3. Date of Request

4. Project/Program Description

This project, Graceville Farmers Market, will consist of the design, permitting and construction of a new Graceville Farmers Market Facility. This will be a pole barn framed building with aesthetic features to look new and inviting. The design hasn't been completed, but intent is to construct brick columns with fans and a stage within the pole barn for the City to host events and holiday gatherings for the community. There will also be a parking lot in front of the building with ADA availability. This will be adjacent to their existing park where various activities are held throughout the year.
