PROVISO REVIEW

4	Funds in Specific Appropriations 603 through 781 shall not be used to pay for unoccupied space currently being leased by the Department of Corrections in the event the leases are vacant on or after July 1, 2010, and for which it has been determined by the Secretary of the department that there is no longer a need.	REVISE
5	The Department of Corrections may, subject to all applicable provisions of chapter 216, Florida Statutes, transfer funds and positions and salary rate among budget entities and programs within Specific Appropriations 603 through 781 if necessary, to ensure public safety and avoid adversely affecting current employees due to the elimination of vacant positions and other approved reductions. It is the intent of the Legislature that priority shall be placed on preserving positions in correctional institutions and community corrections.	KEEP
6	Funds in Specific Appropriations 603 through 781 include reductions in full-time equivalent positions and associated salary and benefits. Those reductions in full-time equivalent positions must be from, to the maximum extent feasible, supervisory and managerial positions.	KEEP
7	To minimize the impact of funding reductions within Specific Appropriations 603 through 781, the department shall identify vacant correctional work release and substance abuse programming capacity and has the discretion pursuant to the provisions of Chapter 216, Florida Statutes, to transfer funds to enable the filling of such additional capacity in accordance with the provisions of chapter 945, Florida Statutes.	KEEP
8	From the funds in Specific Appropriations 603 through 781, the Department of Corrections may contract with a provider to implement an evidence-based risk/needs analysis pilot program using established risk assessment tools to analyze the offender at an appropriate site. The risk/needs assessment tool will allow the department to focus resources and treatment on those offenders with the greatest risk to re-offend and will assist the department in determining appropriate programming for offenders that may be better served in day reporting centers or other similar programs. The findings should include an analysis of whether implementing an evidence-based risk analysis across the entire inmate/offender population would reduce state expenditures and recidivism rates. The department shall report its findings to the chairs of the House Full Appropriations Council on General Government and Health Care and Senate Policy and Steering Committee on Ways and Means no later than January 31, 2011. 15	<p>From the funds in Specific Appropriations 639, 651, and 663, the Department of Management Services must ensure all future private prison contracts have explicit conditions that provide for the flexibility to adjust the percentages of special needs inmates to allow for changes in overall state populations of those inmates. Such percentages must be based on Department of Corrections' special needs inmate population forecasts, so that medical and mental healthcare costs are appropriately shared by both private and state prisons. All future private prison contracts must require each private prison vendor to report the same performance measures for inmate programs in private prisons as reported by the Department of Corrections for its comparable public institutions. As part of the private prisons contracting negotiations process, the Department of Corrections must consult with the Department of Management Services and each private prison vendor to establish high, reasonable, and achievable performance standards. All future private prison contracts must require each private prison vendor to develop inmate visitation policies and telephone rates for the private prisons that are consistent with those policies followed by the state's public prisons and encourage inmate family contact, as directed by Florida Statutes. Finally, the Department of Management Services must require all future private prison contracts to adhere to Department of Management Services' established criteria for awarding Privately Operated Institutions Inmate Welfare Trust Fund monies so that Department of Management Services' staff can verify such funds are being used appropriately.</p>	KEEP

16	<p>From the funds in Specific Appropriations 639, 651, and 663, the Department of Management Services is directed to execute private prison contract amendments to each operations and management contract for each correctional facility currently under its supervision in order to provide the contractors the maximum flexibility to address recurring reductions in contract amounts. Such contract amendments shall expire on June 30, 2011. The Department of Management Services and the private prison contractors may amend the provisions of the private prison operating contracts limiting correctional officer overtime and part-time hours to be consistent with the overtime and part-time use as permitted by the Department of Corrections and the American Correctional Association standards. The contract amendments may also eliminate deductions for vacant positions as long as the services associated with the position are being provided through the use of overtime or part-time staff. The Department of Management Services may amend the private prison operating contracts to provide for the payment of costs associated with all inmate academic, vocational, behavioral and substance abuse programs from funds in the Privately Operated Institutions Inmate Welfare Trust Fund. Such contract amendments may not negatively affect the Department of Corrections.</p>	REVISE

The department may consult with other state agencies on the development of this request for proposal. 62 and

63 2. May not consider performance data from prior quarters.

64 (b)1. If the office determines that a circuit meets all
65 four performance goals for a quarter, each circuit judge in the
66 circuit shall receive an award for that quarter equal to \$3,000,
67 and each county judge in the circuit shall receive an award for
68 that quarter equal to \$2,820. If a judge takes office during the
69 quarter for which the circuit meets its quarterly goals, the
70 office shall prorate the judge's award based on his or her time
71 in service.

72 2. A circuit or county judge may not receive more than one

604-02384A-11

88 counsel may create a direct-support organization.

89 (a) The direct-support organization must be registered in
90 this state as a nonprofit corporation under chapter 617. The
91 direct-support organization shall be exempt from the filing fees
92 under s. 617.0122.

