Local Funding Initiative Request

Fiscal Year 2024-2025

LFIR # 1854

1. **Project Title**

2. **Senate Sponsor**

3. **Date of Request**

4. **Project/Program Description**

The need for a state-of -the-art fire station is undeniable for ensuring the safety and well-being of Singer Island residents within the City of Riviera Beach. Given existing Fire Station Number 86 has reached the end of its life, the proposed new facility is not just an upgrade, but a necessity. The replacement will overcome the challenges presented by the limited land area and provide modern, effective emergency response services to the community.

LFIR # 1854

c. What direct services will be provided to citizens by the appropriation project?

This funding is a good use of taxpayer dollars because it will provide the firefighters of Riviera Beach with a building that will align with hurricane standards. The building of the station will ensure the ability to serve the public.

d. Who is the target population served by this project? How many individuals are expected to be served?

Riviera Beach Fire Rescue serve a population of approximately 38,000. The zone that the fire station resides in serves a percentage of the citizens that live in Riviera Beach. This station is located on Singer Island.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Riviera Beach residents that live within the 20th District deserve updated infrastructure that houses departments that serve them.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Institute liquidated damages for delay on deliverables.
