COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 742, now titled Racing Animals, requires greyhound track veterinarians to prepare detailed reports of all injuries to racing greyhound dogs that occur while the dogs are on a racetrack or in another location. Injury reports must be signed under oath and witnessed by a representative of the Division of Pari-Mutuel Wagering (division) in the Department of Business and Professional Regulation. The reports and any associated records are public records that must be maintained for 7 years. False statements in an injury report may result in a \$1,500 fine for a first violation and \$3,000 or more for subsequent violations.

CS/SB 742 modifies requirements regarding prohibited medication or drugging of racing animals (horses and greyhounds). The fine for violations may be up to \$10,000 or the race winnings (purse amount), whichever is greater. Prosecutions must be started within 180 days of the race date. Samples collected from racing animals at racetracks are held by the division, but a portion of each sample is sent to the state laboratory to analyze whether it contains any substance prohibited in racing animals. If the analyzed sample does contain prohibited substances, the owner or trainer has the right to request analysis by an independent laboratory on remaining portion of the sample. If the second analysis does not confirm the first, or is of insufficient quantity to do so, no prosecution may be pursued against the owner or trainer, and any suspended licensee must be reinstated. The ability of laboratories approved by the division to analyze samples for prohibited substances must be assessed on an annual basis.

II. Present Situation:

As of June 30, 2013, there were 30 pari-mutuel facilities in Florida, including 16 greyhound tracks, 6 jai alai frontons, 4 quarter horse tracks, 3 thoroughbred tracks, and 1 harness track.¹ Among the 16 greyhound racing tracks, three conducted races at leased facilities.² Therefore, the actual number of operating tracks was 13. Also, there were four tracks that operated two greyhound permits each,³ bringing the total number of greyhound racing permitholders with 2013-2014 operating licenses to 20. Jefferson County Kennel Club recently closed, reducing the number of operating permitholders to 19 and the number of operating tracks to 12.

Racing greyhounds are registered with the National Greyhound Association and are used in racing at a pari-mutuel facility, or have been used, bred, raised, or trained to be used for such racing.⁴ More greyhound racing performances occur in Florida than any other state.

Regulation by Division of Pari-Mutuel Wagering

Greyhound racing is regulated by the Division of Pari-Mutuel Wagering in the Department of Business and Professional Regulation (division). The division has regulatory oversight of permitted and licensed pari-mutuel wagering facilities, cardrooms located at pari-mutuel facilities, and slot machines at pari-mutuel facilities located in Miami-Dade and Broward counties.

Under current law, greyhound permitholders are not required to have operating licenses if not currently conducting live racing, and there are 10 inactive permits: 1 greyhound,⁵ 2 jai alai, 1 limited thoroughbred,⁶ and 6 quarter horse⁷ permits.

Greyhound permitholders must apply for an annual operating license, specifying the number, dates and starting times of all performances to be conducted.⁸ A “performance” is a minimum of 8 consecutive live races.⁹ At least three live performances must be held at a track each week.¹⁰

¹ Information about facilities regulated by the Division of Pari-Mutuel Wagering are published in *82nd Annual Report, Fiscal Year 2012-2013*, <http://www.myfloridalicense.com/dbpr/pmw/documents/AR/AnnualReport2012-2013--82nd--2014-01-24.pdf> (last visited April 10, 2014).

² Tampa Greyhound conducts races at St. Petersburg Kennel Club (a.k.a., Derby Lane), and both Jacksonville Kennel Club and Bayard Raceways (St. Johns) conduct races at Orange Park Kennel Club.

³ H & T Gaming @ Mardi Gras and Mardi Gras share a facility in Hallandale Beach, Daytona Beach Kennel Club and West Volusia Racing-Daytona share a facility in Daytona Beach, Palm Beach Kennel Club and License Acquisitions-Palm Beach share a facility in West Palm Beach, and Sanford-Orlando Kennel Club and Penn Sanford @SOKC share a facility in Longwood.

⁵ North American Racing Association (Key West).

⁶ Under Section 550.3345, F.S., during Fiscal Year 2010-2011 only, holders of quarter horse permits were allowed to convert their permits to a thoroughbred racing permit, conditioned upon specific use of racing revenues for enhancement of thoroughbred purses and awards, promotion of the thoroughbred horse industry, and the care of retired thoroughbred horses. Two conversions occurred (Gulfstream-GPTARP and Ocala Thoroughbred Racing).

⁷ A quarter horse is capable of high speed for a short distance; the breed was developed in the American West. See Section 550.002(28), F.S.

⁸ Section 550.01215, F.S.

⁹ Section 550.002(25), F.S.

¹⁰ Section 550.002(11), F.S.

When a permitholder conducts at least three live performances in a week, it must pay purses (cash prizes) on wagers accepted at the track on certain greyhound races run at other tracks (in Florida or elsewhere).¹¹

In order to receive an operating license, a greyhound permitholder must have conducted a full schedule of live racing during the preceding year,¹² that is, a minimum of 100 live performances.¹³

If a permitholder does not conduct all of the performances specified in its operating license, the division may determine whether to fine the permitholder or suspend the license,¹⁴ unless the failure is due to certain events beyond the permitholder's control.¹⁵ Financial hardship itself is not an acceptable basis to avoid a fine or suspension.¹⁶

Intertrack Wagering and Simulcast

Section 550.615(2), F.S., allows a greyhound permitholder that has conducted a full schedule of live racing in the preceding year to receive broadcasts and accept wagers on any type of pari-mutuel race or game conducted by other licensed pari-mutuel permitholders in the state. This type of wagering is defined as "intertrack wagering."¹⁷

Wagering on a simulcast event occurs when a wager is placed on (1) a live race or game that is broadcast outside the state from an in-state location, or (2) a live race or game that occurs outside the state but is broadcast to a permitholder in the state.¹⁸

Cardrooms at Pari-mutuel Locations

Section s. 849.086, F.S., provides that a licensed pari-mutuel permitholder that holds a valid pari-mutuel permit and license to conduct a full schedule of greyhound performances may obtain a cardroom license. Eleven (11) of the 12 currently operating greyhound racing locations have cardrooms.¹⁹ As a result of the so-called "90% rule," the required minimum of live performances varies among greyhound permitholders (e.g., in Fiscal Year 2012-2013, the number of performances ranged from 104 to 395).

