## Local Funding Initiative Request

### Fiscal Year 2024-2025

LFIR # 1124

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

The funds will provide design and permitting for the replacement of Bridge #867201, NE 29th Street over the Tern Waterway. The bridge is over 50 years old and traditional maintenance is no longer feasible. It has undergone multiple repairs and due to the extremely aggressive marine environment, it will continue to deteriorate rapidly. The bridge serves as the single point of access and hurricane evacuation route to approximately multiple households.

**b. What activities and services will be provided to meet the intended purpose of these funds?**

The bridge serves as the single point of access and hurricane evacuation route to residents in the community. Once the bridge has been replaced, residents will have a reliable evacuation route in the event of a hurricane or other significant weather event.

**c. What direct services will be provided to citizens by the appropriation project?**

A collapse could cause potential harm to residents, leaving them stranded in the event of a severe weather event. Once the design and permitting have been completed, the existing bridge will be replaced with a new resilient structure.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

The bridge serves as the single point of access and hurricane evacuation route to several residents in the island community.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

Once the bridge has been replaced, residents will have a reliable evacuation route in the event of a hurricane or other significant weather event.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

Failure to meet deliverables will result in return of funds to administering agency.
