The Able Trust's High School High Tech program would end, resulting in the closure of 43 program sites in 40 Florida counties.⁵⁴ The program provides leadership training, career direction, community involvement, and education to 1,500-2,000 students per year.⁵⁵ The current cost to the state's budget for this program is \$275 per student, which covers slightly more than one-fourth of total program costs.⁵⁶

Additionally, The Able Trust's Florida Youth Leadership Program would no longer operate.⁵⁷ This program is a week-long leadership training program that takes place every summer at Florida State University, and advances high school juniors and seniors with disabilities, plus young adult job seekers, toward a career path and employment.

Grant Programs

The Able Trust works with community organizations throughout the state to help them assist Floridians with disabilities in their area to become employed. There are 60-70 contracts during any annual period (e.g., Susan B. Anthony Rehabilitation Center in Broward County, Science Center in Pinellas County, Vincent Academy in Sarasota, Ark Nassau in Nassau County, and Key Clubhouse in Miami-Dade).⁵⁸ No state funds are used in these strategic grant initiatives.⁵⁹

James Patrick Memorial Program

The Able Trust serves as administrator and fiduciary for the James Patrick Memorial Program, authorized in s. 413.402, F.S., which helps fund the services of personal care attendants for eligible workers with disabilities. Seven contracts to obtain funding for the program exist with state attorney offices in different parts of the state.⁶⁰

Specialty License Plates for Motorcycles

The Able Trust serves as fiduciary for funds for the sale of specialty license plates for motorcycles pursuant to s. 320.08069(4)(d), F.S.⁶¹ It collects, distributes, and manages the funds, which benefits five disabilities organizations – Florida Association of Centers for Independent Living, the James Patrick Memorial Program, Preserve Vision Florida, the Brain and Spinal Cord Injury Program – Florida Department of Health, and the Blind Services Foundation of Florida.⁶² The Foundation receives a 10 percent management fee.⁶³

Exceptional Student Education Guaranteed Allocation (Section 3)

Section 3 authorizes the Florida Department of Education (DOE) to recalculate the Exceptional Student Education (ESE) Guaranteed Allocation for each school district throughout the school year based on the student membership surveys. The ESE Guaranteed Allocation will continue to be calculated initially in the General Appropriations Act (GAA), and then recalculated based on each school district's actual ESE and total full-time equivalent (FTE) enrollment as determined by the surveys. This recalculation will ensure school districts receive their appropriate share of the ESE Guaranteed Allocation based on actual enrollment.

Intensive Reading Instruction (Section 3)

Section 3 amends subsections 1011.62(1) and (9), F.S., to make permanent the requirement of providing an additional hour of intensive reading instruction daily for students enrolled in the 300 lowest performing elementary schools.

This section requires participating schools to implement a 60-hour summer program in addition to the 180 hours of instruction provided during the school year. The bill also requires a participating school to continue to provide an additional hour of instruction for two subsequent academic years after the school improves performance such that it is no longer classified as one of the 300 lowest performing elementary schools.

This section requires each school district that has a school designated as one of the 300 lowest-performing elementary schools, including any school that is maintaining the program because it has improved performance to the extent that the school is no longer on such list, to specifically delineate the implementation design and reading intervention strategies that will be utilized for the required extra hour of reading as part of its comprehensive reading plan.

Small, Isolated School Supplement (Section 3)

Section 3 amends paragraph 1011.62(1)(h), F.S., to expand the small, isolated high schools provision in the Florida Education Finance Program (FEFP) to include elementary schools, and revise the criteria by which schools may qualify for the allocation. The section limits the provision to district-operated schools and establishes the criteria for elementary schools to qualify as:

- Having a grade configuration of kindergarten through grade 5, while also permitting inclusive of prekindergarten, grade 6, grade 7, or grade 8;
- Being located at least 35 miles from another elementary school within the district;
- Having a student population in which at least 75 percent students are eligible for free and reduced-price lunch; and
- Having at least 28 students, but no more than 100 students.

Sparsity Supplement (Section 3)

Section 3 amends subsection 1011.62(7), F.S., to codify permanently the computation of the sparsity supplement for larger eligible districts with between 20,000 and 24,000 full-time equivalent (FTE) students, by dividing the total number of FTE students by the number of

permanent senior high school centers in the district, not in excess of four (rather than three as used by other districts). This computation is consistent with the methodology used during the past two years.

Federally Connected Student Supplement (Section 3)

Section 3 amends subsection 1011.62(13), F.S., relating to the federally connected student supplement, to allow for recalculation throughout the year based on actual student membership and the tax-exempt valuation from the most recent assessment roll. This recalculation allows an eligible school district to receive an allocation based on the most recent data available, which is consistent with other FEFP categoricals.

FTE Reporting (Section 3)

Section 3 amends subsection 1011.62(15), F.S., to codify permanently the prohibition that a school district may not seek a positive allocation adjustment to its FEFP funding in the current fiscal year because of an under allocation for a prior fiscal year caused by district error.

Capital Outlay Full-Time Equivalent (COFTE) Membership (Sections , 6, and 7)

Section 4 aligns s.1013.64 (3), F.S., with the actual COFTE membership calculation by:

- Changing kindergarten to pre-kindergarten for students funded for the FEFP, and
- Limiting the second and third surveys to 0.5 FTE membership per student.

Sections 6 and 7 conform cross references in ss. 1011.71 and 1013.54, F.S., changed as a result of the modifications made to s. 1013.64, F.S.

High Growth District Capital Outlay Assistance Program (Section 5)

Section 5 amends s. 1013.738, F.S., to modify the qualification requirements and funding methodology for the High Growth District Capital Outlay Assistance Grant Program. To qualify for the program, a school district must:

- Levy the maximum nonvoted discretionary millage for the prior 5 years;
- Receive revenue from a current voted school capital outlay sales surtax or a portion of the local government infrastructure surtax;
- Have funds from the nonvoted discretionary capital outlay millage that, when divided by the district's capital outlay FTE students, are less than the statewide average maximum potential funds per capital outlay FTE student for the most recent fiscal year;
- Have equaled or exceeded the greater of one percent average growth or twice the statewide average growth in capital outlay FTE students of the prior 5-year period; and
- Have more than 24,000 total capital outlay FTE students.

Section 5 also modifies the program allocation methodology to require that, for each eligible district, the Department of Education (DOE):

- Sum the revenue from the maximum potential nonvoted discretionary capital outlay millage and the revenue from the voted sales surtax and divide it by the capital outlay FTE students;

- Determine the amount that must be added to the funds per capital outlay FTE to produce the statewide average value per capital outlay FTE for the identified revenues; and, if necessary,
- Prorate district awards to the level of the appropriation.

The bill takes effect July 1, 2017, except as otherwise expressly provided.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

SB 2516 modifies various education funding statutes to conform to the funding policies used to develop SB 2500, the Senate proposed General Appropriations Act for Fiscal Year 2017-2018.

This bill does not have a fiscal impact on state and local revenues and expenditures. However, based on these statutory modifications, the following funding decisions have been made:

- Funding for additional requirements for the additional hour of intensive reading instruction at the lowest-performing elementary schools is provided in the supplemental academic instruction and the research-based reading instruction allocation categoricals within the Florida Education Finance Program (FEFP).
- The Senate General Appropriations Act for Fiscal Year 2017-2018, SB 2500, includes \$27 million for the 60-hour summer component and \$23 million for schools to continue to provide an additional hour of instruction for two subsequent academic years after the school improves performance such that it is no longer classified as one of the 300 lowest performing elementary schools.

- The bill modifies the federally connected student supplement calculation within the FEFP. The school districts eligible for funding through the categorical will receive their proportional share of the appropriated \$13 million, as proposed in SB 2500, allocated through the FEFP.
- SB 2500 appropriates \$3 million for the High Growth District Capital Outlay Assistance Grant Program.
- SB 2500 appropriates \$549,823 to the Florida Endowment Foundation for Vocational Rehabilitation.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 11.45, 413.65, 1011.62, 1011.71, 1013.54, 1013.64, and 1013.738.

 40 Be It Enacted by the Legislature of the State of Florida:

41
 42 Section 1. Upon the expiration and reversion of the
 43 amendment to section 11.45, Florida Statutes, pursuant to
 44 section 36 of chapter 2016-62, Laws of Florida, paragraph (d) of
 45 subsection (2) of section 11.45, Florida Statutes, is amended to
 46 read:
 47 11.45 Definitions; duties; authorities; reports; rules.—
 48 (2) DUTIES.—The Auditor General shall:
 49 (d) Annually conduct financial audits of the accounts and
 50 records of all district school boards in counties with
 51 populations of fewer than 150,000, according to the most recent
 52 federal decennial statewide census, and the Florida School for
 53 the Deaf and the Blind.

54
 55 The Auditor General shall perform his or her duties
 56 independently but under the general policies established by the
 57 Legislative Auditing Committee. This subsection does not limit
 58 the Auditor General's discretionary authority to conduct other

Page 2 of 22

576-02843A-17 20172516pb

59 audits or engagements of governmental entities as authorized in
60 subsection (3).

61 Section 2. Upon the expiration and reversion of the
62 amendments to section 1011.62, Florida Statutes, pursuant to
63 section 23 of chapter 2016-62, Laws of Florida, paragraphs (e),
64 (f), and (h) of subsection (1), paragraph (b) of subsection (7),
65 paragraphs (a), (c), and (d) of subsection (9), and paragraph
66 (c) of subsection (13) of section 1011.62, Florida Statutes, are
67 amended, paragraph (d) is added to subsection (13) of that
68 section, and paragraph (b) of subsection (15) of that section is
69 amended, to read:

70 1011.62 Funds for operation of schools.—If the annual
71 allocation from the Florida Education Finance Program to each
72 district for operation of schools is not determined in the
73 annual appropriations act or the substantive bill implementing
74 the annual appropriations act, it shall be determined as
75 follows:

76 (1) COMPUTATION OF THE BASIC AMOUNT TO BE INCLUDED FOR
77 OPERATION.—The following procedure shall be followed in
78 determining the annual allocation to each district for
79 operation:

80 (e) *Funding model for exceptional student education*
81 *programs.*—

82 1.a. The funding model uses basic, at-risk, support levels
83 IV and V for exceptional students and career Florida Education
84 Finance Program cost factors, and a guaranteed allocation for
85 exceptional student education programs. Exceptional education
86 cost factors are determined by using a matrix of services to
87 document the services that each exceptional student will

576-02843A-17 20172516pb

88 receive. The nature and intensity of the services indicated on
89 the matrix shall be consistent with the services described in
90 each exceptional student's individual educational plan. The
91 Department of Education shall review and revise the descriptions
92 of the services and supports included in the matrix of services
93 for exceptional students and shall implement those revisions
94 before the beginning of the 2012-2013 school year.

95 b. In order to generate funds using one of the two weighted
96 cost factors, a matrix of services must be completed at the time
97 of the student's initial placement into an exceptional student
98 education program and at least once every 3 years by personnel
99 who have received approved training. Nothing listed in the
100 matrix shall be construed as limiting the services a school
101 district must provide in order to ensure that exceptional
102 students are provided a free, appropriate public education.

103 c. Students identified as exceptional, in accordance with
104 chapter 6A-6, Florida Administrative Code, who do not have a
105 matrix of services as specified in sub-subparagraph b. shall
106 generate funds on the basis of full-time-equivalent student
107 membership in the Florida Education Finance Program at the same
108 funding level per student as provided for basic students.
109 Additional funds for these exceptional students will be provided
110 through the guaranteed allocation designated in subparagraph 2.

111 2. For students identified as exceptional who do not have a
112 matrix of services and students who are gifted in grades K
113 through 8, there is created a guaranteed allocation to provide
114 these students with a free appropriate public education, in
115 accordance with s. 1001.42(4)(1) and rules of the State Board of
116 Education, which shall be allocated initially to each school

576-02843A-17

20172516pb

117 district in the amount provided in the General Appropriations
 118 Act. These funds shall be supplemental to the funds appropriated
 119 for the basic funding level, and the amount allocated for each
 120 school district shall be recalculated ~~once~~ during the year,
 121 based on actual student membership from ~~the October~~ FTE surveys
 122 ~~survey~~. Upon recalculation, if the generated allocation is
 123 greater than the amount provided in the General Appropriations
 124 Act, the total shall be prorated to the level of the
 125 appropriation based on each district's share of the total
 126 recalculated amount. These funds shall be used to provide
 127 special education and related services for exceptional students
 128 and students who are gifted in grades K through 8. A district's
 129 expenditure of funds from the guaranteed allocation for students
 130 in grades 9 through 12 who are gifted may not be greater than
 131 the amount expended during the 2006-2007 fiscal year for gifted
 132 students in grades 9 through 12.

133 (f) *Supplemental academic instruction; categorical fund.*—

134 1. There is created a categorical fund to provide
 135 supplemental academic instruction to students in kindergarten
 136 through grade 12. This paragraph may be cited as the
 137 "Supplemental Academic Instruction Categorical Fund."

138 2. The categorical fund is funds for supplemental academic
 139 ~~instruction shall be allocated annually to each school district~~
 140 ~~in the amount provided in the General Appropriations Act. These~~
 141 ~~funds shall be~~ in addition to the funds appropriated on the
 142 basis of FTE student membership in the Florida Education Finance
 143 Program and shall be included in the total potential funds of
 144 each district. These funds shall be used to provide supplemental
 145 academic instruction to students enrolled in the K-12 program.

576-02843A-17

20172516pb

146 ~~For the 2014-2015 fiscal year,~~ Each school district that has one
 147 or more of the 300 lowest-performing elementary schools based on
 148 the state reading assessment for the prior year shall use these
 149 funds, together with the funds provided in the district's
 150 research-based reading instruction allocation and other
 151 available funds, to provide an additional hour of instruction
 152 beyond the normal school day for each day of the entire school
 153 year and to provide a 60-hour summer school program, for
 154 intensive reading instruction for the students in each of these
 155 schools. This additional hour of instruction must be provided by
 156 teachers or reading specialists who have demonstrated
 157 effectiveness ~~are effective~~ in teaching reading or by a K-5
 158 mentoring reading program that is supervised by a teacher who
 159 has demonstrated effectiveness in ~~is effective at~~ teaching
 160 reading. Students enrolled in these schools who have level 5
 161 assessment scores may participate in the additional hour of
 162 instruction on an optional basis. Exceptional student education
 163 centers may ~~shall~~ not be included in the 300 schools. The
 164 designation of the 300 lowest-performing elementary schools must
 165 be based on the state reading assessment for the prior year. In
 166 addition, a school that was on the list of the 300 lowest-
 167 performing elementary schools for the immediately prior academic
 168 year and that has improved its performance such that the school
 169 is no longer on such list shall maintain the program for 2
 170 additional academic years. After this requirement has been met,
 171 supplemental instruction strategies may include, but are not
 172 limited to: use of a modified curriculum, reading instruction,
 173 after-school instruction, tutoring, mentoring, a reduction in
 174 class size ~~reduction,~~ an extended school year, intensive skills

576-02843A-17

20172516pb

175 development in summer school, and other methods ~~of fee~~ improving
 176 student achievement. Supplemental instruction may be provided to
 177 a student in any manner and at any time during or beyond the
 178 regular 180-day term identified by the school as being the most
 179 effective and efficient way to best help that student progress
 180 from grade to grade and to graduate.

181 3. Categorical funds for supplemental academic instruction
 182 shall be provided annually in the Florida Education Finance
 183 Program as specified in the General Appropriations Act. These
 184 funds shall be provided as a supplement to the funds
 185 appropriated for the basic funding level and shall be included
 186 in the total funds of each district. The allocation shall
 187 consist of a base amount that has a workload adjustment based on
 188 changes in unweighted FTE. In addition, districts that have
 189 elementary schools included in the 300 lowest-performing schools
 190 designation shall be allocated additional funds to assist those
 191 districts in providing intensive reading instruction to students
 192 in those schools. The amount provided shall be based on each
 193 district's level of per-student funding in the reading
 194 instruction allocation and the supplemental academic instruction
 195 categorical fund and on the total FTE for each of the schools.
 196 The categorical funding shall be recalculated during the fiscal
 197 year following an updated designation of the 300 lowest-
 198 performing elementary schools and shall be based on actual
 199 student membership from the FTE surveys. Upon recalculation of
 200 funding for the supplemental academic instruction categorical
 201 fund, if the total allocation is greater than the amount
 202 provided in the General Appropriations Act, the allocation shall
 203 be prorated to the level provided to support the appropriation,

Page 7 of 22

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

576-02843A-17

20172516pb

204 based on each district's share of the total.

205 ~~4.3-~~ Effective with the 1999-2000 fiscal year, funding on
 206 the basis of FTE membership beyond the 180-day regular term
 207 shall be provided in the FEFP only for students enrolled in
 208 juvenile justice education programs or in education programs for
 209 juveniles placed in secure facilities or programs under s.
 210 985.19. Funding for instruction beyond the regular 180-day
 211 school year for all other K-12 students shall be provided
 212 through the supplemental academic instruction categorical fund
 213 and other state, federal, and local fund sources with ample
 214 flexibility for schools to provide supplemental instruction to
 215 assist students in progressing from grade to grade and
 216 graduating.

217 ~~5.4-~~ The Florida State University School, as a lab school,
 218 is authorized to expend from its FEFP or Lottery Enhancement
 219 Trust Fund allocation the cost to the student of remediation in
 220 reading, writing, or mathematics for any graduate who requires
 221 remediation at a postsecondary educational institution.

222 ~~6.5-~~ Beginning in the 1999-2000 school year, dropout
 223 prevention programs as defined in ss. 1003.52, 1003.53(1) (a),
 224 (b), and (c), and 1003.54 shall be included in group 1 programs
 225 under subparagraph (d)3.

226 (h) *Small, isolated high schools.*—Districts ~~that which~~ levy
 227 the maximum nonvoted discretionary millage, exclusive of millage
 228 for capital outlay purposes levied pursuant to s. 1011.71(2),
 229 may calculate full-time equivalent students for small, isolated
 230 district-operated high schools by multiplying the number of
 231 unweighted full-time equivalent students times 2.75 ~~if, provided~~
 232 the school has attained a grade of "C" or better, pursuant to s.

Page 8 of 22

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

576-02843A-17

20172516pb

233 1008.34, for the previous school year. The following schools may
 234 be considered small, isolated schools under this paragraph:

235 1. ~~A For the purpose of this section, the term "small,~~
 236 ~~isolated high school" means Any high school that which is~~
 237 ~~located at least no less than~~ 28 miles by the shortest route
 238 from another high school; ~~which~~ has been serving students
 239 primarily in basic studies provided by sub-subparagraphs (c)1.b.
 240 and c. and may include subparagraph (c)4.; and ~~which~~ has a
 241 membership of at least 28, but no more than 100, students, but
 242 ~~no fewer than 28 students, in grades 9 through 12; or-~~

243 2. A district elementary school with a grade configuration
 244 of kindergarten through grade 5, but which may also include
 245 prekindergarten, grade 6, grade 7, or grade 8, which is located
 246 at least 35 miles by the shortest route from another elementary
 247 school within the district; has been serving students primarily
 248 in basic studies provided by sub-subparagraphs (c)1.a. and b.
 249 and may include subparagraph (c)4.; has a student population in
 250 which 75 percent or greater of students are eligible for free
 251 and reduced-price school lunch; and has a membership of at least
 252 28, but no more than 100, students.

253 (7) DETERMINATION OF SPARSITY SUPPLEMENT.-

254 (b) The district sparsity index shall be computed by
 255 dividing the total number of full-time equivalent students in
 256 all programs in the district by the number of senior high school
 257 centers in the district, not in excess of three, which centers
 258 are approved as permanent centers by a survey made by the
 259 Department of Education. For districts with a full-time
 260 equivalent student membership of at least 20,000, but no more
 261 than 24,000, the index shall be computed by dividing the total

Page 9 of 22

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

576-02843A-17

20172516pb

262 number of full-time equivalent students in all programs by the
 263 number of permanent senior high school centers in the district,
 264 not in excess of four.

265 (9) RESEARCH-BASED READING INSTRUCTION ALLOCATION.-

266 (a) The research-based reading instruction allocation is
 267 created to provide comprehensive reading instruction to students
 268 in kindergarten through grade 12. ~~For the 2014-2015 fiscal year,~~
 269 ~~in~~ Each school district that has one or more of the 300 lowest-
 270 performing elementary schools based on the state reading
 271 assessment, ~~priority~~ shall give priority ~~be given~~ to providing
 272 an additional hour per day of intensive reading instruction
 273 beyond the normal school day for each day of the entire school
 274 year and to provide a 60-hour summer school program for the
 275 students in each school. The designation of the 300 lowest-
 276 performing elementary schools must be based on the state reading
 277 assessment for the prior year. In addition, a school that was on
 278 the list of the 300 lowest performing elementary schools for the
 279 immediately prior academic year and that has improved its
 280 performance such that the school is no longer on such list shall
 281 maintain the program for 2 additional academic years. Students
 282 enrolled in these schools who have level 5 assessment scores may
 283 participate in the additional hour of instruction on an optional
 284 basis. Exceptional student education centers ~~may shall~~ not be
 285 included in the 300 schools. The intensive reading instruction
 286 delivered in this additional hour and for other students shall
 287 include: research-based reading instruction that has been proven
 288 to accelerate progress of students exhibiting a reading
 289 deficiency; differentiated instruction based on screening,
 290 diagnostic, progress monitoring, or student assessment data to

Page 10 of 22

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

576-02843A-17

20172516pb

291 meet students' specific reading needs; explicit and systematic
 292 reading strategies to develop ~~development in~~ phonemic awareness,
 293 phonics, fluency, vocabulary, and comprehension, with more
 294 extensive opportunities for guided practice, error correction,
 295 and feedback; and the integration of social studies, science,
 296 and mathematics-text reading, text discussion, and writing in
 297 response to reading. ~~For the 2012-2013 and 2013-2014 fiscal~~
 298 ~~years, a school district may not hire more reading coaches than~~
 299 ~~were hired during the 2011-2012 fiscal year unless all students~~
 300 ~~in kindergarten through grade 5 who demonstrate a reading~~
 301 ~~deficiency, as determined by district and state assessments,~~
 302 ~~including students scoring Level 1 or Level 2 on the statewide,~~
 303 ~~standardized reading assessment or, upon implementation, the~~
 304 ~~English Language Arts assessment, are provided an additional~~
 305 ~~hour per day of intensive reading instruction beyond the normal~~
 306 ~~school day for each day of the entire school year.~~

307 (c) Funds allocated under this subsection must be used to
 308 provide a system of comprehensive reading instruction to
 309 students enrolled in the K-12 programs, which may include the
 310 following:

311 1. The provision of an additional hour per day of intensive
 312 reading instruction to students in the 300 lowest-performing
 313 elementary schools by teachers and reading specialists who have
 314 demonstrated effectiveness ~~are effective~~ in teaching reading.

315 2. Kindergarten through grade 5 reading intervention
 316 teachers to provide intensive intervention during the school day
 317 and in the required extra hour for students identified as having
 318 a reading deficiency.

319 3. The provision of highly qualified reading coaches to

576-02843A-17

20172516pb

320 specifically support teachers in making instructional decisions
 321 based on student data, and improve teacher delivery of effective
 322 reading instruction, intervention, and reading in the content
 323 areas based on student need.

324 4. Professional development for school district teachers in
 325 scientifically based reading instruction, including strategies
 326 to teach reading in content areas and with an emphasis on
 327 technical and informational text, to help school district
 328 teachers earn a certification or an endorsement in reading.

329 5. The provision of summer reading camps for all students
 330 in kindergarten through grade 2 who demonstrate a reading
 331 deficiency as determined by district and state assessments, and
 332 students in grades 3 through 5 who score at Level 1 on the
 333 statewide, standardized reading assessment or, upon
 334 implementation, the English Language Arts assessment.

335 6. The provision of supplemental instructional materials
 336 that are grounded in scientifically based reading research.

337 7. The provision of intensive interventions for students in
 338 kindergarten through grade 12 who have been identified as having
 339 a reading deficiency or who are reading below grade level as
 340 determined by the statewide, standardized assessment.

341 (d) 1. Annually, by a date determined by the Department of
 342 Education but before May 1, school districts shall submit a K-12
 343 comprehensive reading plan for the specific use of the research-
 344 based reading instruction allocation in the format prescribed by
 345 the department for review and approval by the Just Read,
 346 Florida! Office created pursuant to s. 1001.215. The plan
 347 annually submitted by school districts shall be deemed approved
 348 unless the department rejects the plan on or before June 1. If a

576-02843A-17

20172516pb

349 school district and the Just Read, Florida! Office cannot reach
 350 agreement on the contents of the plan, the school district may
 351 appeal to the State Board of Education for resolution. School
 352 districts shall be allowed reasonable flexibility in designing
 353 their plans and shall be encouraged to offer reading
 354 intervention through innovative methods, including career
 355 academies. The plan format shall be developed with input from
 356 school district personnel, including teachers and principals,
 357 and shall allow courses in core, career, and alternative
 358 programs that deliver intensive reading remediation through
 359 integrated curricula, provided that the teacher is deemed highly
 360 qualified to teach reading or working toward that status. No
 361 later than July 1 annually, the department shall release the
 362 school district's allocation of appropriated funds to those
 363 districts having approved plans. A school district that spends
 364 100 percent of this allocation on its approved plan shall be
 365 deemed to have been in compliance with the plan. The department
 366 may withhold funds upon a determination that reading instruction
 367 allocation funds are not being used to implement the approved
 368 plan. The department shall monitor and track the implementation
 369 of each district plan, including conducting site visits and
 370 collecting specific data on expenditures and reading improvement
 371 results. By February 1 of each year, the department shall report
 372 its findings to the Legislature.

373 2. Each school district that has a school designated as one
 374 of the 300 lowest-performing elementary schools as specified in
 375 paragraph (a), including a school that is maintaining the
 376 program because it has improved performance so that the school
 377 is no longer on such list, shall specifically delineate in the

Page 13 of 22

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

576-02843A-17

20172516pb

378 comprehensive reading plan, or in an addendum to the
 379 comprehensive reading plan, the implementation design and
 380 reading intervention strategies that will be used for the
 381 required additional hour of reading instruction. The term
 382 "reading intervention" includes evidence-based strategies
 383 frequently used to remediate reading deficiencies and also
 384 includes individual instruction, tutoring, mentoring, or the use
 385 of technology that targets specific reading skills and
 386 abilities.

387 (13) FEDERALLY CONNECTED STUDENT SUPPLEMENT.—The federally
 388 connected student supplement is created to provide supplemental
 389 funding for school districts to support the education of
 390 students connected with federally owned military installations,
 391 National Aeronautics and Space Administration (NASA) real
 392 property, and Indian lands. To be eligible for this supplement,
 393 the district must be eligible for federal Impact Aid Program
 394 funds under s. 8003 of Title VIII of the Elementary and
 395 Secondary Education Act of 1965. The supplement shall be
 396 allocated annually to each eligible school district in the
 397 ~~amount provided in the~~ General Appropriations Act. The
 398 supplement shall be the sum of the student allocation and an
 399 exempt property allocation.

400 (c) The exempt property allocation shall be equal to the
 401 tax-exempt value of federal impact aid lands reserved as
 402 military installations, real property owned by NASA, or eligible
 403 federally owned Indian lands located in the district, ~~as of~~
 404 ~~January 1 of the previous year,~~ multiplied by the millage
 405 authorized and levied under s. 1011.71(2).

406 (d) The amount allocated for each eligible school district

Page 14 of 22

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

576-02843A-17 20172516pb

407 shall be recalculated during the year, using actual student
 408 membership, as amended, from the most recent February survey and
 409 the tax-exempt valuation from the most recent assessment roll.
 410 Upon recalculation, if the total allocation is greater than the
 411 amount provided in the General Appropriations Act, it must be
 412 prorated to the level of the appropriation based on each
 413 district's share of the total recalculated amount.

414 (15) TOTAL ALLOCATION OF STATE FUNDS TO EACH DISTRICT FOR
 415 CURRENT OPERATION.—The total annual state allocation to each
 416 district for current operation for the FEFP shall be distributed
 417 periodically in the manner prescribed in the General
 418 Appropriations Act.

419 (b) The amount thus obtained shall be the net annual
 420 allocation to each school district. However, if it is determined
 421 that any school district received an under allocation or over
 422 allocation ~~underallocation or overallocation~~ for any prior year
 423 because of an arithmetical error, assessment roll change
 424 required by final judicial decision, full-time equivalent
 425 student membership error, or any allocation error revealed in an
 426 audit report, the allocation to that district shall be
 427 appropriately adjusted. An under allocation in a prior year
 428 caused by a school district's error may not be the basis for a
 429 positive allocation adjustment for the current year. Beginning
 430 with the 2011-2012 fiscal year, if a special program cost factor
 431 is less than the basic program cost factor, an audit adjustment
 432 may not result in the reclassification of the special program
 433 FTE to the basic program FTE. If the Department of Education
 434 audit adjustment recommendation is based upon controverted
 435 findings of fact, the Commissioner of Education is authorized to

Page 15 of 22

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

576-02843A-17 20172516pb

436 establish the amount of the adjustment based on the best
 437 interests of the state.

438 Section 3. Effective upon becoming a law, notwithstanding
 439 the expiration and reversion of section 1013.64, Florida
 440 Statutes, in section 36 of chapter 2016-62, Laws of Florida,
 441 subsection (3) of section 1013.64, Florida Statutes, is
 442 reenacted and amended to read:

443 1013.64 Funds for comprehensive educational plant needs;
 444 construction cost maximums for school district capital
 445 projects.—Allocations from the Public Education Capital Outlay
 446 and Debt Service Trust Fund to the various boards for capital
 447 outlay projects shall be determined as follows:

448 (3) (a) Each district school board shall receive an amount
 449 from the Public Education Capital Outlay and Debt Service Trust
 450 Fund to be calculated by computing the capital outlay membership
 451 as determined by the department. Such membership must include,
 452 but is not limited to:

453 1. K-12 students and prekindergarten exceptional education
 454 students for whom the school district provides the educational
 455 facility, except hospital- and homebound part-time students; and

456 2. Students who are career education students, and adult
 457 disabled students and who are enrolled in school district career
 458 centers.

459 (b) The capital outlay full-time equivalent membership
 460 shall be determined for prekindergarten exceptional education
 461 students, kindergarten through the 12th grade, and for career
 462 centers by counting the reported unweighted full-time equivalent
 463 student membership for the second and third surveys, with each
 464 survey limited to 0.5 full-time equivalents per student and

Page 16 of 22

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

576-02843A-17

20172516pb

465 comparing the results on a school-by-school basis with the
 466 Florida Inventory of School Houses. ~~If the prior academic year's~~
 467 ~~third survey count is higher than the current year's second~~
 468 ~~survey count when comparing the results on a school-by-school~~
 469 ~~basis with the Florida Inventory of School Houses, the prior~~
 470 ~~year's third survey count shall be used on a school-by-school~~
 471 ~~basis for determining the current capital outlay membership. The~~
 472 ~~Florida Inventory of School Houses shall be updated with the~~
 473 ~~current capital outlay membership count as soon as practicable~~
 474 ~~after verification of the capital outlay membership.~~

475 (c) The capital outlay full-time equivalent membership by
 476 grade level organization shall be used in making calculations.
 477 The capital outlay full-time equivalent membership by grade
 478 level organization for the 4th prior year must be used to
 479 compute the base-year allocation. The capital outlay full-time
 480 equivalent membership by grade-level organization for the prior
 481 year must be used to compute the growth over the highest of the
 482 3 years preceding the prior year. From the total amount
 483 appropriated by the Legislature pursuant to this subsection, 40
 484 percent shall be allocated among the base capital outlay full-
 485 time equivalent membership and 60 percent among the growth
 486 capital outlay full-time equivalent membership. The allocation
 487 within each of these groups shall be prorated to the districts
 488 based upon each district's percentage of base and growth capital
 489 outlay full-time equivalent membership. The most recent 4-year
 490 capital outlay full-time equivalent membership data shall be
 491 used in each subsequent year's calculation for the allocation of
 492 funds pursuant to this subsection. If a change, correction, or
 493 recomputation of data during any year results in a reduction or

Page 17 of 22

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

576-02843A-17

20172516pb

494 increase of the calculated amount previously allocated to a
 495 district, the allocation to that district shall be adjusted
 496 accordingly. If such recomputation results in an increase or
 497 decrease of the calculated amount, such additional or reduced
 498 amounts shall be added to or reduced from the district's future
 499 appropriations. However, no change, correction, or recomputation
 500 of data may shall be made subsequent to 2 years following the
 501 initial annual allocation.

502 (d) Funds accruing to a district school board from the
 503 provisions of this section shall be expended on needed projects
 504 as shown by survey or surveys under the rules of the State Board
 505 of Education.

506 (e) A district school board may lease relocatable
 507 educational facilities for up to 3 years using nonbonded PECO
 508 funds and for any time period using local capital outlay
 509 millage.

510 (f) Funds distributed to the district school boards shall
 511 be allocated solely based on paragraphs (a), (b), and (c) and
 512 ~~the provisions of paragraphs (1) (a) and (2) (a) and paragraphs~~
 513 ~~(a)-(e) of this subsection~~. No individual school district
 514 projects may shall be funded off the top of funds allocated to
 515 district school boards.

516 Section 4. Section 1013.738, Florida Statutes, is amended
 517 to read:

518 1013.738 High Growth District Capital Outlay Assistance
 519 Grant Program.—

520 (1) Subject to funds provided in the General Appropriations
 521 Act, the High Growth District Capital Outlay Assistance Grant
 522 Program is hereby established. Funds provided pursuant to this

Page 18 of 22

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

576-02843A-17

20172516pb

523 section may only be used for the purposes identified in s.
524 1011.71(2) to construct new student stations.

525 (2) In order to qualify for a grant, a school district must
526 meet the following criteria:

527 (a) The district must have levied the maximum full 1.5
528 mills of nonvoted discretionary capital outlay millage
529 authorized in s. 1011.71(2) for each of the prior 5 past 4
530 fiscal years.

531 (b) The district must receive revenue from a current voted
532 school capital outlay sales surtax or a portion of the local
533 government infrastructure surtax as authorized in s. 212.055.

534 (c)(b) Fifty percent of The revenue derived from the 2-mill
535 nonvoted discretionary capital outlay millage for the past 4
536 fiscal years, when divided by the district's growth in capital
537 outlay FTE students over this period, produces a value that is
538 less than the statewide average maximum potential funds cost per
539 capital outlay FTE student station calculated pursuant to s.
540 1013.64(6)(b)1., and weighted by statewide growth in capital
541 outlay FTE students in elementary, middle, and high schools for
542 the most recent past 4 fiscal year years.

543 (d)(e) The district must have equaled or exceeded the
544 greater of one percent average growth or twice the statewide
545 average of growth in capital outlay FTE students over the prior
546 5-year this same 4-year period.

547 ~~(d) The Commissioner of Education must have released all~~
548 ~~funds allocated to the district from the Classrooms First~~
549 ~~Program authorized in s. 1013.68, and these funds were fully~~
550 ~~expended by the district as of February 1 of the current fiscal~~
551 ~~year.~~

Page 19 of 22

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

576-02843A-17

20172516pb

552 (e) The total capital outlay FTE students of the district
553 is greater than 24,000 ~~15,000~~ students.

554 (3) The funds provided in the General Appropriations Act
555 shall be allocated pursuant to the following methodology:

556 (a) For each eligible district, the Department of Education
557 shall ~~sum~~ calculate the calculated value of 50 percent of the
558 revenue derived from the maximum potential 2-mill nonvoted
559 discretionary capital outlay millage and the revenue received
560 from the voted sales surtax as provided in paragraph (2)(b) and
561 divide that sum for the past 4 fiscal years divided by the
562 number of increase in capital outlay FTE students for the same
563 period.

564 (b) The Department of Education shall determine, for each
565 eligible district, the amount that must be added to the funds
566 per capital outlay FTE value calculated pursuant to paragraph
567 (a) to produce the statewide weighted average value per capital
568 outlay FTE for the revenues identified student station
569 calculated pursuant to paragraph (a) (2)(b).

570 (c) The value calculated for each eligible district
571 pursuant to paragraph (b) shall be ~~multiplied by the average~~
572 ~~increase in capital outlay FTE students for the past 4 fiscal~~
573 ~~years to determine~~ the maximum amount of a grant that may be
574 awarded to a district pursuant to this section.

575 (d) In the event the funds provided ~~in the General~~
576 ~~Appropriations Act~~ are insufficient to fully fund the maximum
577 grants calculated pursuant to this section paragraph (e), the
578 Department of Education shall allocate the funds based on each
579 district's prorated share of the total maximum award amount
580 calculated for all eligible districts.

Page 20 of 22

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

576-02843A-17

20172516pb

581 Section 5. Paragraph (a) of subsection (2) of section
 582 1011.71, Florida Statutes, is amended to read:
 583 1011.71 District school tax.—
 584 (2) In addition to the maximum millage levy as provided in
 585 subsection (1), each school board may levy not more than 1.5
 586 mills against the taxable value for school purposes for district
 587 schools, including charter schools at the discretion of the
 588 school board, to fund:
 589 (a) New construction and remodeling projects, as set forth
 590 in s. 1013.64(3)(d) ~~s. 1013.64(3)(b)~~ and (6)(b) and included in
 591 the district's educational plant survey pursuant to s. 1013.31,
 592 without regard to prioritization, sites and site improvement or
 593 expansion to new sites, existing sites, auxiliary facilities,
 594 athletic facilities, or ancillary facilities.
 595 Section 6. Subsection (2) of section 1013.54, Florida
 596 Statutes, is amended to read:
 597 1013.54 Cooperative development and use of satellite
 598 facilities by private industry and district school boards.—
 599 (2) The commissioner shall appoint a review committee to
 600 make recommendations and prioritize requests. If the project is
 601 approved by the commissioner, the commissioner shall include up
 602 to one-fourth of the cost of the project in the legislative
 603 capital outlay budget request, as provided in s. 1013.60, for
 604 the funding of capital outlay projects involving both
 605 educational and private industry. The commissioner shall
 606 prioritize any such projects for each fiscal year and,
 607 notwithstanding the provisions of s. 1013.64(3)(e) ~~s.~~
 608 ~~1013.64(3)(e)~~, limit the recommended state funding amount not to
 609 exceed 5 percent off the top of the total funds recommended

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: CS/CS/SB 364

INTRODUCER: Appropriations Committee; Commerce and Tourism Committee; and Senator Gainer and others

SUBJECT: Recovery Fund for the Deepwater Horizon Incident

DATE: April 7, 2017

REVISED: _____

	ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1.	<u>Little</u>	<u>McKay</u>	<u>CM</u>	<u>Fav/CS</u>
2.	<u>Pitts</u>	<u>Pitts</u>	<u>ATD</u>	<u>Recommend: Favorable</u>
3.	<u>Pitts</u>	<u>Hansen</u>	<u>AP</u>	<u>Fav/CS</u>

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 364 establishes a mechanism for 75 percent of the settlement funds received by the state, pursuant to Florida's claims for economic damages caused by the Deepwater Horizon oil spill, to be appropriated to Triumph Gulf Coast, Inc. (Triumph Gulf Coast).

Triumph Gulf Coast, Inc., is a nonprofit corporation created to administer a program that makes awards to projects or programs that meet the priorities for economic recovery, diversification, and enhancement of the eight counties that were disproportionately affected by the Deepwater Horizon oil spill.

The bill amends provisions related to the operation of Triumph Gulf Coast. The bill:

- Requires 75 percent (about \$300 million) of settlement funds currently held in General Revenue to be immediately transferred to Triumph Gulf Coast, and 75 percent (about \$80 million annually beginning in the 2018-19 fiscal year) of future settlement payments to be deposited in the Triumph Gulf Coast Trust Fund, for appropriation by the legislature;
- Requires 40 percent of the funds initially received by Triumph Gulf Coast to be allocated to projects as reviewed and approved by boards of county commissioners, with no county receiving less than 5 percent of the total allocation;
- Requires 32 percent of the funds subsequently received by Triumph Gulf Coast to be allocated to projects as reviewed and approved by boards of county commissioners, with no county receiving less than 4 percent of the total allocation;

- Adds two members to the board of directors of Triumph Gulf Coast, with the Senate President and the Speaker of the House of Representatives each appointing an individual from one of the lesser populated counties within the disproportionately affected counties;
- Allows Triumph Gulf Coast to invest surplus funds in the Local Government Surplus Funds Trust Fund and requires the interest earned and net of fees to be transferred monthly into the Triumph Gulf Coast Trust Fund;
- Provides that administrative fees are limited to 0.75 percent of the funds available for use by Triumph Gulf Coast;
- Limits the annual salary of any employee or contracted staff of Triumph Gulf Coast to \$130,000, and provides that associated benefits may not exceed 35 percent of the salary;
- Extends the length of time Triumph Gulf Coast board members are required to refrain from having any direct interest in awards made by Triumph Gulf Coast after serving on the board of directors from 2 years to 6 years;
- Requires Triumph Gulf Coast to publish on a website its intent to approve an award and a project summary at least 14 calendar days prior to approving an award;
- Clarifies awards may be made for ad valorem tax *rate* reduction and *public* infrastructure projects for construction, expansion, or maintenance;
- Amends the types of projects that are eligible for award funding and the factors for prioritizing the projects; and
- Provides that an award may supplement but not supplant existing funding sources.

The bill transfers approximately \$300 million from the General Revenue Fund to the Triumph Gulf Coast Trust Fund and subsequently appropriates those funds to the Triumph Gulf Coast, Inc. The bill also directs future settlement funds shall be deposited into the Triumph Gulf Coast Trust Fund for appropriation by the legislature.

The bill is effective upon becoming law.

II. Present Situation:

Deepwater Horizon Oil Spill

On April 20, 2010, an offshore drilling rig, known as Deepwater Horizon, exploded in the Gulf of Mexico.¹ The explosion claimed the lives of 11 crewmembers² and caused nearly 5 million barrels of crude oil to spill into the Gulf of Mexico.³ The five states bordering the Gulf of Mexico (Alabama, Florida, Louisiana, Mississippi, and Texas) were quickly determined to have experienced the most devastating economic and environmental effects of the oil spill.⁴

¹ Campbell Robertson, *Gulf Spill Is the Largest of Its Kind, Scientists Say*, The New York Times, Aug. 2, 2010, available at <http://www.nytimes.com/2010/08/03/us/03spill.html> (last visited April 5, 2017).

² Bradley Blackburn, *BP Oil Spill: Families Gather to Honor 11 Who Died, Express Frustration with BP, Transocean*, ABC News, May 25, 2010, available at <http://abcnews.go.com/WN/bp-oil-spill-transocean-holds-memorial-11-lost/story?id=10739080> (last visited April 5, 2017).

³ Robertson, *supra* note 1.

⁴ Exec. Order No. 13554, 75 Fed. Reg. 62313, (October 5, 2010), available at <https://obamawhitehouse.archives.gov/the-press-office/2010/10/05/executive-order-13554-gulf-coast-ecosystem-restoration-task-force> (last visited April 5, 2017).

On July 6, 2012, President Obama signed into law the Resources and Ecosystems Sustainability, Tourist Opportunities, and Revived Economies of the Gulf Coast States Act of 2012 (RESTORE Act) in an effort to provide a mechanism for funding restoration of the Gulf Coast region.⁵ The RESTORE Act required 80 percent of administrative and civil penalties paid by responsible parties⁶ under provisions of the federal Clean Water Act to be deposited into the Gulf Coast Restoration Trust Fund.⁷ The RESTORE Act set forth the following framework for allocation of the Trust Fund:

- 35 percent equally divided among the five states;
- 30 percent to the Gulf Coast Ecosystem Restoration Council;
- 30 percent to the Oil Spill Restoration Impact;
- 2.5 percent to the Gulf Coast Ecosystem Restoration Science Observation Monitoring and Technology Program; and
- 2.5 percent to Centers of Excellence.⁸

In addition to penalties imposed under the Clean Water Act, responsible parties were liable for Natural Resource Damage Assessment Penalties under the Oil Pollution Act of 1990 and criminal penalties asserted by the National Fish and Wildlife Foundation.⁹ The funds awarded to the Gulf States were determined pursuant to a consent decree, approving a \$20.8 billion settlement of a civil lawsuit filed by the United States and the five Gulf States against parties responsible for the oil spill.¹⁰

Economic Loss Claims

In an agreement separate from the civil lawsuit, BP also agreed to pay a total of \$4.9 billion to the five Gulf States and up to \$1 billion to local government entities for economic damage claims related to the oil spill.¹¹ Pursuant to the economic damages settlement agreement, Florida will receive a total of \$2 billion over an 18-year period.¹² Attorney General Pam Bondi received BP's initial settlement payment of \$400 million in July of 2016, and the funds were placed into the state General Revenue Fund.¹³ Subsequent settlement payments are scheduled to be paid annually to the state in the amount of \$106,666,666 from 2019 until 2033.¹⁴

⁵ Pub. L. No. 112-141 (113th Congress). Codified at 33 U.S.C. 1321.

⁶ Transocean Ltd., British Petroleum (BP), and The Halliburton Company were among the parties found to be responsible.

⁷ The remaining 20 percent of the administrative and civil penalties are required to be deposited into the federal Oil Spill Liability Trust Fund, which funds removal costs or damages resulting from discharges of oil. *See* 33 U.S.C. 1321.

Florida Legislation

Disbursement of Funds

In 2011, the Legislature began to address the negative economic and environmental impacts of the oil spill.¹⁵ Section 377.43, F.S., was created to provide a mechanism for the disbursement of funds received by the state for damages associated with the oil spill.¹⁶ Section 377.43, F.S., ensures that 75 percent of “[a]ny funds received by the state from any governmental or private entity for damages caused by the Deepwater Horizon oil spill...” are utilized for the benefit of the eight counties disproportionately affected by the oil spill.¹⁷ The eight disproportionately affected counties are: Bay County, Escambia County, Franklin County, Gulf County, Okaloosa County, Santa Rosa Count, Walton County, and Wakulla County.¹⁸ Section 377.43, F.S., designates the Department of Environmental Protection (DEP) as the lead agency for expending funds directed to environmental restoration and the Department of Economic Opportunity (DEO) as the lead agency for expending funds directed to economic incentives and diversification efforts.¹⁹

Gulf Coast Economic Corridor Act

In 2013, the Legislature created the “Gulf Coast Economic Corridor Act” (the Act) to provide a long-term source of funding for economic recovery and enhancement efforts in the Gulf Coast region. The Act was intended to help businesses, individuals, and local governments recover from the Deepwater Horizon oil spill.²⁰ The Act created Triumph Gulf Coast, Inc. (Triumph Gulf Coast), a nonprofit corporation, administratively housed under the DEO.²¹

Triumph Gulf Coast, Inc.

Triumph Gulf Coast must create and administer a “Recovery Fund” to be utilized as a long-term source of revenue for the disproportionately affected counties.²² Triumph Gulf Coast is tasked with investing the principal of the Recovery Fund, which is derived from “75 percent of all funds recovered by the Attorney General for economic damage to the state resulting from the Deepwater Horizon disaster, after payment of reasonable and necessary attorney fees, costs, and expenses....”²³ The Recovery Fund is required to decline over a 30-year period, in equal amounts each year. Any funds remaining after 30 years will revert to the State Treasury.²⁴

The duties of Triumph Gulf Coast include:

- Responsibly and prudently managing all funds received and ensuring that the use of funds is in accordance with applicable laws, bylaws, and contractual requirements;
- Administering the program set forth by the Act;

¹⁵ Chapter 2011-142, Laws of Fla.

¹⁹ Section 377.43(5), F.S.

²⁰ Section 288.8011, F.S.

²¹ Sections 288.8013(1), F.S.

²² The “Recovery Fund” is defined as, “a trust account established by Triumph Gulf Coast, Inc., for the benefit of the disproportionately affected counties.” Section 288.2012(3), F.S.

²³ Sections 288.8013(2) and (3), F.S.

²⁴ Section 288.8013(3), F.S.

- Monitoring, reviewing, and annually evaluating awardees and their projects or programs to determine whether awards should be continued, terminated, reduced, or increased; and
- Operating in a transient manner, by maintaining a website that provides public access to information, notice of meetings, awards, and the status of projects and programs.²⁵

Triumph Gulf Coast is required to competitively procure one or more money managers to invest the funds.²⁶ While Triumph Gulf Coast is permitted to hire or contract for staff deemed necessary to execute the program, the corporation is required to retain all of the following staff members:

- An independent certified public accountant;
- An independent financial advisor;
- An economic advisor; and
- A legal advisor.²⁷

Board of Directors

Triumph Gulf Coast is comprised of a 5-member board of directors (the board).²⁸ Each of the Trustees of the State Board of Administration,²⁹ the President of the Senate, and the Speaker of the House of Representatives, appoint an individual from the private sector to serve as a board member.³⁰ To achieve staggered terms, the initial board members appointed by the President of the Senate and the Speaker of the House of Representatives will serve for a period of 5 years.³¹ All other initially appointed, and subsequently appointed, board members will serve for a term of 4 years.³² The board annually elects a chairperson, who is responsible for the official seal of Triumph Gulf Coast and ensuring that records are properly recorded and maintained.³³ The board is required to meet at least quarterly, upon the call of the chairperson or at the request of a majority of the membership. A majority of the board members constitutes a quorum, and board members cannot vote by proxy.³⁴

The board is required to formulate an investment policy governing the investment of the principal of the Recovery Fund, under the advice of the financial advisor, and in consultation with the State Board of Administration.³⁵ The board's powers include the ability to:

- Make and enter into contracts;
- Make expenditures;
- Adopt, use, and alter a common corporate seal;
- Adopt, amend, and repeal bylaws; and

²⁵ Section 288.8016, F.S.

²⁹ The State Board of Administration Trustees are the Governor, the Attorney General, and the Chief Financial Officer. *See* FLA. CONST. art. IV, s.4.

³⁰ Section 288.8014(2), F.S.

³¹ In 2014, the Legislature amended the length of the terms and specified the initial terms would begin once the Legislature appropriated funds to the Recovery Fund. *See* ch. 2014-218, Laws of Fla.

³² Section 288.8014(3), F.S.

³³ Section 288.8014(2), F.S.

³⁴ Section 288.8014(7), F.S.

³⁵ Section 288.8013(4)(a), F.S.

- Use the state seal.³⁶

The board may also request the presence of, and consult with, the executive director of the DEO, the secretary of the DEP, the chair of the Committee of 8 Disproportionately Affected Counties, and any retained staff. However, these individuals are not able to vote on any matters before the board.³⁷

Triumph Gulf Coast and board members are subject to public records and meeting requirements.³⁸ Board members and staff must adhere to the same standards of conduct as public officers and employees and are required to file financial disclosure forms.³⁹ Board members are required to serve uncompensated, except for travel and per diem expenses. Additionally, each board member must agree to refrain from having any direct interest in any contract, program, project, or other benefit arising from an award from the Recovery Fund during the term of appointment to the board and for 2 years following the end of the appointment.⁴⁰ It is a misdemeanor of the first degree for a board member to violate these requirements.⁴¹

Awards

Under the Act, Triumph Gulf Coast is permitted to make awards from available earnings and principal, for projects or programs that prioritize economic recovery, diversification, and enhancement of the disproportionately affected counties. Triumph Gulf Coast may award any of the following projects or programs:

- Ad valorem tax reduction;
- Payment of impact fees;
- Administrative funding for economic development organizations;
- Local match requirements for certain economic incentives programs;
- Economic development projects;
- Infrastructure projects that are shown to enhance economic development;
- Grants to local governments to establish and maintain equipment and trained personnel for local action plans of response to disasters;
- Grants to support programs of excellence that prepare students for future occupations and careers at K-20 institutions; or
- Grants to Visit Florida for advertising and promoting tourism, the Fresh From Florida program, or other related content.⁴²

Triumph Gulf Coast must establish an application and scoring process for all awards. The scoring process should lead to the selection of projects or programs that “have the potential to

³⁶ Section 288.8015, F.S.

³⁷ See s. 288.8014(9), F.S.

³⁸ Section 288.8014(1), F.S.

³⁹ These standards of conduct include restrictions on employment of relatives, voting conflicts, and standards of conduct for public officers, which include prohibitions on self-dealing, solicitation of gifts, and postemployment restrictions. See ss. 288.8014(4) and (9), F.S.

⁴⁰ Section 288.8014(5), F.S.

⁴¹ Punishable by a fine of up to \$1,000 and up to one-year imprisonment. See ss. 775.082 and 775.083, F.S.

⁴² See s. 288.8017(1), F.S.

generate increased economic activity in the disproportionately affected counties.”⁴³ Awards may not finance 100 percent of a project or program, and an awardee is prohibited from receiving all of the available funds in any given calendar year. A one-to-one private-sector match may be required if applicable and deemed prudent by the board.⁴⁴ The application and scoring process should give priority to projects or programs that meet the following criteria:

- Generate maximum economic benefits;
- Increase household income above the national average;
- Expand or establish new high growth industries;
- Leverage or enhance key regional assets, including research facilities and military bases;
- Partner with local governments, convention and visitor bureaus, chambers of commerce, school districts, or educational institutions;
- Have investment commitments from private equity or venture capital funds;
- Provide or encourage seed-stage investments;
- Provide advice or technical assistance to companies on restructuring existing management, operations, or production in order to attract business opportunities;
- Benefit the environment in addition to the economy; and
- Provide outcome measures for programs of excellence.⁴⁵

Contracts for awards must include provisions that require the awardee to submit a performance report to Triumph Gulf Coast. Contracts must also include provisions that allow for recovery of an award if the awardee does not meet performance expectations or the awardee is determined to have given fraudulent information to obtain the award.⁴⁶

Administrative Costs

Earnings generated by investments and interest of the Recovery Fund are required to be utilized for awards and administrative costs under the program. Administrative costs include management fees for investments, audit expenses, travel and per diem expenses, staff salaries, and other allowable costs. Administrative costs are limited to 2.25 percent of the earnings each calendar year.⁴⁷ Management fees for investments are limited to 150 basis points.⁴⁸

Auditing and Reporting

Triumph Gulf Coast is required to report to the Governor, the President of the Senate, and the Speaker of the House of Representatives on June 30 and December 30 of each year. The report should provide the financial status of the Recovery Fund and its investments, including a detailed list of approved awards, submitted applications, and any reasons for approval or denial. The report must also include information on the program’s established priorities and the application selection process.⁴⁹

⁴³ Section 288.8017(2), F.S.

⁴⁴ Section 288.8017(3), F.S.

⁴⁵ See s. 288.8017(2), F.S.

⁴⁶ Section 288.8014(4), F.S.

⁴⁷ Section 288.8013(3).

⁴⁸ Section 288.2013(4)(c), F.S.

⁴⁹ Section 288.8013(5), F.S.

Triumph Gulf Coast is also required to have two annual audits – one of the investment of the Recovery Fund by an independent certified public accountant,⁵⁰ and one of the Recovery Fund and Triumph Gulf Coast by the Auditor General. The Act requires Triumph Gulf Coast to provide the Auditor General details or supplemental data necessary to perform the audit.⁵¹

The Local Government Surplus Funds Trust Fund (Florida PRIME)

Created by the Legislature in 1977, Florida PRIME is operated by the State Board of Administration as a cash management fund for public entities. For March 2017, the State Board of Administration reported a participant yield of 1.03 percent.⁵²

III. Effect of Proposed Changes:

Definitions

The bill amends s. 288.8012, F.S., to provide the following definitions:

- “Awardee” means a person, organization, or local government granted an award of funds as authorized in s. 288.8017 for a project or program;
- “Department” means the Department of Economic Opportunity;
- “Public infrastructure” means roads, bridges, seaports, rail transport, traffic signalization, underground and above ground utilities, transmission and storage of fossil fuels, and renewable sources; hazardous waste disposal and handling, information storage and distribution, and distribution and maintenance of water supply; and disposal and treatment of wastewater; and
- “Settlement agreement” means the agreement entitled “Settlement Agreement Between the Gulf States and the BP Entities with Respect to Economic and Other Claims Arising From the *Deepwater Horizon* Incident,” which was entered into on October 5, 2015, in the case styled: *In re: Oil Spill by the Oil Rig “Deepwater Horizon” in the Gulf of Mexico, on April 20, 2010*, MDL 2179 in the United States District Court for the Eastern District of Louisiana.

Settlement Funds

Transfer of funds

Section 3 amends s. 288.8013, F.S., to require 75 percent of all payments to the state pursuant to the settlement agreement (roughly \$300 million) to be transferred immediately from the General Revenue Fund to the Triumph Gulf Coast Trust Fund⁵³ to be allocated by the board of directors of Triumph Gulf Coast.

Section 2, then requires the 75 percent of the moneys received by the state before June 30, 2017, to be immediately transferred to Triumph Gulf Coast. Of this amount, up to 0.75 percent (roughly \$2.25 million) of such moneys may be used for administrative costs by Triumph Gulf

⁵⁰ Section 288.8013(4), F.S.

⁵¹ Section 288.8013(6), F.S.

⁵² The participant yield is net of fees and expenses. *See* https://www.sbafla.com/prime/Portals/8/Performance/Yields/20170331_PrimeRates.pdf?ver=2017-04-03-152252-487, (last visited April 5, 2017).

⁵³ The Triumph Gulf Coast Trust Fund is created by SB 2518 as a trust within the Department of Opportunity.

Coast. Forty percent (roughly \$119 million) of the remaining moneys must be allocated by the board to projects identified in s. 288.8017, F.S., and as reviewed and approved by the appropriate board of county commissioners, in the eight disproportionately affected counties, with no county receiving less than 5 percent of the total allocation. The bill also provides that any remaining funds must be allocated by the board to projects identified in s. 288.8017, F.S., in any disproportionately affected county to address the impacts of the Deepwater Horizon event.

The bill also requires 75 percent of the moneys received by the state after July 1, 2017, pursuant to the settlement agreement, to be deposited into the Triumph Gulf Coast Trust Fund for appropriation by the Legislature. Up to 0.75 percent of such moneys may be used to pay for administrative costs. Thirty-two percent of the remaining funds appropriated must be allocated by the board to projects identified in s. 288.8017, F.S., and as reviewed and approved by the appropriate board of county commissioners, to the eight disproportionately affected counties, with no county receiving less than 4 percent of each settlement distribution to the state. Any remaining funds must be allocated by the board to projects identified in s. 288.8017, F.S.

The bill provides that notwithstanding s. 216.301, F.S., and pursuant to s. 216.351, F.S., funds transferred under s. 288.8013 to the trust fund for the 2017-2018 fiscal year may be expended at any time before the end of the 2018-2019 fiscal year.

Triumph Gulf Coast Trust Account

The bill requires Triumph Gulf Coast to establish a trust account at a federally insured financial institution to hold funds transferred or appropriated to it from the Triumph Gulf Coast Trust Fund and make deposits and payments. The bill provides that interest earned in the trust account must be deposited monthly into the Triumph Gulf Coast Trust Fund.

The bill also authorizes Triumph Gulf Coast to invest surplus funds in the Local Government Surplus Funds Trust Fund, pursuant to s. 218.407, and interest earned, net of fees, must be transferred monthly into the Triumph Gulf Coast Trust Fund.

Administrative Costs

The bill provides that administrative fees are limited to 0.75 percent of the settlement funds available for use by Triumph Gulf Coast, rather than 2.25 percent of the earnings. "Management fees for investment services" are removed from the list of administrative costs in the bill. The bill also provides that administrative costs may not exceed the amounts specifically appropriated for that purpose and may include payment of travel and per diem expenses of board members, audits, salary or other costs for employed or contracted staff, including required staff under s. 288.8014(9), F.S., and other allowable costs.

Related Changes

The bill removes provisions referring to the Recovery Fund, including those pertaining to the investment of funds, the use of earnings generated by the Recovery Fund, and requiring the board to formulate an investment policy for the Recovery Fund. The bill removes provisions requiring Triumph Gulf Coast to consult with a money manager and a financial advisor.

The bill also removes language in existing law providing for the payment of attorney fees and costs associated with the settlement agreement, as these amounts were negotiated in an agreement separate from the economic damage settlement agreement. To implement the bill, the bill repeals s. 377.43, F.S., relating to the disbursement of funds received by the state for damages associated with the Deepwater Horizon Oil Spill.

Triumph Gulf Coast

Duties

The bill provides that at least 14 calendar days prior to approving an award, Triumph Gulf Coast has a duty to publish a summary of the project or program and its intent to approve an award on the website. As a result, the duties of Triumph Gulf Coast will include responsibly managing the funds, administering the program, monitoring and reviewing awardees, operating in a transient manner by maintaining a website that provides public access to information, including the notice of intent to approve an award.

Board of Directors

As of the effective date of the bill, the number of members on the board increases from five to seven, with the Senate President and the Speaker of the House of Representatives each appointing a new member. The bill requires newly appointed board members to be from the private sector and from one of the four least populous counties within the disproportionately affected counties, as estimated by the March 2017 county population estimates released by the United States Census Bureau,⁵⁴ so that two such counties are represented on the board. The appointment of additional members will provide further representation among the disproportionately affected counties. Based on the April 1, 2016, county population estimates published by the Office of Economic and Demographic Research, the new members would be individuals from the private sector from two of the following counties: Gulf County, Franklin County, Wakulla County, or Walton County.⁵⁵

The bill increases the number of years the board members are required to refrain from having any direct interest in any contract, program, project, or other benefit arising from an award made by Triumph Gulf Coast to 6 years after the termination of board membership. The bill specifies that the 6-year requirement applies to persons who serve on the board on or after July 1, 2017.

Awards

The bill amends the list of eligible awards to include grants for programs that provide participants in the disproportionately affected counties with transferrable, sustainable workforce skills that are not confined to a single employer. The bill also amends the eligibility criteria for grants to K-20 institutions by removing the requirements that such institutions have “programs of excellence” and a “home campus” within the disproportionately affected counties. The bill also

⁵⁴ The United States Census Bureau county population and demographic components of population change were released in March of 2017, however the data is based on population estimates from April of 2016. See <https://factfinder.census.gov/faces/tableservices/jsf/pages/productview.xhtml?src=bkmk> (last visited April 5, 2017).

⁵⁵ See Office of Economic and Demographic Research, *Florida Population Estimates for Counties and Municipalities*, (April 1, 2016), available at http://edr.state.fl.us/Content/population-demographics/data/2016_Pop_Estimates.pdf (last visited April 5, 2017).

provides that programs that encourage certain students to pursue a postsecondary education at a Florida College System institution are eligible programs for such awards.

The bill removes administrative funding for economic development organizations, economic development projects, grants to Visit Florida, and certain local match requirements from the list of projects and programs eligible to receive awards from Triumph Gulf Coast. As a result, the bill allows awards to be made for the following projects or programs within the disproportionately affected counties:

- Ad valorem tax rate reduction;
- Payment of impact fees;
- Local match requirements under s. 288.0655, F.S.;
- Public infrastructure projects for construction, expansion, or maintenance which are shown to enhance economic development;
- Grants to local governments to establish and maintain equipment and trained personnel for local action plans of response to disasters;
- Grants to support programs that prepare students for occupations and careers at K-20 institutions; and
- Grants to support programs that provide participants with transferrable sustainable workforce skills.

The bill removes criteria from the list of priorities to be considered by Triumph Gulf Coast in making awards to projects or programs. The criteria removed includes projects or programs that expand or establish new high growth industries, have investment commitments from private equity or private venture capital funds, provide or encourage seed state investments, provide advice or technical assistance to companies, provide outcome measures for programs of excellence support, and partner with convention and visitor bureaus. As a result, the application and scoring process for awards should give priority to projects or programs that meet the following criteria:

- Generate maximum economic benefits;
- Increase household income above the national average;
- Leverage or enhance key regional assets, including research facilities and military bases;
- Partner with local governments, chambers of commerce, school districts, or educational institutions established by January 1, 2017;
- Benefit the environment in addition to the economy; and
- Provide outcome measures.

Staff

Under the bill, Triumph Gulf Coast is only required to retain an independent certified public accountant and a legal advisor. The bill removes the requirement to retain an independent financial advisor and an economic advisor and also removes the provisions requiring retained staff to be available attend the meetings of and consult with the board of directors.

The bill provides that the annual salary of any Triumph Gulf Coast employee or contracted staff may not exceed \$130,000 and associated benefits may not exceed 35 percent of the salary.

Effective Date

The bill takes effect upon becoming law.

IV. Constitutional Issues:**A. Municipality/County Mandates Restrictions:**

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

None.

B. Private Sector Impact:

Indeterminate.

C. Government Sector Impact:

CS/CS/SB 364 transfers approximately \$300 million from the General Revenue Fund in the 2017-2018 fiscal year to the Triumph Gulf Coast Trust Fund. The bill also appropriates these same funds from the trust fund to the Triumph Gulf Coast, Inc. For future years, 75 percent of the settlement moneys will be deposited into the Triumph Gulf Coast Trust Fund for appropriation by the legislature.

VI. Technical Deficiencies:

Lines 141 through 144 provides that, notwithstanding s. 216.301, F.S., the funds transferred to the Triumph Gulf Coast Trust Fund for the 2017-2018 fiscal year may be expended at any time through June 30, 2019. Section 216.301, F.S., relates to whether funds have been disbursed from the state treasury. Under the terms of the bill, the initial funds will be disbursed to Triumph Gulf Coast, Inc., "immediately." Lines 141-144 appear to be superfluous language. If such provision is attempting to address the expenditure of the funds by Triumph Gulf Coast, Inc., the legislature may consider clarifying the language.

Lines 234 and 235 of the bill reference population estimates released by the United States Census Bureau in March of 2017. This reference may be misleading, as the released data is based on the county population estimates as of April 1, 2016.

Section 9 (lines 474 through 476) refers to persons who serve on the “board of trustees” rather than the “board of directors” referenced throughout the bill.

VII. Related Issues:

The bill provides that 75 percent of the payments to the state must be transferred immediately from the General Revenue Fund to the Triumph Gulf Coast Trust Fund, and also provides that 75 percent of the moneys received by the state before June 30, 2017, must be immediately transferred to Triumph Gulf Coast. Reading these two provisions together, it may be unclear as to whether the funds are required to be transferred from the General Revenue Fund to the Triumph Gulf Coast Trust Fund and then to Triumph Gulf Coast, or if the funds received by the state before June 30, 2017, will be directly transferred to Triumph Gulf Coast.

The bill requires certain minimum allocations to be made for projects in the eight disproportionately affected counties. However, the bill may be unclear as to whether the allocation percentages should be based on the funds received by Triumph Gulf Coast before or after the administrative costs have been paid. In addition, line 138 of the bill provides that no county shall receive less than 4 percent of each settlement distribution to the state. The language in the bill may be unclear as to whether the 4 percent is meant to come from the total payments to the state or the total payments received by Triumph Gulf Coast.

The bill provides that board members must refrain from benefiting from awards made by Triumph Gulf Coast for a period of 6 years, rather than 2 years, after the termination of board membership. The bill also specifies the 6-year requirement applies only to persons who serve on the board on or after July 1, 2017. As provided in the bill, the initially appointment members, who serve on the board on or after July 1, 2017, will be subject to the 6-year requirement. If the Legislature intends the 2-year requirement to apply to the initially appointed board members, section 9 of the bill could be amended to apply to only persons *appointed to the board* on or after July 1, 2017.

The bill appears to impose a 4-year term limit for the new members appointed to the board by the Senate President and Speaker of the House of Representatives, while their initially appointed board members serve 5-year terms. Staggering these term limits may require the Senate President and the Speaker of the House to appoint subsequent board members in back-to-back years.

VIII. Statutes Affected:

This bill amends sections 288.80 through 288.8018 of the Florida Statutes.

This bill repeals section 377.43 of the Florida Statutes.

IX. Additional Information:**A. Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)**CS/CS by Appropriations on April 5, 2017:**

The committee substitute:

- Requires 75 percent of settlement funds currently held in General Revenue to be immediately transferred to Triumph Gulf Coast, and 75 percent of future settlement payments to be deposited in the Triumph Gulf Coast Trust Fund, for appropriation by the Legislature;
- Requires 40 percent of the funds initially received by Triumph Gulf Coast to be allocated to projects as reviewed and approved by boards of county commissioners, with no county receiving less than 5 percent of the total allocation;
- Requires 32 percent of the funds subsequently received by Triumph Gulf Coast to be allocated to projects as reviewed and approved by boards of county commissioners, with no county receiving less than 4 percent of the total allocation.
- Provides a minimum allocation formula for Triumph Gulf Coast to make awards in the disproportionately affected counties;
- Provides that administrative fees are limited to 0.75 percent of the settlement funds available for use by Triumph Gulf Coast and that such administrative costs may not exceed the amounts specifically appropriated for that purpose;
- Removes the requirement to invest with the State Board of Administration and allows Triumph Gulf Coast to invest surplus funds in the Local Government Surplus Funds Trust Fund, and the interest earned and net of fees are required to be transferred monthly into the Triumph Gulf Coast Trust Fund;
- Limits the annual salary of any employee or contracted staff of Triumph Gulf Coast to \$130,000 and provides that associated benefits may not exceed 35 percent of the salary;
- Extends the amount of time board members are required to refrain from having any direct interest awards made by Triumph Gulf Coast after serving on the board from 2 years to 6 years;
- Removes the requirement that retained staff must be available to consult and attend meetings of the board;
- Requires Triumph Gulf Coast to indicate an intent to approve an award by publishing a summary of the project or program on the website and indicating the intent to approve at least 14 calendar days prior to approving an award;
- Clarifies awards may be made for ad valorem tax *rate* reduction and *public* infrastructure projects for construction, expansion, or maintenance;
- Amends the list of awards to remove administrative funding for economic development organizations, economic development projects, grants to Visit Florida, certain local match requirements, and to remove the requirement that awards for grants that support programs at K-20 institutions must support programs of excellence; and
- Amends the list of awards to add grants for programs that support workforce training and adds a provision that allows programs that encourage certain students to pursue a

postsecondary education at a Florida College System institution to be included as a eligible programs for such awards;

- Removes criteria from the list of priorities, including projects or programs that expand or establish new high growth industries, have investment commitments from private equity or private venture capital funds, provide or encourage seed state investments, provide advice or technical assistance to companies, provide outcome measures for programs of excellence support, or partner with convention and visitor bureaus;
- Amends s. 288.8012, F.S., to provide definitions; and
- Provides that an award may supplement but not supplant existing funding sources.

CS by Commerce and Tourism on March 13, 2017:

The committee substitute:

- Requires Triumph Gulf Coast to invest with the State Board of Administration;
- Limits administrative costs to 0.75% of the principal in a calendar year and removes provisions relating to management fees for investment services;
- Removes provisions requiring Triumph Gulf Coast to develop an investment policy and provisions requiring Triumph Gulf Coast to hire certain staff members;
- Increases the number of board members to include representation from the lesser populated counties within the disproportionately affected counties;
- Allows additional K-20 institutions to be considered for awards from Triumph Gulf Coast by removing the requirement that the institution must have a “home campus” within the disproportionately affected counties;
- Repeals s. 377.43, F.S., related to the disbursement of funds received for damages caused by the Deepwater Horizon Oil Spill; and
- Changes the effective date to “upon becoming law” and directs the Division of Law Revision and Information to revise the act accordingly.

B. Amendments:

None.

LEGISLATIVE ACTION

Senate	.	House
Comm: RCS	.	
04/06/2017	.	
	.	
	.	
	.	

The Committee on Appropriations (Gainer) recommended the following:

Senate Amendment (with title amendment)

Delete everything after the enacting clause
and insert:

Section 1. Section 288.80, Florida Statutes, is amended to
read:

288.80 Short title—This section and ss. 288.8011-288.8018
~~ss. 288.8011-288.8017~~ may be cited as the "Gulf Coast Economic
Corridor Act."

Section 2. Section 288.8012, Florida Statutes, is amended

673964

11 to read:

12 288.8012 Definitions.—As used in ss. 288.8011-288.8018 ~~ss.~~
13 ~~288.80-288.8017~~, the term:

14 (1) "Awardee" means a person, organization, or local
15 government granted an award of funds as authorized in s.
16 288.8017 ~~from the Recovery Fund~~ for a project or program.

17 (2) "Department" means the Department of Economic
18 Opportunity.

19 (3)~~(2)~~ "Disproportionately affected county" means Bay
20 County, Escambia County, Franklin County, Gulf County, Okaloosa
21 County, Santa Rosa County, Walton County, or Wakulla County.

22 (4) "Public infrastructure" means roads, bridges, seaports,
23 rail transport, traffic signalization, underground and above
24 ground utilities, transmission and storage of fossil fuels and
25 renewable sources; hazardous waste disposal and handling,
26 information storage and distribution, and distribution and
27 maintenance of water supply; and disposal and treatment of
28 wastewater.

29 ~~(3) "Earnings" means all the income generated by~~
30 ~~investments and interest.~~

31 (5)~~(4)~~ "Settlement agreement" means the agreement entitled
32 "Settlement Agreement Between the Gulf States and the BP
33 Entities with Respect to Economic and Other Claims Arising from
34 the Deepwater Horizon Incident," which was entered into on
35 October 5, 2015, in the case styled *In re: Oil Spill by the Oil*
36 *Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20,*
37 *2010, MDL 2179 in the United States District Court for the*
38 *Eastern District of Louisiana* ~~"Recovery Fund" means a trust~~
39 ~~account established by Triumph Gulf Coast, Inc., for the benefit~~

673964

40 ~~of the disproportionately affected counties.~~

41 Section 3. Section 288.8013, Florida Statutes, is amended
42 to read:

43 288.8013 Triumph Gulf Coast, Inc.; ~~Recovery Fund;~~ creation;
44 funding; investment.-

45 (1) There is created within the department ~~of Economic~~
46 ~~Opportunity~~ a nonprofit corporation, to be known as Triumph Gulf
47 Coast, Inc., which shall be registered, incorporated, organized,
48 and operated in compliance with chapter 617, and which is not a
49 unit or entity of state government. ~~Triumph Gulf Coast, Inc.,~~
50 ~~may receive, hold, invest, and administer the Recovery Fund in~~
51 ~~support of this act.~~ Triumph Gulf Coast, Inc., is a separate
52 budget entity and is not subject to control, supervision, or
53 direction by the department ~~of Economic Opportunity~~ in any
54 manner, including, but not limited to, personnel, purchasing,
55 transactions involving real or personal property, and budgetary
56 matters.

57 (2) Seventy-five percent of all payments to the state
58 pursuant to the settlement agreement shall be transferred
59 immediately from the General Revenue Fund to the Triumph Gulf
60 Coast Trust Fund within the department to be allocated by the
61 board of directors of the Triumph Gulf Coast, Inc. ~~Triumph Gulf~~
62 ~~Coast, Inc., must create and administer the Recovery Fund for~~
63 ~~the benefit of the disproportionately affected counties. The~~
64 ~~principal of the fund shall derive from 75 percent of all funds~~
65 ~~recovered by the Attorney General for economic damage to the~~
66 ~~state resulting from the Deepwater Horizon disaster, after~~
67 ~~payment of reasonable and necessary attorney fees, costs, and~~
68 ~~expenses, including such attorney fees, costs, and expenses~~

69 ~~pursuant to s. 16.0155.~~

70 (a) Seventy-five percent of the moneys received by the
71 state before June 30, 2017, shall be immediately transferred to
72 Triumph Gulf Coast, Inc., and up to 0.75 percent of such moneys
73 may be used to pay administrative costs. Forty percent of the
74 remaining moneys shall be allocated by the board to projects
75 identified in s. 288.8017 in the eight disproportionately
76 affected counties, with no county receiving less than 5 percent
77 of the total allocation. Any remaining funds shall be allocated
78 by the board to projects identified in s. 288.8017 in any
79 disproportionately affected county to address impacts of the
80 Deepwater Horizon event.

81 (b) Seventy-five percent of the moneys received by the
82 state after July 1, 2017, pursuant to the settlement agreement
83 shall be deposited in the Triumph Gulf Coast Trust Fund for
84 appropriation by the Legislature. Up to 0.75 percent of such
85 moneys may be used to pay for administrative costs. Thirty-two
86 percent of the remaining funds appropriated shall be allocated
87 by the board to projects identified in s. 288.8017 to the eight
88 disproportionately affected counties, with no county receiving
89 less than 4 percent of each settlement distribution to the
90 state. The funds remaining shall be allocated by the board to
91 projects identified in s. 288.8017.

92 (c) Notwithstanding s. 216.301, and pursuant to s. 216.351,
93 funds transferred under this section to the trust fund for the
94 2017-2018 fiscal year may be expended at any time before the end
95 of the 2018-2019 fiscal year.

96 ~~(3) The Recovery Fund must be maintained as a long term and~~
97 ~~stable source of revenue, which shall decline over a 30-year~~

673964

98 ~~period in equal amounts each year. Triumph Gulf Coast, Inc.,~~
99 ~~shall establish a trust account at a federally insured financial~~
100 ~~institution to hold funds transferred or appropriated to it from~~
101 ~~the Triumph Gulf Coast Trust Fund and make deposits and~~
102 ~~payments. Interest earned in the trust account shall be~~
103 ~~deposited monthly into the Triumph Gulf Coast Trust Fund.~~
104 ~~Triumph Gulf Coast, Inc., may invest surplus funds in the Local~~
105 ~~Government Surplus Funds Trust Fund, pursuant to s. 218.407, and~~
106 ~~interest earned, net of fees, shall be transferred monthly into~~
107 ~~the Triumph Gulf Coast Trust Fund. Earnings generated by~~
108 ~~investments and interest of the fund, plus the amount of~~
109 ~~principal available each year, shall be available to make awards~~
110 ~~pursuant to this act and pay administrative costs. Earnings~~
111 ~~shall be accounted for separately from principal funds set forth~~
112 ~~in subsection (2). Administrative costs may not exceed the~~
113 ~~amounts specifically appropriated for this purpose and may are~~
114 ~~limited to 2.25 percent of the earnings in a calendar year.~~
115 ~~Administrative costs include payment of investment fees, travel~~
116 ~~and per diem expenses of board members, audits, salary or other~~
117 ~~costs for employed or contracted staff, including required staff~~
118 ~~under s. 288.8014(9), and other allowable costs. The annual~~
119 ~~salary for any employee or contracted staff may not exceed~~
120 ~~\$130,000 and associated benefits may not exceed 35 percent of~~
121 ~~salary. Any funds remaining in the Recovery Fund after 30 years~~
122 ~~shall revert to the State Treasury.~~
123 ~~(4) Triumph Gulf Coast, Inc., shall invest and reinvest the~~
124 ~~principal of the Recovery Fund in accordance with s. 617.2104,~~
125 ~~in such a manner not to subject the funds to state or federal~~
126 ~~taxes, and consistent with an investment policy statement~~

673964

127 ~~adopted by the corporation.~~

128 ~~(a) The board of directors shall formulate an investment~~
129 ~~policy governing the investment of the principal of the Recovery~~
130 ~~Fund. The policy shall pertain to the types, kinds, or nature of~~
131 ~~investment of any of the funds, and any limitations, conditions~~
132 ~~or restrictions upon the methods, practices, or procedures for~~
133 ~~investment, reinvestments, purchases, sales, or exchange~~
134 ~~transactions, provided such policies shall not conflict with nor~~
135 ~~be in derogation of any state constitutional provision or law.~~
136 ~~The policy shall be formulated with the advice of the financial~~
137 ~~advisor in consultation with the State Board of Administration.~~

138 ~~(b) Triumph Gulf Coast, Inc., must competitively procure~~
139 ~~one or more money managers, under the advice of the financial~~
140 ~~advisor in consultation with the State Board of Administration,~~
141 ~~to invest the principal of the Recovery Fund. The applicant~~
142 ~~manager or managers may not include representatives from the~~
143 ~~financial institution housing the trust account for the Recovery~~
144 ~~Fund. The applicant manager or managers must present a plan to~~
145 ~~invest the Recovery Fund to maximize earnings while prioritizing~~
146 ~~the preservation of Recovery Fund principal. Any agreement with~~
147 ~~a money manager must be reviewed by Triumph Gulf Coast, Inc.,~~
148 ~~for continuance at least every 5 years. Plans should include~~
149 ~~investment in technology and growth businesses domiciled in, or~~
150 ~~that will be domiciled in, this state or businesses whose~~
151 ~~principal address is in this state.~~

152 ~~(c) Costs and fees for investment services shall be~~
153 ~~deducted from the earnings as administrative costs. Fees for~~
154 ~~investment services shall be no greater than 150 basis points.~~

155 ~~(d) Annually, Triumph Gulf Coast, Inc., shall cause an~~

673964

156 ~~audit to be conducted of the investment of the Recovery Fund by~~
157 ~~the independent certified public accountant retained in s.~~
158 ~~288.8014. The expense of such audit shall be paid from earnings~~
159 ~~for administrative purposes.~~

160 ~~(4)~~(5) Triumph Gulf Coast, Inc., shall report on June 30
161 and December 30 each year to the Governor, the President of the
162 Senate, and the Speaker of the House of Representatives on ~~the~~
163 ~~financial status of the Recovery Fund and its investments,~~ the
164 established priorities, the project and program selection
165 process, including a list of all submitted projects and programs
166 and reasons for approval or denial, and the status of all
167 approved awards.

168 ~~(5)~~(6) The Auditor General shall conduct an operational
169 audit of ~~the Recovery Fund and~~ Triumph Gulf Coast, Inc.,
170 annually. Triumph Gulf Coast, Inc., shall provide to the Auditor
171 General any detail or supplemental data required.

172 Section 4. Subsections (2), (3), (4), (7), and (9) of
173 section 288.8014, Florida Statutes, are amended to read:

174 288.8014 Triumph Gulf Coast, Inc.; organization; board of
175 directors.—

176 (2) Triumph Gulf Coast, Inc., shall initially be governed
177 by a five-member ~~5-member~~ board of directors. Each of the
178 Trustees of the State Board of Administration, the President of
179 the Senate, and the Speaker of the House of Representatives
180 shall each appoint one member from the private sector. As of the
181 effective date of this act, the number of board members is
182 increased to seven, with the President of the Senate and the
183 Speaker of the House of Representatives each appointing an
184 additional member from the private sector in one of the four

673964

185 least populous disproportionately affected counties as
186 identified by the United States Census Bureau in its March 2017
187 estimates of county populations, to ensure that two such
188 counties are represented on the board. The board of directors
189 shall annually elect a chairperson from among the board's
190 members. The chairperson may be removed by a majority vote of
191 the members. His or her successor shall be elected to serve for
192 the balance of the removed chairperson's term. The chairperson
193 is responsible to ensure records are kept of the proceedings of
194 the board of directors and is the custodian of all books,
195 documents, and papers filed with the board; the minutes of
196 meetings of the board; and the official seal of Triumph Gulf
197 Coast, Inc.

198 (3) Notwithstanding s. 20.052(4)(c), each initial
199 appointment to the board of directors by the Board of Trustees
200 of the State Board of Administration shall serve for a term that
201 ends 4 years after the Legislature appropriates funds to Triumph
202 Gulf Coast, Inc. ~~the Recovery Fund.~~ To achieve staggered terms
203 among the members of the board, each initial appointment to the
204 board of directors by the President of the Senate and the
205 Speaker of the House of Representatives shall serve for a term
206 that ends 5 years after the Legislature appropriates funds to
207 Triumph Gulf Coast, Inc. ~~the Recovery Fund.~~ Thereafter, each
208 member of the board of directors shall serve for a term of 4
209 years. A member is not eligible for reappointment to the board,
210 except, however, any member appointed to fill a vacancy for a
211 term of 2 years or less may be reappointed for an additional
212 term of 4 years. ~~The initial appointments to the board must be~~
213 ~~made by November 15, 2013.~~ Vacancies on the board of directors

673964

214 shall be filled by the officer who originally appointed the
215 member. A vacancy that occurs before the scheduled expiration of
216 the term of the member shall be filled for the remainder of the
217 unexpired term.

218 (4) The Legislature determines that it is in the public
219 interest for the members of the board of directors to be subject
220 to the requirements of ss. 112.313, 112.3135, and 112.3143,
221 notwithstanding the fact that the board members are not public
222 officers or employees. For purposes of those sections, the board
223 members shall be considered to be public officers or employees.
224 In addition to the postemployment restrictions of s. 112.313(9),
225 a person appointed to the board of directors must agree to
226 refrain from having any direct interest in any contract,
227 franchise, privilege, project, program, or other benefit arising
228 from an award by Triumph Gulf Coast, Inc., during the term of
229 his or her appointment and for 6 ~~2~~ years after the termination
230 of such appointment. It is a misdemeanor of the first degree,
231 punishable as provided in s. 775.082 or s. 775.083, for a person
232 to accept appointment to the board of directors in violation of
233 this subsection or to accept a direct interest in any contract,
234 franchise, privilege, project, program, or other benefit granted
235 by Triumph Gulf Coast, Inc., to an awardee within 6 ~~2~~ years
236 after the termination of his or her service on the board.
237 Further, each member of the board of directors who is not
238 otherwise required to file financial disclosure under s. 8, Art.
239 II of the State Constitution or s. 112.3144 shall file
240 disclosure of financial interests under s. 112.3145.

241 (7) The board of directors shall meet at least quarterly,
242 upon the call of the chairperson or at the request of a majority

673964

243 of the membership, to ~~review the Recovery Fund,~~ establish and
244 review priorities for economic recovery, diversification, and
245 enhancement of the in disproportionately affected counties, and
246 determine use of funds ~~the earnings~~ available. A majority of the
247 members of the board of directors constitutes a quorum. Members
248 may not vote by proxy.

249 (9) (a) Triumph Gulf Coast, Inc., is permitted to hire or
250 contract for all staff necessary to the proper execution of its
251 powers and duties to implement this act. The corporation is
252 required to retain:

253 1. An independent certified public accountant licensed in
254 this state pursuant to chapter 473 to inspect the records of and
255 to annually audit the expenditure of funds ~~the earnings and~~
256 ~~available principal disbursed~~ by Triumph Gulf Coast, Inc.

257 2. ~~An independent financial advisor to assist Triumph Gulf~~
258 ~~Coast, Inc., in the development and implementation of a~~
259 ~~strategic plan consistent with the requirements of this act.~~

260 3. ~~An economic advisor who will assist in the award~~
261 ~~process, including the development of priorities, allocation~~
262 ~~decisions, and the application and process; will assist the~~
263 ~~board in determining eligibility of award applications and the~~
264 ~~evaluation and scoring of applications; and will assist in the~~
265 ~~development of award documentation.~~

266 2.4. A legal advisor with expertise in not-for-profit
267 ~~investing and contracting and~~ who is a member of The Florida Bar
268 to assist with contracting and carrying out the intent of this
269 act.

270 (b) All ~~Triumph Gulf Coast, Inc., shall require all~~
271 employees of the corporation shall ~~to~~ comply with the code of

673964

272 ethics for public employees under part III of chapter 112.
273 Retained staff under paragraph (a) must agree to refrain from
274 having any direct interest in any contract, franchise,
275 privilege, project, program, or other benefit arising from an
276 award of funds by Triumph Gulf Coast, Inc., during the term of
277 his or her appointment and for 6 ~~2~~ years after the termination
278 of such appointment.

279 ~~(c) Retained staff under paragraph (a) shall be available~~
280 ~~to consult with the board of directors and shall attend meetings~~
281 ~~of the board of directors. These individuals shall not be~~
282 ~~permitted to vote on any matter before the board.~~

283 Section 5. Subsection (2) of section 288.8015, Florida
284 Statutes, is amended to read:

285 288.8015 Board of directors; powers.—In addition to the
286 powers and duties prescribed in chapter 617 and the articles and
287 bylaws adopted in compliance with that chapter, the board of
288 directors may:

289 (2) Make expenditures including any necessary
290 administrative expenditure ~~from earnings~~ consistent with its
291 powers.

292
293 Under no circumstances may the credit of the State of Florida be
294 pledged on behalf of Triumph Gulf Coast, Inc.

295 Section 6. Subsection (4) of section 288.8016, Florida
296 Statutes, is amended to read:

297 288.8016 Triumph Gulf Coast, Inc.; duties.—Triumph Gulf
298 Coast, Inc., shall have the following duties:

299 (4) Operate in a transparent manner, providing public
300 access to information, notice of meetings, awards, and the

673964

301 status of projects and programs. To this end, Triumph Gulf
302 Coast, Inc., shall maintain a website that provides public
303 access to this information. At least 14 calendar days before
304 approving an award pursuant to s. 288.8017, Triumph Gulf Coast,
305 Inc., shall publish on the website a summary of the project or
306 program and indicate its intent to approve the award.

307 Section 7. Section 288.8017, Florida Statutes, is amended
308 to read:

309 288.8017 Awards.—

310 (1) Triumph Gulf Coast, Inc., shall make awards from
311 available funds earnings and principal derived under s.
312 ~~288.8013(2)~~ to projects or programs that meet the priorities for
313 economic recovery, diversification, and enhancement of the
314 disproportionately affected counties, ~~notwithstanding s. 377.43.~~
315 Awards may be provided for:

316 (a) Ad valorem tax rate reduction within disproportionately
317 affected counties;

318 (b) Payment of impact fees adopted pursuant to s. 163.31801
319 and imposed within disproportionately affected counties;

320 ~~(c) Administrative funding for economic development~~
321 ~~organizations located within the disproportionately affected~~
322 ~~counties;~~

323 ~~(c)(d)~~ Local match requirements of s. 288.0655 ~~ss.~~
324 ~~288.0655, 288.0659, 288.1045, and 288.106~~ for projects in the
325 disproportionately affected counties;

326 ~~(e) Economic development projects in the disproportionately~~
327 ~~affected counties;~~

328 ~~(d)(f)~~ Public infrastructure projects for construction,
329 expansion, or maintenance which ~~that~~ are shown to enhance

673964

330 economic recovery, diversification, and enhancement of
331 ~~development in~~ the disproportionately affected counties;
332 (e) (g) Grants to local governments in the
333 disproportionately affected counties to establish and maintain
334 equipment and trained personnel for local action plans of
335 response to respond to disasters, such as plans created for the
336 Coastal Impacts Assistance Program;
337 (f) (h) Grants to support programs ~~of excellence~~ that
338 prepare students for future occupations and careers at K-20
339 institutions that have ~~home~~ campuses in the disproportionately
340 affected counties. Eligible programs include those that increase
341 students' technology skills and knowledge; encourage industry
342 certifications; provide rigorous, alternative pathways for
343 students to meet high school graduation requirements; strengthen
344 career readiness initiatives; fund high-demand programs of
345 emphasis at the bachelor's and master's level designated by the
346 Board of Governors; and, similar to or the same as talent
347 retention programs created by the Chancellor of the State
348 University System and the Commission of Education, encourage
349 students with interest or aptitude for science, technology,
350 engineering, mathematics, and medical disciplines to pursue
351 postsecondary education at a state university or a Florida
352 College System institution within the disproportionately
353 affected counties; ~~and~~
354 (g) Grants to support programs that provide participants in
355 the disproportionately affected counties with transferrable,
356 sustainable workforce skills that are not confined to a single
357 employer; and
358 ~~(i) Grants to the tourism entity created under s. 288.1226~~

673964

359 ~~for the purpose of advertising and promoting tourism, Fresh From~~
360 ~~Florida, or related content on behalf of one or all of the~~
361 ~~disproportionately affected counties.~~

362 (2) Triumph Gulf Coast, Inc., shall establish an
363 application procedure for awards and a scoring process for the
364 selection of projects and programs that have the potential to
365 generate increased economic activity in the disproportionately
366 affected counties, giving priority to projects and programs
367 that:

368 (a) Generate maximum estimated economic benefits, based on
369 tools and models not generally employed by economic input-output
370 analyses, including cost-benefit, return-on-investment, or
371 dynamic scoring techniques to determine how the long-term
372 economic growth potential of the disproportionately affected
373 counties may be enhanced by the investment.

374 (b) Increase household income in the disproportionately
375 affected counties above national average household income.

376 ~~(c) Expand high growth industries or establish new high~~
377 ~~growth industries in the region.~~

378 ~~1. Industries that are supported must have strong growth~~
379 ~~potential in the disproportionately affected counties.~~

380 ~~2. An industry's growth potential is defined based on a~~
381 ~~detailed review of the current industry trends nationally and~~
382 ~~the necessary supporting asset base for that industry in the~~
383 ~~disproportionately affected counties region.~~

384 ~~(c)~~ (d) Leverage or further enhance key regional assets,
385 including educational institutions, research facilities, and
386 military bases.

387 ~~(d)~~ (e) Partner with local governments to provide funds,

673964

388 infrastructure, land, or other assistance for the project.
389 ~~(f) Have investment commitments from private equity or~~
390 ~~private venture capital funds.~~
391 ~~(g) Provide or encourage seed stage investments in start-up~~
392 ~~companies.~~
393 ~~(h) Provide advice and technical assistance to companies on~~
394 ~~restructuring existing management, operations, or production to~~
395 ~~attract advantageous business opportunities.~~
396 (e)(i) Benefit the environment in addition to the economy.
397 (f)(j) Provide outcome measures ~~for programs of excellence~~
398 ~~support, including terms of intent and metrics.~~
399 (g)(k) Partner with K-20 educational institutions or school
400 districts located within the disproportionately affected
401 counties.
402 ~~(l) Partner with convention and visitor bureaus, tourist~~
403 ~~development councils, or chambers of commerce located within the~~
404 ~~disproportionately affected counties.~~
405 (3) Triumph Gulf Coast, Inc., may make awards as
406 applications are received or may establish application periods
407 for selection. Awards may not be used to finance 100 percent of
408 any project or program. Triumph Gulf Coast, Inc., may require a
409 one-to-one private-sector match or higher for an award, if
410 applicable and deemed prudent by the board of directors. An
411 awardee may not receive all of the funds earnings ~~or~~ available
412 ~~principal~~ in any given year. An award may supplement but may not
413 supplant existing funding sources.
414 (4) A contract executed by Triumph Gulf Coast, Inc., with
415 an awardee must include provisions requiring a performance
416 report on the contracted activities, must account for the proper

673964

417 use of funds provided under the contract, and must include
418 provisions for recovery of awards in the event the award was
419 based upon fraudulent information or the awardee is not meeting
420 the performance requirements of the award. Awardees must
421 regularly report to Triumph Gulf Coast, Inc., the expenditure of
422 funds and the status of the project or program on a schedule
423 determined by the corporation.

424 Section 8. Section 377.43, Florida Statutes, is repealed.

425 Section 9. The revision made by this act to s. 288.8014(4)
426 applies only to persons who serve on the board of trustees of
427 Triumph Gulf Coast, Inc., on or after July 1, 2017.

428 Section 10. The Division of Law Revision and Information is
429 directed to replace the phrase "the effective date of this act"
430 where it occurs in this act with the date this act takes effect.

431 Section 11. This act shall take effect upon becoming a law.

432

to the Triumph Gulf Coast Trust Fund within 15 days after
receipt Triumph Gulf Coast, Inc., must create and administer the
Recovery Fund for the benefit of the disproportionately affected
counties. The principal of the fund shall derive from 75 percent
of all funds recovered by the Attorney General for economic
damage to the state resulting from the Deepwater Horizon

696972

11 ~~disaster, after payment of reasonable and necessary attorney~~
12 ~~fees, costs, and expenses, including such attorney fees, costs,~~
13 ~~and expenses pursuant to s. 16.0155.~~

14 (a) Of the 75 percent of the moneys received by the state
15 before June 30, 2017, and subsequently transferred to Triumph
16 Gulf Coast, Inc., up to 0.75 percent of such moneys may be used
17 to pay administrative costs. Forty percent of the remaining
18 moneys shall be allocated by the board to projects identified in
19 s. 288.8017 which are reviewed and approved by the boards of
20 county commissioners in the eight respective disproportionately
21 affected counties, with no county receiving less than 5 percent
22 of the total allocation. Any remaining funds shall be allocated
23 by the board to projects identified in s. 288.8017 in any
24 disproportionately affected county to address impacts of the
25 Deepwater Horizon event.

26 (b) Of the 75 percent of the moneys received by the state
27 after July 1, 2017, and subsequently transferred to Triumph Gulf
28 Coast, up to 0.75 percent of such moneys may be used to pay for
29 administrative costs. Thirty-two percent of the remaining funds
30 appropriated shall be allocated by the board to projects
31 identified in s. 288.8017 which are reviewed and approved by the
32 boards of county commissioners in the eight respective
33 disproportionately affected counties, with no county receiving
34 less than 4 percent of each settlement distribution to the
35 state. Any remaining funds shall be allocated by the board to
36 projects identified in s. 288.8017.

37 (c) Notwithstanding s. 216.301, and pursuant to s. 216.351,
38 funds transferred under this section to the trust fund for the
39 2017-2018 fiscal year may be expended at any time before the end

1 A bill to be entitled
 2 An act relating to the Recovery Fund for the Deepwater
 3 Horizon incident; amending s. 288.8012, F.S.; defining
 4 the term "settlement agreement"; amending s. 288.8013,
 5 F.S.; revising the funding source of the principal of
 6 the Recovery Fund for the Deepwater Horizon incident;
 7 requiring that certain funds be transferred to the
 8 Recovery Fund within a specified timeframe; deleting a
 9 requirement that the Recovery Fund be maintained as a
 10 long-term, stable source of revenue, for a specified
 11 period; requiring Triumph Gulf Coast, Inc., to consult
 12 with the State Board of Administration and to invest
 13 moneys from the settlement agreement in certain funds;
 14 revising the limit on administrative costs; deleting
 15 provisions requiring the board of directors of Triumph
 16 Gulf Coast, Inc., to formulate a specified investment
 17 policy for the Recovery Fund; deleting provisions
 18 requiring Triumph Gulf Coast, Inc., to competitively
 19 procure one or more money managers to invest the
 20 principal of the Recovery Fund; deleting a provision
 21 limiting costs and fees for investment services and
 22 requiring such costs and fees to be deducted from
 23 earnings as administrative costs; amending s.
 24 288.8014, F.S.; increasing the number of members of
 25 the board of directors of Triumph Gulf Coast, Inc., as
 26 of a specified date; providing for the appointment of
 27 the new members; requiring that the new members be
 28 residents of certain disproportionately affected
 29 counties; revising the duties of the independent

30 certified public accountant that Triumph Gulf Coast,
 31 Inc., is required to retain; deleting provisions
 32 requiring Triumph Gulf Coast, Inc., to retain an
 33 independent financial advisor and an economic advisor;
 34 amending s. 288.8015, F.S.; deleting a provision
 35 specifying that expenditures made by the board are
 36 made from earnings; amending s. 288.8017, F.S.;
 37 revising the source for awards made by Triumph Gulf
 38 Coast, Inc.; conforming a provision to changes made by
 39 the act; requiring that K-20 institutions have a
 40 campus, rather than their home campus, in a
 41 disproportionately affected county as a condition of
 42 eligibility to receive certain grants; revising annual
 43 restrictions on awards; repealing s. 377.43, F.S.,
 44 relating to the disbursement of funds received for
 45 damages caused by the Deepwater Horizon oil spill;
 46 providing a directive to the Division of Law Revision
 47 and Information; providing an effective date.

48
 49 Be It Enacted by the Legislature of the State of Florida:

50
 51 Section 1. Subsection (5) is added to section 288.8012,
 52 Florida Statutes, to read:
 53 288.8012 Definitions.—As used in ss. 288.80-288.8017, the
 54 term:
 55 (5) "Settlement agreement" means the agreement between the
 56 gulf states and the BP entities with respect to economic claims
 57 arising from the Deepwater Horizon incident.
 58 Section 2. Subsections (2), (3), and (4) of section

Page 2 of 10

577-02381-17

2017364c1

59 288.8013, Florida Statutes, are amended to read:

60 288.8013 Triumph Gulf Coast, Inc.; Recovery Fund; creation;
61 investment.-

62 (2) (a) Triumph Gulf Coast, Inc., must create and administer
63 the Recovery Fund for the benefit of the disproportionately
64 affected counties. The principal of the fund shall derive from
65 75 percent of all moneys received by the state pursuant to the
66 settlement agreement funds recovered by the Attorney General for
67 economic damage to the state resulting from the Deepwater
68 Horizon disaster, after payment of reasonable and necessary
69 attorney fees, costs, and expenses, including such attorney
70 fees, costs, and expenses pursuant to s. 16.0155.

71 (b)1. After reasonable and necessary payment of attorney
72 fees, costs, and related expenses, 75 percent of the remaining
73 moneys received by the state before June 30, 2017, pursuant to
74 the settlement agreement is appropriated to Triumph Gulf Coast,
75 Inc., and shall be transferred to the Recovery Fund no later
76 than August 1, 2017.

77 2. Seventy-five percent of the moneys received by the state
78 pursuant to the settlement agreement on or after July 1, 2017,
79 is appropriated to the Triumph Gulf Coast, Inc., and shall be
80 transferred to the Recovery Fund no later than 30 days after
81 such funds are received by the state.

82 ~~(3) The Recovery Fund must be maintained as a long-term and~~
83 ~~stable source of revenue, which shall decline over a 30-year~~
84 ~~period in equal amounts each year. Triumph Gulf Coast, Inc.,~~
85 ~~shall establish a trust account at a federally insured financial~~
86 ~~institution to hold funds and make deposits and payments, and~~
87 ~~shall consult with the State Board of Administration and invest~~

Page 3 of 10

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

577-02381-17

2017364c1

88 ~~moneys from the settlement agreement in appropriate State Board~~
89 ~~of Administration funds.~~ Earnings generated by investments and
90 interest of the fund, plus the amount of principal available
91 each year, shall be available to make awards pursuant to this
92 act and pay administrative costs. Earnings ~~must shall~~ be
93 accounted for separately from principal funds set forth in
94 subsection (2). Administrative costs are limited to 0.75 ~~2.25~~
95 percent of the principal earnings in a calendar year.
96 Administrative costs include payment of investment fees, travel
97 and per diem expenses of board members, audits, salary or other
98 costs for employed or contracted staff, including required staff
99 under s. 288.8014(9), and other-allowable costs. Triumph Gulf
100 Coast, Inc., shall cause an annual audit to be conducted of the
101 investments of the Recovery Fund by the independent certified
102 public accountant retained as required in s. 288.8014. Any funds
103 remaining in the Recovery Fund after 30 years shall revert to
104 the State Treasury.

105 (4) Triumph Gulf Coast, Inc., shall invest and reinvest the
106 principal of the Recovery Fund in accordance with s. 617.2104,
107 in such a manner not to subject the funds to state or federal
108 taxes, and consistent with an investment policy statement
109 adopted by the corporation.

110 ~~(a) The board of directors shall formulate an investment~~
111 ~~policy governing the investment of the principal of the Recovery~~
112 ~~Fund. The policy shall pertain to the types, kinds, or nature of~~
113 ~~investment of any of the funds, and any limitations, conditions~~
114 ~~or restrictions upon the methods, practices, or procedures for~~
115 ~~investment, reinvestments, purchases, sales, or exchange~~
116 ~~transactions, provided such policies shall not conflict with nor~~

Page 4 of 10

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

577-02381-17

2017364c1

117 ~~be in derogation of any state constitutional provision or law.~~
 118 ~~The policy shall be formulated with the advice of the financial~~
 119 ~~advisor in consultation with the State Board of Administration.~~
 120 ~~(b) Triumph Gulf Coast, Inc., must competitively procure~~
 121 ~~one or more money managers, under the advice of the financial~~
 122 ~~advisor in consultation with the State Board of Administration,~~
 123 ~~to invest the principal of the Recovery Fund. The applicant~~
 124 ~~manager or managers may not include representatives from the~~
 125 ~~financial institution housing the trust account for the Recovery~~
 126 ~~Fund. The applicant manager or managers must present a plan to~~
 127 ~~invest the Recovery Fund to maximize earnings while prioritizing~~
 128 ~~the preservation of Recovery Fund principal. Any agreement with~~
 129 ~~a money manager must be reviewed by Triumph Gulf Coast, Inc.,~~
 130 ~~for continuance at least every 5 years. Plans should include~~
 131 ~~investment in technology and growth businesses domiciled in, or~~
 132 ~~that will be domiciled in, this state or businesses whose~~
 133 ~~principal address is in this state.~~
 134 ~~(c) Costs and fees for investment services shall be~~
 135 ~~deducted from the earnings as administrative costs. Fees for~~
 136 ~~investment services shall be no greater than 150 basis points.~~
 137 ~~(d) Annually, Triumph Gulf Coast, Inc., shall cause an~~
 138 ~~audit to be conducted of the investment of the Recovery Fund by~~
 139 ~~the independent certified public accountant retained in s.~~
 140 ~~288.8014. The expense of such audit shall be paid from earnings~~
 141 ~~for administrative purposes.~~
 142 Section 3. Subsections (2) and (9) of section 288.8014,
 143 Florida Statutes, are amended to read:
 144 288.8014 Triumph Gulf Coast, Inc.; organization; board of
 145 directors.-

Page 5 of 10

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

577-02381-17

2017364c1

146 (2) Triumph Gulf Coast, Inc., initially shall be governed
 147 by a five-member ~~5-member~~ board of directors. Each of the
 148 Trustees of the State Board of Administration, the President of
 149 the Senate, and the Speaker of the House of Representatives
 150 shall ~~each~~ appoint one member from the private sector. As of the
 151 effective date of this act, the number of board members
 152 increases to seven, with the President of the Senate and the
 153 Speaker of the House of Representatives each appointing an
 154 additional private sector member from one of the four least
 155 populous disproportionately affected counties as identified by
 156 the United States Census Bureau in its March 2017 estimates of
 157 county population, so that two such counties are represented on
 158 the board. The board of directors shall annually elect a
 159 chairperson from among the board's members. The chairperson may
 160 be removed by a majority vote of the members. His or her
 161 successor shall be elected to serve for the balance of the
 162 removed chairperson's term. The chairperson is responsible to
 163 ensure records are kept of the proceedings of the board of
 164 directors and is the custodian of all books, documents, and
 165 papers filed with the board; the minutes of meetings of the
 166 board; and the official seal of Triumph Gulf Coast, Inc.
 167 (9) (a) Triumph Gulf Coast, Inc., is permitted to hire or
 168 contract for all staff necessary to the proper execution of its
 169 powers and duties to implement this act. The corporation is
 170 required to retain:
 171 1. An independent certified public accountant licensed in
 172 this state pursuant to chapter 473 to inspect the records of and
 173 to annually audit the expenditure of the funds earnings and
 174 available principal disbursed by Triumph Gulf Coast, Inc.; and

Page 6 of 10

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

577-02381-17

2017364c1

175 2. ~~An independent financial advisor to assist Triumph Gulf~~
 176 ~~Coast, Inc., in the development and implementation of a~~
 177 ~~strategic plan consistent with the requirements of this act.~~
 178 3. ~~An economic advisor who will assist in the award~~
 179 ~~process, including the development of priorities, allocation~~
 180 ~~decisions, and the application and process; will assist the~~
 181 ~~board in determining eligibility of award applications and the~~
 182 ~~evaluation and scoring of applications; and will assist in the~~
 183 ~~development of award documentation.~~
 184 2.4. A legal advisor with expertise in not-for-profit
 185 investing and contracting and who is a member of The Florida Bar
 186 to assist with contracting and carrying out the intent of this
 187 act.
 188 (b) Triumph Gulf Coast, Inc., shall require all employees
 189 of the corporation to comply with the code of ethics for public
 190 employees under part III of chapter 112. Retained staff under
 191 paragraph (a) must agree to refrain from having any direct
 192 interest in any contract, franchise, privilege, project,
 193 program, or other benefit arising from an award by Triumph Gulf
 194 Coast, Inc., during the term of his or her appointment and for 2
 195 years after the termination of such appointment.
 196 (c) Retained staff under paragraph (a) shall be available
 197 to consult with the board of directors and shall attend meetings
 198 of the board of directors. These individuals shall not be
 199 permitted to vote on any matter before the board.
 200 Section 4. Subsection (2) of section 288.8015, Florida
 201 Statutes, is amended to read:
 202 288.8015 Board of directors; powers.—In addition to the
 203 powers and duties prescribed in chapter 617 and the articles and

Page 7 of 10

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

577-02381-17

2017364c1

204 bylaws adopted in compliance with that chapter, the board of
 205 directors may:
 206 (2) Make expenditures including any necessary
 207 administrative expenditure ~~from earnings~~ consistent with its
 208 powers.
 209
 210 Under no circumstances may the credit of the State of Florida be
 211 pledged on behalf of Triumph Gulf Coast, Inc.
 212 Section 5. Subsections (1) and (3) of section 288.8017,
 213 Florida Statutes, are amended to read:
 214 288.8017 Awards.—
 215 (1) Triumph Gulf Coast, Inc., shall make awards from
 216 available funds ~~earnings and principal~~ derived under s.
 217 288.8013(2) to projects or programs that meet the priorities for
 218 economic recovery, diversification, and enhancement of the
 219 disproportionately affected counties, ~~notwithstanding s. 377.43.~~
 220 Awards may be provided for:
 221 (a) Ad valorem tax reduction within disproportionately
 222 affected counties;
 223 (b) Payment of impact fees adopted pursuant to s. 163.31801
 224 and imposed within disproportionately affected counties;
 225 (c) Administrative funding for economic development
 226 organizations located within the disproportionately affected
 227 counties;
 228 (d) Local match requirements of ss. 288.0655, 288.0659,
 229 288.1045, and 288.106 for projects in the disproportionately
 230 affected counties;
 231 (e) Economic development projects in the disproportionately
 232 affected counties;

Page 8 of 10

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

577-02381-17

2017364c1

233 (f) Infrastructure projects that are shown to enhance
 234 economic development in the disproportionately affected
 235 counties;

236 (g) Grants to local governments in the disproportionately
 237 affected counties to establish and maintain equipment and
 238 trained personnel for local action plans of response to respond
 239 to disasters, such as plans created for the Coastal Impacts
 240 Assistance Program;

241 (h) Grants to support programs of excellence that prepare
 242 students for future occupations and careers at K-20 institutions
 243 that have ~~home~~ campuses in the disproportionately affected
 244 counties. Eligible programs include those that increase
 245 students' technology skills and knowledge; encourage industry
 246 certifications; provide rigorous, alternative pathways for
 247 students to meet high school graduation requirements; strengthen
 248 career readiness initiatives; fund high-demand programs of
 249 emphasis at the bachelor's and master's level designated by the
 250 Board of Governors; and, similar to or the same as talent
 251 retention programs created by the Chancellor of the State
 252 University System and the Commission of Education, encourage
 253 students with interest or aptitude for science, technology,
 254 engineering, mathematics, and medical disciplines to pursue
 255 postsecondary education at a state university within the
 256 disproportionately affected counties; and

257 (i) Grants to the tourism entity created under s. 288.1226
 258 for the purpose of advertising and promoting tourism, Fresh From
 259 Florida, or related content on behalf of one or all of the
 260 disproportionately affected counties.

261 (3) Triumph Gulf Coast, Inc., may make awards as

Page 9 of 10

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

577-02381-17

2017364c1

262 applications are received or may establish application periods
 263 for selection. Awards may not be used to finance 100 percent of
 264 any project or program. Triumph Gulf Coast, Inc., may require a
 265 one-to-one private-sector match or higher for an award, if
 266 applicable and deemed prudent by the board of directors. An
 267 awardee may not receive all of the ~~earnings or~~ available funds
 268 ~~principal~~ in any given year.

269 Section 6. Section 377.43, Florida Statutes, is repealed.

270 Section 7. The Division of Law Revision and Information is
 271 directed to replace the phrase "the effective date of this act"
 272 where it occurs in this act with the date the act becomes
 273 effective.

274 Section 8. This act shall take effect upon becoming a law.

AP Submitted as Committee Bill

I. Summary:

SB 2518 creates the Triumph Gulf Coast Trust Fund within the Department of Economic Opportunity and provides for that the trust fund is established as a depository for the settlement funds from the Deepwater Horizon event.

The bill does not impact state and local government revenues and expenditures.

II. Present Situation:

Art. III, s. 19(f), of the Florida Constitution requires that every trust fund be created by a three-fifths vote of the membership of each house of the Legislature in a separate bill for the sole purpose of creating a trust fund. State trust funds terminate not more than four years after the initial creation unless re-created.

III. Effect of Proposed Changes:

This bill creates the Triumph Gulf Coast Trust Fund within the Department of Economic Opportunity for the deposit of the settlement funds from the Deepwater Horizon event.

This bill provides that funds from the trust fund shall be used for the purposes described in ss. 288.8011 through 288.8018, F.S.

Pursuant to the requirements of the Florida Constitution, the trust fund will terminate on July 1, 2021, unless re-created by the Legislature.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: SB 1094

INTRODUCER: Senator Gainer

SUBJECT: Forensic Hospital Diversion Pilot Program

DATE: April 4, 2017

REVISED: _____

	ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1.	<u>Crosier</u>	<u>Hendon</u>	<u>CF</u>	Favorable
2.	<u>Stallard</u>	<u>Cibula</u>	<u>JU</u>	Favorable
3.	<u>Sneed</u>	<u>Hansen</u>	<u>AP</u>	Favorable

I. Summary:

SB 1094 authorizes the Department of Children and Families to include Okaloosa County in an existing pilot program, the Forensic Hospital Diversion Pilot Program. The program is aimed at diverting mental health treatment of criminally accused or at-risk persons from state forensic treatment facilities to community-based programs. Since July 1, 2016, the Department has been authorized to implement the program in Broward, Duval, and Miami-Dade counties to restore competency to persons found incompetent to proceed to trial and to treat those at risk for returning to the criminal justice system. As provided in existing law, the program must be modeled after the Miami-Dade Alternative Treatment Center, which has been in operation since 2009.

The fiscal impact of this bill is indeterminate. See Section V of the analysis.

The bill provides an effective date of July 1, 2017.

II. Present Situation:

In 2016, the Legislature created the Forensic Hospital Diversion Pilot Program to serve certain offenders who have mental illnesses or co-occurring mental illnesses and substance use disorders. Particularly, the program is intended to serve those offenders who are involved in the

criminal justice system or at risk of re-entering state forensic mental health treatment facilities,¹ prisons, jails, or state civil mental health treatment facilities.^{2, 3}

The 2016 legislation was based on findings regarding two main categories of inmates, those who needed competency restored before standing trial and those who had been released from a forensic mental health treatment facility following treatment. Regarding the first group, the Legislature found that jail inmates who were incompetent to proceed⁴ could be served more effectively and with less cost in community-based alternative programs. As to the second group, the Legislature found that persons who have serious mental health illnesses could avoid returning to the criminal justice and forensic mental health systems if they received specialized treatment in the community.⁵

The Department of Children and Families is authorized to implement the pilot program in Duval, Broward, and Miami-Dade counties, in conjunction with each county's Judicial Circuit.⁶

Participation in the pilot program is limited to offenders who:

- Are 18 years of age or older;
- Are charged with a felony of the second or third degree;⁷
- Do not have a significant history of violent criminal offenses;
- Are adjudicated incompetent to proceed to trial or not guilty by reason of insanity;⁸
- Meet public safety and treatment criteria established by the department for placement in a community setting; and
- Otherwise would be admitted to a state mental health treatment facility.⁹

The legislation creating the pilot program directs the department to model it after the Miami-Dade Forensic Alternative Center (MDFAC), which opened in 2009 as a community-based, forensic commitment program. The MDFAC serves adults who have lesser felony offenses and

¹ "Forensic facility" means "a separate and secure facility established within the department or agency to serve forensic clients. A separate and secure facility means a security-grade building for the purpose of separately housing persons who have mental illness from persons who have intellectual disabilities or autism and separately housing persons who have been involuntarily committed pursuant to this chapter from nonforensic residents." Section 916.106(10), F.S.

² Section 916.185(1), F.S.

³ "Civil facility" means "[a] mental health facility established within the department or by contract with the department to serve individuals committed pursuant to chapter 394 and those defendants committed pursuant to this chapter who do not require the security provided in a forensic facility; or [a]n intermediate care facility for the developmentally disabled, a foster care facility, a group home facility, or a supported living setting, as defined in s. [393.063](#), designated by the agency to serve those defendants who do not require the security provided in a forensic facility." Section 916.106(4), F.S.

⁴ "Incompetent to proceed" means "the defendant does not have sufficient present ability to consult with her or his lawyer with a reasonable degree of rational understanding" or "the defendant has no rational, as well as factual, understanding of the proceedings against him or her." Section 916.12(1), F.S.

⁵ *Id.*

⁶ Section 916.185(3)(a), F.S.

⁷ The intent of the program includes treating persons who have been released from a state forensic facility, in order to prevent them from becoming re-involved with the criminal justice system. However, this criterion does not seem applicable to these persons.

⁸ See previous note.

⁹ Section 916.185(4), F.S.

are not considered a danger to the community.¹⁰ The MDFAC provides competency restoration and a continuum of care during commitment and after re-entry to the community.¹¹ The MDFAC currently operates a 16-bed facility at a daily cost of \$284.81 per bed or approximately \$1.6 million per year.¹²

III. Effect of Proposed Changes:

The bill authorizes the Department of Children and Families to expand the Forensic Hospital Diversion Pilot Program into Okaloosa County, in conjunction with the First Judicial Circuit in Okaloosa County. The Okaloosa County-based program will be subject to the same requirements governing the pilot program in the other three counties.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

This bill does not require counties or municipalities to spend funds or limit their authority to raise revenue or receive state-shared revenues as specified in Article VII, s. 18 of the Florida Constitution.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

The fiscal impact of SB 1094 to the Department of Children and Families is indeterminate. First, the department is not required to implement the program, and the department has not indicated whether it will do so. Pursuant to s. 916.185, F.S., which

¹⁰ Department of Children and Families, *2016 Agency Legislative Bill Analysis* (Nov. 13, 2015) (on file with the Senate Committee on Judiciary).

¹¹ Budget Subcommittee on Health and Human Services Appropriations, The Florida Senate, *Interim Report 2012-18, The Forensic Mental Health System* (September 2011).

¹² Department of Children and Families, *2017 Agency Legislative Bill Analysis* (Feb 28, 2017) (on file with the Senate Committee on Judiciary).

created the pilot program in 2016, the department and the corresponding judicial circuits are authorized to implement the Forensic Hospital Diversion Pilot Program if “existing resources are available to do so on a recurring basis. The department may request budget amendments pursuant to chapter 216 to realign funds between mental health services in order to implement [the] pilot program.”

If the department implements the program in Okaloosa County, it is not clear what the fiscal impact will be. The department has indicated that the Miami-Dade Forensic Alternative Center costs \$284.81 per bed, per day.¹³ Program costs also include case management services at \$35,000 per year and incidental funds at the annual rate of \$15,000.¹⁴

According to the department, any funds redirected from existing resources to fund the pilot program “could impact the availability of resources to provide services in both community and forensic mental health programs.”¹⁵

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends section 916.185, Florida Statutes.

IX. Additional Information:

A. Committee Substitute – Statement of Changes:

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

None.

B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill’s introducer or the Florida Senate.

BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: PCS/SB 10 (601444)

INTRODUCER: Appropriations Committee (Recommended by Appropriations Subcommittee on the Environment and Natural Resources); and Senators Bradley and Flores

SUBJECT: Water Resources

DATE: April 4, 2017

REVISED: _____

	ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1.	<u>Istler</u>	<u>Rogers</u>	<u>EP</u>	<u>Favorable</u>
2.	<u>Reagan</u>	<u>Betta</u>	<u>AEN</u>	<u>Recommend: Fav/CS</u>
3.	<u>Reagan</u>	<u>Hansen</u>	<u>AP</u>	<u>Pre-meeting</u>

I. Summary:

PCS/SB 10 establishes the Coast-to-Coast Comprehensive Water Resources Program to:

- Redistribute the remaining \$3.3 billion in bonding authority from Florida Forever bonds to water restoration protection and development bonds, which is a newly created set of bonds;
- Establish the following options for additional water storage south of Lake Okeechobee to reduce the discharges to the St. Lucie and Caloosahatchee estuaries:
 - (A) The South Florida Water Management District (SFWMD) is required to seek proposals from willing sellers of land within the Everglades Agricultural Area for land that is suitable to build one or two reservoirs with a total storage capacity of 360,000 acre-feet.¹
 - (B) If the SFWMD is unable to acquire such land then the option to purchase lands from the United States Sugar Corporation, which is available pursuant to the 2010 agreement,² must be exercised.
 - (C) If land is not acquired pursuant to the first two options then Legacy Florida funding is increased by \$50 million annually for the Comprehensive Everglades Restoration Project (CERP);
- Establish a revolving loan fund to provide funding assistance to local governments and water supply entities for the development and construction of water storage facilities;
- Revise the uses of the Water Protection and Sustainability Program Trust Fund to include the water storage facility revolving loan program.
- Require specified annual distributions from the Land Acquisition Trust Fund (LATF) to the St. Johns River Water Management District of \$35 million for restoration of the St. Johns

¹ One acre-foot of water equals 325,851 billion gallons of water.

² See Second Amended and Restated Agreement for Sale and Purchase (2010), available at https://www.sfwmd.gov/sites/default/files/documents/rog_0_amended_restated_agt_for_sale_and_purchase.pdf (last visited Jan. 31, 2017).

River and the Keystone Heights Lake Region; \$2 million to the Department of Environmental Protection (DEP) for the Florida Keys Area of Critical State Concern; and \$20 million to conduct muck dredging and large-scale stormwater improvement and offset property owner costs for retrofitting or converting onsite sewage treatment and disposal systems that the DEP determines to collectively contribute to excess nutrient pollution in counties contributing to the Indian River Lagoon, the St. Lucie Estuary, or the Caloosahatchee Estuary;

- Establish a water reuse grant program, subject to specific appropriations, to assist wastewater treatment facilities in expanding their capacity to make reclaimed water available for reuse; and
- Require the State Board of Administration to report on potential water supply project investments.

The bill provides contingent appropriations for Options A and B of the reservoir project. Option A includes recurring debt service payments from the LATF of \$64 million beginning in the 2017-2018 Fiscal Year and an additional recurring \$34 million beginning in the 2018-2019 Fiscal Year. Under Option A, the total recurring appropriation for debt is \$100 million through the 2037-2038 Fiscal Year. Based on this level of debt service, the bond proceeds are expected to be \$800 million in FY 2017-2018 and an additional \$400 million in FY 2018-2019 and will be deposited into the LATF.

Contingent upon bonds being issued for Option B, \$100 million in recurring funds from the LATF are appropriated for the 2018-2019 Fiscal Year through the 2037-2038 Fiscal Year for the payment of debt service. Under Option C, the required annual minimum distribution for Everglades restoration projects from the LATF is increased by \$50 million.

II. Present Situation:

State Board of Administration

The State Board of Administration (SBA) was created by the State Constitution and is governed by a three-member Board of Trustees, consisting of the Governor as the Chair, the Chief Financial Officer, and the Attorney General.³ State bonds pledging the full faith and credit of the state are authorized to be issued pursuant to Article VII, section 11 of the Florida Constitution.⁴ The SBA administers state bonds in accordance with the State Bond Act.⁵ The Division of Bond Finance within the SBA has the authority to issue state bonds and administer the debt service payments for such bonds.⁶

Additionally, the SBA is charged with investing state funds, including the Florida Retirement System funds, in compliance with state law.⁷ The SBA is obligated to make sound investment management decisions that are solely in the interest of investment clients and make investment decisions from the perspective of a subject-matter expert acting under the highest standards of

³ FLA. CONST. art. IV, s. 4.

⁴ FLA. CONST. art. VII, s. 11; s. 215.59, F.S.

⁵ See ss. 215.57-215.83, F.S.

⁶ Section 215.64, F.S.

⁷ Section 215.44, F.S.

professionalism and case, not merely as well-intentioned persons acting in good faith.⁸ As of December 31, 2016, the total SBA funds under management is \$184.6 billion.⁹

Florida Forever Bonds

Pursuant to Art. VII, s. 11(e) of the State Constitution, the issuance of Florida Forever bonds is authorized in s. 215.618, F.S.¹⁰ Florida Forever bonds pledge part of a dedicated state tax revenue: documentary stamp taxes. Documentary stamp taxes are levied on deeds and other documents related to real property and are collected under ch. 201, F.S. Florida Forever bonds are authorized to be issued up to \$5.3 billion.¹¹ Two billion dollars in Florida Forever bonds have been issued, which leaves \$3.3 billion in remaining statutory authority.¹²

The total amount of debt service payments are limited to \$300 million per Fiscal Year.¹³ The debt service for such bonds is required to be specifically appropriated in the General Appropriations Act in the fiscal year in which the bonds are issued.¹⁴ There is currently \$1.05 billion outstanding for Florida Forever bonds.¹⁵ The proceeds from the sale of Florida Forever bonds are required to be deposited into the Florida Forever Trust Fund to be distributed by the Department of Environmental Protection as provided in the Florida Forever Act.¹⁶

Lake Okeechobee and the Central Everglades Overview

In the mid-1800s the state began planning for the development of Central and South Florida, with the primary obstacle being water.¹⁷ Extensive drainage projects were implemented to enable land development for urban and agricultural uses. In the early 1900s the St. Lucie and Caloosahatchee Rivers were widened and deepened for navigation and to serve as outlets from Lake Okeechobee to the east and west, respectively. After major hurricanes devastated the region in the 1920s and 1940s, the state partnered with the federal government, through the United States Army Corps of Engineers (USACE), to implement additional flood control projects that

¹⁰ Section 11(e), Art. X of the State Constitution authorizes the issuance of bonds by the state in a manner provided by general law, which pledges all or part of a dedicated state tax revenue to finance or refinance the acquisition and improvement of land, water areas, and related property interests and resources for the purposes of conservation, outdoor recreation, water resource development, restoration of natural systems, and historic preservation.

were necessary for the land development to progress. Congress authorized the Central and Southern Florida Project (C&SF) in 1948.¹⁸

The C&SF included channelizing the Kissimmee River; draining the area south of the lake, known as the Everglades Agricultural Area for agricultural production; and diking Lake Okeechobee for flood protection.¹⁹ Additionally, central portions of the Everglades were diked to create water conservation areas (WCAs) to store water for water supply in the lower east coast and for deliveries to Everglades National Park.²⁰ While some fish and wildlife value was expected to remain in the WCAs, the only area intended for preservation in its natural state was Everglades National Park.²¹

Kissimmee River Basin

The Kissimmee River Basin extends from Orlando southward to Lake Okeechobee and encompasses approximately 3,000 square miles.²² The C&SF project turned the once meandering 103 mile Kissimmee River into a 56-mile long, 30-foot deep canal called the C-38.²³ The resulting floodplain, the remnant river channels, and the C-38 canal are collectively referred to as the channelized system.²⁴ Prior to channelization the flow of the river inundated much of the floodplain for a majority of the year.²⁵ While the project proved successful for flood control, it had a significant impact on the wetland ecosystem.²⁶ The first public hearing to discuss the

²⁴ *Id.*

²⁵ *Id.*

²⁶ *Id.*

restoration of the Kissimmee River was held just one year after the channelization was completed.²⁷

Lake Okeechobee

Lake Okeechobee is the second largest freshwater lake located entirely within the contiguous United States, covering approximately 730 square miles.²⁸ The waters of the lake were impounded by a system of encircling levees, collectively referred to as the Herbert Hoover Dike.²⁹ The lake is managed as a multi-purpose reservoir for navigation, water supply, flood control, and recreation.³⁰

Thirty-nine percent of the water that comes into the lake is from direct rainfall, 31 percent comes from the Kissimmee River, and then a smaller percentage of the water flows from other areas such as Fisheating Creek and Taylor Creek/Nubbin Slough.³¹ Prior to the construction of the Herbert Hoover Dike, water would flow from the Kissimmee River Basin into the lake and, once the lake would fill, water would overflow the lake's southern rim and deliver sheet flow runoff to the Everglades.³²

Because of the acceleration of the flows into the lake as a result of C&SF and land use modifications, the water quality in the lake has degraded over time due to high phosphorous loadings.³³ The Total Maximum Daily Load for Lake Okeechobee proposes an annual load of 140 metric tons (mt) of phosphorous to achieve an in-lake target phosphorous concentration of 40 parts per billion (ppb) in the pelagic zone of the lake.³⁴

The lake's outlets with the largest capacity include eastward (S-308) through the St. Lucie Canal to the Atlantic Ocean and westward (S-77) through the Caloosahatchee River Canal to the Gulf of Mexico.³⁵ Additionally, water flows out of the lake through the four major agricultural canals—the West Palm Beach Canal (S-352), the Hillsboro and North New River Canals (S-351), and the Miami Canal (S-354).³⁶

The USACE, in conjunction with the South Florida Water Management District (SFWMD) regulates the outlet structures to manage lake levels.³⁷ After back-to-back hurricanes in South Florida in 2004 and 2005 and the devastation in Louisiana caused by Hurricane Katrina, the USACE launched a major effort to rehabilitate the Herbert Hoover Dike in light of concerns regarding its structural integrity. Concerns regarding the dam's ability to perform satisfactorily for Lake Okeechobee levels above an elevation of 15.5 ft. resulted in the labeling of the project as high-risk.³⁸ The Lake Okeechobee Regulation Schedule Study was initiated to design an alternative schedule to lower the normal operating limits of the lake.³⁹

The Lake Okeechobee Regulation Schedule (LORS) was implemented in April of 2008. The revised schedule lowered the maximum stage of the lake from 18.5 ft. to 17.25 ft. with the primary goal of maintaining the lake between 12.5 ft. and 15.5 ft. The areas most affected by a change to the lake's regulation schedule were the lake itself, particularly the littoral and marsh areas of the lake, and the St. Lucie and Caloosahatchee estuaries.⁴⁰ Additionally, because the

LORS high management band is 1.00 to 1.75 ft. lower than the previous schedule, the revision to the schedule resulted in a loss of storage ranging from 460,000 to 800,000 acre-feet depending on the time of year.⁴¹

The USACE expects to operate under the LORS until the earlier of the implementation of a new Lake Okeechobee schedule as a component of the system-wide operating plan to accommodate Everglades restoration projects or the completion of Herbert Hoover Dike seepage berm construction or equivalent dike repairs.⁴² According to the latest Integrated Delivery Schedule, rehabilitation of the Herbert Hoover Dike should be completed by 2025 and initiation of a new lake regulation schedule study would begin in 2022.⁴³

Caloosahatchee River Watershed

The Caloosahatchee River was originally a shallow, meandering river with headwaters near Lake Okeechobee.⁴⁴ In the early 1900s, the river was modified and now functions as the C-43 canal. The canal is divided into freshwater and marine segments by a series of locks.⁴⁵ The river

conveys freshwater to the Caloosahatchee Estuary through the S-79 structure from both runoff from the Caloosahatchee River Watershed and releases from Lake Okeechobee.⁴⁶

Approximately half of the volume of water that reaches the Caloosahatchee Estuary is water that passed through the S-77 structure from Lake Okeechobee.⁴⁷ The hydrological changes have affected the timing distribution, quality and volume of freshwater entering the estuary, which has resulted in negative ecological impacts.⁴⁸ Excess water that is released results in an unnatural surge of freshwater to the Caloosahatchee River and reduces the estuarine salinity levels.⁴⁹ Alternately, during the dry season, little to no water is released to the river, which causes the salinity levels to increase.⁵⁰ Both high and low salinity levels trigger die-offs of seagrasses and oysters, species that are indicators of the estuary's overall health.⁵¹

St. Lucie River Watershed

In the 1800s local residents dug an inlet to provide direct access to the Atlantic Ocean, effectively changing the river into an estuary.⁵² Then in the early 1890s the St. Lucie River was altered to provide an outlet from Lake Okeechobee to the Atlantic Ocean. The inland portion of the St. Lucie Estuary is composed of a North Fork and a South Fork, which converge at the

Roosevelt Bridge to form a single waterbody that extends eastward and joins the Indian River Lagoon.⁵³ The St. Lucie River, referred to as the C-44 Canal, is used for navigation and releases from Lake Okeechobee.⁵⁴ The C-44 Canal is the largest overflow canal for Lake Okeechobee.⁵⁵

Home to more than 4,300 species of plants and animals and supporting an annual economic contribution of more than \$730 million, the St. Lucie Estuary and the Indian River Lagoon are two of the country’s most productive and threatened estuaries.⁵⁶ The estuary is affected by freshwater runoff from agricultural and urban sources in the watershed and freshwater releases from Lake Okeechobee.⁵⁷ Approximately 42 percent of the freshwater inflows from canals that discharge into the St. Lucie Estuary are from Lake Okeechobee and these discharges carry significant nutrient loads, which have a known impact on the estuary.⁵⁸

Everglades Agricultural Area

The Everglades Agricultural Area (EAA) consists of lands located within the eastern portion of Hendry County and western portion of Palm Beach County.⁵⁹ This area includes approximately

700,000 acres of fertile agricultural land, a large portion of which is dedicated to the production of sugarcane.⁶⁰ This area is considered one of the most important agricultural regions in Florida.⁶¹ Water is supplied and managed in the EAA through conveyance and drainage canals including the Miami, the North New River, the Hillsboro, and the West Palm Beach Canals, which traverse north and south, and the Bolles and Cross Canals, which traverse east and west.⁶²

Restoration Efforts

Beginning in the 1970s concerns regarding the effects of the C&SF began mounting. The design of system, while effective for flood control, resulted in unintended consequences including:

- Extreme fluctuations in high and low water levels in the lake;
- Extreme fluctuations between too much and too little freshwater discharged into the coastal estuaries;
- Detrimental hydrological conditions in freshwater wetland habitats; and
- Unsuitable freshwater flows to Florida Bay, Biscayne Bay, and the Lake Worth Lagoon.⁶³

With nearly half of the original footprint of the Everglades system drained and converted to urban and agricultural uses, there has been a substantial acceleration in the flow of water through the system and a significant reduction in water storage capacity.⁶⁴ The Central and Southern Florida Project Comprehensive Review Study Final Integrated Feasibility Report and Programmatic Environmental Impact Statement (Restudy) concluded:

The lack of storage in the system, particularly during wet periods, has led to ecological damage of Lake Okeechobee's littoral zone and damaging regulatory releases to the St. Lucie and Caloosahatchee estuaries. Conversely, in dry periods, this lack of storage has led to water supply shortages for both the human and natural environment.⁶⁵

Kissimmee River Restoration (KRR)

The Kissimmee River Restoration project (KRR) was authorized by Congress in 1992 with the goal of restoring a third of the river flood plain system that was altered when the river was channelized back in the 1960s. The project includes backfilling 22 miles of canals, removing water control structures, and reconnecting remnant river segments. The KRR is designed to attenuate peak flows into Lake Okeechobee and, once complete, the project is expected to provide an additional storage capacity of 130,000 acre-feet.⁶⁶ When restoration is complete in 2020, more than 40 square miles of river-floodplain ecosystem will be restored, including almost 20,000 acres of wetlands and 44 miles of the historic river channel.⁶⁷

Three construction phases are now complete, and a continuous water flow has been reestablished to 24 miles of meandering river.⁶⁸ The environmental improvements resulting from the project have already been documented.⁶⁹ In October of 2016, testing began to evaluate the ability to retain additional water in the Kissimmee River basin to reduce flows into Lake Okeechobee and, consequently, into the Caloosahatchee and St. Lucie estuaries.⁷⁰

Comprehensive Everglades Restoration Plan (CERP)

In light of the unintended consequences of the C&SF, Congress required the USACE to reevaluate the performance and impacts of the project and to provide recommended improvements and modifications to restore the south Florida ecosystem and to protect the water quality in, and reduce the loss of freshwater from the Everglades and Florida Bay.⁷¹ The USACE, in coordination with the state, developed the Restudy which provided a recommended plan for Everglades restoration. The Comprehensive Everglades Restoration Plan (CERP) was approved by Congress in the Water Resources Development Act of 2000.⁷²

The Water Resources Development Act of 2000 provided the framework for the CERP as a 50/50 cost-share program between the state and the federal government. The CERP covers approximately 18,000 square miles and includes all or part of 16 counties in central and southern Florida, constituting about one-half of the State's population.⁷³ The future progress of the CERP projects and their relationship among other relevant state and federally funded South Florida ecosystem restoration projects is outlined in the Integrated Delivery Schedule (IDS).⁷⁴ The IDS is not an action or decision document, rather it is a guide for planning, design, construction

sequencing, and budgeting.⁷⁵ The IDS serves as a communication tool that reflects diverse stakeholder input.⁷⁶

The CERP includes more than 68 project components which focus on improving the water delivery and timing within the Everglades system by increasing the size of natural areas, improving water quality, releasing water in a manner that mimics historical flow patterns, and storing and distributing water for urban, agricultural, and ecological uses. Major features of the CERP include surface water storage reservoirs, water preserve areas, management of Lake Okeechobee as an ecological resource, improvement of water deliveries to the estuaries, underground water storage, treatment wetlands, improvement of water deliveries to the Everglades, removal of barriers to sheet flow, storage of water in existing quarries, reuse of wastewater, and the improvement of water flows to Florida Bay.⁷⁷

⁷⁵ *Id.*

⁷⁶ *Id.* at 47.

⁷⁷ *Restudy* at vii-ix.

CERP: Aquifer Storage and Recovery

The CERP recommended the construction and operation of up to 333 Aquifer Storage and Recovery (ASR) systems located throughout South Florida.⁷⁸ ASR systems are designed to store large volumes of water in the Floridan Aquifer System during the wet periods for subsequent recovery during dry periods. In 2015 the ASR Regional Study was completed and found that large capacity ASR systems could be built and operated in South Florida; however, due to groundwater monitoring evaluations, the study recommended that the overall number of wells be reduced to 131, or about one-third of the original proposed amount.⁷⁹ Overall, the amount of water that can be stored through ASR was reduced by about 60 percent.⁸⁰ Additionally, two pilot projects were completed: one in the Kissimmee Basin and one near the Hillsboro Canal, which determined that ASR systems north of Lake Okeechobee could achieve a rate of recoverability of upwards of 100 percent of stored water due to the freshwater quality of the aquifer in that region, but, conversely, ASR systems south of the lake, because of the brackish quality of the aquifer in that region, would require successive cycles over a few years to achieve a target of 70 percent recoverability.⁸¹

CERP: C-43 Basin Storage Reservoir

The Caloosahatchee River (C-43) West Basin Storage Reservoir project is designed to help ensure that a more consistent, natural flow of freshwater is delivered to the estuary. The project is designed to capture and store runoff from the local basin along with a portion of water discharged from Lake Okeechobee to be released slowly to the estuary as needed.⁸² The project includes an above-ground reservoir with the total storage capacity of 170,000 acre-feet.⁸³ The first phase of construction began in late 2015 and is anticipated to be completed in 2020.⁸⁴

CERP: Indian River Lagoon – South

The Indian River Lagoon–South (IRL-S) project is designed to help restore the balance of fresh and salt water in the lagoon and estuary and capture, store, and treat runoff from the local basins before it enters the natural system.⁸⁵ The IRL-S includes one above-ground storage reservoir in the C-44, C-23, C-24, and C-25 basins, with a total storage capacity of approximately 200,000

acre-feet, and three stormwater treatment areas (STAs).⁸⁶ Additionally, water from the C-23/C-24 basin will be redirected to the North Fork of the St. Lucie River to attenuate freshwater flows to the St. Lucie Estuary.⁸⁷ Construction is completed on some features included in the C-44 reservoir, including intake and drainage canals, access roads, and staging areas. Construction also began on the C-44 reservoir pump station and STA, with reservoir construction expected to be completed in 2019.⁸⁸

CERP: Central Everglades Planning Project (CEPP)

The Central Everglades Planning Project (CEPP) consists of a suite of the CERP projects whose purpose is to improve the quantity, quality, timing, and distribution of water flows to the Northern Estuaries, central Everglades, Everglades National Park, and Florida Bay while increasing the water supply for urban and agricultural users.⁸⁹ The CEPP received Congressional authorization in the 2016 Water Infrastructure Improvements for the Nation Act.⁹⁰

The project is designed to send an annual average of approximately 210,000 acre-feet of water south from Lake Okeechobee and set the foundation for restoring the central portion of the Everglades ecosystem.⁹¹ The project includes:

- Increasing storage, treatment and conveyance of water south of Lake Okeechobee;
- Removing canals and levees within the central Everglades; and
- Retaining water within the Everglades National Park and protecting urban and agricultural areas to the east from flooding.⁹²

Some of the features included in the CEPP are an A-2 Flow Equalization Basin (FEB)⁹³ that will be integrated with the A-1 FEB, a project that is part of the Restoration Strategies Plan; removal of approximately six miles of the Old Tamiami Trail road; construction of seepage barriers; and increases in structural capacities.⁹⁴

⁸⁶ *The Sixth Biennial Review* at 70; Stormwater Treatment Areas, or STAs, are constructed wetlands that remove and store nutrients through plant growth and the accumulation of dead plant material that is slowly converted to a layer of peat soil; See SFWMD, *Water Quality Improvement*, available at <https://www.sfwmd.gov/our-work/wq-stas> (last visited Feb. 6, 2017).

Northern Everglades and Estuaries Protection Program (NEEPP)

The Northern Everglades and Estuaries Protection Program (NEEPP) was established to promote a comprehensive, interconnected watershed approach to protect Lake Okeechobee and the Caloosahatchee and St. Lucie watersheds. It includes the Lake Okeechobee Watershed Protection Program and the Caloosahatchee and St. Lucie River Watershed Protection Programs.⁹⁵ The NEEPP led to the creation of the Lake Okeechobee Phase II Technical Plan in 2008, which requires, in part, that the SFWMD:

- Provide for additional measures, including voluntary water storage and water quality improvements on private land, increase water storage and reduce excess water levels in Lake Okeechobee, and reduce excess discharges to the estuaries; and
- Develop the appropriate water quantity storage goal to achieve the desired Lake Okeechobee range of lake levels and inflow volumes to the Caloosahatchee and St. Lucie estuaries while meeting the other water-related needs of the region, including water supply and flood protection.⁹⁶

The NEEPP provided the basis for the development of Basin Management Action Plans (BMAPs). A BMAP is the blueprint for restoring impaired water by reducing pollutant loadings to meet a Total Maximum Daily Load (TMDL). The BMAP is a comprehensive set of strategies including water quality and water storage projects, permit limits on wastewater facilities, urban and agricultural best management practices (BMPs), and conservation programs, to implement the nutrient load reductions necessary to achieve a TMDL.

The 2016 Legislature enacted, ch. 2016-1, Laws of Florida, to update and restructure the NEEPP to reflect and build upon the Department of Environmental Protection's implementation of BMAPs for Lake Okeechobee, the Caloosahatchee River and Estuary, and the St. Lucie River and Estuary. The BMAP will include the construction of water projects, water monitoring programs, and the implementation, verification, and enforcement of BMPs within these watersheds. The BMAPs are now required to include 5-, 10-, and 15-year milestones towards achieving the TMDLs for those water basins within 20 years.⁹⁷

River of Grass – U.S. Sugar Land Acquisition

In 2008, Governor Charlie Crist announced a plan to acquire more than 180,000 acres of agricultural land for Everglades restoration from the United States Sugar Corporation. The River of Grass planning process was started to evaluate the lands to be acquired under the plan and analyze how the land would affect the future of Everglades restoration. During this planning process, additional treatment capacity necessary to achieve state and federal Everglades water quality standards and the volume of storage needed to reduce damaging discharges and move more water south of the lake was evaluated.⁹⁸

Because of the magnitude of the acquisition, restoration projects were effectively put on hold during the re-evaluation process. Ultimately, the SFWMD approved an agreement on August 12, 2010, to purchase approximately 26,800 acres of land, substantially less land than

⁹⁵ Section 373.4595, F.S.

⁹⁶ *Id.*

⁹⁷ Chapter 2016-1, Laws of Fla.

⁹⁸ *Id.*

originally envisioned, because of a decline in the SFWMD revenues.⁹⁹ Under the Second Amended and Restated Agreement for Purchase and Sale (Agreement), the SFWMD took ownership of approximately 17,900 citrus acres in Hendry County and 8,900 sugarcane acres in Palm Beach County.¹⁰⁰

Under the Agreement, the SFWMD retained the following various options to purchase the remaining 153,200 acres of land over the next ten years:

- An exclusive 3-year option to purchase either a specified 46,800 acres or the entire 153,200 acres at a fixed price of \$7,400 per acre. This option expired in 2013.
- After the expiration of this exclusive option period, a subsequent 2-year non-exclusive option to purchase approximately 46,800 acres at fair market value. This option expired in 2015.
- A subsequent 7-year non-exclusive option to purchase the remaining acres at fair market value. Because the previous options were not exercised, the entire remaining option property, approximately 153,200 acres, is available to be purchased. This option will expire in 2020.¹⁰¹

Restoration Strategies

After years of litigation concerning the water quality in the Everglades Protection Area (EPA), a consent decree was entered in the case of *United States v. South Florida Water Management District* in 1992.¹⁰² The consent decree, as implemented by the Everglades Forever Act in 1994, set forth a two-pronged approach consisting of building STAs and implementing best management practices (BMPs) in the EAA to reduce the total phosphorous levels in the Everglades Protection Area. The plan originally consisted of the construction of four STAs covering 35,000 acres, but by 2006 the need for additional STA acreage became clear. By 2010, approximately 57,000 acres of STAs were built and operating.¹⁰³ Subsequently conversations began between the United States Environmental Protection Agency and the SFWMD and, in 2012, they were able to reach a consensus on a new strategy for improving the water quality in the Everglades called the Restoration Strategies Regional Water Quality Plan.¹⁰⁴

Restoration Strategies is an \$800 million technical plan to complete a suite of projects intended to expand water quality improvement projects necessary to achieve phosphorous water quality standards. Under these strategies, the SFWMD must complete six projects that will create more than 6,500 acres of new STAs and 110,000 acre-feet of additional water storage.¹⁰⁵

¹⁰⁵ *Science Plan* at 3.

Design and construction of the projects is scheduled to be accomplished in three phases over a 12-year timeframe, with completion set for 2025.¹⁰⁶ In 2013, the Legislature appropriated \$32 million on a recurring basis through the 2023-2024 Fiscal Year to support the implementation of the plan.¹⁰⁷ The A-1 FEB, providing approximately 60,000 acre-feet of storage, was completed in 2015 and is currently in an operational and testing phase and has proved successful at improving the performance of the STAs, effectively reducing the total phosphorous loads to the STAs by approximately 80 percent.¹⁰⁸ The expansion of STA-1W is expected to be completed in December of 2018. The L-8 FEB is designed to provide 48,000 acre-feet of storage and substantial completion of the project has been achieved, except the outflow pump station, but full capacity is not yet available due to manufacturing issues with the pumping units.¹⁰⁹

Damaging Discharges from Lake Okeechobee to the Coastal Estuaries

Because of the lack of operational flexibility within the system's design, the LORS requires lake levels to be kept low before the wet season, to account for additional inflow to ensure that lake levels do not rise to dangerous levels, which could cause the dike to be breached.¹¹⁰ Furthermore, during a high rainfall event water enters into the lake from direct rainfall, large basins, and other sources, which causes the water levels in the lake to rise six times faster than can be discharged from the lake.¹¹¹ The only outlets that are capable of quickly releasing the necessary volume of water from the lake are through the St. Lucie and Caloosahatchee Canals to the coastal estuaries.¹¹² Therefore, when heavy rainfall events occur, the only option in the current system to maintain safe lake levels is to send high volumes of water east and west.

For the majority of 2016, Martin, St. Lucie, and Lee counties were under a state of emergency due to the negative effects of freshwater discharges from Lake Okeechobee on the coastal communities and ecosystems.¹¹³ Due to El Nino conditions, the dry season of Water Year 2016 (May 1, 2015-April 30, 2016) was unusually wet with 26.67 inches of rainfall, much greater than the long-term average of 12.78 inches.¹¹⁴ January of 2016 was the wettest January on record, with rainfall amounts approximately 476 percent more than the historical average.¹¹⁵ The wetter than normal dry season necessitated releases from Lake Okeechobee to the St. Lucie and Caloosahatchee estuaries, compounding the freshwater inflow to the estuaries from the local basins. From January to November of 2016, approximately 2.23 million acre-feet, which is approximately 727 billion gallons of freshwater, was released from Lake Okeechobee alone to the St. Lucie and Caloosahatchee estuaries.¹¹⁶

High volume freshwater discharges have significant effects on the coastal estuaries. The releases from the lake along with other local basin inflows cause large fluctuations in salinity, which often expose the animal and plant life within the estuary to salinities outside of their tolerance ranges.¹¹⁷ When the high flows last for a sustained time period, the impacts to the estuaries are more severe.¹¹⁸ Species, such as oysters and seagrasses, become more susceptible to disease and

predation as the duration of the high volume discharges increase.¹¹⁹ Oysters and seagrasses are indicator species and are widely used to evaluate the effects of the discharges on overall estuarine health. Beginning in February the salinity levels of the St. Lucie Estuary dropped significantly. The levels rebounded slightly as the freshwater discharges decreased, but plummeted again at the end of May when the discharges were again increased. The drop in salinity levels greatly affected oyster spat recruitment in May of 2016.¹²⁰

In addition to requiring high volume discharges, higher lake stages correlate with algae blooms in the lake.¹²¹ The lake receives large amounts of nutrients from its tributaries and has high levels of nutrients within the water column, which support the growth of algae blooms.¹²² Periodically conditions are just right and cyanobacteria, referred to as blue-green algae, rapidly reproduces to form a bloom.¹²³ In May of 2016, a massive *Microcystis* algae bloom formed in Lake Okeechobee.¹²⁴ The algae in the lake was sampled and tested positive for levels well above the low-level risk threshold.¹²⁵ Operating under the LORS, the USACE continued the regulatory releases east and west to the coastal estuaries to maintain the lake's level. The discharges carried the algae from the lake through the C-44 canal and out through the S-80 structure into the St. Lucie Estuary.

The National Academies of Sciences, Engineering, and Medicine in their biennial review of Everglades restoration progress stated:

What causes *Microcystis* blooms in the St. Lucie Estuary? Philips et. al (2012) found that internally driven blooms are mainly limited to the north fork of the St. Lucie Estuary and occur during dry periods when water residence time is long enough to allow the algae to proliferate. Those blooms are mainly caused by a kind of algae called dinoflagellate. In contrast, externally driven blooms are much more severe, happen in the main stem of the estuary, and are caused by *Microcystis*. Philips et al. (2012) documented that the 2005 algal bloom, which coincided with regulatory water discharges from the lake, was seeded by an upstream bloom that happened in Lake Okeechobee...It is highly likely that the same situation occurred in 2016.

The *Microcystis* algae bloom covered the waterways of the St. Lucie River and Estuary during the peak of the 2016 tourist season. Health advisories were issued and even some of the beaches closed. Usually the *Microcystis* algae blooms, which consists of freshwater algae, are unable to

survive offshore, due to the high salinity levels. However, because the system had been experiencing high volume freshwater discharges for a long duration, the salinity levels offshore were low enough for the bloom to survive. Samples taken at Bathtub Reef Beach in Martin County confirmed that the algae present was highly toxic *Microcystis* algae.¹²⁶

Exposure to algal toxins may occur through the consumption of tainted water, fish or shellfish; recreational activities; or inhalation of aerosolized toxins.¹²⁷ The toxins can have a range of lethal and non-lethal effects on humans, wildlife, and companion animals.¹²⁸ The excessive freshwater discharges in 2016 impacted not only the ecology of the estuaries, but the quality of life of the residents, regional property values, revenues of area businesses, and continue to have effects on the local economies.¹²⁹

Additional Storage

According to the National Academies of Sciences, Engineering, and Medicine in their biennial review of Everglades restoration progress, little has been accomplished through CERP to reduce the high volume discharges to the St. Lucie and Caloosahatchee estuaries.¹³⁰ Additionally, the review noted that storage components in CERP have been scaled back and provided an analysis of the significance of that loss of storage. The review concluded that a scaled-back CERP under LORS has resulted in 104 and 167 percent increases in regulatory releases by volume to the St. Lucie and Caloosahatchee estuaries, respectively, compared to the original CERP projections under the previous regulation schedule.¹³¹

The 2015 University of Florida Water Institute Study (UF Study), titled *Options to Reduce High Volume Freshwater Flows to the St. Lucie and Caloosahatchee Estuaries and Move More water From Lake Okeechobee to the Southern Everglades*, concluded that providing relief to the estuaries would require an enormous increase in storage and treatment both north and south of the lake and that all existing and currently authorized projects are insufficient to achieve these goals.¹³² The KRR project is expected to attenuate the flows into Lake Okeechobee; the C-43 and C-44 reservoir projects are expected to significantly reduce local-basin flows into the estuaries; and Restoration Strategies and CEPP together are expected to increase the delivery of clean water to the Everglades.¹³³ The UF Study concluded, however, that even after all of these projects are completed as planned, the lake-triggered high volume discharges to the estuaries would be reduced by less than 55 percent.¹³⁴

% Reduction in Lake-Triggered High Discharges to the Northern Estuaries

Dry Season Everglades Demand Target Delivered – Standard Score

The UF Study provided two possible configurations that are expected to provide a 90 percent reduction in lake-triggered discharges. In the graphs above, the red stars represent system performance after 112,000 acre-feet of storage is added under current projects and the green stars represent the two possible configurations that would achieve 90 percent restoration.¹³⁵

Based on the modeling results, the UF Study made the following findings:

[These figures show] that storage can be effective at reducing damaging discharges to the St. Lucie and Caloosahatchee estuaries whether it is constructed north or south of the lake. Storage north of the lake is effective for managing lake levels within a desirable range and thus reducing damaging discharges to the estuaries. Furthermore, water storage and treatment is needed north of the lake to meet the Lake Okeechobee TMDL. However, due to the extended time it takes to route water from north of the lake to the Water Conservation Areas (WCAs), northern storage is not likely to be as effective as southern storage in meeting the timing and distribution objectives of the water deliveries to the [Everglades Protection Area]. Furthermore, it is likely that water stored north of the lake, if passed through the Lake or through perimeter canals subject to agricultural runoff, may need to undergo additional water quality treatment to meet applicable standards before it is released to the [Everglades Protection Area]. Thus, the additional required storage will be needed to be distributed both north and south of the lake to achieve all restoration objectives.¹³⁶

Lake Okeechobee Watershed Project

Planning began in August 2016 under the CERP for the Lake Okeechobee Watershed Project (LOW). The study area for the project consists of approximately 950,000 acres, primarily located north of Lake Okeechobee extending to Lake Istokpoga.¹³⁷ The LOW is designed to increase water storage capacity in the northern watershed, which will improve water levels in Lake Okeechobee; improve the quantity and timing of discharges to the St. Lucie and Caloosahatchee estuaries; restore degraded habitat for fish and wildlife; and increase the spatial extent and functionality of wetlands.¹³⁸ The following conceptual storage and restoration features under consideration to be included in the LOW are a Taylor Creek/Nubbin Slough storage and treatment area, a 5,000-acre reservoir with total storage capacity of 50,000 acre-feet; and the North of the Lake Okeechobee Storage Reservoir, a 17,500-acre reservoir with a total storage capacity of 200,000 acre-feet.¹³⁹

Everglades Agricultural Area Storage Reservoir

The EAA Storage Reservoirs – Phase I project was initially authorized in the Water Resources Development Act of 2000.¹⁴⁰ The CERP originally planned for 360,000 acre-feet of storage located in the EAA.¹⁴¹ The initial design assumed 60,000 acres, divided into three, equally sized compartments with water depth fluctuating up to 6 ft.¹⁴² The purpose of the project was to improve the timing of environmental water deliveries to the WCAs by reducing damaging flood releases from the EAA; reduce Lake Okeechobee regulatory releases to the estuaries; meet supplemental agricultural irrigation demands; and increase flood protection within the EAA.¹⁴³

Planning began under the assumption that the project would be located on lands associated with the Talisman Land purchase in the EAA and the Woerner South property acquisition.¹⁴⁴ A portion of such lands are commonly referred to as the A-1 and A-2 land parcels: A-1 consists of approximately 17,000 acres and A-2 consists of approximately 14,000 acres. In 2005, the State of Florida initiated the Acceler8 program to accelerate the funding, design, and construction of critical restoration projects, one of which was a part of Phase-I of the EAA Reservoir.¹⁴⁵

The SFWMD moved forward under the Acceler8 program and completed the detailed design and engineering work on the A-1 reservoir project, which was to be constructed on the A-1 land parcel, as depicted in Cell 1 on the map above.¹⁴⁶ During 2007, construction for the A-1 reservoir was in full swing and was expected to be completed in the spring of 2011.¹⁴⁷ Then, in May of 2008, a lawsuit was filed against the USACE alleging that the Section 404 Dredge and Fill Permit to construct the A-1 reservoir was inconsistent with the intent of the Water Resources Development Act of 2000 and the National Environmental Policy Act.¹⁴⁸ Due to this litigation and in light of the pending *River of Grass* land acquisition, the reservoir construction contract was terminated so that the site could be integrated into plans that would be developed following the major acquisition.¹⁴⁹

The state decided to use some of the Talisman lands to expand the existing STAs and another portion of the lands for interim shallow features to help improve the water quality and treatment in STA 3/4.¹⁵⁰ To fulfill federal water quality standards, the A-1 Reservoir was converted to a FEB as part of the mandated Restoration Strategies Plan. The project is now in an operational testing and monitoring phase and has proved successful at improving the performance of the

STAs, effectively reducing the total phosphorous loads to the STAs by approximately 80 percent.¹⁵¹

The A-2 land parcel, Cell 2 as depicted in the map above, is subject to lease agreements which are set to expire in 2018. The A-2 parcel is included in the project implementation report for the Central Everglades Planning Project (CEPP) as an FEB that will work in conjunction with the A-1 FEB. Cumulatively, the A-1 and A-2 FEBs will provide 116,000 acre-feet of storage, the primary purpose of which is to optimize the performance of the STAs.¹⁵²

St. Johns River Water Management District

The St. Johns River Water Management District (SJRWMD) is one of five water management districts established in the state. The SJRWMD covers all or part of 18 counties in Northeast and East-Central Florida and includes ten major watersheds.

St. Johns River

The St. Johns River is the longest river that is entirely within the state.¹⁵³ The St. Johns River is divided into three watersheds: the Lower St. Johns River Basin, the Middle St. Johns River Basin, and the Upper St. Johns River Basin. Because the river flows north, the upper basin is the area that forms in Indian River and Brevard counties, south of the middle and lower basins.¹⁵⁴ Major tributaries that flow into the St. Johns River include the Wekiva River, the Econlockhatchee River, and the Ocklawaha River.¹⁵⁵

Stormwater runoff from urban areas, treated domestic and industrial wastewater, and agricultural runoff from farming areas affect the water quality of the St. Johns River.¹⁵⁶ The largest contributor of pollution in the lower basin is treated wastewater with additional significant sources of nutrient pollution coming from agricultural areas.¹⁵⁷ The upper basin was drained and diked and now the floodwaters from the basin are drained to the Indian River Lagoon to the east, which diminishes the water quality in the lagoon and degrades the upper basin's remaining marshes.¹⁵⁸

Keystone Heights Area Lakes

The Keystone Heights area lakes are located in Southwestern Clay County.¹⁵⁹ The lakes were created when a layer of limestone collapsed creating sinkholes that connect to the Upper Floridan

¹⁵¹ See Terrie Bates, Water Resources Division Director, SFWMD, Governing Board Meeting, *Environmental Conditions Update*, slide 26 (June 09, 2016), available at <https://www.sfwmd.gov/news-events/meetings> (last visited Jan. 31, 2017).

Aquifer.¹⁶⁰ The natural geologic features of this karst terrain result in lake level fluctuations that have occurred over many decades.¹⁶¹

The SJRWMD has been working to protect and maintain the water levels in the lakes in the Keystone Heights region and has undertaken numerous projects and studies regarding the region to better understand the dramatic fluctuations in lake water levels and to help meet current and long-term water supply needs for the region.¹⁶² The SJRWMD has focused on projects that will lead to improved water levels in the lakes and the underlying Floridan aquifer. The SJRWMD is reevaluating the minimum flows and levels for certain lakes to include the implementation of updated methods, development of a hydrologic model, and an analysis of additional long-term hydrologic data to ensure that the minimum flows and levels are based on the most up-to-date methods and criteria.¹⁶³ The SJRWMD has also focused on projects that benefit the Floridan aquifer by increasing recharge or by reducing water withdrawals in the region.¹⁶⁴

State Revolving Loan Fund

The State Revolving Loan Fund (SRF) is a federal-state partnership that is administered by the state for the purpose of providing low-interest loans for investments in water and sanitation infrastructure, such as stormwater management facilities and drinking water treatment, as well as the implementation of nonpoint source pollution control and estuary protection projects.¹⁶⁵ The SRF receives its initial capital from federal grants and state funds, which then revolves through the repayment of principal and interest on outstanding loans.¹⁶⁶ The SRF program is the DEP's largest funding program and makes \$200-\$300 million or more available, primarily to local governments, each year.¹⁶⁷

The state currently administers two SRF programs: the Clean Water State Revolving Fund (CWSRF) under the federal Clean Water Act and the Drinking Water State Revolving Fund (DWSRF) under the federal Safe Drinking Water Act. Under the CWSRF there are generally eleven types of projects that are eligible under the program, including, but not limited to, projects for the construction, repair, or replacement of decentralized wastewater treatment systems; measures to manage, reduce, treat, or recapture stormwater; and measures to reduce the demand for publicly owned treatment works capacity through conservation, efficiency, or reuse.¹⁶⁸ Projects that address or prevent future violations of health-based drinking water standards are eligible under the DWSRF.¹⁶⁹ This includes projects that are necessary to maintain compliance

Land Acquisition Trust Fund and Legacy Florida

In 2014, Florida voters approved a constitutional amendment to provide a dedicated funding source for water and land conservation and restoration. The amendment required that, starting on July 1, 2015, for 20 years, 33 percent of net revenues derived from the existing excise tax on documents be deposited into the Land Acquisition Trust Fund (LATF).

To comply with Art. X, s.28 of the State Constitution, the Legislature, in the 2015 Special Session “A,” passed ch. 2015-229, L.O.F.¹⁷² Chapter 2015-229, L.O.F., amended:

- Section 201.15, F.S., to conform to the constitutional requirement that the LATF receive at least 33 percent of net revenues derived from the existing excise tax on documents; and
- Section 375.041, F.S., to designate the LATF within the Department of Environmental Protection as the trust fund to serve as the depository for the constitutionally required funds.¹⁷³

In 2016, the legislature passed ch. 2016-201, Laws of Florida, referred to as “Legacy Florida.”¹⁷⁴ Legacy Florida amended s. 375.041, F.S., to provide minimum distributions required from the funds deposited into the LATF. Under s. 375.041, F.S., funds deposited into the LATF must be distributed in the following order:

- First, obligations relating to debt service, specifically:
 - First to payments relating to Florida Forever Bonds and Everglades restoration bonds; and
 - Then to payments relating to bonds issued before February 1, 2009, by the South Florida Water Management District and the St. Johns River Water Management District;
- Then, of the funds remaining after the payment of debt service, and before funds are authorized to be appropriated for other uses:
 - A minimum of the lesser of 25 percent of the funds remaining or \$200 million annually for Everglades projects that implement the CERP, the Long-Term Plan,¹⁷⁵ and the NEEPP, with priority given to projects that reduce harmful discharges of water from Lake Okeechobee to the St. Lucie or Caloosahatchee estuaries in a timely manner. These funds are required to be distributed as follows:
 - \$32 million through the 2023-2024 Fiscal Year for the Long-Term Plan;
 - After deducting the \$32 million, a minimum of the lesser of 76.5 percent of the remainder or \$100 million through the 2025-2026 Fiscal Year for the CERP; and
 - The remainder for Everglades projects under the CERP, the Long-Term Plan, or the NEEPP.

¹⁷⁰ *Id.*

¹⁷¹ *Id.*

¹⁷² Ch. 2015-229, Laws of Fla.

¹⁷³ Ch. 2015-229, s. 9, 50, Laws of Fla.

¹⁷⁴ Ch. 2016-201, Laws of Fla.

¹⁷⁵ Note that the “Long-Term Plan” includes the Restoration Strategies Regional Water Quality Plan.

- A minimum of the lesser of 7.6 percent of the funds remaining or \$50 million annually for springs restoration, protection, and management projects; and
- Five million annually for the restoration of Lake Apopka.¹⁷⁶
- Then, any remaining moneys are authorized to be appropriated from time to time for the purposes set forth in Art. X, s. 28 of the State Constitution.¹⁷⁷

The General Revenue Estimating Conference in December of 2016 estimated that for the 2017- 2018 Fiscal Year a total of \$2.48 billion will be collected in documentary stamp taxes with \$814.1 million required to be deposited into the LATF in accordance with s. 28, Art. X of the State Constitution.¹⁷⁸

Water Protection and Sustainability Program Trust Fund

The Water Protection and Sustainability Program Trust Fund was created for the purpose of implementing the Water Sustainability Program created in s. 403.890, F.S.¹⁷⁹ The revenues appropriated into or appropriated to the trust fund are required to be distributed by the DEP in the following manner:

- Sixty-five percent for the implementation of an alternative water supply program¹⁸⁰;
- Twenty-two and five-tenths percent for the implantation of best management practices and capital project expenditures necessary for the implementation of the goals of the total maximum daily load program; and
- Twelve and five-tenths percent for the Disadvantaged Small Community Wastewater Grant Program.¹⁸¹

Onsite Sewage Treatment and Disposal Systems

Onsite sewage treatment and disposal systems, hereafter referred to as septic systems, can contain any one of the following components: a septic tank; a subsurface drainfield; an aerobic treatment unit (ATU); a graywater tank; a laundry wastewater tank; a grease interceptor; a pump tank; a waterless, incinerating or organic waste-composting toilet; and a sanitary pit privy.¹⁸² Septic systems are located underground and treat sewage without the presence of oxygen. Sewage flows from a home or business through a pipe into the first chamber, where solids settle out. The liquid then flows into the second chamber where anaerobic bacteria in the sewage break

¹⁷⁶ Section 375.041, F.S.

¹⁷⁷ *Id.*

¹⁷⁹ Section 403.891, F.S.

¹⁸⁰ The term “alternative water supply” is defined in s. 373.019(1), F.S., to mean salt water; brackish surface and groundwater; surface water captured predominately during wet-weather flows; sources made available through the addition of new storage capacity for surface or groundwater, water that has been reclaimed after one or more public supply, municipal, industrial, commercial, or agricultural uses; the downstream augmentation of water bodies with reclaimed water; stormwater; and any other water supply source that is designated as nontraditional for a water supply planning region in the applicable regional water supply plan.”

¹⁸¹ Section 403.890, F.S.

¹⁸² FDEP, *Wastewater: Septic Systems*, <http://www.dep.state.fl.us/water/wastewater/dom/septic.htm> (last visited Mar. 5, 2017).

down the organic matter, allowing cleaner water to flow out of the second chamber into a drainfield.¹⁸³

The Department of Health (DOH) administers septic system programs, develops statewide rules, and provides training and standardization for county health department employees responsible for issuing permits for the installation and repair of septic systems within the state.¹⁸⁴ An estimated 2.7 million septic systems are in use statewide, serving approximately one third of the state's population.¹⁸⁵

In Florida, development in some areas is dependent on septic systems due to the cost and time it takes to install central sewer systems. For example, in rural areas and low-density developments, central sewer systems are not cost effective. Less than one percent of septic systems in Florida are actively managed.¹⁸⁶ The remainder systems are generally serviced only when they fail, often leading to costly repairs that could have been avoided with routine maintenance.¹⁸⁷ In Florida, approximately 30-40 percent of the nitrogen levels are reduced in a system that is installed 24 inches or more from groundwater.¹⁸⁸ This still leaves a significant amount of nitrogen to percolate into the groundwater. Nitrogen from septic systems is a potential contaminant in groundwater and surface water.¹⁸⁹ Nitrogen sensitivity of Florida watersheds varies greatly, and includes areas of extremely high sensitivity to nitrogen loading and other areas where nitrogen loading from septic systems may be less critical.¹⁹⁰

Florida Keys Area of Critical State Concern

Section 381.0065(4)(l), F.S., requires that all onsite treatment and disposal systems in the Florida Keys cease discharge by December 31, 2015, unless the system is in compliance with DOH rules and able to meet advanced wastewater treatment standards. Since 1999, 23,000 on-site sewage systems and approximately 249 Wastewater Treatment Package Plants have been connected to central sewer.¹⁹¹ The estimated cost to provide central sewer services in unincorporated Monroe County is \$1 billion.¹⁹² County-wide, approximately 80 percent of systems have been connected to central sewer.¹⁹³

Any element of a local comprehensive plan in the Florida Keys area must contain construction schedules and detailed capital financing plans for wastewater management improvements in the annually adopted capital improvements element, and standards for the construction of wastewater treatment and disposal facilities or collection systems which meet or exceed criteria for wastewater treatment and disposal facilities or onsite sewage treatment and disposal systems.¹⁹⁴

Monroe County, the Florida Keys Aqueduct Authority, the Key Largo Wastewater Treatment District, the Village of Islamorada, and the cities of Key Colony Beach and Key West have entered into an interlocal agreement in light of their engaged efforts to provide centralized wastewater treatment plants and collection systems throughout the Florida Keys and to upgrade and improve existing wastewater treatment systems to protect the fragile ecosystem of the Florida Keys and comply with the requirements for all wastewater management facilities in the area. The agreement establishes a specific distribution formula for state funds and provides specific allocation amounts for each party to the agreement. During the 2016 Session, the Legislature passed the Florida Keys Stewardship Act, which provided an appropriation in the sum of \$5 million, which was required to be distributed in accordance with the interlocal agreement.¹⁹⁵

Indian River Lagoon

During 2011, a massive phytoplankton algae bloom occurred throughout most of the Indian River Lagoon system, extending from Southern Mosquito Lagoon to just north of Ft. Pierce Inlet.¹⁹⁶ This “2011 Superbloom” lasted for a duration of 7 months and resulted in a massive loss of seagrass coverage. There is no single answer as to why the bloom occurred, but studies have indicated that nitrogen inputs from septic systems in the Indian River Lagoon basin are a major source of nutrients that drive harmful algae blooms.¹⁹⁷ The DEP has awarded more than \$24 million in funding for 12 recent projects to improve water quality in the Indian River Lagoon.¹⁹⁸

In Brevard County alone, there are approximately 82,000 permitted septic systems, of which nearly 59,500 pollute groundwater that migrates to the lagoon.¹⁹⁹ The SJRWMD and local governments have been proactive in implementing projects to address water quality issues in the lagoon. Brevard County established the Save Our Indian River Lagoon Project Plan. The plan outlines local projects planned to meet water quality targets and improve the health, productivity, aesthetic appeal, and economic value of the lagoon.²⁰⁰ The plan includes septic system upgrades

²⁰⁰ *Id.* at vi.

and removals at a total cost of approximately \$64 million.²⁰¹ The estimated total cost to convert all septic tanks in the county to central sewage treatment is \$1.19 billion.²⁰² In Brevard County, a referendum was approved by 62.4 percent to authorize the issuance of a half-cent infrastructure sales tax to raise approximately \$300 million to pay for a portion of the plan.²⁰³

III. Effect of Proposed Changes:

Section 1 titles the act the “Coast-to-Coast Water Resources Program.”

Section 2 amends s. 201.15, F.S., to require that amounts deposited into the Land Acquisition Trust Fund (LATF) be used to pay the debt service on water resource protection and development bonds. The amount of debt service that is available each fiscal year is limited to \$300 million.

Section 3 creates s. 215.613, F.S. to establish a new set of bonds up to \$3.3 billion to finance or refinance the cost of acquisition and improvement of land, water areas, or related property interests for the purposes of water resource protection and development, and for capital improvements to land or water areas which facilitate water resource protection and development. The authority to issue bonds is redistributed from Florida Forever bonding authority; no new bonding authority is created. Water resource protection and development bonds are payable from taxes distributable to the LATF and the proceeds of such bonds are required to be deposited into the LATF.

Section 4 amends s. 215.618, F.S., to reduce the bonding authority for Florida Forever bonds from \$5.3 billion to \$2 billion.

Sections 5 and 9 creates s. 373.4598, F.S., and amends s. 375.041, F.S., respectively, to set out legislative findings and intent, define terms, and establish options for additional storage south of Lake Okeechobee which are intended to reduce the damaging discharges to the St. Lucie and Caloosahatchee estuaries.

Option A: Acquire the Land from Willing Sellers

The bill requires the South Florida Water Management District (SFWMD), upon the effective date of the act, to seek proposals from willing sellers of property within the Everglades Agricultural Area in order to acquire approximately 60,000 acres of land suitable for one or two above-ground storage reservoirs that have a total storage capacity of 360,000 acre-feet. The bill clarifies that SFWMD may not exercise eminent domain to implement the reservoir project.

If the SFWMD is able to find willing sellers of property that is suitable for the reservoir project, then, once the land has been agreed upon, the SFWMD must immediately begin the reservoir

²⁰¹ *Id.* at viii.

²⁰² *Id.* at 5.

²⁰³ Brevard County Supervisor of Elections, *2016 General Election Official Results*, <http://enr.electionsfl.org/BRE/1616/Summary/> (last visited Mar. 9, 2017); see Brevard County Ordinance 2016-15, *Placing a Referendum on November 8, 2016 Ballot for One-Half Cent Infrastructure Sales Tax to Fund Implementation of the Save our Lagoon Project Plan* (August 23, 2016), available at <http://www.brevardfl.gov/docs/default-source/countymanager/save-our-lagoon-referendum-election-2016-ordinance-august-23-2016.pdf?sfvrsn=2> (last visited Mar. 9, 2017).

project with the goal of providing adequate storage and conveyance south of Lake Okeechobee to reduce the volume of regulatory discharges to the St. Lucie and Caloosahatchee estuaries. Additionally, once the land has been acquired, the SFWMD is required to expeditiously pursue the necessary permits required for the reservoir project and begin implementation and construction as soon as practicable. The SFWMD is required to give preferential consideration to the hiring of agricultural workers displaced as a result of the reservoir project, consistent with their qualifications and abilities, for the construction and operation of the reservoir project.

Unless other funding is available, the bill directs the SFWMD, in coordination with the United States Army Corps of Engineers (USACE), to begin the planning study for the Everglades Agricultural Area Reservoir Project by March 1, 2018. According to the 2016 Draft IDS schedule, the project is scheduled to begin in 2021.²⁰⁴ Additionally, the SFWMD is required to abide by applicable federal and state law in order to obtain federal credit under the Comprehensive Everglades Restoration Plan (CERP). The bill specifies that the SFWMD, when developing the planning study, must focus on the goal of the reservoir project, which is to provide adequate storage and conveyance south of the lake to reduce the volume of regulatory discharges of water from the lake to the St. Lucie and Caloosahatchee estuaries.

The bill requires \$800 million in Florida Forever bond proceeds in the 2017-2018 FY and \$400 million in Florida Forever bond proceeds in the 2018-2019 FY to be deposited into the LATF if the SFWMD acquires land from willing sellers of property that is suitable for the reservoir project. If the reservoir project receives Congressional authorization, the SFWMD is required to seek applicable federal credits towards the state's share of funding the land acquisition and implementation of the reservoir project.

The SFWMD has until December 31, 2017, to acquire the land before Option B is triggered.

Option B: Exercise the Option

Under Option B the SFWMD is required to assign the Entire Option Property Non-Exclusive Option (Option) to the Board of Trustees of the Internal Improvement Trust Fund (Board) by January 31, 2018. Such Option is available to the SFWMD pursuant to the 2010 Second Amended and Restated Agreement (Agreement).²⁰⁵ If the U.S. Sugar Corporation, the seller, does not find the assignment to be "reasonably acceptable in form and substance," the SFWMD is required to retain the Option. The assignment of the Option to the Board is authorized in the Agreement, which also provides the seller with the opportunity to decline acceptance of such assignment.

The bill requires the Board or the SFWMD, whichever holds the Option, to exercise the Option by March 1, 2018. The Board or the SFWMD, the buyer, is not authorized to propose a purchase price for less than the average of \$7,400 per acre, unless the highest appraised value of the land

²⁰⁴ USACE and SFWMD, *Integrated Delivery Schedule 2016 Update* (Dec. 2016), available at http://www.saj.usace.army.mil/Portals/44/docs/Environmental/IDS/IDS_PLACEMAT_05JAN2017_web.pdf?ver=2017-01-07-164638-380 (last visited Jan. 31, 2017).

²⁰⁵ See Second Amended and Restated Agreement for Sale and Purchase (2010), available at https://www.sfwmd.gov/sites/default/files/documents/rog_0_amended_restated_agt_for_sale_and_purchase.pdf (last visited Jan. 31, 2017).

is less than the average of \$7,400 per acre. Under the Agreement, if the proposed purchase price is less than the average of \$7,400 per acre, the seller has the absolute right to not sell the Option property by providing written notice to the buyer within 60 days after the purchase price has been determined.

If land is acquired under Option B then the SFWMD is required to identify which of the acquired land is suitable for the reservoir project. The bill authorizes the Board or the SFWMD, if applicable, to dispose of or exchange any land or lease interest in the land in order to achieve the optimal siting for the reservoir project or to dispose of land that is not necessary for the reservoir project. However, any such exchange or disposal may not be in violation of the Agreement.

Additionally, the SFWMD, in coordination with the USACE, is required to begin the planning study for the Everglades Agricultural Area Reservoir Project by October 1, 2019. According to the 2016 Draft IDS schedule, the project is scheduled to begin in 2021.²⁰⁶ The bill specifies that the SFWMD, when developing the planning study must focus on the goal of the reservoir project, which is to provide adequate storage and conveyance south of the lake to reduce the volume of regulatory discharges of water from the lake to the St. Lucie and Caloosahatchee estuaries.

If the Board or the SFWMD, if applicable, acquires land pursuant to the agreement, then in the 2018-2019 Fiscal Year \$1.2 billion in Florida Forever bond proceeds are required to be deposited into the LATF. If the reservoir project receives Congressional authorization, the SFWMD is required to seek applicable federal credits towards the state's share of funding the land acquisition and implementation of the reservoir project.

The Board or the SFWMD, if applicable, has until November 30, 2018, to acquire the land before Option C is triggered.

Option C: Legacy Florida

Under Option C, if the SFWMD or the Board fail to acquire land under Option A or Option B, then, effective January 1, 2019, the annual minimum distribution required under Legacy Florida for Everglades restoration projects is increased from "25 percent or \$200 million" to "30 percent or \$250 million." The bill applies this increase in funding to the distribution to the CERP, which includes the Everglades Agricultural Area Storage Reservoir as a project component.

Additionally, the SFWMD, in coordination with the USACE, is required to begin the planning study for the Everglades Agricultural Area Reservoir Project by October 1, 2019. According to the 2016 Draft IDS schedule, the project is presently planned to begin in 2021.²⁰⁷ The bill specifies that the SFWMD, when developing the planning study must focus on the goal of the reservoir project, which is to provide adequate storage and conveyance south of the lake to reduce the volume of regulatory discharges of water from the lake to the St. Lucie and Caloosahatchee estuaries.

²⁰⁶ USACE and SFWMD, *Integrated Delivery Schedule 2016 Update* (Dec. 2016).

²⁰⁷ *Id.*

Lake Okeechobee Regulation Schedule

The bill requires the SFWMD to request that the USACE pursue the reevaluation of the Lake Okeechobee Regulation Schedule as expeditiously as possible taking into consideration the repairs made to the Herbert Hoover Dike and any increase in outlet capacity south of the lake which has the potential to offset the harmful freshwater discharges to the St. Lucie and Caloosahatchee estuaries.

Section 6 creates s. 373.475, F.S., to implement the water resource protection and development bonds. The bill requires the Department of Environmental Protection (DEP) to distribute bond proceeds from the LATF for the purposes of financing water resource protection and development projects, including the reservoir project.

Section 7 creates s. 373.478, F.S., to create a water storage facility revolving loan fund to provide funding assistance to local governments and water supply entities for the development and construction of water storage facilities to increase the availability of sufficient water for all existing and future reasonable-beneficial uses and natural systems.

The bill requires the DEP to adopt rules to implement the water storage revolving loan fund, including setting forth a priority system for loans based on compliance with state requirements, establishing the requirements for the award and repayment of financial assistance; and requiring evidence of credit worthiness and adequate security to ensure that each loan recipient can meet its loan repayment requirements.

The Water Protection and Sustainability Program Trust Fund established under s. 403.891, F.S., will be used to carry out the revolving loan fund.

Section 8 amends s. 375.041, F.S., to conform changes relating to the payment of debt service for water resource protection and development bonds from the LATF. The bill requires that ongoing CERP projects, which are currently being funded, continue to receive funding under the statutorily required minimum distributions for Everglades restoration projects.

The bill adds the following annual distributions from the LATF:

- \$35 million to the St. Johns Water Management District for projects dedicated to the restoration of the St. Johns River and the Keystone Heights Lake region.
- \$2 million for the Florida Keys Area of Critical State Concern to be distributed in accordance with an established interlocal agreement.
- \$20 million to conduct muck dredging and large-scale stormwater improvement and offset property owner costs for retrofitting or converting onsite sewage treatment and disposal systems that the DEP determines to collectively contribute to excess nutrient pollution in counties contributing to the Indian River Lagoon, the St. Lucie Estuary, or the Caloosahatchee Estuary.

Section 10 creates s. 403.0878, F.S., to establish a water reuse grant program which requires the DEP to use funds specifically appropriated to award such grants to assist wastewater treatment facilities in expanding their capacity to make reclaimed water available for reuse. The department is authorized to provide grants for up to 100 percent of the costs of planning,

designing, constructing, upgrading, or replacing wastewater collection, transmission, and treatment designed to expand the facility's capacity to make reclaimed water available for reuse.

Section 11 provides legislative findings relating to water availability, specifically declaring that the Legislature finds that sufficient water availability is a paramount concern for existing and future reasonable-beneficial uses and natural systems in this state. The bill encourages water supply projects to employ all practical means of obtaining water, including, but not limited to, withdrawals of surface water and groundwater, reclaimed water, and desalination. The bill declares that it is the policy of the state that projects to increase water supply be planned on a regional basis.

Section 12 amends s. 215.44, F.S., to require the State Board of Administration in its annual report to the Legislature include a summary of the type and amount of potential water supply investments that will have the effect of increasing water supply in the state on a regional basis.

Section 13 amends s. 403.890, F.S. to revise for what purposes the revenues deposited into or appropriated to the Water Protection and Sustainability Program Trust Fund may be distributed to include revenues and appropriations related to the water storage facility revolving loan fund. The bill also removes the provisions relating to the implementation of best management practices and capital improvement projects for the implementation of the goals of the total maximum daily load program and the provisions relating to the Disadvantaged Small Community Wastewater Grant Program. The revisions to this trust fund do not have any immediate effect because this trust fund is not currently being used for such purposes.

Section 14 requires the SFWMD or the Board to notify the Division of Law Revision and Information no later than December 1, 2018, whether they have acquired land pursuant to s. 373.4598, F.S.

Section 15 requires the Division of Law Revision and Information to replace the phrase "the effective date of this act" with the date the act becomes a law.

Sections 16, 17, and 18 provide contingent appropriations for debt service payments on water resource protection and development bonds that are authorized to be issued for the purposes of s. 373.4598, F.S. Contingent upon bonds being issued for Option A: \$64 million in recurring funds from the LATF are appropriated for the 2017-2018 FY and \$36 million in recurring funds from the LATF are appropriated for the 2018-2019 FY. Contingent upon bonds being issued for Option B: \$100 million in recurring funds from the LATF are appropriated for the 2018-2019 FY.

Section 19 provides that the bill takes effect upon becoming a law.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. Constitutional Issues:

Article X, s. 28 of the State Constitution requires that 33 percent of net revenues derived from documentary stamp taxes be deposited into the LATF to be used for the acquisition and improvement of land, water areas, and related property interests, together with management, restoration of natural systems, and the enhancement of public access or recreational enjoyment of conservation lands. The bill requires certain distributions from the LATF. Such distributions must be consistent with the constitutional requirements.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

None.

B. Private Sector Impact:

The impact of PCS/SB 10 to the private sector is indeterminate. There will be an immediate positive impact to the landowners whose property is purchased. However, converting the agricultural land to a reservoir will have an indeterminate negative fiscal impact to the sugar mills and local farmers due to the reduction in available farmland.

C. Government Sector Impact:

If land is acquired under Option A or B there may be a negative indeterminate fiscal impact to local governments due to a loss of property tax revenue (shifting ownership (private) and use (agricultural) to the state or a political subdivision of the state (immune from taxation). The magnitude of this impact is indeterminate because the specific land to be acquired has not been determined.

Depending on the land that is acquired and if the SFWMD purchases the land, the impact to property tax revenues may be offset under s. 373.59, F.S., for any affected county, or local government within a county, with a population of 150,000 people or fewer.

Any amount recovered under s. 373.59, F.S., as payment in lieu of taxes will be paid by SFWMD, resulting in a negative indeterminate impact on the SFWMD. The SFWMD, like the other local governments levying ad valorem taxes on the land targeted for purchase, will experience an indeterminate loss of ad valorem tax revenues. Additionally, the SFWMD may have a negative fiscal impact associated with a reduction of the Everglades Agricultural Privilege Tax pursuant to s. 373.4592(6), F.S.

The impact to the state will depend on which option is exercised under the bill. Under Options A and B, \$100 million in recurring funds will be set aside through the 2037-2038 Fiscal Year (under Option A only \$64 million is appropriated for the 2017–2018 Fiscal Year) to pay debt service on bonds issued under the bill. Under Option C, the required annual minimum distribution to Everglades restoration projects from the LATF is increased by \$50 million.

The bill requires additional distributions from the LATF that may have an impact on other programs funded from the LATF.

Specifically, the bill provides \$35 million from the LATF for St. Johns Water Management District projects dedicated to the restoration of the St. Johns River and its tributaries or the Keystone Heights Region. It provides \$2 million from the LATF for the Florida Keys to be distributed in accordance with the existing interlocal agreements to deal with wastewater and conservation issues in the Keys. Another \$20 million is provided for retrofitting or converting onsite sewage treatment and disposal systems to address nutrient pollution in the counties contributing to the Indian River Lagoon, St. Lucie and Caloosahatchee estuaries and their watersheds.

The bill transfers the remaining \$3.3 billion in bond authority from the Florida Forever Program to a new bonding program for the purposes of water resource protection and development. This reduces Florida Forever bonding authority to \$2 billion.

The bill creates the storage facility revolving loan fund to provide loans to local governments for water storage projects to protect and conserve water resources. The bill expands the purposes of the Water Protection and Sustainability Trust Fund to include this program. The fiscal impact of this program is indeterminate.

The bill also creates the water reuse grant program for the expansion of reuse capacity for wastewater utilities. The bill stipulates that the program is subject to specific appropriations. The fiscal impact of this program is indeterminate.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 201.15, 215.44, 215.618, 375.041, and 403.890.

This bill creates the following sections of the Florida Statutes: 215.613, 373.4598, 373.475, 373.478, and 403.0878.

IX. Additional Information:**A. Committee Substitute – Statement of Changes:**

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

Recommended CS by Appropriations Subcommittee on The Environment and Natural Resources on March 8, 2017:

The committee substitute:

- Provides the following short title for the act, “Coast-to-Coast Comprehensive Water Resources Program.”
- Redistributes current bonding authority for Florida Forever bonds to create a new set of bonds called water resource protection and development bonds.
- Establishes the water storage facility revolving loan fund to provide financial assistance to local governments and water supply entities for water storage facilities.
- Provides an annual distribution from the Land Acquisition Trust Fund (LATF) of:
 - \$35 million to the St. Johns Water Management District for projects dedicated to the restoration of the St. Johns River and the Keystone Heights Lake region.
 - \$2 million for the Florida Keys Area of Critical State Concern to be distributed in accordance with their established interlocal agreement.
 - \$20 million to conduct muck dredging and large-scale stormwater improvement and offset property owner costs for retrofitting or converting onsite sewage treatment and disposal systems that the DEP determines to collectively contribute to excess nutrient pollution in counties contributing to the Indian River Lagoon, the St. Lucie Estuary, or the Caloosahatchee Estuary.
- Establishes a water reuse grant program for the expansion of reuse capacity for wastewater utilities.
- Requires the State Board of Administration to include in its annual report to the Legislature a summary of the type and amount of potential water supply investments that will have the effect of increasing water supply in the state on a regional basis.
- Revises the requirements for the distribution of revenues in the Water Protection and Sustainability Program Trust Fund.

B. Amendments:

None.

920390

LEGISLATIVE ACTION

Senate	.	House
Comm: RCS	.	
04/06/2017	.	
	.	
	.	
	.	

The Committee on Appropriations (Bradley and Latvala) recommended the following:

Senate Amendment (with title amendment)

Delete everything after the enacting clause and insert:

Section 1. Paragraph (a) of subsection (3) of section 201.15, Florida Statutes, is amended to read:

201.15 Distribution of taxes collected.—All taxes collected under this chapter are hereby pledged and shall be first made available to make payments when due on bonds issued pursuant to s. 215.618 or s. 215.619, or any other bonds authorized to be

920390

11 issued on a parity basis with such bonds. Such pledge and
12 availability for the payment of these bonds shall have priority
13 over any requirement for the payment of service charges or costs
14 of collection and enforcement under this section. All taxes
15 collected under this chapter, except taxes distributed to the
16 Land Acquisition Trust Fund pursuant to subsections (1) and (2),
17 are subject to the service charge imposed in s. 215.20(1).
18 Before distribution pursuant to this section, the Department of
19 Revenue shall deduct amounts necessary to pay the costs of the
20 collection and enforcement of the tax levied by this chapter.
21 The costs and service charge may not be levied against any
22 portion of taxes pledged to debt service on bonds to the extent
23 that the costs and service charge are required to pay any
24 amounts relating to the bonds. All of the costs of the
25 collection and enforcement of the tax levied by this chapter and
26 the service charge shall be available and transferred to the
27 extent necessary to pay debt service and any other amounts
28 payable with respect to bonds authorized before January 1, 2017,
29 secured by revenues distributed pursuant to this section. All
30 taxes remaining after deduction of costs shall be distributed as
31 follows:

32 (3) Amounts on deposit in the Land Acquisition Trust Fund
33 shall be used in the following order:

34 (a) Payment of debt service or funding of debt service
35 reserve funds, rebate obligations, or other amounts payable with
36 respect to Florida Forever bonds issued pursuant to s. 215.618.
37 The amount used for such purposes may not exceed \$300 million in
38 each fiscal year. It is the intent of the Legislature that all
39 bonds issued to fund the Florida Forever Act be retired by

920390

40 December 31, 2040. Except for bonds issued to refund previously
41 issued bonds, no series of bonds may be issued pursuant to this
42 paragraph unless such bonds are approved and the debt service
43 for the remainder of the fiscal year in which the bonds are
44 issued is specifically appropriated in the General
45 Appropriations Act or other law with respect to bonds issued for
46 the purposes of s. 373.4598.

47
48 Bonds issued pursuant to s. 215.618 or s. 215.619 are equally
49 and ratably secured by moneys distributable to the Land
50 Acquisition Trust Fund.

51 Section 2. Subsection (5) of section 215.618, Florida
52 Statutes, is amended to read:

53 215.618 Bonds for acquisition and improvement of land,
54 water areas, and related property interests and resources.—

55 (5) The proceeds from the sale of bonds issued pursuant to
56 this section, less the costs of issuance, the costs of funding
57 reserve accounts, and other costs with respect to the bonds,
58 shall be deposited into the Florida Forever Trust Fund. The bond
59 proceeds deposited into the Florida Forever Trust Fund shall be
60 distributed by the Department of Environmental Protection as
61 provided in s. 259.105. This subsection does not apply to
62 proceeds from the sale of bonds issued for the purposes of s.
63 373.4598.

64 Section 3. Section 373.4598, Florida Statutes, is created
65 to read:

66 373.4598 Water storage reservoirs.—

67 (1) LEGISLATIVE FINDINGS AND INTENT.—

68 (a) The Legislature declares that an emergency exists

920390

69 regarding the St. Lucie and Caloosahatchee estuaries due to the
70 high-volume freshwater discharges to the east and west of the
71 lake. Such discharges have manifested in widespread algae
72 blooms, public health impacts, and extensive environmental harm
73 to wildlife and the aquatic ecosystem. These conditions, as
74 outlined in the state of emergency declared by the Governor
75 under Executive Orders 16-59, 16-155, and 16-156, threaten the
76 ecological integrity of the estuaries and the economic viability
77 of the state and affected communities.

78 (b) The Legislature finds that increasing water storage is
79 necessary to reduce the high-volume freshwater discharges from
80 the lake to the estuaries and restore the hydrological
81 connection to the Everglades. CERP projects necessary to reduce
82 the discharges and improve the flows to the Everglades should
83 receive priority funding, such as the Lake Okeechobee Watershed
84 project to the north of the lake; the Everglades Agricultural
85 Area reservoir project to the south of the lake; the C-43 West
86 Basin Reservoir Storage project to the west of the lake; and the
87 Indian River Lagoon-South project to the east of the lake.

88 (c) The Legislature finds that the rate of funding for CERP
89 must be increased if restoration will be achieved within the
90 timeframe originally envisioned and that the delay in
91 substantial progress toward completing critical elements of
92 restoration, such as southern storage, will cause irreparable
93 harm to natural systems and, ultimately, increase the cost of
94 restoration. A substantial commitment to the advancement of
95 projects identified as part of CERP will reduce ongoing
96 ecological damage to the St. Lucie and Caloosahatchee estuaries.

97 (d) The Legislature recognizes that the EAA reservoir

920390

98 project was conditionally authorized in the Water Resources
99 Development Act of 2000 as a project component of CERP. Unless
100 other funding is available, the Legislature directs the
101 district, in the implementation of the reservoir project, to
102 abide by applicable state and federal law in order to do that
103 which is required to obtain federal credit under CERP. If the
104 district implements the EAA reservoir project as a project
105 component as defined in s. 373.1501, the district must abide by
106 all applicable state and federal law relating to such projects.

107 (e) This section is not intended to diminish the
108 commitments made by the state in chapter 2016-201, Laws of
109 Florida.

110 (2) DEFINITIONS.—As used in this section, the term:

111 (a) "A-1 parcel" means an area of district-owned land
112 located between the Miami Canal and North New River Canal
113 consisting of approximately 17,000 acres which is bordered to
114 the north by private agricultural lands, to the east by U.S.
115 Highway 27, to the south by Stormwater Treatment Area 3/4, and
116 to the west by the Holey Land Wildlife Management Area and the
117 A-2 parcel.

118 (b) "A-2 parcel" means an area of district-owned land
119 located between the Miami Canal and the North New River Canal
120 consisting of approximately 14,000 acres of land to the east of
121 the Miami Canal which is bordered to the north by private
122 agricultural lands, to the east by the A-1 parcel, and to the
123 south by the Holey Land Wildlife Management Area.

124 (c) "Board" means the Board of Trustees of the Internal
125 Improvement Trust Fund.

126 (d) "Central Everglades Planning Project" or "CEPP" means

920390

127 the suite of CERP projects authorized as the "Central
128 Everglades" project in the Water Infrastructure Improvements for
129 the Nation Act, Public Law No: 114-322.

130 (e) "Comprehensive Everglades Restoration Plan" or "CERP"
131 has the same meaning as the term "comprehensive plan" as defined
132 in s. 373.470.

133 (f) "Corps" means the United States Army Corps of
134 Engineers.

135 (g) "District" means the South Florida Water Management
136 District.

137 (h) "Everglades Agricultural Area" or "EAA" has the same
138 meaning as in s. 373.4592.

139 (i) "EAA reservoir project" means the Everglades
140 Agricultural Area storage reservoir, known as Component G of
141 CERP. The term includes any necessary water quality features
142 that are required to meet state and federal water quality
143 standards.

144 (j) "Lake" means Lake Okeechobee.

145 (k) "Option agreement" means the Second Amended and
146 Restated Agreement for Sale and Purchase between the seller,
147 United States Sugar Corporation, SBG Farms, Inc., and Southern
148 Garden Groves Corporation, and the buyer, the South Florida
149 Water Management District, dated August 12, 2010.

150 (3) EAA LEASE AGREEMENTS.—

151 (a) The district and the board are authorized to negotiate
152 the amendment or termination of leases on lands within the EAA
153 for exchange or use for the EAA reservoir project. Any such
154 lease must be terminated in accordance with the lease terms or
155 upon the voluntary agreement of the lessor and lessee. In the

920390

156 event of any such lease termination, the lessee must be
157 permitted to continue to farm on a field-by-field basis until
158 such time as the lessee's operations are incompatible with
159 implementation of the EAA reservoir project, as reasonably
160 determined by the lessor. The district and the board may include
161 the swapping of land, assignment of leases, and other methods of
162 providing valuable consideration in negotiating the amendments
163 to or termination of such lease agreements.

164 (b) Any lease agreement relating to land in the EAA leased
165 to the Prison Rehabilitative Industries and Diversified
166 Enterprises, Inc., (PRIDE Enterprises) for an agricultural work
167 program is required to be terminated in accordance with the
168 terms of the lease agreement. Any such land previously leased
169 may be made available by the board to the district for exchange
170 for lands suitable for the EAA reservoir project or may be
171 leased for agricultural purposes. The terms of any such lease
172 must include provisions authorizing the lessor to terminate the
173 lease at any time during the lease term as to any portion, or
174 all of the premises, to be used for an environmental restoration
175 purpose. The terms of the lease may not require more than 1
176 year's notice in order for such termination to be effective. Any
177 agricultural owner managing lands subject to an agreement with
178 PRIDE shall be given the right of first refusal in leasing any
179 such lands.

180 (c) If, after any termination of an EAA lease agreement,
181 ratoon, stubble, or residual crop remaining on the lease
182 premises is harvested or otherwise used by the lessor or any
183 third party, the lessee is entitled to be compensated for any
184 documented, unamortized planting costs, and any unamortized

920390

185 capital costs associated with the lease and incurred prior to
186 notice.

187 (4) LAND ACQUISITION.—The Legislature declares that
188 acquiring land to increase water storage south of the lake is in
189 the public interest and that the governing board of the district
190 may acquire land, if necessary, to implement the EAA reservoir
191 project with the goal of providing at least 240,000 acre-feet of
192 water storage south of the lake. However, the district may not
193 exercise eminent domain in the EAA for the purpose of
194 implementing the EAA reservoir project.

195 (a) Upon the effective date of this act, the district shall
196 identify the lessees of the approximately 3,200 acres of land
197 owned by the state or the district west of the A-2 parcel and
198 east of the Miami Canal and the private property owners of the
199 approximately 500 acres of land surrounded by such lands.

200 (b) By July 31, 2017, the district shall contact the
201 lessors and landowners of the land identified pursuant paragraph
202 (a) to express the district's interest in acquiring land through
203 the purchase or exchange of lands or by the amendment or
204 termination of lease agreements. If land swaps or purchases are
205 necessary to assemble the required acreage, the participation of
206 private landowners must be voluntary. The district shall contact
207 the board to request that any lease of land identified pursuant
208 to paragraph (a), the title to which is vested in the board, be
209 amended or terminated. All appraisal reports, offers, and
210 counteroffers in relation to this subsection are confidential
211 and exempt from s. 119.07(1), as provided in s. 373.139.

212 (c) The board shall provide to the district, through direct
213 acquisition in fee or by a supplemental agreement, any land, the

920390

214 title to which is vested in the board, that the district
215 identifies as necessary to construct the EAA reservoir project.

216 (d) The total acreage necessary for additional water
217 treatment may not exceed the amount reasonably required to meet
218 state and federal water quality standards as determined using
219 the water quality modeling tools of the district. The district
220 shall use the latest version of the Dynamic Model for Stormwater
221 Treatment Areas Model modeling tool and other modeling tools
222 that will be required in the planning and design of the EAA
223 reservoir project. If additional land not identified in
224 paragraph (a) is necessary for the EAA reservoir project, the
225 district shall acquire that land from willing sellers of
226 property in conjunction with the development of the
227 post-authorization change report.

228 (5) POST-AUTHORIZATION CHANGE REPORT.—

229 (a) The district is directed to request, by July 1, 2017,
230 that the corps jointly develop a post-authorization change
231 report with the district for CEPP to revise the project
232 component located on the A-2 parcel with the goal of increasing
233 water storage provided by the project component to a minimum of
234 240,000 acre-feet. Upon agreement with the corps, development of
235 the report must begin by August 1, 2017, and does not preclude
236 the implementation of the remaining CEPP project components.

237 (b) Using the A-2 parcel and the additional land identified
238 pursuant to paragraph (4) (a) and without modifying the A-1
239 parcel, the report must evaluate:

- 240 1. The optimal configuration of the EAA reservoir project
241 for providing at least 240,000 acre-feet of water storage; and
242 2. Any necessary increases in canal conveyance capacity to

920390

243 reduce the discharges to the St. Lucie or Caloosahatchee
244 estuaries.

245 (c) If the district and the corps determine that an
246 alternate configuration of water storage and water quality
247 features providing for significantly more water storage, but no
248 less than 360,000 acre-feet of water storage, south of the lake
249 can be implemented on a footprint that includes modification to
250 the A-1 parcel, the district is authorized to recommend such an
251 alternative configuration in its report. Any such recommendation
252 must include sufficient water quality treatment capacity to meet
253 state and federal water quality standards.

254 (d) Pending congressional approval of the report, the
255 district shall begin the preliminary planning or construction
256 of, or modification to, the project site to the extent
257 appropriate, subject to the availability of funding. Upon
258 receipt of congressional approval of the report, construction of
259 the EAA reservoir project shall be completed parallel with
260 construction of the other CEPP project components, subject to
261 the availability of funding.

262 (e) The district must report the status of the post-
263 authorization change report to the Legislature by January 9,
264 2018. The report must include information on the district's
265 ability to obtain lease modifications and land acquisitions as
266 provided in subsection (4). If the district in good faith
267 believes that the post-authorization change report will receive
268 ultimate approval but that an extension of the deadline provided
269 in paragraph (7)(a) is needed, the district must include such a
270 request in its report and may be granted an extension by the
271 Legislature. Any such extension must include a corresponding

920390

272 date by which the district, in coordination with the corps, must
273 begin the planning study for the EAA reservoir project and
274 proceed with the A-2 parcel project component of CEPP in
275 accordance with paragraph (7) (a).

276 (6) OPTION AGREEMENT.—The district must terminate the
277 option agreement at the request of the seller if:

278 (a) The post-authorization change report receives
279 congressional approval; or

280 (b) The district certifies to the board, the President of
281 the Senate, and the Speaker of the House of Representatives that
282 the acquisition of the land necessary for the EAA reservoir
283 project, as provided in subsection (4), has been completed.

284 (7) PLANNING STUDY.—

285 (a) If, for any reason, the post-authorization change
286 report does not receive congressional approval by October 1,
287 2018, and the district has not been granted an extension by the
288 Legislature, the district must, in coordination with the corps,
289 begin the planning study for the EAA reservoir project by
290 October 31, 2018, and proceed with the A-2 parcel project
291 component of CEPP in accordance with the final project
292 implementation report dated July 2014.

293 (b) The district, when developing the planning study, must
294 focus on the goal of the EAA reservoir project, which is to
295 provide additional water storage and conveyance south of the
296 lake to reduce the volume of regulatory discharges of water from
297 the lake to the east and west.

298 (c) Upon completion of the planning study and the
299 finalization of the project implementation report, as defined in
300 s. 373.470, the district, in coordination with the corps, shall

920390

301 seek congressional authorization for the EAA reservoir project.

302 (8) AGRICULTURAL WORKERS.—The district shall give
303 preferential consideration to the hiring of former agricultural
304 workers primarily employed during 36 of the past 60 months in
305 the Everglades Agricultural Area, consistent with their
306 qualifications and abilities, for the construction and operation
307 of the EAA reservoir project. Any contract or subcontract for
308 the construction and operation of the EAA reservoir project in
309 which 50 percent or more of the cost is paid from state-
310 appropriated funds must provide preference and priority in the
311 hiring of such agricultural workers. The district shall give
312 preferential consideration to contract proposals that include in
313 the contractor's hiring practices training programs for such
314 workers.

315 (9) C-51 RESERVOIR PROJECT.—

316 (a) The C-51 reservoir project is a water storage facility
317 as defined in s. 373.475. The C-51 reservoir project is located
318 in western Palm Beach County south of the lake and consists of
319 in-ground reservoirs and conveyance structures that will provide
320 water supply and water management benefits to participating
321 water supply utilities and will also provide environmental
322 benefits by reducing freshwater discharges to tide and making
323 water available for natural systems.

324 (b) Phase I of the project will provide approximately
325 14,000 acre-feet of storage and will hydraulically connect to
326 the district's L-8 Flow Equalization Basin. Phase II of the
327 project will provide approximately 46,000 acre-feet of water
328 storage, for a total increase of 60,000 acre-feet of water
329 storage.

920390

330 (c) For Phase II of the C-51 reservoir project the district
331 may negotiate with the owners of the C-51 reservoir project site
332 for the acquisition of the project or to enter into a
333 public-private partnership. The district may acquire land near
334 the C-51 reservoir through the purchase or exchange of land that
335 is owned by the district or the state as necessary to implement
336 Phase II of the project. The state and the district may consider
337 potential swaps of land that is owned by the state or the
338 district to achieve an optimal combination of water quality and
339 water storage. The district may not exercise eminent domain for
340 the purpose of implementing the C-51 reservoir project.

341 (d) If state funds are appropriated for Phase I or Phase II
342 of the C-51 reservoir project:

343 1. The district shall operate the reservoir to maximize the
344 reduction of high-volume Lake Okeechobee regulatory releases to
345 the St. Lucie or Caloosahatchee estuaries in addition to
346 providing relief to the Lake Worth Lagoon;

347 2. Water made available by the reservoir shall be used for
348 natural systems in addition to any allocated amounts for water
349 supply; and

350 3. Any water received from Lake Okeechobee may not be
351 available to support consumptive use permits.

352 (e) Phase I of the C-51 reservoir project may be funded
353 through the water storage facility revolving loan fund as
354 provided in s. 373.475. Phase II of the C-51 reservoir project
355 may be funded pursuant to this section, pursuant to s. 373.475,
356 as a project component of CERP, or pursuant to s.
357 375.041(3)(b)4.

358 (10) FUNDING.—

920390

359 (a) The Legislature determines that the authorization and
360 issuance of Florida Forever bonds for the purposes of this
361 section is in the best interest of the state and determines that
362 water storage reservoir projects should be implemented.

363 (b) Any cost related to this section, including, but not
364 limited to, the costs for land acquisition, planning,
365 construction, and operation and maintenance, may be funded using
366 proceeds from Florida Forever bonds issued under s. 215.618, in
367 an amount of up to 1.2 billion, as authorized under that
368 section. The bond proceeds from bonds issued for the purposes of
369 this section shall be deposited into the Everglades Trust Fund.

370 (c) Notwithstanding s. 373.026(8) (b) or any other provision
371 of law, the use of state funds is authorized for the EAA
372 reservoir project.

373 (d) The district shall actively seek additional sources of
374 funding, including federal funding, for the reservoir project.

375 (11) LAKE OKEECHOBEE REGULATION SCHEDULE.—The district
376 shall request that the corps pursue the reevaluation of the Lake
377 Okeechobee Regulation Schedule as expeditiously as possible,
378 taking into consideration the repairs made to the Herbert Hoover
379 Dike and implementation of projects designed to reduce
380 high-volume freshwater discharges from the lake, in order to
381 optimally utilize the added water storage capacity to reduce the
382 high-volume freshwater discharges to the St. Lucie and
383 Caloosahatchee estuaries.

384 Section 4. Section 373.475, Florida Statutes, is created to
385 read:

386 373.475 Water storage facility revolving loan fund.—

387 (1) (a) In recognition that waters of the state are among

920390

388 the state's most basic resources, the Legislature declares that
389 such waters should be managed to conserve and protect water
390 resources and to realize the full beneficial use of such
391 resources.

392 (b) As natural storage within the system has been lost due
393 to development, the Legislature finds that additional natural or
394 man-made water storage is required to capture and prevent water
395 from being discharged to tide or otherwise lost.

396 (c) The Legislature finds that establishing infrastructure
397 financing and providing technical assistance to local
398 governments or water supply entities for water storage
399 facilities is necessary to conserve and protect the waters of
400 the state.

401 (2) For purposes of this section, the term:

402 (a) "Local governmental agency" means any municipality,
403 county, district, or authority, or any agency thereof, or a
404 combination of such acting jointly in connection with a project,
405 which has jurisdiction over a water storage facility.

406 (b) "Water storage facility" or "facility" means all
407 facilities, including land, necessary for an above-ground or in-
408 ground reservoir. Such facilities may be publicly owned,
409 privately owned, investor-owned, or cooperatively held.

410 (3) The state, through the department, shall provide
411 funding assistance to local governments or water supply entities
412 for the development and construction of water storage facilities
413 to increase the availability of sufficient water for all
414 existing and future reasonable-beneficial uses and natural
415 systems.

416 (a) The department may make loans, provide loan guarantees,

920390

417 purchase loan insurance, and refinance local debt through the
418 issue of new loans for water storage facilities approved by the
419 department. Local governments or water supply entities may
420 borrow funds made available pursuant to this section and may
421 pledge any revenues or other adequate security available to them
422 to repay any funds borrowed.

423 (b) The department may award loan amounts for up to 75
424 percent of the costs of planning, designing, constructing,
425 upgrading, or replacing water resource infrastructure or
426 facilities, whether natural or man-made, including the
427 acquisition of real property for water storage facilities.

