

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 2313

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

This project will supplement funds for the building of the Gulf County Water System to a more inland location. An inland location will help protect the water system from being damaged by natural disasters (i.e. hurricanes, storm surge).

5. State Agency to receive requested funds

State Agency contacted? No

6. Amount of the Nonrecurring Request for Fiscal Year 2023-2024

Type of Funding	Amount
Operations	0
Fixed Capital Outlay	3,500,000
Total State Funds Requested	3,500,000

7. Total Project Cost for Fiscal Year 2023-2024 (including matching funds available for this project)

Type of Funding	Amount	Percentage
Total State Funds Requested (from question #6)	3,500,000	19%
Matching Funds		
Federal	7,012,869	38%
State (excluding the amount of this request)	6,784,183	37%
Local	1,013,728	6%
Other	0	0%
Total Project Costs for Fiscal Year 2023-2024	18,310,780	100%

8. Has this project previously received state funding? No

Fiscal Year (yyyy-yy)	Amount		Specific Appropriation #	Vetoed
	Recurring	Nonrecurring		

9. Is future funding likely to be requested? No

a. If yes, indicate nonrecurring amount per year.

b. Describe the source of funding that can be used in lieu of state funding.

10. Has the entity requesting this project received any federal assistance related to the COVID-19 pandemic?

Yes

If yes, indicate the amount of funds received and what the funds were used for.

Fiscal Year 2023-2024

LFIR # 2313

\$4,084,772 used for rental and mortgage assistance, emergency medical services and equipment, emergency management, small business assistance, payroll, public health & safety, medical expenses, public health expenses, government services, etc.

Complete questions 11 and 12 for Fixed Capital Outlay Projects

11. Status of Construction

a. What is the current phase of the project?

- Planning
 Design
 Construction

b. Is the project "shovel ready" (i.e permitted)?

No

c. What is the estimated start date of construction?

10/01/2023

d. What is the estimated completion date of construction?

09/30/2024

12. List the owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

Gulf County will own the facility.

13. Details on how the requested state funds will be expended

Spending Category	Description	Amount
Administrative Costs:		
Executive Director/Project Head Salary and Benefits		0
Other Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
Operational Costs: Other		
Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
Fixed Capital Construction/Major Renovation:		
Construction/Renovation/Land/Planning Engineering	Funding will be used to supplement construction for the Gulf County Water System.	3,500,000
Total State Funds Requested (must equal total from question #6)		3,500,000

14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

A relocated water system to be more inland will protect it from natural disasters, such as hurricanes and storm surges. Moving away from the coastline will also protect it from saltwater intrusion.

b. What activities and services will be provided to meet the intended purpose of these funds?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 2313

The water system will provide a safe drinking water source for the County's residents and visitors that will be more resilient during disasters.

c. What direct services will be provided to citizens by the appropriation project?

An inland water system will provide the citizens with a reliable and safe water source, even during and after disasters.

d. Who is the target population served by this project? How many individuals are expected to be served?

Approximately 14,192 residents of Gulf County as well as visitors that travel to Gulf County.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

A relocated water system to be more inland will protect it from natural disasters, such as hurricanes and storm surges. Moving away from the coastline will also protect it from saltwater intrusion.

An inland water system will make it more resilient to hurricanes and storm surges. Safe and reliable water is a must for any community, especially during disasters.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Failing to meet deliverables or performance measures would impact future funding request.

15. Requester Contact Information

- a. **First Name** **Last Name**
- b. **Organization**
- c. **E-mail Address**
- d. **Phone Number** **Ext.**
