SB 7016: HEALTH CARE

This week, I'd like to spotlight SB 7016, the 'Live Healthy' Health Care bill, a comprehensive health care reform aimed at addressing the expansion of Florida's healthcare workforce. I did vote for the bill which will help broaden access to care. However, my debate focused on concerns about the advanced birthing centers, the low Medicaid reimbursement rate, managed care plans, and the potential decline in uninsured or low-income health care services at birthing centers or private care facilities.

SB 462: EXCUSAL FROM JURY SERVICE

I co-sponsored a bipartisan bill that proposes excuse women who have given birth within six months of the reporting date on jury summonses upon their request.

Dear Friends,
We've entered the second week of the legislative session. I started the week by honoring the life and legacy of the drum major for justice, the Rev. Dr. Martin Luther King, Jr., by participating in the MLK Holiday Grand Parade in Jacksonville. Then, returned to Tallahassee for a short week filled with committee meetings, constituent discussions, and chamber votes.

Stay updated on the process by visiting <https://thefloridachannel.org/> for committee meetings and chamber sittings and <https://www.flsenate.gov/> to track the status of legislation over the next 60 days.

As always, thank you for the privilege of representing YOU in the Florida Senate!

Sincerely,

DUVAL DAY

After years of not acknowledging and commemorating Duval Day at The Capitol, community stakeholders united, organized, and endorsed our return. Local officials, CEOs, and groups convened, advocating for funding and policy changes for the City of Jacksonville within the Capitol halls.