428 (4) Subject to appropriation, the department shall adopt
429 rules to carry out the purposes of this section. Such rules
430 must:

431 (a) Establish a priority system for loans based on
432 compliance with state requirements. The priority system must
433 give special consideration to:

434 1. Projects that provide for the development of alternative
435 water supply projects and management techniques in areas where
436 existing source waters are limited or threatened by saltwater
437 intrusion, excessive drawdowns, contamination, or other
438 problems;

439 2. Projects that contribute to the sustainability of
440 regional water sources;

441 3. Projects that produce additional water available for
442 consumptive uses or natural systems;

443 4. Projects that diversify water supply so that the needs
444 of consumptive uses and the natural system are met during wet
445 and dry conditions; or

920390

446 5. Projects that provide flexibility in addressing the
447 unpredictability of water conditions from water year to water
448 year.

449 (b) Establish the requirements for the award and repayment
450 of financial assistance.

451 (c) Require evidence of credit worthiness and adequate
452 security, including an identification of revenues to be pledged
453 and documentation of their sufficiency for loan repayment and
454 pledged revenue coverage to ensure that each loan recipient can
455 meet its loan repayment requirements.

456 (d) Require each project receiving financial assistance to
457 be cost-effective, environmentally sound, and implementable.

458 (e) Require each project to be self-supporting if the
459 project is primarily for the purpose of water supply for
460 consumptive use.

461 (5) Before approval of a loan, the local government or
462 water supply entity must, at a minimum, submit all of the
463 following to the department:

464 (a) A repayment schedule.

465 (b) Evidence of the permissibility or implementability of
466 the facility proposed for financial assistance.

467 (c) Plans and specifications, biddable contract documents,
468 or other documentation of appropriate procurement of goods and
469 services.

470 (d) Provide assurance that records will be kept using
471 generally accepted accounting principles and that the department
472 or its agents and the Auditor General will have access to all
473 records pertaining to the loan.

474 (e) If the facility is required to be self-supporting

920390

475 according to paragraph (4)(e), document that it will be self-
476 supporting.

477 (f) Document that the water management district within
478 whose boundaries the facility will be located has approved the
479 facility. If the facility crosses jurisdictional boundaries,
480 approval from each applicable district must be documented and
481 provided to the department.

482 (6) Recipients of financial assistance under this section
483 may receive disbursements based on invoiced costs and are not
484 required to request advance payment pursuant to s. 216.181(16).
485 Proof of payment of invoiced costs must be submitted before or
486 concurrent with the recipient's next disbursement request.

487 (7) The department and water management districts are
488 authorized to provide technical assistance to local governments
489 or water supply entities for water storage facilities funded
490 pursuant to this section.

491 (8) The minimum amount of a loan is \$75,000. The term of
492 loans made pursuant to this section may not exceed 30 years.

493 (9) As part of the report required under s. 403.8532, the
494 department shall prepare a report at the end of each fiscal year
495 which details the financial assistance provided under this
496 section, service fees collected, interest earned, and loans
497 outstanding.

498 (10) The department may conduct an audit of the loan
499 project upon completion, or may require that a separate project
500 audit, prepared by an independent certified public accountant,
501 be submitted.

502 (11) The department may require reasonable service fees on
503 loans made to local governments or water supply entities to

920390

504 ensure that the program will be operated in perpetuity and to
505 implement the purposes authorized under this section. Service
506 fees may not be less than 2 percent or greater than 4 percent of
507 the loan amount exclusive of the service fee. Service fee
508 revenues shall be deposited into the department's Grants and
509 Donations Trust Fund. The fee revenues, and interest earnings
510 thereon, shall be used exclusively for the purposes of this
511 section.

512 (12) The Water Protection and Sustainability Program Trust
513 Fund established under s. 403.891 shall be used for the purposes
514 of this section. Any funds that are not needed for immediate
515 financial assistance shall be invested pursuant to s. 215.49.
516 State funds and investment earnings shall be deposited into the
517 fund. The principal and interest of all loans repaid, and
518 investment earnings thereon, shall be deposited into the fund.

519 (13) (a) If a local governmental agency defaults under the
520 terms of its loan agreement, the department shall so certify to
521 the Chief Financial Officer, who shall forward the amount
522 delinquent to the department from any unobligated funds due to
523 the local governmental agency under any revenue-sharing or tax-
524 sharing fund established by the state, except as otherwise
525 provided by the State Constitution. Certification of delinquency
526 does not preclude the department from pursuing other remedies
527 available for default on a loan, including accelerating loan
528 repayments, eliminating all or part of the interest rate subsidy
529 on the loan, and court appointment of a receiver to manage the
530 public water system.

531 (b) If a water storage facility owned by a person other
532 than a local governmental agency defaults under the terms of its

920390

533 loan agreement, the department may take all actions available
534 under law to remedy the default.

535 (c) The department may impose a penalty for delinquent loan
536 payments in the amount of 6 percent of the amount due, in
537 addition to charging the cost to handle and process the debt.
538 Penalty interest accrues on any amount due and payable beginning
539 on the 30th day following the date that the payment was due.

540 (14) The department may terminate or rescind a financial
541 assistance agreement if the recipient fails to comply with the
542 terms and conditions of the agreement.

543 Section 5. Subsection (3) of section 375.041, Florida
544 Statutes, is amended to read:

545 375.041 Land Acquisition Trust Fund.—

546 (3) Funds distributed into the Land Acquisition Trust Fund
547 pursuant to s. 201.15 shall be applied:

548 (a) First, to pay debt service or to fund debt service
549 reserve funds, rebate obligations, or other amounts payable with
550 respect to Florida Forever bonds issued under s. 215.618; and
551 pay debt service, provide reserves, and pay rebate obligations
552 and other amounts due with respect to Everglades restoration
553 bonds issued under s. 215.619; and

554 (b) Of the funds remaining after the payments required
555 under paragraph (a), but before funds may be appropriated,
556 pledged, or dedicated for other uses:

557 1. A minimum of the lesser of 25 percent or \$200 million
558 shall be appropriated annually for Everglades projects that
559 implement the Comprehensive Everglades Restoration Plan as set
560 forth in s. 373.470, including the Central Everglades Planning
561 Project subject to Congressional authorization; the Long-Term

920390

562 Plan as defined in s. 373.4592(2); and the Northern Everglades
563 and Estuaries Protection Program as set forth in s. 373.4595.
564 From these funds, \$32 million shall be distributed each fiscal
565 year through the 2023-2024 fiscal year to the South Florida
566 Water Management District for the Long-Term Plan as defined in
567 s. 373.4592(2). After deducting the \$32 million distributed
568 under this subparagraph, from the funds remaining, a minimum of
569 the lesser of 76.5 percent or \$100 million shall be appropriated
570 each fiscal year through the 2025-2026 fiscal year for the
571 planning, design, engineering, and construction of the
572 Comprehensive Everglades Restoration Plan as set forth in s.
573 373.470, including the Central Everglades Planning Project, the
574 Everglades Agricultural Area Storage Reservoir Project, the Lake
575 Okeechobee Watershed Project, the C-43 West Basin Storage
576 Reservoir Project, the Indian River Lagoon-South Project, the
577 Western Everglades Restoration Project, the C-111 South-Dade
578 Project, and the Picayune Strand Restoration Project ~~subject to~~
579 ~~Congressional authorization~~. The Department of Environmental
580 Protection and the South Florida Water Management District shall
581 give preference to those Everglades restoration projects that
582 reduce harmful discharges of water from Lake Okeechobee to the
583 St. Lucie or Caloosahatchee estuaries in a timely manner. For
584 the purpose of performing the calculation provided in this
585 subparagraph, the amount of debt service paid pursuant to
586 paragraph (a) for bonds issued after July 1, 2016, for the
587 purposes set forth under paragraph (b) shall be added to the
588 amount remaining after the payments required under paragraph
589 (a). The amount of the distribution calculated shall then be
590 reduced by an amount equal to the debt service paid pursuant to

920390

591 paragraph (a) on bonds issued after July 1, 2016, for the
592 purposes set forth under this subparagraph.

593 2. A minimum of the lesser of 7.6 percent or \$50 million
594 shall be appropriated annually for spring restoration,
595 protection, and management projects. For the purpose of
596 performing the calculation provided in this subparagraph, the
597 amount of debt service paid pursuant to paragraph (a) for bonds
598 issued after July 1, 2016, for the purposes set forth under
599 paragraph (b) shall be added to the amount remaining after the
600 payments required under paragraph (a). The amount of the
601 distribution calculated shall then be reduced by an amount equal
602 to the debt service paid pursuant to paragraph (a) on bonds
603 issued after July 1, 2016, for the purposes set forth under this
604 subparagraph.

605 3. The sum of \$5 million shall be appropriated annually
606 each fiscal year through the 2025-2026 fiscal year to the St.
607 Johns River Water Management District for projects dedicated to
608 the restoration of Lake Apopka. This distribution shall be
609 reduced by an amount equal to the debt service paid pursuant to
610 paragraph (a) on bonds issued after July 1, 2016, for the
611 purposes set forth in this subparagraph.

612 4. The sum of \$100 million is appropriated and shall be
613 transferred to the Everglades Trust Fund for the 2018-2019
614 fiscal year, and each fiscal year thereafter, for reservoir
615 projects that implement s. 373.4598. Any funds remaining in any
616 fiscal year shall be made available only for projects identified
617 in subparagraph 1. and must be used in accordance with laws
618 relating to such projects. Any funds made available for such
619 purposes in a fiscal year is in addition to the amount

920390

620 appropriated under that subparagraph. This distribution shall be
621 reduced by an amount equal to the debt service paid pursuant to
622 paragraph (a) on bonds issued after July 1, 2017, for the
623 purposes set forth in this subparagraph.

624 Section 6. Section 403.890, Florida Statutes, is amended to
625 read:

626 403.890 Water Protection and Sustainability Program.—

627 (1) Revenues deposited into or appropriated to the Water
628 Protection and Sustainability Program Trust Fund shall be
629 distributed by the Department of Environmental Protection for
630 the following purposes in the following manner:

631 (a) ~~(1) Sixty-five percent to the Department of~~
632 ~~Environmental Protection for The implementation of an~~
633 ~~alternative water supply program as provided in s. 373.707.~~

634 (b) The water storage facility revolving loan fund as
635 provided in s. 373.475.

636 (2) Revenues deposited into or appropriated to the Water
637 Protection and Sustainability Program Trust Fund for purposes of
638 the water storage facility revolving loan fund may only be used
639 for such purposes.

640 ~~(2) Twenty-two and five-tenths percent for the~~
641 ~~implementation of best management practices and capital project~~
642 ~~expenditures necessary for the implementation of the goals of~~
643 ~~the total maximum daily load program established in s. 403.067.~~
644 ~~Of these funds, 83.33 percent shall be transferred to the credit~~
645 ~~of the Department of Environmental Protection Water Quality~~
646 ~~Assurance Trust Fund to address water quality impacts associated~~
647 ~~with nonagricultural nonpoint sources. Sixteen and sixty-seven~~
648 ~~hundredths percent of these funds shall be transferred to the~~

920390

649 ~~Department of Agriculture and Consumer Services General~~
650 ~~Inspection Trust Fund to address water quality impacts~~
651 ~~associated with agricultural nonpoint sources. These funds shall~~
652 ~~be used for research, development, demonstration, and~~
653 ~~implementation of the total maximum daily load program under s.~~
654 ~~403.067, suitable best management practices or other measures~~
655 ~~used to achieve water quality standards in surface waters and~~
656 ~~water segments identified pursuant to s. 303(d) of the Clean~~
657 ~~Water Act, Pub. L. No. 92-500, 33 U.S.C. ss. 1251 et seq.~~
658 ~~Implementation of best management practices and other measures~~
659 ~~may include cost-share grants, technical assistance,~~
660 ~~implementation tracking, and conservation leases or other~~
661 ~~agreements for water quality improvement. The Department of~~
662 ~~Environmental Protection and the Department of Agriculture and~~
663 ~~Consumer Services may adopt rules governing the distribution of~~
664 ~~funds for implementation of capital projects, best management~~
665 ~~practices, and other measures. These funds shall not be used to~~
666 ~~abrogate the financial responsibility of those point and~~
667 ~~nonpoint sources that have contributed to the degradation of~~
668 ~~water or land areas. Increased priority shall be given by the~~
669 ~~department and the water management district governing boards to~~
670 ~~those projects that have secured a cost-sharing agreement~~
671 ~~allocating responsibility for the cleanup of point and nonpoint~~
672 ~~sources.~~

673 ~~(3) Twelve and five tenths percent to the Department of~~
674 ~~Environmental Protection for the Disadvantaged Small Community~~
675 ~~Wastewater Grant Program as provided in s. 403.1838.~~

676 ~~(3)(4) On June 30, 2009, and every 24 months thereafter,~~
677 ~~the Department of Environmental Protection shall request the~~

920390

678 return of all unencumbered funds distributed for the purposes of
679 the alternative water supply program pursuant to this section.

680 These funds shall be deposited into the Water Protection and
681 Sustainability Program Trust Fund and redistributed for such
682 purposes pursuant to the provisions of this section.

683 Section 7. Section 446.71, Florida Statutes, is created to
684 read:

685 446.71 Everglades Restoration Agricultural Community
686 Employment Training Program.—

687 (1) The Department of Economic Opportunity, in cooperation
688 with CareerSource Florida, Inc., shall establish the Everglades
689 Restoration Agricultural Community Employment Training Program
690 within the Department of Economic Opportunity. The Department of
691 Economic Opportunity shall use funds appropriated to the program
692 by the Legislature to provide grants to stimulate and support
693 training and employment programs that seek to match persons who
694 complete such training programs to nonagricultural employment
695 opportunities in areas of high agricultural unemployment, and to
696 provide other training, educational, and information services
697 necessary to stimulate the creation of jobs in the areas of high
698 agricultural unemployment.

699 (2) The Legislature supports projects that improve the
700 economy in the Everglades Agricultural Area. In recognition of
701 the employment opportunities and economic development generated
702 by new and expanding industries in the area, such as the
703 Airglades Airport in Hendry County and the development of an
704 inland port in Palm Beach County, the Legislature finds that
705 training the citizens of the state to fill the needs of these
706 industries significantly enhances the economic viability of the

920390

707 region.

708 (3) Funds may be used for grants for tuition for public or
709 private technical or vocational programs and matching grants to
710 employers to conduct employer-based training programs, or for
711 the purchase of equipment to be used for training purposes, the
712 hiring of instructors, or any other purpose directly associated
713 with the program.

714 (4) The Department of Economic Opportunity may not award a
715 grant to any given training program which exceeds 50 percent of
716 the total cost of the program. Matching contributions may
717 include in-kind services, including, but not limited to, the
718 provision of training instructors, equipment, and training
719 facilities.

720 (5) The Department of Economic Opportunity may grant up to
721 100 percent of the tuition for a training program participant
722 primarily employed during 36 of the previous 60 months in the
723 Everglades Agricultural Area.

724 (6) Programs established in the Everglades Agricultural
725 Area must include opportunities to obtain the qualifications and
726 skills necessary for jobs related to federal and state
727 restoration projects, Airglades Airport in Hendry County, or an
728 inland port in Palm Beach County.

729 (7) The Department of Economic Opportunity shall adopt
730 rules to implement this section.

731 Section 8. Subsection (3) is added to section 946.511,
732 Florida Statutes, to read:

733 946.511 Inmate labor to operate correctional work
734 programs.—

735 (3) Beginning July 1, 2017, the use of inmates for

920390

736 correctional work programs in the agricultural industry in the
737 EAA or in any area experiencing high unemployment rates in the
738 agricultural sector is prohibited. Any lease agreement relating
739 to land in the EAA leased to the Prison Rehabilitative
740 Industries and Diversified Enterprises, Inc., (PRIDE
741 Enterprises) for an agricultural work program is required to be
742 terminated in accordance with the terms of the lease agreement.

743 Section 9. The Division of Law Revision and Information is
744 directed to replace the phrase "the effective date of this act"
745 wherever it occurs in this act with the date the act becomes a
746 law.

747 Section 10. For the 2017-2018 fiscal year, the sum of \$30
748 million in nonrecurring funds from the Land Acquisition Trust
749 Fund is appropriated to the Everglades Trust Fund for the
750 purposes of acquiring land or negotiating leases pursuant to s.
751 373.4598(4), Florida Statutes, or for any cost related to the
752 planning or construction of the EAA reservoir project as defined
753 in s. 373.4598, Florida Statutes.

754 Section 11. For the 2017-2018 fiscal year, the sum of \$3
755 million in nonrecurring funds from the Land Acquisition Trust
756 Fund is appropriated to the Everglades Trust Fund for the
757 purposes of developing the post-authorization change report
758 pursuant to s. 373.4598, Florida Statutes, and the sum of \$1
759 million in nonrecurring funds from the Land Acquisition Trust
760 Fund is appropriated to the Everglades Trust Fund for the
761 purposes of negotiating Phase II of the C-51 reservoir project
762 pursuant to s. 373.4598, Florida Statutes.

763 Section 12. For the 2017-2018 fiscal year, the sum of \$30
764 million in nonrecurring funds from the Land Acquisition Trust

920390

765 Fund is appropriated to the Water Resource Protection and
766 Sustainability Program Trust Fund for the purpose of
767 implementing Phase I of the C-51 reservoir project as a water
768 storage facility in accordance with ss. 373.4598 and 373.475,
769 Florida Statutes.

770 Section 13. This act shall take effect upon becoming a law.

771
772 ===== T I T L E A M E N D M E N T =====

773 And the title is amended as follows:

774 Delete everything before the enacting clause
775 and insert:

776 A bill to be entitled
777 An act relating to water resources; amending s.
778 201.15, F.S.; revising the requirements under which
779 certain bonds may be issued; amending s. 215.618,
780 F.S.; providing an exception to the requirement that
781 bonds issued for acquisition and improvement of land,
782 water areas, and related property interests and
783 resources be deposited into the Florida Forever Trust
784 Fund and distributed in a specified manner; creating
785 s. 373.4598, F.S.; providing legislative findings and
786 intent; defining terms; authorizing the South Florida
787 Water Management District and the Board of Trustees of
788 the Internal Improvement Trust Fund to negotiate the
789 amendment and termination of leases on lands within
790 the Everglades Agricultural Area for exchange or use
791 for the reservoir project; requiring certain lease
792 agreements for agricultural work programs to be
793 terminated in accordance with the lease terms;

920390

794 requiring the district to identify certain lands;
795 requiring that the district contact the lessors or
796 landowners of any land identified by a certain date;
797 requiring the board to provide certain land to the
798 district; authorizing the district to acquire land
799 from willing sellers under certain circumstances;
800 prohibiting the total acreage necessary for additional
801 water treatment from exceeding the amount reasonably
802 required to meet state and federal water quality
803 standards; requiring the district to request that the
804 United States Army Corps of Engineers jointly develop
805 a post-authorization change report for the Central
806 Everglades Planning Project; providing requirements
807 for the report; requiring the district to report the
808 status of the report to the Legislature by a certain
809 date; requiring the district to terminate an option
810 agreement under certain circumstances; requiring the
811 district, in coordination with the corps, to begin the
812 planning study for the Everglades Agricultural Area
813 reservoir project by a certain date under specified
814 conditions; requiring the district to give hiring
815 preferences to certain displaced agricultural workers;
816 authorizing the district to negotiate with the owners
817 of the C-51 reservoir project; providing requirements
818 for the C-51 reservoir project if state funds are
819 appropriated for the project; authorizing certain
820 costs to be funded using Florida Forever bond proceeds
821 under certain circumstances; specifying how such bond
822 proceeds shall be deposited; authorizing the use of

920390

823 state funds for the reservoir project; requiring the
824 district to seek additional sources of funding;
825 requiring the district to request the corps, in the
826 corps' review of the regulation schedule, to consider
827 any repairs to the Herbert Hoover Dike and
828 implementation of certain projects to optimally
829 utilize the added storage capacity; creating s.
830 373.475, F.S.; providing legislative findings and
831 intent; defining terms; requiring the state, through
832 the Department of Environmental Protection, to provide
833 certain funding assistance to local governments and
834 water supply entities for the development and
835 construction of water storage facilities; requiring
836 the department to adopt rules; specifying required
837 documentation for local government or water supply
838 entities; specifying that recipients need not request
839 certain advance payment; authorizing technical
840 assistance from the department and water management
841 districts to local governments or water supply
842 entities for a certain purpose; specifying certain
843 loan funding minimums and term requirements; requiring
844 a report; authorizing certain audits and servicing
845 fees; providing that the Water Protection and
846 Sustainability Program Trust Fund must be used to
847 carry out the purposes of the water storage facility
848 revolving loan fund; specifying certain default and
849 compliance provisions; amending s. 375.041, F.S.;
850 requiring certain distributions to be made from the
851 Land Acquisition Trust Fund; amending s. 403.890,

920390

852 F.S.; revising the purposes for which distributions
853 may be made from and to the Water Protection and
854 Sustainability Program Trust Fund; creating s. 446.71,
855 F.S.; requiring the Department of Economic
856 Opportunity, in cooperation with CareerSource Florida,
857 Inc., to establish the Everglades Restoration
858 Agricultural Community Employment Training Program
859 within the department; providing requirements for the
860 program; providing a legislative finding; specifying
861 award restrictions; requiring the department to adopt
862 rules; amending s. 946.511, F.S.; prohibiting the use
863 of inmates for correctional work programs in the
864 agricultural industry in certain areas; providing a
865 directive to the Division of Law Revision and
866 Information; providing appropriations; providing an
867 effective date.

888772

LEGISLATIVE ACTION

Senate	.	House
Comm: WD	.	
04/06/2017	.	
	.	
	.	
	.	

The Committee on Appropriations (Simmons) recommended the following:

1 **Senate Amendment to Amendment (920390) (with title**
2 **amendment)**

3
4 Delete lines 5 - 769
5 and insert:

6 Section 1. Emergency rehabilitation of the Central and
7 Southern Florida Project for Flood Control and Other Purposes.-

8 (1) As used in this section, the term:

9 (a) "A-1 and A-2 lands" means the approximately 31,000
10 acres in Compartment A acquired pursuant to the March 1999

888772

11 Talisman Exchange and Purchase and Sale Agreement.

12 (b) "CERP" has the same meaning as the term "comprehensive
13 plan" as defined in s. 373.470, Florida Statutes.

14 (c) "Corps of Engineers" or "Corps" means the United States
15 Army Corps of Engineers.

16 (d) "C&SF" means the Central and Southern Florida Project
17 for Flood Control and Other Purposes.

18 (e) "C&SF agreement" means the agreement entered into
19 between the state and the Federal Government to operate the
20 C&SF.

21 (f) "Department" means the Department of Environmental
22 Protection.

23 (g) "Dike" means the Herbert Hoover Dike.

24 (h) "District" means the South Florida Water Management
25 District.

26 (i) "DSADS" means the Dam Safety Action Decision Summary
27 for the Herbert Hoover Dike compiled by the Corps of Engineers.

28 (j) "Everglades Agricultural Area" or "EAA" has the same
29 meaning as in s. 373.4592, Florida Statutes.

30 (k) "EAA Storage Reservoir" means the above-ground
31 reservoir located in the Everglades Agricultural Area, which is
32 included in the comprehensive plan as defined in s.

33 373.470(2)(b), Florida Statutes, and subsequently modified by
34 the project implementation reports approved pursuant to s.
35 601(b)(1)(D)(i) of Pub. L. No. 106-541, December 11, 2000.

36 (l) "Interim LORS08 Schedule" means the 2008 Lake
37 Okeechobee Interim Regulation Schedule approved by the Corps on
38 April 28, 2008.

39 (m) "Modification study" means the Corps of Engineers

888772

40 evaluation known as the Herbert Hoover Dike Dam Safety
41 Modification Study.

42 (2) The Legislature finds that the dike, a major component
43 of the C&SF, is designated by the Corps of Engineers as meeting
44 Dam Safety Classification Level 1, the highest risk designation
45 used by the Corps. Because of the instability of the dike, the
46 Corps implemented the Interim LORS08 Schedule, a lower lake
47 schedule, while dike repairs were completed. The Interim LORS08
48 Schedule has resulted in regular releases of significant amounts
49 of lake water into the St. Lucie River and Caloosahatchee River
50 systems to reduce pressure on the dike. These releases, combined
51 with local basin runoff, have resulted in significant negative
52 impacts to public health, water supply, property, and the
53 environment for residents throughout South Florida. Furthermore,
54 the current critical state of the dike presents significant risk
55 of major injury, loss of life, property destruction, and
56 environmental damage for communities and other interests near
57 Lake Okeechobee. These negative impacts can be ameliorated with
58 the expeditious completion of the dike repairs and
59 implementation of a new lake regulation schedule. Therefore,
60 given the inadequate response of the Corps to these known risks
61 and the significant and unacceptable potential for harm to the
62 state and its residents, the Legislature finds that an emergency
63 situation exists in the C&SF which the state must address
64 immediately.

65 (3) The district is directed to immediately attempt to
66 negotiate with the Corps of Engineers to develop an
67 intergovernmental agreement to reduce the discharges of water
68 from Lake Okeechobee and expedite the rehabilitation of the dike

888772

69 and any other work in order to comply with the purposes and
70 intent of the C&SF agreement. As part of the agreement, the
71 district shall negotiate with the Corps to:

72 (a) Revise and expedite the Modification Study and DSADS in
73 support of the directives in paragraphs (b) and (c);

74 (b) Materially rehabilitate, repair, improve, and
75 strengthen the dike on an expedited schedule so as to reach
76 substantial completion on or before July 1, 2021. This expedited
77 rehabilitation, repair, improvement, and strengthening shall be
78 implemented, as deemed reasonable by the district and the Corps
79 given the complexity of the project and the significant risks of
80 further delay, in such a manner as to accomplish all of the
81 goals of the C&SF, including, but not limited to, protecting the
82 residents of this state and limiting the harmful discharges of
83 water from Lake Okeechobee; and

84 (c) Ensure that the Corps of Engineers' release of lake
85 water into the St. Lucie River and Caloosahatchee River systems
86 is executed only as part of a schedule jointly developed with
87 input from the district.

88
89 As part of the negotiations conducted pursuant to this
90 subsection, the district is authorized to require that provision
91 be made for adequate assurances from the Corps that funds
92 advanced will be repaid by the Corps, or on the Corps' behalf.
93 However, if circumstances are such that an advancement of funds
94 is necessary to address an emergency situation relating to the
95 goals and directives of this act, the district may advance funds
96 without such assurances.

97 (4) If the district is unable to reach an agreement by

888772

98 October 1, 2017, to, at a minimum, meet the objectives provided
99 in paragraphs (3) (a), (b), and (c), the district is authorized,
100 if it deems such action necessary and appropriate to satisfy the
101 objectives of this section, to immediately declare the rights of
102 the state to ultimately control discharges of water from Lake
103 Okeechobee and to assume a leadership role in the rehabilitation
104 of the dike and any other work in order to comply with the
105 purposes and intent of the C&SF agreement. As part of its
106 leadership role, the district may request the Corps of Engineers
107 to meet the objectives provided in paragraphs (3) (a), (b), and
108 (c). If the Corps refuses or fails to take action on this
109 request, or refuses or fails to achieve the objectives provided
110 in paragraphs (3) (a), (b), and (c), the district is authorized
111 to take all steps necessary to accomplish such action or achieve
112 such objectives itself. The district is also authorized to
113 extend the time period for reaching an agreement with the Corps
114 pursuant to this subsection for a reasonable period of time if
115 the district determines that the parties are negotiating in good
116 faith and are nearing an agreement.

117 (5) In the process of rehabilitation, repair, improvement,
118 and strengthening of the dike, the district shall set a goal of
119 adding up to an additional 1.25 feet of short-term water storage
120 capacity above that provided by the current Interim LORS08
121 Schedule to Lake Okeechobee in order to reduce the need for
122 high-volume release of lake water into the St. Lucie River and
123 Caloosahatchee River systems to ensure that the maximum stage
124 does not exceed 18.5 feet NGVD, taking into consideration all
125 relevant circumstances, including the ecology of the lake.

126 (6) If the district determines that it or the Corps of

888772

127 Engineers is unable, after due diligence, to accomplish the
128 substantial completion of the work specified in subsection (3)
129 on or before July 1, 2021, the district may, upon application to
130 the department and good cause shown, obtain extensions of time
131 in increments of up to 1 year in order to attain, as
132 expeditiously as reasonably possible, substantial completion of
133 the dike rehabilitation, repair, improvement, and strengthening.

134 (7) (a) The district is directed to request that the Corps
135 of Engineers jointly develop with the district a general
136 reevaluation report for CERP with the purpose of increasing
137 storage and providing water quality treatment within the
138 boundary of the A-1 and A-2 lands in the authorized EAA Storage
139 Reservoir to achieve a total storage capacity of a minimum of
140 240,000 acre feet and up to a maximum of 360,000 acre-feet, if
141 practicable, on such lands. The development of the General
142 Reevaluation Report must be consistent with CERP, the Master
143 Implementation Sequencing Plan required under 33 C.F.R. s.
144 385.30, and the Integrated Delivery Schedule adopted by the
145 United States Army Corps of Engineers, dated December 2016. The
146 development of the general reevaluation report does not preclude
147 implementation of the remaining CERP project components
148 authorized as part of the Central Everglades Planning Process.
149 All recommended modifications to the EAA Storage Reservoir on
150 A-1 and A-2 lands must include sufficient water quality
151 treatment features within the A-1 and A-2 lands to meet state
152 water quality standards in the Everglades Protection Area.
153 Implementation of the recommended plan in the general
154 reevaluation report is subject to congressional authorization
155 and adherence to all other state and federal CERP project

888772

156 procedures.

157 (b) The district may not exercise eminent domain for the
158 purpose of implementing the EAA Storage Reservoir or any of the
159 provisions of this subsection.

160 (8) Notwithstanding s. 768.28, Florida Statutes, the state,
161 for itself and for its agencies and subdivisions, does not waive
162 sovereign immunity for torts arising from the implementation of
163 this section. Such torts include, but are not limited to, those
164 arising from the failure or breach of the dike, operation of the
165 dike, or impacts related to the failure, breach, or operation of
166 the dike or other C&SF project-related structures repaired,
167 replaced, or operated pursuant to this section.

168 (9) (a) Any moneys expended by the district or another state
169 agency to comply with this section in excess of existing state
170 obligation under the C&SF agreement are declared by this state
171 to be an interest-free loan or advance to the United States. The
172 district shall seek recovery of these moneys as authorized by
173 law. Funds recovered pursuant to this subsection shall be used
174 by the district solely for the purposes of this section.

175 (10) The Legislature finds that aquifer storage and
176 recovery (ASR) wells are an integral part of CERP and the
177 primary CERP project component designed to manage Lake
178 Okeechobee levels and high discharges to the estuaries and
179 address other C&SF purposes. Subject to the appropriation of
180 funds by the Legislature, the district is directed to
181 immediately begin planning and to construct and operate on lands
182 owned by the district on the effective date of this act a
183 minimum of 40 ASR wells consistent with the findings in the May
184 2015 report entitled "Central and South Florida Project,

888772

185 Comprehensive Everglades Restoration Plan, Final Technical Data
186 Report, Aquifer Storage and Recovery Regional Study.”

187 Section 2. For the 2017-2018 fiscal year, the sum of \$64
188 million in recurring funds, and for the 2018-2019 through 2020-
189 2021 fiscal years, the sum of \$100 million, annually, in
190 recurring funds, is appropriated from the Land Acquisition Trust
191 Fund to the South Florida Water Management District for the
192 purpose of implementing section 1 of this act.

193
194 ===== T I T L E A M E N D M E N T =====

195 And the title is amended as follows:

196 Delete lines 777 - 867

197 and insert:

198 An act relating to the Central and Southern Florida
199 Project for Flood Control and Other Purposes; defining
200 terms; providing legislative findings; directing the
201 South Florida Water Management District to attempt to
202 negotiate an agreement with the United States Army
203 Corps of Engineers to reduce discharges of water from
204 Lake Okeechobee and expedite the rehabilitation of the
205 Herbert Hoover Dike, to revise and expedite a certain
206 study and a certain summary, to rehabilitate, repair,
207 improve, and strengthen the dike, and to ensure that
208 the release of lake water is executed only as part of
209 a specified schedule; authorizing the district, as
210 part of such negotiations, to seek certain assurances
211 from the Corps before advancing funds unless the
212 advancing of funds is necessary to address an
213 emergency; directing the district to declare its right

888772

214 to take control of discharges of water from Lake
215 Okeechobee and take a leadership role in the
216 rehabilitation of the dike under certain conditions;
217 authorizing the district to take steps necessary to
218 meet specified objectives if the Corps of Engineers
219 refuses or fails to take specified action, or refuses
220 or fails to achieve specified objectives; providing
221 for extensions to reach an agreement; requiring the
222 district to set a goal of increasing lake storage up
223 to a specified amount to reduce certain high-volume
224 discharges; providing for extensions; directing the
225 district to request the Corps of Engineers to jointly
226 develop a general reevaluation report for the
227 Comprehensive Everglades Restoration Plan (CERP) with
228 the purpose of increasing storage in the authorized
229 Everglades Agricultural Area Storage Reservoir on A-1
230 and A-2 lands consistent with certain plans and a
231 schedule; clarifying that the development of this
232 report does not preclude the implementation of
233 approved CERP project components; specifying that
234 implementation of the plan developed in the report is
235 subject to congressional authorization and adherence
236 with all other state and federal CERP project
237 procedures; prohibiting the district from exercising
238 imminent domain; specifying that the state does not
239 waive sovereign immunity for torts relating to the
240 dike or project; providing that moneys expended for
241 specified purposes by the district or another state
242 agency in excess of state financial obligations are an

888772

243 interest-free loan or advance to the United States;
244 requiring the district to seek recovery of such
245 moneys; specifying how recovered funds are to be used;
246 providing an exception in certain emergency
247 situations; providing a legislative finding; subject
248 to the appropriation of funds, directing the district
249 to immediately construct and operate a specified
250 minimum number of aquifer storage and recovery wells
251 that are consistent with the findings in a specified
252 report; providing appropriations; providing an
253 effective date.

254
255 WHEREAS, federal participation in flood control efforts,
256 while not previously a function of the Federal Government, began
257 after the disastrous hurricanes of 1926 and 1928, with states
258 requesting assistance from the Federal Government and with the
259 enactment of the River and Harbor Act of 1930, and

260 WHEREAS, the Central and Southern Florida Project for Flood
261 Control and Other Purposes (C&SF) was developed pursuant to the
262 federal Flood Control Act of 1948, and

263 WHEREAS, in 1949, the State of Florida established a
264 partnership with the United States Government to implement the
265 C&SF, and

266 WHEREAS, the State of Florida provided significant funds,
267 lands, and other contributions to the C&SF, and

268 WHEREAS, the C&SF is a function of state and federal
269 authorization, and initiation of the project was premised on the
270 State of Florida's partnership with the Federal Government, and

271 WHEREAS, all title to the easements and rights-of-way upon

888772

272 which the C&SF structures operate belongs to the state, and
273 WHEREAS, while the United States Army Corps of Engineers
274 and the South Florida Water Management District work jointly to
275 operate and maintain the C&SF, the Corps maintains its
276 decisionmaking responsibility for the C&SF and operates and
277 maintains the levees, channels, locks, and control works of the
278 St. Lucie Canal, Lake Okeechobee, and Caloosahatchee River and
279 the main spillways of C&SF's water conservation areas only under
280 the partnership terms with the state, and

281 WHEREAS, the United States Eleventh Circuit Court of
282 Appeals in 2013 ruled that "[d]espite the Corps exercising
283 control over these systems, either directly or by issuing
284 regulations to the SFWMD, the project is a function of state
285 authorization. The federal government's initiation of the
286 project was premised on the State of Florida's permission; all
287 title to the easements and rights-of-way upon which the C&SF
288 Project structures operate belong to the State of Florida; and
289 the United States Army Corps of Engineers administers the C&SF
290 Project pursuant to an agreement between the United States and
291 the State of Florida," and

292 WHEREAS, the State of Florida, therefore, has the ultimate
293 right of decisionmaking regarding this partnership between the
294 United States and the state, and when the United States Army
295 Corps of Engineers' conduct, as a result of the funding
296 limitations imposed upon it, is jeopardizing the life, safety,
297 welfare, economy, and environment of this state, the state, by
298 virtue of its ultimate contractual right of control of the C&SF
299 and its inherent constitutional right to protect its residents,
300 may direct and assist the Corps to make revisions of the

888772

301 operations within the C&SF, and

302 WHEREAS, the United States Eleventh Circuit Court of
303 Appeals has further held that the authorized purposes of the
304 C&SF Project include absorbing water for flood control,
305 maintaining water supplies for agriculture, restoring hydrologic
306 conditions in the Everglades National Park, ensuring water
307 quality, and maintaining fish, wildlife, and marsh vegetation,
308 and

309 WHEREAS, the C&SF Project therefore clearly includes the
310 purpose of protecting the St. Lucie River and the Caloosahatchee
311 River and their estuaries from the destructive impacts of high-
312 volume discharges from Lake Okeechobee, and, consequently, in
313 protecting the Everglades and operating within the limitations
314 and parameters of the C&SF, the United States Army Corps of
315 Engineers and the State of Florida must not ignore these
316 critical environmental treasures, and

317 WHEREAS, the lives, safety, and livelihood of the state's
318 residents who live around Lake Okeechobee depend upon a properly
319 maintained water level, the strength and integrity of the
320 Herbert Hoover Dike, the protection of the Everglades and
321 endangered species in and surrounding the Everglades, the
322 protection of the St. Lucie River and Caloosahatchee River and
323 their estuaries, and the protection of agriculture and other
324 private property rights—all as provided by the applicable
325 statutes and agreements creating the C&SF—and these are not
326 mutually exclusive goals, but instead must be achieved together,
327 and

328 WHEREAS, the Herbert Hoover Dike, a component of the C&SF,
329 is an approximately 143-mile levee system surrounding Lake

888772

330 Okeechobee developed and built starting in 1930, as authorized
331 under the federal River and Harbor Act of 1930, to provide flood
332 protection and other development benefits to South Florida, and

333 WHEREAS, one of the central requirements of the C&SF is to
334 protect the structural integrity of the Herbert Hoover Dike, and

335 WHEREAS, since at least the late 1980s, the United States
336 Army Corps of Engineers has been aware of significant structural
337 vulnerabilities in the dike due to slope instability, piping,
338 and seepage, and

339 WHEREAS, the United States Army Corps of Engineers, in its
340 June 2016 Environmental Impact Statement submitted pursuant to
341 its intended dike modifications, classified the dike as
342 "critically near failure or extremely high risk" and that "a
343 failure of the dike could result in human suffering, immense
344 property damage, destruction of the natural habitat, and loss of
345 human life," and

346 WHEREAS, despite this well-known and ongoing risk, due to
347 funding or other limitations, the United States Army Corps of
348 Engineers has been unable to timely and adequately rehabilitate
349 the dike, resulting in an unjustifiable, significant, and
350 intolerable risk of major injury, loss of life, property
351 destruction, and environmental damage for communities and other
352 interests near Lake Okeechobee, and

353 WHEREAS, the poor condition of the dike has resulted in
354 "seepage and internal erosion ... during high reservoir events,"
355 thus causing the United States Army Corps of Engineers in April
356 2008 to revise its prior discharge schedule, creating its
357 current interim Lake Okeechobee Regulation Schedule (LORS08),
358 which was intended to be a temporary schedule while dike repairs

888772

359 were completed, and which has caused significant and damaging
360 releases of polluted lake water into the St. Lucie River and
361 Caloosahatchee River systems, while diminishing water storage
362 and supply, and

363 WHEREAS, the National Academies of Sciences, Engineering,
364 and Medicine in 2016 published their report on the "Progress
365 Toward Restoring the Everglades: The Sixth Biennial Review,
366 2016," and

367 WHEREAS, "[t]he National Academies of Sciences,
368 Engineering, and Medicine established the Committee on
369 Independent Scientific Review of Everglades Restoration Progress
370 in 2004 in response to a request from the United States Army
371 Corps of Engineers ..., with support from the South Florida
372 Water Management District ..., and the U.S. Department of the
373 Interior ..., based on Congress's mandate in the Water Resources
374 Development Act of 2000," and

375 WHEREAS, as stated by the National Academies of Sciences,
376 Engineering, and Medicine, integrity issues and concerns that
377 led to the United States Army Corps of Engineers' Dam Safety
378 Modification Study also resulted in the new water discharge
379 regulation schedule that was designed to limit high water levels
380 in the lake and thereby reduce the risk of catastrophic levee
381 failure until substantial progress is made in the dike
382 rehabilitation, and

383 WHEREAS, the National Academies of Sciences, Engineering,
384 and Medicine state that the Interim LORS08 Schedule implemented
385 in April 2008 lowered the maximum stage from 18.5 feet to 17.25
386 feet (National Geodetic Survey Vertical Datum), resulting in a
387 significant loss of water storage and supply, and

888772

388 WHEREAS, the United States Army Corps of Engineers'
389 implementation of its dike modifications is not expected to be
390 completed before fiscal year 2025 at the earliest, depending on
391 funding, and

392 WHEREAS, the National Academies of Sciences, Engineering,
393 and Medicine state that the United States Army Corps of
394 Engineers' future lake discharge schedule is critically
395 important to future Comprehensive Everglades Restoration Plan
396 (CERP) decisions regarding storage north and south of the lake,
397 and that the "adoption of the LORS 2008 schedule, intended to
398 reduce life safety risks in light of structural problems with
399 the Herbert Hoover Dike ... alone reduced potential storage by
400 564,000 [acre-feet]," and

401 WHEREAS, the National Academies of Sciences, Engineering,
402 and Medicine concluded and recommended that "[t]he process to
403 revise the Lake Okeechobee regulation schedule should be
404 initiated as soon as possible in parallel with the Herbert
405 Hoover Dike modifications to inform near-term project planning
406 involving water storage north and south of the lake. The large
407 impacts on water storage with just modest changes in the lake
408 regulation schedule suggest that Lake Okeechobee is a central
409 factor in future considerations of water storage. Decisions made
410 on the future regulation schedule will affect storage needs both
411 north and south of the lake and overall restoration outcomes and
412 costs.... Expediting the revision to the lake regulation
413 schedule would also ensure that the process is complete
414 (including a required dam safety risk assessment) so that the
415 new schedule can be put into place as soon as the Herbert Hoover
416 Dike repairs are determined to be sufficient to sustain higher

888772

417 water levels, thereby expediting ecological benefits to the
418 northern estuaries. Once other storage elements are constructed,
419 the lake schedule will likely need to be revisited to optimize
420 its operations considering the additional storage features," and

421 WHEREAS, in making its decisions, apparently due to funding
422 or other limitations, the United States Army Corps of Engineers
423 has not been able to adequately respond to the tragic and
424 destructive consequences of its high-volume discharges into both
425 the St. Lucie River and Caloosahatchee River, their estuaries,
426 and the communities surrounding those invaluable rivers and
427 estuaries, and

428 WHEREAS, the United States Army Corps of Engineers' high-
429 volume water releases into the St. Lucie River and
430 Caloosahatchee River systems have resulted in disastrous impacts
431 to public health, property, and the environment for residents
432 living along and near these river and estuary systems, and

433 WHEREAS, the state, which has the ownership and ultimate
434 right of control over the C&SF to protect its residents, the
435 environment, and the public health, safety, and welfare, has a
436 right and obligation to alter the management, construction, and
437 maintenance of the dike and the C&SF overall to reduce the risks
438 of continuing harm to its residents and the environment, NOW,
439 THEREFORE,

959412

LEGISLATIVE ACTION

Senate	.	House

04/06/2017	.	
	.	
	.	
	.	

The Committee on Appropriations (Galvano) recommended the following:

Senate Amendment to Amendment (920390)

Delete lines 192 - 255
and insert:
water storage south of the lake. The use of eminent domain in the EAA for the purpose of implementing the EAA reservoir project is prohibited.

(a) Upon the effective date of this act, the district shall identify the lessees of the approximately 3,200 acres of land owned by the state or the district west of the A-2 parcel and

959412

11 east of the Miami Canal and the private property owners of the
12 approximately 500 acres of land surrounded by such lands.

13 (b) By July 31, 2017, the district shall contact the
14 lessors and landowners of the land identified pursuant paragraph
15 (a) to express the district's interest in acquiring land through
16 the purchase or exchange of lands or by the amendment or
17 termination of lease agreements. If land swaps or purchases are
18 necessary to assemble the required acreage, the participation of
19 private landowners must be voluntary. The district shall contact
20 the board to request that any lease of land identified pursuant
21 to paragraph (a), the title to which is vested in the board, be
22 amended or terminated. All appraisal reports, offers, and
23 counteroffers in relation to this subsection are confidential
24 and exempt from s. 119.07(1), as provided in s. 373.139.

25 (c) The board shall provide to the district, through direct
26 acquisition in fee or by a supplemental agreement, any land, the
27 title to which is vested in the board, that the district
28 identifies as necessary to construct the EAA reservoir project.

29 (d) The total acreage necessary for additional water
30 treatment may not exceed the amount reasonably required to meet
31 state and federal water quality standards as determined using
32 the water quality modeling tools of the district. The district
33 shall use the latest version of the Dynamic Model for Stormwater
34 Treatment Areas Model modeling tool and other modeling tools
35 that will be required in the planning and design of the EAA
36 reservoir project. If additional land not identified in
37 paragraph (a) is necessary for the EAA reservoir project, the
38 district shall acquire that land from willing sellers of
39 property in conjunction with the development of the

959412

40 post-authorization change report.

41 (5) POST-AUTHORIZATION CHANGE REPORT.-

42 (a) The district is directed to request, by July 1, 2017,
43 that the corps jointly develop a post-authorization change
44 report with the district for CEPP to revise the project
45 component located on the A-2 parcel with the goal of increasing
46 water storage provided by the project component to a minimum of
47 240,000 acre-feet. Upon agreement with the corps, development of
48 the report must begin by August 1, 2017, and does not preclude
49 the implementation of the remaining CEPP project components.

50 (b) Using the A-2 parcel and the additional land identified
51 pursuant to paragraph (4) (a) and without modifying the A-1
52 parcel, the report must evaluate:

53 1. The optimal configuration of the EAA reservoir project
54 for providing at least 240,000 acre-feet of water storage; and

55 2. Any necessary increases in canal conveyance capacity to
56 reduce the discharges to the St. Lucie or Caloosahatchee
57 estuaries.

58 (c) If the district and the corps determine that an
59 alternate configuration of water storage and water quality
60 features providing for significantly more water storage, but no
61 less than 360,000 acre-feet of water storage, south of the lake
62 can be implemented on a footprint that includes modification to
63 the A-1 parcel, the district is authorized to recommend such an
64 alternative configuration in its report. Any such recommendation
65 must include sufficient water quality treatment capacity to meet
66 state and federal water quality standards.

67 (d) Pending congressional approval of the report, the
68 district may begin the preliminary planning or construction

	.	
	.	

The Committee on Appropriations (Simmons) recommended the following:

1 **Senate Substitute for Amendment (920390) (with title**
2 **amendment)**

3
4 Delete everything after the enacting clause
5 and insert:

6 Section 1. Emergency rehabilitation of the Central and
7 Southern Florida Project for Flood Control and Other Purposes.-

8 (1) As used in this section, the term:

9 (a) "A-1 and A-2 lands" means the approximately 31,000
10 acres in Compartment A acquired pursuant to the March 1999

934000

11 Talisman Exchange and Purchase and Sale Agreement.

12 (b) "CERP" has the same meaning as the term "comprehensive
13 plan" as defined in s. 373.470, Florida Statutes.

14 (c) "Corps of Engineers" or "Corps" means the United States
15 Army Corps of Engineers.

16 (d) "C&SF" means the Central and Southern Florida Project
17 for Flood Control and Other Purposes.

18 (e) "C&SF agreement" means the agreement entered into
19 between the state and the Federal Government to operate the
20 C&SF.

21 (f) "Department" means the Department of Environmental
22 Protection.

23 (g) "Dike" means the Herbert Hoover Dike.

24 (h) "District" means the South Florida Water Management
25 District.

26 (i) "DSADS" means the Dam Safety Action Decision Summary
27 for the Herbert Hoover Dike compiled by the Corps of Engineers.

28 (j) "Everglades Agricultural Area" or "EAA" has the same
29 meaning as in s. 373.4592, Florida Statutes.

30 (k) "EAA Storage Reservoir" means the above-ground
31 reservoir located in the Everglades Agricultural Area, which is
32 included in the comprehensive plan as defined in s.

33 373.470(2)(b), Florida Statutes, and subsequently modified by
34 the project implementation reports approved pursuant to s.
35 601(b)(1)(D)(i) of Pub. L. No. 106-541, December 11, 2000.

36 (l) "Interim LORS08 Schedule" means the 2008 Lake
37 Okeechobee Interim Regulation Schedule approved by the Corps on
38 April 28, 2008.

39 (m) "Modification study" means the Corps of Engineers

934000

40 evaluation known as the Herbert Hoover Dike Dam Safety
41 Modification Study.

42 (2) The Legislature finds that the dike, a major component
43 of the C&SF, is designated by the Corps of Engineers as meeting
44 Dam Safety Classification Level 1, the highest risk designation
45 used by the Corps. Because of the instability of the dike, the
46 Corps implemented the Interim LORS08 Schedule, a lower lake
47 schedule, while dike repairs were completed. The Interim LORS08
48 Schedule has resulted in regular releases of significant amounts
49 of lake water into the St. Lucie River and Caloosahatchee River
50 systems to reduce pressure on the dike. These releases, combined
51 with local basin runoff, have resulted in significant negative
52 impacts to public health, water supply, property, and the
53 environment for residents throughout South Florida. Furthermore,
54 the current critical state of the dike presents significant risk
55 of major injury, loss of life, property destruction, and
56 environmental damage for communities and other interests near
57 Lake Okeechobee. These negative impacts can be ameliorated with
58 the expeditious completion of the dike repairs and
59 implementation of a new lake regulation schedule. Therefore,
60 given the inadequate response of the Corps to these known risks
61 and the significant and unacceptable potential for harm to the
62 state and its residents, the Legislature finds that an emergency
63 situation exists in the C&SF which the state must address
64 immediately.

65 (3) The district is directed to immediately attempt to
66 negotiate with the Corps of Engineers to develop an
67 intergovernmental agreement to reduce the discharges of water
68 from Lake Okeechobee and expedite the rehabilitation of the dike

934000

69 and any other work in order to comply with the purposes and
70 intent of the C&SF agreement. As part of the agreement, the
71 district shall negotiate with the Corps to:

72 (a) Revise and expedite the Modification Study and DSADS in
73 support of the directives in paragraphs (b) and (c);

74 (b) Materially rehabilitate, repair, improve, and
75 strengthen the dike on an expedited schedule so as to reach
76 substantial completion on or before July 1, 2021. This expedited
77 rehabilitation, repair, improvement, and strengthening shall be
78 implemented, as deemed reasonable by the district and the Corps
79 given the complexity of the project and the significant risks of
80 further delay, in such a manner as to accomplish all of the
81 goals of the C&SF, including, but not limited to, protecting the
82 residents of this state and limiting the harmful discharges of
83 water from Lake Okeechobee; and

84 (c) Ensure that the Corps of Engineers' release of lake
85 water into the St. Lucie River and Caloosahatchee River systems
86 is executed only as part of a schedule jointly developed with
87 input from the district.

88
89 As part of the negotiations conducted pursuant to this
90 subsection, the district is authorized to require that provision
91 be made for adequate assurances from the Corps that funds
92 advanced will be repaid by the Corps, or on the Corps' behalf.
93 However, if circumstances are such that an advancement of funds
94 is necessary to address an emergency situation relating to the
95 goals and directives of this act, the district may advance funds
96 without such assurances.

97 (4) If the district is unable to reach an agreement by

934000

98 October 1, 2017, to, at a minimum, meet the objectives provided
99 in paragraphs (3) (a), (b), and (c), the district is authorized,
100 if it deems such action necessary and appropriate to satisfy the
101 objectives of this section, to immediately declare the rights of
102 the state to ultimately control discharges of water from Lake
103 Okeechobee and to assume a leadership role in the rehabilitation
104 of the dike and any other work in order to comply with the
105 purposes and intent of the C&SF agreement. As part of its
106 leadership role, the district may request the Corps of Engineers
107 to meet the objectives provided in paragraphs (3) (a), (b), and
108 (c). If the Corps refuses or fails to take action on this
109 request, or refuses or fails to achieve the objectives provided
110 in paragraphs (3) (a), (b), and (c), the district is authorized
111 to take all steps necessary to accomplish such action or achieve
112 such objectives itself. The district is also authorized to
113 extend the time period for reaching an agreement with the Corps
114 pursuant to this subsection for a reasonable period of time if
115 the district determines that the parties are negotiating in good
116 faith and are nearing an agreement.

117 (5) In the process of rehabilitation, repair, improvement,
118 and strengthening of the dike, the district shall set a goal of
119 adding up to an additional 1.25 feet of short-term water storage
120 capacity above that provided by the current Interim LORS08
121 Schedule to Lake Okeechobee in order to reduce the need for
122 high-volume release of lake water into the St. Lucie River and
123 Caloosahatchee River systems to ensure that the maximum stage
124 does not exceed 18.5 feet NGVD, taking into consideration all
125 relevant circumstances, including the ecology of the lake.

126 (6) If the district determines that it or the Corps of

934000

127 Engineers is unable, after due diligence, to accomplish the
128 substantial completion of the work specified in subsection (3)
129 on or before July 1, 2021, the district may, upon application to
130 the department and good cause shown, obtain extensions of time
131 in increments of up to 1 year in order to attain, as
132 expeditiously as reasonably possible, substantial completion of
133 the dike rehabilitation, repair, improvement, and strengthening.

134 (7) (a) The district is directed to request that the Corps
135 of Engineers jointly develop with the district a general
136 reevaluation report for CERP with the purpose of increasing
137 storage and providing water quality treatment within the
138 boundary of the A-1 and A-2 lands in the authorized EAA Storage
139 Reservoir to achieve a total storage capacity of a minimum of
140 240,000 acre feet and up to a maximum of 360,000 acre-feet, if
141 practicable, on such lands. The development of the General
142 Reevaluation Report must be consistent with CERP, the Master
143 Implementation Sequencing Plan required under 33 C.F.R. s.
144 385.30, and the Integrated Delivery Schedule adopted by the
145 United States Army Corps of Engineers, dated December 2016. The
146 development of the general reevaluation report does not preclude
147 implementation of the remaining CERP project components
148 authorized as part of the Central Everglades Planning Process.
149 All recommended modifications to the EAA Storage Reservoir on
150 A-1 and A-2 lands must include sufficient water quality
151 treatment features within the A-1 and A-2 lands to meet state
152 water quality standards in the Everglades Protection Area.
153 Implementation of the recommended plan in the general
154 reevaluation report is subject to congressional authorization
155 and adherence to all other state and federal CERP project

934000

156 procedures.

157 (b) The district may not exercise eminent domain for the
158 purpose of implementing the EAA Storage Reservoir or any of the
159 provisions of this subsection.

160 (8) Notwithstanding s. 768.28, Florida Statutes, the state,
161 for itself and for its agencies and subdivisions, does not waive
162 sovereign immunity for torts arising from the implementation of
163 this section. Such torts include, but are not limited to, those
164 arising from the failure or breach of the dike, operation of the
165 dike, or impacts related to the failure, breach, or operation of
166 the dike or other C&SF project-related structures repaired,
167 replaced, or operated pursuant to this section.

168 (9) (a) Any moneys expended by the district or another state
169 agency to comply with this section in excess of existing state
170 obligation under the C&SF agreement are declared by this state
171 to be an interest-free loan or advance to the United States. The
172 district shall seek recovery of these moneys as authorized by
173 law. Funds recovered pursuant to this subsection shall be used
174 by the district solely for the purposes of this section.

175 (10) The Legislature finds that aquifer storage and
176 recovery (ASR) wells are an integral part of CERP and the
177 primary CERP project component designed to manage Lake
178 Okeechobee levels and high discharges to the estuaries and
179 address other C&SF purposes. Subject to the appropriation of
180 funds by the Legislature, the district is directed to
181 immediately begin planning and to construct and operate on lands
182 owned by the district on the effective date of this act a
183 minimum of 40 ASR wells consistent with the findings in the May
184 2015 report entitled "Central and South Florida Project,

934000

185 Comprehensive Everglades Restoration Plan, Final Technical Data
186 Report, Aquifer Storage and Recovery Regional Study.”

187 Section 2. For the 2017-2018 fiscal year, the sum of \$64
188 million in recurring funds, and for the 2018-2019 through 2020-
189 2021 fiscal years, the sum of \$100 million, annually, in
190 recurring funds, is appropriated from the Land Acquisition Trust
191 Fund to the South Florida Water Management District for the
192 purpose of implementing section 1 of this act.

193 Section 3. This act shall take effect upon becoming a law.
194

195 ===== T I T L E A M E N D M E N T =====

196 And the title is amended as follows:

197 Delete everything before the enacting clause
198 and insert:

199 A bill to be entitled
200 An act relating to the Central and Southern Florida
201 Project for Flood Control and Other Purposes; defining
202 terms; providing legislative findings; directing the
203 South Florida Water Management District to attempt to
204 negotiate an agreement with the United States Army
205 Corps of Engineers to reduce discharges of water from
206 Lake Okeechobee and expedite the rehabilitation of the
207 Herbert Hoover Dike, to revise and expedite a certain
208 study and a certain summary, to rehabilitate, repair,
209 improve, and strengthen the dike, and to ensure that
210 the release of lake water is executed only as part of
211 a specified schedule; authorizing the district, as
212 part of such negotiations, to seek certain assurances
213 from the Corps before advancing funds unless the

934000

214 advancing of funds is necessary to address an
215 emergency; directing the district to declare its right
216 to take control of discharges of water from Lake
217 Okeechobee and take a leadership role in the
218 rehabilitation of the dike under certain conditions;
219 authorizing the district to take steps necessary to
220 meet specified objectives if the Corps of Engineers
221 refuses or fails to take specified action, or refuses
222 or fails to achieve specified objectives; providing
223 for extensions to reach an agreement; requiring the
224 district to set a goal of increasing lake storage up
225 to a specified amount to reduce certain high-volume
226 discharges; providing for extensions; directing the
227 district to request the Corps of Engineers to jointly
228 develop a general reevaluation report for the
229 Comprehensive Everglades Restoration Plan (CERP) with
230 the purpose of increasing storage in the authorized
231 Everglades Agricultural Area Storage Reservoir on A-1
232 and A-2 lands consistent with certain plans and a
233 schedule; clarifying that the development of this
234 report does not preclude the implementation of
235 approved CERP project components; specifying that
236 implementation of the plan developed in the report is
237 subject to congressional authorization and adherence
238 with all other state and federal CERP project
239 procedures; prohibiting the district from exercising
240 imminent domain; specifying that the state does not
241 waive sovereign immunity for torts relating to the
242 dike or project; providing that moneys expended for

934000

243 specified purposes by the district or another state
244 agency in excess of state financial obligations are an
245 interest-free loan or advance to the United States;
246 requiring the district to seek recovery of such
247 moneys; specifying how recovered funds are to be used;
248 providing an exception in certain emergency
249 situations; providing a legislative finding; subject
250 to the appropriation of funds, directing the district
251 to immediately construct and operate a specified
252 minimum number of aquifer storage and recovery wells
253 that are consistent with the findings in a specified
254 report; providing appropriations; providing an
255 effective date.

256
257 WHEREAS, federal participation in flood control efforts,
258 while not previously a function of the Federal Government, began
259 after the disastrous hurricanes of 1926 and 1928, with states
260 requesting assistance from the Federal Government and with the
261 enactment of the River and Harbor Act of 1930, and

262 WHEREAS, the Central and Southern Florida Project for Flood
263 Control and Other Purposes (C&SF) was developed pursuant to the
264 federal Flood Control Act of 1948, and

265 WHEREAS, in 1949, the State of Florida established a
266 partnership with the United States Government to implement the
267 C&SF, and

268 WHEREAS, the State of Florida provided significant funds,
269 lands, and other contributions to the C&SF, and

270 WHEREAS, the C&SF is a function of state and federal
271 authorization, and initiation of the project was premised on the

934000

272 State of Florida's partnership with the Federal Government, and
273 WHEREAS, all title to the easements and rights-of-way upon
274 which the C&SF structures operate belongs to the state, and
275 WHEREAS, while the United States Army Corps of Engineers
276 and the South Florida Water Management District work jointly to
277 operate and maintain the C&SF, the Corps maintains its
278 decisionmaking responsibility for the C&SF and operates and
279 maintains the levees, channels, locks, and control works of the
280 St. Lucie Canal, Lake Okeechobee, and Caloosahatchee River and
281 the main spillways of C&SF's water conservation areas only under
282 the partnership terms with the state, and
283 WHEREAS, the United States Eleventh Circuit Court of
284 Appeals in 2013 ruled that "[d]espite the Corps exercising
285 control over these systems, either directly or by issuing
286 regulations to the SFWMD, the project is a function of state
287 authorization. The federal government's initiation of the
288 project was premised on the State of Florida's permission; all
289 title to the easements and rights-of-way upon which the C&SF
290 Project structures operate belong to the State of Florida; and
291 the United States Army Corps of Engineers administers the C&SF
292 Project pursuant to an agreement between the United States and
293 the State of Florida," and
294 WHEREAS, the State of Florida, therefore, has the ultimate
295 right of decisionmaking regarding this partnership between the
296 United States and the state, and when the United States Army
297 Corps of Engineers' conduct, as a result of the funding
298 limitations imposed upon it, is jeopardizing the life, safety,
299 welfare, economy, and environment of this state, the state, by
300 virtue of its ultimate contractual right of control of the C&SF

934000

301 and its inherent constitutional right to protect its residents,
302 may direct and assist the Corps to make revisions of the
303 operations within the C&SF, and

304 WHEREAS, the United States Eleventh Circuit Court of
305 Appeals has further held that the authorized purposes of the
306 C&SF Project include absorbing water for flood control,
307 maintaining water supplies for agriculture, restoring hydrologic
308 conditions in the Everglades National Park, ensuring water
309 quality, and maintaining fish, wildlife, and marsh vegetation,
310 and

311 WHEREAS, the C&SF Project therefore clearly includes the
312 purpose of protecting the St. Lucie River and the Caloosahatchee
313 River and their estuaries from the destructive impacts of high-
314 volume discharges from Lake Okeechobee, and, consequently, in
315 protecting the Everglades and operating within the limitations
316 and parameters of the C&SF, the United States Army Corps of
317 Engineers and the State of Florida must not ignore these
318 critical environmental treasures, and

319 WHEREAS, the lives, safety, and livelihood of the state's
320 residents who live around Lake Okeechobee depend upon a properly
321 maintained water level, the strength and integrity of the
322 Herbert Hoover Dike, the protection of the Everglades and
323 endangered species in and surrounding the Everglades, the
324 protection of the St. Lucie River and Caloosahatchee River and
325 their estuaries, and the protection of agriculture and other
326 private property rights—all as provided by the applicable
327 statutes and agreements creating the C&SF—and these are not
328 mutually exclusive goals, but instead must be achieved together,
329 and

934000

330 WHEREAS, the Herbert Hoover Dike, a component of the C&SF,
331 is an approximately 143-mile levee system surrounding Lake
332 Okeechobee developed and built starting in 1930, as authorized
333 under the federal River and Harbor Act of 1930, to provide flood
334 protection and other development benefits to South Florida, and

335 WHEREAS, one of the central requirements of the C&SF is to
336 protect the structural integrity of the Herbert Hoover Dike, and

337 WHEREAS, since at least the late 1980s, the United States
338 Army Corps of Engineers has been aware of significant structural
339 vulnerabilities in the dike due to slope instability, piping,
340 and seepage, and

341 WHEREAS, the United States Army Corps of Engineers, in its
342 June 2016 Environmental Impact Statement submitted pursuant to
343 its intended dike modifications, classified the dike as
344 "critically near failure or extremely high risk" and that "a
345 failure of the dike could result in human suffering, immense
346 property damage, destruction of the natural habitat, and loss of
347 human life," and

348 WHEREAS, despite this well-known and ongoing risk, due to
349 funding or other limitations, the United States Army Corps of
350 Engineers has been unable to timely and adequately rehabilitate
351 the dike, resulting in an unjustifiable, significant, and
352 intolerable risk of major injury, loss of life, property
353 destruction, and environmental damage for communities and other
354 interests near Lake Okeechobee, and

355 WHEREAS, the poor condition of the dike has resulted in
356 "seepage and internal erosion ... during high reservoir events,"
357 thus causing the United States Army Corps of Engineers in April
358 2008 to revise its prior discharge schedule, creating its

934000

359 current interim Lake Okeechobee Regulation Schedule (LORS08),
360 which was intended to be a temporary schedule while dike repairs
361 were completed, and which has caused significant and damaging
362 releases of polluted lake water into the St. Lucie River and
363 Caloosahatchee River systems, while diminishing water storage
364 and supply, and

365 WHEREAS, the National Academies of Sciences, Engineering,
366 and Medicine in 2016 published their report on the "Progress
367 Toward Restoring the Everglades: The Sixth Biennial Review,
368 2016," and

369 WHEREAS, "[t]he National Academies of Sciences,
370 Engineering, and Medicine established the Committee on
371 Independent Scientific Review of Everglades Restoration Progress
372 in 2004 in response to a request from the United States Army
373 Corps of Engineers ..., with support from the South Florida
374 Water Management District ..., and the U.S. Department of the
375 Interior ..., based on Congress's mandate in the Water Resources
376 Development Act of 2000," and

377 WHEREAS, as stated by the National Academies of Sciences,
378 Engineering, and Medicine, integrity issues and concerns that
379 led to the United States Army Corps of Engineers' Dam Safety
380 Modification Study also resulted in the new water discharge
381 regulation schedule that was designed to limit high water levels
382 in the lake and thereby reduce the risk of catastrophic levee
383 failure until substantial progress is made in the dike
384 rehabilitation, and

385 WHEREAS, the National Academies of Sciences, Engineering,
386 and Medicine state that the Interim LORS08 Schedule implemented
387 in April 2008 lowered the maximum stage from 18.5 feet to 17.25

934000

388 feet (National Geodetic Survey Vertical Datum), resulting in a
389 significant loss of water storage and supply, and

390 WHEREAS, the United States Army Corps of Engineers'
391 implementation of its dike modifications is not expected to be
392 completed before fiscal year 2025 at the earliest, depending on
393 funding, and

394 WHEREAS, the National Academies of Sciences, Engineering,
395 and Medicine state that the United States Army Corps of
396 Engineers' future lake discharge schedule is critically
397 important to future Comprehensive Everglades Restoration Plan
398 (CERP) decisions regarding storage north and south of the lake,
399 and that the "adoption of the LORS 2008 schedule, intended to
400 reduce life safety risks in light of structural problems with
401 the Herbert Hoover Dike ... alone reduced potential storage by
402 564,000 [acre-feet]," and

403 WHEREAS, the National Academies of Sciences, Engineering,
404 and Medicine concluded and recommended that "[t]he process to
405 revise the Lake Okeechobee regulation schedule should be
406 initiated as soon as possible in parallel with the Herbert
407 Hoover Dike modifications to inform near-term project planning
408 involving water storage north and south of the lake. The large
409 impacts on water storage with just modest changes in the lake
410 regulation schedule suggest that Lake Okeechobee is a central
411 factor in future considerations of water storage. Decisions made
412 on the future regulation schedule will affect storage needs both
413 north and south of the lake and overall restoration outcomes and
414 costs.... Expediting the revision to the lake regulation
415 schedule would also ensure that the process is complete
416 (including a required dam safety risk assessment) so that the

934000

417 new schedule can be put into place as soon as the Herbert Hoover
418 Dike repairs are determined to be sufficient to sustain higher
419 water levels, thereby expediting ecological benefits to the
420 northern estuaries. Once other storage elements are constructed,
421 the lake schedule will likely need to be revisited to optimize
422 its operations considering the additional storage features," and

423 WHEREAS, in making its decisions, apparently due to funding
424 or other limitations, the United States Army Corps of Engineers
425 has not been able to adequately respond to the tragic and
426 destructive consequences of its high-volume discharges into both
427 the St. Lucie River and Caloosahatchee River, their estuaries,
428 and the communities surrounding those invaluable rivers and
429 estuaries, and

430 WHEREAS, the United States Army Corps of Engineers' high-
431 volume water releases into the St. Lucie River and
432 Caloosahatchee River systems have resulted in disastrous impacts
433 to public health, property, and the environment for residents
434 living along and near these river and estuary systems, and

435 WHEREAS, the state, which has the ownership and ultimate
436 right of control over the C&SF to protect its residents, the
437 environment, and the public health, safety, and welfare, has a
438 right and obligation to alter the management, construction, and
439 maintenance of the dike and the C&SF overall to reduce the risks
440 of continuing harm to its residents and the environment, NOW,
441 THEREFORE,

201822

LEGISLATIVE ACTION

Senate	.	House
Comm: WD	.	
04/06/2017	.	
	.	
	.	
	.	

The Committee on Appropriations (Simmons) recommended the following:

1 **Senate Amendment to Substitute Amendment (934000) (with**
2 **title amendment)**

3
4 Between lines 186 and 187
5 insert:

6 Section 2. Section 373.4598, Florida Statutes, is created
7 to read:

8 373.4598 Water storage reservoirs.—

9 (1) The C-51 reservoir project is a water storage facility
10 as defined in s. 373.475. The C-51 reservoir project is located

201822

11 in western Palm Beach County south of the Lake Okeechobee and
12 consists of in-ground reservoirs and conveyance structures that
13 will provide water supply and water management benefits to
14 participating water supply utilities and will also provide
15 environmental benefits by reducing freshwater discharges to tide
16 and making water available for natural systems.

17 (2) Phase I of the project will provide approximately
18 14,000 acre-feet of storage and will hydraulically connect to
19 the district's L-8 Flow Equalization Basin. Phase II of the
20 project will provide approximately 46,000 acre-feet of water
21 storage, for a total increase of 60,000 acre-feet of water
22 storage.

23 (3) For Phase II of the C-51 reservoir project, the
24 district may negotiate with the owners of the C-51 reservoir
25 project site for the acquisition of the project or to enter into
26 a public-private partnership. The district may acquire land near
27 the C-51 reservoir through the purchase or exchange of land that
28 is owned by the district or the state as necessary to implement
29 Phase II of the project. The state and the district may consider
30 potential swaps of land owned by the state or the district to
31 achieve an optimal combination of water quality and water
32 storage. The district may not exercise eminent domain for the
33 purpose of implementing the C-51 reservoir project.

34 (4) If state funds are appropriated for Phase I or Phase II
35 of the C-51 reservoir project:

36 (a) The district shall operate the reservoir to maximize
37 the reduction of high-volume Lake Okeechobee regulatory releases
38 to the St. Lucie or Caloosahatchee estuaries in addition to
39 providing relief to the Lake Worth Lagoon;

201822

40 (b) Water made available by the reservoir shall be used for
41 natural systems in addition to any allocated amounts for water
42 supply; and

43 (c) Any water received from Lake Okeechobee may not be
44 available to support consumptive use permits.

45

47 And the title is amended as follows:

48 Delete line 254

49 and insert:

50 report; creating s. 373.4598, F.S.; providing details
51 on the C-51 reservoir project; authorizing the
52 district to negotiate with the owners of the C-51
53 reservoir project site; providing requirements for the
54 C-51 reservoir project; authorizing the district to
55 purchase land near the reservoir for a specified goal;
56 authorizing the state and the district to consider
57 potential swaps of land under certain circumstances;
58 prohibiting the district from exercising eminent
59 domain for the purpose of implementing the project;
60 providing requirements if state funds are appropriated
61 for the project; providing appropriations; providing
62 an

601444

576-02209-17

Proposed Committee Substitute by the Committee on Appropriations
(Appropriations Subcommittee on the Environment and Natural
Resources)

A bill to be entitled

An act relating to water resources; providing a short
title; amending s. 201.15, F.S.; requiring that the
debt service on certain bonds be paid first from
amounts on deposit in the Land Acquisition Trust Fund;
creating s. 215.613, F.S.; authorizing water resource
protection and development bonds to be issued;
providing a cap on such bonds; establishing certain
covenants with regard to such bonds; specifying that
the bonds do not constitute a general obligation of,
or a pledge of the full faith and credit of, the state
and are secured on a parity basis with certain other
bonds; requiring the Department of Environmental
Protection to distribute bond proceeds through the
Land Acquisition Trust Fund; prohibiting certain
property transactions and uses that would have
specified tax impacts; specifying certain validation
requirements; amending s. 215.618, F.S.; reducing the
bonding authority for Florida Forever bonds; creating
s. 373.4598, F.S.; providing legislative findings and
intent; defining terms; requiring the South Florida
Water Management District to seek proposals from
willing sellers of property within the Everglades
Agricultural Area for land that is suitable for the
reservoir project; clarifying that all appraisal
reports, offers, and counteroffers are confidential

601444

576-02209-17

and exempt from public records requirements; requiring
the district to assign the Entire Option Property Non-
Exclusive Option of a specified agreement to the Board
of Trustees of the Internal Improvement Trust Fund
under certain circumstances; requiring the district to
retain the agreement's option under certain
circumstances; requiring the board or the district, as
applicable, to exercise the specified option by a
certain date under certain circumstances; providing
requirements for the Proposed Option Property Purchase
Price; authorizing the disposal or exchange of certain
land or interests in land for certain purposes;
requiring the district to begin, seek permitting for,
and construct the reservoir project under certain
circumstances; requiring the district, in coordination
with the United States Army Corps of Engineers, to
begin the planning study for the reservoir project by
a specified date under certain circumstances;
requiring the district to identify specified lands
under certain circumstances; providing requirements
for the planning study; requiring the district, in
coordination with the United States Army Corps of
Engineers, to seek Congressional authorization for the
reservoir project under certain circumstances;
authorizing certain costs to be funded using water
resource protection and development bond proceeds
under certain circumstances; specifying how such bond
proceeds shall be deposited; authorizing the use of
state funds for the reservoir project; requiring the

601444

576-02209-17

56 district to seek additional sources of funding;
57 requiring the district to seek federal credits under
58 certain circumstances; requiring the district to
59 request the United States Army Corps of Engineers, in
60 the Corps' review of the regulation schedule, to
61 consider any repairs to the Herbert Hoover Dike or
62 increase in southern outlet capacity of Lake
63 Okeechobee; creating s. 373.475, F.S.; providing
64 legislative findings and intent; requiring the
65 department to distribute certain bond proceeds for the
66 purposes of financing water resource protection and
67 development projects; requiring proceeds to be
68 expended in a fiscally responsible manner; creating s.
69 373.478, F.S.; providing legislative findings and
70 intent; defining terms; requiring the state through
71 the department to provide certain funding assistance
72 to local governments and water supply entities for the
73 development and construction of water storage
74 facilities; requiring the department to adopt rules;
75 specifying required documentation for local government
76 or water supply entities; specifying that recipients
77 need not request certain advance payment; authorizing
78 technical assistance; specifying certain loan funding
79 maximums, minimums, and term requirements; requiring a
80 report; authorizing certain audits and servicing fees;
81 providing that the Water Protection and Sustainability
82 Program Trust Fund shall be used to carry out the
83 purposes of the revolving loan fund; specifying
84 certain default and compliance provisions; amending s.

601444

576-02209-17

85 375.041, F.S.; requiring certain distributions to be
86 made from the Land Acquisition Trust Fund; amending s.
87 375.041, F.S.; contingently increasing the minimum
88 annual funding for certain Everglades projects;
89 creating s. 403.0878, F.S.; requiring the department
90 to establish a water reuse grant program; providing
91 requirements for such program; requiring the
92 department to adopt rules; requiring certain review of
93 grants; authorizing a certain percentage of grant
94 funds to be used for program administration;
95 specifying that recipients need not request certain
96 advance payment; providing legislative findings;
97 amending s. 215.44, F.S.; requiring the Board of
98 Administration to include a summary of potential water
99 supply investments in its annual report to the
100 Legislature; amending s. 403.890, F.S.; revising the
101 purposes for which distributions may be made from and
102 to the Water Protection and Sustainability Program
103 Trust Fund; requiring the district and the board to
104 notify the Division of Law Revision and Information by
105 a certain date of specified land acquisitions;
106 providing a directive to the division; providing
107 contingent appropriations; providing effective dates,
108 one of which is contingent.

109
110 Be It Enacted by the Legislature of the State of Florida:

111
112 Section 1. This act may be cited as the "Coast-to-Coast
113 Comprehensive Water Resources Program."

601444

576-02209-17

114 Section 2. Section 201.15, Florida Statutes, is amended to
115 read:

116 201.15 Distribution of taxes collected.—All taxes collected
117 under this chapter are hereby pledged and shall be first made
118 available to make payments when due on bonds issued pursuant to
119 s. 215.613, s. 215.618, or s. 215.619, or any other bonds
120 authorized to be issued on a parity basis with such bonds. Such
121 pledge and availability for the payment of these bonds shall
122 have priority over any requirement for the payment of service
123 charges or costs of collection and enforcement under this
124 section. All taxes collected under this chapter, except taxes
125 distributed to the Land Acquisition Trust Fund pursuant to
126 subsections (1) and (2), are subject to the service charge
127 imposed in s. 215.20(1). Before distribution pursuant to this
128 section, the Department of Revenue shall deduct amounts
129 necessary to pay the costs of the collection and enforcement of
130 the tax levied by this chapter. The costs and service charge may
131 not be levied against any portion of taxes pledged to debt
132 service on bonds to the extent that the costs and service charge
133 are required to pay any amounts relating to the bonds. All of
134 the costs of the collection and enforcement of the tax levied by
135 this chapter and the service charge shall be available and
136 transferred to the extent necessary to pay debt service and any
137 other amounts payable with respect to bonds authorized before
138 January 1, 2017, secured by revenues distributed pursuant to
139 this section. All taxes remaining after deduction of costs shall
140 be distributed as follows:

141 (1) Amounts necessary to make payments on bonds issued
142 pursuant to s. 215.613, s. 215.618, or s. 215.619, as provided

601444

576-02209-17

153 under paragraphs (3) (a), ~~and~~ (b), and (c) or on any other bonds
154 authorized to be issued on a parity basis with such bonds shall
155 be deposited into the Land Acquisition Trust Fund.

156 (2) If the amounts deposited pursuant to subsection (1) are
157 less than 33 percent of all taxes collected after first
158 deducting the costs of collection, an amount equal to 33 percent
159 of all taxes collected after first deducting the costs of
160 collection, minus the amounts deposited pursuant to subsection
161 (1), shall be deposited into the Land Acquisition Trust Fund.

162 (3) Amounts on deposit in the Land Acquisition Trust Fund
163 shall be used in the following order:

164 (a) Payment of debt service or funding of debt service
165 reserve funds, rebate obligations, or other amounts payable with
166 respect to water resource protection and development bonds
167 issued pursuant to s. 215.613. The amount used for such purposes
168 may not exceed \$300 million in each fiscal year.

169 (b) ~~(a)~~ Payment of debt service or funding of debt service
170 reserve funds, rebate obligations, or other amounts payable with
171 respect to Florida Forever bonds issued pursuant to s. 215.618.
The amount used for such purposes may not exceed \$300 million in
each fiscal year. It is the intent of the Legislature that all
bonds issued to fund the Florida Forever Act be retired by
December 31, 2040. Except for bonds issued to refund previously
issued bonds, no series of bonds may be issued pursuant to this
paragraph unless such bonds are approved and the debt service
for the remainder of the fiscal year in which the bonds are
issued is specifically appropriated in the General
Appropriations Act.

(c) ~~(b)~~ Payment of debt service or funding of debt service

601444

576-02209-17

172 reserve funds, rebate obligations, or other amounts due with
173 respect to Everglades restoration bonds issued pursuant to s.
174 215.619. Taxes distributed under paragraph (a), paragraph (b),
175 and this paragraph must be collectively distributed on a pro
176 rata basis when the available moneys under this subsection are
177 not sufficient to cover the amounts required under paragraph
178 (a), paragraph (b), and this paragraph.

179
180 Bonds issued pursuant to s. 215.613, s. 215.618, or s. 215.619
181 are equally and ratably secured by moneys distributable to the
182 Land Acquisition Trust Fund.

183 (4) After the required distributions to the Land
184 Acquisition Trust Fund pursuant to subsections (1) and (2) and
185 deduction of the service charge imposed pursuant to s.
186 215.20(1), the remainder shall be distributed as follows:

187 (a) The lesser of 24.18442 percent of the remainder or
188 \$541.75 million in each fiscal year shall be paid into the State
189 Treasury to the credit of the State Transportation Trust Fund.
190 Of such funds, \$75 million for each fiscal year shall be
191 transferred to the State Economic Enhancement and Development
192 Trust Fund within the Department of Economic Opportunity.
193 Notwithstanding any other law, the remaining amount credited to
194 the State Transportation Trust Fund shall be used for:

- 195 1. Capital funding for the New Starts Transit Program,
196 authorized by Title 49, U.S.C. s. 5309 and specified in s.
197 341.051, in the amount of 10 percent of the funds;
198 2. The Small County Outreach Program specified in s.
199 339.2818, in the amount of 10 percent of the funds;
200 3. The Strategic Intermodal System specified in ss. 339.61,

601444

576-02209-17

201 339.62, 339.63, and 339.64, in the amount of 75 percent of the
202 funds after deduction of the payments required pursuant to
203 subparagraphs 1. and 2.; and

204 4. The Transportation Regional Incentive Program specified
205 in s. 339.2819, in the amount of 25 percent of the funds after
206 deduction of the payments required pursuant to subparagraphs 1.
207 and 2. The first \$60 million of the funds allocated pursuant to
208 this subparagraph shall be allocated annually to the Florida
209 Rail Enterprise for the purposes established in s. 341.303(5).

210 (b) The lesser of 0.1456 percent of the remainder or \$3.25
211 million in each fiscal year shall be paid into the State
212 Treasury to the credit of the Grants and Donations Trust Fund in
213 the Department of Economic Opportunity to fund technical
214 assistance to local governments.

215
216 Moneys distributed pursuant to paragraphs (a) and (b) may not be
217 pledged for debt service unless such pledge is approved by
218 referendum of the voters.

219 (c) Eleven and twenty-four hundredths percent of the
220 remainder in each fiscal year shall be paid into the State
221 Treasury to the credit of the State Housing Trust Fund. Of such
222 funds, the first \$35 million shall be transferred annually,
223 subject to any distribution required under subsection (5), to
224 the State Economic Enhancement and Development Trust Fund within
225 the Department of Economic Opportunity. The remainder shall be
226 used as follows:

- 227 1. Half of that amount shall be used for the purposes for
228 which the State Housing Trust Fund was created and exists by
229 law.

601444

576-02209-17

230 2. Half of that amount shall be paid into the State
231 Treasury to the credit of the Local Government Housing Trust
232 Fund and used for the purposes for which the Local Government
233 Housing Trust Fund was created and exists by law.

234 (d) Twelve and ninety-three hundredths percent of the
235 remainder in each fiscal year shall be paid into the State
236 Treasury to the credit of the State Housing Trust Fund. Of such
237 funds, the first \$40 million shall be transferred annually,
238 subject to any distribution required under subsection (5), to
239 the State Economic Enhancement and Development Trust Fund within
240 the Department of Economic Opportunity. The remainder shall be
241 used as follows:

242 1. Twelve and one-half percent of that amount shall be
243 deposited into the State Housing Trust Fund and expended by the
244 Department of Economic Opportunity and the Florida Housing
245 Finance Corporation for the purposes for which the State Housing
246 Trust Fund was created and exists by law.

247 2. Eighty-seven and one-half percent of that amount shall
248 be distributed to the Local Government Housing Trust Fund and
249 used for the purposes for which the Local Government Housing
250 Trust Fund was created and exists by law. Funds from this
251 category may also be used to provide for state and local
252 services to assist the homeless.

253 (e) The lesser of 0.017 percent of the remainder or
254 \$300,000 in each fiscal year shall be paid into the State
255 Treasury to the credit of the General Inspection Trust Fund to
256 be used to fund oyster management and restoration programs as
257 provided in s. 379.362(3).

258 (5) Distributions to the State Housing Trust Fund pursuant

601444

576-02209-17

259 to paragraphs (4) (c) and (d) must be sufficient to cover amounts
260 required to be transferred to the Florida Affordable Housing
261 Guarantee Program's annual debt service reserve and guarantee
262 fund pursuant to s. 420.5092(6) (a) and (b) up to the amount
263 required to be transferred to such reserve and fund based on the
264 percentage distribution of documentary stamp tax revenues to the
265 State Housing Trust Fund which is in effect in the 2004-2005
266 fiscal year.

267 (6) After the distributions provided in the preceding
268 subsections, any remaining taxes shall be paid into the State
269 Treasury to the credit of the General Revenue Fund.

270 Section 3. Section 215.613, Florida Statutes, is created to
271 read:

272 215.613 Bonds for water resource protection and
273 development.—

274 (1) The issuance of water resource protection and
275 development bonds, not to exceed \$3.3 billion, to finance or
276 refinance the cost of acquisition and improvement of land, water
277 areas, or related property interests for the purposes of water
278 resource protection and development, and for capital
279 improvements to land or water areas which facilitate water
280 resource protection and development is authorized, subject to s.
281 373.475 and pursuant to s. 11(e), Art. VII of the State
282 Constitution. The \$3.3 billion limitation on the issuance of
283 water resource protection and development bonds does not apply
284 to refunding bonds. The duration of each series of bonds issued
285 may not exceed 20 annual maturities. No more than 58.25 percent
286 of documentary stamp taxes collected may be taken into account
287 for the purpose of satisfying an additional bonds test set forth

601444

576-02209-17

288 in any authorizing resolution for bonds issued on or after July
289 1, 2017.

290 (2) The state covenants with the holders of water resource
291 protection and development bonds that it will not take any
292 action that will materially and adversely affect the rights of
293 such holders so long as such bonds are outstanding, including,
294 but not limited to, a reduction in the portion of documentary
295 stamp taxes distributable to the Land Acquisition Trust Fund for
296 payment of debt service on water resource protection and
297 development bonds.

298 (3) In accordance with s. 28, Art. X of the State
299 Constitution, bonds issued pursuant to this section are payable
300 from taxes distributable to the Land Acquisition Trust Fund
301 pursuant to s. 201.15. Bonds issued pursuant to this section do
302 not constitute a general obligation of, or a pledge of the full
303 faith and credit of, the state. Water resource protection and
304 development bonds are secured on a parity basis with Florida
305 Forever bonds issued pursuant to s. 215.618 and Everglades
306 restoration bonds issued pursuant to s. 215.619.

307 (4) The Department of Environmental Protection shall
308 request the Division of Bond Finance of the State Board of
309 Administration to issue the bonds authorized by this section.
310 The Division of Bond Finance shall issue such bonds pursuant to
311 the State Bond Act.

312 (5) The proceeds from the sale of bonds issued pursuant to
313 this section, less the costs of issuance, the costs of funding
314 reserve accounts, and other costs with respect to the bonds,
315 shall be deposited into the Land Acquisition Trust Fund. The
316 bond proceeds deposited into the Land Acquisition Trust Fund

601444

576-02209-17

317 shall be distributed by the Department of Environmental
318 Protection as provided in s. 373.475.

319 (6) There may not be any sale, disposition, lease,
320 easement, license, or other use of any land, water areas, or
321 related property interests acquired or improved with proceeds of
322 water resource protection and development bonds which would
323 cause all or any portion of the interest of such bonds to lose
324 the exclusion from gross income for federal income tax purposes.

325 (7) The initial series of water resource protection and
326 development bonds shall be validated in addition to any other
327 bonds required to be validated pursuant to s. 215.82. Any
328 complaint for validation of bonds issued pursuant to this
329 section shall be filed only in the circuit court of the county
330 where the seat of state government is situated, the notice
331 required to be published by s. 75.06 shall be published only in
332 the county where the complaint is filed, and the complaint and
333 order of the circuit court shall be served only on the state
334 attorney of the circuit in which the action is pending.

335 Section 4. Paragraph (a) of subsection (1) of section
336 215.618, Florida Statutes, is amended to read:

337 215.618 Bonds for acquisition and improvement of land,
338 water areas, and related property interests and resources.—

339 (1) (a) The issuance of Florida Forever bonds, not to exceed
340 \$2 billion ~~\$5.3 billion~~, to finance or refinance the cost of
341 acquisition and improvement of land, water areas, and related
342 property interests and resources, in urban and rural settings,
343 for the purposes of restoration, conservation, recreation, water
344 resource development, or historical preservation, and for
345 capital improvements to lands and water areas that accomplish

601444

576-02209-17

346 environmental restoration, enhance public access and
347 recreational enjoyment, promote long-term management goals, and
348 facilitate water resource development is hereby authorized,
349 subject to s. 259.105 and pursuant to s. 11(e), Art. VII of the
350 State Constitution and, on or after July 1, 2015, to also
351 finance or refinance the acquisition and improvement of land,
352 water areas, and related property interests as provided in s.
353 28, Art. X of the State Constitution. The ~~\$2 billion~~ ~~\$5.3~~
354 ~~billion~~ limitation on the issuance of Florida Forever bonds does
355 not apply to refunding bonds. The duration of each series of
356 Florida Forever bonds issued may not exceed 20 annual
357 maturities. Not more than 58.25 percent of documentary stamp
358 taxes collected may be taken into account for the purpose of
359 satisfying an additional bonds test set forth in any authorizing
360 resolution for bonds issued on or after July 1, 2015.

361 Section 5. Section 373.4598, Florida Statutes, is created
362 to read:

363 373.4598 Reservoir project in the Everglades Agricultural
364 Area.-

365 (1) LEGISLATIVE FINDINGS AND INTENT.-

366 (a) The Legislature declares that an emergency exists
367 regarding the St. Lucie and Caloosahatchee estuaries due to the
368 harmful freshwater discharges east and west of the lake. Such
369 discharges have manifested in widespread algae blooms, public
370 health impacts, and extensive environmental harm to wildlife and
371 the aquatic ecosystem. These conditions threaten the ecological
372 integrity of the estuaries and the economic viability of the
373 state and affected communities.

374 (b) The Legislature finds that the acquisition of

601444

576-02209-17

375 strategically located lands south of the lake and the
376 construction of the reservoir project will increase the
377 availability of water storage and reduce the harmful freshwater
378 discharges. Additionally, water storage south of the lake will
379 increase the availability of water for the Everglades and to
380 meet irrigation demands for the Everglades Agricultural Area;
381 restore the hydrological connection to the Everglades; and
382 provide flood protection by reducing, through additional storage
383 capacity, some of the demands on the Herbert Hoover Dike.

384 (c) The Legislature recognizes that the reservoir project
385 is authorized in the Water Resources Development Act of 2000 as
386 a project component of CERP. Unless other funding is available,
387 the Legislature directs the district in implementation of the
388 reservoir project to abide by applicable state and federal law
389 in order to do that which is required to obtain federal credit
390 under the CERP. If the district implements the reservoir project
391 as a project component as defined in s. 373.1501, the district
392 must abide by all applicable state and federal law relating to
393 such projects.

394 (d) The Legislature finds that the rate of funding for the
395 CERP must be increased if restoration will be achieved within
396 the timeframes originally envisioned and that the delay in
397 substantial progress toward completing critical elements of
398 restoration, such as southern storage, will cause irreparable
399 harm to natural systems and ultimately increase the cost of
400 restoration. A substantial commitment to the advancement of
401 projects identified as part of the CERP will reduce ongoing
402 ecological damage to the St. Lucie and Caloosahatchee estuaries.

403 (e) This section is not intended to diminish the

601444

576-02209-17

404 commitments made by the state in chapter 2016-201, Laws of
405 Florida.

406 (2) DEFINITIONS.—As used in this section, the term:

407 (a) "Agreement" means the Second Amended and Restated
408 Agreement for Sale and Purchase between the United States Sugar
409 Corporation, SBG Farms, Inc., Southern Garden Groves
410 Corporation, and the South Florida Water Management District,
411 dated August 12, 2010.

412 (b) "Board" means the Board of Trustees of the Internal
413 Improvement Trust Fund.

414 (c) "Comprehensive Everglades Restoration Plan" or "CERP"
415 has the same meaning as the term "comprehensive plan" as defined
416 in s. 373.470.

417 (d) "District" means the South Florida Water Management
418 District.

419 (e) "Everglades Agricultural Area" or "EAA" has the same
420 meaning as defined in s. 373.4592.

421 (f) "Lake" means Lake Okeechobee.

422 (g) "Reservoir project" means a project to construct one or
423 two above-ground reservoirs that have a total water storage
424 capacity of approximately 360,000 acre-feet and are located in
425 the EAA.

426 (3) LAND ACQUISITION.—The Legislature declares that
427 acquiring land for the reservoir project is in the public
428 interest and that the governing board of the district and the
429 board may acquire fee title for the purpose of implementing the
430 reservoir project. However, the district may not exercise
431 eminent domain for the purpose of implementing the reservoir
432 project.

601444

576-02209-17

433 (a) Upon the effective date of this act, the district shall
434 seek proposals from willing sellers of property within the
435 Everglades Agricultural Area in order to acquire approximately
436 60,000 acres of land that is suitable for the reservoir project.
437 All appraisal reports, offers, and counteroffers are
438 confidential and exempt from s. 119.07(1), as provided in s.
439 373.139.

440 (b) If the district does not acquire land pursuant to
441 paragraph (a) by December 31, 2017:

442 1. The district must assign, by January 31, 2018, the
443 agreement's Entire Option Property Non-Exclusive Option to the
444 board, as authorized in, and in accordance with, the agreement.
445 If, for any reason, the Seller, as defined in the agreement,
446 does not find the assignment to be reasonably acceptable in form
447 and substance, the district must retain the Entire Option
448 Property Non-Exclusive Option;

449 2. The board or the district, whichever holds the option,
450 must, by March 1, 2018, exercise the option in accordance with
451 the agreement. The Buyer's Proposed Option Property Purchase
452 Price, as specified in the agreement, may not be less than the
453 average of \$7,400 per acre, unless the maximum offer allowed by
454 law is less than the average of \$7,400 per acre; and

455 3. The board or the district, if applicable, may dispose of
456 or exchange any land or lease interest in the land that is
457 acquired pursuant to this paragraph in order to achieve optimal
458 siting for the reservoir project or to dispose of land that is
459 not necessary for the reservoir project. Any such exchange or
460 disposition may not be in violation of the agreement.

461 (4) DESIGN, PERMITTING, AND CONSTRUCTION.—If the district

601444

576-02209-17

462 finds willing sellers of property pursuant to paragraph (3) (a),
463 the district:

464 (a) Once the land has been agreed upon for purchase, must
465 immediately begin the reservoir project with the goal of
466 providing adequate water storage and conveyance south of the
467 lake to reduce the volume of regulatory discharges of water from
468 the lake to the east and west;

469 (b) Once the land is acquired, must expeditiously pursue
470 necessary permitting and begin implementation and construction
471 of the reservoir project as soon as practicable; and

472 (c) The district shall give preferential consideration to
473 the hiring of agricultural workers displaced as a result of the
474 reservoir project, consistent with their qualifications and
475 abilities, for the construction and operation of the reservoir
476 project.

477 (5) PLANNING STUDY.-

478 (a) If land is acquired pursuant to paragraph (3) (a) and
479 other funding is not available, the district must, in
480 coordination with the United States Army Corps of Engineers,
481 begin the planning study for the reservoir project by March 1,
482 2018.

483 (b) If land is not acquired pursuant to paragraph (3) (a) by
484 December 31, 2017, the district must, in coordination with the
485 United States Army Corps of Engineers, begin the planning study
486 for the reservoir project by October 1, 2019.

487 1. If land is acquired pursuant to paragraph (3) (b), the
488 district must identify which of the acquired land is suitable
489 for the reservoir project.

490 2. If land is not acquired pursuant to paragraph (3) (b),

601444

576-02209-17

491 the district must identify land that is suitable for the
492 reservoir project and the best option for securing such land.

493 (c) The district, when developing the planning study, must
494 focus on the goal of the reservoir project, which is to provide
495 adequate water storage and conveyance south of the lake to
496 reduce the volume of regulatory discharges of water from the
497 lake to the east and west.

498 (d) Upon completion of the planning study and the
499 finalization of the project implementation report, as defined in
500 s. 373.470, the district, in coordination with the United States
501 Army Corps of Engineers, shall seek Congressional authorization
502 for the reservoir project.

503 (6) FUNDING.-

504 (a) Pursuant to s. 11(e), Art. VII of the State
505 Constitution, up to \$1.2 billion in state bonds are authorized
506 under this section to finance or refinance the acquisition and
507 improvement of land, water areas, and related property interests
508 and resources for the purposes of conservation, outdoor
509 recreation, water resource protection and development,
510 restoration of natural systems, and historic preservation.

511 (b) Any cost related to this section, including, but not
512 limited to, the costs for land acquisition, planning,
513 construction, and operation and maintenance, may be funded using
514 proceeds from water resource protection and development bonds
515 issued under s. 215.613.

516 (c) The Legislature determines that the authorization and
517 issuance of such bonds is in the best interest of the state and
518 determines that the reservoir project should be implemented.

519 (d) Notwithstanding any other provision of law, proceeds

601444

576-02209-17

520 from the sale of such bonds, less the costs of issuance, the
521 costs of funding reserve accounts, and other costs with respect
522 to the bonds, shall be distributed in the following manner:

523 1. If land is to be acquired pursuant to paragraph (3) (a),
524 the amount of up to \$800 million in bond proceeds in the 2017-
525 2018 fiscal year to the Land Acquisition Trust Fund for the
526 purposes of this section, and the amount of up to \$400 million
527 in bond proceeds in the 2018-2019 fiscal year to the Land
528 Acquisition Trust Fund for the purposes of this section; or

529 2. If land is to be acquired pursuant to paragraph (3) (b),
530 the amount of up to \$1.2 billion in bond proceeds in the 2018-
531 2019 fiscal year to the Board of Trustees of the Internal
532 Improvement Trust Fund, or the Land Acquisition Trust Fund, if
533 applicable, to be used for the purposes of this section.

534 (e) Notwithstanding s. 373.026(8) (b) or any other provision
535 of law, the use of state funds is authorized for the reservoir
536 project.

537 (f) The district shall actively seek additional sources of
538 funding, including federal funding, for the reservoir project.

539 (g) If the reservoir project receives Congressional
540 authorization, the district must seek applicable federal credits
541 toward the state's share of funding the land acquisition and
542 implementation of the reservoir project.

543 (7) LAKE OKEECHOBEE REGULATION SCHEDULE.-The district shall
544 request that the United States Army Corps of Engineers pursue
545 the reevaluation of the Lake Okeechobee Regulation Schedule as
546 expeditiously as possible taking into consideration the repairs
547 made to the Herbert Hoover Dike and any increase in outlet
548 capacity south of the lake which offsets the harmful freshwater

601444

576-02209-17

549 discharges to the St. Lucie and Caloosahatchee estuaries.

550 Section 6. Section 373.475, Florida Statutes, is created to
551 read:

552 373.475 Water resource protection and development
553 financing.-

554 (1) The Legislature finds and declares that:

555 (a) The continued alteration and development of the state's
556 natural and rural areas to accommodate the state's growing
557 population has contributed to the degradation of water
558 resources.

559 (b) The state's groundwater, surface waters, and springs
560 are under tremendous pressure due to population growth and
561 economic expansion and require special protection and
562 restoration efforts, including the protection of uplands and
563 springsheds that provide vital recharge to aquifer systems and
564 are critical to the protection of water quality and water
565 quantity of the aquifers and springs.

566 (c) To ensure that sufficient quantities of water are
567 available to meet the current and future needs of the natural
568 systems and citizens of the state and to help achieve the
569 overall goals of the department and the water management
570 districts, water resource protection and development projects
571 and capital improvements to land or water areas that facilitate
572 water resource protection and development are necessary.

573 (d) Many of the state's unique ecosystems, such as the
574 Everglades, are facing ecological collapse due to the state's
575 burgeoning population growth and economic activities. To
576 preserve these valuable ecosystems for future generations,
577 essential parcels of land must be acquired and improvements to

601444

576-02209-17

578 such lands must be made to facilitate ecosystem restoration.

579 (e) The Legislature recognizes that the acquisition of
580 lands in fee simple is only one way to achieve water resource
581 goals. The Legislature encourages the use of alternatives to fee
582 simple acquisition techniques and the development of
583 partnerships between governmental agencies and private
584 landowners.

585 (f) There is a need to change the focus and direction of
586 the state's major land acquisition programs and to shift funding
587 and bonding capabilities from land acquisition for conservation
588 purposes towards land acquisition and improvements to land and
589 water areas to protect, restore, and develop water resources.

590 (g) Water resource protection and development projects are
591 necessary to secure water resources to meet current and future
592 water demands.

593 (2) The department shall distribute bond proceeds from the
594 Land Acquisition Trust Fund for the purposes of financing water
595 resource protection and development projects, including projects
596 pursuant to s. 373.4598.

597 (3) Water resource protection and development bond proceeds
598 shall be expended in a fiscally responsible manner. Any agency
599 that receives bond proceeds pursuant to this section may not
600 maintain a balance of unencumbered funds in its water resource
601 protection and development subaccount beyond 3 fiscal years from
602 the date of deposit of funds from each bond issue. All funds
603 that have not been expended or encumbered after 3 fiscal years
604 from the date of deposit shall be distributed by the Legislature
605 during its next regular session for use in the water resource
606 protection and development program.

601444

576-02209-17

607 Section 7. Section 373.478, Florida Statutes, is created to
608 read:

609 373.478 Water storage facility revolving loan fund.—

610 (1) (a) In recognition that waters of the state are among
611 the state's most basic resources, the Legislature declares that
612 such waters should be managed to conserve and protect water
613 resources and to realize the full beneficial use of such
614 resources.

615 (b) As natural storage within the system has been lost due
616 to development, the Legislature finds that additional water
617 storage, natural or man-made, is necessary to capture water and
618 prevent water from being discharged to tide or otherwise lost to
619 protect the waters of the state.

620 (c) The Legislature finds that establishing infrastructure
621 financing and providing technical assistance to local
622 governments or water supply entities for water storage
623 facilities is necessary to conserve and protect the waters of
624 the state.

625 (2) For purposes of this section, the term:

626 (a) "Local governmental agency" means any municipality,
627 county, district, or authority, or any agency thereof, or a
628 combination of such acting jointly in connection with a project,
629 having jurisdiction over a water storage facility.

630 (b) "Water storage facility" or "facility" means all
631 facilities, including land, necessary for surface or underground
632 water storage. Such facilities may be publicly owned, privately
633 owned, investor-owned, or cooperatively held.

634 (3) The state through the department shall provide funding
635 assistance to local governments or water supply entities for the

601444

576-02209-17

636 development and construction of water storage facilities to
637 increase the availability of sufficient water for all existing
638 and future reasonable-beneficial uses and natural systems.

639 (a) The department may make loans, provide loan guarantees,
640 purchase loan insurance, and refinance local debt through the
641 issue of new loans for water storage facilities approved by the
642 department. Local governments or water supply entities may
643 borrow funds made available pursuant to this section and may
644 pledge any revenues or other adequate security available to them
645 to repay any funds borrowed.

646 (b) The department may award loan amounts for up to 75
647 percent of the costs of planning, designing, constructing,
648 upgrading, or replacing water resource infrastructure or
649 facilities, whether natural or man-made, including the
650 acquisition of real property for water storage facilities.

651 (4) The department shall adopt rules to carry out the
652 purposes of this section. Such rules shall:

653 (a) Set forth a priority system for loans based on
654 compliance with state requirements. The priority system shall
655 give special consideration to:

656 1. Projects that provide for the development of alternative
657 water supply projects and management techniques in areas where
658 existing source waters are limited or threatened by saltwater
659 intrusion, excessive drawdowns, contamination, or other
660 problems;

661 2. Projects that contribute to the sustainability of
662 regional water sources;

663 3. Projects that produce additional water available for
664 consumptive uses or natural systems;

601444

576-02209-17

665 4. Projects that diversify water supply so that the needs
666 of consumptive uses and the natural system are met during wet
667 and dry conditions; or

668 5. Projects that provide flexibility in addressing the
669 unpredictability of water conditions from water year to water
670 year.

671 (b) Establish the requirements for the award and repayment
672 of financial assistance.

673 (c) Require evidence of credit worthiness and adequate
674 security, including an identification of revenues to be pledged,
675 and documentation of their sufficiency for loan repayment and
676 pledged revenue coverage, to ensure that each loan recipient can
677 meet its loan repayment requirements.

678 (d) Require each project receiving financial assistance to
679 be cost-effective, environmentally sound, and implementable.

680 (e) Require each project to be self-supporting if the
681 project is primarily for the purpose of water supply for
682 consumptive use.

683 (5) Before approval of a loan, the local government or
684 water supply entity must, at a minimum, submit all of the
685 following to the department:

686 (a) A repayment schedule.

687 (b) Evidence of the permissibility or implementability of
688 the facility proposed for financial assistance.

689 (c) Plans and specifications, biddable contract documents,
690 or other documentation of appropriate procurement of goods and
691 services.

692 (d) Provide assurance that records will be kept using
693 generally accepted accounting principles and that the department

601444

576-02209-17

694 or its agents and the Auditor General will have access to all
695 records pertaining to the loan.

696 (e) Document that the facility will be self-supporting, if
697 such facility is required to be self-supporting according to
698 paragraph (4) (e).

699 (f) Document that the water management district whose
700 boundaries in which the facility is planned has approved of such
701 facility. If the facility crosses jurisdictional boundaries,
702 approval from each applicable district must be provided to the
703 department.

704 (6) Recipients of financial assistance under this section
705 may receive disbursements based upon invoiced costs and are not
706 required to request advance payment pursuant to s. 216.181(16).
707 Proof of payment of invoiced costs must be submitted before or
708 concurrent with the recipient's next disbursement request.

709 (7) The department and water management districts are
710 authorized to provide technical assistance to local governments
711 or water supply entities for water storage facilities funded
712 pursuant to this section.

713 (8) In order to ensure that public moneys are managed in an
714 equitable, prudent, and cost-effective manner, the total amount
715 of money loaned to any local government or water supply entity
716 during a fiscal year may not be more than 25 percent of the
717 total funds available for making loans during that year. The
718 minimum amount of a loan shall be \$75,000. The term of loans
719 made pursuant to this section may not exceed 30 years.

720 (9) As part of the report required under s. 403.8532, the
721 department shall prepare a report at the end of each fiscal
722 year, detailing the financial assistance provided under this

601444

576-02209-17

723 section, service fees collected, interest earned, and loans
724 outstanding.

725 (10) The department may conduct an audit of the loan
726 project upon completion, or may require that a separate project
727 audit, prepared by an independent certified public accountant,
728 be submitted.

729 (11) The department may require reasonable service fees on
730 loans made to local governments or water supply entities to
731 ensure that the program will be operated in perpetuity and to
732 implement the purposes authorized under this section. Service
733 fees may not be less than 2 percent or greater than 4 percent of
734 the loan amount exclusive of the service fee. Service fee
735 revenues shall be deposited into the department's Grants and
736 Donations Trust Fund. The fee revenues, and interest earnings
737 thereon, shall be used exclusively to carry out the purposes of
738 this section.

739 (12) The Water Protection and Sustainability Program Trust
740 Fund established under s. 403.891 shall be used to carry out the
741 purposes of this section. Any funds that are not needed on an
742 immediate basis for financial assistance shall be invested
743 pursuant to s. 215.49. State funds and investment earnings shall
744 be deposited into the fund. The principal and interest of all
745 loans repaid and investment earnings thereon shall be deposited
746 into the fund.

747 (13) (a) If a local governmental agency defaults under the
748 terms of its loan agreement, the department shall so certify to
749 the Chief Financial Officer, who shall forward the amount
750 delinquent to the department from any unobligated funds due to
751 the local governmental agency under any revenue-sharing or tax-

601444

576-02209-17

752 sharing fund established by the state, except as otherwise
753 provided by the State Constitution. Certification of delinquency
754 does not limit the department from pursuing other remedies
755 available for default on a loan, including accelerating loan
756 repayments, eliminating all or part of the interest rate subsidy
757 on the loan, and court appointment of a receiver to manage the
758 public water system.

759 (b) If a water storage facility owned by a person other
760 than a local governmental agency defaults under the terms of its
761 loan agreement, the department may take all actions available
762 under law to remedy the default.

763 (c) The department may impose a penalty for delinquent loan
764 payments in the amount of 6 percent of the amount due, in
765 addition to charging the cost to handle and process the debt.
766 Penalty interest accrues on any amount due and payable beginning
767 on the 30th day following the date upon which payment is due.

768 (14) The department may terminate or rescind a financial
769 assistance agreement when the recipient fails to comply with the
770 terms and conditions of the agreement.

771 Section 8. Subsections (1) and (3) of section 375.041,
772 Florida Statutes, are amended to read:

773 375.041 Land Acquisition Trust Fund.—

774 (1) There is created a Land Acquisition Trust Fund within
775 the Department of Environmental Protection. The Land Acquisition
776 Trust Fund is designated by s. 28, Art. X of the State
777 Constitution for receipt of certain documentary stamp tax
778 revenue for the uses prescribed therein. The Land Acquisition
779 Trust Fund shall be held and administered by the department. The
780 Land Acquisition Trust Fund shall continue for as long as bonds

601444

576-02209-17

781 are outstanding pursuant to s. 215.613, s. 215.618, or s.
782 215.619, or any bonds secured on a parity basis with such bonds,
783 or until the requirement of s. 28, Art. X of the State
784 Constitution expires, whichever is later. All moneys deposited
785 into the Land Acquisition Trust Fund shall be trust funds for
786 the uses and purposes herein set forth, within the meaning of s.
787 215.32(1)(b); and such moneys shall not become or be commingled
788 with the General Revenue Fund of the state, as defined by s.
789 215.32(1)(a).

790 (3) Funds distributed into the Land Acquisition Trust Fund
791 pursuant to s. 201.15 shall be applied:

792 (a) First, to pay debt service or to fund debt service
793 reserve funds, rebate obligations, or other amounts payable with
794 respect to water resource protection and development bonds
795 issued under s. 215.613; pay debt service or to fund debt
796 service reserve funds, rebate obligations, or other amounts
797 payable with respect to Florida Forever bonds issued under s.
798 215.618; and pay debt service, provide reserves, and pay rebate
799 obligations and other amounts due with respect to Everglades
800 restoration bonds issued under s. 215.619; and

801 (b) Of the funds remaining after the payments required
802 under paragraph (a), but before funds may be appropriated,
803 pledged, or dedicated for other uses:

804 1. A minimum of the lesser of 25 percent or \$200 million
805 shall be appropriated annually for Everglades projects that
806 implement the Comprehensive Everglades Restoration Plan as set
807 forth in s. 373.470, including the Central Everglades Planning
808 Project subject to Congressional authorization; the Long-Term
809 Plan as defined in s. 373.4592(2); and the Northern Everglades

601444

576-02209-17

810 and Estuaries Protection Program as set forth in s. 373.4595.
811 From these funds, \$32 million shall be distributed each fiscal
812 year through the 2023-2024 fiscal year to the South Florida
813 Water Management District for the Long-Term Plan as defined in
814 s. 373.4592(2). After deducting the \$32 million distributed
815 under this subparagraph, from the funds remaining, a minimum of
816 the lesser of 76.5 percent or \$100 million shall be appropriated
817 each fiscal year through the 2025-2026 fiscal year for the
818 planning, design, engineering, and construction of the
819 Comprehensive Everglades Restoration Plan as set forth in s.
820 373.470, including the Central Everglades Planning Project, the
821 Everglades Agricultural Area Storage Reservoir Project, the Lake
822 Okeechobee Watershed Project, the C-43 West Basin Storage
823 Reservoir Project, the C-44 Reservoir Project, the Western
824 Everglades Restoration Project, the C-111 South-Dade Project,
825 and the Picayune Strand Restoration Project ~~subject to~~
826 ~~Congressional authorization~~. The Department of Environmental
827 Protection and the South Florida Water Management District shall
828 give preference to those Everglades restoration projects that
829 reduce harmful discharges of water from Lake Okeechobee to the
830 St. Lucie or Caloosahatchee estuaries in a timely manner. For
831 the purpose of performing the calculation provided in this
832 subparagraph, the amount of debt service paid pursuant to
833 paragraph (a) for bonds issued after July 1, 2016, for the
834 purposes set forth under paragraph (b) shall be added to the
835 amount remaining after the payments required under paragraph
836 (a). The amount of the distribution calculated shall then be
837 reduced by an amount equal to the debt service paid pursuant to
838 paragraph (a) on bonds issued after July 1, 2016, for the

601444

576-02209-17

839 purposes set forth under this subparagraph.
840 2. A minimum of the lesser of 7.6 percent or \$50 million
841 shall be appropriated annually for spring restoration,
842 protection, and management projects. For the purpose of
843 performing the calculation provided in this subparagraph, the
844 amount of debt service paid pursuant to paragraph (a) for bonds
845 issued after July 1, 2016, for the purposes set forth under
846 paragraph (b) shall be added to the amount remaining after the
847 payments required under paragraph (a). The amount of the
848 distribution calculated shall then be reduced by an amount equal
849 to the debt service paid pursuant to paragraph (a) on bonds
850 issued after July 1, 2016, for the purposes set forth under this
851 subparagraph.
852 3. The sum of \$5 million shall be appropriated annually
853 each fiscal year through the 2025-2026 fiscal year to the St.
854 Johns River Water Management District for projects dedicated to
855 the restoration of Lake Apopka. This distribution shall be
856 reduced by an amount equal to the debt service paid pursuant to
857 paragraph (a) on bonds issued after July 1, 2016, for the
858 purposes set forth in this subparagraph.
859 4. The sum of \$35 million shall be appropriated annually to
860 the St. Johns River Water Management District for projects
861 dedicated to the restoration of the St. Johns River and its
862 tributaries or the Keystone Heights Lake Region. Such funds may
863 be used for land management and acquisition and for recreational
864 opportunity and public access improvements connected with these
865 areas. This distribution shall be reduced by an amount equal to
866 the debt service paid pursuant to paragraph (a) on bonds issued
867 after July 1, 2017, for the purposes set forth in this

601444

576-02209-17

868 subparagraph.

869 5. The sum of \$2 million shall be appropriated annually to
870 the Department of Environmental Protection to be distributed in
871 accordance with the existing interlocal agreement among the
872 Village of Islamorada, the Key Largo Wastewater Treatment
873 District, the City of Marathon, the Monroe County/Florida Keys
874 Aqueduct Authority, the City of Key West, and Key Colony Beach,
875 to address water quality issues and for the purposes of
876 constructing sewage collection, treatment, and disposal
877 facilities; implementing stormwater collection and treatment
878 systems; canal restoration and muck remediation projects; and
879 projects that protect and enhance water supply in the Florida
880 Keys Area of Critical State Concern and the City of Key West
881 Area of Critical State Concern; or, for the purposes of land
882 acquisition within the Florida Keys Area of Critical Concern as
883 authorized pursuant to s. 259.045 with increased priority given
884 to those acquisitions that achieve a combination of conservation
885 goals, including protecting Florida's water resources and
886 natural groundwater recharge. A local government requesting
887 disbursement pursuant to this appropriation shall provide the
888 Department of Environmental Protection with such documentation
889 as the department deems necessary to verify that the costs are
890 properly incurred and work has been performed.

891 6. A sum of \$20 million shall be appropriated annually to
892 offset or partially offset property owner costs incurred to
893 retrofit onsite sewage treatment and disposal systems determined
894 by the Department of Environmental Protection to be individually
895 or collectively contributing excess nutrient pollution in the
896 counties contributing to the Indian River Lagoon, the St. Lucie

601444

576-02209-17

897 and Caloosahatchee estuaries, and their watersheds; to connect
898 properties with such onsite systems to central sewer systems; or
899 to conduct muck dredging and large-scale stormwater improvements
900 in counties contributing to the Indian River Lagoon, the St.
901 Lucie and Caloosahatchee estuaries, and their watersheds. The
902 Department of Environmental Protection is authorized to use the
903 appropriated funds to make grants or provide other forms of
904 financial assistance to local governments and other entities for
905 these purposes.

906 Section 9. Effective January 1, 2019, and contingent upon
907 the failure of the district or board to acquire land by November
908 30, 2018, pursuant to section 373.4598(3)(a) or (b), Florida
909 Statutes, subsection (3) of section 375.041, Florida Statutes,
910 as amended by this act, is amended to read:

911 375.041 Land Acquisition Trust Fund.—

912 (3) Funds distributed into the Land Acquisition Trust Fund
913 pursuant to s. 201.15 shall be applied:

914 (a) First, to pay debt service or to fund debt service
915 reserve funds, rebate obligations, or other amounts payable with
916 respect to water resource protection and development bonds
917 issued under s. 215.613; pay debt service or to fund debt
918 service reserve funds, rebate obligations, or other amounts
919 payable with respect to Florida Forever bonds issued under s.
920 215.618; and pay debt service, provide reserves, and pay rebate
921 obligations and other amounts due with respect to Everglades
922 restoration bonds issued under s. 215.619; and

923 (b) Of the funds remaining after the payments required
924 under paragraph (a), but before funds may be appropriated,
925 pledged, or dedicated for other uses:

601444

576-02209-17

926 1. A minimum of the lesser of 30 ~~25~~ percent or \$250 ~~\$200~~
927 million shall be appropriated annually for Everglades projects
928 that implement the Comprehensive Everglades Restoration Plan as
929 set forth in s. 373.470, including the Central Everglades
930 Planning Project subject to Congressional authorization; the
931 Long-Term Plan as defined in s. 373.4592(2); and the Northern
932 Everglades and Estuaries Protection Program as set forth in s.
933 373.4595. From these funds, \$32 million shall be distributed
934 each fiscal year through the 2023-2024 fiscal year to the South
935 Florida Water Management District for the Long-Term Plan as
936 defined in s. 373.4592(2). After deducting the \$32 million
937 distributed under this subparagraph, from the funds remaining, a
938 minimum of the lesser of 80 ~~76.5~~ percent or \$150 ~~\$100~~ million
939 shall be appropriated each fiscal year through the 2025-2026
940 fiscal year for the planning, design, engineering, and
941 construction of the Comprehensive Everglades Restoration Plan as
942 set forth in s. 373.470, including the Central Everglades
943 Planning Project, the Everglades Agricultural Area Storage
944 Reservoir Project, the Lake Okeechobee Watershed Project, the C-
945 43 West Basin Storage Reservoir Project, the C-44 Reservoir
946 Project, the Western Everglades Restoration Project, the C-111
947 South-Dade Project, and the Picayune Strand Restoration Project.
948 The Department of Environmental Protection and the South Florida
949 Water Management District shall give preference to those
950 Everglades restoration projects that reduce harmful discharges
951 of water from Lake Okeechobee to the St. Lucie or Caloosahatchee
952 estuaries in a timely manner. For the purpose of performing the
953 calculation provided in this subparagraph, the amount of debt
954 service paid pursuant to paragraph (a) for bonds issued after

601444

576-02209-17

955 July 1, 2016, for the purposes set forth under paragraph (b)
956 shall be added to the amount remaining after the payments
957 required under paragraph (a). The amount of the distribution
958 calculated shall then be reduced by an amount equal to the debt
959 service paid pursuant to paragraph (a) on bonds issued after
960 July 1, 2016, for the purposes set forth under this
961 subparagraph.
962 2. A minimum of the lesser of 7.6 percent or \$50 million
963 shall be appropriated annually for spring restoration,
964 protection, and management projects. For the purpose of
965 performing the calculation provided in this subparagraph, the
966 amount of debt service paid pursuant to paragraph (a) for bonds
967 issued after July 1, 2016, for the purposes set forth under
968 paragraph (b) shall be added to the amount remaining after the
969 payments required under paragraph (a). The amount of the
970 distribution calculated shall then be reduced by an amount equal
971 to the debt service paid pursuant to paragraph (a) on bonds
972 issued after July 1, 2016, for the purposes set forth under this
973 subparagraph.
974 3. The sum of \$5 million shall be appropriated annually
975 each fiscal year through the 2025-2026 fiscal year to the St.
976 Johns River Water Management District for projects dedicated to
977 the restoration of Lake Apopka. This distribution shall be
978 reduced by an amount equal to the debt service paid pursuant to
979 paragraph (a) on bonds issued after July 1, 2016, for the
980 purposes set forth in this subparagraph.
981 4. The sum of \$35 million shall be appropriated annually to
982 the St. Johns River Water Management District for projects
983 dedicated to the restoration of the St. Johns River and its

601444

576-02209-17

984 tributaries or the Keystone Heights Lake Region. Such funds may
985 be used for land management and acquisition and for recreational
986 opportunity and public access improvements connected with these
987 areas. This distribution shall be reduced by an amount equal to
988 the debt service paid pursuant to paragraph (a) on bonds issued
989 after July 1, 2017, for the purposes set forth in this
990 subparagraph.

991 5. The sum of \$2 million shall be appropriated annually to
992 the Department of Environmental Protection to be distributed in
993 accordance with the existing interlocal agreement among the
994 Village of Islamorada, the Key Largo Wastewater Treatment
995 District, the City of Marathon, the Monroe County/Florida Keys
996 Aqueduct Authority, the City of Key West, and Key Colony Beach,
997 to address water quality issues and for the purposes of
998 constructing sewage collection, treatment, and disposal
999 facilities; implementing stormwater collection and treatment
1000 systems; canal restoration and muck remediation projects; and
1001 projects that protect and enhance water supply in the Florida
1002 Keys Area of Critical State Concern and the City of Key West
1003 Area of Critical State Concern; or, for the purposes of land
1004 acquisition within the Florida Keys Area of Critical Concern as
1005 authorized pursuant to s. 259.045 with increased priority given
1006 to those acquisitions that achieve a combination of conservation
1007 goals, including protecting Florida's water resources and
1008 natural groundwater recharge. A local government requesting
1009 disbursement pursuant to this appropriation shall provide the
1010 Department of Environmental Protection with such documentation
1011 as the department deems necessary to verify that the costs are
1012 properly incurred and work has been performed.

601444

576-02209-17

1013 6. A sum of \$20 million shall be appropriated annually to
1014 offset or partially offset property owner costs incurred to
1015 retrofit onsite sewage treatment and disposal systems determined
1016 by the Department of Environmental Protection to be individually
1017 or collectively contributing excess nutrient pollution in the
1018 counties contributing to the Indian River Lagoon, the St. Lucie
1019 and Caloosahatchee estuaries, and their watersheds; to connect
1020 properties with such onsite systems to central sewer systems; or
1021 to conduct muck dredging and large-scale stormwater improvements
1022 in counties contributing to the Indian River Lagoon, the St.
1023 Lucie and Caloosahatchee estuaries, and their watersheds. The
1024 Department of Environmental Protection is authorized to use the
1025 appropriated funds to make grants or provide other forms of
1026 financial assistance to local governments and other entities for
1027 these purposes.

1028 Section 10. Section 403.0878, Florida Statutes, is created
1029 to read:

1030 403.0878 Water reuse grant program.—The department shall
1031 establish a water reuse grant program. The department shall use
1032 funds specifically appropriated to award grants under this
1033 section to assist wastewater treatment facilities to expand the
1034 facilities' capacity to make reclaimed water available for
1035 reuse.

1036 (1) In accordance with rules adopted by the department
1037 pursuant to this section, the department may provide grants,
1038 from funds specifically appropriated for this purpose, to
1039 wastewater facilities for up to 100 percent of the costs of
1040 planning, designing, constructing, upgrading, or replacing
1041 wastewater collection, transmission, and treatment designed to

601444

576-02209-17

1042 expand the facility's capacity to make reclaimed water available
1043 for reuse.

1044 (2) The department's rules must:

1045 (a) Require that projects to plan, design, construct,
1046 upgrade, or replace wastewater collection, transmission,
1047 treatment, and reuse facilities be cost-effective,
1048 environmentally sound, permittable, and implementable.

1049 (b) Require grant applications to be submitted on
1050 appropriate forms with appropriate supporting documentation, and
1051 require records to be maintained.

1052 (c) Establish a system to determine eligibility of grant
1053 applications.

1054 (d) Establish a system to determine the relative priority
1055 of grant applications. The system must consider public health
1056 protection and water pollution abatement.

1057 (e) Establish requirements for competitive procurement of
1058 engineering and construction services, materials, and equipment.

1059 (f) Provide for termination of grants when program
1060 requirements are not met.

1061 (3) The department must perform adequate overview of each
1062 awarded grant, including technical review, regular inspections,
1063 disbursement approvals, and auditing, to successfully implement
1064 this section.

1065 (4) The department may use up to 2 percent of the grant
1066 funds made available each year for the costs of program
1067 administration.

1068 (5) Recipients of financial assistance under this section
1069 may receive disbursements based upon invoiced costs and are not
1070 required to request advance payment pursuant to s. 216.181(16).

601444

576-02209-17

1071 Proof of payment of invoiced costs shall be submitted before or
1072 concurrent with the recipient's next disbursement request.

1073 Section 11. The Legislature finds that sufficient water
1074 availability is a paramount concern for existing and future
1075 reasonable-beneficial uses and natural systems in this state.
1076 The projected population of this state is estimated to exceed 25
1077 million by the year 2040, and cooperative efforts between
1078 municipalities, counties, utility companies, private landowners,
1079 water consumers, water management districts, regional water
1080 supply authorities, the Department of Environmental Protection,
1081 and the Department of Agriculture and Consumer Services are
1082 necessary in order to meet water needs in a manner that will
1083 supply adequate and dependable supplies of water where needed
1084 without causing adverse effects in the area from which water is
1085 withdrawn. Water supply projects should employ all practical
1086 means of obtaining water, including, but not limited to,
1087 withdrawals of surface water and groundwater, reclaimed water,
1088 and desalination, and properly implementing these projects will
1089 require cooperation and well-coordinated activities. Therefore,
1090 it is the policy of this state that projects to increase water
1091 supply be planned on a regional basis.

1092 Section 12. Present paragraph (f) of subsection (5) of
1093 section 215.44, Florida Statutes, is redesignated as paragraph
1094 (g), and a new paragraph (f) is added to that subsection, to
1095 read:

1096 215.44 Board of Administration; powers and duties in
1097 relation to investment of trust funds.-

1098 (5) On or before January 1 of each year, the board shall
1099 provide to the Legislature a report including the following

601444

576-02209-17

1100 items for each fund which, by law, has been entrusted to the
1101 board for investment:

1102 (f) A summary of the type and amount of potential water
1103 supply investments that will have the effect of increasing water
1104 supply in the state on a regional basis.

1105 Section 13. Section 403.890, Florida Statutes, is amended
1106 to read:

1107 403.890 Water Protection and Sustainability Program.—

1108 (1) Revenues deposited into or appropriated to the Water
1109 Protection and Sustainability Program Trust Fund shall be
1110 distributed by the Department of Environmental Protection for
1111 the following purposes in the following manner:

1112 (a) (1) Sixty-five percent to the Department of
1113 Environmental Protection for The implementation of an
1114 alternative water supply program as provided in s. 373.707.

1115 (b) The water storage facility revolving loan fund as
1116 provided in s. 373.478.

1117 (2) Revenues deposited into or appropriated to the Water
1118 Protection and Sustainability Program Trust Fund for purposes of
1119 the water storage facility revolving loan fund may only be used
1120 for such purposes.

1121 ~~(2) Twenty-two and five-tenths percent for the~~
1122 ~~implementation of best management practices and capital project~~
1123 ~~expenditures necessary for the implementation of the goals of~~
1124 ~~the total maximum daily load program established in s. 403.067.~~
1125 ~~Of these funds, 83.33 percent shall be transferred to the credit~~
1126 ~~of the Department of Environmental Protection Water Quality~~
1127 ~~Assurance Trust Fund to address water quality impacts associated~~
1128 ~~with nonagricultural nonpoint sources. Sixteen and sixty-seven~~

601444

576-02209-17

1129 ~~hundredths percent of these funds shall be transferred to the~~
1130 ~~Department of Agriculture and Consumer Services General~~
1131 ~~Inspection Trust Fund to address water quality impacts~~
1132 ~~associated with agricultural nonpoint sources. These funds shall~~
1133 ~~be used for research, development, demonstration, and~~
1134 ~~implementation of the total maximum daily load program under s.~~
1135 ~~403.067, suitable best management practices or other measures~~
1136 ~~used to achieve water quality standards in surface waters and~~
1137 ~~water segments identified pursuant to s. 303(d) of the Clean~~
1138 ~~Water Act, Pub. L. No. 92-500, 33 U.S.C. ss. 1251 et seq.~~
1139 ~~Implementation of best management practices and other measures~~
1140 ~~may include cost-share grants, technical assistance,~~
1141 ~~implementation tracking, and conservation leases or other~~
1142 ~~agreements for water quality improvement. The Department of~~
1143 ~~Environmental Protection and the Department of Agriculture and~~
1144 ~~Consumer Services may adopt rules governing the distribution of~~
1145 ~~funds for implementation of capital projects, best management~~
1146 ~~practices, and other measures. These funds shall not be used to~~
1147 ~~abrogate the financial responsibility of those point and~~
1148 ~~nonpoint sources that have contributed to the degradation of~~
1149 ~~water or land areas. Increased priority shall be given by the~~
1150 ~~department and the water management district governing boards to~~
1151 ~~those projects that have secured a cost-sharing agreement~~
1152 ~~allocating responsibility for the cleanup of point and nonpoint~~
1153 ~~sources.~~

1154 ~~(3) Twelve and five tenths percent to the Department of~~
1155 ~~Environmental Protection for the Disadvantaged Small Community~~
1156 ~~Wastewater Grant Program as provided in s. 403.1838.~~

1157 ~~(3)(4) On June 30, 2009, and every 24 months thereafter,~~

601444

576-02209-17

1158 the Department of Environmental Protection shall request the
1159 return of all unencumbered funds distributed for the purposes of
1160 the alternative water supply program pursuant to this section.
1161 These funds shall be deposited into the Water Protection and
1162 Sustainability Program Trust Fund and redistributed for such
1163 purposes pursuant to the provisions of this section.

1164 Section 14. The South Florida Water Management District and
1165 the Board of Trustees of the Internal Improvement Trust Fund
1166 shall notify the Division of Law Revision and Information no
1167 later than December 1, 2018, whether they have acquired land
1168 pursuant to s. 373.4598, Florida Statutes.

1169 Section 15. The Division of Law Revision and Information is
1170 directed to replace the phrase "the effective date of this act"
1171 wherever it occurs in this act with the date the act becomes a
1172 law.

1173 Section 16. Contingent upon bonds being issued for the
1174 purposes of s. 373.4598, Florida Statutes, and if land is
1175 acquired pursuant to s. 373.4598(3)(a), Florida Statutes, the
1176 sum of \$64 million in recurring funds from the Land Acquisition
1177 Trust Fund is appropriated for the 2017-2018 fiscal year to pay
1178 debt service on bonds that implement this act and are issued
1179 pursuant to s. 215.613, Florida Statutes.

1180 Section 17. Contingent upon bonds being issued for the
1181 purposes of s. 373.4598, Florida Statutes, and if land is
1182 acquired pursuant to s. 373.4598(3)(a), Florida Statutes, the
1183 sum of \$36 million in recurring funds from the Land Acquisition
1184 Trust Fund is appropriated for the 2018-2019 fiscal year to pay
1185 debt service on bonds that implement this act and are issued
1186 pursuant to s. 215.613, Florida Statutes.

601444

576-02209-17

1187 Section 18. Contingent upon bonds being issued for the
1188 purposes of s. 373.4598, Florida Statutes, and if land is
1189 acquired pursuant to s. 373.4598(3)(b), Florida Statutes, the
1190 sum of \$100 million in recurring funds from the Land Acquisition
1191 Trust Fund is appropriated for the 2018-2019 fiscal year to pay
1192 debt service on bonds that implement this act and are issued
1193 pursuant to s. 215.613, Florida Statutes.

1194 Section 19. Except as otherwise expressly provided in this
1195 act, this act shall take effect upon becoming a law.
1196

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: CS/SB 10

INTRODUCER: Appropriations Committee (Recommended by Appropriations Subcommittee on the Environment and Natural Resources); and Senators Bradley and Flores

SUBJECT: Water Resources

DATE: April 7, 2017

REVISED: _____

	ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1.	<u>Istler</u>	<u>Rogers</u>	<u>EP</u>	<u>Favorable</u>
2.	<u>Reagan</u>	<u>Betta</u>	<u>AEN</u>	<u>Recommend: Fav/CS</u>
3.	<u>Reagan</u>	<u>Hansen</u>	<u>AP</u>	<u>Fav/CS</u>

I. Summary:

CS/SB 10:

- Establishes options for providing additional water storage south of Lake Okeechobee, including the:
 - Everglades Agricultural Area (EAA) reservoir project with the goal of providing a minimum of 240,000 acre-feet of water storage; and
 - C-51 reservoir project with the goal of providing approximately 60,000 acre-feet of water storage.
- Authorizes the Board of Trustees of the Internal Improvement Trust Fund (TIITF) and the South Florida Water Management District (SFWMD) to negotiate the amendment or termination of leases on lands within the EAA for exchange or use for the EAA reservoir project.
- Requires lease agreements relating to land in the EAA leased to the Prison Rehabilitative Industries and Diversified Enterprises, Inc., (PRIDE Enterprises) for an agricultural work program to be terminated in accordance with the lease terms.
- Requires the SFWMD, upon the effective date of the act, to identify the lessees of the approximately 3,200 acres of land owned by the state or the district west of the A-2 parcel and east of the Miami Canal and the private property owners of the approximately 500 acres of land surrounded by such lands;
- Requires the SFWMD, by July 31, 2017, to contact the lessors and landowners of such lands to express the SFWMD's interest in acquiring the land through the purchase or exchange of lands or by the amendment or termination of lease agreements.
- Requires the SFWMD to jointly develop a post-authorization change report with the United States Army Corps of Engineers (USACE) for the Central Everglades Planning Project (CEPP) to revise the project component located on the A-2 parcel for implementation of the EAA reservoir project.

- Requires that if, for any reason, the post-authorization change report does not receive Congressional approval by October 1, 2018, unless the district has been granted an extension by the Legislature, the SFWMD begin the planning study for the EAA reservoir project by October 31, 2018, and proceed with the A-2 parcel project component of CEPP in accordance with the project implementation report.
- Requires the SFWMD to give preference to the hiring of former agricultural workers primarily employed during 36 of the past 60 months in the EAA, consistent with their qualifications and abilities, for the construction and operation of the EAA reservoir project.
- Establishes the Everglades Restoration Agricultural Community Employment Training Program within the Department of Economic Opportunity to provide grants for employment programs that seek to match persons who complete such training programs to nonagricultural employment opportunities in areas of high agricultural employment, and to provide other training, educational, and information services necessary to stimulate the creation of jobs in the areas of agricultural unemployment. The program is required to include opportunities to obtain the qualifications and skills necessary for jobs related to federal and state restoration projects, the Airglades Airport in Hendry County, or an inland port in Palm Beach County.
- Establishes a revolving loan fund to provide funding assistance to local governments and water supply entities for the development and construction of water storage facilities.
- Revises the uses of the Water Protection and Sustainability Program Trust Fund to include the water storage facility revolving loan program.
- Prohibits, beginning July 1, 2017, the use of inmates for correctional work programs in the agricultural industry in the EAA or in any area experiencing high unemployment rates in the agricultural sector.
- Beginning in Fiscal Year 2018-2019, appropriates the sum of \$100 million from the Land Acquisition Trust Fund (LATF) to the Everglades Trust Fund for the purpose of implementing the water storage reservoir projects, with the remainder of such funds in any fiscal year to be made available for Everglades projects.

The bill provides the following appropriations for the 2017-2018 fiscal year:

- The sum of \$30 million in nonrecurring funds from the LATF is appropriated to the Everglades Trust Fund for the purposes of acquiring land or negotiating leases pursuant to s. 373.4598(4), F.S., or for any cost related to the planning or construction of the EAA reservoir project.
- The sum of \$3 million in nonrecurring funds from the LATF to the Everglades Trust Fund for the purposes of developing the post-authorization change report pursuant to s. 373.4598, and the sum of \$1 million in nonrecurring funds from the LATF to the Everglades Trust Fund for the purposes of negotiating Phase II of the C-51 reservoir project pursuant to s. 373.4598, F.S.
- The sum of \$30 million in nonrecurring funds from the LATF to the Water Resource Protection and Sustainability Program Trust Fund for the purposes of implementing Phase I of the C-51 reservoir project as a water storage facility in accordance with ss. 373.4598 and 373.475, F.S.

II. Present Situation:

Florida Forever Bonds

Pursuant to Art. VII, s. 11(e) of the State Constitution, the issuance of Florida Forever bonds is authorized in s. 215.618, F.S.¹ Florida Forever bonds pledge part of a dedicated state tax revenue: documentary stamp taxes. Documentary stamp taxes are levied on deeds and other documents related to real property and are collected under ch. 201, F.S. Florida Forever bonds are authorized to be issued up to \$5.3 billion.² Two billion dollars in Florida Forever bonds have been issued, which leaves \$3.3 billion in remaining statutory authority.³

The total amount of debt service payments are limited to \$300 million per Fiscal Year.⁴ The debt service for such bonds is required to be specifically appropriated in the General Appropriations Act in the fiscal year in which the bonds are issued.⁵ There is currently \$1.05 billion outstanding for Florida Forever bonds.⁶ The proceeds from the sale of Florida Forever bonds are required to be deposited into the Florida Forever Trust Fund to be distributed by the Department of Environmental Protection as provided in the Florida Forever Act.⁷

Lake Okeechobee and the Central Everglades Overview

In the mid-1800s the state began planning for the development of Central and South Florida, with the primary obstacle being water.⁸ Extensive drainage projects were implemented to enable land development for urban and agricultural uses. In the early 1900s the St. Lucie and Caloosahatchee Rivers were widened and deepened for navigation and to serve as outlets from Lake Okeechobee to the east and west, respectively. After major hurricanes devastated the region in the 1920s and 1940s, the state partnered with the federal government, through the United States Army Corps of Engineers (USACE), to implement additional flood control projects that were necessary for the land development to progress. Congress authorized the Central and Southern Florida Project (C&SF) in 1948.⁹

¹ Section 11(e), Art. X of the State Constitution authorizes the issuance of bonds by the state in a manner provided by general law, which pledges all or part of a dedicated state tax revenue to finance or refinance the acquisition and improvement of land, water areas, and related property interests and resources for the purposes of conservation, outdoor recreation, water resource development, restoration of natural systems, and historic preservation.

⁹ The Flood Control Act of 1948 (P.L. 858, 80th Congress, 2nd Session).

The C&SF included channelizing the Kissimmee River; draining the area south of the lake, known as the Everglades Agricultural Area for agricultural production; and diking Lake Okeechobee for flood protection.¹⁰ Additionally, central portions of the Everglades were diked to create water conservation areas (WCAs) to store water for water supply in the lower east coast and for deliveries to Everglades National Park.¹¹ While some fish and wildlife value was expected to remain in the WCAs, the only area intended for preservation in its natural state was Everglades National Park.¹²

Kissimmee River Basin

The Kissimmee River Basin extends from Orlando southward to Lake Okeechobee and encompasses approximately 3,000 square miles.¹³ The C&SF project turned the once meandering 103 mile Kissimmee River into a 56-mile long, 30-foot deep canal called the C-38.¹⁴ The resulting floodplain, the remnant river channels, and the C-38 canal are collectively referred to as the channelized system.¹⁵ Prior to channelization the flow of the river inundated much of the floodplain for a majority of the year.¹⁶ While the project proved successful for flood control, it had a significant impact on the wetland ecosystem.¹⁷ The first public hearing to discuss the restoration of the Kissimmee River was held just one year after the channelization was completed.¹⁸

Lake Okeechobee

Lake Okeechobee is the second largest freshwater lake located entirely within the contiguous United States, covering approximately 730 square miles.¹⁹ The waters of the lake were impounded by a system of encircling levees, collectively referred to as the Herbert Hoover Dike.²⁰ The lake is managed as a multi-purpose reservoir for navigation, water supply, flood control, and recreation.²¹

Thirty-nine percent of the water that comes into the lake is from direct rainfall, 31 percent comes from the Kissimmee River, and then a smaller percentage of the water flows from other areas such as Fisheating Creek and Taylor Creek/Nubbin Slough.²² Prior to the construction of the Herbert Hoover Dike, water would flow from the Kissimmee River Basin into the lake and, once the lake would fill, water would overflow the lake’s southern rim and deliver sheet flow runoff to the Everglades.²³

Because of the acceleration of the flows into the lake as a result of C&SF and land use modifications, the water quality in the lake has degraded over time due to high phosphorous loadings.²⁴ The Total Maximum Daily Load for Lake Okeechobee proposes an annual load of 140 metric tons (mt) of phosphorous to achieve an in-lake target phosphorous concentration of 40 parts per billion (ppb) in the pelagic zone of the lake.²⁵

The lake’s outlets with the largest capacity include eastward (S-308) through the St. Lucie Canal to the Atlantic Ocean and westward (S-77) through the Caloosahatchee River Canal to the Gulf of Mexico.²⁶ Additionally, water flows out of the lake through the four major agricultural

canals-the West Palm Beach Canal (S-352), the Hillsboro and North New River Canals (S-351), and the Miami Canal (S-354).²⁷

The USACE, in conjunction with the South Florida Water Management District (SFWMD) regulates the outlet structures to manage lake levels.²⁸ After back-to-back hurricanes in South Florida in 2004 and 2005 and the devastation in Louisiana caused by Hurricane Katrina, the USACE launched a major effort to rehabilitate the Herbert Hoover Dike in light of concerns regarding its structural integrity. Concerns regarding the dam's ability to perform satisfactorily for Lake Okeechobee levels above an elevation of 15.5 ft. resulted in the labeling of the project as high-risk.²⁹ The Lake Okeechobee Regulation Schedule Study was initiated to design an alternative schedule to lower the normal operating limits of the lake.³⁰

The Lake Okeechobee Regulation Schedule (LORS) was implemented in April of 2008. The revised schedule lowered the maximum stage of the lake from 18.5 ft. to 17.25 ft. with the primary goal of maintaining the lake between 12.5 ft. and 15.5 ft. The areas most affected by a change to the lake's regulation schedule were the lake itself, particularly the littoral and marsh areas of the lake, and the St. Lucie and Caloosahatchee estuaries.³¹ Additionally, because the LORS high management band is 1.00 to 1.75 ft. lower than the previous schedule, the revision to the schedule resulted in a loss of storage ranging from 460,000 to 800,000 acre-feet depending on the time of year.³²

The USACE expects to operate under the LORS until the earlier of the implementation of a new Lake Okeechobee schedule as a component of the system-wide operating plan to accommodate Everglades restoration projects or the completion of Herbert Hoover Dike seepage berm construction or equivalent dike repairs.³³ According to the latest Integrated Delivery Schedule, rehabilitation of the Herbert Hoover Dike should be completed by 2025 and initiation of a new lake regulation schedule study would begin in 2022.³⁴

Caloosahatchee River Watershed

The Caloosahatchee River was originally a shallow, meandering river with headwaters near Lake Okeechobee.³⁵ In the early 1900s, the river was modified and now functions as the C-43 canal.³⁶ The canal is divided into freshwater and marine segments by a series of locks.³⁶ The river conveys freshwater to the Caloosahatchee Estuary through the S-79 structure from both runoff from the Caloosahatchee River Watershed and releases from Lake Okeechobee.³⁷

Approximately half of the volume of water that reaches the Caloosahatchee Estuary is water that passed through the S-77 structure from Lake Okeechobee.³⁸ The hydrological changes have affected the timing distribution, quality and volume of freshwater entering the estuary, which has resulted in negative ecological impacts.³⁹ Excess water that is released results in an unnatural surge of freshwater to the Caloosahatchee River and reduces the estuarine salinity levels.⁴⁰ Alternately, during the dry season, little to no water is released to the river, which causes the

salinity levels to increase.⁴¹ Both high and low salinity levels trigger die-offs of seagrasses and oysters, species that are indicators of the estuary's overall health.⁴²

St. Lucie River Watershed

In the 1800s local residents dug an inlet to provide direct access to the Atlantic Ocean, effectively changing the river into an estuary.⁴³ Then in the early 1890s the St. Lucie River was altered to provide an outlet from Lake Okeechobee to the Atlantic Ocean. The inland portion of the St. Lucie Estuary is composed of a North Fork and a South Fork, which converge at the Roosevelt Bridge to form a single waterbody that extends eastward and joins the Indian River Lagoon.⁴⁴ The St. Lucie River, referred to as the C-44 Canal, is used for navigation and releases from Lake Okeechobee.⁴⁵ The C-44 Canal is the largest overflow canal for Lake Okeechobee.⁴⁶

Home to more than 4,300 species of plants and animals and supporting an annual economic contribution of more than \$730 million, the St. Lucie Estuary and the Indian River Lagoon are two of the country's most productive and threatened estuaries.⁴⁷ The estuary is affected by freshwater runoff from agricultural and urban sources in the watershed and freshwater releases from Lake Okeechobee.⁴⁸ Approximately 42 percent of the freshwater inflows from canals that

⁴⁸ *Id.*

discharge into the St. Lucie Estuary are from Lake Okeechobee and these discharges carry significant nutrient loads, which have a known impact on the estuary.⁴⁹

Everglades Agricultural Area

The Everglades Agricultural Area (EAA) consists of lands located within the eastern portion of Hendry County and western portion of Palm Beach County.⁵⁰ This area includes approximately 700,000 acres of fertile agricultural land, a large portion of which is dedicated to the production of sugarcane.⁵¹ This area is considered one of the most important agricultural regions in Florida.⁵² Water is supplied and managed in the EAA through conveyance and drainage canals including the Miami, the North New River, the Hillsboro, and the West Palm Beach Canals, which traverse north and south, and the Bolles and Cross Canals, which traverse east and west.⁵³

Restoration Efforts

Beginning in the 1970s concerns regarding the effects of the C&SF began mounting. The design of system, while effective for flood control, resulted in unintended consequences including:

- Extreme fluctuations in high and low water levels in the lake;

⁴⁹ St. Lucie River and Estuary Basin Technical Stakeholders and FDEP, *Final Basin Management Action Plan for the Implementation of Total Maximum Daily Loads for Nutrients and Dissolve Oxygen by the FDEP in the St. Lucie River and Estuary Basin*, xiv (May 2013), available at <http://www.dep.state.fl.us/water/watersheds/bmap.htm> (last visited Jan. 31, 2017).

⁵² *LORS FSEIS* at 7.

⁵³ *Restudy* at 1-15.

- Extreme fluctuations between too much and too little freshwater discharged into the coastal estuaries;
- Detrimental hydrological conditions in freshwater wetland habitats; and
- Unsuitable freshwater flows to Florida Bay, Biscayne Bay, and the Lake Worth Lagoon.⁵⁴

With nearly half of the original footprint of the Everglades system drained and converted to urban and agricultural uses, there has been a substantial acceleration in the flow of water through the system and a significant reduction in water storage capacity.⁵⁵ The Central and Southern Florida Project Comprehensive Review Study Final Integrated Feasibility Report and Programmatic Environmental Impact Statement (Restudy) concluded:

The lack of storage in the system, particularly during wet periods, has led to ecological damage of Lake Okeechobee's littoral zone and damaging regulatory releases to the St. Lucie and Caloosahatchee estuaries. Conversely, in dry periods, this lack of storage has led to water supply shortages for both the human and natural environment.⁵⁶

Kissimmee River Restoration (KRR)

The Kissimmee River Restoration project (KRR) was authorized by Congress in 1992 with the goal of restoring a third of the river flood plain system that was altered when the river was channelized back in the 1960s. The project includes backfilling 22 miles of canals, removing water control structures, and reconnecting remnant river segments. The KRR is designed to attenuate peak flows into Lake Okeechobee and, once complete, the project is expected to provide an additional storage capacity of 130,000 acre-feet.⁵⁷ When restoration is complete in

2020, more than 40 square miles of river-floodplain ecosystem will be restored, including almost 20,000 acres of wetlands and 44 miles of the historic river channel.⁵⁸

Three construction phases are now complete, and a continuous water flow has been reestablished to 24 miles of meandering river.⁵⁹ The environmental improvements resulting from the project have already been documented.⁶⁰ In October of 2016, testing began to evaluate the ability to retain additional water in the Kissimmee River basin to reduce flows into Lake Okeechobee and, consequently, into the Caloosahatchee and St. Lucie estuaries.⁶¹

Comprehensive Everglades Restoration Plan (CERP)

In light of the unintended consequences of the C&SF, Congress required the USACE to reevaluate the performance and impacts of the project and to provide recommended improvements and modifications to restore the south Florida ecosystem and to protect the water quality in, and reduce the loss of freshwater from the Everglades and Florida Bay.⁶² The USACE, in coordination with the state, developed the Restudy which provided a recommended plan for Everglades restoration. The Comprehensive Everglades Restoration Plan (CERP) was approved by Congress in the Water Resources Development Act of 2000.⁶³

The Water Resources Development Act of 2000 provided the framework for the CERP as a 50/50 cost-share program between the state and the federal government. The CERP covers approximately 18,000 square miles and includes all or part of 16 counties in central and southern Florida, constituting about one-half of the State's population.⁶⁴ The future progress of the CERP projects and their relationship among other relevant state and federally funded South Florida ecosystem restoration projects is outlined in the Integrated Delivery Schedule (IDS).⁶⁵ The IDS is not an action or decision document, rather it is a guide for planning, design, construction sequencing, and budgeting.⁶⁶ The IDS serves as a communication tool that reflects diverse stakeholder input.⁶⁷

⁶⁵ *The Sixth Biennial Review* at 46.

⁶⁶ *Id.*

⁶⁷ *Id.* at 47.

The CERP includes more than 68 project components which focus on improving the water delivery and timing within the Everglades system by increasing the size of natural areas, improving water quality, releasing water in a manner that mimics historical flow patterns, and storing and distributing water for urban, agricultural, and ecological uses. Major features of the CERP include surface water storage reservoirs, water preserve areas, management of Lake Okeechobee as an ecological resource, improvement of water deliveries to the estuaries, underground water storage, treatment wetlands, improvement of water deliveries to the Everglades, removal of barriers to sheet flow, storage of water in existing quarries, reuse of wastewater, and the improvement of water flows to Florida Bay.⁶⁸

CERP: Aquifer Storage and Recovery

The CERP recommended the construction and operation of up to 333 Aquifer Storage and Recovery (ASR) systems located throughout South Florida.⁶⁹ ASR systems are designed to store large volumes of water in the Floridan Aquifer System during the wet periods for subsequent recovery during dry periods. In 2015 the ASR Regional Study was completed and found that large capacity ASR systems could be built and operated in South Florida; however, due to groundwater monitoring evaluations, the study recommended that the overall number of wells be

⁶⁸ Restudy at vii-ix.

⁶⁹ USACE, *Aquifer Storage and Recovery (ASR) Regional Study Fact Sheet* (June 2015), available at http://www.saj.usace.army.mil/Portals/44/docs/FactSheets/ASR_FS_June2015_web.pdf (last visited Jan. 31, 2017).

reduced to 131, or about one-third of the original proposed amount.⁷⁰ Overall, the amount of water that can be stored through ASR was reduced by about 60 percent.⁷¹ Additionally, two pilot projects were completed: one in the Kissimmee Basin and one near the Hillsboro Canal, which determined that ASR systems north of Lake Okeechobee could achieve a rate of recoverability of upwards of 100 percent of stored water due to the freshwater quality of the aquifer in that region, but, conversely, ASR systems south of the lake, because of the brackish quality of the aquifer in that region, would require successive cycles over a few years to achieve a target of 70 percent recoverability.⁷²

CERP: C-43 Basin Storage Reservoir

The Caloosahatchee River (C-43) West Basin Storage Reservoir project is designed to help ensure that a more consistent, natural flow of freshwater is delivered to the estuary. The project is designed to capture and store runoff from the local basin along with a portion of water discharged from Lake Okeechobee to be released slowly to the estuary as needed.⁷³ The project includes an above-ground reservoir with the total storage capacity of 170,000 acre-feet.⁷⁴ The first phase of construction began in late 2015 and is anticipated to be completed in 2020.⁷⁵

CERP: Indian River Lagoon – South

The Indian River Lagoon–South (IRL-S) project is designed to help restore the balance of fresh and salt water in the lagoon and estuary and capture, store, and treat runoff from the local basins before it enters the natural system.⁷⁶ The IRL-S includes one above-ground storage reservoir in the C-44, C-23, C-24, and C-25 basins, with a total storage capacity of approximately 200,000 acre-feet, and three stormwater treatment areas (STAs).⁷⁷ Additionally, water from the C-23/C-24 basin will be redirected to the North Fork of the St. Lucie River to attenuate freshwater flows to the St. Lucie Estuary.⁷⁸ Construction is completed on some features included in the C-44 reservoir, including intake and drainage canals, access roads, and staging areas. Construction also began on the C-44 reservoir pump station and STA, with reservoir construction expected to be completed in 2019.⁷⁹

CERP: Central Everglades Planning Project (CEPP)

The Central Everglades Planning Project (CEPP) consists of a suite of the CERP projects whose purpose is to improve the quantity, quality, timing, and distribution of water flows to the Northern Estuaries, central Everglades, Everglades National Park, and Florida Bay while increasing the water supply for urban and agricultural users.⁸⁰ The CEPP received Congressional authorization in the 2016 Water Infrastructure Improvements for the Nation Act.⁸¹

The project is designed to send an annual average of approximately 210,000 acre-feet of water south from Lake Okeechobee and set the foundation for restoring the central portion of the Everglades ecosystem.⁸² The project includes:

- Increasing storage, treatment and conveyance of water south of Lake Okeechobee;
- Removing canals and levees within the central Everglades; and
- Retaining water within the Everglades National Park and protecting urban and agricultural areas to the east from flooding.⁸³

Some of the features included in the CEPP are an A-2 Flow Equalization Basin (FEB)⁸⁴ that will be integrated with the A-1 FEB, a project that is part of the Restoration Strategies Plan; removal of approximately six miles of the Old Tamiami Trail road; construction of seepage barriers; and increases in structural capacities.⁸⁵

Northern Everglades and Estuaries Protection Program (NEEPP)

The Northern Everglades and Estuaries Protection Program (NEEPP) was established to promote a comprehensive, interconnected watershed approach to protect Lake Okeechobee and the Caloosahatchee and St. Lucie watersheds. It includes the Lake Okeechobee Watershed Protection Program and the Caloosahatchee and St. Lucie River Watershed Protection Programs.⁸⁶ The NEEPP led to the creation of the Lake Okeechobee Phase II Technical Plan in 2008, which requires, in part, that the SFWMD:

- Provide for additional measures, including voluntary water storage and water quality improvements on private land, increase water storage and reduce excess water levels in Lake Okeechobee, and reduce excess discharges to the estuaries; and

⁸⁰ USACE and SFWMD, *Central Everglades Planning Project Final Project Implementation Report and Environmental Impact Statement*, 1-3 (July 2014), available at http://www.saj.usace.army.mil/Portals/44/docs/Environmental/CEPP/01_CEPP%20Final%20PIR-EIS%20Main%20Report.pdf (last visited Jan. 31, 2017).

⁸³ *Id.*

⁸⁴ A flow equalization basin (FEB) is a constructed storage feature used to capture and temporarily store peak stormwater flows. Water managers can move water from FEBs to Stormwater Treatment Areas (STAs) at steady rates to optimize STA performance and help achieve water quality improvement targets. See SFWMD, *Just the Facts: A-1 Flow Equalization Basin (FEB)*, available at https://www.sfwmd.gov/sites/default/files/documents/jtf_a1_feb.pdf (last visited Jan. 31, 2017).

⁸⁵ *Id.*

⁸⁶ Section 373.4595, F.S.

- Develop the appropriate water quantity storage goal to achieve the desired Lake Okeechobee range of lake levels and inflow volumes to the Caloosahatchee and St. Lucie estuaries while meeting the other water-related needs of the region, including water supply and flood protection.⁸⁷

The NEEPP provided the basis for the development of Basin Management Action Plans (BMAPs). A BMAP is the blueprint for restoring impaired water by reducing pollutant loadings to meet a Total Maximum Daily Load (TMDL). The BMAP is a comprehensive set of strategies including water quality and water storage projects, permit limits on wastewater facilities, urban and agricultural best management practices (BMPs), and conservation programs, to implement the nutrient load reductions necessary to achieve a TMDL.

The 2016 Legislature enacted, ch. 2016-1, Laws of Florida, to update and restructure the NEEPP to reflect and build upon the Department of Environmental Protection's implementation of BMAPs for Lake Okeechobee, the Caloosahatchee River and Estuary, and the St. Lucie River and Estuary. The BMAP will include the construction of water projects, water monitoring programs, and the implementation, verification, and enforcement of BMPs within these watersheds. The BMAPs are now required to include 5-, 10-, and 15-year milestones towards achieving the TMDLs for those water basins within 20 years.⁸⁸

River of Grass – U.S. Sugar Land Acquisition

In 2008, Governor Charlie Crist announced a plan to acquire more than 180,000 acres of agricultural land for Everglades restoration from the United States Sugar Corporation. The River of Grass planning process was started to evaluate the lands to be acquired under the plan and analyze how the land would affect the future of Everglades restoration. During this planning process, additional treatment capacity necessary to achieve state and federal Everglades water quality standards and the volume of storage needed to reduce damaging discharges and move more water south of the lake was evaluated.⁸⁹

Because of the magnitude of the acquisition, restoration projects were effectively put on hold during the re-evaluation process. Ultimately, the SFWMD approved an agreement on August 12, 2010, to purchase approximately 26,800 acres of land, substantially less land than originally envisioned, because of a decline in the SFWMD revenues.⁹⁰ Under the Second Amended and Restated Agreement for Purchase and Sale (Agreement), the SFWMD took ownership of approximately 17,900 citrus acres in Hendry County and 8,900 sugarcane acres in Palm Beach County.⁹¹

Under the Agreement, the SFWMD retained the following various options to purchase the remaining 153,200 acres of land over the next ten years:

⁸⁷ *Id.*

⁹¹ *Id.*

- An exclusive 3-year option to purchase either a specified 46,800 acres or the entire 153,200 acres at a fixed price of \$7,400 per acre. This option expired in 2013.
- After the expiration of this exclusive option period, a subsequent 2-year non-exclusive option to purchase approximately 46,800 acres at fair market value. This option expired in 2015.
- A subsequent 7-year non-exclusive option to purchase the remaining acres at fair market value. Because the previous options were not exercised, the entire remaining option property, approximately 153,200 acres, is available to be purchased. This option will expire in 2020.⁹²

Restoration Strategies

After years of litigation concerning the water quality in the Everglades Protection Area (EPA), a consent decree was entered in the case of *United States v. South Florida Water Management District* in 1992.⁹³ The consent decree, as implemented by the Everglades Forever Act in 1994, set forth a two-pronged approach consisting of building STAs and implementing best management practices (BMPs) in the EAA to reduce the total phosphorous levels in the Everglades Protection Area. The plan originally consisted of the construction of four STAs covering 35,000 acres, but by 2006 the need for additional STA acreage became clear. By 2010, approximately 57,000 acres of STAs were built and operating.⁹⁴ Subsequently conversations began between the United States Environmental Protection Agency and the SFWMD and, in 2012, they were able to reach a consensus on a new strategy for improving the water quality in the Everglades called the Restoration Strategies Regional Water Quality Plan.⁹⁵

Restoration Strategies is an \$800 million technical plan to complete a suite of projects intended to expand water quality improvement projects necessary to achieve phosphorous water quality standards. Under these strategies, the SFWMD must complete six projects that will create more than 6,500 acres of new STAs and 110,000 acre-feet of additional water storage.⁹⁶

⁹⁶ *Science Plan* at 3.

Design and construction of the projects is scheduled to be accomplished in three phases over a 12-year timeframe, with completion set for 2025.⁹⁷ In 2013, the Legislature appropriated \$32 million on a recurring basis through the 2023-2024 Fiscal Year to support the implementation of the plan.⁹⁸ The A-1 FEB, providing approximately 60,000 acre-feet of storage, was completed in 2015 and is currently in an operational and testing phase and has proved successful at improving the performance of the STAs, effectively reducing the total phosphorous loads to the STAs by approximately 80 percent.⁹⁹ The expansion of STA-1W is expected to be completed in December of 2018. The L-8 FEB is designed to provide 48,000 acre-feet of storage and substantial completion of the project has been achieved, except the outflow pump station, but full capacity is not yet available due to manufacturing issues with the pumping units.¹⁰⁰

Damaging Discharges from Lake Okeechobee to the Coastal Estuaries

Because of the lack of operational flexibility within the system's design, the LORS requires lake levels to be kept low before the wet season, to account for additional inflow to ensure that lake levels do not rise to dangerous levels, which could cause the dike to be breached.¹⁰¹ Furthermore, during a high rainfall event water enters into the lake from direct rainfall, large basins, and other sources, which causes the water levels in the lake to rise six times faster than can be discharged from the lake.¹⁰² The only outlets that are capable of quickly releasing the necessary volume of water from the lake are through the St. Lucie and Caloosahatchee Canals to the coastal estuaries.¹⁰³ Therefore, when heavy rainfall events occur, the only option in the current system to maintain safe lake levels is to send high volumes of water east and west.

For the majority of 2016, Martin, St. Lucie, and Lee counties were under a state of emergency due to the negative effects of freshwater discharges from Lake Okeechobee on the coastal communities and ecosystems.¹⁰⁴ Due to El Nino conditions, the dry season of Water Year 2016 (May 1, 2015-April 30, 2016) was unusually wet with 26.67 inches of rainfall, much greater than the long-term average of 12.78 inches.¹⁰⁵ January of 2016 was the wettest January on record, with rainfall amounts approximately 476 percent more than the historical average.¹⁰⁶ The wetter than normal dry season necessitated releases from Lake Okeechobee to the St. Lucie and Caloosahatchee estuaries, compounding the freshwater inflow to the estuaries from the local basins. From January to November of 2016, approximately 2.23 million acre-feet, which is approximately 727 billion gallons of freshwater, was released from Lake Okeechobee alone to the St. Lucie and Caloosahatchee estuaries.¹⁰⁷

High volume freshwater discharges have significant effects on the coastal estuaries. The releases from the lake along with other local basin inflows cause large fluctuations in salinity, which often expose the animal and plant life within the estuary to salinities outside of their tolerance ranges.¹⁰⁸ When the high flows last for a sustained time period, the impacts to the estuaries are more severe.¹⁰⁹ Species, such as oysters and seagrasses, become more susceptible to disease and

predation as the duration of the high volume discharges increase.¹¹⁰ Oysters and seagrasses are indicator species and are widely used to evaluate the effects of the discharges on overall estuarine health. Beginning in February the salinity levels of the St. Lucie Estuary dropped significantly. The levels rebounded slightly as the freshwater discharges decreased, but plummeted again at the end of May when the discharges were again increased. The drop in salinity levels greatly affected oyster spat recruitment in May of 2016.¹¹¹

In addition to requiring high volume discharges, higher lake stages correlate with algae blooms in the lake.¹¹² The lake receives large amounts of nutrients from its tributaries and has high levels of nutrients within the water column, which support the growth of algae blooms.¹¹³ Periodically conditions are just right and cyanobacteria, referred to as blue-green algae, rapidly reproduces to form a bloom.¹¹⁴ In May of 2016, a massive *Microcystis* algae bloom formed in Lake Okeechobee.¹¹⁵ The algae in the lake was sampled and tested positive for levels well above the low-level risk threshold.¹¹⁶ Operating under the LORS, the USACE continued the regulatory releases east and west to the coastal estuaries to maintain the lake's level. The discharges carried the algae from the lake through the C-44 canal and out through the S-80 structure into the St. Lucie Estuary.

The National Academies of Sciences, Engineering, and Medicine in their biennial review of Everglades restoration progress stated:

What causes *Microcystis* blooms in the St. Lucie Estuary? Philips et. al (2012) found that internally driven blooms are mainly limited to the north fork of the St. Lucie Estuary and occur during dry periods when water residence time is long enough to allow the algae to proliferate. Those blooms are mainly caused by a kind of algae called dinoflagellate. In contrast, externally driven blooms are much more severe, happen in the main stem of the estuary, and are caused by *Microcystis*. Philips et al. (2012) documented that the 2005 algal bloom, which coincided with regulatory water discharges from the lake, was seeded by an upstream bloom that happened in Lake Okeechobee...It is highly likely that the same situation occurred in 2016.

The *Microcystis* algae bloom covered the waterways of the St. Lucie River and Estuary during the peak of the 2016 tourist season. Health advisories were issued and even some of the beaches closed. Usually the *Microcystis* algae blooms, which consists of freshwater algae, are unable to

survive offshore, due to the high salinity levels. However, because the system had been experiencing high volume freshwater discharges for a long duration, the salinity levels offshore were low enough for the bloom to survive. Samples taken at Bathtub Reef Beach in Martin County confirmed that the algae present was highly toxic *Microcystis* algae.¹¹⁷

Exposure to algal toxins may occur through the consumption of tainted water, fish or shellfish; recreational activities; or inhalation of aerosolized toxins.¹¹⁸ The toxins can have a range of lethal and non-lethal effects on humans, wildlife, and companion animals.¹¹⁹ The excessive freshwater discharges in 2016 impacted not only the ecology of the estuaries, but the quality of life of the residents, regional property values, revenues of area businesses, and continue to have effects on the local economies.¹²⁰

Additional Storage

According to the National Academies of Sciences, Engineering, and Medicine in their biennial review of Everglades restoration progress, little has been accomplished through CERP to reduce the high volume discharges to the St. Lucie and Caloosahatchee estuaries.¹²¹ Additionally, the review noted that storage components in CERP have been scaled back and provided an analysis of the significance of that loss of storage. The review concluded that a scaled-back CERP under LORS has resulted in 104 and 167 percent increases in regulatory releases by volume to the St. Lucie and Caloosahatchee estuaries, respectively, compared to the original CERP projections under the previous regulation schedule.¹²²

The 2015 University of Florida Water Institute Study (UF Study), titled *Options to Reduce High Volume Freshwater Flows to the St. Lucie and Caloosahatchee Estuaries and Move More water From Lake Okeechobee to the Southern Everglades*, concluded that providing relief to the estuaries would require an enormous increase in storage and treatment both north and south of the lake and that all existing and currently authorized projects are insufficient to achieve these goals.¹²³ The KRR project is expected to attenuate the flows into Lake Okeechobee; the C-43 and C-44 reservoir projects are expected to significantly reduce local-basin flows into the estuaries; and Restoration Strategies and CEPP together are expected to increase the delivery of clean water to the Everglades.¹²⁴ The UF Study concluded, however, that even after all of these projects are completed as planned, the lake-triggered high volume discharges to the estuaries would be reduced by less than 55 percent.¹²⁵

% Reduction in Lake-Triggered High Discharges to the Northern Estuaries

Dry Season Everglades Demand Target Delivered – Standard Score

The UF Study provided two possible configurations that are expected to provide a 90 percent reduction in lake-triggered discharges. In the graphs above, the red stars represent system performance after 112,000 acre-feet of storage is added under current projects and the green stars represent the two possible configurations that would achieve 90 percent restoration.¹²⁶

Based on the modeling results, the UF Study made the following findings:

[These figures show] that storage can be effective at reducing damaging discharges to the St. Lucie and Caloosahatchee estuaries whether it is constructed north or south of the lake. Storage north of the lake is effective for managing lake levels within a desirable range and thus reducing damaging discharges to the estuaries. Furthermore, water storage and treatment is needed north of the lake to meet the Lake Okeechobee TMDL. However, due to the extended time it takes to route water from north of the lake to the Water Conservation Areas (WCAs), northern storage is not likely to be as effective as southern storage in meeting the timing and distribution objectives of the water deliveries to the [Everglades Protection Area]. Furthermore, it is likely that water stored north of the lake, if passed through the Lake or through perimeter canals subject to agricultural runoff, may need to undergo additional water quality treatment to meet applicable standards before it is released to the [Everglades Protection Area]. Thus, the additional required storage will be needed to be distributed both north and south of the lake to achieve all restoration objectives.¹²⁷

Lake Okeechobee Watershed Project

Planning began in August 2016 under the CERP for the Lake Okeechobee Watershed Project (LOW). The study area for the project consists of approximately 950,000 acres, primarily located north of Lake Okeechobee extending to Lake Istokpoga.¹²⁸ The LOW is designed to increase water storage capacity in the northern watershed, which will improve water levels in Lake Okeechobee; improve the quantity and timing of discharges to the St. Lucie and Caloosahatchee estuaries; restore degraded habitat for fish and wildlife; and increase the spatial extent and functionality of wetlands.¹²⁹ The following conceptual storage and restoration features under consideration to be included in the LOW are a Taylor Creek/Nubbin Slough storage and treatment area, a 5,000-acre reservoir with total storage capacity of 50,000 acre-feet; and the North of the Lake Okeechobee Storage Reservoir, a 17,500-acre reservoir with a total storage capacity of 200,000 acre-feet.¹³⁰

Everglades Agricultural Area Storage Reservoir

The EAA Storage Reservoirs – Phase I project was initially authorized in the Water Resources Development Act of 2000.¹³¹ The CERP originally planned for 360,000 acre-feet of storage located in the EAA.¹³² The initial design assumed 60,000 acres, divided into three, equally sized compartments with water depth fluctuating up to 6 ft.¹³³ The purpose of the project was to improve the timing of environmental water deliveries to the WCAs by reducing damaging flood releases from the EAA; reduce Lake Okeechobee regulatory releases to the estuaries; meet supplemental agricultural irrigation demands; and increase flood protection within the EAA.¹³⁴

Planning began under the assumption that the project would be located on lands associated with the Talisman Land purchase in the EAA and the Woerner South property acquisition.¹³⁵ A portion of such lands are commonly referred to as the A-1 and A-2 land parcels: A-1 consists of approximately 17,000 acres and A-2 consists of approximately 14,000 acres. In 2005, the State of Florida initiated the Acceler8 program to accelerate the funding, design, and construction of critical restoration projects, one of which was a part of Phase-I of the EAA Reservoir.¹³⁶

The SFWMD moved forward under the Acceler8 program and completed the detailed design and engineering work on the A-1 reservoir project, which was to be constructed on the A-1 land parcel, as depicted in Cell 1 on the map above.¹³⁷ During 2007, construction for the A-1 reservoir was in full swing and was expected to be completed in the spring of 2011.¹³⁸ Then, in May of 2008, a lawsuit was filed against the USACE alleging that the Section 404 Dredge and Fill Permit to construct the A-1 reservoir was inconsistent with the intent of the Water Resources Development Act of 2000 and the National Environmental Policy Act.¹³⁹ Due to this litigation and in light of the pending *River of Grass* land acquisition, the reservoir construction contract was terminated so that the site could be integrated into plans that would be developed following the major acquisition.¹⁴⁰

The state decided to use some of the Talisman lands to expand the existing STAs and another portion of the lands for interim shallow features to help improve the water quality and treatment in STA 3/4.¹⁴¹ To fulfill federal water quality standards, the A-1 Reservoir was converted to a FEB as part of the mandated Restoration Strategies Plan. The project is now in an operational testing and monitoring phase and has proved successful at improving the performance of the

STAs, effectively reducing the total phosphorous loads to the STAs by approximately 80 percent.¹⁴²

The A-2 land parcel, Cell 2 as depicted in the map above, is subject to lease agreements which are set to expire in 2018. The A-2 parcel is included in the project implementation report for the Central Everglades Planning Project (CEPP) as an FEB that will work in conjunction with the A-1 FEB. Cumulatively, the A-1 and A-2 FEBs will provide 116,000 acre-feet of storage, the primary purpose of which is to optimize the performance of the STAs.¹⁴³

C-51 Reservoir Project

The C-51 reservoir project is being developed by Palm Beach Aggregates, LLC, on 2,200 acres of their property in western Palm Beach County.¹⁴⁴ The project will consist of a reservoir and conveyance structures to provide water supply and water management benefits to participating water utilities and environmental benefits by reducing freshwater discharges to tide. Phase I of the project will provide 14,000 acre-feet of water storage and cost approximately \$161 million.¹⁴⁵ The SFWMD has declared Phase I of the C-51 reservoir project as one of its alternative water supply pilot projects. The water will be used to provide direct aquifer recharge to offset withdrawals from the Biscayne Aquifer. The Broward County Water and Wastewater Services, the City of Sunrise, the City of Lauderhill, and the City of Dania Beach have submitted letters of intent to utilize water made available by Phase I of the C-51 reservoir project. Phase II of the C-51 reservoir project is estimated to provide 46,000 acre-feet of water storage and cost approximately \$286 million.¹⁴⁶ Phase II of the project is being considered under some of the alternatives that are being modeled for the Loxahatchee River Watershed CERP project component.

State Revolving Loan Fund

The State Revolving Loan Fund (SRF) is a federal-state partnership that is administered by the state for the purpose of providing low-interest loans for investments in water and sanitation infrastructure, such as stormwater management facilities and drinking water treatment, as well as the implementation of nonpoint source pollution control and estuary protection projects.¹⁴⁷ The SRF receives its initial capital from federal grants and state funds, which then revolves through the repayment of principal and interest on outstanding loans.¹⁴⁸ The SRF program is the DEP's largest funding program and makes \$200-\$300 million or more available, primarily to local governments, each year.¹⁴⁹

The state currently administers two SRF programs: the Clean Water State Revolving Fund (CWSRF) under the federal Clean Water Act and the Drinking Water State Revolving Fund (DWSRF) under the federal Safe Drinking Water Act. Under the CWSRF there are generally eleven types of projects that are eligible under the program, including, but not limited to, projects for the construction, repair, or replacement of decentralized wastewater treatment systems; measures to manage, reduce, treat, or recapture stormwater; and measures to reduce the demand for publicly owned treatment works capacity through conservation, efficiency, or reuse.¹⁵⁰ Projects that address or prevent future violations of health-based drinking water standards are eligible under the DWSRF.¹⁵¹ This includes projects that are necessary to maintain compliance with existing national primary drinking water regulations for contaminants with acute and chronic health effects.¹⁵² Projects for dams or reservoirs, or projects needed primarily to serve future population growth are ineligible for assistance.¹⁵³

Land Acquisition Trust Fund and Legacy Florida

In 2014, Florida voters approved a constitutional amendment to provide a dedicated funding source for water and land conservation and restoration. The amendment required that, starting on July 1, 2015, for 20 years, 33 percent of net revenues derived from the existing excise tax on documents be deposited into the Land Acquisition Trust Fund (LATF).

To comply with Art. X, s.28 of the State Constitution, the Legislature, in the 2015 Special Session “A,” passed ch. 2015-229, L.O.F.¹⁵⁴ Chapter 2015-229, L.O.F., amended:

- Section 201.15, F.S., to conform to the constitutional requirement that the LATF receive at least 33 percent of net revenues derived from the existing excise tax on documents; and
- Section 375.041, F.S., to designate the LATF within the Department of Environmental Protection as the trust fund to serve as the depository for the constitutionally required funds.¹⁵⁵

In 2016, the legislature passed ch. 2016-201, Laws of Florida, referred to as “Legacy Florida.”¹⁵⁶ Legacy Florida amended s. 375.041, F.S., to provide minimum distributions required from the funds deposited into the LATF. Under s. 375.041, F.S., funds deposited into the LATF must be distributed in the following order:

- First, obligations relating to debt service, specifically:
 - First to payments relating to Florida Forever Bonds and Everglades restoration bonds; and
 - Then to payments relating to bonds issued before February 1, 2009, by the South Florida Water Management District and the St. Johns River Water Management District;
- Then, of the funds remaining after the payment of debt service, and before funds are authorized to be appropriated for other uses:

¹⁵⁰ See Environmental Protection Agency (EPA), *Overview of Clean Water State Revolving Fund Eligibilities*, 3 (May 2016), available at https://www.epa.gov/sites/production/files/2016-07/documents/overview_of_cwsrf_eligibilities_may_2016.pdf (last visited Mar. 9, 2017).

¹⁵⁶ Ch. 2016-201, Laws of Fla.

- A minimum of the lesser of 25 percent of the funds remaining or \$200 million annually for Everglades projects that implement the CERP, the Long-Term Plan,¹⁵⁷ and the NEEPP, with priority given to projects that reduce harmful discharges of water from Lake Okeechobee to the St. Lucie or Caloosahatchee estuaries in a timely manner. These funds are required to be distributed as follows:
 - \$32 million through the 2023-2024 Fiscal Year for the Long-Term Plan;
 - After deducting the \$32 million, a minimum of the lesser of 76.5 percent of the remainder or \$100 million through the 2025-2026 Fiscal Year for the CERP; and
 - The remainder for Everglades projects under the CERP, the Long-Term Plan, or the NEEPP.
- A minimum of the lesser of 7.6 percent of the funds remaining or \$50 million annually for springs restoration, protection, and management projects; and
- Five million annually for the restoration of Lake Apopka.¹⁵⁸
- Then, any remaining moneys are authorized to be appropriated from time to time for the purposes set forth in Art. X, s. 28 of the State Constitution.¹⁵⁹

The General Revenue Estimating Conference in December of 2016 estimated that for the 2017-2018 Fiscal Year a total of \$2.48 billion will be collected in documentary stamp taxes with \$814.1 million required to be deposited into the LATF in accordance with s. 28, Art. X of the State Constitution.¹⁶⁰

Water Protection and Sustainability Program Trust Fund

The Water Protection and Sustainability Program Trust Fund was created for the purpose of implementing the Water Sustainability Program created in s. 403.890, F.S.¹⁶¹ The revenues appropriated into or appropriated to the trust fund are required to be distributed by the DEP in the following manner:

- Sixty-five percent for the implementation of an alternative water supply program;¹⁶²
- Twenty-two and five-tenths percent for the implementation of best management practices and capital project expenditures necessary for the implementation of the goals of the total maximum daily load program; and
- Twelve and five-tenths percent for the Disadvantaged Small Community Wastewater Grant Program.¹⁶³

¹⁵⁷ Note that the “Long-Term Plan” includes the Restoration Strategies Regional Water Quality Plan.

¹⁵⁸ Section 375.041, F.S.

¹⁵⁹ *Id.*

¹⁶⁰ Office of Economic and Demographic Research, Revenue Estimating Conference, *Documentary Stamp Tax, Executive Summary* (Dec. 12, 2016) available at <http://www.edr.state.fl.us/Content/conferences/docstamp/docstampexecsummary.pdf>.

¹⁶¹ Section 403.891, F.S.

¹⁶² The term “alternative water supply” is defined in s. 373.019(1), F.S., to mean salt water; brackish surface and groundwater; surface water captured predominately during wet-weather flows; sources made available through the addition of new storage capacity for surface or groundwater, water that has been reclaimed after one or more public supply, municipal, industrial, commercial, or agricultural uses; the downstream augmentation of water bodies with reclaimed water; stormwater; and any other water supply source that is designated as nontraditional for a water supply planning region in the applicable regional water supply plan.”

¹⁶³ Section 403.890, F.S.

III. Effect of Proposed Changes:

Section 1 amends s. 201.15, F.S., to authorize the payment on debt service on bonds issued for the purposes of s. 373.4598, F.S., for the remainder of the Fiscal Year (FY) in which such bonds are issued to be specifically appropriated by law other than in the General Appropriations Act.

Section 2 amends s. 215.618, F.S., to provide that bond proceeds from Florida Forever bonds issued for the purposes of s. 373.4598, F.S., are exempt from certain distribution requirements.

Section 3 creates s. 373.4598, F.S. to set out legislative findings and intent, define terms, and provide for additional storage south of Lake Okeechobee, which is intended to reduce the damaging discharges to the St. Lucie and Caloosahatchee estuaries.

Everglades Agricultural Area lease agreements

The bill authorizes the South Florida Water Management District (SFWMD) and the Board of Trustees of the Internal Improvement Trust Fund (TIITF) to amend or terminate leases on lands within the Everglades Agricultural Area (EAA) for exchange or use for the EAA reservoir project. The bill requires that if after any such lease is terminated:

- The lessee must be permitted to continue to farm on a field-by-field basis until such time as the lessee's operations are incompatible with implementation of the EAA reservoir project, as reasonably determined by the lessor; and
- If ratoon, stubble, or residual crop remaining on the lease premises is harvested or otherwise used by the lessor or any third party, the lessee is entitled to be compensated for any documented, unamortized planting costs, and any unamortized capital costs associated with the lease and incurred prior to notice.

The SFWMD and TIITF are authorized to swap land, assign leases, and use other methods of providing valuable consideration in negotiating the amendments to or termination of such lease agreements.

The bill requires that any lease agreement relating to land in the EAA which is leased to the Prison Rehabilitative Industries and Diversified Enterprises, Inc., or PRIDE Enterprises for an agricultural work program be terminated in accordance with the terms of the lease agreement. Any such land that was previously leased is authorized to be made available by TIITF to the SFWMD for exchange for lands for the EAA reservoir project or be leased for agricultural purposes. If the lands are leased, any such lease must include provisions authorizing the lessor to terminate the lease at any time during the lease term to any portion, or all of the premises, to be used for an environmental restoration purpose. The terms of the lease may not require more than one-year's notice in order for such termination to be effective. Any agricultural owner managing lands subject to an agreement with PRIDE Enterprises must be given the right of first refusal in leasing any such lands.

Land acquisition

The bill authorizes the SFWMD to acquire land, if necessary, to implement the EAA reservoir project with the goal of providing at least 240,000 acre-feet of water storage south of Lake

Okeechobee. The bill specifically prohibits the use of eminent domain in the EAA for the purpose of implementing the EAA reservoir project.

The SFWMD is required, upon the effective date of the act, to identify the lessees of the approximately 3,200 acres of land owned by the state or the SFWMD west of the A-2 parcel and east of the Miami Canal and the private property owners of the approximately 500 acres of land that is surrounded by such lands. By July 31, 2017, the SFWMD is required to contact the lessors and landowners of the land identified to express the SFWMD's interest in acquiring land through the purchase or exchange of lands or by the amendment or termination of EAA lease agreements. The bill clarifies that if land swaps or purchases are necessary to assemble the required acreage, the participation of private landowners must be voluntary.

The bill requires the SFWMD to contact the TIITF to request that any lease of land identified, the title to which is vested in the TIITF, be amended or terminated. The TIITF is required to provide to the SFWMD, through direct acquisition in fee or by a supplemental agreement, any land that the title to which is vested in the TIITF which the SFWMD identifies as necessary to construct the EAA reservoir project. The bill clarifies that all appraisal reports, offers, and counteroffers in relation to any land acquired or exchanged are confidential and exempt from public records requirements as provided in current law.

The bill prohibits the total acreage necessary for additional water treatment from exceeding the amount reasonably required to meet state and federal water quality standards as determined using the water quality modeling tools of the SFWMD, specifically the Dynamic Model for Stormwater Treatment Areas Model modeling tool and other modeling tools that will be required in the planning and design of the EAA reservoir project. The bill provides that if additional land is necessary for the EAA reservoir project, the district must acquire that land from willing sellers of property in conjunction with the development of the post-authorization change report.

Post-authorization change report

The bill requires the SFWMD to request, by July 1, 2017, that the United States Army Corps of Engineers (USACE) jointly develop a post-authorization change report with the SFWMD for the project component of the Central Everglades Planning Project (CEPP) located on the A-2 parcel with the goal of increasing water storage provided by the project component to a minimum of 240,000 acre-feet. Upon agreement with the USACE, development of the report must begin by August 1, 2017, and does not preclude the implementation of the remaining CEPP project components.

Using the A-2 parcel and the additional land identified by the SFWMD and without modifying the A-1 parcel, the report is required to evaluate:

- The optimal configuration of the EAA reservoir project for providing at least 240,000 acre-feet of water storage; and
- Any necessary increases in canal conveyance capacity to reduce the discharges to the St. Lucie or Caloosahatchee estuaries.

If the SFWMD and the USACE determine that an alternate configuration of water storage and water quality features providing for significantly more water storage, but no less than 360,000

acre-feet of water storage, south of Lake Okeechobee can be implemented on a footprint that includes modification to the A-1 parcel, the SFWMD is authorized to recommend such an alternative configuration in the report. The bill requires that any such configuration include sufficient water quality treatment capacity to meet state and federal water quality standards.

The bill authorizes the SFWMD to begin the preliminary planning or construction of, or modification to, the project site to the extent appropriate and subject to the availability of funding, pending Congressional approval of the report. Upon receipt of Congressional approval, construction of the EAA reservoir project shall be completed parallel with construction of the other CEPP project components, subject to the availability of funding.

The SFWMD is required to report the status of the post-authorization change report to the Legislature by January 9, 2018. The status report must include information on the SFWMD's ability to obtain lease modifications and land acquisitions of the land identified. If the SFWMD in good faith believes that the post-authorization change report will receive ultimate Congressional approval, but that an extension of the October 1, 2018, deadline is needed, the SFWMD must include such a request in its status report and may be granted an extension by the Legislature. Any such extension must include a corresponding date by which the SFWMD, in coordination with the USACE, must begin the planning study for the EAA reservoir project and proceed with the A-2 parcel project component of CEPP in accordance with the project implementation report dated July 2014.

Planning study

If, for any reason, the post-authorization change report does not receive Congressional approval by October 1, 2018, and the SFWMD has not be granted an extension by the Legislature, the SFWMD must, in coordination with the USACE, begin the planning study for the EAA reservoir project by October 31, 2018, and proceed with the A-2 parcel project component of CEPP in accordance with the project implementation report dated July 2014.

The SFWMD when developing the planning study must focus on the goal of the EAA reservoir project, which is to provide additional water storage and conveyance south of the lake to reduce the volume of regulatory discharges of water from the lake to the east and west. Upon completion of the planning study and the finalization of the project implementation report, the SFWMD, in coordination with the USACE, shall seek Congressional authorization for the EAA reservoir project.

Option agreement

The SFWMD is required to terminate the Entire Option Property Non-Exclusive Option available to the SFWMD pursuant to the 2010 Second Amended and Restated Agreement at the request of the seller, if:

- The post-authorization change report receives Congressional approval; or
- The SFWMD certifies to the TIITF, the President of the Senate, and the Speaker of the House of Representatives that the acquisition of the land necessary for the EAA reservoir project has been completed.

Agricultural workers

The bill requires the SFWMD to give preferential consideration to the hiring of former agricultural workers primarily employed during 36 of the past 60 months in the EAA, consistent with their qualification and abilities, for the construction and operation of the EAA reservoir project. Any contract or subcontract for the construction and operation of the EAA reservoir project in which 50 percent or more of the cost is paid from state-appropriated funds must provide preference and priority in the hiring of such agricultural workers. The SFWMD is required to give preferential consideration to contract proposals that include the contractor's hiring practices training programs for such workers.

C-51 reservoir

The bill states that the C-51 reservoir project is a water storage facility that is located in western Palm Beach County south of the lake and consists of in-ground reservoirs and conveyance structures that will provide water supply and water management benefits to participating water supply utilities and environmental benefits by reducing freshwater discharges to tide and making water available for natural systems.

The SFWMD is authorized to negotiate with the owners of the C-51 reservoir project site for the acquisition of the project site for Phase II of the project or to enter into a public-private partnership. The SFWMD is authorized to acquire land near the C-51 reservoir through the purchase or exchange of land that is owned by the SFWMD or the state as necessary to implement Phase II of the project. The state and the SFWMD are authorized to consider potential swaps of land that is owned by the state or the SFWMD to achieve the optimal combination of water quality and water storage. The SFWMD is prohibited from exercising eminent domain for the purpose of implementing the C-51 reservoir project.

The bill requires that, if state funds are appropriated for Phase I or Phase II of the C-51 reservoir project:

- The SFWMD shall operate the reservoir to maximize the reduction of high-volume Lake Okeechobee regulatory releases to the St. Lucie or Caloosahatchee estuaries in addition to providing relief to the Lake Worth Lagoon;
- Water made available by the reservoir shall be used for natural systems in addition to any allocated amounts for water supply; and
- Any water received from Lake Okeechobee may not be made available to support consumptive use permits.

The bill authorizes Phase I of the C-51 reservoir project to be funded through the water storage facility revolving loan fund and Phase II of the C-51 reservoir project to be funded as a project component of CERP or pursuant to the distribution provided from the Land Acquisition Trust Fund in accordance with s. 375.041(3)(b)4., F.S.

Funding

The bill authorizes any cost, including but not limited to, the costs for land acquisition, planning and construction, and operation and maintenance, related to the water storage reservoirs to be funded using the proceeds from Florida Forever bonds in the amount of up to \$1.2 billion as

authorized under s. 215.618, F.S. The bill requires that the bond proceeds from such bonds be deposited into the Everglades Trust Fund. The bill authorizes the use of state funds for the EAA reservoir project and requires the SFWMD to actively seek additional sources of funding, including federal funding, for the EAA reservoir project.

Lake Okeechobee Regulation Schedule

The bill requires the SFWMD to request that the USACE pursue the reevaluation of the Lake Okeechobee Regulation Schedule as expeditiously as possible, taking into consideration the repairs made to the Herbert Hoover Dike and the implementation of projects designed to reduce high-volume freshwater discharges from Lake Okeechobee, in order to optimally utilize the added water storage capacity to reduce the high-volume freshwater discharges to the St. Lucie and Caloosahatchee estuaries.

Section 4 creates s. 373.475, F.S., to create a water storage facility revolving loan fund to provide funding assistance to local governments and water supply entities for the development and construction of water storage facilities to increase the availability of sufficient water for all existing and future reasonable-beneficial uses and natural systems.

The bill requires the Department of Environmental Protection (DEP) to adopt rules to implement the water storage revolving loan fund, including setting forth a priority system for loans based on compliance with state requirements, establishing the requirements for the award and repayment of financial assistance; and requiring evidence of credit worthiness and adequate security to ensure that each loan recipient can meet its loan repayment requirements.

The Water Protection and Sustainability Program Trust Fund established under s. 403.891, F.S., will be used to carry out the revolving loan fund.

Section 5 amends s. 375.041, F.S., to provide examples of CERP projects that are authorized to be funded from the required distribution established for Everglades projects and appropriates \$100 million to the Everglades Trust Fund for the 2018-2019 fiscal year, and each fiscal year thereafter, for water storage reservoir projects that implement s. 373.4598, F.S. The bill requires that any funds remaining in any fiscal year be made available only for Everglades projects as identified in s. 375.041(3)(b)1., F.S., and be used in accordance with laws relating to such projects. The bill clarifies that any funds made available for such purposes in a fiscal year are in addition to the amount appropriated under that subparagraph. The bill requires that the distribution be reduced by an amount equal to the debt service paid for Florida Forever bonds or Everglades restoration bonds issued after July 1, 2017, for the purposes of the water storage reservoirs.

Section 6 amends s. 403.890, F.S. to revise for what purposes the revenues deposited into or appropriated to the Water Protection and Sustainability Program Trust Fund may be distributed to include revenues and appropriations related to the water storage facility revolving loan fund. The bill also removes the provisions relating to the implementation of best management practices and capital improvement projects for the implementation of the goals of the total maximum daily load program and the provisions relating to the Disadvantaged Small Community Wastewater Grant Program. The removal of the other programs from this trust fund do not have any

immediate effect to those programs because the trust fund is not currently being used for such purposes.

Section 7 creates s. 446.71, F.S., to require that the Department of Economic Opportunity (DEO), in cooperation with CareerSource Florida, Inc., establish the Everglades Restoration Agricultural Community Employment Training Program within the DEO. The DEO is required to use funds appropriated to the program by the Legislature to provide grants to stimulate and support training and employment programs that seek to match persons who complete such training programs to nonagricultural employment opportunities in areas of high agricultural unemployment, and to provide other training, educational, and information services necessary to stimulate the creation of jobs in the areas of high agricultural unemployment.

The bill provides legislative intent supporting projects that improve the economy in the EAA and legislative findings providing that the training of citizens of the state to fill the needs of these industries significantly enhances the economic viability of the region. The bill authorizes funds to be used for grants for tuition for public or private technical or vocational programs and matching grants to employers to conduct employer-based training programs, or for the purchase of equipment to be used for training purposes, the hiring of instructors, or any other purpose directly associated with the program. The bill prohibits the DEO from awarding a grant to any given training program which exceeds 50 percent of the total cost of the program. Matching contributions may include in-kind services, including, but not limited to, the provision of training instructors, equipment, and training facilities. The bill authorizes the DEO to grant up to 100 percent of the tuition for a training program participant primarily employed during 36 of the previous 60 months in the EAA.

The bill requires that programs established in the EAA include opportunities to obtain the qualifications and skills necessary for jobs related to federal and state restoration projects, the Airglades Airport in Hendry County, or an inland port in Palm Beach County. The bill requires that the DEO adopt rules to implement this section.

Section 8 amends s. 946.511, F.S., to prohibit the use of inmates, beginning July 1, 2017, for correctional work programs in the agricultural industry in the EAA or in any area experiencing high unemployment rates in the agricultural sector. The bill requires that any lease agreement relating to PRIDE Enterprises for an agricultural work program be terminated in accordance with the terms of the lease agreement.

Section 9 requires the Division of Law Revision and Information to replace the phrase “the effective date of this act” with the date the act becomes a law.

Section 10 provides an appropriation for the 2017-2018 fiscal year in the sum of \$30 million in nonrecurring funds from the Land Acquisition Trust Fund (LATF) to the Everglades Trust Fund for the purposes of acquiring land or negotiating leases pursuant to s. 373.4598(4), F.S., or for any cost related to the planning or construction of the EAA reservoir project.

Section 11 provides an appropriation for the 2017-2018 fiscal year in the sum of \$3 million in nonrecurring funds from the LATF to the Everglades Trust Fund for the purposes of developing the post-authorization change report pursuant to s. 373.4598, F.S., and the sum of \$1 million in

nonrecurring funds from the LATF to the Everglades Trust Fund for the purposes of negotiating Phase II of the C-51 reservoir project pursuant to s. 373.4598, F.S.

Section 12 provides an appropriation for the 2017-2018 fiscal year in the sum of \$30 million in nonrecurring funds from the LATF to the Water Resource Protection and Sustainability Program Trust Fund for the purposes of implementing Phase I of the C-51 reservoir project as a water storage facility in accordance with ss. 373.4598 and 373.475, F.S.

Section 13 provides that the bill takes effect upon becoming a law.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

The impact of CS/SB 10 to the private sector is indeterminate. There will be an immediate positive impact to the landowners whose property is purchased. However, converting the agricultural land to a reservoir will have an indeterminate negative fiscal impact to local farmers due to the reduction in available farmland.

C. Government Sector Impact:

For Fiscal Year 2017-2018 the bill appropriates \$30 million from the LATF for acquiring land and negotiating leases for the EAA reservoir project.

For Fiscal Year 2017-2018 the bill appropriates \$30 million from the LATF to the Water Resource Protection and Sustainability Trust fund for the purpose of implementing Phase I of the C-51 reservoir project.

For Fiscal Year 2017-2018 the bill appropriates \$3 million from the LATF to develop the post-authorization report.

For Fiscal Year 2017-2018 the bill appropriates \$1 million from the LATF to negotiate Phase II of the C-51 reservoir project.

The bill appropriates \$100 million from the LATF annually to the Everglades Trust Fund for reservoir projects beginning in Fiscal Year 2018-2019.

The bill authorizes the option to issue up to \$1.2 billion in Florida Forever bonds to be deposited in the Everglades Trust Fund for the costs of land acquisition, planning, construction, and operation and maintenance for reservoir construction.

These additional distributions from the LATF may have an impact on other programs funded from the LATF.

The bill creates the storage facility revolving loan fund to provide loans to local governments for water storage projects to protect and conserve water resources. The bill expands the purposes of the Water Protection and Sustainability Trust Fund to include this program. The fiscal impact of this program is indeterminate.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 201.15, 215.618, 375.041, 403.890, and 946.511.

This bill creates the following sections of the Florida Statutes: 373.4598, 373.475, and 446.71.

IX. Additional Information:

A. Committee Substitute – Statement of Changes:

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Appropriations on April 5, 2017:

The committee substitute

- Establishes options for providing additional water storage south of Lake Okeechobee, including the:
 - Everglades Agricultural Area (EAA) reservoir project with the goal of providing a minimum of 240,000 acre-feet of water storage; and
 - C-51 reservoir project with the goal of providing approximately 60,000 acre-feet of water storage.
- Authorizes the Board of Trustees of the Internal Improvement Trust Fund (TIITF) and the South Florida Water Management District (SFWMD) to negotiate the

amendment or termination of leases on lands within the EAA for exchange or use for the EAA reservoir project.

- Requires lease agreements relating to land in the EAA leased to the Prison Rehabilitative Industries and Diversified Enterprises, Inc., (PRIDE Enterprises) for an agricultural work program to be terminated in accordance with the lease terms.
- Requires the SFWMD to identify certain lessees and private property owners of lands and contact the lessors and landowners of such lands to express the SFWMD's interest in acquiring the land through the purchase or exchange of lands or by the amendment or termination of lease agreements.
- Requires the SFWMD to jointly develop a post-authorization change report with the United States Army Corps of Engineers (USACE) for the Central Everglades Planning Project (CEPP) to revise the project component located on the A-2 parcel for implementation of the EAA reservoir project.
- Requires that if, for any reason, the post-authorization change report does not receive Congressional approval by October 1, 2018, unless the district has been granted an extension by the Legislature, the SFWMD begin the planning study for the EAA reservoir project by October 31, 2018, and proceed with the A-2 parcel project component of CEPP in accordance with the project implementation report.
- Requires the SFWMD to give preference to the hiring of former agricultural workers primarily employed during 36 of the past 60 months in the EAA, consistent with their qualifications and abilities, for the construction and operation of the EAA reservoir project.
- Establishes the Everglades Restoration Agricultural Community Employment Training Program within the Department of Economic Opportunity. The program is required to include opportunities to obtain the qualifications and skills necessary for jobs related to federal and state restoration projects, the Airglades Airport in Hendry County, or an inland port in Palm Beach County.
- Prohibits, beginning July 1, 2017, the use of inmates for correctional work programs in the agricultural industry in the EAA or in any experiencing high unemployment rates in the agricultural sector.
- Requires the sum of \$100 million from the Land Acquisition Trust Fund (LATF) to be appropriated to the Everglades Trust Fund, beginning in Fiscal Year 2018-2019, for the purpose of implementing the water storage reservoir projects, with the remainder of such funds in any fiscal year to be made available for Everglades projects.
- Revises appropriations.

B. Amendments:

None.

By Senator Bradley

5-00174A-17

201710__

1 A bill to be entitled
 2 An act relating to water resources; amending s.
 3 201.15, F.S.; revising the requirements under which
 4 certain bonds may be issued; amending s. 215.618,
 5 F.S.; providing an exception to the requirement that
 6 bonds issued for acquisition and improvement of land,
 7 water areas, and related property interests and
 8 resources be deposited into the Florida Forever Trust
 9 Fund and distributed in a specified manner; creating
 10 s. 373.4598, F.S.; providing legislative findings and
 11 intent; defining terms; requiring the South Florida
 12 Water Management District to seek proposals from
 13 willing sellers of property within the Everglades
 14 Agricultural Area for land that is suitable for the
 15 reservoir project; clarifying that all appraisal
 16 reports, offers, and counteroffers are confidential
 17 and exempt from public records requirements; requiring
 18 the district to assign the Entire Option Property Non-
 19 Exclusive Option of a specified agreement to the Board
 20 of Trustees of the Internal Improvement Trust Fund
 21 under certain circumstances; requiring the district to
 22 retain the agreement's option under certain
 23 circumstances; requiring the board or the district, as
 24 applicable, to exercise the specified option by a
 25 certain date under certain circumstances; providing
 26 requirements for the Proposed Option Property Purchase
 27 Price; authorizing the disposal or exchange of certain
 28 land or interests in land for certain purposes;
 29 requiring the district to begin, seek permitting for,
 30 and construct the reservoir project under certain
 31 circumstances; requiring the district, in coordination
 32 with the United States Army Corps of Engineers, to

Page 1 of 14

5-00174A-17

201710__

33 begin the planning study for the reservoir project by
 34 a specified date under certain circumstances;
 35 requiring the district to identify specified lands
 36 under certain circumstances; providing requirements
 37 for the planning study; requiring the district, in
 38 coordination with the United States Army Corps of
 39 Engineers, to seek Congressional authorization for the
 40 reservoir project under certain circumstances;
 41 authorizing certain costs to be funded using Florida
 42 Forever bond proceeds under certain circumstances;
 43 specifying how such bond proceeds shall be deposited;
 44 authorizing the use of state funds for the reservoir
 45 project; requiring the district to seek additional
 46 sources of funding; requiring the district to seek
 47 federal credits under certain circumstances; requiring
 48 the district to request the United States Army Corps
 49 of Engineers, in the Corps' review of the regulation
 50 schedule, to consider any increase in southern outlet
 51 capacity of Lake Okeechobee; amending s. 375.041,
 52 F.S.; increasing the minimum annual funding for
 53 certain Everglades projects under specified
 54 circumstances; requiring the district and the board to
 55 notify the Division of Law Revision and Information by
 56 a certain date of specified land acquisitions;
 57 providing a directive to the division; providing
 58 contingent appropriations; providing effective dates,
 59 one of which is contingent.

61 Be It Enacted by the Legislature of the State of Florida:

5-00174A-17

201710__

62
63 Section 1. Paragraph (a) of subsection (3) of section
64 201.15, Florida Statutes, is amended to read:

65 201.15 Distribution of taxes collected.—All taxes collected
66 under this chapter are hereby pledged and shall be first made
67 available to make payments when due on bonds issued pursuant to
68 s. 215.618 or s. 215.619, or any other bonds authorized to be
69 issued on a parity basis with such bonds. Such pledge and
70 availability for the payment of these bonds shall have priority
71 over any requirement for the payment of service charges or costs
72 of collection and enforcement under this section. All taxes
73 collected under this chapter, except taxes distributed to the
74 Land Acquisition Trust Fund pursuant to subsections (1) and (2),
75 are subject to the service charge imposed in s. 215.20(1).
76 Before distribution pursuant to this section, the Department of
77 Revenue shall deduct amounts necessary to pay the costs of the
78 collection and enforcement of the tax levied by this chapter.
79 The costs and service charge may not be levied against any
80 portion of taxes pledged to debt service on bonds to the extent
81 that the costs and service charge are required to pay any
82 amounts relating to the bonds. All of the costs of the
83 collection and enforcement of the tax levied by this chapter and
84 the service charge shall be available and transferred to the
85 extent necessary to pay debt service and any other amounts
86 payable with respect to bonds authorized before January 1, 2017,
87 secured by revenues distributed pursuant to this section. All
88 taxes remaining after deduction of costs shall be distributed as
89 follows:

90 (3) Amounts on deposit in the Land Acquisition Trust Fund

Page 3 of 14

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

5-00174A-17

201710__

91 shall be used in the following order:

92 (a) Payment of debt service or funding of debt service
93 reserve funds, rebate obligations, or other amounts payable with
94 respect to Florida Forever bonds issued pursuant to s. 215.618.
95 The amount used for such purposes may not exceed \$300 million in
96 each fiscal year. It is the intent of the Legislature that all
97 bonds issued to fund the Florida Forever Act be retired by
98 December 31, 2040. Except for bonds issued to refund previously
99 issued bonds, no series of bonds may be issued pursuant to this
100 paragraph unless such bonds are approved and the debt service
101 for the remainder of the fiscal year in which the bonds are
102 issued is specifically appropriated in the General
103 Appropriations Act or other law with respect to bonds issued for
104 the purposes of s. 373.4598.

105
106 Bonds issued pursuant to s. 215.618 or s. 215.619 are equally
107 and ratably secured by moneys distributable to the Land
108 Acquisition Trust Fund.

109 Section 2. Subsection (5) of section 215.618, Florida
110 Statutes, is amended to read:

111 215.618 Bonds for acquisition and improvement of land,
112 water areas, and related property interests and resources.—

113 (5) The proceeds from the sale of bonds issued pursuant to
114 this section, less the costs of issuance, the costs of funding
115 reserve accounts, and other costs with respect to the bonds,
116 shall be deposited into the Florida Forever Trust Fund. The bond
117 proceeds deposited into the Florida Forever Trust Fund shall be
118 distributed by the Department of Environmental Protection as
119 provided in s. 259.105. This subsection does not apply to

Page 4 of 14

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

5-00174A-17 201710__

120 proceeds from the sale of bonds issued for the purposes of s.
121 373.4598.

122 Section 3. Section 373.4598, Florida Statutes, is created
123 to read:

124 373.4598 Reservoir project in the Everglades Agricultural
125 Area.-

126 (1) LEGISLATIVE FINDINGS AND INTENT.-

127 (a) The Legislature declares that an emergency exists
128 regarding the St. Lucie and Caloosahatchee estuaries due to the
129 harmful freshwater discharges east and west of the lake. Such
130 discharges have manifested in widespread algae blooms, public
131 health impacts, and extensive environmental harm to wildlife and
132 the aquatic ecosystem. These conditions threaten the ecological
133 integrity of the estuaries and the economic viability of the
134 state and affected communities.

135 (b) The Legislature finds that the acquisition of
136 strategically located lands south of the lake and the
137 construction of the reservoir project will increase the
138 availability of water storage and reduce the harmful freshwater
139 discharges. Additionally, water storage south of the lake will
140 increase the availability of water for the Everglades and to
141 meet irrigation demands for the Everglades Agricultural Area;
142 restore the hydrological connection to the Everglades; and
143 provide flood protection by reducing, through additional storage
144 capacity, some of the demands on the Herbert Hoover Dike.

145 (c) The Legislature recognizes that the reservoir project
146 is authorized in the Water Resources Development Act of 2000 as
147 a project component of CERP. Unless other funding is available,
148 the Legislature directs the district in implementation of the

5-00174A-17 201710__

149 reservoir project to abide by applicable state and federal law
150 in order to do that which is required to obtain federal credit
151 under CERP. If the district implements the reservoir project as
152 a project component as defined in s. 373.1501, the district must
153 abide by all applicable state and federal law relating to such
154 projects.

155 (d) Nothing in this section is intended to diminish the
156 commitments made by the state in chapter 2016-201, Laws of
157 Florida.

158 (2) DEFINITIONS.-As used in this section, the term:

159 (a) "Agreement" means the Second Amended and Restated
160 Agreement for Sale and Purchase between the United States Sugar
161 Corporation, SBG Farms, Inc., Southern Garden Groves
162 Corporation, and the South Florida Water Management District,
163 dated August 12, 2010.

164 (b) "Board" means the Board of Trustees of the Internal
165 Improvement Trust Fund.

166 (c) "Comprehensive Everglades Restoration Plan" or "CERP"
167 has the same meaning as the term "comprehensive plan" as defined
168 in s. 373.470.

169 (d) "District" means the South Florida Water Management
170 District.

171 (e) "Everglades Agricultural Area" or "EAA" has the same
172 meaning as provided in s. 373.4592.

173 (f) "Lake" means Lake Okeechobee.

174 (g) "Reservoir project" means a project to construct one or
175 two above-ground reservoirs that have a total water storage
176 capacity of approximately 360,000 acre-feet and are located in
177 the EAA.

5-00174A-17

201710__

178 (3) LAND ACQUISITION.—The Legislature declares that
 179 acquiring land for the reservoir project is in the public
 180 interest and that the governing board of the district and the
 181 board may acquire fee title for the purpose of implementing the
 182 reservoir project.

183 (a) Upon the effective date of this act, the district shall
 184 seek proposals from willing sellers of property within the
 185 Everglades Agricultural Area in order to acquire approximately
 186 60,000 acres of land that is suitable for the reservoir project.
 187 All appraisal reports, offers, and counteroffers are
 188 confidential and exempt from s. 119.07(1), as provided in s.
 189 373.139.

190 (b) If the district does not acquire land pursuant to
 191 paragraph (a) by December 31, 2017:

192 1. The district must assign, by January 31, 2018, the
 193 agreement's Entire Option Property Non-Exclusive Option to the
 194 board, as authorized in, and in accordance with, the agreement.
 195 If, for any reason, the Seller, as defined in the agreement,
 196 does not find the assignment to be reasonably acceptable in form
 197 and substance, the district must retain the Entire Option
 198 Property Non-Exclusive Option; and

199 2. The board or the district, whichever holds the option,
 200 must, by March 1, 2018, exercise the option in accordance with
 201 the agreement. The Buyer's Proposed Option Property Purchase
 202 Price, as specified in the agreement, may not be less than the
 203 average of \$7,400 per acre, unless the maximum offer allowed by
 204 law is less than the average of \$7,400 per acre.

205 3. The board or the district, if applicable, may dispose of
 206 or exchange any land or lease interest in the land that is

5-00174A-17

201710__

207 acquired pursuant to this paragraph in order to achieve optimal
 208 siting for the reservoir project or to dispose of land that is
 209 not necessary for the reservoir project. Any such exchange or
 210 disposition may not be in violation of the agreement.

211 (4) DESIGN, PERMITTING, AND CONSTRUCTION.—If the district
 212 finds willing sellers of property pursuant to paragraph (3) (a),
 213 the district:

214 (a) Once the land has been agreed upon for purchase, must
 215 immediately begin the reservoir project with the goal of
 216 providing adequate water storage and conveyance south of the
 217 lake to reduce the volume of regulatory discharges of water from
 218 the lake to the east and west; and

219 (b) Once the land is acquired, must expeditiously pursue
 220 necessary permitting and begin implementation and construction
 221 of the reservoir project as soon as practicable.

222 (5) PLANNING STUDY.—

223 (a) If land is acquired pursuant to paragraph (3) (a) and
 224 other funding is not available, the district must, in
 225 coordination with the United States Army Corps of Engineers,
 226 begin the planning study for the reservoir project by March 1,
 227 2018.

228 (b) If land is not acquired pursuant to paragraph (3) (a) by
 229 December 31, 2017, the district must, in coordination with the
 230 United States Army Corps of Engineers, begin the planning study
 231 for the reservoir project by October 1, 2019.

