14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 1463

The goal of these requested funds is to ensure the Gulf Beach Highway Drainage Outfall at Sunset \ Patton \ Elite \ Winthrop can be constructed by overcoming the recent material and labor cost increases. Much effort has been put forth to bring this project through construction. Based on recent bids in Escambia County of similar projects, this project is at risk of not being able to move into construction without these requested funds.

b. What activities and services will be provided to meet the intended purpose of these funds?

Escambia County will provide the procurement of the contract and the contract administration to meet the intended purposes of these funds.

c. What direct services will be provided to citizens by the appropriation project?

Citizens within the project area will be provided drainage improvements.

d. Who is the target population served by this project? How many individuals are expected to be served?

This project will serve the residents of North Navy Point and consists of approximately 70 homes and properties constructed between 1948 - 1950 that are located just south of Gulf Beach Highway (SR 297A).

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

This project will reduce flooding. Flooding complaints are captured, after this area is expected to reduce to zero.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

The contract between the County and Contractor will have penalties for not performing work within the time allotted in the contract. These penalties include liquidated damages, negative post design evaluations for the firm, and having the right to bid on future work revoked.
