

THE FLORIDA SENATE  
2022 SUMMARY OF LEGISLATION PASSED  
**Committee on Commerce and Tourism**

**SB 288 — Electronic Dissemination of Commercial Recordings and Audiovisual Works**

by Senator Garcia

The bill subjects websites that electronically transmit, make available, or offer a commercial recording or audiovisual work for distribution, display, or performance to the Florida True Origin of Digital Goods Act. These websites will be required to post their operator's or owner's contact information and may be subject to injunction for failure to do so.

If approved by the Governor, these provisions take effect July 1, 2022.