¹¹ Section 550.09514(2)(c), F.S.

¹² Section 550.002(11), F.S. In accordance with s. 550.002(38), F.S., a full schedule of live racing is calculated from July 1 to June 30, which is the state fiscal year.

¹³ The performances may be during the day or in the evenings, as set forth in the schedule that is part of the operating license issued by the division.

¹⁷ Section 550.002(17), F.S.

¹⁸ Section 550.002(32), F.S.

¹⁹ Section 849.086(5)(a), F.S., provides that an initial cardroom license may be issued to a permitholder only after its facilities are in place and it has conducted its first day of live racing or games. If more than one permitholder is operating at a facility, each permitholder must have applied for a license to conduct a full schedule of live racing. See s. 849.086(5)(b), F.S., Renewal of a cardroom license requires that the permitholder's annual application requests at least 90% of the performances conducted either (1) in the year in which its first cardroom license was issued, or (2) in the state fiscal year immediately prior to the application if a full schedule of live racing was conducted.

Slot Machines at Pari-mutuel Locations in Miami-Dade and Broward Counties

Section 551.104(4), F.S., outlines licensing requirements related to slot machine gaming, which is authorized only in Miami-Dade and Broward counties.²⁰ A greyhound permitholder that is also a slot machine licensee must conduct at least a full schedule of live racing or games as defined in Section 551.002 (11), F.S.

Injury Reporting

The division, by administrative rule pursuant to Section 550.2415(12), F.S., requires notification of the death of a racing greyhound while in training or during a race on the grounds of a greyhound track or kennel compound. The track must notify the division within 18 hours of the deceased animal's location, where the death occurred, and how to reach the kennel operator, trainer and the person making the report.²¹ Also, if an animal is injured and later dies or is euthanized, the division may conduct a postmortem examination.²²

Testing for Prohibiting Substances in Racing Animals

The racing of animals (horses and greyhound) using any drug, medication, stimulant, depressant, hypnotic, narcotic, local anesthetic, or drug-masking agent is generally prohibited.²³ However, the division may adopt rules specifying acceptable levels of naturally occurring substances in untreated animals which may not be exceeded in race-day specimens.²⁴ Other drugs and substances are permitted under limited conditions, such as furosemide to treat exercise-induced bleeding, and vitamins and minerals that do not exceed acceptable levels.²⁵ Classification of a substance in a sample as permissible or impermissible may be dependent upon whether:

- The substance is administered within or outside the allowed time frame before a race is scheduled to begin;
- The racing animal is approved for administration of the substance, is qualified by gender to receive it;
- The level of the substance exceeds acceptable levels set by administrative rule; and
- The method of administration of the substance is prohibited.²⁶

Each racetrack permitholder must maintain a detention enclosure for securing urine, blood or other samples from racing animals.²⁷ The trainer of record for each animal is responsible for the

²¹ See also Rule 61D-2.023(2)(k), F.A.C.

²² Section 550.2415(9), F.S. also provides that postmortem examinations may be made of any animal that dies while housed at a permitted racetrack, association compound, or licensed kennel or farm.

²³ Section 550.2415, F.S.

²⁴ Section 550.2415(b), F.S. The division may also set acceptable levels of environmental contaminants and trace levels of prohibited substances that are not reportable as a violation.

condition of the animals he or she enters to race,²⁸ and for securing all prescribed medications, over-the-counter medicines, and natural or synthetic medicinal compounds.²⁹

Samples of blood, urine, saliva, or any other bodily fluid may be collected from a race animal before and immediately after it has raced.³⁰ If racing officials find, through reasonably reliable evidence, that substances other than permissible substances have been administered, or that otherwise permissible substances have been administered during prohibited periods before the time of a race, the animal may be prohibited from racing in the race (scratched).³¹

The winner of every race is sent to the detention enclosure for examination by an authorized representative of the division and the taking of samples to monitor and detect both permissible and impermissible substances.³² Any other animals that participated in the race may be designated for examination and testing by the stewards, judges, racetrack veterinarian or a division representative.³³

All samples are collected by staff of the Office of Operations of the division and sent to the University of Florida College of Medicine Racing Laboratory for analysis.³⁴ Blood specimens must be collected from racing animals by veterinarians employed by the division or any licensed veterinarian hired or retained by the division, and the collection must be witnessed by the animal's trainer, owner, or designee.³⁵

The 82nd Annual Report of the division reflects that during Fiscal Year 2012-2013, the laboratory processed 89,597 samples and performed 386,276 analyses, as follows:³⁶

Sample Type	Horse Urine/Blood	Greyhound Urine	Investigative
Samples Received	20,133	69,397	67
Samples Analyzed	20,005	48,184	25
Number of Analyses	95,535	290,675	66
Positive Results	285	21	n/a

The volume of many greyhound urine samples that were taken at racetracks, 21,538 or 31% of the total, was insufficient to permit valid testing of those samples.³⁷

Of the 89,530 non-investigative samples that were collected at racetracks, 68,189 samples were analyzed, and there were 306 positive results (i.e. a finding of impermissible substances).³⁸

If a prohibited substance is found in a race-day specimen, it is evidence that the substance was administered to and in the racing animal while racing.³⁹ Test results are confidential and exempt public records for 10 days after the testing of all samples collected on a particular day have been completed and the positive results have been reported to the director of the division, or until action against a person licensed by the division has been commenced by the service of an administrative complaint.⁴⁰

Once the division notifies the owners or trainer of the positive result as required, the owner may request that each urine or blood sample be split into a primary sample and a secondary (split) sample); the splitting procedure must occur in the laboratory using procedures approved by the division by rule.⁴¹ At the request of either the affected owner or trainer, the division must send the secondary sample to an independent laboratory for analysis.