232 1. If land is acquired pursuant to paragraph (3) (b), the
 233 district must identify which of the acquired land is suitable
 234 for the reservoir project.

235 2. If land is not acquired pursuant to paragraph (3) (b),

5-00174A-17

201710__

236 the district must identify land that is suitable for the
 237 reservoir project and the best option for securing such land.

238 (c) The district, when developing the planning study, must
 239 focus on the goal of the reservoir project, which is to provide
 240 adequate water storage and conveyance south of the lake to
 241 reduce the volume of regulatory discharges of water from the
 242 lake to the east and west.

243 (d) Upon completion of the planning study and the
 244 finalization of the project implementation report, as defined in
 245 s. 373.470, the district, in coordination with the United States
 246 Army Corps of Engineers, shall seek Congressional authorization
 247 for the reservoir project.

248 (6) FUNDING.—

249 (a) Pursuant to s. 11(e), Art. VII of the State
 250 Constitution, state bonds are authorized under this section to
 251 finance or refinance the acquisition and improvement of land,
 252 water areas, and related property interests and resources for
 253 the purposes of conservation, outdoor recreation, water resource
 254 development, restoration of natural systems, and historic
 255 preservation. In accordance with s. 17, Art. X of the State
 256 Constitution, funds deposited into the Everglades Trust Fund may
 257 be expended for the purposes of conservation and protection of
 258 natural resources in the Everglades Protection Area and the
 259 Everglades Agricultural Area.

260 (b) Any cost related to this section, including, but not
 261 limited to, the costs for land acquisition, construction, and
 262 operation and maintenance, may be funded using proceeds from
 263 Florida Forever bonds issued under s. 215.618, as authorized
 264 under that section. The Legislature determines that the

5-00174A-17

201710__

265 authorization and issuance of such bonds is in the best interest
 266 of the state and determines that the reservoir project should be
 267 implemented. Notwithstanding any other provision of law,
 268 proceeds from the sale of such bonds, less the costs of
 269 issuance, the costs of funding reserve accounts, and other costs
 270 with respect to the bonds, shall be deposited in the following
 271 manner:

272 1. If land is acquired pursuant to paragraph (3)(a), the
 273 amount of up to \$800 million in bond proceeds in the 2017-2018
 274 fiscal year to the Everglades Trust Fund for the purposes of
 275 this section, and the amount of up to \$400 million in bond
 276 proceeds in the 2018-2019 fiscal year to the Everglades Trust
 277 Fund for the purposes of this section; or

278 2. If land is acquired pursuant to paragraph (3)(b), the
 279 amount of up to \$1.2 billion in bond proceeds in the 2018-2019
 280 fiscal year to the Board of Trustees of the Internal Improvement
 281 Trust Fund, or the Everglades Trust Fund, if applicable, to be
 282 used for the purposes of this section.

283 (c) Notwithstanding s. 373.026(8)(b) or any other provision
 284 of law, the use of state funds is authorized for the reservoir
 285 project.

286 (d) The district shall actively seek additional sources of
 287 funding, including federal funding, for the reservoir project.

288 (e) If the reservoir project receives Congressional
 289 authorization, the district must seek applicable federal credits
 290 toward the state's share of funding the land acquisition and
 291 implementation of the reservoir project.

292 (7) LAKE OKEECHOBEE REGULATION SCHEDULE.—The district shall
 293 request that the United States Army Corps of Engineers include

5-00174A-17 201710__

294 in its evaluation of the regulation schedule for the lake any
 295 increase in outlet capacity south of the lake which offsets the
 296 harmful freshwater discharges to the St. Lucie and
 297 Caloosahatchee estuaries.

298 Section 4. Effective January 1, 2019, and contingent upon
 299 the failure of the district or board to acquire land by November
 300 30, 2018, pursuant to section 373.4598(3) (a) or (b), Florida
 301 Statutes, subsection (3) of section 375.041, Florida Statutes,
 302 is amended to read:

303 375.041 Land Acquisition Trust Fund.—

304 (3) Funds distributed into the Land Acquisition Trust Fund
 305 pursuant to s. 201.15 shall be applied:

306 (a) First, to pay debt service or to fund debt service
 307 reserve funds, rebate obligations, or other amounts payable with
 308 respect to Florida Forever bonds issued under s. 215.618; and
 309 pay debt service, provide reserves, and pay rebate obligations
 310 and other amounts due with respect to Everglades restoration
 311 bonds issued under s. 215.619; and

312 (b) Of the funds remaining after the payments required
 313 under paragraph (a), but before funds may be appropriated,
 314 pledged, or dedicated for other uses:

315 1. A minimum of the lesser of 30 ~~25~~ percent or \$250 ~~\$200~~
 316 million shall be appropriated annually for Everglades projects
 317 that implement the Comprehensive Everglades Restoration Plan as
 318 set forth in s. 373.470, including the Central Everglades
 319 Planning Project subject to Congressional authorization; the
 320 Long-Term Plan as defined in s. 373.4592(2); and the Northern
 321 Everglades and Estuaries Protection Program as set forth in s.
 322 373.4595. From these funds, \$32 million shall be distributed

5-00174A-17 201710__

323 each fiscal year through the 2023-2024 fiscal year to the South
 324 Florida Water Management District for the Long-Term Plan as
 325 defined in s. 373.4592(2). After deducting the \$32 million
 326 distributed under this subparagraph, from the funds remaining, a
 327 minimum of the lesser of 80 ~~76.5~~ percent or \$150 ~~\$100~~ million
 328 shall be appropriated each fiscal year through the 2025-2026
 329 fiscal year for the planning, design, engineering, and
 330 construction of the Comprehensive Everglades Restoration Plan as
 331 set forth in s. 373.470, including the Everglades Agricultural
 332 Area Storage Reservoir, component G, and including the Central
 333 Everglades Planning Project subject to Congressional
 334 authorization. The Department of Environmental Protection and
 335 the South Florida Water Management District shall give
 336 preference to those Everglades restoration projects that reduce
 337 harmful discharges of water from Lake Okeechobee to the St.
 338 Lucie or Caloosahatchee estuaries in a timely manner. For the
 339 purpose of performing the calculation provided in this
 340 subparagraph, the amount of debt service paid pursuant to
 341 paragraph (a) for bonds issued after July 1, 2016, for the
 342 purposes set forth under paragraph (b) shall be added to the
 343 amount remaining after the payments required under paragraph
 344 (a). The amount of the distribution calculated shall then be
 345 reduced by an amount equal to the debt service paid pursuant to
 346 paragraph (a) on bonds issued after July 1, 2016, for the
 347 purposes set forth under this subparagraph.

348 2. A minimum of the lesser of 7.6 percent or \$50 million
 349 shall be appropriated annually for spring restoration,
 350 protection, and management projects. For the purpose of
 351 performing the calculation provided in this subparagraph, the

5-00174A-17

201710__

352 amount of debt service paid pursuant to paragraph (a) for bonds
 353 issued after July 1, 2016, for the purposes set forth under
 354 paragraph (b) shall be added to the amount remaining after the
 355 payments required under paragraph (a). The amount of the
 356 distribution calculated shall then be reduced by an amount equal
 357 to the debt service paid pursuant to paragraph (a) on bonds
 358 issued after July 1, 2016, for the purposes set forth under this
 359 subparagraph.

360 3. The sum of \$5 million shall be appropriated annually
 361 each fiscal year through the 2025-2026 fiscal year to the St.
 362 Johns River Water Management District for projects dedicated to
 363 the restoration of Lake Apopka. This distribution shall be
 364 reduced by an amount equal to the debt service paid pursuant to
 365 paragraph (a) on bonds issued after July 1, 2016, for the
 366 purposes set forth in this subparagraph.

367 Section 5. The South Florida Water Management District and
 368 the Board of Trustees of the Internal Improvement Trust Fund
 369 shall notify the Division of Law Revision and Information no
 370 later than December 1, 2018, whether they have acquired land
 371 pursuant to s. 373.4598, Florida Statutes.

372 Section 6. The Division of Law Revision and Information is
 373 directed to replace the phrase "the effective date of this act"
 374 wherever it occurs in this act with the date the act becomes a
 375 law.

376 Section 7. Contingent upon bonds being issued for the
 377 purposes of s. 373.4598, Florida Statutes, and if land is
 378 acquired pursuant to s. 373.4598(3)(a), Florida Statutes, the
 379 sum of \$64,000,000 in recurring funds from the Land Acquisition
 380 Trust Fund is appropriated for the 2017-2018 fiscal year to pay

5-00174A-17

201710__

381 debt service on bonds that implement this act and are issued
 382 pursuant to s. 215.618, Florida Statutes.

383 Section 8. Contingent upon bonds being issued for the
 384 purposes of s. 373.4598, Florida Statutes, and if land is
 385 acquired pursuant to s. 373.4598(3)(a), Florida Statutes, the
 386 sum of \$36,000,000 in recurring funds from the Land Acquisition
 387 Trust Fund is appropriated for the 2018-2019 fiscal year to pay
 388 debt service on bonds that implement this act and are issued
 389 pursuant to s. 215.618, Florida Statutes.

390 Section 9. Contingent upon bonds being issued for the
 391 purposes of s. 373.4598, Florida Statutes, and if land is
 392 acquired pursuant to s. 373.4598(3)(b), Florida Statutes, the
 393 sum of \$100,000,000 in recurring funds from the Land Acquisition
 394 Trust Fund is appropriated for the 2018-2019 fiscal year to pay
 395 debt service on bonds that implement this act and are issued
 396 pursuant to s. 215.618, Florida Statutes.

397 Section 10. Except as otherwise expressly provided in this
 398 act, this act shall take effect upon becoming a law.

April 5, 2017

Senate President Joe Negron
404 South Monroe Street
Tallahassee, FL 32399-1100

Dear President Negron,

Recreational boating has a \$10.3 billion annual economic impact in Florida and produces over 55,000 jobs. The most popular recreational boating activity is fishing. More Americans fish than play golf and tennis combined, and Florida is recognized at the Fishing Capital of the World.

The St. Lucie, Caloosahatchee, and Florida Bay estuaries used to have some of the best fishing in the state. However, fishing in those areas has declined dramatically because of how Lake Okeechobee water is managed.

Real estate, tourism, fishing, boating/marine and related recreation industries are economic engines that create more than 1.3 million jobs and represent \$109 billion dollars to Florida's economy but they rely on the Everglades ecosystem.

As companies and industries whose customers depend on healthy waterways to recreate, we support the EAA Reservoir project in Senate Bill 10 and House Bill 761.

For 20 years, scientists and engineers have urged greater water storage south of the Lake, and this proposal will do so: a reservoir south of Lake Okeechobee provides a place to send water instead of discharging it to the St. Lucie and Caloosahatchee estuaries and provides a source of water for the Everglades and Florida Bay during the dry season.

Sincerely,

ORVIS

BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: PCS/CS/SB 454 (149870)

INTRODUCER: Appropriations Committee (Recommended by Appropriations Subcommittee on General Government); Banking and Insurance Committee; and Senator Brandes

SUBJECT: Regulation of Insurance Companies

DATE: April 4, 2017

REVISED: _____

	ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1.	<u>Matiyow</u>	<u>Knudson</u>	<u>BI</u>	<u>Fav/CS</u>
2.	<u>Matiyow/Sanders</u>	<u>Betta</u>	<u>AGG</u>	<u>Recommend: Fav/CS</u>
3.	<u>Matiyow/Sanders</u>	<u>Hansen</u>	<u>AP</u>	<u>Pre-meeting</u>
4.	_____	_____	<u>RC</u>	_____

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

PCS/CS/SB 454 makes several changes relating to the regulation of insurance companies. The bill:

- Deletes the future repeal of the exemption of medical malpractice insurance premiums from the Florida Hurricane Catastrophe Fund (fund) assessments. Under current law, the exemption is repealed May 31, 2019.
- Allows an insurer issuing only renter's insurance, tenant's coverage or cooperative unit owners insurance to maintain a surplus of \$10 million to do business in the state.
- Allows Florida Workers' Compensation Insurance Guaranty Association surcharges to be counted as insurer assets if those surcharges are paid to the Association before the surcharges are collected from the insureds.
- Removes the requirement on insurers writing certain lines of medical malpractice insurance to make a full rate filing annually; these insurers will have the option to certify their rates with the Office of Insurance Regulation (OIR).
- Allows electronic checks and drafts as acceptable methods of payment for specified lines of insurance and allows insurers to charge a \$15 insufficient funds fee.
- Specifies display requirements for the electronic delivery of documents.

The impact on state revenues and expenditures is indeterminate. The continued exemption from the fund assessments for medical malpractice insurance premiums most likely will not impact

revenues generated by the fund. The OIR has identified a need to modify existing computer systems but the costs of such modifications can be absorbed within existing agency resources.¹

The bill takes effect upon becoming a law.

II. Present Situation:

The Florida Hurricane Catastrophe Fund and its assessments

The Florida Hurricane Catastrophe Fund is a tax-exempt fund created in 1993 after Hurricane Andrew as a form of mandatory reinsurance for residential property insurers. The fund is administered by the State Board of Administration and is a tax-exempt source of reimbursement to property insurers for a selected percentage of hurricane losses above the insurer's retention. Admitted property insurers in the state are required to purchase \$17 billion in coverage from the fund. Each insurer's mandatory amount purchased is based upon the insurer's share of the actual premium paid for the contract year, multiplied by the claims paying capacity of the fund. The fund must charge insurers the actuarially indicated premium for the coverage provided, based on hurricane loss projection models found acceptable by the Florida Commission on Hurricane Loss Projection Methodology.

Reimbursements to insurers for losses above the current moneys in the fund are financed through bonding. When the moneys in the fund are insufficient to cover losses, the law authorizes the fund to issue revenue bonds funded by emergency assessments on property and casualty policyholders. Bonds would be funded by an emergency assessment of up to 6 percent of premium on most lines of property and casualty insurance for funding losses from a single year, and up to 10 percent of premium for funding losses from multiple years. All lines of property and casualty insurance, including surplus lines insurance, are subject to emergency assessment except for workers' compensation and medical malpractice liability insurance. The exemption for medical malpractice insurance being subject to fund assessments is scheduled to repeal on May 31, 2019.

Florida Insurance Guaranty Association (FIGA) and its assessments

When a property and casualty insurance company becomes insolvent, Florida Insurance Guaranty Association (FIGA) is required by law to take over the claims of the insurer and pay the claims of the company's policyholders. This ensures policyholders who have paid premiums for insurance are not left with valid yet unpaid claims. FIGA is responsible for claims on residential and commercial property insurance, automobile insurance, and liability insurance, among others.

In order to pay claims and to maintain the operations of an insolvent insurer, FIGA has several potential funding sources. FIGA's primary funding source is from the liquidation of assets of insolvent insurance companies domiciled in Florida. FIGA also obtains funds from the liquidation of assets of insolvent insurers domiciled in other states, but having claims in Florida. In the event the insolvent insurer's assets are insufficient to pay all claims, FIGA can issue two types of post-insolvency assessments against property and casualty insurance companies to raise

¹ OIR staff provided an update regarding fiscal impact via telephone on March 9, 2017.

funds to pay claims. FIGA's assessments are computed and billed based on FIGA's immediate needs to pay claims. Currently, assessments may not exceed two percent of net direct-written premium in one year for regular assessments, and an additional emergency assessment of two percent of direct-written premium for hurricane-related insolvencies.

Renters Insurance

Renter's insurance, sometimes referred to as tenant's insurance, includes three basic types of protection. The basic types of protection are for personal possessions, liability, and additional living expenses.² Standard renter's insurance policies protect personal belongings against damage from fire, smoke, lightning, vandalism, theft, explosion, windstorm, water, and other disasters listed in the policy. With respect to personal liability, standard renter's insurance policies provide liability protection against lawsuits for bodily injury or property damage that the insured or the insured's family members cause to other people. It also pays for damages caused by pets to others in the home. Finally, standard renter's insurance policies cover additional living expenses. If the tenant's home is destroyed by a disaster, which is covered by the policy, renter's insurance covers the additional costs incurred for the insured to reside elsewhere. Policies will generally reimburse the difference between additional living expenses and normal living expenses. Additional living expenses cover hotel bills, temporary rentals, restaurant meals and other expenses incurred while the home is being rebuilt.

Insurance Company Surplus

Section 624.407, F.S., establishes the surplus requirement for insurers doing business in this state. The surplus requirement for a new property and casualty insurer issuing only renter's insurance policies is:

- \$15 million if not a wholly owned subsidiary of an insurer domiciled in any other state.³
- \$50 million if a wholly owned subsidiary of an insurer domiciled in any other state.⁴

Florida Workers' Compensation Insurance Guaranty Association (FWCIGA) and its assessments

As a condition of their authority to offer workers' compensation insurance coverage in Florida, all insurers and self-insurance funds are required to be members of the Florida Workers' Compensation Insurance Guaranty Association, Inc. (FWCIGA).⁵ The FWCIGA is a not-for-profit corporation established pursuant to part V of ch. 631, F.S., adjunct to the Department of Financial Services (DFS). The FWCIGA assists in the detection and prevention of insurer insolvencies and provides for the payment of workers' compensation covered claims.⁶ The FWCIGA evaluates workers' compensation claims made by insureds against insolvent member

² Insurance Information Institute, *Renters Insurance*, at <http://www.iii.org/article/renters-insurance> (last visited March 16, 2017).

³ Section 624.407(1)(e)1.

⁴ Section 624.407(1)(e)2.

⁵ Section. 631.911, F.S. Chapter 631, F.S., governs the rehabilitation and liquidation process for insurers in Florida. In Florida, the Division of Rehabilitation and Liquidation in the Department of Financial Services is responsible for rehabilitating or liquidating insurance companies.

⁶ Section 631.902, F.S. The term "covered claim" is defined in s. 631.904(2), F.S.

companies or funds, and determines if such claims are covered claims subject to payment by FWCIGA. The FWCIGA is funded by distributions from the estates of insolvent insurers, investment income, and assessments of member insurers.⁷

The FWCIGA determines whether an assessment against member insurers is necessary to pay covered claims of an insolvent insurer or to reimburse the FWCIGA for expenses associated with administering its statutory functions. The assessments are levied by the Department of Financial Services on each insurer based upon the proportion of the insurer's net direct written premium in Florida to the total of all such insurers writing workers' compensation coverages in Florida for the preceding calendar year. The maximum assessment rate is two percent for insurers and 1.5 percent for self-insurance funds. If these assessments are insufficient to satisfy claims and administration costs, an additional assessment of 1.5 percent can be levied.⁸

Insurer Assets

When determining the financial condition of an insurer, statutory accounting principles allow insurers to include as an asset, assessment surcharges that have yet to be collected from policyholders. Under current law assessments levied by the Florida Insurance Guaranty Association, resulting in surcharges to policyholders yet to be collected by insurers, can be counted as assets if there is a reasonable expectation by the insurer that such surcharges will be paid.⁹

Medical Malpractice Insurance

Medical malpractice insurance is a professional liability coverage obtained by health care providers to indemnify them from damages arising out of an act of medical negligence. Florida requires licensed physicians and licensed osteopathic physicians to meet financial responsibility requirements as a condition of obtaining and maintaining state licensure to practice medicine. Insurers that issue medical malpractice insurance are required to complete a full rate filing with the OIR once every calendar year.¹⁰

Insufficient Funds Fee

Current law allows up to a \$15 insufficient funds fee to be charged to a policyholder of a motor vehicle insurance contract when the policyholders payment by debit card, credit card, electronic funds transfer, or electronic check is returned or declined.¹¹

Delivery of Insurance Policies

Part II of s. 627, F.S., generally applies to most lines of insurance written in this state.¹² Under this part, every insurance policy must be mailed, delivered or electronically transmitted to the

⁷ Florida Workers' Compensation Insurance Guaranty Association, Inc., *Frequently Asked Questions*, <http://fwciga.org/faq> (last visited March 16, 2017).

⁸ Section 631.914, F.S.

⁹ Section 625.012(15)(a), F.S.

¹⁰ Section. 627.062(7)(e), F.S.

¹¹ Section 627.7295(9), F.S.

¹² Section 627.401, F.S.

policyholder within 60 days after the insurance takes effect. An insurer may allow a policyholder of personal lines insurance to affirmatively elect delivery of the policy documents, including, but not limited to, policies, endorsements, notices, or documents, by electronic means in lieu of delivery by mail. Electronic transmission of a policy for commercial risks constitutes delivery to the insured or to the person entitled to delivery, unless the insured or the person entitled to delivery communicates to the insurer in writing or electronically that he or she does not agree to delivery by electronic means. Electronic transmission shall include a notice to the insured or to the person entitled to delivery of a policy of his or her right to receive the policy via United States mail rather than via electronic transmission. A paper copy of the policy shall be provided to the insured or to the person entitled to delivery at his or her request.¹³

III. Effect of Proposed Changes:

Section 1 amends s. 215.555, F.S. to delete the scheduled repeal of the exemption from the Florida Hurricane Catastrophe Fund assessments for medical malpractice insurance. The exemption will continue beyond May 31, 2019.

Section 2 amends s. 624.407, F.S. to allow an insurer issuing only renter's insurance, tenant's coverage or cooperative unit owners insurance, or any combination of such coverages, to maintain a surplus of \$10 million, regardless if they are wholly owned subsidiary of an insurer domiciled in Florida or another state.

Section 3 amends s. 625.012, F.S., to allow assessments paid by the Florida Workers' Compensation Insurance Guaranty Association prior to the collection of policy surcharges from policyholders to count as assets when determining the financial condition of an insurer. This section also allows assessments paid to the Florida Workers' Compensation Guaranty Association to be treated the same way assessments paid to the Florida Insurance Guaranty Association are currently treated.

Sections 4 and 5 amend ss. 627.062 and 627.045, F.S., respectively, to allow insurers, when filing rates on certain lines¹⁴ of medical malpractice insurance, the option of making a full rate filing or, when no rate change is needed, certifying to the OIR that their rates are actuarially sound and not inadequate.

Section 6 amends s. 627.4035, F.S., to allow the use of electronic checks and drafts as acceptable methods of payment for most insurance policies.¹⁵ Section 6 also allows insurers to charge a \$15

¹³ Section 627.421(1), F.S.

¹⁴ The bill allows insurers to certify rates for medical malpractice insurance policies that are subject to "file and use" or "use and file" rate review under s. 627.062(2)(a) and (f), F.S. Medical malpractice insurance is subject to these requirements if it covers a facility that is not a hospital licensed under chapter 395 F.S., a nursing home licensed under part II of chapter 400 F.S., or an assisted living facility licensed under part I of chapter 429 F.S., a health care practitioner who is not a dentist licensed under chapter 466 F.S., a physician licensed under chapter 458 F.S., an osteopathic physician licensed under chapter 459 F.S., chiropractic physician licensed under chapter 460 F.S., a podiatric physician licensed under chapter 461 F.S., a pharmacist licensed under chapter 465 F.S., or a pharmacy technician registered under chapter 465 F.S. Accordingly, it is these types of medical malpractice insurance that are affected by the bill. Medical malpractice insurance covering other entities or practitioners are not subject to paragraphs (a) and (f) of s. 627.062(2), F.S., pursuant to sub-subparagraphs o. and p. of s. 627.062(3)(d)1, F.S., and thus are not affected by the bill.

¹⁵ Section 627.401, F.S.

insufficient funds fee so long as the insufficient funds were not the result of fraudulent activity of the account on file and such fraudulent activity was not attributed to the policyholder. A \$15 insufficient funds fee is currently allowed for automobile insurance policies¹⁶ and is being expanded to include a broader range of policies.

Section 7 amends s. 27.421, F.S., to specify that, with regards to any font, size, color, spacing, or other formatting requirement for printed documents, an electronically delivered document satisfies these requirements if it has reasonably similar proportions or emphasis of the characters relative to the rest of the electronic document or is otherwise displayed in a reasonably conspicuous manner.

Section 8 amends s. 627.7295, F.S., to delete provisions that are applicable only to motor vehicle contracts because similar provisions have been set forth in section 6 of this bill that are applicable to a broader range of policies.

Section 9 provides the bill takes effect upon becoming a law.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

Under PCS/CS/SB 454, medical malpractice insurance will continue to be exempt beyond May 31, 2019, from assessments levied by the Florida Hurricane Catastrophe Fund (fund). To the extent that assessments levied on or after June 1, 2019, do not reach the statutory maximum rate percentages, any assessments that otherwise would have been levied on medical malpractice insurance premiums will be shifted to the other lines of insurance subject to the assessments. To the extent that the assessments reach the maximum rates allowed, the fund will receive fewer revenues (based on the amount of premiums written for medical malpractice).

¹⁶ Section 627.7295(9), F.S.

B. Private Sector Impact:

Medical malpractice insurance will continue to be exempt beyond May 31, 2019, from assessments levied by the fund.

Insurers will be allowed to count as assets expected surcharges due to assessments from the Florida Workers' Compensation Insurance Guaranty Association. Insurers will have the option of certifying their rates on certain lines of medical malpractice insurance.

Policyholders on most lines of insurance will be permitted to use electronic checks and drafts as acceptable methods of payment will be subject to a \$15 insufficient funds fee, when applicable.

C. Government Sector Impact:

The OIR will need to modify existing computer systems but advise the update can be absorbed within existing resources. In addition, the OIR staff may have a reduced workload to the extent an insurer certifies its rates on certain lines of medical malpractice insurance rather than submitting a full rate filing.¹⁷

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 215.555, 624.407, 625.012, 627.062, 627.0645, 627.4035, 627.421, and 627.7295.

IX. Additional Information:**A. Committee Substitute – Statement of Substantial Changes:**

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

Recommended CS/CS by Appropriations Subcommittee on General Government on March 15, 2017:

The committee substitute:

- Allows an insurer issuing only renter's insurance, tenant's coverage or cooperative unit owners insurance to maintain a surplus of \$10 million, regardless if they are wholly owned subsidiary of an insurer domiciled in Florida or another state.
- Clarifies that an insufficient funds fee cannot be charged if the insufficient funds were the result of fraudulent activity of the account on file and such fraudulent activity was not attributed to the policyholder.

¹⁷ See footnote 13.

CS by Banking and Insurance on March 6, 2017:

The CS made a technical change to clarify that monthly installments on surcharges from the Florida Workers' Compensation Insurance Guaranty Association assessments can be included in the calculation on an insurers assets. The CS also removed the section of the bill pertaining to excluded named driver.

B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill's introducer or the Florida Senate.

Between lines 189 and 190
insert:

Section 3. Paragraph (c) of subsection (8) of section
624.424, Florida Statutes, is amended to read:

624.424 Annual statement and other information.-

(8)

(c) The board of directors of an insurer shall hire the
certified public accountant that prepares the audit required by

528356

11 this subsection and the board shall establish an audit committee
12 of three or more directors of the insurer or an affiliated
13 company. The audit committee shall be responsible for discussing
14 audit findings and interacting with the certified public
15 accountant with regard to her or his findings. The audit
16 committee shall be comprised ~~solely~~ of members who are free from
17 any relationship that, in the opinion of its board of directors,
18 would interfere with the exercise of independent judgment as a
19 committee member. The audit committee shall report to the board
20 any findings of adverse financial conditions or significant
21 deficiencies in internal controls that have been noted by the
22 accountant. The insurer may request the office to waive this
23 requirement of the audit committee membership based upon unusual
24 hardship to the insurer.

The Committee on Appropriations (Brandes) recommended the following:

Senate Amendment (with title amendment)

Between lines 327 and 328

insert:

Section 9. Section 627.7843, Florida Statutes, is amended to read:

627.7843 Property information reports ~~Ownership and encumbrance reports.~~—

(1) As used in this section, the term “property information report” means any report that contains the limitations of this

118522

11 section and discloses documents or information appearing in the
12 Official Records as described in s. 28.222, in the records of a
13 county tax collector pertaining to ad valorem real property
14 taxes and special assessments imposed by a governmental
15 authority against real property, in the Secretary of State
16 filing office, or in another governmental filing office
17 pertaining to real or personal property. A property information
18 report may be issued by any person, including a Florida-licensed
19 title insurer, title agent, or title agency ~~“ownership and~~
20 ~~encumbrance report” means a report that discloses certain~~
21 ~~defined documents imparting constructive notice and appearing in~~
22 ~~the official records relating to specified real property.~~

23 (2) A property information ~~An ownership and encumbrance~~
24 report may not directly or indirectly set forth or imply any
25 opinion, warranty, guarantee, insurance, or other similar
26 assurance as to the status of title to real property.

27 (3) The contractual liability of the issuer of a property
28 information report is limited to the person or persons expressly
29 identified by name in the property information report as the
30 recipient or recipients of the property information report and
31 may not exceed the amount paid for the property information
32 report. Only contractual remedies are available for an error or
33 omission that arises from a property information report. A
34 property information report must contain the following language:

35
36 “This report is not title insurance. Pursuant to s. 627.7843,
37 Florida Statutes, the maximum liability of the issuer of this
38 property information report for errors or omissions in this
39 property information report is limited to the amount paid for

118522

40 this property information report, and is further limited to the
41 person(s) expressly identified by name in the property
42 information report as the recipient(s) of the property
43 information report." ~~Any ownership and encumbrance report or~~
44 ~~similar report that is relied on or intended to be relied on by~~
45 ~~a consumer must be on forms approved by the office, and must~~
46 ~~provide for a maximum liability for incorrect information of not~~
47 ~~more than \$1,000.~~

48 (4) This section is not applicable to an opinion of title
49 issued by an attorney.

50 Section 10. Subsection (2) of section 177.041, Florida
51 Statutes, is amended to read:

52 177.041 Boundary survey and title certification required.-
53 Every plat or replat of a subdivision submitted to the approving
54 agency of the local governing body must be accompanied by:

55 (2) A title opinion of an attorney at law licensed in
56 Florida or a property information report certification ~~by an~~
57 ~~abstractor or a title company~~ showing that record title to the
58 land as described and shown on the plat is in the name of the
59 person, persons, corporation, or entity executing the
60 dedication. The title opinion or property information report
61 must certification ~~shall~~ also show all mortgages not satisfied
62 or released of record nor otherwise terminated by law.

63 Section 11. Subsection (16) of section 177.091, Florida
64 Statutes, is amended to read:

65 177.091 Plats made for recording.-Every plat of a
66 subdivision offered for recording shall conform to the
67 following:

68 (16) Location and width of proposed easements and existing

118522

69 easements identified in the title opinion or property
70 information report certification required by s. 177.041(2) must
71 ~~shall~~ be shown on the plat or in the notes or legend, and their
72 intended use shall be clearly stated. Where easements are not
73 coincident with property lines, they must be labeled with
74 bearings and distances and tied to the principal lot, tract, or
75 right-of-way.

76 Section 12. Paragraph (a) of subsection (5) of section
77 197.502, Florida Statutes, is amended to read:

78 197.502 Application for obtaining tax deed by holder of tax
79 sale certificate; fees.-

80 (5) (a) The tax collector may contract with a title company
81 or an abstract company to provide the minimum information
82 required in subsection (4), consistent with rules adopted by the
83 department. If additional information is required, the tax
84 collector must make a written request to the title or abstract
85 company stating the additional requirements. The tax collector
86 may select any title or abstract company, regardless of its
87 location, as long as the fee is reasonable, the minimum
88 information is submitted, and the title or abstract company is
89 authorized to do business in this state. The tax collector may
90 advertise and accept bids for the title or abstract company if
91 he or she considers it appropriate to do so.

92 1. The property information ownership and encumbrance
93 report must include the letterhead of the person, firm, or
94 company that makes the search, and the signature of the
95 individual who makes the search or of an officer of the firm.
96 The tax collector is not liable for payment to the firm unless
97 these requirements are met. The report may be submitted to the

118522

98 tax collector in an electronic format.

99 2. The tax collector may not accept or pay for any title
100 search or abstract if financial responsibility is not assumed
101 for the search. However, reasonable restrictions as to the
102 liability or responsibility of the title or abstract company are
103 acceptable. Notwithstanding s. 627.7843(3), the tax collector
104 may contract for higher maximum liability limits.

105 3. In order to establish uniform prices for property
106 information ~~ownership and encumbrance~~ reports within the county,
107 the tax collector must ensure that the contract for property
108 information ~~ownership and encumbrance reports~~ include all
109 requests for title searches or abstracts for a given period of
110 time.

Proposed Committee Substitute by the Committee on Appropriations
(Appropriations Subcommittee on General Government)

A bill to be entitled

An act relating to the regulation of insurance companies; amending s. 215.555, F.S.; deleting a future repeal of an exemption of medical malpractice insurance premiums from certain emergency assessments by the State Board of Administration relating to the Florida Hurricane Catastrophe Fund; amending s. 624.407, F.S.; specifying the minimum surplus as to policyholders for insurers that only transact in specified forms of residential property insurance; amending s. 625.012, F.S.; revising the allowable assets of insurers relating to specified levied assessments; amending s. 627.062, F.S.; revising requirements for certain rate filings by medical malpractice insurers; amending s. 627.0645, F.S.; adding certain medical malpractice insurance to casualty insurance excluded from an annual base rate filing requirement for rating organizations; amending s. 627.4035, F.S.; revising the methods of paying premiums for insurance contracts; authorizing an insurer to impose a specified insufficient funds fee if certain premium payment methods are returned, are declined, or cannot be processed; providing an exception; amending s. 627.421, F.S.; providing that an electronically delivered document in an insurance policy meets formatting requirements for printed documents under certain conditions; amending s.

576-02487-17

627.7295, F.S.; conforming provisions to changes made by the act; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraph (b) of subsection (6) of section 215.555, Florida Statutes, is amended to read:

215.555 Florida Hurricane Catastrophe Fund.—

(6) REVENUE BONDS.—

(b) *Emergency assessments.*—

1. If the board determines that the amount of revenue produced under subsection (5) is insufficient to fund the obligations, costs, and expenses of the fund and the corporation, including repayment of revenue bonds and that portion of the debt service coverage not met by reimbursement premiums, the board shall direct the Office of Insurance Regulation to levy, by order, an emergency assessment on direct premiums for all property and casualty lines of business in this state, including property and casualty business of surplus lines insurers regulated under part VIII of chapter 626, but not including any workers' compensation premiums or medical malpractice premiums. As used in this subsection, the term "property and casualty business" includes all lines of business identified on Form 2, Exhibit of Premiums and Losses, in the annual statement required of authorized insurers by s. 624.424 and any rule adopted under this section, except for those lines identified as accident and health insurance and except for policies written under the National Flood Insurance Program. The assessment shall be specified as a percentage of direct written

149870

576-02487-17

57 premium and is subject to annual adjustments by the board in
58 order to meet debt obligations. The same percentage applies to
59 all policies in lines of business subject to the assessment
60 issued or renewed during the 12-month period beginning on the
61 effective date of the assessment.

62 2. A premium is not subject to an annual assessment under
63 this paragraph in excess of 6 percent of premium with respect to
64 obligations arising out of losses attributable to any one
65 contract year, and a premium is not subject to an aggregate
66 annual assessment under this paragraph in excess of 10 percent
67 of premium. An annual assessment under this paragraph continues
68 as long as the revenue bonds issued with respect to which the
69 assessment was imposed are outstanding, including any bonds the
70 proceeds of which were used to refund the revenue bonds, unless
71 adequate provision has been made for the payment of the bonds
72 under the documents authorizing issuance of the bonds.

73 3. Emergency assessments shall be collected from
74 policyholders. Emergency assessments shall be remitted by
75 insurers as a percentage of direct written premium for the
76 preceding calendar quarter as specified in the order from the
77 Office of Insurance Regulation. The office shall verify the
78 accurate and timely collection and remittance of emergency
79 assessments and shall report the information to the board in a
80 form and at a time specified by the board. Each insurer
81 collecting assessments shall provide the information with
82 respect to premiums and collections as may be required by the
83 office to enable the office to monitor and verify compliance
84 with this paragraph.

85 4. With respect to assessments of surplus lines premiums,

149870

576-02487-17

86 each surplus lines agent shall collect the assessment at the
87 same time as the agent collects the surplus lines tax required
88 by s. 626.932, and the surplus lines agent shall remit the
89 assessment to the Florida Surplus Lines Service Office created
90 by s. 626.921 at the same time as the agent remits the surplus
91 lines tax to the Florida Surplus Lines Service Office. The
92 emergency assessment on each insured procuring coverage and
93 filing under s. 626.938 shall be remitted by the insured to the
94 Florida Surplus Lines Service Office at the time the insured
95 pays the surplus lines tax to the Florida Surplus Lines Service
96 Office. The Florida Surplus Lines Service Office shall remit the
97 collected assessments to the fund or corporation as provided in
98 the order levied by the Office of Insurance Regulation. The
99 Florida Surplus Lines Service Office shall verify the proper
100 application of such emergency assessments and shall assist the
101 board in ensuring the accurate and timely collection and
102 remittance of assessments as required by the board. The Florida
103 Surplus Lines Service Office shall annually calculate the
104 aggregate written premium on property and casualty business,
105 other than workers' compensation and medical malpractice,
106 procured through surplus lines agents and insureds procuring
107 coverage and filing under s. 626.938 and shall report the
108 information to the board in a form and at a time specified by
109 the board.

110 5. Any assessment authority not used for a particular
111 contract year may be used for a subsequent contract year. If,
112 for a subsequent contract year, the board determines that the
113 amount of revenue produced under subsection (5) is insufficient
114 to fund the obligations, costs, and expenses of the fund and the

149870

576-02487-17

115 corporation, including repayment of revenue bonds and that
116 portion of the debt service coverage not met by reimbursement
117 premiums, the board shall direct the Office of Insurance
118 Regulation to levy an emergency assessment up to an amount not
119 exceeding the amount of unused assessment authority from a
120 previous contract year or years, plus an additional 4 percent
121 provided that the assessments in the aggregate do not exceed the
122 limits specified in subparagraph 2.

123 6. The assessments otherwise payable to the corporation
124 under this paragraph shall be paid to the fund unless the Office
125 of Insurance Regulation and the Florida Surplus Lines Service
126 Office received a notice from the corporation and the fund,
127 which shall be conclusive and upon which they may rely without
128 further inquiry, that the corporation has issued bonds and the
129 fund has no agreements in effect with local governments under
130 paragraph (c). On or after the date of the notice and until the
131 date the corporation has no bonds outstanding, the fund shall
132 have no right, title, or interest in or to the assessments,
133 except as provided in the fund's agreement with the corporation.

134 7. Emergency assessments are not premium and are not
135 subject to the premium tax, to the surplus lines tax, to any
136 fees, or to any commissions. An insurer is liable for all
137 assessments that it collects and must treat the failure of an
138 insured to pay an assessment as a failure to pay the premium. An
139 insurer is not liable for uncollectible assessments.

140 8. If an insurer is required to return an unearned premium,
141 it shall also return any collected assessment attributable to
142 the unearned premium. A credit adjustment to the collected
143 assessment may be made by the insurer with regard to future

149870

576-02487-17

144 remittances that are payable to the fund or corporation, but the
145 insurer is not entitled to a refund.

146 9. If a surplus lines insured or an insured who has
147 procured coverage and filed under s. 626.938 is entitled to the
148 return of an unearned premium, the Florida Surplus Lines Service
149 Office shall provide a credit or refund to the agent or such
150 insured for the collected assessment attributable to the
151 unearned premium before remitting the emergency assessment
152 collected to the fund or corporation.

153 ~~10. The exemption of medical malpractice insurance premiums~~
154 ~~from emergency assessments under this paragraph is repealed May~~
155 ~~31, 2019, and medical malpractice insurance premiums shall be~~
156 ~~subject to emergency assessments attributable to loss events~~
157 ~~occurring in the contract years commencing on June 1, 2019.~~

158 Section 2. Subsection (1) of section 624.407, Florida
159 Statutes, is amended to read:

160 624.407 Surplus required; new insurers.-

161 (1) To receive authority to transact any one kind or
162 combinations of kinds of insurance, as defined in part V of this
163 chapter, an insurer applying for its original certificate of
164 authority in this state shall possess surplus as to
165 policyholders at least the greater of:

166 (a) For a property and casualty insurer, \$5 million, or
167 \$2.5 million for any other insurer;

168 (b) For life insurers, 4 percent of the insurer's total
169 liabilities;

170 (c) For life and health insurers, 4 percent of the
171 insurer's total liabilities, plus 6 percent of the insurer's
172 liabilities relative to health insurance;

149870

576-02487-17

173 (d) For all insurers other than life insurers and life and
174 health insurers, 10 percent of the insurer's total liabilities;

175 (e) Notwithstanding paragraph (a) or paragraph (d), for a
176 domestic insurer that transacts residential property insurance
177 and is:

178 1. Not a wholly owned subsidiary of an insurer domiciled in
179 any other state, \$15 million.

180 2. A wholly owned subsidiary of an insurer domiciled in any
181 other state, \$50 million; ~~or~~

182 (f) Notwithstanding paragraphs (a), (d), and (e), for a
183 domestic insurer that only transacts limited sinkhole coverage
184 insurance for personal lines residential property pursuant to s.
185 627.7151, \$7.5 million; or

186 (g) Notwithstanding paragraphs (a), (b), and (e), for an
187 insurer that only transacts residential property insurance in
188 the form of renter's insurance, tenant's coverage, cooperative
189 unit owner insurance, or any combination thereof, \$10 million.

190 Section 3. Subsection (15) of section 625.012, Florida
191 Statutes, is amended to read:

192 625.012 "Assets" defined.—In any determination of the
193 financial condition of an insurer, there shall be allowed as
194 "assets" only such assets as are owned by the insurer and which
195 consist of:

196 (15) (a) Assessments levied pursuant to s. 631.57(3) (a) and
197 (e) or s. 631.914 which ~~that~~ are paid before policy surcharges
198 are collected and result in a receivable for policy surcharges
199 to be collected in the future. This amount, to the extent it is
200 likely that it will be realized, meets the definition of an
201 admissible asset as specified in the National Association of

149870

576-02487-17

202 Insurance Commissioners' Statement of Statutory Accounting
203 Principles No. 4. The asset shall be established and recorded
204 separately from the liability regardless of whether it is based
205 on a retrospective or prospective premium-based assessment. If
206 an insurer is unable to fully recoup the amount of the
207 assessment because of a reduction in writings or withdrawal from
208 the market, the amount recorded as an asset shall be reduced to
209 the amount reasonably expected to be recouped.

210 (b) Assessments levied as monthly installments pursuant to
211 s. 631.57(3)(e)3. or s. 631.914 which ~~that~~ are paid after policy
212 surcharges are collected so that the recognition of assets is
213 based on actual premium written offset by the obligation to the
214 Florida Insurance Guaranty Association or the Florida Workers'
215 Compensation Insurance Guaranty Association, Incorporated.

216 Section 4. Paragraph (e) of subsection (7) of section
217 627.062, Florida Statutes, is amended to read:

218 627.062 Rate standards.—

219 (7) The provisions of this subsection apply only to rates
220 for medical malpractice insurance and control to the extent of
221 any conflict with other provisions of this section.

222 (e) For medical malpractice rates subject to paragraph
223 (2) (a), the medical malpractice insurer shall make an annual
224 base a rate filing in accordance with s. 627.0645 ~~under this~~
225 section, sworn to by at least two executive officers of the
226 insurer, ~~at least once each calendar year.~~

227 Section 5. Subsection (1) of section 627.0645, Florida
228 Statutes, is amended to read:

229 627.0645 Annual filings.—

230 (1) Each rating organization filing rates for, and each

149870

576-02487-17

231 insurer writing, any line of property or casualty insurance to
232 which this part applies, except:

233 (a) Workers' compensation and employer's liability
234 insurance;

235 (b) Insurance as defined in ss. 624.604 and 624.605,
236 limited to coverage of commercial risks other than commercial
237 residential multiperil and medical malpractice insurance that is
238 subject to s. 627.062(2)(a) and (f); or

239 (c) Travel insurance, if issued as a master group policy
240 with a situs in another state where each certificateholder pays
241 less than \$30 in premium for each covered trip and where the
242 insurer has written less than \$1 million in annual written
243 premiums in the travel insurance product in this state during
244 the most recent calendar year,

245
246 shall make an annual base rate filing for each such line with
247 the office no later than 12 months after its previous base rate
248 filing, demonstrating that its rates are not inadequate.

249 Section 6. Section 627.4035, Florida Statutes, is amended
250 to read:

251 627.4035 ~~Cash~~ Payment of premiums; claims.—

252 (1) (a) The premiums for insurance contracts issued in this
253 state or covering risk located in this state must ~~shall~~ be paid
254 in cash consisting of coins, currency, checks, electronic
255 checks, drafts, or money orders or by using a debit card, credit
256 card, automatic electronic funds transfer, or payroll deduction
257 plan. ~~By July 1, 2007,~~ Insurers issuing personal lines
258 residential and commercial property policies shall provide a
259 premium payment plan option to their policyholders which allows

149870

576-02487-17

260 for a minimum of quarterly and semiannual payment of premiums.
261 Insurers may, but are not required to, offer monthly payment
262 plans. Insurers issuing such policies must submit their premium
263 payment plan option to the office for approval before use.

264 (b) If, due to insufficient funds, a payment of premium
265 under this subsection by debit card, credit card, electronic
266 funds transfer, or electronic check is returned, is declined, or
267 cannot be processed, the insurer may impose an insufficient
268 funds fee of up to \$15 per occurrence pursuant to the policy
269 terms. However, the insurer may not charge the policyholder an
270 insufficient funds fee if the failure in payment resulted from
271 fraud or misuse on the policyholder's account from which the
272 payment was made and such fraud or misuse was not attributed to
273 the policyholder.

274 (2) Subsection (1) is not applicable to:

275 (a) Reinsurance agreements;

276 (b) Pension plans;

277 (c) Premium loans, whether or not subject to an automatic
278 provision;

279 (d) Dividends, whether to purchase additional paid-up
280 insurance or to shorten the dividend payment period;

281 (e) Salary deduction plans;

282 (f) Preauthorized check plans;

283 (g) Waivers of premiums on disability;

284 (h) Nonforfeiture provisions affording benefits under
285 supplementary contracts; or

286 (i) Such other methods of paying for life insurance as may
287 be permitted by the commission pursuant to rule or regulation.

288 (3) All payments of claims made in this state under any

149870

576-02487-17

289 contract of insurance shall be paid:

290 (a) In cash consisting of coins, currency, checks, drafts,
291 or money orders and, if by check or draft, shall be in such form
292 as will comply with the standards for cash items adopted by the
293 Federal Reserve System to facilitate the sorting, routing, and
294 mechanized processing of such items; or

295 (b) If authorized in writing by the recipient or the
296 recipient's representative, by debit card or any other form of
297 electronic transfer. Any fees or costs to be charged against the
298 recipient must be disclosed in writing to the recipient or the
299 recipient's representative at the time of written authorization.
300 However, the written authorization requirement may be waived by
301 the recipient or the recipient's representative if the insurer
302 verifies the identity of the insured or the insured's recipient
303 and does not charge a fee for the transaction. If the funds are
304 misdirected, the insurer remains liable for the payment of the
305 claim.

306 Section 7. Subsection (5) is added to section 627.421,
307 Florida Statutes, to read:

308 627.421 Delivery of policy.—

309 (5) An electronically delivered document satisfies any
310 font, size, color, spacing, or other formatting requirement for
311 printed documents if the format in the electronically delivered
312 document has reasonably similar proportions or emphasis of the
313 characters relative to the rest of the electronic document or is
314 otherwise displayed in a reasonably conspicuous manner.

315 Section 8. Subsection (9) of section 627.7295, Florida
316 Statutes, is amended to read:

317 627.7295 Motor vehicle insurance contracts.—

149870

576-02487-17

318 ~~(9) (a) In addition to the methods provided in s.~~

319 ~~627.4035(1), premium for motor vehicle insurance contracts~~
320 ~~issued in this state or covering risk located in this state may~~
321 ~~be paid in cash in the form of a draft or drafts.~~

322 ~~(b) If, due to insufficient funds, payment of premium under~~
323 ~~this subsection by debit card, credit card, electronic funds~~
324 ~~transfer, or electronic check is returned, is declined, or~~
325 ~~cannot be processed, the insurer may impose an insufficient~~
326 ~~funds fee of up to \$15 per occurrence pursuant to the policy~~
327 ~~terms.~~

328 Section 9. This act shall take effect upon becoming a law.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: CS/CS/SB 454

INTRODUCER: Appropriations Committee (Recommended by Appropriations Subcommittee on General Government); Banking and Insurance Committee; and Senator Brandes

SUBJECT: Regulation of Insurance Companies

DATE: April 7, 2017 **REVISED:** _____

	ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1.	<u>Matiyow</u>	<u>Knudson</u>	<u>BI</u>	<u>Fav/CS</u>
2.	<u>Matiyow/Sanders</u>	<u>Betta</u>	<u>AGG</u>	<u>Recommend: Fav/CS</u>
3.	<u>Matiyow/Sanders</u>	<u>Hansen</u>	<u>AP</u>	<u>Fav/CS</u>
4.	_____	_____	<u>RC</u>	_____

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 454 makes several changes relating to the regulation of insurance companies. The bill:

- Deletes the future repeal of the exemption of medical malpractice insurance premiums from the Florida Hurricane Catastrophe Fund (fund) assessments. Under current law, the exemption is repealed May 31, 2019.
- Allows an insurer issuing only renter’s insurance, tenant’s coverage or cooperative unit owners insurance to maintain a surplus of \$10 million to do business in the state.
- Removes the requirement that all members of an audit committee for an insurer must be free of any relationships that could interfere with the member’s independent judgement.
- Allows Florida Workers’ Compensation Insurance Guaranty Association (FWCIGA) surcharges to be counted as insurer assets if those surcharges are paid to the Association before the surcharges are collected from the insureds.
- Removes the requirement on insurers writing certain lines of medical malpractice insurance to make a full rate filing annually; these insurers will have the option to certify their rates with the Office of Insurance Regulation (OIR).
- Renames “owners and encumbrance” reports to “property information” report and clarifies such reports are not title insurance.
- Allows electronic checks and drafts as acceptable methods of payment for specified lines of insurance and allows insurers to charge a \$15 insufficient funds fee.

- Specifies display requirements for the electronic delivery of documents.

The impact on state revenues and expenditures is indeterminate. The continued exemption from the fund assessments for medical malpractice insurance premiums most likely will not impact revenues generated by the fund. The OIR has identified a need to modify existing computer systems but the costs of such modifications can be absorbed within existing agency resources.¹

The bill takes effect upon becoming a law.

II. Present Situation:

Title Insurance

Title insurance is: (1) insurance of owners of real property or others having an interest in real property or contractual interest derived therefrom, or liens or encumbrances on real property, against loss by encumbrance, or defective titles, or invalidity, or adverse claim to title; or (2) insurance of owners and secured parties of the existence, attachment, perfection, and priority of security interests in personal property under the Uniform Commercial Code.² Title insurance serves to indemnify the insured against financial loss caused by defects in the title arising out of events that occurred before the date of the policy.³ Title insurance agents and agencies are licensed and regulated by the Department of Financial Services (DFS) while title insurance companies are licensed and regulated by the OIR.

Owners and Encumbrance Reports

An owners and encumbrance report discloses certain defined documents imparting constructive notice and appearing in the official records relating to specified real property.⁴ Such reports may not directly or indirectly set forth or imply any opinion, warranty, guarantee, insurance, or other similar assurance as to the status of title to real property.⁵ Additionally, any ownership and encumbrance report or similar report that is relied on or intended to be relied on by a consumer must be on forms approved by the OIR, and must provide for a maximum liability for incorrect information of not more than \$1,000.⁶

The Florida Hurricane Catastrophe Fund and its assessments

The Florida Hurricane Catastrophe Fund is a tax-exempt fund created in 1993 after Hurricane Andrew as a form of mandatory reinsurance for residential property insurers. The fund is administered by the State Board of Administration and is a tax-exempt source of reimbursement to property insurers for a selected percentage of hurricane losses above the insurer's retention. Admitted property insurers in the state are required to purchase \$17 billion in coverage from the fund. Each insurer's mandatory amount purchased is based upon the insurer's share of the actual premium paid for the contract year, multiplied by the claims paying capacity of the fund. The

¹ OIR staff provided an update regarding fiscal impact via telephone on March 9, 2017.

² See s. 624.608, F.S.

³ See *Lawyers Title Insurance Co. Inc. v. Novastar Mortgage, Inc.*, 862 So. 2d 793, 797 (Fla. 4th DCA 2003).

⁴ Section 627.7843(1), F.S.

⁵ Section 627.7843(2), F.S.

⁶ Section 627.7843(3), F.S.

fund must charge insurers the actuarially indicated premium for the coverage provided, based on hurricane loss projection models found acceptable by the Florida Commission on Hurricane Loss Projection Methodology.

Reimbursements to insurers for losses above the current moneys in the fund are financed through bonding. When the moneys in the fund are insufficient to cover losses, the law authorizes the fund to issue revenue bonds funded by emergency assessments on property and casualty policyholders. Bonds would be funded by an emergency assessment of up to 6 percent of premium on most lines of property and casualty insurance for funding losses from a single year, and up to 10 percent of premium for funding losses from multiple years. All lines of property and casualty insurance, including surplus lines insurance, are subject to emergency assessment except for workers' compensation and medical malpractice liability insurance. The exemption for medical malpractice insurance being subject to fund assessments is scheduled to repeal on May 31, 2019.

Florida Insurance Guaranty Association (FIGA) and its assessments

When a property and casualty insurance company becomes insolvent, Florida Insurance Guaranty Association (FIGA) is required by law to take over the claims of the insurer and pay the claims of the company's policyholders. This ensures policyholders who have paid premiums for insurance are not left with valid yet unpaid claims. FIGA is responsible for claims on residential and commercial property insurance, automobile insurance, and liability insurance, among others.

In order to pay claims and to maintain the operations of an insolvent insurer, FIGA has several potential funding sources. FIGA's primary funding source is from the liquidation of assets of insolvent insurance companies domiciled in Florida. FIGA also obtains funds from the liquidation of assets of insolvent insurers domiciled in other states, but having claims in Florida. In the event the insolvent insurer's assets are insufficient to pay all claims, FIGA can issue two types of post-insolvency assessments against property and casualty insurance companies to raise funds to pay claims. FIGA's assessments are computed and billed based on FIGA's immediate needs to pay claims. Currently, assessments may not exceed two percent of net direct-written premium in one year for regular assessments, and an additional emergency assessment of two percent of direct-written premium for hurricane-related insolvencies.

Renters Insurance

Renter's insurance, sometimes referred to as tenant's insurance, includes three basic types of protection. The basic types of protection are for personal possessions, liability, and additional living expenses.⁷ Standard renter's insurance policies protect personal belongings against damage from fire, smoke, lightning, vandalism, theft, explosion, windstorm, water, and other disasters listed in the policy. With respect to personal liability, standard renter's insurance policies provide liability protection against lawsuits for bodily injury or property damage that the insured or the insured's family members cause to other people. It also pays for damages caused

⁷ Insurance Information Institute, *Renters Insurance*, at <http://www.iii.org/article/renters-insurance> (last visited April 7, 2017).

by pets to others in the home. Finally, standard renter's insurance policies cover additional living expenses. If the tenant's home is destroyed by a disaster, which is covered by the policy, renter's insurance covers the additional costs incurred for the insured to reside elsewhere. Policies will generally reimburse the difference between additional living expenses and normal living expenses. Additional living expenses cover hotel bills, temporary rentals, restaurant meals and other expenses incurred while the home is being rebuilt.

Insurance Company Surplus

Section 624.407, F.S., establishes the surplus requirement for insurers doing business in this state. The surplus requirement for a new property and casualty insurer issuing only renter's insurance policies is:

- \$15 million if not a wholly owned subsidiary of an insurer domiciled in any other state.⁸
- \$50 million if a wholly owned subsidiary of an insurer domiciled in any other state.⁹

Audit Committee

In addition to each authorized insurer having to file with the OIR statements of its financial condition, transactions, and affairs¹⁰, each authorized insurer must also hire a certified public accountant to prepare an audit.¹¹ The board of the insurer is required to establish an audit committee of three or more directors of the insurer or an affiliated company. The audit committee is responsible for discussing audit findings and interacting with the certified public accountant with regard to his or her findings. The audit committee must be comprised solely of members who are free from any relationship that, in the opinion of its board of directors, would interfere with the exercise of independent judgment as a committee member. The audit committee must report to the board any findings of adverse financial conditions or significant deficiencies in internal controls that have been noted by the accountant. The insurer may request the office to waive this requirement of the audit committee membership based upon unusual hardship to the insurer.¹²

Florida Workers' Compensation Insurance Guaranty Association (FWCIGA) and its assessments

As a condition of their authority to offer workers' compensation insurance coverage in Florida, all insurers and self-insurance funds are required to be members of the Florida Workers' Compensation Insurance Guaranty Association, Inc. (FWCIGA).¹³ The FWCIGA is a not-for-profit corporation established pursuant to part V of ch. 631, F.S., adjunct to the Department of Financial Services (DFS). The FWCIGA assists in the detection and prevention of insurer insolvencies and provides for the payment of workers' compensation covered claims.¹⁴ The

⁸ Section 624.407(1)(e)1., F.S.

⁹ Section 624.407(1)(e)2., F.S.

¹⁰ Section 624.424(1)(a), F.S.

¹¹ Section 624.424(8)(a), F.S.

¹² Section 624.424(8)(c), F.S.

¹³ Section. 631.911, F.S. Chapter 631, F.S., governs the rehabilitation and liquidation process for insurers in Florida. In Florida, the Division of Rehabilitation and Liquidation in the Department of Financial Services is responsible for rehabilitating or liquidating insurance companies.

¹⁴ Section 631.902, F.S. The term "covered claim" is defined in s. 631.904(2), F.S.

FWCIGA evaluates workers' compensation claims made by insureds against insolvent member companies or funds, and determines if such claims are covered claims subject to payment by FWCIGA. The FWCIGA is funded by distributions from the estates of insolvent insurers, investment income, and assessments of member insurers.¹⁵

The FWCIGA determines whether an assessment against member insurers is necessary to pay covered claims of an insolvent insurer or to reimburse the FWCIGA for expenses associated with administering its statutory functions. The assessments are levied by the Department of Financial Services on each insurer based upon the proportion of the insurer's net direct written premium in Florida to the total of all such insurers writing workers' compensation coverages in Florida for the preceding calendar year. The maximum assessment rate is two percent for insurers and 1.5 percent for self-insurance funds. If these assessments are insufficient to satisfy claims and administration costs, an additional assessment of 1.5 percent can be levied.¹⁶

Insurer Assets

When determining the financial condition of an insurer, statutory accounting principles allow insurers to include as an asset, assessment surcharges that have yet to be collected from policyholders. Under current law assessments levied by the Florida Insurance Guaranty Association, resulting in surcharges to policyholders yet to be collected by insurers, can be counted as assets if there is a reasonable expectation by the insurer that such surcharges will be paid.¹⁷

Medical Malpractice Insurance

Medical malpractice insurance is a professional liability coverage obtained by health care providers to indemnify them from damages arising out of an act of medical negligence. Florida requires licensed physicians and licensed osteopathic physicians to meet financial responsibility requirements as a condition of obtaining and maintaining state licensure to practice medicine. Insurers that issue medical malpractice insurance are required to complete a full rate filing with the OIR once every calendar year.¹⁸

Insufficient Funds Fee

Current law allows up to a \$15 insufficient funds fee to be charged to a policyholder of a motor vehicle insurance contract when the policyholders payment by debit card, credit card, electronic funds transfer, or electronic check is returned or declined.¹⁹

¹⁷ Section 625.012(15)(a), F.S.

¹⁸ Section. 627.062(7)(e), F.S.

¹⁹ Section 627.7295(9), F.S.

Delivery of Insurance Policies

Part II of s. 627, F.S., generally applies to most lines of insurance written in this state.²⁰ Under this part, every insurance policy must be mailed, delivered or electronically transmitted to the policyholder within 60 days after the insurance takes effect. An insurer may allow a policyholder of personal lines insurance to affirmatively elect delivery of the policy documents, including, but not limited to, policies, endorsements, notices, or documents, by electronic means in lieu of delivery by mail. Electronic transmission of a policy for commercial risks constitutes delivery to the insured or to the person entitled to delivery, unless the insured or the person entitled to delivery communicates to the insurer in writing or electronically that he or she does not agree to delivery by electronic means. Electronic transmission shall include a notice to the insured or to the person entitled to delivery of a policy of his or her right to receive the policy via United States mail rather than via electronic transmission. A paper copy of the policy shall be provided to the insured or to the person entitled to delivery at his or her request.²¹

III. Effect of Proposed Changes:

Sections 1, 2 and 3 amend ss. 177.041, 177.091, and 197.502, F.S., respectively, relating to information contained in a “property information” report. The bill strikes references to certifications by abstractors or title companies and ownership and encumbrance reports. Instead, the bill refers to such reports as property information reports. The changes conform to **Section 13** of the bill and are designed to clarify that such reports are not title insurance.

Section 4 amends s. 215.555, F.S., to delete the scheduled repeal of the exemption from the Florida Hurricane Catastrophe Fund (fund) assessments for medical malpractice insurance. The exemption will continue beyond May 31, 2019.

Section 5 amends s. 624.407, F.S., to allow an insurer issuing only renter’s insurance, tenant’s coverage, or cooperative unit owners insurance, or any combination of such coverages, to maintain a surplus of \$10 million, regardless if they are wholly owned subsidiary of an insurer domiciled in Florida or another state.

Section 6 amends s. 624.424, F.S., to delete the requirement that all members of an audit committee must, in the opinion of the board, be free of any relationships that could interfere with the member’s independent judgement when conducting an audit.

Section 7 amends s. 625.012, F.S., to allow assessments paid by the Florida Workers' Compensation Insurance Guaranty Association (FWCIGA) prior to the collection of policy surcharges from policyholders to count as assets when determining the financial condition of an insurer. This section also allows assessments paid to the (FWCIGA) to be treated the same way assessments paid to the Florida Insurance Guaranty Association (FIGA) are currently treated.

²⁰ Section 627.401, F.S.

²¹ Section 627.421(1), F.S.

Sections 8 and 9 amend ss. 627.062 and 627.0645, F.S., respectively, to allow insurers, when filing rates on certain lines²² of medical malpractice insurance, the option of making a full rate filing or, when no rate change is needed, certifying to the Office of Insurance Regulation (OIR) that their rates are actuarially sound and not inadequate.

Section 10 amends s. 627.4035, F.S., to allow the use of electronic checks and drafts as acceptable methods of payment for most insurance policies.²³ **Section 6** also allows insurers to charge a \$15 insufficient funds fee so long as the insufficient funds were not the result of fraudulent activity of the account on file and such fraudulent activity was not attributed to the policyholder. A \$15 insufficient funds fee is currently allowed for automobile insurance policies²⁴ and is being expanded to include a broader range of policies.

Section 11 amends s. 627.421, F.S., to specify that, with regards to any font, size, color, spacing, or other formatting requirement for printed documents, an electronically delivered document satisfies these requirements if it has reasonably similar proportions or emphasis of the characters relative to the rest of the electronic document or is otherwise displayed in a reasonably conspicuous manner.

Section 12 amends s. 627.7295, F.S., to delete provisions that are applicable only to motor vehicle contracts because similar provisions have been set forth in section 10 of this bill that are applicable to a broader range of policies.

Section 13 amends s. 627.7843, F.S., clarifying that a “property information” report may be completed by anyone including title insurers. The report must contain a disclosure stating that the report is not title insurance, that the maximum liability of the report’s issuer for errors or omissions is limited to the amount paid for the report, and recovery may only be made by the named recipient of the report.

The provisions of this section do not apply to a title opinion issued by an attorney.

Section 14 provides the bill takes effect upon becoming a law.

²² The bill allows insurers to certify rates for medical malpractice insurance policies that are subject to “file and use” or “use and file” rate review under s. 627.062(2)(a) and (f), F.S. Medical malpractice insurance is subject to these requirements if it covers a facility that is not a hospital licensed under chapter 395 F.S., a nursing home licensed under part II of chapter 400 F.S., or an assisted living facility licensed under part I of chapter 429 F.S., a health care practitioner who is not a dentist licensed under chapter 466 F.S., a physician licensed under chapter 458 F.S., an osteopathic physician licensed under chapter 459 F.S., chiropractic physician licensed under chapter 460 F.S., a podiatric physician licensed under chapter 461 F.S., a pharmacist licensed under chapter 465 F.S., or a pharmacy technician registered under chapter 465 F.S. Accordingly, it is these types of medical malpractice insurance that are affected by the bill. Medical malpractice insurance covering other entities or practitioners are not subject to paragraphs (a) and (f) of s. 627.062(2), F.S., pursuant to sub-subparagraphs o. and p. of s. 627.062(3)(d)1, F.S., and thus are not affected by the bill.

²³ Section 627.401, F.S.

²⁴ Section 627.7295(9), F.S.

IV. Constitutional Issues:**A. Municipality/County Mandates Restrictions:**

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

Under CS/CS/SB 454, medical malpractice insurance will continue to be exempt beyond May 31, 2019, from assessments levied by the Florida Hurricane Catastrophe Fund (fund). To the extent that assessments levied on or after June 1, 2019, do not reach the statutory maximum rate percentages, any assessments that otherwise would have been levied on medical malpractice insurance premiums will be shifted to the other lines of insurance subject to the assessments. To the extent that the assessments reach the maximum rates allowed, the fund will receive fewer revenues (based on the amount of premiums written for medical malpractice).

B. Private Sector Impact:

Medical malpractice insurance will continue to be exempt beyond May 31, 2019, from assessments levied by the fund.

Insurers will be allowed to count as assets expected surcharges due to assessments from the Florida Workers' Compensation Insurance Guaranty Association (FWCIGA). Insurers will have the option of certifying their rates on certain lines of medical malpractice insurance.

Policyholders on most lines of insurance will be permitted to use electronic checks and drafts as acceptable methods of payment will be subject to a \$15 insufficient funds fee, when applicable.

C. Government Sector Impact:

The Office of Insurance Regulation (OIR) will need to modify existing computer systems but advise the update can be absorbed within existing resources. In addition, the OIR staff may have a reduced workload to the extent an insurer certifies its rates on certain lines of medical malpractice insurance rather than submitting a full rate filing.²⁵

²⁵ See footnote 13.

VI. Technical Deficiencies:

Section 6 on line 284 strikes the word “solely” from the requirement that an audit committee must be comprised solely of members free from relationships that interfere with independent judgment in the opinion of the insurer’s board of directors. The revision is intended to comply with a National Association of Insurance Commissioners Model Act that has been adopted in Rule 69O-137.002(14), F.A.C. The elimination of “solely” from the statute does not make clear the requirements for audit committee members, and greater specificity is recommended

Line 313 should strike the word monthly as the Workers Compensation Guarantee Association issues their installments quarterly.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 177.041, 177.091, 197.502, 215.555, 624.407, 624.424, 625.012, 627.062, 627.0645, 627.4035, 627.421, 627.7295 and 627.7843.

IX. Additional Information:**A. Committee Substitute – Statement of Substantial Changes:**

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS/CS by Appropriations on April 5, 2017:

The committee substitute:

- Allows an insurer issuing only renter’s insurance, tenant’s coverage or cooperative unit owners insurance to maintain a surplus of \$10 million, regardless if they are wholly owned subsidiary of an insurer domiciled in Florida or another state.
- Clarifies that an insufficient funds fee cannot be charged if the insufficient funds were the result of fraudulent activity of the account on file and such fraudulent activity was not attributed to the policyholder.
- Renames “owners and encumbrance” reports to “property information” report and clarifies such reports are not title insurance.
- Removes the requirement that all members of an audit committee for an insurer must be free of any relationships that could interfere with the member’s independent judgement.

CS by Banking and Insurance on March 6, 2017:

The CS made a technical change to clarify that monthly installments on surcharges from the Florida Workers' Compensation Insurance Guaranty Association assessments can be included in the calculation on an insurers assets. The CS also removed the section of the bill pertaining to excluded named driver.

B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill's introducer or the Florida Senate.

 42 state, including property and casualty business of surplus lines
 43 insurers regulated under part VIII of chapter 626, but not
 44 including any workers' compensation premiums or medical
 45 malpractice premiums. As used in this subsection, the term
 46 "property and casualty business" includes all lines of business
 47 identified on Form 2, Exhibit of Premiums and Losses, in the
 48 annual statement required of authorized insurers by s. 624.424
 49 and any rule adopted under this section, except for those lines
 50 identified as accident and health insurance and except for
 51 policies written under the National Flood Insurance Program. The
 52 assessment shall be specified as a percentage of direct written
 53 premium and is subject to annual adjustments by the board in
 54 order to meet debt obligations. The same percentage applies to
 55 all policies in lines of business subject to the assessment
 56 issued or renewed during the 12-month period beginning on the
 57 effective date of the assessment.
 58 2. A premium is not subject to an annual assessment under

Page 2 of 10

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-02140-17

2017454c1

59 this paragraph in excess of 6 percent of premium with respect to
 60 obligations arising out of losses attributable to any one
 61 contract year, and a premium is not subject to an aggregate
 62 annual assessment under this paragraph in excess of 10 percent
 63 of premium. An annual assessment under this paragraph continues
 64 as long as the revenue bonds issued with respect to which the
 65 assessment was imposed are outstanding, including any bonds the
 66 proceeds of which were used to refund the revenue bonds, unless
 67 adequate provision has been made for the payment of the bonds
 68 under the documents authorizing issuance of the bonds.

69 3. Emergency assessments shall be collected from
 70 policyholders. Emergency assessments shall be remitted by
 71 insurers as a percentage of direct written premium for the
 72 preceding calendar quarter as specified in the order from the
 73 Office of Insurance Regulation. The office shall verify the
 74 accurate and timely collection and remittance of emergency
 75 assessments and shall report the information to the board in a
 76 form and at a time specified by the board. Each insurer
 77 collecting assessments shall provide the information with
 78 respect to premiums and collections as may be required by the
 79 office to enable the office to monitor and verify compliance
 80 with this paragraph.

81 4. With respect to assessments of surplus lines premiums,
 82 each surplus lines agent shall collect the assessment at the
 83 same time as the agent collects the surplus lines tax required
 84 by s. 626.932, and the surplus lines agent shall remit the
 85 assessment to the Florida Surplus Lines Service Office created
 86 by s. 626.921 at the same time as the agent remits the surplus
 87 lines tax to the Florida Surplus Lines Service Office. The

597-02140-17

2017454c1

88 emergency assessment on each insured procuring coverage and
 89 filing under s. 626.938 shall be remitted by the insured to the
 90 Florida Surplus Lines Service Office at the time the insured
 91 pays the surplus lines tax to the Florida Surplus Lines Service
 92 Office. The Florida Surplus Lines Service Office shall remit the
 93 collected assessments to the fund or corporation as provided in
 94 the order levied by the Office of Insurance Regulation. The
 95 Florida Surplus Lines Service Office shall verify the proper
 96 application of such emergency assessments and shall assist the
 97 board in ensuring the accurate and timely collection and
 98 remittance of assessments as required by the board. The Florida
 99 Surplus Lines Service Office shall annually calculate the
 100 aggregate written premium on property and casualty business,
 101 other than workers' compensation and medical malpractice,
 102 procured through surplus lines agents and insureds procuring
 103 coverage and filing under s. 626.938 and shall report the
 104 information to the board in a form and at a time specified by
 105 the board.

106 5. Any assessment authority not used for a particular
 107 contract year may be used for a subsequent contract year. If,
 108 for a subsequent contract year, the board determines that the
 109 amount of revenue produced under subsection (5) is insufficient
 110 to fund the obligations, costs, and expenses of the fund and the
 111 corporation, including repayment of revenue bonds and that
 112 portion of the debt service coverage not met by reimbursement
 113 premiums, the board shall direct the Office of Insurance
 114 Regulation to levy an emergency assessment up to an amount not
 115 exceeding the amount of unused assessment authority from a
 116 previous contract year or years, plus an additional 4 percent

597-02140-17 2017454c1

117 provided that the assessments in the aggregate do not exceed the
118 limits specified in subparagraph 2.

119 6. The assessments otherwise payable to the corporation
120 under this paragraph shall be paid to the fund unless the Office
121 of Insurance Regulation and the Florida Surplus Lines Service
122 Office received a notice from the corporation and the fund,
123 which shall be conclusive and upon which they may rely without
124 further inquiry, that the corporation has issued bonds and the
125 fund has no agreements in effect with local governments under
126 paragraph (c). On or after the date of the notice and until the
127 date the corporation has no bonds outstanding, the fund shall
128 have no right, title, or interest in or to the assessments,
129 except as provided in the fund's agreement with the corporation.

130 7. Emergency assessments are not premium and are not
131 subject to the premium tax, to the surplus lines tax, to any
132 fees, or to any commissions. An insurer is liable for all
133 assessments that it collects and must treat the failure of an
134 insured to pay an assessment as a failure to pay the premium. An
135 insurer is not liable for uncollectible assessments.

136 8. If an insurer is required to return an unearned premium,
137 it shall also return any collected assessment attributable to
138 the unearned premium. A credit adjustment to the collected
139 assessment may be made by the insurer with regard to future
140 remittances that are payable to the fund or corporation, but the
141 insurer is not entitled to a refund.

142 9. If a surplus lines insured or an insured who has
143 procured coverage and filed under s. 626.938 is entitled to the
144 return of an unearned premium, the Florida Surplus Lines Service
145 Office shall provide a credit or refund to the agent or such

597-02140-17 2017454c1

146 insured for the collected assessment attributable to the
147 unearned premium before remitting the emergency assessment
148 collected to the fund or corporation.

149 ~~10. The exemption of medical malpractice insurance premiums~~
150 ~~from emergency assessments under this paragraph is repealed May~~
151 ~~31, 2019, and medical malpractice insurance premiums shall be~~
152 ~~subject to emergency assessments attributable to loss events~~
153 ~~occurring in the contract years commencing on June 1, 2019.~~

154 Section 2. Subsection (15) of section 625.012, Florida
155 Statutes, is amended to read:

156 625.012 "Assets" defined.—In any determination of the
157 financial condition of an insurer, there shall be allowed as
158 "assets" only such assets as are owned by the insurer and which
159 consist of:

160 (15) (a) Assessments levied pursuant to s. 631.57(3) (a) and
161 (e) or s. 631.914 which ~~that~~ are paid before policy surcharges
162 are collected and result in a receivable for policy surcharges
163 to be collected in the future. This amount, to the extent it is
164 likely that it will be realized, meets the definition of an
165 admissible asset as specified in the National Association of
166 Insurance Commissioners' Statement of Statutory Accounting
167 Principles No. 4. The asset shall be established and recorded
168 separately from the liability regardless of whether it is based
169 on a retrospective or prospective premium-based assessment. If
170 an insurer is unable to fully recoup the amount of the
171 assessment because of a reduction in writings or withdrawal from
172 the market, the amount recorded as an asset shall be reduced to
173 the amount reasonably expected to be recouped.

174 (b) Assessments levied as monthly installments pursuant to

597-02140-17 2017454c1

175 s. 631.57(3)(e)3. or s. 631.914 which ~~that~~ are paid after policy
 176 surcharges are collected so that the recognition of assets is
 177 based on actual premium written offset by the obligation to the
 178 Florida Insurance Guaranty Association or the Florida Workers'
 179 Compensation Insurance Guaranty Association, Incorporated.

180 Section 3. Paragraph (e) of subsection (7) of section
 181 627.062, Florida Statutes, is amended to read:

182 627.062 Rate standards.—

183 (7) The provisions of this subsection apply only to rates
 184 for medical malpractice insurance and control to the extent of
 185 any conflict with other provisions of this section.

186 (e) For medical malpractice rates subject to paragraph
 187 (2)(a), the medical malpractice insurer shall make an annual
 188 base a rate filing in accordance with s. 627.0645 ~~under this~~
 189 ~~section, sworn to by at least two executive officers of the~~
 190 ~~insurer, at least once each calendar year.~~

191 Section 4. Subsection (1) of section 627.0645, Florida
 192 Statutes, is amended to read:

193 627.0645 Annual filings.—

194 (1) Each rating organization filing rates for, and each
 195 insurer writing, any line of property or casualty insurance to
 196 which this part applies, except:

197 (a) Workers' compensation and employer's liability
 198 insurance;

199 (b) Insurance as defined in ss. 624.604 and 624.605,
 200 limited to coverage of commercial risks other than commercial
 201 residential multiperil and medical malpractice insurance that is
 202 subject to s. 627.062(2)(a) and (f); or

203 (c) Travel insurance, if issued as a master group policy

597-02140-17 2017454c1

204 with a situs in another state where each certificateholder pays
 205 less than \$30 in premium for each covered trip and where the
 206 insurer has written less than \$1 million in annual written
 207 premiums in the travel insurance product in this state during
 208 the most recent calendar year,

209 shall make an annual base rate filing for each such line with
 210 the office no later than 12 months after its previous base rate
 211 filing, demonstrating that its rates are not inadequate.

212 Section 5. Section 627.4035, Florida Statutes, is amended
 213 to read:

214 627.4035 ~~Cash~~ Payment of premiums; claims.—

215 (1) (a) The premiums for insurance contracts issued in this
 216 state or covering risk located in this state must ~~shall~~ be paid
 217 in cash consisting of coins, currency, checks, electronic
 218 checks, drafts, or money orders or by using a debit card, credit
 219 card, automatic electronic funds transfer, or payroll deduction
 220 plan. ~~By July 1, 2007,~~ Insurers issuing personal lines
 221 residential and commercial property policies shall provide a
 222 premium payment plan option to their policyholders which allows
 223 for a minimum of quarterly and semiannual payment of premiums.
 224 Insurers may, but are not required to, offer monthly payment
 225 plans. Insurers issuing such policies must submit their premium
 226 payment plan option to the office for approval before use.

227 (b) If, due to insufficient funds, a payment of premium
 228 under this subsection by debit card, credit card, electronic
 229 funds transfer, or electronic check is returned, is declined, or
 230 cannot be processed, the insurer may impose an insufficient
 231 funds fee of up to \$15 per occurrence pursuant to the policy
 232

597-02140-17

2017454c1

233 terms.
 234 (2) Subsection (1) is not applicable to:
 235 (a) Reinsurance agreements;
 236 (b) Pension plans;
 237 (c) Premium loans, whether or not subject to an automatic
 238 provision;
 239 (d) Dividends, whether to purchase additional paid-up
 240 insurance or to shorten the dividend payment period;
 241 (e) Salary deduction plans;
 242 (f) Preauthorized check plans;
 243 (g) Waivers of premiums on disability;
 244 (h) Nonforfeiture provisions affording benefits under
 245 supplementary contracts; or
 246 (i) Such other methods of paying for life insurance as may
 247 be permitted by the commission pursuant to rule or regulation.
 248 (3) All payments of claims made in this state under any
 249 contract of insurance shall be paid:
 250 (a) In cash consisting of coins, currency, checks, drafts,
 251 or money orders and, if by check or draft, shall be in such form
 252 as will comply with the standards for cash items adopted by the
 253 Federal Reserve System to facilitate the sorting, routing, and
 254 mechanized processing of such items; or
 255 (b) If authorized in writing by the recipient or the
 256 recipient's representative, by debit card or any other form of
 257 electronic transfer. Any fees or costs to be charged against the
 258 recipient must be disclosed in writing to the recipient or the
 259 recipient's representative at the time of written authorization.
 260 However, the written authorization requirement may be waived by
 261 the recipient or the recipient's representative if the insurer

597-02140-17

2017454c1

262 verifies the identity of the insured or the insured's recipient
 263 and does not charge a fee for the transaction. If the funds are
 264 misdirected, the insurer remains liable for the payment of the
 265 claim.
 266 Section 6. Subsection (5) is added to section 627.421,
 267 Florida Statutes, to read:
 268 627.421 Delivery of policy.—
 269 (5) An electronically delivered document satisfies any
 270 font, size, color, spacing, or other formatting requirement for
 271 printed documents if the format in the electronically delivered
 272 document has reasonably similar proportions or emphasis of the
 273 characters relative to the rest of the electronic document or is
 274 otherwise displayed in a reasonably conspicuous manner.
 275 Section 7. Subsection (9) of section 627.7295, Florida
 276 Statutes, is amended to read:
 277 627.7295 Motor vehicle insurance contracts.—
 278 ~~(9) (a) In addition to the methods provided in s.~~
 279 ~~627.4035(1), premium for motor vehicle insurance contracts~~
 280 ~~issued in this state or covering risk located in this state may~~
 281 ~~be paid in cash in the form of a draft or drafts.~~
 282 ~~(b) If, due to insufficient funds, payment of premium under~~
 283 ~~this subsection by debit card, credit card, electronic funds~~
 284 ~~transfer, or electronic check is returned, is declined, or~~
 285 ~~cannot be processed, the insurer may impose an insufficient~~
 286 ~~funds fee of up to \$15 per occurrence pursuant to the policy~~
 287 ~~terms.~~
 288 Section 8. This act shall take effect upon becoming a law.

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

PCS/SB 458 creates a 28-member joint legislative entity called Florida Criminal Justice Reform Task Force for conducting a comprehensive review of the state's criminal justice system, court system, and corrections system. The task force must submit a report of its findings, conclusions, and recommendations for proposed legislation to the President of the Senate and the Speaker of the House of Representatives by the date of convening of the 2018 Regular Legislative Session (January 9, 2018). The task force will be assigned legislative support staff under an appointed executive director. Membership on the task force is prohibited for certain individuals and groups that provide corrections, mental health, substance abuse, reentry, or similar criminal justice-related services. The task force expires January 31, 2018.

The bill may increase workload for legislative staff and increase agency expenses relating to travel reimbursement for task force members. However, increases in workload and expenses should be absorbed within existing resources of the affected agencies. See Section V. C. below.

The bill is effective upon becoming law.

II. Present Situation:

The Florida Department of Corrections (DOC) is the third largest state prison system in the country. It incarcerates approximately 100,000 inmates in correctional facilities and supervises nearly 140,000. As of June 30, 2015, there were 11,000 correctional officers. The department's annual budget is \$2.4 billion for 2016.¹

According to an article in the February 2016 State Legislatures Magazine, at least 25 states have used what is commonly called justice reinvestment to develop and adopt prison reforms.² The process involves an analysis of the data on what drives prison populations and costs, enactment of policies that address those factors, investments that support carrying out the changes, and oversight and measurement to ensure the desired results are being achieved.

The article indicates that half the states have reduced their prison populations since 2009. Five states, Alabama, Idaho, Mississippi, Nebraska, and Utah, adopted reforms in 2014 and 2015 that have a collective projected savings or avoided cost of more than \$1.7 billion over the next two decades.³

In June 2016, the Florida Government Efficiency Task Force recommended that the Legislature introduce a bill for consideration during the 2017 Legislative Session to establish an inter-branch, bipartisan criminal justice task force of stakeholders from both inside and outside of state government to conduct an operational review of the DOC.⁴

The task force cited the prison population, the number of correctional officers, and the cost of maintaining this system as significant factors behind the need for a task force. It states that the \$2.4 billion budget represents more than half of the total \$4.9 billion appropriated to criminal and civil justice.

The task force also cited the 2015 Office of Program Policy and Accountability (OPPAGA) study on the DOC's operations as further rationale for reform.⁵ In 2015, OPPAGA contracted with an independent consultant for a study of operations of the DOC. Specifically, the report reviewed correctional officer staffing, security operations, inmate programs, and a risk and needs assessment.

The study found that DOC's staffing is inexperienced due to high turnover and the number of staff is insufficient.⁶ The rate of turnover in Fiscal Year 2014-15 was 17.6 percent and there were more than 2,900 separations.⁷ In addition, half of the correctional officers had less than 3.1 years

of work experience. The study also found that correctional officer staffing levels at times appeared to drop below the minimum acceptable levels.⁸ Many staff had not completed basic training; nearly 1,400 officers were on temporary employment authorization.

The study also found that certain policies or procedures led to inmate idleness, the mixing of populations, or the ability to move contraband articles, all of which could lead to violence or other problems arising within the facility and population.⁹ The perimeter security systems were found to be outdated, in poor operational condition, and fencing is in disrepair.¹⁰ “The study recommended the DOC review comprehensive staffing, perimeter security, emergency management plans, facility repairs, contraband and abuse policies, inmate safety and interaction policies, and inmate programs and their effectiveness.”¹¹

III. Effect of Proposed Changes:

The bill creates the Florida Criminal Justice Reform Task Force (task force) for conducting a comprehensive review of the state’s criminal justice system, court system, and corrections system.

Membership

The task force is composed of 28 members.

The following members are appointed:

- Two members of the Senate, appointed by the President of the Senate;
- Two members of the House of Representatives, appointed by the Speaker of the House of Representatives;
- Two circuit judges, one of whom must have presided over a mental health court or drug court, appointed by the chair of the Conference of Circuit Judges of Florida;
- Two county court judges, appointed by the chair of the Conference of County Court Judges;
- A justice of the Supreme Court or judge of a district court of appeal, appointed by the Chief Justice of the Supreme Court;
- A representative of the Florida State University Project on Accountable Justice, appointed by the chair of the organization’s executive board;
- Two county commissioners, appointed by the Florida Association of Counties;
- Appointed by the Governor from a list of three nominees recommended by the chairs of the committees in the Senate and the House of Representatives with jurisdiction over criminal justice matters, are:
 - A representative from a victim’s advocacy group;
 - A formerly incarcerated individual who has demonstrated exceptional commitment to rehabilitation and community improvement; and
 - Two representatives of the faith community, either clergy or employees of faith-based policy organizations.

⁸ *Id.* at pp. 28-30.

⁹ *Id.* at pp. 54, 72, 104, and 122.

¹⁰ *Id.* at p. 48.

¹¹ Government Efficiency Task Force, *Final Report*, June 30, 2016.

The rest of the membership consists of:

- The chairs of the committees of the Senate and House of Representatives with jurisdiction over criminal justice matters, or their designees;
- Two designees of the Executive Office of the Governor with demonstrated knowledge in the criminal justice field;
- The Attorney General or his or her designee;
- The Secretary of Corrections or his or her designee;
- The Secretary of Juvenile Justice or his or her designee;
- The president of the Florida Prosecuting Attorneys Association or his or her designee;
- The president of the Florida Public Defender Association or his or her designee;
- The president of the Florida Association of Criminal Defense Lawyers or his or her designee;
- The president of the Florida Sheriffs Association or his or her designee; and
- The president of the Florida Police Chiefs Association or his or her designee.

Terms of Membership

Task force appointments must be made within 30 days of the effective date of the bill. For those appointments that are selected from a list of nominees jointly recommended by the chairs of the Senate and House of Representatives committees with jurisdiction over criminal justice matters, the chairs must submit the names of nominees to the Governor within 15 days of the effective date of this act.

All members must serve the duration of the task force. The original appointing authority fills any vacancies. Membership must reflect the racial, gender, geographic, and economic diversity of the state, as well as the diversity and demographics of the state's prison population. Any member may be removed by the Governor for misfeasance, malfeasance, or willful neglect of duty.

Task force members serve without compensation but are entitled to receive reimbursement for per diem and travel expenses as provided in s. 112.061, F.S.

Membership on the task force is prohibited for individuals employed by or under contract with an entity that contracts with the state or local governments and for representatives from trade associations, professional groups, or other groups that provide corrections, mental health, substance abuse, reentry, or similar criminal justice-related services.

Duties

The task force is authorized and directed to study, evaluate, analyze, and undertake a comprehensive review of the state's adult criminal justice system, using a data-driven approach, to develop sentencing and corrections policy recommendations for proposed legislation. The policy recommendations must accomplish the following goals:

- Reduce correctional populations and associated correctional spending by focusing prison capacity on offenders who committed serious offenses or who are violent;
- Hold offenders accountable more efficiently by implementing or expanding research-based supervision and sentencing practices; and

- Reinvest savings into strategies shown to decrease recidivism, including reentry outcomes.

The task force is required to request technical assistance from nongovernmental research groups, including, but not limited to, the Justice Reinvestment Initiative.¹² The Department of Corrections, the Department of Law Enforcement, the Office of the State Courts Administrator, the Department of Juvenile Justice, the Office of Program Policy Analysis and Government Accountability, and any other state agency or department must provide assistance, data, and other information to the task force as requested.

Meetings

The task force must:

- Hold its first meeting within 60 days of the effective date of the bill, upon the call of the Senate President and the Speaker of the House of Representatives. At the first meeting, the task force elects a chair and any other offices the members deem necessary.
- Hold a minimum of four regular meetings.
- Meet upon the call of the chair or a request of a majority of the membership (a majority constitutes a quorum).

Written notice is required for all meetings at least 5 days before the date the meeting is scheduled. Emergency meetings may be scheduled at the request of the entire membership and without the 5-day written notice. All meetings must be open to the public.

Staffing

The President of the Senate and the Speaker of the House of Representatives jointly appoint an executive director and are authorized to assign legislative staff to provide support for the task force.

Task Force Records

The task force is subject to policies governing public records disclosure prescribed in the joint rules of the Senate and House of Representatives. The task force shall maintain records of its meetings.

Report

The task force must submit a report of its findings, conclusions, and recommendations for proposed legislation to the President of the Senate and the Speaker of the House of Representatives by the date of convening of the 2018 Regular Session of the Legislature (January

¹² The U.S. Department of Justice's Office of Justice Programs administers the Justice Reinvestment Initiative. Generally, a state that requests assistance is assigned a technical assistance provider to provide guidance to the state to review the state's criminal justice system and make recommendations for reform. However, as of January 2012, the program was not accepting new sites. Office of Justice Programs, Bureau of Justice Administration, Justice Reinvestment Initiative, *How Do I Participate? State Site Selection Process*, available at https://www.bja.gov/programs/justicereinvestment/how_do_i_participate.html (last visited March 9, 2017).

9, 2018). Upon submission of the report, the task force is dissolved and discharged of further duties.

Expiration

This section expires January 31, 2018.

The act takes effect upon becoming a law.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

PCS/SB 458 requires the presiding officers of the Legislature to appoint an executive director and assign staff to assist the task force. Most likely, this workload will be absorbed within existing legislative resources.

The bill allows task force members to be reimbursed travel costs. It is unclear which governmental entity will be responsible for such costs for those members not headquartered in Tallahassee. If the Office of Legislative Services (OLS) is assigned the obligation for reimbursement of travel expenses, there will be a nominal impact to the OLS budget,¹³ and should not exceed \$50,000.

Proposed Committee Substitute by the Committee on Appropriations
(Appropriations Subcommittee on Criminal and Civil Justice)

A bill to be entitled

An act relating to the Florida Criminal Justice Reform Task Force; creating the task force within the legislative branch; specifying membership of the task force; establishing the manner of appointments and the terms of membership; prescribing duties of the task force; specifying requirements for meetings of the task force; requiring the task force to submit a report to the Legislature by a specified date; providing for staffing; specifying public records and public meetings requirements applicable to the task force; authorizing reimbursement for per diem and travel expenses; providing for expiration; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Florida Criminal Justice Reform Task Force.—The Florida Criminal Justice Reform Task Force is created within the legislative branch of state government for the purpose of conducting a comprehensive review of the state’s criminal justice system, court system, and corrections system.

(1) MEMBERSHIP.—The task force is composed of 28 members, as follows:

(a) Two members of the Senate, appointed by the President of the Senate, not including any member designated pursuant to paragraph (k).

576-02701-17

(b) Two members of the House of Representatives, appointed by the Speaker of the House of Representatives, not including any member designated pursuant to paragraph (k).

(c) Two circuit judges, one of whom must have presided over a mental health court or drug court, appointed by the chair of the Conference of Circuit Judges of Florida.

(d) Two county court judges, appointed by the chair of the Conference of County Court Judges of Florida.

(e) A justice of the Supreme Court or judge of a district court of appeal, appointed by the Chief Justice of the Supreme Court.

(f) A representative of the Florida State University Project on Accountable Justice, appointed by the chair of the organization’s executive board.

(g) A representative from a victim’s advocacy group, appointed by the Governor from a list of three nominees recommended by the chairs of the committees in the Senate and the House of Representatives with jurisdiction over criminal justice matters.

(h) Two county commissioners, appointed by the Florida Association of Counties.

(i) A formerly incarcerated individual who has demonstrated exceptional commitment to rehabilitation and community improvement, appointed by the Governor from a list of three nominees jointly recommended by the chairs of the committees in the Senate and House of Representatives with jurisdiction over criminal justice matters.

(j) Two representatives of the faith community, either clergy or employees of faith-based policy organizations,

496256

576-02701-17

57 appointed by the Governor from a list of three nominees jointly
58 recommended by the chairs of the committees in the Senate and
59 the House of Representatives with jurisdiction over criminal
60 justice matters.
61 (k) The chairs of the committees of the Senate and House of
62 Representatives with jurisdiction over criminal justice matters,
63 or their designees.
64 (l) Two designees of the Executive Office of the Governor
65 with demonstrated knowledge in the criminal justice field.
66 (m) The Attorney General or his or her designee.
67 (n) The Secretary of Corrections or his or her designee.
68 (o) The Secretary of Juvenile Justice or his or her
69 designee.
70 (p) The president of the Florida Prosecuting Attorneys
71 Association or his or her designee.
72 (q) The president of the Florida Public Defender
73 Association or his or her designee.
74 (r) The president of the Florida Association of Criminal
75 Defense Lawyers or his or her designee.
76 (s) The president of the Florida Sheriffs Association or
77 his or her designee.
78 (t) The president of the Florida Police Chiefs Association
79 or his or her designee.
80 (2) TERMS OF MEMBERSHIP.-Appointments to the task force
81 shall be made within 30 days of the effective date of this act.
82 For appointments that are selected from a list of nominees
83 jointly recommended by the chairs of the committees of the
84 Senate and the House of Representatives with jurisdiction over
85 criminal justice matters, the respective chairs shall submit the

496256

576-02701-17

86 names of nominees to the Governor within 15 days of the
87 effective date of this act. All members shall serve for the
88 duration of the task force. Any vacancy shall be filled by the
89 original appointing authority for the remainder of the task
90 force. The task force membership must reflect the racial,
91 gender, geographic, and economic diversity of the state, as well
92 as the diversity and demographics of the state's prison
93 population. Individuals employed by or under contract with an
94 entity that contracts with the state or local governments to
95 provide corrections, mental health, substance abuse, reentry, or
96 similar criminal justice-related services are not eligible for
97 membership on the task force. Representatives from trade
98 associations, professional groups, or other organizations whose
99 membership or board consists of entities that provide
100 corrections, mental health, substance abuse, reentry, or similar
101 criminal justice-related services are not eligible for
102 membership on the task force. Any member may be removed by the
103 Governor for misfeasance, malfeasance, or willful neglect of
104 duty.
105 (3) DUTIES.-
106 (a) The task force is authorized and directed to study,
107 evaluate, analyze, and undertake a comprehensive review of the
108 state's adult criminal justice system, using a data-driven
109 approach, to develop sentencing and corrections policy
110 recommendations for proposed legislation that will accomplish
111 the following goals:
112 1. Reduce correctional populations and associated
113 correctional spending by focusing prison capacity on serious
114 offenses and violent criminals.

576-02701-17

115 2. Hold offenders accountable more efficiently by
116 implementing or expanding research-based supervision and
117 sentencing practices.
118 3. Reinvest savings into strategies shown to decrease
119 recidivism, including reentry outcomes.
120 (b) The task force shall request technical assistance from
121 nongovernmental research groups, including, but not limited to,
122 the Justice Reinvestment Initiative. The Department of
123 Corrections, the Department of Law Enforcement, the Office of
124 the State Courts Administrator, the Department of Juvenile
125 Justice, the Office of Program Policy Analysis and Government
126 Accountability, and any other state agency or department shall
127 provide assistance, data, and other information to the task
128 force upon request.
129 (4) MEETINGS.—The task force shall hold its first meeting
130 within 60 days of the effective date of this act, upon the call
131 of the President of the Senate and the Speaker of the House of
132 Representatives. At the first meeting, the task force shall
133 elect a chair and any other offices as it deems necessary from
134 among its membership. The task force shall hold a minimum of
135 four regular meetings. The task force shall meet upon the call
136 of the chair or a request of a majority of the membership. A
137 majority of the membership of the task force constitutes a
138 quorum. All members must be notified in writing of all meetings
139 at least 5 days before the date on which a meeting of the task
140 force is scheduled. However, an emergency meeting may be held
141 without the 5 days' written notice if the meeting is scheduled
142 at the request of the entire membership.
143 (5) REPORT.—The task force shall submit a report of its

576-02701-17

154 findings, conclusions, and recommendations for proposed
155 legislation to the President of the Senate and the Speaker of
156 the House of Representatives by the date of convening of the
157 2018 Regular Session of the Legislature. Upon submission of the
158 report, the task force is dissolved and discharged of further
159 duties.
160 (6) STAFFING.—The President of the Senate and the Speaker
161 of the House of Representatives shall appoint an executive
162 director and are authorized to assign legislative staff to
163 provide support for the task force.
164 (7) PUBLIC RECORDS AND PUBLIC MEETINGS.—The task force is
165 subject to policies governing public records disclosure
166 prescribed in the joint rules of the Senate and the House of
Representatives. All meetings of the task force must be open to
the public, and regularly scheduled meetings must be publicly
noticed at least 5 days before the date of the meeting. The task
force shall maintain records of its meetings.
(8) PER DIEM AND TRAVEL EXPENSES.—Task force members shall
serve without compensation but are entitled to receive
reimbursement for per diem and travel expenses as provided in s.
112.061, Florida Statutes.
(9) EXPIRATION.—This section expires January 31, 2018.
Section 2. This act shall take effect upon becoming a law.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 458 creates a 28-member joint legislative entity called Florida Criminal Justice Reform Task Force for conducting a comprehensive review of the state's criminal justice system, court system, and corrections system. The task force must submit a report of its findings, conclusions, and recommendations for proposed legislation to the President of the Senate and the Speaker of the House of Representatives by the date of convening of the 2018 Regular Legislative Session (January 9, 2018). The task force will be assigned legislative support staff under an appointed executive director. Membership on the task force is prohibited for certain individuals and groups that provide corrections, mental health, substance abuse, reentry, or similar criminal justice-related services. The task force expires January 31, 2018.

The bill may increase workload for legislative staff and increase agency expenses relating to travel reimbursement for task force members. However, increases in workload and expenses should be absorbed within existing resources of the affected agencies. See Section V. C. below.

The bill is effective upon becoming law.

II. Present Situation:

The Florida Department of Corrections (DOC) is the third largest state prison system in the country. It incarcerates approximately 100,000 inmates in correctional facilities and supervises nearly 140,000. As of June 30, 2015, there were 11,000 correctional officers. The department's annual budget is \$2.4 billion for 2016.¹

According to an article in the February 2016 State Legislatures Magazine, at least 25 states have used what is commonly called justice reinvestment to develop and adopt prison reforms.² The process involves an analysis of the data on what drives prison populations and costs, enactment of policies that address those factors, investments that support carrying out the changes, and oversight and measurement to ensure the desired results are being achieved.

The article indicates that half the states have reduced their prison populations since 2009. Five states, Alabama, Idaho, Mississippi, Nebraska, and Utah, adopted reforms in 2014 and 2015 that have a collective projected savings or avoided cost of more than \$1.7 billion over the next two decades.³

In June 2016, the Florida Government Efficiency Task Force recommended that the Legislature introduce a bill for consideration during the 2017 Legislative Session to establish an inter-branch, bipartisan criminal justice task force of stakeholders from both inside and outside of state government to conduct an operational review of the DOC.⁴

The task force cited the prison population, the number of correctional officers, and the cost of maintaining this system as significant factors behind the need for a task force. It states that the \$2.4 billion budget represents more than half of the total \$4.9 billion appropriated to criminal and civil justice.

The task force also cited the 2015 Office of Program Policy and Accountability (OPPAGA) study on the DOC's operations as further rationale for reform.⁵ In 2015, OPPAGA contracted with an independent consultant for a study of operations of the DOC. Specifically, the report reviewed correctional officer staffing, security operations, inmate programs, and a risk and needs assessment.

The study found that DOC's staffing is inexperienced due to high turnover and the number of staff is insufficient.⁶ The rate of turnover in Fiscal Year 2014-15 was 17.6 percent and there were more than 2,900 separations.⁷ In addition, half of the correctional officers had less than 3.1 years

⁶ *Id.* at p. 122.

⁷ *Id.* at p. 18.

of work experience. The study also found that correctional officer staffing levels at times appeared to drop below the minimum acceptable levels.⁸ Many staff had not completed basic training; nearly 1,400 officers were on temporary employment authorization.

The study also found that certain policies or procedures led to inmate idleness, the mixing of populations, or the ability to move contraband articles, all of which could lead to violence or other problems arising within the facility and population.⁹ The perimeter security systems were found to be outdated, in poor operational condition, and fencing is in disrepair.¹⁰ “The study recommended the DOC review comprehensive staffing, perimeter security, emergency management plans, facility repairs, contraband and abuse policies, inmate safety and interaction policies, and inmate programs and their effectiveness.”¹¹

III. Effect of Proposed Changes:

The bill creates the Florida Criminal Justice Reform Task Force (task force) for conducting a comprehensive review of the state’s criminal justice system, court system, and corrections system.

Membership

The task force is composed of 28 members.

The following members are appointed:

- Two members of the Senate, appointed by the President of the Senate;
- Two members of the House of Representatives, appointed by the Speaker of the House of Representatives;
- Two circuit judges, one of whom must have presided over a mental health court or drug court, appointed by the chair of the Conference of Circuit Judges of Florida;
- Two county court judges, appointed by the chair of the Conference of County Court Judges;
- A justice of the Supreme Court or judge of a district court of appeal, appointed by the Chief Justice of the Supreme Court;
- A representative of the Florida State University Project on Accountable Justice, appointed by the chair of the organization’s executive board;
- Two county commissioners, appointed by the Florida Association of Counties;
- Appointed by the Governor from a list of three nominees recommended by the chairs of the committees in the Senate and the House of Representatives with jurisdiction over criminal justice matters, are:
 - A representative from a victim’s advocacy group;
 - A formerly incarcerated individual who has demonstrated exceptional commitment to rehabilitation and community improvement; and
 - Two representatives of the faith community, either clergy or employees of faith-based policy organizations.

⁸ *Id.* at pp. 28-30.

⁹ *Id.* at pp. 54, 72, 104, and 122.

¹⁰ *Id.* at p. 48.

¹¹ Government Efficiency Task Force, *Final Report*, June 30, 2016.

The rest of the membership consists of:

- The chairs of the committees of the Senate and House of Representatives with jurisdiction over criminal justice matters, or their designees;
- Two designees of the Executive Office of the Governor with demonstrated knowledge in the criminal justice field;
- The Attorney General or his or her designee;
- The Secretary of Corrections or his or her designee;
- The Secretary of Juvenile Justice or his or her designee;
- The president of the Florida Prosecuting Attorneys Association or his or her designee;
- The president of the Florida Public Defender Association or his or her designee;
- The president of the Florida Association of Criminal Defense Lawyers or his or her designee;
- The president of the Florida Sheriffs Association or his or her designee; and
- The president of the Florida Police Chiefs Association or his or her designee.

Terms of Membership

Task force appointments must be made within 30 days of the effective date of the bill. For those appointments that are selected from a list of nominees jointly recommended by the chairs of the Senate and House of Representatives committees with jurisdiction over criminal justice matters, the chairs must submit the names of nominees to the Governor within 15 days of the effective date of this act.

All members must serve the duration of the task force. The original appointing authority fills any vacancies. Membership must reflect the racial, gender, geographic, and economic diversity of the state, as well as the diversity and demographics of the state's prison population. Any member may be removed by the Governor for misfeasance, malfeasance, or willful neglect of duty.

Task force members serve without compensation but are entitled to receive reimbursement for per diem and travel expenses as provided in s. 112.061, F.S.

Membership on the task force is prohibited for individuals employed by or under contract with an entity that contracts with the state or local governments and for representatives from trade associations, professional groups, or other groups that provide corrections, mental health, substance abuse, reentry, or similar criminal justice-related services.

Duties

The task force is authorized and directed to study, evaluate, analyze, and undertake a comprehensive review of the state's adult criminal justice system, using a data-driven approach, to develop sentencing and corrections policy recommendations for proposed legislation. The policy recommendations must accomplish the following goals:

- Reduce correctional populations and associated correctional spending by focusing prison capacity on offenders who committed serious offenses or who are violent;
- Hold offenders accountable more efficiently by implementing or expanding research-based supervision and sentencing practices; and

- Reinvest savings into strategies shown to decrease recidivism, including reentry outcomes.

The task force is required to request technical assistance from nongovernmental research groups, including, but not limited to, the Justice Reinvestment Initiative.¹² The Department of Corrections, the Department of Law Enforcement, the Office of the State Courts Administrator, the Department of Juvenile Justice, the Office of Program Policy Analysis and Government Accountability, and any other state agency or department must provide assistance, data, and other information to the task force as requested.

Meetings

The task force must:

- Hold its first meeting within 60 days of the effective date of the bill, upon the call of the Senate President and the Speaker of the House of Representatives. At the first meeting, the task force elects a chair and any other offices the members deem necessary.
- Hold a minimum of four regular meetings.
- Meet upon the call of the chair or a request of a majority of the membership (a majority constitutes a quorum).

Written notice is required for all meetings at least 5 days before the date the meeting is scheduled. Emergency meetings may be scheduled at the request of the entire membership and without the 5-day written notice. All meetings must be open to the public.

Staffing

The President of the Senate and the Speaker of the House of Representatives jointly appoint an executive director and are authorized to assign legislative staff to provide support for the task force.

Task Force Records

The task force is subject to policies governing public records disclosure prescribed in the joint rules of the Senate and House of Representatives. The task force shall maintain records of its meetings.

Report

The task force must submit a report of its findings, conclusions, and recommendations for proposed legislation to the President of the Senate and the Speaker of the House of Representatives by the date of convening of the 2018 Regular Session of the Legislature (January

¹² The U.S. Department of Justice's Office of Justice Programs administers the Justice Reinvestment Initiative. Generally, a state that requests assistance is assigned a technical assistance provider to provide guidance to the state to review the state's criminal justice system and make recommendations for reform. However, as of January 2012, the program was not accepting new sites. Office of Justice Programs, Bureau of Justice Administration, Justice Reinvestment Initiative, *How Do I Participate? 2017458__

A bill to be entitled

An act relating to the Florida Criminal Justice Reform Task Force; creating the task force within the legislative branch; specifying membership of the task force; establishing the manner of appointments and the terms of membership; prescribing duties of the task force; specifying requirements for meetings of the task force; requiring the task force to submit a report to the Legislature by a specified date; providing for staffing; specifying public records and public meetings requirements applicable to the task force; authorizing reimbursement for per diem and travel expenses; providing for expiration; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Florida Criminal Justice Reform Task Force.—The Florida Criminal Justice Reform Task Force is created within the legislative branch of state government for the purpose of conducting a comprehensive review of the state's criminal justice system, court system, and corrections system.

(1) MEMBERSHIP.—The task force is composed of 28 members, as follows:

(a) Two members of the Senate, appointed by the President of the Senate, not including any member designated pursuant to paragraph (k).

(b) Two members of the House of Representatives, appointed by the Speaker of the House of Representatives, not including any member designated pursuant to paragraph (k).

(c) Two circuit judges, one of whom must have presided over a mental health court or drug court, appointed by the chair of

24-00551-17

2017458__

the Conference of Circuit Judges of Florida.

(d) Two county court judges, appointed by the chair of the Conference of County Court Judges of Florida.

(e) A justice of the Supreme Court or judge of a district court of appeal, appointed by the Chief Justice of the Supreme Court.

(f) A representative of the Florida State University Project on Accountable Justice, appointed by the chair of the organization's executive board.

(g) A representative from a victim's advocacy group, appointed by the Governor from a list of three nominees recommended by the chairs of the committees in the Senate and the House of Representatives with jurisdiction over criminal justice matters.

(h) Two county commissioners, appointed by the Florida Association of Counties.

(i) A formerly incarcerated individual who has demonstrated exceptional commitment to rehabilitation and community improvement, appointed by the Governor from a list of three nominees jointly recommended by the chairs of the committees in the Senate and House of Representatives with jurisdiction over criminal justice matters.

(j) Two representatives of the faith community, either clergy or employees of faith-based policy organizations, appointed by the Governor from a list of three nominees jointly recommended by the chairs of the committees in the Senate and the House of Representatives with jurisdiction over criminal justice matters.

(k) The chairs of the committees of the Senate and House of

24-00551-17 2017458__

62 Representatives with jurisdiction over criminal justice matters,
 63 or their designees.

64 (l) Two designees of the Executive Office of the Governor
 65 with demonstrated knowledge in the criminal justice field.

66 (m) The Attorney General or his or her designee.

67 (n) The Secretary of Corrections or his or her designee.

68 (o) The Secretary of Juvenile Justice or his or her
 69 designee.

70 (p) The president of the Florida Prosecuting Attorneys
 71 Association or his or her designee.

72 (q) The president of the Florida Public Defender
 73 Association or his or her designee.

74 (r) The president of the Florida Association of Criminal
 75 Defense Lawyers or his or her designee.

76 (s) The president of the Florida Sheriffs Association or
 77 his or her designee.

78 (t) The president of the Florida Police Chiefs Association
 79 or his or her designee.

80 (2) TERMS OF MEMBERSHIP.—Appointments to the task force
 81 shall be made within 30 days of the effective date of this act.
 82 For appointments that are selected from a list of nominees
 83 jointly recommended by the chairs of the committees of the
 84 Senate and the House of Representatives with jurisdiction over
 85 criminal justice matters, the respective chairs shall submit the
 86 names of nominees to the Governor within 15 days of the
 87 effective date of this act. All members shall serve for the
 88 duration of the task force. Any vacancy shall be filled by the
 89 original appointing authority for the remainder of the task
 90 force. The task force membership must reflect the racial,

24-00551-17 2017458__

91 gender, geographic, and economic diversity of the state, as well
 92 as the diversity and demographics of the state's prison
 93 population. Any member may be removed by the Governor for
 94 misfeasance, malfeasance, or willful neglect of duty.

95 (3) DUTIES.—

96 (a) The task force is authorized and directed to study,
 97 evaluate, analyze, and undertake a comprehensive review of the
 98 state's adult criminal justice system, using a data-driven
 99 approach, to develop sentencing and corrections policy
 100 recommendations for proposed legislation that will accomplish
 101 the following goals:

102 1. Reduce correctional populations and associated
 103 correctional spending by focusing prison capacity on serious
 104 offenses and violent criminals.

105 2. Hold offenders accountable more efficiently by
 106 implementing or expanding research-based supervision and
 107 sentencing practices.

108 3. Reinvest savings into strategies shown to decrease
 109 recidivism, including reentry outcomes.

110 (b) The task force shall request technical assistance from
 111 nongovernmental research groups, including, but not limited to,
 112 the Justice Reinvestment Initiative. The Department of
 113 Corrections, the Department of Law Enforcement, the Office of
 114 the State Courts Administrator, the Department of Juvenile
 115 Justice, the Office of Program Policy Analysis and Government
 116 Accountability, and any other state agency or department shall
 117 provide assistance, data, and other information to the task
 118 force upon request.

119 (4) MEETINGS.—The task force shall hold its first meeting

24-00551-17 2017458__
 120 within 60 days of the effective date of this act, upon the call
 121 of the President of the Senate and the Speaker of the House of
 122 Representatives. At the first meeting, the task force shall
 123 elect a chair and any other offices as it deems necessary from
 124 among its membership. The task force shall hold a minimum of
 125 four regular meetings. The task force shall meet upon the call
 126 of the chair or a request of a majority of the membership. A
 127 majority of the membership of the task force constitutes a
 128 quorum. All members must be notified in writing of all meetings
 129 at least 5 days before the date on which a meeting of the task
 130 force is scheduled. However, an emergency meeting may be held
 131 without the 5 days' written notice if the meeting is scheduled
 132 at the request of the entire membership.

133 (5) REPORT.—The task force shall submit a report of its
 134 findings, conclusions, and recommendations for proposed
 135 legislation to the President of the Senate and the Speaker of
 136 the House of Representatives by the date of convening of the
 137 2018 Regular Session of the Legislature. Upon submission of the
 138 report, the task force is dissolved and discharged of further
 139 duties.

140 (6) STAFFING.—The President of the Senate and the Speaker
 141 of the House of Representatives shall appoint an executive
 142 director and are authorized to assign legislative staff to
 143 provide support for the task force.

144 (7) PUBLIC RECORDS AND PUBLIC MEETINGS.—The task force is
 145 subject to policies governing public records disclosure
 146 prescribed in the joint rules of the Senate and the House of
 147 Representatives. All meetings of the task force must be open to
 148 the public, and regularly scheduled meetings must be publicly

24-00551-17 2017458__
 149 noticed at least 5 days before the date of the meeting. The task
 150 force shall maintain records of its meetings.

151 (8) PER DIEM AND TRAVEL EXPENSES.—Task force members shall
 152 serve without compensation but are entitled to receive
 153 reimbursement for per diem and travel expenses as provided in s.
 154 112.061, Florida Statutes.

155 (9) EXPIRATION.—This section expires January 31, 2018.
 156 Section 2. This act shall take effect upon becoming a law.

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 790 amends s. 948.06, F.S., to address the recent court decision in *Mobley v. State*, 197 So. 3d 572 (4th DCA 2016). The court in *Mobley* held that a warrant issued under s. 901.02, F.S., does not toll an offender's supervision unless the warrant was for a new crime, not just a violation of the conditions of supervision. A probation term is not currently tolled for a technical violation under s. 948.06(1)(f), F.S. This allows the term of probation to expire prior to resolution of any technical violation. The bill removes the reference to s. 901.02, F.S., in s. 948.06(1)(f), F.S., to clarify that a warrant tolling supervision may be issued for a violation of the terms and conditions of the supervision, and that a crime need not be committed for tolling to occur.

This bill revises various sections of ch. 948, F.S., to clarify and update provisions in order to conform to current law and current practices of the Department of Corrections (department).

This bill is not expected to impact state or local government revenues or expenditures.

The bill is effective July 1, 2017, except for Section 4 of the bill, which is effective October 1, 2017 (specifies the ineligibility for administrative probation for certain offenders).

II. Present Situation:

Probation

The Department of Corrections supervises more than 168,000 adult offenders. These offenders are monitored and supervised by probation officers located in 130 probation offices throughout Florida. This includes offenders released from prison on parole, conditional release, or conditional medical release and offenders placed on court ordered supervision including probation, administrative probation, drug offender probation, sex offender probation, and community control.¹

Issuance of Arrest Warrants

Section 901.02(1), F.S., requires a judge to sign and issue an arrest warrant if the judge decides that probable cause exists to issue the arrest warrant for any crime committed within the judge's jurisdiction.

Section 901.02(2), F.S., provides that the court may issue a warrant for the defendant's arrest when all of the following circumstances apply:

- A complaint has been filed charging the commission of a misdemeanor only.
- The summons issued to the defendant has been returned unserved.
- The judge finds that probable cause exists to issue the arrest warrant.

A judge may electronically sign² an arrest warrant if the judge determines that the complaint:

- Bears the affiant's signature or electronic signature if the complaint was submitted electronically.
- Is supported by an oath or affirmation administered by the judge or other person authorized by law to administer oaths.
- If submitted electronically, is submitted by reliable electronic means.

Arrest for Violation of Probation or Community Control

During probation or community control, under s. 948.06, F.S., if a person violates the terms of his or her probation or community, then any law enforcement officer or parole or probation officer can arrest the person. The arrest may be made with or without a warrant. A judge can also issue a warrant for the person's arrest, or the committing trial court judge can issue a notice to appear, depending on the type of violation.

Until the court enters a ruling, under s. 948.06(1)(f), F.S., the person's probation period is tolled upon the filing of an affidavit alleging a violation of probation or community control and following issuance of a warrant under s. 901.02, F.S., or a warrantless arrest or a notice to appear under s. 948.06, F.S.

¹ Florida Department of Corrections, *Introduction to Community Corrections*, available at <http://www.dc.state.fl.us/facilities/comcor/> (last visited March 7, 2017).

² Section 933.40(1)(d), F.S., defines "electronic signature" as any letters, characters, symbols, or process manifested by electronic or similar means and attached to or logically associated with a record and executed or adopted by a person with the intent to sign the record.

Mobley v. State

In *Mobley v. State*, 197 So. 3d 572 (4th DCA 2016), the court held that a warrant purportedly issued under s. 901.02, F.S., does not toll an offender's supervision unless the warrant was for a new crime, not just a violation of the conditions of supervision.

Facts in the Case

In the case, Mr. Mobley had pled no contest to various charges stemming from two cases and was placed on eighteen months' probation on March 7, 2011. The probation was set to expire on September 7, 2012. On August 9, 2012, a probation officer filed affidavits in both cases alleging that Mr. Mobley violated his probation by failing to make both restitution payments and a drug testing fee payment. The same day, the trial court issued warrants to arrest him based on those affidavits.

Mr. Mobley's probation was extended by two years for the violations in the affidavits, but this occurred twenty days after his probation was scheduled to expire. After this extension, Mr. Mobley led police on a high-speed motorcycle chase and was again charged with violation of probation for various reasons including the chase.

After a hearing on his violation of probation relating to the chase, the trial court found that he violated his probation and sentenced him to 332.95 months in prison based on his original offenses from March 2011.

Mr. Mobley argued that because his probation expired on September 7, 2012, that its subsequent extension and later revocation must be reversed because the trial court lacked subject matter jurisdiction.³

Analysis

The court stated that s. 948.06(1)(f), F.S., is clear that a warrant under s. 901.02, F.S., is required in order for the probationary period to be tolled (except when one of the other two alternatives are applicable). The court further stated that s. 901.02, F.S., requires that the warrant be for a "crime." In this case, the warrants were for violations of probation based on the failure to make restitution payments and a payment for drug testing which are not crimes. The court found that the warrants issued under s. 901.02, F.S., were never tolled.

The court reversed and remanded the case to the trial court. The state subsequently filed a Motion to Certify Question of Great Public Importance. The Fourth District Court of Appeal granted the motion and certified the following question to the Florida Supreme Court:

IN A SITUATION WHERE THERE IS NO WARRANTLESS
ARREST OR NOTICE TO APPEAR, CAN A WARRANT THAT DOES
NOT ALLEGE A PROBATIONER COMMITTED A NEW CRIME BE

³ This portion of the analysis is adapted from *Mobley v. State*, 197 So. 3d 572 at 573 (4th DCA 2016).

CONSIDERED A WARRANT ISSUED UNDER SECTION 901.02 OF THE FLORIDA STATUTES FOR THE PURPOSE OF TOLLING A PROBATIONARY PERIOD PURSUANT TO SECTION 948.06(1)(f)⁴

The Florida Supreme Court declined the certificate for question.⁵

III. Effect of Proposed Changes:

Issuance of Arrest Warrants

Section 9 amends s. 948.06(1)(f), F.S., to delete the reference to s. 901.02, F.S., related to the issuance of a warrant based on an affidavit alleging a violation of probation or community control. According to the department, this change will correct the statutory deficiency identified in *Mobley*. By removing the reference to s. 901.02, F.S., in s. 948.06(1)(f), F.S., it clarifies that a warrant issued for a violation of the terms and conditions of the supervision tolls the person's probation period and that a crime need not be committed for tolling to occur.

Under current law, the chief judge of a judicial circuit may direct the department to use a notification letter of a technical violation in lieu of a violation report, affidavit, and warrant when the alleged violation is not a new felony or misdemeanor offense. The bill also amends s. 948.06(1)(g), F.S., to allow the court to direct the department to use a notification letter in lieu of a notice to appear.

Administrative Probation

Administrative probation is “a form of non-contact supervision in which an offender who represents a low risk of harm to the community may be placed on non-reporting status until expiration of the term of supervision.”⁶

Section 1 amends s. 948.001, F.S., to update the definition of “administrative probation” and provide a cross-reference to s. 948.013, F.S., which provides the requirements to administrative probation.

Section 4 amends s. 948.013, F.S., to specify that the current provisions of ineligibility for administrative probation for certain offenders apply to persons whose crimes were committed after July 1, 1998, but before October 1, 2017. It further provides that a person is ineligible for administrative probation if he or she is convicted of any sexual felony offense listed in ss. 775.21 and 943.0435, F.S., committed on or after July 1, 2017. This change eliminates the need to update the list when new offenses are added. This change excludes all sexual predators and offenders from being eligible for administrative probation.⁷

⁶ Department of Corrections, *Community Supervision Definitions*, available at <http://www.dc.state.fl.us/facilities/comcorinfo/definitions.html> (last visited March 8, 2017).

⁷ Department of Corrections, *2017 Agency Legislative Bill Analysis: SB 790*, February 12, 2017.

Uniform Order of Supervision

The department, in consultation with the Office of State Courts Administrator, developed and disseminated to the courts uniform order of supervision forms in 2009.⁸ **Section 2** clarifies that the uniform order of supervision forms are *revised* each year and *made available* to the courts in s. 948.01(1)(b), F.S.

Addiction Recovery Supervision

Addiction recovery supervision is “mandatory post-prison supervision for offenders released from a state correctional facility who have a history of substance abuse or addiction or have participated in any drug treatment, and have not been convicted of a disqualifying offense.”⁹ **Section 3** amends s. 948.012, F.S., to include a reference to s. 944.4731(2)(b), F.S.,¹⁰ clarifying that inmates released to addiction recovery supervision who also have probation or community control to follow release must serve the addiction recovery supervision period first.

Conditions of Probation or Community Control

Community Service

Section 6 amends s. 948.031, F.S., to change the term “public service” to the term “community service.” The department states that the purpose of the change is to emphasize that the work is done as a service to the community.¹¹

Residential Treatment Programs

Section 7 updates s. 948.035(3), F.S., to reflect the current process for offenders to be referred and evaluated for residential treatment programs. Under the bill, before admission to a treatment facility or center, a qualified practitioner must provide an individual assessment and recommendation on appropriate treatment.

Education and Learning

Section 8 amends s. 947.037, F.S., to grant a court discretion to order an offender without a high school diploma or equivalent, or who is illiterate, to make a good faith effort toward completion of an adult education program as a condition of probation. Currently, the law requires the court to make such an order.

⁸ Chapter 2009-63, F.S. At the time, there was no statewide format for the order of supervision; the department had developed a uniform order that a majority of circuits were using. Florida Senate, *Bill Analysis SB 1722*, April 6, 2009.

⁹ Florida Commission on Offender Review, *Release Types*, available at <https://www.fcor.state.fl.us/postrelease.shtml> (last visited March 8, 2017).

¹⁰ “If an offender has received a term of probation or community control to be served after release from incarceration, the period of probation or community control may not be substituted for addiction-recovery supervision and shall follow the term of addiction-recovery supervision.” Section 944.4731(2)(b), F.S.

¹¹ Department of Corrections, *2017 Agency Legislative Bill Analysis: SB 790*, February 12, 2017.

Payment for Supervision and Other Obligations

Section 10 amends s. 948.09, F.S., to:

- Revise the catch line to accurately reflect the statute's purpose.
- Remove references to specific types of supervision that are under ch. 948, F.S., to instead refer generally to supervision under ch. 948, F.S., in subsection (1).
- Simplify references to supervision in subsection (3) and updates references to the Secretary of the department to accurately reflect the responsible person or action.
- Repeal subsection (4) related to misdemeanor supervision payments. The department stated that this is obsolete.¹²

Home Confinement

Section 11 revises s. 948.10, F.S., to clarify that community control is the department's "home confinement" program.

Currently, a court or the Florida Commission on Offender Review can order an offender to community control instead of incarceration. This is limited to certain individuals:

- Probation violators charged with technical violations or misdemeanors;
- Parole violators charged with technical violations or misdemeanors; and
- Individuals convicted of felonies who, due to their backgrounds or the seriousness of the offenses, would not be placed on regular probation.

This section authorizes the use of community control for *any* new law violations, not just misdemeanors. The department states that this would give the courts an alternative to jail or prison for offenders charged with new law violations.¹³

This section also increases the community control case size ratio from an officer supervising 25 cases to an officer supervising 30 cases. The department states that this increase is due to the amount of time an officer currently requires with these types of cases in supervising the offender.¹⁴

This section repeals a requirement of the department to commit at least ten percent of field staff and supporting resources on the community control program. The department states that "the deletion of the listed percentage of resources is proposed because sentencing practices are not universal in all areas of the state and some courts sentence offenders to community control at different rates in each circuit." Additionally, the statutory case size ratio limits caseloads for staff and in areas with staffing shortages, these functions are completed by multiple staffing levels, not just field staff.¹⁵

¹² *Id.*

¹³ *Id.*

¹⁴ E-mail exchange between Department of Corrections Staff and Staff of the Criminal Justice Committee, January 4, 2017.

¹⁵ *Id.*

This section repeals an obsolete annual report about the community control program and “the department’s specific efforts to protect the public from offenders placed on community control.” The department states that this is an obsolete report required by the “Howard E. Futch Community Safety Act,” the provision of which was repealed in 2008.¹⁶ It is likely that this annual report should also have been repealed at that time. The department discontinued this section of its annual report in 2008 but has put practices in place to ensure future compliance.¹⁷

Electronic Monitoring

Currently, s. 948.11(1), F.S., states that the department *may* electronically monitor an offender sentenced to community control when the court has imposed electronic monitoring as a condition of community control. **Section 13** corrects this provision to require the department to monitor electronically an offender as ordered by the court.

Additionally, the **section 13**:¹⁸

- Clarifies that electronic monitoring may be used for offenders placed under *supervision*, not just community control. The department states that it is used as a tool to enhance field supervision and surveillance.
- Allows a court to order electronic monitoring for violations of probation, as an alternative sanction.
- Clarifies that any probation officer investigates electronic monitoring alerts for offenders monitored by the department, not just community control officers.

Obsolete References

Sections 1, 5, 9, and 11 amends ss. 948.001, 948.03, 948.06, and 948.10, F.S., respectively, to update references to “parole” officers. The department states that the term is obsolete.¹⁹

Sections 1 and 9 also update references to probation officers to be consistent throughout the chapter by using the uniform term “probation officer” rather than “correctional probation officer” or “supervisor.”

Community residential drug punishment centers were repealed in 2010.²⁰ The staff analysis stated that no person was ever sentenced to a center; the centers were never funded; and no centers existed.²¹ The bill repeals the definition for “community residential drug treatment center” in s. 948.001, F.S., (Section 1), and similar provisions in ss. 948.03(2), 948.035(1)(b) and (3), and 948.101(2), F.S., (Sections 5, 7, and 12).

Section 14 amends s. 948.15, F.S., to remove an obsolete reference to American Correctional Association standards established in 1991 for staff qualifications and criminal background checks for staff of certain private providers.

¹⁶ See ch. 2008-250, L.O.F.

¹⁷ E-mail exchange between Department of Corrections Staff and Staff of the Criminal Justice Committee, January 4, 2017.

¹⁸ Department of Corrections, *2017 Agency Legislative Bill Analysis: SB 790*, February 12, 2017.

¹⁹ Department of Corrections, *2017 Agency Legislative Bill Analysis: SB 790*, February 12, 2017.

²⁰ Chapter 2010-113, L.O.F.

²¹ Florida Senate, *Bill Analysis CS/SB 2350*, April 9, 2010, page 2.

Section 15 repeals s. 948.50, F.S., which states that “this act may be cited as the ‘Community Corrections Partnership Act.’”

Reenactments

Sections 16, 17, 18, and 19 reenact ss. 921.187(1)(n), 947.1405(7)(b), 947.1747, and 948.01(3), F.S., to incorporate changes made in other sections of the bill.

The bill is effective July 1, 2017, except for Section 4 of the bill, which is effective October 1, 2017 (specifies the ineligibility for administrative probation for certain offenders).

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

CS/CS/SB 790 is not expected to impact state or local government revenues or expenditures.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 948.001, 948.01, 948.012, 948.013, 948.03, 948.031, 948.035, 948.037, 948.06, 948.09, 948.10, 948.101, 948.11, 948.15, 948.50, 921.187, 947.1405, and 947.1747.

IX. Additional Information:**A. Committee Substitute – Statement of Substantial Changes:**

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS/CS by Appropriations on April 5, 2017:

The committee substitute:

- In Section 4 of the bill, changes the date on which a crime was committed from July 1, 2017, to October 1, 2017, that delineates ineligibility for administrative probation for certain offenders (those whose crimes were committed after July 1, 1998, but before October 1, 2017, and those whose crimes are committed on or after October 1, 2017).
- Makes Section 4 effective on October 1, 2017.

CS by Criminal Justice on March 13, 2017:

The CS:

- No longer amends language of s. 948.01(1)(a) and (5), F.S., that prohibits private entities from providing probationary or supervision services to misdemeanor offenders.
- Amends s. 948.013, F.S., making a person ineligible for administrative probation if he or she was convicted of any sexual felony offense listed in ss. 775.21 and 943.0435, F.S., committed on or after July 1, 2017, eliminating the need to update the list when new offenses are added. This change would exclude all sexual predators and offenders from being eligible for administrative probation.

B. Amendments:

None.

59 contract terms with, and a monthly report from,
 60 certain entities; amending s. 948.10, F.S.; requiring
 61 a community control program to focus on the provision
 62 of home confinement with limitations, rather than
 63 sanctions and consequences, commensurate with the
 64 crime committed; specifying and revising who the
 65 target population is for the community control
 66 program; revising departmental requirements for the
 67 operation of the program and caseloads; making
 68 technical changes; specifying the types of facilities
 69 used for the community control program; deleting an
 70 annual reporting requirement of the department to the
 71 Governor and the Legislature which includes certain
 72 information; amending s. 948.101, F.S.; conforming
 73 provisions to changes made by the act; amending s.
 74 948.11, F.S.; requiring, rather than authorizing, the
 75 department to electronically monitor offenders
 76 sentenced to community control under certain
 77 circumstances; conforming terminology to changes made
 78 by the act; amending s. 948.15, F.S.; revising the
 79 required terms of the contract for a private entity
 80 providing services for the supervision of misdemeanor
 81 probationers; repealing s. 948.50, F.S., relating to a
 82 short title; reenacting s. 921.187(1)(n), F.S.,
 83 relating to disposition and sentencing, alternatives,
 84 and restitution, to incorporate the amendment made to
 85 s. 948.013, F.S., in a reference thereto; reenacting
 86 s. 947.1405(7)(b), F.S., relating to the conditional
 87 release program, to incorporate the amendment made to

Page 3 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

88 s. 948.09, F.S., in a reference thereto; reenacting
 89 ss. 947.1747 and 948.01(3), F.S., relating to
 90 community control as a special condition of parole and
 91 when a court may place a defendant on probation or
 92 into community control, respectively, to incorporate
 93 the amendment made to s. 948.10, F.S., in references
 94 thereto; providing an effective date.
 95

96 Be It Enacted by the Legislature of the State of Florida:

97
 98 Section 1. Subsection (1) and present subsections (4) and
 99 (9) of section 948.001, Florida Statutes, are amended, and
 100 present subsections (5) through (14) of that section are
 101 redesignated as subsections (4) through (13), respectively, to
 102 read:
 103 948.001 Definitions.—As used in this chapter, the term:
 104 (1) "Administrative probation" means a form of no contact,
 105 nonreporting ~~noncontact~~ supervision in which an offender who
 106 presents a low risk of harm to the community may, upon
 107 satisfactory completion of half the term of probation, be
 108 transferred by the Department of Corrections to this type of
 109 reduced level of supervision, as provided in s. 948.013
 110 ~~nonreporting status until expiration of the term of supervision.~~
 111 ~~(4) "Community residential drug punishment center" means a~~
 112 ~~residential drug punishment center designated by the Department~~
 113 ~~of Corrections. The Department of Corrections shall adopt rules~~
 114 ~~as necessary to define and operate such a center.~~
 115 (8)(9) "Probation" means a form of community supervision
 116 requiring specified contacts with ~~parole and~~ probation officers

Page 4 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

117 and other terms and conditions as provided in s. 948.03.

118 Section 2. Paragraph (b) of subsection (1) of section
119 948.01, Florida Statutes, is amended to read:

120 948.01 When court may place defendant on probation or into
121 community control.-

122 (1) Any state court having original jurisdiction of
123 criminal actions may at a time to be determined by the court,
124 with or without an adjudication of the guilt of the defendant,
125 hear and determine the question of the probation of a defendant
126 in a criminal case, except for an offense punishable by death,
127 who has been found guilty by the verdict of a jury, has entered
128 a plea of guilty or a plea of nolo contendere, or has been found
129 guilty by the court trying the case without a jury.

130 (b) The department, in consultation with the Office of the
131 State Courts Administrator, shall revise and make available
132 ~~develop and disseminate~~ to the courts uniform order of
133 supervision forms by July 1 of each year or as necessary. The
134 courts shall use the uniform order of supervision forms provided
135 by the department for all persons placed on community
136 supervision.

137 Section 3. Subsection (1) of section 948.012, Florida
138 Statutes, is amended, and subsections (4), (5), and (6) of that
139 section are republished, to read:

140 948.012 Split sentence of probation or community control
141 and imprisonment.-

142 (1) If punishment by imprisonment for a misdemeanor or a
143 felony, except for a capital felony, is prescribed, the court
144 may, at the time of sentencing, impose a split sentence whereby
145 the defendant is to be placed on probation or, with respect to

591-02387A-17

2017790c1

146 any such felony, into community control upon completion of any
147 specified period of such sentence which may include a term of
148 years or less. In such case, the court shall stay and withhold
149 the imposition of the remainder of sentence imposed upon the
150 defendant and direct that the defendant be placed upon probation
151 or into community control after serving such period as may be
152 imposed by the court. Except as provided in s. 944.4731(2)(b)
153 and subsection (6), the period of probation or community control
154 shall commence immediately upon the release of the defendant
155 from incarceration, whether by parole or gain-time allowances.

156 (4) Effective for offenses committed on or after September
157 1, 2005, the court must impose a split sentence pursuant to
158 subsection (1) for any person who is convicted of a life felony
159 for lewd and lascivious molestation pursuant to s. 800.04(5)(b)
160 if the court imposes a term of years in accordance with s.
161 775.082(3)(a)4.a.(II) rather than life imprisonment. The
162 probation or community control portion of the split sentence
163 imposed by the court for a defendant must extend for the
164 duration of the defendant's natural life and include a condition
165 that he or she be electronically monitored.

166 (5)(a) Effective for offenses committed on or after October
167 1, 2014, if the court imposes a term of years in accordance with
168 s. 775.082 which is less than the maximum sentence for the
169 offense, the court must impose a split sentence pursuant to
170 subsection (1) for any person who is convicted of a violation
171 of:

- 172 1. Section 782.04(1)(a)2.c.;
- 173 2. Section 787.01(3)(a)2. or 3.;
- 174 3. Section 787.02(3)(a)2. or 3.;

591-02387A-17

2017790c1

175 4. Section 794.011, excluding s. 794.011(10);
 176 5. Section 800.04;
 177 6. Section 825.1025; or
 178 7. Section 847.0135(5).

179 (b) The probation or community control portion of the split
 180 sentence imposed by the court must extend for at least 2 years.
 181 However, if the term of years imposed by the court extends to
 182 within 2 years of the maximum sentence for the offense, the
 183 probation or community control portion of the split sentence
 184 must extend for the remainder of the maximum sentence.

185 (6) If a defendant who has been sentenced to a split
 186 sentence pursuant to subsection (1) is transferred to the
 187 custody of the Department of Children and Families pursuant to
 188 part V of chapter 394, the period of probation or community
 189 control is tolled until such person is no longer in the custody
 190 of the Department of Children and Families. This subsection
 191 applies to all sentences of probation or community control which
 192 begin on or after October 1, 2014, regardless of the date of the
 193 underlying offense.

194 Section 4. Subsection (2) of section 948.013, Florida
 195 Statutes, is amended to read:

196 948.013 Administrative probation.—

197 (2) (a) Effective for an offense committed on or after July
 198 1, 1998, and before July 1, 2017, a person is ineligible for
 199 placement on administrative probation if the person is sentenced
 200 to or is serving a term of probation or community control,
 201 regardless of the conviction or adjudication, for committing, or
 202 attempting, conspiring, or soliciting to commit, any of the
 203 felony offenses described in s. 787.01 or s. 787.02, where the

Page 7 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

204 victim is a minor and the defendant is not the victim's parent;
 205 s. 787.025; s. 787.06(3)(g); chapter 794; former s. 796.03; s.
 206 800.04; s. 825.1025(2)(b); s. 827.071; s. 847.0133; s. 847.0135;
 207 or s. 847.0145.

208 (b) Effective for an offense committed on or after July 1,
 209 2017, a person is ineligible for placement on administrative
 210 probation if the person is sentenced to or is serving a term of
 211 probation or community control, regardless of the conviction or
 212 adjudication, for committing, or attempting, conspiring, or
 213 soliciting to commit, any of the felony offenses described in s.
 214 775.21(4)(a)1.a. or (4)(a)1.b. or s. 943.0435(1)(h)1.a.

215 Section 5. Paragraphs (a), (b), (1), and (m) of subsection
 216 (1) and subsection (2) of section 948.03, Florida Statutes, are
 217 amended to read:

218 948.03 Terms and conditions of probation.—

219 (1) The court shall determine the terms and conditions of
 220 probation. Conditions specified in this section do not require
 221 oral pronouncement at the time of sentencing and may be
 222 considered standard conditions of probation. These conditions
 223 may include among them the following, that the probationer or
 224 offender in community control shall:

225 (a) Report to the probation officer ~~and parole supervisors~~
 226 as directed.

227 (b) Permit the probation officer ~~such supervisors~~ to visit
 228 him or her at his or her home or elsewhere.

229 (1)1. Submit to random testing as directed by the
 230 ~~correctional~~ probation officer or the professional staff of the
 231 treatment center where he or she is receiving treatment to
 232 determine the presence or use of alcohol or controlled

Page 8 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

233 substances.

234 2. If the offense was a controlled substance violation and
 235 the period of probation immediately follows a period of
 236 incarceration in the state correction system, the conditions
 237 ~~must shall~~ include a requirement that the offender submit to
 238 random substance abuse testing intermittently throughout the
 239 term of supervision, upon the direction of the ~~correctional~~
 240 probation officer ~~as defined in s. 943.10(3)~~.

241 (m) Be prohibited from possessing, carrying, or owning any:
 242 1. Firearm.

243 2. Weapon without first procuring the consent of the
 244 ~~correctional~~ probation officer.

245 (2) The enumeration of specific kinds of terms and
 246 conditions ~~does shall~~ not prevent the court from adding thereto
 247 such other or others as it considers proper. However, the
 248 sentencing court may only impose a condition of supervision
 249 allowing an offender convicted of s. 794.011, s. 800.04, s.
 250 827.071, s. 847.0135(5), or s. 847.0145~~7~~ to reside in another
 251 state~~7~~, if the order stipulates that it is contingent upon the
 252 approval of the receiving state interstate compact authority.
 253 The court may rescind or modify at any time the terms and
 254 conditions theretofore imposed by it upon the probationer.
 255 However, if the court withholds adjudication of guilt or imposes
 256 a period of incarceration as a condition of probation, the
 257 period ~~may shall~~ not exceed 364 days, and incarceration shall be
 258 restricted to either a county facility, or a probation and
 259 restitution center under the jurisdiction of the Department of
 260 Corrections, ~~a probation program drug punishment phase I secure~~
 261 ~~residential treatment institution, or a community residential~~

2017790c1

262 ~~facility owned or operated by any entity providing such~~
 263 ~~services.~~

264 Section 6. Section 948.031, Florida Statutes, is amended to
 265 read:

266 948.031 Condition of probation or community control;
 267 community public service.-

268 (1) Any person who is convicted of a felony or misdemeanor
 269 and who is placed on probation or into community control may be
 270 required as a condition of supervision to perform some type of
 271 community public service for a tax-supported or tax-exempt
 272 entity, with the consent of such entity. Such community public
 273 service shall be performed at a time other than during such
 274 person's regular hours of employment.

275 (2) Upon the request of the chief judge of the circuit, the
 276 Department of Corrections shall establish a community public
 277 service program for a county, which program may include, but is
 278 ~~shall not be~~ limited to, any of the following types of community
 279 public service:

280 (a) Maintenance work on any property or building owned or
 281 leased by any state, county, or municipality or any nonprofit
 282 organization or agency.

283 (b) Maintenance work on any state-owned, county-owned, or
 284 municipally owned road or highway.

285 (c) Landscaping or maintenance work in any state, county,
 286 or municipal park or recreation area.

287 (d) Work in any state, county, or municipal hospital or any
 288 developmental services institution or other nonprofit
 289 organization or agency.

290 Section 7. Subsections (1) and (3) of section 948.035,

Page 10 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

291 Florida Statutes, are amended to read:

292 948.035 Residential treatment as a condition of probation
293 or community control.-

294 (1) If the court imposes a period of residential treatment
295 or incarceration as a condition of probation or community
296 control, the residential treatment or incarceration shall be
297 restricted to the following facilities:

298 (a) A Department of Corrections probation and restitution
299 center;

300 ~~(b) A probation program drug punishment treatment
301 community;~~

302 (b)(c) A community residential facility that which is owned
303 and operated by a any public or private entity, excluding a
304 community correctional center as defined in s. 944.026; or

305 (c)(d) A county-owned facility.

306 (3) Before ~~Prior to~~ admission to such a facility or center
307 treatment community, a qualified practitioner must provide the
308 court shall obtain an individual assessment and recommendation
309 on the appropriate treatment needs pursuant to the Community
310 Control Implementation Manual which shall be considered by the
311 court in ordering such placements. Placement in such a facility
312 or center may, or in the phase I secure residential phase of a
313 probation program drug punishment treatment community, shall not
314 exceed 364 days. Early completion of an offender's placement
315 shall be recommended to the court, when appropriate, by the
316 facility or center supervisor, by the supervising probation
317 officer, or by the program manager. The Department of
318 Corrections is authorized to contract with appropriate agencies
319 for provision of services.

Page 11 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

320 Section 8. Subsection (1) of section 948.037, Florida
321 Statutes, is amended to read:

322 948.037 Education and learning as a condition of probation
323 or community control.-

324 (1) As a condition of community control, probation, or
325 probation following incarceration, the court ~~may shall~~ require
326 an offender who has not obtained a high school diploma or high
327 school equivalency diploma or who lacks basic or functional
328 literacy skills, upon acceptance by an adult education program,
329 to make a good faith effort toward completion of such basic or
330 functional literacy skills or high school equivalency diploma,
331 as defined in s. 1003.435, in accordance with the assessed adult
332 general education needs of the individual offender. The court
333 may shall not revoke community control, probation, or probation
334 following incarceration because of the offender's inability to
335 achieve such skills or diploma but may revoke community control,
336 probation, or probation following incarceration if the offender
337 fails to make a good faith effort to achieve such skills or
338 diploma. The court may grant early termination of community
339 control, probation, or probation following incarceration upon
340 the offender's successful completion of the approved program. As
341 used in this subsection, "good faith effort" means the offender
342 is enrolled in a program of instruction and is attending and
343 making satisfactory progress toward completion of the
344 requirements.

345 Section 9. Paragraphs (a), (e), (f), and (g) of subsection
346 (1) of section 948.06, Florida Statutes, are amended to read:

347 948.06 Violation of probation or community control;
348 revocation; modification; continuance; failure to pay

Page 12 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

349 restitution or cost of supervision.-

350 (1) (a) Whenever within the period of probation or community
351 control there are reasonable grounds to believe that a
352 probationer or offender in community control has violated his or
353 her probation or community control in a material respect, any
354 law enforcement officer who is aware of the probationary or
355 community control status of the probationer or offender in
356 community control or any ~~parole or~~ probation officer supervisor
357 may arrest or request any county or municipal law enforcement
358 officer to arrest such probationer or offender without warrant
359 wherever found and return him or her to the court granting such
360 probation or community control.

361 (e) Any ~~parole or~~ probation officer supervisor, any officer
362 authorized to serve criminal process, or any peace officer of
363 this state is authorized to serve and execute such warrant. Any
364 ~~parole or~~ probation officer supervisor is authorized to serve
365 such notice to appear.

366 (f) Upon the filing of an affidavit alleging a violation of
367 probation or community control and following issuance of a
368 warrant for such violation ~~under s. 901.02~~, a warrantless arrest
369 under this section, or a notice to appear under this section,
370 the probationary period is tolled until the court enters a
371 ruling on the violation. Notwithstanding the tolling of
372 probation, the court shall retain jurisdiction over the offender
373 for any violation of the conditions of probation or community
374 control that is alleged to have occurred during the tolling
375 period. The probation officer is permitted to continue to
376 supervise any offender who remains available to the officer for
377 supervision until the supervision expires pursuant to the order

Page 13 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

378 of probation or community control or until the court revokes or
379 terminates the probation or community control, whichever comes
380 first.

381 (g) The chief judge of each judicial circuit may direct the
382 department to use a notification letter of a technical violation
383 in appropriate cases in lieu of a violation report, affidavit,
384 and warrant or a notice to appear when the alleged violation is
385 not a new felony or misdemeanor offense. Such direction must be
386 in writing and must specify the types of specific technical
387 violations which are to be reported by a notification letter of
388 a technical violation, any exceptions to those violations, and
389 the required process for submission. At the direction of the
390 chief judge, the department shall send the notification letter
391 of a technical violation to the court.

392 Section 10. Section 948.09, Florida Statutes, is amended to
393 read:

394 948.09 Payment for cost of supervision and other monetary
395 obligations ~~rehabilitation~~.-

396 (1) (a) 1. Any person ordered by the court, the Department of
397 Corrections, or the Florida Commission on Offender Review to be
398 placed under ~~on probation, drug offender probation, community~~
399 ~~control, parole, control release, provisional release~~
400 ~~supervision, addiction-recovery supervision, or conditional~~
401 ~~release~~ supervision under this chapter, chapter 944, chapter
402 945, chapter 947, or chapter 958, or in a pretrial intervention
403 program, must, as a condition of any placement, pay the
404 department a total sum of money equal to the total month or
405 portion of a month of supervision times the court-ordered
406 amount, but not to exceed the actual per diem cost of the

Page 14 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

407 supervision. The department shall adopt rules by which an
 408 offender who pays in full and in advance of regular termination
 409 of supervision may receive a reduction in the amount due. The
 410 rules shall incorporate provisions by which the offender's
 411 ability to pay is linked to an established written payment plan.
 412 Funds collected from felony offenders may be used to offset
 413 costs of the Department of Corrections associated with community
 414 supervision programs, subject to appropriation by the
 415 Legislature.

416 2. In addition to any other contribution or surcharge
 417 imposed by this section, each felony offender assessed under
 418 this paragraph shall pay a \$2-per-month surcharge to the
 419 department. The surcharge shall be deemed to be paid only after
 420 the full amount of any monthly payment required by the
 421 established written payment plan has been collected by the
 422 department. These funds shall be used by the department to pay
 423 for correctional probation officers' training and equipment,
 424 including radios, and firearms training, firearms, and attendant
 425 equipment necessary to train and equip officers who choose to
 426 carry a concealed firearm while on duty. This subparagraph does
 427 not limit the department's authority to determine who shall be
 428 authorized to carry a concealed firearm while on duty, or limit
 429 the right of a correctional probation officer to carry a
 430 personal firearm approved by the department.

431 (b) Any person placed on misdemeanor probation by a county
 432 court must contribute not less than \$40 per month, as decided by
 433 the sentencing court, to the court-approved public or private
 434 entity providing misdemeanor supervision.

435 (2) Any person being electronically monitored by the

Page 15 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

436 department as a result of being placed on supervision shall pay
 437 the department for electronic monitoring services at a rate that
 438 may not exceed the full cost of the monitoring service in
 439 addition to the cost of supervision as directed by the
 440 sentencing court. The funds collected under this subsection
 441 shall be deposited in the General Revenue Fund. The department
 442 may exempt a person from paying all or any part of the costs of
 443 the electronic monitoring service if it finds that any of the
 444 factors listed in subsection (3) exist.

445 (3) Any failure to pay contribution as required under this
 446 section may constitute a ground for the revocation of
 447 supervision probation by the court ~~or, the revocation of parole~~
 448 ~~or conditional release~~ by the Florida Commission on Offender
 449 Review, the revocation of control release by the Control Release
 450 Authority, or the removal from the pretrial intervention program
 451 by the state attorney. The Department of Corrections may exempt
 452 a person from the payment of all or any part of the contribution
 453 if it finds any of the following factors ~~to exist~~:

454 (a) The offender has diligently attempted, but has been
 455 unable, to obtain or maintain employment ~~that which~~ provides him
 456 or her sufficient income to make such payments.

457 (b) The offender is a student in a school, college,
 458 university, or course of career training designed to fit the
 459 student for gainful employment. Certification of such student
 460 status shall be supplied to the offender's probation officer
 461 ~~Secretary of Corrections~~ by the educational institution in which
 462 the offender is enrolled.

463 (c) The offender has an employment handicap, as determined
 464 by a physical, psychological, or psychiatric examination

Page 16 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

465 acceptable to, or ordered by, the secretary.

466 (d) The offender's age prevents him or her from obtaining
467 employment.

468 (e) The offender is responsible for the support of
469 dependents, and the payment of such contribution constitutes an
470 undue hardship on the offender.

471 (f) The offender has been transferred outside the state
472 under an interstate compact adopted pursuant to chapter 949.

473 ~~(g) There are other extenuating circumstances, as
474 determined by the secretary.~~

475 ~~(4) In addition to the contribution required under
476 subsection (1), the department may provide a maximum payment of
477 \$10 per month for each misdemeanor probationer who is
478 contributing \$10 per month to the court-approved public or
479 private entity which is providing him or her with misdemeanor
480 supervision or rehabilitation. The \$10 payment set forth herein
481 shall only be for first degree misdemeanors, petty theft, and
482 worthless checks. The department shall make such payment to the
483 court-approved public or private entity which is providing
484 supervision to the offender under this section. Such payment
485 shall be implemented through a contract to be entered into by
486 the Secretary of Corrections and the entity. Terms of the
487 contract shall state, but are not limited to, the extent of the
488 services to be rendered by the entity providing supervision or
489 rehabilitation. In addition, the entity shall supply the
490 department with a monthly report documenting the acceptance of
491 each offender placed under its supervision by the court,
492 documenting the payment of the required contribution by each
493 offender under supervision or rehabilitation, and notifying the~~

Page 17 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

494 ~~department of all offenders for whom supervision or
495 rehabilitation will be terminated. Supervisory records of the
496 entity shall be open to inspection upon the request of the
497 department or its agents.~~

498 (4) ~~(5)~~ As a condition of an interstate compact adopted
499 pursuant to chapter 949, the department shall require each out-
500 of-state probationer or parolee transferred to this state to
501 contribute not less than \$30 or more than the cost of
502 supervision, certified by the Department of Corrections, per
503 month to defray the cost incurred by this state as a result of
504 providing supervision and rehabilitation during the period of
505 supervision.

506 (5) ~~(6)~~ In addition to any other required contributions, the
507 department, at its discretion, may require offenders under any
508 form of supervision to submit to and pay for urinalysis testing
509 to identify drug usage as part of the rehabilitation program.
510 Any failure to make such payment, or participate, may be
511 considered a ground for revocation by the court, the Florida
512 Commission on Offender Review, or the Control Release Authority,
513 or for removal from the pretrial intervention program by the
514 state attorney. The department may exempt a person from such
515 payment if it determines that any of the factors specified in
516 subsection (3) exist.

517 (6) ~~(7)~~ The department shall establish a payment plan for
518 all costs ordered by the courts for collection by the department
519 and a priority order for payments, except that victim
520 restitution payments authorized under s. 948.03(1)(f) take
521 precedence over all other court-ordered payments. The department
522 is not required to disburse cumulative amounts of less than \$10

Page 18 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

523 to individual payees established on this payment plan.

524 Section 11. Section 948.10, Florida Statutes, is amended to
525 read:

526 948.10 Community control programs; home confinement.-

527 (1) The Department of Corrections shall develop and
528 administer a community control program. This ~~complementary~~
529 program shall be rigidly structured and designed to accommodate
530 offenders who, in the absence of such a program, would have been
531 incarcerated in a jail or prison. The program shall focus on the
532 provision of home confinement subject to an authorized level of
533 limited freedom and special conditions ~~sanctions and~~
534 ~~consequences which that~~ are commensurate with the seriousness of
535 the crime. The program shall offer the courts and the Florida
536 Commission on Offender Review an alternative, community-based
537 method to punish an offender in lieu of incarceration and shall
538 provide intensive supervision to closely monitor compliance with
539 restrictions and special conditions, including, but not limited
540 to, treatment or rehabilitative programs. The targeted
541 population for this community control program includes ~~if the~~
542 ~~offender is a member of one of the following target groups:~~

543 (a) Probation violators charged with technical violations
544 or new misdemeanor violations of law.

545 (b) Parole or conditional release violators charged with
546 technical violations or new misdemeanor violations of law.

547 (c) Individuals found guilty of felonies, who, due to their
548 criminal backgrounds or the seriousness of the offenses, would
549 not be placed on regular probation.

550 (2) ~~The department shall commit not less than 10 percent of~~
551 ~~the parole and probation field staff and supporting resources to~~

591-02387A-17

2017790c1

552 ~~the operation of the community control program~~. Caseloads should
553 be restricted to a maximum of ~~30~~ 25 cases per officer in order
554 to ensure an adequate level of staffing. Community control is an
555 individualized program in which the offender is restricted to a
556 residential treatment facility or a nursing facility
557 ~~noninstitutional quarters~~ or restricted to his or her approved
558 ~~own~~ residence subject to an authorized level of limited freedom.
559 (3) Procedures governing violations of community control
560 are shall be the same as those described in s. 948.06 with
561 respect to probation.

562 (4) Upon completion of the sanctions imposed and in the
563 community control plan before the expiration of the community
564 control term ordered by the court, the department may petition
565 the court to terminate early the supervision of ~~discharge~~ the
566 offender from community control supervision or to return the
567 offender to a program of regular probation supervision for the
568 remainder of the term. In considering the petition, the court
569 should recognize the limited staff resources committed to the
570 community control program, the purpose of the program, and the
571 offender's successful compliance with the conditions set forth
572 in the order of the court.

573 ~~(5) In its annual report to the Governor, the President of~~
574 ~~the Senate, and the Speaker of the House of Representatives~~
575 ~~under s. 20.315(5), the department shall include a detailed~~
576 ~~analysis of the community control program and the department's~~
577 ~~specific efforts to protect the public from offenders placed on~~
578 ~~community control. The analysis must include, but need not be~~
579 ~~limited to, specific information on the department's ability to~~
580 ~~meet minimum officer-to-offender contact standards, the number~~

591-02387A-17

2017790c1

581 ~~of crimes committed by offenders on community control, and the~~
 582 ~~level of community supervision provided.~~

583 Section 12. Subsection (2) of section 948.101, Florida
 584 Statutes, is amended to read:

585 948.101 Terms and conditions of community control.—

586 (2) The enumeration of specific kinds of terms and
 587 conditions does not prevent the court from adding any other
 588 terms or conditions that the court considers proper. However,
 589 the sentencing court may only impose a condition of supervision
 590 allowing an offender convicted of s. 794.011, s. 800.04, s.
 591 827.071, s. 847.0135(5), or s. 847.0145 to reside in another
 592 state if the order stipulates that it is contingent upon the
 593 approval of the receiving state interstate compact authority.
 594 The court may rescind or modify at any time the terms and
 595 conditions theretofore imposed by it upon the offender in
 596 community control. However, if the court withholds adjudication
 597 of guilt or imposes a period of incarceration as a condition of
 598 community control, the period may not exceed 364 days, and
 599 incarceration shall be restricted to a county facility, a
 600 probation and restitution center under the jurisdiction of the
 601 Department of Corrections, or a probation program drug
 602 ~~punishment phase I secure residential treatment institution, or~~
 603 ~~a community residential facility owned or operated by any entity~~
 604 providing such services.

605 Section 13. Subsections (1), (2), and (3) of section
 606 948.11, Florida Statutes, are amended, and subsection (5) of
 607 that section is republished, to read:

608 948.11 Electronic monitoring devices.—

609 (1) The Department of Corrections shall ~~may~~ electronically

Page 21 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

610 monitor an offender sentenced to community control when the
 611 court has imposed electronic monitoring as a condition of
 612 community control.

613 (2) Any offender placed under supervision ~~on community~~
 614 ~~control~~ who violates the terms and conditions of supervision
 615 ~~community control~~ and is restored to supervision ~~community~~
 616 ~~control~~ may be supervised by means of an electronic monitoring
 617 device or system if ordered by the court.

618 (3) For those offenders being electronically monitored, the
 619 Department of Corrections shall develop procedures to determine,
 620 investigate, and report the offender's noncompliance with the
 621 terms and conditions of sentence 24 hours per day. All reports
 622 of noncompliance shall be immediately investigated by a
 623 probation ~~community control~~ officer.

624 (5) Any person being electronically monitored by the
 625 department as a result of being placed on supervision shall pay
 626 the department for the electronic monitoring services as
 627 provided in s. 948.09(2).

628 Section 14. Paragraph (b) of subsection (3) of section
 629 948.15, Florida Statutes, is amended to read:

630 948.15 Misdemeanor probation services.—

631 (3) Any private entity, including a licensed substance
 632 abuse education and intervention program, providing services for
 633 the supervision of misdemeanor probationers must contract with
 634 the county in which the services are to be rendered. In a county
 635 having a population of fewer than 70,000, the county court
 636 judge, or the administrative judge of the county court in a
 637 county that has more than one county court judge, must approve
 638 the contract. Terms of the contract must state, but are not

Page 22 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

639 limited to:

640 (b) Staff qualifications and criminal record checks of
 641 staff ~~in accordance with essential standards established by the~~
 642 ~~American Correctional Association as of January 1, 1991.~~

643
 644 In addition, the entity shall supply the chief judge's office
 645 with a quarterly report summarizing the number of offenders
 646 supervised by the private entity, payment of the required
 647 contribution under supervision or rehabilitation, and the number
 648 of offenders for whom supervision or rehabilitation will be
 649 terminated. All records of the entity must be open to inspection
 650 upon the request of the county, the court, the Auditor General,
 651 the Office of Program Policy Analysis and Government
 652 Accountability, or agents thereof.

653 Section 15. Section 948.50, Florida Statutes, is repealed.

654 Section 16. For the purpose of incorporating the amendment
 655 made by this act to section 948.013, Florida Statutes, in a
 656 reference thereto, paragraph (n) of subsection (1) of section
 657 921.187, Florida Statutes, is reenacted to read:

658 921.187 Disposition and sentencing; alternatives;
 659 restitution.—

660 (1) The alternatives provided in this section for the
 661 disposition of criminal cases shall be used in a manner that
 662 will best serve the needs of society, punish criminal offenders,
 663 and provide the opportunity for rehabilitation. If the offender
 664 does not receive a state prison sentence, the court may:

665 (n) Impose split probation whereby upon satisfactory
 666 completion of half the term of probation, the Department of
 667 Corrections may place the offender on administrative probation

Page 23 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

668 pursuant to s. 948.013 for the remainder of the term of
 669 supervision.

670 Section 17. For the purpose of incorporating the amendment
 671 made by this act to section 948.09, Florida Statutes, in a
 672 reference thereto, paragraph (b) of subsection (7) of section
 673 947.1405, Florida Statutes, is reenacted to read:

674 947.1405 Conditional release program.—

675 (7)

676 (b) For a releasee whose crime was committed on or after
 677 October 1, 1997, in violation of chapter 794, s. 800.04, s.
 678 827.071, s. 847.0135(5), or s. 847.0145, and who is subject to
 679 conditional release supervision, in addition to any other
 680 provision of this subsection, the commission shall impose the
 681 following additional conditions of conditional release
 682 supervision:

683 1. As part of a treatment program, participation in a
 684 minimum of one annual polygraph examination to obtain
 685 information necessary for risk management and treatment and to
 686 reduce the sex offender's denial mechanisms. The polygraph
 687 examination must be conducted by a polygrapher who is a member
 688 of a national or state polygraph association and who is
 689 certified as a postconviction sex offender polygrapher, where
 690 available, and at the expense of the releasee. The results of
 691 the examination shall be provided to the releasee's probation
 692 officer and qualified practitioner and may not be used as
 693 evidence in a hearing to prove that a violation of supervision
 694 has occurred.

695 2. Maintenance of a driving log and a prohibition against
 696 driving a motor vehicle alone without the prior approval of the

Page 24 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

697 supervising officer.

698 3. A prohibition against obtaining or using a post office
699 box without the prior approval of the supervising officer.

700 4. If there was sexual contact, a submission to, at the
701 releasee's expense, an HIV test with the results to be released
702 to the victim or the victim's parent or guardian.

703 5. Electronic monitoring of any form when ordered by the
704 commission. Any person who has been placed under supervision and
705 is electronically monitored by the department must pay the
706 department for the cost of the electronic monitoring service at
707 a rate that may not exceed the full cost of the monitoring
708 service. Funds collected under this subparagraph shall be
709 deposited into the General Revenue Fund. The department may
710 exempt a person from the payment of all or any part of the
711 electronic monitoring service cost if the department finds that
712 any of the factors listed in s. 948.09(3) exist.

713 Section 18. For the purpose of incorporating the amendment
714 made by this act to section 948.10, Florida Statutes, in a
715 reference thereto, section 947.1747, Florida Statutes, is
716 reenacted to read:

717 947.1747 Community control as a special condition of
718 parole.—Upon the establishment of an effective parole release
719 date as provided for in ss. 947.1745 and 947.1746, the
720 commission may, as a special condition of parole, require an
721 inmate to be placed in the community control program of the
722 Department of Corrections as described in s. 948.10 for a period
723 not exceeding 6 months. In every case in which the commission
724 decides to place an inmate on community control as a special
725 condition of parole, the commission shall provide a written

Page 25 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

726 explanation of the reasons for its decision.

727 Section 19. For the purpose of incorporating the amendment
728 made by this act to section 948.10, Florida Statutes, in a
729 reference thereto, subsection (3) of section 948.01, Florida
730 Statutes, is reenacted to read:

731 948.01 When court may place defendant on probation or into
732 community control.—

733 (3) If, after considering the provisions of subsection (2)
734 and the offender's prior record or the seriousness of the
735 offense, it appears to the court in the case of a felony
736 disposition that probation is an unsuitable dispositional
737 alternative to imprisonment, the court may place the offender in
738 a community control program as provided in s. 948.10. Or, in a
739 case of prior disposition of a felony commitment, upon motion of
740 the offender or the department or upon its own motion, the court
741 may, within the period of its retained jurisdiction following
742 commitment, suspend the further execution of the disposition and
743 place the offender in a community control program upon such
744 terms as the court may require. The court may consult with a
745 local offender advisory council pursuant to s. 948.90 with
746 respect to the placement of an offender into community control.
747 Not later than 3 working days before the hearing on the motion,
748 the department shall forward to the court all relevant material
749 on the offender's progress while in custody. If this sentencing
750 alternative to incarceration is utilized, the court shall:

751 (a) Determine what community-based sanctions will be
752 imposed in the community control plan. Community-based sanctions
753 may include, but are not limited to, rehabilitative restitution
754 in money or in kind, curfew, revocation or suspension of the

Page 26 of 27

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02387A-17

2017790c1

755 driver license, community service, deprivation of nonessential
756 activities or privileges, or other appropriate restraints on the
757 offender's liberty.

758 (b) After appropriate sanctions for the offense are
759 determined, develop, approve, and order a plan of community
760 control which contains rules, requirements, conditions, and
761 programs that are designed to encourage noncriminal functional
762 behavior and promote the rehabilitation of the offender and the
763 protection of the community. If the offense was a controlled
764 substance violation, the conditions shall include a requirement
765 that the offender submit to random substance abuse testing
766 intermittently throughout the term of supervision, upon the
767 direction of the correctional probation officer as defined in s.
768 943.10(3).

769 Section 20. This act shall take effect July 1, 2017.

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 788 takes a comprehensive approach to the problem of fraudulent patient brokering and deceptive marketing practices in the business of substance use addiction services, particularly related to the economic relationship between service providers and “recovery residences.”

The bill creates new and amends existing criminal offenses (prohibited acts) related to patient brokering and marketing practices that create or increase fines and potential prison sentences. These offenses are added to the Criminal Punishment Code ranking chart for purposes of assigning sentencing points.

The bill provides assistance to law enforcement and prosecutors by:

- Extending the jurisdiction of the Office of the Statewide Prosecutor to investigate and prosecute patient brokering offenses;
- Adding patient brokering to the list of predicate offenses that may be prosecuted as RICO offenses which could result in higher penalties; and
- Adopting federal law with regard to the timing of law enforcement giving notice to a patient regarding obtaining the patient’s records pursuant to a court order.

Additionally, the bill requires substance abuse treatment service provider personnel who provide direct clinical treatment services to be certified through a Department of Children and Families-recognized certification process.

The Criminal Justice Impact Conference met on March 29, 2017, and determined the bill will increase the state prison population by an insignificant amount. According to the Department of Legal Affairs, the bill will increase the workload of the Office of the Statewide Prosecutor, requiring two new full-time equivalent positions and \$194,120. The bill provides an appropriation for these positions. See Section V. C. below.

The bill becomes effective on July 1, 2017.

II. Present Situation:

There has been an alarming increase of deaths from drug overdoses around the country and Florida has not escaped the trend. Total drug-related deaths increased by 13.9 percent in Florida (1,197 more) in 2015 when compared with 2014.¹ Heroin accounted for 733 deaths in Florida and increased by 79.7 percent between 2014 and 2015.²

The number of deadly heroin overdoses more than quadrupled in the United States from 2010 to 2015, as the price of heroin fell and its potency increased.³ In 2015, there were 12,989 deaths involving heroin across the country compared with 3,036 deaths in 2010.⁴ There was a 346 percent increase in admissions nationally for opioid treatment from 2001 to 2011.⁵

In 2012, the rate of substance abuse or dependence among eighteen to twenty-five year olds was twice that of adults twenty-six and older.⁶ Florida is a destination for many young substance use addicts from all over the country who are seeking addiction treatment and recovery services.⁷

The typical model for substance addiction treatment and recovery consists of two basic stages. The length of time a patient spends in each stage varies, depending on the patient's needs and the protocol that will help the patient achieve a healthy outcome. The two stages are:

- Detoxification and services including in-patient treatment, if necessary; and

⁷ 15th Judicial Circuit, Presentment of the Palm Beach County, Florida, Grand Jury, Fall Term, 2016; *Report on the Proliferation of Fraud and Abuse in Florida's Addiction Treatment Industry*, December 8, 2016, at page 5 (hereinafter referred to as the "Grand Jury Report"), citing Optum White Paper, *Young Adults and the Behavioral Health System*, 2014, page 4; and Palm Beach County Sober Homes Task Force Report, *Identification of Problems in the Substance Abuse Treatment and Recovery Residence Industries with Recommended Changes to Existing Laws and Regulations*, January 1, 2017, at page 1 (hereinafter referred to as the "Task Force Report"); these materials are available at <http://www.sa15.state.fl.us/stateattorney/SoberHomes/indexSH.htm> (last visited March 2, 2017).

- Out-patient treatment coupled with a therapeutic residential recovery home or “sober home” environment.

A private industry has grown throughout the state to fill a void in programming, namely “recovery residences.”⁸ This component of treatment services is not currently state-licensed or regulated.⁹ Unfortunately, fraudulent activity in the recovery residence industry has become obvious to local communities, law enforcement, and prosecutors.¹⁰

In 2016, the State Attorney from the 15th Judicial Circuit was given the following task by the Legislature in the General Appropriations Act:

Conduct a study aimed to strengthen investigation and prosecution of criminal and regulatory violations within the substance abuse treatment industry. The state attorney shall coordinate with local and state law enforcement and regulatory agencies, the Department of Children and Families, the Florida Alcohol & Drug Abuse Association, and certifying entities of recovery residences and recovery residence administrators to identify statutory clarifications and enhancements to existing law to ensure that communities remain safe and individuals with substance use disorders are protected. The state attorney shall submit the study to the Governor, President of the Senate, and Speaker of the House of Representatives by January 1, 2017.¹¹

The State Attorney’s assignment resulted in the creation of a Sober Homes Task Force (Task Force), and the convening of the Grand Jury. Both the Task Force and the Grand Jury issued reports making many of the same findings and suggesting similar solutions to the problems related to fraud in the substance use addiction treatment and recovery industry in Florida.¹²

Among the findings made by the Task Force and Grand Jury:

- Persons seeking substance use treatment and, often, their families are particularly vulnerable to predatory marketing practices.¹³

⁸ Task Force Report, at page 6. “Recovery residence” is defined in s. 397.311(36), F.S., as “a residential dwelling unit, or other form of group housing, that is offered or advertised through any means, including oral, written, electronic, or printed means, by any person or entity as a residence that provides a peer-supported, alcohol-free, and drug-free living environment.”

⁹ Sections 397.487 and 397.4871, F.S., provide for a voluntary certification program for recovery residences and recovery residence administrators offered through a “credentialing entity” approved by the Department of Children and Families, Office of Substance Abuse and Mental Health. See office website, available at <http://www.myflfamilies.com/service-programs/substance-abuse/recovery-residence> (last visited March 2, 2017). The current credentialing entity for recovery residences is the Florida Association of Recovery Residences, which reported the existence of 257 recovery residences in Florida as of March 1, 2017. See <http://farronline.org/>.

¹² See footnote 7.

¹³ “Some marketers create an online presence whereby potential patients and their families are willfully misled and misdirected by unqualified individuals who offer diagnoses and placement recommendations. Often the result of these ‘lead

- Patients engaged in out-patient treatment typically need housing while in a treatment program and if the patient is far from home, unemployed, and unable to pay for basic needs, the patient may fall prey to patient brokering schemes.¹⁴
- Strengthening and modifying existing statutes, including patient brokering as a predicate RICO offense, creating new laws related to marketing practices, and amending existing law related to patient records, would be of benefit to state law enforcement and state attorneys as they investigate and prosecute these criminal enterprises.¹⁵

III. Effect of Proposed Changes:

The bill addresses two components of addiction treatment and recovery fraud, law enforcement and prosecution challenges surrounding those two types of fraud, and the certification of certain substance abuse treatment services provider personnel.

Marketing Practices

Although service providers are licensed through the Department of Children and Families (DCF), currently there is no real regulation or oversight of the marketing practices of service providers or of unlicensed recovery residences.¹⁶

Section 5 creates s. 397.488, F.S., to prohibit service providers, operators of recovery residences, or third parties that provide any form of advertising or marketing services to either of those entities, from engaging in deceptive, false, or misleading marketing practices. These entities cannot:

- Make or provide false or misleading statements or information about their business in marketing, advertising, media, or on their websites.
- Include on their websites false information, links, or coding or activation that provides false information or redirects to another website.

generators' is a referral to a provider in Florida." Task Force Report, page 4; "But when the person calls the number listed, the marketer silently routes the call to one of five different customers of the marketer. Some of those customers are simply other call centers or referral services. Others might be good or bad treatment centers in Florida that have paid the marketer for the referral. One of the problems with this practice is the monetary conflict of interest created once a 'lead' is already paid for. For example, when a treatment center pays \$1,000 for a lead, they are compelled to convince that caller to go to *their* treatment center, regardless of what the caller says or whether that particular treatment is in the caller's best interest. The level of care recommended will also be influenced by this monetary incentive. A person calling about outpatient treatment may be urged to get more intensive (and expensive) treatment under this scenario. The Grand Jury finds that deceptive marketing practices like these are detrimental to a patient's chances of receiving quality care and the appropriate level of care." Grand Jury Report, at pages 13-16.

¹⁴ "A common practice within the industry in Florida is for the treatment provider to pay a weekly fee or kickback to the recovery residence, with the understanding that the recovery residence will allow the patient to live at the residence for free or at a greatly reduced rent while attending the provider's outpatient treatment program. This practice was developed, in part, to ensure that out-of-state patients have a local place to live after they step down from inpatient to outpatient treatment. Most out-of-state patients who are attending intensive outpatient treatment are not locally employed, and while some are able to pay rent, many do not have the means. Without a local, stable address, it would be difficult, if not impossible, for a provider to treat the patient. This creates economic pressure for the provider to find a way to house the patient locally. Brokering, by providing kickbacks to the recovery residence in exchange for the delivery of a patient, is commonplace. Some treatment providers and recovery residences offer incentives such as gym memberships, scooters, weekly massages, chiropractic services, cigarettes, clothes, gift cards and more." Task Force Report, at pages 9-10. See Grand Jury Report, at pages 17-18.

¹⁵ Grand Jury Report, at pages 27-30.

¹⁶ Sections 397.401 and 397.487, F.S.

The entities also cannot enter into a contract with a marketing provider who agrees to generate referrals or leads for patient placement through a call center or website. However, the entity can enter into such a contract if the entity discloses certain information to a prospective patient.

This section also prohibits the entities from soliciting or receiving a commission, benefit, bonus, rebate, kickback, or bribe in exchange for a patient referral or acceptance or acknowledgement of treatment. A violation of this provision is punishable as a felony patient brokering offense under s. 817.505, F.S. All other violations created in this section are punishable as first degree misdemeanors.¹⁷

Section 6 creates s. 817.0345, F.S., to make it unlawful for a person to knowingly and willfully make a materially false or misleading statement with the intent to induce another to seek treatment with a particular service provider. A violation of this section is punishable as a felony of the third degree.¹⁸

Patient Brokering

Section 817.505, F.S., is the current law that prohibits patient brokering. Substance abuse service providers, which includes out-patient treatment service providers licensed by the Department of Children and Families under ch. 397, F.S.,¹⁹ are prohibited from engaging in patient brokering. It is unlawful to:²⁰

- Offer or pay any commission, bonus, rebate, kickback, or bribe, directly or indirectly, in cash or in kind, or engage in any split-fee arrangement, in any form whatsoever, to induce the referral of patients or patronage to or from a health care provider or health care facility;
- Solicit or receive any commission, bonus, rebate, kickback, or bribe, directly or indirectly, in cash or in kind, or engage in any split-fee arrangement, in any form whatsoever, in return for referring patients or patronage to or from a health care provider or health care facility;
- Solicit or receive any commission, bonus, rebate, kickback, or bribe, directly or indirectly, in cash or in kind, or engage in any split-fee arrangement, in any form whatsoever, in return for the acceptance or acknowledgment of treatment from a health care provider or health care facility; or
- Aid, abet, advise, or otherwise participate in the conduct prohibited under any of the above.²¹

Section 7 amends s. 817.505(1), F.S., to add the term “benefit” to the list of things a person, health care provider, or health care facility may not offer, pay, solicit, or receive:

- To induce the referral of a patient or patronage to or from a health care provider or facility;
- In return for a referral of a patient or patronage to or from a health care provider or facility; or
- In return for the acceptance or acknowledgment of treatment.

¹⁷ Pursuant to the bill, the punishment is up to a \$1,000 fine or court ordered restitution. Sections 775.083 and 775.089, F.S.

¹⁸ A third degree felony is punishable by a fine of up to \$5,000, a term of imprisonment up to 5 years, or both; a habitual offender may be sentenced to a term of imprisonment of up to 10 years. Sections 775.082, 775.083, and 775.084, F.S.

¹⁹ Substance abuse service providers are included under the term “health care provider or health care facility” in s. 817.505(2)(a), F.S.

²⁰ Section 817.505(4), F.S., sets forth third degree felony penalties for patient brokering offenses.

²¹ Section 817.505(1), F.S.

Section 7 also creates the following graduated monetary penalties and new second and first degree felony offenses for violations of s. 817.505, F.S., based upon the number of patients involved in the violation:

- If fewer than 10 patients are involved, the third degree felony²² penalties apply and a new \$50,000 fine is created by the bill;
- If 10-19 patients are involved, a new second degree felony²³ and a \$100,000 fine is created; and
- If 20 or more patients are involved, a new first degree felony²⁴ and a \$500,000 fine is created by the bill.

Section 9 amends the Criminal Punishment Code to rank the above-referenced offenses as a Level 4, Level 6, and Level 8, respectively, for the purpose of assigning sentencing points.²⁵

Section 3 amends s. 397.407(11), F.S., to address the economic relationship between licensed service providers and recovery residences.²⁶

This section prohibits a service provider from referring a prospective patient to, or accepting a referral from, a recovery residence that is not in compliance with the voluntary certification program set forth in ss. 397.487 and 397.4871, F.S.²⁷

Section 8 amends s. 895.02, F.S., to add “patient brokering” to the list of crimes in the RICO statute.²⁸

Related Law Enforcement and Prosecution Challenges

Patient Records

Section 397.501(7), F.S., protects a substance abuse patient’s right to confidentiality of his or her records. The records of service providers pertaining to the identity, diagnosis, prognosis, and service provision are confidential and exempt from public records disclosure requirements.²⁹

²² Under the bill, the third degree felony is punishable by a fine of \$50,000 and a term of imprisonment up to 5 years; a habitual offender may be sentenced to a term of imprisonment of up to 10 years. Sections 775.082 and 775.084, F.S.

²³ Under the bill, the second degree felony is punishable by a fine of \$100,000 and a term of imprisonment up to 15 years; a habitual offender may be sentenced to a term of imprisonment of up to 30 years. Sections 775.082 and 775.084, F.S.

²⁴ Under the bill, the first degree felony is punishable by a fine of \$500,000 and a term of imprisonment up to 30 years; a habitual offender may be sentenced to a term of imprisonment for life. Sections 775.082 and 775.084, F.S.

²⁵ Assuming the defendant is before the court to be sentenced on one offense and assuming the defendant has no criminal history, the lowest permissible sentence for a Level 4 crime is probation or community control; for a Level 6 crime is probation or community control; and for a Level 8 crime is 34.5 months in prison. (Sentencing scoresheets computed by Criminal Justice Committee staff based upon s. 921.0024, F.S.).

²⁶ According to the Grand Jury Report, there is a “strong economic motive to promote a cycle of unnecessary treatment and/or relapse.” The Grand Jury heard testimony from “countless patients who have fallen prey to this cycle of dependence and its devastating impacts on recovery. It is not uncommon for a person to be in this cycle of treatment/relapse for years.” Grand Jury Report, at page 20.

²⁷ See footnote 9.

²⁸ Sections 895.01-895.06, F.S., make up the Racketeer Influenced and Corrupt Organization (RICO) Act. Prosecution under the RICO Act may result in higher criminal penalties.

²⁹ Section 119.07(1) and s. 24(a), Art. 1 of the State Constitution.

Section 397.501(7)(a)5., F.S., provides for “appropriate” disclosure without a patient’s consent “[u]pon court order based on application showing good cause for disclosure. In determining whether there is good cause for disclosure, the court shall examine whether the public interest and the need for disclosure outweigh the potential injury to the individual, to the service provider and the individual, and to the service provider itself.”

Section 397.501(7)(h), F.S., requires that “[t]he individual and the person holding the records from whom disclosure is sought must be given adequate notice in a manner which will not disclose identifying information to other persons, and an opportunity to file a written response to the application, or to appear in person, for the limited purpose of providing evidence on the statutory and regulatory criteria for the issuance of the court order.”

It is the requirement of “adequate notice...and an opportunity to file a written response to the application” for the court order that has proven somewhat problematic for law enforcement investigators.³⁰

Section 4 creates s. 397.501(7)(h)2., F.S., to adopt the federal standard for patient notice.³¹ Federal case law interpreting the federal code reinforces the plain-reading of the code, that notice can be delayed until the order has been “implemented.”³²

Office of the Statewide Prosecutor

Section 1 amends s. 16.56, F.S., to expand the jurisdiction of the Statewide Prosecutor to extend to the investigation and prosecution of patient brokering. This should aid local law enforcement and prosecutors because the Statewide Prosecutor has the ability to seamlessly move from one local jurisdiction to another in a large-scale, jurisdiction-crossing investigation.

Substance Abuse Service Provider Personnel

As provided in ch. 397, F.S., the substance abuse services chapter, “service provider personnel” or “personnel” includes all owners, directors, chief financial officers, staff, and volunteers, including foster parents, of a service provider.³³

Section 397.321(13), F.S., currently requires the DCF to ensure that service provider personnel have background checks as required in ch. 397, F.S., and meet the minimum standards.

Section 397.451, F.S., lists the persons who must have a background check, including:

- All owners, directors, and chief financial officers of service providers; and
- All service provider personnel who have direct contact with children receiving services or with adults who are developmentally disabled receiving services.

³⁰ Grand Jury Report, at pages 31-32.

³¹ 42 C.F.R. 2.66 provides that “upon implementation” of the court order, the patient and other parties must be given an opportunity to seek revocation or amendment of the order “limited to the presentation of evidence on the statutory and regulatory criteria for the issuance of the court order.”

³² *U.S. v. Shinderman*, 515 F.3d 5 (1st Cir., 2008).

³³ Section 397.311(43), F.S.

However, service providers that are exempt from licensing provisions of ch. 397, F.S., are exempt from personnel fingerprinting and background check requirements, except as otherwise provided in s. 397.451, F.S.

Section 2 amends s. 397.321, F.S., to require the DCF to ensure that substance abuse service provider personnel who provide direct clinical treatment services are certified through a DCF-recognized certification process. Licensed physicians, physician assistants, advanced registered nurse practitioners, psychologists, mental health counselors, and others are exempted from this requirement.

Section 10 appropriates \$194,120 in recurring funds from the Operating Trust Fund in the Department of Legal Affairs, for two assistant statewide prosecutors to assist in the prosecution of fraudulent patient brokering.

The bill becomes effective on July 1, 2017.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

CS/CS/SB 788 creates new felony offenses and increases potential prison sentences within existing offenses. The Criminal Justice Impact Conference met on March 29, 2017 and determined the bill will increase the state prison population by an insignificant amount.

The Office of the Statewide Prosecutor indicates that the bill could increase the workload for the office and would result in the need for two additional prosecutors.³⁴ The bill appropriates \$194,120 in recurring funds from the Operating Trust Fund in the Department of Legal Affairs, for two assistant statewide prosecutors to assist in the prosecution of fraudulent patient brokering.

According to the Department of Children and Families, this bill will have no fiscal impact on the department.³⁵

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 16.56, 397.321, 397.407, 397.501, 817.505, 895.02, and 921.0022.

This bill creates the following sections of the Florida Statutes: 397.488 and 817.0345.

IX. Additional Information:

A. Committee Substitute – Statement of Substantial Changes:

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS/CS by Appropriations on April 5, 2017:

This committee substitute appropriates \$194,120 in recurring funds from the Operating Trust Fund in the Department of Legal Affairs, for two assistant statewide prosecutors to assist in the prosecution of fraudulent patient brokering.

CS by Criminal Justice on March 6, 2017:

The CS:

- Amended s. 397.321, F.S., in a new Section 2 of the bill, to require the Department of Children and Families to ensure that substance abuse service provider personnel who provide direct clinical treatment services are certified through a DCF-recognized certification process.
- Amended Section 3 of the bill to clarify that the bill does not require a recovery residence to refer any patient to a licensed service provider.
- Amended Section 4 of the bill to make technical changes putting the new statutory language in s. 397.488, F.S., clarifying what information must be given to prospective

³⁴ E-mail dated March 3, 2017, from Office of the Attorney General staff to Criminal Justice Committee staff, on file with Criminal Justice Committee staff.

³⁵ E-mail dated March 30, 2017, from Department of Children and Families staff to Appropriation Subcommittee on Civil and Criminal Justice staff, on file with Appropriation Subcommittee on Civil and Criminal Justice staff.

patients, and removing the requirement that the Department of Business and Professional Regulation license the marketing entities addressed in the bill.

- Made technical changes removing “s. 775.083,” F.S., a reference to potential fines a person may be sentenced to pay, because the fines are specifically set forth in Section 6 of the bill.
- Amended the Criminal Punishment Code ranking chart found in s. 921.0022, F.S., in Section 9 of the bill.

B. Amendments:

None.

46
 47 Be It Enacted by the Legislature of the State of Florida:
 48

49 Section 1. Paragraph (a) of subsection (1) of section
 50 16.56, Florida Statutes, is amended to read:

51 16.56 Office of Statewide Prosecution.—

52 (1) There is created in the Department of Legal Affairs an
 53 Office of Statewide Prosecution. The office shall be a separate
 54 "budget entity" as that term is defined in chapter 216. The
 55 office may:

56 (a) Investigate and prosecute the offenses of:

57 1. Bribery, burglary, criminal usury, extortion, gambling,
 58 kidnapping, larceny, murder, prostitution, perjury, robbery,

Page 2 of 54

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02128-17 2017788c1

59 carjacking, ~~and~~ home-invasion robbery, and patient brokering;

60 2. Any crime involving narcotic or other dangerous drugs;

61 3. Any violation of the Florida RICO (Racketeer Influenced

62 and Corrupt Organization) Act, including any offense listed in

63 the definition of racketeering activity in s. 895.02(8) (a),

64 providing such listed offense is investigated in connection with

65 a violation of s. 895.03 and is charged in a separate count of

66 an information or indictment containing a count charging a

67 violation of s. 895.03, the prosecution of which listed offense

68 may continue independently if the prosecution of the violation

69 of s. 895.03 is terminated for any reason;

70 4. Any violation of the Florida Anti-Fencing Act;

71 5. Any violation of the Florida Antitrust Act of 1980, as

72 amended;

73 6. Any crime involving, or resulting in, fraud or deceit

74 upon any person;

75 7. Any violation of s. 847.0135, relating to computer

76 pornography and child exploitation prevention, or any offense

77 related to a violation of s. 847.0135 or any violation of

78 chapter 827 where the crime is facilitated by or connected to

79 the use of the Internet or any device capable of electronic data

80 storage or transmission;

81 8. Any violation of chapter 815;

82 9. Any criminal violation of part I of chapter 499;

83 10. Any violation of the Florida Motor Fuel Tax Relief Act

84 of 2004;

85 11. Any criminal violation of s. 409.920 or s. 409.9201;

86 12. Any crime involving voter registration, voting, or

87 candidate or issue petition activities;

591-02128-17 2017788c1

88 13. Any criminal violation of the Florida Money Laundering

89 Act;

90 14. Any criminal violation of the Florida Securities and

91 Investor Protection Act; or

92 15. Any violation of chapter 787, as well as any and all

93 offenses related to a violation of chapter 787;

94

95 or any attempt, solicitation, or conspiracy to commit any of the

96 crimes specifically enumerated above. The office shall have such

97 power only when any such offense is occurring, or has occurred,

98 in two or more judicial circuits as part of a related

99 transaction, or when any such offense is connected with an

100 organized criminal conspiracy affecting two or more judicial

101 circuits. Informations or indictments charging such offenses

102 shall contain general allegations stating the judicial circuits

103 and counties in which crimes are alleged to have occurred or the

104 judicial circuits and counties in which crimes affecting such

105 circuits or counties are alleged to have been connected with an

106 organized criminal conspiracy.

107 Section 2. Subsection (21) of section 397.321, Florida

108 Statutes, is added to read:

109 397.321 Duties of the department.—The department shall:

110 (21) Ensure that substance abuse service provider personnel

111 who provide direct clinical treatment services as defined in s.

112 397.311(25) (a) are certified through a department-recognized

113 certification process. A physician or a physician assistant

114 licensed under chapter 458 or chapter 459; a professional

115 licensed under chapter 490 or chapter 491; or an advanced

116 registered nurse practitioner licensed under part I of chapter

591-02128-17

2017788c1

117 464 is exempt from the requirements of this subsection.
 118 Section 3. Subsection (11) of section 397.407, Florida
 119 Statutes, is amended to read:
 120 397.407 Licensure process; fees.-
 121 (11) Effective July 1, ~~2017~~ 2016, a service provider
 122 licensed under this part may not refer a prospective, current,
 123 or discharged patient to, or accept a referral from, a recovery
 124 residence unless the recovery residence holds a valid
 125 certificate of compliance as provided in s. 397.487 and is
 126 actively managed by a certified recovery residence administrator
 127 as provided in s. 397.4871 ~~or the recovery residence is owned~~
 128 ~~and operated by a licensed service provider or a licensed~~
 129 ~~service provider's wholly owned subsidiary.~~ For purposes of this
 130 subsection, the term "refer" means to inform a patient by any
 131 means about the name, address, or other details of the recovery
 132 residence. However, this subsection does not require a licensed
 133 service provider to refer any patient to a recovery residence.
 134 This subsection does not require a recovery residence to refer
 135 any patient to a licensed service provider. This subsection does
 136 not prohibit a referral by a recovery residence to a licensed
 137 service provider when the recovery residence, including its
 138 owners, operators, and employees, do not benefit, directly or
 139 indirectly, from the referral, and does not apply to a licensed
 140 service provider under contract with a managing entity as
 141 defined in s. 394.9082.
 142 Section 4. Paragraphs (g) and (h) of subsection (7) of
 143 section 397.501, Florida Statutes, are amended to read:
 144 397.501 Rights of individuals.-Individuals receiving
 145 substance abuse services from any service provider are

Page 5 of 54

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

591-02128-17

2017788c1

146 guaranteed protection of the rights specified in this section,
 147 unless otherwise expressly provided, and service providers must
 148 ensure the protection of such rights.
 149 (7) RIGHT TO CONFIDENTIALITY OF INDIVIDUAL RECORDS.-
 150 (g) An order authorizing the disclosure of an individual's
 151 records may be applied for by any person having a legally
 152 recognized interest in the disclosure which is sought. The
 153 application may be filed alone separately or as part of a
 154 pending civil action or an active criminal investigation in
 155 which it appears that the individual's records are needed to
 156 provide evidence. An application must use a fictitious name,
 157 such as John Doe or Jane Doe, to refer to any individual and may
 158 not contain or otherwise disclose any identifying information
 159 unless the individual is the applicant or has given a written
 160 consent to disclosure or the court has ordered the record of the
 161 proceeding sealed from public scrutiny.
 162 (h) 1. For applications filed alone or as part of a pending
 163 civil action, the individual and the person holding the records
 164 from whom disclosure is sought must be given adequate notice in
 165 a manner which will not disclose identifying information to
 166 other persons, and an opportunity to file a written response to
 167 the application, or to appear in person, for the limited purpose
 168 of providing evidence on the statutory and regulatory criteria
 169 for the issuance of the court order.
 170 2. Applications filed as part of an active criminal
 171 investigation may, in the discretion of the court, be granted
 172 without notice. Although no express notice is required to the
 173 agents, owners, and employees of the treatment provider or to
 174 any patient whose records are to be disclosed, upon

175 implementation of an order so granted, any of these persons must
 176 be afforded an opportunity to seek revocation or amendment of
 177 the order, limited to the presentation of evidence on the
 178 statutory and regulatory criteria for the issuance of the order.

179 Section 5. Section 397.488, Florida Statutes, is created to
 180 read:

181 397.488 Prohibition of deceptive marketing practices.—

182 (1) The Legislature recognizes that consumers of substance
 183 abuse treatment have disabling conditions and that such
 184 consumers and their families are vulnerable and at risk of being
 185 easily victimized by fraudulent marketing practices that
 186 adversely impact the delivery of health care. To protect the
 187 health, safety, and welfare of this vulnerable population, a
 188 service provider, an operator of a recovery residence, or a
 189 third party who provides any form of advertising or marketing
 190 services to a service provider or an operator of a recovery
 191 residence may not engage in any of the following marketing
 192 practices:

193 (a) Making a false or misleading statement or providing
 194 false or misleading information about the provider's or
 195 operator's or third party's products, goods, services, or
 196 geographical locations in its marketing, advertising materials,
 197 or media or on its website.

198 (b) Including on its website false information, electronic
 199 links, or coding or activation that provides false information
 200 or that surreptitiously directs the reader to another website.

201 (c) Soliciting, receiving, or making an attempt to solicit
 202 or receive a commission, benefit, bonus, rebate, kickback, or
 203 bribe, directly or indirectly, in cash or in kind, or engaging

591-02128-17 2017788c1

204 or making an attempt to engage in a split-fee arrangement in
 205 return for a referral or an acceptance or acknowledgment of
 206 treatment from a service provider or recovery residence.

207 (d) Entering into a contract with a marketing provider who
 208 agrees to generate referrals or leads for the placement of
 209 patients with a service provider or in a recovery residence
 210 through a call center or a web-based presence, unless the
 211 service provider or the operator of the recovery residence
 212 discloses the following to the prospective patient so that the
 213 patient can make an informed health care decision:

214 1. Information about the specific licensed service
 215 providers or recovery residences that are represented by the
 216 marketing provider and pay a fee to the marketing provider,
 217 including the identity of such service providers or recovery
 218 residences; and

219 2. Clear and concise instructions that allow the
 220 prospective patient to easily access lists of licensed service
 221 providers and recovery residences on the department website.

222 (2) In addition to any other punishment authorized by law,
 223 a person or entity that knowingly and willfully violates
 224 paragraph (1) (a), paragraph (1) (b), or paragraph (1) (d) commits
 225 a misdemeanor of the first degree, punishable as provided in s.
 226 775.083 or s. 775.089. A violation of paragraph (1) (c) is a
 227 violation of the prohibition on patient brokering and may
 228 subject the party committing the violation to criminal penalties
 229 under s. 817.505.

230 Section 6. Section 817.0345, Florida Statutes, is created
 231 to read:

232 817.0345 Prohibition of fraudulent marketing practices.—It

591-02128-17 2017788c1
 233 is unlawful for any person to knowingly and willfully make a
 234 materially false or misleading statement or provide false or
 235 misleading information about the identity, products, goods,
 236 services, or geographical location of a licensed service
 237 provider, as defined in chapter 397, in marketing, advertising
 238 materials, or other media or on a website with the intent to
 239 induce another person to seek treatment with that service
 240 provider. A person who violates this section commits a felony of
 241 the third degree, punishable as provided in s. 775.082, s.
 242 775.083, or s. 775.084.

Section 7. Subsections (1) and (4) of section 817.505,
 Florida Statutes, are amended to read:

817.505 Patient brokering prohibited; exceptions;
 penalties.-

(1) It is unlawful for any person, including any health
 care provider or health care facility, to:

(a) Offer or pay a any commission, benefit, bonus, rebate,
 kickback, or bribe, directly or indirectly, in cash or in kind,
 or engage in any split-fee arrangement, in any form whatsoever,
 to induce the referral of a patient ~~patients~~ or patronage to or
 from a health care provider or health care facility;

(b) Solicit or receive a any commission, benefit, bonus,
 rebate, kickback, or bribe, directly or indirectly, in cash or
 in kind, or engage in any split-fee arrangement, in any form
 whatsoever, in return for referring a patient ~~patients~~ or
 patronage to or from a health care provider or health care
 facility;

(c) Solicit or receive a any commission, benefit, bonus,
 rebate, kickback, or bribe, directly or indirectly, in cash or

591-02128-17 2017788c1
 262 in kind, or engage in any split-fee arrangement, in any form
 263 whatsoever, in return for the acceptance or acknowledgment of
 264 treatment from a health care provider or health care facility;
 265 or

(d) Aid, abet, advise, or otherwise participate in the
 conduct prohibited under paragraph (a), paragraph (b), or
 paragraph (c).

(4)(a) Any person, including an officer, partner, agent,
 attorney, or other representative of a firm, joint venture,
 partnership, business trust, syndicate, corporation, or other
 business entity, who violates any provision of this section
 commits a felony of the third degree, punishable as provided in
 s. 775.082, ~~s. 775.083~~, or s. 775.084, and a fine of \$50,000.

(b) Any person, including an officer, partner, agent,
 attorney, or other representative of a firm, joint venture,
 partnership, business trust, syndicate, corporation, or other
 business entity, who violates any provision of this section,
 where the prohibited conduct involves 10 or more patients but
 fewer than 20 patients, commits a felony of the second degree,
 punishable as provided in s. 775.082 or s. 775.084, and a fine
 of \$100,000.

(c) Any person, including an officer, partner, agent,
 attorney, or other representative of a firm, joint venture,
 partnership, business trust, syndicate, corporation, or other
 business entity, who violates any provision of this section,
 where the prohibited conduct involves 20 or more patients,
 commits a felony of the first degree, punishable as provided in
 s. 775.082 or s. 775.084, and a fine of \$500,000.

Section 8. Paragraph (a) of subsection (8) of section

591-02128-17 2017788c1

291 895.02, Florida Statutes, is amended to read:
 292 895.02 Definitions.—As used in ss. 895.01-895.08, the term:
 293 (8) "Racketeering activity" means to commit, to attempt to
 294 commit, to conspire to commit, or to solicit, coerce, or
 295 intimidate another person to commit:
 296 (a) Any crime that is chargeable by petition, indictment,
 297 or information under the following provisions of the Florida
 298 Statutes:
 299 1. Section 210.18, relating to evasion of payment of
 300 cigarette taxes.
 301 2. Section 316.1935, relating to fleeing or attempting to
 302 elude a law enforcement officer and aggravated fleeing or
 303 eluding.
 304 3. Section 403.727(3)(b), relating to environmental
 305 control.
 306 4. Section 409.920 or s. 409.9201, relating to Medicaid
 307 fraud.
 308 5. Section 414.39, relating to public assistance fraud.
 309 6. Section 440.105 or s. 440.106, relating to workers'
 310 compensation.
 311 7. Section 443.071(4), relating to creation of a fictitious
 312 employer scheme to commit reemployment assistance fraud.
 313 8. Section 465.0161, relating to distribution of medicinal
 314 drugs without a permit as an Internet pharmacy.
 315 9. Section 499.0051, relating to crimes involving
 316 contraband, adulterated, or misbranded drugs.
 317 10. Part IV of chapter 501, relating to telemarketing.
 318 11. Chapter 517, relating to sale of securities and
 319 investor protection.

THE FLORIDA SENATE

Tallahassee, Florida 32399-1100

COMMITTEES:

Community Affairs, *Vice Chair*
Appropriations Subcommittee on Criminal and
Civil Justice
Appropriations Subcommittee on Higher Education
Communications, Energy, and Public Utilities
Criminal Justice

JOINT COMMITTEE:

Joint Committee on Public Counsel Oversight

SENATOR JEFF CLEMENS

Democratic Whip
31st District

March 21, 2017

Senator Jack Latvala, Chair
Senate Committee on Appropriations
201 The Capitol
404 S. Monroe Street
Tallahassee, FL 32399-1100

Chair Latvala:

I respectfully request that SB 788 – Marketing Practices for Substance Abuse Services be added to the agenda for the next Senate Committee on Appropriations meeting.

SB 788 will ensure that treatment and recovery support for individuals impaired by substance disorders are offered in an ethical and professional manner, including the use of ethical marketing practices, to ensure the protection of this vulnerable population. The legislation prohibits certain marketing practices, provides criminal penalties for violations of those prohibitions, and is the product of the Sober Homes task force and Grand Jury recommendations convened at the request of the Legislature.

Please feel free to contact me with any questions. Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Clemens".

Senator Jeff Clemens
Florida Senate District 31

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 1170 revises provisions relating to the Florida Security for Public Deposits Act (act). The bill expands the definition of “qualified public depository” (QPD), to allow credit unions to become eligible for the designation as a QPD by the Chief Financial Officer (CFO),¹ contingent upon meeting all of the requirements under the act. Pursuant to the act, state and local governments may deposit public funds in excess of those required to meet disbursement needs or expenses in a qualified public depository.

The bill provides criteria for the CFO to designate a credit union as a QPD. A credit union is required to submit its agreement of contingent liability and its collateral agreement to the CFO and meet the following requirements:

- The credit union must submit a signed statement from a public official of a state or local government indicating that, if the credit union is designated as QPD, the public official intends to deposit more than \$250,000 of public funds with the credit union.
- At least four other credit unions must have each submitted an agreement of contingent liability, a collateral agreement, and a signed statement from a public official of his or her intent to deposit more than \$250,000 of public funds with the credit union.

¹ The CFO is the head of the Department of Financial Services pursuant to s. 20.121(1), F.S. The Division of Treasury of the department is responsible for administering the Florida Security for Public Deposits Act.

The bill requires the CFO to withdraw from a collateral agreement previously entered into with a credit union if fewer than five credit unions are designated as QPDs during any period of 90 calendar days or longer. Within ten days after the CFO's notification of such withdrawal, the QPD must return all public deposits that the credit union holds to the public official who deposited the funds. The CFO is authorized to limit the amount of public deposits any one credit union may hold in order to ensure that no single credit union holds an amount of public deposits, which may adversely affect the integrity of the program.

The bill requires credit unions to have a separate contingent liability from banks, savings banks, and savings associations. Any credit union that is designated as a QPD and that is not insolvent would be required to guarantee public depositors against loss caused by the default or insolvency of other credit union QPDs. The bill requires the CFO to segregate and separately account for money in the Public Deposit Trust Fund (e.g., collateral proceeds, assessments, or administrative penalties) attributable to any bank, savings bank, or savings association from money attributable to credit unions.

The Department of Financial Services (DFS) has indicated the implementation of the bill will cost \$267,349 in its first year, with \$148,866 of recurring costs in subsequent years.² The DFS indicates significant programming changes will be required for the Collateral Administration Program (CAP).³ The DFS estimates the cost of programming changes to CAP will be \$188,650. In addition, the DFS recommends authorization for a new position (Financial Examiner/Analyst II) at an estimated cost of \$71,893 annually.

The bill has an effective date of July 1, 2018.

II. Present Situation:

State and local governments are authorized to deposit public funds in excess of those required to meet disbursement needs or expenses in a qualified public depository⁴ pursuant to the Florida Security for Public Deposits Act (act).⁵ For purposes of the act, the term, qualified public depository, means any bank, savings bank, or savings association that has deposit insurance pursuant to the Federal Deposit Insurance Act⁶ and meets other requirements.⁷ The act delineates the powers and duties of the CFO, and the requirements for QPDs and public depositors to participate in the public deposits program.⁸ Under current law, the statutory definition of a QPD excludes a credit union; therefore, credit unions are not eligible to serve as a QPD in Florida.

² Department of Financial Services, *Bill Analysis of SB 1170* (March 7, 2017) (on file with Appropriations Subcommittee on General Government).

³ The Collateral Administration Program is an application that administers Florida's public deposits programs and includes account data, monthly and annual report data, collateral data, and provides accurate administration of any claims or loss from Florida depositors and potential assessments to QPDs to cover public depositor losses.

⁴ Section 280.02(26). A list of active QPDs is available at <http://www.myfloridacfo.com/division/treasury/collateralmanagement/documents/ListofActiveQPDs.pdf> (last viewed March 12, 2017).

⁵ Chapter 280, F.S.

⁶ 12 U.S.C. ss. 1181 et. seq.

⁷ Rule 69C-2.005, F.A.C.

⁸ A public depositor, as defined in s. 280.02(24), F.S., is the official custodian of funds for a governmental unit who is responsible for handling public deposits. See s. 280.17, F.S. for the requirements of public depositors.

The law provides that public deposits be made in a QPD unless exempted by law.⁹ Each QPD is required to pledge collateral¹⁰ at a level commensurate with the amount of public deposits¹¹ held as a measure of its financial stability, as determined by the CFO.¹² Florida's QPD program has four standard collateral pledging levels of 25, 50, 110, and 150 percent. The determination of a QPD's collateral pledge level involves consideration of a QPD's average financial condition ranking from two nationally recognized financial rating services as well as consideration of financial ratios, trends, and other pertinent information.¹³ The QPDs with higher rankings and stronger financial condition will be eligible for the 50 and 25 percent collateral pledge levels, which is an advantage that helps in the areas of liquidity and asset management. A QPD may use cash, U.S. Treasury securities, U.S. agency securities, investment grade municipal and corporate bonds, as well as Federal Home Loan Bank letters of credit as collateral in Florida's public deposits program.¹⁴

The act contains numerous provisions to protect public depositors from losses caused by the default or insolvency of a qualified public depository.¹⁵ For example, each financial institution that is designated as a QPD, and that is not insolvent, is required to guarantee public depositors against loss caused by the default or insolvency of other qualified public depositories. Each QPD is required to execute a form prescribed by the CFO for such guarantee.¹⁶ The board of directors must approve the guarantee, and the guarantee become an official record of the institution.

The CFO may demand payment under a letter of credit or direct a custodian to deposit or transfer collateral and proceeds of securities not previously credited upon the occurrence of one or more triggering events.¹⁷ The CFO may suspend or disqualify a QPD. When the CFO determines that a default or insolvency of a QPD has occurred, the CFO must first satisfy losses to the public depositors through any applicable deposit insurance, and then through demanding payment under letters of credit or the sale of collateral pledged or deposited by the defaulting depository. If that is insufficient, the CFO provides coverage by imposing assessments against the other QPDs.¹⁸

⁹ Section 280.03(1)(b), F.S.

¹⁰ Section 280.13, F.S. See also Rule 69C-2.007, F.A.C.

¹¹ Section 280.02(23), F.S., defines the term, "public deposit," as the moneys of the state or of any state university, county, school district, community college, special district, metropolitan governments, or municipality, including agencies, boards, bureaus, commissions, and institutions of any of the foregoing, or of any court, and includes the moneys of all county officers, including constitutional officers, which are placed on deposit in a bank, savings bank, or saving association and for which the bank, savings bank, or savings association.

¹² Section 280.04, F.S. See also Rule 69C-2.024, F.A.C.

¹³ The average financial condition ranking is based on a scale of 0-100. See Rule 69C-2.024, F.A.C. If a QPD has an average financial condition ranking of 20 or more, it is eligible to join the program. If the score is 0-15, the QPD must withdraw or meet specified corrective actions.

¹⁴ Section 280.13, F.S.

¹⁵ Section 280.05, F.S.

¹⁶ Section 280.07, F.S.

¹⁷ Section 280.041(6), F.S. Examples of triggering events include those instances in which the CFO determines that an immediate danger to the public health, safety, or welfare exists; the QPD defaults or becomes insolvent; the QPD fails to pay an administrative penalty; the QPD fails to meet financial condition standards; and the QPD pledges, deposits, or has issued insufficient or unacceptable collateral to meet required collateral within the required time. [Section 280.041(6), F.S.]

¹⁸ Section 280.08, F.S.

Regulation of Credit Unions

Chapter 657, F.S., is the Florida Credit Union Act (act), which authorizes the Office of Financial Regulation to regulate state-chartered credit unions. Chapter 657, F.S., provides that the purpose of a credit union¹⁹ is to encourage thrift among its members, create sources of credit at fair and reasonable rates of interest, and provide an opportunity for its members to use and control their resources on a democratic basis in order to improve their economic and social condition.

The National Credit Union Administration (NCUA) regulates, charters, and insures the nation's federal credit unions. In addition, NCUA insures state-chartered credit unions that desire and qualify for federal insurance. The National Credit Union Share Insurance Fund (NCUSIF) insures deposits in a credit union. Established by Congress in 1970 to insure member share accounts at federally insured credit unions, the NCUSIF is managed by the NCUA. The standard maximum share insurance amount is also \$250,000.²⁰

Credit unions are not-for-profit organizations that exist to serve their members.²¹ As part of the findings of the Credit Union Membership Act, Congress found that “credit unions, unlike many other participants in the financial services market, are exempt from federal and most state taxes because they are member-owned, democratically operated, not-for-profit organizations generally managed by volunteer boards of directors and because they have the specified mission of meeting the credit and savings needs of consumers, especially persons of modest means.”²²

III. Effect of Proposed Changes:

Section 1 amends s. 280.02, F.S., to revise definitions. The definition of the term “capital account” or “tangible equity capital” is expanded to include net worth, as defined in the NCUA 5300 Call Report. The term “pool figure” is expanded to include total average monthly balance of public deposits held by all banks, savings banks, or savings associations, or held, separately for all credit unions. The definition of the term, “qualified public depository,” is expanded to include credit unions. This change allows credit unions to become QPDs and hold deposits of state and local governmental units. Under this section, banks, credit unions, savings banks, or savings association must be insured by the Federal Deposit Insurance Corporation or the National Credit Union Share Insurance Fund. The section also provides technical, conforming changes.

Section 2 creates s. 280.042, F.S., to provide criteria for the CFO to designate a credit union as a QPD. These provisions are designed to protect public deposits. The credit union is required to submit its agreement of contingent liability and its collateral agreement to the CFO and meet the following requirements:

- The credit union must submit a signed statement from a public official of a state or local government indicating that, if the credit union is designated as QPD, the public official intends to deposit more than \$250,000 of public funds with the credit union.

¹⁹ Section 657.003, F.S.

²⁰ For Information about Share Insurance Fund, see <https://www.ncua.gov/services/Pages/share-insurance.aspx> (last viewed March 12, 2017).

²¹ See <https://www.mycreditunion.gov/about-credit-unions/Pages/How-is-a-Credit-Union-Different-than-a-Bank.aspx> (last viewed March 14, 2017).

²² Pub. L. No. 105-219.

- At least four other credit unions must have each submitted an agreement of contingent liability, a collateral agreement, and a signed statement from a public official of his or her intent to deposit more than \$250,000 of public funds with the credit union.

The section also requires the CFO to withdraw from a collateral agreement previously entered into with a credit union if fewer than five credit unions are designated as QPDs during any period of 90 calendar days or longer. As a result, such a credit union loses its designation as a QPD, and must within ten days after the CFO's notification of such withdrawal, return all public deposits that the credit union holds to the public official who deposited the funds.

Lastly, the section authorizes the CFO to limit the amount of public deposits any one credit union may hold in order to ensure that no single credit union holds an amount of public deposits, which may adversely affect the integrity of the program.

Sections 3 and 4 amend ss. 280.07 and 280.08, F.S., respectively, to require any savings bank that is designated as a QPD and that is not insolvent to guarantee public depositors against loss caused by the default or insolvency of other credit unions designated as QPDs. These sections create separate mutual responsibility and contingent liability provisions for credit unions. Banks, savings banks, and savings associations are subject to a separate mutual responsibility and contingent liability provision.

