**I. Summary:**

SB 1508 substantially revises chapter 333, F.S., containing airport zoning provisions relating to the management of airspace and land use at or near airports. Generally, the bill:

- Updates statutory definitions and terms in accordance with federal regulations.
- Streamlines the current local airport protection zoning process to a simpler permitting model.
- Provides local governments the flexibility to structure and incorporate the airport protection zoning review process into existing local zoning review processes and repeals duplicative requirements for a variance process.
- Makes other grammatical, editorial, and conforming changes.

The bill is expected to present an indeterminate but positive fiscal impact resulting from simplification and streamlining of the state and local processes. See Section V.

The bill takes effect July 1, 2016.

**II. Present Situation:**

Due to the extensive chapter revision, the present situation for each section of the bill is discussed below in conjunction with the Effect of Proposed Changes.

**III. Effect of Proposed Changes:**

**Airport Zoning**

Chapter 333, Florida Statutes, contains airport zoning provisions relating to the management of airspace and land use at or near airports. Generally, the chapter:

- Addresses permitting for structures exceeding federal obstruction standards;
- Requires adoption of certain airport zoning regulations;

- Provides a process for seeking variances from the zoning regulations;
- Sets out a process for appeal of decisions based on the zoning regulations;
- Requires boards of adjustment to hear and decide appeals;
- Provides for judicial review of any board of adjustment decision; and
- Establishes penalties and remedies for violations.

The Florida Department of Transportation (FDOT) in 2012 created a stakeholder working group to address problems with implementing this chapter. Representatives from airports, local planning and zoning departments, the Florida Defense Alliance, the League of Cities, the Florida Airports Council, the real estate development community, and the FDOT participated in the working group. The FDOT advises that ch. 333, F.S., “contains outdated and inconsistent provisions when compared to applicable federal regulations, contains internal inconsistencies, and requires a local government airport protection zoning process that can be cumbersome and confusing.”<sup>1</sup>

The FDOT advises it expects no substantive changes as a result of the bill’s proposed revisions; e.g., the existing requirements for issuance of permits are substantively unchanged. The number of permits issued or denied is not expected to change. Rather, the changes are designed to facilitate more uniform permitting, appeals, and review processes applied at the local level and provide clarity and predictability for those subject to airport zoning regulations.<sup>2</sup>

## **Definitions**

### ***Present Situation***

Section 333.01, F.S., contains definitions related to airport zoning that need updating for internal chapter consistency and for consistency with federal regulations.

### ***Effect of Proposed Changes***

**Section 1** amends s. 333.01, F.S., to provide, revise, and delete definitions to:

- Reflect terminology used in federal regulations;
- Provide for consistency with Federal Aviation Administration (FAA) advisements;
- Remove antiquated terminology;
- Delete variances from definitions to reflect the streamlined permitting process effected in the bill; and
- Otherwise provide clarity through editorial and grammatical changes.

## **Permitting for Structures Exceeding Federal Obstruction Standards**

### ***Present Situation***

The Code of Federal Regulations (CFR) sets forth standards for structures that present a hazard within an area in an airport due to obstruction of the airspace required for aircraft to take off,

<sup>1</sup> See the FDOT 2015 Agency Proposal, *Airspace and Land Use at Public Airports*, p. 1. (On file in the Senate Transportation Committee.)

<sup>2</sup> Conversation with FDOT Legislative and Legal Staff during joint meeting with Senate and House staff, January 30, 2015.

maneuver, or land.<sup>3</sup> Section 333.025, F.S., requires a permit from the FDOT for any proposed construction or alteration of a structure that would exceed the federal standards.<sup>4</sup> A permit from the FDOT is not required if a political subdivision<sup>5</sup> has adopted adequate airspace protection regulations and filed them with the FDOT.

The FDOT must issue or deny a permit within 30 days of receipt of an application for any structure that would exceed the federal obstruction standards. The FDOT is prohibited from approving a permit unless the applicant submits both documentation showing compliance with federal notification requirements and a valid aeronautical evaluation.

### *Effect of Proposed Changes*

**Section 2** amends s. 333.025, F.S., to replace the term “geographic center” with “airport reference point,” which is located at the approximate geometric center of all usable runways and to update references to current federal regulations.

If a political subdivision has adopted adequate airport protection zoning regulations, placed the regulations on file with the FDOT, *and* the political subdivision has established a permitting process, a permit from the FDOT is not required for construction or alteration of an obstruction. Upon receipt of a complete permit application, the local government must provide a copy of the application to the FDOT. The bill provides a 15-day FDOT review period following receipt of the application, which must run concurrently with the established local permitting process.

The FDOT is required to review permit applications in conformity with s. 120.60, F.S., relating to licensing. The list of factors to be considered by the FDOT is revised to remove ambiguity and duplication, and to provide clarity. The FDOT must require the owner of a permitted obstruction to install, operate, and maintain marking and lighting in conformance with FAA standards, at the owner’s expense. The denial of a permit is subjected to the administrative review provisions of the Administrative Procedures Act.

### **Adoption of Airport Zoning Regulations**

#### *Present Situation*

Section 333.03, F.S., requires political subdivisions with an airport hazard area<sup>6</sup> to adopt, administer, and enforce airport zoning regulations for the area. If the airport is owned or controlled by a political subdivision and has a hazard area outside of its territorial limits, the political subdivision and the political subdivision within which the hazard area is located must either adopt zoning regulations by interlocal agreement or create a joint airport zoning board with the power to do so. The airport zoning regulations must, at a minimum, require:

- A variance for any structure that would exceed the federal obstruction standards;

---

<sup>3</sup> See 14 C.F.R. part 77, subpart C (2015).

<sup>4</sup> Public airports are licensed under the provisions of ch. 330, F.S.

<sup>5</sup> Generally, a local governmental entity, see section 333.01(9), F.S.

<sup>6</sup> The bill redefines “airport hazard” to mean an obstruction to air navigation which affects the safe and efficient use of navigable airspace or the operation of planned or existing air navigation and communication facilities. The definition of “obstruction” is revised, also to reflect terminology used in the federal standards for determining obstructions. “Airport hazard area” is redefined in the bill to mean any area of land or water upon which an airport hazard might be established.

- Obstruction marking and lighting per s. 333.07(3);
- Documentation of compliance with federal proposed construction notification and a valid aeronautical evaluation submitted by each person applying for a variance;
- Consideration of the same factors when determining whether to issue or deny a variance as required of the FDOT when considering permit applications; and
- No variance be approved solely on the basis that a structure will not exceed the federal obstruction standards.

The FDOT is required to issue copies of the federal obstruction standards in the CFR to each political subdivision with an airport hazard area, and issue certain airport zoning maps at no cost.

Interim land use compatibility zoning regulations must be adopted and must consider whether sanitary landfills are located within certain areas and whether any landfill will attract or sustain hazardous bird movements. If a public-use airport has conducted a federal noise study, residential construction and educational facilities are prohibited within the area. If no study is conducted, the same construction is prohibited within a certain distance.

Airport zoning regulations restricting new incompatible uses within runway clear zones must be adopted. Certain limited exceptions for construction of educational facilities in specified areas are authorized.

### *Effect of Proposed Changes*

**Section 3** amends s. 333.03, F.S., to eliminate the duplicative requirement for obtaining a variance for structures that would exceed federal obstruction standards, in favor of a local permitting process. Every political subdivision having an airport hazard area is required to adopt airport *protection* zoning regulations. In addition to editorial and grammatical revisions, this section revises language to:

- Replace citations to the federal obstruction standards contained in the CFR with terminology used in the CFR; *i.e.*, permits for the “construction or alteration of any obstruction.”
- Remove the FDOT’s duty to provide copies of the federal obstruction standards contained in the CFR and to issue maps, and replace it with making the FDOT available to provide assistance with respect to the standards.
- Update citations to the CFR.
- Eliminate the reporting requirements related to birds at airports near landfills in favor of requiring the landfill operator to incorporate bird management techniques.
- Include substantial modification of existing incompatible uses in the required adopted regulations restricting such uses within runway *protection* zones.
- Remove the limited exceptions for construction of educational facilities when a noise study has been conducted in accordance with the federal regulations;
- Delete outdated language.
- Authorize an airport authority, local government, or other governing body operating a public-use airport to adopt more restrictive airport protection zoning regulations, per the FDOT, to allow restrictions appropriate to the local context of the airport.<sup>7</sup>

<sup>7</sup> See the FDOT document provided to staff, *Proposed ch. 333, F.S. Amendments and Legislative Support Documentation*. (On file in the Senate Transportation Committee.)

## **Guidelines Regarding Land Use Near Airports**

### ***Present Situation***

Section 333.065, F.S., requires the FDOT, after consultation with the Department of Economic Opportunity, local governments, and other interested persons, to adopt by rule recommended guidelines regarding compatible land uses in the vicinity of airports. The guidelines must use certain acceptable and established quantitative measures.

### ***Effect of Proposed Changes***

**Section 7** repeals s. 333.065, F.S. The FDOT advises the deletion reflects completion of the FDOT's Airport Compatible Land Use Guidebook.<sup>8</sup>

## **Permits, Variances, and Appeals**

### ***Present Situation***

Section 333.07, F.S., authorizes any adopted airport zoning regulations to require a permit be obtained before any new structure or use is constructed or established and before any existing use or structure may be substantially changed or repaired. All such regulations must require a permit before any nonconforming structure or tree may be replaced, substantially altered or repaired, rebuilt, allowed to grow higher, or replanted.

If a nonconforming use, structure, or tree has been abandoned or is more than 80 percent torn down or deteriorated, a permit may not be issued under certain conditions. The owner of a nonconforming structure or tree may be compelled, at the owner's expense, to undergo certain actions to conform.

Any person desiring to erect any structure, increase the height of any structure, permit the growth of any tree, or otherwise use his or her property in violation of the adopted airport zoning regulations is authorized to apply to a board of adjustment for a variance from the regulations. Conditions for allowance of variations are provided. The FDOT is authorized to appeal any variance granted and to apply for judicial relief.

As a condition of any granted permit or variance, the administrative agency or board of adjustment must require the structure or tree owner to install, operate, and maintain at the owner's expense marking and lighting necessary to indicate to aircraft pilots the presence of an obstruction.

Section 333.08, F.S., authorizes any affected person or taxpayer; or any governing body of a political subdivision, the FDOT, or any joint airport zoning board, to appeal any decision of an administrative agency in its administration of adopted airport zoning regulations to the board of adjustment authorized to hear and decide appeals from the decisions of such administrative agency.

---

<sup>8</sup> *Id.*

### *Effect of Proposed Changes*

**Section 8** amends s. 333.07, F.S., to streamline the permitting process, repeal the duplicative variance process, and facilitate implementation of the permitting process by local entities. More specifically, rather than authorizing any adopted airport zoning regulations to require a permit be obtained before any new structure or use is constructed or established and before any existing use or structure may be substantially changed or repaired, the bill simply requires a permit to construct, alter, or allow an airport obstruction in an airport hazard area in violation of the adopted airport protection zoning regulations.

The political subdivision or its administrative agency must consider virtually the same standards as must be considered by the FDOT when issuing or denying a permit for structures exceeding federal obstruction standards. All variance provisions are removed in favor of the permitting process. In addition, provisions relating to a lien resulting from an owner's failure to take action to bring a nonconforming structure or tree into regulatory compliance are removed. The FDOT's 45-day comment period is removed in favor of the shortened 15-day period of review for technical consistency described above. Obstruction marking and lighting is required in conformance with specific standards established by the FAA. Outdated language is repealed.

**Section 9** repeals s. 333.08, F.S., authorizing and providing requirements for appeals of zoning regulation decisions, in favor of relocated, modified appeals language in s. 333.09, F.S.

### **Administration of Airport Zoning Regulations**

#### *Present Situation*

Section 333.09, F.S., requires all adopted airport zoning regulations to provide for administration and enforcement by an administrative agency; by any official, board, or other existing agency of the political subdivision adopting the regulations; or by one of the subdivisions that participated in creating a joint airport zoning board adopting the regulations. The duties of any such administrative agency include hearing and deciding all permits under s. 333.07, F.S., but not any of the powers delegated to the board of adjustment.

Section 333.10, F.S., currently requires all adopted airport zoning regulations to provide for a board of adjustment to hear and decide appeals and variances.

#### *Effect of Proposed Changes*

**Section 10** amends s. 333.09, F.S., to remove the list of entities that may be an administrative agency, per the FDOT, to reflect correct community planning terminology.<sup>9</sup> Administration and enforcement is left to the affected political subdivision or its administrative agency. Also removed is the prohibition against an administrative agency exercising the powers delegated to the board of adjustment.

---

<sup>9</sup> *Supra* note 7.

