| Operational Costs: Other | | |
| Salary and Benefits | | 0 |
| Expense/Equipment/Travel/Supplies/Other | Mobile Command Center | 700,000 |
| Consultants/Contracted Services/Study | | 0 |
| Fixed Capital Construction/Major Renovation: | | |
| Construction/Renovation/Land/Planning Engineering | | 0 |
| Total State Funds Requested (must equal total from question #6) | | 700,000 |

14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Funds will be used to procure a Mobile Command Center for the City's Public Safety and Emergency Management personnel. A Mobile Command Center is a critical resource for the City's response to disasters, large-scale emergencies, and other major incidents. The current Mobile Command Center is almost 14 years old and is not in good working order.

b. What activities and services will be provided to meet the intended purpose of these funds?

A mobile command center fills a critical need in our community and is uniquely able to serve as a base of operations in during emergencies. These specialized vehicles can help in the wake of natural disasters, assist in distributing government aide, and help government organizations mitigate crime.

Fiscal Year 2023-2024

LFIR # 1641

c. What direct services will be provided to citizens by the appropriation project?

Government services related to disasters and major incidents will be delivered to citizens at various locations within the community by way of the Mobile Command Center.

d. Who is the target population served by this project? How many individuals are expected to be served?

The undeserved and disadvantaged members of our community are the target populations. Elderly citizens and those with special needs will be provided access to government during disasters by responding to neighborhoods with the Mobile Command Center. The entire population of approximately 35,000 residents will benefit and could be served by the Mobile Command Center.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Increase the resources available to first responders at the scene of disasters and other major incidents, which will lead enhanced services to citizens and victims of crime.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Limit or revoke future funding.
