Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 3216

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

Requested funds would be for students only, not the school. Funds would remove barriers to entry level career education for those unable to continue their education due to expenses such as transportation to school, child care, food and career readiness clothing. If students are unable to complete their education, they not only fall short on their diploma but also owe tuition for classes completed and miss the opportunity to improve their income with a new job in their chosen career field.

14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

This request is strictly for FCC students to be allowed transportation passes, child care vouchers, food pantry vouchers, career readiness clothing expenses, and housing. Being able to gain access to a career education will allow students to be trained in skills that lead to high demand careers in FL such as allied health, skilled trades, business and technology.

b. What activities and services will be provided to meet the intended purpose of these funds?

Provide expense assistance for students to gain access to career training classes so they can enter the workforce.

c. What direct services will be provided to citizens by the appropriation project?

Provide ongoing opportunities for students to receive hands-on training in allied health, business and technology at Florida Career College - Pembroke Pines campus.

d. Who is the target population served by this project? How many individuals are expected to be served?

201-400
High school students
University/college students

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Requested funds would be for students only, not the school. Funds would remove barriers to entry level career education for those unable to continue their education due to expenses such as transportation to school, child care, food and career readiness clothing. If students are unable to complete their education, they not only fall short on their diploma but also owe tuition for classes completed.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Improve access to entry level career education programs at the Florida Career College will be in accordance with the work plan and list of deliverables, including payment and the withholding of funds for non-performance if necessary. This is an allocation for students in need of assistance for expenses such as transportation, child care, food pantry items, and career readiness clothing to gain access to a career school and graduate.
