COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 764 redesignates the Military Veterans and Servicemembers Program as the Veterans Treatment Court Program. The bill authorizes courts to develop and operate a veterans treatment court with an emphasis on therapeutic treatment over incarceration of military- or service-related mental illness, traumatic brain injury, a substance use disorder, or a psychological problem. Like existing law, the program is open to a servicemember, veteran, and a current or former defense contractor or military member of a foreign allied country. However, the bill expands participation to include not just a member of the Florida National Guard, but also a National Guard of another state. Also, unlike the current program which is open to all veterans regardless of discharge status, the chief judge and state attorney of each circuit jointly decide whether to admit dishonorably discharged veterans.

The bill encourages the court to develop policies and procedures, including employing a nonadversarial approach; identifying participants early in the process; and engaging in partnerships among other veterans treatment courts, the United States Department of Veterans Affairs, the Florida Department of Veterans' Affairs, public agencies, and community-based organizations.

A Military Veterans and Servicemembers Court in operation as of June 30, 2021, is grandfathered in to continue as a Veterans Treatment Court but must comply with changes made under this bill.

The bill takes effect July 1, 2021.

II. Present Situation:

Problem-Solving Courts

Miami-Dade County established an adult drug court in 1989, the first problem-solving court in the United States.¹ Today, more than 184 problem-solving courts operate statewide.² These are drug court (dependency, juvenile, adult, adult misdemeanor, and adult post-adjudicatory prison diversion, and a Marchman Act Drug Court in Hillsborough County), mental health court, DUI court, and veterans court.³

Veterans Courts

Programming

The first veterans court opened in Buffalo, N.Y. in 2008.⁴ Veterans court follows the model of other specialty courts, such as drug court and mental health court whereby the court emphasizes treatment over incarceration.⁵ Like other specialty courts, veterans court involves therapeutic intervention under a nonadversarial framework. Successful completion of pretrial court conditions may result in a dismissal of criminal charges.⁶ More than 460 courts operate veterans court programs across the country.⁷

In Florida, 31 counties operate a veterans court program.⁸ Moreover, veterans court programs operate in 17 of the 20 judicial circuits.⁹ Even in those circuits without a designated program, accommodations are provided to defendants who would otherwise qualify to participate in a veterans court program.¹⁰

Funding

Veterans courts, like other problem-solving courts in the state, receive funding from a variety of sources both state and federal. For Fiscal Year 2020-2021, approximately 68 of the state's 184 problem-solving courts received funding through state appropriation. Other sources are federal grant funding and state agency monies through agencies targeting substance abuse and mental health treatment, such as the Department of Children and Families. An individual problem-solving court may be funded through a single, or multiple sources of funding.¹¹

The federal Veteran Treatment Court Coordination Act of 2019 directs the Department of Justice to formally create a program to provide funding and technical assistance to state, local, and tribal governments with veterans treatment courts.¹² As mandated, the Adult Drug Court and Veterans Treatment Court Discretionary Grant Program within the Department of Justice provides financial and technical assistance to states, state courts, local courts, units of local government, and federally recognized Indian tribal governments to enhance the operations of drug courts or assist or establish veterans treatment courts.¹³ The program accepts grant applications on behalf of:

- A state or territory;
- State or local court;
- County;
- A unit of local government; and
- A federally recognized Indian tribal government (as determined by the secretary of the interior).¹⁴

For statewide support of veterans treatment courts through the federal program, a state agency or the administrative office of the courts is eligible to apply for a grant.¹⁵

Military Veterans and Servicemembers Court Program

In 2012, the Legislature established the T. Patt Maney Veterans' Treatment Intervention Act.¹⁶ The Act authorizes the chief judge of each judicial circuit to create a Military Veterans and Servicemember Court Program (veterans court). The program is available to eligible veterans, servicemembers, current or former United States Department of Defense contractors, and current or former military members of a foreign allied country. The purpose of the program is for a court to tailor sentencing to treatment of an individual's underlying disorder. Participation is voluntary.

and justice system partners. The Third Judicial Circuit issued an administrative order which details the authority for a qualifying defendant to move to transfer his or her case to a veterans court. The Sixteenth Judicial Circuit reports that it has, case-by-case, provided special services to veterans in conjunction with its adult drug court upon a recommendation from the state attorney.

¹⁵ *Id.*

¹⁶ Ch. 2012-159, ss. 16-20, Laws of Fla.; Section 394.47891, F.S.

Eligibility to Participate in the Program

When first implemented, the bill provided that to be eligible, a veteran or servicemember must:

- Be convicted of a criminal offense;
- Suffer from a military-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem; and
- If a veteran, have received an honorable discharge from military service.¹⁷

In 2016, the Legislature expanded the requirement of an honorable discharge to include eligibility for a veteran released under a general discharge.¹⁸ Subsequently, in 2019, the Legislature again expanded the program to provide eligibility for a veteran discharged or released under any condition, including a release under a dishonorable discharge.¹⁹

Pretrial Intervention Program

Both misdemeanor and felony cases may be processed in a pretrial intervention program of a veterans court. However, a court may deny admission if the defendant has previously entered a court-ordered veterans treatment program.²⁰ While enrolled in a pretrial intervention program, the defendant fulfills the terms of a written coordinated strategy developed by the veterans' treatment intervention team.²¹ Protocol may require successful completion of outpatient or inpatient treatment, including at a jail-based treatment program. Upon successful completion of the program, the court may dismiss the charges. If the participant is otherwise eligible to do so, he or she may petition the court to have the arrest record expunged.²² If the court finds that the defendant has not successfully completed the program, the court may return the case to the criminal docket for prosecution.²³

Certain pending felony charges disqualify a defendant from participation in a pretrial intervention program. Considered more serious felony charges, they include:

- Kidnapping or attempted kidnapping; false imprisonment of a child under the age of 13; or luring or enticing a child;
- Murder or attempted murder; attempted felony murder; or manslaughter;
- Aggravated battery or attempted aggravated battery;
- Sexual battery or attempted sexual battery;
- Lewd or lascivious battery, molestation, conduct, or exhibition, or attempted lewd or lascivious battery, or lewd or lascivious offense or attempted offense against an elderly or disabled person;
- Robbery or attempted robbery;
- Sexual performance by a child or attempted sexual performance by a child;
- Computer pornography of a minor; transmission of child pornography; or buying or selling of minors; and

¹⁷ Chapter 2012-159, s. 9, Laws of Fla.

²³ Sections 948.08(4), F.S., and 948.16(4), F.S.

- Aggravated assault or stalking.²⁴

Transfer of Case for Participation in a Problem-Solving Court

A veteran who is eligible for participation in a veterans court may, upon request and approval, transfer his or her case to a county other than that in which the charge arose.²⁵ Both a representative of the original trial court and the receiving court must agree to the transfer. At the time of transfer, a court case may either be in its pretrial or postadjudicatory phase.²⁶ The receiving jurisdiction disposes of the case.²⁷

Participation in a Treatment Program as a Condition of Probation or Community Control

The court may order as a condition of probation or community control that a veteran or servicemember participate in a treatment program designed to address the individual's mental illness, traumatic brain injury, substance abuse disorder, or psychological problem.²⁸ The court must give preference to those treatment programs for which the veteran or servicemember is eligible through the United States Department of Veterans Affairs or the Florida Department of Veterans Affairs.²⁹

The court may also order a person who commits a violation of probation or community control to successfully complete a military veterans and servicemembers court program if the underlying offense is a nonviolent felony and the person otherwise qualifies.³⁰

Problem-solving Court Reports

A problem-solving court is defined in law as a specialty drug court, military veterans and servicemembers court, mental health court, community court, or delinquency pretrial intervention court program.³¹ The Office of the State Courts Administrator is required to provide an annual report on problem-solving courts to the President of the Senate and the Speaker of the House of Representatives.

Specifically, the report must include:

- number of participants in each problem-solving court for each fiscal year the court has been operating;
- types of services provided;
- each source of funding for each court by fiscal year; and
- performance of each court based on outcome measures established by the courts.³²

³⁰ Section 948.06(2)(k)1., F.S.

³¹ Section 43.51(2), F.S.

³² Section 43.51(1), F.S.

III. Effect of Proposed Changes:

This bill redesignates as the Veterans Treatment Court Program the existing Military Veterans and Servicemembers Court Program. The program authorizes a court with jurisdiction over criminal cases to create and administer a veterans treatment court (court) and a chief judge to issue administrative orders regarding the court.

Like existing law, a veterans treatment court can accept both pre- and post-adjudication misdemeanor and felony cases. A defendant who wishes to participate must submit an application to the state attorney. The state attorney and the court will then decide if the defendant meets eligibility requirements for the court.

Policies and Procedures of a Veterans Treatment Court

Each veterans treatment court (court) must seek input from the state attorney and other interested persons in developing and adopting policies and procedures governing the court. A veterans treatment court must create a record of policies and procedures based on nationally recognized best practices that specifically include:

- Integrating substance abuse, mental health treatment services, and other treatment and rehabilitation services into case processing;
- Employing a nonadversarial approach in which the state attorney and defense counsel promote public safety while protecting due process rights of the defendant;
- Identifying eligible defendants early in the process;
- Frequently testing for alcohol and drug use;
- Providing ongoing judicial interaction with each defendant;
- Monitoring of program goals; and
- Forging partnerships among veterans treatment courts, the United States Department of Veterans Affairs, the Florida Department of Veterans' Affairs, public agencies, and community-based organizations.

The court may also establish policies and procedures for referring a defendant to a health care provider, or assisting with housing, employment, nutrition, mentoring, education, and driver license reinstatement.

Eligibility for Participation in a Veterans Treatment Court

The state attorney and the court review each application for veterans treatment court. To qualify, a defendant must either be a veteran, defined as a person who has served in the military, or a servicemember, defined as an active or reserve member of the United States Army, Navy, Air Force, Marine Corps, or Coast Guard; a member of the National Guard, either in Florida or of another state; a current or former contractor for the United States Department of Defense; or a current or former military member of a foreign allied country. Whether to include veterans who are dishonorably discharged from military service is a joint decision of the chief judge and state attorney of the circuit that creates and administers the court.

To further qualify:

- The defendant must have a military- or service-related mental health condition, traumatic brain injury, substance use disorder, or psychological problem;
- The defendant must agree to the terms of a participant agreement by signing the agreement; and
- The defendant's participation in the court is in the interest of justice and of benefit to the defendant and the community.

In determining whether participation furthers justice and is of sufficient benefit, the state attorney, for pretrial diversion, and the court, for all other matters, must consider:

- The nature and circumstances of the offense;
- The recommendation of the state attorney;
- Special characteristics or circumstances of both the defendant and the victim;
- Prior criminal history and whether the defendant previously participated in a veterans treatment or other similar program;
- Whether needs exceed resources available through the court;
- Impact on the community;
- Recommendations of law enforcement;
- Recommendation of the victim;
- Provision for and the likelihood of obtaining restitution during participation in the court;
- Mitigating circumstances; and
- Other reasonably related circumstances.

The program is available to a defendant whose case is at any stage of a criminal proceeding. However, a veteran or a servicemember does not have a right to participate in a veterans treatment court.

Condition of Probation or Community Control

The bill authorizes a veterans treatment court to impose a condition requiring a probationer or community controllee to participate in a treatment program to treat mental illness, traumatic brain injury, a substance abuse disorder, or a psychological problem. This provision applies to a veteran or servicemember who otherwise qualifies and who committed the underlying crime on or after July 1, 2021.

Existing Military Veterans and Servicemembers Program and Participants

In amending s. 394.47891, F.S., the bill substitutes the term "Veterans Treatment Court" for a "Military Veterans and Servicemembers Court". As such, a Military Veterans and Servicemembers Court in operation as of June 30, 2021, is grandfathered in to continue as a Veterans Treatment Court but must comply with changes made under this bill. Similarly, the bill does not affect or alter the rights or responsibilities of any person admitted to and participating in the program.

Cross-references and conforming changes are provided to enable a defendant currently authorized to participate in a military veterans and servicemembers court to participate in a

veterans treatment court, and from the current pretrial veterans' treatment intervention program to a veterans treatment court program. Therefore, cross-references and conforming changes to ss. 43.51, 910.035, 948.06, 948.08, 948.16, and 948.21, F.S., are included in the bill.

The bill takes effect July 1, 2021.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

As this bill authorizes, rather than requires courts to establish veterans treatment courts, the bill does not impose a mandate on local municipalities or counties.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None identified.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

By reducing the number of veterans who are incarcerated and linking conditions with treatment, the bill may reduce costs for veterans and their families.

C. Government Sector Impact:

Costs to the Judiciary

The Office of the State Courts Administrator (OSCA) provides that the fiscal impact of the bill cannot be accurately determined due to an unavailability of data needed to quantifiably establish an impact on judicial workload.³³

³³ Office of the State Courts Administrator, *supra* note 9.

Prison Beds Cost

To date, the state has 31 veterans courts. Per the Department of Corrections, in Fiscal Year 2018-2019, there were 142 offenders admitted for veterans' treatment intervention, and in Fiscal Year 2019-2020, 108 offenders were admitted. A fiscal impact from an increase in eligible participants to veterans treatment intervention is not quantifiable at this time. However, this bill is estimated to have a negative indeterminate prison bed impact.³⁴the

VI. Technical Deficiencies:

Lines 31-34 of the bill provide that a participant agreement is the agreement as provided in subsection 9 of the bill, including modifications in subsection 10. A participant agreement is not referenced in these subsections.

VII. Related Issues:

Lines 83 through 87 provide that whether to admit dishonorably discharged veterans is a decision jointly left to the chief judge and state attorney of each circuit. The bill is unclear on whether the decision is a blanket approval to not exclude a veteran based on a dishonorable status, or whether the decision is to be made case-by-case.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 394.47891, 43.51, 910.035, 948.06, 948.08, 948.16, and 948.21.

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Military and Veterans Affairs, Space, and Domestic Security on March 16, 2021:

The committee substitute:

- Expands participation in a veterans treatment court to include a member of a National Guard of another state;
- Requires the underlying condition that qualifies a person to participate in a veterans treatment court to be military- or service- related;
- Removes language providing the process of a participant agreement;
- Makes conforming changes to replace participation in a pretrial veterans' treatment intervention program with a veterans treatment court program;
- Clarifies as an underlying condition a substance use disorder, rather than a substance abuse disorder.

³⁴ Office of Economic and Demographic Research, *SB 764 -- Veterans Treatment Courts* (on file with the Senate Committee on Military and Veterans Affairs, Space, and Domestic Security).

B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill's introducer or the Florida Senate.

House

The Committee on Military and Veterans Affairs, Space, and Domestic Security (Burgess) recommended the following:

Senate Amendment (with title amendment)

Delete everything after the enacting clause
and insert:

Section 1. Section 394.47891, Florida Statutes, is amended
to read:

394.47891 ~~Military Veterans treatment and servicemembers~~
court programs.—

(1) LEGISLATIVE INTENT.—It is the intent of the Legislature
to encourage and support the judicial circuits of the state and

952314

other such agencies, local governments, interested public or private entities, and individuals to create and maintain a veterans treatment court in each circuit. The purpose of a veterans treatment court program is to address the underlying causes of a veteran's involvement with the judicial system through the use of specialized dockets, multidisciplinary teams, and evidence-based treatment. A veterans treatment court program shall use nonadversarial approaches to resolve such issues. Veterans treatment courts depend on the leadership of judges or magistrates educated in the issues and science of veterans' behaviors leading to court involvement and these courts require a rigorous team effort to detect, discern, and assist veterans in correcting the behaviors and choices that led to the veterans' court involvement. This section creates a detailed statewide standard for the creation and operation of, and procedures for, veterans treatment courts.

(2) DEFINITIONS.—For purposes of this section, the term:

(a) "Defendant" means a veteran or servicemember who has been charged with or convicted of a criminal offense.

(b) "Participant agreement" means the agreement as set forth in subsection (9) and any specific terms and conditions applicable to the defendant. The term includes any modifications made to the agreement under subsection (10).

(c) "Servicemember" means:

1. A member of the active or reserve components of the United States Army, Navy, Air Force, Marine Corps, or Coast Guard;

2. A member of the Florida National Guard or a National Guard of another state;

952314

40 3. A current or former contractor for the United States
41 Department of Defense; or

42 4. A current or former military member of a foreign allied
43 country.

44 (d) "Veteran" means a person who has served in the
45 military.

46 (e) "Veterans treatment court" means a specialized docket
47 administered by a court for veterans and servicemembers as set
48 forth in this section.

49 (3) AUTHORIZATION.—

50 (a) A court with jurisdiction over criminal cases may
51 create and administer a veterans treatment court.

52 (b) A veterans treatment court may adjudicate misdemeanors
53 and felonies.

54 (c) The chief judge may issue administrative orders
55 concerning the veterans treatment court.

56 (d) The chief judge and state attorney of the circuit that
57 creates and administers the veterans treatment court have the
58 exclusive authority to determine whether veterans who have been
59 dishonorably discharged may participate in the veterans
60 treatment court within the circuit.

61 (4) ADMISSION.—A defendant who meets the eligibility
62 requirements under subsection (8) may be admitted to a veterans
63 treatment court at any stage of a criminal proceeding. A
64 defendant seeking to participate in a veterans treatment court
65 must submit an application to the state attorney. The state
66 attorney and court must review each application and determine
67 whether the defendant meets the eligibility requirements in
68 subsection (8).

952314

(5) RECORD OF POLICIES AND PROCEDURES.—

(a) Each veterans treatment court shall seek input from the state attorney and other interested persons in developing and adopting policies and procedures to implement subsections (6) and (7).

(b) A veterans treatment court shall create a record of the policies and procedures adopted to implement subsections (6) and (7).

(6) KEY COMPONENTS OF A VETERANS TREATMENT COURT.—

(a) A veterans treatment court shall adopt policies and procedures to implement the following key components:

1. Integrating substance abuse and mental health treatment services and any other related treatment and rehabilitation services with justice system case processing;

2. Using a nonadversarial approach in which the state attorney and defense counsel promote public safety while protecting the due process rights of the defendant;

3. Providing for early identification of eligible defendants;

4. Monitoring defendants for abstinence from alcohol and drugs by frequent testing;

5. Providing ongoing judicial interaction with each defendant;

6. Monitoring and evaluating the achievement of each defendant's program goals; and

7. Forging partnerships among the veterans treatment courts, the United States Department of Veterans Affairs, the Florida Department of Veterans' Affairs, public agencies, and community-based organizations to generate local support and

952314

enhance the effectiveness of the veterans treatment court.

(b) In adopting policies and procedures under this section, the court shall consult nationally recognized best practices related to the key components of veterans treatment courts.

(7) SUPPLEMENTAL POLICIES AND PROCEDURES OF VETERANS TREATMENT COURTS.—A veterans treatment court may adopt supplemental policies and procedures to:

(a) Refer a defendant with a medical need to an appropriate health care provider or refer a defendant for appropriate assistance, including assistance with housing, employment, nutrition, mentoring, education, and driver license reinstatement.

(b) Otherwise encourage participation in the veterans treatment court.

(8) ELIGIBILITY.—

(a) A defendant may participate in a veterans treatment court if:

1. The defendant has a military- or service-related mental health condition, traumatic brain injury, substance use disorder, or psychological problem;

2. The defendant voluntarily agrees to the terms of the participant agreement by signing the agreement; and

3. The defendant's participation in the veterans treatment court is in the interest of justice and of benefit to the defendant and the community, as determined by:

a. The state attorney, with regard to pretrial diversion; and

b. The court, with regard to all other matters.

(b) In making the determination under subparagraph (a)3.,

952314

the state attorney and court must consider:

1. The nature and circumstances of the offense charged;

2. The special characteristics or circumstances of the defendant and any victim or alleged victim, including any recommendation of the victim or alleged victim;

3. The defendant's criminal history and whether the defendant previously participated in a veterans treatment court or similar program;

4. Whether the defendant's needs exceed the treatment resources available to the veterans treatment court;

5. The effect on the community of the defendant's participation and treatment in the veterans treatment court;

6. Recommendations of any law enforcement agency involved in investigating or arresting the defendant;

7. If the defendant owes restitution, the likelihood of payment during the defendant's participation in the veterans treatment court;

8. Any mitigating circumstances; and

9. Any other circumstances reasonably related to the defendant's case.

(9) PARTICIPANT AGREEMENT.—To participate in a veterans treatment court, the defendant must sign, and the court must approve, a participant agreement. If admission to the veterans treatment court occurs pretrial, the state attorney must sign the participant agreement.

(10) MODIFICATION OR TERMINATION.—If a veterans treatment court determines after a hearing that a defendant has not complied with the participant agreement, the court may modify or revoke the defendant's participation in the program.

952314

(11) COMPLETION OF THE PARTICIPANT AGREEMENT.—If a veterans treatment court determines that a defendant has completed the requirements of the participant agreement, the court shall dispose of the charge or charges that served as the basis for participation in the veterans treatment court in accordance with the participant agreement and any applicable plea agreement, court order, or judgment.

(12) LIBERAL CONSTRUCTION.—The provisions of this section shall be liberally construed.

(13) NO RIGHT TO PARTICIPATE.—This section does not create a right of a veteran or servicemember to participate in a veterans treatment court ~~The chief judge of each judicial circuit may establish a Military Veterans and Servicemembers Court Program under which veterans, as defined in s. 1.01; veterans who were discharged or released under any condition; servicemembers, as defined in s. 250.01; individuals who are current or former United States Department of Defense contractors; and individuals who are current or former military members of a foreign allied country, who are charged or convicted of a criminal offense, and who suffer from a military-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem can be sentenced in accordance with chapter 921 in a manner that appropriately addresses the severity of the mental illness, traumatic brain injury, substance abuse disorder, or psychological problem through services tailored to the individual needs of the participant. Entry into any Military Veterans and Servicemembers Court Program must be based upon the sentencing court's assessment of the defendant's criminal history, military~~

952314

~~service, substance abuse treatment needs, mental health treatment needs, amenability to the services of the program, the recommendation of the state attorney and the victim, if any, and the defendant's agreement to enter the program.~~

Section 2. Subsection (2) of section 43.51, Florida Statutes, is amended to read:

43.51 Problem-solving court reports.—

(2) For purposes of this section, the term "problem-solving court" includes, but is not limited to, a drug court pursuant to s. 397.334, s. 948.01, s. 948.06, s. 948.08, s. 948.16, or s. 948.20; a veterans treatment ~~military veterans' and servicemembers'~~ court pursuant to s. 394.47891, s. 948.08, s. 948.16, or s. 948.21; a mental health court program pursuant to s. 394.47892, s. 948.01, s. 948.06, s. 948.08, or s. 948.16; a community court pursuant to s. 948.081; or a delinquency pretrial intervention court program pursuant to s. 985.345.

Section 3. Paragraph (a) of subsection (5) of section 910.035, Florida Statutes, is amended to read:

910.035 Transfer from county for plea, sentence, or participation in a problem-solving court.—

(5) TRANSFER FOR PARTICIPATION IN A PROBLEM-SOLVING COURT.—

(a) For purposes of this subsection, the term "problem-solving court" means a drug court pursuant to s. 948.01, s. 948.06, s. 948.08, s. 948.16, or s. 948.20; a veterans treatment ~~military veterans' and servicemembers'~~ court pursuant to s. 394.47891, s. 948.08, s. 948.16, or s. 948.21; a mental health court program pursuant to s. 394.47892, s. 948.01, s. 948.06, s. 948.08, or s. 948.16; or a delinquency pretrial intervention court program pursuant to s. 985.345.