Political subdivisions required to adopt airport zoning regulations must establish a process to:

- Issue or deny permits consistent with s. 333.07, F.S.;
- Provide the FDOT with a copy of a complete permit application; and
- Enforce the issuance or denial of a permit or other determination made by the administrative agency with respect to airport zoning regulations.

Appeals must be taken within a reasonable time provided by the political subdivision or its administrative agency by filing a notice of appeal. An appeal stays all proceedings in the underlying action, unless the entity from which the appeal is taken certifies that a stay would cause imminent peril to life or property.

The political subdivision or its administrative agency must set a reasonable time for the hearing of appeals and decide appeals within a reasonable time. A party may appear in person, by agent, or by attorney. The subdivision or agency may affirm, reverse, or modify the decision on the permit or other determination from which the appeal is taken.

**Section 11** repeals s. 333.10, F.S., currently requiring all adopted airport zoning regulations to provide for a board of adjustment to hear and decide appeals and variances, in favor of the local government permitting and appeals process established by the bill in revised s. 333.09, F.S.

## **Judicial Review**

### ***Present Situation***

Section 333.11, F.S., authorizes any person aggrieved or any taxpayer affected by a decision of a board of adjustment, any governing body of a political subdivision, the FDOT, any joint airport zoning board, or any administrative agency to apply for judicial relief in the judicial circuit court where the board of adjustment is located. The section provides procedural provisions related to the board of adjustment, describes the court's authorized review of a decision by a board of adjustment, and prohibits judicial review in provisions related to a board of adjustment.

### ***Effect of Proposed Changes***

**Section 12** amends s. 333.11, F.S., to allow any person, political subdivision, or joint airport zoning board affected by a decision of a political subdivision or its administrative agency to apply for judicial relief and to remove references to the board of adjustment, but otherwise leaves the authorization to apply for judicial review in place. The judicial review prohibition is revised. An appellant is required to exhaust all remedies through application for local government permits, exceptions, and appeals before seeking judicial review.

### **Transition Provisions**

**Section 15** of the bill creates s. 333.135, F.S., to:

- Provide that any airport zoning regulation in effect on July 1, 2016, and in conflict with the revised ch. 333, F.S., must be amended to conform by July 1, 2017.
- Require any political subdivision with an airport that has not adopted airport zoning regulations to do so by July 1, 2017, consistent with the revised chapter.
- Require the FDOT to administer the permitting process as provided in s. 333.025, F.S., for political subdivisions that have not yet adopted the required regulations.

### **Technical Revisions**

**Sections 4, 5, 6, 13, and 14**, amending ss. 333.04, 333.05, 333.06, 333.12, and 333.13, F.S., respectively, primarily make grammatical and editorial revisions to existing language and modify sections of the chapter for internal consistency with definitions.

**Section 16** repeals s. 333.14, F.S., containing the short title of chapter 333, F.S., the “Airport Zoning Law of 1945.”

## **IV. Constitutional Issues:**

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

## **V. Fiscal Impact Statement:**

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

According to the FDOT, property owners near airports and property development businesses should benefit from a more timely, consistent, and predictable land development process. The re-write is intended to save property owners and businesses time and resources, while protecting the airspace and state aviation facilities from encroachment.<sup>10</sup>

---

<sup>10</sup> *Supra* note 7.

### C. Government Sector Impact:

According to the FDOT, by restructuring the local government process away from zoning variances to local permitting, uniformity with state permitting provisions is facilitated and local governments are granted flexibility to implement the bill's provisions consistent with existing local zoning enforcement processes and structures.<sup>11</sup>

## VI. Technical Deficiencies:

The FDOT notes the following technical deficiencies:

- Insertion of the word “protection” on line 324 is inappropriate, as the requirement to adopt airport zoning regulations includes both airport protection zoning regulations and land use compatibility zoning regulations. “Airport zoning regulations” is the generic term that includes both protection and land use zoning. The word “protection” in the title of s. 333.03, F.S., could cause confusion and should be removed.
- In addition, with respect to the revisions on lines 333 through 337, the FDOT again notes technical inaccuracy. Obstructions are not constructed or altered under 14 C.F.R. Part 77. That part governs creation of airport surfaces.

The FDOT suggests the following technical amendment:

Strike lines 324 through 342 and insert:

333.03 Requirement ~~Power~~ to adopt airport zoning regulations.—

(1)(a) ~~In order to prevent the creation or establishment of airport hazards,~~ Every political subdivision having an airport hazard area within its territorial limits shall, ~~by October 1, 1977,~~ adopt, administer, and enforce, under the police power and in the manner and upon the conditions ~~hereinafter~~ prescribed in this section, airport protection zoning regulations for such airport hazard area.

(b) ~~If Where~~ an airport is owned or controlled by a political subdivision and any other political subdivision has land, upon which an obstruction may be constructed or altered, underlying any of the 14 C.F.R. Part 77, subpart C surfaces of the airport, the political subdivision ~~airport hazard area appertaining to such airport is located wholly or partly outside the territorial limits of said political subdivision, the political subdivision owning or controlling the airport and the political subdivision within which the airport hazard area is located,~~ shall either:

 99 Section 1. Section 333.01, Florida Statutes, is amended to  
 100 read:

101 333.01 Definitions.—~~As used in~~ For the purpose of this  
 102 chapter, the term following words, terms, and phrases shall have  
 103 the meanings herein given, unless otherwise specifically  
 104 defined, or unless another intention clearly appears, or the  
 105 context otherwise requires:

106 (1) "Aeronautical study" means a Federal Aviation  
 107 Administration study, conducted in accordance with the standards  
 108 of 14 C.F.R. part 77, subpart C, and Federal Aviation  
 109 Administration policy and guidance, on the effect of proposed  
 110 construction or alteration upon the operation of air navigation  
 111 facilities and the safe and efficient use of navigable airspace.

112 ~~(1) "Aeronautics" means transportation by aircraft, the~~  
 113 ~~operation, construction, repair, or maintenance of aircraft,~~  
 114 ~~aircraft power plants and accessories, including the repair,~~  
 115 ~~packing, and maintenance of parachutes; the design,~~  
 116 ~~establishment, construction, extension, operation, improvement,~~  
 117 ~~repair, or maintenance of airports, restricted landing areas, or~~  
 118 ~~other air navigation facilities, and air instruction.~~

119 (2) "Airport" means any area of land or water designed and

120 set aside for the landing and taking off of aircraft and used  
 121 utilized or to be used utilized in the interest of the public  
 122 for such purpose.

123 (3) "Airport hazard" means an obstruction to air navigation  
 124 which affects the safe and efficient use of navigable airspace  
 125 or the operation of planned or existing air navigation and  
 126 communication facilities ~~any structure or tree or use of land~~  
 127 ~~which would exceed the federal obstruction standards as~~  
 128 ~~contained in 14 C.F.R. ss. 77.21, 77.23, 77.25, 77.28, and 77.29~~  
 129 ~~and which obstructs the airspace required for the flight of~~  
 130 ~~aircraft in taking off, maneuvering, or landing or is otherwise~~  
 131 ~~hazardous to such taking off, maneuvering, or landing of~~  
 132 ~~aircraft and for which no person has previously obtained a~~  
 133 ~~permit or variance pursuant to s. 333.025 or s. 333.07.~~

134 (4) "Airport hazard area" means any area of land or water  
 135 upon which an airport hazard might be established ~~if not~~  
 136 ~~prevented as provided in this chapter.~~

137 (5) "Airport land use compatibility zoning" means airport  
 138 zoning regulations governing ~~restricting~~ the use of land on,  
 139 adjacent to, or in the immediate vicinity of airports ~~in the~~  
 140 ~~manner enumerated in s. 333.03(2) to activities and purposes~~  
 141 ~~compatible with the continuation of normal airport operations~~  
 142 ~~including landing and takeoff of aircraft in order to promote~~  
 143 ~~public health, safety, and general welfare.~~

144 (6) "Airport layout plan" means a set of scaled drawings  
 145 that provide a graphic representation of the existing and future  
 146 development plan for the airport and demonstrate the  
 147 preservation and continuity of safety, utility, and efficiency  
 148 of the airport detailed, scale engineering drawing, including

18-01090-16 20161508\_\_

149 ~~pertinent dimensions, of an airport's current and planned~~  
 150 ~~facilities, their locations, and runway usage.~~

151 (7) "Airport master plan" means a comprehensive plan of an  
 152 airport which typically describes current and future plans for  
 153 airport development designed to support existing and future  
 154 aviation demand.

155 (8) "Airport protection zoning regulations" means airport  
 156 zoning regulations governing airport hazards.

157 (9) "Department" means the Department of Transportation as  
 158 created under s. 20.23.

159 (10) "Educational facility" means any structure, land, or  
 160 use that includes a public or private kindergarten through 12th  
 161 grade school, charter school, magnet school, college campus, or  
 162 university campus. The term does not include space used for  
 163 educational purposes within a multi-tenant building.

164 (11) "Landfill" has the same meaning as provided in s.  
 165 403.703.

166 (12)-(7) "Obstruction" means any existing or proposed  
 167 manmade object or object, of natural growth or terrain, or  
 168 structure construction or alteration that exceeds ~~violates~~ the  
 169 federal obstruction standards contained in 14 C.F.R. part 77,  
 170 subpart C ss. 77.21, 77.23, 77.25, 77.28, and 77.29. The term  
 171 includes:

172 (a) Any object of natural growth or terrain;

173 (b) Permanent or temporary construction or alteration,  
 174 including equipment or materials used and any permanent or  
 175 temporary apparatus; or

176 (c) Alteration of any permanent or temporary existing  
 177 structure by a change in the structure's height, including

178 appurtenances, lateral dimensions, and equipment or materials  
179 used in the structure.

180 ~~(13)(8)~~ "Person" means any individual, firm, copartnership,  
181 corporation, company, association, joint-stock association, or  
182 body politic, and includes any trustee, receiver, assignee, or  
183 other similar representative thereof.

184 ~~(14)(9)~~ "Political subdivision" means the local government  
185 of any county, municipality city, town, village, or other  
186 subdivision or agency thereof, or any district or special  
187 district, port commission, port authority, or other such agency  
188 authorized to establish or operate airports in the state.

189 ~~(15)~~ "Public-use airport" means an airport, publicly or  
190 privately owned, licensed by the state, which is open for use by  
191 the public.

192 ~~(16)(10)~~ "Runway protection ~~clear~~ zone" means an area at  
193 ground level beyond the runway end to enhance the safety and  
194 protection of people and property on the ground a runway clear  
195 zone as defined in 14 C.F.R. s. 151.9(b).

196 ~~(17)(11)~~ "Structure" means any object, constructed,  
197 erected, altered, or installed by humans, including, but not  
198 limited to without limitation thereof, buildings, towers,  
199 smokestacks, utility poles, power generation equipment, and  
200 overhead transmission lines.

201 ~~(18)~~ "Substantial modification" means any repair,  
202 reconstruction, rehabilitation, or improvement of a structure  
203 when the actual cost of the repair, reconstruction,  
204 rehabilitation, or improvement of the structure equals or  
205 exceeds 50 percent of the market value of the structure.

206 ~~(12)~~ "Tree" includes any plant of the vegetable kingdom.

207 Section 2. Section 333.025, Florida Statutes, is amended to  
208 read:

209 333.025 Permit required for obstructions structures  
210 exceeding federal obstruction standards.-

211 (1) A person proposing the construction or alteration ~~in~~  
212 order to prevent the erection of an obstruction must obtain a  
213 permit from the department structures dangerous to air  
214 navigation, subject to the provisions of subsections (2), (3),  
215 and (4), each person shall secure from the Department of  
216 Transportation a permit for the erection, alteration, or  
217 modification of any structure the result of which would exceed  
218 the federal obstruction standards as contained in 14 C.F.R. ss.  
219 77.21, 77.23, 77.25, 77.28, and 77.29. However, permits from the  
220 department of Transportation will be required only within an  
221 airport hazard area where federal obstruction standards are  
222 exceeded and if the proposed construction or alteration is  
223 within a 10-nautical-mile radius of the airport reference point,  
224 located at the approximate geometric geographical center of all  
225 usable runways of a public-use airport or a publicly owned or  
226 operated airport, a military airport, or an airport licensed by  
227 the state for public use.

