Total State Funds Requested (m	ust equal total from question #6)	250,000

14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Florida has a large and growing senior population and increased risks for Alzheimer's or another form of dementia. This program will assist in providing an economically efficient search and recovery method.

b. What activities and services will be provided to meet the intended purpose of these funds?

Community leaders and law enforcement agencies will be better able to serve their high-risk autism and dementia population by raising missing persons awareness, mitigation risk and improving search performance.