952314

Section 4. Paragraph (k) of subsection (2) of section 948.06, Florida Statutes, is amended to read:

948.06 Violation of probation or community control; revocation; modification; continuance; failure to pay restitution or cost of supervision.—

(2)

(k)1. Notwithstanding s. 921.0024 and effective for offenses committed on or after July 1, 2016, the court may order the offender to successfully complete a postadjudicatory mental health court program under s. 394.47892 or a veterans treatment ~~military veterans and servicemembers~~ court program under s. 394.47891 if:

a. The court finds or the offender admits that the offender has violated his or her community control or probation;

b. The underlying offense is a nonviolent felony. As used in this subsection, the term "nonviolent felony" means a third degree felony violation under chapter 810 or any other felony offense that is not a forcible felony as defined in s. 776.08. Offenders charged with resisting an officer with violence under s. 843.01, battery on a law enforcement officer under s. 784.07, or aggravated assault may participate in the mental health court program if the court so orders after the victim is given his or her right to provide testimony or written statement to the court as provided in s. 921.143;

c. The court determines that the offender is amenable to the services of a postadjudicatory mental health court program, including taking prescribed medications, or a veterans treatment ~~military veterans and servicemembers~~ court program;

d. The court explains the purpose of the program to the

952314

offender and the offender agrees to participate; and

e. The offender is otherwise qualified to participate in a postadjudicatory mental health court program under s. 394.47892(4) or a veterans treatment ~~military veterans and servicemembers~~ court program under s. 394.47891.

2. After the court orders the modification of community control or probation, the original sentencing court shall relinquish jurisdiction of the offender's case to the postadjudicatory mental health court program or the veterans treatment court program until the offender is no longer active in the program, the case is returned to the sentencing court due to the offender's termination from the program for failure to comply with the terms thereof, or the offender's sentence is completed.

Section 5. Paragraph (a) of subsection (7) of section 948.08, Florida Statutes, is amended to read:

948.08 Pretrial intervention program.—

(7)(a) Notwithstanding any provision of this section, a person who is charged with a felony, other than a felony listed in s. 948.06(8)(c), and who is identified as a veteran or a servicemember, as defined in s. 394.47891, and is otherwise qualified to participate in a veterans treatment court program under s. 394.47891, s. 1.01; a veteran who is discharged or released under any condition; a servicemember, as defined in s. 250.01; an individual who is a current or former United States Department of Defense contractor; or an individual who is a current or former military member of a foreign allied country, who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or

952314

~~psychological problem~~ is eligible for voluntary admission into a pretrial veterans' treatment intervention program approved by the chief judge of the circuit, upon motion of either party or the court's own motion, except:

1. If a defendant was previously offered admission to a pretrial veterans' treatment intervention program at any time before trial and the defendant rejected that offer on the record, the court may deny the defendant's admission to such a program.

2. If a defendant previously entered a court-ordered veterans' treatment program, the court may deny the defendant's admission into the pretrial veterans' treatment program.

Section 6. Paragraph (a) of subsection (2) of section 948.16, Florida Statutes, is amended to read:

948.16 Misdemeanor pretrial substance abuse education and treatment intervention program; misdemeanor pretrial veterans' treatment intervention program; misdemeanor pretrial mental health court program.—

(2) (a) A veteran or a servicemember, as defined in s. 394.47891, who is otherwise qualified to participate in a veterans treatment court program under that section ~~s. 1.01; a veteran who is discharged or released under any condition; a servicemember, as defined in s. 250.01; an individual who is a current or former United States Department of Defense contractor; or an individual who is a current or former military member of a foreign allied country, who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem, and who is~~ charged with a misdemeanor is eligible for voluntary admission

952314

into a misdemeanor pretrial veterans' treatment intervention program approved by the chief judge of the circuit, for a period based on the program's requirements and the treatment plan for the offender, upon motion of either party or the court's own motion. However, the court may deny the defendant admission into a misdemeanor pretrial veterans' treatment intervention program if the defendant has previously entered a court-ordered veterans' treatment program.

Section 7. Present subsection (4) of section 948.21, Florida Statutes, is redesignated as subsection (5), and a new subsection (4) is added to that section, to read:

948.21 Condition of probation or community control; military servicemembers and veterans.—

(4) Effective for a probationer or community controllee whose crime is committed on or after July 1, 2021, who is a veteran or a servicemember as defined in s. 394.47891, and who is otherwise qualified to participate in a veterans treatment court program under s. 394.47891, the court may, in addition to any other conditions imposed, require the probationer or community controllee to participate in a treatment program capable of treating the probationer or community controllee's military- or service-related mental illness, traumatic brain injury, substance use disorder, or psychological problem.

Section 8. A Military Veterans and Servicemembers Court Program in operation under s. 394.47891, Florida Statutes, on or before June 30, 2021, may continue to operate following the effective date of this act, but must comply with the amendments made by this act to that section. This act does not affect or alter the rights or responsibilities of any person who, on or

952314

before June 30, 2021, was admitted to and participating in a
Military Veterans and Servicemembers Court Program established
under s. 394.47891, Florida Statutes.

Section 9. This act shall take effect July 1, 2021.

===== T I T L E A M E N D M E N T =====

And the title is amended as follows:

Delete everything before the enacting clause
and insert:

A bill to be entitled

An act relating to veterans treatment courts; amending
s. 394.47891, F.S.; providing legislative intent;
defining terms; authorizing certain courts to create
and administer veterans treatment courts for specified
purposes; providing standards for admission to a
veterans treatment court program; specifying program
implementation procedures, components, and policies;
specifying eligibility requirements for participation
in the program; requiring participant agreements and
specifying requirements for the agreements; providing
construction; specifying that the act does not create
a right to participate in the program; deleting
provisions relating to the Military Veterans and
Servicemembers Court Program, to conform to changes
made by the act; amending ss. 43.51, 910.035, and
948.06, F.S.; conforming provisions to changes made by
the act; amending ss. 948.08 and 948.16, F.S.;
revising eligibility for certain pretrial programs to
include certain individuals eligible to participate in

952314

a veterans treatment court program; amending s.
948.21, F.S.; authorizing a court to impose a
condition requiring a probationer or community
controllee eligible to participate in a veterans
treatment court program to participate in certain
treatment programs under certain circumstances;
specifying applicability of the act to participants in
certain court programs in existence as of a specified
date; providing an effective date.

112316

LEGISLATIVE ACTION

Senate	.	House
Comm: RCS	.	
03/17/2021	.	
	.	
	.	
	.	

The Committee on Military and Veterans Affairs, Space, and Domestic Security (Burgess) recommended the following:

Senate Substitute for Amendment (952314) (with title amendment)

Delete everything after the enacting clause and insert:

Section 1. Section 394.47891, Florida Statutes, is amended to read:

394.47891 ~~Military Veterans~~ treatment ~~and servicemembers~~ court programs.—

(1) LEGISLATIVE INTENT.—It is the intent of the Legislature

112316

to encourage and support the judicial circuits of the state and other such agencies, local governments, interested public or private entities, and individuals to create and maintain a veterans treatment court in each circuit. The purpose of a veterans treatment court program is to address the underlying causes of a veteran's involvement with the judicial system through the use of specialized dockets, multidisciplinary teams, and evidence-based treatment. A veterans treatment court program shall use nonadversarial approaches to resolve such issues. Veterans treatment courts depend on the leadership of judges or magistrates educated in the issues and science of veterans' behaviors leading to court involvement, and these courts require a rigorous team effort to detect, discern, and assist veterans in correcting the behaviors and choices that led to the veterans' court involvement. This section creates a detailed statewide standard for the creation and operation of, and procedures for, veterans treatment courts.

(2) DEFINITIONS.—For purposes of this section, the term:

(a) "Defendant" means a veteran or servicemember who has been charged with or convicted of a criminal offense.

(b) "Participant agreement" means the agreement as set forth in subsection (9) and any specific terms and conditions applicable to the defendant. The term includes any modifications made to the agreement under subsection (10).

(c) "Servicemember" means:

1. A member of the active or reserve components of the United States Army, Navy, Air Force, Marine Corps, or Coast Guard;

2. A member of the Florida National Guard or a National

112316

Guard of another state;

3. A current or former contractor for the United States
Department of Defense; or

4. A current or former military member of a foreign allied
country.

(d) "Veteran" means a person who has served in the
military.

(e) "Veterans treatment court" means a specialized docket
administered by a court for veterans and servicemembers as set
forth in this section.

(3) AUTHORIZATION.—

(a) A court with jurisdiction over criminal cases may
create and administer a veterans treatment court.

(b) A veterans treatment court may adjudicate misdemeanors
and felonies.

(c) The chief judge may issue administrative orders
concerning the veterans treatment court.

(d) The chief judge and state attorney of the circuit that
creates and administers the veterans treatment court have the
exclusive authority to determine whether veterans who have been
dishonorably discharged may participate in the veterans
treatment court within the circuit.

(4) ADMISSION.—A defendant who meets the eligibility
requirements under subsection (8) may be admitted to a veterans
treatment court at any stage of a criminal proceeding. A
defendant seeking to participate in a veterans treatment court
must submit an application to the state attorney. The state
attorney and court must review each application and determine
whether the defendant meets the eligibility requirements in

112316

subsection (8).

(5) RECORD OF POLICIES AND PROCEDURES.—

(a) Each veterans treatment court shall seek input from the state attorney and other interested persons in developing and adopting policies and procedures to implement subsections (6) and (7).

(b) A veterans treatment court shall create a record of the policies and procedures adopted to implement subsections (6) and (7).

(6) KEY COMPONENTS OF A VETERANS TREATMENT COURT.—

(a) A veterans treatment court shall adopt policies and procedures to implement the following key components:

1. Integrating substance abuse and mental health treatment services and any other related treatment and rehabilitation services with justice system case processing;

2. Using a nonadversarial approach in which the state attorney and defense counsel promote public safety while protecting the due process rights of the defendant;

3. Providing for early identification of eligible defendants;

4. Monitoring defendants for abstinence from alcohol and drugs by frequent testing;

5. Providing ongoing judicial interaction with each defendant;

6. Monitoring and evaluating the achievement of each defendant's program goals; and

7. Forging partnerships among the veterans treatment courts, the United States Department of Veterans Affairs, the Florida Department of Veterans' Affairs, public agencies, and

112316

community-based organizations to generate local support and
enhance the effectiveness of the veterans treatment court.

(b) In adopting policies and procedures under this section,
the court shall consult nationally recognized best practices
related to the key components of veterans treatment courts.

(7) SUPPLEMENTAL POLICIES AND PROCEDURES OF VETERANS
TREATMENT COURTS.—A veterans treatment court may adopt
supplemental policies and procedures to:

(a) Refer a defendant with a medical need to an appropriate
health care provider or refer a defendant for appropriate
assistance, including assistance with housing, employment,
nutrition, mentoring, education, and driver license
reinstatement.

(b) Otherwise encourage participation in the veterans
treatment court.

(8) ELIGIBILITY.—

(a) A defendant may participate in a veterans treatment
court if:

1. The defendant has a military- or service-related mental
health condition, traumatic brain injury, substance use
disorder, or psychological problem;

2. The defendant voluntarily agrees to the terms of the
participant agreement by signing the agreement; and

3. The defendant's participation in the veterans treatment
court is in the interest of justice and of benefit to the
defendant and the community, as determined by:

a. The state attorney, with regard to pretrial diversion;
and

b. The court, with regard to all other matters.

112316

(b) In making the determination under subparagraph (a)3., the state attorney and court must consider:

1. The nature and circumstances of the offense charged;

2. The special characteristics or circumstances of the defendant and any victim or alleged victim, including any recommendation of the victim or alleged victim;

3. The defendant's criminal history and whether the defendant previously participated in a veterans treatment court or similar program;

4. Whether the defendant's needs exceed the treatment resources available to the veterans treatment court;

5. The effect on the community of the defendant's participation and treatment in the veterans treatment court;

6. Recommendations of any law enforcement agency involved in investigating or arresting the defendant;

7. If the defendant owes restitution, the likelihood of payment during the defendant's participation in the veterans treatment court;

8. Any mitigating circumstances; and

9. Any other circumstances reasonably related to the defendant's case.

(9) LIBERAL CONSTRUCTION.—The provisions of this section shall be liberally construed.

(10) NO RIGHT TO PARTICIPATE.—This section does not create a right of a veteran or servicemember to participate in a veterans treatment court ~~The chief judge of each judicial circuit may establish a Military Veterans and Servicemembers Court Program under which veterans, as defined in s. 1.01; veterans who were discharged or released under any condition;~~

112316

~~servicemembers, as defined in s. 250.01; individuals who are
current or former United States Department of Defense
contractors; and individuals who are current or former military
members of a foreign allied country, who are charged or
convicted of a criminal offense, and who suffer from a military-
related mental illness, traumatic brain injury, substance abuse
disorder, or psychological problem can be sentenced in
accordance with chapter 921 in a manner that appropriately
addresses the severity of the mental illness, traumatic brain
injury, substance abuse disorder, or psychological problem
through services tailored to the individual needs of the
participant. Entry into any Military Veterans and Servicemembers
Court Program must be based upon the sentencing court's
assessment of the defendant's criminal history, military
service, substance abuse treatment needs, mental health
treatment needs, amenability to the services of the program, the
recommendation of the state attorney and the victim, if any, and
the defendant's agreement to enter the program.~~

Section 2. Subsection (2) of section 43.51, Florida
Statutes, is amended to read:

43.51 Problem-solving court reports.—

(2) For purposes of this section, the term "problem-solving
court" includes, but is not limited to, a drug court pursuant to
s. 397.334, s. 948.01, s. 948.06, s. 948.08, s. 948.16, or s.
948.20; a veterans treatment ~~military veterans' and
servicemembers'~~ court pursuant to s. 394.47891, s. 948.08, s.
948.16, or s. 948.21; a mental health court program pursuant to
s. 394.47892, s. 948.01, s. 948.06, s. 948.08, or s. 948.16; a
community court pursuant to s. 948.081; or a delinquency

112316

pretrial intervention court program pursuant to s. 985.345.

Section 3. Paragraph (a) of subsection (5) of section 910.035, Florida Statutes, is amended to read:

910.035 Transfer from county for plea, sentence, or participation in a problem-solving court.—

(5) TRANSFER FOR PARTICIPATION IN A PROBLEM-SOLVING COURT.—

(a) For purposes of this subsection, the term “problem-solving court” means a drug court pursuant to s. 948.01, s. 948.06, s. 948.08, s. 948.16, or s. 948.20; a veterans treatment ~~military veterans’ and servicemembers’~~ court pursuant to s. 394.47891, s. 948.08, s. 948.16, or s. 948.21; a mental health court program pursuant to s. 394.47892, s. 948.01, s. 948.06, s. 948.08, or s. 948.16; or a delinquency pretrial intervention court program pursuant to s. 985.345.

Section 4. Paragraph (k) of subsection (2) of section 948.06, Florida Statutes, is amended to read:

948.06 Violation of probation or community control; revocation; modification; continuance; failure to pay restitution or cost of supervision.—

(2)

(k)1. Notwithstanding s. 921.0024 and effective for offenses committed on or after July 1, 2016, the court may order the offender to successfully complete a postadjudicatory mental health court program under s. 394.47892 or a veterans treatment ~~military veterans and servicemembers~~ court program under s. 394.47891 if:

a. The court finds or the offender admits that the offender has violated his or her community control or probation;

b. The underlying offense is a nonviolent felony. As used

112316

in this subsection, the term "nonviolent felony" means a third degree felony violation under chapter 810 or any other felony offense that is not a forcible felony as defined in s. 776.08. Offenders charged with resisting an officer with violence under s. 843.01, battery on a law enforcement officer under s. 784.07, or aggravated assault may participate in the mental health court program if the court so orders after the victim is given his or her right to provide testimony or written statement to the court as provided in s. 921.143;

c. The court determines that the offender is amenable to the services of a postadjudicatory mental health court program, including taking prescribed medications, or a veterans treatment ~~military veterans and servicemembers~~ court program;

d. The court explains the purpose of the program to the offender and the offender agrees to participate; and

e. The offender is otherwise qualified to participate in a postadjudicatory mental health court program under s. 394.47892(4) or a veterans treatment ~~military veterans and servicemembers~~ court program under s. 394.47891.

2. After the court orders the modification of community control or probation, the original sentencing court shall relinquish jurisdiction of the offender's case to the postadjudicatory mental health court program or the veterans treatment court program until the offender is no longer active in the program, the case is returned to the sentencing court due to the offender's termination from the program for failure to comply with the terms thereof, or the offender's sentence is completed.

Section 5. Paragraph (a) of subsection (7) of section

112316

948.08, Florida Statutes, is amended to read:

948.08 Pretrial intervention program.—

(7) (a) ~~Notwithstanding any provision of this section, A~~
person who is charged with a felony, other than a felony listed
in s. 948.06(8)(c), and who is identified as a veteran or a
servicemember, as defined in s. 394.47891, and is otherwise
qualified to participate in a veterans treatment court program
under s. 394.47891 s. 1.01; a veteran who is discharged or
released under any condition; a servicemember, as defined in s.
250.01; an individual who is a current or former United States
Department of Defense contractor; or an individual who is a
current or former military member of a foreign allied country,
who suffers from a military service-related mental illness,
traumatic brain injury, substance abuse disorder, or
psychological problem is eligible for voluntary admission into a
veterans treatment court program pursuant to the requirements of
s. 394.47891(4) and (8). ~~pretrial veterans' treatment~~
~~intervention program approved by the chief judge of the circuit,~~
~~upon motion of either party or the court's own motion, except:~~

1. ~~If a defendant was previously offered admission to a~~
~~pretrial veterans' treatment intervention program at any time~~
~~before trial and the defendant rejected that offer on the~~
~~record, the court may deny the defendant's admission to such a~~
~~program.~~

2. ~~If a defendant previously entered a court-ordered~~
~~veterans' treatment program, the court may deny the defendant's~~
~~admission into the pretrial veterans' treatment program.~~

Section 6. Paragraph (a) of subsection (2) of section
948.16, Florida Statutes, is amended to read:

112316

948.16 Misdemeanor pretrial substance abuse education and treatment intervention program; misdemeanor pretrial veterans' treatment intervention program; misdemeanor pretrial mental health court program.—

(2) (a) A veteran or a servicemember, as defined in s. 394.47891, who is otherwise qualified to participate in a veterans treatment court program under s. 394.47891 ~~s. 1.01; a veteran who is discharged or released under any condition; a servicemember, as defined in s. 250.01; an individual who is a current or former United States Department of Defense contractor; or an individual who is a current or former military member of a foreign allied country, who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem, and who is charged with a misdemeanor is eligible for voluntary admission into a misdemeanor veterans treatment court ~~pretrial veterans' treatment intervention program approved by the chief judge of the circuit~~, for a period based on the program's requirements and the treatment plan for the offender, pursuant to the requirements of s. 394.47891(4) and (8) ~~upon motion of either party or the court's own motion. However, the court may deny the defendant admission into a misdemeanor pretrial veterans' treatment intervention program if the defendant has previously entered a court-ordered veterans' treatment program.~~~~

Section 7. Present subsection (4) of section 948.21, Florida Statutes, is redesignated as subsection (5), and a new subsection (4) is added to that section, to read:

948.21 Condition of probation or community control; military servicemembers and veterans.—

112316

(4) Effective for a probationer or community controllee whose crime is committed on or after July 1, 2021, who is a veteran or a servicemember as defined in s. 394.47891, and who is otherwise qualified to participate in a veterans treatment court program under s. 394.47891, the court may, in addition to any other conditions imposed, require the probationer or community controllee to participate in a treatment program capable of treating the probationer or community controllee's military- or service-related mental illness, traumatic brain injury, substance use disorder, or psychological problem.

Section 8. A Military Veterans and Servicemembers Court Program in operation under s. 394.47891, Florida Statutes, on or before June 30, 2021, may continue to operate following the effective date of this act, but must comply with the amendments made by this act to that section. This act does not affect or alter the rights or responsibilities of any person who, on or before June 30, 2021, was admitted to and participating in a Military Veterans and Servicemembers Court Program established under s. 394.47891, Florida Statutes.

Section 9. This act shall take effect July 1, 2021.

2021764__

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 394.47891, Florida Statutes, is amended to read:

394.47891 ~~Military Veterans treatment and servicemembers~~ court programs.—

(1) LEGISLATIVE INTENT.—It is the intent of the Legislature to encourage and support the judicial circuits of the state and other such agencies, local governments, interested public or private entities, and individuals to create and maintain veterans treatment courts in each circuit. The purpose of a veterans treatment court program is to address the underlying causes of a veteran's involvement with the judicial system through the use of specialized dockets, multidisciplinary teams, and evidence-based treatment. A veterans treatment court program shall use nonadversarial approaches to resolve such issues. Veterans treatment courts depend on the leadership of judges or magistrates who are educated in the issues and science of veterans' behaviors leading to court involvement and require a rigorous team effort to detect, discern, and assist veterans in correcting the behaviors and choices that led to the veterans' court involvement. This section creates a detailed statewide standard for the creation and operation of, and procedures for, veterans treatment courts.

(2) DEFINITIONS.—For purposes of this section, the term:

(a) "Defendant" means a veteran or servicemember who has been charged with or convicted of a criminal offense.

(b) "Participant agreement" means the agreement as set

Page 2 of 13

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

20-00516-21

2021764

59 forth in subsection (9) and any specific terms and conditions
 60 applicable to the defendant. The term includes any modifications
 61 made to the agreement under subsection (10).

62 (c) "Servicemember" means:

63 1. A member of the active or reserve components of the
 64 United States Army, Navy, Air Force, Marine Corps, or Coast
 65 Guard;

66 2. A member of the Florida National Guard;

67 3. A current or former contractor for the United States
 68 Department of Defense; or

69 4. A current or former military member of a foreign allied
 70 country.

71 (d) "Veteran" means a person who has served in the
 72 military.

73 (e) "Veterans treatment court" means a specialized docket
 74 administered by a court for veterans and servicemembers as set
 75 forth in this section.

76 (3) AUTHORIZATION.—

77 (a) A court with jurisdiction over criminal cases may
 78 create and administer a veterans treatment court.

79 (b) A veterans treatment court may adjudicate misdemeanors
 80 and felonies.

81 (c) The chief judge may issue administrative orders
 82 concerning the veterans treatment court.

83 (d) The chief judge and state attorney of the circuit that
 84 creates and administers the veterans treatment court have the
 85 exclusive authority to determine whether veterans who have been
 86 dishonorably discharged may participate in the veterans
 87 treatment court within the circuit.

Page 3 of 13

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

20-00516-21

2021764

88 (4) ADMISSION.—A defendant who meets the eligibility
 89 requirements under subsection (8) may be admitted to a veterans
 90 treatment court at any stage of a criminal proceeding. A
 91 defendant seeking to participate in a veterans treatment court
 92 must submit an application to the state attorney. The state
 93 attorney and court must review each application and determine
 94 whether the defendant meets the eligibility requirements in
 95 subsection (8).

96 (5) RECORD OF POLICIES AND PROCEDURES.—

97 (a) Each veterans treatment court shall seek input from the
 98 state attorney and other interested persons in developing and
 99 adopting policies and procedures to implement subsections (6)
 100 and (7).

