Construction/Renovation/Land/Planning Engineering	These funds will be used for engineering and construction costs associated with the widening and resurfacing of Four Mile Road in Freeport.	300,000
Total State Funds Requested (must equal total from question #6)		300,000

14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Widening and resurfacing Four Mile Road will allow for smoother traffic flows with wider lanes for traffic and pedestrian safety. This project will also allow for a much needed alternative roadway for more local traffic and alleviate the increasing congestion throughout the city from tourists traveling to the beaches.

b. What activities and services will be provided to meet the intended purpose of these funds?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2024-2025

LFIR # 3019

These funds will be used for engineering and construction costs associated with the widening and resurfacing of Four Mile Road in Freeport.

c. What direct services will be provided to citizens by the appropriation project?

Those traveling through the city will have enhanced roadway infrastructure.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population served by this project is the general public; over 800 individuals are expected to be served

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Improved traffic conditions: congestion will be alleviated as an alternative route for local traffic will be utilized.
Increased tourism: this outcome will be measured by increased tourist traffic counts.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

If appropriated, the City of Freeport will ensure that all deliverables and performance measures set forth in the funding agreement are met. These measures will include engaging a compliance/project management team to work with the City staff to oversee administration and compliance of the appropriated funds.
