COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 132 establishes s. 215.986, F.S., that recognizes, effective January 1, 2026, gold and silver coin meeting certain requirements as legal tender for payment of a debt in Florida. The bill prohibits a person from being required to offer or accept gold and silver coin as legal tender for specified purposes, and limits liability for refusing to offer or accept such legal tender except as provided for by contract. The bill provides that s. 215.986, F.S.:

- Must not be construed to restrict the electronic transfer of gold and silver coin;
- May not affect the definitions of “tangible personal property” or “precious metals” in chs. 731-738, F.S.; and
- Does not exempt a person from applicable federal laws.

Several new terms are defined to explain the scope of gold and silver coin that is made legal tender in the state.

Government Entities

With regard to gold and silver coin, a government entity may:

- Tender or accept gold or silver coin for payment of debts, taxes, or fees;
- Only accept such coin by electronic transfer and not in physical form;
- Enter into a contract that meets specified requirements to tender or accept such coin unless an exception to public deposit requirements applies; and

- Store gold or silver coin with a custodian of gold coin or silver coin that meet the definition and requirements of a qualified public depository in ch. 280, F.S.

Sales Tax Levied on Gold Coin and Silver Coin

The bill exempts the sale, exchange, or trade of gold and silver coin from sales tax by clarifying that gold coin and silver coin:

- Do not fall within the definition of “tangible personal property”;
- Are legal tender for which sales tax is not levied; and
- Are presumed to meet the definitions of gold coin and silver coin in specified circumstances, unless there is evidence to the contrary.

Financial Institutions Code

The bill provides a financial institution:

- May not be required to receive deposits of gold or silver coin or exchange gold or silver coin for currency of the United States or of another country.
- Must comply with minimum requirements if products or services relating to gold or silver coin are offered.

The definition of “money instruments” is amended to include gold coin or silver coin which makes such coin subject to certain anti-money laundering and terrorist financing laws. The bill authorizes the commission to adopt rules as necessary to implement the section.

Money Services Businesses

“Money services business”, “money transmitter”, and “foreign currency exchanger” definitions are amended to incorporate gold coin and silver coin. The bill provides that a money services business:

- May not be required to offer products or services in gold or silver coin; and
- Must comply with specified requirements if gold or silver coin products or services are offered;

The bill authorizes the commission to adopt rules as necessary to implement the section.

Custodian of Gold Coin or Silver Coin

The bill defines “custodian of gold coin or silver coin” and creates a framework for regulating such entities as a money services business in ch. 560, F.S. The bill provides that a custodian of gold coin and silver coin must:

- Comply with several licensing requirements as a money services business;
- Comply with several other minimum requirements to ensure such coin is secured, properly documented and stored, adequately insured, examined or audited, and meet other safeguards; and
- Comply with additional requirements for a custodian of gold coin or silver coin that has a contractual relationship with the owner of such coin to ensure sufficient client care obligations are met.

The bill provides that any violation of these minimum requirements subjects a custodian of gold coin or silver coin to specified penalties. The bill establishes a custodian of gold coin or silver coin to an owner is fiduciary in nature for purposes of determining a priority of claims or losses. The bill authorizes the commission to adopt rules as necessary to implement the section.

Uniform Commercial Code

The Uniform Commercial Code is amended to clarify that a seller may not compel a person to tender payment in gold coin or silver coin.

Reporting Requirement

The bill requires the Department of Financial Services to submit a report within a specified timeframe to the Governor, the President of the Senate, and the Speaker of the House of Representatives which contains specified information.

Fiscal Impact

The OFR reports there is an indeterminate fiscal impact on the state government. See Section V. Fiscal Impact.

The bill is effective upon becoming a law.

II. Present Situation:

Legal Tender and Specie under Federal and State Law

Article I, Section 8, Clause 5 of the U.S. Constitution grants Congress the exclusive power to coin money and regulate its value.¹ Under 31 U.S.C. § 5103, only United States coins and currency (including Federal Reserve notes) are recognized as legal tender for the payment of debts, public charges, taxes, and dues. Foreign gold or silver coins are not legal tender for debts under federal law.² Federal law also provides:

“Whoever, except as authorized by law, makes or utters or passes, or attempts to utter or pass, any coins of gold or silver or other metal, or alloys of metals, intended for use as current money, whether in the resemblance of coins of the United States or of foreign countries, or of original design, shall be fined under [Title 18] or imprisoned not more than five years, or both.”³

While prohibited from coining money, under Article I, Section 10, Clause 1 of the U.S. Constitution, states are expressly authorized to "make gold and silver coin a tender in payment of debts."⁴ This provision authorizes states to recognize gold and silver coin as legal tender for the payment of debts but prohibits states from creating or issuing their own currencies or recognizing

other forms of money as tender.⁵ The U.S. Supreme Court held that debts are an obligation to pay money under contract, including judgments and recognizances, but does not include taxes which are "...impost levied by authority of government on its citizens...and it is not founded on contract or agreement."⁶ However, the Court also held that a state legislature has the authority to "...require the collection of taxes in kind, that is to say, by the delivery to the proper officers of a certain proportion of products, or in gold and silver bullion, or in gold and silver coin..."⁷

Tax Treatment of Specie and Bullion

Federal Taxation

At the federal level, gold and silver coins and bullion are classified as "collectibles" under 26 U.S.C. § 408(m), and gains from their sale are subject to a maximum long-term capital gains tax rate of 28 percent.⁸ The Internal Revenue Code defines "collectible" to include "any metal or gem" and "any coin" not specifically exempted.⁹ U.S.-minted gold and silver coins are explicitly exempt from being classified as "collectibles."¹⁰

Florida Taxation

Florida provides a limited sales tax exemption for sales of U.S. coins and currency and for foreign currency transactions exceeding \$500.¹¹ Additionally, Florida provides a limited sales tax exemption on the sale of gold, silver, or platinum bullion, or any combination thereof, in a single transaction, is exempt when the total sales price of such bullion exceeds \$500.¹² Depending on the form of the bullion and the nature of the transaction, sales of bullion may be subject to state sales tax as tangible personal property.¹³ Florida does not impose an individual income tax, including capital gains tax.¹⁴ In addition, Florida law does not explicitly address whether precious metals should be classified as tangible personal property subject to ad valorem taxation, although the statutory definition of tangible personal property includes "all goods, chattels, and other articles of value... capable of manual possession."¹⁵

Other States' Treatment of Specie and Bullion

Several states have adopted laws to recognize gold and silver as legal tender or to remove various tax barriers to facilitate their use in commerce. These laws vary in scope and effect, ranging from simple tax exemptions to the establishment of state-run bullion depositories.

¹⁵ Section 192.001(11)(d), F.S.

- Alabama recently passed legislation that recognizes any refined gold or silver bullion, specie, or coin that has been stamped, marked, or imprinted with its weight or purity as legal tender.¹⁶
- Arkansas law defines specie, in part, as “coin having gold or silver content” and provides that specie and legal tender consists of specie coin issued by the United States Government or other specie that an Arkansas court rules to be within the state’s authority to make legal tender but does not explicitly provide that gold and silver coin are legal tender.¹⁷
- Arizona has removed state capital gains taxes on sales of precious metals. Like Wyoming, Arizona’s approach focuses on tax treatment rather than establishing state-operated depositories or payment systems.¹⁸ For purposes of reducing gross income with any net loss from the exchange of legal tender, Arizona has defined legal tender to include specie which means coins having precious metal content.¹⁹
- Idaho recently passed legislation that provides gold and silver coin and specie minted domestically are legal tender.²⁰
- Louisiana recently declared gold or silver coin, specie, or bullion issued by any state or the United States government as legal tender.²¹
- Oklahoma law provides that gold and silver coin issued by the United State government are legal tender.²²
- Texas has established a state-operated bullion depository, known as the Texas Bullion Depository, to securely store precious metals for individuals, businesses, and governmental entities. The depository provides secure storage and the ability for account holders to deposit and withdraw physical bullion. Although Texas law enables secure in-state storage of precious metals, it does not authorize gold and silver as official legal tender for payment of state taxes or other obligations.²³
- Utah was the first state to recognize U.S.-minted gold and silver coins as legal tender through its Legal Tender Act of 2011. Utah law also provides a tax exemption for capital gains derived from the sale or exchange of gold and silver coins that are recognized as legal tender. In addition, Utah permits private firms to operate accounts backed by physical precious metals, which allows individuals to conduct transactions denominated in gold and silver.²⁴ Utah recently legislation that authorizes the state treasurer to issue a competitive procurement for a precious metals-backed electronic payment platform that would allow state vendors to elect to be paid in gold and silver.²⁵

²⁵ Utah HB 306 (2025).

- Wyoming enacted legislation in 2018 declaring gold and silver legal tender and exempting the sale of these metals from state sales and use taxes. Wyoming law also prohibits the treatment of specie as taxable tangible personal property, effectively removing several barriers to the private holding and use of gold and silver for commerce.²⁶

Other states, such as Kansas and Indiana, have adopted various forms of tax exemptions related to the sale or exchange of gold and silver bullion, though these laws do not necessarily recognize precious metals as legal tender or create infrastructure to support their use as a medium of exchange.²⁷

While these states have taken steps to encourage the use of gold and silver by removing tax barriers and recognizing their status as lawful money in specific contexts, no state currently operates a fully integrated, government-supported electronic payment system backed by physical precious metals that is recognized for payment of all state taxes, fees, or other obligations. Most existing laws focus on facilitating private holding and exchange of gold and silver, and on removing disincentives such as sales and capital gains taxes, rather than creating comprehensive alternative currency systems.²⁸

Chief Financial Officer

Florida law provides that the Chief Financial Officer (CFO) must serve as the state's chief fiscal officer and, amongst other things, is responsible for keeping all state funds.²⁹ The CFO is tasked with examining, auditing, adjusting, and settling all accounts of any person who may receive moneys of, or owes money to, the state.³⁰ Florida Statutes grant the CFO several powers to carry out these duties, such as the discretion on how to invest state funds within certain limitations,³¹ authority to determine the frequency of certain state employee salary payments,³² and requirement to report disbursements made.³³

Qualified Public Depositories

Unless a specific exemption applies, state and local governments must deposit public funds in a bank or savings association that has been designated as a qualified public depository (QPD) under the Florida Security for Public Deposits Act.³⁴ As of February 2025, Florida had 125 authorized QPDs.³⁵

To be designated as a QPD by the CFO, a bank, credit union, savings bank, or savings association must:

- Have authority to accept deposits because it has been chartered and regulated by the state or federal government;
- Have its principal place of business in Florida, or a branch office in Florida;
- Have deposit insurance pursuant to the Federal Deposit Insurance Act;³⁶
- Have procedures and practices for accurate identification, classification, reporting, and collateralization of public deposits;
- Not engage in the unsafe and unsound practice of denying, canceling, suspending, or terminating its services to a person, or otherwise discriminate against a person, on specified bases; and
- Meet all the requirements of ch. 280, F.S., relating to security for public deposits.³⁷

QPDs must secure public deposits with a pledge of eligible collateral, to protect the deposit against losses that could occur in the event of insolvency or default.³⁸ The amount of collateral required is based on statutory guidelines and the QPD's overall financial condition.³⁹

Public deposits include, but are not limited to, time deposit accounts, demand deposit accounts, and nonnegotiable certificates of deposits; they do not include moneys in deposit notes, securities, mutual funds, and similar investments.⁴⁰

A bank or savings association must guaranty public depositors against losses caused by the default or insolvency of other QPDs.⁴¹ Any shortfall that is not covered by the maximum federal deposit insurance of \$250,000, the CFO must demand payment under letters of credit or the sale of pledged or deposited collateral by the defaulting depository. The CFO may assess QPDs for the total loss if the demand for payment or sale cannot be accomplished within 7 days.⁴²

Financial Institutions

Dual Oversight of Depository Institutions

An institution must have a federal or state charter to accept deposits. Banks are chartered and regulated as national banks by the Office of the Comptroller of the Currency within the U.S. Department of the Treasury or as state banks by a state regulator.⁴³

The Florida Financial Institutions Codes apply to all state-authorized or state-chartered financial banks, trust companies, credit unions and related entities.⁴⁴ The OFR licenses and regulates 196 financial entities, including 57 state-chartered banks.⁴⁵ There are also 30 federally-chartered banks operating in Florida.⁴⁶

Due to federal preemptions, a state's regulatory powers in relation to federally chartered institutions is limited. However, the state may exercise powers within their exceptions to exclusive federal visitorial authority. Such exceptions are those recognized by federal law and courts of law or created by the U.S. Congress.⁴⁷

Once a financial institution obtains a charter, one of the regulator's primary tasks is to ensure solvency, which is achieved by conducting financial exams of its licensed entities. Financial institutions also need approval from their regulator to make changes in their upper management, merge with another company, pay dividends to shareholders, engage in material transactions with subsidiaries and affiliates, or make significant changes to their business operations.⁴⁸

Banks chartered by OFR must become a member of the Federal Reserve or obtain insurance from the Federal Deposit Insurance Corporation.⁴⁹ Credit Unions chartered by OFR must insure their accounts by becoming a member of the National Credit Union Administration.⁵⁰ Thus, state-chartered banks and credit unions are subject to a dual-regulatory system.

OFR must examine the condition of each state-chartered financial institution at least every 18 months, and may conduct more frequent examinations as needed, based on risks associated with a licensee, such as prior examination results or significant operational changes.⁵¹ When a state-chartered financial institution also has a federal regulator, OFR may accept an examination performed by the federal regulator or the regulators may conduct a joint examination.⁵²

Financial institutions that become insolvent are liquidated by their primary regulator.⁵³ Financial institutions must also comply with the Florida Control of Money Laundering and Terrorist Financing in Financial Institutions Act.⁵⁴ Such Act requires, amongst other things, for a financial

“Coin or currency of the United States or of any other country, travelers’ checks, personal checks, bank checks, money orders, stored value cards, prepaid cards, investment securities or negotiable instruments in bearer form or otherwise in such form that title thereto passes upon delivery, or similar devices.”⁵⁸

Authority of OFR

ORF may impose administrative sanctions on financial institutions subject to the Florida Financial Institutions Codes, such as engaging in an “unsafe or unsound practice.”⁵⁹ Possible penalties include: issuance of a cease and desist order,⁶⁰ removal of an institution-affiliated party,⁶¹ administrative fines,⁶² and a court-ordered injunction to restrain conduct that violates a formal enforcement action.⁶³ When imposing a sanction or requiring a remedy, OFR must consider “the appropriateness of the penalty with respect to the size of the financial resources and good faith of the person charged, the gravity of the violation, the history of previous violations, and such other matters as justice may require.”⁶⁴

ORF may impose monetary fines if a licensee violates a provision of the financial institutions codes or associated rules, an order of the office, or a written agreement with the office.⁶⁵ In general, administrative fines may not exceed \$2,500 per day for each violation.⁶⁶ Larger fines are allowed in certain circumstances.⁶⁷

Criminal violations – like embezzlement and fraud – may be prosecuted under the penal code.⁶⁸

⁵⁵ Section 655.50(3)(a), F.S., defines “BSA/AML compliance officer” as the financial institution’s officer responsible for the development and implementation of the financial institution’s policies and procedures for complying with the requirements of this section relating to anti-money laundering (AML), and the requirements of the Bank Secrecy Act of 1970 (BSA), Pub. L. No. 91-508, as amended; the USA Patriot Act of 2001, Pub. L. ⁵⁹ Section 655.005(1)(y), F.S., defines “unsafe or unsound practice” means any practice or conduct found by the office to be contrary to generally accepted standards applicable to a financial institution, or a violation of any prior agreement in writing or order of a state or federal regulatory agency, which practice, conduct, or violation creates the likelihood of loss, insolvency, or dissipation of assets or otherwise prejudices the interest of the financial institution or its depositors or members. In making this determination, the office must consider the size and condition of the financial institution, the gravity of the violation, and the prior conduct of the person or institution involved.

OFR has authority to monitor state-chartered banks, to ensure compliance with state and federal laws, and may enforce state consumer protection laws on federally chartered banks operating within their boundaries so long as the state law is not pre-empted by federal law.⁶⁹ Federal pre-emption permits federally chartered banks and savings associations to operate under a uniform set of rules when they operate across state lines.⁷⁰

When a state chartered financial institution encounters a competitive disadvantage caused by state law in relation to the capacities and powers allowed to federally chartered institutions, OFR may issue an order or a rule waiving the state law causing the competitive imbalance.⁷¹

Money Services Businesses

The OFR also has regulatory authority over money services businesses⁷² that assist consumers in transacting instruments, transmitting money,⁷³ cashing checks,⁷⁴ and exchanging foreign currency.⁷⁵ Examples include check cashers like The Check Cashing Store,⁷⁶ money transmitters like PayPal,⁷⁷ and exchangers like Florida Currency Exchange.⁷⁸ Money services businesses also include “payday lenders” who offer short-term, high-interest loans that are due on the consumer’s next pay day.

Money services businesses must maintain accounts in permissible investments that equals at least the amount of all outstanding money transmissions and payment instruments sold by the licensee

⁷¹ Section 655.061, F.S.

⁷² Section 560.103(22), F.S., defines “money services businesses” as any person located in or doing business in this state, from this state, or into this state from locations outside this state or country who acts as a payment instrument seller, foreign currency exchanger, check casher, or money transmitter.

⁷³ Section 560.105, F.S. Section 560.103(23), F.S., defines “money transmitter” as a corporation, limited liability corporation, limited liability partnership, or foreign entity qualified to do business in this state which receives currency, monetary value, a payment instrument, or virtual currency for the purpose of acting as an intermediary to transmit currency, monetary value, a payment instrument, or virtual currency from one person to another location or person by any means, including transmission by wire, facsimile, electronic transfer, courier, the Internet, or through bill payment services or other businesses that facilitate such transfer within this country, or to or from this country.

⁷⁴ Section 560.103(6), F.S., defines “check casher” as a person who sells currency in exchange for payment instruments received, except travelers checks. Section 560.103(29), F.S., defines “payment instrument” as a check, draft, warrant, money order, travelers check, electronic instrument, or other instrument used for the transmission, exchange, or payment of currency or monetary value, regardless of whether it is negotiable. The term does not include an instrument that is redeemable by the issuer in merchandise or service, a credit card voucher, or a letter of credit.

⁷⁵ Section 560.103(17), F.S., defines “foreign currency exchanger” as a person who exchanges, for compensation, currency of the United States or a foreign government to currency of another government.

or an authorized vendor.^{79,80} OFR also monitors the check cashing practices of money services businesses to verify corporate records, determine compliance with workers' compensation laws,⁸¹ and to ensure compliance with fair debt collection laws.⁸² Administrative sanctions for money services businesses may include issuance of a Cease and Desist Order, removal of an Institution-Affiliated Party, suspension or revocation of a license, an injunction, or a fine of at least \$1,000 but not more than \$10,000 for each violation.⁸³ Money laundering may be prosecuted under state or federal law.⁸⁴

Licensing of Money Services Businesses

Money services businesses are regulated under two license categories created pursuant to ch. 560, F.S. The first category, money transmitters and persons selling or issuing payment instruments, is regulated under part II of ch. 560, F.S. The second category, check cashers and foreign currency exchangers, is regulated under part III of ch. 560, F.S.

To be licensed under ch. 560, F.S., an money services business applicant must:

- Demonstrate to the OFR the character and general fitness necessary to command the confidence of the public and warrant the belief that the MSB or deferred presentment provider shall be operated lawfully and fairly;
- Be legally authorized to do business in Florida;
- Be registered as a MSB with the Financial Crimes Enforcement Network as required by 31 C.F.R. s. 1022.380, if applicable;
- Have an anti-money laundering program in place which meets the requirements of 31 C.F.R. s. 1022.210; and
- Provide the OFR with all the information required under ch. 560, F.S., and related rules.⁸⁵

To apply as a money services business a person must submit:

- An application to the OFR for an MSB license that must include, on a form prescribed by rule, all of the following:
 - The legal name and address of the applicant, including any fictitious or trade names used by the applicant in the conduct of its business;
 - The date of the applicant's formation and the state where the applicant was formed, if applicable;
 - The name, social security number, alien identification or taxpayer identification number, business and residence addresses, and employment history for the past 5 years for each control person;
 - A description of the organizational structure of the applicant, including the identity of any parent or subsidiary of the applicant, and the disclosure of whether any parent or subsidiary is publicly traded;

⁷⁹ Section 560.103(3), F.S., defines "authorized vendor" as a person designated by a money services business licensed under part II of ch. 560, F.S., to act on behalf of the licensee at locations in Florida pursuant to a written contract with the licensee.

- The applicant's history of operations in other states, if applicable, and a description of the money services business or deferred presentment provider activities the applicant proposes to conduct in Florida;
- If the applicant or its parent is a publicly traded company, for the preceding year, copies of all filings made by the applicant with the United States Securities and Exchange Commission (SEC); or, if publicly traded in a country other than the United States, such filings with that country's regulator similar to the SEC;
- The location at which the applicant proposes to establish its principal place of business and any other location, including branch offices and authorized vendors operating within Florida. For each branch office and each location of an authorized vendor, the applicant must include the nonrefundable fee required by s. 560.143, F.S.;
- The name and address of the clearing financial institution or financial institutions through which the applicant's payment instruments are drawn or through which the payment instruments are payable;
- The history of the applicant's material litigation, criminal convictions, pleas of nolo contendere, and cases of adjudication withheld;
- The history of material litigation, arrests, criminal convictions, pleas of nolo contendere, and cases of adjudication withheld for each control person;
- The name of the registered agent in this state for service of process unless the applicant is a sole proprietor; and
- Any other information specified in ch. 560, F.S. or by rule.⁸⁶
- A nonrefundable application fee, as specified in s. 560.143, F.S.⁸⁷
- Fingerprints, for live-scan processing in accordance with rules adopted by the Financial Services Commission (Commission), for each control person. Regarding such fingerprints:
 - They may be submitted through a third-party vendor authorized by the Florida Department of Law Enforcement (FDLE) to provide live-scan fingerprinting. The FDLE must also conduct the state criminal history background check, and a federal criminal history background check must be conducted through the Federal Bureau of Investigation (FBI). The OFR must review the results of this background check.
 - The cost of processing and retaining the fingerprints are borne by the person subject to the background checks to determine license eligibility.
 - Fingerprints are not required from publicly traded corporations.⁸⁸
- A copy of the applicant's written anti-money laundering program required under 31 C.F.R. s. 1022.210.⁸⁹
- Within the time allotted by rule, any information needed to resolve any deficiencies found in the application.⁹⁰

Licenses issued to MSBs cannot be for more than 2 years,⁹¹ after which, the money services business must reapply for licensure pursuant to s. 560.142, F.S. Once licensed, an MSB is required to report any change in control persons.⁹² A change of control application must be

Uniform Commercial Code

Florida law has adopted several Uniform Commercial Code model acts, in whole or in part.⁹⁶ One such model act is the Uniform Commercial Code-Sales regulates sales of goods.⁹⁷ Unless otherwise agreed, tender of payment is a condition to the seller's duty to tender and complete any delivery.⁹⁸ Tender of payment is sufficient when made by any means or in any manner current in the ordinary course of business unless the seller demands payment in legal tender and gives an extension of time reasonably necessary to procure it.⁹⁹

III. Effect of Proposed Changes:

Section 3 of the bill establishes s. 215.986, F.S., that recognizes, effective January 1, 2026, that gold coin and silver coin are legal tender for the payment of a debt in Florida. The bill prohibits a person from being required to offer or accept any recognized legal tender for a payment of debt, deposit, or any other purpose, and limits liability for refusing to offer or accept such legal tender except as provided for by contract. The bill provides that s. 215.986, F.S.:

- Must not be construed to restrict the electronic transfer of gold and silver coin;
- May not affect the definitions of “tangible personal property” or “precious metals” in chs. 731-738; and
- Does not exempt a person from applicable federal laws.

Several new terms are defined, as set out below, to explain the scope of gold and silver coin that is made legal tender. Those terms include:

- “Debt” means an obligation for the payment of money under contract, whether expressed or implied, which includes judgments and recognizance. The term “debt” does not include taxes, charges, or dues imposed by the state.
- “Electronic transfer” means any transfer of gold coin or silver coin, or any fraction thereof, other than a transaction by check, draft, or similar paper instrument, which is initiated through debit card, mobile application, or computer to order, instruct, or authorize a financial institution as defined in s. 655.005(1)(i) or a money services business as defined in s. 560.103 to debit or credit an account with gold coin or silver coin or the equivalent coin or currency of the United States converted at current market price.

⁹³ Fees are determined by whether the MSB is licensed under Part II or Part III of Chapter 560. Initial licensing fees under Part II licenses require a \$375 license application fee per s. 560.143(1)(a), F.S. Part III licenses require a \$188 license application fee per s. 560.143(b), F.S.

