LFIR # 1292

Event attendees will enjoy a more enjoyable experience with the proposed improvements to amenities.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population served by this project is the general public and physically disabled individuals. Over 800 individuals are expected to be served

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Improved physical health; Downtown festival events encourage walkability and physical activity.

Enrich cultural experience; Encouraging and promoting more events downtown will enable more individuals to experience the rich history of Milton.

Increase tourism; Improvements to the downtown festival and event area will encourage and allow more tourists to visit and enjoy downtown Milton.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

If appropriated, the City of Milton will ensure that all deliverables and performance measures set forth in the funding agreement are met. These measures will include engaging a compliance/project management team to work with City staff to oversee administration and compliance of the appropriated funds.