228 (2) Existing, planned, and proposed Affected airports will  
229 be considered as having those facilities on public-use airports  
230 contained in an which are shown on the airport master plan, in  
231 or an airport layout plan submitted to the Federal Aviation  
232 Administration, Airport District Office or in comparable  
233 military documents shall, and will be so protected from airport

244 ~~previously approved structures now existing, or any necessary~~  
245 ~~replacement or repairs to such existing structures if, so long~~  
246 ~~as the height and location are is unchanged.~~

247 (4) ~~If when~~ political subdivisions have, in compliance with  
248 this chapter, adopted adequate airport airspace protection  
249 zoning regulations, placed in compliance with s. 333.03, and  
250 such regulations are on file with the department's aviation  
251 office, and established a permitting process Department of  
252 Transportation, a permit for the construction or alteration of  
253 an obstruction is such structure shall not be required from the  
254 department of Transportation. Upon receipt of a complete permit  
255 application, the local government shall provide a copy of the  
256 application to the department's aviation office by certified  
257 mail, return receipt requested, or by a delivery service that  
258 provides a receipt evidencing delivery. To evaluate technical  
259 consistency with this subsection, the department shall have a  
260 15-day review period following receipt of the application, which  
261 must run concurrently with the local government permitting  
262 process. Cranes, construction equipment, and other temporary  
263 structures in use or in place for a period not to exceed 18  
264 consecutive months are exempt from the department's review,

462 construction in runway clear zones which are incompatible with  
463 normal airport operations or endanger public health, safety, and  
464 welfare by resulting in congregations of people, emissions of  
465 light or smoke, or attraction of birds. Such regulations shall  
466 prohibit the construction of an educational facility of a public  
467 or private school at either end of a runway of a publicly owned,

 469 direct line along the centerline of the runway, and which has a  
 470 width measuring one-half the length of the runway. Exceptions  
 471 approving construction of an educational facility within the  
 472 delineated area shall only be granted when the political  
 473 subdivision administering the zoning regulations makes specific  
 474 findings detailing how the public policy reasons for allowing  
 475 the construction outweigh health and safety concerns prohibiting  
 476 such a location.

477 (4) The procedures outlined in subsections (1), (2), and  
 478 (3) for the adoption of such regulations are supplemental to any

562 333.06 Airport zoning regulation requirements.-

563 (1) REASONABLENESS.-All airport zoning regulations adopted  
564 under this chapter shall be reasonable and may not ~~none shall~~  
565 impose any requirement or restriction which is not reasonably  
566 necessary to effectuate the purposes of this chapter. In  
567 determining what regulations it may adopt, each political  
568 subdivision and joint airport zoning board shall consider, among  
569 other things, the character of the flying operations expected to  
570 be conducted at the airport, the nature of the terrain within  
571 the airport hazard area and runway protection clear zones, the  
572 character of the neighborhood, the uses to which the property to  
573 be zoned is put and adaptable, and the impact of any new use,  
574 activity, or construction on the airport's operating capability  
575 and capacity.

576 (2) INDEPENDENT JUSTIFICATION.-The purpose of all airport  
577 zoning regulations adopted under this chapter is to provide both  
578 airspace protection and land uses ~~use~~ compatible with airport  
579 operations. Each aspect of this purpose requires independent  
580 justification in order to promote the public interest in safety,  
581 health, and general welfare. Specifically, construction in a  
582 runway protection clear zone which does not exceed airspace  
583 height restrictions is not conclusive evidence ~~per-se~~ that such

771 designated pursuant to this chapter must ~~shall~~ include that of

772 hearing and deciding all permits under s. 333.07 ~~s. 333.07(1),~~

773 deciding all matters under s. 333.07(3), as they pertain to such

774 agency, and all other matters under this chapter applying to

775 said agency, but such agency shall not have or exercise any of

776 the powers herein delegated to the board of adjustment.

777 (2) LOCAL GOVERNMENT PROCESS.-

778 (a) A political subdivision required to adopt airport

779 zoning regulations under this chapter shall provide a process

780 to:

781 1. Issue or deny permits consistent with s. 333.07.

782 2. Provide the department with a copy of a complete

783 application consistent with s. 333.025(4).

784 3. Enforce the issuance or denial of a permit or other

785 determination made by the administrative agency with respect to

786 airport zoning regulations.

935 and circumstances of the case in order to fully effectuate the  
936 purposes of this chapter and of the regulations adopted and  
937 orders and rulings made pursuant thereto.

938 (3) The department ~~of Transportation~~ may institute a civil  
939 action for injunctive relief in the appropriate circuit court to  
940 prevent violation of any provision of this chapter.

941 Section 15. Section 333.135, Florida Statutes, is created  
942 to read:

943 333.135 Transition provisions.-

944 (1) Any airport zoning regulation in effect on July 1,  
945 2016, which includes provisions in conflict with this chapter  
946 shall be amended to conform to the requirements of this chapter  
947 by July 1, 2017.

948 (2) Any political subdivision having an airport within its  
949 territorial limits which has not adopted airport zoning  
950 regulations shall, by July 1, 2017, adopt airport zoning  
951 regulations consistent with this chapter.

952 (3) For those political subdivisions that have not yet  
953 adopted airport zoning regulations pursuant to this chapter, the  
954 department shall administer the permitting process as provided  
955 in s. 333.025.

956 Section 16. Section 333.14, Florida Statutes, is repealed.

957 Section 17. This act shall take effect July 1, 2016.

**BILL ANALYSIS AND FISCAL IMPACT STATEMENT**

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Transportation

---

BILL: PCS/SB 114 (718938)

INTRODUCER: Senator Montford

SUBJECT: Transportation Facility Designations

DATE: February 3, 2016

REVISED: \_\_\_\_\_

	ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1.	Price	Eichin	TR	<b>Pre-meeting</b>
2.			FP	

---

**I. Summary:**

PCS/SB 114 creates 29 honorary designations of transportation facilities around the state and directs the Florida Department of Transportation (FDOT) to erect suitable markers designating the transportation facilities. It also amends two previously enacted designations.

The expected fiscal impact is \$31,000.

The bill takes effect July 1, 2016.

**II. Present Situation:**

Section 334.071, F.S., provides that legislative designations of transportation facilities are for honorary or memorial purposes, or to distinguish a particular facility. Such designations are not to be construed as requiring any action by local governments or private parties regarding the changing of any street signs, mailing addresses, or 911 emergency telephone number system listings, unless the legislation specifically provides for such changes.<sup>1</sup>

When the Legislature establishes road or bridge designations, the FDOT is required to place markers only at the termini specified for each highway segment or bridge designated by the law creating the designation, and to erect any other markers it deems appropriate for the transportation facility.<sup>2</sup>

The FDOT may not erect the markers for honorary road or bridge designations unless the affected city or county commission enacts a resolution supporting the designation. When the designated road or bridge segment is located in more than one city or county, resolutions

<sup>2</sup> Section 334.071(2), F.S.

supporting the designations must be passed by each affected local government prior to the erection of the markers.<sup>3</sup>

### **III. Effect of Proposed Changes:**

The bill creates 29 honorary transportation facility designations around the state and amends two previously enacted designations.

**Section 1** of the bill creates the following designations:

#### **Private First Class Joey Moody Bridge**

Upon completion of replacement construction, bridge number 380096 on U.S. 221/S.R. 55 over the Econfina River in Taylor County is designated as “Private First Class Joey Moody Bridge.”

Private First Class Joey Moody grew upon in Shady Grove on the Econfina River. He attended Shady Grove Grammar School and graduated from Taylor County High School before attending the University of Florida. On June 21, 1952, PFC Moody, serving in Korea, was one of three men sent into enemy fire to repair a crucial communications line and lost his life when a mortar round exploded. He was posthumously awarded the National Defense Medal, the Korean Combat Medal, the Korean Battle Medal, and the Purple Heart.

#### **Corporal Joseph R. Bertrand Memorial Highway**

The portion of S.R. 80 between Hickey Creek Road and Carter Lane in Lee County is designated as “Corporal Joseph R. Bertrand Memorial Highway.”

Corporal Joseph R. Bertrand was a member of the Florida Highway Patrol who served the citizens of the State of Florida for 16 years. On December 22, 1967, Corporal Bertrand was shot and killed while conducting a driving-under-the-influence investigation on State Road 80 in Fort Myers.

#### **Lieutenant Benedict J. Thomas Memorial Highway**

The portion of Interstate 75/S.R. 93A between Fowler Avenue and Fletcher Avenue in Hillsborough County is designated as “Lieutenant Benedict J. Thomas Memorial Highway.”

Lieutenant Benedict J. Thomas was a member of the Florida Highway Patrol who served the citizens of the State of Florida for 11 years. On June 9, 1989, Lieutenant Thomas was struck and killed by a passing car while walking back to his vehicle after investigating an abandoned vehicle on Interstate 75 in Tampa.

<sup>3</sup> Section 334.071(3), F.S.

**Trooper Patrick Ambroise Memorial Highway**

The portion of the Homestead Extension of the Florida Turnpike/S.R. 821 between mile marker 34 and mile marker 36 in Miami-Dade County is designated as “Trooper Patrick Ambroise Memorial Highway.”

Trooper Patrick Ambroise was a member of the Florida Highway Patrol who served the citizens of the State of Florida for four years. On May 15, 2010, while parked in his patrol vehicle on the shoulder of northbound State Road 821, a passing vehicle veered onto the paved emergency shoulder and struck the left rear section of the patrol vehicle, killing Trooper Ambroise.

**SP4 Robert Clifford Millender Memorial Highway**

The portion of U.S. 98/S.R.30 between Ryan Drive/W. 11th Street and N.E./S.E. 12th Street in Franklin County is designated as “SP4 Robert Clifford Millender Memorial Highway.”

SP4 Robert Clifford Millender was inducted into the United States Army on August 7, 1968. After boot camp training, he was transferred to Vietnam, where he served for two months before being injured in a land mine explosion. He was returned to Walter Reed General Hospital and discharged from the Army on July 22, 1969. SP4 Millender died of his war-related injuries on January 14, 1970. He received the Purple Heart, the National Defense Service Medal, and the Vietnam Service Medal.

**Lauren F. Book Boulevard**

The portion of U.S. 1/S.R. 5/North Federal Highway between S.R. 842/Broward Boulevard and S.R. 838/Sunrise Boulevard in Broward County is designated as “Lauren F. Book Boulevard.”

Lauren F. Book is the founder and Chief Executive Officer of Lauren’s Kids. Lauren’s Kids educates adults and children about sexual abuse prevention through in-school curricula, awareness campaigns, and speaking engagements around the country and the world. The organization also leads an annual, statewide awareness walk, called “Walk in My Shoes,” and provides more than seven million education and awareness materials statewide through direct mail every year.

**C.K. Steele Memorial Highway**

The portion of S.R. 371/373/Orange Avenue between S.R. 263/Capital Circle and S.R. 61/Monroe Street in Leon County is designated as “C.K. Steele Memorial Highway.”

In 1956, 38 year-old C.K. Steele moved to Tallahassee where he served as minister at the Bethel Baptist Church until his death in 1980. He organized a bus boycott in Tallahassee in 1956 after two black college students were arrested for sitting in the “whites only” section of a city bus, successfully integrating bus service in the community. He also worked to integrate Tallahassee’s schools, restaurants, theaters, and other public facilities. He became a national figure in the civil rights movement, helping to organize the Southern Christian Leadership Conference and serving

as its vice-president. He participated in many national civil rights protests, including the famous march in Selma, Alabama.

### **Danny A. Pino Way**

The portion of U.S. 90/S.R. 10 between N. Woodward Avenue and Wadsworth Street in Leon County is designated as “Danny A. Pino Way.”

Danny A. Pino was born in Miami-Dade County in 1995 and aspired to serving his country and becoming a professional baseball player. After playing baseball for the United States Merchant Marine Academy, Danny returned home to study at Florida International University, where he joined the ROTC and received his uniform on September 11, 2014. Danny was struck by a car while visiting Tallahassee and passed away on September 28, 2014. His final act was the donation of his organs to two boys, ages 7 and 12, and a 63-year-old man.

### **Emmitt G. Coakley Memorial Highway**

The portion of U.S. 1/S.R. 15 between 5<sup>th</sup> Avenue and C.R. 108 in Nassau County is designated as “Emmitt G. Coakley Memorial Highway.”

Emmitt G. Coakley was a teacher, mentor, and principal in Nassau who retired after 30 years of service. He returned as a substitute teacher for an additional 23 years. He served his community in many ways, including 30 years on the Nassau County Planning and Zoning Board and nine years on the Conditional Use and Variance Board. He was an active member of the Retired Teachers’ Association of Nassau County, Chairman of the Deacon Ministry of Second Baptist Church, and served his country as a member of the United States Army.

### **Potter’s Field Memorial Highway**

The portion of Interstate 95/S.R. 9 between West Broward Boulevard/S.R. 842 and West Sunrise Boulevard/S.R. 838 in Broward County is designated as “Potter’s Field Memorial Highway.”

In May of 2015, a news article reported at least 65 bodies buried beside Interstate 95 near Sunrise Boulevard in Broward County and that some unmarked graves may have been paved over when the highway was originally built.<sup>4</sup> The article reports in part:

The graves are in a potter’s field that was part of the five-acre Woodlawn Cemetery, established in the 1920s because blacks during segregation were not allowed to bury their loved ones in the main cemeteries.

