use the coordination-of-care principles characteristic of recovery-oriented services and include social support services, such as housing support, life skills and vocational training, and employment assistance, necessary for persons with substance use disorders or co-occurring substance use and mental health disorders to live successfully in their communities.

Section 21. Subsections (19) through (45) of section 397.311, Florida Statutes, are renumbered as subsections (20) through (48), respectively, new subsections (19), (21), and (22) are added to that section, and present subsections (30) and (38) of that section are amended, to read:

397.311 Definitions.—As used in this chapter, except part VIII, the term:

(19) *“Incompetent to consent to treatment” means a state in which a person’s judgment is so affected by a substance abuse impairment that he or she lacks the capacity to make a well-reasoned, willful, and knowing decision concerning his or her medical health, mental health, or substance abuse treatment.*

(21) *“Informed consent” means consent voluntarily given in writing by a competent person after sufficient explanation and disclosure of the subject matter involved to enable the person to make a knowing and willful decision without any element of force, fraud, deceit, duress, or other form of constraint or coercion.*

(22) *“Involuntary services” means an array of behavioral health services that may be ordered by the court for persons with substance abuse impairment or co-occurring substance abuse impairment and mental health disorders.*

(33)(30) *“Qualified professional” means a physician or a physician assistant licensed under chapter 458 or chapter 459; a professional nurse licensed under chapter 490 or chapter 491; an advanced registered nurse practitioner having a specialty in psychiatry licensed under part I of chapter 464; or a person who is certified through a department-recognized certification process for substance abuse treatment services and who holds, at a minimum, a bachelor’s degree. A person who is certified in substance abuse treatment services by a state-recognized certification process in another state at the time of employment with a licensed substance abuse provider in this state may perform the functions of a qualified professional as defined in this chapter but must meet certification requirements contained in this subsection no later than 1 year after his or her date of employment.*

(41)(38) *“Service component” or “component” means a discrete operational entity within a service provider which is subject to licensing as defined by rule. Service components include prevention, intervention, and clinical treatment described in subsection (25) (22).*

Section 22. Subsections (16) through (20) of section 397.321, Florida Statutes, are renumbered as subsections (15) through (19), respectively, present subsection (15) is amended, and a new subsection (20) is added to that section, to read:

397.321 Duties of the department.—The department shall:

~~(15) Appoint a substance abuse impairment coordinator to represent the department in efforts initiated by the statewide substance abuse impairment prevention and treatment coordinator established in s. 397.801 and to assist the statewide coordinator in fulfilling the responsibilities of that position.~~

(20) *Develop and prominently display on its website all forms necessary for the implementation and administration of parts IV and V of this chapter. These forms shall include, but are not limited to, a petition for involuntary admission form and all related pleading forms, and a form to be used by law enforcement agencies pursuant to s. 397.6772. The department shall notify law enforcement agencies, the courts, and other state agencies of the existence and availability of such forms.*

Section 23. Section 397.675, Florida Statutes, is amended to read:

397.675 Criteria for involuntary admissions, including protective custody, emergency admission, and other involuntary assessment, involuntary treatment, and alternative involuntary assessment for minors, for purposes of assessment and stabilization, and for involuntary treatment.—A person meets the criteria for involuntary admission if there is good faith reason to believe that the person is substance abuse impaired or has a co-occurring mental health disorder and, because of such impairment or disorder:

(1) Has lost the power of self-control with respect to substance abuse use; and either

(2)(a) ~~Has inflicted, or threatened or attempted to inflict, or unless admitted is likely to inflict, physical harm on himself or herself or another; or~~

~~(b) Is in need of substance abuse services and, by reason of substance abuse impairment, his or her judgment has been so impaired that he or she the person is incapable of appreciating his or her need for such services and of making a rational decision in that regard, although thereto; however, mere refusal to receive such services does not constitute evidence of lack of judgment with respect to his or her need for such services; or~~

(b) *Without care or treatment, is likely to suffer from neglect or refuse to care for himself or herself; that such neglect or refusal poses a real and present threat of substantial harm to his or her well-being; and that it is not apparent that such harm may be avoided through the help of willing family members or friends or the provision of other services, or there is substantial likelihood that the person has inflicted, or threatened to or attempted to inflict, or, unless admitted, is likely to inflict, physical harm on himself, herself, or another.*

Section 24. Paragraph (g) is added to subsection (1) of section 397.6751, Florida Statutes, to read:

397.6751 Service provider responsibilities regarding involuntary admissions.—

(1) It is the responsibility of the service provider to:

(g) *Submit to the department a copy of any court order, law enforcement report, or professional certificate requiring an individual to undergo involuntary services within 1 working day after it is received.*

Section 25. Subsection (1) of section 397.6772, Florida Statutes, is amended to read:

397.6772 Protective custody without consent.—

(1) If a person in circumstances which justify protective custody as described in s. 397.677 fails or refuses to consent to assistance and a law enforcement officer has determined that a hospital or a licensed detoxification or addictions receiving facility is the most appropriate place for the person, the officer may, after giving due consideration to the expressed wishes of the person:

(a) Take the person to a hospital or to a licensed detoxification or addictions receiving facility against the person’s will but without using unreasonable force. *The officer shall use the standard form developed by the department pursuant to s. 397.321 to execute a written report detailing the circumstances under which the person was taken into custody. The written report shall be included in the patient’s clinical record; or*

(b) In the case of an adult, detain the person for his or her own protection in any municipal or county jail or other appropriate detention facility.

Such detention is not to be considered an arrest for any purpose, and no entry or other record may be made to indicate that the person has been detained or charged with any crime. The officer in charge of the detention facility must notify the nearest appropriate licensed service provider within the first 8 hours after detention that the person has been detained. It is the duty of the detention facility to arrange, as necessary, for transportation of the person to an appropriate licensed service provider with an available bed. Persons taken into protective custody must be assessed by the attending physician within the 72-hour period and without unnecessary delay, to determine the need for further services.

Section 26. Paragraph (a) of subsection (1) of section 397.6773, Florida Statutes, is amended to read:

397.6773 Dispositional alternatives after protective custody.—

(1) An individual who is in protective custody must be released by a qualified professional when:

(a) The individual no longer meets the involuntary admission criteria in s. 397.675 ~~397.675(1)~~;

Section 27. Section 397.679, Florida Statutes, is amended to read:

397.679 Emergency admission; circumstances justifying.—A person who meets the criteria for involuntary admission in s. 397.675 may be admitted to a hospital or to a licensed detoxification facility or addictions receiving facility for emergency assessment and stabilization, or to a less intensive component of a licensed service provider for assessment only, upon receipt by the facility of a ~~the physician's certificate by a physician, an advanced registered nurse practitioner, a clinical psychologist, a clinical social worker, a marriage and family therapist, a mental health counselor, a physician assistant working under the scope of practice of the supervising physician, or a master's-level-certified addictions professional for substance abuse services, if the certificate is specific to substance abuse impairment, and the completion of an application for emergency admission.~~

Section 28. Section 397.6791, Florida Statutes, is amended to read:

397.6791 Emergency admission; persons who may initiate.—The following persons may request a certificate for ~~an~~ emergency assessment or admission:

(1) In the case of an adult, any professional who may issue a professional certificate pursuant to s. 397.6793, ~~the certifying physician~~, the person's spouse or legal guardian, any relative of the person, or any other responsible adult who has personal knowledge of the person's substance abuse impairment.

(2) In the case of a minor, the minor's parent, legal guardian, or legal custodian.

Section 29. Section 397.6793, Florida Statutes, is amended to read:

397.6793 *Professional's ~~Physician's~~ certificate for emergency admission.*—

(1) *A physician, a clinical psychologist, a physician assistant working under the scope of practice of the supervising physician, a psychiatric nurse, an advanced registered nurse practitioner, a mental health counselor, a marriage and family therapist, a master's-level-certified addictions professional for substance abuse services, or a clinical social worker may execute a professional's certificate for emergency admission. The professional's ~~physician's~~ certificate must include the name of the person to be admitted, the relationship between the person and the professional executing the certificate ~~physician~~, the relationship between the applicant and the professional ~~physician~~, any relationship between the professional ~~physician~~ and the licensed service provider, and a statement that the person has been examined and assessed within the preceding 5 days after of the application date, and ~~must include~~ factual allegations with respect to the need for emergency admission, including:*

(a) The reason for the ~~physician's~~ belief that the person is substance abuse impaired; ~~and~~

(b) The reason for the ~~physician's~~ belief that because of such impairment the person has lost the power of self-control with respect to substance abuse; and ~~either~~

(c)1. The reason for the belief ~~physician believes~~ that, *without care or treatment, the person is likely to suffer from neglect or refuse to care for himself or herself; that such neglect or refusal poses a real and present threat of substantial harm to his or her well-being; and that it is not apparent that such harm may be avoided through the help of willing family members or friends or the provision of other services, or there is substantial likelihood that the person has inflicted or, unless admitted, is likely to inflict, physical harm on himself, or herself, or another ~~others~~ unless admitted; or*

2. The reason for the belief ~~physician believes~~ that the person's refusal to voluntarily receive care is based on judgment so impaired by reason of substance abuse that the person is incapable of appreciating his or her need for care and of making a rational decision regarding his or her need for care.

(2) The professional's ~~physician's~~ certificate must recommend the least restrictive type of service that is appropriate for the person. The certificate must be signed by the professional ~~physician~~. *If other less restrictive means are not available, such as voluntary appearance for outpatient evaluation, a law enforcement officer shall take the person named in the certificate into custody and deliver him or her to the appropriate facility for involuntary assessment and stabilization.*

(3) A signed copy of the ~~professional's physician's~~ certificate shall accompany the person; and shall be made a part of the person's clinical record, together with a signed copy of the application. The application and the ~~professional's physician's~~ certificate authorize the involuntary admission of the person pursuant to, and subject to the provisions of, ss. 397.679-397.6797.

(4) *The professional's certificate is valid for 7 days after issuance.*

(5) *The professional's ~~physician's~~ certificate must indicate whether the person requires transportation assistance for delivery for emergency admission and specify, pursuant to s. 397.6795, the type of transportation assistance necessary.*

Section 30. Section 397.6795, Florida Statutes, is amended to read:

397.6795 Transportation-assisted delivery of persons for emergency assessment.—An applicant for a person's emergency admission, ~~or~~ the person's spouse or guardian, ~~or a law enforcement officer, or a health officer~~ may deliver a person named in the ~~professional's physician's~~ certificate for emergency admission to a hospital or a licensed detoxification facility or addictions receiving facility for emergency assessment and stabilization.

Section 31. Subsection (1) of section 397.681, Florida Statutes, is amended to read:

397.681 Involuntary petitions; general provisions; court jurisdiction and right to counsel.—

(1) JURISDICTION.—The courts have jurisdiction of involuntary assessment and stabilization petitions and involuntary treatment petitions for substance abuse impaired persons, and such petitions must be filed with the clerk of the court in the county where the person is located. *The clerk of the court may not charge a fee for the filing of a petition under this section.* The chief judge may appoint a general or special magistrate to preside over all or part of the proceedings. The alleged impaired person is named as the respondent.

Section 32. Subsection (1) of section 397.6811, Florida Statutes, is amended to read:

397.6811 Involuntary assessment and stabilization.—A person determined by the court to appear to meet the criteria for involuntary admission under s. 397.675 may be admitted for a period of 5 days to a hospital or to a licensed detoxification facility or addictions receiving facility, for involuntary assessment and stabilization or to a less restrictive component of a licensed service provider for assessment only upon entry of a court order or upon receipt by the licensed service provider of a petition. Involuntary assessment and stabilization may be initiated by the submission of a petition to the court.

(1) If the person upon whose behalf the petition is being filed is an adult, a petition for involuntary assessment and stabilization may be filed by the respondent's spouse or legal guardian, any relative, a private practitioner, the director of a licensed service provider or the director's designee, or an adult ~~any three adults~~ who has direct ~~have~~ personal knowledge of the respondent's substance abuse impairment.

Section 33. Section 397.6814, Florida Statutes, is amended to read:

397.6814 Involuntary assessment and stabilization; contents of petition.—A petition for involuntary assessment and stabilization must contain the name of the respondent; the name of the applicant or applicants; the relationship between the respondent and the applicant, ~~and;~~ the name of the respondent's attorney, if known, ~~and a statement of the respondent's ability to afford an attorney;~~ and must state facts to support the need for involuntary assessment and stabilization, including:

(1) The reason for the petitioner's belief that the respondent is substance abuse impaired; ~~and~~

(2) The reason for the petitioner's belief that because of such impairment the respondent has lost the power of self-control with respect to substance abuse; and ~~either~~

(3)(a) The reason the petitioner believes that the respondent has inflicted or is likely to inflict physical harm on himself or herself or others unless admitted; or

(b) The reason the petitioner believes that the respondent's refusal to voluntarily receive care is based on judgment so impaired by reason of substance abuse that the respondent is incapable of appreciating his or her need for care and of making a rational decision regarding that need for care. If the respondent has refused to submit to an assessment, such refusal must be alleged in the petition.

A fee may not be charged for the filing of a petition pursuant to this section.

Section 34. Subsection (4) is added to section 397.6818, Florida Statutes, to read:

397.6818 Court determination.—At the hearing initiated in accordance with s. 397.6811(1), the court shall hear all relevant testimony. The respondent must be present unless the court has reason to believe that his or her presence is likely to be injurious to him or her, in which event the court shall appoint a guardian advocate to represent the respondent. The respondent has the right to examination by a court-appointed qualified professional. After hearing all the evidence, the court shall determine whether there is a reasonable basis to believe the respondent meets the involuntary admission criteria of s. 397.675.

(4) *The order is valid only for the period specified in the order or, if a period is not specified, for 7 days after the order is signed.*

Section 35. Section 397.6819, Florida Statutes, is amended to read:

397.6819 Involuntary assessment and stabilization; responsibility of licensed service provider.—A licensed service provider may admit an individual for involuntary assessment and stabilization for a period not to exceed 5 days *unless a petition for involuntary services has been initiated and the individual is being retained pursuant to s. 397.6822(3) or a request for an extension of time has been filed with the court pursuant to s. 397.6821.* The individual must be assessed *within 72 hours without unnecessary delay* by a qualified professional. If an assessment is performed by a qualified professional who is not a physician, the assessment must be reviewed by a physician before the end of the assessment period.

Section 36. Section 397.695, Florida Statutes, is amended to read:

397.695 Involuntary services ~~treatment~~; persons who may petition.—

(1) If the respondent is an adult, a petition for involuntary services ~~treatment~~ may be filed by the respondent's spouse or legal guardian, any relative, a service provider, or ~~an adult~~ *any three adults* who has direct ~~have~~ personal knowledge of the respondent's substance abuse impairment and his or her prior course of assessment and treatment.

(2) If the respondent is a minor, a petition for involuntary treatment may be filed by a parent, legal guardian, or service provider.

Section 37. Section 397.6951, Florida Statutes, is amended to read:

397.6951 Contents of petition for involuntary services ~~treatment~~.—A petition for involuntary services ~~treatment~~ must contain the name of the respondent ~~to be admitted~~; the name of the petitioner or petitioners; the relationship between the respondent and the petitioner; the name of the respondent's attorney, if known, ~~and a statement of the petitioner's knowledge of the respondent's ability to afford an attorney~~; the findings and recommendations of the assessment performed by the qualified professional; and the factual allegations presented by the petitioner establishing the need for involuntary *outpatient services*. *The factual allegations must demonstrate treatment, including:*

(1) The reason for the petitioner's belief that the respondent is substance abuse impaired; ~~and~~

(2) The reason for the petitioner's belief that because of such impairment the respondent has lost the power of self-control with respect to substance abuse; and ~~either~~

(3)(a) The reason the petitioner believes that the respondent has inflicted or is likely to inflict physical harm on himself or herself or others unless *the court orders the involuntary services admitted*; or

(b) The reason the petitioner believes that the respondent's refusal to voluntarily receive care is based on judgment so impaired by reason of substance abuse that the respondent is incapable of appreciating his or her need for care and of making a rational decision regarding that need for care.

Section 38. Section 397.6955, Florida Statutes, is amended to read:

397.6955 Duties of court upon filing of petition for involuntary services ~~treatment~~.—

(1) Upon the filing of a petition for ~~the involuntary services for treatment of~~ a substance abuse impaired person with the clerk of the court, the court shall immediately determine whether the respondent is represented by an attorney or whether the appointment of counsel for the respondent is appropriate. *If the court appoints counsel for the person, the clerk of the court shall immediately notify the office of criminal conflict and civil regional counsel, created pursuant to s. 27.511, of the appointment. The office of criminal conflict and civil regional counsel shall represent the person until the petition is dismissed, the court order expires, or the person is discharged from involuntary services. An attorney that represents the person named in the petition shall have access to the person, witnesses, and records relevant to the presentation of the person's case and shall represent the interests of the person, regardless of the source of payment to the attorney.*

(2) The court shall schedule a hearing to be held on the petition within ~~5 to 10~~ days *unless a continuance is granted. The court may appoint a magistrate to preside at the hearing.*

(3) A copy of the petition and notice of the hearing must be provided to the respondent; the respondent's parent, guardian, or legal custodian, in the case of a minor; the respondent's attorney, if known; the petitioner; the respondent's spouse or guardian, if applicable; and such other persons as the court may direct. *If the respondent is a minor, a copy of the petition and notice of the hearing must be and have such petition and order personally delivered to the respondent if he or she is a minor.* The court shall also issue a summons to the person whose admission is sought.

Section 39. Section 397.6957, Florida Statutes, is amended to read:

397.6957 Hearing on petition for involuntary services ~~treatment~~.—

(1) At a hearing on a petition for involuntary services ~~treatment~~, the court shall hear and review all relevant evidence, including the review of results of the assessment completed by the qualified professional in connection with the respondent's protective custody, emergency admission, involuntary assessment, or alternative involuntary admission. The respondent must be present unless the court finds that his or her presence is likely to be injurious to himself or herself or others, in which event the court must appoint a guardian advocate to act in behalf of the respondent throughout the proceedings.

(2) The petitioner has the burden of proving by clear and convincing evidence *that:*

(a) The respondent is substance abuse impaired *and has a history of lack of compliance with treatment for substance abuse;* and

(b) Because of such impairment *the respondent is unlikely to voluntarily participate in the recommended services or is unable to determine for himself or herself whether services are necessary* ~~the respondent has lost the power of self control with respect to substance abuse; and either~~

1. *Without services, the respondent is likely to suffer from neglect or refuse to care for himself or herself; that such neglect or refusal poses a real and present threat of substantial harm to his or her well-being; and that there is a substantial likelihood that without services the respondent will cause serious bodily harm to himself, herself, or another in the near future, as evidenced by recent behavior* ~~The respondent has inflicted or is likely to inflict physical harm on himself or herself or others unless admitted; or~~

2. The respondent's refusal to voluntarily receive care is based on judgment so impaired by reason of substance abuse that the respondent is incapable of appreciating his or her need for care and of making a rational decision regarding that need for care.

(3) *One of the qualified professionals who executed the involuntary services certificate must be a witness. The court shall allow testimony from individuals, including family members, deemed by the court to be relevant under state law, regarding the respondent's prior history and how that prior history relates to the person's current condition. The testimony in the hearing must be under oath, and the proceedings must be recorded. The patient may refuse to testify at the hearing.*

(4)(3) At the conclusion of the hearing the court shall ~~either~~ dismiss the petition or order the respondent to receive ~~undergo~~ involuntary services from his or her ~~substance abuse treatment, with the respondent's~~ chosen licensed service provider ~~if to deliver the involuntary substance abuse treatment where possible and appropriate.~~

Section 40. Section 397.697, Florida Statutes, is amended to read:

397.697 Court determination; effect of court order for involuntary services ~~substance abuse treatment.~~—

(1) When the court finds that the conditions for involuntary services ~~substance abuse treatment~~ have been proved by clear and convincing evidence, it may order the respondent to receive ~~undergo~~ involuntary services from ~~treatment by a publicly funded~~ licensed service provider for a period not to exceed 90 ~~60~~ days. *The court may also order a respondent to undergo treatment through a privately funded licensed service provider if the respondent has the ability to pay for the treatment, or if any person on the respondent's behalf voluntarily demonstrates a willingness and an ability to pay for the treatment.* If the court finds it necessary, it may direct the sheriff to take the respondent into custody and deliver him or her to the licensed service provider specified in the court order, or to the nearest appropriate licensed service provider, for involuntary services ~~treatment~~. When the conditions justifying involuntary services ~~treatment~~ no longer exist, the individual must be released as provided in s. 397.6971. When the conditions justifying involuntary services ~~treatment~~ are expected to exist after 90 ~~60~~ days of services ~~treatment~~, a renewal of the involuntary services ~~treatment~~ order may be requested pursuant to s. 397.6975 ~~before~~ ~~prior to~~ the end of the 90-day ~~60-day~~ period.

(2) In all cases resulting in an order for involuntary services ~~substance abuse treatment~~, the court shall retain jurisdiction over the case and the parties for the entry of such further orders as the circumstances may require. The court's requirements for notification of proposed release must be included in the original ~~treatment~~ order.

(3) An involuntary services ~~treatment~~ order authorizes the licensed service provider to require the individual to receive services that ~~undergo such treatment as~~ will benefit him or her, including services ~~treatment~~ at any licensable service component of a licensed service provider.

(4) *If the court orders involuntary services, a copy of the order must be sent to the managing entity within 1 working day after it is received from the court. Documents may be submitted electronically though existing data systems, if applicable.*

Section 41. Section 397.6971, Florida Statutes, is amended to read:

397.6971 Early release from involuntary services ~~substance abuse treatment.~~—

(1) At any time ~~before~~ ~~prior to~~ the end of the 90-day ~~60-day~~ involuntary services ~~treatment~~ period, or ~~before~~ ~~prior to~~ the end of any extension granted pursuant to s. 397.6975, an individual receiving ~~admitted for~~ involuntary services ~~treatment~~ may be determined eligible for discharge to the most appropriate referral or disposition for the individual when any of the following apply:

(a) The individual no longer meets the criteria for involuntary admission and has given his or her informed consent to be transferred to voluntary treatment status.;

(b) If the individual was admitted on the grounds of likelihood of infliction of physical harm upon himself or herself or others, such likelihood no longer exists. ~~;~~

(c) If the individual was admitted on the grounds of need for assessment and stabilization or treatment, accompanied by inability to make a determination respecting such need, ~~either~~:

1. Such inability no longer exists; or
2. It is evident that further treatment will not bring about further significant improvements in the individual's condition.;

(d) The individual is no longer in need of services. ~~;~~

(e) The director of the service provider determines that the individual is beyond the safe management capabilities of the provider.

(2) Whenever a qualified professional determines that an individual admitted for involuntary services ~~qualifies treatment is ready~~ for early release ~~under for any of the reasons listed in~~ subsection (1), the service provider shall immediately discharge the individual, and must notify all persons specified by the court in the original treatment order.

Section 42. Section 397.6975, Florida Statutes, is amended to read:

397.6975 Extension of involuntary services ~~substance abuse treatment~~ period.—

(1) Whenever a service provider believes that an individual who is nearing the scheduled date of his or her release from involuntary services ~~treatment~~ continues to meet the criteria for involuntary services ~~treatment~~ in s. 397.693, a petition for renewal of the involuntary services ~~treatment~~ order may be filed with the court at least 10 days before the expiration of the court-ordered services ~~treatment~~ period. The court shall immediately schedule a hearing to be held not more than 15 days after filing of the petition. The court shall provide the copy of the petition for renewal and the notice of the hearing to all parties to the proceeding. The hearing is conducted pursuant to s. 397.6957.

(2) If the court finds that the petition for renewal of the involuntary services ~~treatment~~ order should be granted, it may order the respondent to receive ~~undergo~~ involuntary services ~~treatment~~ for a period not to exceed an additional 90 days. When the conditions justifying involuntary services ~~treatment~~ no longer exist, the individual must be released as provided in s. 397.6971. When the conditions justifying involuntary services ~~treatment~~ continue to exist after an *additional* 90 days of service ~~additional treatment~~, a new petition requesting renewal of the involuntary services ~~treatment~~ order may be filed pursuant to this section.

(3) *Within 1 court working day after the filing of a petition for continued involuntary services, the court shall appoint the office of criminal conflict and civil regional counsel to represent the respondent, unless the respondent is otherwise represented by counsel. The clerk of the court shall immediately notify the office of criminal conflict and civil regional counsel of such appointment. The office of criminal conflict and civil regional counsel shall represent the respondent until the petition is dismissed or the court order expires or the respondent is discharged from involuntary services. Any attorney representing the respondent shall have access to the respondent, witnesses, and records relevant to the presentation of the respondent's case and shall represent the interests of the respondent, regardless of the source of payment to the attorney.*

(4) *Hearings on petitions for continued involuntary services shall be before the circuit court. The court may appoint a magistrate to preside at the hearing. The procedures for obtaining an order pursuant to this section shall be in accordance with s. 397.697.*

(5) *Notice of hearing shall be provided to the respondent or his or her counsel. The respondent and the respondent's counsel may agree to a period of continued involuntary services without a court hearing.*

(6) *The same procedure shall be repeated before the expiration of each additional period of involuntary services.*

(7) *If the respondent has previously been found incompetent to consent to treatment, the court shall consider testimony and evidence regarding the respondent's competence.*

Section 43. Section 397.6977, Florida Statutes, is amended to read:

397.6977 Disposition of individual upon completion of involuntary services ~~substance abuse treatment~~.—At the conclusion of the 90-day ~~60-day~~ period of court-ordered involuntary services ~~treatment~~, the respondent ~~individual~~ is automatically discharged unless a motion for renewal of the involuntary services ~~treatment~~ order has been filed with the court pursuant to s. 397.6975.

Section 44. Section 397.6978, Florida Statutes, is created to read:

397.6978 Guardian advocate; patient incompetent to consent; substance abuse disorder.—

(1) *The administrator of an addictions receiving facility may petition the court for the appointment of a guardian advocate based upon the opinion of a qualified professional that the patient is incompetent to consent to treatment. If the court finds that a patient is incompetent to consent to treatment and has not been adjudicated incapacitated and that a guardian with the authority to consent to substance abuse treatment has not been appointed, it may appoint a guardian advocate. The patient has the right to have an attorney represent him or her at the hearing. If the person is indigent, the court shall appoint the office of criminal conflict and civil regional counsel to represent him or her at the hearing. The patient has the right to testify, cross-examine witnesses, and present witnesses. The proceeding shall be recorded electronically or stenographically, and testimony must be provided under oath. One of the qualified professionals authorized to give an opinion in support of a petition for involuntary services, as described in s. 397.693, must testify. A guardian advocate must meet the qualifications of a guardian contained in part IV of chapter 744. The person who is appointed as a guardian advocate must agree to the appointment.*

(2) *The following persons are prohibited from appointment as a patient's guardian advocate:*

(a) *A professional providing clinical services to the individual under this part.*

(b) *The qualified professional who initiated the involuntary examination of the individual, if the examination was initiated by a qualified professional's certificate.*

(c) *An employee, an administrator, or a board member of the facility providing the examination of the individual.*

(d) *An employee, an administrator, or a board member of the treatment facility providing treatment of the individual.*

(e) *A person providing any substantial professional services, excluding public guardians or professional guardians, to the individual, including clinical services.*

(f) *A creditor of the individual.*

(g) *A person subject to an injunction for protection against domestic violence under s. 741.30, whether the order of injunction is temporary or final, and for which the individual was the petitioner.*

(h) *A person subject to an injunction for protection against repeat violence, stalking, sexual violence, or dating violence under s. 784.046, whether the order of injunction is temporary or final, and for which the individual was the petitioner.*

(3) *A facility requesting appointment of a guardian advocate must, before the appointment, provide the prospective guardian advocate with information about the duties and responsibilities of guardian advocates, including information about the ethics of medical decisionmaking. Before asking a guardian advocate to give consent to treatment for a patient, the facility must provide to the guardian advocate sufficient information so that the guardian advocate can decide whether to give express and informed consent to the treatment. Such information must include information that demonstrates that the treatment is essential to the care of the patient and does not present an unreasonable risk of serious, hazardous, or irreversible side effects. If possible, before giving consent to treatment, the guardian advocate must personally meet and talk with the patient and the patient's physician. If that is not possible, the discussion may be conducted by telephone. The decision of the*

guardian advocate may be reviewed by the court, upon petition of the patient's attorney, the patient's family, or the facility administrator.

(4) *In lieu of the training required for guardians appointed pursuant to chapter 744, a guardian advocate shall attend at least a 4-hour training course approved by the court before exercising his or her authority. At a minimum, the training course must include information about patient rights, the diagnosis of substance abuse disorders, the ethics of medical decisionmaking, and the duties of guardian advocates.*

(5) *The required training course and the information to be supplied to prospective guardian advocates before their appointment must be developed by the department, approved by the chief judge of the circuit court, and taught by a court-approved organization, which may include, but need not be limited to, a community college, a guardianship organization, a local bar association, or The Florida Bar. The training course may be web-based, provided in video format, or provided in other electronic means but must be capable of ensuring the identity and participation of the prospective guardian advocate. The court may waive some or all of the training requirements for guardian advocates or impose additional requirements. The court shall make its decision on a case-by-case basis and, in making its decision, shall consider the experience and education of the guardian advocate, the duties assigned to the guardian advocate, and the needs of the patient.*

(6) *In selecting a guardian advocate, the court shall give preference to the patient's health care surrogate, if one has already been designated by the patient. If the patient has not previously designated a health care surrogate, the selection shall be made, except for good cause documented in the court record, from among the following persons, listed in order of priority:*

(a) *The spouse of the patient.*

(b) *An adult child of the patient.*

(c) *A parent of the patient.*

(d) *The adult next of kin of the patient.*

(e) *An adult friend of the patient.*

(f) *An adult trained and willing to serve as the guardian advocate for the patient.*

(7) *If a guardian with the authority to consent to medical treatment has not already been appointed, or if the patient has not already designated a health care surrogate, the court may authorize the guardian advocate to consent to medical treatment as well as substance abuse disorder treatment. Unless otherwise limited by the court, a guardian advocate with authority to consent to medical treatment has the same authority to make health care decisions and is subject to the same restrictions as a proxy appointed under part IV of chapter 765. Unless the guardian advocate has sought and received express court approval in a proceeding separate from the proceeding to determine the competence of the patient to consent to medical treatment, the guardian advocate may not consent to:*

(a) *Abortion.*

(b) *Sterilization.*

(c) *Electroshock therapy.*

(d) *Psychosurgery.*

(e) *Experimentally approved institutional review board in accordance with 45 C.F.R. part 46 or 21 C.F.R. part 56.*

The court must base its authorization on evidence that the treatment or procedure is essential to the care of the patient and that the treatment does not present an unreasonable risk of serious, hazardous, or irreversible side effects. In complying with this subsection, the court shall follow the procedures set forth in subsection (1).

(8) *The guardian advocate shall be discharged when the patient is discharged from an order for involuntary services or when the patient is transferred from involuntary to voluntary status. The court or a hearing*

officer shall consider the competence of the patient as provided in subsection (1) and may consider an involuntarily placed patient's competence to consent to services at any hearing. Upon sufficient evidence, the court may restore, or the magistrate may recommend that the court restore, the patient's competence. A copy of the order restoring competence or the certificate of discharge containing the restoration of competence shall be provided to the patient and the guardian advocate.

Section 45. Paragraphs (d) through (m) of subsection (2) of section 409.967, are redesignated as paragraphs (e) through (n), respectively, and a new paragraph (d) is added to that subsection to read:

409.967 Managed care plan accountability.—

(2) The agency shall establish such contract requirements as are necessary for the operation of the statewide managed care program. In addition to any other provisions the agency may deem necessary, the contract must require:

(d) *Quality care.*—Managed care plans shall provide, or contract for the provision of, care coordination to facilitate the appropriate delivery of behavioral health care services in the least restrictive setting with treatment and recovery capabilities that address the needs of the patient. Services shall be provided in a manner that integrates behavioral health services and primary care. Plans shall be required to achieve specific behavioral health outcome standards, established by the agency in consultation with the department.

Section 46. Subsection (5) is added to section 409.973, Florida Statutes, to read:

409.973 Benefits.—

(5) *INTEGRATED BEHAVIORAL HEALTH INITIATIVE.*—Each plan operating in the managed medical assistance program shall work with the managing entity in its service area to establish specific organizational supports and protocols that enhance the integration and coordination of primary care and behavioral health services for Medicaid recipients. Progress in this initiative shall be measured using the integration framework and core measures developed by the Agency for Healthcare Research and Quality.

Section 47. Section 491.0045, Florida Statutes, is amended to read:

491.0045 Intern registration; requirements.—

(1) ~~Effective January 1, 1998,~~ An individual who *has not satisfied intends to practice in Florida to satisfy* the postgraduate or post-master's level experience requirements, as specified in s. 491.005(1)(c), (3)(c), or (4)(c), must register as an intern in the profession for which he or she is seeking licensure ~~before~~ *prior to* commencing the post-master's experience requirement or an individual who intends to satisfy part of the required graduate-level practicum, internship, or field experience, outside the academic arena for any profession, must register as an intern in the profession for which he or she is seeking licensure ~~before~~ *prior to* commencing the practicum, internship, or field experience.

(2) The department shall register as a clinical social worker intern, marriage and family therapist intern, or mental health counselor intern each applicant who the board certifies has:

(a) Completed the application form and remitted a nonrefundable application fee not to exceed \$200, as set by board rule;

(b)1. Completed the education requirements as specified in s. 491.005(1)(c), (3)(c), or (4)(c) for the profession for which he or she is applying for licensure, if needed; and

2. Submitted an acceptable supervision plan, as determined by the board, for meeting the practicum, internship, or field work required for licensure that was not satisfied in his or her graduate program.

(c) Identified a qualified supervisor.

(3) An individual registered under this section must remain under supervision *while practicing under registered intern status until he or she is in receipt of a license or a letter from the department stating that he or she is licensed to practice the profession for which he or she applied.*

~~(4) An individual who has applied for intern registration on or before December 31, 2001, and has satisfied the education requirements of s. 491.005 that are in effect through December 31, 2000, will have met the educational requirements for licensure for the profession for which he or she has applied.~~

~~(4)(5) An individual who fails~~ *Individuals who have commenced the experience requirement as specified in s. 491.005(1)(c), (3)(c), or (4)(c) but failed to register as required by subsection (1) shall register with the department before January 1, 2000. Individuals who fail to comply with this section may* ~~subsection shall not be granted a license under this chapter, and any time spent by the individual completing the experience requirement as specified in s. 491.005(1)(c), (3)(c), or (4)(c) before~~ *prior to* registering as an intern ~~does shall~~ not count toward completion of the ~~such~~ requirement.

(5) *An intern registration is valid for 5 years.*

(6) *A registration issued on or before March 31, 2017, expires March 31, 2022, and may not be renewed or reissued. Any registration issued after March 31, 2017, expires 60 months after the date it is issued. A subsequent intern registration may not be issued unless the candidate has passed the theory and practice examination described in s. 491.005(1)(d), (3)(d), and (4)(d).*

(7) *An individual who has held a provisional license issued by the board may not apply for an intern registration in the same profession.*

Section 48. *Section 394.4674, Florida Statutes, is repealed.*

Section 49. *Section 394.4985, Florida Statutes, is repealed.*

Section 50. *Section 394.745, Florida Statutes, is repealed.*

Section 51. *Section 397.331, Florida Statutes, is repealed.*

Section 52. *Section 397.801, Florida Statutes, is repealed.*

Section 53. *Section 397.811, Florida Statutes, is repealed.*

Section 54. *Section 397.821, Florida Statutes, is repealed.*

Section 55. *Section 397.901, Florida Statutes, is repealed.*

Section 56. *Section 397.93, Florida Statutes, is repealed.*

Section 57. *Section 397.94, Florida Statutes, is repealed.*

Section 60. *Section 397.98, Florida Statutes, is repealed.*

Section 61. Paragraph (a) of subsection (3) of section 39.407, Florida Statutes, is amended to read:

39.407 Medical, psychiatric, and psychological examination and treatment of child; physical, mental, or substance abuse examination of person with or requesting child custody.—

(3)(a)1. Except as otherwise provided in subparagraph (b)1. or paragraph (e), before the department provides psychotropic medications to a child in its custody, the prescribing physician shall attempt to obtain express and informed consent, as defined in s. 394.455(15) ~~or 394.455(9)~~ and as described in s. 394.459(3)(a), from the child's parent or legal guardian. The department must take steps necessary to facilitate the inclusion of the parent in the child's consultation with the physician. However, if the parental rights of the parent have been terminated, the parent's location or identity is unknown or cannot reasonably be ascertained, or the parent declines to give express and informed consent, the department may, after consultation with the prescribing physician, seek court authorization to provide the psychotropic medications to the child. Unless parental rights have been terminated and if it is possible to do so, the department shall continue to involve the parent in the decisionmaking process regarding the provision of psychotropic medications. If, at any time, a parent whose parental rights have not been terminated provides express and informed consent to the provision of a psychotropic medication, the requirements

of this section that the department seek court authorization do not apply to that medication until such time as the parent no longer consents.

2. Any time the department seeks a medical evaluation to determine the need to initiate or continue a psychotropic medication for a child, the department must provide to the evaluating physician all pertinent medical information known to the department concerning that child.

Section 62. Paragraph (e) of subsection (5) of section 212.055, Florida Statutes, is amended to read:

212.055 Discretionary sales surtaxes; legislative intent; authorization and use of proceeds.—It is the legislative intent that any authorization for imposition of a discretionary sales surtax shall be published in the Florida Statutes as a subsection of this section, irrespective of the duration of the levy. Each enactment shall specify the types of counties authorized to levy; the rate or rates which may be imposed; the maximum length of time the surtax may be imposed, if any; the procedure which must be followed to secure voter approval, if required; the purpose for which the proceeds may be expended; and such other requirements as the Legislature may provide. Taxable transactions and administrative procedures shall be as provided in s. 212.054.

(5) COUNTY PUBLIC HOSPITAL SURTAX.—Any county as defined in s. 125.011(1) may levy the surtax authorized in this subsection pursuant to an ordinance either approved by extraordinary vote of the county commission or conditioned to take effect only upon approval by a majority vote of the electors of the county voting in a referendum. In a county as defined in s. 125.011(1), for the purposes of this subsection, “county public general hospital” means a general hospital as defined in s. 395.002 which is owned, operated, maintained, or governed by the county or its agency, authority, or public health trust.

(e) A governing board, agency, or authority shall be chartered by the county commission upon this act becoming law. The governing board, agency, or authority shall adopt and implement a health care plan for indigent health care services. The governing board, agency, or authority shall consist of no more than seven and no fewer than five members appointed by the county commission. The members of the governing board, agency, or authority shall be at least 18 years of age and residents of the county. No member may be employed by or affiliated with a health care provider or the public health trust, agency, or authority responsible for the county public general hospital. The following community organizations shall each appoint a representative to a nominating committee: the South Florida Hospital and Healthcare Association, the Miami-Dade County Public Health Trust, the Dade County Medical Association, the Miami-Dade County Homeless Trust, and the Mayor of Miami-Dade County. This committee shall nominate between 10 and 14 county citizens for the governing board, agency, or authority. The slate shall be presented to the county commission and the county commission shall confirm the top five to seven nominees, depending on the size of the governing board. Until such time as the governing board, agency, or authority is created, the funds provided for in subparagraph (d)2. shall be placed in a restricted account set aside from other county funds and not disbursed by the county for any other purpose.

1. The plan shall divide the county into a minimum of four and maximum of six service areas, with no more than one participant hospital per service area. The county public general hospital shall be designated as the provider for one of the service areas. Services shall be provided through participants’ primary acute care facilities.

2. The plan and subsequent amendments to it shall fund a defined range of health care services for both indigent persons and the medically poor, including primary care, preventive care, hospital emergency room care, and hospital care necessary to stabilize the patient. For the purposes of this section, “stabilization” means stabilization as defined in s. 397.311(44) ~~s. 397.311(41)~~. Where consistent with these objectives, the plan may include services rendered by physicians, clinics, community hospitals, and alternative delivery sites, as well as at least one regional referral hospital per service area. The plan shall provide that agreements negotiated between the governing board, agency, or authority and providers shall recognize hospitals that render a disproportionate share of indigent care, provide other incentives to promote the delivery of charity care to draw down federal funds where appropriate, and require cost containment, including, but not limited to, case management. From the funds specified in subparagraph (d)1. and

2. for indigent health care services, service providers shall receive reimbursement at a Medicaid rate to be determined by the governing board, agency, or authority created pursuant to this paragraph for the initial emergency room visit, and a per-member per-month fee or capitation for those members enrolled in their service area, as compensation for the services rendered following the initial emergency visit. Except for provisions of emergency services, upon determination of eligibility, enrollment shall be deemed to have occurred at the time services were rendered. The provisions for specific reimbursement of emergency services shall be repealed on July 1, 2001, unless otherwise reenacted by the Legislature. The capitation amount or rate shall be determined ~~before~~ ~~prior to~~ program implementation by an independent actuarial consultant. In no event shall such reimbursement rates exceed the Medicaid rate. The plan must also provide that any hospitals owned and operated by government entities on or after the effective date of this act must, as a condition of receiving funds under this subsection, afford public access equal to that provided under s. 286.011 as to any meeting of the governing board, agency, or authority the subject of which is budgeting resources for the retention of charity care, as that term is defined in the rules of the Agency for Health Care Administration. The plan shall also include innovative health care programs that provide cost-effective alternatives to traditional methods of service and delivery funding.

3. The plan’s benefits shall be made available to all county residents currently eligible to receive health care services as indigents or medically poor as defined in paragraph (4)(d).

4. Eligible residents who participate in the health care plan shall receive coverage for a period of 12 months or the period extending from the time of enrollment to the end of the current fiscal year, per enrollment period, whichever is less.

5. At the end of each fiscal year, the governing board, agency, or authority shall prepare an audit that reviews the budget of the plan, delivery of services, and quality of services, and makes recommendations to increase the plan’s efficiency. The audit shall take into account participant hospital satisfaction with the plan and assess the amount of poststabilization patient transfers requested, and accepted or denied, by the county public general hospital.

Section 63. Paragraph (c) of subsection (2) of section 394.4599, Florida Statutes, is amended to read:

394.4599 Notice.—

(2) INVOLUNTARY ADMISSION.—

(c)1. A receiving facility shall give notice of the whereabouts of a minor who is being involuntarily held for examination pursuant to s. 394.463 to the minor’s parent, guardian, caregiver, or guardian advocate, in person or by telephone or other form of electronic communication, immediately after the minor’s arrival at the facility. The facility may delay notification for no more than 24 hours after the minor’s arrival if the facility has submitted a report to the central abuse hotline, pursuant to s. 39.201, based upon knowledge or suspicion of abuse, abandonment, or neglect and if the facility deems a delay in notification to be in the minor’s best interest.

2. The receiving facility shall attempt to notify the minor’s parent, guardian, caregiver, or guardian advocate until the receiving facility receives confirmation from the parent, guardian, caregiver, or guardian advocate, verbally, by telephone or other form of electronic communication, or by recorded message, that notification has been received. Attempts to notify the parent, guardian, caregiver, or guardian advocate must be repeated at least once every hour during the first 12 hours after the minor’s arrival and once every 24 hours thereafter and must continue until such confirmation is received, unless the minor is released at the end of the 72-hour examination period, or until a petition for involuntary ~~services placement~~ ~~placement~~ is filed with the court pursuant to s. 394.463(2)(g) ~~s. 394.463(2)(g)~~. The receiving facility may seek assistance from a law enforcement agency to notify the minor’s parent, guardian, caregiver, or guardian advocate if the facility has not received within the first 24 hours after the minor’s arrival a confirmation by the parent, guardian, caregiver, or guardian advocate that notification has been received. The receiving facility must document notification attempts in the minor’s clinical record.

Section 64. Subsection (3) of section 394.495, Florida Statutes, is amended to read:

394.495 Child and adolescent mental health system of care; programs and services.—

(3) Assessments must be performed by:

(a) A professional as defined in s. 394.455(5), (7), (32), (35), or (36) ~~s. 394.455(2), (4), (21), (23), or (24)~~;

(b) A professional licensed under chapter 491; or

(c) A person who is under the direct supervision of a *qualified* professional as defined in s. 394.455(5), (7), (32), (35), or (36) ~~s. 394.455(2), (4), (21), (23), or (24)~~ or a professional licensed under chapter 491.

Section 65. Subsection (5) of section 394.496, Florida Statutes, is amended to read:

394.496 Service planning.—

(5) A professional as defined in s. 394.455(5), (7), (32), (35), or (36) ~~s. 394.455(2), (4), (21), (23), or (24)~~ or a professional licensed under chapter 491 must be included among those persons developing the services plan.

Section 66. Subsection (6) of section 394.9085, Florida Statutes, is amended to read:

394.9085 Behavioral provider liability.—

(6) For purposes of this section, the terms “detoxification services,” “addictions receiving facility,” and “receiving facility” have the same meanings as those provided in ss. 397.311(25)(a)4., 397.311(25)(a)1., and 394.455(38) ~~ss. 397.311(22)(a)4., 397.311(22)(a)1., and 394.455(26)~~, respectively.

Section 67. Subsections (16) through (20) of section 397.321, Florida Statutes, are renumbered as subsections (15) through (19), respectively, and present subsection (15) of that section is amended to read:

397.321 Duties of the department.—The department shall:

~~(15) Appoint a substance abuse impairment coordinator to represent the department in efforts initiated by the statewide substance abuse impairment prevention and treatment coordinator established in s. 397.801 and to assist the statewide coordinator in fulfilling the responsibilities of that position.~~

Section 68. Subsection (8) of section 397.405, Florida Statutes, is amended to read:

397.405 Exemptions from licensure.—The following are exempt from the licensing provisions of this chapter:

(8) A legally cognizable church or nonprofit religious organization or denomination providing substance abuse services, including prevention services, which are solely religious, spiritual, or ecclesiastical in nature. A church or nonprofit religious organization or denomination providing any of the licensed service components itemized under s. 397.311(25) ~~s. 397.311(22)~~ is not exempt from substance abuse licensure but retains its exemption with respect to all services which are solely religious, spiritual, or ecclesiastical in nature.

The exemptions from licensure in this section do not apply to any service provider that receives an appropriation, grant, or contract from the state to operate as a service provider as defined in this chapter or to any substance abuse program regulated pursuant to s. 397.406. Furthermore, this chapter may not be construed to limit the practice of a physician or physician assistant licensed under chapter 458 or chapter 459, a psychologist licensed under chapter 490, a psychotherapist licensed under chapter 491, or an advanced registered nurse practitioner licensed under part I of chapter 464, who provides substance abuse treatment, so long as the physician, physician assistant, psychologist, psychotherapist, or advanced registered nurse practitioner does not represent to the public that he or she is a licensed service provider and does not provide services to individuals pursuant to part V of this chapter. Failure to comply with any requirement necessary to maintain

an exempt status under this section is a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

Section 69. Subsections (1) and (5) of section 397.407, Florida Statutes, are amended to read:

397.407 Licensure process; fees.—

(1) The department shall establish the licensure process to include fees and categories of licenses and must prescribe a fee range that is based, at least in part, on the number and complexity of programs listed in s. 397.311(25) ~~s. 397.311(22)~~ which are operated by a licensee. The fees from the licensure of service components are sufficient to cover at least 50 percent of the costs of regulating the service components. The department shall specify a fee range for public and privately funded licensed service providers. Fees for privately funded licensed service providers must exceed the fees for publicly funded licensed service providers.

(5) The department may issue probationary, regular, and interim licenses. The department shall issue one license for each service component that is operated by a service provider and defined pursuant to s. 397.311(25) ~~s. 397.311(22)~~. The license is valid only for the specific service components listed for each specific location identified on the license. The licensed service provider shall apply for a new license at least 60 days before the addition of any service components or 30 days before the relocation of any of its service sites. Provision of service components or delivery of services at a location not identified on the license may be considered an unlicensed operation that authorizes the department to seek an injunction against operation as provided in s. 397.401, in addition to other sanctions authorized by s. 397.415. Probationary and regular licenses may be issued only after all required information has been submitted. A license may not be transferred. As used in this subsection, the term “transfer” includes, but is not limited to, the transfer of a majority of the ownership interest in the licensed entity or transfer of responsibilities under the license to another entity by contractual arrangement.

Section 70. Section 397.416, Florida Statutes, is amended to read:

397.416 Substance abuse treatment services; qualified professional.—Notwithstanding any other provision of law, a person who was certified through a certification process recognized by the former Department of Health and Rehabilitative Services before January 1, 1995, may perform the duties of a qualified professional with respect to substance abuse treatment services as defined in this chapter, and need not meet the certification requirements contained in s. 397.311(33) ~~s. 397.311(30)~~.

Section 71. Subsection (2) of section 397.4871, Florida Statutes, is amended to read:

397.4871 Recovery residence administrator certification.—

(2) The department shall approve at least one credentialing entity by December 1, 2015, for the purpose of developing and administering a voluntary credentialing program for administrators. The department shall approve any credentialing entity that the department endorses pursuant to s. 397.321(15) ~~s. 397.321(16)~~ if the credentialing entity also meets the requirements of this section. The approved credentialing entity shall:

(a) Establish recovery residence administrator core competencies, certification requirements, testing instruments, and recertification requirements.

(b) Establish a process to administer the certification application, award, and maintenance processes.

(c) Develop and administer:

1. A code of ethics and disciplinary process.

2. Biennial continuing education requirements and annual certification renewal requirements.

3. An education provider program to approve training entities that are qualified to provide precertification training to applicants and continuing education opportunities to certified persons.

Section 72. Paragraph (e) of subsection (3) of section 409.966, Florida Statutes, is amended to read:

409.966 Eligible plans; selection.—

(3) QUALITY SELECTION CRITERIA.—

(e) To ensure managed care plan participation in Regions 1 and 2, the agency shall award an additional contract to each plan with a contract award in Region 1 or Region 2. Such contract shall be in any other region in which the plan submitted a responsive bid and negotiates a rate acceptable to the agency. If a plan that is awarded an additional contract pursuant to this paragraph is subject to penalties pursuant to s. 409.967(2)(i) ~~s. 409.967(2)(h)~~ for activities in Region 1 or Region 2, the additional contract is automatically terminated 180 days after the imposition of the penalties. The plan must reimburse the agency for the cost of enrollment changes and other transition activities.

Section 73. Paragraph (b) of subsection (1) of section 409.972, Florida Statutes, is amended to read:

409.972 Mandatory and voluntary enrollment.—

(1) The following Medicaid-eligible persons are exempt from mandatory managed care enrollment required by s. 409.965, and may voluntarily choose to participate in the managed medical assistance program:

(b) Medicaid recipients residing in residential commitment facilities operated through the Department of Juvenile Justice or a ~~mental health treatment facility facilities~~ as defined in s. 394.455(46) ~~by s. 394.455(32)~~.

Section 74. Paragraphs (d) and (g) of subsection (1) of section 440.102, Florida Statutes, are amended to read:

440.102 Drug-free workplace program requirements.—The following provisions apply to a drug-free workplace program implemented pursuant to law or to rules adopted by the Agency for Health Care Administration:

(1) DEFINITIONS.—Except where the context otherwise requires, as used in this act:

(d) “Drug rehabilitation program” means a service provider, established pursuant to s. 397.311(42) ~~s. 397.311(39)~~, that provides confidential, timely, and expert identification, assessment, and resolution of employee drug abuse.

(g) “Employee assistance program” means an established program capable of providing expert assessment of employee personal concerns; confidential and timely identification services with regard to employee drug abuse; referrals of employees for appropriate diagnosis, treatment, and assistance; and followup services for employees who participate in the program or require monitoring after returning to work. If, in addition to the above activities, an employee assistance program provides diagnostic and treatment services, these services shall in all cases be provided by service providers pursuant to s. 397.311(42) ~~s. 397.311(39)~~.

Section 75. Subsection (7) of section 744.704, Florida Statutes, is amended to read:

744.704 Powers and duties.—

(7) A public guardian ~~may shall~~ not commit a ward to a ~~mental health treatment facility~~, as defined in s. 394.455(46) ~~s. 394.455(32)~~, without an involuntary placement proceeding as provided by law.

Section 76. *The Secretary of Children and Families shall appoint a workgroup to consider the feasibility of individuals using advance directives to express the treatment wishes for substance use disorders. The workgroup shall be composed of individuals with expertise in the treatment of substance use disorders. The workgroup must review the use of advance directives in mental health, the use of advance directives for substance use disorders in other states, and the use of similar legal instruments to express the treatment wishes of individuals suffering from substance use disorders. The workgroup shall provide a report to the Governor, the President of the Senate, and the Speaker of the House of Representatives by January 1, 2017. The report must include re-*

commendations on the feasibility of using advance directives for individuals with substance use disorders and recommendations for any revisions to state laws or agency rules. The members of the workgroup are not entitled to reimbursement from the Department of Children and Families for travel for workgroup meetings unless they are employees of the department. This section expires on May 6, 2017.

Section 77. Paragraph (b) of subsection (2) of section 61.13, Florida Statutes, is amended to read:

61.13 Support of children; parenting and time-sharing; powers of court.—

(2)

(b) A parenting plan approved by the court must, at a minimum;—

1. Describe in adequate detail how the parents will share and be responsible for the daily tasks associated with the upbringing of the child;

2. *Include* the time-sharing schedule arrangements that specify the time that the minor child will spend with each parent;

3. *Designate a designation of* who will be responsible for:

a. Any and all forms of health care. *If the court orders shared parental responsibility over health care decisions, the parenting plan must provide that either parent may consent to mental health treatment for the child.*

b. School-related matters, including the address to be used for school-boundary determination and registration, ~~and~~

c. Other activities; and

4. *Describe in adequate detail* the methods and technologies that the parents will use to communicate with the child.

Section 78. Subsection (6) of section 39.001, Florida Statutes, is amended to read:

39.001 Purposes and intent; personnel standards and screening.—

(6) *MENTAL HEALTH AND SUBSTANCE ABUSE SERVICES.*—

(a) The Legislature recognizes that early referral and comprehensive treatment can help combat *mental illnesses and substance abuse disorders* in families and that treatment is cost-effective.

(b) The Legislature establishes the following goals for the state related to *mental illness and substance abuse treatment services* in the dependency process:

1. To ensure the safety of children.

2. To prevent and remediate the consequences of *mental illnesses and substance abuse disorders* on families involved in protective supervision or foster care and reduce the *occurrences of mental illnesses and substance abuse disorders*, including alcohol abuse or related disorders, for families who are at risk of being involved in protective supervision or foster care.

3. To expedite permanency for children and reunify healthy, intact families, when appropriate.

4. To support families in recovery.

(c) The Legislature finds that children in the care of the state’s dependency system need appropriate health care services, that the impact of *mental illnesses and substance abuse disorders* on health indicates the need for health care services to include *treatment for mental health and substance abuse disorders for services to* children and parents, where appropriate, and that it is in the state’s best interest that such children be provided the services they need to enable them to become and remain independent of state care. In order to provide these services, the state’s dependency system must have the ability to identify and provide appropriate intervention and treatment for children with personal or family-related *mental illness and substance abuse problems*.

(d) It is the intent of the Legislature to encourage the use of the *mental health court program model established under s. 394.47892 and the drug court program model established under s. 397.334* and authorize courts to assess children and persons who have custody or are requesting custody of children where good cause is shown to identify and address *mental illnesses and substance abuse disorders* ~~problems~~ as the court deems appropriate at every stage of the dependency process. Participation in treatment, including *a mental health court program or a treatment-based drug court program*, may be required by the court following adjudication. Participation in assessment and treatment ~~before~~ ~~prior to~~ adjudication ~~is shall be~~ voluntary, except as provided in s. 39.407(16).

(e) It is therefore the purpose of the Legislature to provide authority for the state to contract with *mental health service providers* and community substance abuse treatment providers for the development and operation of specialized support and overlay services for the dependency system, which will be fully implemented and used as resources permit.

(f) Participation in *a mental health court program or a treatment-based drug court program* does not divest any public or private agency of its responsibility for a child or adult, but is intended to enable these agencies to better meet their needs through shared responsibility and resources.

Section 79. Subsection (10) of section 39.507, Florida Statutes, is amended to read:

39.507 Adjudicatory hearings; orders of adjudication.—

(10) After an adjudication of dependency, or a finding of dependency ~~in which where~~ adjudication is withheld, the court may order a person who has custody or is requesting custody of the child to submit to a *mental health or substance abuse disorder* assessment or evaluation. *The order may be made only upon good cause shown and pursuant to notice and procedural requirements provided under the Florida Rules of Juvenile Procedure.* The assessment or evaluation must be administered by an *appropriate* qualified professional, as defined in s. 39.01 or s. 397.311. The court may also require such person to participate in and comply with treatment and services identified as necessary, including, when appropriate and available, participation in and compliance with a *mental health court program established under s. 394.47892 or a treatment-based drug court program established under s. 397.334.* In addition to supervision by the department, the court, including the *mental health court program or treatment-based drug court program*, may oversee the progress and compliance with treatment by a person who has custody or is requesting custody of the child. The court may impose appropriate available sanctions for noncompliance upon a person who has custody or is requesting custody of the child or make a finding of noncompliance for consideration in determining whether an alternative placement of the child is in the child's best interests. Any order entered under this subsection may be made only upon good cause shown. This subsection does not authorize placement of a child with a person seeking custody, other than the parent or legal custodian, who requires *mental health or substance abuse disorder* treatment.

Section 80. Paragraph (b) of subsection (1) of section 39.521, Florida Statutes, is amended to read:

39.521 Disposition hearings; powers of disposition.—

(1) A disposition hearing shall be conducted by the court, if the court finds that the facts alleged in the petition for dependency were proven in the adjudicatory hearing, or if the parents or legal custodians have consented to the finding of dependency or admitted the allegations in the petition, have failed to appear for the arraignment hearing after proper notice, or have not been located despite a diligent search having been conducted.

(b) When any child is adjudicated by a court to be dependent, the court having jurisdiction of the child has the power by order to:

1. Require the parent and, when appropriate, the legal custodian and the child to participate in treatment and services identified as necessary. The court may require the person who has custody or who is requesting custody of the child to submit to a *mental health or substance abuse disorder* assessment or evaluation. *The order may be made only upon good cause shown and pursuant to notice and procedural*

requirements provided under the Florida Rules of Juvenile Procedure. The *mental health* assessment or evaluation must be administered by a qualified professional; as defined in s. 39.01, and the *substance abuse assessment or evaluation must be administered by a qualified professional as defined in s. 397.311.* The court may also require such person to participate in and comply with treatment and services identified as necessary, including, when appropriate and available, participation in and compliance with a *mental health court program established under s. 394.47892 or a treatment-based drug court program established under s. 397.334.* In addition to supervision by the department, the court, including the *mental health court program or the treatment-based drug court program*, may oversee the progress and compliance with treatment by a person who has custody or is requesting custody of the child. The court may impose appropriate available sanctions for noncompliance upon a person who has custody or is requesting custody of the child or make a finding of noncompliance for consideration in determining whether an alternative placement of the child is in the child's best interests. Any order entered under this subparagraph may be made only upon good cause shown. This subparagraph does not authorize placement of a child with a person seeking custody of the child, other than the child's parent or legal custodian, who requires *mental health or substance abuse disorder* treatment.

