

# The Florida Senate

## Local Funding Initiative Request

### Fiscal Year 2024-2025

LFIR # 2719

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

Construction of three resilient stormwater outfall structures to help prevent storm surge flooding and high tide flooding in low lying neighborhoods. The structures incorporate tide check valves that will close against high tides and storm surges and baffle boxes that will improve the quality of water being discharged into the bay.

5. State Agency to receive requested funds

State Agency contacted?

6. Amount of the Nonrecurring Request for Fiscal Year 2024-2025

| Type of Funding                    | Amount         |
|------------------------------------|----------------|
| Operations                         | 0              |
| Fixed Capital Outlay               | 425,000        |
| <b>Total State Funds Requested</b> | <b>425,000</b> |

7. Total Project Cost for Fiscal Year 2024-2025 (including matching funds available for this project)

| Type of Funding                                      | Amount         | Percentage  |
|--|----------------|-------------|
| Total State Funds Requested (from question #6)       | 425,000        | 50%         |
| <b>Matching Funds</b>                                |                |             |
| Federal  | 0              | 0%          |
| State (excluding the amount of this request)         | 0              | 0%          |
| Local  | 425,000        | 50%         |
| Other  | 0              | 0%          |
| <b>Total Project Costs for Fiscal Year 2024-2025</b> | <b>850,000</b> | <b>100%</b> |

8. Has this project previously received state funding?

| Fiscal Year<br>(yyyy-yy) | Amount    |              | Specific<br>Appropriation # | Vetoed |
|--------------------------|-----------|--------------|-----------------------------|--------|
|                          | Recurring | Nonrecurring |                             |        |
|                          |           |              |                             |        |

9. Is future funding likely to be requested?

a. If yes, indicate nonrecurring amount per year.

b. Describe the source of funding that can be used in lieu of state funding.

10. Has the entity requesting this project received any federal assistance related to the COVID-19 pandemic?

If yes, indicate the amount of funds received and what the funds were used for.

# The Florida Senate

## Local Funding Initiative Request

### Fiscal Year 2024-2025

LFIR # 2719

\$4,801,684. Proposed uses include Sanitary lift station reconstruction, stormwater system improvements, and inflow and infiltration projects.

## Complete questions 11 and 12 for Fixed Capital Outlay Projects

### 11. Status of Construction

a. What is the current phase of the project?

- Planning    
  Design    
  Construction    
  N/A

b. Is the project "shovel ready" (i.e permitted)?

No

c. What is the estimated start date of construction?

2025

d. What is the estimated completion date of construction?

2025

12. List the owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

Owned by Local Government-City of St Pete Beach

### 13. Details on how the requested state funds will be expended

| Spending Category  | Description   | Amount         |
|--|---|----------------|
| <b>Administrative Costs:</b>   |   |                |
| Executive Director/Project Head Salary and Benefits                    |   | 0              |
| Other Salary and Benefits  |   | 0              |
| Expense/Equipment/Travel/Supplies/Other                                |   | 0              |
| Consultants/Contracted Services/Study                                  |   | 0              |
| <b>Operational Costs: Other</b>  |   |                |
| Salary and Benefits  |   | 0              |
| Expense/Equipment/Travel/Supplies/Other                                |   | 0              |
| Consultants/Contracted Services/Study                                  |   | 0              |
| <b>Fixed Capital Construction/Major Renovation:</b>                    |   |                |
| Construction/Renovation/Land/Planning Engineering                      | Construction of three resilient stormwater outfall structures. Structures incorporate tide check valves to protect against high tides and storm surge events to prevent flooding. Also includes baffle boxes to improve quality of water being discharged into the bay. | 425,000        |
| <b>Total State Funds Requested (must equal total from question #6)</b> |   | <b>425,000</b> |

### 14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The purpose of the project is to help prevent flooding due to storm surge and high tide conditions in low lying neighborhoods and improve the quality of stormwater being discharged into the bay.

b. What activities and services will be provided to meet the intended purpose of these funds?

Flood prevention in low lying neighborhoods

**c. What direct services will be provided to citizens by the appropriation project?**

Flood prevention in low lying neighborhoods

**d. Who is the target population served by this project? How many individuals are expected to be served?**

Citizens in low lying neighborhoods.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

Help prevent flooding from storm surges and high tides. Comparison of pre and post project events.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

Return funds

**15. Requester Contact Information**

**a. First Name**  **Last Name**   
**b. Organization**   
**c. E-mail Address**   
**d. Phone Number**  **Ext.**

**16. Recipient Contact Information**

**a. Organization**   
**b. Municipality and County**   
**c. Organization Type**  
 For Profit Entity  
 Non Profit 501(c)(3)  
 Non Profit 501(c)(4)  
 Local Entity  
 University or College  
 Other (please specify)