The state now owns some of that land, which it uses as a right-of-way for the highway. Only a chain-link fence separates the neglected, decaying markers from the road.

The cemetery is eligible for listing with the National Register of Historic Places.

The article quotes a county commissioner: “We need to ensure that there is some memorialization of what is there, a historic site that means a lot to a lot of people.”

### **Purple Heart Trail**

The portion of S.R. 60 between the Hillsborough County line and Mandalay Avenue in Pinellas County is designated as “Purple Heart Trail.”

The purpose of the Purple Heart Trail, according to the Purple Heart website, “is to create a symbolic and honorary system of roads, highways, bridges, and other monuments that give tribute to the men and women who have been awarded the Purple Heart medal. ... Signs placed at various locations annotate those roads and highways where legislation has been passed to designate parts of the national road system as The Purple Heart Trail.”<sup>5</sup>

### **Elizabeth Inez and Elijah Davis Highway**

The portion of S.R. 35/N.E. 58<sup>th</sup> Avenue between C.R. 314/N.E. 7<sup>th</sup> Street and S.E. 20<sup>th</sup> Street in Marion County is designated as “Elizabeth Inez and Elijah Davis Highway.”

Elizabeth Inez Davis was a devoted children’s advocate and community leader in the Ocala area. She founded the Mount Canaan Community Youth Center. Ms. Davis passed away on December 6, 2002. Elijah Davis volunteered for over 60 years at the Mount Canaan Community Youth Center and still volunteers at the age of 102.<sup>6</sup>

### **Mary Ellen Hawkins Street**

The portion of Golden Gate Parkway between U.S. 41/S.R. 45/Tamiami Trail and C.R. 851 in Collier County is designated as “Mary Ellen Hawkins Street.”

Mary Ellen Hawkins was Collier County’s first female state representative. She served in the Florida House of Representatives from 1974 to 1994 and subsequently remained active in promoting and improving her community.

### **Col. William W. Wood Memorial Highway**

The portion of S.R. 368 between U.S. 98/S.R. 30 and S.R. 390 in Bay County is designated as “Col. William W. Wood Memorial Highway.”

Col. William W. Wood was a regular United States Army Soldier assigned to the Army National Guard’s 1<sup>st</sup> Battalion, 184<sup>th</sup> Infantry Regiment. He was a Lt. Colonel while directing security operations following an explosion when another bomb went off in Baghdad, Iraq. He died on October 27, 2005, leaving his wife and daughter, and was posthumously promoted to Colonel.

**Deputy Scott Pine Way**

The portion of C.R. 435/Apopka Vineland Road between Old Winter Garden Road and C.R. 439/Conroy-Windermere Road in Orange County is designated as “Deputy Scott Pine Way.”

Deputy Scott Pine took his oath as Deputy Sheriff on May 23, 2011, promising to protect and defend the citizens of Orange County. He received the Deputy of the Month in 2014 and was encouraged to assist and mentor new assigned deputies. On February 11, 2014, Deputy Pine was working patrol on the midnight shift when he responded to a call of vehicle burglary. Upon arrival at the scene, Deputy Pine gave chase to a suspect, and the suspect shot Deputy Pine. He succumbed to his injuries, leaving his wife and three young children.

**Pat Frank Road**

The portion of East Street between East Twiggs Street and U.S. 41B/S.R. 60/East Kennedy Boulevard in Hillsborough County is designated as “Pat Frank Road.”

A former chair of the Hillsborough County Board of County Commissioners, and, currently, the Hillsborough County Clerk of the Circuit Court, Pat Frank is noted for her distinguished career in public service. Starting with her election to the Hillsborough County School Board – which she later chaired – voters then sent her to the Florida House of Representatives, followed by the Florida Senate for a decade. Lauded for her legislative service, she was the first woman to receive recognition as a House “Most Effective First Term Member” and, later, as “Most Respected Senator,” and has received over 50 awards for her public service and volunteer activities.

**Sandra Warshaw Freedman Street**

The portion of N. Franklin Street between East Twiggs Street and U.S. 41B/S.R. 60/East Kennedy Boulevard in Hillsborough County is designated as “Sandra Warshaw Freedman Street.”

On July 16, 1986, Sandra Warshaw Freedman became Tampa’s first woman mayor and broke a glass ceiling by appointing many minorities and women to top management positions in city government. She also organized Tampa’s first march against hate crimes and banned city employees from using racist, sexist, and religious slurs.

**Helen Gordon Davis Boulevard**

The portion of Davis Boulevard between Adalia Avenue and Adriatic Avenue in Hillsborough County is designated as “Helen Gordon Davis Boulevard.”

Helen Gordon Davis was born in New York City and moved to Tampa in 1948. In 1952, she was the first white woman in Florida to join the NAACP. Ms. Davis founded Florida’s first women’s center in 1971, and in 1974, she was the first woman elected from Hillsborough County to the Florida House of Representatives. She was reelected for six consecutive terms and, in 1988, was

elected to the Florida Senate. Ms. Davis served as a Florida legislator for almost two decades and she championed the civil rights of women and minorities.

### **Francisco Rodriguez Avenue**

The portion of North Willow Avenue between West Cypress Street and West Cass Street in Hillsborough County is designated as “Francisco Rodriguez Avenue.”

The son of a Cuban cigar maker, Francisco Rodriguez was a key organizer in the Civil Rights Movement in the late 1950’s. Prior to becoming a prominent civil rights attorney, Mr. Rodriguez was a school teacher and a U.S. Marine, barred from officer training because of his skin color (though he still applied). He later became a leader with the NAACP and led the fight in the courts to end segregation in Hillsborough County’s schools, parks, and other public facilities.

### **Olympian Theresa Manuel Way**

The portion of N. Garcia Avenue between W. Palm Avenue and W. Ross Avenue in Hillsborough County is designated as “Olympian Theresa Manuel Way.”

Theresa Manuel was a National AAU Junior 80-meter hurdles champion and was a member of the Junior 400-meter relay team that won the championship. She held the National AAU Senior 50-meter hurdles championship in which she set a new indoor record in Chicago on April 24, 1948. She was a member of the United States 1948 Olympic Team.

### **Vyrle Davis Avenue**

The portion of U.S. 19A/S.R. 595/5th Avenue North between 25th Street North and 28th Street North in Pinellas County is designated as “Vyrle Davis Avenue.”

Vyrle Davis was St. Petersburg High School’s first black principal, later becoming the county’s first black area superintendent. He founded the Ebony Scholars program in 1984, which has awarded high-achieving black students more than \$500,000 in scholarships. He founded COQUEB and AVEREC, which advocate for quality education of black students and voter education, respectively.

### **Trooper Patrick Ambrose Memorial Highway**

The portion of the Homestead Extension of the Florida Turnpike/S.R. 821 between mile marker 34 and mile marker 36 in Miami-Dade County is designated as “Trooper Patrick Ambrose Memorial Highway.”

Trooper Patrick Ambrose was a member of the Florida Highway Patrol who served the citizens of the State of Florida for four years. On May 15, 2010, while parked in his patrol vehicle on the shoulder of northbound State Road 821, a passing vehicle veered onto the paved emergency shoulder and struck the left rear section of the patrol vehicle, killing Trooper Ambrose.

**Lee Klein Way**

The portion of S.R. 973/87th Avenue between S.R. 94/Kendall Drive and S.W. 92nd Street in Miami-Dade County is designated as “Lee Klein Way.”

Lee Klein began her career as a volunteer charity worker for children’s causes in 1956 and, in 1965, founded what is now known as the Children’s Cancer Caring Center. Ms. Klein serves as the Chief Executive Officer, Chairman of the Board, and as Patient Program Director of the Center. She has received numerous awards for her work on behalf of children with cancer.

**Sergeant Marvin L. Roberts Memorial Highway**

The portion of S.R. 19 between S.R. 50 and C.R. 478/Cherry Lake Road in Lake County is designated as “Sergeant Marvin L. Roberts Memorial Highway.

Sergeant Roberts graduated in 1942 from Groveland High School in Groveland, Florida. He married his high school sweetheart before enlisting in the U.S. Army in February 1943. He lost his life fighting in the Battle of the Bulge on January 15, 1945. He was honored, among other recognitions, with the Invasion Bronze Arrow-Head, Bronze Star, two Presidential Unit Citations, and the Purple Heart.

**John Jacob ‘JJ’ Curry Memorial Highway**

The portion of U.S. 17/S.R. 15 between Golden Hills Boulevard and Lake Winona Road in Volusia County is designated as “John Jacob ‘JJ’ Curry Memorial Highway.”

John Jacob “JJ” Curry was a 30-year old firefighter in Volusia County, having received his Emergency Medical Technician certified in March of 2006 and completing his Certificate of Compliance in Fire Standards and Training in September of 2006. Firefighters were practicing with chainsaws on November 27, 2007, when a tree fell on him. Emergency responders were unable to save him. Married and the father of two, he had been a member of the fire department for just ten months.

**Nona and Popa Road**

The portion of the San Juan Street Extension in Anastasia State Park between Santander Street and Park Road in St. John County is designated as “Nona and Popa Road.”

This designation is in honor of all grandmothers and grandfathers who take grandchildren to state parks.

**Irene U. Hooper Memorial Bridges**

The pair of bridges (Nos. 900110 and 900111) over Pine Channel on U.S. 1/S.R. 5 in Monroe County are designated as the “Irene U. Hooper Memorial Bridges.”

In 1966, Irene U. Hooper began her life-long leadership and service developing “Seacamp,” a year round, non-profit marine science camp and educational facility located on Big Pine Key.

Today, campers 12 – 17 years old continue to enjoy numerous activities in marine science education. From 1968 to 1971, she successfully spearheaded the effort to earn Aquatic Preserve designation for Coupon Bight in the Florida Keys. Over the years, her leadership and service earned her numerous recognitions, including but not limited to, the national Take Pride in America Award in 1986, the Florida Governor’s Environmental Education Award in 1993, the League of Environmental Educators in Florida Founders Award for Education Leadership in 1996.

### **Stanley G. Tate Boulevard**

The portion of S.R. 922 from N.E. 10<sup>th</sup> Avenue east to the North Miami city limits in Miami-Dade County is designated as “Stanley G. Tate Boulevard.”

Stanley G. Tate has been a North Miami business owner for over 30 years. He has been actively involved in both civic and charitable organizations and devoted extensive time to service on various boards and organizations. He has been honored multiple times for his service, including the Arete Award for Volunteer Advocate of the Year.

### **Robert L. Shevin Memorial Boulevard**

The portion of Miami Avenue between N.E. 5<sup>th</sup> Street and U.S. 41/S.R. 90/S.E. 7<sup>th</sup> Street in Miami-Dade County is designated as “Robert L. Shevin Memorial Boulevard.”

Robert L. Shevin was elected to the Florida House of Representatives in 1964 and served in the Florida Senate from 1966 to 1970. He served as Florida’s Attorney General from 1971-1979. In 1996, Governor Lawton Chiles appointed him to the Third District Court of Appeal, where he served with distinction until early 2005. He passed away on July 11, 2005.

The bill directs the FDOT to erect suitable markers for each of the described designations.

**Section 2** of the bill revises a previously enacted designation, the “Broad Causeway” in Miami-Dade County, to the “Shepard Broad Causeway.” The Broad Causeway was designated in honor of Shepard Broad, the founder of Bay Harbor Islands. The Town of Bay Harbor Islands and the Miami-Dade County Commission have requested the designation be revised to reflect his full name.

**Section 3** of the bill also revises a previously enacted designation, “Larcenia Bullard Way,” to “Senator Larcenia J. Bullard Way,” in honor of the late Senator Bullard.

The bill takes effect on July 1, 2016.

**IV. Constitutional Issues:**

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

**V. Fiscal Impact Statement:**

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

The estimated cost to erect the designation markers required under this bill is \$31,000. This is based on the assumption that two markers are required for each designation for a total of 62 signs at a cost of no less than \$500 each. The estimate includes sign fabrication, installation, and maintenance over time, as well as revising the text on the signs for the two amended designations, but does not include any additional expenses related to maintenance of traffic, dedication event costs, or replacement necessitated by damage, vandalism, or storm events.

**VI. Technical Deficiencies:**

None.

**VII. Related Issues:**

The FDOT advises the following designations are not located on the State Highway System:

- Mary Ellen Hawkins Street;
- Deputy Scott Pine Way;
- Pat Frank Road;
- Sandra Warshaw Freedman Street;
- Helen Gordon Davis Boulevard;

- Francisco Rodriguez Avenue;
- Olympian Theresa Manuel Way;
- Nona and Popa Road; and
- Robert L. Shevin Memorial Boulevard;

**VIII. Statutes Affected:**

This bill creates three undesignated sections of Florida law.