If the positive result found by the state laboratory is not confirmed by the analysis made by the independent laboratory, no further administrative or disciplinary action may be pursued by the division.⁴² If the positive result is confirmed, or if the volume of the secondary sample is insufficient to do so, then administrative proceedings may begin on the basis of the analysis made by the state laboratory.⁴³ There must be a good faith attempt by the division to obtain a sufficient quantity of fluid specimens to allow both a primary test to be made by the state laboratory and a secondary test to be made by an independent laboratory.⁴⁴ The division must begin administrative proceedings against a licensee for a violation based on a positive drug test result within 2 years of the race date.⁴⁵

According to the division, there were 27 license suspensions, and \$66,375 in fines assessed for violations of all pari-mutuel statutes and rules in Fiscal Year 2012-2103.⁴⁶ Information about the number of prosecutions for violations related to prohibited substances has been requested from the division.

III. Effect of Proposed Changes:

CS/SB 742 requires that an injury to a racing greyhound be reported by a racetrack veterinarian to the Division of Pari-Mutuel Wagering.

The bill requires reporting of the following information about an injury that does not cause a racing greyhound's death:

- Specific identification of the injured greyhound (name, tattoos, microchip information);

³⁹ Section 550.2415(1)(b), F.S.

⁴⁰ See ss. 550.2415(1)(a) and (4), F.S.

⁴¹ Section 550.2415(5)(a), F.S.

⁴⁶ See *supra* note 34, at page 3.

- Contact information for the greyhound's owner, trainer, and kennel operator; and
- The location where the injury occurred, whether on a racetrack, or elsewhere.

Further, if the injury occurs during a race, an injury report must state:

- The name of the racetrack and the time injury occurred;
- The distance, grade, race, and post position of the injured greyhound;
- The weather and track conditions at the time of the injury; and
- The type and location of the injury, its cause, and the recovery time anticipated.

Racing greyhound injury reports must be sworn to by the racetrack veterinarian under penalty of perjury and witnessed by an employee or other designated representative of the division. False statements in an injury report may result in a \$1,500 fine for a first violation and \$3,000 or more for subsequent violations.

The bill does not set a deadline for the submission of injury reports.

The bill provides that the records that are created and maintained respecting injury reports are public records that must be maintained by the division for 7 years. Any oral or written requests to the division for the records must result in the records being made "readily available."

The bill modifies requirements respecting the prohibited medication or drugging of racing animals (horses and greyhounds). The fine for violations may be up to \$10,000 or the race winnings (purse amount), whichever is greater. Prosecutions must be started within 180 days of the race date.

The division must split urine and blood samples collected at racetracks, retaining a portion of the sample sent to the state racing laboratory. (The University of Florida College of Medicine Racing Laboratory is under annual contract for these services.) If the state laboratory finds that the sample contains prohibited substances, the owner or trainer has the right to request another analysis be made on the retained portion (split sample) by an independent laboratory.

If the independent laboratory's analysis does not confirm the finding made by the state laboratory, or if the quantity of the available split sample is not sufficient to do so, no prosecution may be pursued against the owner or trainer, and any suspended license must be reinstated.

Laboratories approved by the division to analyze samples collected from racing animals must undergo third party assessment of their ability to detect and quantify substances that may be administered to racing animals.

The bill provides for an effective date of July 1, 2014.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

None.

B. Private Sector Impact:

Additional reporting will have an indeterminate impact on greyhound racetracks. The changes in sampling of urine and blood specimens from racing animals and annual assessment of independent testing laboratories will have an indeterminate impact on horse and greyhound tracks, and the owners and trainers of racing animals.

C. Government Sector Impact:

Recordkeeping and producing documents in response to public records requests for injury reports on greyhounds will have an indeterminate impact on the Division of Pari-Mutuel Wagering.

The impact of modifications to the retention by the Division of Pari-Mutuel Wagering of samples from racing animals for detection of permissible and impermissible substances, restrictions on sample evidence that may be used to prosecute violators, and the annual assessment of the laboratories performing analyses, has been requested from the division.

VI. Technical Deficiencies:

None.

VII. Related Issues:

The bill does not set deadlines for completing racing greyhound injury reports or providing reports to the Division of Pari-Mutuel Wagering.

VIII. Statutes Affected:

The bill substantially amends section 550.2415 of the Florida Statutes.

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Gaming Committee on April 8, 2014:

The committee substitute amends s. 550.2415, F.S., to modify requirements respecting the prohibited medication or drugging of racing animals (horses and greyhounds). The fine for violations may be up to \$10,000 or the race winnings (purse amount), whichever is greater. Prosecutions must be started within 180 days of the race date.

The Division of Pari-Mutuel Racing must split urine and blood samples collected at racetracks, retaining a portion of the sample sent to the state racing laboratory. If the state laboratory finds that the sample contains prohibited substances, the owner or trainer has the right to request another analysis be made on the retained portion (split sample) by an approved independent laboratory. Independent laboratories must undergo third party assessment of their ability to detect and quantify substances that may be administered to racing animals.

If the independent laboratory's analysis does not confirm the finding made by the state laboratory, or if the quantity of the available split sample is insufficient, no prosecution may be pursued against the owner or trainer, and any suspended license must be reinstated.