⁹⁴ Section 560.143(1)(c) and (d), F.S., provides that both the per branch fee and the authorized vendor fee are \$38.

⁹⁵ Section 560.143(1)(g), F.S.

⁹⁶ See Chs. 670-675 and 677-680, F.S.

⁹⁷ Ch. 672, F.S. Section 672.105(1), F.S., defines “goods” as all things (including specially manufactured goods) which are movable at the time of identification to the contract for sale other than the money in which the price is to be paid, investment securities (chapter 678, F.S.) and things in action. “Goods” also includes the unborn young of animals and growing crops and other identified things attached to realty as described in the section on goods to be severed from realty (s. 672.107, F.S.).

⁹⁸ Section 672.511(1), F.S.

⁹⁹ Section 672.511(2), F.S.

- “Gold coin” means a precious metal with the chemical element of atomic number 79 in solid form, typically in the shape of rounds, bars, ingots, or bullion coins, which is valued for its metal content and stamped or imprinted with its weight and which consists of at least 99.5 percent purity. The term “coin” does not mean any goods as defined in s. 672.105(1), such as jewelry, other items of utility such as picture frames, or keepsakes.
- “Governmental entity” means a state, regional, county, municipal, special district, or other political subdivision, whether executive, judicial, or legislative, including, but not limited to, a department, a division, a board, a bureau, a commission, an authority, a district, or an agency thereof, or a public school, a Florida College System institution, a state university, or an associated board.
- “Legal tender” means a recognized medium of exchange that is authorized by the state pursuant to s. 10, Art. I of the United States Constitution for the payment of a debt.
- “Silver coin” means a precious metal with the chemical element of atomic number 47, in solid form typically in the shape of rounds, bars, ingots, or bullion coins, which is valued for its metal content and is stamped or imprinted with a weight that consists of at least 99.99 percent purity. The term “coin” does not mean any goods as defined in s. 672.105(1), such as jewelry, other items of utility such as picture frames, or keepsakes.

Sales Tax Levied on Gold Coin and Silver Coin

Section 1 of the bill clarifies that gold coin and silver coin do not fall within the definition of “tangible personal property.” **Section 2** of the bill specifies that gold coin and silver coin declared legal tender in the bill are exempt from Florida sales tax. The person who claims a sales tax exemption bears the burden of determining whether the gold coin and silver coin meet the definitions in the bill. Unless there is evidence to the contrary, the bill establishes a presumption that such coin meets the percent purity requirements, and therefore are exempt from sales tax, based upon:

- The purity imprinted or stamped on the gold or silver coin; and
- An electronic transfer of gold or silver coin, or any fraction of such coin.

Government Entities

Section 3 of the bill also provides that the government entity may tender or accept gold or silver coin for payment of a debt, taxes, or fees, but may only accept such coin by electronic transfer and not in physical form. Each government entity that intends to tender or accept payment of gold or silver coin must enter into a contract with a qualified public depository that is procured through the competitive bidding process to tender or accept such coin unless an exception to public deposit requirements applies.

Section 4 of the bill provides a custodian of gold or silver coin must meet the definition of a QPD, except that Federal Deposit Insurance Corporation (FDIC) or National Credit Union Share Insurance Fund insurance coverage is not required, and all other QPD requirements in ch. 280, F.S., to hold public deposits.

Financial Institutions Code

Section 13 of the bill provides that a financial institution may not be required to receive deposits of gold or silver coin or exchange gold or silver coin for currency of the United States or of another country. “Receive deposits” means the taking of deposits to be credited to an existing account and does not include the opening or origination of new deposit accounts at an affiliated institution by the agent institution.

If a financial institution decides to accept gold or silver coin deposits, the financial institution must:

- Maintain separate accounts for gold or silver coin and not commingle such coin with any other coin or currency of the United States or of another country;
- Unless otherwise insured by a custodian of gold coin or silver coin, insure the gold coin or silver coin for 100 percent of the full replacement value of any deposit under an all-risk insurance policy issued by an authorized insurer or an eligible surplus lines insurer;
- Securely store and safeguard all physical gold or silver coin with a custodian of gold coin or silver coin within Florida;
- Comply, or be responsible and accountable for any third-party vendor that stores such gold coin and silver coin to comply, with the requirements for a custodian of gold coin or silver coin;
- Include any fee to convert gold or silver coin to coin or currency of the United States or of another country in the total maximum interchange transaction fee that an issuer may charge with respect to an electronic debt transaction as provided under federal law;
- Ensure that any gold coin or silver coin purchased for use or circulation as legal tender is from an accredited refiner or wholesaler that certifies that the gold coin or silver coin being purchased meets the requirements of gold coin or silver coin; and
- Comply with all other applicable state and federal regulations.

The bill authorizes the commission to adopt rules as necessary to implement the section.

Section 12 of the bill modifies the definition of “monetary instruments” in the Financial Institutions Code to include gold coin and silver coin that makes such coin subject to anti-money laundering and terrorist financing laws requiring a financial institution to keep a record of certain known financial transactions occurring within Florida which involves a monetary instrument that has a value greater than \$10,000, and involves proceeds of specified unlawful activity or is designed to evade the reporting requirements under ch. 896, F.S., or similar laws which the financial institution reasonably believes is suspicious activity.

Money Services Businesses

Section 5 of the bill defines the terms “gold coin” and “silver coin” by cross-referencing the definitions established under section 3 of the bill in s. 215.986, F.S., and modifies the following definitions:

- “Money services business” to include a custodian of gold coin or silver coin as a type of money services business that is subject to the regulation of such businesses under ch. 560, F.S.; and

- “Money transmitter” and “foreign currency exchanger” to include gold coin and silver coin so the provision of products or services relating to such coin falls within the regulatory requirements of such types of money services businesses.

Section 8 of the bill further provides that any money services business may not be required to offer products or services in gold or silver coin and, if a money services business decides to engage in such business, the following additional requirements must be met:

- Unless otherwise insured by a custodian of gold coin or silver coin, insure the gold coin or silver coin for 100 percent of the full replacement value of any deposit under an all-risk insurance policy issued by an authorized insurer or an eligible surplus lines insurer;
- Securely store and safeguard all physical gold or silver coin with a custodian of gold coin or silver coin within Florida;
- Include any fee to convert gold or silver coin to coin or currency of the United States or of another country in the total maximum interchange transaction fee that an issuer may charge with respect to an electronic debt transaction as provided under federal law;
- Ensure that any gold coin or silver coin purchased for use or circulation as legal tender is from an accredited refiner or wholesaler that certifies that the gold coin or silver coin being purchased meets the requirements of gold coin or silver coin;
- Comply with chain of custody requirements, as prescribed by rule; and
- Comply with all other applicable state and federal regulations.

The bill authorizes the commission to adopt rules as necessary to implement the section.

Custodian of Gold Coin or Silver Coin

Section 5 of the bill also defines a custodian of gold coin or silver coin to mean:

“Any person or entity providing secure vault facilities for the safekeeping and storage of gold coin or silver coin, the ownership of which is or may be transferred electronically as defined in s. 215.986(1). The term includes any person who holds gold coin or silver coin for more than 10 days.”

Sections 6, 7, 9, 10 of the bill provide that a custodian of gold coin and silver coin must comply with all of the money services businesses licensing requirements and several additional licensing requirements. **Section 9** of the bill prohibits any person from engaging in the activity of a custodian of gold coin or silver coin for compensation without first obtaining a license under part II of ch. 560, F.S.

Section 6 of the bill provides that the OFR must approve an application for a custodian of gold coin or silver coin if the applicant demonstrates compliance with the requirements under ch. 560, F.S., and the rules adopted by the commission requiring guidelines for the storage, security, insurance, auditing, administration, authorized access, transacting, and transfer of gold or silver coin. The bill authorizes the OFR to conduct an examination of the applicant before issuing a license to determine the applicant’s ability to conduct business immediately upon opening for business. **Section 7** requires the OFR to approve an application to renew a custodian of gold coin or silver coin’s license if such applicant demonstrates compliance with the same chapter and rules.

Section 10 of the bill specifies additional licensing requirements for a custodian of gold coin or silver coin, including the following documents:

- A sample authorized vendor contract, if applicable;
- Documents demonstrating that the net worth and bonding requirements specified in s. 560.29 have been fulfilled;
- A copy of the applicant's financial audit report for the most recent fiscal year. If the applicant is a wholly owned subsidiary of another corporation, the financial audit report on the parent's corporation's financial statements satisfies this requirement;
- Evidence of:
 - Insurance against loss for all gold coin and silver coin held in its custody;
 - Custody of the same quantity and type of asset for all current gold coin and silver coin held in its custody; and
 - Depository accreditation from an entity approved by the OFR;
- A statement of a business plan providing for the safe and sound operation of custodial services pertaining to the storage, security, insurance, auditing, administration, authorized access, transacting, and transfer of gold coin or silver coin to the satisfaction of the office or in accordance with rules adopted by the commission.

Section 11 of the bill provides that a custodian of gold coin and silver coin must comply with several minimum requirements to ensure the gold or silver coin are safely stored, including:

- Be located in a manner that allows quick and efficient movement of the gold or silver coin or enables rapid response time from law enforcement.
- Meet security requirements in accordance with industry standards, including, but not limited to:
 - Use of a high-security vault rated by Underwriters' Laboratories, Inc.;
 - Physical security and video surveillance 24 hours a day, 7 days a week;
 - Biometric or multi-factor access controls;
 - Facility design that is disaster-resistant including resistant to fire, flood, or earthquakes; and
 - Regular review and updates of security procedure.
- Keep customer assets segregated from the custodian's own assets and from asset classes that are not gold or silver coin.
- Offer allocated storage where the gold or silver coin is kept separate and identifiable, or segregated storage where the gold or silver coin is stored apart from other customers' gold or silver coin.
- Comply with chain of custody requirements.
- Maintain records detailing the inventory system, including, but not limited to, serial number and bar number tracking and ledger accounts.
- Have its custodial holdings examined or audited at least annually by an independently certified public accountant or other auditor acceptable to the OFR. The auditor must verify that the custodian's custodial assets are sufficient to cover all customer holdings and are held as represented. The results of such audit or examination must be reported to the OFR.
- Maintain insurance covering 100 percent of the full replacement value of the stored gold or silver coin under an all-risk insurance policy for loss, theft, damage, and employee dishonesty by an authorized insurer or eligible surplus lines insurer.
- Permit visits or inspections with advance notice.

- Maintain secure technology, including all of the following cybersecurity measures:
 - Secure online portal for account access.
 - Data encrypted in transit and at rest.
 - Two-factor authentication for login.
 - Regular cybersecurity audits or vulnerability assessments.
- Maintain custody of the same quantity and type of gold or silver coin as that entrusted by each customer.
- Refrain from selling, lending, pledging, rehypothecating, or encumbering any customer's gold coin or silver coin except to the extent directed by the customer for a transfer or transaction.
- Comply with any applicable state or federal anti-money laundering regulation.

A custodian of gold coin or silver coin that has a direct contractual relationship with an owner of such coin must also comply with these additional requirements:

- At the inception of the relationship and on at least an annual basis, furnish to each owner a clear, written disclosure of:
 - The terms and conditions of the custodial arrangement;
 - The associated risks of such arrangement;
 - The gold coin or silver coin are not insured by the FDIC, NCUA, or SIPC; and
 - The owner's coin are held by a licensed custodian under Florida law.
- Provide transparent contracts, products, services, and fees, including storage and transaction fees.
- Provide quarterly account statements to an owner which itemize the gold coin or silver coin in custody for that owner, and promptly deliver an updated statement and return of the gold coin or silver coin to the owner or as the owner directs.
- Within 30 days of a request, make available to an owner a copy of any audit report required pursuant to paragraph (1)(e) which has been completed within the most recent 2-year period.

The bill provides that any violation of these minimum requirements subjects a custodian of gold coin or silver coin to specified penalties. The bill establishes a custodian of gold coin or silver coin to an owner is fiduciary in nature for purposes of determining a priority of claims or losses. The bill authorizes the commission to adopt rules as necessary to implement the section.

Uniform Commercial Code

Section 14 of the bill amends the Uniform Commercial Code to clarify that a seller may not compel a person to tender payment in gold or silver coin.

Reporting Requirement

Section 15 of the bill requires the Department of Financial Services to submit a report within a specified timeframe to the Governor, the President of the Senate, and the Speaker of the House of Representatives which contains specified information.

Section 16 of the bill amends a cross-reference in the Financial Technology Sandbox law to conform to the renumbering of subsections in section 10 relating to the licensing requirements of payment instrument seller or money transmitter.

Section 17 provides the bill is effective upon becoming a law.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

While the U.S. Constitution authorizes states to make gold and silver coin legal tender for a payment of debt, gold coin or silver coin are not defined. The definitions established in the bill for these terms are broad and a federal court may interpret the meaning of these terms, and therefore the scope of a state's authority to make such coin legal tender, to be narrower than provided in the bill.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

The OFR reports there is an indeterminate fiscal impact on the state government. The OFR Agency Legislative Bill Analysis states:

“Applications for money transmitters who act as custodians will require additional scrutiny and documentation resulting in increased workload. At this time, the [OFR] considers the impact indeterminate and may only impact workload upon initial implementation which will be absorbed by current staffing. The impact to the [OFR] regarding renewals is also indeterminate until such time as the [OFR] determines how many entities become licensed. An assessment can be made at a later date if resources are needed.

The fiscal impact to pre-licensure examinations are indeterminate because the [OFR] does not know how many entities will be applying for a license as a custodian. Additionally, once the initial implementation is complete the routine application flow may be insignificant in volume and be absorbed by existing staffing.

The [OFR] anticipates minimal changes to its Regulatory Enforcement Licensing (REAL) System to implement this legislation and any ancillary cost can be absorbed by its existing budget.”¹⁰⁰

VI. Technical Deficiencies:

A money services business is required to pay a nonrefundable application fee, as specified in s. 560.143, F.S. The nonrefundable application fee is \$375 for an application under part II or \$188 for an application under part III of ch. 560, F.S. A custodian of gold coin and silver coin has been added as a type of money services business that would be subject to a fee pursuant to s. 560.143, F.S.; however, such custodian does not fall within the parts listed in the fee schedule. Further, the Florida Constitution requires a state fee imposed or authorized to be contained in a separate bill that contains no other subject.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill creates the following sections of the Florida Statutes: 215.986

This bill substantially amends the following sections of the Florida Statutes: 212.02, 212.05, 280.21, 560.103, 560.141, 560.142, 560.150, 560.204, 560.205, 560.214, 655.50, 655.970, 672.511, 559.952.

The Committee on Banking and Insurance (Rodriguez) recommended the following:

1 **Senate Amendment (with title amendment)**

2
3 Delete everything after the enacting clause
4 and insert:

5 Section 1. Subsection (19) of section 212.02, Florida
6 Statutes, is amended to read:

7 212.02 Definitions.—The following terms and phrases when
8 used in this chapter have the meanings ascribed to them in this
9 section, except where the context clearly indicates a different
10 meaning:

11 (19) "Tangible personal property" means and includes
12 personal property which may be seen, weighed, measured, or
13 touched or is in any manner perceptible to the senses, including
14 electric power or energy, boats, motor vehicles and mobile homes
15 as defined in s. 320.01(1) and (2), aircraft as defined in s.
16 330.27, and all other types of vehicles. The term "tangible
17 personal property" does not include stocks, bonds, notes,
18 insurance, gold coin or silver coin as those terms are defined
19 in s. 215.986, or other obligations or securities or pari-mutuel
20 tickets sold or issued under the racing laws of the state.

21 Section 2. Paragraph (j) of subsection (1) of section
22 212.05, Florida Statutes, is amended to read:

23 212.05 Sales, storage, use tax.—It is hereby declared to be
24 the legislative intent that every person is exercising a taxable
25 privilege who engages in the business of selling tangible
26 personal property at retail in this state, including the
27 business of making or facilitating remote sales; who rents or
28 furnishes any of the things or services taxable under this
29 chapter; or who stores for use or consumption in this state any
30 item or article of tangible personal property as defined herein
31 and who leases or rents such property within the state.

32 (1) For the exercise of such privilege, a tax is levied on
33 each taxable transaction or incident, which tax is due and
34 payable as follows:

35 (j)1. Notwithstanding any other provision of this chapter,
36 there is hereby levied a tax on the sale, use, consumption, or
37 storage for use in this state of any coin or currency, whether
38 in circulation or not, when such coin or currency:

39 a. Is not legal tender;

605920

40 b. If legal tender, is sold, exchanged, or traded at a rate
41 in excess of its face value; or

42 c. Is sold, exchanged, or traded at a rate based on its
43 precious metal content.

44 2. Such tax shall be at a rate of 6 percent of the price at
45 which the coin or currency is sold, exchanged, or traded, except
46 that, with respect to a coin or currency which is legal tender
47 of the United States or any gold coin or silver coin declared
48 legal tender in this state pursuant to s. 215.986 and which is
49 sold, exchanged, or traded, such tax shall not be levied. The
50 person that claims the sales tax exemption bears the burden of
51 determining whether the gold coin or silver coin meets the
52 definitions provided in s. 215.986. In the absence of evidence
53 to the contrary, there is a presumption that the gold coin or
54 silver coin meets the percent purity requirements provided in s.
55 215.986 based upon:

56 a. The purity imprinted or stamped on the gold coin or
57 silver coin; or

58 b. An electronic transfer, as defined in s. 215.986(1)(b),
59 of a gold coin or silver coin or any fraction thereof.

60 3. There are exempt from this tax exchanges of coins or
61 currency which are in general circulation in, and legal tender
62 of, one nation for coins or currency which are in general
63 circulation in, and legal tender of, another nation when
64 exchanged solely for use as legal tender and at an exchange rate
65 based on the relative value of each as a medium of exchange.

66 4. With respect to any transaction that involves the sale
67 of coins or currency taxable under this paragraph in which the
68 taxable amount represented by the sale of such coins or currency

605920

69 exceeds \$500, the entire amount represented by the sale of such
70 coins or currency is exempt from the tax imposed under this
71 paragraph. The dealer must maintain proper documentation, as
72 prescribed by rule of the department, to identify that portion
73 of a transaction which involves the sale of coins or currency
74 and is exempt under this subparagraph.

75 Section 3. Section 215.986, Florida Statutes, is created to
76 read:

77 215.986 Gold and silver coin as legal tender.—

78 (1) DEFINITIONS.—As used in this section, the term:

79 (a) “Debt” means an obligation for the payment of money
80 under contract, whether expressed or implied, which includes
81 judgments and recognizance. The term “debt” does not include
82 taxes, charges, or dues imposed by the state.

83 (b) “Electronic transfer” means any transfer of gold coin
84 or silver coin, or any fraction thereof, other than a
85 transaction by check, draft, or similar paper instrument, which
86 is initiated through debit card, mobile application, or computer
87 to order, instruct, or authorize a financial institution as
88 defined in s. 655.005(1)(i) or a money services business as
89 defined in s. 560.103 to debit or credit an account with gold
90 coin or silver coin or the equivalent coin or currency of the
91 United States converted at current market price.

92 (c) “Gold coin” means a precious metal with the chemical
93 element of atomic number 79 in solid form, typically in the
94 shape of rounds, bars, ingots, or bullion coins, which is valued
95 for its metal content and stamped or imprinted with its weight
96 and which consists of at least 99.5 percent purity. The term
97 “coin” does not mean any goods as defined in s. 672.105(1), such

98 as jewelry, other items of utility such as picture frames, or
99 keepsakes.

100 (d) "Governmental entity" means a state, regional, county,
101 municipal, special district, or other political subdivision,
102 whether executive, judicial, or legislative, including, but not
103 limited to, a department, a division, a board, a bureau, a
104 commission, an authority, a district, or an agency thereof, or a
105 public school, a Florida College System institution, a state
106 university, or an associated board.

107 (e) "Legal tender" means a medium of exchange that is
108 authorized by this state pursuant to s. 10, Art. I of the United
109 States Constitution for the payment of a debt.

110 (f) "Silver coin" means a precious metal with the chemical
111 element of atomic number 47, in solid form typically in the
112 shape of rounds, bars, ingots, or bullion coins, which is valued
113 for its metal content and is stamped or imprinted with a weight
114 that consists of at least 99.9 percent purity. The term "coin"
115 does not mean any goods as defined in s. 672.105(1), such as
116 jewelry, other items of utility such as picture frames, or
117 keepsakes.

118 (2) LEGAL TENDER.-Effective January 1, 2026, gold coin and
119 silver coin are legal tender for the payment of a debt in this
120 state.

121 (a) This section may not be construed to restrict the
122 electronic transfer of gold coin or silver coin as tender for
123 the payment of a debt.

124 (b) A person may not be required to offer or accept any
125 recognized legal tender, as described in this subsection, for
126 the payment of a debt, deposit, or any other purpose. A person

605920

127 may not incur any liability for refusing to offer or accept such
128 legal tender, except as specifically provided for by contract.

129 (c) A governmental entity may accept gold coin or silver
130 coin for the payment of taxes or fees levied by the state or
131 local government or any subdivision thereof. However, a
132 governmental entity may tender or accept gold coin or silver
133 coin as payment for a debt only by electronic transfer and may
134 not tender or accept gold coin or silver coin in physical form.

135 (d) This section may not apply after the death of a system
136 participant or account holder and may not affect the definitions
137 of "tangible personal property" or "precious metals" for the
138 purposes of chapters 731-738.

139 (e) This section does not exempt a person from any
140 applicable federal tax law, rule, or regulation.

141 (3) GOVERNMENT IMPLEMENTATION.—Each governmental entity
142 that intends to tender or to accept payment of gold coin or
143 silver coin may enter into a written contract which must be
144 procured through competitive bidding with a qualified public
145 depository as defined in s. 280.02.

146 (a) Unless otherwise provided in chapter 280, a custodian
147 of gold coin or silver coin, as that term is defined in s.
148 560.103, which holds gold coin or silver coin as public deposits
149 must meet the requirements for qualified public depositories
150 under that chapter.

151 (b) A governmental entity that tenders or accepts gold coin
152 or silver coin as payment of a debt by one of the exemptions
153 listed in s. 280.03(3) need not comply with this subsection for
154 purposes of tendering or accepting such gold coin or silver
155 coin.

156 Section 4. Section 280.21, Florida Statutes, is created to
157 read:

158 280.21 Custodians of gold coin and silver coin.—A custodian
159 of gold coin or silver coin as that term is defined in s.
160 560.103 which holds public deposits must do all of the
161 following:

162 (1) Meet the definition of a qualified public depository as
163 defined in s. 280.02, except that such custodian is not required
164 to be insured by the Federal Deposit Insurance Corporation or
165 the National Credit Union Share Insurance Fund for purposes of
166 holding gold coin or silver coin as defined in s. 215.986.

167 (2) Comply with all other applicable qualified public
168 depository requirements and be subject to the provisions of this
169 chapter.

170 Section 5. Present subsections (13) through (19), (20)
171 through (34), and (35) and (36) of section 560.103, Florida
172 Statutes, are redesignated as subsections (14) through (20),
173 (22) through (36), and (38) and (39), respectively, new
174 subsections (13), (21), and (37) are added to that section, and
175 present subsections (18), (23), and (24) of that section are
176 amended, to read:

177 560.103 Definitions.—As used in this chapter, the term:

178 (13) "Custodian of gold coin or silver coin" means any
179 person or entity providing secure vault facilities for the
180 safekeeping and storage of gold coin or silver coin, the
181 ownership of which is or may be transferred electronically as
182 defined in s. 215.986(1). The term includes any person who holds
183 gold coin or silver coin for more than 10 days.

184 (19) (18) "Foreign currency exchanger" means a person who

185 exchanges, for compensation, currency of the United States or a
186 foreign government, gold coin, or silver coin to currency of
187 another government.

188 (21) "Gold coin" has the same meaning as in s. 215.986.

189 (25) ~~(23)~~ "Money services business" means any person located
190 in or doing business in this state, from this state, or into
191 this state from locations outside this state or country who acts
192 as a payment instrument seller, foreign currency exchanger,
193 check casher, ~~or~~ money transmitter, or custodian of gold coin or
194 silver coin.

195 (26) ~~(24)~~ "Money transmitter" means a corporation, limited
196 liability company, limited liability partnership, or foreign
197 entity qualified to do business in this state which receives
198 currency, monetary value, a payment instrument, gold coin or
199 silver coin, or virtual currency for the purpose of acting as an
200 intermediary to transmit currency, monetary value, a payment
201 instrument, gold coin or silver coin, or virtual currency from
202 one person to another location or person by any means, including
203 transmission by wire, facsimile, electronic transfer, courier,
204 the Internet, or through bill payment services or other
205 businesses that facilitate such transfer within this country, or
206 to or from this country. The term includes only an intermediary
207 that has the ability to unilaterally execute or indefinitely
208 prevent a transaction.

209 (37) "Silver coin" has the same meaning as in s. 215.986.

