Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 1913

c. What direct services will be provided to citizens by the appropriation project?

Enhanced fire protection and decreased homeowners insurance rates.

d. Who is the target population served by this project? How many individuals are expected to be served?

General population of Calhoun County and surrounding counties.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The expected benefit is to protect the general public from harm and would be measured by enhanced fire protection, lower ISO rating and decreased insurance rates.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

The County will work with the contracting agency to determine applicable measures should funding be made available.
