CS/SB 476 — Law Enforcement Vehicles

by Innovation, Industry, and Technology Committee and Senator Hooper

The bill (Chapter 2020-5, L.O.F.) provides that condominium, cooperative, and homeowners' associations may not prohibit a law enforcement officer who is a unit or parcel owner, or the tenant, guests or invitee of an owner, to park his or her assigned law enforcement vehicle in an area where the owner, or the tenant, guest, or invitee of an owner, has a right to park.

These provisions were approved by the Governor and take effect upon becoming law.

Vote: Senate 39-0; House 116-0