210 Section 6. Subsection (3) is added to section 560.141,
211 Florida Statutes, to read:

212 560.141 License application.—

213 (3) The office must approve an application for a custodian

605920

214 of gold coin or silver coin if the applicant demonstrates
215 compliance with the provisions of this chapter and the rules
216 adopted by the commission requiring guidelines for the storage,
217 security, insurance, auditing, administration, authorized
218 access, transacting, and transfer of gold coin or silver coin.
219 The office may conduct an examination of the applicant before
220 issuing a license to determine the applicant's ability to
221 conduct business immediately upon opening for business.

222 Section 7. Present subsection (5) of section 560.142,
223 Florida Statutes, is redesignated as subsection (6), and a new
224 subsection (5) is added to that section, to read:

225 560.142 License renewal.—

226 (5) The office must approve a renewal application for a
227 custodian of gold coin or silver coin if the licensee
228 demonstrates compliance with the applicable provisions of this
229 chapter and with the rules adopted by the commission requiring
230 guidelines for the storage, security, insurance, auditing,
231 administration, authorized access, transacting, and transfer of
232 gold coin or silver coin.

233 Section 8. Section 560.150, Florida Statutes, is created to
234 read:

235 560.150 Gold and silver coin as legal tender.—

236 (1) A money services business may not be required to offer
237 products or services, including, but not limited to,
238 transmitting, storing, exchanging, or accepting payment in gold
239 coin or silver coin. To the extent that a money services
240 business offers such products or services, the money services
241 business must do all of the following:

242 (a) Insure the gold coin or silver coin, if not otherwise

243 insured by an independent custodian of gold coin or silver coin,
244 for 100 percent of the full replacement value of any deposit
245 under an all-risk insurance policy issued by a nongovernmental
246 operated insurer that is an authorized insurer or eligible
247 surplus lines insurer.

248 (b) Securely store and safeguard all physical gold coin or
249 silver coin with a custodian of gold coin or silver coin within
250 this state.

251 (c) Include any fee to convert gold coin or silver coin to
252 coin or currency of the United States or of another country in
253 the total maximum interchange transaction fee that an issuer may
254 charge with respect to an electronic debit transaction as
255 provided under the Electronic Fund Transfer Act in 15 U.S.C. s.
256 1693 et seq.

257 (d) Ensure that any gold coin or silver coin that is
258 purchased for use or circulation as legal tender is from an
259 accredited refiner or wholesaler, as prescribed by commission
260 rule, that certifies that the gold coin or silver coin being
261 purchased meets the requirements of gold coin and silver coin
262 defined in s. 215.986.

263 (e) Comply with chain of custody requirements, as
264 prescribed by commission rule.

265 (f) Comply with all other applicable state and federal
266 regulations.

267 (2) The commission may adopt rules as necessary to
268 implement this section.

269 Section 9. Subsection (1) of section 560.204, Florida
270 Statutes, is amended to read:

271 560.204 License required.—

272 (1) Unless exempted, a person may not engage in, or in any
273 manner advertise that they engage in, the activity of a payment
274 instrument seller, or money transmitter, or custodian of gold
275 coin or silver coin for compensation, without first obtaining a
276 license under this part. For purposes of this subsection, the
277 term "compensation" includes profit or loss on the exchange of
278 currency, monetary value, or virtual currency.

279 Section 10. Section 560.205, Florida Statutes, is amended
280 to read:

281 560.205 Additional license application requirements.—In
282 addition to the license application requirements under part I of
283 this chapter, an applicant seeking a license under this part
284 must also submit any information required by this section to the
285 office.+

286 (1) Any applicant seeking to operate as a payment
287 instrument seller or money transmitter must provide all of the
288 following information to the office:

289 (a) A sample authorized vendor contract, if applicable.
290 (b) (2) A sample form of payment instrument, if applicable.
291 (c) (3) Documents demonstrating that the net worth and
292 bonding requirements specified in s. 560.209 have been
293 fulfilled.

294 (d) (4) A copy of the applicant's financial audit report for
295 the most recent fiscal year. If the applicant is a wholly owned
296 subsidiary of another corporation, the financial audit report on
297 the parent corporation's financial statements satisfies shall
298 satisfy this requirement.

299 (2) Any applicant seeking to operate as a custodian of gold
300 coin or silver coin must provide all of the following

605920

301 information to the office:

302 (a) All requirements specified in subsection(1).

303 (b) Evidence of:

304 1. Insurance against loss for all gold coin and silver coin
305 held in its custody;

306 2. Custody of the same quantity and type of asset for all
307 current gold coin or silver coin held in its custody; and

308 3. Depository accreditation from an entity approved by the
309 office.

310 (c) A statement of a business plan providing for the safe
311 and sound operation of custodial services pertaining to the
312 storage, security, insurance, auditing, administration,
313 authorized access, transacting, and transfer of gold coin or
314 silver coin to the satisfaction of the office or in accordance
315 with rules adopted by the commission.

316 Section 11. Section 560.214, Florida Statutes, is created
317 to read:

318 560.214 Custodians of gold coin or silver coin.—

319 (1) A custodian of gold coin or silver coin must meet all
320 of the following requirements:

321 (a) Be located in a manner that allows quick and efficient
322 movement of the gold coin or silver coin, or enables rapid
323 response time from law enforcement if necessary.

324 (b) Meet security requirements in accordance with industry
325 standards, including, but not limited to:

326 1. Use of a high-security vault rated by Underwriters'
327 Laboratories, Inc.

328 2. Physical security and video surveillance 24 hours a day,
329 7 days a week;

605920

330 3. Biometric or multi-factor access controls;
331 4. Facility design that is disaster-resistant including
332 resistant to fire, flood, or earthquakes; and
333 5. Regular review and updates of security procedure.
334 (c) Keep customer assets segregated from the custodian's
335 own assets and from asset classes that are not gold coin and
336 silver coin.
337 (d) Offer allocated storage where the gold coin or silver
338 coin is kept separate and identifiable, or segregated storage
339 where the gold coin or silver coin is stored apart from other
340 customers' gold coin or silver coin.
341 (e) Comply with chain of custody requirements as prescribed
342 by commission rule.
343 (f) Maintain records detailing the inventory system,
344 including, but not limited to, serial number and bar number
345 tracking and ledger accounts.
346 (g) Have its custodial holdings examined or audited at
347 least annually by an independent certified public accountant or
348 other auditor acceptable to the office. The auditor must verify
349 that the custodian's custodial assets are sufficient to cover
350 all customer holdings and are held as represented. The results
351 of such audit or examination must be reported to the office.
352 (h) Maintain insurance covering 100 percent of the full
353 replacement value of the stored gold coin or silver coin under
354 an all-risk insurance policy for loss, theft, damage, and
355 employee dishonesty by an authorized insurer or eligible surplus
356 lines insurer.
357 (i) Permit visits or inspections with advance notice.
358 (j) Maintain secure technology, including all of the

605920

359 following cybersecurity measures:

- 360 1. Secure online portal for account access.
- 361 2. Data encrypted in transit and at rest.
- 362 3. Two-factor authentication for login.
- 363 4. Regular cybersecurity audits or vulnerability
- 364 assessments.

365 (k) Maintain custody of the same quantity and type of gold
366 coin or silver coin as that entrusted by each customer.

367 (l) Refrain from selling, lending, pledging,
368 rehypothecating, or encumbering any customer's gold coin or
369 silver coin except to the extent directed by the customer for a
370 transfer or transaction.

371 (m) Comply with anti-money laundering regulation pursuant
372 to this chapter, and any applicable state or federal regulation.

373 (2) For a custodian that has a direct contractual
374 relationship with the owner of the gold coin or silver coin,
375 such custodian must also comply with all of the following
376 requirements:

377 (a) Furnish to each owner, at the inception of the
378 relationship and on at least an annual basis, a clear, written
379 disclosure of the terms and conditions of the custodial
380 arrangement and the associated risks. Such disclosure must also
381 state that gold or silver assets are not insured by the FDIC,
382 NCUA, or SIPC and that the owner's assets are held by a licensed
383 custodian under Florida law.

384 (b) Provide transparent contracts, products, services, and
385 fees, including storage and transaction fees.

386 (c) Provide quarterly account statements to an owner which
387 itemize the assets in custody for that owner, and promptly

605920

388 deliver an updated statement and return of the gold coin or
389 silver coin to the owner or as the owner directs.

390 (d) Within 30 days of a request, make available to an owner
391 a copy of any audit report required pursuant to paragraph (1) (e)
392 which has been completed within the most recent 2-year period.

393 (3) A violation of any provision of this section or rules
394 adopted hereunder constitutes a violation of this chapter. The
395 office may take disciplinary action against a custodian or
396 licensee or suspend or revoke the license, as applicable, for
397 any violation of this section including, but not limited to,
398 failure to safeguard assets, insolvency, commingling of customer
399 assets, unauthorized use of assets, failure to maintain required
400 records or reports, or other unsafe or unsound practices as
401 defined in s. 655.005(1) (y).

402 (4) Obligations of a custodian to an owner of gold coin or
403 silver coin under this section are fiduciary in nature for
404 purposes of determining the priority of claims or losses.

405 (5) The commission may adopt rules as necessary to
406 implement this section.

407 Section 12. Paragraph (e) of subsection (3) of section
408 655.50, Florida Statutes, is amended to read:

409 655.50 Florida Control of Money Laundering and Terrorist
410 Financing in Financial Institutions Act.—

411 (3) As used in this section, the term:

412 (e) "Monetary instruments" means coin or currency of the
413 United States or of any other country, travelers' checks,
414 personal checks, bank checks, money orders, stored value cards,
415 prepaid cards, gold coin or silver coin as those terms are
416 defined in s. 215.986, investment securities or negotiable

605920

417 instruments in bearer form or otherwise in such form that title
418 thereto passes upon delivery, or similar devices.

419 Section 13. Section 655.970, Florida Statutes, is created
420 to read:

421 655.970 Gold and silver coin as legal tender.—

422 (1) A financial institution may not be required to take any
423 of the following actions:

424 (a) Receive deposits, as that term is defined in s.

425 658.26(5)(c), consisting of gold coin or silver coin, as those
426 terms are defined in s. 215.986, whether in physical form or by
427 electronic transfer.

428 (b) Exchange gold coin or silver coin for coin or currency
429 of the United States or of another country.

430 (2) To the extent that a financial institution accepts gold
431 coin or silver coin deposits, the financial institution shall do
432 all of the following:

433 (a) Maintain separate accounts for any gold coin or silver
434 coin and not commingle such gold coin or silver coin with any
435 other coin or currency of the United States or of another
436 country.

437 (b) Insure the gold coin or silver coin, if not otherwise
438 insured by the custodian of gold coin or silver coin, for 100
439 percent of the full replacement value of any deposit under an
440 all-risk insurance policy issued by a nongovernmental-operated
441 insurer that is an authorized insurer or an eligible surplus
442 lines insurer.

443 (c) Securely store and safeguard all physical gold coin or
444 silver coin with a custodian of gold or silver coin within this
445 state.

446 (d) Comply, or be responsible and accountable for any
447 third-party vendor that stores such gold coin and silver coin to
448 comply, with the requirements for a custodian of gold coin or
449 silver coin as provided in s. 560.214.

450 (e) Include any fee to convert gold coin or silver coin to
451 coin or currency of the United States or of another country in
452 the total maximum interchange transaction fee that an issuer may
453 charge with respect to an electronic debit transaction as
454 provided under the Electronic Fund Transfer Act in 15 U.S.C. s.
455 1693 et seq.

456 (f) Ensure that any gold coin or silver coin purchased for
457 use or circulation as legal tender is from an accredited refiner
458 or wholesaler that certifies that the gold coin or silver coin
459 being purchased meets the requirements of gold coin and silver
460 coin defined in s. 215.986.

461 (g) Comply with all other applicable state and federal
462 regulations.

463 (3) The commission may adopt rules as necessary to
464 implement this section.

465 Section 14. Subsection (2) of section 672.511, Florida
466 Statutes, is amended to read:

467 672.511 Tender of payment by buyer; payment by check.—

468 (2) Tender of payment is sufficient when made by any means
469 or in any manner current in the ordinary course of business
470 unless the seller demands payment in legal tender and gives any
471 extension of time reasonably necessary to procure it. As
472 provided in s. 215.986(2)(b), this section may not be construed
473 to compel a person to tender payment in gold coin or silver
474 coin.

605920

475 Section 15. The Department of Financial Services must
476 submit a report by January 1, 2026 to the Governor, the
477 President of the Senate, and the Speaker of the House of
478 Representatives which contains all the following information:

479 (1) The progress of implementing s. 215.986, Florida
480 Statutes.

481 (2) An explanation of any challenge that requires
482 additional legislation to ensure that gold coin or silver coin
483 may be accepted by the state as legal tender for payment of
484 debts pursuant to s. 215.986, Florida Statutes.

485 Section 16. Paragraph (a) of subsection (4) of section
486 559.952, Florida Statutes, is amended to read:

487 559.952 Financial Technology Sandbox.—

488 (4) EXCEPTIONS TO GENERAL LAW AND WAIVERS OF RULE
489 REQUIREMENTS.—

490 (a) Notwithstanding any other law, upon approval of a
491 Financial Technology Sandbox application, the following
492 provisions and corresponding rule requirements are not
493 applicable to the licensee during the sandbox period:

494 1. Section 516.03(1), except for the application fee, the
495 investigation fee, the requirement to provide the social
496 security numbers of control persons, evidence of liquid assets
497 of at least \$25,000 or documents satisfying the requirements of
498 s. 516.05(10), and the office's authority to investigate the
499 applicant's background. The office may prorate the license
500 renewal fee for an extension granted under subsection (7).

501 2. Section 516.05(1) and (2), except that the office shall
502 investigate the applicant's background.

503 3. Section 560.109, only to the extent that the section

605920

504 requires the office to examine a licensee at least once every 5
505 years.

506 4. Section 560.118(2).

507 5. Section 560.125(1), only to the extent that the
508 subsection would prohibit a licensee from engaging in the
509 business of a money transmitter or payment instrument seller
510 during the sandbox period.

511 6. Section 560.125(2), only to the extent that the
512 subsection would prohibit a licensee from appointing an
513 authorized vendor during the sandbox period. Any authorized
514 vendor of such a licensee during the sandbox period remains
515 liable to the holder or remitter.

516 7. Section 560.128.

517 8. Section 560.141, except for s. 560.141(1)(a)1., 3., 7.-
518 10. and (b), (c), and (d).

519 9. Section 560.142(1) and (2), except that the office may
520 prorate, but may not entirely eliminate, the license renewal
521 fees in s. 560.143 for an extension granted under subsection
522 (7).

523 10. Section 560.143(2), only to the extent necessary for
524 proration of the renewal fee under subparagraph 9.

525 11. Section 560.204(1), only to the extent that the
526 subsection would prohibit a licensee from engaging in, or
527 advertising that it engages in, the activity of a payment
528 instrument seller or money transmitter during the sandbox
529 period.

530 12. Section 560.205(1)(b) ~~Section 560.205(2).~~

531 13. Section 560.208(2).

532 14. Section 560.209, only to the extent that the office may

533 modify, but may not entirely eliminate, the net worth, corporate
534 surety bond, and collateral deposit amounts required under that
535 section. The modified amounts must be in such lower amounts that
536 the office determines to be commensurate with the factors under
537 paragraph (5) (c) and the maximum number of consumers authorized
538 to receive the financial product or service under this section.

539 Section 17. This act shall take effect upon becoming a law.

A bill to be entitled

An act relating to legal tender; creating s. 215.986, F.S.; defining terms; specifying that specie legal tender and electronic currency are legal tender; prohibiting specie or specie legal tender from being characterized as personal property for taxation and regulatory purposes; specifying that certain transactions of specie do not give rise to tax liability; providing that exchange of one type or form of legal tender for another type or form of legal tender does not give rise to tax liability; prohibiting persons from compelling others to tender or accept specie as legal tender; authorizing governmental entities to recognize specie legal tender for certain payments; requiring the Chief Financial Officer to adopt rules; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 215.986, Florida Statutes, is created to read:

215.986 Specie legal tender and electronic currency as legal tender; prohibitions; tax liabilities; payment of debts.

(1) As used in this section, the term:

(a) "Bullion" means refined precious metal in any shape or form with uniform content and purity, including, but not limited to, coins, rounds, bars, ingots, and any other products, which is:

1. Stamped or imprinted with the weight and purity of the

precious metal that it contains; and

2. Valued primarily based on its metal content and not on its form and function.

(b) "Electronic currency" means a representation of physical gold, silver, specie, or bullion which may be transferred through a digital transaction by the owner of such currency and which is fully redeemable as physical gold, silver, specie, or bullion. Such representation must reflect the exact units of physical gold, silver, specie, or bullion in its fractional troy ounce measurement or grams.

(c) "Legal tender" means a recognized medium of exchange authorized by the United States Congress or by any state pursuant to s. 8 or s. 10, Art. I of the United States Constitution, respectively, for the payment of debts, public charges, taxes, or dues.

(d) "Precious metal" means gold or silver.

(e) "Specie" means coin having gold or silver content and bullion.

(f) "Specie legal tender" means:

1. Specie coin issued by the Federal Government at any time;

2. Specie coin issued by any foreign government at any time; or

3. Any other specie recognized by this state or any other state pursuant to s. 10, Art. I of the United States Constitution.

(2) (a) Specie legal tender and electronic currency are legal tender.

(b) Specie or specie legal tender may not be characterized

59 as personal property for taxation or regulatory purposes.

60 (c) The purchase or sale of any type or form of specie does
61 not give rise to any tax liability.

62 (d) The exchange of one type or form of legal tender for
63 another type or form of legal tender does not give rise to any
64 tax liability.

65 (e) Unless specifically provided by the State Constitution
66 or general law or by contract, a person may not compel another
67 person to tender specie or to accept specie as legal tender.

68 (f) Specie legal tender may be recognized to pay private
69 debts, taxes, and fees levied by the state or local government
70 or any subdivision thereof.

71 (3) The Chief Financial Officer shall adopt rules regarding
72 the acceptance of specie legal tender as payment for any public
73 debt, tax, fee, or obligation owed.

74 Section 2. This act shall take effect July 1, 2025.

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 232 revises the Florida Consumer Collection Practices Act (FCCPA) to allow any person attempting to collect on a debt to communicate with a debtor via email between 9 p.m. and 8 a.m. The bill includes preamble clauses that acknowledge emails were not commonly used or explicitly contemplated when such prohibited practice was adopted and provides that the Legislative intent is to update and clarify that emails are not prohibited during such hours because they are less invasive and less disruptive than telephone calls.

The bill takes effect upon becoming a law.

II. Present Situation:

The Florida Consumer Collection Practices Act

The FCCPA¹ prohibits certain practices by any person when attempting to collect on a debt.² This law is the counterpart to the federal Fair Debt Collection Practices Act (FDCPA) with the

¹ Sections 559.55-559.785, F.S.

² "Debt collector" means any person who uses any instrumentality of commerce within this state, whether initiated from within or outside this state, in any business the principal purpose of which is the collection of debts, or who regularly collects or attempts to collect, directly or indirectly, debts owed or due or asserted to be owed or due another. The term "debt

purpose of eliminating “abusive and harassing tactics in the collection of debts.”³ When collecting consumer debts,⁴ collectors are not allowed to use or threaten violence,⁵ use profane or vulgar language,⁶ or attempt to enforce an illegitimate debt.⁷ Among the list of prohibited practices, a collector is not allowed to “communicate with the debtor between the hours of 9 p.m. and 8 a.m. in the debtor’s time zone without the prior consent of the debtor.”⁸ The current version of the statute does not specify what type of communication is prohibited between these hours.

A debtor⁹ may bring a civil action against a consumer collection agency¹⁰ or any person attempting to collect on a debt in a manner prohibited by law within two years of the date the alleged violation occurred.¹¹ The debtor may file such action “in the county in which the alleged violator resides or has his or her principal place of business or in the county where the alleged violation occurred.”¹² If a collector does not comply with the provisions of s. 559.72, F.S., they are liable for actual and statutory damages up to \$1000, court costs and attorney’s fees that are incurred by the plaintiff,¹³ and punitive damages or other equitable relief the court finds necessary or proper.¹⁴ Additionally, if there is an inconsistency between the FCCPA and the FDCPA, the provision which is more protective of the debtor will prevail.¹⁵

The Fair Debt Collection Practices Act

The federal Fair Debt Collection Practices Act (FDCPA) (15 USC 1692 et seq.), which became effective in March 1978, was designed to eliminate abusive, deceptive, and unfair debt collection practices.¹⁶ Pursuant to 12 CFR s. 1006.06(b)(1)(i), with certain exceptions (prior consent, or permission by a court), a debt collector must not communicate or attempt to communicate with a consumer in connection with the collection of any debt at any unusual time, or at a time that the debt collector knows or should know is inconvenient to the consumer. In the absence of the debt collector's knowledge of circumstances to the contrary, a time before 8:00 a.m. and after 9:00

collector” includes any creditor who, in the process of collecting her or his own debts, uses any name other than her or his own which would indicate that a third person is collecting or attempting to collect such debts. Section 559.55(7), F.S.

⁴ “Debt” or “consumer debt” means any obligation or alleged obligation of a consumer to pay money arising out of a transaction in which the money, property, insurance, or services which are the subject of the transaction are primarily for personal, family, or household purposes, whether or not such obligation has been reduced to judgement. p.m. local time at the consumer's location is inconvenient. Email and text communications¹⁷ are permitted, but the consumer must be offered a reasonable and simple method for opting out.¹⁸

Recent Litigation

The U.S. District Court for the Southern District of Florida recently interpreted what it means to “communicate with” a consumer under the FCCPA.¹⁹ In this case, plaintiff sued a debt collector for sending her an e-mail at 8:23 p.m. which was delivered to her at 10:14 p.m. and which she did not open or read until 11:44 a.m. the next day.²⁰ Plaintiff argued that this constituted a communication in violation of s. 559.72(17), F.S.²¹ Without legal precedent on point, the court determined that “no e-mail communication “with” the customer takes place until the consumer reads the message, or at least receives it.”²² Under this interpretation, the court found that the debt collector did not communicate with plaintiff until 11:44 a.m. because that was when she read the message, and as such, defendant’s motion for summary judgment was granted.²³

As this case was one of first impression, there is a chance that Florida courts or other federal district courts could deviate from this interpretation. Moreover, this interpretation diverges from the Consumer Financial Protection Bureau’s interpretation of what it means to “communicate with” a debtor under the FDCPA.²⁴ Without statutory clarification, Florida courts are open to litigation over debt collection e-mails received and read after 9 p.m. and before 8 a.m.

III. Effect of Proposed Changes:

The bill includes preamble clauses that provide the Legislature:

- Acknowledges that s. 559.72(17), F.S.:
 - Was adopted before e-mail communication became commonly used;
 - Only explicitly contemplates telephone calls as a form of communication; and
- Intends to update and clarify s. 559.72(17), F.S. to exclude e-mail communication from the prohibited debt collection practice of contacting a person regarding a debt between the hours of 9:00 p.m. and 8:00 a.m. because e-mail communication is less invasive and less disruptive than telephone calls.

¹⁷ According to a recent news release, email communications are used by 74% of debt collectors, and use of text messaging grew by 5% between 2023 and 2024. The Committee on Banking and Insurance (Rodriguez) recommended the following:

1 **Senate Amendment (with title amendment)**

2
3 Delete everything after the enacting clause
4 and insert:

5 Section 1. Section 559.72, Florida Statutes, is amended to
6 read:

7 559.72 Prohibited practices generally.—In collecting
8 consumer debts, a no person may not shall:

9 (1) Simulate in any manner a law enforcement officer or a
10 representative of any governmental agency.

403842

11 (2) Use or threaten force or violence.

12 (3) Tell a debtor who disputes a consumer debt that she or
13 he or any person employing her or him will disclose to another,
14 orally or in writing, directly or indirectly, information
15 affecting the debtor's reputation for credit worthiness without
16 also informing the debtor that the existence of the dispute will
17 also be disclosed as required by subsection (6).

18 (4) Communicate or threaten to communicate with a debtor's
19 employer before obtaining final judgment against the debtor,
20 unless the debtor gives her or his permission in writing to
21 contact her or his employer or acknowledges in writing the
22 existence of the debt after the debt has been placed for
23 collection. However, this does not prohibit a person from
24 telling the debtor that her or his employer will be contacted if
25 a final judgment is obtained.

26 (5) Disclose to a person other than the debtor or her or
27 his family information affecting the debtor's reputation,
28 whether or not for credit worthiness, with knowledge or reason
29 to know that the other person does not have a legitimate
30 business need for the information or that the information is
31 false.

