The Town of Medley is in need of assistance to address the issue of truancy and crime prevention. We have risk factors. According to the Association for Supervision and Curriculum Development (ASCD), these risk factors can lead to the detriment of a student's capacity to envision or achieve success. As part of the City's commitment to provide quality Youth Programming that will deter truancy, bullying and other negative behavior among school-age children, funding is being requested to support after school and summer programming, and the Police Explorers' Program.