198 the total contributions to all pari-mutuel pools conducted
199 during the daily performance. If a permitholder conducts more
200 than one performance daily, the tax is imposed on each
201 performance separately.

202 (a) The tax on handle for quarter horse racing is 1.0

576668

215 track, and 7.1 percent if the host track is a jai alai fronton.
216 The tax on handle for intertrack wagering is 0.5 percent if the
217 host track and the guest track are thoroughbred permitholders or
218 if the guest track is located outside the market area of a
219 nongreyhound ~~the~~ host track and within the market area of a
220 thoroughbred permitholder currently conducting a live race meet.
221 The tax on handle for intertrack wagering on rebroadcasts of

223 and 1.5 percent of the handle for intertrack wagering on
224 rebroadcasts of simulcast harness horseraces. The tax shall be
225 deposited into the Pari-mutuel Wagering Trust Fund.

226 2. If the host facility is a jai alai permitholder, the tax
227 on handle for intertrack wagers is ~~accepted by any dog track~~
228 ~~located in an area of the state in which there are only three~~
229 ~~permitholders, all of which are greyhound permitholders, located~~
230 ~~in three contiguous counties, from any greyhound permitholder~~
231 ~~also located within such area or any dog track or jai alai~~
232 ~~fronton located as specified in s. 550.615(6) or (9), on races~~

234 ~~within the same market area is 3.9 percent if the host facility~~
235 ~~is a greyhound permitholder and, if the host facility is a jai~~
236 ~~alai permitholder, the rate shall be 6.1 percent except that it~~
237 shall be 2.3 percent on handle at such time as the total tax on
238 intertrack handle paid to the division by the permitholder
239 during the current state fiscal year exceeds the total tax on
240 intertrack handle paid to the division by the permitholder
241 during the 1992-1993 state fiscal year.

242 (d) Notwithstanding any other provision of this chapter, in
243 order to protect the Florida jai alai industry, effective July

576668

244 1, 2000, a jai alai permitholder may not be taxed on live handle
245 at a rate higher than 2 percent.

246 Section 7. Section 550.09514, Florida Statutes, is amended
247 to read:

248 550.09514 Greyhound dogracing taxes; purse requirements.-

249 ~~(1) Wagering on greyhound racing is subject to a tax on~~
250 ~~handle for live greyhound racing as specified in s. 550.0951(3).~~
251 ~~However, each permitholder shall pay no tax on handle until such~~
252 ~~time as this subsection has resulted in a tax savings per state~~
253 ~~fiscal year of \$360,000. Thereafter, each permitholder shall pay~~
254 ~~the tax as specified in s. 550.0951(3) on all handle for the~~
255 ~~remainder of the permitholder's current race meet. For the three~~
256 ~~permitholders that conducted a full schedule of live racing in~~
257 ~~1995, and are closest to another state that authorizes greyhound~~
258 ~~pari-mutuel wagering, the maximum tax savings per state fiscal~~
259 ~~year shall be \$500,000. The provisions of this subsection~~
260 ~~relating to tax exemptions shall not apply to any charity or~~
261 ~~scholarship performances conducted pursuant to s. 550.0351.~~

262 (1)-(2)(a) The division shall determine for each greyhound
263 permitholder the annual purse percentage rate of live handle for
264 the state fiscal year 1993-1994 by dividing total purses paid on
265 live handle by the permitholder, exclusive of payments made from
266 outside sources, during the 1993-1994 state fiscal year by the
267 permitholder's live handle for the 1993-1994 state fiscal year.
268 A greyhound ~~Each~~ permitholder conducting live racing during a
269 fiscal year shall pay as purses for such live races conducted
270 during its current race meet a percentage of its live handle not
271 less than the percentage determined under this paragraph,
272 exclusive of payments made by outside sources, for its 1993-1994

576668

273 state fiscal year.

274 (b) Except as otherwise set forth herein, in addition to
275 the minimum purse percentage required by paragraph (a), each
276 greyhound permitholder conducting live racing during a fiscal
277 year shall pay as purses an annual amount of \$60 for each live
278 race conducted equal to 75 percent of the daily license fees
279 paid by the greyhound each permitholder in for the preceding
280 1994-1995 fiscal year. This purse supplement shall be disbursed
281 weekly during the permitholder's race meet in an amount
282 determined by dividing the annual purse supplement by the number
283 of performances approved for the permitholder pursuant to its
284 annual license and multiplying that amount by the number of
285 performances conducted each week. For the greyhound
286 permitholders in the county where there are two greyhound
287 permitholders located as specified in s. 550.615(6), such
288 permitholders shall pay in the aggregate an amount equal to 75
289 percent of the daily license fees paid by such permitholders for
290 the 1994-1995 fiscal year. These permitholders shall be jointly
291 and severally liable for such purse payments. The additional
292 purses provided by this paragraph must be used exclusively for
293 purses other than stakes and shall be disbursed weekly during
294 the permitholder's race meet. The division shall conduct audits
295 necessary to ensure compliance with this section.

296 (c)1. Each greyhound permitholder, when conducting at least
297 three live performances during any week, shall pay purses in
298 that week on wagers it accepts as a guest track on intertrack
299 and simulcast greyhound races at the same rate as it pays on
300 live races. Each greyhound permitholder, when conducting at
301 least three live performances during any week, shall pay purses

576668

302 in that week, at the same rate as it pays on live races, on
303 wagers accepted on greyhound races at a guest track which is not
304 conducting live racing and is located within the same market
305 area as the greyhound permitholder conducting at least three
306 live performances during any week.

307 2. Each host greyhound permitholder shall pay purses on its
308 simulcast and intertrack broadcasts of greyhound races to guest
309 facilities that are located outside its market area in an amount
310 equal to one quarter of an amount determined by subtracting the
311 transmission costs of sending the simulcast or intertrack
312 broadcasts from an amount determined by adding the fees received
313 for greyhound simulcast races plus 3 percent of the greyhound
314 intertrack handle at guest facilities that are located outside
315 the market area of the host and that paid contractual fees to
316 the host for such broadcasts of greyhound races.