32 (6) Disclose information concerning the existence of a debt
33 known to be reasonably disputed by the debtor without disclosing
34 that fact. If a disclosure is made before such dispute has been
35 asserted and written notice is received from the debtor that any
36 part of the debt is disputed, and if such dispute is reasonable,
37 the person who made the original disclosure must reveal upon the
38 request of the debtor within 30 days the details of the dispute
39 to each person to whom disclosure of the debt without notice of

40 the dispute was made within the preceding 90 days.

41 (7) Willfully communicate with the debtor or any member of
42 her or his family with such frequency as can reasonably be
43 expected to harass the debtor or her or his family, or willfully
44 engage in other conduct which can reasonably be expected to
45 abuse or harass the debtor or any member of her or his family.

46 (8) Use profane, obscene, vulgar, or willfully abusive
47 language in communicating with the debtor or any member of her
48 or his family.

49 (9) Claim, attempt, or threaten to enforce a debt when such
50 person knows that the debt is not legitimate, or assert the
51 existence of some other legal right when such person knows that
52 the right does not exist.

53 (10) Use a communication that simulates in any manner legal
54 or judicial process or that gives the appearance of being
55 authorized, issued, or approved by a government, governmental
56 agency, or attorney at law, when it is not.

57 (11) Communicate with a debtor under the guise of an
58 attorney by using the stationery of an attorney or forms or
59 instruments that only attorneys are authorized to prepare.

60 (12) Orally communicate with a debtor in a manner that
61 gives the false impression or appearance that such person is or
62 is associated with an attorney.

63 (13) Advertise or threaten to advertise for sale any debt
64 as a means to enforce payment except under court order or when
65 acting as an assignee for the benefit of a creditor.

66 (14) Publish or post, threaten to publish or post, or cause
67 to be published or posted before the general public individual
68 names or any list of names of debtors, commonly known as a

403842

69 deadbeat list, for the purpose of enforcing or attempting to
70 enforce collection of consumer debts.

71 (15) Refuse to provide adequate identification of herself
72 or himself or her or his employer or other entity whom she or he
73 represents if requested to do so by a debtor from whom she or he
74 is collecting or attempting to collect a consumer debt.

75 (16) Mail any communication to a debtor in an envelope or
76 postcard with words typed, written, or printed on the outside of
77 the envelope or postcard calculated to embarrass the debtor. An
78 example of this would be an envelope addressed to "Deadbeat,
79 Jane Doe" or "Deadbeat, John Doe."

80 (17) Communicate with the debtor between the hours of 9
81 p.m. and 8 a.m. in the debtor's time zone without the prior
82 consent of the debtor. This subsection does not apply to an e-
83 mail communication that is sent to an e-mail address and that
84 otherwise complies with this section.

85 (a) The person may presume that the time a telephone call
86 is received conforms to the local time zone assigned to the area
87 code of the number called, unless the person reasonably believes
88 that the debtor's telephone is located in a different time zone.

89 (b) If, such as with toll-free numbers, an area code is not
90 assigned to a specific geographic area, the person may presume
91 that the time a telephone call is received conforms to the local
92 time zone of the debtor's last known place of residence, unless
93 the person reasonably believes that the debtor's telephone is
94 located in a different time zone.

95 (18) Communicate with a debtor if the person knows that the
96 debtor is represented by an attorney with respect to such debt
97 and has knowledge of, or can readily ascertain, such attorney's

403842

98 name and address, unless the debtor's attorney fails to respond
99 within 30 days to a communication from the person, unless the
100 debtor's attorney consents to a direct communication with the
101 debtor, or unless the debtor initiates the communication. This
102 subsection does not apply if a debtor does not owe a creditor
103 any debt that is 90 days or more past due. Such creditor may not
104 communicate with a debtor more than once within a 30-day period.
105 Such communication is limited to sending the debtor a monthly
106 account statement made and sent in the ordinary course of
107 business to the debtor's last known mailing address, or last
108 known e-mail address if the debtor has elected to receive
109 paperless statements. Any such communication may contain only
110 the usual information contained in a monthly account statement
111 and must comply with the other requirements in this section.

112 (19) Cause a debtor to be charged for communications by
113 concealing the true purpose of the communication, including
114 collect telephone calls and telegram fees.

115 Section 2. For the purpose of incorporating the amendment
116 made by this act to section 559.72, Florida Statutes, in a
117 reference thereto, subsection (2) of section 559.565, Florida
118 Statutes, is reenacted to read:

119 559.565 Enforcement action against out-of-state consumer
120 debt collector.—The remedies of this section are cumulative to
121 other sanctions and enforcement provisions of this part for any
122 violation by an out-of-state consumer debt collector, as defined
123 in s. 559.55(11).

124 (2) A person, whether or not exempt from registration under
125 this part, who violates s. 559.72 is subject to sanctions the
126 same as any other consumer debt collector, including imposition

127 of an administrative fine. The registration of a duly registered
128 out-of-state consumer debt collector is subject to revocation or
129 suspension in the same manner as the registration of any other
130 registrant under this part.

131 Section 3. For the purpose of incorporating the amendment
132 made by this act to section 559.72, Florida Statutes, in a
133 reference thereto, subsection (2) of section 559.725, Florida
134 Statutes, is reenacted to read:

135 559.725 Consumer complaints; administrative duties.—

136 (2) The office shall inform and furnish relevant
137 information to the appropriate regulatory body of the state or
138 the Federal Government, or The Florida Bar in the case of
139 attorneys, if a person has been named in a consumer complaint
140 pursuant to subsection (3) alleging violations of s. 559.72. The
141 Attorney General may take action against any person in violation
142 of this part.

143 Section 4. For the purpose of incorporating the amendment
144 made by this act to section 559.72, Florida Statutes, in
145 references thereto, subsections (1) and (2) of section 559.77,
146 Florida Statutes, are reenacted to read:

147 559.77 Civil remedies.—

148 (1) A debtor may bring a civil action against a person
149 violating the provisions of s. 559.72 in the county in which the
150 alleged violator resides or has his or her principal place of
151 business or in the county where the alleged violation occurred.

152 (2) Any person who fails to comply with any provision of s.
153 559.72 is liable for actual damages and for additional statutory
154 damages as the court may allow, but not exceeding \$1,000,
155 together with court costs and reasonable attorney's fees

156 incurred by the plaintiff. In determining the defendant's
157 liability for any additional statutory damages, the court shall
158 consider the nature of the defendant's noncompliance with s.
159 559.72, the frequency and persistence of the noncompliance, and
160 the extent to which the noncompliance was intentional. In a
161 class action lawsuit brought under this section, the court may
162 award additional statutory damages of up to \$1,000 for each
163 named plaintiff and an aggregate award of additional statutory
164 damages up to the lesser of \$500,000 or 1 percent of the
165 defendant's net worth for all remaining class members; however,
166 the aggregate award may not provide an individual class member
167 with additional statutory damages in excess of \$1,000. The court
168 may award punitive damages and may provide such equitable relief
169 as it deems necessary or proper, including enjoining the
170 defendant from further violations of this part. If the court
171 finds that the suit fails to raise a justiciable issue of law or
172 fact, the plaintiff is liable for court costs and reasonable
173 attorney's fees incurred by the defendant.

174 Section 5. For the purpose of incorporating the amendment
175 made by this act to section 559.72, Florida Statutes, in a
176 reference thereto, paragraph (o) of subsection (1) of section
177 648.44, Florida Statutes, is reenacted to read:

178 648.44 Prohibitions; penalty.—

179 (1) A bail bond agent or bail bond agency may not:

180 (o) Attempt to collect, through threat or coercion, amounts
181 due for the payment of any indebtedness related to the issuance
182 of a bail bond in violation of s. 559.72.

183 Section 6. For the purpose of incorporating the amendment
184 made by this act to section 559.72, Florida Statutes, in a

185 reference thereto, paragraph (b) of subsection (2) of section
186 817.7001, Florida Statutes, is reenacted to read:

187 817.7001 Definitions.—As used in this part:

188 (2)

189 (b) "Credit service organization" does not include:

190 1. Any person authorized to make loans or extensions of
191 credit under the laws of this state or the United States who is
192 subject to regulation and supervision by this state or the
193 United States or a lender approved by the United States
194 Secretary of Housing and Urban Development for participation in
195 any mortgage insurance program under the National Housing Act;

196 2. Any bank, savings bank, or savings and loan association
197 whose deposits or accounts are eligible for insurance by the
198 Federal Deposit Insurance Corporation or the Federal Savings and
199 Loan Insurance Corporation, or a subsidiary of such bank,
200 savings bank, or savings and loan association;

201 3. Any credit union, federal credit union, or out-of-state
202 credit union doing business in this state;

203 4. Any nonprofit organization exempt from taxation under s.
204 501(c)(3) of the Internal Revenue Code;

205 5. Any person licensed as a real estate broker by this
206 state if the person is acting within the course and scope of
207 that license;

208 6. Any person collecting consumer claims pursuant to s.
209 559.72;

210 7. Any person licensed to practice law in this state if the
211 person renders services within the course and scope of his or
212 her practice as an attorney and does not engage in the credit
213 service business on a regular and continuing basis;

403842

214 8. Any broker-dealer registered with the Securities and
215 Exchange Commission or the Commodity Futures Trading Commission
216 if the broker-dealer is acting within the course and scope of
217 that regulation; or

218 9. Any consumer reporting agency as defined in the Federal
219 Fair Credit Reporting Act, 15 U.S.C. ss. 1681-1681t.

220 Section 7. This act shall take effect upon becoming a law.

21 contact her or his employer or acknowledges in writing the
22 existence of the debt after the debt has been placed for
23 collection. However, this does not prohibit a person from
24 telling the debtor that her or his employer will be contacted if
25 a final judgment is obtained.

26 (5) Disclose to a person other than the debtor or her or
27 his family information affecting the debtor's reputation,
28 whether or not for credit worthiness, with knowledge or reason
29 to know that the other person does not have a legitimate
30 business need for the information or that the information is
31 false.

32 (6) Disclose information concerning the existence of a debt
33 known to be reasonably disputed by the debtor without disclosing
34 that fact. If a disclosure is made before such dispute has been
35 asserted and written notice is received from the debtor that any
36 part of the debt is disputed, and if such dispute is reasonable,
37 the person who made the original disclosure must reveal upon the
38 request of the debtor within 30 days the details of the dispute
39 to each person to whom disclosure of the debt without notice of

40 the dispute was made within the preceding 90 days.

41 (7) Willfully communicate with the debtor or any member of
42 her or his family with such frequency as can reasonably be
43 expected to harass the debtor or her or his family, or willfully
44 engage in other conduct which can reasonably be expected to
45 abuse or harass the debtor or any member of her or his family.

46 (8) Use profane, obscene, vulgar, or willfully abusive
47 language in communicating with the debtor or any member of her
48 or his family.

49 (9) Claim, attempt, or threaten to enforce a debt when such
50 person knows that the debt is not legitimate, or assert the
51 existence of some other legal right when such person knows that
52 the right does not exist.

53 (10) Use a communication that simulates in any manner legal
54 or judicial process or that gives the appearance of being
55 authorized, issued, or approved by a government, governmental
56 agency, or attorney at law, when it is not.

57 (11) Communicate with a debtor under the guise of an
58 attorney by using the stationery of an attorney or forms or
59 instruments that only attorneys are authorized to prepare.

60 (12) Orally communicate with a debtor in a manner that
61 gives the false impression or appearance that such person is or
62 is associated with an attorney.

63 (13) Advertise or threaten to advertise for sale any debt
64 as a means to enforce payment except under court order or when
65 acting as an assignee for the benefit of a creditor.

66 (14) Publish or post, threaten to publish or post, or cause
67 to be published or posted before the general public individual
68 names or any list of names of debtors, commonly known as a

624624

69 deadbeat list, for the purpose of enforcing or attempting to
70 enforce collection of consumer debts.

71 (15) Refuse to provide adequate identification of herself
72 or himself or her or his employer or other entity whom she or he
73 represents if requested to do so by a debtor from whom she or he
74 is collecting or attempting to collect a consumer debt.

75 (16) Mail any communication to a debtor in an envelope or
76 postcard with words typed, written, or printed on the outside of
77 the envelope or postcard calculated to embarrass the debtor. An
78 example of this would be an envelope addressed to "Deadbeat,
79 Jane Doe" or "Deadbeat, John Doe."

80 (17) Communicate with the debtor between the hours of 9
81 p.m. and 8 a.m. in the debtor's time zone without the prior
82 consent of the debtor. This subsection does not apply to an e-
83 mail communication that is sent to an e-mail address and that
84 otherwise complies with this section.

85 (a) The person may presume that the time a telephone call
86 is received conforms to the local time zone assigned to the area
87 code of the number called, unless the person reasonably believes
88 that the debtor's telephone is located in a different time zone.

89 (b) If, such as with toll-free numbers, an area code is not
90 assigned to a specific geographic area, the person may presume
91 that the time a telephone call is received conforms to the local
92 time zone of the debtor's last known place of residence, unless
93 the person reasonably believes that the debtor's telephone is
94 located in a different time zone.

95 (18) Communicate with a debtor if the person knows that the
96 debtor is represented by an attorney with respect to such debt
97 and has knowledge of, or can readily ascertain, such attorney's

624624

98 name and address, unless the debtor's attorney fails to respond
99 within 30 days to a communication from the person, unless the
100 debtor's attorney consents to a direct communication with the
101 debtor, or unless the debtor initiates the communication.

102 (19) Cause a debtor to be charged for communications by
103 concealing the true purpose of the communication, including
104 collect telephone calls and telegram fees.

105 Section 2. For the purpose of incorporating the amendment
106 made by this act to section 559.72, Florida Statutes, in a
107 reference thereto, subsection (2) of section 559.565, Florida
108 Statutes, is reenacted to read:

109 559.565 Enforcement action against out-of-state consumer
110 debt collector.—The remedies of this section are cumulative to
111 other sanctions and enforcement provisions of this part for any
112 violation by an out-of-state consumer debt collector, as defined
113 in s. 559.55(11).

114 (2) A person, whether or not exempt from registration under
115 this part, who violates s. 559.72 is subject to sanctions the
116 same as any other consumer debt collector, including imposition
117 of an administrative fine. The registration of a duly registered
118 out-of-state consumer debt collector is subject to revocation or
119 suspension in the same manner as the registration of any other
120 registrant under this part.

121 Section 3. For the purpose of incorporating the amendment
122 made by this act to section 559.72, Florida Statutes, in a
123 reference thereto, subsection (2) of section 559.725, Florida
124 Statutes, is reenacted to read:

125 559.725 Consumer complaints; administrative duties.—

126 (2) The office shall inform and furnish relevant

624624

127 information to the appropriate regulatory body of the state or
128 the Federal Government, or The Florida Bar in the case of
129 attorneys, if a person has been named in a consumer complaint
130 pursuant to subsection (3) alleging violations of s. 559.72. The
131 Attorney General may take action against any person in violation
132 of this part.

133 Section 4. For the purpose of incorporating the amendment
134 made by this act to section 559.72, Florida Statutes, in
135 references thereto, subsections (1) and (2) of section 559.77,
136 Florida Statutes, are reenacted to read:

137 559.77 Civil remedies.—

138 (1) A debtor may bring a civil action against a person
139 violating the provisions of s. 559.72 in the county in which the
140 alleged violator resides or has his or her principal place of
141 business or in the county where the alleged violation occurred.

142 (2) Any person who fails to comply with any provision of s.
143 559.72 is liable for actual damages and for additional statutory
144 damages as the court may allow, but not exceeding \$1,000,
145 together with court costs and reasonable attorney's fees
146 incurred by the plaintiff. In determining the defendant's
147 liability for any additional statutory damages, the court shall
148 consider the nature of the defendant's noncompliance with s.
149 559.72, the frequency and persistence of the noncompliance, and
150 the extent to which the noncompliance was intentional. In a
151 class action lawsuit brought under this section, the court may
152 award additional statutory damages of up to \$1,000 for each
153 named plaintiff and an aggregate award of additional statutory
154 damages up to the lesser of \$500,000 or 1 percent of the
155 defendant's net worth for all remaining class members; however,

624624

156 the aggregate award may not provide an individual class member
157 with additional statutory damages in excess of \$1,000. The court
158 may award punitive damages and may provide such equitable relief
159 as it deems necessary or proper, including enjoining the
160 defendant from further violations of this part. If the court
161 finds that the suit fails to raise a justiciable issue of law or
162 fact, the plaintiff is liable for court costs and reasonable
163 attorney's fees incurred by the defendant.

164 Section 5. For the purpose of incorporating the amendment
165 made by this act to section 559.72, Florida Statutes, in a
166 reference thereto, paragraph (o) of subsection (1) of section
167 648.44, Florida Statutes, is reenacted to read:

168 648.44 Prohibitions; penalty.—

169 (1) A bail bond agent or bail bond agency may not:

170 (o) Attempt to collect, through threat or coercion, amounts
171 due for the payment of any indebtedness related to the issuance
172 of a bail bond in violation of s. 559.72.

173 Section 6. For the purpose of incorporating the amendment
174 made by this act to section 559.72, Florida Statutes, in a
175 reference thereto, paragraph (b) of subsection (2) of section
176 817.7001, Florida Statutes, is reenacted to read:

177 817.7001 Definitions.—As used in this part:

178 (2)

179 (b) "Credit service organization" does not include:

180 1. Any person authorized to make loans or extensions of
181 credit under the laws of this state or the United States who is
182 subject to regulation and supervision by this state or the
183 United States or a lender approved by the United States
184 Secretary of Housing and Urban Development for participation in

624624

185 any mortgage insurance program under the National Housing Act;

186 2. Any bank, savings bank, or savings and loan association

187 whose deposits or accounts are eligible for insurance by the

188 Federal Deposit Insurance Corporation or the Federal Savings and

189 Loan Insurance Corporation, or a subsidiary of such bank,

190 savings bank, or savings and loan association;

191 3. Any credit union, federal credit union, or out-of-state

192 credit union doing business in this state;

193 4. Any nonprofit organization exempt from taxation under s.

194 501(c) (3) of the Internal Revenue Code;

195 5. Any person licensed as a real estate broker by this

196 state if the person is acting within the course and scope of

197 that license;

198 6. Any person collecting consumer claims pursuant to s.

199 559.72;

200 7. Any person licensed to practice law in this state if the

201 person renders services within the course and scope of his or

202 her practice as an attorney and does not engage in the credit

203 service business on a regular and continuing basis;

204 8. Any broker-dealer registered with the Securities and

205 Exchange Commission or the Commodity Futures Trading Commission

206 if the broker-dealer is acting within the course and scope of

207 that regulation; or

208 9. Any consumer reporting agency as defined in the Federal

209 Fair Credit Reporting Act, 15 U.S.C. ss. 1681-1681t.

210 Section 7. This act shall take effect upon becoming law.

220 applicability; making a technical change; reenacting
221 ss. 559.565(2), 559.725(2), 559.77(1) and (2),
222 648.44(1)(o), and 817.7001(2)(b), F.S., relating to
223 enforcement action against an out-of-state consumer
224 debt collector, consumer complaints and administrative
225 duties, civil remedies, prohibitions and penalties,
226 and definitions, respectively, to incorporate the
227 amendment made to s. 559.72, F.S., in references
228 thereto; providing an effective date.

229
230 WHEREAS, the Legislature acknowledges that s. 559.72(17),
231 Florida Statutes, was adopted before e-mail communication became
232 commonly used, and that the only specific communication
233 explicitly contemplated in such subsection is telephone calls,

A bill to be entitled

2 An act relating to debt collection; amending s.
3 559.72, F.S.; revising prohibited practices for a
4 person attempting to collect consumer debt; providing
5 applicability; making a technical change; reenacting
6 ss. 559.565(2), 559.725(2), 559.77(1) and (2),
7 648.44(1)(o), and 817.7001(2)(b), F.S., relating to
8 enforcement action against an out-of-state consumer
9 debt collector, consumer complaints and administrative
10 duties, civil remedies, prohibitions and penalties,
11 and definitions, respectively, to incorporate the
12 amendment made to s. 559.72, F.S., in references
13 thereto; providing an effective date.

15 Be It Enacted by the Legislature of the State of Florida:

17 Section 1. Section 559.72, Florida Statutes, is amended to
18 read:

19 559.72 Prohibited practices generally.—Unless otherwise
20 authorized by law, in collecting consumer debts, a ~~no~~ person may
21 not shall:

22 (1) Simulate in any manner a law enforcement officer or a
23 representative of any governmental agency.

24 (2) Use or threaten force or violence.

25 (3) Tell a debtor who disputes a consumer debt that she or
26 he or any person employing her or him will disclose to another,
27 orally or in writing, directly or indirectly, information
28 affecting the debtor's reputation for credit worthiness without
29 also informing the debtor that the existence of the dispute will

also be disclosed as required by subsection (6).

(4) Communicate or threaten to communicate with a debtor's employer before obtaining final judgment against the debtor, unless the debtor gives her or his permission in writing to contact her or his employer or acknowledges in writing the existence of the debt after the debt has been placed for collection. However, this does not prohibit a person from telling the debtor that her or his employer will be contacted if a final judgment is obtained.

(5) Disclose to a person other than the debtor or her or his family information affecting the debtor's reputation, whether or not for credit worthiness, with knowledge or reason to know that the other person does not have a legitimate business need for the information or that the information is false.

(6) Disclose information concerning the existence of a debt known to be reasonably disputed by the debtor without disclosing that fact. If a disclosure is made before such dispute has been asserted and written notice is received from the debtor that any part of the debt is disputed, and if such dispute is reasonable, the person who made the original disclosure must reveal upon the request of the debtor within 30 days the details of the dispute to each person to whom disclosure of the debt without notice of the dispute was made within the preceding 90 days.

(7) Willfully communicate with the debtor or any member of her or his family with such frequency as can reasonably be expected to harass the debtor or her or his family, or willfully engage in other conduct which can reasonably be expected to abuse or harass the debtor or any member of her or his family.

59 (8) Use profane, obscene, vulgar, or willfully abusive
60 language in communicating with the debtor or any member of her
61 or his family.

62 (9) Claim, attempt, or threaten to enforce a debt when such
63 person knows that the debt is not legitimate, or assert the
64 existence of some other legal right when such person knows that
65 the right does not exist.

66 (10) Use a communication that simulates in any manner legal
67 or judicial process or that gives the appearance of being
68 authorized, issued, or approved by a government, governmental
69 agency, or attorney at law, when it is not.

73 (12) Orally communicate with a debtor in a manner that
74 gives the false impression or appearance that such person is or
75 is associated with an attorney.

76 (13) Advertise or threaten to advertise for sale any debt
77 as a means to enforce payment except under court order or when
78 acting as an assignee for the benefit of a creditor.

79 (14) Publish or post, threaten to publish or post, or cause
80 to be published or posted before the general public individual
81 names or any list of names of debtors, commonly known as a
82 deadbeat list, for the purpose of enforcing or attempting to
83 enforce collection of consumer debts.

84 (15) Refuse to provide adequate identification of herself
85 or himself or her or his employer or other entity whom she or he
86 represents if requested to do so by a debtor from whom she or he
87 is collecting or attempting to collect a consumer debt.

577-02090-25

2025232c1

88 (16) Mail any communication to a debtor in an envelope or
89 postcard with words typed, written, or printed on the outside of
90 the envelope or postcard calculated to embarrass the debtor. An
91 example of this would be an envelope addressed to "Deadbeat,
92 Jane Doe" or "Deadbeat, John Doe."

98 (a) The person may presume that the time a telephone call
99 is received conforms to the local time zone assigned to the area
100 code of the number called, unless the person reasonably believes
101 that the debtor's telephone is located in a different time zone.

102 (b) If, such as with toll-free numbers, an area code is not
103 assigned to a specific geographic area, the person may presume
104 that the time a telephone call is received conforms to the local
105 time zone of the debtor's last known place of residence, unless
106 the person reasonably believes that the debtor's telephone is
107 located in a different time zone.

108 (18) Communicate with a debtor if the person knows that the
109 debtor is represented by an attorney with respect to such debt
110 and has knowledge of, or can readily ascertain, such attorney's
111 name and address, unless the debtor's attorney fails to respond
112 within 30 days to a communication from the person, unless the
113 debtor's attorney consents to a direct communication with the
114 debtor, or unless the debtor initiates the communication.

115 (19) Cause a debtor to be charged for communications by
116 concealing the true purpose of the communication, including

 117 collect telephone calls and telegram fees.

118 Section 2. For the purpose of incorporating the amendment
 119 made by this act to section 559.72, Florida Statutes, in a
 120 reference thereto, subsection (2) of section 559.565, Florida
 121 Statutes, is reenacted to read:

122 559.565 Enforcement action against out-of-state consumer
 123 debt collector.—The remedies of this section are cumulative to
 124 other sanctions and enforcement provisions of this part for any
 125 violation by an out-of-state consumer debt collector, as defined
 126 in s. 559.55(11).

