## PLAN FOR YOUR BEST DEFENSE

### No single tool is going to stop the pandemic

We have to work together and use all the tools available. Your best defense will be a combination of:

- Getting a COVID-19 vaccine,
- Wearing a mask,
- Staying at least 6 feet away from others, and
- Washing your hands often.

Learn about the COVID-19 vaccination at [floridahealthcovid19.gov/covid-19-vaccines-in-florida](https://floridahealthcovid19.gov/covid-19-vaccines-in-florida)

### ARE YOU THE PARENTS OR CAREGIVER OF A CHILD WITH SIGNIFICANT DISABILITIES?

Through a generous allocation from **The Children's Trust**, The Advocacy Network on Disabilities has funds to pay for respite, in-home supports, and out-of-school programs.

**Eligibility:** These funds are for children and youth who have significant and multiple support needs such as activities of daily living (e.g. using the bathroom, eating, moving, or communicating); requiring medication administration or other assistance because of medical conditions; and/or exhibiting behavior that is aggressive or self-injurious. Other factors may include whether there is more than one child with a disability in the home, the age of the caregiver, and whether other supports are available. Each family will have the opportunity to discuss, with our Inclusion Coordinator, their individual needs.