**Please see Section IX. for Additional Information:**  
COMMITTEE SUBSTITUTE - Substantial Changes

---

**I. Summary:**

CS/SB 114 creates 32 honorary designations of transportation facilities around the state and directs the Florida Department of Transportation (FDOT) to erect suitable markers designating the transportation facilities. It also amends two previously enacted designations.

The expected fiscal impact is \$34,000.

The bill takes effect July 1, 2016.

**II. Present Situation:**

Section 334.071, F.S., provides that legislative designations of transportation facilities are for honorary or memorial purposes, or to distinguish a particular facility. Such designations are not to be construed as requiring any action by local governments or private parties regarding the changing of any street signs, mailing addresses, or 911 emergency telephone number system listings, unless the legislation specifically provides for such changes.<sup>1</sup>

When the Legislature establishes road or bridge designations, the FDOT is required to place markers only at the termini specified for each highway segment or bridge designated by the law creating the designation, and to erect any other markers it deems appropriate for the transportation facility.<sup>2</sup>

---

<sup>1</sup> Section 334.071(1), F.S.

<sup>2</sup> Section 334.071(2), F.S.

The FDOT may not erect the markers for honorary road or bridge designations unless the affected city or county commission enacts a resolution supporting the designation. When the designated road or bridge segment is located in more than one city or county, resolutions supporting the designations must be passed by each affected local government prior to the erection of the markers.<sup>3</sup>

### **III. Effect of Proposed Changes:**

The bill creates 32 honorary transportation facility designations around the state and amends two previously enacted designations.

**Section 1** of the bill creates the following designations:

#### **Private First Class Joey Moody Bridge**

Upon completion of replacement construction, bridge number 380096 on U.S. 221/S.R. 55 over the Econfina River in Taylor County is designated as “Private First Class Joey Moody Bridge.”

Private First Class Joey Moody grew upon in Shady Grove on the Econfina River. He attended Shady Grove Grammar School and graduated from Taylor County High School before attending the University of Florida. On June 21, 1952, PFC Moody, serving in Korea, was one of three men sent into enemy fire to repair a crucial communications line and lost his life when a mortar round exploded. He was posthumously awarded the National Defense Medal, the Korean Combat Medal, the Korean Battle Medal, and the Purple Heart.

#### **Corporal Joseph R. Bertrand Memorial Highway**

The portion of S.R. 80 between Hickey Creek Road and Carter Lane in Lee County is designated as “Corporal Joseph R. Bertrand Memorial Highway.”

Corporal Joseph R. Bertrand was a member of the Florida Highway Patrol who served the citizens of the State of Florida for 16 years. On December 22, 1967, Corporal Bertrand was shot and killed while conducting a driving-under-the-influence investigation on State Road 80 in Fort Myers.

#### **Lieutenant Benedict J. Thomas Memorial Highway**

The portion of Interstate 75/S.R. 93A between Fowler Avenue and Fletcher Avenue in Hillsborough County is designated as “Lieutenant Benedict J. Thomas Memorial Highway.”

Lieutenant Benedict J. Thomas was a member of the Florida Highway Patrol who served the citizens of the State of Florida for 11 years. On June 9, 1989, Lieutenant Thomas was struck and killed by a passing car while walking back to his vehicle after investigating an abandoned vehicle on Interstate 75 in Tampa.

---

<sup>3</sup> Section 334.071(3), F.S.

**Trooper Patrick Ambroise Memorial Highway**

The portion of the Homestead Extension of the Florida Turnpike/S.R. 821 between mile marker 34 and mile marker 36 in Miami-Dade County is designated as “Trooper Patrick Ambroise Memorial Highway.”

Trooper Patrick Ambroise was a member of the Florida Highway Patrol who served the citizens of the State of Florida for four years. On May 15, 2010, while parked in his patrol vehicle on the shoulder of northbound State Road 821, a passing vehicle veered onto the paved emergency shoulder and struck the left rear section of the patrol vehicle, killing Trooper Ambroise.

**SP4 Robert Clifford Millender Memorial Highway**

The portion of U.S. 98/S.R.30 between Ryan Drive/W. 11th Street and N.E./S.E. 12th Street in Franklin County is designated as “SP4 Robert Clifford Millender Memorial Highway.”

SP4 Robert Clifford Millender was inducted into the United States Army on August 7, 1968. After boot camp training, he was transferred to Vietnam, where he served for two months before being injured in a land mine explosion. He was returned to Walter Reed General Hospital and discharged from the Army on July 22, 1969. SP4 Millender died of his war-related injuries on January 14, 1970. He received the Purple Heart, the National Defense Service Medal, and the Vietnam Service Medal.

**Lauren F. Book Boulevard**

The portion of U.S. 1/S.R. 5/North Federal Highway between S.R. 842/Broward Boulevard and S.R. 838/Sunrise Boulevard in Broward County is designated as “Lauren F. Book Boulevard.”

Lauren F. Book is the founder and Chief Executive Officer of Lauren’s Kids. Lauren’s Kids educates adults and children about sexual abuse prevention through in-school curricula, awareness campaigns, and speaking engagements around the country and the world. The organization also leads an annual, statewide awareness walk, called “Walk in My Shoes,” and provides more than seven million education and awareness materials statewide through direct mail every year.

**C.K. Steele Memorial Highway**

The portion of S.R. 371/373/Orange Avenue between S.R. 263/Capital Circle and S.R. 61/Monroe Street in Leon County is designated as “C.K. Steele Memorial Highway.”

In 1956, 38 year-old C.K. Steele moved to Tallahassee where he served as minister at the Bethel Baptist Church until his death in 1980. He organized a bus boycott in Tallahassee in 1956 after two black college students were arrested for sitting in the “whites only” section of a city bus, successfully integrating bus service in the community. He also worked to integrate Tallahassee’s schools, restaurants, theaters, and other public facilities. He became a national figure in the civil rights movement, helping to organize the Southern Christian Leadership Conference and serving

as its vice-president. He participated in many national civil rights protests, including the famous march in Selma, Alabama.

### **Danny A. Pino Way**

The portion of U.S. 90/S.R. 10 between N. Woodward Avenue and Wadsworth Street in Leon County is designated as “Danny A. Pino Way.”

Danny A. Pino was born in Miami-Dade County in 1995 and aspired to serving his country and becoming a professional baseball player. After playing baseball for the United States Merchant Marine Academy, Danny returned home to study at Florida International University, where he joined the ROTC and received his uniform on September 11, 2014. Danny was struck by a car while visiting Tallahassee and passed away on September 28, 2014. His final act was the donation of his organs to two boys, ages 7 and 12, and a 63-year-old man.

### **Emmitt G. Coakley Memorial Highway**

The portion of U.S. 1/S.R. 15 between 5<sup>th</sup> Avenue and C.R. 108 in Nassau County is designated as “Emmitt G. Coakley Memorial Highway.”

Emmitt G. Coakley was a teacher, mentor, and principal in Nassau who retired after 30 years of service. He returned as a substitute teacher for an additional 23 years. He served his community in many ways, including 30 years on the Nassau County Planning and Zoning Board and nine years on the Conditional Use and Variance Board. He was an active member of the Retired Teachers’ Association of Nassau County, Chairman of the Deacon Ministry of Second Baptist Church, and served his country as a member of the United States Army.

### **Potter’s Field Memorial Highway**

The portion of Interstate 95/S.R. 9 between West Broward Boulevard/S.R. 842 and West Sunrise Boulevard/S.R. 838 in Broward County is designated as “Potter’s Field Memorial Highway.”

In May of 2015, a news article reported at least 65 bodies buried beside Interstate 95 near Sunrise Boulevard in Broward County and that some unmarked graves may have been paved over when the highway was originally built.<sup>4</sup> The article reports in part:

The graves are in a potter’s field that was part of the five-acre Woodlawn Cemetery, established in the 1920s because blacks during segregation were not allowed to bury their loved ones in the main cemeteries.

The state now owns some of that land, which it uses as a right-of-way for the highway. Only a chain-link fence separates the neglected, decaying markers from the road.

The cemetery is eligible for listing with the National Register of Historic Places.

<sup>4</sup> See the SunSentinel article: <http://www.sun-sentinel.com/local/broward/fl-95-woodlawn-cemetery-20150524-story.html>. Last visited January 29, 2016.

The article quotes a county commissioner: “We need to ensure that there is some memorialization of what is there, a historic site that means a lot to a lot of people.”

### **Purple Heart Trail**

The portion of S.R. 60 between the Hillsborough County line and Mandalay Avenue in Pinellas County is designated as “Purple Heart Trail.”

The purpose of the Purple Heart Trail, according to the Purple Heart website, “is to create a symbolic and honorary system of roads, highways, bridges, and other monuments that give tribute to the men and women who have been awarded the Purple Heart medal. ... Signs placed at various locations annotate those roads and highways where legislation has been passed to designate parts of the national road system as The Purple Heart Trail.”<sup>5</sup>

### **Elizabeth Inez and Elijah Davis Highway**

The portion of S.R. 35/N.E. 58<sup>th</sup> Avenue between C.R. 314/N.E. 7<sup>th</sup> Street and S.E. 20<sup>th</sup> Street in Marion County is designated as “Elizabeth Inez and Elijah Davis Highway.”

Elizabeth Inez Davis was a devoted children’s advocate and community leader in the Ocala area. She founded the Mount Canaan Community Youth Center. Ms. Davis passed away on December 6, 2002. Elijah Davis volunteered for over 60 years at the Mount Canaan Community Youth Center and still volunteers at the age of 102.<sup>6</sup>

### **Mary Ellen Hawkins Street**

The portion of Golden Gate Parkway between U.S. 41/S.R. 45/Tamiami Trail and C.R. 851 in Collier County is designated as “Mary Ellen Hawkins Street.”

Mary Ellen Hawkins was Collier County’s first female state representative. She served in the Florida House of Representatives from 1974 to 1994 and subsequently remained active in promoting and improving her community.

### **Col. William W. Wood Memorial Highway**

The portion of S.R. 368 between U.S. 98/S.R. 30 and S.R. 390 in Bay County is designated as “Col. William W. Wood Memorial Highway.”

Col. William W. Wood was a regular United States Army Soldier assigned to the Army National Guard’s 1<sup>st</sup> Battalion, 184<sup>th</sup> Infantry Regiment. He was a Lt. Colonel while directing security operations following an explosion when another bomb went off in Baghdad, Iraq. He died on October 27, 2005, leaving his wife and daughter, and was posthumously promoted to Colonel.

**Deputy Scott Pine Way**

The portion of C.R. 435/Apopka Vineland Road between Old Winter Garden Road and C.R. 439/Conroy-Windermere Road in Orange County is designated as “Deputy Scott Pine Way.”

Deputy Scott Pine took his oath as Deputy Sheriff on May 23, 2011, promising to protect and defend the citizens of Orange County. He received the Deputy of the Month in 2014 and was encouraged to assist and mentor new assigned deputies. On February 11, 2014, Deputy Pine was working patrol on the midnight shift when he responded to a call of vehicle burglary. Upon arrival at the scene, Deputy Pine gave chase to a suspect, and the suspect shot Deputy Pine. He succumbed to his injuries, leaving his wife and three young children.

**Pat Frank Road**

The portion of East Street between East Twiggs Street and U.S. 41B/S.R. 60/East Kennedy Boulevard in Hillsborough County is designated as “Pat Frank Road.”

A former chair of the Hillsborough County Board of County Commissioners, and, currently, the Hillsborough County Clerk of the Circuit Court, Pat Frank is noted for her distinguished career in public service. Starting with her election to the Hillsborough County School Board – which she later chaired – voters then sent her to the Florida House of Representatives, followed by the Florida Senate for a decade. Lauded for her legislative service, she was the first woman to receive recognition as a House “Most Effective First Term Member” and, later, as “Most Respected Senator,” and has received over 50 awards for her public service and volunteer activities.

**Sandra Warshaw Freedman Street**

The portion of N. Franklin Street between East Twiggs Street and U.S. 41B/S.R. 60/East Kennedy Boulevard in Hillsborough County is designated as “Sandra Warshaw Freedman Street.”

On July 16, 1986, Sandra Warshaw Freedman became Tampa’s first woman mayor and broke a glass ceiling by appointing many minorities and women to top management positions in city government. She also organized Tampa’s first march against hate crimes and banned city employees from using racist, sexist, and religious slurs.

**Helen Gordon Davis Boulevard**

The portion of Davis Boulevard between Adalia Avenue and Adriatic Avenue in Hillsborough County is designated as “Helen Gordon Davis Boulevard.”

Helen Gordon Davis was born in New York City and moved to Tampa in 1948. In 1952, she was the first white woman in Florida to join the NAACP. Ms. Davis founded Florida’s first women’s center in 1971, and in 1974, she was the first woman elected from Hillsborough County to the Florida House of Representatives. She was reelected for six consecutive terms and, in 1988, was

elected to the Florida Senate. Ms. Davis served as a Florida legislator for almost two decades and she championed the civil rights of women and minorities.