In the event of a default or insolvency of a credit union QPD, any loss to public depositors will be satisfied through any applicable share insurance and then through demanding payment under letters of credit or the sale of collateral pledged or deposited by the defaulting depository. The CFO may assess QPDs subject to the segregation of contingent liability provided in s. 280.07, F.S., for the total loss if the demand for payment or sale of collateral cannot be accomplished within seven business days.

Section 5 amends s. 280.09, F.S., relating to the Public Deposits Trust Fund (fund) to require the CFO to segregate and separately account for any collateral proceeds, assessments, or administrative penalties attributable to a credit union from any collateral proceeds, assessments, or administrative penalties attributable to any bank, savings bank, or savings association. The CFO is authorized to pay any losses to public depositors from the fund subject to these limitations.

Sections 6-14 amend ss. 280.03(3)(a), 280.05, 280.52(1), 280.053(1)(c) and (2)(c), 280.055, 280.085, 280.10, 280.13, and 280.17(4)(b), F.S., respectively, to provide technical conforming changes to allow credit unions to participate as QPDs and subject to oversight by the public deposit program under the CFO.

Sections 15-32 reenact ss. 17.57(7)(a), 125.901(3)(e), 136.01, 159.609(11), 175.301, 175.401(8), 185.30, 185.50(8), 190.007(3), 191.006(16), 215.34(2), 218.415(16)(a) and (23)(a), 255.502(4)(h), 331.309(1) and (2), 373.553(2), 631.221 and 723.06115(3)(c), F.S., respectively, to incorporate amendments to ch. 280, F.S.

Section 33 provides this act takes effective July 1, 2018.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

Under CS/SB 1170, a credit union that becomes a QPD and accepts public deposits may generate additional income associated with the public deposits program. The expansion of eligible QPDs may provide additional options for state and local governments. It is unclear what the impact of the bill will be on the existing QPDs (banks, savings banks, or savings associations).

C. Government Sector Impact:

The DFS provided the following analysis²³ regarding the fiscal impact of the bill, which takes effect July 1, 2018:

²³ Department of Financial Services, *Analysis of Senate Bill 1170* (March 9, 2017) (on file with Senate Committee on Banking and Insurance).

	FY 2018-19
Recurring Expenditures	
Financial ranking services to determine financial condition of credit unions.	\$5,728
Financial Examiner/Analyst II and annual expenses	\$62,388 \$10,583
Total Recurring Expenditures	\$78,699
Non-Recurring Expenditures	\$188,650
Modifications to the Collateral Administration program, the system used for account management, financial analysis, and collateral administration, to accommodate the addition of credit unions.	
Total Recurring & Non-Recurring Funds	\$267,349

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 280.02, 280.07, 280.03, 280.05, 280.052, 280.053, 280.055, 280.08, 280.085, 280.09, 280.10, 280.13, 280.17, 17.57, 24.114, 125.901, 136.01, 159.608, 175.301, 175.401, 185.30, 185.50, 190.007, 191.006, 215.34, 218.415, 255.502, 331.309, 373.553, 631.221, and 723.06115.

The bill creates section 280.042 of the Florida Statutes.

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Banking and Insurance on March 14, 2017:

The CS establishes minimum requirements for credit unions to be designated as QPDs by the CFO and to maintain their designation. The bill provides the CFO with additional authority designed to protect public deposits held by credit union QPDs. The CFO is required to withdraw a previous collateral agreement previously entered into with a credit union if fewer than five credit unions are designated as QPDs during any period of 90 calendar days or longer. The CFO is authorized to limit the amount of public deposits of any one credit union may hold in order to ensure that no single credit union holds an amount of public deposits, which may adversely affect the integrity of the program.

The bill requires the CFO to segregate and separately account for any money of the Public Deposit Trust Fund attributable to a credit union from any money attributable to any bank, savings bank, or savings association.

B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill's introducer or the Florida Senate.

597-02424-17

20171170c1

59 Be It Enacted by the Legislature of the State of Florida:

60 Section 1. Subsections (6), (10), (21), (23), and (26) of
61 section 280.02, Florida Statutes, are amended to read:

62 280.02 Definitions.—As used in this chapter, the term:

63 (6) "Capital account" or "tangible equity capital" means
64 total equity capital, as defined on the balance-sheet portion of
65 the Consolidated Reports of Condition and Income (call report);
66 or net worth, as defined in the National Credit Union
67 Administration 5300 Call Report; less intangible assets, as
68 submitted to the regulatory financial banking authority.

69 (10) "Custodian" means the Chief Financial Officer or a
70 bank, credit union, savings association, or trust company that:

71 (a) Is organized and existing under the laws of this state,
72 any other state, or the United States;

73 (b) Has executed all forms required under this chapter or
74 any rule adopted hereunder;

75 (c) Agrees to be subject to the jurisdiction of the courts
76 of this state, or of the courts of the United States which are
77 located within this state, for the purpose of any litigation
78 arising out of this chapter; and

79 (d) Has been approved by the Chief Financial Officer to act
80 as a custodian.

81 (21) "Pool figure" means the total average monthly balances
82 of public deposits held by all banks, savings banks, or savings
83 associations, or held separately for all credit unions,
84 ~~qualified public depositories~~ during the immediately preceding
85 12-month period.

86 (23) "Public deposit" means the moneys of the state or of
87

597-02424-17

20171170c1

88 any state university, county, school district, community college
89 district, special district, metropolitan government, or
90 municipality, including agencies, boards, bureaus, commissions,
91 and institutions of any of the foregoing, or of any court, and
92 includes the moneys of all county officers, including
93 constitutional officers, which are placed on deposit in a bank,
94 credit union, savings bank, or savings association. This
95 includes, but is not limited to, time deposit accounts, demand
96 deposit accounts, and nonnegotiable certificates of deposit.
97 Moneys in deposit notes and in other nondeposit accounts such as
98 repurchase or reverse repurchase operations are not public
99 deposits. Securities, mutual funds, and similar types of
100 investments are not public deposits and are not subject to this
101 chapter.

102 (26) "Qualified public depository" means a bank, credit
103 union, savings bank, or savings association that:

104 (a) Is organized and exists under the laws of the United
105 States or the laws of this state or any other state or territory
106 of the United States.

107 (b) Has its principal place of business in this state or
108 has a branch office in this state which is authorized under the
109 laws of this state or of the United States to receive deposits
110 in this state.

111 (c) Is insured by the Federal Deposit Insurance Corporation
112 or the National Credit Union Share Insurance Fund ~~Has deposit~~
113 ~~insurance pursuant to the Federal Deposit Insurance Act, as~~
114 ~~amended, 12 U.S.C. ss. 1811 et seq.~~

115 (d) Has procedures and practices for accurate
116 identification, classification, reporting, and collateralization

597-02424-17 20171170c1

117 of public deposits.

118 (e) Meets all the requirements of this chapter.

119 (f) Has been designated by the Chief Financial Officer as a
120 qualified public depository.

121 Section 2. Section 280.042, Florida Statutes, is created to
122 read:

123 280.042 Conditions for designating credit unions as
124 qualified public depositories; withdrawal by the Chief Financial
125 Officer from a collateral agreement and return of deposits;
126 limit on public deposits.-

127 (1) The Chief Financial Officer may not designate a credit
128 union as a qualified public depository as defined under s.
129 280.02, unless, at the time the credit union submits its
130 agreement of contingent liability and its collateral agreement:

131 (a) The credit union submits a signed statement from a
132 public official indicating that if the credit union is
133 designated as a qualified public depository, the public official
134 intends to deposit more than \$250,000 of public funds with the
135 credit union; and

136 (b) At least four other credit unions have each submitted
137 an agreement of contingent liability, a collateral agreement,
138 and a signed statement from a public official indicating that if
139 the credit union is designated as a qualified public depository,
140 the public official intends to deposit more than \$250,000 of
141 public funds with the credit union.

142 (2) The Chief Financial Officer must withdraw from a
143 collateral agreement previously entered into with a credit union
144 if fewer than five credit unions are designated as qualified
145 public depositories during any period of 90 calendar days or

597-02424-17 20171170c1

146 longer.

147 (3) A credit union that is a party to a collateral
148 agreement from which the Chief Financial Officer withdraws in
149 accordance with subsection (2) may no longer be designated as a
150 qualified public depository. Within 10 business days after the
151 Chief Financial Officer notifies the credit union that the Chief
152 Financial Officer has withdrawn from the collateral agreement,
153 the credit union must return all public deposits that the credit
154 union holds to the public official who deposited the funds. The
155 notice provided for in this subsection may be sent to a credit
156 union by regular mail or by e-mail.

157 (4) The Chief Financial Officer may limit the amount of
158 public deposits which any credit union may hold in order to
159 ensure that no single credit union holds an amount of public
160 deposits which might adversely affect the integrity of the
161 public deposits program.

162 Section 3. Section 280.07, Florida Statutes, is amended to
163 read:

164 280.07 Mutual responsibility and contingent liability.-

165 (1) Any bank, savings bank, or savings association that is
166 designated as a qualified public depository and that is not
167 insolvent shall guarantee public depositors against loss caused
168 by the default or insolvency of other banks, savings banks, or
169 savings associations designated as qualified public
170 depositories.

171 (2) Any credit union that is designated as a qualified
172 public depository and that is not insolvent shall guarantee
173 public depositors against loss caused by the default or
174 insolvency of other credit unions designated as qualified public

597-02424-17

20171170c1

175 depositories.

176

177 Each qualified public depository shall execute a form prescribed
 178 by the Chief Financial Officer for such guarantee which must
 179 ~~shall~~ be approved by the board of directors and ~~shall~~ become an
 180 official record of the institution.

181 Section 4. Subsections (1) and (3) of section 280.08,
 182 Florida Statutes, are amended to read:

183 280.08 Procedure for payment of losses.—When the Chief
 184 Financial Officer determines that a default or insolvency has
 185 occurred, he or she shall provide notice as required in s.
 186 280.085 and implement the following procedures:

187 (1) The Division of Treasury, in cooperation with the
 188 Office of Financial Regulation of the Financial Services
 189 Commission or the receiver of the qualified public depository in
 190 default, shall ascertain the amount of funds of each public
 191 depositor on deposit at such depository and the amount of
 192 deposit or share insurance applicable to such deposits.

193 (3) (a) The loss to public depositors shall be satisfied,
 194 insofar as possible, first through any applicable deposit or
 195 share insurance and then through demanding payment under letters
 196 of credit or the sale of collateral pledged or deposited by the
 197 defaulting depository. The Chief Financial Officer may assess
 198 qualified public depositories as provided in paragraph (b),
 199 subject to the segregation of contingent liability in s. 280.07,
 200 for the total loss if the demand for payment or sale of
 201 collateral cannot be accomplished within 7 business days.

202 (b) The Chief Financial Officer shall provide coverage of
 203 any remaining loss by assessment against the other qualified

597-02424-17

20171170c1

204 public depositories. The Chief Financial Officer shall determine
 205 such assessment for each qualified public depository by
 206 multiplying the total amount of any remaining loss to all public
 207 depositors by a percentage which represents the average monthly
 208 balance of public deposits held by each qualified public
 209 depository during the previous 12 months divided by the total
 210 average monthly balances of public deposits held by all
 211 qualified public depositories, excluding the defaulting
 212 depository, during the same period. The assessment calculation
 213 must ~~shall~~ be computed to six decimal places.

214 Section 5. Section 280.09, Florida Statutes, is amended to
 215 read:

216 280.09 Public Deposits Trust Fund.—

217 (1) In order to facilitate the administration of this
 218 chapter, there is created the Public Deposits Trust Fund,
 219 hereafter in this section designated as "the fund." The proceeds
 220 from the sale of securities or draw on letters of credit held as
 221 collateral or from any assessment pursuant to s. 280.08 must
 222 ~~shall~~ be deposited into the fund. The Chief Financial Officer
 223 must segregate and separately account for any collateral
 224 proceeds, assessments, or administrative penalties attributable
 225 to a credit union from any collateral proceeds, assessments, or
 226 administrative penalties attributable to any bank, savings bank,
 227 or savings association. Any administrative penalty collected
 228 pursuant to this chapter shall be deposited into the Treasury
 229 Administrative and Investment Trust Fund.

230 (2) The Chief Financial Officer is authorized to pay any
 231 losses to public depositors from the fund, subject to the
 232 limitations provided in subsection (1), and there are hereby

597-02424-17 20171170c1

233 appropriated from the fund such sums as may be necessary from
 234 time to time to pay the losses. The term "losses," for purposes
 235 of this chapter, shall also include losses of interest or other
 236 accumulations to the public depositor as a result of penalties
 237 for early withdrawal required by Depository Institution
 238 Deregulatory Commission Regulations or applicable successor
 239 federal laws or regulations because of suspension or
 240 disqualification of a qualified public depository by the Chief
 241 Financial Officer pursuant to s. 280.05 or because of withdrawal
 242 from the public deposits program pursuant to s. 280.11. In that
 243 event, the Chief Financial Officer is authorized to assess
 244 against the suspended, disqualified, or withdrawing public
 245 depository, in addition to any amount authorized by any other
 246 provision of this chapter, an administrative penalty equal to
 247 the amount of the early withdrawal penalty and to pay that
 248 amount over to the public depositor as reimbursement for such
 249 loss. Any money in the fund estimated not to be needed for
 250 immediate cash requirements shall be invested pursuant to s.
 251 17.61.

252 Section 6. Paragraph (a) of subsection (3) of section
 253 280.03, Florida Statutes, is amended to read:

254 280.03 Public deposits to be secured; prohibitions;
 255 exemptions.—

256 (3) The following are exempt from the requirements of, and
 257 protection under, this chapter:

258 (a) Public deposits deposited in a bank, credit union, or
 259 savings association by a trust department or trust company which
 260 are fully secured under trust business laws.

261 Section 7. Subsection (11) of section 280.05, Florida

597-02424-17 20171170c1

262 Statutes, is amended to read:

263 280.05 Powers and duties of the Chief Financial Officer.—In
 264 fulfilling the requirements of this act, the Chief Financial
 265 Officer has the power to take the following actions he or she
 266 deems necessary to protect the integrity of the public deposits
 267 program:

268 (11) Sell securities for the purpose of paying losses to
 269 public depositors not covered by deposit or share insurance.

270 Section 8. Subsection (1) of section 280.052, Florida
 271 Statutes, is amended to read:

272 280.052 Order of suspension or disqualification;
 273 procedure.—

274 (1) The suspension or disqualification of a bank, credit
 275 union, or savings association as a qualified public depository
 276 must be by order of the Chief Financial Officer and must be
 277 mailed to the qualified public depository by registered or
 278 certified mail.

279 Section 9. Paragraph (c) of subsection (1) and paragraph
 280 (c) of subsection (2) of section 280.053, Florida Statutes, are
 281 amended to read:

282 280.053 Period of suspension or disqualification;
 283 obligations during period; reinstatement.—

284 (1)

285 (c) Upon expiration of the suspension period, the bank,
 286 credit union, or savings association may, by order of the Chief
 287 Financial Officer, be reinstated as a qualified public
 288 depository, unless the cause of the suspension has not been
 289 corrected or the bank, credit union, or savings association is
 290 otherwise not in compliance with this chapter or any rule

597-02424-17

20171170c1

291 adopted pursuant to this chapter.

292 (2)

293 (c) Upon expiration of the disqualification period, the
294 bank, credit union, or savings association may reapply for
295 qualification as a qualified public depository. If a
296 disqualified bank, credit union, or savings association is
297 purchased or otherwise acquired by new owners, it may reapply to
298 the Chief Financial Officer to be a qualified public depository
299 prior to the expiration date of the disqualification period.
300 Redesignation as a qualified public depository may occur only
301 after the Chief Financial Officer has determined that all
302 requirements for holding public deposits under the law have been
303 met.

304 Section 10. Section 280.055, Florida Statutes, is amended
305 to read:

306 280.055 Cease and desist order; corrective order;
307 administrative penalty.—

308 (1) The Chief Financial Officer may issue a cease and
309 desist order and a corrective order upon determining that:

310 (a) A qualified public depository has requested and
311 obtained a release of pledged collateral without approval of the
312 Chief Financial Officer;

313 (b) A bank, credit union, savings association, or other
314 financial institution is holding public deposits without a
315 certificate of qualification issued by the Chief Financial
316 Officer;

317 (c) A qualified public depository pledges, deposits, or
318 arranges for the issuance of unacceptable collateral;

319 (d) A custodian has released pledged collateral without

597-02424-17

20171170c1

320 approval of the Chief Financial Officer;

321 (e) A qualified public depository or a custodian has not
322 furnished to the Chief Financial Officer, when the Chief
323 Financial Officer requested, a power of attorney or bond power
324 or bond assignment form required by the bond agent or bond
325 trustee for each issue of registered certificated securities
326 pledged and registered in the name, or nominee name, of the
327 qualified public depository or custodian; or

328 (f) A qualified public depository; a bank, credit union,
329 savings association, or other financial institution; or a
330 custodian has committed any other violation of this chapter or
331 any rule adopted pursuant to this chapter that the Chief
332 Financial Officer determines may be remedied by a cease and
333 desist order or corrective order.

334 (2) Any qualified public depository or other bank, credit
335 union, savings association, or financial institution or
336 custodian that violates a cease and desist order or corrective
337 order of the Chief Financial Officer is subject to an
338 administrative penalty not exceeding \$1,000 for each violation
339 of the order. Each day the violation of the order continues
340 constitutes a separate violation.

341 Section 11. Subsection (4) of section 280.085, Florida
342 Statutes, is amended to read:

343 280.085 Notice to claimants.—

344 (4) The notice required in subsection (1) is not required
345 if the default or insolvency of a qualified public depository is
346 resolved in a manner in which all Florida public deposits are
347 acquired by another insured bank, credit union, savings bank, or
348 savings association.

597-02424-17 20171170c1

349 Section 12. Subsections (1) and (3) of section 280.10,
350 Florida Statutes, are amended to read:

351 280.10 Effect of merger, acquisition, or consolidation;
352 change of name or address.—

353 (1) When a qualified public depository is merged into,
354 acquired by, or consolidated with a bank, credit union, savings
355 bank, or savings association that is not a qualified public
356 depository:

357 (a) The resulting institution shall automatically become a
358 qualified public depository subject to the requirements of the
359 public deposits program.

360 (b) The contingent liability of the former institution
361 shall be a liability of the resulting institution.

362 (c) The public deposits and associated collateral of the
363 former institution shall be public deposits and collateral of
364 the resulting institution.

365 (d) The resulting institution shall, within 90 calendar
366 days after the effective date of the merger, acquisition, or
367 consolidation, deliver to the Chief Financial Officer:

368 1. Documentation in its name as required for participation
369 in the public deposits program; or

370 2. Written notice of intent to withdraw from the program as
371 provided in s. 280.11 and a proposed effective date of
372 withdrawal which shall be within 180 days after the effective
373 date of the acquisition, merger, or consolidation of the former
374 institution.

375 (e) If the resulting institution does not meet
376 qualifications to become a qualified public depository or does
377 not submit required documentation within 90 calendar days after

597-02424-17 20171170c1

378 the effective date of the merger, acquisition, or consolidation,
379 the Chief Financial Officer shall initiate mandatory withdrawal
380 actions as provided in s. 280.11 and shall set an effective date
381 of withdrawal that is within 180 days after the effective date
382 of the acquisition, merger, or consolidation of the former
383 institution.

384 (3) If the default or insolvency of a qualified public
385 depository results in acquisition of all or part of its Florida
386 public deposits by a bank, credit union, savings bank, or
387 savings association that is not a qualified public depository,
388 the bank, credit union, savings bank, or savings association
389 acquiring the Florida public deposits is subject to subsection
390 (1).

391 Section 13. Subsection (1) of section 280.13, Florida
392 Statutes, is amended to read:

393 280.13 Eligible collateral.—

394 (1) Securities eligible to be pledged as collateral by
395 qualified public depositories are ~~banks and savings associations~~
396 ~~shall be~~ limited to:

397 (a) Direct obligations of the United States Government.

398 (b) Obligations of any federal agency that are fully
399 guaranteed as to payment of principal and interest by the United
400 States Government.

401 (c) Obligations of the following federal agencies:

402 1. Farm credit banks.

403 2. Federal land banks.

404 3. The Federal Home Loan Bank and its district banks.

405 4. Federal intermediate credit banks.

406 5. The Federal Home Loan Mortgage Corporation.

597-02424-17

20171170c1

407 6. The Federal National Mortgage Association.

408 7. Obligations guaranteed by the Government National

409 Mortgage Association.

410 (d) General obligations of a state of the United States, or

411 of Puerto Rico, or of a political subdivision or municipality

412 thereof.

413 (e) Obligations issued by the Florida State Board of

414 Education under authority of the State Constitution or

415 applicable statutes.

416 (f) Tax anticipation certificates or warrants of counties

417 or municipalities having maturities not exceeding 1 year.

418 (g) Public housing authority obligations.

419 (h) Revenue bonds or certificates of a state of the United

420 States or of a political subdivision or municipality thereof.

421 (i) Corporate bonds of any corporation that is not an

422 affiliate or subsidiary of the qualified public depository.

423 Section 14. Paragraph (b) of subsection (4) of section

424 280.17, Florida Statutes, is amended to read:

425 280.17 Requirements for public depositors; notice to public

426 depositors and governmental units; loss of protection.—In

427 addition to any other requirement specified in this chapter,

428 public depositors shall comply with the following:

429 (4) If public deposits are in a qualified public depository

430 that has been declared to be in default or insolvent, each

431 public depositor shall:

432 (b) Submit to the Chief Financial Officer for each public

433 deposit, within 30 days after the date of official notification

434 from the Chief Financial Officer, the following:

435 1. A claim form and agreement, as prescribed by the Chief

Page 15 of 30

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-02424-17

20171170c1

436 Financial Officer, executed under oath, accompanied by proof of

437 authority to execute the form on behalf of the public depositor.

438 2. A completed public deposit identification and

439 acknowledgment form, as described in subsection (2).

440 3. Evidence of the insurance afforded the deposit pursuant

441 to the Federal Deposit Insurance Act or the Federal Credit Union

442 Act, as appropriate.

443 Section 15. For the purpose of incorporating the amendment

444 made by this act to section 280.02, Florida Statutes, in a

445 reference thereto, paragraph (a) of subsection (7) of section

446 17.57, Florida Statutes, is reenacted to read:

447 17.57 Deposits and investments of state money.—

448 (7) In addition to the deposits authorized under this

449 section and notwithstanding any other provisions of law, funds

450 that are not needed to meet the disbursement needs of the state

451 may be deposited by the Chief Financial Officer in accordance

452 with the following conditions:

453 (a) The funds are initially deposited in a qualified public

454 depository, as defined in s. 280.02, selected by the Chief

455 Financial Officer.

456 Section 16. For the purpose of incorporating the amendment

457 made by this act to section 280.02, Florida Statutes, in a

458 reference thereto, subsection (1) of section 24.114, Florida

459 Statutes, is reenacted to read:

460 24.114 Bank deposits and control of lottery transactions.—

461 (1) All moneys received by each retailer from the operation

462 of the state lottery, including, but not limited to, all ticket

463 sales, interest, gifts, and donations, less the amount retained

464 as compensation for the sale of the tickets and the amount paid

Page 16 of 30

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-02424-17 20171170c1

465 out as prizes, shall be remitted to the department or deposited
 466 in a qualified public depository, as defined in s. 280.02, as
 467 directed by the department. The department shall have the
 468 responsibility for all administrative functions related to the
 469 receipt of funds. The department may also require each retailer
 470 to file with the department reports of the retailer's receipts
 471 and transactions in the sale of lottery tickets in such form and
 472 containing such information as the department may require. The
 473 department may require any person, including a qualified public
 474 depository, to perform any function, activity, or service in
 475 connection with the operation of the lottery as it may deem
 476 advisable pursuant to this act and rules of the department, and
 477 such functions, activities, or services shall constitute lawful
 478 functions, activities, and services of such person.

479 Section 17. For the purpose of incorporating the amendment
 480 made by this act to section 280.02, Florida Statutes, in a
 481 reference thereto, paragraph (e) of subsection (3) of section
 482 125.901, Florida Statutes, is reenacted to read:

483 125.901 Children's services; independent special district;
 484 council; powers, duties, and functions; public records
 485 exemption.—

486 (3)

487 (e)1. All moneys received by the council on children's
 488 services shall be deposited in qualified public depositories, as
 489 defined in s. 280.02, with separate and distinguishable accounts
 490 established specifically for the council and shall be withdrawn
 491 only by checks signed by the chair of the council and
 492 countersigned by either one other member of the council on
 493 children's services or by a chief executive officer who shall be

597-02424-17 20171170c1

494 so authorized by the council.

495 2. Upon entering the duties of office, the chair and the
 496 other member of the council or chief executive officer who signs
 497 its checks shall each give a surety bond in the sum of at least
 498 \$1,000 for each \$1 million or portion thereof of the council's
 499 annual budget, which bond shall be conditioned that each shall
 500 faithfully discharge the duties of his or her office. The
 501 premium on such bond may be paid by the district as part of the
 502 expense of the council. No other member of the council shall be
 503 required to give bond or other security.

504 3. No funds of the district shall be expended except by
 505 check as aforesaid, except expenditures from a petty cash
 506 account which shall not at any time exceed \$100. All
 507 expenditures from petty cash shall be recorded on the books and
 508 records of the council on children's services. No funds of the
 509 council on children's services, excepting expenditures from
 510 petty cash, shall be expended without prior approval of the
 511 council, in addition to the budgeting thereof.

512 Section 18. For the purpose of incorporating the amendment
 513 made by this act to section 280.02, Florida Statutes, in a
 514 reference thereto, section 136.01, Florida Statutes, is
 515 reenacted to read:

516 136.01 County depositories.—Each county depository shall be
 517 a qualified public depository as defined in s. 280.02 for the
 518 following funds: county funds; funds of all county officers,
 519 including constitutional officers; funds of the school board;
 520 and funds of the community college district board of trustees.
 521 This enumeration of funds is made not by way of limitation, but
 522 of illustration; and it is the intent hereof that all funds of

597-02424-17

20171170c1

523 the county, the board of county commissioners or the several
524 county officers, the school board, or the community college
525 district board of trustees be included.

526 Section 19. For the purpose of incorporating the amendment
527 made by this act to section 280.02, Florida Statutes, in a
528 reference thereto, subsection (11) of section 159.608, Florida
529 Statutes, is reenacted to read:

530 159.608 Powers of housing finance authorities.—A housing
531 finance authority shall constitute a public body corporate and
532 politic, exercising the public and essential governmental
533 functions set forth in this act, and shall exercise its power to
534 borrow only for the purpose as provided herein:

535 (11) To invest and reinvest surplus funds of the housing
536 finance authority in accordance with s. 218.415. However, in
537 addition to the investments expressly authorized in s.
538 218.415(16)(a)-(g) and (17)(a)-(d), a housing finance authority
539 may invest surplus funds in interest-bearing time deposits or
540 savings accounts that are fully insured by the Federal Deposit
541 Insurance Corporation regardless of whether the bank or
542 financial institution in which the deposit or investment is made
543 is a qualified public depository as defined in s. 280.02. This
544 subsection is supplementary to and may not be construed as
545 limiting any powers of a housing finance authority or providing
546 or implying a limiting construction of any other statutory
547 provision.

548 Section 20. For the purpose of incorporating the amendment
549 made by this act to section 280.02, Florida Statutes, in a
550 reference thereto, section 175.301, Florida Statutes, is
551 reenacted to read:

Page 19 of 30

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-02424-17

20171170c1

552 175.301 Depository for pension funds.—For any municipality,
553 special fire control district, chapter plan, local law
554 municipality, local law special fire control district, or local
555 law plan under this chapter, all funds of the firefighters'
556 pension trust fund of any chapter plan or local law plan under
557 this chapter may be deposited by the board of trustees with the
558 treasurer of the municipality or special fire control district,
559 acting in a ministerial capacity only, who shall be liable in
560 the same manner and to the same extent as he or she is liable
561 for the safekeeping of funds for the municipality or special
562 fire control district. However, any funds so deposited with the
563 treasurer of the municipality or special fire control district
564 shall be kept in a separate fund by the treasurer or clearly
565 identified as such funds of the firefighters' pension trust
566 fund. In lieu thereof, the board of trustees shall deposit the
567 funds of the firefighters' pension trust fund in a qualified
568 public depository as defined in s. 280.02, which depository with
569 regard to such funds shall conform to and be bound by all of the
570 provisions of chapter 280.

571 Section 21. For the purpose of incorporating the amendment
572 made by this act to section 280.02, Florida Statutes, in
573 references thereto, subsection (8) of section 175.401, Florida
574 Statutes, is reenacted to read:

575 175.401 Retiree health insurance subsidy.—For any
576 municipality, special fire control district, chapter plan, local
577 law municipality, local law special fire control district, or
578 local law plan under this chapter, under the broad grant of home
579 rule powers under the Florida Constitution and chapter 166,
580 municipalities have the authority to establish and administer

Page 20 of 30

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-02424-17

20171170c1

581 locally funded health insurance subsidy programs. In addition,
 582 special fire control districts may, by resolution, establish and
 583 administer locally funded health insurance subsidy programs.
 584 Pursuant thereto:

585 (8) DEPOSIT OF HEALTH INSURANCE SUBSIDY FUNDS.—All funds of
 586 the health insurance subsidy fund may be deposited by the board
 587 of trustees with the treasurer of the municipality or special
 588 fire control district, acting in a ministerial capacity only,
 589 who shall be liable in the same manner and to the same extent as
 590 he or she is liable for the safekeeping of funds for the
 591 municipality or special fire control district. Any funds so
 592 deposited shall be segregated by the treasurer in a separate
 593 fund, clearly identified as funds of the health insurance
 594 subsidy fund. In lieu thereof, the board of trustees shall
 595 deposit the funds of the health insurance subsidy fund in a
 596 qualified public depository as defined in s. 280.02, which shall
 597 conform to and be bound by the provisions of chapter 280 with
 598 regard to such funds. In no case shall the funds of the health
 599 insurance subsidy fund be deposited in any financial
 600 institution, brokerage house trust company, or other entity that
 601 is not a public depository as provided by s. 280.02.

602 Section 22. For the purpose of incorporating the amendment
 603 made by this act to section 280.02, Florida Statutes, in a
 604 reference thereto, section 185.30, Florida Statutes, is
 605 reenacted to read:

606 185.30 Depository for retirement fund.—For any
 607 municipality, chapter plan, local law municipality, or local law
 608 plan under this chapter, all funds of the municipal police
 609 officers' retirement trust fund of any municipality, chapter

597-02424-17

20171170c1

610 plan, local law municipality, or local law plan under this
 611 chapter may be deposited by the board of trustees with the
 612 treasurer of the municipality acting in a ministerial capacity
 613 only, who shall be liable in the same manner and to the same
 614 extent as he or she is liable for the safekeeping of funds for
 615 the municipality. However, any funds so deposited with the
 616 treasurer of the municipality shall be kept in a separate fund
 617 by the municipal treasurer or clearly identified as such funds
 618 of the municipal police officers' retirement trust fund. In lieu
 619 thereof, the board of trustees shall deposit the funds of the
 620 municipal police officers' retirement trust fund in a qualified
 621 public depository as defined in s. 280.02, which depository with
 622 regard to such funds shall conform to and be bound by all of the
 623 provisions of chapter 280.

624 Section 23. For the purpose of incorporating the amendment
 625 made by this act to section 280.02, Florida Statutes, in
 626 references thereto, subsection (8) of section 185.50, Florida
 627 Statutes, is reenacted to read:

628 185.50 Retiree health insurance subsidy.—For any
 629 municipality, chapter plan, local law municipality, or local law
 630 plan under this chapter, under the broad grant of home rule
 631 powers under the Florida Constitution and chapter 166,
 632 municipalities have the authority to establish and administer
 633 locally funded health insurance subsidy programs. Pursuant
 634 thereto:

635 (8) DEPOSIT OF PENSION FUNDS.—All funds of the health
 636 insurance subsidy fund may be deposited by the board of trustees
 637 with the treasurer of the municipality, acting in a ministerial
 638 capacity only, who shall be liable in the same manner and to the

597-02424-17 20171170c1
 639 same extent as he or she is liable for the safekeeping of funds
 640 for the municipality. Any funds so deposited shall be segregated
 641 by said treasurer in a separate fund, clearly identified as
 642 funds of the health insurance subsidy fund. In lieu thereof, the
 643 board of trustees shall deposit the funds of the health
 644 insurance subsidy fund in a qualified public depository as
 645 defined in s. 280.02, which shall conform to and be bound by the
 646 provisions of chapter 280 with regard to such funds. In no case
 647 shall the funds of the health insurance subsidy fund be
 648 deposited in any financial institution, brokerage house trust
 649 company, or other entity that is not a public depository as
 650 provided by s. 280.02.

651 Section 24. For the purpose of incorporating the amendment
 652 made by this act to section 280.02, Florida Statutes, in a
 653 reference thereto, subsection (3) of section 190.007, Florida
 654 Statutes, is reenacted to read:

655 190.007 Board of supervisors; general duties.—

656 (3) The board is authorized to select as a depository for
 657 its funds any qualified public depository as defined in s.
 658 280.02 which meets all the requirements of chapter 280 and has
 659 been designated by the Chief Financial Officer as a qualified
 660 public depository, upon such terms and conditions as to the
 661 payment of interest by such depository upon the funds so
 662 deposited as the board may deem just and reasonable.

663 Section 25. For the purpose of incorporating the amendment
 664 made by this act to section 280.02, Florida Statutes, in a
 665 reference thereto, subsection (16) of section 191.006, Florida
 666 Statutes, is reenacted to read:

667 191.006 General powers.—The district shall have, and the

597-02424-17 20171170c1
 668 board may exercise by majority vote, the following powers:
 669 (16) To select as a depository for its funds any qualified
 670 public depository as defined in s. 280.02 which meets all the
 671 requirements of chapter 280 and has been designated by the Chief
 672 Financial Officer as a qualified public depository, upon such
 673 terms and conditions as to the payment of interest upon the
 674 funds deposited as the board deems just and reasonable.

675 Section 26. For the purpose of incorporating the amendment
 676 made by this act to section 280.02, Florida Statutes, in a
 677 reference thereto, subsection (2) of section 215.34, Florida
 678 Statutes, is reenacted to read:

679 215.34 State funds; noncollectible items; procedure.—

680 (2) Whenever a check, draft, or other order for the payment
 681 of money is returned by the Chief Financial Officer, or by a
 682 qualified public depository as defined in s. 280.02, to a state
 683 officer, a state agency, or the judicial branch for collection,
 684 the officer, agency, or judicial branch shall add to the amount
 685 due a service fee of \$15 or 5 percent of the face amount of the
 686 check, draft, or order, whichever is greater. An agency or the
 687 judicial branch may adopt a rule which prescribes a lesser
 688 maximum service fee, which shall be added to the amount due for
 689 the dishonored check, draft, or other order tendered for a
 690 particular service, license, tax, fee, or other charge, but in
 691 no event shall the fee be less than \$15. The service fee shall
 692 be in addition to all other penalties imposed by law, except
 693 that when other charges or penalties are imposed by an agency
 694 related to a noncollectible item, the amount of the service fee
 695 shall not exceed \$150. Proceeds from this fee shall be deposited
 696 in the same fund as the collected item. Nothing in this section

597-02424-17 20171170c1

697 shall be construed as authorization to deposit moneys outside
 698 the State Treasury unless specifically authorized by law.
 699 Section 27. For the purpose of incorporating the amendment
 700 made by this act to section 280.02, Florida Statutes, in
 701 references thereto, paragraph (c) of subsection (16), subsection
 702 (17), and paragraph (a) of subsection (23) of section 218.415,
 703 Florida Statutes, are reenacted to read:
 704 218.415 Local government investment policies.—Investment
 705 activity by a unit of local government must be consistent with a
 706 written investment plan adopted by the governing body, or in the
 707 absence of the existence of a governing body, the respective
 708 principal officer of the unit of local government and maintained
 709 by the unit of local government or, in the alternative, such
 710 activity must be conducted in accordance with subsection (17).
 711 Any such unit of local government shall have an investment
 712 policy for any public funds in excess of the amounts needed to
 713 meet current expenses as provided in subsections (1)-(16), or
 714 shall meet the alternative investment guidelines contained in
 715 subsection (17). Such policies shall be structured to place the
 716 highest priority on the safety of principal and liquidity of
 717 funds. The optimization of investment returns shall be secondary
 718 to the requirements for safety and liquidity. Each unit of local
 719 government shall adopt policies that are commensurate with the
 720 nature and size of the public funds within its custody.
 721 (16) AUTHORIZED INVESTMENTS; WRITTEN INVESTMENT POLICIES.—
 722 Those units of local government electing to adopt a written
 723 investment policy as provided in subsections (1)-(15) may by
 724 resolution invest and reinvest any surplus public funds in their
 725 control or possession in:

Page 25 of 30

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-02424-17 20171170c1

726 (c) Interest-bearing time deposits or savings accounts in
 727 qualified public depositories as defined in s. 280.02.
 728 (17) AUTHORIZED INVESTMENTS; NO WRITTEN INVESTMENT POLICY.—
 729 Those units of local government electing not to adopt a written
 730 investment policy in accordance with investment policies
 731 developed as provided in subsections (1)-(15) may invest or
 732 reinvest any surplus public funds in their control or possession
 733 in:
 734 (a) The Local Government Surplus Funds Trust Fund, or any
 735 intergovernmental investment pool authorized pursuant to the
 736 Florida Interlocal Cooperation Act of 1969, as provided in s.
 737 163.01.
 738 (b) Securities and Exchange Commission registered money
 739 market funds with the highest credit quality rating from a
 740 nationally recognized rating agency.
 741 (c) Interest-bearing time deposits or savings accounts in
 742 qualified public depositories, as defined in s. 280.02.
 743 (d) Direct obligations of the U.S. Treasury.
 744
 745 The securities listed in paragraphs (c) and (d) shall be
 746 invested to provide sufficient liquidity to pay obligations as
 747 they come due.
 748 (23) AUTHORIZED DEPOSITS.—In addition to the investments
 749 authorized for local governments in subsections (16) and (17)
 750 and notwithstanding any other provisions of law, a unit of local
 751 government may deposit any portion of surplus public funds in
 752 its control or possession in accordance with the following
 753 conditions:
 754 (a) The funds are initially deposited in a qualified public

Page 26 of 30

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-02424-17 20171170c1

755 depository, as defined in s. 280.02, selected by the unit of
756 local government.

757 Section 28. For the purpose of incorporating the amendment
758 made by this act to section 280.02, Florida Statutes, in a
759 reference thereto, paragraph (h) of subsection (4) of section
760 255.502, Florida Statutes, is reenacted to read:

761 255.502 Definitions; ss. 255.501-255.525.—As used in this
762 act, the following words and terms shall have the following
763 meanings unless the context otherwise requires:

764 (4) "Authorized investments" means and includes without
765 limitation any investment in:

766 (h) Savings accounts in, or certificates of deposit of,
767 qualified public depositories as defined in s. 280.02, in an
768 amount that does not exceed 15 percent of the net worth of the
769 institution, or a lesser amount as determined by rule by the
770 State Board of Administration, provided such savings accounts
771 and certificates of deposit are secured in the manner prescribed
772 in chapter 280.

773
774 Investments in any security authorized in this subsection may be
775 under repurchase agreements or reverse repurchase agreements.

776 Section 29. For the purpose of incorporating the amendment
777 made by this act to section 280.02, Florida Statutes, in a
778 reference thereto, subsections (1) and (2) of section 331.309,
779 Florida Statutes, are reenacted to read:

780 331.309 Treasurer; depositories; fiscal agent.—

781 (1) The board shall designate an individual who is a
782 resident of the state, or a qualified public depository as
783 defined in s. 280.02, as treasurer of Space Florida, who shall

597-02424-17 20171170c1

784 have charge of the funds of Space Florida. Such funds shall be
785 disbursed only upon the order of or pursuant to the resolution
786 of the board by warrant, check, authorization, or direct deposit
787 pursuant to s. 215.85, signed or authorized by the treasurer or
788 his or her representative or by such other persons as may be
789 authorized by the board. The board may give the treasurer such
790 other or additional powers and duties as the board may deem
791 appropriate and shall establish the treasurer's compensation.
792 The board may require the treasurer to give a bond in such
793 amount, on such terms, and with such sureties as may be deemed
794 satisfactory to the board to secure the performance by the
795 treasurer of his or her powers and duties. The board shall audit
796 or have audited the books of the treasurer at least once a year.

797 (2) The board is authorized to select as depositories in
798 which the funds of the board and of Space Florida shall be
799 deposited any qualified public depository as defined in s.
800 280.02, upon such terms and conditions as to the payment of
801 interest by such depository upon the funds so deposited as the
802 board may deem just and reasonable. The funds of Space Florida
803 may be kept in or removed from the State Treasury upon written
804 notification from the chair of the board to the Chief Financial
805 Officer.

806 Section 30. For the purpose of incorporating the amendment
807 made by this act to section 280.02, Florida Statutes, in a
808 reference thereto, subsection (2) of section 373.553, Florida
809 Statutes, is reenacted to read:

810 373.553 Treasurer of the board; payment of funds;
811 depositories.—

812 (2) The board is authorized to select as depositories in

597-02424-17 20171170c1

813 which the funds of the board and of the district shall be
 814 deposited in any qualified public depository as defined in s.
 815 280.02, and such deposits shall be secured in the manner
 816 provided in chapter 280.

817 Section 31. For the purpose of incorporating the amendment
 818 made by this act to section 280.02, Florida Statutes, in a
 819 reference thereto, section 631.221, Florida Statutes, is
 820 reenacted to read:

821 631.221 Deposit of moneys collected.—The moneys collected
 822 by the department in a proceeding under this chapter shall be
 823 deposited in a qualified public depository as defined in s.
 824 280.02, which depository with regards to such funds shall
 825 conform to and be bound by all the provisions of chapter 280, or
 826 invested with the Chief Financial Officer pursuant to chapter
 827 18. For the purpose of accounting for the assets and
 828 transactions of the estate, the receiver shall use such
 829 accounting books, records, and systems as the court directs
 830 after it hears and considers the recommendations of the
 831 receiver.

832 Section 32. For the purpose of incorporating the amendment
 833 made by this act to section 280.02, Florida Statutes, in a
 834 reference thereto, paragraph (c) of subsection (3) of section
 835 723.06115, Florida Statutes, is reenacted to read:

836 723.06115 Florida Mobile Home Relocation Trust Fund.—

837 (3) The department shall distribute moneys in the Florida
 838 Mobile Home Relocation Trust Fund to the Florida Mobile Home
 839 Relocation Corporation in accordance with the following:

840 (c) Funds transferred from the trust fund to the
 841 corporation shall be transferred electronically and shall be

597-02424-17 20171170c1

842 transferred to and maintained in a qualified public depository
 843 as defined in s. 280.02 which is specified by the corporation.
 844 Section 33. This act shall take effect July 1, 2018.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: PCS/CS/SB 234 (544906)

INTRODUCER: Appropriations Committee (Recommended by Appropriations Subcommittee on the Environment and Natural Resources); Environmental Preservation and Conservation Committee; and Senator Bradley and others

SUBJECT: Land Acquisition Trust Fund

DATE: April 4, 2017

REVISED: _____

ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1. Istler	Rogers	EP	Fav/CS
2. Reagan	Betta	AEN	Recommend: Fav/CS
3. Reagan	Hansen	AP	Pre-meeting

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

PCS/CS/SB 234 requires \$45 million to be appropriated from the Land Acquisition Trust Fund annually to the St. Johns River Water Management District for projects dedicated to the restoration of the St. Johns River and its tributaries or the Keystone Heights Lake Region.

II. Present Situation:

Land Acquisition Trust Fund

Documentary stamp tax revenues are collected under ch. 201, F.S., which requires an excise tax to be levied on two classes of documents: deeds and other documents related to real property, which are taxed at the rate of 70 cents per \$100; and certificates of indebtedness, promissory notes, wage assignments, and retail charge account agreements, which are taxed at 35 cents per \$100.¹

In 2014, Florida voters approved Amendment One, a constitutional amendment to provide a dedicated funding source for water and land conservation and restoration. The amendment required that starting on July 1, 2015, and for 20 years thereafter, 33 percent of net revenues derived from the documentary stamp taxes be deposited into the Land Acquisition Trust

¹ See ss. 201.02 and 201.08, F.S.

Fund (LATF). Article X, s. 28 of the State Constitution requires that funds in the LATF be expended only for the following purposes:

As provided by law, to finance or refinance: the acquisition and improvement of land, water areas, and related property interests, including conservation easements, and resources for conservation lands including wetlands, forests, and fish and wildlife habitat; wildlife management areas; lands that protect water resources and drinking water sources, including lands protecting the water quality and quantity of rivers, lakes, streams, springsheds, and lands providing recharge for groundwater and aquifer systems; lands in the Everglades Agricultural Area and the Everglades Protection Area, as defined in Article II, Section 7(b); beaches and shores; outdoor recreation lands, including recreational trails, parks, and urban open space; rural landscapes; working farms and ranches; historic or geologic sites; together with management, restoration of natural systems, and the enhancement of public access or recreational enjoyment of conservation lands.²

To implement Art. X, s. 28 of the State Constitution, the Legislature in the 2015 Special Session A passed ch. 2015-229 Laws of Florida.³ This act, in part, amended the following sections of law:

- Section 201.15, F.S., to conform to the constitutional requirement that the LATF receive at least 33 percent of net revenues derived from documentary stamp taxes; and
- Section 375.041, F.S., to designate the LATF within the Department of Environmental Protection as the trust fund to serve as the constitutionally mandated depository for a percentage of the tax revenues.⁴

In 2016, the Legislature passed ch. 2016-201, Laws of Florida, referred to as “Legacy Florida.”⁵ Legacy Florida amended s. 375.041, F.S., to require specified minimum distributions from the LATF. Under s. 375.041, F.S., funds deposited into the LATF must be distributed in the following order and amounts:

- First, obligations relating to debt service, specifically:
 - First to payments relating to debt service on Florida Forever Bonds and Everglades restoration bonds; and
 - Then, to payments relating to debt service on bonds issued before February 1, 2009, by the South Florida Water Management District and the St. Johns River Water Management District;
- Then, before funds are authorized to be appropriated for other uses:
 - A minimum of the lesser of 25 percent of the funds remaining after the payment of debt service or \$200 million annually for Everglades projects that implement the Comprehensive Everglades Restoration Plan (CERP), the Long-Term Plan,⁶ or the

² FLA. CONST. art. X, s. 28.

³ Ch. 2015-229, Laws of Fla.

⁴ Ch. 2015-229, s. 9, s. 50, Laws of Fla.

⁵ Ch. 2016-201, Laws of Fla.

⁶ Note that the “Long-Term Plan” includes the Restoration Strategies Regional Water Quality Plan.

- Northern Everglades and Estuaries Protection Program (NEEPP), with priority given to Everglades projects that reduce harmful discharges of water from Lake Okeechobee to the St. Lucie or Caloosahatchee estuaries in a timely manner. The following specified distributions are required from these funds:
- \$32 million through the 2023-2024 Fiscal Year for the Long-Term Plan;
 - After deducting the \$32 million, the minimum of the lesser of 76.5 percent of the remainder or \$100 million through the 2025-2026 Fiscal Year for the CERP; and
 - Any remaining funds for Everglades projects under the CERP, the Long-Term Plan, or the NEEPP.
- A minimum of the lesser of 7.6 percent of the funds remaining after the payment of debt service or \$50 million annually for springs restoration, protection, and management projects; and
 - Five million annually to the St. Johns River Water Management District for projects dedicated to the restoration of Lake Apopka.⁷
- Then any remaining moneys are authorized to be appropriated for the purposes set forth in Art. X, s. 28 of the State Constitution.⁸

The General Revenue Estimating Conference in December of 2016 estimated that for the 2017-2018 Fiscal Year a total of \$2.48 billion would be collected in documentary stamp taxes. Thirty-three percent of the net revenues collected or approximately \$814.1 million must be deposited into the LATF in accordance with Art. X, s. 28 of the State Constitution.⁹

St. Johns River Water Management District

The St. Johns River Water Management District (district) is one of five water management districts established in the state. The district covers all or part of 18 counties in northeast and east-central Florida and includes ten major watersheds.

St. Johns River

The St. Johns River is the longest river that is entirely within the state.¹⁰ The St. Johns River is divided into three watersheds: the Lower St. Johns River Basin, the Middle St. Johns River Basin, and the Upper St. Johns River Basin. Because the river flows north, the upper basin is the area that forms in Indian River and Brevard counties, south of the middle and lower basins.¹¹ Major tributaries that flow into the St. Johns River include the Wekiva River, the Econlockhatchee River, and the Ocklawaha River.¹²

Storm water runoff from urban areas, treated domestic and industrial wastewater, and agricultural runoff from farming areas affect the water quality of the St. Johns River.¹³ The

⁷ Section 375.041, F.S.

largest contributor of pollution in the lower basin is treated wastewater with additional significant sources of nutrient pollution coming from agricultural areas.¹⁴ The upper basin was drained and diked and now the floodwaters from the basin are drained to the Indian River Lagoon to the east, which diminishes the water quality in the lagoon and degrades the upper basin's remaining marshes.¹⁵

Keystone Heights Area Lakes

The Keystone Heights area lakes are located in southwestern Clay County.¹⁶ The lakes were created when a layer of limestone collapsed creating sinkholes that connect to the Upper Floridan Aquifer.¹⁷ The natural geologic features of this karst terrain result in lake level fluctuations that have occurred over many decades.¹⁸

The district has been working to protect and maintain the water levels in the lakes in the Keystone Heights region and has undertaken numerous projects and studies regarding the region to better understand the dramatic fluctuations in lake water levels and to help meet current and long-term water supply needs for the region.¹⁹ The district has focused on projects that will lead to improved water levels in the lakes and the underlying Floridan aquifer. The district is reevaluating the minimum flows and levels for certain lakes to include the implementation of updated methods, development of a hydrologic model, and an analysis of additional long-term hydrologic data to ensure that the minimum flows and levels are based on the most up-to-date methods and criteria.²⁰ The district has also focused on projects that benefit the Floridan aquifer by increasing recharge or by reducing water withdrawals in the region.²¹

III. Effect of Proposed Changes:

This bill amends s. 375.041, F.S., to require that \$45 million be appropriated to the St. Johns River Water Management District for projects dedicated to the restoration of the St. Johns River and its tributaries or the Keystone Heights Lake Region.

The bill authorizes such funds to be used for land management and land acquisition and for increasing recreational opportunities associated with, and improving public access to, the St. Johns River and its tributaries or the Keystone Heights Lake Region.

The bill requires the distribution to be reduced by an amount equal to the debt service paid on bonds issued for such restoration purposes after July 1, 2017.

The bill takes effect July 1, 2017.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. Constitutional Issues:

Article X, s. 28 of the State Constitution requires that 33 percent of net revenues derived from documentary stamp taxes be deposited into the LATF to be used for the acquisition and improvement of land, water areas, and related property interests, together with management, restoration of natural systems, and the enhancement of public access or recreational enjoyment of conservation lands. The bill requires that \$35 million of the money deposited into the LATF be used to fund projects for the restoration of the St. Johns River and the Keystone Heights Lakes region. The bill authorizes the funds to be used for land management and acquisition and for recreational opportunity and public access improvements to those areas. These authorized uses appear to be consistent with the constitutional requirements.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

PCS/CS/SB 234 requires \$45 million to be appropriated annually from the Land Acquisition Trust Fund to the St. Johns River Water Management District for projects dedicated to the restoration of the St. Johns River and its tributaries or the Keystone Heights Lake Region. This distribution may affect other programs that are funded through the trust fund. The bill also requires the distribution to be reduced by an amount equal to the debt service paid on bonds issued for such restoration purposes after July 1, 2017.

VI. Technical Deficiencies:

If the intent of this legislation is to establish a continuing appropriation of \$45 million annually, without further legislative action in subsequent fiscal years, the language “shall be appropriated annually” should be clarified to read, “is appropriated annually.”

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends section 375.041 of the Florida Statutes.

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

Recommended CS/CS by Appropriations Subcommittee on the Environment and Natural Resources on March 8, 2017:

The committee substitute amended the appropriation amount from \$35 million to \$45 million from the Land Acquisition Trust Fund.

CS by Environmental Preservation and Conservation on February 21, 2017:

The CS/SB 234 amended the relating to clause to the “Land Acquisition Trust Fund.”

- B. **Amendments:**

None.

544906

576-02210-17

Proposed Committee Substitute by the Committee on Appropriations
(Appropriations Subcommittee on the Environment and Natural
Resources)

A bill to be entitled

An act relating to the Land Acquisition Trust Fund;
amending s. 375.041, F.S.; requiring a specified
appropriation for certain projects related to the St.
Johns River and its tributaries or the Keystone Lake
Region; requiring the distribution to be reduced by an
amount equal to the debt service paid on certain
bonds; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (3) of section 375.041, Florida
Statutes, is amended to read:

375.041 Land Acquisition Trust Fund.—

(3) Funds distributed into the Land Acquisition Trust Fund
pursuant to s. 201.15 shall be applied:

(a) First, to pay debt service or to fund debt service
reserve funds, rebate obligations, or other amounts payable with
respect to Florida Forever bonds issued under s. 215.618; and
pay debt service, provide reserves, and pay rebate obligations
and other amounts due with respect to Everglades restoration
bonds issued under s. 215.619; and

(b) Of the funds remaining after the payments required
under paragraph (a), but before funds may be appropriated,
pledged, or dedicated for other uses:

1. A minimum of the lesser of 25 percent or \$200 million

544906

576-02210-17

shall be appropriated annually for Everglades projects that
implement the Comprehensive Everglades Restoration Plan as set
forth in s. 373.470, including the Central Everglades Planning
Project subject to Congressional authorization; the Long-Term
Plan as defined in s. 373.4592(2); and the Northern Everglades
and Estuaries Protection Program as set forth in s. 373.4595.
From these funds, \$32 million shall be distributed each fiscal
year through the 2023-2024 fiscal year to the South Florida
Water Management District for the Long-Term Plan as defined in
s. 373.4592(2). After deducting the \$32 million distributed
under this subparagraph, from the funds remaining, a minimum of
the lesser of 76.5 percent or \$100 million shall be appropriated
each fiscal year through the 2025-2026 fiscal year for the
planning, design, engineering, and construction of the
Comprehensive Everglades Restoration Plan as set forth in s.
373.470, including the Central Everglades Planning Project
subject to Congressional authorization. The Department of
Environmental Protection and the South Florida Water Management
District shall give preference to those Everglades restoration
projects that reduce harmful discharges of water from Lake
Okeechobee to the St. Lucie or Caloosahatchee estuaries in a
timely manner. For the purpose of performing the calculation
provided in this subparagraph, the amount of debt service paid
pursuant to paragraph (a) for bonds issued after July 1, 2016,
for the purposes set forth under paragraph (b) shall be added to
the amount remaining after the payments required under paragraph
(a). The amount of the distribution calculated shall then be
reduced by an amount equal to the debt service paid pursuant to
paragraph (a) on bonds issued after July 1, 2016, for the

544906

576-02210-17

56 purposes set forth under this subparagraph.

57 2. A minimum of the lesser of 7.6 percent or \$50 million
58 shall be appropriated annually for spring restoration,
59 protection, and management projects. For the purpose of
60 performing the calculation provided in this subparagraph, the
61 amount of debt service paid pursuant to paragraph (a) for bonds
62 issued after July 1, 2016, for the purposes set forth under
63 paragraph (b) shall be added to the amount remaining after the
64 payments required under paragraph (a). The amount of the
65 distribution calculated shall then be reduced by an amount equal
66 to the debt service paid pursuant to paragraph (a) on bonds
67 issued after July 1, 2016, for the purposes set forth under this
68 subparagraph.

69 3. The sum of \$5 million shall be appropriated annually
70 each fiscal year through the 2025-2026 fiscal year to the St.
71 Johns River Water Management District for projects dedicated to
72 the restoration of Lake Apopka. This distribution shall be
73 reduced by an amount equal to the debt service paid pursuant to
74 paragraph (a) on bonds issued after July 1, 2016, for the
75 purposes set forth in this subparagraph.

76 4. The sum of \$45 million shall be appropriated annually to
77 the St. Johns River Water Management District for projects
78 dedicated to the restoration of the St. Johns River and its
79 tributaries or the Keystone Heights Lake Region. Such funds may
80 be used for land management and acquisition and for recreational
81 opportunity and public access improvements connected with these
82 areas. This distribution shall be reduced by an amount equal to
83 the debt service paid pursuant to paragraph (a) on bonds issued
84 after July 1, 2017, for the purposes set forth in this

544906

576-02210-17

85 subparagraph.

86 Section 2. This act shall take effect July 1, 2017.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: CS/CS/SB 234

INTRODUCER: Appropriations Committee (Recommended by Appropriations Subcommittee on the Environment and Natural Resources); Environmental Preservation and Conservation Committee; and Senator Bradley and others

SUBJECT: Land Acquisition Trust Fund

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 234 requires \$45 million to be appropriated from the Land Acquisition Trust Fund annually to the St. Johns River Water Management District for projects dedicated to the restoration of the St. Johns River and its tributaries or the Keystone Heights Lake Region.

II. Present Situation:

Land Acquisition Trust Fund

Documentary stamp tax revenues are collected under ch. 201, F.S., which requires an excise tax to be levied on two classes of documents: deeds and other documents related to real property, which are taxed at the rate of 70 cents per \$100; and certificates of indebtedness, promissory notes, wage assignments, and retail charge account agreements, which are taxed at 35 cents per \$100.¹

In 2014, Florida voters approved Amendment One, a constitutional amendment to provide a dedicated funding source for water and land conservation and restoration. The amendment required that starting on July 1, 2015, and for 20 years thereafter, 33 percent of net revenues derived from the documentary stamp taxes be deposited into the Land Acquisition Trust

¹ See ss. 201.02 and 201.08, F.S.

Fund (LATF). Article X, s. 28 of the State Constitution requires that funds in the LATF be expended only for the following purposes:

As provided by law, to finance or refinance: the acquisition and improvement of land, water areas, and related property interests, including conservation easements, and resources for conservation lands including wetlands, forests, and fish and wildlife habitat; wildlife management areas; lands that protect water resources and drinking water sources, including lands protecting the water quality and quantity of rivers, lakes, streams, springsheds, and lands providing recharge for groundwater and aquifer systems; lands in the Everglades Agricultural Area and the Everglades Protection Area, as defined in Article II, Section 7(b); beaches and shores; outdoor recreation lands, including recreational trails, parks, and urban open space; rural landscapes; working farms and ranches; historic or geologic sites; together with management, restoration of natural systems, and the enhancement of public access or recreational enjoyment of conservation lands.²

To implement Art. X, s. 28 of the State Constitution, the Legislature in the 2015 Special Session A passed ch. 2015-229 Laws of Florida.³ This act, in part, amended the following sections of law:

- Section 201.15, F.S., to conform to the constitutional requirement that the LATF receive at least 33 percent of net revenues derived from documentary stamp taxes; and
- Section 375.041, F.S., to designate the LATF within the Department of Environmental Protection as the trust fund to serve as the constitutionally mandated depository for a percentage of the tax revenues.⁴

In 2016, the Legislature passed ch. 2016-201, Laws of Florida, referred to as “Legacy Florida.”⁵ Legacy Florida amended s. 375.041, F.S., to require specified minimum distributions from the LATF. Under s. 375.041, F.S., funds deposited into the LATF must be distributed in the following order and amounts:

- First, obligations relating to debt service, specifically:
 - First to payments relating to debt service on Florida Forever Bonds and Everglades restoration bonds; and
 - Then, to payments relating to debt service on bonds issued before February 1, 2009, by the South Florida Water Management District and the St. Johns River Water Management District;
- Then, before funds are authorized to be appropriated for other uses:
 - A minimum of the lesser of 25 percent of the funds remaining after the payment of debt service or \$200 million annually for Everglades projects that implement the Comprehensive Everglades Restoration Plan (CERP), the Long-Term Plan,⁶ or the

² FLA. CONST. art. X, s. 28.

³ Ch. 2015-229, Laws of Fla.

⁴ Ch. 2015-229, s. 9, s. 50, Laws of Fla.

⁵ Ch. 2016-201, Laws of Fla.

⁶ Note that the “Long-Term Plan” includes the Restoration Strategies Regional Water Quality Plan.

Northern Everglades and Estuaries Protection Program (NEEPP), with priority given to Everglades projects that reduce harmful discharges of water from Lake Okeechobee to the St. Lucie or Caloosahatchee estuaries in a timely manner. The following specified distributions are required from these funds:

- \$32 million through the 2023-2024 Fiscal Year for the Long-Term Plan;
 - After deducting the \$32 million, the minimum of the lesser of 76.5 percent of the remainder or \$100 million through the 2025-2026 Fiscal Year for the CERP; and
 - Any remaining funds for Everglades projects under the CERP, the Long-Term Plan, or the NEEPP.
- A minimum of the lesser of 7.6 percent of the funds remaining after the payment of debt service or \$50 million annually for springs restoration, protection, and management projects; and
 - Five million annually to the St. Johns River Water Management District for projects dedicated to the restoration of Lake Apopka.⁷
- Then any remaining moneys are authorized to be appropriated for the purposes set forth in Art. X, s. 28 of the State Constitution.⁸

The General Revenue Estimating Conference in December of 2016 estimated that for the 2017-2018 Fiscal Year a total of \$2.48 billion would be collected in documentary stamp taxes. Thirty-three percent of the net revenues collected or approximately \$814.1 million must be deposited into the LATF in accordance with Art. X, s. 28 of the State Constitution.⁹

St. Johns River Water Management District

The St. Johns River Water Management District (district) is one of five water management districts established in the state. The district covers all or part of 18 counties in northeast and east-central Florida and includes ten major watersheds.

St. Johns River

The St. Johns River is the longest river that is entirely within the state.¹⁰ The St. Johns River is divided into three watersheds: the Lower St. Johns River Basin, the Middle St. Johns River Basin, and the Upper St. Johns River Basin. Because the river flows north, the upper basin is the area that forms in Indian River and Brevard counties, south of the middle and lower basins.¹¹ Major tributaries that flow into the St. Johns River include the Wekiva River, the Econlockhatchee River, and the Ocklawaha River.¹²

Storm water runoff from urban areas, treated domestic and industrial wastewater, and agricultural runoff from farming areas affect the water quality of the St. Johns River.¹³ The

¹³ *Id.*

largest contributor of pollution in the lower basin is treated wastewater with additional significant sources of nutrient pollution coming from agricultural areas.¹⁴ The upper basin was drained and diked and now the floodwaters from the basin are drained to the Indian River Lagoon to the east, which diminishes the water quality in the lagoon and degrades the upper basin's remaining marshes.¹⁵

Keystone Heights Area Lakes

The Keystone Heights area lakes are located in southwestern Clay County.¹⁶ The lakes were created when a layer of limestone collapsed creating sinkholes that connect to the Upper Floridan Aquifer.¹⁷ The natural geologic features of this karst terrain result in lake level fluctuations that have occurred over many decades.¹⁸

The district has been working to protect and maintain the water levels in the lakes in the Keystone Heights region and has undertaken numerous projects and studies regarding the region to better understand the dramatic fluctuations in lake water levels and to help meet current and long-term water supply needs for the region.¹⁹ The district has focused on projects that will lead to improved water levels in the lakes and the underlying Floridan aquifer. The district is reevaluating the minimum flows and levels for certain lakes to include the implementation of updated methods, development of a hydrologic model, and an analysis of additional long-term hydrologic data to ensure that the minimum flows and levels are based on the most up-to-date methods and criteria.²⁰ The district has also focused on projects that benefit the Floridan aquifer by increasing recharge or by reducing water withdrawals in the region.²¹

III. Effect of Proposed Changes:

This bill amends s. 375.041, F.S., to require that \$45 million be appropriated to the St. Johns River Water Management District for projects dedicated to the restoration of the St. Johns River and its tributaries or the Keystone Heights Lake Region.

The bill authorizes such funds to be used for land management and land acquisition and for increasing recreational opportunities associated with, and improving public access to, the St. Johns River and its tributaries or the Keystone Heights Lake Region.

The bill requires the distribution to be reduced by an amount equal to the debt service paid on bonds issued for such restoration purposes after July 1, 2017.

The bill takes effect July 1, 2017.

8 bonds; providing an effective date.
9
10 Be It Enacted by the Legislature of the State of Florida:
11
12 Section 1. Subsection (3) of section 375.041, Florida
13 Statutes, is amended to read:
14 375.041 Land Acquisition Trust Fund.—
15 (3) Funds distributed into the Land Acquisition Trust Fund
16 pursuant to s. 201.15 shall be applied:
17 (a) First, to pay debt service or to fund debt service
18 reserve funds, rebate obligations, or other amounts payable with
19 respect to Florida Forever bonds issued under s. 215.618; and
20 pay debt service, provide reserves, and pay rebate obligations
21 and other amounts due with respect to Everglades restoration
22 bonds issued under s. 215.619; and
23 (b) Of the funds remaining after the payments required
24 under paragraph (a), but before funds may be appropriated,
25 pledged, or dedicated for other uses:
26 1. A minimum of the lesser of 25 percent or \$200 million
27 shall be appropriated annually for Everglades projects that
28 implement the Comprehensive Everglades Restoration Plan as set
29 forth in s. 373.470, including the Central Everglades Planning

Page 1 of 3

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

592-01944-17

2017234c1

30 Project subject to Congressional authorization; the Long-Term
31 Plan as defined in s. 373.4592(2); and the Northern Everglades
32 and Estuaries Protection Program as set forth in s. 373.4595.
33 From these funds, \$32 million shall be distributed each fiscal
34 year through the 2023-2024 fiscal year to the South Florida
35 Water Management District for the Long-Term Plan as defined in
36 s. 373.4592(2). After deducting the \$32 million distributed
37 under this subparagraph, from the funds remaining, a minimum of
38 the lesser of 76.5 percent or \$100 million shall be appropriated
39 each fiscal year through the 2025-2026 fiscal year for the
40 planning, design, engineering, and construction of the
41 Comprehensive Everglades Restoration Plan as set forth in s.
42 373.470, including the Central Everglades Planning Project
43 subject to Congressional authorization. The Department of
44 Environmental Protection and the South Florida Water Management
45 District shall give preference to those Everglades restoration
46 projects that reduce harmful discharges of water from Lake
47 Okeechobee to the St. Lucie or Caloosahatchee estuaries in a
48 timely manner. For the purpose of performing the calculation
49 provided in this subparagraph, the amount of debt service paid
50 pursuant to paragraph (a) for bonds issued after July 1, 2016,
51 for the purposes set forth under paragraph (b) shall be added to
52 the amount remaining after the payments required under paragraph
53 (a). The amount of the distribution calculated shall then be
54 reduced by an amount equal to the debt service paid pursuant to
55 paragraph (a) on bonds issued after July 1, 2016, for the
56 purposes set forth under this subparagraph.
57 2. A minimum of the lesser of 7.6 percent or \$50 million
58 shall be appropriated annually for spring restoration,

Page 2 of 3

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

592-01944-17

2017234c1

59 protection, and management projects. For the purpose of
60 performing the calculation provided in this subparagraph, the
61 amount of debt service paid pursuant to paragraph (a) for bonds
62 issued after July 1, 2016, for the purposes set forth under
63 paragraph (b) shall be added to the amount remaining after the
64 payments required under paragraph (a). The amount of the
65 distribution calculated shall then be reduced by an amount equal
66 to the debt service paid pursuant to paragraph (a) on bonds
67 issued after July 1, 2016, for the purposes set forth under this
68 subparagraph.

69 3. The sum of \$5 million shall be appropriated annually
70 each fiscal year through the 2025-2026 fiscal year to the St.
71 Johns River Water Management District for projects dedicated to
72 the restoration of Lake Apopka. This distribution shall be
73 reduced by an amount equal to the debt service paid pursuant to
74 paragraph (a) on bonds issued after July 1, 2016, for the
75 purposes set forth in this subparagraph.

76 4. The sum of \$35 million shall be appropriated annually to
77 the St. Johns River Water Management District for projects
78 dedicated to the restoration of the St. Johns River and its
79 tributaries or the Keystone Heights Lake Region. Such funds may
80 be used for land management and acquisition and for recreational
81 opportunity and public access improvements connected with these
82 areas. This distribution shall be reduced by an amount equal to
83 the debt service paid pursuant to paragraph (a) on bonds issued
84 after July 1, 2017, for the purposes set forth in this
85 subparagraph.

86 Section 2. This act shall take effect July 1, 2017.

The Florida Senate

Committee Agenda Request

To: Senator Jack Latvala, Chair
Committee on Appropriations

Subject: Committee Agenda Request

Date: March 9, 2017

I respectfully request that **Senate Bill # 234**, relating to Land Acquisition Trust Fund, be placed on the:

- committee agenda at your earliest possible convenience.
- next committee agenda.

A handwritten signature in black ink, appearing to read "Rob Bradley".

Senator Rob Bradley
Florida Senate, District 5

576-02664-17

Proposed Committee Substitute by the Committee on Appropriations
(Appropriations Subcommittee on Health and Human Services)

A bill to be entitled

An act for the relief of "Survivor" and the Estate of
"Victim"; providing appropriations to compensate
Survivor and the Estate of Victim for injuries and
damages sustained as a result of the negligence of the
Department of Children and Families, formerly known as
the Department of Children and Family Services;
providing that the amount already paid by the
department and the appropriation satisfy all present
and future claims related to the injuries of Survivor
and the death of Victim; providing a limitation on the
payment of attorney fees; providing an effective date.

WHEREAS, on May 30, 2000, 4 days after their birth, a baby
boy, hereinafter referred to as "Survivor," and his twin sister,
hereinafter referred to as "Victim," first came to the attention
of the Department of Children and Families, formerly known as
the Department of Children and Family Services, due to the fact
that the children were to be sent to separate foster homes, and

WHEREAS, Survivor was reunited with their biological mother
and father on July 26, 2000, and Victim was reunited with them
on January 8, 2001, and

WHEREAS, on August 4, 2003, the court terminated the
parental rights of Survivor's and Victim's biological mother,
and

WHEREAS, on March 26, 2004, Survivor's and Victim's
biological father was arrested, which resulted in both Survivor

521374

576-02664-17

and Victim being placed in the custody of the state and moved
into the foster home of Jorge and Carmen Barahona, and

WHEREAS, within 4 days of the placement of Survivor and
Victim in foster care, contact was made with paternal relatives
in Texas, Mr. and Mrs. Reyes, to explore their potential role as
caregivers, and

WHEREAS, on March 30, 2004, Mr. and Mrs. Reyes informed the
Department of Children and Families that they were interested in
caring for Survivor and Victim, and

WHEREAS, pursuant to s. 39.521, Florida Statutes, placement
with adult relatives takes priority over out-of-home licensed
foster care placement, and Survivor and Victim should have been
placed in the Reyes's home as soon as due diligence allowed, and

WHEREAS, pursuant to s. 39.001, Florida Statutes,
Department of Children and Families caseworkers are required to
achieve permanency within 1 year, either through reunification
with a child's natural parents or adoption, and

WHEREAS, due to significant delays in the placement
process, the Reyes were not permitted to adopt Survivor and
Victim, who remained in the care of the Barahonas, and

WHEREAS, significant events occurred which the Department
of Children and Families knew or should have known were
indicative of the perpetration of abuse of Survivor and Victim,
and

WHEREAS, in at least one instance, allegations of medical
neglect were reported and, pursuant to Department of Children
and Families Operating Procedure 175-28, the allegations should
have been verified, and Survivor and Victim should have been
immediately removed from the Barahona home, and

521374

576-02664-17

57 WHEREAS, in January 2005, it was reported that Jorge
58 Barahona had "tickled the private parts" of Victim, which the
59 child protective investigator dismissed as being of "little
60 concern," and
61 WHEREAS, on March 20, 2007, Survivor's and Victim's school
62 principal called in an abuse report to the Department of
63 Children and Families which alleged that, for 5 months, Victim
64 had been going to school at least two to three times per week
65 with serious body odor, smelling rotten, and appearing unkempt;
66 that Victim's uniforms were not clean and her shoes were dirty;
67 that on one occasion Victim had spilled applesauce in her hair
68 at school and returned the following day with the applesauce
69 still in her hair; that Victim was always hungry and eating a
70 lot at school, hoarding food in her backpack from breakfast and
71 lunch, and there was a concern that she was not eating at home;
72 that Victim was afraid to talk; that Survivor also went to
73 school appearing unkempt; and that both Survivor and Victim were
74 having trouble staying awake during classes, and
75 WHEREAS, on March 29, 2007, the Department of Children and
76 Families learned that Survivor and Victim had been absent from
77 school approximately 20 days, taken out of school early about a
78 dozen times, and were expected to be retained in the first
79 grade, and
80 WHEREAS, on May 29, 2009, Victim and Survivor were adopted
81 by the Barahonas, despite numerous incidents that should have
82 led to an active investigation and discovery of abuse, and
83 WHEREAS, in February 2011, the Department of Children and
84 Families Abuse Hotline received another report concerning
85 Survivor and Victim, this time alleging that Survivor and Victim

521374

576-02664-17

86 were being severely abused and imprisoned from the world, and
87 WHEREAS, it was the duty of the Department of Children and
88 Families to remove Survivor and Victim from a placement in which
89 there was a substantial risk of harm, and, over the course of 6
90 years, there were multiple instances of abuse which the
91 department either knew or should have known were occurring in
92 connection with their placement with the Barahonas, and
93 WHEREAS, on February 14, 2011, Victim was found dead in a
94 truck parked off I-95 in Palm Beach County, and Survivor was
95 found near death, in critical condition, and
96 WHEREAS, after the death of Victim and the discovery of the
97 severe abuse of both children, the Secretary of the Department
98 of Children and Families, David E. Wilkins, conducted an
99 investigation that culminated on March 14, 2011, with the
100 issuance of a report of findings and recommendations, and
101 WHEREAS, in the executive summary of the report,
102 investigators reported that there were significant gaps and
103 failures in common sense, critical thinking, ownership, follow-
104 through, and timely and accurate information sharing, all of
105 which defined the care of Survivor and Victim from the inception
106 of their relationship with the state child welfare system, and
107 WHEREAS, investigators determined that the systematic
108 failure included both investigative and case management
109 processes, as well as the preadoption and postadoption
110 processes, and
111 WHEREAS, the investigative report cited numerous incidents
112 of abuse of the children, including, but not limited to,
113 punching, kicking, choking, beatings, the denial of basic and
114 necessary medical care, forcing the children to eat cockroaches

521374

576-02664-17

115 and food that contained feces, sexual abuse, sticking cotton
116 swabs with human feces in the children's ears, suffocating one
117 child with a plastic bag while the other child watched, smearing
118 feces over the children's faces and placing feces on the
119 children's hands for extended periods of time, and binding the
120 children with duct tape and placing them naked in a bathtub
121 together for days on end, and

122 WHEREAS, after the death of Victim and the discovery of
123 Survivor, criminal charges were filed against the Barahonas, and

124 WHEREAS, tort claims were filed on behalf of Victim and
125 Survivor in the United States District Court for the Southern
126 District of Florida, Case No. 1:11-civ-24611-PAS, and a
127 complaint was also filed in the Circuit Court for the Eleventh
128 Judicial Circuit of Miami-Dade County, Case No. 13-2715 CA 25,
129 and

130 WHEREAS, the personal representative of the Estate of
131 Victim and the new adoptive parents of Survivor have agreed to
132 amicably settle this matter and have entered into a settlement
133 agreement in which the Department of Children and Families has
134 agreed to pay \$5 million to Survivor and the Estate of Victim,
135 and

136 WHEREAS, as a result of the allegations of both negligence
137 and civil rights violations, and pursuant to s. 768.28, Florida
138 Statutes, the Department of Children and Families has paid \$1.25
139 million to Survivor and the Estate of Victim, and

140 WHEREAS, the balance of the settlement agreement is to be
141 paid through the passage of this claim bill in the amount of
142 \$3.75 million, and such funds shall be allocated between
143 Survivor and the Estate of Victim so that Survivor will receive

521374

576-02664-17

144 \$1.125 million and the Estate of Victim will receive \$2.625
145 million, and

146 WHEREAS, the Department of Children and Families fully
147 supports the passage of this claim bill, NOW, THEREFORE,
148

149 Be It Enacted by the Legislature of the State of Florida:
150

151 Section 1. The facts stated in the preamble to this act are
152 found and declared to be true.

153 Section 2. For the relief of Survivor for personal injuries
154 he sustained and to the Estate of Victim for damages related to
155 the death of Victim:

156 (1) The sum of \$1.875 million is appropriated from the
157 Federal Grants Trust Fund to the Department of Children and
158 Families for the 2017-2018 fiscal year; and

159 (2) The sum of \$1.875 million is appropriated from the
160 Federal Grants Trust Fund to the Department of Children and
161 Families for the 2018-2019 fiscal year.

162 Section 3. The Chief Financial Officer is directed to draw
163 warrants upon the funds appropriated in section 2 of this act to
164 pay such funds, as follows:

165 (1) No later than August 1, 2017, in favor of the adoptive
166 parents of Survivor, as legal guardians of Survivor, in the
167 amount of \$562,500, and to Richard Milstein, as personal
168 representative of the Estate of Victim, in the amount of
169 \$1,312,500; and

170 (2) No later than August 1, 2018, in favor of the adoptive
171 parents of Survivor, as legal guardians of Survivor, in the
172 amount of \$562,500, and to Richard Milstein, as personal

521374

576-02664-17

173 representative of the Estate of Victim, in the amount of
174 \$1,312,500.

175 Section 4. The amount paid by the Department of Children
176 and Families pursuant to s. 768.28, Florida Statutes, and the
177 amount awarded under this act are intended to provide the sole
178 compensation for all present and future claims arising out of
179 the factual situation described in the preamble to this act
180 which resulted in the personal injuries of Survivor and the
181 death of Victim. The total amount paid for attorney fees
182 relating to this claim may not exceed 25 percent of the amount
183 awarded under this act.

184 Section 5. This act shall take effect upon becoming a law.

Re: **CS/CS/SB 18** – Appropriations Committee (Recommended by Appropriations Subcommittee on Health and Human Services); Judiciary Committee and Senator Anitere Flores Relief of “Survivor” and the Estate of “Victim”

SPECIAL MASTER’S FINAL REPORT

THIS IS A SETTLED CLAIM FOR \$3.75 MILLION AGAINST THE DEPARTMENT OF CHILDREN AND FAMILIES, WHICH AROSE FROM TWO LAWSUITS AGAINST THE DEPARTMENT, ITS EMPLOYEES, AND OTHER DEFENDANTS. THESE LAWSUITS ALLEGED THAT THE NEGLIGENCE OF AND CIVIL RIGHTS VIOLATIONS BY THE DEPARTMENT, ITS EMPLOYEES, AND OTHER DEFENDANTS RESULTED IN THE SEVERE ABUSE AND NEGLECT OF SURVIVOR AND VICTIM AND THE DEATH OF VICTIM.

INTRODUCTION:

On February 14, 2011, Survivor and Victim were found in a pest control truck owned by their adoptive father, Jorge Barahona, along the side of I-95 in Palm Beach County. Victim was dead, and Survivor was severely injured and covered in chemicals. The adoptive parents, Jorge and Carmen Barahona, tortured the children in numerous ways, likely since gaining custody of them in 2004.

For their conduct, the Barahonas are facing charges for first degree murder and aggravated child abuse. The purpose of

this special master report is to determine whether the Department of Children and Families is also a legal cause of the abuse and neglect of the children.

The evidence on which the recommendation in this report is based was controlled by the claimants and consisted primarily of large volume of documents or records created by the department and its contractors and subcontractors and provided by the claimants. However, in some respects, the evidence available for the special master proceeding was limited because the underlying lawsuits settled before trial and discovery.¹ Had a trial or discovery occurred, transcripts of testimony made under oath by parties and eyewitnesses would have been available during the special master proceeding.² Additionally, because of the settlement, the department did not present any mitigating evidence during the special master proceeding or object to evidence presented by the claimants.

As a result of the limited evidence, the extent to which or the specific point in time the actions or omissions of the department and its employees became a legal cause of the abuse and neglect of Survivor and Victim cannot be determined. Similarly, the claimants made no effort and felt no obligation to present evidence showing the relative fault of the department and other defendants. Nevertheless, there is sufficient evidence to show that a jury likely would have found that failures by the department to uncover abuse were a legal cause of prolonging the suffering of Survivor and Victim and of Victim's death.

FINDINGS OF FACT:

The Findings of Fact are organized into three main components. The first component provides a chronological description of the department's interaction with Survivor and Victim. The second component describes other specific types

¹ The lack of traditional evidence complicates a special master's responsibility to independently determine liability.

Because governmental agencies occasionally settle cases against them for reasons not directly related to the merits of the claim, consent-based judgments are scrutinized carefully by the special master, by the legislative committees, and by both houses of the legislature, to ensure that independently developed facts exist to support the judgment and to justify the award.

D. Stephen Kahn, former General Counsel for the Florida Senate, *Legislative Claim Bills: A Practical Guide to a Potent(ial) Remedy*, FLA. B.J., Apr. 1988, at 27.

² Despite the settlement with the department, the claimants could have taken depositions of the relevant department employees under Senate Rule 4.81, which allows discovery consistent with the Florida Rules of Civil Procedure.

of evidence or descriptions of specific events which was made available during the special master proceeding. The last component is a summation of the evidence including reasonable inferences from the evidence.

I. Chronological Events

A. Initial Involvement with the Department, 2000

In May 2000, Survivor and Victim, a brother and sister who were twins, were born. From a few days after their birth until Victim was found dead in February 2000, the department was very involved in their lives. The department's first contact with the newborn children occurred because of their biological mother's substance abuse and Victim's medical condition.³ In March 2002, before Survivor and Victim turned 2 years old, their biological mother was arrested for domestic violence.⁴

In August 2003, when the children were 3 years old, the biological mother's rights were terminated.⁵ A few months later in March 2004, the children were removed from their father by the department after he was charged with sexual battery against a minor not related to him.⁶

B. Placement with the Barahonas, 2004

The department then placed Survivor and Victim in the foster home of Jorge and Carmen Barahona. Two other children that the Barahonas fostered and adopted also resided in the Barahona home at the time.⁷ There was no evidence presented during the special master proceeding that the Barahonas had mistreated their other children or were not qualified to foster additional children.

Within days after Survivor and Victim were placed with the Barahonas, the children's uncle in Texas sent a letter to the judge assigned to the case and department staff which expressed his and his wife's desire to obtain custody of Survivor and Victim. The letter stated in part:

We are eager to get the legal custody of those kids, and will like to know what we need to do to be able to do so. We are planning to fly to Miami next Tuesday or Wednesday to follow

³ Department of Children and Families, *The Barahona Case: Findings and Recommendations 2* (Mar. 14, 2011).

⁴ *Id.*

⁵ *Id.*

⁶ *Id.*

⁷ These two other children have filed separate lawsuits against the department and its employees.

the necessary legal steps to gain custody of those kids. The letter further expressed the willingness of the aunt and uncle to take full responsibility for the financial needs of the children during the adoption process.

As a prerequisite to placing the children with their relatives in Texas, a home study for the suitability of the placement was necessary. Notes from the children's guardian ad litem show that the department expected the home study would take 3 months.⁸ However, the home study was not completed for about 15 months.⁹ No explanation for the lengthier time period for the Texas home study was provided during the special master proceeding.¹⁰ Accordingly, what the department or others did or did not do with respect to the home study is unknown.

Evidence, however, showed that the lengthy time period for the completion of the Texas home study, at least in part, caused Survivor and Victim to remain with the Barahonas. After a year and a half with the Barahonas, for example, a psychological evaluation of the children by Dr. Vanessa Archer, concluded that Survivor and Victim had bonded with the Barahonas and that sending them to Texas would be "devastatingly detrimental."^{11, 12} The evidence presented by the claimants during the special master proceeding did not disclose whether the department or someone else selected Dr. Archer for the multiple psychological evaluations assigned to her.

C. Medical Neglect, 2004

During the hearing, the claimants presented evidence that in December 2004, the department became aware of allegations

⁸ Notes of Paul Neumann, guardian ad litem (May 18, 2004) (Bates 4764).

⁹ The Department of Children and Families, *The Barahona Case: Findings and Recommendations*, 2 (Mar. 14, 2011).

¹⁰ The third amended complaint in the underlying federal lawsuit alleged that the delay in the completion of the home study was caused by inexcusable delays in processing the relevant paperwork by the department and other defendants including Our Kids and the Center for Family and Child Enrichment. See Third Amended Complaint, paragraphs 69-70, 140-142, 162-164, and 166, *Survivor and Estate of Victim v. Our Kids of Miami/Dade/Monroe, Inc. et al.*, Case No.: 1:11-cv-24611-PAS (S.D. Fla.).

¹¹ Psychological Evaluation by Dr. Archer, Archer Psychological Services, Inc., Sept. 13, 2005 (Bates 4564-4567).

¹² The third amended complaint in the underlying federal lawsuit named Dr. Archer and Archer Psychological Services, Inc., as a defendant. The general allegations forming the basis of Dr. Archer's liability were that she made her placement recommendation without full information which would have included medical records, school records, and abuse reports. See *Id.* at paragraphs 171-189. The complaint further alleged that the Center for Family and Child Enrichment and one of its employees failed in its duties to provide the relevant information to Dr. Archer. See *Id.*

that the Barahonas were neglecting Victim's medical needs. The evidence was in the form of notes recorded by the Center for Family and Child Enrichment, Inc., (CFCE) a defendant in the underlying federal lawsuit.¹³ Victim would have been 4 years old at the time.

The notes show that the nurse for Victim's endocrinologist did not believe that Victim was in a good placement for two reasons.¹⁴ First, Victim had not been to an appointment in nearly a year when Victim needed to see the doctor three times a year. Second, Victim is sent to the doctor by herself, which shows that the foster mother does not care for Victim's well-being. Apparently, the department or one of its contractors transported Victim to medical appointments.

As part of the department's 2011 review of the circumstances leading to the claim bill, the department reviewed the response to the allegations of medical neglect. The department's review found that there was "no documentation of case management follow-up with the foster mother as to the nurse's concerns raised with [Victim's] medical care."¹⁵

D. Evidence of Sexual Abuse, 2005

During the hearing, the claimants presented evidence that the department became aware that Victim had been sexually molested through a phone call to the Central Abuse Hotline about 10 p.m., January 27, 2005. Victim was 4 years old at the time. A narrative of the call written by DCF staff describes the caller's concerns as follows: "In the past, the foster father (unknown) tickled [Victim's] private area (vagina) with his fingers. This happened more than once, and the incidents occurred in the presence of other adults in the home."¹⁶

Within 2 hours after the call, a department child protective investigator consulted a psychologist who had seen Victim the day before. The investigator's notes indicate that Victim had

¹³ The Center for Family and Child Enrichment (CFCE) is described in the underlying federal lawsuit as a contractor for Our Kids of Miami-Dade/Monroe, Inc. CFCE's contract with Our Kids, according to the lawsuit, required it to provide case management services to children in foster care and under protective supervision in Miami-Dade County. Our Kids, which was under a contract with the department, was described in the lawsuit as the lead agency for the coordination and delivery of community-based foster care and related services. See Third Amended Complaint, paragraphs 40-42, *Survivor and Estate of Victim v. Our Kids of Miami-Dade/Monroe, Inc. et al.*, Case No.: 1:11-cv-24611-PAS (S.D. Fla.).

¹⁴ Notes recorded by the Center for Family and Child Enrichment, Dec. 15, 2004 (Bates 4856).

¹⁵ The Department of Children and Families, *The Barahona Case: Findings and Recommendations* 6 (Mar. 14, 2011).

¹⁶ Intake Report to Central Abuse Hotline, 10:04 p.m., Jan. 27, 2005 (Bates 4500).

made allegations to the psychologist that were similar to those made to the Hotline. The notes further indicate that the psychologist found victim's story questionable and unfounded because of how Victim disclosed the story and because of circumstances around the narration of the story.¹⁷ Finally, the psychologist opined that it would be detrimental to wake the children up and confront them as it was then after midnight.¹⁸

The morning after the Hotline call, there was a face-to-face meeting by a department child protective investigator with all members of the Barahona household. The Barahonas denied any abuse and suggested that the perpetrator was the biological father. The investigator's notes from the meeting further state in part that Victim and Survivor:

were interviewed initially separately then together. [Victim] denied fo[ster] father touched her. Both children did make statements as to their biological father. They appeared to call both Daddy when speaking in English but called Papa and Papi when addressing them in Spanish clearly differentiating them.¹⁹

Apparently, department staff concluded that Victim was confusing her foster father with her biological father.²⁰ On February 9, 2005, department records state that the court was made aware of the abuse concerns as to the biological father and that there were no further concerns about the Barahonas.²¹

As part of the department's 2011 review of the circumstances leading to the claim bill, the department reviewed the sexual assault allegations against Mr. Barahona. The department's review found that the "Documentation suggests that the interview with [Victim] was not adequate."²² The review further found that Victim and Survivor should have been interviewed away from the Barahonas to get a more candid understanding of how they viewed their caretakers. This interviewing

¹⁷ Notes by David Palachi (Jan. 28, 2005) (Bates 4509).

technique was a “fundamental responsibility” according to the department, which might not have been well understood due to inadequate training and professional insight.²³

E. Report of Abuse from School, 2006

During the special master hearing, the claimants presented evidence of several incidents, not described in the claim bill, through which the claimants allege the department and others might have become aware of the abuse perpetrated by the Barahonas. For the sake of brevity, only some of the incidents, not identified in the claim bill, will be described in this report. One of these incidents, however, was based on a call to the Central Abuse Hotline at 2:07 p.m. on February 23, 2006, which described Victim as having a “huge bruise on her chin and neck area.”²⁴ According to the narrative of the call written by department staff, Victim made inconsistent statements about whether the bruises occurred at home or at school. The narrative also noted that Victim had missed several days of school.

The department’s records show that by 3:30 p.m. a child protective investigator began investigating the call by obtaining Victim’s and Survivor’s attendance records and grades.²⁵ Among the first investigative notes, department staff recorded that between November and February 23, 2006, Victim had 17 absences from school.

Later that day, when the children were interviewed at school, Victim said she had slipped and fallen in class.²⁶ Both Survivor and Victim denied that anyone had hit Victim. However, the children’s teacher said that Victim claimed the injury occurred at home and that Victim sometimes comes to school unclean.

The department’s investigator had a face-to-face meeting with the Barahonas on the evening of the call to the Hotline. The Barahonas denied knowing about Victim’s bruise. Mr. Barahona further explained that “the child usually gives him a hug before going to school and if the child had a mark, he would have seen it.”²⁷

²³ *Id.*

²⁴ Intake Report to Central Abuse Hotline, 2:07 p.m., Feb. 23, 2006 (Bates 4512-4514).

²⁵ Chronological Notes Reports, Feb. 23, 2006 (Bates 4527-4528).

²⁶ Chronological Notes Reports, Feb. 23, 2006 (Bates 4524-4526).

²⁷ Chronological Notes Reports, Feb. 23, 2006 (Bates 4521).

While department staff were speaking with Ms. Barahona, Victim “jumped in the middle and said she slipped and fell in class.”²⁸ The department’s notes further indicate that the Barahona home was clean at the time and well-stocked with food and that the other children in the house were free of bruises.

As part of the department’s continued investigation of Victim’s bruise, records indicate that a child protection team conducted a specialized interview of Victim about 2 weeks after the call to the Hotline. Child protection teams are a team of professionals who provide specialized diagnostic assessment, evaluation, coordination, consultation, and other supportive services.²⁹ The child protection team in this case concluded that the bruise was not the result of child abuse and that Victim needed testing for hyperactivity.³⁰

During the department’s 2011 review of the events leading to the claim bill, the department reviewed its response to the February 2006 call to the Hotline. The department’s report expressed concerns that what department staff did to investigate the abuse allegation was not fully documented.³¹

F. Report of Abuse from School, 2007

On March 20, 2007, the principal of Survivor and Victim’s elementary school reported potential abuse and neglect to Central Abuse Hotline.³² The narrative recorded by department staff states:

For the past five months, [Victim] has been smelling and appearing unkempt. At least 2 or 3 times a week, [Victim] smells. She smells rotten. Her uniform is not clean and her shoes are dirty. On one occasion, [Victim] got applesauce in her hair, the next day she had applesauce still in her hair. [Survivor] also appears unkempt. On 2/20/07, [Victim] had food in her backpack from breakfast and lunch. There is a concern that maybe she is not eating at home. [Victim]

²⁸ Chronological Notes Reports, Feb. 23, 2006 (Bates 4520-4521).

³² Intake Report to the Central Abuse Hotline, 3:46 p.m., Mar. 20, 2007 (Bates 4594-4596).

is always hungry and she eats a lot at school. [Victim] is afraid to talk.³³

The department's investigative summary, dated April 12, 2007, of its actions in response to the call to the Hotline concluded: "At this time the risk level is low. No evidence was found to support the allegation of environmental hazards toward the children."³⁴

In contrast to the department's conclusion, the children's guardian ad litem felt differently. In an email dated the same date as the department's investigative summary, the guardian ad litem informed his supervisor and a department attorney of the concerns of school staff.³⁵ The email explained that the reports from school, including the children's approximately 20 absences and failing grades, were causing him to rethink his prior conclusion that the children's placement with the Barahonas was best. In closing his email, the guardian ad litem wrote, "I believe some investigation needs to be done, to determine the very best place for these deserving kids to grow up and lead a healthy, happy life."³⁶ Whether the guardian ad litem reported his concerns to the dependency court is unknown.³⁷

In the department's 2011 review of the events leading to the claim bill, it reviewed its response to the March 2007 Hotline call. The department's review determined that there were "compelling facts" gathered by department staff that should have resulted in "'some indicators' or 'verified' findings for abuse."³⁸

G. Survivor and Victim Adopted, May 2009

The Barahonas finalized the adoption of Survivor and Victim in May 2009.

³³ *Id.*

³⁴ Investigative Summary (Apr. 12, 2007) (Bates 4616-4618).

³⁵ Email from Paul Neumann, guardian ad litem, to Cynthia Kline, guardian ad litem supervisor and a copy to Christine Lopez-Acevedo, a department attorney (Apr. 12, 2007) (Bates 4619-4620).

³⁶ *Id.*

³⁷ At all times relevant to the events described in the claim bill, s. 39.822(4), F.S., required the guardian ad litem for Survivor and Victim to submit written reports of recommendations to the court. These reports were not made available to the special masters.

³⁸ The Department of Children and Families, *The Barahona Case: Findings and Recommendations* 8 (Mar. 14, 2011).

H. Final Call to Central Abuse Hotline, 2011

The final call to the Central Abuse Hotline when both Survivor and Victim may have been alive, occurred at 2:22 p.m. on February 10, 2011.³⁹ The call was made by a therapist for the Barahona's niece. According to excerpts of department records, which the claimants transcribed onto a PowerPoint slide for the special master hearing, the call and the department's response were as follows:

2/10/11 2:22 PM Survivor and Victim are tied by their hands and feet with tape and made to stay in bathtub all day and night as a form of punishment tape is taken off to ...RESPONSE TIME 24 HOURS BATES 4684-86---
Transcript of Hotline call:-grandmother cares for her and she has foster children who are being abused.... They are being taped up w/their arms and legs and kept in a bathtub-all day and all night and she undoes their arms to eat... and she has been threatened not to say anything.....
....BATES 4672-73

2/10/11 6:42 PM CPI to home NO CALL TO POLICE when kids not home. Accepts mother's story that kids are with Foster Dad as they have separated. Bates 4634

According to a recording of a hearing before the Barahona Investigative Team, department staff explained that the Hotline operator and her supervisor misclassified the call as one requiring a response within 24 hours. The call, according to the department should have resulted in an immediate response.

Similarly, in the department's 2011 review of the events leading to the claim bill, it reviewed its response to the final Hotline call. The department's review concluded that the allegations in the call "suggested criminal child abuse incidents requiring immediate response and outreach to law enforcement."⁴⁰

³⁹ This information is based on excerpts of documents provided by the claimants on a PowerPoint presentation. Copies of complete records relating to the final call to the Hotline and the department's response to the call were not provided to the special master by the claimants.

⁴⁰ The Department of Children and Families, *The Barahona Case: Findings and Recommendations* 10 (Mar. 14, 2011).

II. Specific Types of Evidence or Categories of Events

This component of the Findings of Fact focuses on the interaction of individuals, other than department staff, with Survivor and Victim and events occurring after Victim's death.

A. Judicial Review Proceedings

While Survivor and Victim were placed with the Barahonas, many individuals or entities were overseeing their care. One of these entities was the dependency court. Florida law required the dependency court to review the placement of Survivor and Victim on a regular basis. The information made available during the special master proceeding indicates that the dependency court knew information about the Barahonas' care of the children that, at least in hindsight, is troubling.

For example, during a hearing in December 2004, the guardian ad litem expressed concerns to the dependency court that "'play therapy' that had been originally suggested, and that the judge ordered several months ago had not begun."⁴¹ The guardian ad litem, according to his notes, believed that therapy was needed because Victim "had begun to touch her sexual areas again" since she started visitation with her biological father.⁴² In response to these concerns, "the judge told DCF to have another evaluation, and to begin therapy ASAP."⁴³

Later in the dependency process, the department reported to the court that Mr. Barahona prevented the guardian ad litem from visiting Survivor and Victim at home from May to August 2007.⁴⁴

Similarly, in October 2007, a Citizen Review Panel, appointed by the dependency court, issued a report of its findings and recommendations relating to Survivor and Victim.⁴⁵ Although the panel found that Survivor and Victim's placement with the Barahonas was "APPROPRIATE and SAFE," the report listed several recent legal events and several other concerns.⁴⁶

⁴¹ Guardian Ad Litem Case Log, Dec. 14, 2004 (BATES 4914).

⁴² *Id.*

⁴³ *Id.*

⁴⁴ Recording of hearing of the Barahona Investigative Team. On this issue, the claimants' PowerPoint presentation to the special masters cited to BATES 4635-36.

⁴⁵ Recommendations and Findings of the Citizen Review Panel, In and For the Circuit Court of the 11th Judicial Circuit in and for Miami-Dade County, Florida based on a hearing on Oct. 3, 2007 (BATES 4621—27).

⁴⁶ *Id.*

The first legal event described by the panel was that the guardian ad litem had not seen the children in 3 months. The second legal event was an abuse report that had been filed with the dependency court. The panel described the events surrounding the abuse report as follows:

[The principal] reported that [Victim's] teacher called the foster mother with concerns that there has been an increase in absences and there has not been follow through. Both children doing poorly in school and falling asleep in class. They are scared to go home and is hoarding food. They are petrified of getting in trouble. The kindergarten teacher for [Survivor] and [Victim] was also present. She reported that she was their teacher for 2 1/2 months. The children were fearful of the mom and was petrified to have the mother called. The court ordered reevaluation of both children. Court order psycho-educational and psychological on the children.⁴⁷

The concerns relevant to the claim bill, which were in the panel's October 2007 report, included a concern that the children's dental exams had not been submitted to the panel for review.⁴⁸ The panel also stated that it was concerned that the judicial review social study report was not pre-filed by the Center for Family and Child Enrichment, as required by statute. Finally, the panel expressed a concern that the guardian ad litem had not been able to visit the children at the foster home. Despite the concern, the panel noted the statement of an unidentified foster parent that the guardian ad litem did not show up for visits at the scheduled times and called them at an inconvenient time.

After the Citizen Review Panel issued its October 2007 report and after a hearing in the dependency court, the guardian ad litem supervisor sent an email to the guardian ad litem describing the hearing. The supervisor explained, "the judge was not 'buying' what the foster parents were saying" about the guardian ad litem's access to the Barahona home.⁴⁹ The

⁴⁷ *Id.*

⁴⁸ *Id.* "On three different occasions, the Citizen's Review Panel held a hearing and found that there was no documentation of the current physical, dental or vision check-ups available for the children, nor were they receiving any required therapy." The Department of Children and Families, *The Barahona Case: Findings and Recommendations* 8 (Mar. 14, 2011).

⁴⁹ Email from Cynthia Kline, guardian ad litem supervisor, to Paul Neumann, guardian ad litem, Oct. 23, 2007 (BATES 4658).

supervisor further explained, “it appears everyone (although the Judge did not say so) is under the impression that the foster parents are trying to hide something.”⁵⁰ It was made very clear, wrote the supervisor, that the guardian ad litem was to be given access to the children in the home.

Nonetheless, the Barahona’s complaints about the guardian ad litem were considered. Eventually, the guardian ad litem was “discharged from the case to smooth over relationships with the Barahonas.”⁵¹

B. Psychological Evaluations

During the special master proceeding, the claimants provided the special master with a psychological evaluation written by Dr. Vanessa Archer in September 2005 along with portions of other evaluations written by her.⁵² The report from September 2005 concluded that “it would be extremely traumatic, if not devastatingly detrimental to the emotional and psychological well-being of these children if they were removed from their current home to be placed with relatives with whom they have no prior relationship. The effects of such a removal, regardless of what transition phase occurs, would have life-long consequences for these children.”⁵³

The children were evaluated again by Dr. Archer in 2007 when they were 7 years old. Her report stated that both Survivor and Victim had symptoms of depression and that they had thought of killing themselves.⁵⁴ The report further stated that Victim “is sure that terrible things are going to happen to her.”⁵⁵ Survivor expressed to Dr. Archer that he thought “the purpose of the evaluation was to talk about what his father did to him noting that his father ‘tickled’ him.”⁵⁶ Similarly, “[Victim] expressed the belief that the purpose of the evaluation was to talk about what her father said to her and that ‘people are lying.’”⁵⁷

⁵⁰ *Id.*

⁵¹ The Department of Children and Families, *The Barahona Case: Findings and Recommendations* 9 (Mar. 14, 2011).

⁵² Dr. Archer was a defendant in the underlying lawsuits. She was released, according to one of the claimants’ attorneys, because she had no insurance.

⁵⁵ *Id.*

⁵⁶ *Id.*

⁵⁷ *Id.*

Despite the findings in her previous evaluations, in an excerpt of an evaluation from February 2008, Dr. Archer wrote, “it is astounding how these children have thrived. They clearly have a strong bond with their current care givers.” As a result, Dr. Archer concluded that adoption was clearly in the children’s best interest and “should be allowed to proceed without further delay.”⁵⁸

With respect to the February 2008 evaluation, the Barahona independent investigative panel appointed by the department concluded that Dr. Archer:

failed to consider critical information presented by the children’s principal and school professionals about potential signs of abuse and neglect by the Barahonas. That omission made Dr. Archer’s report, at best, incomplete, and should have brought into serious question the reliability of her recommendation of adoption. Several professionals, including the Our Kid’s case manager, the GAL, and the Children’s Legal Services attorney as well as the judge, were, or should have been, aware of that significant omission, and yet apparently failed to take any steps to rectify that critical flaw in her report.⁵⁹

No evidence was produced for the special master proceeding showing whether the department or someone else selected Dr. Archer to perform the psychological evaluations.

C. Abuse Suffered by Survivor and Victim

During the special master hearing, Dr. Eli Newberger testified about the specific types of abuse and neglect suffered by Survivor and Victim. Dr. Newberger is a pediatrician and an expert in matters relating to child abuse and neglect. His testimony was based on his physical examinations of and interviews with Survivor in February 2013 and September 2015. His testimony is also based on interviews of Survivor’s aunt and uncle in Texas, who were finally able to adopt Survivor in May 2012.

Dr. Newberger testified that the Barahonas abused and neglected Survivor and Victim in numerous ways. As explained to Dr. Newberger by Survivor:

⁵⁸ Excerpt of a psychological evaluation reproduced on the claimants’ PowerPoint presentation, labeled Vanessa L. Archer PhD Report: 2/12/08 (BATES 4991-95).

⁵⁹ *The Nubia Report: The Investigative Panel’s Findings and Recommendations*, 5

- Mr. Barahona put hot sauce in Survivor's and Victim's eyes, nose, ears, and private parts, both front and back.
- Mr. Barahona shoved a noisemaker in Survivor's ear.
- Mr. Barahona made Survivor and Victim sleep in the bathtub with ice nearly every day for almost 3 years.
- The Barahonas tied Survivor's and Victim's hands and feet together with tape.
- Mr. Barahona would hit Survivor with a shoe and a mop, hard enough to cause bleeding.
- Mr. Barahona punched Survivor in the mouth, which resulted in Survivor having corrective surgery.
- Mr. Barahona would place a plastic bag at random times over Survivor and Victim's heads for as long as Mr. Barahona would like.
- Mr. Barahona would give electric shocks to Victim for a minute at a time.
- Mr. Barahona had doused Survivor with chemicals.
- Survivor had gone without eating in the Barahona home for as long as 3 days.
- Before Victim had been found, Mr. Barahona gave Survivor pills that caused Survivor to have seizures.

Dr. Newberger's physical examinations of Survivor found numerous scars across his body which were consistent with the abuse described by Survivor above. On Survivor's forearms and ankles, Survivor had linear healing lacerations from cuts through the lowest level of the skin. These scars, according to Survivor, were from having been bound in the bathtub. On his lower abdomen and back, Survivor had scars that are consistent with chemical burns. Survivor also had scarring on his penis, consistent with chemical burns.

Between Dr. Newberger's first examination of Survivor in 2013 and his examination of Survivor in 2015, some of Survivor's scars faded, but others expanded and became more prominent. How long the scars will last is unknown, but they constantly remind Survivor of the abuse he suffered.

When Dr. Newberger asked Survivor whether he was frightened all the time in the Barahona home, Survivor replied, "At night, in the bathtub, we were scared about what would happen in the morning." Additionally, Survivor told Dr. Newberger that at some point in time near Victim's death, she

told him that she wanted to die because she couldn't take the abuse anymore.

The abuse Survivor suffered in the Barahona home continues to affect him in many ways. Survivor's aunt and uncle explained to Dr. Newberger that soon after Survivor was placed with them, they would find Survivor gasping for air in the middle of the night. He was having nightmares about bags being placed over his head.

Unusual smells tend to trigger memories of abuse. Survivor might suddenly say: "I can't stay here," "It reminds me of the chemicals in the truck," or "it reminds me of what [Victim's] body smelled like after she died." Mr. Barahona operated a pest control business, and Mr. Barahona's truck was carrying pest control chemicals when Survivor and Victim were found.

In school, Dr. Newberger explained, Survivor cannot solve math problems or understand what he is reading without a full-time aide by his side. He cannot take any tests without the presence of an aide. Survivor's grades are poor or failing. According to Survivor, he cannot concentrate because he is constantly thinking about the abuse.

A recent example of how memories of abuse affect Survivor occurred after Survivor met with a prosecutor for one of the Barahonas. After he met with the prosecutor, Survivor was tremendously distressed. He insisted on being treated as an infant for a few days. He wanted to be cuddled and called by various pet names that one would call an infant. In psychological terms, this event was a serious regression and was very unusual for a 15 year old, according to Dr. Newberger.

Dr. Newberger has diagnosed Survivor as having chronic post-traumatic stress disorder, noting that Survivor's entire arc of development has been nothing but deprivation, assaults, witnessing assaults, including a murderous assault on his sister. Dr. Newberger further opined that within a reasonable degree of medical probability, Survivor has suffered a permanent injury because of the abuse in the Barahona home.

Dr. Newberger concludes that Survivor will need psychiatric and psychological care for the rest of his life as he comes into

contact with things that provoke memories and distress. Moreover, Dr. Newberger opined that if Survivor does not have the capacity to learn, his capacity to have a job and provide for himself, his ability to live independently, and his capacity to have a family and conduct himself as an adult are crippled.

D. The Barahona Case: Findings and Recommendations

On February 21, 2011, days after Victim's body was found, the Secretary of the Department of Children and Families established an independent investigative panel to examine issues relating to the Barahonas.⁶⁰ The department attached the findings and suggestions from the investigative panel in its report titled *The Barahona Case: Findings and Recommendations*. When available, the department's assessments of its actions are included in the chronological description of its interaction with the children.

During the special master hearing, a member of the investigative panel, David Lawrence,⁶¹ described the panel's activities, information it reviewed, and the findings described in its report titled *The Nubia Report: The Investigative Panel's Findings and Recommendations*.⁶² The investigative panel's findings include the following:

- Dr. Archer failed to consider critical information about potential signs of abuse, making her reports incomplete.⁶³
- The case manager from Our Kids, the guardian ad litem, and the Children's Legal Services attorney, as well as the judge, were, or should have been, aware of significant omissions in Dr. Archer's reports but failed to take any serious steps to correct the critical flaws.⁶⁴
- There was no centralized system to ensure the dissemination of critical information to all parties overseeing the care of Survivor and Victim.⁶⁵

⁶⁰ David Lawrence Jr., Roberto Martinez, and Dr. James Sewell, *Barahona Investigative Team Report 4* (Mar. 10, 2011).

⁶¹ Mr. Lawrence was the president of The Early Childhood Initiative Foundation and chair of the Children's Movement of Florida.

⁶² *The Nubia Report: The Investigative Panel's Findings and Recommendations* is available at <https://www.dcf.state.fl.us/initiatives/barahona/docs/meetings/Nubias%20Story.pdf>.

⁶³ David Lawrence, Jr., et al., *supra* note 60.

⁶⁴ *Id.* at 5.

⁶⁵ *Id.*

- The guardian ad litem, school personnel, and a nurse practitioner raised serious concerns that should have required “intense and coordinated follow-up.”⁶⁶
- There was no person serving as the “system integrator” who ensured that relevant information, including allegations of abuse, was shared and made accessible to others.⁶⁷
- There is evidence of multiple instances in which the Barahonas did not ensure the health of Survivor and Victim.⁶⁸
- During the hearings before the panel, the actions and testimony of the Chief Executive Officers of Our Kids and the Center for Family and Child Enrichment “created suspicions as to what, if anything, they were trying to hide.”⁶⁹
- Post-adoption services should have been identified by Our Kids after a post-adoption call to the Hotline in June 2010.⁷⁰
- Much of the necessary information raising red flags about the Barahonas was present within the system, but the individuals involved relied on inadequate technology instead of talking to each other.⁷¹

E. Letter of Support

The department has provided a letter of support for a claim bill in an amount not to exceed \$3.75 million, consistent with the settlement agreement in this matter.

III. Inferential Findings of Fact

The evidence presented, including the guardian ad litem’s access to the children, lack of documentation of necessary medical care, the nature of the complaints to the Hotline, and the children’s statements to Dr. Archer, show that the department and other defendants to the underlying lawsuits would have had good reason to be suspicious of how the Barahonas were treating Survivor and Victim. Moreover, the shortcomings of the department in its responses to allegations of abuse and neglect, including admissions that its staff failed

⁶⁶ *Id.* at 6.

⁶⁷ *Id.*

⁶⁸ *Id.* at 7.

⁶⁹ *Id.* at 8.

⁷⁰ *Id.*

⁷¹ *Id.* at 9.

to follow procedures, are credible along with the findings of the independent review panel.

Because the individuals overseeing the care of Survivor and Victim, which included department staff and others, had reason to be suspicious, it seems appropriate to ask, what possible explanation could there be for failing to discover the abuse and neglect? Because this matter settled before discovery and trial and because the individuals involved were not asked to testify for the special master proceeding, they were never asked this question on the record. However, the evidence available suggests that their conduct might be explained by:

- Evidence and allegations of abuse and neglect by the children's biological mother who was a drug addict and their biological father, a child molester.
- The lack of evidence that Barahonas had improperly cared for their other adoptive children.
- The convincing nature of the Barahona's lies and the Barahona's ability to coerce the children into denying the allegations of abuse.
- Wishful thinking, coupled with a belief that the signs of the type of unimaginable abuse perpetrated by the Barahonas would have been more obvious.

Although one might explain the conduct of the department and others as above, the explanations become less and less of an excuse as the signs and allegations of abuse and neglect increase.

CONCLUSIONS OF LAW:

The lawsuits leading to this claim bill were based on allegations of negligence and civil rights violations.

I. Negligence

In a negligence action, "a plaintiff must establish the four elements of duty, breach, proximate causation, and damages."⁷² Whether a duty of care exists is a question of law.⁷³ The Department of Children and Families has a duty to reasonably investigate complaints of child abuse and neglect, which is recognized by case law.⁷⁴ Once a duty is found to

⁷² *Limones v. School Dist. of Lee County*, 161 So. 3d 384, 389 (Fla. 2015).

⁷³ *McCain v. Fla. Power Corp.*, 593 So. 2d 500, 502 (Fla. 1992).

⁷⁴ *Dept. of Health and Rehabilitative Svcs. v. Yamuni*, 498 So. 2d 441, 442-43 (Fla. 3d DCA 1986) (stating that the Dept. of Health and Rehabilitative Services, a precursor to the Dept. of Children and Families, has a statutory

exist, whether a defendant was negligent in fulfilling that duty is a question for the finder of fact.⁷⁵ In making that determination, a fact finder must decide whether a defendant exercised the degree of care that an ordinarily prudent person, or caseworker in this instance, would have under the same or similar circumstances.⁷⁶

I find that the claimants provided sufficient evidence in the proceeding to show that, had this case proceeded to trial, a jury would have found that the department and others breached their duties to Survivor and Victim. Juries have done so in somewhat similar lawsuits. However, due to the limited evidence, especially the lack of testimony of any of the various caseworkers, case managers, and child protective investigators, the specific point in time that the department breached its duty cannot be identified with precision.

I also find that the claimants presented sufficient evidence in this matter to show that a jury would have found that actions and inactions by the department proximately caused the suffering of Survivor and Victim to be prolonged and caused Survivor's death. "[T]he issue of proximate cause is generally a question of fact concerned with 'whether and to what extent the defendant's conduct foreseeably and substantially caused the specific injury that actually occurred.'"⁷⁷ In cases against the department having some similarities to this matter, the appellate court determined that "[t]he plaintiffs presented evidence that there is a natural, direct, and continuous sequence between DCF's negligence and [a child's] injuries such that it can be reasonably said that but for DCF's negligence, the abuse to [the child] would not have occurred."⁷⁸

Finally, I find that the claimants presented sufficient evidence that a jury would have further found that Survivor and Victim suffered damages because of the department's negligence. No amount of money can compensate for the pain and

duty of care to prevent further harm to children when reports of child abuse are received); *Dept. of Children and Family Svcs. v. Amora*, 944 So. 2d 431 (Fla. 4th DCA 2006).

⁷⁵ *Yamuni*, 529 So. 2d at 262.

⁷⁶ *Russel v. Jacksonville Gas Corp.*, 117 So. 2d 29, 32 (Fla 1st DCA 1960) (defining negligence as, "the doing of something that a reasonable and prudent person would not ordinarily have done under the same or similar circumstances, or the failure to do that which a reasonable and prudent person would have done under the same or similar circumstances").

⁷⁷ *Amora*, 944 So. 2d at 431.

⁷⁸ *Id.*

suffering that Survivor and Victim endured. However, the \$5 million settlement by the department in this matter is not excessive compared to jury verdicts in similar cases.

II. Federal Civil Rights Violations

The federal lawsuit underlying this claim bill alleged that the department, its employees, Our Kids and its employees, and the Center for Family and Child Enrichment and its employees violated the federal civil rights of Survivor and Victim.

The specific legal standard governing civil rights claims is set forth in 42 U.S.C. s. 1983, which states in relevant part:

Every person who, under color of any statute, ordinance, regulation, custom, or usage, of any State . . . subjects, or causes to be subjected, any citizen of the United States or other person within the jurisdiction thereof to the deprivation of any rights, privileges, or immunities secured by the Constitution and laws, shall be liable to the party injured in an action at law, suit in equity, or other proper proceeding for redress

In contrast to a negligence action, in a civil rights action, the defense of sovereign immunity or the limits on the collectability of a judgment or the payment of a claim under s. 768.28, F.S., do not apply.⁷⁹ For the time periods applicable to the claim bill, s. 768.28, F.S., limited the collectability of a judgment or claim to \$100,000 per person and \$200,000 for all claims arising out of the same incident.⁸⁰

Case law clearly shows that under 42 U.S.C. s. 1983, state officials and contractors such as Our Kids can be held liable for violations of a foster child's civil rights.⁸¹ The applicable rights protected by statute include the "constitutional right to

⁷⁹ *Howlett v. Rose*, 496 U.S. 356 (1990).

⁸⁰ Chapter 2010-26, Laws of Fla., increased the limits on the payment of a claim or judgment to \$200,000 per person and \$300,000 for all claims arising out of the same incident. The increased limits apply to claims arising on or after October 1, 2011.

⁸¹ *Taylor v. Ledbetter*, 818 F.2d 791 (11th Cir. 1987); *Crispell v. Dept. of Children and Families*, 2012 WL 3599349 (M.D. Fla. 2012) (denying Children's Homes Society of Florida's motion to dismiss a civil rights action because the court found that the entity was not an arm of the state entitled to immunity under the 11th Amendment to the United States Constitution); *Woodburn v. Dept. of Children and Family Svcs.*, 854 F.Supp.2d 1184, 1201 (S.D. Fla. 2011) (finding that the plaintiff "alleged sufficient facts to support a facially plausible claim that her constitutional rights were violated by . . . Our Kids for the purpose of surviving a motion to dismiss").

be free from unnecessary pain and a fundamental right to physical safety.”⁸²

Proving a civil rights violation is different than proving negligence.⁸³ In a civil rights action, the plaintiff must show that the defendant was deliberately indifferent to the violation of a federal right. The defendant’s knowledge of a risk of harm is key. A state official acts with deliberate indifference only when disregarding a risk of harm of which he or she is actually aware.

Following the guidance above, the Federal 11th Circuit Court of appeals has stated that “in order to establish deliberate indifference, plaintiffs must be able to allege (and prove at trial) that the defendant (1) was objectively aware of a risk of serious harm; (2) recklessly disregarded the risk of harm; and (3) this conduct was more than merely negligent.”⁸⁴

The evidence presented during the special master proceeding showed that the actions of the department were negligent, not civil rights violations.⁸⁵

RELATED ISSUES:

A claim bill is an act of legislative grace, not an entitlement.⁸⁶ These bills are a “voluntary recognition of its moral obligation by the legislature . . . based on its view of justice and fair treatment of one who ha[s] suffered at the hands of the state.”⁸⁷ Consistently, the legislative proceedings relating to claim⁸⁸ bills are “separate and apart from the constraints of an earlier lawsuit.”⁸⁹

For these reasons, special masters inquire into matters that might not be admissible in court but may be relevant to

⁸² *Ray v. Foltz*, 370 F.3d 1079, 1082 (11th Cir. 2004) (citing *Taylor v. Ledbetter*, 818 F.2d 791, 794-95 (11th Cir. 1987) (en banc)).

⁸³ *Ray v. Foltz*, 370 F.3d 1079, 1083 (11th Cir 2004).

⁸⁴ *Id.* (citing *McElligott v. Foley*, 182 F.3d 1248, 1255 (11th Cir. 1999)).

⁸⁵ Nonetheless, the department made a payment of \$1.25 million, which was in excess of the amounts authorized for negligence actions under s. 768.28, F.S. Perhaps there are facts that are known by the parties that were not presented. When I asked the claimants’ attorneys during the special master hearing what facts took the Barahona lawsuits from negligence to a civil rights action, they declined to directly answer the question.

⁸⁶ *Searcy Denny Scarola Barnhart & Shipley, P.A. v. State*, 2015 WL 4269031, *5 (Fla. 4th DCA), *review granted*, 2015 WL 6127021 (Fla. Oct. 14, 2015).

⁸⁷ *Noel v. Schlesinger*, 984 So. 2d 1265, 1267 Fla. 4th DCA) quoting *Gamble v. Wells*, 450 So. 2d 850, 853 (Fla. 1984).

⁸⁸ *Searcy, et al.*, *supra* note 86.

⁸⁹ *Id.*

decisions by legislators. These inquiries do not affect the recommendation of this report. However, common inquiries include: What is the claimant's criminal history? Is the claimant lawfully present in the United States? Is there any information about the claimant which would cause embarrassment to the Legislature should it enact the claim bill?

Because of the complexity of the department's system to oversee foster care and investigate allegations of abuse and neglect, different questions arise in this matter. These questions relate to the liability of other parties who were also defendants to the underlying lawsuits and were under contract to care for Survivor and Victim.

I. Fault and Damages Collected from Other Defendants

With respect to this claim bill, the most relevant inquiry asks: Who besides the Department of Children and Families was at fault for the abuse and neglect of Survivor and Victim? Of the others at fault, why were they at fault and what was their relative contribution to the damages suffered by Survivor and Victim? Finally, what amounts have been recovered from others?⁹⁰

The claimants declined my request to explain the responsibility of others for the abuse of Survivor and Victim and Victim's death.⁹¹ Nonetheless, there is information suggesting that others bear substantial responsibility, including Dr. Archer, Our Kids, and the Center for Family and Child Enrichment.

According to the settlement agreement in this matter, the department agreed to work cooperatively to reach a settlement with Dr. Archer "as part of which she will agree to take no more court or agency appointments relating to the

⁹⁰ If the lawsuit had proceeded to trial after the claimants reached a settlement with other defendants, a court may have found that the settlement agreement could not be used as a basis for offsetting damages owed by the department by damages paid by one of the defendants to the underlying lawsuits. See *Wal-Mart Stores v. Strachan*, 82 So. 3d 1052 (Fla. 4th DCA 2011). With the abolition of joint and several liability, an award against a defendant generally may not be offset by amounts recovered by a settlement with another defendant. *Id.*

⁹¹ The State Constitution permits a legislator to consider any information he or she deems to determine whether a claim bill is in the interests of his or her constituents or the state as a whole. Moreover, because claim bills are a type of appropriation bill, a legislator should have access to information necessary to determine how to rank a claim bill among the state's funding priorities.

foster care or dependency system, or children in it.”⁹² Further, according to one of the attorneys for the claimants, Dr. Archer was dismissed from the federal court case; she had no insurance, and she made no payment.⁹³

The claimants disclosed that they reached a settlement agreement with Our Kids and the Center for Family and Child Enrichment. I asked for the claimants’ attorneys for details about the settlement agreement. They refused to make the settlement agreement available or disclose the settlement amount.⁹⁴

Had the claimants fully disclosed information relative to the conduct of the other defendants to the underlying lawsuits and any settlements, the Legislature could independently evaluate whether the department’s settlement agreement is in the best interests of the state. Similarly, the lack of disclosure restricts the Legislature from independently determining whether it has a moral obligation to provide compensation in excess of the settlement agreement with the department.

The Supreme Court’s opinion in *Fabre v. Marin* shows that, had this matter been presented to a jury, the jury would have apportioned the damages among all the responsible persons.⁹⁵ Thus, the department would have been responsible only for that portion of damages equivalent to its percentage of fault.^{96, 97}

⁹² Mem. of Settlement, paragraph 5 (Mar. 6, 2013), *Survivor and Estate of Victim v. Our Kids of Miami/Dade/Monroe, Inc. et al.*, Case No.: 1:11-cv-24611-PAS.

⁹³ Statement of Neal Roth during the special master hearing (Oct. 30, 2015).

⁹⁴ The settlement agreement between the claimants and Our Kids and the Center for Family and Child Enrichment should be readily available as a public record, just as the claim bill, investigative reports by the department, and the settlement agreement between the claimants and the department is a public record. See ss. 409.1671 (2011), 287.058(1)(c), 119.011(2), and 119.07(1), F.S.; see also s. 69.081(8), F.S. The information is also available to the Legislature under s. 11.143, F.S.

⁹⁵ *Fabre v. Marin*, 623 So. 2d 1182 (Fla. 1993).

⁹⁶ *Id.* at 1185.

⁹⁷ Additionally, the lack of disclosure by the claimants’ attorneys precludes an analysis of whether the department could be legally responsible for the contractors. According to *Del Pilar v. DHL Customer Solutions, Inc.*, 993 So. 2d 142, 145-46 (Fla. 1st DCA 2008):

Generally, a principal is not vicariously liable for the negligence of its independent contractor, but the principal is liable for the negligence of its agent. See generally *Fla. Power & Light Co. v. Price*, 170 So.2d 293 (Fla.1964). Whether one laboring on behalf of another is a mere agent or an independent contractor “is a question of fact ... not controlled by descriptive labels employed by the parties themselves.” *Parker v. Domino's Pizza, Inc.*, 629 So.2d 1026, 1027 (Fla. 4th DCA 1993) (internal citations omitted); see also *Font v. Stanley Steamer Int'l, Inc.*, 849 So.2d 1214, 1216 (Fla. 5th DCA 2003) (noting that question of status “is normally one for the trier of fact to decide”).

II. Distribution of Settlement Proceeds

A second related issue is whether the settlement funds paid by the department have been distributed to Survivor and the Estate of Victim. Pursuant to its settlement agreement with the claimants, the department has made the required payment of \$1.25 million. The Memorandum of Settlement, filed in the federal lawsuit, required the department to pay the settlement funds to the claimants' attorneys by the beginning of April 2013.

In October 2015, the claimants successfully terminated any rights the Barahonas may have had to inherit from Victim's estate. However, as of the date of this report, the claimants' attorneys have not provided any information showing that the settlement funds were distributed to their clients.

ATTORNEYS FEES:

Section 768.28(8), F.S., states “[n]o attorney may charge, demand, receive, or collect, for services rendered, fees in excess of 25 percent of any judgment or settlement.” In compliance with the statute, Neal Roth, one of the claimants' attorneys, submitted an attorney fee affidavit that states in pertinent part:

1. My name is Neal A. Roth and I am a partner of the Law Firm of Grossman Roth . . .
2. Grossman Roth, P.A., is counsel for Claimants, Survivor and Richard Milstein, as Personal Representative of the Estate of Victim, deceased.
3. As counsel for the Claimants, we have fully complied with all provisions of Section 768.28 (8).
4. Insofar as lobbying fees are concerned, the bill as filed provides that any lobbying fees related to the claim bill will be included as part of the statutory cap on attorneys' fees in Section 768.28.

Additionally, closing statements provided by the claimants' attorneys indicate that the contract with the claimants provides for an award of attorney fees in the amount of 25 percent of the \$5 million settlement, which is \$1.25 million, plus costs.

RECOMMENDATIONS:

For the reasons set forth above, I recommend that Senate Bill 18 be reported FAVORABLY.

Respectfully submitted,

Thomas C. Cibula
Senate Special Master

cc: Secretary of the Senate

CS/CS by Appropriations on April 5, 2017:

The committee substitute directs that the source of funds used for this relief bill be derived from the Federal Grants Trust Fund in the Department of Children and Families rather than from the General Revenue Fund. Also, funds are to be paid over a two year period rather than in a single year as originally specified.

CS by Judiciary:

The committee substitute, in conformity with a recent opinion of the Florida Supreme Court, does not limit the amount of lobbying fees that may be paid from the proceeds of the bill.

By the Committee on Judiciary; and Senator Flores

590-01948-17

201718c1

A bill to be entitled

An act for the relief of "Survivor" and the Estate of "Victim"; providing an appropriation to compensate Survivor and the Estate of Victim for injuries and damages sustained as result of the negligence of the Department of Children and Families, formerly known as the Department of Children and Family Services; providing that the amount already paid by the department and the appropriation satisfy all present and future claims related to the injuries of Survivor and the death of Victim; providing a limitation on the payment of attorney fees; providing an effective date.

WHEREAS, on May 30, 2000, 4 days after their birth, a baby boy, hereinafter referred to as "Survivor," and his twin sister, hereinafter referred to as "Victim," first came to the attention of the Department of Children and Families, formerly known as the Department of Children and Family Services, due to the fact that the children were to be sent to separate foster homes, and

WHEREAS, Survivor was reunited with their biological mother and father on July 26, 2000, and Victim was reunited with them on January 8, 2001, and

WHEREAS, on August 4, 2003, the court terminated the parental rights of Survivor's and Victim's biological mother, and

WHEREAS, on March 26, 2004, Survivor's and Victim's biological father was arrested, which resulted in both Survivor and Victim being placed in the custody of the state and moved into the foster home of Jorge and Carmen Barahona, and

590-01948-17

201718c1

WHEREAS, within 4 days of the placement of Survivor and Victim in foster care, contact was made with paternal relatives in Texas, Mr. and Mrs. Reyes, to explore their potential role as caregivers, and

WHEREAS, on March 30, 2004, Mr. and Mrs. Reyes informed the Department of Children and Families that they were interested in caring for Survivor and Victim, and

WHEREAS, pursuant to s. 39.521, Florida Statutes, placement with adult relatives takes priority over out-of-home licensed foster care placement, and Survivor and Victim should have been placed in the Reyes's home as soon as due diligence allowed, and

WHEREAS, pursuant to s. 39.001, Florida Statutes, Department of Children and Families case workers are required to achieve permanency within 1 year, either through reunification with a child's natural parents or adoption, and

WHEREAS, due to significant delays in the placement process, the Reyes were not permitted to adopt Survivor and Victim, who remained in the care of the Barahonas, and

WHEREAS, significant events occurred which the Department of Children and Families knew or should have known were indicative of the perpetration of abuse of Survivor and Victim, and

WHEREAS, in at least one instance, allegations of medical neglect were reported and, pursuant to Department of Children and Families Operating Procedure 175-28, the allegations should have been verified and Survivor and Victim should have been immediately removed from the Barahona home, and

WHEREAS, in January 2005, it was reported that Jorge Barahona had "tickled the private parts" of Victim, which the

590-01948-17 201718c1

59 child protective investigator dismissed as being of "little
60 concern," and

61 WHEREAS, on March 20, 2007, Survivor's and Victim's school
62 principal called in an abuse report to the Department of
63 Children and Families which alleged that, for 5 months, Victim
64 had been going to school at least two to three times per week
65 with serious body odor, smelling rotten, and appearing unkempt;
66 that Victim's uniforms were not clean and her shoes were dirty;
67 that on one occasion Victim had spilled applesauce in her hair
68 at school and returned the following day with the applesauce
69 still in her hair; that Victim was always hungry and eating a
70 lot at school, hoarding food in her backpack from breakfast and
71 lunch, and there was a concern that she was not eating at home;
72 that Victim was afraid to talk; that Survivor also went to
73 school appearing unkempt; and that both Survivor and Victim were
74 having trouble staying awake during classes, and

75 WHEREAS, on March 29, 2007, the Department of Children and
76 Families learned that Survivor and Victim had been absent from
77 school approximately 20 days, taken out of school early about a
78 dozen times, and were expected to be retained in the first
79 grade, and

80 WHEREAS, on May 29, 2009, Victim and Survivor were adopted
81 by the Barahonas, despite numerous incidents that should have
82 led to an active investigation and discovery of abuse, and

83 WHEREAS, in February 2011, the Department of Children and
84 Families Abuse Hotline received another report concerning
85 Survivor and Victim, this time alleging that Survivor and Victim
86 were being severely abused and imprisoned from the world, and

87 WHEREAS, it was the duty of the Department of Children and

590-01948-17 201718c1

88 Families to remove Survivor and Victim from a placement in which
89 there was a substantial risk of harm and, over the course of 6
90 years, there were multiple instances of abuse which the
91 department either knew or should have known were occurring in
92 connection with their placement with the Barahonas, and

93 WHEREAS, on February 14, 2011, Victim was found dead in a
94 truck parked off I-95 in Palm Beach County, and Survivor was
95 found near death, in critical condition, and

96 WHEREAS, after the death of Victim and the discovery of the
97 severe abuse of both children, the Secretary of the Department
98 of Children and Families, David E. Wilkins, conducted an
99 investigation that culminated on March 14, 2011, with the
100 issuance of a report of findings and recommendations, and

101 WHEREAS, in the executive summary of the report,
102 investigators reported that there were significant gaps and
103 failures in common sense, critical thinking, ownership, follow-
104 through, and timely and accurate information sharing, all of
105 which defined the care of Survivor and Victim from the inception
106 of their relationship with the state child welfare system, and

107 WHEREAS, investigators determined that the systematic
108 failure included both investigative and case management
109 processes, as well as the preadoption and postadoption
110 processes, and

111 WHEREAS, the investigative report cited numerous incidents
112 of abuse of the children, including, but not limited to,
113 punching, kicking, choking, beatings, the denial of basic and
114 necessary medical care, forcing the children to eat cockroaches
115 and food that contained feces, sexual abuse, sticking cotton
116 swabs with human feces in the children's ears, suffocating one

590-01948-17 201718c1

117 child with a plastic bag while the other child watched, smearing
 118 feces over the children's faces and placing feces on the
 119 children's hands for extended periods of time, and binding the
 120 children with duct tape and placing them naked in a bathtub
 121 together for days on end, and

122 WHEREAS, after the death of Victim and the discovery of
 123 Survivor, criminal charges were filed against the Barahonas, and

124 WHEREAS, tort claims were filed on behalf of Victim and
 125 Survivor in the United States District Court for the Southern
 126 District of Florida, Case No. 1:11-civ-24611-PAS, and a
 127 complaint was also filed in the Circuit Court for the Eleventh
 128 Judicial Circuit of Miami-Dade County, Case No. 13-2715 CA 25,
 129 and

130 WHEREAS, the personal representative of the Estate of
 131 Victim and the new adoptive parents of Survivor have agreed to
 132 amicably settle this matter and have entered into a settlement
 133 agreement in which the Department of Children and Families has
 134 agreed to pay \$5 million to Survivor and the Estate of Victim,
 135 and

136 WHEREAS, as a result of the allegations of both negligence
 137 and civil rights violations, and pursuant to s. 768.28, Florida
 138 Statutes, the Department of Children and Families has paid \$1.25
 139 million to Survivor and the Estate of Victim, and

140 WHEREAS, the balance of the settlement agreement is to be
 141 paid through the passage of this claim bill in the amount of
 142 \$3.75 million, and such funds shall be allocated between
 143 Survivor and the Estate of Victim so that Survivor will receive
 144 \$1.125 million and the Estate of Victim will receive \$2.625
 145 million, and

Page 5 of 7

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

590-01948-17 201718c1

146 WHEREAS, the Department of Children and Families fully
 147 supports the passage of this claim bill, NOW, THEREFORE,
 148

149 Be It Enacted by the Legislature of the State of Florida:

150
 151 Section 1. The facts stated in the preamble to this act are
 152 found and declared to be true.

153 Section 2. The sum of \$3.75 million is appropriated from
 154 the General Revenue Fund to the Department of Children and
 155 Families for the relief of Survivor for the personal injuries he
 156 sustained and to the Estate of Victim for damages relating to
 157 the death of Victim.

158 Section 3. The Chief Financial Officer is directed to draw
 159 a warrant in favor of the adoptive parents of Survivor, as legal
 160 guardians of Survivor, in the amount of \$1.125 million, and to
 161 Richard Milstein, as personal representative of the Estate of
 162 Victim, in the amount of \$2.625 million upon funds of the
 163 Department of Children and Families in the State Treasury, and
 164 the Chief Financial Officer is directed to pay the same out of
 165 such funds in the State Treasury.

166 Section 4. The amount paid by the Department of Children
 167 and Families pursuant to s. 768.28, Florida Statutes, and the
 168 amount awarded under this act are intended to provide the sole
 169 compensation for all present and future claims arising out of
 170 the factual situation described in the preamble to this act
 171 which resulted in the personal injuries of Survivor and the
 172 death of Victim. The total amount paid for attorney fees
 173 relating to this claim may not exceed 25 percent of the amount
 174 awarded under this act.

COMMITTEE SUBSTITUTE - Technical Changes

I. Summary:

PCS/CS/SB 64 requires the Division of Recreation and Parks (division) of the Department of Environmental Protection (DEP) to provide free annual state park entrance passes and a 50 percent discount on state park base campsite fees to foster families. In addition, the bill requires the division to provide a one-time free annual state park entrance pass at the time of adoption to families who adopt certain special needs children from the Department of Children and Families (DCF). The bill requires the Division, in consultation with the DCF, to identify the types of written documentation sufficient to establish eligibility for the free state park passes and discounted campsite fees and to establish a procedure for obtaining the discounts. Finally, the bill requires the division to continue its partnership with the DCF to promote fostering and adoption of special needs children with events held each year.

The impact on state revenues is expected to be insignificant.

II. Present Situation:

State Parks

Florida's state park system was created in 1935 when the Legislature enacted a series of laws authorizing the Florida Board of Forestry to establish a Florida Park Service and to develop and

maintain a system of state parks.¹ Today, the Division of Recreation and Parks (division) within the Department of Environmental Protection (DEP) has the duty to supervise, administer, regulate, and control the operation of all public parks owned by the state.² This includes 163 state parks, 11 state trails, nearly 800,000 acres, 100 miles of beaches, and more than 1,500 miles of multi-use trails.³

The National Recreation and Park Association annually honors state park systems that demonstrate excellence in long-range planning and resource management. In 2013, Florida became the first three-time National Recreation and Park Association Gold Medal award winner.⁴ It is the policy of the division to promote the state park system for the use, enjoyment, and benefit of the people and visitors of Florida.⁵ The total attendance for the 2015-2016 fiscal year was 31,840,658 visitors, an increase of over 730,000 visitors from the previous fiscal year.⁶

Section 258.014, F.S., authorizes the division to charge reasonable fees, rentals, or charges for the use or operation of facilities and concessions in state parks. All such fees, rentals, and charges collected must be credited to the State Park Trust Fund. The continuing balance of the trust fund is to be used for the administration, improvement, and maintenance of state parks and for the acquisition and development of lands acquired for state park purposes.⁷

The director of the division is authorized to recommend standard admission and other park fees. Daily admission fees can range from \$1-\$13 based upon factors such as user demand, the location of the park, the cost of managing and operating the park, the type of facilities available, the season, and the natural and historic resource values of the park.⁸ Currently, the family annual state park entrance pass costs \$120.⁹ Family campsite fees range from \$10-\$60.¹⁰ State park fees generated approximately \$68.5 million in revenue in Fiscal Year 2015-2016, with annual entrance pass sales totaling \$3.8 million and campsite fees totaling \$19.3 million of that revenue amount.¹¹

Section 258.016, F.S., provides a 50 percent discount on base camping fees at state parks to Florida citizens 65 years of age and older and to Florida citizens possessing a current social

security disability award certificate or a 100 percent disability award certificate from the Federal Government.¹² Section 258.0145, F.S., provides the following state park fee discounts:

- A discount of 25 percent on annual entrance passes to active duty members and honorably discharged veterans of the United States Armed Forces, National Guard, and Reserves; and
- Free lifetime family annual entrance passes to:
 - Honorably discharged veterans who have service-connected disabilities;
 - Surviving spouses and parents of deceased members of the United States Armed Forces, National Guard, or Reserves who have fallen in combat; and
 - Surviving spouses and parents of certain law enforcement officers and certain firefighters who have died in the line of duty.¹³

Foster and Adoptive Families

Section 409.175, F.S., provides for the licensure of family foster homes and includes requirements foster homes must meet in order to operate as a residence for a child.¹⁴ The number of foster families fluctuate, but as of December 2016 there were 5,064 foster homes licensed with the Department of Children and Families under s. 409.175, F.S.¹⁵

Subparagraph 409.166(2)(a)2., F.S., defines a “special needs child” in part as a child who has established significant emotional ties with his or her foster parents or is not likely to be adopted because he or she is:

- Eight years of age or older;
- Developmentally disabled;
- Physically or emotionally handicapped;
- Of black or racially mixed parentage; or
- A member of a sibling group of any age, provided 2 or more members of the sibling group remain together for purposes of adoption.¹⁶

As of November 2016, approximately 40,000 persons in Fiscal Year 2016-2017 qualify for an adoption subsidy payment.¹⁷ Adoption subsidy payments to help offset ongoing costs are paid to many families that adopt one of Florida’s children in care with special needs. The amount of the payment is negotiated on a child-by-child basis through Florida’s Adoption Assistance Program and is available until the child turns 18 years of age.¹⁸

Currently, there are no provisions in Florida Statutes related to state park fee discounts for foster or adoptive families, but the Division is authorized by rule to waive admission fees for certain groups, including clients of the DCF when such clients are part of an organized group or

program under the sponsorship and supervision of the DCF.¹⁹ The division has been using this rule to partner with the DCF since May of 2013 to provide free entry day passes to foster families.²⁰ Such passes are distributed through the DCF district representatives.

III. Effect of Proposed Changes:

This bill requires the division to provide free annual state park entrance passes and a 50 percent discount on state park base campsite fees to families operating a licensed family foster home. In addition, the bill requires the division to provide a one-time free annual state park entrance pass at the time of adoption to families who adopt from the DCF a special needs child as specifically described in s. 409.166(2)(a)2., F.S.

The division, in consultation with the DCF, must identify the types of written documentation sufficient to establish a person's eligibility for a free entrance pass or a discount on campsite fees and must establish a procedure for obtaining the discounts. The DEP indicates that a notification letter may be mailed to eligible families and that a return of the notice or the production of documentation of foster or adoptive family status that a family already possesses will be sufficient to establish eligibility. The DEP will be able to process free entrance passes in person at state parks or through the mail and may be able to develop an online capability for obtaining them. Camping fee discounts may be obtained in person at state parks, through online registration, or through a DEP call center.²¹

Finally, the bill mandates that the division continue its partnership with the DCF to promote fostering and adoption of special needs children with events held each year during National Foster Care Month and National Adoption Month.

The bill takes effect July 1, 2017.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

¹⁹ Fla. Admin. Code R. 62D-2.014(2)(b).

²⁰ Department of Children and Families press release, dated January 18, 2013 (on file with the Senate Committee on Environmental Preservation and Conservation).

²¹ Email message dated February 14, 2017, from Kevin Cleary, Director, Office of Legislative Affairs, Florida Department of Environmental Protection (on file with the Senate Committee on Environmental Preservation and Conservation).

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

PCS/CS/SB 64 eliminates annual state park entrance pass fees and provides a 50 percent discount on base campsite fees for families operating a licensed family foster home. The bill provides a one-time free annual state park entrance pass for families who adopt from the DCF a special needs child meeting certain statutory definitions.

B. Private Sector Impact:

If the free annual entrance passes and discount on campsite fees result in increased visitation at state parks, privately owned concession and rental operations would potentially see an increase in business, which would have a positive fiscal impact on the private sector.

C. Government Sector Impact:

The Revenue Estimating Conference has not analyzed the impact of the bill, but it is likely that impact to the State Park Trust Fund will be insignificant.

The division, in consultation with the DCF, must identify the types of written documentation sufficient to establish a person's eligibility for a discount on state park fees and must establish a procedure for obtaining the discounts. The DEP has stated that the annual cost to establish and administer the procedure for obtaining discounts would be nominal.²²

The free annual entrance passes and discount on campsite fees may increase state park visitation, which potentially will increase other types of park revenue such as entertainment, guided tours, and equipment rentals.

VI. Technical Deficiencies:

None.

VII. Related Issues:

The DEP does not anticipate a need for rulemaking as a result of this bill.²³

VIII. Statutes Affected:

This bill creates section 258.0142 of the Florida Statutes.

²² Email message dated February 14, 2017, from Kevin Cleary, Director, Office of Legislative Affairs, Florida Department of Environmental Protection (on file with the Senate Committee on Environmental Preservation and Conservation).

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

Recommended CS/CS by Appropriations Subcommittee on the Environment and Natural Resources on March 15, 2017:

This committee substitute makes a technical change to delete the word “current” for clarification purposes.

CS by Environmental Preservation and Conservation on February 21, 2017:

- Adds legislative intent language.
- Limits the discount families that adopt special needs children from DCF receive to a one-time family annual state park entrance pass received at the time of adoption at no charge.
- Removes the requirement that a special needs child meet the definition of a child in s. 39.01, F.S., for an adoptive family to be eligible for the free annual entrance pass.
- Requires the Division, in identifying the types of documentation sufficient to establish eligibility and in establishing a procedure for obtaining the discounts, to consult with DCF.
- Specifies that the Division must continue its partnership with DCF to promote fostering and adoption of special needs children with events held each year during National Foster Care Month and National Adoption Month.

- B. **Amendments:**

None.

	.	

The Committee on Appropriations (Bean) recommended the following:

Senate Amendment

Delete line 28
and insert:
charge and a waiver of base campsite fees at state

576-02465-17

Proposed Committee Substitute by the Committee on Appropriations
(Appropriations Subcommittee on the Environment and Natural
Resources)

A bill to be entitled

An act relating to state park fees; creating s.

258.0142, F.S.; providing certain discounts on state
park fees to specified foster and adoptive families;
requiring the Division of Recreation and Parks within
the Department of Environmental Protection to
establish certain documentation standards and create a
procedure for obtaining the discounts; requiring the
division to continue a partnership with the Department
of Children and Families to promote fostering and
adoption of special needs children with certain
events; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 258.0142, Florida Statutes, is created
to read:

258.0142 Foster and adoptive family state park fee
discounts.-

(1) To promote awareness of the contributions made by
foster families and adoptive families to the vitality of the
state, the Division of Recreation and Parks shall provide the
following discounts on state park fees to persons who present
written documentation satisfactory to the division which
evidences their eligibility for the discounts:

(a) Families operating a licensed family foster home under

576-02465-17

s. 409.175 shall receive family annual entrance passes at no
charge and a 50 percent discount on base campsite fees at state
parks.

(b) Families who adopt a special needs child as described
in s. 409.166(2)(a)2. from the Department of Children and
Families shall receive a one-time family annual entrance pass at
no charge at the time of the adoption.

(2) The division, in consultation with the Department of
Children and Families, shall identify the types of documentation
sufficient to establish eligibility for the discounts under this
section and establish a procedure for obtaining these discounts.

(3) The division shall continue its partnership with the
Department of Children and Families to promote fostering and
adoption of special needs children with events held each year
during National Foster Care Month and National Adoption Month.

Section 2. This act shall take effect July 1, 2017.

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 64 requires the Division of Recreation and Parks (division) of the Department of Environmental Protection (DEP) to provide free annual state park entrance passes and a 50 percent discount on state park base campsite fees to foster families. In addition, the bill requires the division to provide a one-time free annual state park entrance pass at the time of adoption to families who adopt certain special needs children from the Department of Children and Families (DCF). The bill requires the Division, in consultation with the DCF, to identify the types of written documentation sufficient to establish eligibility for the free state park passes and discounted campsite fees and to establish a procedure for obtaining the discounts. Finally, the bill requires the division to continue its partnership with the DCF to promote fostering and adoption of special needs children with events held each year.

The impact on state revenues is expected to be insignificant.

II. Present Situation:

State Parks

Florida's state park system was created in 1935 when the Legislature enacted a series of laws authorizing the Florida Board of Forestry to establish a Florida Park Service and to develop and

maintain a system of state parks.¹ Today, the Division of Recreation and Parks (division) within the Department of Environmental Protection (DEP) has the duty to supervise, administer, regulate, and control the operation of all public parks owned by the state.² This includes 163 state parks, 11 state trails, nearly 800,000 acres, 100 miles of beaches, and more than 1,500 miles of multi-use trails.³

The National Recreation and Park Association annually honors state park systems that demonstrate excellence in long-range planning and resource management. In 2013, Florida became the first three-time National Recreation and Park Association Gold Medal award winner.⁴ It is the policy of the division to promote the state park system for the use, enjoyment, and benefit of the people and visitors of Florida.⁵ The total attendance for the 2015-2016 fiscal year was 31,840,658 visitors, an increase of over 730,000 visitors from the previous fiscal year.⁶

Section 258.014, F.S., authorizes the division to charge reasonable fees, rentals, or charges for the use or operation of facilities and concessions in state parks. All such fees, rentals, and charges collected must be credited to the State Park Trust Fund. The continuing balance of the trust fund is to be used for the administration, improvement, and maintenance of state parks and for the acquisition and development of lands acquired for state park purposes.⁷

The director of the division is authorized to recommend standard admission and other park fees. Daily admission fees can range from \$1-\$13 based upon factors such as user demand, the location of the park, the cost of managing and operating the park, the type of facilities available, the season, and the natural and historic resource values of the park.⁸ Currently, the family annual state park entrance pass costs \$120.⁹ Family campsite fees range from \$10-\$60.¹⁰ State park fees generated approximately \$68.5 million in revenue in Fiscal Year 2015-2016, with annual entrance pass sales totaling \$3.8 million and campsite fees totaling \$19.3 million of that revenue amount.¹¹

Section 258.016, F.S., provides a 50 percent discount on base camping fees at state parks to Florida citizens 65 years of age and older and to Florida citizens possessing a current social

security disability award certificate or a 100 percent disability award certificate from the Federal Government.¹² Section 258.0145, F.S., provides the following state park fee discounts:

- A discount of 25 percent on annual entrance passes to active duty members and honorably discharged veterans of the United States Armed Forces, National Guard, and Reserves; and
- Free lifetime family annual entrance passes to:
 - Honorably discharged veterans who have service-connected disabilities;
 - Surviving spouses and parents of deceased members of the United States Armed Forces, National Guard, or Reserves who have fallen in combat; and
 - Surviving spouses and parents of certain law enforcement officers and certain firefighters who have died in the line of duty.¹³

Foster and Adoptive Families

Section 409.175, F.S., provides for the licensure of family foster homes and includes requirements foster homes must meet in order to operate as a residence for a child.¹⁴ The number of foster families fluctuate, but as of December 2016 there were 5,064 foster homes licensed with the Department of Children and Families under s. 409.175, F.S.¹⁵

Subparagraph 409.166(2)(a)2., F.S., defines a “special needs child” in part as a child who has established significant emotional ties with his or her foster parents or is not likely to be adopted because he or she is:

- Eight years of age or older;
- Developmentally disabled;
- Physically or emotionally handicapped;
- Of black or racially mixed parentage; or
- A member of a sibling group of any age, provided 2 or more members of the sibling group remain together for purposes of adoption.¹⁶

As of November 2016, approximately 40,000 persons in Fiscal Year 2016-2017 qualify for an adoption subsidy payment.¹⁷ Adoption subsidy payments to help offset ongoing costs are paid to many families that adopt one of Florida’s children in care with special needs. The amount of the payment is negotiated on a child-by-child basis through Florida’s Adoption Assistance Program and is available until the child turns 18 years of age.¹⁸

Currently, there are no provisions in Florida Statutes related to state park fee discounts for foster or adoptive families, but the Division is authorized by rule to waive admission fees for certain groups, including clients of the DCF when such clients are part of an organized group or

program under the sponsorship and supervision of the DCF.¹⁹ The division has been using this rule to partner with the DCF since May of 2013 to provide free entry day passes to foster families.²⁰ Such passes are distributed through the DCF district representatives.

III. Effect of Proposed Changes:

This bill requires the division to provide free annual state park entrance passes and a 50 percent discount on state park base campsite fees to families operating a licensed family foster home. In addition, the bill requires the division to provide a one-time free annual state park entrance pass at the time of adoption to families who adopt from the DCF a special needs child as specifically described in s. 409.166(2)(a)2., F.S.

The division, in consultation with the DCF, must identify the types of written documentation sufficient to establish a person's eligibility for a free entrance pass or a discount on campsite fees and must establish a procedure for obtaining the discounts. The DEP indicates that a notification letter may be mailed to eligible families and that a return of the notice or the production of documentation of foster or adoptive family status that a family already possesses will be sufficient to establish eligibility. The DEP will be able to process free entrance passes in person at state parks or through the mail and may be able to develop an online capability for obtaining them. Camping fee discounts may be obtained in person at state parks, through online registration, or through a DEP call center.²¹

Finally, the bill mandates that the division continue its partnership with the DCF to promote fostering and adoption of special needs children with events held each year during National Foster Care Month and National Adoption Month.

The bill takes effect July 1, 2017.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

¹⁹ Fla. Admin. Code R. 62D-2.014(2)(b).

²⁰ Department of Children and Families press release, dated January 18, 2013 (on file with the Senate Committee on Environmental Preservation and Conservation).

²¹ Email message dated February 14, 2017, from Kevin Cleary, Director, Office of Legislative Affairs, Florida Department of Environmental Protection (on file with the Senate Committee on Environmental Preservation and Conservation).

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

CS/CS/SB 64 eliminates annual state park entrance pass fees and provides a 50 percent discount on base campsite fees for families operating a licensed family foster home. The bill provides a one-time free annual state park entrance pass for families who adopt from the DCF a special needs child meeting certain statutory definitions.

B. Private Sector Impact:

If the free annual entrance passes and discount on campsite fees result in increased visitation at state parks, privately owned concession and rental operations would potentially see an increase in business, which would have a positive fiscal impact on the private sector.

C. Government Sector Impact:

The Revenue Estimating Conference has not analyzed the impact of the bill, but it is likely that impact to the State Park Trust Fund will be insignificant.

The division, in consultation with the DCF, must identify the types of written documentation sufficient to establish a person's eligibility for a discount on state park fees and must establish a procedure for obtaining the discounts. The DEP has stated that the annual cost to establish and administer the procedure for obtaining discounts would be nominal.²²

The free annual entrance passes and discount on campsite fees may increase state park visitation, which potentially will increase other types of park revenue such as entertainment, guided tours, and equipment rentals.

VI. Technical Deficiencies:

None.

VII. Related Issues:

The DEP does not anticipate a need for rulemaking as a result of this bill.²³

VIII. Statutes Affected:

This bill creates section 258.0142 of the Florida Statutes.

²² Email message dated February 14, 2017, from Kevin Cleary, Director, Office of Legislative Affairs, Florida Department of Environmental Protection (on file with the Senate Committee on Environmental Preservation and Conservation).

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS/CS by Appropriations on April 5, 2017:

This committee substitute makes a technical change to delete the word “current” for clarification purposes.

CS by Environmental Preservation and Conservation on February 21, 2017:

- Adds legislative intent language.
- Limits the discount families that adopt special needs children from DCF receive to a one-time family annual state park entrance pass received at the time of adoption at no charge.
- Removes the requirement that a special needs child meet the definition of a child in s. 39.01, F.S., for an adoptive family to be eligible for the free annual entrance pass.
- Requires the Division, in identifying the types of documentation sufficient to establish eligibility and in establishing a procedure for obtaining the discounts, to consult with DCF.
- Specifies that the Division must continue its partnership with DCF to promote fostering and adoption of special needs children with events held each year during National Foster Care Month and National Adoption Month.

- B. **Amendments:**

None.

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Technical Changes

I. Summary:

PCS/CS/SB 154 requires the Florida Department of Law Enforcement (FDLE) to establish continued employment training relating to autism spectrum disorder (ASD). Instruction must include, but is not limited to, instruction on the recognition of the symptoms and characteristics of an individual on the autism disorder spectrum and appropriate responses to a person exhibiting such symptoms and idiosyncrasies. Completion of the training may count toward the 40 hours of required instruction for continued employment or appointment as a law enforcement officer.

The FDLE is currently developing a course that will address the symptoms of ASD, how to respond to it, and who to call for assistance. This course will be available to all Florida law enforcement officers in the Spring of 2017, and completion of this course may count toward an officer's mandatory retraining credit. The FDLE believes this course should meet the objectives of the bill. The FDLE states the estimated total costs of developing this course (\$10,548) will be covered by current budget resources. Course development is funded by the Criminal Justice Standards and Training Trust Fund.

The bill is effective October 1, 2017.

II. Present Situation:

Autism Spectrum Disorder

The Centers for Disease Control (CDC) estimates that one in 68 children have been identified with autism spectrum disorder.¹ The CDC defines “autism spectrum disorder” as a developmental disability that can cause significant social, communication, and behavioral challenges. Though there is nothing about how ASD people look that sets them apart from other people, the CDC states that people with ASD may communicate, interact, behave, and learn in ways that are different from most other people. The range of abilities of people with ASD can span from gifted to severely challenged.²

Though formerly diagnosed separately, autistic disorder, pervasive developmental disorder, and Asperger syndrome are now included in the diagnosis of ASD.³

The following definitions are codified in Florida law:

- “Autism” is a pervasive, neurologically based developmental disability of extended duration which causes severe learning, communication, and behavior disorders with age of onset during infancy or childhood. Individuals with autism exhibit impairment in reciprocal social interaction, impairment in verbal and nonverbal communication and imaginative ability, and a markedly restricted repertoire of activities and interests.⁴
- “Developmental disability” is a disorder or syndrome that is attributable to intellectual disability, cerebral palsy, autism, spina bifida, Phelan-McDermid syndrome, or Prader-Willi syndrome; that manifests before the age of 18; and that constitutes a substantial handicap that can reasonably be expected to continue indefinitely.⁵
- “Autism spectrum disorder” is any of the following disorders as defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders of the American Psychiatric Association:
 - Autistic disorder;
 - Asperger’s syndrome; and
 - Pervasive developmental disorder not otherwise specified.⁶

Interactions between law enforcement and persons with autism can be dangerous. Law enforcement officers may not understand the behaviors of a person with autism and such behaviors can be seen as a threat. Such interactions can lead to tragic results. An article in the Miami Herald July 20, 2016, reported that a caretaker for a man with autism was shot when the

¹ “Autism Spectrum Disorder (ASD), Autism and Developmental Disabilities Monitoring (ADDM) Network,” National Center on Birth Defects and Developmental Disabilities, Centers for Disease Control and Prevention, available at <http://www.cdc.gov/ncbddd/autism/addm.html> (last visited on February 9, 2017). Data is from the Autism and Developmental Disabilities Monitoring Network.

² “Autism Spectrum Disorder (ASD), Facts about ASD,” National Center on Birth Defects and Developmental Disabilities, Centers for Disease Control and Prevention, available at <http://www.cdc.gov/ncbddd/autism/facts.html> (last visited on February 9, 2017).

⁶ Sections 627.6686(2)(b) and 641.31098(2)(b), F.S.

autistic patient would not obey police commands. The caretaker recovered but the case highlights the dangers when law enforcement encounters persons with autism.⁷

Law Enforcement Training on Autism Spectrum Disorder

In order to maintain certification as a law enforcement officer, the officer must satisfy the continuing training and education requirements of s. 943.135, F.S., which requires officers, as a condition of continued employment or appointment, to receive continuing training or education at the rate of 40 hours every 4 years. The officer's employing agency⁸ must document that the continuing training or education is job-related and consistent with the needs of the employing agency, and report completion of the training to the Criminal Justice Standards and Training Commission (CJSTC) within the FDLE.⁹

The CJSTC does not currently offer specific post-basic training on ASD. Employing agencies that want to offer ASD training may seek such training directly from vendors, such as CIT International, or from CJSTC-certified training schools (contracting with vendors). CJSTC-certified training schools receive funding each fiscal year to provide post-basic training to officers at no charge.¹⁰ Additionally, ASD training is currently provided in the Crisis intervention Team Training (CIT) program ("Memphis Model"), a law enforcement-based crisis intervention team training program,¹¹ which is facilitated by the Florida Sheriffs Association.¹²

⁷ <http://www.miamiherald.com/news/local/crime/article90905442.html>

⁸ "Employing agency" means any agency or unit of government or any municipality or the state or any political subdivision thereof, or any agent thereof, which has constitutional or statutory authority to employ or appoint persons as officers. The term also includes any private entity which has contracted with the state or county for the operation and maintenance of a nonjuvenile detention facility. Section 943.10(4), F.S.

⁹ The CJSTC is a 19-member commission composed of law enforcement and correctional officers and officials, a state and county correctional institution administrator, and a state resident. Section 943.11, F.S. Its duties include, but are not limited to, "creating entry-level curricula and certification testing for criminal justice officers in Florida, establishing minimum standards for employment and certification, and revoking the certification of officers who fail to maintain these minimum standards of conduct." "Overview," Florida Department of Law Enforcement, available at <http://www.fdle.state.fl.us/cms/CJSTC/Overview.aspx> (last visited on February 9, 2017), and s. 943.12, F.S. Most of the information in this section of the analysis regarding law enforcement training on ASD is from the 2017 FDLE Legislative Bill Analysis (SB 154), dated December 20, 2017, Florida Department of Law Enforcement (on file with the Senate Committee on Criminal Justice). This document is further referenced in this analysis as "FDLE Analysis." This section of the analysis also incorporates additional information provided by the FDLE via phone and e-mail communications (on file with the Senate Committee on Criminal Justice).

¹⁰ Currently, FDLE/CJSTC is providing more than \$5.1 million dollars to the training schools, which equates to \$67 per officer. The training schools are provided quarterly disbursements and provide training that meets local needs in accordance with CJSTC rules.

¹¹ The CIT program ("Memphis Model") is a crisis intervention team training program that was created in Memphis, Tennessee, in the late 1980's to provide "a collaborative approach to safely and effectively address the needs of persons with mental illnesses, link them to appropriate services, and divert them from the criminal justice system if appropriate." Watson, Amy C. and Fulambarker, Anjali J. "The Crisis Intervention Team Model of Police Response to Mental Health Crises: A Primer for Mental Health Practitioners," *Best Pract Ment Health*. 2012 Dec; 8(2): 71. This article is available at <https://www.ncbi.nlm.nih.gov/pmc/articles/PMC3769782/> (last visited on February 9, 2017). The model includes "specialized training for a select group of officers that volunteer to become CIT officers," but also includes "an organizational and community intervention that involves changes in police department procedures as well as collaboration with mental health providers and other community stakeholders." *Id.* "CIT curriculums may also include content on developmental disabilities, older adult issues, trauma and excited delirium." *Id.*

¹² During the 2015 Regular Session, the Attorney General's Office (through the Department of Legal Affairs) was appropriated recurring funding for three fiscal years to contract with the Florida Sheriffs Association to provide this CIT

The topic of ASD is included in two sections of the Florida Law Enforcement Academy basic recruit curriculum:

- Chapter 3 (Interactions in a Diverse Community), Unit 2 (Communicating in a Diverse Society), Lesson 3 (Developmental Disabilities); and
- Chapter 6 (Calls for Service), Unit 6 (Responding to a Person in Crisis), Lesson 2 (Intervention and Referral).

There is no set number of training hours dedicated specifically to autism spectrum disorder. For the purpose of reference, Chapter 3 (Interactions in a Diverse Community) is 40 classroom hours and Chapter 6 (Calls for Service) is 36 classroom hours. Instructors for each of the referenced chapters are given resources such as videos and links to informational websites to aid classroom instruction. An instructor guide is provided to all instructors that, along with the required activities, includes suggested activities. Examples of suggested activities are reviewing websites such as floridaautismcenter.info, florida-card.org, and autismfl.com, reviewing case law, and inviting a guest speaker from the Autism Society or a member of the Exceptional Student Education Program (ESE).

The FDLE's Criminal Justice Professionalism Division¹³ is developing a course that will address the symptoms of ASD, how to respond to persons with ASD, and who to call for assistance in responding to persons with ASD. The course is expected to be available to officers in Spring 2017.

III. Effect of Proposed Changes:

The bill creates s. 943.1727, F.S., to require the FDLE to establish a continued employment training component relating to autism spectrum disorder as defined in s. 627.6686, F.S.¹⁴ Instruction must include, but is not limited to, instruction on the recognition of the symptoms and characteristics of an individual on the autism disorder spectrum and appropriate responses to a person exhibiting such symptoms and idiosyncrasies. Completion of the training component may count toward the 40 hours of instruction for continued employment or appointment as a law enforcement officer required under s. 943.135, F.S.

The bill takes effect on October 1, 2017.

program training statewide. According to the FDLE, if state funding is not appropriated beyond FY 2017-18, ASD training will still be available for Florida law enforcement agencies from vendors and the CJSTC-certified training schools.

¹³ The Criminal Justice Professionalism Division provides staff support to the Criminal Justice Standards & Training Commission (CJSTC), the Florida Medical Examiners Commission, and the Florida Accreditation Office. It is also responsible for the FDLE Criminal Justice Executive Institute, the Bureau of Professional Development, the Florida Alcohol Testing Program, the Florida Drug Abuse Resistance Education (D.A.R.E.) Program, and FDLE member training. "Overview," Florida Department of Law Enforcement, available at <http://www.fdle.state.fl.us/cms/CJSTC/Overview.aspx> (last visited on January 23, 2017).

¹⁴ Section 627.6686(2)(b), F.S., defines "autism spectrum disorder" as any of the following disorders as defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders of the American Psychiatric Association: autistic disorder; Asperger's syndrome; and pervasive developmental disorder not otherwise specified.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

C. Government Sector Impact:

PCS/CS/SB 154 requires the FDLE to establish a continued employment training component relating to autism spectrum disorder. The FDLE is currently developing a course that will address the symptoms of ASD and will be available to all Florida law enforcement officers in the Spring of 2017. The FDLE believes this course should meet the objectives of the bill and the estimated total costs of developing this course (\$10,548) will be paid from the Criminal Justice Standards and Training Trust Fund.¹⁵

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill creates section 943.1727 of the Florida Statutes.

¹⁵ FDLE Analysis and additional information provided by the FDLE via phone and e-mail communications (on file with the Senate Committee on Criminal Justice).

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

Recommended CS/CS by Appropriations Subcommittee on Criminal and Civil Justice on March 22, 2017:

The committee substitute replaces the word “idiosyncrasies” with the word “characteristics” so that instruction on autism spectrum disorder will include instruction on the recognition of the *characteristics* of an individual on the autism disorder spectrum and appropriate responses to a person exhibiting such *characteristics*.

CS by Criminal Justice on February 6, 2017:

The Committee Substitute:

- Deletes reference to the term “online” so that continued employment training relating to autism spectrum disorder may be delivered by any appropriate means.
- Defines the term “autism spectrum disorder” by reference to the definition of that term in s. 627.6686, F.S.

- B. **Amendments:**

None.

639172

576-02700-17

Proposed Committee Substitute by the Committee on Appropriations
(Appropriations Subcommittee on Criminal and Civil Justice)

A bill to be entitled

An act relating to autism awareness training for law
enforcement officers; creating s. 943.1727, F.S.;
requiring the Department of Law Enforcement to
establish a continued employment training component
relating to autism spectrum disorder; specifying
instruction to be included in the training component;
providing that completion of the training may count
toward continued employment instruction requirements;
providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 943.1727, Florida Statutes, is created
to read:

943.1727 Continued employment training relating to autism
spectrum disorder.—The department shall establish a continued
employment training component relating to autism spectrum
disorder as defined in s. 627.6686. The training component shall
include, but need not be limited to, instruction on the
recognition of the symptoms and characteristics of an individual
on the autism disorder spectrum and appropriate responses to a
person exhibiting such symptoms and characteristics. Completion
of the training component may count toward the 40 hours of
instruction for continued employment or appointment as a law
enforcement officer required under s. 943.135.

Section 2. This act shall take effect October 1, 2017.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 154 requires the Florida Department of Law Enforcement (FDLE) to establish continued employment training relating to autism spectrum disorder (ASD). Instruction must include, but is not limited to, instruction on the recognition of the symptoms and characteristics of an individual on the autism disorder spectrum and appropriate responses to a person exhibiting such symptoms and idiosyncrasies. Completion of the training may count toward the 40 hours of required instruction for continued employment or appointment as a law enforcement officer.

The FDLE is currently developing a course that will address the symptoms of ASD, how to respond to it, and who to call for assistance. This course will be available to all Florida law enforcement officers in the Spring of 2017, and completion of this course may count toward an officer's mandatory retraining credit. The FDLE believes this course should meet the objectives of the bill. The FDLE states the estimated total costs of developing this course (\$10,548) will be covered by current budget resources. Course development is funded by the Criminal Justice Standards and Training Trust Fund.

The bill is effective October 1, 2017.

II. Present Situation:

Autism Spectrum Disorder

The Centers for Disease Control (CDC) estimates that one in 68 children have been identified with autism spectrum disorder.¹ The CDC defines “autism spectrum disorder” as a developmental disability that can cause significant social, communication, and behavioral challenges. Though there is nothing about how ASD people look that sets them apart from other people, the CDC states that people with ASD may communicate, interact, behave, and learn in ways that are different from most other people. The range of abilities of people with ASD can span from gifted to severely challenged.²

Though formerly diagnosed separately, autistic disorder, pervasive developmental disorder, and Asperger syndrome are now included in the diagnosis of ASD.³

The following definitions are codified in Florida law:

- “Autism” is a pervasive, neurologically based developmental disability of extended duration which causes severe learning, communication, and behavior disorders with age of onset during infancy or childhood. Individuals with autism exhibit impairment in reciprocal social interaction, impairment in verbal and nonverbal communication and imaginative ability, and a markedly restricted repertoire of activities and interests.⁴
- “Developmental disability” is a disorder or syndrome that is attributable to intellectual disability, cerebral palsy, autism, spina bifida, Phelan-McDermid syndrome, or Prader-Willi syndrome; that manifests before the age of 18; and that constitutes a substantial handicap that can reasonably be expected to continue indefinitely.⁵
- “Autism spectrum disorder” is any of the following disorders as defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders of the American Psychiatric Association:
 - Autistic disorder;
 - Asperger’s syndrome; and
 - Pervasive developmental disorder not otherwise specified.⁶

Interactions between law enforcement and persons with autism can be dangerous. Law enforcement officers may not understand the behaviors of a person with autism and such behaviors can be seen as a threat. Such interactions can lead to tragic results. An article in the Miami Herald July 20, 2016, reported that a caretaker for a man with autism was shot when the

¹ “Autism Spectrum Disorder (ASD), Autism and Developmental Disabilities Monitoring (ADDM) Network,” National Center on Birth Defects and Developmental Disabilities, Centers for Disease Control and Prevention, available at <http://www.cdc.gov/ncbddd/autism/addm.html> (last visited on February 9, 2017). Data is from the Autism and Developmental Disabilities Monitoring Network.

² “Autism Spectrum Disorder (ASD), Facts about ASD,” National Center on Birth Defects and Developmental Disabilities, Centers for Disease Control and Prevention, available at <http://www.cdc.gov/ncbddd/autism/facts.html> (last visited on February 9, 2017).

⁵ Section 393.063(12), F.S.

⁶ Sections 627.6686(2)(b) and 641.31098(2)(b), F.S.

autistic patient would not obey police commands. The caretaker recovered but the case highlights the dangers when law enforcement encounters persons with autism.⁷

Law Enforcement Training on Autism Spectrum Disorder

In order to maintain certification as a law enforcement officer, the officer must satisfy the continuing training and education requirements of s. 943.135, F.S., which requires officers, as a condition of continued employment or appointment, to receive continuing training or education at the rate of 40 hours every 4 years. The officer's employing agency⁸ must document that the continuing training or education is job-related and consistent with the needs of the employing agency, and report completion of the training to the Criminal Justice Standards and Training Commission (CJSTC) within the FDLE.⁹

The CJSTC does not currently offer specific post-basic training on ASD. Employing agencies that want to offer ASD training may seek such training directly from vendors, such as CIT International, or from CJSTC-certified training schools (contracting with vendors). CJSTC-certified training schools receive funding each fiscal year to provide post-basic training to officers at no charge.¹⁰ Additionally, ASD training is currently provided in the Crisis intervention Team Training (CIT) program ("Memphis Model"), a law enforcement-based crisis intervention team training program,¹¹ which is facilitated by the Florida Sheriffs Association.¹²

⁷ <http://www.miamiherald.com/news/local/crime/article90905442.html>

⁸ "Employing agency" means any agency or unit of government or any municipality or the state or any political subdivision thereof, or any agent thereof, which has constitutional or statutory authority to employ or appoint persons as officers. The term also includes any private entity which has contracted with the state or county for the operation and maintenance of a nonjuvenile detention facility. Section 943.10(4), F.S.

⁹ The CJSTC is a 19-member commission composed of law enforcement and correctional officers and officials, a state and county correctional institution administrator, and a state resident. Section 943.11, F.S. Its duties include, but are not limited to, "creating entry-level curricula and certification testing for criminal justice officers in Florida, establishing minimum standards for employment and certification, and revoking the certification of officers who fail to maintain these minimum standards of conduct." "Overview," Florida Department of Law Enforcement, available at <http://www.fdle.state.fl.us/cms/CJSTC/Overview.aspx> (last visited on February 9, 2017), and s. 943.12, F.S. Most of the information in this section of the analysis regarding law enforcement training on ASD is from the 2017 FDLE Legislative Bill Analysis (SB 154), dated December 20, 2017, Florida Department of Law Enforcement (on file with the Senate Committee on Criminal Justice). This document is further referenced in this analysis as "FDLE Analysis." This section of the analysis also incorporates additional information provided by the FDLE via phone and e-mail communications (on file with the Senate Committee on Criminal Justice).

¹⁰ Currently, FDLE/CJSTC is providing more than \$5.1 million dollars to the training schools, which equates to \$67 per officer. The training schools are provided quarterly disbursements and provide training that meets local needs in accordance with CJSTC rules.

¹¹ The CIT program ("Memphis Model") is a crisis intervention team training program that was created in Memphis, Tennessee, in the late 1980's to provide "a collaborative approach to safely and effectively address the needs of persons with mental illnesses, link them to appropriate services, and divert them from the criminal justice system if appropriate." Watson, Amy C. and Fulambarker, Anjali J. "The Crisis Intervention Team Model of Police Response to Mental Health Crises: A Primer for Mental Health Practitioners," *Best Pract Ment Health*. 2012 Dec; 8(2): 71. This article is available at <https://www.ncbi.nlm.nih.gov/pmc/articles/PMC3769782/> (last visited on February 9, 2017). The model includes "specialized training for a select group of officers that volunteer to become CIT officers," but also includes "an organizational and community intervention that involves changes in police department procedures as well as collaboration with mental health providers and other community stakeholders." *Id.* "CIT curriculums may also include content on developmental disabilities, older adult issues, trauma and excited delirium." *Id.*

¹² During the 2015 Regular Session, the Attorney General's Office (through the Department of Legal Affairs) was appropriated recurring funding for three fiscal years to contract with the Florida Sheriffs Association to provide this CIT

The topic of ASD is included in two sections of the Florida Law Enforcement Academy basic recruit curriculum:

- Chapter 3 (Interactions in a Diverse Community), Unit 2 (Communicating in a Diverse Society), Lesson 3 (Developmental Disabilities); and
- Chapter 6 (Calls for Service), Unit 6 (Responding to a Person in Crisis), Lesson 2 (Intervention and Referral).

There is no set number of training hours dedicated specifically to autism spectrum disorder. For the purpose of reference, Chapter 3 (Interactions in a Diverse Community) is 40 classroom hours and Chapter 6 (Calls for Service) is 36 classroom hours. Instructors for each of the referenced chapters are given resources such as videos and links to informational websites to aid classroom instruction. An instructor guide is provided to all instructors that, along with the required activities, includes suggested activities. Examples of suggested activities are reviewing websites such as floridaautismcenter.info, florida-card.org, and autismfl.com, reviewing case law, and inviting a guest speaker from the Autism Society or a member of the Exceptional Student Education Program (ESE).

The FDLE's Criminal Justice Professionalism Division¹³ is developing a course that will address the symptoms of ASD, how to respond to persons with ASD, and who to call for assistance in responding to persons with ASD. The course is expected to be available to officers in Spring 2017.

III. Effect of Proposed Changes:

The bill creates s. 943.1727, F.S., to require the FDLE to establish a continued employment training component relating to autism spectrum disorder as defined in s. 627.6686, F.S.¹⁴ Instruction must include, but is not limited to, instruction on the recognition of the symptoms and characteristics of an individual on the autism disorder spectrum and appropriate responses to a person exhibiting such symptoms and idiosyncrasies. Completion of the training component may count toward the 40 hours of instruction for continued employment or appointment as a law enforcement officer required under s. 943.135, F.S.

The bill takes effect on October 1, 2017.

program training statewide. According to the FDLE, if state funding is not appropriated beyond FY 2017-18, ASD training will still be available for Florida law enforcement agencies from vendors and the CJSTC-certified training schools.

¹³ The Criminal Justice Professionalism Division provides staff support to the Criminal Justice Standards & Training Commission (CJSTC), the Florida Medical Examiners Commission, and the Florida Accreditation Office. It is also responsible for the FDLE Criminal Justice Executive Institute, the Bureau of Professional Development, the Florida Alcohol Testing Program, the Florida Drug Abuse Resistance Education (D.A.R.E.) Program, and FDLE member training. "Overview," Florida Department of Law Enforcement, available at <http://www.fdle.state.fl.us/cms/CJSTC/Overview.aspx> (last visited on January 23, 2017).

¹⁴ Section 627.6686(2)(b), F.S., defines "autism spectrum disorder" as any of the following disorders as defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders of the American Psychiatric Association: autistic disorder; Asperger's syndrome; and pervasive developmental disorder not otherwise specified.

3. Davis	Hansen	AP	Pre-meeting

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

PCS/CS/SB 370 provides employment protections for a member of the Florida Wing of the Civil Air Patrol who is absent from his or her place of employment due to service or training with the Civil Air Patrol (CAP). Specifically, the bill:

- Requires employers to provide unpaid leave to an employee engaged in CAP service or training;
- Prohibits the termination of an employee who is absent from work due to CAP service or training, except for cause;
- Entitles an employee returning to work following a period of CAP service or training to certain seniority rights;
- Authorizes a cause of action for a member of the Florida Wing of the CAP who is affected by a violation of a provision in the bill; and
- Provides a legislative determination that the act fulfills an important state interest.

The bill may have an indeterminate fiscal impact on state funds that could be handled with existing resources. See Section V. Fiscal Impact Statement.

The bill takes effect on July 1, 2017.

II. Present Situation:

Civil Air Patrol

The Civil Air Patrol (CAP) is a nonprofit, congressionally chartered corporation¹ created in 1946 with the purpose to:

- Encourage and aid citizens of the United States in contributing their efforts, services, and resources in developing aviation and in maintaining air supremacy;
- Encourage and develop by example the voluntary contribution of private citizens to the public welfare;
- Provide aviation education and training to its members;
- Encourage and foster civil aviation in local communities;
- Provide an organization of private citizens with adequate facilities to assist in meeting local and national emergencies; and
- Assist the Department of the Air Force in fulfilling its noncombat programs and missions.²

Pursuant to its charter, the CAP serves as an auxiliary of the U.S. Air Force (USAF). In 2015, the USAF expanded its description of total force³ to include regular, Guard, Reserve, civilian, and auxiliary members.⁴ Despite its inclusion in the total force of the USAF, members of the CAP are considered civilians and do not have any obligation to any branch of the military.⁵ Subsequently, members of the CAP do not qualify for most federal programs created to provide benefits for or protect the rights of servicemembers.

Members of the CAP are either cadet or senior members. Cadets are generally under the age of 18 and participate in a 16-step program that includes aerospace education, leadership training, physical fitness, and moral leadership.⁶ Cadets compete for academic scholarships to further their studies in fields such as engineering, science, aircraft mechanics, aerospace medicine, meteorology, as well as many others.⁷

¹ Organizations chartered by Congress have a patriotic, charitable, historical, educational, or other purpose. Chartering does not make the organizations “agencies of the United States,” confer any powers of a governmental character, or assign any benefits. The attraction for national organizations is that it tends to provide an “official” endorsement to their activities and, to that extent, it may provide them prestige and indirect financial benefit. See Congressional Research Service, *Congressionally Chartered Nonprofit Organizations (“Title 36 Corporations”): What They Are and How Congress Treats Them*, 5 (April 8, 2004), available at https://digital.library.unt.edu/ark:/67531/metacrs7367/m1/1/high_res_d/RL30340_2004Apr08.pdf (last visited Feb. 17, 2017).

² 36 U.S.C. 40302 (2000).

³ Total force is the summation of all resources and personnel available to the U.S. Air Force.

⁴ U.S. Air Force, *Civil Air Patrol joins total force ‘Airmen’* (Aug. 28, 2015), available at <http://www.af.mil/News/ArticleDisplay/tabid/223/Article/615251/civil-air-patrol-joins-total-force-airmen.aspx> (last visited Feb. 17, 2017).

⁷ Id.

Senior members of the CAP either perform tactical operations or provide support for the CAP's primary missions of search and rescue, disaster relief, humanitarian services, air force support, and counterdrug operations.⁸ The CAP is the primary resource of the Air Force Rescue Coordination Center⁹ and performs approximately 75 percent of all aerial search activity in the inland area of the 48 continental United States.¹⁰

The CAP is divided into 52 wings geographically defined by state lines, Puerto Rico, and the District of Columbia.¹¹ Each wing is housed within one of six regions as part of the national command structure.¹² Subordinate units of the CAP are divided into groups and further organized into squadrons and flights.¹³

Florida Wing of the Civil Air Patrol

The Florida Wing (FLWG) of the Civil Air Patrol (CAP) was recognized in Florida Statutes in 1974 as an organization composed of citizens who volunteer and contribute their time, skill, facilities, and equipment from time to time to public safety and defense, to promote the education, health, welfare, peace, and safety of the citizens of this state.¹⁴ In addition to the fundamental operations of the CAP, the FLWG also provides light transport services, aerial photography, and communications capabilities in the form of amateur radio operations.¹⁵

There are approximately 3,306 members of the FLWG to include 1,460 cadets and 1,846 senior members active in seven groups statewide.¹⁶ During federal Fiscal Year 2015-2016, the FLWG executed 290 training and actual missions totaling 5,912 flying hours and completed 179,169 miles of driving in support of the CAP missions and programs.¹⁷

Both state and local agencies utilize the resources offered by the FLWG to conduct various public safety missions. The FLWG maintains relationships with local law enforcement to make the fleet and other assets of the FLWG available.¹⁸ At the state level, the FLWG participated in each annual state hurricane exercise and seven real world events within the last three years

⁸ Civil Air Patrol, *Emergency Services*, available at http://www.gocivilairpatrol.com/about/civil_air_patrols_three_primary_missions/emergency-services/ (last visited Feb. 17, 2017).

⁹ The Air Force Rescue Coordination Center is the United States' inland search and rescue coordinator. alongside both the Florida Division of Emergency Management (FDEM) and the State Emergency Response Team performing a total of 20 exercise missions and 15 real world missions.¹⁹

Pursuant to s. 252.55, F.S., the FLWG is eligible to receive state appropriations administered by the FDEM. The FLWG initially received \$50,000 per annum of general revenue beginning in 1974 and ending when the provision was repealed from the Florida Statutes in 1996.²⁰ The FDEM continued to issue payments to the FLWG each fiscal year following the repeal. Since Fiscal Year 2009-2010, the FDEM has paid \$49,500 per annum to the FLWG. These funds are to be used for the purpose of acquisition, installation, conditioning, and maintenance of the FLWG.²¹

Uniformed Services Employment and Reemployment Rights Act

The Uniformed Services Employment and Reemployment Rights Act²² (USERRA) is a Federal law enacted in 1994 that intends to ensure persons who serve or have served in the U.S. Armed Forces, U.S. Reserves, National Guard, or other uniformed services²³ are:

- Not disadvantaged in their civilian careers because of their service;
- Promptly reemployed in their civilian jobs upon their return from duty; and
- Not discriminated against in employment based on past, present, or future military service.²⁴

The provisions of USERRA apply to all public, private, and government employers in the U.S., foreign employers doing business in the U.S., and U.S. companies operating in foreign countries.²⁵ Employers are prohibited from denying initial employment, reemployment, retention in employment, promotion, or any benefit of employment to an individual on the basis of his or her military service.²⁶ The USERRA also protects individuals from retaliation by an employer in the event he or she takes action to enforce a protection afforded under the law.²⁷

Any person whose absence from a position of employment due to service in the uniformed services is entitled to the protections under the USERRA if:

¹⁹ E-mail correspondence from the FDEM and the FLWG on Feb. 17, 2017 and Feb. 16, 2017, respectively (on file with the Senate Military and Veterans Affairs, Space, and Domestic Security Committee).

²⁰ Ch. 96-423, Laws of Fla.

²¹ Section 252.55(2), F.S.

²² 38 U.S.C. 4301 et seq.

²³ The term “uniformed services” means the Armed Forces, the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty, the commissioned corps of the Public Health Service, System members of the National Urban Search and Rescue Response System during a period of appointment into Federal service under section 327 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, and any other category of persons designated by the President in time of war or national emergency. See 38 U.S.C. s. 4303 (2016).

²⁶ Employer Support of the Guard and Reserve, *Frequently Asked Questions: Can an employer discriminate based on past or present military service?*, available at <http://www.esgr.mil/USERRA/Frequently-Asked-Questions.aspx> (last visited Feb. 13, 2017).

²⁷ Id.

- The person has given advance written or verbal notice of such service to such person's employer;
- The cumulative length of the absence and of all previous absences from a position of employment with that employer by reason of service in the uniformed services does not exceed five years; and
- The person reports to, or submits an application for reemployment to, such employer.²⁸

An employer is not required to reemploy a person protected under the USERRA if:

- The employer's circumstances have changed as to make such reemployment impossible or unreasonable;
- In the case of a person entitled to reemployment, such employment would impose an undue hardship on the employer; or
- The employment from which the person leaves to serve in the uniformed services is for a brief, non-recurrent period and there is no reasonable expectation that such employment will continue indefinitely or for a significant period.²⁹

A member of the uniformed services who claims they were denied their rights may file a complaint, in writing, with the Secretary of the U.S. Department of Veterans Affairs.³⁰ If the Secretary determines that the action alleged in the complaint occurred, then the Secretary shall initiate the statutory procedure for resolving the complaint.³¹ It is then the burden of the employer to prove that the dismissal of the complainant was within the rights afforded to the employer by the USERRA.³²

Employment Protections for National Guard Members on State Active Duty

Members of the National Guard who do not qualify for the protections offered by the USERRA are provided similar rights when ordered into state active duty pursuant to ch. 250, F.S., or into active duty as defined by the law of any other state. Florida Statutes defines "state active duty" as:

"Full-time duty in active military service of the State of Florida when ordered by the Governor or Adjutant General...to preserve the public peace, execute the laws of the state, suppress insurrection, repel invasion, enhance security and respond to terrorist threats or attacks, respond to an emergency...or to imminent danger of an emergency, enforce the law, carry out counter-drug operations, provide training, provide for the security of the rights or lives of the public, protect property, or conduct ceremonies."³³

²⁸ 38 U.S.C. s. 4312 (2015).

²⁹ Id.

³⁰ 38 U.S.C. s. 4322 (2008).

³¹ See 38 U.S.C. ss. 4323-4325.

³² Supra note 28.

³³ Section 250.01(21), F.S.

Section 250.482(1), F.S., provides that an employer³⁴ may not discharge, reprimand, or in any other way penalize such member because of his or her absence by reason of state active duty.³⁵ Furthermore, a member of the National Guard who returns to work after serving on state active duty may not be discharged from such employment for a period of one year after the date the member returns to work, except for cause.³⁶

An employer may not require any National Guard member returning to employment following a period of state active duty to use vacation, annual, compensatory, or similar leave for the period during which the member was ordered into state active duty.³⁷ However, any returning member may request to use such leave as pay for the period in which he or she was ordered into state active duty.³⁸

An employer is not required to allow a member of the National Guard to return to work if able to prove that:

- The employer's circumstances have changed as to make employment impossible or unreasonable;
- Employment would impose an undue hardship on the employer;
- The employment from which the member of the National Guard leaves to serve in state active duty is for a brief, non-recurrent period and there is no reasonable expectation that such employment will continue indefinitely or for a significant period; or
- The employer had legally sufficient cause to terminate the member of the National Guard at the time he or she left for state active duty.³⁹

III. Effect of Proposed Changes:

This bill amends s. 252.55, F.S., to provide employment protections for employees engaged in a mission or training with the Florida Wing of the Civil Air Patrol.

Definitions

The bill defines the following terms:

- “Benefits” means all benefits, other than salary and wages, provided or made available to employees by an employer and includes group life insurance, health insurance, disability insurance, and pensions, regardless of whether such benefits are provided by a policy or practice of the employer.
- “Civil Air Patrol leave” means leave requested by an employee who is a Civil Air Patrol member for the purpose of participating in a Civil Air Patrol training or mission.
- “Civil Air Patrol member” means a senior member of the Florida Wing of the Civil Air Patrol.

³⁴ Section 250.482(1), F.S., defines an employer as a public or private employer, or an employing or appointing authority of this state, its counties, school districts, municipalities, political subdivisions, career centers, community colleges, or universities.

³⁵ Section 250.482(1), F.S.

³⁶ Section 250.482(2)(d), F.S.

³⁷ Section 250.482(2)(e), F.S.

³⁸ Id.

³⁹ Section 250.482(2)(b), F.S.

- “Employee” means any person who may be permitted, required, or directed by an employer in consideration of direct or indirect gain or profit to engage in any employment and who has been employed by the same employer for at least 90 days immediately preceding the commencement of Civil Air Patrol leave. The term does include an independent contractor.
- “Employer” means a private or public employer, or an employing or appointing authority of this state, its counties, school districts, municipalities, political subdivisions, career centers, Florida College System institutions, or state universities.

Employment Rights and Limitations

The bill requires an employer with 15 or more employees to provide up to 15 days of unpaid CAP leave annually to an employee who is also a CAP member, subject to certain conditions.

An employer may not require a CAP member returning to employment following CAP leave to use vacation, annual, compensatory, or similar leave. However, such employee is authorized, upon his or her request, to apply any vacation, annual, compensatory or similar leave accrued prior to the commencement of his or her CAP leave towards such leave.

Reemployment Rights and Limitations

The bill prohibits an employer from discharging, reprimanding, or otherwise penalizing a CAP member due to his or her CAP leave. Furthermore, the member may not be discharged from such employment for a period of one year after the date of his or her return to work, except for cause.

An employer is not required to allow a CAP member to return to work upon the completion of CAP leave if the employer can prove that:

- The employer’s circumstances have changed as to make employment impossible or unreasonable;
- Employment would impose an undue hardship on the employer;
- The employment from which the CAP member leaves is for a brief, nonrecurring period and there is no reasonable expectation that such employment will continue indefinitely or for a significant period; or
- The employer had legally sufficient cause to terminate the CAP member at the time he or she left to perform a CAP mission or participate in training.

A CAP member is required to notify their employer of his or her intent to return to work upon the completion of CAP leave. When the CAP member returns to work, he or she is entitled to the following:

- The seniority that the member had at his or her place of employment on the date his or her CAP leave began and any other rights and benefits that inure to the member as a result of such seniority; and
- Any additional seniority that the member would have attained at his or her place of employment if he or she had remained continuously employed and any other rights and benefits that inure to the member as a result of such seniority.

Procedures for Assistance, Enforcement, and Investigation

If the Wing Commander of the Florida Wing of the Civil Air Patrol certifies there is probable cause to believe an employer has violated this section, the member may bring civil action. A civil action against the employer may occur in a court in the county where the employer resides or has his or her principal place of business or in the county where the alleged violation occurred. Upon adverse adjudication, the defendant is liable for actual damages or \$500, whichever is greater. The prevailing party is entitled to recover reasonable attorney fees and court costs.

The certification of probable cause may not be issued until the Wing Commander, or his or her designee, has completed an investigation. All employers and other personnel involved with the subject of such an investigation must cooperate with the wing commander in the investigation.

Important State Interest

The bill provides a legislative determination that the act fulfills an important state interest.

The bill takes effect on July 1, 2017.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

Article VII, s. 18(a) of the State Constitution provides in pertinent part that “no county or municipality shall be bound by any general law requiring such county or municipality to spend funds . . . unless the Legislature has determined that such law fulfills an important state interest and unless:

- The law requiring such expenditure is approved by two-thirds of the membership in each house of the legislature; or
- The expenditure is required to comply with a law that applies to all persons similarly situated.”

The bill contains a finding that the bill fulfills an important state interest (section 2). The bill appears to apply to all persons similarly situated (those employers employing members of the Florida Wing of the Civil Air Patrol), including state agencies, school boards, community colleges, counties, municipalities and special districts. If this exception does not apply, the bill must be approved by two-thirds vote of each chamber to be binding upon the counties and municipalities.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

None.

B. Private Sector Impact:

PCS/CS/SB 370 requires employers of a member of the Florida Wing of the Civil Air Patrol to provide employment protections under certain conditions.

C. Government Sector Impact:

The bill may require the Department of Management Services (department) to upgrade its personnel system to implement an additional time sheet accounting metric for Civil Air Patrol leave.⁴⁰ The department states the costs are indeterminate.⁴¹ However, the department's Human Resources System contract has system enhancement hours to implement new system functionality, so there should be no fiscal impact.

State and local governments may benefit from increased availability of Civil Air Patrol members to perform missions.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends section 252.55 of the Florida Statutes.

IX. Additional Information:**A. Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)**Recommended CS/CS by Appropriations Subcommittee on General Government on March 15, 2017:**

The committee substitute includes a legislative determination that the bill fulfills an important state interest.

⁴⁰ Florida Department of Management Services, *Senate Bill 370 Agency Analysis* (Feb. 17, 2017) (on file with the Senate Committee on Military and Veterans Affairs, Space, and Domestic Security).

⁴¹ *Id.*

CS by Military and Veterans Affairs, Space, and Domestic Security on February 21, 2017:

The CS:

- Refines the definition of the term “Civil Air Patrol leave”;
- Defines the term “Civil Air Patrol member” in order to clarify that the bill applies only to senior members of the Florida Wing of the Civil Air Patrol; and
- Makes technical changes to apply the defined terms consistently throughout the bill.

B. Amendments:

None.

792908

576-02486-17

Proposed Committee Substitute by the Committee on Appropriations
(Appropriations Subcommittee on General Government)

A bill to be entitled

An act relating to the Florida Wing of the Civil Air
Patrol; amending s. 252.55, F.S.; defining terms;
requiring certain employers to provide Civil Air
Patrol leave; prohibiting specified public and private
employers from discharging, reprimanding, or
penalizing a Civil Air Patrol member because of his or
her absence by reason of taking Civil Air Patrol
leave; providing procedures for and requirements of
employees and employers with respect to Civil Air
Patrol leave and employment following such leave;
specifying rights and entitlements of a Civil Air
Patrol member who returns to work following Civil Air
Patrol leave; providing for a civil action; specifying
damages; authorizing the award of attorney fees and
costs; specifying conditions under which a
certification of probable cause of a violation of the
act may be issued; providing a declaration of
important state interest; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 252.55, Florida Statutes, is amended to
read:

252.55 Civil Air Patrol, Florida Wing.—

(1) As used in this section, the term:

(a) "Benefits" means all benefits, other than salary and

792908

576-02486-17

wages, provided or made available to employees by an employer
and includes group life insurance, health insurance, disability
insurance, and pensions, regardless of whether such benefits are
provided by a policy or practice of the employer.

(b) "Civil Air Patrol leave" means leave requested by an
employee who is a Civil Air Patrol member for the purpose of
participating in a Civil Air Patrol training or mission.

(c) "Civil Air Patrol member" means a senior member of the
Florida Wing of the Civil Air Patrol.

(d) "Employee" means any person who may be permitted,
required, or directed by an employer, in consideration of direct
or indirect gain or profit, to engage in any employment and who
has been employed by the same employer for at least 90 days
immediately preceding the commencement of Civil Air Patrol
leave. The term includes an independent contractor.

(e) "Employer" means a private or public employer, or an
employing or appointing authority of this state, a county, a
school district, a municipality, a political subdivision, a
career center, a Florida College System institution, or a state
university.

(2)(1) The Florida Wing of the Civil Air Patrol, an
auxiliary of the United States Air Force, is shall be recognized
as a nonprofit, educational, and emergency-management-related
organization and is shall be eligible to purchase materials from
the various surplus warehouses of the state.

(3)(2) Funds shall be appropriated annually from the
Emergency Management, Preparedness, and Assistance Trust Fund
for the purpose of acquisition, installation, conditioning, and
maintenance of the Florida Wing of the Civil Air Patrol.

576-02486-17

57 However, ~~no part of~~ the annual appropriation, or any part
58 thereof, may not shall be expended for the purchase of uniforms
59 or personal effects of members of the organization or for
60 compensation or salary to such members.

61 ~~(4)(3)~~ The wing commander of the Florida Wing of the Civil
62 Air Patrol may employ administrative help and purchase
63 educational materials for the training of Florida youth for
64 which funds from the annual appropriation may be used.

65 ~~(5)(4)~~ Purchase of aircraft is shall be limited to not more
66 than \$15,000 per year, and not more than \$15,000 per year may be
67 placed in a building reserve fund to be used for the toward
68 acquisition of a permanent state headquarters and operations
69 facility.

70 ~~(6)(5)~~ The wing commander of the Florida Wing of the Civil
71 Air Patrol shall biennially furnish the division a 2-year
72 projection of the goals and objectives of the Civil Air Patrol
73 which shall be reported in the division's biennial report
74 submitted pursuant to s. 252.35.

75 (7) An employer:

76 (a) That employs 15 or more employees shall provide up to
77 15 days of unpaid Civil Air Patrol leave annually to an
78 employee, subject to the conditions in this section.

79 (b) May not require a Civil Air Patrol member returning to
80 employment following Civil Air Patrol leave to use vacation,
81 annual, compensatory, or similar leave for the period during
82 which the member was on Civil Air Patrol leave. However, any
83 such returning member is, upon his or her request, authorized to
84 use any vacation, annual, compensatory, or similar leave with
85 pay accrued by the member before the commencement of his or her

576-02486-17

86 Civil Air Patrol leave.

87 (c) May not discharge, reprimand, or otherwise penalize a
88 Civil Air Patrol member because of his or her absence by reason
89 of taking Civil Air Patrol leave.

90 (8) (a) Upon the completion of a Civil Air Patrol leave, the
91 Civil Air Patrol member shall promptly notify the employer of
92 his or her intent to return to work.

93 (b) An employer is not required to allow a Civil Air Patrol
94 member to return to work upon the completion of his or her Civil
95 Air Patrol leave if:

96 1. The employer's circumstances have so changed as to make
97 employment impossible or unreasonable;

98 2. Employment would impose an undue hardship on the
99 employer;

100 3. The employment from which the member takes such leave is
101 for a brief, nonrecurring period and there is no reasonable
102 expectation that such employment will continue indefinitely or
103 for a significant period; or

104 4. The employer had legally sufficient cause to terminate
105 the member at the time he or she commenced such leave.

106
107 The employer has the burden of proving any circumstance
108 specified in subparagraphs 1.-4. which served as the employer's
109 basis for not allowing a Civil Air Patrol member to return to
110 work upon completion of Civil Air Patrol leave.

111 (c) A Civil Air Patrol member who returns to work following
112 his or her Civil Air Patrol leave is entitled to:

113 1. The seniority that the member had at his or her place of
114 employment on the date his or her leave began and any other

792908

576-02486-17

115 rights and benefits that inure to the member as a result of such
116 seniority; and

117 2. Any additional seniority that the member would have
118 attained at his or her place of employment if he or she had
119 remained continuously employed and any other rights and benefits
120 that would have inured to the member as a result of such
121 seniority.

122 (d) A Civil Air Patrol member who returns to work following
123 his or her Civil Air Patrol leave may not be discharged from
124 such employment for a period of 1 year after the date the member
125 returns to work, except for cause.

126 (9) If the wing commander of the Florida Wing of the Civil
127 Air Patrol certifies that there is probable cause to believe
128 that an employer has violated this section, an aggrieved
129 employee who had taken Civil Air Patrol leave may bring a civil
130 action against the employer in a court in the county where the
131 employer resides or has his or her principal place of business
132 or in the county where the alleged violation occurred. Upon
133 adverse adjudication, the defendant is liable for actual damages
134 or \$500, whichever is greater. The prevailing party is entitled
135 to recover reasonable attorney fees and court costs.

136 (10) The certification of probable cause may not be issued
137 until the wing commander of the Florida Wing of the Civil Air
138 Patrol, or his or her designee, has completed an investigation.
139 All employers and other personnel involved with the subject of
140 such an investigation must cooperate with the wing commander in
141 the investigation.

142 Section 2. The Legislature finds that a proper and
143 legitimate state purpose is served when allowing senior members

792908

576-02486-17

144 of the Florida Wing of the Civil Air Patrol to take Civil Air
145 Patrol leave, as authorized under s. 252.55, Florida Statutes.
146 Therefore, the Legislature determines and declares that this act
147 fulfills an important state interest.

148 Section 3. This act shall take effect July 1, 2017.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: CS/CS/SB 370

INTRODUCER: Appropriations Committee (Recommended by Appropriations Subcommittee on General Government); Military and Veterans Affairs, Space, and Domestic Security Committee; and Senator Stargel

SUBJECT: Florida Wing of the Civil Air Patrol

DATE: April 7, 2017

REVISED: _____

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 370 provides employment protections for a member of the Florida Wing of the Civil Air Patrol who is absent from his or her place of employment due to service or training with the Civil Air Patrol (CAP). Specifically, the bill:

- Requires employers to provide unpaid leave to an employee engaged in CAP service or training;
- Prohibits the termination of an employee who is absent from work due to CAP service or training, except for cause;
- Entitles an employee returning to work following a period of CAP service or training to certain seniority rights;
- Authorizes a cause of action for a member of the Florida Wing of the CAP who is affected by a violation of a provision in the bill; and
- Provides a legislative determination that the act fulfills an important state interest.

The bill may have an indeterminate fiscal impact on state funds that could be handled with existing resources. See Section V. Fiscal Impact Statement.

The bill takes effect on July 1, 2017.

II. Present Situation:

Civil Air Patrol

The Civil Air Patrol (CAP) is a nonprofit, congressionally chartered corporation¹ created in 1946 with the purpose to:

- Encourage and aid citizens of the United States in contributing their efforts, services, and resources in developing aviation and in maintaining air supremacy;
- Encourage and develop by example the voluntary contribution of private citizens to the public welfare;
- Provide aviation education and training to its members;
- Encourage and foster civil aviation in local communities;
- Provide an organization of private citizens with adequate facilities to assist in meeting local and national emergencies; and
- Assist the Department of the Air Force in fulfilling its noncombat programs and missions.²

Pursuant to its charter, the CAP serves as an auxiliary of the U.S. Air Force (USAF). In 2015, the USAF expanded its description of total force³ to include regular, Guard, Reserve, civilian, and auxiliary members.⁴ Despite its inclusion in the total force of the USAF, members of the CAP are considered civilians and do not have any obligation to any branch of the military.⁵ Subsequently, members of the CAP do not qualify for most federal programs created to provide benefits for or protect the rights of servicemembers.

Members of the CAP are either cadet or senior members. Cadets are generally under the age of 18 and participate in a 16-step program that includes aerospace education, leadership training, physical fitness, and moral leadership.⁶ Cadets compete for academic scholarships to further their studies in fields such as engineering, science, aircraft mechanics, aerospace medicine, meteorology, as well as many others.⁷

¹ Organizations chartered by Congress have a patriotic, charitable, historical, educational, or other purpose. Chartering does not make the organizations “agencies of the United States,” confer any powers of a governmental character, or assign any benefits. The attraction for national organizations is that it tends to provide an “official” endorsement to their activities and, to that extent, it may provide them prestige and indirect financial benefit. See Congressional Research Service, *Congressionally Chartered Nonprofit Organizations (“Title 36 Corporations”): What They Are and How Congress Treats Them*, 5 (April 8, 2004), available at https://digital.library.unt.edu/ark:/67531/metacrs7367/m1/1/high_res_d/RL30340_2004Apr08.pdf (last visited Feb. 17, 2017).

² 36 U.S.C. 40302 (2000).

³ Total force is the summation of all resources and personnel available to the U.S. Air Force.

⁷ Id.

Senior members of the CAP either perform tactical operations or provide support for the CAP's primary missions of search and rescue, disaster relief, humanitarian services, air force support, and counterdrug operations.⁸ The CAP is the primary resource of the Air Force Rescue Coordination Center⁹ and performs approximately 75 percent of all aerial search activity in the inland area of the 48 continental United States.¹⁰

The CAP is divided into 52 wings geographically defined by state lines, Puerto Rico, and the District of Columbia.¹¹ Each wing is housed within one of six regions as part of the national command structure.¹² Subordinate units of the CAP are divided into groups and further organized into squadrons and flights.¹³

Florida Wing of the Civil Air Patrol

The Florida Wing (FLWG) of the Civil Air Patrol (CAP) was recognized in Florida Statutes in 1974 as an organization composed of citizens who volunteer and contribute their time, skill, facilities, and equipment from time to time to public safety and defense, to promote the education, health, welfare, peace, and safety of the citizens of this state.¹⁴ In addition to the fundamental operations of the CAP, the FLWG also provides light transport services, aerial photography, and communications capabilities in the form of amateur radio operations.¹⁵

There are approximately 3,306 members of the FLWG to include 1,460 cadets and 1,846 senior members active in seven groups statewide.¹⁶ During federal Fiscal Year 2015-2016, the FLWG executed 290 training and actual missions totaling 5,912 flying hours and completed 179,169 miles of driving in support of the CAP missions and programs.¹⁷

Both state and local agencies utilize the resources offered by the FLWG to conduct various public safety missions. The FLWG maintains relationships with local law enforcement to make the fleet and other assets of the FLWG available.¹⁸ At the state level, the FLWG participated in each annual state hurricane exercise and seven real world events within the last three years

¹⁸ Telephone conversation with FLWG representative (Feb. 3, 2017).

alongside both the Florida Division of Emergency Management (FDEM) and the State Emergency Response Team performing a total of 20 exercise missions and 15 real world missions.¹⁹

Pursuant to s. 252.55, F.S., the FLWG is eligible to receive state appropriations administered by the FDEM. The FLWG initially received \$50,000 per annum of general revenue beginning in 1974 and ending when the provision was repealed from the Florida Statutes in 1996.²⁰ The FDEM continued to issue payments to the FLWG each fiscal year following the repeal. Since Fiscal Year 2009-2010, the FDEM has paid \$49,500 per annum to the FLWG. These funds are to be used for the purpose of acquisition, installation, conditioning, and maintenance of the FLWG.²¹

Uniformed Services Employment and Reemployment Rights Act

The Uniformed Services Employment and Reemployment Rights Act²² (USERRA) is a Federal law enacted in 1994 that intends to ensure persons who serve or have served in the U.S. Armed Forces, U.S. Reserves, National Guard, or other uniformed services²³ are:

- Not disadvantaged in their civilian careers because of their service;
- Promptly reemployed in their civilian jobs upon their return from duty; and
- Not discriminated against in employment based on past, present, or future military service.²⁴

The provisions of USERRA apply to all public, private, and government employers in the U.S., foreign employers doing business in the U.S., and U.S. companies operating in foreign countries.²⁵ Employers are prohibited from denying initial employment, reemployment, retention in employment, promotion, or any benefit of employment to an individual on the basis of his or her military service.²⁶ The USERRA also protects individuals from retaliation by an employer in the event he or she takes action to enforce a protection afforded under the law.²⁷

Any person whose absence from a position of employment due to service in the uniformed services is entitled to the protections under the USERRA if:

¹⁹ E-mail correspondence from the FDEM and the FLWG on Feb. 17, 2017 and Feb. 16, 2017, respectively (on file with the Senate Military and Veterans Affairs, Space, and Domestic Security Committee).

²⁰ Ch. 96-423, Laws of Fla.

²¹ Section 252.55(2), F.S.

²² 38 U.S.C. 4301 et seq.

²³ The term “uniformed services” means the Armed Forces, the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty, the commissioned corps of the Public Health Service, System members of the National Urban Search and Rescue Response System during a period of appointment into Federal service under section 327 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, and any other category of persons designated by the President in time of war or national emergency. See 38 U.S.C. s. 4303 (2016).

²⁶ Employer Support of the Guard and Reserve, *Frequently Asked Questions: Can an employer discriminate based on past or present military service?*, available at <http://www.esgr.mil/USERRA/Frequently-Asked-Questions.aspx> (last visited Feb. 13, 2017).

²⁷ Id.

- The person has given advance written or verbal notice of such service to such person's employer;
- The cumulative length of the absence and of all previous absences from a position of employment with that employer by reason of service in the uniformed services does not exceed five years; and
- The person reports to, or submits an application for reemployment to, such employer.²⁸

An employer is not required to reemploy a person protected under the USERRA if:

- The employer's circumstances have changed as to make such reemployment impossible or unreasonable;
- In the case of a person entitled to reemployment, such employment would impose an undue hardship on the employer; or
- The employment from which the person leaves to serve in the uniformed services is for a brief, non-recurrent period and there is no reasonable expectation that such employment will continue indefinitely or for a significant period.²⁹

A member of the uniformed services who claims they were denied their rights may file a complaint, in writing, with the Secretary of the U.S. Department of Veterans Affairs.³⁰ If the Secretary determines that the action alleged in the complaint occurred, then the Secretary shall initiate the statutory procedure for resolving the complaint.³¹ It is then the burden of the employer to prove that the dismissal of the complainant was within the rights afforded to the employer by the USERRA.³²

Employment Protections for National Guard Members on State Active Duty

Members of the National Guard who do not qualify for the protections offered by the USERRA are provided similar rights when ordered into state active duty pursuant to ch. 250, F.S., or into active duty as defined by the law of any other state. Florida Statutes defines "state active duty" as:

"Full-time duty in active military service of the State of Florida when ordered by the Governor or Adjutant General...to preserve the public peace, execute the laws of the state, suppress insurrection, repel invasion, enhance security and respond to terrorist threats or attacks, respond to an emergency...or to imminent danger of an emergency, enforce the law, carry out counter-drug operations, provide training, provide for the security of the rights or lives of the public, protect property, or conduct ceremonies."³³

²⁸ 38 U.S.C. s. 4312 (2015).

²⁹ Id.

³⁰ 38 U.S.C. s. 4322 (2008).

³¹ See 38 U.S.C. ss. 4323-4325.

³² Supra note 28.

³³ Section 250.01(21), F.S.

