## Local Funding Initiative Request

### Fiscal Year 2023-2024

LFIR # 2445

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

The School District of Lee County is requesting a specific appropriation project for \$250,000 to provide expanded after-school activities for up to 500 at-risk students in our schools that have earned a grade of D or a low C. The funding is required to provide extended day programming to meet the academic needs of at-risk students, beyond what our current funding may provide. Partners, such as the Boys and Girls Club and YMCA, will be engaged to provide after school programming for the students, in addition to current schools that have space in extended day programs.

If yes, indicate the amount of funds received and what the funds were used for.

The School District of Lee County has been allocated \$323,500,000 through the CARES Act, CRRSA Act, and the American Rescue Plan for various projects that were specific to each allocation. The funding provided support for Pre-K-12 and Technical College students, with all funding relating to the preparation, response, or prevention of Covid-19. The majority of the allocation was targeted to mitigate learning loss and to close the achievement gap.

### Fiscal Year 2023-2024

LFIR # 2445

The goal is to expand opportunities for students to have access to highly structured after-school care. The district will partner with non-profits, other community organizations, and current school-based after-school care programs. Students who benefit from this support have high academic needs and are from low socio-economic backgrounds.

**b. What activities and services will be provided to meet the intended purpose of these funds?**

Tutoring and academic interventions will be provided for up to 500 at-risk students.

**c. What direct services will be provided to citizens by the appropriation project?**

The goal of the direct services is to reduce the at-risk indicators for students so that they may be "on time" high school graduates.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

The target population are at-risk students located at our schools who have earned letter grades of D or a low C. We are requesting funds to serve up to 500 students.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

The expected outcomes of the project are for students to increase their academics as indicated on their report cards, increase daily attendance, and decrease disciplinary infractions.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

Failing to meet the deliverables could result in students who do not graduate on-time, which could adversely impact the fulfillment of their life's goals. Funds not spent on providing students with high-quality after school programs would be reverted back to the state.