93 (b) The direct-support organization shall be organized and
94 operated to conduct programs and activities; raise funds;
95 request and receive grants, gifts, and bequests of moneys;
96 acquire, receive, hold, invest, and administer, in its own name,
97 securities, funds, objects of value, or other property, real or
98 personal; and make expenditures to or for the direct or indirect
99 benefit of the office of criminal conflict and civil regional
100 counsel.

101 (c) The direct-support organization shall operate under a

111 by the direct-support organization for the office if the direct-
112 support organization ceases to exist or if the contract is
113 terminated.

115 which must begin July 1 of each year and end June 30 of the

118 and the distinction between the regional counsel and the direct-
119 support organization to donors of gifts, contributions, or
120 bequests, as well as on all promotional and fundraising
121 publications.

122 (d) If the regional counsel determines that the direct-
123 support organization is operating in a manner that is
124 inconsistent with the goals and purposes of the office of
125 criminal conflict and civil regional counsel or is not acting in
126 the best interest of the state, the regional counsel may
127 terminate the contract, and thereafter the organization may not
128 use the name of the office.

129 (e) The regional counsel shall appoint a board of directors
130 for the direct-support organization. The regional counsel may
131 designate employees of the office of criminal conflict and civil
132 regional counsel to serve on the board of directors. Members of
133 the board shall serve at the pleasure of the regional counsel.

134 (f) The regional counsel:

142 organization may use property, facilities, or personnel services
143 of the office.

144 4. May not authorize the use of property, facilities, or
145 personnel services of the direct-support organization if the

604-02384A-11

146 organization does not provide equal employment opportunities to
147 all persons, regardless of race, color, religion, sex, age, or
148 national origin.

149
150 For the purposes of this paragraph, the term "personnel
151 services" includes full-time personnel and part-time personnel
152 as well as payroll processing.

153 (g) Moneys of the direct-support organization may be held
154 in a depository account in the name of the direct-support
155 organization which is separate from the accounts of the office,
156 but which is subject to the provisions of the contract with the
157 regional counsel.

158 (h) The direct-support organization shall provide for an
159 annual financial audit in accordance with s. 215.981.

160 (i) The direct-support organization may not exercise any
161 power under s. 617.0302(12) or (16). A state employee may not
162 receive compensation from the direct-support organization for
163 service on the board of directors or for services rendered to
164 the direct-support organization.

165 Section 3. Subsections (1) and (12) of section 27.5304,
166 Florida Statutes, are amended to read:

167 27.5304 Private court-appointed counsel; compensation.—

168 (1) Private court-appointed counsel shall be compensated by
169 the Justice Administrative Commission and the Office of the
170 State Courts Administrator as provided in this section and the
171 General Appropriations Act. The flat fees prescribed in this
172 section are limitations on compensation. The specific flat fee
173 amounts for compensation shall be established annually in the
174 General Appropriations Act. The attorney also shall be

604-02384A-11

175 reimbursed for reasonable and necessary expenses in accordance
176 with s. 29.007. If the attorney is representing a defendant
177 charged with more than one offense in the same case, the
178 attorney shall be compensated at the rate provided for the most
179 serious offense for which he or she represented the defendant.
180 This section does not allow stacking of the fee limits
181 established by this section.

182 (12) The Legislature recognizes that on rare occasions an
183 attorney may receive a case that requires extraordinary and
184 unusual effort.

185 (a) If counsel seeks compensation that exceeds the limits
186 prescribed under this section and the General Appropriations
187 Act, he or she must file a motion with the chief judge for an
188 order approving payment of attorney's fees in excess of these
189 limits.

190 1. Prior to filing the motion, the counsel shall deliver a
191 copy of the intended billing, together with supporting
192 affidavits and all other necessary documentation, to the Justice
193 Administrative Commission.

194 2. The Office of the State Courts Administrator ~~Justice~~
195 ~~Administrative Commission~~ shall review the billings, affidavit,
196 and documentation for completeness and compliance with
197 contractual and statutory requirements. If the State Courts
198 Administrator ~~Justice Administrative Commission~~ objects to any
199 portion of the proposed billing, the objection and reasons
200 therefor shall be communicated in writing to the private court-
201 appointed counsel. The counsel may thereafter file his or her
202 motion, which must specify whether the State Courts
203 Administrator ~~commission~~ objects to any portion of the billing

604-02384A-11

204 or the sufficiency of documentation, and shall attach the
205 ~~commission's~~ letter stating its objection.

206 (b) Following receipt of the motion to exceed the fee
207 limits, the chief judge or a designee shall hold an evidentiary
208 hearing.

209 1. At the hearing, the attorney seeking compensation must
210 prove by competent and substantial evidence that the case
211 required extraordinary and unusual efforts. The chief judge or
212 designee shall consider criteria such as the number of
213 witnesses, the complexity of the factual and legal issues, and
214 the length of trial. The fact that a trial was conducted in a
215 case does not, by itself, constitute competent substantial
216 evidence of an extraordinary and unusual effort. In a criminal
217 case, relief under this section may not be granted if the number
218 of work hours does not exceed 75 or the number of the state's
219 witnesses deposed does not exceed 20.