Section 250.482(1), F.S., provides that an employer³⁴ may not discharge, reprimand, or in any other way penalize such member because of his or her absence by reason of state active duty.³⁵ Furthermore, a member of the National Guard who returns to work after serving on state active duty may not be discharged from such employment for a period of one year after the date the member returns to work, except for cause.³⁶

An employer may not require any National Guard member returning to employment following a period of state active duty to use vacation, annual, compensatory, or similar leave for the period during which the member was ordered into state active duty.³⁷ However, any returning member may request to use such leave as pay for the period in which he or she was ordered into state active duty.³⁸

An employer is not required to allow a member of the National Guard to return to work if able to prove that:

- The employer’s circumstances have changed as to make employment impossible or unreasonable;
- Employment would impose an undue hardship on the employer;
- The employment from which the member of the National Guard leaves to serve in state active duty is for a brief, non-recurrent period and there is no reasonable expectation that such employment will continue indefinitely or for a significant period; or
- The employer had legally sufficient cause to terminate the member of the National Guard at the time he or she left for state active duty.³⁹

III. Effect of Proposed Changes:

This bill amends s. 252.55, F.S., to provide employment protections for employees engaged in a mission or training with the Florida Wing of the Civil Air Patrol.

Definitions

The bill defines the following terms:

- “Benefits” means all benefits, other than salary and wages, provided or made available to employees by an employer and includes group life insurance, health insurance, disability insurance, and pensions, regardless of whether such benefits are provided by a policy or practice of the employer.
- “Civil Air Patrol leave” means leave requested by an employee who is a Civil Air Patrol member for the purpose of participating in a Civil Air Patrol training or mission.
- “Civil Air Patrol member” means a senior member of the Florida Wing of the Civil Air Patrol.

³⁴ Section 250.482(1), F.S., defines an employer as a public or private employer, or an employing or appointing authority of this state, its counties, school districts, municipalities, political subdivisions, career centers, community colleges, or universities.

³⁵ Section 250.482(1), F.S.

³⁶ Section 250.482(2)(d), F.S.

³⁷ Section 250.482(2)(e), F.S.

³⁸ Id.

³⁹ Section 250.482(2)(b), F.S.

- “Employee” means any person who may be permitted, required, or directed by an employer in consideration of direct or indirect gain or profit to engage in any employment and who has been employed by the same employer for at least 90 days immediately preceding the commencement of Civil Air Patrol leave. The term does include an independent contractor.
- “Employer” means a private or public employer, or an employing or appointing authority of this state, its counties, school districts, municipalities, political subdivisions, career centers, Florida College System institutions, or state universities.

Employment Rights and Limitations

The bill requires an employer with 15 or more employees to provide up to 15 days of unpaid CAP leave annually to an employee who is also a CAP member, subject to certain conditions.

An employer may not require a CAP member returning to employment following CAP leave to use vacation, annual, compensatory, or similar leave. However, such employee is authorized, upon his or her request, to apply any vacation, annual, compensatory or similar leave accrued prior to the commencement of his or her CAP leave towards such leave.

Reemployment Rights and Limitations

The bill prohibits an employer from discharging, reprimanding, or otherwise penalizing a CAP member due to his or her CAP leave. Furthermore, the member may not be discharged from such employment for a period of one year after the date of his or her return to work, except for cause.

An employer is not required to allow a CAP member to return to work upon the completion of CAP leave if the employer can prove that:

- The employer’s circumstances have changed as to make employment impossible or unreasonable;
- Employment would impose an undue hardship on the employer;
- The employment from which the CAP member leaves is for a brief, nonrecurring period and there is no reasonable expectation that such employment will continue indefinitely or for a significant period; or
- The employer had legally sufficient cause to terminate the CAP member at the time he or she left to perform a CAP mission or participate in training.

A CAP member is required to notify their employer of his or her intent to return to work upon the completion of CAP leave. When the CAP member returns to work, he or she is entitled to the following:

- The seniority that the member had at his or her place of employment on the date his or her CAP leave began and any other rights and benefits that inure to the member as a result of such seniority; and
- Any additional seniority that the member would have attained at his or her place of employment if he or she had remained continuously employed and any other rights and benefits that inure to the member as a result of such seniority.

Procedures for Assistance, Enforcement, and Investigation

If the Wing Commander of the Florida Wing of the Civil Air Patrol certifies there is probable cause to believe an employer has violated this section, the member may bring civil action. A civil action against the employer may occur in a court in the county where the employer resides or has his or her principal place of business or in the county where the alleged violation occurred. Upon adverse adjudication, the defendant is liable for actual damages or \$500, whichever is greater. The prevailing party is entitled to recover reasonable attorney fees and court costs.

The certification of probable cause may not be issued until the Wing Commander, or his or her designee, has completed an investigation. All employers and other personnel involved with the subject of such an investigation must cooperate with the wing commander in the investigation.

Important State Interest

The bill provides a legislative determination that the act fulfills an important state interest.

The bill takes effect on July 1, 2017.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

Article VII, s. 18(a) of the State Constitution provides in pertinent part that “no county or municipality shall be bound by any general law requiring such county or municipality to spend funds . . . unless the Legislature has determined that such law fulfills an important state interest and unless:

- The law requiring such expenditure is approved by two-thirds of the membership in each house of the legislature; or
- The expenditure is required to comply with a law that applies to all persons similarly situated.”

The bill contains a finding that the bill fulfills an important state interest (section 2). The bill appears to apply to all persons similarly situated (those employers employing members of the Florida Wing of the Civil Air Patrol), including state agencies, school boards, community colleges, counties, municipalities and special districts. If this exception does not apply, the bill must be approved by two-thirds vote of each chamber to be binding upon the counties and municipalities.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

None.

B. Private Sector Impact:

CS/CS/SB 370 requires employers of a member of the Florida Wing of the Civil Air Patrol to provide employment protections under certain conditions.

C. Government Sector Impact:

The bill may require the Department of Management Services (department) to upgrade its personnel system to implement an additional time sheet accounting metric for Civil Air Patrol leave.⁴⁰ The department states the costs are indeterminate.⁴¹ However, the department's Human Resources System contract has system enhancement hours to implement new system functionality, so there should be no fiscal impact.

State and local governments may benefit from increased availability of Civil Air Patrol members to perform missions.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends section 252.55 of the Florida Statutes.

IX. Additional Information:**A. Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)**CS/CS by Appropriations on April 5, 2017:**

The committee substitute includes a legislative determination that the bill fulfills an important state interest.

⁴⁰ Florida Department of Management Services, *Senate Bill 370 Agency Analysis* (Feb. 17, 2017) (on file with the Senate Committee on Military and Veterans Affairs, Space, and Domestic Security).

⁴¹ *Id.*

CS by Military and Veterans Affairs, Space, and Domestic Security on February 21, 2017:

The CS:

- Refines the definition of the term “Civil Air Patrol leave”;
- Defines the term “Civil Air Patrol member” in order to clarify that the bill applies only to senior members of the Florida Wing of the Civil Air Patrol; and
- Makes technical changes to apply the defined terms consistently throughout the bill.

B. Amendments:

None.

By the Committee on Military and Veterans Affairs, Space, and Domestic Security; and Senator Stargel

583-01928-17

2017370c1

A bill to be entitled

An act relating to the Florida Wing of the Civil Air Patrol; amending s. 252.55, F.S.; defining terms; requiring certain employers to provide Civil Air Patrol leave; prohibiting specified public and private employers from discharging, reprimanding, or penalizing a Civil Air Patrol member because of his or her absence by reason of taking Civil Air Patrol leave; providing procedures for and requirements of employees and employers with respect to Civil Air Patrol leave and employment following such leave; specifying rights and entitlements of a Civil Air Patrol member who returns to work following Civil Air Patrol leave; providing for a civil action; specifying damages; authorizing the award of attorney fees and costs; specifying conditions under which a certification of probable cause of a violation of the act may be issued; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 252.55, Florida Statutes, is amended to read:

252.55 Civil Air Patrol, Florida Wing.—

(1) As used in this section, the term:

(a) "Benefits" means all benefits, other than salary and wages, provided or made available to employees by an employer and includes group life insurance, health insurance, disability insurance, and pensions, regardless of whether such benefits are

Page 1 of 5

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

583-01928-17

2017370c1

provided by a policy or practice of the employer.

(b) "Civil Air Patrol leave" means leave requested by an employee who is a Civil Air Patrol member for the purpose of participating in a Civil Air Patrol training or mission.

(c) "Civil Air Patrol member" means a senior member of the Florida Wing of the Civil Air Patrol.

(d) "Employee" means any person who may be permitted, required, or directed by an employer, in consideration of direct or indirect gain or profit, to engage in any employment and who has been employed by the same employer for at least 90 days immediately preceding the commencement of Civil Air Patrol leave. The term includes an independent contractor.

(e) "Employer" means a private or public employer, or an employing or appointing authority of this state, a county, a school district, a municipality, a political subdivision, a career center, a Florida College System institution, or a state university.

(2)(1) The Florida Wing of the Civil Air Patrol, an auxiliary of the United States Air Force, ~~is shall be~~ recognized as a nonprofit, educational, and emergency-management-related organization and ~~is shall be~~ eligible to purchase materials from the various surplus warehouses of the state.

(3)(2) Funds shall be appropriated annually from the Emergency Management, Preparedness, and Assistance Trust Fund for the purpose of acquisition, installation, conditioning, and maintenance of the Florida Wing of the Civil Air Patrol. However, ~~no part of~~ the annual appropriation, ~~or any part thereof,~~ may not shall be expended for the purchase of uniforms or personal effects of members of the organization or for

Page 2 of 5

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

583-01928-17

2017370c1

59 compensation or salary to such members.

60 ~~(4)(3)~~ The wing commander of the Florida Wing of the Civil
61 Air Patrol may employ administrative help and purchase
62 educational materials for the training of Florida youth for
63 which funds from the annual appropriation may be used.

64 ~~(5)(4)~~ Purchase of aircraft ~~is shall be~~ limited to not more
65 than \$15,000 per year, and not more than \$15,000 per year may be
66 placed in a building reserve fund to be used for the toward
67 acquisition of a permanent state headquarters and operations
68 facility.

69 ~~(6)(5)~~ The wing commander of the Florida Wing of the Civil
70 Air Patrol shall biennially furnish the division a 2-year
71 projection of the goals and objectives of the Civil Air Patrol
72 which shall be reported in the division's biennial report
73 submitted pursuant to s. 252.35.

74 (7) An employer:

75 (a) That employs 15 or more employees shall provide up to
76 15 days of unpaid Civil Air Patrol leave annually to an
77 employee, subject to the conditions in this section.

78 (b) May not require a Civil Air Patrol member returning to
79 employment following Civil Air Patrol leave to use vacation,
80 annual, compensatory, or similar leave for the period during
81 which the member was on Civil Air Patrol leave. However, any
82 such returning member is, upon his or her request, authorized to
83 use any vacation, annual, compensatory, or similar leave with
84 pay accrued by the member before the commencement of his or her
85 Civil Air Patrol leave.

86 (c) May not discharge, reprimand, or otherwise penalize a
87 Civil Air Patrol member because of his or her absence by reason

Page 3 of 5

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

583-01928-17

2017370c1

88 of taking Civil Air Patrol leave.

89 (8) (a) Upon the completion of a Civil Air Patrol leave, the
90 Civil Air Patrol member shall promptly notify the employer of
91 his or her intent to return to work.

92 (b) An employer is not required to allow a Civil Air Patrol
93 member to return to work upon the completion of his or her Civil
94 Air Patrol leave if:

95 1. The employer's circumstances have so changed as to make
96 employment impossible or unreasonable;

97 2. Employment would impose an undue hardship on the
98 employer;

99 3. The employment from which the member takes such leave is
100 for a brief, nonrecurring period and there is no reasonable
101 expectation that such employment will continue indefinitely or
102 for a significant period; or

103 4. The employer had legally sufficient cause to terminate
104 the member at the time he or she commenced such leave.

105 The employer has the burden of proving any circumstance
106 specified in subparagraphs 1.-4. which served as the employer's
107 basis for not allowing a Civil Air Patrol member to return to
108 work upon completion of Civil Air Patrol leave.

109 (c) A Civil Air Patrol member who returns to work following
110 his or her Civil Air Patrol leave is entitled to:

111 1. The seniority that the member had at his or her place of
112 employment on the date his or her leave began and any other
113 rights and benefits that inure to the member as a result of such
114 seniority; and

115 2. Any additional seniority that the member would have
116

Page 4 of 5

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

583-01928-17

2017370c1

117 attained at his or her place of employment if he or she had
118 remained continuously employed and any other rights and benefits
119 that would have inured to the member as a result of such
120 seniority.

121 (d) A Civil Air Patrol member who returns to work following
122 his or her Civil Air Patrol leave may not be discharged from
123 such employment for a period of 1 year after the date the member
124 returns to work, except for cause.

125 (9) If the wing commander of the Florida Wing of the Civil
126 Air Patrol certifies that there is probable cause to believe
127 that an employer has violated this section, an aggrieved
128 employee who had taken Civil Air Patrol leave may bring a civil
129 action against the employer in a court in the county where the
130 employer resides or has his or her principal place of business
131 or in the county where the alleged violation occurred. Upon
132 adverse adjudication, the defendant is liable for actual damages
133 or \$500, whichever is greater. The prevailing party is entitled
134 to recover reasonable attorney fees and court costs.

135 (10) The certification of probable cause may not be issued
136 until the wing commander of the Florida Wing of the Civil Air
137 Patrol, or his or her designee, has completed an investigation.
138 All employers and other personnel involved with the subject of
139 such an investigation must cooperate with the wing commander in
140 the investigation.

141 Section 2. This act shall take effect July 1, 2017.

BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: SB 514

INTRODUCER: Senator Stargel

SUBJECT: Fees of the Department of Business and Professional Regulation

DATE: April 4, 2017

REVISED: _____

	ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1.	<u>Kraemer</u>	<u>McSwain</u>	<u>RI</u>	Favorable
2.	<u>Davis</u>	<u>Betta</u>	<u>AGG</u>	Recommend: Favorable
3.	<u>Davis</u>	<u>Hansen</u>	<u>AP</u>	Favorable

I. Summary:

SB 514 sets the amount that a professional practice board may impose on a delinquent status licensee as a delinquency fee to \$25. Under current law, the delinquency fee for a profession regulated by the Department of Business and Professional Regulation (DBPR) may not exceed the amount of the biennial renewal fee for an active status license.

The bill reduces from 1.5 percent to 1.0 percent, the surcharge assessed on building permit fees which is transferred to the DBPR to administer and carry out the purposes of the Florida Building Code. Under current law, the surcharge is allocated to fund the Florida Building Commission, the Florida Building Code Compliance and Mitigation Program, and the Florida Fire Prevention Code informal interpretations managed by the State Fire Marshal.

The bill reduces the revenues deposited into the DBPR's Professional Regulation Trust Fund by approximately \$3.3 million annually and the General Revenue Fund by \$263,000 annually. Local governments are expected to lose about \$300,000 annually in building permit surcharge revenues that the local governments are permitted to retain.

The bill provides for an effective date of July 1, 2017.

II. Present Situation:

Department of Business and Professional Regulation

Section 20.165, F.S., establishes the organizational structure of the DBPR; the DBPR has 12 divisions:

- Administration;
- Alcoholic Beverages and Tobacco;
- Certified Public Accounting;

- Drugs, Devices, and Cosmetics;
- Florida Condominiums, Timeshares, and Mobile Homes;
- Hotels and Restaurants;
- Pari-mutuel Wagering;
- Professions;
- Real Estate;
- Regulation;
- Service Operations; and
- Technology.

Fifteen boards and programs exist within the Division of Professions,¹ two boards are within the Division of Real Estate,² and one board exists in the Division of Certified Public Accounting.³ The Florida State Boxing Commission is assigned to the DBPR for administrative and fiscal accountability purposes only.⁴ The DBPR also administers the Child Labor Law and Farm Labor Contractor Registration Law pursuant to parts I and III of ch. 450, F.S.

Chapter 455, F.S., applies to the regulation of professions constituting “any activity, occupation, profession, or vocation regulated by the DBPR in the Divisions of Certified Public Accounting, Professions, Real Estate, and Regulation.”⁵

Under Florida law, regulation of professions is undertaken “only for the preservation of the health, safety, and welfare of the public under the police powers of the state.”⁶ Regulation is required when:

- The potential for harming or endangering public health, safety, and welfare is recognizable and outweighs any anticompetitive impact that may result;
- The public is not effectively protected by other state statutes, local ordinances, federal legislation, or other means; and
- Less restrictive means of regulation are not available.⁷

However, “neither the department nor any board may create a regulation that has an unreasonable effect on job creation or job retention,” or a regulation that unreasonably restricts the ability of those who desire to engage in a profession or occupation to find employment.⁸

¹ Section 20.165(4)(a), F.S., establishes the following boards and programs which are noted with the implementing statutes: Board of Architecture and Interior Design, part I of ch. 481; Florida Board of Auctioneers, part VI of ch. 468; Barbers’ Board, ch. 476; Florida Building Code Administrators and Inspectors Board, part XII of ch. 468; Construction Industry Licensing Board, part I of ch. 489; Board of Cosmetology, ch. 477; Electrical Contractors’ Licensing Board, part II of ch. 489; Board of Employee Leasing Companies, part XI of ch. 468; Board of Landscape Architecture, part II of ch. 481; Board of Pilot Commissioners, ch. 310; Board of Professional Engineers, ch. 471; Board of Professional Geologists, ch. 492; Board of Veterinary Medicine, ch. 474; Home Inspection Services Licensing Program, part XV of ch. 468; and Mold-related Services Licensing Program, part XVI of ch. 468, F.S.

² See s. 20.165(4)(b), F.S. Florida Real Estate Appraisal Board, created under part II of ch. 475, F.S., and Florida Real Estate Commission, created under part I of ch. 475, F.S.

³ See s. 20.165(4)(c), F.S., which establishes the Board of Accountancy, created under ch. 473, F.S.

⁴ Section 548.003(1), F.S.

⁵ Section 455.01(6), F.S.

⁶ Section 455.201(2), F.S.

⁷ *Id.*

⁸ Section 455.201(4)(b), F.S.

Chapter 455, F.S., provides the general powers of the DBPR and sets forth the procedural and administrative framework for all of the professional boards housed under the DBPR as well as the Divisions of Certified Public Accounting, Professions, Real Estate, and Regulation.⁹ When a person is authorized to engage in a profession or occupation in Florida, the DBPR issues a “permit, registration, certificate, or license” to the licensee.¹⁰

In Fiscal Year 2015-2016, the Division of Certified Public Accounting had 39,216 licensees, the Division of Real Estate had 349,668 licensees, and the Board of Professional Engineers had 61,396 licensees.¹¹ In Fiscal Year 2015-2016, there were 434,001 licensees in the Division of Professions,¹² including:

- Architects and interior designers;
- Asbestos consultants and contractors;
- Athlete agents;
- Auctioneers;
- Barbers;
- Building code administrators and inspectors;
- Community association managers;
- Construction industry contractors;
- Cosmetologists;
- Electrical contractors;
- Employee leasing companies;
- Geologists;
- Home inspectors;
- Landscape architects;
- Harbor pilots;
- Mold-related services;
- Talent agencies; and
- Veterinarians.¹³

The Division of Florida Condominiums, Timeshares, and Mobile Homes (FCTMH) within the DBPR provides consumer protection for Florida residents living in regulated communities through education, complaint resolution, mediation and arbitration, and developer disclosure.¹⁴ The FCTMH has limited regulatory authority over the following business entities and individuals:

- Condominium Associations;

⁹ See s. 455.203, F.S. The DBPR must also provide legal counsel for boards within the DBPR by contracting with the Department of Legal Affairs, by retaining private counsel, or by providing DBPR staff counsel. See s. 455.221(1), F.S.

¹⁰ Sections 455.01(4) and (5), F.S.

¹¹ See Department of Business and Professional Regulation, *Annual Report, Fiscal Year 2015-2016*, at http://www.myfloridalicense.com/dbpr/os/documents/ProfessionsAnnualReportFY2015-2016_Final.pdf, (last visited Mar. 10, 2017) at page 21.

¹² Of the total 415,207 licensees in the Division of Professions, 23,183 are inactive. *Id.* at page 22.

¹³ *Id.* at pages 21-22.

¹⁴ Department of Business and Professional Regulation, *Division of Florida condominiums, Timeshares, and Mobile Homes*, <http://www.myfloridalicense.com/dbpr/lsc/index.html> (last visited Mar. 10, 2017).

- Cooperative Associations;
- Florida Mobile Home Parks and related associations;
- Vacation Units and Timeshares;
- Yacht and Ship Brokers and related business entities; and
- Homeowner's Associations (jurisdiction is limited to arbitration of election and recall disputes).¹⁵

Sections 455.203 and 455.213, F.S., establish general licensing authority for the DBPR, including the authority to charge license fees and license renewal fees. Each board within the DBPR must determine by administrative rule¹⁶ the amount of license fees for each profession, based on estimates of the required revenue to implement the regulatory laws affecting the profession.¹⁷

A licensee may practice a profession only if the licensee has an active status license.¹⁸ Generally, most licensees who practice a profession without an active status license¹⁹ are subject to the imposition of discipline, fines, or assessments as described in s. 455.227, F.S. At least 90 days before the end of a licensure cycle, the DBPR must provide a licensure renewal notification to an active or inactive licensee, and a notice of pending cancellation of licensure to a delinquent status licensee.²⁰

Each board, or the department when there is no board (board),²¹ must permit a licensee to choose active or inactive status at the time of licensure renewal, and impose a fee for an inactive status license that does not exceed the fee for an active status license.²² An inactive status licensee may change to active status at any time, if the licensee meets all requirements for active status, including payment of all required fees, and meeting all continuing education requirements. Failure of a licensee to renew a license before its expiration causes the license to become delinquent in the license cycle following expiration (delinquency cycle).²³

A delinquent status licensee must re-apply for active or inactive status during the delinquency cycle. Failure by a delinquent status licensee to become active or inactive before the expiration of the delinquency cycle renders the license void, with no further action by the board.²⁴

¹⁵ *Id.*

¹⁶ The administrative rules of the DBPR and of each Board are available through the DBPR's website at <http://www.myfloridalicense.com/dbpr/divisions.html> (last visited Mar. 10, 2017).

¹⁷ Section 455.219(1), F.S.

¹⁸ Section 455.271(1), F.S.

¹⁹ Section 455.271, F.S., on inactive and delinquent status of licenses, does not apply to a business establishment registered, permitted, or licensed by the department to do business or to a person licensed, permitted, registered, or certified pursuant to ch. 310, F.S. on Pilots, Piloting, and Pilotage, or ch. 475, F.S., on Real Estate Brokers, Sales Associates, Schools, and Appraisers.

²⁰ *See* s. 455.273, F.S.

²¹ Whenever a board for a profession does not exist, the DBPR is generally authorized by law to act instead. *See* e.g., ss. 455.219 and 455.271, F.S., for multiple references to actions of "the board, or the department when there is no board."

²² The status or a change in status of a licensee does not alter the board's right to impose discipline or to enforce discipline previously imposed on a licensee for acts or omissions committed by the licensee while holding a license, whether active, inactive, or delinquent. *See* s. 455.271(11), F.S.

²³ *Id.*

²⁴ *Id.*

The DBPR may, at its discretion, reinstate a license that has become void (excepting those public accountancy licenses issued under ch. 473, F.S.) if the DBPR determines that the individual failed to comply because of illness or economic hardship. The individual must apply to the DBPR for reinstatement, pay all required fees, including a reinstatement fee, meet all continuing education requirements, and otherwise be eligible for renewal of licensure.²⁵

Section 455.271(7), F.S., provides that each board must impose an additional delinquency fee, not to exceed the biennial renewal fee for an active status license, when a delinquent status licensee applies for active or inactive status. Currently, all boards have adopted delinquency fees, which vary by profession and range, from \$25 to \$260.

Florida Building Code and Building Permit Surcharge

Part IV of ch. 553, F.S., is known as the “Florida Building Codes Act (Act).” The purpose and intent of the Act is to provide a mechanism for the uniform adoption, updating, amendment, interpretation, and enforcement of a single, unified state building code. The Florida Building Code must be applied, administered, and enforced uniformly and consistently from jurisdiction to jurisdiction. It is the intent of the Legislature that local governments have the power to inspect all buildings, structures, and facilities within their jurisdictions in protection of the public’s health, safety, and welfare. Under current law, counties and local enforcement agencies have authority to enforce the Florida Building Code and issue building permits.

Section 553.721, F.S., requires that all local building departments assess and collect a 1.5 percent surcharge on any building permit issued by their agency for the purpose of enforcing the Florida Building Code. The surcharge assessment is paid directly by the individual or construction professional pulling the permit and is generally passed on to consumers through increased costs for construction. The local jurisdictions collect the assessment and remit the surcharge fees to the DBPR to fund the activities of the Florida Building Commission and the DBPR’s Office of Codes and Standards. Local building departments are permitted to retain 10 percent of the surcharge amount they collect to fund participation of their agencies in the national and state building code adoption processes and to provide education related to enforcement of the Florida Building Code.

III. Effect of Proposed Changes:

Section 1 amends s. 455.271, F.S., to require a \$25 delinquency fee be imposed on delinquent status professional licensees, in lieu of the delinquency fee authorized under current law, which may not exceed the amount of the biennial renewal fee for an active status license.

Section 2 amends s. 553.721, F.S., to reduce from 1.5 percent to 1.0 percent, the surcharge assessed on permit fees assessed for the DBPR to administer and carry out the purposes of the Florida Building Code.

The bill provides for an effective date of July 1, 2017.

²⁵ *Id.*

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

The DBPR indicates SB 514 will reduce professional licensure expenditures due to delinquency fees, which will be limited to \$25 for each delinquent licensee, and that expenditures associated with the payment of fees for a building permit will be reduced.²⁶

C. Government Sector Impact:

The DBPR estimates there will be a recurring reduction in delinquency fee and building permit fee revenues of approximately \$3,290,233 beginning in Fiscal Year 2017-2018. There will be a corresponding recurring reduction in the eight percent service charge sent to the General Revenue Fund of approximately \$263,233 beginning in Fiscal Year 2017-2018.²⁷

Delinquency Fee and Building Permit Surcharge Reductions

	FY 2017-18	FY 2018-19	FY 2019-20
Delinquency Fee Revenue Reduction:	(680,060)	(680,060)	(680,060)
Building Permit Surcharge Reduction	<u>(2,610,355)</u>	<u>(2,610,355)</u>	<u>(2,610,355)</u>
Total Delinquency Fee and Surcharge Reduction	(3,290,415)	(3,290,415)	(3,290,415)
8% Surcharge to GR Reduction	(263,233)	(263,233)	(263,233)

Local Government Impact

In addition, the DBPR estimates local building departments will experience a reduction in surcharge revenues they are permitted to retain based on the lower amount of surcharge assessed against each building permit. The estimated loss of revenue to cities and

²⁶ See 2017 Agency Legislative Bill Analysis (AGENCY: Department of Business and Professional Regulation) for SB 514, dated Feb. 28, 2017, (on file with Senate Committee on Regulated Industries) at page 4.

²⁷ *Id.*

counties will be approximately \$290,039 in Fiscal Year 2017-2018 and the same amount in Fiscal Year 2018-19 and Fiscal Year 2019-2020.²⁸

Cities and Counties Revenue Reductions

	FY 2017-18	FY 2018-19	FY 2019-20
10% fee Collected by Locals based on 1.5% Surcharge (Current law)	870,118	870,118	870,118
10% fee Collected by Local based on 1% Surcharge (with reduction)	580,079	580,079	580,079
Net Reduction to Cities and Counties	(290,039)	(290,039)	(290,039)

The DBPR indicates the cost of modifications to software to address fee configurations for each affected profession could be minimized by authorizing such changes to occur as part of a profession’s renewal cycle, but these modifications can be accomplished using existing resources.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 455.271 and 553.721.

IX. Additional Information:

A. Committee Substitute – Statement of Changes:

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

None.

B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill’s introducer or the Florida Senate.

COMMITTEE SUBSTITUTE - Technical Changes

I. Summary:

PCS/CS/SB 374 creates the “College Competitiveness Act of 2017” which restructures the governance of the Florida College System and modifies the mission of the system and its institutions. Specifically, the bill:

- Strengthens public college-to-university articulation by establishing the “2+2” targeted pathway program to provide to students guaranteed access to baccalaureate degree programs at state universities.
- Modifies the governance of the Florida Community College System (FCCS) by:
 - Renaming the Florida College System as the FCCS, and
 - Establishing a State Board of Community Colleges (SBCC), and transferring responsibilities regarding Florida’s community colleges from the State Board of Education (SBE) to the SBCC.
- Clarifies expectations and state oversight of baccalaureate degree programs offered by FCCS institutions, and:
 - Aligns the baccalaureate approval process for St. Petersburg College with the approval process for other FCCS institutions.
 - Establishes a cap on upper-level, undergraduate full-time equivalent (FTE) enrollment at Florida’s community colleges, but provides flexibility for planned and purposeful growth of baccalaureate degree programs if certain conditions are met.

- Clarifies the K-20 education system mission by emphasizing the mission must be to avoid wasteful duplication of programs, and reinforces the distinct mission of Florida's community colleges and technical centers in meeting Florida's labor market demands and regional needs.

Implementation of this bill requires the transfer of 34 existing positions and \$2.8 million from the State Board of Education budget for the creation of the State Board of Community Colleges. The State Board of Community Colleges will also need an additional 14 positions and \$1.7 million for necessary positions such as a General Counsel, Inspector General, Board Secretary, and others.

The bill takes effect October 1, 2017, except as otherwise expressly provided.

II. Present Situation:

Public higher education in Florida is delivered by school district-operated technical centers, Florida College System (FCS) institutions, and state universities. It is the intent of the Legislature to facilitate articulation and seamless integration of the K-20 education system by building, sustaining, and strengthening relationships among the various education sectors and delivery systems within the state.¹

2+2 Articulation

The State Board of Education (SBE) and the Board of Governors of the State University System (BOG) are required to enter into a statewide articulation agreement to preserve Florida's "2+2" system of articulation, facilitate the seamless articulation of student credit among Florida's education entities, and reinforce the articulation and admission policies specified in law.²

The articulation agreement must provide that every associate in arts graduate of an FCS institution has met all general education requirements, has indicated a baccalaureate degree offered by an institution of interest by the time the student earns 30 semester hours, and must be granted admission to the upper division, with certain exceptions,³ of a state university or an FCS institution that offers a baccalaureate degree.⁴ However, eligibility for admission to a state university does not provide to a transfer student guaranteed admission to the specific university or degree program that the student chooses.⁵

¹ Section 1007.01(1), F.S.

² Section 1007.23(1), F.S.

³ Exceptions include limited access programs, teacher certification programs, and those requiring an audition.

⁴ Section 1007.23(2)-(3), F.S.

⁵ Board of Governors Regulation 6.004.

Community College Governance

State Board of Education

The SBE⁶ is the “chief implementing and coordinating body of public education in Florida, except for the State University System” and is authorized to adopt rules to implement the provisions of law conferring duties upon the SBE to improve the state system of K-20 public education, except for the state university system.⁷ As such, the SBE has authority over the FCS institutions, and is authorized to delegate SBE’s general powers to the Commissioner of Education (Commissioner) or the directors of the divisions of the Florida Department of Education (DOE or department).⁸

Department of Education

The DOE is the administrative and supervisory agency under the implementation direction of the SBE.⁹ The Commissioner is appointed by the SBE and serves as the executive director of the department.¹⁰ Within the DOE, the Division of Florida Colleges (DFC)¹¹ is directed by the Chancellor of the DFC,¹² who reports directly to the Commissioner.¹³

Florida College System

The Legislature established the system of governance for the FCS to maximize open access for students, respond to community needs for postsecondary academic education and career degree education, and provide associate and baccalaureate degrees that will best meet the state’s employment needs.¹⁴

The FCS is comprised of 28 FCS institutions and the regional service areas for such institutions are specified in law.¹⁵ Each FCS institution is governed by a local board of trustees (BOT).¹⁶ The FCS BOT members are appointed by the Governor to staggered four-year terms, and confirmed

⁶ The State Board of Education is established in Art. IX, s. 2, Fla. Const., as “a body corporate and have such supervision of the system of free public education as is provided by law.”

¹⁴ Section 1001.60(1), F.S.

¹⁵ The 28 Florida College System (FCS) institutions are Eastern Florida State College, Broward College, College of Central Florida, Chipola College, Daytona State College, Florida SouthWestern State College, Florida State College at Jacksonville, Florida Keys Community College, Gulf Coast State College, Hillsborough Community College, Indian River State College, Florida Gateway College, Lake-Sumter State College, State College of Florida, Manatee-Sarasota, Miami Dade College, North Florida Community College, Northwest Florida State College, Palm Beach State College, Pasco-Hernando State College, Pensacola State College, Polk State College, St. Johns River State College, St. Petersburg College, Santa Fe College, Seminole State College of Florida, South Florida State College, Tallahassee Community College, and Valencia College. Section 1000.21(3), F.S.

¹⁶ Sections 1001.60(3), 1001.61(1), and 1004.65(1), F.S. FCS institutions are statutorily designated as political subdivisions of the state. Section 1004.67, F.S.

by the Senate.¹⁷ Each FCS BOT is responsible for cost-effective policy decisions regarding the FCS institution's mission, the implementation and maintenance of high-quality education programs within law and rules of the SBE, the measurement of performance, the reporting of information, and the provision of input on state policy, budgeting, and education standards.¹⁸ FCS boards of trustees are authorized to adopt rules, procedures, and policies regarding admissions, programs, administration, personnel, contracts, and facilities.¹⁹

All 28 FCS institutions are regionally accredited by SACS.²⁰

Community College Baccalaureate Approval Process

The Legislature created the site-determined baccalaureate degree access program in 1999 to authorize FCS institutions to offer baccalaureate degrees to meet the economic development and educational needs of place-bound, nontraditional students in areas of the state that are underserved by 4-year institutions.²¹ However, the primary responsibility of FCS institutions is the provision of associate degrees that provide access to a university.²²

In 2001, the Legislature redesignated St. Petersburg Junior College as St. Petersburg College (SPC) and authorized community colleges to offer baccalaureate degrees in populous counties that are underserved by public baccalaureate degree granting institutions.²³ The legislative intent to provide access to baccalaureate degrees was to “address the state’s workforce needs, especially the need for teachers, nurses, and business managers in agencies and firms that require expertise in technology.”²⁴ The Legislature specified the purpose for authorizing SPC to offer high quality undergraduate education at affordable prices is to “promote economic development by preparing people for occupations that require a bachelor’s degree and are in demand by existing or emerging public and private employers in this state.”²⁵

The SBE is responsible for reviewing and approving proposals by FCS institutions to offer baccalaureate degree programs.²⁶ As a part of the approval process:

- FCS institutions must submit a notice of intent to the DFC regarding the proposed baccalaureate degree program 100 days before the submission of the program proposal.²⁷
- Within 10 days after receipt of the notice, the DFC must forward the notice of intent to the Chancellor of the State University System (SUS), the President of Independent Colleges and

²⁷ Section 1007.33(5)(a), F.S.

Universities of Florida, and the Executive Director of the Commission for Independent Education.²⁸

- State universities have 60 days, after receipt of the notice by the Chancellor of the SUS, to submit objections to the proposed program or submit an alternative proposal to offer the baccalaureate degree program.
- If the SBE does not receive a proposal from a state university within the 60-day period, the SBE must provide regionally accredited private colleges and universities 30 days to submit objections to the proposed program or submit an alternative proposal.
- Objections and alternative proposals must be submitted to the DFC, and must be considered by the SBE in making its decision to approve or deny a FCS institution's baccalaureate degree program proposal.²⁹
- The DFC must notify the FCS institution of any deficiencies in writing within 30 days following receipt of the proposal, and provide the FCS institution with an opportunity to correct the deficiencies.
- Within 45 days following receipt of a completed proposal by the DFC, the Commissioner must recommend approval or disapproval of the proposal to the SBE.
- The SBE must consider such recommendation, the proposal, and any objections or alternative proposals at its next meeting, and the SBE must provide to the FCS institution written reasons for any disapproval of baccalaureate degree proposals.

Currently, 27 FCS institutions offer 179 baccalaureate degree programs.³⁰ Since August 2015, 10 baccalaureate degree proposals have been approved, the DFC has withdrawn 11 baccalaureate degree proposals from consideration for SBE approval, and FCS institutions have submitted 14 new baccalaureate proposals to the DFC for approval by the SBE.³¹

In 2015-16, funded full-time-equivalent (FTE) enrollment in FCS upper-division programs was 15,281, which represented 4.7 percent of the total funded FCS FTE enrollment of 327,992.³²

²⁸ *Id.* at (5)(b).

²⁹ *Id.*

³⁰ The 27 colleges authorized to offer baccalaureate degree programs are Broward College, Chipola College, College of Central Florida, Daytona State College, Eastern Florida State College, Florida Gateway College, Florida Keys Community College, Florida SouthWestern State College, Florida State College at Jacksonville, Gulf Coast State College, Indian River State College, Lake-Sumter State College, Miami Dade College, North Florida Community College, Northwest Florida State College, Palm Beach State College, Pasco-Hernando State College, Pensacola State College, Polk State College, Santa Fe College, Seminole State College of Florida, South Florida State College, St. Johns River State College, St. Petersburg College, State College of Florida, Manatee-Sarasota, Tallahassee Community College, and Valencia College. Florida College System, *Baccalaureate Programs as of October 2016*, available at http://www.fldoe.org/core/fileparse.php/5592/urlt/0082821-program_list.xls.

³¹ Email, Florida Department of Education (Jan. 18, 2017).

Funded FTE enrollment in upper division programs in the FCS has risen by approximately 102 percent from 7,584 in 2010-11³³ to 15,281 in 2015-16.³⁴

Mission

The mission of Florida's K-20 education system is to allow its students to increase their proficiency by allowing them the opportunity to expand their knowledge and skills through rigorous and relevant learning opportunities in accordance with the mission statement and requirements of the K-20 education performance accountability system.³⁵

Florida College System

The primary mission and responsibility of FCS institutions is responding to community needs for postsecondary academic education and career degree education.³⁶ Florida law specifies the following as the primary mission of FCS institutions:³⁷

- Providing lower-level undergraduate instruction and awarding associate degrees.
- Preparing students directly for careers requiring less than baccalaureate degrees.
- Providing student development services to ensure student success.
- Promoting economic development for the state through special programs (e.g., Enterprise Florida-related programs and workforce literacy programs).
- Providing dual enrollment instruction.
- Providing upper-level instruction and awarding baccalaureate degrees authorized by law.

Additionally, a secondary mission of FCS institutions includes offering programs in:³⁸

- Community services that are not directly related to academic or occupational advancement.
- Adult education services.
- Recreational and leisure services.

Technical Centers

Florida law does not provide a specific mission for the career centers.³⁹ However, the law specifies that career centers, under the control of district school boards,⁴⁰ must offer terminal courses of a technical nature and courses for out-of-school youth and adults.⁴¹

⁴⁰ There are 48 Council on Occupational Education-accredited career centers operated by school districts, 1 of which is a charter technical career center. Email, Department of Education (Jan. 18, 2017).

⁴¹ Section 1001.44(3)(a), F.S.

The purpose of charter technical career centers is to:⁴²

- Develop a competitive workforce to support local business and industry and economic development.
- Create a training and education model that is reflective of marketplace realities.
- Offer a continuum of career educational opportunities using school-to-work, tech-prep, technical academy, and magnet school model.
- Provide career pathways for lifelong learning and career mobility.
- Enhance career and technical training.

III. Effect of Proposed Changes:

This bill restructures the governance of the Florida College System and modifies the mission of the system and its institutions. Specifically, the bill:

- Strengthens public college-to-university articulation by establishing the “2+2” targeted pathway program to provide to students guaranteed access to baccalaureate degree programs at state universities.
- Modifies the governance of the Florida Community College System (FCCS) by:
 - Renaming the Florida College System as the FCCS.
 - Establishing a State Board of Community Colleges (SBCC), and transferring responsibilities regarding Florida’s community colleges from the State Board of Education (SBE) to the SBCC.
 - Removing the Division of Florida Colleges (DFC) as a division within the Department of Education (DOE).
- Clarifies expectations and state oversight of baccalaureate degree programs offered by FCCS institutions, and:
 - Aligns the baccalaureate approval process for St. Petersburg College with the approval process for other FCCS institutions.
 - Establishes a cap on upper-level, undergraduate FTE enrollment at Florida’s community colleges, but provides flexibility for planned and purposeful growth of baccalaureate degree programs if certain conditions are met.
- Clarifies the K-20 education system mission by emphasizing the mission must be to avoid wasteful duplication of programs, and reinforces the distinct mission of Florida’s community colleges and technical centers in meeting Florida’s labor market demands and community and regional needs. The bill also:
 - Changes providing upper-level instruction and awarding baccalaureate degrees from a primary mission to a secondary mission of Florida’s community colleges.
 - Establishes the primary mission of technical centers to promote workforce preparation and economic development and prohibits technical centers from offering college credit courses, college credit certificates, associate degrees, and baccalaureate degrees.

2+2 Articulation (Sections 55, 56, and 122)

Section 56 of the bill strengthens “2+2” articulation by creating a mechanism for expanding locally-developed “2+2” articulation agreements to include guaranteed pathways to

⁴² Section 1002.34(2), F.S. Currently, Lake Technical College is the only charter technical career center. Email, Florida Department of Education, *2017 Agency Analysis of SB 374* (Feb. 2, 2017), at 11.

baccalaureate degree programs at state universities for students enrolled in associate in arts (AA) degree programs at FCCS institutions. Specifically, the bill:

- Requires each FCCS institution to execute at least one “2+2” targeted pathway articulation agreement to establish a “2+2” targeted pathway program with one or more state universities.
- Requires the “2+2” targeted pathway articulation agreement to provide to students who meet specified requirements guaranteed access to the state university and baccalaureate degree program in accordance with the terms of the agreement.
- Establishes student eligibility criteria to participate in a “2+2” targeted pathway articulation program. A student must:
 - Enroll in the program before completing 30 credit hours;
 - Complete an AA degree; and
 - Meet the university’s transfer requirements.
- Establishes requirements for state universities that execute “2+2” targeted pathway articulation agreements with their partner public college. A state university must:
 - Establish a 4-year on-time graduation plan for a baccalaureate degree program;
 - Advise students enrolled in the program about the university’s transfer and degree program requirements; and
 - Provide students access to academic advisors and campus events, and guarantee admittance to the state university and degree program in accordance with the terms of the agreement.
- Requires the SBCC and Board of Governors of the State University System of Florida (BOG) to collaborate to eliminate barriers to executing “2+2” targeted pathway articulation agreements.

The “2+2” targeted pathway program is consistent with recent efforts by state universities to strengthen regional articulation. The statewide “2+2” articulation agreement established in law⁴³ does not require a 4-year graduation plan and does not guarantee access to a university or degree program of a student’s choice. To provide students a path to on-time graduation in four years with a baccalaureate degree, some state universities have established articulation agreements with regional public colleges.⁴⁴ For instance, the “DirectConnect to UCF”⁴⁵ guarantees admission to the University of Central Florida (UCF) with an associate degree from a partner institution, and offers university advising to develop an academic plan and access to UCF campuses for services and events. Similarly, the University of South Florida’s (USF) “FUSE” program⁴⁶ offers students guaranteed admission to a USF System institution. The FUSE program creates an academic pathway that provides a map for taking required courses, advising at USF and the partner institution regarding university requirements, a specially-designed orientation session for “2+2” students at the beginning of the program, and access to USF facilities and events.

⁴³ Section 1007.23(2), F.S.

⁴⁴ Board of Governors, *Enhancement Programs & Partnerships at State Universities* (Jan. 25, 2017), available at http://www.flbog.edu/documents_meetings/0260_1037_7837_2.2.2%20+2EnhancementPrograms.pdf.

⁴⁵ University of Central Florida, Presentation to the Senate Committee on Education, *DirectConnect to UCF* (Dec. 12, 2016), available at <http://www.flsenate.gov/Committees/Show/ED/Meeting%20Packet/3540/>.

⁴⁶ University of South Florida, Presentation to the Senate Committee on Education, *FUSE* (Dec. 12, 2016), available at <http://www.flsenate.gov/Committees/Show/ED/Meeting%20Packet/3540/>.

The value of such targeted “2+2” agreements is to assist AA-degree graduates to transfer to a state university and graduate on time in 4 years with a baccalaureate degree. In 2014-15, more than 36 percent of AA graduates from the FCS did not apply to the SUS. Forty-five percent of AA graduates from the FCS ultimately enrolled in the SUS.⁴⁷ The graduation rate for a 2011 cohort of AA transfer students to the SUS (those who transferred with an AA and graduated in two more years) was 25 percent.⁴⁸

Additionally, section 55 of the bill clarifies that to preserve Florida’s “2+2” system of articulation, the SBE, the BOG, and the SBCC must collaboratively establish and adopt articulation policies with input from relevant statewide advisory groups, and make recommendations to the Legislature. Section 122 of the bill also requires the SBCC to collaborate with the BOG to evaluate and report on the status of Florida’s “2+2” system of articulation using the articulation accountability measures established in law,⁴⁹ and include in the report due to the Governor and the Legislature by December 31, 2017, findings and recommendations for improvement.

Community College Governance (Sections 2 through 6, 18, 19, and 123)

The bill modifies the governance of the FCCS under a SBCC. Specifically, section 2 of the bill provides that:

- Effective July 1, 2017:
 - The Florida College System is renamed as the Florida Community College System.
 - The SBCC, administratively housed within the DOE, is created to oversee and coordinate the FCCS, and requires the Governor to appoint the membership of the SBCC in time for the board’s organizational meeting by September 30, 2017.
 - The DFC must provide administrative support to the SBCC until September 30, 2017.
 - Beginning September 1, 2017, SBCC staggered membership terms are established.
 - The SBCC is required to appoint a Chancellor of the FCCS by November 1, 2017. The Chancellor of the DFC must serve as the Chancellor of the FCCS until the SBCC selects a chancellor.
- Effective October 1, 2017:
 - FCS- and DFC-related powers and duties, functions, personnel, funds, contracts, and administrative rules are transferred, by type 2 transfer, to the SBCC.
 - The DOE must provide support services to the SBCC, consistent with the ongoing support services that the DOE provides to the BOG.
 - The Division of Florida Colleges is removed as a division within the DOE.
 - SBE approvals, policies, guidance, and appointments remain in effect unless acted upon by the SBCC.

⁴⁹ Section 1008.38, F.S.

In addition, sections 2 through 4 of the bill include technical and conforming provisions related to the transfer of responsibilities regarding Florida's community colleges, effective October 1, 2017. Specifically, the bill:

- Transfers general and specific powers and duties relating to the FCCS from the SBE to the SBCC.⁵⁰
- Removes the DFC as a division within the DOE, and transfers the division's duties to the SBCC or Chancellor of the FCCS.⁵¹
- Transfers specific powers and duties relating to the FCCS from the Commissioner of Education (Commissioner) to the Chancellor of the FCCS.⁵²
- Transfers general and specific powers and duties relating to the FCCS from the Commissioner to the SBCC.⁵³
- Transfers specific powers and duties relating to the FCCS from the DOE to the SBCC.⁵⁴
- Adds an SBCC role in specific duties currently performed by the SBE and BOG.⁵⁵
- Adds a Chancellor of the FCCS role in specific duties currently performed by multiple entities (i.e., the Commissioner and the Chancellor of the BOG).⁵⁶

Section 18 of the bill creates a new SBCC as a governing board for community colleges similar to the board that existed prior to 2003. The 1983 Legislature created the State Board of Community Colleges (former SBCC) as a coordinating board for the FCCS.⁵⁷ The law⁵⁸ charged the former SBCC with providing "statewide leadership in overseeing and coordinating the individually governed public community colleges."⁵⁹ The former SBCC was subject to the overall supervision of the State Board of Education.⁶⁰

⁵⁰ Sections 1000.03, 1000.05, 1001.02, 1001.03, 1001.60, 1001.602, 1001.61, 1001.64, 1001.65, 1001.66, 1001.67, 1002.34, 1004.02, 1004.03, 1004.07, 1004.084, 1004.085, 1004.096, 1004.0961, 1004.35, 1004.6495, 1004.65, 1004.67, 1004.70, 1004.71, 1004.78, 1004.80, 1004.91, 1004.92, 1004.925, 1004.93, 1006.60, 1006.61, 1006.62, 1006.71, 1007.25, 1007.263, 1007.264, 1007.265, 1007.27, 1007.273, 1007.33, 1008.30, 1008.31, 1008.32, 1008.405, 1008.44, 1008.45, 1009.21, 1009.22, 1009.23, 1009.25, 1009.26, 1009.28, 1010.01, 1010.02, 1010.04, 1010.07, 1010.08, 1010.09, 1010.22, 1010.30, 1010.58, 1011.01, 1011.30, 1011.32, 1011.80, 1011.801, 1011.81, 1011.82, 1011.83, 1011.84, 1011.85, 1012.01, 1012.80, 1012.81, 1012.83, 1012.855, 1012.86, 1013.02, 1013.28, 1013.31, 1013.36, 1013.4, and 1013.47, F.S.

⁵¹ Sections 20.15, 1001.67, 1004.015, 1004.65, 1004.7, 1007.33, 1008.30, 1009.23, and 1009.971, F.S.

⁵² Sections 1000.05, 1001.64, 1001.66, 1004.6495, 1004.93, 1006.71, 1012.86, and 1013.52, F.S.

⁵⁴ Sections 1001.20 and 1001.602, F.S.

⁵⁵ Sections 20.15, 1001.02, 1001.03, 1001.10, 1001.11, 1001.28, 1001.706, 1003.491, 1003.493, 1004.015, 1004.04, 1004.6495, 1004.91, 1007.01, 1007.23, 1007.24, 1007.27, 1007.271, 1007.33, 1008.30, 1008.31, 1008.345, 1008.37, 1008.38, 1009.26, 1009.90, 1009.91, 1010.01, 1011.01, 1011.011, 1011.80, 1012.01, 1013.01, 1013.03, 1013.31, 1013.52, and 1013.65, F.S.

⁵⁶ Sections 1004.74, 1007.01, 1007.24, 1007.25, 1007.33, 1008.44, 1012.01, 1013.03, 1013.31, and 1013.37, F.S.

⁵⁷ See s. 15, ch. 83-326, L.O.F., amending s. 240.305, F.S., to redesignate the State Community College Coordinating Board as the State Board of Community Colleges.

⁵⁸ Section 240.305, F.S. (1983).

⁵⁹ *Id.*

⁶⁰ *Id.*

In 1998, a constitutional amendment replaced the State Board of Education,⁶¹ composed of the elected governor and cabinet, with a new State Board of Education (SBE) appointed by the Governor.⁶² To implement this change in governance structure and achieve a seamless system of education,⁶³ the 2000 Legislature enacted the Florida Governance Reorganization Act of 2000,⁶⁴ which repealed the former SBCC and transferred governance of the FCCS to the new Governor-appointed SBE, effective January 7, 2003. The 2001 Legislature continued to make necessary changes to Florida education governance and created the Division of Community Colleges (DCC) and a Chancellor of Community Colleges within the DOE.⁶⁵

The following table shows the governance of the community college system in Florida since 1983.

Governance of Florida’s Community Colleges			
	1983 – 2003	Current	Proposed
System	Florida Community College System ⁶⁶	Florida College System ⁶⁷	Florida Community College System
Board	SBCC as Coordinating Board ⁶⁸	SBE as Governing Board ⁶⁹	SBCC as Governing Board
Board Oversight	Commissioner of Education ⁷⁰ and SBE ^{71,72}	Appointed by Governor ⁷³	Governor
Board Membership	Commissioner of Education, 1 student, 11 lay citizens; appointed by the Governor, approved by the SBE, and confirmed by the Senate ⁷⁴	Seven members appointed by the Governor and confirmed by the Senate ⁷⁵	Commissioner of Education, 1 student and 1 faculty member, 10 lay citizens; appointed by the Governor, in a manner that provides equitable geographical representation. Except for the student member, all members must reside and be registered to vote in Florida and be confirmed by the Senate

⁷⁴ Section 240.307(1), F.S., repealed January 7, 2003, by s. 3(7), ch. 2000-321.

⁷⁵ Art. IV, s. 2, Fla. Const. See also s. 1001.01(1), F.S.

Staff	DCC ⁷⁶	DFC ⁷⁷	SBCC
Staff Leadership	Executive Director of the Community College System ⁷⁸	Chancellor of the DFC ⁷⁹	Chancellor of the FCCS
Administrative Location	DOE	DOE	DOE (administrative assignment only; SBCC operates independently)
Institution Governance	Institution Board of Trustees ⁸⁰	Institution Board of Trustees ⁸¹	Institution Board of Trustees

Sections 5 and 6 of the bill provide parallel standards of conduct for members of the SBCC and members of a FCCS board of trustees, which mirror the requirements for the BOG and members of a state university board of trustees. Section 5 of the bill prohibits SBCC members and members of a FCCS board of trustees from being employed as a legislative lobbyist. Section 6 of the bill requires SBCC members and members of a FCCS board of trustees to disclose their financial interests.

Finally, section 123 of the bill directs the Division of Law Revision and Information to develop reviser’s bill for the 2018 Regular Session to substitute the term “Florida Community College System” for “Florida College System” and the term “Florida Community College System institutions” for “Florida College System institutions” where those terms appear in the Florida Statutes.

Community College Baccalaureate Degree Approval Process (Sections 66)

Section 66 of the bill clarifies expectations and state oversight of baccalaureate degree programs offered by FCCS institutions. Specifically, the bill:

- Modifies the FCCS institution baccalaureate degree approval process to:
 - Require FCCS institutions to submit a notice of interest into a shared postsecondary database at least 180 days before submission of the notice of intent.
 - Require FCCS institutions to submit a notice of intent and justification for the proposed baccalaureate degree at least 100 days before submitting the baccalaureate degree proposal.
 - Specify that the required justification for the proposed baccalaureate degree include a data-driven analysis of workforce demand, including employment data and projections by the Department of Economic Opportunity, which must be verified by the Chancellor of the FCCS.

⁷⁶ Section 240.3031, F.S., repealed January 7, 2003, by s. 3(7), ch. 2000-321.

⁷⁷ Section 20.15(3), F.S.

⁷⁸ The executive director of the community college system served as the executive officer and as secretary to the former SBCC. Section 240.311(4), F.S., repealed January 7, 2003, by s. 3(7), ch. 2000-321, L.O.F.

⁷⁹ Section 20.15(4), F.S.

⁸⁰ Section 240.313, F.S., repealed January 7, 2003, by s. 3(7), ch. 2000-321.

⁸¹ Section 1001.64(3), F.S.

- Extend the timeframe from 30 days to 60 days for private regionally-accredited colleges and universities, to submit their objections to the proposed baccalaureate degree programs and provide reasons for such objections.
- Eliminate the requirement for state universities and private colleges and universities to submit alternative proposals to the proposed baccalaureate degree programs.
- Require the SBCC consider input from the Chancellor of the SUS and the president of the Independent Colleges and Universities of Florida, and any objections before approving or denying a college's proposal.
- Aligns the baccalaureate degree approval process for St. Petersburg College with the approval process for other FCCS institutions.

Section 66 of the bill reinforces state oversight responsibilities by requiring the SBCC to direct an FCCS institution's board of trustees to terminate a baccalaureate degree program if the state's review indicates negative performance and compliance results, and the college fails to demonstrate a need for the program.

Additionally, this section prohibits the community colleges from offering bachelor of arts degrees⁸² and establishes a cap on upper-level, undergraduate FTE enrollment at FCCS institutions while providing flexibility for planned and purposeful growth of baccalaureate degree programs if certain conditions are met. The bill requires FCCS institutions to obtain legislative approval for exceeding the specified upper-level, undergraduate FTE enrollment cap. Specifically, the bill:

- Provides that if the 2015-2016 total upper-level, undergraduate FTE enrollment at an FCCS institution is:
 - At or above 10 percent⁸³ of the 2015-2016 combined total lower-level and upper-level FTE enrollment at that institution, the total upper-level enrollment, as a percentage of the combined enrollment, may not increase by more than 4 percentage points unless the institution obtains prior legislative approval.
 - Below 10 percent⁸⁴ of the 2015-2016 combined total lower-level and upper-level FTE enrollment at that institution, the total upper-level enrollment, as a percentage of the

⁸² Currently, there are no bachelor of arts degrees offered by community colleges. Email, Florida Department of Education, *2017 Agency Analysis of SB 374* (Feb. 2, 2017).

⁸³ Community colleges at or above the 8 percent threshold in 2015-16 were Chipola College, Daytona Beach State College, Florida State College at Jacksonville, Indian River State College, Polk State College, and St. Petersburg College. The Florida Senate staff analysis, Florida Department of Education, *Florida College System FTE Enrollment: Funded-30, Lower and Upper Division, 2015-16 FTE-3*, available at <http://fldoe.org/core/fileparse.php/15267/urlt/1516FTE3EnrollmentReport.pdf>.

⁸⁴ Community colleges below the 8 percent threshold in 2015-16 were Broward College, College of Central Florida, Eastern Florida State College, Florida SouthWestern State College, Florida Gateway College, Florida Keys Community College, Gulf Coast State College, Hillsborough Community College, Lake Sumter State College, Miami Dade College, Northwest Florida State College, North Florida Community College, Palm Beach State College, Pasco Hernando State College, Pensacola State College, Santa Fe College, Seminole State College, South Florida State College, State College of Florida-Manatee, Sarasota, St. Johns River State College, Tallahassee Community College, and Valencia College. The Florida Senate staff analysis, Florida Department of Education, *Florida College System FTE Enrollment: Funded-30, Lower and Upper Division, 2015-16 FTE-3*, available at <http://fldoe.org/core/fileparse.php/15267/urlt/1516FTE3EnrollmentReport.pdf>.

- combined enrollment, may not increase by more than 8 percentage points unless the institution obtains prior legislative approval.
- Specifies that the total upper-level enrollment at any institution may not exceed 15 percent, of the combined upper- and lower-level enrollment.
 - Emphasizes that within the 4 percent or 8 percent authorized growth, for any planned and purposeful expansion of existing baccalaureate degree programs or creation of a new baccalaureate program, an FCCS institution must demonstrate satisfactory performance in:
 - Fulfilling its primary mission as specified in law;⁸⁵
 - Executing at least one “2+2” targeted pathway articulation agreement specified in law;⁸⁶ and
 - Meeting or exceeding the performance standards related to on-time graduation rates for students earning associate in arts or baccalaureate degrees.⁸⁷
 - Establishes reporting requirements relating to upper-level enrollment, provides a mechanism for the SBCC to ensure compliance, and prohibits community colleges from reporting for funding, the upper-level, undergraduate full-time equivalent enrollment that exceeds the upper-level enrollment percent specified in the bill.

This section also reinforces the state’s expectation of college affordability by requiring the college’s program enrollment projections and funding requirements to include the college’s efforts to sustain the program at a cost of tuition and fees for Florida residents not to exceed \$10,000 for the entire degree program, including flexible tuition and fee rates, and the use of waivers authorized by law.⁸⁸

Mission of Florida’s Public K-20 Education System (Section 7, 15, 16, 26, 40, and 48)

Section 7 of the bill reinforces the state’s expectation that institutions within Florida’s K-20 education system avoid wasteful duplication of programs offered by state universities, FCCS institutions, and career centers operated by district school boards.

The bill also clarifies the mission of Florida’s public K-20 education system. Specifically,

- Section 40 of the bill changes the provision of upper-level instruction and awarding baccalaureate degrees from a primary mission to a secondary mission of FCCS institutions.
- Sections 16 and 26 of the bill specify that the primary mission of a career center or a charter technical career center is to promote advances and innovations in workforce preparation and economic development; except that a career center or charter technical career center may not award college credit.

The bill modifies the scope and responsibilities for career education in school districts and FCCS institutions. Specifically,

- Section 40 of the bill expands the scope of career education at an FCCS institution to include nationally recognized industry certifications.

⁸⁵ Section 1004.65, F.S.

⁸⁶ Section 1007.23, F.S.

⁸⁷ Section 1001.66, F.S.

⁸⁸ Section 1009.26(11), F.S.

- Section 48 of the bill modifies the accountability for career education to specify that such accountability must reflect the quality components of career and technical education programs in developing program standards and industry-driven benchmarks for career, adult, and community education programs.

The bill takes effect October 1, 2017, except as otherwise expressly provided.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

PCS/CS/SB 374 may result in education-related cost savings⁸⁹ for students with an associate in arts degree who pursue a baccalaureate degree under the targeted “2+2” articulation pathway program and graduate on time in 4 years.

C. Government Sector Impact:

Implementation of this bill requires the transfer of 34 existing positions and \$2.8 million from the State Board of Education budget for the creation of the State Board of Community Colleges. The State Board of Community Colleges will also need an additional 14 positions and \$1.7 million for necessary positions such as a General Counsel, Inspector General, Board Secretary, and others.

VI. Technical Deficiencies:

None.

⁸⁹ The average annual cost of attendance in 2016-2017 at a state university is \$21,534.08. Board of Governors, *Fall/Spring Cost of Attendance On-Campus for Full-Time Undergraduate Florida Residents 2016-17*, available at http://www.flbog.edu/about/doc/budget/attendance/CostAttendance2016_17_FINAL.xlsx.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 20.15, 112.313, 112.3145, 1000.03, 1000.05, 1001.02, 1001.03, 1001.10, 1001.11, 1001.20, 1001.28, 1001.42, 1001.44, 1001.60, 1001.61, 1001.64, 1001.65, 1001.66, 1001.67, 1001.706, 1002.34, 1003.491, 1003.493, 1004.015, 1004.02, 1004.03, 1004.04, 1004.07, 1004.084, 1004.085, 1004.096, 1004.0961, 1004.35, 1004.6495, 1004.65, 1004.67, 1004.70, 1004.71, 1004.74, 1004.78, 1004.80, 1004.91, 1004.92, 1004.925, 1004.93, 1006.60, 1006.61, 1006.62, 1006.71, 1007.01, 1007.23, 1007.24, 1007.25, 1007.262, 1007.263, 1007.264, 1007.265, 1007.27, 1007.271, 1007.273, 1007.33, 1008.30, 1008.31, 1008.32, 1008.345, 1008.37, 1008.38, 1008.405, 1008.44, 1008.45, 1009.21, 1009.22, 1009.23, 1009.25, 1009.26, 1009.28, 1009.90, 1009.91, 1009.971, 1010.01, 1010.02, 1010.04, 1010.07, 1010.08, 1010.09, 1010.22, 1010.30, 1010.58, 1011.01, 1011.011, 1011.30, 1011.32, 1011.80, 1011.801, 1011.81, 1011.82, 1011.83, 1011.84, 1011.85, 1012.01, 1012.80, 1012.81, 1012.83, 1012.855, 1012.86, 1013.01, 1013.02, 1013.03, 1013.28, 1013.31, 1013.36, 1013.37, 1013.40, 1013.47, 1013.52, and 1013.65, F.S.

This bill creates the following sections of the Florida Statutes: 20.156, 1001.601, and 1001.602.

This bill creates two undesignated sections of the Florida Statutes.

IX. Additional Information:**A. Committee Substitute – Statement of Changes:**

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

None.

B. Amendments:**Recommended CS for CS by Appropriations Subcommittee on Higher Education on March 15, 2017:**

The committee substitute:

- Adds parallel standards of conduct language for State Board of Community Colleges (SBCC) and Florida Community College System (FCCS) institution board of trustees members that:
 - Prohibits appointed members from being employed as a legislative lobbyist, and
 - Requires disclosure of financial interests.
- Modifies the SBCC appointments by:
 - Including geographical representation,
 - Including a faculty member representative,
 - Changing the student member term to one year and exempting the student member from Senate confirmation,

- Requiring that, except for the student member, each member must reside and be registered to vote in Florida, and Removing the limit on the on the number of four-year terms for reappointment.
- Modifies the community college baccalaureate degree approval process to shorten the approval time and:
 - Include a new notice of interest, which must be submitted into a share postsecondary database at least 180 days before submission of the notice of intent,
 - Require a notice of intent and justification to be submitted at least 100 days before the degree proposal,
 - Require the justification for the degree program to include employment data and projections from the Department of Economic Opportunity,
 - Provide a consistent 60-day timeframe for state universities, and private institutions to provide feedback on a degree proposal, and
 - Modify SBCC rulemaking authority to prescribe requirements for various notices, proposals, and objections.
- Modifies the baccalaureate degree enrollment caps to specify that if the 2015-2016 baccalaureate degree program full-time equivalent (FTE) enrollment at an FCCS institution is:
 - At or above 10 percent of the 2015-2016 combined total lower-level and upper-level FTE enrollment at that institution, the total upper-level enrollment, as a percentage of the combined enrollment, may not increase by more than 4 percentage points unless the institution obtains prior legislative approval.
 - Below 10 percent of the 2015-2016 combined total lower-level and upper-level FTE enrollment at that institution, the total upper-level enrollment, as a percentage of the combined enrollment, may not increase by more than 8 percentage points unless the institution obtains prior legislative approval.
- Sets a 15 percent maximum baccalaureate program enrollment cap for all FCCS institutions.
- Clarifies that the SBCC and State Board of Education should collaborate on career education issues and standards.
- Makes technical changes regarding the effective dates of certain sections of the bill and the bill as a whole.

CS by Education on February 6, 2017:

The committee substitute clarifies that:

- The authorization to conduct an investigation of a community college president's actions rests with the inspector general of the State Board of Community Colleges instead of the inspector general of the Florida Department of Education.

The State Board of Community Colleges must be responsible for charter technical career centers operated by Florida Community College System institutions regarding the adoption of standards of basic skill mastery for completion of certificate career education programs.

86 career center; prohibiting specified career centers or
87 charter technical career centers from offering certain
88 courses and programs; requiring the State Board of
89 Education to adopt rules; amending s. 1003.491, F.S.;
90 revising the Florida Career and Professional Education
91 Act to require the State Board of Community Colleges
92 to recommend, jointly with the Board of Governors and
93 the Commissioner of Education, certain deadlines for
94 new core courses; amending s. 1003.493, F.S.; revising
95 department duties regarding articulation and the
96 transfer of credits to postsecondary institutions to
97 include consultation with the State Board of Community
98 Colleges; amending s. 1004.015, F.S.; providing that
99 the Higher Education Coordinating Council serves as an
100 advisory board to, in addition to other bodies, the
101 State Board of Community Colleges; revising council
102 reporting requirements to include a report to the
103 State Board of Community Colleges; requiring the State
104 Board of Community Colleges, in addition to other
105 entities, to provide administrative support for the
106 council; amending ss. 1004.02 and 1004.03, F.S.;
107 conforming provisions to changes made by the act;
108 amending s. 1004.04, F.S.; revising department
109 reporting requirements regarding teacher preparation
110 programs to require a report to the State Board of
111 Community Colleges; amending s. 1004.07, F.S.;
112 providing that the State Board of Community Colleges,
113 instead of the State Board of Education, provide
114 guidelines for Florida Community College System

724756

576-02483-17

115 institution boards of trustees' policies; amending ss.
116 1004.084, 1004.085, 1004.096, 1004.0961, 1004.35, and
117 1004.6495, F.S.; conforming provisions to changes made
118 by the act; amending s. 1004.65, F.S.; revising
119 Florida Community College System institution
120 governance, mission, and responsibilities to provide
121 authority and duties to the State Board of Community
122 Colleges, instead of the State Board of Education;
123 providing that offering upper-level instruction and
124 awarding baccalaureate degrees are a secondary and not
125 a primary role of a Florida Community College System
126 institution; amending ss. 1004.67, 1004.70, and
127 1004.71, F.S.; conforming provisions to changes made
128 by the act; amending s. 1004.74, F.S.; requiring the
129 Chancellor of the Florida Community College System,
130 jointly with the Commissioner of Education, to appoint
131 members of the Council for the Florida School for the
132 Arts; amending ss. 1004.78 and 1004.80, F.S.;
133 conforming provisions to changes made by the act;
134 amending s. 1004.91, F.S.; requiring the State Board
135 of Community Colleges to collaborate with the State
136 Board of Education to provide certain rules for
137 Florida Community College System institutions
138 regarding requirements for career education program
139 basic skills; amending s. 1004.92, F.S.; providing
140 accountability for career education for the State
141 Board of Community Colleges; revising the department's
142 accountability for career education; requiring the
143 department and the State Board of Community Colleges

724756

576-02483-17

144 to collaborate to develop certain standards and
145 benchmarks; requiring the State Board of Education and
146 the State Board of Community Colleges to collaborate
147 to adopt rules; amending s. 1004.925, F.S.; revising
148 industry certification requirements for automotive
149 service technology education programs to include the
150 State Board of Community Colleges; amending s.
151 1004.93, F.S.; conforming provisions to changes made
152 by the act; amending s. 1006.60, F.S.; authorizing
153 sanctions for violations of certain rules of the State
154 Board of Community Colleges, instead of the State
155 Board of Education; amending ss. 1006.61, 1006.62, and
156 1006.71, F.S.; conforming provisions to changes made
157 by the act; amending s. 1007.01, F.S.; revising the
158 role of the State Board of Education and the Board of
159 Governors in the statewide articulation system to
160 include the State Board of Community Colleges and the
161 Chancellor of the Florida Community College System;
162 amending s. 1007.23, F.S.; requiring each Florida
163 Community College System institution to execute at
164 least one "2+2" targeted pathway articulation
165 agreement by a specified time; providing requirements
166 and student eligibility for the agreements; requiring
167 the State Board of Community Colleges and the Board of
168 Governors to collaborate to eliminate barriers for the
169 agreements; amending s. 1007.24, F.S.; revising the
170 statewide course numbering system to include
171 participation by and input from the State Board of
172 Community Colleges and the Chancellor of the Florida

724756

576-02483-17

173 Community College System; amending ss. 1007.25,
174 1007.262, 1007.263, 1007.264, 1007.265, and 1007.27,
175 F.S.; conforming provisions to changes made by the
176 act; amending s. 1007.271, F.S.; requiring the State
177 Board of Education to collaborate with the State Board
178 of Community Colleges regarding certain articulation
179 agreements; amending s. 1007.273, F.S.; requiring the
180 State Board of Community Colleges to enforce
181 compliance with certain provisions relating to the
182 collegiate high school program by a specified date
183 each year; amending s. 1007.33, F.S.; prohibiting
184 Florida Community College System institutions from
185 offering bachelor of arts degree programs; deleting
186 provisions relating to an authorization for the Board
187 of Trustees of St. Petersburg College to establish
188 certain baccalaureate degree programs; revising the
189 approval process for baccalaureate degree programs
190 proposed by Florida Community College System
191 institutions; requiring a Florida Community College
192 System institution to annually report certain
193 information to the State Board of Community Colleges,
194 the Chancellor of the State University System, and the
195 Legislature; revising the circumstances under which a
196 baccalaureate degree program may be required to be
197 modified or terminated; requiring the termination of a
198 baccalaureate degree program under certain
199 circumstances; restricting total upper-level,
200 undergraduate full-time equivalent enrollment at
201 Florida Community College System institutions under

724756

576-02483-17

202 certain circumstances; amending s. 1008.30, F.S.;

203 requiring the State Board of Community Colleges,

204 rather than the State Board of Education, to develop

205 and implement a specified common placement test and

206 approve a specified series of meta-majors and academic

207 pathways with the Board of Governors; amending s.

208 1008.31, F.S.; revising the legislative intent of

209 Florida's K-20 education performance and

210 accountability system to include recommendations from

211 and reports to the State Board of Community Colleges;

212 amending s. 1008.32, F.S.; removing the oversight

213 enforcement authority of the State Board of Education

214 relating to the Florida Community College System;

215 amending s. 1008.345, F.S.; removing provisions

216 requiring the department to maintain a listing of

217 certain skills associated with the system of

218 educational accountability; amending s. 1008.37, F.S.;

219 revising certain student reporting requirements of the

220 Commissioner of Education to also require a report to

221 the State Board of Community Colleges; amending s.

222 1008.38, F.S.; revising the articulation

223 accountability process to include participation by the

224 State Board of Community Colleges; amending s.

225 1008.405, F.S.; requiring the State Board of Community

226 Colleges to adopt rules for the maintaining of

227 specific information by Florida Community College

228 System institutions; amending ss. 1008.44, 1008.45,

229 1009.21, 1009.22, 1009.23, and 1009.25, F.S.;

230 conforming provisions to changes made by the act;

724756

576-02483-17

231 amending s. 1009.26, F.S.; requiring that certain
232 information regarding fee waivers be reported to the
233 State Board of Community Colleges; requiring the State
234 Board of Community Colleges to adopt rules; amending
235 s. 1009.28, F.S.; conforming provisions to changes
236 made by the act; amending ss. 1009.90 and 1009.91,
237 F.S.; revising the duties of the department to include
238 reports to the State Board of Community Colleges;
239 amending s. 1009.971, F.S.; conforming provisions to
240 changes made by the act; amending s. 1010.01, F.S.;
241 requiring the financial records and accounts of
242 Florida Community College System institutions to
243 follow rules of the State Board of Community Colleges,
244 instead of the State Board of Education; requiring
245 each Florida Community College System institution to
246 annually file specified financial statements with the
247 State Board of Community Colleges; amending ss.
248 1010.02 and 1010.04, F.S.; requiring the funds
249 accruing to and purchases and leases by Florida
250 Community College System institutions to follow rules
251 of the State Board of Community Colleges, instead of
252 the State Board of Education; amending s. 1010.07,
253 F.S.; requiring certain contractors to give bonds in
254 an amount set by the State Board of Community
255 Colleges; amending s. 1010.08, F.S.; authorizing
256 Florida Community College System board of trustees to
257 budget for promotion and public relations from certain
258 funds; amending ss. 1010.09, 1010.22, 1010.30, and
259 1010.58, F.S.; conforming provisions to changes made

724756

576-02483-17

260 by the act; amending s. 1011.01, F.S.; requiring each
261 Florida Community College System institution board of
262 trustees to submit an annual operating budget
263 according to rules of the State Board of Community
264 Colleges; amending s. 1011.011, F.S.; requiring the
265 State Board of Education to collaborate with the State
266 Board of Community Colleges for legislative budget
267 requests relating to Florida Community College System
268 institutions; amending ss. 1011.30 and 1011.32, F.S.;
269 conforming provisions to changes made by the act;
270 amending s. 1011.80, F.S.; conforming provisions to
271 changes made by the act; authorizing the State Board
272 of Community Colleges to adopt rules; amending s.
273 1011.801, F.S.; specifying duties of the State Board
274 of Community Colleges regarding funds for the
275 operation of workforce education programs and the
276 Workforce Development Capitalization Incentive Grant
277 Program; amending ss. 1011.81, 1011.82, 1011.83,
278 1011.84, and 1011.85, F.S.; conforming provisions to
279 changes made by the act; amending s. 1012.01, F.S.;
280 redefining the term "school officers"; amending ss.
281 1012.80, 1012.81, 1012.83, 1012.855, and 1012.86,
282 F.S.; conforming provisions to changes made by the
283 act; amending s. 1013.01, F.S.; providing that the
284 term "board" does not include the State Board of
285 Community Colleges when used in the context of certain
286 educational facilities provisions; amending ss.
287 1013.02 and 1013.03, F.S.; requiring the State Board
288 of Community Colleges to adopt rules for and provide

576-02483-17

289 functions relating to educational facilities; amending
290 s. 1013.28, F.S.; authorizing Florida Community
291 College System institution boards of trustees to
292 dispose of land or real property subject to rules of
293 the State Board of Community Colleges; amending s.
294 1013.31, F.S.; specifying the role of the State Board
295 of Community Colleges in educational plant surveys for
296 Florida Community College System institutions;
297 amending ss. 1013.36, 1013.37, and 1013.40, F.S.;
298 conforming provisions to changes made by the act;
299 amending s. 1013.47, F.S.; providing that certain
300 contractors are subject to rules of the State Board of
301 Community Colleges; amending s. 1013.52, F.S.;
302 specifying duties of the State Board of Community
303 Colleges with regard to the cooperative development
304 and joint use of facilities; amending s. 1013.65,
305 F.S.; requiring the State Board of Community Colleges
306 to be provided with copies of authorized allocations
307 or reallocations for the Public Education Capital
308 Outlay and Debt Service Trust Fund; requiring the
309 Board of Governors and the State Board of Community
310 Colleges to submit a report to the Governor and the
311 Legislature by a specified date; providing a directive
312 to the Division of Law Revision and Information;
313 providing effective dates.

315 Be It Enacted by the Legislature of the State of Florida:

316
317 Section 1. This act may be cited as the "College

576-02483-17

318 Competitiveness Act of 2017."
319 Section 2. Effective July 1, 2017, section 1001.6001,
320 Florida Statutes, is created to read:
321 1001.6001 Florida Community College System governance.-
322 (1) The Florida College System, established in s. 1001.60,
323 is renamed as the Florida Community College System.
324 (2) The State Board of Community Colleges is created
325 pursuant to s. 20.156 to oversee and coordinate the Florida
326 Community College System. The Governor shall appoint the
327 membership of the State Board of Community Colleges, subject to
328 confirmation by the Senate, in time for the members to convene
329 for the board's organizational meeting pursuant to s. 20.156(5).
330 (3) The Division of Florida Colleges shall provide
331 administrative support to the State Board of Community Colleges
332 until September 30, 2017.
333 (4) On October 1, 2017, all powers, duties, functions,
334 records, offices, personnel, property, pending issues and
335 existing contracts, administrative authority, administrative
336 rules, and unexpended balances of appropriations, allocations,
337 and other funds related to the Florida College System and the
338 Division of Florida Colleges are transferred by a type two
339 transfer, as defined in s. 20.06(2), from the State Board of
340 Education to the State Board of Community Colleges.
341 (5) The State Board of Community Colleges shall appoint a
342 Chancellor of the Florida Community College System by November
343 1, 2017, to aid the board in the implementation of its
344 responsibilities.
345 (6) Any State Board of Education approval, policy,
346 guidance, and appointment in effect on October 1, 2017, remain

576-02483-17

347 effective unless acted upon by the State Board of Community
348 Colleges.

349 Section 3. Subsections (3) and (8) of section 20.15,
350 Florida Statutes, are amended to read:
351 20.15 Department of Education.—There is created a
352 Department of Education.

353 (3) DIVISIONS.—The following divisions of the Department of
354 Education are established:

355 ~~(a) Division of Florida Colleges.~~

356 ~~(a)(b) Division of Public Schools.~~

357 ~~(b)(c) Division of Career and Adult Education.~~

358 ~~(c)(d) Division of Vocational Rehabilitation.~~

359 ~~(d)(e) Division of Blind Services.~~

360 ~~(e)(f) Division of Accountability, Research, and~~
361 ~~Measurement.~~

362 ~~(f)(g) Division of Finance and Operations.~~

363 ~~(g)(h) Office of K-20 Articulation.~~

364 ~~(h)(i) The Office of Independent Education and Parental~~
365 ~~Choice, which must include the following offices:~~

366 1. The Office of Early Learning, which shall be
367 administered by an executive director who is fully accountable
368 to the Commissioner of Education. The executive director shall,
369 pursuant to s. 1001.213, administer the early learning programs,
370 including the school readiness program and the Voluntary
371 Prekindergarten Education Program at the state level.

372 2. The Office of K-12 School Choice, which shall be
373 administered by an executive director who is fully accountable
374 to the Commissioner of Education.

375 (8) SUPPORT SERVICES.—The Department of Education shall

576-02483-17

376 continue to provide support to the Board of Governors of the
377 State University System and to the State Board of Community
378 Colleges of the Florida Community College System. At a minimum,
379 support services provided to the Board of Governors and the
380 State Board of Community Colleges shall include accounting,
381 printing, computer and Internet support, personnel and human
382 resources support, support for accountability initiatives, and
383 administrative support as needed for trust funds under the
384 jurisdiction of the Board of Governors and the State Board of
385 Community Colleges.

386 Section 4. Effective July 1, 2017, section 20.156, Florida
387 Statutes, is created to read:

388 20.156 State Board of Community Colleges.—

389 (1) GENERAL PROVISIONS.—The State Board of Community
390 Colleges is created. For the purposes of s. 6, Art. IV of the
391 State Constitution, the state board shall be assigned to and
392 administratively housed within the Department of Education.
393 However, the state board shall independently exercise the powers
394 and duties in s. 1001.602; is a separate budget program; and is
395 not subject to control, supervision, or direction by the
396 department. For purposes of this section, the State Board of
397 Community Colleges is referred to as the "state board."

398 (2) HEAD OF THE FLORIDA COMMUNITY COLLEGE SYSTEM.—The state
399 board is the head of the Florida Community College System. The
400 Governor shall appoint the board members, subject to
401 confirmation by the Senate.

402 (3) PERSONNEL.—The state board shall appoint a Chancellor
403 of the Florida Community College System by November 1, 2017, to
404 aid in carrying out the state board's duties. The chancellor is

576-02483-17

405 the chief executive officer and secretary to the state board and
406 directs the activities of the staff of the state board. The
407 Chancellor of the Division of Florida Colleges shall serve as
408 the Chancellor of the Florida Community College System until the
409 state board selects a chancellor.

410 (4) POWERS AND DUTIES.—Effective October 1, 2017, the state
411 board shall regulate, control, and be responsible for the
412 management of the Florida Community College System.

413 (5) ORGANIZATION.—The state board shall, by September 30,
414 2017, conduct an organizational meeting to adopt bylaws, elect a
415 chair and vice chair from the membership, and fix dates and
416 places for regular meetings.

417 Section 5. Subsection (18) is added to section 112.313,
418 Florida Statutes, to read:

419 112.313 Standards of conduct for public officers, employees
420 of agencies, and local government attorneys.—

421 (18) STATE BOARD OF COMMUNITY COLLEGES AND BOARDS OF
422 TRUSTEES.—A citizen member of the State Board of Community
423 Colleges or a citizen member of a Florida Community College
424 System institution board of trustees may not have or hold an
425 employment or contractual relationship as a legislative lobbyist
426 requiring annual registration and reporting pursuant to s.
427 11.045.

428 Section 6. Paragraph (c) of subsection (1) of section
429 112.3145, Florida Statutes, is amended to read:

430 112.3145 Disclosure of financial interests and clients
431 represented before agencies.—

432 (1) For purposes of this section, unless the context
433 otherwise requires, the term:

576-02483-17

434 (c) "State officer" means:

435 1. Any elected public officer, excluding those elected to
436 the United States Senate and House of Representatives, not
437 covered elsewhere in this part and any person who is appointed
438 to fill a vacancy for an unexpired term in such an elective
439 office.

440 2. An appointed member of each board, commission,
441 authority, or council having statewide jurisdiction, excluding a
442 member of an advisory body.

443 3. A member of the Board of Governors of the State
444 University System or a state university board of trustees, the
445 Chancellor and Vice Chancellors of the State University System,
446 and the president of a state university; or a member of the
447 State Board of Community Colleges and the Chancellor of the
448 Florida Community College System.

449 4. A member of the judicial nominating commission for any
450 district court of appeal or any judicial circuit.

451 Section 7. Subsections (2) and (4) of section 1000.03,
452 Florida Statutes, are amended to read:

453 1000.03 Function, mission, and goals of the Florida K-20
454 education system.—

455 (2) (a) The Legislature shall establish education policy,
456 enact education laws, and appropriate and allocate education
457 resources.

458 (b) With the exception of matters relating to the State
459 University System and the Florida Community College System, the
460 State Board of Education shall oversee the enforcement of all
461 laws and rules, and the timely provision of direction,
462 resources, assistance, intervention when needed, and strong

576-02483-17

463 incentives and disincentives to force accountability for
464 results.

465 (c) The Board of Governors shall oversee the enforcement of
466 all state university laws and rules and regulations and the
467 timely provision of direction, resources, assistance,
468 intervention when needed, and strong incentives and
469 disincentives to force accountability for results.

470 (d) The State Board of Community Colleges shall oversee the
471 enforcement of all Florida Community College System laws and
472 rules and the timely provision of direction, resources,
473 assistance, intervention when needed, and strong incentives and
474 disincentives to force accountability for results.

475 (4) The mission of Florida's K-20 education system is to
476 allow its students to increase their proficiency by allowing
477 them the opportunity to expand their knowledge and skills
478 through rigorous and relevant learning opportunities, in
479 accordance with the mission of the applicable career center or
480 system statement and the accountability requirements of s.
481 1008.31, and to avoid wasteful duplication of programs offered
482 by state universities, Florida Community College System
483 institutions, and career centers and charter technical career
484 centers that are operated by a district school board or a
485 Florida Community College System institution board of trustees.

486 Section 8. Paragraph (d) of subsection (3) and subsections
487 (5) and (6) of section 1000.05, Florida Statutes, are amended to
488 read:

489 1000.05 Discrimination against students and employees in
490 the Florida K-20 public education system prohibited; equality of
491 access required.-

576-02483-17

492 (3)

493 (d) A public K-20 educational institution which operates or
494 sponsors interscholastic, intercollegiate, club, or intramural
495 athletics shall provide equal athletic opportunity for members
496 of both genders.

497 1. The Board of Governors shall determine whether equal
498 opportunities are available at state universities.

499 2. The Commissioner of Education, for school districts, and
500 the Chancellor of the Florida Community College System, for
501 Florida Community College System institutions, shall determine
502 whether equal opportunities are available in school districts
503 and Florida Community College System institutions. In
504 determining whether equal opportunities are available in school
505 districts and Florida Community College System institutions, the
506 Commissioner of Education and the Chancellor of the Florida
507 Community College System shall consider, among other factors:

508 a. Whether the selection of sports and levels of
509 competition effectively accommodate the interests and abilities
510 of members of both genders.

511 b. The provision of equipment and supplies.

512 c. Scheduling of games and practice times.

513 d. Travel and per diem allowances.

514 e. Opportunities to receive coaching and academic tutoring.

515 f. Assignment and compensation of coaches and tutors.

516 g. Provision of locker room, practice, and competitive
517 facilities.

518 h. Provision of medical and training facilities and
519 services.

520 i. Provision of housing and dining facilities and services.

576-02483-17

521 j. Publicity.

522

523 Unequal aggregate expenditures for members of each gender or
524 unequal expenditures for male and female teams if a public
525 school or Florida Community College System institution operates
526 or sponsors separate teams do not constitute nonimplementation
527 of this subsection, but the Commissioner of Education shall
528 consider the failure to provide necessary funds for teams for
529 one gender in assessing equality of opportunity for members of
530 each gender.

531 (5) (a) The State Board of Education shall adopt rules to
532 implement this section as it relates to school districts ~~and~~
533 ~~Florida College System institutions.~~

534 (b) The Board of Governors shall adopt regulations to
535 implement this section as it relates to state universities.

536 (c) The State Board of Community Colleges shall adopt rules
537 to implement this section as it relates to Florida Community
538 College System institutions.

539 (6) The functions of the State Board of Community Colleges
540 for Florida Community College System institutions and the Office
541 of Equal Educational Opportunity of the Department of Education
542 shall include, but are not limited to:

543 (a) Requiring all district school boards and Florida
544 Community College System institution boards of trustees to
545 develop and submit plans for the implementation of this section
546 to the Department of Education.

547 (b) Conducting periodic reviews of school districts and
548 Florida Community College System institutions to determine
549 compliance with this section and, after a finding that a school

576-02483-17

550 district or a Florida Community College System institution is
551 not in compliance with this section, notifying the entity of the
552 steps that it must take to attain compliance and performing
553 followup monitoring.

554 (c) Providing technical assistance, including assisting
555 school districts or Florida Community College System
556 institutions in identifying unlawful discrimination and
557 instructing them in remedies for correction and prevention of
558 such discrimination and performing followup monitoring.

559 (d) Conducting studies of the effectiveness of methods and
560 strategies designed to increase the participation of students in
561 programs and courses in which students of a particular race,
562 ethnicity, national origin, gender, disability, or marital
563 status have been traditionally underrepresented and monitoring
564 the success of students in such programs or courses, including
565 performing followup monitoring.

566 (e) Requiring all district school boards and Florida
567 Community College System institution boards of trustees to
568 submit data and information necessary to determine compliance
569 with this section. The Commissioner of Education, for school
570 districts, and the Chancellor of the Florida Community College
571 System, for Florida Community College System institutions, shall
572 prescribe the format and the date for submission of such data
573 and any other educational equity data. If any board does not
574 submit the required compliance data or other required
575 educational equity data by the prescribed date, the commissioner
576 shall notify the board of this fact and, if the board does not
577 take appropriate action to immediately submit the required
578 report, the State Board of Education shall impose monetary

576-02483-17

579 sanctions.

580 (f) Based upon rules of the State Board of Education, for
581 school districts, and the State Board of Community Colleges, for
582 Florida Community College System institutions, developing and
583 implementing enforcement mechanisms with appropriate penalties
584 to ensure that public K-12 schools and Florida Community College
585 System institutions comply with Title IX of the Education
586 Amendments of 1972 and subsection (3) of this section. However,
587 the State Board of Education may not force a public school or
588 Florida Community College System institution to conduct, nor
589 penalize such entity for not conducting, a program of athletic
590 activity or athletic scholarship for female athletes unless it
591 is an athletic activity approved for women by a recognized
592 association whose purpose is to promote athletics and a
593 conference or league exists to promote interscholastic or
594 intercollegiate competition for women in that athletic activity.

595 (g) Reporting to the Commissioner of Education, for school
596 districts, or to the Chancellor of the Florida Community College
597 System, for Florida Community College System institutions, any
598 district school board or Florida Community College System
599 institution board of trustees found to be out of compliance with
600 rules of the State Board of Education or the State Board of
601 Community Colleges adopted as required by paragraph (f) or
602 paragraph (3)(d). To penalize the respective board, the State
603 Board of Education or the State Board of Community Colleges, as
604 applicable, shall:

- 605 1. Declare the school district or Florida Community College
606 System institution ineligible for competitive state grants.
- 607 2. Notwithstanding the provisions of s. 216.192, direct the

576-02483-17

608 Chief Financial Officer to withhold general revenue funds
609 sufficient to obtain compliance from the school district or
610 Florida Community College System institution.

611
612 The school district or Florida Community College System
613 institution shall remain ineligible and the funds may shall not
614 be paid until the institution comes into compliance or the State
615 Board of Education or the State Board of Community Colleges, as
616 applicable, approves a plan for compliance.

617 Section 9. Section 1001.02, Florida Statutes, is amended to
618 read:

619 1001.02 General powers of State Board of Education.—

620 (1) The State Board of Education is the chief implementing
621 and coordinating body of public education in Florida except for
622 the State University System and the Florida Community College
623 System, and it shall focus on high-level policy decisions. It
624 has authority to adopt rules pursuant to ss. 120.536(1) and
625 120.54 to implement the provisions of law conferring duties upon
626 it for the improvement of the state system of K-20 public
627 education except for the State University System and the Florida
628 Community College System. Except as otherwise provided herein,
629 it may, as it finds appropriate, delegate its general powers to
630 the Commissioner of Education or the directors of the divisions
631 of the department.

632 (2) The State Board of Education has the following duties:

633 (a) To adopt comprehensive educational objectives for
634 public education except for the State University System and the
635 Florida Community College System.

636 (b) To adopt comprehensive long-range plans and short-range

576-02483-17

637 programs for the development of the state system of public
638 education except for the State University System and the Florida
639 Community College System.

640 (c) To exercise general supervision over the divisions of
641 the Department of Education as necessary to ensure coordination
642 of educational plans and programs and resolve controversies and
643 to minimize problems of articulation and student transfers, to
644 ensure that students moving from one level of education to the
645 next have acquired competencies necessary for satisfactory
646 performance at that level, and to ensure maximum utilization of
647 facilities.

648 (d) To adopt, in consultation with the Board of Governors
649 and the State Board of Community Colleges, and from time to time
650 modify, minimum and uniform standards of college-level
651 communication and computation skills generally associated with
652 successful performance and progression through the baccalaureate
653 level and to identify college-preparatory high school coursework
654 and postsecondary-level coursework that prepares students with
655 the academic skills necessary to succeed in postsecondary
656 education.

657 (e) To adopt and submit to the Governor and Legislature, as
658 provided in s. 216.023, a coordinated K-20 education budget that
659 estimates the expenditure requirements for the Board of
660 Governors, as provided in s. 1001.706, the State Board of
661 Education, including the Department of Education and the
662 Commissioner of Education, and all of the boards, institutions,
663 agencies, and services under the general supervision of the
664 Board of Governors, as provided in s. 1001.706, the State Board
665 of Community Colleges, as provided in s. 1001.602, or the State

576-02483-17

666 Board of Education for the ensuing fiscal year. The State Board
667 of Education may not amend the budget request submitted by the
668 Board of Governors or the State Board of Community Colleges. Any
669 program recommended by the Board of Governors, the State Board
670 of Community Colleges, or the State Board of Education which
671 will require increases in state funding for more than 1 year
672 must be presented in a multiyear budget plan.

673 (f) To hold meetings, transact business, keep records,
674 adopt a seal, and, except as otherwise provided by law, perform
675 such other duties as may be necessary for the enforcement of
676 laws and rules relating to the state system of public education.

677 (g) To approve plans for cooperating with the Federal
678 Government.

679 (h) To approve plans for cooperating with other public
680 agencies in the development of rules and in the enforcement of
681 laws for which the state board and such agencies are jointly
682 responsible.

683 (i) To review plans for cooperating with appropriate
684 nonpublic agencies for the improvement of conditions relating to
685 the welfare of schools.

686 (j) To create such subordinate advisory bodies as are
687 required by law or as it finds necessary for the improvement of
688 education.

689 (k) To constitute any education bodies or other structures
690 as required by federal law.

691 (l) To assist in the economic development of the state by
692 developing a state-level planning process to identify future
693 training needs for industry, especially high-technology
694 industry.

724756

576-02483-17

695 (m) To assist in the planning and economic development of
696 the state by establishing a clearinghouse for information on
697 educational programs of value to economic development.

698 (n) To adopt cohesive rules pursuant to ss. 120.536(1) and
699 120.54, within statutory authority.

700 (o) To authorize the allocation of resources in accordance
701 with law and rule.

702 (p) To contract with independent institutions accredited by
703 an agency whose standards are comparable to the minimum
704 standards required to operate a postsecondary career center
705 educational institution at that level in the state. The purpose
706 of the contract is to provide those educational programs and
707 facilities which will meet needs unfulfilled by the state system
708 of public postsecondary education.

709 (q) To recommend that a district school board take action
710 consistent with the state board's decision relating to an appeal
711 of a charter school application.

712 (r) To enforce systemwide education goals and policies
713 except as otherwise provided by law.

714 (s) To establish a detailed procedure for the
715 implementation and operation of a systemwide K-20 technology
716 plan that is based on a common set of data definitions.

717 (t) To establish accountability standards for existing
718 legislative performance goals, standards, and measures, and
719 order the development of mechanisms to implement new legislative
720 goals, standards, and measures.

721 (u) To adopt criteria and implementation plans for future
722 growth issues, ~~such as new Florida College System institutions~~
723 ~~and Florida College System institution campus mergers~~, and to

724756

576-02483-17

724 provide for cooperative agreements between and within public and
725 private education sectors.

726 (v) To develop, in conjunction with the Board of Governors
727 and the State Board of Community Colleges, and periodically
728 review for adjustment, a coordinated 5-year plan for
729 postsecondary enrollment, identifying enrollment and graduation
730 expectations by baccalaureate degree program, and annually
731 submit the plan to the Legislature as part of its legislative
732 budget request.

733 ~~(w) Beginning in the 2014-2015 academic year and annually~~
734 ~~thereafter, to require each Florida College System institution~~
735 ~~prior to registration to provide each enrolled student~~
736 ~~electronic access to the economic security report of employment~~
737 ~~and earning outcomes prepared by the Department of Economic~~
738 ~~Opportunity pursuant to s. 445.07.~~

739 (3) (a) The State Board of Education shall adopt a strategic
740 plan that specifies goals and objectives for the state's public
741 schools ~~and Florida College System institutions~~. The plan shall
742 be formulated in conjunction with plans of the Board of
743 Governors and the State Board of Community Colleges in order to
744 provide for the roles of the universities and Florida Community
745 College System institutions to be coordinated to best meet state
746 needs and reflect cost-effective use of state resources. The
747 strategic plan must clarify the mission statements of each
748 Florida Community College System institution and the system as a
749 whole and identify degree programs, including baccalaureate
750 degree programs, to be offered at each Florida Community College
751 System institution in accordance with the objectives provided in
752 this subsection and the coordinated 5-year plan pursuant to

576-02483-17

753 paragraph (2) (v). The strategic plan must cover a period of 5
754 years, with modification of the program lists after 2 years.
755 Development of each 5-year plan must be coordinated with and
756 initiated after completion of the master plan. The strategic
757 plans must specifically include programs and procedures for
758 responding to the educational needs of teachers and students in
759 the public schools of this state and consider reports and
760 recommendations of the Higher Education Coordinating Council
761 pursuant to s. 1004.015 and the Articulation Coordinating
762 Committee pursuant to s. 1007.01. The state board shall submit a
763 report to the President of the Senate and the Speaker of the
764 House of Representatives upon modification of the plan and as
765 part of its legislative budget request.

766 (b) The State Board of Education, ~~and~~ the Board of
767 Governors, and the State Board of Community Colleges shall
768 jointly develop long-range plans and annual reports for
769 financial aid in this state. The long-range plans shall
770 establish goals and objectives for a comprehensive program of
771 financial aid for Florida students and shall be updated every 5
772 years. The annual report shall include programs administered by
773 the department as well as awards made from financial aid fee
774 revenues, any other funds appropriated by the Legislature for
775 financial assistance, and the value of tuition and fees waived
776 for students enrolled in a dual enrollment course at a public
777 postsecondary educational institution. The annual report shall
778 include an assessment of progress made in achieving goals and
779 objectives established in the long-range plans and
780 recommendations for repealing or modifying existing financial
781 aid programs or establishing new programs. A long-range plan

576-02483-17

782 shall be submitted by January 1, 2004, and every 5 years
783 thereafter. An annual report shall be submitted on January 1,
784 2004, and in each successive year that a long-range plan is not
785 submitted, to the President of the Senate and the Speaker of the
786 House of Representatives.

787 (4) The State Board of Education shall+
788 ~~(a) Provide for each Florida College System institution to~~
789 ~~offer educational training and service programs designed to meet~~
790 ~~the needs of both students and the communities served.~~

791 ~~(b) Specify, by rule, procedures to be used by the Florida~~
792 ~~College System institution boards of trustees in the annual~~
793 ~~evaluations of presidents and review the evaluations of~~
794 ~~presidents by the boards of trustees, including the extent to~~
795 ~~which presidents serve both institutional and system goals.~~

796 ~~(c) Establish, in conjunction with the Board of Governors,~~
797 ~~an effective information system that will provide composite data~~
798 ~~concerning the Florida College System institutions and state~~
799 ~~universities and ensure that special analyses and studies~~
800 ~~concerning the institutions are conducted, as necessary, for~~
801 ~~provision of accurate and cost-effective information concerning~~
802 ~~the institutions.~~

803 ~~(d) Establish criteria for making recommendations for~~
804 ~~modifying district boundary lines for Florida College System~~
805 ~~institutions, including criteria for service delivery areas of~~
806 ~~Florida College System institutions authorized to grant~~
807 ~~baccalaureate degrees.~~

808 ~~(e) Establish criteria for making recommendations~~
809 ~~concerning all proposals for the establishment of additional~~
810 ~~centers or campuses for Florida College System institutions.~~

576-02483-17

811 ~~(f) Examine the annual administrative review of each~~
812 ~~Florida College System institution.~~
813 ~~(g) adopt and submit to the Legislature a 3-year list of~~
814 ~~priorities for fixed-capital-outlay projects. The State Board of~~
815 ~~Education may not amend the 3-year list of priorities of the~~
816 ~~Board of Governors or the State Board of Community Colleges.~~
817 ~~(5) The State Board of Education is responsible for~~
818 ~~reviewing and administering the state program of support for the~~
819 ~~Florida College System institutions and, subject to existing~~
820 ~~law, shall establish the tuition and out-of-state fees for~~
821 ~~developmental education and for credit instruction that may be~~
822 ~~counted toward an associate in arts degree, an associate in~~
823 ~~applied science degree, or an associate in science degree.~~
824 ~~(6) The State Board of Education shall prescribe minimum~~
825 ~~standards, definitions, and guidelines for Florida College~~
826 ~~System institutions that will ensure the quality of education,~~
827 ~~coordination among the Florida College System institutions and~~
828 ~~state universities, and efficient progress toward accomplishing~~
829 ~~the Florida College System institution mission. At a minimum,~~
830 ~~these rules must address:~~
831 ~~(a) Personnel.~~
832 ~~(b) Contracting.~~
833 ~~(c) Program offerings and classification, including~~
834 ~~college-level communication and computation skills associated~~
835 ~~with successful performance in college and with tests and other~~
836 ~~assessment procedures that measure student achievement of those~~
837 ~~skills. The performance measures must provide that students~~
838 ~~moving from one level of education to the next acquire the~~
839 ~~necessary competencies for that level.~~

576-02483-17

840 ~~(d) Provisions for curriculum development, graduation~~
841 ~~requirements, college calendars, and program service areas.~~
842 ~~These provisions must include rules that:~~
843 ~~1. Provide for the award of an associate in arts degree to~~
844 ~~a student who successfully completes 60 semester credit hours at~~
845 ~~the Florida College System institution.~~
846 ~~2. Require all of the credits accepted for the associate in~~
847 ~~arts degree to be in the statewide course numbering system as~~
848 ~~credits toward a baccalaureate degree offered by a state~~
849 ~~university or a Florida College System institution.~~
850 ~~3. Require no more than 36 semester credit hours in general~~
851 ~~education courses in the subject areas of communication,~~
852 ~~mathematics, social sciences, humanities, and natural sciences.~~
853
854 ~~The rules should encourage Florida College System institutions~~
855 ~~to enter into agreements with state universities that allow~~
856 ~~Florida College System institution students to complete upper-~~
857 ~~division level courses at a Florida College System institution.~~
858 ~~An agreement may provide for concurrent enrollment at the~~
859 ~~Florida College System institution and the state university and~~
860 ~~may authorize the Florida College System institution to offer an~~
861 ~~upper-division-level course or distance learning.~~
862 ~~(e) Student admissions, conduct and discipline,~~
863 ~~nonclassroom activities, and fees.~~
864 ~~(f) Budgeting.~~
865 ~~(g) Business and financial matters.~~
866 ~~(h) Student services.~~
867 ~~(i) Reports, surveys, and information systems, including~~
868 ~~forms and dates of submission.~~

724756

576-02483-17

869 Section 10. Subsections (7) through (17) of section
870 1001.03, Florida Statutes, are amended to read:
871 1001.03 Specific powers of State Board of Education.—
872 (7) ARTICULATION ACCOUNTABILITY.—The State Board of
873 Education shall develop articulation accountability measures
874 that assess the status of systemwide articulation processes, in
875 conjunction with the Board of Governors regarding the State
876 University System and the State Board of Community Colleges
877 regarding the Florida Community College System, and shall
878 establish an articulation accountability process in accordance
879 with the provisions of chapter 1008, in conjunction with the
880 Board of Governors regarding the State University System and the
881 State Board of Community Colleges regarding the Florida
882 Community College System.
883 (8) SYSTEMWIDE ENFORCEMENT.—The State Board of Education
884 shall enforce compliance with law and state board rule by all
885 school districts and public postsecondary educational
886 institutions, except for institutions within the State
887 University System and the Florida Community College System, in
888 accordance with the provisions of s. 1008.32.
889 (9) MANAGEMENT INFORMATION DATABASES.—The State Board of
890 Education, in conjunction with the Board of Governors regarding
891 the State University System and the State Board of Community
892 Colleges regarding the Florida Community College System, shall
893 continue to collect and maintain, at a minimum, the management
894 information databases for state universities, community
895 colleges, and all other components of the public K-20 education
896 system as such databases existed on June 30, 2002.
897 ~~(10) COMMON PLACEMENT TESTING FOR PUBLIC POSTSECONDARY~~

724756

576-02483-17

898 ~~EDUCATION.—The State Board of Education, in conjunction with the~~
899 ~~Board of Governors, shall develop and implement a common~~
900 ~~placement test to assess the basic computation and communication~~
901 ~~skills of students who intend to enter a degree program at any~~
902 ~~Florida College System institution or state university.~~
903 ~~(10)(11) MINIMUM STANDARDS FOR NONPUBLIC POSTSECONDARY~~
904 ~~EDUCATION.—The State Board of Education shall adopt minimum~~
905 ~~standards relating to nonpublic postsecondary education and~~
906 ~~institutions, in accordance with the provisions of chapter 1005.~~
907 ~~(12) COMMON POSTSECONDARY DEFINITIONS.—The State Board of~~
908 ~~Education shall adopt, by rule, common definitions for associate~~
909 ~~in science degrees and for certificates.~~
910 ~~(13) CYCLIC REVIEW OF POSTSECONDARY ACADEMIC PROGRAMS.—The~~
911 ~~State Board of Education shall provide for the cyclic review of~~
912 ~~all academic programs in Florida College System institutions at~~
913 ~~least every 7 years. Program reviews shall document how~~
914 ~~individual academic programs are achieving stated student~~
915 ~~learning and program objectives within the context of the~~
916 ~~institution's mission. The results of the program reviews shall~~
917 ~~inform strategic planning, program development, and budgeting~~
918 ~~decisions at the institutional level.~~
919 ~~(11)(14) UNIFORM CLASSIFICATION SYSTEM FOR SCHOOL DISTRICT~~
920 ~~ADMINISTRATIVE AND MANAGEMENT PERSONNEL.—The State Board of~~
921 ~~Education shall maintain a uniform classification system for~~
922 ~~school district administrative and management personnel that~~
923 ~~will facilitate the uniform coding of administrative and~~
924 ~~management personnel to total district employees.~~
925 ~~(15) FLORIDA COLLEGE SYSTEM INSTITUTION BACCALAUREATE~~
926 ~~DEGREE PROGRAMS.—The State Board of Education shall provide for~~

724756

576-02483-17

927 ~~the review and approval of proposals by Florida College System~~
928 ~~institutions to offer baccalaureate degree programs pursuant to~~
929 ~~s. 1007.33. A Florida College System institution, as defined in~~
930 ~~s. 1000.21, that is approved to offer baccalaureate degrees~~
931 ~~pursuant to s. 1007.33 remains under the authority of the State~~
932 ~~Board of Education and the Florida College System institution's~~
933 ~~board of trustees. The State Board of Education may not approve~~
934 ~~Florida College System institution baccalaureate degree program~~
935 ~~proposals from March 31, 2014, through May 31, 2015.~~

936 ~~(16) PLAN SPECIFYING GOALS AND OBJECTIVES. By July 1, 2013,~~
937 ~~the State Board of Education shall identify performance metrics~~
938 ~~for the Florida College System and develop a plan that specifies~~
939 ~~goals and objectives for each Florida College System~~
940 ~~institution. The plan must include:~~

941 ~~(a) Performance metrics and standards common for all~~
942 ~~institutions and metrics and standards unique to institutions~~
943 ~~depending on institutional core missions, including, but not~~
944 ~~limited to, remediation success, retention, graduation,~~
945 ~~employment, transfer rates, licensure passage, excess hours,~~
946 ~~student loan burden and default rates, job placement, faculty~~
947 ~~awards, and highly respected rankings for institution and~~
948 ~~program achievements.~~

949 ~~(b) Student enrollment and performance data delineated by~~
950 ~~method of instruction, including, but not limited to,~~
951 ~~traditional, online, and distance learning instruction.~~

952 ~~(12)(17) UNIFIED STATE PLAN FOR SCIENCE, TECHNOLOGY,~~
953 ~~ENGINEERING, AND MATHEMATICS (STEM).-The State Board of~~
954 ~~Education, in consultation with the Board of Governors, the~~
955 ~~State Board of Community Colleges, and the Department of~~

724756

576-02483-17

956 Economic Opportunity, shall adopt a unified state plan to
957 improve K-20 STEM education and prepare students for high-skill,
958 high-wage, and high-demand employment in STEM and STEM-related
959 fields.

960 Section 11. Subsection (1), paragraphs (g) and (j) of
961 subsection (6), and subsection (7) of section 1001.10, Florida
962 Statutes, are amended to read:

963 1001.10 Commissioner of Education; general powers and
964 duties.-

965 (1) The Commissioner of Education is the chief educational
966 officer of the state and the sole custodian of the K-20 data
967 warehouse, and is responsible for giving full assistance to the
968 State Board of Education in enforcing compliance with the
969 mission and goals of the K-20 education system except for the
970 State University System and the Florida Community College
971 System.

972 (6) Additionally, the commissioner has the following
973 general powers and duties:

974 (g) To submit to the State Board of Education, on or before
975 October 1 of each year, recommendations for a coordinated K-20
976 education budget that estimates the expenditures for the Board
977 of Governors, the State Board of Community Colleges, the State
978 Board of Education, including the Department of Education and
979 the Commissioner of Education, and all of the boards,
980 institutions, agencies, and services under the general
981 supervision of the Board of Governors, the State Board of
982 Community Colleges, or the State Board of Education for the
983 ensuing fiscal year. Any program recommended to the State Board
984 of Education that will require increases in state funding for

576-02483-17

985 more than 1 year must be presented in a multiyear budget plan.

986 (j) To implement a program of school improvement and
987 education accountability designed to provide all students the
988 opportunity to make adequate learning gains in each year of
989 school as provided by statute and State Board of Education rule
990 based upon the achievement of the state education goals,
991 recognizing the following:

992 1. The district school board is responsible for school and
993 student performance.

994 2. The individual school is the unit for education
995 accountability.

996 ~~3. The Florida College System institution board of trustees~~
997 ~~is responsible for Florida College System institution~~
998 ~~performance and student performance.~~

999 ~~(7) The commissioner, or the commissioner's designee, may~~
1000 ~~conduct a review or investigation of practices, procedures, or~~
1001 ~~actions at any Florida College System institution which appear~~
1002 ~~to be inconsistent with sound financial, management, or academic~~
1003 ~~practice.~~

1004 Section 12. Paragraphs (c) through (f) of subsection (1)
1005 and subsection (3) of section 1001.11, Florida Statutes, are
1006 amended to read:

1007 1001.11 Commissioner of Education; other duties.—

1008 (1) The Commissioner of Education must independently
1009 perform the following duties:

1010 (c) In cooperation with the Board of Governors and the
1011 State Board of Community Colleges, develop and implement a
1012 process for receiving and processing requests, in conjunction
1013 with the Legislature, for the allocation of PECO funds for

576-02483-17

1014 qualified postsecondary education projects.

1015 ~~(d) Integrally work with the boards of trustees of the~~
1016 ~~Florida College System institutions.~~

1017 (d)(e) Monitor the activities of the State Board of
1018 Education and provide information related to current and pending
1019 policies to the members of the boards of trustees of the Florida
1020 Community College System institutions and state universities.

1021 (e)(f) Ensure the timely provision of information requested
1022 by the Legislature from the State Board of Education, the
1023 commissioner's office, and the Department of Education.

1024 (3) Notwithstanding any other provision of law to the
1025 contrary, the Commissioner of Education, in conjunction with the
1026 Legislature, and the Board of Governors regarding the State
1027 University System, and the State Board of Community Colleges
1028 regarding the Florida Community College System, must recommend
1029 funding priorities for the distribution of capital outlay funds
1030 for public postsecondary educational institutions, based on
1031 priorities that include, but are not limited to, the following
1032 criteria:

1033 (a) Growth at the institutions.

1034 (b) Need for specific skills statewide.

1035 (c) Need for maintaining and repairing existing facilities.

1036 Section 13. Paragraph (e) of subsection (4) of section
1037 1001.20, Florida Statutes, is amended to read:

1038 1001.20 Department under direction of state board.—

1039 (4) The Department of Education shall establish the
1040 following offices within the Office of the Commissioner of
1041 Education which shall coordinate their activities with all other
1042 divisions and offices:

576-02483-17

1043 (e) *Office of Inspector General.*—Organized using existing
1044 resources and funds and responsible for promoting
1045 accountability, efficiency, and effectiveness and detecting
1046 fraud and abuse within school districts ~~and~~ the Florida School
1047 for the Deaf and the Blind, ~~and Florida College System~~
1048 ~~institutions in Florida~~. If the Commissioner of Education
1049 determines that a district school board ~~or~~ the Board of
1050 Trustees for the Florida School for the Deaf and the Blind, ~~or a~~
1051 ~~Florida College System institution board of trustees~~ is
1052 unwilling or unable to address substantiated allegations made by
1053 any person relating to waste, fraud, or financial mismanagement
1054 within the school district ~~or~~ the Florida School for the Deaf
1055 and the Blind, ~~or the Florida College System institution~~, the
1056 office shall conduct, coordinate, or request investigations into
1057 such substantiated allegations. The office shall have access to
1058 all information and personnel necessary to perform its duties
1059 and shall have all of its current powers, duties, and
1060 responsibilities authorized in s. 20.055.

1061 Section 14. Section 1001.28, Florida Statutes, is amended
1062 to read:

1063 1001.28 Distance learning duties.—The duties of the
1064 Department of Education concerning distance learning include,
1065 but are not limited to, the duty to:

1066 (1) Facilitate the implementation of a statewide
1067 coordinated system and resource system for cost-efficient
1068 advanced telecommunications services and distance education
1069 which will increase overall student access to education.

1070 (2) Coordinate the use of existing resources, including,
1071 but not limited to, the state's satellite transponders, the

576-02483-17

1072 Florida Information Resource Network (FIRN), and distance
1073 learning initiatives.

1074 (3) Assist in the coordination of the utilization of the
1075 production and uplink capabilities available through Florida's
1076 public television stations, eligible facilities, independent
1077 colleges and universities, private firms, and others as needed.

1078 (4) Seek the assistance and cooperation of Florida's cable
1079 television providers in the implementation of the statewide
1080 advanced telecommunications services and distance learning
1081 network.

1082 (5) Seek the assistance and cooperation of Florida's
1083 telecommunications carriers to provide affordable student access
1084 to advanced telecommunications services and to distance
1085 learning.

1086 (6) Coordinate partnerships for development, acquisition,
1087 use, and distribution of distance learning.

1088 (7) Secure and administer funding for programs and
1089 activities for distance learning from federal, state, local, and
1090 private sources and from fees derived from services and
1091 materials.

1092 (8) Hire appropriate staff which may include a position
1093 that shall be exempt from part II of chapter 110 and is included
1094 in the Senior Management Service in accordance with s. 110.205.

1095
1096 Nothing in this section shall be construed to abrogate,
1097 supersede, alter, or amend the powers and duties of any state
1098 agency, district school board, Florida Community College System
1099 institution board of trustees, university board of trustees, the
1100 Board of Governors, the State Board of Community Colleges, or

724756

576-02483-17

1101 the State Board of Education.

1102 Section 15. Effective July 1, 2017, subsection (26) of
1103 section 1001.42, Florida Statutes, is amended to read:

1104 1001.42 Powers and duties of district school board.—The
1105 district school board, acting as a board, shall exercise all
1106 powers and perform all duties listed below:

1107 (26) TECHNICAL CENTER GOVERNING BOARD.—May appoint a
1108 governing board for a school district technical center or a
1109 system of technical centers for the purpose of aligning the
1110 educational programs of the technical center with the needs of
1111 local businesses and responding quickly to the needs of local
1112 businesses for employees holding industry certifications. A
1113 technical center governing board shall be comprised of seven
1114 members, three of whom must be members of the district school
1115 board or their designees and four of whom must be local business
1116 leaders. The district school board shall delegate to the
1117 technical center governing board decisions regarding entrance
1118 requirements for students, curriculum, program development,
1119 budget and funding allocations, and the development with local
1120 businesses of partnership agreements and appropriate industry
1121 certifications in order to meet local and regional economic
1122 needs. A technical center governing board may approve only
1123 courses and programs that contain industry certifications. A
1124 course may be continued if at least 25 percent of the students
1125 enrolled in the course attain an industry certification. If
1126 fewer than 25 percent of the students enrolled in a course
1127 attain an industry certification, the course must be
1128 discontinued the following year. However, notwithstanding the
1129 authority to approve courses and programs under this subsection,

724756

576-02483-17

1130 a technical center governing board may not approve a college
1131 credit course or a college credit certificate or an associate
1132 degree or baccalaureate degree program.

1133 Section 16. Effective July 1, 2017, section 1001.44,
1134 Florida Statutes, is amended to read:

1135 1001.44 Career centers; governance, mission, and
1136 responsibilities.—

1137 (1) DISTRICT SCHOOL BOARD MAY ESTABLISH OR ACQUIRE CAREER
1138 CENTERS.—Any district school board, after first obtaining the
1139 approval of the Department of Education, may, as a part of the
1140 district school system, organize, establish and operate a career
1141 center, or acquire and operate a career center previously
1142 established.

1143 (a) The primary mission of a career center that is operated
1144 by a district school board is to promote advances and
1145 innovations in workforce preparation and economic development. A
1146 career center may provide a learning environment that serves the
1147 needs of a specific population group or group of occupations,
1148 thus promoting diversity and choices within the public technical
1149 education community in this state.

1150 (b) A career center that is operated by a district school
1151 board may not offer a college credit course or a college credit
1152 certificate or an associate degree or baccalaureate degree
1153 program.

1154 (2) DISTRICT SCHOOL BOARDS OF CONTIGUOUS DISTRICTS MAY
1155 ESTABLISH OR ACQUIRE CAREER CENTERS.—The district school boards
1156 of any two or more contiguous districts may, upon first
1157 obtaining the approval of the department, enter into an
1158 agreement to organize, establish and operate, or acquire and

724756

576-02483-17

1159 operate, a career center under this section.

1160 (3) CAREER CENTER PART OF DISTRICT SCHOOL SYSTEM DIRECTED
1161 BY A DIRECTOR.-

1162 (a) A career center established or acquired under
1163 provisions of law and minimum standards prescribed by the
1164 commissioner shall comprise a part of the district school system
1165 and shall mean an educational institution offering terminal
1166 courses of a technical nature which are not for college credit,
1167 and courses for out-of-school youth and adults; shall be subject
1168 to all applicable provisions of this code; shall be under the
1169 control of the district school board of the school district in
1170 which it is located; and shall be directed by a director
1171 responsible through the district school superintendent to the
1172 district school board of the school district in which the center
1173 is located.

1174 (b) Each career center shall maintain an academic
1175 transcript for each student enrolled in the center. Such
1176 transcript shall delineate each course completed by the student.
1177 Courses shall be delineated by the course prefix and title
1178 assigned pursuant to s. 1007.24. The center shall make a copy of
1179 a student's transcript available to any student who requests it.

1180 Section 17. Effective July 1, 2017, section 1001.60,
1181 Florida Statutes, is amended to read:

1182 1001.60 Florida Community College System.-

1183 (1) PURPOSES.-In order to maximize open access for
1184 students, respond to community needs for postsecondary academic
1185 education and career degree education, and provide associate and
1186 baccalaureate degrees that will best meet the state's employment
1187 needs, the Legislature establishes a system of governance for

724756

576-02483-17

1188 the Florida Community College System.

1189 (2) FLORIDA COMMUNITY COLLEGE SYSTEM.-There shall be a
1190 single Florida Community College System comprised of the Florida
1191 Community College System institutions identified in s.
1192 1000.21(3). A Florida Community College System institution may
1193 not offer graduate degree programs.

1194 (a) The programs and services offered by Florida Community
1195 College System institutions in providing associate and
1196 baccalaureate degrees shall be delivered in a cost-effective
1197 manner that demonstrates substantial savings to the student and
1198 to the state over the cost of providing the degree at a state
1199 university.

1200 (b)1. With the approval of its district board of trustees,
1201 a Florida Community College System institution may change the
1202 institution's name set forth in s. 1000.21(3) and use the
1203 designation "college" or "state college" if it has been
1204 authorized to grant baccalaureate degrees pursuant to s. 1007.33
1205 and has been accredited as a baccalaureate-degree-granting
1206 institution by the Commission on Colleges of the Southern
1207 Association of Colleges and Schools.

1208 2. With the approval of its district board of trustees, a
1209 Florida Community College System institution that does not meet
1210 the criteria in subparagraph 1. may request approval from the
1211 State Board of Education to change the institution's name set
1212 forth in s. 1000.21(3) and use the designation "college." The
1213 State Board of Community Colleges Education may approve the
1214 request if the Florida Community College System institution
1215 enters into an agreement with the State Board of Community
1216 Colleges Education to do the following:

576-02483-17

1217 a. Maintain as its primary mission responsibility for
1218 responding to community needs for postsecondary academic
1219 education and career degree education as prescribed in s.
1220 1004.65(5).

1221 b. Maintain an open-door admissions policy for associate-
1222 level degree programs and workforce education programs.

1223 c. Continue to provide outreach to underserved populations.
1224 d. Continue to provide remedial education.

1225 e. Comply with all provisions of the statewide articulation
1226 agreement that relate to 2-year and 4-year public degree-
1227 granting institutions as adopted by the State Board of Community
1228 Colleges Education pursuant to s. 1007.23.

1229 (c) A district board of trustees that approves a change to
1230 the name of an institution under paragraph (b) must seek
1231 statutory codification of such name change in s. 1000.21(3)
1232 during the next regular legislative session.

1233 (d) A Florida Community College System institution may not
1234 use the designation "university."

1235 (3) LOCAL BOARDS OF TRUSTEES.—Each institution within the
1236 Florida Community College System shall be governed by a local
1237 board of trustees as provided in s. 1001.64. The membership of
1238 each local board of trustees shall be as provided in s. 1001.61.

1239 Section 18. Effective July 1, 2017, section 1001.601,
1240 Florida Statutes, is created to read:

1241 1001.601 State Board of Community Colleges of the Florida
1242 Community College System.—

1243 (1) The State Board of Community Colleges is established as
1244 a body corporate consisting of 13 members, which shall consist
1245 of the Commissioner of Education and 12 citizen members who are

576-02483-17

1246 appointed by the Governor in a manner that provides equitable
1247 geographical representation.

1248 (a) The 12 appointed citizen members must include a student
1249 enrolled in a Florida Community College System institution and a
1250 faculty member employed at a Florida Community College System
1251 institution.

1252 (b) Except for the student member, each citizen member must
1253 be confirmed by the Senate and must reside and be registered to
1254 vote in this state.

1255 (c) Except for the student member, who shall serve a 1-year
1256 term, appointed citizen members shall serve staggered 4-year
1257 terms. In order to achieve staggered terms, beginning September
1258 1, 2017, of the initial appointments, 3 members shall serve 2-
1259 year terms, 4 members shall serve 3-year terms, and 4 members
1260 shall serve 4-year terms.

1261 (2) Members of the State Board of Community Colleges may
1262 not receive compensation but may be reimbursed for travel and
1263 per diem expenses as provided in s. 112.061.

1264 Section 19. Section 1001.602, Florida Statutes, is created
1265 to read:

1266 1001.602 Powers and duties of the State Board of Community
1267 Colleges.—

1268 (1) RESPONSIBILITIES.—The State Board of Community Colleges
1269 is responsible for the efficient and effective operation and
1270 maintenance of the Florida Community College System, as defined
1271 in s. 1001.60. The State Board of Community Colleges may adopt
1272 rules pursuant to ss. 120.536(1) and 120.54 to implement
1273 provisions of law for the Florida Community College System. For
1274 the purposes of this section, the State Board of Community

724756

576-02483-17

1275 Colleges is referred to as the "state board."
1276 (2) DUTIES.—The state board has the following duties:
1277 (a) Ensure Florida Community College System institutions
1278 operate consistent with the mission of the system, pursuant to
1279 s. 1004.65.
1280 (b) Oversee the Florida Community College System and
1281 coordinate with the Board of Governors and the State Board of
1282 Education to avoid wasteful duplication of facilities or
1283 programs.
1284 (c) Provide for each Florida Community College System
1285 institution to offer educational training and service programs
1286 designed to meet the needs of both students and the communities
1287 served.
1288 (d) Hold meetings, transact business, keep records, and,
1289 except as otherwise provided by law, perform such other duties
1290 as may be necessary for the enforcement of laws and rules
1291 relating to the Florida Community College System.
1292 (e) Provide for the coordination of educational plans and
1293 programs to resolve controversies, minimize problems of
1294 articulation and student transfers, ensure that students moving
1295 from one level of education to the next have acquired
1296 competencies necessary for satisfactory performance at that
1297 level, and ensure maximum utilization of facilities.
1298 (f) Establish and review, in consultation with the State
1299 Board of Education and the Board of Governors, minimum and
1300 uniform standards of college-level communication and computation
1301 skills generally associated with successful performance and
1302 progression through the baccalaureate level, to identify
1303 college-preparatory high school coursework and postsecondary-

724756

576-02483-17

1304 level coursework that prepares students with the academic skills
1305 necessary to succeed in postsecondary education.
1306 (g) Approve plans for cooperating with the Federal
1307 Government.
1308 (h) Approve plans for cooperating with other public
1309 agencies in the development of rules and in the enforcement of
1310 laws for which the state board and the agencies are jointly
1311 responsible.
1312 (i) Create subordinate advisory bodies if required by law
1313 or as necessary for the improvement of the Florida Community
1314 College System.
1315 (j) Coordinate with the State Board of Education to collect
1316 and maintain data for the Florida Community College System.
1317 (k) Establish, in conjunction with the State Board of
1318 Education and the Board of Governors, an effective information
1319 system that will provide composite data concerning the Florida
1320 Community College System institutions and state universities and
1321 that will ensure that special analyses and studies concerning
1322 the institutions are conducted, as necessary, for provision of
1323 accurate and cost-effective information concerning the
1324 institutions.
1325 (l) Establish accountability standards for existing
1326 legislative performance goals, standards, and measures, and
1327 order the development of mechanisms to implement new legislative
1328 goals, standards, and measures.
1329 (m) Require each Florida Community College System
1330 institution, before registration, to provide each enrolled
1331 student electronic access to the economic security report of
1332 employment and earning outcomes prepared by the Department of

724756

576-02483-17

1333 Economic Opportunity pursuant to s. 445.07.
1334 (n) Specify, by rule, procedures to be used by Florida
1335 Community College System institution boards of trustees in the
1336 annual evaluation of presidents, and review the evaluations of
1337 presidents by the boards of trustees, including the extent to
1338 which presidents serve both institutional and system goals.
1339 (o) Establish, subject to existing law, the tuition and
1340 out-of-state fees for developmental education and for credit
1341 instruction that may be counted toward an associate in arts
1342 degree, an associate in applied science degree, or an associate
1343 in science degree.
1344 (p) Develop, in conjunction with the Board of Governors and
1345 the State Board of Education, and implement a common placement
1346 test to assess the basic computation and communication skills of
1347 students who intend to enter a degree program at a Florida
1348 Community College System institution or state university.
1349 (q) May direct the Chancellor of the Florida Community
1350 College System to conduct investigations of practices,
1351 procedures, or actions at a Florida Community College System
1352 institution which appear to be inconsistent with sound
1353 financial, management, or academic practice.
1354 (r) Examine the annual administrative review of each
1355 Florida Community College System institution.
1356 (s) Through the Chancellor of the Florida Community College
1357 System, integrally work with the boards of trustees of the
1358 Florida Community College System institutions.
1359 (t) Establish criteria for making recommendations
1360 concerning all proposals to establish additional centers or
1361 campuses for a Florida Community College System institution.

724756

576-02483-17

1362 (3) PLAN SPECIFYING GOALS AND OBJECTIVES.—To comply with
1363 the requirements under subsection (4) and the performance
1364 metrics and standards adopted under ss. 1001.66 and 1001.67, the
1365 state board shall identify performance metrics for the Florida
1366 Community College System and develop a plan that specifies goals
1367 and objectives for each Florida Community College System
1368 institution. The plan must include:
1369 (a) Performance metrics and standards common for all
1370 institutions and metrics and standards unique to institutions
1371 depending on institutional core missions, including, but not
1372 limited to, remediation success, retention, graduation,
1373 employment, transfer rates, licensure passage, excess hours,
1374 student loan burden and default rates, job placement, faculty
1375 awards, and highly respected rankings for institution and
1376 program achievements.
1377 (b) Student enrollment and performance data delineated by
1378 method of instruction, including, but not limited to,
1379 traditional, online, and distance learning instruction.
1380 (4) STRATEGIC PLAN, LONG-RANGE PLANS, AND OTHER PLANS.—
1381 (a) The state board shall adopt a strategic plan that
1382 specifies goals and objectives for the Florida Community College
1383 System. The plan must be formulated in conjunction with plans of
1384 the State Board of Education and the Board of Governors in order
1385 to coordinate the roles of the school districts and universities
1386 to best meet state needs and reflect cost-effective use of state
1387 resources. The strategic plan must clarify the mission
1388 statements of the Florida Community College System and each
1389 Florida Community College System institution and identify degree
1390 programs, including baccalaureate degree programs, to be offered

576-02483-17

1391 at each Florida Community College System institution in
1392 accordance with the objectives provided in this subsection and
1393 the coordinated 5-year plan pursuant to s. 1001.02(2)(v). The
1394 strategic plan must cover a period of 5 years, with modification
1395 of the program lists after 2 years. Development of each 5-year
1396 plan must be coordinated with and initiated after completion of
1397 the master plan. The strategic plan must consider reports and
1398 recommendations of the Higher Education Coordinating Council
1399 pursuant to s. 1004.015 and the Articulation Coordinating
1400 Committee pursuant to s. 1007.01. Upon modification of the plan,
1401 the state board shall submit a report to the President of the
1402 Senate and the Speaker of the House of Representatives as part
1403 of its legislative budget request.

1404 (b) The state board, the State Board of Education, and the
1405 Board of Governors shall jointly develop long-range plans and
1406 annual reports for financial aid in this state. The long-range
1407 plans must establish goals and objectives for a comprehensive
1408 program of financial aid for students and shall be updated every
1409 5 years. The annual report must include programs administered by
1410 the department as well as awards made from financial aid fee
1411 revenues, other funds appropriated by the Legislature for
1412 financial assistance, and the value of tuition and fees waived
1413 for students enrolled in a dual enrollment course at a public
1414 postsecondary educational institution. The annual report must
1415 include an assessment of the progress made in achieving goals
1416 and objectives established in the long-range plans and must
1417 include recommendations for repealing or modifying existing
1418 financial aid programs or establishing new programs. The state
1419 board, the State Board of Education, and the Board of Governors

576-02483-17

1420 shall submit their long-range plans by July 1, 2018, and every 5
1421 years thereafter and shall submit their annual reports on July
1422 1, 2018, and in each successive year that a long-range plan is
1423 not submitted, to the President of the Senate and the Speaker of
1424 the House of Representatives.

1425 (c) The state board shall also:
1426 1. Adopt comprehensive long-range plans and short-range
1427 programs for the development of the Florida Community College
1428 System.
1429 2. Assist in the economic development of the state by
1430 developing a state-level planning process to identify future
1431 training needs for industry, especially high-technology
1432 industry.

1433 3. Adopt criteria and implementation plans for future
1434 growth issues, such as new Florida Community College System
1435 institutions and Florida Community College System institution
1436 campus mergers, and provide for cooperative agreements between
1437 and within public and private education sectors.

1438 (5) MINIMUM STANDARDS AND GUIDELINES.—The state board shall
1439 prescribe minimum standards, definitions, and guidelines for
1440 Florida Community College System institutions which will ensure
1441 the quality of education, coordination among the Florida
1442 Community College System institutions and state universities,
1443 and efficient progress toward accomplishing the Florida
1444 Community College System institution's mission. At a minimum,
1445 these rules must address all of the following:

1446 (a) Personnel.
1447 (b) Contracting.
1448 (c) Program offerings and classification, including

576-02483-17

1449 college-level communication and computation skills associated
1450 with successful performance in college and with tests and other
1451 assessment procedures that measure student achievement of those
1452 skills. The performance measures must provide that students
1453 moving from one level of education to the next acquire the
1454 necessary competencies for that level.
1455 (d) Provisions for curriculum development, graduation
1456 requirements, college calendars, and program service areas.
1457 These provisions must include rules that:
1458 1. Provide for the award of an associate in arts degree to
1459 a student who successfully completes 60 semester credit hours at
1460 the Florida Community College System institution.
1461 2. Require all of the credits accepted for the associate in
1462 arts degree to be in the statewide course numbering system as
1463 credits toward a baccalaureate degree offered by a state
1464 university or a Florida Community College System institution.
1465 3. Require no more than 36 semester credit hours in general
1466 education courses in the subject areas of communication,
1467 mathematics, social sciences, humanities, and natural sciences.
1468
1469 The rules under this paragraph should encourage Florida
1470 Community College System institutions to enter into agreements
1471 with state universities which allow a Florida Community College
1472 System institution student to complete upper-division-level
1473 courses at a Florida Community College System institution. An
1474 agreement may provide for concurrent enrollment at the Florida
1475 Community College System institution and the state university
1476 and may authorize the Florida Community College System
1477 institution to offer an upper-division-level course or distance

576-02483-17

1478 learning.
1479 (e) Student admissions, conduct and discipline;
1480 nonclassroom activities; and fees.
1481 (f) Budgeting.
1482 (g) Business and financial matters.
1483 (h) Student services.
1484 (i) Reports, surveys, and information systems, including
1485 forms and dates of submission.
1486 (6) CYCLIC REVIEW OF ACADEMIC PROGRAMS.—The state board
1487 shall provide for the cyclic review of all academic programs in
1488 Florida Community College System institutions at least every 7
1489 years. Program reviews must document how individual academic
1490 programs are achieving stated student learning and program
1491 objectives within the context of the institution's mission. The
1492 results of the program reviews must inform strategic planning,
1493 program development, and budgeting decisions at the
1494 institutional level.
1495 (7) FLORIDA COMMUNITY COLLEGE SYSTEM INSTITUTION
1496 BACCALAUREATE DEGREE PROGRAMS.—The state board shall provide for
1497 the review and approval of proposals by Florida Community
1498 College System institutions to offer baccalaureate degree
1499 programs pursuant to s. 1007.33. A Florida Community College
1500 System institution, as defined in s. 1000.21, which is approved
1501 to offer baccalaureate degrees pursuant to s. 1007.33 remains
1502 under the authority of the state board and the Florida Community
1503 College System institution's board of trustees.
1504 (8) MODIFICATIONS TO SERVICE AREA.—The state board shall
1505 establish criteria for making recommendations for modifying
1506 district boundary lines for a Florida Community College System

724756

576-02483-17

1507 institution, including criteria for service delivery areas of a
1508 Florida Community College System institution authorized to grant
1509 baccalaureate degrees.

1510 (9) PERFORMANCE OVERSIGHT.—The state board shall oversee
1511 the performance of Florida Community College System institution
1512 boards of trustees in enforcement of all laws and rules. Florida
1513 Community College System institution boards of trustees are
1514 primarily responsible for compliance with law and state board
1515 rule.

1516 (a) In order to ensure compliance with law or state board
1517 rule, the state board has the authority to request and receive
1518 information, data, and reports from Florida Community College
1519 System institutions. The Florida Community College System
1520 institution president is responsible for the accuracy of the
1521 information and data reported to the state board.

1522 (b) The Chancellor of the Florida Community College System
1523 may investigate allegations of noncompliance with law or state
1524 board rule and determine probable cause. The Chancellor shall
1525 report determinations of probable cause to the State Board of
1526 Community Colleges who shall require the Florida Community
1527 College System institution board of trustees to document
1528 compliance with law or state board rule.

1529 (c) If the Florida Community College System institution
1530 board of trustees cannot satisfactorily document compliance, the
1531 state board may order compliance within a specified timeframe.

1532 (d) If the state board determines that a Florida Community
1533 College System institution board of trustees is unwilling or
1534 unable to comply with law or state board rule within the
1535 specified time, the state board has the authority to initiate

724756

576-02483-17

1536 any of the following actions:

1537 1. Report to the Legislature that the Florida Community
1538 College System institution is unwilling or unable to comply with
1539 law or state board rule and recommend that the Legislature take
1540 action against the institution;

1541 2. Withhold the transfer of state funds, discretionary
1542 grant funds, discretionary lottery funds, or any other funds
1543 specified as eligible for this purpose by the Legislature until
1544 the Florida Community College System institution complies with
1545 the law or state board rule;

1546 3. Declare the Florida Community College System institution
1547 ineligible for competitive grants; or

1548 4. Require monthly or periodic reporting on the situation
1549 related to noncompliance until it is remedied.

1550 (e) This section may not be construed to create a private
1551 cause of action or create any rights for individuals or entities
1552 in addition to those provided elsewhere in law or rule.

1553 (10) INSPECTOR GENERAL.—The inspector general is
1554 responsible for promoting accountability, efficiency, and
1555 effectiveness and detecting fraud and abuse within Florida
1556 Community College System institutions. If the Chancellor of the
1557 Florida Community College System determines that a Florida
1558 Community College System institution board of trustees is
1559 unwilling or unable to address substantiated allegations made by
1560 any person relating to waste, fraud, or financial mismanagement
1561 within the Florida Community College System institution, the
1562 inspector general shall conduct, coordinate, or request
1563 investigations into such substantiated allegations. The
1564 inspector general shall have access to all information and

724756

576-02483-17

1565 personnel necessary to perform its duties and shall have all of
1566 his or her current powers, duties, and responsibilities
1567 authorized in s. 20.055.

1568 (11) COORDINATION WITH THE STATE BOARD OF EDUCATION.—The
1569 state board shall coordinate with the State Board of Education:

1570 (a) Pursuant to s. 1001.02(2)(e), in the adoption of a K-20
1571 education budget.

1572 (b) Pursuant to s. 1001.02(4)(g), to adopt and submit to
1573 the Legislature a 3-year list of priorities for fixed-capital-
1574 outlay projects.

1575 (12) COMMON POSTSECONDARY DEFINITIONS.—Adopt in
1576 collaboration with the State Board of Education, by rule,
1577 definitions for associate in science degrees and for
1578 certificates offered by Florida Community College System
1579 institutions.

1580 Section 20. Section 1001.61, Florida Statutes, is amended
1581 to read:

1582 1001.61 Florida Community College System institution boards
1583 of trustees; membership.—

1584 (1) Florida Community College System institution boards of
1585 trustees shall be comprised of five members when a Florida
1586 Community College System institution district is confined to one
1587 school board district; seven members when a Florida Community
1588 College System institution district is confined to one school
1589 board district and the board of trustees so elects; and not more
1590 than nine members when the district contains two or more school
1591 board districts, as provided by rules of the State Board of
1592 Community Colleges Education. However, Florida State College at
1593 Jacksonville shall have an odd number of trustees, and St. Johns

724756

576-02483-17

1594 River State College shall have seven trustees from the three-
1595 county area that the college serves.

1596 (2) Trustees shall be appointed by the Governor to
1597 staggered 4-year terms, subject to confirmation by the Senate in
1598 regular session.

1599 (3) Members of the board of trustees shall receive no
1600 compensation but may receive reimbursement for expenses as
1601 provided in s. 112.061.

1602 (4) At its first regular meeting after July 1 of each year,
1603 each Florida Community College System institution board of
1604 trustees shall organize by electing a chair, whose duty as such
1605 is to preside at all meetings of the board, to call special
1606 meetings thereof, and to attest to actions of the board, and a
1607 vice chair, whose duty as such is to act as chair during the
1608 absence or disability of the elected chair. It is the further
1609 duty of the chair of each board of trustees to notify the
1610 Governor, in writing, whenever a board member fails to attend
1611 three consecutive regular board meetings in any one fiscal year,
1612 which absences may be grounds for removal.

1613 (5) A Florida Community College System institution
1614 president shall serve as the executive officer and corporate
1615 secretary of the board of trustees and shall be responsible to
1616 the board of trustees for setting the agenda for meetings of the
1617 board of trustees in consultation with the chair. The president
1618 also serves as the chief administrative officer of the Florida
1619 Community College System institution, and all the components of
1620 the institution and all aspects of its operation are responsible
1621 to the board of trustees through the president.

1622 Section 21. Section 1001.64, Florida Statutes, is amended

576-02483-17

1623 to read:

1624 1001.64 Florida Community College System institution
1625 boards of trustees; powers and duties.-

1626 (1) The boards of trustees shall be responsible for cost-
1627 effective policy decisions appropriate to the Florida Community
1628 College System institution's mission, the implementation and
1629 maintenance of high-quality education programs within law and
1630 rules of the State Board of Community Colleges Education, the
1631 measurement of performance, the reporting of information, and
1632 the provision of input regarding state policy, budgeting, and
1633 education standards.

1634 (2) Each board of trustees is vested with the
1635 responsibility to govern its respective Florida Community
1636 College System institution and with such necessary authority as
1637 is needed for the proper operation and improvement thereof in
1638 accordance with rules of the State Board of Community Colleges
1639 Education.

1640 (3) A board of trustees shall have the power to take action
1641 without a recommendation from the president and shall have the
1642 power to require the president to deliver to the board of
1643 trustees all data and information required by the board of
1644 trustees in the performance of its duties. A board of trustees
1645 shall ask the Chancellor of the Florida Community College System
1646 Commissioner of Education to authorize an investigation of the
1647 president's actions by the State Board of Community College's
1648 department's inspector general if the board considers such
1649 investigation necessary. The inspector general shall provide a
1650 report detailing each issue under investigation and shall
1651 recommend corrective action. If the inspector general identifies

576-02483-17

1652 potential legal violations, he or she shall refer the potential
1653 legal violations to the Commission on Ethics, the Department of
1654 Law Enforcement, the Attorney General, or another appropriate
1655 authority.

1656 (4) (a) The board of trustees, after considering
1657 recommendations submitted by the Florida Community College
1658 System institution president, may adopt rules pursuant to ss.
1659 120.536(1) and 120.54 to implement the provisions of law
1660 conferring duties upon it. These rules may supplement those
1661 prescribed by the State Board of Community Colleges Education if
1662 they will contribute to the more orderly and efficient operation
1663 of Florida Community College System institutions.

1664 (b) Each board of trustees is specifically authorized to
1665 adopt rules, procedures, and policies, consistent with law and
1666 rules of the State Board of Community Colleges Education,
1667 related to its mission and responsibilities as set forth in s.
1668 1004.65, its governance, personnel, budget and finance,
1669 administration, programs, curriculum and instruction, buildings
1670 and grounds, travel and purchasing, technology, students,
1671 contracts and grants, or college property.

1672 (5) Each board of trustees shall have responsibility for
1673 the use, maintenance, protection, and control of Florida
1674 Community College System institution owned or Florida Community
1675 College System institution controlled buildings and grounds,
1676 property and equipment, name, trademarks and other proprietary
1677 marks, and the financial and other resources of the Florida
1678 Community College System institution. Such authority may include
1679 placing restrictions on activities and on access to facilities,
1680 firearms, food, tobacco, alcoholic beverages, distribution of

724756

576-02483-17

1681 printed materials, commercial solicitation, animals, and sound.

1682 (6) Each board of trustees has responsibility for the
1683 establishment and discontinuance of program and course offerings
1684 in accordance with law and rule; provision for instructional and
1685 noninstructional community services, location of classes, and
1686 services provided; and dissemination of information concerning
1687 such programs and services. New programs must be approved
1688 pursuant to s. 1004.03.

1689 (7) Each board of trustees has responsibility for+ ensuring
1690 that students have access to general education courses as
1691 identified in rule; requiring no more than 60 semester hours of
1692 degree program coursework, including 36 semester hours of
1693 general education coursework, for an associate in arts degree;
1694 notifying students that earned hours in excess of 60 semester
1695 hours may not be accepted by state universities; notifying
1696 students of unique program prerequisites; and ensuring that
1697 degree program coursework beyond general education coursework is
1698 consistent with degree program prerequisite requirements adopted
1699 pursuant to s. 1007.25(5).

1700 (8) Each board of trustees has authority for policies
1701 related to students, enrollment of students, student records,
1702 student activities, financial assistance, and other student
1703 services.

1704 (a) Each board of trustees shall govern admission of
1705 students pursuant to s. 1007.263 and rules of the State Board of
1706 Community Colleges Education. A board of trustees may establish
1707 additional admissions criteria, which shall be included in the
1708 dual enrollment articulation agreement developed according to s.
1709 1007.271(21), to ensure student readiness for postsecondary

724756

576-02483-17

1710 instruction. Each board of trustees may consider the past
1711 actions of any person applying for admission or enrollment and
1712 may deny admission or enrollment to an applicant because of
1713 misconduct if determined to be in the best interest of the
1714 Florida Community College System institution.

1715 (b) Each board of trustees shall adopt rules establishing
1716 student performance standards for the award of degrees and
1717 certificates pursuant to s. 1004.68.

1718 (c) Boards of trustees are authorized to establish
1719 intrainstitutional and interinstitutional programs to maximize
1720 articulation pursuant to s. 1007.22.

1721 (d) Boards of trustees shall identify their general
1722 education curricula pursuant to s. 1007.25(6).

1723 (e) Each board of trustees must adopt a written antihazing
1724 policy, provide a program for the enforcement of such rules, and
1725 adopt appropriate penalties for violations of such rules
1726 pursuant to the provisions of s. 1006.63.

1727 (f) Each board of trustees may establish a uniform code of
1728 conduct and appropriate penalties for violation of its rules by
1729 students and student organizations, including rules governing
1730 student academic honesty. Such penalties, unless otherwise
1731 provided by law, may include fines, the withholding of diplomas
1732 or transcripts pending compliance with rules or payment of
1733 fines, and the imposition of probation, suspension, or
1734 dismissal.

1735 (g) Each board of trustees pursuant to s. 1006.53 shall
1736 adopt a policy in accordance with rules of the State Board of
1737 Community Colleges Education that reasonably accommodates the
1738 religious observance, practice, and belief of individual

724756

576-02483-17

1739 students in regard to admissions, class attendance, and the
1740 scheduling of examinations and work assignments.

1741 (9) A board of trustees may contract with the board of
1742 trustees of a state university for the Florida Community College
1743 System institution to provide developmental education on the
1744 state university campus.

1745 (10) Each board of trustees shall establish fees pursuant
1746 to ss. 1009.22, 1009.23, 1009.25, 1009.26, and 1009.27.

1747 (11) Each board of trustees shall submit an institutional
1748 budget request, including a request for fixed capital outlay,
1749 and an operating budget to the State Board of Community Colleges
1750 ~~Education~~ for review in accordance with guidelines established
1751 by the State Board of Community Colleges ~~Education~~.

1752 (12) Each board of trustees shall account for expenditures
1753 of all state, local, federal, and other funds in the manner
1754 described by the State Board of Community Colleges ~~Department of~~
1755 ~~Education~~.

1756 (13) Each board of trustees is responsible for the uses for
1757 the proceeds of academic improvement trust funds pursuant to s.
1758 1011.85.

1759 (14) Each board of trustees shall develop a strategic plan
1760 specifying institutional goals and objectives for the Florida
1761 Community College System institution for recommendation to the
1762 State Board of Community Colleges ~~Education~~.

1763 (15) Each board of trustees shall develop an accountability
1764 plan pursuant to s. 1008.45.

1765 (16) Each board of trustees must expend performance funds
1766 provided for workforce education pursuant to the provisions of
1767 s. 1011.80.

724756

576-02483-17

1768 (17) Each board of trustees is accountable for performance
1769 in certificate career education and diploma programs pursuant to
1770 s. 1008.43.

1771 (18) Each board of trustees shall establish the personnel
1772 program for all employees of the Florida Community College
1773 System institution, including the president, pursuant to the
1774 provisions of chapter 1012 and rules and guidelines of the State
1775 Board of Community Colleges ~~Education~~, including: compensation
1776 and other conditions of employment; recruitment and selection;
1777 nonreappointment; standards for performance and conduct;
1778 evaluation; benefits and hours of work; leave policies;
1779 recognition; inventions and work products; travel; learning
1780 opportunities; exchange programs; academic freedom and
1781 responsibility; promotion; assignment; demotion; transfer;
1782 ethical obligations and conflict of interest; restrictive
1783 covenants; disciplinary actions; complaints; appeals and
1784 grievance procedures; and separation and termination from
1785 employment.

1786 (19) Each board of trustees shall appoint, suspend, or
1787 remove the president of the Florida Community College System
1788 institution. The board of trustees may appoint a search
1789 committee. The board of trustees shall conduct annual
1790 evaluations of the president in accordance with rules of the
1791 State Board of Community Colleges ~~Education~~ and submit such
1792 evaluations to the State Board of Community Colleges ~~Education~~
1793 for review. The evaluation must address the achievement of the
1794 performance goals established by the accountability process
1795 implemented pursuant to s. 1008.45 and the performance of the
1796 president in achieving the annual and long-term goals and

724756

576-02483-17

1797 objectives established in the Florida Community College System
1798 institution's employment accountability program implemented
1799 pursuant to s. 1012.86.

1800 (20) Each board of trustees is authorized to enter into
1801 contracts to provide a State Community College System Optional
1802 Retirement Program pursuant to s. 1012.875 and to enter into
1803 consortia with other boards of trustees for this purpose.

1804 (21) Each board of trustees is authorized to purchase
1805 annuities for its Florida Community College System institution
1806 personnel who have 25 or more years of creditable service and
1807 who have reached age 55 and have applied for retirement under
1808 the Florida Retirement System pursuant to the provisions of s.
1809 1012.87.

1810 (22) A board of trustees may defray all costs of defending
1811 civil actions against officers, employees, or agents of the
1812 board of trustees pursuant to s. 1012.85.

1813 (23) Each board of trustees has authority for risk
1814 management, safety, security, and law enforcement operations.
1815 Each board of trustees is authorized to employ personnel,
1816 including police officers pursuant to s. 1012.88, to carry out
1817 the duties imposed by this subsection.

1818 (24) Each board of trustees shall provide rules governing
1819 parking and the direction and flow of traffic within campus
1820 boundaries. Except for sworn law enforcement personnel, persons
1821 employed to enforce campus parking rules have no authority to
1822 arrest or issue citations for moving traffic violations. The
1823 board of trustees may adopt a uniform code of appropriate
1824 penalties for violations. Such penalties, unless otherwise
1825 provided by law, may include the levying of fines, the

724756

576-02483-17

1826 withholding of diplomas or transcripts pending compliance with
1827 rules or payment of fines, and the imposition of probation,
1828 suspension, or dismissal. Moneys collected from parking rule
1829 infractions shall be deposited in appropriate funds at each
1830 Florida Community College System institution for student
1831 financial aid purposes.

1832 (25) Each board of trustees constitutes the contracting
1833 agent of the Florida Community College System institution. It
1834 may when acting as a body make contracts, sue, and be sued in
1835 the name of the board of trustees. In any suit, a change in
1836 personnel of the board of trustees shall not abate the suit,
1837 which shall proceed as if such change had not taken place.

1838 (26) Each board of trustees is authorized to contract for
1839 the purchase, sale, lease, license, or acquisition in any
1840 manner, including purchase by installment or lease-purchase
1841 contract which may provide for the payment of interest on the
1842 unpaid portion of the purchase price and for the granting of a
1843 security interest in the items purchased, subject to the
1844 provisions of subsection (38) and ss. 1009.22 and 1009.23, of
1845 goods, materials, equipment, and services required by the
1846 Florida Community College System institution. The board of
1847 trustees may choose to consolidate equipment contracts under
1848 master equipment financing agreements made pursuant to s.
1849 287.064.

1850 (27) Each board of trustees shall be responsible for
1851 managing and protecting real and personal property acquired or
1852 held in trust for use by and for the benefit of such Florida
1853 Community College System institution. To that end, any board of
1854 trustees is authorized to be self-insured, to enter into risk

576-02483-17

1855 management programs, or to purchase insurance for whatever
1856 coverage it may choose, or to have any combination thereof, in
1857 anticipation of any loss, damage, or destruction. A board of
1858 trustees may contract for self-insurance services pursuant to s.
1859 1004.725.

1860 (28) Each board of trustees is authorized to enter into
1861 agreements for, and accept, credit card, charge card, and debit
1862 card payments as compensation for goods, services, tuition, and
1863 fees. Each Florida Community College System institution is
1864 further authorized to establish accounts in credit card, charge
1865 card, and debit card banks for the deposit of sales invoices.

1866 (29) Each board of trustees may provide incubator
1867 facilities to eligible small business concerns pursuant to s.
1868 1004.79.

1869 (30) Each board of trustees may establish a technology
1870 transfer center for the purpose of providing institutional
1871 support to local business and industry and governmental agencies
1872 in the application of new research in technology pursuant to the
1873 provisions of s. 1004.78.

1874 (31) Each board of trustees may establish economic
1875 development centers for the purpose of serving as liaisons
1876 between Florida Community College System institutions and the
1877 business sector pursuant to the provisions of s. 1004.80.

1878 (32) Each board of trustees may establish a child
1879 development training center pursuant to s. 1004.81.

1880 (33) Each board of trustees is authorized to develop and
1881 produce work products relating to educational endeavors that are
1882 subject to trademark, copyright, or patent statutes pursuant to
1883 chapter 1004.

576-02483-17

1884 (34) Each board of trustees shall administer the facilities
1885 program pursuant to chapter 1013, including but not limited to:
1886 the construction of public educational and ancillary plants; the
1887 acquisition and disposal of property; compliance with building
1888 and life safety codes; submission of data and information
1889 relating to facilities and construction; use of buildings and
1890 grounds; establishment of safety and sanitation programs for the
1891 protection of building occupants; and site planning and
1892 selection.

1893 (35) Each board of trustees may exercise the right of
1894 eminent domain pursuant to the provisions of chapter 1013.

1895 (36) Each board of trustees may enter into lease-purchase
1896 arrangements with private individuals or corporations for
1897 necessary grounds and buildings for Florida Community College
1898 System institution purposes, other than dormitories, or for
1899 buildings other than dormitories to be erected for Florida
1900 Community College System institution purposes. Such arrangements
1901 shall be paid from capital outlay and debt service funds as
1902 provided by s. 1011.84(2), with terms not to exceed 30 years at
1903 a stipulated rate. The provisions of such contracts, including
1904 building plans, are subject to approval by the Department of
1905 Education, and no such contract may be entered into without such
1906 approval.

1907 (37) Each board of trustees may purchase, acquire, receive,
1908 hold, own, manage, lease, sell, dispose of, and convey title to
1909 real property, in the best interests of the Florida Community
1910 College System institution.

1911 (38) Each board of trustees is authorized to enter into
1912 short-term loans and installment, lease-purchase, and other

724756

576-02483-17

1913 financing contracts for a term of not more than 5 years,
1914 including renewals, extensions, and refundings. Payments on
1915 short-term loans and installment, lease-purchase, and other
1916 financing contracts pursuant to this subsection shall be subject
1917 to annual appropriation by the board of trustees. Each board of
1918 trustees is authorized to borrow funds and incur long-term debt,
1919 including promissory notes, installment sales agreements, lease-
1920 purchase agreements, certificates of participation, and other
1921 similar long-term financing arrangements, only as specifically
1922 provided in ss. 1009.22(6) and (9) and 1009.23(11) and (12). At
1923 the option of the board of trustees, bonds issued pursuant to
1924 ss. 1009.22(6) and (9) and 1009.23(11) and (12) may be secured
1925 by a combination of revenues authorized to be pledged to bonds
1926 pursuant to such subsections. Revenue bonds may not be secured
1927 by or paid from, directly or indirectly, tuition, financial aid
1928 fees, the Florida Community College System Program Fund, or any
1929 other operating revenues of a Florida Community College System
1930 institution. Lease-purchase agreements may be secured by a
1931 combination of revenues as specifically authorized pursuant to
1932 ss. 1009.22(7) and 1009.23(10).

1933 (39) Each board of trustees shall prescribe conditions for
1934 direct-support organizations to be certified and to use Florida
1935 Community College System institution property and services.
1936 Conditions relating to certification must provide for audit
1937 review and oversight by the board of trustees.

1938 (40) Each board of trustees may adopt policies pursuant to
1939 s. 1010.02 that provide procedures for transferring to the
1940 direct-support organization of that Florida Community College
1941 System institution for administration by such organization

724756

576-02483-17

1942 contributions made to the Florida Community College System
1943 institution.

1944 (41) The board of trustees shall exert every effort to
1945 collect all delinquent accounts pursuant to s. 1010.03.

1946 (42) Each board of trustees shall implement a plan, in
1947 accordance with guidelines of the State Board of Community
1948 Colleges Education, for working on a regular basis with the
1949 other Florida Community College System institution boards of
1950 trustees, representatives of the university boards of trustees,
1951 and representatives of the district school boards to achieve the
1952 goals of the seamless education system.

1953 (43) Each board of trustees has responsibility for
1954 compliance with state and federal laws, rules, regulations, and
1955 requirements.

1956 (44) Each board of trustees may adopt rules, procedures,
1957 and policies related to institutional governance,
1958 administration, and management in order to promote orderly and
1959 efficient operation, including, but not limited to, financial
1960 management, budget management, physical plant management, and
1961 property management.

1962 (45) Each board of trustees may adopt rules and procedures
1963 related to data or technology, including, but not limited to,
1964 information systems, communications systems, computer hardware
1965 and software, and networks.

1966 (46) Each board of trustees may consider the past actions
1967 of any person applying for employment and may deny employment to
1968 a person because of misconduct if determined to be in the best
1969 interest of the Florida Community College System institution.

1970 (47) Each contract or employment agreement, or renewal or

724756

576-02483-17

1971 renegotiation of an existing contract or employment agreement,
1972 containing a provision for severance pay with an officer, agent,
1973 employee, or contractor must include the provisions required in
1974 s. 215.425.

1975 (48) Each board of trustees shall use purchasing agreements
1976 and state term contracts pursuant to s. 287.056 or enter into
1977 consortia and cooperative agreements to maximize the purchasing
1978 power for goods and services. A consortium or cooperative
1979 agreement may be statewide, regional, or a combination of
1980 institutions, as appropriate to achieve the lowest cost, with
1981 the goal of achieving a 5-percent savings on existing contract
1982 prices through the use of new cooperative arrangements or new
1983 consortium contracts.

1984 Section 22. Section 1001.65, Florida Statutes, is amended
1985 to read:

1986 1001.65 Florida Community College System institution
1987 presidents; powers and duties.—The president is the chief
1988 executive officer of the Florida Community College System
1989 institution, shall be corporate secretary of the Florida
1990 Community College System institution board of trustees, and is
1991 responsible for the operation and administration of the Florida
1992 Community College System institution. Each Florida Community
1993 College System institution president shall:

1994 (1) Recommend the adoption of rules, as appropriate, to the
1995 Florida Community College System institution board of trustees
1996 to implement provisions of law governing the operation and
1997 administration of the Florida Community College System
1998 institution, which shall include the specific powers and duties
1999 enumerated in this section. Such rules shall be consistent with

724756

576-02483-17

2000 law, the mission of the Florida Community College System
2001 institution, and the rules and policies of the State Board of
2002 Community Colleges ~~Education~~.

2003 (2) Prepare a budget request and an operating budget
2004 pursuant to s. 1011.30 for approval by the Florida Community
2005 College System institution board of trustees at such time and in
2006 such format as the State Board of Community Colleges ~~Education~~
2007 may prescribe.

2008 (3) Establish and implement policies and procedures to
2009 recruit, appoint, transfer, promote, compensate, evaluate,
2010 reward, demote, discipline, and remove personnel, within law and
2011 rules of the State Board of Community College ~~Education~~ and in
2012 accordance with rules or policies approved by the Florida
2013 Community College System institution board of trustees.

2014 (4) Govern admissions, subject to law and rules or policies
2015 of the Florida Community College System institution board of
2016 trustees and the State Board of Community Colleges ~~Education~~.

2017 (5) Approve, execute, and administer contracts for and on
2018 behalf of the Florida Community College System institution board
2019 of trustees for licenses; the acquisition or provision of
2020 commodities, goods, equipment, and services; leases of real and
2021 personal property; and planning and construction to be rendered
2022 to or by the Florida Community College System institution,
2023 provided such contracts are within law and guidelines of the
2024 State Board of Community Colleges ~~Education~~ and in conformance
2025 with policies of the Florida Community College System
2026 institution board of trustees, and are for the implementation of
2027 approved programs of the Florida Community College System
2028 institution.

576-02483-17

- 2029 (6) Act for the Florida Community College System
2030 institution board of trustees as custodian of all Florida
2031 Community College System institution property and financial
2032 resources. The authority vested in the Florida Community College
2033 System institution president under this subsection includes the
2034 authority to prioritize the use of Florida Community College
2035 System institution space, property, equipment, and resources and
2036 the authority to impose charges for the use of those items.
- 2037 (7) Establish the internal academic calendar of the Florida
2038 Community College System institution within general guidelines
2039 of the State Board of Community Colleges Education.
- 2040 (8) Administer the Florida Community College System
2041 institution's program of intercollegiate athletics.
- 2042 (9) Recommend to the board of trustees the establishment
2043 and termination of programs within the approved role and scope
2044 of the Florida Community College System institution.
- 2045 (10) Award degrees.
- 2046 (11) Recommend to the board of trustees a schedule of
2047 tuition and fees to be charged by the Florida Community College
2048 System institution, within law and rules of the State Board of
2049 Community Colleges Education.
- 2050 (12) Organize the Florida Community College System
2051 institution to efficiently and effectively achieve the goals of
2052 the Florida Community College System institution.
- 2053 (13) Review periodically the operations of the Florida
2054 Community College System institution in order to determine how
2055 effectively and efficiently the Florida Community College System
2056 institution is being administered and whether it is meeting the
2057 goals of its strategic plan adopted by the State Board of

576-02483-17

- 2058 Community Colleges Education.
- 2059 (14) Enter into agreements for student exchange programs
2060 that involve students at the Florida Community College System
2061 institution and students in other institutions of higher
2062 learning.
- 2063 (15) Approve the internal procedures of student government
2064 organizations and provide purchasing, contracting, and budgetary
2065 review processes for these organizations.
- 2066 (16) Ensure compliance with federal and state laws, rules,
2067 regulations, and other requirements that are applicable to the
2068 Florida Community College System institution.
- 2069 (17) Maintain all data and information pertaining to the
2070 operation of the Florida Community College System institution,
2071 and report on the attainment by the Florida Community College
2072 System institution of institutional and statewide performance
2073 accountability goals.
- 2074 (18) Certify to the department a project's compliance with
2075 the requirements for expenditure of PECO funds prior to release
2076 of funds pursuant to ~~the provisions of~~ chapter 1013.
- 2077 (19) Provide to the law enforcement agency and fire
2078 department that has jurisdiction over the Florida Community
2079 College System institution a copy of the floor plans and other
2080 relevant documents for each educational facility as defined in
2081 s. 1013.01(6). After the initial submission of the floor plans
2082 and other relevant documents, the Florida Community College
2083 System institution president shall submit, by October 1 of each
2084 year, revised floor plans and other relevant documents for each
2085 educational facility that was modified during the preceding
2086 year.

724756

576-02483-17

2087 (20) Develop and implement jointly with school
2088 superintendents a comprehensive dual enrollment articulation
2089 agreement for the students enrolled in their respective school
2090 districts and service areas pursuant to s. 1007.271(21).

2091 (21) Have authority, after notice to the student of the
2092 charges and after a hearing thereon, to expel, suspend, or
2093 otherwise discipline any student who is found to have violated
2094 any law, ordinance, or rule or regulation of the State Board of
2095 Community Colleges Education or of the board of trustees of the
2096 Florida Community College System institution pursuant to the
2097 provisions of s. 1006.62.

2098 (22) Submit an annual employment accountability plan to the
2099 State Board of Community Colleges Department of Education
2100 pursuant to the provisions of s. 1012.86.

2101 (23) Annually evaluate, or have a designee annually
2102 evaluate, each department chairperson, dean, provost, and vice
2103 president in achieving the annual and long-term goals and
2104 objectives of the Florida Community College System institution's
2105 employment accountability plan.

2106 (24) Have vested with the president or the president's
2107 designee the authority that is vested with the Florida Community
2108 College System institution.

2109 Section 23. Section 1001.66, Florida Statutes, is amended
2110 to read:

2111 1001.66 Florida Community College System Performance-Based
2112 Incentive.-

2113 (1) A Florida Community College System Performance-Based
2114 Incentive shall be awarded to Florida Community College System
2115 institutions using performance-based metrics adopted by the

724756

576-02483-17

2116 State Board of Community Colleges Education. The performance-
2117 based metrics must include retention rates; program completion
2118 and graduation rates; postgraduation employment, salaries, and
2119 continuing education for workforce education and baccalaureate
2120 programs, with wage thresholds that reflect the added value of
2121 the certificate or degree; and outcome measures appropriate for
2122 associate of arts degree recipients. The state board shall adopt
2123 benchmarks to evaluate each institution's performance on the
2124 metrics to measure the institution's achievement of
2125 institutional excellence or need for improvement and the minimum
2126 requirements for eligibility to receive performance funding.

2127 (2) Each fiscal year, the amount of funds available for
2128 allocation to the Florida Community College System institutions
2129 based on the performance-based funding model shall consist of
2130 the state's investment in performance funding plus institutional
2131 investments consisting of funds to be redistributed from the
2132 base funding of the Florida Community College System Program
2133 Fund as determined in the General Appropriations Act. The State
2134 Board of Community Colleges Education shall establish minimum
2135 performance funding eligibility thresholds for the state's
2136 investment and the institutional investments. An institution
2137 that meets the minimum institutional investment eligibility
2138 threshold, but fails to meet the minimum state investment
2139 eligibility threshold, shall have its institutional investment
2140 restored but is ineligible for a share of the state's investment
2141 in performance funding. The institutional investment shall be
2142 restored for all institutions eligible for the state's
2143 investment under the performance-based funding model.

2144 (3) (a) Each Florida Community College System institution's

576-02483-17

2145 share of the performance funding shall be calculated based on
2146 its relative performance on the established metrics in
2147 conjunction with the institutional size and scope.

2148 (b) A Florida Community College System institution that
2149 fails to meet the State Board of Community Colleges' Education's
2150 minimum institutional investment performance funding eligibility
2151 threshold shall have a portion of its institutional investment
2152 withheld by the state board and must submit an improvement plan
2153 to the state board which specifies the activities and strategies
2154 for improving the institution's performance. The state board
2155 must review and approve the improvement plan and, if the plan is
2156 approved, must monitor the institution's progress in
2157 implementing the activities and strategies specified in the
2158 improvement plan. The institution shall submit monitoring
2159 reports to the state board by December 31 and May 31 of each
2160 year in which an improvement plan is in place. Beginning in the
2161 2017-2018 fiscal year, the ability of an institution to submit
2162 an improvement plan to the state board is limited to 1 fiscal
2163 year.

2164 (c) The Chancellor of the Florida Community College System
2165 Commissioner of Education shall withhold disbursement of the
2166 institutional investment until the monitoring report is approved
2167 by the State Board of Community Colleges Education. A Florida
2168 Community College System institution determined by the state
2169 board to be making satisfactory progress on implementing the
2170 improvement plan shall receive no more than one-half of the
2171 withheld institutional investment in January and the balance of
2172 the withheld institutional investment in June. An institution
2173 that fails to make satisfactory progress may not have its full

576-02483-17

2174 institutional investment restored. Any institutional investment
2175 funds that are not restored shall be redistributed in accordance
2176 with the state board's performance-based metrics.

2177 (4) Distributions of performance funding, as provided in
2178 this section, shall be made to each of the Florida Community
2179 College System institutions listed in the Florida Community
2180 Colleges category in the General Appropriations Act.

2181 (5) By October 1 of each year, the State Board of Community
2182 Colleges Education shall submit to the Governor, the President
2183 of the Senate, and the Speaker of the House of Representatives a
2184 report on the previous fiscal year's performance funding
2185 allocation, which must reflect the rankings and award
2186 distributions.

2187 (6) The State Board of Community Colleges Education shall
2188 adopt rules to administer this section.

2189 Section 24. Section 1001.67, Florida Statutes, is amended
2190 to read:

2191 1001.67 Distinguished Florida Community College System
2192 Institution Program.—A collaborative partnership is established
2193 between the State Board of Community Colleges Education and the
2194 Legislature to recognize the excellence of Florida's highest-
2195 performing Florida Community College System institutions.

2196 (1) EXCELLENCE STANDARDS.—The following excellence
2197 standards are established for the program:

2198 (a) A 150 percent-of-normal-time completion rate of 50
2199 percent or higher, as calculated by the Division of Florida
2200 Colleges.

2201 (b) A 150 percent-of-normal-time completion rate for Pell
2202 Grant recipients of 40 percent or higher, as calculated by the

724756

576-02483-17

2203 ~~State Board of Community Division of Florida~~ Colleges.
2204 (c) A retention rate of 70 percent or higher, as calculated
2205 by the ~~State Board of Community Division of Florida~~ Colleges.
2206 (d) A continuing education, or transfer, rate of 72 percent
2207 or higher for students graduating with an associate of arts
2208 degree, as reported by the Florida Education and Training
2209 Placement Information Program (FETPIP).
2210 (e) A licensure passage rate on the National Council
2211 Licensure Examination for Registered Nurses (NCLEX-RN) of 90
2212 percent or higher for first-time exam takers, as reported by the
2213 Board of Nursing.
2214 (f) A job placement or continuing education rate of 88
2215 percent or higher for workforce programs, as reported by FETPIP.
2216 (g) A time-to-degree for students graduating with an
2217 associate of arts degree of 2.25 years or less for first-time-
2218 in-college students with accelerated college credits, as
2219 reported by the Southern Regional Education Board.
2220 (2) DISTINGUISHED COLLEGE DESIGNATION.—The State Board of
2221 ~~Community Colleges Education~~ shall designate each Florida
2222 ~~Community~~ College System institution that meets five of the
2223 seven standards identified in subsection (1) as a distinguished
2224 college.
2225 (3) DISTINGUISHED COLLEGE SUPPORT.—A Florida Community
2226 College System institution designated as a distinguished college
2227 by the State Board of ~~Community Colleges Education~~ is eligible
2228 for funding as specified in the General Appropriations Act.
2229 Section 25. Subsection (9) of section 1001.706, Florida
2230 Statutes, is amended to read:
2231 1001.706 Powers and duties of the Board of Governors.—

724756

576-02483-17

2232 (9) COOPERATION WITH OTHER BOARDS.—The Board of Governors
2233 shall implement a plan for working on a regular basis with the
2234 State Board of Education, the State Board of Community Colleges,
2235 the Commission for Independent Education, the Higher Education
2236 Coordinating Council, the Articulation Coordinating Committee,
2237 the university boards of trustees, representatives of the
2238 Florida Community College System institution boards of trustees,
2239 representatives of the private colleges and universities, and
2240 representatives of the district school boards to achieve a
2241 seamless education system.
2242 Section 26. Subsections (1) and (18) of section 1002.34,
2243 Florida Statutes, are amended to read:
2244 1002.34 Charter technical career centers; governance,
2245 mission, and responsibilities.—
2246 (1) MISSION AND AUTHORIZATION.—
2247 (a) The primary mission of a charter technical career
2248 center is to promote ~~The Legislature finds that the~~
2249 ~~establishment of charter technical career centers can assist in~~
2250 ~~promoting~~ advances and innovations in workforce preparation and
2251 economic development. A charter technical career center may
2252 provide a learning environment that ~~better~~ serves the needs of a
2253 specific population group or a group of occupations, thus
2254 promoting diversity and choices within the public education and
2255 public postsecondary technical education community in this
2256 state. Therefore, the creation of such centers is authorized as
2257 part of the state's program of public education. A charter
2258 technical career center may be formed by creating a new school
2259 or converting an existing school district or Florida Community
2260 College System institution program to charter technical status.

576-02483-17

2261 (b) A charter technical career center that is operated by a
2262 district school board may not offer a college credit course or a
2263 college credit certificate or an associate degree or
2264 baccalaureate degree program.

2265 (18) RULES.—The State Board of Education, for technical
2266 centers operated by school districts, and the State Board of
2267 Community Colleges, for technical centers operated by Florida
2268 Community College System institutions, shall adopt rules,
2269 pursuant to ss. 120.536(1) and 120.54, relating to the
2270 implementation of charter technical career centers, including
2271 rules to implement a charter model application form and an
2272 evaluation instrument in accordance with this section.

2273 Section 27. Paragraph (b) of subsection (4) of section
2274 1003.491, Florida Statutes, is amended to read:

2275 1003.491 Florida Career and Professional Education Act.—The
2276 Florida Career and Professional Education Act is created to
2277 provide a statewide planning partnership between the business
2278 and education communities in order to attract, expand, and
2279 retain targeted, high-value industry and to sustain a strong,
2280 knowledge-based economy.

2281 (4) The State Board of Education shall establish a process
2282 for the continual and uninterrupted review of newly proposed
2283 core secondary courses and existing courses requested to be
2284 considered as core courses to ensure that sufficient rigor and
2285 relevance is provided for workforce skills and postsecondary
2286 education and aligned to state curriculum standards.

2287 (b) The curriculum review committee shall review newly
2288 proposed core courses electronically. Each proposed core course
2289 shall be approved or denied within 30 days after submission by a

576-02483-17

2290 district school board or local workforce development board. All
2291 courses approved as core courses for purposes of middle school
2292 promotion and high school graduation shall be immediately added
2293 to the Course Code Directory. Approved core courses shall also
2294 be reviewed and considered for approval for dual enrollment
2295 credit. The Board of Governors, the State Board of Community
2296 Colleges, and the Commissioner of Education shall jointly
2297 recommend an annual deadline for approval of new core courses to
2298 be included for purposes of postsecondary admissions and dual
2299 enrollment credit the following academic year. The State Board
2300 of Education shall establish an appeals process in the event
2301 that a proposed course is denied which shall require a consensus
2302 ruling by the Department of Economic Opportunity and the
2303 Commissioner of Education within 15 days.

2304 Section 28. Paragraph (b) of subsection (4) of section
2305 1003.493, Florida Statutes, is amended to read:

2306 1003.493 Career and professional academies and career-
2307 themed courses.—

2308 (4) Each career and professional academy and secondary
2309 school providing a career-themed course must:

2310 (b) Include one or more partnerships with postsecondary
2311 institutions, businesses, industry, employers, economic
2312 development organizations, or other appropriate partners from
2313 the local community. Such partnerships with postsecondary
2314 institutions shall be delineated in articulation agreements and
2315 include any career and professional academy courses or career-
2316 themed courses that earn postsecondary credit. Such agreements
2317 may include articulation between the secondary school and public
2318 or private 2-year and 4-year postsecondary institutions and

576-02483-17

2319 technical centers. The Department of Education, in consultation
2320 with the Board of Governors and the State Board of Community
2321 Colleges, shall establish a mechanism to ensure articulation and
2322 transfer of credits to postsecondary institutions in this state.
2323 Such partnerships must provide opportunities for:

- 2324 1. Instruction from highly skilled professionals who
- 2325 possess industry-certification credentials for courses they are
- 2326 teaching.
- 2327 2. Internships, externships, and on-the-job training.
- 2328 3. A postsecondary degree, diploma, or certificate.
- 2329 4. The highest available level of industry certification.
- 2330 5. Maximum articulation of credits pursuant to s. 1007.23
- 2331 upon program completion.

2332 Section 29. Subsections (4), (5), and (6) of section
2333 1004.015, Florida Statutes, are amended to read:

2334 1004.015 Higher Education Coordinating Council.—

2335 (4) The council shall serve as an advisory board to the
2336 Legislature, the State Board of Education, ~~and~~ the Board of
2337 Governors, and the State Board of Community Colleges.
2338 Recommendations of the council shall be consistent with the
2339 following guiding principles:

2340 (a) To achieve within existing resources a seamless
2341 academic educational system that fosters an integrated continuum
2342 of kindergarten through graduate school education for Florida's
2343 students.

2344 (b) To promote consistent education policy across all
2345 educational delivery systems, focusing on students.

2346 (c) To promote substantially improved articulation across
2347 all educational delivery systems.

576-02483-17

2348 (d) To promote a system that maximizes educational access
2349 and allows the opportunity for a high-quality education for all
2350 Floridians.

2351 (e) To promote a system of coordinated and consistent
2352 transfer of credit and data collection for improved
2353 accountability purposes between the educational delivery
2354 systems.

2355 (5) The council shall annually by December 31 submit to the
2356 Governor, the President of the Senate, the Speaker of the House
2357 of Representatives, the Board of Governors, the State Board of
2358 Community Colleges, and the State Board of Education a report
2359 outlining its recommendations relating to:

2360 (a) The primary core mission of public and nonpublic
2361 postsecondary education institutions in the context of state
2362 access demands and economic development goals.

2363 (b) Performance outputs and outcomes designed to meet
2364 annual and long-term state goals, including, but not limited to,
2365 increased student access, preparedness, retention, transfer, and
2366 completion. Performance measures must be consistent across
2367 sectors and allow for a comparison of the state's performance to
2368 that of other states.

2369 (c) The state's articulation policies and practices to
2370 ensure that cost benefits to the state are maximized without
2371 jeopardizing quality. The recommendations shall consider return
2372 on investment for both the state and students and propose
2373 systems to facilitate and ensure institutional compliance with
2374 state articulation policies.

2375 (d) Workforce development education, specifically
2376 recommending improvements to the consistency of workforce

724756

576-02483-17

2377 education data collected and reported by Florida Community
2378 College System institutions and school districts, including the
2379 establishment of common elements and definitions for any data
2380 that is used for state and federal funding and program
2381 accountability.

2382 (6) The Office of K-20 Articulation, in collaboration with
2383 the Board of Governors and the State Board of Community Division
2384 ~~of Florida Colleges~~, shall provide administrative support for
2385 the council.

2386 Section 30. Subsection (7) of section 1004.02, Florida
2387 Statutes, is amended to read:

2388 1004.02 Definitions.—As used in this chapter:

2389 (7) "Applied technology diploma program" means a course of
2390 study that is part of a technical degree program, is less than
2391 60 credit hours, and leads to employment in a specific
2392 occupation. An applied technology diploma program may consist of
2393 either technical credit or college credit. A public school
2394 district may offer an applied technology diploma program only as
2395 technical credit, with college credit awarded to a student upon
2396 articulation to a Florida Community College System institution.
2397 Statewide articulation among public schools and Florida
2398 Community College System institutions is guaranteed by s.
2399 1007.23, and is subject to guidelines and standards adopted by
2400 the State Board of Community Colleges Education pursuant to ss.
2401 1007.24 and 1007.25.

2402 Section 31. Subsection (2) of section 1004.03, Florida
2403 Statutes, is amended to read:

2404 1004.03 Program approval.—

2405 (2) The State Board of Community Colleges Education shall

724756

576-02483-17

2406 establish criteria for the approval of new programs at Florida
2407 Community College System institutions, which criteria include,
2408 but are not limited to, the following:

2409 (a) New programs may not be approved unless the same
2410 objectives cannot be met through use of educational technology.

2411 (b) Unnecessary duplication of programs offered by
2412 independent institutions shall be avoided.

2413 (c) Cooperative programs, particularly within regions,
2414 should be encouraged.

2415 (d) New programs may be approved only if they are
2416 consistent with the ~~state master~~ plan adopted by the State Board
2417 of Community Colleges Education.

2418 Section 32. Paragraph (f) of subsection (4) of section
2419 1004.04, Florida Statutes, is amended to read:

2420 1004.04 Public accountability and state approval for
2421 teacher preparation programs.—

2422 (4) CONTINUED PROGRAM APPROVAL.—Continued approval of a
2423 teacher preparation program shall be based upon evidence that
2424 the program continues to implement the requirements for initial
2425 approval and upon significant, objective, and quantifiable
2426 measures of the program and the performance of the program
2427 completers.

2428 (f) By January 1 of each year, the Department of Education
2429 shall report the results of each approved program's annual
2430 progress on the performance measures in paragraph (a) as well as
2431 the current approval status of each program to:

- 2432 1. The Governor.
- 2433 2. The President of the Senate.
- 2434 3. The Speaker of the House of Representatives.

576-02483-17

- 2435 4. The State Board of Education.
- 2436 5. The Board of Governors.
- 2437 6. The State Board of Community Colleges.
- 2438 7. The Commissioner of Education.
- 2439 ~~8.7-~~ Each Florida postsecondary teacher preparation
- 2440 program.
- 2441 ~~9.8-~~ Each district school superintendent.
- 2442 ~~10.9-~~ The public.

2443
2444 This report may include the results of other continued approval
2445 requirements provided by State Board of Education rule and
2446 recommendations for improving teacher preparation programs in
2447 the state.

2448 Section 33. Section 1004.07, Florida Statutes, is amended
2449 to read:

2450 1004.07 Student withdrawal from courses due to military
2451 service; effect.-

2452 (1) Each district school board, Florida Community College
2453 System institution board of trustees, and state university board
2454 of trustees shall establish policies regarding currently
2455 enrolled students who are called to, or enlist in, active
2456 military service.

2457 (2) Such policies must shall provide that any student
2458 enrolled in a postsecondary course or courses at a career
2459 center, a Florida Community College System institution, or a
2460 state university may shall not incur academic or financial
2461 penalties by virtue of performing military service on behalf of
2462 our country. Such student shall be permitted the option of
2463 either completing the course or courses at a later date without

576-02483-17

2464 penalty or withdrawing from the course or courses with a full
2465 refund of fees paid. If the student chooses to withdraw, the
2466 student's record shall reflect that the withdrawal is due to
2467 active military service.

2468 (3) Policies of district school boards must and Florida
2469 ~~College System institution boards of trustees shall be~~
2470 established by rule and pursuant to guidelines of the State
2471 Board of Education.

2472 (4) Policies of state university boards of trustees must
2473 ~~shall~~ be established by regulation and pursuant to guidelines of
2474 the Board of Governors.

2475 (5) Policies of Florida Community College System
2476 institution boards of trustees must be established by rule and
2477 pursuant to guidelines of the State Board of Community Colleges.

2478 Section 34. Section 1004.084, Florida Statutes, is amended
2479 to read:

2480 1004.084 College affordability.-

2481 (1) The Board of Governors and the State Board of Community
2482 ~~Colleges Education~~ shall annually identify strategies to promote
2483 college affordability for all Floridians by evaluating, at a
2484 minimum, the impact of:

2485 (a) Tuition and fees on undergraduate, graduate, and
2486 professional students at public colleges and universities and
2487 graduate assistants employed by public universities.

2488 (b) Federal, state, and institutional financial aid
2489 policies on the actual cost of attendance for students and their
2490 families.

2491 (c) The costs of textbooks and instructional materials.

2492 (2) By December 31 of each year, ~~beginning in 2016,~~ the

724756

576-02483-17

2493 Board of Governors and the State Board of Community Colleges
2494 ~~Education~~ shall submit a report on their respective college
2495 affordability initiatives to the Governor, the President of the
2496 Senate, and the Speaker of the House of Representatives.

2497 Section 35. Paragraph (d) of subsection (3) and subsections
2498 (6), (7), and (8) of section 1004.085, Florida Statutes, are
2499 amended to read:

2500 1004.085 Textbook and instructional materials
2501 affordability.—

2502 (3) An employee may receive:

2503 (d) Fees associated with activities such as reviewing,
2504 critiquing, or preparing support materials for textbooks or
2505 instructional materials pursuant to guidelines adopted by the
2506 State Board of Community Colleges ~~Education~~ or the Board of
2507 Governors.

2508 (6) Each Florida Community College System institution and
2509 state university shall post prominently in the course
2510 registration system and on its website, as early as is feasible,
2511 but at least 45 days before the first day of class for each
2512 term, a hyperlink to lists of required and recommended textbooks
2513 and instructional materials for at least 95 percent of all
2514 courses and course sections offered at the institution during
2515 the upcoming term. The lists must include the International
2516 Standard Book Number (ISBN) for each required and recommended
2517 textbook and instructional material or other identifying
2518 information, which must include, at a minimum, all of the
2519 following: the title, all authors listed, publishers, edition
2520 number, copyright date, published date, and other relevant
2521 information necessary to identify the specific textbooks or

724756

576-02483-17

2522 instructional materials required and recommended for each
2523 course. The State Board of Community Colleges ~~Education~~ and the
2524 Board of Governors shall include in the policies, procedures,
2525 and guidelines adopted under subsection (7) certain limited
2526 exceptions to this notification requirement for classes added
2527 after the notification deadline.

2528 (7) After receiving input from students, faculty,
2529 bookstores, and publishers, the State Board of Community
2530 Colleges ~~Education~~ and the Board of Governors each shall adopt
2531 textbook and instructional materials affordability policies,
2532 procedures, and guidelines for implementation by Florida
2533 Community College System institutions and state universities,
2534 respectively, that further efforts to minimize the cost of
2535 textbooks and instructional materials for students attending
2536 such institutions while maintaining the quality of education and
2537 academic freedom. The policies, procedures, and guidelines shall
2538 address:

2539 (a) The establishment of deadlines for an instructor or
2540 department to notify the bookstore of required and recommended
2541 textbooks and instructional materials so that the bookstore may
2542 verify availability, source lower cost options when practicable,
2543 explore alternatives with faculty when academically appropriate,
2544 and maximize the availability of used textbooks and
2545 instructional materials.

2546 (b) Confirmation by the course instructor or academic
2547 department offering the course, before the textbook or
2548 instructional materials adoption is finalized, of the intent to
2549 use all items ordered, particularly each individual item sold as
2550 part of a bundled package.

576-02483-17

- 2551 (c) Determination by a course instructor or the academic
2552 department offering the course, before a textbook or
2553 instructional material is adopted, of the extent to which a new
2554 edition differs significantly and substantively from earlier
2555 versions and the value to the student of changing to a new
2556 edition or the extent to which an open-access textbook or
2557 instructional material is available.
- 2558 (d) The availability of required and recommended textbooks
2559 and instructional materials to students otherwise unable to
2560 afford the cost, including consideration of the extent to which
2561 an open-access textbook or instructional material may be used.
- 2562 (e) Participation by course instructors and academic
2563 departments in the development, adaptation, and review of open-
2564 access textbooks and instructional materials and, in particular,
2565 open-access textbooks and instructional materials for high-
2566 demand general education courses.
- 2567 (f) Consultation with school districts to identify
2568 practices that impact the cost of dual enrollment textbooks and
2569 instructional materials to school districts, including, but not
2570 limited to, the length of time that textbooks and instructional
2571 materials remain in use.
- 2572 (g) Selection of textbooks and instructional materials
2573 through cost-benefit analyses that enable students to obtain the
2574 highest-quality product at the lowest available price, by
2575 considering:
- 2576 1. Purchasing digital textbooks in bulk.
 - 2577 2. Expanding the use of open-access textbooks and
2578 instructional materials.
 - 2579 3. Providing rental options for textbooks and instructional

576-02483-17

- 2580 materials.
- 2581 4. Increasing the availability and use of affordable
2582 digital textbooks and learning objects.
- 2583 5. Developing mechanisms to assist in buying, renting,
2584 selling, and sharing textbooks and instructional materials.
- 2585 6. The length of time that textbooks and instructional
2586 materials remain in use.
- 2587 7. An evaluation of cost savings for textbooks and
2588 instructional materials which a student may realize if
2589 individual students are able to exercise opt-in provisions for
2590 the purchase of the materials.
- 2591 (8) The board of trustees of each Florida Community College
2592 System institution and state university shall report, by
2593 September 30 of each year, beginning in 2016, to the Chancellor
2594 of the Florida Community College System or the Chancellor of the
2595 State University System, as applicable, the textbook and
2596 instructional materials selection process for general education
2597 courses with a wide cost variance identified pursuant to
2598 subsection (4) and high-enrollment courses; specific initiatives
2599 of the institution designed to reduce the costs of textbooks and
2600 instructional materials; policies implemented in accordance with
2601 subsection (6); the number of courses and course sections that
2602 were not able to meet the textbook and instructional materials
2603 posting deadline for the previous academic year; and any
2604 additional information determined by the chancellors. By
2605 November 1 of each year, ~~beginning in 2016~~, each chancellor
2606 shall provide a summary of the information provided by
2607 institutions to the State Board of Community Colleges ~~Education~~
2608 and the Board of Governors, as applicable.

576-02483-17

2609 Section 36. Section 1004.096, Florida Statutes, is amended
2610 to read:

2611 1004.096 College credit for military training and education
2612 courses.—The Board of Governors shall adopt regulations and the
2613 State Board of Community Colleges Education shall adopt rules
2614 that enable eligible servicemembers or veterans of the United
2615 States Armed Forces to earn academic college credit at public
2616 postsecondary educational institutions for college-level
2617 training and education acquired in the military. The regulations
2618 and rules shall include procedures for credential evaluation and
2619 the award of academic college credit, including, but not limited
2620 to, equivalency and alignment of military coursework with
2621 appropriate college courses, course descriptions, type and
2622 amount of college credit that may be awarded, and transfer of
2623 credit.

2624 Section 37. Section 1004.0961, Florida Statutes, is amended
2625 to read:

2626 1004.0961 Credit for online courses.—~~Beginning in the 2015-~~
2627 ~~2016 school year,~~ The State Board of Community Colleges
2628 ~~Education~~ shall adopt rules and the Board of Governors shall
2629 adopt regulations that enable students to earn academic credit
2630 for online courses, including massive open online courses,
2631 before initial enrollment at a postsecondary institution. The
2632 rules of the State Board of Community Colleges Education and
2633 regulations of the Board of Governors must include procedures
2634 for credential evaluation and the award of credit, including,
2635 but not limited to, recommendations for credit by the American
2636 Council on Education; equivalency and alignment of coursework
2637 with appropriate courses; course descriptions; type and amount

576-02483-17

2638 of credit that may be awarded; and transfer of credit.

2639 Section 38. Section 1004.35, Florida Statutes, is amended
2640 to read:

2641 1004.35 Broward County campuses of Florida Atlantic
2642 University; coordination with other institutions.—The State
2643 Board of Community Colleges Education, the Board of Governors,
2644 and Florida Atlantic University shall consult with Broward
2645 College and Florida International University in coordinating
2646 course offerings at the postsecondary level in Broward County.
2647 Florida Atlantic University may contract with the Board of
2648 Trustees of Broward College and with Florida International
2649 University to provide instruction in courses offered at the
2650 Southeast Campus. Florida Atlantic University shall increase
2651 course offerings at the Southeast Campus as facilities become
2652 available.

2653 Section 39. Paragraphs (c) and (d) of subsection (5) and
2654 subsections (8) and (9) of section 1004.6495, Florida Statutes,
2655 are amended to read:

2656 1004.6495 Florida Postsecondary Comprehensive Transition
2657 Program and Florida Center for Students with Unique Abilities.—

2658 (5) CENTER RESPONSIBILITIES.—The Florida Center for
2659 Students with Unique Abilities is established within the
2660 University of Central Florida. At a minimum, the center shall:

2661 (c) Create the application for the initial approval and
2662 renewal of approval as an FPCTP for use by an eligible
2663 institution which, at a minimum, must align with the federal
2664 comprehensive transition and postsecondary program application
2665 requirements. Notwithstanding the program approval requirements
2666 of s. 1004.03, the director shall review applications for the

724756

576-02483-17

2667 initial approval of an application for, or renewal of approval
2668 of, an FPCTP.

2669 1. Within 30 days after receipt of an application, the
2670 director shall issue his or her recommendation regarding
2671 approval to the Chancellor of the State University System, ~~or~~
2672 the Chancellor of the Florida Community College System, or the
2673 Commissioner of Education, as applicable, or shall give written
2674 notice to the applicant of any deficiencies in the application,
2675 which the eligible institution must be given an opportunity to
2676 correct. Within 15 days after receipt of a notice of
2677 deficiencies, an eligible institution that chooses to continue
2678 to seek program approval shall correct the application
2679 deficiencies and return the application to the center. Within 30
2680 days after receipt of a revised application, the director shall
2681 recommend approval or disapproval of the revised application to
2682 the applicable chancellor ~~or the commissioner, as applicable~~.
2683 Within 15 days after receipt of the director's recommendation,
2684 the applicable chancellor ~~or the commissioner~~ shall approve or
2685 disapprove the recommendation. If the applicable chancellor ~~or~~
2686 ~~the commissioner~~ does not act on the director's recommendation
2687 within 15 days after receipt of such recommendation, the
2688 comprehensive transition program proposed by the institution
2689 shall be considered approved.

2690 2. Initial approval of an application for an FPCTP that
2691 meets the requirements of this section is valid for the 3
2692 academic years immediately following the academic year during
2693 which the approval is granted. An eligible institution may
2694 submit an application to the center requesting that the initial
2695 approval be renewed. If the approval is granted and the FPCTP

724756

576-02483-17

2696 continues to meet the requirements of this section, including,
2697 but not limited to, program and student performance outcomes,
2698 and federal requirements, a renewal is valid for the 5 academic
2699 years immediately following the academic year during which the
2700 renewal is granted.

2701 3. An application must, at a minimum:

2702 a. Identify a credential associated with the proposed
2703 program which will be awarded to eligible students upon
2704 completion of the FPCTP.

2705 b. Outline the program length and design, including, at a
2706 minimum, inclusive and successful experiential education
2707 practices relating to curricular, assessment, and advising
2708 structure and internship and employment opportunities, which
2709 must support students with intellectual disabilities who are
2710 seeking to continue academic, career and technical, and
2711 independent living instruction at an eligible institution,
2712 including, but not limited to, opportunities to earn industry
2713 certifications, to prepare students for gainful employment. If
2714 an eligible institution offers a credit-bearing degree program,
2715 the institution is responsible for maintaining the rigor and
2716 effectiveness of a comprehensive transition degree program at
2717 the same level as other comparable degree programs offered by
2718 the institution pursuant to applicable accreditation standards.

2719 c. Outline a plan for students with intellectual
2720 disabilities to be integrated socially and academically with
2721 nondisabled students, to the maximum extent possible, and to
2722 participate on not less than a half-time basis, as determined by
2723 the eligible institution, with such participation focusing on
2724 academic components and occurring through one or more of the

724756

576-02483-17

- 2725 following activities with nondisabled students:
- 2726 (I) Regular enrollment in credit-bearing courses offered by
- 2727 the institution.
- 2728 (II) Auditing or participating in courses offered by the
- 2729 institution for which the student does not receive academic
- 2730 credit.
- 2731 (III) Enrollment in noncredit-bearing, nondegree courses.
- 2732 (IV) Participation in internships or work-based training.
- 2733 d. Outline a plan for partnerships with businesses to
- 2734 promote experiential training and employment opportunities for
- 2735 students with intellectual disabilities.
- 2736 e. Identify performance indicators pursuant to subsection
- 2737 (8) and other requirements identified by the center.
- 2738 f. Outline a 5-year plan incorporating enrollment and
- 2739 operational expectations for the program.
- 2740 (d) Provide technical assistance regarding programs and
- 2741 services for students with intellectual disabilities to
- 2742 administrators, instructors, staff, and others, as applicable,
- 2743 at eligible institutions by:
- 2744 1. Holding meetings and annual workshops to share
- 2745 successful practices and to address issues or concerns.
- 2746 2. Facilitating collaboration between eligible institutions
- 2747 and school districts, private schools operating pursuant to s.
- 2748 1002.42, and parents of students enrolled in home education
- 2749 programs operating pursuant to s. 1002.41 in assisting students
- 2750 with intellectual disabilities and their parents to plan for the
- 2751 transition of such students into an FPCTP or another program at
- 2752 an eligible institution.
- 2753 3. Assisting eligible institutions with FPCTP and federal

724756

576-02483-17

- 2754 comprehensive transition and postsecondary program applications.
- 2755 4. Assisting eligible institutions with the identification
- 2756 of funding sources for an FPCTP and for student financial
- 2757 assistance for students enrolled in an FPCTP.
- 2758 5. Monitoring federal and state law relating to the
- 2759 comprehensive transition program and notifying the Legislature,
- 2760 the Governor, the Board of Governors, the State Board of
- 2761 Community Colleges, and the State Board of Education of any
- 2762 change in law which may impact the implementation of this
- 2763 section.
- 2764 (8) ACCOUNTABILITY.—
- 2765 (a) The center, in collaboration with the Board of
- 2766 Governors and the State Board of Community Colleges Education,
- 2767 shall identify indicators for the satisfactory progress of a
- 2768 student in an FPCTP and for the performance of such programs.
- 2769 Each eligible institution must address the indicators identified
- 2770 by the center in its application for the approval of a proposed
- 2771 program and for the renewal of an FPCTP and in the annual report
- 2772 that the institution submits to the center.
- 2773 (b) By October 1 of each year, the center shall provide to
- 2774 the Governor, the President of the Senate, the Speaker of the
- 2775 House of Representatives, the Chancellor of the State University
- 2776 System, and the Chancellor of the Florida Community College
- 2777 System ~~Commissioner of Education~~ a report summarizing
- 2778 information including, but not limited to:
- 2779 1. The status of the statewide coordination of FPCTPs and
- 2780 the implementation of FPCTPs at eligible institutions including,
- 2781 but not limited to:
- 2782 a. The number of applications approved and disapproved and

724756

576-02483-17

2783 the reasons for each disapproval and no action taken by the
2784 chancellor or the commissioner.

2785 b. The number and value of all scholarships awarded to
2786 students and undisbursed advances remitted to the center
2787 pursuant to subsection (7).

2788 2. Indicators identified by the center pursuant to
2789 paragraph (a) and the performance of each eligible institution
2790 based on the indicators identified in paragraph (6)(c).

2791 3. The projected number of students with intellectual
2792 disabilities who may be eligible to enroll in the FPCTPs within
2793 the next academic year.

2794 4. Education programs and services for students with
2795 intellectual disabilities which are available at eligible
2796 institutions.

2797 (c) Beginning in the 2016-2017 fiscal year, the center, in
2798 collaboration with the Board of Governors, State Board of
2799 Community Colleges Education, Higher Education Coordinating
2800 Council, and other stakeholders, by December 1 of each year,
2801 shall submit to the Governor, the President of the Senate, and
2802 the Speaker of the House of Representatives statutory and budget
2803 recommendations for improving the implementation and delivery of
2804 FPCTPs and other education programs and services for students
2805 with disabilities.

2806 (9) RULES.—The Board of Governors and the State Board of
2807 Community Colleges Education, in consultation with the center,
2808 shall expeditiously adopt any necessary regulations and rules,
2809 as applicable, to allow the center to perform its
2810 responsibilities pursuant to this section beginning in the 2016-
2811 2017 fiscal year.

724756

576-02483-17

2812 Section 40. Section 1004.65, Florida Statutes, is amended
2813 to read:

2814 1004.65 Florida Community College System institutions;
2815 governance, mission, and responsibilities.—

2816 (1) Each Florida Community College System institution shall
2817 be governed by a district board of trustees under statutory
2818 authority and rules of the State Board of Community Colleges
2819 Education.

2820 (2) Each Florida Community College System institution
2821 district shall:

2822 (a) Consist of the county or counties served by the Florida
2823 Community College System institution pursuant to s. 1000.21(3).

2824 (b) Be an independent, separate, legal entity created for
2825 the operation of a Florida Community College System institution.

2826 (3) Florida Community College System institutions are
2827 locally based and governed entities with statutory and funding
2828 ties to state government. As such, the mission for Florida
2829 Community College System institutions reflects a commitment to
2830 be responsive to local educational needs and challenges. In
2831 achieving this mission, Florida Community College System
2832 institutions strive to maintain sufficient local authority and
2833 flexibility while preserving appropriate legal accountability to
2834 the state.

2835 (4) As comprehensive institutions, Florida Community
2836 College System institutions shall provide high-quality,
2837 affordable education and training opportunities, shall foster a
2838 climate of excellence, and shall provide opportunities to all
2839 while combining high standards with an open-door admission
2840 policy for lower-division programs. Florida Community College

576-02483-17

2841 System institutions shall, as open-access institutions, serve
2842 all who can benefit, without regard to age, race, gender, creed,
2843 or ethnic or economic background, while emphasizing the
2844 achievement of social and educational equity so that all can be
2845 prepared for full participation in society.

2846 (5) The primary mission and responsibility of Florida
2847 Community College System institutions is responding to community
2848 needs for postsecondary academic education and career degree
2849 education. This mission and responsibility includes being
2850 responsible for:

2851 (a) Providing lower-level ~~lower level~~ undergraduate
2852 instruction and awarding associate degrees.

2853 (b) Preparing students directly for careers requiring less
2854 than baccalaureate degrees. This may include preparing for job
2855 entry, supplementing of skills and knowledge, and responding to
2856 needs in new areas of technology. Career education in a Florida
2857 Community College System institution consists ~~shall consist~~ of
2858 career certificates, nationally recognized industry
2859 certifications, credit courses leading to associate in science
2860 degrees and associate in applied science degrees, and other
2861 programs in fields requiring substantial academic work,
2862 background, or qualifications. A Florida Community College
2863 System institution may offer career education programs in fields
2864 having lesser academic or technical requirements.

2865 (c) Providing student development services, including
2866 assessment, student tracking, support for disabled students,
2867 advisement, counseling, financial aid, career development, and
2868 remedial and tutorial services, to ensure student success.

2869 (d) Promoting economic development for the state within

576-02483-17

2870 each Florida Community College System institution district
2871 through the provision of special programs, including, but not
2872 limited to, the:

- 2873 1. Enterprise Florida-related programs.
- 2874 2. Technology transfer centers.
- 2875 3. Economic development centers.
- 2876 4. Workforce literacy programs.

2877 (e) Providing dual enrollment instruction.

2878 ~~(f) Providing upper level instruction and awarding~~
2879 ~~baccalaureate degrees as specifically authorized by law.~~

2880 (6) A separate and secondary role for Florida Community
2881 College System institutions includes ~~the offering of programs~~
2882 ~~in~~:

2883 (a) Programs in community services that are not directly
2884 related to academic or occupational advancement.

2885 (b) Programs in adult education services, including adult
2886 basic education, adult general education, adult secondary
2887 education, and high school equivalency examination instruction.

2888 (c) Programs in recreational and leisure services.

2889 ~~(d) Upper-level instruction and awarding baccalaureate~~
2890 ~~degrees as specifically authorized by law.~~

2891 (7) Funding for Florida Community College System
2892 institutions must ~~shall~~ reflect their mission as follows:

2893 (a) Postsecondary academic and career education programs
2894 and adult general education programs must ~~shall~~ have first
2895 priority in Florida Community College System institution
2896 funding.

2897 (b) Community service programs shall be presented to the
2898 Legislature with rationale for state funding. The Legislature

724756

576-02483-17

2899 may identify priority areas for use of these funds.
2900 (c) The resources of a Florida Community College System
2901 institution, including staff, faculty, land, and facilities, may
2902 ~~shall~~ not be used to support the establishment of a new
2903 independent nonpublic educational institution. If any
2904 institution uses resources for such purpose, the State Board of
2905 Community ~~Division of Florida~~ Colleges shall notify the
2906 President of the Senate and the Speaker of the House of
2907 Representatives.
2908 (8) Florida Community College System institutions are
2909 authorized to:
2910 (a) Offer such programs and courses as are necessary to
2911 fulfill their mission.
2912 (b) Grant associate in arts degrees, associate in science
2913 degrees, associate in applied science degrees, certificates,
2914 awards, and diplomas.
2915 (c) Make provisions for the high school equivalency
2916 examination.
2917 (d) Provide access to and award baccalaureate degrees in
2918 accordance with law.
2919
2920 Authority to offer one or more baccalaureate degree programs
2921 does not alter the governance relationship of the Florida
2922 Community College System institution with its district board of
2923 trustees or the State Board of Community Colleges ~~Education~~.
2924 Section 41. Section 1004.67, Florida Statutes, is amended
2925 to read:
2926 1004.67 Florida Community College System institutions;
2927 legislative intent.—It is The legislative intent that Florida

724756

576-02483-17

2928 Community College System institutions, constituted as political
2929 subdivisions of the state, continue to be operated by Florida
2930 Community College System institution boards of trustees as
2931 provided in s. 1001.63 and that no department, bureau, division,
2932 agency, or subdivision of the state exercise any responsibility
2933 and authority to operate any Florida Community College System
2934 institution of the state except as specifically provided by law
2935 or rules of the State Board of Community Colleges ~~Education~~.
2936 Section 42. Section 1004.70, Florida Statutes, is amended
2937 to read:
2938 1004.70 Florida Community College System institution
2939 direct-support organizations.—
2940 (1) DEFINITIONS.—For the purposes of this section:
2941 (a) "Florida Community College System institution direct-
2942 support organization" means an organization that is:
2943 1. A Florida corporation not for profit, incorporated under
2944 the provisions of chapter 617 and approved by the Department of
2945 State.
2946 2. Organized and operated exclusively to receive, hold,
2947 invest, and administer property and to make expenditures to, or
2948 for the benefit of, a Florida Community College System
2949 institution in this state.
2950 3. An organization that the Florida Community College
2951 System institution board of trustees, after review, has
2952 certified to be operating in a manner consistent with the goals
2953 of the Florida Community College System institution and in the
2954 best interest of the state. Any organization that is denied
2955 certification by the board of trustees may not use the name of
2956 the Florida Community College System institution that it serves.

576-02483-17

2957 (b) "Personal services" includes full-time or part-time
2958 personnel as well as payroll processing.
2959 (2) BOARD OF DIRECTORS.—The chair of the board of trustees
2960 shall appoint a representative to the board of directors and the
2961 executive committee of each direct-support organization
2962 established under this section, including those established
2963 before July 1, 1998. The president of the Florida Community
2964 College System institution for which the direct-support
2965 organization is established, or the president's designee, shall
2966 also serve on the board of directors and the executive committee
2967 of the direct-support organization, including any direct-support
2968 organization established before July 1, 1998.
2969 (3) USE OF PROPERTY.—
2970 (a) The board of trustees is authorized to permit the use
2971 of property, facilities, and personal services at any Florida
2972 Community College System institution by any Florida Community
2973 College System institution direct-support organization, subject
2974 to the provisions of this section.
2975 (b) The board of trustees is authorized to prescribe by
2976 rule any condition with which a Florida Community College System
2977 institution direct-support organization must comply in order to
2978 use property, facilities, or personal services at any Florida
2979 Community College System institution.
2980 (c) The board of trustees may not permit the use of
2981 property, facilities, or personal services at any Florida
2982 Community College System institution by any Florida Community
2983 College System institution direct-support organization that does
2984 not provide equal employment opportunities to all persons
2985 regardless of race, color, national origin, gender, age, or

576-02483-17

2986 religion.
2987 (4) ACTIVITIES; RESTRICTIONS.—
2988 (a) A direct-support organization may, at the request of
2989 the board of trustees, provide residency opportunities on or
2990 near campus for students.
2991 (b) A direct-support organization that constructs
2992 facilities for use by a Florida Community College System
2993 institution or its students must comply with all requirements of
2994 law relating to the construction of facilities by a Florida
2995 Community College System institution, including requirements for
2996 competitive bidding.
2997 (c) Any transaction or agreement between one direct-support
2998 organization and another direct-support organization must be
2999 approved by the board of trustees.
3000 (d) A Florida Community College System institution direct-
3001 support organization is prohibited from giving, either directly
3002 or indirectly, any gift to a political committee as defined in
3003 s. 106.011 for any purpose other than those certified by a
3004 majority roll call vote of the governing board of the direct-
3005 support organization at a regularly scheduled meeting as being
3006 directly related to the educational mission of the Florida
3007 Community College System institution.
3008 (e) A Florida Community College System institution board of
3009 trustees must authorize all debt, including lease-purchase
3010 agreements, incurred by a direct-support organization.
3011 Authorization for approval of short-term loans and lease-
3012 purchase agreements for a term of not more than 5 years,
3013 including renewals, extensions, and refundings, for goods,
3014 materials, equipment, and services may be delegated by the board

724756

576-02483-17

3015 of trustees to the board of directors of the direct-support
3016 organization. Trustees shall evaluate proposals for debt
3017 according to guidelines issued by the State Board of Community
3018 ~~Division of Florida~~ Colleges. Revenues of the Florida Community
3019 College System institution may not be pledged to debt issued by
3020 direct-support organizations.

3021 (5) ANNUAL BUDGETS AND REPORTS.—Each direct-support
3022 organization shall submit to the board of trustees its federal
3023 Internal Revenue Service Application for Recognition of
3024 Exemption form (Form 1023) and its federal Internal Revenue
3025 Service Return of Organization Exempt from Income Tax form (Form
3026 990).

3027 (6) ANNUAL AUDIT.—Each direct-support organization shall
3028 provide for an annual financial audit in accordance with rules
3029 adopted by the Auditor General pursuant to s. 11.45(8). The
3030 annual audit report must be submitted, within 9 months after the
3031 end of the fiscal year, to the Auditor General, the State Board
3032 of Community Colleges Education, and the board of trustees for
3033 review. The board of trustees, the Auditor General, and the
3034 Office of Program Policy Analysis and Government Accountability
3035 may require and receive from the organization or from its
3036 independent auditor any detail or supplemental data relative to
3037 the operation of the organization. The identity of donors who
3038 desire to remain anonymous shall be protected, and that
3039 anonymity shall be maintained in the auditor's report. All
3040 records of the organization, other than the auditor's report,
3041 any information necessary for the auditor's report, any
3042 information related to the expenditure of funds, and any
3043 supplemental data requested by the board of trustees, the

724756

576-02483-17

3044 Auditor General, and the Office of Program Policy Analysis and
3045 Government Accountability, shall be confidential and exempt from
3046 the provisions of s. 119.07(1).

3047 Section 43. Section 1004.71, Florida Statutes, is amended
3048 to read:

3049 1004.71 Statewide Florida Community College System
3050 institution direct-support organizations.—

3051 (1) DEFINITIONS.—For the purposes of this section:

3052 (a) "Statewide Florida Community College System institution
3053 direct-support organization" means an organization that is:

3054 1. A Florida corporation not for profit, incorporated under
3055 the provisions of chapter 617 and approved by the Department of
3056 State.

3057 2. Organized and operated exclusively to receive, hold,
3058 invest, and administer property and to make expenditures to, or
3059 for the benefit of, the Florida Community College System
3060 institutions in this state.

3061 3. An organization that the State Board of Community
3062 Colleges Education, after review, has certified to be operating
3063 in a manner consistent with the goals of the Florida Community
3064 College System institutions and in the best interest of the
3065 state.

3066 (b) "Personal services" includes full-time or part-time
3067 personnel as well as payroll processing.