### **Francisco Rodriguez Avenue**

The portion of North Willow Avenue between West Cypress Street and West Cass Street in Hillsborough County is designated as “Francisco Rodriguez Avenue.”

The son of a Cuban cigar maker, Francisco Rodriguez was a key organizer in the Civil Rights Movement in the late 1950’s. Prior to becoming a prominent civil rights attorney, Mr. Rodriguez was a school teacher and a U.S. Marine, barred from officer training because of his skin color (though he still applied). He later became a leader with the NAACP and led the fight in the courts to end segregation in Hillsborough County’s schools, parks, and other public facilities.

### **Olympian Theresa Manuel Way**

The portion of N. Garcia Avenue between W. Palm Avenue and W. Ross Avenue in Hillsborough County is designated as “Olympian Theresa Manuel Way.”

Theresa Manuel was a National AAU Junior 80-meter hurdles champion and was a member of the Junior 400-meter relay team that won the championship. She held the National AAU Senior 50-meter hurdles championship in which she set a new indoor record in Chicago on April 24, 1948. She was a member of the United States 1948 Olympic Team.

### **Vyrle Davis Avenue**

The portion of U.S. 19A/S.R. 595/5th Avenue North between 25th Street North and 28th Street North in Pinellas County is designated as “Vyrle Davis Avenue.”

Vyrle Davis was St. Petersburg High School’s first black principal, later becoming the county’s first black area superintendent. He founded the Ebony Scholars program in 1984, which has awarded high-achieving black students more than \$500,000 in scholarships. He founded COQUEB and AVEREC, which advocate for quality education of black students and voter education, respectively.

### **Trooper Patrick Ambrose Memorial Highway**

The portion of the Homestead Extension of the Florida Turnpike/S.R. 821 between mile marker 34 and mile marker 36 in Miami-Dade County is designated as “Trooper Patrick Ambrose Memorial Highway.”

Trooper Patrick Ambrose was a member of the Florida Highway Patrol who served the citizens of the State of Florida for four years. On May 15, 2010, while parked in his patrol vehicle on the shoulder of northbound State Road 821, a passing vehicle veered onto the paved emergency shoulder and struck the left rear section of the patrol vehicle, killing Trooper Ambrose.

**Lee Klein Way**

The portion of S.R. 973/87th Avenue between S.R. 94/Kendall Drive and S.W. 92nd Street in Miami-Dade County is designated as “Lee Klein Way.”

Lee Klein began her career as a volunteer charity worker for children’s causes in 1956 and, in 1965, founded what is now known as the Children’s Cancer Caring Center. Ms. Klein serves as the Chief Executive Officer, Chairman of the Board, and as Patient Program Director of the Center. She has received numerous awards for her work on behalf of children with cancer.

**Sergeant Marvin L. Roberts Memorial Highway**

The portion of S.R. 19 between S.R. 50 and C.R. 478/Cherry Lake Road in Lake County is designated as “Sergeant Marvin L. Roberts Memorial Highway.

Sergeant Roberts graduated in 1942 from Groveland High School in Groveland, Florida. He married his high school sweetheart before enlisting in the U.S. Army in February 1943. He lost his life fighting in the Battle of the Bulge on January 15, 1945. He was honored, among other recognitions, with the Invasion Bronze Arrow-Head, Bronze Star, two Presidential Unit Citations, and the Purple Heart.

**John Jacob ‘JJ’ Curry Memorial Highway**

The portion of U.S. 17/S.R. 15 between Golden Hills Boulevard and Lake Winona Road in Volusia County is designated as “John Jacob ‘JJ’ Curry Memorial Highway.”

John Jacob “JJ” Curry was a 30-year old firefighter in Volusia County, having received his Emergency Medical Technician certification in March of 2006 and completing his Certificate of Compliance in Fire Standards and Training in September of 2006. Firefighters were practicing with chainsaws on November 27, 2007, when a tree fell on him. Emergency responders were unable to save him. Married and the father of two, he had been a member of the fire department for just ten months.

**Nona and Popa Road**

The portion of the San Juan Street Extension in Anastasia State Park between Santander Street and Park Road in St. John County is designated as “Nona and Popa Road.”

This designation is in honor of all grandmothers and grandfathers who take grandchildren to state parks.

**Irene U. Hooper Memorial Bridges**

The pair of bridges (Nos. 900110 and 900111) over Pine Channel on U.S. 1/S.R. 5 in Monroe County are designated as the “Irene U. Hooper Memorial Bridges.”

In 1966, Irene U. Hooper began her life-long leadership and service developing “Seacamp,” a year round, non-profit marine science camp and educational facility located on Big Pine Key.

Today, campers 12 – 17 years old continue to enjoy numerous activities in marine science education. From 1968 to 1971, she successfully spearheaded the effort to earn Aquatic Preserve designation for Coupon Bight in the Florida Keys. Over the years, her leadership and service earned her numerous recognitions, including but not limited to, the national Take Pride in America Award in 1986, the Florida Governor’s Environmental Education Award in 1993, the League of Environmental Educators in Florida Founders Award for Education Leadership in 1996.

### **Stanley G. Tate Boulevard**

The portion of S.R. 922 from N.E. 10<sup>th</sup> Avenue east to the North Miami city limits in Miami-Dade County is designated as “Stanley G. Tate Boulevard.”

Stanley G. Tate has been a North Miami business owner for over 30 years. He has been actively involved in both civic and charitable organizations and devoted extensive time to service on various boards and organizations. He has been honored multiple times for his service, including the Arete Award for Volunteer Advocate of the Year.

### **Robert L. Shevin Memorial Boulevard**

The portion of Miami Avenue between N.E. 5<sup>th</sup> Street and U.S. 41/S.R. 90/S.E. 7<sup>th</sup> Street in Miami-Dade County is designated as “Robert L. Shevin Memorial Boulevard.”

Robert L. Shevin was elected to the Florida House of Representatives in 1964 and served in the Florida Senate from 1966 to 1970. He served as Florida’s Attorney General from 1971-1979. In 1996, Governor Lawton Chiles appointed him to the Third District Court of Appeal, where he served with distinction until early 2005. He passed away on July 11, 2005.

### **Murray Kalish Way**

The portion of Atlantic Avenue between Military Trail and the Florida Turnpike in Palm Beach County is designated as “Murray Kalish Way.”

Murray Kalish was active in several county boards and Democratic organizations and founded the United South County Democratic Club. He spent years in Florida assisting candidates in elections and, in 1999, won an election to the Lake Worth Drainage District board, serving for 12 years. He passed away on November 20, 2015.

### **Andre Fladell Avenue**

The portion of Atlantic Avenue between Swinton Avenue and S. Ocean Boulevard in Palm Beach County is designated as “Andre Fladell Avenue.”

Andre Fladell, known as “The Prince of Palm Beach,” has been recognized for his many years of community involvement. He created a Jobs Program for Senior Citizens and participates in fundraising efforts for the Special Olympics and aid to victims of domestic violence. The South County Civic Center was named in his honor in 2003. He has been active in creating police

support organizations and involved in the formation of Palm Beach County fire rescue. He is active in Palm Beach County politics.

### **Joe C. Peavy Highway**

The portion of S.R. 53 from U.S. 90 to the Georgia state line in Madison County is designated as “Joe C. Peavy Highway.”

Joe. C. Peavy served as Madison County Sheriff from 1968 until 1996.

The bill directs the FDOT to erect suitable markers for each of the described designations.

**Section 2** of the bill revises a previously enacted designation, the “Broad Causeway” in Miami-Dade County, to the “Shepard Broad Causeway.” The Broad Causeway was designated in honor of Shepard Broad, the founder of Bay Harbor Islands. The Town of Bay Harbor Islands and the Miami-Dade County Commission have requested the designation be revised to reflect his full name.

**Section 3** of the bill also revises a previously enacted designation, “Larcenia Bullard Way,” to “Senator Larcenia J. Bullard Way,” in honor of the late Senator Bullard.

The bill takes effect on July 1, 2016.

## **IV. Constitutional Issues:**

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues: None.

C. Trust Funds Restrictions:

None.

## **V. Fiscal Impact Statement:**

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

The estimated cost to erect the designation markers required under this bill is \$34,000. This is based on the assumption that two markers are required for each designation for a

total of 62 signs at a cost of no less than \$500 each. The estimate includes sign fabrication, installation, and maintenance over time, as well as revising the text on the signs for the two amended designations, but does not include any additional expenses related to maintenance of traffic, dedication event costs, or replacement necessitated by damage, vandalism, or storm events.

**VI. Technical Deficiencies:**

None.

**VII. Related Issues:**

The FDOT advises the following designations are not located on the State Highway System:

- Mary Ellen Hawkins Street;
- Deputy Scott Pine Way;
- Pat Frank Road;
- Sandra Warshaw Freedman Street;
- Helen Gordon Davis Boulevard;
- Francisco Rodriguez Avenue;
- Olympian Theresa Manuel Way;
- Nona and Popa Road; and
- Robert L. Shevin Memorial Boulevard.

**VIII. Statutes Affected:**

This bill creates an undesignated section of Florida law.

This bill amends section 1 of chapter 26497, Laws of Florida (1951) and section 1 of chapter 2014-228, Laws of Florida.

**IX. Additional Information:**

- A. **Committee Substitute – Statement of Substantial Changes:**  
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

**CS by Transportation on February 4, 2016:**

The CS adds three designations:

- “Murray Kalish Way” in Palm Beach County.
- “Andre Fladell Avenue” in Palm Beach County.
- “Joe C. Peavy Highway” in Madison County.

- B. **Amendments:**

None.

BILL: SB 7062

INTRODUCER: Transportation Committee

SUBJECT: Specialty License Plates

DATE: February 5, 2016

REVISED: \_\_\_\_\_

---

ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1. Jones	Eichin		<b>TR Submitted as Committee Bill</b>

---

**I. Summary:**

SB 7062 directs the Department of Highway Safety and Motor Vehicles (DHSMV) to develop a number of new specialty license plates.

The bill also modifies the distribution and use of annual use fees for the “In God We Trust” and the “Share the Road” specialty plate, as well as modifies the use of fees for the “Conserve Wildlife” specialty plate.

The bill takes effect October 1, 2016, if SB 1390 or similar legislation is adopted this session or an extension thereof and becomes law. SB 1390 increases the minimum pre-sale requirement for specialty license plates to be manufactured.

**II. Present Situation:**

Presently, there are over 120 specialty license plates available for purchase, and two in the pre-sale phase. Specialty license plates are available to an owner or lessee of a motor vehicle who is willing to pay an annual use fee, ranging from \$15 to \$25, paid in addition to required license taxes and service fees.<sup>1</sup> The annual use fees are distributed to an organization or organizations in support of a particular cause or charity signified in the plate’s design and designated in statute.<sup>2</sup>

In order to establish a specialty license plate, the plate must first be adopted into statute. Upon becoming law:

- Within 60 days, the organization must submit an art design for the plate, in a medium prescribed by the DHSMV;
- Within 120 days, the DHSMV must establish a method to issue pre-sale vouchers for the approved specialty license plate; and

---

<sup>1</sup> Section 320.08056, F.S.

<sup>2</sup> Section 320.08058, F.S.

- Within 24 months after the pre-sale vouchers are established, the organization must obtain a minimum of 1,000 voucher sales before manufacturing may begin.

If, at the end of the 24-month pre-sale period, the minimum sales requirement has not been met, the DHSMV will de-authorize the specialty plate, discontinue development, and discontinue issuance of the pre-sale voucher. Upon deauthorization of the plate, a purchaser of a presale voucher may use the annual use fee as a credit towards any other specialty license plate or apply for a refund with the DHSMV.<sup>3</sup>

The annual use fees collected by an organization and any interest earned from the fees may be expended only for use in this state unless the annual use fee is derived from the sale of United States Armed Forces and veterans-related specialty plates.<sup>4</sup> Additionally, the fees may not be used for the purpose of marketing to, lobbying, entertaining, or rewarding a member or employee of the Legislature.<sup>5</sup>

### **DHSMV Costs Defrayed**

The DHSMV retains sufficient annual use fees, from the sale of the specialty license plates, to defray its costs for inventory, distribution, and other direct costs associated with the specialty license plate program. The remainder of the proceeds collected are distributed as provided by law.<sup>6</sup>

### **Discontinuance of Specialty Plates**

The DHSMV must discontinue the issuance of an approved specialty license plate if the number of valid specialty plate registrations falls below 1,000 plates for at least 12 consecutive months. A warning letter is mailed to the sponsoring organization following the first month in which the total number of valid specialty plate registrations is below 1,000 plates. Collegiate plates are exempt from the minimum plate requirement.<sup>7</sup> Additionally, the specialty license plate must be discontinued if the organization no longer exists, stops providing services that are authorized to be funded from the annual use fee proceeds, or pursuant to an organizational recipient's request.<sup>8</sup>

Organizations must adhere to certain accountability requirements, including an annual attestation document affirming that funds received have been spent in accordance with applicable statutes.<sup>9</sup>

### **Moratorium**

Currently, there is a statutory moratorium on the issuance of new specialty license plates. Except for a specialty license plate proposal which has submitted a letter of intent to the DHSMV prior to May 2, 2008, and which has submitted a survey, marketing strategy, and application fee prior

to October 1, 2008, or was included in a bill filed during the 2008 Legislative Session, the DHSMV may not issue any new specialty license plates.<sup>10</sup>

The moratorium ends July 1, 2016, and does not affect the plates included in this bill.