101 (b) A veterans treatment court shall create a record of the
 102 policies and procedures adopted to implement subsections (6) and
 103 (7).

104 (6) KEY COMPONENTS OF A VETERANS TREATMENT COURT.—

105 (a) A veterans treatment court shall adopt policies and
 106 procedures to implement the following key components, including:

107 1. Integrating substance abuse and mental health treatment
 108 services and any other related treatment and rehabilitation
 109 services with justice system case processing;

110 2. Using a nonadversarial approach in which the state
 111 attorney and defense counsel promote public safety while
 112 protecting the due process rights of the defendant;

113 3. Providing for early identification of eligible
 114 defendants;

115 4. Monitoring defendants for abstinence from alcohol and
 116 drugs by frequent testing;

Page 4 of 13

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

20-00516-21

2021764

117 5. Providing ongoing judicial interaction with each
 118 defendant;

119 6. Monitoring and evaluating the achievement of each
 120 defendant's program goals; and

121 7. Forging partnerships among the veterans treatment
 122 courts, the United States Department of Veterans Affairs, the
 123 Florida Department of Veterans' Affairs, public agencies, and
 124 community-based organizations to generate local support and
 125 enhance the effectiveness of the veterans treatment court.

126 (b) In adopting policies and procedures under this section,
 127 the court shall consult nationally recognized best practices
 128 related to the key components of veterans treatment courts.

129 (7) SUPPLEMENTAL POLICIES AND PROCEDURES OF VETERANS
 130 TREATMENT COURTS.—A veterans treatment court may adopt
 131 supplemental policies and procedures to:

132 (a) Refer a defendant with a medical need to an appropriate
 133 health care provider or refer a defendant for appropriate
 134 assistance, including assistance with housing, employment,
 135 nutrition, mentoring, education, and driver license
 136 reinstatement.

137 (b) Otherwise encourage participation in the veterans
 138 treatment court.

139 (8) ELIGIBILITY.—

140 (a) A defendant may participate in a veterans treatment
 141 court if:

142 1. The defendant has a mental health condition, traumatic
 143 brain injury, substance use disorder, or psychological problem;

144 2. The defendant voluntarily agrees to the terms of the
 145 participant agreement by signing the agreement; and

20-00516-21

2021764

146 3. The defendant's participation in the veterans treatment
 147 court is in the interest of justice and of benefit to the
 148 defendant and the community, as determined by:

149 a. The state attorney, with regard to pretrial diversion;
 150 and

151 b. The court, with regard to all other matters.

152 (b) In making the determination under subparagraph (a)3.,
 153 the state attorney and court must consider:

154 1. The nature and circumstances of the offense charged;

155 2. The special characteristics or circumstances of the
 156 defendant and any victim or alleged victim, including any
 157 recommendation of the victim or alleged victim;

158 3. The defendant's criminal history and whether the
 159 defendant previously participated in a veterans treatment court
 160 or similar program;

161 4. Whether the defendant's needs exceed the treatment
 162 resources available to the veterans treatment court;

163 5. The impact on the community of the defendant's
 164 participation and treatment in the veterans treatment court;

165 6. Recommendations of any law enforcement agency involved
 166 in investigating or arresting the defendant;

167 7. If the defendant owes restitution, the likelihood of
 168 payment during the defendant's participation in the veterans
 169 treatment court;

170 8. Any mitigating circumstances; and

171 9. Any other circumstances reasonably related to the
 172 defendant's case.

173 (9) PARTICIPANT AGREEMENT.—To participate in a veterans
 174 treatment court, the defendant must sign, and the court must

20-00516-21

2021764

approve, a participant agreement. If admission to the veterans treatment court occurs pretrial, the state attorney must sign the participant agreement.

(10) MODIFICATION OR TERMINATION.—If a veterans treatment court determines after a hearing that a defendant has not complied with the participant agreement, the court may modify or revoke the defendant's participation in the program.

(11) COMPLETION OF THE PARTICIPANT AGREEMENT.—If a veterans treatment court determines that a defendant has completed the requirements of the participant agreement, the court shall dispose of the charge or charges that served as the basis for participation in the veterans treatment court in accordance with the participant agreement and any applicable plea agreement, court order, or judgment.

(12) LIBERAL CONSTRUCTION.—The provisions of this section shall be liberally construed.

(13) NO RIGHT TO PARTICIPATE.—This section does not create a right of a veteran or servicemember to participate in a veterans treatment court. ~~The chief judge of each judicial circuit may establish a Military Veterans and Servicemembers Court Program under which veterans, as defined in s. 1.01, veterans who were discharged or released under any condition, servicemembers, as defined in s. 250.01, individuals who are current or former United States Department of Defense contractors, and individuals who are current or former military members of a foreign allied country, who are charged or convicted of a criminal offense, and who suffer from a military-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem can be sentenced in~~

Page 7 of 13

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

20-00516-21

2021764

~~accordance with chapter 921 in a manner that appropriately addresses the severity of the mental illness, traumatic brain injury, substance abuse disorder, or psychological problem through services tailored to the individual needs of the participant. Entry into any Military Veterans and Servicemembers Court Program must be based upon the sentencing court's assessment of the defendant's criminal history, military service, substance abuse treatment needs, mental health treatment needs, amenability to the services of the program, the recommendation of the state attorney and the victim, if any, and the defendant's agreement to enter the program.~~

Section 2. Subsection (2) of section 43.51, Florida Statutes, is amended to read:

43.51 Problem-solving court reports.—

(2) For purposes of this section, the term "problem-solving court" includes, but is not limited to, a drug court pursuant to s. 397.334, s. 948.01, s. 948.06, s. 948.08, s. 948.16, or s. 948.20; a veterans treatment ~~military veterans' and servicemembers'~~ court pursuant to s. 394.47891, s. 948.08, s. 948.16, or s. 948.21; a mental health court program pursuant to s. 394.47892, s. 948.01, s. 948.06, s. 948.08, or s. 948.16; a community court pursuant to s. 948.081; or a delinquency pretrial intervention court program pursuant to s. 985.345.

Section 3. Paragraph (a) of subsection (5) of section 910.035, Florida Statutes, is amended to read:

910.035 Transfer from county for plea, sentence, or participation in a problem-solving court.—

(5) TRANSFER FOR PARTICIPATION IN A PROBLEM-SOLVING COURT.—

(a) For purposes of this subsection, the term "problem-

Page 8 of 13

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

20-00516-21 2021764
 233 solving court" means a drug court pursuant to s. 948.01, s.
 234 948.06, s. 948.08, s. 948.16, or s. 948.20; a veterans treatment
 235 ~~military veterans' and servicemembers'~~ court pursuant to s.
 236 394.47891, s. 948.08, s. 948.16, or s. 948.21; a mental health
 237 court program pursuant to s. 394.47892, s. 948.01, s. 948.06, s.
 238 948.08, or s. 948.16; or a delinquency pretrial intervention
 239 court program pursuant to s. 985.345.

240 Section 4. Paragraph (k) of subsection (2) of section
 241 948.06, Florida Statutes, is amended to read:

242 948.06 Violation of probation or community control;
 243 revocation; modification; continuance; failure to pay
 244 restitution or cost of supervision.—

245 (2)

246 (k)1. Notwithstanding s. 921.0024 and effective for
 247 offenses committed on or after July 1, 2016, the court may order
 248 the offender to successfully complete a postadjudicatory mental
 249 health court program under s. 394.47892 or a veterans treatment
 250 ~~military veterans and servicemembers~~ court program under s.
 251 394.47891 if:

252 a. The court finds or the offender admits that the offender
 253 has violated his or her community control or probation;

254 b. The underlying offense is a nonviolent felony. As used
 255 in this subsection, the term "nonviolent felony" means a third
 256 degree felony violation under chapter 810 or any other felony
 257 offense that is not a forcible felony as defined in s. 776.08.
 258 Offenders charged with resisting an officer with violence under
 259 s. 843.01, battery on a law enforcement officer under s. 784.07,
 260 or aggravated assault may participate in the mental health court
 261 program if the court so orders after the victim is given his or

20-00516-21 2021764
 262 her right to provide testimony or written statement to the court
 263 as provided in s. 921.143;

264 c. The court determines that the offender is amenable to
 265 the services of a postadjudicatory mental health court program,
 266 including taking prescribed medications, or a veterans treatment
 267 ~~military veterans and servicemembers~~ court program;

268 d. The court explains the purpose of the program to the
 269 offender and the offender agrees to participate; and

270 e. The offender is otherwise qualified to participate in a
 271 postadjudicatory mental health court program under s.
 272 394.47892(4) or a veterans treatment ~~military veterans and~~
 273 ~~servicemembers~~ court program under s. 394.47891.

274 2. After the court orders the modification of community
 275 control or probation, the original sentencing court shall
 276 relinquish jurisdiction of the offender's case to the
 277 postadjudicatory mental health court program or the veterans
 278 treatment court until the offender is no longer active in the
 279 program, the case is returned to the sentencing court due to the
 280 offender's termination from the program for failure to comply
 281 with the terms thereof, or the offender's sentence is completed.

282 Section 5. Paragraph (a) of subsection (7) of section
 283 948.08, Florida Statutes, is amended to read:

284 948.08 Pretrial intervention program.—

285 (7) (a) Notwithstanding any provision of this section, a
 286 person who is charged with a felony, other than a felony listed
 287 in s. 948.06(8)(c), and who is identified as a veteran or a
 288 servicemember, as defined in s. 394.47891, and is otherwise
 289 qualified to participate in a veterans treatment court under s.
 290 394.47891, s. 1.01; a veteran who is discharged or released

20-00516-21

2021764__

291 ~~under any condition; a servicemember, as defined in s. 250.01,~~
 292 ~~an individual who is a current or former United States~~
 293 ~~Department of Defense contractor; or an individual who is a~~
 294 ~~current or former military member of a foreign allied country,~~
 295 ~~who suffers from a military service related mental illness,~~
 296 ~~traumatic brain injury, substance abuse disorder, or~~
 297 ~~psychological problem~~ is eligible for voluntary admission into a
 298 pretrial veterans' treatment intervention program approved by
 299 the chief judge of the circuit, upon motion of either party or
 300 the court's own motion, except:

301 1. If a defendant was previously offered admission to a
 302 pretrial veterans' treatment intervention program at any time
 303 before trial and the defendant rejected that offer on the
 304 record, the court may deny the defendant's admission to such a
 305 program.

306 2. If a defendant previously entered a court-ordered
 307 veterans' treatment program, the court may deny the defendant's
 308 admission into the pretrial veterans' treatment program.

309 Section 6. Paragraph (a) of subsection (2) of section
 310 948.16, Florida Statutes, is amended to read:

311 948.16 Misdemeanor pretrial substance abuse education and
 312 treatment intervention program; misdemeanor pretrial veterans'
 313 treatment intervention program; misdemeanor pretrial mental
 314 health court program.—

315 (2)(a) A veteran or a servicemember, as defined in s.
 316 394.47891, who is otherwise qualified to participate in a
 317 veterans treatment court under that section s. 1.01; a veteran
 318 ~~who is discharged or released under any condition; a~~
 319 ~~servicemember, as defined in s. 250.01; an individual who is a~~

320 ~~current or former United States Department of Defense~~
 321 ~~contractor; or an individual who is a current or former military~~
 322 ~~member of a foreign allied country, who suffers from a military~~
 323 ~~service-related mental illness, traumatic brain injury,~~
 324 ~~substance abuse disorder, or psychological problem, and who is~~
 325 charged with a misdemeanor is eligible for voluntary admission
 326 into a misdemeanor pretrial veterans' treatment intervention
 327 program approved by the chief judge of the circuit, for a period
 328 based on the program's requirements and the treatment plan for
 329 the offender, upon motion of either party or the court's own
 330 motion. However, the court may deny the defendant admission into
 331 a misdemeanor pretrial veterans' treatment intervention program
 332 if the defendant has previously entered a court-ordered
 333 veterans' treatment program.

334 Section 7. Present subsection (4) of section 948.21,
 335 Florida Statutes, is redesignated as subsection (5), and a new
 336 subsection (4) is added to that section, to read:

337 948.21 Condition of probation or community control;
 338 military servicemembers and veterans.—

339 (4) Effective for a probationer or community controllee
 340 whose crime is committed on or after July 1, 2021, who is a
 341 veteran or a servicemember as defined in s. 394.47891, and who
 342 is otherwise qualified to participate in a veterans treatment
 343 court under s. 394.47891, the court may, in addition to any
 344 other conditions imposed, impose a condition requiring the
 345 probationer or community controllee to participate in a
 346 treatment program capable of treating the probationer or
 347 community controllee's mental illness, traumatic brain injury,
 348 substance abuse disorder, or psychological problem.

349 Section 8. A Military Veterans and Servicemembers Court
350 Program in operation under s. 394.47891, Florida Statutes, on or
351 before June 30, 2021, may continue to operate following the
352 effective date of this act, but must comply with the amendments
353 made by this act to that section. This act does not affect or
354 alter the rights or responsibilities of any person who, on or
355 before June 30, 2021, was admitted to and participating in a
356 Military Veterans and Servicemembers Court Program established
357 under s. 394.47891, Florida Statutes.
358 Section 9. This act shall take effect July 1, 2021.

The Florida Senate

Committee Agenda Request

To: Senator Tom Wright, Chair
Committee on Military and Veterans Affairs, Space, and Domestic Security

Subject: Committee Agenda Request

Date: February 16, 2021

I respectfully request that **Senate Bill #764**, relating to Veterans Treatment Courts, be placed on the:

- ☐ committee agenda at your earliest possible convenience.
- ☒ next committee agenda.

A handwritten signature in blue ink, appearing to read "Danny", is written over a horizontal line.

The Honorable Wilton Simpson
President, The Florida Senate
409 The Capitol
404 South Monroe Street
Tallahassee, Florida 32399-1100

Dear President Simpson:

Enclosed please find the report on problem-solving courts required by s. 43.51, F.S., and proviso accompanying Specific Appropriation 3226 in the fiscal year 2020-21 General Appropriations Act (s. 7, ch. 2020-111, Laws of Fla.). The report addresses the number of problem-solving court participants, the types of services provided, the sources of funding for problem-solving courts, and information on performance.

I look forward to working with the Legislature to ensure that this report, which the statute requires my office to submit annually, addresses the Legislature's needs for information on problem-solving courts.

Sincerely,

Elisabeth H. Kiel

Florida Problem-Solving Courts Report

Pursuant to Section 43.51, Florida Statutes, and proviso accompanying
Specific Appropriation 3226 in the fiscal year 2020-21 General
Appropriations Act

Office of the State Courts Administrator

January 29, 2021

Problem-Solving Courts Report

BACKGROUND

Section 43.51, Florida Statutes, requires the Office of the State Courts Administrator (OSCA) to provide an annual report on problem-solving courts to the Legislature and sets forth specific requirements for reporting. In addition, the FY 2020-21 General Appropriations Act (GAA) includes a similar requirement within the problem-solving court appropriation proviso (Specific Appropriation 3226, Section 7, Ch. 2020-111, Laws of Fla.). It specifies the report is due by February 1, 2021.

Section 43.51, Florida Statutes

43.51 Problem-solving court reports.

(1) The Office of the State Courts Administrator shall provide an annual report to the President of the Senate and the Speaker of the House of Representatives which details the number of participants in each problem-solving court for each fiscal year the court has been operating and the types of services provided, identifies each source of funding for each court during each fiscal year, and provides information on the performance of each court based upon outcome measures established by the courts.

(2) For purposes of this section, the term "problem-solving court" includes, but is not limited to, a drug court pursuant to s. 397.334, s. 948.01, s. 948.06, s. 948.08, s. 948.16, or s. 948.20; a military veterans' and servicemembers' court pursuant to s. 394.47891, s. 948.08, s. 948.16, or s. 948.21; a mental health court program pursuant to s. 394.47892, s. 948.01, s. 948.06, s. 948.08, or s. 948.16; a community court pursuant to s. 948.081; or a delinquency pretrial intervention court program pursuant to s. 985.345.

FY 2020-21 GAA (Proviso accompanying Specific Appropriation 3226)

From the funds in Specific Appropriation 3226, the Office of the State Courts Administrator shall provide a report by February 1, 2021, to the President of the Senate and the Speaker of the House of Representatives which details the number of participants in each problem-solving court for each fiscal year the court has been operating and the types of services provided, each source of funding for each court during each fiscal year, and information on the performance of each court based upon outcome measures established by the courts.

Annual Report Requirements

The report prescribed by section 43.51, F.S., and the GAA requires the following:

1. Number of participants by fiscal year for each year the problem-solving court has been operating;
2. Types of services provided;
3. Each source of funding for each court during each fiscal year; and
4. Information on the performance of each court based upon outcome measures established by the courts.

This report contains brief narrative on each of the four required elements, followed by six tables that contain data related to each element, as well as four appendices with historical and other problem-solving court information.

OVERVIEW AND DEVELOPMENTS

Problem-solving courts address the root causes of justice system involvement through specialized dockets, multidisciplinary teams, and a non-adversarial approach. Offering evidence-based treatment, judicial supervision, and accountability, problem-solving courts provide individualized interventions for participants, thereby improving public safety, reducing recidivism, restoring lives, and promoting confidence and satisfaction with the justice system.¹

The first problem-solving court in the United States, an adult drug court, was created in 1989 in Miami-Dade County in response to the crack cocaine epidemic. Since that time, drug courts have expanded geographically with 56 adult drug courts currently operating in Florida. Drug courts have also expanded in scope as juvenile drug courts and dependency drug courts (formerly referred to as family dependency drug courts) arose to address more specific populations. As drug court implementation continued, other types of problem-solving courts evolved, such as mental health courts, DUI courts, veterans courts, and early childhood courts. Currently, more than 184 problem-solving courts are in operation across the state. The booklet in Appendix D in this report contains a map of Florida's more commonly known problem-solving courts, key findings from national research, and the core components of each type of problem-solving court.

OSCA, through its Office of Court Improvement, supports the training, technical assistance, and general operational needs of the majority of Florida's problem-solving courts (adult drug courts, juvenile drug courts, dependency drug courts, veterans courts, mental health courts, and early childhood courts). OSCA manages a case management platform — the Florida Drug Court Case Management System (FDCCMS) — that supports these problem-solving courts. The FDCCMS streamlines data collection and entry for all problem-solving court case types and allows problem-solving court judges and case managers to manage their caseloads efficiently. The FDCCMS currently supports 100 problem-solving courts with more than 700 user accounts. At this time, OSCA currently does not provide statewide support to community courts, which typically address the needs of at-large, homeless, petty crime, and municipal ordinance offenders.

¹ This problem-solving court definition was approved by the Florida Supreme Court Steering Committee on Problem-Solving Courts on June 21, 2019.

A development that has significantly affected the funding structure of problem-solving courts occurred in 2018 when the Legislature appropriated recurring general revenue funds in one special category for problem-solving courts. As part of this funding approach, the Legislature provided for the Trial Court Budget Commission (TCBC) to allocate the majority of problem-solving court funding. Previously, the Legislature had provided funding for some problem-solving courts in specifically named counties. Under this special category appropriation, problem-solving courts have received funding through a circuit application process. As part of this special category appropriation, the Legislature also provided additional dollars, which has resulted in additional problem-solving courts receiving funding. As part of its allocation strategy, the TCBC is prioritizing funding for problem-solving courts that have best practice standards in place or under development and the statewide technology and infrastructure available to ensure program performance can be measured. Another goal of the TCBC is to provide equity in funding across the circuits.

Not all problem-solving courts, however, receive state funding. Approximately 68 of Florida's 184 problem-solving courts are receiving state funding in FY 2020-21. This fact is reflective of the history of development of problem-solving courts—starting principally as initiatives in local jurisdictions and often receiving county funding. In addition, problem-solving courts rely on federal grant funding and other state funding through the Department of Children and Families and other state agencies primarily for substance abuse and mental health treatment. As noted in Section III and the accompanying table and appendix (Table 5 and Appendix C), an individual problem-solving court may be funded from a single source or may employ funding from a mix of sources.

Complementary problem-solving court activities that are under way by the State Courts System include the development of best practice standards for problem-solving courts, a certification program, and enhanced performance measurement capability. The Supreme Court has approved adult drug court and early childhood court best practice standards. Dependency drug court, veterans court, and mental health court best practice standards or guidelines have been developed and are under final revision by the Supreme Court's Steering Committee on Problem-Solving Courts (Steering Committee). The Steering Committee has developed recommendations on the development of a problem-solving court certification program, which will be submitted to the Supreme Court for consideration and approval, and will soon begin work to develop standards or guidelines for juvenile drug courts and DUI courts.

Under the TCBC's funding plan, problem-solving courts receiving funding from the state appropriation will be required to report client-level data through the FDCCMS or the Florida Dependency Court Information System (FDCIS) unless use of a different, compatible system is approved. Data reporting requirements for drug courts, early childhood courts, mental health courts, and veterans courts were approved by the Problem-Solving Court Advisory Group and the Steering Committee in June 2019. OSCA staff is in the process of finalizing data elements, values, and definitions for each problem-solving court and identifying enhancements needed to FDCCMS and FDCIS to capture all required data. The process for final approval of the data reporting will be developed.

This report contains a combination of data OSCA has been collecting for more than 10 years, as well as information provided directly from the field, specifically in response to the requirements of this annual report. There are certain areas of the report for which data is not complete because data collection and compilation in the early years was conducted differently and reporting capabilities were less robust. For instance, some programs began operating in the late 1980s and early 1990s and do not have all of the requested information. Other areas of the report contain information that is limited by prior data collection methodologies and can be remedied for future reporting cycles, such as tracking participants by fiscal year instead of calendar year. Admissions data for calendar years 2018 and 2019 were requested from the field and have been added to this year's annual report in addition to participant data for FY 2019-20.

Performance measures are also limited due to a lack of capacity at the statewide level to track outcome measures. The report offers a variety of performance measures and outcome data that have been reported by the field from either local data systems or independent evaluations conducted on individual programs. Some jurisdictions were able to report new performance measures and outcome data for this year's report while others did not have any new information to report.

This report offers an abundance of data and information related to how these important courts operate and the vulnerable populations these programs aim to serve.

I. NUMBER OF PARTICIPANTS BY FISCAL YEAR FOR EACH YEAR THE PROBLEM-SOLVING COURT HAS BEEN OPERATING

OSCA has historically tracked the number of problem-solving court admissions by calendar year for adult drug courts, dependency drug courts, juvenile drug courts, DUI courts, mental health courts, and veterans courts. Table 1 includes the most recent admissions data for calendar year 2019, and Appendix A contains historical admissions data for these problem-solving courts for calendar years 2008 through 2018. The information also includes the implementation date for each problem-solving court and a column labeled "Closure Date" that addresses if a particular problem-solving court subsequently has been closed or discontinued and on what date, if the date is known.

In 2020, OSCA staff began tracking the number of participants served by fiscal year beginning with FY 2019-20 to include in this report. Table 2 includes this information for adult drug courts, dependency drug courts, juvenile drug courts, DUI courts, mental health courts, and veterans courts. In addition to the participant information collected by OSCA for FY 2019-20, several local problem-solving courts reported historical participant data by fiscal year for inclusion in last year's report. This information is provided in Appendix B.

