Welcome to 2023!

January was productive and exciting in both Miami and Tallahassee. The year began with Governor Ron DeSantis and Lt. Governor Jeanette Nuñez being sworn into office. Committee were also full throttle with dozens of wonderful groups stopping by the office every week to say hello, share their missions, and reconnect with their legislators face-to-face.

The Miami-Dade Delegation hosted its yearly hearing as well and we heard from over 50 organizations. Looking forward to a productive legislative session which is just weeks away.

**Sincerely,**  
**Senator Ana Maria Rodriguez**