127 (2) A person, whether or not exempt from registration under
 128 this part, who violates s. 559.72 is subject to sanctions the
 129 same as any other consumer debt collector, including imposition
 130 of an administrative fine. The registration of a duly registered
 131 out-of-state consumer debt collector is subject to revocation or
 132 suspension in the same manner as the registration of any other
 133 registrant under this part.

134 Section 3. For the purpose of incorporating the amendment
 135 made by this act to section 559.72, Florida Statutes, in a
 136 reference thereto, subsection (2) of section 559.725, Florida
 137 Statutes, is reenacted to read:

138 559.725 Consumer complaints; administrative duties.—

139 (2) The office shall inform and furnish relevant
 140 information to the appropriate regulatory body of the state or
 141 the Federal Government, or The Florida Bar in the case of
 142 attorneys, if a person has been named in a consumer complaint
 143 pursuant to subsection (3) alleging violations of s. 559.72. The
 144 Attorney General may take action against any person in violation
 145 of this part.

146 Section 4. For the purpose of incorporating the amendment
 147 made by this act to section 559.72, Florida Statutes, in
 148 references thereto, subsections (1) and (2) of section 559.77,
 149 Florida Statutes, are reenacted to read:

150 559.77 Civil remedies.—

151 (1) A debtor may bring a civil action against a person
 152 violating the provisions of s. 559.72 in the county in which the
 153 alleged violator resides or has his or her principal place of
 154 business or in the county where the alleged violation occurred.

155 (2) Any person who fails to comply with any provision of s.
 156 559.72 is liable for actual damages and for additional statutory
 157 damages as the court may allow, but not exceeding \$1,000,
 158 together with court costs and reasonable attorney's fees
 159 incurred by the plaintiff. In determining the defendant's
 160 liability for any additional statutory damages, the court shall
 161 consider the nature of the defendant's noncompliance with s.
 162 559.72, the frequency and persistence of the noncompliance, and
 163 the extent to which the noncompliance was intentional. In a
 164 class action lawsuit brought under this section, the court may
 165 award additional statutory damages of up to \$1,000 for each
 166 named plaintiff and an aggregate award of additional statutory
 167 damages up to the lesser of \$500,000 or 1 percent of the
 168 defendant's net worth for all remaining class members; however,
 169 the aggregate award may not provide an individual class member
 170 with additional statutory damages in excess of \$1,000. The court
 171 may award punitive damages and may provide such equitable relief
 172 as it deems necessary or proper, including enjoining the
 173 defendant from further violations of this part. If the court
 174 finds that the suit fails to raise a justiciable issue of law or

175 fact, the plaintiff is liable for court costs and reasonable
 176 attorney's fees incurred by the defendant.

177 Section 5. For the purpose of incorporating the amendment
 178 made by this act to section 559.72, Florida Statutes, in a
 179 reference thereto, paragraph (o) of subsection (1) of section
 180 648.44, Florida Statutes, is reenacted to read:

181 648.44 Prohibitions; penalty.—

182 (1) A bail bond agent or bail bond agency may not:

183 (o) Attempt to collect, through threat or coercion, amounts
 184 due for the payment of any indebtedness related to the issuance
 185 of a bail bond in violation of s. 559.72.

186 Section 6. For the purpose of incorporating the amendment
 187 made by this act to section 559.72, Florida Statutes, in a
 188 reference thereto, paragraph (b) of subsection (2) of section
 189 817.7001, Florida Statutes, is reenacted to read:

190 817.7001 Definitions.—As used in this part:

191 (2)

192 (b) "Credit service organization" does not include:

193 1. Any person authorized to make loans or extensions of
 194 credit under the laws of this state or the United States who is
 195 subject to regulation and supervision by this state or the
 196 United States or a lender approved by the United States
 197 Secretary of Housing and Urban Development for participation in
 198 any mortgage insurance program under the National Housing Act;

199 2. Any bank, savings bank, or savings and loan association
 200 whose deposits or accounts are eligible for insurance by the

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 498 establishes two interest rate options for financial institutions to select between when paying interest or dividends on lawyer or law firm trust accounts, known as the interest on trust accounts (IOTA). These accounts generate interest or dividends that fund a not-for-profit, tax-exempt entity, The Florida Bar Foundation, established by the Supreme Court, which provides free legal services to low-income individuals or for other purposes authorized by the Court.

The bill provides that if a financial institution holds a trust account of a lawyer or a law firm, it must pay the highest interest rate or dividend generally available from the institution to comparable business or consumer accounts or nonmaturing deposit accounts. The bill also provides that the interest rate on such trust accounts may not be less than 0.25 percent.

In 1981, the IOTA program was implemented by rules adopted by the Florida Supreme Court and is administered by The Florida Bar Foundation. Currently, The Florida Bar Rules prescribe criteria to determine whether a financial institution is eligible to participate in the voluntary IOTA program. One of the eligibility criteria is the minimum interest rate that must be paid by participating financial institutions. According to the Rules, when the Wall Street Journal Prime Rate (indexed rate) is between 3.25 and 4.99 percent, the minimum yield or interest rate paid net of all fees and service charges must be no less than 3.00 percent below the indexed rate. When the indexed rate is 5.00 percent or above, the yield must be no less than 40 percent of the indexed rate in effect on the first business day of each month.

These provisions do not apply to interest rates that are established by written contract or obligations that are unrelated to the trust accounts described in this bill.

The bill takes effect upon becoming law.

II. Present Situation:

The Jurisdiction of the Florida Supreme Court, The Florida Bar, and the IOTA Program

The State Constitution grants exclusive jurisdiction to the Florida Supreme Court to regulate the admission of people to practice law in the state. The Court also has exclusive jurisdiction to discipline those people once they are admitted to practice law.¹ Florida is a mandatory bar state and all members who are admitted to practice in Florida must be members of The Florida Bar.²

The Florida Supreme Court has established the “authority and responsibilities of The Florida Bar” in the *Rules Regulating the Florida Bar*.³ Chapter 5 contains the “Rules Regulating Trust Accounts,” which all attorneys who maintain trust accounts must abide by. Funds that are placed in an attorney’s trust account produce interest income exclusively for the IOTA program. Once generated, the interest funds are swept by The Florida Bar directly into the Bar’s foundation, Funding Florida Legal Aid.

The Florida Bar created the non-profit, tax-exempt corporation, The Florida Bar Foundation (Foundation), in 1956, and subsequently changed the name of the Foundation to Funding Florida Legal Aid in 2023. The Foundation functions to increase legal access for people with limited means by funding legal services, developing programs, and supporting legal aid providers selected by the foundation for grant awards. The Foundation’s primary financial support comes from the IOTA program, but donations are also received from attorneys, law firms, corporations, foundations, and individuals.⁴

Interest on Trust Accounts (IOTA) Program and Funding Florida Legal Aid (FFLA)

Background on Attorney Trust Accounts

A trust account is a short-term account set up by an attorney in which he or she deposits funds on behalf of a client. The account generally contains funds that are combined such as a retainer payment, discovery or litigation costs paid in advance, filing fees, or a settlement award. The amount of money in the account changes often because deposits and withdrawals are made frequently. These fees may not be commingled with an attorney’s operating account but must be kept separately.

¹ FLA. CONST. art. V, s. 15. The Court conducts these official functions through two separate entities: the Florida Board of Bar Examiners and The Florida Bar.

⁴ FFLA, Funding Florida Legal Aid, *Leadership and Funding for Justice in Florida*, <https://fundingfla.org/about-ffla/ffla-overview/> (last visited March 7, 2025).

A trust account has been described as an “unusual” creation that is significantly different from other accounts. Although an attorney opens the account and is responsible for managing the funds in the account, he or she is not technically the owner of the funds.⁵ While an attorney is not the owner of the account, and therefore not entitled to interest generated by the account, neither is the client entitled to interest generated by the funds. The U.S. Court of Appeals for the Eleventh Circuit issued a decision in 1987 determining that a client was not entitled to the interest generated in a trust account.⁶

How the accounts may be regulated or restricted has presented a quandary for almost 200 years. The earliest attempt to regulate trust accounts can be traced to the Legislative Council of the Territory of Florida in 1828. In 1936, the Florida Supreme Court incorporated the regulation of trust accounts into the Court’s rules. Additional measures were adopted over the years to ensure that attorneys, acting as “trustees” would not misuse their clients’ funds or neglect to return them when requested to do so by the client.⁷

The Evolution of Interest Earned on Trust Accounts

Trust accounts have evolved from simple accounts that earned no interest and benefitted no one in particular to today’s accounts in which The Florida Bar, with Florida Supreme Court approval, mandates participation by attorneys, establishes the interest rates, and requires that the interest be remitted to The Florida Bar’s foundation, Funding Florida Legal Aid.

For many years, attorneys deposited their clients’ funds in non-interest-bearing checking accounts because trying to apportion multiple clients’ interest earnings on short-term deposits was too complex. However, in 1978 and in response to a petition by The Florida Bar,⁸ the Florida Supreme Court amended the Bar rules and authorized attorneys to invest trust funds held for their clients to generate investment income that would, among other things, provide legal aid to the poor and help provide student loans.⁹ Participation in the program would be voluntary. The interest payments would be transmitted directly from the financial institutions to The Florida Bar Foundation. In implementing these changes, Florida became the first state in the nation to adopt an interest on trust accounts program, commonly called IOTA.¹⁰ After several adjustments were made, the program became operational in 1981 and permitted *voluntary* participation by

⁸ More specifically, the petition to amend the rules was brought by the Board of Governors of The Florida Bar with the concurrence of the Board of Directors of The Florida Bar Foundation.

attorneys and their firms.¹¹ In 1989, the Rules were amended and participation in the program became *mandatory* for all attorneys.¹²

The next significant development occurred in 2001 when the trust account rules were amended to define financial institutions that are eligible to hold IOTA accounts. These eligible institutions were limited to the institutions that pay IOTA account depositors “the highest interest rate or dividend generally available from the institution to its non-IOTA account customers when IOTA accounts meet or exceed the same minimum balance” or other eligibility requirements. In essence, The Florida Bar Foundation was asking that IOTA accounts be placed on an equal par with non-IOTA accounts in an institution.¹³ Financial institutions may impose charges and fees on IOTA accounts, as described below:¹⁴

The following charges and fees have been defined as “reasonable” and are the only service charges or fees permitted to be deducted from interest earned on IOTA accounts. These service charges or fees may be deducted from IOTA account interest only at such rates and under such circumstances as is the financial institution’s customary practice for all its interest-bearing checking account customers:

- Per check charge.
- Per deposit charge.
- Fee in lieu of minimum balance.
- Federal deposit insurance fee.

Financial institutions also may recoup special costs for their participation in IOTA through deduction of a reasonable IOTA handling or administrative fee.¹⁵

2023 Amendments to Interest on Trust Accounts Rule

The Florida Bar’s Position

The Florida Bar petitioned the Court on October 3, 2022, to amend the IOTA rules. The stated goal of the proposed amendments was to “include all possible accounts that can be used as trust accounts” and “ensure the highest possible interest is available for IOTA accounts.”¹⁶ The net effect of these amendments would be to increase funding to the Bar’s legal aid funding organization, Funding Florida Legal Aid.

¹¹ It should be noted that the establishment of IOTA or IOLTA (Interest on Lawyers’ Trust Accounts as they are called in other states) was possible only after Congress made changes to federal banking laws in 1980 that allowed certain checking accounts to pay interest. On March 16, 2023, the Florida Supreme Court adopted amendments to *Rules Regulating the Florida Bar*, including provisions regulating trust fund accounts. The amendments:

- Expand the definition of an interest or dividend-bearing account to include a business or consumer deposit account, non-maturing deposit, an investment product, a daily financial institution repurchase agreement or a money market account.¹⁷
- Require eligible institutions to maintain IOTA accounts that pay the highest interest rate or dividend generally available from the institution to its non-IOTA business or consumer account customers when IOTA accounts meet or exceed the same minimum balance qualifications.¹⁸
- Mandate that eligible institutions tie minimum interest rates for IOTA accounts to the Wall Street Journal Prime Rate (indexed rate).¹⁹

The formula to determine interest rates and dividends based on the Wall Street Journal Prime Rate is described by the amendments as follows:

When the Wall Street Journal Prime Rate (“indexed rate”) is between 325 and 499 basis points (3.25% and 4.99%), the minimum interest rate paid net of all fees and service charges (“yield”) must be no less than 300 basis points (3.00%) below the indexed rate in effect on the first business day of each month. When the indexed rate is 500 basis points (5.00%) or above, the yield must be no less than 40% of the indexed rate in effect on the first business day of each month.²⁰

The Wall Street Journal Prime Rate is a lending rate.²¹ To establish this rate, the Wall Street Journal regularly surveys the 30 largest banks in the United States to determine what interest rate they are charging their customers with the highest-rated credit for short-term loans.²² When 75 percent of the 30 banks change their prime rate, the Wall Street Journal changes its rate.²³ As of March 5, 2025, the Wall Street Journal Prime Rate is 7.5 percent.²⁴

In a January 16, 2024, article published in the *Florida Bar News*, the amended rule was explained this way:

For instance, under the amended rule, when prime rate is between 3.25% and 5%, then the trust account rate banks pay out is between .25% and 2%, a 3% gain. After that the gains get even better for banks. At a 7% interest rate, for example, banks will pay out 2.8%, a 4.2% gain.²⁵

Another article explained the rule change in these terms:

As a result of this change, for a financial institution to be eligible to participate in the program, it must pay a minimum interest rate of 3.00% when the Wall Street Journal Prime Rate (index rate) is between 3.25% and 4.99%. When the index rate is above 5.00%, to stay eligible, financial institutions are required to pay a minimum interest rate equal to 40% of the index rate.²⁶

Florida Bankers Association's Challenge to the 2023 Rule Amendments

One criticism of the amended rule is that the Wall Street Journal Prime Rate is a benchmark for *lending purposes* and is not used to set *deposit* account interest rates. As a result, the interest rate is significantly higher than interest rates paid for other deposits.

The Florida Bankers Association (FBA) filed a motion for rehearing on March 31, 2023, stating that it did not receive adequate or meaningful notice of the proposed IOTA amendments.²⁷ The FBA contended that the amended rules, while admirable, would “have a significant and negative impact on participating banks” and go far beyond its intended purpose. The FBA argued that basing the interest rate for IOTA accounts on the Wall Street Journal’s Prime Rate would mean that the minimum interest paid on IOTA accounts would be significantly higher than any other interest rate offered by a bank on consumer or business accounts. The FBA also argued that the judicial branch had violated the separation of powers doctrine and encroached impermissibly on the executive branch’s power to regulate banks through the Office of Financial Regulation, the Department of Financial Services, and the Financial Services Commission.

The new rule became effective on May 15, 2023, and remains in effect. The Court allowed comments from interested parties until November 1, 2023, and directed The Florida Bar to file a report on the status of the implementation of the rules.

Negotiation Attempts Have Failed to Reach a Compromise

According to documents filed in the Florida Supreme Court, the Florida Bankers Association and The Florida Bar have attempted for months to reach a compromise rate that is agreeable to both parties. This has resulted in an impasse and no compromise has been reached.²⁸ On August 7, 2024, the Court denied the Florida Bankers Association for rehearing.

IOTA Data for Funding Florida Legal Aid

Amounts Received by FFLA From the IOTA Program

Funding Florida Legal Aid supplied the information below on remittances from the IOTA accounts. The fiscal year begins July 1 and ends June 30 of the following year.

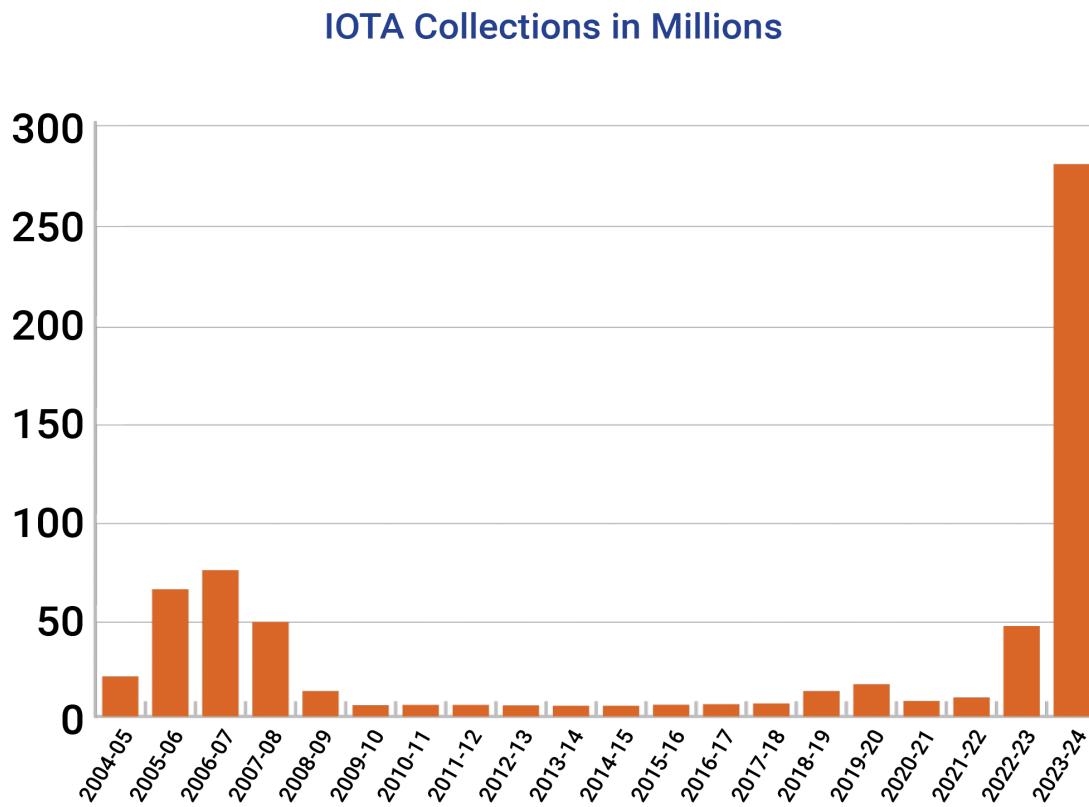

FY 2018-19	\$12,711,423
FY 2019-20	\$16,233,686
FY 2020-21	\$7,749,737
FY 2021-22	\$9,498,692
FY 2022-23	\$45,547,390
FY 2023-24	\$279,656,155

Information for FY 2024-25 is only partially complete. However, for remittances received from July 2024 through January 2025, FFLA reports total receipts of \$155,378,419.²⁹ It is significant to note that the IOTA collections increased by \$234,108,765 between fiscal year 2022-23 and fiscal year 2023-24 due to the newly implemented funding formula authorized by the Supreme Court in May 2023 for the benefit of the Foundation.³⁰

Receipts and Disbursements by Funding Florida Legal Aid

Funding Florida Legal Aid received \$279,656,155 in IOTA collections for the fiscal year ending June 30, 2024. The Court granted FFLA's request to distribute \$94,832,278 to qualified organizations and place the remaining \$142,875,455 in reserve for the benefit of present and future organizations. The Court found the proposed distribution and additional reserve amount was reasonably prudent to promote stability in distribution of IOTA funds. According to the Court's administrative order, this represents a 145 percent increase over the previous year's distribution.³⁸

Trust Account Programs in Other States

According to the American Bar Association (ABA), interest paid on trust account programs, sometimes called IOLTA, or Interest on Lawyers' Trust Accounts, are found in all 50 states, Washington, D.C., Puerto Rico, and the U.S. Virgin Islands. The ABA estimates that, since 1981, these programs have generated over \$4 billion to fund legal services for people living in poverty, often through legal aid and pro bono programs.³⁹ According to the Foundation, most states that have a safe harbor rate, have rates that range from 50 - 55 percent of the Federal Funds Target Rate(FFR) up to one percent of the FFR.⁴⁰ The programs in Texas and Georgia are described below.

Texas

In Texas, the Access to Justice Foundation administers the IOLTA program, which was established in 1984 by the Supreme Court of Texas.⁴¹ As of July 1, 1989, all Texas attorneys handling qualifying client funds must establish an IOLTA account, unless a low balance exempts them.⁴² Pursuant to the Supreme Court of Texas, attorneys must hold IOLTA accounts in eligible banks, which are those that pay interest rates comparable to other similar situated accounts. The attorney, or law firm, establishing the interest-bearing demand account, must attempt in good faith to obtain a rate of interest payable on the account not less than the rate paid by the depository institution to other depositors with accounts of similar size.⁴³ A higher rate offered by the institution on deposits meeting certain time requirements or minimum amounts, such as those offered in the form of certificates of deposit, may be obtained if there is no impairment of the right to withdraw or transfer principal immediately, other than the statutory notification

requirements generally applicable to those accounts, even though interest may be lost because of the withdrawal or transfer.⁴⁴

Georgia

Pursuant to the Georgia Supreme Court rules, the Georgia Bar Foundation administers the IOLTA program.⁴⁵ On any IOLTA account, the rate of interest payable may not be less than:

- The highest interest rate or dividend generally available from the approved institution to its non-IOLTA customers for each IOLTA account that meets the same minimum balance or other eligibility qualifications, if any. In determining the highest interest rate or dividend generally available from the institution to its non-IOLTA customers, the institution may consider factors, in addition to the IOLTA account balance, customarily considered by the institution when setting interest rates or dividends for its customers if such factors do not discriminate between IOLTA accounts and accounts of non-IOLTA customers; or
- Alternatively, an institution may choose a rate equal to the greater of 0.65% per annum or a benchmark interest rate, net of allowable reasonable fees, set by the Foundation, which shall be expressed as a percentage (index) of the federal funds target rate, as established from time to time by the Federal Reserve Board. In order to maintain an overall comparable rate, the Foundation will periodically, but not less than annually, publish its index. The index shall initially be 65 percent of the federal funds target rate.
- Approved institutions may choose to pay rates higher than comparable rates discussed above.⁴⁶

Chief Financial Officer

The State Constitution provides that the Chief Financial Officer (CFO) serves as the chief fiscal officer of the state. The CFO is a member of the cabinet and is responsible for settling and approving accounts against the state and keeping all state funds and securities.⁴⁷ The CFO serves as the head of the Department of Financial Services (DFS).⁴⁸

Additionally, the CFO is required by statute to set the rate of interest that will be payable on judgments or decrees for the calendar quarter beginning January 1 each year. The CFO must adjust the rate quarterly on April 1, July 1, and October 1, by averaging the discount rate of the Federal Reserve Bank of New York for the preceding 12 months, then adding 400 basis points to the average federal discount rate.⁴⁹ As of January 1, 2025, the annual interest rate is 9.38 percent.⁵⁰

The Financial Services Commission (commission) is composed of the Governor, the Attorney General, the CFO, and the Commissioner of Agriculture.⁵¹ Commission members serve as the agency head for purposes of rulemaking under ch. 120, F.S.⁵² The Office of Financial Regulation (OFR) and the Office of Insurance Regulation (OIR)⁵³ are units under the commission.⁵⁴ Each director or commissioner of the OIR and OFR, respectively, is the agency head for purposes of final agency action under chapter 120, F.S., for all areas within the regulatory authority delegated to the director's office.⁵⁵

Although the commission is created within the DFS, the commission is not subject to the control, supervision, or direction by the DFS in any manner, including purchasing, transactions involving real or personal property, personnel, or budgetary matters.⁵⁶ Further, the DFS is required to provide administrative and information systems support to the offices.⁵⁷

State and Federal Regulation of Financial Institutions

The OFR regulates state-chartered banks, credit unions, other financial institutions, finance companies, and the securities industry.⁵⁸ The Division of Financial Institutions within OFR charters, licenses, and regulates various entities that engage in financial institution business in Florida, in accordance with the Financial Institutions Code.⁵⁹

Under the dual banking system in the United States, banks may be chartered under either state or federal law:

- *State-chartered banks*⁶⁰ are chartered under the laws of the state in which the bank is headquartered. State-chartered banks have both a state regulator, which for banks chartered by the state of Florida is the OFR, and a federal regulator. The primary federal regulator for state banks that are members of the Federal Reserve System is the Board of Governors of the Federal Reserve System, and the primary federal regulator for non-member state banks is the Federal Deposit Insurance Corporation.⁶¹

⁵² Section 20.121(3)(c), F.S.

⁵³ Pursuant to s. 20.121(3)(a)1., F.S., the OIR is responsible for all activities concerning health maintenance organizations, life and health insurers, property and casualty insurers, and other risk-bearing entities, including licensing, rates, policy forms, market conduct, claims, issuance of certificates of authority, solvency, viatical settlements, premium financing, and administrative supervision, as provided under the Florida Insurance Code.

⁶⁰ Like banks, credit unions can be organized under a state or federal charter. The National Credit Union Administration is an independent federal agency that insures deposits at federally insured credit unions, protects the members who own credit unions, and charters and regulates federal credit unions. 12 U.S.C. § 1753.

⁶¹ 12 U.S.C. § 1813(q).