3068 (2) BOARD OF DIRECTORS.—The chair of the State Board of
3069 Community Colleges Education may appoint a representative to the
3070 board of directors and the executive committee of any statewide,
3071 direct-support organization established under this section or s.
3072 1004.70. The chair of the State Board of Community Colleges

724756

576-02483-17

3073 ~~Education~~, or the chair's designee, shall also serve on the
3074 board of directors and the executive committee of any direct-
3075 support organization established to benefit Florida Community
3076 College System institutions.

3077 (3) USE OF PROPERTY.—

3078 (a) The State Board of Education may permit the use of
3079 property, facilities, and personal services of the Department of
3080 Education by any statewide Florida Community College System
3081 institution direct-support organization, subject to the
3082 provisions of this section.

3083 (b) The State Board of Education may prescribe by rule any
3084 condition with which a statewide Florida Community College
3085 System institution direct-support organization must comply in
3086 order to use property, facilities, or personal services of the
3087 Department of Education.

3088 (c) The State Board of Education may not permit the use of
3089 property, facilities, or personal services of the Department of
3090 Education by any statewide Florida Community College System
3091 institution direct-support organization that does not provide
3092 equal employment opportunities to all persons regardless of
3093 race, color, national origin, gender, age, or religion.

3094 (4) RESTRICTIONS.—

3095 (a) A statewide, direct-support organization may not use
3096 public funds to acquire, construct, maintain, or operate any
3097 facilities.

3098 (b) Any transaction or agreement between a statewide,
3099 direct-support organization and any other direct-support
3100 organization must be approved by the State Board of Community
3101 Colleges ~~Education~~.

724756

576-02483-17

3102 (c) A statewide Florida Community College System
3103 institution direct-support organization is prohibited from
3104 giving, either directly or indirectly, any gift to a political
3105 committee as defined in s. 106.011 for any purpose other than
3106 those certified by a majority roll call vote of the governing
3107 board of the direct-support organization at a regularly
3108 scheduled meeting as being directly related to the educational
3109 mission of the State Board of Community Colleges ~~Education~~.

3110 (5) ANNUAL BUDGETS AND REPORTS.—Each direct-support
3111 organization shall submit to the State Board of Community
3112 Colleges ~~Education~~ its federal Internal Revenue Service
3113 Application for Recognition of Exemption form (Form 1023) and
3114 its federal Internal Revenue Service Return of Organization
3115 Exempt from Income Tax form (Form 990).

3116 (6) ANNUAL AUDIT.—A statewide Florida Community College
3117 System institution direct-support organization shall provide for
3118 an annual financial audit in accordance with s. 1004.70. The
3119 identity of a donor or prospective donor who desires to remain
3120 anonymous and all information identifying such donor or
3121 prospective donor are confidential and exempt from the
3122 provisions of s. 119.07(1) and s. 24(a), Art. I of the State
3123 Constitution. Such anonymity shall be maintained in the
3124 auditor's report.

3125 Section 44. Subsection (4) of section 1004.74, Florida
3126 Statutes, is amended to read:

3127 1004.74 Florida School of the Arts.—

3128 (4) The Council for the Florida School of the Arts shall be
3129 established to advise the Florida Community College System
3130 institution district board of trustees on matters pertaining to

576-02483-17

3131 the operation of the school. The council shall consist of nine
3132 members, appointed jointly by the Chancellor of the Florida
3133 Community College System and the Commissioner of Education for
3134 4-year terms. A member may serve three terms and may serve until
3135 replaced.

3136 Section 45. Section 1004.78, Florida Statutes, is amended
3137 to read:

3138 1004.78 Technology transfer centers at Florida Community
3139 College System institutions.-

3140 (1) Each Florida Community College System institution may
3141 establish a technology transfer center for the purpose of
3142 providing institutional support to local business and industry
3143 and governmental agencies in the application of new research in
3144 technology. The primary responsibilities of such centers may
3145 include: identifying technology research developed by
3146 universities, research institutions, businesses, industries, the
3147 United States Armed Forces, and other state or federal
3148 governmental agencies; determining and demonstrating the
3149 application of technologies; training workers to integrate
3150 advanced equipment and production processes; and determining for
3151 business and industry the feasibility and efficiency of
3152 accommodating advanced technologies.

3153 (2) The Florida Community College System institution board
3154 of trustees shall set such policies to regulate the activities
3155 of the technology transfer center as it may consider necessary
3156 to effectuate the purposes of this section and to administer the
3157 programs of the center in a manner which assures efficiency and
3158 effectiveness, producing the maximum benefit for the educational
3159 programs and maximum service to the state. To this end,

576-02483-17

3160 materials that relate to methods of manufacture or production,
3161 potential trade secrets, potentially patentable material, actual
3162 trade secrets, business transactions, or proprietary information
3163 received, generated, ascertained, or discovered during the
3164 course of activities conducted within the Florida Community
3165 College System institutions shall be confidential and exempt
3166 from the provisions of s. 119.07(1), except that a Florida
3167 Community College System institution shall make available upon
3168 request the title and description of a project, the name of the
3169 investigator, and the amount and source of funding provided for
3170 such project.

3171 (3) A technology transfer center created under the
3172 provisions of this section shall be under the supervision of the
3173 board of trustees of that Florida Community College System
3174 institution, which is authorized to appoint a director; to
3175 employ full-time and part-time staff, research personnel, and
3176 professional services; to employ on a part-time basis personnel
3177 of the Florida Community College System institution; and to
3178 employ temporary employees whose salaries are paid entirely from
3179 the permanent technology transfer fund or from that fund in
3180 combination with other nonstate sources, with such positions
3181 being exempt from the requirements of the Florida Statutes
3182 relating to salaries, except that no such appointment shall be
3183 made for a total period of longer than 1 year.

3184 (4) The board of trustees of the Florida Community College
3185 System institution in which a technology transfer center is
3186 created, or its designee, may negotiate, enter into, and execute
3187 contracts; solicit and accept grants and donations; and fix and
3188 collect fees, other payments, and donations that may accrue by

724756

576-02483-17

3189 reason thereof for technology transfer activities. The board of
3190 trustees or its designee may negotiate, enter into, and execute
3191 contracts on a cost-reimbursement basis and may provide
3192 temporary financing of such costs prior to reimbursement from
3193 moneys on deposit in the technology transfer fund, except as may
3194 be prohibited elsewhere by law.

3195 (5) A technology transfer center shall be financed from the
3196 Academic Improvement Program or from moneys of a Florida
3197 Community College System institution which are on deposit or
3198 received for use in the activities conducted in the center. Such
3199 moneys shall be deposited by the Florida Community College
3200 System institution in a permanent technology transfer fund in a
3201 depository or depositories approved for the deposit of state
3202 funds and shall be accounted for and disbursed subject to audit
3203 by the Auditor General.

3204 (6) The fund balance in any existing research trust fund of
3205 a Florida Community College System institution at the time a
3206 technology transfer center is created shall be transferred to a
3207 permanent technology transfer fund established for the Florida
3208 Community College System institution, and thereafter the fund
3209 balance of the technology transfer fund at the end of any fiscal
3210 period may be used during any succeeding period pursuant to this
3211 section.

3212 (7) Moneys deposited in the permanent technology transfer
3213 fund of a Florida Community College System institution shall be
3214 disbursed in accordance with the terms of the contract, grant,
3215 or donation under which they are received. Moneys received for
3216 overhead or indirect costs and other moneys not required for the
3217 payment of direct costs shall be applied to the cost of

724756

576-02483-17

3218 operating the technology transfer center.

3219 (8) All purchases of a technology transfer center shall be
3220 made in accordance with the policies and procedures of the
3221 Florida Community College System institution.

3222 (9) The Florida Community College System institution board
3223 of trustees may authorize the construction, alteration, or
3224 remodeling of buildings when the funds used are derived entirely
3225 from the technology transfer fund of a Florida Community College
3226 System institution or from that fund in combination with other
3227 nonstate sources, provided that such construction, alteration,
3228 or remodeling is for use exclusively by the center. It also may
3229 authorize the acquisition of real property when the cost is
3230 entirely from said funds. Title to all real property shall vest
3231 in the board of trustees.

3232 (10) The State Board of Community Colleges Education may
3233 award grants to Florida Community College System institutions,
3234 or consortia of public and private colleges and universities and
3235 other public and private entities, for the purpose of supporting
3236 the objectives of this section. Grants awarded pursuant to this
3237 subsection shall be in accordance with rules of the State Board
3238 of Community Colleges Education. Such rules shall include the
3239 following provisions:

3240 (a) The number of centers established with state funds
3241 provided expressly for the purpose of technology transfer shall
3242 be limited, but shall be geographically located to maximize
3243 public access to center resources and services.

3244 (b) Grants to centers funded with state revenues
3245 appropriated specifically for technology transfer activities
3246 shall be reviewed and approved by the State Board of Community

576-02483-17

3247 ~~Colleges Education~~ using proposal solicitation, evaluation, and
3248 selection procedures established by the state board in
3249 consultation with Enterprise Florida, Inc. Such procedures may
3250 include designation of specific areas or applications of
3251 technology as priorities for the receipt of funding.

3252 (c) Priority for the receipt of state funds appropriated
3253 specifically for the purpose of technology transfer shall be
3254 given to grant proposals developed jointly by Florida Community
3255 College System institutions and public and private colleges and
3256 universities.

3257 (11) Each technology transfer center established under the
3258 provisions of this section shall establish a technology transfer
3259 center advisory committee. Each committee shall include
3260 representatives of a university or universities conducting
3261 research in the area of specialty of the center. Other members
3262 shall be determined by the Florida Community College System
3263 institution board of trustees.

3264 Section 46. Subsection (4) of section 1004.80, Florida
3265 Statutes, is amended to read:

3266 1004.80 Economic development centers.—

3267 (4) The State Board of Community Colleges Education may
3268 award grants to economic development centers for the purposes of
3269 this section. Grants awarded pursuant to this subsection shall
3270 be in accordance with rules established by the State Board of
3271 Community Colleges Education.

3272 Section 47. Section 1004.91, Florida Statutes, is amended
3273 to read:

3274 1004.91 Requirements for career education program basic
3275 skills.—

576-02483-17

3276 (1) The State Board of Education, for career centers
3277 operated by district school boards, and the State Board of
3278 Community Colleges, for charter technical career centers
3279 operated by Florida Community College System institutions, shall
3280 collaborate to adopt, by rule, standards of basic skill mastery
3281 for completion of certificate career education programs. Each
3282 school district and Florida Community College System institution
3283 that conducts programs that confer career and technical
3284 certificates shall provide applied academics instruction through
3285 which students receive the basic skills instruction required
3286 pursuant to this section.

3287 (2) Students who enroll in a program offered for career
3288 credit of 450 hours or more shall complete an entry-level
3289 examination within the first 6 weeks after admission into the
3290 program. The State Board of Education and the State Board of
3291 Community Colleges shall collaborate to designate examinations
3292 that are currently in existence, the results of which are
3293 comparable across institutions, to assess student mastery of
3294 basic skills. Any student found to lack the required level of
3295 basic skills for such program shall be referred to applied
3296 academics instruction or another adult general education program
3297 for a structured program of basic skills instruction. Such
3298 instruction may include English for speakers of other languages.
3299 A student may not receive a career or technical certificate of
3300 completion without first demonstrating the basic skills required
3301 in the state curriculum frameworks for the career education
3302 program.

3303 (3) (a) An adult student with a disability may be exempted
3304 from this section.

576-02483-17

3305 (b) The following students are exempt from this section:

- 3306 1. A student who possesses a college degree at the
3307 associate in applied science level or higher.
- 3308 2. A student who demonstrates readiness for public
3309 postsecondary education pursuant to s. 1008.30 and applicable
3310 rules adopted by the State Board of Education and State Board of
3311 Community Colleges.
- 3312 3. A student who passes a state or national industry
3313 certification or licensure examination that is identified in
3314 State Board of Education or State Board of Community Colleges
3315 rules and aligned to the career education program in which the
3316 student is enrolled.
- 3317 4. An adult student who is enrolled in an apprenticeship
3318 program that is registered with the Department of Education in
3319 accordance with chapter 446.

3320 Section 48. Paragraph (b) of subsection (2) of section
3321 1004.92, Florida Statutes, is amended, and subsection (4) is
3322 added to that section, to read:

3323 1004.92 Purpose and responsibilities for career education.-
3324 (2)

3325 (b) Department of Education, for school districts, and the
3326 State Board of Community Colleges, for Florida Community College
3327 System institutions, have the following responsibilities related
3328 to accountability for career education ~~includes, but is not~~
3329 limited to:

- 3330 1. The provision of timely, accurate technical assistance
3331 to school districts and Florida Community College System
3332 institutions.
- 3333 2. The provision of timely, accurate information to the

576-02483-17

3334 State Board of Education, the Legislature, and the public.

3335 3. The development of policies, rules, and procedures that
3336 facilitate institutional attainment of the accountability
3337 standards and coordinate the efforts of all divisions within the
3338 department.

3339 4. The development of program standards and industry-driven
3340 benchmarks for career, adult, and community education programs,
3341 which must be updated every 3 years. The standards must include
3342 career, academic, and workplace skills; viability of distance
3343 learning for instruction; ~~and~~ work/learn cycles that are
3344 responsive to business and industry; and provisions that reflect
3345 the quality components of career and technical education
3346 programs. The Department of Education and the State Board of
3347 Community Colleges shall collaborate to develop a common set of
3348 standards and benchmarks as specified under this subparagraph
3349 for the programs that are offered by both the school districts
3350 and Florida Community College System institutions.

3351 5. Overseeing school district and Florida Community College
3352 System institution compliance with ~~the provisions of~~ this
3353 chapter.

3354 6. Ensuring that the educational outcomes for the technical
3355 component of career programs are uniform and designed to provide
3356 a graduate who is capable of entering the workforce on an
3357 equally competitive basis regardless of the institution of
3358 choice.

3359 (4) The State Board of Education, for career education
3360 provided by school districts, and the State Board of Community
3361 Colleges, for career education provided by Florida Community
3362 College System institutions, shall collaborate to adopt rules to

724756

576-02483-17

3363 administer this section.

3364 Section 49. Subsection (1) of section 1004.925, Florida
3365 Statutes, is amended to read:

3366 1004.925 Automotive service technology education programs;
3367 certification.-

3368 (1) All automotive service technology education programs
3369 shall be industry certified in accordance with rules adopted by
3370 the State Board of Education and the State Board of Community
3371 Colleges.

3372 Section 50. Paragraphs (c) and (d) of subsection (4) and
3373 subsections (6) and (9) of section 1004.93, Florida Statutes,
3374 are amended to read:

3375 1004.93 Adult general education.-

3376 (4)

3377 (c) The State Board of Community Colleges Education shall
3378 define, by rule, the levels and courses of instruction to be
3379 funded through the developmental education program. The State
3380 Board of Community Colleges shall coordinate the establishment
3381 of costs for developmental education courses, the establishment
3382 of statewide standards that define required levels of
3383 competence, acceptable rates of student progress, and the
3384 maximum amount of time to be allowed for completion of
3385 developmental education. Developmental education is part of an
3386 associate in arts degree program and may not be funded as an
3387 adult career education program.

3388 (d) Expenditures for developmental education and lifelong
3389 learning students shall be reported separately. Allocations for
3390 developmental education shall be based on proportional full-time
3391 equivalent enrollment. Program review results shall be included

724756

576-02483-17

3392 in the determination of subsequent allocations. A student shall
3393 be funded to enroll in the same developmental education class
3394 within a skill area only twice, after which time the student
3395 shall pay 100 percent of the full cost of instruction to support
3396 the continuous enrollment of that student in the same class;
3397 however, students who withdraw or fail a class due to
3398 extenuating circumstances may be granted an exception only once
3399 for each class, provided approval is granted according to policy
3400 established by the board of trustees. Each Florida Community
3401 College System institution shall have the authority to review
3402 and reduce payment for increased fees due to continued
3403 enrollment in a developmental education class on an individual
3404 basis contingent upon the student's financial hardship, pursuant
3405 to definitions and fee levels established by the State Board of
3406 Community Colleges Education. Developmental education and
3407 lifelong learning courses do not generate credit toward an
3408 associate or baccalaureate degree.

3409 (6) The commissioner, for school districts, and the
3410 Chancellor of the Florida Community College System, for Florida
3411 Community College System institutions, shall recommend the level
3412 of funding for public school and Florida Community College
3413 System institution adult education within the legislative budget
3414 request and make other recommendations and reports considered
3415 necessary or required by rules of the State Board of Education.

3416 (9) The State Board of Education and the State Board of
3417 Community Colleges may adopt rules necessary for the
3418 implementation of this section.

3419 Section 51. Subsection (3) of section 1006.60, Florida
3420 Statutes, is amended to read:

724756

576-02483-17

3421 1006.60 Codes of conduct; disciplinary measures; authority
3422 to adopt rules or regulations.-

3423 (3) Sanctions authorized by such codes of conduct may be
3424 imposed only for acts or omissions in violation of rules or
3425 regulations adopted by the institution, including rules or
3426 regulations adopted under this section, rules of the State Board
3427 of Community Colleges regarding the Florida Community College
3428 System Education, rules or regulations of the Board of Governors
3429 regarding the State University System, county and municipal
3430 ordinances, and the laws of this state, the United States, or
3431 any other state.

3432 Section 52. Subsection (1) of section 1006.61, Florida
3433 Statutes, is amended to read:

3434 1006.61 Participation by students in disruptive activities
3435 at public postsecondary educational institution; penalties.-

3436 (1) Any person who accepts the privilege extended by the
3437 laws of this state of attendance at any public postsecondary
3438 educational institution shall, by attending such institution, be
3439 deemed to have given his or her consent to the policies of that
3440 institution, the State Board of Community Colleges regarding the
3441 Florida Community College System Education, and the Board of
3442 Governors regarding the State University System, and the laws of
3443 this state. Such policies shall include prohibition against
3444 disruptive activities at public postsecondary educational
3445 institutions.

3446 Section 53. Section 1006.62, Florida Statutes, is amended
3447 to read:

3448 1006.62 Expulsion and discipline of students of Florida
3449 Community College System institutions and state universities.-

724756

576-02483-17

3450 (1) Each student in a Florida Community College System
3451 institution or state university is subject to federal and state
3452 law, respective county and municipal ordinances, and all rules
3453 and regulations of the State Board of Community Colleges
3454 regarding the Florida Community College System Education, the
3455 Board of Governors regarding the State University System, or the
3456 board of trustees of the institution.

3457 (2) Violation of these published laws, ordinances, or rules
3458 and regulations may subject the violator to appropriate action
3459 by the institution's authorities.

3460 (3) Each president of a Florida Community College System
3461 institution or state university may, after notice to the student
3462 of the charges and after a hearing thereon, expel, suspend, or
3463 otherwise discipline any student who is found to have violated
3464 any law, ordinance, or rule or regulation of the State Board of
3465 Community Colleges regarding the Florida Community College
3466 System Education, the Board of Governors regarding the State
3467 University System, or the board of trustees of the institution.
3468 A student may be entitled to waiver of expulsion:

3469 (a) If the student provides substantial assistance in the
3470 identification, arrest, or conviction of any of his or her
3471 accomplices, accessories, coconspirators, or principals or of
3472 any other person engaged in violations of chapter 893 within a
3473 state university or Florida Community College System
3474 institution;

3475 (b) If the student voluntarily discloses his or her
3476 violations of chapter 893 prior to his or her arrest; or

3477 (c) If the student commits himself or herself, or is
3478 referred by the court in lieu of sentence, to a state-licensed

576-02483-17

3479 drug abuse program and successfully completes the program.

3480 Section 54. Paragraphs (c) and (g) of subsection (1),
3481 paragraph (b) of subsection (2), and subsection (3) of section
3482 1006.71, Florida Statutes, are amended to read:

3483 1006.71 Gender equity in intercollegiate athletics.—

3484 (1) GENDER EQUITY PLAN.—

3485 (c) The Chancellor of the Florida Community College System
3486 ~~Commissioner of Education~~ shall annually assess the progress of
3487 each Florida Community College System institution's plan and
3488 advise the State Board of Community Colleges Education and the
3489 Legislature regarding compliance.

3490 (g)1. If a Florida Community College System institution is
3491 not in compliance with Title IX of the Education Amendments of
3492 1972 and the Florida Educational Equity Act, the State Board of
3493 Community Colleges Education shall:

3494 a. Declare the Florida Community College System institution
3495 ineligible for competitive state grants.

3496 b. Withhold funds sufficient to obtain compliance.

3497

3498 The Florida Community College System institution shall remain
3499 ineligible and the funds may shall not be paid until the Florida
3500 Community College System institution comes into compliance or
3501 the Chancellor of the Florida Community College System
3502 ~~Commissioner of Education~~ approves a plan for compliance.

3503 2. If a state university is not in compliance with Title IX
3504 of the Education Amendments of 1972 and the Florida Educational
3505 Equity Act, the Board of Governors shall:

3506 a. Declare the state university ineligible for competitive
3507 state grants.

576-02483-17

3508 b. Withhold funds sufficient to obtain compliance.

3509

3510 The state university shall remain ineligible and the funds may
3511 ~~shall~~ not be paid until the state university comes into
3512 compliance or the Board of Governors approves a plan for
3513 compliance.

3514 (2) FUNDING.—

3515 (b) The level of funding and percentage share of support
3516 for women's intercollegiate athletics for Florida Community
3517 College System institutions shall be determined by the State
3518 Board of Community Colleges Education. The level of funding and
3519 percentage share of support for women's intercollegiate
3520 athletics for state universities shall be determined by the
3521 Board of Governors. The level of funding and percentage share
3522 attained in the 1980-1981 fiscal year shall be the minimum level
3523 and percentage maintained by each institution, except as the
3524 State Board of Community Colleges Education or the Board of
3525 Governors otherwise directs its respective institutions for the
3526 purpose of assuring equity. Consideration shall be given by the
3527 State Board of Community Colleges Education or the Board of
3528 Governors to emerging athletic programs at institutions which
3529 may not have the resources to secure external funds to provide
3530 athletic opportunities for women. It is the intent that the
3531 effect of any redistribution of funds among institutions may
3532 ~~shall~~ not negate the requirements as set forth in this section.

3533 (3) STATE BOARD OF COMMUNITY COLLEGES EDUCATION.—The State
3534 Board of Community Colleges Education shall assure equal
3535 opportunity for female athletes at Florida Community College
3536 System institutions and establish:

724756

576-02483-17

3537 (a) In conjunction with the State Board of Education,
3538 guidelines for reporting of intercollegiate athletics data
3539 concerning financial, program, and facilities information for
3540 review by the State Board of Community Colleges Education
3541 annually.
3542 (b) Systematic audits for the evaluation of such data.
3543 (c) Criteria for determining and assuring equity.
3544 Section 55. Section 1007.01, Florida Statutes, is amended
3545 to read:
3546 1007.01 Articulation; legislative intent; purpose; role of
3547 the State Board of Education, the State Board of Community
3548 Colleges, and the Board of Governors; Articulation Coordinating
3549 Committee.-
3550 (1) It is the intent of the Legislature to facilitate
3551 articulation and seamless integration of the K-20 education
3552 system by building, sustaining, and strengthening relationships
3553 among K-20 public organizations, between public and private
3554 organizations, and between the education system as a whole and
3555 Florida's communities. The purpose of building, sustaining, and
3556 strengthening these relationships is to provide for the
3557 efficient and effective progression and transfer of students
3558 within the education system and to allow students to proceed
3559 toward their educational objectives as rapidly as their
3560 circumstances permit. The Legislature further intends that
3561 articulation policies and budget actions be implemented
3562 consistently in the practices of the Department of Education and
3563 postsecondary educational institutions and expressed in the
3564 collaborative policy efforts of the State Board of Education,
3565 ~~and~~ the Board of Governors, and the State Board of Community

724756

576-02483-17

3566 Colleges.
3567 (2) To preserve Florida's "2+2" system of articulation and
3568 improve and facilitate articulation systemwide, the State Board
3569 of Education, and the Board of Governors, and the State Board of
3570 Community Colleges shall collaboratively establish and adopt
3571 policies with input from statewide K-20 advisory groups
3572 established by the Commissioner of Education, the Chancellor of
3573 the Florida Community College System, and the Chancellor of the
3574 State University System and shall recommend the policies to the
3575 Legislature. The policies shall relate to:
3576 (a) The alignment between the exit requirements of one
3577 education system and the admissions requirements of another
3578 education system into which students typically transfer.
3579 (b) The identification of common courses, the level of
3580 courses, institutional participation in a statewide course
3581 numbering system, and the transferability of credits among such
3582 institutions.
3583 (c) Identification of courses that meet general education
3584 or common degree program prerequisite requirements at public
3585 postsecondary educational institutions.
3586 (d) Dual enrollment course equivalencies.
3587 (e) Articulation agreements.
3588 (3) The Commissioner of Education, in consultation with the
3589 Chancellor of the Florida Community College System and the
3590 Chancellor of the State University System, shall establish the
3591 Articulation Coordinating Committee, which shall make
3592 recommendations related to statewide articulation policies and
3593 issues regarding access, quality, and reporting of data
3594 maintained by the K-20 data warehouse, established pursuant to

724756

576-02483-17

3595 ss. 1001.10 and 1008.31, to the Higher Education Coordination
3596 Council, the State Board of Education, ~~and~~ the Board of
3597 Governors, and the State Board of Community Colleges. The
3598 committee shall consist of two members each representing the
3599 State University System, the Florida Community College System,
3600 public career and technical education, K-12 education, and
3601 nonpublic postsecondary education and one member representing
3602 students. The chair shall be elected from the membership. The
3603 Office of K-20 Articulation shall provide administrative support
3604 for the committee. The committee shall:

3605 (a) Monitor the alignment between the exit requirements of
3606 one education system and the admissions requirements of another
3607 education system into which students typically transfer and make
3608 recommendations for improvement.

3609 (b) Propose guidelines for interinstitutional agreements
3610 between and among public schools, career and technical education
3611 centers, Florida Community College System institutions, state
3612 universities, and nonpublic postsecondary institutions.

3613 (c) Annually recommend dual enrollment course and high
3614 school subject area equivalencies for approval by the State
3615 Board of Education, ~~and~~ the Board of Governors, and the State
3616 Board of Community Colleges.

3617 (d) Annually review the statewide articulation agreement
3618 pursuant to s. 1007.23 and make recommendations for revisions.

3619 (e) Annually review the statewide course numbering system,
3620 the levels of courses, and the application of transfer credit
3621 requirements among public and nonpublic institutions
3622 participating in the statewide course numbering system and
3623 identify instances of student transfer and admissions

724756

576-02483-17

3624 difficulties.

3625 (f) Annually publish a list of courses that meet common
3626 general education and common degree program prerequisite
3627 requirements at public postsecondary institutions identified
3628 pursuant to s. 1007.25.

3629 (g) Foster timely collection and reporting of statewide
3630 education data to improve the K-20 education performance
3631 accountability system pursuant to ss. 1001.10 and 1008.31,
3632 including, but not limited to, data quality, accessibility, and
3633 protection of student records.

3634 (h) Recommend roles and responsibilities of public
3635 education entities in interfacing with the single, statewide
3636 computer-assisted student advising system established pursuant
3637 to s. 1006.735.

3638 (i) Make recommendations regarding the cost and
3639 requirements to develop and implement an online system for
3640 collecting and analyzing data regarding requests for transfer of
3641 credit by postsecondary education students. The online system,
3642 at a minimum, must collect information regarding the total
3643 number of credit transfer requests denied and the reason for
3644 each denial. Recommendations shall be reported to the President
3645 of the Senate and the Speaker of the House of Representatives on
3646 or before January 31, 2015.

3647 Section 56. Subsections (1) and (6) of section 1007.23,
3648 Florida Statutes, are amended, and subsection (7) is added to
3649 that section, to read:

3650 1007.23 Statewide articulation agreement.—

3651 (1) The State Board of Education, ~~and~~ the Board of
3652 Governors, and the State Board of Community Colleges shall enter

724756

576-02483-17

3653 into a statewide articulation agreement which the State Board of
3654 Education and the State Board of Community Colleges shall adopt
3655 by rule. The agreement must preserve Florida's "2+2" system of
3656 articulation, facilitate the seamless articulation of student
3657 credit across and among Florida's educational entities, and
3658 reinforce the provisions of this chapter by governing:

3659 (a) Articulation between secondary and postsecondary
3660 education;

3661 (b) Admission of associate in arts degree graduates from
3662 Florida Community College System institutions and state
3663 universities;

3664 (c) Admission of applied technology diploma program
3665 graduates from Florida Community College System institutions or
3666 career centers;

3667 (d) Admission of associate in science degree and associate
3668 in applied science degree graduates from Florida Community
3669 College System institutions;

3670 (e) The use of acceleration mechanisms, including
3671 nationally standardized examinations through which students may
3672 earn credit;

3673 (f) General education requirements and statewide course
3674 numbers as provided for in ss. 1007.24 and 1007.25; and

3675 (g) Articulation among programs in nursing.

3676 (6) The articulation agreement must guarantee the
3677 articulation of 9 credit hours toward a postsecondary degree in
3678 early childhood education for programs approved by the State
3679 Board of Community Colleges ~~Education~~ and the Board of Governors
3680 which:

3681 (a) Award a child development associate credential issued

724756

576-02483-17

3682 by the National Credentialing Program of the Council for
3683 Professional Recognition or award a credential approved under s.
3684 1002.55(3)(c)1.b. or s. 402.305(3)(c) as being equivalent to the
3685 child development associate credential; and

3686 (b) Include training in emergent literacy which meets or
3687 exceeds the minimum standards for training courses for
3688 prekindergarten instructors of the Voluntary Prekindergarten
3689 Education Program in s. 1002.59.

3690 (7) To strengthen Florida's "2+2" system of articulation
3691 and improve student retention and on-time graduation, by the
3692 2018-2019 academic year, each Florida Community College System
3693 institution shall execute at least one "2+2" targeted pathway
3694 articulation agreement with one or more state universities to
3695 establish "2+2" targeted pathway programs. The agreement must
3696 provide students who graduate with an associate in arts degree
3697 and who meet specified requirements guaranteed access to the
3698 state university and a degree program at that university, in
3699 accordance with the terms of the "2+2" targeted pathway
3700 articulation agreement.

3701 (a) To participate in a "2+2" targeted pathway program, a
3702 student must:

3703 1. Enroll in the program before completing 30 credit hours,
3704 including, but not limited to, college credits earned through
3705 articulated acceleration mechanisms pursuant to s. 1007.27;

3706 2. Complete an associate in arts degree; and

3707 3. Meet the university's transfer requirements.

3708 (b) A state university that executes a "2+2" targeted
3709 pathway articulation agreement must meet the following
3710 requirements in order to implement a "2+2" targeted pathway

576-02483-17

3711 program in collaboration with its partner Florida Community
3712 College System institution:

3713 1. Establish a 4-year on-time graduation plan for a
3714 baccalaureate degree program, including, but not limited to, a
3715 plan for students to complete associate in arts degree programs,
3716 general education courses, common prerequisite courses, and
3717 elective courses;

3718 2. Advise students enrolled in the program about the
3719 university's transfer and degree program requirements; and

3720 3. Provide students who meet the requirements under this
3721 paragraph with access to academic advisors and campus events and
3722 with guaranteed admittance to the state university and a degree
3723 program of the state university, in accordance with the terms of
3724 the agreement.

3725 (c) To assist the state universities and Florida Community
3726 College System institutions with implementing the "2+2" targeted
3727 pathway programs effectively, the State Board of Community
3728 Colleges and the Board of Governors shall collaborate to
3729 eliminate barriers in executing "2+2" targeted pathway
3730 articulation agreements.

3731 Section 57. Subsections (1), (2), and (3) of section
3732 1007.24, Florida Statutes, are amended to read:

3733 1007.24 Statewide course numbering system.—

3734 (1) The Department of Education, in conjunction with the
3735 Board of Governors and the State Board of Community Colleges,
3736 shall develop, coordinate, and maintain a statewide course
3737 numbering system for postsecondary and dual enrollment education
3738 in school districts, public postsecondary educational
3739 institutions, and participating nonpublic postsecondary

576-02483-17

3740 educational institutions that will improve program planning,
3741 increase communication among all delivery systems, and
3742 facilitate student acceleration and the transfer of students and
3743 credits between public school districts, public postsecondary
3744 educational institutions, and participating nonpublic
3745 educational institutions. The continuing maintenance of the
3746 system shall be accomplished with the assistance of appropriate
3747 faculty committees representing public and participating
3748 nonpublic educational institutions.

3749 (2) The Commissioner of Education, in conjunction with the
3750 Chancellor of the Florida Community College System and the
3751 Chancellor of the State University System, shall appoint faculty
3752 committees representing faculties of participating institutions
3753 to recommend a single level for each course, including
3754 postsecondary career education courses, included in the
3755 statewide course numbering system.

3756 (a) Any course designated as an upper-division-level course
3757 must be characterized by a need for advanced academic
3758 preparation and skills that a student would be unlikely to
3759 achieve without significant prior coursework.

3760 (b) A course that is offered as part of an associate in
3761 science degree program and as an upper-division course for a
3762 baccalaureate degree shall be designated for both the lower and
3763 upper division.

3764 (c) A course designated as lower-division may be offered by
3765 any Florida Community College System institution.

3766 (3) The Commissioner of Education shall recommend to the
3767 State Board of Education the levels for the courses. The State
3768 Board of Education, with input from the Board of Governors and

576-02483-17

3769 the State Board of Community Colleges, shall approve the levels
3770 for the courses.

3771 Section 58. Subsections (3), (5), and (8) through (11) of
3772 section 1007.25, Florida Statutes, are amended to read:

3773 1007.25 General education courses; common prerequisites;
3774 other degree requirements.-

3775 (3) The chair of the State Board of Community Colleges
3776 ~~Education~~ and the chair of the Board of Governors, or their
3777 designees, shall jointly appoint faculty committees to identify
3778 statewide general education core course options. General
3779 education core course options shall consist of a maximum of five
3780 courses within each of the subject areas of communication,
3781 mathematics, social sciences, humanities, and natural sciences.
3782 The core courses may be revised, or the five-course maximum
3783 within each subject area may be exceeded, if approved by the
3784 State Board of Community Colleges ~~Education~~ and the Board of
3785 Governors, as recommended by the subject area faculty committee
3786 and approved by the Articulation Coordinating Committee as
3787 necessary for a subject area. Each general education core course
3788 option must contain high-level academic and critical thinking
3789 skills and common competencies that students must demonstrate to
3790 successfully complete the course. Beginning with students
3791 initially entering a Florida Community College System
3792 institution or state university in 2015-2016 and thereafter,
3793 each student must complete at least one identified core course
3794 in each subject area as part of the general education course
3795 requirements. All public postsecondary educational institutions
3796 shall accept these courses as meeting general education core
3797 course requirements. The remaining general education course

576-02483-17

3798 requirements shall be identified by each institution and
3799 reported to the department by their statewide course number. The
3800 general education core course options shall be adopted in rule
3801 by the State Board of Community Colleges ~~Education~~ and in
3802 regulation by the Board of Governors.

3803 (5) The department shall identify common prerequisite
3804 courses and course substitutions for degree programs across all
3805 institutions. Common degree program prerequisites shall be
3806 offered and accepted by all state universities and Florida
3807 Community College System institutions, except in cases approved
3808 by the State Board of Community Colleges, ~~Education~~ for Florida
3809 Community College System institutions, and the Board of
3810 Governors, for state universities. The department shall develop
3811 a centralized database containing the list of courses and course
3812 substitutions that meet the prerequisite requirements for each
3813 baccalaureate degree program.

3814 (8) A baccalaureate degree program shall require no more
3815 than 120 semester hours of college credit and include 36
3816 semester hours of general education coursework, unless prior
3817 approval has been granted by the Board of Governors for
3818 baccalaureate degree programs offered by state universities and
3819 by the State Board of Community Colleges ~~Education~~ for
3820 baccalaureate degree programs offered by Florida Community
3821 College System institutions.

3822 (9) A student who received an associate in arts degree for
3823 successfully completing 60 semester credit hours may continue to
3824 earn ~~additional~~ credits at a Florida Community College System
3825 institution. The university must provide credit toward the
3826 student's baccalaureate degree for a ~~an additional~~ Florida

576-02483-17

3827 Community College System institution course if, according to the
3828 statewide course numbering, the Florida Community College System
3829 institution course is a course listed in the university catalog
3830 as required for the degree or as prerequisite to a course
3831 required for the degree. Of the courses required for the degree,
3832 at least half of the credit hours required for the degree shall
3833 be achievable through courses designated as lower division,
3834 except in degree programs approved by the State Board of
3835 Community Colleges ~~Education~~ for programs offered by Florida
3836 Community College System institutions and by the Board of
3837 Governors for programs offered by state universities.

3838 (10) Students at state universities may request associate
3839 in arts certificates if they have successfully completed the
3840 minimum requirements for the degree of associate in arts (A.A.).
3841 The university must grant the student an associate in arts
3842 degree if the student has successfully completed minimum
3843 requirements for college-level communication and computation
3844 skills adopted by the State Board of Community Colleges
3845 ~~Education~~ and 60 academic semester hours or the equivalent
3846 within a degree program area, including 36 semester hours in
3847 general education courses in the subject areas of communication,
3848 mathematics, social sciences, humanities, and natural sciences,
3849 consistent with the general education requirements specified in
3850 the articulation agreement pursuant to s. 1007.23.

3851 (11) The Commissioner of Education and the Chancellor of
3852 the Florida Community College System shall jointly appoint
3853 faculty committees representing both Florida Community College
3854 System institution and public school faculties to recommend to
3855 the commissioner, or the Chancellor of the Florida Community

576-02483-17

3856 College System, as applicable, for approval by the State Board
3857 of Education and the State Board of Community Colleges, as
3858 applicable, a standard program length and appropriate
3859 occupational completion points for each postsecondary career
3860 certificate program, diploma, and degree offered by a school
3861 district or a Florida Community College System institution.

3862 Section 59. Section 1007.262, Florida Statutes, is amended
3863 to read:

3864 1007.262 Foreign language competence; equivalence
3865 determinations.—The Department of Education shall identify the
3866 competencies demonstrated by students upon the successful
3867 completion of 2 credits of sequential high school foreign
3868 language instruction. For the purpose of determining
3869 postsecondary equivalence, the State Board of Community Colleges
3870 ~~department~~ shall develop rules through which Florida Community
3871 College System institutions correlate such competencies to the
3872 competencies required of students in the colleges' respective
3873 courses. Based on this correlation, each Florida Community
3874 College System institution shall identify the minimum number of
3875 postsecondary credits that students must earn in order to
3876 demonstrate a level of competence in a foreign language at least
3877 equivalent to that of students who have completed 2 credits of
3878 such instruction in high school. The department may also specify
3879 alternative means by which students can demonstrate equivalent
3880 foreign language competence, including means by which a student
3881 whose native language is not English may demonstrate proficiency
3882 in the native language. A student who demonstrates proficiency
3883 in a native language other than English is exempt from a
3884 requirement of completing foreign language courses at the

576-02483-17

3885 secondary or Florida Community College System level.
3886 Section 60. Section 1007.263, Florida Statutes, is amended
3887 to read:
3888 1007.263 Florida Community College System institutions;
3889 admissions of students.—Each Florida Community College System
3890 institution board of trustees is authorized to adopt rules
3891 governing admissions of students subject to this section and
3892 rules of the State Board of Community Colleges Education. These
3893 rules shall include the following:
3894 (1) Admissions counseling shall be provided to all students
3895 entering college or career credit programs. For students who are
3896 not otherwise exempt from testing under s. 1008.30, counseling
3897 must use tests to measure achievement of college-level
3898 communication and computation competencies by students entering
3899 college credit programs or tests to measure achievement of basic
3900 skills for career education programs as prescribed in s.
3901 1004.91. Counseling includes providing developmental education
3902 options for students whose assessment results, determined under
3903 s. 1008.30, indicate that they need to improve communication or
3904 computation skills that are essential to perform college-level
3905 work.
3906 (2) Admission to associate degree programs is subject to
3907 minimum standards adopted by the State Board of Community
3908 Colleges Education and shall require:
3909 (a) A standard high school diploma, a high school
3910 equivalency diploma as prescribed in s. 1003.435, previously
3911 demonstrated competency in college credit postsecondary
3912 coursework, or, in the case of a student who is home educated, a
3913 signed affidavit submitted by the student's parent or legal

576-02483-17

3914 guardian attesting that the student has completed a home
3915 education program pursuant to the requirements of s. 1002.41.
3916 Students who are enrolled in a dual enrollment or early
3917 admission program pursuant to s. 1007.271 are exempt from this
3918 requirement.
3919 (b) A demonstrated level of achievement of college-level
3920 communication and computation skills.
3921 (c) Any other requirements established by the board of
3922 trustees.
3923 (3) Admission to other programs within the Florida
3924 Community College System institution shall include education
3925 requirements as established by the board of trustees.
3926 (4) A student who has been awarded a certificate of
3927 completion under s. 1003.4282 is eligible to enroll in
3928 certificate career education programs.
3929 (5) A student with a documented disability may be eligible
3930 for reasonable substitutions, as prescribed in ss. 1007.264 and
3931 1007.265.
3932
3933 Each board of trustees shall establish policies that notify
3934 students about developmental education options for improving
3935 their communication or computation skills that are essential to
3936 performing college-level work, including tutoring, extended time
3937 in gateway courses, free online courses, adult basic education,
3938 adult secondary education, or private provider instruction.
3939 Section 61. Subsection (2) of section 1007.264, Florida
3940 Statutes, is amended to read:
3941 1007.264 Persons with disabilities; admission to
3942 postsecondary educational institutions; substitute requirements;

724756

576-02483-17

3943 rules and regulations.-

3944 (2) The State Board of Community Colleges Education, in
3945 consultation with the Board of Governors, shall adopt rules to
3946 implement this section for Florida Community College System
3947 institutions and shall develop substitute admission requirements
3948 where appropriate.

3949 Section 62. Subsections (2) and (3) of section 1007.265,
3950 Florida Statutes, are amended to read:

3951 1007.265 Persons with disabilities; graduation, study
3952 program admission, and upper-division entry; substitute
3953 requirements; rules and regulations.-

3954 (2) The State Board of Community Colleges Education, in
3955 consultation with the Board of Governors, shall adopt rules to
3956 implement this section for Florida Community College System
3957 institutions and shall develop substitute requirements where
3958 appropriate.

3959 (3) The Board of Governors, in consultation with the State
3960 Board of Community Colleges Education, shall adopt regulations
3961 to implement this section for state universities and shall
3962 develop substitute requirements where appropriate.

3963 Section 63. Subsections (6), (7), and (8) of section
3964 1007.27, Florida Statutes, are amended to read:

3965 1007.27 Articulated acceleration mechanisms.-

3966 (6) Credit by examination shall be the program through
3967 which secondary and postsecondary students generate
3968 postsecondary credit based on the receipt of a specified minimum
3969 score on nationally standardized general or subject-area
3970 examinations. For the purpose of statewide application, such
3971 examinations and the corresponding minimum scores required for

724756

576-02483-17

3972 an award of credit shall be delineated by the State Board of
3973 Education, ~~and the Board of Governors, and the State Board of~~
3974 Community Colleges in the statewide articulation agreement
3975 required by s. 1007.23(1). The maximum credit generated by a
3976 student pursuant to this subsection shall be mitigated by any
3977 related postsecondary credit earned by the student prior to the
3978 administration of the examination. This subsection shall not
3979 preclude Florida Community College System institutions and
3980 universities from awarding credit by examination based on
3981 student performance on examinations developed within and
3982 recognized by the individual postsecondary institutions.

3983 (7) The International Baccalaureate Program shall be the
3984 curriculum in which eligible secondary students are enrolled in
3985 a program of studies offered through the International
3986 Baccalaureate Program administered by the International
3987 Baccalaureate Office. The State Board of Community Colleges
3988 ~~Education~~ and the Board of Governors shall specify in the
3989 statewide articulation agreement required by s. 1007.23(1) the
3990 cutoff scores and International Baccalaureate Examinations which
3991 will be used to grant postsecondary credit at Florida Community
3992 College System institutions and universities. Any changes to the
3993 articulation agreement, ~~which have the effect of raising the~~
3994 required cutoff score or of changing the International
3995 Baccalaureate Examinations which will be used to grant
3996 postsecondary credit, ~~shall only apply to students taking~~
3997 International Baccalaureate Examinations after such changes are
3998 adopted by the State Board of Community Colleges Education and
3999 the Board of Governors. Students shall be awarded a maximum of
4000 30 semester credit hours pursuant to this subsection. The

724756

576-02483-17

4001 specific course for which a student may receive such credit
4002 shall be specified in the statewide articulation agreement
4003 required by s. 1007.23(1). Students enrolled pursuant to this
4004 subsection shall be exempt from the payment of any fees for
4005 administration of the examinations regardless of whether or not
4006 the student achieves a passing score on the examination.

4007 (8) The Advanced International Certificate of Education
4008 Program and the International General Certificate of Secondary
4009 Education (pre-AICE) Program shall be the curricula in which
4010 eligible secondary students are enrolled in programs of study
4011 offered through the Advanced International Certificate of
4012 Education Program or the International General Certificate of
4013 Secondary Education (pre-AICE) Program administered by the
4014 University of Cambridge Local Examinations Syndicate. The State
4015 Board of Community Colleges Education and the Board of Governors
4016 shall specify in the statewide articulation agreement required
4017 by s. 1007.23(1) the cutoff scores and Advanced International
4018 Certificate of Education examinations which will be used to
4019 grant postsecondary credit at Florida Community College System
4020 institutions and universities. Any changes to the cutoff scores,
4021 which changes have the effect of raising the required cutoff
4022 score or of changing the Advanced International Certification of
4023 Education examinations which will be used to grant postsecondary
4024 credit, shall apply to students taking Advanced International
4025 Certificate of Education examinations after such changes are
4026 adopted by the State Board of Community Colleges Education and
4027 the Board of Governors. Students shall be awarded a maximum of
4028 30 semester credit hours pursuant to this subsection. The
4029 specific course for which a student may receive such credit

724756

576-02483-17

4030 shall be determined by the Florida Community College System
4031 institution or university that accepts the student for
4032 admission. Students enrolled in either program of study pursuant
4033 to this subsection shall be exempt from the payment of any fees
4034 for administration of the examinations regardless of whether the
4035 student achieves a passing score on the examination.

4036 Section 64. Subsections (3) and (22) of section 1007.271,
4037 Florida Statutes, are amended to read:

4038 1007.271 Dual enrollment programs.—

4039 (3) Student eligibility requirements for initial enrollment
4040 in college credit dual enrollment courses must include a 3.0
4041 unweighted high school grade point average and the minimum score
4042 on a common placement test adopted by the State Board of
4043 Education which indicates that the student is ready for college-
4044 level coursework. Student eligibility requirements for continued
4045 enrollment in college credit dual enrollment courses must
4046 include the maintenance of a 3.0 unweighted high school grade
4047 point average and the minimum postsecondary grade point average
4048 established by the postsecondary institution. Regardless of
4049 meeting student eligibility requirements for continued
4050 enrollment, a student may lose the opportunity to participate in
4051 a dual enrollment course if the student is disruptive to the
4052 learning process such that the progress of other students or the
4053 efficient administration of the course is hindered. Student
4054 eligibility requirements for initial and continued enrollment in
4055 career certificate dual enrollment courses must include a 2.0
4056 unweighted high school grade point average. Exceptions to the
4057 required grade point averages may be granted on an individual
4058 student basis if the educational entities agree and the terms of

576-02483-17

4059 the agreement are contained within the dual enrollment
4060 articulation agreement established pursuant to subsection (21).
4061 Florida Community College System institution boards of trustees
4062 may establish additional initial student eligibility
4063 requirements, which shall be included in the dual enrollment
4064 articulation agreement, to ensure student readiness for
4065 postsecondary instruction. Additional requirements included in
4066 the agreement may not arbitrarily prohibit students who have
4067 demonstrated the ability to master advanced courses from
4068 participating in dual enrollment courses.

4069 (22) The Department of Education shall develop an
4070 electronic submission system for dual enrollment articulation
4071 agreements and shall review, for compliance, each dual
4072 enrollment articulation agreement submitted pursuant to
4073 subsections (13), (21), and (24). The Commissioner of Education
4074 shall notify the district school superintendent and the Florida
4075 Community College System institution president if the dual
4076 enrollment articulation agreement does not comply with statutory
4077 requirements and shall submit any dual enrollment articulation
4078 agreement with unresolved issues of noncompliance to the State
4079 Board of Education. The State Board of Education shall
4080 collaborate with the State Board of Community Colleges to
4081 resolve unresolved issues of noncompliance.

4082 Section 65. Subsection (6) of section 1007.273, Florida
4083 Statutes, is amended to read:

4084 1007.273 Collegiate high school program.—

4085 (6) The collegiate high school program shall be funded
4086 pursuant to ss. 1007.271 and 1011.62. The State Board of
4087 Education shall enforce compliance with this section by

576-02483-17

4088 withholding the transfer of funds for the school districts ~~and~~
4089 ~~the Florida College System institutions~~ in accordance with s.
4090 1008.32. Annually by December 31, the State Board of Community
4091 Colleges shall enforce compliance with this section by
4092 withholding the transfer of funds for the Florida Community
4093 College System institutions in accordance with s. 1001.602.

4094 Section 66. Section 1007.33, Florida Statutes, is amended
4095 to read:

4096 1007.33 Site-determined baccalaureate degree access.—

4097 (1) (a) The Legislature recognizes that public and private
4098 postsecondary educational institutions play an essential role in
4099 improving the quality of life and economic well-being of the
4100 state and its residents. The Legislature also recognizes that
4101 economic development needs and the educational needs of place-
4102 bound, nontraditional students have increased the demand for
4103 local access to baccalaureate degree programs. It is therefore
4104 the intent of the Legislature to further expand access to
4105 baccalaureate degree programs through the use of Florida
4106 Community College System institutions.

4107 (b) For purposes of this section, the term "district"
4108 refers to the county or counties served by a Florida Community
4109 College System institution pursuant to s. 1000.21(3).

4110 (2) Any Florida Community College System institution that
4111 offers one or more baccalaureate degree programs must:

4112 (a) Maintain as its primary mission:

4113 1. Responsibility for responding to community needs for
4114 postsecondary academic education and career degree education as
4115 prescribed in s. 1004.65(5).

4116 2. The provision of associate degrees that provide access

724756

576-02483-17

4117 to a university.

4118 (b) Maintain an open-door admission policy for associate-
4119 level degree programs and workforce education programs.

4120 (c) Continue to provide outreach to underserved
4121 populations.

4122 (d) Continue to provide remedial education pursuant to s.
4123 1008.30.

4124 (e) Comply with all provisions of the statewide
4125 articulation agreement which relate to 2-year and 4-year public
4126 degree-granting institutions as adopted by the State Board of
4127 Education or the State Board of Community Colleges, as
4128 applicable, pursuant to s. 1007.23.

4129 (f) Not award graduate credit.

4130 (g) Not participate in intercollegiate athletics beyond the
4131 2-year level.

4132 (3) A Florida Community College System institution may not
4133 terminate its associate in arts or associate in science degree
4134 programs as a result of being authorized to offer one or more
4135 baccalaureate degree programs. The Legislature intends that the
4136 primary responsibility of a Florida Community College System
4137 institution, including a Florida Community College System
4138 institution that offers baccalaureate degree programs, continues
4139 to be the provision of associate degrees that provide access to
4140 a university.

4141 (4) A Florida Community College System institution may:

4142 (a) Offer specified baccalaureate degree programs through
4143 formal agreements between the Florida Community College System
4144 institution and other regionally accredited postsecondary
4145 educational institutions pursuant to s. 1007.22.

724756

576-02483-17

4146 (b) Offer baccalaureate degree programs that are ~~were~~
4147 authorized by law ~~prior to July 1, 2009.~~

4148 ~~(c) Beginning July 1, 2009, establish a first or subsequent~~
4149 ~~baccalaureate degree program~~ for purposes of meeting district,
4150 regional, or statewide workforce needs if approved by the State
4151 Board of Community Colleges ~~Education~~ under this section.
4152 However, a Florida Community College System institution may not
4153 offer a bachelor of arts degree program.

4154
4155 ~~Beginning July 1, 2009, the Board of Trustees of St. Petersburg~~
4156 ~~College is authorized to establish one or more bachelor of~~
4157 ~~applied science degree programs based on an analysis of~~
4158 ~~workforce needs in Pinellas, Pasco, and Hernando Counties and~~
4159 ~~other counties approved by the Department of Education. For each~~
4160 ~~program selected, St. Petersburg College must offer a related~~
4161 ~~associate in science or associate in applied science degree~~
4162 ~~program, and the baccalaureate degree level program must be~~
4163 ~~designed to articulate fully with at least one associate in~~
4164 ~~science degree program. The college is encouraged to develop~~
4165 ~~articulation agreements for enrollment of graduates of related~~
4166 ~~associate in applied science degree programs. The Board of~~
4167 ~~Trustees of St. Petersburg College is authorized to establish~~
4168 ~~additional baccalaureate degree programs if it determines a~~
4169 ~~program is warranted and feasible based on each of the factors~~
4170 ~~in paragraph (5) (d). However, the Board of Trustees of St.~~
4171 ~~Petersburg College may not establish any new baccalaureate~~
4172 ~~degree programs from March 31, 2014, through May 31, 2015. Prior~~
4173 ~~to developing or proposing a new baccalaureate degree program,~~
4174 ~~St. Petersburg College shall engage in need, demand, and impact~~

724756

576-02483-17

4175 ~~discussions with the state university in its service district~~
4176 ~~and other local and regional, accredited postsecondary providers~~
4177 ~~in its region. Documentation, data, and other information from~~
4178 ~~inter-institutional discussions regarding program need, demand,~~
4179 ~~and impact shall be provided to the college's board of trustees~~
4180 ~~to inform the program approval process. Employment at St.~~
4181 ~~Petersburg College is governed by the same laws that govern~~
4182 ~~Florida College System institutions, except that upper-division~~
4183 ~~faculty are eligible for continuing contracts upon the~~
4184 ~~completion of the fifth year of teaching. Employee records for~~
4185 ~~all personnel shall be maintained as required by s. 1012.81.~~

4186 (5) The approval process for baccalaureate degree programs
4187 ~~requires shall require:~~

4188 (a) Each Florida Community College System institution to
4189 submit a notice of interest at least 180 days before submitting
4190 a notice of its intent to propose a baccalaureate degree program
4191 to the Division of Florida Colleges at least 100 days before the
4192 submission of its proposal under paragraph (d). The notice of
4193 interest must be submitted into a shared postsecondary database
4194 that allows other postsecondary institutions to preview and
4195 provide feedback on the notice of interest. A written notice of
4196 intent must be submitted to the Chancellor of the Florida
4197 Community College System at least 100 days before the submission
4198 of a baccalaureate degree program proposal under paragraph (c).
4199 The notice of intent must include a brief description of the
4200 program, the workforce demand and unmet need for graduates of
4201 the program to include evidence from entities independent of the
4202 institution, the geographic region to be served, and an
4203 estimated timeframe for implementation. Notices of interest and

724756

576-02483-17

4204 intent may be submitted by a Florida Community College System
4205 institution at any time throughout the year. The notice of of
4206 intent must also include evidence that the Florida Community
4207 College System institution engaged in need, demand, and impact
4208 discussions with the state university and other regionally
4209 accredited postsecondary education providers in its service
4210 district.

4211 (b) The Chancellor of the Florida Community College System
4212 Division of Florida Colleges to forward the notice of intent
4213 submitted pursuant to paragraph (a) and the justification for
4214 the proposed baccalaureate degree program required under
4215 paragraph (c) within 10 business days after receiving such
4216 notice and justification to the Chancellor of the State
4217 University System, the president of the Independent Colleges and
4218 Universities of Florida, and the Executive Director of the
4219 Commission for Independent Education. State universities ~~shall~~
4220 have 60 days following receipt of the notice of intent and
4221 justification by the Chancellor of the State University System
4222 to submit an objection and a reason for the objection to the
4223 proposed baccalaureate degree program, which may include
4224 objections to the proposed new program or submit an alternative
4225 proposal to offer the baccalaureate degree program. The
4226 Chancellor of the State University System shall review the
4227 objection raised by a state university and inform the Board of
4228 Governors of the objection before a state university submits its
4229 objection to the Chancellor of the Florida Community College
4230 System. The Chancellor of the Florida Community College System
4231 must consult with the Chancellor of the State University System
4232 to consider the objection raised by the state university before

576-02483-17

4233 ~~the State Board of Community Colleges approves or denies a~~
4234 ~~Florida Community College System institution's proposal~~
4235 ~~submitted pursuant to paragraph (c). If a proposal from a state~~
4236 ~~university is not received within the 60-day period, The~~
4237 ~~Chancellor of the Florida Community College System State Board~~
4238 ~~of Education shall also provide regionally accredited private~~
4239 ~~colleges and universities 60 30 days to submit an objection and~~
4240 ~~a reason for the objection to the proposed baccalaureate degree~~
4241 ~~program, which may include an alternative proposal to offer a~~
4242 ~~baccalaureate degree program objections to the proposed new~~
4243 ~~program or submit an alternative proposal. Objections by a~~
4244 ~~regionally accredited private college or university or~~
4245 ~~alternative proposals shall be submitted to the Chancellor of~~
4246 ~~the Florida Community College System, and the state board must~~
4247 ~~consider such objections before Division of Florida Colleges and~~
4248 ~~must be considered by the State Board of Education in making its~~
4249 ~~decision to approve or deny a Florida Community College System~~
4250 ~~institution's proposal submitted pursuant to paragraph (c).~~

4251 ~~(e) An alternative proposal submitted by a state university~~
4252 ~~or private college or university to adequately address:~~

- 4253 ~~1. The extent to which the workforce demand and unmet need~~
4254 ~~described in the notice of intent will be met.~~
4255 ~~2. The extent to which students will be able to complete~~
4256 ~~the degree in the geographic region proposed to be served by the~~
4257 ~~Florida College System institution.~~
4258 ~~3. The level of financial commitment of the college or~~
4259 ~~university to the development, implementation, and maintenance~~
4260 ~~of the specified degree program, including timelines.~~
4261 ~~4. The extent to which faculty at both the Florida College~~

576-02483-17

4262 ~~System institution and the college or university will~~
4263 ~~collaborate in the development and offering of the curriculum.~~

4264 ~~5. The ability of the Florida College System institution~~
4265 ~~and the college or university to develop and approve the~~
4266 ~~curriculum for the specified degree program within 6 months~~
4267 ~~after an agreement between the Florida College System~~
4268 ~~institution and the college or university is signed.~~

4269 ~~6. The extent to which the student may incur additional~~
4270 ~~costs above what the student would expect to incur if the~~
4271 ~~program were offered by the Florida College System institution.~~

4272 ~~(c)(d) Each Florida Community College System institution to~~
4273 ~~submit a baccalaureate degree program proposal at least 100 days~~
4274 ~~after submitting the notice of intent. Each proposal must~~
4275 ~~submitted by a Florida College System institution to, at a~~
4276 ~~minimum, include:~~

4277 ~~1. A description of the planning process and timeline for~~
4278 ~~implementation.~~

4279 ~~2. A justification for the proposed baccalaureate degree~~
4280 ~~program, including, at a minimum, a data-driven An analysis of~~
4281 ~~workforce demand and unmet need for graduates of the program on~~
4282 ~~a district, regional, or statewide basis, as appropriate, and~~
4283 ~~the extent to which the proposed program will meet the workforce~~
4284 ~~demand and unmet need. The analysis must include workforce and~~
4285 ~~employment data for the most recent years and projections by the~~
4286 ~~Department of Economic Opportunity for future years, and a~~
4287 ~~summary of degree programs similar to the proposed degree~~
4288 ~~program which are currently offered by state universities or by~~
4289 ~~independent nonprofit colleges or universities that are eligible~~
4290 ~~to participate in a grant program pursuant to s. 1009.89 and~~

724756

576-02483-17

4291 which are located in the Florida Community College System
4292 institution's regional service area. The analysis and evidence
4293 must be verified by the Chancellor of the Florida Community
4294 College System including evidence from entities independent of
4295 the institution.

4296 3. Identification of the facilities, equipment, and library
4297 and academic resources that will be used to deliver the program.

4298 4. The program cost analysis of creating a new
4299 baccalaureate degree when compared to ~~alternative proposals and~~
4300 other program delivery options.

4301 5. The program's admission requirements, academic content,
4302 curriculum, faculty credentials, student-to-teacher ratios, and
4303 accreditation plan.

4304 6. The program's student enrollment projections and funding
4305 requirements, including:

4306 a. The impact of the program's enrollment projections on
4307 compliance with the upper-level enrollment provisions under
4308 subsection (6); and

4309 b. The institution's efforts to sustain the program at the
4310 cost of tuition and fees for students who are classified as
4311 residents for tuition purposes under s. 1009.21, not to exceed
4312 \$10,000 for the entire degree program, including flexible
4313 tuition and fee rates, and the use of waivers pursuant to s.
4314 1009.26(11).

4315 7. A plan of action if the program is terminated.

4316 ~~(d)(e)~~ The State Board of Community Division of Florida
4317 Colleges to review the proposal, notify the Florida Community
4318 College System institution of any deficiencies in writing within
4319 30 days following receipt of the proposal, and provide the

724756

576-02483-17

4320 Florida Community College System institution with an opportunity
4321 to correct the deficiencies. Within 45 days following receipt of
4322 a completed proposal by the State Board of Community Division of
4323 Florida Colleges, the Chancellor of the Florida Community
4324 College System Commissioner of Education shall recommend
4325 approval or disapproval of the proposal to the State Board of
4326 Community Colleges Education. The State Board of Community
4327 Colleges Education shall consider such recommendation, the
4328 proposal, input from the Chancellor of the State University
4329 System and the president of the Independent Colleges and
4330 Universities of Florida, and any objections or alternative
4331 proposals at its next meeting. If the State Board of Community
4332 Colleges Education disapproves the Florida Community College
4333 System institution's proposal, it shall provide the Florida
4334 Community College System institution with written reasons for
4335 that determination.

4336 ~~(e)(f)~~ The Florida Community College System institution to
4337 obtain from the Commission on Colleges of the Southern
4338 Association of Colleges and Schools accreditation as a
4339 baccalaureate-degree-granting institution if approved by the
4340 State Board of Community Colleges Education to offer its first
4341 baccalaureate degree program.

4342 ~~(f)(g)~~ The Florida Community College System institution to
4343 notify the Commission on Colleges of the Southern Association of
4344 Colleges and Schools of subsequent degree programs that are
4345 approved by the State Board of Community Colleges Education and
4346 to comply with the association's required substantive change
4347 protocols for accreditation purposes.

4348 ~~(g)(h)~~ The Florida Community College System institution to

576-02483-17

4349 annually report to the State Board of Community Colleges, the
4350 Chancellor of the State University System, and upon request of
4351 the State Board of Education, the Commissioner of Education, the
4352 Chancellor of the Florida College System, or the Legislature,
4353 ~~report~~ its status using the following performance and compliance
4354 indicators:

- 4355 1. Obtaining and maintaining appropriate Southern
4356 Association of Colleges and Schools accreditation;
- 4357 2. Maintaining qualified faculty and institutional
4358 resources;
- 4359 3. Maintaining student enrollment in previously approved
4360 programs;
- 4361 4. Managing fiscal resources appropriately;
- 4362 5. Complying with the primary mission and responsibility
4363 requirements in subsections (2) and (3); ~~and~~
- 4364 6. Other indicators of success, including program
4365 completions, employment and earnings outcomes, student
4366 acceptance into and performance in graduate programs placements,
4367 and surveys of graduates and employers; and-
- 4368 7. Continuing to meet workforce demand, as provided in
4369 subparagraph (c)2., as demonstrated through a data-driven needs
4370 assessment by the Florida Community College System institution
4371 which is verified by more than one third-party professional
4372 entity that is independent of the institution.
- 4373 8. Complying with the upper-level enrollment provisions
4374 under subsection (6).

4375
4376 The State Board of Community Colleges Education, upon annual
4377 review of the baccalaureate degree program performance and

576-02483-17

4378 compliance indicators and needs assessment, may require a
4379 Florida Community College System institution's board of trustees
4380 to modify or terminate a baccalaureate degree program authorized
4381 under this section. If the annual review indicates negative
4382 program performance and compliance results, and if the needs
4383 assessment fails to demonstrate a need for the program, the
4384 State Board of Community Colleges must require a Florida
4385 Community College System institution's board of trustees to
4386 terminate that baccalaureate degree program.

4387 (6) (a) If the 2015-2016 total upper-level, undergraduate
4388 full-time equivalent enrollment at a Florida Community College
4389 System institution is at or above 10 percent of the 2015-2016
4390 combined total lower-level and upper-level full-time equivalent
4391 enrollment at that institution, the total upper-level
4392 enrollment, as a percentage of the combined enrollment, may not
4393 increase by more than 4 percentage points unless the institution
4394 obtains prior legislative approval.

4395 (b) If the 2015-2016 total upper-level, undergraduate full-
4396 time equivalent enrollment at a Florida Community College System
4397 institution is below 10 percent of the 2015-2016 combined total
4398 lower-level and upper-level full-time equivalent enrollment at
4399 that institution, the total upper-level enrollment, as a
4400 percentage of the combined enrollment, may not increase by more
4401 than 8 percentage points unless the institution obtains prior
4402 legislative approval.

4403 (c) Notwithstanding enrollment provisions in paragraphs (a)
4404 and (b), the upper-level, undergraduate full-time equivalent
4405 enrollment at a Florida Community College System institution may
4406 not exceed 15 percent of the combined total lower-level and

724756

576-02483-17

4407 upper-level full-time equivalent enrollment at that institution.

4408 (d) Within the 4 percent or 8 percent growth authorized
4409 under paragraph (a) or paragraph (b), for any planned and
4410 purposeful expansion of existing baccalaureate degree programs
4411 or creation of a new baccalaureate program, a community college
4412 must demonstrate satisfactory performance in fulfilling its
4413 primary mission pursuant to s. 1004.65, executing at least one
4414 "2+2" targeted pathway articulation agreement pursuant to s.
4415 1007.23, and meeting or exceeding the performance standards
4416 related to on-time completion and graduation rates under s.
4417 1001.66 for students earning associate of arts or baccalaureate
4418 degrees. The State Board of Community Colleges may not approve a
4419 new baccalaureate degree program proposal for a community
4420 college that does not meet the conditions specified in this
4421 subsection in addition to the other requirements for approval
4422 under this section. Each community college that offers a
4423 baccalaureate degree must annually review each baccalaureate
4424 degree program and annually report to the State Board of
4425 Community Colleges, in a format prescribed by the state board,
4426 current and projected student enrollment for such program,
4427 justification for continuation of each baccalaureate degree
4428 program, and a plan to comply with the upper-level enrollment
4429 provisions of this subsection. A Florida Community College
4430 System institution that does not comply with the requirements of
4431 this section is subject to s. 1001.602(9) and may not report for
4432 funding, the upper-level, undergraduate full-time equivalent
4433 enrollment that exceeds the upper-level enrollment percent
4434 provision of this subsection.

4435 (7)(6) The State Board of Community Colleges Education

724756

576-02483-17

4436 shall adopt rules to prescribe format and content requirements
4437 and submission procedures for notices of interest and intent,
4438 baccalaureate degree program proposals, objections, proposals,
4439 alternative proposals, and compliance reviews under subsection
4440 (5).

4441 Section 67. Subsections (1), (3), (4), and (5) of section
4442 1008.30, Florida Statutes, are amended to read:

4443 1008.30 Common placement testing for public postsecondary
4444 education.—

4445 (1) The State Board of Community Colleges Education, in
4446 conjunction with the Board of Governors and the State Board of
4447 Education, shall develop and implement a common placement test
4448 for the purpose of assessing the basic computation and
4449 communication skills of students who intend to enter a degree
4450 program at any public postsecondary educational institution.
4451 Alternative assessments that may be accepted in lieu of the
4452 common placement test shall also be identified in rule. Public
4453 postsecondary educational institutions shall provide appropriate
4454 modifications of the test instruments or test procedures for
4455 students with disabilities.

4456 (3) ~~By October 31, 2013,~~ The State Board of Community
4457 Colleges, in conjunction with the Board of Governors and the
4458 State Board of Education, Education shall establish by rule the
4459 test scores a student must achieve to demonstrate readiness to
4460 perform college-level work, and the rules must specify the
4461 following:

4462 (a) A student who entered 9th grade in a Florida public
4463 school in the 2003-2004 school year, or any year thereafter, and
4464 earned a Florida standard high school diploma or a student who

576-02483-17

4465 is serving as an active duty member of any branch of the United
4466 States Armed Services shall not be required to take the common
4467 placement test and shall not be required to enroll in
4468 developmental education instruction in a Florida Community
4469 College System institution. However, a student who is not
4470 required to take the common placement test and is not required
4471 to enroll in developmental education under this paragraph may
4472 opt to be assessed and to enroll in developmental education
4473 instruction, and the college shall provide such assessment and
4474 instruction upon the student's request.

4475 (b) A student who takes the common placement test and whose
4476 score on the test indicates a need for developmental education
4477 must be advised of all the developmental education options
4478 offered at the institution and, after advisement, shall be
4479 allowed to enroll in the developmental education option of his
4480 or her choice.

4481 (c) A student who demonstrates readiness by achieving or
4482 exceeding the test scores established by the state board and
4483 enrolls in a Florida Community College System institution within
4484 2 years after achieving such scores shall not be required to
4485 retest or complete developmental education when admitted to any
4486 Florida Community College System institution.

4487 (4) ~~By December 31, 2013,~~ The State Board of Community
4488 Colleges Education, in consultation with the Board of Governors,
4489 shall approve a series of meta-majors and the academic pathways
4490 that identify the gateway courses associated with each meta-
4491 major. Florida Community College System institutions shall use
4492 placement test results to determine the extent to which each
4493 student demonstrates sufficient communication and computation

576-02483-17

4494 skills to indicate readiness for his or her chosen meta-major.
4495 Florida Community College System institutions shall counsel
4496 students into college credit courses as quickly as possible,
4497 with developmental education limited to that content needed for
4498 success in the meta-major.

4499 (5) (a) Each Florida Community College System institution
4500 board of trustees shall develop a plan to implement the
4501 developmental education strategies defined in s. 1008.02 and
4502 rules established by the State Board of Community Colleges
4503 Education. The plan must be submitted to the Chancellor of the
4504 Florida Community College System for approval no later than
4505 March 1, 2014, for implementation no later than the fall
4506 semester 2014. Each plan must include, at a minimum, local
4507 policies that outline:

4508 1. Documented student achievements such as grade point
4509 averages, work history, military experience, participation in
4510 juried competitions, career interests, degree major declaration,
4511 or any combination of such achievements that the institution may
4512 consider, in addition to common placement test scores, for
4513 advising students regarding enrollment options.

4514 2. Developmental education strategies available to
4515 students.

4516 3. A description of student costs and financial aid
4517 opportunities associated with each option.

4518 4. Provisions for the collection of student success data.

4519 5. A comprehensive plan for advising students into
4520 appropriate developmental education strategies based on student
4521 success data.

4522 (b) Beginning October 31, 2015, each Florida Community

576-02483-17

4523 College System institution shall annually prepare an
4524 accountability report that includes student success data
4525 relating to each developmental education strategy implemented by
4526 the institution. The report shall be submitted to the State
4527 Board of Community Division of Florida Colleges by October 31 in
4528 a format determined by the Chancellor of the Florida Community
4529 College System. By December 31, the chancellor shall compile and
4530 submit the institutional reports to the Governor, the President
4531 of the Senate, the Speaker of the House of Representatives, and
4532 the State Board of Community Colleges and the State Board of
4533 Education.

4534 (c) A university board of trustees may contract with a
4535 Florida Community College System institution board of trustees
4536 for the Florida Community College System institution to provide
4537 developmental education on the state university campus. Any
4538 state university in which the percentage of incoming students
4539 requiring developmental education equals or exceeds the average
4540 percentage of such students for the Florida Community College
4541 System may offer developmental education without contracting
4542 with a Florida Community College System institution; however,
4543 any state university offering college-preparatory instruction as
4544 of January 1, 1996, may continue to provide such services.

4545 Section 68. Paragraphs (d) and (e) of subsection (1) and
4546 paragraphs (a) and (c) of subsection (3) of section 1008.31,
4547 Florida Statutes, are amended to read:

4548 1008.31 Florida's K-20 education performance accountability
4549 system; legislative intent; mission, goals, and systemwide
4550 measures; data quality improvements.-

4551 (1) LEGISLATIVE INTENT.-It is the intent of the Legislature

576-02483-17

4552 that:

4553 (d) The State Board of Education, ~~and~~ the Board of
4554 Governors of the State University System, and the State Board of
4555 Community Colleges of the Florida Community College System
4556 recommend to the Legislature systemwide performance standards;
4557 the Legislature establish systemwide performance measures and
4558 standards; and the systemwide measures and standards provide
4559 Floridians with information on what the public is receiving in
4560 return for the funds it invests in education and how well the K-
4561 20 system educates its students.

4562 (e)1. The State Board of Education establish performance
4563 measures and set performance standards for individual public
4564 schools ~~and Florida College System institutions~~, with measures
4565 and standards based primarily on student achievement.

4566 2. The Board of Governors of the State University System
4567 establish performance measures and set performance standards for
4568 individual state universities, including actual completion
4569 rates.

4570 3. The State Board of Community Colleges establish
4571 performance measures and set performance standards for
4572 individual Florida Community College System institutions.

4573 (3) K-20 EDUCATION DATA QUALITY IMPROVEMENTS.-To provide
4574 data required to implement education performance accountability
4575 measures in state and federal law, the Commissioner of Education
4576 shall initiate and maintain strategies to improve data quality
4577 and timeliness. The Board of Governors shall make available to
4578 the department all data within the State University Database
4579 System to be integrated into the K-20 data warehouse. The
4580 commissioner shall have unlimited access to such data for the

724756

576-02483-17

4581 purposes of conducting studies, reporting annual and
4582 longitudinal student outcomes, and improving college readiness
4583 and articulation. All public educational institutions shall
4584 annually provide data from the prior year to the K-20 data
4585 warehouse in a format based on data elements identified by the
4586 commissioner.

4587 (a) School districts and public postsecondary educational
4588 institutions shall maintain information systems that will
4589 provide the State Board of Education, the Board of Governors of
4590 the State University System, the State Board of Community
4591 Colleges of the Florida Community College System, and the
4592 Legislature with information and reports necessary to address
4593 the specifications of the accountability system. The level of
4594 comprehensiveness and quality must be no less than that which
4595 was available as of June 30, 2001.

4596 (c) The Commissioner of Education shall determine the
4597 standards for the required data, monitor data quality, and
4598 measure improvements. The commissioner shall report annually to
4599 the State Board of Education, the Board of Governors of the
4600 State University System, the State Board of Community Colleges
4601 of the Florida Community College System, the President of the
4602 Senate, and the Speaker of the House of Representatives data
4603 quality indicators and ratings for all school districts and
4604 public postsecondary educational institutions.

4605 Section 69. Section 1008.32, Florida Statutes, is amended
4606 to read:

4607 1008.32 State Board of Education oversight enforcement
4608 authority.—The State Board of Education shall oversee the
4609 performance of district school boards ~~and Florida College System~~

724756

576-02483-17

4610 ~~institution boards of trustees~~ in enforcement of all laws and
4611 rules. District school boards ~~and Florida College System~~
4612 ~~institution boards of trustees~~ shall be primarily responsible
4613 for compliance with law and state board rule.

4614 (1) In order to ensure compliance with law or state board
4615 rule, the State Board of Education shall have the authority to
4616 request and receive information, data, and reports from school
4617 districts ~~and Florida College System institutions~~. District
4618 school superintendents ~~and Florida College System institution~~
4619 ~~presidents~~ are responsible for the accuracy of the information
4620 and data reported to the state board.

4621 (2) The Commissioner of Education may investigate
4622 allegations of noncompliance with law or state board rule and
4623 determine probable cause. The commissioner shall report
4624 determinations of probable cause to the State Board of Education
4625 which shall require the district school board ~~or Florida College~~
4626 ~~System institution board of trustees~~ to document compliance with
4627 law or state board rule.

4628 (3) If the district school board ~~or Florida College System~~
4629 ~~institution board of trustees~~ cannot satisfactorily document
4630 compliance, the State Board of Education may order compliance
4631 within a specified timeframe.

4632 (4) If the State Board of Education determines that a
4633 district school board ~~or Florida College System institution~~
4634 ~~board of trustees~~ is unwilling or unable to comply with law or
4635 state board rule within the specified time, the state board
4636 shall have the authority to initiate any of the following
4637 actions:

4638 (a) Report to the Legislature that the school district ~~or~~

724756

576-02483-17

4639 ~~Florida College System institution~~ is unwilling or unable to
4640 comply with law or state board rule and recommend action to be
4641 taken by the Legislature.

4642 (b) Withhold the transfer of state funds, discretionary
4643 grant funds, discretionary lottery funds, or any other funds
4644 specified as eligible for this purpose by the Legislature until
4645 the school district ~~or Florida College System institution~~
4646 complies with the law or state board rule.

4647 (c) Declare the school district ~~or Florida College System~~
4648 ~~institution~~ ineligible for competitive grants.

4649 (d) Require monthly or periodic reporting on the situation
4650 related to noncompliance until it is remedied.

4651 (5) Nothing in this section shall be construed to create a
4652 private cause of action or create any rights for individuals or
4653 entities in addition to those provided elsewhere in law or rule.

4654 Section 70. Paragraphs (e) and (f) of subsection (7) of
4655 section 1008.345, Florida Statutes, are amended to read:

4656 1008.345 Implementation of state system of school
4657 improvement and education accountability.-

4658 (7) As a part of the system of educational accountability,
4659 the Department of Education shall:

4660 (e) Maintain a listing of college-level communication and
4661 mathematics skills associated with successful student
4662 performance through the baccalaureate level and submit it to the
4663 State Board of Education, ~~and~~ the Board of Governors, ~~and the~~
4664 State Board of Community Colleges for approval.

4665 (f) Perform any other functions that may be involved in
4666 educational planning, research, and evaluation or that may be
4667 required by the commissioner, the State Board of Education, the

724756

576-02483-17

4668 State Board of Community Colleges, the Board of Governors, or
4669 law.

4670 Section 71. Subsections (1) and (2) of section 1008.37,
4671 Florida Statutes, are amended to read:

4672 1008.37 Postsecondary feedback of information to high
4673 schools.-

4674 (1) The Commissioner of Education shall report to the State
4675 Board of Education, the Board of Governors, the State Board of
4676 Community Colleges, the Legislature, and the district school
4677 boards on the performance of each first-time-in-postsecondary
4678 education student from each public high school in this state who
4679 is enrolled in a public postsecondary institution or public
4680 career center. Such reports must be based on information
4681 databases maintained by the Department of Education. In
4682 addition, the public postsecondary educational institutions and
4683 career centers shall provide district school boards access to
4684 information on student performance in regular and preparatory
4685 courses and shall indicate students referred for remediation
4686 pursuant to s. 1004.91 or s. 1008.30.

4687 (2) The Commissioner of Education shall report, by high
4688 school, to the State Board of Education, the Board of Governors,
4689 the State Board of Community Colleges, and the Legislature, no
4690 later than November 30 of each year, on the number of prior year
4691 Florida high school graduates who enrolled for the first time in
4692 public postsecondary education in this state during the previous
4693 summer, fall, or spring term, indicating the number of students
4694 whose scores on the common placement test indicated the need for
4695 developmental education under s. 1008.30 or for applied
4696 academics for adult education under s. 1004.91.

576-02483-17

4697 Section 72. Section 1008.38, Florida Statutes, is amended
4698 to read:

4699 1008.38 Articulation accountability process.—The State
4700 Board of Education, in conjunction with the Board of Governors
4701 and the State Board of Community Colleges, shall develop
4702 articulation accountability measures which assess the status of
4703 systemwide articulation processes authorized under s. 1007.23
4704 and establish an articulation accountability process which at a
4705 minimum shall address:

4706 (1) The impact of articulation processes on ensuring
4707 educational continuity and the orderly and unobstructed
4708 transition of students between public secondary and
4709 postsecondary education systems and facilitating the transition
4710 of students between the public and private sectors.

4711 (2) The adequacy of preparation of public secondary
4712 students to smoothly articulate to a public postsecondary
4713 institution.

4714 (3) The effectiveness of articulated acceleration
4715 mechanisms available to secondary students.

4716 (4) The smooth transfer of Florida Community College System
4717 associate degree graduates to a Florida Community College System
4718 institution or a state university.

4719 (5) An examination of degree requirements that exceed the
4720 parameters of 60 credit hours for an associate degree and 120
4721 hours for a baccalaureate degree in public postsecondary
4722 programs.

4723 (6) The relationship between student attainment of college-
4724 level academic skills and articulation to the upper division in
4725 public postsecondary institutions.

576-02483-17

4726 Section 73. Section 1008.405, Florida Statutes, is amended
4727 to read:

4728 1008.405 Adult student information.—Each school district
4729 and Florida Community College System institution shall maintain
4730 sufficient information for each student enrolled in workforce
4731 education to allow local and state administrators to locate such
4732 student upon the termination of instruction and to determine the
4733 appropriateness of student placement in specific instructional
4734 programs. The State Board of Education and the State Board of
4735 Community Colleges shall adopt, by rule, specific information
4736 that must be maintained and acceptable means of maintaining that
4737 information.

4738 Section 74. Subsection (2) of section 1008.44, Florida
4739 Statutes, is amended to read:

4740 1008.44 CAPE Industry Certification Funding List and CAPE
4741 Postsecondary Industry Certification Funding List.—

4742 (2) The State Board of Education, for school districts, and
4743 the State Board of Community Colleges, for Florida Community
4744 College System institutions, shall collaborate to approve, at
4745 least annually, the CAPE Postsecondary Industry Certification
4746 Funding List pursuant to this section. The Commissioner of
4747 Education and the Chancellor of the Florida Community College
4748 System shall recommend, at least annually, the CAPE
4749 Postsecondary Industry Certification Funding List to the State
4750 Board of Education and the State Board of Community Colleges,
4751 respectively, and may at any time recommend adding
4752 certifications. The Chancellor of the State University System,
4753 the Chancellor of the Florida Community College System, and the
4754 Chancellor of Career and Adult Education shall work with local

724756

576-02483-17

4755 workforce boards, other postsecondary institutions, businesses,
4756 and industry to identify, create, and recommend to the
4757 Commissioner of Education industry certifications to be placed
4758 on the funding list. The list shall be used to determine annual
4759 performance funding distributions to school districts or Florida
4760 Community College System institutions as specified in ss.
4761 1011.80 and 1011.81, respectively. The chancellors shall review
4762 results of the economic security report of employment and
4763 earning outcomes produced annually pursuant to s. 445.07 when
4764 determining recommended certifications for the list, as well as
4765 other reports and indicators available regarding certification
4766 needs.

4767 Section 75. Section 1008.45, Florida Statutes, is amended
4768 to read:

4769 1008.45 Florida Community College System institution
4770 accountability process.—

4771 (1) It is the intent of the Legislature that a management
4772 and accountability process be implemented which provides for the
4773 systematic, ongoing improvement and assessment of the
4774 improvement of the quality and efficiency of the Florida
4775 Community College System institutions. Accordingly, the State
4776 Board of Community Colleges Education and the Florida Community
4777 College System institution boards of trustees shall develop and
4778 implement an accountability plan to improve and evaluate the
4779 instructional and administrative efficiency and effectiveness of
4780 the Florida Community College System. This plan shall be
4781 designed in consultation with staff of the Governor and the
4782 Legislature and must address the following issues:

4783 (a) Graduation rates of A.A. and A.S. degree-seeking

724756

576-02483-17

4784 students compared to first-time-enrolled students seeking the
4785 associate degree.

4786 (b) Minority student enrollment and retention rates.

4787 (c) Student performance, including student performance in
4788 college-level academic skills, mean grade point averages for
4789 Florida Community College System institution A.A. transfer
4790 students, and Florida Community College System institution
4791 student performance on state licensure examinations.

4792 (d) Job placement rates of Florida Community College System
4793 institution career students.

4794 (e) Student progression by admission status and program.

4795 (f) Career accountability standards identified in s.
4796 1008.42.

4797 (g) Institutional assessment efforts related to the
4798 requirements of s. III in the Criteria for Accreditation of the
4799 Commission on Colleges of the Southern Association of Colleges
4800 and Schools.

4801 (h) Other measures approved by the State Board of Community
4802 Colleges Education.

4803 (2) The State Board of Community Colleges Education shall
4804 submit an annual report, to coincide with the submission of the
4805 state board's agency strategic plan required by law, providing
4806 the results of initiatives taken during the prior year and the
4807 initiatives and related objective performance measures proposed
4808 for the next year.

4809 (3) The State Board of Community Colleges Education shall
4810 address within the annual evaluation of the performance of the
4811 chancellor executive director, and the Florida Community College
4812 System institution boards of trustees shall address within the

576-02483-17

4813 annual evaluation of the presidents, the achievement of the
4814 performance goals established by the accountability process.

4815 Section 76. Section 1009.21, Florida Statutes, is amended
4816 to read:

4817 1009.21 Determination of resident status for tuition
4818 purposes.—Students shall be classified as residents or
4819 nonresidents for the purpose of assessing tuition in
4820 postsecondary educational programs offered by charter technical
4821 career centers or career centers operated by school districts,
4822 in Florida Community College System institutions, and in state
4823 universities.

4824 (1) As used in this section, the term:

4825 (a) "Dependent child" means any person, whether or not
4826 living with his or her parent, who is eligible to be claimed by
4827 his or her parent as a dependent under the federal income tax
4828 code.

4829 (b) "Initial enrollment" means the first day of class at an
4830 institution of higher education.

4831 (c) "Institution of higher education" means any charter
4832 technical career center as defined in s. 1002.34, career center
4833 operated by a school district as defined in s. 1001.44, Florida
4834 Community College System institution as defined in s.
4835 1000.21(3), or state university as defined in s. 1000.21(6).

4836 (d) "Legal resident" or "resident" means a person who has
4837 maintained his or her residence in this state for the preceding
4838 year, has purchased a home which is occupied by him or her as
4839 his or her residence, or has established a domicile in this
4840 state pursuant to s. 222.17.

4841 (e) "Nonresident for tuition purposes" means a person who

576-02483-17

4842 does not qualify for the in-state tuition rate.

4843 (f) "Parent" means either or both parents of a student, any
4844 guardian of a student, or any person in a parental relationship
4845 to a student.

4846 (g) "Resident for tuition purposes" means a person who
4847 qualifies as provided in this section for the in-state tuition
4848 rate.

4849 (2)(a) To qualify as a resident for tuition purposes:

4850 1. A person or, if that person is a dependent child, his or
4851 her parent or parents must have established legal residence in
4852 this state and must have maintained legal residence in this
4853 state for at least 12 consecutive months immediately prior to
4854 his or her initial enrollment in an institution of higher
4855 education.

4856 2. Every applicant for admission to an institution of
4857 higher education shall be required to make a statement as to his
4858 or her length of residence in the state and, further, shall
4859 establish that his or her presence or, if the applicant is a
4860 dependent child, the presence of his or her parent or parents in
4861 the state currently is, and during the requisite 12-month
4862 qualifying period was, for the purpose of maintaining a bona
4863 fide domicile, rather than for the purpose of maintaining a mere
4864 temporary residence or abode incident to enrollment in an
4865 institution of higher education.

4866 (b) However, with respect to a dependent child living with
4867 an adult relative other than the child's parent, such child may
4868 qualify as a resident for tuition purposes if the adult relative
4869 is a legal resident who has maintained legal residence in this
4870 state for at least 12 consecutive months immediately before the

576-02483-17

4871 child's initial enrollment in an institution of higher
4872 education, provided the child has resided continuously with such
4873 relative for the 3 years immediately before the child's initial
4874 enrollment in an institution of higher education, during which
4875 time the adult relative has exercised day-to-day care,
4876 supervision, and control of the child.

4877 (c) The legal residence of a dependent child whose parents
4878 are divorced, separated, or otherwise living apart will be
4879 deemed to be this state if either parent is a legal resident of
4880 this state, regardless of which parent is entitled to claim, and
4881 does in fact claim, the minor as a dependent pursuant to federal
4882 individual income tax provisions.

4883 (d) A dependent child who is a United States citizen may
4884 not be denied classification as a resident for tuition purposes
4885 based solely upon the immigration status of his or her parent.

4886 (3) (a) An individual shall not be classified as a resident
4887 for tuition purposes and, thus, shall not be eligible to receive
4888 the in-state tuition rate until he or she has provided such
4889 evidence related to legal residence and its duration or, if that
4890 individual is a dependent child, evidence of his or her parent's
4891 legal residence and its duration, as may be required by law and
4892 by officials of the institution of higher education from which
4893 he or she seeks the in-state tuition rate.

4894 (b) Except as otherwise provided in this section, evidence
4895 of legal residence and its duration shall include clear and
4896 convincing documentation that residency in this state was for a
4897 minimum of 12 consecutive months prior to a student's initial
4898 enrollment in an institution of higher education.

4899 (c) Each institution of higher education shall

576-02483-17

4900 affirmatively determine that an applicant who has been granted
4901 admission to that institution as a Florida resident meets the
4902 residency requirements of this section at the time of initial
4903 enrollment. The residency determination must be documented by
4904 the submission of written or electronic verification that
4905 includes two or more of the documents identified in this
4906 paragraph. No single piece of evidence shall be conclusive.

4907 1. The documents must include at least one of the
4908 following:

- 4909 a. A Florida voter's registration card.
- 4910 b. A Florida driver license.
- 4911 c. A State of Florida identification card.
- 4912 d. A Florida vehicle registration.
- 4913 e. Proof of a permanent home in Florida which is occupied
4914 as a primary residence by the individual or by the individual's
4915 parent if the individual is a dependent child.
- 4916 f. Proof of a homestead exemption in Florida.
- 4917 g. Transcripts from a Florida high school for multiple
4918 years if the Florida high school diploma or high school
4919 equivalency diploma was earned within the last 12 months.
- 4920 h. Proof of permanent full-time employment in Florida for
4921 at least 30 hours per week for a 12-month period.

4922 2. The documents may include one or more of the following:

- 4923 a. A declaration of domicile in Florida.
- 4924 b. A Florida professional or occupational license.
- 4925 c. Florida incorporation.
- 4926 d. A document evidencing family ties in Florida.
- 4927 e. Proof of membership in a Florida-based charitable or
4928 professional organization.

576-02483-17

4929 f. Any other documentation that supports the student's
4930 request for resident status, including, but not limited to,
4931 utility bills and proof of 12 consecutive months of payments; a
4932 lease agreement and proof of 12 consecutive months of payments;
4933 or an official state, federal, or court document evidencing
4934 legal ties to Florida.

4935 (4) With respect to a dependent child, the legal residence
4936 of the dependent child's parent or parents is prima facie
4937 evidence of the dependent child's legal residence, which
4938 evidence may be reinforced or rebutted, relative to the age and
4939 general circumstances of the dependent child, by the other
4940 evidence of legal residence required of or presented by the
4941 dependent child. However, the legal residence of a dependent
4942 child's parent or parents who are domiciled outside this state
4943 is not prima facie evidence of the dependent child's legal
4944 residence if that dependent child has lived in this state for 5
4945 consecutive years prior to enrolling or reregistering at the
4946 institution of higher education at which resident status for
4947 tuition purposes is sought.

4948 (5) A person who physically resides in this state may be
4949 classified as a resident for tuition purposes if he or she
4950 marries a person who meets the 12-month residency requirement
4951 under subsection (2) and who is a legal resident of this state.

4952 (6) (a) Except as otherwise provided in this section, a
4953 person who is classified as a nonresident for tuition purposes
4954 may become eligible for reclassification as a resident for
4955 tuition purposes if that person or, if that person is a
4956 dependent child, his or her parent presents clear and convincing
4957 documentation that supports permanent legal residency in this

576-02483-17

4958 state for at least 12 consecutive months rather than temporary
4959 residency for the purpose of pursuing an education, such as
4960 documentation of full-time permanent employment for the prior 12
4961 months or the purchase of a home in this state and residence
4962 therein for the prior 12 months while not enrolled in an
4963 institution of higher education.

4964 (b) If a person who is a dependent child and his or her
4965 parent move to this state while such child is a high school
4966 student and the child graduates from a high school in this
4967 state, the child may become eligible for reclassification as a
4968 resident for tuition purposes when the parent submits evidence
4969 that the parent qualifies for permanent residency.

4970 (c) If a person who is a dependent child and his or her
4971 parent move to this state after such child graduates from high
4972 school, the child may become eligible for reclassification as a
4973 resident for tuition purposes after the parent submits evidence
4974 that he or she has established legal residence in the state and
4975 has maintained legal residence in the state for at least 12
4976 consecutive months.

4977 (d) A person who is classified as a nonresident for tuition
4978 purposes and who marries a legal resident of the state or
4979 marries a person who becomes a legal resident of the state may,
4980 upon becoming a legal resident of the state, become eligible for
4981 reclassification as a resident for tuition purposes upon
4982 submitting evidence of his or her own legal residency in the
4983 state, evidence of his or her marriage to a person who is a
4984 legal resident of the state, and evidence of the spouse's legal
4985 residence in the state for at least 12 consecutive months
4986 immediately preceding the application for reclassification.

576-02483-17

4987 (7) A person shall not lose his or her resident status for
4988 tuition purposes solely by reason of serving, or, if such person
4989 is a dependent child, by reason of his or her parent's or
4990 parents' serving, in the Armed Forces outside this state.

4991 (8) A person who has been properly classified as a resident
4992 for tuition purposes but who, while enrolled in an institution
4993 of higher education in this state, loses his or her resident
4994 tuition status because the person or, if he or she is a
4995 dependent child, the person's parent or parents establish
4996 domicile or legal residence elsewhere shall continue to enjoy
4997 the in-state tuition rate for a statutory grace period, which
4998 period shall be measured from the date on which the
4999 circumstances arose that culminated in the loss of resident
5000 tuition status and shall continue for 12 months. However, if the
5001 12-month grace period ends during a semester or academic term
5002 for which such former resident is enrolled, such grace period
5003 shall be extended to the end of that semester or academic term.

5004 (9) Any person who ceases to be enrolled at or who
5005 graduates from an institution of higher education while
5006 classified as a resident for tuition purposes and who
5007 subsequently abandons his or her domicile in this state shall be
5008 permitted to reenroll at an institution of higher education in
5009 this state as a resident for tuition purposes without the
5010 necessity of meeting the 12-month durational requirement of this
5011 section if that person has reestablished his or her domicile in
5012 this state within 12 months of such abandonment and continuously
5013 maintains the reestablished domicile during the period of
5014 enrollment. The benefit of this subsection shall not be accorded
5015 more than once to any one person.

576-02483-17

5016 (10) The following persons shall be classified as residents
5017 for tuition purposes:

5018 (a) Active duty members of the Armed Services of the United
5019 States residing or stationed in this state, their spouses, and
5020 dependent children, and active drilling members of the Florida
5021 National Guard.

5022 (b) Active duty members of the Armed Services of the United
5023 States and their spouses and dependents attending a Florida
5024 Community College System institution or state university within
5025 50 miles of the military establishment where they are stationed,
5026 if such military establishment is within a county contiguous to
5027 Florida.

5028 (c) United States citizens living on the Isthmus of Panama,
5029 who have completed 12 consecutive months of college work at the
5030 Florida State University Panama Canal Branch, and their spouses
5031 and dependent children.

5032 (d) Full-time instructional and administrative personnel
5033 employed by state public schools and institutions of higher
5034 education and their spouses and dependent children.

5035 (e) Students from Latin America and the Caribbean who
5036 receive scholarships from the federal or state government. Any
5037 student classified pursuant to this paragraph shall attend, on a
5038 full-time basis, a Florida institution of higher education.

5039 (f) Southern Regional Education Board's Academic Common
5040 Market graduate students attending Florida's state universities.

5041 (g) Full-time employees of state agencies or political
5042 subdivisions of the state when the student fees are paid by the
5043 state agency or political subdivision for the purpose of job-
5044 related law enforcement or corrections training.

576-02483-17

5045 (h) McKnight Doctoral Fellows and Finalists who are United
5046 States citizens.
5047 (i) United States citizens living outside the United States
5048 who are teaching at a Department of Defense Dependent School or
5049 in an American International School and who enroll in a graduate
5050 level education program which leads to a Florida teaching
5051 certificate.
5052 (j) Active duty members of the Canadian military residing
5053 or stationed in this state under the North American Air Defense
5054 (NORAD) agreement, and their spouses and dependent children,
5055 attending a Florida Community College System institution or
5056 state university within 50 miles of the military establishment
5057 where they are stationed.
5058 (k) Active duty members of a foreign nation's military who
5059 are serving as liaison officers and are residing or stationed in
5060 this state, and their spouses and dependent children, attending
5061 a Florida Community College System institution or state
5062 university within 50 miles of the military establishment where
5063 the foreign liaison officer is stationed.
5064 (11) Once a student has been classified as a resident for
5065 tuition purposes, an institution of higher education to which
5066 the student transfers is not required to reevaluate the
5067 classification unless inconsistent information suggests that an
5068 erroneous classification was made or the student's situation has
5069 changed. However, the student must have attended the institution
5070 making the initial classification within the prior 12 months,
5071 and the residency classification must be noted on the student's
5072 transcript. The Higher Education Coordinating Council shall
5073 consider issues related to residency determinations and make

576-02483-17

5074 recommendations relating to efficiency and effectiveness of
5075 current law.
5076 (12) Each institution of higher education shall establish a
5077 residency appeal committee comprised of at least three members
5078 to consider student appeals of residency determinations, in
5079 accordance with the institution's official appeal process. The
5080 residency appeal committee must render to the student the final
5081 residency determination in writing. The institution must advise
5082 the student of the reasons for the determination.
5083 (13) The State Board of Education, ~~and~~ the Board of
5084 Governors, and the State Board of Community Colleges shall adopt
5085 rules to implement this section.
5086 Section 77. Paragraph (e) of subsection (3) of section
5087 1009.22, Florida Statutes, is amended to read:
5088 1009.22 Workforce education postsecondary student fees.-
5089 (3)
5090 (e) The State Board of Education and the State Board of
5091 Community Colleges may adopt, by rule, the definitions and
5092 procedures that district school boards and Florida Community
5093 College System institution boards of trustees shall use in the
5094 calculation of cost borne by students.
5095 Section 78. Section 1009.23, Florida Statutes, is amended
5096 to read:
5097 1009.23 Florida Community College System institution
5098 student fees.-
5099 (1) Unless otherwise provided, this section applies only to
5100 fees charged for college credit instruction leading to an
5101 associate in arts degree, an associate in applied science
5102 degree, an associate in science degree, or a baccalaureate

576-02483-17

5103 degree authorized pursuant to s. 1007.33, for noncollege credit
5104 developmental education defined in s. 1004.02, and for educator
5105 preparation institute programs defined in s. 1004.85.

5106 (2) (a) All students shall be charged fees except students
5107 who are exempt from fees or students whose fees are waived.

5108 (b) Tuition and out-of-state fees for upper-division
5109 courses must reflect the fact that the Florida Community College
5110 System institution has a less expensive cost structure than that
5111 of a state university. Therefore, the board of trustees shall
5112 establish tuition and out-of-state fees for upper-division
5113 courses in baccalaureate degree programs approved pursuant to s.
5114 1007.33 consistent with law and proviso language in the General
5115 Appropriations Act. However, the board of trustees may vary
5116 tuition and out-of-state fees only as provided in subsection (6)
5117 and s. 1009.26(11).

5118 (3) (a) Effective July 1, 2014, for advanced and
5119 professional, postsecondary vocational, developmental education,
5120 and educator preparation institute programs, the standard
5121 tuition shall be \$71.98 per credit hour for residents and
5122 nonresidents, and the out-of-state fee shall be \$215.94 per
5123 credit hour.

5124 (b) Effective July 1, 2014, for baccalaureate degree
5125 programs, the following tuition and fee rates shall apply:

5126 1. The tuition shall be \$91.79 per credit hour for students
5127 who are residents for tuition purposes.

5128 2. The sum of the tuition and the out-of-state fee per
5129 credit hour for students who are nonresidents for tuition
5130 purposes shall be no more than 85 percent of the sum of the
5131 tuition and the out-of-state fee at the state university nearest

576-02483-17

5132 the Florida Community College System institution.

5133 (4) Each Florida Community College System institution board
5134 of trustees shall establish tuition and out-of-state fees, which
5135 may vary no more than 10 percent below and 15 percent above the
5136 combined total of the standard tuition and fees established in
5137 subsection (3).

5138 (5) Except as otherwise provided in law, the sum of
5139 nonresident student tuition and out-of-state fees must be
5140 sufficient to defray the full cost of each program.

5141 (6) (a) A Florida Community College System institution board
5142 of trustees that has a service area that borders another state
5143 may implement a plan for a differential out-of-state fee.

5144 (b) A Florida Community College System institution board of
5145 trustees may establish a differential out-of-state fee for a
5146 student who has been determined to be a nonresident for tuition
5147 purposes pursuant to s. 1009.21 and is enrolled in a distance
5148 learning course offered by the institution. A differential out-
5149 of-state fee established pursuant to this paragraph shall be
5150 applicable only to distance learning courses and must be
5151 established such that the sum of tuition and the differential
5152 out-of-state fee is sufficient to defray the full cost of
5153 instruction.

5154 (7) Each Florida Community College System institution board
5155 of trustees may establish a separate activity and service fee
5156 not to exceed 10 percent of the tuition fee, according to rules
5157 of the State Board of Community Colleges Education. The student
5158 activity and service fee shall be collected as a component part
5159 of the tuition and fees. The student activity and service fees
5160 shall be paid into a student activity and service fund at the

576-02483-17

5161 Florida Community College System institution and shall be
5162 expended for lawful purposes to benefit the student body in
5163 general. These purposes include, but are not limited to, student
5164 publications and grants to duly recognized student
5165 organizations, the membership of which is open to all students
5166 at the Florida Community College System institution without
5167 regard to race, sex, or religion. No Florida Community College
5168 System institution shall be required to lower any activity and
5169 service fee approved by the board of trustees of the Florida
5170 Community College System institution and in effect prior to
5171 October 26, 2007, in order to comply with the provisions of this
5172 subsection.

5173 (8) (a) Each Florida Community College System institution
5174 board of trustees is authorized to establish a separate fee for
5175 financial aid purposes in an additional amount up to, but not to
5176 exceed, 5 percent of the total student tuition or out-of-state
5177 fees collected. Each Florida Community College System
5178 institution board of trustees may collect up to an additional 2
5179 percent if the amount generated by the total financial aid fee
5180 is less than \$500,000. If the amount generated is less than
5181 \$500,000, a Florida Community College System institution that
5182 charges tuition and out-of-state fees at least equal to the
5183 average fees established by rule may transfer from the general
5184 current fund to the scholarship fund an amount equal to the
5185 difference between \$500,000 and the amount generated by the
5186 total financial aid fee assessment. No other transfer from the
5187 general current fund to the loan, endowment, or scholarship
5188 fund, by whatever name known, is authorized.

5189 (b) All funds collected under this program shall be placed

576-02483-17

5190 in the loan and endowment fund or scholarship fund of the
5191 college, by whatever name known. Such funds shall be disbursed
5192 to students as quickly as possible. An amount not greater than
5193 40 percent of the fees collected in a fiscal year may be carried
5194 forward unexpended to the following fiscal year. However, funds
5195 collected prior to July 1, 1989, and placed in an endowment fund
5196 may not be considered part of the balance of funds carried
5197 forward unexpended to the following fiscal year.

5198 (c) Up to 25 percent or \$600,000, whichever is greater, of
5199 the financial aid fees collected may be used to assist students
5200 who demonstrate academic merit; who participate in athletics,
5201 public service, cultural arts, and other extracurricular
5202 programs as determined by the institution; or who are identified
5203 as members of a targeted gender or ethnic minority population.
5204 The financial aid fee revenues allocated for athletic
5205 scholarships and any fee exemptions provided to athletes
5206 pursuant to s. 1009.25(2) must be distributed equitably as
5207 required by s. 1000.05(3)(d). A minimum of 75 percent of the
5208 balance of these funds for new awards shall be used to provide
5209 financial aid based on absolute need, and the remainder of the
5210 funds shall be used for academic merit purposes and other
5211 purposes approved by the boards of trustees. Such other purposes
5212 shall include the payment of child care fees for students with
5213 financial need. The State Board of Education shall develop
5214 criteria for making financial aid awards. Each college shall
5215 report annually to the Department of Education on the revenue
5216 collected pursuant to this paragraph, the amount carried
5217 forward, the criteria used to make awards, the amount and number
5218 of awards for each criterion, and a delineation of the

724756

576-02483-17

5219 distribution of such awards. The report shall include an
5220 assessment by category of the financial need of every student
5221 who receives an award, regardless of the purpose for which the
5222 award is received. Awards that are based on financial need shall
5223 be distributed in accordance with a nationally recognized system
5224 of need analysis approved by the State Board of Education. An
5225 award for academic merit requires a minimum overall grade point
5226 average of 3.0 on a 4.0 scale or the equivalent for both initial
5227 receipt of the award and renewal of the award.

5228 (d) These funds may not be used for direct or indirect
5229 administrative purposes or salaries.

5230 (9) Any Florida Community College System institution that
5231 reports students who have not paid fees in an approved manner in
5232 calculations of full-time equivalent enrollments for state
5233 funding purposes shall be penalized at a rate equal to two times
5234 the value of such enrollments. Such penalty shall be charged
5235 against the following year's allocation from the Florida
5236 Community College System Program Fund and shall revert to the
5237 General Revenue Fund.

5238 (10) Each Florida Community College System institution
5239 board of trustees is authorized to establish a separate fee for
5240 technology, which may not exceed 5 percent of tuition per credit
5241 hour or credit-hour equivalent for resident students and may not
5242 exceed 5 percent of tuition and the out-of-state fee per credit
5243 hour or credit-hour equivalent for nonresident students.
5244 Revenues generated from the technology fee shall be used to
5245 enhance instructional technology resources for students and
5246 faculty. The technology fee may apply to both college credit and
5247 developmental education and shall not be included in any award

724756

576-02483-17

5248 under the Florida Bright Futures Scholarship Program. Fifty
5249 percent of technology fee revenues may be pledged by a Florida
5250 Community College System institution board of trustees as a
5251 dedicated revenue source for the repayment of debt, including
5252 lease-purchase agreements, not to exceed the useful life of the
5253 asset being financed. Revenues generated from the technology fee
5254 may not be bonded.

5255 (11) (a) Each Florida Community College System institution
5256 board of trustees may establish a separate fee for capital
5257 improvements, technology enhancements, equipping student
5258 buildings, or the acquisition of improved real property which
5259 may not exceed 20 percent of tuition for resident students or 20
5260 percent of the sum of tuition and out-of-state fees for
5261 nonresident students. The fee for resident students shall be
5262 limited to an increase of \$2 per credit hour over the prior
5263 year. Funds collected by Florida Community College System
5264 institutions through the fee may be bonded only as provided in
5265 this subsection for the purpose of financing or refinancing new
5266 construction and equipment, renovation, remodeling of
5267 educational facilities, or the acquisition and renovation or
5268 remodeling of improved real property for use as educational
5269 facilities. The fee shall be collected as a component part of
5270 the tuition and fees, paid into a separate account, and expended
5271 only to acquire improved real property or construct and equip,
5272 maintain, improve, or enhance the educational facilities of the
5273 Florida Community College System institution. Projects and
5274 acquisitions of improved real property funded through the use of
5275 the capital improvement fee shall meet the survey and
5276 construction requirements of chapter 1013. Pursuant to s.

576-02483-17

5277 216.0158, each Florida Community College System institution
5278 shall identify each project, including maintenance projects,
5279 proposed to be funded in whole or in part by such fee.

5280 (b) Capital improvement fee revenues may be pledged by a
5281 board of trustees as a dedicated revenue source to the repayment
5282 of debt, including lease-purchase agreements, with an overall
5283 term of not more than 7 years, including renewals, extensions,
5284 and refundings, and revenue bonds with a term not exceeding 20
5285 annual maturities and not exceeding the useful life of the asset
5286 being financed, only for financing or refinancing of the new
5287 construction and equipment, renovation, or remodeling of
5288 educational facilities. Bonds authorized pursuant to this
5289 subsection shall be requested by the Florida Community College
5290 System institution board of trustees and shall be issued by the
5291 Division of Bond Finance in compliance with s. 11(d), Art. VII
5292 of the State Constitution and the State Bond Act. The Division
5293 of Bond Finance may pledge fees collected by one or more Florida
5294 Community College System institutions to secure such bonds. Any
5295 project included in the approved educational plant survey
5296 pursuant to chapter 1013 is approved pursuant to s. 11(f), Art.
5297 VII of the State Constitution.

5298 (c) Bonds issued pursuant to this subsection may be
5299 validated in the manner provided by chapter 75. Only the initial
5300 series of bonds is required to be validated. The complaint for
5301 such validation shall be filed in the circuit court of the
5302 county where the seat of state government is situated, the
5303 notice required to be published by s. 75.06 shall be published
5304 only in the county where the complaint is filed, and the
5305 complaint and order of the circuit court shall be served only on

576-02483-17

5306 the state attorney of the circuit in which the action is
5307 pending.

5308 (d) A maximum of 15 percent may be allocated from the
5309 capital improvement fee for child care centers conducted by the
5310 Florida Community College System institution. The use of capital
5311 improvement fees for such purpose shall be subordinate to the
5312 payment of any bonds secured by the fees.

5313 (e) The state does hereby covenant with the holders of the
5314 bonds issued under this subsection that it will not take any
5315 action that will materially and adversely affect the rights of
5316 such holders so long as the bonds authorized by this subsection
5317 are outstanding.

5318 (12) (a) In addition to tuition, out-of-state, financial
5319 aid, capital improvement, student activity and service, and
5320 technology fees authorized in this section, each Florida
5321 Community College System institution board of trustees is
5322 authorized to establish fee schedules for the following user
5323 fees and fines: laboratory fees, which do not apply to a
5324 distance learning course; parking fees and fines; library fees
5325 and fines; fees and fines relating to facilities and equipment
5326 use or damage; access or identification card fees; duplicating,
5327 photocopying, binding, or microfilming fees; standardized
5328 testing fees; diploma replacement fees; transcript fees;
5329 application fees; graduation fees; and late fees related to
5330 registration and payment. Such user fees and fines shall not
5331 exceed the cost of the services provided and shall only be
5332 charged to persons receiving the service. A Florida Community
5333 College System institution may not charge any fee except as
5334 authorized by law. Parking fee revenues may be pledged by a

724756

576-02483-17

5335 Florida Community College System institution board of trustees
5336 as a dedicated revenue source for the repayment of debt,
5337 including lease-purchase agreements, with an overall term of not
5338 more than 7 years, including renewals, extensions, and
5339 refundings, and revenue bonds with a term not exceeding 20 years
5340 and not exceeding the useful life of the asset being financed.
5341 Florida Community College System institutions shall use the
5342 services of the Division of Bond Finance of the State Board of
5343 Administration to issue any revenue bonds authorized by this
5344 subsection. Any such bonds issued by the Division of Bond
5345 Finance shall be in compliance with the provisions of the State
5346 Bond Act. Bonds issued pursuant to the State Bond Act may be
5347 validated in the manner established in chapter 75. The complaint
5348 for such validation shall be filed in the circuit court of the
5349 county where the seat of state government is situated, the
5350 notice required to be published by s. 75.06 shall be published
5351 only in the county where the complaint is filed, and the
5352 complaint and order of the circuit court shall be served only on
5353 the state attorney of the circuit in which the action is
5354 pending.

5355 (b) The State Board of Community Colleges Education may
5356 adopt rules pursuant to ss. 120.536(1) and 120.54 to administer
5357 this subsection.

5358 (13) The State Board of Community Colleges Education shall
5359 specify, as necessary, by rule, approved methods of student fee
5360 payment. Such methods shall include, but not be limited to,
5361 student fee payment; payment through federal, state, or
5362 institutional financial aid; and employer fee payments.

5363 (14) Each Florida Community College System institution

724756

576-02483-17

5364 board of trustees shall report only those students who have
5365 actually enrolled in instruction provided or supervised by
5366 instructional personnel under contract with the Florida
5367 Community College System institution in calculations of actual
5368 full-time equivalent enrollments for state funding purposes. No
5369 student who has been exempted from taking a course or who has
5370 been granted academic or career credit through means other than
5371 actual coursework completed at the granting institution shall be
5372 calculated for enrollment in the course from which he or she has
5373 been exempted or granted credit. Florida Community College
5374 System institutions that report enrollments in violation of this
5375 subsection shall be penalized at a rate equal to two times the
5376 value of such enrollments. Such penalty shall be charged against
5377 the following year's allocation from the Florida Community
5378 College System Program Fund and shall revert to the General
5379 Revenue Fund.

5380 (15) Each Florida Community College System institution may
5381 assess a service charge for the payment of tuition and fees in
5382 installments and a convenience fee for the processing of
5383 automated or online credit card payments. However, the amount of
5384 the convenience fee may not exceed the total cost charged by the
5385 credit card company to the Florida Community College System
5386 institution. Such service charge or convenience fee must be
5387 approved by the Florida Community College System institution
5388 board of trustees.

5389 (16) (a) Each Florida Community College System institution
5390 may assess a student who enrolls in a course listed in the
5391 distance learning catalog, established pursuant to s. 1006.735,
5392 a per-credit-hour distance learning course user fee. For

576-02483-17

5393 purposes of assessing this fee, a distance learning course is a
5394 course in which at least 80 percent of the direct instruction of
5395 the course is delivered using some form of technology when the
5396 student and instructor are separated by time or space, or both.

5397 (b) The amount of the distance learning course user fee may
5398 not exceed the additional costs of the services provided which
5399 are attributable to the development and delivery of the distance
5400 learning course. If a Florida Community College System
5401 institution assesses the distance learning course user fee, the
5402 institution may not assess any other fees to cover the
5403 additional costs. By September 1 of each year, each board of
5404 trustees shall report to the State Board of Community Colleges
5405 ~~Division of Florida Colleges~~ the total amount of revenue
5406 generated by the distance learning course user fee for the prior
5407 fiscal year and how the revenue was expended.

5408 (c) If an institution assesses the distance learning fee,
5409 the institution must provide a link to the catalog within the
5410 advising and distance learning sections of the institution's
5411 website, using a graphic and description provided by the
5412 Complete Florida Plus Program, to inform students of the
5413 catalog.

5414 (17) Each Florida Community College System institution that
5415 accepts transient students, pursuant to s. 1006.735, may
5416 establish a transient student fee not to exceed \$5 per course
5417 for processing the transient student admissions application.

5418 (18) (a) The Board of Trustees of Santa Fe College may
5419 establish a transportation access fee. Revenue from the fee may
5420 be used only to provide or improve access to transportation
5421 services for students enrolled at Santa Fe College. The fee may

576-02483-17

5422 not exceed \$6 per credit hour. An increase in the transportation
5423 access fee may occur only once each fiscal year and must be
5424 implemented beginning with the fall term. A referendum must be
5425 held by the student government to approve the application of the
5426 fee.

5427 (b) Notwithstanding ss. 1009.534, 1009.535, and 1009.536,
5428 the transportation access fee authorized under paragraph (a) may
5429 not be included in calculating the amount a student receives for
5430 a Florida Academic Scholars award, a Florida Medallion Scholars
5431 award, or a Florida Gold Seal Vocational Scholars award.

5432 (19) The State Board of Community Colleges ~~Education~~ shall
5433 adopt a rule specifying the definitions and procedures to be
5434 used in the calculation of the percentage of cost paid by
5435 students. The rule must provide for the calculation of the full
5436 cost of educational programs based on the allocation of all
5437 funds provided through the general current fund to programs of
5438 instruction, and other activities as provided in the annual
5439 expenditure analysis. The rule shall be developed in
5440 consultation with the Legislature.

5441 (20) Each Florida Community College System institution
5442 shall publicly notice and notify all enrolled students of any
5443 proposal to increase tuition or fees at least 28 days before its
5444 consideration at a board of trustees meeting. The notice must:

5445 (a) Include the date and time of the meeting at which the
5446 proposal will be considered.

5447 (b) Specifically outline the details of existing tuition
5448 and fees, the rationale for the proposed increase, and how the
5449 funds from the proposed increase will be used.

5450 (c) Be posted on the institution's website and issued in a

724756

576-02483-17

5451 press release.

5452 Section 79. Subsection (2) of section 1009.25, Florida
5453 Statutes, is amended to read:

5454 1009.25 Fee exemptions.—

5455 (2) Each Florida Community College System institution is
5456 authorized to grant student fee exemptions from all fees adopted
5457 by the State Board of Community Colleges ~~Education~~ and the
5458 Florida Community College System institution board of trustees
5459 for up to 54 full-time equivalent students or 1 percent of the
5460 institution's total full-time equivalent enrollment, whichever
5461 is greater, at each institution.

5462 Section 80. Paragraph (b) of subsection (12), paragraphs
5463 (c) and (d) of subsection (13), and paragraph (d) of subsection
5464 (14) of section 1009.26, Florida Statutes, are amended, to read:

5465 1009.26 Fee waivers.—

5466 (12)

5467 (b) Tuition and fees charged to a student who qualifies for
5468 the out-of-state fee waiver under this subsection may not exceed
5469 the tuition and fees charged to a resident student. The waiver
5470 is applicable for 110 percent of the required credit hours of
5471 the degree or certificate program for which the student is
5472 enrolled. Each state university, Florida Community College
5473 System institution, career center operated by a school district
5474 under s. 1001.44, and charter technical career center shall
5475 report to the Board of Governors, the State Board of Community
5476 Colleges, and the State Board of Education, respectively, the
5477 number and value of all fee waivers granted annually under this
5478 subsection. By October 1 of each year, the Board of Governors,
5479 for the state universities; ~~and~~ the State Board of Community

724756

576-02483-17

5480 Colleges, Education for Florida Community College System
5481 institutions; ~~r~~ career centers operated by a school district
5482 under s. 1001.44; ~~r~~ and charter technical career centers shall
5483 annually report for the previous academic year the percentage of
5484 resident and nonresident students enrolled systemwide.

5485 (13)

5486 (c) Each state university, Florida Community College System
5487 institution, career center operated by a school district under
5488 s. 1001.44, and charter technical career center shall report to
5489 the Board of Governors, the State Board of Community, and the
5490 State Board of Education, respectively, the number and value of
5491 all fee waivers granted annually under this subsection.

5492 (d) The Board of Governors, the State Board of Community
5493 Colleges, and the State Board of Education shall respectively
5494 adopt regulations and rules to administer this subsection.

5495 (14)

5496 (d) The Board of Governors, the State Board of Community
5497 Colleges, and the State Board of Education shall respectively
5498 adopt regulations and rules to administer this subsection.

5499 Section 81. Section 1009.28, Florida Statutes, is amended
5500 to read:

5501 1009.28 Fees for repeated enrollment in developmental
5502 education classes.—A student enrolled in the same developmental
5503 education class more than twice shall pay 100 percent of the
5504 full cost of instruction to support continuous enrollment of
5505 that student in the same class, and the student shall not be
5506 included in calculations of full-time equivalent enrollments for
5507 state funding purposes; however, students who withdraw or fail a
5508 class due to extenuating circumstances may be granted an

724756

576-02483-17

5509 exception only once for each class, provided approval is granted
5510 according to policy established by the board of trustees. Each
5511 Florida Community College System institution may review and
5512 reduce fees paid by students due to continued enrollment in a
5513 developmental education class on an individual basis contingent
5514 upon the student's financial hardship, pursuant to definitions
5515 and fee levels established by the State Board of Community
5516 Colleges Education.

5517 Section 82. Subsections (9) and (12) of section 1009.90,
5518 Florida Statutes, are amended to read:

5519 1009.90 Duties of the Department of Education.—The duties
5520 of the department shall include:

5521 (9) Development and submission of a report, annually, to
5522 the State Board of Education, the Board of Governors, the State
5523 Board of Community Colleges, the President of the Senate, and
5524 the Speaker of the House of Representatives, which shall
5525 include, but not be limited to, recommendations for the
5526 distribution of state financial aid funds.

5527 (12) Calculation of the amount of need-based student
5528 financial aid required to offset fee increases recommended by
5529 the State Board of Education, and the Board of Governors, and
5530 the State Board of Community Colleges, and inclusion of such
5531 amount within the legislative budget request for student
5532 assistance grant programs.

5533 Section 83. Subsection (4) of section 1009.91, Florida
5534 Statutes, is amended to read:

5535 1009.91 Assistance programs and activities of the
5536 department.—

5537 (4) The department shall maintain records on the student

724756

576-02483-17

5538 loan default rate of each Florida postsecondary institution and
5539 report that information annually to both the institution and the
5540 State Board of Education. Information relating to state
5541 universities shall also be reported annually to the Board of
5542 Governors. Information relating to Florida Community College
5543 System institutions shall be reported annually to the State
5544 Board of Community Colleges.

5545 Section 84. Subsection (2) of section 1009.971, Florida
5546 Statutes, is amended to read:

5547 1009.971 Florida Prepaid College Board.—

5548 (2) FLORIDA PREPAID COLLEGE BOARD; MEMBERSHIP.—The board
5549 shall consist of seven members to be composed of the Attorney
5550 General, the Chief Financial Officer, the Chancellor of the
5551 State University System, the Chancellor of the Florida Community
5552 College System ~~Division of Florida Colleges~~, and three members
5553 appointed by the Governor and subject to confirmation by the
5554 Senate. Each member appointed by the Governor shall possess
5555 knowledge, skill, and experience in the areas of accounting,
5556 actuary, risk management, or investment management. Each member
5557 of the board not appointed by the Governor may name a designee
5558 to serve on the board on behalf of the member; however, any
5559 designee so named shall meet the qualifications required of
5560 gubernatorial appointees to the board. Members appointed by the
5561 Governor shall serve terms of 3 years. Any person appointed to
5562 fill a vacancy on the board shall be appointed in a like manner
5563 and shall serve for only the unexpired term. Any member shall be
5564 eligible for reappointment and shall serve until a successor
5565 qualifies. Members of the board shall serve without compensation
5566 but shall be reimbursed for per diem and travel in accordance

724756

576-02483-17

5567 with s. 112.061. Each member of the board shall file a full and
5568 public disclosure of his or her financial interests pursuant to
5569 s. 8, Art. II of the State Constitution and corresponding
5570 statute.

5571 Section 85. Section 1010.01, Florida Statutes, is amended
5572 to read:

5573 1010.01 Uniform records and accounts.—

5574 (1) (a) The financial records and accounts of each school
5575 district, ~~Florida College System institution,~~ and other
5576 institution or agency under the supervision of the State Board
5577 of Education shall be prepared and maintained as prescribed by
5578 law and rules of the State Board of Education.

5579 (b) The financial records and accounts of each state
5580 university under the supervision of the Board of Governors shall
5581 be prepared and maintained as prescribed by law and rules of the
5582 Board of Governors.

5583 (c) The financial records and accounts of each Florida
5584 Community College System institution under the supervision of
5585 the State Board of Community Colleges shall be prepared and
5586 maintained as prescribed by law and rules of the State Board of
5587 Community Colleges.

5588 (2) Rules of the State Board of Education, ~~and rules of the~~
5589 ~~Board of Governors, and the State Board of Community Colleges~~
5590 shall incorporate the requirements of law and accounting
5591 principles generally accepted in the United States. Such rules
5592 shall include a uniform classification of accounts.

5593 (3) Each state university shall annually file with the
5594 Board of Governors financial statements prepared in conformity
5595 with accounting principles generally accepted by the United

724756

576-02483-17

5596 States and the uniform classification of accounts prescribed by
5597 the Board of Governors. The Board of Governors' rules shall
5598 prescribe the filing deadline for the financial statements.

5599 (4) Required financial accounts and reports shall include
5600 provisions that are unique to each of the following: K-12 school
5601 districts, Florida Community College System institutions, and
5602 state universities, and shall provide for the data to be
5603 reported to the National Center of Educational Statistics and
5604 other governmental and professional educational data information
5605 services as appropriate.

5606 (5) Each Florida Community College System institution shall
5607 annually file with the State Board of Community Colleges
5608 financial statements prepared in conformity with accounting
5609 principles generally accepted by the United States and the
5610 uniform classification of accounts prescribed by the State Board
5611 of Community Colleges. The State Board of Community Colleges'
5612 rules shall prescribe the filing deadline for the financial
5613 statements.

5614 Section 86. Subsection (1) of section 1010.02, Florida
5615 Statutes, is amended, and subsection (3) is added to that
5616 section, to read:

5617 1010.02 Financial accounting and expenditures.—

5618 (1) All funds accruing to a school district ~~or a Florida~~
5619 ~~College System institution~~ must be received, accounted for, and
5620 expended in accordance with law and rules of the State Board of
5621 Education.

5622 (3) All funds accruing to a Florida Community College
5623 System institution must be received, accounted for, and expended
5624 in accordance with law and rules of the State Board of Community

576-02483-17

5625 Colleges.

5626 Section 87. Section 1010.04, Florida Statutes, is amended
5627 to read:

5628 1010.04 Purchasing.—

5629 (1) (a) Purchases and leases by school districts must ~~and~~
5630 ~~Florida College System institutions shall~~ comply with the
5631 requirements of law and rules of the State Board of Education.

5632 (b) Before purchasing nonacademic commodities and
5633 contractual services, each district school board and Florida
5634 Community College System institution board of trustees shall
5635 review the purchasing agreements and state term contracts
5636 available under s. 287.056 to determine whether it is in the
5637 school board's or the board of trustees' economic advantage to
5638 use the agreements and contracts. Each bid specification for
5639 nonacademic commodities and contractual services must include a
5640 statement indicating that the purchasing agreements and state
5641 term contracts available under s. 287.056 have been reviewed.
5642 Each district school board may also use the cooperative state
5643 purchasing programs managed through the regional consortium
5644 service organizations pursuant to their authority under s.
5645 1001.451(3). This paragraph does not apply to services that are
5646 eligible for reimbursement under the federal E-rate program
5647 administered by the Universal Service Administrative Company.

5648 (c) Purchases and leases by state universities must ~~shall~~
5649 comply with the requirements of law and regulations of the Board
5650 of Governors.

5651 (d) Purchases and leases by Florida Community College
5652 System institutions must comply with the requirements of law and
5653 rules of the State Board of Community Colleges.

576-02483-17

5654 (2) Each district school board and Florida Community
5655 College System institution board of trustees shall adopt rules,
5656 and each university board of trustees shall adopt regulations,
5657 to be followed in making purchases. Purchases may be made
5658 through an online procurement system, an electronic auction
5659 service, or other efficient procurement tool.

5660 (3) In districts in which the county purchasing agent is
5661 authorized by law to make purchases for the benefit of other
5662 governmental agencies within the county, the district school
5663 board and Florida Community College System institution board of
5664 trustees shall have the option to purchase from the current
5665 county contracts at the unit price stated therein if such
5666 purchase is to the economic advantage of the district school
5667 board or the Florida Community College System institution board
5668 of trustees; subject to confirmation of the items of purchase to
5669 the standards and specifications prescribed by the school
5670 district or Florida Community College System institution.

5671 (4) (a) The State Board of Education may, by rule, provide
5672 for alternative procedures for school districts ~~and Florida~~
5673 ~~College System institutions~~ for bidding or purchasing in cases
5674 in which the character of the item requested renders competitive
5675 bidding impractical.

5676 (b) The Board of Governors may, by regulation, provide for
5677 alternative procedures for state universities for bidding or
5678 purchasing in cases in which the character of the item requested
5679 renders competitive bidding impractical.

5680 (c) The State Board of Community Colleges may, by rule,
5681 provide for alternative procedures for Florida Community College
5682 System institutions for bidding or purchasing in cases in which

724756

576-02483-17

5683 the character of the item requested renders competitive bidding
5684 impractical.

5685 Section 88. Section 1010.07, Florida Statutes, is amended
5686 to read:

5687 1010.07 Bonds or insurance required.—

5688 (1) Each district school board, Florida Community College
5689 System institution board of trustees, and university board of
5690 trustees shall ensure that each official and employee
5691 responsible for handling, expending, or authorizing the
5692 expenditure of funds shall be appropriately bonded or insured to
5693 protect the board and the funds involved.

5694 (2) (a) Contractors paid from school district ~~or Florida~~
5695 ~~College System institution~~ funds shall give bond for the
5696 faithful performance of their contracts in such amount and for
5697 such purposes as prescribed by s. 255.05 or by rules of the
5698 State Board of Education relating to the type of contract
5699 involved. It shall be the duty of the district school board ~~or~~
5700 ~~Florida College System institution board of trustees~~ to require
5701 from construction contractors a bond adequate to protect the
5702 board and the board's funds involved.

5703 (b) Contractors paid from university funds shall give bond
5704 for the faithful performance of their contracts in such amount
5705 and for such purposes as prescribed by s. 255.05 or by
5706 regulations of the Board of Governors relating to the type of
5707 contract involved. It shall be the duty of the university board
5708 of trustees to require from construction contractors a bond
5709 adequate to protect the board and the board's funds involved.

5710 (c) Contractors paid from Florida Community College System
5711 institution funds shall give bonds for the faithful performance

724756

576-02483-17

5712 of their contracts in such amount and for such purposes as
5713 prescribed by s. 255.05 or by rules of the State Board of
5714 Community Colleges relating to the type of contract involved. It
5715 is the duty of the Florida Community College System institution
5716 board of trustees to require construction contractors to provide
5717 a bond adequate to protect the board and the board's funds
5718 involved.

5719 Section 89. Section 1010.08, Florida Statutes, is amended
5720 to read:

5721 1010.08 Promotion and public relations; funding.—

5722 (1) Each district school board ~~and Florida College System~~
5723 ~~institution board of trustees~~ may budget and use a portion of
5724 the funds accruing to it from auxiliary enterprises and
5725 undesignated gifts for promotion and public relations as
5726 prescribed by rules of the State Board of Education. Such funds
5727 may be used to provide hospitality to business guests in the
5728 district or elsewhere. However, such hospitality expenses may
5729 not exceed the amount authorized for such contingency funds as
5730 prescribed by rules of the State Board of Education.

5731 (2) Each Florida Community College System institution board
5732 of trustees may budget and use a portion of the funds accruing
5733 to it from auxiliary enterprises and undesignated gifts for
5734 promotion and public relations as prescribed by rules of the
5735 State Board of Community Colleges. Such funds may be used to
5736 provide hospitality to business guests in the district or
5737 elsewhere. However, such hospitality expenses may not exceed the
5738 amount authorized for such contingency funds as prescribed by
5739 rules of the State Board of Community Colleges.

5740 Section 90. Subsection (1) of section 1010.09, Florida

576-02483-17

5741 Statutes, is amended and subsection (3) is added to that
5742 section, to read:

5743 1010.09 Direct-support organizations.—

5744 (1) ~~School district and Florida College System institution~~
5745 direct-support organizations shall be organized and conducted
5746 under the provisions of ss. 1001.453 and 1004.70 and rules of
5747 the State Board of Education, as applicable.

5748 (3) Florida Community College System institution direct-
5749 support organizations shall be organized and conducted under the
5750 provisions of s. 1004.70 and rules of the State Board of
5751 Community Colleges.

5752 Section 91. Section 1010.22, Florida Statutes, is amended
5753 to read:

5754 1010.22 Cost accounting and reporting for workforce
5755 education.—

5756 (1) (a) ~~Each school district and each Florida College System~~
5757 ~~institution~~ shall account for expenditures of all state, local,
5758 federal, and other funds in the manner prescribed by the State
5759 Board of Education.

5760 (b) Each Florida Community College System institution shall
5761 account for expenditures of all state, local, federal, and other
5762 funds in the manner prescribed by the State Board of Community
5763 Colleges.

5764 (2) (a) ~~Each school district and each Florida College System~~
5765 ~~institution~~ shall report expenditures for workforce education in
5766 accordance with requirements prescribed by the State Board of
5767 Education.

5768 (b) Each Florida Community College System institution shall
5769 report expenditures for workforce education in accordance with

576-02483-17

5770 requirements prescribed by the State Board of Community
5771 Colleges.

5772 (3) The Department of Education, in cooperation with school
5773 districts and Florida Community College System institutions,
5774 shall develop and maintain a database of valid comparable
5775 information on workforce education which will meet both state
5776 and local needs.

5777 Section 92. Subsection (1) of section 1010.30, Florida
5778 Statutes, is amended to read:

5779 1010.30 Audits required.—

5780 (1) ~~School districts, Florida College System institutions,~~
5781 ~~and other institutions and agencies under the supervision of the~~
5782 ~~State Board of Education, Florida Community College System~~
5783 ~~institutions under the supervision of the State Board of~~
5784 ~~Community Colleges, and state universities under the supervision~~
5785 ~~of the Board of Governors are subject to the audit provisions of~~
5786 ~~ss. 11.45 and 218.39.~~

5787 Section 93. Section 1010.58, Florida Statutes, is amended
5788 to read:

5789 1010.58 Procedure for determining number of instruction
5790 units for Florida Community College System institutions.—The
5791 number of instruction units for Florida Community College System
5792 institutions shall be determined from the full-time equivalent
5793 students in the Florida Community College System institution,
5794 provided that full-time equivalent students may not be counted
5795 more than once in determining instruction units. Instruction
5796 units for Florida Community College System institutions shall be
5797 computed as follows:

5798 (1) One unit for each 12 full-time equivalent students at a

724756

576-02483-17

5799 Florida Community College System institution for the first 420
5800 students and one unit for each 15 full-time equivalent students
5801 for all over 420 students, in other than career education
5802 programs as defined by rules of the State Board of Community
5803 Colleges Education, and one unit for each 10 full-time
5804 equivalent students in career education programs and
5805 compensatory education programs as defined by rules of the State
5806 Board of Community Colleges Education. Full-time equivalent
5807 students enrolled in a Florida Community College System
5808 institution shall be defined by rules of the State Board of
5809 Community Colleges Education.

5810 (2) For each 8 instruction units in a Florida Community
5811 College System institution, 1 instruction unit or proportionate
5812 fraction of a unit shall be allowed for administrative and
5813 special instructional services, and for each 20 instruction
5814 units, 1 instruction unit or proportionate fraction of a unit
5815 shall be allowed for student personnel services.

5816 Section 94. Section 1011.01, Florida Statutes, is amended
5817 to read:

5818 1011.01 Budget system established.—

5819 (1) The State Board of Education shall prepare and submit a
5820 coordinated K-20 education annual legislative budget request to
5821 the Governor and the Legislature on or before the date provided
5822 by the Governor and the Legislature. The board's legislative
5823 budget request must clearly define the needs of school
5824 districts, Florida Community College System institutions,
5825 universities, other institutions, organizations, programs, and
5826 activities under the supervision of the board and that are
5827 assigned by law or the General Appropriations Act to the

724756

576-02483-17

5828 Department of Education.

5829 (2) (a) There ~~is shall be~~ established in each school
5830 district ~~and Florida College System institution~~ a budget system
5831 as prescribed by law and rules of the State Board of Education.

5832 (b) There ~~is shall be~~ established in each state university
5833 a budget system as prescribed by law and rules of the Board of
5834 Governors.

5835 (c) There is established in each Florida Community College
5836 System institution a budget system as prescribed by law and
5837 rules of the State Board of Community Colleges.

5838 (3) (a) Each district school board ~~and each Florida College~~
5839 ~~System institution board of trustees~~ shall prepare, adopt, and
5840 submit to the Commissioner of Education an annual operating
5841 budget. Operating budgets must shall be prepared and submitted
5842 in accordance with the provisions of law, rules of the State
5843 Board of Education, the General Appropriations Act, and for
5844 district school boards in accordance with the provisions of ss.
5845 200.065 and 1011.64.

5846 (b) Each state university board of trustees shall prepare,
5847 adopt, and submit to the Chancellor of the State University
5848 System for review an annual operating budget in accordance with
5849 provisions of law, rules of the Board of Governors, and the
5850 General Appropriations Act.

5851 (c) Each Florida Community College System institution board
5852 of trustees shall prepare, adopt, and submit to the State Board
5853 of Community Colleges an annual operating budget in accordance
5854 with provisions of law, rules of the State Board of Community
5855 Colleges, and the General Appropriations Act.

5856 (4) The State Board of Education shall coordinate with the

576-02483-17

5857 Board of Governors and the State Board of Community Colleges to
5858 facilitate the budget system requirements of this section. The
5859 State Board of Community College exclusively retains the review
5860 and approval powers of this section for Florida Community
5861 College System institutions. The Board of Governors exclusively
5862 retains the review and approval powers of this section for state
5863 universities.

5864 Section 95. Section 1011.011, Florida Statutes, is amended
5865 to read:

5866 1011.011 Legislative capital outlay budget request.—The
5867 State Board of Education shall submit an integrated,
5868 comprehensive budget request for educational facilities
5869 construction and fixed capital outlay needs for school
5870 districts, and, in conjunction with the State Board of Community
5871 Colleges for Florida Community College System institutions, ~~and,~~
5872 ~~in conjunction~~ with the Board of Governors for state
5873 universities, pursuant to this section and s. 1013.46 and
5874 applicable provisions of chapter 216.

5875 Section 96. Section 1011.30, Florida Statutes, is amended
5876 to read:

5877 1011.30 Budgets for Florida Community College System
5878 institutions.—Each Florida Community College System institution
5879 president shall recommend to the Florida Community College
5880 System institution board of trustees a budget of income and
5881 expenditures at such time and in such form as the State Board of
5882 Community Colleges ~~Education~~ may prescribe. Upon approval of a
5883 budget by the Florida Community College System institution board
5884 of trustees, such budget ~~must shall~~ be transmitted to the State
5885 Board of Community Colleges ~~Department of Education~~ for review.

576-02483-17

5886 Rules of the State Board of Community Colleges ~~must Education~~
5887 ~~shall~~ prescribe procedures for effecting budget amendments
5888 subsequent to the final approval of a budget for a given year.

5889 Section 97. Section 1011.32, Florida Statutes, is amended
5890 to read:

5891 1011.32 Florida Community College System Institution
5892 Facility Enhancement Challenge Grant Program.—

5893 (1) The Legislature recognizes that ~~the~~ Florida Community
5894 College System institutions do not have sufficient physical
5895 facilities to meet the current demands of their instructional
5896 and community programs. It further recognizes that, to
5897 strengthen and enhance Florida Community College System
5898 institutions, it is necessary to provide facilities in addition
5899 to those currently available from existing revenue sources. It
5900 further recognizes that there are sources of private support
5901 that, if matched with state support, can assist in constructing
5902 much needed facilities and strengthen the commitment of citizens
5903 and organizations in promoting excellence at each Florida
5904 Community College System institution. Therefore, it is the
5905 intent of the Legislature to establish a program to provide the
5906 opportunity for each Florida Community College System
5907 institution through its direct-support organization to receive
5908 and match challenge grants for instructional and community-
5909 related capital facilities within the Florida Community College
5910 System institution.

5911 (2) There is established the Florida Community College
5912 System Institution Facility Enhancement Challenge Grant Program
5913 for the purpose of assisting the Florida Community College
5914 System institutions in building high priority instructional and

724756

576-02483-17

5915 community-related capital facilities consistent with s. 1004.65,
5916 including common areas connecting such facilities. The direct-
5917 support organizations that serve the Florida Community College
5918 System institutions shall solicit gifts from private sources to
5919 provide matching funds for capital facilities. For the purposes
5920 of this section, private sources of funds shall not include any
5921 federal or state government funds that a Florida Community
5922 College System institution may receive.

5923 (3) The Florida Community College System Institution
5924 Capital Facilities Matching Program shall provide funds to match
5925 private contributions for the development of high priority
5926 instructional and community-related capital facilities,
5927 including common areas connecting such facilities, within the
5928 Florida Community College System institutions.

5929 (4) Within the direct-support organization of each Florida
5930 Community College System institution there must be established a
5931 separate capital facilities matching account for the purpose of
5932 providing matching funds from the direct-support organization's
5933 unrestricted donations or other private contributions for the
5934 development of high priority instructional and community-related
5935 capital facilities, including common areas connecting such
5936 facilities. The Legislature shall appropriate funds for
5937 distribution to a Florida Community College System institution
5938 after matching funds are certified by the direct-support
5939 organization and Florida Community College System institution.
5940 The Public Education Capital Outlay and Debt Service Trust Fund
5941 shall not be used as the source of the state match for private
5942 contributions.

5943 (5) A project may not be initiated unless all private funds

724756

576-02483-17

5944 for planning, construction, and equipping the facility have been
5945 received and deposited in the direct-support organization's
5946 matching account for this purpose. However, this requirement
5947 does not preclude the Florida Community College System
5948 institution or direct-support organization from expending
5949 available funds from private sources to develop a prospectus,
5950 including preliminary architectural schematics or models, for
5951 use in its efforts to raise private funds for a facility and for
5952 site preparation, planning, and construction. The Legislature
5953 may appropriate the state's matching funds in one or more fiscal
5954 years for the planning, construction, and equipping of an
5955 eligible facility. Each Florida Community College System
5956 institution shall notify all donors of private funds of a
5957 substantial delay in the availability of state matching funds
5958 for this program.

5959 (6) To be eligible to participate in the Florida Community
5960 College System Institution Facility Enhancement Challenge Grant
5961 Program, a Florida Community College System institution, through
5962 its direct-support organization, shall raise a contribution
5963 equal to one-half of the total cost of a facilities construction
5964 project from private sources which shall be matched by a state
5965 appropriation equal to the amount raised for a facilities
5966 construction project, subject to the General Appropriations Act.

5967 (7) If the state's share of the required match is
5968 insufficient to meet the requirements of subsection (6), the
5969 Florida Community College System institution shall renegotiate
5970 the terms of the contribution with the donors. If the project is
5971 terminated, each private donation, plus accrued interest,
5972 reverts to the direct-support organization for remittance to the

724756

576-02483-17

5973 donor.

5974 (8) By October 15 of each year, the State Board of
5975 Community Colleges Education shall transmit to the Governor and
5976 the Legislature a list of projects that meet all eligibility
5977 requirements to participate in the Florida Community College
5978 System Institution Facility Enhancement Challenge Grant Program
5979 and a budget request that includes the recommended schedule
5980 necessary to complete each project.

5981 (9) In order for a project to be eligible under this
5982 program, it must be survey recommended under the provisions of
5983 s. 1013.31 and included in the Florida Community College System
5984 institution's 5-year capital improvement plan, and it must
5985 receive approval from the State Board of Community Colleges
5986 Education or the Legislature.

5987 (10) A Florida Community College System institution project
5988 may not be removed from the approved 3-year PECO priority list
5989 because of its successful participation in this program until
5990 approved by the Legislature and provided for in the General
5991 Appropriations Act. When such a project is completed and removed
5992 from the list, all other projects shall move up on the 3-year
5993 PECO priority list.

5994 (11) Any private matching funds for a project which are
5995 unexpended after the project is completed shall revert to the
5996 Florida Community College System institution's direct-support
5997 organization capital facilities matching account. The balance of
5998 any unexpended state matching funds shall be returned to the
5999 fund from which those funds were appropriated.

6000 (12) The surveys, architectural plans, facility, and
6001 equipment shall be the property of the participating Florida

724756

576-02483-17

6002 Community College System institution. A facility constructed
6003 under this section may be named in honor of a donor at the
6004 option of the Florida Community College System institution
6005 district board of trustees. A facility may not be named after a
6006 living person without prior approval by the State Board of
6007 Community Colleges Education.

6008 (13) Effective July 1, 2011, state matching funds are
6009 temporarily suspended for donations received for the program on
6010 or after June 30, 2011. Existing eligible donations remain
6011 eligible for future matching funds. The program may be restarted
6012 after \$200 million of the backlog for programs under this
6013 section and ss. 1011.85, 1011.94, and 1013.79 have been matched.

6014 Section 98. Subsection (2), paragraph (b) of subsection
6015 (5), and subsections (8), (9), and (11) of section 1011.80,
6016 Florida Statutes, are amended to read:

6017 1011.80 Funds for operation of workforce education
6018 programs.—

6019 (2) Any workforce education program may be conducted by a
6020 Florida Community College System institution or a school
6021 district, except that college credit in an associate in applied
6022 science or an associate in science degree may be awarded only by
6023 a Florida Community College System institution. However, if an
6024 associate in applied science or an associate in science degree
6025 program contains within it an occupational completion point that
6026 confers a certificate or an applied technology diploma, that
6027 portion of the program may be conducted by a school district
6028 career center. Any instruction designed to articulate to a
6029 degree program is subject to guidelines and standards adopted by
6030 the State Board of Community Colleges Education pursuant to s.

724756

576-02483-17

6031 1007.25.

6032 (5) State funding and student fees for workforce education
6033 instruction shall be established as follows:

6034 (b) For all other workforce education programs, state
6035 funding shall equal 75 percent of the average cost of
6036 instruction with the remaining 25 percent made up from student
6037 fees. Fees for courses within a program shall not vary according
6038 to the cost of the individual program, but instead shall be
6039 based on a uniform fee calculated and set at the state level, as
6040 adopted by the State Board of Education, for school districts
6041 and the State Board of Community Colleges, for Florida Community
6042 College System institutions, unless otherwise specified in the
6043 General Appropriations Act.

6044 (8) The State Board of Education, the State Board of
6045 Community Colleges, and CareerSource Florida, Inc., shall
6046 provide the Legislature with recommended formulas, criteria,
6047 timeframes, and mechanisms for distributing performance funds.
6048 The commissioner shall consolidate the recommendations and
6049 develop a consensus proposal for funding. The Legislature shall
6050 adopt a formula and distribute the performance funds to the
6051 State Board of Community Colleges Education for Florida
6052 Community College System institutions and to the State Board of
6053 Education for school districts through the General
6054 Appropriations Act. These recommendations shall be based on
6055 formulas that would discourage low-performing or low-demand
6056 programs and encourage through performance-funding awards:

6057 (a) Programs that prepare people to enter high-wage
6058 occupations identified by the Workforce Estimating Conference
6059 created by s. 216.136 and other programs as approved by

724756

576-02483-17

6060 CareerSource Florida, Inc. At a minimum, performance incentives
6061 shall be calculated for adults who reach completion points or
6062 complete programs that lead to specified high-wage employment
6063 and to their placement in that employment.

6064 (b) Programs that successfully prepare adults who are
6065 eligible for public assistance, economically disadvantaged,
6066 disabled, not proficient in English, or dislocated workers for
6067 high-wage occupations. At a minimum, performance incentives
6068 shall be calculated at an enhanced value for the completion of
6069 adults identified in this paragraph and job placement of such
6070 adults upon completion. In addition, adjustments may be made in
6071 payments for job placements for areas of high unemployment.

6072 (c) Programs that are specifically designed to be
6073 consistent with the workforce needs of private enterprise and
6074 regional economic development strategies, as defined in
6075 guidelines set by CareerSource Florida, Inc. CareerSource
6076 Florida, Inc., shall develop guidelines to identify such needs
6077 and strategies based on localized research of private employers
6078 and economic development practitioners.

6079 (d) Programs identified by CareerSource Florida, Inc., as
6080 increasing the effectiveness and cost efficiency of education.

6081 (9) School districts shall report full-time equivalent
6082 students by discipline category for the programs specified in
6083 subsection (1). There shall be an annual cost analysis for the
6084 school district workforce education programs that reports cost
6085 by discipline category consistent with the reporting for full-
6086 time equivalent students. The annual financial reports submitted
6087 by the school districts must accurately report on the student
6088 fee revenues by fee type according to the programs specified in

724756

576-02483-17

6089 subsection (1). The Department of Education and the State Board
6090 of Community Colleges shall develop a plan for comparable
6091 reporting of program, student, facility, personnel, and
6092 financial data between the Florida Community College System
6093 institutions and the school district workforce education
6094 programs.

6095 (11) The State Board of Education and the State Board of
6096 Community Colleges may adopt rules to administer this section.

6097 Section 99. Section 1011.801, Florida Statutes, is amended
6098 to read:

6099 1011.801 Workforce Development Capitalization Incentive
6100 Grant Program.—The Legislature recognizes that the need for
6101 school districts and Florida Community College System
6102 institutions to be able to respond to emerging local or
6103 statewide economic development needs is critical to the
6104 workforce development system. The Workforce Development
6105 Capitalization Incentive Grant Program is created to provide
6106 grants to school districts and Florida Community College System
6107 institutions on a competitive basis to fund some or all of the
6108 costs associated with the creation or expansion of workforce
6109 development programs that serve specific employment workforce
6110 needs.

6111 (1) Funds awarded for a workforce development
6112 capitalization incentive grant may be used for instructional
6113 equipment, laboratory equipment, supplies, personnel, student
6114 services, or other expenses associated with the creation or
6115 expansion of a workforce development program. Expansion of a
6116 program may include either the expansion of enrollments in a
6117 program or expansion into new areas of specialization within a

724756

576-02483-17

6118 program. No grant funds may be used for recurring instructional
6119 costs or for institutions' indirect costs.

6120 (2) The State Board of Education shall accept applications
6121 from school districts, and the State Board of Community Colleges
6122 shall accept applications from ~~or~~ Florida Community College
6123 System institutions, for workforce development capitalization
6124 incentive grants. Applications from school districts or Florida
6125 Community College System institutions must ~~shall~~ contain
6126 projected enrollments and projected costs for the new or
6127 expanded workforce development program. The State Board of
6128 Education or the State Board of Community Colleges, as
6129 appropriate, in consultation with CareerSource Florida, Inc.,
6130 shall review and rank each application for a grant according to
6131 subsection (3) and shall submit to the Legislature a list in
6132 priority order of applications recommended for a grant award.

6133 (3) The State Board of Education or the State Board of
6134 Community Colleges, as appropriate, shall give highest priority
6135 to programs that train people to enter high-skill, high-wage
6136 occupations identified by the Workforce Estimating Conference
6137 and other programs approved by CareerSource Florida, Inc.;
6138 programs that train people to enter occupations under the
6139 welfare transition program; or programs that train for the
6140 workforce adults who are eligible for public assistance,
6141 economically disadvantaged, disabled, not proficient in English,
6142 or dislocated workers. The State Board of Education or the State
6143 Board of Community Colleges, as appropriate, shall consider the
6144 statewide geographic dispersion of grant funds in ranking the
6145 applications and shall give priority to applications from
6146 education agencies that are making maximum use of their

576-02483-17

6147 workforce development funding by offering high-performing, high-
6148 demand programs.

6149 Section 100. Section 1011.81, Florida Statutes, is amended
6150 to read:

6151 1011.81 Florida Community College System Program Fund.—

6152 (1) There is established a Florida Community College System
6153 Program Fund. This fund shall comprise all appropriations made
6154 by the Legislature for the support of the current operating
6155 program and shall be apportioned and distributed to the Florida
6156 Community College System institution districts of the state on
6157 the basis of procedures established by law and rules of the
6158 State Board of Education. The annual apportionment for each
6159 Florida Community College System institution district shall be
6160 distributed monthly in payments as nearly equal as possible.

6161 (2) Performance funding for industry certifications for
6162 Florida Community College System institutions is contingent upon
6163 specific appropriation in the General Appropriations Act and
6164 shall be determined as follows:

6165 (a) Occupational areas for which industry certifications
6166 may be earned, as established in the General Appropriations Act,
6167 are eligible for performance funding. Priority shall be given to
6168 the occupational areas emphasized in state, national, or
6169 corporate grants provided to Florida educational institutions.

6170 (b) The Chancellor of the Florida Community College System,
6171 for the Florida Community College System institutions, shall
6172 identify the industry certifications eligible for funding on the
6173 CAPE Postsecondary Industry Certification Funding List approved
6174 by the State Board of Community Colleges Education pursuant to
6175 s. 1008.44, based on the occupational areas specified in the

576-02483-17

6176 General Appropriations Act.

6177 (c) Each Florida Community College System institution shall
6178 be provided \$1,000 for each industry certification earned by a
6179 student. The maximum amount of funding appropriated for
6180 performance funding pursuant to this subsection shall be limited
6181 to \$15 million annually. If funds are insufficient to fully fund
6182 the calculated total award, such funds shall be prorated.

6183 (3) None of the funds made available in the Florida
6184 Community College System Program Fund, or funds made available
6185 to Florida Community College System institutions outside the
6186 Florida Community College System Program Fund, may be used to
6187 implement, organize, direct, coordinate, or administer, or to
6188 support the implementation, organization, direction,
6189 coordination, or administration of, activities related to, or
6190 involving, travel to a terrorist state. For purposes of this
6191 section, "terrorist state" is defined as any state, country, or
6192 nation designated by the United States Department of State as a
6193 state sponsor of terrorism.

6194 (4) State funds provided for the Florida Community College
6195 System Program Fund may not be expended for the education of
6196 state or federal inmates.

6197 Section 101. Section 1011.82, Florida Statutes, is amended
6198 to read:

6199 1011.82 Requirements for participation in Florida Community
6200 College System Program Fund.—Each Florida Community College
6201 System institution district which participates in the state
6202 appropriations for the Florida Community College System Program
6203 Fund shall provide evidence of its effort to maintain an
6204 adequate Florida Community College System institution program

724756

576-02483-17

6205 which shall:

6206 (1) Meet the minimum standards prescribed by the State
6207 Board of Community Colleges Education in accordance with s.
6208 1001.602(5) ~~s. 1001.02(6)~~.

6209 (2) Effectively fulfill the mission of the Florida
6210 Community College System institutions in accordance with s.
6211 1004.65.

6212 Section 102. Section 1011.83, Florida Statutes, is amended
6213 to read:

6214 1011.83 Financial support of Florida Community College
6215 System institutions.—

6216 (1) Each Florida Community College System institution that
6217 ~~has been approved by the Department of Education and~~ meets the
6218 requirements of law and rules of the State Board of Community
6219 Colleges Education shall participate in the Florida Community
6220 College System Program Fund. However, funds to support workforce
6221 education programs conducted by Florida Community College System
6222 institutions shall be provided pursuant to s. 1011.80.

6223 (2) A student in a baccalaureate degree program approved
6224 pursuant to s. 1007.33 who is not classified as a resident for
6225 tuition purposes pursuant to s. 1009.21 may not be included in
6226 calculations of full-time equivalent enrollments for state
6227 funding purposes.

6228 Section 103. Section 1011.84, Florida Statutes, is amended
6229 to read:

6230 1011.84 Procedure for determining state financial support
6231 and annual apportionment of state funds to each Florida
6232 Community College System institution district.—The procedure for
6233 determining state financial support and the annual apportionment

724756

576-02483-17

6234 to each Florida Community College System institution district
6235 authorized to operate a Florida Community College System
6236 institution under the provisions of s. 1001.61 shall be as
6237 follows:

6238 (1) DETERMINING THE AMOUNT TO BE INCLUDED IN THE FLORIDA
6239 COMMUNITY COLLEGE SYSTEM PROGRAM FUND FOR THE CURRENT OPERATING
6240 PROGRAM.—

6241 (a) The State Board of Community Colleges Department of
6242 Education shall determine annually, from an analysis of
6243 operating costs, ~~prepared in the manner prescribed by rules of~~
6244 ~~the State Board of Education,~~ the costs per full-time equivalent
6245 student served in courses and fields of study offered in Florida
6246 Community College System institutions. This information and
6247 current college operating budgets shall be submitted to the
6248 Executive Office of the Governor with the legislative budget
6249 request prior to each regular session of the Legislature.

6250 (b) The allocation of funds for Florida Community College
6251 System institutions ~~must shall~~ be based on advanced and
6252 professional disciplines, developmental education, and other
6253 programs for adults funded pursuant to s. 1011.80.

6254 (c) The category of lifelong learning is for students
6255 enrolled pursuant to s. 1004.93. A student shall also be
6256 reported as a lifelong learning student for his or her
6257 enrollment in any course that he or she has previously taken,
6258 unless it is a credit course in which the student earned a grade
6259 of D or F.

6260 (d) If an adult student has been determined to be a
6261 disabled student eligible for an approved educational program
6262 for disabled adults provided pursuant to s. 1004.93 and rules of

576-02483-17

6263 the State Board of Community Colleges Education and is enrolled
6264 in a class with curriculum frameworks developed for the program,
6265 state funding for that student shall be provided at a level
6266 double that of a student enrolled in a special adult general
6267 education program provided by a Florida Community College System
6268 institution.

6269 (e) All state inmate education provided by Florida
6270 Community College System institutions shall be reported by
6271 program, FTE expenditure, and revenue source. These enrollments,
6272 expenditures, and revenues shall be reported and projected
6273 separately. Instruction of state inmates may shall not be
6274 included in the full-time equivalent student enrollment for
6275 funding through the Florida Community College System Program
6276 Fund.

6277 (f) When a public educational institution has been fully
6278 funded by an external agency for direct instructional costs of
6279 any course or program, the FTE generated may shall not be
6280 reported for state funding.

6281 (g) The State Board of Education shall adopt rules to
6282 implement s. 9(d)(8)f., Art. XII of the State Constitution.
6283 These rules shall provide for the use of the funds available
6284 under s. 9(d)(8)f., Art. XII by an individual Florida Community
6285 College System institution for operating expense in any fiscal
6286 year during which the State Board of Education has determined
6287 that all major capital outlay needs have been met. Highest
6288 priority for the use of these funds for purposes other than
6289 financing approved capital outlay projects shall be for the
6290 proper maintenance and repair of existing facilities for
6291 projects approved by the State Board of Education. However, in

576-02483-17

6292 any fiscal year in which funds from this source are authorized
6293 for operating expense other than approved maintenance and repair
6294 projects, the allocation of Florida Community College System
6295 institution program funds shall be reduced by an amount equal to
6296 the sum used for such operating expense for that Florida
6297 Community College System institution that year, and that amount
6298 shall not be released or allocated among the other Florida
6299 Community College System institutions that year.

6300 (2) DETERMINING THE AMOUNT TO BE INCLUDED FOR CAPITAL
6301 OUTLAY AND DEBT SERVICE.—The amount included for capital outlay
6302 and debt service shall be as determined and provided in s. 18,
6303 Art. XII of the State Constitution of 1885, as adopted by s.
6304 9(d), Art. XII of the 1968 revised State Constitution and State
6305 Board of Education rules.

6306 (3) DETERMINING THE APPORTIONMENT FROM STATE FUNDS.—

6307 (a) By December 15 of each year, the State Board of
6308 Community Colleges Department of Education shall estimate the
6309 annual enrollment of each Florida Community College System
6310 institution for the current fiscal year and for the 3 subsequent
6311 fiscal years. These estimates shall be based upon prior years'
6312 enrollments, upon the initial fall term enrollments for the
6313 current fiscal year for each college, and upon each college's
6314 estimated current enrollment and demographic changes in the
6315 respective Florida Community College System institution
6316 districts. Upper-division enrollment shall be estimated
6317 separately from lower-division enrollment.

6318 (b) The apportionment to each Florida Community College
6319 System institution from the Florida Community College System
6320 Program Fund shall be determined annually in the General

724756

576-02483-17

6321 Appropriations Act. In determining each college's apportionment,
6322 the Legislature shall consider the following components:

6323 1. Base budget, which includes the state appropriation to
6324 the Florida Community College System Program Fund in the current
6325 year plus the related student tuition and out-of-state fees
6326 assigned in the current General Appropriations Act.

6327 2. The cost-to-continue allocation, which consists of
6328 incremental changes to the base budget, including salaries,
6329 price levels, and other related costs allocated through a
6330 funding model approved by the Legislature which may recognize
6331 differing economic factors arising from the individual
6332 educational approaches of the various Florida Community College
6333 System institutions, including, but not limited to:

6334 a. Direct Instructional Funding, including class size,
6335 faculty productivity factors, average faculty salary, ratio of
6336 full-time to part-time faculty, costs of programs, and
6337 enrollment factors.

6338 b. Academic Support, including small colleges factor,
6339 multicampus factor, and enrollment factor.

6340 c. Student Services Support, including headcount of
6341 students as well as FTE count and enrollment factors.

6342 d. Library Support, including volume and other
6343 materials/audiovisual requirements.

6344 e. Special Projects.

6345 f. Operations and Maintenance of Plant, including square
6346 footage and utilization factors.

6347 g. District Cost Differential.

6348 3. Students enrolled in a recreation and leisure program
6349 and students enrolled in a lifelong learning program who may not

724756

576-02483-17

6350 be counted as full-time equivalent enrollments for purposes of
6351 enrollment workload adjustments.

6352 4. Operating costs of new facilities adjustments, which
6353 shall be provided, from funds available, for each new facility
6354 that is owned by the college and is recommended in accordance
6355 with s. 1013.31.

6356 5. New and improved program enhancements, which shall be
6357 determined by the Legislature.

6358
6359 Student fees in the base budget plus student fee revenues
6360 generated by increases in fee rates shall be deducted from the
6361 sum of the components determined in subparagraphs 1.-5. The
6362 amount remaining shall be the net annual state apportionment to
6363 each college.

6364 (c) ~~A~~ No Florida Community College System institution may
6365 not shall commit funds for the employment of personnel or
6366 resources in excess of those required to continue the same level
6367 of support for either the previously approved enrollment or the
6368 revised enrollment, whichever is lower.

6369 (d) The apportionment to each Florida Community College
6370 System institution district for capital outlay and debt service
6371 shall be the amount determined in accordance with subsection
6372 (2). This amount, less any amount determined as necessary for
6373 administrative expense by the State Board of Education and any
6374 amount necessary for debt service on bonds issued by the State
6375 Board of Education, shall be transmitted to the Florida
6376 Community College System institution board of trustees to be
6377 expended in a manner prescribed by rules of the State Board of
6378 Education.

576-02483-17

6379 (e) If at any time the unencumbered balance in the general
6380 fund of the Florida Community College System institution board
6381 of trustees approved operating budget goes below 5 percent, the
6382 president shall provide written notification to the State Board
6383 of Education.

6384 (f) Expenditures for apprenticeship programs must ~~shall~~ be
6385 reported separately.

6386 (g) Expenditures for upper-division enrollment in a Florida
6387 Community College System institution that grants baccalaureate
6388 degrees must ~~shall~~ be reported separately from expenditures for
6389 lower-division enrollment, in accordance with law and State
6390 Board of Education rule.

6391 (4) EXPENDITURE OF ALLOCATED FUNDS.—Any funds allocated
6392 herein to any Florida Community College System institution must
6393 ~~shall~~ be expended only for the purpose of supporting that
6394 Florida Community College System institution.

6395 (5) REPORT OF DEVELOPMENTAL EDUCATION.—Each Florida
6396 Community College System institution board of trustees shall
6397 report, as a separate item in its annual cost accounting system,
6398 the volume and cost of developmental education options provided
6399 to help students attain the communication and computation skills
6400 that are essential for college-level work pursuant to s.
6401 1008.30.

6402 Section 104. Section 1011.85, Florida Statutes, is amended
6403 to read:

6404 1011.85 Dr. Philip Benjamin Matching Grant Program for
6405 Florida Community College System Institutions.—

6406 (1) There is created the Dr. Philip Benjamin Matching Grant
6407 Program for Florida Community College System Institutions as a

576-02483-17

6408 single matching gifts program that encompasses the goals
6409 originally set out in the Academic Improvement Program, the
6410 Scholarship Matching Program, and the Health Care Education
6411 Quality Enhancement Challenge Grant. The program shall be
6412 administered according to rules of the State Board of Community
6413 Colleges ~~Education~~ and used to encourage private support in
6414 enhancing Florida Community College System institutions by
6415 providing the Florida Community College System with the
6416 opportunity to receive and match challenge grants. Funds
6417 received prior to the effective date of this act for each of the
6418 three programs shall be retained in the separate account for
6419 which it was designated.

6420 (2) Each Florida Community College System institution board
6421 of trustees receiving state appropriations under this program
6422 shall approve each gift to ensure alignment with the unique
6423 mission of the Florida Community College System institution. The
6424 board of trustees must link all requests for a state match to
6425 the goals and mission statement. The Florida Community College
6426 System Institution Foundation Board receiving state
6427 appropriations under this program shall approve each gift to
6428 ensure alignment with its goals and mission statement. Funds
6429 received from community events and festivals are not eligible
6430 for state matching funds under this program.

6431 (3) Upon approval by the Florida Community College System
6432 institution board of trustees and the State Board of Community
6433 Colleges ~~Education~~, the ordering of donations for priority
6434 listing of unmatched gifts should be determined by the
6435 submitting Florida Community College System institution.

6436 (4) Each year, eligible contributions received by a Florida

724756

576-02483-17

6437 Community College System institution's foundation or the State
6438 Board of Community Colleges Education by February 1 shall be
6439 eligible for state matching funds.

6440 (a) Each Florida Community College System institution board
6441 of trustees and, when applicable, the Florida Community College
6442 System Institution Foundation Board, receiving state
6443 appropriations under this program shall also certify in an
6444 annual report to the State Board of Community Colleges Education
6445 the receipt of eligible cash contributions that were previously
6446 unmatched by the state. The State Board of Education shall adopt
6447 rules providing all Florida Community College System
6448 institutions with an opportunity to apply for excess funds
6449 before the awarding of such funds.

6450 (b) Florida Community College System institutions must
6451 submit to the State Board of Community Colleges Education an
6452 annual expenditure report tracking the use of all matching
6453 funds.

6454 (c) The audit of each foundation receiving state funds from
6455 this program must include a certification of accuracy in the
6456 amount reported for matching funds.

6457 (5) The matching ratio for donations that are specifically
6458 designated to support scholarships, including scholarships for
6459 first-generation-in-college students, student loans, or need-
6460 based grants shall be \$1 of state funds to \$1 of local private
6461 funds.

6462 (6) Otherwise, funds must shall be proportionately
6463 allocated to the Florida Community College System institutions
6464 on the basis of matching each \$6 of local or private funds with
6465 \$4 of state funds. To be eligible, a minimum of \$4,500 must be

724756

576-02483-17

6466 raised from private sources.

6467 (7) The Florida Community College System institution board
6468 of trustees, in conjunction with the donor, shall determine make
6469 ~~the determination of~~ whether scholarships established pursuant
6470 to this program are endowed.

6471 (8) (a) Funds sufficient to provide the match shall be
6472 transferred from the state appropriations to the local Florida
6473 Community College System institution foundation or the statewide
6474 Florida Community College System institution foundation upon
6475 notification that a proportionate amount has been received and
6476 deposited by a Florida Community College System institution in
6477 its own trust fund.

6478 (b) If state funds appropriated for the program are
6479 insufficient to match contributions, the amount allocated must
6480 ~~shall~~ be reduced in proportion to its share of the total
6481 eligible contributions. However, in making proportional
6482 reductions, every Florida Community College System institution
6483 shall receive a minimum of \$75,000 in state matching funds if
6484 its eligible contributions would have generated an amount at
6485 least equal to \$75,000. All unmet contributions must shall be
6486 eligible for state matching funds in subsequent fiscal years.

6487 (9) Each Florida Community College System institution
6488 entity shall establish its own matching grant program fund as a
6489 depository for the private contributions and matching state
6490 funds provided under this section. Florida Community College
6491 System institution foundations are responsible for the
6492 maintenance, investment, and administration of their matching
6493 grant program funds.

6494 (10) The State Board of Community Colleges Education may

724756

576-02483-17

6495 receive submissions of requests for matching funds and
6496 documentation relating to those requests, may approve requests
6497 for matching funds, and may allocate such funds to the Florida
6498 Community College System institutions.

6499 (11) The board of trustees of the Florida Community College
6500 System institution and the State Board of Community Colleges
6501 ~~Education~~ are responsible for determining the uses for the
6502 proceeds of their respective trust funds. Such use of the
6503 proceeds shall include, but not be limited to, expenditure of
6504 the funds for:

6505 (a) Scientific and technical equipment.

6506 (b) Scholarships, loans, or need-based grants.

6507 (c) Other activities that will benefit future students as
6508 well as students currently enrolled at the Florida Community
6509 College System institution, will improve the quality of
6510 education at the Florida Community College System institution,
6511 or will enhance economic development in the community.

6512 (12) Each Florida Community College System institution
6513 shall notify all donors of private funds of a substantial delay
6514 in the availability of state matching funds for this program.

6515 (13) Effective July 1, 2011, state matching funds are
6516 temporarily suspended for donations received for this program on
6517 or after June 30, 2011. Existing eligible donations remain
6518 eligible for future matching funds. The program may be restarted
6519 after \$200 million of the backlog for programs under this
6520 section and ss. 1011.32, 1011.94, and 1013.79 have been matched.

6521 Section 105. Subsection (1) of section 1012.01, Florida
6522 Statutes, is amended to read:

6523 1012.01 Definitions.—As used in this chapter, the following

724756

576-02483-17

6524 terms have the following meanings:

6525 (1) SCHOOL OFFICERS.—The officers of the state system of
6526 public K-12 ~~and Florida College System institution~~ education
6527 shall be the Commissioner of Education and the members of the
6528 State Board of Education; for the Florida Community College
6529 System, the officers shall be the Chancellor of the Florida
6530 Community College System and the members of the State Board of
6531 Community Colleges; for each district school system, the
6532 officers shall be the district school superintendent and members
6533 of the district school board; and for each Florida Community
6534 College System institution, the officers shall be the Florida
6535 Community College System institution president and members of
6536 the Florida Community College System institution board of
6537 trustees.

6538 Section 106. Paragraph (a) of subsection (1) of section
6539 1012.80, Florida Statutes, is amended to read:

6540 1012.80 Participation by employees in disruptive activities
6541 at public postsecondary educational institutions; penalties.—

6542 (1) (a) Any person who accepts the privilege extended by the
6543 laws of this state of employment at any Florida Community
6544 College System institution shall, by working at such
6545 institution, be deemed to have given his or her consent to the
6546 policies of that institution, the policies of the State Board of
6547 Community Colleges Education, and the laws of this state. Such
6548 policies shall include prohibition against disruptive activities
6549 at Florida Community College System institutions.

6550 Section 107. Subsection (1) of section 1012.81, Florida
6551 Statutes, is amended to read:

6552 1012.81 Personnel records.—

576-02483-17

6553 (1) The State Board of Community Colleges Education shall
6554 adopt rules prescribing the content and custody of limited-
6555 access records that a Florida Community College System
6556 institution may maintain on its employees. Limited-access
6557 employee records are confidential and exempt from ~~the provisions~~
6558 ~~of~~ s. 119.07(1). Limited-access records include only the
6559 following:

6560 (a) Records containing information reflecting academic
6561 evaluations of employee performance; however, the employee and
6562 officials of the institution responsible for supervision of the
6563 employee shall have access to such records.

6564 (b) Records maintained for the purposes of any
6565 investigation of employee misconduct, including, but not limited
6566 to, a complaint against an employee and all information obtained
6567 pursuant to the investigation of such complaint; however, these
6568 records become public after the investigation ceases to be
6569 active or when the institution provides written notice to the
6570 employee who is the subject of the complaint that the
6571 institution has either:

- 6572 1. Concluded the investigation with a finding not to
6573 proceed with disciplinary action;
- 6574 2. Concluded the investigation with a finding to proceed
6575 with disciplinary action; or
- 6576 3. Issued a letter of discipline.

6577
6578 For the purpose of this paragraph, an investigation shall be
6579 considered active as long as it is continuing with a reasonable,
6580 good faith anticipation that a finding will be made in the
6581 foreseeable future. An investigation shall be presumed to be

576-02483-17

6582 inactive if no finding is made within 90 days after the
6583 complaint is filed.

6584 Section 108. Subsection (1) of section 1012.83, Florida
6585 Statutes, is amended to read:

6586 1012.83 Contracts with administrative and instructional
6587 staff.—

6588 (1) Each person employed in an administrative or
6589 instructional capacity in a Florida Community College System
6590 institution shall be entitled to a contract as provided by rules
6591 of the State Board of Community Colleges Education.

6592 Section 109. Section 1012.855, Florida Statutes, is amended
6593 to read:

6594 1012.855 Employment of Florida Community College System
6595 institution personnel; discrimination in granting salary
6596 prohibited.—

6597 (1) (a) Employment of all personnel in each Florida
6598 Community College System institution shall be upon
6599 recommendation of the president, subject to rejection for cause
6600 by the Florida Community College System institution board of
6601 trustees; to the rules of the State Board of Community Colleges
6602 Education relative to certification, tenure, leaves of absence
6603 of all types, including sabbaticals, remuneration, and such
6604 other conditions of employment as the State Board of Community
6605 Colleges Education deems necessary and proper; and to policies
6606 of the Florida Community College System institution board of
6607 trustees not inconsistent with law.

6608 (b) Any internal auditor employed by a Florida Community
6609 College System institution shall be hired by the Florida
6610 Community College System institution board of trustees and shall

724756

576-02483-17

6611 report directly to the board.

6612 (2) Each Florida Community College System institution board
6613 of trustees shall undertake a program to eradicate any
6614 discrimination on the basis of gender, race, or physical
6615 handicap in the granting of salaries to employees.

6616 Section 110. Section 1012.86, Florida Statutes, is amended
6617 to read:

6618 1012.86 Florida Community College System institution
6619 employment equity accountability program.—

6620 (1) Each Florida Community College System institution shall
6621 include in its annual equity update a plan for increasing the
6622 representation of women and minorities in senior-level
6623 administrative positions and in full-time faculty positions, and
6624 for increasing the representation of women and minorities who
6625 have attained continuing-contract status. Positions shall be
6626 defined in the personnel data element directory of the
6627 Department of Education. The plan must include specific
6628 measurable goals and objectives, specific strategies and
6629 timelines for accomplishing these goals and objectives, and
6630 comparable national standards as provided by the Department of
6631 Education. The goals and objectives shall be based on meeting or
6632 exceeding comparable national standards and shall be reviewed
6633 and recommended by the State Board of Community Colleges
6634 ~~Education~~ as appropriate. Such plans shall be maintained until
6635 appropriate representation has been achieved and maintained for
6636 at least 3 consecutive reporting years.

6637 (2) (a) On or before May 1 of each year, each Florida
6638 Community College System institution president shall submit an
6639 annual employment accountability plan to the Chancellor of the

724756

576-02483-17

6640 Florida Community College System and the State Board of
6641 Community Colleges ~~Commissioner of Education and the State Board~~
6642 ~~of Education~~. The accountability plan must show faculty and
6643 administrator employment data according to requirements
6644 specified on the federal Equal Employment Opportunity (EEO-6)
6645 report.

6646 (b) The plan must show the following information for those
6647 positions including, but not limited to:

- 6648 1. Job classification title.
- 6649 2. Gender.
- 6650 3. Ethnicity.
- 6651 4. Appointment status.

6652 5. Salary information. At each Florida Community College
6653 System institution, salary information shall also include the
6654 salary ranges in which new hires were employed compared to the
6655 salary ranges for employees with comparable experience and
6656 qualifications.

6657 6. Other comparative information including, but not limited
6658 to, composite information regarding the total number of
6659 positions within the particular job title classification for the
6660 Florida Community College System institution by race, gender,
6661 and salary range compared to the number of new hires.

6662 7. A statement certifying diversity and balance in the
6663 gender and ethnic composition of the selection committee for
6664 each vacancy, including a brief description of guidelines used
6665 for ensuring balanced and diverse membership on selection and
6666 review committees.

6667 (c) The annual employment accountability plan shall also
6668 include an analysis and an assessment of the Florida Community

576-02483-17

6669 College System institution's attainment of annual goals and of
6670 long-range goals for increasing the number of women and
6671 minorities in faculty and senior-level administrative positions,
6672 and a corrective action plan for addressing underrepresentation.

6673 (d) Each Florida Community College System institution's
6674 employment accountability plan must also include:

6675 1. The requirements for receiving a continuing contract.

6676 2. A brief description of the process used to grant
6677 continuing-contract status.

6678 3. A brief description of the process used to annually
6679 apprise each eligible faculty member of progress toward
6680 attainment of continuing-contract status.

6681 (3) Florida Community College System institution presidents
6682 and the heads of each major administrative division shall be
6683 evaluated annually on the progress made toward meeting the goals
6684 and objectives of the Florida Community College System
6685 institution's employment accountability plan.

6686 (a) The Florida Community College System institution
6687 presidents, or the presidents' designees, shall annually
6688 evaluate each department chairperson, dean, provost, and vice
6689 president in achieving the annual and long-term goals and
6690 objectives. A summary of the results of such evaluations shall
6691 be reported annually by the Florida Community College System
6692 institution president to the Florida Community College System
6693 institution board of trustees. Annual budget allocations by the
6694 Florida Community College System institution board of trustees
6695 for positions and funding must take into consideration these
6696 evaluations.

6697 (b) Florida Community College System institution boards of

576-02483-17

6698 trustees shall annually evaluate the performance of the Florida
6699 Community College System institution presidents in achieving the
6700 annual and long-term goals and objectives. A summary of the
6701 results of such evaluations shall be reported to the State Board
6702 of Community Colleges ~~Commissioner of Education and the State~~
6703 ~~Board of Education~~ as part of the Florida Community College
6704 System institution's annual employment accountability plan, and
6705 to the Legislature as part of the annual equity progress report
6706 submitted by the State Board of Community Colleges ~~Education~~.

6707 (4) The State Board of Community Colleges ~~Education~~ shall
6708 submit an annual equity progress report to the President of the
6709 Senate and the Speaker of the House of Representatives on or
6710 before January 1 of each year.

6711 (5) Each Florida Community College System institution shall
6712 develop a budgetary incentive plan to support and ensure
6713 attainment of the goals developed pursuant to this section. The
6714 plan shall specify, at a minimum, how resources shall be
6715 allocated to support the achievement of goals and the
6716 implementation of strategies in a timely manner. After prior
6717 review and approval by the Florida Community College System
6718 institution president and the Florida Community College System
6719 institution board of trustees, the plan shall be submitted as
6720 part of the annual employment accountability plan submitted by
6721 each Florida Community College System institution to the State
6722 Board of Community Colleges ~~Education~~.

6723 (6) Subject to available funding, the Legislature shall
6724 provide an annual appropriation to the State Board of Community
6725 Colleges ~~Education~~ to be allocated to Florida Community College
6726 System institution presidents, faculty, and administrative

724756

576-02483-17

6727 personnel to further enhance equity initiatives and related
6728 priorities that support the mission of colleges and departments
6729 in recognition of the attainment of the equity goals and
6730 objectives.

6731 Section 111. Subsection (3) of section 1013.01, Florida
6732 Statutes, is amended to read:

6733 1013.01 Definitions.—The following terms shall be defined
6734 as follows for the purpose of this chapter:

6735 (3) "Board," unless otherwise specified, means a district
6736 school board, a Florida Community College System institution
6737 board of trustees, a university board of trustees, and the Board
6738 of Trustees for the Florida School for the Deaf and the Blind.
6739 The term "board" does not include the State Board of Education,
6740 ~~or~~ the Board of Governors, or the State Board of Community
6741 Colleges.

6742 Section 112. Subsection (2) of section 1013.02, Florida
6743 Statutes, is amended to read:

6744 1013.02 Purpose; rules and regulations.—

6745 (2) (a) The State Board of Education shall adopt rules
6746 pursuant to ss. 120.536(1) and 120.54 to implement ~~the~~
6747 ~~provisions of this chapter for school districts and Florida~~
6748 ~~College System institutions.~~

6749 (b) The Board of Governors shall adopt regulations pursuant
6750 to its regulation development procedure to implement ~~the~~
6751 ~~provisions of this chapter for state universities.~~

6752 (c) The State Board of Community Colleges shall adopt rules
6753 pursuant to ss. 120.536(1) and 120.54 to implement this chapter
6754 for Florida Community College System institutions.

6755 Section 113. Section 1013.03, Florida Statutes, is amended

724756

576-02483-17

6756 to read:

6757 1013.03 Functions of the department, the State Board of
6758 Community Colleges, and the Board of Governors.—The functions of
6759 the Department of Education as it pertains to educational
6760 facilities of school districts, of the State Board of Community
6761 Colleges as it pertains to educational facilities of ~~and~~ Florida
6762 Community College System institutions, and of the Board of
6763 Governors as it pertains to educational facilities of state
6764 universities shall include, but not be limited to, the
6765 following:

6766 (1) Establish recommended minimum and maximum square
6767 footage standards for different functions and areas and
6768 procedures for determining the gross square footage for each
6769 educational facility to be funded in whole or in part by the
6770 state, including public broadcasting stations but excluding
6771 postsecondary special purpose laboratory space. The gross square
6772 footage determination standards may be exceeded when the core
6773 facility space of an educational facility is constructed or
6774 renovated to accommodate the future addition of classrooms to
6775 meet projected increases in student enrollment. The department,
6776 the State Board of Community Colleges, and the Board of
6777 Governors shall encourage multiple use of facilities and spaces
6778 in educational plants.

6779 (2) Establish, for the purpose of determining need,
6780 equitably uniform utilization standards for all types of like
6781 space, regardless of the level of education. These standards
6782 shall also establish, for postsecondary education classrooms, a
6783 minimum room utilization rate of 40 hours per week and a minimum
6784 station utilization rate of 60 percent. These rates shall be

724756

576-02483-17

6785 subject to increase based on national norms for utilization of
6786 postsecondary education classrooms.

6787 (3) Require boards to submit other educational plant
6788 inventories data and statistical data or information relevant to
6789 construction, capital improvements, and related costs.

6790 (4) Require each board and other appropriate agencies to
6791 submit complete and accurate financial data as to the amounts of
6792 funds from all sources that are available and spent for
6793 construction and capital improvements. The commissioner shall
6794 prescribe the format and the date for the submission of this
6795 data and any other educational facilities data. If any district
6796 does not submit the required educational facilities fiscal data
6797 by the prescribed date, the Commissioner of Education shall
6798 notify the district school board of this fact and, if
6799 appropriate action is not taken to immediately submit the
6800 required report, the district school board shall be directed to
6801 proceed pursuant to s. 1001.42(13)(b). If any Florida Community
6802 College System institution or university does not submit the
6803 required educational facilities fiscal data by the prescribed
6804 date, the same policy prescribed in this subsection for school
6805 districts shall be implemented.

6806 (5) Administer, under the supervision of the Commissioner
6807 of Education, the Public Education Capital Outlay and Debt
6808 Service Trust Fund and the School District and Community College
6809 District Capital Outlay and Debt Service Trust Fund.

6810 (6) Develop, review, update, revise, and recommend a
6811 mandatory portion of the Florida Building Code for educational
6812 facilities construction and capital improvement by Florida
6813 Community College System institution boards and district school

724756

576-02483-17

6814 boards.

6815 (7) Provide training, technical assistance, and building
6816 code interpretation for requirements of the mandatory Florida
6817 Building Code for the educational facilities construction and
6818 capital improvement programs of ~~the Florida College System~~
6819 ~~institution boards~~ and district school boards and, upon request,
6820 approve phase III construction documents for remodeling,
6821 renovation, or new construction of educational plants or
6822 ancillary facilities, except that Florida Community College
6823 System institutions and university boards of trustees shall
6824 approve specifications and construction documents for their
6825 respective institutions pursuant to guidelines of the Board of
6826 Governors or State Board of Community Colleges, as applicable.
6827 The Department of Management Services may, upon request, provide
6828 similar services for the Florida School for the Deaf and the
6829 Blind and shall use the Florida Building Code and the Florida
6830 Fire Prevention Code.

6831 (8) Provide minimum criteria, procedures, and training to
6832 boards to conduct educational plant surveys and document the
6833 determination of future needs.

6834 (9) Make available to boards technical assistance,
6835 awareness training, and research and technical publications
6836 relating to lifesafety, casualty, sanitation, environmental,
6837 maintenance, and custodial issues; and, as needed, technical
6838 assistance for survey, planning, design, construction,
6839 operation, and evaluation of educational and ancillary
6840 facilities and plants, facilities administrative procedures
6841 review, and training for new administrators.

6842 (10) (a) Review and validate surveys proposed or amended by

576-02483-17

6843 the boards and recommend to the Commissioner of Education, the
6844 Chancellor of the Florida Community College System, or the
6845 Chancellor of the State University System, as appropriate, for
6846 approval, surveys that meet the requirements of this chapter.

6847 1. The term "validate" as applied to surveys by school
6848 districts means to review inventory data as submitted to the
6849 department by district school boards; provide for review and
6850 inspection, where required, of student stations and aggregate
6851 square feet of inventory changed from satisfactory to
6852 unsatisfactory or changed from unsatisfactory to satisfactory;
6853 compare new school inventory to allocation limits provided by
6854 this chapter; review cost projections for conformity with cost
6855 limits set by s. 1013.64(6); compare total capital outlay full-
6856 time equivalent enrollment projections in the survey with the
6857 department's projections; review facilities lists to verify that
6858 student station and auxiliary facility space allocations do not
6859 exceed the limits provided by this chapter and related rules;
6860 review and confirm the application of uniform facility
6861 utilization factors, where provided by this chapter or related
6862 rules; ~~use~~ utilize the documentation of programs offered per
6863 site, as submitted by the board, to analyze facility needs;
6864 confirm that need projections for career and adult educational
6865 programs comply with needs documented by the Department of
6866 Education; and confirm the assignment of full-time student
6867 stations to all space except auxiliary facilities, which, for
6868 purposes of exemption from student station assignment, include
6869 the following:

- 6870 a. Cafeterias.
- 6871 b. Multipurpose dining areas.

576-02483-17

- 6872 c. Media centers.
- 6873 d. Auditoriums.
- 6874 e. Administration.
- 6875 f. Elementary, middle, and high school resource rooms, up
6876 to the number of such rooms recommended for the applicable
6877 occupant and space design capacity of the educational plant in
6878 the State Requirements for Educational Facilities, beyond which
6879 student stations must be assigned.
- 6880 g. Elementary school skills labs, up to the number of such
6881 rooms recommended for the applicable occupant and space design
6882 capacity of the educational plant in the State Requirements for
6883 Educational Facilities, beyond which student stations must be
6884 assigned.
- 6885 h. Elementary school art and music rooms.

6886 The Commissioner of Education may grant a waiver from the
6887 requirements of this subparagraph if a district school board
6888 determines that such waiver will make possible a substantial
6889 savings of funds or will be advantageous to the welfare of the
6890 educational system. The district school board shall present a
6891 full statement to the commissioner which sets forth the facts
6892 that warrant the waiver. If the commissioner denies a request
6893 for a waiver, the district school board may appeal such decision
6894 to the State Board of Education.

6895 2. The term "validate" as applied to surveys by Florida
6896 Community College System institutions and universities means to
6897 review and document the approval of each new site and official
6898 designation, where applicable; review the inventory database as
6899 submitted by each board to the department, including noncareer,
6900

724756

576-02483-17

6901 and total capital outlay full-time equivalent enrollment
6902 projections per site and per college; provide for the review and
6903 inspection, where required, of student stations and aggregate
6904 square feet of space changed from satisfactory to
6905 unsatisfactory; ~~use~~ ~~utilize~~ and review the documentation of
6906 programs offered per site submitted by the boards as accurate
6907 for analysis of space requirements and needs; confirm that needs
6908 projected for career and adult educational programs comply with
6909 needs documented by the Department of Education; compare new
6910 facility inventory to allocations limits as provided in this
6911 chapter; review cost projections for conformity with state
6912 averages or limits designated by this chapter; compare student
6913 enrollment projections in the survey to the department's
6914 projections; review facilities lists to verify that area
6915 allocations and space factors for generating space needs do not
6916 exceed the limits as provided by this chapter and related rules;
6917 confirm the application of facility utilization factors as
6918 provided by this chapter and related rules; and review, as
6919 submitted, documentation of how survey recommendations will
6920 implement the detail of current campus master plans and
6921 integrate with local comprehensive plans and development
6922 regulations.

6923 (b) Recommend priority of projects to be funded.

6924 (11) Prepare the commissioner's comprehensive fixed capital
6925 outlay legislative budget request and provide annually an
6926 estimate of the funds available for developing required 3-year
6927 priority lists. This amount shall be based upon the average
6928 percentage for the 5 prior years of funds appropriated by the
6929 Legislature for fixed capital outlay to each level of public

724756

576-02483-17

6930 education: public schools, Florida Community College System
6931 institutions, and universities.

6932 (12) Perform any other functions that may be involved in
6933 educational facilities construction and capital improvement
6934 which shall ensure that the intent of the Legislature is
6935 implemented.

6936 Section 114. Section 1013.28, Florida Statutes, is amended
6937 to read:

6938 1013.28 Disposal of property.—

6939 (1) REAL PROPERTY.—

6940 (a) Subject to rules of the State Board of Education, a
6941 district school board ~~or~~ the Board of Trustees for the Florida
6942 School for the Deaf and the Blind, ~~or a Florida College System~~
6943 ~~institution board of trustees~~ may dispose of any land or real
6944 property to which the board holds title which is, by resolution
6945 of the board, determined to be unnecessary for educational
6946 purposes as recommended in an educational plant survey. A
6947 district school board ~~or~~ the Board of Trustees for the Florida
6948 School for the Deaf and the Blind, ~~or a Florida College System~~
6949 ~~institution board of trustees~~ shall take diligent measures to
6950 dispose of educational property only in the best interests of
6951 the public. However, appraisals may be obtained by the district
6952 school board ~~or~~ the Board of Trustees for the Florida School
6953 for the Deaf and the Blind ~~before, or the Florida College System~~
6954 ~~institution board of trustees prior to~~ or simultaneously with
6955 the receipt of bids.

6956 (b) Subject to regulations of the Board of Governors, a
6957 state university board of trustees may dispose of any land or
6958 real property to which it holds valid title which is, by

724756

576-02483-17

6959 resolution of the state university board of trustees, determined
6960 to be unnecessary for educational purposes as recommended in an
6961 educational plant survey. A state university board of trustees
6962 shall take diligent measures to dispose of educational property
6963 only in the best interests of the public. However, appraisals
6964 may be obtained by the state university board of trustees prior
6965 to or simultaneously with the receipt of bids.

6966 (c) Subject to rules of the State Board of Community
6967 Colleges, a Florida Community College System institution board
6968 of trustees may dispose of any land or real property to which it
6969 holds valid title which is, by resolution of the Florida
6970 Community College System institution board of trustees,
6971 determined to be unnecessary for educational purposes as
6972 recommended in an educational plant survey. A Florida Community
6973 College System institution board of trustees shall take diligent
6974 measures to dispose of educational property only in the best
6975 interests of the public. However, appraisals may be obtained by
6976 the Florida Community College System institution board of
6977 trustees prior to or simultaneously with the receipt of bids.

6978 (2) TANGIBLE PERSONAL PROPERTY.-

6979 (a) Tangible personal property that has been properly
6980 classified as surplus by a district school board ~~or Florida~~
6981 ~~College System institution board of trustees~~ shall be disposed
6982 of in accordance with the procedure established by chapter 274.
6983 However, the provisions of chapter 274 shall not be applicable
6984 to a motor vehicle used in driver education to which title is
6985 obtained for a token amount from an automobile dealer or
6986 manufacturer. In such cases, the disposal of the vehicle shall
6987 be as prescribed in the contractual agreement between the

724756

576-02483-17

6988 automotive agency or manufacturer and the board.

6989 (b) Tangible personal property that has been properly
6990 classified as surplus by a state university board of trustees
6991 shall be disposed of in accordance with the procedure
6992 established by chapter 273.

6993 (c) Tangible personal property that has been properly
6994 classified as surplus by a Florida Community College System
6995 institution board of trustees shall be disposed of in accordance
6996 with the procedure established by chapter 274.

6997 Section 115. Subsection (1) of section 1013.31, Florida
6998 Statutes, is amended to read:

6999 1013.31 Educational plant survey; localized need
7000 assessment; PECO project funding.-

7001 (1) At least every 5 years, each board shall arrange for an
7002 educational plant survey, to aid in formulating plans for
7003 housing the educational program and student population, faculty,
7004 administrators, staff, and auxiliary and ancillary services of
7005 the district or campus, including consideration of the local
7006 comprehensive plan. The Department of Education, for school
7007 districts, and the State Board of Community Colleges, for the
7008 Florida Community College System, shall document the need for
7009 additional career and adult education programs and the
7010 continuation of existing programs before facility construction
7011 or renovation related to career or adult education may be
7012 included in the educational plant survey of a school district or
7013 Florida Community College System institution that delivers
7014 career or adult education programs. Information used by the
7015 Department of Education or State Board of Community Colleges to
7016 establish facility needs must include, but need not be limited

576-02483-17

7017 to, labor market data, needs analysis, and information submitted
7018 by the school district or Florida Community College System
7019 institution.

7020 (a) *Survey preparation and required data.*—Each survey shall
7021 be conducted by the board or an agency employed by the board.
7022 Surveys shall be reviewed and approved by the board, and a file
7023 copy shall be submitted to the Department of Education, the
7024 Chancellor of the Florida Community College System, or the
7025 Chancellor of the State University System, as appropriate. The
7026 survey report shall include at least an inventory of existing
7027 educational and ancillary plants, including safe access
7028 facilities; recommendations for existing educational and
7029 ancillary plants; recommendations for new educational or
7030 ancillary plants, including the general location of each in
7031 coordination with the land use plan and safe access facilities;
7032 campus master plan update and detail for Florida Community
7033 College System institutions; the use utilization of school
7034 plants based on an extended school day or year-round operation;
7035 and such other information as may be required by the Department
7036 of Education. This report may be amended, if conditions warrant,
7037 at the request of the department or commissioner.

7038 (b) *Required need assessment criteria for district, Florida*
7039 *Community College System institution, state university, and*
7040 *Florida School for the Deaf and the Blind plant surveys.*—
7041 Educational plant surveys must use uniform data sources and
7042 criteria specified in this paragraph. Each revised educational
7043 plant survey and each new educational plant survey supersedes
7044 previous surveys.

7045 1. The school district's survey must be submitted as a part

576-02483-17

7046 of the district educational facilities plan defined in s.
7047 1013.35. To ensure that the data reported to the Department of
7048 Education as required by this section is correct, the department
7049 shall annually conduct an onsite review of 5 percent of the
7050 facilities reported for each school district completing a new
7051 survey that year. If the department's review finds the data
7052 reported by a district is less than 95 percent accurate, within
7053 1 year from the time of notification by the department the
7054 district must submit revised reports correcting its data. If a
7055 district fails to correct its reports, the commissioner may
7056 direct that future fixed capital outlay funds be withheld until
7057 such time as the district has corrected its reports so that they
7058 are not less than 95 percent accurate.

7059 2. Each survey of a special facility, joint-use facility,
7060 or cooperative career education facility must be based on
7061 capital outlay full-time equivalent student enrollment data
7062 prepared by the department for school districts and Florida
7063 Community College System institutions and by the Chancellor of
7064 the State University System for universities. A survey of space
7065 needs of a joint-use facility shall be based upon the respective
7066 space needs of the school districts, Florida Community College
7067 System institutions, and universities, as appropriate.
7068 Projections of a school district's facility space needs may not
7069 exceed the norm space and occupant design criteria established
7070 by the State Requirements for Educational Facilities.

7071 3. Each Florida Community College System institution's
7072 survey must reflect the capacity of existing facilities as
7073 specified in the inventory maintained and validated by the
7074 Chancellor of the Florida Community College System ~~by the~~

576-02483-17

7075 ~~Department of Education.~~ Projections of facility space needs
7076 must comply with standards for determining space needs as
7077 specified by rule of the State Board of Community Colleges
7078 ~~Education.~~ The 5-year projection of capital outlay student
7079 enrollment must be consistent with the annual report of capital
7080 outlay full-time student enrollment prepared by the Department
7081 of Education.

7082 4. Each state university's survey must reflect the capacity
7083 of existing facilities as specified in the inventory maintained
7084 and validated by the Chancellor of the State University System.
7085 Projections of facility space needs must be consistent with
7086 standards for determining space needs as specified by regulation
7087 of the Board of Governors. The projected capital outlay full-
7088 time equivalent student enrollment must be consistent with the
7089 5-year planned enrollment cycle for the State University System
7090 approved by the Board of Governors.

7091 5. The district educational facilities plan of a school
7092 district and the educational plant survey of a Florida Community
7093 College System institution, state university, or the Florida
7094 School for the Deaf and the Blind may include space needs that
7095 deviate from approved standards for determining space needs if
7096 the deviation is justified by the district or institution and
7097 approved by the department, the State Board of Community
7098 Colleges, or the Board of Governors, as appropriate, as
7099 necessary for the delivery of an approved educational program.

7100 (c) *Review and validation.*—The Department of Education
7101 shall review and validate the surveys of school districts, the
7102 Chancellor of the Florida Community College System shall review
7103 and validate the surveys of ~~and~~ Florida Community College System

576-02483-17

7104 institutions, and the Chancellor of the State University System
7105 shall review and validate the surveys of universities, and any
7106 amendments thereto for compliance with the requirements of this
7107 chapter and shall recommend those in compliance for approval by
7108 the State Board of Education, the State Board of Community
7109 Colleges, or the Board of Governors, as appropriate. Annually,
7110 the department shall perform an in-depth analysis of a
7111 representative sample of each survey of recommended needs for
7112 five districts selected by the commissioner from among districts
7113 with the largest need-to-revenue ratio. For the purpose of this
7114 subsection, the need-to-revenue ratio is determined by dividing
7115 the total 5-year cost of projects listed on the district survey
7116 by the total 5-year fixed capital outlay revenue projections
7117 from state and local sources as determined by the department.
7118 The commissioner may direct fixed capital outlay funds to be
7119 withheld from districts until such time as the survey accurately
7120 projects facilities needs.

7121 (d) *Periodic update of Florida Inventory of School Houses.*—
7122 School districts shall periodically update their inventory of
7123 educational facilities as new capacity becomes available and as
7124 unsatisfactory space is eliminated. The State Board of Education
7125 shall adopt rules to determine the timeframe in which districts
7126 must provide a periodic update.

7127 Section 116. Subsections (1) and (3) of section 1013.36,
7128 Florida Statutes, are amended to read:

7129 1013.36 Site planning and selection.—

7130 (1) Before acquiring property for sites, each district
7131 school board and Florida Community College System institution
7132 board of trustees shall determine the location of proposed

724756

576-02483-17

7133 educational centers or campuses. In making this determination,
7134 the board shall consider existing and anticipated site needs and
7135 the most economical and practicable locations of sites. The
7136 board shall coordinate with the long-range or comprehensive
7137 plans of local, regional, and state governmental agencies to
7138 assure the consistency of such plans. Boards are encouraged to
7139 locate district educational facilities proximate to urban
7140 residential areas to the extent possible, and shall seek to
7141 collocate district educational facilities with other public
7142 facilities, such as parks, libraries, and community centers, to
7143 the extent possible and to encourage using elementary schools as
7144 focal points for neighborhoods.

7145 (3) Sites recommended for purchase or purchased must meet
7146 standards prescribed in law and such supplementary standards as
7147 the State Board of Education or State Board of Community
7148 Colleges, as appropriate, prescribes to promote the educational
7149 interests of the students. Each site must be well drained and
7150 suitable for outdoor educational purposes as appropriate for the
7151 educational program or collocated with facilities to serve this
7152 purpose. As provided in s. 333.03, the site must not be located
7153 within any path of flight approach of any airport. Insofar as is
7154 practicable, the site must not adjoin a right-of-way of any
7155 railroad or through highway and must not be adjacent to any
7156 factory or other property from which noise, odors, or other
7157 disturbances, or at which conditions, would be likely to
7158 interfere with the educational program. To the extent
7159 practicable, sites must be chosen which will provide safe access
7160 from neighborhoods to schools.

7161 Section 117. Subsections (3) and (4) of section 1013.37,

724756

576-02483-17

7162 Florida Statutes, are amended to read:

7163 1013.37 State uniform building code for public educational
7164 facilities construction.—

7165 (3) REVIEW PROCEDURE.—The Commissioner of Education and the
7166 Chancellor of the Florida Community College System, as
7167 appropriate, shall cooperate with the Florida Building
7168 Commission in addressing all questions, disputes, or
7169 interpretations involving the provisions of the Florida Building
7170 Code which govern the construction of public educational and
7171 ancillary facilities, and any objections to decisions made by
7172 the inspectors or the department must be submitted in writing.

7173 (4) BIENNIAL REVIEW AND UPDATE; DISSEMINATION.—The
7174 department, for school districts, and the State Board of
7175 Community Colleges, for Florida Community College System
7176 institutions, shall biennially review and recommend to the
7177 Florida Building Commission updates and revisions to the
7178 provisions of the Florida Building Code which govern the
7179 construction of public educational and ancillary facilities. The
7180 department, for school districts, and the State Board of
7181 Community Colleges, for Florida Community College System
7182 institutions, shall publish and make available to each board at
7183 no cost copies of the State Requirements for Educational
7184 Facilities and each amendment and revision thereto. The
7185 department and state board shall make additional copies
7186 available to all interested persons at a price sufficient to
7187 recover costs.

7188 Section 118. Section 1013.40, Florida Statutes, is amended
7189 to read:

7190 1013.40 Planning and construction of Florida Community

576-02483-17

7191 College System institution facilities; property acquisition.-

7192 (1) The need for Florida Community College System
7193 institution facilities shall be established by a survey
7194 conducted pursuant to this chapter. The facilities recommended
7195 by such survey must be approved by the State Board of Community
7196 Colleges Education, and the projects must be constructed
7197 according to the provisions of this chapter and State Board of
7198 Community Colleges Education rules.

7199 (2) ~~A~~ ~~Ne~~ Florida Community College System institution may
7200 not expend public funds for the acquisition of additional
7201 property without the specific approval of the Legislature.

7202 (3) ~~A~~ ~~Ne~~ facility may not be acquired or constructed by a
7203 Florida Community College System institution or its direct-
7204 support organization if such facility requires general revenue
7205 funds for operation or maintenance upon project completion or in
7206 subsequent years of operation, unless prior approval is received
7207 from the Legislature.

7208 (4) The campus of a Florida Community College System
7209 institution within a municipality designated as an area of
7210 critical state concern, as defined in s. 380.05, and having a
7211 comprehensive plan and land development regulations containing a
7212 building permit allocation system that limits annual growth, may
7213 construct dormitories for up to 300 beds for Florida Community
7214 College System institution students. Such dormitories are exempt
7215 from the building permit allocation system and may be
7216 constructed up to 45 feet in height if the dormitories are
7217 otherwise consistent with the comprehensive plan, the Florida
7218 Community College System institution has a hurricane evacuation
7219 plan that requires all dormitory occupants to be evacuated 48

576-02483-17

7220 hours in advance of tropical force winds, and transportation is
7221 provided for dormitory occupants during an evacuation. State
7222 funds and tuition and fee revenues may not be used for
7223 construction, debt service payments, maintenance, or operation
7224 of such dormitories. Additional dormitory beds constructed after
7225 July 1, 2016, may not be financed through the issuance of a
7226 bond.

7227 Section 119. Section 1013.47, Florida Statutes, is amended
7228 to read:

7229 1013.47 Substance of contract; contractors to give bond;
7230 penalties.—Each board shall develop contracts consistent with
7231 this chapter and statutes governing public facilities. Such a
7232 contract must contain the drawings and specifications of the
7233 work to be done and the material to be furnished, the time limit
7234 in which the construction is to be completed, the time and
7235 method by which payments are to be made upon the contract, and
7236 the penalty to be paid by the contractor for a failure to comply
7237 with the terms of the contract. The board may require the
7238 contractor to pay a penalty for any failure to comply with the
7239 terms of the contract and may provide an incentive for early
7240 completion. Upon accepting a satisfactory bid, the board shall
7241 enter into a contract with the party or parties whose bid has
7242 been accepted. The contractor shall furnish the board with a
7243 performance and payment bond as set forth in s. 255.05. A board
7244 or other public entity may not require a contractor to secure a
7245 surety bond under s. 255.05 from a specific agent or bonding
7246 company. A person, firm, or corporation that constructs any part
7247 of any educational plant, or addition thereto, on the basis of
7248 any unapproved plans or in violation of any plans approved in

724756

576-02483-17

7249 accordance with the provisions of this chapter and rules of the
7250 State Board of Education or State Board of Community Colleges or
7251 regulations of the Board of Governors relating to building
7252 standards or specifications is subject to forfeiture of the
7253 surety bond and unpaid compensation in an amount sufficient to
7254 reimburse the board for any costs that will need to be incurred
7255 in making any changes necessary to assure that all requirements
7256 are met and is also guilty of a misdemeanor of the second
7257 degree, punishable as provided in s. 775.082 or s. 775.083, for
7258 each separate violation.

7259 Section 120. Section 1013.52, Florida Statutes, is amended
7260 to read:

7261 1013.52 Cooperative development and joint use of facilities
7262 by two or more boards.—

7263 (1) Two or more boards, including district school boards,
7264 Florida Community College System institution boards of trustees,
7265 the Board of Trustees for the Florida School for the Deaf and
7266 the Blind, and university boards of trustees, desiring to
7267 cooperatively establish a common educational facility to
7268 accommodate students shall:

7269 (a) Jointly request a formal assessment by the Commissioner
7270 of Education, ~~or~~ the Chancellor of the State University System,
7271 or the Chancellor of the State Board of Community Colleges, as
7272 appropriate, of the academic program need and the need to build
7273 new joint-use facilities to house approved programs. Completion
7274 of the assessment and approval of the project by the State Board
7275 of Education, the State Board of Community Colleges, the
7276 Chancellor of the Florida Community College System, the Board of
7277 Governors, the Chancellor of the State University System, or the

724756

576-02483-17

7278 Commissioner of Education, as appropriate, should be done prior
7279 to conducting an educational facilities survey.

7280 (b) Demonstrate the need for construction of new joint-use
7281 facilities involving postsecondary institutions by those
7282 institutions presenting evidence of the presence of sufficient
7283 actual full-time equivalent enrollments in the locale in leased,
7284 rented, or borrowed spaces to justify the requested facility for
7285 the programs identified in the formal assessment rather than
7286 using projected or anticipated future full-time equivalent
7287 enrollments as justification. If the decision is made to
7288 construct new facilities to meet this demonstrated need, then
7289 building plans should consider full-time equivalent enrollment
7290 growth facilitated by this new construction and subsequent new
7291 program offerings made possible by the existence of the new
7292 facilities.

7293 (c) Adopt and submit to the Commissioner of Education, the
7294 Chancellor of the Florida Community College System, or and the
7295 Chancellor of the State University System, as appropriate, if
7296 the joint request involves a state university, a joint
7297 resolution of the participating boards indicating their
7298 commitment to the utilization of the requested facility and
7299 designating the locale of the proposed facility. The joint
7300 resolution shall contain a statement of determination by the
7301 participating boards that alternate options, including the use
7302 of leased, rented, or borrowed space, were considered and found
7303 less appropriate than construction of the proposed facility. The
7304 joint resolution shall contain assurance that the development of
7305 the proposed facility has been examined in conjunction with the
7306 programs offered by neighboring public educational facilities

724756

576-02483-17

7307 offering instruction at the same level. The joint resolution
7308 also shall contain assurance that each participating board shall
7309 provide for continuity of educational progression. All joint
7310 resolutions shall be submitted by August 1 for consideration of
7311 funding by the subsequent Legislature.

7312 (d) Submit requests for funding of joint-use facilities
7313 projects involving state universities and Florida Community
7314 College System institutions for approval by the Chancellor of
7315 the Florida Community College System ~~Commissioner of Education~~
7316 and the Chancellor of the State University System. The
7317 Chancellor of the Florida Community College System ~~Commissioner~~
7318 ~~of Education~~ and the Chancellor of the State University System
7319 shall jointly determine the priority for funding these projects
7320 in relation to the priority of all other capital outlay projects
7321 under their consideration. To be eligible for funding from the
7322 Public Education Capital Outlay and Debt Service Trust Fund
7323 under the provisions of this section, projects involving both
7324 state universities and Florida Community College System
7325 institutions shall appear on the 3-year capital outlay priority
7326 lists of Florida Community College System institutions and of
7327 universities required by s. 1013.64. Projects involving a state
7328 university, a Florida Community College System institution, and
7329 a public school, and in which the larger share of the proposed
7330 facility is for the use of the state university or the Florida
7331 Community College System institution, shall appear on the 3-year
7332 capital outlay priority lists of the Florida Community College
7333 System institutions or of the universities, as applicable.

7334 (e) Include in their joint resolution for the joint-use
7335 facilities, comprehensive plans for the operation and management

724756

576-02483-17

7336 of the facility upon completion. Institutional responsibilities
7337 for specific functions shall be identified, including
7338 designation of one participating board as sole owner of the
7339 facility. Operational funding arrangements shall be clearly
7340 defined.

7341 (2) An educational plant survey must be conducted within 90
7342 days after submission of the joint resolution and substantiating
7343 data describing the benefits to be obtained, the programs to be
7344 offered, and the estimated cost of the proposed project. Upon
7345 completion of the educational plant survey, the participating
7346 boards may include the recommended projects in their plan as
7347 provided in s. 1013.31. Upon approval of the project by the
7348 commissioner, the Chancellor of the Florida Community College
7349 System, or the Chancellor of the State University System, as
7350 appropriate, 25 percent of the total cost of the project, or the
7351 pro rata share based on space utilization of 25 percent of the
7352 cost, must be included in the department's legislative capital
7353 outlay budget request as provided in s. 1013.60 for educational
7354 plants. The participating boards must include in their joint
7355 resolution a commitment to finance the remaining funds necessary
7356 to complete the planning, construction, and equipping of the
7357 facility. Funds from the Public Education Capital Outlay and
7358 Debt Service Trust Fund may not be expended on any project
7359 unless specifically authorized by the Legislature.