317 (d) The division shall require sufficient documentation
318 from each greyhound permitholder regarding purses paid on live
319 racing to assure that the annual purse percentage rates paid by
320 each greyhound permitholder conducting ~~on the~~ live races are not
321 reduced below those paid during the 1993-1994 state fiscal year.
322 The division shall require sufficient documentation from each
323 greyhound permitholder conducting live races to assure that the
324 purses paid by each permitholder on the greyhound intertrack and
325 simulcast broadcasts are in compliance with the requirements of
326 paragraph (c).

327 (e) In addition to the purse requirements of paragraphs
328 (a)-(c), each greyhound permitholder conducting live races shall
329 pay as purses an amount equal to one-third of the amount of the
330 tax reduction on live and simulcast handle applicable to such

576668

331 permitholder as a result of the reductions in tax rates provided
332 by s. 6 of chapter 2000-354, Laws of Florida ~~this act through~~
333 ~~the amendments to s. 550.0951(3)~~. With respect to intertrack
334 wagering when the host and guest tracks are greyhound
335 permitholders not within the same market area, an amount equal
336 to the tax reduction applicable to the guest track handle as a
337 result of the reduction in tax rate provided by s. 6 of chapter
338 2000-354, Laws of Florida, ~~this act through the amendment to s.~~
339 ~~550.0951(3)~~ shall be distributed to the guest track, one-third
340 of which amount shall be paid as purses at the guest track.
341 However, if the guest track is a greyhound permitholder within
342 the market area of the host or if the guest track is not a
343 greyhound permitholder, an amount equal to such tax reduction
344 applicable to the guest track handle shall be retained by the
345 host track, one-third of which amount shall be paid as purses at
346 the host track. These purse funds shall be disbursed in the week
347 received if the permitholder conducts at least one live
348 performance during that week. If the permitholder does not
349 conduct at least one live performance during the week in which
350 the purse funds are received, the purse funds shall be disbursed
351 weekly during the permitholder's next race meet in an amount
352 determined by dividing the purse amount by the number of
353 performances approved for the permitholder pursuant to its
354 annual license, and multiplying that amount by the number of
355 performances conducted each week. The division shall conduct
356 audits necessary to ensure compliance with this paragraph.

357 (f) Each greyhound permitholder conducting live racing
358 shall, during the permitholder's race meet, supply kennel
359 operators and the Division of Pari-Mutuel Wagering with a weekly

576668

360 report showing purses paid on live greyhound races and all
361 greyhound intertrack and simulcast broadcasts, including both as
362 a guest and a host together with the handle or commission
363 calculations on which such purses were paid and the transmission
364 costs of sending the simulcast or intertrack broadcasts, so that
365 the kennel operators may determine statutory and contractual
366 compliance.

367 (g) Each greyhound permitholder conducting live racing
368 shall make direct payment of purses to the greyhound owners who
369 have filed with such permitholder appropriate federal taxpayer
370 identification information based on the percentage amount agreed
371 upon between the kennel operator and the greyhound owner.

372 (h) At the request of a majority of kennel operators under
373 contract with a greyhound permitholder conducting live racing,
374 the permitholder shall make deductions from purses paid to each
375 kennel operator electing such deduction and shall make a direct
376 payment of such deductions to the local association of greyhound
377 kennel operators formed by a majority of kennel operators under
378 contract with the permitholder. The amount of the deduction
379 shall be at least 1 percent of purses, as determined by the
380 local association of greyhound kennel operators. ~~No~~ Deductions
381 may not be taken pursuant to this paragraph without a kennel
382 operator's specific approval before or after the effective date
383 of this act.

384 (2)~~(3)~~ For the purpose of this section, the term "live
385 handle" means the handle from wagers placed at the
386 permitholder's establishment on the live greyhound races
387 conducted at the permitholder's establishment.

388 Section 8. Subsection (2) of section 550.1625, Florida

576668

389 Statutes, is amended to read:

390 550.1625 Dogracing; taxes.—

391 (2) A permitholder that conducts a dograce meet under this
392 chapter must pay ~~the daily license fee,~~ the admission tax, ~~the~~
393 ~~breaks tax,~~ and the tax on pari-mutuel handle as provided in s.
394 550.0951 and is subject to all penalties and sanctions provided
395 in s. 550.0951(6).

396 Section 9. Section 550.1647, Florida Statutes, is repealed.

397 Section 10. Section 550.1648, Florida Statutes, is amended
398 to read:

399 550.1648 Greyhound adoptions.—

400 ~~(1) A Each dogracing permitholder conducting live racing at~~
401 ~~operating a dogracing facility in this state shall provide for a~~
402 ~~greyhound adoption booth to be located at the facility.~~

403 (1) The greyhound adoption booth must be operated on
404 weekends by personnel or volunteers from a bona fide
405 organization that promotes or encourages the adoption of
406 greyhounds pursuant to s. 550.1647. Such bona fide organization,
407 as a condition of adoption, must provide sterilization of
408 greyhounds by a licensed veterinarian before relinquishing
409 custody of the greyhound to the adopter. The fee for
410 sterilization may be included in the cost of adoption. As used
411 in this section, the term "weekend" includes the hours during
412 which live greyhound racing is conducted on Friday, Saturday, or
413 Sunday, and the term "bona fide organization that promotes or
414 encourages the adoption of greyhounds" means an organization
415 that provides evidence of compliance with chapter 496 and
416 possesses a valid exemption from federal taxation issued by the
417 Internal Revenue Service. Information pamphlets and application

576668

418 forms shall be provided to the public upon request.

