64	119	The recurring funds from the General Revenue Fund in Specific Appropriation 119 are provided for the Pathways to Career Opportunities Grant Program. The Department of Education shall administer the competitive grant program, determine eligibility, and distribute grants. Grantees include high schools, career centers, charter technical career centers, Florida College System institutions, and other entities authorized to sponsor an apprenticeship or preapprenticeship program, as defined in section 446.021, Florida Statutes. The funds may be used to establish new apprenticeship or preapprenticeship programs, or expand existing programs. Applicants must provide projected enrollment and projected costs for the new or expanded apprenticeship program. The department shall give priority to apprenticeship programs with demonstrated regional demand. Grant funds may be used for instructional equipment, supplies, personnel, student services, and other expenses associated with the creation or expansion of an apprenticeship program. Grant funds may not be used for recurring instructional costs or for indirect costs. Grant recipients must submit quarterly reports in a format prescribed by the department.