Regarding early childhood courts, OSCA is able to provide the number of participants served by fiscal year for each year that each early childhood court has been operating. OSCA has an independent early childhood court tracking system and has been collecting data for these programs since implementation began in 2013. Because of this tracking system, OSCA has the capability of generating the number of early childhood court participants by fiscal year. Table 3 contains information on early childhood court participants with complete data for fiscal year 2019-20. (Last year's report included partial data.)

OSCA does not have participant information for community courts. Also of note for the tables for Section I, the Third Judicial Circuit does not have any problem-solving courts in operation.

II. TYPES OF SERVICES PROVIDED

Table 4 displays the types of services commonly utilized by adult drug courts, dependency drug courts, juvenile drug courts, mental health courts, veterans courts, and early childhood courts. This listing is not exhaustive as problem-solving court services for participants are community-based and tailored to the individual participant. Therefore, an individual problem-solving court may not provide all of the listed services or may provide additional services based on the needs of participants.

III. EACH SOURCE OF FUNDING FOR EACH COURT DURING EACH FISCAL YEAR

As noted in the Overview and Developments section, many problem-solving courts operate by utilizing funding from a variety of sources. Table 5 provides funding information for FY 2019-20, which has been updated from last year's report to provide final funding information for the year for adult drug courts, dependency drug courts, juvenile drug courts, domestic violence drug court, mental health courts, DUI courts, veterans courts, and early childhood courts. Appendix C provides funding source information for prior fiscal years. Funding sources for FY 2020-21 will be provided in next year's report when complete funding information is available.

This funding information reflects direct funding provided to problem-solving courts. The information was provided by the local problem-solving courts and compiled and edited by OSCA staff. Funding purpose information for fiscal years 2008–2015 is available upon request. Please note that OSCA does not have funding information for community courts. Also of note, the Third Judicial Circuit does not have any problem-solving courts in operation. Finally, for fiscal years 2016 and 2017, OSCA did not collect funding information from the field in order to focus on other problem-solving court data. OSCA resumed collection of this information in 2018 in response to legislative requests.

IV. INFORMATION ON THE PERFORMANCE OF EACH COURT BASED UPON OUTCOME MEASURES ESTABLISHED BY THE COURTS

In response to outreach to the circuits for this report, OSCA received and compiled problem-solving court outcome data from 121 programs in 15 circuits. The most common outcome data provided are graduation/successful completion and recidivism rates. The date ranges of data reported to OSCA varied and are noted throughout Table 6, which addresses this section of the report.

Table 1: Calendar Year 2019 Drug Court, Mental Health Court, and Veterans Court Admissions

Circuit	County	Problem-Solving Court	Implementation Date	Admissions	Closure Date
1	Escambia	Adult Drug Court	June-93	72

Table 3: Early Childhood Court Number of Participants Served

Early Childhood Courts

The following table contains participant data for the early childhood court sites operating in Florida during each fiscal year represented.

Fiscal Year	Site	Number of Participants Served
2013-2014	Escambia A. ²	23
2013-2014	Escambia B.	5
2013-2014	Escambia C.	19
2013-2014	Pasco	6
2014-2015	Bay	4
2014-2015	Escambia A.	26
2014-2015	Escambia B.	22
2014-2015	Escambia C.	10
2014-2015	Pasco	9
2014-2015	Pinellas	3
2014-2015	Sarasota	4
2015-2016	Bay	14
2015-2016	Broward	32
2015-2016	Duval	13
2015-2016	Escambia A.	10
2015-2016	Escambia B.	12
2015-2016	Hillsborough	1
2015-2016	Leon	15
2015-2016	Manatee	2

² In FY 2013-14 and FY 2014-15, Escambia County had three independent early childhood court sites (Escambia A., B., and C.), each with its own presiding judge and unique court team. Starting in FY 2015-16 and continuing to present, Escambia County operates two early childhood court sites (Escambia A. and Escambia B.).

Fiscal Year	Site	# Participants
2015-2016	Okaloosa A. ³	43
2015-2016	Okaloosa B.	34

Recidivism Rate: 12 months: 17.4%; 24 months: 19.1%

Veterans Court

Graduation Rate: 47 graduates (64.4% of all exits)

Recidivism Rate: 12 months: 12.8%; 24 months: 19.45%

Seventh Judicial Circuit

2019 two-year recidivism rates reported are for problem-solving court participants who graduated in 2017.

Flagler County

Adult Drug Court

35% of graduates received no new charges within 2 years of graduating.

Putnam County

Adult Drug Court

53% of graduates received no new charges within 2 years of graduating.

St. Johns County

Adult Drug Court

17% of graduates received no new charges within 2 years of graduating.

Veterans Court

N/A

Volusia County

Adult Drug Court

49% of graduates received no new charges within 2 years of graduating.

DUI Court

16% of graduates received no new charges within 2 years of graduating.

Veterans Court

21% of graduates received no new charges within 2 years of graduating.

Eighth Judicial Circuit

Data reported are for graduates in 2019 and recidivism data reported are for 2016 Calendar Year Graduates with new convictions within three years of graduation:

Alachua County

Adult Drug Court

Graduates in 2019: 15

Recidivism Rate for 2016 Graduates: 8.33%

Mental Health Court

Graduates in 2019: 8

Recidivism Rate for 2016 Graduates: 14.29%

Veterans Court

Graduates in 2019: 10

Recidivism Rate for 2016 Graduates: 11.11%

Bradford County

Mental Health Court

Bradford County's Mental Health Court was implemented in 2018; however, no one graduated in 2018. Recidivism data will be available 3 years from the date of their 1st graduation.

Graduates in 2019: 5

Ninth Judicial Circuit

Program	Arrests	Convictions	Arrests	Convictions
	12 Months* (7/18 – 6/19)	12 Months* (7/18 – 6/19)	24 Months** (7/17 – 6/19)	24 Months** (7/17 – 6/19)
Orange Adult Drug Court	27% (17/62)	11% (7/62)	18% (11/62)	13% (8/62)

2019	Pending*	**

*Over 30% of participants admitted in 2019 remain active, as the duration of the program is a minimum of 12-18 months. Therefore, a graduation rate for 2019 cannot be generated at this time.

**Recidivism rates are calculated to determine the number of participants that remain arrest-free three years after graduation. Participants admitted in 2017, 2018, and 2019 will be calculated in 2020, 2021, and 2022 respectively.

Juvenile Drug Court

JUVENILE DRUG COURT RECIDIVISM STATISTICS			
	2017	2018	2019
Post Participants Recidivism	5	6	3
Total Participants Discharged	32	31	19
Percentage	16%	19%	16%

The Juvenile Drug Court had an independent evaluation completed in 2016 as a requirement of a SAMHSA grant the JDC held from 2013-2016. The final evaluation included a recidivism study of the JDC. A baseline cohort was developed from the JDC participants exiting the JDC in 2009 and 2010 (a total of 60 juveniles) to be reviewed against grant Year 3 cohort participants who entered the JDC after October 1, 2013 and exited before May 31, 2016 (a total of 59 juveniles). The conclusions were as follows:

- When looking at JDC participants recidivism outcomes, the rate of arrest at Year 3 dropped nearly in half from the rate at Baseline (from 32% of participants to 15% of participants). The rate of conviction declined as well, though not as substantially (from 10% to 8%).
- Post-participant arrests decreased from 50% of participants at Baseline to 27% of participants at Year 3, while post-participant convictions decreased from 33% to 8%

Appendix D:
Problem-Solving Court Booklet

FLORIDA'S PROBLEM-SOLVING COURTS

Problem-solving courts address the root causes of justice system involvement through specialized dockets, multidisciplinary teams, and a nonadversarial approach. Offering evidence-based treatment, judicial supervision, and accountability, problem-solving courts provide individualized interventions for participants, thereby improving public safety, reducing recidivism, restoring lives, and promoting confidence and satisfaction with the justice system process.

Prepared by the Office of Court Improvement, Office of the State Courts Administrator
Elisabeth H. Kiel, State Courts Administrator

For additional information, please contact the Chief of Legislative Affairs, Sarah Naf Biehl, at 850.922.5692.

PROBLEM-SOLVING COURT CORE COMPONENTS

ADULT DRUG COURT	JUVENILE DRUG COURT	DEPENDENCY DRUG COURT	MENTAL HEALTH COURT	VETERANS COURT	EARLY CHILDHOOD COURT
From Florida Statutes 397.334	Developed by the Florida Supreme Court's Drug Court Task Force and based on the Juvenile Drug Court Strategies in Practice publication by the Bureau of Justice Assistance.	Developed by the Florida Supreme Court's Drug Court Task Force and based on the Juvenile Drug Court Strategies in Practice publication by the Bureau of Justice Assistance.	From <i>Improving Responses to People with Mental Illnesses: The Essential Elements of a Mental Health Court</i> , Bureau of Justice Assistance.	From <i>The Ten Key Components of Veterans Treatment Court</i> , Justice for Vets (a division of the National Association of Drug Court Professionals).	From Florida's Early Childhood Court Initiative.
<ul style="list-style-type: none"> ➤ Early identification of eligible participants ➤ Ongoing judicial interaction ➤ Partnerships with stakeholders ➤ Interdisciplinary education ➤ Nonadversarial approach ➤ Integration of alcohol and other drug treatment services into justice system case processing ➤ Continuum of services ➤ Alcohol and drug testing for abstinence ➤ Monitoring and evaluation for program effectiveness ➤ Coordinated strategy for responses to participants' compliance 	<ul style="list-style-type: none"> ➤ Clearly identified target population and eligibility criteria ➤ Judicial involvement and supervision ➤ Teamwork ➤ Interdisciplinary training ➤ Community partnership ➤ Collaborative planning ➤ Developmentally appropriate services ➤ Gender-appropriate services ➤ Cultural competency and proficiency ➤ Focus on strengths ➤ Family engagement ➤ Comprehensive treatment planning ➤ Education linkages ➤ Drug testing ➤ Monitoring and evaluation of program ➤ Goal-oriented incentives and sanctions ➤ Confidentiality 	<ul style="list-style-type: none"> ➤ Clearly identified target population and eligibility criteria ➤ Judicial involvement and supervision ➤ Teamwork ➤ Interdisciplinary training ➤ Community partnership ➤ Collaborative planning ➤ Developmentally appropriate services ➤ Gender-appropriate services ➤ Cultural competency and proficiency ➤ Focus on strengths ➤ Family engagement ➤ Comprehensive treatment planning ➤ Education linkages ➤ Drug testing ➤ Monitoring and evaluation of program ➤ Goal-oriented incentives and sanctions ➤ Legal rights and advocacy ➤ Confidentiality 	<ul style="list-style-type: none"> ➤ Target population ➤ Planning and administration ➤ (led by judge) ➤ Court team ➤ Informed choice ➤ Timely participant identification and linkage to services ➤ Treatment supports and services ➤ Sustainability ➤ Terms of participation ➤ Confidentiality ➤ Monitoring adherence to court requirements 	<ul style="list-style-type: none"> ➤ Early identification of eligible participants ➤ Ongoing judicial interaction ➤ Partnerships with stakeholders ➤ Interdisciplinary education ➤ Nonadversarial approach ➤ Integration of alcohol, drug treatment, and mental health services into justice system case processing ➤ Continuum of services ➤ Alcohol and drug testing for abstinence ➤ Monitoring and evaluation for program effectiveness ➤ Coordinated strategy for responses to participants' compliance 	<ul style="list-style-type: none"> ➤ Judicial leadership ➤ Collaborative court team ➤ Cross-agency training ➤ Trauma lens ➤ Central role of evidence-based treatment ➤ Continuum of behavioral health services ➤ Developmental supports for child ➤ Parent education ➤ Evaluation ➤ Funding and sustainability ➤ Community coordinator ➤ Placement and concurrent planning ➤ Monthly family team meetings ➤ Parent-child contact ➤ Co-parenting

Core Components as identified by the Conference of State Court Administrators, in the 2014-2015 policy paper titled *Problem-Solving Courts in the 21st Century*: Specialized Court Docket or Program ♦ Judicial Authority and Ongoing Supervision ♦ Team Collaboration, Community Involvement, and Information Sharing ♦ Individualized Treatment and Responses to Risk and Needs ♦ Therapeutic / Rehabilitative ♦ Specialized Team Expertise

Problem-Solving Courts

KEY FINDINGS FROM NATIONAL RESEARCH

Adult Drug Courts

- **Drug courts have been shown to reduce both drug use and other forms of criminal behaviors in adult participants who complete the program** (Mitchell et al., 2012). **Well-conducted drug courts have been shown to reduce recidivism by 35-80%** (Carey et al., 2012; Lowenkamp et al., 2005; Shaffer, 2006). **Methodologically rigorous studies have shown that the effects of drug courts on recidivism can last three years or more** (Gottfredson et al., 2005, 2006; Mitchell et al., 2012; Turner et al., 1999).
- **Participants who received more services reported fewer crimes and less drug use** (Multi-Site Adult Drug Court Evaluation Vol. 4; Rossman et al., 2011).
- **Adult drug courts resulted in an average return on investment of \$2-\$4 on every \$1 spent** (Bhati et al., 2008; Downey & Roman, 2010; Drake, 2012; Drake et al., 2009; Lee et al. 2012; Mayfield et al., 2013; Rossman et al., 2011). **This represents an approximate \$3,000-\$22,000 savings to the community per participant.**

Juvenile Drug Courts

- **Juvenile drug courts have been shown to modestly reduce recidivism (non-drug related offenses) by approximately 8% among participants who complete the program** (Mitchell et al., 2012). **A national evaluation found that many (up to 77%) were not implementing the programmatic model faithfully** (Latessa, et al., 2013), **likely impacting court effectiveness.**

Dependency Drug Courts

- **Dependency drug courts increase the rate of successful completion of drug treatment, reduce out-of-home placements for children, and increase rates of family reunification. Parents in these courts were 25-35% more likely to successfully complete drug treatment. Children spent 3-6 months fewer in out-of-home placement than non-drug court participants. 15-40% of participating families were eventually reunified** (Green et al., 2009; Lloyd, 2015).
- **Preliminary evidence exists to suggest that dependency drug courts reduce future criminal arrests among participants** (Carey et al., 2010).
- **Cost savings associated with these courts have been estimated to be between \$5,000 and \$15,000 per family, due primarily to a reduction in out-of-home placement** (Zeller et al., 2007; Roche, 2005; Carey et al., 2010; Burrus et al. 2011).

Mental Health Courts

- **Significant reductions in recidivism have been found for participants with serious mental illness** (Cross, 2011; Sarteschi et al., 2011; Lee et al., 2012).
- **Participants have also been shown to have lower rearrest rates and less time spent in custody** (Steadman et al. 2011).
- **For every \$1.00 invested in mental health courts, there is a cost savings of \$6.96** (Lee et al., 2012). **Other studies have reached conclusions that contradict the above findings of cost savings, suggesting it takes several years to recoup the increased costs of mental health courts' operation, with some never reaching a point of cost savings** (Lindberg, 2009; Ridgely et al., 2007; Steadman et al., 2014).

Veterans Courts

- **While little evaluation research exists for this type of problem-solving court, some studies show promising results for veterans courts including improvements in psychiatric health and reductions in substance abuse** (Knudsen & Wingenfeld, 2016), **as well as reductions in rates of rearrest** (Commaroto et al., 2011).

Early Childhood Courts (Safe Babies Court Teams Project)

- **Florida's early childhood court is modeled after the national Safe Babies Court Teams Project, which has a scientific rating of "3" (promising research evidence) and a "high" child welfare system relevance level on the California Evidence-Based Clearinghouse for Child Welfare. It shows potential for: promoting greater collaboration among the courts, the child welfare system, and community providers to meet the needs of very young children; realizing positive safety, permanency, and well-being outcomes, and preserving family connections; and, applying the science of early childhood development to the court process.**
- **97% of the identified service needs were met. The children achieved timely permanency. There was increased parent-child contact. More than two-thirds remained in 1 or 2 placements. 99.05% of these children were protected from further maltreatment** (James Bell and Associates; Hafford, McDonnell, Kass, DeSantis, & Dong, 2009).
- **The Safe Babies Court Teams Project data show that the project yielded a range of \$8,500 to \$18,000 of in-kind costs per child (one grant dollar generated another dollar of in-kind support).**
- **Children exit foster care significantly faster than the comparison group. Savings generated from their earlier exits are estimated at an average of \$7,300 per child. Children are more likely to remain with biological family members** (Foster, E.M., McCombs-Thornton, K.L., 2012, Investing in Our Most Vulnerable: A Cost Analysis of the ZERO TO THREE Safe Babies Court Teams Initiative. Birmingham, AL: Economics for the Public Good, LLC.)

BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Military and Veterans Affairs, Space, and Domestic Security

BILL: CS/SB 938

INTRODUCER: Education Committee and Senator Wright

SUBJECT: Purple Star Campuses

DATE: March 17, 2021

REVISED: _____

	ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1.	Sagues	Bouck	ED	Fav/CS
2.	Brown	Caldwell	MS	Favorable
3.			AP	

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Technical Changes

I. Summary:

CS/SB 938 establishes the Purple Star Campus Program to identify schools that support military-connected children, including public schools, charter schools, and schools participating in the Florida educational choice scholarship program. The bill requires the Department of Education to establish the Purple Star Campus Program to require a participating school to, at minimum:

- Designate a staff member as a military liaison.
- Maintain a webpage on a school's website which includes resources for military students and families.
- Maintain a student-led transition program to assist military students in transitioning into the school.
- Offer professional development training opportunities for staff members on issues relating to military students.

The bill also authorizes a school to partner with a school district to procure digital, professional development, or other assistance necessary to implement the criteria of the Purple Star Campus program.

A fiscal impact is not anticipated.

The bill takes effect July 1, 2021.

II. Present Situation:

Military Personnel and Families

United States military personnel located worldwide number over 3.5 million.¹ A total of 1.2 million Department of Defense (DoD) active duty military members² are assigned to the 50 states and the District of Columbia. More than half of the military members located stateside are in California, Virginia, Texas, North Carolina, Georgia, and Florida.³

A total of 807,602 selected reserve⁴ members are assigned to the 50 states and the District of Columbia. Approaching half, or 42.8 percent of selected reserve members in the United States are assigned to California, Texas, Florida, Pennsylvania, New York, Ohio, Georgia, Virginia, Illinois, North Carolina.⁵

Close to two-thirds, 62.8 percent or 1,644,456, of all DoD force family members are children.⁶ Over one-third, 36.8 percent, of family members are spouses.⁷ Overall, 38.1 percent of the total DoD force has children.⁸

Of military children, more than two-thirds are 11 years of age or younger:⁹

- 37.8 percent or 622,295 children are 0-5 years of age.
- 32 percent or 526,411 children are 6-11 years of age.
- 23.7 percent or 390,448 children are 12-18 years of age.
- 6.4 percent or 105,302 children are 19-22 years of age.

Military Families in Florida

Florida has 22 military installations.¹⁰ Florida is also home to a number of National Guard and Military Reserve Units.¹¹ The following chart breaks down the dependents of active duty military personnel located at Florida military bases:¹²

Interstate Compact on Educational Opportunity for Military Children

In 2008, the Florida Legislature enacted the Interstate Compact on Educational Opportunity for Military Children (compact).¹³ The purpose of the compact is to remove barriers to educational success imposed on children of military families because of frequent moves and deployment of their parents.¹⁴ Currently, all 50 states are members of the compact.¹⁵

The average military family is estimated to move three times more often than the average non-military family. Frequent moves may cause children to miss out on extracurricular activities and face challenges in meeting graduation requirements. In addition to moving frequently, students repeatedly adjust to new living environments, schools, and peer groups much more than their civilian counterparts.¹⁶

As a member of the compact and subject to compact rules,¹⁷ Florida recognizes the need to provide support to students of military families. States participating in the compact work to coordinate graduation requirements, transfer of records and course placement, and other administrative policies.¹⁸ The compact is designed to:¹⁹

- Facilitate the timely enrollment of children of military families and ensure that children are not disadvantaged due to difficulty in the transfer of education records from the previous school district or variations in entrance or age requirements.
- Facilitate the student placement process through which children of military families are not disadvantaged by variations in attendance requirements, scheduling, sequencing, grading, course content, or assessment.
- Facilitate the qualification and eligibility for enrollment, educational programs, and participation in extracurricular academic, athletic, and social activities.
- Facilitate the on-time graduation of children of military families.
- Provide for the adoption and enforcement of administrative rules implementing the compact.

¹⁸ Department of Defense Education Activity, *supra* note 14.

¹⁹ Section 1000.36, F.S.

- Provide for the uniform collection and sharing of information between and among member states, schools, and military families.
- Promote coordination between compacts affecting military children.
- Promote flexibility and cooperation between the educational system, parents, and the student so that the student achieves educational success.

Other Educational Benefits

In addition to benefits from the compact, Florida also provides other educational benefits to military families, including:²⁰

- In-state tuition rates and fee waivers.
- Required college credit for military training.
- Course withdrawal due to military service, without penalty.
- National Guard educational dollars for duty program.
- Accepting military permanent change of station orders that relocate a military family to any military installation within the state as proof of Florida residency.
- Accepting exit or end-of-course exams required for graduation from a sending state.
- Providing preferential treatment to dependent children of active duty military personnel who moved as a result of military orders in a school's controlled open enrollment process.

Purple Star Campus Program

The Purple Star Campus Program seeks to recognize exemplary schools that support military-connected children.²¹ Seven states currently participate in the program: Ohio, Virginia, Arkansas, South Carolina, Texas, Tennessee, and Georgia.²²

The Purple Star Campus program requires that a school:²³

- Have a staff point of contact (POC), as a counselor, administrator, teacher, or other staff member, for military students and families. The POC serves as the primary link between the military family and the school.
- Maintain a dedicated page on its website featuring information and resources for military families.
- Maintain a student led transition program to include a student transition team coordinator.
- Provide professional development for additional staff on special considerations for military students and families.

III. Effect of Proposed Changes:

CS/SB 938 creates the Purple Star Campus program to support military-connected children. Specifically the bill:

²⁰ Enterprise Florida, *Florida's 2021 Military-Friendly Guide* (2021), available at <https://www.enterpriseflorida.com/wp-content/uploads/Florida-Military-Friendly-Guide.pdf>.

²¹ Military Child Education Coalition, *Parent Programs, Hot Topic: Purple Star Campus* (2019), available at https://www.militarychild.org/upload/images/Purple%20Star%20Schools/updated_Purple_Star_Campus.pdf.

²² *Id.*

²³ *Id.*

- Defines a military student as a student enrolled in a school district, charter school, or a school or institution participating in a Florida educational choice scholarship program who is either:
 - A dependent of an active-duty member of the United States military that is the Army, Navy, Air Force, Marine Corps, or Coast Guard, a reserve component of any of these branches of the military, or the Florida National Guard; or
 - A dependent of a former member of the United States military that is the Army, Navy, Air Force, Marine Corps, or Coast Guard, a reserve component of any of these branches of the military, or the Florida National Guard.
- Requires the Department of Education to establish the Purple Star Campus Program that requires a participating school to at a minimum:
 - Designate a staff member as a military liaison.
 - Maintain a webpage on a school's website which includes resources for military students and families.
 - Maintain a student-led transition program that assists military students in transitioning into the school.
 - Offer professional development training opportunities for staff members on issues relating to military students.

The bill also authorizes a school to partner with a school district to procure digital, professional development, or other assistance necessary to implement the criteria of the Purple Star Campus program.

