Local Funding Initiative Request

Fiscal Year 2024-2025

LFIR # 2584

1. **Project Title**

2. **Senate Sponsor**

3. **Date of Request**

4. **Project/Program Description**

The requested funds will be used to rehabilitate areas of the north and south jetties that have deteriorated and been damaged by storms. The jetties are located adjacent to the popular Sebastian Inlet State Park (SISP) and are critical to maintaining safe navigation and providing recreational opportunities to the approximately 1 million annual visitors. The SISP's website states that this park attracts "visitors from around the globe" in addition to its regional and statewide visitors. Specific repairs include structural maintenance to jetty concrete decking and piles, replacement of storm protecting armor stone, and safety enhancements to jetty railings and sidewalks.

Specific repairs include structural maintenance to jetty concrete decking and piles, replacement of storm protecting armor stone, and safety enhancements to jetty railings and sidewalks.

b. What activities and services will be provided to meet the intended purpose of these funds?

The Sebastian Inlet State Park is one of the most visited parks within the State of Florida. Having safe amenities available is critical to serving the park's daily visitors.

c. What direct services will be provided to citizens by the appropriation project?

Uninterrupted use of the park's key recreational features such as boating, fishing, birding, surfing and many other outdoor and commercial activities.

d. Who is the target population served by this project? How many individuals are expected to be served?

The ~1M annual park visitors and others who navigate the Sebastian Inlet.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Annual park attendance and uninterrupted navigation will benefit from the project. Sebastian Inlet State Park admission/revenue will be used to measure the outcome.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

In the event the Sebastian Inlet District fails to meet the deliverable or performance requirements, applicable penalties will be determined by standard contract conditions and/or an appropriate Corrective Action Plan. A specific penalty could be a reduction in the funded appropriation.
