This involves labor, materials, and specialized expertise to ensure each phase meets quality and compliance standards.	848,223
Total State Funds Requested (must equal total from question #6)		875,961

14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2024-2025

LFIR # 2405

Improved accessibility to park natural resources
 Removal of trip and safety hazards from beach access facilities
 Reduction in the number of incidents, accident reports, and resulting legal claims
 Reduction in challenges facing park's native wildlife species

b. What activities and services will be provided to meet the intended purpose of these funds?

Improved ADA access to beach and salt marsh
 Installation of lighting fixtures to facilitate after hours interpretive outreach opportunities
 Installation of lighting fixtures to reduce risk to park's native wildlife
 Renovation of parking facilities to remove hazards to pedestrians and wildlife

c. What direct services will be provided to citizens by the appropriation project?

This project will increase accessibility to the state park for disabled Floridians and visitors.

d. Who is the target population served by this project? How many individuals are expected to be served?

No specific target population - all park visitors will benefit from improvements.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Reduction in incidents, accident reports, and resulting legal claims after completion of project.
 Increase in number of sea turtle, least tern, Wilson's plover, and black skimmer nests along park beaches
 Decrease in number of sea turtle hatchling disorientations

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Standard contract penalties are sufficient.