2. Require, if the court deems necessary, the parties to participate in dependency mediation.

3. Require placement of the child either under the protective supervision of an authorized agent of the department in the home of one or both of the child's parents or in the home of a relative of the child or another adult approved by the court, or in the custody of the department. Protective supervision continues until the court terminates it or until the child reaches the age of 18, whichever date is first. Protective supervision shall be terminated by the court whenever the court determines that permanency has been achieved for the child, whether with a parent, another relative, or a legal custodian, and that protective supervision is no longer needed. The termination of supervision may be with or without retaining jurisdiction, at the court's discretion, and shall in either case be considered a permanency option for the child. The order terminating supervision by the department ~~must shall~~ set forth the powers of the custodian of the child and ~~shall~~ include the powers ordinarily granted to a guardian of the person of a minor unless otherwise specified. Upon the court's termination of supervision by the department, ~~no~~ further judicial reviews are *not* required ~~if, so long as~~ permanency has been established for the child.

Section 81. Section 394.4655, Florida Statutes, is amended to read:

394.4655 Involuntary outpatient services placement.—

(1) *DEFINITIONS.*—As used in this section, the term:

(a) “Court” means a circuit court or a criminal county court.

(b) “Criminal county court” means a county court exercising its original jurisdiction in a misdemeanor case under s. 34.01.

~~(2)(4)~~ *CRITERIA FOR INVOLUNTARY OUTPATIENT SERVICES PLACEMENT.*—A person may be ordered to involuntary outpatient services placement upon a finding of the court, *by clear and convincing evidence, that the person meets all of the following criteria by clear and convincing evidence:*

(a) The person is 18 years of age or older.;

(b) The person has a mental illness.;

(c) The person is unlikely to survive safely in the community without supervision, based on a clinical determination.;

(d) The person has a history of lack of compliance with treatment for mental illness.;

(e) The person has:

1. At least twice within the immediately preceding 36 months been involuntarily admitted to a receiving or treatment facility as defined in s. 394.455, or has received mental health services in a forensic or correctional facility. The 36-month period does not include any period during which the person was admitted or incarcerated; or

2. Engaged in one or more acts of serious violent behavior toward self or others, or attempts at serious bodily harm to himself or herself or others, within the preceding 36 months.;

(f) The person is, as a result of his or her mental illness, unlikely to voluntarily participate in the recommended treatment plan and either he or she has refused voluntary services placement for treatment after sufficient and conscientious explanation and disclosure of why the services are necessary purpose of placement for treatment or he or she is unable to determine for himself or herself whether services are placement is necessary.;

(g) In view of the person's treatment history and current behavior, the person is in need of involuntary outpatient services placement in order to prevent a relapse or deterioration that would be likely to result in serious bodily harm to himself or herself or others, or a substantial harm to his or her well-being as set forth in s. 394.463(1).;

(h) It is likely that the person will benefit from involuntary outpatient services. placement; and

(i) All available, less restrictive alternatives that would offer an opportunity for improvement of his or her condition have been judged to be inappropriate or unavailable.

~~(3)(2)~~ INVOLUNTARY OUTPATIENT SERVICES PLACEMENT.—

(a1. A patient who is being recommended for involuntary outpatient services placement by the administrator of the receiving facility where the patient has been examined may be retained by the facility after adherence to the notice procedures provided in s. 394.4599. The recommendation must be supported by the opinion of a psychiatrist and the second opinion of a clinical psychologist or another psychiatrist, both of whom have personally examined the patient within the preceding 72 hours, that the criteria for involuntary outpatient services placement are met. However, in a county having a population of fewer than 50,000, if the administrator certifies that a psychiatrist or clinical psychologist is not available to provide the second opinion, the second opinion may be provided by a licensed physician who has postgraduate training and experience in diagnosis and treatment of mental illness and nervous disorders or by a psychiatric nurse. Any second opinion authorized in this subparagraph may be conducted through a face-to-face examination, in person or by electronic means. Such recommendation must be entered on an involuntary outpatient services placement certificate that authorizes the receiving facility to retain the patient pending completion of a hearing. The certificate must shall be made a part of the patient's clinical record.

2. If the patient has been stabilized and no longer meets the criteria for involuntary examination pursuant to s. 394.463(1), the patient must be released from the receiving facility while awaiting the hearing for involuntary outpatient services placement. Before filing a petition for involuntary outpatient services treatment, the administrator of the a receiving facility or a designated department representative must identify the service provider that will have primary responsibility for service provision under an order for involuntary outpatient services placement, unless the person is otherwise participating in outpatient psychiatric treatment and is not in need of public financing for that treatment, in which case the individual, if eligible, may be ordered to involuntary treatment pursuant to the existing psychiatric treatment relationship.

3. The service provider shall prepare a written proposed treatment plan in consultation with the patient or the patient's guardian advocate, if appointed, for the court's consideration for inclusion in the involuntary outpatient services placement order that addresses the nature and extent of the mental illness and any co-occurring substance use disorder that necessitate involuntary outpatient services. The treatment plan must specify the likely level of care, including the use of medication, and anticipated discharge criteria for terminating involuntary outpatient services. The service provider shall also provide a copy of the proposed treatment plan to the patient and the administrator of the receiving facility. The treatment plan must specify the nature and extent of the patient's mental illness, address the reduction of symptoms that necessitate involuntary outpatient placement, and include measurable goals and objectives for the services and treatment that are provided to treat the person's mental illness and assist the person in

living and functioning in the community or to prevent a relapse or deterioration. Service providers may select and supervise other individuals to implement specific aspects of the treatment plan. The services in the treatment plan must be deemed clinically appropriate by a physician, clinical psychologist, psychiatric nurse, mental health counselor, marriage and family therapist, or clinical social worker who consults with, or is employed or contracted by, the service provider. The service provider must certify to the court in the proposed treatment plan whether sufficient services for improvement and stabilization are currently available and whether the service provider agrees to provide those services. If the service provider certifies that the services in the proposed treatment plan are not available, the petitioner may not file the petition. *The service provider must notify the managing entity if the requested services are not available. The managing entity must document such efforts to obtain the requested services.*

(b) If a patient in involuntary inpatient placement meets the criteria for involuntary outpatient services placement, the administrator of the treatment facility may, before the expiration of the period during which the treatment facility is authorized to retain the patient, recommend involuntary outpatient services placement. The recommendation must be supported by the opinion of a psychiatrist and the second opinion of a clinical psychologist or another psychiatrist, both of whom have personally examined the patient within the preceding 72 hours, that the criteria for involuntary outpatient services placement are met. However, in a county having a population of fewer than 50,000, if the administrator certifies that a psychiatrist or clinical psychologist is not available to provide the second opinion, the second opinion may be provided by a licensed physician who has postgraduate training and experience in diagnosis and treatment of mental illness and nervous disorders or by a psychiatric nurse. Any second opinion authorized in this subparagraph may be conducted through a face-to-face examination, in person or by electronic means. Such recommendation must be entered on an involuntary outpatient services placement certificate, and the certificate must be made a part of the patient's clinical record.

(c1. The administrator of the treatment facility shall provide a copy of the involuntary outpatient services placement certificate and a copy of the state mental health discharge form to the managing entity a department representative in the county where the patient will be residing. For persons who are leaving a state mental health treatment facility, the petition for involuntary outpatient services placement must be filed in the county where the patient will be residing.

2. The service provider that will have primary responsibility for service provision shall be identified by the designated department representative before prior to the order for involuntary outpatient services placement and must, before prior to filing a petition for involuntary outpatient services placement, certify to the court whether the services recommended in the patient's discharge plan are available in the local community and whether the service provider agrees to provide those services. The service provider must develop with the patient, or the patient's guardian advocate, if appointed, a treatment or service plan that addresses the needs identified in the discharge plan. The plan must be deemed to be clinically appropriate by a physician, clinical psychologist, psychiatric nurse, mental health counselor, marriage and family therapist, or clinical social worker, as defined in this chapter, who consults with, or is employed or contracted by, the service provider.

3. If the service provider certifies that the services in the proposed treatment or service plan are not available, the petitioner may not file the petition. *The service provider must notify the managing entity if the requested services are not available. The managing entity must document such efforts to obtain the requested services.*

~~(4)(3)~~ PETITION FOR INVOLUNTARY OUTPATIENT SERVICES PLACEMENT.—

(a) A petition for involuntary outpatient services placement may be filed by:

1. The administrator of a receiving facility; or
2. The administrator of a treatment facility.

(b) Each required criterion for involuntary outpatient services placement must be alleged and substantiated in the petition for in-

voluntary outpatient ~~services placement~~. A copy of the certificate recommending involuntary outpatient ~~services placement~~ completed by a qualified professional specified in subsection (3) ~~(2)~~ must be attached to the petition. A copy of the proposed treatment plan must be attached to the petition. Before the petition is filed, the service provider shall certify that the services in the proposed ~~treatment plan~~ are available. If the necessary services are not available in the patient's local community to respond to the person's individual needs, the petition may not be filed. *The service provider must notify the managing entity if the requested services are not available. The managing entity must document such efforts to obtain the requested services.*

(c) The petition for involuntary outpatient ~~services placement~~ must be filed in the county where the patient is located, unless the patient is being placed from a state treatment facility, in which case the petition must be filed in the county where the patient will reside. When the petition has been filed, the clerk of the court shall provide copies of the petition and the proposed treatment plan to the department, *the managing entity*, the patient, the patient's guardian or representative, the state attorney, and the public defender or the patient's private counsel. A fee may not be charged for filing a petition under this subsection.

(5)~~(4)~~ APPOINTMENT OF COUNSEL.—Within 1 court working day after the filing of a petition for involuntary outpatient ~~services placement~~, the court shall appoint the public defender to represent the person who is the subject of the petition, unless the person is otherwise represented by counsel. The clerk of the court shall immediately notify the public defender of the appointment. The public defender shall represent the person until the petition is dismissed, the court order expires, or the patient is discharged from involuntary outpatient ~~services placement~~. An attorney who represents the patient *must be provided* ~~shall have~~ access to the patient, witnesses, and records relevant to the presentation of the patient's case and shall represent the interests of the patient, regardless of the source of payment to the attorney.

(6)~~(5)~~ CONTINUANCE OF HEARING.—The patient is entitled, with the concurrence of the patient's counsel, to at least one continuance of the hearing. The continuance shall be for a period of up to 4 weeks.

(7)~~(6)~~ HEARING ON INVOLUNTARY OUTPATIENT SERVICES PLACEMENT.—

(a)1. The court shall hold the hearing on involuntary outpatient ~~services placement~~ within 5 working days after the filing of the petition, unless a continuance is granted. The hearing *must shall* be held in the county where the petition is filed, *must shall* be as convenient to the patient as is consistent with orderly procedure, and *must shall* be conducted in physical settings not likely to be injurious to the patient's condition. If the court finds that the patient's attendance at the hearing is not consistent with the best interests of the patient and if the patient's counsel does not object, the court may waive the presence of the patient from all or any portion of the hearing. The state attorney for the circuit in which the patient is located shall represent the state, rather than the petitioner, as the real party in interest in the proceeding.

2. The court may appoint a ~~magistrate master~~ to preside at the hearing. One of the professionals who executed the involuntary outpatient ~~services placement~~ certificate shall be a witness. The patient and the patient's guardian or representative shall be informed by the court of the right to an independent expert examination. If the patient cannot afford such an examination, the court shall *ensure that one is provided, as otherwise provided by law provide for one*. The independent expert's report *is shall be* confidential and not discoverable, unless the expert is to be called as a witness for the patient at the hearing. The court shall allow testimony from individuals, including family members, deemed by the court to be relevant under state law, regarding the person's prior history and how that prior history relates to the person's current condition. The testimony in the hearing must be given under oath, and the proceedings must be recorded. The patient may refuse to testify at the hearing.

(b)1. If the court concludes that the patient meets the criteria for involuntary outpatient ~~services placement~~ pursuant to subsection (2) ~~(1)~~, the court shall issue an order for involuntary outpatient ~~services placement~~. The court order shall be for a period of up to 90 days ~~6 months~~. The order must specify the nature and extent of the patient's mental illness. The order of the court and the treatment plan *must shall*

be made part of the patient's clinical record. The service provider shall discharge a patient from involuntary outpatient ~~services placement~~ when the order expires or any time the patient no longer meets the criteria for involuntary placement. Upon discharge, the service provider shall send a certificate of discharge to the court.

2. The court may not order the department or the service provider to provide services if the program or service is not available in the patient's local community, if there is no space available in the program or service for the patient, or if funding is not available for the program or service. *The service provider must notify the managing entity if the requested services are not available. The managing entity must document such efforts to obtain the requested services.* A copy of the order must be sent to the ~~managing entity~~ Agency for Health Care Administration by the service provider within 1 working day after it is received from the court. *The order may be submitted electronically through existing data systems.* After the ~~placement~~ order for involuntary services is issued, the service provider and the patient may modify ~~provisions of~~ the treatment plan. For any material modification of the treatment plan to which the patient or, *if one is appointed*, the patient's guardian advocate *agrees, if appointed, does agree*, the service provider shall send notice of the modification to the court. Any material modifications of the treatment plan which are contested by the patient or the patient's guardian advocate, *if applicable appointed*, must be approved or disapproved by the court consistent with subsection (3) ~~(2)~~.

3. If, in the clinical judgment of a physician, the patient has failed or has refused to comply with the treatment ordered by the court, and, in the clinical judgment of the physician, efforts were made to solicit compliance and the patient may meet the criteria for involuntary examination, a person may be brought to a receiving facility pursuant to s. 394.463. If, after examination, the patient does not meet the criteria for involuntary inpatient placement pursuant to s. 394.467, the patient must be discharged from the ~~receiving facility~~. The involuntary outpatient ~~services placement~~ order shall remain in effect unless the service provider determines that the patient no longer meets the criteria for involuntary outpatient ~~services placement~~ or until the order expires. The service provider must determine whether modifications should be made to the existing treatment plan and must attempt to continue to engage the patient in treatment. For any material modification of the treatment plan to which the patient or the patient's guardian advocate, *if applicable appointed, agrees does agree*, the service provider shall send notice of the modification to the court. Any material modifications of the treatment plan which are contested by the patient or the patient's guardian advocate, *if applicable appointed*, must be approved or disapproved by the court consistent with subsection (3) ~~(2)~~.

(c) If, at any time before the conclusion of the initial hearing on involuntary outpatient ~~services placement~~, it appears to the court that the person does not meet the criteria for involuntary outpatient ~~services placement~~ under this section but, instead, meets the criteria for involuntary inpatient placement, the court may order the person admitted for involuntary inpatient examination under s. 394.463. If the person instead meets the criteria for involuntary assessment, protective custody, or involuntary admission pursuant to s. 397.675, the court may order the person to be admitted for involuntary assessment for a period of 5 days pursuant to s. 397.6811. Thereafter, all proceedings ~~are shall~~ be governed by chapter 397.

(d) At the hearing on involuntary outpatient ~~services placement~~, the court shall consider testimony and evidence regarding the patient's competence to consent to ~~services treatment~~. If the court finds that the patient is incompetent to consent to treatment, it shall appoint a guardian advocate as provided in s. 394.4598. The guardian advocate shall be appointed or discharged in accordance with s. 394.4598.

(e) The administrator of the receiving facility or the designated department representative shall provide a copy of the court order and adequate documentation of a patient's mental illness to the service provider for involuntary outpatient ~~services placement~~. Such documentation must include any advance directives made by the patient, a psychiatric evaluation of the patient, and any evaluations of the patient performed by a ~~clinical~~ psychologist or a clinical social worker.

(8)~~(7)~~ PROCEDURE FOR CONTINUED INVOLUNTARY OUTPATIENT SERVICES PLACEMENT.—

(a)1. If the person continues to meet the criteria for involuntary outpatient ~~services placement~~, the service provider shall, at least 10 days before the expiration of the period during which the treatment is ordered for the person, file in the ~~circuit court that issued the order for involuntary outpatient services~~ a petition for continued involuntary outpatient ~~services placement~~. The court shall immediately schedule a hearing on the petition to be held within 15 days after the petition is filed.

2. The existing involuntary outpatient ~~services placement~~ order remains in effect until disposition on the petition for continued involuntary outpatient ~~services placement~~.

3. A certificate shall be attached to the petition which includes a statement from the person's physician or clinical psychologist justifying the request, a brief description of the patient's treatment during the time he or she was receiving involuntary ~~services involuntarily placed~~, and an individualized plan of continued treatment.

4. The service provider shall develop the individualized plan of continued treatment in consultation with the patient or the patient's guardian advocate, if ~~applicable appointed~~. When the petition has been filed, the clerk of the court shall provide copies of the certificate and the individualized plan of continued ~~services treatment~~ to the department, the patient, the patient's guardian advocate, the state attorney, and the patient's private counsel or the public defender.

(b) Within 1 court working day after the filing of a petition for continued involuntary outpatient ~~services placement~~, the court shall appoint the public defender to represent the person who is the subject of the petition, unless the person is otherwise represented by counsel. The clerk of the court shall immediately notify the public defender of such appointment. The public defender shall represent the person until the petition is dismissed or the court order expires or the patient is discharged from involuntary outpatient ~~services placement~~. Any attorney representing the patient shall have access to the patient, witnesses, and records relevant to the presentation of the patient's case and shall represent the interests of the patient, regardless of the source of payment to the attorney.

(c) Hearings on petitions for continued involuntary outpatient ~~services must placement shall~~ be before the ~~circuit court that issued the order for involuntary outpatient services~~. The court may appoint a ~~magistrate master~~ to preside at the hearing. The procedures for obtaining an order pursuant to this paragraph ~~must meet the requirements of shall be in accordance with~~ subsection (7) ~~(6)~~, except that the time period included in paragraph (2)(e) ~~(1)(e)~~ is not applicable in determining the appropriateness of additional periods of involuntary outpatient placement.

(d) Notice of the hearing ~~must shall~~ be provided as set forth in s. 394.4599. The patient and the patient's attorney may agree to a period of continued outpatient ~~services placement~~ without a court hearing.

(e) The same procedure ~~must shall~~ be repeated before the expiration of each additional period the patient is placed in treatment.

(f) If the patient has previously been found incompetent to consent to treatment, the court shall consider testimony and evidence regarding the patient's competence. Section 394.4598 governs the discharge of the guardian advocate if the patient's competency to consent to treatment has been restored.

Section 82. Paragraphs (c) and (d) of subsection (2) of section 394.4599, Florida Statutes, are amended to read:

394.4599 Notice.—

(2) INVOLUNTARY ADMISSION.—

(c)1. A receiving facility shall give notice of the whereabouts of a minor who is being involuntarily held for examination pursuant to s. 394.463 to the minor's parent, guardian, caregiver, or guardian advocate, in person or by telephone or other form of electronic communication, immediately after the minor's arrival at the facility. The facility may delay notification for no more than 24 hours after the minor's arrival if the facility has submitted a report to the central abuse hotline, pursuant to s. 39.201, based upon knowledge or suspicion of abuse,

abandonment, or neglect and if the facility deems a delay in notification to be in the minor's best interest.

2. The receiving facility shall attempt to notify the minor's parent, guardian, caregiver, or guardian advocate until the receiving facility receives confirmation from the parent, guardian, caregiver, or guardian advocate, verbally, by telephone or other form of electronic communication, or by recorded message, that notification has been received. Attempts to notify the parent, guardian, caregiver, or guardian advocate must be repeated at least once every hour during the first 12 hours after the minor's arrival and once every 24 hours thereafter and must continue until such confirmation is received, unless the minor is released at the end of the 72-hour examination period, or until a petition for involuntary ~~services placement~~ is filed with the court pursuant to s. 394.463(2)(g) ~~s. 394.463(2)(i)~~. The receiving facility may seek assistance from a law enforcement agency to notify the minor's parent, guardian, caregiver, or guardian advocate if the facility has not received within the first 24 hours after the minor's arrival a confirmation by the parent, guardian, caregiver, or guardian advocate that notification has been received. The receiving facility must document notification attempts in the minor's clinical record.

(d) The written notice of the filing of the petition for involuntary ~~services for placement of~~ an individual being held must contain the following:

1. Notice that the petition for:

a. *Involuntary inpatient treatment pursuant to s. 394.467* has been filed with the circuit court in the county in which the individual is hospitalized and the address of such court; or

b. *Involuntary outpatient services pursuant to s. 394.4655* has been filed with the criminal county court, as defined in s. 394.4655(1), or the circuit court, as applicable, in the county in which the individual is hospitalized and the address of such court.

2. Notice that the office of the public defender has been appointed to represent the individual in the proceeding, if the individual is not otherwise represented by counsel.

3. The date, time, and place of the hearing and the name of each examining expert and every other person expected to testify in support of continued detention.

4. Notice that the individual, the individual's guardian, guardian advocate, health care surrogate or proxy, or representative, or the administrator may apply for a change of venue for the convenience of the parties or witnesses or because of the condition of the individual.

5. Notice that the individual is entitled to an independent expert examination and, if the individual cannot afford such an examination, that the court will provide for one.

Section 84. Subsection (2) of section 394.463, Florida Statutes, is amended to read:

394.463 Involuntary examination.—

(2) INVOLUNTARY EXAMINATION.—

(a) An involuntary examination may be initiated by any one of the following means:

1. A circuit or county court may enter an ex parte order stating that a person appears to meet the criteria for involuntary examination ~~and specifying, giving~~ the findings on which that conclusion is based. The ex parte order for involuntary examination must be based on ~~written or oral sworn testimony that includes specific facts that support the findings, written or oral~~. If other less restrictive means are not available, such as voluntary appearance for outpatient evaluation, a law enforcement officer, or other designated agent of the court, shall take the person into custody and deliver him or her to ~~an appropriate, or the nearest, receiving facility within the designated receiving system pursuant to s. 394.462~~ for involuntary examination. The order of the court shall be made a part of the patient’s clinical record. ~~A No fee may not shall~~ be charged for the filing of an order under this subsection. ~~A Any~~ receiving facility accepting the patient based on this order must send a copy of the order to the ~~department Agency for Health Care Administration~~ on the next working day. ~~The order may be submitted electronically through existing data systems, if available.~~ The order shall be valid only until ~~the person is delivered to the facility or executed or, if not executed,~~ for the period specified in the order itself, ~~whichever comes first~~. If no time limit is specified in the order, the order shall be valid for 7 days after the date that the order was signed.

2. A law enforcement officer shall take a person who appears to meet the criteria for involuntary examination into custody and deliver the person or have him or her delivered to an appropriate, or the nearest, receiving facility within the designated receiving system pursuant to s. 394.462 for examination. The officer shall execute a written report detailing the circumstances under which the person was taken into custody, which must and the report shall be made a part of the patient's clinical record. Any receiving facility accepting the patient based on this report must send a copy of the report to the department Agency for Health Care Administration on the next working day.

3. A physician, clinical psychologist, psychiatric nurse, mental health counselor, marriage and family therapist, or clinical social worker may execute a certificate stating that he or she has examined a person within the preceding 48 hours and finds that the person appears to meet the criteria for involuntary examination and stating the observations upon which that conclusion is based. If other less restrictive means, such as voluntary appearance for outpatient evaluation, are not available, such as voluntary appearance for outpatient evaluation, a law enforcement officer shall take into custody the person named in the certificate into custody and deliver him or her to the appropriate, or nearest, receiving facility within the designated receiving system pursuant to s. 394.462 for involuntary examination. The law enforcement officer shall execute a written report detailing the circumstances under which the person was taken into custody. The report and certificate shall be made a part of the patient's clinical record. Any receiving facility accepting the patient based on this certificate must send a copy of the certificate to the department Agency for Health Care Administration on the next working day. The document may be submitted electronically through existing data systems, if applicable.

(b) A person may shall not be removed from any program or residential placement licensed under chapter 400 or chapter 429 and transported to a receiving facility for involuntary examination unless an ex parte order, a professional certificate, or a law enforcement officer's report is first prepared. If the condition of the person is such that preparation of a law enforcement officer's report is not practicable before removal, the report shall be completed as soon as possible after removal, but in any case before the person is transported to a receiving facility. A receiving facility admitting a person for involuntary examination who is not accompanied by the required ex parte order, professional certificate, or law enforcement officer's report shall notify the department Agency for Health Care Administration of such admission by certified mail or by e-mail, if available, by no later than the next working day. The provisions of this paragraph do not apply when transportation is provided by the patient's family or guardian.

(c) A law enforcement officer acting in accordance with an ex parte order issued pursuant to this subsection may serve and execute such order on any day of the week, at any time of the day or night.

(d) A law enforcement officer acting in accordance with an ex parte order issued pursuant to this subsection may use such reasonable physical force as is necessary to gain entry to the premises, and any dwellings, buildings, or other structures located on the premises, and to take custody of the person who is the subject of the ex parte order.

(e) The department Agency for Health Care Administration shall receive and maintain the copies of ex parte orders, involuntary outpatient services placement orders issued pursuant to s. 394.4655, involuntary inpatient placement orders issued pursuant to s. 394.467, professional certificates, and law enforcement officers' reports. These documents shall be considered part of the clinical record, governed by the provisions of s. 394.4615. These documents shall be used to The agency shall prepare annual reports analyzing the data obtained from these documents, without information identifying patients, and shall provide copies of reports to the department, the President of the Senate, the Speaker of the House of Representatives, and the minority leaders of the Senate and the House of Representatives.

(f) A patient shall be examined by a physician or, a clinical psychologist, or by a psychiatric nurse performing within the framework of an established protocol with a psychiatrist at a receiving facility without unnecessary delay to determine if the criteria for involuntary services are met. Emergency treatment may be provided and may, upon the order of a physician if the physician determines, be given emergency treatment if it is determined that such treatment is necessary for the safety of the patient or others. The patient may not be released by the

receiving facility or its contractor without the documented approval of a psychiatrist or a clinical psychologist or, if the receiving facility is owned or operated by a hospital or health system, the release may also be approved by a psychiatric nurse performing within the framework of an established protocol with a psychiatrist, or an attending emergency department physician with experience in the diagnosis and treatment of mental illness and nervous disorders and after completion of an involuntary examination pursuant to this subsection. A psychiatric nurse may not approve the release of a patient if the involuntary examination was initiated by a psychiatrist unless the release is approved by the initiating psychiatrist. However, a patient may not be held in a receiving facility for involuntary examination longer than 72 hours.

(g) Within the 72-hour examination period or, if the 72 hours ends on a weekend or holiday, no later than the next working day thereafter, one of the following actions must be taken, based on the individual needs of the patient:

1. The patient shall be released, unless he or she is charged with a crime, in which case the patient shall be returned to the custody of a law enforcement officer;

2. The patient shall be released, subject to the provisions of subparagraph 1., for voluntary outpatient treatment;

3. The patient, unless he or she is charged with a crime, shall be asked to give express and informed consent to placement as a voluntary patient and, if such consent is given, the patient shall be admitted as a voluntary patient; or

4. A petition for involuntary placement shall be filed in the circuit court if inpatient treatment is deemed necessary or with the criminal county court, as defined in s. 394.4655(1), as applicable. When inpatient treatment is deemed necessary, the least restrictive treatment consistent with the optimum improvement of the patient's condition shall be made available. When a petition is to be filed for involuntary outpatient placement, it shall be filed by one of the petitioners specified in s. 394.4655(4)(a). A petition for involuntary inpatient placement shall be filed by the facility administrator.

(h)(g) A person for whom an involuntary examination has been initiated who is being evaluated or treated at a hospital for an emergency medical condition specified in s. 395.002 must be examined by a receiving facility within 72 hours. The 72-hour period begins when the patient arrives at the hospital and ceases when the attending physician documents that the patient has an emergency medical condition. If the patient is examined at a hospital providing emergency medical services by a professional qualified to perform an involuntary examination and is found as a result of that examination not to meet the criteria for involuntary outpatient services placement pursuant to s. 394.4655(2) 394.4655(1) or involuntary inpatient placement pursuant to s. 394.467(1), the patient may be offered voluntary services or placement, if appropriate, or released directly from the hospital providing emergency medical services. The finding by the professional that the patient has been examined and does not meet the criteria for involuntary inpatient services placement or involuntary outpatient placement must be entered into the patient's clinical record. Nothing in This paragraph is not intended to prevent a hospital providing emergency medical services from appropriately transferring a patient to another hospital before prior to stabilization if, provided the requirements of s. 395.1041(3)(c) have been met.

(i)(h) One of the following must occur within 12 hours after the patient's attending physician documents that the patient's medical condition has stabilized or that an emergency medical condition does not exist:

1. The patient must be examined by a designated receiving facility and released; or

2. The patient must be transferred to a designated receiving facility in which appropriate medical treatment is available. However, the receiving facility must be notified of the transfer within 2 hours after the patient's condition has been stabilized or after determination that an emergency medical condition does not exist.

(j) Within the 72-hour examination period or, if the 72 hours ends on a weekend or holiday, no later than the next working day thereafter,

~~one of the following actions must be taken, based on the individual needs of the patient:~~

~~1. The patient shall be released, unless he or she is charged with a crime, in which case the patient shall be returned to the custody of a law enforcement officer;~~

~~2. The patient shall be released, subject to the provisions of subparagraph 1., for voluntary outpatient treatment;~~

~~3. The patient, unless he or she is charged with a crime, shall be asked to give express and informed consent to placement as a voluntary patient, and, if such consent is given, the patient shall be admitted as a voluntary patient; or~~

~~4. A petition for involuntary placement shall be filed in the circuit court when outpatient or inpatient treatment is deemed necessary. When inpatient treatment is deemed necessary, the least restrictive treatment consistent with the optimum improvement of the patient's condition shall be made available. When a petition is to be filed for involuntary outpatient placement, it shall be filed by one of the petitioners specified in s. 394.4655(3)(a). A petition for involuntary inpatient placement shall be filed by the facility administrator.~~

Section 85. Subsection (3) of section 394.4615, Florida Statutes, is amended to read:

394.4615 Clinical records; confidentiality.—

(3) Information from the clinical record may be released in the following circumstances:

(a) When a patient has declared an intention to harm other persons. When such declaration has been made, the administrator may authorize the release of sufficient information to provide adequate warning to the person threatened with harm by the patient.

(b) When the administrator of the facility or secretary of the department deems release to a qualified researcher as defined in administrative rule, an aftercare treatment provider, or an employee or agent of the department is necessary for treatment of the patient, maintenance of adequate records, compilation of treatment data, aftercare planning, or evaluation of programs.

For the purpose of determining whether a person meets the criteria for involuntary outpatient placement or for preparing the proposed treatment plan pursuant to s. 394.4655, the clinical record may be released to the state attorney, the public defender or the patient's private legal counsel, the court, and to the appropriate mental health professionals, including the service provider identified in s. 394.4655(7)(b)2. ~~394.4655(6)(b)2.~~, in accordance with state and federal law.

Section 86. Section 394.47891, Florida Statutes, is amended to read:

394.47891 Military veterans and servicemembers court programs.—The chief judge of each judicial circuit may establish a Military Veterans and Servicemembers Court Program under which veterans, as defined in s. 1.01, including veterans who were discharged or released under a general discharge, and servicemembers, as defined in s. 250.01, who are charged or convicted of a criminal offense and who suffer from a military-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem can be sentenced in accordance with chapter 921 in a manner that appropriately addresses the severity of the mental illness, traumatic brain injury, substance abuse disorder, or psychological problem through services tailored to the individual needs of the participant. Entry into any Military Veterans and Servicemembers Court Program must be based upon the sentencing court's assessment of the defendant's criminal history, military service, substance abuse treatment needs, mental health treatment needs, amenability to the services of the program, the recommendation of the state attorney and the victim, if any, and the defendant's agreement to enter the program.

Section 87. Section 394.47892, Florida Statutes, is created to read:

394.47892 Mental health court programs.—

(1) Each county may fund a mental health court program under which a defendant in the justice system assessed with a mental illness

shall be processed in such a manner as to appropriately address the severity of the identified mental illness through treatment services tailored to the individual needs of the participant. The Legislature intends to encourage the department, the Department of Corrections, the Department of Juvenile Justice, the Department of Health, the Department of Law Enforcement, the Department of Education, and other such agencies, local governments, law enforcement agencies, interested public or private entities, and individuals to support the creation and establishment of problem-solving court programs. Participation in a mental health court program does not relieve a public or private agency of its responsibility for a child or an adult, but enables such agency to better meet the child's or adult's needs through shared responsibility and resources.

(2) Mental health court programs may include pretrial intervention programs as provided in ss. 948.08, 948.16, and 985.345, post-adjudicatory mental health court programs as provided in ss. 948.01 and 948.06, and review of the status of compliance or noncompliance of sentenced defendants through a mental health court program.

(3) Entry into a pretrial mental health court program is voluntary.

(4)(a) Entry into a postadjudicatory mental health court program as a condition of probation or community control pursuant to s. 948.01 or s. 948.06 must be based upon the sentencing court's assessment of the defendant's criminal history, mental health screening outcome, amenability to the services of the program, and total sentence points; the recommendation of the state attorney and the victim, if any; and the defendant's agreement to enter the program.

(b) A defendant who is sentenced to a postadjudicatory mental health court program and who, while a mental health court program participant, is the subject of a violation of probation or community control under s. 948.06 shall have the violation of probation or community control heard by the judge presiding over the postadjudicatory mental health court program. After a hearing on or admission of the violation, the judge shall dispose of any such violation as he or she deems appropriate if the resulting sentence or conditions are lawful.

(5)(a) Contingent upon an annual appropriation by the Legislature, the state courts system shall establish, at a minimum, one coordinator position in each mental health court program to coordinate the responsibilities of the participating agencies and service providers. Each coordinator shall provide direct support to the mental health court program by providing coordination between the multidisciplinary team and the judiciary, providing case management, monitoring compliance of the participants in the mental health court program with court requirements, and managing the collection of data for program evaluation and accountability.

(b) Each mental health court program shall collect sufficient client-level data and programmatic information for purposes of program evaluation. Client-level data includes primary offenses that resulted in the mental health court program referral or sentence, treatment compliance, completion status and reasons for failure to complete, offenses committed during treatment and the sanctions imposed, frequency of court appearances, and units of service. Programmatic information includes referral and screening procedures, eligibility criteria, type and duration of treatment offered, and residential treatment resources. The programmatic information and aggregate data on the number of mental health court program admissions and terminations by type of termination shall be reported annually by each mental health court program to the Office of the State Courts Administrator.

(6) If a county chooses to fund a mental health court program, the county must secure funding from sources other than the state for those costs not otherwise assumed by the state pursuant to s. 29.004. However, this subsection does not preclude counties from using funds for treatment and other services provided through state executive branch agencies. Counties may provide, by interlocal agreement, for the collective funding of these programs.

(7) The chief judge of each judicial circuit may appoint an advisory committee for the mental health court program. The committee shall be composed of the chief judge, or his or her designee, who shall serve as chair; the judge or judges of the mental health court program, if not otherwise designated by the chief judge as his or her designee; the state attorney, or his or her designee; the public defender, or his or her de-

signee; the mental health court program coordinator or coordinators; community representatives; treatment representatives; and any other persons who the chair deems appropriate.

Section 88. Paragraph (a) of subsection (2) of section 790.065, Florida Statutes, is amended to read:

790.065 Sale and delivery of firearms.—

(2) Upon receipt of a request for a criminal history record check, the Department of Law Enforcement shall, during the licensee's call or by return call, forthwith:

(a) Review any records available to determine if the potential buyer or transferee:

1. Has been convicted of a felony and is prohibited from receipt or possession of a firearm pursuant to s. 790.23;

2. Has been convicted of a misdemeanor crime of domestic violence, and therefore is prohibited from purchasing a firearm;

3. Has had adjudication of guilt withheld or imposition of sentence suspended on any felony or misdemeanor crime of domestic violence unless 3 years have elapsed since probation or any other conditions set by the court have been fulfilled or expunction has occurred; or

4. Has been adjudicated mentally defective or has been committed to a mental institution by a court or as provided in sub-sub-subparagraph b.(II), and as a result is prohibited by state or federal law from purchasing a firearm.

a. As used in this subparagraph, "adjudicated mentally defective" means a determination by a court that a person, as a result of marked subnormal intelligence, or mental illness, incompetency, condition, or disease, is a danger to himself or herself or to others or lacks the mental capacity to contract or manage his or her own affairs. The phrase includes a judicial finding of incapacity under s. 744.331(6)(a), an acquittal by reason of insanity of a person charged with a criminal offense, and a judicial finding that a criminal defendant is not competent to stand trial.

b. As used in this subparagraph, "committed to a mental institution" means:

(I) Involuntary commitment, commitment for mental defectiveness or mental illness, and commitment for substance abuse. The phrase includes involuntary inpatient placement as defined in s. 394.467, involuntary outpatient placement as defined in s. 394.4655, involuntary assessment and stabilization under s. 397.6818, and involuntary substance abuse treatment under s. 397.6957, but does not include a person in a mental institution for observation or discharged from a mental institution based upon the initial review by the physician or a voluntary admission to a mental institution; or

(II) Notwithstanding sub-sub-subparagraph (I), involuntary admission to a mental institution for outpatient or inpatient treatment of a person who had an involuntary examination under s. 394.463, where each of the following conditions have been met:

(A) An examining physician found that the person is an imminent danger to himself or herself or others.

(B) The examining physician certified that if the person did not agree to voluntary treatment, a petition for involuntary outpatient or inpatient ~~services treatment~~ would have been filed under s. 394.463(2)(g) ~~s. 394.463(2)(d)~~, or the examining physician certified that a petition was filed and the person subsequently agreed to voluntary treatment ~~before~~ ~~prior to~~ a court hearing on the petition.

(C) Before agreeing to voluntary treatment, the person received written notice of that finding and certification, and written notice that as a result of such finding, he or she may be prohibited from purchasing a firearm, and may not be eligible to apply for or retain a concealed weapon or firearms license under s. 790.06 and the person acknowledged such notice in writing, in substantially the following form:

"I understand that the doctor who examined me believes I am a danger to myself or to others. I understand that if I do not agree to voluntary treatment, a petition will be filed in court to require me to receive in-

voluntary treatment. I understand that if that petition is filed, I have the right to contest it. In the event a petition has been filed, I understand that I can subsequently agree to voluntary treatment prior to a court hearing. I understand that by agreeing to voluntary treatment in either of these situations, I may be prohibited from buying firearms and from applying for or retaining a concealed weapons or firearms license until I apply for and receive relief from that restriction under Florida law."

(D) A judge or a magistrate has, pursuant to sub-sub-subparagraph c.(II), reviewed the record of the finding, certification, notice, and written acknowledgment classifying the person as an imminent danger to himself or herself or others, and ordered that such record be submitted to the department.

c. In order to check for these conditions, the department shall compile and maintain an automated database of persons who are prohibited from purchasing a firearm based on court records of adjudications of mental defectiveness or commitments to mental institutions.

(I) Except as provided in sub-sub-subparagraph (II), clerks of court shall submit these records to the department within 1 month after the rendition of the adjudication or commitment. Reports shall be submitted in an automated format. The reports must, at a minimum, include the name, along with any known alias or former name, the sex, and the date of birth of the subject.

(II) For persons committed to a mental institution pursuant to sub-sub-subparagraph b.(II), within 24 hours after the person's agreement to voluntary admission, a record of the finding, certification, notice, and written acknowledgment must be filed by the administrator of the receiving or treatment facility, as defined in s. 394.455, with the clerk of the court for the county in which the involuntary examination under s. 394.463 occurred. No fee shall be charged for the filing under this sub-sub-subparagraph. The clerk must present the records to a judge or magistrate within 24 hours after receipt of the records. A judge or magistrate is required and has the lawful authority to review the records ex parte and, if the judge or magistrate determines that the record supports the classifying of the person as an imminent danger to himself or herself or others, to order that the record be submitted to the department. If a judge or magistrate orders the submittal of the record to the department, the record must be submitted to the department within 24 hours.

d. A person who has been adjudicated mentally defective or committed to a mental institution, as those terms are defined in this paragraph, may petition the circuit court that made the adjudication or commitment, or the court that ordered that the record be submitted to the department pursuant to sub-sub-subparagraph c.(II), for relief from the firearm disabilities imposed by such adjudication or commitment. A copy of the petition shall be served on the state attorney for the county in which the person was adjudicated or committed. The state attorney may object to and present evidence relevant to the relief sought by the petitioner. The hearing on the petition may be open or closed as the petitioner may choose. The petitioner may present evidence and subpoena witnesses to appear at the hearing on the petition. The petitioner may confront and cross-examine witnesses called by the state attorney. A record of the hearing shall be made by a certified court reporter or by court-approved electronic means. The court shall make written findings of fact and conclusions of law on the issues before it and issue a final order. The court shall grant the relief requested in the petition if the court finds, based on the evidence presented with respect to the petitioner's reputation, the petitioner's mental health record and, if applicable, criminal history record, the circumstances surrounding the firearm disability, and any other evidence in the record, that the petitioner will not be likely to act in a manner that is dangerous to public safety and that granting the relief would not be contrary to the public interest. If the final order denies relief, the petitioner may not petition again for relief from firearm disabilities until 1 year after the date of the final order. The petitioner may seek judicial review of a final order denying relief in the district court of appeal having jurisdiction over the court that issued the order. The review shall be conducted de novo. Relief from a firearm disability granted under this sub-subparagraph has no effect on the loss of civil rights, including firearm rights, for any reason other than the particular adjudication of mental defectiveness or commitment to a mental institution from which relief is granted.

e. Upon receipt of proper notice of relief from firearm disabilities granted under sub-subparagraph d., the department shall delete any mental health record of the person granted relief from the automated database of persons who are prohibited from purchasing a firearm based on court records of adjudications of mental defectiveness or commitments to mental institutions.

f. The department is authorized to disclose data collected pursuant to this subparagraph to agencies of the Federal Government and other states for use exclusively in determining the lawfulness of a firearm sale or transfer. The department is also authorized to disclose this data to the Department of Agriculture and Consumer Services for purposes of determining eligibility for issuance of a concealed weapons or concealed firearms license and for determining whether a basis exists for revoking or suspending a previously issued license pursuant to s. 790.06(10). When a potential buyer or transferee appeals a nonapproval based on these records, the clerks of court and mental institutions shall, upon request by the department, provide information to help determine whether the potential buyer or transferee is the same person as the subject of the record. Photographs and any other data that could confirm or negate identity must be made available to the department for such purposes, notwithstanding any other provision of state law to the contrary. Any such information that is made confidential or exempt from disclosure by law shall retain such confidential or exempt status when transferred to the department.

Section 89. Paragraph (a) of subsection (5) of section 910.035, Florida Statutes, is amended to read:

910.035 Transfer from county for plea, sentence, or participation in a problem-solving court.—

(5) TRANSFER FOR PARTICIPATION IN A PROBLEM-SOLVING COURT.—

(a) For purposes of this subsection, the term “problem-solving court” means a drug court pursuant to s. 948.01, s. 948.06, s. 948.08, s. 948.16, or s. 948.20; a *military veterans’ and servicemembers’* court pursuant to s. 394.47891, s. 948.08, s. 948.16, or s. 948.21; ~~or~~ a mental health court program pursuant to s. 394.47892, s. 948.01, s. 948.06, s. 948.08, or s. 948.16; or a delinquency pretrial intervention court program pursuant to s. 985.345.

Section 90. Section 916.185, Florida Statutes, is created to read:

916.185 *Forensic Hospital Diversion Pilot Program.*—

(1) *LEGISLATIVE FINDINGS AND INTENT.*—*The Legislature finds that many jail inmates who have serious mental illnesses and who are committed to state forensic mental health treatment facilities for restoration of competency to proceed could be served more effectively and at less cost in community-based alternative programs. The Legislature further finds that many people who have serious mental illnesses and who have been discharged from state forensic mental health treatment facilities could avoid returning to the criminal justice and forensic mental health systems if they received specialized treatment in the community. Therefore, it is the intent of the Legislature to create the Forensic Hospital Diversion Pilot Program to serve offenders who have mental illnesses or co-occurring mental illnesses and substance use disorders and who are involved in or at risk of entering state forensic mental health treatment facilities, prisons, jails, or state civil mental health treatment facilities.*

(2) *DEFINITIONS.*—*As used in this section, the term:*

(a) “*Best practices*” means treatment services that incorporate the most effective and acceptable interventions available in the care and treatment of offenders who are diagnosed as having mental illnesses or co-occurring mental illnesses and substance use disorders.

(b) “*Community forensic system*” means the community mental health and substance use forensic treatment system, including the comprehensive set of services and supports provided to offenders involved in or at risk of becoming involved in the criminal justice system.

(c) “*Evidence-based practices*” means interventions and strategies that, based on the best available empirical research, demonstrate effective and efficient outcomes in the care and treatment of offenders who are

diagnosed as having mental illnesses or co-occurring mental illnesses and substance use disorders.

(3) *CREATION.*—*There is authorized a Forensic Hospital Diversion Pilot Program to provide competency-restoration and community-reintegration services in either a locked residential treatment facility when appropriate or a community-based facility based on considerations of public safety, the needs of the individual, and available resources.*

(a) *The department may implement a Forensic Hospital Diversion Pilot Program modeled after the Miami-Dade Forensic Alternative Center, taking into account local needs and resources in Duval County, in conjunction with the Fourth Judicial Circuit in Duval County; in Broward County, in conjunction with the Seventeenth Judicial Circuit in Broward County; and in Miami-Dade County, in conjunction with the Eleventh Judicial Circuit in Miami-Dade County.*

(b) *If the department elects to create and implement the program, the department shall include a comprehensive continuum of care and services that use evidence-based practices and best practices to treat offenders who have mental health and co-occurring substance use disorders.*

(c) *The department and the corresponding judicial circuits may implement this section if existing resources are available to do so on a recurring basis. The department may request budget amendments pursuant to chapter 216 to realign funds between mental health services and community substance abuse and mental health services in order to implement this pilot program.*

(4) *ELIGIBILITY.*—*Participation in the Forensic Hospital Diversion Pilot Program is limited to offenders who:*

(a) *Are 18 years of age or older.*

(b) *Are charged with a felony of the second degree or a felony of the third degree.*

(c) *Do not have a significant history of violent criminal offenses.*

(d) *Are adjudicated incompetent to proceed to trial or not guilty by reason of insanity pursuant to this part.*

(e) *Meet public safety and treatment criteria established by the department for placement in a community setting.*

(f) *Otherwise would be admitted to a state mental health treatment facility.*

(5) *TRAINING.*—*The Legislature encourages the Florida Supreme Court, in consultation and cooperation with the Florida Supreme Court Task Force on Substance Abuse and Mental Health Issues in the Courts, to develop educational training for judges in the pilot program areas which focuses on the community forensic system.*

(6) *RULEMAKING.*—*The department may adopt rules to administer this section.*

Section 91. Subsections (6) through (13) of section 948.001, Florida Statutes, are renumbered as subsections (7) through (14), respectively, and a new subsection (6) is added to that section to read:

948.001 Definitions.—As used in this chapter, the term:

(6) “*Mental health probation*” means a form of specialized supervision that emphasizes mental health treatment and working with treatment providers to focus on underlying mental health disorders and compliance with a prescribed psychotropic medication regimen in accordance with individualized treatment plans. Mental health probation shall be supervised by officers with restricted caseloads who are sensitive to the unique needs of individuals with mental health disorders, and who will work in tandem with community mental health case managers assigned to the defendant. Caseloads of such officers should be restricted to a maximum of 50 cases per officer in order to ensure an adequate level of staffing and supervision.

Section 92. Subsection (8) is added to section 948.01, Florida Statutes, to read:

948.01 When court may place defendant on probation or into community control.—

(8)(a) *Notwithstanding s. 921.0024 and effective for offenses committed on or after July 1, 2016, the sentencing court may place the defendant into a postadjudicatory mental health court program if the offense is a nonviolent felony, the defendant is amenable to mental health treatment, including taking prescribed medications, and the defendant is otherwise qualified under s. 394.47892(4). The satisfactory completion of the program must be a condition of the defendant's probation or community control. As used in this subsection, the term "nonviolent felony" means a third degree felony violation under chapter 810 or any other felony offense that is not a forcible felony as defined in s. 776.08. Defendants charged with resisting an officer with violence under s. 843.01, battery on a law enforcement officer under s. 784.07, or aggravated assault may participate in the mental health court program if the court so orders after the victim is given his or her right to provide testimony or written statement to the court as provided in s. 921.143.*

(b) *The defendant must be fully advised of the purpose of the mental health court program and the defendant must agree to enter the program. The original sentencing court shall relinquish jurisdiction of the defendant's case to the postadjudicatory mental health court program until the defendant is no longer active in the program, the case is returned to the sentencing court due to the defendant's termination from the program for failure to comply with the terms thereof, or the defendant's sentence is completed.*

(c) *The Department of Corrections may establish designated and trained mental health probation officers to support individuals under supervision of the mental health court program.*

Section 93. Paragraph (j) is added to subsection (2) of section 948.06, Florida Statutes, to read:

948.06 Violation of probation or community control; revocation; modification; continuance; failure to pay restitution or cost of supervision.—

(2)

(j)1. *Notwithstanding s. 921.0024 and effective for offenses committed on or after July 1, 2016, the court may order the offender to successfully complete a postadjudicatory mental health court program under s. 394.47892 or a military veterans and servicemembers court program under s. 394.47891 if:*

a. *The court finds or the offender admits that the offender has violated his or her community control or probation;*

b. *The underlying offense is a nonviolent felony. As used in this subsection, the term "nonviolent felony" means a third degree felony violation under chapter 810 or any other felony offense that is not a forcible felony as defined in s. 776.08. Offenders charged with resisting an officer with violence under s. 843.01, battery on a law enforcement officer under s. 784.07, or aggravated assault may participate in the mental health court program if the court so orders after the victim is given his or her right to provide testimony or written statement to the court as provided in s. 921.143;*

c. *The court determines that the offender is amenable to the services of a postadjudicatory mental health court program, including taking prescribed medications, or a military veterans and servicemembers court program;*

d. *The court explains the purpose of the program to the offender and the offender agrees to participate; and*

e. *The offender is otherwise qualified to participate in a postadjudicatory mental health court program under s. 394.47892(4) or a military veterans and servicemembers court program under s. 394.47891.*

2. *After the court orders the modification of community control or probation, the original sentencing court shall relinquish jurisdiction of the offender's case to the postadjudicatory mental health court program until the offender is no longer active in the program, the case is returned to the sentencing court due to the offender's termination from the pro-*

gram for failure to comply with the terms thereof, or the offender's sentence is completed.

Section 94. Subsection (8) of section 948.08, Florida Statutes, is renumbered as subsection (9), paragraph (a) of subsection (7) is amended, and a new subsection (8) is added to that section, to read:

948.08 Pretrial intervention program.—

(7)(a) *Notwithstanding any provision of this section, a person who is charged with a felony, other than a felony listed in s. 948.06(8)(c), and identified as a veteran, as defined in s. 1.01, including a veteran who is discharged or released under a general discharge, or servicemember, as defined in s. 250.01, who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem, is eligible for voluntary admission into a pretrial veterans' treatment intervention program approved by the chief judge of the circuit, upon motion of either party or the court's own motion, except:*

1. *If a defendant was previously offered admission to a pretrial veterans' treatment intervention program at any time before trial and the defendant rejected that offer on the record, the court may deny the defendant's admission to such a program.*

2. *If a defendant previously entered a court-ordered veterans' treatment program, the court may deny the defendant's admission into the pretrial veterans' treatment program.*

(8)(a) *Notwithstanding any provision of this section, a defendant is eligible for voluntary admission into a pretrial mental health court program established pursuant to s. 394.47892 and approved by the chief judge of the circuit for a period to be determined by the court, based on the clinical needs of the defendant, upon motion of either party or the court's own motion if:*

1. *The defendant is identified as having a mental illness;*

2. *The defendant has not been convicted of a felony; and*

3. *The defendant is charged with:*

a. *A nonviolent felony that includes a third degree felony violation of chapter 810 or any other felony offense that is not a forcible felony as defined in s. 776.08;*

b. *Resisting an officer with violence under s. 843.01, if the law enforcement officer and state attorney consent to the defendant's participation;*

c. *Battery on a law enforcement officer under s. 784.07, if the law enforcement officer and state attorney consent to the defendant's participation; or*

d. *Aggravated assault, if the victim and state attorney consent to the defendant's participation.*

(b) *At the end of the pretrial intervention period, the court shall consider the recommendation of the program administrator and the recommendation of the state attorney as to disposition of the pending charges. The court shall determine, by written finding, whether the defendant has successfully completed the pretrial intervention program. If the court finds that the defendant has not successfully completed the pretrial intervention program, the court may order the person to continue in education and treatment, which may include a mental health program offered by a licensed service provider, as defined in s. 394.455, or order that the charges revert to normal channels for prosecution. The court shall dismiss the charges upon a finding that the defendant has successfully completed the pretrial intervention program.*

Section 95. Subsections (3) and (4) of section 948.16, Florida Statutes, are renumbered as subsections (4) and (5), respectively, paragraph (a) of subsection (2) and present subsection (4) of that section are amended, and a new subsection (3) is added to that section, to read:

948.16 Misdemeanor pretrial substance abuse education and treatment intervention program; misdemeanor pretrial veterans' treatment intervention program; *misdemeanor pretrial mental health court program.*—

(2)(a) A veteran, as defined in s. 1.01, *including a veteran who is discharged or released under a general discharge*, or servicemember, as defined in s. 250.01, who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem, and who is charged with a misdemeanor is eligible for voluntary admission into a misdemeanor pretrial veterans' treatment intervention program approved by the chief judge of the circuit, for a period based on the program's requirements and the treatment plan for the offender, upon motion of either party or the court's own motion. However, the court may deny the defendant admission into a misdemeanor pretrial veterans' treatment intervention program if the defendant has previously entered a court-ordered veterans' treatment program.

(3) *A defendant who is charged with a misdemeanor and identified as having a mental illness is eligible for voluntary admission into a misdemeanor pretrial mental health court program established pursuant to s. 394.47892, approved by the chief judge of the circuit, for a period to be determined by the court, based on the clinical needs of the defendant, upon motion of either party or the court's own motion.*

(5)(4) Any public or private entity providing a pretrial substance abuse education and treatment program or *mental health court program* under this section shall contract with the county or appropriate governmental entity. The terms of the contract shall include, but not be limited to, the requirements established for private entities under s. 948.15(3). This requirement does not apply to services provided by the Department of Veterans' Affairs or the United States Department of Veterans Affairs.

Section 96. Section 948.21, Florida Statutes, is amended to read:

948.21 Condition of probation or community control; military servicemembers and veterans.—

(1) Effective for a probationer or community controllee whose crime ~~is was~~ committed on or after July 1, 2012, and who is a veteran, as defined in s. 1.01, or servicemember, as defined in s. 250.01, who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem, the court may, in addition to any other conditions imposed, impose a condition requiring the probationer or community controllee to participate in a treatment program capable of treating the ~~probationer's~~ ~~probationer~~ or community controllee's mental illness, traumatic brain injury, substance abuse disorder, or psychological problem.

(2) *Effective for a probationer or community controllee whose crime is committed on or after July 1, 2016, and who is a veteran, as defined in s. 1.01, including a veteran who is discharged or released under a general discharge, or servicemember, as defined in s. 250.01, who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem, the court may, in addition to any other conditions imposed, impose a condition requiring the probationer or community controllee to participate in a treatment program capable of treating the probationer or community controllee's mental illness, traumatic brain injury, substance abuse disorder, or psychological problem.*

(3) The court shall give preference to treatment programs for which the probationer or community controllee is eligible through the United States Department of Veterans Affairs or the Florida Department of Veterans' Affairs. The Department of Corrections is not required to spend state funds to implement this section.

Section 97. Section 985.345, Florida Statutes, is amended to read:

985.345 Delinquency pretrial intervention ~~programs~~ ~~program~~.—

(1)(a) Notwithstanding any ~~other provision of law to the contrary~~, a child who is charged with a felony of the second or third degree for purchase or possession of a controlled substance under chapter 893; tampering with evidence; solicitation for purchase of a controlled substance; or obtaining a prescription by fraud, and who has not previously been adjudicated for a felony, is eligible for voluntary admission into a delinquency pretrial substance abuse education and treatment intervention program, including a treatment-based drug court program established pursuant to s. 397.334, approved by the chief judge or alternative sanctions coordinator of the circuit to the extent that funded

programs are available, for a period based on the program requirements and the treatment services that are suitable for the offender, upon motion of either party or the court's own motion. However, if the state attorney believes that the facts and circumstances of the case suggest the child's involvement in the dealing and selling of controlled substances, the court shall hold a preadmission hearing. If the state attorney establishes by a preponderance of the evidence at such hearing that the child was involved in the dealing and selling of controlled substances, the court shall deny the child's admission into a delinquency pretrial intervention program.

(b)(2) While enrolled in a delinquency pretrial intervention program authorized by this ~~subsection~~ ~~section~~, a child is subject to a coordinated strategy developed by a drug court team under s. 397.334(4). The coordinated strategy may include a protocol of sanctions that may be imposed upon the child for noncompliance with program rules. The protocol of sanctions may include, but is not limited to, placement in a substance abuse treatment program offered by a licensed service provider as defined in s. 397.311 or serving a period of secure detention under this chapter. The coordinated strategy must be provided in writing to the child before the child agrees to enter the pretrial treatment-based drug court program or other pretrial intervention program. ~~Any~~ child whose charges are dismissed after successful completion of the treatment-based drug court program, if otherwise eligible, may have his or her arrest record and plea of nolo contendere to the dismissed charges expunged under s. 943.0585.

(c)(3) At the end of the delinquency pretrial intervention period, the court shall consider the recommendation of the state attorney and the program administrator as to disposition of the pending charges. The court shall determine, by written finding, whether the child has successfully completed the delinquency pretrial intervention program. Notwithstanding the coordinated strategy developed by a drug court team pursuant to s. 397.334(4), if the court finds that the child has not successfully completed the delinquency pretrial intervention program, the court may order the child to continue in an education, treatment, or ~~drug testing~~ ~~urine monitoring~~ program if resources and funding are available or order that the charges revert to normal channels for prosecution. The court may dismiss the charges upon a finding that the child has successfully completed the delinquency pretrial intervention program.

(2)(a) *Notwithstanding any other law, a child who has been identified as having a mental illness and who has not been previously adjudicated for a felony is eligible for voluntary admission into a delinquency pretrial mental health court intervention program, established pursuant to s. 394.47892, approved by the chief judge of the circuit, for a period to be determined by the court, based on the clinical needs of the child, upon motion of either party or the court's own motion if the child is charged with:*

1. A misdemeanor;
2. A nonviolent felony, as defined in s. 948.01(8);
3. Resisting an officer with violence under s. 843.01, if the law enforcement officer and state attorney consent to the child's participation;
4. Battery on a law enforcement officer under 784.07, if the law enforcement officer and state attorney consent to the child's participation; or
5. Aggravated assault, if the victim and state attorney consent to the child's participation.

(b) *At the end of the delinquency pretrial mental health court intervention period, the court shall consider the recommendation of the state attorney and the program administrator as to disposition of the pending charges. The court shall determine, by written finding, whether the child has successfully completed the program. If the court finds that the child has not successfully completed the program, the court may order the child to continue in an education, treatment, or monitoring program if resources and funding are available or order that the charges revert to normal channels for prosecution. The court may dismiss the charges upon a finding that the child has successfully completed the program.*

(c) *A child whose charges are dismissed after successful completion of the delinquency pretrial mental health court intervention program, if*

otherwise eligible, may have his or her criminal history record for such charges expunged under s. 943.0585.

(3)(4) Any entity, whether public or private, providing pretrial substance abuse education, treatment intervention, *drug testing, or a mental health court* and a urine monitoring program under this section must contract with the county or appropriate governmental entity, and the terms of the contract must include, but need not be limited to, the requirements established for private entities under s. 948.15(3). It is the intent of the Legislature that public or private entities providing substance abuse education and treatment intervention programs involve the active participation of parents, schools, churches, businesses, law enforcement agencies, and the department or its contract providers.

