## Local Funding Initiative Request

### Fiscal Year 2023-2024

LFIR # 2771

Avon Park Executive Airport is looking to partner with Florida Division of Emergency Management (FDEM) as a full time single location resource center. The site can quickly deploy named storm relief and accommodate a Type 1 and possible a Type 1A LSA. Having the turning lane ingress and egress will provide more efficient and safer access of personnel and heavy equipment.

**b. What activities and services will be provided to meet the intended purpose of these funds?**

Avon Park Executive Airport (AVO) is a public use airport that serves the general aviation community. AVO also supports FDEM when needed and is bringing more commercial aviation activities as well as, a proposed biotech innovation center to support alternative crops to replace citrus.

**c. What direct services will be provided to citizens by the appropriation project?**

Ensure that the traveling public life safety and security is at its best. This funds will also provide the appropriate arteries for optimal economic development. This can create abilities for an improved Fixed Based Operator, hotel, food and commercial activity. The Highlands County region can benefit greatly in the event of a named storm to provide enhanced ability to properly stage Duke Energy trucks, as well as, be of serve to FDEM as needed.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

Avon Park Executive Airport has been designated as a state recognized "catalyst" site for economic development. This site can serve thousands of residents and businesses.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

Reduce traffic congestion and provide an alternative route for local traffic. Increased safety, improved multi-modal/bimodal access and capacity, upgraded utilities, enhanced aesthetics and reduced travel times to businesses and residential areas. Measure traffic congestion and intersection performance at locations impacted by the project.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

Standard penalties including liquidated damages and the potential failure to be awarded future contracts due to poor or lack of performance.

**15. Requester Contact Information**
