DYNAMIC STRATEGIES
FOR CTE TEACHERS

- 1 INNOVATIVE TEACHING TECHNIQUES
- 2 PARTNERSHIPS ACROSS DISTRICTS
- 3 EFFECTIVE PRACTICES
- 4 CLASSROOM MANAGEMENT
- 5 ENGAGEMENT STRATEGIES

THE OPPORTUNITY

Join us for an enriching professional learning series dedicated to Career and Technical Education Teachers; featuring sessions on classroom management, engagement, brain-based strategies, and high-leverage practices (HLPs). We will focus on innovative teaching techniques, strategic lesson planning, and forming valuable partnerships across districts. We will also coordinate Ed Camp-style collaborations, and effective data tracking methods to enhance student outcomes. This event promises practical strategies, collaborative networking, and hands-on learning to elevate your CTE teaching.

PARTICIPANT FEEDBACK & SURVEYS

"I loved going to another district and seeing a school that is set up so different than what I am used to seeing. I also loved getting to speak with my cohort mates and learn from their life experiences."

" This professional learning gave us opportunities to experience first hand the instructional routines that we could use with our students."

" I love the way the trainers push on our thinking and give us the opportunity to work together and reflect."

"Thank you for always being available for questions and support when we need it."

OPPORTUNITIES FOR GREATER IMPACT

- **Content Area Specialists:** Provide additional high-quality professional learning/coaching in Science and Civics
- **College and Career Readiness:** Assist districts in supporting students to prepare for higher education and the workforce through academic preparation, career exploration, planning, and skill development
- **School Safety:** Support School Safety Specialists with training and resources on cybersecurity, threat management, and legal updates
- **School Finance:** Offer training and support for school business operations
