FROM THE OFFICE OF **SENATOR JASON PIZZO**

During the 2023 session, the Florida Legislature passed SB 774—requiring Mayors and Elected members of the governing body of a municipality to file Form 6. Since then, many elected officials within our district and beyond have voiced questions and concerns about the form. In an effort to make this required process easier, Senator Pizzo partnered with Senator Gruters and Mr. Steven Zuilkowski (Florida Commission on Ethics Deputy Executive Director and General Counsel) to host a walkthrough tutorial/Q & A session on Form 6 filing. If you could not join last Friday, please click [here](#) to watch the recorded webinar.