Section 98. For the purpose of incorporating the amendments made by this act to sections 948.01 and 948.06, Florida Statutes, in references thereto, paragraph (a) of subsection (3) and subsection (5) of section 397.334, Florida Statutes, are reenacted to read:

397.334 Treatment-based drug court programs.—

(3)(a) Entry into any postadjudicatory treatment-based drug court program as a condition of probation or community control pursuant to s. 948.01, s. 948.06, or s. 948.20 must be based upon the sentencing court's assessment of the defendant's criminal history, substance abuse screening outcome, amenability to the services of the program, total sentence points, the recommendation of the state attorney and the victim, if any, and the defendant's agreement to enter the program.

(5) Treatment-based drug court programs may include pretrial intervention programs as provided in ss. 948.08, 948.16, and 985.345, treatment-based drug court programs authorized in chapter 39, post-adjudicatory programs as provided in ss. 948.01, 948.06, and 948.20, and review of the status of compliance or noncompliance of sentenced offenders through a treatment-based drug court program. While enrolled in a treatment-based drug court program, the participant is subject to a coordinated strategy developed by a drug court team under subsection (4). The coordinated strategy may include a protocol of sanctions that may be imposed upon the participant for noncompliance with program rules. The protocol of sanctions may include, but is not limited to, placement in a substance abuse treatment program offered by a licensed service provider as defined in s. 397.311 or in a jail-based treatment program or serving a period of secure detention under chapter 985 if a child or a period of incarceration within the time limits established for contempt of court if an adult. The coordinated strategy must be provided in writing to the participant before the participant agrees to enter into a treatment-based drug court program.

Section 99. For the purpose of incorporating the amendment made by this act to section 948.06, Florida Statutes, in a reference thereto, paragraph (b) of subsection (2) of section 948.012, Florida Statutes, is reenacted to read:

948.012 Split sentence of probation or community control and imprisonment.—

(2) The court may also impose a split sentence whereby the defendant is sentenced to a term of probation which may be followed by a period of incarceration or, with respect to a felony, into community control, as follows:

(b) If the offender does not meet the terms and conditions of probation or community control, the court may revoke, modify, or continue the probation or community control as provided in s. 948.06. If the probation or community control is revoked, the court may impose any sentence that it could have imposed at the time the offender was placed on probation or community control. The court may not provide credit for time served for any portion of a probation or community control term toward a subsequent term of probation or community control. However, the court may not impose a subsequent term of probation or community control which, when combined with any amount of time served on preceding terms of probation or community control for offenses pending before the court for sentencing, would exceed the maximum penalty allowable as provided in s. 775.082. Such term of incarceration shall be served under applicable law or county ordinance governing service of sentences in state or county jurisdiction. This paragraph does not prohibit any other sanction provided by law.

Section 100. *The provisions of this act shall supersede and control over any conflicting provisions adopted in House Bill 439 or Senate Bill 604, 2016 Regular Session, to the extent of such conflict, if either bill becomes a law.*

Section 101. This act shall take effect July 1, 2016.

And the title is amended as follows:

Remove everything before the enacting clause and insert: A bill to be entitled An act relating to mental health and substance abuse; amending s. 29.004, F.S.; including services provided to treatment-based mental health programs within case management funded from state revenues as an element of the state courts system; amending s. 39.01, F.S.; defining a term; amending s. 39.407, F.S.; requiring assessment findings to be provided to the plan that is financially responsible for a child's care in residential treatment under certain circumstances; amending s. 394.453, F.S.; revising legislative intent; amending s. 394.4573, F.S.; requiring the Department of Children and Families to submit a certain assessment to the Governor and Legislature by a specified date; redefining terms; providing essential elements of a coordinated system of care; providing requirements for the department's annual assessment; authorizing the department to award certain grants; deleting duties and measures of the department regarding continuity of care management systems; amending s. 394.461, F.S.; creating a designated receiving system that functions as a no-wrong-door model, based on certain receiving system models; authorizing, rather than requiring, the department to adopt rules to implement the designated receiving system; repealing s. 394.675, F.S., relating to the substance abuse and mental health service system; amending ss. 394.75 and 394.76, F.S.; conforming provisions and cross-references to changes made by the act; amending s. 394.4597, F.S.; revising the prioritization of health care surrogates to be selected for involuntary patients; specifying certain persons who are prohibited from being selected as an individual's representative; amending s. 394.4598, F.S.; specifying certain persons who are prohibited from being appointed as a person's guardian advocate; amending s. 394.462, F.S.; requiring that counties develop and implement transportation plans; providing requirements for the plans; revising requirements for transportation to receiving facilities and treatment facilities; revising exceptions to such requirements; amending s. 394.467, F.S.; revising criteria for involuntary inpatient placement; requiring a facility filing a petition for involuntary inpatient placement to send a copy to the department and managing entity; revising criteria for a hearing on involuntary inpatient placement; revising criteria for a procedure for continued involuntary inpatient services; specifying requirements for a certain waiver of the patient's attendance at a hearing; requiring the court to consider certain testimony and evidence regarding a patient's incompetence; amending s. 394.46715, F.S.; revising rulemaking authority of the department; amending s. 394.4685, F.S.; requiring a public receiving facility initiating a patient transfer to a licensed hospital for certain mental health services to provide notice and transfer patient records to the hospital; amending s. 394.656, F.S.; revising the membership of the Criminal Justice, Mental Health, and Substance Abuse Statewide Grant Review Committee; providing duties for the committee; authorizing a not-for-profit community provider or managing entity to apply for certain grants; revising eligibility for such grants; defining a term; creating s. 394.761, F.S.; authorizing the agency and the department to develop a plan for revenue maximization; requiring the plan to be submitted to the Legislature by a certain date; amending s. 394.879, F.S.; providing an exception for certain treatment and receiving facilities from Florida Building Code and Florida Fire Prevention Code standards; requiring the department to modify licensure rules and procedures to create an option for a single, consolidated license for certain providers by a specified date; amending s. 394.9082, F.S.; providing a purpose for behavioral health managing entities; revising definitions; providing duties of the department; requiring the department to revise its contracts with managing entities; providing duties for managing entities; providing requirements for network accreditation and systems coordination agreements; providing a funding mechanism for managing entities; renaming the Crisis Stabilization Services Utilization Database as the Acute Care Services Utilization Database and requiring certain substance abuse providers to provide utilization data; deleting provisions relating to legislative findings and intent, service delivery strategies, essential elements, reporting requirements, and rulemaking authority; amending s. 397.305; providing legislative intent; amending s. 397.311, F.S.; defining and redefining terms; conforming a cross-reference; amending s. 397.321,

Senator Garcia moved the following amendment:

Senate Amendment 1 (259190) to House Amendment 1 (171349) (with title amendment)—Delete lines 5-4950 and insert:

Section 1. Paragraph (e) is added to subsection (10) of section 29.004, Florida Statutes, to read:

29.004 State courts system.—For purposes of implementing s. 14, Art. V of the State Constitution, the elements of the state courts system to be provided from state revenues appropriated by general law are as follows:

(10) Case management. Case management includes:

(e) *Service referral, coordination, monitoring, and tracking for treatment-based mental health court programs under chapter 394.*

Case management may not include costs associated with the application of therapeutic jurisprudence principles by the courts. Case management also may not include case intake and records management conducted by the clerk of court.

Section 2. Subsections (65) through (79) of section 39.01, Florida Statutes, are renumbered as subsections (66) through (80), respectively, and a new subsection (65) is added to that section to read:

39.01 Definitions.—When used in this chapter, unless the context otherwise requires:

(65) *“Qualified professional” means a physician or a physician assistant licensed under chapter 458 or chapter 459; a psychiatrist licensed under chapter 458 or chapter 459; a psychologist as defined in s. 490.003(7) or a professional licensed under chapter 491; or a psychiatric nurse as defined in s. 394.455.*

Section 3. Paragraph (c) of subsection (6) of section 39.407, Florida Statutes, is amended to read:

39.407 Medical, psychiatric, and psychological examination and treatment of child; physical, mental, or substance abuse examination of person with or requesting child custody.—

(6) Children who are in the legal custody of the department may be placed by the department, without prior approval of the court, in a residential treatment center licensed under s. 394.875 or a hospital licensed under chapter 395 for residential mental health treatment only pursuant to this section or may be placed by the court in accordance with an order of involuntary examination or involuntary placement entered pursuant to s. 394.463 or s. 394.467. All children placed in a residential treatment program under this subsection must have a guardian ad litem appointed.

(c) Before a child is admitted under this subsection, the child shall be assessed for suitability for residential treatment by a qualified evaluator who has conducted a personal examination and assessment of the child and has made written findings that:

1. The child appears to have an emotional disturbance serious enough to require residential treatment and is reasonably likely to benefit from the treatment.

2. The child has been provided with a clinically appropriate explanation of the nature and purpose of the treatment.

3. All available modalities of treatment less restrictive than residential treatment have been considered, and a less restrictive alternative that would offer comparable benefits to the child is unavailable.

A copy of the written findings of the evaluation and suitability assessment must be provided to the department, and to the guardian ad litem, and, if the child is a member of a Medicaid managed care plan, to the plan that is financially responsible for the child's care in residential

treatment, all of whom must be provided with ~~who shall have~~ the opportunity to discuss the findings with the evaluator.

Section 4. Section 394.453, Florida Statutes, is amended to read:

394.453 Legislative intent.—

(1) It is the intent of the Legislature:

(a) To authorize and direct the Department of Children and Families to evaluate, research, plan, and recommend to the Governor and the Legislature programs designed to reduce the occurrence, severity, duration, and disabling aspects of mental, emotional, and behavioral disorders.

(b) ~~It is the intent of the Legislature~~ That treatment programs for such disorders ~~shall~~ include, but not be limited to, comprehensive health, social, educational, and rehabilitative services to persons requiring intensive short-term and continued treatment in order to encourage them to assume responsibility for their treatment and recovery. It is intended that:

1. Such persons be provided with emergency service and temporary detention for evaluation when required;

2. ~~Such persons that they~~ be admitted to treatment facilities on a voluntary basis when extended or continuing care is needed and unavailable in the community;

3. ~~that~~ Involuntary placement be provided only when expert evaluation determines ~~that~~ it is necessary;

4. ~~that~~ Any involuntary treatment or examination be accomplished in a setting ~~that which~~ is clinically appropriate and most likely to facilitate the person's return to the community as soon as possible; and

5. ~~that~~ Individual dignity and human rights be guaranteed to all persons who are admitted to mental health facilities or who are being held under s. 394.463.

(c) *That services provided to persons in this state use the coordination-of-care principles characteristic of recovery-oriented services and include social support services, such as housing support, life skills and vocational training, and employment assistance, necessary for persons with mental health disorders and co-occurring mental health and substance use disorders to live successfully in their communities.*

(d) *That licensed, qualified health professionals be authorized to practice to the fullest extent of their education and training in the performance of professional functions necessary to carry out the intent of this part.*

(2) ~~It is the further intent of the Legislature that the least restrictive means of intervention be employed based on the individual needs of each person, within the scope of available services.~~ It is the policy of this state that the use of restraint and seclusion on clients is justified only as an emergency safety measure to be used in response to imminent danger to the client or others. It is, therefore, the intent of the Legislature to achieve an ongoing reduction in the use of restraint and seclusion in programs and facilities serving persons with mental illness.

Section 5. Section 394.4573, Florida Statutes, is amended to read:

394.4573 *Coordinated system of care; annual assessment; essential elements* ~~Continuity of care management system~~; measures of performance; system improvement grants; reports.—*On or before December 1 of each year, the department shall submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives an assessment of the behavioral health services in this state. The assessment shall consider, at a minimum, the extent to which designated receiving systems function as no-wrong-door models, the availability of treatment and recovery services that use recovery-oriented and peer-involved approaches, the availability of less-restrictive services, and the use of evidence-informed practices. The department's assessment shall consider, at a minimum, the needs assessments conducted by the managing entities pursuant to s. 394.9082(5). Beginning in 2017, the department shall compile and include in the report all plans submitted by managing entities pursuant to s. 394.9082(8) and the department's evaluation of each plan.*

(1) As used in ~~For the purposes of~~ this section:

(a) “Care coordination” means the implementation of deliberate and planned organizational relationships and service procedures that improve the effectiveness and efficiency of the behavioral health system by engaging in purposeful interactions with individuals who are not yet effectively connected with services to ensure service linkage. Examples of care coordination activities include development of referral agreements, shared protocols, and information exchange procedures. The purpose of care coordination is to enhance the delivery of treatment services and recovery supports and to improve outcomes among priority populations.

~~(b)(a)~~ “Case management” means those direct services provided to a client in order to assess his or her activities aimed at assessing client needs, plan, or arrange ~~planning~~ services, coordinate service providers, link ~~linking~~ the service system to a client, monitor ~~coordinating~~ the various system components, monitoring service delivery, and evaluate patient outcomes to ensure the client is receiving the appropriate services ~~evaluating the effect of service delivery~~.

~~(b)~~ “Case manager” means an individual who works with clients, and their families and significant others, to provide case management.

~~(c)~~ “Client manager” means an employee of the department who is assigned to specific provider agencies and geographic areas to ensure that the full range of needed services is available to clients.

~~(c)(d)~~ “Coordinated system ~~Continuity of care management system~~” means a system that assures, within available resources, that clients ~~have access to~~ the full array of behavioral and related services in a region or community offered by all service providers, whether participating under contract with the managing entity or by another method of community partnership or mutual agreement ~~within the mental health services delivery system~~.

(d) “No-wrong-door model” means a model for the delivery of acute care services to persons who have mental health or substance use disorders, or both, which optimizes access to care, regardless of the entry point to the behavioral health care system.

(2) The essential elements of a coordinated system of care include:

(a) Community interventions, such as prevention, primary care for behavioral health needs, therapeutic and supportive services, crisis response services, and diversion programs.

(b) A designated receiving system that consists of one or more facilities serving a defined geographic area and responsible for assessment and evaluation, both voluntary and involuntary, and treatment or triage of patients who have a mental health or substance use disorder, or co-occurring disorders.

1. A county or several counties shall plan the designated receiving system using a process that includes the managing entity and is open to participation by individuals with behavioral health needs and their families, service providers, law enforcement agencies, and other parties. The county or counties, in collaboration with the managing entity, shall document the designated receiving system through written memoranda of agreement or other binding arrangements. The county or counties and the managing entity shall complete the plan and implement the designated receiving system by July 1, 2017, and the county or counties and the managing entity shall review and update, as necessary, the designated receiving system at least once every 3 years.

2. To the extent permitted by available resources, the designated receiving system shall function as a no-wrong-door model. The designated receiving system may be organized in any manner which functions as a no-wrong-door model that responds to individual needs and integrates services among various providers. Such models include, but are not limited to:

a. A central receiving system that consists of a designated central receiving facility that serves as a single entry point for persons with mental health or substance use disorders, or co-occurring disorders. The central receiving facility shall be capable of assessment, evaluation, and triage or treatment or stabilization of persons with mental health or substance use disorders, or co-occurring disorders.

b. A coordinated receiving system that consists of multiple entry points that are linked by shared data systems, formal referral agreements, and cooperative arrangements for care coordination and case management. Each entry point shall be a designated receiving facility and shall, within existing resources, provide or arrange for necessary services following an initial assessment and evaluation.

c. A tiered receiving system that consists of multiple entry points, some of which offer only specialized or limited services. Each service provider shall be classified according to its capabilities as either a designated receiving facility or another type of service provider, such as a triage center, a licensed detoxification facility, or an access center. All participating service providers shall, within existing resources, be linked by methods to share data, formal referral agreements, and cooperative arrangements for care coordination and case management.

An accurate inventory of the participating service providers which specifies the capabilities and limitations of each provider and its ability to accept patients under the designated receiving system agreements and the transportation plan developed pursuant to this section shall be maintained and made available at all times to all first responders in the service area.

(c) Transportation in accordance with a plan developed under s. 394.462.

(d) Crisis services, including mobile response teams, crisis stabilization units, addiction receiving facilities, and detoxification facilities.

(e) Case management. Each case manager or person directly supervising a case manager who provides Medicaid-funded targeted case management services shall hold a valid certification from a department-approved credentialing entity as defined in s. 397.311(9) by July 1, 2017, and, thereafter, within 6 months after hire.

(f) Care coordination that involves coordination with other local systems and entities, public and private, which are involved with the individual, such as primary care, child welfare, behavioral health care, and criminal and juvenile justice organizations.

(g) Outpatient services.

(h) Residential services.

(i) Hospital inpatient care.

(j) Aftercare and other post-discharge services.

(k) Medication-assisted treatment and medication management.

(l) Recovery support, including, but not limited to, support for competitive employment, educational attainment, independent living skills development, family support and education, wellness management and self-care, and assistance in obtaining housing that meets the individual’s needs. Such housing may include mental health residential treatment facilities, limited mental health assisted living facilities, adult family care homes, and supportive housing. Housing provided using state funds must provide a safe and decent environment free from abuse and neglect.

(m) Care plans shall assign specific responsibility for initial and ongoing evaluation of the supervision and support needs of the individual and the identification of housing that meets such needs. For purposes of this paragraph, the term “supervision” means oversight of and assistance with compliance with the clinical aspects of an individual’s care plan.

(3) SYSTEM IMPROVEMENT GRANTS.—Subject to a specific appropriation by the Legislature, the department may award system improvement grants to managing entities based on a detailed plan to enhance services in accordance with the no-wrong-door model as defined in subsection (1) and to address specific needs identified in the assessment prepared by the department pursuant to this section. Such a grant must be awarded through a performance-based contract that links payments to the documented and measurable achievement of system improvements. ~~The department is directed to implement a continuity of care management system for the provision of mental health care, through the provision of client and case management, including clients referred from state treatment facilities to community mental health~~

facilities. Such system shall include a network of client managers and case managers throughout the state designed to:

~~(a) Reduce the possibility of a client's admission or readmission to a state treatment facility.~~

~~(b) Provide for the creation or designation of an agency in each county to provide single intake services for each person seeking mental health services. Such agency shall provide information and referral services necessary to ensure that clients receive the most appropriate and least restrictive form of care, based on the individual needs of the person seeking treatment. Such agency shall have a single telephone number, operating 24 hours per day, 7 days per week, where practicable, at a central location, where each client will have a central record.~~

~~(c) Advocate on behalf of the client to ensure that all appropriate services are afforded to the client in a timely and dignified manner.~~

~~(d) Require that any public receiving facility initiating a patient transfer to a licensed hospital for acute care mental health services not accessible through the public receiving facility shall notify the hospital of such transfer and send all records relating to the emergency psychiatric or medical condition.~~

~~(3) The department is directed to develop and include in contracts with service providers measures of performance with regard to goals and objectives as specified in the state plan. Such measures shall use, to the extent practical, existing data collection methods and reports and shall not require, as a result of this subsection, additional reports on the part of service providers. The department shall plan monitoring visits of community mental health facilities with other state, federal, and local governmental and private agencies charged with monitoring such facilities.~~

Section 6. Section 394.461, Florida Statutes, is amended to read:

394.461 Designation of receiving and treatment facilities *and receiving systems*.—The department is authorized to designate and monitor receiving facilities, ~~and~~ treatment facilities, *and receiving systems* and may suspend or withdraw such designation for failure to comply with this part and rules adopted under this part. Unless designated by the department, facilities are not permitted to hold or treat involuntary patients under this part.

(1) RECEIVING FACILITY.—The department may designate any community facility as a receiving facility. Any other facility within the state, including a private facility or a federal facility, may be so designated by the department, provided that such designation is agreed to by the governing body or authority of the facility.

(2) TREATMENT FACILITY.—The department may designate any state-owned, state-operated, or state-supported facility as a state treatment facility. A civil patient shall not be admitted to a state treatment facility without previously undergoing a transfer evaluation. Before a court hearing for involuntary placement in a state treatment facility, the court shall receive and consider the information documented in the transfer evaluation. Any other facility, including a private facility or a federal facility, may be designated as a treatment facility by the department, provided that such designation is agreed to by the appropriate governing body or authority of the facility.

(3) PRIVATE FACILITIES.—Private facilities designated as receiving and treatment facilities by the department may provide examination and treatment of involuntary patients, as well as voluntary patients, and are subject to all the provisions of this part.

(4) REPORTING REQUIREMENTS.—

(a) A facility designated as a public receiving or treatment facility under this section shall report to the department on an annual basis the following data, unless these data are currently being submitted to the Agency for Health Care Administration:

1. Number of licensed beds.
2. Number of contract days.
3. Number of admissions by payor class and diagnoses.

4. Number of bed days by payor class.
5. Average length of stay by payor class.
6. Total revenues by payor class.

(b) For the purposes of this subsection, “payor class” means Medicare, Medicare HMO, Medicaid, Medicaid HMO, private-pay health insurance, private-pay health maintenance organization, private preferred provider organization, the Department of Children and Families, other government programs, self-pay patients, and charity care.

(c) The data required under this subsection shall be submitted to the department no later than 90 days following the end of the facility's fiscal year. A facility designated as a public receiving or treatment facility shall submit its initial report for the 6-month period ending June 30, 2008.

(d) The department shall issue an annual report based on the data required pursuant to this subsection. The report shall include individual facilities' data, as well as statewide totals. The report shall be submitted to the Governor, the President of the Senate, and the Speaker of the House of Representatives.

(5) RECEIVING SYSTEM.—*The department shall designate as a receiving system one or more facilities serving a defined geographic area developed pursuant to s. 394.4573 which is responsible for assessment and evaluation, both voluntary and involuntary, and treatment, stabilization, or triage for patients who have a mental illness, a substance use disorder, or co-occurring disorders. Any transportation plans developed pursuant to s. 394.462 must support the operation of the receiving system.*

(6)(5) RULES.—The department ~~may~~ *shall* adopt rules relating to:

(a) Procedures and criteria for receiving and evaluating facility applications for designation, which may include onsite facility inspection and evaluation of an applicant's licensing status and performance history, as well as consideration of local service needs.

(b) Minimum standards consistent with this part that a facility must meet and maintain in order to be designated as a receiving or treatment facility and procedures for monitoring continued adherence to such standards.

~~(c) Procedures and criteria for designating receiving systems which may include consideration of the adequacy of services provided by facilities within the receiving system to meet the needs of the geographic area using available resources.~~

~~(d)(e) Procedures for receiving complaints against a designated facility or designated receiving system and for initiating inspections and investigations of facilities or receiving systems alleged to have violated the provisions of this part or rules adopted under this part.~~

~~(e)(d) Procedures and criteria for the suspension or withdrawal of designation as a receiving facility or receiving system.~~

Section 7. Section 394.675, Florida Statutes, is repealed.

Section 8. Subsection (3) and paragraph (b) of subsection (4) of section 394.75, Florida Statutes, are amended to read:

394.75 State and district substance abuse and mental health plans.—

(3) The district health and human services board shall prepare an integrated district substance abuse and mental health plan. The plan shall be prepared and updated on a schedule established by the Alcohol, Drug Abuse, and Mental Health Program Office. The plan shall reflect the needs and program priorities established by the department and the needs of the district established under ss. 394.4573 and 394.674 ~~and 394.675~~. The plan must list in order of priority the mental health and the substance abuse treatment needs of the district and must rank each program separately. The plan shall include:

(a) A record of the total amount of money available in the district for mental health and substance abuse services.

- (b) A description of each service that will be purchased with state funds.
- (c) A record of the amount of money allocated for each service identified in the plan as being purchased with state funds.
- (d) A record of the total funds allocated to each provider.
- (e) A record of the total funds allocated to each provider by type of service to be purchased with state funds.
- (f) Input from community-based persons, organizations, and agencies interested in substance abuse and mental health treatment services; local government entities that contribute funds to the public substance abuse and mental health treatment systems; and consumers of publicly funded substance abuse and mental health services, and their family members. The plan must describe the means by which this local input occurred.

The plan shall be submitted by the district board to the district administrator and to the governing bodies for review, comment, and approval.

(4) The district plan shall:

- (b) Provide the means for meeting the needs of the district's eligible clients, specified in ss. 394.4573 and 394.674 and 394.675, for substance abuse and mental health services.

Section 9. Paragraph (a) of subsection (3) of section 394.76, Florida Statutes, is amended to read:

394.76 Financing of district programs and services.—If the local match funding level is not provided in the General Appropriations Act or the substantive bill implementing the General Appropriations Act, such funding level shall be provided as follows:

(3) The state share of financial participation shall be determined by the following formula:

- (a) The state share of approved program costs shall be a percentage of the net balance determined by deducting from the total operating cost of services and programs, as specified in s. 394.4573 ~~394.675(1)~~, those expenditures which are ineligible for state participation as provided in subsection (7) and those ineligible expenditures established by rule of the department pursuant to s. 394.78.

Section 10. Paragraphs (d) and (e) of subsection (2) of section 394.4597, Florida Statutes, are amended to read:

394.4597 Persons to be notified; patient's representative.—

(2) INVOLUNTARY PATIENTS.—

(d) When the receiving or treatment facility selects a representative, first preference shall be given to a health care surrogate, if one has been previously selected by the patient. If the patient has not previously selected a health care surrogate, the selection, except for good cause documented in the patient's clinical record, shall be made from the following list in the order of listing:

1. The patient's spouse.
2. An adult child of the patient.
3. A parent of the patient.
4. The adult next of kin of the patient.
5. An adult friend of the patient.

~~6. The appropriate Florida local advocacy council as provided in s. 402.166.~~

(e) *The following persons are prohibited from selection as a patient's representative:*

1. *A professional providing clinical services to the patient under this part.*

2. *The licensed professional who initiated the involuntary examination of the patient, if the examination was initiated by professional certificate.*
3. *An employee, an administrator, or a board member of the facility providing the examination of the patient.*
4. *An employee, an administrator, or a board member of a treatment facility providing treatment for the patient.*
5. *A person providing any substantial professional services to the patient, including clinical services.*
6. *A creditor of the patient.*
7. *A person subject to an injunction for protection against domestic violence under s. 741.30, whether the order of injunction is temporary or final, and for which the patient was the petitioner.*

8. *A person subject to an injunction for protection against repeat violence, stalking, sexual violence, or dating violence under s. 784.046, whether the order of injunction is temporary or final, and for which the patient was the petitioner.* ~~A licensed professional providing services to the patient under this part, an employee of a facility providing direct services to the patient under this part, a department employee, a person providing other substantial services to the patient in a professional or business capacity, or a creditor of the patient shall not be appointed as the patient's representative.~~

Section 11. Subsections (2) through (7) of section 394.4598, Florida Statutes, are renumbered as subsections (3) through (8), respectively, a new subsection (2) is added to that section, and present subsections (3) and (4) of that section are amended, to read:

394.4598 Guardian advocate.—

(2) *The following persons are prohibited from appointment as a patient's guardian advocate:*

- (a) *A professional providing clinical services to the patient under this part.*
- (b) *The licensed professional who initiated the involuntary examination of the patient, if the examination was initiated by professional certificate.*
- (c) *An employee, an administrator, or a board member of the facility providing the examination of the patient.*
- (d) *An employee, an administrator, or a board member of a treatment facility providing treatment of the patient.*
- (e) *A person providing any substantial professional services, excluding public and professional guardians, to the patient, including clinical services.*
- (f) *A creditor of the patient.*
- (g) *A person subject to an injunction for protection against domestic violence under s. 741.30, whether the order of injunction is temporary or final, and for which the patient was the petitioner.*
- (h) *A person subject to an injunction for protection against repeat violence, stalking, sexual violence, or dating violence under s. 784.046, whether the order of injunction is temporary or final, and for which the patient was the petitioner.*

~~(4)(g) In lieu of the training required of guardians appointed pursuant to chapter 744, Prior to a guardian advocate must, at a minimum, participate in a 4-hour training course approved by the court before exercising his or her authority; the guardian advocate shall attend a training course approved by the court. At a minimum, this training course, of not less than 4 hours, must include, at minimum, information about the patient rights, psychotropic medications, the diagnosis of mental illness, the ethics of medical decisionmaking, and duties of guardian advocates. This training course shall take the place of the training required for guardians appointed pursuant to chapter 744.~~

~~(5)(4)~~ The required training course and the information to be supplied to prospective guardian advocates before ~~prior to~~ their appointment and the training course for guardian advocates must be developed and completed through a course developed by the department, and approved by the chief judge of the circuit court, and taught by a court-approved organization, ~~which—Court-approved organizations~~ may include, but is ~~are~~ not limited to, a community college ~~community or junior colleges, a guardianship organization guardianship organizations, a~~ and the local bar association, or The Florida Bar. The training course may be web-based, provided in video format, or other electronic means but must be capable of ensuring the identity and participation of the prospective guardian advocate. The court may, ~~in its discretion,~~ waive some or all of the training requirements for guardian advocates or impose additional requirements. The court shall make its decision on a case-by-case basis and, in making its decision, shall consider the experience and education of the guardian advocate, the duties assigned to the guardian advocate, and the needs of the patient.

Section 12. Section 394.462, Florida Statutes, is amended to read:

394.462 Transportation.—A transportation plan shall be developed and implemented by each county by July 1, 2017, in collaboration with the managing entity in accordance with this section. A county may enter into a memorandum of understanding with the governing boards of nearby counties to establish a shared transportation plan. When multiple counties enter into a memorandum of understanding for this purpose, the counties shall notify the managing entity and provide it with a copy of the agreement. The transportation plan shall describe methods of transport to a facility within the designated receiving system for individuals subject to involuntary examination under s. 394.463 or involuntary admission under s. 397.6772, s. 397.679, s. 397.6798, or s. 397.6811, and may identify responsibility for other transportation to a participating facility when necessary and agreed to by the facility. The plan may rely on emergency medical transport services or private transport companies, as appropriate. The plan shall comply with the transportation provisions of this section and ss. 397.6772, 397.6795, 397.6822, and 397.697.

(1) TRANSPORTATION TO A RECEIVING FACILITY.—

(a) Each county shall designate a single law enforcement agency within the county, or portions thereof, to take a person into custody upon the entry of an ex parte order or the execution of a certificate for involuntary examination by an authorized professional and to transport that person to the appropriate facility within the designated receiving system pursuant to a transportation plan or an exception under subsection (4), or to the nearest receiving facility if neither apply ~~for examination~~.

(b)1. The designated law enforcement agency may decline to transport the person to a receiving facility only if:

a.1. The jurisdiction designated by the county has contracted on an annual basis with an emergency medical transport service or private transport company for transportation of persons to receiving facilities pursuant to this section at the sole cost of the county; and

b.2. The law enforcement agency and the emergency medical transport service or private transport company agree that the continued presence of law enforcement personnel is not necessary for the safety of the person or others.

2.3. The entity providing transportation ~~jurisdiction designated by the county~~ may seek reimbursement for transportation expenses. The party responsible for payment for such transportation is the person receiving the transportation. The county shall seek reimbursement from the following sources in the following order:

a. From a private or public third-party payor ~~an insurance company, health care corporation, or other source~~, if the person receiving the transportation has applicable coverage ~~is covered by an insurance policy or subscribes to a health care corporation or other source for payment of such expenses~~.

b. From the person receiving the transportation.

c. From a financial settlement for medical care, treatment, hospitalization, or transportation payable or accruing to the injured party.

~~(c)(b)~~ A ~~Any~~ company that transports a patient pursuant to this subsection is considered an independent contractor and is solely liable for the safe and dignified transport ~~transportation~~ of the patient. Such company must be insured and provide no less than \$100,000 in liability insurance with respect to the ~~transport transportation~~ of patients.

~~(d)(e)~~ Any company that contracts with a governing board of a county to transport patients shall comply with the applicable rules of the department to ensure the safety and dignity of the patients.

~~(e)(d)~~ When a law enforcement officer takes custody of a person pursuant to this part, the officer may request assistance from emergency medical personnel if such assistance is needed for the safety of the officer or the person in custody.

~~(f)(e)~~ When a member of a mental health overlay program or a mobile crisis response service is a professional authorized to initiate an involuntary examination pursuant to s. 394.463 or s. 397.675 and that professional evaluates a person and determines that transportation to a receiving facility is needed, the service, at its discretion, may transport the person to the facility or may call on the law enforcement agency or other transportation arrangement best suited to the needs of the patient.

~~(g)(f)~~ When any law enforcement officer has custody of a person based on either noncriminal or minor criminal behavior that meets the statutory guidelines for involuntary examination pursuant to s. 394.463 ~~under this part~~, the law enforcement officer shall transport the person to the appropriate facility within the designated receiving system pursuant to a transportation plan or an exception under subsection (4), or to the nearest receiving facility if neither apply ~~for examination~~. Persons who meet the statutory guidelines for involuntary admission pursuant to s. 397.675 may also be transported by law enforcement officers to the extent resources are available and as otherwise provided by law. Such persons shall be transported to an appropriate facility within the designated receiving system pursuant to a transportation plan or an exception under subsection (4), or to the nearest facility if neither apply.

~~(h)(g)~~ When any law enforcement officer has arrested a person for a felony and it appears that the person meets the statutory guidelines for involuntary examination or placement under this part, such person ~~must~~ ~~shall~~ first be processed in the same manner as any other criminal suspect. The law enforcement agency shall thereafter immediately notify the appropriate facility within the designated receiving system pursuant to a transportation plan or an exception under subsection (4), or to the nearest ~~public~~ receiving facility if neither apply. The receiving facility, ~~which~~ shall be responsible for promptly arranging for the examination and treatment of the person. A receiving facility is not required to admit a person charged with a crime for whom the facility determines and documents that it is unable to provide adequate security, but shall provide ~~mental health~~ examination and treatment to the person where he or she is held.

~~(i)(h)~~ If the appropriate law enforcement officer believes that a person has an emergency medical condition as defined in s. 395.002, the person may be first transported to a hospital for emergency medical treatment, regardless of whether the hospital is a designated receiving facility.

~~(j)(i)~~ The costs of transportation, evaluation, hospitalization, and treatment incurred under this subsection by persons who have been arrested for violations of any state law or county or municipal ordinance may be recovered as provided in s. 901.35.

~~(k)(j)~~ The appropriate facility within the designated receiving system pursuant to a transportation plan or an exception under subsection (4), or the nearest receiving facility if neither apply, must accept persons brought by law enforcement officers, or an emergency medical transport service or a private transport company authorized by the county, for involuntary examination pursuant to s. 394.463.

~~(l)~~ The appropriate facility within the designated receiving system pursuant to a transportation plan or an exception under subsection (4), or the nearest receiving facility if neither apply, must provide persons brought by law enforcement officers, or an emergency medical transport service or a private transport company authorized by the county, pursuant to s. 397.675, a basic screening or triage sufficient to refer the person to the appropriate services.

~~(m)(4)~~ Each law enforcement agency designated pursuant to paragraph (a) shall establish a policy that ~~develop a memorandum of understanding with each receiving facility within the law enforcement agency's jurisdiction which~~ reflects a single set of protocols for the safe and secure transportation of the person and transfer of custody of the person. ~~Each law enforcement agency shall provide a copy of the protocols to the managing entity. These protocols must also address crisis intervention measures.~~

(n)(4) When a jurisdiction has entered into a contract with an emergency medical transport service or a private transport company for transportation of persons to receiving facilities within the designated receiving system, such service or company shall be given preference for transportation of persons from nursing homes, assisted living facilities, adult day care centers, or adult family-care homes, unless the behavior of the person being transported is such that transportation by a law enforcement officer is necessary.

~~(o)(m)~~ Nothing in This section may not shall be construed to limit emergency examination and treatment of incapacitated persons provided in accordance with the provisions of s. 401.445.

(2) TRANSPORTATION TO A TREATMENT FACILITY.—

(a) If neither the patient nor any person legally obligated or responsible for the patient is able to pay for the expense of transporting a voluntary or involuntary patient to a treatment facility, the transportation plan established by the governing board of the county or counties must specify how in which the hospitalized patient will be transported to, from, and between facilities in a is hospitalized shall arrange for such required transportation and shall ensure the safe and dignified manner transportation of the patient. ~~The governing board of each county is authorized to contract with private transport companies for the transportation of such patients to and from a treatment facility.~~

(b) A Any company that transports a patient pursuant to this subsection is considered an independent contractor and is solely liable for the safe and dignified transportation of the patient. Such company must be insured and provide no less than \$100,000 in liability insurance with respect to the transport transportation of patients.

(c) A Any company that contracts with one or more counties the governing board of a county to transport patients in accordance with this section shall comply with the applicable rules of the department to ensure the safety and dignity of the patients.

(d) County or municipal law enforcement and correctional personnel and equipment may shall not be used to transport patients adjudicated incapacitated or found by the court to meet the criteria for involuntary placement pursuant to s. 394.467, except in small rural counties where there are no cost-efficient alternatives.

(3) TRANSFER OF CUSTODY.—Custody of a person who is transported pursuant to this part, along with related documentation, shall be relinquished to a responsible individual at the appropriate receiving or treatment facility.

(4) EXCEPTIONS.—An exception to the requirements of this section may be granted by the secretary of the department for the purposes of improving service coordination or better meeting the special needs of individuals. A proposal for an exception must be submitted to the department by the district administrator after being approved by the governing boards of any affected counties, prior to submission to the secretary.

(a) A proposal for an exception must identify the specific provision from which an exception is requested; describe how the proposal will be implemented by participating law enforcement agencies and transportation authorities; and provide a plan for the coordination of services such as case management.

(b) The exception may be granted only for:

1. An arrangement centralizing and improving the provision of services within a district, which may include an exception to the requirement for transportation to the nearest receiving facility;

2. An arrangement by which a facility may provide, in addition to required psychiatric or substance use disorder services, an environment

and services which are uniquely tailored to the needs of an identified group of persons with special needs, such as persons with hearing impairments or visual impairments, or elderly persons with physical frailties; or

3. A specialized transportation system that provides an efficient and humane method of transporting patients to receiving facilities, among receiving facilities, and to treatment facilities.

~~(e) Any exception approved pursuant to this subsection shall be reviewed and approved every 5 years by the secretary.~~

The exceptions provided in this subsection shall expire on June 30, 2017, and no new exceptions shall be granted after that date. After June 30, 2017, the transport of a patient to a facility that is not the nearest facility must be made pursuant to a plan as provided in this section.

Section 13. Section 394.467, Florida Statutes, is amended to read:

394.467 Involuntary inpatient placement.—

(1) CRITERIA.—A person may be ordered for placed in involuntary inpatient placement for treatment upon a finding of the court by clear and convincing evidence that:

(a) He or she has a mental illness is mentally ill and because of his or her mental illness:

1.a. He or she has refused voluntary inpatient placement for treatment after sufficient and conscientious explanation and disclosure of the purpose of inpatient placement for treatment; or

b. He or she is unable to determine for himself or herself whether inpatient placement is necessary; and

2.a. He or she is manifestly incapable of surviving alone or with the help of willing and responsible family or friends, including available alternative services, and, without treatment, is likely to suffer from neglect or refuse to care for himself or herself, and such neglect or refusal poses a real and present threat of substantial harm to his or her well-being; or

b. There is substantial likelihood that in the near future he or she will inflict serious bodily harm on self or others himself or herself or another person, as evidenced by recent behavior causing, attempting, or threatening such harm; and

(b) All available less restrictive treatment alternatives that which would offer an opportunity for improvement of his or her condition have been judged to be inappropriate.

(2) ADMISSION TO A TREATMENT FACILITY.—A patient may be retained by a receiving facility or involuntarily placed in a treatment facility upon the recommendation of the administrator of the receiving facility where the patient has been examined and after adherence to the notice and hearing procedures provided in s. 394.4599. The recommendation must be supported by the opinion of a psychiatrist and the second opinion of a clinical psychologist or another psychiatrist, both of whom have personally examined the patient within the preceding 72 hours, that the criteria for involuntary inpatient placement are met. However, in a county that has a population of fewer than 50,000, if the administrator certifies that a psychiatrist or clinical psychologist is not available to provide the second opinion, the second opinion may be provided by a licensed physician who has postgraduate training and experience in diagnosis and treatment of mental illness and nervous disorders or by a psychiatric nurse. Any second opinion authorized in this subsection may be conducted through a face-to-face examination, in person, or by electronic means. Such recommendation shall be entered on a petition for an involuntary inpatient placement certificate that authorizes the receiving facility to retain the patient pending transfer to a treatment facility or completion of a hearing.

(3) PETITION FOR INVOLUNTARY INPATIENT PLACEMENT.—The administrator of the facility shall file a petition for involuntary inpatient placement in the court in the county where the patient is located. Upon filing, the clerk of the court shall provide copies to the department, the patient, the patient's guardian or representative, and the state attorney and public defender of the judicial circuit in

which the patient is located. ~~A No fee may not shall~~ be charged for the filing of a petition under this subsection.

(4) APPOINTMENT OF COUNSEL.—Within 1 court working day after the filing of a petition for involuntary inpatient placement, the court shall appoint the public defender to represent the person who is the subject of the petition, unless the person is otherwise represented by counsel. The clerk of the court shall immediately notify the public defender of such appointment. Any attorney representing the patient shall have access to the patient, witnesses, and records relevant to the presentation of the patient's case and shall represent the interests of the patient, regardless of the source of payment to the attorney.

(5) CONTINUANCE OF HEARING.—The patient is entitled, with the concurrence of the patient's counsel, to at least one continuance of the hearing. ~~The continuance shall be for a period of~~ up to 4 weeks.

(6) HEARING ON INVOLUNTARY INPATIENT PLACEMENT.—

(a)1. The court shall hold the hearing on involuntary inpatient placement within 5 court working days, unless a continuance is granted.

2. *Except for good cause documented in the court file, the hearing must shall be held in the county or the facility, as appropriate, where the patient is located, must and shall be as convenient to the patient as is may be consistent with orderly procedure, and shall be conducted in physical settings not likely to be injurious to the patient's condition. If the court finds that the patient's attendance at the hearing is not consistent with the best interests of the patient, and the patient's counsel does not object, the court may waive the presence of the patient from all or any portion of the hearing. The state attorney for the circuit in which the patient is located shall represent the state, rather than the petitioning facility administrator, as the real party in interest in the proceeding.*

3.2. The court may appoint a ~~general or special~~ magistrate to preside at the hearing. One of the professionals who executed the *petition for involuntary inpatient placement certificate* shall be a witness. The patient and the patient's guardian or representative shall be informed by the court of the right to an independent expert examination. If the patient cannot afford such an examination, the court shall *ensure that one is provided, as otherwise provided for by law provide for one*. The independent expert's report *is shall be confidential and not discoverable, unless the expert is to be called as a witness for the patient at the hearing. The testimony in the hearing must be given under oath, and the proceedings must be recorded. The patient may refuse to testify at the hearing.*

(b) If the court concludes that the patient meets the criteria for involuntary inpatient placement, it *may shall* order that the patient be transferred to a treatment facility or, if the patient is at a treatment facility, that the patient be retained there or be treated at any other appropriate ~~receiving or treatment~~ facility, or that the patient receive services ~~from a receiving or treatment facility~~, on an involuntary basis, for ~~a period of up to 90 days 6 months~~. *However, any order for involuntary mental health services in a treatment facility may be for up to 6 months. The order shall specify the nature and extent of the patient's mental illness. The court may not order an individual with traumatic brain injury or dementia who lacks a co-occurring mental illness to be involuntarily placed in a state treatment facility. The facility shall discharge a patient any time the patient no longer meets the criteria for involuntary inpatient placement, unless the patient has transferred to voluntary status.*

(c) If at any time ~~before prior to~~ the conclusion of the hearing on involuntary inpatient placement it appears to the court that the person does not meet the criteria for involuntary inpatient placement under this section, but instead meets the criteria for involuntary outpatient services ~~placement~~, the court may order the person evaluated for involuntary outpatient services ~~placement~~ pursuant to s. 394.4655. The petition and hearing procedures set forth in s. 394.4655 shall apply. If the person instead meets the criteria for involuntary assessment, protective custody, or involuntary admission pursuant to s. 397.675, then the court may order the person to be admitted for involuntary assessment for a period of 5 days pursuant to s. 397.6811. Thereafter, all proceedings ~~are shall be~~ governed by chapter 397.

(d) At the hearing on involuntary inpatient placement, the court shall consider testimony and evidence regarding the patient's competence to consent to treatment. If the court finds that the patient is incompetent to consent to treatment, it shall appoint a guardian advocate as provided in s. 394.4598.

(e) The administrator of the ~~petitioning receiving~~ facility shall provide a copy of the court order and adequate documentation of a patient's mental illness to the administrator of a treatment facility *if the when- ever a patient is ordered for involuntary inpatient placement, whether by civil or criminal court. The documentation must shall include any advance directives made by the patient, a psychiatric evaluation of the patient, and any evaluations of the patient performed by a psychiatric nurse, a clinical psychologist, a marriage and family therapist, a mental health counselor, or a clinical social worker. The administrator of a treatment facility may refuse admission to any patient directed to its facilities on an involuntary basis, whether by civil or criminal court order, who is not accompanied at the same time by adequate orders and documentation.*

(7) PROCEDURE FOR CONTINUED INVOLUNTARY INPATIENT PLACEMENT.—

(a) Hearings on petitions for continued involuntary inpatient placement *of an individual placed at any treatment facility are shall be administrative hearings and must shall be conducted in accordance with the provisions of s. 120.57(1), except that any order entered by the administrative law judge is shall be final and subject to judicial review in accordance with s. 120.68. Orders concerning patients committed after successfully pleading not guilty by reason of insanity are shall be governed by the provisions of s. 916.15.*

(b) If the patient continues to meet the criteria for involuntary inpatient placement *and is being treated at a treatment facility*, the administrator shall, ~~before prior to~~ the expiration of the period ~~during which~~ the treatment facility is authorized to retain the patient, file a petition requesting authorization for continued involuntary inpatient placement. The request *must shall* be accompanied by a statement from the patient's physician, *psychiatrist, psychiatric nurse, or clinical psychologist* justifying the request, a brief description of the patient's treatment during the time he or she was involuntarily placed, and an individualized plan of continued treatment. Notice of the hearing *must shall* be provided as *provided set forth* in s. 394.4599. *If a patient's attendance at the hearing is voluntarily waived, the administrative law judge must determine that the waiver is knowing and voluntary before waiving the presence of the patient from all or a portion of the hearing. Alternatively, if at the hearing the administrative law judge finds that attendance at the hearing is not consistent with the best interests of the patient, the administrative law judge may waive the presence of the patient from all or any portion of the hearing, unless the patient, through counsel, objects to the waiver of presence. The testimony in the hearing must be under oath, and the proceedings must be recorded.*

(c) Unless the patient is otherwise represented or is ineligible, he or she shall be represented at the hearing on the petition for continued involuntary inpatient placement by the public defender of the circuit in which the facility is located.

(d) If at a hearing it is shown that the patient continues to meet the criteria for involuntary inpatient placement, the administrative law judge shall sign the order for continued involuntary inpatient placement for *up to 90 days a period not to exceed 6 months. However, any order for involuntary mental health services in a treatment facility may be for up to 6 months. The same procedure shall be repeated before prior to* the expiration of each additional period the patient is retained.

(e) If continued involuntary inpatient placement is necessary for a patient admitted while serving a criminal sentence, but *his or her whose* sentence is about to expire, or for a *minor patient* involuntarily placed, ~~while a minor~~ but who is about to reach the age of 18, the administrator shall petition the administrative law judge for an order authorizing continued involuntary inpatient placement.

(f) If the patient has been previously found incompetent to consent to treatment, the administrative law judge shall consider testimony and evidence regarding the patient's competence. If the administrative law judge finds evidence that the patient is now competent to consent to treatment, the administrative law judge may issue a recommended

order to the court that found the patient incompetent to consent to treatment that the patient's competence be restored and that any guardian advocate previously appointed be discharged.

(g) *If the patient has been ordered to undergo involuntary inpatient placement and has previously been found incompetent to consent to treatment, the court shall consider testimony and evidence regarding the patient's incompetence. If the patient's competency to consent to treatment is restored, the discharge of the guardian advocate shall be governed by s. 394.4598.*

The procedure required in this subsection must be followed before the expiration of each additional period the patient is involuntarily receiving services.

(8) ~~RETURN TO FACILITY OF PATIENTS.~~—*If a patient involuntarily held ~~When a patient~~ at a treatment facility under this part leaves the facility without the administrator's authorization, the administrator may authorize a search for the patient and his or her the return of the patient to the facility. The administrator may request the assistance of a law enforcement agency in this regard the search for and return of the patient.*

Section 14. Section 394.46715, Florida Statutes, is amended to read:

394.46715 Rulemaking authority.—~~The department may adopt rules to administer this part Department of Children and Families shall have rulemaking authority to implement the provisions of ss. 394.455, 394.4598, 394.4615, 394.463, 394.4655, and 394.467 as amended or created by this act. These rules shall be for the purpose of protecting the health, safety, and well-being of persons examined, treated, or placed under this act.~~

Section 15. Subsection (2) of section 394.4685, Florida Statutes, is amended to read:

394.4685 Transfer of patients among facilities.—

(2) TRANSFER FROM PUBLIC TO PRIVATE FACILITIES.—

(a) A patient who has been admitted to a public receiving or public treatment facility and has requested, either personally or through his or her guardian or guardian advocate, and is able to pay for treatment in a private facility shall be transferred at the patient's expense to a private facility upon acceptance of the patient by the private facility.

(b) *A public receiving facility initiating a patient transfer to a licensed hospital for acute care mental health services not accessible through the public receiving facility shall notify the hospital of such transfer and send the hospital all records relating to the emergency psychiatric or medical condition.*

Section 16. Section 394.656, Florida Statutes, is amended to read:

394.656 Criminal Justice, Mental Health, and Substance Abuse Reinvestment Grant Program.—

(1) There is created within the Department of Children and Families the Criminal Justice, Mental Health, and Substance Abuse Reinvestment Grant Program. The purpose of the program is to provide funding to counties ~~with~~ which they may use to ~~can~~ plan, implement, or expand initiatives that increase public safety, avert increased spending on criminal justice, and improve the accessibility and effectiveness of treatment services for adults and juveniles who have a mental illness, substance abuse disorder, or co-occurring mental health and substance abuse disorders and who are in, or at risk of entering, the criminal or juvenile justice systems.

(2) The department shall establish a Criminal Justice, Mental Health, and Substance Abuse Statewide Grant Review Committee. The committee shall include:

- (a) One representative of the Department of Children and Families;
- (b) One representative of the Department of Corrections;
- (c) One representative of the Department of Juvenile Justice;
- (d) One representative of the Department of Elderly Affairs; ~~and~~

(e) One representative of the Office of the State Courts Administrator;

(f) *One representative of the Department of Veterans' Affairs;*

(g) *One representative of the Florida Sheriffs Association;*

(h) *One representative of the Florida Police Chiefs Association;*

(i) *One representative of the Florida Association of Counties;*

(j) *One representative of the Florida Alcohol and Drug Abuse Association;*

(k) *One representative of the Florida Association of Managing Entities;*

(l) *One representative of the Florida Council for Community Mental Health;*

(m) *One representative of the National Alliance of Mental Illness;*

(n) *One representative of the Florida Prosecuting Attorneys Association;*

(o) *One representative of the Florida Public Defender Association; and*

(p) *One administrator of an assisted living facility that holds a limited mental health license.*

(3) *The committee shall serve as the advisory body to review policy and funding issues that help reduce the impact of persons with mental illness and substance abuse disorders on communities, criminal justice agencies, and the court system. The committee shall advise the department in selecting priorities for grants and investing awarded grant moneys.*

(4) *The committee must have experience in substance use and mental health disorders, community corrections, and law enforcement. To the extent possible, the members of the committee shall have expertise in grant review writing, grant reviewing, and grant application scoring.*

(5)(a)(3)(a) *A county, or a not-for-profit community provider or managing entity designated by the county planning council or committee, as described in s. 394.657, may apply for a 1-year planning grant or a 3-year implementation or expansion grant. The purpose of the grants is to demonstrate that investment in treatment efforts related to mental illness, substance abuse disorders, or co-occurring mental health and substance abuse disorders results in a reduced demand on the resources of the judicial, corrections, juvenile detention, and health and social services systems.*

(b) *To be eligible to receive a 1-year planning grant or a 3-year implementation or expansion grant;*

1. *A county applicant must have a ~~county~~ planning council or committee that is in compliance with the membership requirements set forth in this section.*

2. *A not-for-profit community provider or managing entity must be designated by the county planning council or committee and have written authorization to submit an application. A not-for-profit community provider or managing entity must have written authorization for each submitted application.*

(c) *The department may award a 3-year implementation or expansion grant to an applicant who has not received a 1-year planning grant.*

(d) *The department may require an applicant to conduct sequential intercept mapping for a project. For purposes of this paragraph, the term "sequential intercept mapping" means a process for reviewing a local community's mental health, substance abuse, criminal justice, and related systems and identifying points of interceptions where interventions may be made to prevent an individual with a substance abuse disorder or mental illness from deeper involvement in the criminal justice system.*

(6)(4) *The grant review and selection committee shall select the grant recipients and notify the department of ~~Children and Families~~ in*

writing of the recipients' names of the applicants who have been selected by the committee to receive a grant. Contingent upon the availability of funds and upon notification by the grant review and selection committee of those applicants approved to receive planning, implementation, or expansion grants, the department of ~~Children and Families~~ may transfer funds appropriated for the grant program to a selected grant recipient to any county awarded a grant.

Section 17. Section 394.761, Florida Statutes, is created to read:

394.761 Revenue maximization.—

(1) The agency and the department shall develop a plan to obtain federal approval for increasing the availability of federal Medicaid funding for behavioral health care. Increased funding shall be used to advance the goal of improved integration of behavioral health services and primary care services for individuals eligible for Medicaid through the development and effective implementation of the behavioral health system of care as described in s. 394.4573.

(2) The agency and the department shall identify in the plan the amount of general revenue funding appropriated for mental health and substance abuse services eligible to be used as state Medicaid match. The agency and the department shall evaluate alternative uses of increased Medicaid funding, including seeking Medicaid eligibility for the severely and persistently mentally ill or persons with substance use disorders, increased reimbursement rates for behavioral health services, adjustments to the capitation rate for Medicaid enrollees with chronic mental illness and substance use disorders, targeted case management for individuals with substance use disorders as a Medicaid-funded service, supplemental payments to mental health and substance abuse service providers through a designated state health program or other mechanisms, and innovative programs to provide incentives for improved outcomes for behavioral health conditions. The agency and the department shall identify in the plan the advantages and disadvantages of each alternative and assess each alternative's potential for achieving improved integration of services. The agency and the department shall identify in the plan the types of federal approvals necessary to implement each alternative and project a timeline for implementation.

(3) The department, in coordination with the agency and the managing entities, shall compile detailed documentation of the cost and reimbursements for Medicaid covered services provided to Medicaid eligible individuals by providers of behavioral health services that are also funded for programs authorized by this chapter and chapter 397. The department's documentation, along with a report of general revenue funds supporting behavioral health services that are not counted as maintenance of effort or match for any other federal program, must be submitted to the agency by December 31, 2016.

(4) If the report presents clear evidence that Medicaid reimbursements are less than the costs of providing the services, the agency and the department shall request such additional trust fund authority as is necessary to draw federal Medicaid funds as a match for the documented general revenue expenditures supporting covered services delivered to eligible individuals. Payment of the federal funds shall be made to providers in such a manner as is allowed by federal law and regulations.

(5) The agency and the department shall submit the written plan and report required in this section to the President of the Senate and the Speaker of the House of Representatives by December 31, 2016.

Section 18. Subsection (5) of section 394.879, Florida Statutes, is amended and subsection (6) is added to that section, to read:

394.879 Rules; enforcement.—

(5) The agency or the department may not adopt any rule governing the design, construction, erection, alteration, modification, repair, or demolition of crisis stabilization units. It is the intent of the Legislature to preempt that function to the Florida Building commission and the State Fire Marshal through adoption and maintenance of the Florida Building Code and the Florida Fire Prevention Code. However, a crisis stabilization unit, a short-term residential treatment facility, or an integrated adult mental health crisis stabilization and addictions receiving facility that is collocated with a centralized receiving facility may be in a multi-story building and may be authorized on floors other than the ground floor. The agency shall provide technical assistance to the

commission and the State Fire Marshal in updating the construction standards of the Florida Building Code and the Florida Fire Prevention Code which govern crisis stabilization units. In addition, the agency may enforce the special-occupancy provisions of the Florida Building code and the Florida Fire Prevention Code which apply to crisis stabilization units in conducting any inspection authorized under this part or part II of chapter 408.

(6) The department and the Agency for Health Care Administration shall develop a plan to provide options for a single, consolidated license for a provider that offers multiple types of either mental health services or substance abuse services, or both, regulated under chapters 394 and 397, respectively. In the plan, the department and the agency shall identify the statutory revisions necessary to accomplish the consolidation. To the extent possible, the department and the agency shall accomplish such consolidation administratively and by rule. The department and the agency shall submit the plan to the Governor, the President of the Senate, and the Speaker of the House of Representatives by November 1, 2016.

Section 19. Section 394.9082, Florida Statutes, is amended to read:

(Substantial rewording of section. See s. 394.9082, F.S., for present text.)

394.9082 Behavioral health managing entities.—

(1) INTENT AND PURPOSE.—

(a) The Legislature finds that untreated behavioral health disorders constitute major health problems for residents of this state, are a major economic burden to the citizens of this state, and substantially increase demands on the state's juvenile and adult criminal justice systems, the child welfare system, and health care systems. The Legislature finds that behavioral health disorders respond to appropriate treatment, rehabilitation, and supportive intervention. The Legislature finds that local communities have also made substantial investments in behavioral health services, contracting with safety net providers who by mandate and mission provide specialized services to vulnerable and hard-to-serve populations and have strong ties to local public health and public safety agencies. The Legislature finds that a regional management structure that facilitates a comprehensive and cohesive system of coordinated care for behavioral health treatment and prevention services will improve access to care, promote service continuity, and provide for more efficient and effective delivery of substance abuse and mental health services. It is the intent of the Legislature that managing entities work to create linkages among various services and systems, including juvenile justice and adult criminal justice, child welfare, housing services, homeless systems of care, and health care.

(b) The purpose of the behavioral health managing entities is to plan, coordinate, and contract for the delivery of community mental health and substance abuse services, to improve access to care, to promote service continuity, to purchase services, and to support efficient and effective delivery of services.

(2) DEFINITIONS.—As used in this section, the term:

(a) "Behavioral health services" means mental health services and substance abuse prevention and treatment services as described in this chapter and chapter 397.

(b) "Coordinated system of care" means the array of mental health services and substance abuse services described in s. 394.4573.

(c) "Geographic area" means one or more contiguous counties, circuits, or regions as described in s. 409.966.

(d) "Managed behavioral health organization" means a Medicaid managed care organization currently under contract with the statewide Medicaid managed medical assistance program in this state pursuant to part IV of chapter 409, including a managed care organization operating as a behavioral health specialty plan.

(e) "Managing entity" means a corporation selected by and under contract with the department to manage the daily operational delivery of behavioral health services through a coordinated system of care.

(f) “Provider network” means the group of direct service providers, facilities, and organizations under contract with a managing entity to provide a comprehensive array of emergency, acute care, residential, outpatient, recovery support, and consumer support services, including prevention services.

(g) “Subregion” means a distinct portion of a managing entity’s geographic region defined by unifying service and provider utilization patterns.

(3) DEPARTMENT DUTIES.—The department shall:

(a) Contract with organizations to serve as managing entities in accordance with the requirements of this section and conduct a readiness review of any new managing entities before such entities assume their responsibilities.

(b) Specify data reporting requirements and use of shared data systems.

(c) Define the priority populations that will benefit from receiving care coordination. In defining such populations, the department shall take into account the availability of resources and consider:

1. The number and duration of involuntary admissions within a specified time.
2. The degree of involvement with the criminal justice system and the risk to public safety posed by the individual.
3. Whether the individual has recently resided in or is currently awaiting admission to or discharge from a treatment facility as defined in s. 394.455.
4. The degree of utilization of behavioral health services.
5. Whether the individual is a parent or caregiver who is involved with the child welfare system.

