**LFIR # 2403**

This facility will provide state-of-the-art training in firearms for the major provider of law enforcement officers in the service area. The Daytona State Law Enforcement Academy trains 240 cadets each year using Florida Criminal Justice Standards & Training Commission (CJSTC) curriculum. The Firearms Training Center will allow cadets to receive instruction and practice in safe and effective firearm use at multiple times to accommodate simultaneous academy cohorts. In addition, approximately 90 sworn law enforcement officers per year train under the DSC CJSTC Training Grant and will receive continuing education in firearms use at the training center.

**b. What activities and services will be provided to meet the intended purpose of these funds?**

Daytona State College provides expert instruction in all aspects of law enforcement and will teach firearm safety and use at this facility.

**c. What direct services will be provided to citizens by the appropriation project?**

Instruction in firearms will be provided to 240 law enforcement academy students per year and approximately 90 current law enforcement officers. All citizens will be served by improved law enforcement training; this training directly contributes to public safety.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

The center will serve as an educational site for 240 law enforcement cadets per year and approximately 90 current sworn officers receiving continuing education. As a result of an effective law enforcement program, the entire community is served.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

The benefit will be increased access to firearms training and the benefit of a new, state-of-the-art facility for new trainees and current officers. Usage of the facility and student success rates in the firearms courses will be measured.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

Standard contract penalties are sufficient.