7360 (3) Included in all proposals for joint-use facilities must
7361 be documentation that the proposed new campus or new joint-use
7362 facility has been reviewed by the State Board of Education, the
7363 State Board of Community Colleges, or the Board of Governors, as
7364 appropriate, and has been formally requested for authorization

724756

576-02483-17

7365 by the Legislature.

7366 (4) ~~A No~~ district school board, Florida Community College
7367 System institution, or state university ~~may not shall~~ receive
7368 funding for more than one approved joint-use facility per campus
7369 in any 3-year period.

7370 Section 121. Subsection (1) of section 1013.65, Florida
7371 Statutes, is amended to read:

7372 1013.65 Educational and ancillary plant construction funds;
7373 Public Education Capital Outlay and Debt Service Trust Fund;
7374 allocation of funds.-

7375 (1) The commissioner, through the department, shall
7376 administer the Public Education Capital Outlay and Debt Service
7377 Trust Fund. The commissioner shall allocate or reallocate funds
7378 as authorized by the Legislature. Copies of each allocation or
7379 reallocation shall be provided to members of the State Board of
7380 Education, the State Board of Community Colleges, and the Board
7381 of Governors and to the chairs of the House of Representatives
7382 and Senate appropriations committees. The commissioner shall
7383 provide for timely encumbrances of funds for duly authorized
7384 projects. Encumbrances may include proceeds to be received under
7385 a resolution approved by the State Board of Education
7386 authorizing the issuance of public education capital outlay
7387 bonds pursuant to s. 9(a)(2), Art. XII of the State
7388 Constitution, s. 215.61, and other applicable law. The
7389 commissioner shall provide for the timely disbursement of moneys
7390 necessary to meet the encumbrance authorizations of the boards.
7391 Records shall be maintained by the department to identify
7392 legislative appropriations, allocations, encumbrance
7393 authorizations, disbursements, transfers, investments, sinking

724756

576-02483-17

7394 funds, and revenue receipts by source. The Department of
7395 Education shall pay the administrative costs of the Public
7396 Education Capital Outlay and Debt Service Trust Fund from the
7397 funds which comprise the trust fund.

7398 Section 122. The State Board of Community Colleges, in
7399 collaboration with the Board of Governors, shall evaluate and
7400 report on the status of Florida's "2+2" system of articulation
7401 using the accountability measures required pursuant to s.
7402 1008.38, Florida Statutes, and any other applicable state law.
7403 By December 31, 2017, the state board and the Board of Governors
7404 shall submit their report to the Governor, the President of the
7405 Senate, and the Speaker of the House of Representatives. The
7406 report must include findings regarding the effectiveness of
7407 Florida's "2+2" system of articulation and recommendations for
7408 improvement.

7409 Section 123. The Division of Law Revision and Information
7410 is directed to prepare a reviser's bill for the 2018 Regular
7411 Session to substitute the term "Florida Community College
7412 System" for "Florida College System" and the term "Florida
7413 Community College System institution" for "Florida College
7414 System institution" where those terms appear in the Florida
7415 Statutes.

7416 Section 124. Except as otherwise expressly provided in this
7417 act and except for this section, which shall take effect upon
7418 becoming a law, this act shall take effect October 1, 2017.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 374 creates the “College Competitiveness Act of 2017” which restructures the governance of the Florida College System and modifies the mission of the system and its institutions. Specifically, the bill:

- Strengthens public college-to-university articulation by establishing the “2+2” targeted pathway program to provide to students guaranteed access to baccalaureate degree programs at state universities.
- Modifies the governance of the Florida Community College System (FCCS) by:
 - Renaming the Florida College System as the FCCS, and
 - Establishing a State Board of Community Colleges (SBCC), and transferring responsibilities regarding Florida’s community colleges from the State Board of Education (SBE) to the SBCC.
- Clarifies expectations and state oversight of baccalaureate degree programs offered by FCCS institutions, and:
 - Aligns the baccalaureate approval process for St. Petersburg College with the approval process for other FCCS institutions.
 - Establishes a cap on upper-level, undergraduate full-time equivalent (FTE) enrollment at Florida’s community colleges, but provides flexibility for planned and purposeful growth of baccalaureate degree programs if certain conditions are met.

- Clarifies the K-20 education system mission by emphasizing the mission must be to avoid wasteful duplication of programs, and reinforces the distinct mission of Florida's community colleges and technical centers in meeting Florida's labor market demands and regional needs.
- Specifies that a district school board may authorize a public high school within the district, including a charter school, to be located on a public or private postsecondary institution's campus.

Implementation of this bill requires the transfer of 34 existing positions and \$2.8 million from the State Board of Education budget for the creation of the State Board of Community Colleges. The State Board of Community Colleges will also need an additional 14 positions and \$1.7 million for necessary positions such as a General Counsel, Inspector General, Board Secretary, and others.

The bill takes effect October 1, 2017, except as otherwise expressly provided.

II. Present Situation:

Public higher education in Florida is delivered by school district-operated technical centers, Florida College System (FCS) institutions, and state universities. It is the intent of the Legislature to facilitate articulation and seamless integration of the K-20 education system by building, sustaining, and strengthening relationships among the various education sectors and delivery systems within the state.¹

2+2 Articulation

The State Board of Education (SBE) and the Board of Governors of the State University System (BOG) are required to enter into a statewide articulation agreement to preserve Florida's "2+2" system of articulation, facilitate the seamless articulation of student credit among Florida's education entities, and reinforce the articulation and admission policies specified in law.²

The articulation agreement must provide that every associate in arts graduate of an FCS institution has met all general education requirements, has indicated a baccalaureate degree offered by an institution of interest by the time the student earns 30 semester hours, and must be granted admission to the upper division, with certain exceptions,³ of a state university or an FCS institution that offers a baccalaureate degree.⁴ However, eligibility for admission to a state university does not provide to a transfer student guaranteed admission to the specific university or degree program that the student chooses.⁵

¹ Section 1007.01(1), F.S.

² Section 1007.23(1), F.S.

³ Exceptions include limited access programs, teacher certification programs, and those requiring an audition.

⁴ Section 1007.23(2)-(3), F.S.

⁵ Board of Governors Regulation 6.004.

Community College Governance

State Board of Education

The SBE⁶ is the “chief implementing and coordinating body of public education in Florida, except for the State University System” and is authorized to adopt rules to implement the provisions of law conferring duties upon the SBE to improve the state system of K-20 public education, except for the state university system.⁷ As such, the SBE has authority over the FCS institutions, and is authorized to delegate SBE’s general powers to the Commissioner of Education (Commissioner) or the directors of the divisions of the Florida Department of Education (DOE or department).⁸

Department of Education

The DOE is the administrative and supervisory agency under the implementation direction of the SBE.⁹ The Commissioner is appointed by the SBE and serves as the executive director of the department.¹⁰ Within the DOE, the Division of Florida Colleges (DFC)¹¹ is directed by the Chancellor of the DFC,¹² who reports directly to the Commissioner.¹³

Florida College System

The Legislature established the system of governance for the FCS to maximize open access for students, respond to community needs for postsecondary academic education and career degree education, and provide associate and baccalaureate degrees that will best meet the state’s employment needs.¹⁴

The FCS is comprised of 28 FCS institutions and the regional service areas for such institutions are specified in law.¹⁵ Each FCS institution is governed by a local board of trustees (BOT).¹⁶ The FCS BOT members are appointed by the Governor to staggered four-year terms, and confirmed

⁶ The State Board of Education is established in Art. IX, s. 2, Fla. Const., as “a body corporate and have such supervision of the system of free public education as is provided by law.”

¹⁵ The 28 Florida College System (FCS) institutions are Eastern Florida State College, Broward College, College of Central Florida, Chipola College, Daytona State College, Florida SouthWestern State College, Florida State College at Jacksonville, Florida Keys Community College, Gulf Coast State College, Hillsborough Community College, Indian River State College, Florida Gateway College, Lake-Sumter State College, State College of Florida, Manatee-Sarasota, Miami Dade College, North Florida Community College, Northwest Florida State College, Palm Beach State College, Pasco-Hernando State College, Pensacola State College, Polk State College, St. Johns River State College, St. Petersburg College, Santa Fe College, Seminole State College of Florida, South Florida State College, Tallahassee Community College, and Valencia College. Section 1000.21(3), F.S.

¹⁶ Sections 1001.60(3), 1001.61(1), and 1004.65(1), F.S. FCS institutions are statutorily designated as political subdivisions of the state. Section 1004.67, F.S.

by the Senate.¹⁷ Each FCS BOT is responsible for cost-effective policy decisions regarding the FCS institution's mission, the implementation and maintenance of high-quality education programs within law and rules of the SBE, the measurement of performance, the reporting of information, and the provision of input on state policy, budgeting, and education standards.¹⁸ FCS boards of trustees are authorized to adopt rules, procedures, and policies regarding admissions, programs, administration, personnel, contracts, and facilities.¹⁹

All 28 FCS institutions are regionally accredited by SACS.²⁰

Community College Baccalaureate Approval Process

The Legislature created the site-determined baccalaureate degree access program in 1999 to authorize FCS institutions to offer baccalaureate degrees to meet the economic development and educational needs of place-bound, nontraditional students in areas of the state that are underserved by 4-year institutions.²¹ However, the primary responsibility of FCS institutions is the provision of associate degrees that provide access to a university.²²

In 2001, the Legislature redesignated St. Petersburg Junior College as St. Petersburg College (SPC) and authorized community colleges to offer baccalaureate degrees in populous counties that are underserved by public baccalaureate degree granting institutions.²³ The legislative intent to provide access to baccalaureate degrees was to “address the state’s workforce needs, especially the need for teachers, nurses, and business managers in agencies and firms that require expertise in technology.”²⁴ The Legislature specified the purpose for authorizing SPC to offer high quality undergraduate education at affordable prices is to “promote economic development by preparing people for occupations that require a bachelor’s degree and are in demand by existing or emerging public and private employers in this state.”²⁵

The SBE is responsible for reviewing and approving proposals by FCS institutions to offer baccalaureate degree programs.²⁶ As a part of the approval process:

- FCS institutions must submit a notice of intent to the DFC regarding the proposed baccalaureate degree program 100 days before the submission of the program proposal.²⁷
- Within 10 days after receipt of the notice, the DFC must forward the notice of intent to the Chancellor of the State University System (SUS), the President of Independent Colleges and

Universities of Florida, and the Executive Director of the Commission for Independent Education.²⁸

- State universities have 60 days, after receipt of the notice by the Chancellor of the SUS, to submit objections to the proposed program or submit an alternative proposal to offer the baccalaureate degree program.
- If the SBE does not receive a proposal from a state university within the 60-day period, the SBE must provide regionally accredited private colleges and universities 30 days to submit objections to the proposed program or submit an alternative proposal.
- Objections and alternative proposals must be submitted to the DFC, and must be considered by the SBE in making its decision to approve or deny a FCS institution's baccalaureate degree program proposal.²⁹
- The DFC must notify the FCS institution of any deficiencies in writing within 30 days following receipt of the proposal, and provide the FCS institution with an opportunity to correct the deficiencies.
- Within 45 days following receipt of a completed proposal by the DFC, the Commissioner must recommend approval or disapproval of the proposal to the SBE.
- The SBE must consider such recommendation, the proposal, and any objections or alternative proposals at its next meeting, and the SBE must provide to the FCS institution written reasons for any disapproval of baccalaureate degree proposals.

Currently, 27 FCS institutions offer 179 baccalaureate degree programs.³⁰ Since August 2015, 10 baccalaureate degree proposals have been approved, the DFC has withdrawn 11 baccalaureate degree proposals from consideration for SBE approval, and FCS institutions have submitted 14 new baccalaureate proposals to the DFC for approval by the SBE.³¹

In 2015-16, funded full-time-equivalent (FTE) enrollment in FCS upper-division programs was 15,281, which represented 4.7 percent of the total funded FCS FTE enrollment of 327,992.³²

²⁸ *Id.* at (5)(b).

Funded FTE enrollment in upper division programs in the FCS has risen by approximately 102 percent from 7,584 in 2010-11³³ to 15,281 in 2015-16.³⁴

Mission

The mission of Florida's K-20 education system is to allow its students to increase their proficiency by allowing them the opportunity to expand their knowledge and skills through rigorous and relevant learning opportunities in accordance with the mission statement and requirements of the K-20 education performance accountability system.³⁵

Florida College System

The primary mission and responsibility of FCS institutions is responding to community needs for postsecondary academic education and career degree education.³⁶ Florida law specifies the following as the primary mission of FCS institutions:³⁷

- Providing lower-level undergraduate instruction and awarding associate degrees.
- Preparing students directly for careers requiring less than baccalaureate degrees.
- Providing student development services to ensure student success.
- Promoting economic development for the state through special programs (e.g., Enterprise Florida-related programs and workforce literacy programs).
- Providing dual enrollment instruction.
- Providing upper-level instruction and awarding baccalaureate degrees authorized by law.

Additionally, a secondary mission of FCS institutions includes offering programs in:³⁸

- Community services that are not directly related to academic or occupational advancement.
- Adult education services.
- Recreational and leisure services.

Technical Centers

Florida law does not provide a specific mission for the career centers.³⁹ However, the law specifies that career centers, under the control of district school boards,⁴⁰ must offer terminal courses of a technical nature and courses for out-of-school youth and adults.⁴¹

³⁹ Section 1001.44, F.S.

⁴⁰ There are 48 Council on Occupational Education-accredited career centers operated by school districts, 1 of which is a charter technical career center. Email, Department of Education (Jan. 18, 2017).

⁴¹ Section 1001.44(3)(a), F.S.

The purpose of charter technical career centers is to:⁴²

- Develop a competitive workforce to support local business and industry and economic development.
- Create a training and education model that is reflective of marketplace realities.
- Offer a continuum of career educational opportunities using school-to-work, tech-prep, technical academy, and magnet school model.
- Provide career pathways for lifelong learning and career mobility.
- Enhance career and technical training.

Educational Facilities

Florida law authorizes state and local officials to cooperate in establishing and maintaining educational plants that will provide for public educational needs throughout the state.⁴³

III. Effect of Proposed Changes:

This bill restructures the governance of the Florida College System and modifies the mission of the system and its institutions. Specifically, the bill:

- Strengthens public college-to-university articulation by establishing the “2+2” targeted pathway program to provide to students guaranteed access to baccalaureate degree programs at state universities.
- Modifies the governance of the Florida Community College System (FCCS) by:
 - Renaming the Florida College System as the FCCS.
 - Establishing a State Board of Community Colleges (SBCC), and transferring responsibilities regarding Florida’s community colleges from the State Board of Education (SBE) to the SBCC.
 - Removing the Division of Florida Colleges (DFC) as a division within the Department of Education (DOE).
- Clarifies expectations and state oversight of baccalaureate degree programs offered by FCCS institutions, and:
 - Aligns the baccalaureate approval process for St. Petersburg College with the approval process for other FCCS institutions.
 - Establishes a cap on upper-level, undergraduate FTE enrollment at Florida’s community colleges, but provides flexibility for planned and purposeful growth of baccalaureate degree programs if certain conditions are met.
- Clarifies the K-20 education system mission by emphasizing the mission must be to avoid wasteful duplication of programs, and reinforces the distinct mission of Florida’s community colleges and technical centers in meeting Florida’s labor market demands and community and regional needs. The bill also:
 - Changes providing upper-level instruction and awarding baccalaureate degrees from a primary mission to a secondary mission of Florida’s community colleges.

⁴² Section 1002.34(2), F.S. Currently, Lake Technical College is the only charter technical career center. Email, Florida Department of Education, *2017 Agency Analysis of SB 374* (Feb. 2, 2017), at 11.

⁴³ Section 1013.02(1), F.S.

- Establishes the primary mission of technical centers to promote workforce preparation and economic development and prohibits technical centers from offering college credit courses, college credit certificates, associate degrees, and baccalaureate degrees.

2+2 Articulation (Sections 55, 56, and 123)

Section 56 of the bill strengthens “2+2” articulation by creating a mechanism for expanding locally-developed “2+2” articulation agreements to include guaranteed pathways to baccalaureate degree programs at state universities for students enrolled in associate in arts (AA) degree programs at FCCS institutions. Specifically, the bill:

- Requires each FCCS institution to execute at least one “2+2” targeted pathway articulation agreement to establish a “2+2” targeted pathway program with one or more state universities.
- Requires the “2+2” targeted pathway articulation agreement to provide to students who meet specified requirements guaranteed access to the state university and baccalaureate degree program in accordance with the terms of the agreement.
- Establishes student eligibility criteria to participate in a “2+2” targeted pathway articulation program. A student must:
 - Enroll in the program before completing 30 credit hours;
 - Complete an AA degree; and
 - Meet the university’s transfer requirements.
- Establishes requirements for state universities that execute “2+2” targeted pathway articulation agreements with their partner public college. A state university must:
 - Establish a 4-year on-time graduation plan for a baccalaureate degree program;
 - Advise students enrolled in the program about the university’s transfer and degree program requirements; and
 - Provide students access to academic advisors and campus events, and guarantee admittance to the state university and degree program in accordance with the terms of the agreement.
- Requires the SBCC and Board of Governors of the State University System of Florida (BOG) to collaborate to eliminate barriers to executing “2+2” targeted pathway articulation agreements.

The “2+2” targeted pathway program is consistent with recent efforts by state universities to strengthen regional articulation. The statewide “2+2” articulation agreement established in law⁴⁴ does not require a 4-year graduation plan and does not guarantee access to a university or degree program of a student’s choice. To provide students a path to on-time graduation in four years with a baccalaureate degree, some state universities have established articulation agreements with regional public colleges.⁴⁵ For instance, the “DirectConnect to UCF”⁴⁶ guarantees admission to the University of Central Florida (UCF) with an associate degree from a partner institution, and offers university advising to develop an academic plan and access to UCF campuses for

⁴⁴ Section 1007.23(2), F.S.

⁴⁵ Board of Governors, *Enhancement Programs & Partnerships at State Universities* (Jan. 25, 2017), available at http://www.flbog.edu/documents_meetings/0260_1037_7837_2.2.2%202+2EnhancementPrograms.pdf.

⁴⁶ University of Central Florida, Presentation to the Senate Committee on Education, *DirectConnect to UCF* (Dec. 12, 2016), available at <http://www.flsenate.gov/Committees/Show/ED/Meeting%20Packet/3540/>.

services and events. Similarly, the University of South Florida's (USF) "FUSE" program⁴⁷ offers students guaranteed admission to a USF System institution. The FUSE program creates an academic pathway that provides a map for taking required courses, advising at USF and the partner institution regarding university requirements, a specially-designed orientation session for "2+2" students at the beginning of the program, and access to USF facilities and events.

The value of such targeted "2+2" agreements is to assist AA-degree graduates to transfer to a state university and graduate on time in 4 years with a baccalaureate degree. In 2014-15, more than 36 percent of AA graduates from the FCS did not apply to the SUS. Forty-five percent of AA graduates from the FCS ultimately enrolled in the SUS.⁴⁸ The graduation rate for a 2011 cohort of AA transfer students to the SUS (those who transferred with an AA and graduated in two more years) was 25 percent.⁴⁹

Additionally, section 55 of the bill clarifies that to preserve Florida's "2+2" system of articulation, the SBE, the BOG, and the SBCC must collaboratively establish and adopt articulation policies with input from relevant statewide advisory groups, and make recommendations to the Legislature. Section 123 of the bill also requires the SBCC to collaborate with the BOG to evaluate and report on the status of Florida's "2+2" system of articulation using the articulation accountability measures established in law,⁵⁰ and include in the report due to the Governor and the Legislature by December 31, 2017, findings and recommendations for improvement.

Community College Governance (Sections 2 through 6, 18, 19, and 124)

The bill modifies the governance of the FCCS under a SBCC. Specifically, section 2 of the bill provides that:

- Effective July 1, 2017:
 - The Florida College System is renamed as the Florida Community College System.
 - The SBCC, administratively housed within the DOE, is created to oversee and coordinate the FCCS, and requires the Governor to appoint the membership of the SBCC in time for the board's organizational meeting by September 30, 2017.
 - The DFC must provide administrative support to the SBCC until September 30, 2017.
 - Beginning September 1, 2017, SBCC staggered membership terms are established.
 - The SBCC is required to appoint a Chancellor of the FCCS by November 1, 2017. The Chancellor of the DFC must serve as the Chancellor of the FCCS until the SBCC selects a chancellor.
- Effective October 1, 2017:

⁴⁷ University of South Florida, Presentation to the Senate Committee on Education, *FUSE* (Dec. 12, 2016), available at <http://www.flsenate.gov/Committees/Show/ED/Meeting%20Packet/3540/>.

⁴⁹ Office of Program Policy Analysis and Government Accountability, *State University System Undergraduate Student Success Overview*, Presentation to the Committee on Education, The Florida Senate (Dec. 12, 2016), available at <http://www.flsenate.gov/Committees/Show/ED/Meeting%20Packet/3540/>.

⁵⁰ Section 1008.38, F.S.

- FCS- and DFC-related powers and duties, functions, personnel, funds, contracts, and administrative rules are transferred, by type 2 transfer, to the SBCC.
- The DOE must provide support services to the SBCC, consistent with the ongoing support services that the DOE provides to the BOG.
- The Division of Florida Colleges is removed as a division within the DOE.
- SBE approvals, policies, guidance, and appointments remain in effect unless acted upon by the SBCC.

In addition, sections 2 through 4 of the bill include technical and conforming provisions related to the transfer of responsibilities regarding Florida's community colleges, effective October 1, 2017. Specifically, the bill:

- Transfers general and specific powers and duties relating to the FCCS from the SBE to the SBCC.⁵¹
- Removes the DFC as a division within the DOE, and transfers the division's duties to the SBCC or Chancellor of the FCCS.⁵²
- Transfers specific powers and duties relating to the FCCS from the Commissioner of Education (Commissioner) to the Chancellor of the FCCS.⁵³
- Transfers general and specific powers and duties relating to the FCCS from the Commissioner to the SBCC.⁵⁴
- Transfers specific powers and duties relating to the FCCS from the DOE to the SBCC.⁵⁵
- Adds an SBCC role in specific duties currently performed by the SBE and BOG.⁵⁶
- Adds a Chancellor of the FCCS role in specific duties currently performed by multiple entities (i.e., the Commissioner and the Chancellor of the BOG).⁵⁷

Section 18 of the bill creates a new SBCC as a governing board for community colleges similar to the board that existed prior to 2003. The 1983 Legislature created the State Board of Community Colleges (former SBCC) as a coordinating board for the FCCS.⁵⁸ The law⁵⁹ charged

⁵¹ Sections 1000.03, 1000.05, 1001.02, 1001.03, 1001.60, 1001.602, 1001.61, 1001.64, 1001.65, 1001.66, 1001.67, 1002.34, 1004.02, 1004.03, 1004.07, 1004.084, 1004.085, 1004.096, 1004.0961, 1004.35, 1004.6495, 1004.65, 1004.67, 1004.70, 1004.71, 1004.78, 1004.80, 1004.91, 1004.92, 1004.925, 1004.93, 1006.60, 1006.61, 1006.62, 1006.71, 1007.25, 1007.263, 1007.264, 1007.265, 1007.27, 1007.273, 1007.33, 1008.30, 1008.31, 1008.32, 1008.405, 1008.44, 1008.45, 1009.21, 1009.22, 1009.23, 1009.25, 1009.26, 1009.28, 1010.01, 1010.02, 1010.04, 1010.07, 1010.08, 1010.09, 1010.22, 1010.30, 1010.58, 1011.01, 1011.30, 1011.32, 1011.80, 1011.801, 1011.81, 1011.82, 1011.83, 1011.84, 1011.85, 1012.01, 1012.80, 1012.81, 1012.83, 1012.855, 1012.86, 1013.02, 1013.28, 1013.31, 1013.36, 1013.4, and 1013.47, F.S.

⁵⁷ Sections 1004.74, 1007.01, 1007.24, 1007.25, 1007.33, 1008.44, 1012.01, 1013.03, 1013.31, and 1013.37, F.S.

⁵⁸ See s. 15, ch. 83-326, L.O.F., amending s. 240.305, F.S., to redesignate the State Community College Coordinating Board as the State Board of Community Colleges.

⁵⁹ Section 240.305, F.S. (1983).

the former SBCC with providing “statewide leadership in overseeing and coordinating the individually governed public community colleges.”⁶⁰ The former SBCC was subject to the overall supervision of the State Board of Education.⁶¹

In 1998, a constitutional amendment replaced the State Board of Education,⁶² composed of the elected governor and cabinet, with a new State Board of Education (SBE) appointed by the Governor.⁶³ To implement this change in governance structure and achieve a seamless system of education,⁶⁴ the 2000 Legislature enacted the Florida Governance Reorganization Act of 2000,⁶⁵ which repealed the former SBCC and transferred governance of the FCCS to the new Governor-appointed SBE, effective January 7, 2003. The 2001 Legislature continued to make necessary changes to Florida education governance and created the Division of Community Colleges (DCC) and a Chancellor of Community Colleges within the DOE.⁶⁶

The following table shows the governance of the community college system in Florida since 1983.

Governance of Florida’s Community Colleges			
	1983 – 2003	Current	Proposed
System	Florida Community College System ⁶⁷	Florida College System ⁶⁸	Florida Community College System
Board	SBCC as Coordinating Board ⁶⁹	SBE as Governing Board ⁷⁰	SBCC as Governing Board
Board Oversight	Commissioner of Education ⁷¹ and SBE ^{72,73}	Appointed by Governor ⁷⁴	Governor
Board Membership	Commissioner of Education, 1 student, 11 lay citizens; appointed by the Governor, approved by the SBE, and confirmed by the Senate ⁷⁵	Seven members appointed by the Governor and confirmed by the Senate ⁷⁶	Commissioner of Education, 1 student and 1 faculty member, 10 lay citizens; appointed by the Governor, in a manner that provides equitable

			geographical representation. Except for the student member, all members must reside and be registered to vote in Florida and be confirmed by the Senate
Staff	DCC ⁷⁷	DFC ⁷⁸	SBCC
Staff Leadership	Executive Director of the Community College System ⁷⁹	Chancellor of the DFC ⁸⁰	Chancellor of the FCCS
Administrative Location	DOE	DOE	DOE (administrative assignment only; SBCC operates independently)
Institution Governance	Institution Board of Trustees ⁸¹	Institution Board of Trustees ⁸²	Institution Board of Trustees

Sections 5 and 6 of the bill provide parallel standards of conduct for members of the SBCC and members of a FCCS board of trustees, which mirror the requirements for the BOG and members of a state university board of trustees. Section 5 of the bill prohibits SBCC members and members of a FCCS board of trustees from being employed as a legislative lobbyist. Section 6 of the bill requires SBCC members and members of a FCCS board of trustees to disclose their financial interests.

Finally, section 124 of the bill directs the Division of Law Revision and Information to develop reviser’s bill for the 2018 Regular Session to substitute the term “Florida Community College System” for “Florida College System” and the term “Florida Community College System institutions” for “Florida College System institutions” where those terms appear in the Florida Statutes.

Community College Baccalaureate Degree Approval Process (Sections 66)

Section 66 of the bill clarifies expectations and state oversight of baccalaureate degree programs offered by FCCS institutions. Specifically, the bill:

- Modifies the FCCS institution baccalaureate degree approval process to:
 - Require FCCS institutions to submit a notice of interest into a shared postsecondary database at least 180 days before submission of the notice of intent.
 - Require FCCS institutions to submit a notice of intent and justification for the proposed baccalaureate degree at least 100 days before submitting the baccalaureate degree proposal.

⁷⁷ Section 240.3031, F.S., repealed January 7, 2003, by s. 3(7), ch. 2000-321.

⁷⁸ Section 20.15(3), F.S.

⁷⁹ The executive director of the community college system served as the executive officer and as secretary to the former SBCC. Section 240.311(4), F.S., repealed January 7, 2003, by s. 3(7), ch. 2000-321, L.O.F.

⁸⁰ Section 20.15(4), F.S.

⁸¹ Section 240.313, F.S., repealed January 7, 2003, by s. 3(7), ch. 2000-321.

⁸² Section 1001.64(3), F.S.

- Specify that the required justification for the proposed baccalaureate degree include a data-driven analysis of workforce demand, including employment data and projections by the Department of Economic Opportunity, which must be verified by the Chancellor of the FCCS.
- Extend the timeframe from 30 days to 60days for private regionally-accredited colleges and universities, to submit their objections to the proposed baccalaureate degree programs and provide reasons for such objections.
- Eliminate the requirement for state universities and private colleges and universities to submit alternative proposals to the proposed baccalaureate degree programs.
- Require the SBCC consider input from the Chancellor of the SUS and the president of the Independent Colleges and Universities of Florida, and any objections before approving or denying a college's proposal.
- Aligns the baccalaureate degree approval process for St. Petersburg College with the approval process for other FCCS institutions.

Section 66 of the bill reinforces state oversight responsibilities by requiring the SBCC to direct an FCCS institution's board of trustees to terminate a baccalaureate degree program if the state's review indicates negative performance and compliance results, and the college fails to demonstrate a need for the program.

Additionally, this section prohibits the community colleges from offering bachelor of arts degrees⁸³ and establishes a cap on upper-level, undergraduate FTE enrollment at FCCS institutions while providing flexibility for planned and purposeful growth of baccalaureate degree programs if certain conditions are met. The bill requires FCCS institutions to obtain legislative approval for exceeding the specified upper-level, undergraduate FTE enrollment cap. Specifically, the bill:

- Provides that if the 2015-2016 total upper-level, undergraduate FTE enrollment at an FCCS institution is:
 - At or above 10 percent⁸⁴ of the 2015-2016 combined total lower-level and upper-level FTE enrollment at that institution, the total upper-level enrollment, as a percentage of the combined enrollment, may not increase by more than 4 percentage points unless the institution obtains prior legislative approval.
 - Below 10 percent⁸⁵ of the 2015-2016 combined total lower-level and upper-level FTE enrollment at that institution, the total upper-level enrollment, as a percentage of the

⁸³ Currently, there are no bachelor of arts degrees offered by community colleges. Email, Florida Department of Education, *2017 Agency Analysis of SB 374* (Feb. 2, 2017).

⁸⁴ Community colleges at or above the 8 percent threshold in 2015-16 were Chipola College, Daytona Beach State College, Florida State College at Jacksonville, Indian River State College, Polk State College, and St. Petersburg College. The Florida Senate staff analysis, Florida Department of Education, *Florida College System FTE Enrollment: Funded-30, Lower and Upper Division, 2015-16 FTE-3*, available at <http://fldoe.org/core/fileparse.php/15267/urlt/1516FTE3EnrollmentReport.pdf>.

⁸⁵ Community colleges below the 8 percent threshold in 2015-16 were Broward College, College of Central Florida, Eastern Florida State College, Florida SouthWestern State College, Florida Gateway College, Florida Keys Community College, Gulf Coast State College, Hillsborough Community College, Lake Sumter State College, Miami Dade College, Northwest Florida State College, North Florida Community College, Palm Beach State College, Pasco Hernando State College, Pensacola State College, Santa Fe College, Seminole State College, South Florida State College, State College of Florida-Manatee, Sarasota, St. Johns River State College,

- combined enrollment, may not increase by more than 8 percentage points unless the institution obtains prior legislative approval.
- Specifies that the total upper-level enrollment at any institution may not exceed 15 percent, of the combined upper- and lower-level enrollment.
 - Emphasizes that within the 4 percent or 8 percent authorized growth, for any planned and purposeful expansion of existing baccalaureate degree programs or creation of a new baccalaureate program, an FCCS institution must demonstrate satisfactory performance in:
 - Fulfilling its primary mission as specified in law;⁸⁶
 - Executing at least one “2+2” targeted pathway articulation agreement specified in law;⁸⁷ and
 - Meeting or exceeding the performance standards related to on-time graduation rates for students earning associate in arts or baccalaureate degrees.⁸⁸
 - Establishes reporting requirements relating to upper-level enrollment, provides a mechanism for the SBCC to ensure compliance, and prohibits community colleges from reporting for funding, the upper-level, undergraduate full-time equivalent enrollment that exceeds the upper-level enrollment percent specified in the bill.

This section also reinforces the state’s expectation of college affordability by requiring the college’s program enrollment projections and funding requirements to include the college’s efforts to sustain the program at a cost of tuition and fees for Florida residents not to exceed \$10,000 for the entire degree program, including flexible tuition and fee rates, and the use of waivers authorized by law.⁸⁹

Mission of Florida’s Public K-20 Education System (Section 7, 15, 16, 26, 40, and 48)

Section 7 of the bill reinforces the state’s expectation that institutions within Florida’s K-20 education system avoid wasteful duplication of programs offered by state universities, FCCS institutions, and career centers operated by district school boards.

The bill also clarifies the mission of Florida’s public K-20 education system. Specifically,

- Section 40 of the bill changes the provision of upper-level instruction and awarding baccalaureate degrees from a primary mission to a secondary mission of FCCS institutions.
- Sections 16 and 26 of the bill specify that the primary mission of a career center or a charter technical career center is to promote advances and innovations in workforce preparation and economic development; except that a career center or charter technical career center may not award college credit.

The bill modifies the scope and responsibilities for career education in school districts and FCCS institutions. Specifically,

Tallahassee Community College, and Valencia College. The Florida Senate staff analysis, Florida Department of Education, *Florida College System FTE Enrollment: Funded-30, Lower and Upper Division, 2015-16 FTE-3*, available at <http://fldoe.org/core/fileparse.php/15267/urlt/1516FTE3EnrollmentReport.pdf>.

⁸⁶ Section 1004.65, F.S.

⁸⁷ Section 1007.23, F.S.

⁸⁸ Section 1001.66, F.S.

⁸⁹ Section 1009.26(11), F.S.

- Section 40 of the bill expands the scope of career education at an FCCS institution to include nationally recognized industry certifications.
- Section 48 of the bill modifies the accountability for career education to specify that such accountability must reflect the quality components of career and technical education programs in developing program standards and industry-driven benchmarks for career, adult, and community education programs.

High School Educational Facilities (Section 115)

Section 115 specifies that a district school board may authorize a public high school within the district, including a charter school authorized to operate under s. 1002.33, F.S., to be located on a public or private postsecondary institution's campus. Currently, Florida law has authorized Florida Agricultural and Mechanical University, Florida Atlantic University, Florida State University, University of Florida and other universities approved by the State Board of Education and the Legislature to sponsor a developmental research (laboratory) school.⁹⁰ Laboratory schools are public schools and must be affiliated with the college of education within the state university of closest proximity.⁹¹ This section allows a district school board to authorize a public high school, unaffiliated with a postsecondary institution, to operate on a postsecondary institution's campus.

The bill takes effect October 1, 2017, except as otherwise expressly provided.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

⁹⁰ Section 1002.32(2), F.S.

⁹¹ *Id.*

B. Private Sector Impact:

CS/CS/SB 374 may result in education-related cost savings⁹² for students with an associate in arts degree who pursue a baccalaureate degree under the targeted “2+2” articulation pathway program and graduate on time in 4 years.

C. Government Sector Impact:

Implementation of this bill requires the transfer of 34 existing positions and \$2.8 million from the State Board of Education budget for the creation of the State Board of Community Colleges. The State Board of Community Colleges will also need an additional 14 positions and \$1.7 million for necessary positions such as a General Counsel, Inspector General, Board Secretary, and others.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 20.15, 112.313, 112.3145, 1000.03, 1000.05, 1001.02, 1001.03, 1001.10, 1001.11, 1001.20, 1001.28, 1001.42, 1001.44, 1001.60, 1001.61, 1001.64, 1001.65, 1001.66, 1001.67, 1001.706, 1002.34, 1003.491, 1003.493, 1004.015, 1004.02, 1004.03, 1004.04, 1004.07, 1004.084, 1004.085, 1004.096, 1004.0961, 1004.35, 1004.6495, 1004.65, 1004.67, 1004.70, 1004.71, 1004.74, 1004.78, 1004.80, 1004.91, 1004.92, 1004.925, 1004.93, 1006.60, 1006.61, 1006.62, 1006.71, 1007.01, 1007.23, 1007.24, 1007.25, 1007.262, 1007.263, 1007.264, 1007.265, 1007.27, 1007.271, 1007.273, 1007.33, 1008.30, 1008.31, 1008.32, 1008.345, 1008.37, 1008.38, 1008.405, 1008.44, 1008.45, 1009.21, 1009.22, 1009.23, 1009.25, 1009.26, 1009.28, 1009.90, 1009.91, 1009.971, 1010.01, 1010.02, 1010.04, 1010.07, 1010.08, 1010.09, 1010.22, 1010.30, 1010.58, 1011.01, 1011.011, 1011.30, 1011.32, 1011.80, 1011.801, 1011.81, 1011.82, 1011.83, 1011.84, 1011.85, 1012.01, 1012.80, 1012.81, 1012.83, 1012.855, 1012.86, 1013.01, 1013.02, 1013.03, 1013.28, 1013.31, 1013.36, 1013.37, 1013.40, 1013.47, 1013.52, and 1013.65, F.S.

This bill creates the following sections of the Florida Statutes: 20.156, 1001.601, 1001.602, and 1013.29.

This bill creates two undesignated sections of the Florida Statutes.

⁹² The average annual cost of attendance in 2016-2017 at a state university is \$21,534.08. Board of Governors, *Fall/Spring Cost of Attendance On-Campus for Full-Time Undergraduate Florida Residents 2016-17*, available at http://www.flbog.edu/about/doc/budget/attendance/CostAttendance2016_17_FINAL.xlsx.

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

None.

- B. **Amendments:**

CS/CS by Appropriations on April 6, 2017:

The committee substitute:

- Adds parallel standards of conduct language for State Board of Community Colleges (SBCC) and Florida Community College System (FCCS) institution board of trustees members that:
 - Prohibits appointed members from being employed as a legislative lobbyist, and
 - Requires disclosure of financial interests.
- Modifies the SBCC appointments by:
 - Including geographical representation,
 - Including a faculty member representative,
 - Changing the student member term to one year and exempting the student member from Senate confirmation,
 - Requiring that, except for the student member, each member must reside and be registered to vote in Florida, and Removing the limit on the on the number of four-year terms for reappointment.
- Modifies the community college baccalaureate degree approval process to shorten the approval time and:
 - Include a new notice of interest, which must be submitted into a share postsecondary database at least 180 days before submission of the notice of intent,
 - Require a notice of intent and justification to be submitted at least 100 days before the degree proposal,
 - Require the justification for the degree program to include employment data and projections from the Department of Economic Opportunity,
 - Provide a consistent 60-day timeframe for state universities, and private institutions to provide feedback on a degree proposal, and
 - Modify SBCC rulemaking authority to prescribe requirements for various notices, proposals, and objections.
- Modifies the baccalaureate degree enrollment caps to specify that if the 2015-2016 baccalaureate degree program full-time equivalent (FTE) enrollment at an FCCS institution is:
 - At or above 10 percent of the 2015-2016 combined total lower-level and upper-level FTE enrollment at that institution, the total upper-level enrollment, as a percentage of the combined enrollment, may not increase by more than 4 percentage points unless the institution obtains prior legislative approval.
 - Below 10 percent of the 2015-2016 combined total lower-level and upper-level FTE enrollment at that institution, the total upper-level enrollment, as a percentage of the combined enrollment, may not increase by more than 8 percentage points unless the institution obtains prior legislative approval.

- Sets a 15 percent maximum baccalaureate program enrollment cap for all FCCS institutions.
- Clarifies that the SBCC and State Board of Education should collaborate on career education issues and standards.
- Specifies that a district school board may authorize a public high school within the district, including a charter school, to be located on a public or private postsecondary institution's campus.
- Makes technical changes regarding the effective dates of certain sections of the bill and the bill as a whole.

CS by Education on February 6, 2017:

The committee substitute clarifies that:

- The authorization to conduct an investigation of a community college president's actions rests with the inspector general of the State Board of Community Colleges instead of the inspector general of the Florida Department of Education.

The State Board of Community Colleges must be responsible for charter technical career centers operated by Florida Community College System institutions regarding the adoption of standards of basic skill mastery for completion of certificate career education programs.

By the Committee on Education; and Senators Hukill, Galvano, and Simpson

581-01712-17

2017374c1

A bill to be entitled

1 An act relating to postsecondary education; providing
 2 a short title; renaming the Florida College System as
 3 the Florida Community College System; creating the
 4 State Board of Community Colleges; requiring the
 5 Governor to appoint the membership of the board;
 6 providing that the appointments are subject to
 7 confirmation by the Senate; requiring the Division of
 8 Florida Colleges to provide administrative support to
 9 the board until a specified date; transferring the
 10 Florida College System and the Division of Florida
 11 Colleges to the State Board of Community Colleges by a
 12 specified date; requiring the State Board of Community
 13 Colleges to appoint a Chancellor of the Florida
 14 Community College System by a specified date; amending
 15 s. 20.15, F.S.; removing the Division of Florida
 16 Colleges from within the Department of Education;
 17 requiring the department to provide support to the
 18 State Board of Community Colleges; creating s. 20.156,
 19 F.S.; creating the State Board of Community Colleges
 20 and assigning and housing it for administrative
 21 purposes, only, within the department; providing the
 22 personnel for the state board; providing the powers
 23 and duties of the state board; requiring the state
 24 board to conduct an organizational meeting by a
 25 specified date; amending s. 1000.03, F.S.; revising
 26 the function and mission of the Florida K-20 education
 27 system; requiring the State Board of Community
 28 Colleges to oversee enforcement of Florida Community
 29 College System laws and rules; amending s. 1000.05,
 30 F.S.; requiring the State Board of Community Colleges,
 31

581-01712-17

2017374c1

32 instead of the Commissioner of Education, to make
 33 certain determinations regarding equal opportunities
 34 at Florida Community College System institutions;
 35 requiring the State Board of Community Colleges to
 36 adopt rules; amending s. 1001.02, F.S.; revising the
 37 general powers of the State Board of Education to
 38 exempt provisions relating to the Florida Community
 39 College System; amending s. 1001.03, F.S.; revising
 40 certain articulation accountability and enforcement
 41 measures; requiring the State Board of Education to
 42 collect information in conjunction with the Board of
 43 Governors and the State Board of Community Colleges;
 44 deleting duties of the State Board of Education
 45 regarding the Florida Community College System;
 46 amending ss. 1001.10 and 1001.11, F.S.; revising the
 47 general powers and duties of the Commissioner of
 48 Education to exempt certain powers and duties related
 49 to the Florida Community College System; amending s.
 50 1001.20, F.S.; revising duties of the Office of
 51 Inspector General within the department regarding the
 52 Florida Community College System; amending s. 1001.28,
 53 F.S.; providing that the powers and duties of the
 54 State Board of Community Colleges are not abrogated,
 55 superseded, altered, or amended by certain provisions
 56 relating to the department's duties for distance
 57 learning; amending s. 1001.42, F.S.; prohibiting a
 58 technical center governing board from approving
 59 certain types of courses and programs; amending s.
 60 1001.44, F.S.; providing the primary mission of a

581-01712-17

2017374c1

61 career center operated by a district school board;
 62 prohibiting specified career centers from offering
 63 certain courses and programs; amending s. 1001.60,
 64 F.S.; conforming provisions to changes made by the
 65 act; creating s. 1001.601, F.S.; establishing the
 66 State Board of Community Colleges; providing the
 67 membership of the board; creating s. 1001.602, F.S.;
 68 providing the responsibilities and duties of the State
 69 Board of Community Colleges; requiring the board to
 70 coordinate with the State Board of Education; amending
 71 ss. 1001.61, 1001.64, 1001.65, 1001.66, and 1001.67,
 72 F.S.; conforming provisions to changes made by the
 73 act; amending s. 1001.706, F.S.; revising cooperation
 74 duties of the Board of Governors to include
 75 requirements for working with the State Board of
 76 Community Colleges; amending s. 1002.34, F.S.;
 77 providing the primary mission of a charter technical
 78 career center; prohibiting specified career centers or
 79 charter technical career centers from offering certain
 80 courses and programs; requiring the State Board of
 81 Education to adopt rules; amending s. 1003.491, F.S.;
 82 revising the Florida Career and Professional Education
 83 Act to require the State Board of Community Colleges
 84 to recommend, jointly with the Board of Governors and
 85 the Commissioner of Education, certain deadlines for
 86 new core courses; amending s. 1003.493, F.S.; revising
 87 department duties regarding articulation and the
 88 transfer of credits to postsecondary institutions to
 89 include consultation with the State Board of Community

581-01712-17

2017374c1

90 Colleges; amending s. 1004.015, F.S.; providing that
 91 the Higher Education Coordinating Council serves as an
 92 advisory board to, in addition to other bodies, the
 93 State Board of Community Colleges; revising council
 94 reporting requirements to include a report to the
 95 State Board of Community Colleges; requiring the State
 96 Board of Community Colleges, in addition to other
 97 entities, to provide administrative support for the
 98 council; amending ss. 1004.02 and 1004.03, F.S.;
 99 conforming provisions to changes made by the act;
 100 amending s. 1004.04, F.S.; revising department
 101 reporting requirements regarding teacher preparation
 102 programs to require a report to the State Board of
 103 Community Colleges; amending s. 1004.07, F.S.;
 104 providing that the State Board of Community Colleges,
 105 instead of the State Board of Education, provide
 106 guidelines for Florida Community College System
 107 institution boards of trustees' policies; amending ss.
 108 1004.084, 1004.085, 1004.096, 1004.0961, 1004.35, and
 109 1004.6495, F.S.; conforming provisions to changes made
 110 by the act; amending s. 1004.65, F.S.; revising
 111 Florida Community College System institution
 112 governance, mission, and responsibilities to provide
 113 authority and duties to the State Board of Community
 114 Colleges, instead of the State Board of Education;
 115 providing that offering upper-level instruction and
 116 awarding baccalaureate degrees are a secondary and not
 117 a primary role of a Florida Community College System
 118 institution; amending ss. 1004.67, 1004.70, and

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

119 1004.71, F.S.; conforming provisions to changes made
 120 by the act; amending s. 1004.74, F.S.; requiring the
 121 Chancellor of the Florida Community College System,
 122 jointly with the Commissioner of Education, to appoint
 123 members of the Council for the Florida School for the
 124 Arts; amending ss. 1004.78 and 1004.80, F.S.;

125 conforming provisions to changes made by the act;
 126 amending s. 1004.91, F.S.; requiring the State Board
 127 of Community Colleges, instead of the State Board of
 128 Education, to provide certain rules for Florida
 129 Community College System institutions regarding
 130 requirements for career education program basic
 131 skills; amending s. 1004.92, F.S.; providing
 132 accountability for career education for the State
 133 Board of Community Colleges; revising the department's
 134 accountability for career education; requiring the
 135 State Board of Education and the State Board of
 136 Community Colleges to adopt rules; amending s.
 137 1004.925, F.S.; revising industry certification
 138 requirements for automotive service technology
 139 education programs to include the State Board of
 140 Community Colleges; amending s. 1004.93, F.S.;

141 conforming provisions to changes made by the act;
 142 amending s. 1006.60, F.S.; authorizing sanctions for
 143 violations of certain rules of the State Board of
 144 Community Colleges, instead of the State Board of
 145 Education; amending ss. 1006.61, 1006.62, and 1006.71,
 146 F.S.; conforming provisions to changes made by the
 147 act; amending s. 1007.01, F.S.; revising the role of

2017374c1

148 the State Board of Education and the Board of
 149 Governors in the statewide articulation system to
 150 include the State Board of Community Colleges and the
 151 Chancellor of the Florida Community College System;
 152 amending s. 1007.23, F.S.; requiring each Florida
 153 Community College System institution to execute at
 154 least one "2+2" targeted pathway articulation
 155 agreement by a specified time; providing requirements
 156 and student eligibility for the agreements; requiring
 157 the State Board of Community Colleges and the Board of
 158 Governors to collaborate to eliminate barriers for the
 159 agreements; amending s. 1007.24, F.S.; revising the
 160 statewide course numbering system to include
 161 participation by and input from the State Board of
 162 Community Colleges and the Chancellor of the Florida
 163 Community College System; amending ss. 1007.25,
 164 1007.262, 1007.263, 1007.264, 1007.265, and 1007.27,
 165 F.S.; conforming provisions to changes made by the
 166 act; amending s. 1007.271, F.S.; requiring the State
 167 Board of Education to collaborate with the State Board
 168 of Community Colleges regarding certain articulation
 169 agreements; amending s. 1007.273, F.S.; requiring the
 170 State Board of Community Colleges to enforce
 171 compliance with certain provisions relating to the
 172 collegiate high school program by a specified date
 173 each year; amending s. 1007.33, F.S.; prohibiting
 174 Florida Community College System institutions from
 175 offering bachelor of arts degree programs; deleting
 176 provisions relating to an authorization for the Board

177 of Trustees of St. Petersburg College to establish
 178 certain baccalaureate degree programs; revising the
 179 approval process for baccalaureate degree programs
 180 proposed by Florida Community College System
 181 institutions; requiring a Florida Community College
 182 System institution to annually report certain
 183 information to the State Board of Community Colleges,
 184 the Chancellor of the State University System, and the
 185 Legislature; revising the circumstances under which a
 186 baccalaureate degree program may be required to be
 187 modified or terminated; requiring the termination of a
 188 baccalaureate degree program under certain
 189 circumstances; restricting total upper-level,
 190 undergraduate full-time equivalent enrollment at
 191 Florida Community College System institutions under
 192 certain circumstances; amending s. 1008.30, F.S.;
 193 requiring the State Board of Community Colleges,
 194 rather than the State Board of Education, to develop
 195 and implement a specified common placement test and
 196 approve a specified series of meta-majors and academic
 197 pathways with the Board of Governors; amending s.
 198 1008.31, F.S.; revising the legislative intent of
 199 Florida's K-20 education performance and
 200 accountability system to include recommendations from
 201 and reports to the State Board of Community Colleges;
 202 amending s. 1008.32, F.S.; removing the oversight
 203 enforcement authority of the State Board of Education
 204 relating to the Florida Community College System;
 205 amending s. 1008.345, F.S.; removing provisions

2017374c1

206 requiring the department to maintain a listing of
 207 certain skills associated with the system of
 208 educational accountability; amending s. 1008.37, F.S.;
 209 revising certain student reporting requirements of the
 210 Commissioner of Education to also require a report to
 211 the State Board of Community Colleges; amending s.
 212 1008.38, F.S.; revising the articulation
 213 accountability process to include participation by the
 214 State Board of Community Colleges; amending s.
 215 1008.405, F.S.; requiring the State Board of Community
 216 Colleges to adopt rules for the maintaining of
 217 specific information by Florida Community College
 218 System institutions; amending ss. 1008.44, 1008.45,
 219 1009.21, 1009.22, 1009.23, and 1009.25, F.S.;
 220 conforming provisions to changes made by the act;
 221 amending s. 1009.26, F.S.; requiring that certain
 222 information regarding fee waivers be reported to the
 223 State Board of Community Colleges; requiring the State
 224 Board of Community Colleges to adopt rules; amending
 225 s. 1009.28, F.S.; conforming provisions to changes
 226 made by the act; amending ss. 1009.90 and 1009.91,
 227 F.S.; revising the duties of the department to include
 228 reports to the State Board of Community Colleges;
 229 amending s. 1009.971, F.S.; conforming provisions to
 230 changes made by the act; amending s. 1010.01, F.S.;
 231 requiring the financial records and accounts of
 232 Florida Community College System institutions to
 233 follow rules of the State Board of Community Colleges,
 234 instead of the State Board of Education; requiring

235 each Florida Community College System institution to
 236 annually file specified financial statements with the
 237 State Board of Community Colleges; amending ss.
 238 1010.02 and 1010.04, F.S.; requiring the funds
 239 accruing to and purchases and leases by Florida
 240 Community College System institutions to follow rules
 241 of the State Board of Community Colleges, instead of
 242 the State Board of Education; amending s. 1010.07,
 243 F.S.; requiring certain contractors to give bonds in
 244 an amount set by the State Board of Community
 245 Colleges; amending s. 1010.08, F.S.; authorizing
 246 Florida Community College System board of trustees to
 247 budget for promotion and public relations from certain
 248 funds; amending ss. 1010.09, 1010.22, 1010.30, and
 249 1010.58, F.S.; conforming provisions to changes made
 250 by the act; amending s. 1011.01, F.S.; requiring each
 251 Florida Community College System institution board of
 252 trustees to submit an annual operating budget
 253 according to rules of the State Board of Community
 254 Colleges; amending s. 1011.011, F.S.; requiring the
 255 State Board of Education to collaborate with the State
 256 Board of Community Colleges for legislative budget
 257 requests relating to Florida Community College System
 258 institutions; amending ss. 1011.30 and 1011.32, F.S.;
 259 conforming provisions to changes made by the act;
 260 amending s. 1011.80, F.S.; conforming provisions to
 261 changes made by the act; authorizing the State Board
 262 of Community Colleges to adopt rules; amending s.
 263 1011.801, F.S.; specifying duties of the State Board

264 of Community Colleges regarding funds for the
 265 operation of workforce education programs and the
 266 Workforce Development Capitalization Incentive Grant
 267 Program; amending ss. 1011.81, 1011.82, 1011.83,
 268 1011.84, and 1011.85, F.S.; conforming provisions to
 269 changes made by the act; amending s. 1012.01, F.S.;
 270 redefining the term "school officers"; amending ss.
 271 1012.80, 1012.81, 1012.83, 1012.855, and 1012.86,
 272 F.S.; conforming provisions to changes made by the
 273 act; amending s. 1013.01, F.S.; providing that the
 274 term "board" does not include the State Board of
 275 Community Colleges when used in the context of certain
 276 educational facilities provisions; amending ss.
 277 1013.02 and 1013.03, F.S.; requiring the State Board
 278 of Community Colleges to adopt rules for and provide
 279 functions relating to educational facilities; amending
 280 s. 1013.28, F.S.; authorizing Florida Community
 281 College System institution boards of trustees to
 282 dispose of land or real property subject to rules of
 283 the State Board of Community Colleges; amending s.
 284 1013.31, F.S.; specifying the role of the State Board
 285 of Community Colleges in educational plant surveys for
 286 Florida Community College System institutions;
 287 amending ss. 1013.36, 1013.37, and 1013.40, F.S.;
 288 conforming provisions to changes made by the act;
 289 amending s. 1013.47, F.S.; providing that certain
 290 contractors are subject to rules of the State Board of
 291 Community Colleges; amending s. 1013.52, F.S.;
 292 specifying duties of the State Board of Community

581-01712-17

2017374c1

293 Colleges with regard to the cooperative development
 294 and joint use of facilities; amending s. 1013.65,
 295 F.S.; requiring the State Board of Community Colleges
 296 to be provided with copies of authorized allocations
 297 or reallocations for the Public Education Capital
 298 Outlay and Debt Service Trust Fund; requiring the
 299 Board of Governors and the State Board of Community
 300 Colleges to submit a report to the Governor and the
 301 Legislature by a specified date; providing a directive
 302 to the Division of Law Revision and Information;
 303 providing effective dates.

304
 305 Be It Enacted by the Legislature of the State of Florida:

306
 307 Section 1. This act may be cited as the "College
 308 Competitiveness Act of 2017."

309 Section 2. Florida Community College System Governance.—

310 (1) Effective July 1, 2017:

311 (a) The Florida College System, established in s. 1001.60,
 312 Florida Statutes, is renamed as the Florida Community College
 313 System.

314 (b) The State Board of Community Colleges is created,
 315 pursuant to s. 20.156, Florida Statutes, to oversee and
 316 coordinate the Florida Community College System. The Governor
 317 shall appoint the membership of the State Board of Community
 318 Colleges, subject to confirmation by the Senate, in time for the
 319 members to convene for the board's organizational meeting
 320 pursuant to s. 20.156(5), Florida Statutes.

321 (c) The Division of Florida Colleges shall provide

Page 11 of 254

581-01712-17

2017374c1

322 administrative support to the State Board of Community Colleges
 323 until September 30, 2017.

324 (2) (a) Effective October 1, 2017, powers, duties,
 325 functions, records, offices, personnel, property, pending issues
 326 and existing contracts, administrative authority, administrative
 327 rules, and unexpended balances of appropriations, allocations,
 328 and other funds related to the Florida College System and the
 329 Division of Florida Colleges are transferred by a type two
 330 transfer, as defined in s. 20.06(2), Florida Statutes, from the
 331 State Board of Education to the State Board of Community
 332 Colleges.

333 (b) The State Board of Community Colleges shall appoint a
 334 Chancellor of the Florida Community College System by November
 335 1, 2017, to aid the board in the implementation of its
 336 responsibilities.

337 (c) Any current State Board of Education approvals,
 338 policies, guidance, and appointments remain effective unless
 339 acted upon by the State Board of Community Colleges.

340 Section 3. Subsections (3) and (8) of section 20.15,
 341 Florida Statutes, are amended to read:

342 20.15 Department of Education.—There is created a
 343 Department of Education.

344 (3) DIVISIONS.—The following divisions of the Department of
 345 Education are established:

346 ~~(a) Division of Florida Colleges.~~

347 ~~(a)~~ ~~(b)~~ Division of Public Schools.

348 ~~(b)~~ ~~(c)~~ Division of Career and Adult Education.

349 ~~(c)~~ ~~(d)~~ Division of Vocational Rehabilitation.

350 ~~(d)~~ ~~(e)~~ Division of Blind Services.

2017374c1

351 ~~(e)(f)~~ Division of Accountability, Research, and
 352 Measurement.
 353 ~~(f)(g)~~ Division of Finance and Operations.
 354 ~~(g)(h)~~ Office of K-20 Articulation.
 355 ~~(h)(i)~~ The Office of Independent Education and Parental
 356 Choice, which must include the following offices:
 357 1. The Office of Early Learning, which shall be
 358 administered by an executive director who is fully accountable
 359 to the Commissioner of Education. The executive director shall,
 360 pursuant to s. 1001.213, administer the early learning programs,
 361 including the school readiness program and the Voluntary
 362 Prekindergarten Education Program at the state level.
 363 2. The Office of K-12 School Choice, which shall be
 364 administered by an executive director who is fully accountable
 365 to the Commissioner of Education.
 366 (8) SUPPORT SERVICES.—The Department of Education shall
 367 continue to provide support to the Board of Governors of the
 368 State University System and to the State Board of Community
 369 Colleges of the Florida Community College System. At a minimum,
 370 support services provided to the Board of Governors and the
 371 State Board of Community Colleges shall include accounting,
 372 printing, computer and Internet support, personnel and human
 373 resources support, support for accountability initiatives, and
 374 administrative support as needed for trust funds under the
 375 jurisdiction of the Board of Governors and the State Board of
 376 Community Colleges.
 377 Section 4. Effective July 1, 2017, section 20.156, Florida
 378 Statutes, is created to read:
 379 20.156 State Board of Community Colleges.—

581-01712-17

2017374c1

380 (1) GENERAL PROVISIONS.—The State Board of Community
 381 Colleges is created. For the purposes of s. 6, Art. IV of the
 382 State Constitution, the state board shall be assigned to and
 383 administratively housed within the Department of Education.
 384 However, the state board shall independently exercise the powers
 385 and duties in s. 1001.602; is a separate budget program; and is
 386 not subject to control, supervision, or direction by the
 387 department. For purposes of this section, the State Board of
 388 Community Colleges is referred to as the "state board."
 389 (2) HEAD OF THE FLORIDA COMMUNITY COLLEGE SYSTEM.—The state
 390 board is the head of the Florida Community College System. The
 391 Governor shall appoint the board members, subject to
 392 confirmation by the Senate.
 393 (3) PERSONNEL.—The state board shall appoint a Chancellor
 394 of the Florida Community College System by November 1, 2017, to
 395 aid in carrying out the state board's duties. The chancellor is
 396 the chief executive officer and secretary to the state board and
 397 directs the activities of the staff of the state board. The
 398 Chancellor of the Division of Florida Colleges shall serve as
 399 the Chancellor of the Florida Community College System until the
 400 state board selects a chancellor.
 401 (4) POWERS AND DUTIES.—Effective October 1, 2017, the state
 402 board shall regulate, control, and be responsible for the
 403 management of the Florida Community College System.
 404 (5) ORGANIZATION.—The state board shall, by September 30,
 405 2017, conduct an organizational meeting to adopt bylaws, elect a
 406 chair and vice chair from the membership, and fix dates and
 407 places for regular meetings.
 408 Section 5. Subsections (2) and (4) of section 1000.03,

581-01712-17

2017374c1

409 Florida Statutes, are amended to read:

410 1000.03 Function, mission, and goals of the Florida K-20
411 education system.—

412 (2) (a) The Legislature shall establish education policy,
413 enact education laws, and appropriate and allocate education
414 resources.

415 (b) With the exception of matters relating to the State
416 University System and the Florida Community College System, the
417 State Board of Education shall oversee the enforcement of all
418 laws and rules, and the timely provision of direction,
419 resources, assistance, intervention when needed, and strong
420 incentives and disincentives to force accountability for
421 results.

422 (c) The Board of Governors shall oversee the enforcement of
423 all state university laws and rules and regulations and the
424 timely provision of direction, resources, assistance,
425 intervention when needed, and strong incentives and
426 disincentives to force accountability for results.

427 (d) The State Board of Community Colleges shall oversee the
428 enforcement of all Florida Community College System laws and
429 rules and the timely provision of direction, resources,
430 assistance, intervention when needed, and strong incentives and
431 disincentives to force accountability for results.

432 (4) The mission of Florida's K-20 education system is to
433 allow its students to increase their proficiency by allowing
434 them the opportunity to expand their knowledge and skills
435 through rigorous and relevant learning opportunities, in
436 accordance with the mission of the applicable career center or
437 system statement and the accountability requirements of s.

Page 15 of 254

581-01712-17

2017374c1

438 1008.31, and to avoid wasteful duplication of programs offered
439 by state universities, Florida Community College System
440 institutions, and career centers and charter technical career
441 centers that are operated by a district school board or a
442 Florida Community College System institution board of trustees.

443 Section 6. Paragraph (d) of subsection (3) and subsections
444 (5) and (6) of section 1000.05, Florida Statutes, are amended to
445 read:

446 1000.05 Discrimination against students and employees in
447 the Florida K-20 public education system prohibited; equality of
448 access required.—

449 (3)

450 (d) A public K-20 educational institution which operates or
451 sponsors interscholastic, intercollegiate, club, or intramural
452 athletics shall provide equal athletic opportunity for members
453 of both genders.

454 1. The Board of Governors shall determine whether equal
455 opportunities are available at state universities.

456 2. The Commissioner of Education, for school districts, and
457 the Chancellor of the Florida Community College System, for
458 Florida Community College System institutions, shall determine
459 whether equal opportunities are available in school districts
460 and Florida Community College System institutions. In
461 determining whether equal opportunities are available in school
462 districts and Florida Community College System institutions, the
463 Commissioner of Education and the Chancellor of the Florida
464 Community College System shall consider, among other factors:

465 a. Whether the selection of sports and levels of
466 competition effectively accommodate the interests and abilities

Page 16 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

467 of members of both genders.

468 b. The provision of equipment and supplies.

469 c. Scheduling of games and practice times.

470 d. Travel and per diem allowances.

471 e. Opportunities to receive coaching and academic tutoring.

472 f. Assignment and compensation of coaches and tutors.

473 g. Provision of locker room, practice, and competitive

474 facilities.

475 h. Provision of medical and training facilities and

476 services.

477 i. Provision of housing and dining facilities and services.

478 j. Publicity.

479

480 Unequal aggregate expenditures for members of each gender or

481 unequal expenditures for male and female teams if a public

482 school or Florida Community College System institution operates

483 or sponsors separate teams do not constitute nonimplementation

484 of this subsection, but the Commissioner of Education shall

485 consider the failure to provide necessary funds for teams for

486 one gender in assessing equality of opportunity for members of

487 each gender.

488 (5) (a) The State Board of Education shall adopt rules to

489 implement this section as it relates to school districts ~~and~~

490 ~~Florida College System institutions.~~

491 (b) The Board of Governors shall adopt regulations to

492 implement this section as it relates to state universities.

493 (c) The State Board of Community Colleges shall adopt rules

494 to implement this section as it relates to Florida Community

495 College System institutions.

Page 17 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

496 (6) The functions of the State Board of Community Colleges

497 for Florida Community College System institutions and the Office

498 of Equal Educational Opportunity of the Department of Education

499 shall include, but are not limited to:

500 (a) Requiring all district school boards and Florida

501 Community College System institution boards of trustees to

502 develop and submit plans for the implementation of this section

503 to the Department of Education.

504 (b) Conducting periodic reviews of school districts and

505 Florida Community College System institutions to determine

506 compliance with this section and, after a finding that a school

507 district or a Florida Community College System institution is

508 not in compliance with this section, notifying the entity of the

509 steps that it must take to attain compliance and performing

510 followup monitoring.

511 (c) Providing technical assistance, including assisting

512 school districts or Florida Community College System

513 institutions in identifying unlawful discrimination and

514 instructing them in remedies for correction and prevention of

515 such discrimination and performing followup monitoring.

516 (d) Conducting studies of the effectiveness of methods and

517 strategies designed to increase the participation of students in

518 programs and courses in which students of a particular race,

519 ethnicity, national origin, gender, disability, or marital

520 status have been traditionally underrepresented and monitoring

521 the success of students in such programs or courses, including

522 performing followup monitoring.

523 (e) Requiring all district school boards and Florida

524 Community College System institution boards of trustees to

Page 18 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

525 submit data and information necessary to determine compliance
 526 with this section. The Commissioner of Education, for school
 527 districts, and the Chancellor of the Florida Community College
 528 System, for Florida Community College System institutions, shall
 529 prescribe the format and the date for submission of such data
 530 and any other educational equity data. If any board does not
 531 submit the required compliance data or other required
 532 educational equity data by the prescribed date, the commissioner
 533 shall notify the board of this fact and, if the board does not
 534 take appropriate action to immediately submit the required
 535 report, the State Board of Education shall impose monetary
 536 sanctions.

537 (f) Based upon rules of the State Board of Education, for
 538 school districts, and the State Board of Community Colleges, for
 539 Florida Community College System institutions, developing and
 540 implementing enforcement mechanisms with appropriate penalties
 541 to ensure that public K-12 schools and Florida Community College
 542 System institutions comply with Title IX of the Education
 543 Amendments of 1972 and subsection (3) of this section. However,
 544 the State Board of Education may not force a public school or
 545 Florida Community College System institution to conduct, nor
 546 penalize such entity for not conducting, a program of athletic
 547 activity or athletic scholarship for female athletes unless it
 548 is an athletic activity approved for women by a recognized
 549 association whose purpose is to promote athletics and a
 550 conference or league exists to promote interscholastic or
 551 intercollegiate competition for women in that athletic activity.

552 (g) Reporting to the Commissioner of Education, for school
 553 districts, or to the Chancellor of the Florida Community College

Page 19 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

554 System, for Florida Community College System institutions, any
 555 district school board or Florida Community College System
 556 institution board of trustees found to be out of compliance with
 557 rules of the State Board of Education or the State Board of
 558 Community Colleges adopted as required by paragraph (f) or
 559 paragraph (3) (d). To penalize the respective board, the State
 560 Board of Education or the State Board of Community Colleges, as
 561 applicable, shall:

562 1. Declare the school district or Florida Community College
 563 System institution ineligible for competitive state grants.

564 2. Notwithstanding the provisions of s. 216.192, direct the
 565 Chief Financial Officer to withhold general revenue funds
 566 sufficient to obtain compliance from the school district or
 567 Florida Community College System institution.

568 The school district or Florida Community College System
 569 institution shall remain ineligible and the funds may shall not
 570 be paid until the institution comes into compliance or the State
 571 Board of Education or the State Board of Community Colleges, as
 572 applicable, approves a plan for compliance.

573 Section 7. Section 1001.02, Florida Statutes, is amended to
 574 read:

575 1001.02 General powers of State Board of Education.—

576 (1) The State Board of Education is the chief implementing
 577 and coordinating body of public education in Florida except for
 578 the State University System and the Florida Community College
 579 System, and it shall focus on high-level policy decisions. It
 580 has authority to adopt rules pursuant to ss. 120.536(1) and
 581 120.54 to implement the provisions of law conferring duties upon
 582

Page 20 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

583 it for the improvement of the state system of K-20 public
584 education except for the State University System and the Florida
585 Community College System. Except as otherwise provided herein,
586 it may, as it finds appropriate, delegate its general powers to
587 the Commissioner of Education or the directors of the divisions
588 of the department.

589 (2) The State Board of Education has the following duties:

590 (a) To adopt comprehensive educational objectives for
591 public education except for the State University System and the
592 Florida Community College System.

593 (b) To adopt comprehensive long-range plans and short-range
594 programs for the development of the state system of public
595 education except for the State University System and the Florida
596 Community College System.

597 (c) To exercise general supervision over the divisions of
598 the Department of Education as necessary to ensure coordination
599 of educational plans and programs and resolve controversies and
600 to minimize problems of articulation and student transfers, to
601 ensure that students moving from one level of education to the
602 next have acquired competencies necessary for satisfactory
603 performance at that level, and to ensure maximum utilization of
604 facilities.

605 (d) To adopt, in consultation with the Board of Governors
606 and the State Board of Community Colleges, and from time to time
607 modify, minimum and uniform standards of college-level
608 communication and computation skills generally associated with
609 successful performance and progression through the baccalaureate
610 level and to identify college-preparatory high school coursework
611 and postsecondary-level coursework that prepares students with

Page 21 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

612 the academic skills necessary to succeed in postsecondary
613 education.

614 (e) To adopt and submit to the Governor and Legislature, as
615 provided in s. 216.023, a coordinated K-20 education budget that
616 estimates the expenditure requirements for the Board of
617 Governors, as provided in s. 1001.706, the State Board of
618 Education, including the Department of Education and the
619 Commissioner of Education, and all of the boards, institutions,
620 agencies, and services under the general supervision of the
621 Board of Governors, as provided in s. 1001.706, the State Board
622 of Community Colleges, as provided in s. 1001.602, or the State
623 Board of Education for the ensuing fiscal year. The State Board
624 of Education may not amend the budget request submitted by the
625 Board of Governors or the State Board of Community Colleges. Any
626 program recommended by the Board of Governors, the State Board
627 of Community Colleges, or the State Board of Education which
628 will require increases in state funding for more than 1 year
629 must be presented in a multiyear budget plan.

630 (f) To hold meetings, transact business, keep records,
631 adopt a seal, and, except as otherwise provided by law, perform
632 such other duties as may be necessary for the enforcement of
633 laws and rules relating to the state system of public education.

634 (g) To approve plans for cooperating with the Federal
635 Government.

636 (h) To approve plans for cooperating with other public
637 agencies in the development of rules and in the enforcement of
638 laws for which the state board and such agencies are jointly
639 responsible.

640 (i) To review plans for cooperating with appropriate

Page 22 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

641 nonpublic agencies for the improvement of conditions relating to
642 the welfare of schools.

643 (j) To create such subordinate advisory bodies as are
644 required by law or as it finds necessary for the improvement of
645 education.

646 (k) To constitute any education bodies or other structures
647 as required by federal law.

648 (l) To assist in the economic development of the state by
649 developing a state-level planning process to identify future
650 training needs for industry, especially high-technology
651 industry.

652 (m) To assist in the planning and economic development of
653 the state by establishing a clearinghouse for information on
654 educational programs of value to economic development.

655 (n) To adopt cohesive rules pursuant to ss. 120.536(1) and
656 120.54, within statutory authority.

657 (o) To authorize the allocation of resources in accordance
658 with law and rule.

659 (p) To contract with independent institutions accredited by
660 an agency whose standards are comparable to the minimum
661 standards required to operate a postsecondary career center
662 ~~educational institution at that level in the state.~~ The purpose
663 of the contract is to provide those educational programs and
664 facilities which will meet needs unfulfilled by the state system
665 of public postsecondary education.

666 (q) To recommend that a district school board take action
667 consistent with the state board's decision relating to an appeal
668 of a charter school application.

669 (r) To enforce systemwide education goals and policies

581-01712-17 2017374c1

670 except as otherwise provided by law.

671 (s) To establish a detailed procedure for the
672 implementation and operation of a systemwide K-20 technology
673 plan that is based on a common set of data definitions.

674 (t) To establish accountability standards for existing
675 legislative performance goals, standards, and measures, and
676 order the development of mechanisms to implement new legislative
677 goals, standards, and measures.

678 (u) To adopt criteria and implementation plans for future
679 growth issues, ~~such as new Florida College System institutions~~
680 ~~and Florida College System institution campus mergers,~~ and to
681 provide for cooperative agreements between and within public and
682 private education sectors.

683 (v) To develop, in conjunction with the Board of Governors
684 and the State Board of Community Colleges, and periodically
685 review for adjustment, a coordinated 5-year plan for
686 postsecondary enrollment, identifying enrollment and graduation
687 expectations by baccalaureate degree program, and annually
688 submit the plan to the Legislature as part of its legislative
689 budget request.

690 ~~(w) Beginning in the 2014-2015 academic year and annually~~
691 ~~thereafter, to require each Florida College System institution~~
692 ~~prior to registration to provide each enrolled student~~
693 ~~electronic access to the economic security report of employment~~
694 ~~and earning outcomes prepared by the Department of Economic~~
695 ~~Opportunity pursuant to s. 445.07.~~

696 (3) (a) The State Board of Education shall adopt a strategic
697 plan that specifies goals and objectives for the state's public
698 schools ~~and Florida College System institutions.~~ The plan shall

581-01712-17

2017374c1

699 be formulated in conjunction with plans of the Board of
 700 Governors and the State Board of Community Colleges in order to
 701 provide for the roles of the universities and Florida Community
 702 College System institutions to be coordinated to best meet state
 703 needs and reflect cost-effective use of state resources. The
 704 strategic plan must clarify the mission statements of each
 705 Florida Community College System institution and the system as a
 706 whole and identify degree programs, including baccalaureate
 707 degree programs, to be offered at each Florida Community College
 708 System institution in accordance with the objectives provided in
 709 this subsection and the coordinated 5-year plan pursuant to
 710 paragraph (2) (v). The strategic plan must cover a period of 5
 711 years, with modification of the program lists after 2 years.
 712 Development of each 5-year plan must be coordinated with and
 713 initiated after completion of the master plan. The strategic
 714 plans must specifically include programs and procedures for
 715 responding to the educational needs of teachers and students in
 716 the public schools of this state and consider reports and
 717 recommendations of the Higher Education Coordinating Council
 718 pursuant to s. 1004.015 and the Articulation Coordinating
 719 Committee pursuant to s. 1007.01. The state board shall submit a
 720 report to the President of the Senate and the Speaker of the
 721 House of Representatives upon modification of the plan and as
 722 part of its legislative budget request.

723 (b) The State Board of Education, ~~and~~ and the Board of
 724 Governors, and the State Board of Community Colleges shall
 725 jointly develop long-range plans and annual reports for
 726 financial aid in this state. The long-range plans shall
 727 establish goals and objectives for a comprehensive program of

Page 25 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

728 financial aid for Florida students and shall be updated every 5
 729 years. The annual report shall include programs administered by
 730 the department as well as awards made from financial aid fee
 731 revenues, any other funds appropriated by the Legislature for
 732 financial assistance, and the value of tuition and fees waived
 733 for students enrolled in a dual enrollment course at a public
 734 postsecondary educational institution. The annual report shall
 735 include an assessment of progress made in achieving goals and
 736 objectives established in the long-range plans and
 737 recommendations for repealing or modifying existing financial
 738 aid programs or establishing new programs. A long-range plan
 739 shall be submitted by January 1, 2004, and every 5 years
 740 thereafter. An annual report shall be submitted on January 1,
 741 2004, and in each successive year that a long-range plan is not
 742 submitted, to the President of the Senate and the Speaker of the
 743 House of Representatives.

744 (4) The State Board of Education shall+

745 ~~(a) Provide for each Florida College System institution to~~
 746 ~~offer educational training and service programs designed to meet~~
 747 ~~the needs of both students and the communities served.~~

748 ~~(b) Specify, by rule, procedures to be used by the Florida~~
 749 ~~College System institution boards of trustees in the annual~~
 750 ~~evaluations of presidents and review the evaluations of~~
 751 ~~presidents by the boards of trustees, including the extent to~~
 752 ~~which presidents serve both institutional and system goals.~~

753 ~~(c) Establish, in conjunction with the Board of Governors,~~
 754 ~~an effective information system that will provide composite data~~
 755 ~~concerning the Florida College System institutions and state~~
 756 ~~universities and ensure that special analyses and studies~~

Page 26 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

757 concerning the institutions are conducted, as necessary, for
 758 provision of accurate and cost-effective information concerning
 759 the institutions.
 760 ~~(d) Establish criteria for making recommendations for~~
 761 ~~modifying district boundary lines for Florida College System~~
 762 ~~institutions, including criteria for service delivery areas of~~
 763 ~~Florida College System institutions authorized to grant~~
 764 ~~baccalaureate degrees.~~
 765 ~~(e) Establish criteria for making recommendations~~
 766 ~~concerning all proposals for the establishment of additional~~
 767 ~~centers or campuses for Florida College System institutions.~~
 768 ~~(f) Examine the annual administrative review of each~~
 769 ~~Florida College System institution.~~
 770 ~~(g) adopt and submit to the Legislature a 3-year list of~~
 771 ~~priorities for fixed-capital-outlay projects. The State Board of~~
 772 ~~Education may not amend the 3-year list of priorities of the~~
 773 ~~Board of Governors or the State Board of Community Colleges.~~
 774 ~~(5) The State Board of Education is responsible for~~
 775 ~~reviewing and administering the state program of support for the~~
 776 ~~Florida College System institutions and, subject to existing~~
 777 ~~law, shall establish the tuition and out-of-state fees for~~
 778 ~~developmental education and for credit instruction that may be~~
 779 ~~counted toward an associate in arts degree, an associate in~~
 780 ~~applied science degree, or an associate in science degree.~~
 781 ~~(6) The State Board of Education shall prescribe minimum~~
 782 ~~standards, definitions, and guidelines for Florida College~~
 783 ~~System institutions that will ensure the quality of education,~~
 784 ~~coordination among the Florida College System institutions and~~
 785 ~~state universities, and efficient progress toward accomplishing~~

Page 27 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

786 the Florida College System institution mission. At a minimum,
 787 these rules must address:
 788 ~~(a) Personnel.~~
 789 ~~(b) Contracting.~~
 790 ~~(c) Program offerings and classification, including~~
 791 ~~college-level communication and computation skills associated~~
 792 ~~with successful performance in college and with tests and other~~
 793 ~~assessment procedures that measure student achievement of those~~
 794 ~~skills. The performance measures must provide that students~~
 795 ~~moving from one level of education to the next acquire the~~
 796 ~~necessary competencies for that level.~~
 797 ~~(d) Provisions for curriculum development, graduation~~
 798 ~~requirements, college calendars, and program service areas.~~
 799 ~~These provisions must include rules that:~~
 800 ~~1. Provide for the award of an associate in arts degree to~~
 801 ~~a student who successfully completes 60 semester credit hours at~~
 802 ~~the Florida College System institution.~~
 803 ~~2. Require all of the credits accepted for the associate in~~
 804 ~~arts degree to be in the statewide course numbering system as~~
 805 ~~credits toward a baccalaureate degree offered by a state~~
 806 ~~university or a Florida College System institution.~~
 807 ~~3. Require no more than 36 semester credit hours in general~~
 808 ~~education courses in the subject areas of communication,~~
 809 ~~mathematics, social sciences, humanities, and natural sciences.~~
 810
 811 ~~The rules should encourage Florida College System institutions~~
 812 ~~to enter into agreements with state universities that allow~~
 813 ~~Florida College System institution students to complete upper-~~
 814 ~~division-level courses at a Florida College System institution.~~

Page 28 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

815 ~~An agreement may provide for concurrent enrollment at the~~
 816 ~~Florida College System institution and the state university and~~
 817 ~~may authorize the Florida College System institution to offer an~~
 818 ~~upper-division-level course or distance learning.~~

819 ~~(e) Student admissions, conduct and discipline,~~
 820 ~~nonclassroom activities, and fees.~~

821 ~~(f) Budgeting.~~

822 ~~(g) Business and financial matters.~~

823 ~~(h) Student services.~~

824 ~~(i) Reports, surveys, and information systems, including~~
 825 ~~forms and dates of submission.~~

826 Section 8. Subsections (7) through (17) of section 1001.03,
 827 Florida Statutes, are amended to read:

828 1001.03 Specific powers of State Board of Education.—

829 (7) ARTICULATION ACCOUNTABILITY.—The State Board of
 830 Education shall develop articulation accountability measures
 831 that assess the status of systemwide articulation processes, in
 832 conjunction with the Board of Governors regarding the State
 833 University System and the State Board of Community Colleges
 834 regarding the Florida Community College System, and shall
 835 establish an articulation accountability process in accordance
 836 with the provisions of chapter 1008, in conjunction with the
 837 Board of Governors regarding the State University System and the
 838 State Board of Community Colleges regarding the Florida
 839 Community College System.

840 (8) SYSTEMWIDE ENFORCEMENT.—The State Board of Education
 841 shall enforce compliance with law and state board rule by all
 842 school districts and public postsecondary educational
 843 institutions, except for institutions within the State

Page 29 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

844 University System and the Florida Community College System, in
 845 accordance with the provisions of s. 1008.32.

846 (9) MANAGEMENT INFORMATION DATABASES.—The State Board of
 847 Education, in conjunction with the Board of Governors regarding
 848 the State University System and the State Board of Community
 849 Colleges regarding the Florida Community College System, shall
 850 continue to collect and maintain, at a minimum, the management
 851 information databases for state universities, community
 852 colleges, and all other components of the public K-20 education
 853 system as such databases existed on June 30, 2002.

854 ~~(10) COMMON PLACEMENT TESTING FOR PUBLIC POSTSECONDARY~~
 855 ~~EDUCATION.~~ The State Board of Education, in conjunction with the
 856 Board of Governors, shall develop and implement a common
 857 placement test to assess the basic computation and communication
 858 skills of students who intend to enter a degree program at any
 859 Florida College System institution or state university.

860 ~~(10)-(11) MINIMUM STANDARDS FOR NONPUBLIC POSTSECONDARY~~
 861 ~~EDUCATION.~~—The State Board of Education shall adopt minimum
 862 standards relating to nonpublic postsecondary education and
 863 institutions, in accordance with the provisions of chapter 1005.

864 ~~(12) COMMON POSTSECONDARY DEFINITIONS.~~—The State Board of
 865 Education shall adopt, by rule, common definitions for associate
 866 in science degrees and for certificates.

867 ~~(13) CYCLIC REVIEW OF POSTSECONDARY ACADEMIC PROGRAMS.~~—The
 868 State Board of Education shall provide for the cyclic review of
 869 all academic programs in Florida College System institutions at
 870 least every 7 years. Program reviews shall document how
 871 individual academic programs are achieving stated student
 872 learning and program objectives within the context of the

Page 30 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

873 institution's mission. The results of the program reviews shall
 874 inform strategic planning, program development, and budgeting
 875 decisions at the institutional level.

876 ~~(11)-(14)~~ UNIFORM CLASSIFICATION SYSTEM FOR SCHOOL DISTRICT
 877 ADMINISTRATIVE AND MANAGEMENT PERSONNEL.—The State Board of
 878 Education shall maintain a uniform classification system for
 879 school district administrative and management personnel that
 880 will facilitate the uniform coding of administrative and
 881 management personnel to total district employees.

882 ~~(15)~~ FLORIDA COLLEGE SYSTEM INSTITUTION BACCALAUREATE
 883 DEGREE PROGRAMS.—The State Board of Education shall provide for
 884 the review and approval of proposals by Florida College System
 885 institutions to offer baccalaureate degree programs pursuant to
 886 s. 1007.33. A Florida College System institution, as defined in
 887 s. 1000.21, that is approved to offer baccalaureate degrees
 888 pursuant to s. 1007.33 remains under the authority of the State
 889 Board of Education and the Florida College System institution's
 890 board of trustees. The State Board of Education may not approve
 891 Florida College System institution baccalaureate degree program
 892 proposals from March 31, 2014, through May 31, 2015.

893 ~~(16)~~ PLAN SPECIFYING GOALS AND OBJECTIVES.—By July 1, 2013,
 894 the State Board of Education shall identify performance metrics
 895 for the Florida College System and develop a plan that specifies
 896 goals and objectives for each Florida College System
 897 institution. The plan must include:

898 ~~(a)~~ Performance metrics and standards common for all
 899 institutions and metrics and standards unique to institutions
 900 depending on institutional core missions, including, but not
 901 limited to, remediation success, retention, graduation,

Page 31 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

902 employment, transfer rates, licensure passage, excess hours,
 903 student loan burden and default rates, job placement, faculty
 904 awards, and highly respected rankings for institution and
 905 program achievements.

906 ~~(b)~~ Student enrollment and performance data delineated by
 907 method of instruction, including, but not limited to,
 908 traditional, online, and distance learning instruction.

909 ~~(12)-(17)~~ UNIFIED STATE PLAN FOR SCIENCE, TECHNOLOGY,
 910 ENGINEERING, AND MATHEMATICS (STEM).—The State Board of
 911 Education, in consultation with the Board of Governors, the
 912 State Board of Community Colleges, and the Department of
 913 Economic Opportunity, shall adopt a unified state plan to
 914 improve K-20 STEM education and prepare students for high-skill,
 915 high-wage, and high-demand employment in STEM and STEM-related
 916 fields.

917 Section 9. Subsection (1), paragraphs (g) and (j) of
 918 subsection (6), and subsection (7) of section 1001.10, Florida
 919 Statutes, are amended to read:

920 1001.10 Commissioner of Education; general powers and
 921 duties.—

922 (1) The Commissioner of Education is the chief educational
 923 officer of the state and the sole custodian of the K-20 data
 924 warehouse, and is responsible for giving full assistance to the
 925 State Board of Education in enforcing compliance with the
 926 mission and goals of the K-20 education system except for the
 927 State University System and the Florida Community College
 928 System.

929 (6) Additionally, the commissioner has the following
 930 general powers and duties:

Page 32 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

931 (g) To submit to the State Board of Education, on or before
 932 October 1 of each year, recommendations for a coordinated K-20
 933 education budget that estimates the expenditures for the Board
 934 of Governors, the State Board of Community Colleges, the State
 935 Board of Education, including the Department of Education and
 936 the Commissioner of Education, and all of the boards,
 937 institutions, agencies, and services under the general
 938 supervision of the Board of Governors, the State Board of
 939 Community Colleges, or the State Board of Education for the
 940 ensuing fiscal year. Any program recommended to the State Board
 941 of Education that will require increases in state funding for
 942 more than 1 year must be presented in a multiyear budget plan.

943 (j) To implement a program of school improvement and
 944 education accountability designed to provide all students the
 945 opportunity to make adequate learning gains in each year of
 946 school as provided by statute and State Board of Education rule
 947 based upon the achievement of the state education goals,
 948 recognizing the following:

- 949 1. The district school board is responsible for school and
 950 student performance.
- 951 2. The individual school is the unit for education
 952 accountability.
- 953 ~~3. The Florida College System institution board of trustees~~
 954 ~~is responsible for Florida College System institution~~
 955 ~~performance and student performance.~~
- 956 ~~(7) The commissioner, or the commissioner's designee, may~~
 957 ~~conduct a review or investigation of practices, procedures, or~~
 958 ~~actions at any Florida College System institution which appear~~
 959 ~~to be inconsistent with sound financial, management, or academic~~

Page 33 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

960 ~~practice.~~

961 Section 10. Paragraphs (c) through (f) of subsection (1)
 962 and subsection (3) of section 1001.11, Florida Statutes, are
 963 amended to read:

964 1001.11 Commissioner of Education; other duties.—

965 (1) The Commissioner of Education must independently
 966 perform the following duties:

967 (c) In cooperation with the Board of Governors and the
 968 State Board of Community Colleges, develop and implement a
 969 process for receiving and processing requests, in conjunction
 970 with the Legislature, for the allocation of PECO funds for
 971 qualified postsecondary education projects.

972 ~~(d) Integrally work with the boards of trustees of the~~
 973 ~~Florida College System institutions.~~

974 (d)(e) Monitor the activities of the State Board of
 975 Education and provide information related to current and pending
 976 policies to the members of the boards of trustees of the Florida
 977 Community College System institutions and state universities.

978 (e)(f) Ensure the timely provision of information requested
 979 by the Legislature from the State Board of Education, the
 980 commissioner's office, and the Department of Education.

981 (3) Notwithstanding any other provision of law to the
 982 contrary, the Commissioner of Education, in conjunction with the
 983 Legislature, and the Board of Governors regarding the State
 984 University System, and the State Board of Community Colleges
 985 regarding the Florida Community College System, must recommend
 986 funding priorities for the distribution of capital outlay funds
 987 for public postsecondary educational institutions, based on
 988 priorities that include, but are not limited to, the following

Page 34 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

989 criteria:

990 (a) Growth at the institutions.

991 (b) Need for specific skills statewide.

992 (c) Need for maintaining and repairing existing facilities.

993 Section 11. Paragraph (e) of subsection (4) of section

994 1001.20, Florida Statutes, is amended to read:

995 1001.20 Department under direction of state board.—

996 (4) The Department of Education shall establish the

997 following offices within the Office of the Commissioner of

998 Education which shall coordinate their activities with all other

999 divisions and offices:

1000 (e) *Office of Inspector General.*—Organized using existing

1001 resources and funds and responsible for promoting

1002 accountability, efficiency, and effectiveness and detecting

1003 fraud and abuse within school districts and, the Florida School

1004 for the Deaf and the Blind, ~~and Florida College System~~

1005 ~~institutions in Florida~~. If the Commissioner of Education

1006 determines that a district school board or, the Board of

1007 Trustees for the Florida School for the Deaf and the Blind, ~~or a~~

1008 ~~Florida College System institution board of trustees~~ is

1009 unwilling or unable to address substantiated allegations made by

1010 any person relating to waste, fraud, or financial mismanagement

1011 within the school district or, the Florida School for the Deaf

1012 and the Blind, ~~or the Florida College System institution~~, the

1013 office shall conduct, coordinate, or request investigations into

1014 such substantiated allegations. The office shall have access to

1015 all information and personnel necessary to perform its duties

1016 and shall have all of its current powers, duties, and

1017 responsibilities authorized in s. 20.055.

581-01712-17 2017374c1

1018 Section 12. Section 1001.28, Florida Statutes, is amended

1019 to read:

1020 1001.28 Distance learning duties.—The duties of the

1021 Department of Education concerning distance learning include,

1022 but are not limited to, the duty to:

1023 (1) Facilitate the implementation of a statewide

1024 coordinated system and resource system for cost-efficient

1025 advanced telecommunications services and distance education

1026 which will increase overall student access to education.

1027 (2) Coordinate the use of existing resources, including,

1028 but not limited to, the state's satellite transponders, the

1029 Florida Information Resource Network (FIRN), and distance

1030 learning initiatives.

1031 (3) Assist in the coordination of the utilization of the

1032 production and uplink capabilities available through Florida's

1033 public television stations, eligible facilities, independent

1034 colleges and universities, private firms, and others as needed.

1035 (4) Seek the assistance and cooperation of Florida's cable

1036 television providers in the implementation of the statewide

1037 advanced telecommunications services and distance learning

1038 network.

1039 (5) Seek the assistance and cooperation of Florida's

1040 telecommunications carriers to provide affordable student access

1041 to advanced telecommunications services and to distance

1042 learning.

1043 (6) Coordinate partnerships for development, acquisition,

1044 use, and distribution of distance learning.

1045 (7) Secure and administer funding for programs and

1046 activities for distance learning from federal, state, local, and

Page 36 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

1047 private sources and from fees derived from services and
1048 materials.

1049 (8) Hire appropriate staff which may include a position
1050 that shall be exempt from part II of chapter 110 and is included
1051 in the Senior Management Service in accordance with s. 110.205.
1052

1053 Nothing in this section shall be construed to abrogate,
1054 supersede, alter, or amend the powers and duties of any state
1055 agency, district school board, Florida Community College System
1056 institution board of trustees, university board of trustees, the
1057 Board of Governors, the State Board of Community Colleges, or
1058 the State Board of Education.

1059 Section 13. Effective July 1, 2017, subsection (26) of
1060 section 1001.42, Florida Statutes, is amended to read:

1061 1001.42 Powers and duties of district school board.—The
1062 district school board, acting as a board, shall exercise all
1063 powers and perform all duties listed below:

1064 (26) TECHNICAL CENTER GOVERNING BOARD.—May appoint a
1065 governing board for a school district technical center or a
1066 system of technical centers for the purpose of aligning the
1067 educational programs of the technical center with the needs of
1068 local businesses and responding quickly to the needs of local
1069 businesses for employees holding industry certifications. A
1070 technical center governing board shall be comprised of seven
1071 members, three of whom must be members of the district school
1072 board or their designees and four of whom must be local business
1073 leaders. The district school board shall delegate to the
1074 technical center governing board decisions regarding entrance
1075 requirements for students, curriculum, program development,

581-01712-17 2017374c1

1076 budget and funding allocations, and the development with local
1077 businesses of partnership agreements and appropriate industry
1078 certifications in order to meet local and regional economic
1079 needs. A technical center governing board may approve only
1080 courses and programs that contain industry certifications. A
1081 course may be continued if at least 25 percent of the students
1082 enrolled in the course attain an industry certification. If
1083 fewer than 25 percent of the students enrolled in a course
1084 attain an industry certification, the course must be
1085 discontinued the following year. However, notwithstanding the
1086 authority to approve courses and programs under this subsection,
1087 a technical center governing board may not approve a college
1088 credit course or a college credit certificate or an associate
1089 degree or baccalaureate degree program.

1090 Section 14. Effective July 1, 2017, section 1001.44,
1091 Florida Statutes, is amended to read:

1092 1001.44 Career centers; governance, mission, and
1093 responsibilities.—

1094 (1) DISTRICT SCHOOL BOARD MAY ESTABLISH OR ACQUIRE CAREER
1095 CENTERS.—Any district school board, after first obtaining the
1096 approval of the Department of Education, may, as a part of the
1097 district school system, organize, establish and operate a career
1098 center, or acquire and operate a career center previously
1099 established.

1100 (a) The primary mission of a career center that is operated
1101 by a district school board is to promote advances and
1102 innovations in workforce preparation and economic development. A
1103 career center may provide a learning environment that serves the
1104 needs of a specific population group or group of occupations,

581-01712-17 2017374c1

1105 thus promoting diversity and choices within the public technical
 1106 education community in this state.

1107 (b) A career center that is operated by a district school
 1108 board may not offer a college credit course or a college credit
 1109 certificate or an associate degree or baccalaureate degree
 1110 program.

1111 (2) DISTRICT SCHOOL BOARDS OF CONTIGUOUS DISTRICTS MAY
 1112 ESTABLISH OR ACQUIRE CAREER CENTERS.—The district school boards
 1113 of any two or more contiguous districts may, upon first
 1114 obtaining the approval of the department, enter into an
 1115 agreement to organize, establish and operate, or acquire and
 1116 operate, a career center under this section.

1117 (3) CAREER CENTER PART OF DISTRICT SCHOOL SYSTEM DIRECTED
 1118 BY A DIRECTOR.—

1119 (a) A career center established or acquired under
 1120 provisions of law and minimum standards prescribed by the
 1121 commissioner shall comprise a part of the district school system
 1122 and shall mean an educational institution offering terminal
 1123 courses of a technical nature which are not for college credit,
 1124 and courses for out-of-school youth and adults; shall be subject
 1125 to all applicable provisions of this code; shall be under the
 1126 control of the district school board of the school district in
 1127 which it is located; and shall be directed by a director
 1128 responsible through the district school superintendent to the
 1129 district school board of the school district in which the center
 1130 is located.

1131 (b) Each career center shall maintain an academic
 1132 transcript for each student enrolled in the center. Such
 1133 transcript shall delineate each course completed by the student.

Page 39 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

1134 Courses shall be delineated by the course prefix and title
 1135 assigned pursuant to s. 1007.24. The center shall make a copy of
 1136 a student's transcript available to any student who requests it.

1137 Section 15. Section 1001.60, Florida Statutes, is amended
 1138 to read:

1139 1001.60 Florida Community College System.—

1140 (1) PURPOSES.—In order to maximize open access for
 1141 students, respond to community needs for postsecondary academic
 1142 education and career degree education, and provide associate and
 1143 baccalaureate degrees that will best meet the state's employment
 1144 needs, the Legislature establishes a system of governance for
 1145 the Florida Community College System.

1146 (2) FLORIDA COMMUNITY COLLEGE SYSTEM.—There shall be a
 1147 single Florida Community College System comprised of the Florida
 1148 Community College System institutions identified in s.
 1149 1000.21(3). A Florida Community College System institution may
 1150 not offer graduate degree programs.

1151 (a) The programs and services offered by Florida Community
 1152 College System institutions in providing associate and
 1153 baccalaureate degrees shall be delivered in a cost-effective
 1154 manner that demonstrates substantial savings to the student and
 1155 to the state over the cost of providing the degree at a state
 1156 university.

1157 (b)1. With the approval of its district board of trustees,
 1158 a Florida Community College System institution may change the
 1159 institution's name set forth in s. 1000.21(3) and use the
 1160 designation "college" or "state college" if it has been
 1161 authorized to grant baccalaureate degrees pursuant to s. 1007.33
 1162 and has been accredited as a baccalaureate-degree-granting

Page 40 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

1163 institution by the Commission on Colleges of the Southern
1164 Association of Colleges and Schools.

1165 2. With the approval of its district board of trustees, a
1166 Florida Community College System institution that does not meet
1167 the criteria in subparagraph 1. may request approval from the
1168 State Board of Education to change the institution's name set
1169 forth in s. 1000.21(3) and use the designation "college." The
1170 State Board of Community Colleges Education may approve the
1171 request if the Florida Community College System institution
1172 enters into an agreement with the State Board of Community
1173 Colleges Education to do the following:

1174 a. Maintain as its primary mission responsibility for
1175 responding to community needs for postsecondary academic
1176 education and career degree education as prescribed in s.
1177 1004.65(5).

1178 b. Maintain an open-door admissions policy for associate-
1179 level degree programs and workforce education programs.

1180 c. Continue to provide outreach to underserved populations.

1181 d. Continue to provide remedial education.

1182 e. Comply with all provisions of the statewide articulation
1183 agreement that relate to 2-year and 4-year public degree-
1184 granting institutions as adopted by the State Board of Community
1185 Colleges Education pursuant to s. 1007.23.

1186 (c) A district board of trustees that approves a change to
1187 the name of an institution under paragraph (b) must seek
1188 statutory codification of such name change in s. 1000.21(3)
1189 during the next regular legislative session.

1190 (d) A Florida Community College System institution may not
1191 use the designation "university."

581-01712-17

2017374c1

1192 (3) LOCAL BOARDS OF TRUSTEES.—Each institution within the
1193 Florida Community College System shall be governed by a local
1194 board of trustees as provided in s. 1001.64. The membership of
1195 each local board of trustees shall be as provided in s. 1001.61.

1196 Section 16. Effective July 1, 2017, section 1001.601,
1197 Florida Statutes, is created to read:

1198 1001.601 State Board of Community Colleges of the Florida
1199 Community College System.—

1200 (1) The State Board of Community Colleges is established as
1201 a body corporate consisting of 13 members as follows: 12 citizen
1202 members appointed by the Governor, one of whom must be a student
1203 currently enrolled in a Florida Community College System
1204 institution, and the Commissioner of Education. Appointed
1205 members shall serve staggered 4-year terms. In order to achieve
1206 staggered terms, beginning September 1, 2017, 4 members shall
1207 serve a 2-year term, 4 members shall serve a 3-year term, and 4
1208 members shall serve a 4-year term. Members may be reappointed to
1209 one additional 4-year term.

1210 (2) Members of the State Board of Community Colleges may
1211 not receive compensation but may be reimbursed for travel and
1212 per diem expenses as provided in s. 112.061.

1213 Section 17. Section 1001.602, Florida Statutes, is created
1214 to read:

1215 1001.602 Powers and duties of the State Board of Community
1216 Colleges.—

1217 (1) RESPONSIBILITIES.—The State Board of Community Colleges
1218 is responsible for the efficient and effective operation and
1219 maintenance of the Florida Community College System, as defined
1220 in s. 1001.60. The State Board of Community Colleges may adopt

581-01712-17

2017374c1

1221 rules pursuant to ss. 120.536(1) and 120.54 to implement
 1222 provisions of law for the Florida Community College System. For
 1223 the purposes of this section, the State Board of Community
 1224 Colleges is referred to as the "state board."
 1225 (2) DUTIES.—The state board has the following duties:
 1226 (a) Ensure Florida Community College System institutions
 1227 operate consistent with the mission of the system, pursuant to
 1228 s. 1004.65.
 1229 (b) Oversee the Florida Community College System and
 1230 coordinate with the Board of Governors and the State Board of
 1231 Education to avoid wasteful duplication of facilities or
 1232 programs.
 1233 (c) Provide for each Florida Community College System
 1234 institution to offer educational training and service programs
 1235 designed to meet the needs of both students and the communities
 1236 served.
 1237 (d) Hold meetings, transact business, keep records, and,
 1238 except as otherwise provided by law, perform such other duties
 1239 as may be necessary for the enforcement of laws and rules
 1240 relating to the Florida Community College System.
 1241 (e) Provide for the coordination of educational plans and
 1242 programs to resolve controversies, minimize problems of
 1243 articulation and student transfers, ensure that students moving
 1244 from one level of education to the next have acquired
 1245 competencies necessary for satisfactory performance at that
 1246 level, and ensure maximum utilization of facilities.
 1247 (f) Establish and review, in consultation with the State
 1248 Board of Education and the Board of Governors, minimum and
 1249 uniform standards of college-level communication and computation

Page 43 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

1250 skills generally associated with successful performance and
 1251 progression through the baccalaureate level, to identify
 1252 college-preparatory high school coursework and postsecondary-
 1253 level coursework that prepares students with the academic skills
 1254 necessary to succeed in postsecondary education.
 1255 (g) Approve plans for cooperating with the Federal
 1256 Government.
 1257 (h) Approve plans for cooperating with other public
 1258 agencies in the development of rules and in the enforcement of
 1259 laws for which the state board and the agencies are jointly
 1260 responsible.
 1261 (i) Create subordinate advisory bodies if required by law
 1262 or as necessary for the improvement of the Florida Community
 1263 College System.
 1264 (j) Coordinate with the State Board of Education to collect
 1265 and maintain data for the Florida Community College System.
 1266 (k) Establish, in conjunction with the State Board of
 1267 Education and the Board of Governors, an effective information
 1268 system that will provide composite data concerning the Florida
 1269 Community College System institutions and state universities and
 1270 that will ensure that special analyses and studies concerning
 1271 the institutions are conducted, as necessary, for provision of
 1272 accurate and cost-effective information concerning the
 1273 institutions.
 1274 (l) Establish accountability standards for existing
 1275 legislative performance goals, standards, and measures, and
 1276 order the development of mechanisms to implement new legislative
 1277 goals, standards, and measures.
 1278 (m) Require each Florida Community College System

Page 44 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

1279 institution, before registration, to provide each enrolled
 1280 student electronic access to the economic security report of
 1281 employment and earning outcomes prepared by the Department of
 1282 Economic Opportunity pursuant to s. 445.07.

1283 (n) Specify, by rule, procedures to be used by Florida
 1284 Community College System institution boards of trustees in the
 1285 annual evaluation of presidents, and review the evaluations of
 1286 presidents by the boards of trustees, including the extent to
 1287 which presidents serve both institutional and system goals.

1288 (o) Establish, subject to existing law, the tuition and
 1289 out-of-state fees for developmental education and for credit
 1290 instruction that may be counted toward an associate in arts
 1291 degree, an associate in applied science degree, or an associate
 1292 in science degree.

1293 (p) Develop, in conjunction with the Board of Governors and
 1294 the State Board of Education, and implement a common placement
 1295 test to assess the basic computation and communication skills of
 1296 students who intend to enter a degree program at a Florida
 1297 Community College System institution or state university.

1298 (q) May direct the Chancellor of the Florida Community
 1299 College System to conduct investigations of practices,
 1300 procedures, or actions at a Florida Community College System
 1301 institution which appear to be inconsistent with sound
 1302 financial, management, or academic practice.

1303 (r) Examine the annual administrative review of each
 1304 Florida Community College System institution.

1305 (s) Through the Chancellor of the Florida Community College
 1306 System, integrally work with the boards of trustees of the
 1307 Florida Community College System institutions.

581-01712-17

2017374c1

1308 (t) Establish criteria for making recommendations
 1309 concerning all proposals to establish additional centers or
 1310 campuses for a Florida Community College System institution.

1311 (3) PLAN SPECIFYING GOALS AND OBJECTIVES.—To comply with
 1312 the requirements under subsection (4) and the performance
 1313 metrics and standards adopted under ss. 1001.66 and 1001.67, the
 1314 state board shall identify performance metrics for the Florida
 1315 Community College System and develop a plan that specifies goals
 1316 and objectives for each Florida Community College System
 1317 institution. The plan must include:

1318 (a) Performance metrics and standards common for all
 1319 institutions and metrics and standards unique to institutions
 1320 depending on institutional core missions, including, but not
 1321 limited to, remediation success, retention, graduation,
 1322 employment, transfer rates, licensure passage, excess hours,
 1323 student loan burden and default rates, job placement, faculty
 1324 awards, and highly respected rankings for institution and
 1325 program achievements.

1326 (b) Student enrollment and performance data delineated by
 1327 method of instruction, including, but not limited to,
 1328 traditional, online, and distance learning instruction.

1329 (4) STRATEGIC PLAN, LONG-RANGE PLANS, AND OTHER PLANS.—

1330 (a) The state board shall adopt a strategic plan that
 1331 specifies goals and objectives for the Florida Community College
 1332 System. The plan must be formulated in conjunction with plans of
 1333 the State Board of Education and the Board of Governors in order
 1334 to coordinate the roles of the school districts and universities
 1335 to best meet state needs and reflect cost-effective use of state
 1336 resources. The strategic plan must clarify the mission

581-01712-17 2017374c1

1337 statements of the Florida Community College System and each
 1338 Florida Community College System institution and identify degree
 1339 programs, including baccalaureate degree programs, to be offered
 1340 at each Florida Community College System institution in
 1341 accordance with the objectives provided in this subsection and
 1342 the coordinated 5-year plan pursuant to s. 1001.02(2)(v). The
 1343 strategic plan must cover a period of 5 years, with modification
 1344 of the program lists after 2 years. Development of each 5-year
 1345 plan must be coordinated with and initiated after completion of
 1346 the master plan. The strategic plan must consider reports and
 1347 recommendations of the Higher Education Coordinating Council
 1348 pursuant to s. 1004.015 and the Articulation Coordinating
 1349 Committee pursuant to s. 1007.01. Upon modification of the plan,
 1350 the state board shall submit a report to the President of the
 1351 Senate and the Speaker of the House of Representatives as part
 1352 of its legislative budget request.

1353 (b) The state board, the State Board of Education, and the
 1354 Board of Governors shall jointly develop long-range plans and
 1355 annual reports for financial aid in this state. The long-range
 1356 plans must establish goals and objectives for a comprehensive
 1357 program of financial aid for students and shall be updated every
 1358 5 years. The annual report must include programs administered by
 1359 the department as well as awards made from financial aid fee
 1360 revenues, other funds appropriated by the Legislature for
 1361 financial assistance, and the value of tuition and fees waived
 1362 for students enrolled in a dual enrollment course at a public
 1363 postsecondary educational institution. The annual report must
 1364 include an assessment of the progress made in achieving goals
 1365 and objectives established in the long-range plans and must

581-01712-17 2017374c1

1366 include recommendations for repealing or modifying existing
 1367 financial aid programs or establishing new programs. The state
 1368 board, the State Board of Education, and the Board of Governors
 1369 shall submit their long-range plans by July 1, 2018, and every 5
 1370 years thereafter and shall submit their annual reports on July
 1371 1, 2018, and in each successive year that a long-range plan is
 1372 not submitted, to the President of the Senate and the Speaker of
 1373 the House of Representatives.

1374 (c) The state board shall also:

1375 1. Adopt comprehensive long-range plans and short-range
 1376 programs for the development of the Florida Community College
 1377 System.

1378 2. Assist in the economic development of the state by
 1379 developing a state-level planning process to identify future
 1380 training needs for industry, especially high-technology
 1381 industry.

1382 3. Adopt criteria and implementation plans for future
 1383 growth issues, such as new Florida Community College System
 1384 institutions and Florida Community College System institution
 1385 campus mergers, and provide for cooperative agreements between
 1386 and within public and private education sectors.

1387 (5) MINIMUM STANDARDS AND GUIDELINES.—The state board shall
 1388 prescribe minimum standards, definitions, and guidelines for
 1389 Florida Community College System institutions which will ensure
 1390 the quality of education, coordination among the Florida
 1391 Community College System institutions and state universities,
 1392 and efficient progress toward accomplishing the Florida
 1393 Community College System institution's mission. At a minimum,
 1394 these rules must address all of the following:

581-01712-17

2017374c1

1395 (a) Personnel.
 1396 (b) Contracting.
 1397 (c) Program offerings and classification, including
 1398 college-level communication and computation skills associated
 1399 with successful performance in college and with tests and other
 1400 assessment procedures that measure student achievement of those
 1401 skills. The performance measures must provide that students
 1402 moving from one level of education to the next acquire the
 1403 necessary competencies for that level.
 1404 (d) Provisions for curriculum development, graduation
 1405 requirements, college calendars, and program service areas.
 1406 These provisions must include rules that:
 1407 1. Provide for the award of an associate in arts degree to
 1408 a student who successfully completes 60 semester credit hours at
 1409 the Florida Community College System institution.
 1410 2. Require all of the credits accepted for the associate in
 1411 arts degree to be in the statewide course numbering system as
 1412 credits toward a baccalaureate degree offered by a state
 1413 university or a Florida Community College System institution.
 1414 3. Require no more than 36 semester credit hours in general
 1415 education courses in the subject areas of communication,
 1416 mathematics, social sciences, humanities, and natural sciences.
 1417
 1418 The rules under this paragraph should encourage Florida
 1419 Community College System institutions to enter into agreements
 1420 with state universities which allow a Florida Community College
 1421 System institution student to complete upper-division-level
 1422 courses at a Florida Community College System institution. An
 1423 agreement may provide for concurrent enrollment at the Florida

Page 49 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

1424 Community College System institution and the state university
 1425 and may authorize the Florida Community College System
 1426 institution to offer an upper-division-level course or distance
 1427 learning.
 1428 (e) Student admissions, conduct and discipline;
 1429 nonclassroom activities; and fees.
 1430 (f) Budgeting.
 1431 (g) Business and financial matters.
 1432 (h) Student services.
 1433 (i) Reports, surveys, and information systems, including
 1434 forms and dates of submission.
 1435 (6) CYCLIC REVIEW OF ACADEMIC PROGRAMS.—The state board
 1436 shall provide for the cyclic review of all academic programs in
 1437 Florida Community College System institutions at least every 7
 1438 years. Program reviews must document how individual academic
 1439 programs are achieving stated student learning and program
 1440 objectives within the context of the institution's mission. The
 1441 results of the program reviews must inform strategic planning,
 1442 program development, and budgeting decisions at the
 1443 institutional level.
 1444 (7) FLORIDA COMMUNITY COLLEGE SYSTEM INSTITUTION
 1445 BACCALAUREATE DEGREE PROGRAMS.—The state board shall provide for
 1446 the review and approval of proposals by Florida Community
 1447 College System institutions to offer baccalaureate degree
 1448 programs pursuant to s. 1007.33. A Florida Community College
 1449 System institution, as defined in s. 1000.21, which is approved
 1450 to offer baccalaureate degrees pursuant to s. 1007.33 remains
 1451 under the authority of the state board and the Florida Community
 1452 College System institution's board of trustees.

Page 50 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

1453 (8) MODIFICATIONS TO SERVICE AREA.—The state board shall
 1454 establish criteria for making recommendations for modifying
 1455 district boundary lines for a Florida Community College System
 1456 institution, including criteria for service delivery areas of a
 1457 Florida Community College System institution authorized to grant
 1458 baccalaureate degrees.

1459 (9) PERFORMANCE OVERSIGHT.—The state board shall oversee
 1460 the performance of Florida Community College System institution
 1461 boards of trustees in enforcement of all laws and rules. Florida
 1462 Community College System institution boards of trustees are
 1463 primarily responsible for compliance with law and state board
 1464 rule.

1465 (a) In order to ensure compliance with law or state board
 1466 rule, the state board has the authority to request and receive
 1467 information, data, and reports from Florida Community College
 1468 System institutions. The Florida Community College System
 1469 institution president is responsible for the accuracy of the
 1470 information and data reported to the state board.

1471 (b) The Chancellor of the Florida Community College System
 1472 may investigate allegations of noncompliance with law or state
 1473 board rule and determine probable cause. The Chancellor shall
 1474 report determinations of probable cause to the State Board of
 1475 Community Colleges who shall require the Florida Community
 1476 College System institution board of trustees to document
 1477 compliance with law or state board rule.

1478 (c) If the Florida Community College System institution
 1479 board of trustees cannot satisfactorily document compliance, the
 1480 state board may order compliance within a specified timeframe.

1481 (d) If the state board determines that a Florida Community

Page 51 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

1482 College System institution board of trustees is unwilling or
 1483 unable to comply with law or state board rule within the
 1484 specified time, the state board has the authority to initiate
 1485 any of the following actions:

1486 1. Report to the Legislature that the Florida Community
 1487 College System institution is unwilling or unable to comply with
 1488 law or state board rule and recommend that the Legislature take
 1489 action against the institution;

1490 2. Withhold the transfer of state funds, discretionary
 1491 grant funds, discretionary lottery funds, or any other funds
 1492 specified as eligible for this purpose by the Legislature until
 1493 the Florida Community College System institution complies with
 1494 the law or state board rule;

1495 3. Declare the Florida Community College System institution
 1496 ineligible for competitive grants; or

1497 4. Require monthly or periodic reporting on the situation
 1498 related to noncompliance until it is remedied.

1499 (e) This section may not be construed to create a private
 1500 cause of action or create any rights for individuals or entities
 1501 in addition to those provided elsewhere in law or rule.

1502 (10) INSPECTOR GENERAL.—The inspector general is
 1503 responsible for promoting accountability, efficiency, and
 1504 effectiveness and detecting fraud and abuse within Florida
 1505 Community College System institutions. If the Chancellor of the
 1506 Florida Community College System determines that a Florida
 1507 Community College System institution board of trustees is
 1508 unwilling or unable to address substantiated allegations made by
 1509 any person relating to waste, fraud, or financial mismanagement
 1510 within the Florida Community College System institution, the

Page 52 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

1511 inspector general shall conduct, coordinate, or request
 1512 investigations into such substantiated allegations. The
 1513 inspector general shall have access to all information and
 1514 personnel necessary to perform its duties and shall have all of
 1515 his or her current powers, duties, and responsibilities
 1516 authorized in s. 20.055.

1517 (11) COORDINATION WITH THE STATE BOARD OF EDUCATION.—The
 1518 state board shall coordinate with the State Board of Education:

1519 (a) Pursuant to s. 1001.02(2)(e), in the adoption of a K-20
 1520 education budget.

1521 (b) Pursuant to s. 1001.02(4)(g), to adopt and submit to
 1522 the Legislature a 3-year list of priorities for fixed-capital-
 1523 outlay projects.

1524 (12) COMMON POSTSECONDARY DEFINITIONS.—Adopt in
 1525 collaboration with the State Board of Education, by rule,
 1526 definitions for associate in science degrees and for
 1527 certificates offered by Florida Community College System
 1528 institutions.

1529 Section 18. Section 1001.61, Florida Statutes, is amended
 1530 to read:

1531 1001.61 Florida Community College System institution boards
 1532 of trustees; membership.—

1533 (1) Florida Community College System institution boards of
 1534 trustees shall be comprised of five members when a Florida
 1535 Community College System institution district is confined to one
 1536 school board district; seven members when a Florida Community
 1537 College System institution district is confined to one school
 1538 board district and the board of trustees so elects; and not more
 1539 than nine members when the district contains two or more school

Page 53 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

1540 board districts, as provided by rules of the State Board of
 1541 Community Colleges Education. However, Florida State College at
 1542 Jacksonville shall have an odd number of trustees, and St. Johns
 1543 River State College shall have seven trustees from the three-
 1544 county area that the college serves.

1545 (2) Trustees shall be appointed by the Governor to
 1546 staggered 4-year terms, subject to confirmation by the Senate in
 1547 regular session.

1548 (3) Members of the board of trustees shall receive no
 1549 compensation but may receive reimbursement for expenses as
 1550 provided in s. 112.061.

1551 (4) At its first regular meeting after July 1 of each year,
 1552 each Florida Community College System institution board of
 1553 trustees shall organize by electing a chair, whose duty as such
 1554 is to preside at all meetings of the board, to call special
 1555 meetings thereof, and to attest to actions of the board, and a
 1556 vice chair, whose duty as such is to act as chair during the
 1557 absence or disability of the elected chair. It is the further
 1558 duty of the chair of each board of trustees to notify the
 1559 Governor, in writing, whenever a board member fails to attend
 1560 three consecutive regular board meetings in any one fiscal year,
 1561 which absences may be grounds for removal.

1562 (5) A Florida Community College System institution
 1563 president shall serve as the executive officer and corporate
 1564 secretary of the board of trustees and shall be responsible to
 1565 the board of trustees for setting the agenda for meetings of the
 1566 board of trustees in consultation with the chair. The president
 1567 also serves as the chief administrative officer of the Florida
 1568 Community College System institution, and all the components of

Page 54 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

1569 the institution and all aspects of its operation are responsible
1570 to the board of trustees through the president.

1571 Section 19. Section 1001.64, Florida Statutes, is amended
1572 to read:

1573 1001.64 Florida Community College System institution
1574 boards of trustees; powers and duties.—

1575 (1) The boards of trustees shall be responsible for cost-
1576 effective policy decisions appropriate to the Florida Community
1577 College System institution's mission, the implementation and
1578 maintenance of high-quality education programs within law and
1579 rules of the State Board of Community Colleges Education, the
1580 measurement of performance, the reporting of information, and
1581 the provision of input regarding state policy, budgeting, and
1582 education standards.

1583 (2) Each board of trustees is vested with the
1584 responsibility to govern its respective Florida Community
1585 College System institution and with such necessary authority as
1586 is needed for the proper operation and improvement thereof in
1587 accordance with rules of the State Board of Community Colleges
1588 Education.

1589 (3) A board of trustees shall have the power to take action
1590 without a recommendation from the president and shall have the
1591 power to require the president to deliver to the board of
1592 trustees all data and information required by the board of
1593 trustees in the performance of its duties. A board of trustees
1594 shall ask the Chancellor of the Florida Community College System
1595 ~~Commissioner of Education~~ to authorize an investigation of the
1596 president's actions by the State Board of Community College's
1597 ~~department's~~ inspector general if the board considers such

Page 55 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

1598 investigation necessary. The inspector general shall provide a
1599 report detailing each issue under investigation and shall
1600 recommend corrective action. If the inspector general identifies
1601 potential legal violations, he or she shall refer the potential
1602 legal violations to the Commission on Ethics, the Department of
1603 Law Enforcement, the Attorney General, or another appropriate
1604 authority.

1605 (4) (a) The board of trustees, after considering
1606 recommendations submitted by the Florida Community College
1607 System institution president, may adopt rules pursuant to ss.
1608 120.536(1) and 120.54 to implement the provisions of law
1609 conferring duties upon it. These rules may supplement those
1610 prescribed by the State Board of Community Colleges Education if
1611 they will contribute to the more orderly and efficient operation
1612 of Florida Community College System institutions.

1613 (b) Each board of trustees is specifically authorized to
1614 adopt rules, procedures, and policies, consistent with law and
1615 rules of the State Board of Community Colleges Education,
1616 related to its mission and responsibilities as set forth in s.
1617 1004.65, its governance, personnel, budget and finance,
1618 administration, programs, curriculum and instruction, buildings
1619 and grounds, travel and purchasing, technology, students,
1620 contracts and grants, or college property.

1621 (5) Each board of trustees shall have responsibility for
1622 the use, maintenance, protection, and control of Florida
1623 Community College System institution owned or Florida Community
1624 College System institution controlled buildings and grounds,
1625 property and equipment, name, trademarks and other proprietary
1626 marks, and the financial and other resources of the Florida

Page 56 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

1627 Community College System institution. Such authority may include
 1628 placing restrictions on activities and on access to facilities,
 1629 firearms, food, tobacco, alcoholic beverages, distribution of
 1630 printed materials, commercial solicitation, animals, and sound.

1631 (6) Each board of trustees has responsibility for the
 1632 establishment and discontinuance of program and course offerings
 1633 in accordance with law and rule; provision for instructional and
 1634 noninstructional community services, location of classes, and
 1635 services provided; and dissemination of information concerning
 1636 such programs and services. New programs must be approved
 1637 pursuant to s. 1004.03.

1638 (7) Each board of trustees has responsibility for+ ensuring
 1639 that students have access to general education courses as
 1640 identified in rule; requiring no more than 60 semester hours of
 1641 degree program coursework, including 36 semester hours of
 1642 general education coursework, for an associate in arts degree;
 1643 notifying students that earned hours in excess of 60 semester
 1644 hours may not be accepted by state universities; notifying
 1645 students of unique program prerequisites; and ensuring that
 1646 degree program coursework beyond general education coursework is
 1647 consistent with degree program prerequisite requirements adopted
 1648 pursuant to s. 1007.25(5).

1649 (8) Each board of trustees has authority for policies
 1650 related to students, enrollment of students, student records,
 1651 student activities, financial assistance, and other student
 1652 services.

1653 (a) Each board of trustees shall govern admission of
 1654 students pursuant to s. 1007.263 and rules of the State Board of
 1655 Community Colleges Education. A board of trustees may establish

Page 57 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

1656 additional admissions criteria, which shall be included in the
 1657 dual enrollment articulation agreement developed according to s.
 1658 1007.271(21), to ensure student readiness for postsecondary
 1659 instruction. Each board of trustees may consider the past
 1660 actions of any person applying for admission or enrollment and
 1661 may deny admission or enrollment to an applicant because of
 1662 misconduct if determined to be in the best interest of the
 1663 Florida Community College System institution.

1664 (b) Each board of trustees shall adopt rules establishing
 1665 student performance standards for the award of degrees and
 1666 certificates pursuant to s. 1004.68.

1667 (c) Boards of trustees are authorized to establish
 1668 intrainstitutional and interinstitutional programs to maximize
 1669 articulation pursuant to s. 1007.22.

1670 (d) Boards of trustees shall identify their general
 1671 education curricula pursuant to s. 1007.25(6).

1672 (e) Each board of trustees must adopt a written antihazing
 1673 policy, provide a program for the enforcement of such rules, and
 1674 adopt appropriate penalties for violations of such rules
 1675 pursuant to the provisions of s. 1006.63.

1676 (f) Each board of trustees may establish a uniform code of
 1677 conduct and appropriate penalties for violation of its rules by
 1678 students and student organizations, including rules governing
 1679 student academic honesty. Such penalties, unless otherwise
 1680 provided by law, may include fines, the withholding of diplomas
 1681 or transcripts pending compliance with rules or payment of
 1682 fines, and the imposition of probation, suspension, or
 1683 dismissal.

1684 (g) Each board of trustees pursuant to s. 1006.53 shall

Page 58 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

1685 adopt a policy in accordance with rules of the State Board of
 1686 Community Colleges Education that reasonably accommodates the
 1687 religious observance, practice, and belief of individual
 1688 students in regard to admissions, class attendance, and the
 1689 scheduling of examinations and work assignments.

1690 (9) A board of trustees may contract with the board of
 1691 trustees of a state university for the Florida Community College
 1692 System institution to provide developmental education on the
 1693 state university campus.

1694 (10) Each board of trustees shall establish fees pursuant
 1695 to ss. 1009.22, 1009.23, 1009.25, 1009.26, and 1009.27.

1696 (11) Each board of trustees shall submit an institutional
 1697 budget request, including a request for fixed capital outlay,
 1698 and an operating budget to the State Board of Community Colleges
 1699 Education for review in accordance with guidelines established
 1700 by the State Board of Community Colleges Education.

1701 (12) Each board of trustees shall account for expenditures
 1702 of all state, local, federal, and other funds in the manner
 1703 described by the State Board of Community Colleges Department of
 1704 Education.

1705 (13) Each board of trustees is responsible for the uses for
 1706 the proceeds of academic improvement trust funds pursuant to s.
 1707 1011.85.

1708 (14) Each board of trustees shall develop a strategic plan
 1709 specifying institutional goals and objectives for the Florida
 1710 Community College System institution for recommendation to the
 1711 State Board of Community Colleges Education.

1712 (15) Each board of trustees shall develop an accountability
 1713 plan pursuant to s. 1008.45.

581-01712-17

2017374c1

1714 (16) Each board of trustees must expend performance funds
 1715 provided for workforce education pursuant to the provisions of
 1716 s. 1011.80.

1717 (17) Each board of trustees is accountable for performance
 1718 in certificate career education and diploma programs pursuant to
 1719 s. 1008.43.

1720 (18) Each board of trustees shall establish the personnel
 1721 program for all employees of the Florida Community College
 1722 System institution, including the president, pursuant to the
 1723 provisions of chapter 1012 and rules and guidelines of the State
 1724 Board of Community Colleges Education, including: compensation
 1725 and other conditions of employment; recruitment and selection;
 1726 nonreappointment; standards for performance and conduct;
 1727 evaluation; benefits and hours of work; leave policies;
 1728 recognition; inventions and work products; travel; learning
 1729 opportunities; exchange programs; academic freedom and
 1730 responsibility; promotion; assignment; demotion; transfer;
 1731 ethical obligations and conflict of interest; restrictive
 1732 covenants; disciplinary actions; complaints; appeals and
 1733 grievance procedures; and separation and termination from
 1734 employment.

1735 (19) Each board of trustees shall appoint, suspend, or
 1736 remove the president of the Florida Community College System
 1737 institution. The board of trustees may appoint a search
 1738 committee. The board of trustees shall conduct annual
 1739 evaluations of the president in accordance with rules of the
 1740 State Board of Community Colleges Education and submit such
 1741 evaluations to the State Board of Community Colleges Education
 1742 for review. The evaluation must address the achievement of the

581-01712-17 2017374c1

1743 performance goals established by the accountability process
 1744 implemented pursuant to s. 1008.45 and the performance of the
 1745 president in achieving the annual and long-term goals and
 1746 objectives established in the Florida Community College System
 1747 institution's employment accountability program implemented
 1748 pursuant to s. 1012.86.

1749 (20) Each board of trustees is authorized to enter into
 1750 contracts to provide a State Community College System Optional
 1751 Retirement Program pursuant to s. 1012.875 and to enter into
 1752 consortia with other boards of trustees for this purpose.

1753 (21) Each board of trustees is authorized to purchase
 1754 annuities for its Florida Community College System institution
 1755 personnel who have 25 or more years of creditable service and
 1756 who have reached age 55 and have applied for retirement under
 1757 the Florida Retirement System pursuant to the provisions of s.
 1758 1012.87.

1759 (22) A board of trustees may defray all costs of defending
 1760 civil actions against officers, employees, or agents of the
 1761 board of trustees pursuant to s. 1012.85.

1762 (23) Each board of trustees has authority for risk
 1763 management, safety, security, and law enforcement operations.
 1764 Each board of trustees is authorized to employ personnel,
 1765 including police officers pursuant to s. 1012.88, to carry out
 1766 the duties imposed by this subsection.

1767 (24) Each board of trustees shall provide rules governing
 1768 parking and the direction and flow of traffic within campus
 1769 boundaries. Except for sworn law enforcement personnel, persons
 1770 employed to enforce campus parking rules have no authority to
 1771 arrest or issue citations for moving traffic violations. The

581-01712-17 2017374c1

1772 board of trustees may adopt a uniform code of appropriate
 1773 penalties for violations. Such penalties, unless otherwise
 1774 provided by law, may include the levying of fines, the
 1775 withholding of diplomas or transcripts pending compliance with
 1776 rules or payment of fines, and the imposition of probation,
 1777 suspension, or dismissal. Moneys collected from parking rule
 1778 infractions shall be deposited in appropriate funds at each
 1779 Florida Community College System institution for student
 1780 financial aid purposes.

1781 (25) Each board of trustees constitutes the contracting
 1782 agent of the Florida Community College System institution. It
 1783 may when acting as a body make contracts, sue, and be sued in
 1784 the name of the board of trustees. In any suit, a change in
 1785 personnel of the board of trustees shall not abate the suit,
 1786 which shall proceed as if such change had not taken place.

1787 (26) Each board of trustees is authorized to contract for
 1788 the purchase, sale, lease, license, or acquisition in any
 1789 manner, including purchase by installment or lease-purchase
 1790 contract which may provide for the payment of interest on the
 1791 unpaid portion of the purchase price and for the granting of a
 1792 security interest in the items purchased, subject to the
 1793 provisions of subsection (38) and ss. 1009.22 and 1009.23, of
 1794 goods, materials, equipment, and services required by the
 1795 Florida Community College System institution. The board of
 1796 trustees may choose to consolidate equipment contracts under
 1797 master equipment financing agreements made pursuant to s.
 1798 287.064.

1799 (27) Each board of trustees shall be responsible for
 1800 managing and protecting real and personal property acquired or

581-01712-17 2017374c1

1801 held in trust for use by and for the benefit of such Florida
 1802 Community College System institution. To that end, any board of
 1803 trustees is authorized to be self-insured, to enter into risk
 1804 management programs, or to purchase insurance for whatever
 1805 coverage it may choose, or to have any combination thereof, in
 1806 anticipation of any loss, damage, or destruction. A board of
 1807 trustees may contract for self-insurance services pursuant to s.
 1808 1004.725.

1809 (28) Each board of trustees is authorized to enter into
 1810 agreements for, and accept, credit card, charge card, and debit
 1811 card payments as compensation for goods, services, tuition, and
 1812 fees. Each Florida Community College System institution is
 1813 further authorized to establish accounts in credit card, charge
 1814 card, and debit card banks for the deposit of sales invoices.

1815 (29) Each board of trustees may provide incubator
 1816 facilities to eligible small business concerns pursuant to s.
 1817 1004.79.

1818 (30) Each board of trustees may establish a technology
 1819 transfer center for the purpose of providing institutional
 1820 support to local business and industry and governmental agencies
 1821 in the application of new research in technology pursuant to the
 1822 provisions of s. 1004.78.

1823 (31) Each board of trustees may establish economic
 1824 development centers for the purpose of serving as liaisons
 1825 between Florida Community College System institutions and the
 1826 business sector pursuant to the provisions of s. 1004.80.

1827 (32) Each board of trustees may establish a child
 1828 development training center pursuant to s. 1004.81.

1829 (33) Each board of trustees is authorized to develop and

581-01712-17 2017374c1

1830 produce work products relating to educational endeavors that are
 1831 subject to trademark, copyright, or patent statutes pursuant to
 1832 chapter 1004.

1833 (34) Each board of trustees shall administer the facilities
 1834 program pursuant to chapter 1013, including but not limited to:
 1835 the construction of public educational and ancillary plants; the
 1836 acquisition and disposal of property; compliance with building
 1837 and life safety codes; submission of data and information
 1838 relating to facilities and construction; use of buildings and
 1839 grounds; establishment of safety and sanitation programs for the
 1840 protection of building occupants; and site planning and
 1841 selection.

1842 (35) Each board of trustees may exercise the right of
 1843 eminent domain pursuant to the provisions of chapter 1013.

1844 (36) Each board of trustees may enter into lease-purchase
 1845 arrangements with private individuals or corporations for
 1846 necessary grounds and buildings for Florida Community College
 1847 System institution purposes, other than dormitories, or for
 1848 buildings other than dormitories to be erected for Florida
 1849 Community College System institution purposes. Such arrangements
 1850 shall be paid from capital outlay and debt service funds as
 1851 provided by s. 1011.84(2), with terms not to exceed 30 years at
 1852 a stipulated rate. The provisions of such contracts, including
 1853 building plans, are subject to approval by the Department of
 1854 Education, and no such contract may be entered into without such
 1855 approval.

1856 (37) Each board of trustees may purchase, acquire, receive,
 1857 hold, own, manage, lease, sell, dispose of, and convey title to
 1858 real property, in the best interests of the Florida Community

581-01712-17

2017374c1

1859 College System institution.

1860 (38) Each board of trustees is authorized to enter into
 1861 short-term loans and installment, lease-purchase, and other
 1862 financing contracts for a term of not more than 5 years,
 1863 including renewals, extensions, and refundings. Payments on
 1864 short-term loans and installment, lease-purchase, and other
 1865 financing contracts pursuant to this subsection shall be subject
 1866 to annual appropriation by the board of trustees. Each board of
 1867 trustees is authorized to borrow funds and incur long-term debt,
 1868 including promissory notes, installment sales agreements, lease-
 1869 purchase agreements, certificates of participation, and other
 1870 similar long-term financing arrangements, only as specifically
 1871 provided in ss. 1009.22(6) and (9) and 1009.23(11) and (12). At
 1872 the option of the board of trustees, bonds issued pursuant to
 1873 ss. 1009.22(6) and (9) and 1009.23(11) and (12) may be secured
 1874 by a combination of revenues authorized to be pledged to bonds
 1875 pursuant to such subsections. Revenue bonds may not be secured
 1876 by or paid from, directly or indirectly, tuition, financial aid
 1877 fees, the Florida Community College System Program Fund, or any
 1878 other operating revenues of a Florida Community College System
 1879 institution. Lease-purchase agreements may be secured by a
 1880 combination of revenues as specifically authorized pursuant to
 1881 ss. 1009.22(7) and 1009.23(10).

1882 (39) Each board of trustees shall prescribe conditions for
 1883 direct-support organizations to be certified and to use Florida
 1884 Community College System institution property and services.
 1885 Conditions relating to certification must provide for audit
 1886 review and oversight by the board of trustees.

1887 (40) Each board of trustees may adopt policies pursuant to

Page 65 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

1888 s. 1010.02 that provide procedures for transferring to the
 1889 direct-support organization of that Florida Community College
 1890 System institution for administration by such organization
 1891 contributions made to the Florida Community College System
 1892 institution.

1893 (41) The board of trustees shall exert every effort to
 1894 collect all delinquent accounts pursuant to s. 1010.03.

1895 (42) Each board of trustees shall implement a plan, in
 1896 accordance with guidelines of the State Board of Community
 1897 Colleges ~~Education~~, for working on a regular basis with the
 1898 other Florida Community College System institution boards of
 1899 trustees, representatives of the university boards of trustees,
 1900 and representatives of the district school boards to achieve the
 1901 goals of the seamless education system.

1902 (43) Each board of trustees has responsibility for
 1903 compliance with state and federal laws, rules, regulations, and
 1904 requirements.

1905 (44) Each board of trustees may adopt rules, procedures,
 1906 and policies related to institutional governance,
 1907 administration, and management in order to promote orderly and
 1908 efficient operation, including, but not limited to, financial
 1909 management, budget management, physical plant management, and
 1910 property management.

1911 (45) Each board of trustees may adopt rules and procedures
 1912 related to data or technology, including, but not limited to,
 1913 information systems, communications systems, computer hardware
 1914 and software, and networks.

1915 (46) Each board of trustees may consider the past actions
 1916 of any person applying for employment and may deny employment to

Page 66 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

1917 a person because of misconduct if determined to be in the best
1918 interest of the Florida Community College System institution.

1919 (47) Each contract or employment agreement, or renewal or
1920 renegotiation of an existing contract or employment agreement,
1921 containing a provision for severance pay with an officer, agent,
1922 employee, or contractor must include the provisions required in
1923 s. 215.425.

1924 (48) Each board of trustees shall use purchasing agreements
1925 and state term contracts pursuant to s. 287.056 or enter into
1926 consortia and cooperative agreements to maximize the purchasing
1927 power for goods and services. A consortium or cooperative
1928 agreement may be statewide, regional, or a combination of
1929 institutions, as appropriate to achieve the lowest cost, with
1930 the goal of achieving a 5-percent savings on existing contract
1931 prices through the use of new cooperative arrangements or new
1932 consortium contracts.

1933 Section 20. Section 1001.65, Florida Statutes, is amended
1934 to read:

1935 1001.65 Florida Community College System institution
1936 presidents; powers and duties.—The president is the chief
1937 executive officer of the Florida Community College System
1938 institution, shall be corporate secretary of the Florida
1939 Community College System institution board of trustees, and is
1940 responsible for the operation and administration of the Florida
1941 Community College System institution. Each Florida Community
1942 College System institution president shall:

1943 (1) Recommend the adoption of rules, as appropriate, to the
1944 Florida Community College System institution board of trustees
1945 to implement provisions of law governing the operation and

Page 67 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

1946 administration of the Florida Community College System
1947 institution, which shall include the specific powers and duties
1948 enumerated in this section. Such rules shall be consistent with
1949 law, the mission of the Florida Community College System
1950 institution, and the rules and policies of the State Board of
1951 Community Colleges Education.

1952 (2) Prepare a budget request and an operating budget
1953 pursuant to s. 1011.30 for approval by the Florida Community
1954 College System institution board of trustees at such time and in
1955 such format as the State Board of Community Colleges Education
1956 may prescribe.

1957 (3) Establish and implement policies and procedures to
1958 recruit, appoint, transfer, promote, compensate, evaluate,
1959 reward, demote, discipline, and remove personnel, within law and
1960 rules of the State Board of Community College Education and in
1961 accordance with rules or policies approved by the Florida
1962 Community College System institution board of trustees.

1963 (4) Govern admissions, subject to law and rules or policies
1964 of the Florida Community College System institution board of
1965 trustees and the State Board of Community Colleges Education.

1966 (5) Approve, execute, and administer contracts for and on
1967 behalf of the Florida Community College System institution board
1968 of trustees for licenses; the acquisition or provision of
1969 commodities, goods, equipment, and services; leases of real and
1970 personal property; and planning and construction to be rendered
1971 to or by the Florida Community College System institution,
1972 provided such contracts are within law and guidelines of the
1973 State Board of Community Colleges Education and in conformance
1974 with policies of the Florida Community College System

Page 68 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

1975 institution board of trustees, and are for the implementation of
 1976 approved programs of the Florida Community College System
 1977 institution.

1978 (6) Act for the Florida Community College System
 1979 institution board of trustees as custodian of all Florida
 1980 Community College System institution property and financial
 1981 resources. The authority vested in the Florida Community College
 1982 System institution president under this subsection includes the
 1983 authority to prioritize the use of Florida Community College
 1984 System institution space, property, equipment, and resources and
 1985 the authority to impose charges for the use of those items.

1986 (7) Establish the internal academic calendar of the Florida
 1987 Community College System institution within general guidelines
 1988 of the State Board of Community Colleges ~~Education~~.

1989 (8) Administer the Florida Community College System
 1990 institution's program of intercollegiate athletics.

1991 (9) Recommend to the board of trustees the establishment
 1992 and termination of programs within the approved role and scope
 1993 of the Florida Community College System institution.

1994 (10) Award degrees.

1995 (11) Recommend to the board of trustees a schedule of
 1996 tuition and fees to be charged by the Florida Community College
 1997 System institution, within law and rules of the State Board of
 1998 Community Colleges ~~Education~~.

1999 (12) Organize the Florida Community College System
 2000 institution to efficiently and effectively achieve the goals of
 2001 the Florida Community College System institution.

2002 (13) Review periodically the operations of the Florida
 2003 Community College System institution in order to determine how

581-01712-17 2017374c1

2004 effectively and efficiently the Florida Community College System
 2005 institution is being administered and whether it is meeting the
 2006 goals of its strategic plan adopted by the State Board of
 2007 Community Colleges ~~Education~~.

2008 (14) Enter into agreements for student exchange programs
 2009 that involve students at the Florida Community College System
 2010 institution and students in other institutions of higher
 2011 learning.

2012 (15) Approve the internal procedures of student government
 2013 organizations and provide purchasing, contracting, and budgetary
 2014 review processes for these organizations.

2015 (16) Ensure compliance with federal and state laws, rules,
 2016 regulations, and other requirements that are applicable to the
 2017 Florida Community College System institution.

2018 (17) Maintain all data and information pertaining to the
 2019 operation of the Florida Community College System institution,
 2020 and report on the attainment by the Florida Community College
 2021 System institution of institutional and statewide performance
 2022 accountability goals.

2023 (18) Certify to the department a project's compliance with
 2024 the requirements for expenditure of PECO funds prior to release
 2025 of funds pursuant to ~~the provisions of~~ chapter 1013.

2026 (19) Provide to the law enforcement agency and fire
 2027 department that has jurisdiction over the Florida Community
 2028 College System institution a copy of the floor plans and other
 2029 relevant documents for each educational facility as defined in
 2030 s. 1013.01(6). After the initial submission of the floor plans
 2031 and other relevant documents, the Florida Community College
 2032 System institution president shall submit, by October 1 of each

581-01712-17 2017374c1

2033 year, revised floor plans and other relevant documents for each
2034 educational facility that was modified during the preceding
2035 year.

2036 (20) Develop and implement jointly with school
2037 superintendents a comprehensive dual enrollment articulation
2038 agreement for the students enrolled in their respective school
2039 districts and service areas pursuant to s. 1007.271(21).

2040 (21) Have authority, after notice to the student of the
2041 charges and after a hearing thereon, to expel, suspend, or
2042 otherwise discipline any student who is found to have violated
2043 any law, ordinance, or rule or regulation of the State Board of
2044 Community Colleges Education or of the board of trustees of the
2045 Florida Community College System institution pursuant to the
2046 provisions of s. 1006.62.

2047 (22) Submit an annual employment accountability plan to the
2048 State Board of Community Colleges Department of Education
2049 pursuant to the provisions of s. 1012.86.

2050 (23) Annually evaluate, or have a designee annually
2051 evaluate, each department chairperson, dean, provost, and vice
2052 president in achieving the annual and long-term goals and
2053 objectives of the Florida Community College System institution's
2054 employment accountability plan.

2055 (24) Have vested with the president or the president's
2056 designee the authority that is vested with the Florida Community
2057 College System institution.

2058 Section 21. Section 1001.66, Florida Statutes, is amended
2059 to read:

2060 1001.66 Florida Community College System Performance-Based
2061 Incentive.-

581-01712-17 2017374c1

2062 (1) A Florida Community College System Performance-Based
2063 Incentive shall be awarded to Florida Community College System
2064 institutions using performance-based metrics adopted by the
2065 State Board of Community Colleges Education. The performance-
2066 based metrics must include retention rates; program completion
2067 and graduation rates; postgraduation employment, salaries, and
2068 continuing education for workforce education and baccalaureate
2069 programs, with wage thresholds that reflect the added value of
2070 the certificate or degree; and outcome measures appropriate for
2071 associate of arts degree recipients. The state board shall adopt
2072 benchmarks to evaluate each institution's performance on the
2073 metrics to measure the institution's achievement of
2074 institutional excellence or need for improvement and the minimum
2075 requirements for eligibility to receive performance funding.

2076 (2) Each fiscal year, the amount of funds available for
2077 allocation to the Florida Community College System institutions
2078 based on the performance-based funding model shall consist of
2079 the state's investment in performance funding plus institutional
2080 investments consisting of funds to be redistributed from the
2081 base funding of the Florida Community College System Program
2082 Fund as determined in the General Appropriations Act. The State
2083 Board of Community Colleges Education shall establish minimum
2084 performance funding eligibility thresholds for the state's
2085 investment and the institutional investments. An institution
2086 that meets the minimum institutional investment eligibility
2087 threshold, but fails to meet the minimum state investment
2088 eligibility threshold, shall have its institutional investment
2089 restored but is ineligible for a share of the state's investment
2090 in performance funding. The institutional investment shall be

581-01712-17

2017374c1

2091 restored for all institutions eligible for the state's
2092 investment under the performance-based funding model.

2093 (3) (a) Each Florida Community College System institution's
2094 share of the performance funding shall be calculated based on
2095 its relative performance on the established metrics in
2096 conjunction with the institutional size and scope.

2097 (b) A Florida Community College System institution that
2098 fails to meet the State Board of Community Colleges' Education's
2099 minimum institutional investment performance funding eligibility
2100 threshold shall have a portion of its institutional investment
2101 withheld by the state board and must submit an improvement plan
2102 to the state board which specifies the activities and strategies
2103 for improving the institution's performance. The state board
2104 must review and approve the improvement plan and, if the plan is
2105 approved, must monitor the institution's progress in
2106 implementing the activities and strategies specified in the
2107 improvement plan. The institution shall submit monitoring
2108 reports to the state board by December 31 and May 31 of each
2109 year in which an improvement plan is in place. Beginning in the
2110 2017-2018 fiscal year, the ability of an institution to submit
2111 an improvement plan to the state board is limited to 1 fiscal
2112 year.

2113 (c) The Chancellor of the Florida Community College System
2114 ~~Commissioner of Education~~ shall withhold disbursement of the
2115 institutional investment until the monitoring report is approved
2116 by the State Board of Community Colleges Education. A Florida
2117 Community College System institution determined by the state
2118 board to be making satisfactory progress on implementing the
2119 improvement plan shall receive no more than one-half of the

Page 73 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

2120 withheld institutional investment in January and the balance of
2121 the withheld institutional investment in June. An institution
2122 that fails to make satisfactory progress may not have its full
2123 institutional investment restored. Any institutional investment
2124 funds that are not restored shall be redistributed in accordance
2125 with the state board's performance-based metrics.

2126 (4) Distributions of performance funding, as provided in
2127 this section, shall be made to each of the Florida Community
2128 College System institutions listed in the Florida Community
2129 Colleges category in the General Appropriations Act.

2130 (5) By October 1 of each year, the State Board of Community
2131 Colleges Education shall submit to the Governor, the President
2132 of the Senate, and the Speaker of the House of Representatives a
2133 report on the previous fiscal year's performance funding
2134 allocation, which must reflect the rankings and award
2135 distributions.

2136 (6) The State Board of Community Colleges Education shall
2137 adopt rules to administer this section.

2138 Section 22. Section 1001.67, Florida Statutes, is amended
2139 to read:

2140 1001.67 Distinguished Florida Community College System
2141 Institution Program.—A collaborative partnership is established
2142 between the State Board of Community Colleges Education and the
2143 Legislature to recognize the excellence of Florida's highest-
2144 performing Florida Community College System institutions.

2145 (1) EXCELLENCE STANDARDS.—The following excellence
2146 standards are established for the program:

2147 (a) A 150 percent-of-normal-time completion rate of 50
2148 percent or higher, as calculated by the Division of Florida

Page 74 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

2149 Colleges.

2150 (b) A 150 percent-of-normal-time completion rate for Pell
2151 Grant recipients of 40 percent or higher, as calculated by the
2152 State Board of Community Division of Florida Colleges.

2153 (c) A retention rate of 70 percent or higher, as calculated
2154 by the State Board of Community Division of Florida Colleges.

2155 (d) A continuing education, or transfer, rate of 72 percent
2156 or higher for students graduating with an associate of arts
2157 degree, as reported by the Florida Education and Training
2158 Placement Information Program (FETPIP).

2159 (e) A licensure passage rate on the National Council
2160 Licensure Examination for Registered Nurses (NCLEX-RN) of 90
2161 percent or higher for first-time exam takers, as reported by the
2162 Board of Nursing.

2163 (f) A job placement or continuing education rate of 88
2164 percent or higher for workforce programs, as reported by FETPIP.

2165 (g) A time-to-degree for students graduating with an
2166 associate of arts degree of 2.25 years or less for first-time-
2167 in-college students with accelerated college credits, as
2168 reported by the Southern Regional Education Board.

2169 (2) DISTINGUISHED COLLEGE DESIGNATION.—The State Board of
2170 Community Colleges Education shall designate each Florida
2171 Community College System institution that meets five of the
2172 seven standards identified in subsection (1) as a distinguished
2173 college.

2174 (3) DISTINGUISHED COLLEGE SUPPORT.—A Florida Community
2175 College System institution designated as a distinguished college
2176 by the State Board of Community Colleges Education is eligible
2177 for funding as specified in the General Appropriations Act.

Page 75 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

2178 Section 23. Subsection (9) of section 1001.706, Florida
2179 Statutes, is amended to read:

2180 1001.706 Powers and duties of the Board of Governors.—

2181 (9) COOPERATION WITH OTHER BOARDS.—The Board of Governors
2182 shall implement a plan for working on a regular basis with the
2183 State Board of Education, the State Board of Community Colleges,
2184 the Commission for Independent Education, the Higher Education
2185 Coordinating Council, the Articulation Coordinating Committee,
2186 the university boards of trustees, representatives of the
2187 Florida Community College System institution boards of trustees,
2188 representatives of the private colleges and universities, and
2189 representatives of the district school boards to achieve a
2190 seamless education system.

2191 Section 24. Subsections (1) and (18) of section 1002.34,
2192 Florida Statutes, are amended to read:

2193 1002.34 Charter technical career centers; governance,
2194 mission, and responsibilities.—

2195 (1) MISSION AND AUTHORIZATION.—

2196 (a) The primary mission of a charter technical career
2197 center is to promote ~~The Legislature finds that the~~
2198 ~~establishment of charter technical career centers can assist in~~
2199 ~~promoting~~ advances and innovations in workforce preparation and
2200 economic development. A charter technical career center may
2201 provide a learning environment that ~~better~~ serves the needs of a
2202 specific population group or a group of occupations, thus
2203 promoting diversity and choices within the public education and
2204 public postsecondary technical education community in this
2205 state. Therefore, the creation of such centers is authorized as
2206 part of the state's program of public education. A charter

Page 76 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

2207 technical career center may be formed by creating a new school
 2208 or converting an existing school district or Florida Community
 2209 College System institution program to charter technical status.

2210 (b) A charter technical career center that is operated by a
 2211 district school board may not offer a college credit course or a
 2212 college credit certificate or an associate degree or
 2213 baccalaureate degree program.

2214 (18) RULES.—The State Board of Education, for technical
 2215 centers operated by school districts, and the State Board of
 2216 Community Colleges, for technical centers operated by Florida
 2217 Community College System institutions, shall adopt rules,
 2218 pursuant to ss. 120.536(1) and 120.54, relating to the
 2219 implementation of charter technical career centers, including
 2220 rules to implement a charter model application form and an
 2221 evaluation instrument in accordance with this section.

2222 Section 25. Paragraph (b) of subsection (4) of section
 2223 1003.491, Florida Statutes, is amended to read:

2224 1003.491 Florida Career and Professional Education Act.—The
 2225 Florida Career and Professional Education Act is created to
 2226 provide a statewide planning partnership between the business
 2227 and education communities in order to attract, expand, and
 2228 retain targeted, high-value industry and to sustain a strong,
 2229 knowledge-based economy.

2230 (4) The State Board of Education shall establish a process
 2231 for the continual and uninterrupted review of newly proposed
 2232 core secondary courses and existing courses requested to be
 2233 considered as core courses to ensure that sufficient rigor and
 2234 relevance is provided for workforce skills and postsecondary
 2235 education and aligned to state curriculum standards.

Page 77 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

2236 (b) The curriculum review committee shall review newly
 2237 proposed core courses electronically. Each proposed core course
 2238 shall be approved or denied within 30 days after submission by a
 2239 district school board or local workforce development board. All
 2240 courses approved as core courses for purposes of middle school
 2241 promotion and high school graduation shall be immediately added
 2242 to the Course Code Directory. Approved core courses shall also
 2243 be reviewed and considered for approval for dual enrollment
 2244 credit. The Board of Governors, the State Board of Community
 2245 Colleges, and the Commissioner of Education shall jointly
 2246 recommend an annual deadline for approval of new core courses to
 2247 be included for purposes of postsecondary admissions and dual
 2248 enrollment credit the following academic year. The State Board
 2249 of Education shall establish an appeals process in the event
 2250 that a proposed course is denied which shall require a consensus
 2251 ruling by the Department of Economic Opportunity and the
 2252 Commissioner of Education within 15 days.

2253 Section 26. Paragraph (b) of subsection (4) of section
 2254 1003.493, Florida Statutes, is amended to read:

2255 1003.493 Career and professional academies and career-
 2256 themed courses.—

2257 (4) Each career and professional academy and secondary
 2258 school providing a career-themed course must:

2259 (b) Include one or more partnerships with postsecondary
 2260 institutions, businesses, industry, employers, economic
 2261 development organizations, or other appropriate partners from
 2262 the local community. Such partnerships with postsecondary
 2263 institutions shall be delineated in articulation agreements and
 2264 include any career and professional academy courses or career-

Page 78 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

2265 themed courses that earn postsecondary credit. Such agreements
 2266 may include articulation between the secondary school and public
 2267 or private 2-year and 4-year postsecondary institutions and
 2268 technical centers. The Department of Education, in consultation
 2269 with the Board of Governors and the State Board of Community
 2270 Colleges, shall establish a mechanism to ensure articulation and
 2271 transfer of credits to postsecondary institutions in this state.
 2272 Such partnerships must provide opportunities for:

- 2273 1. Instruction from highly skilled professionals who
- 2274 possess industry-certification credentials for courses they are
- 2275 teaching.
- 2276 2. Internships, externships, and on-the-job training.
- 2277 3. A postsecondary degree, diploma, or certificate.
- 2278 4. The highest available level of industry certification.
- 2279 5. Maximum articulation of credits pursuant to s. 1007.23
- 2280 upon program completion.

2281 Section 27. Subsections (4), (5), and (6) of section
 2282 1004.015, Florida Statutes, are amended to read:

2283 1004.015 Higher Education Coordinating Council.—

2284 (4) The council shall serve as an advisory board to the
 2285 Legislature, the State Board of Education, ~~and~~ the Board of
 2286 Governors, and the State Board of Community Colleges.
 2287 Recommendations of the council shall be consistent with the
 2288 following guiding principles:

- 2289 (a) To achieve within existing resources a seamless
- 2290 academic educational system that fosters an integrated continuum
- 2291 of kindergarten through graduate school education for Florida's
- 2292 students.
- 2293 (b) To promote consistent education policy across all

Page 79 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

2294 educational delivery systems, focusing on students.

2295 (c) To promote substantially improved articulation across
 2296 all educational delivery systems.

2297 (d) To promote a system that maximizes educational access
 2298 and allows the opportunity for a high-quality education for all
 2299 Floridians.

2300 (e) To promote a system of coordinated and consistent
 2301 transfer of credit and data collection for improved
 2302 accountability purposes between the educational delivery
 2303 systems.

2304 (5) The council shall annually by December 31 submit to the
 2305 Governor, the President of the Senate, the Speaker of the House
 2306 of Representatives, the Board of Governors, the State Board of
 2307 Community Colleges, and the State Board of Education a report
 2308 outlining its recommendations relating to:

2309 (a) The primary core mission of public and nonpublic
 2310 postsecondary education institutions in the context of state
 2311 access demands and economic development goals.

2312 (b) Performance outputs and outcomes designed to meet
 2313 annual and long-term state goals, including, but not limited to,
 2314 increased student access, preparedness, retention, transfer, and
 2315 completion. Performance measures must be consistent across
 2316 sectors and allow for a comparison of the state's performance to
 2317 that of other states.

2318 (c) The state's articulation policies and practices to
 2319 ensure that cost benefits to the state are maximized without
 2320 jeopardizing quality. The recommendations shall consider return
 2321 on investment for both the state and students and propose
 2322 systems to facilitate and ensure institutional compliance with

Page 80 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

2323 state articulation policies.

2324 (d) Workforce development education, specifically
2325 recommending improvements to the consistency of workforce
2326 education data collected and reported by Florida Community
2327 College System institutions and school districts, including the
2328 establishment of common elements and definitions for any data
2329 that is used for state and federal funding and program
2330 accountability.

2331 (6) The Office of K-20 Articulation, in collaboration with
2332 the Board of Governors and the State Board of Community Division
2333 ~~of Florida~~ Colleges, shall provide administrative support for
2334 the council.

2335 Section 28. Subsection (7) of section 1004.02, Florida
2336 Statutes, is amended to read:

2337 1004.02 Definitions.—As used in this chapter:

2338 (7) "Applied technology diploma program" means a course of
2339 study that is part of a technical degree program, is less than
2340 60 credit hours, and leads to employment in a specific
2341 occupation. An applied technology diploma program may consist of
2342 either technical credit or college credit. A public school
2343 district may offer an applied technology diploma program only as
2344 technical credit, with college credit awarded to a student upon
2345 articulation to a Florida Community College System institution.
2346 Statewide articulation among public schools and Florida
2347 Community College System institutions is guaranteed by s.
2348 1007.23, and is subject to guidelines and standards adopted by
2349 the State Board of Community Colleges Education pursuant to ss.
2350 1007.24 and 1007.25.

2351 Section 29. Subsection (2) of section 1004.03, Florida

Page 81 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

2352 Statutes, is amended to read:

2353 1004.03 Program approval.—

2354 (2) The State Board of Community Colleges Education shall
2355 establish criteria for the approval of new programs at Florida
2356 Community College System institutions, which criteria include,
2357 but are not limited to, the following:

2358 (a) New programs may not be approved unless the same
2359 objectives cannot be met through use of educational technology.

2360 (b) Unnecessary duplication of programs offered by
2361 independent institutions shall be avoided.

2362 (c) Cooperative programs, particularly within regions,
2363 should be encouraged.

2364 (d) New programs may be approved only if they are
2365 consistent with the ~~state master~~ plan adopted by the State Board
2366 of Community Colleges Education.

2367 Section 30. Paragraph (f) of subsection (4) of section
2368 1004.04, Florida Statutes, is amended to read:

2369 1004.04 Public accountability and state approval for
2370 teacher preparation programs.—

2371 (4) CONTINUED PROGRAM APPROVAL.—Continued approval of a
2372 teacher preparation program shall be based upon evidence that
2373 the program continues to implement the requirements for initial
2374 approval and upon significant, objective, and quantifiable
2375 measures of the program and the performance of the program
2376 completers.

2377 (f) By January 1 of each year, the Department of Education
2378 shall report the results of each approved program's annual
2379 progress on the performance measures in paragraph (a) as well as
2380 the current approval status of each program to:

Page 82 of 254

2017374c1

2381 1. The Governor.
 2382 2. The President of the Senate.
 2383 3. The Speaker of the House of Representatives.
 2384 4. The State Board of Education.
 2385 5. The Board of Governors.
 2386 6. The State Board of Community Colleges.
 2387 7. The Commissioner of Education.
 2388 ~~8.7-~~ Each Florida postsecondary teacher preparation
 2389 program.
 2390 ~~9.8-~~ Each district school superintendent.
 2391 ~~10.9-~~ The public.
 2392
 2393 This report may include the results of other continued approval
 2394 requirements provided by State Board of Education rule and
 2395 recommendations for improving teacher preparation programs in
 2396 the state.
 2397 Section 31. Section 1004.07, Florida Statutes, is amended
 2398 to read:
 2399 1004.07 Student withdrawal from courses due to military
 2400 service; effect.—
 2401 (1) Each district school board, Florida Community College
 2402 System institution board of trustees, and state university board
 2403 of trustees shall establish policies regarding currently
 2404 enrolled students who are called to, or enlist in, active
 2405 military service.
 2406 (2) Such policies must ~~shall~~ provide that any student
 2407 enrolled in a postsecondary course or courses at a career
 2408 center, a Florida Community College System institution, or a
 2409 state university may ~~shall~~ not incur academic or financial

Page 83 of 254

581-01712-17

2017374c1

2410 penalties by virtue of performing military service on behalf of
 2411 our country. Such student shall be permitted the option of
 2412 either completing the course or courses at a later date without
 2413 penalty or withdrawing from the course or courses with a full
 2414 refund of fees paid. If the student chooses to withdraw, the
 2415 student's record shall reflect that the withdrawal is due to
 2416 active military service.
 2417 (3) Policies of district school boards must ~~and Florida~~
 2418 ~~College System institution boards of trustees shall~~ be
 2419 established by rule and pursuant to guidelines of the State
 2420 Board of Education.
 2421 (4) Policies of state university boards of trustees must
 2422 ~~shall~~ be established by regulation and pursuant to guidelines of
 2423 the Board of Governors.
 2424 (5) Policies of Florida Community College System
 2425 institution boards of trustees must be established by rule and
 2426 pursuant to guidelines of the State Board of Community Colleges.
 2427 Section 32. Section 1004.084, Florida Statutes, is amended
 2428 to read:
 2429 1004.084 College affordability.—
 2430 (1) The Board of Governors and the State Board of Community
 2431 Colleges Education shall annually identify strategies to promote
 2432 college affordability for all Floridians by evaluating, at a
 2433 minimum, the impact of:
 2434 (a) Tuition and fees on undergraduate, graduate, and
 2435 professional students at public colleges and universities and
 2436 graduate assistants employed by public universities.
 2437 (b) Federal, state, and institutional financial aid
 2438 policies on the actual cost of attendance for students and their

Page 84 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

2439 families.

2440 (c) The costs of textbooks and instructional materials.

2441 (2) By December 31 of each year, ~~beginning in 2016,~~ the

2442 Board of Governors and the State Board of Community Colleges

2443 ~~Education~~ shall submit a report on their respective college

2444 affordability initiatives to the Governor, the President of the

2445 Senate, and the Speaker of the House of Representatives.

2446 Section 33. Paragraph (d) of subsection (3) and subsections

2447 (6), (7), and (8) of section 1004.085, Florida Statutes, are

2448 amended to read:

2449 1004.085 Textbook and instructional materials

2450 affordability.-

2451 (3) An employee may receive:

2452 (d) Fees associated with activities such as reviewing,

2453 critiquing, or preparing support materials for textbooks or

2454 instructional materials pursuant to guidelines adopted by the

2455 State Board of Community Colleges ~~Education~~ or the Board of

2456 Governors.

2457 (6) Each Florida Community College System institution and

2458 state university shall post prominently in the course

2459 registration system and on its website, as early as is feasible,

2460 but at least 45 days before the first day of class for each

2461 term, a hyperlink to lists of required and recommended textbooks

2462 and instructional materials for at least 95 percent of all

2463 courses and course sections offered at the institution during

2464 the upcoming term. The lists must include the International

2465 Standard Book Number (ISBN) for each required and recommended

2466 textbook and instructional material or other identifying

2467 information, which must include, at a minimum, all of the

Page 85 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

2468 following: the title, all authors listed, publishers, edition

2469 number, copyright date, published date, and other relevant

2470 information necessary to identify the specific textbooks or

2471 instructional materials required and recommended for each

2472 course. The State Board of Community Colleges ~~Education~~ and the

2473 Board of Governors shall include in the policies, procedures,

2474 and guidelines adopted under subsection (7) certain limited

2475 exceptions to this notification requirement for classes added

2476 after the notification deadline.

2477 (7) After receiving input from students, faculty,

2478 bookstores, and publishers, the State Board of Community

2479 Colleges ~~Education~~ and the Board of Governors each shall adopt

2480 textbook and instructional materials affordability policies,

2481 procedures, and guidelines for implementation by Florida

2482 Community College System institutions and state universities,

2483 respectively, that further efforts to minimize the cost of

2484 textbooks and instructional materials for students attending

2485 such institutions while maintaining the quality of education and

2486 academic freedom. The policies, procedures, and guidelines shall

2487 address:

2488 (a) The establishment of deadlines for an instructor or

2489 department to notify the bookstore of required and recommended

2490 textbooks and instructional materials so that the bookstore may

2491 verify availability, source lower cost options when practicable,

2492 explore alternatives with faculty when academically appropriate,

2493 and maximize the availability of used textbooks and

2494 instructional materials.

2495 (b) Confirmation by the course instructor or academic

2496 department offering the course, before the textbook or

Page 86 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

2497 instructional materials adoption is finalized, of the intent to
2498 use all items ordered, particularly each individual item sold as
2499 part of a bundled package.

2500 (c) Determination by a course instructor or the academic
2501 department offering the course, before a textbook or
2502 instructional material is adopted, of the extent to which a new
2503 edition differs significantly and substantively from earlier
2504 versions and the value to the student of changing to a new
2505 edition or the extent to which an open-access textbook or
2506 instructional material is available.

2507 (d) The availability of required and recommended textbooks
2508 and instructional materials to students otherwise unable to
2509 afford the cost, including consideration of the extent to which
2510 an open-access textbook or instructional material may be used.

2511 (e) Participation by course instructors and academic
2512 departments in the development, adaptation, and review of open-
2513 access textbooks and instructional materials and, in particular,
2514 open-access textbooks and instructional materials for high-
2515 demand general education courses.

2516 (f) Consultation with school districts to identify
2517 practices that impact the cost of dual enrollment textbooks and
2518 instructional materials to school districts, including, but not
2519 limited to, the length of time that textbooks and instructional
2520 materials remain in use.

2521 (g) Selection of textbooks and instructional materials
2522 through cost-benefit analyses that enable students to obtain the
2523 highest-quality product at the lowest available price, by
2524 considering:

2525 1. Purchasing digital textbooks in bulk.

581-01712-17 2017374c1

2526 2. Expanding the use of open-access textbooks and
2527 instructional materials.

2528 3. Providing rental options for textbooks and instructional
2529 materials.

2530 4. Increasing the availability and use of affordable
2531 digital textbooks and learning objects.

2532 5. Developing mechanisms to assist in buying, renting,
2533 selling, and sharing textbooks and instructional materials.

2534 6. The length of time that textbooks and instructional
2535 materials remain in use.

2536 7. An evaluation of cost savings for textbooks and
2537 instructional materials which a student may realize if
2538 individual students are able to exercise opt-in provisions for
2539 the purchase of the materials.

2540 (8) The board of trustees of each Florida Community College
2541 System institution and state university shall report, by
2542 September 30 of each year, beginning in 2016, to the Chancellor
2543 of the Florida Community College System or the Chancellor of the
2544 State University System, as applicable, the textbook and
2545 instructional materials selection process for general education
2546 courses with a wide cost variance identified pursuant to
2547 subsection (4) and high-enrollment courses; specific initiatives
2548 of the institution designed to reduce the costs of textbooks and
2549 instructional materials; policies implemented in accordance with
2550 subsection (6); the number of courses and course sections that
2551 were not able to meet the textbook and instructional materials
2552 posting deadline for the previous academic year; and any
2553 additional information determined by the chancellors. By
2554 November 1 of each year, ~~beginning in 2016~~, each chancellor

581-01712-17 2017374c1

2555 shall provide a summary of the information provided by
 2556 institutions to the State Board of Community Colleges ~~Education~~
 2557 and the Board of Governors, as applicable.

2558 Section 34. Section 1004.096, Florida Statutes, is amended
 2559 to read:

2560 1004.096 College credit for military training and education
 2561 courses.—The Board of Governors shall adopt regulations and the
 2562 State Board of Community Colleges ~~Education~~ shall adopt rules
 2563 that enable eligible servicemembers or veterans of the United
 2564 States Armed Forces to earn academic college credit at public
 2565 postsecondary educational institutions for college-level
 2566 training and education acquired in the military. The regulations
 2567 and rules shall include procedures for credential evaluation and
 2568 the award of academic college credit, including, but not limited
 2569 to, equivalency and alignment of military coursework with
 2570 appropriate college courses, course descriptions, type and
 2571 amount of college credit that may be awarded, and transfer of
 2572 credit.

2573 Section 35. Section 1004.0961, Florida Statutes, is amended
 2574 to read:

2575 1004.0961 Credit for online courses.—~~Beginning in the 2015-~~
 2576 ~~2016 school year,~~ The State Board of Community Colleges
 2577 ~~Education~~ shall adopt rules and the Board of Governors shall
 2578 adopt regulations that enable students to earn academic credit
 2579 for online courses, including massive open online courses,
 2580 before initial enrollment at a postsecondary institution. The
 2581 rules of the State Board of Community Colleges ~~Education~~ and
 2582 regulations of the Board of Governors must include procedures
 2583 for credential evaluation and the award of credit, including,

581-01712-17 2017374c1

2584 but not limited to, recommendations for credit by the American
 2585 Council on Education; equivalency and alignment of coursework
 2586 with appropriate courses; course descriptions; type and amount
 2587 of credit that may be awarded; and transfer of credit.

2588 Section 36. Section 1004.35, Florida Statutes, is amended
 2589 to read:

2590 1004.35 Broward County campuses of Florida Atlantic
 2591 University; coordination with other institutions.—The State
 2592 Board of Community Colleges ~~Education~~, the Board of Governors,
 2593 and Florida Atlantic University shall consult with Broward
 2594 College and Florida International University in coordinating
 2595 course offerings at the postsecondary level in Broward County.
 2596 Florida Atlantic University may contract with the Board of
 2597 Trustees of Broward College and with Florida International
 2598 University to provide instruction in courses offered at the
 2599 Southeast Campus. Florida Atlantic University shall increase
 2600 course offerings at the Southeast Campus as facilities become
 2601 available.

2602 Section 37. Paragraphs (c) and (d) of subsection (5) and
 2603 subsections (8) and (9) of section 1004.6495, Florida Statutes,
 2604 are amended to read:

2605 1004.6495 Florida Postsecondary Comprehensive Transition
 2606 Program and Florida Center for Students with Unique Abilities.—

2607 (5) CENTER RESPONSIBILITIES.—The Florida Center for
 2608 Students with Unique Abilities is established within the
 2609 University of Central Florida. At a minimum, the center shall:

2610 (c) Create the application for the initial approval and
 2611 renewal of approval as an FPCTP for use by an eligible
 2612 institution which, at a minimum, must align with the federal

581-01712-17

2017374c1

2613 comprehensive transition and postsecondary program application
 2614 requirements. Notwithstanding the program approval requirements
 2615 of s. 1004.03, the director shall review applications for the
 2616 initial approval of an application for, or renewal of approval
 2617 of, an FPCTP.

2618 1. Within 30 days after receipt of an application, the
 2619 director shall issue his or her recommendation regarding
 2620 approval to the Chancellor of the State University System, ~~or~~
 2621 the Chancellor of the Florida Community College System, or the
 2622 Commissioner of Education, as applicable, or shall give written
 2623 notice to the applicant of any deficiencies in the application,
 2624 which the eligible institution must be given an opportunity to
 2625 correct. Within 15 days after receipt of a notice of
 2626 deficiencies, an eligible institution that chooses to continue
 2627 to seek program approval shall correct the application
 2628 deficiencies and return the application to the center. Within 30
 2629 days after receipt of a revised application, the director shall
 2630 recommend approval or disapproval of the revised application to
 2631 the applicable chancellor ~~or the commissioner, as applicable.~~
 2632 Within 15 days after receipt of the director's recommendation,
 2633 the applicable chancellor ~~or the commissioner~~ shall approve or
 2634 disapprove the recommendation. If the applicable chancellor ~~or~~
 2635 ~~the commissioner~~ does not act on the director's recommendation
 2636 within 15 days after receipt of such recommendation, the
 2637 comprehensive transition program proposed by the institution
 2638 shall be considered approved.

2639 2. Initial approval of an application for an FPCTP that
 2640 meets the requirements of this section is valid for the 3
 2641 academic years immediately following the academic year during

Page 91 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

2642 which the approval is granted. An eligible institution may
 2643 submit an application to the center requesting that the initial
 2644 approval be renewed. If the approval is granted and the FPCTP
 2645 continues to meet the requirements of this section, including,
 2646 but not limited to, program and student performance outcomes,
 2647 and federal requirements, a renewal is valid for the 5 academic
 2648 years immediately following the academic year during which the
 2649 renewal is granted.

2650 3. An application must, at a minimum:

- 2651 a. Identify a credential associated with the proposed
 2652 program which will be awarded to eligible students upon
 2653 completion of the FPCTP.
- 2654 b. Outline the program length and design, including, at a
 2655 minimum, inclusive and successful experiential education
 2656 practices relating to curricular, assessment, and advising
 2657 structure and internship and employment opportunities, which
 2658 must support students with intellectual disabilities who are
 2659 seeking to continue academic, career and technical, and
 2660 independent living instruction at an eligible institution,
 2661 including, but not limited to, opportunities to earn industry
 2662 certifications, to prepare students for gainful employment. If
 2663 an eligible institution offers a credit-bearing degree program,
 2664 the institution is responsible for maintaining the rigor and
 2665 effectiveness of a comprehensive transition degree program at
 2666 the same level as other comparable degree programs offered by
 2667 the institution pursuant to applicable accreditation standards.
- 2668 c. Outline a plan for students with intellectual
 2669 disabilities to be integrated socially and academically with
 2670 nondisabled students, to the maximum extent possible, and to

Page 92 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

2671 participate on not less than a half-time basis, as determined by
 2672 the eligible institution, with such participation focusing on
 2673 academic components and occurring through one or more of the
 2674 following activities with nondisabled students:

2675 (I) Regular enrollment in credit-bearing courses offered by
 2676 the institution.

2677 (II) Auditing or participating in courses offered by the
 2678 institution for which the student does not receive academic
 2679 credit.

2680 (III) Enrollment in noncredit-bearing, nondegree courses.

2681 (IV) Participation in internships or work-based training.

2682 d. Outline a plan for partnerships with businesses to
 2683 promote experiential training and employment opportunities for
 2684 students with intellectual disabilities.

2685 e. Identify performance indicators pursuant to subsection
 2686 (8) and other requirements identified by the center.

2687 f. Outline a 5-year plan incorporating enrollment and
 2688 operational expectations for the program.

2689 (d) Provide technical assistance regarding programs and
 2690 services for students with intellectual disabilities to
 2691 administrators, instructors, staff, and others, as applicable,
 2692 at eligible institutions by:

2693 1. Holding meetings and annual workshops to share
 2694 successful practices and to address issues or concerns.

2695 2. Facilitating collaboration between eligible institutions
 2696 and school districts, private schools operating pursuant to s.
 2697 1002.42, and parents of students enrolled in home education
 2698 programs operating pursuant to s. 1002.41 in assisting students
 2699 with intellectual disabilities and their parents to plan for the

581-01712-17 2017374c1

2700 transition of such students into an FPCTP or another program at
 2701 an eligible institution.

2702 3. Assisting eligible institutions with FPCTP and federal
 2703 comprehensive transition and postsecondary program applications.

2704 4. Assisting eligible institutions with the identification
 2705 of funding sources for an FPCTP and for student financial
 2706 assistance for students enrolled in an FPCTP.

2707 5. Monitoring federal and state law relating to the
 2708 comprehensive transition program and notifying the Legislature,
 2709 the Governor, the Board of Governors, the State Board of
 2710 Community Colleges, and the State Board of Education of any
 2711 change in law which may impact the implementation of this
 2712 section.

2713 (8) ACCOUNTABILITY.—

2714 (a) The center, in collaboration with the Board of
 2715 Governors and the State Board of Community Colleges Education,
 2716 shall identify indicators for the satisfactory progress of a
 2717 student in an FPCTP and for the performance of such programs.
 2718 Each eligible institution must address the indicators identified
 2719 by the center in its application for the approval of a proposed
 2720 program and for the renewal of an FPCTP and in the annual report
 2721 that the institution submits to the center.

2722 (b) By October 1 of each year, the center shall provide to
 2723 the Governor, the President of the Senate, the Speaker of the
 2724 House of Representatives, the Chancellor of the State University
 2725 System, and the Chancellor of the Florida Community College
 2726 System ~~Commissioner of Education~~ a report summarizing
 2727 information including, but not limited to:

2728 1. The status of the statewide coordination of FPCTPs and

581-01712-17 2017374c1

2729 the implementation of FPCTPs at eligible institutions including,
 2730 but not limited to:

2731 a. The number of applications approved and disapproved and
 2732 the reasons for each disapproval and no action taken by the
 2733 chancellor or the commissioner.

2734 b. The number and value of all scholarships awarded to
 2735 students and undisbursed advances remitted to the center
 2736 pursuant to subsection (7).

2737 2. Indicators identified by the center pursuant to
 2738 paragraph (a) and the performance of each eligible institution
 2739 based on the indicators identified in paragraph (6)(c).

2740 3. The projected number of students with intellectual
 2741 disabilities who may be eligible to enroll in the FPCTPs within
 2742 the next academic year.

2743 4. Education programs and services for students with
 2744 intellectual disabilities which are available at eligible
 2745 institutions.

2746 (c) Beginning in the 2016-2017 fiscal year, the center, in
 2747 collaboration with the Board of Governors, State Board of
 2748 Community Colleges Education, Higher Education Coordinating
 2749 Council, and other stakeholders, by December 1 of each year,
 2750 shall submit to the Governor, the President of the Senate, and
 2751 the Speaker of the House of Representatives statutory and budget
 2752 recommendations for improving the implementation and delivery of
 2753 FPCTPs and other education programs and services for students
 2754 with disabilities.

2755 (9) RULES.—The Board of Governors and the State Board of
 2756 Community Colleges Education, in consultation with the center,
 2757 shall expeditiously adopt any necessary regulations and rules,

581-01712-17 2017374c1

2758 as applicable, to allow the center to perform its
 2759 responsibilities pursuant to this section beginning in the 2016-
 2760 2017 fiscal year.

2761 Section 38. Section 1004.65, Florida Statutes, is amended
 2762 to read:

2763 1004.65 Florida Community College System institutions;
 2764 governance, mission, and responsibilities.—

2765 (1) Each Florida Community College System institution shall
 2766 be governed by a district board of trustees under statutory
 2767 authority and rules of the State Board of Community Colleges
 2768 Education.

2769 (2) Each Florida Community College System institution
 2770 district shall:

2771 (a) Consist of the county or counties served by the Florida
 2772 Community College System institution pursuant to s. 1000.21(3).

2773 (b) Be an independent, separate, legal entity created for
 2774 the operation of a Florida Community College System institution.

2775 (3) Florida Community College System institutions are
 2776 locally based and governed entities with statutory and funding
 2777 ties to state government. As such, the mission for Florida
 2778 Community College System institutions reflects a commitment to
 2779 be responsive to local educational needs and challenges. In
 2780 achieving this mission, Florida Community College System
 2781 institutions strive to maintain sufficient local authority and
 2782 flexibility while preserving appropriate legal accountability to
 2783 the state.

2784 (4) As comprehensive institutions, Florida Community
 2785 College System institutions shall provide high-quality,
 2786 affordable education and training opportunities, shall foster a

581-01712-17

2017374c1

2787 climate of excellence, and shall provide opportunities to all
 2788 while combining high standards with an open-door admission
 2789 policy for lower-division programs. Florida Community College
 2790 System institutions shall, as open-access institutions, serve
 2791 all who can benefit, without regard to age, race, gender, creed,
 2792 or ethnic or economic background, while emphasizing the
 2793 achievement of social and educational equity so that all can be
 2794 prepared for full participation in society.

2795 (5) The primary mission and responsibility of Florida
 2796 Community College System institutions is responding to community
 2797 needs for postsecondary academic education and career degree
 2798 education. This mission and responsibility includes being
 2799 responsible for:

2800 (a) Providing lower-level ~~lower level~~ undergraduate
 2801 instruction and awarding associate degrees.

2802 (b) Preparing students directly for careers requiring less
 2803 than baccalaureate degrees. This may include preparing for job
 2804 entry, supplementing of skills and knowledge, and responding to
 2805 needs in new areas of technology. Career education in a Florida
 2806 Community College System institution consists ~~shall consist~~ of
 2807 career certificates, nationally recognized industry
 2808 certifications, credit courses leading to associate in science
 2809 degrees and associate in applied science degrees, and other
 2810 programs in fields requiring substantial academic work,
 2811 background, or qualifications. A Florida Community College
 2812 System institution may offer career education programs in fields
 2813 having lesser academic or technical requirements.

2814 (c) Providing student development services, including
 2815 assessment, student tracking, support for disabled students,

Page 97 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

2816 advisement, counseling, financial aid, career development, and
 2817 remedial and tutorial services, to ensure student success.

2818 (d) Promoting economic development for the state within
 2819 each Florida Community College System institution district
 2820 through the provision of special programs, including, but not
 2821 limited to, the:

- 2822 1. Enterprise Florida-related programs.
- 2823 2. Technology transfer centers.
- 2824 3. Economic development centers.
- 2825 4. Workforce literacy programs.

2826 (e) Providing dual enrollment instruction.

2827 ~~(f) Providing upper level instruction and awarding~~
 2828 ~~baccalaureate degrees as specifically authorized by law.~~

2829 (6) A separate and secondary role for Florida Community
 2830 College System institutions includes ~~the offering of programs~~
 2831 ~~is~~:

2832 (a) Programs in community services that are not directly
 2833 related to academic or occupational advancement.

2834 (b) Programs in adult education services, including adult
 2835 basic education, adult general education, adult secondary
 2836 education, and high school equivalency examination instruction.

2837 (c) Programs in recreational and leisure services.

2838 (d) Upper-level instruction and awarding baccalaureate
 2839 degrees as specifically authorized by law.

2840 (7) Funding for Florida Community College System
 2841 institutions must ~~shall~~ reflect their mission as follows:

2842 (a) Postsecondary academic and career education programs
 2843 and adult general education programs must ~~shall~~ have first
 2844 priority in Florida Community College System institution

Page 98 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

2845 funding.

2846 (b) Community service programs shall be presented to the
2847 Legislature with rationale for state funding. The Legislature
2848 may identify priority areas for use of these funds.

2849 (c) The resources of a Florida Community College System
2850 institution, including staff, faculty, land, and facilities, may
2851 ~~shall~~ not be used to support the establishment of a new
2852 independent nonpublic educational institution. If any
2853 institution uses resources for such purpose, the State Board of
2854 Community Division of Florida Colleges shall notify the
2855 President of the Senate and the Speaker of the House of
2856 Representatives.

2857 (8) Florida Community College System institutions are
2858 authorized to:

2859 (a) Offer such programs and courses as are necessary to
2860 fulfill their mission.

2861 (b) Grant associate in arts degrees, associate in science
2862 degrees, associate in applied science degrees, certificates,
2863 awards, and diplomas.

2864 (c) Make provisions for the high school equivalency
2865 examination.

2866 (d) Provide access to and award baccalaureate degrees in
2867 accordance with law.

2868
2869 Authority to offer one or more baccalaureate degree programs
2870 does not alter the governance relationship of the Florida
2871 Community College System institution with its district board of
2872 trustees or the State Board of Community Colleges Education.

2873 Section 39. Section 1004.67, Florida Statutes, is amended

Page 99 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

2874 to read:

2875 1004.67 Florida Community College System institutions;
2876 legislative intent.—It is The legislative intent that Florida
2877 Community College System institutions, constituted as political
2878 subdivisions of the state, continue to be operated by Florida
2879 Community College System institution boards of trustees as
2880 provided in s. 1001.63 and that no department, bureau, division,
2881 agency, or subdivision of the state exercise any responsibility
2882 and authority to operate any Florida Community College System
2883 institution of the state except as specifically provided by law
2884 or rules of the State Board of Community Colleges Education.

2885 Section 40. Section 1004.70, Florida Statutes, is amended
2886 to read:

2887 1004.70 Florida Community College System institution
2888 direct-support organizations.—

2889 (1) DEFINITIONS.—For the purposes of this section:

2890 (a) "Florida Community College System institution direct-
2891 support organization" means an organization that is:

2892 1. A Florida corporation not for profit, incorporated under
2893 the provisions of chapter 617 and approved by the Department of
2894 State.

2895 2. Organized and operated exclusively to receive, hold,
2896 invest, and administer property and to make expenditures to, or
2897 for the benefit of, a Florida Community College System
2898 institution in this state.

2899 3. An organization that the Florida Community College
2900 System institution board of trustees, after review, has
2901 certified to be operating in a manner consistent with the goals
2902 of the Florida Community College System institution and in the

Page 100 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

2903 best interest of the state. Any organization that is denied
 2904 certification by the board of trustees may not use the name of
 2905 the Florida Community College System institution that it serves.

2906 (b) "Personal services" includes full-time or part-time
 2907 personnel as well as payroll processing.

2908 (2) BOARD OF DIRECTORS.—The chair of the board of trustees
 2909 shall appoint a representative to the board of directors and the
 2910 executive committee of each direct-support organization
 2911 established under this section, including those established
 2912 before July 1, 1998. The president of the Florida Community
 2913 College System institution for which the direct-support
 2914 organization is established, or the president's designee, shall
 2915 also serve on the board of directors and the executive committee
 2916 of the direct-support organization, including any direct-support
 2917 organization established before July 1, 1998.

2918 (3) USE OF PROPERTY.—

2919 (a) The board of trustees is authorized to permit the use
 2920 of property, facilities, and personal services at any Florida
 2921 Community College System institution by any Florida Community
 2922 College System institution direct-support organization, subject
 2923 to the provisions of this section.

2924 (b) The board of trustees is authorized to prescribe by
 2925 rule any condition with which a Florida Community College System
 2926 institution direct-support organization must comply in order to
 2927 use property, facilities, or personal services at any Florida
 2928 Community College System institution.

2929 (c) The board of trustees may not permit the use of
 2930 property, facilities, or personal services at any Florida
 2931 Community College System institution by any Florida Community

Page 101 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

2932 College System institution direct-support organization that does
 2933 not provide equal employment opportunities to all persons
 2934 regardless of race, color, national origin, gender, age, or
 2935 religion.

2936 (4) ACTIVITIES; RESTRICTIONS.—

2937 (a) A direct-support organization may, at the request of
 2938 the board of trustees, provide residency opportunities on or
 2939 near campus for students.

2940 (b) A direct-support organization that constructs
 2941 facilities for use by a Florida Community College System
 2942 institution or its students must comply with all requirements of
 2943 law relating to the construction of facilities by a Florida
 2944 Community College System institution, including requirements for
 2945 competitive bidding.

2946 (c) Any transaction or agreement between one direct-support
 2947 organization and another direct-support organization must be
 2948 approved by the board of trustees.

2949 (d) A Florida Community College System institution direct-
 2950 support organization is prohibited from giving, either directly
 2951 or indirectly, any gift to a political committee as defined in
 2952 s. 106.011 for any purpose other than those certified by a
 2953 majority roll call vote of the governing board of the direct-
 2954 support organization at a regularly scheduled meeting as being
 2955 directly related to the educational mission of the Florida
 2956 Community College System institution.

2957 (e) A Florida Community College System institution board of
 2958 trustees must authorize all debt, including lease-purchase
 2959 agreements, incurred by a direct-support organization.
 2960 Authorization for approval of short-term loans and lease-

Page 102 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

2961 purchase agreements for a term of not more than 5 years,
 2962 including renewals, extensions, and refundings, for goods,
 2963 materials, equipment, and services may be delegated by the board
 2964 of trustees to the board of directors of the direct-support
 2965 organization. Trustees shall evaluate proposals for debt
 2966 according to guidelines issued by the State Board of Community
 2967 ~~Division of Florida~~ Colleges. Revenues of the Florida Community
 2968 College System institution may not be pledged to debt issued by
 2969 direct-support organizations.

2970 (5) ANNUAL BUDGETS AND REPORTS.—Each direct-support
 2971 organization shall submit to the board of trustees its federal
 2972 Internal Revenue Service Application for Recognition of
 2973 Exemption form (Form 1023) and its federal Internal Revenue
 2974 Service Return of Organization Exempt from Income Tax form (Form
 2975 990).

2976 (6) ANNUAL AUDIT.—Each direct-support organization shall
 2977 provide for an annual financial audit in accordance with rules
 2978 adopted by the Auditor General pursuant to s. 11.45(8). The
 2979 annual audit report must be submitted, within 9 months after the
 2980 end of the fiscal year, to the Auditor General, the State Board
 2981 of Community Colleges Education, and the board of trustees for
 2982 review. The board of trustees, the Auditor General, and the
 2983 Office of Program Policy Analysis and Government Accountability
 2984 may require and receive from the organization or from its
 2985 independent auditor any detail or supplemental data relative to
 2986 the operation of the organization. The identity of donors who
 2987 desire to remain anonymous shall be protected, and that
 2988 anonymity shall be maintained in the auditor's report. All
 2989 records of the organization, other than the auditor's report,

Page 103 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

2990 any information necessary for the auditor's report, any
 2991 information related to the expenditure of funds, and any
 2992 supplemental data requested by the board of trustees, the
 2993 Auditor General, and the Office of Program Policy Analysis and
 2994 Government Accountability, shall be confidential and exempt from
 2995 the provisions of s. 119.07(1).

2996 Section 41. Section 1004.71, Florida Statutes, is amended
 2997 to read:

2998 1004.71 Statewide Florida Community College System
 2999 institution direct-support organizations.—

3000 (1) DEFINITIONS.—For the purposes of this section:

3001 (a) "Statewide Florida Community College System institution
 3002 direct-support organization" means an organization that is:

3003 1. A Florida corporation not for profit, incorporated under
 3004 the provisions of chapter 617 and approved by the Department of
 3005 State.

3006 2. Organized and operated exclusively to receive, hold,
 3007 invest, and administer property and to make expenditures to, or
 3008 for the benefit of, the Florida Community College System
 3009 institutions in this state.

3010 3. An organization that the State Board of Community
 3011 Colleges Education, after review, has certified to be operating
 3012 in a manner consistent with the goals of the Florida Community
 3013 College System institutions and in the best interest of the
 3014 state.

3015 (b) "Personal services" includes full-time or part-time
 3016 personnel as well as payroll processing.

3017 (2) BOARD OF DIRECTORS.—The chair of the State Board of
 3018 Community Colleges Education may appoint a representative to the

Page 104 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

3019 board of directors and the executive committee of any statewide,
 3020 direct-support organization established under this section or s.
 3021 1004.70. The chair of the State Board of Community Colleges
 3022 ~~Education~~, or the chair's designee, shall also serve on the
 3023 board of directors and the executive committee of any direct-
 3024 support organization established to benefit Florida Community
 3025 College System institutions.

(3) USE OF PROPERTY.—

3026 (a) The State Board of Education may permit the use of
 3027 property, facilities, and personal services of the Department of
 3028 Education by any statewide Florida Community College System
 3029 institution direct-support organization, subject to the
 3030 provisions of this section.
 3031

3032 (b) The State Board of Education may prescribe by rule any
 3033 condition with which a statewide Florida Community College
 3034 System institution direct-support organization must comply in
 3035 order to use property, facilities, or personal services of the
 3036 Department of Education.

3037 (c) The State Board of Education may not permit the use of
 3038 property, facilities, or personal services of the Department of
 3039 Education by any statewide Florida Community College System
 3040 institution direct-support organization that does not provide
 3041 equal employment opportunities to all persons regardless of
 3042 race, color, national origin, gender, age, or religion.

(4) RESTRICTIONS.—

3044 (a) A statewide, direct-support organization may not use
 3045 public funds to acquire, construct, maintain, or operate any
 3046 facilities.

3047 (b) Any transaction or agreement between a statewide,

Page 105 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

3048 direct-support organization and any other direct-support
 3049 organization must be approved by the State Board of Community
 3050 Colleges Education.

3051 (c) A statewide Florida Community College System
 3052 institution direct-support organization is prohibited from
 3053 giving, either directly or indirectly, any gift to a political
 3054 committee as defined in s. 106.011 for any purpose other than
 3055 those certified by a majority roll call vote of the governing
 3056 board of the direct-support organization at a regularly
 3057 scheduled meeting as being directly related to the educational
 3058 mission of the State Board of Community Colleges Education.

3059 (5) ANNUAL BUDGETS AND REPORTS.—Each direct-support
 3060 organization shall submit to the State Board of Community
 3061 Colleges Education its federal Internal Revenue Service
 3062 Application for Recognition of Exemption form (Form 1023) and
 3063 its federal Internal Revenue Service Return of Organization
 3064 Exempt from Income Tax form (Form 990).

3065 (6) ANNUAL AUDIT.—A statewide Florida Community College
 3066 System institution direct-support organization shall provide for
 3067 an annual financial audit in accordance with s. 1004.70. The
 3068 identity of a donor or prospective donor who desires to remain
 3069 anonymous and all information identifying such donor or
 3070 prospective donor are confidential and exempt from the
 3071 provisions of s. 119.07(1) and s. 24(a), Art. I of the State
 3072 Constitution. Such anonymity shall be maintained in the
 3073 auditor's report.

3074 Section 42. Subsection (4) of section 1004.74, Florida
 3075 Statutes, is amended to read:

3076 1004.74 Florida School of the Arts.—

Page 106 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3077 (4) The Council for the Florida School of the Arts shall be
 3078 established to advise the Florida Community College System
 3079 institution district board of trustees on matters pertaining to
 3080 the operation of the school. The council shall consist of nine
 3081 members, appointed jointly by the Chancellor of the Florida
 3082 Community College System and the Commissioner of Education for
 3083 4-year terms. A member may serve three terms and may serve until
 3084 replaced.

3085 Section 43. Section 1004.78, Florida Statutes, is amended
 3086 to read:

3087 1004.78 Technology transfer centers at Florida Community
 3088 College System institutions.-

3089 (1) Each Florida Community College System institution may
 3090 establish a technology transfer center for the purpose of
 3091 providing institutional support to local business and industry
 3092 and governmental agencies in the application of new research in
 3093 technology. The primary responsibilities of such centers may
 3094 include: identifying technology research developed by
 3095 universities, research institutions, businesses, industries, the
 3096 United States Armed Forces, and other state or federal
 3097 governmental agencies; determining and demonstrating the
 3098 application of technologies; training workers to integrate
 3099 advanced equipment and production processes; and determining for
 3100 business and industry the feasibility and efficiency of
 3101 accommodating advanced technologies.

3102 (2) The Florida Community College System institution board
 3103 of trustees shall set such policies to regulate the activities
 3104 of the technology transfer center as it may consider necessary
 3105 to effectuate the purposes of this section and to administer the

Page 107 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3106 programs of the center in a manner which assures efficiency and
 3107 effectiveness, producing the maximum benefit for the educational
 3108 programs and maximum service to the state. To this end,
 3109 materials that relate to methods of manufacture or production,
 3110 potential trade secrets, potentially patentable material, actual
 3111 trade secrets, business transactions, or proprietary information
 3112 received, generated, ascertained, or discovered during the
 3113 course of activities conducted within the Florida Community
 3114 College System institutions shall be confidential and exempt
 3115 from the provisions of s. 119.07(1), except that a Florida
 3116 Community College System institution shall make available upon
 3117 request the title and description of a project, the name of the
 3118 investigator, and the amount and source of funding provided for
 3119 such project.

3120 (3) A technology transfer center created under the
 3121 provisions of this section shall be under the supervision of the
 3122 board of trustees of that Florida Community College System
 3123 institution, which is authorized to appoint a director; to
 3124 employ full-time and part-time staff, research personnel, and
 3125 professional services; to employ on a part-time basis personnel
 3126 of the Florida Community College System institution; and to
 3127 employ temporary employees whose salaries are paid entirely from
 3128 the permanent technology transfer fund or from that fund in
 3129 combination with other nonstate sources, with such positions
 3130 being exempt from the requirements of the Florida Statutes
 3131 relating to salaries, except that no such appointment shall be
 3132 made for a total period of longer than 1 year.

3133 (4) The board of trustees of the Florida Community College
 3134 System institution in which a technology transfer center is

Page 108 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3135 created, or its designee, may negotiate, enter into, and execute
 3136 contracts; solicit and accept grants and donations; and fix and
 3137 collect fees, other payments, and donations that may accrue by
 3138 reason thereof for technology transfer activities. The board of
 3139 trustees or its designee may negotiate, enter into, and execute
 3140 contracts on a cost-reimbursement basis and may provide
 3141 temporary financing of such costs prior to reimbursement from
 3142 moneys on deposit in the technology transfer fund, except as may
 3143 be prohibited elsewhere by law.

3144 (5) A technology transfer center shall be financed from the
 3145 Academic Improvement Program or from moneys of a Florida
 3146 Community College System institution which are on deposit or
 3147 received for use in the activities conducted in the center. Such
 3148 moneys shall be deposited by the Florida Community College
 3149 System institution in a permanent technology transfer fund in a
 3150 depository or depositories approved for the deposit of state
 3151 funds and shall be accounted for and disbursed subject to audit
 3152 by the Auditor General.

3153 (6) The fund balance in any existing research trust fund of
 3154 a Florida Community College System institution at the time a
 3155 technology transfer center is created shall be transferred to a
 3156 permanent technology transfer fund established for the Florida
 3157 Community College System institution, and thereafter the fund
 3158 balance of the technology transfer fund at the end of any fiscal
 3159 period may be used during any succeeding period pursuant to this
 3160 section.

3161 (7) Moneys deposited in the permanent technology transfer
 3162 fund of a Florida Community College System institution shall be
 3163 disbursed in accordance with the terms of the contract, grant,

Page 109 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

2017374c1

3164 or donation under which they are received. Moneys received for
 3165 overhead or indirect costs and other moneys not required for the
 3166 payment of direct costs shall be applied to the cost of
 3167 operating the technology transfer center.

3168 (8) All purchases of a technology transfer center shall be
 3169 made in accordance with the policies and procedures of the
 3170 Florida Community College System institution.

3171 (9) The Florida Community College System institution board
 3172 of trustees may authorize the construction, alteration, or
 3173 remodeling of buildings when the funds used are derived entirely
 3174 from the technology transfer fund of a Florida Community College
 3175 System institution or from that fund in combination with other
 3176 nonstate sources, provided that such construction, alteration,
 3177 or remodeling is for use exclusively by the center. It also may
 3178 authorize the acquisition of real property when the cost is
 3179 entirely from said funds. Title to all real property shall vest
 3180 in the board of trustees.

3181 (10) The State Board of Community Colleges ~~Education~~ may
 3182 award grants to Florida Community College System institutions,
 3183 or consortia of public and private colleges and universities and
 3184 other public and private entities, for the purpose of supporting
 3185 the objectives of this section. Grants awarded pursuant to this
 3186 subsection shall be in accordance with rules of the State Board
 3187 of Community Colleges ~~Education~~. Such rules shall include the
 3188 following provisions:

3189 (a) The number of centers established with state funds
 3190 provided expressly for the purpose of technology transfer shall
 3191 be limited, but shall be geographically located to maximize
 3192 public access to center resources and services.

Page 110 of 254

581-01712-17

2017374c1

3193 (b) Grants to centers funded with state revenues
 3194 appropriated specifically for technology transfer activities
 3195 shall be reviewed and approved by the State Board of Community
 3196 ~~Colleges Education~~ using proposal solicitation, evaluation, and
 3197 selection procedures established by the state board in
 3198 consultation with Enterprise Florida, Inc. Such procedures may
 3199 include designation of specific areas or applications of
 3200 technology as priorities for the receipt of funding.

3201 (c) Priority for the receipt of state funds appropriated
 3202 specifically for the purpose of technology transfer shall be
 3203 given to grant proposals developed jointly by Florida Community
 3204 College System institutions and public and private colleges and
 3205 universities.

3206 (11) Each technology transfer center established under the
 3207 provisions of this section shall establish a technology transfer
 3208 center advisory committee. Each committee shall include
 3209 representatives of a university or universities conducting
 3210 research in the area of specialty of the center. Other members
 3211 shall be determined by the Florida Community College System
 3212 institution board of trustees.

3213 Section 44. Subsection (4) of section 1004.80, Florida
 3214 Statutes, is amended to read:

3215 1004.80 Economic development centers.—

3216 (4) The State Board of Community Colleges Education may
 3217 award grants to economic development centers for the purposes of
 3218 this section. Grants awarded pursuant to this subsection shall
 3219 be in accordance with rules established by the State Board of
 3220 Community Colleges Education.

3221 Section 45. Section 1004.91, Florida Statutes, is amended

Page 111 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3222 to read:

3223 1004.91 Requirements for career education program basic
 3224 skills.—

3225 (1) The State Board of Education, for career centers
 3226 operated by district school boards, and the State Board of
 3227 Community Colleges, for charter technical career centers
 3228 operated by Florida Community College System institutions, shall
 3229 adopt, by rule, standards of basic skill mastery for completion
 3230 of certificate career education programs. Each school district
 3231 and Florida Community College System institution that conducts
 3232 programs that confer career and technical certificates shall
 3233 provide applied academics instruction through which students
 3234 receive the basic skills instruction required pursuant to this
 3235 section.

3236 (2) Students who enroll in a program offered for career
 3237 credit of 450 hours or more shall complete an entry-level
 3238 examination within the first 6 weeks after admission into the
 3239 program. The State Board of Education and the State Board of
 3240 Community Colleges shall collaborate to designate examinations
 3241 that are currently in existence, the results of which are
 3242 comparable across institutions, to assess student mastery of
 3243 basic skills. Any student found to lack the required level of
 3244 basic skills for such program shall be referred to applied
 3245 academics instruction or another adult general education program
 3246 for a structured program of basic skills instruction. Such
 3247 instruction may include English for speakers of other languages.
 3248 A student may not receive a career or technical certificate of
 3249 completion without first demonstrating the basic skills required
 3250 in the state curriculum frameworks for the career education

Page 112 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3251 program.

3252 (3) (a) An adult student with a disability may be exempted
3253 from this section.

3254 (b) The following students are exempt from this section:

3255 1. A student who possesses a college degree at the
3256 associate in applied science level or higher.

3257 2. A student who demonstrates readiness for public
3258 postsecondary education pursuant to s. 1008.30 and applicable
3259 rules adopted by the State Board of Education and State Board of
3260 Community Colleges.

3261 3. A student who passes a state or national industry
3262 certification or licensure examination that is identified in
3263 State Board of Education or State Board of Community Colleges
3264 rules and aligned to the career education program in which the
3265 student is enrolled.

3266 4. An adult student who is enrolled in an apprenticeship
3267 program that is registered with the Department of Education in
3268 accordance with chapter 446.

3269 Section 46. Paragraph (b) of subsection (2) of section
3270 1004.92, Florida Statutes, is amended, and subsection (4) is
3271 added to that section, to read:

3272 1004.92 Purpose and responsibilities for career education.-

3273 (2)

3274 (b) Department of Education, for school districts, and the
3275 State Board of Community Colleges, for Florida Community College
3276 System institutions, have the following responsibilities related
3277 to accountability for career education ~~includes, but is not~~
3278 limited to:

3279 1. The provision of timely, accurate technical assistance

581-01712-17

2017374c1

3280 to school districts and Florida Community College System
3281 institutions.

3282 2. The provision of timely, accurate information to the
3283 State Board of Education, the Legislature, and the public.

3284 3. The development of policies, rules, and procedures that
3285 facilitate institutional attainment of the accountability
3286 standards and coordinate the efforts of all divisions within the
3287 department.

3288 4. The development of program standards and industry-driven
3289 benchmarks for career, adult, and community education programs,
3290 which must be updated every 3 years. The standards must include
3291 career, academic, and workplace skills; viability of distance
3292 learning for instruction; ~~and~~ work/learn cycles that are
3293 responsive to business and industry; and provisions that reflect
3294 the quality components of career and technical education
3295 programs.

3296 5. Overseeing school district and Florida Community College
3297 System institution compliance with ~~the provisions of~~ this
3298 chapter.

3299 6. Ensuring that the educational outcomes for the technical
3300 component of career programs are uniform and designed to provide
3301 a graduate who is capable of entering the workforce on an
3302 equally competitive basis regardless of the institution of
3303 choice.

3304 (4) The State Board of Education, for career education
3305 provided by school districts, and the State Board of Community
3306 Colleges, for career education provided by Florida Community
3307 College System institutions, shall adopt rules to administer
3308 this section.

581-01712-17

2017374c1

3309 Section 47. Subsection (1) of section 1004.925, Florida
3310 Statutes, is amended to read:

3311 1004.925 Automotive service technology education programs;
3312 certification.-

3313 (1) All automotive service technology education programs
3314 shall be industry certified in accordance with rules adopted by
3315 the State Board of Education and the State Board of Community
3316 Colleges.

3317 Section 48. Paragraphs (c) and (d) of subsection (4) and
3318 subsections (6) and (9) of section 1004.93, Florida Statutes,
3319 are amended to read:

3320 1004.93 Adult general education.-

3321 (4)

3322 (c) The State Board of Community Colleges ~~Education~~ shall
3323 define, by rule, the levels and courses of instruction to be
3324 funded through the developmental education program. The State
3325 Board of Community Colleges shall coordinate the establishment
3326 of costs for developmental education courses, the establishment
3327 of statewide standards that define required levels of
3328 competence, acceptable rates of student progress, and the
3329 maximum amount of time to be allowed for completion of
3330 developmental education. Developmental education is part of an
3331 associate in arts degree program and may not be funded as an
3332 adult career education program.

3333 (d) Expenditures for developmental education and lifelong
3334 learning students shall be reported separately. Allocations for
3335 developmental education shall be based on proportional full-time
3336 equivalent enrollment. Program review results shall be included
3337 in the determination of subsequent allocations. A student shall

Page 115 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3338 be funded to enroll in the same developmental education class
3339 within a skill area only twice, after which time the student
3340 shall pay 100 percent of the full cost of instruction to support
3341 the continuous enrollment of that student in the same class;
3342 however, students who withdraw or fail a class due to
3343 extenuating circumstances may be granted an exception only once
3344 for each class, provided approval is granted according to policy
3345 established by the board of trustees. Each Florida Community
3346 College System institution shall have the authority to review
3347 and reduce payment for increased fees due to continued
3348 enrollment in a developmental education class on an individual
3349 basis contingent upon the student's financial hardship, pursuant
3350 to definitions and fee levels established by the State Board of
3351 Community Colleges ~~Education~~. Developmental education and
3352 lifelong learning courses do not generate credit toward an
3353 associate or baccalaureate degree.

3354 (6) The commissioner, for school districts, and the
3355 Chancellor of the Florida Community College System, for Florida
3356 Community College System institutions, shall recommend the level
3357 of funding for public school and Florida Community College
3358 System institution adult education within the legislative budget
3359 request and make other recommendations and reports considered
3360 necessary or required by rules of the State Board of Education.

3361 (9) The State Board of Education and the State Board of
3362 Community Colleges may adopt rules necessary for the
3363 implementation of this section.

3364 Section 49. Subsection (3) of section 1006.60, Florida
3365 Statutes, is amended to read:

3366 1006.60 Codes of conduct; disciplinary measures; authority

Page 116 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3367 to adopt rules or regulations.-

3368 (3) Sanctions authorized by such codes of conduct may be
 3369 imposed only for acts or omissions in violation of rules or
 3370 regulations adopted by the institution, including rules or
 3371 regulations adopted under this section, rules of the State Board
 3372 of Community Colleges regarding the Florida Community College
 3373 System Education, rules or regulations of the Board of Governors
 3374 regarding the State University System, county and municipal
 3375 ordinances, and the laws of this state, the United States, or
 3376 any other state.

3377 Section 50. Subsection (1) of section 1006.61, Florida
 3378 Statutes, is amended to read:

3379 1006.61 Participation by students in disruptive activities
 3380 at public postsecondary educational institution; penalties.-

3381 (1) Any person who accepts the privilege extended by the
 3382 laws of this state of attendance at any public postsecondary
 3383 educational institution shall, by attending such institution, be
 3384 deemed to have given his or her consent to the policies of that
 3385 institution, the State Board of Community Colleges regarding the
 3386 Florida Community College System Education, and the Board of
 3387 Governors regarding the State University System, and the laws of
 3388 this state. Such policies shall include prohibition against
 3389 disruptive activities at public postsecondary educational
 3390 institutions.

3391 Section 51. Section 1006.62, Florida Statutes, is amended
 3392 to read:

3393 1006.62 Expulsion and discipline of students of Florida
 3394 Community College System institutions and state universities.-

3395 (1) Each student in a Florida Community College System

Page 117 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3396 institution or state university is subject to federal and state
 3397 law, respective county and municipal ordinances, and all rules
 3398 and regulations of the State Board of Community Colleges
 3399 regarding the Florida Community College System Education, the
 3400 Board of Governors regarding the State University System, or the
 3401 board of trustees of the institution.

3402 (2) Violation of these published laws, ordinances, or rules
 3403 and regulations may subject the violator to appropriate action
 3404 by the institution's authorities.

3405 (3) Each president of a Florida Community College System
 3406 institution or state university may, after notice to the student
 3407 of the charges and after a hearing thereon, expel, suspend, or
 3408 otherwise discipline any student who is found to have violated
 3409 any law, ordinance, or rule or regulation of the State Board of
 3410 Community Colleges regarding the Florida Community College
 3411 System Education, the Board of Governors regarding the State
 3412 University System, or the board of trustees of the institution.
 3413 A student may be entitled to waiver of expulsion:

3414 (a) If the student provides substantial assistance in the
 3415 identification, arrest, or conviction of any of his or her
 3416 accomplices, accessories, coconspirators, or principals or of
 3417 any other person engaged in violations of chapter 893 within a
 3418 state university or Florida Community College System
 3419 institution;

3420 (b) If the student voluntarily discloses his or her
 3421 violations of chapter 893 prior to his or her arrest; or

3422 (c) If the student commits himself or herself, or is
 3423 referred by the court in lieu of sentence, to a state-licensed
 3424 drug abuse program and successfully completes the program.

Page 118 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3425 Section 52. Paragraphs (c) and (g) of subsection (1),
 3426 paragraph (b) of subsection (2), and subsection (3) of section
 3427 1006.71, Florida Statutes, are amended to read:

3428 1006.71 Gender equity in intercollegiate athletics.—

3429 (1) GENDER EQUITY PLAN.—

3430 (c) The Chancellor of the Florida Community College System
 3431 ~~Commissioner of Education~~ shall annually assess the progress of
 3432 each Florida Community College System institution's plan and
 3433 advise the State Board of Community Colleges Education and the
 3434 Legislature regarding compliance.

3435 (g)1. If a Florida Community College System institution is
 3436 not in compliance with Title IX of the Education Amendments of
 3437 1972 and the Florida Educational Equity Act, the State Board of
 3438 Community Colleges Education shall:

3439 a. Declare the Florida Community College System institution
 3440 ineligible for competitive state grants.

3441 b. Withhold funds sufficient to obtain compliance.