(d) Support the development and implementation of a coordinated system of care by requiring each provider that receives state funds for behavioral health services through a direct contract with the department to work with the managing entity in the provider’s service area to coordinate the provision of behavioral health services as part of the contract with the department.

(e) Provide technical assistance to the managing entities.

(f) Promote the coordination of behavioral health care and primary care.

(g) Facilitate coordination between the managing entity and other payors of behavioral health care.

(h) Develop and provide a unique identifier for clients receiving behavioral health services through the managing entity to coordinate care.

(i) Coordinate procedures for the referral and admission of patients to, and the discharge of patients from, treatment facilities as defined in s. 394.455 and their return to the community.

(j) Ensure that managing entities comply with state and federal laws, rules, regulations, and grant requirements.

(k) Develop rules for the operations of, and the requirements that shall be met by, the managing entity, if necessary.

(l) Periodically review contract and reporting requirements and reduce costly, duplicative, and unnecessary administrative requirements.

(4) CONTRACT WITH MANAGING ENTITIES.—

(a) In contracting for services with managing entities under this section, the department shall first attempt to contract with not-for-profit, community-based organizations with competence in managing provider networks serving persons with mental health and substance use disorders to serve as managing entities.

(b) The department shall issue an invitation to negotiate under s. 287.057 to select an organization to serve as a managing entity. If the

department receives fewer than two responsive bids to the solicitation, the department shall reissue the solicitation and managed behavioral health organizations shall be eligible to bid and be awarded a contract.

(c) If the managing entity is a not-for-profit, community-based organization, it must have a governing board that is representative. At a minimum, the governing board must include consumers and their family members; representatives of local government, area law enforcement agencies, health care facilities, and community-based care lead agencies; business leaders; and providers of substance abuse and mental health services as defined in this chapter and chapter 397.

(d) If the managing entity is a managed behavioral health organization, it must establish an advisory board that meets the same requirements specified in paragraph (c) for a governing board.

(e) If the department issues an invitation to negotiate pursuant to paragraph (b), the department shall consider, at a minimum, the following factors:

1. Experience serving persons with mental health and substance use disorders.
2. Established community partnerships with behavioral health care providers.
3. Demonstrated organizational capabilities for network management functions.
4. Capability to coordinate behavioral health services with primary care services.
5. Willingness to provide recovery-oriented services and systems of care and work collaboratively with persons with mental health and substance use disorders and their families in designing such systems and delivering such services.

(f) The department’s contracts with managing entities must support efficient and effective administration of the behavioral health system and ensure accountability for performance.

(g) A contractor serving as a managing entity shall operate under the same data reporting, administrative, and administrative rate requirements, regardless of whether it is a for-profit or not-for-profit entity.

(h) The contract must designate the geographic area that will be served by the managing entity, which area must be of sufficient size in population, funding, and services to allow for flexibility and efficiency.

(i) The contract must require that, when there is a change in the managing entity in a geographic area, the managing entity work with the department to develop and implement a transition plan that ensures continuity of care for patients receiving behavioral health services.

(j) By June 30, 2019, if all other contract requirements and performance standards are met and the department determines that a managing entity under contract as of July 1, 2016, has received network accreditation pursuant to subsection (6), the department may continue its contract with the managing entity for up to, but not exceeding, 5 years, including any and all renewals and extensions. Thereafter, the department must issue a competitive solicitation pursuant to paragraph (b).

(5) MANAGING ENTITY DUTIES.—A managing entity shall:

(a) Maintain a governing board or, if a managed behavioral health organization, an advisory board as provided in paragraph (4)(c) or paragraph (4)(d), respectively.

(b) Conduct a community behavioral health care needs assessment every 3 years in the geographic area served by the managing entity which identifies needs by subregion. The process for conducting the needs assessment shall include an opportunity for public participation. The assessment shall include, at a minimum, the information the department needs for its annual report to the Governor and Legislature pursuant to s. 394.4573. The managing entity shall provide the needs assessment to the department.

(c) Determine the optimal array of services to meet the needs identified in the community behavioral health care needs assessment and expand the scope of services as resources become available.

(d) Promote the development and effective implementation of a coordinated system of care pursuant to s. 394.4573.

(e) Provide assistance to counties to develop a designated receiving system pursuant to s. 394.4573 and a transportation plan pursuant to s. 394.462.

(f) Develop strategies to divert persons with mental illness or substance use disorders from the criminal and juvenile justice systems in collaboration with the court system and the Department of Juvenile Justice and to integrate behavioral health services with the child welfare system.

(g) Promote and support care coordination activities that will improve outcomes among individuals identified as priority populations pursuant to paragraph (3)(c).

(h) Work independently and collaboratively with stakeholders to improve access to and effectiveness, quality, and outcomes of behavioral health services. This work may include, but is not limited to, facilitating the dissemination and use of evidence-informed practices.

(i) Develop a comprehensive provider network of qualified providers to deliver behavioral health services. The managing entity is not required to competitively procure network providers but shall publicize opportunities to join the provider network and evaluate providers in the network to determine if they may remain in the network. The managing entity shall publish these processes on its website. The managing entity shall ensure continuity of care for clients if a provider ceases to provide a service or leaves the network.

(j) As appropriate, develop resources by pursuing third-party payments for services, applying for grants, assisting providers in securing local matching funds and in-kind services, and employing any other method needed to ensure that services are available and accessible.

(k) Enter into cooperative agreements with local homeless councils and organizations for sharing information about clients, available resources, and other data or information for addressing the homelessness of persons suffering from a behavioral health crisis. All information sharing must comply with federal and state privacy and confidentiality laws, statutes, and regulations.

(l) Work collaboratively with public receiving facilities and licensed housing providers to establish a network of licensed housing resources for mental health consumers that will prevent and reduce readmissions to public receiving facilities.

(m) Monitor network providers' performance and their compliance with contract requirements and federal and state laws, rules, regulations, and grant requirements.

(n) Manage and allocate funds for services to meet federal and state laws, rules, and regulations.

(o) Promote coordination of behavioral health care with primary care.

(p) Implement shared data systems necessary for the delivery of coordinated care and integrated services, the assessment of managing entity performance and provider performance, and the reporting of outcomes and costs of services.

(q) Operate in a transparent manner, providing public access to information, notice of meetings, and opportunities for public participation in managing entity decisionmaking.

(r) Establish and maintain effective relationships with community stakeholders, including individuals served by the behavioral health system of care and their families, local governments, and other community organizations that meet the needs of individuals with mental illness or substance use disorders.

(s) Collaborate with and encourage increased coordination between the provider network and other systems, programs, and entities, such as

the child welfare system, law enforcement agencies, the criminal and juvenile justice systems, the Medicaid program, offices of the public defender, and offices of criminal conflict and civil regional counsel.

1. Collaboration with the criminal and juvenile justice systems shall seek, at a minimum, to divert persons with mental illness, substance use disorders, or co-occurring conditions from these systems.

2. Collaboration with the court system shall seek, at a minimum, to develop specific written procedures and agreements to maximize the use of involuntary outpatient services, reduce involuntary inpatient treatment, and increase diversion from the criminal and juvenile justice systems.

3. Collaboration with the child welfare system shall seek, at a minimum, to provide effective and timely services to parents and caregivers involved in the child welfare system.

(6) NETWORK ACCREDITATION AND SYSTEMS COORDINATION AGREEMENTS.—

(a)1. The department shall identify acceptable accreditations which address coordination within a network and, if possible, between the network and major systems and programs with which the network interacts, such as the child welfare system, the courts system, and the Medicaid program. In identifying acceptable accreditations, the department shall consider whether the accreditation facilitates integrated strategic planning, resource coordination, technology integration, performance measurement, and increased value to consumers through choice of and access to services, improved coordination of services, and effectiveness and efficiency of service delivery.

2. All managing entities under contract with the state by July 1, 2016, shall earn accreditation deemed acceptable by the department pursuant to subparagraph 1. by June 30, 2019. Managing entities whose initial contract with the state is executed after July 1, 2016, shall earn network accreditation within 3 years after the contract execution date. Pursuant to paragraph (4)(j), the department may continue the contract of a managing entity under contract as of July 1, 2016, that earns the network accreditation within the required timeframe and maintains it throughout the contract term.

(b) If no accreditations are available or deemed acceptable pursuant to paragraph (a) which address coordination between the provider network and major systems and programs with which the provider network interacts, each managing entity shall enter into memoranda of understanding which details mechanisms for communication and coordination. The managing entity shall enter into such memoranda with any community-based care lead agencies, circuit courts, county courts, sheriffs' offices, offices of the public defender, offices of criminal conflict and civil regional counsel, Medicaid managed medical assistance plans, and homeless coalitions in its service area. Each managing entity under contract on July 1, 2016, shall enter into such memoranda by June 30, 2017, and each managing entity under contract after July 1, 2016, shall enter into such memoranda within 1 year after its contract execution date.

(7) PERFORMANCE MEASUREMENT AND ACCOUNTABILITY.—Managing entities shall collect and submit data to the department regarding persons served, outcomes of persons served, costs of services provided through the department's contract, and other data as required by the department. The department shall evaluate managing entity performance and the overall progress made by the managing entity, together with other systems, in meeting the community's behavioral health needs, based on consumer-centered outcome measures that reflect national standards, if possible, that can be accurately measured. The department shall work with managing entities to establish performance standards, including, but not limited to:

(a) The extent to which individuals in the community receive services, including, but not limited to, parents or caregivers involved in the child welfare system who need behavioral health services.

(b) The improvement in the overall behavioral health of a community.

(c) *The improvement in functioning or progress in the recovery of individuals served by the managing entity, as determined using person-centered measures tailored to the population.*

(d) *The success of strategies to:*

1. *Divert admissions from acute levels of care, jails, prisons, and forensic facilities as measured by, at a minimum, the total number and percentage of clients who, during a specified period, experience multiple admissions to acute levels of care, jails, prisons, or forensic facilities;*
2. *Integrate behavioral health services with the child welfare system; and*
3. *Address the housing needs of individuals being released from public receiving facilities who are homeless.*

(e) *Consumer and family satisfaction.*

(f) *The level of engagement of key community constituencies, such as law enforcement agencies, community-based care lead agencies, juvenile justice agencies, the courts, school districts, local government entities, hospitals, and other organizations, as appropriate, for the geographical service area of the managing entity.*

(8) **ENHANCEMENT PLANS.**—By September 1 of each year, beginning in 2017, each managing entity shall develop and submit to the department a description of strategies for enhancing services and addressing three to five priority needs in the service area. The planning process sponsored by the managing entity shall include consumers and their families, community-based care lead agencies, local governments, law enforcement agencies, service providers, community partners and other stakeholders. Each strategy must be described in detail and accompanied by an implementation plan that specifies action steps, identifies responsible parties, and delineates specific services that would be purchased, projected costs, the projected number of individuals that would be served, and the estimated benefits of the services. All or parts of these enhancement plans may be included in the department’s annual budget requests submitted to the Legislature.

(9) **FUNDING FOR MANAGING ENTITIES.**—

(a) *A contract established between the department and a managing entity under this section shall be funded by general revenue, other applicable state funds, or applicable federal funding sources. A managing entity may carry forward documented unexpended state funds from one fiscal year to the next, but the cumulative amount carried forward may not exceed 8 percent of the annual amount of the contract. Any unexpended state funds in excess of that percentage shall be returned to the department. The funds carried forward may not be used in a way that would increase future recurring obligations or for any program or service that was not authorized under the existing contract with the department. Expenditures of funds carried forward shall be separately reported to the department. Any unexpended funds that remain at the end of the contract period shall be returned to the department. Funds carried forward may be retained through contract renewals and new contract procurements as long as the same managing entity is retained by the department.*

(b) *The method of payment for a fixed-price contract with a managing entity shall provide for a 2-month advance payment at the beginning of each fiscal year and equal monthly payments thereafter.*

(10) **ACUTE CARE SERVICES UTILIZATION DATABASE.**—*The department shall develop, implement, and maintain standards under which a managing entity shall collect utilization data from all public receiving facilities situated within its geographical service area and all detoxification and addictions receiving facilities under contract with the managing entity. As used in this subsection, the term “public receiving facility” means an entity that meets the licensure requirements of, and is designated by, the department to operate as a public receiving facility under s. 394.875 and that is operating as a licensed crisis stabilization unit.*

(a) *The department shall develop standards and protocols to be used for data collection, storage, transmittal, and analysis. The standards and protocols shall allow for compatibility of data and data transmittal between public receiving facilities, detoxification facilities, addictions*

receiving facilities, managing entities, and the department for the implementation, and to meet the requirements, of this subsection.

(b) *A managing entity shall require providers specified in paragraph (a) to submit data, in real time or at least daily, to the managing entity for:*

1. *All admissions and discharges of clients receiving public receiving facility services who qualify as indigent, as defined in s. 394.4787.*
2. *All admissions and discharges of clients receiving substance abuse services in an addictions receiving facility or detoxification facility pursuant to parts IV and V of chapter 397 who qualify as indigent.*

3. *The current active census of total licensed and utilized beds, the number of beds purchased by the department, the number of clients qualifying as indigent who occupy any of those beds, the total number of unoccupied licensed beds, regardless of funding, and the number in excess of licensed capacity. Crisis units licensed for both adult and child use will report as a single unit.*

(c) *A managing entity shall require providers specified in paragraph (a) to submit data, on a monthly basis, to the managing entity which aggregates the daily data submitted under paragraph (b). The managing entity shall reconcile the data in the monthly submission to the data received by the managing entity under paragraph (b) to check for consistency. If the monthly aggregate data submitted by a provider under this paragraph are inconsistent with the daily data submitted under paragraph (b), the managing entity shall consult with the provider to make corrections necessary to ensure accurate data.*

(d) *A managing entity shall require providers specified in paragraph (a) within its provider network to submit data, on an annual basis, to the managing entity which aggregates the data submitted and reconciled under paragraph (c). The managing entity shall reconcile the data in the annual submission to the data received and reconciled by the managing entity under paragraph (c) to check for consistency. If the annual aggregate data submitted by a provider under this paragraph are inconsistent with the data received and reconciled under paragraph (c), the managing entity shall consult with the provider to make corrections necessary to ensure accurate data.*

(e) *After ensuring the accuracy of data pursuant to paragraphs (c) and (d), the managing entity shall submit the data to the department on a monthly and an annual basis. The department shall create a statewide database for the data described under paragraph (b) and submitted under this paragraph for the purpose of analyzing the use of publicly funded crisis stabilization services and detoxification and addictions receiving services provided on a statewide and an individual provider basis.*

Section 20. Subsections (4) through (9) of section 397.305, Florida Statutes, are renumbered as subsections (6) through (11), respectively, and new subsections (4) and (5) are added to that section, to read:

397.305 Legislative findings, intent, and purpose.—

(4) *It is the intent of the Legislature that licensed, qualified health professionals be authorized to practice to the full extent of their education and training in the performance of professional functions necessary to carry out the intent of this chapter.*

(5) *It is the intent of the Legislature to establish expectations that services provided to persons in this state use the coordination-of-care principles characteristic of recovery-oriented services and include social support services, such as housing support, life skills and vocational training, and employment assistance necessary for persons who have substance use disorders or co-occurring substance use and mental health disorders to live successfully in their communities.*

Section 21. Present subsection (19) of section 391.311, Florida Statutes, is redesignated as subsection (20), present subsections (20) through (45) of that section are redesignated as subsections (23) through (48), respectively, new subsections (19), (21), and (22) are added to that section, and present subsections (30) and (38) of that section are amended, to read:

397.311 Definitions.—As used in this chapter, except part VIII, the term:

(19) *“Incompetent to consent to treatment” means a state in which a person’s judgment is so affected by a substance abuse impairment that he or she lacks the capacity to make a well-reasoned, willful, and knowing decision concerning his or her medical health, mental health, or substance abuse treatment.*

(21) *“Informed consent” means consent voluntarily given in writing by a competent person after sufficient explanation and disclosure of the subject matter involved to enable the person to make a knowing and willful decision without any element of force, fraud, deceit, duress, or other form of constraint or coercion.*

(22) *“Involuntary services” means an array of behavioral health services that may be ordered by the court for persons with substance abuse impairment or co-occurring substance abuse impairment and mental health disorders.*

(33)(30) *“Qualified professional” means a physician or a physician assistant licensed under chapter 458 or chapter 459; a professional licensed under chapter 490 or chapter 491; an advanced registered nurse practitioner having a specialty in psychiatry licensed under part I of chapter 464; or a person who is certified through a department-recognized certification process for substance abuse treatment services and who holds, at a minimum, a bachelor’s degree. A person who is certified in substance abuse treatment services by a state-recognized certification process in another state at the time of employment with a licensed substance abuse provider in this state may perform the functions of a qualified professional as defined in this chapter but must meet certification requirements contained in this subsection no later than 1 year after his or her date of employment.*

(41)(38) *“Service component” or “component” means a discrete operational entity within a service provider which is subject to licensing as defined by rule. Service components include prevention, intervention, and clinical treatment described in subsection (25) (22).*

Section 22. Subsections (16) through (20) of section 397.321, Florida Statutes, are renumbered as subsections (15) through (19), respectively, present subsection (15) is amended, and a new subsection (20) is added to that section, to read:

397.321 Duties of the department.—The department shall:

~~(15) Appoint a substance abuse impairment coordinator to represent the department in efforts initiated by the statewide substance abuse impairment prevention and treatment coordinator established in s. 397.801 and to assist the statewide coordinator in fulfilling the responsibilities of that position.~~

(20) *Develop and prominently display on its website all forms necessary for the implementation and administration of parts IV and V of this chapter. These forms shall include, but are not limited to, a petition for involuntary admission form and all related pleading forms, and a form to be used by law enforcement agencies pursuant to s. 397.6772. The department shall notify law enforcement agencies, the courts, and other state agencies of the existence and availability of such forms.*

Section 23. Section 397.675, Florida Statutes, is amended to read:

397.675 Criteria for involuntary admissions, including protective custody, emergency admission, and other involuntary assessment, involuntary treatment, and alternative involuntary assessment for minors, for purposes of assessment and stabilization, and for involuntary treatment.—A person meets the criteria for involuntary admission if there is good faith reason to believe that the person is substance abuse impaired or has a co-occurring mental health disorder and, because of such impairment or disorder:

(1) Has lost the power of self-control with respect to substance abuse use; and either

(2)(a) ~~Has inflicted, or threatened or attempted to inflict, or unless admitted is likely to inflict, physical harm on himself or herself or another; or~~

~~(b) Is in need of substance abuse services and, by reason of substance abuse impairment, his or her judgment has been so impaired that he or she the person is incapable of appreciating his or her need for such services and of making a rational decision in that regard, although~~

~~thereto; however, mere refusal to receive such services does not constitute evidence of lack of judgment with respect to his or her need for such services; or~~

(b) *Without care or treatment, is likely to suffer from neglect or refuse to care for himself or herself; that such neglect or refusal poses a real and present threat of substantial harm to his or her well-being; and that it is not apparent that such harm may be avoided through the help of willing family members or friends or the provision of other services, or there is substantial likelihood that the person has inflicted, or threatened to or attempted to inflict, or, unless admitted, is likely to inflict, physical harm on himself, herself, or another.*

Section 24. Subsection (1) of section 397.6772, Florida Statutes, is amended to read:

397.6772 Protective custody without consent.—

(1) If a person in circumstances which justify protective custody as described in s. 397.677 fails or refuses to consent to assistance and a law enforcement officer has determined that a hospital or a licensed detoxification or addictions receiving facility is the most appropriate place for the person, the officer may, after giving due consideration to the expressed wishes of the person:

(a) Take the person to a hospital or to a licensed detoxification or addictions receiving facility against the person’s will but without using unreasonable force. *The officer shall use the standard form developed by the department pursuant to s. 397.321 to execute a written report detailing the circumstances under which the person was taken into custody. The written report shall be included in the patient’s clinical record; or*

(b) In the case of an adult, detain the person for his or her own protection in any municipal or county jail or other appropriate detention facility.

Such detention is not to be considered an arrest for any purpose, and no entry or other record may be made to indicate that the person has been detained or charged with any crime. The officer in charge of the detention facility must notify the nearest appropriate licensed service provider within the first 8 hours after detention that the person has been detained. It is the duty of the detention facility to arrange, as necessary, for transportation of the person to an appropriate licensed service provider with an available bed. Persons taken into protective custody must be assessed by the attending physician within the 72-hour period and without unnecessary delay, to determine the need for further services.

Section 25. Paragraph (a) of subsection (1) of section 397.6773, Florida Statutes, is amended to read:

397.6773 Dispositional alternatives after protective custody.—

(1) An individual who is in protective custody must be released by a qualified professional when:

(a) The individual no longer meets the involuntary admission criteria in s. 397.675 ~~397.675(1)~~;

Section 26. Section 397.679, Florida Statutes, is amended to read:

397.679 Emergency admission; circumstances justifying.—A person who meets the criteria for involuntary admission in s. 397.675 may be admitted to a hospital or to a licensed detoxification facility or addictions receiving facility for emergency assessment and stabilization, or to a less intensive component of a licensed service provider for assessment only, upon receipt by the facility of a ~~the physician’s~~ certificate by a physician, an advanced registered nurse practitioner, a psychiatric nurse, a clinical psychologist, a clinical social worker, a marriage and family therapist, a mental health counselor, a physician assistant working under the scope of practice of the supervising physician, or a master’s-level-certified addictions professional for substance abuse services, if the certificate is specific to substance abuse impairment, and the completion of an application for emergency admission.

Section 27. Section 397.6791, Florida Statutes, is amended to read:

397.6791 Emergency admission; persons who may initiate.—The following persons may request a certificate for an emergency assessment or admission:

(1) In the case of an adult, any professional who may issue a professional certificate pursuant to s. 397.6793, the certifying physician, the person's spouse or legal guardian, any relative of the person, or any other responsible adult who has personal knowledge of the person's substance abuse impairment.

(2) In the case of a minor, the minor's parent, legal guardian, or legal custodian.

Section 28. Section 397.6793, Florida Statutes, is amended to read:

397.6793 Professional's Physician's certificate for emergency admission.—

(1) A physician, a clinical psychologist, a physician assistant working under the scope of practice of the supervising physician, a psychiatric nurse, an advanced registered nurse practitioner, a mental health counselor, a marriage and family therapist, a master's-level-certified addictions professional for substance abuse services, or a clinical social worker may execute a professional's certificate for emergency admission. The professional's physician's certificate must include the name of the person to be admitted, the relationship between the person and the professional executing the certificate physician, the relationship between the applicant and the professional physician, any relationship between the professional physician and the licensed service provider, and a statement that the person has been examined and assessed within the preceding 5 days after of the application date, and must include factual allegations with respect to the need for emergency admission, including:

(a) The reason for the physician's belief that the person is substance abuse impaired; and

(b) The reason for the physician's belief that because of such impairment the person has lost the power of self-control with respect to substance abuse; and either

(c)1. The reason for the belief physician believes that, without care or treatment, the person is likely to suffer from neglect or refuse to care for himself or herself; that such neglect or refusal poses a real and present threat of substantial harm to his or her well-being; and that it is not apparent that such harm may be avoided through the help of willing family members or friends or the provision of other services, or there is substantial likelihood that the person has inflicted or, unless admitted, is likely to inflict, physical harm on himself, or herself, or another others unless admitted; or

2. The reason for the belief physician believes that the person's refusal to voluntarily receive care is based on judgment so impaired by reason of substance abuse that the person is incapable of appreciating his or her need for care and of making a rational decision regarding his or her need for care.

(2) The professional's physician's certificate must recommend the least restrictive type of service that is appropriate for the person. The certificate must be signed by the professional physician. If other less restrictive means are not available, such as voluntary appearance for outpatient evaluation, a law enforcement officer shall take the person named in the certificate into custody and deliver him or her to the appropriate facility for involuntary assessment and stabilization.

(3) A signed copy of the professional's physician's certificate shall accompany the person; and shall be made a part of the person's clinical record, together with a signed copy of the application. The application and the professional's physician's certificate authorize the involuntary admission of the person pursuant to, and subject to the provisions of, ss. 397.679-397.6797.

(4) The professional's certificate is valid for 7 days after issuance.

(5) The professional's physician's certificate must indicate whether the person requires transportation assistance for delivery for emergency admission and specify, pursuant to s. 397.6795, the type of transportation assistance necessary.

Section 29. Section 397.6795, Florida Statutes, is amended to read:

397.6795 Transportation-assisted delivery of persons for emergency assessment.—An applicant for a person's emergency admission, or the person's spouse or guardian, or a law enforcement officer, or a health officer may deliver a person named in the professional's physician's certificate for emergency admission to a hospital or a licensed detoxification facility or addictions receiving facility for emergency assessment and stabilization.

Section 30. Subsection (1) of section 397.681, Florida Statutes, is amended to read:

397.681 Involuntary petitions; general provisions; court jurisdiction and right to counsel.—

(1) JURISDICTION.—The courts have jurisdiction of involuntary assessment and stabilization petitions and involuntary treatment petitions for substance abuse impaired persons, and such petitions must be filed with the clerk of the court in the county where the person is located. The clerk of the court may not charge a fee for the filing of a petition under this section. The chief judge may appoint a general or special magistrate to preside over all or part of the proceedings. The alleged impaired person is named as the respondent.

Section 31. Subsection (1) of section 397.6811, Florida Statutes, is amended to read:

397.6811 Involuntary assessment and stabilization.—A person determined by the court to appear to meet the criteria for involuntary admission under s. 397.675 may be admitted for a period of 5 days to a hospital or to a licensed detoxification facility or addictions receiving facility, for involuntary assessment and stabilization or to a less restrictive component of a licensed service provider for assessment only upon entry of a court order or upon receipt by the licensed service provider of a petition. Involuntary assessment and stabilization may be initiated by the submission of a petition to the court.

(1) If the person upon whose behalf the petition is being filed is an adult, a petition for involuntary assessment and stabilization may be filed by the respondent's spouse or legal guardian, any relative, a private practitioner, the director of a licensed service provider or the director's designee, or an adult any three adults who has direct have personal knowledge of the respondent's substance abuse impairment.

Section 32. Section 397.6814, Florida Statutes, is amended to read:

397.6814 Involuntary assessment and stabilization; contents of petition.—A petition for involuntary assessment and stabilization must contain the name of the respondent; the name of the applicant or applicants; the relationship between the respondent and the applicant, and; the name of the respondent's attorney, if known, and a statement of the respondent's ability to afford an attorney; and must state facts to support the need for involuntary assessment and stabilization, including:

(1) The reason for the petitioner's belief that the respondent is substance abuse impaired; and

(2) The reason for the petitioner's belief that because of such impairment the respondent has lost the power of self-control with respect to substance abuse; and either

(3)(a) The reason the petitioner believes that the respondent has inflicted or is likely to inflict physical harm on himself or herself or others unless admitted; or

(b) The reason the petitioner believes that the respondent's refusal to voluntarily receive care is based on judgment so impaired by reason of substance abuse that the respondent is incapable of appreciating his or her need for care and of making a rational decision regarding that need for care. If the respondent has refused to submit to an assessment, such refusal must be alleged in the petition.

A fee may not be charged for the filing of a petition pursuant to this section.

Section 33. Subsection (4) is added to section 397.6818, Florida Statutes, to read:

397.6818 Court determination.—At the hearing initiated in accordance with s. 397.6811(1), the court shall hear all relevant testimony. The respondent must be present unless the court has reason to believe that his or her presence is likely to be injurious to him or her, in which event the court shall appoint a guardian advocate to represent the respondent. The respondent has the right to examination by a court-appointed qualified professional. After hearing all the evidence, the court shall determine whether there is a reasonable basis to believe the respondent meets the involuntary admission criteria of s. 397.675.

(4) *The order is valid only for the period specified in the order or, if a period is not specified, for 7 days after the order is signed.*

Section 34. Section 397.6819, Florida Statutes, is amended to read:

397.6819 Involuntary assessment and stabilization; responsibility of licensed service provider.—A licensed service provider may admit an individual for involuntary assessment and stabilization for a period not to exceed 5 days *unless a petition for involuntary services has been initiated and the individual is being retained pursuant to s. 397.6822(3) or a request for an extension of time has been filed with the court pursuant to s. 397.6821.* The assessment of the individual must occur within 72 hours ~~be assessed without unnecessary delay~~ by a qualified professional. If an assessment is performed by a qualified professional who is not a physician, the assessment must be reviewed by a physician before the end of the assessment period.

Section 35. Section 397.695, Florida Statutes, is amended to read:

397.695 Involuntary services ~~treatment~~; persons who may petition.—

(1) If the respondent is an adult, a petition for involuntary services ~~treatment~~ may be filed by the respondent's spouse or legal guardian, any relative, a service provider, or *an adult* ~~any three adults~~ who has ~~direct~~ *have* personal knowledge of the respondent's substance abuse impairment and his or her prior course of assessment and treatment.

(2) If the respondent is a minor, a petition for involuntary treatment may be filed by a parent, legal guardian, or service provider.

Section 36. Section 397.6951, Florida Statutes, is amended to read:

397.6951 Contents of petition for involuntary services ~~treatment~~.—A petition for involuntary services ~~treatment~~ must contain the name of the respondent ~~to be admitted~~; the name of the petitioner or petitioners; the relationship between the respondent and the petitioner; the name of the respondent's attorney, if known, ~~and a statement of the petitioner's knowledge of the respondent's ability to afford an attorney~~; the findings and recommendations of the assessment performed by the qualified professional; and the factual allegations presented by the petitioner establishing the need for involuntary *outpatient services*. ~~The factual allegations must demonstrate treatment, including:~~

(1) The reason for the petitioner's belief that the respondent is substance abuse impaired; ~~and~~

(2) The reason for the petitioner's belief that because of such impairment the respondent has lost the power of self-control with respect to substance abuse; and ~~either~~

(3)(a) The reason the petitioner believes that the respondent has inflicted or is likely to inflict physical harm on himself or herself or others unless *the court orders the involuntary services admitted*; or

(b) The reason the petitioner believes that the respondent's refusal to voluntarily receive care is based on judgment so impaired by reason of substance abuse that the respondent is incapable of appreciating his or her need for care and of making a rational decision regarding that need for care.

Section 37. Section 397.6955, Florida Statutes, is amended to read:

397.6955 Duties of court upon filing of petition for involuntary services ~~treatment~~.—

(1) Upon the filing of a petition for ~~the~~ involuntary services for ~~treatment~~ of a substance abuse impaired person with the clerk of the court, the court shall immediately determine whether the respondent is

represented by an attorney or whether the appointment of counsel for the respondent is appropriate. *If the court appoints counsel for the person, the clerk of the court shall immediately notify the office of criminal conflict and civil regional counsel, created pursuant to s. 27.511, of the appointment. The office of criminal conflict and civil regional counsel shall represent the person until the petition is dismissed, the court order expires, or the person is discharged from involuntary services. An attorney that represents the person named in the petition shall have access to the person, witnesses, and records relevant to the presentation of the person's case and shall represent the interests of the person, regardless of the source of payment to the attorney.*

(2) The court shall schedule a hearing to be held on the petition within 5 ~~10~~ days *unless a continuance is granted. The court may appoint a magistrate to preside at the hearing.*

(3) A copy of the petition and notice of the hearing must be provided to the respondent; the respondent's parent, guardian, or legal custodian, in the case of a minor; the respondent's attorney, if known; the petitioner; the respondent's spouse or guardian, if applicable; and such other persons as the court may direct. *If the respondent is a minor, a copy of the petition and notice of the hearing must be and have such petition and order personally delivered to the respondent if he or she is a minor.* The court shall also issue a summons to the person whose admission is sought.

Section 38. Section 397.6957, Florida Statutes, is amended to read:

397.6957 Hearing on petition for involuntary services ~~treatment~~.—

(1) At a hearing on a petition for involuntary services ~~treatment~~, the court shall hear and review all relevant evidence, including the review of results of the assessment completed by the qualified professional in connection with the respondent's protective custody, emergency admission, involuntary assessment, or alternative involuntary admission. The respondent must be present unless the court finds that his or her presence is likely to be injurious to himself or herself or others, in which event the court must appoint a guardian advocate to act in behalf of the respondent throughout the proceedings.

(2) The petitioner has the burden of proving by clear and convincing evidence *that:*

(a) The respondent is substance abuse impaired *and has a history of lack of compliance with treatment for substance abuse;*; and

(b) Because of such impairment *the respondent is unlikely to voluntarily participate in the recommended services or is unable to determine for himself or herself whether services are necessary* ~~the respondent has lost the power of self-control with respect to substance abuse;~~ and: *either*

1. *Without services, the respondent is likely to suffer from neglect or refuse to care for himself or herself; that such neglect or refusal poses a real and present threat of substantial harm to his or her well-being; and that there is a substantial likelihood that without services the respondent will cause serious bodily harm to himself, herself, or another in the near future, as evidenced by recent behavior* ~~The respondent has inflicted or is likely to inflict physical harm on himself or herself or others unless admitted;~~ or

2. The respondent's refusal to voluntarily receive care is based on judgment so impaired by reason of substance abuse that the respondent is incapable of appreciating his or her need for care and of making a rational decision regarding that need for care.

(3) *One of the qualified professionals who executed the involuntary services certificate must be a witness. The court shall allow testimony from individuals, including family members, deemed by the court to be relevant under state law, regarding the respondent's prior history and how that prior history relates to the person's current condition. The testimony in the hearing must be under oath, and the proceedings must be recorded. The patient may refuse to testify at the hearing.*

(4)(~~3~~) At the conclusion of the hearing the court shall ~~either~~ dismiss the petition or order the respondent to receive ~~undergo~~ involuntary services from his or her ~~substance abuse treatment~~, with the respondent's chosen licensed service provider *if to deliver the involuntary substance abuse treatment where possible and appropriate.*

Section 39. Section 397.697, Florida Statutes, is amended to read:

397.697 Court determination; effect of court order for involuntary services ~~substance abuse treatment.~~—

(1) When the court finds that the conditions for involuntary ~~services substance abuse treatment~~ have been proved by clear and convincing evidence, it may order the respondent to ~~receive~~ ~~undergo~~ involuntary services from ~~treatment~~ by a publicly funded licensed service provider for a period not to exceed 90 ~~60~~ days. *The court may also order a respondent to undergo treatment through a privately funded licensed service provider if the respondent has the ability to pay for the treatment, or if any person on the respondent's behalf voluntarily demonstrates a willingness and an ability to pay for the treatment.* If the court finds it necessary, it may direct the sheriff to take the respondent into custody and deliver him or her to the licensed service provider specified in the court order, or to the nearest appropriate licensed service provider, for involuntary ~~services treatment~~. When the conditions justifying involuntary ~~services treatment~~ no longer exist, the individual must be released as provided in s. 397.6971. When the conditions justifying involuntary ~~services treatment~~ are expected to exist after 90 ~~60~~ days of ~~services treatment~~, a renewal of the involuntary ~~services treatment~~ order may be requested pursuant to s. 397.6975 ~~before~~ ~~prior to~~ the end of the 90-day ~~60-day~~ period.

(2) In all cases resulting in an order for involuntary ~~services substance abuse treatment~~, the court shall retain jurisdiction over the case and the parties for the entry of such further orders as the circumstances may require. The court's requirements for notification of proposed release must be included in the original ~~treatment~~ order.

(3) An involuntary ~~services treatment~~ order authorizes the licensed service provider to require the individual to ~~receive services that undergo such treatment~~ as will benefit him or her, including ~~services treatment~~ at any licensable service component of a licensed service provider.

(4) *If the court orders involuntary services, a copy of the order must be sent to the managing entity within 1 working day after it is received from the court. Documents may be submitted electronically though existing data systems, if applicable.*

Section 40. Section 397.6971, Florida Statutes, is amended to read:

397.6971 Early release from involuntary services ~~substance abuse treatment.~~—

(1) At any time ~~before~~ ~~prior to~~ the end of the 90-day ~~60-day~~ involuntary ~~services treatment~~ period, or ~~before~~ ~~prior to~~ the end of any extension granted pursuant to s. 397.6975, an individual receiving ~~admitted for~~ involuntary ~~services treatment~~ may be determined eligible for discharge to the most appropriate referral or disposition for the individual when *any of the following apply:*

(a) The individual no longer meets the criteria for involuntary admission and has given his or her informed consent to be transferred to voluntary treatment status.;

(b) If the individual was admitted on the grounds of likelihood of infliction of physical harm upon himself or herself or others, such likelihood no longer exists.;

(c) If the individual was admitted on the grounds of need for assessment and stabilization or treatment, accompanied by inability to make a determination respecting such need, ~~either:~~

1. Such inability no longer exists; or
2. It is evident that further treatment will not bring about further significant improvements in the individual's condition.;

(d) The individual is no longer in need of services.;

(e) The director of the service provider determines that the individual is beyond the safe management capabilities of the provider.

(2) Whenever a qualified professional determines that an individual admitted for involuntary ~~services~~ ~~qualifies treatment is ready~~ for early release ~~under~~ ~~for any of the reasons listed in~~ subsection (1), the service

provider shall immediately discharge the individual; and must notify all persons specified by the court in the original treatment order.

Section 41. Section 397.6975, Florida Statutes, is amended to read:

397.6975 Extension of involuntary ~~services substance abuse treatment~~ period.—

(1) Whenever a service provider believes that an individual who is nearing the scheduled date of *his or her* release from involuntary ~~services treatment~~ continues to meet the criteria for involuntary ~~services treatment~~ in s. 397.693, a petition for renewal of the involuntary ~~services treatment~~ order may be filed with the court at least 10 days before the expiration of the court-ordered ~~services treatment~~ period. The court shall immediately schedule a hearing to be held not more than 15 days after filing of the petition. The court shall provide the copy of the petition for renewal and the notice of the hearing to all parties to the proceeding. The hearing is conducted pursuant to s. 397.6957.

(2) If the court finds that the petition for renewal of the involuntary ~~services treatment~~ order should be granted, it may order the respondent to ~~receive~~ ~~undergo~~ involuntary ~~services treatment~~ for a period not to exceed an additional 90 days. When the conditions justifying involuntary ~~services treatment~~ no longer exist, the individual must be released as provided in s. 397.6971. When the conditions justifying involuntary ~~services treatment~~ continue to exist after *an additional* 90 days of ~~service~~ ~~additional treatment~~, a new petition requesting renewal of the involuntary ~~services treatment~~ order may be filed pursuant to this section.

(3) *Within 1 court working day after the filing of a petition for continued involuntary services, the court shall appoint the office of criminal conflict and civil regional counsel to represent the respondent, unless the respondent is otherwise represented by counsel. The clerk of the court shall immediately notify the office of criminal conflict and civil regional counsel of such appointment. The office of criminal conflict and civil regional counsel shall represent the respondent until the petition is dismissed or the court order expires or the respondent is discharged from involuntary services. Any attorney representing the respondent shall have access to the respondent, witnesses, and records relevant to the presentation of the respondent's case and shall represent the interests of the respondent, regardless of the source of payment to the attorney.*

(4) *Hearings on petitions for continued involuntary services shall be before the circuit court. The court may appoint a magistrate to preside at the hearing. The procedures for obtaining an order pursuant to this section shall be in accordance with s. 397.697.*

(5) *Notice of hearing shall be provided to the respondent or his or her counsel. The respondent and the respondent's counsel may agree to a period of continued involuntary services without a court hearing.*

(6) *The same procedure shall be repeated before the expiration of each additional period of involuntary services.*

(7) *If the respondent has previously been found incompetent to consent to treatment, the court shall consider testimony and evidence regarding the respondent's competence.*

Section 42. Section 397.6977, Florida Statutes, is amended to read:

397.6977 Disposition of individual upon completion of involuntary ~~services substance abuse treatment.~~—At the conclusion of the 90-day ~~60-day~~ period of court-ordered involuntary ~~services treatment~~, the ~~respondent individual~~ is automatically discharged unless a motion for renewal of the involuntary ~~services treatment~~ order has been filed with the court pursuant to s. 397.6975.

Section 43. Section 397.6978, Florida Statutes, is created to read:

397.6978 Guardian advocate; patient incompetent to consent; substance abuse disorder.—

(1) *The administrator of a receiving facility or an addictions receiving facility may petition the court for the appointment of a guardian advocate based upon the opinion of a qualified professional that the patient is incompetent to consent to treatment. If the court finds that a patient is incompetent to consent to treatment and has not been adjudicated incapacitated and that a guardian with the authority to con-*

sent to substance abuse treatment has not been appointed, it may appoint a guardian advocate. The patient has the right to have an attorney represent him or her at the hearing. If the person is indigent, the court shall appoint the office of criminal conflict and civil regional counsel to represent him or her at the hearing. The patient has the right to testify, cross-examine witnesses, and present witnesses. The proceeding shall be recorded electronically or stenographically, and testimony must be provided under oath. One of the qualified professionals authorized to give an opinion in support of a petition for involuntary services, as described in s. 397.693, must testify. A guardian advocate must meet the qualifications of a guardian contained in part IV of chapter 744. The person who is appointed as a guardian advocate must agree to the appointment.

(2) The following persons are prohibited from appointment as a patient's guardian advocate:

(a) A professional providing clinical services to the individual under this part.

(b) The qualified professional who initiated the involuntary examination of the individual, if the examination was initiated by a qualified professional's certificate.

(c) An employee, an administrator, or a board member of the facility providing the examination of the individual.

(d) An employee, an administrator, or a board member of the treatment facility providing treatment of the individual.

(e) A person providing any substantial professional services, excluding public guardians or professional guardians, to the individual, including clinical services.

(f) A creditor of the individual.

(g) A person subject to an injunction for protection against domestic violence under s. 741.30, whether the order of injunction is temporary or final, and for which the individual was the petitioner.

(h) A person subject to an injunction for protection against repeat violence, stalking, sexual violence, or dating violence under s. 784.046, whether the order of injunction is temporary or final, and for which the individual was the petitioner.

(3) A facility requesting appointment of a guardian advocate must, before the appointment, provide the prospective guardian advocate with information about the duties and responsibilities of guardian advocates, including information about the ethics of medical decisionmaking. Before asking a guardian advocate to give consent to treatment for a patient, the facility must provide to the guardian advocate sufficient information so that the guardian advocate can decide whether to give express and informed consent to the treatment. Such information must include information that demonstrates that the treatment is essential to the care of the patient and does not present an unreasonable risk of serious, hazardous, or irreversible side effects. If possible, before giving consent to treatment, the guardian advocate must personally meet and talk with the patient and the patient's physician. If that is not possible, the discussion may be conducted by telephone. The decision of the guardian advocate may be reviewed by the court, upon petition of the patient's attorney, the patient's family, or the facility administrator.

(4) In lieu of the training required for guardians appointed pursuant to chapter 744, a guardian advocate shall attend at least a 4-hour training course approved by the court before exercising his or her authority. At a minimum, the training course must include information about patient rights, the diagnosis of substance abuse disorders, the ethics of medical decisionmaking, and the duties of guardian advocates.

(5) The required training course and the information to be supplied to prospective guardian advocates before their appointment must be developed by the department, approved by the chief judge of the circuit court, and taught by a court-approved organization, which may include, but need not be limited to, a community college, a guardianship organization, a local bar association, or The Florida Bar. The training course may be web-based, provided in video format, or provided in other electronic means but must be capable of ensuring the identity and participation of the prospective guardian advocate. The court may waive some or all of the training requirements for guardian advocates or impose additional requirements. The court shall make its decision on a case-by-

case basis and, in making its decision, shall consider the experience and education of the guardian advocate, the duties assigned to the guardian advocate, and the needs of the patient.

(6) In selecting a guardian advocate, the court shall give preference to the patient's health care surrogate, if one has already been designated by the patient. If the patient has not previously designated a health care surrogate, the selection shall be made, except for good cause documented in the court record, from among the following persons, listed in order of priority:

(a) The spouse of the patient.

(b) An adult child of the patient.

(c) A parent of the patient.

(d) The adult next of kin of the patient.

(e) An adult friend of the patient.

(f) An adult trained and willing to serve as the guardian advocate for the patient.

(7) If a guardian with the authority to consent to medical treatment has not already been appointed, or if the patient has not already designated a health care surrogate, the court may authorize the guardian advocate to consent to medical treatment as well as substance abuse disorder treatment. Unless otherwise limited by the court, a guardian advocate with authority to consent to medical treatment has the same authority to make health care decisions and is subject to the same restrictions as a proxy appointed under part IV of chapter 765. Unless the guardian advocate has sought and received express court approval in a proceeding separate from the proceeding to determine the competence of the patient to consent to medical treatment, the guardian advocate may not consent to:

(a) Abortion.

(b) Sterilization.

(c) Electroshock therapy.

(d) Psychosurgery.

(e) Experimental treatments that have not been approved by a federally approved institutional review board in accordance with 45 C.F.R. part 46 or 21 C.F.R. part 56.

The court must base its authorization on evidence that the treatment or procedure is essential to the care of the patient and that the treatment does not present an unreasonable risk of serious, hazardous, or irreversible side effects. In complying with this subsection, the court shall follow the procedures set forth in subsection (1).

(8) The guardian advocate shall be discharged when the patient is discharged from an order for involuntary services or when the patient is transferred from involuntary to voluntary status. The court or a hearing officer shall consider the competence of the patient as provided in subsection (1) and may consider an involuntarily placed patient's competence to consent to services at any hearing. Upon sufficient evidence, the court may restore, or the magistrate may recommend that the court restore, the patient's competence. A copy of the order restoring competence or the certificate of discharge containing the restoration of competence shall be provided to the patient and the guardian advocate.

Section 44. Paragraphs (d) through (m) of subsection (2) of section 409.967, are redesignated as paragraphs (e) through (n), respectively, and a new paragraph (d) is added to that subsection to read:

409.967 Managed care plan accountability.—

(2) The agency shall establish such contract requirements as are necessary for the operation of the statewide managed care program. In addition to any other provisions the agency may deem necessary, the contract must require:

(d) Quality care.—Managed care plans shall provide, or contract for the provision of, care coordination to facilitate the appropriate delivery of

behavioral health care services in the least restrictive setting with treatment and recovery capabilities that address the needs of the patient. Services shall be provided in a manner that integrates behavioral health services and primary care. Plans shall be required to achieve specific behavioral health outcome standards, established by the agency in consultation with the department.

Section 45. Subsection (5) is added to section 409.973, Florida Statutes, to read:

409.973 Benefits.—

(5) *INTEGRATED BEHAVIORAL HEALTH INITIATIVE.—Each plan operating in the managed medical assistance program shall work with the managing entity in its service area to establish specific organizational supports and protocols that enhance the integration and coordination of primary care and behavioral health services for Medicaid recipients. Progress in this initiative shall be measured using the integration framework and core measures developed by the Agency for Healthcare Research and Quality.*

Section 46. Notwithstanding the amendment made to s. 409.975(6), Florida Statutes, by HB 5101, 1st Eng., 2016 Regular Session, subsection (6) of section 409.975, Florida Statutes, is reenacted to read:

409.975 Managed care plan accountability.—In addition to the requirements of s. 409.967, plans and providers participating in the managed medical assistance program shall comply with the requirements of this section.

(6) *PROVIDER PAYMENT.—Managed care plans and hospitals shall negotiate mutually acceptable rates, methods, and terms of payment. For rates, methods, and terms of payment negotiated after the contract between the agency and the plan is executed, plans shall pay hospitals, at a minimum, the rate the agency would have paid on the first day of the contract between the provider and the plan. Such payments to hospitals may not exceed 120 percent of the rate the agency would have paid on the first day of the contract between the provider and the plan, unless specifically approved by the agency. Payment rates may be updated periodically.*

Section 47. *It is the intent of the Legislature that the reenactment of s. 409.975(6), Florida Statutes, shall control over the amendment to that subsection made by HB 5101, 1st Eng., 2016 Regular Session, regardless of the order in which they are enacted.*

Section 48. Section 491.0045, Florida Statutes, is amended to read:

491.0045 Intern registration; requirements.—

(1) ~~Effective January 1, 1998,~~ An individual who *has not satisfied intends to practice in Florida to satisfy* the postgraduate or post-master's level experience requirements, as specified in s. 491.005(1)(c), (3)(c), or (4)(c), must register as an intern in the profession for which he or she is seeking licensure ~~before~~ *prior to* commencing the post-master's experience requirement or an individual who intends to satisfy part of the required graduate-level practicum, internship, or field experience, outside the academic arena for any profession, must register as an intern in the profession for which he or she is seeking licensure ~~before~~ *prior to* commencing the practicum, internship, or field experience.

Section 62. Paragraph (a) of subsection (3) of section 39.407, Florida Statutes, is amended to read:

39.407 Medical, psychiatric, and psychological examination and treatment of child; physical, mental, or substance abuse examination of person with or requesting child custody.—

(3)(a)1. Except as otherwise provided in subparagraph (b)1. or paragraph (e), before the department provides psychotropic medications to a child in its custody, the prescribing physician shall attempt to obtain express and informed consent, as defined in s. 394.455(15) ~~or 394.455(9)~~ and as described in s. 394.459(3)(a), from the child's parent or legal guardian. The department must take steps necessary to facilitate the inclusion of the parent in the child's consultation with the physician. However, if the parental rights of the parent have been terminated, the parent's location or identity is unknown or cannot reasonably be ascertained, or the parent declines to give express and informed consent, the department may, after consultation with the prescribing physician, seek court authorization to provide the psychotropic medications to the child. Unless parental rights have been ter-

minated and if it is possible to do so, the department shall continue to involve the parent in the decisionmaking process regarding the provision of psychotropic medications. If, at any time, a parent whose parental rights have not been terminated provides express and informed consent to the provision of a psychotropic medication, the requirements of this section that the department seek court authorization do not apply to that medication until such time as the parent no longer consents.

2. Any time the department seeks a medical evaluation to determine the need to initiate or continue a psychotropic medication for a child, the department must provide to the evaluating physician all pertinent medical information known to the department concerning that child.

Section 63. Subsection (1) of section 39.524, Florida Statutes, is amended to read:

39.524 Safe-harbor placement.—

(1) Except as provided in s. 39.407 or s. 985.801, a dependent child 6 years of age or older who has been found to be a victim of sexual exploitation as defined in s. 39.01(70)(g) ~~s. 39.01(69)(g)~~ must be assessed for placement in a safe house or safe foster home as provided in s. 409.1678 using the initial screening and assessment instruments provided in s. 409.1754(1). If such placement is determined to be appropriate for the child as a result of this assessment, the child may be placed in a safe house or safe foster home, if one is available. However, the child may be placed in another setting, if the other setting is more appropriate to the child's needs or if a safe house or safe foster home is unavailable, as long as the child's behaviors are managed so as not to endanger other children served in that setting.

Section 64. Paragraph (e) of subsection (5) of section 212.055, Florida Statutes, is amended to read:

212.055 Discretionary sales surtaxes; legislative intent; authorization and use of proceeds.—It is the legislative intent that any authorization for imposition of a discretionary sales surtax shall be published in the Florida Statutes as a subsection of this section, irrespective of the duration of the levy. Each enactment shall specify the types of counties authorized to levy; the rate or rates which may be imposed; the maximum length of time the surtax may be imposed, if any; the procedure which must be followed to secure voter approval, if required; the purpose for which the proceeds may be expended; and such other requirements as the Legislature may provide. Taxable transactions and administrative procedures shall be as provided in s. 212.054.

(5) COUNTY PUBLIC HOSPITAL SURTAX.—Any county as defined in s. 125.011(1) may levy the surtax authorized in this subsection pursuant to an ordinance either approved by extraordinary vote of the county commission or conditioned to take effect only upon approval by a majority vote of the electors of the county voting in a referendum. In a county as defined in s. 125.011(1), for the purposes of this subsection, "county public general hospital" means a general hospital as defined in s. 395.002 which is owned, operated, maintained, or governed by the county or its agency, authority, or public health trust.

(e) A governing board, agency, or authority shall be chartered by the county commission upon this act becoming law. The governing board, agency, or authority shall adopt and implement a health care plan for indigent health care services. The governing board, agency, or authority shall consist of no more than seven and no fewer than five members appointed by the county commission. The members of the governing board, agency, or authority shall be at least 18 years of age and residents of the county. No member may be employed by or affiliated with a health care provider or the public health trust, agency, or authority responsible for the county public general hospital. The following community organizations shall each appoint a representative to a nominating committee: the South Florida Hospital and Healthcare Association, the Miami-Dade County Public Health Trust, the Dade County Medical Association, the Miami-Dade County Homeless Trust, and the Mayor of Miami-Dade County. This committee shall nominate between 10 and 14 county citizens for the governing board, agency, or authority. The slate shall be presented to the county commission and the county commission shall confirm the top five to seven nominees, depending on the size of the governing board. Until such time as the governing board, agency, or authority is created, the funds provided for in subparagraph

(d)2. shall be placed in a restricted account set aside from other county funds and not disbursed by the county for any other purpose.

1. The plan shall divide the county into a minimum of four and maximum of six service areas, with no more than one participant hospital per service area. The county public general hospital shall be designated as the provider for one of the service areas. Services shall be provided through participants' primary acute care facilities.

2. The plan and subsequent amendments to it shall fund a defined range of health care services for both indigent persons and the medically poor, including primary care, preventive care, hospital emergency room care, and hospital care necessary to stabilize the patient. For the purposes of this section, "stabilization" means stabilization as defined in s. 397.311(44) ~~s. 397.311(41)~~. Where consistent with these objectives, the plan may include services rendered by physicians, clinics, community hospitals, and alternative delivery sites, as well as at least one regional referral hospital per service area. The plan shall provide that agreements negotiated between the governing board, agency, or authority and providers shall recognize hospitals that render a disproportionate share of indigent care, provide other incentives to promote the delivery of charity care to draw down federal funds where appropriate, and require cost containment, including, but not limited to, case management. From the funds specified in subparagraphs (d)1. and 2. for indigent health care services, service providers shall receive reimbursement at a Medicaid rate to be determined by the governing board, agency, or authority created pursuant to this paragraph for the initial emergency room visit, and a per-member per-month fee or capitation for those members enrolled in their service area, as compensation for the services rendered following the initial emergency visit. Except for provisions of emergency services, upon determination of eligibility, enrollment shall be deemed to have occurred at the time services were rendered. The provisions for specific reimbursement of emergency services shall be repealed on July 1, 2001, unless otherwise reenacted by the Legislature. The capitation amount or rate shall be determined ~~before~~ ~~prior to~~ program implementation by an independent actuarial consultant. In no event shall such reimbursement rates exceed the Medicaid rate. The plan must also provide that any hospitals owned and operated by government entities on or after the effective date of this act must, as a condition of receiving funds under this subsection, afford public access equal to that provided under s. 286.011 as to any meeting of the governing board, agency, or authority the subject of which is budgeting resources for the retention of charity care, as that term is defined in the rules of the Agency for Health Care Administration. The plan shall also include innovative health care programs that provide cost-effective alternatives to traditional methods of service and delivery funding.

3. The plan's benefits shall be made available to all county residents currently eligible to receive health care services as indigents or medically poor as defined in paragraph (4)(d).

4. Eligible residents who participate in the health care plan shall receive coverage for a period of 12 months or the period extending from the time of enrollment to the end of the current fiscal year, per enrollment period, whichever is less.

5. At the end of each fiscal year, the governing board, agency, or authority shall prepare an audit that reviews the budget of the plan, delivery of services, and quality of services, and makes recommendations to increase the plan's efficiency. The audit shall take into account participant hospital satisfaction with the plan and assess the amount of poststabilization patient transfers requested, and accepted or denied, by the county public general hospital.

Section 65. Paragraph (c) of subsection (2) of section 394.4599, Florida Statutes, is amended to read:

394.4599 Notice.—

(2) INVOLUNTARY ADMISSION.—

(c)1. A receiving facility shall give notice of the whereabouts of a minor who is being involuntarily held for examination pursuant to s. 394.463 to the minor's parent, guardian, caregiver, or guardian advocate, in person or by telephone or other form of electronic communication, immediately after the minor's arrival at the facility. The facility may delay notification for no more than 24 hours after the minor's

arrival if the facility has submitted a report to the central abuse hotline, pursuant to s. 39.201, based upon knowledge or suspicion of abuse, abandonment, or neglect and if the facility deems a delay in notification to be in the minor's best interest.

2. The receiving facility shall attempt to notify the minor's parent, guardian, caregiver, or guardian advocate until the receiving facility receives confirmation from the parent, guardian, caregiver, or guardian advocate, verbally, by telephone or other form of electronic communication, or by recorded message, that notification has been received. Attempts to notify the parent, guardian, caregiver, or guardian advocate must be repeated at least once every hour during the first 12 hours after the minor's arrival and once every 24 hours thereafter and must continue until such confirmation is received, unless the minor is released at the end of the 72-hour examination period, or until a petition for involuntary services placement is filed with the court pursuant to s. 394.463(2)(g) ~~s. 394.463(2)(i)~~. The receiving facility may seek assistance from a law enforcement agency to notify the minor's parent, guardian, caregiver, or guardian advocate if the facility has not received within the first 24 hours after the minor's arrival a confirmation by the parent, guardian, caregiver, or guardian advocate that notification has been received. The receiving facility must document notification attempts in the minor's clinical record.

Section 66. Subsection (3) and paragraph (p) of subsection (4) of section 394.495, Florida Statutes, are amended to read:

394.495 Child and adolescent mental health system of care; programs and services.—

(3) Assessments must be performed by:

(a) A professional as defined in s. 394.455(5), (7), (32), (35), or (36) ~~s. 394.455(2), (4), (21), (23), or (24)~~;

(b) A professional licensed under chapter 491; or

(c) A person who is under the direct supervision of a *qualified* professional as defined in s. 394.455(5), (7), (32), (35), or (36) ~~s. 394.455(2), (4), (21), (22), or (24)~~ or a professional licensed under chapter 491.

(4) The array of services may include, but is not limited to:

(p) Trauma-informed services for children who have suffered sexual exploitation as defined in s. 39.01(70)(g) ~~s. 39.01(69)(g)~~.

Section 67. Subsection (5) of section 394.496, Florida Statutes, is amended to read:

394.496 Service planning.—

(5) A professional as defined in s. 394.455(5), (7), (32), (35), or (36) ~~s. 394.455(2), (4), (21), (23), or (24)~~ or a professional licensed under chapter 491 must be included among those persons developing the services plan.

Section 68. Subsection (6) of section 394.9085, Florida Statutes, is amended to read:

394.9085 Behavioral provider liability.—

(6) For purposes of this section, the terms "detoxification services," "addictions receiving facility," and "receiving facility" have the same meanings as those provided in ss. 397.311(25)(a)4., 397.311(25)(a)1., and 394.455(39) ~~ss. 397.311(22)(a)4., 397.311(22)(a)1., and 394.455(26)~~, respectively.

Section 69. Subsections (16) through (20) of section 397.321, Florida Statutes, are renumbered as subsections (15) through (19), respectively, and present subsection (15) of that section is amended to read:

397.321 Duties of the department.—The department shall:

~~(15) Appoint a substance abuse impairment coordinator to represent the department in efforts initiated by the statewide substance abuse impairment prevention and treatment coordinator established in s. 397.801 and to assist the statewide coordinator in fulfilling the responsibilities of that position.~~

Section 70. Subsection (8) of section 397.405, Florida Statutes, is amended to read:

397.405 Exemptions from licensure.—The following are exempt from the licensing provisions of this chapter:

(8) A legally cognizable church or nonprofit religious organization or denomination providing substance abuse services, including prevention services, which are solely religious, spiritual, or ecclesiastical in nature. A church or nonprofit religious organization or denomination providing any of the licensed service components itemized under s. 397.311(25) ~~s. 397.311(22)~~ is not exempt from substance abuse licensure but retains its exemption with respect to all services which are solely religious, spiritual, or ecclesiastical in nature.

