SENATOR ANA MARIA RODRIGUEZ NAMED 2023 LEGISLATIVE CHAMPION BY THE GREATER MIAMI CHAMBER OF COMMERCE

MIAMI-DADE COUNTY, Fla.-The Greater Miami Chamber of Commerce has named Senator Ana Maria Rodriguez the recipient of the ‘2023 Legislative Champion Award’. Given her exemplary leadership efforts in Miami-Dade County, in addition to her unwavering support of affordable housing legislation, Senator Rodriguez is the first Senator to receive the award. The previous recipients have all been recognized for their captainship in the House.

The Chamber recognizes Senator Rodriguez’s efforts as the current Chair of the Miami-Dade County Legislative Delegation in addition to her sponsorship of SB1150, “Taxation of Affordable Housing”. This senate bill enables local governments to endorse ordinances granting property tax exemptions to landlords who rent at least 10% of their units at affordable rates.

“I am humbled and incredibly delighted to be the recipient of this award. As a Leadership Miami graduate, I grew up professionally being involved with the Chamber. Their efforts mean a great deal to me and I am truly honored.” -Senator Ana Maria Rodriguez

Senator Ana Maria Rodriguez received her award on Tuesday, January 24th at 5:30 p.m., during the 2023 Tallahassee Fly-In welcome reception. The Tallahassee Fly-In will last for three days

and allows for the Greater Miami Chamber of Commerce to convene with elected officials to advocate for transportation, workforce housing, workforce development and education, resiliency, and more.