The bill requires the State Board of Education to adopt rules to implement the Purple Star Campus program.

The bill takes effect July 1, 2021.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

The bill does not appear to require cities and counties to expend funds or limit their authority to raise revenue or receive state-shared revenues as specified by Article VII, Section 18 of the State Constitution.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None identified.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

Although a school may incur costs associated with operating as a Purple Star Campus, opt-in is permissive, rather than mandatory. The Department of Education anticipates a fiscal impact associated with maintaining a website and offering staff training on issues related to military students, but indicates that these costs can be absorbed by the department.²⁴

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill creates section 1003.051 of the Florida Statutes.

IX. Additional Information:

A. Committee Substitute – Statement of Changes:

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Education on March 9, 2021:

The committee substitute makes a technical change to authorize the State Board of Education to adopt rules rather than the Department of Education.

B. Amendments:

None.

²⁴ Department of Education, *2021 Agency Legislative Bill Analysis, CS/SB 938* (July 1, 2021) (on file with the Senate Committee on Military and Veterans Affairs, Space, and Domestic Security).

This Senate Bill Analysis does not reflect the intent or official position of the bill's introducer or the Florida Senate.

By the Committee on Education; and Senator Wright

581-02635-21

2021938c1

A bill to be entitled

An act relating to Purple Star Campuses; creating s. 1003.051, F.S.; defining the term "military student"; requiring the Department of Education to establish the Purple Star Campus program; specifying program criteria for participating schools; authorizing the department to establish additional program eligibility criteria; authorizing schools to partner with school districts to meet such criteria; requiring the State Board of Education to adopt rules; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 1003.051, Florida Statutes, is created to read:

1003.051 Purple Star Campuses.—

(1) As used in this section, the term "military student" means a student who is:

(a) Enrolled in a school district, charter school, or any school or educational institution participating in an educational choice scholarship program established pursuant to chapter 1002; and

(b) A dependent of a current member of the United States military serving on active duty in, or a former member of, the Army, Navy, Air Force, Marine Corps, or Coast Guard, a reserve component of any branch of the United States military, or the Florida National Guard.

(2) (a) The Department of Education shall establish the

581-02635-21

2021938c1

Purple Star Campus program. At a minimum, the program must require a participating school to:

1. Designate a staff member as a military liaison.

2. Maintain a webpage on the school's website which includes resources for military students and their families.

3. Maintain a student-led transition program that assists military students in transitioning into the school.

4. Offer professional development training opportunities for staff members on issues relating to military students.

(b) The department may establish additional program eligibility criteria by rule.

(3) A school may partner with a school district to procure digital, professional development, or other assistance necessary for the school to meet the criteria specified in subsection (2).

(4) The State Board of Education shall adopt rules to implement this section.

Section 2. This act shall take effect July 1, 2021.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Military and Veterans Affairs, Space, and Domestic Security

BILL: SB 1760

INTRODUCER: Senator Albritton

SUBJECT: Personal Protective Equipment

DATE: March 15, 2021

REVISED: _____

ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1. Stallard	Caldwell	MS	Favorable
2. _____	_____	GO	_____
3. _____	_____	AP	_____

I. Summary:

SB 1760 requires the Division of Emergency Management to ensure that doctors, nurses, and other health care practitioners will be able to purchase personal protective equipment in the event of a declared emergency caused by an infectious or communicable disease. Examples of personal protective equipment include respirators, gloves, gowns, and masks.

In order to ensure the availability of these items, the division must complete an inventory of the personal protective equipment “held in reserve.” In light of this inventory, the division must procure additional equipment or arrange by contract for it to be sold to health care workers in the event of a health emergency.

The equipment must be available for purchase by the health care workers or their employers at the cost for which it was procured, and the equipment may not be resold at a higher price.

The bill takes effect July 1, 2021.

II. Present Situation:

Florida Division of Emergency Management

In the State Emergency Management Act, the Legislature created the Division of Emergency Management within the Executive Office of the Governor.¹ The division is responsible for “maintaining a comprehensive statewide program of emergency management.”² The division is also “responsible for coordination with efforts of the Federal Government with other departments

¹ See ss. 252.32(1) and 252.34(3), F.S.

² Section 252.35(1), F.S.

and agencies of state government, with county and municipal governments and school boards, and with private agencies that have a role in emergency management.”³

Additionally, the division is responsible for “carrying out” the State Emergency Management Act.⁴ The Act provides that this responsibility includes a list of more than 20 particular duties.⁵

Several of these duties relate to the creation and updating of the state’s comprehensive emergency plan or the emergency plans of counties, executive departments, or other entities. More particularly, the division must:

- Create a state comprehensive emergency plan. The plan must be integrated into and coordinated with the plans and programs of the federal government.
- Adopt standards and requirements for county emergency management plans. The standards and requirements must ensure that county plans are coordinated and consistent with the state comprehensive emergency management plan.
- Assist political subdivisions in preparing and maintaining emergency management plans.
- Review periodically political subdivision emergency management plans for consistency with the state comprehensive emergency management plan and standards and requirements adopted under this section.⁶

Other duties of the division include cooperating with various partners in emergency management and coordinating several aspects of the state’s emergency management apparatus. In more detail, the division must:

- Cooperate with the President, the heads of the Armed Forces, the various federal emergency management agencies, and the officers and agencies of other states in matters pertaining to emergency management in the state and the nation.
- Coordinate federal, state, and local emergency management activities and take all other steps to ensure the availability of adequately trained and equipped forces of emergency management personnel before, during, and after emergencies and disasters.
- Cooperate with the Federal Government and any public or private entity in achieving any purpose of the State Emergency Management Act and in implementing programs for mitigation, preparation, response, and recovery.⁷

The division is also responsible for various educational and outreach tasks. The division must:

- Institute statewide public awareness programs. This must include an intensive public educational campaign on emergency preparedness issues, including, but not limited to, the personal responsibility of individual citizens to be self-sufficient for up to 72 hours following a natural or manmade disaster.
- In cooperation with the Department of Education, coordinate with the Agency for Persons with Disabilities to provide an educational outreach program on disaster preparedness and readiness to individuals who have limited English skills and identify persons who are in need of assistance but are not defined under special-needs criteria.

³ *Id.*

⁴ Section 252.35(2), F.S.

⁵ *See Id.*

⁶ Section 252.35(2), F.S.

⁷ *Id.*

- Assist political subdivisions with the creation and training of urban search and rescue teams and promote the development and maintenance of a state urban search and rescue program.⁸

Finally, the division is responsible for keeping inventories of equipment that may be needed during an emergency. In this area, the division must:

- In accordance with the state comprehensive emergency management plan and program for emergency management:
 - Ascertain the requirements of the state and its political subdivisions for equipment and supplies of all kinds in the event of an emergency.
 - Plan for and either procure supplies, medicines, materials, and equipment or enter into memoranda of agreement or open purchase orders that will ensure their availability.
 - Use and employ from time to time any of the property, services, and resources within the state in accordance with the State Emergency Management Act.
- Complete an inventory of portable generators owned by the state and local governments which are capable of operating during a major disaster. The inventory must identify, at a minimum the:
 - Location of each generator.
 - Number of generators stored at each specific location.
 - Agency to which each generator belongs.
 - Primary use of the generator by the owner agency.
 - Names, addresses, and telephone numbers of persons having the authority to loan the stored generators as authorized by the division during a declared emergency.
- Maintain an inventory list of generators owned by the state and local governments. In addition, the division may keep a list of private entities, along with appropriate contact information, which offer generators for sale or lease.⁹

III. Effect of Proposed Changes:

The bill requires the Division of Emergency Management to ensure that doctors, nurses, and other health care practitioners or their employers will be able to purchase personal protective equipment in the event of a declared emergency caused by an infectious or communicable disease. Personal protective equipment for infectious or communicable diseases includes items such as respirators, gloves, gowns, and masks.

In order to ensure the availability of these items, the division must complete an inventory of the personal protective equipment “held in reserve.” In light of this inventory, the division must procure additional equipment or arrange by contract for it to be sold to health care workers in the event of a health emergency.

The equipment must be available for purchase by the health care workers or their employers at the cost for which it was procured, and the equipment may not be resold at a higher price.

The bill takes effect July 1, 2021.

⁸ *Id.*

⁹ *Id.*

IV. Constitutional Issues:**A. Municipality/County Mandates Restrictions:**

The bill does not appear to require cities and counties to expend funds or limit their authority to raise revenue or receive state-shared revenues as specified by Article VII, Section 18 of the State Constitution.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None identified.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

None.

B. Private Sector Impact:

The bill may have a positive fiscal impact because it ensures that health care practitioners and their employers will have the personal protective equipment necessary to conduct their practices.

C. Government Sector Impact:

The bill may have a positive fiscal impact because it ensures that government-sector health care practitioners and their employers will have the personal protective equipment necessary to conduct their practices.

VI. Technical Deficiencies:

The bill changes s. 252.35(2), F.S., by adding a paragraph (z) as the last item on a list of duties of the Division of Emergency Management. However, the current final item on this list is a catch-all, and the paragraph before it appears to be procedural. Accordingly, the Legislature may wish to insert the bill language before these two paragraphs, where it would appear as the last of a list of substantive duties of the division.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends section 252.35 of the Florida Statutes.

IX. Additional Information:

A. Committee Substitute – Statement of Changes:

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

None.

B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill's introducer or the Florida Senate.

By Senator Albritton

26-01730B-21

20211760__

A bill to be entitled

An act relating to personal protective equipment; amending s. 252.35, F.S.; requiring the Division of Emergency Management to complete an inventory of personal protective equipment; requiring the division to take certain action to ensure the availability of personal protective equipment during a declared emergency caused by an infectious or communicable disease; requiring that such equipment be available for purchase at a certain cost by specified persons and entities; prohibiting such equipment from being resold at certain prices; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraph (z) is added to subsection (2) of section 252.35, Florida Statutes, to read:

252.35 Emergency management powers; Division of Emergency Management.—

(2) The division is responsible for carrying out the provisions of ss. 252.31-252.90. In performing its duties, the division shall:

(z) Complete an inventory of personal protective equipment, such as respirators, gloves, gowns, and masks, that are used to protect the wearer from illness during a declared emergency caused by an infectious or communicable disease, which are held in reserve. The division must plan for and procure personal protective equipment, or have sufficient standby logistic contracts in place that will ensure the availability of personal

protective equipment, in the event of a declared emergency caused by an infectious or communicable disease. Such personal protective equipment shall be available for purchase by a health care practitioner as defined in s. 456.001 or an employer of a health care practitioner at the cost procured or negotiated by the division and may not be resold at a price that exceeds the purchase price.

Section 2. This act shall take effect July 1, 2021.

The Florida Senate

Committee Agenda Request

To: Senator Tom Wright, Chair
Committee on Military and Veterans Affairs, Space, and Domestic Security

Subject: Committee Agenda Request

Date: March 10, 2021

I respectfully request that **Senate Bill #1760**, relating to Personal Protective Equipment, be placed on the:

- ☒ committee agenda at your earliest possible convenience.
- ☐ next committee agenda.

A handwritten signature in blue ink, which appears to read "Ben Albritton".

BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Military and Veterans Affairs, Space, and Domestic Security

BILL: SB 1796

INTRODUCER: Senator Wright

SUBJECT: Military Installations

DATE: March 17, 2021

REVISED: _____

ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1. Brown	Caldwell	MS	Favorable
2. _____	_____	JU	_____
3. _____	_____	RC	_____

I. Summary:

SB 1796 revises eminent domain law by adding an exception to the prohibited list of a conveyance of property to a natural person or private entity. The exception authorizes a conveyance to a natural person or private entity to secure a buffering of a military installation against encroachment. This authority is limited to property identified on the most recent annual list of base buffering encroachment lands.

The bill takes effect July 1, 2021.

II. Present Situation:

Military Base Protection Program

Statutory Authority

The 2012 Legislature established the Military Base Protection Program (program).¹ Functions of the program include securing nonconservation lands to serve as a buffer to protect military installations, and supporting community efforts to engage in service partnerships with military installations.²

The Department of Economic Opportunity (department) must request that military installations provide the department with a list of base buffering encroachment lands for fee simple or less-

¹ Chapter 2012-98, Laws of Fla.; s. 288.980(2), F.S. As legislative intent, the Legislature provided that the encroachment of military installations has been identified by local, state, and federal leaders as a critical threat to protecting, preserving, and enhancing military installations. Encroachment can be detrimental to the current and future missions of military installations due to the incompatible use of adjacent land. The Legislature recognizes the unique need to secure lands that do not have conservation value, but may pose an encroachment threat to a military installation. Section 288.980(1)(c), F.S.

² Section 288.980(2)(a), F.S.

than-fee-simple acquisitions annually before October 1.³ The list provided will then be submitted by the department to the Florida Defense Support Task Force, which in turn shall, annually by December 1, review the list and provide a recommended ranking of the lands for acquisition to the department.⁴ The department will annually submit the list to the Board of Trustees (board) of the Internal Improvement Trust Fund and the board may acquire the lands.⁵

The annual list must include:

- A legal description of the land and its property identification number;
- A detailed map of the land; and
- A management and monitoring agreement to ensure that the land serves a base buffering purpose.⁶

A nonconservation land is a land acquired for uses other than conservation, outdoor resource-based recreation, or archaeological or historic preservation.⁷

Funds appropriated for the program may be used to address emergent needs relating to mission sustainment, encroachment reduction or prevention, or base retention. Also, appropriated funds may be matched with federal funds.⁸

Acquisitions

In Fiscal Year 2014-2015, \$7,489,975 was appropriated for land acquisition.⁹ Lands acquired through the program buffer MacDill Air Force Base, Naval Support Activity Panama City, and Naval Station Mayport.¹⁰ A balance of \$3.7 million remained for acquisition of properties near the three military bases listed as Tier 1 parcels, or those that pose an immediate encroachment threat¹¹, of which the balance reverted in FY 2019-2020 after the final recommended parcel did not become available for purchase.¹²

Current properties in the Tier I category as of December 1, 2020 are:

- MacDill Air Force Base - Florida Rock Property (14.7 acres in Accident Potential Zone (APZ) 1)

- Eglin Air Force Base -- Valparaiso Lots in Clear Zone (6 acres/18 homes in Clear Zone)
- Naval Air Station Jacksonville -- Southbelt Park Ltd. (23 acres in APZ1 and APZ2).¹³

Eminent Domain

Constitutional Provisions on Takings

The Fifth Amendment of the United States Constitution applies to the states through the Fourteenth Amendment and provides, in part: “nor shall private property be taken for public use, without just compensation.”¹⁴

Similarly, the Florida Constitution provides: “No private property shall be taken except for a public purpose and with full compensation therefor paid to each owner or secured by deposit in the registry of the court and available to the owner.”¹⁵

There is no absolute definition of what constitutes a public use. “For a use to be public, there must be a right on the part of the public, or some portion of it, to use or enjoy it and a duty on the part of the owner to furnish it to the public.”¹⁶ In situations in which both private and public benefits result from a condemnation, the determination of whether the condemnation was for a public use may turn on whether the public benefits are of a primary or an incidental character.¹⁷ An incidental benefit to a private party does not render a taking invalid as long as the primary benefit is to the public.

Florida Law on Eminent Domain

Florida affords generous treatment to private property owners, or defendants in eminent domain proceedings. In Florida, the owner is entitled to full and fair compensation.¹⁸ Compensation is generally the payment of the fair market value of the property.¹⁹ Fair market value is considered to be based upon what a willing buyer would pay to a willing seller.²⁰ Also, the petitioner must always pay attorney’s fees and reasonable costs to the defendant.²¹ Reasonable costs include

²¹ Section 73.091(1), F.S.

appraisal fees and, if business damages are involved, an accountant's fee.²² Defendants also have the right to a jury trial.²³

Eminent domain is effected in one of two ways. The first is through the traditional eminent domain process, which involves the filing of a petition for condemnation in circuit court and, if the property owner challenges the action, a jury trial.²⁴ Alternately, a "quick taking," occurs if the governmental entity files a declaration of taking, which includes a good faith estimate of the value of the property and takes immediate possession before the judicial procedure is completed.²⁵ "A taking may result from a 'physical invasion' of the property or may follow a 'regulatory imposition.'"²⁶ Either way, the government asserts its authority to condemn property.²⁷

Restrictions on the Conveyance of Condemned Property to Private Parties

The state may not authorize the taking of private property solely for another private party's private use, even if the state pays full compensation.²⁸ Neither the state nor a political subdivision may convey a property taken by condemnation to a private entity, unless the conveyance is authorized by law.²⁹ Examples of exceptions to the prohibition are the conveyance of property to a private party for:

- Use in common carrier services or systems;
- Use as a road or other right-of-way;
- Use in providing utility services or systems; and
- Use in providing public infrastructure.

The subsequent conveyance of a condemned property that has already been conveyed to a private party is restricted. If ownership of a condemned property is conveyed to a private party pursuant to one of the statutory exceptions described above and at least 10 years have elapsed since the condemning authority acquired title to the property, then the property may be transferred again to another private party after public notice and competitive bidding (unless otherwise provided by general law).³⁰ If fewer than 10 years have elapsed since the condemning authority acquired title to the property, the property may be conveyed a second time if the current titleholder certifies that the property is no longer needed for the use for which the property was originally condemned, and the owner from whom the property was taken by eminent domain is given the opportunity to repurchase the property at the price received from the condemning authority.³¹ Two statutory exceptions that substitute the condemning authority for the certifying party or the current titleholder operate similarly.³²

³² Sections 73.013(1)(f) and (g), F.S.

Florida Defense Support Task Force

The Florida Defense Support Task Force (task force), established in s. 288.987, F.S., is housed within the Department of Economic Opportunity (department). The task force recommends strategies to preserve and protect military installations to support the state's related position in research and development,³³ and assists current and former servicemembers and their families.³⁴ The task force is comprised of the Governor or his or her designee, and for a total of 12 members four members each appointed by the Governor, the President of the Senate, and the Speaker of the House of Representative.³⁵ The executive director of the department serves as an ex officio, non-voting member.³⁶ Members generally serve four-year terms and are subject to reappointment.³⁷

The task force must submit by February 1 an annual progress report and work plan to the Governor, President of the Senate, and Speaker of the House of Representatives.³⁸

III. Effect of Proposed Changes:

SB 1796 revises eminent domain law by adding an exception to the prohibited list of a conveyance of property to a private person or entity. The exception authorizes a conveyance to a private person or entity to secure a buffering of a military installation against encroachment. This authority is limited to property identified on the most recent annual list of base buffering encroachment lands.

The bill takes effect July 1, 2021.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

The bill does not appear to require cities and counties to expend funds or limit their authority to raise revenue or receive state-shared revenues as specified by Article VII, Section 18 of the State Constitution.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

³³ Section 288.987(2), F.S.

³⁴ Section 288.987(2), F.S.

³⁵ Section 288.987(3), F.S.

³⁶ Section 288.987(5), F.S.

³⁷ Section 288.987(2)(d), F.S.

³⁸ Section 288.987(6), F.S.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None identified.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

As Florida requires full compensation to be paid to the owner whose property is conveyed, a financial impact is likely to be insignificant.

C. Government Sector Impact:

Which entity will fund an eminent domain action and acquisition is unclear. Therefore, fiscal impact is unknown.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends section 73.013 of the Florida Statutes.

IX. Additional Information:

A. Committee Substitute – Statement of Changes:

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

None.

B. Amendments:

None.

By Senator Wright

14-00528-21

20211796__

A bill to be entitled

An act relating to military installations; amending s. 73.013, F.S.; authorizing the conveyance to a natural person or private entity certain property taken by eminent domain if it is used in buffering military installations against encroachment; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (1) of section 73.013, Florida Statutes, is amended to read:

73.013 Conveyance of property taken by eminent domain; preservation of government entity communications services eminent domain limitation; exception to restrictions on power of eminent domain.—

(1) Notwithstanding any other provision of law, including any charter provision, ordinance, statute, or special law, if the state, any political subdivision as defined in s. 1.01(8), or any other entity to which the power of eminent domain is delegated files a petition of condemnation on or after the effective date of this section regarding a parcel of real property in this state, ownership or control of property acquired pursuant to such petition may not be conveyed by the condemning authority or any other entity to a natural person or private entity, by lease or otherwise, except that ownership or control of property acquired pursuant to such petition may be conveyed, by lease or otherwise, to a natural person or private entity:

14-00528-21

20211796__

(a) For use in providing common carrier services or systems;

(b)1. For use as a road or other right-of-way or means that is open to the public for transportation, whether at no charge or by toll;

2. For use in the provision of transportation-related services, business opportunities, and products pursuant to s. 338.234, on a toll road;

(c) That is a public or private utility for use in providing electricity services or systems, natural or manufactured gas services or systems, water and wastewater services or systems, stormwater or runoff services or systems, sewer services or systems, pipeline facilities, telephone services or systems, or similar services or systems;

(d) For use in providing public infrastructure;

(e) That occupies, pursuant to a lease, an incidental part of a public property or a public facility for the purpose of providing goods or services to the public;

(f) Without restriction, after public notice and competitive bidding unless otherwise provided by general law, if less than 10 years have elapsed since the condemning authority acquired title to the property and the following conditions are met:

1. The condemning authority or governmental entity holding title to the property documents that the property is no longer needed for the use or purpose for which it was acquired by the condemning authority or for which it was transferred to the current titleholder; and

2. The owner from whom the property was taken by eminent

59 domain is given the opportunity to repurchase the property at
60 the price that he or she received from the condemning authority;

61 (g) After public notice and competitive bidding unless
62 otherwise provided by general law, if the property was owned and
63 controlled by the condemning authority or a governmental entity
64 for at least 10 years after the condemning authority acquired
65 title to the property; ~~or~~

66 (h) For use in buffering military installations against
67 encroachment, but only for property identified on the most
68 recent annual list of base buffering encroachment lands as set
69 forth in s. 288.980; or

70 (i) ~~(h)~~ In accordance with subsection (2).

71 Section 2. This act shall take effect July 1, 2021.

EFI, Military and Defense Programs Response to Florida Senate Committee: Military and Veterans Affairs, Space and Domestic Security

Military Base Protection / Non-Conservation Land Acquisition Funding

Background: The Military Base Protection Program (FS 288.980(2)) authorizes the Board of Trustees of the Internal Improvement Trust Fund (Board of Trustees) to acquire non-conservation lands for base buffering purposes. Properties are identified by Military base commanders, rank ordered for potential impact by the Florida Defense Support Task Force and submitted by the Department of Economic Opportunity to the Board of Trustees for consideration, subject to funding. In FY 2014-2015, \$7,489,975 in was appropriated to acquire lands adjacent to the following installations for the purpose of securing and protecting the installations against encroachment:

- MacDill Air Force Base
- Naval Support Activity Panama City
- Naval Station Mayport.

The following parcels and interests were acquired with the FY 2014-2015 appropriation:

- MacDill AFB (Florida Rock) - an easement precluding residential but not commercial development was acquired over 25.56 acres for \$1,403,923, CLOSED 2/27/16.
- Naval Support Area Panama City (Barefoot Palms) - fee simple purchase of 8.40 acres for \$1,716,391, CLOSED 8/2/17.
- Naval Station Mayport (JAX Port) - an easement purchase over 6 acres for \$659,672, CLOSED 2/15/16.