The exemptions from licensure in this section do not apply to any service provider that receives an appropriation, grant, or contract from the state to operate as a service provider as defined in this chapter or to any substance abuse program regulated pursuant to s. 397.406. Furthermore, this chapter may not be construed to limit the practice of a physician or physician assistant licensed under chapter 458 or chapter 459, a psychologist licensed under chapter 490, a psychotherapist licensed under chapter 491, or an advanced registered nurse practitioner licensed under part I of chapter 464, who provides substance abuse treatment, so long as the physician, physician assistant, psychologist, psychotherapist, or advanced registered nurse practitioner does not represent to the public that he or she is a licensed service provider and does not provide services to individuals pursuant to part V of this chapter. Failure to comply with any requirement necessary to maintain an exempt status under this section is a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

Section 71. Subsections (1) and (5) of section 397.407, Florida Statutes, are amended to read:

397.407 Licensure process; fees.—

(1) The department shall establish the licensure process to include fees and categories of licenses and must prescribe a fee range that is based, at least in part, on the number and complexity of programs listed in s. 397.311(25) ~~s. 397.311(22)~~ which are operated by a licensee. The fees from the licensure of service components are sufficient to cover at least 50 percent of the costs of regulating the service components. The department shall specify a fee range for public and privately funded licensed service providers. Fees for privately funded licensed service providers must exceed the fees for publicly funded licensed service providers.

(5) The department may issue probationary, regular, and interim licenses. The department shall issue one license for each service component that is operated by a service provider and defined pursuant to s. 397.311(25) ~~s. 397.311(22)~~. The license is valid only for the specific service components listed for each specific location identified on the license. The licensed service provider shall apply for a new license at least 60 days before the addition of any service components or 30 days before the relocation of any of its service sites. Provision of service components or delivery of services at a location not identified on the license may be considered an unlicensed operation that authorizes the department to seek an injunction against operation as provided in s. 397.401, in addition to other sanctions authorized by s. 397.415. Probationary and regular licenses may be issued only after all required information has been submitted. A license may not be transferred. As used in this subsection, the term "transfer" includes, but is not limited to, the transfer of a majority of the ownership interest in the licensed entity or transfer of responsibilities under the license to another entity by contractual arrangement.

Section 72. Section 397.416, Florida Statutes, is amended to read:

397.416 Substance abuse treatment services; qualified professional.—Notwithstanding any other provision of law, a person who was certified through a certification process recognized by the former Department of Health and Rehabilitative Services before January 1, 1995, may perform the duties of a qualified professional with respect to substance abuse treatment services as defined in this chapter, and need not meet the certification requirements contained in s. 397.311(33) ~~s. 397.311(30)~~.

Section 73. Subsection (2) of section 397.4871, Florida Statutes, is amended to read:

397.4871 Recovery residence administrator certification.—

(2) The department shall approve at least one credentialing entity by December 1, 2015, for the purpose of developing and administering a voluntary credentialing program for administrators. The department shall approve any credentialing entity that the department endorses pursuant to s. 397.321(15) ~~s. 397.321(16)~~ if the credentialing entity also meets the requirements of this section. The approved credentialing entity shall:

(a) Establish recovery residence administrator core competencies, certification requirements, testing instruments, and recertification requirements.

(b) Establish a process to administer the certification application, award, and maintenance processes.

(c) Develop and administer:

1. A code of ethics and disciplinary process.
2. Biennial continuing education requirements and annual certification renewal requirements.
3. An education provider program to approve training entities that are qualified to provide precertification training to applicants and continuing education opportunities to certified persons.

Section 74. Paragraph (c) of subsection (1) and paragraphs (a) and (b) of subsection (6) of section 409.1678, Florida Statutes, are amended to read:

409.1678 Specialized residential options for children who are victims of sexual exploitation.—

(1) DEFINITIONS.—As used in this section, the term:

(c) “Sexually exploited child” means a child who has suffered sexual exploitation as defined in s. 39.01(70)(g) ~~s. 39.01(69)(g)~~ and is ineligible for relief and benefits under the federal Trafficking Victims Protection Act, 22 U.S.C. ss. 7101 et seq.

(6) LOCATION INFORMATION.—

(a) Information about the location of a safe house, safe foster home, or other residential facility serving victims of sexual exploitation, as defined in s. 39.01(70)(g) ~~s. 39.01(69)(g)~~, which is held by an agency, as defined in s. 119.011, is confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution. This exemption applies to such confidential and exempt information held by an agency before, on, or after the effective date of the exemption.

(b) Information about the location of a safe house, safe foster home, or other residential facility serving victims of sexual exploitation, as defined in s. 39.01(70)(g) ~~s. 39.01(69)(g)~~, may be provided to an agency, as defined in s. 119.011, as necessary to maintain health and safety standards and to address emergency situations in the safe house, safe foster home, or other residential facility.

Section 75. Paragraph (e) of subsection (3) of section 409.966, Florida Statutes, is amended to read:

409.966 Eligible plans; selection.—

(3) QUALITY SELECTION CRITERIA.—

(e) To ensure managed care plan participation in Regions 1 and 2, the agency shall award an additional contract to each plan with a contract award in Region 1 or Region 2. Such contract shall be in any other region in which the plan submitted a responsive bid and negotiates a rate acceptable to the agency. If a plan that is awarded an additional contract pursuant to this paragraph is subject to penalties pursuant to s. 409.967(2)(i) ~~s. 409.967(2)(h)~~ for activities in Region 1 or Region 2, the additional contract is automatically terminated 180 days after the imposition of the penalties. The plan must reimburse the agency for the cost of enrollment changes and other transition activities.

Section 76. Paragraph (b) of subsection (1) of section 409.972, Florida Statutes, is amended to read:

409.972 Mandatory and voluntary enrollment.—

(1) The following Medicaid-eligible persons are exempt from mandatory managed care enrollment required by s. 409.965, and may voluntarily choose to participate in the managed medical assistance program:

(b) Medicaid recipients residing in residential commitment facilities operated through the Department of Juvenile Justice or a ~~mental health treatment facility facilities~~ as defined in s. 394.455(47) ~~by s. 394.455(32)~~.

Section 77. Paragraphs (d) and (g) of subsection (1) of section 440.102, Florida Statutes, are amended to read:

440.102 Drug-free workplace program requirements.—The following provisions apply to a drug-free workplace program implemented pursuant to law or to rules adopted by the Agency for Health Care Administration:

(1) DEFINITIONS.—Except where the context otherwise requires, as used in this act:

(d) “Drug rehabilitation program” means a service provider, established pursuant to s. 397.311(42) ~~s. 397.311(39)~~, that provides confidential, timely, and expert identification, assessment, and resolution of employee drug abuse.

(g) “Employee assistance program” means an established program capable of providing expert assessment of employee personal concerns; confidential and timely identification services with regard to employee drug abuse; referrals of employees for appropriate diagnosis, treatment, and assistance; and followup services for employees who participate in the program or require monitoring after returning to work. If, in addition to the above activities, an employee assistance program provides diagnostic and treatment services, these services shall in all cases be provided by service providers pursuant to s. 397.311(42) ~~s. 397.311(39)~~.

Section 78. Subsection (7) of section 744.704, Florida Statutes, is amended to read:

744.704 Powers and duties.—

(7) A public guardian ~~may shall~~ not commit a ward to a ~~mental health~~ treatment facility, as defined in s. 394.455(47) ~~s. 394.455(32)~~, without an involuntary placement proceeding as provided by law.

Section 79. Subsection (5) of section 960.065, Florida Statutes, is amended to read:

960.065 Eligibility for awards.—

(5) A person is not ineligible for an award pursuant to paragraph (2)(a), paragraph (2)(b), or paragraph (2)(c) if that person is a victim of sexual exploitation of a child as defined in s. 39.01(70)(g) ~~s. 39.01(69)(g)~~.

Section 80. *The Secretary of Children and Families shall appoint a workgroup to consider the feasibility of individuals using advance directives to express the treatment wishes for substance use disorders. The workgroup shall be composed of individuals with expertise in the treatment of substance use disorders. The workgroup must review the use of advance directives in mental health, the use of advance directives for substance use disorders in other states, and the use of similar legal instruments to express the treatment wishes of individuals suffering from substance use disorders. The workgroup shall provide a report to the Governor, the President of the Senate, and the Speaker of the House of Representatives by January 1, 2017. The report must include recommendations on the feasibility of using advance directives for individuals with substance use disorders and recommendations for any revisions to state laws or agency rules. The members of the workgroup are not entitled to reimbursement from the Department of Children and Families for travel for workgroup meetings unless they are employees of the department. This section expires on May 6, 2017.*

Section 81. Paragraph (b) of subsection (2) of section 61.13, Florida Statutes, is amended to read:

61.13 Support of children; parenting and time-sharing; powers of court.—

(2)

(b) A parenting plan approved by the court must, at a minimum;

1. Describe in adequate detail how the parents will share and be responsible for the daily tasks associated with the upbringing of the child;

2. *Include* the time-sharing schedule arrangements that specify the time that the minor child will spend with each parent;

3. *Designate a designation of* who will be responsible for:

a. Any and all forms of health care. *If the court orders shared parental responsibility over health care decisions, the parenting plan must provide that either parent may consent to mental health treatment for the child.*

b. School-related matters, including the address to be used for school-boundary determination and registration, ~~and~~

c. Other activities; and

4. *Describe in adequate detail* the methods and technologies that the parents will use to communicate with the child.

Section 82. Subsection (6) of section 39.001, Florida Statutes, is amended to read:

39.001 Purposes and intent; personnel standards and screening.—

(6) **MENTAL HEALTH AND SUBSTANCE ABUSE SERVICES.**—

(a) The Legislature recognizes that early referral and comprehensive treatment can help combat *mental illnesses and substance abuse disorders* in families and that treatment is cost-effective.

(b) The Legislature establishes the following goals for the state related to *mental illness and substance abuse treatment services* in the dependency process:

1. To ensure the safety of children.

2. To prevent and remediate the consequences of *mental illnesses and substance abuse disorders* on families involved in protective supervision or foster care and reduce *the occurrences of mental illnesses and substance abuse disorders*, including alcohol abuse or related disorders, for families who are at risk of being involved in protective supervision or foster care.

3. To expedite permanency for children and reunify healthy, intact families, when appropriate.

4. To support families in recovery.

(c) The Legislature finds that children in the care of the state's dependency system need appropriate health care services, that the impact of *mental illnesses and substance abuse disorders* on health indicates the need for health care services to include *treatment for mental health and substance abuse disorders for services to children and parents*, where appropriate, and that it is in the state's best interest that such children be provided the services they need to enable them to become and remain independent of state care. In order to provide these services, the state's dependency system must have the ability to identify and provide appropriate intervention and treatment for children with personal or family-related *mental illness and substance abuse problems*.

(d) It is the intent of the Legislature to encourage the use of the *mental health court program model established under chapter 394 and the drug court program model established under* by s. 397.334 and authorize courts to assess children and persons who have custody or are requesting custody of children where good cause is shown to identify and address *mental illnesses and substance abuse disorders problems* as the court deems appropriate at every stage of the dependency process. Participation in treatment, including a *mental health court program or a treatment-based drug court program*, may be required by the

court following adjudication. Participation in assessment and treatment ~~before~~ ~~prior to~~ adjudication ~~is~~ shall be voluntary, except as provided in s. 39.407(16).

(e) It is therefore the purpose of the Legislature to provide authority for the state to contract with *mental health service providers and community substance abuse treatment providers* for the development and operation of specialized support and overlay services for the dependency system, which will be fully implemented and used as resources permit.

(f) Participation in a *mental health court program or a the treatment-based drug court program* does not divest any public or private agency of its responsibility for a child or adult, but is intended to enable these agencies to better meet their needs through shared responsibility and resources.

Section 83. Subsection (10) of section 39.507, Florida Statutes, is amended to read:

39.507 Adjudicatory hearings; orders of adjudication.—

(10) After an adjudication of dependency, or a finding of dependency ~~in which where~~ adjudication is withheld, the court may order a person who has custody or is requesting custody of the child to submit to a *mental health or substance abuse disorder* assessment or evaluation. *The order may be made only upon good cause shown and pursuant to notice and procedural requirements provided under the Florida Rules of Juvenile Procedure.* The assessment or evaluation must be administered by an *appropriate a* qualified professional, as defined in s. 39.01 or s. 397.311. The court may also require such person to participate in and comply with treatment and services identified as necessary, including, when appropriate and available, participation in and compliance with a *mental health court program established under chapter 394 or a treatment-based drug court program established under* s. 397.334. In addition to supervision by the department, the court, including the *mental health court program or treatment-based drug court program*, may oversee the progress and compliance with treatment by a person who has custody or is requesting custody of the child. The court may impose appropriate available sanctions for noncompliance upon a person who has custody or is requesting custody of the child or make a finding of noncompliance for consideration in determining whether an alternative placement of the child is in the child's best interests. Any order entered under this subsection may be made only upon good cause shown. This subsection does not authorize placement of a child with a person seeking custody, other than the parent or legal custodian, who requires *mental health or substance abuse disorder* treatment.

Section 84. Paragraph (b) of subsection (1) of section 39.521, Florida Statutes, is amended to read:

39.521 Disposition hearings; powers of disposition.—

(1) A disposition hearing shall be conducted by the court, if the court finds that the facts alleged in the petition for dependency were proven in the adjudicatory hearing, or if the parents or legal custodians have consented to the finding of dependency or admitted the allegations in the petition, have failed to appear for the arraignment hearing after proper notice, or have not been located despite a diligent search having been conducted.

(b) When any child is adjudicated by a court to be dependent, the court having jurisdiction of the child has the power by order to:

1. Require the parent and, when appropriate, the legal custodian and the child to participate in treatment and services identified as necessary. The court may require the person who has custody or who is requesting custody of the child to submit to a *mental health or substance abuse disorder* assessment or evaluation. *The order may be made only upon good cause shown and pursuant to notice and procedural requirements provided under the Florida Rules of Juvenile Procedure.* The *mental health* assessment or evaluation must be administered by a qualified professional, as defined in s. 39.01, *and the substance abuse assessment or evaluation must be administered by a qualified professional as defined in* s. 397.311. The court may also require such person to participate in and comply with treatment and services identified as necessary, including, when appropriate and available, participation in and compliance with a *mental health court program established under chapter 394 or a treatment-based drug court program established under*

s. 397.334. In addition to supervision by the department, the court, including the *mental health court program* or the treatment-based drug court program, may oversee the progress and compliance with treatment by a person who has custody or is requesting custody of the child. The court may impose appropriate available sanctions for non-compliance upon a person who has custody or is requesting custody of the child or make a finding of noncompliance for consideration in determining whether an alternative placement of the child is in the child's best interests. Any order entered under this subparagraph may be made only upon good cause shown. This subparagraph does not authorize placement of a child with a person seeking custody of the child, other than the child's parent or legal custodian, who requires *mental health or substance abuse disorder* treatment.

2. Require, if the court deems necessary, the parties to participate in dependency mediation.

3. Require placement of the child either under the protective supervision of an authorized agent of the department in the home of one or both of the child's parents or in the home of a relative of the child or another adult approved by the court, or in the custody of the department. Protective supervision continues until the court terminates it or until the child reaches the age of 18, whichever date is first. Protective supervision shall be terminated by the court whenever the court determines that permanency has been achieved for the child, whether with a parent, another relative, or a legal custodian, and that protective supervision is no longer needed. The termination of supervision may be with or without retaining jurisdiction, at the court's discretion, and shall in either case be considered a permanency option for the child. The order terminating supervision by the department ~~must shall~~ set forth the powers of the custodian of the child and ~~shall~~ include the powers ordinarily granted to a guardian of the person of a minor unless otherwise specified. Upon the court's termination of supervision by the department, ~~no~~ further judicial reviews are not required ~~if, so long as~~ permanency has been established for the child.

Section 85. Section 394.4655, Florida Statutes, is amended to read:
394.4655 Involuntary outpatient ~~services placement~~.—

- (1) *DEFINITIONS*.—As used in this section, the term:
 - (a) "Court" means a circuit court or a criminal county court.
 - (b) "Criminal county court" means a county court exercising its original jurisdiction in a misdemeanor case under s. 34.01.

(2)(4) *CRITERIA FOR INVOLUNTARY OUTPATIENT SERVICES PLACEMENT*.—A person may be ordered to involuntary outpatient ~~services placement~~ upon a finding of the court, by clear and convincing evidence, that the person meets all of the following criteria ~~by clear and convincing evidence~~:

- (a) The person is 18 years of age or older.;
- (b) The person has a mental illness.;
- (c) The person is unlikely to survive safely in the community without supervision, based on a clinical determination.;
- (d) The person has a history of lack of compliance with treatment for mental illness.;
- (e) The person has:

1. At least twice within the immediately preceding 36 months been involuntarily admitted to a receiving or treatment facility as defined in s. 394.455, or has received mental health services in a forensic or correctional facility. The 36-month period does not include any period during which the person was admitted or incarcerated; or

2. Engaged in one or more acts of serious violent behavior toward self or others, or attempts at serious bodily harm to himself or herself or others, within the preceding 36 months.;

(f) The person is, as a result of his or her mental illness, unlikely to voluntarily participate in the recommended treatment plan and ~~either he or she~~ has refused voluntary ~~services placement~~ for treatment after sufficient and conscientious explanation and disclosure of *why the ser-*

VICES ARE NECESSARY ~~purpose of placement for treatment~~ or he or she is unable to determine for himself or herself whether *services are placement is necessary*.;

(g) In view of the person's treatment history and current behavior, the person is in need of involuntary outpatient ~~services placement~~ in order to prevent a relapse or deterioration that would be likely to result in serious bodily harm to himself or herself or others, or a substantial harm to his or her well-being as set forth in s. 394.463(1).;

(h) It is likely that the person will benefit from involuntary outpatient ~~services. placement, and~~

(i) All available, less restrictive alternatives that would offer an opportunity for improvement of his or her condition have been judged to be inappropriate or unavailable.

(3)(2) *INVOLUNTARY OUTPATIENT SERVICES PLACEMENT*.—

(a1). A patient who is being recommended for involuntary outpatient ~~services placement~~ by the administrator of the ~~receiving~~ facility where the patient has been examined may be retained by the facility after adherence to the notice procedures provided in s. 394.4599. The recommendation must be supported by the opinion of a psychiatrist and the second opinion of a clinical psychologist or another psychiatrist, both of whom have personally examined the patient within the preceding 72 hours, that the criteria for involuntary outpatient ~~services placement~~ are met. However, ~~in a county having a population of fewer than 50,000~~, if the administrator certifies that a psychiatrist or clinical psychologist is not available to provide the second opinion, the second opinion may be provided by a licensed physician who has postgraduate training and experience in diagnosis and treatment of mental *illness, a physician assistant who has at least 3 years' experience and is supervised by such licensed physician or a psychiatrist, a clinical social worker, and nervous disorders* or by a psychiatric nurse. Any second opinion authorized in this subparagraph may be conducted through a face-to-face examination, in person or by electronic means. Such recommendation must be entered on an involuntary outpatient ~~services placement~~ certificate that authorizes the ~~receiving~~ facility to retain the patient pending completion of a hearing. The certificate ~~must shall~~ be made a part of the patient's clinical record.

2. If the patient has been stabilized and no longer meets the criteria for involuntary examination pursuant to s. 394.463(1), the patient must be released from the ~~receiving~~ facility while awaiting the hearing for involuntary outpatient ~~services placement~~. Before filing a petition for involuntary outpatient ~~services treatment~~, the administrator of the ~~a receiving~~ facility or a designated department representative must identify the service provider that will have primary responsibility for service provision under an order for involuntary outpatient ~~services placement~~, unless the person is otherwise participating in outpatient psychiatric treatment and is not in need of public financing for that treatment, in which case the individual, if eligible, may be ordered to involuntary treatment pursuant to the existing psychiatric treatment relationship.

3. The service provider shall prepare a written proposed treatment plan in consultation with the patient or the patient's guardian advocate, if appointed, for the court's consideration for inclusion in the involuntary outpatient ~~services placement~~ order that addresses the nature and extent of the mental illness and any co-occurring substance use disorder that necessitate involuntary outpatient services. The treatment plan must specify the likely level of care, including the use of medication, and anticipated discharge criteria for terminating involuntary outpatient services. ~~The service provider shall also provide a copy of the proposed treatment plan to the patient and the administrator of the receiving facility. The treatment plan must specify the nature and extent of the patient's mental illness, address the reduction of symptoms that necessitate involuntary outpatient placement, and include measurable goals and objectives for the services and treatment that are provided to treat the person's mental illness and assist the person in living and functioning in the community or to prevent a relapse or deterioration.~~ Service providers may select and supervise other individuals to implement specific aspects of the treatment plan. The services in the ~~treatment~~ plan must be deemed clinically appropriate by a physician, clinical psychologist, psychiatric nurse, mental health counselor, marriage and family therapist, or clinical social worker who consults

with, or is employed or contracted by, the service provider. The service provider must certify to the court in the proposed ~~treatment~~ plan whether sufficient services for improvement and stabilization are currently available and whether the service provider agrees to provide those services. If the service provider certifies that the services in the proposed treatment plan are not available, the petitioner may not file the petition. *The service provider must notify the managing entity if the requested services are not available. The managing entity must document such efforts to obtain the requested services.*

(b) If a patient in involuntary inpatient placement meets the criteria for involuntary outpatient ~~services placement~~, the administrator of the ~~treatment~~ facility may, before the expiration of the period during which the ~~treatment~~ facility is authorized to retain the patient, recommend involuntary outpatient ~~services placement~~. The recommendation must be supported by the opinion of a psychiatrist and the second opinion of a clinical psychologist or another psychiatrist, both of whom have personally examined the patient within the preceding 72 hours, that the criteria for involuntary outpatient ~~services placement~~ are met. However, ~~in a county having a population of fewer than 50,000~~, if the administrator certifies that a psychiatrist or clinical psychologist is not available to provide the second opinion, the second opinion may be provided by a licensed physician who has postgraduate training and experience in diagnosis and treatment of mental illness, *a physician assistant who has at least three years' experience and is supervised by such licensed physician or a psychiatrist, a clinical social worker, and nervous disorders* or by a psychiatric nurse. Any second opinion authorized in this subparagraph may be conducted through a face-to-face examination, in person or by electronic means. Such recommendation must be entered on an involuntary outpatient ~~services placement~~ certificate, and the certificate must be made a part of the patient's clinical record.

(c)1. The administrator of the treatment facility shall provide a copy of the involuntary outpatient ~~services placement~~ certificate and a copy of the state mental health discharge form to *the managing entity* ~~and department representative~~ in the county where the patient will be residing. For persons who are leaving a state mental health treatment facility, the petition for involuntary outpatient ~~services placement~~ must be filed in the county where the patient will be residing.

2. The service provider that will have primary responsibility for service provision shall be identified by the designated department representative ~~before prior to~~ the order for involuntary outpatient ~~services placement~~ and must, ~~before prior to~~ filing a petition for involuntary outpatient ~~services placement~~, certify to the court whether the services recommended in the patient's discharge plan are available ~~in the local community~~ and whether the service provider agrees to provide those services. The service provider must develop with the patient, or the patient's guardian advocate, if appointed, a treatment or service plan that addresses the needs identified in the discharge plan. The plan must be deemed to be clinically appropriate by a physician, clinical psychologist, psychiatric nurse, mental health counselor, marriage and family therapist, or clinical social worker, as defined in this chapter, who consults with, or is employed or contracted by, the service provider.

3. If the service provider certifies that the services in the proposed treatment or service plan are not available, the petitioner may not file the petition. *The service provider must notify the managing entity if the requested services are not available. The managing entity must document such efforts to obtain the requested services.*

~~(4)(3)~~ PETITION FOR INVOLUNTARY OUTPATIENT SERVICES PLACEMENT. —

(a) A petition for involuntary outpatient ~~services placement~~ may be filed by:

1. The administrator of a receiving facility; or
2. The administrator of a treatment facility.

(b) Each required criterion for involuntary outpatient ~~services placement~~ must be alleged and substantiated in the petition for involuntary outpatient ~~services placement~~. A copy of the certificate recommending involuntary outpatient ~~services placement~~ completed by a qualified professional specified in subsection (3) ~~(2)~~ must be attached to

the petition. A copy of the proposed treatment plan must be attached to the petition. Before the petition is filed, the service provider shall certify that the services in the proposed ~~treatment~~ plan are available. If the necessary services are not available ~~in the patient's local community to respond to the person's individual needs~~, the petition may not be filed. *The service provider must notify the managing entity if the requested services are not available. The managing entity must document such efforts to obtain the requested services.*

(c) The petition for involuntary outpatient ~~services placement~~ must be filed in the county where the patient is located, unless the patient is being placed from a state treatment facility, in which case the petition must be filed in the county where the patient will reside. When the petition has been filed, the clerk of the court shall provide copies of the petition and the proposed treatment plan to the department, *the managing entity*, the patient, the patient's guardian or representative, the state attorney, and the public defender or the patient's private counsel. A fee may not be charged for filing a petition under this subsection.

~~(5)(4)~~ APPOINTMENT OF COUNSEL.—Within 1 court working day after the filing of a petition for involuntary outpatient ~~services placement~~, the court shall appoint the public defender to represent the person who is the subject of the petition, unless the person is otherwise represented by counsel. The clerk of the court shall immediately notify the public defender of the appointment. The public defender shall represent the person until the petition is dismissed, the court order expires, or the patient is discharged from involuntary outpatient ~~services placement~~. An attorney who represents the patient *must be provided* ~~shall have~~ access to the patient, witnesses, and records relevant to the presentation of the patient's case and shall represent the interests of the patient, regardless of the source of payment to the attorney.

~~(6)(5)~~ CONTINUANCE OF HEARING.—The patient is entitled, with the concurrence of the patient's counsel, to at least one continuance of the hearing. The continuance shall be for a period of up to 4 weeks.

~~(7)(6)~~ HEARING ON INVOLUNTARY OUTPATIENT SERVICES PLACEMENT. —

(a)1. The court shall hold the hearing on involuntary outpatient ~~services placement~~ within 5 working days after the filing of the petition, unless a continuance is granted. The hearing *must shall* be held in the county where the petition is filed, *must shall* be as convenient to the patient as is consistent with orderly procedure, and *must shall* be conducted in physical settings not likely to be injurious to the patient's condition. If the court finds that the patient's attendance at the hearing is not consistent with the best interests of the patient and if the patient's counsel does not object, the court may waive the presence of the patient from all or any portion of the hearing. The state attorney for the circuit in which the patient is located shall represent the state, rather than the petitioner, as the real party in interest in the proceeding.

2. The court may appoint a ~~magistrate master~~ to preside at the hearing. One of the professionals who executed the involuntary outpatient ~~services placement~~ certificate shall be a witness. The patient and the patient's guardian or representative shall be informed by the court of the right to an independent expert examination. If the patient cannot afford such an examination, the court shall *ensure that one is provided, as otherwise provided by law* ~~provide for one~~. The independent expert's report *is shall be* confidential and not discoverable, unless the expert is to be called as a witness for the patient at the hearing. The court shall allow testimony from individuals, including family members, deemed by the court to be relevant under state law, regarding the person's prior history and how that prior history relates to the person's current condition. The testimony in the hearing must be given under oath, and the proceedings must be recorded. The patient may refuse to testify at the hearing.

(b)1. If the court concludes that the patient meets the criteria for involuntary outpatient ~~services placement~~ pursuant to subsection (2) ~~(1)~~, the court shall issue an order for involuntary outpatient ~~services placement~~. The court order shall be for a period of up to *90 days 6 months*. The order must specify the nature and extent of the patient's mental illness. The order of the court and the treatment plan *must shall* be made part of the patient's clinical record. The service provider shall discharge a patient from involuntary outpatient ~~services placement~~ when the order expires or any time the patient no longer meets the

criteria for involuntary placement. Upon discharge, the service provider shall send a certificate of discharge to the court.

2. The court may not order the department or the service provider to provide services if the program or service is not available in the patient's local community, if there is no space available in the program or service for the patient, or if funding is not available for the program or service. *The service provider must notify the managing entity if the requested services are not available. The managing entity must document such efforts to obtain the requested services.* A copy of the order must be sent to the managing entity ~~Agency for Health Care Administration~~ by the service provider within 1 working day after it is received from the court. *The order may be submitted electronically through existing data systems.* After the ~~placement~~ order for involuntary services is issued, the service provider and the patient may modify ~~provisions~~ of the treatment plan. For any material modification of the treatment plan to which the patient or, *if one is appointed*, the patient's guardian advocate ~~agrees~~, ~~if appointed, does agree~~, the service provider shall send notice of the modification to the court. Any material modifications of the treatment plan which are contested by the patient or the patient's guardian advocate, *if applicable appointed*, must be approved or disapproved by the court consistent with subsection (3) ~~(2)~~.

3. If, in the clinical judgment of a physician, the patient has failed or has refused to comply with the treatment ordered by the court, and, in the clinical judgment of the physician, efforts were made to solicit compliance and the patient may meet the criteria for involuntary examination, a person may be brought to a receiving facility pursuant to s. 394.463. If, after examination, the patient does not meet the criteria for involuntary inpatient placement pursuant to s. 394.467, the patient must be discharged from the ~~receiving~~ facility. The involuntary outpatient ~~services placement~~ order shall remain in effect unless the service provider determines that the patient no longer meets the criteria for involuntary outpatient ~~services placement~~ or until the order expires. The service provider must determine whether modifications should be made to the existing treatment plan and must attempt to continue to engage the patient in treatment. For any material modification of the treatment plan to which the patient or the patient's guardian advocate, *if applicable appointed, agrees does agree*, the service provider shall send notice of the modification to the court. Any material modifications of the treatment plan which are contested by the patient or the patient's guardian advocate, *if applicable appointed*, must be approved or disapproved by the court consistent with subsection (3) ~~(2)~~.

(c) If, at any time before the conclusion of the initial hearing on involuntary outpatient ~~services placement~~, it appears to the court that the person does not meet the criteria for involuntary outpatient ~~services placement~~ under this section but, instead, meets the criteria for involuntary inpatient placement, the court may order the person admitted for involuntary inpatient examination under s. 394.463. If the person instead meets the criteria for involuntary assessment, protective custody, or involuntary admission pursuant to s. 397.675, the court may order the person to be admitted for involuntary assessment for a period of 5 days pursuant to s. 397.6811. Thereafter, all proceedings ~~are shall~~ be governed by chapter 397.

(d) At the hearing on involuntary outpatient ~~services placement~~, the court shall consider testimony and evidence regarding the patient's competence to consent to ~~services treatment~~. If the court finds that the patient is incompetent to consent to treatment, it shall appoint a guardian advocate as provided in s. 394.4598. The guardian advocate shall be appointed or discharged in accordance with s. 394.4598.

(e) The administrator of the receiving facility or the designated department representative shall provide a copy of the court order and adequate documentation of a patient's mental illness to the service provider for involuntary outpatient ~~services placement~~. Such documentation must include any advance directives made by the patient, a psychiatric evaluation of the patient, and any evaluations of the patient performed by a ~~clinical~~ psychologist or a clinical social worker.

~~(8)(7)~~ **PROCEDURE FOR CONTINUED INVOLUNTARY OUTPATIENT SERVICES PLACEMENT.—**

(a)1. If the person continues to meet the criteria for involuntary outpatient ~~services placement~~, the service provider shall, *at least 10 days* before the expiration of the period during which the treatment is ordered for the person, file in the ~~circuit~~ court *that issued the order for*

involuntary outpatient services a petition for continued involuntary outpatient ~~services placement~~. *The court shall immediately schedule a hearing on the petition to be held within 15 days after the petition is filed.*

2. The existing involuntary outpatient ~~services placement~~ order remains in effect until disposition on the petition for continued involuntary outpatient ~~services placement~~.

3. A certificate shall be attached to the petition which includes a statement from the person's physician or clinical psychologist justifying the request, a brief description of the patient's treatment during the time he or she was *receiving involuntary services involuntarily placed*, and an individualized plan of continued treatment.

4. The service provider shall develop the individualized plan of continued treatment in consultation with the patient or the patient's guardian advocate, *if applicable appointed*. When the petition has been filed, the clerk of the court shall provide copies of the certificate and the individualized plan of continued ~~services treatment~~ to the department, the patient, the patient's guardian advocate, the state attorney, and the patient's private counsel or the public defender.

(b) Within 1 court working day after the filing of a petition for continued involuntary outpatient ~~services placement~~, the court shall appoint the public defender to represent the person who is the subject of the petition, unless the person is otherwise represented by counsel. The clerk of the court shall immediately notify the public defender of such appointment. The public defender shall represent the person until the petition is dismissed or the court order expires or the patient is discharged from involuntary outpatient ~~services placement~~. Any attorney representing the patient shall have access to the patient, witnesses, and records relevant to the presentation of the patient's case and shall represent the interests of the patient, regardless of the source of payment to the attorney.

(c) Hearings on petitions for continued involuntary outpatient ~~services placement~~ shall be before the ~~circuit~~ court *that issued the order for involuntary outpatient services*. The court may appoint a ~~magistrate master~~ to preside at the hearing. The procedures for obtaining an order pursuant to this paragraph *must meet the requirements of* ~~shall be in accordance with~~ subsection (7) ~~(6)~~, except that the time period included in paragraph (2)(e) ~~(1)(c)~~ is not applicable in determining the appropriateness of additional periods of involuntary outpatient placement.

(d) Notice of the hearing ~~must shall~~ be provided as set forth in s. 394.4599. The patient and the patient's attorney may agree to a period of continued outpatient ~~services placement~~ without a court hearing.

(e) The same procedure ~~must shall~~ be repeated before the expiration of each additional period the patient is placed in treatment.

(f) If the patient has previously been found incompetent to consent to treatment, the court shall consider testimony and evidence regarding the patient's competence. Section 394.4598 governs the discharge of the guardian advocate if the patient's competency to consent to treatment has been restored.

Section 86. Paragraphs (c) and (d) of subsection (2) of section 394.4599, Florida Statutes, are amended to read:

394.4599 Notice.—

(2) INVOLUNTARY ADMISSION.—

(c)1. A receiving facility shall give notice of the whereabouts of a minor who is being involuntarily held for examination pursuant to s. 394.463 to the minor's parent, guardian, caregiver, or guardian advocate, in person or by telephone or other form of electronic communication, immediately after the minor's arrival at the facility. The facility may delay notification for no more than 24 hours after the minor's arrival if the facility has submitted a report to the central abuse hotline, pursuant to s. 39.201, based upon knowledge or suspicion of abuse, abandonment, or neglect and if the facility deems a delay in notification to be in the minor's best interest.

2. The receiving facility shall attempt to notify the minor's parent, guardian, caregiver, or guardian advocate until the receiving facility

receives confirmation from the parent, guardian, caregiver, or guardian advocate, verbally, by telephone or other form of electronic communication, or by recorded message, that notification has been received. Attempts to notify the parent, guardian, caregiver, or guardian advocate must be repeated at least once every hour during the first 12 hours after the minor's arrival and once every 24 hours thereafter and must continue until such confirmation is received, unless the minor is released at the end of the 72-hour examination period, or until a petition for involuntary services placement is filed with the court pursuant to s. 394.463(2)(g) ~~s. 394.463(2)(i)~~. The receiving facility may seek assistance from a law enforcement agency to notify the minor's parent, guardian, caregiver, or guardian advocate if the facility has not received within the first 24 hours after the minor's arrival a confirmation by the parent, guardian, caregiver, or guardian advocate that notification has been received. The receiving facility must document notification attempts in the minor's clinical record.

(d) The written notice of the filing of the petition for involuntary services for placement of an individual being held must contain the following:

1. Notice that the petition for:
 - a. *Involuntary inpatient treatment pursuant to s. 394.467* has been filed with the circuit court in the county in which the individual is hospitalized and the address of such court; or
 - b. *Involuntary outpatient services pursuant to s. 394.4655* has been filed with the criminal county court, as defined in s. 394.4655(1), or the circuit court, as applicable, in the county in which the individual is hospitalized and the address of such court.
2. Notice that the office of the public defender has been appointed to represent the individual in the proceeding, if the individual is not otherwise represented by counsel.
3. The date, time, and place of the hearing and the name of each examining expert and every other person expected to testify in support of continued detention.
4. Notice that the individual, the individual's guardian, guardian advocate, health care surrogate or proxy, or representative, or the administrator may apply for a change of venue for the convenience of the parties or witnesses or because of the condition of the individual.
5. Notice that the individual is entitled to an independent expert examination and, if the individual cannot afford such an examination, that the court will provide for one.

Section 88. Subsection (2) of section 394.463, Florida Statutes, is amended to read:

394.463 Involuntary examination.—

(2) INVOLUNTARY EXAMINATION.—

(a) An involuntary examination may be initiated by any one of the following means:

1. A circuit or county court may enter an ex parte order stating that a person appears to meet the criteria for involuntary examination and specifying, ~~giving~~ the findings on which that conclusion is based. The ex parte order for involuntary examination must be based on *written or oral sworn testimony that includes specific facts that support the findings, written or oral*. If other less restrictive means are not available, such as voluntary appearance for outpatient evaluation, a law enforcement officer, or other designated agent of the court, shall take the person into custody and deliver him or her to *an appropriate, or the nearest, receiving facility within the designated receiving system pursuant to s. 394.462* for involuntary examination. The order of the court shall be made a part of the patient’s clinical record. ~~A No fee may not shall~~ be charged for the filing of an order under this subsection. ~~A Any~~ receiving facility accepting the patient based on this order must send a copy of the order to the ~~department Agency for Health Care Administration on~~ the next working day. ~~The order may be submitted electronically through existing data systems, if available.~~ The order shall be valid only until *the person is delivered to the facility or executed or, if not executed, for the period specified in the order itself, whichever comes first.* If no time limit is specified in the order, the order shall be valid for 7 days after the date that the order was signed.

2. A law enforcement officer shall take a person who appears to meet the criteria for involuntary examination into custody and deliver the person or her delivered to *an appropriate, or the nearest, receiving facility within the designated receiving system pursuant to s. 394.462* for examination. The officer shall execute a written report detailing the circumstances under which the person was taken into custody, *which must and the report shall* be made a part of the patient’s clinical record. Any receiving facility accepting the patient based on this report must send a copy of the report to the ~~department Agency for Health Care Administration on~~ the next working day.

3. A physician, clinical psychologist, psychiatric nurse, mental health counselor, marriage and family therapist, or clinical social worker may execute a certificate stating that he or she has examined a person within the preceding 48 hours and finds that the person appears to meet the criteria for involuntary examination and stating the observations upon which that conclusion is based. If other less restrictive means, *such as voluntary appearance for outpatient evaluation*, are not available, ~~such as voluntary appearance for outpatient evaluation~~, a law enforcement officer shall take *into custody* the person named in the certificate ~~into custody~~ and deliver him or her to the *appropriate, or nearest, receiving facility within the designated receiving system pursuant to s. 394.462* for involuntary examination. The law enforcement officer shall execute a written report detailing the circumstances under which the person was taken into custody. The report and certificate shall be made a part of the patient’s clinical record. Any receiving facility accepting the patient based on this certificate must send a copy of the certificate to the ~~department Agency for Health Care Administration on~~ the next working day. *The document may be submitted electronically through existing data systems, if applicable.*

(b) A person ~~may shall~~ not be removed from any program or residential placement licensed under chapter 400 or chapter 429 and transported to a receiving facility for involuntary examination unless an ex parte order, a professional certificate, or a law enforcement officer’s report is first prepared. If the condition of the person is such that preparation of a law enforcement officer’s report is not practicable before removal, the report shall be completed as soon as possible after removal, but in any case before the person is transported to a receiving facility. A receiving facility admitting a person for involuntary examination who is not accompanied by the required ex parte order, professional certificate, or law enforcement officer’s report shall notify the ~~department Agency for Health Care Administration of~~ such admission by certified mail or by *e-mail, if available, by no later than* the next working day. The provisions of this paragraph do not apply when transportation is provided by the patient’s family or guardian.

(c) A law enforcement officer acting in accordance with an ex parte order issued pursuant to this subsection may serve and execute such order on any day of the week, at any time of the day or night.

(d) A law enforcement officer acting in accordance with an ex parte order issued pursuant to this subsection may use such reasonable physical force as is necessary to gain entry to the premises, and any dwellings, buildings, or other structures located on the premises, and to take custody of the person who is the subject of the ex parte order.

(e) ~~The department Agency for Health Care Administration shall~~ receive and maintain the copies of ex parte orders, involuntary outpatient ~~services placement~~ orders issued pursuant to s. 394.4655, involuntary inpatient placement orders issued pursuant to s. 394.467, professional certificates, and law enforcement officers’ reports. These documents shall be considered part of the clinical record, governed by the provisions of s. 394.4615. ~~These documents shall be used to The agency shall~~ prepare annual reports analyzing the data obtained from these documents, without information identifying patients, and shall provide copies of reports to the department, the President of the Senate, the Speaker of the House of Representatives, and the minority leaders of the Senate and the House of Representatives.

(f) A patient shall be examined by a physician ~~or,~~ a clinical psychologist, or by a psychiatric nurse performing within the framework of an established protocol with a psychiatrist at a ~~receiving~~ facility without unnecessary delay to ~~determine if the criteria for involuntary services are met.~~ *Emergency treatment may be provided and may,* upon the order of a physician *if the physician determines, be given emergency treatment if it is determined* that such treatment is necessary for the safety of the patient or others. The patient may not be released by the

receiving facility or its contractor without the documented approval of a psychiatrist or a clinical psychologist or, if the receiving facility is owned or operated by a hospital or health system, the release may also be approved by a psychiatric nurse performing within the framework of an established protocol with a psychiatrist, or an attending emergency department physician with experience in the diagnosis and treatment of mental illness and nervous disorders and after completion of an involuntary examination pursuant to this subsection. A psychiatric nurse may not approve the release of a patient if the involuntary examination was initiated by a psychiatrist unless the release is approved by the initiating psychiatrist. ~~However, a patient may not be held in a receiving facility for involuntary examination longer than 72 hours.~~

(g) ~~Within the 72-hour examination period or, if the 72 hours ends on a weekend or holiday, no later than the next working day thereafter, one of the following actions must be taken, based on the individual needs of the patient:~~

1. ~~The patient shall be released, unless he or she is charged with a crime, in which case the patient shall be returned to the custody of a law enforcement officer;~~

2. ~~The patient shall be released, subject to the provisions of subparagraph 1., for voluntary outpatient treatment;~~

3. ~~The patient, unless he or she is charged with a crime, shall be asked to give express and informed consent to placement as a voluntary patient and, if such consent is given, the patient shall be admitted as a voluntary patient; or~~

4. ~~A petition for involuntary services shall be filed in the circuit court if inpatient treatment is deemed necessary or with the criminal county court, as defined in s. 394.4655(1), as applicable. When inpatient treatment is deemed necessary, the least restrictive treatment consistent with the optimum improvement of the patient's condition shall be made available. When a petition is to be filed for involuntary outpatient placement, it shall be filed by one of the petitioners specified in s. 394.4655(4)(a). A petition for involuntary inpatient placement shall be filed by the facility administrator.~~

(h)(g) A person for whom an involuntary examination has been initiated who is being evaluated or treated at a hospital for an emergency medical condition specified in s. 395.002 must be examined by a receiving facility within 72 hours. The 72-hour period begins when the patient arrives at the hospital and ceases when the attending physician documents that the patient has an emergency medical condition. If the patient is examined at a hospital providing emergency medical services by a professional qualified to perform an involuntary examination and is found as a result of that examination not to meet the criteria for involuntary outpatient services placement pursuant to s. 394.4655(2) ~~394.4655(1)~~ or involuntary inpatient placement pursuant to s. 394.467(1), the patient may be offered voluntary services or placement, if appropriate, or released directly from the hospital providing emergency medical services. The finding by the professional that the patient has been examined and does not meet the criteria for involuntary inpatient services placement or involuntary outpatient placement must be entered into the patient's clinical record. ~~Nothing in~~ This paragraph is not intended to prevent a hospital providing emergency medical services from appropriately transferring a patient to another hospital before ~~prior to stabilization if, provided~~ the requirements of s. 395.1041(3)(c) have been met.

(i)(h) One of the following must occur within 12 hours after the patient's attending physician documents that the patient's medical condition has stabilized or that an emergency medical condition does not exist:

1. The patient must be examined by a ~~designated receiving~~ facility and released; or

2. The patient must be transferred to a ~~designated receiving~~ facility in which appropriate medical treatment is available. However, the ~~receiving~~ facility must be notified of the transfer within 2 hours after the patient's condition has been stabilized or after determination that an emergency medical condition does not exist.

(j) ~~Within the 72-hour examination period or, if the 72 hours ends on a weekend or holiday, no later than the next working day thereafter,~~

~~one of the following actions must be taken, based on the individual needs of the patient:~~

1. ~~The patient shall be released, unless he or she is charged with a crime, in which case the patient shall be returned to the custody of a law enforcement officer;~~

2. ~~The patient shall be released, subject to the provisions of subparagraph 1., for voluntary outpatient treatment;~~

3. ~~The patient, unless he or she is charged with a crime, shall be asked to give express and informed consent to placement as a voluntary patient, and, if such consent is given, the patient shall be admitted as a voluntary patient; or~~

4. ~~A petition for involuntary placement shall be filed in the circuit court when outpatient or inpatient treatment is deemed necessary. When inpatient treatment is deemed necessary, the least restrictive treatment consistent with the optimum improvement of the patient's condition shall be made available. When a petition is to be filed for involuntary outpatient placement, it shall be filed by one of the petitioners specified in s. 394.4655(3)(a). A petition for involuntary inpatient placement shall be filed by the facility administrator.~~

Section 89. Subsection (3) of section 394.4615, Florida Statutes, is amended to read:

394.4615 Clinical records; confidentiality.—

(3) Information from the clinical record may be released in the following circumstances:

(a) When a patient has declared an intention to harm other persons. When such declaration has been made, the administrator may authorize the release of sufficient information to provide adequate warning to the person threatened with harm by the patient.

(b) When the administrator of the facility or secretary of the department deems release to a qualified researcher as defined in administrative rule, an aftercare treatment provider, or an employee or agent of the department is necessary for treatment of the patient, maintenance of adequate records, compilation of treatment data, aftercare planning, or evaluation of programs.

For the purpose of determining whether a person meets the criteria for involuntary outpatient placement or for preparing the proposed treatment plan pursuant to s. 394.4655, the clinical record may be released to the state attorney, the public defender or the patient's private legal counsel, the court, and to the appropriate mental health professionals, including the service provider identified in s. 394.4655(7)(b)2. ~~394.4655(6)(b)2.~~, in accordance with state and federal law.

1002.33 Charter schools.—

(1) AUTHORIZATION.—Charter schools shall be part of the state's program of public education. All charter schools in Florida are public schools. A charter school may be formed by creating a new school or converting an existing public school to charter status. A charter school may operate a virtual charter school pursuant to s. 1002.45(1)(d) to provide full-time online instruction to eligible students, pursuant to s. 1002.455, in kindergarten through grade 12. *An existing A* charter school *that is seeking to become a virtual charter school* must amend its charter or submit a new application pursuant to subsection (6) to become a virtual charter school. A virtual charter school is subject to the requirements of this section; however, a virtual charter school is exempt from subsections (18) and (19), subparagraphs (20)(a)2., 4., 5., and 7., paragraph (20)(c), and s. 1003.03. A public school may not use the term charter in its name unless it has been approved under this section.

(2) GUIDING PRINCIPLES; PURPOSE.—

(a) Charter schools in Florida shall be guided by the following principles:

1. Meet high standards of student achievement while providing parents flexibility to choose among diverse educational opportunities within the state's public school system.

2. Promote enhanced academic success and financial efficiency by aligning responsibility with accountability.

3. Provide parents with sufficient information on whether their child is reading at grade level and whether the child gains at least a year's worth of learning for every year spent in the charter school. *For a student who exhibits a substantial deficiency in reading, as determined by the charter school, the school shall notify the parent of the deficiency, the intensive interventions and supports used, and the student's progress in accordance with s. 1008.25(5).*

(6) APPLICATION PROCESS AND REVIEW.—Charter school applications are subject to the following requirements:

(a) A person or entity ~~seeking wishing~~ to open a charter school shall prepare and submit an application on a model application form prepared by the Department of Education which:

1. Demonstrates how the school will use the guiding principles and meet the statutorily defined purpose of a charter school.

2. Provides a detailed curriculum plan that illustrates how students will be provided services to attain the Sunshine State Standards.

3. Contains goals and objectives for improving student learning and measuring that improvement. These goals and objectives must indicate how much academic improvement students are expected to show each year, how success will be evaluated, and the specific results to be attained through instruction.

4. Describes the reading curriculum and differentiated strategies that will be used for students reading at grade level or higher and a separate curriculum and strategies for students who are reading below

grade level. A sponsor shall deny ~~an application a charter~~ if the school does not propose a reading curriculum that is *evidence-based and includes explicit, systematic, and multisensory reading instructional strategies*; however, a sponsor may not require the charter school to implement the reading plan adopted by the school district pursuant to s. 1011.62(9) ~~consistent with effective teaching strategies that are grounded in scientifically based reading research.~~

5. Contains an annual financial plan for each year requested by the charter for operation of the school for up to 5 years. This plan must contain anticipated fund balances based on revenue projections, a spending plan based on projected revenues and expenses, and a description of controls that will safeguard finances and projected enrollment trends.

6. *Discloses the name of each applicant, governing board member, and all proposed education services providers; the name and sponsor of any charter school operated by each applicant, each governing board member, and each proposed education services provider that has closed and the reasons for the closure; and the academic and financial history of such charter schools, which the sponsor shall consider in deciding whether to approve or deny the application.*

7.6. Contains additional information a sponsor may require, which shall be attached as an addendum to the charter school application described in this paragraph.

8.7. For the establishment of a virtual charter school, documents that the applicant has contracted with a provider of virtual instruction services pursuant to s. 1002.45(1)(d).

(b) A sponsor shall receive and review all applications for a charter school using ~~the an~~ evaluation instrument developed by the Department of Education. A sponsor shall receive and consider charter school applications received on or before August 1 of each calendar year for charter schools to be opened at the beginning of the school district's next school year, or to be opened at a time agreed to by the applicant and the sponsor. A sponsor may not refuse to receive a charter school application submitted before August 1 and may receive an application submitted later than August 1 if it chooses. In order to facilitate greater collaboration in the application process, an applicant may submit a draft charter school application on or before May 1 with an application fee of \$500. If a draft application is timely submitted, the sponsor shall review and provide feedback as to material deficiencies in the application by July 1. The applicant shall then have until August 1 to resubmit a revised and final application. The sponsor may approve the draft application. *Except as provided for a draft application*, a sponsor may not charge an applicant for a charter any fee for the processing or consideration of an application, and a sponsor may not base its consideration or approval of a final application upon the promise of future payment of any kind. Before approving or denying any final application, the sponsor shall allow the applicant, upon receipt of written notification, at least 7 calendar days to make technical or nonsubstantive corrections and clarifications, including, but not limited to, corrections of grammatical, typographical, and like errors or missing signatures, if such errors are identified by the sponsor as cause to deny the final application.

1. In order to facilitate an accurate budget projection process, a sponsor shall be held harmless for FTE students who are not included in the FTE projection due to approval of charter school applications after the FTE projection deadline. In a further effort to facilitate an accurate budget projection, within 15 calendar days after receipt of a charter school application, a sponsor shall report to the Department of Education the name of the applicant entity, the proposed charter school location, and its projected FTE.

2. In order to ensure fiscal responsibility, an application for a charter school shall include a full accounting of expected assets, a projection of expected sources and amounts of income, including income derived from projected student enrollments and from community support, and an expense projection that includes full accounting of the costs of operation, including start-up costs.

3.a. A sponsor shall by a majority vote approve or deny an application no later than 60 calendar days after the application is received, unless the sponsor and the applicant mutually agree in writing to temporarily postpone the vote to a specific date, at which time the

sponsor shall by a majority vote approve or deny the application. If the sponsor fails to act on the application, an applicant may appeal to the State Board of Education as provided in paragraph (c). If an application is denied, the sponsor shall, within 10 calendar days after such denial, articulate in writing the specific reasons, based upon good cause, supporting its denial of the ~~charter~~ application and shall provide the letter of denial and supporting documentation to the applicant and to the Department of Education.

b. An application submitted by a high-performing charter school identified pursuant to s. 1002.331 may be denied by the sponsor only if the sponsor demonstrates by clear and convincing evidence that:

(I) The application does not materially comply with the requirements in paragraph (a);

(II) The charter school proposed in the application does not materially comply with the requirements in paragraphs (9)(a)-(f);

(III) The proposed charter school's educational program does not substantially replicate that of the applicant or one of the applicant's high-performing charter schools;

(IV) The applicant has made a material misrepresentation or false statement or concealed an essential or material fact during the application process; or

(V) The proposed charter school's educational program and financial management practices do not materially comply with the requirements of this section.

Material noncompliance is a failure to follow requirements or a violation of prohibitions applicable to charter school applications, which failure is quantitatively or qualitatively significant either individually or when aggregated with other noncompliance. An applicant is considered to be replicating a high-performing charter school if the proposed school is substantially similar to at least one of the applicant's high-performing charter schools and the organization or individuals involved in the establishment and operation of the proposed school are significantly involved in the operation of replicated schools.

c. If the sponsor denies an application submitted by a high-performing charter school, the sponsor must, within 10 calendar days after such denial, state in writing the specific reasons, based upon the criteria in sub-subparagraph b., supporting its denial of the application and must provide the letter of denial and supporting documentation to the applicant and to the Department of Education. The applicant may appeal the sponsor's denial of the application directly to the State Board of Education *and, if an appeal is filed, must provide a copy of the appeal to the sponsor pursuant to paragraph (c) sub-subparagraph (c)3.b.*

4. For budget projection purposes, the sponsor shall report to the Department of Education the approval or denial of ~~an a charter~~ application within 10 calendar days after such approval or denial. In the event of approval, the report to the Department of Education shall include the final projected FTE for the approved charter school.

5. Upon approval of ~~an a charter~~ application, the initial startup shall commence with the beginning of the public school calendar for the district in which the charter is granted. *A charter school may defer the opening of the school's operations for up to 2 years to provide time for adequate facility planning. The charter school must provide written notice of such intent to the sponsor and the parents of enrolled students at least 30 calendar days before the first day of school unless the sponsor allows a waiver of this subparagraph for good cause.*

(7) CHARTER.—The major issues involving the operation of a charter school shall be considered in advance and written into the charter. The charter shall be signed by the governing board of the charter school and the sponsor, following a public hearing to ensure community input.

(a) The charter shall address and criteria for approval of the charter shall be based on:

1. The school's mission, the students to be served, and the ages and grades to be included.

2. The focus of the curriculum, the instructional methods to be used, any distinctive instructional techniques to be employed, and identification and acquisition of appropriate technologies needed to improve educational and administrative performance which include a means for promoting safe, ethical, and appropriate uses of technology which comply with legal and professional standards.

a. The charter shall ensure that reading is a primary focus of the curriculum and that resources are provided to identify and provide specialized instruction for students who are reading below grade level. The curriculum and instructional strategies for reading must be consistent with the Next Generation Sunshine State Standards and *evidence-based grounded in scientifically based reading research*.

b. In order to provide students with access to diverse instructional delivery models, to facilitate the integration of technology within traditional classroom instruction, and to provide students with the skills they need to compete in the 21st century economy, the Legislature encourages instructional methods for blended learning courses consisting of both traditional classroom and online instructional techniques. Charter schools may implement blended learning courses which combine traditional classroom instruction and virtual instruction. Students in a blended learning course must be full-time students of the charter school and receive the online instruction in a classroom setting at the charter school. Instructional personnel certified pursuant to s. 1012.55 who provide virtual instruction for blended learning courses may be employees of the charter school or may be under contract to provide instructional services to charter school students. At a minimum, such instructional personnel must hold an active state or school district adjunct certification under s. 1012.57 for the subject area of the blended learning course. The funding and performance accountability requirements for blended learning courses are the same as those for traditional courses.

3. The current incoming baseline standard of student academic achievement, the outcomes to be achieved, and the method of measurement that will be used. The criteria listed in this subparagraph shall include a detailed description of:

a. How the baseline student academic achievement levels and prior rates of academic progress will be established.

b. How these baseline rates will be compared to rates of academic progress achieved by these same students while attending the charter school.

c. To the extent possible, how these rates of progress will be evaluated and compared with rates of progress of other closely comparable student populations.

The district school board is required to provide academic student performance data to charter schools for each of their students coming from the district school system, as well as rates of academic progress of comparable student populations in the district school system.

4. The methods used to identify the educational strengths and needs of students and how well educational goals and performance standards are met by students attending the charter school. The methods shall provide a means for the charter school to ensure accountability to its constituents by analyzing student performance data and by evaluating the effectiveness and efficiency of its major educational programs. Students in charter schools shall, at a minimum, participate in the statewide assessment program created under s. 1008.22.

5. In secondary charter schools, a method for determining that a student has satisfied the requirements for graduation in s. 1002.3105(5), s. 1003.4281, or s. 1003.4282.

6. A method for resolving conflicts between the governing board of the charter school and the sponsor.

7. The admissions procedures and dismissal procedures, including the school's code of student conduct. *Admission or dismissal must not be based on a student's academic performance.*

8. The ways by which the school will achieve a racial/ethnic balance reflective of the community it serves or within the racial/ethnic range of other public schools in the same school district.

9. The financial and administrative management of the school, including a reasonable demonstration of the professional experience or competence of those individuals or organizations applying to operate the charter school or those hired or retained to perform such professional services and the description of clearly delineated responsibilities and the policies and practices needed to effectively manage the charter school. A description of internal audit procedures and establishment of controls to ensure that financial resources are properly managed must be included. Both public sector and private sector professional experience shall be equally valid in such a consideration.

10. The asset and liability projections required in the application which are incorporated into the charter and shall be compared with information provided in the annual report of the charter school.

11. A description of procedures that identify various risks and provide for a comprehensive approach to reduce the impact of losses; plans to ensure the safety and security of students and staff; plans to identify, minimize, and protect others from violent or disruptive student behavior; and the manner in which the school will be insured, including whether or not the school will be required to have liability insurance, and, if so, the terms and conditions thereof and the amounts of coverage.

12. The term of the charter which shall provide for cancellation of the charter if insufficient progress has been made in attaining the student achievement objectives of the charter and if it is not likely that such objectives can be achieved before expiration of the charter. The initial term of a charter shall be for 4 or 5 years. In order to facilitate access to long-term financial resources for charter school construction, charter schools that are operated by a municipality or other public entity as provided by law are eligible for up to a 15-year charter, subject to approval by the district school board. A charter lab school is eligible for a charter for a term of up to 15 years. In addition, to facilitate access to long-term financial resources for charter school construction, charter schools that are operated by a private, not-for-profit, s. 501(c)(3) status corporation are eligible for up to a 15-year charter, subject to approval by the district school board. Such long-term charters remain subject to annual review and may be terminated during the term of the charter, but only according to the provisions set forth in subsection (8).

13. The facilities to be used and their location. The sponsor may not require a charter school to have a certificate of occupancy or a temporary certificate of occupancy for such a facility earlier than 15 calendar days before the first day of school.

14. The qualifications to be required of the teachers and the potential strategies used to recruit, hire, train, and retain qualified staff to achieve best value.

15. The governance structure of the school, including the status of the charter school as a public or private employer as required in paragraph (12)(i).

16. A timetable for implementing the charter which addresses the implementation of each element thereof and the date by which the charter shall be awarded in order to meet this timetable.