- *National banks*⁶² are chartered by the Office of the Comptroller of the Currency (OCC) under the National Bank Act.⁶³ As such, the OCC is the primary federal regulator for national banks.⁶⁴

A trust company is a business organization, other than a bank, which is authorized by lawful authority to engage in the business of acting as a fiduciary.⁶⁵ Trust companies are chartered by states, and the state regulator for trust companies chartered by the state of Florida is the OFR. Trust companies do not have a federal regulator.

III. Effect of Proposed Changes:

The bill establishes the interest rate that financial institutions must provide when paying interest or dividends on a lawyer or law firm trust account in which the interest or dividends are remitted to an entity established by the Florida Supreme Court that facilitates free legal services to low-income people or a program that is consistent with other court-authorized purposes. A financial institution that holds such a trust account must pay the highest interest rate or dividend that is generally available to its comparable business or consumer accounts or nonmaturing deposit accounts if the trust account meets or exceeds the same minimum balance or other account requirements, but the interest rate on trust accounts must be at least 0.25 percent.

The financial institution must submit a rate validation sheet and affidavit to the Chief Financial Officer by the tenth day of each quarter attesting that it will pay at least the same interest on the trust accounts that it pays on comparable business or consumer accounts or nonmaturing deposit accounts or the minimum of 0.25 percent. The affidavit must attest that the rate information submitted on the rate validation sheet is true and factual. The Chief Financial Officer must verify that the rate validation sheet and affidavit have been received by the Department of Financial Services.

These rate alternatives do not apply to interest rates that have been established by written contracts or obligations unrelated to the trust accounts described in this bill.

The bill takes effect upon becoming law.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

⁶² National banks are authorized to exercise “all such incidental powers as shall be necessary to carry on the business of banking; by discounting and negotiating promissory notes, drafts, bills of exchange, and other evidences of debt; by receiving deposits; by buying and selling exchange, coin and bullion; by loaning money on personal security; and by obtaining, issuing, and circulating notes.” 12 U.S.C. § 24 (Seventh).

⁶³ 12 U.S.C. § 38.

⁶⁴ 12 U.S.C. § 1813(q).

⁶⁵ Section 658.12(20) and (21), F.S.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:**Separation of Powers**

The State Constitution divides the powers of state government into three branches: the legislative, executive, and judicial branches. The Constitution prohibits a person in one branch from exercising any powers that belong to the other two branches of government unless it is expressly provided.⁶⁶

The Florida Supreme Court, under s. 15 of Article V of the State Constitution, has the “exclusive jurisdiction to regulate the admission of persons to the practice of law and the discipline of persons admitted.” The Supreme Court exercises this responsibility through The Florida Bar and its rules. If the bill is determined to be a regulation of attorneys or the practice of law, it may be declared unconstitutional.

Federal Preemption/Regulation of Federally Chartered Financial Institutions

The bill creates s. 655.97, F.S., within the Financial Institutions Code (code).⁶⁷ The code generally applies to the regulation of state-chartered financial institutions by the Office Financial Regulation. The provisions of the bill require any financial institutions holding a trust account of a lawyer or law firm to select an interest rate option prescribed in the bill and submit rate validation sheet and affidavit to the Chief Financial Officer (CFO). Chapter 17, F.S, prescribes the duties of the CFO.

The National Banking Act was enacted by Congress to facilitate a national banking system.⁶⁸ The Office of the Comptroller of the Currency is the federal agency charged with regulating national banks and savings associations.⁶⁹ The National Credit Union Administration is an independent federal agency that insures deposits at federally insured credit unions, protects the members who own credit unions, and charters and regulates federal credit unions. It is unclear whether the regulation of rates of interest on trust

⁶⁹ 12 USC s. 1 *et seq.*

accounts within the code would be applicable to federally chartered financial institutions, such as national banks, savings associations, or credit unions.

The U.S. Supreme Court has reviewed the federal constitutional foundations of the national banking system, and reaffirmed that national bank powers are not normally limited by state law.⁷⁰ The Court concluded that “where Congress has not expressly conditioned the grant of ‘power’ upon a grant of state permission, the Court has ordinarily found that no such condition applies.”⁷¹ Further, in another case, the Court concluded, “We find no indication that Congress intended to make this phase of national banking [deposit-taking] subject to local restrictions, as it has done by express language in several other instances.”⁷²

If the bill is determined to be a regulation of financial institutions, The Florida Bar may be required to revise its rules governing the obligations of attorneys to establish IOTA accounts or the eligibility of financial institutions to participate in the IOTA program. However, federal law may preempt the application of the bill to the regulation of federally chartered financial institutions. The OFR does not have primary regulatory authority over nationally chartered institutions.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

The bill provides that state chartered financial institutions must pay a certain interest rate or dividend on trust accounts where the interest is remitted to an entity established by the state Supreme Court for the purposes of providing legal aid or for other purposes authorized by the state Supreme Court. Such interest rates will result in the financial institution not providing an interest rate that meets the higher interest rate required by the Florida Bar Rules for attorneys. As a result, financial institutions participating in the program may see greater profits under this bill, be able to pay higher interest rates to other customers, or charge lower fees for services. In contrast, Funding Florida Legal Aid will likely see a significant reduction in the interest revenue it receives to fund its legal aid programs, and other authorized programs.

The minimum interest rate of 0.25 percent provided in the bill will be one of the lowest of all states. According to the FFLA,⁷³ the proposed minimum safe harbor rate that was

Nelson*, 517 U.S. 25, 32 (1996) (the history of the legal concept of national bank powers “is one of interpreting grants of both enumerated and incidental “powers” to national banks as grants of authority not normally limited by, but rather ordinarily preempting, contrary state law.). contained in the CS/SB 498 (25 percent of the Federal Funds Target Rate or FFR or 0.25 percent, whichever is higher, net of fees) was the lowest in the country. Most states who have safe harbor plans have rates that range from .55 or 55% to up to 1.00 percent of the FFR.⁷⁴ The state with the lowest safe harbor rate, Pennsylvania, provides a safe harbor rate of .50 percent of the FFR.⁷⁵

The “federal funds target rate” is the interest rate that commercial banks charge one another for short-term loans or the interest rate that banks use to borrow or lend their excess reserves to one another overnight to meet the reserve balance requirements.⁷⁶ As of March 19, 2025, the Federal Open Market Committee of the Federal Reserve has not changed the federal funds target rate, and it remains at 4.25 percent to 4.50 percent.⁷⁷

C. Government Sector Impact:

Indeterminate. The financial institution filings submitted to the CFO under this bill could be subject to OFR review during the normal course of a state-chartered financial institution examination. This would be similar to the current practice of OFR collecting and examining DFS pledge worksheets completed by institutions relating to public deposits. However, the OFR does not have primary regulatory authority over nationally chartered institutions.⁷⁸

VI. Technical Deficiencies:

The bill requires the Chief Financial Officer to verify that the rate validation sheet and affidavit, which are submitted by financial institutions, have been received by the Department of Financial Services. It is unclear whether the Legislature can regulate federally chartered financial institutions, which are not subject to regulation by the Office of Financial Regulation (OFR). Further, the CFO does not appear to have regulatory jurisdiction of state-chartered financial institutions, which is under the jurisdiction of the OFR.

It is unclear what the penalty is for a financial institution that does not timely file a rate validation sheet and affidavit. It is unclear what specific information would be required on the “rate validation sheet.”

The bill does not provide the Financial Services Commission with authority to adopt rules or forms to implement these reporting requirements. It is unclear whether the Department of Financial Services has the authority to adopt rules that apply to state-chartered financial institutions regulated under ch. 655, F.S.

VII. Related Issues:

In the event the Supreme Court declined to amend Rule 5-1.1(g) in accordance with the bill, it is unclear whether attorneys would still be subject to disciplinary action for failing to follow Florida Bar Rules and establishing trust accounts with a financial institution paying lower interest pursuant to the bill.

It is possible that the effect of the bill may be to require the use of federally chartered financial institutions for IOTA accounts. The bill limits the interest that state-chartered financial institutions may offer on ITOA accounts. If such limitations are not in compliance with the requirements of the Rules Regulating the Florida Bar, then attorneys would need to maintain such accounts in federally chartered financial institutions, which generally are not subject to the requirements of ch. 655, F.S.

VIII. Statutes Affected:

This bill creates section 655.97 of the Florida Statutes.

IX. Additional Information:**A. Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)**CS/CS by Banking and Insurance on March 31, 2025:**

The CS provides the following changes:

- Revises the interest rate a financial institution must pay on a trust account of a lawyer or law firm by providing that a financial institution must pay the highest interest rate or dividend that is generally available to its comparable business or consumer accounts or nonmaturing deposit accounts if the trust account meets or exceeds the same minimum balance or other account requirements, however, the interest rate on such trust accounts must be at least 0.25 percent;
- Eliminates the role of the Chief Financial Officer in establishing interest rates on such trust accounts; and
- Revises reporting requirements, relating to the interest rate selection and rate validation sheet and affidavit, for financial institutions.

CS by Judiciary on March 12, 2025:

The committee substitute differs from the underlying bill by:

- Removing references to Interest on Trust Account programs and Funding Florida Legal Aid.
- Requiring the institutions that choose the first interest rate alternative program submit an affidavit to the Chief Financial Officer in addition to the rate validation sheet.
- Clarifying that the Chief Financial Officer sets the interest rate only on the second interest rate alternative, not both interest rate alternatives.
- Clarifying that the bill is a regulation of financial institutions and is not a regulation of The Florida Bar.

 60 Financial Officer for interest paid on court judgments, NOW,
 61 THEREFORE,

62 Be It Enacted by the Legislature of the State of Florida:

63 Section 1. Section 655.97, Florida Statutes, is created to
 64 read:

65 655.97 Lawyer or law firm trust account interest rates.—
 66 (1) A financial institution may hold funds in an interest-
 67 bearing trust account of a lawyer or law firm in which the
 68 institution remits interest or dividends on the balance of the
 69 deposited funds to an entity established by the Supreme Court
 70 for the purpose of providing or facilitating the provision of
 71 free legal services to low-income individuals or for other
 72 purposes authorized by the Supreme Court. If the institution
 73 holds such an account, it must quarterly select one of the
 74 following interest rate alternatives to determine the interest
 75 it will pay to the entity established by the Supreme Court:

76 (a) The first interest rate alternative must be set at the
 77 highest interest rate or dividend generally available from the
 78 institution to its comparable business or consumer accounts or
 79 nonmaturing deposit accounts, provided that the trust account
 80 meets or exceeds the same minimum balance or other account
 81 requirements.

82 1. If a financial institution chooses to pay the rate
 83 alternative provided in this paragraph, it must submit a rate
 84 validation sheet and affidavit to the Chief Financial Officer by
 85 the tenth day of each quarter attesting that it will pay at

 89 that it is paying on its comparable business or consumer
 90 accounts or nonmaturing deposit accounts.

91 2. The affidavit must attest that the rate information
 92 submitted on the rate validation sheet is true and factual.

93 3. The Chief Financial Officer shall verify that the rate
 94 validation sheet and affidavit have been received by the
 95 Department of Financial Services.

96 (b) The second interest rate alternative must be set at 25
 97 percent of the federal funds target rate determined by the
 98 Federal Open Market Committee of the Federal Reserve System or
 99 0.25 percent, whichever is higher, net of fees.

100 1. Each December 1, March 1, June 1, and September 1, the
 101 Chief Financial Officer shall determine the interest rate of the
 102 second interest rate alternative. The rate alternative
 103 determined by the Chief Financial Officer is effective on the
 104 following January 1, April 1, July 1, and October 1,
 105 respectively.

106 2. Within 3 days after determining the interest rate under
 107 this paragraph, the Chief Financial Officer shall inform the
 108 entity established by the Supreme Court of the determined
 109 interest rate for the upcoming quarter.

110 (2) This section does not apply to interest rates
 111 established by written contract or obligations unrelated to the
 112 trust accounts described by this section.

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 924 requires all contracted state group health insurance plans issued on or after January 1, 2026, to provide coverage, consistent with the laws of this state, for standard fertility preservation services to individuals undergoing cancer treatments that may result in iatrogenic infertility. The bill provides that standard fertility preservation services include the costs associated with the retrieval and preservation of sperm and oocyte materials that are consistent with nationally recognized clinical practice guidelines and definitions.

The bill prohibits a state group health insurance plan from imposing any preauthorization requirements.

The bill will have a negative impact on state revenues and expenditures. See Section V, Fiscal Impact on Public Sector.

The bill provides an effective date of July 1, 2025.

II. Present Situation:

Medical Treatments and Conditions Effecting Fertility

Infertility can be caused by many different things.¹ Numerous medical treatments may affect fertility or cause infertility in men and women; additionally, some individuals face potential infertility due to different medical conditions.

Men and women's fertility can be negatively impacted by necessary surgeries that cause damage or scaring, or that remove certain necessary reproductive organs or tissues. Medications have also been linked to infertility, such as those used to treat certain anti-inflammatory and autoimmune diseases, some steroids, and other various prescription drugs.²

Cancer Specific

Infertility is often a side effect of life-saving cancer treatments like chemotherapy and radiation. Moreover, surgeries necessary to remove cancerous tissues and other cancer treating medications, such as hormone therapies, can affect a patient's fertility. The effects can be temporary or permanent. The likelihood that cancer treatment will harm fertility depends on the type and stage of cancer, the type of cancer treatment, and age at the time of treatment.³

Fertility Preservation Services

Fertility preservation is the practice of proactively helping patients to preserve their chances for future reproduction.⁴ Fertility preservation saves and protects embryos, eggs, sperm, and reproductive tissues to enable an individual to have a child sometime in the future. It is an option for adults and even some children of both sexes. Fertility preservation is common in people whose fertility is compromised due to health conditions or diseases (medically indicated preservation) or when someone wishes to delay having children for personal reasons (elective preservation).⁵ Medically indicative preservation is available to individuals affected by cancer, autoimmune disease, and other reproductive health conditions; as well as those facing medical treatments that may cause infertility.⁶

For female patients, fertility preservation comprises retrieval, cryopreservation, and storage of ova, but the patient will still require in vitro fertilization (IVF) services in the future.⁷ The cost of a fertility preservation cycle can be expensive, since the average procedure costs of one cycle of oocyte cryopreservation or embryo cryopreservation, excluding storage costs, are \$10,000-\$15,000 and \$11,000-\$15,000, respectively.⁸ Estimates for medication are generally \$3,500 to \$6,000.⁹ Further, storage is an additional cost of \$700-\$1,000 per year.¹⁰ For men, fertility preservation options cost in the range of \$500- \$12,000, excluding storage costs.¹¹ The high cost of fertility preservation services and lack of insurance coverage are often cited as reasons for the low utilization of fertility preservation services.¹² In 2024, there were 16 states with insurance mandates for fertility preservation, including California, Colorado, Connecticut, Delaware, Illinois, Kentucky, Louisiana, Maine, Maryland, Montana, New Hampshire, New Jersey, New York, Rhode Island, Texas, and Utah.¹³

In 2024, the American Society for Clinical Oncology (ASCO) updated their fertility preservation recommendations for people with cancer.¹⁴ The ASCO evidence-based clinical guidelines included the following recommendations:

- For females, established fertility preservation should be offered, including embryo, oocyte, ovarian tissue cryopreservation, ovarian transposition, and conservative gynecologic surgery. In vitro maturation of oocytes may be offered as an emerging method. Post treatment fertility preservation may be offered to individuals who did not undergo pretreatment fertility preservation or cryopreserve enough oocytes or embryos.
- For males, sperm cryopreservation should be offered before cancer-directed treatment. Other alternative treatments are recommended.
- For children who have begun puberty, established FP methods should be offered with patient assent and parent/guardian consent. The only established method for prepubertal females is ovarian tissue cryopreservation.

The ASCO guidelines note that the live birth rate for women having the procedures varies, as described below:

- Embryo cryopreservation, 35-41 percent;
- Oocyte cryopreservation, 26-32 percent;

State Employee Health Plan

For state employees who participate in the state employee benefit program, the Department of Management Services (DMS) through the Division of State Group Insurance (DSGI) administers the state group health insurance program (Program).¹⁵ The program is a cafeteria plan managed consistent with section 125 of the Internal Revenue Service Code.¹⁶ The program is an optional benefit for most state employees employed by state agencies, state universities, the court system, and the Legislature. The program provides health, life, dental, vision, disability, and other supplemental insurance benefits. To administer the program, DSGI contracts with third party administrators for self-insured plans, a fully insured HMO, and a pharmacy benefits manager for the state employees' self-insured prescription drug program, pursuant to s. 110.12315, F.S. The DSGI, with prior approval by the Legislature, is responsible for determining the health benefits provided and the contributions to be required for the program.¹⁷ To achieve the "prior approval" aspect, the Legislature directs the benefits to be offered each year in the general appropriations act. For example, in the 2024-2025 General Appropriations Act, the Legislature directed:

For the period July 1, 2024, through June 30, 2025, the benefits provided under each of the plans shall be those benefits as provided in the current State Employees' PPO Plan Group Health Insurance Plan Booklet and Benefit Document, and current Health Maintenance Organization contracts and benefit documents, including any revisions to such health benefits approved by the Legislature.¹⁸

Coverage for Fertility Treatments¹⁹

Currently, the Program only provides coverage for tests to determine the cause of infertility and the treatment of medical conditions resulting in infertility, excluding fertility tests and treatments considered experimental or investigational. The Program does not provide coverage for fertility testing and treatment for the specific purpose to assist in achieving pregnancy, including IVF, artificial insemination, follicle puncture for retrieval of oocyte, abdominal or endoscopic aspiration of eggs from ovaries, all other procedures related to the retrieval and/or placement and/or storage of oocyte, eggs, embryos, ovum or embryo placement or transfer, gamete intrafallopian transfer, cryogenic and/or other preservation techniques used in such and/or similar procedures.

Health Insurance Premiums and Revenues

The health insurance benefit for active employees has premium rates for single, spouse program,²⁰ or family coverage regardless of plan selection. These premiums cover both medical and pharmacy claims. Over 193,000 active and retired state employees and officers are expected to participate in the health insurance program during Fiscal Year 2025-2026.²¹ The estimated total revenues expected for FY 2024-25 is over \$3.75 billion with an over \$4.1 billion expected cash balance. Total expenses expected for FY 2024-25 is \$3.9 billion.²²

III. Effect of Proposed Changes:

Section 1 amends 110.12303, F.S., to expand coverage under the state employee health insurance plan for policies or contracts issued on or after January 1, 2026, to include coverage for standard fertility preservation services, consistent with the laws of this state, when cancer treatments may cause directly or indirectly iatrogenic infertility.

Iatrogenic infertility is defined as the impairment of fertility directly or indirectly caused by surgery, chemotherapy, radiation, or other medical necessary treatment with a potential side effect of impaired fertility as established by the American Society for Clinical Oncology.

The term, “standard fertility retrieval and preservation services,” is defined as oocyte and sperm retrieval and preservation procedures, including ovarian tissue, sperm, and oocyte cryopreservation, which are consistent with nationally recognized clinical practice guidelines and definitions. Such coverage includes the cost of retrieval and storage of such material for up to three years from the date of the procedures presenting a risk of iatrogenic infertility or when the individual is no longer covered under the state group health insurance plan, whichever occurs first.

The bill prohibits state group health insurance plans from requiring preauthorization for coverage of standard fertility preservation procedures. The coverage, however, may still be limited by provisions relating to maximum benefits, deductibles, copayments, and coinsurance.

Section 2 provides that the bill takes effect July 1, 2025.

²⁰ The Spouse Program provides discounted rates for family coverage when both spouses work for the state.

IV. Constitutional Issues:**A. Municipality/County Mandates Restrictions:**

Not applicable. The mandate restrictions do not apply because the bill does not require counties and municipalities to spend funds, reduce the authority that counties or municipalities have to raise revenue in the aggregate, or reduce the percentage of state tax shared with counties and municipalities.

B. Public Records/Open Meetings Issues:

None identified.

C. Trust Funds Restrictions:

None identified.

D. State Tax or Fee Increases:

None identified.

E. Other Constitutional Issues:

None identified.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

None identified.

B. Private Sector Impact:

The coverage of fertility preservation services will allow eligible individuals covered by the Program to obtain fertility preservation services without incurring significant out-of-pocket costs that may exceed \$15,000 or more per fertility preservation cycle.

The inclusion of coverage for fertility preservation services with cost sharing restrictions may positively impact physicians who will likely see an increased demand for their services as well as collateral and ancillary medical supports such as medical facilities that would store oocytes and sperm.

C. Government Sector Impact:²³

The bill has a negative impact on state revenues and expenditures. The DSGI within the DMS administers the Program. The DMS estimated the total annual fiscal impact of

²³ Department of Management Services, *Analysis of CS/SB 924* (Mar. 28, 2025) (on file with the Florida Senate Committee on Banking and Insurance). Committee Staff have requested an updated fiscal analysis of CS/CS/SB 924.

CS/SB 924 as \$3,200,000. CS/CS/SB 924 narrowed the coverage to medically necessary expenses relating to standard fertility preservation services when *cancer treatments* may cause iatrogenic infertility. Actual costs could, however, vary widely based on actual member utilization and the necessary level of utilization. The bill does not provide guidance regarding what age groups, such as children or adults, would be eligible for such coverage under the bill.

The bill prohibits the plans from imposing any preauthorization for these services, therefore, the ability for plans to verify a member's eligibility, including diagnosis and treatment, may be limited. The DMS expressed concern that the list of services provided may be broader than intended, noting that if the list of services or the services provided are broader than anticipated, the fiscal impact will increase. Most of the plans can implement this legislation without issue as they currently offer standard fertility preservation options for other entities. One contracted group indicated that this would be a new benefit that could require system coding.

VI. Technical Deficiencies:

The bill does not define what age groups, children or adults, would be eligible for such coverage. The comprehensive list of services, procedures, medications, or diagnostic tests are intended to be covered by the bill is unknown. There are multiple procedure codes associated with fertility preservation.²⁴

The definition of the term, “iatrogenic fertility,” means an impairment of fertility caused by specified treatments or procedures or “other associated medically necessary treatment with a potential side effect of impaired fertility as established by the American Society for Clinical Oncology.” However, coverage of standard fertility preservation services under s. 110.12303(7)(b), F.S., must be consistent with “nationally recognized clinical practice guidelines and definitions.” Section 110.12303(7)(d)3., F.S., creates a definition of the term, “standard fertility retrieval and preservation services,” and provides that the services must be consistent with “nationally recognized clinical guidelines and definitions.” To provide consistency and greater specificity in the bill, the undesignated guidelines and definitions could be replaced with guidelines established by the American Society for Clinical Oncology.

The bill replaces the defined term, “standard fertility preservation services,” with the defined term, “standard fertility retrieval and preservation services;” however, the term, “standard fertility preservation services,” is still used in the bill at lines 24-25 and 27.

VII. Related Issues:

The prohibition on the use of prior authorization by insurers or HMOs may result in an insurer or HMO subsequently denying some claims or portions of claims due to a lack of medical necessity, use of medications not covered by a plan, or use of an out-of-network provider or

The guide identifies 23 CPT Codes (Current Procedure Terminology codes) associated with fertility preservation services and procedures.

facility, which may result in the insured being held liable for the costs of any denied claims for services rendered by a provider.

VIII. Statutes Affected:

This bill substantially amends section 110.12303 of the Florida Statutes.

IX. Additional Information:

A. Committee Substitute – Statement of Substantial Changes:

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS/CS by Banking and Insurance on March 31, 2025:

- Clarifies that coverage for standard fertility preservation services must be consistent with the laws of this state;
- Revises coverage of medically necessary expenses related to standard fertility preservation service to apply when cancer treatments may cause iatrogenic infertility;
- Revises definition of the term, “iatrogenic infertility,” by revising treatment guidelines referenced in the definition of the term; and
- Eliminates the definition of the term, “standard fertility preservation services,” and creates a definition of the term, “standard fertility retrieval and preservation services” to clarify coverage.

CS by Governmental Oversight and Accountability on March 11, 2025:

- Clarifies that coverage for fertility preservation services for an individual under the state group health insurance plan facing iatrogenic is not limited to those diagnosed with cancer;
- Deletes references to reproductive age and the American Society of Clinical Oncology;
- Provides for the expiration of coverage of the cost of storage when an individual is no longer covered under the state health insurance plan;
- Conforms standards of procedures and storage to nationally recognized clinical practice guidelines and definitions; and
- Defines nationally recognized clinical practice guidelines and definitions.

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 1206 reduces the insurance requirement that applies when a transportation network company driver is engaged in a prearranged ride, but the rider is not in the vehicle. Current coverage required during the entire prearranged ride is \$1 million, per accident for death, bodily injury, and property damage. The bill modifies this requirement for the portion of a prearranged ride in which the rider does not occupy the vehicle to \$50,000 for bodily injury or death per person, \$100,000 for bodily injury or death per incident, and \$25,000 for property damage. This coverage is the same insurance obligation that applies when a TNC driver is logged on to the application but is waiting to be connected to a rider for a prearranged ride.