A balance of \$3.7 million remained for acquisition of properties near the three military bases listed as Tier 1 parcels. This balance was reverted in FY 2019-2020 after the final recommended parcel did not become available for purchase.

The properties currently in the Tier 1 category as of December 2020 are:

- MacDill AFB – Florida Rock Property (14.7 acres in Accident Potential Zone (APZ) 1)
- Naval Air Station Pensacola – Cook Property (37.32 acres in APZ 1)
- Naval Air Station Key West – Alfred Sears Trust Property (124 acres in APZ 1)
- Homestead ARB – Homestead Park of Commerce, Homestead Housing Authority (20.2 acres in APZ 2)
- Avon Park – Triple Canopy Ranch (345 acres in MIPA 1)
- Eglin AFB – Valparaiso Lots in Clear Zone (6 acres / 18 homes in Clear Zone)
- Naval Air Station Jacksonville – Southbelt Park Ltd. (23 acres in APZ1 and APZ 2)

** submitted to DEO in a previous cycle*

Executive Summary

Under the Military Base Protection Program (MBPP), pursuant to section 288.980(2), Florida Statutes, the Florida Department of Economic Opportunity (DEO) is required annually to request military installations in the state to provide a list of base buffering encroachment lands by October 1. Base buffering encroachment lands are lands around military installations where use and development should be limited or prohibited to create a buffer between the installation and incompatible land uses that threaten its mission. DEO is required to provide a list of the encroachment lands to the Florida Defense Support Task Force (Task Force). The Task Force must review the lists submitted by the installations and provide its recommendations for ranking the identified lands to DEO by December 1. The military installations are required to provide the following information with each submission:

- Legal description of each parcel identified;
- A detailed map of the parcels identified; and
- A management and monitoring agreement to ensure the land serves a base buffering purpose.

This MBPP Report provides the Board of Trustees of the Internal Improvement Trust Fund (Board of Trustees) with the Task Force's recommended priority rankings of lands that military installations in Florida have identified as base buffering encroachment lands. The Board of Trustees may consider whether to acquire such lands in fee simple or less than fee simple title.

Military Base Protection Program Background

In 2013, the Legislature created the MBPP. Section 288.980(2)(a), Florida Statutes, provides that the functions of the MBPP include, but are not limited to:

1. Securing non-conservation lands to serve as a buffer to protect military installations against encroachment; and
2. Supporting local community efforts to engage in service partnerships with military installations.

This report addresses subsection (2)(a)1. Non-conservation lands are defined as lands required for uses other than conservation, outdoor resource-based recreation, or archeological or historic preservation.

In 2014, The Florida Legislature appropriated funds for the MBPP. Through that appropriation, a property adjacent to Naval Support Activity Panama City is now in public ownership. Also, easements have been obtained restricting the use of certain properties adjacent to Naval Station Mayport in Jacksonville, Florida, and MacDill Air Force Base in Tampa, Florida. These are the only lands and interests in lands acquired to date under this program.

State Fiscal Year 2020-2021 Actions

On July 30, 2020, DEO sent a request to the military installations identified in Section 163.3175, Florida Statutes,¹ and the U.S. Coast Guard 7th District, to identify base buffering encroachment lands around their installations. In September and October 2020, DEO obtained responses from the installations. By November 2020, copies of all correspondence received by DEO identifying base buffering encroachment lands were delivered to the Task Force for review and ranking. By November 30, 2020, the Florida Defense Support Task Force provided its letter with ranking recommendations to DEO following the Task Force meeting on November 19, 2020 (see Appendix, Tab 2).

DEO requested that the installations provide all the above information for the base buffering encroachment lands they identified. DEO provided each installation a sample management and monitoring agreement that was developed by DEO in consultation with the Florida Department of Environmental Protection, Bureau of State Lands (see Appendix, Tab 3). DEO advised each installation that its commander could execute the sample management and monitoring agreement provided by DEO or prepare one of their own. Most installations did not provide DEO with a signed management and monitoring agreement.

Nine of the 15 installations identified the following base buffering encroachment lands during the 2020 request cycle:

Installations	Land Identified
Blount Island	1 parcel (4.24 acres)
Homestead Air Reserve Base	52 parcels, Homestead Park of Commerce, 105.5 acres
Naval Air Station Jacksonville	Parcels adjacent to the fence line at Outlying Field (OLF) Whitehouse
Key West Naval Air Station	3 parcels (136 acres)
MacDill Air Force Base	6 parcels near the runway
Naval Station Mayport	Parcels just outside the installation's gate
Naval Air Station Pensacola	3 parcels (75.76 acres) in Accident Potential Zones
US Coast Guard Air Station Clearwater	17 parcels near the St. Pete/Clearwater International Airport
US Coast Guard Air Station Miami	Single parcel near Opa-locka Executive Airport

¹ Avon Park Air Force Range; Camp Blanding; Eglin Air Force Base and Hurlburt Field; Homestead Air Reserve Base; Jacksonville Training Range Complex; MacDill Air Force Base; Naval Air Station Jacksonville, Marine Corps Support Facility-Blount Island, and outlying landing field Whitehouse; Naval Air Station Key West; Naval Support Activity Orlando including Bugg Spring and Naval Ordnance Test Unit, Naval Support Activity Panama City; Naval Air Station Pensacola; Naval Air Station Whiting Field and its outlying landing fields; Naval Station Mayport; Patrick Air Force Base and Cape Canaveral Air Force Station; Tyndall Air Force Base; and United States Southern Command.

Copies of the 2020 submissions from the installations are included in this report (see Appendix, Tabs 4 - 12).

Task Force staff consulted with installations for which no new proposal was submitted. Those installations requested their 2019 recommendations be carried over as their recommendations for 2020 with no change in status (see Appendix, Tabs 13 – 16).

The Florida Defense Task Force Criteria

The Florida Defense Support Task Force used the following criteria to evaluate the installations' 2020 submissions:

Tier 1 – Immediate Encroachment Threat

- High likelihood of development incompatible within Clear Zone or Accident Potential Zone 1.
- Approved/proposed development with potential to impact overall base mission.
- No existing restrictions on development to reduce encroachment and safety risks.

Tier 2 – Moderate Encroachment Threat

- High likelihood of development incompatible with Clear Zone or Accident Potential Zones 1 & 2.
- Proposed development with potential to impact overall base mission.
- Existing development within Clear Zone or Accident Potential Zones with low likelihood of redevelopment.

Tier 3 – Low (Long-Term) Encroachment Threat

- High likelihood of development incompatible existing noise contours (high noise areas).
- Existing restrictive easements on properties.
- Currently compatible land use and zoning on property.
- Possible development with potential to impact overall base mission.
- Existing development within Clear Zone or Accident Potential Zones with low likelihood of redevelopment.

The Florida Defense Task Force Recommended Rankings

After evaluating all base buffering encroachment lands submitted by the installations in 2020, the Florida Defense Support Task Force recommends the following priority rankings:

Base Name	Property Description
Tier 1: Immediate Encroachment Threat	
Avon Park	Triple Canopy Ranch, 345 acres in MIPA 1
Eglin Air Force Base	Valparaiso Lots in the Clear Zone (6 acres; 18 homes)
Homestead Air Reserve Base	Homestead Park of Commerce, Homestead Housing Authority (20.2 acres in APZ 2)
Naval Air Station Key West	Alfred Sears Trust Property (124 acres in APZ 1)
MacDill Air Force Base	Florida Rock Property (14.7 acres in Accident Potential Zone [APZ] 1)
Naval Air Station Pensacola	Cook Property (37.32 acres in APZ 1)
Naval Air Station Jacksonville	Southbelt Park Ltd. (23 acres in APZ1 and APZ2)
Tier 2: Moderate Encroachment Threat	
Blount Island	Parcel adjacent to main Entry Control Point (4.24 acres)
MacDill Air Force Base	3C Self-Storage (incompatible development in Clear Zone)
MacDill Air Force Base	ZONS property (5.9 acres in the Clear Zone)
Key West Naval Air Station	Enchanted Island (4 acres in APZ 1)
Tier 3: Low (Long-Term) Encroachment Threat	
Camp Blanding	Chemours Properties (6,000+ acres adjacent to the range)
Key West Naval Air Station	Gulf Seafood property (8 acres in high noise area)
MacDill Air Force Base	Caribbean-American Club property (developed parcel in APZ 1)
MacDill Air Force Base	Sally Harris property (already developed in APZ 1)
Naval Station Mayport	1.28 acres adjacent to the main gate; security issue
Tyndall Air Force Base	Longpoint Apartment Complex (less than .5 mi from APZ 2 and within 70 dB contour)
Coast Guard Air Station Miami	1-acre parcel between Executive Airport and USCG Air Station (security concerns)

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Military and Veterans Affairs, Space, and Domestic Security

BILL: SB 2006

INTRODUCER: Senator Burgess

SUBJECT: Emergency Management

DATE: March 15, 2021

REVISED: _____

ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1. Stallard	Caldwell	MS	Favorable
2. _____	_____	AP	_____
3. _____	_____	RC	_____

I. Summary:

SB 2006 amends the State Emergency Management Act to better address the threat posed by a pandemic or other public health emergency.

More particularly, the bill:

- Specifies that the State Emergency Management Act applies to pandemics and other public health emergencies.
- Requires the Division of Emergency Management (division) to include in the state comprehensive emergency management plan provisions addressing public-health-emergency preparedness, response, recovery, and mitigation. The division must develop the provisions in consultation with the Department of Health and the Agency for Health Care Administration.
- Requires the division to maintain an inventory of state-owned personal protective equipment.
- Amends several of the division's statutory duties to specify that those duties pertain to public health emergencies. For example, the bill requires the division's biennial report to the Legislature and the Governor to include the state's capability to respond to a public health emergency. Additionally, the report must be provided to the Chief Justice of the Florida Supreme Court.
- Requires a state contract with a provider of care for a person with special needs to include the contractor's procedure for providing essential services during a public health emergency.
- Requires the Division of Emergency Management's statewide emergency shelter plan to address sheltering Floridians during a pandemic that necessitates physical distancing.
- Provides additional oversight and transparency regarding exercises of the executive branch's emergency powers, including that the bill:
 - Authorizes the Legislature to pass a concurrent resolution to terminate orders and directives issued under a state of emergency, instead of only the state of emergency itself.

- Requires the Governor, if he or she closes schools or businesses, to state specific reasons why the schools or businesses need to close. And he or she must reassess the decision regularly.
- Requires the Governor to file any emergency declaration or order with the Division of Administrative Hearings.
- Requires a state agency to submit to the Legislature a detailed spending plan, when possible, before accepting federal grants or private donations.

The bill takes effect July 1, 2021.

II. Present Situation:

The State Emergency Management Act is the legal framework for this state's emergency management apparatus. The Act created the Division of Emergency Management within the Executive Office of the Governor and granted the division with powers and duties necessary to mitigate the vulnerability of life, property, and economic prosperity due to natural and manmade disasters. The Act also delineates the Governor's authority to declare a state of emergency, issue executive orders, and otherwise lead the state during emergencies. This authority is subject in some aspects to the Legislature's authority. For example, the Legislature may pass a concurrent resolution to end a state of emergency declared by the Governor.

The remainder of the Present Situation is set forth in the Effect of Proposed Changes section to provide immediate context for the changes made by the bill.

III. Effect of Proposed Changes:

State Emergency Management Act

Present Situation:

The State Emergency Management Act is set forth in ch. 252, F.S. In the Act, the Legislature finds and declares that Florida is vulnerable to a wide range of emergencies, including natural, manmade, and technological disasters.¹ These emergencies and disasters threaten people, property, and the economy.²

Legislative Intent

Accordingly, Legislature passed the Act with the intent to reduce the state's vulnerability to these circumstances and to prepare to respond to them.³ The legislative intent also includes promoting the state's emergency readiness through enhanced coordination, long-term planning, and adequate funding.⁴

¹ Section 252.311(1), F.S.

² *Id.*

³ Section 252.311(2), F.S.

⁴ *Id.*

Effect of Proposed Changes:

The bill provides that the Act's legislative intent also includes:

- Preparing for and efficiently responding to public health emergencies.
- Minimizing the negative effects of a pandemic or other extended state of emergency; these negative effects include school and business closures, which can negatively impact families and the economy.
- Transparency of all aspects of emergency preparedness, response, and recovery.

Florida Division of Emergency Management*Present situation:*

In the State Emergency Management Act, the Legislature created the Division of Emergency Management within the Executive Office of the Governor.⁵ The division is responsible for “maintaining a comprehensive statewide program of emergency management.”⁶ The division is also “responsible for coordination with efforts of the Federal Government with other departments and agencies of state government, with county and municipal governments and school boards, and with private agencies that have a role in emergency management.”⁷

Additionally, the division is responsible for “carrying out” the State Emergency Management Act.⁸ The Act provides that this responsibility includes a list of more than 20 particular duties.⁹

State Comprehensive Emergency Management Plan

At the top of the division's statutory list of duties is the creation of a state comprehensive emergency management plan.¹⁰ The plan must be integrated into and coordinated with the plans and programs of the federal government.¹¹ The plan must be submitted to the Senate President, the Speaker of the House of Representatives, and the Governor by February 1 of every even-numbered year.¹² Additionally, the plan must be adopted as a rule under ch. 120, F.S.¹³

As for its contents, the plan must:

- Address the need for coordinated and expeditious deployment of the National Guard and other state resources.
- Establish a system of communications and warning to be used during natural disasters and other emergencies.
- Establish guidelines and schedules for annual exercises that evaluate the ability of the state and its political subdivisions to respond to disasters and support local emergency management agencies.

⁵ See ss. 252.32(1) and 252.34(3), F.S.

⁶ Section 252.35(1), F.S.

⁷ *Id.*

⁸ Section 252.35(2), F.S.

⁹ See *Id.*

¹⁰ Section 252.35(2)(a), F.S.

¹¹ Section 252.35(2), F.S.

¹² *Id.*

¹³ *Id.*

- Assign lead and support responsibilities to state agencies and personnel.¹⁴

Additionally, the plan must include:

- An evacuation component that includes regional and interregional coordination of evacuation activities.
- A shelter component that includes regional and interregional planning provisions and promotes coordination of sheltering between the public, private, and nonprofit sectors.
- A post-disaster relief component.¹⁵

Effect of Proposed Changes:

In addition to the above provisions, the bill requires the division to include provisions addressing public health emergency preparedness, response, recovery, and mitigation. In developing these provisions, the division must consult with the Department of Health, the Agency for Health Care Administration, and other agencies as determined appropriate by the division.

Moreover, where current law requires the plan to establish a system of communication and warning regarding emergencies, the bill specifies that these emergencies include public health emergencies.

Other Duties Under the State Emergency Management Act

Present Situation:

In addition to the creation of the state comprehensive emergency management plan, the division must fulfill more than 20 duties listed in Act, including:

- Cooperate with the President, the heads of the Armed Forces, the various federal emergency management agencies, and the officers and agencies of other states in matters pertaining to emergency management in the state and the nation and incidents thereof.
- Institute statewide public awareness programs, including an intensive public educational campaign on emergency preparedness issues.
- Delegate, as necessary and appropriate, authority vested in it under the State Emergency Management Act and provide for the subdelegation of this authority.
- Report to the President of the Senate, the Speaker of the House of Representatives, and the Governor, no later than February 1 of every odd-numbered year, the status of the emergency management capabilities of the state and its political subdivisions.
- Maintain, in coordination with local emergency management agency of the state, a registry of persons with special needs located within the jurisdiction of the local agency.¹⁶

¹⁴ *Id.*

¹⁵ *Id.*

¹⁶ Section 252.35(2)(b)-(y), F.S.

Effect of Proposed Changes:

The bill changes each of the above duties to account for public health emergencies. For instance, the bill requires the statewide public awareness and educational programs to include information on personal preparation for a public health emergency. And the biennial report on the state's emergency preparedness must be sent to the Chief Justice of the Florida Supreme Court and include the state's emergency management capabilities related to public health emergencies.

Regarding the registry of persons with special needs and their need for shelter accommodations, the division must maintain information on options that provide for physical distancing during a public health emergency.

In addition to modifying the duties in the above list, the bill also specifies that where existing law provides that the division must "establish a statewide system to facilitate the transport and distribution of essentials in commerce," these essentials include personal protective equipment.

Emergency Planning Provisions in State Contracts*Present Situation:*

State agencies that contract with providers for the care of persons with disabilities or limitations that make the persons dependent upon the care of others must include emergency and disaster planning provisions in the contracts.¹⁷ The provisions must be included when a contract is initiated and upon its renewal.¹⁸ The provisions must include:

- The designation of an emergency coordinating officer.
- A procedure to contact, prior to or immediately following an emergency or disaster, all persons, on a priority basis, who need assistance and sheltering during evacuations because of physical, mental, or sensory disabilities and whose care is provided under the contract.
- A procedure to help persons who would need assistance and sheltering during evacuations because of physical, mental, or sensory disabilities register with the local emergency management agency.
- A procedure to dispatch the emergency coordinating officer or other staff members to special needs shelters to assist clients with special needs, if necessary.
- A procedure for providing the essential services the organization currently provides to special needs clients in preparation for, during, and following a disaster.¹⁹

Effect of Proposed Changes:

The bill specifies that the disasters contemplated in the last provision listed above include public health emergencies.

¹⁷ Section 252.356, F.S.

¹⁸ *Id.*

¹⁹ Section 252.356(1)-(5), F.S.

Emergency Powers of the Governor

Present situation:

If the Governor finds that an emergency has occurred or is imminent, he or she must declare a state of emergency.²⁰ The state of emergency continues until the Governor terminates it, or until more than 60 days pass, whichever is sooner.²¹ However, the Legislature may end a state of emergency by passing a concurrent resolution.²²

The Florida Statutes acknowledge that the Governor “is responsible for meeting the dangers presented to this state and its people by emergencies.”²³ Accordingly, in the event of an emergency that is beyond local control, the Governor is authorized to assume “direct operational control” over all or any part of the emergency management functions.²⁴ Moreover, he or she may issue executive orders, proclamations, and rules, all of which have the “force and effect of law.”²⁵

Effect of Proposed Changes:

The bill increases the transparency and legislative oversight of an exercise of the executive branch’s emergency powers. Under the bill, the legislature may pass a concurrent resolution to terminate orders and directives issued during a declared emergency, as well as the declaration of emergency itself. Additionally, if the Governor orders schools or businesses to close or operate in a restricted manner he or she must state specific reasons for the action and reassess the situation regularly. Moreover, any declaration of emergency or order issued under it must be filed with the Division of Administrative Hearings. The Division of Administrative Hearings must index the declarations and orders, make them available in a searchable format, and clearly identify the orders that are in effect at any given time.

As an additional means of oversight of the Governor’s emergency power, the bill requires any suspension of regulatory statutes to be consistent with legislative policy and intent and to expire no later than 30 days after the initial suspension; however, the suspension may be renewed. Finally, the bill requires the Governor to report to the presiding officers of the Legislature whenever he or she transfers direction, personnel, or functions of state agencies.

Emergency Coordination Officers

Present Situation:

The head of each of the following state agencies must select a point-person for emergency management issues—called an emergency management officer—and an alternate from within the agency:

²⁰ Section 252.36(2), F.S.

²¹ *Id.*

²² Section 252.36(2), F.S.

²³ Section 252.36(1), F.S.

²⁴ *Id.*

²⁵ Section 252.36(1)(b), F.S.

- Each executive department²⁶
- Each water management district
- The Public Service Commission
- The Fish and Wildlife Conservation Commission
- The Department of Military Affairs.²⁷

Each emergency coordination officer must:

- Coordinate with the Division of Emergency Management on emergency preparedness issues;
- Prepare and maintain emergency preparedness and postdisaster response and recovery plans for the agency;
- Maintain rosters of personnel to assist in disaster operations; and
- Coordinate appropriate training for agency personnel.²⁸

Additionally, an agency's emergency coordination officer must ensure that each state agency and facility, such as a prison or office building, has a disaster preparedness plan.²⁹ The plan must be coordinated with the applicable local emergency management agency and approved by the Division of Emergency Management.³⁰

Regarding its contents, the plan must:

- Outline a comprehensive and effective program to ensure continuity of essential state functions under all circumstances.
- Identify a baseline of preparedness for a full range of potential emergencies to establish a viable capability to perform essential functions during any emergency or other situation that disrupts normal operations.
- Include, at a minimum, the following elements:
 - Identification of essential functions, programs, and personnel;
 - Procedures to implement the plan and personnel notification and accountability;
 - Delegations of authority and lines of succession;
 - Identification of alternative facilities and related infrastructure, including those for communications;
 - Identification and protection of vital records and databases; and
 - Schedules and procedures for periodic tests, training, and exercises.³¹

Effect of Proposed Changes:

The bill specifies that where the law requires each agency and facility to have a comprehensive plan to ensure continuity “under all circumstances,” these circumstances include a pandemic or other public health emergency. Additionally, where current law requires the plan to provide for a “baseline of preparedness,” the bill specifies that “this baseline must consider and include

²⁶ Examples include the Department of Corrections, Department of Health, and Department of Management Services. *See* s. 20.03(2), F.S.

²⁷ Section 252.365(1), F.S.

²⁸ Section 252.365(2), F.S.

²⁹ Section 252.365(3), F.S.

³⁰ *Id.*

³¹ Section 252.365(3)(a) and (b), F.S.

preparedness for rapid and large-scale increases in the public's need to access government services through technology or other means during an emergency such as the COVID-19 pandemic.”

The plan also must include provisions regarding the availability of, and distribution plans for, personal protective equipment. Finally, the plan must be updated each year to include provisions related to pandemics and other public health emergencies.

Financing for Emergencies

Present Situation:

In the State Emergency Management Act, the Legislature states its intent that “funds to meet emergencies always be available.”³²

The Act also provides the legislative intent that the costs of dealing with an emergency be paid from funds regularly appropriated to state and local agencies.³³ However, if the Governor deems it necessary during a state of emergency, he or she may make funds available:

- By transferring and expending moneys appropriated for other purposes;
- By transferring and expending moneys out of any unappropriated surplus funds; or
- From the Budget Stabilization Fund.³⁴

Following the expiration or termination of a state of emergency, the Governor may, subject to approval by the Legislative Budget Commission, transfer moneys with a budget amendment to satisfy the budget authority granted for such emergency.³⁵

The Act authorizes the state to receive grants from the federal government, as well as gifts, donations, or other forms of financial assistance from individuals or corporations.³⁶

Effect of Proposed Changes:

Under the bill, if the Governor covers emergency costs by making funds available in any of the ways listed above, he or she may transfer moneys with a budget amendment, subject to approval by the Legislative Budget Commission, to satisfy the budget authority granted for the emergency. He or she must do so following the expiration or termination of the state of emergency (as under current law), or 6 months after the expiration or termination of the initial state of emergency, whichever occurs earlier.

Under the bill, if a state agency or political subdivision wishes to accept federal grants or private donations, it must submit a detailed spending plan for the money to the presiding officers of the Legislature and the chairs of the legislative appropriation committees. When this pre-submission of the agency's plan is not possible, a state agency or political subdivision must nonetheless

³² Section 252.37(1), F.S.

³³ Section 252.37(2), F.S.

³⁴ *Id.*

³⁵ Section 252.37(2), F.S.

³⁶ Section 252.37(4), F.S.

submit the plan no later than 30 days after the initiation of any expenditures and for each additional 30 day of the emergency.