### **Florida Professional Sports Team License Plates**

Section 320.08058(9), F.S., directs the DHSMV to develop Florida Professional Sports Team license plates for Major League Baseball, National Basketball Association, National Football League, Arena Football League, National Hockey, and Major League Soccer teams domiciled in this state. Fifty-five percent of the annual use fee proceeds from these plates is distributed to the Professional Sports Development Trust Fund within the Department of Economic Opportunity to attract and support major sports events in the state. The remaining proceeds are allocated to Enterprise Florida, Inc., to:

- Promote the economic development of the sports industry;
- Distribute licensing and royalty fees to participating professional sports teams;
- Promote education programs in Florida schools that provide an awareness of the benefits of physical activity and nutrition standards;
- Recognize schools whose students demonstrate excellent physical fitness or fitness improvement;
- Institute a grant program for communities bidding on minor sporting events that create an economic impact for the state;
- Distribute funds to Florida based charities designated by Enterprise Florida and the participating professional sports teams; and
- Fulfill the sports promotion responsibilities of the Department of Economic Opportunity.

### **Organizations**

Organizations receiving money from the sale of proposed specialty plates are described below under their corresponding specialty plate.

## **III. Effect of Proposed Changes:**

### **Proposed Specialty Plates**

The bill directs the DHSMV to develop 36 new specialty license plates. All the proposed specialty plates have an annual use fee of \$25.

#### ***Sun Sea Smiles License Plate***

The Sun Sea Smiles plate annual use fees will be distributed as follows:

- 35 percent to the Florida Caribbean Charitable Foundation, Inc. Of the funds received, 5 percent is for marketing the plate. From the remaining funds:
  - 60 percent is for a college scholarship program;
  - 15 percent is to promote health and wellness among Florida residents of Caribbean descent; and

<sup>10</sup> Section 45, ch. 2008-176, L.O.F., as amended by s. 21, ch. 2010-223 and s. 45, ch. 2014-216, L.O.F.

- 25 percent is to promote awareness of Caribbean Culture within the state.
- 20 percent to the American Friends of Jamaica, Inc., for use as grants to promote social and community development among Florida residents;
- 10 percent to the Sant La Haitian Neighborhood Center, Inc., to promote social and community development;
- 10 percent to Fanm Ayisyen nan Miyami, Inc., to promote social and community development;
- 20 percent to Greater Caribbean American Cultural Coalition, Inc., to promote awareness of Caribbean culture within the state; and
- 5 percent to Little Haiti Optimist Foundation, Inc., to promote awareness of Caribbean culture and youth development within the state.

In addition, each organization receiving funds may use up to 5 percent for administrative expenses.

Florida Caribbean Charitable Foundation, Inc.<sup>11</sup>

The Florida Caribbean Charitable Foundation, Inc., a civic and social organization, is a domestic non-profit corporation located in North Miami Beach, established in 2007.

American Friends of Jamaica, Inc.<sup>12</sup>

The Coalition is “an umbrella organization serving the Caribbean people and other members of the community, by bringing together the various Caribbean countries and islands, and their rich cultural heritage.” The coalition’s mission is to enrich the cultural environment by fostering multicultural understanding through an appreciation of Caribbean cultures.

Little Haiti Optimist Foundation, Inc.<sup>16</sup>

Little Haiti Optimist Foundation, Inc., is a charitable organization located in Miami, established in 2010 to provide assistance, guidance, and programs to the youth of Little Haiti.

***Support Special Needs Kids License Plate***

Annual use fees from the sale of the plate will be distributed to the Dan Marino Foundation, Inc. 10 percent of fees are to promote and market the plate. The remaining fees are to be invested and reinvested. Interest thereon is to assist Floridians with developmental and intellectual disabilities by funding scholarships, assisting with job placement, and promoting education, independence, and awareness.

Dan Marino Foundation, Inc.<sup>17</sup>

The Foundation was established in 1992. Its mission is “empowering individuals with autism and other developmental disabilities.” The Foundation has raised over \$50 million since its inception, which has been used to perform quality-of-life research, build the Miami Children’s Hospital Dan Marino Center, and the Marino Campus.

***America the Beautiful License Plate***

Annual use fees from the sale of the plate are to be distributed to the American the Beautiful Fund. Up to 10 percent of funds may be used to offset administrative costs and to market and promote the plate. The remaining proceeds are for programs in support of military service members and their families and:

- Advancing self-sufficiency in children and families;
- Educational scholarships; and
- Land and wildlife conservation.

America the Beautiful Fund

America the Beautiful Fund is a fictitious name registered by Live Laugh Love Give, Inc.<sup>18</sup>

***Team Hammy License Plate***

Annual use fees will be distributed to Team Hammy, Inc., to grant wishes to families living with ALS, provide continuing education to caretakers and physicians, and increase ALS awareness in the community. Up to 10 percent of fees may be used for administrative costs and marketing the plate.

**Team Hammy, Inc.<sup>20</sup>**

Team Hammy is an organization created in the name of Hamilton Vance Paris, who was diagnosed with amyotrophic lateral sclerosis (ALS) in July of 2010. Team Hammy strives to bring awareness, education, and hope to people with ALS and their families through fundraising and participating in events.

***Vision for Excellence License Plate***

Annual use fees will be distributed to Vision for Excellence, Inc., which will use the proceeds for direct support of programs, services, and activities provided to children who participate in the organization's youth development programs. Up to 10 percent may be used for promotion and marketing of the plate, and up to 10 percent may be used for administrative costs directly associated with the programs.

**Vision for Excellence, Inc.<sup>21</sup>**

The organization was established in 2011 as a non-profit youth organization that provides social development programs and services to low-income and at-risk males, ages 9-15. The organization was designed to help Jacksonville's youth develop assets that enable them to become healthy productive adults with a focus to give back to their community. Its programs link male youth with local law enforcement and other professional adults for relationship building, and efforts to educate, motivate, and inspire participants to stay on the right path and become successful law abiding citizens.

***Go Boating License Plate***

Annual use fees are distributed to Eckerd College to fund the Eckerd College Search and Rescue Team, which provides 24-hour assistance to the Tampa Boating community. Up to 10 percent of the proceeds may be used for promotion and marketing of the plate. Remaining funds must be used to acquire boats and other equipment or for operation expenses.

**Eckerd College Search and Rescue Team<sup>22</sup>**

The team was founded in 1971 and extended its rescue services to the Tampa Bay boating community in 1977. The team is a highly trained group of full-time, degree seeking, student volunteers who work closely with the U.S. Coast Guard, 911 Emergency Medical response, and other state and local agencies to answer more than 500 maritime distress calls per year. The team is the only marine rescue team in the country. The members are trained in technical rescue,

### **Changes to Existing Specialty Plates**

#### ***Conserve Wildlife License Plate***

The bill modifies the use of annual fees from the sale of the Conserve Wildlife specialty plates.<sup>59</sup> The bill allows the specialty plate revenue to be used by the Fish and Wildlife Conservation Commission to provide bear-resistant residential garbage containers.

#### ***In God We Trust License Plate***

The distribution and use of annual use fees of the In God We Trust specialty plate<sup>60</sup> are modified to allow a *maximum* of 10 percent of annual use fees to be used to offset marketing, administration, and promotion of the plate. The bill repeals provisions requiring the fees to be used for the children of public safety employees and U.S. military members who have died in the line of duty who are not covered by existing law. Instead, the fees will be used to address the needs of military service members and public safety employees, their spouses and dependents, in addition to uses already in statute.

#### ***Share the Road License Plate***

The bill decreases the amount of annual use fees from the Share the Road plate for marketing and promotion of the concept and plate, from up to 25 percent to up to 15 percent. It removes the Florida Bicycle Association, Inc., from receiving funds from the sale of the plate, and requires Bike Florida, Inc., to use up to 25 percent of annual use fees for the marketing and promotion of Bike Florida Tours. The bill also adds that Bike Florida must use the remaining funds to give an annual presentation on bicycle and motorist safety in North, Central, and South Florida, and use funds for the promotion of safe bicycling as well as uses already in statute.

### **Florida Professional Sports Team License Plates**

The bill adds the North American Soccer League to the Florida Professional Sports Team license plates for the purpose of adding two NASL teams: The Jacksonville Armada Football Club and Tampa Bay Rowdies.

### **Effective Date and Contingency Clause**

The bill takes effect October 1, 2016, if SB 1390 or similar legislation is adopted this session or an extension thereof and becomes law.

---

<sup>59</sup> Section 320.08058(24), F.S.

<sup>60</sup> Section 320.08058(66), F.S.

SB 1390 increases the minimum pre-sale requirement for specialty plates from 1,000 plates to 4,000. If both bills become law, all proposed specialty plates within this bill must sell 4,000 pre-sale vouchers within the 24-month pre-sale period to be manufactured.

**IV. Constitutional Issues:**

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

**V. Fiscal Impact Statement:**

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

Individuals who choose to purchase a specialty license plate created in the bill will pay a \$25 annual use fee in addition to appropriate license taxes and fees. The organization designated to receive those fees, after retention of funds by the DHSMV to defray departmental expenditures, will receive revenue from each purchase.

C. Government Sector Impact:

According to the DHSMV, the cost for the minimum required number of each specialty license plate to be designed and manufactured is \$11,280. In addition, the DHSMV will also have programming costs to develop all new specialty license plates. The DHSMV is authorized to retain revenues from the first proceeds of specialty license plate sales to defray departmental expenditures related to the specialty license plate program.<sup>61</sup>

27 Florida Statutes, are amended, and subsections (84) through (97)  
28 are added to that section, to read:

29 320.08058 Specialty license plates.—

30 (9) FLORIDA PROFESSIONAL SPORTS TEAM LICENSE PLATES.—

31 (a) The Department of Highway Safety and Motor Vehicles  
32 shall develop a Florida Professional Sports Team license plate  
33 as provided in this section for Major League Baseball, National  
34 Basketball Association, National Football League, Arena Football  
35 League, National Hockey League, ~~and~~ Major League Soccer, and  
36 North American Soccer League teams domiciled in this state.

37 However, any Florida Professional Sports Team license plate  
38 created or established after January 1, 1997, must comply with  
39 the requirements of s. 320.08053 and be specifically authorized

551178

40 by an act of the Legislature. Florida Professional Sports Team  
41 license plates must bear the colors and design approved by the  
42 department and must include the official league or team logo, or  
43 both, as appropriate for each team. The word "Florida" must  
44 appear at the top of the plate.

45 (b) The license plate annual use fees are to be annually  
46 distributed as follows:

47 1. Fifty-five percent of the proceeds from the Florida  
48 Professional Sports Team plate must be deposited into the  
49 Professional Sports Development Trust Fund within the Department  
50 of Economic Opportunity. These funds must be used solely to  
51 attract and support major sports events in this state. As used  
52 in this subparagraph, the term "major sports events" means, but  
53 is not limited to, championship or all-star contests of Major  
54 League Baseball, the National Basketball Association, the  
55 National Football League, the National Hockey League, Major  
56 League Soccer, the North American Soccer League, the men's and  
57 women's National Collegiate Athletic Association Final Four  
58 basketball championship, or a horseracing or dogracing Breeders'  
59 Cup. All funds must be used to support and promote major  
60 sporting events, and the uses must be approved by the Department  
61 of Economic Opportunity.

62 2. The remaining proceeds of the Florida Professional  
63 Sports Team license plate must be allocated to Enterprise  
64 Florida, Inc. These funds must be deposited into the  
65 Professional Sports Development Trust Fund within the Department  
66 of Economic Opportunity. These funds must be used by Enterprise  
67 Florida, Inc., to promote the economic development of the sports  
68 industry; to distribute licensing and royalty fees to

551178

69 participating professional sports teams; to promote education  
70 programs in Florida schools that provide an awareness of the  
71 benefits of physical activity and nutrition standards; to  
72 partner with the Department of Education and the Department of  
73 Health to develop a program that recognizes schools whose  
74 students demonstrate excellent physical fitness or fitness  
75 improvement; to institute a grant program for communities  
76 bidding on minor sporting events that create an economic impact  
77 for the state; to distribute funds to Florida-based charities  
78 designated by Enterprise Florida, Inc., and the participating  
79 professional sports teams; and to fulfill the sports promotion  
80 responsibilities of the Department of Economic Opportunity.