419 (2) ~~In addition,~~ The kennel operator or owner shall notify
420 the permitholder that a greyhound is available for adoption and
421 the permitholder shall provide information concerning the
422 adoption of a greyhound in each race program and shall post
423 adoption information at conspicuous locations throughout the
424 dogracing facility. Any greyhound that is participating in a
425 race and that will be available for future adoption must be
426 noted in the race program. The permitholder shall allow
427 greyhounds to be walked through the track facility to publicize
428 the greyhound adoption program.

429 ~~(2) In addition to the charity days authorized under s.~~
430 ~~550.0351, a greyhound permitholder may fund the greyhound~~
431 ~~adoption program by holding a charity racing day designated as~~
432 ~~"Greyhound Adopt-A-Pet Day." All profits derived from the~~
433 ~~operation of the charity day must be placed into a fund used to~~
434 ~~support activities at the racing facility which promote the~~
435 ~~adoption of greyhounds. The division may adopt rules for~~
436 ~~administering the fund. Proceeds from the charity day authorized~~
437 ~~in this subsection may not be used as a source of funds for the~~
438 ~~purposes set forth in s. 550.1647.~~

439 (3) (a) Upon a violation of this section by a permitholder
440 or licensee, the division may impose a penalty as provided in s.
441 550.0251(10) and require the permitholder to take corrective
442 action.

443 (b) A penalty imposed under s. 550.0251(10) does not
444 exclude a prosecution for cruelty to animals or for any other
445 criminal act.

446 Section 11. Subsection (1) of section 550.26165, Florida

576668

447 Statutes, is amended to read:

448 550.26165 Breeders' awards.—

449 (1) The purpose of this section is to encourage the
450 agricultural activity of breeding and training racehorses in
451 this state. Moneys dedicated in this chapter for use as
452 breeders' awards and stallion awards are to be used for awards
453 to breeders of registered Florida-bred horses winning horseraces
454 and for similar awards to the owners of stallions who sired
455 Florida-bred horses winning stakes races, if the stallions are
456 registered as Florida stallions standing in this state. Such
457 awards shall be given at a uniform rate to all winners of the
458 awards, shall not be greater than 20 percent of the announced
459 gross purse, and shall not be less than 15 percent of the
460 announced gross purse if funds are available. In addition, no
461 less than 17 percent nor more than 40 percent, as determined by
462 the Florida Thoroughbred Breeders' Association, of the moneys
463 dedicated in this chapter for use as breeders' awards and
464 stallion awards for thoroughbreds shall be returned pro rata to
465 the permitholders that generated the moneys for special racing
466 awards to be distributed by the permitholders to owners of
467 thoroughbred horses participating in prescribed thoroughbred
468 stakes races, nonstakes races, or both, all in accordance with a
469 written agreement establishing the rate, procedure, and
470 eligibility requirements for such awards entered into by the
471 permitholder, the Florida Thoroughbred Breeders' Association,
472 and the Florida Horsemen's Benevolent and Protective
473 Association, Inc., except that the plan for the distribution by
474 any permitholder located in the area described in s. 550.615(8)
475 ~~s. 550.615(9)~~ shall be agreed upon by that permitholder, the

576668

476 Florida Thoroughbred Breeders' Association, and the association
477 representing a majority of the thoroughbred racehorse owners and
478 trainers at that location. Awards for thoroughbred races are to
479 be paid through the Florida Thoroughbred Breeders' Association,
480 and awards for standardbred races are to be paid through the
481 Florida Standardbred Breeders and Owners Association. Among
482 other sources specified in this chapter, moneys for thoroughbred
483 breeders' awards will come from the 0.955 percent of handle for
484 thoroughbred races conducted, received, broadcast, or simulcast
485 under this chapter as provided in s. 550.2625(3). The moneys for
486 quarter horse and harness breeders' awards will come from the
487 breaks and uncashed tickets on live quarter horse and harness
488 racing performances and 1 percent of handle on intertrack
489 wagering. The funds for these breeders' awards shall be paid to
490 the respective breeders' associations by the permitholders
491 conducting the races.

492 Section 12. Paragraph (a) of subsection (6) of section
493 550.3551, Florida Statutes, is amended to read:

494 550.3551 Transmission of racing and jai alai information;
495 commingling of pari-mutuel pools.—

496 (6) (a) ~~A maximum of 20 percent of the total number of races~~
497 ~~on which wagers are accepted by a greyhound permitholder not~~
498 ~~located as specified in s. 550.615(6) may be received from~~
499 ~~locations outside this state. A horseracing or a jai alai~~
500 permitholder may not conduct fewer than eight live races or
501 games on any authorized race day except as provided in this
502 subsection. A thoroughbred permitholder may not conduct fewer
503 than eight live races on any race day without the written
504 approval of the Florida Thoroughbred Breeders' Association and

576668

505 the Florida Horsemen's Benevolent and Protective Association,
506 Inc., unless it is determined by the department that another
507 entity represents a majority of the thoroughbred racehorse
508 owners and trainers in the state. A harness permitholder may
509 conduct fewer than eight live races on any authorized race day,
510 except that such permitholder must conduct a full schedule of
511 live racing during its race meet consisting of at least eight
512 live races per authorized race day for at least 100 days. Any
513 harness ~~horse~~ permitholder that during the preceding racing
514 season conducted a full schedule of live racing may, at any time
515 during its current race meet, receive full-card broadcasts of
516 harness horse races conducted at harness racetracks outside this
517 state at the harness track of the permitholder and accept wagers
518 on such harness races. With specific authorization from the
519 division for special racing events, a permitholder may conduct
520 fewer than eight live races or games when the permitholder also
521 broadcasts out-of-state races or games. The division may not
522 grant more than two such exceptions a year for a permitholder in
523 any 12-month period, and those two exceptions may not be
524 consecutive.

