Local Funding Initiative Request

Fiscal Year 2024-2025

LFIR # 1782

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

The Town of Mangonia Park has engaged in a multi-year strategy to spur economic development. In preparation for the recruitment of businesses and development to the Town, the Town Council conducted an engineering study in 2017 of major roads that may be in need of re-paving. The study identified five roads in town that are functioning as poor or failing. These roads are in direct support of businesses that support the Port of Palm Beach. Funds will go towards re-paving these five critical roadways.

5. State Agency to receive requested funds

State Agency contacted?

6. Amount of the Nonrecurring Request for Fiscal Year 2024-2025

Type of Funding	Amount
Operations	0
Fixed Capital Outlay	1,500,000

Fiscal Year 2024-2025

LFIR # 1782

c. What direct services will be provided to citizens by the appropriation project?

Improved infrastructure.

d. Who is the target population served by this project? How many individuals are expected to be served?

The town's population is 2,300. The town has five industrial parks with several businesses. The target population is citizens and employees working within the town and anyone traveling these roads.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Through improved transportation conditions, businesses will increase production and this will allow for a stabilization of the Town's businesses and increase the attention to the Town's business parks. The methodology is improved property values and revenues from the business communities.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Reimbursement should be withheld.
