The Florida Keys is hurting this month after the loss of Commissioner Mike Forster. Mike was a friend, colleague, and a staunch advocate for the Florida Keys. He will be missed.

I'd like to congratulate Representative Holly Raschein for being appointed Commissioner by Governor Ron DeSantis after the loss of Commissioner Forster.

This month the legislature headed back to Tallahassee for the very first Interim Committee Week leading into Session 2022. I am proud to be a member of the Reapportionment Committee and Select Subcommittee on Legislative Reapportionment.

Sincerely,
Senator Ana Maria Rodriguez