17. In the case of an existing public school that is being converted to charter status, alternative arrangements for current students who choose not to attend the charter school and for current teachers who choose not to teach in the charter school after conversion in accordance with the existing collective bargaining agreement or district school board rule in the absence of a collective bargaining agreement. However, alternative arrangements shall not be required for current teachers who choose not to teach in a charter lab school, except as authorized by the employment policies of the state university which grants the charter to the lab school.

18. Full disclosure of the identity of all relatives employed by the charter school who are related to the charter school owner, president, chairperson of the governing board of directors, superintendent, governing board member, principal, assistant principal, or any other person employed by the charter school who has equivalent decisionmaking authority. For the purpose of this subparagraph, the term "relative" means father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, step-

mother, stepson, stepdaughter, stepbrother, stepsister, half brother, or half sister.

19. Implementation of the activities authorized under s. 1002.331 by the charter school when it satisfies the eligibility requirements for a high-performing charter school. A high-performing charter school shall notify its sponsor in writing by March 1 if it intends to increase enrollment or expand grade levels the following school year. The written notice shall specify the amount of the enrollment increase and the grade levels that will be added, as applicable.

~~(d)1. A charter may be terminated by a charter school's governing board through voluntary closure. The decision to cease operations must be determined at a public meeting. The governing board shall notify the parents and sponsor of the public meeting in writing before the public meeting. The governing board must notify the sponsor, parents of enrolled students, and the department in writing within 24 hours after the public meeting of its determination. The notice shall state the charter school's intent to continue operations or the reason for the closure and acknowledge that the governing board agrees to follow the procedures for dissolution and reversion of public funds pursuant to paragraphs (8)(e)-(g) and (9)(o). Each charter school's governing board must appoint a representative to facilitate parental involvement, provide access to information, assist parents and others with questions and concerns, and resolve disputes. The representative must reside in the school district in which the charter school is located and may be a governing board member, charter school employee, or individual contracted to represent the governing board. If the governing board oversees multiple charter schools in the same school district, the governing board must appoint a separate individual representative for each charter school in the district. The representative's contact information must be provided annually in writing to parents and posted prominently on the charter school's website if a website is maintained by the school. The sponsor may not require that governing board members reside in the school district in which the charter school is located if the charter school complies with this paragraph.~~

~~2. Each charter school's governing board must hold at least two public meetings per school year in the school district. The meetings must be noticed, open, and accessible to the public, and attendees must be provided an opportunity to receive information and provide input regarding the charter school's operations. The appointed representative and charter school principal or director, or his or her equivalent, must be physically present at each meeting.~~

(9) CHARTER SCHOOL REQUIREMENTS.—

(g)1. In order to provide financial information that is comparable to that reported for other public schools, charter schools are to maintain all financial records that constitute their accounting system:

a. In accordance with the accounts and codes prescribed in the most recent issuance of the publication titled "Financial and Program Cost Accounting and Reporting for Florida Schools"; or

b. At the discretion of the charter school's governing board, a charter school may elect to follow generally accepted accounting standards for not-for-profit organizations, but must reformat this information for reporting according to this paragraph.

2. Charter schools shall provide annual financial report and program cost report information in the state-required formats for inclusion in district reporting in compliance with s. 1011.60(1). Charter schools that are operated by a municipality or are a component unit of a parent nonprofit organization may use the accounting system of the municipality or the parent but must reformat this information for reporting according to this paragraph.

3. A charter school shall, upon approval of the charter contract, provide the sponsor with a concise, uniform, monthly financial statement summary sheet that contains a balance sheet and a statement of revenue, expenditures, and changes in fund balance. The balance sheet and the statement of revenue, expenditures, and changes in fund balance shall be in the governmental funds format prescribed by the Governmental Accounting Standards Board. A high-performing charter school pursuant to s. 1002.331 may provide a quarterly financial statement in the same format and requirements as the uniform monthly financial statement summary sheet. The sponsor shall review each

monthly or quarterly financial statement to identify the existence of any conditions identified in s. 1002.345(1)(a).

4. A charter school shall maintain and provide financial information as required in this paragraph. The financial statement required in subparagraph 3. must be in a form prescribed by the Department of Education.

(n)1. The director and a representative of the governing board of a charter school that has earned a grade of "D" or "F" pursuant to s. 1008.34 shall appear before the sponsor to present information concerning each contract component having noted deficiencies. The director and a representative of the governing board shall submit to the sponsor for approval a school improvement plan to raise student performance. Upon approval by the sponsor, the charter school shall begin implementation of the school improvement plan. The department shall offer technical assistance and training to the charter school and its governing board and establish guidelines for developing, submitting, and approving such plans.

2.a. If a charter school earns three consecutive grades of "D," two consecutive grades of "D" followed by a grade of "F," or two non-consecutive grades of "F" within a 3-year period, the charter school governing board shall choose one of the following corrective actions:

(I) Contract for educational services to be provided directly to students, instructional personnel, and school administrators, as prescribed in state board rule;

(II) Contract with an outside entity that has a demonstrated record of effectiveness to operate the school;

(III) Reorganize the school under a new director or principal who is authorized to hire new staff; or

(IV) Voluntarily close the charter school.

b. The charter school must implement the corrective action in the school year following receipt of a third consecutive grade of "D," a grade of "F" following two consecutive grades of "D," or a second non-consecutive grade of "F" within a 3-year period.

c. The sponsor may annually waive a corrective action if it determines that the charter school is likely to improve a letter grade if additional time is provided to implement the intervention and support strategies prescribed by the school improvement plan. Notwithstanding this sub-subparagraph, a charter school that earns a second consecutive grade of "F" is subject to subparagraph 4.

d. A charter school is no longer required to implement a corrective action if it improves by at least one letter grade. However, the charter school must continue to implement strategies identified in the school improvement plan. The sponsor must annually review implementation of the school improvement plan to monitor the school's continued improvement pursuant to subparagraph 5.

e. A charter school implementing a corrective action that does not improve by at least one letter grade after 2 full school years of implementing the corrective action must select a different corrective action. Implementation of the new corrective action must begin in the school year following the implementation period of the existing corrective action, unless the sponsor determines that the charter school is likely to improve a letter grade if additional time is provided to implement the existing corrective action. Notwithstanding this sub-subparagraph, a charter school that earns a second consecutive grade of "F" while implementing a corrective action is subject to subparagraph 4.

3. A charter school with a grade of "D" or "F" that improves by at least one letter grade must continue to implement the strategies identified in the school improvement plan. The sponsor must annually review implementation of the school improvement plan to monitor the school's continued improvement pursuant to subparagraph 5.

4. A charter school's charter contract is automatically terminated if the school earns two consecutive grades of "F" after all school grade appeals are final. The sponsor shall terminate a charter if the charter school earns two consecutive grades of "F" unless:

a. The charter school is established to turn around the performance of a district public school pursuant to s. 1008.33(4)(b)3. Such charter schools shall be governed by s. 1008.33;

b. The charter school serves a student population the majority of which resides in a school zone served by a district public school that earned a grade of “F” in the year before the charter school opened and the charter school earns at least a grade of “D” in its third year of operation. The exception provided under this sub-subparagraph does not apply to a charter school in its fourth year of operation and thereafter; or

c. The state board grants the charter school a waiver of termination. The charter school must request the waiver within 15 days after the department’s official release of school grades. The state board may waive termination if the charter school demonstrates that the Learning Gains of its students on statewide assessments are comparable to or better than the Learning Gains of similarly situated students enrolled in nearby district public schools. The waiver is valid for 1 year and may only be granted once. Charter schools that have been in operation for more than 5 years are not eligible for a waiver under this sub-subparagraph.

The sponsor shall notify the charter school’s governing board, the charter school principal, and the department in writing when a charter contract is terminated under this subparagraph. The letter of termination must meet the requirements of paragraph (8)(c). A charter terminated under this subparagraph must follow the procedures for dissolution and reversion of public funds pursuant to paragraphs (8)(e)-(g) and (9)(o).

5. The director and a representative of the governing board of a graded charter school that has implemented a school improvement plan under this paragraph shall appear before the sponsor at least once a year to present information regarding the progress of intervention and support strategies implemented by the school pursuant to the school improvement plan and corrective actions, if applicable. The sponsor shall communicate at the meeting, and in writing to the director, the services provided to the school to help the school address its deficiencies.

6. Notwithstanding any provision of this paragraph except sub-subparagraphs 4.a.-c., the sponsor may terminate the charter at any time pursuant to subsection (8).

(p)1. Each charter school shall maintain a website that enables the public to obtain information regarding the school; the school’s academic performance; the names of the governing board members; the programs at the school; any management companies, service providers, or education management corporations associated with the school; the school’s annual budget and its annual independent fiscal audit; the school’s grade pursuant to s. 1008.34; and, on a quarterly basis, the minutes of governing board meetings.

2. *Each charter school’s governing board must appoint a representative to facilitate parental involvement, provide access to information, assist parents and others with questions and concerns, and resolve disputes. The representative must reside in the school district in which the charter school is located and may be a governing board member, a charter school employee, or an individual contracted to represent the governing board. If the governing board oversees multiple charter schools in the same school district, the governing board must appoint a separate representative for each charter school in the district. The representative’s contact information must be provided annually in writing to parents and posted prominently on the charter school’s website. The sponsor may not require governing board members to reside in the school district in which the charter school is located if the charter school complies with this subparagraph.*

3. *Each charter school’s governing board must hold at least two public meetings per school year in the school district where the charter school is located. The meetings must be noticed, open, and accessible to the public, and attendees must be provided an opportunity to receive information and provide input regarding the charter school’s operations. The appointed representative and charter school principal or director, or his or her designee, must be physically present at each meeting. Members of the governing board may attend in person or by means of communications media technology used in accordance with rules adopted by the Administration Commission under s. 120.54(5).*

(10) ELIGIBLE STUDENTS.—

(d) A charter school may give enrollment preference to the following student populations:

1. Students who are siblings of a student enrolled in the charter school.

2. Students who are the children of a member of the governing board of the charter school.

3. Students who are the children of an employee of the charter school.

4. Students who are the children of:

a. An employee of the business partner of a charter school-in-the-workplace established under paragraph (15)(b) or a resident of the municipality in which such charter school is located; or

b. A resident or employee of a municipality that operates a charter school-in-a-municipality pursuant to paragraph (15)(c) or allows a charter school to use a school facility or portion of land provided by the municipality for the operation of the charter school.

5. Students who have successfully completed a voluntary pre-kindergarten education program under ss. 1002.51-1002.79 provided by the charter school or the charter school’s governing board during the previous year.

6. Students who are the children of an active duty member of any branch of the United States Armed Forces.

7. *Students who attended or are assigned to failing schools pursuant to s. 1002.38(2).*

(17) FUNDING.—Students enrolled in a charter school, regardless of the sponsorship, shall be funded as if they are in a basic program or a special program, the same as students enrolled in other public schools in the school district. Funding for a charter lab school shall be as provided in s. 1002.32.

(b) The basis for the agreement for funding students enrolled in a charter school shall be the sum of the school district’s operating funds from the Florida Education Finance Program as provided in s. 1011.62 and the General Appropriations Act, including gross state and local funds, discretionary lottery funds, and funds from the school district’s current operating discretionary millage levy; divided by total funded weighted full-time equivalent students in the school district; multiplied by the weighted full-time equivalent students for the charter school. Charter schools whose students or programs meet the eligibility criteria in law are entitled to their proportionate share of categorical program funds included in the total funds available in the Florida Education Finance Program by the Legislature, including transportation, *the research-based reading allocation*, and the Florida digital classrooms allocation. Total funding for each charter school shall be recalculated during the year to reflect the revised calculations under the Florida Education Finance Program by the state and the actual weighted full-time equivalent students reported by the charter school during the full-time equivalent student survey periods designated by the Commissioner of Education.

(e) District school boards shall make timely and efficient payment and reimbursement to charter schools, including processing paperwork required to access special state and federal funding for which they may be eligible. *Payments of funds under paragraph (b) shall be made monthly or twice a month, beginning with the start of the district school board’s fiscal year. Each payment shall be one-twelfth, or one twenty-fourth, as applicable, of the total state and local funds described in paragraph (b) and adjusted as set forth therein. For the first 2 years of a charter school’s operation, if a minimum of 75 percent of the projected enrollment is entered into the sponsor’s student information system by the first day of the current month, the district school board shall ~~may~~ distribute funds to the ~~a charter~~ school for the ~~up to 3~~ months of July through October based on the projected full-time equivalent student membership of the charter school as submitted in the approved application. If less than 75 percent of the projected enrollment is entered into the sponsor’s student information system by the first day of the current month, the sponsor shall base payments on the actual number of student*

enrollment entered into the sponsor's student information system. Thereafter, the results of full-time equivalent student membership surveys shall be used in adjusting the amount of funds distributed monthly to the charter school for the remainder of the fiscal year. The ~~payments~~ ~~payment~~ shall be issued no later than 10 working days after the district school board receives a distribution of state or federal funds ~~or the date the payment is due pursuant to this subsection~~. If a warrant for payment is not issued within 10 working days after receipt of funding by the district school board, the school district shall pay to the charter school, in addition to the amount of the scheduled disbursement, interest at a rate of 1 percent per month calculated on a daily basis on the unpaid balance from the expiration of the 10 working days until such time as the warrant is issued. *The district school board may not delay payment to a charter school of any portion of the funds provided in paragraph (b) based on the timing of receipt of local funds by the district school board.*

(g) *To be eligible for public education capital outlay (PECO) funds, a charter school must be located in the State of Florida.*

(18) FACILITIES.—

(a) A startup charter school shall utilize facilities which comply with the Florida Building Code pursuant to chapter 553 except for the State Requirements for Educational Facilities. Conversion charter schools shall utilize facilities that comply with the State Requirements for Educational Facilities provided that the school district and the charter school have entered into a mutual management plan for the reasonable maintenance of such facilities. The mutual management plan shall contain a provision by which the district school board agrees to maintain charter school facilities in the same manner as its other public schools within the district. Charter schools, with the exception of conversion charter schools, are not required to comply, but may choose to comply, with the State Requirements for Educational Facilities of the Florida Building Code adopted pursuant to s. 1013.37. The local governing authority shall not adopt or impose any local building requirements or site-development restrictions, such as parking and site-size criteria, that are addressed by and more stringent than those found in the State Requirements for Educational Facilities of the Florida Building Code. ~~Beginning July 1, 2011,~~ A local governing authority must treat charter schools equitably in comparison to similar requirements, restrictions, and *site planning* processes imposed upon public schools that are not charter schools. The agency having jurisdiction for inspection of a facility and issuance of a certificate of occupancy or use shall be the local municipality or, if in an unincorporated area, the county governing authority. *If an official or employee of the local governing authority refuses to comply with this paragraph, the aggrieved school or entity has an immediate right to bring an action in circuit court to enforce its rights by injunction. An aggrieved party that receives injunctive relief may be awarded attorney fees and court costs.*

(20) SERVICES.—

(a)1. A sponsor shall provide certain administrative and educational services to charter schools. These services shall include contract management services; full-time equivalent and data reporting services; exceptional student education administration services; services related to eligibility and reporting duties required to ensure that school lunch services under the federal lunch program, consistent with the needs of the charter school, are provided by the school district at the request of the charter school, that any funds due to the charter school under the federal lunch program be paid to the charter school as soon as the charter school begins serving food under the federal lunch program, and that the charter school is paid at the same time and in the same manner under the federal lunch program as other public schools serviced by the sponsor or the school district; test administration services, including payment of the costs of state-required or district-required student assessments; processing of teacher certificate data services; and information services, including equal access to student information systems that are used by public schools in the district in which the charter school is located. Student performance data for each student in a charter school, including, but not limited to, FCAT scores, standardized test scores, previous public school student report cards, and student performance measures, shall be provided by the sponsor to a charter school in the same manner provided to other public schools in the district.

2. A total administrative fee for the provision of such services shall be calculated based upon up to 5 percent of the available funds defined in paragraph (17)(b) for all students, except that when 75 percent or more of the students enrolled in the charter school are exceptional students as defined in s. 1003.01(3), the 5 percent of those available funds shall be calculated based on unweighted full-time equivalent students. However, a sponsor may only withhold up to a 5-percent administrative fee for enrollment for up to and including 250 students. For charter schools with a population of 251 or more students, the difference between the total administrative fee calculation and the amount of the administrative fee withheld may only be used for capital outlay purposes specified in s. 1013.62(3) ~~or 1013.62(2)~~.

3. For high-performing charter schools, as defined in s. 1002.331 ~~or 2011.232~~, a sponsor may withhold a total administrative fee of up to 2 percent for enrollment up to and including 250 students per school.

4. In addition, a sponsor may withhold only up to a 5-percent administrative fee for enrollment for up to and including 500 students within a system of charter schools which meets all of the following:

- a. Includes both conversion charter schools and nonconversion charter schools;
- b. Has all schools located in the same county;
- c. Has a total enrollment exceeding the total enrollment of at least one school district in the state;
- d. Has the same governing board; and
- e. Does not contract with a for-profit service provider for management of school operations.

5. The difference between the total administrative fee calculation and the amount of the administrative fee withheld pursuant to subparagraph 4. may be used for instructional and administrative purposes as well as for capital outlay purposes specified in s. 1013.62(3) ~~or 1013.62(2)~~.

6. For a high-performing charter school system that also meets the requirements in subparagraph 4., a sponsor may withhold a 2-percent administrative fee for enrollments up to and including 500 students per system.

7. Sponsors shall not charge charter schools any additional fees or surcharges for administrative and educational services in addition to the maximum 5-percent administrative fee withheld pursuant to this paragraph.

8. The sponsor of a virtual charter school may withhold a fee of up to 5 percent. The funds shall be used to cover the cost of services provided under subparagraph 1. and implementation of the school district's digital classrooms plan pursuant to s. 1011.62.

Section 7. Paragraph (a) of subsection (3) and subsection (4) of section 1002.331, Florida Statutes, are amended to read:

1002.331 High-performing charter schools.—

(3)(a) A high-performing charter school may submit an application pursuant to s. 1002.33(6) in any school district in the state to establish and operate a new charter school that will substantially replicate its educational program. An application submitted by a high-performing charter school must state that the application is being submitted pursuant to this paragraph and must include the verification letter provided by the Commissioner of Education pursuant to subsection (4) ~~(5)~~. If the sponsor fails to act on the application within 60 days after receipt, the application is deemed approved and the procedure in s. 1002.33(6)(h) applies. If the sponsor denies the application, the high-performing charter school may appeal pursuant to s. 1002.33(6).

~~(4) A high-performing charter school may not increase enrollment or expand grade levels following any school year in which it receives a school grade of "C" or below. If the charter school receives a school grade of "C" or below in any 2 years during the term of the charter awarded under subsection (2), the term of the charter may be modified by the sponsor and the charter school loses its high-performing charter school status until it regains that status under subsection (1).~~

Section 8. Section 1001.66, Florida Statutes, is created to read:

1001.66 Florida College System Performance-Based Incentive.—

(1) *A Florida College System Performance-Based Incentive shall be awarded to Florida College System institutions using performance-based metrics adopted by the State Board of Education. The performance-based metrics must include retention rates; program completion and graduation rates; postgraduation employment, salaries, and continuing education for workforce education and baccalaureate programs, with wage thresholds that reflect the added value of the certificate or degree; and outcome measures appropriate for associate of arts degree recipients. The state board shall adopt benchmarks to evaluate each institution's performance on the metrics to measure the institution's achievement of institutional excellence or need for improvement and minimum requirements for eligibility to receive performance funding.*

(2) *Each fiscal year, the amount of funds available for allocation to the Florida College System institutions based on the performance-based funding model shall consist of the state's investment in performance funding plus institutional investments consisting of funds to be redistributed from the base funding of the Florida College System Program Fund as determined in the General Appropriations Act. The State Board of Education shall establish minimum performance funding eligibility thresholds for the state's investment and the institutional investments. An institution that meets the minimum institutional investment eligibility threshold, but fails to meet the minimum state investment eligibility threshold, shall have its institutional investment restored but is ineligible for a share of the state's investment in performance funding. The institutional investment shall be restored for all institutions eligible for the state's investment under the performance-based funding model.*

(3)(a) *Each Florida College System institution's share of the performance funding shall be calculated based on its relative performance on the established metrics in conjunction with the institutional size and scope.*

(b) *A Florida College System institution that fails to meet the State Board of Education's minimum institutional investment performance funding eligibility threshold shall have a portion of its institutional investment withheld by the state board and must submit an improvement plan to the state board which specifies the activities and strategies for improving the institution's performance. The state board must review and approve the improvement plan and, if the plan is approved, must monitor the institution's progress in implementing the activities and strategies specified in the improvement plan. The institution shall submit monitoring reports to the state board by December 31 and May 31 of each year in which an improvement plan is in place. Beginning in the 2017-2018 fiscal year, the ability of an institution to submit an improvement plan to the state board is limited to 1 fiscal year.*

(c) *The Commissioner of Education shall withhold disbursement of the institutional investment until the monitoring report is approved by the State Board of Education. A Florida College System institution determined by the state board to be making satisfactory progress on implementing the improvement plan shall receive no more than one-half of the withheld institutional investment in January and the balance of the withheld institutional investment in June. An institution that fails to make satisfactory progress may not have its full institutional investment restored. Any institutional investment funds that are not restored shall be redistributed in accordance with the state board's performance-based metrics.*

(4) *Distributions of performance funding, as provided in this section, shall be made to each of the Florida College System institutions listed in the Florida Colleges category in the General Appropriations Act.*

(5) *By October 1 of each year, the State Board of Education shall submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives a report on the previous fiscal year's performance funding allocation, which must reflect the rankings and award distributions.*

(6) *The State Board of Education shall adopt rules to administer this section.*

Section 9. Subsection (1) of section 1001.7065, Florida Statutes, is reenacted, and subsections (2), (3), and (5) through (8) of that section are amended, to read:

1001.7065 Preeminent state research universities program.—

(1) **STATE UNIVERSITY SYSTEM SHARED GOVERNANCE COLLABORATION.**—A collaborative partnership is established between the Board of Governors and the Legislature to elevate the academic and research preeminence of Florida's highest-performing state research universities in accordance with this section. The partnership stems from the State University System Governance Agreement executed on March 24, 2010, wherein the Board of Governors and leaders of the Legislature agreed to a framework for the collaborative exercise of their joint authority and shared responsibility for the State University System. The governance agreement confirmed the commitment of the Board of Governors and the Legislature to continue collaboration on accountability measures, the use of data, and recommendations derived from such data.

(2) **ACADEMIC AND RESEARCH EXCELLENCE STANDARDS.**—~~Effective July 1, 2013,~~ The following academic and research excellence standards are established for the preeminent state research universities program:

(a) An average weighted grade point average of 4.0 or higher on a 4.0 scale and an average SAT score of 1800 or higher on a 2400-point scale or 1200 or higher on a 1600-point scale for fall semester incoming freshmen, as reported annually.

(b) A top-50 ranking on at least two well-known and highly respected national public university rankings, *including, but not limited to, the U.S. News and World Report rankings*, reflecting national preeminence, using most recent rankings.

(c) A freshman retention rate of 90 percent or higher for full-time, first-time-in-college students, as reported annually to the Integrated Postsecondary Education Data System (IPEDS).

(d) A 6-year graduation rate of 70 percent or higher for full-time, first-time-in-college students, as reported annually to the IPEDS.

(e) Six or more faculty members at the state university who are members of a national academy, as reported by the Center for Measuring University Performance in the Top American Research Universities (TARU) annual report or the official membership directories maintained by each national academy.

(f) Total annual research expenditures, including federal research expenditures, of \$200 million or more, as reported annually by the National Science Foundation (NSF).

(g) Total annual research expenditures in diversified nonmedical sciences of \$150 million or more, based on data reported annually by the NSF.

(h) A top-100 university national ranking for research expenditures in five or more science, technology, engineering, or mathematics fields of study, as reported annually by the NSF.

(i) One hundred or more total patents awarded by the United States Patent and Trademark Office for the most recent 3-year period.

(j) Four hundred or more doctoral degrees awarded annually, *including professional doctoral degrees awarded in medical and health care disciplines*, as reported in the Board of Governors Annual Accountability Report.

(k) Two hundred or more postdoctoral appointees annually, as reported in the TARU annual report.

(l) An endowment of \$500 million or more, as reported in the Board of Governors Annual Accountability Report.

(3) **PREEMINENT STATE RESEARCH UNIVERSITY DESIGNATION.**—

(a) The Board of Governors shall designate each state ~~research~~ university that *annually* meets at least 11 of the 12 academic and re-

search excellence standards identified in subsection (2) as a "preeminent state research university" ~~preeminent state research university.~~

(b) *The Board of Governors shall designate each state university that annually meets at least six of the 12 academic and research excellence standards identified in subsection (2) as an "emerging preeminent state research university."*

(5) ~~PREEMINENT STATE RESEARCH UNIVERSITIES PROGRAM UNIVERSITY SUPPORT.—~~

(a) ~~A state research university that is designated as a preeminent state research university, as of July 1, 2013, meets all 12 of the academic and research excellence standards identified in subsection (2), as verified by the Board of Governors, shall submit to the Board of Governors a 5-year benchmark plan with target rankings on key performance metrics for national excellence. Upon approval by the Board of Governors, and upon the university's meeting the benchmark plan goals annually, the Board of Governors shall award the university its proportionate share of any funds provided annually to support the program created under this section an amount specified in the General Appropriations Act to be provided annually throughout the 5-year period. Funding for this purpose is contingent upon specific appropriation in the General Appropriations Act.~~

(b) *A state university designated as an emerging preeminent state research university shall submit to the Board of Governors a 5-year benchmark plan with target rankings on key performance metrics for national excellence. Upon approval by the Board of Governors, and upon the university's meeting the benchmark plan goals annually, the Board of Governors shall award the university its proportionate share of any funds provided annually to support the program created under this section.*

(c) *The award of funds under this subsection is contingent upon funding provided in the General Appropriations Act to support the preeminent state research universities program created under this section. Funding increases appropriated beyond the amounts funded in the previous fiscal year shall be distributed as follows:*

1. *Each designated preeminent state research university that meets the criteria in paragraph (a) shall receive an equal amount of funding.*

2. *Each designated emerging preeminent state research university that meets the criteria in paragraph (b) shall receive an amount of funding that is equal to one-half of the total increased amount awarded to each designated preeminent state research university.*

~~(6) PREEMINENT STATE RESEARCH UNIVERSITY ENHANCEMENT INITIATIVE.—A state research university that, as of July 1, 2013, meets 11 of the 12 academic and research excellence standards identified in subsection (2), as verified by the Board of Governors, shall submit to the Board of Governors a 5-year benchmark plan with target rankings on key performance metrics for national excellence. Upon the university's meeting the benchmark plan goals annually, the Board of Governors shall award the university an amount specified in the General Appropriations Act to be provided annually throughout the 5-year period for the purpose of recruiting National Academy Members, expediting the provision of a master's degree in cloud virtualization, and instituting an entrepreneurs-in-residence program throughout its campus. Funding for this purpose is contingent upon specific appropriation in the General Appropriations Act.~~

~~(6)(7) PREEMINENT STATE RESEARCH UNIVERSITY SPECIAL COURSE REQUIREMENT AUTHORITY.—In order to provide a jointly shared educational experience, a university that is designated a preeminent state research university may require its incoming first-time-in-college students to take a six-credit 9 to 12 credit set of unique courses specifically determined by the university and published on the university's website. The university may stipulate that credit for such courses may not be earned through any acceleration mechanism pursuant to s. 1007.27 or s. 1007.271 or any other transfer credit. All accelerated credits earned up to the limits specified in ss. 1007.27 and 1007.271 shall be applied toward graduation at the student's request.~~

~~(7)(8) PREEMINENT STATE RESEARCH UNIVERSITY FLEXIBILITY AUTHORITY.—The Board of Governors is encouraged to identify and grant all reasonable, feasible authority and flexibility to~~

ensure that ~~each a~~ designated preeminent state research university ~~and each designated emerging preeminent state research university~~ is free from unnecessary restrictions.

Section 10. Subsections (4) and (5) are added to section 1001.71, Florida Statutes, to read:

1001.71 University boards of trustees; membership.—

(4) *Each university board of trustees shall select its chair and vice chair from the appointed members. Each chair shall serve for 2 years and may be reselected for one additional consecutive 2-year term, except that, for each additional consecutive term beyond two terms, by a two-thirds vote, the board of trustees may reselect the chair for additional consecutive 2-year terms. The chair shall preside at all meetings of the board of trustees and may call special meetings of the board. The chair shall also attest to actions of the board of trustees. The chair shall notify the Governor or the Board of Governors, as applicable, in writing whenever a board member has three consecutive unexcused absences from regular board meetings in any fiscal year, which may be grounds for removal by the Governor or the Board of Governors, as applicable.*

(5) *Each university board of trustees shall keep and, within 2 weeks after a board meeting, post prominently on the university's website detailed meeting minutes for all meetings, including the vote history and attendance of each trustee. The Board of Governors shall adopt regulations to implement this subsection.*

Section 11. Section 1001.92, Florida Statutes, is amended to read:

1001.92 State University System Performance-Based Incentive.—

(1) A State University System Performance-Based Incentive shall be awarded to state universities using performance-based metrics adopted by the Board of Governors of the State University System. The performance-based metrics must include graduation rates; retention rates; postgraduation education rates; degree production; affordability; postgraduation employment and salaries, *including wage thresholds that reflect the added value of a baccalaureate degree*; access; and other metrics approved by the board in a formally noticed meeting. The board shall adopt benchmarks to evaluate each state university's performance on the metrics to measure the state university's achievement of institutional excellence or need for improvement and minimum requirements for eligibility to receive performance funding.

(2) Each fiscal year, the amount of funds available for allocation to the state universities based on the performance-based ~~funding model metrics~~ shall consist of the state's investment in ~~appropriation for~~ performance funding, ~~including increases in base funding~~ plus institutional investments consisting of funds deducted from the base funding of each state university in the State University System; in an amount provided in the General Appropriations Act. *The Board of Governors shall establish minimum performance funding eligibility thresholds for the state's investment and the institutional investments. A state university that meets the minimum institutional investment eligibility threshold, but fails to meet the minimum state investment eligibility threshold, shall have its institutional investment restored but is ineligible for a share of the state's investment in performance funding.* The institutional investment shall be restored for each institution eligible for the state's investment under the performance-based ~~funding model metrics~~.

(3)(a) A state university that fails to meet the Board of Governors' minimum *institutional investment* performance funding *eligibility* threshold shall have ~~a portion of~~ its institutional investment withheld by the board and must submit an improvement plan to the board that specifies the activities and strategies for improving the state university's performance. The board must review and approve the improvement plan and, if the plan is approved, must monitor the state university's progress in implementing the activities and strategies specified in the improvement plan. The state university shall submit monitoring reports to the board by December 31 and May 31 of each year in which an improvement plan is in place. The ability of a state university to submit an improvement plan to the board is limited to 1 fiscal year.

(b) The Chancellor of the State University System shall withhold disbursement of the institutional investment until the monitoring report is approved by the Board of Governors. A state university ~~that is~~

determined by the board to be making satisfactory progress on implementing the improvement plan shall receive no more than one-half of the withheld institutional investment in January and the balance of the withheld institutional investment in June. A state university that fails to make satisfactory progress may not have its full institutional investment restored. Any institutional investment funds that are not restored shall be redistributed in accordance with the board's performance-based metrics.

(4) Distributions of performance funding, as provided in this section, shall be made to each of the state universities listed in the Education and General Activities category in the General Appropriations Act.

(5) By October 1 of each year, the Board of Governors shall submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives a report on the previous fiscal year's performance funding allocation which must reflect the rankings and award distributions.

(6) *The Board of Governors shall adopt regulations to administer this section expires July 1, 2016.*

Section 12. Subsection (4) of section 1003.4282, Florida Statutes, is amended to read:

1003.4282 Requirements for a standard high school diploma.—

(4) **ONLINE COURSE REQUIREMENT.**—At least one course within the 24 credits required under this section must be completed through online learning. ~~A school district may not require a student to take the online course outside the school day or in addition to a student's courses for a given semester.~~

(a) An online course taken in grade 6, grade 7, or grade 8 fulfills *the requirements of this subsection requirement.* ~~The~~ This requirement is met through an online course offered by the Florida Virtual School, a virtual education provider approved by the State Board of Education, a high school, or an online dual enrollment course. A student who is enrolled in a full-time or part-time virtual instruction program under s. 1002.45 meets *the* ~~this~~ requirement.

(b) A district school board or a charter school governing board, as applicable, may offer students the following options to satisfy the online course requirements of this subsection:

1. Completion of a course in which a student earns a nationally recognized industry certification in information technology that is identified on the CAPE Industry Certification Funding List pursuant to s. 1008.44 or passage of the information technology certification examination without enrollment in or completion of the corresponding course or courses, as applicable.

2. Passage of an online content assessment, without enrollment in or completion of the corresponding course or courses, as applicable, by which the student demonstrates skills and competency in locating information and applying technology for instructional purposes.

For purposes of this subsection, a school district may not require a student to take the online course outside the school day or in addition to a student's courses for a given semester. ~~This subsection requirement~~ does not apply to a student who has an individual education plan under s. 1003.57 which indicates that an online course would be inappropriate or to an out-of-state transfer student who is enrolled in a Florida high school and has 1 academic year or less remaining in high school.

Section 13. Paragraphs (a), (b), and (c) of subsection (1) of section 1013.62, Florida Statutes, are amended to read:

1013.62 Charter schools capital outlay funding.—

(1) In each year in which funds are appropriated for charter school capital outlay purposes, the Commissioner of Education shall allocate the funds among eligible charter schools *as specified in this section.*

(a) To be eligible for a funding allocation, a charter school must:

1.a. Have been in operation for 2 ~~3~~ or more years;

b. Be governed by a governing board established in the state for 3 or more years which operates both charter schools and conversion charter schools within the state;

c. Be an expanded feeder chain of a charter school within the same school district that is currently receiving charter school capital outlay funds;

d. Have been accredited by the Commission on Schools of the Southern Association of Colleges and Schools; or

e. Serve students in facilities that are provided by a business partner for a charter school-in-the-workplace pursuant to s. 1002.33(15)(b).

2. *Have an annual audit that does not reveal any of the financial emergency conditions provided in s. 218.503(1) for the most recent fiscal year for which such audit results are available stability for future operation as a charter school.*

3. Have satisfactory student achievement based on state accountability standards applicable to the charter school.

4. Have received final approval from its sponsor pursuant to s. 1002.33 for operation during that fiscal year.

5. Serve students in facilities that are not provided by the charter school's sponsor.

~~(b) The first priority for charter school capital outlay funding is to allocate to charter schools that received funding in the 2005-2006 fiscal year an allocation of the same amount per capital outlay full time equivalent student, up to the lesser of the actual number of capital outlay full time equivalent students in the current year, or the capital outlay full time equivalent students in the 2005-2006 fiscal year. After calculating the first priority, the second priority is to allocate excess funds remaining in the appropriation in an amount equal to the per capital outlay full time equivalent student amount in the first priority calculation to eligible charter schools not included in the first priority calculation and to schools in the first priority calculation with growth greater than the 2005-2006 capital outlay full time equivalent students. After calculating the first and second priorities, excess funds remaining in the appropriation must be allocated to all eligible charter schools.~~

~~(c) A charter school's allocation may not exceed one fifteenth of the cost per student station specified in s. 1013.64(6)(b). Before releasing capital outlay funds to a school district on behalf of the charter school, the Department of Education must ensure that the district school board and the charter school governing board enter into a written agreement that provides for the reversion of any unencumbered funds and all equipment and property purchased with public education funds to the ownership of the district school board, as provided for in subsection (3) if the school terminates operations. Any funds recovered by the state shall be deposited in the General Revenue Fund.~~

Section 14. Paragraphs (a) and (b) of subsection (2) and paragraphs (b) through (e) of subsection (6) of section 1013.64, Florida Statutes, are amended to read:

1013.64 Funds for comprehensive educational plant needs; construction cost maximums for school district capital projects.—Allocations from the Public Education Capital Outlay and Debt Service Trust Fund to the various boards for capital outlay projects shall be determined as follows:

(2)(a) The department shall establish, as a part of the Public Education Capital Outlay and Debt Service Trust Fund, a separate account, in an amount determined by the Legislature, to be known as the "Special Facility Construction Account." The Special Facility Construction Account shall be used to provide necessary construction funds to school districts which have urgent construction needs but which lack sufficient resources at present, and cannot reasonably anticipate sufficient resources within the period of the next 3 years, for these purposes from currently authorized sources of capital outlay revenue. A school district requesting funding from the Special Facility Construction Account shall submit one specific construction project, not to exceed one complete educational plant, to the Special Facility Construction Committee. ~~A No district may not shall~~ receive funding for more than one approved project in any 3-year period *or while any portion of the district's participation requirement is outstanding.* The first year of the 3-

year period shall be the first year a district receives an appropriation. The department shall encourage a construction program that reduces the average size of schools in the district. The request must meet the following criteria to be considered by the committee:

1. The project must be deemed a critical need and must be recommended for funding by the Special Facility Construction Committee. ~~Before~~ ~~Prior to~~ developing construction plans for the proposed facility, the district school board must request a preapplication review by the Special Facility Construction Committee or a project review subcommittee convened by the chair of the committee to include two representatives of the department and two staff members from school districts not eligible to participate in the program. *A school district may request a preapplication review at any time; however, if the district school board seeks inclusion in the department's next annual capital outlay legislative budget request, the preapplication review request must be made before February 1.* Within 90 ~~60~~ days after receiving the preapplication review request, the committee or subcommittee must meet in the school district to review the project proposal and existing facilities. To determine whether the proposed project is a critical need, the committee or subcommittee shall consider, at a minimum, the capacity of all existing facilities within the district as determined by the Florida Inventory of School Houses; the district's pattern of student growth; the district's existing and projected capital outlay full-time equivalent student enrollment as determined by the demographic, revenue, and education estimating conferences established in s. 216.136 ~~department~~; the district's existing satisfactory student stations; the use of all existing district property and facilities; grade level configurations; and any other information that may affect the need for the proposed project.

2. The construction project must be recommended in the most recent survey or *survey amendment cooperatively prepared surveys* by the district *and the department, and approved by the department* under the rules of the State Board of Education. *If a district employs a consultant in the preparation of a survey or survey amendment, the consultant may not be employed by or receive compensation from a third party that designs or constructs a project recommended by the survey.*

3. The construction project must appear on the district's approved project priority list under the rules of the State Board of Education.

4. The district must have selected and had approved a site for the construction project in compliance with s. 1013.36 and the rules of the State Board of Education.

5. The district shall have developed a district school board adopted list of facilities that do not exceed the norm for net square feet occupancy requirements under the State Requirements for Educational Facilities, using all possible programmatic combinations for multiple use of space to obtain maximum daily use of all spaces within the facility under consideration.

6. Upon construction, the total cost per student station, including change orders, must not exceed the cost per student station as provided in subsection (6) *except for cost overruns created by a disaster as defined in s. 252.34 or an unforeseeable circumstance beyond the district's control as determined by the Special Facility Construction Committee.*

7. There shall be an agreement signed by the district school board stating that it will advertise for bids within 30 days of receipt of its encumbrance authorization from the department.

8. *For construction projects for which Special Facilities Construction Account funding is sought before the 2019-2020 fiscal year, the district shall, at the time of the request and for a continuing period necessary to meet the district's participation requirement of 3 years, levy the maximum millage against its ~~their~~ nonexempt assessed property value as allowed in s. 1011.71(2) or shall raise an equivalent amount of revenue from the school capital outlay surtax authorized under s. 212.055(6). Beginning with construction projects for which Special Facilities Construction Account funding is sought in the 2019-2020 fiscal year, the district shall, for a minimum of 3 years before submitting the request and for a continuing period necessary to meet its participation requirement, levy the maximum millage against the district's nonexempt assessed property value as authorized under s. 1011.71(2) or shall raise an equivalent amount of revenue from the school capital outlay surtax authorized under s. 212.055(6). Any district with a new or active project, funded under the provisions of this subsection, shall be required to*

budget no more than the value of 1 mill ~~1.5 mills~~ per year to the project until the district's ~~to satisfy the annual~~ participation requirement relating to the local discretionary capital improvement millage or the equivalent amount of revenue from the school capital outlay surtax is satisfied in the Special Facility Construction Account.

9. If a contract has not been signed 90 days after the advertising of bids, the funding for the specific project shall revert to the Special Facility New Construction Account to be reallocated to other projects on the list. However, an additional 90 days may be granted by the commissioner.

10. The department shall certify the inability of the district to fund the survey-recommended project over a continuous 3-year period using projected capital outlay revenue derived from s. 9(d), Art. XII of the State Constitution, as amended, paragraph (3)(a) of this section, and s. 1011.71(2).

11. The district shall have on file with the department an adopted resolution acknowledging its ~~3-year~~ *commitment to satisfy its participation requirement, which is equivalent to of* all unencumbered and future revenue acquired from s. 9(d), Art. XII of the State Constitution, as amended, paragraph (3)(a) of this section, and s. 1011.71(2), *in the year of the initial appropriation and for the 2 years immediately following the initial appropriation.*

12. Final phase III plans must be certified by the *district school board as complete and in compliance with the building and life safety codes before June 1 of the year the application is made ~~prior to August 1.~~*

(b) The Special Facility Construction Committee shall be composed of the following: two representatives of the Department of Education, a representative from the Governor's office, a representative selected annually by the district school boards, and a representative selected annually by the superintendents. *A representative of the department shall chair the committee.*

(6)

(b1). A district school board ~~may not~~ use funds from the following sources: Public Education Capital Outlay and Debt Service Trust Fund; School District and Community College District Capital Outlay and Debt Service Trust Fund; Classrooms First Program funds provided in s. 1013.68; nonvoted 1.5-mill levy of ad valorem property taxes provided in s. 1011.71(2); Classrooms for Kids Program funds provided in s. 1013.735; District Effort Recognition Program funds provided in s. 1013.736; or High Growth District Capital Outlay Assistance Grant Program funds provided in s. 1013.738 for any new construction of educational plant space with a total cost per student station, including change orders, that equals more than:

- a. \$17,952 for an elementary school,
- b. \$19,386 for a middle school, or
- c. \$25,181 for a high school,

(January 2006) as adjusted annually to reflect increases or decreases in the Consumer Price Index.

2. *School districts shall maintain accurate documentation related to the costs of all new construction of educational plant space reported to the Department of Education pursuant to paragraph (d). The Auditor General shall review the documentation maintained by the school districts and verify compliance with the limits under this paragraph during its scheduled operational audits of the school district. The department shall make the final determination on district compliance based on the recommendation of the Auditor General.*

3. *The Office of Economic and Demographic Research, in consultation with the department, shall conduct a study of the cost per student station amounts using the most recent available information on construction costs. In this study, the costs per student station should represent the costs of classroom construction and administrative offices as well as the supplemental costs of core facilities, including required media centers, gymnasiums, music rooms, cafeterias and their associated kitchens and food service areas, vocational areas, and other defined specialty areas, including exceptional student education areas. The study must take into account appropriate cost-effectiveness factors in*

school construction and should include input from industry experts. The Office of Economic and Demographic Research must provide the results of the study and recommendations on the cost per student station to the Governor, the President of the Senate, and the Speaker of the House of Representatives no later than January 31, 2017.

4. The Office of Program Policy Analysis and Government Accountability (OPPAGA) shall conduct a study of the State Requirements for Education Facilities (SREF) to identify current requirements that can be eliminated or modified in order to decrease the cost of construction of educational facilities while ensuring student safety. OPPAGA must provide the results of the study, and an overall recommendation as to whether SREF should be retained, to the Governor, the President of the Senate, and the Speaker of the House of Representatives no later than January 31, 2017.

5. Effective July 1, 2017, in addition to the funding sources listed in subparagraph 1., a district school board may not use funds from any sources for new construction of educational plant space with a total cost per student station, including change orders, which equals more than the current adjusted amounts provided in sub-subparagraphs 1.a.-c. which shall subsequently be adjusted annually to reflect increases or decreases in the Consumer Price Index.

6.2. A district school board must not use funds from the Public Education Capital Outlay and Debt Service Trust Fund or the School District and Community College District Capital Outlay and Debt Service Trust Fund for any new construction of an ancillary plant that exceeds 70 percent of the average cost per square foot of new construction for all schools.

(c) Except as otherwise provided, new construction initiated by a district school board on or after July 1, 2017, may ~~after June 30, 1997, must~~ not exceed the cost per student station as provided in paragraph (b). A school district that exceeds the cost per student station provided in paragraph (b), as determined by the Auditor General, shall be subject to sanctions. If the Auditor General determines that the cost per student station overage is de minimus or due to extraordinary circumstances outside the control of the district, the sanctions shall not apply. The sanctions are as follows:

1. The school district shall be ineligible for allocations from the Public Education Capital Outlay and Debt Service Trust Fund for the next 3 years in which the school district would have received allocations had the violation not occurred.

2. The school district shall be subject to the supervision of a district capital outlay oversight committee. The oversight committee is authorized to approve all capital outlay expenditures of the school district, including new construction, renovations, and remodeling, for 3 fiscal years following the violation.

a. Each oversight committee shall be composed of the following:

(I) One appointee of the Commissioner of Education who has significant financial management, school facilities construction, or related experience.

(II) One appointee of the office of the state attorney with jurisdiction over the district.

(III) One appointee of the Chief Financial Officer who is a licensed certified public accountant.

b. An appointee to the oversight committee may not be employed by the school district; be a relative, as defined in s. 1002.33(24)(a)2., of any school district employee; or be an elected official. Each appointee must sign an affidavit attesting to these conditions and affirming that no conflict of interest exists in his or her oversight role.

(d) The department shall:

1. Compute for each calendar year the statewide average construction costs for facilities serving each instructional level, for relocatable educational facilities, for administrative facilities, and for other ancillary and auxiliary facilities. The department shall compute the statewide average costs per student station for each instructional level.

2. Annually review the actual completed construction costs of educational facilities in each school district. For any school district in which the total actual cost per student station, including change orders, exceeds the statewide limits established in paragraph (b), the school district shall report to the department the actual cost per student station and the reason for the school district's inability to adhere to the limits established in paragraph (b). The department shall collect all such reports and shall provide these reports to the Auditor General for verification purposes ~~report to the Governor, the President of the Senate, and the Speaker of the House of Representatives by December 31 of each year a summary of each school district's spending in excess of the cost per student station provided in paragraph (b) as reported by the school districts.~~

Cost per student station includes contract costs, legal and administrative costs, fees of architects and engineers, furniture and equipment, and site improvement costs. Cost per student station does not include the cost of purchasing or leasing the site for the construction or the cost of related offsite improvements.

~~(e) The restrictions of this subsection on the cost per student station of new construction do not apply to a project funded entirely from proceeds received by districts through provisions of ss. 212.055 and 1011.73 and s. 9, Art. VII of the State Constitution, if the school board approves the project by majority vote.~~

Section 15. Paragraph (a) of subsection (3) of section 1002.37, Florida Statutes, is amended to read:

1002.37 The Florida Virtual School.—

(3) Funding for the Florida Virtual School shall be provided as follows:

(a)1. The calculation of "full-time equivalent student" shall be as prescribed in s. 1011.61(1)(c)1.b.(V) and is subject to s. 1011.61(4). ~~For a student in grades 9 through 12, a "full time equivalent student" is one student who has successfully completed six full credit courses that count toward the minimum number of credits required for high school graduation. A student who completes fewer than six full credit courses is a fraction of a full time equivalent student. Half credit course completions shall be included in determining a full time equivalent student.~~

2. ~~For a student in kindergarten through grade 8, a "full time equivalent student" is one student who has successfully completed six courses or the prescribed level of content that counts toward promotion to the next grade. A student who completes fewer than six courses or the prescribed level of content shall be a fraction of a full time equivalent student.~~

2.3. For a student in a home education program, funding shall be provided in accordance with this subsection upon course completion if the parent verifies, upon enrollment for each course, that the student is registered with the school district as a home education student pursuant to s. 1002.41(1)(a). ~~Beginning in the 2016-2017 fiscal year, the reported full time equivalent students and associated funding of students enrolled in courses requiring passage of an end of course assessment under s. 1003.4282 to earn a standard high school diploma shall be adjusted if the student does not pass the end of course assessment. However, no adjustment shall be made for home education program students who choose not to take an end of course assessment or for a student who enrolls in a segmented remedial course delivered online.~~

~~For purposes of this paragraph, the calculation of "full time equivalent student" shall be as prescribed in s. 1011.61(1)(c)1.b.(V) and is subject to the requirements in s. 1011.61(4).~~

Section 16. Subsection (4) is added to section 1002.391, Florida Statutes, to read:

1002.391 Auditory-oral education programs.—

(4) Beginning with the 2017-2018 school year, a school district shall add four special consideration points to the calculation of a matrix of services for a student who is deaf and enrolled in an auditory-oral education program.

Section 17. Paragraphs (c) and (d) of subsection (1), paragraph (e) of subsection (7), and paragraphs (c) and (d) of subsection (8) of section 1002.45, Florida Statutes, are amended to read:

1002.45 Virtual instruction programs.—

(1) PROGRAM.—

(c) To provide students with the option of participating in virtual instruction programs as required by paragraph (b), a school district may:

1. Contract with the Florida Virtual School or establish a franchise of the Florida Virtual School for the provision of a program under paragraph (b). Using this option is subject to the requirements of this section and s. 1011.61(1)(c)1.b.(III) and (IV) and (4). A district may report full-time equivalent student membership for credit earned by a student who is enrolled in a virtual education course provided by the district which was completed after the end of the regular school year if the FTE is reported no later than the deadline for amending the final student membership report for that year.

2. Contract with an approved provider under subsection (2) for the provision of a full-time or part-time program under paragraph (b).

3. Enter into an agreement with other school districts to allow the participation of its students in an approved virtual instruction program provided by the other school district. The agreement must indicate a process for the transfer of funds required by paragraph (7)(e) ~~(7)(f)~~.

4. Establish school district operated part-time or full-time kindergarten through grade 12 virtual instruction programs under paragraph (b) for students enrolled in the school district. A full-time program shall operate under its own Master School Identification Number.

5. Enter into an agreement with a virtual charter school authorized by the school district under s. 1002.33.

Contracts under subparagraph 1. or subparagraph 2. may include multidistrict contractual arrangements that may be executed by a regional consortium for its member districts. A multidistrict contractual arrangement or an agreement under subparagraph 3. is not subject to s. 1001.42(4)(d) and does not require the participating school districts to be contiguous. These arrangements may be used to fulfill the requirements of paragraph (b).

(d) A virtual charter school may provide full-time virtual instruction for students in kindergarten through grade 12 if the virtual charter school has a charter approved pursuant to s. 1002.33 authorizing full-time virtual instruction. A virtual charter school may:

1. Contract with the Florida Virtual School.

2. Contract with an approved provider under subsection (2).

3. Enter into an agreement with a school district to allow the participation of the virtual charter school's students in the school district's virtual instruction program. The agreement must indicate a process for reporting of student enrollment and the transfer of funds required by paragraph (7)(e) ~~(7)(f)~~.

(7) VIRTUAL INSTRUCTION PROGRAM AND VIRTUAL CHARTER SCHOOL FUNDING.—

~~(c) Beginning in the 2016-2017 fiscal year, the reported full time equivalent students and associated funding of students enrolled in courses requiring passage of an end-of-course assessment under s. 1003.4282 to earn a standard high school diploma shall be adjusted if the student does not pass the end-of-course assessment. However, no adjustment shall be made for a student who enrolls in a segmented remedial course delivered online.~~

(8) ASSESSMENT AND ACCOUNTABILITY.—

(c) An approved provider that receives a school grade of "D" or "F" under s. 1008.34 or a school improvement rating of "Unsatisfactory" ~~"Declining"~~ under s. 1008.341 must file a school improvement plan with the department for consultation to determine the causes for low performance and to develop a plan for correction and improvement.

(d) An approved provider's contract must be terminated if the provider receives a school grade of "D" or "F" under s. 1008.34 or a school improvement rating of "Unsatisfactory" ~~"Declining"~~ under s. 1008.341 for 2 years during any consecutive 4-year period or has violated any qualification requirement pursuant to subsection (2). A provider that has a contract terminated under this paragraph may not be an approved provider for a period of at least 1 year after the date upon which the contract was terminated and until the department determines that the provider is in compliance with subsection (2) and has corrected each cause of the provider's low performance.

Section 18. Section 1003.3101, Florida Statutes, is created to read:

1003.3101 Additional educational choice options.—Each school district board shall establish a transfer process for a parent to request his or her child be transferred to another classroom teacher. This section does not give a parent the right to choose a specific classroom teacher. A school must approve or deny the transfer within 2 weeks after receiving a request. If a request for transfer is denied, the school must notify the parent and specify the reasons for the denial. An explanation of the transfer process must be made available in the student handbook or a similar publication.

Section 19. Subsection (3) of section 1003.4295, Florida Statutes, is amended to read:

1003.4295 Acceleration options.—

(3) The Credit Acceleration Program (CAP) is created for the purpose of allowing a student to earn high school credit in *courses required for high school graduation through passage of an end-of-course assessment Algebra I, Algebra II, geometry, United States history, or biology if the student passes the statewide, standardized assessment administered under s. 1008.22, an Advanced Placement Examination, or a College Level Examination Program (CLEP)*. Notwithstanding s. 1003.436, a school district shall award course credit to a student who is not enrolled in the course, or who has not completed the course, if the student attains a passing score on the corresponding *end-of-course assessment, Advanced Placement Examination, or CLEP statewide, standardized assessment*. The school district shall permit a *public school or home education* student who is not enrolled in the course, or who has not completed the course, to take the assessment or *examination* during the regular administration of the assessment or *examination*.

Section 20. Effective June 29, 2016, section 1004.935, Florida Statutes, is amended to read:

1004.935 Adults with Disabilities Workforce Education ~~Pilot~~ Program.—

(1) The Adults with Disabilities Workforce Education ~~Pilot~~ Program is established in the Department of Education ~~through June 30, 2016~~, in Hardee, DeSoto, Manatee, and Sarasota Counties to provide the option of receiving a scholarship for instruction at private schools for up to 30 students who:

(a) Have a disability;

(b) Are 22 years of age;

(c) Are receiving instruction from an instructor in a private school to meet the high school graduation requirements in s. 1002.3105(5) or s. 1003.4282;

(d) Do not have a standard high school diploma or a special high school diploma; and

(e) Receive "supported employment services," which means employment that is located or provided in an integrated work setting with earnings paid on a commensurate wage basis and for which continued support is needed for job maintenance.

As used in this section, the term "student with a disability" includes a student who is documented as having an intellectual disability; a speech impairment; a language impairment; a hearing impairment, including deafness; a visual impairment, including blindness; a dual sensory impairment; an orthopedic impairment; another health impairment; an emotional or behavioral disability; a specific learning disability, in-

cluding, but not limited to, dyslexia, dyscalculia, or developmental aphasia; a traumatic brain injury; a developmental delay; or autism spectrum disorder.

(2) A student participating in the ~~pilot~~ program may continue to participate in the program until the student graduates from high school or reaches the age of 40 years, whichever occurs first.

(3) Supported employment services may be provided at more than one site.

(4) The provider of supported employment services must be a non-profit corporation under s. 501(c)(3) of the Internal Revenue Code which serves Hardee County, DeSoto County, Manatee County, or Sarasota County and must contract with a private school in this state which meets the requirements in subsection (5).

(5) A private school that participates in the ~~pilot~~ program may be sectarian or nonsectarian and must:

(a) Be academically accountable for meeting the educational needs of the student by annually providing to the provider of supported employment services a written explanation of the student's progress.

(b) Comply with the antidiscrimination provisions of 42 U.S.C. s. 2000d.

(c) Meet state and local health and safety laws and codes.

(d) Provide to the provider of supported employment services all documentation required for a student's participation, including the private school's and student's fee schedules, at least 30 days before any quarterly scholarship payment is made for the student. A student is not eligible to receive a quarterly scholarship payment if the private school fails to meet this deadline.

The inability of a private school to meet the requirements of this subsection constitutes a basis for the ineligibility of the private school to participate in the ~~pilot~~ program.

(6)(a) If the student chooses to participate in the ~~pilot~~ program and is accepted by the provider of supported employment services, the student must notify the Department of Education of his or her acceptance into the program 60 days before the first scholarship payment and before participating in the ~~pilot~~ program in order to be eligible for the scholarship.

(b) Upon receipt of a scholarship warrant, the student or parent to whom the warrant is made must restrictively endorse the warrant to the provider of supported employment services for deposit into the account of the provider. The student or parent may not designate any entity or individual associated with the participating provider of supported employment services as the student's or parent's attorney in fact to endorse a scholarship warrant. A participant who fails to comply with this paragraph forfeits the scholarship.

(7) Funds for the scholarship shall be provided from the appropriation from the school district's Workforce Development Fund in the General Appropriations Act for students who reside in the Hardee County School District, the DeSoto County School District, the Manatee County School District, or the Sarasota County School District. ~~During the pilot program,~~ The scholarship amount granted for an eligible student with a disability shall be equal to the cost per unit of a full-time equivalent adult general education student, multiplied by the adult general education funding factor, and multiplied by the district cost differential pursuant to the formula required by s. 1011.80(6)(a) for the district in which the student resides.

(8) Upon notification by the Department of Education that it has received the required documentation, the Chief Financial Officer shall make scholarship payments in four equal amounts no later than September 1, November 1, February 1, and April 1 of each academic year in which the scholarship is in force. The initial payment shall be made after the Department of Education verifies that the student was accepted into the ~~pilot~~ program, and subsequent payments shall be made upon verification of continued participation in the ~~pilot~~ program. Payment must be by individual warrant made payable to the student or parent and mailed by the Department of Education to the provider of supported employment services, and the student or parent shall re-

strictively endorse the warrant to the provider of supported employment services for deposit into the account of that provider.

(9) Subsequent to each scholarship payment, the Department of Education shall request from the Department of Financial Services a sample of endorsed warrants to review and confirm compliance with endorsement requirements.

Section 21. Subsection (3) and paragraph (a) of subsection (8) of section 1006.15, Florida Statutes, are amended, and subsection (9) is added to that section, to read:

1006.15 Student standards for participation in interscholastic and intrascholastic extracurricular student activities; regulation.—

(3)(a) *As used in this section and s. 1006.20, the term "eligible to participate" includes, but is not limited to, a student participating in tryouts, off-season conditioning, summer workouts, preseason conditioning, in-season practice, or contests. The term does not mean that a student must be placed on any specific team for interscholastic or intrascholastic extracurricular activities. To be eligible to participate in interscholastic extracurricular student activities, a student must:*

1. Maintain a grade point average of 2.0 or above on a 4.0 scale, or its equivalent, in the previous semester or a cumulative grade point average of 2.0 or above on a 4.0 scale, or its equivalent, in the courses required by s. 1002.3105(5) or s. 1003.4282.

2. Execute and fulfill the requirements of an academic performance contract between the student, the district school board, the appropriate governing association, and the student's parents, if the student's cumulative grade point average falls below 2.0, or its equivalent, on a 4.0 scale in the courses required by s. 1002.3105(5) or s. 1003.4282. At a minimum, the contract must require that the student attend summer school, or its graded equivalent, between grades 9 and 10 or grades 10 and 11, as necessary.

3. Have a cumulative grade point average of 2.0 or above on a 4.0 scale, or its equivalent, in the courses required by s. 1002.3105(5) or s. 1003.4282 during his or her junior or senior year.

4. Maintain satisfactory conduct, including adherence to appropriate dress and other codes of student conduct policies described in s. 1006.07(2). If a student is convicted of, or is found to have committed, a felony or a delinquent act that would have been a felony if committed by an adult, regardless of whether adjudication is withheld, the student's participation in interscholastic extracurricular activities is contingent upon established and published district school board policy.

