

THE FLORIDA SENATE
2013 SUMMARY OF LEGISLATION PASSED
Committee on Transportation

SB 954 — Technology Research and Development Authority

by Senator Gardiner

The bill removes each reference to the Technological Research and Development Authority (TRDA) from Florida Statutes. Specifically, the bill removes the TRDA from:

- s. 320.08058, F.S., relating to use of funds accruing from the sale of the Challenger/Columbia specialty license plates;
- s. 379.2202, F.S., relating to the list of commissions receiving federal funds through saltwater license and permit fees collected under s. 379.354, F.S.; and
- s. 112.3148(6)(a)(b), F.S., relating to reporting of receipt of gifts by public disclosure of financial interests and by procurement of employees.

If approved by the Governor, these provisions take effect July 1, 2013.

Vote: Senate 38-0; House 118-0