220 2. The chief judge or designee shall enter a written order
221 detailing his or her findings and identifying the extraordinary
222 nature of the time and efforts of the attorney in the case which
223 warrant exceeding the flat fee established by this section and
224 the General Appropriations Act.

225 ~~(c) A copy of the motion and attachments shall be served on~~
226 ~~the Justice Administrative Commission at least 5 business days~~
227 ~~prior to the date of a hearing. The Justice Administrative~~
228 ~~Commission shall have standing to appear before the court,~~
229 ~~including at the hearing under paragraph (b), to contest any~~
230 ~~motion for an order approving payment of attorney's fees, costs,~~
231 ~~or related expenses and may participate in a hearing on the~~
232 ~~motion by use of telephonic or other communication equipment~~

604-02384A-11

233 ~~unless ordered otherwise. The Justice Administrative Commission~~
234 ~~may contract with other public or private entities or~~
235 ~~individuals to appear before the court for the purpose of~~
236 ~~contesting any motion for an order approving payment of~~
237 ~~attorney's fees, costs, or related expenses. The fact that the~~
238 ~~Justice Administrative Commission has not objected to any~~
239 ~~portion of the billing or to the sufficiency of the~~
240 ~~documentation is not binding on the court.~~

241 (c) ~~(d)~~ If the chief judge or designee finds that counsel
242 has proved by competent and substantial evidence that the case
243 required extraordinary and unusual efforts, the chief judge or
244 designee shall order the compensation to be paid to the attorney
245 at a percentage above the flat fee rate, depending on the extent
246 of the unusual and extraordinary effort required. The percentage
247 shall be only the rate necessary to ensure that the fees paid
248 are not confiscatory under common law. The percentage may not
249 exceed 200 percent of the established flat fee, absent a
250 specific finding that 200 percent of the flat fee in the case
251 would be confiscatory. If the chief judge or designee determines
252 that 200 percent of the flat fee would be confiscatory, he or
253 she shall order the amount of compensation using an hourly rate
254 not to exceed \$75 per hour for a noncapital case and \$100 per
255 hour for a capital case. However, the compensation calculated by
256 using the hourly rate shall be only that amount necessary to
257 ensure that the total fees paid are not confiscatory.

258 (d) ~~(e)~~ Any order granting relief under this subsection must
259 be attached to the final request for a payment submitted to the
260 Office of the State Courts Administrator ~~Justice Administrative~~
261 ~~Commission.~~

604-02384A-11

262 ~~(e)-(f)~~ The Justice Administrative Commission shall provide
263 to the Office of the State Courts Administrator data concerning
264 the number of cases approved for compensation in excess of the
265 limitation and the amount of these awards by circuit and by
266 judge. The Office of the State Courts Administrator shall report
267 the number of cases paid and the amount paid per case by circuit
268 ~~data~~ quarterly to the President of the Senate, the Speaker of
269 the House of Representatives, the Chief Justice of the Supreme
270 Court, and the chief judge of each circuit.

271 (f) The portion of compensation paid to private court-
272 appointed counsel under this subsection which exceeds the
273 compensation limits prescribed elsewhere under this section and
274 the General Appropriations Act shall be paid from funds
275 appropriated to the Office of the State Courts Administrator for
276 this purpose.

277 Section 4. Subsection (2) of section 28.37, Florida
278 Statutes, is amended to read:

279 28.37 Fines, fees, service charges, and costs remitted to
280 the state.—

281 (2) Except as otherwise provided in ss. 28.241 and 34.041,
282 all court-related fines, fees, service charges, and costs are
283 considered state funds and shall be remitted by the clerk to the
284 Department of Revenue for deposit into the Clerks of the Court
285 Trust Fund within the Justice Administrative Commission.
286 ~~However, 10 percent of all court-related fines collected by the~~
287 ~~clerk shall be deposited into the clerk's Public Records~~
288 ~~Modernization Trust Fund to be used exclusively for additional~~
289 ~~clerk court-related operational needs and program enhancements.~~

290 Section 5. Paragraph (b) of subsection (13) of section

604-02384A-11

291 318.18, Florida Statutes, is amended to read:

292 318.18 Amount of penalties.—The penalties required for a
293 noncriminal disposition pursuant to s. 318.14 or a criminal
294 offense listed in s. 318.17 are as follows:

295 (13)

296 (b) A county may impose a surcharge under subparagraph
297 (a)1., subparagraph(a)2., or subparagraph(a)3., but may not
298 impose more than one surcharge under this subsection. A county
299 may elect to impose a different authorized surcharge but may not
300 impose more than one surcharge at a time. The clerk of court
301 shall report, no later than 30 days after the end of the
302 quarter, the amount of funds collected under this subsection
303 during each quarter of the fiscal year. The clerk shall submit
304 the report, in an electronic a format developed by the Florida
305 Clerks of Court Operations Corporation ~~Office of State Courts~~
306 ~~Administrator~~, to the chief judge of the circuit and the Florida
307 Clerks of Court Operations Corporation. The corporation shall
308 submit the report in an electronic format to, the Governor, the
309 President of the Senate, the Speaker of the House of
310 Representatives, and the board of county commissioners.
