My tour around District 40 and other areas of Miami-Dade presenting organizations with their state funding continued this month. It is so inspiring to see what wonderful things happen around our state and further motivates me to pursue all the resources I can for South Florida.

I also spent a lot of time in Monroe County learning about the progress made throughout the year and about what's to come.

Looking forward to heading back to Tallahassee this month for the first few Interim Committee Weeks.

**Sincerely,**  
**Senator Ana Maria Rodriguez**

**Congratulations to Speaker Designate Daniel Perez who became the 3rd Cuban-American in Florida's History to be named Speaker of the Florida House of Representatives. We are incredibly proud of you!**

**Thankful to Republican Amigos  
for inviting Representative  
Porras and I earlier this month to  
provide a Legislative Update to  
their members.**
