14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 2896

The town is working to transform and reformulate downtown backend alleyways specifically an alley with tremendous potential for improvement located between 94th Street and 96th Street between Harding and Collins Avenue. The funding will support with the costs to make the alley more walkable for pedestrians and allow for a clear and safe path for commuters seeking a quieter and exciting alternate route around heavier congestion.

b. What activities and services will be provided to meet the intended purpose of these funds?

All residents and visitors will benefit from a safer and more walkable space providing an alternate route off the busy main downtown street.

c. What direct services will be provided to citizens by the appropriation project?

Through this funding and project, the town will be able to better serve commuters of myriad modes and abilities through a safer, clearer, and more walkable alleyway. In addition, the hardscaping improvements will be ADA compliant replacing the deteriorating asphalt and potholes down the alley.

d. Who is the target population served by this project? How many individuals are expected to be served?

General - The majority of funds will benefit no specific group.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The town seeks to increase walkability and pedestrian safety throughout its boundaries. The improvements through these town projects will result in increased walking/biking and outdoor experiences for the community that will make the community more physically active, which will improve overall public physical and mental health. The alleyway will be improved with ADA compliant hardscaping, lighting, drainage improvements, and undergrounding of hazardous utility lines all of which will make the space safer to the general public.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

The town will abide by all agency agreed upon performance measures and/or deliverables as stated in the contract clauses.