Public Shelter Space

Present Situation:

The State Emergency Management Act requires the Division of Emergency Management to administer a program to survey buildings offered by the building's owners as hurricane shelters.³⁷ The purpose of the survey is to determine whether the building is "appropriately designed and located" to serve as a shelter.³⁸ A shelter could be publicly or privately owned, such as a corporation's warehouse or a public university's arena.³⁹

By January 31 of each even-numbered year, the division must submit a statewide emergency shelter plan to the Governor and Cabinet for approval.⁴⁰ The plan must identify the location and square footage of special needs shelters during the next 5 years.⁴¹ Additionally, the plan must include information on the availability of shelters that accept pets.⁴²

Effect of Proposed Changes:

The bill requires the plan to address the hurricane shelter needs of the state, including its needs during a health crisis that necessitates physical distancing.

The bill takes effect July 1, 2021.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

The bill does not appear to require cities and counties to expend funds or limit their authority to raise revenue or receive state-shared revenues as specified by Article VII, Section 18 of the State Constitution.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

³⁷ Section 252.37(2)(a), F.S.

³⁸ *Id.*

³⁹ *Id.*

⁴⁰ Section 252.37(2)(b), F.S.

⁴¹ *Id.*

⁴² *Id.*

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None identified.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

The bill could have a positive fiscal impact in the context of a public health emergency as the bill creates a presumption that businesses should remain open.

C. Government Sector Impact:

The bill could have a negative fiscal impact because it increases the duties of the Division of Emergency Management and other executive agencies regarding pandemic preparation.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 252.311, 252.34, 252.35, 252.355, 252.356, 252.359, 252.36, 252.365, 252.37, 252.38, 252.385, 252.44, and 377.703.

IX. Additional Information:

A. Committee Substitute – Statement of Changes:

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

None.

B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill's introducer or the Florida Senate.

1 A bill to be entitled
 2 An act relating to emergency management; amending s.
 3 252.311, F.S.; revising legislative intent with
 4 respect to the State Emergency Management Act;
 5 amending s. 252.34, F.S.; revising the definition of
 6 the term "natural emergency" to include public health
 7 emergencies; amending s. 252.35, F.S.; requiring the
 8 Division of Emergency Management's comprehensive
 9 emergency plan to include specified provisions
 10 regarding public health emergency preparedness,
 11 response, recovery, and mitigation; requiring the
 12 division to cooperate with the Centers for Disease
 13 Control and Prevention; requiring statewide awareness
 14 and education programs to include education on public
 15 health emergency preparedness and mitigation;
 16 requiring the division to complete and maintain an
 17 inventory of personal protection equipment;
 18 prescribing reporting requirements regarding the
 19 inventory; authorizing the division to maintain a list
 20 of private entities that can provide personal
 21 protective equipment; providing limitations on the
 22 timeframe within which the division may delegate or
 23 subdelegate certain authorities granted under the
 24 State Emergency Management Act; requiring the division
 25 to report biennially to the Chief Justice of the
 26 Supreme Court on the status of emergency management
 27 capabilities; requiring such report to include matters
 28 relating to public health emergencies; amending s.
 29 252.355, F.S.; requiring the division to maintain

30 certain information on special needs options during
 31 certain public health emergencies; deleting obsolete
 32 language; amending s. 252.356, F.S.; requiring state
 33 agencies that contract with providers for the care of
 34 persons with certain disabilities or limitations to
 35 include in such contracts a procedure for providing
 36 essential services in preparation for, during, and
 37 following public health emergencies; amending s.
 38 252.359, F.S.; redefining the term "essentials" to
 39 include personal protective equipment used during
 40 public health emergencies; amending s. 252.36, F.S.;
 41 limiting the duration of emergency orders; authorizing
 42 such orders to be renewed if certain conditions are
 43 met; clarifying that the Governor is responsible for
 44 meeting the needs arising out of emergencies
 45 consistent with legislative policy and intent;
 46 providing a presumption that K-12 public schools
 47 should remain open if possible during an extended
 48 public health emergency; providing a presumption that
 49 businesses should remain open if possible during an
 50 extended public health emergency; requiring the
 51 Governor to provide specific reasons if such schools
 52 or businesses are to close as part of an emergency
 53 declaration; requiring the Governor to regularly
 54 review and reassess any issued emergency declarations;
 55 requiring the Governor to provide notice of
 56 declarations of emergencies to the Legislature;
 57 expanding the Legislature's authority to terminate
 58 states of emergency; requiring that all emergency

20212006__

59 declarations and orders be filed with the Division of
 60 Administrative Hearings within a specified timeframe;
 61 specifying that failure to timely file such
 62 declarations or orders results in their being voided;
 63 requiring the division to index and make such
 64 emergency orders available on its website; providing
 65 for retroactive application; limiting the suspension
 66 of any regulatory statute during a state of emergency
 67 to a specified timeframe; authorizing any such
 68 suspensions to be extended for additional timeframes
 69 if certain conditions are met; requiring notice to the
 70 Legislature if a transfer of direction, personnel, or
 71 functions of state departments and agencies is made to
 72 facilitate emergency services; amending s. 252.365,
 73 F.S.; specifying that disaster preparedness plans of
 74 specified agencies must address circumstances
 75 including a pandemic or another public health
 76 emergency; providing that the baseline of preparedness
 77 consider and include rapid and large-scale increases
 78 in the public's access of government services through
 79 technology or other means during an emergency;
 80 requiring that such plans include the availability and
 81 distribution of personal protective equipment;
 82 requiring agencies to update disaster preparedness
 83 plans on an annual basis; amending s. 252.37, F.S.;
 84 requiring that emergency spending from the Budget
 85 Stabilization Fund be consistent with legislative
 86 policy and intent; requiring the Governor to transfer
 87 any such funds within a specified timeframe; requiring

20-01293B-21

20212006__

88 such expenditures to be directly related to the
 89 disaster or emergency; requiring the state or
 90 political subdivision to submit a spending plan for
 91 certain emergency funds to the Legislature; amending
 92 s. 252.38, F.S.; requiring district school boards to
 93 provide facilities and necessary staff for such
 94 facilities during public health emergencies; amending
 95 s. 252.385, F.S.; requiring the division's hurricane
 96 shelter plan to address hurricane shelter needs during
 97 public health emergencies; amending s. 252.44, F.S.;
 98 requiring emergency mitigation planning by state
 99 agencies to include agencies with jurisdiction over
 100 public health; amending 377.703, F.S., conforming a
 101 cross-reference; requiring certain budget amendments
 102 to be approved by the Legislative Budget Commission,
 103 under certain conditions; providing that any emergency
 104 orders issued before a specified date will expire but
 105 may be reissued if certain conditions exist and a
 106 certain requirement is met; providing an effective
 107 date.

108
 109 Be It Enacted by the Legislature of the State of Florida:

110
 111 Section 1. Section 252.311, Florida Statutes, is amended to
 112 read:

113 252.311 Legislative intent.—

114 (1) The Legislature finds and declares that the state is
 115 vulnerable to a wide range of emergencies, including natural,
 116 technological, and manmade disasters, all of which threaten the

20-01293B-21

20212006__

life, health, and safety of its people; damage and destroy property; disrupt services and everyday business and recreational activities; and impede economic growth and development. The Legislature further finds that this vulnerability is exacerbated by the tremendous growth in the state's population, especially the growth in the number of persons residing in coastal areas, in the elderly population, in the number of seasonal vacationers, and in the number of persons with special needs. This growth has greatly complicated the state's ability to coordinate its emergency management resources and activities.

(2) It is the intent of the Legislature to reduce the vulnerability of the people and property of this state; to prepare for efficient evacuation and shelter of threatened or affected persons; to provide for the rapid and orderly provision of relief to persons and for the restoration of services and property; to prepare for and efficiently respond to public health emergencies; and to provide for the coordination of activities relating to emergency preparedness, response, recovery, and mitigation among and between agencies and officials of this state, with similar agencies and officials of other states, with local and federal governments, with interstate organizations, and with the private sector.

(3) It is further the intent of the Legislature to promote the state's emergency preparedness, response, recovery, and mitigation capabilities through enhanced coordination, long-term planning, and adequate funding. State policy for responding to disasters is to support local emergency response efforts. In the case of a major or catastrophic disaster, however, the needs of

20-01293B-21

20212006__

residents and communities will likely be greater than local resources. In these situations, the state must be capable of providing effective, coordinated, and timely support to communities and the public. Therefore, the Legislature hereby determines and declares that the provisions of this act fulfill an important state interest.

(4) It is further the intent of the Legislature to minimize the negative effects of an extended emergency, such as a pandemic or another public health emergency. The Legislature recognizes that there are significant negative impacts on children and families associated with school closures during a public health emergency such as the COVID-19 pandemic. The Legislature also recognizes the significant negative impacts of such emergencies on the economy due to business closures.

(5) It is further the intent of the Legislature that all aspects of emergency preparedness, response, and recovery be transparent to the public to the greatest extent possible.

Section 2. Subsection (8) of section 252.34, Florida Statutes, is amended to read:

252.34 Definitions.—As used in this part, the term:

(8) "Natural emergency" means an emergency caused by a natural event, including, but not limited to, a public health emergency, a hurricane, a storm, a flood, severe wave action, a drought, or an earthquake.

Section 3. Subsection (2) of section 252.35, Florida Statutes, is amended to read:

252.35 Emergency management powers; Division of Emergency Management.—

(2) The division is responsible for carrying out the

20-01293B-21

20212006__

provisions of ss. 252.31-252.90. In performing its duties, the division shall:

(a) Prepare a state comprehensive emergency management plan, which shall be integrated into and coordinated with the emergency management plans and programs of the Federal Government. The division ~~shall must~~ adopt the plan as a rule in accordance with chapter 120. The plan ~~must shall~~ be implemented by a continuous, integrated comprehensive emergency management program. The plan must contain provisions to ensure that the state is prepared for emergencies and minor, major, and catastrophic disasters, and the division shall work closely with local governments and agencies and organizations with emergency management responsibilities in preparing and maintaining the plan. The state comprehensive emergency management plan must ~~shall~~ be operations oriented and:

1. Include an evacuation component that includes specific regional and interregional planning provisions and promotes intergovernmental coordination of evacuation activities. This component must, at a minimum: contain guidelines for lifting tolls on state highways; ensure coordination pertaining to evacuees crossing county lines; set forth procedures for directing people caught on evacuation routes to safe shelter; establish strategies for ensuring sufficient, reasonably priced fueling locations along evacuation routes; and establish policies and strategies for emergency medical evacuations.

2. Include a shelter component that includes specific regional and interregional planning provisions and promotes coordination of shelter activities between the public, private, and nonprofit sectors. This component must, at a minimum:

20-01293B-21

20212006__

contain strategies to ensure the availability of adequate public shelter space in each region of the state; establish strategies for refuge-of-last-resort programs; provide strategies to assist local emergency management efforts to ensure that adequate staffing plans exist for all shelters, including medical and security personnel; provide for a postdisaster communications system for public shelters; establish model shelter guidelines for operations, registration, inventory, power generation capability, information management, and staffing; and set forth policy guidance for sheltering people with special needs.

3. Include a postdisaster response and recovery component that includes specific regional and interregional planning provisions and promotes intergovernmental coordination of postdisaster response and recovery activities. This component must provide for postdisaster response and recovery strategies according to whether a disaster is minor, major, or catastrophic. The postdisaster response and recovery component must, at a minimum: establish the structure of the state's postdisaster response and recovery organization; establish procedures for activating the state's plan; set forth policies used to guide postdisaster response and recovery activities; describe the chain of command during the postdisaster response and recovery period; describe initial and continuous postdisaster response and recovery actions; identify the roles and responsibilities of each involved agency and organization; provide for a comprehensive communications plan; establish procedures for monitoring mutual aid agreements; provide for rapid impact assessment teams; ensure the availability of an effective statewide urban search and rescue program coordinated

20-01293B-21

20212006__

with the fire services; ensure the existence of a comprehensive statewide medical care and relief plan administered by the Department of Health; and establish systems for coordinating volunteers and accepting and distributing donated funds and goods.

4. Include provisions addressing public health emergency preparedness, response, recovery, and mitigation which must be developed in consultation with the Department of Health, the Agency for Health Care Administration, and other agencies as determined appropriate by the division.

5. Include additional provisions addressing aspects of preparedness, response, recovery, and mitigation as determined necessary by the division.

~~6.5-~~ Address the need for coordinated and expeditious deployment of state resources, including the Florida National Guard. In the case of an imminent major disaster, procedures should address predeployment of the Florida National Guard, and, in the case of an imminent catastrophic disaster, procedures should address predeployment of the Florida National Guard and the United States Armed Forces.

~~7.6-~~ Establish a system of communications and warning to ensure that the state's population and emergency management agencies are warned of developing emergency situations, including public health emergencies, and can communicate emergency response decisions.

~~8.7-~~ Establish guidelines and schedules for annual exercises that evaluate the ability of the state and its political subdivisions to respond to minor, major, and catastrophic disasters and support local emergency management

20-01293B-21

20212006__

agencies. Such exercises shall be coordinated with local governments and, to the extent possible, the Federal Government.

~~9.8-~~ Assign lead and support responsibilities to state agencies and personnel for emergency support functions and other support activities.

The complete state comprehensive emergency management plan must ~~shall~~ be submitted to the President of the Senate, the Speaker of the House of Representatives, and the Governor on February 1 of every even-numbered year.

(b) Adopt standards and requirements for county emergency management plans. The standards and requirements must ensure that county plans are coordinated and consistent with the state comprehensive emergency management plan. If a municipality elects to establish an emergency management program, it must adopt a city emergency management plan that complies with all standards and requirements applicable to county emergency management plans.

(c) Assist political subdivisions in preparing and maintaining emergency management plans.

(d) Review periodically political subdivision emergency management plans for consistency with the state comprehensive emergency management plan and standards and requirements adopted under this section.

(e) Cooperate with the President, the heads of the Armed Forces, the various federal emergency management agencies, the Centers for Disease Control and Prevention, and the officers and agencies of other states in matters pertaining to emergency management in the state and the nation and incidents thereof

20-01293B-21

20212006__

and, in connection therewith, take any measures that it deems proper to carry into effect any request of the President and the appropriate federal officers and agencies for any emergency management action, including the direction or control of:

1. Emergency management drills, tests, or exercises of whatever nature.

2. Warnings and signals for tests and drills, attacks, or other imminent emergencies or threats thereof and the mechanical devices to be used in connection with such warnings and signals.

(f) Make recommendations to the Legislature, building code organizations, and political subdivisions for zoning, building, and other land use controls; safety measures for securing mobile homes or other nonpermanent or semipermanent structures; and other preparedness, prevention, and mitigation measures designed to eliminate emergencies or reduce their impact.

(g) In accordance with the state comprehensive emergency management plan and program for emergency management, ascertain the requirements of the state and its political subdivisions for equipment and supplies of all kinds in the event of an emergency; plan for and either procure supplies, medicines, materials, and equipment or enter into memoranda of agreement or open purchase orders that will ensure their availability; and use and employ from time to time any of the property, services, and resources within the state in accordance with ss. 252.31-252.90.

(h) Anticipate trends and promote innovations that will enhance the emergency management system.

(i) Institute statewide public awareness programs, including. ~~This shall include~~ an intensive public educational

20-01293B-21

20212006__

campaign on emergency preparedness issues. Such programs must include, including, but need not be limited to, the personal responsibility of individual citizens to be self-sufficient for up to 72 hours following a natural or manmade disaster or a public health emergency. The public educational campaign must ~~shall~~ include relevant information on public health emergency mitigation, statewide disaster plans, evacuation routes, fuel suppliers, and shelters. All educational materials must be available in alternative formats and mediums to ensure that they are available to persons with disabilities.

(j) In cooperation with the Department of Education, coordinate with the Agency for Persons with Disabilities to provide an educational outreach program on disaster preparedness and readiness to individuals who have limited English skills and identify persons who are in need of assistance but are not defined under special-needs criteria.

(k) Prepare and distribute to appropriate state and local officials catalogs of federal, state, and private assistance programs.

(l) Coordinate federal, state, and local emergency management activities and take all other steps, including the partial or full mobilization of emergency management forces and organizations in advance of an actual emergency, to ensure the availability of adequately trained and equipped forces of emergency management personnel before, during, and after emergencies and disasters.

(m) Establish a schedule of fees that may be charged by local emergency management agencies for review of emergency management plans on behalf of external agencies and

20-01293B-21

20212006__

institutions. In establishing such schedule, the division shall consider facility size, review complexity, and other factors.

(n) Implement training programs to improve the ability of state and local emergency management personnel to prepare and implement emergency management plans and programs. This shall include a continuous training program for agencies and individuals that will be called on to perform key roles in state and local postdisaster response and recovery efforts and for local government personnel on federal and state postdisaster response and recovery strategies and procedures.

(o) Review periodically emergency operating procedures of state agencies and recommend revisions as needed to ensure consistency with the state comprehensive emergency management plan and program.

(p) Make such surveys of industries, resources, and facilities within the state, both public and private, as are necessary to carry out the purposes of ss. 252.31-252.90.

(q) Prepare, in advance whenever possible, such executive orders, proclamations, and rules for issuance by the Governor as are necessary or appropriate for coping with emergencies and disasters.

(r) Cooperate with the Federal Government and any public or private agency or entity in achieving any purpose of ss. 252.31-252.90 and in implementing programs for mitigation, preparation, response, and recovery.

(s) Complete an inventory of portable generators owned by the state and local governments which are capable of operating during a major disaster. The inventory must identify, at a minimum, the location of each generator, the number of

20-01293B-21

20212006__

generators stored at each specific location, the agency to which each generator belongs, the primary use of the generator by the owner agency, and the names, addresses, and telephone numbers of persons having the authority to loan the stored generators as authorized by the division during a declared emergency.

(t) Maintain an inventory list of generators owned by the state and local governments. In addition, the division may keep a list of private entities, along with appropriate contact information, which offer generators for sale or lease. The list of private entities shall be available to the public for inspection in written and electronic formats.

(u) Complete and maintain an inventory of personal protective equipment owned by the state. The inventory must include projections of the need for additional personal protective equipment, as reported by each government agency, to maintain the inventory and replace expired items. The initial inventory must be reported to the Governor, the Chief Justice of the Supreme Court, the President of the Senate, and the Speaker of the House of Representatives by December 31, 2021, and updated annually thereafter. In addition, the division may keep a list of private entities, along with appropriate contact information, which sell personal protective equipment. The list of private entities must be available to the public for inspection in writing and electronically.

(v) Assist political subdivisions with the creation and training of urban search and rescue teams and promote the development and maintenance of a state urban search and rescue program.

(w) ~~(v)~~ Delegate, as necessary and appropriate, authority

20-01293B-21

20212006__

vested in it under ss. 252.31-252.90 and provide for the subdelegation of such authority. Any such delegation or subdelegation during a public health emergency must be limited to no more than 30 days and may be renewed only as necessary.

(x) (w) Report biennially to the President of the Senate, the Speaker of the House of Representatives, the Chief Justice of the Supreme Court, and the Governor, no later than February 1 of every odd-numbered year, the status of the emergency management capabilities of the state and its political subdivisions. This report must include the emergency management capabilities related to public health emergencies.

(y) (x) In accordance with chapter 120, create, implement, administer, adopt, amend, and rescind rules, programs, and plans needed to carry out the provisions of ss. 252.31-252.90 with due consideration for, and in cooperating with, the plans and programs of the Federal Government. In addition, the division may adopt rules in accordance with chapter 120 to administer and distribute federal financial predisaster and postdisaster assistance for prevention, mitigation, preparedness, response, and recovery.

(z) (y) Do other things necessary, incidental, or appropriate for the implementation of ss. 252.31-252.90.

Section 4. Subsection (2) of section 252.355, Florida Statutes, is amended to read:

252.355 Registry of persons with special needs; notice; registration program.—

(2) In order to ensure that all persons with special needs may register, the division shall develop and maintain a special needs shelter registration program. In the case of a public

20-01293B-21

20212006__

health emergency and the need for physical distancing, the division must maintain information on special needs shelter options for such persons which mitigate the threat of the spread of infectious diseases ~~The registration program must be developed by January 1, 2015, and fully implemented by March 1, 2015.~~

(a) The registration program shall include, at a minimum, a uniform electronic registration form and a database for uploading and storing submitted registration forms that may be accessed by the appropriate local emergency management agency. The link to the registration form shall be easily accessible on each local emergency management agency's website. Upon receipt of a paper registration form, the local emergency management agency shall enter the person's registration information into the database.

(b) To assist in identifying persons with special needs, home health agencies, hospices, nurse registries, home medical equipment providers, the Department of Children and Families, the Department of Health, the Agency for Health Care Administration, the Department of Education, the Agency for Persons with Disabilities, the Department of Elderly Affairs, and memory disorder clinics shall, and any physician licensed under chapter 458 or chapter 459 and any pharmacy licensed under chapter 465 may, annually provide registration information to all of their special needs clients or their caregivers. The division shall develop a brochure that provides information regarding special needs shelter registration procedures. The brochure must be easily accessible on the division's website. All appropriate agencies and community-based service providers,

20-01293B-21

20212006__

including aging and disability resource centers, memory disorder clinics, home health care providers, hospices, nurse registries, and home medical equipment providers, shall, and any physician licensed under chapter 458 or chapter 459 may, assist emergency management agencies by annually registering persons with special needs for special needs shelters, collecting registration information for persons with special needs as part of the program intake process, and establishing programs to educate clients about the registration process and disaster preparedness safety procedures. A client of a state-funded or federally funded service program who has a physical, mental, or cognitive impairment or sensory disability and who needs assistance in evacuating, or when in a shelter, must register as a person with special needs. The registration program shall give persons with special needs the option of preauthorizing emergency response personnel to enter their homes during search and rescue operations if necessary to ensure their safety and welfare following disasters.

(c) The division shall be the designated lead agency responsible for community education and outreach to the public, including special needs clients, regarding registration and special needs shelters and general information regarding shelter stays.

(d) On or before May 31 of each year, each electric utility in the state shall annually notify residential customers in its service area of the availability of the registration program available through their local emergency management agency by:

1. An initial notification upon the activation of new residential service with the electric utility, followed by one

20-01293B-21

20212006__

annual notification between January 1 and May 31; or

2. Two separate annual notifications between January 1 and May 31.

The notification may be made by any available means, including, but not limited to, written, electronic, or verbal notification, and may be made concurrently with any other notification to residential customers required by law or rule.

Section 5. Subsection (5) of section 252.356, Florida Statutes, is amended to read:

252.356 Emergency and disaster planning provisions to assist persons with disabilities or limitations.—State agencies that contract with providers for the care of persons with disabilities or limitations that make such persons dependent upon the care of others shall include emergency and disaster planning provisions in such contracts at the time the contracts are initiated or upon renewal. These provisions shall include, but shall not be limited to:

(5) A procedure for providing the essential services the organization currently provides to special needs clients in preparation for, ~~and during,~~ and following, a disaster, including, but not limited to, a public health emergency.

Section 6. Subsection (2) of section 252.359, Florida Statutes, is amended to read:

252.359 Ensuring availability of emergency supplies.—

(2) As used in this section, the term "essentials" means goods that are consumed or used as a direct result of a declared emergency, or that are consumed or used to preserve, protect, or sustain life, health, safety, or economic well-being. The term

20-01293B-21

20212006__

523 includes personal protective equipment used in the event of a
 524 public health emergency.