525 Section 13. Subsections (2), (7), (8), and (9) and present
526 subsection (10) of section 550.615, Florida Statutes, are
527 amended, and a new subsection (10) is added to that section, to
528 read:

529 550.615 Intertrack wagering.—

530 (2) A ~~Any~~ track or fronton licensed under this chapter
531 which conducted a full schedule of live racing or games in the
532 preceding year ~~conducted a full schedule of live racing~~ is
533 qualified to, at any time, receive broadcasts of any class of

576668

534 pari-mutuel race or game and accept wagers on such races or
535 games conducted by any class of permitholders licensed under
536 this chapter.

537 ~~(7) In any county of the state where there are only two~~
538 ~~permits, one for dogracing and one for jai alai, no intertrack~~
539 ~~wager may be taken during the period of time when a permitholder~~
540 ~~is not licensed to conduct live races or games without the~~
541 ~~written consent of the other permitholder that is conducting~~
542 ~~live races or games. However, if neither permitholder is~~
543 ~~conducting live races or games, either permitholder may accept~~
544 ~~intertrack wagers on horseraces or on the same class of races or~~
545 ~~games, or on both horseraces and the same class of races or~~
546 ~~games as is authorized by its permit.~~

547 ~~(7)-(8) In any three contiguous counties of the state where~~
548 ~~there are only three permitholders, all of which are greyhound~~
549 ~~permitholders, If a greyhound any permitholder leases the~~
550 ~~facility of another greyhound permitholder for the purpose of~~
551 ~~conducting all or any portion of ~~the conduct of its live race~~~~
552 ~~meet pursuant to s. 550.475, such lessee may conduct intertrack~~
553 ~~wagering at its pre-lease permitted facility throughout the~~
554 ~~entire year, including while its race ~~live~~ meet is being~~
555 ~~conducted at the leased facility, ~~if such permitholder has~~~~
556 ~~conducted a full schedule of live racing during the preceding~~
557 ~~fiscal year at its pre-lease permitted facility or at a leased~~
558 ~~facility, or combination thereof.~~

559 ~~(8)-(9) In any two contiguous counties of the state in which~~
560 ~~there are located only four active permits, one for thoroughbred~~
561 ~~horse racing, two for greyhound dogracing, and one for jai alai~~
562 ~~games, no intertrack wager may be accepted on the same class of~~

576668

563 live races or games of any permitholder without the written
564 consent of such operating permitholders conducting the same
565 class of live races or games if the guest track is within the
566 market area of such operating permitholder.

567 (9)~~(10)~~ All costs of receiving the transmission of the
568 broadcasts shall be borne by the guest track; and all costs of
569 sending the broadcasts shall be borne by the host track.

570 (10) A greyhound permitholder that did not conduct live
571 racing at its facility in the preceding fiscal year is
572 authorized to accept wagers on live races conducted at out-of-
573 state greyhound tracks only on the days that such permitholder
574 is accepting all wagers on all races conducted by each greyhound
575 permitholder conducting live racing in this state whose
576 simulcast signal is made available to such permitholder.

577 Section 14. Paragraph (g) of subsection (9) of section
578 550.6305, Florida Statutes, is amended to read:

579 550.6305 Intertrack wagering; guest track payments;
580 accounting rules.-

581 (9) A host track that has contracted with an out-of-state
582 horse track to broadcast live races conducted at such out-of-
583 state horse track pursuant to s. 550.3551(5) may broadcast such
584 out-of-state races to any guest track and accept wagers thereon
585 in the same manner as is provided in s. 550.3551.

586 (g)1. Any thoroughbred permitholder which accepts wagers on
587 a simulcast signal must make the signal available to any
588 permitholder that is eligible to conduct intertrack wagering
589 under the provisions of ss. 550.615-550.6345.

590 2. Any thoroughbred permitholder which accepts wagers on a
591 simulcast signal received after 6 p.m. must make such signal

576668

603 ~~550.615(9)~~. Such guest permitholders are authorized to accept
604 wagers on such simulcast signals for a number of performances
605 not to exceed that which constitutes a full schedule of live
606 races for a quarter horse permitholder pursuant to s.
607 550.002(11), notwithstanding any other provision of this chapter
608 to the contrary, ~~except that the restrictions provided in s.~~
609 ~~550.615(9) (a) apply to wagers on such simulcast signals.~~

610
611 No thoroughbred permitholder shall be required to continue to
612 rebroadcast a simulcast signal to any in-state permitholder if
613 the average per performance gross receipts returned to the host
614 permitholder over the preceding 30-day period were less than
615 \$100. Subject to the provisions of s. 550.615(4), as a condition
616 of receiving rebroadcasts of thoroughbred simulcast signals
617 under this paragraph, a guest permitholder must accept
618 intertrack wagers on all live races conducted by all then-

644 Section 16. Paragraph (c) of subsection (4) of section
645 551.104, Florida Statutes, is amended to read:

646 551.104 License to conduct slot machine gaming.—

647 (4) As a condition of licensure and to maintain continued
648 authority for the conduct of slot machine gaming, the slot
649 machine licensee shall:

576668

650 (c) Conduct no fewer than a full schedule of live racing or
651 games as defined in s. 550.002(11), except for greyhound
652 permitholders, which do not have a live racing requirement for
653 the purpose of maintaining licensure under this chapter. A
654 permitholder's responsibility to conduct such number of live
655 races or games shall be reduced by the number of races or games
656 that could not be conducted due to the direct result of fire,
657 war, hurricane, or other disaster or event beyond the control of
658 the permitholder.

