535	EMERGENCY OPERATIONS CENTER					535
536	Funds in Specific Appropriation 2693A are provided to the Division of Emergency Management for the technology, telecommunications, audio/visual equipment, and installation services needed for the new Emergency Operations Center. Pursuant to section 282.201(3)(a), Florida Statutes, no funding is provided to create any new agency computing facility or data center, or to expand current agency data center capabilities. The division may utilize this funding to obtain the necessary data center services through the Northwest Regional Data Center. The division is authorized to submit budget amendments requesting release of these funds pursuant to the provisions of chapter 216, Florida Statutes. Release is contingent upon submission and approval of a project plan and spending plan for the procurement and installation of all identified equipment and services, including a detail of the recurring costs necessary to operate and maintain the equipment. 573				From the funds in Specific Appropriation 2704, \$5,146,914 in nonrecurring funds from the General Revenue Fund is provided to the Division of Emergency Management for operational expenses and activities associated with the initial buildout of one warehouse facility that will serve as the hub facility for the storage and movement of emergency supplies in this state during emergency activations and response.	From the funds in Specific Appropriation 2704, \$5,000,000 in recurring funds is provided for operational expenses and management activities related to the division's emergency warehousing needs. In order to promote efficiency and not duplicate efforts, the division shall contract with the vendor it determined was in the best interest of the state to proceed with pursuant to the Invitation to Negotiate No. ITN-DEM-23-24-006 for the turnkey stockpile management of the state-owned warehouse that will serve as the hub facility for the storage and movement of emergency supplies in this state during emergency activation and response. Prior to the division occupying the state-owned warehouse, the vendor shall begin an existing inventory assessment to ensure the buildout components are adequate and the warehouse management and response activities can be effectively deployed and implemented.	573

852		Senate Language	Senate Language	SECTION 176. There is hereby appropriated for Fiscal Year 2023-2024, \$1,092,554 in nonrecurring funds from the Emergency Preparedness and Assistance Trust Fund to the Executive Office of the Governor, Division of Emergency Management, for county emergency management program grants which were not reimbursed prior to the end of the fiscal year due to emergency activations. This section is effective upon becoming a law.		852
855		New Language	New Language	SECTION 191. There is hereby appropriated \$41,000,000 in nonrecurring fixed capital outlay funds for Fiscal Year 2023-2024, from the General Revenue Fund to the Division of Emergency Management, for the buildout of one warehouse facility that will serve as the hub facility for the storage and movement of emergency supplies in this state during emergency activations and response. This section is effective upon becoming a law.	The nonrecurring sum of \$116,000,000 from the General Revenue Fund is appropriated to the Division of Emergency Management in fixed capital outlay for Fiscal Year 2023-2024 to purchase and buildout the warehouse facility identified in the Invitation to Negotiate No. ITN-DEM-23-24-006. From these funds up to \$75,000,000 may be used for the purchase price and closing costs of the facility. Funds may not be expended for the buildout of the warehouse until the warehouse has been purchased by the state. The facility will serve as the hub facility for the storage and movement of emergency supplies in this state during emergency activation and response. This section is effective upon becoming a law.	855
856		Modified Language	Senate Language	SECTION 217. From the funds appropriated to the Division of Emergency Management within the Executive Office of the Governor in section 8 of chapter 2022-272, Laws of Florida, \$33,000,000 shall revert and is appropriated for Fiscal Year 2023-2024 to the division to provide the full amount of the required match of local governments within fiscally constrained counties for Hazard Mitigation Assistance grants related to the Federal Emergency Management Agency disaster declaration for Hurricane Idalia to offset the costs that such local governments would otherwise be required to provide pursuant to s. 252.37(6), Florida Statutes. Such local governments must enter into agreements with the division to have their portions of the match requirements waived. The division shall report quarterly to the chair of the Senate Appropriations Committee, the chair of the House Appropriations Committee, and the Executive Office of the Governor's Office of Policy and Budget on the amount of match requirements waived, agreements entered into with local governments, and the amount of remaining appropriated funds. The unexpended balance of funds remaining on June 30, 2024, shall revert and is appropriated to the division for Fiscal Year 2024-2025 for the same purpose. This section is effective upon becoming a law.	SECTION 217. From the funds appropriated to the Division of Emergency Management within the Executive Office of the Governor in section 8 of chapter 2022-272, Laws of Florida, up to \$33,000,000 shall revert and is appropriated for Fiscal Year 2023-2024 shall be used by the division to provide the full amount of the required match of local governments within fiscally constrained counties for Hazard Mitigation Assistance grants related to the Federal Emergency Management Agency disaster declaration for Hurricane Idalia to offset the costs that such local governments would otherwise be required to provide pursuant to s. 252.37(6), Florida Statutes.