The insurance requirement for when a TNC driver is engaged in a prearranged ride and the rider is in the vehicle is unchanged at \$1 million, per accident for death, bodily injury, and property damage.

The bill requires the TNC to maintain the required insurance coverage unless the TNC driver maintains a policy that does not exclude the required insurance coverage, rather than requiring the TNC to maintain such coverage only if the TNC driver does not maintain the required coverage.

The bill is effective July 1, 2025.

II. Present Situation:

Transportation Network Companies (TNCs)

Transportation network companies (TNCs) are businesses that use a digital network to connect riders with drivers who provide prearranged rides.¹ Examples of TNCs include Uber and Lyft. Chapter 627.748, F.S., governs the operation of TNCs, including their insurance coverage requirements.

A “TNC vehicle” is defined as a vehicle that is used by a TNC driver to offer or provide a prearranged ride and is owned, leased, or otherwise authorized to be used by the TNC driver. A vehicle that is let or rented to another for consideration may be used as a TNC vehicle. A taxicab or jitney is not a TNC vehicle.²

Statute also defines the term “prearranged ride” as the provision of transportation by a TNC driver to a rider, beginning when a TNC driver accepts a ride requested by a rider through a digital network³ controlled by a TNC, continuing while the TNC driver transports the requesting rider, and ending when the last requesting rider departs from the TNC vehicle. The term does not include a taxicab, for-hire vehicle, or street hail⁴ service and does not include ridesharing,⁵ carpool,⁶ or any other type of service in which the driver receives a fee that does not exceed the driver's cost to provide the ride.⁷

TNC Coverage Requirements

Current law requires a TNC driver, or a TNC on behalf of the TNC driver, to maintain auto insurance that recognizes the TNC driver as a TNC driver or an individual who uses the vehicle to transport riders for compensation and covers the TNC driver while the TNC driver is logged on to the digital network or engaged in a prearranged ride.⁸ Different insurance requirements apply for these two scenarios. The required coverage is significantly higher for TNC drivers engaged in a prearranged ride.

¹ Section 627.748(1)(e), F.S.

² Section 627.748(1)(h), F.S.

³ “Digital network” is defined as any online-enabled technology application service, website, or system offered or used by a TNC which enables the prearrangement of riders with TNC drivers. Section 627.748(1)(a), F.S.

⁴ “Street hail” is defined as an immediate arrangement on a street with a driver by a person using any method other than a digital network to seek immediate transportation. Section 627.748(1)(d), F.S.

⁵ Section 341.031(9)(a), F.S., defines “ridesharing” as an arrangement between persons with a common destination, or destinations, within the same proximity, to share the use of a motor vehicle on a recurring basis for round-trip transportation to and from their place of employment or other common destination. For purposes of ridesharing, employment shall be deemed to commence when an employee arrives at the employer's place of employment to report for work and shall be deemed to terminate when the employee leaves the employer's place of employment, excluding areas not under the control of the employer. However, an employee shall be deemed to be within the course of employment when the employee is engaged in the performance of duties assigned or directed by the employer, or acting in the furtherance of the business of the employer, irrespective of location.

⁶ Section 450.28(3), F.S., defines “carpool” as an arrangement made by the workers using one worker's own vehicle for transportation to and from work and for which the driver or owner of the vehicle is not paid by any third person other than the members of the carpool.

⁷ Section 627.748(1)(b), F.S.

⁸ Section 627.748(7)(a), F.S.

The following coverage requirements apply while a TNC driver is logged on to the digital network but not engaged in a prearranged ride:⁹

- Primary automobile liability coverage of at least \$50,000 for death and bodily injury per person, \$100,000 for death and bodily injury per incident, and \$25,000 for property damage.
- Personal injury protection benefits that meet the minimum coverage amounts required under sections 627.730-627.7405, F.S.¹⁰
- Uninsured and underinsured vehicle coverage as required by section 627.727, F.S.¹¹

Current law applies the following coverage requirements while a TNC driver is engaged in a prearranged ride, both when connected to a rider but the rider is not yet in the vehicle and when the rider is in the vehicle:¹²

- A primary automobile liability coverage of at least \$1 million for death, bodily injury, and property damage.
- Personal injury protection meeting the minimum coverage amounts required for a limousine under 627.730-627.7405, F.S.
- Uninsured and underinsured vehicle coverage as required by section 627.727, F.S.

Current law provides if the TNC driver's insurance has lapsed or does not provide the required coverage, the TNC must maintain insurance that provides the required coverage and has a duty to defend such claim.¹³

III. Effect of Proposed Changes:

Section 1 of the bill lowers minimum coverage requirements currently applicable to TNC drivers who are logged onto the digital network but do not have a rider in their vehicle. In other words, the TNC driver is connected to the application for a ride and the TNC driver is en route to the rider's location.

Current coverage required is \$1 million, per accident for death, bodily injury, and property damage, regardless of whether a rider is occupying the vehicle. The bill reduces this requirement to \$50,000 for bodily injury or death per person, \$100,000 for bodily injury or death per incident, and \$25,000 for property damage. This coverage is the same insurance obligation that applies when a TNC driver is logged on to the application but is waiting to be connected to a rider for a prearranged ride.

The minimum coverage required for TNC drivers engaged in a prearranged ride with a rider in their vehicle remains unchanged.

Rather than require the TNC to maintain the required insurance coverage only if the TNC driver does not provide the coverage, the bill shifts the burden and requires the TNC to maintain the

⁹ Section 627.748(7)(b), F.S.

¹⁰ Sections 627.730-627.7405, F.S., are the "Florida Motor Vehicle No-Fault Law." The law requires Florida motor vehicle owners to maintain Personal Injury Protection (PIP) insurance coverage.

¹¹ Section 627.727, F.S., provides uninsured and underinsured vehicle coverage requirements for all motor vehicle liability policies issued in Florida.

¹² Section 627.748(7)(c), F.S.

¹³ Section 627.748(7)(d), F.S.

required coverage unless the TNC driver maintains a policy that does not exclude the required coverage. The bill maintains current law that requires the TNC to provide the required insurance coverage if the TNC driver's insurance lapses.

Section 2 of the bill provides an effective date of July 1, 2025.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

TNC networks may pay reduced insurance premiums, which may possibly be passed onto consumers or to the compensation received by TNC drivers.

Persons that incur bodily injuries or property damage caused by an at-fault TNC driver who is on the way to pick up a rider will have reduced ability to receive compensation for their damages.

C. Government Sector Impact:

None.

VI. Technical Deficiencies:

In describing the insurance coverage that must be maintained by the TNC unless the driver maintains coverage that does not exclude the required insurance coverage, the bill should include “TNC” before the word “driver” at line 64 because “TNC driver” is the term that is defined in s. 627.748, F.S.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 627.748.

IX. Additional Information:**A. Committee Substitute – Statement of Changes:**

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Banking and Insurance Committee on March 31, 2025:

- Clarifies that the TNC is responsible for providing the coverage for all three stages unless the coverage of any stage is not excluded from the TNC driver's policy.

B. Amendments:

None.

BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Banking and Insurance

BILL: SB 1428

INTRODUCER: Senator DiCeglie

SUBJECT: Consumer Protection in Insurance Matters

DATE: March 28, 2025

REVISED: _____

ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1. Thomas	Knudson	BI	Pre-meeting
2. _____	_____	AEG	_____
3. _____	_____	RC	_____

I. Summary:

SB 1428 contains several provisions relating to consumer protection in insurance matters providing:

- That a public adjuster, public adjuster apprentice, or public adjusting firm must provide a specific response to a written or electronic request for claim status from a claimant, an insured, or the person's designated representative within 14 days after receiving the request and must retain a copy of its response for its records.
- That universal life insurance policy issued in this state must entitle each policyholder to receive an annual report on the policy's status, unless the policy is a variable contract as defined in s. 627.8015, F.S.
- That for an out-of-state group health insurance provider to be exempt from complying with the provisions of part VIII of ch. 627, F.S., the policies of such provider must offer dependent child coverage that complies with the state's requirements for dependent coverage under a group health insurance policy pursuant to s. 627.6562, F.S.
- That an automobile insurer providing towing and labor as a filed claim coverage must notify its claimant before the submission of a non crash-related claim that using the towing and labor coverage requires the filing of a claim that will become part of the claimant's claim history for future underwriting.
- Requirements for a private passenger automobile insurer in the payment of certain first-party claims, including that such claims be paid or denied within 60 days of receiving notice of the claim.

The bill does not appear to have a significant fiscal impact on state or local government.

The bill takes effect on July 1, 2025.

II. Present Situation:

Public Adjusters

A public adjuster is any person, except a duly licensed attorney-at-law, who, for money, commission, or any other things of value, directly or indirectly prepares, completes, or files an insurance claim for an insured or third-party claimant, or who, for money, commission, or any other thing of value, acts on behalf of, or aids an insured or third-party claimant in negotiating for or effecting the settlement of a claim or claims for loss or damage covered by an insurance contract, or who, advertises for employment as an adjuster of such claims.¹ The term includes any person who, for money, commission, or any other thing of value, directly or indirectly solicits, investigates, or adjusts such claims on behalf of the public adjuster, an insured, or a third-party claimant but does not include a person who photographs or inventories damaged personal property or business personal property or a person performing duties under another professional license, if such person does not otherwise solicit, adjust, investigate, or negotiate for or attempt to effect the settlement of a claim.² The term does not apply to:

- A licensed health care provider or employee thereof who prepares or files a health insurance claim form on behalf of a patient.
- A licensed health insurance agent who assists an insured with coverage questions, medical procedure coding issues, balance billing issues, understanding the claims filing process, or filing a claim, as such assistance relates to coverage under a health insurance policy.
- A person who files a health claim on behalf of another and does so without compensation.³

An adjuster must follow the code of ethics set by the Department of Financial Services in rule as “necessary to ensure fair dealing, prohibit conflicts of interest, and ensure preservation of the rights of the claimant to participate in the adjustment of claims.”⁴ A licensed adjuster must identify themselves in any advertisements, solicitations or written documents based on the adjuster appointment type held.⁵ An adjuster who has had his or her license revoked or suspended is prohibited from participating in an insurance claim or in the insurance claims adjusting process.⁶

Life Insurance

Part III of ch. 627, F.S., applies to life insurance and annuity contracts. “Life insurance,” is insurance of human lives and includes the granting of annuity contracts.⁷ Life insurance may:

- Provides a death benefit for an individual's beneficiaries;
- It allows survivors to pay off debts and other expenses; and
- It can also provide a source of income to replace that lost by the death of the insured.⁸

There are two primary types of life insurance:

- Term, which provides insurance for a specified period of time at a lower cost; and
- Permanent, which provides a certain amount of coverage at variable rates and has variations, including universal life, which builds cash value and is widely marketed by life insurance companies.⁹

Universal Life Insurance

Universal life insurance is a type of permanent life insurance that, like other permanent insurance, has a cash value element and offers lifetime coverage so long as the policyholders pays the premiums.¹⁰ Unlike whole life insurance, universal life allows the policyholder to raise or lower premiums within certain limits, and it can be cheaper than whole life coverage. A disadvantage is that the policyholder must keep an eye on the cash value or the policy could become underfunded, meaning it may take big payments to keep the policy active.¹¹

A universal life insurance policyholder may increase or decrease the face amount of insurance, within limits stated in the policy, to meet changing needs. The policyholder can decide, within policy guidelines, on the amount of premiums and the schedule of payments. There may be limits on premiums because of tax laws. The policyholder may select a policy that is interest sensitive or one that has a guaranteed rate. Universal life insurance is useful for meeting various financial obligations that may occur during a lifetime, such as those that involve marriage or raising a family. Providing guaranteed death benefits for people who need them but want the opportunity to earn more interest on the policy's cash value. With an interest sensitive policy, the policyholder can accept at least part of the investment risk.¹²

Group Health Insurance Providers

Requirements for Group Health Insurance Policies Issued in Florida Insurers issuing group health insurance policies in Florida must comply with the requirements of part VII of ch. 627, F.S. This part contains most of the mandatory benefit and coverage requirements that must be provided by such policies. Some mandatory benefit requirements are in part I of chapter 627, F.S.

Dependent Coverage

An insurer offering coverage under a group, blanket, or franchise health insurance policy must insure a dependent child of the policyholder at least until the end of the calendar year in which the child reaches the age of 25, if the child is:

- Dependent upon the policyholder for support; and
- Living in the household of the policyholder, or the child is a full-time or part-time student.¹³

Such policy must also offer the policyholder the option to insure a dependent child at least until the end of the calendar year in which the child reaches the age of 30, if the child:

- Is unmarried and does not have a dependent of his or her own;

- Is a resident of this state or a full-time or part-time student; and
- Is not provided coverage as a named subscriber, insured, enrollee, or covered person under any other group, blanket, or franchise health insurance policy or individual health benefits plan, or is not entitled to benefits under Title XVIII of the Social Security Act.¹⁴

The dependent coverage requirements do not apply to accident only, specified disease, disability income, Medicare supplement, or long-term care insurance policies.¹⁵

Out-of-State Group Health Insurance Providers

Insurers that issue policies to groups or associations outside of Florida, but which are sold and marketed to individuals in Florida (who are issued “certificates”), are generally exempt from Florida's rate filing and approval requirements. Group certificates issued in Florida must be filed with the Office of Insurance Regulation (OIR) “for information purposes only.”¹⁶ Any group health insurance policy issued or delivered outside this state under which a resident of this state is provided coverage must comply with the provisions of part VIII of ch. 627, F.S., in the same manner as group health policies issued in this state.¹⁷ However, such coverage is not required to comply with the provisions of part VIII of ch. 627, F.S., in the same manner as group health policies issued in this state if the policy complies with the restrictions on use of state and federal funds for state exchanges requirements of s. 627.66996, F.S., and provides the benefits specified in:

- Section 627.419, F.S., Construction of policies;
- Section 627.6574, F.S., Maternity care;
- Section 627.6575, F.S., Coverage for newborn children;
- Section 627.6579, F.S., Coverage for child health supervision services;
- Section 627.6612, F.S., Coverage for surgical procedures and devices incident to mastectomy;
- Section 627.66121, F.S., Coverage for length of stay and outpatient postsurgical care;
- Section 627.66122, F.S., Requirements with respect to breast cancer and routine follow-up care;
- Section 627.6613, F.S., Coverage for mammograms;
- Section 627.667, F.S., Extension of benefits;
- Section 627.6675, F.S., Conversion on termination of eligibility;
- Section 627.6691, F.S., Coverage for osteoporosis screening, diagnosis, treatment, and management; and
- Section 627.66911, F.S., Required coverage for cleft lip and cleft palate.

Motor Vehicle Insurance

The first automobile liability insurance policy was issued by Travelers Insurance Company in Dayton, Ohio, protecting the driver if his vehicle killed or injured someone or damaged their property.¹⁸ These coverages today are provided through bodily injury liability and property

damage liability insurance. In 1925, Connecticut passed the first financial responsibility law requiring owners of automobiles to demonstrate the ability to financially respond when they are at fault for damages caused to other persons and property.¹⁹ As the automobile became a ubiquitous part of American life, more states passed financial responsibility laws. Today, every state has a financial responsibility law regarding owning or operating a motor vehicle.

Florida's financial responsibility law exists to ensure that the privilege of owning or operating a motor vehicle on the public streets and highways is exercised with due consideration for others and their property, to promote safety, and to provide financial security requirements for the owners or operators of motor vehicles who are responsible to recompense others for injury to person or property caused by a motor vehicle.²⁰ The financial responsibility law requires drivers of motor vehicles with 4 or more wheels to purchase both personal injury protection (PIP) and property damage liability (PD) insurance.²¹ Florida law does not require insurance coverage for motorcycles; however, if a motorcyclist is involved in an accident, that person's license and registration are subject to suspension if insurance was not purchased.

A driver in compliance with the requirement to carry PIP coverage is not required to maintain bodily injury liability coverage, except that Florida law requires proof of ability to pay monetary damages for bodily injury and property damage liability arising out of a motor vehicle accident or serious traffic violation.²² The owner and operator of a motor vehicle need not demonstrate financial responsibility, i.e., obtain BI and PD coverages, until *after the accident*.²³ At that time, a driver's financial responsibility is proved by the furnishing of an active motor vehicle liability policy. The minimum amounts of liability coverages required are \$10,000 in the event of bodily injury to, or death of, one person, \$20,000 in the event of injury to, or death of, two or more persons, and \$10,000 in the event of damage to property of others, or \$30,000 combined BI/PD policy.²⁴ The driver's license and registration of the driver who fails to comply with the security requirement to maintain PIP and PD insurance coverage is subject to suspension.²⁵ A driver's license and registration may be reinstated by obtaining a liability policy and by paying a fee to the Department of Highway Safety and Motor Vehicles.²⁶

Roadside Assistance Coverage Through Motor Vehicle Insurance

Several insurers offer roadside assistance coverage in Florida. Roadside assistance coverage can help with non-accident-related events, such as mechanical or electrical breakdowns, however, using roadside assistance may be considered a claim, which may increase insurance rates.²⁷

Some car insurance companies report roadside assistance claims to ChoicePoint, a company in Alpharetta, Ga., that collects claims information for the auto insurance industry and this

information may eventually be viewed by other auto insurers.²⁸ Multiple roadside assistance claims in a short period could cause some insurance companies to raise rates.²⁹

Claim Settlement Practices

Section 626.9743, F.S., provides certain settlement requirements for motor vehicle insurers in the settlements of claims. These include that an insurer:

- May not, when liability and damages owed under the policy are reasonably clear, recommend that a third-party claimant make a claim under his or her own policy solely to avoid paying the claim under the policy issued by that insurer.
- That elects to repair a motor vehicle and specifically requires a particular repair shop for vehicle repairs shall cause the damaged vehicle to be restored to its physical condition as to performance and appearance immediately prior to the loss at no additional cost to the insured or third-party claimant other than as stated in the policy.
- May not require the use of replacement parts in the repair of a motor vehicle which are not at least equivalent in kind and quality to the damaged parts prior to the loss in terms of fit, appearance, and performance.

Personal injury protection insurance benefits are considered overdue if not paid within 30 days after the insurer has been provided with written notice of the fact of a covered loss and of the amount of the loss.³⁰ However, there is not such a time limit on the payments of first-party physical damage insurance claims.

III. Effect of Proposed Changes:

Public Adjusters

Section 1 amends s. 626.854, F.S., to provide that a public adjuster, public adjuster apprentice, or public adjusting firm must provide a specific response to a written or electronic request for claim status from a claimant, an insured, or the person's designated representative within 14 days after receiving the request and must retain a copy of its response for its records.

Universal Life Insurance

Section 2 creates s. 627.4815, F.S., to provide requirements relating to universal health insurance policies. The bill provides definitions of the terms "cash surrender value," "fixed premium universal life insurance policy," "flexible premium universal life insurance policy," "net cash surrender value," "policy value," and "universal life insurance policy." "Universal life insurance policy" is defined as:

any individual life insurance policy, rider, group master policy, or individual certificate that includes separately identified interest credits and mortality and expense charges. A universal life insurance policy may also include other types of credits and charges. The term does not apply to policies, riders, group master policies, or individual certificates in

connection with dividend accumulations, premium deposit funds, or other supplementary accounts.

The bill provides that the insurer of a universal life insurance policy must provide to the policyowner, at no cost, an annual report on the policy's status. The report must be sent within 3 months after the end of the reporting period and must include:

- The beginning and end of the current reporting period.
- The policy value at the end of the previous reporting period and at the end of the current reporting period.
- The total amounts that have been credited or debited to the policy value during the current reporting period, identified by type.
- The current death benefit at the end of the current reporting period on each life covered by the policy.
- The net cash surrender value of the policy as of the end of the current reporting period.
- The amount of outstanding loans, if any, as of the end of the current reporting period.
- For fixed premium policies, if, assuming guaranteed interest, mortality and expense loads, and continued scheduled premium payment, the policy's net cash surrender value is such that it would not maintain insurance in force until the end of the next reporting period, a notice to that effect.
- For flexible premium policies, if, assuming guaranteed interest and mortality and expense loads, the policy's net cash surrender value will not maintain insurance in force until the end of the next reporting period unless further premium payments are made, a notice to that effect.
- For fixed premium or flexible premium policies, if, assuming guaranteed interest and mortality and expense loads, the policy's net cash surrender value will not maintain insurance in force until maturity of the contract, the projected date on which policy values will be insufficient to continue coverage in force.

The bill provides that these requirements apply to all universal life insurance policies except variable contracts as defined in s. 627.8015, F.S., which are annuity contracts, life insurance contracts, and contracts upon the lives of beneficiaries under life insurance contracts when such annuities or contracts provide variable or indeterminate benefits, values, or premiums for which assets are held in a separate account.

Out-of-State Group Health Insurance Providers

Section 3 amends s. 627.6515, F.S., to provide that, in order for an out-of-state group health insurance provider to be exempt from complying with the provisions of part VIII of ch. 627, F.S., in the same manner as group health policies issued in this state, the policies of such provider must offer to insure a dependent child of the policyholder at least until the end of the calendar year in which the child reaches the age of 25, if the child is:

- Dependent upon the policyholder for support; and
- Living in the household of the policyholder, or the child is a full-time or part-time student.

Such policy must also offer the policyholder the option to insure a dependent child at least until the end of the calendar year in which the child reaches the age of 30, if the child:

- Is unmarried and does not have a dependent of his or her own;
- Is a resident of this state or a full-time or part-time student; and
- Is not provided coverage as a named subscriber, insured, enrollee, or covered person under any other group, blanket, or franchise health insurance policy or individual health benefits plan, or is not entitled to benefits under Title XVIII of the Social Security Act.

Motor Vehicle Insurance

Roadside Assistance Coverage

Section 4 creates s. 627.7293, F.S., to require an automobile insurer that provides towing and labor coverage as a filed claim to provide the following language or substantially similar language on any web or electronic platform through which a towing or labor claim is made or verbally stated to the claimant if the claim is being made over the phone:

Your auto insurance policy provides coverage for towing and labor. Use of this coverage requires a filing of a claim. Such claim filing will remain in your claims' history for use of future underwriting of any initial or renewal offer made by this insurer or any other insurer.

The automobile insurer must obtain the claimant's express consent before submitting a claim filed under the towing and labor coverage. The disclosure requirement does not apply if the towing and labor claim is filed as part of a crash-related damage claim.

Claim Settlement Practices

Section 5 creates s. 627.7431, F.S., to provide requirements on automobile insurers in the payment of first-party claims. The bill defines "claim" as a first-party claim under a motor vehicle insurance policy providing coverage for a private passenger motor vehicle. The bill requires:

- Within 60 days after receipt of an initial, reopened, or supplemental first-party physical damage insurance claim from a policyholder, the insurer must pay or deny such claim or a portion of the claim unless the failure to pay is caused by factors beyond the control of the insurer.
- The insurer must provide a reasonable explanation in writing to the policyholder of the basis in the insurance policy for the payment, denial, or partial denial of a claim.
- If the insurer's claim payment is less than that specified in any insurer's detailed estimate of the amount of the loss, the insurer must provide a reasonable explanation in writing of the difference to the policyholder.
- Any payment of an initial or supplemental claim or portion of such claim made 60 days after the insurer receives notice of the claim, or made after the expiration of any additional timeframe provided to pay or deny a claim or a portion of a claim made pursuant to an order of the OIR finding factors beyond the control of the insurer, whichever is later, bears interest at the rate set forth in s. 55.03, F.S. Interest begins to accrue from the date the insurer receives notice of the claim.
- That these provisions may not be waived, voided, or nullified by the terms of the insurance policy.

- If there is a right to prejudgment interest, the insured must select whether to receive prejudgment interest or interest under this section. Interest is payable when the claim or portion of the claim is paid.
- Failure to comply with these provisions constitutes a violation of the Insurance Code but does not form the sole basis for a private cause of action.

The bill makes these provisions applicable to surplus lines insurers but not applicable to:

- Any claims covered under an insurance policy providing coverage for commercial motor vehicles as defined in s. 627.732, F.S.
- Any portion of a claim covered under an insurance policy covering private passenger motor vehicles if the portion of the claim is based on coverage for:
 - Personal injury protection;
 - Property damage liability;
 - Bodily injury;
 - Uninsured motorists or underinsured motorists; or
 - Medical payments.

The exceptions for the above coverages mean that generally the claim settlement practices established by the bill will apply to claims and portions of claims payable under collision coverage, comprehensive coverages, rental reimbursement, and towing and labor coverage.