3442
 3443 The Florida Community College System institution shall remain
 3444 ineligible and the funds may ~~shall~~ not be paid until the Florida
 3445 Community College System institution comes into compliance or
 3446 the Chancellor of the Florida Community College System
 3447 ~~Commissioner of Education~~ approves a plan for compliance.

3448 2. If a state university is not in compliance with Title IX
 3449 of the Education Amendments of 1972 and the Florida Educational
 3450 Equity Act, the Board of Governors shall:

3451 a. Declare the state university ineligible for competitive
 3452 state grants.

3453 b. Withhold funds sufficient to obtain compliance.

Page 119 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3454
 3455 The state university shall remain ineligible and the funds may
 3456 ~~shall~~ not be paid until the state university comes into
 3457 compliance or the Board of Governors approves a plan for
 3458 compliance.

3459 (2) FUNDING.—

3460 (b) The level of funding and percentage share of support
 3461 for women's intercollegiate athletics for Florida Community
 3462 College System institutions shall be determined by the State
 3463 Board of Community Colleges Education. The level of funding and
 3464 percentage share of support for women's intercollegiate
 3465 athletics for state universities shall be determined by the
 3466 Board of Governors. The level of funding and percentage share
 3467 attained in the 1980-1981 fiscal year shall be the minimum level
 3468 and percentage maintained by each institution, except as the
 3469 State Board of Community Colleges Education or the Board of
 3470 Governors otherwise directs its respective institutions for the
 3471 purpose of assuring equity. Consideration shall be given by the
 3472 State Board of Community Colleges Education or the Board of
 3473 Governors to emerging athletic programs at institutions which
 3474 may not have the resources to secure external funds to provide
 3475 athletic opportunities for women. It is the intent that the
 3476 effect of any redistribution of funds among institutions may
 3477 ~~shall~~ not negate the requirements as set forth in this section.

3478 (3) STATE BOARD OF COMMUNITY COLLEGES EDUCATION.—The State
 3479 Board of Community Colleges Education shall assure equal
 3480 opportunity for female athletes at Florida Community College
 3481 System institutions and establish:

3482 (a) In conjunction with the State Board of Education,

Page 120 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3483 guidelines for reporting of intercollegiate athletics data
 3484 concerning financial, program, and facilities information for
 3485 review by the State Board of Community Colleges ~~Education~~
 3486 annually.

3487 (b) Systematic audits for the evaluation of such data.

3488 (c) Criteria for determining and assuring equity.

3489 Section 53. Section 1007.01, Florida Statutes, is amended
 3490 to read:

3491 1007.01 Articulation; legislative intent; purpose; role of
 3492 the State Board of Education, the State Board of Community
 3493 Colleges, and the Board of Governors; Articulation Coordinating
 3494 Committee.—

3495 (1) It is the intent of the Legislature to facilitate
 3496 articulation and seamless integration of the K-20 education
 3497 system by building, sustaining, and strengthening relationships
 3498 among K-20 public organizations, between public and private
 3499 organizations, and between the education system as a whole and
 3500 Florida's communities. The purpose of building, sustaining, and
 3501 strengthening these relationships is to provide for the
 3502 efficient and effective progression and transfer of students
 3503 within the education system and to allow students to proceed
 3504 toward their educational objectives as rapidly as their
 3505 circumstances permit. The Legislature further intends that
 3506 articulation policies and budget actions be implemented
 3507 consistently in the practices of the Department of Education and
 3508 postsecondary educational institutions and expressed in the
 3509 collaborative policy efforts of the State Board of Education,
 3510 ~~and the Board of Governors, and the State Board of Community~~
 3511 Colleges.

Page 121 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3512 (2) To preserve Florida's "2+2" system of articulation and
 3513 improve and facilitate articulation systemwide, the State Board
 3514 of Education, ~~and the Board of Governors, and the State Board of~~
 3515 Community Colleges shall collaboratively establish and adopt
 3516 policies with input from statewide K-20 advisory groups
 3517 established by the Commissioner of Education, the Chancellor of
 3518 the Florida Community College System, and the Chancellor of the
 3519 State University System and shall recommend the policies to the
 3520 Legislature. The policies shall relate to:

3521 (a) The alignment between the exit requirements of one
 3522 education system and the admissions requirements of another
 3523 education system into which students typically transfer.

3524 (b) The identification of common courses, the level of
 3525 courses, institutional participation in a statewide course
 3526 numbering system, and the transferability of credits among such
 3527 institutions.

3528 (c) Identification of courses that meet general education
 3529 or common degree program prerequisite requirements at public
 3530 postsecondary educational institutions.

3531 (d) Dual enrollment course equivalencies.

3532 (e) Articulation agreements.

3533 (3) The Commissioner of Education, in consultation with the
 3534 Chancellor of the Florida Community College System and the
 3535 Chancellor of the State University System, shall establish the
 3536 Articulation Coordinating Committee, which shall make
 3537 recommendations related to statewide articulation policies and
 3538 issues regarding access, quality, and reporting of data
 3539 maintained by the K-20 data warehouse, established pursuant to
 3540 ss. 1001.10 and 1008.31, to the Higher Education Coordination

Page 122 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3541 Council, the State Board of Education, ~~and~~ the Board of
 3542 Governors, and the State Board of Community Colleges. The
 3543 committee shall consist of two members each representing the
 3544 State University System, the Florida Community College System,
 3545 public career and technical education, K-12 education, and
 3546 nonpublic postsecondary education and one member representing
 3547 students. The chair shall be elected from the membership. The
 3548 Office of K-20 Articulation shall provide administrative support
 3549 for the committee. The committee shall:

3550 (a) Monitor the alignment between the exit requirements of
 3551 one education system and the admissions requirements of another
 3552 education system into which students typically transfer and make
 3553 recommendations for improvement.

3554 (b) Propose guidelines for interinstitutional agreements
 3555 between and among public schools, career and technical education
 3556 centers, Florida Community College System institutions, state
 3557 universities, and nonpublic postsecondary institutions.

3558 (c) Annually recommend dual enrollment course and high
 3559 school subject area equivalencies for approval by the State
 3560 Board of Education, ~~and~~ the Board of Governors, and the State
 3561 Board of Community Colleges.

3562 (d) Annually review the statewide articulation agreement
 3563 pursuant to s. 1007.23 and make recommendations for revisions.

3564 (e) Annually review the statewide course numbering system,
 3565 the levels of courses, and the application of transfer credit
 3566 requirements among public and nonpublic institutions
 3567 participating in the statewide course numbering system and
 3568 identify instances of student transfer and admissions
 3569 difficulties.

Page 123 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3570 (f) Annually publish a list of courses that meet common
 3571 general education and common degree program prerequisite
 3572 requirements at public postsecondary institutions identified
 3573 pursuant to s. 1007.25.

3574 (g) Foster timely collection and reporting of statewide
 3575 education data to improve the K-20 education performance
 3576 accountability system pursuant to ss. 1001.10 and 1008.31,
 3577 including, but not limited to, data quality, accessibility, and
 3578 protection of student records.

3579 (h) Recommend roles and responsibilities of public
 3580 education entities in interfacing with the single, statewide
 3581 computer-assisted student advising system established pursuant
 3582 to s. 1006.735.

3583 (i) Make recommendations regarding the cost and
 3584 requirements to develop and implement an online system for
 3585 collecting and analyzing data regarding requests for transfer of
 3586 credit by postsecondary education students. The online system,
 3587 at a minimum, must collect information regarding the total
 3588 number of credit transfer requests denied and the reason for
 3589 each denial. Recommendations shall be reported to the President
 3590 of the Senate and the Speaker of the House of Representatives on
 3591 or before January 31, 2015.

3592 Section 54. Subsections (1) and (6) of section 1007.23,
 3593 Florida Statutes, are amended, and subsection (7) is added to
 3594 that section, to read:

3595 1007.23 Statewide articulation agreement.—

3596 (1) The State Board of Education, ~~and~~ the Board of
 3597 Governors, and the State Board of Community Colleges shall enter
 3598 into a statewide articulation agreement which the State Board of

Page 124 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

3599 Education ~~and the State Board of Community Colleges~~ shall adopt
 3600 by rule. The agreement must preserve Florida's "2+2" system of
 3601 articulation, facilitate the seamless articulation of student
 3602 credit across and among Florida's educational entities, and
 3603 reinforce the provisions of this chapter by governing:
 3604 (a) Articulation between secondary and postsecondary
 3605 education;
 3606 (b) Admission of associate in arts degree graduates from
 3607 Florida Community College System institutions and state
 3608 universities;
 3609 (c) Admission of applied technology diploma program
 3610 graduates from Florida Community College System institutions or
 3611 career centers;
 3612 (d) Admission of associate in science degree and associate
 3613 in applied science degree graduates from Florida Community
 3614 College System institutions;
 3615 (e) The use of acceleration mechanisms, including
 3616 nationally standardized examinations through which students may
 3617 earn credit;
 3618 (f) General education requirements and statewide course
 3619 numbers as provided for in ss. 1007.24 and 1007.25; and
 3620 (g) Articulation among programs in nursing.
 3621 (6) The articulation agreement must guarantee the
 3622 articulation of 9 credit hours toward a postsecondary degree in
 3623 early childhood education for programs approved by the State
 3624 Board of Community Colleges ~~Education~~ and the Board of Governors
 3625 which:
 3626 (a) Award a child development associate credential issued
 3627 by the National Credentialing Program of the Council for

581-01712-17 2017374c1

3628 Professional Recognition or award a credential approved under s.
 3629 1002.55(3)(c)1.b. or s. 402.305(3)(c) as being equivalent to the
 3630 child development associate credential; and
 3631 (b) Include training in emergent literacy which meets or
 3632 exceeds the minimum standards for training courses for
 3633 prekindergarten instructors of the Voluntary Prekindergarten
 3634 Education Program in s. 1002.59.
 3635 (7) To strengthen Florida's "2+2" system of articulation
 3636 and improve student retention and on-time graduation, by the
 3637 2018-2019 academic year, each Florida Community College System
 3638 institution shall execute at least one "2+2" targeted pathway
 3639 articulation agreement with one or more state universities to
 3640 establish "2+2" targeted pathway programs. The agreement must
 3641 provide students who graduate with an associate in arts degree
 3642 and who meet specified requirements guaranteed access to the
 3643 state university and a degree program at that university, in
 3644 accordance with the terms of the "2+2" targeted pathway
 3645 articulation agreement.
 3646 (a) To participate in a "2+2" targeted pathway program, a
 3647 student must:
 3648 1. Enroll in the program before completing 30 credit hours,
 3649 including, but not limited to, college credits earned through
 3650 articulated acceleration mechanisms pursuant to s. 1007.27;
 3651 2. Complete an associate in arts degree; and
 3652 3. Meet the university's transfer requirements.
 3653 (b) A state university that executes a "2+2" targeted
 3654 pathway articulation agreement must meet the following
 3655 requirements in order to implement a "2+2" targeted pathway
 3656 program in collaboration with its partner Florida Community

581-01712-17

2017374c1

3657 College System institution:

3658 1. Establish a 4-year on-time graduation plan for a
 3659 baccalaureate degree program, including, but not limited to, a
 3660 plan for students to complete associate in arts degree programs,
 3661 general education courses, common prerequisite courses, and
 3662 elective courses;

3663 2. Advise students enrolled in the program about the
 3664 university's transfer and degree program requirements; and

3665 3. Provide students who meet the requirements under this
 3666 paragraph with access to academic advisors and campus events and
 3667 with guaranteed admittance to the state university and a degree
 3668 program of the state university, in accordance with the terms of
 3669 the agreement.

3670 (c) To assist the state universities and Florida Community
 3671 College System institutions with implementing the "2+2" targeted
 3672 pathway programs effectively, the State Board of Community
 3673 Colleges and the Board of Governors shall collaborate to
 3674 eliminate barriers in executing "2+2" targeted pathway
 3675 articulation agreements.

3676 Section 55. Subsections (1), (2), and (3) of section
 3677 1007.24, Florida Statutes, are amended to read:

3678 1007.24 Statewide course numbering system.—

3679 (1) The Department of Education, in conjunction with the
 3680 Board of Governors and the State Board of Community Colleges,
 3681 shall develop, coordinate, and maintain a statewide course
 3682 numbering system for postsecondary and dual enrollment education
 3683 in school districts, public postsecondary educational
 3684 institutions, and participating nonpublic postsecondary
 3685 educational institutions that will improve program planning,

Page 127 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3686 increase communication among all delivery systems, and
 3687 facilitate student acceleration and the transfer of students and
 3688 credits between public school districts, public postsecondary
 3689 educational institutions, and participating nonpublic
 3690 educational institutions. The continuing maintenance of the
 3691 system shall be accomplished with the assistance of appropriate
 3692 faculty committees representing public and participating
 3693 nonpublic educational institutions.

3694 (2) The Commissioner of Education, in conjunction with the
 3695 Chancellor of the Florida Community College System and the
 3696 Chancellor of the State University System, shall appoint faculty
 3697 committees representing faculties of participating institutions
 3698 to recommend a single level for each course, including
 3699 postsecondary career education courses, included in the
 3700 statewide course numbering system.

3701 (a) Any course designated as an upper-division-level course
 3702 must be characterized by a need for advanced academic
 3703 preparation and skills that a student would be unlikely to
 3704 achieve without significant prior coursework.

3705 (b) A course that is offered as part of an associate in
 3706 science degree program and as an upper-division course for a
 3707 baccalaureate degree shall be designated for both the lower and
 3708 upper division.

3709 (c) A course designated as lower-division may be offered by
 3710 any Florida Community College System institution.

3711 (3) The Commissioner of Education shall recommend to the
 3712 State Board of Education the levels for the courses. The State
 3713 Board of Education, with input from the Board of Governors and
 3714 the State Board of Community Colleges, shall approve the levels

Page 128 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

3715 for the courses.

3716 Section 56. Subsections (3), (5), and (8) through (11) of
3717 section 1007.25, Florida Statutes, are amended to read:3718 1007.25 General education courses; common prerequisites;
3719 other degree requirements.-

3720 (3) The chair of the State Board of Community Colleges
3721 ~~Education~~ and the chair of the Board of Governors, or their
3722 designees, shall jointly appoint faculty committees to identify
3723 statewide general education core course options. General
3724 education core course options shall consist of a maximum of five
3725 courses within each of the subject areas of communication,
3726 mathematics, social sciences, humanities, and natural sciences.
3727 The core courses may be revised, or the five-course maximum
3728 within each subject area may be exceeded, if approved by the
3729 State Board of Community Colleges ~~Education~~ and the Board of
3730 Governors, as recommended by the subject area faculty committee
3731 and approved by the Articulation Coordinating Committee as
3732 necessary for a subject area. Each general education core course
3733 option must contain high-level academic and critical thinking
3734 skills and common competencies that students must demonstrate to
3735 successfully complete the course. Beginning with students
3736 initially entering a Florida Community College System
3737 institution or state university in 2015-2016 and thereafter,
3738 each student must complete at least one identified core course
3739 in each subject area as part of the general education course
3740 requirements. All public postsecondary educational institutions
3741 shall accept these courses as meeting general education core
3742 course requirements. The remaining general education course
3743 requirements shall be identified by each institution and

Page 129 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

3744 reported to the department by their statewide course number. The
3745 general education core course options shall be adopted in rule
3746 by the State Board of Community Colleges ~~Education~~ and in
3747 regulation by the Board of Governors.

3748 (5) The department shall identify common prerequisite
3749 courses and course substitutions for degree programs across all
3750 institutions. Common degree program prerequisites shall be
3751 offered and accepted by all state universities and Florida
3752 Community College System institutions, except in cases approved
3753 by the State Board of Community Colleges, ~~Education~~ for Florida
3754 Community College System institutions, and the Board of
3755 Governors, for state universities. The department shall develop
3756 a centralized database containing the list of courses and course
3757 substitutions that meet the prerequisite requirements for each
3758 baccalaureate degree program.

3759 (8) A baccalaureate degree program shall require no more
3760 than 120 semester hours of college credit and include 36
3761 semester hours of general education coursework, unless prior
3762 approval has been granted by the Board of Governors for
3763 baccalaureate degree programs offered by state universities and
3764 by the State Board of Community Colleges ~~Education~~ for
3765 baccalaureate degree programs offered by Florida Community
3766 College System institutions.

3767 (9) A student who received an associate in arts degree for
3768 successfully completing 60 semester credit hours may continue to
3769 earn ~~additional~~ credits at a Florida Community College System
3770 institution. The university must provide credit toward the
3771 student's baccalaureate degree for ~~a an-additional~~ Florida
3772 Community College System institution course if, according to the

Page 130 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

3773 statewide course numbering, the Florida Community College System
 3774 institution course is a course listed in the university catalog
 3775 as required for the degree or as prerequisite to a course
 3776 required for the degree. Of the courses required for the degree,
 3777 at least half of the credit hours required for the degree shall
 3778 be achievable through courses designated as lower division,
 3779 except in degree programs approved by the State Board of
 3780 Community Colleges ~~Education~~ for programs offered by Florida
 3781 Community College System institutions and by the Board of
 3782 Governors for programs offered by state universities.

3783 (10) Students at state universities may request associate
 3784 in arts certificates if they have successfully completed the
 3785 minimum requirements for the degree of associate in arts (A.A.).
 3786 The university must grant the student an associate in arts
 3787 degree if the student has successfully completed minimum
 3788 requirements for college-level communication and computation
 3789 skills adopted by the State Board of Community Colleges
 3790 ~~Education~~ and 60 academic semester hours or the equivalent
 3791 within a degree program area, including 36 semester hours in
 3792 general education courses in the subject areas of communication,
 3793 mathematics, social sciences, humanities, and natural sciences,
 3794 consistent with the general education requirements specified in
 3795 the articulation agreement pursuant to s. 1007.23.

3796 (11) The Commissioner of Education and the Chancellor of
 3797 the Florida Community College System shall jointly appoint
 3798 faculty committees representing both Florida Community College
 3799 System institution and public school faculties to recommend to
 3800 the commissioner, or the Chancellor of the Florida Community
 3801 College System, as applicable, for approval by the State Board

Page 131 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

3802 of Education and the State Board of Community Colleges, as
 3803 applicable, a standard program length and appropriate
 3804 occupational completion points for each postsecondary career
 3805 certificate program, diploma, and degree offered by a school
 3806 district or a Florida Community College System institution.

3807 Section 57. Section 1007.262, Florida Statutes, is amended
 3808 to read:

3809 1007.262 Foreign language competence; equivalence
 3810 determinations.—The Department of Education shall identify the
 3811 competencies demonstrated by students upon the successful
 3812 completion of 2 credits of sequential high school foreign
 3813 language instruction. For the purpose of determining
 3814 postsecondary equivalence, the State Board of Community Colleges
 3815 ~~department~~ shall develop rules through which Florida Community
 3816 College System institutions correlate such competencies to the
 3817 competencies required of students in the colleges' respective
 3818 courses. Based on this correlation, each Florida Community
 3819 College System institution shall identify the minimum number of
 3820 postsecondary credits that students must earn in order to
 3821 demonstrate a level of competence in a foreign language at least
 3822 equivalent to that of students who have completed 2 credits of
 3823 such instruction in high school. The department may also specify
 3824 alternative means by which students can demonstrate equivalent
 3825 foreign language competence, including means by which a student
 3826 whose native language is not English may demonstrate proficiency
 3827 in the native language. A student who demonstrates proficiency
 3828 in a native language other than English is exempt from a
 3829 requirement of completing foreign language courses at the
 3830 secondary or Florida Community College System level.

581-01712-17

2017374c1

3831 Section 58. Section 1007.263, Florida Statutes, is amended
3832 to read:

3833 1007.263 Florida Community College System institutions;
3834 admissions of students.—Each Florida Community College System
3835 institution board of trustees is authorized to adopt rules
3836 governing admissions of students subject to this section and
3837 rules of the State Board of Community Colleges Education. These
3838 rules shall include the following:

3839 (1) Admissions counseling shall be provided to all students
3840 entering college or career credit programs. For students who are
3841 not otherwise exempt from testing under s. 1008.30, counseling
3842 must use tests to measure achievement of college-level
3843 communication and computation competencies by students entering
3844 college credit programs or tests to measure achievement of basic
3845 skills for career education programs as prescribed in s.
3846 1004.91. Counseling includes providing developmental education
3847 options for students whose assessment results, determined under
3848 s. 1008.30, indicate that they need to improve communication or
3849 computation skills that are essential to perform college-level
3850 work.

3851 (2) Admission to associate degree programs is subject to
3852 minimum standards adopted by the State Board of Community
3853 Colleges Education and shall require:

3854 (a) A standard high school diploma, a high school
3855 equivalency diploma as prescribed in s. 1003.435, previously
3856 demonstrated competency in college credit postsecondary
3857 coursework, or, in the case of a student who is home educated, a
3858 signed affidavit submitted by the student's parent or legal
3859 guardian attesting that the student has completed a home

Page 133 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3860 education program pursuant to the requirements of s. 1002.41.
3861 Students who are enrolled in a dual enrollment or early
3862 admission program pursuant to s. 1007.271 are exempt from this
3863 requirement.

3864 (b) A demonstrated level of achievement of college-level
3865 communication and computation skills.

3866 (c) Any other requirements established by the board of
3867 trustees.

3868 (3) Admission to other programs within the Florida
3869 Community College System institution shall include education
3870 requirements as established by the board of trustees.

3871 (4) A student who has been awarded a certificate of
3872 completion under s. 1003.4282 is eligible to enroll in
3873 certificate career education programs.

3874 (5) A student with a documented disability may be eligible
3875 for reasonable substitutions, as prescribed in ss. 1007.264 and
3876 1007.265.

3877
3878 Each board of trustees shall establish policies that notify
3879 students about developmental education options for improving
3880 their communication or computation skills that are essential to
3881 performing college-level work, including tutoring, extended time
3882 in gateway courses, free online courses, adult basic education,
3883 adult secondary education, or private provider instruction.

3884 Section 59. Subsection (2) of section 1007.264, Florida
3885 Statutes, is amended to read:

3886 1007.264 Persons with disabilities; admission to
3887 postsecondary educational institutions; substitute requirements;
3888 rules and regulations.—

Page 134 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3889 (2) The State Board of Community Colleges Education, in
 3890 consultation with the Board of Governors, shall adopt rules to
 3891 implement this section for Florida Community College System
 3892 institutions and shall develop substitute admission requirements
 3893 where appropriate.

3894 Section 60. Subsections (2) and (3) of section 1007.265,
 3895 Florida Statutes, are amended to read:

3896 1007.265 Persons with disabilities; graduation, study
 3897 program admission, and upper-division entry; substitute
 3898 requirements; rules and regulations.—

3899 (2) The State Board of Community Colleges Education, in
 3900 consultation with the Board of Governors, shall adopt rules to
 3901 implement this section for Florida Community College System
 3902 institutions and shall develop substitute requirements where
 3903 appropriate.

3904 (3) The Board of Governors, in consultation with the State
 3905 Board of Community Colleges Education, shall adopt regulations
 3906 to implement this section for state universities and shall
 3907 develop substitute requirements where appropriate.

3908 Section 61. Subsections (6), (7), and (8) of section
 3909 1007.27, Florida Statutes, are amended to read:

3910 1007.27 Articulated acceleration mechanisms.—

3911 (6) Credit by examination shall be the program through
 3912 which secondary and postsecondary students generate
 3913 postsecondary credit based on the receipt of a specified minimum
 3914 score on nationally standardized general or subject-area
 3915 examinations. For the purpose of statewide application, such
 3916 examinations and the corresponding minimum scores required for
 3917 an award of credit shall be delineated by the State Board of

Page 135 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

3918 Education, ~~and~~ the Board of Governors, ~~and the State Board of~~
 3919 Community Colleges in the statewide articulation agreement
 3920 required by s. 1007.23(1). The maximum credit generated by a
 3921 student pursuant to this subsection shall be mitigated by any
 3922 related postsecondary credit earned by the student prior to the
 3923 administration of the examination. This subsection shall not
 3924 preclude Florida Community College System institutions and
 3925 universities from awarding credit by examination based on
 3926 student performance on examinations developed within and
 3927 recognized by the individual postsecondary institutions.

3928 (7) The International Baccalaureate Program shall be the
 3929 curriculum in which eligible secondary students are enrolled in
 3930 a program of studies offered through the International
 3931 Baccalaureate Program administered by the International
 3932 Baccalaureate Office. The State Board of Community Colleges
 3933 ~~Education~~ and the Board of Governors shall specify in the
 3934 statewide articulation agreement required by s. 1007.23(1) the
 3935 cutoff scores and International Baccalaureate Examinations which
 3936 will be used to grant postsecondary credit at Florida Community
 3937 College System institutions and universities. Any changes to the
 3938 articulation agreement, ~~which~~ have the effect of raising the
 3939 required cutoff score or of changing the International
 3940 Baccalaureate Examinations which will be used to grant
 3941 postsecondary credit, ~~shall~~ only apply to students taking
 3942 International Baccalaureate Examinations after such changes are
 3943 adopted by the State Board of Community Colleges Education and
 3944 the Board of Governors. Students shall be awarded a maximum of
 3945 30 semester credit hours pursuant to this subsection. The
 3946 specific course for which a student may receive such credit

Page 136 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

3947 shall be specified in the statewide articulation agreement
 3948 required by s. 1007.23(1). Students enrolled pursuant to this
 3949 subsection shall be exempt from the payment of any fees for
 3950 administration of the examinations regardless of whether or not
 3951 the student achieves a passing score on the examination.

3952 (8) The Advanced International Certificate of Education
 3953 Program and the International General Certificate of Secondary
 3954 Education (pre-AICE) Program shall be the curricula in which
 3955 eligible secondary students are enrolled in programs of study
 3956 offered through the Advanced International Certificate of
 3957 Education Program or the International General Certificate of
 3958 Secondary Education (pre-AICE) Program administered by the
 3959 University of Cambridge Local Examinations Syndicate. The State
 3960 Board of Community Colleges Education and the Board of Governors
 3961 shall specify in the statewide articulation agreement required
 3962 by s. 1007.23(1) the cutoff scores and Advanced International
 3963 Certificate of Education examinations which will be used to
 3964 grant postsecondary credit at Florida Community College System
 3965 institutions and universities. Any changes to the cutoff scores,
 3966 which changes have the effect of raising the required cutoff
 3967 score or of changing the Advanced International Certification of
 3968 Education examinations which will be used to grant postsecondary
 3969 credit, shall apply to students taking Advanced International
 3970 Certificate of Education examinations after such changes are
 3971 adopted by the State Board of Community Colleges Education and
 3972 the Board of Governors. Students shall be awarded a maximum of
 3973 30 semester credit hours pursuant to this subsection. The
 3974 specific course for which a student may receive such credit
 3975 shall be determined by the Florida Community College System

Page 137 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

3976 institution or university that accepts the student for
 3977 admission. Students enrolled in either program of study pursuant
 3978 to this subsection shall be exempt from the payment of any fees
 3979 for administration of the examinations regardless of whether the
 3980 student achieves a passing score on the examination.

3981 Section 62. Subsections (3) and (22) of section 1007.271,
 3982 Florida Statutes, are amended to read:

3983 1007.271 Dual enrollment programs.—

3984 (3) Student eligibility requirements for initial enrollment
 3985 in college credit dual enrollment courses must include a 3.0
 3986 unweighted high school grade point average and the minimum score
 3987 on a common placement test adopted by the State Board of
 3988 Education which indicates that the student is ready for college-
 3989 level coursework. Student eligibility requirements for continued
 3990 enrollment in college credit dual enrollment courses must
 3991 include the maintenance of a 3.0 unweighted high school grade
 3992 point average and the minimum postsecondary grade point average
 3993 established by the postsecondary institution. Regardless of
 3994 meeting student eligibility requirements for continued
 3995 enrollment, a student may lose the opportunity to participate in
 3996 a dual enrollment course if the student is disruptive to the
 3997 learning process such that the progress of other students or the
 3998 efficient administration of the course is hindered. Student
 3999 eligibility requirements for initial and continued enrollment in
 4000 career certificate dual enrollment courses must include a 2.0
 4001 unweighted high school grade point average. Exceptions to the
 4002 required grade point averages may be granted on an individual
 4003 student basis if the educational entities agree and the terms of
 4004 the agreement are contained within the dual enrollment

Page 138 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

4005 articulation agreement established pursuant to subsection (21).
 4006 Florida Community College System institution boards of trustees
 4007 may establish additional initial student eligibility
 4008 requirements, which shall be included in the dual enrollment
 4009 articulation agreement, to ensure student readiness for
 4010 postsecondary instruction. Additional requirements included in
 4011 the agreement may not arbitrarily prohibit students who have
 4012 demonstrated the ability to master advanced courses from
 4013 participating in dual enrollment courses.

4014 (22) The Department of Education shall develop an
 4015 electronic submission system for dual enrollment articulation
 4016 agreements and shall review, for compliance, each dual
 4017 enrollment articulation agreement submitted pursuant to
 4018 subsections (13), (21), and (24). The Commissioner of Education
 4019 shall notify the district school superintendent and the Florida
 4020 Community College System institution president if the dual
 4021 enrollment articulation agreement does not comply with statutory
 4022 requirements and shall submit any dual enrollment articulation
 4023 agreement with unresolved issues of noncompliance to the State
 4024 Board of Education. The State Board of Education shall
 4025 collaborate with the State Board of Community Colleges to
 4026 resolve unresolved issues of noncompliance.

4027 Section 63. Subsection (6) of section 1007.273, Florida
 4028 Statutes, is amended to read:

4029 1007.273 Collegiate high school program.—

4030 (6) The collegiate high school program shall be funded
 4031 pursuant to ss. 1007.271 and 1011.62. The State Board of
 4032 Education shall enforce compliance with this section by
 4033 withholding the transfer of funds for the school districts ~~and~~

Page 139 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

4034 ~~the Florida College System institutions~~ in accordance with s.
 4035 1008.32. Annually by December 31, the State Board of Community
 4036 Colleges shall enforce compliance with this section by
 4037 withholding the transfer of funds for the Florida Community
 4038 College System institutions in accordance with s. 1001.602.

4039 Section 64. Section 1007.33, Florida Statutes, is amended
 4040 to read:

4041 1007.33 Site-determined baccalaureate degree access.—

4042 (1) (a) The Legislature recognizes that public and private
 4043 postsecondary educational institutions play an essential role in
 4044 improving the quality of life and economic well-being of the
 4045 state and its residents. The Legislature also recognizes that
 4046 economic development needs and the educational needs of place-
 4047 bound, nontraditional students have increased the demand for
 4048 local access to baccalaureate degree programs. It is therefore
 4049 the intent of the Legislature to further expand access to
 4050 baccalaureate degree programs through the use of Florida
 4051 Community College System institutions.

4052 (b) For purposes of this section, the term "district"
 4053 refers to the county or counties served by a Florida Community
 4054 College System institution pursuant to s. 1000.21(3).

4055 (2) Any Florida Community College System institution that
 4056 offers one or more baccalaureate degree programs must:

4057 (a) Maintain as its primary mission:

4058 1. Responsibility for responding to community needs for
 4059 postsecondary academic education and career degree education as
 4060 prescribed in s. 1004.65(5).

4061 2. The provision of associate degrees that provide access
 4062 to a university.

Page 140 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

- 4063 (b) Maintain an open-door admission policy for associate-
 4064 level degree programs and workforce education programs.
- 4065 (c) Continue to provide outreach to underserved
 4066 populations.
- 4067 (d) Continue to provide remedial education pursuant to s.
 4068 1008.30.
- 4069 (e) Comply with all provisions of the statewide
 4070 articulation agreement which relate to 2-year and 4-year public
 4071 degree-granting institutions as adopted by the State Board of
 4072 Education or the State Board of Community Colleges, as
 4073 applicable, pursuant to s. 1007.23.
- 4074 (f) Not award graduate credit.
- 4075 (g) Not participate in intercollegiate athletics beyond the
 4076 2-year level.
- 4077 (3) A Florida Community College System institution may not
 4078 terminate its associate in arts or associate in science degree
 4079 programs as a result of being authorized to offer one or more
 4080 baccalaureate degree programs. The Legislature intends that the
 4081 primary responsibility of a Florida Community College System
 4082 institution, including a Florida Community College System
 4083 institution that offers baccalaureate degree programs, continues
 4084 to be the provision of associate degrees that provide access to
 4085 a university.
- 4086 (4) A Florida Community College System institution may:
- 4087 (a) Offer specified baccalaureate degree programs through
 4088 formal agreements between the Florida Community College System
 4089 institution and other regionally accredited postsecondary
 4090 educational institutions pursuant to s. 1007.22.
- 4091 (b) Offer baccalaureate degree programs that are ~~were~~

Page 141 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

- 4092 authorized by law ~~prior to July 1, 2009~~.
- 4093 ~~(e) Beginning July 1, 2009, establish a first or subsequent~~
 4094 ~~baccalaureate degree program~~ for purposes of meeting district,
 4095 regional, or statewide workforce needs if approved by the State
 4096 Board of Community Colleges Education under this section.
 4097 However, a Florida Community College System institution may not
 4098 offer a bachelor of arts degree program.
 4099
- 4100 ~~Beginning July 1, 2009, the Board of Trustees of St. Petersburg~~
 4101 ~~College is authorized to establish one or more bachelor of~~
 4102 ~~applied science degree programs based on an analysis of~~
 4103 ~~workforce needs in Pinellas, Pasco, and Hernando Counties and~~
 4104 ~~other counties approved by the Department of Education. For each~~
 4105 ~~program selected, St. Petersburg College must offer a related~~
 4106 ~~associate in science or associate in applied science degree~~
 4107 ~~program, and the baccalaureate degree level program must be~~
 4108 ~~designed to articulate fully with at least one associate in~~
 4109 ~~science degree program. The college is encouraged to develop~~
 4110 ~~articulation agreements for enrollment of graduates of related~~
 4111 ~~associate in applied science degree programs. The Board of~~
 4112 ~~Trustees of St. Petersburg College is authorized to establish~~
 4113 ~~additional baccalaureate degree programs if it determines a~~
 4114 ~~program is warranted and feasible based on each of the factors~~
 4115 ~~in paragraph (5)(d). However, the Board of Trustees of St.~~
 4116 ~~Petersburg College may not establish any new baccalaureate~~
 4117 ~~degree programs from March 31, 2014, through May 31, 2015. Prior~~
 4118 ~~to developing or proposing a new baccalaureate degree program,~~
 4119 ~~St. Petersburg College shall engage in need, demand, and impact~~
 4120 ~~discussions with the state university in its service district~~

Page 142 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4121 ~~and other local and regional, accredited postsecondary providers~~
 4122 ~~in its region. Documentation, data, and other information from~~
 4123 ~~inter-institutional discussions regarding program need, demand,~~
 4124 ~~and impact shall be provided to the college's board of trustees~~
 4125 ~~to inform the program approval process. Employment at St.~~
 4126 ~~Petersburg College is governed by the same laws that govern~~
 4127 ~~Florida College System institutions, except that upper-division~~
 4128 ~~faculty are eligible for continuing contracts upon the~~
 4129 ~~completion of the fifth year of teaching. Employee records for~~
 4130 ~~all personnel shall be maintained as required by s. 1012.81.~~

4131 (5) The approval process for baccalaureate degree programs
 4132 requires shall require:

4133 (a) Each Florida Community College System institution to
 4134 submit a notice of its intent to propose a baccalaureate degree
 4135 program to the State Board of Community Division of Florida
 4136 Colleges at least 1 year ~~100 days~~ before the submission of its
 4137 proposal under paragraph (c) ~~(d)~~. The notice must include a
 4138 brief description of the program, the workforce demand and unmet
 4139 need for graduates of the program to include evidence from
 4140 entities independent of the institution, the geographic region
 4141 to be served, and an estimated timeframe for implementation.
 4142 Notices of intent may be submitted by a Florida Community
 4143 College System institution at any time throughout the year. The
 4144 notice must also include evidence that the Florida Community
 4145 College System institution engaged in need, demand, and impact
 4146 discussions with the state university and other regionally
 4147 accredited postsecondary education providers in its service
 4148 district.

4149 (b) The State Board of Community Division of Florida

Page 143 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4150 Colleges to forward the notice of intent submitted pursuant to
 4151 paragraph (a) and the justification for the proposed
 4152 baccalaureate degree program submitted pursuant to paragraph (c)
 4153 within 10 business days after receiving such notice and
 4154 justification to the Chancellor of the State University System,
 4155 the president of the Independent Colleges and Universities of
 4156 Florida, and the Executive Director of the Commission for
 4157 Independent Education. State universities ~~shall~~ have 180 ~~60~~ days
 4158 following receipt of the notice and justification by the
 4159 Chancellor of the State University System to submit an
 4160 objection, including a reason for the objection, objections to
 4161 the proposed new program or submit an alternative proposal to
 4162 offer the baccalaureate degree program. The Chancellor of the
 4163 State University System shall review the objection raised by a
 4164 state university and inform the Board of Governors of the
 4165 objection before a state university submits its objection to the
 4166 State Board of Community Colleges. The State Board of Community
 4167 Colleges must consult with the Chancellor of the State
 4168 University System to consider the objection raised by the state
 4169 university before approving or denying a Florida Community
 4170 College System institution's proposal submitted pursuant to
 4171 paragraph (c). If a proposal from a state university is not
 4172 received within the 60-day period, The State Board of Community
 4173 Colleges Education shall also provide regionally accredited
 4174 private colleges and universities 180 ~~30~~ days to submit
 4175 objections to the proposed new program ~~or submit an alternative~~
 4176 proposal. Objections by a regionally accredited private college
 4177 or university or alternative proposals shall be submitted to the
 4178 State Board of Community Division of Florida Colleges, and the

Page 144 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4179 ~~state board must consider such objections before and must be~~
 4180 ~~considered by the State Board of Education in making its~~
 4181 ~~decision to approve or deny a Florida Community College System~~
 4182 ~~institution's proposal submitted pursuant to paragraph (c).~~
 4183 ~~(c) An alternative proposal submitted by a state university~~
 4184 ~~or private college or university to adequately address:~~
 4185 ~~1. The extent to which the workforce demand and unmet need~~
 4186 ~~described in the notice of intent will be met.~~
 4187 ~~2. The extent to which students will be able to complete~~
 4188 ~~the degree in the geographic region proposed to be served by the~~
 4189 ~~Florida College System institution.~~
 4190 ~~3. The level of financial commitment of the college or~~
 4191 ~~university to the development, implementation, and maintenance~~
 4192 ~~of the specified degree program, including timelines.~~
 4193 ~~4. The extent to which faculty at both the Florida College~~
 4194 ~~System institution and the college or university will~~
 4195 ~~collaborate in the development and offering of the curriculum.~~
 4196 ~~5. The ability of the Florida College System institution~~
 4197 ~~and the college or university to develop and approve the~~
 4198 ~~curriculum for the specified degree program within 6 months~~
 4199 ~~after an agreement between the Florida College System~~
 4200 ~~institution and the college or university is signed.~~
 4201 ~~6. The extent to which the student may incur additional~~
 4202 ~~costs above what the student would expect to incur if the~~
 4203 ~~program were offered by the Florida College System institution.~~
 4204 (c)(d) Each proposal submitted by a Florida Community
 4205 College System institution to, at a minimum, include:
 4206 1. A description of the planning process and timeline for
 4207 implementation.

Page 145 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4208 2. A justification for the proposed baccalaureate degree
 4209 program, including, at a minimum, a data-driven ~~An~~ analysis of
 4210 workforce demand and unmet need for graduates of the program on
 4211 a district, regional, or statewide basis, as appropriate, and
 4212 the extent to which the proposed program will meet the workforce
 4213 demand and unmet need. The analysis must include workforce and
 4214 employment data for the most recent 5 years and projections for
 4215 the next 3 years, and a summary of degree programs similar to
 4216 the proposed degree program which are currently offered by state
 4217 universities or by independent nonprofit colleges or
 4218 universities that are eligible to participate in a grant program
 4219 pursuant to s. 1009.89 and which are located in the Florida
 4220 Community College System institution's regional service area.
 4221 The analysis must be verified by more than one third-party
 4222 professional entity that is ~~including evidence from entities~~
 4223 independent of the Florida Community College System institution.
 4224 A Florida Community College System institution must submit the
 4225 justification to the State Board of Community Colleges within 90
 4226 days after forwarding the institution's notice of intent to
 4227 propose a baccalaureate degree program. The State Board of
 4228 Community Colleges must forward the justification for the
 4229 proposed baccalaureate degree program within 10 business days
 4230 after receiving the justification to the Chancellor of the State
 4231 University System, the president of the Independent Colleges and
 4232 Universities of Florida, and the Executive Director of the
 4233 Commission for Independent Education.
 4234 3. Identification of the facilities, equipment, and library
 4235 and academic resources that will be used to deliver the program.
 4236 4. The program cost analysis of creating a new

Page 146 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

4237 baccalaureate degree when compared to ~~alternative proposals and~~
 4238 other program delivery options.

4239 5. The program's admission requirements, academic content,
 4240 curriculum, faculty credentials, student-to-teacher ratios, and
 4241 accreditation plan.

4242 6. The program's enrollment ~~projections~~ and funding
 4243 requirements, including:

4244 a. The impact of the program's enrollment projections on
 4245 compliance with the upper-level enrollment provisions under
 4246 subsection (6); and

4247 b. The institution's efforts to sustain the program at the
 4248 cost of tuition and fees for students who are classified as
 4249 residents for tuition purposes under s. 1009.21, not to exceed
 4250 \$10,000 for the entire degree program, including flexible
 4251 tuition and fee rates, and the use of waivers pursuant to s.
 4252 1009.26(11).

4253 7. A plan of action if the program is terminated.

4254 (d)(e) ~~The State Board of Community Division of Florida~~
 4255 ~~Colleges to review the proposal, notify the Florida Community~~
 4256 ~~College System institution of any deficiencies in writing within~~
 4257 ~~30 days following receipt of the proposal, and provide the~~
 4258 ~~Florida Community College System institution with an opportunity~~
 4259 ~~to correct the deficiencies. Within 45 days following receipt of~~
 4260 ~~a completed proposal by the State Board of Community Division of~~
 4261 ~~Florida Colleges, the Chancellor of the Florida Community~~
 4262 ~~College System Commissioner of Education shall recommend~~
 4263 ~~approval or disapproval of the proposal to the State Board of~~
 4264 ~~Community Colleges Education. The State Board of Community~~
 4265 ~~Colleges Education shall consider such recommendation, the~~

Page 147 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

4266 proposal, input from the Chancellor of the State University
 4267 System and the president of the Independent Colleges and
 4268 Universities of Florida, and any objections or alternative
 4269 proposals at its next meeting. If the State Board of Community
 4270 Colleges Education disapproves the Florida Community College
 4271 System institution's proposal, it shall provide the Florida
 4272 Community College System institution with written reasons for
 4273 that determination.

4274 (e)(f) ~~The Florida Community College System institution to~~
 4275 ~~obtain from the Commission on Colleges of the Southern~~
 4276 ~~Association of Colleges and Schools accreditation as a~~
 4277 ~~baccalaureate-degree-granting institution if approved by the~~
 4278 ~~State Board of Community Colleges Education to offer its first~~
 4279 ~~baccalaureate degree program.~~

4280 (f)(g) ~~The Florida Community College System institution to~~
 4281 ~~notify the Commission on Colleges of the Southern Association of~~
 4282 ~~Colleges and Schools of subsequent degree programs that are~~
 4283 ~~approved by the State Board of Community Colleges Education and~~
 4284 ~~to comply with the association's required substantive change~~
 4285 ~~protocols for accreditation purposes.~~

4286 (g)(h) ~~The Florida Community College System institution to~~
 4287 ~~annually report to the State Board of Community Colleges, the~~
 4288 ~~Chancellor of the State University System, and upon request of~~
 4289 ~~the State Board of Education, the Commissioner of Education, the~~
 4290 ~~Chancellor of the Florida College System, or the Legislature,~~
 4291 ~~report its status using the following performance and compliance~~
 4292 ~~indicators:~~

4293 1. Obtaining and maintaining appropriate Southern
 4294 Association of Colleges and Schools accreditation;

Page 148 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

4295 2. Maintaining qualified faculty and institutional
 4296 resources;

4297 3. Maintaining enrollment in previously approved programs;

4298 4. Managing fiscal resources appropriately;

4299 5. Complying with the primary mission and responsibility
 4300 requirements in subsections (2) and (3); ~~and~~

4301 6. Other indicators of success, including program
 4302 completions, employment and earnings outcomes, student
 4303 acceptance into and performance in graduate programs placements,
 4304 and surveys of graduates and employers; and-

4305 7. Continuing to meet workforce demand, as provided in
 4306 subparagraph (c)2., as demonstrated through a data-driven needs
 4307 assessment by the Florida Community College System institution
 4308 which is verified by more than one third-party professional
 4309 entity that is independent of the institution.

4310 8. Complying with the upper-level enrollment provisions
 4311 under subsection (6).

4312

4313 The State Board of Community Colleges Education, upon annual
 4314 review of the baccalaureate degree program performance and
 4315 compliance indicators and needs assessment, may require a
 4316 Florida Community College System institution's board of trustees
 4317 to modify or terminate a baccalaureate degree program authorized
 4318 under this section. If the annual review indicates negative
 4319 program performance and compliance results, and if the needs
 4320 assessment fails to demonstrate a need for the program, the
 4321 State Board of Community Colleges must require a Florida
 4322 Community College System institution's board of trustees to
 4323 terminate that baccalaureate degree program.

Page 149 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

4324 (6) (a) If the 2015-2016 total upper-level, undergraduate
 4325 full-time equivalent enrollment at a Florida Community College
 4326 System institution is at or above 8 percent of the 2015-2016
 4327 combined total lower-level and upper-level full-time equivalent
 4328 enrollment at that institution, the total upper-level
 4329 enrollment, as a percentage of the combined enrollment, may not
 4330 increase by more than 2 percentage points unless the institution
 4331 obtains prior legislative approval.

4332 (b) If the 2015-2016 total upper-level, undergraduate full-
 4333 time equivalent enrollment at a Florida Community College System
 4334 institution is below 8 percent of the 2015-2016 combined total
 4335 lower-level and upper-level full-time equivalent enrollment at
 4336 that institution, the total upper-level enrollment, as a
 4337 percentage of the combined enrollment, may not increase by more
 4338 than 4 percentage points unless the institution obtains prior
 4339 legislative approval.

4340 (c) Within the 2 percent or 4 percent growth authorized
 4341 under paragraphs (a) or (b), for any planned and purposeful
 4342 expansion of existing baccalaureate degree programs or creation
 4343 of a new baccalaureate program, a community college must
 4344 demonstrate satisfactory performance in fulfilling its primary
 4345 mission pursuant to s. 1004.65, executing at least one "2+2"
 4346 targeted pathway articulation agreement pursuant to s. 1007.23,
 4347 and meeting or exceeding the performance standards related to
 4348 on-time graduation rates under s. 1001.66 for students earning
 4349 associate of arts or baccalaureate degrees. The State Board of
 4350 Community Colleges may not approve a new baccalaureate degree
 4351 program proposal for a community college that does not meet the
 4352 conditions specified in this subsection in addition to the other

Page 150 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4353 requirements for approval under this section. Each community
 4354 college that offers a baccalaureate degree must annually review
 4355 each baccalaureate degree program and annually report to the
 4356 State Board of Community Colleges, in a format prescribed by the
 4357 state board, current and projected student enrollment for such
 4358 program, justification for continuation of each baccalaureate
 4359 degree program, and a plan to comply with the upper-level
 4360 enrollment provisions of this subsection. A Florida Community
 4361 College System institution that does not comply with the
 4362 requirements of this section is subject to s. 1001.602(9) and
 4363 may not report for funding, the upper-level, undergraduate full-
 4364 time equivalent enrollment that exceeds the upper-level
 4365 enrollment percent provision of this subsection.

4366 (7)(6) The State Board of Community Colleges ~~Education~~
 4367 shall adopt rules to prescribe format and content requirements
 4368 and submission procedures for notices of intent, proposals,
 4369 ~~alternative proposals~~, and compliance reviews under subsection
 4370 (5).

4371 Section 65. Subsections (1), (3), (4), and (5) of section
 4372 1008.30, Florida Statutes, are amended to read:

4373 1008.30 Common placement testing for public postsecondary
 4374 education.-

4375 (1) The State Board of Community Colleges ~~Education~~, in
 4376 conjunction with the Board of Governors and the State Board of
 4377 Education, shall develop and implement a common placement test
 4378 for the purpose of assessing the basic computation and
 4379 communication skills of students who intend to enter a degree
 4380 program at any public postsecondary educational institution.
 4381 Alternative assessments that may be accepted in lieu of the

Page 151 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4382 common placement test shall also be identified in rule. Public
 4383 postsecondary educational institutions shall provide appropriate
 4384 modifications of the test instruments or test procedures for
 4385 students with disabilities.

4386 (3) ~~By October 31, 2013,~~ The State Board of Community
 4387 Colleges, in conjunction with the Board of Governors and the
 4388 State Board of Education, Education shall establish by rule the
 4389 test scores a student must achieve to demonstrate readiness to
 4390 perform college-level work, and the rules must specify the
 4391 following:

4392 (a) A student who entered 9th grade in a Florida public
 4393 school in the 2003-2004 school year, or any year thereafter, and
 4394 earned a Florida standard high school diploma or a student who
 4395 is serving as an active duty member of any branch of the United
 4396 States Armed Services shall not be required to take the common
 4397 placement test and shall not be required to enroll in
 4398 developmental education instruction in a Florida Community
 4399 College System institution. However, a student who is not
 4400 required to take the common placement test and is not required
 4401 to enroll in developmental education under this paragraph may
 4402 opt to be assessed and to enroll in developmental education
 4403 instruction, and the college shall provide such assessment and
 4404 instruction upon the student's request.

4405 (b) A student who takes the common placement test and whose
 4406 score on the test indicates a need for developmental education
 4407 must be advised of all the developmental education options
 4408 offered at the institution and, after advisement, shall be
 4409 allowed to enroll in the developmental education option of his
 4410 or her choice.

Page 152 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4411 (c) A student who demonstrates readiness by achieving or
 4412 exceeding the test scores established by the state board and
 4413 enrolls in a Florida Community College System institution within
 4414 2 years after achieving such scores shall not be required to
 4415 retest or complete developmental education when admitted to any
 4416 Florida Community College System institution.

4417 (4) ~~By December 31, 2013,~~ The State Board of Community
 4418 Colleges Education, in consultation with the Board of Governors,
 4419 shall approve a series of meta-majors and the academic pathways
 4420 that identify the gateway courses associated with each meta-
 4421 major. Florida Community College System institutions shall use
 4422 placement test results to determine the extent to which each
 4423 student demonstrates sufficient communication and computation
 4424 skills to indicate readiness for his or her chosen meta-major.
 4425 Florida Community College System institutions shall counsel
 4426 students into college credit courses as quickly as possible,
 4427 with developmental education limited to that content needed for
 4428 success in the meta-major.

4429 (5) (a) Each Florida Community College System institution
 4430 board of trustees shall develop a plan to implement the
 4431 developmental education strategies defined in s. 1008.02 and
 4432 rules established by the State Board of Community Colleges
 4433 Education. The plan must be submitted to the Chancellor of the
 4434 Florida Community College System for approval no later than
 4435 March 1, 2014, for implementation no later than the fall
 4436 semester 2014. Each plan must include, at a minimum, local
 4437 policies that outline:

4438 1. Documented student achievements such as grade point
 4439 averages, work history, military experience, participation in

Page 153 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4440 juried competitions, career interests, degree major declaration,
 4441 or any combination of such achievements that the institution may
 4442 consider, in addition to common placement test scores, for
 4443 advising students regarding enrollment options.

4444 2. Developmental education strategies available to
 4445 students.

4446 3. A description of student costs and financial aid
 4447 opportunities associated with each option.

4448 4. Provisions for the collection of student success data.

4449 5. A comprehensive plan for advising students into
 4450 appropriate developmental education strategies based on student
 4451 success data.

4452 (b) Beginning October 31, 2015, each Florida Community
 4453 College System institution shall annually prepare an
 4454 accountability report that includes student success data
 4455 relating to each developmental education strategy implemented by
 4456 the institution. The report shall be submitted to the State
 4457 Board of Community Division of Florida Colleges by October 31 in
 4458 a format determined by the Chancellor of the Florida Community
 4459 College System. By December 31, the chancellor shall compile and
 4460 submit the institutional reports to the Governor, the President
 4461 of the Senate, the Speaker of the House of Representatives, and
 4462 the State Board of Community Colleges and the State Board of
 4463 Education.

4464 (c) A university board of trustees may contract with a
 4465 Florida Community College System institution board of trustees
 4466 for the Florida Community College System institution to provide
 4467 developmental education on the state university campus. Any
 4468 state university in which the percentage of incoming students

Page 154 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

4469 requiring developmental education equals or exceeds the average
 4470 percentage of such students for the Florida Community College
 4471 System may offer developmental education without contracting
 4472 with a Florida Community College System institution; however,
 4473 any state university offering college-preparatory instruction as
 4474 of January 1, 1996, may continue to provide such services.

4475 Section 66. Paragraphs (d) and (e) of subsection (1) and
 4476 paragraphs (a) and (c) of subsection (3) of section 1008.31,
 4477 Florida Statutes, are amended to read:

4478 1008.31 Florida's K-20 education performance accountability
 4479 system; legislative intent; mission, goals, and systemwide
 4480 measures; data quality improvements.-

4481 (1) LEGISLATIVE INTENT.-It is the intent of the Legislature
 4482 that:

4483 (d) The State Board of Education, ~~and~~ the Board of
 4484 Governors of the State University System, and the State Board of
 4485 Community Colleges of the Florida Community College System
 4486 recommend to the Legislature systemwide performance standards;
 4487 the Legislature establish systemwide performance measures and
 4488 standards; and the systemwide measures and standards provide
 4489 Floridians with information on what the public is receiving in
 4490 return for the funds it invests in education and how well the K-
 4491 20 system educates its students.

4492 (e)1. The State Board of Education establish performance
 4493 measures and set performance standards for individual public
 4494 schools ~~and Florida College System institutions~~, with measures
 4495 and standards based primarily on student achievement.

4496 2. The Board of Governors of the State University System
 4497 establish performance measures and set performance standards for

Page 155 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

4498 individual state universities, including actual completion
 4499 rates.

4500 3. The State Board of Community Colleges establish
 4501 performance measures and set performance standards for
 4502 individual Florida Community College System institutions.

4503 (3) K-20 EDUCATION DATA QUALITY IMPROVEMENTS.-To provide
 4504 data required to implement education performance accountability
 4505 measures in state and federal law, the Commissioner of Education
 4506 shall initiate and maintain strategies to improve data quality
 4507 and timeliness. The Board of Governors shall make available to
 4508 the department all data within the State University Database
 4509 System to be integrated into the K-20 data warehouse. The
 4510 commissioner shall have unlimited access to such data for the
 4511 purposes of conducting studies, reporting annual and
 4512 longitudinal student outcomes, and improving college readiness
 4513 and articulation. All public educational institutions shall
 4514 annually provide data from the prior year to the K-20 data
 4515 warehouse in a format based on data elements identified by the
 4516 commissioner.

4517 (a) School districts and public postsecondary educational
 4518 institutions shall maintain information systems that will
 4519 provide the State Board of Education, the Board of Governors of
 4520 the State University System, the State Board of Community
 4521 Colleges of the Florida Community College System, and the
 4522 Legislature with information and reports necessary to address
 4523 the specifications of the accountability system. The level of
 4524 comprehensiveness and quality must be no less than that which
 4525 was available as of June 30, 2001.

4526 (c) The Commissioner of Education shall determine the

Page 156 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4527 standards for the required data, monitor data quality, and
 4528 measure improvements. The commissioner shall report annually to
 4529 the State Board of Education, the Board of Governors of the
 4530 State University System, the State Board of Community Colleges
 4531 of the Florida Community College System, the President of the
 4532 Senate, and the Speaker of the House of Representatives data
 4533 quality indicators and ratings for all school districts and
 4534 public postsecondary educational institutions.

4535 Section 67. Section 1008.32, Florida Statutes, is amended
 4536 to read:

4537 1008.32 State Board of Education oversight enforcement
 4538 authority.—The State Board of Education shall oversee the
 4539 performance of district school boards ~~and Florida College System~~
 4540 ~~institution boards of trustees~~ in enforcement of all laws and
 4541 rules. District school boards ~~and Florida College System~~
 4542 ~~institution boards of trustees~~ shall be primarily responsible
 4543 for compliance with law and state board rule.

4544 (1) In order to ensure compliance with law or state board
 4545 rule, the State Board of Education shall have the authority to
 4546 request and receive information, data, and reports from school
 4547 districts ~~and Florida College System institutions~~. District
 4548 school superintendents ~~and Florida College System institution~~
 4549 ~~presidents~~ are responsible for the accuracy of the information
 4550 and data reported to the state board.

4551 (2) The Commissioner of Education may investigate
 4552 allegations of noncompliance with law or state board rule and
 4553 determine probable cause. The commissioner shall report
 4554 determinations of probable cause to the State Board of Education
 4555 which shall require the district school board ~~or Florida College~~

Page 157 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4556 ~~System institution board of trustees~~ to document compliance with
 4557 law or state board rule.

4558 (3) If the district school board ~~or Florida College System~~
 4559 ~~institution board of trustees~~ cannot satisfactorily document
 4560 compliance, the State Board of Education may order compliance
 4561 within a specified timeframe.

4562 (4) If the State Board of Education determines that a
 4563 district school board ~~or Florida College System institution~~
 4564 ~~board of trustees~~ is unwilling or unable to comply with law or
 4565 state board rule within the specified time, the state board
 4566 shall have the authority to initiate any of the following
 4567 actions:

4568 (a) Report to the Legislature that the school district ~~or~~
 4569 ~~Florida College System institution~~ is unwilling or unable to
 4570 comply with law or state board rule and recommend action to be
 4571 taken by the Legislature.

4572 (b) Withhold the transfer of state funds, discretionary
 4573 grant funds, discretionary lottery funds, or any other funds
 4574 specified as eligible for this purpose by the Legislature until
 4575 the school district ~~or Florida College System institution~~
 4576 complies with the law or state board rule.

4577 (c) Declare the school district ~~or Florida College System~~
 4578 ~~institution~~ ineligible for competitive grants.

4579 (d) Require monthly or periodic reporting on the situation
 4580 related to noncompliance until it is remedied.

4581 (5) Nothing in this section shall be construed to create a
 4582 private cause of action or create any rights for individuals or
 4583 entities in addition to those provided elsewhere in law or rule.

4584 Section 68. Paragraphs (e) and (f) of subsection (7) of

Page 158 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

4585 section 1008.345, Florida Statutes, are amended to read:

4586 1008.345 Implementation of state system of school
4587 improvement and education accountability.—

4588 (7) As a part of the system of educational accountability,
4589 the Department of Education shall:

4590 (e) Maintain a listing of college-level communication and
4591 mathematics skills associated with successful student
4592 performance through the baccalaureate level and submit it to the
4593 State Board of Education, ~~and~~ the Board of Governors, and the
4594 State Board of Community Colleges for approval.

4595 (f) Perform any other functions that may be involved in
4596 educational planning, research, and evaluation or that may be
4597 required by the commissioner, the State Board of Education, the
4598 State Board of Community Colleges, the Board of Governors, or
4599 law.

4600 Section 69. Subsections (1) and (2) of section 1008.37,
4601 Florida Statutes, are amended to read:

4602 1008.37 Postsecondary feedback of information to high
4603 schools.—

4604 (1) The Commissioner of Education shall report to the State
4605 Board of Education, the Board of Governors, the State Board of
4606 Community Colleges, the Legislature, and the district school
4607 boards on the performance of each first-time-in-postsecondary
4608 education student from each public high school in this state who
4609 is enrolled in a public postsecondary institution or public
4610 career center. Such reports must be based on information
4611 databases maintained by the Department of Education. In
4612 addition, the public postsecondary educational institutions and
4613 career centers shall provide district school boards access to

Page 159 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

4614 information on student performance in regular and preparatory
4615 courses and shall indicate students referred for remediation
4616 pursuant to s. 1004.91 or s. 1008.30.

4617 (2) The Commissioner of Education shall report, by high
4618 school, to the State Board of Education, the Board of Governors,
4619 the State Board of Community Colleges, and the Legislature, no
4620 later than November 30 of each year, on the number of prior year
4621 Florida high school graduates who enrolled for the first time in
4622 public postsecondary education in this state during the previous
4623 summer, fall, or spring term, indicating the number of students
4624 whose scores on the common placement test indicated the need for
4625 developmental education under s. 1008.30 or for applied
4626 academics for adult education under s. 1004.91.

4627 Section 70. Section 1008.38, Florida Statutes, is amended
4628 to read:

4629 1008.38 Articulation accountability process.—The State
4630 Board of Education, in conjunction with the Board of Governors
4631 and the State Board of Community Colleges, shall develop
4632 articulation accountability measures which assess the status of
4633 systemwide articulation processes authorized under s. 1007.23
4634 and establish an articulation accountability process which at a
4635 minimum shall address:

4636 (1) The impact of articulation processes on ensuring
4637 educational continuity and the orderly and unobstructed
4638 transition of students between public secondary and
4639 postsecondary education systems and facilitating the transition
4640 of students between the public and private sectors.

4641 (2) The adequacy of preparation of public secondary
4642 students to smoothly articulate to a public postsecondary

Page 160 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

4643 institution.

4644 (3) The effectiveness of articulated acceleration
4645 mechanisms available to secondary students.

4646 (4) The smooth transfer of Florida Community College System
4647 associate degree graduates to a Florida Community College System
4648 institution or a state university.

4649 (5) An examination of degree requirements that exceed the
4650 parameters of 60 credit hours for an associate degree and 120
4651 hours for a baccalaureate degree in public postsecondary
4652 programs.

4653 (6) The relationship between student attainment of college-
4654 level academic skills and articulation to the upper division in
4655 public postsecondary institutions.

4656 Section 71. Section 1008.405, Florida Statutes, is amended
4657 to read:

4658 1008.405 Adult student information.—Each school district
4659 and Florida Community College System institution shall maintain
4660 sufficient information for each student enrolled in workforce
4661 education to allow local and state administrators to locate such
4662 student upon the termination of instruction and to determine the
4663 appropriateness of student placement in specific instructional
4664 programs. The State Board of Education and the State Board of
4665 Community Colleges shall adopt, by rule, specific information
4666 that must be maintained and acceptable means of maintaining that
4667 information.

4668 Section 72. Subsection (2) of section 1008.44, Florida
4669 Statutes, is amended to read:

4670 1008.44 CAPE Industry Certification Funding List and CAPE
4671 Postsecondary Industry Certification Funding List.—

Page 161 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

4672 (2) The State Board of Education, for school districts, and
4673 the State Board of Community Colleges, for Florida Community
4674 College System institutions, shall approve, at least annually,
4675 the CAPE Postsecondary Industry Certification Funding List
4676 pursuant to this section. The Commissioner of Education and the
4677 Chancellor of the Florida Community College System shall
4678 recommend, at least annually, the CAPE Postsecondary Industry
4679 Certification Funding List to the State Board of Education and
4680 the State Board of Community Colleges, respectively, and may at
4681 any time recommend adding certifications. The Chancellor of the
4682 State University System, the Chancellor of the Florida Community
4683 College System, and the Chancellor of Career and Adult Education
4684 shall work with local workforce boards, other postsecondary
4685 institutions, businesses, and industry to identify, create, and
4686 recommend to the Commissioner of Education industry
4687 certifications to be placed on the funding list. The list shall
4688 be used to determine annual performance funding distributions to
4689 school districts or Florida Community College System
4690 institutions as specified in ss. 1011.80 and 1011.81,
4691 respectively. The chancellors shall review results of the
4692 economic security report of employment and earning outcomes
4693 produced annually pursuant to s. 445.07 when determining
4694 recommended certifications for the list, as well as other
4695 reports and indicators available regarding certification needs.

4696 Section 73. Section 1008.45, Florida Statutes, is amended
4697 to read:

4698 1008.45 Florida Community College System institution
4699 accountability process.—

4700 (1) It is the intent of the Legislature that a management

Page 162 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

4701 and accountability process be implemented which provides for the
 4702 systematic, ongoing improvement and assessment of the
 4703 improvement of the quality and efficiency of the Florida
 4704 Community College System institutions. Accordingly, the State
 4705 Board of ~~Community Colleges Education~~ and the Florida Community
 4706 College System institution boards of trustees shall develop and
 4707 implement an accountability plan to improve and evaluate the
 4708 instructional and administrative efficiency and effectiveness of
 4709 the Florida Community College System. This plan shall be
 4710 designed in consultation with staff of the Governor and the
 4711 Legislature and must address the following issues:

4712 (a) Graduation rates of A.A. and A.S. degree-seeking
 4713 students compared to first-time-enrolled students seeking the
 4714 associate degree.

4715 (b) Minority student enrollment and retention rates.

4716 (c) Student performance, including student performance in
 4717 college-level academic skills, mean grade point averages for
 4718 Florida Community College System institution A.A. transfer
 4719 students, and Florida Community College System institution
 4720 student performance on state licensure examinations.

4721 (d) Job placement rates of Florida Community College System
 4722 institution career students.

4723 (e) Student progression by admission status and program.

4724 (f) Career accountability standards identified in s.
 4725 1008.42.

4726 (g) Institutional assessment efforts related to the
 4727 requirements of s. III in the Criteria for Accreditation of the
 4728 Commission on Colleges of the Southern Association of Colleges
 4729 and Schools.

581-01712-17 2017374c1

4730 (h) Other measures approved by the State Board of Community
 4731 Colleges Education.

4732 (2) The State Board of Community Colleges Education shall
 4733 submit an annual report, to coincide with the submission of the
 4734 ~~state board's agency~~ strategic plan required by law, providing
 4735 the results of initiatives taken during the prior year and the
 4736 initiatives and related objective performance measures proposed
 4737 for the next year.

4738 (3) The State Board of Community Colleges Education shall
 4739 address within the annual evaluation of the performance of the
 4740 ~~chancellor executive director~~, and the Florida Community College
 4741 System institution boards of trustees shall address within the
 4742 annual evaluation of the presidents, the achievement of the
 4743 performance goals established by the accountability process.

4744 Section 74. Section 1009.21, Florida Statutes, is amended
 4745 to read:

4746 1009.21 Determination of resident status for tuition
 4747 purposes.—Students shall be classified as residents or
 4748 nonresidents for the purpose of assessing tuition in
 4749 postsecondary educational programs offered by charter technical
 4750 career centers or career centers operated by school districts,
 4751 in Florida Community College System institutions, and in state
 4752 universities.

4753 (1) As used in this section, the term:

4754 (a) "Dependent child" means any person, whether or not
 4755 living with his or her parent, who is eligible to be claimed by
 4756 his or her parent as a dependent under the federal income tax
 4757 code.

4758 (b) "Initial enrollment" means the first day of class at an

581-01712-17

2017374c1

4759 institution of higher education.

4760 (c) "Institution of higher education" means any charter
4761 technical career center as defined in s. 1002.34, career center
4762 operated by a school district as defined in s. 1001.44, Florida
4763 Community College System institution as defined in s.
4764 1000.21(3), or state university as defined in s. 1000.21(6).

4765 (d) "Legal resident" or "resident" means a person who has
4766 maintained his or her residence in this state for the preceding
4767 year, has purchased a home which is occupied by him or her as
4768 his or her residence, or has established a domicile in this
4769 state pursuant to s. 222.17.

4770 (e) "Nonresident for tuition purposes" means a person who
4771 does not qualify for the in-state tuition rate.

4772 (f) "Parent" means either or both parents of a student, any
4773 guardian of a student, or any person in a parental relationship
4774 to a student.

4775 (g) "Resident for tuition purposes" means a person who
4776 qualifies as provided in this section for the in-state tuition
4777 rate.

4778 (2) (a) To qualify as a resident for tuition purposes:

4779 1. A person or, if that person is a dependent child, his or
4780 her parent or parents must have established legal residence in
4781 this state and must have maintained legal residence in this
4782 state for at least 12 consecutive months immediately prior to
4783 his or her initial enrollment in an institution of higher
4784 education.

4785 2. Every applicant for admission to an institution of
4786 higher education shall be required to make a statement as to his
4787 or her length of residence in the state and, further, shall

Page 165 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4788 establish that his or her presence or, if the applicant is a
4789 dependent child, the presence of his or her parent or parents in
4790 the state currently is, and during the requisite 12-month
4791 qualifying period was, for the purpose of maintaining a bona
4792 fide domicile, rather than for the purpose of maintaining a mere
4793 temporary residence or abode incident to enrollment in an
4794 institution of higher education.

4795 (b) However, with respect to a dependent child living with
4796 an adult relative other than the child's parent, such child may
4797 qualify as a resident for tuition purposes if the adult relative
4798 is a legal resident who has maintained legal residence in this
4799 state for at least 12 consecutive months immediately before the
4800 child's initial enrollment in an institution of higher
4801 education, provided the child has resided continuously with such
4802 relative for the 3 years immediately before the child's initial
4803 enrollment in an institution of higher education, during which
4804 time the adult relative has exercised day-to-day care,
4805 supervision, and control of the child.

4806 (c) The legal residence of a dependent child whose parents
4807 are divorced, separated, or otherwise living apart will be
4808 deemed to be this state if either parent is a legal resident of
4809 this state, regardless of which parent is entitled to claim, and
4810 does in fact claim, the minor as a dependent pursuant to federal
4811 individual income tax provisions.

4812 (d) A dependent child who is a United States citizen may
4813 not be denied classification as a resident for tuition purposes
4814 based solely upon the immigration status of his or her parent.

4815 (3) (a) An individual shall not be classified as a resident
4816 for tuition purposes and, thus, shall not be eligible to receive

Page 166 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4817 the in-state tuition rate until he or she has provided such
 4818 evidence related to legal residence and its duration or, if that
 4819 individual is a dependent child, evidence of his or her parent's
 4820 legal residence and its duration, as may be required by law and
 4821 by officials of the institution of higher education from which
 4822 he or she seeks the in-state tuition rate.

4823 (b) Except as otherwise provided in this section, evidence
 4824 of legal residence and its duration shall include clear and
 4825 convincing documentation that residency in this state was for a
 4826 minimum of 12 consecutive months prior to a student's initial
 4827 enrollment in an institution of higher education.

4828 (c) Each institution of higher education shall
 4829 affirmatively determine that an applicant who has been granted
 4830 admission to that institution as a Florida resident meets the
 4831 residency requirements of this section at the time of initial
 4832 enrollment. The residency determination must be documented by
 4833 the submission of written or electronic verification that
 4834 includes two or more of the documents identified in this
 4835 paragraph. No single piece of evidence shall be conclusive.

4836 1. The documents must include at least one of the
 4837 following:

- 4838 a. A Florida voter's registration card.
- 4839 b. A Florida driver license.
- 4840 c. A State of Florida identification card.
- 4841 d. A Florida vehicle registration.
- 4842 e. Proof of a permanent home in Florida which is occupied
 4843 as a primary residence by the individual or by the individual's
 4844 parent if the individual is a dependent child.
- 4845 f. Proof of a homestead exemption in Florida.

Page 167 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4846 g. Transcripts from a Florida high school for multiple
 4847 years if the Florida high school diploma or high school
 4848 equivalency diploma was earned within the last 12 months.

4849 h. Proof of permanent full-time employment in Florida for
 4850 at least 30 hours per week for a 12-month period.

4851 2. The documents may include one or more of the following:

- 4852 a. A declaration of domicile in Florida.
- 4853 b. A Florida professional or occupational license.
- 4854 c. Florida incorporation.
- 4855 d. A document evidencing family ties in Florida.
- 4856 e. Proof of membership in a Florida-based charitable or
 4857 professional organization.
- 4858 f. Any other documentation that supports the student's
 4859 request for resident status, including, but not limited to,
 4860 utility bills and proof of 12 consecutive months of payments; a
 4861 lease agreement and proof of 12 consecutive months of payments;
 4862 or an official state, federal, or court document evidencing
 4863 legal ties to Florida.

4864 (4) With respect to a dependent child, the legal residence
 4865 of the dependent child's parent or parents is prima facie
 4866 evidence of the dependent child's legal residence, which
 4867 evidence may be reinforced or rebutted, relative to the age and
 4868 general circumstances of the dependent child, by the other
 4869 evidence of legal residence required of or presented by the
 4870 dependent child. However, the legal residence of a dependent
 4871 child's parent or parents who are domiciled outside this state
 4872 is not prima facie evidence of the dependent child's legal
 4873 residence if that dependent child has lived in this state for 5
 4874 consecutive years prior to enrolling or reregistering at the

Page 168 of 254

2017374c1

4875 institution of higher education at which resident status for
4876 tuition purposes is sought.

4877 (5) A person who physically resides in this state may be
4878 classified as a resident for tuition purposes if he or she
4879 marries a person who meets the 12-month residency requirement
4880 under subsection (2) and who is a legal resident of this state.

4881 (6) (a) Except as otherwise provided in this section, a
4882 person who is classified as a nonresident for tuition purposes
4883 may become eligible for reclassification as a resident for
4884 tuition purposes if that person or, if that person is a
4885 dependent child, his or her parent presents clear and convincing
4886 documentation that supports permanent legal residency in this
4887 state for at least 12 consecutive months rather than temporary
4888 residency for the purpose of pursuing an education, such as
4889 documentation of full-time permanent employment for the prior 12
4890 months or the purchase of a home in this state and residence
4891 therein for the prior 12 months while not enrolled in an
4892 institution of higher education.

4893 (b) If a person who is a dependent child and his or her
4894 parent move to this state while such child is a high school
4895 student and the child graduates from a high school in this
4896 state, the child may become eligible for reclassification as a
4897 resident for tuition purposes when the parent submits evidence
4898 that the parent qualifies for permanent residency.

4899 (c) If a person who is a dependent child and his or her
4900 parent move to this state after such child graduates from high
4901 school, the child may become eligible for reclassification as a
4902 resident for tuition purposes after the parent submits evidence
4903 that he or she has established legal residence in the state and

Page 169 of 254

581-01712-17

2017374c1

4904 has maintained legal residence in the state for at least 12
4905 consecutive months.

4906 (d) A person who is classified as a nonresident for tuition
4907 purposes and who marries a legal resident of the state or
4908 marries a person who becomes a legal resident of the state may,
4909 upon becoming a legal resident of the state, become eligible for
4910 reclassification as a resident for tuition purposes upon
4911 submitting evidence of his or her own legal residency in the
4912 state, evidence of his or her marriage to a person who is a
4913 legal resident of the state, and evidence of the spouse's legal
4914 residence in the state for at least 12 consecutive months
4915 immediately preceding the application for reclassification.

4916 (7) A person shall not lose his or her resident status for
4917 tuition purposes solely by reason of serving, or, if such person
4918 is a dependent child, by reason of his or her parent's or
4919 parents' serving, in the Armed Forces outside this state.

4920 (8) A person who has been properly classified as a resident
4921 for tuition purposes but who, while enrolled in an institution
4922 of higher education in this state, loses his or her resident
4923 tuition status because the person or, if he or she is a
4924 dependent child, the person's parent or parents establish
4925 domicile or legal residence elsewhere shall continue to enjoy
4926 the in-state tuition rate for a statutory grace period, which
4927 period shall be measured from the date on which the
4928 circumstances arose that culminated in the loss of resident
4929 tuition status and shall continue for 12 months. However, if the
4930 12-month grace period ends during a semester or academic term
4931 for which such former resident is enrolled, such grace period
4932 shall be extended to the end of that semester or academic term.

581-01712-17

2017374c1

4933 (9) Any person who ceases to be enrolled at or who
 4934 graduates from an institution of higher education while
 4935 classified as a resident for tuition purposes and who
 4936 subsequently abandons his or her domicile in this state shall be
 4937 permitted to reenroll at an institution of higher education in
 4938 this state as a resident for tuition purposes without the
 4939 necessity of meeting the 12-month durational requirement of this
 4940 section if that person has reestablished his or her domicile in
 4941 this state within 12 months of such abandonment and continuously
 4942 maintains the reestablished domicile during the period of
 4943 enrollment. The benefit of this subsection shall not be accorded
 4944 more than once to any one person.

4945 (10) The following persons shall be classified as residents
 4946 for tuition purposes:

4947 (a) Active duty members of the Armed Services of the United
 4948 States residing or stationed in this state, their spouses, and
 4949 dependent children, and active drilling members of the Florida
 4950 National Guard.

4951 (b) Active duty members of the Armed Services of the United
 4952 States and their spouses and dependents attending a Florida
 4953 Community College System institution or state university within
 4954 50 miles of the military establishment where they are stationed,
 4955 if such military establishment is within a county contiguous to
 4956 Florida.

4957 (c) United States citizens living on the Isthmus of Panama,
 4958 who have completed 12 consecutive months of college work at the
 4959 Florida State University Panama Canal Branch, and their spouses
 4960 and dependent children.

4961 (d) Full-time instructional and administrative personnel

Page 171 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4962 employed by state public schools and institutions of higher
 4963 education and their spouses and dependent children.

4964 (e) Students from Latin America and the Caribbean who
 4965 receive scholarships from the federal or state government. Any
 4966 student classified pursuant to this paragraph shall attend, on a
 4967 full-time basis, a Florida institution of higher education.

4968 (f) Southern Regional Education Board's Academic Common
 4969 Market graduate students attending Florida's state universities.

4970 (g) Full-time employees of state agencies or political
 4971 subdivisions of the state when the student fees are paid by the
 4972 state agency or political subdivision for the purpose of job-
 4973 related law enforcement or corrections training.

4974 (h) McKnight Doctoral Fellows and Finalists who are United
 4975 States citizens.

4976 (i) United States citizens living outside the United States
 4977 who are teaching at a Department of Defense Dependent School or
 4978 in an American International School and who enroll in a graduate
 4979 level education program which leads to a Florida teaching
 4980 certificate.

4981 (j) Active duty members of the Canadian military residing
 4982 or stationed in this state under the North American Air Defense
 4983 (NORAD) agreement, and their spouses and dependent children,
 4984 attending a Florida Community College System institution or
 4985 state university within 50 miles of the military establishment
 4986 where they are stationed.

4987 (k) Active duty members of a foreign nation's military who
 4988 are serving as liaison officers and are residing or stationed in
 4989 this state, and their spouses and dependent children, attending
 4990 a Florida Community College System institution or state

Page 172 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

4991 university within 50 miles of the military establishment where
4992 the foreign liaison officer is stationed.

4993 (11) Once a student has been classified as a resident for
4994 tuition purposes, an institution of higher education to which
4995 the student transfers is not required to reevaluate the
4996 classification unless inconsistent information suggests that an
4997 erroneous classification was made or the student's situation has
4998 changed. However, the student must have attended the institution
4999 making the initial classification within the prior 12 months,
5000 and the residency classification must be noted on the student's
5001 transcript. The Higher Education Coordinating Council shall
5002 consider issues related to residency determinations and make
5003 recommendations relating to efficiency and effectiveness of
5004 current law.

5005 (12) Each institution of higher education shall establish a
5006 residency appeal committee comprised of at least three members
5007 to consider student appeals of residency determinations, in
5008 accordance with the institution's official appeal process. The
5009 residency appeal committee must render to the student the final
5010 residency determination in writing. The institution must advise
5011 the student of the reasons for the determination.

5012 (13) The State Board of Education, ~~and~~ the Board of
5013 Governors, and the State Board of Community Colleges shall adopt
5014 rules to implement this section.

5015 Section 75. Paragraph (e) of subsection (3) of section
5016 1009.22, Florida Statutes, is amended to read:

5017 1009.22 Workforce education postsecondary student fees.—

5018 (3)

5019 (e) The State Board of Education and the State Board of

Page 173 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

5020 Community Colleges may adopt, by rule, the definitions and
5021 procedures that district school boards and Florida Community
5022 College System institution boards of trustees shall use in the
5023 calculation of cost borne by students.

5024 Section 76. Section 1009.23, Florida Statutes, is amended
5025 to read:

5026 1009.23 Florida Community College System institution
5027 student fees.—

5028 (1) Unless otherwise provided, this section applies only to
5029 fees charged for college credit instruction leading to an
5030 associate in arts degree, an associate in applied science
5031 degree, an associate in science degree, or a baccalaureate
5032 degree authorized pursuant to s. 1007.33, for noncollege credit
5033 developmental education defined in s. 1004.02, and for educator
5034 preparation institute programs defined in s. 1004.85.

5035 (2) (a) All students shall be charged fees except students
5036 who are exempt from fees or students whose fees are waived.

5037 (b) Tuition and out-of-state fees for upper-division
5038 courses must reflect the fact that the Florida Community College
5039 System institution has a less expensive cost structure than that
5040 of a state university. Therefore, the board of trustees shall
5041 establish tuition and out-of-state fees for upper-division
5042 courses in baccalaureate degree programs approved pursuant to s.
5043 1007.33 consistent with law and proviso language in the General
5044 Appropriations Act. However, the board of trustees may vary
5045 tuition and out-of-state fees only as provided in subsection (6)
5046 and s. 1009.26(11).

5047 (3) (a) Effective July 1, 2014, for advanced and
5048 professional, postsecondary vocational, developmental education,

Page 174 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5049 and educator preparation institute programs, the standard
5050 tuition shall be \$71.98 per credit hour for residents and
5051 nonresidents, and the out-of-state fee shall be \$215.94 per
5052 credit hour.

5053 (b) Effective July 1, 2014, for baccalaureate degree
5054 programs, the following tuition and fee rates shall apply:

5055 1. The tuition shall be \$91.79 per credit hour for students
5056 who are residents for tuition purposes.

5057 2. The sum of the tuition and the out-of-state fee per
5058 credit hour for students who are nonresidents for tuition
5059 purposes shall be no more than 85 percent of the sum of the
5060 tuition and the out-of-state fee at the state university nearest
5061 the Florida Community College System institution.

5062 (4) Each Florida Community College System institution board
5063 of trustees shall establish tuition and out-of-state fees, which
5064 may vary no more than 10 percent below and 15 percent above the
5065 combined total of the standard tuition and fees established in
5066 subsection (3).

5067 (5) Except as otherwise provided in law, the sum of
5068 nonresident student tuition and out-of-state fees must be
5069 sufficient to defray the full cost of each program.

5070 (6) (a) A Florida Community College System institution board
5071 of trustees that has a service area that borders another state
5072 may implement a plan for a differential out-of-state fee.

5073 (b) A Florida Community College System institution board of
5074 trustees may establish a differential out-of-state fee for a
5075 student who has been determined to be a nonresident for tuition
5076 purposes pursuant to s. 1009.21 and is enrolled in a distance
5077 learning course offered by the institution. A differential out-

Page 175 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5078 of-state fee established pursuant to this paragraph shall be
5079 applicable only to distance learning courses and must be
5080 established such that the sum of tuition and the differential
5081 out-of-state fee is sufficient to defray the full cost of
5082 instruction.

5083 (7) Each Florida Community College System institution board
5084 of trustees may establish a separate activity and service fee
5085 not to exceed 10 percent of the tuition fee, according to rules
5086 of the State Board of Community Colleges Education. The student
5087 activity and service fee shall be collected as a component part
5088 of the tuition and fees. The student activity and service fees
5089 shall be paid into a student activity and service fund at the
5090 Florida Community College System institution and shall be
5091 expended for lawful purposes to benefit the student body in
5092 general. These purposes include, but are not limited to, student
5093 publications and grants to duly recognized student
5094 organizations, the membership of which is open to all students
5095 at the Florida Community College System institution without
5096 regard to race, sex, or religion. No Florida Community College
5097 System institution shall be required to lower any activity and
5098 service fee approved by the board of trustees of the Florida
5099 Community College System institution and in effect prior to
5100 October 26, 2007, in order to comply with the provisions of this
5101 subsection.

5102 (8) (a) Each Florida Community College System institution
5103 board of trustees is authorized to establish a separate fee for
5104 financial aid purposes in an additional amount up to, but not to
5105 exceed, 5 percent of the total student tuition or out-of-state
5106 fees collected. Each Florida Community College System

Page 176 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5107 institution board of trustees may collect up to an additional 2
 5108 percent if the amount generated by the total financial aid fee
 5109 is less than \$500,000. If the amount generated is less than
 5110 \$500,000, a Florida Community College System institution that
 5111 charges tuition and out-of-state fees at least equal to the
 5112 average fees established by rule may transfer from the general
 5113 current fund to the scholarship fund an amount equal to the
 5114 difference between \$500,000 and the amount generated by the
 5115 total financial aid fee assessment. No other transfer from the
 5116 general current fund to the loan, endowment, or scholarship
 5117 fund, by whatever name known, is authorized.

5118 (b) All funds collected under this program shall be placed
 5119 in the loan and endowment fund or scholarship fund of the
 5120 college, by whatever name known. Such funds shall be disbursed
 5121 to students as quickly as possible. An amount not greater than
 5122 40 percent of the fees collected in a fiscal year may be carried
 5123 forward unexpended to the following fiscal year. However, funds
 5124 collected prior to July 1, 1989, and placed in an endowment fund
 5125 may not be considered part of the balance of funds carried
 5126 forward unexpended to the following fiscal year.

5127 (c) Up to 25 percent or \$600,000, whichever is greater, of
 5128 the financial aid fees collected may be used to assist students
 5129 who demonstrate academic merit; who participate in athletics,
 5130 public service, cultural arts, and other extracurricular
 5131 programs as determined by the institution; or who are identified
 5132 as members of a targeted gender or ethnic minority population.
 5133 The financial aid fee revenues allocated for athletic
 5134 scholarships and any fee exemptions provided to athletes
 5135 pursuant to s. 1009.25(2) must be distributed equitably as

Page 177 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5136 required by s. 1000.05(3)(d). A minimum of 75 percent of the
 5137 balance of these funds for new awards shall be used to provide
 5138 financial aid based on absolute need, and the remainder of the
 5139 funds shall be used for academic merit purposes and other
 5140 purposes approved by the boards of trustees. Such other purposes
 5141 shall include the payment of child care fees for students with
 5142 financial need. The State Board of Education shall develop
 5143 criteria for making financial aid awards. Each college shall
 5144 report annually to the Department of Education on the revenue
 5145 collected pursuant to this paragraph, the amount carried
 5146 forward, the criteria used to make awards, the amount and number
 5147 of awards for each criterion, and a delineation of the
 5148 distribution of such awards. The report shall include an
 5149 assessment by category of the financial need of every student
 5150 who receives an award, regardless of the purpose for which the
 5151 award is received. Awards that are based on financial need shall
 5152 be distributed in accordance with a nationally recognized system
 5153 of need analysis approved by the State Board of Education. An
 5154 award for academic merit requires a minimum overall grade point
 5155 average of 3.0 on a 4.0 scale or the equivalent for both initial
 5156 receipt of the award and renewal of the award.

5157 (d) These funds may not be used for direct or indirect
 5158 administrative purposes or salaries.

5159 (9) Any Florida Community College System institution that
 5160 reports students who have not paid fees in an approved manner in
 5161 calculations of full-time equivalent enrollments for state
 5162 funding purposes shall be penalized at a rate equal to two times
 5163 the value of such enrollments. Such penalty shall be charged
 5164 against the following year's allocation from the Florida

Page 178 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5165 Community College System Program Fund and shall revert to the
5166 General Revenue Fund.

5167 (10) Each Florida Community College System institution
5168 board of trustees is authorized to establish a separate fee for
5169 technology, which may not exceed 5 percent of tuition per credit
5170 hour or credit-hour equivalent for resident students and may not
5171 exceed 5 percent of tuition and the out-of-state fee per credit
5172 hour or credit-hour equivalent for nonresident students.
5173 Revenues generated from the technology fee shall be used to
5174 enhance instructional technology resources for students and
5175 faculty. The technology fee may apply to both college credit and
5176 developmental education and shall not be included in any award
5177 under the Florida Bright Futures Scholarship Program. Fifty
5178 percent of technology fee revenues may be pledged by a Florida
5179 Community College System institution board of trustees as a
5180 dedicated revenue source for the repayment of debt, including
5181 lease-purchase agreements, not to exceed the useful life of the
5182 asset being financed. Revenues generated from the technology fee
5183 may not be bonded.

5184 (11) (a) Each Florida Community College System institution
5185 board of trustees may establish a separate fee for capital
5186 improvements, technology enhancements, equipping student
5187 buildings, or the acquisition of improved real property which
5188 may not exceed 20 percent of tuition for resident students or 20
5189 percent of the sum of tuition and out-of-state fees for
5190 nonresident students. The fee for resident students shall be
5191 limited to an increase of \$2 per credit hour over the prior
5192 year. Funds collected by Florida Community College System
5193 institutions through the fee may be bonded only as provided in

Page 179 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5194 this subsection for the purpose of financing or refinancing new
5195 construction and equipment, renovation, remodeling of
5196 educational facilities, or the acquisition and renovation or
5197 remodeling of improved real property for use as educational
5198 facilities. The fee shall be collected as a component part of
5199 the tuition and fees, paid into a separate account, and expended
5200 only to acquire improved real property or construct and equip,
5201 maintain, improve, or enhance the educational facilities of the
5202 Florida Community College System institution. Projects and
5203 acquisitions of improved real property funded through the use of
5204 the capital improvement fee shall meet the survey and
5205 construction requirements of chapter 1013. Pursuant to s.
5206 216.0158, each Florida Community College System institution
5207 shall identify each project, including maintenance projects,
5208 proposed to be funded in whole or in part by such fee.

5209 (b) Capital improvement fee revenues may be pledged by a
5210 board of trustees as a dedicated revenue source to the repayment
5211 of debt, including lease-purchase agreements, with an overall
5212 term of not more than 7 years, including renewals, extensions,
5213 and refundings, and revenue bonds with a term not exceeding 20
5214 annual maturities and not exceeding the useful life of the asset
5215 being financed, only for financing or refinancing of the new
5216 construction and equipment, renovation, or remodeling of
5217 educational facilities. Bonds authorized pursuant to this
5218 subsection shall be requested by the Florida Community College
5219 System institution board of trustees and shall be issued by the
5220 Division of Bond Finance in compliance with s. 11(d), Art. VII
5221 of the State Constitution and the State Bond Act. The Division
5222 of Bond Finance may pledge fees collected by one or more Florida

Page 180 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

5223 Community College System institutions to secure such bonds. Any
 5224 project included in the approved educational plant survey
 5225 pursuant to chapter 1013 is approved pursuant to s. 11(f), Art.
 5226 VII of the State Constitution.

5227 (c) Bonds issued pursuant to this subsection may be
 5228 validated in the manner provided by chapter 75. Only the initial
 5229 series of bonds is required to be validated. The complaint for
 5230 such validation shall be filed in the circuit court of the
 5231 county where the seat of state government is situated, the
 5232 notice required to be published by s. 75.06 shall be published
 5233 only in the county where the complaint is filed, and the
 5234 complaint and order of the circuit court shall be served only on
 5235 the state attorney of the circuit in which the action is
 5236 pending.

5237 (d) A maximum of 15 percent may be allocated from the
 5238 capital improvement fee for child care centers conducted by the
 5239 Florida Community College System institution. The use of capital
 5240 improvement fees for such purpose shall be subordinate to the
 5241 payment of any bonds secured by the fees.

5242 (e) The state does hereby covenant with the holders of the
 5243 bonds issued under this subsection that it will not take any
 5244 action that will materially and adversely affect the rights of
 5245 such holders so long as the bonds authorized by this subsection
 5246 are outstanding.

5247 (12) (a) In addition to tuition, out-of-state, financial
 5248 aid, capital improvement, student activity and service, and
 5249 technology fees authorized in this section, each Florida
 5250 Community College System institution board of trustees is
 5251 authorized to establish fee schedules for the following user

Page 181 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

5252 fees and fines: laboratory fees, which do not apply to a
 5253 distance learning course; parking fees and fines; library fees
 5254 and fines; fees and fines relating to facilities and equipment
 5255 use or damage; access or identification card fees; duplicating,
 5256 photocopying, binding, or microfilming fees; standardized
 5257 testing fees; diploma replacement fees; transcript fees;
 5258 application fees; graduation fees; and late fees related to
 5259 registration and payment. Such user fees and fines shall not
 5260 exceed the cost of the services provided and shall only be
 5261 charged to persons receiving the service. A Florida Community
 5262 College System institution may not charge any fee except as
 5263 authorized by law. Parking fee revenues may be pledged by a
 5264 Florida Community College System institution board of trustees
 5265 as a dedicated revenue source for the repayment of debt,
 5266 including lease-purchase agreements, with an overall term of not
 5267 more than 7 years, including renewals, extensions, and
 5268 refundings, and revenue bonds with a term not exceeding 20 years
 5269 and not exceeding the useful life of the asset being financed.
 5270 Florida Community College System institutions shall use the
 5271 services of the Division of Bond Finance of the State Board of
 5272 Administration to issue any revenue bonds authorized by this
 5273 subsection. Any such bonds issued by the Division of Bond
 5274 Finance shall be in compliance with the provisions of the State
 5275 Bond Act. Bonds issued pursuant to the State Bond Act may be
 5276 validated in the manner established in chapter 75. The complaint
 5277 for such validation shall be filed in the circuit court of the
 5278 county where the seat of state government is situated, the
 5279 notice required to be published by s. 75.06 shall be published
 5280 only in the county where the complaint is filed, and the

Page 182 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5281 complaint and order of the circuit court shall be served only on
 5282 the state attorney of the circuit in which the action is
 5283 pending.

5284 (b) The State Board of Community Colleges Education may
 5285 adopt rules pursuant to ss. 120.536(1) and 120.54 to administer
 5286 this subsection.

5287 (13) The State Board of Community Colleges Education shall
 5288 specify, as necessary, by rule, approved methods of student fee
 5289 payment. Such methods shall include, but not be limited to,
 5290 student fee payment; payment through federal, state, or
 5291 institutional financial aid; and employer fee payments.

5292 (14) Each Florida Community College System institution
 5293 board of trustees shall report only those students who have
 5294 actually enrolled in instruction provided or supervised by
 5295 instructional personnel under contract with the Florida
 5296 Community College System institution in calculations of actual
 5297 full-time equivalent enrollments for state funding purposes. No
 5298 student who has been exempted from taking a course or who has
 5299 been granted academic or career credit through means other than
 5300 actual coursework completed at the granting institution shall be
 5301 calculated for enrollment in the course from which he or she has
 5302 been exempted or granted credit. Florida Community College
 5303 System institutions that report enrollments in violation of this
 5304 subsection shall be penalized at a rate equal to two times the
 5305 value of such enrollments. Such penalty shall be charged against
 5306 the following year's allocation from the Florida Community
 5307 College System Program Fund and shall revert to the General
 5308 Revenue Fund.

5309 (15) Each Florida Community College System institution may

Page 183 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5310 assess a service charge for the payment of tuition and fees in
 5311 installments and a convenience fee for the processing of
 5312 automated or online credit card payments. However, the amount of
 5313 the convenience fee may not exceed the total cost charged by the
 5314 credit card company to the Florida Community College System
 5315 institution. Such service charge or convenience fee must be
 5316 approved by the Florida Community College System institution
 5317 board of trustees.

5318 (16) (a) Each Florida Community College System institution
 5319 may assess a student who enrolls in a course listed in the
 5320 distance learning catalog, established pursuant to s. 1006.735,
 5321 a per-credit-hour distance learning course user fee. For
 5322 purposes of assessing this fee, a distance learning course is a
 5323 course in which at least 80 percent of the direct instruction of
 5324 the course is delivered using some form of technology when the
 5325 student and instructor are separated by time or space, or both.

5326 (b) The amount of the distance learning course user fee may
 5327 not exceed the additional costs of the services provided which
 5328 are attributable to the development and delivery of the distance
 5329 learning course. If a Florida Community College System
 5330 institution assesses the distance learning course user fee, the
 5331 institution may not assess any other fees to cover the
 5332 additional costs. By September 1 of each year, each board of
 5333 trustees shall report to the State Board of Community Colleges
 5334 ~~Division of Florida Colleges~~ the total amount of revenue
 5335 generated by the distance learning course user fee for the prior
 5336 fiscal year and how the revenue was expended.

5337 (c) If an institution assesses the distance learning fee,
 5338 the institution must provide a link to the catalog within the

Page 184 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

5339 advising and distance learning sections of the institution's
5340 website, using a graphic and description provided by the
5341 Complete Florida Plus Program, to inform students of the
5342 catalog.

5343 (17) Each Florida Community College System institution that
5344 accepts transient students, pursuant to s. 1006.735, may
5345 establish a transient student fee not to exceed \$5 per course
5346 for processing the transient student admissions application.

5347 (18) (a) The Board of Trustees of Santa Fe College may
5348 establish a transportation access fee. Revenue from the fee may
5349 be used only to provide or improve access to transportation
5350 services for students enrolled at Santa Fe College. The fee may
5351 not exceed \$6 per credit hour. An increase in the transportation
5352 access fee may occur only once each fiscal year and must be
5353 implemented beginning with the fall term. A referendum must be
5354 held by the student government to approve the application of the
5355 fee.

5356 (b) Notwithstanding ss. 1009.534, 1009.535, and 1009.536,
5357 the transportation access fee authorized under paragraph (a) may
5358 not be included in calculating the amount a student receives for
5359 a Florida Academic Scholars award, a Florida Medallion Scholars
5360 award, or a Florida Gold Seal Vocational Scholars award.

5361 (19) The State Board of Community Colleges Education shall
5362 adopt a rule specifying the definitions and procedures to be
5363 used in the calculation of the percentage of cost paid by
5364 students. The rule must provide for the calculation of the full
5365 cost of educational programs based on the allocation of all
5366 funds provided through the general current fund to programs of
5367 instruction, and other activities as provided in the annual

Page 185 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

5368 expenditure analysis. The rule shall be developed in
5369 consultation with the Legislature.

5370 (20) Each Florida Community College System institution
5371 shall publicly notice and notify all enrolled students of any
5372 proposal to increase tuition or fees at least 28 days before its
5373 consideration at a board of trustees meeting. The notice must:

5374 (a) Include the date and time of the meeting at which the
5375 proposal will be considered.

5376 (b) Specifically outline the details of existing tuition
5377 and fees, the rationale for the proposed increase, and how the
5378 funds from the proposed increase will be used.

5379 (c) Be posted on the institution's website and issued in a
5380 press release.

5381 Section 77. Subsection (2) of section 1009.25, Florida
5382 Statutes, is amended to read:

5383 1009.25 Fee exemptions.—

5384 (2) Each Florida Community College System institution is
5385 authorized to grant student fee exemptions from all fees adopted
5386 by the State Board of Community Colleges Education and the
5387 Florida Community College System institution board of trustees
5388 for up to 54 full-time equivalent students or 1 percent of the
5389 institution's total full-time equivalent enrollment, whichever
5390 is greater, at each institution.

5391 Section 78. Paragraph (b) of subsection (12), paragraphs
5392 (c) and (d) of subsection (13), and paragraph (d) of subsection
5393 (14) of section 1009.26, Florida Statutes, are amended, to read:

5394 1009.26 Fee waivers.—

5395 (12)

5396 (b) Tuition and fees charged to a student who qualifies for

Page 186 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5397 the out-of-state fee waiver under this subsection may not exceed
 5398 the tuition and fees charged to a resident student. The waiver
 5399 is applicable for 110 percent of the required credit hours of
 5400 the degree or certificate program for which the student is
 5401 enrolled. Each state university, Florida Community College
 5402 System institution, career center operated by a school district
 5403 under s. 1001.44, and charter technical career center shall
 5404 report to the Board of Governors, the State Board of Community
 5405 Colleges, and the State Board of Education, respectively, the
 5406 number and value of all fee waivers granted annually under this
 5407 subsection. By October 1 of each year, the Board of Governors,
 5408 for the state universities; ~~and~~ the State Board of Community
 5409 Colleges, ~~Education~~ for Florida Community College System
 5410 institutions; ~~7~~ career centers operated by a school district
 5411 under s. 1001.44; ~~7~~ and charter technical career centers shall
 5412 annually report for the previous academic year the percentage of
 5413 resident and nonresident students enrolled systemwide.

5414 (13)

5415 (c) Each state university, Florida Community College System
 5416 institution, career center operated by a school district under
 5417 s. 1001.44, and charter technical career center shall report to
 5418 the Board of Governors, the State Board of Community, and the
 5419 State Board of Education, respectively, the number and value of
 5420 all fee waivers granted annually under this subsection.

5421 (d) The Board of Governors, the State Board of Community
 5422 Colleges, and the State Board of Education shall respectively
 5423 adopt regulations and rules to administer this subsection.

5424 (14)

5425 (d) The Board of Governors, the State Board of Community

Page 187 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5426 Colleges, and the State Board of Education shall respectively
 5427 adopt regulations and rules to administer this subsection.

5428 Section 79. Section 1009.28, Florida Statutes, is amended
 5429 to read:

5430 1009.28 Fees for repeated enrollment in developmental
 5431 education classes.—A student enrolled in the same developmental
 5432 education class more than twice shall pay 100 percent of the
 5433 full cost of instruction to support continuous enrollment of
 5434 that student in the same class, and the student shall not be
 5435 included in calculations of full-time equivalent enrollments for
 5436 state funding purposes; however, students who withdraw or fail a
 5437 class due to extenuating circumstances may be granted an
 5438 exception only once for each class, provided approval is granted
 5439 according to policy established by the board of trustees. Each
 5440 Florida Community College System institution may review and
 5441 reduce fees paid by students due to continued enrollment in a
 5442 developmental education class on an individual basis contingent
 5443 upon the student's financial hardship, pursuant to definitions
 5444 and fee levels established by the State Board of Community
 5445 Colleges ~~Education~~.

5446 Section 80. Subsections (9) and (12) of section 1009.90,
 5447 Florida Statutes, are amended to read:

5448 1009.90 Duties of the Department of Education.—The duties
 5449 of the department shall include:

5450 (9) Development and submission of a report, annually, to
 5451 the State Board of Education, the Board of Governors, the State
 5452 Board of Community Colleges, the President of the Senate, and
 5453 the Speaker of the House of Representatives, which shall
 5454 include, but not be limited to, recommendations for the

Page 188 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5455 distribution of state financial aid funds.

5456 (12) Calculation of the amount of need-based student
5457 financial aid required to offset fee increases recommended by
5458 the State Board of Education, ~~and~~ the Board of Governors, and
5459 the State Board of Community Colleges, and inclusion of such
5460 amount within the legislative budget request for student
5461 assistance grant programs.

5462 Section 81. Subsection (4) of section 1009.91, Florida
5463 Statutes, is amended to read:

5464 1009.91 Assistance programs and activities of the
5465 department.-

5466 (4) The department shall maintain records on the student
5467 loan default rate of each Florida postsecondary institution and
5468 report that information annually to both the institution and the
5469 State Board of Education. Information relating to state
5470 universities shall also be reported annually to the Board of
5471 Governors. Information relating to Florida Community College
5472 System institutions shall be reported annually to the State
5473 Board of Community Colleges.

5474 Section 82. Subsection (2) of section 1009.971, Florida
5475 Statutes, is amended to read:

5476 1009.971 Florida Prepaid College Board.-

5477 (2) FLORIDA PREPAID COLLEGE BOARD; MEMBERSHIP.-The board
5478 shall consist of seven members to be composed of the Attorney
5479 General, the Chief Financial Officer, the Chancellor of the
5480 State University System, the Chancellor of the Florida Community
5481 College System ~~Division of Florida Colleges~~, and three members
5482 appointed by the Governor and subject to confirmation by the
5483 Senate. Each member appointed by the Governor shall possess

Page 189 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5484 knowledge, skill, and experience in the areas of accounting,
5485 actuary, risk management, or investment management. Each member
5486 of the board not appointed by the Governor may name a designee
5487 to serve on the board on behalf of the member; however, any
5488 designee so named shall meet the qualifications required of
5489 gubernatorial appointees to the board. Members appointed by the
5490 Governor shall serve terms of 3 years. Any person appointed to
5491 fill a vacancy on the board shall be appointed in a like manner
5492 and shall serve for only the unexpired term. Any member shall be
5493 eligible for reappointment and shall serve until a successor
5494 qualifies. Members of the board shall serve without compensation
5495 but shall be reimbursed for per diem and travel in accordance
5496 with s. 112.061. Each member of the board shall file a full and
5497 public disclosure of his or her financial interests pursuant to
5498 s. 8, Art. II of the State Constitution and corresponding
5499 statute.

5500 Section 83. Section 1010.01, Florida Statutes, is amended
5501 to read:

5502 1010.01 Uniform records and accounts.-

5503 (1) (a) The financial records and accounts of each school
5504 district, ~~Florida College System institution~~, and other
5505 institution or agency under the supervision of the State Board
5506 of Education shall be prepared and maintained as prescribed by
5507 law and rules of the State Board of Education.

5508 (b) The financial records and accounts of each state
5509 university under the supervision of the Board of Governors shall
5510 be prepared and maintained as prescribed by law and rules of the
5511 Board of Governors.

5512 (c) The financial records and accounts of each Florida

Page 190 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

5513 Community College System institution under the supervision of
 5514 the State Board of Community Colleges shall be prepared and
 5515 maintained as prescribed by law and rules of the State Board of
 5516 Community Colleges.

5517 (2) Rules of the State Board of Education, ~~and rules of the~~
 5518 ~~Board of Governors, and the State Board of Community Colleges~~
 5519 shall incorporate the requirements of law and accounting
 5520 principles generally accepted in the United States. Such rules
 5521 shall include a uniform classification of accounts.

5522 (3) Each state university shall annually file with the
 5523 Board of Governors financial statements prepared in conformity
 5524 with accounting principles generally accepted by the United
 5525 States and the uniform classification of accounts prescribed by
 5526 the Board of Governors. The Board of Governors' rules shall
 5527 prescribe the filing deadline for the financial statements.

5528 (4) Required financial accounts and reports shall include
 5529 provisions that are unique to each of the following: K-12 school
 5530 districts, Florida Community College System institutions, and
 5531 state universities, and shall provide for the data to be
 5532 reported to the National Center of Educational Statistics and
 5533 other governmental and professional educational data information
 5534 services as appropriate.

5535 (5) Each Florida Community College System institution shall
 5536 annually file with the State Board of Community Colleges
 5537 financial statements prepared in conformity with accounting
 5538 principles generally accepted by the United States and the
 5539 uniform classification of accounts prescribed by the State Board
 5540 of Community Colleges. The State Board of Community Colleges'
 5541 rules shall prescribe the filing deadline for the financial

Page 191 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

5542 statements.

5543 Section 84. Subsection (1) of section 1010.02, Florida
 5544 Statutes, is amended, and subsection (3) is added to that
 5545 section, to read:

5546 1010.02 Financial accounting and expenditures.—

5547 (1) All funds accruing to a school district ~~or a Florida~~
 5548 ~~College System institution~~ must be received, accounted for, and
 5549 expended in accordance with law and rules of the State Board of
 5550 Education.

5551 (3) All funds accruing to a Florida Community College
 5552 System institution must be received, accounted for, and expended
 5553 in accordance with law and rules of the State Board of Community
 5554 Colleges.

5555 Section 85. Section 1010.04, Florida Statutes, is amended
 5556 to read:

5557 1010.04 Purchasing.—

5558 (1) (a) Purchases and leases by school districts must ~~and~~
 5559 ~~Florida College System institutions shall~~ comply with the
 5560 requirements of law and rules of the State Board of Education.

5561 (b) Before purchasing nonacademic commodities and
 5562 contractual services, each district school board and Florida
 5563 Community College System institution board of trustees shall
 5564 review the purchasing agreements and state term contracts
 5565 available under s. 287.056 to determine whether it is in the
 5566 school board's or the board of trustees' economic advantage to
 5567 use the agreements and contracts. Each bid specification for
 5568 nonacademic commodities and contractual services must include a
 5569 statement indicating that the purchasing agreements and state
 5570 term contracts available under s. 287.056 have been reviewed.

Page 192 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5571 Each district school board may also use the cooperative state
 5572 purchasing programs managed through the regional consortium
 5573 service organizations pursuant to their authority under s.
 5574 1001.451(3). This paragraph does not apply to services that are
 5575 eligible for reimbursement under the federal E-rate program
 5576 administered by the Universal Service Administrative Company.

5577 (c) Purchases and leases by state universities ~~must shall~~
 5578 comply with the requirements of law and regulations of the Board
 5579 of Governors.

5580 (d) Purchases and leases by Florida Community College
 5581 System institutions must comply with the requirements of law and
 5582 rules of the State Board of Community Colleges.

5583 (2) Each district school board and Florida Community
 5584 College System institution board of trustees shall adopt rules,
 5585 and each university board of trustees shall adopt regulations,
 5586 to be followed in making purchases. Purchases may be made
 5587 through an online procurement system, an electronic auction
 5588 service, or other efficient procurement tool.

5589 (3) In districts in which the county purchasing agent is
 5590 authorized by law to make purchases for the benefit of other
 5591 governmental agencies within the county, the district school
 5592 board and Florida Community College System institution board of
 5593 trustees shall have the option to purchase from the current
 5594 county contracts at the unit price stated therein if such
 5595 purchase is to the economic advantage of the district school
 5596 board or the Florida Community College System institution board
 5597 of trustees; subject to confirmation of the items of purchase to
 5598 the standards and specifications prescribed by the school
 5599 district or Florida Community College System institution.

Page 193 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5600 (4) (a) The State Board of Education may, by rule, provide
 5601 for alternative procedures for school districts ~~and Florida~~
 5602 ~~College System institutions~~ for bidding or purchasing in cases
 5603 in which the character of the item requested renders competitive
 5604 bidding impractical.

5605 (b) The Board of Governors may, by regulation, provide for
 5606 alternative procedures for state universities for bidding or
 5607 purchasing in cases in which the character of the item requested
 5608 renders competitive bidding impractical.

5609 (c) The State Board of Community Colleges may, by rule,
 5610 provide for alternative procedures for Florida Community College
 5611 System institutions for bidding or purchasing in cases in which
 5612 the character of the item requested renders competitive bidding
 5613 impractical.

5614 Section 86. Section 1010.07, Florida Statutes, is amended
 5615 to read:

5616 1010.07 Bonds or insurance required.—

5617 (1) Each district school board, Florida Community College
 5618 System institution board of trustees, and university board of
 5619 trustees shall ensure that each official and employee
 5620 responsible for handling, expending, or authorizing the
 5621 expenditure of funds shall be appropriately bonded or insured to
 5622 protect the board and the funds involved.

5623 (2) (a) Contractors paid from school district ~~or Florida~~
 5624 ~~College System institution~~ funds shall give bond for the
 5625 faithful performance of their contracts in such amount and for
 5626 such purposes as prescribed by s. 255.05 or by rules of the
 5627 State Board of Education relating to the type of contract
 5628 involved. It shall be the duty of the district school board ~~or~~

Page 194 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5629 ~~Florida College System institution board of trustees~~ to require
5630 from construction contractors a bond adequate to protect the
5631 board and the board's funds involved.

5632 (b) Contractors paid from university funds shall give bond
5633 for the faithful performance of their contracts in such amount
5634 and for such purposes as prescribed by s. 255.05 or by
5635 regulations of the Board of Governors relating to the type of
5636 contract involved. It shall be the duty of the university board
5637 of trustees to require from construction contractors a bond
5638 adequate to protect the board and the board's funds involved.

5639 (c) Contractors paid from Florida Community College System
5640 institution funds shall give bonds for the faithful performance
5641 of their contracts in such amount and for such purposes as
5642 prescribed by s. 255.05 or by rules of the State Board of
5643 Community Colleges relating to the type of contract involved. It
5644 is the duty of the Florida Community College System institution
5645 board of trustees to require construction contractors to provide
5646 a bond adequate to protect the board and the board's funds
5647 involved.

5648 Section 87. Section 1010.08, Florida Statutes, is amended
5649 to read:

5650 1010.08 Promotion and public relations; funding.—

5651 (1) Each district school board and Florida College System
5652 institution board of trustees may budget and use a portion of
5653 the funds accruing to it from auxiliary enterprises and
5654 undesignated gifts for promotion and public relations as
5655 prescribed by rules of the State Board of Education. Such funds
5656 may be used to provide hospitality to business guests in the
5657 district or elsewhere. However, such hospitality expenses may

Page 195 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5658 not exceed the amount authorized for such contingency funds as
5659 prescribed by rules of the State Board of Education.

5660 (2) Each Florida Community College System institution board
5661 of trustees may budget and use a portion of the funds accruing
5662 to it from auxiliary enterprises and undesignated gifts for
5663 promotion and public relations as prescribed by rules of the
5664 State Board of Community Colleges. Such funds may be used to
5665 provide hospitality to business guests in the district or
5666 elsewhere. However, such hospitality expenses may not exceed the
5667 amount authorized for such contingency funds as prescribed by
5668 rules of the State Board of Community Colleges.

5669 Section 88. Subsection (1) of section 1010.09, Florida
5670 Statutes, is amended and subsection (3) is added to that
5671 section, to read:

5672 1010.09 Direct-support organizations.—

5673 (1) School district ~~and Florida College System institution~~
5674 direct-support organizations shall be organized and conducted
5675 under the provisions of ss. 1001.453 and 1004.70 and rules of
5676 the State Board of Education, as applicable.

5677 (3) Florida Community College System institution direct-
5678 support organizations shall be organized and conducted under the
5679 provisions of s. 1004.70 and rules of the State Board of
5680 Community Colleges.

5681 Section 89. Section 1010.22, Florida Statutes, is amended
5682 to read:

5683 1010.22 Cost accounting and reporting for workforce
5684 education.—

5685 (1) (a) Each school district and each Florida College System
5686 institution shall account for expenditures of all state, local,

Page 196 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5687 federal, and other funds in the manner prescribed by the State
5688 Board of Education.

5689 (b) Each Florida Community College System institution shall
5690 account for expenditures of all state, local, federal, and other
5691 funds in the manner prescribed by the State Board of Community
5692 Colleges.

5693 ~~(2) (a) Each school district and each Florida College System~~
5694 ~~institution~~ shall report expenditures for workforce education in
5695 accordance with requirements prescribed by the State Board of
5696 Education.

5697 (b) Each Florida Community College System institution shall
5698 report expenditures for workforce education in accordance with
5699 requirements prescribed by the State Board of Community
5700 Colleges.

5701 (3) The Department of Education, in cooperation with school
5702 districts and Florida Community College System institutions,
5703 shall develop and maintain a database of valid comparable
5704 information on workforce education which will meet both state
5705 and local needs.

5706 Section 90. Subsection (1) of section 1010.30, Florida
5707 Statutes, is amended to read:

5708 1010.30 Audits required.—

5709 (1) School districts, ~~Florida College System institutions,~~
5710 and other institutions and agencies under the supervision of the
5711 State Board of Education, Florida Community College System
5712 institutions under the supervision of the State Board of
5713 Community Colleges, and state universities under the supervision
5714 of the Board of Governors are subject to the audit provisions of
5715 ss. 11.45 and 218.39.

Page 197 of 254

581-01712-17 2017374c1

5716 Section 91. Section 1010.58, Florida Statutes, is amended
5717 to read:

5718 1010.58 Procedure for determining number of instruction
5719 units for Florida Community College System institutions.—The
5720 number of instruction units for Florida Community College System
5721 institutions shall be determined from the full-time equivalent
5722 students in the Florida Community College System institution,
5723 provided that full-time equivalent students may not be counted
5724 more than once in determining instruction units. Instruction
5725 units for Florida Community College System institutions shall be
5726 computed as follows:

5727 (1) One unit for each 12 full-time equivalent students at a
5728 Florida Community College System institution for the first 420
5729 students and one unit for each 15 full-time equivalent students
5730 for all over 420 students, in other than career education
5731 programs as defined by rules of the State Board of Community
5732 Colleges Education, and one unit for each 10 full-time
5733 equivalent students in career education programs and
5734 compensatory education programs as defined by rules of the State
5735 Board of Community Colleges Education. Full-time equivalent
5736 students enrolled in a Florida Community College System
5737 institution shall be defined by rules of the State Board of
5738 Community Colleges Education.

5739 (2) For each 8 instruction units in a Florida Community
5740 College System institution, 1 instruction unit or proportionate
5741 fraction of a unit shall be allowed for administrative and
5742 special instructional services, and for each 20 instruction
5743 units, 1 instruction unit or proportionate fraction of a unit
5744 shall be allowed for student personnel services.

581-01712-17

2017374c1

5745 Section 92. Section 1011.01, Florida Statutes, is amended
5746 to read:

5747 1011.01 Budget system established.—

5748 (1) The State Board of Education shall prepare and submit a
5749 coordinated K-20 education annual legislative budget request to
5750 the Governor and the Legislature on or before the date provided
5751 by the Governor and the Legislature. The board's legislative
5752 budget request must clearly define the needs of school
5753 districts, Florida Community College System institutions,
5754 universities, other institutions, organizations, programs, and
5755 activities under the supervision of the board and that are
5756 assigned by law or the General Appropriations Act to the
5757 Department of Education.

5758 (2) (a) There is ~~shall be~~ established in each school
5759 district ~~and Florida College System institution~~ a budget system
5760 as prescribed by law and rules of the State Board of Education.

5761 (b) There is ~~shall be~~ established in each state university
5762 a budget system as prescribed by law and rules of the Board of
5763 Governors.

5764 (c) There is established in each Florida Community College
5765 System institution a budget system as prescribed by law and
5766 rules of the State Board of Community Colleges.

5767 (3) (a) Each district school board ~~and each Florida College~~
5768 ~~System institution board of trustees~~ shall prepare, adopt, and
5769 submit to the Commissioner of Education an annual operating
5770 budget. Operating budgets must ~~shall~~ be prepared and submitted
5771 in accordance with the provisions of law, rules of the State
5772 Board of Education, the General Appropriations Act, and for
5773 district school boards in accordance with the provisions of ss.

Page 199 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

5774 200.065 and 1011.64.

5775 (b) Each state university board of trustees shall prepare,
5776 adopt, and submit to the Chancellor of the State University
5777 System for review an annual operating budget in accordance with
5778 provisions of law, rules of the Board of Governors, and the
5779 General Appropriations Act.

5780 (c) Each Florida Community College System institution board
5781 of trustees shall prepare, adopt, and submit to the State Board
5782 of Community Colleges an annual operating budget in accordance
5783 with provisions of law, rules of the State Board of Community
5784 Colleges, and the General Appropriations Act.

5785 (4) The State Board of Education shall coordinate with the
5786 Board of Governors and the State Board of Community Colleges to
5787 facilitate the budget system requirements of this section. The
5788 State Board of Community College exclusively retains the review
5789 and approval powers of this section for Florida Community
5790 College System institutions. The Board of Governors exclusively
5791 retains the review and approval powers of this section for state
5792 universities.

5793 Section 93. Section 1011.011, Florida Statutes, is amended
5794 to read:

5795 1011.011 Legislative capital outlay budget request.—The
5796 State Board of Education shall submit an integrated,
5797 comprehensive budget request for educational facilities
5798 construction and fixed capital outlay needs for school
5799 districts, and, in conjunction with the State Board of Community
5800 Colleges for Florida Community College System institutions, ~~and~~
5801 ~~in conjunction~~ with the Board of Governors for state
5802 universities, pursuant to this section and s. 1013.46 and

Page 200 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5803 applicable provisions of chapter 216.

5804 Section 94. Section 1011.30, Florida Statutes, is amended
5805 to read:

5806 1011.30 Budgets for Florida Community College System
5807 institutions.—Each Florida Community College System institution
5808 president shall recommend to the Florida Community College
5809 System institution board of trustees a budget of income and
5810 expenditures at such time and in such form as the State Board of
5811 Community Colleges ~~Education~~ may prescribe. Upon approval of a
5812 budget by the Florida Community College System institution board
5813 of trustees, such budget ~~must shall~~ be transmitted to the State
5814 Board of Community Colleges ~~Department of Education~~ for review.
5815 Rules of the State Board of Community Colleges ~~must Education~~
5816 ~~shall~~ prescribe procedures for effecting budget amendments
5817 subsequent to the final approval of a budget for a given year.

5818 Section 95. Section 1011.32, Florida Statutes, is amended
5819 to read:

5820 1011.32 Florida Community College System Institution
5821 Facility Enhancement Challenge Grant Program.—

5822 (1) The Legislature recognizes that ~~the~~ Florida Community
5823 College System institutions do not have sufficient physical
5824 facilities to meet the current demands of their instructional
5825 and community programs. It further recognizes that, to
5826 strengthen and enhance Florida Community College System
5827 institutions, it is necessary to provide facilities in addition
5828 to those currently available from existing revenue sources. It
5829 further recognizes that there are sources of private support
5830 that, if matched with state support, can assist in constructing
5831 much needed facilities and strengthen the commitment of citizens

Page 201 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5832 and organizations in promoting excellence at each Florida
5833 Community College System institution. Therefore, it is the
5834 intent of the Legislature to establish a program to provide the
5835 opportunity for each Florida Community College System
5836 institution through its direct-support organization to receive
5837 and match challenge grants for instructional and community-
5838 related capital facilities within the Florida Community College
5839 System institution.

5840 (2) There is established the Florida Community College
5841 System Institution Facility Enhancement Challenge Grant Program
5842 for the purpose of assisting the Florida Community College
5843 System institutions in building high priority instructional and
5844 community-related capital facilities consistent with s. 1004.65,
5845 including common areas connecting such facilities. The direct-
5846 support organizations that serve the Florida Community College
5847 System institutions shall solicit gifts from private sources to
5848 provide matching funds for capital facilities. For the purposes
5849 of this section, private sources of funds shall not include any
5850 federal or state government funds that a Florida Community
5851 College System institution may receive.

5852 (3) The Florida Community College System Institution
5853 Capital Facilities Matching Program shall provide funds to match
5854 private contributions for the development of high priority
5855 instructional and community-related capital facilities,
5856 including common areas connecting such facilities, within the
5857 Florida Community College System institutions.

5858 (4) Within the direct-support organization of each Florida
5859 Community College System institution there must be established a
5860 separate capital facilities matching account for the purpose of

Page 202 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5861 providing matching funds from the direct-support organization's
 5862 unrestricted donations or other private contributions for the
 5863 development of high priority instructional and community-related
 5864 capital facilities, including common areas connecting such
 5865 facilities. The Legislature shall appropriate funds for
 5866 distribution to a Florida Community College System institution
 5867 after matching funds are certified by the direct-support
 5868 organization and Florida Community College System institution.
 5869 The Public Education Capital Outlay and Debt Service Trust Fund
 5870 shall not be used as the source of the state match for private
 5871 contributions.

5872 (5) A project may not be initiated unless all private funds
 5873 for planning, construction, and equipping the facility have been
 5874 received and deposited in the direct-support organization's
 5875 matching account for this purpose. However, this requirement
 5876 does not preclude the Florida Community College System
 5877 institution or direct-support organization from expending
 5878 available funds from private sources to develop a prospectus,
 5879 including preliminary architectural schematics or models, for
 5880 use in its efforts to raise private funds for a facility and for
 5881 site preparation, planning, and construction. The Legislature
 5882 may appropriate the state's matching funds in one or more fiscal
 5883 years for the planning, construction, and equipping of an
 5884 eligible facility. Each Florida Community College System
 5885 institution shall notify all donors of private funds of a
 5886 substantial delay in the availability of state matching funds
 5887 for this program.

5888 (6) To be eligible to participate in the Florida Community
 5889 College System Institution Facility Enhancement Challenge Grant

Page 203 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5890 Program, a Florida Community College System institution, through
 5891 its direct-support organization, shall raise a contribution
 5892 equal to one-half of the total cost of a facilities construction
 5893 project from private sources which shall be matched by a state
 5894 appropriation equal to the amount raised for a facilities
 5895 construction project, subject to the General Appropriations Act.

5896 (7) If the state's share of the required match is
 5897 insufficient to meet the requirements of subsection (6), the
 5898 Florida Community College System institution shall renegotiate
 5899 the terms of the contribution with the donors. If the project is
 5900 terminated, each private donation, plus accrued interest,
 5901 reverts to the direct-support organization for remittance to the
 5902 donor.

5903 (8) By October 15 of each year, the State Board of
 5904 Community Colleges ~~Education~~ shall transmit to the Governor and
 5905 the Legislature a list of projects that meet all eligibility
 5906 requirements to participate in the Florida Community College
 5907 System Institution Facility Enhancement Challenge Grant Program
 5908 and a budget request that includes the recommended schedule
 5909 necessary to complete each project.

5910 (9) In order for a project to be eligible under this
 5911 program, it must be survey recommended under the provisions of
 5912 s. 1013.31 and included in the Florida Community College System
 5913 institution's 5-year capital improvement plan, and it must
 5914 receive approval from the State Board of Community Colleges
 5915 ~~Education~~ or the Legislature.

5916 (10) A Florida Community College System institution project
 5917 may not be removed from the approved 3-year PECO priority list
 5918 because of its successful participation in this program until

Page 204 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5919 approved by the Legislature and provided for in the General
5920 Appropriations Act. When such a project is completed and removed
5921 from the list, all other projects shall move up on the 3-year
5922 PECO priority list.

5923 (11) Any private matching funds for a project which are
5924 unexpended after the project is completed shall revert to the
5925 Florida Community College System institution's direct-support
5926 organization capital facilities matching account. The balance of
5927 any unexpended state matching funds shall be returned to the
5928 fund from which those funds were appropriated.

5929 (12) The surveys, architectural plans, facility, and
5930 equipment shall be the property of the participating Florida
5931 Community College System institution. A facility constructed
5932 under this section may be named in honor of a donor at the
5933 option of the Florida Community College System institution
5934 district board of trustees. A facility may not be named after a
5935 living person without prior approval by the State Board of
5936 Community Colleges Education.

5937 (13) Effective July 1, 2011, state matching funds are
5938 temporarily suspended for donations received for the program on
5939 or after June 30, 2011. Existing eligible donations remain
5940 eligible for future matching funds. The program may be restarted
5941 after \$200 million of the backlog for programs under this
5942 section and ss. 1011.85, 1011.94, and 1013.79 have been matched.

5943 Section 96. Subsection (2), paragraph (b) of subsection
5944 (5), and subsections (8), (9), and (11) of section 1011.80,
5945 Florida Statutes, are amended to read:

5946 1011.80 Funds for operation of workforce education
5947 programs.—

Page 205 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

5948 (2) Any workforce education program may be conducted by a
5949 Florida Community College System institution or a school
5950 district, except that college credit in an associate in applied
5951 science or an associate in science degree may be awarded only by
5952 a Florida Community College System institution. However, if an
5953 associate in applied science or an associate in science degree
5954 program contains within it an occupational completion point that
5955 confers a certificate or an applied technology diploma, that
5956 portion of the program may be conducted by a school district
5957 career center. Any instruction designed to articulate to a
5958 degree program is subject to guidelines and standards adopted by
5959 the State Board of Community Colleges Education pursuant to s.
5960 1007.25.

5961 (5) State funding and student fees for workforce education
5962 instruction shall be established as follows:

5963 (b) For all other workforce education programs, state
5964 funding shall equal 75 percent of the average cost of
5965 instruction with the remaining 25 percent made up from student
5966 fees. Fees for courses within a program shall not vary according
5967 to the cost of the individual program, but instead shall be
5968 based on a uniform fee calculated and set at the state level, as
5969 adopted by the State Board of Education, for school districts
5970 and the State Board of Community Colleges, for Florida Community
5971 College System institutions, unless otherwise specified in the
5972 General Appropriations Act.

5973 (8) The State Board of Education, the State Board of
5974 Community Colleges, and CareerSource Florida, Inc., shall
5975 provide the Legislature with recommended formulas, criteria,
5976 timeframes, and mechanisms for distributing performance funds.

Page 206 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

5977 The commissioner shall consolidate the recommendations and
 5978 develop a consensus proposal for funding. The Legislature shall
 5979 adopt a formula and distribute the performance funds to the
 5980 State Board of ~~Community Colleges Education~~ for Florida
 5981 Community College System institutions and to the State Board of
 5982 Education for school districts through the General
 5983 Appropriations Act. These recommendations shall be based on
 5984 formulas that would discourage low-performing or low-demand
 5985 programs and encourage through performance-funding awards:

5986 (a) Programs that prepare people to enter high-wage
 5987 occupations identified by the Workforce Estimating Conference
 5988 created by s. 216.136 and other programs as approved by
 5989 CareerSource Florida, Inc. At a minimum, performance incentives
 5990 shall be calculated for adults who reach completion points or
 5991 complete programs that lead to specified high-wage employment
 5992 and to their placement in that employment.

5993 (b) Programs that successfully prepare adults who are
 5994 eligible for public assistance, economically disadvantaged,
 5995 disabled, not proficient in English, or dislocated workers for
 5996 high-wage occupations. At a minimum, performance incentives
 5997 shall be calculated at an enhanced value for the completion of
 5998 adults identified in this paragraph and job placement of such
 5999 adults upon completion. In addition, adjustments may be made in
 6000 payments for job placements for areas of high unemployment.

6001 (c) Programs that are specifically designed to be
 6002 consistent with the workforce needs of private enterprise and
 6003 regional economic development strategies, as defined in
 6004 guidelines set by CareerSource Florida, Inc. CareerSource
 6005 Florida, Inc., shall develop guidelines to identify such needs

Page 207 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6006 and strategies based on localized research of private employers
 6007 and economic development practitioners.

6008 (d) Programs identified by CareerSource Florida, Inc., as
 6009 increasing the effectiveness and cost efficiency of education.

6010 (9) School districts shall report full-time equivalent
 6011 students by discipline category for the programs specified in
 6012 subsection (1). There shall be an annual cost analysis for the
 6013 school district workforce education programs that reports cost
 6014 by discipline category consistent with the reporting for full-
 6015 time equivalent students. The annual financial reports submitted
 6016 by the school districts must accurately report on the student
 6017 fee revenues by fee type according to the programs specified in
 6018 subsection (1). The Department of Education and the State Board
 6019 of Community Colleges shall develop a plan for comparable
 6020 reporting of program, student, facility, personnel, and
 6021 financial data between the Florida Community College System
 6022 institutions and the school district workforce education
 6023 programs.

6024 (11) The State Board of Education and the State Board of
 6025 Community Colleges may adopt rules to administer this section.

6026 Section 97. Section 1011.801, Florida Statutes, is amended
 6027 to read:

6028 1011.801 Workforce Development Capitalization Incentive
 6029 Grant Program.—The Legislature recognizes that the need for
 6030 school districts and Florida Community College System
 6031 institutions to be able to respond to emerging local or
 6032 statewide economic development needs is critical to the
 6033 workforce development system. The Workforce Development
 6034 Capitalization Incentive Grant Program is created to provide

Page 208 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

6035 grants to school districts and Florida Community College System
 6036 institutions on a competitive basis to fund some or all of the
 6037 costs associated with the creation or expansion of workforce
 6038 development programs that serve specific employment workforce
 6039 needs.

6040 (1) Funds awarded for a workforce development
 6041 capitalization incentive grant may be used for instructional
 6042 equipment, laboratory equipment, supplies, personnel, student
 6043 services, or other expenses associated with the creation or
 6044 expansion of a workforce development program. Expansion of a
 6045 program may include either the expansion of enrollments in a
 6046 program or expansion into new areas of specialization within a
 6047 program. No grant funds may be used for recurring instructional
 6048 costs or for institutions' indirect costs.

6049 (2) The State Board of Education shall accept applications
 6050 from school districts, and the State Board of Community Colleges
 6051 shall accept applications from ~~or~~ Florida Community College
 6052 System institutions, for workforce development capitalization
 6053 incentive grants. Applications from school districts or Florida
 6054 Community College System institutions must ~~shall~~ contain
 6055 projected enrollments and projected costs for the new or
 6056 expanded workforce development program. The State Board of
 6057 Education or the State Board of Community Colleges, as
 6058 appropriate, in consultation with CareerSource Florida, Inc.,
 6059 shall review and rank each application for a grant according to
 6060 subsection (3) and shall submit to the Legislature a list in
 6061 priority order of applications recommended for a grant award.

6062 (3) The State Board of Education or the State Board of
 6063 Community Colleges, as appropriate, shall give highest priority

Page 209 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

6064 to programs that train people to enter high-skill, high-wage
 6065 occupations identified by the Workforce Estimating Conference
 6066 and other programs approved by CareerSource Florida, Inc. ;
 6067 programs that train people to enter occupations under the
 6068 welfare transition program; or programs that train for the
 6069 workforce adults who are eligible for public assistance,
 6070 economically disadvantaged, disabled, not proficient in English,
 6071 or dislocated workers. The State Board of Education or the State
 6072 Board of Community Colleges, as appropriate, shall consider the
 6073 statewide geographic dispersion of grant funds in ranking the
 6074 applications and shall give priority to applications from
 6075 education agencies that are making maximum use of their
 6076 workforce development funding by offering high-performing, high-
 6077 demand programs.

6078 Section 98. Section 1011.81, Florida Statutes, is amended
 6079 to read:

6080 1011.81 Florida Community College System Program Fund.—

6081 (1) There is established a Florida Community College System
 6082 Program Fund. This fund shall comprise all appropriations made
 6083 by the Legislature for the support of the current operating
 6084 program and shall be apportioned and distributed to the Florida
 6085 Community College System institution districts of the state on
 6086 the basis of procedures established by law and rules of the
 6087 State Board of Education. The annual apportionment for each
 6088 Florida Community College System institution district shall be
 6089 distributed monthly in payments as nearly equal as possible.

6090 (2) Performance funding for industry certifications for
 6091 Florida Community College System institutions is contingent upon
 6092 specific appropriation in the General Appropriations Act and

Page 210 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6093 shall be determined as follows:

6094 (a) Occupational areas for which industry certifications
6095 may be earned, as established in the General Appropriations Act,
6096 are eligible for performance funding. Priority shall be given to
6097 the occupational areas emphasized in state, national, or
6098 corporate grants provided to Florida educational institutions.

6099 (b) The Chancellor of the Florida Community College System,
6100 for the Florida Community College System institutions, shall
6101 identify the industry certifications eligible for funding on the
6102 CAPE Postsecondary Industry Certification Funding List approved
6103 by the State Board of Community Colleges Education pursuant to
6104 s. 1008.44, based on the occupational areas specified in the
6105 General Appropriations Act.

6106 (c) Each Florida Community College System institution shall
6107 be provided \$1,000 for each industry certification earned by a
6108 student. The maximum amount of funding appropriated for
6109 performance funding pursuant to this subsection shall be limited
6110 to \$15 million annually. If funds are insufficient to fully fund
6111 the calculated total award, such funds shall be prorated.

6112 (3) None of the funds made available in the Florida
6113 Community College System Program Fund, or funds made available
6114 to Florida Community College System institutions outside the
6115 Florida Community College System Program Fund, may be used to
6116 implement, organize, direct, coordinate, or administer, or to
6117 support the implementation, organization, direction,
6118 coordination, or administration of, activities related to, or
6119 involving, travel to a terrorist state. For purposes of this
6120 section, "terrorist state" is defined as any state, country, or
6121 nation designated by the United States Department of State as a

Page 211 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6122 state sponsor of terrorism.

6123 (4) State funds provided for the Florida Community College
6124 System Program Fund may not be expended for the education of
6125 state or federal inmates.

6126 Section 99. Section 1011.82, Florida Statutes, is amended
6127 to read:

6128 1011.82 Requirements for participation in Florida Community
6129 College System Program Fund.—Each Florida Community College
6130 System institution district which participates in the state
6131 appropriations for the Florida Community College System Program
6132 Fund shall provide evidence of its effort to maintain an
6133 adequate Florida Community College System institution program
6134 which shall:

6135 (1) Meet the minimum standards prescribed by the State
6136 Board of Community Colleges Education in accordance with s.
6137 1001.602(5) e. ~~1001.02(6)~~.

6138 (2) Effectively fulfill the mission of the Florida
6139 Community College System institutions in accordance with s.
6140 1004.65.

6141 Section 100. Section 1011.83, Florida Statutes, is amended
6142 to read:

6143 1011.83 Financial support of Florida Community College
6144 System institutions.—

6145 (1) Each Florida Community College System institution that
6146 ~~has been approved by the Department of Education and~~ meets the
6147 requirements of law and rules of the State Board of Community
6148 Colleges Education shall participate in the Florida Community
6149 College System Program Fund. However, funds to support workforce
6150 education programs conducted by Florida Community College System

Page 212 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6151 institutions shall be provided pursuant to s. 1011.80.

6152 (2) A student in a baccalaureate degree program approved
6153 pursuant to s. 1007.33 who is not classified as a resident for
6154 tuition purposes pursuant to s. 1009.21 may not be included in
6155 calculations of full-time equivalent enrollments for state
6156 funding purposes.

6157 Section 101. Section 1011.84, Florida Statutes, is amended
6158 to read:

6159 1011.84 Procedure for determining state financial support
6160 and annual apportionment of state funds to each Florida
6161 Community College System institution district.—The procedure for
6162 determining state financial support and the annual apportionment
6163 to each Florida Community College System institution district
6164 authorized to operate a Florida Community College System
6165 institution under the provisions of s. 1001.61 shall be as
6166 follows:

6167 (1) DETERMINING THE AMOUNT TO BE INCLUDED IN THE FLORIDA
6168 COMMUNITY COLLEGE SYSTEM PROGRAM FUND FOR THE CURRENT OPERATING
6169 PROGRAM.—

6170 (a) The State Board of Community Colleges ~~Department of~~
6171 ~~Education~~ shall determine annually, from an analysis of
6172 operating costs, ~~prepared in the manner prescribed by rules of~~
6173 ~~the State Board of Education,~~ the costs per full-time equivalent
6174 student served in courses and fields of study offered in Florida
6175 Community College System institutions. This information and
6176 current college operating budgets shall be submitted to the
6177 Executive Office of the Governor with the legislative budget
6178 request prior to each regular session of the Legislature.

6179 (b) The allocation of funds for Florida Community College

Page 213 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6180 System institutions must ~~shall~~ be based on advanced and
6181 professional disciplines, developmental education, and other
6182 programs for adults funded pursuant to s. 1011.80.

6183 (c) The category of lifelong learning is for students
6184 enrolled pursuant to s. 1004.93. A student shall also be
6185 reported as a lifelong learning student for his or her
6186 enrollment in any course that he or she has previously taken,
6187 unless it is a credit course in which the student earned a grade
6188 of D or F.

6189 (d) If an adult student has been determined to be a
6190 disabled student eligible for an approved educational program
6191 for disabled adults provided pursuant to s. 1004.93 and rules of
6192 the State Board of Community Colleges ~~Education~~ and is enrolled
6193 in a class with curriculum frameworks developed for the program,
6194 state funding for that student shall be provided at a level
6195 double that of a student enrolled in a special adult general
6196 education program provided by a Florida Community College System
6197 institution.

6198 (e) All state inmate education provided by Florida
6199 Community College System institutions shall be reported by
6200 program, FTE expenditure, and revenue source. These enrollments,
6201 expenditures, and revenues shall be reported and projected
6202 separately. Instruction of state inmates may ~~shall~~ not be
6203 included in the full-time equivalent student enrollment for
6204 funding through the Florida Community College System Program
6205 Fund.

6206 (f) When a public educational institution has been fully
6207 funded by an external agency for direct instructional costs of
6208 any course or program, the FTE generated may ~~shall~~ not be

Page 214 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6209 reported for state funding.

6210 (g) The State Board of Education shall adopt rules to
 6211 implement s. 9(d)(8)f., Art. XII of the State Constitution.
 6212 These rules shall provide for the use of the funds available
 6213 under s. 9(d)(8)f., Art. XII by an individual Florida Community
 6214 College System institution for operating expense in any fiscal
 6215 year during which the State Board of Education has determined
 6216 that all major capital outlay needs have been met. Highest
 6217 priority for the use of these funds for purposes other than
 6218 financing approved capital outlay projects shall be for the
 6219 proper maintenance and repair of existing facilities for
 6220 projects approved by the State Board of Education. However, in
 6221 any fiscal year in which funds from this source are authorized
 6222 for operating expense other than approved maintenance and repair
 6223 projects, the allocation of Florida Community College System
 6224 institution program funds shall be reduced by an amount equal to
 6225 the sum used for such operating expense for that Florida
 6226 Community College System institution that year, and that amount
 6227 shall not be released or allocated among the other Florida
 6228 Community College System institutions that year.

6229 (2) DETERMINING THE AMOUNT TO BE INCLUDED FOR CAPITAL
 6230 OUTLAY AND DEBT SERVICE.—The amount included for capital outlay
 6231 and debt service shall be as determined and provided in s. 18,
 6232 Art. XII of the State Constitution of 1885, as adopted by s.
 6233 9(d), Art. XII of the 1968 revised State Constitution and State
 6234 Board of Education rules.

6235 (3) DETERMINING THE APPORTIONMENT FROM STATE FUNDS.—

6236 (a) By December 15 of each year, the State Board of
 6237 Community Colleges ~~Department of Education~~ shall estimate the

Page 215 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6238 annual enrollment of each Florida Community College System
 6239 institution for the current fiscal year and for the 3 subsequent
 6240 fiscal years. These estimates shall be based upon prior years'
 6241 enrollments, upon the initial fall term enrollments for the
 6242 current fiscal year for each college, and upon each college's
 6243 estimated current enrollment and demographic changes in the
 6244 respective Florida Community College System institution
 6245 districts. Upper-division enrollment shall be estimated
 6246 separately from lower-division enrollment.

6247 (b) The apportionment to each Florida Community College
 6248 System institution from the Florida Community College System
 6249 Program Fund shall be determined annually in the General
 6250 Appropriations Act. In determining each college's apportionment,
 6251 the Legislature shall consider the following components:

6252 1. Base budget, which includes the state appropriation to
 6253 the Florida Community College System Program Fund in the current
 6254 year plus the related student tuition and out-of-state fees
 6255 assigned in the current General Appropriations Act.

6256 2. The cost-to-continue allocation, which consists of
 6257 incremental changes to the base budget, including salaries,
 6258 price levels, and other related costs allocated through a
 6259 funding model approved by the Legislature which may recognize
 6260 differing economic factors arising from the individual
 6261 educational approaches of the various Florida Community College
 6262 System institutions, including, but not limited to:

6263 a. Direct Instructional Funding, including class size,
 6264 faculty productivity factors, average faculty salary, ratio of
 6265 full-time to part-time faculty, costs of programs, and
 6266 enrollment factors.

Page 216 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

6267 b. Academic Support, including small colleges factor,
6268 multicampus factor, and enrollment factor.

6269 c. Student Services Support, including headcount of
6270 students as well as FTE count and enrollment factors.

6271 d. Library Support, including volume and other
6272 materials/audiovisual requirements.

6273 e. Special Projects.

6274 f. Operations and Maintenance of Plant, including square
6275 footage and utilization factors.

6276 g. District Cost Differential.

6277 3. Students enrolled in a recreation and leisure program
6278 and students enrolled in a lifelong learning program who may not
6279 be counted as full-time equivalent enrollments for purposes of
6280 enrollment workload adjustments.

6281 4. Operating costs of new facilities adjustments, which
6282 shall be provided, from funds available, for each new facility
6283 that is owned by the college and is recommended in accordance
6284 with s. 1013.31.

6285 5. New and improved program enhancements, which shall be
6286 determined by the Legislature.

6287 Student fees in the base budget plus student fee revenues
6288 generated by increases in fee rates shall be deducted from the
6289 sum of the components determined in subparagraphs 1.-5. The
6290 amount remaining shall be the net annual state apportionment to
6291 each college.

6292 (c) ~~A No~~ Florida Community College System institution may
6293 not shall commit funds for the employment of personnel or
6294 resources in excess of those required to continue the same level
6295

581-01712-17 2017374c1

6296 of support for either the previously approved enrollment or the
6297 revised enrollment, whichever is lower.

6298 (d) The apportionment to each Florida Community College
6299 System institution district for capital outlay and debt service
6300 shall be the amount determined in accordance with subsection
6301 (2). This amount, less any amount determined as necessary for
6302 administrative expense by the State Board of Education and any
6303 amount necessary for debt service on bonds issued by the State
6304 Board of Education, shall be transmitted to the Florida
6305 Community College System institution board of trustees to be
6306 expended in a manner prescribed by rules of the State Board of
6307 Education.

6308 (e) If at any time the unencumbered balance in the general
6309 fund of the Florida Community College System institution board
6310 of trustees approved operating budget goes below 5 percent, the
6311 president shall provide written notification to the State Board
6312 of Education.

6313 (f) Expenditures for apprenticeship programs must shall be
6314 reported separately.

6315 (g) Expenditures for upper-division enrollment in a Florida
6316 Community College System institution that grants baccalaureate
6317 degrees must shall be reported separately from expenditures for
6318 lower-division enrollment, in accordance with law and State
6319 Board of Education rule.

6320 (4) EXPENDITURE OF ALLOCATED FUNDS.—Any funds allocated
6321 herein to any Florida Community College System institution must
6322 shall be expended only for the purpose of supporting that
6323 Florida Community College System institution.

6324 (5) REPORT OF DEVELOPMENTAL EDUCATION.—Each Florida

581-01712-17 2017374c1

6325 Community College System institution board of trustees shall
 6326 report, as a separate item in its annual cost accounting system,
 6327 the volume and cost of developmental education options provided
 6328 to help students attain the communication and computation skills
 6329 that are essential for college-level work pursuant to s.
 6330 1008.30.

6331 Section 102. Section 1011.85, Florida Statutes, is amended
 6332 to read:

6333 1011.85 Dr. Philip Benjamin Matching Grant Program for
 6334 Florida Community College System Institutions.-

6335 (1) There is created the Dr. Philip Benjamin Matching Grant
 6336 Program for Florida Community College System Institutions as a
 6337 single matching gifts program that encompasses the goals
 6338 originally set out in the Academic Improvement Program, the
 6339 Scholarship Matching Program, and the Health Care Education
 6340 Quality Enhancement Challenge Grant. The program shall be
 6341 administered according to rules of the State Board of Community
 6342 Colleges Education and used to encourage private support in
 6343 enhancing Florida Community College System institutions by
 6344 providing the Florida Community College System with the
 6345 opportunity to receive and match challenge grants. Funds
 6346 received prior to the effective date of this act for each of the
 6347 three programs shall be retained in the separate account for
 6348 which it was designated.

6349 (2) Each Florida Community College System institution board
 6350 of trustees receiving state appropriations under this program
 6351 shall approve each gift to ensure alignment with the unique
 6352 mission of the Florida Community College System institution. The
 6353 board of trustees must link all requests for a state match to

Page 219 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

6354 the goals and mission statement. The Florida Community College
 6355 System Institution Foundation Board receiving state
 6356 appropriations under this program shall approve each gift to
 6357 ensure alignment with its goals and mission statement. Funds
 6358 received from community events and festivals are not eligible
 6359 for state matching funds under this program.

6360 (3) Upon approval by the Florida Community College System
 6361 institution board of trustees and the State Board of Community
 6362 Colleges Education, the ordering of donations for priority
 6363 listing of unmatched gifts should be determined by the
 6364 submitting Florida Community College System institution.

6365 (4) Each year, eligible contributions received by a Florida
 6366 Community College System institution's foundation or the State
 6367 Board of Community Colleges Education by February 1 shall be
 6368 eligible for state matching funds.

6369 (a) Each Florida Community College System institution board
 6370 of trustees and, when applicable, the Florida Community College
 6371 System Institution Foundation Board, receiving state
 6372 appropriations under this program shall also certify in an
 6373 annual report to the State Board of Community Colleges Education
 6374 the receipt of eligible cash contributions that were previously
 6375 unmatched by the state. The State Board of Education shall adopt
 6376 rules providing all Florida Community College System
 6377 institutions with an opportunity to apply for excess funds
 6378 before the awarding of such funds.

6379 (b) Florida Community College System institutions must
 6380 submit to the State Board of Community Colleges Education an
 6381 annual expenditure report tracking the use of all matching
 6382 funds.

Page 220 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6383 (c) The audit of each foundation receiving state funds from
6384 this program must include a certification of accuracy in the
6385 amount reported for matching funds.

6386 (5) The matching ratio for donations that are specifically
6387 designated to support scholarships, including scholarships for
6388 first-generation-in-college students, student loans, or need-
6389 based grants shall be \$1 of state funds to \$1 of local private
6390 funds.

6391 (6) Otherwise, funds ~~must shall~~ be proportionately
6392 allocated to the Florida Community College System institutions
6393 on the basis of matching each \$6 of local or private funds with
6394 \$4 of state funds. To be eligible, a minimum of \$4,500 must be
6395 raised from private sources.

6396 (7) The Florida Community College System institution board
6397 of trustees, in conjunction with the donor, shall determine ~~make~~
6398 ~~the determination of~~ whether scholarships established pursuant
6399 to this program are endowed.

6400 (8) (a) Funds sufficient to provide the match shall be
6401 transferred from the state appropriations to the local Florida
6402 Community College System institution foundation or the statewide
6403 Florida Community College System institution foundation upon
6404 notification that a proportionate amount has been received and
6405 deposited by a Florida Community College System institution in
6406 its own trust fund.

6407 (b) If state funds appropriated for the program are
6408 insufficient to match contributions, the amount allocated must
6409 ~~shall~~ be reduced in proportion to its share of the total
6410 eligible contributions. However, in making proportional
6411 reductions, every Florida Community College System institution

Page 221 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6412 shall receive a minimum of \$75,000 in state matching funds if
6413 its eligible contributions would have generated an amount at
6414 least equal to \$75,000. All unmet contributions ~~must shall~~ be
6415 eligible for state matching funds in subsequent fiscal years.

6416 (9) Each Florida Community College System institution
6417 entity shall establish its own matching grant program fund as a
6418 depository for the private contributions and matching state
6419 funds provided under this section. Florida Community College
6420 System institution foundations are responsible for the
6421 maintenance, investment, and administration of their matching
6422 grant program funds.

6423 (10) The State Board of Community Colleges ~~Education~~ may
6424 receive submissions of requests for matching funds and
6425 documentation relating to those requests, may approve requests
6426 for matching funds, and may allocate such funds to the Florida
6427 Community College System institutions.

6428 (11) The board of trustees of the Florida Community College
6429 System institution and the State Board of Community Colleges
6430 ~~Education~~ are responsible for determining the uses for the
6431 proceeds of their respective trust funds. Such use of the
6432 proceeds shall include, but not be limited to, expenditure of
6433 the funds for:

6434 (a) Scientific and technical equipment.

6435 (b) Scholarships, loans, or need-based grants.

6436 (c) Other activities that will benefit future students as
6437 well as students currently enrolled at the Florida Community
6438 College System institution, will improve the quality of
6439 education at the Florida Community College System institution,
6440 or will enhance economic development in the community.

Page 222 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6441 (12) Each Florida Community College System institution
 6442 shall notify all donors of private funds of a substantial delay
 6443 in the availability of state matching funds for this program.

6444 (13) Effective July 1, 2011, state matching funds are
 6445 temporarily suspended for donations received for this program on
 6446 or after June 30, 2011. Existing eligible donations remain
 6447 eligible for future matching funds. The program may be restarted
 6448 after \$200 million of the backlog for programs under this
 6449 section and ss. 1011.32, 1011.94, and 1013.79 have been matched.

6450 Section 103. Subsection (1) of section 1012.01, Florida
 6451 Statutes, is amended to read:

6452 1012.01 Definitions.—As used in this chapter, the following
 6453 terms have the following meanings:

6454 (1) SCHOOL OFFICERS.—The officers of the state system of
 6455 public K-12 ~~and Florida College System institution~~ education
 6456 shall be the Commissioner of Education and the members of the
 6457 State Board of Education; for the Florida Community College
 6458 System, the officers shall be the Chancellor of the Florida
 6459 Community College System and the members of the State Board of
 6460 Community Colleges; for each district school system, the
 6461 officers shall be the district school superintendent and members
 6462 of the district school board; and for each Florida Community
 6463 College System institution, the officers shall be the Florida
 6464 Community College System institution president and members of
 6465 the Florida Community College System institution board of
 6466 trustees.

6467 Section 104. Paragraph (a) of subsection (1) of section
 6468 1012.80, Florida Statutes, is amended to read:

6469 1012.80 Participation by employees in disruptive activities

Page 223 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6470 at public postsecondary educational institutions; penalties.—

6471 (1) (a) Any person who accepts the privilege extended by the
 6472 laws of this state of employment at any Florida Community
 6473 College System institution shall, by working at such
 6474 institution, be deemed to have given his or her consent to the
 6475 policies of that institution, the policies of the State Board of
 6476 Community Colleges Education, and the laws of this state. Such
 6477 policies shall include prohibition against disruptive activities
 6478 at Florida Community College System institutions.

6479 Section 105. Subsection (1) of section 1012.81, Florida
 6480 Statutes, is amended to read:

6481 1012.81 Personnel records.—

6482 (1) The State Board of Community Colleges Education shall
 6483 adopt rules prescribing the content and custody of limited-
 6484 access records that a Florida Community College System
 6485 institution may maintain on its employees. Limited-access
 6486 employee records are confidential and exempt from ~~the provisions~~
 6487 ~~of~~ s. 119.07(1). Limited-access records include only the
 6488 following:

6489 (a) Records containing information reflecting academic
 6490 evaluations of employee performance; however, the employee and
 6491 officials of the institution responsible for supervision of the
 6492 employee shall have access to such records.

6493 (b) Records maintained for the purposes of any
 6494 investigation of employee misconduct, including, but not limited
 6495 to, a complaint against an employee and all information obtained
 6496 pursuant to the investigation of such complaint; however, these
 6497 records become public after the investigation ceases to be
 6498 active or when the institution provides written notice to the

Page 224 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6499 employee who is the subject of the complaint that the
6500 institution has either:

- 6501 1. Concluded the investigation with a finding not to
- 6502 proceed with disciplinary action;
- 6503 2. Concluded the investigation with a finding to proceed
- 6504 with disciplinary action; or
- 6505 3. Issued a letter of discipline.

6506
6507 For the purpose of this paragraph, an investigation shall be
6508 considered active as long as it is continuing with a reasonable,
6509 good faith anticipation that a finding will be made in the
6510 foreseeable future. An investigation shall be presumed to be
6511 inactive if no finding is made within 90 days after the
6512 complaint is filed.

6513 Section 106. Subsection (1) of section 1012.83, Florida
6514 Statutes, is amended to read:

6515 1012.83 Contracts with administrative and instructional
6516 staff.—

6517 (1) Each person employed in an administrative or
6518 instructional capacity in a Florida Community College System
6519 institution shall be entitled to a contract as provided by rules
6520 of the State Board of Community Colleges ~~Education~~.

6521 Section 107. Section 1012.855, Florida Statutes, is amended
6522 to read:

6523 1012.855 Employment of Florida Community College System
6524 institution personnel; discrimination in granting salary
6525 prohibited.—

6526 (1) (a) Employment of all personnel in each Florida
6527 Community College System institution shall be upon

Page 225 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6528 recommendation of the president, subject to rejection for cause
6529 by the Florida Community College System institution board of
6530 trustees; to the rules of the State Board of Community Colleges
6531 ~~Education~~ relative to certification, tenure, leaves of absence
6532 of all types, including sabbaticals, remuneration, and such
6533 other conditions of employment as the State Board of Community
6534 Colleges ~~Education~~ deems necessary and proper; and to policies
6535 of the Florida Community College System institution board of
6536 trustees not inconsistent with law.

6537 (b) Any internal auditor employed by a Florida Community
6538 College System institution shall be hired by the Florida
6539 Community College System institution board of trustees and shall
6540 report directly to the board.

6541 (2) Each Florida Community College System institution board
6542 of trustees shall undertake a program to eradicate any
6543 discrimination on the basis of gender, race, or physical
6544 handicap in the granting of salaries to employees.

6545 Section 108. Section 1012.86, Florida Statutes, is amended
6546 to read:

6547 1012.86 Florida Community College System institution
6548 employment equity accountability program.—

6549 (1) Each Florida Community College System institution shall
6550 include in its annual equity update a plan for increasing the
6551 representation of women and minorities in senior-level
6552 administrative positions and in full-time faculty positions, and
6553 for increasing the representation of women and minorities who
6554 have attained continuing-contract status. Positions shall be
6555 defined in the personnel data element directory of the
6556 Department of Education. The plan must include specific

Page 226 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6557 measurable goals and objectives, specific strategies and
 6558 timelines for accomplishing these goals and objectives, and
 6559 comparable national standards as provided by the Department of
 6560 Education. The goals and objectives shall be based on meeting or
 6561 exceeding comparable national standards and shall be reviewed
 6562 and recommended by the State Board of Community Colleges
 6563 ~~Education~~ as appropriate. Such plans shall be maintained until
 6564 appropriate representation has been achieved and maintained for
 6565 at least 3 consecutive reporting years.

6566 (2) (a) On or before May 1 of each year, each Florida
 6567 Community College System institution president shall submit an
 6568 annual employment accountability plan to the Chancellor of the
 6569 Florida Community College System and the State Board of
 6570 Community Colleges ~~Commissioner of Education and the State Board~~
 6571 ~~of Education~~. The accountability plan must show faculty and
 6572 administrator employment data according to requirements
 6573 specified on the federal Equal Employment Opportunity (EE0-6)
 6574 report.

6575 (b) The plan must show the following information for those
 6576 positions including, but not limited to:

- 6577 1. Job classification title.
- 6578 2. Gender.
- 6579 3. Ethnicity.
- 6580 4. Appointment status.
- 6581 5. Salary information. At each Florida Community College
 6582 System institution, salary information shall also include the
 6583 salary ranges in which new hires were employed compared to the
 6584 salary ranges for employees with comparable experience and
 6585 qualifications.

Page 227 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6586 6. Other comparative information including, but not limited
 6587 to, composite information regarding the total number of
 6588 positions within the particular job title classification for the
 6589 Florida Community College System institution by race, gender,
 6590 and salary range compared to the number of new hires.

6591 7. A statement certifying diversity and balance in the
 6592 gender and ethnic composition of the selection committee for
 6593 each vacancy, including a brief description of guidelines used
 6594 for ensuring balanced and diverse membership on selection and
 6595 review committees.

6596 (c) The annual employment accountability plan shall also
 6597 include an analysis and an assessment of the Florida Community
 6598 College System institution's attainment of annual goals and of
 6599 long-range goals for increasing the number of women and
 6600 minorities in faculty and senior-level administrative positions,
 6601 and a corrective action plan for addressing underrepresentation.

6602 (d) Each Florida Community College System institution's
 6603 employment accountability plan must also include:

- 6604 1. The requirements for receiving a continuing contract.
- 6605 2. A brief description of the process used to grant
 6606 continuing-contract status.
- 6607 3. A brief description of the process used to annually
 6608 apprise each eligible faculty member of progress toward
 6609 attainment of continuing-contract status.

6610 (3) Florida Community College System institution presidents
 6611 and the heads of each major administrative division shall be
 6612 evaluated annually on the progress made toward meeting the goals
 6613 and objectives of the Florida Community College System
 6614 institution's employment accountability plan.

Page 228 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6615 (a) The Florida Community College System institution
 6616 presidents, or the presidents' designees, shall annually
 6617 evaluate each department chairperson, dean, provost, and vice
 6618 president in achieving the annual and long-term goals and
 6619 objectives. A summary of the results of such evaluations shall
 6620 be reported annually by the Florida Community College System
 6621 institution president to the Florida Community College System
 6622 institution board of trustees. Annual budget allocations by the
 6623 Florida Community College System institution board of trustees
 6624 for positions and funding must take into consideration these
 6625 evaluations.

6626 (b) Florida Community College System institution boards of
 6627 trustees shall annually evaluate the performance of the Florida
 6628 Community College System institution presidents in achieving the
 6629 annual and long-term goals and objectives. A summary of the
 6630 results of such evaluations shall be reported to the State Board
 6631 of Community Colleges ~~Commissioner of Education and the State~~
 6632 ~~Board of Education~~ as part of the Florida Community College
 6633 System institution's annual employment accountability plan, and
 6634 to the Legislature as part of the annual equity progress report
 6635 submitted by the State Board of Community Colleges ~~Education~~.

6636 (4) The State Board of Community Colleges ~~Education~~ shall
 6637 submit an annual equity progress report to the President of the
 6638 Senate and the Speaker of the House of Representatives on or
 6639 before January 1 of each year.

6640 (5) Each Florida Community College System institution shall
 6641 develop a budgetary incentive plan to support and ensure
 6642 attainment of the goals developed pursuant to this section. The
 6643 plan shall specify, at a minimum, how resources shall be

Page 229 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6644 allocated to support the achievement of goals and the
 6645 implementation of strategies in a timely manner. After prior
 6646 review and approval by the Florida Community College System
 6647 institution president and the Florida Community College System
 6648 institution board of trustees, the plan shall be submitted as
 6649 part of the annual employment accountability plan submitted by
 6650 each Florida Community College System institution to the State
 6651 Board of Community Colleges ~~Education~~.

6652 (6) Subject to available funding, the Legislature shall
 6653 provide an annual appropriation to the State Board of Community
 6654 Colleges ~~Education~~ to be allocated to Florida Community College
 6655 System institution presidents, faculty, and administrative
 6656 personnel to further enhance equity initiatives and related
 6657 priorities that support the mission of colleges and departments
 6658 in recognition of the attainment of the equity goals and
 6659 objectives.

6660 Section 109. Subsection (3) of section 1013.01, Florida
 6661 Statutes, is amended to read:

6662 1013.01 Definitions.—The following terms shall be defined
 6663 as follows for the purpose of this chapter:

6664 (3) "Board," unless otherwise specified, means a district
 6665 school board, a Florida Community College System institution
 6666 board of trustees, a university board of trustees, and the Board
 6667 of Trustees for the Florida School for the Deaf and the Blind.
 6668 The term "board" does not include the State Board of Education,
 6669 ~~or~~ the Board of Governors, or the State Board of Community
 6670 Colleges.

6671 Section 110. Subsection (2) of section 1013.02, Florida
 6672 Statutes, is amended to read:

Page 230 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6673 1013.02 Purpose; rules and regulations.-

6674 (2) (a) The State Board of Education shall adopt rules
6675 pursuant to ss. 120.536(1) and 120.54 to implement ~~the~~
6676 ~~provisions of this chapter for school districts and Florida~~
6677 ~~College System institutions.~~

6678 (b) The Board of Governors shall adopt regulations pursuant
6679 to its regulation development procedure to implement ~~the~~
6680 ~~provisions of this chapter for state universities.~~

6681 (c) The State Board of Community Colleges shall adopt rules
6682 pursuant to ss. 120.536(1) and 120.54 to implement this chapter
6683 for Florida Community College System institutions.

6684 Section 111. Section 1013.03, Florida Statutes, is amended
6685 to read:

6686 1013.03 Functions of the department, the State Board of
6687 Community Colleges, and the Board of Governors.-The functions of
6688 the Department of Education as it pertains to educational
6689 facilities of school districts, of the State Board of Community
6690 Colleges as it pertains to educational facilities of ~~and~~ Florida
6691 Community College System institutions, and of the Board of
6692 Governors as it pertains to educational facilities of state
6693 universities shall include, but not be limited to, the
6694 following:

6695 (1) Establish recommended minimum and maximum square
6696 footage standards for different functions and areas and
6697 procedures for determining the gross square footage for each
6698 educational facility to be funded in whole or in part by the
6699 state, including public broadcasting stations but excluding
6700 postsecondary special purpose laboratory space. The gross square
6701 footage determination standards may be exceeded when the core

Page 231 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6702 facility space of an educational facility is constructed or
6703 renovated to accommodate the future addition of classrooms to
6704 meet projected increases in student enrollment. The department,
6705 the State Board of Community Colleges, and the Board of
6706 Governors shall encourage multiple use of facilities and spaces
6707 in educational plants.

6708 (2) Establish, for the purpose of determining need,
6709 equitably uniform utilization standards for all types of like
6710 space, regardless of the level of education. These standards
6711 shall also establish, for postsecondary education classrooms, a
6712 minimum room utilization rate of 40 hours per week and a minimum
6713 station utilization rate of 60 percent. These rates shall be
6714 subject to increase based on national norms for utilization of
6715 postsecondary education classrooms.

6716 (3) Require boards to submit other educational plant
6717 inventories data and statistical data or information relevant to
6718 construction, capital improvements, and related costs.

6719 (4) Require each board and other appropriate agencies to
6720 submit complete and accurate financial data as to the amounts of
6721 funds from all sources that are available and spent for
6722 construction and capital improvements. The commissioner shall
6723 prescribe the format and the date for the submission of this
6724 data and any other educational facilities data. If any district
6725 does not submit the required educational facilities fiscal data
6726 by the prescribed date, the Commissioner of Education shall
6727 notify the district school board of this fact and, if
6728 appropriate action is not taken to immediately submit the
6729 required report, the district school board shall be directed to
6730 proceed pursuant to s. 1001.42(13)(b). If any Florida Community

Page 232 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

6731 College System institution or university does not submit the
6732 required educational facilities fiscal data by the prescribed
6733 date, the same policy prescribed in this subsection for school
6734 districts shall be implemented.

6735 (5) Administer, under the supervision of the Commissioner
6736 of Education, the Public Education Capital Outlay and Debt
6737 Service Trust Fund and the School District and Community College
6738 District Capital Outlay and Debt Service Trust Fund.

6739 (6) Develop, review, update, revise, and recommend a
6740 mandatory portion of the Florida Building Code for educational
6741 facilities construction and capital improvement by Florida
6742 Community College System institution boards and district school
6743 boards.

6744 (7) Provide training, technical assistance, and building
6745 code interpretation for requirements of the mandatory Florida
6746 Building Code for the educational facilities construction and
6747 capital improvement programs of ~~the Florida College System~~
6748 ~~institution boards and district school boards and~~, upon request,
6749 approve phase III construction documents for remodeling,
6750 renovation, or new construction of educational plants or
6751 ancillary facilities, except that Florida Community College
6752 System institutions and university boards of trustees shall
6753 approve specifications and construction documents for their
6754 respective institutions pursuant to guidelines of the Board of
6755 Governors or State Board of Community Colleges, as applicable.
6756 The Department of Management Services may, upon request, provide
6757 similar services for the Florida School for the Deaf and the
6758 Blind and shall use the Florida Building Code and the Florida
6759 Fire Prevention Code.

Page 233 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

6760 (8) Provide minimum criteria, procedures, and training to
6761 boards to conduct educational plant surveys and document the
6762 determination of future needs.

6763 (9) Make available to boards technical assistance,
6764 awareness training, and research and technical publications
6765 relating to lifesafety, casualty, sanitation, environmental,
6766 maintenance, and custodial issues; and, as needed, technical
6767 assistance for survey, planning, design, construction,
6768 operation, and evaluation of educational and ancillary
6769 facilities and plants, facilities administrative procedures
6770 review, and training for new administrators.

6771 (10) (a) Review and validate surveys proposed or amended by
6772 the boards and recommend to the Commissioner of Education, the
6773 Chancellor of the Florida Community College System, or the
6774 Chancellor of the State University System, as appropriate, for
6775 approval, surveys that meet the requirements of this chapter.

6776 1. The term "validate" as applied to surveys by school
6777 districts means to review inventory data as submitted to the
6778 department by district school boards; provide for review and
6779 inspection, where required, of student stations and aggregate
6780 square feet of inventory changed from satisfactory to
6781 unsatisfactory or changed from unsatisfactory to satisfactory;
6782 compare new school inventory to allocation limits provided by
6783 this chapter; review cost projections for conformity with cost
6784 limits set by s. 1013.64(6); compare total capital outlay full-
6785 time equivalent enrollment projections in the survey with the
6786 department's projections; review facilities lists to verify that
6787 student station and auxiliary facility space allocations do not
6788 exceed the limits provided by this chapter and related rules;

Page 234 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

6789 review and confirm the application of uniform facility
6790 utilization factors, where provided by this chapter or related
6791 rules; ~~use~~ utilize the documentation of programs offered per
6792 site, as submitted by the board, to analyze facility needs;
6793 confirm that need projections for career and adult educational
6794 programs comply with needs documented by the Department of
6795 Education; and confirm the assignment of full-time student
6796 stations to all space except auxiliary facilities, which, for
6797 purposes of exemption from student station assignment, include
6798 the following:

- 6799 a. Cafeterias.
- 6800 b. Multipurpose dining areas.
- 6801 c. Media centers.
- 6802 d. Auditoriums.
- 6803 e. Administration.
- 6804 f. Elementary, middle, and high school resource rooms, up
6805 to the number of such rooms recommended for the applicable
6806 occupant and space design capacity of the educational plant in
6807 the State Requirements for Educational Facilities, beyond which
6808 student stations must be assigned.
- 6809 g. Elementary school skills labs, up to the number of such
6810 rooms recommended for the applicable occupant and space design
6811 capacity of the educational plant in the State Requirements for
6812 Educational Facilities, beyond which student stations must be
6813 assigned.
- 6814 h. Elementary school art and music rooms.

6815
6816 The Commissioner of Education may grant a waiver from the
6817 requirements of this subparagraph if a district school board

Page 235 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

6818 determines that such waiver will make possible a substantial
6819 savings of funds or will be advantageous to the welfare of the
6820 educational system. The district school board shall present a
6821 full statement to the commissioner which sets forth the facts
6822 that warrant the waiver. If the commissioner denies a request
6823 for a waiver, the district school board may appeal such decision
6824 to the State Board of Education.

6825 2. The term "validate" as applied to surveys by Florida
6826 Community College System institutions and universities means to
6827 review and document the approval of each new site and official
6828 designation, where applicable; review the inventory database as
6829 submitted by each board to the department, including noncareer,
6830 and total capital outlay full-time equivalent enrollment
6831 projections per site and per college; provide for the review and
6832 inspection, where required, of student stations and aggregate
6833 square feet of space changed from satisfactory to
6834 unsatisfactory; ~~use~~ utilize and review the documentation of
6835 programs offered per site submitted by the boards as accurate
6836 for analysis of space requirements and needs; confirm that needs
6837 projected for career and adult educational programs comply with
6838 needs documented by the Department of Education; compare new
6839 facility inventory to allocations limits as provided in this
6840 chapter; review cost projections for conformity with state
6841 averages or limits designated by this chapter; compare student
6842 enrollment projections in the survey to the department's
6843 projections; review facilities lists to verify that area
6844 allocations and space factors for generating space needs do not
6845 exceed the limits as provided by this chapter and related rules;
6846 confirm the application of facility utilization factors as

Page 236 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6847 provided by this chapter and related rules; and review, as
 6848 submitted, documentation of how survey recommendations will
 6849 implement the detail of current campus master plans and
 6850 integrate with local comprehensive plans and development
 6851 regulations.

6852 (b) Recommend priority of projects to be funded.

6853 (11) Prepare the commissioner's comprehensive fixed capital
 6854 outlay legislative budget request and provide annually an
 6855 estimate of the funds available for developing required 3-year
 6856 priority lists. This amount shall be based upon the average
 6857 percentage for the 5 prior years of funds appropriated by the
 6858 Legislature for fixed capital outlay to each level of public
 6859 education: public schools, Florida Community College System
 6860 institutions, and universities.

6861 (12) Perform any other functions that may be involved in
 6862 educational facilities construction and capital improvement
 6863 which shall ensure that the intent of the Legislature is
 6864 implemented.

6865 Section 112. Section 1013.28, Florida Statutes, is amended
 6866 to read:

6867 1013.28 Disposal of property.—

6868 (1) REAL PROPERTY.—

6869 (a) Subject to rules of the State Board of Education, a
 6870 district school board or, the Board of Trustees for the Florida
 6871 School for the Deaf and the Blind, ~~or a Florida College System~~
 6872 ~~institution board of trustees~~ may dispose of any land or real
 6873 property to which the board holds title which is, by resolution
 6874 of the board, determined to be unnecessary for educational
 6875 purposes as recommended in an educational plant survey. A

Page 237 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6876 district school board or, the Board of Trustees for the Florida
 6877 School for the Deaf and the Blind, ~~or a Florida College System~~
 6878 ~~institution board of trustees~~ shall take diligent measures to
 6879 dispose of educational property only in the best interests of
 6880 the public. However, appraisals may be obtained by the district
 6881 school board or, the Board of Trustees for the Florida School
 6882 for the Deaf and the Blind ~~before, or the Florida College System~~
 6883 ~~institution board of trustees prior to~~ or simultaneously with
 6884 the receipt of bids.

6885 (b) Subject to regulations of the Board of Governors, a
 6886 state university board of trustees may dispose of any land or
 6887 real property to which it holds valid title which is, by
 6888 resolution of the state university board of trustees, determined
 6889 to be unnecessary for educational purposes as recommended in an
 6890 educational plant survey. A state university board of trustees
 6891 shall take diligent measures to dispose of educational property
 6892 only in the best interests of the public. However, appraisals
 6893 may be obtained by the state university board of trustees prior
 6894 to or simultaneously with the receipt of bids.

6895 (c) Subject to rules of the State Board of Community
 6896 Colleges, a Florida Community College System institution board
 6897 of trustees may dispose of any land or real property to which it
 6898 holds valid title which is, by resolution of the Florida
 6899 Community College System institution board of trustees,
 6900 determined to be unnecessary for educational purposes as
 6901 recommended in an educational plant survey. A Florida Community
 6902 College System institution board of trustees shall take diligent
 6903 measures to dispose of educational property only in the best
 6904 interests of the public. However, appraisals may be obtained by

Page 238 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

6905 the Florida Community College System institution board of
 6906 trustees prior to or simultaneously with the receipt of bids.

6907 (2) TANGIBLE PERSONAL PROPERTY.—

6908 (a) Tangible personal property that has been properly
 6909 classified as surplus by a district school board ~~or Florida~~
 6910 ~~College System institution board of trustees~~ shall be disposed
 6911 of in accordance with the procedure established by chapter 274.
 6912 However, the provisions of chapter 274 shall not be applicable
 6913 to a motor vehicle used in driver education to which title is
 6914 obtained for a token amount from an automobile dealer or
 6915 manufacturer. In such cases, the disposal of the vehicle shall
 6916 be as prescribed in the contractual agreement between the
 6917 automotive agency or manufacturer and the board.

6918 (b) Tangible personal property that has been properly
 6919 classified as surplus by a state university board of trustees
 6920 shall be disposed of in accordance with the procedure
 6921 established by chapter 273.

6922 (c) Tangible personal property that has been properly
 6923 classified as surplus by a Florida Community College System
 6924 institution board of trustees shall be disposed of in accordance
 6925 with the procedure established by chapter 273.

6926 Section 113. Subsection (1) of section 1013.31, Florida
 6927 Statutes, is amended to read:

6928 1013.31 Educational plant survey; localized need
 6929 assessment; PECO project funding.—

6930 (1) At least every 5 years, each board shall arrange for an
 6931 educational plant survey, to aid in formulating plans for
 6932 housing the educational program and student population, faculty,
 6933 administrators, staff, and auxiliary and ancillary services of

581-01712-17

2017374c1

6934 the district or campus, including consideration of the local
 6935 comprehensive plan. The Department of Education, for school
 6936 districts, and the State Board of Community Colleges, for the
 6937 Florida Community College System, shall document the need for
 6938 additional career and adult education programs and the
 6939 continuation of existing programs before facility construction
 6940 or renovation related to career or adult education may be
 6941 included in the educational plant survey of a school district or
 6942 Florida Community College System institution that delivers
 6943 career or adult education programs. Information used by the
 6944 Department of Education or State Board of Community Colleges to
 6945 establish facility needs must include, but need not be limited
 6946 to, labor market data, needs analysis, and information submitted
 6947 by the school district or Florida Community College System
 6948 institution.

6949 (a) *Survey preparation and required data.*—Each survey shall
 6950 be conducted by the board or an agency employed by the board.
 6951 Surveys shall be reviewed and approved by the board, and a file
 6952 copy shall be submitted to the Department of Education, the
 6953 Chancellor of the Florida Community College System, or the
 6954 Chancellor of the State University System, as appropriate. The
 6955 survey report shall include at least an inventory of existing
 6956 educational and ancillary plants, including safe access
 6957 facilities; recommendations for existing educational and
 6958 ancillary plants; recommendations for new educational or
 6959 ancillary plants, including the general location of each in
 6960 coordination with the land use plan and safe access facilities;
 6961 campus master plan update and detail for Florida Community
 6962 College System institutions; the use ~~utilization~~ of school

581-01712-17 2017374c1

6963 plants based on an extended school day or year-round operation;
 6964 and such other information as may be required by the Department
 6965 of Education. This report may be amended, if conditions warrant,
 6966 at the request of the department or commissioner.

6967 (b) *Required need assessment criteria for district, Florida*
 6968 *Community College System institution, state university, and*
 6969 *Florida School for the Deaf and the Blind plant surveys.*—
 6970 Educational plant surveys must use uniform data sources and
 6971 criteria specified in this paragraph. Each revised educational
 6972 plant survey and each new educational plant survey supersedes
 6973 previous surveys.

6974 1. The school district's survey must be submitted as a part
 6975 of the district educational facilities plan defined in s.
 6976 1013.35. To ensure that the data reported to the Department of
 6977 Education as required by this section is correct, the department
 6978 shall annually conduct an onsite review of 5 percent of the
 6979 facilities reported for each school district completing a new
 6980 survey that year. If the department's review finds the data
 6981 reported by a district is less than 95 percent accurate, within
 6982 1 year from the time of notification by the department the
 6983 district must submit revised reports correcting its data. If a
 6984 district fails to correct its reports, the commissioner may
 6985 direct that future fixed capital outlay funds be withheld until
 6986 such time as the district has corrected its reports so that they
 6987 are not less than 95 percent accurate.

6988 2. Each survey of a special facility, joint-use facility,
 6989 or cooperative career education facility must be based on
 6990 capital outlay full-time equivalent student enrollment data
 6991 prepared by the department for school districts and Florida

Page 241 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

6992 Community College System institutions and by the Chancellor of
 6993 the State University System for universities. A survey of space
 6994 needs of a joint-use facility shall be based upon the respective
 6995 space needs of the school districts, Florida Community College
 6996 System institutions, and universities, as appropriate.
 6997 Projections of a school district's facility space needs may not
 6998 exceed the norm space and occupant design criteria established
 6999 by the State Requirements for Educational Facilities.

7000 3. Each Florida Community College System institution's
 7001 survey must reflect the capacity of existing facilities as
 7002 specified in the inventory maintained and validated by the
 7003 Chancellor of the Florida Community College System ~~by the~~
 7004 ~~Department of Education~~. Projections of facility space needs
 7005 must comply with standards for determining space needs as
 7006 specified by rule of the State Board of Community Colleges
 7007 ~~Education~~. The 5-year projection of capital outlay student
 7008 enrollment must be consistent with the annual report of capital
 7009 outlay full-time student enrollment prepared by the Department
 7010 of Education.

7011 4. Each state university's survey must reflect the capacity
 7012 of existing facilities as specified in the inventory maintained
 7013 and validated by the Chancellor of the State University System.
 7014 Projections of facility space needs must be consistent with
 7015 standards for determining space needs as specified by regulation
 7016 of the Board of Governors. The projected capital outlay full-
 7017 time equivalent student enrollment must be consistent with the
 7018 5-year planned enrollment cycle for the State University System
 7019 approved by the Board of Governors.

7020 5. The district educational facilities plan of a school

Page 242 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

7021 district and the educational plant survey of a Florida Community
 7022 College System institution, state university, or the Florida
 7023 School for the Deaf and the Blind may include space needs that
 7024 deviate from approved standards for determining space needs if
 7025 the deviation is justified by the district or institution and
 7026 approved by the department, the State Board of Community
 7027 Colleges, or the Board of Governors, as appropriate, as
 7028 necessary for the delivery of an approved educational program.

7029 (c) *Review and validation.*—The Department of Education
 7030 shall review and validate the surveys of school districts, the
 7031 Chancellor of the Florida Community College System shall review
 7032 and validate the surveys of ~~and~~ Florida Community College System
 7033 institutions, and the Chancellor of the State University System
 7034 shall review and validate the surveys of universities, and any
 7035 amendments thereto for compliance with the requirements of this
 7036 chapter and shall recommend those in compliance for approval by
 7037 the State Board of Education, the State Board of Community
 7038 Colleges, or the Board of Governors, as appropriate. Annually,
 7039 the department shall perform an in-depth analysis of a
 7040 representative sample of each survey of recommended needs for
 7041 five districts selected by the commissioner from among districts
 7042 with the largest need-to-revenue ratio. For the purpose of this
 7043 subsection, the need-to-revenue ratio is determined by dividing
 7044 the total 5-year cost of projects listed on the district survey
 7045 by the total 5-year fixed capital outlay revenue projections
 7046 from state and local sources as determined by the department.
 7047 The commissioner may direct fixed capital outlay funds to be
 7048 withheld from districts until such time as the survey accurately
 7049 projects facilities needs.

Page 243 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

7050 (d) *Periodic update of Florida Inventory of School Houses.*—
 7051 School districts shall periodically update their inventory of
 7052 educational facilities as new capacity becomes available and as
 7053 unsatisfactory space is eliminated. The State Board of Education
 7054 shall adopt rules to determine the timeframe in which districts
 7055 must provide a periodic update.

7056 Section 114. Subsections (1) and (3) of section 1013.36,
 7057 Florida Statutes, are amended to read:
 7058 1013.36 Site planning and selection.—
 7059 (1) Before acquiring property for sites, each district
 7060 school board and Florida Community College System institution
 7061 board of trustees shall determine the location of proposed
 7062 educational centers or campuses. In making this determination,
 7063 the board shall consider existing and anticipated site needs and
 7064 the most economical and practicable locations of sites. The
 7065 board shall coordinate with the long-range or comprehensive
 7066 plans of local, regional, and state governmental agencies to
 7067 assure the consistency of such plans. Boards are encouraged to
 7068 locate district educational facilities proximate to urban
 7069 residential areas to the extent possible, and shall seek to
 7070 collocate district educational facilities with other public
 7071 facilities, such as parks, libraries, and community centers, to
 7072 the extent possible and to encourage using elementary schools as
 7073 focal points for neighborhoods.

7074 (3) Sites recommended for purchase or purchased must meet
 7075 standards prescribed in law and such supplementary standards as
 7076 the State Board of Education or State Board of Community
 7077 Colleges, as appropriate, prescribes to promote the educational
 7078 interests of the students. Each site must be well drained and

Page 244 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

7079 suitable for outdoor educational purposes as appropriate for the
 7080 educational program or collocated with facilities to serve this
 7081 purpose. As provided in s. 333.03, the site must not be located
 7082 within any path of flight approach of any airport. Insofar as is
 7083 practicable, the site must not adjoin a right-of-way of any
 7084 railroad or through highway and must not be adjacent to any
 7085 factory or other property from which noise, odors, or other
 7086 disturbances, or at which conditions, would be likely to
 7087 interfere with the educational program. To the extent
 7088 practicable, sites must be chosen which will provide safe access
 7089 from neighborhoods to schools.

7090 Section 115. Subsections (3) and (4) of section 1013.37,
 7091 Florida Statutes, are amended to read:

7092 1013.37 State uniform building code for public educational
 7093 facilities construction.—

7094 (3) REVIEW PROCEDURE.—The Commissioner of Education and the
 7095 Chancellor of the Florida Community College System, as
 7096 appropriate, shall cooperate with the Florida Building
 7097 Commission in addressing all questions, disputes, or
 7098 interpretations involving the provisions of the Florida Building
 7099 Code which govern the construction of public educational and
 7100 ancillary facilities, and any objections to decisions made by
 7101 the inspectors or the department must be submitted in writing.

7102 (4) BIENNIAL REVIEW AND UPDATE; DISSEMINATION.—The
 7103 department, for school districts, and the State Board of
 7104 Community Colleges, for Florida Community College System
 7105 institutions, shall biennially review and recommend to the
 7106 Florida Building Commission updates and revisions to the
 7107 provisions of the Florida Building Code which govern the

581-01712-17 2017374c1

7108 construction of public educational and ancillary facilities. The
 7109 department, for school districts, and the State Board of
 7110 Community Colleges, for Florida Community College System
 7111 institutions, shall publish and make available to each board at
 7112 no cost copies of the State Requirements for Educational
 7113 Facilities and each amendment and revision thereto. The
 7114 department and state board shall make additional copies
 7115 available to all interested persons at a price sufficient to
 7116 recover costs.

7117 Section 116. Section 1013.40, Florida Statutes, is amended
 7118 to read:

7119 1013.40 Planning and construction of Florida Community
 7120 College System institution facilities; property acquisition.—

7121 (1) The need for Florida Community College System
 7122 institution facilities shall be established by a survey
 7123 conducted pursuant to this chapter. The facilities recommended
 7124 by such survey must be approved by the State Board of Community
 7125 Colleges Education, and the projects must be constructed
 7126 according to the provisions of this chapter and State Board of
 7127 Community Colleges Education rules.

7128 (2) ~~A~~ No Florida Community College System institution may
 7129 not expend public funds for the acquisition of additional
 7130 property without the specific approval of the Legislature.

7131 (3) ~~A~~ No facility may not be acquired or constructed by a
 7132 Florida Community College System institution or its direct-
 7133 support organization if such facility requires general revenue
 7134 funds for operation or maintenance upon project completion or in
 7135 subsequent years of operation, unless prior approval is received
 7136 from the Legislature.

581-01712-17

2017374c1

7137 (4) The campus of a Florida Community College System
 7138 institution within a municipality designated as an area of
 7139 critical state concern, as defined in s. 380.05, and having a
 7140 comprehensive plan and land development regulations containing a
 7141 building permit allocation system that limits annual growth, may
 7142 construct dormitories for up to 300 beds for Florida Community
 7143 College System institution students. Such dormitories are exempt
 7144 from the building permit allocation system and may be
 7145 constructed up to 45 feet in height if the dormitories are
 7146 otherwise consistent with the comprehensive plan, the Florida
 7147 Community College System institution has a hurricane evacuation
 7148 plan that requires all dormitory occupants to be evacuated 48
 7149 hours in advance of tropical force winds, and transportation is
 7150 provided for dormitory occupants during an evacuation. State
 7151 funds and tuition and fee revenues may not be used for
 7152 construction, debt service payments, maintenance, or operation
 7153 of such dormitories. Additional dormitory beds constructed after
 7154 July 1, 2016, may not be financed through the issuance of a
 7155 bond.

7156 Section 117. Section 1013.47, Florida Statutes, is amended
 7157 to read:

7158 1013.47 Substance of contract; contractors to give bond;
 7159 penalties.—Each board shall develop contracts consistent with
 7160 this chapter and statutes governing public facilities. Such a
 7161 contract must contain the drawings and specifications of the
 7162 work to be done and the material to be furnished, the time limit
 7163 in which the construction is to be completed, the time and
 7164 method by which payments are to be made upon the contract, and
 7165 the penalty to be paid by the contractor for a failure to comply

Page 247 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

7166 with the terms of the contract. The board may require the
 7167 contractor to pay a penalty for any failure to comply with the
 7168 terms of the contract and may provide an incentive for early
 7169 completion. Upon accepting a satisfactory bid, the board shall
 7170 enter into a contract with the party or parties whose bid has
 7171 been accepted. The contractor shall furnish the board with a
 7172 performance and payment bond as set forth in s. 255.05. A board
 7173 or other public entity may not require a contractor to secure a
 7174 surety bond under s. 255.05 from a specific agent or bonding
 7175 company. A person, firm, or corporation that constructs any part
 7176 of any educational plant, or addition thereto, on the basis of
 7177 any unapproved plans or in violation of any plans approved in
 7178 accordance with the provisions of this chapter and rules of the
 7179 State Board of Education or State Board of Community Colleges or
 7180 regulations of the Board of Governors relating to building
 7181 standards or specifications is subject to forfeiture of the
 7182 surety bond and unpaid compensation in an amount sufficient to
 7183 reimburse the board for any costs that will need to be incurred
 7184 in making any changes necessary to assure that all requirements
 7185 are met and is also guilty of a misdemeanor of the second
 7186 degree, punishable as provided in s. 775.082 or s. 775.083, for
 7187 each separate violation.

7188 Section 118. Section 1013.52, Florida Statutes, is amended
 7189 to read:

7190 1013.52 Cooperative development and joint use of facilities
 7191 by two or more boards.—

7192 (1) Two or more boards, including district school boards,
 7193 Florida Community College System institution boards of trustees,
 7194 the Board of Trustees for the Florida School for the Deaf and

Page 248 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

7195 the Blind, and university boards of trustees, desiring to
7196 cooperatively establish a common educational facility to
7197 accommodate students shall:

7198 (a) Jointly request a formal assessment by the Commissioner
7199 of Education, ~~or~~ the Chancellor of the State University System,
7200 or the Chancellor of the State Board of Community Colleges, as
7201 appropriate, of the academic program need and the need to build
7202 new joint-use facilities to house approved programs. Completion
7203 of the assessment and approval of the project by the State Board
7204 of Education, the State Board of Community Colleges, the
7205 Chancellor of the Florida Community College System, the Board of
7206 Governors, the Chancellor of the State University System, or the
7207 Commissioner of Education, as appropriate, should be done prior
7208 to conducting an educational facilities survey.

7209 (b) Demonstrate the need for construction of new joint-use
7210 facilities involving postsecondary institutions by those
7211 institutions presenting evidence of the presence of sufficient
7212 actual full-time equivalent enrollments in the locale in leased,
7213 rented, or borrowed spaces to justify the requested facility for
7214 the programs identified in the formal assessment rather than
7215 using projected or anticipated future full-time equivalent
7216 enrollments as justification. If the decision is made to
7217 construct new facilities to meet this demonstrated need, then
7218 building plans should consider full-time equivalent enrollment
7219 growth facilitated by this new construction and subsequent new
7220 program offerings made possible by the existence of the new
7221 facilities.

7222 (c) Adopt and submit to the Commissioner of Education, the
7223 Chancellor of the Florida Community College System, or ~~and~~ the

Page 249 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

7224 Chancellor of the State University System, as appropriate, if
7225 the joint request involves a state university, a joint
7226 resolution of the participating boards indicating their
7227 commitment to the utilization of the requested facility and
7228 designating the locale of the proposed facility. The joint
7229 resolution shall contain a statement of determination by the
7230 participating boards that alternate options, including the use
7231 of leased, rented, or borrowed space, were considered and found
7232 less appropriate than construction of the proposed facility. The
7233 joint resolution shall contain assurance that the development of
7234 the proposed facility has been examined in conjunction with the
7235 programs offered by neighboring public educational facilities
7236 offering instruction at the same level. The joint resolution
7237 also shall contain assurance that each participating board shall
7238 provide for continuity of educational progression. All joint
7239 resolutions shall be submitted by August 1 for consideration of
7240 funding by the subsequent Legislature.

7241 (d) Submit requests for funding of joint-use facilities
7242 projects involving state universities and Florida Community
7243 College System institutions for approval by the Chancellor of
7244 the Florida Community College System ~~Commissioner of Education~~
7245 and the Chancellor of the State University System. The
7246 Chancellor of the Florida Community College System ~~Commissioner~~
7247 ~~of Education~~ and the Chancellor of the State University System
7248 shall jointly determine the priority for funding these projects
7249 in relation to the priority of all other capital outlay projects
7250 under their consideration. To be eligible for funding from the
7251 Public Education Capital Outlay and Debt Service Trust Fund
7252 under the provisions of this section, projects involving both

Page 250 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

7253 state universities and Florida Community College System
 7254 institutions shall appear on the 3-year capital outlay priority
 7255 lists of Florida Community College System institutions and of
 7256 universities required by s. 1013.64. Projects involving a state
 7257 university, a Florida Community College System institution, and
 7258 a public school, and in which the larger share of the proposed
 7259 facility is for the use of the state university or the Florida
 7260 Community College System institution, shall appear on the 3-year
 7261 capital outlay priority lists of the Florida Community College
 7262 System institutions or of the universities, as applicable.

7263 (e) Include in their joint resolution for the joint-use
 7264 facilities, comprehensive plans for the operation and management
 7265 of the facility upon completion. Institutional responsibilities
 7266 for specific functions shall be identified, including
 7267 designation of one participating board as sole owner of the
 7268 facility. Operational funding arrangements shall be clearly
 7269 defined.

7270 (2) An educational plant survey must be conducted within 90
 7271 days after submission of the joint resolution and substantiating
 7272 data describing the benefits to be obtained, the programs to be
 7273 offered, and the estimated cost of the proposed project. Upon
 7274 completion of the educational plant survey, the participating
 7275 boards may include the recommended projects in their plan as
 7276 provided in s. 1013.31. Upon approval of the project by the
 7277 commissioner, the Chancellor of the Florida Community College
 7278 System, or the Chancellor of the State University System, as
 7279 appropriate, 25 percent of the total cost of the project, or the
 7280 pro rata share based on space utilization of 25 percent of the
 7281 cost, must be included in the department's legislative capital

Page 251 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17

2017374c1

7282 outlay budget request as provided in s. 1013.60 for educational
 7283 plants. The participating boards must include in their joint
 7284 resolution a commitment to finance the remaining funds necessary
 7285 to complete the planning, construction, and equipping of the
 7286 facility. Funds from the Public Education Capital Outlay and
 7287 Debt Service Trust Fund may not be expended on any project
 7288 unless specifically authorized by the Legislature.

7289 (3) Included in all proposals for joint-use facilities must
 7290 be documentation that the proposed new campus or new joint-use
 7291 facility has been reviewed by the State Board of Education, the
 7292 State Board of Community Colleges, or the Board of Governors, as
 7293 appropriate, and has been formally requested for authorization
 7294 by the Legislature.

7295 (4) ~~A~~ ~~no~~ district school board, Florida Community College
 7296 System institution, or state university may not ~~shall~~ receive
 7297 funding for more than one approved joint-use facility per campus
 7298 in any 3-year period.

7299 Section 119. Subsection (1) of section 1013.65, Florida
 7300 Statutes, is amended to read:

7301 1013.65 Educational and ancillary plant construction funds;
 7302 Public Education Capital Outlay and Debt Service Trust Fund;
 7303 allocation of funds.—

7304 (1) The commissioner, through the department, shall
 7305 administer the Public Education Capital Outlay and Debt Service
 7306 Trust Fund. The commissioner shall allocate or reallocate funds
 7307 as authorized by the Legislature. Copies of each allocation or
 7308 reallocation shall be provided to members of the State Board of
 7309 Education, the State Board of Community Colleges, and the Board
 7310 of Governors and to the chairs of the House of Representatives

Page 252 of 254

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

581-01712-17 2017374c1

7311 and Senate appropriations committees. The commissioner shall
 7312 provide for timely encumbrances of funds for duly authorized
 7313 projects. Encumbrances may include proceeds to be received under
 7314 a resolution approved by the State Board of Education
 7315 authorizing the issuance of public education capital outlay
 7316 bonds pursuant to s. 9(a)(2), Art. XII of the State
 7317 Constitution, s. 215.61, and other applicable law. The
 7318 commissioner shall provide for the timely disbursement of moneys
 7319 necessary to meet the encumbrance authorizations of the boards.
 7320 Records shall be maintained by the department to identify
 7321 legislative appropriations, allocations, encumbrance
 7322 authorizations, disbursements, transfers, investments, sinking
 7323 funds, and revenue receipts by source. The Department of
 7324 Education shall pay the administrative costs of the Public
 7325 Education Capital Outlay and Debt Service Trust Fund from the
 7326 funds which comprise the trust fund.

7327 Section 120. The State Board of Community Colleges, in
 7328 collaboration with the Board of Governors, shall evaluate and
 7329 report on the status of Florida's "2+2" system of articulation
 7330 using the accountability measures required pursuant to s.
 7331 1008.38, Florida Statutes, and any other applicable state law.
 7332 By December 31, 2017, the state board and the Board of Governors
 7333 shall submit their report to the Governor, the President of the
 7334 Senate, and the Speaker of the House of Representatives. The
 7335 report must include findings regarding the effectiveness of
 7336 Florida's "2+2" system of articulation and recommendations for
 7337 improvement.

7338 Section 121. The Division of Law Revision and Information
 7339 is directed to prepare a reviser's bill for the 2018 Regular

Page 253 of 254

COMMITTEE SUBSTITUTE - Technical Changes

I. Summary:

CS/SB 392 creates the “Personal Financial Literacy Education Act” to specify financial literacy standards and instruction for students entering grade 9 in the 2017-2018 school year.

Specifically, the bill revises:

- The Next Generation Sunshine State Standards to establish requirements for financial literacy distinct from the existing financial literacy requirements specified under the economics curricular content within the standards for social studies; and
- The requirements for a student to earn a standard high school diploma by:
 - Establishing a separate one-half credit requirement in personal financial literacy;
 - Deleting the requirement that the one-half credit in economics include financial literacy; and
 - Reducing the number of required elective credits from eight to seven and one-half.

The bill has no additional impact on state funds. School districts are provided funding for instructional materials through the instructional materials allocation within the Florida Education Finance Program (FEFP). SB 2500, the Senate General Appropriations Act for the 2017-2018 Fiscal Year, appropriates \$242,053,499 for instructional materials in the FEFP. According to the Department of Education, depending on the manner in which the financial literacy course is implemented, the projected cost to school districts in the 2017-2018 fiscal year would be between \$140,296 and \$9,440,776.

The bill takes effect July 1, 2017.

II. Present Situation:

Florida law requires the adoption of standards for core content of the curricular taught in public schools and specifies the requirements that students must meet to earn a standard high school diploma.¹

Next Generation Sunshine State Standards

Next Generation Sunshine State Standards (NGSSS) establish the core content of the curricula to be taught in Florida and specify the core content knowledge and skills that K-12 public school students are expected to acquire prior to graduation.² The standards must be rigorous and relevant to incrementally increase a student's core content knowledge and skills over time.³ The curricular content for each subject must integrate critical-thinking, problem-solving, and workforce literacy skills; communication, reading, and writing skills; mathematics skills; collaboration skills; contextual and applied-learning skills; technology-literacy skills; information and media-literacy skills; and civic-engagement skills.⁴ The standards applicable to high school students in grades 9 through 12 may be organized by grade clusters that include more than one grade level, except as otherwise provided for visual performing arts, physical education, health, and foreign language standards.⁵

The State Board of Education (SBE) is responsible for adopting the NGSSS and subsequent revisions to such standards in rule.⁶ The NGSSS must meet the following requirements:⁷

- English Language Arts must establish specific curricular content for, at a minimum, reading, writing, speaking and listening, and language.
- Science standards must establish specific curricular content for, at a minimum, the nature of science, earth and space science, physical science, and life science.
- Mathematics standards must establish curricular content for, at a minimum, algebra, geometry, statistics and probability, number and quantity, functions, and modeling.
- Social Studies standards must establish curricula content for, at a minimum, geography, U.S. and world history, government, civics, humanities, and economics, including financial literacy.
- Visual and performance arts, physical education, health and foreign language standards must establish specific curricular content and include distinct grade level expectations for the core content knowledge and skills that a student is expected to have acquire by each individual grade level from kindergarten through grade 5. The standards for grades 6 through 12 may be organized by grade clusters of more than one grade level.

⁵ *Id.*

⁶ *Id.*

⁷ Section 1003.41(2), F.S.

Financial Literacy

Specifically, curricular content for financial literacy includes the knowledge, understanding, skills, behaviors, attitudes, and values to enable a student to make responsible and effective financial decisions on a daily basis.⁸ Financial literacy instruction should be an integral part of instruction throughout the entire economics course and include information regarding earning income; buying goods and services; saving and financial investing; taxes; the use of credit and credit cards; budgeting and debt management, including student loans and secured loans; banking and financial services; planning for one's financial future, including higher education and career planning; credit reports and scores; and fraud and identity theft prevention.⁹ Currently, the Course Code Directory (CCD)¹⁰ lists at least five one-half credit economics with personal financial literacy courses¹¹ and two separate one-half credit courses in personal financial literacy.¹²

Credits Required to Earn a Standard High School Diploma

To graduate from high school with a standard high school diploma, a student must successfully complete 24 credits, an International Baccalaureate curriculum, or an Advanced International Certificate of Education curriculum.¹³

A student must successfully complete 24 credits in the following subject areas:¹⁴

- Four credits in English Language Arts (ELA) I, II, III, and IV.
- Four credits in mathematics, including one each in Algebra I and Geometry. Industry certifications earned by students may substitute for up to two mathematics credits, except for Algebra I and Geometry.
- Three credits in science, including one credit in Biology I and two credits in equally rigorous courses.¹⁵ Industry certifications earned by students may substitute for one science credit except for Biology I.
- Three credits in social studies, including one credit each in U.S. history and world history; one-half in credit in economics, which must include financial literacy; and one-half credit in U.S. Government.
- One credit in fine or performing arts, speech and debate, or practical arts that incorporates artistic content and techniques of creativity, interpretation, and imagination.
- One credit in physical education that must include the integration of health.

⁸ Section 1003.41(2)(d), F.S.

⁹ Section 1003.41(2), F.S.

¹⁰ The Course Code Directory (CCD) lists all public preK-12 and postsecondary career and technical education courses that are available for use by school districts. Programs and courses that are funded through the Florida Education Finance Program and courses or programs for which students may earn credit toward high school graduation must be listed in the CCD. The CCD maintains course listings for administration and service assignments, K-12 education, exceptional student education, career and technical education, and adult education, with details regarding appropriate teacher certification levels. The CCD provides course information to schools, districts, and the state. Rule 6A-1.09441, F.A.C.

¹¹ Courses 2102335, 2102340, 2102345, 2102800, and 2102850. Florida Department of Education, *2016-2017 Course Directory Section 3 - Grades 9 to 12*, (2016), at 43-44.

¹² Courses 2102371 and 2102374. Florida Department of Education, *2016-2017 Course Directory Section 3 - Grades 9 to 12*, (2016), at 43-44.

¹³ Section 1003.4282(1)(a), F.S.

¹⁴ Section 1003.4282(3), F.S.

¹⁵ Two of the three science credits must have a laboratory component. Section 1003.4282(3)(c), F.S.

- Eight credits in electives. School districts are required to develop and offer coordinated electives to enable a student to develop knowledge and skills in his or her area of interest and these electives must include opportunities for students to earn college credit.

III. Effect of Proposed Changes:

This bill creates the “Personal Financial Literacy Education Act” to specify financial literacy standards and instruction for students entering grade 9 in the 2017-2018 school year and thereafter. Specifically, the bill revises:

- The Next Generation Sunshine State Standards to establish requirements for financial literacy distinct from the existing financial literacy requirements specified under the economics curricular content within the standards for social studies; and
- The requirements for a student to earn a standard high school diploma by:
 - Establishing a separate one-half credit requirement in personal financial literacy;
 - Deleting the requirement that the one-half credit in economics include financial literacy; and
 - Reducing the number of required elective credits from eight to seven and one-half.

Next Generation Sunshine State Standards (Section 1)

Section 1 of the bill clarifies that the current requirements for financial literacy, embedded within the social studies standards, do not apply to students entering grade 9 in the 2017-2018 school year and thereafter. Additionally, the bill revises the Next Generation Sunshine State Standards (NGSSS) to establish requirements for financial literacy distinct from the existing financial literacy requirements specified under the economics curricular content within the standards for social studies, beginning with students entering grade 9 in the 2017-2018 school year. The financial literacy standards must establish specific curricular content that must include, but is not limited to, personal financial literacy and money management. Accordingly, the NGSSS may need to be revised to include an understanding of how to balance a checkbook and the implications of receiving an inheritance.¹⁶ In addition, CPALMS may need to be updated to include the financial literacy standards that apply to students entering grade 9 in the 2017-2018 school year.¹⁷ The Course Code Directory may also need to be updated to include personal financial literacy courses.¹⁸

Credits Required to Earn a Standard High School Diploma (Section 2)

Section 2 of the bill requires that in order to receive a standard high school diploma, beginning with students entering grade 9 in the 2017-2018 school year, students must earn one-half credit in personal financial literacy in addition to the required three social studies credits. Currently, students are not required to complete a separate course in financial literacy to graduate from high school with a standard diploma.¹⁹

¹⁶ Florida Department of Education, *SB 392 Analysis* (2017), at 3.

¹⁷ CPALMS is the State of Florida’s official source for information on standards and course descriptions. CPALMS, *Homepage*, <http://www.cpalms.org/Public/> (last visited March 3, 2017).

¹⁸ Florida Department of Education, *SB 392 Analysis* (2017), at 7.

¹⁹ *Id.*, at 2.

This section requires financial literacy instruction to include:

- Types of bank accounts offered, opening and managing a bank account, and assessing the quality of a depository institution's services.
- Balancing a checkbook.
- Basic principles of money management, such as spending, credit, credit scores, and managing debt, including retail and credit card debt.
- Completing a loan application.
- Receiving an inheritance and related implications.
- Basic principles of personal insurance policies.
- Computing federal income taxes.
- Local tax assessments.
- Computing interest rates by various mechanisms.
- Simple contracts.
- Contesting an incorrect billing statement.
- Types of savings and investment.
- State and federal laws concerning finance.

Additionally, this section of the bill reduces the current elective credits required to earn a standard high school diploma from eight to seven and one-half. As such, the bill maintains the total number of credits (i.e., 24) that students must successfully complete to earn a standard high school diploma.

The bill may increase high school students' personal financial literacy, which may help high school students acquire the knowledge and skills to effectively manage personal finances and plan for pursuing higher education or entering the workforce.

This bill takes effect July 1, 2017.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

School districts are provided funding for instructional materials through the instructional materials allocation within the Florida Education Finance Program (FEFP). SB 2500, the Senate General Appropriations Act for the 2017-2018 Fiscal Year, appropriates \$242,053,499 for instructional materials in the FEFP.

According to the Florida Department of Education (DOE), the implementation of a new course in financial literacy may result in expenses associated with instructional materials and professional development for teachers.²⁰ The DOE projected four cost scenarios for implementing a required financial literacy course.

- Scenarios one and two assume that teachers who are currently employed by the district are trained to teach the financial literacy course.²¹
 - Scenario one assumes one set of textbooks per classroom, amounting to an estimated implementation cost of \$3,086,512 for the first year and a total cost of \$4,899,568 for the first five years.²²
 - Scenario two assumes an individual textbook used by each student in the course, amounting to an estimated implementation cost of \$9,440,776 for the first year and a total cost of \$15,021,064 for the first five years.
- Scenario three assumes that financial literacy instruction is taken electronically through an online course, amounting to an estimated implementation cost of \$160,792 for the first year with no additional cost after the first year for teacher training and travel.²³
- Scenario four assumes that financial literacy instruction is obtained through a free curriculum, amounting to an estimated first year implementation cost of \$140,296, with no additional costs after the first year.²⁴

VI. Technical Deficiencies:

Lines 91-92 of the bill provides that a student must “take” one-half credit in personal financial literacy. To clarify this requirement, the term “take” may need to be changed to “earn”.

VII. Related Issues:

None.

²⁰ Florida Department of Education, *SB 392 Analysis* (2017), at 4.

²¹ Florida Department of Education, *SB 392 Analysis* (2017), at 4.

²² *Id.*

²³ *Id.*, at 5.

²⁴ *Id.*

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 1003.41 and 1003.4282.

IX. Additional Information:

- A. **Committee Substitute – Statement of Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Education on March 6, 2017:

The committee substitute clarifies that the current requirements for financial literacy, embedded within the standards for economics under social studies, do not apply to students entering grade 9 in the 2017-2018 school year and thereafter.

- B. **Amendments:**

None.

59 2018 school year and thereafter, financial literacy standards
 60 must establish specific curricular content for, at a minimum,
 61 personal financial literacy and money management. Financial
 62 literacy includes instruction in the areas specified in s.
 63 1003.4282(3)(h).

64 Section 2. Paragraphs (d) and (g) of subsection (3) of
 65 section 1003.4282, Florida Statutes, are amended, and paragraph
 66 (h) is added to that subsection, to read:

67 1003.4282 Requirements for a standard high school diploma.—

68 (3) STANDARD HIGH SCHOOL DIPLOMA; COURSE AND ASSESSMENT
 69 REQUIREMENTS.—

70 (d) Three credits in social studies.—Beginning with
 71 students entering grade 9 in the 2017-2018 school year, a
 72 student must earn one credit in United States History, ~~+~~ one
 73 credit in World History, ~~+~~ one-half credit in economics, which
 74 must include financial literacy, and one-half credit in United
 75 States Government. The United States History EOC assessment
 76 constitutes 30 percent of the student's final course grade.

77 (g) Seven and one-half ~~Eight~~ credits in electives.—
 78 Beginning with students entering grade 9 in the 2017-2018 school
 79 year, each school district shall ~~School districts must~~ develop
 80 and offer coordinated electives so that a student may develop
 81 knowledge and skills in his or her area of interest, such as
 82 electives with a STEM or liberal arts focus. Such electives must
 83 include opportunities for students to earn college credit,
 84 including industry-certified career education programs or series
 85 of career-themed courses that result in industry certification
 86 or articulate into the award of college credit, or career
 87 education courses for which there is a statewide or local

581-02113-17 2017392c1

88 articulation agreement and which lead to college credit.

89 (h) One-half credit in personal financial literacy.—
 90 Beginning with students entering grade 9 in the 2017-2018 school
 91 year, each student shall take one-half credit in personal
 92 financial literacy and money management. This instruction must
 93 include discussion of or instruction in the following:

94 1. Types of bank accounts offered, opening and managing a
 95 bank account, and assessing the quality of a depository
 96 institution's services.

97 2. Balancing a checkbook.

98 3. Basic principles of money management, such as spending,
 99 credit, credit scores, and managing debt, including retail and
 100 credit card debt.

101 4. Completing a loan application.

102 5. Receiving an inheritance and related implications.

103 6. Basic principles of personal insurance policies.

104 7. Computing federal income taxes.

105 8. Local tax assessments.

106 9. Computing interest rates by various mechanisms.

107 10. Simple contracts.

108 11. Contesting an incorrect billing statement.

109 12. Types of savings and investments.

110 13. State and federal laws concerning finance.

111 Section 3. This act shall take effect July 1, 2017.