(b) Any student who is exempt from attending a full school day based on rules adopted by the district school board for double session schools or programs, experimental schools, or schools operating under emergency conditions must maintain the grade point average required by this section and pass each class for which he or she is enrolled.

(c) An individual home education student is eligible to participate at the public school to which the student would be assigned according to district school board attendance area policies or which the student could choose to attend pursuant to s. ~~1002.31 district or interdistrict controlled open enrollment provisions,~~ or may develop an agreement to participate at a private school, in the interscholastic extracurricular activities of that school, provided the following conditions are met:

1. The home education student must meet the requirements of the home education program pursuant to s. 1002.41.

2. During the period of participation at a school, the home education student must demonstrate educational progress as required in paragraph (b) in all subjects taken in the home education program by a method of evaluation agreed upon by the parent and the school principal which may include: review of the student's work by a certified teacher chosen by the parent; grades earned through correspondence; grades earned in courses taken at a Florida College System institution, university, or trade school; standardized test scores above the 35th percentile; or any other method designated in s. 1002.41.

3. The home education student must meet the same residency requirements as other students in the school at which he or she participates.

4. The home education student must meet the same standards of acceptance, behavior, and performance as required of other students in extracurricular activities.

5. The student must register with the school his or her intent to participate in interscholastic extracurricular activities as a representative of the school before the beginning date of the season for the activity in which he or she wishes to participate. A home education student must be able to participate in curricular activities if that is a requirement for an extracurricular activity.

6. A student who transfers from a home education program to a public school before or during the first grading period of the school year is academically eligible to participate in interscholastic extracurricular activities during the first grading period provided the student has a successful evaluation from the previous school year, pursuant to subparagraph 2.

7. Any public school or private school student who has been unable to maintain academic eligibility for participation in interscholastic extracurricular activities is ineligible to participate in such activities as a home education student until the student has successfully completed one grading period in home education pursuant to subparagraph 2. to become eligible to participate as a home education student.

(d) An individual charter school student pursuant to s. 1002.33 is eligible to participate at the public school to which the student would be assigned according to district school board attendance area policies or which the student could choose to attend, ~~pursuant to district or interdistrict controlled open enrollment provisions~~, in any interscholastic extracurricular activity of that school, unless such activity is provided by the student's charter school, if the following conditions are met:

1. The charter school student must meet the requirements of the charter school education program as determined by the charter school governing board.

2. During the period of participation at a school, the charter school student must demonstrate educational progress as required in paragraph (b).

3. The charter school student must meet the same residency requirements as other students in the school at which he or she participates.

4. The charter school student must meet the same standards of acceptance, behavior, and performance that are required of other students in extracurricular activities.

5. The charter school student must register with the school his or her intent to participate in interscholastic extracurricular activities as a representative of the school before the beginning date of the season for the activity in which he or she wishes to participate. A charter school student must be able to participate in curricular activities if that is a requirement for an extracurricular activity.

6. A student who transfers from a charter school program to a traditional public school before or during the first grading period of the school year is academically eligible to participate in interscholastic extracurricular activities during the first grading period if the student has a successful evaluation from the previous school year, pursuant to subparagraph 2.

7. Any public school or private school student who has been unable to maintain academic eligibility for participation in interscholastic extracurricular activities is ineligible to participate in such activities as a charter school student until the student has successfully completed one grading period in a charter school pursuant to subparagraph 2. to become eligible to participate as a charter school student.

(e) A student of the Florida Virtual School full-time program may participate in any interscholastic extracurricular activity at the public school to which the student would be assigned according to district school board attendance area policies or which the student could choose to attend; pursuant to s. 1002.31 ~~district or interdistrict controlled open enrollment policies~~, if the student:

1. During the period of participation in the interscholastic extracurricular activity, meets the requirements in paragraph (a).

2. Meets any additional requirements as determined by the board of trustees of the Florida Virtual School.

3. Meets the same residency requirements as other students in the school at which he or she participates.

4. Meets the same standards of acceptance, behavior, and performance that are required of other students in extracurricular activities.

5. Registers his or her intent to participate in interscholastic extracurricular activities with the school before the beginning date of the season for the activity in which he or she wishes to participate. A Florida Virtual School student must be able to participate in curricular activities if that is a requirement for an extracurricular activity.

(f) A student who transfers from the Florida Virtual School full-time program to a traditional public school before or during the first grading period of the school year is academically eligible to participate in interscholastic extracurricular activities during the first grading period if the student has a successful evaluation from the previous school year pursuant to paragraph (a).

(g) A public school or private school student who has been unable to maintain academic eligibility for participation in interscholastic extracurricular activities is ineligible to participate in such activities as a Florida Virtual School student until the student successfully completes one grading period in the Florida Virtual School pursuant to paragraph (a).

(h)1. A school district or charter school may not delay eligibility or otherwise prevent a student participating in controlled open enrollment, or a choice program, from being immediately eligible to participate in interscholastic and intrascholastic extracurricular activities.

2. A student may not participate in a sport if the student participated in that same sport at another school during that school year, unless the student meets one of the following criteria:

a. *Dependent children of active duty military personnel whose move resulted from military orders.*

b. *Children who have been relocated due to a foster care placement in a different school zone.*

c. *Children who move due to a court-ordered change in custody due to separation or divorce, or the serious illness or death of a custodial parent.*

d. *Authorized for good cause in district or charter school policy.*

(8)(a) The Florida High School Athletic Association (FHSAA), in cooperation with each district school board, shall facilitate a program in which a middle school or high school student who attends a private school shall be eligible to participate in an interscholastic or intrascholastic sport at a public high school, a public middle school, or a 6-12 public school that is zoned for the physical address at which the student resides if:

1. The private school in which the student is enrolled is not a member of the FHSAA ~~and does not offer an interscholastic or intrascholastic athletic program.~~

2. The private school student meets the guidelines for the conduct of the program established by the FHSAA's board of directors and the district school board. At a minimum, such guidelines shall provide:

a. A deadline for each sport by which the private school student's parents must register with the public school in writing their intent for their child to participate at that school in the sport.

b. Requirements for a private school student to participate, including, but not limited to, meeting the same standards of eligibility, acceptance, behavior, educational progress, and performance which apply to other students participating in interscholastic or intrascholastic sports at a public school or FHSAA member private school.

(9)(a) A student who transfers to a school during the school year may seek to immediately join an existing team if the roster for the specific interscholastic or intrascholastic extracurricular activity has not

reached the activity's identified maximum size and if the coach for the activity determines that the student has the requisite skill and ability to participate. The FHSAA and school district or charter school may not declare such a student ineligible because the student did not have the opportunity to comply with qualifying requirements.

(b) A student may not participate in a sport if the student participated in that same sport at another school during that school year, unless the student meets one of the following criteria:

1. Dependent children of active duty military personnel whose move resulted from military orders.
2. Children who have been relocated due to a foster care placement in a different school zone.
3. Children who move due to a court-ordered change in custody due to separation or divorce, or the serious illness or death of a custodial parent.
4. Authorized for good cause in district or charter school policy.

Section 22. Section 1006.195, Florida Statutes, is created to read:

1006.195 District school board, charter school authority and responsibility to establish student eligibility regarding participation in interscholastic and intrascholastic extracurricular activities.—Notwithstanding any provision to the contrary in ss. 1006.15, 1006.18, and 1006.20, regarding student eligibility to participate in interscholastic and intrascholastic extracurricular activities:

(1)(a) A district school board must establish, through its code of student conduct, student eligibility standards and related student disciplinary actions regarding student participation in interscholastic and intrascholastic extracurricular activities. The code of student conduct must provide that:

1. A student not currently suspended from interscholastic or intrascholastic extracurricular activities, or suspended or expelled from school, pursuant to a district school board's suspension or expulsion powers provided in law, including ss. 1006.07, 1006.08, and 1006.09, is eligible to participate in interscholastic and intrascholastic extracurricular activities.
2. A student may not participate in a sport if the student participated in that same sport at another school during that school year, unless the student meets the criteria in s. 1006.15(3)(h).
3. A student's eligibility to participate in any interscholastic or intrascholastic extracurricular activity may not be affected by any alleged recruiting violation until final disposition of the allegation pursuant to s. 1006.20(2)(b).

(b) Students who participate in interscholastic and intrascholastic extracurricular activities for, but are not enrolled in, a public school pursuant to s. 1006.15(3)(c)-(e) and (8), are subject to the district school board's code of student conduct for the limited purpose of establishing and maintaining the student's eligibility to participate at the school.

(c) The provisions of this subsection apply to interscholastic and intrascholastic extracurricular activities conducted by charter schools and private schools, as applicable, except that the charter school governing board, or equivalent private school authority, is responsible for the authority and responsibility otherwise provided to district school boards.

(2)(a) The Florida High School Athletic Association (FHSAA) continues to retain jurisdiction over the following provisions in s. 1006.20, which may not be implemented in a manner contrary to this section: membership in the FHSAA; recruiting prohibitions and violations; student medical evaluations; investigations; and sanctions for coaches; school eligibility and forfeiture of contests; student concussions or head injuries; the sports medical advisory committee; and the general operational provisions of the FHSAA.

(b) The FHSAA must adopt, and prominently publish, the text of this section on its website and in its bylaws, rules, procedures, training and education materials, and all other governing authority documents by August 1, 2016.

Section 23. Subsection (1) and paragraphs (a), (b), (c), and (g) of subsection (2) of section 1006.20, Florida Statutes, are amended to read:

1006.20 Athletics in public K-12 schools.—

(1) **GOVERNING NONPROFIT ORGANIZATION.—**The Florida High School Athletic Association (FHSAA) is designated as the governing nonprofit organization of athletics in Florida public schools. If the FHSAA fails to meet the provisions of this section, the commissioner shall designate a nonprofit organization to govern athletics with the approval of the State Board of Education. The FHSAA is not a state agency as defined in s. 120.52. The FHSAA shall be subject to the provisions of s. 1006.19. A private school that wishes to engage in high school athletic competition with a public high school may become a member of the FHSAA. Any high school in the state, including charter schools, virtual schools, and home education cooperatives, may become a member of the FHSAA and participate in the activities of the FHSAA. However, membership in the FHSAA is not mandatory for any school. *The FHSAA must allow a private school the option of maintaining full membership in the association or joining by sport and may not discourage a private school from simultaneously maintaining membership in another athletic association. The FHSAA may allow a public school the option to apply for consideration to join another athletic association.* The FHSAA may not deny or discourage interscholastic competition between its member schools and non-FHSAA member Florida schools, including members of another athletic governing organization, and may not take any retributory or discriminatory action against any of its member schools that participate in interscholastic competition with non-FHSAA member Florida schools. The FHSAA may not unreasonably withhold its approval of an application to become an affiliate member of the National Federation of State High School Associations submitted by any other organization that governs interscholastic athletic competition in this state. The bylaws of the FHSAA are the rules by which high school athletic programs in its member schools, and the students who participate in them, are governed, unless otherwise specifically provided by statute. For the purposes of this section, "high school" includes grades 6 through 12.

(2) **ADOPTION OF BYLAWS, POLICIES, OR GUIDELINES.—**

(a) The FHSAA shall adopt bylaws that, unless specifically provided by statute, establish eligibility requirements for all students who participate in high school athletic competition in its member schools. The bylaws governing residence and transfer shall allow the student to be immediately eligible in the school in which he or she first enrolls each school year or the school in which the student makes himself or herself a candidate for an athletic team by engaging in a practice prior to enrolling in the school. The bylaws shall also allow the student to be immediately eligible in the school to which the student has transferred during the school year if the transfer is made by a deadline established by the FHSAA, which may not be prior to the date authorized for the beginning of practice for the sport. ~~These transfers shall be allowed pursuant to the district school board policies in the case of transfer to a public school or pursuant to the private school policies in the case of transfer to a private school.~~ The student shall be eligible in that school so long as he or she remains enrolled in that school. Subsequent eligibility shall be determined and enforced through the FHSAA's bylaws. Requirements governing eligibility and transfer between member schools shall be applied similarly to public school students and private school students.

(b) The FHSAA shall adopt bylaws that specifically prohibit the recruiting of students for athletic purposes. The bylaws shall prescribe penalties and an appeals process for athletic recruiting violations.

1. If it is determined that a school has recruited a student in violation of FHSAA bylaws, the FHSAA may require the school to participate in a higher classification for the sport in which the recruited student competes for a minimum of one classification cycle, in addition to the penalties in subparagraphs 2. and 3. and any other appropriate fine or sanction imposed on the school, its coaches, or adult representatives who violate recruiting rules.

2. Any recruitment by a school district employee or contractor in violation of FHSAA bylaws results in escalating punishments as follows:

- a. For a first offense, a \$5,000 forfeiture of pay for the school district employee or contractor who committed the violation.

b. For a second offense, suspension without pay for 12 months from coaching, directing, or advertising an extracurricular activity and a \$5,000 forfeiture of pay for the school district employee or contractor who committed the violation.

c. For a third offense, a \$5,000 forfeiture of pay for the school district employee or contractor who committed the violation. If the individual who committed the violation holds an educator certificate, the FHSAA shall also refer the violation to the department for review pursuant to s. 1012.796 to determine whether probable cause exists, and, if there is a finding of probable cause, the commissioner shall file a formal complaint against the individual. If the complaint is upheld, the individual's educator certificate shall be revoked for 3 years, in addition to any penalties available under s. 1012.796. Additionally, the department shall revoke any adjunct teaching certificates issued pursuant to s. 1012.57 and all permissions under ss. 1012.39 and 1012.43, and the educator is ineligible for such certificates or permissions for a period of time equal to the period of revocation of his or her state-issued certificate.

3. Notwithstanding any other provision of law, a school, team, or activity shall forfeit all competitions, including honors resulting from such competitions, in which a student who participated in any fashion was recruited in a manner prohibited pursuant to state law or the FHSAA bylaws.

4. A student may not be declared ineligible based on violation of recruiting rules unless the student or parent has falsified any enrollment or eligibility document or accepted any benefit ~~or any promise of benefit~~ if such benefit is not generally available to the school's students or family members or is based in any way on athletic interest, potential, or performance.

5. A student's eligibility to participate in any interscholastic or intrascholastic extracurricular activity, as determined by a district school board pursuant to s. 1006.195(1)(a)3., may not be affected by any alleged recruiting violation until final disposition of the allegation.

(c) The FHSAA shall adopt bylaws that require all students participating in interscholastic athletic competition or who are candidates for an interscholastic athletic team to satisfactorily pass a medical evaluation each year prior to participating in interscholastic athletic competition or engaging in any practice, tryout, workout, or other physical activity associated with the student's candidacy for an interscholastic athletic team. Such medical evaluation may be administered only by a practitioner licensed under chapter 458, chapter 459, chapter 460, or s. 464.012, and in good standing with the practitioner's regulatory board. The bylaws shall establish requirements for eliciting a student's medical history and performing the medical evaluation required under this paragraph, which shall include a physical assessment of the student's physical capabilities to participate in interscholastic athletic competition as contained in a uniform preparticipation physical evaluation and history form. The evaluation form shall incorporate the recommendations of the American Heart Association for participation cardiovascular screening and shall provide a place for the signature of the practitioner performing the evaluation with an attestation that each examination procedure listed on the form was performed by the practitioner or by someone under the direct supervision of the practitioner. The form shall also contain a place for the practitioner to indicate if a referral to another practitioner was made in lieu of completion of a certain examination procedure. The form shall provide a place for the practitioner to whom the student was referred to complete the remaining sections and attest to that portion of the examination. The preparticipation physical evaluation form shall advise students to complete a cardiovascular assessment and shall include information concerning alternative cardiovascular evaluation and diagnostic tests. Results of such medical evaluation must be provided to the school. ~~A student is not eligible to participate, as provided in s. 1006.15(3), in any interscholastic athletic competition or engage in any practice, tryout, workout, or other physical activity associated with the student's candidacy for an interscholastic athletic team until the results of the medical evaluation have been received and approved by the school.~~

(g) The FHSAA shall adopt bylaws establishing the process and standards by which FHSAA determinations of eligibility are made. Such bylaws shall provide that:

1. Ineligibility must be established by a preponderance of the ~~clear and convincing~~ evidence;

2. Student athletes, parents, and schools must have notice of the initiation of any investigation or other inquiry into eligibility and may present, to the investigator and to the individual making the eligibility determination, any information or evidence that is credible, persuasive, and of a kind reasonably prudent persons rely upon in the conduct of serious affairs;

3. An investigator may not determine matters of eligibility but must submit information and evidence to the executive director or a person designated by the executive director or by the board of directors for an unbiased and objective determination of eligibility; and

4. A determination of ineligibility must be made in writing, setting forth the findings of fact and specific violation upon which the decision is based.

Section 24. Subsection (5), paragraph (j) of subsection (6), and paragraph (a) of subsection (8) of section 1007.35, Florida Statutes, are amended to read:

1007.35 Florida Partnership for Minority and Underrepresented Student Achievement.—

(5) Each public high school, including, but not limited to, schools and alternative sites and centers of the Department of Juvenile Justice, shall provide for the administration of the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT), or *ACT Aspire Preliminary ACT (PLAN)* to all enrolled 10th grade students. However, a written notice shall be provided to each parent that shall include the opportunity to exempt his or her child from taking the PSAT/NMSQT or *ACT Aspire PLAN*.

(a) Test results will provide each high school with a database of student assessment data which certified school counselors will use to identify students who are prepared or who need additional work to be prepared to enroll and be successful in AP courses or other advanced high school courses.

(b) Funding for the PSAT/NMSQT or *ACT Aspire PLAN* for all 10th grade students shall be contingent upon annual funding in the General Appropriations Act.

(c) Public school districts must choose either the PSAT/NMSQT or *ACT Aspire PLAN* for districtwide administration.

(6) The partnership shall:

(j) Provide information to students, parents, teachers, counselors, administrators, districts, Florida College System institutions, and state universities regarding PSAT/NMSQT or *ACT Aspire PLAN* administration, including, but not limited to:

1. Test administration dates and times.
2. That participation in the PSAT/NMSQT or *ACT Aspire PLAN* is open to all 10th grade ~~10~~ students.
3. The value of such tests in providing diagnostic feedback on student skills.
4. The value of student scores in predicting the probability of success on AP or other advanced course examinations.

(8)(a) By September 30 of each year, the partnership shall submit to the department a report that contains an evaluation of the effectiveness of the delivered services and activities. Activities and services must be evaluated on their effectiveness at raising student achievement and increasing the number of AP or other advanced course examinations in low-performing middle and high schools. Other indicators that must be addressed in the evaluation report include the number of middle and high school teachers trained; the effectiveness of the training; measures of postsecondary readiness of the students affected by the program; levels of participation in 10th grade PSAT/NMSQT or *ACT Aspire PLAN* testing; and measures of student, parent, and teacher awareness of and satisfaction with the services of the partnership.

Section 25. Section 1009.893, Florida Statutes, is amended to read:

1009.893 *Benacquisto Scholarship Florida National Merit Scholar Incentive Program.*—

(1) As used in this section, the term:

(a) “Department” means the Department of Education.

(b) “*Scholarship Incentive program*” means the *Benacquisto Scholarship Florida National Merit Scholar Incentive Program*.

(2) The *Benacquisto Scholarship Florida National Merit Scholar Incentive Program* is created to reward any Florida high school graduate who receives recognition as a National Merit Scholar or National Achievement Scholar and who initially enrolls in the 2014-2015 academic year or, later, in a baccalaureate degree program at an eligible Florida public or independent postsecondary educational institution.

(3) The department shall administer the *scholarship incentive program* according to rules and procedures established by the State Board of Education. The department shall advertise the availability of the *scholarship incentive program* and notify students, teachers, parents, certified school counselors, and principals or other relevant school administrators of the criteria.

(4) In order to be eligible for an award under the *scholarship incentive program*, a student must:

(a) Be a state resident as determined in s. 1009.40 and rules of the State Board of Education;

(b) Earn a standard Florida high school diploma or its equivalent pursuant to s. 1002.3105, s. 1003.4281, s. 1003.4282, or s. 1003.435 unless:

1. The student completes a home education program according to s. 1002.41; or

2. The student earns a high school diploma from a non-Florida school while living with a parent who is on military or public service assignment out of this state;

(c) Be accepted by and enroll in a Florida public or independent postsecondary educational institution that is regionally accredited; and

(d) Be enrolled full-time in a baccalaureate degree program at an eligible regionally accredited Florida public or independent postsecondary educational institution during the fall academic term following high school graduation.

(5)(a) An eligible student who is a National Merit Scholar or National Achievement Scholar and who attends a Florida public postsecondary educational institution shall receive a *scholarship an incentive award* equal to the institutional cost of attendance minus the sum of the student’s Florida Bright Futures Scholarship and National Merit Scholarship or National Achievement Scholarship.

(b) An eligible student who is a National Merit Scholar or National Achievement Scholar and who attends a Florida independent postsecondary educational institution shall receive a *scholarship an incentive award* equal to the highest cost of attendance at a Florida public university, as reported by the Board of Governors of the State University System, minus the sum of the student’s Florida Bright Futures Scholarship and National Merit Scholarship or National Achievement Scholarship.

(6)(a) To be eligible for a renewal award, a student must earn all credits for which he or she was enrolled and maintain a 3.0 or higher grade point average.

(b) A student may receive the *scholarship incentive award* for a maximum of 100 percent of the number of credit hours required to complete a baccalaureate degree program, or until completion of a baccalaureate degree program, whichever comes first.

(7) The department shall annually issue awards from the *scholarship incentive program*. Before the registration period each semester, the department shall transmit payment for each award to the president

or director of the postsecondary educational institution, or his or her representative, except that the department may withhold payment if the receiving institution fails to report or to make refunds to the department as required in this section.

(a) Each institution shall certify to the department the eligibility status of each student to receive a disbursement within 30 days before the end of its regular registration period, inclusive of a drop and add period. An institution is not required to reevaluate the student eligibility after the end of the drop and add period.

(b) An institution that receives funds from the *scholarship incentive program* must certify to the department the amount of funds disbursed to each student and remit to the department any undisbursed advances within 60 days after the end of regular registration.

(c) If funds appropriated are not adequate to provide the maximum allowable award to each eligible student, awards must be prorated using the same percentage reduction.

(8) Funds from any award within the *scholarship incentive program* may not be used to pay for remedial coursework or developmental education.

(9) A student may use an award for a summer term if funds are available and appropriated by the Legislature.

(10) The department shall allocate funds to the appropriate institutions and collect and maintain data regarding the *scholarship incentive program* within the student financial assistance database as specified in s. 1009.94.

(11) Section 1009.40(4) does not apply to awards issued under this section.

(12) *A student who receives an award under the scholarship program shall be known as a Benacquisto Scholar.*

(13) *All eligible Florida public or independent postsecondary educational institutions are encouraged to become, and all eligible state universities shall become, college sponsors of the National Merit Scholarship Program.*

(14)(12) The State Board of Education shall adopt rules necessary to administer this section.

Section 26. Subsection (1) of section 1011.61, Florida Statutes, is amended to read:

1011.61 Definitions.—Notwithstanding the provisions of s. 1000.21, the following terms are defined as follows for the purposes of the Florida Education Finance Program:

(1) A “full-time equivalent student” in each program of the district is defined in terms of full-time students and part-time students as follows:

(a) A “full-time student” is one student on the membership roll of one school program or a combination of school programs listed in s. 1011.62(1)(c) for the school year or the equivalent for:

1. Instruction in a standard school, comprising not less than 900 net hours for a student in or at the grade level of 4 through 12, or not less than 720 net hours for a student in or at the grade level of kindergarten through grade 3 or in an authorized prekindergarten exceptional program; or

2. ~~Instruction in a double-session school or a school utilizing an experimental school calendar approved by the Department of Education, comprising not less than the equivalent of 810 net hours in grades 4 through 12 or not less than 630 net hours in kindergarten through grade 3; or~~

2.3. Instruction comprising the appropriate number of net hours set forth in subparagraph 1. ~~or subparagraph 2.~~ for students who, within the past year, have moved with their parents for the purpose of engaging in the farm labor or fish industries, if a plan furnishing such an extended school day or week, or a combination thereof, has been approved by the commissioner. Such plan may be approved to accommodate the needs of migrant students only or may serve all students in

schools having a high percentage of migrant students. The plan described in this subparagraph is optional for any school district and is not mandated by the state.

(b) A “part-time student” is a student on the active membership roll of a school program or combination of school programs listed in s. 1011.62(1)(c) who is less than a full-time student. *A student who receives instruction in a school that operates for less than the minimum term shall generate full-time equivalent student membership proportional to the amount of instructional hours provided by the school divided by the minimum term requirement as provided in s. 1011.60(2).*

(c)1. A “full-time equivalent student” is:

a. A full-time student in any one of the programs listed in s. 1011.62(1)(c); or

b. A combination of full-time or part-time students in any one of the programs listed in s. 1011.62(1)(c) which is the equivalent of one full-time student based on the following calculations:

(I) A full-time student in a combination of programs listed in s. 1011.62(1)(c) shall be a fraction of a full-time equivalent membership in each special program equal to the number of net hours per school year for which he or she is a member, divided by the appropriate number of hours set forth in subparagraph (a)1. ~~or subparagraph (a)2.~~ The difference between that fraction or sum of fractions and the maximum value as set forth in subsection (4) for each full-time student is presumed to be the balance of the student’s time not spent in a special program and shall be recorded as time in the appropriate basic program.

(II) A prekindergarten student with a disability shall meet the requirements specified for kindergarten students.

(III) A full-time equivalent student for students in kindergarten through grade 12 in a full-time virtual instruction program under s. 1002.45 or a virtual charter school under s. 1002.33 shall consist of six full-credit completions or the prescribed level of content that counts toward promotion to the next grade in programs listed in s. 1011.62(1)(c). Credit completions may be a combination of full-credit courses or half-credit courses. ~~Beginning in the 2016 2017 fiscal year, the reported full time equivalent students and associated funding of students enrolled in courses requiring passage of an end of course assessment under s. 1003.4282 to earn a standard high school diploma shall be adjusted if the student does not pass the end of course assessment. However, no adjustment shall be made for a student who enrolls in a segmented remedial course delivered online.~~

(IV) A full-time equivalent student for students in kindergarten through grade 12 in a part-time virtual instruction program under s. 1002.45 shall consist of six full-credit completions in programs listed in s. 1011.62(1)(c)1. and 3. Credit completions may be a combination of full-credit courses or half-credit courses. ~~Beginning in the 2016 2017 fiscal year, the reported full time equivalent students and associated funding of students enrolled in courses requiring passage of an end of course assessment under s. 1003.4282 to earn a standard high school diploma shall be adjusted if the student does not pass the end of course assessment. However, no adjustment shall be made for a student who enrolls in a segmented remedial course delivered online.~~

(V) A Florida Virtual School full-time equivalent student shall consist of six full-credit completions or the prescribed level of content that counts toward promotion to the next grade in the programs listed in s. 1011.62(1)(c)1. and 3. for students participating in kindergarten through grade 12 part-time virtual instruction and the programs listed in s. 1011.62(1)(c) for students participating in kindergarten through grade 12 full-time virtual instruction. Credit completions may be a combination of full-credit courses or half-credit courses. ~~Beginning in the 2016 2017 fiscal year, the reported full time equivalent students and associated funding of students enrolled in courses requiring passage of an end of course assessment under s. 1003.4282 to earn a standard high school diploma shall be adjusted if the student does not pass the end of course assessment. However, no adjustment shall be made for a student who enrolls in a segmented remedial course delivered online.~~

(VI) Each successfully completed full-credit course earned through an online course delivered by a district other than the one in which the student resides shall be calculated as 1/6 FTE.

(VII) A full-time equivalent student for courses requiring passage of a statewide, standardized end-of-course assessment under s. 1003.4282 to earn a standard high school diploma shall be defined and reported based on the number of instructional hours as provided in this subsection ~~until the 2016 2017 fiscal year. Beginning in the 2016 2017 fiscal year, the FTE for the course shall be assessment based and shall be equal to 1/6 FTE. The reported FTE shall be adjusted if the student does not pass the end of course assessment. However, no adjustment shall be made for a student who enrolls in a segmented remedial course delivered online.~~

(VIII) For students enrolled in a school district as a full-time student, the district may report 1/6 FTE for each student who passes a statewide, standardized end-of-course assessment without being enrolled in the corresponding course.

2. A student in membership in a program scheduled for more or less than 180 school days or the equivalent on an hourly basis as specified by rules of the State Board of Education is a fraction of a full-time equivalent membership equal to the number of instructional hours in membership divided by the appropriate number of hours set forth in subparagraph (a)1.; however, for the purposes of this subparagraph, membership in programs scheduled for more than 180 days is limited to students enrolled in:

a. Juvenile justice education programs.

b. The Florida Virtual School.

c. Virtual instruction programs and virtual charter schools for the purpose of course completion and credit recovery pursuant to ss. 1002.45 and 1003.498. Course completion applies only to a student who is reported during the second or third membership surveys and who does not complete a virtual education course by the end of the regular school year. The course must be completed no later than the deadline for amending the final student enrollment survey for that year. Credit recovery applies only to a student who has unsuccessfully completed a traditional or virtual education course during the regular school year and must re-take the course in order to be eligible to graduate with the student’s class.

The full-time equivalent student enrollment calculated under this subsection is subject to the requirements in subsection (4).

The department shall determine and implement an equitable method of equivalent funding for ~~experimental schools and for~~ schools operating under emergency conditions, which schools have been approved by the department to operate for less than the minimum *term as provided in s. 1011.60(2) school day.*

Section 27. Effective July 1, 2016, and upon the expiration of the amendments made to section 1011.62, Florida Statutes, by chapter 2015-222, Laws of Florida, paragraphs (e) and (o) of subsection (1), paragraph (a) of subsection (4), and present subsection (13) of that section are amended, present subsections (13), (14), and (15) of that section are renumbered as subsections (14), (15), and (16), respectively, and a new subsection (13) is added to that section, to read:

1011.62 Funds for operation of schools.—If the annual allocation from the Florida Education Finance Program to each district for operation of schools is not determined in the annual appropriations act or the substantive bill implementing the annual appropriations act, it shall be determined as follows:

(1) COMPUTATION OF THE BASIC AMOUNT TO BE INCLUDED FOR OPERATION.—The following procedure shall be followed in determining the annual allocation to each district for operation:

(e) Funding model for exceptional student education programs.—

1.a. The funding model uses basic, at-risk, support levels IV and V for exceptional students and career Florida Education Finance Program cost factors, and a guaranteed allocation for exceptional student education programs. Exceptional education cost factors are determined by

using a matrix of services to document the services that each exceptional student will receive. The nature and intensity of the services indicated on the matrix shall be consistent with the services described in each exceptional student's individual educational plan. The Department of Education shall review and revise the descriptions of the services and supports included in the matrix of services for exceptional students and shall implement those revisions before the beginning of the 2012-2013 school year.

b. In order to generate funds using one of the two weighted cost factors, a matrix of services must be completed at the time of the student's initial placement into an exceptional student education program and at least once every 3 years by personnel who have received approved training. Nothing listed in the matrix shall be construed as limiting the services a school district must provide in order to ensure that exceptional students are provided a free, appropriate public education.

c. Students identified as exceptional, in accordance with chapter 6A-6, Florida Administrative Code, who do not have a matrix of services as specified in sub-subparagraph b. shall generate funds on the basis of full-time-equivalent student membership in the Florida Education Finance Program at the same funding level per student as provided for basic students. Additional funds for these exceptional students will be provided through the guaranteed allocation designated in subparagraph 2.

2. For students identified as exceptional who do not have a matrix of services and students who are gifted in grades K through 8, there is created a guaranteed allocation to provide these students with a free appropriate public education, in accordance with s. 1001.42(4)(l) and rules of the State Board of Education, which shall be allocated *initially annually* to each school district in the amount provided in the General Appropriations Act. These funds shall be *supplemental in addition* to the funds appropriated for the basic funding level ~~on the basis of FTE student membership in the Florida Education Finance Program~~, and the amount allocated for each school district shall ~~not~~ be recalculated *once* during the year, *based on actual student membership from the October FTE survey. Upon recalculation, if the generated allocation is greater than the amount provided in the General Appropriations Act, the total shall be prorated to the level of the appropriation based on each district's share of the total recalculated amount.* These funds shall be used to provide special education and related services for exceptional students and students who are gifted in grades K through 8. ~~Beginning with the 2007-2008 fiscal year, A district's expenditure of funds from the guaranteed allocation for students in grades 9 through 12 who are gifted may not be greater than the amount expended during the 2006-2007 fiscal year for gifted students in grades 9 through 12.~~

(o) Calculation of additional full-time equivalent membership based on successful completion of a career-themed course pursuant to ss. 1003.491, 1003.492, and 1003.493, or courses with embedded CAPE industry certifications or CAPE Digital Tool certificates, and issuance of industry certification identified on the CAPE Industry Certification Funding List pursuant to rules adopted by the State Board of Education or CAPE Digital Tool certificates pursuant to s. 1003.4203.—

1.a. A value of 0.025 full-time equivalent student membership shall be calculated for CAPE Digital Tool certificates earned by students in elementary and middle school grades.

b. A value of 0.1 or 0.2 full-time equivalent student membership shall be calculated for each student who completes a course as defined in s. 1003.493(1)(b) or courses with embedded CAPE industry certifications and who is issued an industry certification identified annually on the CAPE Industry Certification Funding List approved under rules adopted by the State Board of Education. A value of 0.2 full-time equivalent membership shall be calculated for each student who is issued a CAPE industry certification that has a statewide articulation agreement for college credit approved by the State Board of Education. For CAPE industry certifications that do not articulate for college credit, the Department of Education shall assign a full-time equivalent value of 0.1 for each certification. Middle grades students who earn additional FTE membership for a CAPE Digital Tool certificate pursuant to sub-subparagraph a. may not use the previously funded examination to satisfy the requirements for earning an industry certification under this sub-subparagraph. Additional FTE membership for an elementary or middle grades student ~~may not~~ exceed 0.1 for

certificates or certifications earned within the same fiscal year. The State Board of Education shall include the assigned values on the CAPE Industry Certification Funding List under rules adopted by the state board. Such value shall be added to the total full-time equivalent student membership for grades 6 through 12 in the subsequent year ~~for courses that were not provided through dual enrollment~~. CAPE industry certifications earned through dual enrollment must be reported and funded pursuant to s. 1011.80. *However, if a student earns a certification through a dual enrollment course and the certification is not a fundable certification on the postsecondary certification funding list, or the dual enrollment certification is earned as a result of an agreement between a school district and a nonpublic postsecondary institution, the bonus value shall be funded in the same manner as other nondual enrollment course industry certifications. In such cases, the school district may provide for an agreement between the high school and the technical center, or the school district and the postsecondary institution may enter into an agreement for equitable distribution of the bonus funds.*

c. A value of 0.3 full-time equivalent student membership shall be calculated for student completion of the courses and the embedded certifications identified on the CAPE Industry Certification Funding List and approved by the commissioner pursuant to ss. 1003.4203(5)(a) and 1008.44.

d. A value of 0.5 full-time equivalent student membership shall be calculated for CAPE Acceleration Industry Certifications that articulate for 15 to 29 college credit hours, and 1.0 full-time equivalent student membership shall be calculated for CAPE Acceleration Industry Certifications that articulate for 30 or more college credit hours pursuant to CAPE Acceleration Industry Certifications approved by the commissioner pursuant to ss. 1003.4203(5)(b) and 1008.44.

2. Each district must allocate at least 80 percent of the funds provided for CAPE industry certification, in accordance with this paragraph, to the program that generated the funds. This allocation may not be used to supplant funds provided for basic operation of the program.

3. For CAPE industry certifications earned in the 2013-2014 school year and in subsequent years, the school district shall distribute to each classroom teacher who provided direct instruction toward the attainment of a CAPE industry certification that qualified for additional full-time equivalent membership under subparagraph 1.:

a. A bonus ~~in the amount~~ of \$25 for each student taught by a teacher who provided instruction in a course that led to the attainment of a CAPE industry certification on the CAPE Industry Certification Funding List with a weight of 0.1.

b. A bonus ~~in the amount~~ of \$50 for each student taught by a teacher who provided instruction in a course that led to the attainment of a CAPE industry certification on the CAPE Industry Certification Funding List with a weight of 0.2, ~~0.3, 0.5, and 1.0~~.

c. A bonus of \$75 for each student taught by a teacher who provided instruction in a course that led to the attainment of a CAPE industry certification on the CAPE Industry Certification Funding List with a weight of 0.3.

d. A bonus of \$100 for each student taught by a teacher who provided instruction in a course that led to the attainment of a CAPE industry certification on the CAPE Industry Certification Funding List with a weight of 0.5 or 1.0.

Bonuses awarded pursuant to this paragraph shall be provided to teachers who are employed by the district in the year in which the additional FTE membership calculation is included in the calculation. Bonuses shall be calculated based upon the associated weight of a CAPE industry certification on the CAPE Industry Certification Funding List for the year in which the certification is earned by the student. Any bonus awarded to a teacher under this paragraph may not exceed \$3,000 ~~\$2,000~~ in any given school year and is in addition to any regular wage or other bonus the teacher received or is scheduled to receive.

(4) COMPUTATION OF DISTRICT REQUIRED LOCAL EFFORT.—The Legislature shall prescribe the aggregate required local effort for all school districts collectively as an item in the General Appropriations Act for each fiscal year. The amount that each district shall provide annually toward the cost of the Florida Education Finance

Program for kindergarten through grade 12 programs shall be calculated as follows:

(a) Estimated taxable value calculations.—

1.a. Not later than 2 working days ~~before~~ ~~prior to~~ July 19, the Department of Revenue shall certify to the Commissioner of Education its most recent estimate of the taxable value for school purposes in each school district and the total for all school districts in the state for the current calendar year based on the latest available data obtained from the local property appraisers. The value certified shall be the taxable value for school purposes for that year, and no further adjustments shall be made, except those made pursuant to paragraphs (c) and (d), or an assessment roll change required by final judicial decisions as specified in paragraph (15)(b) ~~(14)(b)~~. Not later than July 19, the Commissioner of Education shall compute a millage rate, rounded to the next highest one one-thousandth of a mill, which, when applied to 96 percent of the estimated state total taxable value for school purposes, would generate the prescribed aggregate required local effort for that year for all districts. The Commissioner of Education shall certify to each district school board the millage rate, computed as prescribed in this subparagraph, as the minimum millage rate necessary to provide the district required local effort for that year.

b. The General Appropriations Act shall direct the computation of the statewide adjusted aggregate amount for required local effort for all school districts collectively from ad valorem taxes to ensure that no school district's revenue from required local effort millage will produce more than 90 percent of the district's total Florida Education Finance Program calculation as calculated and adopted by the Legislature, and the adjustment of the required local effort millage rate of each district that produces more than 90 percent of its total Florida Education Finance Program entitlement to a level that will produce only 90 percent of its total Florida Education Finance Program entitlement in the July calculation.

2. On the same date as the certification in sub-subparagraph 1.a., the Department of Revenue shall certify to the Commissioner of Education for each district:

a. Each year for which the property appraiser has certified the taxable value pursuant to s. 193.122(2) or (3), if applicable, since the prior certification under sub-subparagraph 1.a.

b. For each year identified in sub-subparagraph a., the taxable value certified by the appraiser pursuant to s. 193.122(2) or (3), if applicable, since the prior certification under sub-subparagraph 1.a. This is the certification that reflects all final administrative actions of the value adjustment board.

(13) **FEDERALLY CONNECTED STUDENT SUPPLEMENT.**—*The federally connected student supplement is created to provide supplemental funding for school districts to support the education of students connected with federally owned military installations, National Aeronautics and Space Administration (NASA) real property, and Indian lands. To be eligible for this supplement, the district must be eligible for federal Impact Aid Program funds under s. 8003 of Title VIII of the Elementary and Secondary Education Act of 1965. The supplement shall be allocated annually to each eligible school district in the amount provided in the General Appropriations Act. The supplement shall be the sum of the student allocation and an exempt property allocation.*

(a) *The student allocation shall be calculated based on the number of students reported for federal Impact Aid Program funds, including students with disabilities, who meet one of the following criteria:*

1. *The student has a parent who is on active duty in the uniformed services or is an accredited foreign government official and military officer. Students with disabilities shall also be reported separately for this category.*

2. *The student resides on eligible federally owned Indian land. Students with disabilities shall also be reported separately for this category.*

3. *The student resides with a civilian parent who lives or works on eligible federal property connected with a military installation or NASA. The number of these students shall be multiplied by a factor of 0.5.*

(b) *The total number of federally connected students calculated under paragraph (a) shall be multiplied by a percentage of the base student allocation as provided in the General Appropriations Act. The total of the number of students with disabilities as reported separately under subparagraphs (a)1. and (a)2. shall be multiplied by an additional percentage of the base student allocation as provided in the General Appropriations Act. The base amount and the amount for students with disabilities shall be summed to provide the student allocation.*

(c) *The exempt property allocation shall be equal to the tax-exempt value of federal impact aid lands reserved as military installations, real property owned by NASA, or eligible federally owned Indian lands located in the district, as of January 1 of the previous year, multiplied by the millage authorized and levied under s. 1011.71(2).*

(14)(13) **QUALITY ASSURANCE GUARANTEE.**—The Legislature may annually in the General Appropriations Act determine a percentage increase in funds per K-12 unweighted FTE as a minimum guarantee to each school district. The guarantee shall be calculated from prior year base funding per unweighted FTE student which shall include the adjusted FTE dollars as provided in subsection (15) ~~(14)~~, quality guarantee funds, and actual nonvoted discretionary local effort from taxes. From the base funding per unweighted FTE, the increase shall be calculated for the current year. The current year funds from which the guarantee shall be determined shall include the adjusted FTE dollars as provided in subsection (15) ~~(14)~~ and potential nonvoted discretionary local effort from taxes. A comparison of current year funds per unweighted FTE to prior year funds per unweighted FTE shall be computed. For those school districts which have less than the legislatively assigned percentage increase, funds shall be provided to guarantee the assigned percentage increase in funds per unweighted FTE student. Should appropriated funds be less than the sum of this calculated amount for all districts, the commissioner shall prorate each district's allocation. This provision shall be implemented to the extent specifically funded.

Section 28. Effective July 1, 2016, and upon the expiration of the amendments made to section 1011.71, Florida Statutes, by chapter 2015-222, Laws of Florida, subsection (1) of that section is amended to read:

1011.71 District school tax.—

(1) If the district school tax is not provided in the General Appropriations Act or the substantive bill implementing the General Appropriations Act, each district school board desiring to participate in the state allocation of funds for current operation as prescribed by s. 1011.62(15) ~~s. 1011.62(14)~~ shall levy on the taxable value for school purposes of the district, exclusive of millage voted under ~~the provisions of~~ s. 9(b) or s. 12, Art. VII of the State Constitution, a millage rate not to exceed the amount certified by the commissioner as the minimum millage rate necessary to provide the district required local effort for the current year, pursuant to s. 1011.62(4)(a)1. In addition to the required local effort millage levy, each district school board may levy a nonvoted current operating discretionary millage. The Legislature shall prescribe annually in the appropriations act the maximum amount of millage a district may levy.

Section 29. Subsection (2) of section 1012.42, Florida Statutes, is amended to read:

1012.42 Teacher teaching out-of-field.—

(2) **NOTIFICATION REQUIREMENTS.**—When a teacher in a district school system is assigned teaching duties in a class dealing with subject matter that is outside the field in which the teacher is certified, outside the field that was the applicant's minor field of study, or outside the field in which the applicant has demonstrated sufficient subject area expertise, as determined by district school board policy in the subject area to be taught, the parents of all students in the class shall be notified in writing of such assignment, and each school district shall report out-of-field teachers on the district's website within 30 days before the beginning of each semester. A parent whose student is assigned an out-of-field teacher may request that his or her child be transferred to an in-field classroom teacher within the school and grade in which the student is currently enrolled. The school district must approve or deny the parent's request and transfer the student to a different classroom

teacher within a reasonable period of time, not to exceed 2 weeks, if an in-field teacher for that course or grade level is employed by the school and the transfer does not violate maximum class size pursuant to s. 1003.03 and s. 1, Art. IX of the State Constitution. If a request for transfer is denied, the school must notify the parent and specify the reasons for the denial. An explanation of the transfer process must be made available in the student handbook or a similar publication. This subsection does not provide a parent the right to choose a specific teacher.

Section 30. Paragraph (b) of subsection (8) of section 1012.56, Florida Statutes, is amended to read:

1012.56 Educator certification requirements.—

(8) PROFESSIONAL DEVELOPMENT CERTIFICATION AND EDUCATION COMPETENCY PROGRAM.—

(b)1. Each school district must and a private school or state-supported ~~state-supported~~ public school, including a charter school, ~~or a private school~~ may develop and maintain a system by which members of the instructional staff may demonstrate mastery of professional preparation and education competence as required by law. Each program must be based on classroom application of the Florida Educator Accomplished Practices and instructional performance and, for public schools, must be aligned with the district's or state-supported public school's evaluation system established ~~approved~~ under s. 1012.34, as applicable.

2. The Commissioner of Education shall determine the continued approval of programs implemented under this paragraph, based upon the department's review of performance data. The department shall review the performance data as a part of the periodic review of each school district's professional development system required under s. 1012.98.

Section 31. Section 1012.583, Florida Statutes, is created to read:

1012.583 Continuing education and inservice training for youth suicide awareness and prevention.—

(1) Beginning with the 2016-2017 school year, the Department of Education, in consultation with the Statewide Office for Suicide Prevention and suicide prevention experts, shall develop a list of approved youth suicide awareness and prevention training materials that may be used for training in youth suicide awareness and prevention for instructional personnel in elementary school, middle school, and high school. The approved list of materials:

(a) Must include training on how to identify appropriate mental health services and how to refer youth and their families to those services.

(b) May include materials currently being used by a school district if such materials meet any criteria established by the department.

(c) May include programs that instructional personnel can complete through a self-review of approved youth suicide awareness and prevention materials.

(2) A school that chooses to incorporate 2 hours of training offered pursuant to this section shall be considered a "Suicide Prevention Certified School." The training must be included in the existing continuing education or inservice training requirements for instructional personnel and may not add to the total hours currently required by the department. A school that chooses to participate in the training must require all instructional personnel to participate.

(3) A school that participates in the suicide awareness and prevention training pursuant to this section must report its participation to the department. The department shall keep an updated record of all Suicide Prevention Certified Schools.

(4) A person has no cause of action for any loss or damage caused by an act or omission resulting from the implementation of this section or resulting from any training required by this section unless the loss or damage was caused by willful or wanton misconduct. This section does not create any new duty of care or basis of liability.

(5) The State Board of Education may adopt rules to implement this section.

Section 32. Paragraph (o) is added to subsection (1) of section 1012.795, Florida Statutes, and subsection (5) of that section is amended, to read:

1012.795 Education Practices Commission; authority to discipline.—

(1) The Education Practices Commission may suspend the educator certificate of any person as defined in s. 1012.01(2) or (3) for up to 5 years, thereby denying that person the right to teach or otherwise be employed by a district school board or public school in any capacity requiring direct contact with students for that period of time, after which the holder may return to teaching as provided in subsection (4); may revoke the educator certificate of any person, thereby denying that person the right to teach or otherwise be employed by a district school board or public school in any capacity requiring direct contact with students for up to 10 years, with reinstatement subject to the provisions of subsection (4); may revoke permanently the educator certificate of any person thereby denying that person the right to teach or otherwise be employed by a district school board or public school in any capacity requiring direct contact with students; may suspend the educator certificate, upon an order of the court or notice by the Department of Revenue relating to the payment of child support; or may impose any other penalty provided by law, if the person:

(o) Has committed a third recruiting offense as determined by the Florida High School Athletic Association (FHSAA) pursuant to s. 1006.20(2)(b).

(5) Each district school superintendent and the governing authority of each university lab school, state-supported school, ~~or~~ private school, and the FHSAA shall report to the department the name of any person certified pursuant to this chapter or employed and qualified pursuant to s. 1012.39:

(a) Who has been convicted of, or who has pled nolo contendere to, a misdemeanor, felony, or any other criminal charge, other than a minor traffic infraction;

(b) Who that official has reason to believe has committed or is found to have committed any act which would be a ground for revocation or suspension under subsection (1); or

(c) Who has been dismissed or severed from employment because of conduct involving any immoral, unnatural, or lascivious act.

Section 33. Subsections (3) and (7) of section 1012.796, Florida Statutes, are amended to read:

1012.796 Complaints against teachers and administrators; procedure; penalties.—

(3) The department staff shall advise the commissioner concerning the findings of the investigation and of all referrals by the Florida High School Athletic Association (FHSAA) pursuant to ss. 1006.20(2)(b) and 1012.795. The department general counsel or members of that staff shall review the investigation or the referral and advise the commissioner concerning probable cause or lack thereof. The determination of probable cause shall be made by the commissioner. The commissioner shall provide an opportunity for a conference, if requested, prior to determining probable cause. The commissioner may enter into deferred prosecution agreements in lieu of finding probable cause if, in his or her judgment, such agreements are in the best interests of the department, the certificateholder, and the public. Such deferred prosecution agreements shall become effective when filed with the clerk of the Education Practices Commission. However, a deferred prosecution agreement shall not be entered into if there is probable cause to believe that a felony or an act of moral turpitude, as defined by rule of the State Board of Education, has occurred, or for referrals by the FHSAA. Upon finding no probable cause, the commissioner shall dismiss the complaint.

(7) A panel of the commission shall enter a final order either dismissing the complaint or imposing one or more of the following penalties:

(a) Denial of an application for a teaching certificate or for an administrative or supervisory endorsement on a teaching certificate. The denial may provide that the applicant may not reapply for certification, and that the department may refuse to consider that applicant's application, for a specified period of time or permanently.

(b) Revocation or suspension of a certificate.

(c) Imposition of an administrative fine not to exceed \$2,000 for each count or separate offense.

(d) Placement of the teacher, administrator, or supervisor on probation for a period of time and subject to such conditions as the commission may specify, including requiring the certified teacher, administrator, or supervisor to complete additional appropriate college courses or work with another certified educator, with the administrative costs of monitoring the probation assessed to the educator placed on probation. An educator who has been placed on probation shall, at a minimum:

1. Immediately notify the investigative office in the Department of Education upon employment or termination of employment in the state in any public or private position requiring a Florida educator's certificate.

2. Have his or her immediate supervisor submit annual performance reports to the investigative office in the Department of Education.

3. Pay to the commission within the first 6 months of each probation year the administrative costs of monitoring probation assessed to the educator.

4. Violate no law and shall fully comply with all district school board policies, school rules, and State Board of Education rules.

5. Satisfactorily perform his or her assigned duties in a competent, professional manner.

6. Bear all costs of complying with the terms of a final order entered by the commission.

(e) Restriction of the authorized scope of practice of the teacher, administrator, or supervisor.

(f) Reprimand of the teacher, administrator, or supervisor in writing, with a copy to be placed in the certification file of such person.

(g) Imposition of an administrative sanction, upon a person whose teaching certificate has expired, for an act or acts committed while that person possessed a teaching certificate or an expired certificate subject to late renewal, which sanction bars that person from applying for a new certificate for a period of 10 years or less, or permanently.

(h) Refer the teacher, administrator, or supervisor to the recovery network program provided in s. 1012.798 under such terms and conditions as the commission may specify.

The penalties imposed under this subsection are in addition to, and not in lieu of, the penalties required for a third recruiting offense pursuant to s. 1006.20(2)(b).

Section 34. Section 1013.385, Florida Statutes, is created to read:

1013.385 School district construction flexibility.—

(1) A district school board may, with a supermajority vote at a public meeting that begins no earlier than 5 p.m., adopt a resolution to implement one or more of the exceptions to the educational facilities construction requirements provided in this section. Before voting on the resolution, a district school board must conduct a cost-benefit analysis prepared according to a professionally accepted methodology that describes how each exception selected by the district school board achieves cost savings, improves the efficient use of school district resources, and impacts the life-cycle costs and life span for each educational facility to be constructed, as applicable, and demonstrates that implementation of the exception will not compromise student safety or the quality of student instruction. The district school board must conduct at least one public workshop to discuss and receive public comment on the proposed re-

solution and cost-benefit analysis, which must begin no earlier than 5 p.m. and may occur at the same meeting at which the resolution will be voted upon.

(2) A resolution adopted under this section may propose implementation of exceptions to requirements of the uniform statewide building code for the planning and construction of public educational and ancillary plants adopted pursuant to ss. 553.73 and 1013.37 relating to:

(a) Interior non-load-bearing walls, by approving the use of fire-rated wood stud walls in new construction or remodeling for interior non-load-bearing wall assemblies that will not be exposed to water or located in wet areas.

(b) Walkways, roadways, driveways, and parking areas, by approving the use of designated, stabilized, and well-drained gravel or grassed student parking areas.

(c) Standards for relocatables used as classroom space, as specified in s. 1013.20, by approving construction specifications for installation of relocatable buildings that do not have covered walkways leading to the permanent buildings onsite.

(d) Site lighting, by approving construction specifications regarding site lighting that:

1. Do not provide for lighting of gravel or grassed auxiliary or student parking areas.

2. Provide lighting for walkways, roadways, driveways, paved parking lots, exterior stairs, ramps, and walkways from the exterior of the building to a public walkway through installation of a timer that is set to provide lighting only during periods when the site is occupied.

3. Allow lighting for building entrances and exits to be installed with a timer that is set to provide lighting only during periods in which the building is occupied. The minimum illumination level at single-door exits may be reduced to no less than 1 foot-candle.

Section 35. *Notwithstanding s. 1002.69(5), Florida Statutes, for the 2014-2015 and 2015-2016 Voluntary Prekindergarten Education Program years, the office shall not adopt a kindergarten readiness rate. Any private prekindergarten provider or public school that was on probation pursuant to s. 1002.67(4)(c), Florida Statutes, for the 2013-2014 program year shall remain on probation until the provider or school meets the minimum rate adopted by the office. This section expires July 1, 2017.*

Section 36. Effective upon this act becoming a law, subsection (8) of section 1012.33, Florida Statutes, is amended to read:

1012.33 Contracts with instructional staff, supervisors, and school principals.—

(8) *Notwithstanding any other provision of law, a retired member may interrupt retirement and be reemployed in any public school as instructional personnel under a 1-year probationary contract as defined in s. 1012.335(1). If the retiree successfully completes the probationary contract, the district school board may reemploy the retiree under an annual contract as defined in s. 1012.335(1). The retiree is not eligible for a professional service contract. ~~A member reemployed by the same district from which he or she retired may be employed on a probationary contractual basis as provided in subsection (1).~~*

Section 37. Section 413.207, Florida Statutes, is amended to read:

413.207 Division of Vocational Rehabilitation; quality assurance; performance improvement plan.—

(1) The Division of Vocational Rehabilitation shall maintain an internal system of quality assurance, have proven functional systems, perform due diligence, review provider systems of quality assurance, and be subject to monitoring for compliance with state and federal laws, rules, and regulations.

(2) *No later than October 1, 2016, the division shall develop and implement a performance improvement plan designed to achieve the following goals:*

- (a) *Decrease the average wait list time for reportable individuals.*
- (b) *Increase the percentage of participants who are in unsubsidized employment during the second quarter after they exit the program.*
- (c) *Increase the percentage of participants who are in unsubsidized employment during the fourth quarter after they exit the program.*
- (d) *Increase the number of persons earning CAPE industry certifications and CAPE postsecondary industry certifications approved pursuant to s. 1008.44.*
- (e) *Increase the median earnings of participants who are in unsubsidized employment during the second quarter after they exit the program.*
- (f) *Increase the percentage of participants who obtained a recognized postsecondary credential or a secondary school diploma or its recognized equivalent during participation in, or within 1 year after they exit, the program.*
- (g) *Increase the percentage of youth who received preemployment transition services without applying for additional vocational rehabilitation services and who obtained a recognized postsecondary credential or a secondary school diploma or its recognized equivalent during participation in, or within 1 year after they exit, the program.*
- (h) *Increase the percentage of participants who, during a program year, are in an education or training program that leads to a recognized postsecondary credential or to employment and who are achieving a measurable gain of skill, including documented academic, technical, occupational gains or other forms of progress toward a postsecondary credential or employment.*
- (i) *Increase the number of students receiving preemployment transition services.*
- (j) *Increase the division's effectiveness in serving employers, based on indicators developed as required by section 116(b)(2)(A)(iv) of the federal Workforce Innovation and Opportunity Act.*

(3) *The goals established under subsection (2) must be designed to elevate the state vocational rehabilitation program to one of the top 10 in the nation.*

(4) *By December 1 of each year, the division shall submit a performance report to the Governor, the President of the Senate, and the Speaker of the House of Representatives which includes the following information for each of the 5 most recent fiscal years:*

- (a) *Caseload data, including the number of individuals who apply for services and who receive services, by service type, reported statewide and by service area.*
- (b) *Service use data, by service type, including the number of units of service provided, statewide and by service area.*
- (c) *Financial data, by service type, including expenditures for administration and the provision of services. Expenditure data shall be reported on a statewide basis and by service area, and expenditures for education-related services must be identified in specific categories such as tuition and fees, program fees, and support services.*
- (d) *Outcome data, statewide and by service area, including the number of cases closed without employment and the number of cases closed with employment. Employment data must be provided separately for supported employment.*

Section 38. Subsection (1) of section 1003.44, Florida Statutes, is amended to read:

1003.44 Patriotic programs; rules.—

(1) Each district school board may adopt rules to require, in all of the schools of the district, programs of a patriotic nature to encourage greater respect for the government of the United States and its national anthem and flag, subject always to other existing pertinent laws of the United States or of the state. When the national anthem is played, students and all civilians shall stand at attention, men removing the

headdress, except when such headdress is worn for religious purposes. The pledge of allegiance to the flag, "I pledge allegiance to the flag of the United States of America and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all," shall be rendered by students standing with the right hand over the heart. The pledge of allegiance to the flag shall be recited at the beginning of the day in each public elementary, middle, and high school in the state. Each student shall be informed by a *written notice published in the student handbook or a similar publication pursuant to s. 1006.07(2) posting a notice in a conspicuous place* that the student has the right not to participate in reciting the pledge. Upon written request by his or her parent, the student must be excused from reciting the pledge, *including standing and placing the right hand over his or her heart*. When the pledge is given, *unexcused students* ~~civilians~~ must show full respect to the flag by standing at attention, men removing the headdress, except when such headdress is worn for religious purposes, as provided by Pub. L. ch. 77-435, s. 7, approved June 22, 1942, 56 Stat. 377, as amended by Pub. L. ch. 77-806, 56 Stat. 1074, approved December 22, 1942.

Section 39. Subsection (1) of section 1002.59, Florida Statutes, is amended to read:

1002.59 Emergent literacy and performance standards training courses.—

(1) The office shall adopt minimum standards for one or more training courses in emergent literacy for prekindergarten instructors. Each course must comprise 5 clock hours and provide instruction in *explicit, systematic, and multisensory instruction strategies and techniques* to address the age-appropriate progress of prekindergarten students in developing emergent literacy skills, including oral communication, knowledge of print and letters, phonemic and phonological awareness, and vocabulary and comprehension development. Each course must *address early identification of and intervention for students experiencing difficulties with emergent literacy skills and* ~~also~~ provide resources containing strategies that allow students with disabilities and other special needs to derive maximum benefit from the Voluntary Prekindergarten Education Program. Successful completion of an emergent literacy training course approved under this section satisfies requirements for approved training in early literacy and language development under ss. 402.305(2)(d)5., 402.313(6), and 402.3131(5).