The bill provides that the timelines of these requirements are tolled:

- During the pendency of any mediation proceeding under s. 627.745, F.S., or any alternative dispute resolution proceeding provided for in the insurance contract. The tolling period ends upon the end of the mediation or alternative dispute resolution proceeding.
- Upon the failure of a policyholder or a representative of the policyholder to provide material claims information requested by the insurer within 10 days after the request was received. The tolling period ends upon the insurer's receipt of the requested information. Tolling under this paragraph applies only to requests sent by the insurer to the policyholder or to a representative of the policyholder at least 15 days before the insurer is required to pay or deny the claim or a portion of the claim.

For purposes of this section, “factors beyond the control of the insurer” means:

- Any of the following events that is the basis for the OIR issuing an order finding that such event renders all or specified motor vehicle insurers reasonably unable to meet the requirements of this section in specified locations and ordering that such insurer or insurers may have additional time, not exceeding 30 days, as specified by the OIR, to comply with the requirements of this section: a state of emergency declared by the Governor under s. 252.36, F.S., a breach of security that must be reported under s. 501.171(3), F.S., or an information technology issue.
- Actions by the policyholder or the policyholder's representative which constitute fraud, lack of cooperation, or intentional misrepresentation regarding the claim for which benefits are owed, when such actions reasonably prevent the insurer from complying with any requirement of this section.

- Actions by any repair company which constitute fraud, lack of cooperation, or intentional misrepresentation regarding the claim for which benefits are owed, when such actions reasonably prevent the insurer from complying with any requirement of this section.
- Inaccessibility to or delay in the arrival of parts necessary for the repair of the vehicle.

prejudgment interest under certain circumstances; specifying that the failure to comply with certain provisions does not form the basis of a private cause of action; providing applicability; specifying that certain requirements are tolled under certain circumstances; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (24) is added to section 626.854, Florida Statutes, to read:

626.854 "Public adjuster" defined; prohibitions.—The Legislature finds that it is necessary for the protection of the public to regulate public insurance adjusters and to prevent the unauthorized practice of law.

(24) A public adjuster, public adjuster apprentice, or public adjusting firm must provide a specific response to a written or electronic request for claim status from a claimant, an insured, or the person's designated representative within 14 days after receiving the request. The public adjuster, public adjuster apprentice, or public adjusting firm must retain a copy of its response for its records.

Section 2. Section 627.4815, Florida Statutes, is created to read:

627.4815 Universal life policies.—

(1) As used in this section, the term:

(a) "Cash surrender value" means the net cash surrender value plus any amounts outstanding as policy loans.

(b) "Fixed premium universal life insurance policy" means a

universal life insurance policy other than a flexible premium universal life insurance policy.

(c) "Flexible premium universal life insurance policy" means a universal life insurance policy that permits the policyowner to vary, independently of each other, the amount or timing of one or more premium payments or the amount of insurance.

(d) "Net cash surrender value" means the maximum amount payable to the policyowner upon surrender.

(e) "Policy value" means the value of any individual life insurance policy, rider, group master policy, or individual certificate. The term includes separately identified interest credits, except those related to dividend accumulations, premium deposit funds, or other supplementary accounts, and mortality and expense charges.

(f) "Universal life insurance policy" means any individual life insurance policy, rider, group master policy, or individual certificate that includes separately identified interest credits and mortality and expense charges. A universal life insurance policy may also include other types of credits and charges. The term does not apply to policies, riders, group master policies, or individual certificates in connection with dividend accumulations, premium deposit funds, or other supplementary accounts.

(2) A universal life insurance policy issued in this state must include a provision requiring the policyowner to receive, at no cost, an annual report on the policy's status. The report must be sent within 3 months after the end of the reporting period. The report must include all of the following:

(a) The beginning and end of the current reporting period.

(b) The policy value at the end of the previous reporting period and at the end of the current reporting period.

(c) The total amounts that have been credited or debited to the policy value during the current reporting period, identified by type.

(d) The current death benefit at the end of the current reporting period on each life covered by the policy.

(e) The net cash surrender value of the policy as of the end of the current reporting period.

(f) The amount of outstanding loans, if any, as of the end of the current reporting period.

(g) For fixed premium policies, if, assuming guaranteed interest, mortality and expense loads, and continued scheduled premium payment, the policy's net cash surrender value is such that it would not maintain insurance in force until the end of the next reporting period, a notice to that effect.

(h) For flexible premium policies, if, assuming guaranteed interest and mortality and expense loads, the policy's net cash surrender value will not maintain insurance in force until the end of the next reporting period unless further premium payments are made, a notice to that effect.

(i) For fixed premium or flexible premium policies, if, assuming guaranteed interest and mortality and expense loads, the policy's net cash surrender value will not maintain insurance in force until maturity of the contract, the projected date on which policy values will be insufficient to continue coverage in force.

(3) This section applies to all universal life insurance

118 Section 3. Subsection (2) of section 627.6515, Florida

119 Statutes, is amended to read:

120 627.6515 Out-of-state groups.—

121 (2) Except as otherwise provided in this part, this part

122 does not apply to a group health insurance policy issued or

123 delivered outside this state under which a resident of this

124 state is provided coverage if:

125 (a) The policy is issued to an employee group the

126 composition of which is substantially as described in s.

 175 or premium rates to be charged to an individual except for the
 176 following:
 177 1. Policies issued to provide coverage to groups of persons
 178 all of whom are in the same or functionally related licensed
 179 professions, and providing coverage only to such licensed
 180 professionals, their employees, or their dependents;
 181 2. Policies providing coverage to small employers as
 182 defined by s. 627.6699. Such policies shall be subject to, and
 183 governed by, the provisions of s. 627.6699;
 184 3. Policies issued to a bona fide association, as defined
 185 by s. 627.6571(5), provided that there is a person or board
 186 acting as a fiduciary for the benefit of the members, and such
 187 association is not owned, controlled by, or otherwise associated
 188 with the insurance company; or
 189 4. Any accidental death, accidental death and
 190 dismemberment, accident-only, vision-only, dental-only, hospital
 191 indemnity-only, hospital accident-only, cancer, specified
 192 disease, Medicare supplement, products that supplement Medicare,
 193 long-term care, or disability income insurance, or similar
 194 supplemental plans provided under a separate policy,
 195 certificate, or contract of insurance, which cannot duplicate
 196 coverage under an underlying health plan, coinsurance, or
 197 deductibles or coverage issued as a supplement to workers'
 198 compensation or similar insurance, or automobile medical-payment
 199 insurance.
 200 Section 4. Section 627.7293, Florida Statutes, is created
 201 to read:
 202 627.7293 Towing and labor coverage requirements.—
 203 (1) An automobile insurer that provides towing and labor

Page 7 of 11

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

 204 coverage as a filed claim shall provide the following language
 205 or substantially similar language on any web or electronic
 206 platform through which a towing or labor claim is made or
 207 verbally stated to the claimant if the claim is being made over
 208 the phone:
 209
 210 Your auto insurance policy provides coverage for
 211 towing and labor. Use of this coverage requires a
 212 filing of a claim. Such claim filing will remain in
 213 your claims' history for use of future underwriting of
 214 any initial or renewal offer made by this insurer or
 215 any other insurer.
 216
 217 (2) The automobile insurer shall obtain the claimant's
 218 express consent before submitting a claim filed under the towing
 219 and labor coverage.
 220 (3) This disclosure requirement provided under subsection
 221 (1) does not apply if the towing and labor claim is filed as
 222 part of a crash-related damage claim.
 223 Section 5. Section 627.7431, Florida Statutes, is created
 224 to read:
 225 627.7431 Payment of first-party claim.—
 226 (1) For purposes of this section, the term:
 227 (a) "Claim" means any first-party claim under an insurance
 228 policy providing coverage for a private passenger motor vehicle
 229 as defined in s. 627.732.
 230 (b) "Factors beyond the control of the insurer" means:
 231 1. Any of the following events that is the basis for the
 232 office issuing an order finding that such event renders all or

233 ~~specified motor vehicle insurers reasonably unable to meet the~~
 234 ~~requirements of this section in specified locations and ordering~~
 235 ~~that such insurer or insurers may have additional time, not~~
 236 ~~exceeding 30 days, as specified by the office, to comply with~~
 237 ~~the requirements of this section: a state of emergency declared~~
 238 ~~by the Governor under s. 252.36, a breach of security that must~~
 239 ~~be reported under s. 501.171(3), or an information technology~~
 240 ~~issue.~~

241 2. Actions by the policyholder or the policyholder's
 242 representative which constitute fraud, lack of cooperation, or
 243 intentional misrepresentation regarding the claim for which
 244 benefits are owed, when such actions reasonably prevent the
 245 insurer from complying with any requirement of this section.

246 3. Actions by any repair company which constitute fraud,
 247 lack of cooperation, or intentional misrepresentation regarding
 248 the claim for which benefits are owed, when such actions
 249 reasonably prevent the insurer from complying with any
 250 requirement of this section.

251 4. Inaccessibility to or delay in the arrival of parts
 252 necessary for the repair of the vehicle.

253 (2) Within 60 days after an insurer receives notice of an
 254 initial, reopened, or supplemental first-party physical damage
 255 insurance claim from a policyholder, the insurer shall pay or
 256 deny such claim or a portion of the claim unless the failure to
 257 pay is caused by factors beyond the control of the insurer. The
 258 insurer shall provide a reasonable explanation in writing to the
 259 policyholder of the basis in the insurance policy, in relation
 260 to the facts or applicable law, for the payment, denial, or
 261 partial denial of a claim. If the insurer's claim payment is

18-01081A-25

20251428

262 less than that specified in any insurer's detailed estimate of
 263 the amount of the loss, the insurer must provide a reasonable
 264 explanation in writing of the difference to the policyholder.
 265 Any payment of an initial or supplemental claim or portion of
 266 such claim made 60 days after the insurer receives notice of the
 267 claim, or made after the expiration of any additional timeframe
 268 provided to pay or deny a claim or a portion of a claim made
 269 pursuant to an order of the office finding factors beyond the
 270 control of the insurer, whichever is later, bears interest at
 271 the rate set forth in s. 55.03. Interest begins to accrue from
 272 the date the insurer receives notice of the claim. This
 273 subsection may not be waived, voided, or nullified by the terms
 274 of the insurance policy. If there is a right to prejudgment
 275 interest, the insured must select whether to receive prejudgment
 276 interest or interest under this subsection. Interest is payable
 277 when the claim or portion of the claim is paid. Failure to
 278 comply with this subsection constitutes a violation of this
 279 code. However, failure to comply with this subsection does not
 280 form the sole basis for a private cause of action.

281 (3) This section applies to surplus lines insurers and
 282 surplus lines insurance authorized under ss. 626.913-626.937
 283 providing personal automobile coverage.

284 (4) This section does not apply to any of the following
 285 claims:

286 (a) Any claims covered under an insurance policy providing
 287 coverage for commercial motor vehicles as defined in s. 627.732.

288 (b) Any portion of a claim covered under an insurance
 289 policy covering private passenger motor vehicles if the portion
 290 of the claim is based on coverage for:

291 1. Personal injury protection;
292 2. Property damage liability;
293 3. Bodily injury;
294 4. Uninsured motorists or underinsured motorists; or
295 5. Medical payments.
296 (5) The requirements of this section are tolled:
297 (a) During the pendency of any mediation proceeding under
298 s. 627.745 or any alternative dispute resolution proceeding
299 provided for in the insurance contract. The tolling period ends
300 upon the end of the mediation or alternative dispute resolution
301 proceeding.
302 (b) Upon the failure of a policyholder or a representative
303 of the policyholder to provide material claims information
304 requested by the insurer within 10 days after the request was
305 received. The tolling period ends upon the insurer's receipt of
306 the requested information. Tolling under this paragraph applies
307 only to requests sent by the insurer to the policyholder or to a
308 representative of the policyholder at least 15 days before the
309 insurer is required to pay or deny the claim or a portion of the
310 claim under subsection (2).

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 1466 creates the My Safe Florida Home Trust Fund within the Department of Financial Services. The trust fund shall consist of funds to be used exclusively for the purposes of the My Safe Florida Home Program. Following a declaration of emergency, the trust fund is to be supported by 20 percent of the Insurance Premium Tax collected pursuant to ss. 252.372, 624.4625, and 624.509-624.519, F.S.

Any balance in the trust fund at the end of any fiscal year shall remain in the trust fund at the end of the year and shall be available for carrying out the purpose of the trust fund. The balance in the trust may not exceed \$300 million at any time. Any funds in excess of this amount must be transferred to the General Revenue Fund.

Pursuant to s. 19 (f), Art. III of the State Constitution, the My Safe Florida Home Trust Fund terminates on July 1, 2029, unless terminated sooner or recreated by the Legislature. Additionally, the trust fund shall be reviewed as provided in s. 215.3206, F.S., before its scheduled termination.

The total Insurance Premium Tax collected next year under these statutes is expected to exceed \$1 billion, with over \$650 million of that going to the General Revenue Fund. Under the bill, approximately \$214 million would go to the proposed trust fund.

This bill, creating a new trust fund, must pass by a three-fifths vote of the membership of each house to become law pursuant to s. 19 (f), Art. III of the State Constitution. The bill takes effect July 1, 2025.

II. Present Situation:

Trust Funds

Establishment of Trust Funds

A trust fund may be created by law only by the Legislature and only if passed by a three-fifths vote of the membership of each house in a separate bill for that purpose only.¹ Except for trust funds being re-created by the Legislature, each trust fund must be created by statutory language that specifies at least the following:

- The name of the trust fund.
- The agency or branch of state government responsible for administering the trust fund.
- The requirements or purposes that the trust fund is established to meet.
- The sources of moneys to be credited to the trust fund or specific sources of receipts to be deposited in the trust fund.²

Review of Trust Funds

All state trust funds must terminate not more than four years after the effective date of the act authorizing the initial creation of the trust fund.³ The Legislature may set a shorter time period for which any trust fund is authorized.⁴ The Legislature must review all state trust funds at least once every 4 years prior to the regular session of the Legislature immediately preceding the date on which any executive or judicial branch trust fund is scheduled to be terminated, or such earlier date as the Legislature may specify.⁵

The agency responsible for the administration of the trust fund and the Governor, for executive branch trust funds, or the Chief Justice, for judicial branch trust funds, must recommend to the President of the Senate and the Speaker of the House of Representatives whether the trust fund should be allowed to terminate or should be re-created.⁶ Each recommendation must be based on a review of the purpose and use of the trust fund and a determination of whether the trust fund will continue to be necessary.⁷ A recommendation to re-create the trust fund may include suggested modifications to the purpose, sources of receipts, and allowable expenditures for the trust fund.⁸

When the Legislature terminates a trust fund, the agency or branch of state government that administers the trust fund must pay any outstanding debts or obligations of the trust fund as soon

as practicable.⁹ The Legislature may also provide for the distribution of moneys in that trust fund. If no such distribution is provided, the moneys remaining after all outstanding obligations of the trust fund are met must be deposited in the General Revenue Fund.¹⁰

My Safe Florida Home Program

Background

Following the 2004 and 2005 hurricane seasons, where 2.8 million Florida homeowners suffered more than \$33 billion in insured property damage, 86 percent of the 4.4 million homes in Florida were built prior to the adoption of stronger building codes in 2002, and the average age of a home was 26 years, Florida began to experience a decline in the availability of property insurance and an increase in its cost.¹¹ In 2006, the Legislature created the My Safe Florida Home Program (MSFH Program) within the Department of Financial Services (DFS).¹² The original appropriation for the MSFH Program was \$250 million for a period not to exceed three years with any unused appropriated funds reverting to the General Revenue Fund on June 30, 2009.¹³

The MSFH Program was created with the intent to provide trained and certified inspectors to perform mitigation inspections for owners of site-built, single-family, residential properties, and mitigation grants to eligible applicants, subject to the availability of funds.¹⁴ The Program was to “develop and implement a comprehensive and coordinated approach for hurricane damage mitigation...”¹⁵ The Program allowed the DFS to undertake a public outreach and advertising campaign to inform consumers of the availability and benefits of the mitigation inspections and grants.¹⁶ From its inception to January 30, 2009, the Program received approximately 425,193 applications, performed more than 391,000 inspections and awarded 39,000 grants. From July 2007 through January 2009, MSFH Program expenditures totaled approximately \$151.9 million.¹⁷ Funding for the program ceased on June 30, 2009.¹⁸

Renewal and Funding of the MSFH Program

In May 2022, during Special Session 2022-D, and under a property insurance bill (SB 2-D), the Legislature reestablished the MSFH Program and appropriated \$150 million in nonrecurring funds from the General Revenue Fund designated for the following purposes:

- \$25 million for hurricane mitigation inspections;

- Four million dollars for education and consumer awareness;
- One million dollars for public outreach to contractors, real estate brokers, and sales associates; and
- Five million dollars for administrative costs.¹⁹

During the 2023 Regular Legislative Session, the Legislature appropriated an additional \$100 million in nonrecurring funds from the General Revenue Fund for mitigation grants and \$2,065,000 for operations and administration costs.²⁰ During Special Session 2023-C, the Legislature appropriated \$176,170,000 in nonrecurring funds from the General Revenue Fund for hurricane mitigation grants and \$5,285,100 for administrative costs. During the 2024 Regular Legislative Session, the Legislature appropriated \$200 million in nonrecurring funds from the General Revenue Fund for hurricane mitigation grants, inspections, and administrative costs.²¹

Overview of the Insurance Premium Tax

Insurance policies providing residential coverage are subject to the insurance premium tax. Residential coverage includes personal lines residential coverage, such as for homeowner and condominium unit owner policies and also includes commercial lines residential coverage, such as for condominium association or apartment building policies. Also subject to the insurance premium tax are insurance policies, contracts, or endorsements providing personal or commercial lines coverage for the peril of flood or excess coverage for the peril of flood.

The premium tax is applied to insurance premiums written in Florida at the following rates:

- Gross property and casualty premiums less reinsurance and returned premiums, life premiums, accident and health premiums, and prepaid limited health premiums, 1.75 percent;
- Commercial self-insurance, group practice self-insurance, and assessable mutual insurance, 1.6 percent; and
- Annuities, 1 percent.²²

Corporate income tax and the emergency excise tax paid to Florida are credited against premium tax liability. Exemptions are allowed on annuity premiums paid by annuity policy or contract holders in this state if the savings are passed on to the consumer. A credit is allowed against the premium tax equal to 15 percent of the amount paid by the insurer in salaries to employees located or based in Florida who are covered by unemployment compensation. This credit in combination with the corporate income tax credit may not exceed 65 percent of the tax due for the calendar year. Credits are also allowed for the municipal pension fund taxes, certain community contributions, certain exempt finance corporate investments, and workers' compensation assessments.²³

- Section 252.372, F.S. - Imposition and collection of surcharge. \$2 per policy shall be imposed on every homeowners, mobile homeowners, tenant homeowners, and condominium unit owners policy, and an annual \$4 surcharge shall be imposed on every commercial fire, commercial multiple peril, and business owner's property insurance policy.
- Section 624.4625(4), F.S. - Corporation not for profit self-insurance funds. Premiums, contributions, and assessments received by a corporation not for profit self-insurance fund are subject to ss. 624.509(1) and (2) and 624.5092, F.S., except that the tax rate shall be 1.6 percent of the gross amount of such premiums, contributions, and assessments.
- Section 624.509, F.S. - Premium tax; rate and computation:
 - (1)(a) An amount equal to 1.75 percent of the gross amount of such receipts on account of life and health insurance policies covering persons resident in this state and on account of all other types of policies and contracts.
 - (1)(b) An amount equal to 1 percent of the gross receipts on annuity policies or contracts paid by holders thereof in this state; and
 - (1)(c) An amount equal to 1.75 percent of the direct written premiums for bail bonds, excluding any amounts retained by licensed bail bond agents or appointed managing general agents.
- Section 624.5091(1)(a), F.S. - Retaliatory provision, insurers. In determining the taxes to be imposed under this section, 80 percent and a portion of the remaining 20 percent as provided in paragraph (b) of the credit provided by s. 624.509(5), F.S., as limited by s. 624.509(6), F.S., and further determined by s. 624.509(7), F.S., shall not be taken into consideration.
- Section 624.5092(2)(b), F.S. - Administration of taxes; payments. Any taxpayer who fails to report and timely pay any installment of tax, who estimates any installment of tax to be less than 90 percent of the amount finally shown to be due in any quarter, or who fails to report and timely pay any tax due with the final return is in violation of this section and is subject to a penalty of 10 percent on any underpayment of taxes.
- Section 624.50921(2), F.S. - Adjustments. The amount of any proposed assessment set forth in such a notice of deficiency shall be limited to the amount of any deficiency resulting under this code from recomputation of the taxpayer's insurance premium tax and retaliatory tax for the taxable year after giving effect only to the change in corporate income tax paid and the change in the amount of the workers' compensation administrative assessment paid. Interest in accordance with s. 624.5092, F.S., is due on the amount of any deficiency from the date fixed for filing the original insurance premium tax return for the taxable year until the date of payment of the deficiency.
- Section 624.510(1), F.S. - Tax on wet marine and transportation insurance. A tax of 0.75 percent of gross underwriting profit.
- Section 624.515(1)(a), F.S. - State Fire Marshal regulatory assessment and surcharge; levy and amount. In addition to any other license or excise tax now or hereafter imposed, and such taxes as may be imposed under other statutes, there is hereby assessed and imposed upon every domestic, foreign, and alien insurer authorized to engage in this state in the business of issuing policies of fire insurance, a regulatory assessment in an amount equal to 1 percent of the gross amount of premiums collected by each such insurer on policies of fire insurance issued by it and insuring property in this state.

Disposition of Insurance Premium Tax collections are as follows:

- Assessments for Police and Firefighter pension funds are sent to the DFS for distribution to local governments.
- Fire Marshal assessments, filing fees and \$125,000 annually adjusted by the lesser of 20 percent or the growth in total retaliatory taxes, are deposited into the Insurance Regulatory Trust Fund.
- The remainder of the premium tax is deposited into the General Revenue Trust Fund.²⁴

Below is a chart reflecting the collections and distribution of the Insurance Premium Tax for the past three years and anticipated for the next fiscal year.²⁵

III. Effect of Proposed Changes:

The bill creates s. 215.55861, F.S., to establish the My Safe Florida Home Trust Fund within the DFS. The trust fund shall consist of funds to be used exclusively for the purposes of the My Safe Florida Home Program. Following a declaration of emergency, the trust fund is to be supported by 20 percent of the Insurance Premium Tax collected pursuant to ss. 252.372, 624.4625, and 624.509-624.519, F.S. The total Insurance Premium Tax collected next year under these statutes is expected to exceed \$1 billion, with over \$650 million of that going to the General Revenue Fund. Under the bill, approximately \$214 million would go to the proposed trust fund.

Any balance in the trust fund at the end of any fiscal year shall remain in the trust fund at the end of the year and shall be available for carrying out the purpose of the trust fund. The balance in the trust may not exceed \$300 million at any time. Any funds in excess of this amount must be transferred to the General Revenue Fund.

The DFS must provide an annual report on fund balances and any transfers made pursuant to this section. The report must be delivered to the President of the Senate and the Speaker of the House of Representatives by February 1 of each year.

As required by the Florida Constitution, the My Safe Florida Home Trust Fund terminates on July 1, 2029, unless terminated sooner or recreated by the Legislature.²⁶ Additionally, the trust fund shall be reviewed as provided in s. 215.3206, F.S., before its scheduled termination.

The bill takes effect July 1, 2025.

IV. Constitutional Issues:**A. Municipality/County Mandates Restrictions:**

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

Article III, s. 19(f)(1) of the Florida Constitution specifies that a trust fund may be created or re-created only by a three-fifths vote of the membership of each house of the Legislature in a separate bill for that purpose only.

Article III, s. 19(f)(2) of the Florida Constitution specifies that state trust funds must terminate not more than four years after the effective date of the act authorizing the initial creation of the trust fund. By law the Legislature may set a shorter time period for which any trust fund is authorized.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

None.

B. Private Sector Impact:

The bill creates a dedicated funding source for the MSFH Program which should allow for the continued funding of grants under the Program.

C. Government Sector Impact:

Creating the My Safe Florida Home Trust Fund within the DFS provides a dedicated revenue source to fund the MSFH Program. The proposed trust fund is to be supported by 20 percent of the Insurance Premium Tax collected pursuant to ss. 252.372, 624.4625, and 624.509-624.519, F.S. The total Insurance Premium Tax collected next year under these statutes is expected to exceed \$1 billion, with over \$650 million of that going to the

General Revenue Fund.²⁷ Under the bill, approximately \$214 million would go to the proposed trust fund.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill creates the following section of the Florida Statutes: 215.55861.

IX. Additional Information:**A. Committee Substitute – Statement of Substantial Changes:**

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Banking and Insurance Committee on March 31, 2025:

The committee substitute replaced the proposed funding source in the bill. Following a declaration of emergency, the trust fund is to be supported by 20 percent of the Insurance Premium Tax collected.

B. Amendments:

None.
