Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 2342

The paving of 6th street will allow for the development of new affordable residential housing units. Will provide sidewalks and allow community members to have greater choices in available housing.

c. What direct services will be provided to citizens by the appropriation project?

Will provide sidewalks and allow community members to have greater choices in available housing.

d. Who is the target population served by this project? How many individuals are expected to be served?

Elderly persons. Persons with poor mental health. Economically disadvantaged persons.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The project allows for the economic development of surrounding lots that will provide access to affordable housing. This would be measured by the construction of affordable housing.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

The town of Hilliard shall have 18 months to complete the project after execution of contract.