659 Section 17. Subsections (2) and (4) of section 551.114,
660 Florida Statutes, are amended to read:

661 551.114 Slot machine gaming areas.—

662 (2) The slot machine licensee shall display pari-mutuel
663 races or games within the designated slot machine gaming areas
664 and offer patrons within the designated slot machine gaming

666 intertrack, and simulcast races conducted or offered to patrons
667 of the licensed facility.

668 (4) Designated slot machine gaming areas may be located
669 within the current live gaming facility or in an existing
670 building that must be contiguous and connected to the live
671 gaming facility or, for greyhound permitholders, the location
672 where live races are or were previously conducted. If a
673 designated slot machine gaming area is to be located in a
674 building that is to be constructed, that new building must be
675 contiguous and connected to the live gaming facility.

676 Section 18. Paragraphs (a) and (b) of subsection (5) and
677 paragraph (d) of subsection (13) of section 849.086, Florida
678 Statutes, are amended to read:

679 849.086 Cardrooms authorized.—

680 (5) LICENSE REQUIRED; APPLICATION; FEES.—No person may
681 operate a cardroom in this state unless such person holds a
682 valid cardroom license issued pursuant to this section.

683 (a) Only those persons holding a valid cardroom license
684 issued by the division may operate a cardroom. A cardroom
685 license may only be issued to a licensed pari-mutuel
686 permitholder. ~~and~~ An authorized cardroom may only be operated at
687 the same facility at which the permitholder is authorized under
688 its valid pari-mutuel wagering permit to conduct pari-mutuel
689 wagering activities. An initial cardroom license shall be issued
690 to a pari-mutuel permitholder only after its facilities are in
691 place and after it conducts its first day of live racing or
692 games. Notwithstanding any law to the contrary, a greyhound
693 permitholder is not required to conduct a minimum number of
694 requested or conducted live performances in order to receive,
695 maintain, or renew a cardroom license.

696 (b) After the initial cardroom license is granted, the
697 application for the annual license renewal shall be made in
698 conjunction with the applicant's annual application for its
699 pari-mutuel license. If a permitholder has operated a cardroom
700 during any of the 3 previous fiscal years and fails to include a
701 renewal request for the operation of the cardroom in its annual
702 application for license renewal, the permitholder may amend its
703 annual application to include operation of the cardroom. In
704 order for a cardroom license to be renewed the applicant must
705 have requested, as part of its pari-mutuel annual license
706 application, to conduct at least 90 percent of the total number
707 of live performances conducted by such permitholder during

576668

708 either the state fiscal year in which its initial cardroom
709 license was issued or the state fiscal year immediately prior
710 thereto if the permitholder ran at least a full schedule of live
711 racing or games in the prior year. If the application is for a
712 harness permitholder cardroom, the applicant must have requested
713 authorization to conduct a minimum of 140 live performances
714 during the state fiscal year immediately prior thereto. If more
715 than one permitholder is operating at a facility, each
716 permitholder must have applied for a license to conduct a full
717 schedule of live racing. Notwithstanding any law to the
718 contrary, a greyhound permitholder is not required to conduct a
719 minimum number of requested or conducted live performances in
720 order to receive, maintain, or renew a cardroom license.
721 However, as a condition of cardroom licensure, a greyhound
722 permitholder must conduct intertrack wagering on greyhound
723 signals, to the extent available, on each day of cardroom
724 operation.

725 (13) TAXES AND OTHER PAYMENTS.—

726 (d)1. Each greyhound permitholder conducting live racing
727 and jai alai permitholder that operates a cardroom facility
728 shall use at least 4 percent of such permitholder's cardroom
729 monthly gross receipts to supplement greyhound purses, if any,
730 or jai alai prize money, respectively, during the permitholder's
731 current or next ensuing pari-mutuel meet.

732 2. Each thoroughbred and harness horse racing permitholder
733 that operates a cardroom facility shall use at least 50 percent
734 of such permitholder's cardroom monthly net proceeds as follows:
735 47 percent to supplement purses and 3 percent to supplement
736 breeders' awards during the permitholder's next ensuing racing

576668

737 meet.

738 3. A ~~No~~ cardroom license or renewal thereof may not ~~shall~~
739 be issued to an applicant holding a permit under chapter 550 to
740 conduct pari-mutuel wagering meets of quarter horse racing
741 unless the applicant has on file with the division a binding
742 written agreement between the applicant and the Florida Quarter
743 Horse Racing Association or the association representing a
744 majority of the horse owners and trainers at the applicant's
745 eligible facility, governing the payment of purses on live
746 quarter horse races conducted at the licensee's pari-mutuel
747 facility. The agreement governing purses may direct the payment
748 of such purses from revenues generated by any wagering or gaming
749 the applicant is authorized to conduct under Florida law. All
750 purses shall be subject to the terms of chapter 550.

751 Section 19. This act shall take effect July 1, 2014.

14 Controlled therapeutic medications may include only the specific
15 medications and concentrations allowed in biological samples

17 medications. The division shall adopt laboratory-screening
18 limits approved by ARCI for drugs and medications that are not
19 included as controlled therapeutic medications.

20 (b) The division rules must designate the appropriate
21 biological specimens by which the administration of medications,

Subject: Gaming Committee agenda request SB 742 - Greyhound Injury Reporting

February 28, 2014

Senator Garrett Richter, Chair

404 Senate Office Building
404 South Monroe Street
Tallahassee, Florida 32399

Dear Chair Richter,

This letter is to request that **SB 742** relating to Greyhound Injury Reporting be placed on the agenda of the next scheduled meeting of the Gaming Committee.

The proposed legislation would require facilities that race greyhounds to report and provide documentation of any injury or death relating to greyhounds housed within their facility. Every three days, a racing greyhound dies in Florida. Further, Florida is one of only two states in the country that does not require this information to be provided by these facilities.

Thank you for your consideration of this request.

With Best Regards,
