Through FOCUS (Families On Career Up-skilling and Success), HUF will help individuals with low and moderate incomes improve financial stability through workforce training and family-sustaining employment opportunities. Using a holistic family-centered approach, HUF will connect children, youth, and adults to existing and new educational and workforce resources intended to improve the overall wellbeing of each household member and end generational poverty.

b. What activities and services will be provided to meet the intended purpose of these funds?

Families will become stronger and increase their financial self-sufficiency through social capital, education and individual coaching. Unemployed and underemployed adults with children will access affordable childcare for preschool aged children, pro-social & academic enrichment activities for their school age youth during out-of-school time, and workforce development & asset building.

c. What direct services will be provided to citizens by the appropriation project?

Direct services will eliminate barriers of entry for workforce training and help families achieve self-sufficiency as parents/caregivers learn and implement networking, skill-building, career management, financial education, and asset accumulation (ex. increase savings, buy a home). Staff will provide group education and individual coaching to household members to build generational resilience.

d. Who is the target population served by this project? How many individuals are expected to be served?

Elderly persons, jobless persons, economically disadvantaged persons, at-risk youth, preschool students, grade school students, high school students.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Increase State and County's workforce:

of persons receiving vocational training and/or securing credentials (pre- and post- evaluation)

Individuals become employed and/or gain better employment:

of persons becoming employed or improving employment (pre- and post- evaluation)

Individuals increase financial stability:

% of persons increasing income (pre- and post- evaluation)

Improve and enhance familial prosperity:

% of households reporting increase in factors of wellbeing (ex. physical, economic, social, emotional, life satisfaction; pre- and post- evaluation)

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Meeting deliverables and performance measures are critical to our success and that of the community members we serve. Penalties for non-performance may include reduction in funding or inability to be reimbursed for ineligible activities that have been completed, return of funds, and/or termination of award.
