The Honorable Rob Bradley  
Chair, Senate Appropriations Subcommittee on the  
Environment and Natural Resources

Via Email

Dear Chair Bradley:

As you are aware, I am pregnant and carrying twins. As a result of my high-risk pregnancy, my doctors have advised that with barely five weeks before delivery, it is not advisable to travel at the end of January, nor during the month of February. I will be present for Committee meetings this week but respectfully request that I be excused from any of your Appropriations Subcommittee meetings on the Environment and Natural Resources held during the weeks of January 23rd, February 6th, February 13th, and February 20th.

I plan to set the Agendas for the full Environmental Preservation and Conservation Committee meetings that I am responsible for Chairing and ask that you lead the meetings, as Vice Chair, in my absence, while I monitor them closely from my home. It is my intention to relocate to Tallahassee for Session on Saturday, March 4th, 2017 and be present throughout the Session.

Thank you for your understanding and consideration of this request for excused absences.

Sincerely,

Lauren F. Book
