129		From the funds in Specific Appropriation 1989, the Department of Transportation shall implement real-time structural health monitoring systems on at least ten in-service bridges along major hurricane evacuation routes to ensure resiliency and structural integrity of the structures. The monitoring system must be comprised of embedded and external sensors capable of measuring parameters including, but not limited to, linear polarization resistance, open circuit potential, resistivity, chloride ion concentration, temperature, strain, and acceleration of the bridge and its related elements, including the superstructure, substructure, and foundations. These structural health monitoring systems are supplemental to the current bridge inspection and maintenance programs and activities. 393C		Funds in Specific Appropriation ***** are provided to the Department of State for the sustainment of the current Sunbiz corporate filing system and to competitively procure (1) enhancements and temporary staffing for the Division of Corporations call center, and (2) deliverables-based contracted services for the project planning and analysis necessary to replace the Sunbiz system with cloud-hosted solutions pursuant to section 282.206, Florida Statutes. These funds shall be held in reserve. No funds are provided for Contract Number DAS-IT-19-01 by and between the Department of State and PCC Technology, Incorporated. At a minimum, the project planning shall include documentation of detailed business, functional, and technical requirements necessary for the competitive procurement of a replacement system. The department is authorized to submit quarterly budget amendments requesting release of these funds pursuant to the provisions of chapter 216, Florida Statutes, and based on the department's planned quarterly expenditures. Release is contingent upon approval of a detailed operational work plan and monthly spend plan that identifies all work activities and costs budgeted for Fiscal Year 2022-2023. By January 15, 2023, the department shall provide a report on the project planning outcome to the Executive Office of the Governor's Office of Policy and Budget, the chair of the Senate Appropriations Committee, and the chair of the House Appropriations Committee.