525 Section 7. Section 252.36, Florida Statutes, is amended to
 526 read:

527 252.36 Emergency management powers of the Governor.—

528 (1) (a) The Governor is responsible for meeting the dangers
 529 presented to this state and its people by emergencies. In the
 530 event of an emergency beyond local control, the Governor, or, in
 531 the Governor's absence, her or his successor as provided by law,
 532 may assume direct operational control over all or any part of
 533 the emergency management functions within this state, and she or
 534 he shall have the power through proper process of law to carry
 535 out the provisions of this section consistent with legislative
 536 policy and intent. The Governor is authorized to delegate such
 537 powers as she or he may deem prudent.

538 (b) Pursuant to the authority vested in her or him under
 539 paragraph (a), the Governor may issue executive orders,
 540 proclamations, and rules ~~and may amend or rescind them.~~ Such
 541 executive orders, proclamations, and rules ~~shall~~ have the force
 542 and effect of law and must be limited in duration to no more
 543 than 30 days. An executive order, a proclamation, or a rule may
 544 be reissued for 30-day periods if the emergency conditions
 545 persist. If reissued, the order, proclamation, or rule must
 546 state with specificity the provisions that are being reissued.

547 (c) The Legislature intends that, during an extended public
 548 health emergency such as the COVID-19 pandemic, there should be
 549 a presumption that K-12 public schools, to the greatest extent
 550 possible, should remain open so long as the health and safety of
 551 students and school personnel can be maintained. The Legislature

20-01293B-21

20212006__

552 also intends that during such an event, there should be a
 553 presumption that businesses should remain open to the greatest
 554 extent possible so long as the health and safety of employees
 555 and customers can be reasonably protected.

556 1. If the Governor declares by executive order or
 557 proclamation that the emergency requires closure of or
 558 restricted in-person attendance at K-12 public schools, the
 559 executive order or proclamation must contain specific reasons
 560 for those determinations, and he or she must review and reassess
 561 the situation regularly.

562 2. If the Governor declares by executive order or
 563 proclamation that the emergency requires businesses to have
 564 restricted operations or closures, the executive order or
 565 proclamation must contain specific reasons for those
 566 determinations, and he or she must review and reassess the
 567 situation regularly.

568 (2) A state of emergency must ~~shall~~ be declared by
 569 executive order or proclamation of the Governor if she or he
 570 finds an emergency has occurred or that the occurrence or the
 571 threat thereof is imminent. The state of emergency must ~~shall~~
 572 continue until the Governor finds that the threat or danger has
 573 been dealt with to the extent that the emergency conditions no
 574 longer exist and she or he terminates the state of emergency by
 575 executive order or proclamation, but no state of emergency may
 576 continue for longer than 60 days unless renewed by the Governor.
 577 ~~The Legislature by concurrent resolution may terminate a state~~
 578 ~~of emergency at any time. Thereupon, the Governor shall issue an~~
 579 ~~executive order or proclamation ending the state of emergency.~~
 580 All executive orders or proclamations issued under this section

20-01293B-21

20212006__

581 ~~must shall~~ indicate the nature of the emergency, the area or
 582 areas threatened, and the conditions which have brought the
 583 emergency about or which make possible its termination. An
 584 executive order or proclamation ~~must shall~~ be promptly
 585 disseminated by means calculated to bring its contents to the
 586 attention of the general public; and, unless the circumstances
 587 attendant upon the emergency prevent or impede such filing, the
 588 order or proclamation ~~must shall~~ be filed promptly with the
 589 Department of State, the President of the Senate and the Speaker
 590 of the House of Representatives, and ~~in~~ the offices of the
 591 county commissioners in the counties to which the order or
 592 proclamation applies.

593 (3)(a) At any time, the Legislature, by concurrent
 594 resolution, may terminate a state of emergency or any specific
 595 order or directive thereunder. Upon such concurrent resolution,
 596 the Governor shall issue an executive order or proclamation
 597 consistent with the concurrent resolution.

598 (b) Notwithstanding s. 252.46(2), all emergency
 599 declarations and orders, regardless of how titled, issued under
 600 the authority of this part by the Governor or any agency,
 601 whether by direct, delegated, or subdelegated authority, before,
 602 during, or after a declared emergency must be immediately filed
 603 with the Division of Administrative Hearings. Failure to file
 604 any such declaration or order with the division within 3 days
 605 after issuance voids the declaration or order. The division
 606 shall index all such declarations and orders and make them
 607 available in searchable format on its website. The index must
 608 include a search category that specifically identifies emergency
 609 orders that are in effect at any given time. This subsection

20-01293B-21

20212006__

610 applies retroactively to all executive emergency declarations
 611 and orders that are in effect when this subsection takes effect.

612 (4) An executive order or proclamation of a state of
 613 emergency ~~must shall~~:

614 (a) Activate the emergency mitigation, response, and
 615 recovery aspects of the state, local, and interjurisdictional
 616 emergency management plans applicable to the political
 617 subdivision or area in question; and

618 (b) Be authority for the deployment and use of any forces
 619 to which the plan or plans apply and for the use or distribution
 620 of any supplies, equipment, and materials and facilities
 621 assembled, stockpiled, or arranged to be made available pursuant
 622 to ss. 252.31-252.90 or any other provision of law relating to
 623 emergencies.

624 (c) Identify whether the state of emergency is due to a
 625 minor, major, or catastrophic disaster.

626 1. For a major or catastrophic disaster, the proclamation
 627 is authority for a health care practitioner licensed in another
 628 state to assist in providing health care in the disaster area
 629 according to the provisions specified in the proclamation.

630 2. For a catastrophic disaster, the proclamation
 631 constitutes a formal request for mobilization of the military,
 632 which shall be communicated to the President of the United
 633 States.

634 ~~(5)~~ (4) During the continuance of a state of emergency, the
 635 Governor is commander in chief of the Florida National Guard and
 636 of all other forces available for emergency duty. To the
 637 greatest extent practicable, the Governor shall delegate or
 638 assign command authority by prior arrangement embodied in

20-01293B-21

20212006__

appropriate executive orders or rules, but nothing herein restricts the Governor's authority to do so by orders issued at the time of the emergency.

~~(6)(5)~~ In addition to any other powers conferred upon the Governor by law, she or he may:

(a) Suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business or the orders or rules of any state agency, if strict compliance with the provisions of any such statute, order, or rule would in any way prevent, hinder, or delay necessary action in coping with the emergency. Any such suspension must be consistent with legislative policy and intent and must expire no later than 30 days after the initial suspension. The suspension may be reissued for subsequent periods, not to exceed 30 days for each reissuance, if the conditions underlying the emergency continue.

(b) ~~Use~~ Utilize all available resources of the state government and of each political subdivision of the state, as reasonably necessary, to respond to ~~cope with~~ the emergency.

(c) Transfer the direction, personnel, or functions of state departments and agencies or units thereof for the purpose of performing or facilitating emergency services. Any such transfer must be promptly reported to the President of the Senate and the Speaker of the House of Representatives on a monthly basis until such transfer ceases. The monthly reports must be cumulative.

(d) Subject to any applicable requirements for compensation under s. 252.43, commandeer or ~~use~~ utilize any private property if she or he finds this necessary to adequately respond to ~~cope with~~ the emergency.

20-01293B-21

20212006__

(e) Direct and compel the evacuation of all or part of the population from any stricken or threatened area within the state if she or he deems this action necessary for the preservation of life or other emergency mitigation, response, or recovery.

(f) Prescribe routes, modes of transportation, and destinations in connection with evacuation.

(g) Control ingress and egress to and from an emergency area, the movement of persons within the area, and the occupancy of premises therein.

(h) Suspend or limit the sale, dispensing, or transportation of alcoholic beverages, firearms, explosives, and combustibles. However, nothing contained in ss. 252.31-252.90 shall be construed to authorize the seizure, taking, or confiscation of firearms that are lawfully possessed, unless a person is engaged in the commission of a criminal act.

(i) Make provision for the availability and use of temporary emergency housing.

(j) Take effective measures for limiting or suspending lighting devices and appliances, gas and water mains, electric power distribution, and all other utility services in the general public interest.

(k) Take measures concerning the conduct of civilians, the movement and cessation of movement of pedestrian and vehicular traffic prior to, during, and subsequent to drills and actual or threatened emergencies, the calling of public meetings and gatherings, and the evacuation and reception of civilian population, as provided in the emergency management plan of the state and political subdivisions thereof.

(l) Authorize the use of forces already mobilized as the

20-01293B-21

20212006__

result of an executive order, rule, or proclamation to assist the private citizens of the state in cleanup and recovery operations during emergencies when proper permission to enter onto or into private property has been obtained from the property owner. The provisions of s. 768.28(9) apply to this paragraph.

(m) Authorize businesses and their employees who sell commodities as defined in s. 501.160(1)(a) to exceed the times of curfews for the purpose of ensuring that the supplies of commodities are made available to the public and direct local law enforcement to assist and accommodate those businesses and their employees in ensuring that commodities are available in coping with the emergency.

(n) By executive order, authorize the operator of solid waste disposal facilities to extend operating hours to ensure the health, safety, and welfare of the general public.

(o) Waive the patient eligibility requirements of s. 465.1902.

(7)~~(6)~~ The Governor shall take such action and give such direction to state and local law enforcement officers and agencies as may be reasonable and necessary for the purpose of securing compliance with the provisions of ss. 252.31-252.90 and with the orders and rules made pursuant thereto.

(8)~~(7)~~ The Governor shall employ such measures and give such directions to the Department of Health and the Agency for Health Care Administration as may be reasonably necessary for the purpose of securing compliance with the provisions of ss. 252.31-252.90 or with the findings or recommendations of such agency of health by reason of conditions arising from

20-01293B-21

20212006__

emergencies or threats of emergency.

(9)~~(8)~~ The Governor shall delegate emergency responsibilities to the officers and agencies of the state and of the political subdivisions thereof prior to an emergency or threat of an emergency and shall utilize the services and facilities of existing officers and agencies of the state and of the political subdivisions thereof, including their personnel and other resources, as the primary emergency management forces of the state, and all such officers and agencies shall cooperate with and extend their services and facilities to the division, as it may require.

(10)~~(9)~~ The Governor and the division shall establish agencies and offices and appoint executive, professional, technical, clerical, and other personnel as may be necessary to carry out the provisions of ss. 252.31-252.90.

(11)~~(10)~~ The Governor shall formulate and execute plans and rules for the control of traffic in order to provide for the rapid and safe movement or evacuation over public highways and streets of people, troops, or vehicles and materials for national defense or for use in any defense industry and may coordinate the activities of the departments or agencies of the state and the political subdivisions thereof concerned directly or indirectly with public highways and streets in a manner which will best effectuate such plans.

Section 8. Subsection (3) of section 252.365, Florida Statutes, is amended to read:

252.365 Emergency coordination officers; disaster-preparedness plans.—

(3) The emergency coordination officers shall ensure These

20-01293B-21

20212006

~~individuals shall be responsible for ensuring~~ that each state agency and facility, such as a prison, office building, or university, has a disaster preparedness plan that is coordinated with the applicable local emergency-management agency and approved by the division.

(a) The disaster-preparedness plan must outline a comprehensive and effective program to ensure continuity of essential state functions under all circumstances, including a pandemic or another public health emergency. The plan must identify a baseline of preparedness for a full range of potential emergencies to establish a viable capability to perform essential functions during any emergency or other situation that disrupts normal operations. This baseline must consider and include preparedness for rapid and large-scale increases in the public's need to access government services through technology or other means during an emergency such as the COVID-19 pandemic.

(b) The plan must include, at a minimum, the following elements: identification of essential functions, programs, and personnel; procedures to implement the plan and personnel notification and accountability; delegations of authority and lines of succession; identification of alternative facilities and related infrastructure, including those for communications; identification and protection of vital records and databases; provisions regarding the availability of, and distribution plans for, personal protective equipment; and schedules and procedures for periodic tests, training, and exercises.

(c) The division shall develop and distribute guidelines for developing and implementing the plan. By December 31 of each

20-01293B-21

20212006

year, each agency must update its plan to include provisions related to preparation for pandemics and other public health emergencies.

Section 9. Section 252.37, Florida Statutes, is amended to read:

252.37 Financing.—

(1) The Legislature intends and declares it to be the policy of the state that funds to meet emergencies shall always be available.

(2) It is the legislative intent that the first recourse be made to funds regularly appropriated to state and local agencies. If the Governor finds that the demands placed upon these funds in coping with a particular disaster declared by the Governor as a state of emergency are unreasonably great, she or he may make funds available by transferring and expending moneys appropriated for other purposes or ~~or~~ by transferring and expending moneys out of any unappropriated surplus funds, or from the Budget Stabilization Fund consistent with legislative policy and intent. Following the expiration or termination of the state of emergency, or 6 months after the expiration or termination of the initial state of emergency, whichever occurs earlier, the Governor may transfer moneys with a budget amendment, subject to approval, in whole or in part, by the Legislative Budget Commission, to satisfy the budget authority granted for such emergency. The expenditures supporting the amendment must be directly related to the stated disaster or emergency.

(3) ~~Nothing contained in~~ This section may not ~~shall~~ be construed to limit the authority of the Governor to apply for,

20-01293B-21

20212006__

813 administer, and expend any grants, gifts, or payments in aid of
 814 emergency prevention, mitigation, preparedness, response, or
 815 recovery.

816 (4) (a) Whenever the Federal Government or any agency or
 817 officer thereof offers to the state or, through the state, to
 818 any political subdivision thereof services, equipment, supplies,
 819 materials, or funds by way of gift, grant, or loan for the
 820 purposes of emergency management or recovery, the state, acting
 821 through the division, or such political subdivision, acting with
 822 the consent of the Governor or the Governor's authorized
 823 representative, may accept such offer. Upon such acceptance, the
 824 division or the presiding officer or governing body of such
 825 political subdivision may authorize receipt of the gift, grant,
 826 or loan on behalf of the state or such political subdivision,
 827 subject to the terms of the offer and the rules and regulations
 828 of the agency making the offer.

829 (b) Whenever any person, firm, or corporation offers to the
 830 state or to any political subdivision thereof services,
 831 equipment, supplies, materials, or funds by way of gift, grant,
 832 loan, or other agreement for the purpose of emergency
 833 management, the state, acting through the division, or such
 834 political subdivision, acting through its governing body or a
 835 local emergency management agency, may accept such offer. Upon
 836 such acceptance, the division or the presiding officer or
 837 governing body of the political subdivision may authorize
 838 receipt of the gift, grant, or loan on behalf of the state or
 839 such political subdivision, subject to the terms of the offer.

840 (5) Unless otherwise specified in the General
 841 Appropriations Act:

20-01293B-21

20212006__

842 (a) Whenever the state accepts financial assistance from
 843 the Federal Government or its agencies under the federal Public
 844 Assistance Program and such financial assistance is conditioned
 845 upon a requirement for matching funds, the state shall provide
 846 the entire match requirement for state agencies and one-half of
 847 the required match for grants to local governments. The affected
 848 local government shall be required to provide one-half of the
 849 required match prior to receipt of such financial assistance.

850 (b) The Executive Office of the Governor may approve a
 851 waiver, subject to the requirement for legislative notice and
 852 review under s. 216.177, of all or a portion of the required
 853 match for public assistance projects for local governments if
 854 the Executive Office of the Governor determines that such a
 855 match requirement cannot be provided, or that doing so would
 856 impose a documented hardship on the local government, and if the
 857 local government applies for the waiver within the first 18
 858 months after the disaster is declared.

859 (6) Whenever the state accepts financial assistance from
 860 the Federal Government or its agencies under the federal Hazard
 861 Mitigation Assistance Grant Program and such financial
 862 assistance is conditioned upon a requirement for matching funds,
 863 the eligible subgrantee recipient shall be required to provide
 864 the full amount of the required match prior to receipt of such
 865 financial assistance unless otherwise specified in the General
 866 Appropriations Act.

867
 868 The agency or political subdivision must submit in advance a
 869 detailed spending plan for any such grants, gifts, loans, funds,
 870 payments, services, equipment, supplies, or materials in aid of

20-01293B-21 20212006__

871 or for the purpose of emergency prevention, management,
 872 mitigation, preparedness, response, or recovery received under
 873 this section to the President of the Senate, the Speaker of the
 874 House of Representatives, and the chairs of the legislative
 875 appropriations committees. If an emergency situation precludes
 876 the timely advanced submission of a detailed spending plan, the
 877 plan must be submitted as soon as practicable, but no later than
 878 30 days after initiation of any expenditures and continuing
 879 every 30 days so long as the emergency continues and funds
 880 continue to be disbursed.

881 Section 10. Paragraph (d) of subsection (1) of section
 882 252.38, Florida Statutes, is amended to read:

883 252.38 Emergency management powers of political
 884 subdivisions.—Safeguarding the life and property of its citizens
 885 is an innate responsibility of the governing body of each
 886 political subdivision of the state.

887 (1) COUNTIES.—

888 (d) During a declared state or local emergency, including a
 889 public health emergency, and upon the request of the director of
 890 a local emergency management agency, the district school board
 891 or school boards in the affected area shall participate in
 892 emergency management by providing facilities and necessary
 893 personnel to staff such facilities. Each school board providing
 894 transportation assistance in an emergency evacuation shall
 895 coordinate the use of its vehicles and personnel with the local
 896 emergency management agency.

897 Section 11. Subsections (1), (2), and (3) of section
 898 252.385, Florida Statutes, are amended to read:

899 252.385 Public shelter space.—

20-01293B-21 20212006__

900 (1) It is the intent of the Legislature that this state not
 901 have a deficit of safe public hurricane evacuation shelter space
 902 in any region of the state ~~by 1998 and thereafter.~~

903 (2) (a) The division shall administer a program to survey
 904 existing schools, universities, community colleges, and other
 905 state-owned, municipally owned, and county-owned public
 906 buildings and any private facility that the owner, in writing,
 907 agrees to provide for use as a public hurricane evacuation
 908 shelter to identify those that are appropriately designed and
 909 located to serve as such shelters. The owners of the facilities
 910 must be given the opportunity to participate in the surveys. The
 911 state university boards of trustees, district school boards,
 912 community college boards of trustees, and the Department of
 913 Education are responsible for coordinating and implementing the
 914 survey of public schools, universities, and community colleges
 915 with the division or the local emergency management agency.

916 (b) By January 31 of each even-numbered year, the division
 917 shall prepare and submit a statewide emergency shelter plan to
 918 the Governor and Cabinet for approval, subject to the
 919 requirements for approval in s. 1013.37(2). The emergency
 920 shelter plan must address the hurricane shelter needs of the
 921 state, including during times of a concurrent public health
 922 emergency that necessitates more space for each individual in
 923 such shelters to accommodate physical distancing. In addition to
 924 information on the general shelter needs throughout this state,
 925 the plan must ~~shall~~ identify the general location and square
 926 footage of special needs shelters, by regional planning council
 927 region, during the next 5 years. The plan must ~~shall~~ also
 928 include information on the availability of shelters that accept

20-01293B-21

20212006__

929 pets. The Department of Health shall assist the division in
 930 determining the estimated need for special needs shelter space
 931 and the adequacy of facilities to meet the needs of persons with
 932 special needs based on information from the registries of
 933 persons with special needs and other information.

934 (3) The division shall annually provide to the President of
 935 the Senate, the Speaker of the House of Representatives, and the
 936 Governor a list of facilities recommended to be retrofitted
 937 using state funds. State funds should be maximized and targeted
 938 to regional planning council regions with hurricane evacuation
 939 shelter deficits. ~~Retrofitting facilities in regions with public~~
 940 ~~hurricane evacuation shelter deficits shall be given first~~
 941 ~~priority and should be completed by 2003. All recommended~~
 942 ~~facilities should be retrofitted by 2008.~~ The owner or lessee of
 943 a public hurricane evacuation shelter that is included on the
 944 list of facilities recommended for retrofitting is not required
 945 to perform any recommended improvements.

946 Section 12. Subsection (1) of section 252.44, Florida
 947 Statutes, is amended to read:

948 252.44 Emergency mitigation.—

949 (1) In addition to prevention measures included in the
 950 state and local comprehensive emergency management plans, the
 951 Governor shall consider on a continuing basis steps that could
 952 be taken to mitigate the harmful consequences of emergencies. At
 953 the Governor's direction and pursuant to any other authority and
 954 competence they have, state agencies, including, but not limited
 955 to, those charged with responsibilities in connection with
 956 protecting and maintaining the public health, flood plain
 957 management, stream encroachment and flow regulation, weather

20-01293B-21

20212006__

958 modification, fire prevention and control, air quality, public
 959 works, land use and land use planning, and construction
 960 standards, shall make studies of emergency-mitigation-related
 961 matters. The Governor, from time to time, shall make such
 962 recommendations to the Legislature, local governments, and other
 963 appropriate public and private entities as may facilitate
 964 measures for mitigation of the harmful consequences of
 965 emergencies.

966 Section 13. Paragraph (a) of subsection (2) of section
 967 377.703, Florida Statutes, is amended to read:

968 377.703 Additional functions of the Department of
 969 Agriculture and Consumer Services.—

970 (2) DUTIES.—The department shall perform the following
 971 functions, unless as otherwise provided, consistent with the
 972 development of a state energy policy:

973 (a) The Division of Emergency Management is responsible for
 974 the development of an energy emergency contingency plan to
 975 respond to serious shortages of primary and secondary energy
 976 sources. Upon a finding by the Governor, implementation of any
 977 emergency program shall be upon order of the Governor that a
 978 particular kind or type of fuel is, or that the occurrence of an
 979 event which is reasonably expected within 30 days will make the
 980 fuel, in short supply. The Division of Emergency Management
 981 shall then respond by instituting the appropriate measures of
 982 the contingency plan to meet the given emergency or energy
 983 shortage. The Governor may utilize the provisions of s.
 984 252.36(6) ~~s. 252.36(5)~~ to carry out any emergency actions
 985 required by a serious shortage of energy sources.

986 Section 14. Notwithstanding the requirements of s. 252.37,

20-01293B-21

20212006

Florida Statutes, as amended by this act, and for purposes of the declaration of emergency issued by the Governor for the COVID-19 pandemic, any budget amendment submitted in accordance with s. 252.37, Florida Statutes, upon the effective date of this act is subject to approval, in whole or in part, by the Legislative Budget Commission.

Section 15. For purposes of this act, all executive orders issued pursuant to an emergency declaration by the Governor, including through delegated or subdelegated authority, which are issued more than 30 days before July 1, 2021, will expire upon the effective date of this act; however, an expired executive order may be reissued for 30-day periods if the emergency conditions persist, and if the reissued order states with specificity the provisions that are being reissued.

Section 16. This act shall take effect July 1, 2021.

The Florida Senate

Committee Agenda Request

To: Senator Tom Wright, Chair
Committee on Military and Veterans Affairs, Space, and Domestic Security

Subject: Committee Agenda Request

Date: March 8, 2021

I respectfully request that **Senate Bill #2006**, relating to Emergency Management, be placed on the:

- ☐ committee agenda at your earliest possible convenience.
- ☒ next committee agenda.

A handwritten signature in blue ink, appearing to read "Danny", is written over a horizontal line.

Senator Danny Burgess