Section 40. Paragraphs (a) and (c) of subsection (3) of section 1002.67, Florida Statutes, are amended, and paragraphs (d), (e), and (f) are added to that subsection, to read:

1002.67 Performance standards; curricula and accountability.—

(3)

(a) Contingent upon legislative appropriation, each private prekindergarten provider and public school in the Voluntary Prekindergarten Education Program must implement an evidence-based pre- and post-assessment that has been approved by ~~the office~~ ~~rule of the State Board of Education~~.

(c) The pre- and post-assessment must be administered by individuals meeting requirements established by ~~the office~~ ~~rule of the State Board of Education~~.

(d) *Students who exhibit a deficiency in emergent literacy skills, including oral communication, knowledge of print and letters, phonemic and phonological awareness, and vocabulary and comprehension development, must be provided intensive, explicit, and systematic instruction.*

(e) *The office shall identify by rule guidelines for determining whether a student has exhibited a deficiency in emergent literacy skills.*

(f) *The office shall provide examples of appropriate instructional strategies and supports to remediate identified deficiencies in emergent literacy skills.*

Section 41. Paragraph (b) of subsection (2), paragraph (a) of subsection (4), and subsection (5) of section 1004.04, Florida Statutes, are amended to read:

1004.04 Public accountability and state approval for teacher preparation programs.—

(2) UNIFORM CORE CURRICULA AND CANDIDATE ASSESSMENT.—

(b) The rules to establish uniform core curricula for each state-approved teacher preparation program must include, but are not limited to, the following:

1. The Florida Educator Accomplished Practices.
2. The state-adopted content standards.
3. Scientifically researched *and evidence-based* reading instruction strategies, including explicit, systematic, and multisensory approaches to reading instruction and intervention that are proven to improve reading performance for all students.
4. Content literacy and mathematics practices.
5. Strategies appropriate for the instruction of English language learners.
6. Strategies appropriate for the instruction of students with disabilities.
7. School safety.

(4) CONTINUED PROGRAM APPROVAL.—Continued approval of a teacher preparation program shall be based upon evidence that the program continues to implement the requirements for initial approval and upon significant, objective, and quantifiable measures of the program and the performance of the program completers.

(a) The criteria for continued approval must include each of the following:

1. Documentation ~~from the program~~ that each program candidate met the admission requirements provided in subsection (3).
2. Documentation ~~from the program~~ that the program and each program completer have met the requirements provided in subsection (2).
3. *Documentation that each program completer received instruction in technology literacy through the program's content-area and pedagogy coursework, including instructional strategies for using media and technology to support subject-matter understanding.*
4. ~~3.~~ Evidence of performance in each of the following areas:
 - a. Placement rate of program completers into instructional positions in Florida public schools and private schools, if available.
 - b. Rate of retention for employed program completers in instructional positions in Florida public schools.
 - c. Performance of students in prekindergarten through grade 12 who are assigned to in-field program completers on statewide assessments using the results of the student learning growth formula adopted under s. 1012.34.
 - d. Performance of students in prekindergarten through grade 12 who are assigned to in-field program completers aggregated by student subgroup, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II), as a measure of how well the program prepares teachers to work with a diverse population of students in a variety of settings in Florida public schools.
 - e. Results of program completers' annual evaluations in accordance with the timeline as set forth in s. 1012.34.
 - f. Production of program completers in statewide critical teacher shortage areas as identified in s. 1012.07.

(5) PRESERVICE FIELD EXPERIENCE.—All postsecondary instructors, school district personnel and instructional personnel, and school sites preparing instructional personnel through preservice field experience courses and internships shall meet special requirements.

District school boards may pay student teachers during their internships. *For purposes of this subsection, "specialized training in clinical supervision" and "clinical educator training" must include content-specific strategies for integrating media and emerging technologies into classroom and online instruction.*

(a) All individuals in postsecondary teacher preparation programs who instruct or supervise preservice field experience courses or internships in which a candidate demonstrates his or her impact on student learning growth shall have the following: specialized training in clinical supervision; at least 3 years of successful, relevant pre-kindergarten through grade 12 teaching, student services, or school administration experience; and an annual demonstration of experience in a relevant prekindergarten through grade 12 school setting as defined by State Board of Education rule.

(b)1. All school district personnel and instructional personnel who supervise or direct teacher preparation students during field experience courses or internships taking place in this state in which candidates demonstrate an impact on student learning growth must have evidence of "clinical educator" training, a valid professional certificate issued pursuant to s. 1012.56, and at least 3 years of teaching experience in prekindergarten through grade 12 and must have earned an effective or highly effective rating on the prior year's performance evaluation under s. 1012.34 or be a peer evaluator under the district's evaluation system approved under s. 1012.34. The State Board of Education shall approve the training requirements.

2. All instructional personnel who supervise or direct teacher preparation students during field experience courses or internships in another state, in which a candidate demonstrates his or her impact on student learning growth, through a Florida online or distance program must have received "clinical educator" training or its equivalent in that state, hold a valid professional certificate issued by the state in which the field experience takes place, and have at least 3 years of teaching experience in prekindergarten through grade 12.

3. All instructional personnel who supervise or direct teacher preparation students during field experience courses or internships, in which a candidate demonstrates his or her impact on student learning growth, on a United States military base in another country through a Florida online or distance program must have received "clinical educator" training or its equivalent, hold a valid professional certificate issued by the United States Department of Defense or a state or territory of the United States, and have at least 3 years teaching experience in prekindergarten through grade 12.

(c) Preservice field experience must include candidate practice and demonstration of the uniform core curricula specific to the candidates' area or areas of program concentration with a diverse population of students in a variety of settings, *including instructional strategies for using media and technology to support subject-matter understanding.* The length of structured field experiences may be extended to ensure that candidates achieve the competencies needed to meet certification requirements.

(d) Postsecondary teacher preparation programs in cooperation with district school boards and approved private school associations shall select the school sites for preservice field experience activities based upon the qualifications of the supervising personnel as described in this subsection and the needs of the candidates. These sites must represent the full spectrum of school communities, including, but not limited to, schools located in urban settings. In order to be selected, school sites must demonstrate commitment to the education of public school students and to the preparation of future teachers.

Section 42. Paragraph (a) of subsection (3) of section 1004.85, Florida Statutes, is amended, and paragraph (c) is added to subsection (4) of that section, to read:

1004.85 Postsecondary educator preparation institutes.—

(3) Educator preparation institutes approved pursuant to this section may offer competency-based certification programs specifically designed for noneducation major baccalaureate degree holders to enable program participants to meet the educator certification requirements of s. 1012.56. An educator preparation institute choosing to offer a competency-based certification program pursuant to the provisions of this

section must implement a program previously approved by the Department of Education for this purpose or a program developed by the institute and approved by the department for this purpose. Approved programs shall be available for use by other approved educator preparation institutes.

(a) Within 90 days after receipt of a request for approval, the Department of Education shall approve a preparation program pursuant to the requirements of this subsection or issue a statement of the deficiencies in the request for approval. The department shall approve a certification program if the institute provides evidence of the institute's capacity to implement a competency-based program that includes each of the following:

- 1.a. Participant instruction and assessment in the Florida Educator Accomplished Practices.
- b. The state-adopted student content standards.
- c. Scientifically researched *and evidence-based* reading instruction strategies, including explicit, systematic, and multisensory approaches to reading instruction and intervention that are proven to improve reading performance for all students.
- d. Content literacy and mathematical practices.
- e. Strategies appropriate for instruction of English language learners.
- f. Strategies appropriate for instruction of students with disabilities.
- g. School safety.

2. An educational plan for each participant to meet certification requirements and demonstrate his or her ability to teach the subject area for which the participant is seeking certification, which is based on an assessment of his or her competency in the areas listed in subparagraph 1.

3. Field experiences appropriate to the certification subject area specified in the educational plan with a diverse population of students in a variety of settings under the supervision of qualified educators.

4. A certification ombudsman to facilitate the process and procedures required for participants who complete the program to meet any requirements related to the background screening pursuant to s. 1012.32 and educator professional or temporary certification pursuant to s. 1012.56.

(4) Continued approval of each program approved pursuant to this section shall be determined by the Commissioner of Education based upon a periodic review of the following areas:

(c) *Documentation that each program completer received instruction in technology literacy through the program's content-area and pedagogy coursework, including instructional strategies for using media and technology to support subject-matter understanding.*

Section 43. Subsection (3) and paragraphs (a) and (c) of subsection (5), of section 1008.25, Florida Statutes, are amended, and paragraph (c) is added to subsection (4) of that section, to read:

1008.25 Public school student progression; student support; reporting requirements.—

(3) ALLOCATION OF RESOURCES.—District school boards shall allocate remedial and supplemental instruction resources to students in the following priority:

(a) ~~Students in kindergarten through grade 3 who have a substantial deficiency are deficient in reading as determined in paragraph (5)(a) by the end of grade 3.~~

(b) Students who fail to meet performance levels required for promotion consistent with the district school board's plan for student progression required in ~~subsection (2) paragraph (2)(b).~~

(4) ASSESSMENT AND SUPPORT.—

(c) *A student who has a substantial reading deficiency as determined in paragraph (5)(a) must be covered by a federally required student plan such as an individual education plan or an individualized progress monitoring plan, or both, as necessary.*

(5) READING DEFICIENCY AND PARENTAL NOTIFICATION.—

(a) Any student *in kindergarten through grade 3* who exhibits a substantial deficiency in reading, based upon *screening, diagnostic, progress monitoring, or assessment data; locally determined or statewide assessments; conducted in kindergarten or grade 1, grade 2, or grade 3, or through* teacher observations, must be *provided given* intensive, explicit, systematic, and multisensory reading interventions ~~instruction~~ immediately following the identification of the reading deficiency. *A school may not wait for a student to receive a failing grade at the end of a grading period to identify the student as having a substantial reading deficiency and initiate intensive reading interventions. The student's reading proficiency must be monitored and the intensive interventions instruction must continue until the student demonstrates grade level proficiency in a manner determined by the district, which may include achieving a Level 3 on the statewide, standardized English Language Arts assessment. The State Board of Education shall identify by rule guidelines for determining whether a student in kindergarten through grade 3 has a substantial deficiency in reading.*

(c) The parent of any student who exhibits a substantial deficiency in reading, as described in paragraph (a), must be notified in writing of the following:

1. That his or her child has been identified as having a substantial deficiency in reading, *including a description and explanation, in terms understandable to the parent, of the exact nature of the student's difficulty in learning and lack of achievement in reading.*

2. A description of the current services that are provided to the child.

3. A description of the proposed *intensive interventions supplemental instructional services* and supports that will be provided to the child that are designed to remediate the identified area of reading deficiency.

4. That if the child's reading deficiency is not remediated by the end of grade 3, the child must be retained unless he or she is exempt from mandatory retention for good cause.

5. *Opportunities to observe effective instruction and intervention strategies in the classroom; receive literacy instruction from the school or through community adult literacy initiatives; and receive strategies, including multisensory strategies, through a read-at-home plan the parent can for parents to use in helping his or her their child succeed in reading proficiency.*

6. That the statewide, standardized English Language Arts assessment is not the sole determiner of promotion and that additional evaluations, portfolio reviews, and assessments are available to the child to assist parents and the school district in knowing when a child is reading at or above grade level and ready for grade promotion.

7. The district's specific criteria and policies for a portfolio as provided in subparagraph (6)(b)4. and the evidence required for a student to demonstrate mastery of Florida's academic standards for English Language Arts. A parent of a student in grade 3 who is identified anytime during the year as being at risk of retention may request that the school immediately begin collecting evidence for a portfolio.

8. The district's specific criteria and policies for midyear promotion. Midyear promotion means promotion of a retained student at any time during the year of retention once the student has demonstrated ability to read at grade level.

After initial notification, the school shall apprise the parent, at least monthly, of the student's growth toward meeting goals based on the student's grade level. These communications must explain any additional interventions or supports that will be used to accelerate the student's progress if the interventions and supports already being implemented have not resulted in improvement.

Section 44. Subsection (2) of section 1011.67, Florida Statutes, is amended to read:

1011.67 Funds for instructional materials.—

(2) Annually by July 1 and ~~before~~ ~~prior to~~ the release of instructional materials funds, each district school superintendent shall certify to the Commissioner of Education that the district school board has approved a comprehensive staff development plan that supports fidelity of implementation of instructional materials programs, ~~including—The report shall include~~ verification that training was provided; ~~and~~ that the materials are being implemented as designed; ~~and, beginning July 1, 2020, for core reading materials and reading intervention materials used in kindergarten through grade 5, that the materials incorporate explicit, systematic, sequential, and multisensory approaches to teaching phonemic awareness, phonics, vocabulary, fluency, and text comprehension and incorporate decodable or phonetic text instructional strategies. This paragraph does not preclude school districts from purchasing or using other materials to supplement reading instruction and provide additional skills practice.~~

Section 45. Paragraph (a) of subsection (3) of section 1012.585, Florida Statutes, is amended, and paragraph (f) is added to that subsection, to read:

1012.585 Process for renewal of professional certificates.—

(3) For the renewal of a professional certificate, the following requirements must be met:

(a) The applicant must earn a minimum of 6 college credits or 120 inservice points or a combination thereof. For each area of specialization to be retained on a certificate, the applicant must earn at least 3 of the required credit hours or equivalent inservice points in the specialization area. Education in “clinical educator” training pursuant to s. 1004.04(5)(b) and credits or points that provide training in the area of scientifically researched, knowledge-based reading literacy, *including explicit, systematic, and multisensory approaches to reading instruction and intervention; and computational skills acquisition;* exceptional student education; normal child development; and the disorders of development may be applied toward any specialization area. Credits or points that provide training in the areas of drug abuse, child abuse and neglect, strategies in teaching students having limited proficiency in English, or dropout prevention, or training in areas identified in the educational goals and performance standards adopted pursuant to ss. 1000.03(5) and 1008.345 may be applied toward any specialization area, *except specialization areas identified by State Board of Education rule that include reading instruction or intervention for any students in kindergarten through grade 6.* Credits or points earned through approved summer institutes may be applied toward the fulfillment of these requirements. Inservice points may also be earned by participation in professional growth components approved by the State Board of Education and specified pursuant to s. 1012.98 in the district’s approved master plan for inservice educational training; *however, such points may not be used to satisfy the specialization requirements of this paragraph; including, but not limited to, serving as a trainer in an approved teacher training activity, serving on an instructional materials committee or a state board or commission that deals with educational issues, or serving on an advisory council created pursuant to s. 1001.452.*

(f) *An applicant for renewal of a professional certificate in any area of certification identified by State Board of Education rule that includes reading instruction or intervention for any students in kindergarten through grade 6, with a beginning validity date of July 1, 2019, or thereafter, must earn a minimum of 2 college credits or the equivalent inservice points in the use of explicit, systematic, and multisensory approaches to reading instruction and intervention. Such training must be provided by teacher preparation programs under s. 1004.04 or s. 1004.85 or approved school district professional development systems under s. 1012.98. The requirements in this paragraph may not add to the total hours required by the department for continuing education or inservice training.*

Section 46. Subsection (1) of section 1012.586, Florida Statutes, is amended to read:

1012.586 Additions or changes to certificates; duplicate certificates.—A school district may process via a Department of Education

website certificates for the following applications of public school employees:

(1) Addition of a subject coverage or endorsement to a valid Florida certificate on the basis of the completion of the appropriate subject area testing requirements of s. 1012.56(5)(a) or the completion of the requirements of an approved school district program or the inservice components for an endorsement.

(a) *To reduce duplication, the department may recommend the consolidation of endorsement areas and requirements to the State Board of Education.*

(b) *By July 1, 2017, and at least once every 5 years thereafter, the department shall conduct a review of existing subject coverage or endorsement requirements in the elementary, reading, and exceptional student educational areas. The review must include reciprocity requirements for out-of-state certificates; requirements for demonstrating competency in instruction or intervention strategies proven to improve student reading performance, including explicit, systematic, and multisensory approaches to reading instruction and intervention; and effective methods for identifying characteristics of conditions such as dyslexia and other causes of diminished phonological processing skills. At the conclusion of each review, the department shall recommend to the state board changes to the subject coverage or endorsement requirements based upon any identified instruction or intervention strategies proven to improve student reading performance, including the strategies and methods enumerated in this paragraph. This paragraph does not authorize the state board to establish any new certification subject coverage.*

The employing school district shall charge the employee a fee not to exceed the amount charged by the Department of Education for such services. Each district school board shall retain a portion of the fee as defined in the rules of the State Board of Education. The portion sent to the department shall be used for maintenance of the technology system, the web application, and posting and mailing of the certificate.

Section 47. Section 1003.432, Florida Statutes, is created to read:

1003.432 *Florida Seal of Biliteracy Program for high school graduates.—*

(1) *As used in this section, the term:*

(a) *“Biliteracy” means attainment of a high level of competency in listening, speaking, reading, and writing in one or more foreign languages in addition to English, which is signified on a high school graduate’s diploma and transcript as either a Gold Seal of Biliteracy or a Silver Seal of Biliteracy.*

(b) *“Foreign language” means a language other than English and includes American Sign Language, classical languages, and indigenous languages.*

(c) *“Gold” means the highest level of competency certified by the Florida Seal of Biliteracy Program.*

(d) *“Silver” means the second-highest level of competency certified by the Florida Seal of Biliteracy Program.*

(2) *The Florida Seal of Biliteracy Program is established to recognize a high school graduate who has attained a high level of competency in listening, speaking, reading, and writing in one or more foreign languages in addition to English. The Commissioner of Education shall award the Seal of Biliteracy upon graduation to a high school student who meets the qualifications in this section. The seal must differentiate between two levels of competency, designated as Gold and Silver, which must be at least as rigorous as is recommended in the biliteracy seal guidelines established by national organizations supporting foreign languages instruction.*

(3) *The purpose of the Florida Seal of Biliteracy Program is to:*

(a) *Encourage students to study foreign languages.*

(b) *Certify attainment of biliteracy.*

(c) Provide employers with a method of identifying an individual with biliteracy skills who is seeking employment.

(d) Provide a postsecondary institution with a method of recognizing an applicant with biliteracy skills who is seeking admission to the postsecondary institution.

(e) Recognize and promote foreign language instruction in public schools.

(f) Affirm the value of diversity, honor multiple cultures and foreign languages, and strengthen the relationships between multiple cultures in a community.

(4) Beginning with the 2016-2017 school year, the Gold Seal of Biliteracy or the Silver Seal of Biliteracy must be awarded to a high school student who has earned a standard high school diploma and who:

(a) Has earned four foreign language course credits in the same foreign language with a cumulative 3.0 grade point average or higher on a 4.0 scale;

(b) Has achieved a qualifying score on a foreign language assessment; or

(c) Has satisfied alternative requirements as determined by the State Board of Education pursuant to subsection (8).

(5) The Commissioner of Education shall:

(a) Prepare and provide to each school district an appropriate insignia to be affixed to the student's diploma indicating that the student has been awarded the Gold Seal of Biliteracy or the Silver Seal of Biliteracy.

(b) Provide information necessary for a school district to successfully implement the program.

(6) Each school district shall:

(a) Maintain appropriate records to identify a student who has met the requirements to receive the Gold Seal of Biliteracy or the Silver Seal of Biliteracy.

(b) Provide the Commissioner of Education with the number of students who have met the requirements to receive the Gold Seal of Biliteracy or the Silver Seal of Biliteracy.

(c) Affix the appropriate insignia to the student's diploma and indicate on the student's transcript that the student has earned the Gold Seal of Biliteracy or the Silver Seal of Biliteracy.

(7) A school district or the Department of Education may not charge a fee for the Gold Seal of Biliteracy or the Silver Seal of Biliteracy.

(8) The State Board of Education shall adopt rules to implement this section. Such rules, at a minimum, must include:

(a) A process to confirm a student's successful completion of the requirements in subsection (4).

(b) The assessments and corresponding passing scores required to earn the Gold Seal of Biliteracy or the Silver Seal of Biliteracy, which may not be lower than the passing scores on at least one of the following:

1. An International Baccalaureate examination in the foreign language;

2. An Advanced Placement examination in the foreign language;

3. An SAT Subject Test examination in the foreign language; or

4. An Advanced International Certificate of Education examination in the foreign language.

(c) Alternative requirements a student may satisfy to demonstrate equivalent competency in a foreign language, including requirements a student whose native language is not English may satisfy to demonstrate competency in his or her native language to earn the Gold Seal of Biliteracy or the Silver Seal of Biliteracy.

(d) A process to award foreign language course credits to a student who was not enrolled in a foreign language course or who did not complete the course but has demonstrated competency in a foreign language as provided in this subsection.

And the title is amended as follows:

Remove lines 3643-3912 of the amendment and insert: a controlled open enrollment process; providing criteria for the process; prohibiting a school district from delaying or preventing a student who participates in controlled open enrollment from being immediately eligible to participate in certain activities; prohibiting a student from participating in a sport under certain circumstances; providing exemptions; amending s. 1002.33, F.S.; making technical changes relating to requirements for the creation of a virtual charter school; conforming cross-references; requiring a charter school to notify a parent if his or her child exhibits a substantial deficiency in reading; revising required contents of charter school applications; specifying that a sponsor may not require a charter school to adopt the sponsor's reading plan; requiring a person or entity seeking to open a charter school to disclose certain information; conforming provisions regarding the appeal process for denial of a high-performing charter school application; requiring an applicant to provide the sponsor with a copy of an appeal to an application denial; authorizing a charter school to defer the opening of its operations for up to a specified time; requiring the charter school to provide written notice to certain entities within a specified timeframe; providing that a student may not be dismissed from a charter school based on his or her academic performance; revising provisions relating to long-term charters and charter terminations; specifying notice requirements for voluntary closure of a charter school; requiring a charter school applicant to provide monthly financial statements upon approval of the charter contract; requiring a sponsor to review each financial statement of a charter school to identify the existence of certain conditions; providing for the automatic termination of a charter contract if certain conditions are met; requiring a sponsor to notify certain parties when a charter contract is terminated for specific reasons; requiring governing board members to hold a certain number of public meetings and participate in such meetings in person or through communications media technology; revising charter school student eligibility requirements; providing that charter schools are eligible for the research-based reading allocation if certain criteria are met; revising requirements for payments to charter schools; requiring a charter school to be located in the state to be eligible for public education capital outlay funds; providing for an injunction under certain circumstances; amending s. 1002.331, F.S.; deleting obsolete provision relating to high-performing charter schools; conforming a cross-reference; creating s. 1001.66, F.S.; creating a Florida College System Performance-Based Incentive for Florida College System institutions; requiring the State Board of Education to adopt certain metrics and benchmarks; providing for funding and allocation of the incentives; authorizing the state board to withhold an institution's incentive under certain circumstances; requiring the Commissioner of Education to withhold certain disbursements under certain circumstances; providing for reporting and rulemaking; amending s. 1001.7065, F.S.; revising the academic and research excellence standards for the preeminent state research universities program; creating the "emerging preeminent state research university" designation; requiring an emerging preeminent state research university to submit a certain plan to the board and meet certain expectations to receive certain funds; providing for the distribution of certain funding increases; deleting the preeminent state research university enhancement initiative; revising the requirements for the unique course requirement; amending s. 1001.71, F.S.; providing for selection of the chair and vice chair of each state university board of trustees; specifying terms and duties of the chair; providing grounds for the removal of a board member; requiring each state university board of trustees to post certain information on the university's website; requiring the Board of Governors to adopt regulations; amending s. 1001.92, F.S.; requiring performance-based metrics to include specified wage thresholds; requiring the board to establish minimum performance funding eligibility thresholds; prohibiting a state university that fails to meet the state's threshold from eligibility for a share of the state's investment performance funding; requiring the board to adopt regulations; deleting an expiration date; amending s. 1003.4282, F.S.; revising the online course requirement; authorizing a district school board or a charter school governing board to offer options to meet the requirement; amending s. 1013.62, F.S.; revising requirements for a charter school to be eligible for funding appropriated for charter school capital outlay purposes;

in the charter school.

(6) APPLICATION PROCESS AND REVIEW.—Charter school applications are subject to the following requirements:

(a) A person or entity ~~seeking~~ ~~wishing~~ to open a charter school shall prepare and submit an application on a model application form prepared by the Department of Education which:

1. Demonstrates how the school will use the guiding principles and meet the statutorily defined purpose of a charter school.
2. Provides a detailed curriculum plan that illustrates how students will be provided services to attain the Sunshine State Standards.
3. Contains goals and objectives for improving student learning and measuring that improvement. These goals and objectives must indicate how much academic improvement students are expected to show each year, how success will be evaluated, and the specific results to be attained through instruction.
4. Describes the reading curriculum and differentiated strategies that will be used for students reading at grade level or higher and a separate curriculum and strategies for students who are reading below grade level. A sponsor shall deny *an application* ~~a charter~~ if the school does not propose a reading curriculum that is consistent with effective teaching strategies that are grounded in scientifically based reading research.
5. Contains an annual financial plan for each year requested by the charter for operation of the school for up to 5 years. This plan must contain anticipated fund balances based on revenue projections, a spending plan based on projected revenues and expenses, and a description of controls that will safeguard finances and projected enrollment trends.

6. *Discloses the name of each applicant, governing board member, and all proposed education services providers; the name and sponsor of any charter school operated by each applicant, each governing board member, and each proposed education services provider that has closed and the reasons for the closure; and the academic and financial history*

of such charter schools, which the sponsor shall consider in deciding whether to approve or deny the application.

7.6. Contains additional information a sponsor may require, which shall be attached as an addendum to the charter school application described in this paragraph.

8.7. For the establishment of a virtual charter school, documents that the applicant has contracted with a provider of virtual instruction services pursuant to s. 1002.45(1)(d).

(b) A sponsor shall receive and review all applications for a charter school using *the* ~~an~~ evaluation instrument developed by the Department of Education. A sponsor shall receive and consider charter school applications received on or before August 1 of each calendar year for charter schools to be opened at the beginning of the school district's next school year, or to be opened at a time agreed to by the applicant and the sponsor. A sponsor may not refuse to receive a charter school application submitted before August 1 and may receive an application submitted later than August 1 if it chooses. In order to facilitate greater collaboration in the application process, an applicant may submit a draft charter school application on or before May 1 with an application fee of \$500. If a draft application is timely submitted, the sponsor shall review and provide feedback as to material deficiencies in the application by July 1. The applicant shall then have until August 1 to resubmit a revised and final application. The sponsor may approve the draft application. *Except as provided for a draft application*, a sponsor may not charge an applicant for a charter any fee for the processing or consideration of an application, and a sponsor may not base its consideration or approval of a final application upon the promise of future payment of any kind. Before approving or denying any final application, the sponsor shall allow the applicant, upon receipt of written notification, at least 7 calendar days to make technical or nonsubstantive corrections and clarifications, including, but not limited to, corrections of grammatical, typographical, and like errors or missing signatures, if such errors are identified by the sponsor as cause to deny the final application.

1. In order to facilitate an accurate budget projection process, a sponsor shall be held harmless for FTE students who are not included in the FTE projection due to approval of charter school applications after the FTE projection deadline. In a further effort to facilitate an accurate budget projection, within 15 calendar days after receipt of a charter school application, a sponsor shall report to the Department of Education the name of the applicant entity, the proposed charter school location, and its projected FTE.

2. In order to ensure fiscal responsibility, an application for a charter school shall include a full accounting of expected assets, a projection of expected sources and amounts of income, including income derived from projected student enrollments and from community support, and an expense projection that includes full accounting of the costs of operation, including start-up costs.

3.a. A sponsor shall by a majority vote approve or deny an application no later than 60 calendar days after the application is received, unless the sponsor and the applicant mutually agree in writing to temporarily postpone the vote to a specific date, at which time the sponsor shall by a majority vote approve or deny the application. If the sponsor fails to act on the application, an applicant may appeal to the State Board of Education as provided in paragraph (c). If an application is denied, the sponsor shall, within 10 calendar days after such denial, articulate in writing the specific reasons, based upon good cause, supporting its denial of the ~~charter~~ application and shall provide the letter of denial and supporting documentation to the applicant and to the Department of Education.

b. An application submitted by a high-performing charter school identified pursuant to s. 1002.331 may be denied by the sponsor only if the sponsor demonstrates by clear and convincing evidence that:

(I) The application does not materially comply with the requirements in paragraph (a);

(II) The charter school proposed in the application does not materially comply with the requirements in paragraphs (9)(a)-(f);

(III) The proposed charter school's educational program does not substantially replicate that of the applicant or one of the applicant's high-performing charter schools;

(IV) The applicant has made a material misrepresentation or false statement or concealed an essential or material fact during the application process; or

(V) The proposed charter school's educational program and financial management practices do not materially comply with the requirements of this section.

Material noncompliance is a failure to follow requirements or a violation of prohibitions applicable to charter school applications, which failure is quantitatively or qualitatively significant either individually or when aggregated with other noncompliance. An applicant is considered to be replicating a high-performing charter school if the proposed school is substantially similar to at least one of the applicant's high-performing charter schools and the organization or individuals involved in the establishment and operation of the proposed school are significantly involved in the operation of replicated schools.

c. If the sponsor denies an application submitted by a high-performing charter school, the sponsor must, within 10 calendar days after such denial, state in writing the specific reasons, based upon the criteria in sub-paragraph b., supporting its denial of the application and must provide the letter of denial and supporting documentation to the applicant and to the Department of Education. The applicant may appeal the sponsor's denial of the application directly to the State Board of Education and, if an appeal is filed, must provide a copy of the appeal to the sponsor pursuant to paragraph (c) ~~sub-paragraph (c)3.b.~~

4. For budget projection purposes, the sponsor shall report to the Department of Education the approval or denial of ~~an a-charter~~ application within 10 calendar days after such approval or denial. In the event of approval, the report to the Department of Education shall include the final projected FTE for the approved charter school.

5. Upon approval of ~~an a-charter~~ application, the initial startup shall commence with the beginning of the public school calendar for the district in which the charter is granted. *A charter school may defer the opening of the school's operations for up to 2 years to provide time for adequate facility planning. The charter school must provide written notice of such intent to the sponsor and the parents of enrolled students at least 30 calendar days before the first day of school unless the sponsor allows a waiver of this subparagraph for good cause.*

(7) CHARTER.—The major issues involving the operation of a charter school shall be considered in advance and written into the charter. The charter shall be signed by the governing board of the charter school and the sponsor, following a public hearing to ensure community input.

(a) The charter shall address and criteria for approval of the charter shall be based on:

1. The school's mission, the students to be served, and the ages and grades to be included.

2. The focus of the curriculum, the instructional methods to be used, any distinctive instructional techniques to be employed, and identification and acquisition of appropriate technologies needed to improve educational and administrative performance which include a means for promoting safe, ethical, and appropriate uses of technology which comply with legal and professional standards.

a. The charter shall ensure that reading is a primary focus of the curriculum and that resources are provided to identify and provide specialized instruction for students who are reading below grade level. The curriculum and instructional strategies for reading must be consistent with the Next Generation Sunshine State Standards and grounded in scientifically based research.

b. In order to provide students with access to diverse instructional delivery models, to facilitate the integration of technology within traditional classroom instruction, and to provide students with the skills they need to compete in the 21st century economy, the Legislature encourages instructional methods for blended learning courses consisting of both traditional classroom and online instructional techniques.

Charter schools may implement blended learning courses which combine traditional classroom instruction and virtual instruction. Students in a blended learning course must be full-time students of the charter school and receive the online instruction in a classroom setting at the charter school. Instructional personnel certified pursuant to s. 1012.55 who provide virtual instruction for blended learning courses may be employees of the charter school or may be under contract to provide instructional services to charter school students. At a minimum, such instructional personnel must hold an active state or school district adjunct certification under s. 1012.57 for the subject area of the blended learning course. The funding and performance accountability requirements for blended learning courses are the same as those for traditional courses.

3. The current incoming baseline standard of student academic achievement, the outcomes to be achieved, and the method of measurement that will be used. The criteria listed in this subparagraph shall include a detailed description of:

a. How the baseline student academic achievement levels and prior rates of academic progress will be established.

b. How these baseline rates will be compared to rates of academic progress achieved by these same students while attending the charter school.

c. To the extent possible, how these rates of progress will be evaluated and compared with rates of progress of other closely comparable student populations.

The district school board is required to provide academic student performance data to charter schools for each of their students coming from the district school system, as well as rates of academic progress of comparable student populations in the district school system.

4. The methods used to identify the educational strengths and needs of students and how well educational goals and performance standards are met by students attending the charter school. The methods shall provide a means for the charter school to ensure accountability to its constituents by analyzing student performance data and by evaluating the effectiveness and efficiency of its major educational programs. Students in charter schools shall, at a minimum, participate in the statewide assessment program created under s. 1008.22.

5. In secondary charter schools, a method for determining that a student has satisfied the requirements for graduation in s. 1002.3105(5), s. 1003.4281, or s. 1003.4282.

6. A method for resolving conflicts between the governing board of the charter school and the sponsor.

7. The admissions procedures and dismissal procedures, including the school's code of student conduct. *Admission or dismissal must not be based on a student's academic performance.*

8. The ways by which the school will achieve a racial/ethnic balance reflective of the community it serves or within the racial/ethnic range of other public schools in the same school district.

9. The financial and administrative management of the school, including a reasonable demonstration of the professional experience or competence of those individuals or organizations applying to operate the charter school or those hired or retained to perform such professional services and the description of clearly delineated responsibilities and the policies and practices needed to effectively manage the charter school. A description of internal audit procedures and establishment of controls to ensure that financial resources are properly managed must be included. Both public sector and private sector professional experience shall be equally valid in such a consideration.

10. The asset and liability projections required in the application which are incorporated into the charter and shall be compared with information provided in the annual report of the charter school.

11. A description of procedures that identify various risks and provide for a comprehensive approach to reduce the impact of losses; plans to ensure the safety and security of students and staff; plans to identify, minimize, and protect others from violent or disruptive student behavior; and the manner in which the school will be insured, including

whether or not the school will be required to have liability insurance, and, if so, the terms and conditions thereof and the amounts of coverage.

12. The term of the charter which shall provide for cancellation of the charter if insufficient progress has been made in attaining the student achievement objectives of the charter and if it is not likely that such objectives can be achieved before expiration of the charter. The initial term of a charter shall be for 4 or 5 years. In order to facilitate access to long-term financial resources for charter school construction, charter schools that are operated by a municipality or other public entity as provided by law are eligible for up to a 15-year charter, subject to approval by the district school board. A charter lab school is eligible for a charter for a term of up to 15 years. In addition, to facilitate access to long-term financial resources for charter school construction, charter schools that are operated by a private, not-for-profit, s. 501(c)(3) status corporation are eligible for up to a 15-year charter, subject to approval by the district school board. Such long-term charters remain subject to annual review and may be terminated during the term of the charter, but only according to the provisions set forth in subsection (8).

13. The facilities to be used and their location. The sponsor may not require a charter school to have a certificate of occupancy or a temporary certificate of occupancy for such a facility earlier than 15 calendar days before the first day of school.

14. The qualifications to be required of the teachers and the potential strategies used to recruit, hire, train, and retain qualified staff to achieve best value.

15. The governance structure of the school, including the status of the charter school as a public or private employer as required in paragraph (12)(i).

16. A timetable for implementing the charter which addresses the implementation of each element thereof and the date by which the charter shall be awarded in order to meet this timetable.

17. In the case of an existing public school that is being converted to charter status, alternative arrangements for current students who choose not to attend the charter school and for current teachers who choose not to teach in the charter school after conversion in accordance with the existing collective bargaining agreement or district school board rule in the absence of a collective bargaining agreement. However, alternative arrangements shall not be required for current teachers who choose not to teach in a charter lab school, except as authorized by the employment policies of the state university which grants the charter to the lab school.

18. Full disclosure of the identity of all relatives employed by the charter school who are related to the charter school owner, president, chairperson of the governing board of directors, superintendent, governing board member, principal, assistant principal, or any other person employed by the charter school who has equivalent decisionmaking authority. For the purpose of this subparagraph, the term "relative" means father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, or half sister.

19. Implementation of the activities authorized under s. 1002.331 by the charter school when it satisfies the eligibility requirements for a high-performing charter school. A high-performing charter school shall notify its sponsor in writing by March 1 if it intends to increase enrollment or expand grade levels the following school year. The written notice shall specify the amount of the enrollment increase and the grade levels that will be added, as applicable.

~~(d) A charter may be terminated by a charter school's governing board through voluntary closure. The decision to cease operations must be determined at a public meeting. The governing board shall notify the parents and sponsor of the public meeting in writing before the public meeting. The governing board must notify the sponsor, parents of enrolled students, and the department in writing within 24 hours after the public meeting of its determination. The notice shall state the charter school's intent to continue operations or the reason for the closure and acknowledge that the governing board agrees to follow the procedures for dissolution and reversion of public funds pursuant to paragraphs (8)(e)-~~

~~(g) and (9)(o) Each charter school's governing board must appoint a representative to facilitate parental involvement, provide access to information, assist parents and others with questions and concerns, and resolve disputes. The representative must reside in the school district in which the charter school is located and may be a governing board member, charter school employee, or individual contracted to represent the governing board. If the governing board oversees multiple charter schools in the same school district, the governing board must appoint a separate individual representative for each charter school in the district. The representative's contact information must be provided annually in writing to parents and posted prominently on the charter school's website if a website is maintained by the school. The sponsor may not require that governing board members reside in the school district in which the charter school is located if the charter school complies with this paragraph.~~

~~2. Each charter school's governing board must hold at least two public meetings per school year in the school district. The meetings must be noticed, open, and accessible to the public, and attendees must be provided an opportunity to receive information and provide input regarding the charter school's operations. The appointed representative and charter school principal or director, or his or her equivalent, must be physically present at each meeting.~~

(9) CHARTER SCHOOL REQUIREMENTS.—

(g)1. In order to provide financial information that is comparable to that reported for other public schools, charter schools are to maintain all financial records that constitute their accounting system:

a. In accordance with the accounts and codes prescribed in the most recent issuance of the publication titled "Financial and Program Cost Accounting and Reporting for Florida Schools"; or

b. At the discretion of the charter school's governing board, a charter school may elect to follow generally accepted accounting standards for not-for-profit organizations, but must reformat this information for reporting according to this paragraph.

2. Charter schools shall provide annual financial report and program cost report information in the state-required formats for inclusion in district reporting in compliance with s. 1011.60(1). Charter schools that are operated by a municipality or are a component unit of a parent nonprofit organization may use the accounting system of the municipality or the parent but must reformat this information for reporting according to this paragraph.

3. A charter school shall, *upon approval of the charter contract*, provide the sponsor with a concise, uniform, monthly financial statement summary sheet that contains a balance sheet and a statement of revenue, expenditures, and changes in fund balance. The balance sheet and the statement of revenue, expenditures, and changes in fund balance shall be in the governmental funds format prescribed by the Governmental Accounting Standards Board. A high-performing charter school pursuant to s. 1002.331 may provide a quarterly financial statement in the same format and requirements as the uniform monthly financial statement summary sheet. *The sponsor shall review each monthly or quarterly financial statement to identify the existence of any conditions identified in s. 1002.345(1)(a).*

4. A charter school shall maintain and provide financial information as required in this paragraph. The financial statement required in subparagraph 3. must be in a form prescribed by the Department of Education.

(n)1. The director and a representative of the governing board of a charter school that has earned a grade of "D" or "F" pursuant to s. 1008.34 shall appear before the sponsor to present information concerning each contract component having noted deficiencies. The director and a representative of the governing board shall submit to the sponsor for approval a school improvement plan to raise student performance. Upon approval by the sponsor, the charter school shall begin implementation of the school improvement plan. The department shall offer technical assistance and training to the charter school and its governing board and establish guidelines for developing, submitting, and approving such plans.

2.a. If a charter school earns three consecutive grades of “D,” two consecutive grades of “D” followed by a grade of “F,” or two non-consecutive grades of “F” within a 3-year period, the charter school governing board shall choose one of the following corrective actions:

(I) Contract for educational services to be provided directly to students, instructional personnel, and school administrators, as prescribed in state board rule;

(II) Contract with an outside entity that has a demonstrated record of effectiveness to operate the school;

(III) Reorganize the school under a new director or principal who is authorized to hire new staff; or

(IV) Voluntarily close the charter school.

b. The charter school must implement the corrective action in the school year following receipt of a third consecutive grade of “D,” a grade of “F” following two consecutive grades of “D,” or a second non-consecutive grade of “F” within a 3-year period.

c. The sponsor may annually waive a corrective action if it determines that the charter school is likely to improve a letter grade if additional time is provided to implement the intervention and support strategies prescribed by the school improvement plan. Notwithstanding this sub-subparagraph, a charter school that earns a second consecutive grade of “F” is subject to subparagraph 4.

d. A charter school is no longer required to implement a corrective action if it improves by at least one letter grade. However, the charter school must continue to implement strategies identified in the school improvement plan. The sponsor must annually review implementation of the school improvement plan to monitor the school’s continued improvement pursuant to subparagraph 5.

e. A charter school implementing a corrective action that does not improve by at least one letter grade after 2 full school years of implementing the corrective action must select a different corrective action. Implementation of the new corrective action must begin in the school year following the implementation period of the existing corrective action, unless the sponsor determines that the charter school is likely to improve a letter grade if additional time is provided to implement the existing corrective action. Notwithstanding this sub-subparagraph, a charter school that earns a second consecutive grade of “F” while implementing a corrective action is subject to subparagraph 4.

3. A charter school with a grade of “D” or “F” that improves by at least one letter grade must continue to implement the strategies identified in the school improvement plan. The sponsor must annually review implementation of the school improvement plan to monitor the school’s continued improvement pursuant to subparagraph 5.

4. ~~A charter school’s charter contract is automatically terminated if the school earns two consecutive grades of “F” after all school grade appeals are final. The sponsor shall terminate a charter if the charter school earns two consecutive grades of “F” unless:~~

a. The charter school is established to turn around the performance of a district public school pursuant to s. 1008.33(4)(b)3. Such charter schools shall be governed by s. 1008.33;

b. The charter school serves a student population the majority of which resides in a school zone served by a district public school that earned a grade of “F” in the year before the charter school opened and the charter school earns at least a grade of “D” in its third year of operation. The exception provided under this sub-subparagraph does not apply to a charter school in its fourth year of operation and thereafter; or

c. The state board grants the charter school a waiver of termination. The charter school must request the waiver within 15 days after the department’s official release of school grades. The state board may waive termination if the charter school demonstrates that the Learning Gains of its students on statewide assessments are comparable to or better than the Learning Gains of similarly situated students enrolled in nearby district public schools. The waiver is valid for 1 year and may only be granted once. Charter schools that have been in operation for

more than 5 years are not eligible for a waiver under this sub-subparagraph.

The sponsor shall notify the charter school’s governing board, the charter school principal, and the department in writing when a charter contract is terminated under this subparagraph. The letter of termination must meet the requirements of paragraph (8)(c). A charter terminated under this subparagraph must follow the procedures for dissolution and reversion of public funds pursuant to paragraphs (8)(e)-(g) and (9)(o).

5. The director and a representative of the governing board of a graded charter school that has implemented a school improvement plan under this paragraph shall appear before the sponsor at least once a year to present information regarding the progress of intervention and support strategies implemented by the school pursuant to the school improvement plan and corrective actions, if applicable. The sponsor shall communicate at the meeting, and in writing to the director, the services provided to the school to help the school address its deficiencies.

6. Notwithstanding any provision of this paragraph except sub-subparagraphs 4.a.-c., the sponsor may terminate the charter at any time pursuant to subsection (8).

(p)1. Each charter school shall maintain a website that enables the public to obtain information regarding the school; the school’s academic performance; the names of the governing board members; the programs at the school; any management companies, service providers, or education management corporations associated with the school; the school’s annual budget and its annual independent fiscal audit; the school’s grade pursuant to s. 1008.34; and, on a quarterly basis, the minutes of governing board meetings.

2. *Each charter school’s governing board must appoint a representative to facilitate parental involvement, provide access to information, assist parents and others with questions and concerns, and resolve disputes. The representative must reside in the school district in which the charter school is located and may be a governing board member, a charter school employee, or an individual contracted to represent the governing board. If the governing board oversees multiple charter schools in the same school district, the governing board must appoint a separate representative for each charter school in the district. The representative’s contact information must be provided annually in writing to parents and posted prominently on the charter school’s website. The sponsor may not require governing board members to reside in the school district in which the charter school is located if the charter school complies with this subparagraph.*

3. *Each charter school’s governing board must hold at least two public meetings per school year in the school district where the charter school is located. The meetings must be noticed, open, and accessible to the public, and attendees must be provided an opportunity to receive information and provide input regarding the charter school’s operations. The appointed representative and charter school principal or director, or his or her designee, must be physically present at each meeting. Members of the governing board may attend in person or by means of communications media technology used in accordance with rules adopted by the Administration Commission under s. 120.54(5).*

(10) ELIGIBLE STUDENTS.—

(d) A charter school may give enrollment preference to the following student populations:

1. Students who are siblings of a student enrolled in the charter school.

2. Students who are the children of a member of the governing board of the charter school.

3. Students who are the children of an employee of the charter school.

4. Students who are the children of:

a. An employee of the business partner of a charter school-in-the-workplace established under paragraph (15)(b) or a resident of the municipality in which such charter school is located; or

b. A resident or employee of a municipality that operates a charter school-in-a-municipality pursuant to paragraph (15)(c) or allows a charter school to use a school facility or portion of land provided by the municipality for the operation of the charter school.

5. Students who have successfully completed a voluntary pre-kindergarten education program under ss. 1002.51-1002.79 provided by the charter school or the charter school's governing board during the previous year.

6. Students who are the children of an active duty member of any branch of the United States Armed Forces.

7. *Students who attended or are assigned to failing schools pursuant to s. 1002.38(2).*

(17) FUNDING.—Students enrolled in a charter school, regardless of the sponsorship, shall be funded as if they are in a basic program or a special program, the same as students enrolled in other public schools in the school district. Funding for a charter lab school shall be as provided in s. 1002.32.

(b) The basis for the agreement for funding students enrolled in a charter school shall be the sum of the school district's operating funds from the Florida Education Finance Program as provided in s. 1011.62 and the General Appropriations Act, including gross state and local funds, discretionary lottery funds, and funds from the school district's current operating discretionary millage levy; divided by total funded weighted full-time equivalent students in the school district; multiplied by the weighted full-time equivalent students for the charter school. Charter schools whose students or programs meet the eligibility criteria in law are entitled to their proportionate share of categorical program funds included in the total funds available in the Florida Education Finance Program by the Legislature, including transportation, *the research-based reading allocation*, and the Florida digital classrooms allocation. Total funding for each charter school shall be recalculated during the year to reflect the revised calculations under the Florida Education Finance Program by the state and the actual weighted full-time equivalent students reported by the charter school during the full-time equivalent student survey periods designated by the Commissioner of Education.

(e) District school boards shall make timely and efficient payment and reimbursement to charter schools, including processing paperwork required to access special state and federal funding for which they may be eligible. *Payments of funds under paragraph (b) shall be made monthly or twice a month, beginning with the start of the district school board's fiscal year. Each payment shall be one-twelfth, or one twenty-fourth, as applicable, of the total state and local funds described in paragraph (b) and adjusted as set forth therein. For the first 2 years of a charter school's operation, if a minimum of 75 percent of the projected enrollment is entered into the sponsor's student information system by the first day of the current month, the district school board shall may distribute funds to the a charter school for the up to 2 months of July through October based on the projected full-time equivalent student membership of the charter school as submitted in the approved application. If less than 75 percent of the projected enrollment is entered into the sponsor's student information system by the first day of the current month, the sponsor shall base payments on the actual number of student enrollment entered into the sponsor's student information system. Thereafter, the results of full-time equivalent student membership surveys shall be used in adjusting the amount of funds distributed monthly to the charter school for the remainder of the fiscal year. The payments payment shall be issued no later than 10 working days after the district school board receives a distribution of state or federal funds or the date the payment is due pursuant to this subsection. If a warrant for payment is not issued within 10 working days after receipt of funding by the district school board, the school district shall pay to the charter school, in addition to the amount of the scheduled disbursement, interest at a rate of 1 percent per month calculated on a daily basis on the unpaid balance from the expiration of the 10 working days until such time as the warrant is issued. The district school board may not delay payment to a charter school of any portion of the funds provided in paragraph (b) based on the timing of receipt of local funds by the district school board.*

(g) *To be eligible for public education capital outlay (PECO) funds, a charter school must be located in the State of Florida.*

(18) FACILITIES.—

(a) A startup charter school shall utilize facilities which comply with the Florida Building Code pursuant to chapter 553 except for the State Requirements for Educational Facilities. Conversion charter schools shall utilize facilities that comply with the State Requirements for Educational Facilities provided that the school district and the charter school have entered into a mutual management plan for the reasonable maintenance of such facilities. The mutual management plan shall contain a provision by which the district school board agrees to maintain charter school facilities in the same manner as its other public schools within the district. Charter schools, with the exception of conversion charter schools, are not required to comply, but may choose to comply, with the State Requirements for Educational Facilities of the Florida Building Code adopted pursuant to s. 1013.37. The local governing authority shall not adopt or impose any local building requirements or site-development restrictions, such as parking and site-size criteria, that are addressed by and more stringent than those found in the State Requirements for Educational Facilities of the Florida Building Code. ~~Beginning July 1, 2011,~~ A local governing authority must treat charter schools equitably in comparison to similar requirements, restrictions, and *site planning* processes imposed upon public schools that are not charter schools. The agency having jurisdiction for inspection of a facility and issuance of a certificate of occupancy or use shall be the local municipality or, if in an unincorporated area, the county governing authority. *If an official or employee of the local governing authority refuses to comply with this paragraph, the aggrieved school or entity has an immediate right to bring an action in circuit court to enforce its rights by injunction. An aggrieved party that receives injunctive relief may be awarded attorney fees and court costs.*

(20) SERVICES.—

(a)1. A sponsor shall provide certain administrative and educational services to charter schools. These services shall include contract management services; full-time equivalent and data reporting services; exceptional student education administration services; services related to eligibility and reporting duties required to ensure that school lunch services under the federal lunch program, consistent with the needs of the charter school, are provided by the school district at the request of the charter school, that any funds due to the charter school under the federal lunch program be paid to the charter school as soon as the charter school begins serving food under the federal lunch program, and that the charter school is paid at the same time and in the same manner under the federal lunch program as other public schools serviced by the sponsor or the school district; test administration services, including payment of the costs of state-required or district-required student assessments; processing of teacher certificate data services; and information services, including equal access to student information systems that are used by public schools in the district in which the charter school is located. Student performance data for each student in a charter school, including, but not limited to, FCAT scores, standardized test scores, previous public school student report cards, and student performance measures, shall be provided by the sponsor to a charter school in the same manner provided to other public schools in the district.

2. A total administrative fee for the provision of such services shall be calculated based upon up to 5 percent of the available funds defined in paragraph (17)(b) for all students, except that when 75 percent or more of the students enrolled in the charter school are exceptional students as defined in s. 1003.01(3), the 5 percent of those available funds shall be calculated based on unweighted full-time equivalent students. However, a sponsor may only withhold up to a 5-percent administrative fee for enrollment for up to and including 250 students. For charter schools with a population of 251 or more students, the difference between the total administrative fee calculation and the amount of the administrative fee withheld may only be used for capital outlay purposes specified in s. 1013.62(3) ~~s. 1013.62(2).~~

3. For high-performing charter schools, as defined in s. 1002.331 ~~et~~ ~~2011-2012~~, a sponsor may withhold a total administrative fee of up to 2 percent for enrollment up to and including 250 students per school.

4. In addition, a sponsor may withhold only up to a 5-percent administrative fee for enrollment for up to and including 500 students within a system of charter schools which meets all of the following:

- a. Includes both conversion charter schools and nonconversion charter schools;
- b. Has all schools located in the same county;
- c. Has a total enrollment exceeding the total enrollment of at least one school district in the state;
- d. Has the same governing board; and
- e. Does not contract with a for-profit service provider for management of school operations.

5. The difference between the total administrative fee calculation and the amount of the administrative fee withheld pursuant to subparagraph 4. may be used for instructional and administrative purposes as well as for capital outlay purposes specified in s. 1013.62(3) ~~s. 1013.62(2)~~.

6. For a high-performing charter school system that also meets the requirements in subparagraph 4., a sponsor may withhold a 2-percent administrative fee for enrollments up to and including 500 students per system.

7. Sponsors shall not charge charter schools any additional fees or surcharges for administrative and educational services in addition to the maximum 5-percent administrative fee withheld pursuant to this paragraph.

8. The sponsor of a virtual charter school may withhold a fee of up to 5 percent. The funds shall be used to cover the cost of services provided under subparagraph 1. and implementation of the school district's digital classrooms plan pursuant to s. 1011.62.

Section 7. Paragraph (a) of subsection (3) and subsection (4) of section 1002.331, Florida Statutes, are amended to read:

1002.331 High-performing charter schools.—

(3)(a) A high-performing charter school may submit an application pursuant to s. 1002.33(6) in any school district in the state to establish and operate a new charter school that will substantially replicate its educational program. An application submitted by a high-performing charter school must state that the application is being submitted pursuant to this paragraph and must include the verification letter provided by the Commissioner of Education pursuant to subsection (4) ~~(5)~~. If the sponsor fails to act on the application within 60 days after receipt, the application is deemed approved and the procedure in s. 1002.33(6)(h) applies. If the sponsor denies the application, the high-performing charter school may appeal pursuant to s. 1002.33(6).

~~(4) A high-performing charter school may not increase enrollment or expand grade levels following any school year in which it receives a school grade of "C" or below. If the charter school receives a school grade of "C" or below in any 2 years during the term of the charter awarded under subsection (2), the term of the charter may be modified by the sponsor and the charter school loses its high-performing charter school status until it regains that status under subsection (1).~~

Section 8. Section 1001.66, Florida Statutes, is created to read:

1001.66 Florida College System Performance-Based Incentive.—

(1) A Florida College System Performance-Based Incentive shall be awarded to Florida College System institutions using performance-based metrics adopted by the State Board of Education. The performance-based metrics must include retention rates; program completion and graduation rates; postgraduation employment, salaries, and continuing education for workforce education and baccalaureate programs, with wage thresholds that reflect the added value of the certificate or degree; and outcome measures appropriate for associate of arts degree recipients. The state board shall adopt benchmarks to evaluate each institution's performance on the metrics to measure the institution's achievement of institutional excellence or need for improvement and minimum requirements for eligibility to receive performance funding.

(2) Each fiscal year, the amount of funds available for allocation to the Florida College System institutions based on the performance-based funding model shall consist of the state's investment in performance

funding plus institutional investments consisting of funds to be redistributed from the base funding of the Florida College System Program Fund as determined in the General Appropriations Act. The State Board of Education shall establish minimum performance funding eligibility thresholds for the state's investment and the institutional investments. An institution that meets the minimum institutional investment eligibility threshold, but fails to meet the minimum state investment eligibility threshold, shall have its institutional investment restored but is ineligible for a share of the state's investment in performance funding. The institutional investment shall be restored for all institutions eligible for the state's investment under the performance-based funding model.

(3)(a) Each Florida College System institution's share of the performance funding shall be calculated based on its relative performance on the established metrics in conjunction with the institutional size and scope.

(b) A Florida College System institution that fails to meet the State Board of Education's minimum institutional investment performance funding eligibility threshold shall have a portion of its institutional investment withheld by the state board and must submit an improvement plan to the state board which specifies the activities and strategies for improving the institution's performance. The state board must review and approve the improvement plan and, if the plan is approved, must monitor the institution's progress in implementing the activities and strategies specified in the improvement plan. The institution shall submit monitoring reports to the state board by December 31 and May 31 of each year in which an improvement plan is in place. Beginning in the 2017-2018 fiscal year, the ability of an institution to submit an improvement plan to the state board is limited to 1 fiscal year.

(c) The Commissioner of Education shall withhold disbursement of the institutional investment until the monitoring report is approved by the State Board of Education. A Florida College System institution determined by the state board to be making satisfactory progress on implementing the improvement plan shall receive no more than one-half of the withheld institutional investment in January and the balance of the withheld institutional investment in June. An institution that fails to make satisfactory progress may not have its full institutional investment restored. Any institutional investment funds that are not restored shall be redistributed in accordance with the state board's performance-based metrics.

(4) Distributions of performance funding, as provided in this section, shall be made to each of the Florida College System institutions listed in the Florida Colleges category in the General Appropriations Act.

(5) By October 1 of each year, the State Board of Education shall submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives a report on the previous fiscal year's performance funding allocation, which must reflect the rankings and award distributions.

(6) The State Board of Education shall adopt rules to administer this section.

Section 9. Subsection (1) of section 1001.7065, Florida Statutes, is reenacted, and subsections (2), (3), and (5) through (8) of that section are amended, to read:

1001.7065 Preeminent state research universities program.—

(1) STATE UNIVERSITY SYSTEM SHARED GOVERNANCE COLLABORATION.—A collaborative partnership is established between the Board of Governors and the Legislature to elevate the academic and research preeminence of Florida's highest-performing state research universities in accordance with this section. The partnership stems from the State University System Governance Agreement executed on March 24, 2010, wherein the Board of Governors and leaders of the Legislature agreed to a framework for the collaborative exercise of their joint authority and shared responsibility for the State University System. The governance agreement confirmed the commitment of the Board of Governors and the Legislature to continue collaboration on accountability measures, the use of data, and recommendations derived from such data.

(2) ACADEMIC AND RESEARCH EXCELLENCE STANDARDS.—~~Effective July 1, 2013,~~ The following academic and research excellence

standards are established for the preeminent state research universities program:

(a) An average weighted grade point average of 4.0 or higher on a 4.0 scale and an average SAT score of 1800 or higher on a 2400-point scale or 1200 or higher on a 1600-point scale for fall semester incoming freshmen, as reported annually.

(b) A top-50 ranking on at least two well-known and highly respected national public university rankings, including, but not limited to, the U.S. News and World Report rankings, reflecting national preeminence, using most recent rankings.

(c) A freshman retention rate of 90 percent or higher for full-time, first-time-in-college students, as reported annually to the Integrated Postsecondary Education Data System (IPEDS).

(d) A 6-year graduation rate of 70 percent or higher for full-time, first-time-in-college students, as reported annually to the IPEDS.

(e) Six or more faculty members at the state university who are members of a national academy, as reported by the Center for Measuring University Performance in the Top American Research Universities (TARU) annual report or the official membership directories maintained by each national academy.

(f) Total annual research expenditures, including federal research expenditures, of \$200 million or more, as reported annually by the National Science Foundation (NSF).

(g) Total annual research expenditures in diversified nonmedical sciences of \$150 million or more, based on data reported annually by the NSF.

(h) A top-100 university national ranking for research expenditures in five or more science, technology, engineering, or mathematics fields of study, as reported annually by the NSF.

(i) One hundred or more total patents awarded by the United States Patent and Trademark Office for the most recent 3-year period.

(j) Four hundred or more doctoral degrees awarded annually, including professional doctoral degrees awarded in medical and health care disciplines, as reported in the Board of Governors Annual Accountability Report.

(k) Two hundred or more postdoctoral appointees annually, as reported in the TARU annual report.

(l) An endowment of \$500 million or more, as reported in the Board of Governors Annual Accountability Report.

(3) PREEMINENT STATE RESEARCH UNIVERSITY DESIGNATION.—

(a) The Board of Governors shall designate each state research university that annually meets at least 11 of the 12 academic and research excellence standards identified in subsection (2) as a “preeminent state research university” ~~preeminent state research university~~.

(b) The Board of Governors shall designate each state university that annually meets at least six of the 12 academic and research excellence standards identified in subsection (2) as an “emerging preeminent state research university.”

(5) PREEMINENT STATE RESEARCH UNIVERSITIES PROGRAM UNIVERSITY SUPPORT.—
