Construction/Renovation/Land/Planning Engineering	Total reconstruction of the Tamiami Blvd to SW 4 Street from SW 71 Avenue to SW 73 Ave including the drainage improvements, landscaping and new and safer ADA compliant sidewalk and crosswalks. Partnering with Miami-Dade County Water and Sewer Department, water main upgrades will be included as a component.	2,000,000
Total State Funds Requested (must equal total from question #6)		2,000,000

14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 1738

The funds will address a project in the Flagami Neighborhood community of the city which experiences flooding during rain events. In addition, improve pedestrian and vehicular safety, protect home and property from the perils of flood, improve the quality of life for the residents by improved ADA compliant sidewalks and roadway improvements.

b. What activities and services will be provided to meet the intended purpose of these funds?

The funds will be used to pay for the design, construction, and project administration services for the implementation of the needed improvements.

c. What direct services will be provided to citizens by the appropriation project?

N/A

d. Who is the target population served by this project? How many individuals are expected to be served?

Target population is a mix of mid to low income housing, ~1000

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Improve pedestrian and vehicular safety, protect home and property from the perils of flood, improve the quality of life for the residents. This will be measured by comparing the number of vehicular and pedestrian accidents pre to post construction; comparing the number of flooding complaints before and after the project using sensors and on-site inspections.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Failure to meet deliverables or performance measures should subject the City to an audit and depending on the results of the audit the City could be liable for sanctions up to revocation of funding.