81         3. Enterprise Florida, Inc., shall provide an annual  
82 financial audit in accordance with s. 215.981 of its financial  
83 accounts and records by an independent certified public  
84 accountant pursuant to the contract established by the  
85 Department of Economic Opportunity. The auditor shall submit the  
86 audit report to the Department of Economic Opportunity for  
87 review and approval. If the audit report is approved, the  
88 Department of Economic Opportunity shall certify the audit  
89 report to the Auditor General for review.

90         4. Notwithstanding the provisions of subparagraphs 1. and  
91 2., proceeds from the Professional Sports Development Trust Fund  
92 may also be used for operational expenses of Enterprise Florida,  
93 Inc., and financial support of the Sunshine State Games.

94         (24) CONSERVE WILDLIFE LICENSE PLATES.—

95         (b) The proceeds of the Conserve Wildlife license plate  
96 annual use fee shall be forwarded to the Wildlife Foundation of  
97 Florida, Inc., a citizen support organization created pursuant

551178

98 to s. 379.223.

99 1. Notwithstanding s. 320.08062, up to 10 percent of the  
100 proceeds from the annual use fee may be used for marketing the  
101 Conserve Wildlife license plate and administrative costs  
102 directly related to the management and distribution of the  
103 proceeds.

104 2. The remaining proceeds from the annual use fee shall be  
105 used for programs and activities of the Fish and Wildlife  
106 Conservation Commission which ~~that~~ contribute to the health and  
107 well-being of Florida black bears and to provide bear-resistant  
108 residential garbage containers ~~other wildlife diversity~~.

352 (a) The department shall develop an I Stand With Israel  
 353 license plate as provided in s. 320.08053 and this section. The  
 354 plate must bear the colors and design approved by the  
 355 department. The word "Florida" must appear at the top of the  
 356 plate, and the words "I Stand With Israel" must appear at the  
 357 bottom of the plate.

358 (b) Annual use fees from the sale of such plates shall be  
 359 distributed to I Stand with Israel, Inc., which shall retain all  
 360 such proceeds until all startup costs for developing and  
 361 establishing the plate have been recovered. Thereafter, I Stand  
 362 with Israel, Inc., may use up to 10 percent of the proceeds for  
 363 marketing and promotion of the plate and up to 10 percent of the  
 364 proceeds for administrative costs directly associated with its  
 365 programs. The remainder of the proceeds shall be used for the  
 366 direct support of the Israeli Youth Program to send Florida  
 367 university students between the ages of 18 and 26 of all  
 368 religions and the program chaperones to Israel.

369 (93) SAVE OUR SHORES FLORIDA LICENSE PLATES.—

370 (a) The department shall develop a Save Our Shores Florida  
 371 license plate as provided in s. 320.08053 and this section. The  
 372 plate must bear the colors and design approved by the  
 373 department. The word "Florida" must appear at the top of the  
 374 plate, and the words "Save Our Shores" must appear at the bottom  
 375 of the plate.

376 (b) The annual use fees shall be distributed to Adore the  
 377 Shores, Inc., which may use the proceeds as follows:

378 1. A maximum of 15 percent may be used for administrative  
 379 costs of the organization.

380 2. A maximum of 10 percent may be used for promotion and

381 the marketing costs of the license plate program.

382 3. The remainder shall be used to fund activities,  
 383 programs, and projects that provide for cleanup activities on  
 384 the beaches of this state following natural or manmade  
 385 occurrences that threaten the pristine nature of the beaches of  
 386 this state and for any other legal purpose as allowed by the  
 387 Internal Revenue Code.

388 (94) FURRY FRIENDS LICENSE PLATES.—

389 (a) The department shall develop a Furry Friends license  
 390 plate as provided in s. 320.08053 and this section upon  
 391 application by Furry Friends of Florida, Inc. The word "Florida"  
 392 must appear at the top of the plate, and words approved by the  
 393 department must appear at the bottom of the plate.

394 (b) The annual use fees shall be distributed monthly to  
 395 Furry Friends of Florida, Inc., which may use up to 15 percent  
 396 of such revenue for administrative, handling, and disbursement  
 397 expenses and up to 10 percent for promotion, advertising, and  
 398 marketing costs. The balance of the fees shall be used by Furry  
 399 Friends of Florida, Inc., for activities, programs, and  
 400 projects, including, but not limited to, pet rescue, animal  
 401 shelters, pet vaccinations, veterinary services, and service  
 402 animals.

403 (95) ORLANDO CITY SOCCER CLUB LICENSE PLATES.—The  
 404 department shall develop an Orlando City Soccer Club license  
 405 plate as provided in subsection (9).

406 (96) SUPPORT OUR CONSTITUTION LICENSE PLATE.—

407 (a) The department shall develop a Support Our Constitution  
 408 license plate as provided in this section and s. 320.08053.  
 409 Support Our Constitution license plates must bear the colors and

596-02404C-16

410 design approved by the department. The word "Florida" must  
411 appear at the top of the plate, and the words "Support Our  
412 Constitution" must appear at the bottom of the plate.

413 (b) The annual use fees shall be distributed to The  
414 Constitution Foundation, Inc., which may retain all proceeds  
415 from the annual use fees until the startup costs for developing  
416 and issuing the license plates have been recovered. Thereafter,  
417 The Constitution Foundation, Inc., shall use the proceeds as  
418 follows:

419 1. A maximum of 15 percent may be used for administrative  
420 costs of the organization.

421 2. A maximum of 10 percent may be used for promotion and  
422 the marketing costs of the license plate.

423 3. The remainder shall be used to fund the activities,  
424 programs, projects, and mission of The Constitution Foundation,  
425 Inc., to increase awareness and understanding of the United  
426 States Constitution in Florida's public schools, recruit and  
427 train school leaders to make presentations in each school  
428 district, and provide to each student, at no charge, learning  
429 materials and a pocket Constitution.

430 Section 3. This act shall take effect October 1, 2016, if  
431 SB 1390 or similar legislation is adopted in the same  
432 legislative session or an extension thereof and becomes a law.

COMMITTEE SUBSTITUTE - Substantial Changes

---

**I. Summary:**

CS/SB 168 repeals and amends various provisions of law to remove authorization for the use of traffic infraction detectors, commonly known as “red light cameras,” which are currently used to enforce specified provisions of traffic law by automatically photographing vehicles whose drivers run red lights. The bill leaves intact the express preemption to the state of regulation of the use of red light cameras, thereby prohibiting implementation of red light camera programs by local ordinance.

**II. Present Situation:**

**Traffic Infraction Detectors Generally**

Traffic infraction detectors, or “red-light cameras,” are used to enforce traffic laws by automatically photographing vehicles whose drivers run, or fail to yield at, red lights. The cameras are connected to the traffic signal and to sensors that monitor traffic flow at the crosswalk or stop line. The system continuously photographs vehicles that enter the intersection above a pre-set minimum speed after the signal has turned red. In some cases, video cameras are used. These video cameras and accompanying sensors record the license plate number, the date and time of day, the time elapsed since the signal has turned red and the vehicle’s speed.

## Traffic Infraction Detectors in Florida

In 2010, the Florida Legislature enacted ch. 2010-80, L.O.F. The law expressly preempted to the state regulation of the use of cameras for enforcing the provisions of ch. 316, F.S.<sup>1</sup> The law authorized the Department of Highway Safety and Motor Vehicles (DHSMV), counties, and municipalities to authorize officials to issue notices of violations of ss. 316.074(1) and 316.075(1)(c)1., F.S., for a driver's failure to stop at a traffic signal when such violation was identified by a traffic infraction detector.<sup>2</sup>

Municipalities may install or authorize installation of traffic infraction detectors on streets and highways in accordance with Department of Transportation (DOT) standards, and on state roads within the incorporated area when permitted by DOT.<sup>3</sup> Counties may install or authorize installation of traffic infraction detectors on streets and highways in unincorporated areas of the county in accordance with DOT standards, and on state roads in unincorporated areas of the county when permitted by DOT.<sup>4</sup> DHSMV may install or authorize installation of traffic infraction detectors on any state road under the original jurisdiction of DOT, when permitted by DOT.<sup>5</sup>

If DHSMV, a county, or a municipality installs a traffic infraction detector at an intersection, the respective governmental entity must notify the public that a traffic infraction device may be in use at that intersection, including specific notification of enforcement of violations concerning right turns.<sup>6</sup> Such signage must meet the specifications for uniform signals and devices adopted by DOT pursuant to s. 316.0745, F.S.<sup>7</sup>

### *Notifications and Citations*

If a traffic infraction detector identifies a vehicle violating ss. 316.074(1) or 316.075(1)(c)1., F.S., the visual information is captured and reviewed by a traffic infraction enforcement officer. Notices of violation and traffic citations may not be issued for failure to stop if the driver is making a right-hand turn "in a careful and prudent manner" at an intersection where right-hand turns are permissible,<sup>8</sup> and may not be issued if the driver of the vehicle came to a complete stop after crossing the stop line and before turning right but failed to stop before crossing over the stop line.<sup>9</sup>

A notification must be issued to the registered owner of a vehicle within 30 days of an alleged violation,<sup>10</sup> notifying the alleged violator that he or she must pay the required penalty to the county or municipality,<sup>11</sup> furnish an affidavit setting forth an authorized defense (see below), or

request a hearing within 60 days of the date of the notification to avoid issuance of a uniform traffic citation. The notification must include notice that the owner has the right to review the photographic or electronic images or the streaming video evidence, which constitute(s) a rebuttable presumption against the vehicle owner, and must state the time and place, or the Internet location, where the evidence may be examined and observed.<sup>12</sup> The notification must also direct the alleged violator to a website that provides information on the right to request a hearing and on all related court costs, and a form to request a hearing.<sup>13</sup>

If the registered owner of the vehicle does not submit payment, request a hearing, or submit an affidavit setting forth an authorized defense within 60 days of receipt of the notification described above, the traffic infraction enforcement officer must issue a uniform traffic citation<sup>14</sup> to the registered owner (first name on registration in cases of joint registration).<sup>15</sup> The citation must also include the statements described above regarding review of the photographic or video evidence.<sup>16</sup> The report of a traffic infraction enforcement officer and images provided by a traffic infraction detector are admissible in court and provide a rebuttable presumption the vehicle was used in a violation.<sup>17</sup> A traffic infraction enforcement officer must provide by electronic transmission a replica of the citation data when issued under s. 316.0083, F.S., to the court having jurisdiction over the alleged offense or its traffic violations bureau within five days after the issuance date of the citation to the violator, or, if a hearing is requested, to the clerk for the local hearing officer having jurisdiction over the alleged offense within 14 days.<sup>18</sup>

### *Defenses*

The registered owner of the motor vehicle is responsible for payment of the fine unless the owner can establish that the vehicle:

- Passed through the intersection to yield the right-of-way to an emergency vehicle or as part of a funeral procession;
- Passed through the intersection at the direction of a law enforcement officer; or
- Was, at the time of the violation, in the care, custody, or control of another person.

Additional defenses are available if a law enforcement officer issues a uniform traffic citation for the alleged violation or if the owner was deceased on or before the date the uniform traffic citation was issued.<sup>19</sup>

To establish any of these defenses, the owner of the vehicle must furnish an affidavit to the appropriate governmental entity within 30 days after the date of issuance of the uniform traffic citation that provides detailed information supporting an exemption as provided above, including relevant documents such as a police report (if the car had been reported stolen) or a copy of the uniform traffic citation, if issued.<sup>20</sup> If the owner submits an affidavit that another driver was

behind the wheel, the affidavit must contain the name, address, date of birth, and if known, the driver's license number, of the other driver.<sup>21</sup> Upon receipt of an affidavit and required documentation, the appropriate governmental entity must dismiss the citation and provide proof of such dismissal to the person that submitted the affidavit.<sup>22</sup> A notice of violation may then be issued to the person identified in the affidavit as having care, custody or control of the vehicle at the time of the alleged violation, and the affidavit from the registered owner may be used as evidence in a further proceeding regarding that person's alleged violation of ss. 316.074(1) or 316.075(1)(c)1., F.S.<sup>23</sup> Submission of a false affidavit is a second degree misdemeanor.<sup>24</sup>

If a vehicle is leased, the owner of the leased vehicle is not responsible for paying the citation, nor required to submit an affidavit, if the motor vehicle is registered in the name of the lessee.<sup>25</sup> If a person presents documentation from the appropriate governmental entity that the citation was issued in error, the clerk of court may dismiss the case and may not charge for such service.<sup>26</sup>

### ***Fines***

A fine of \$158 is levied on violators who fail to stop at a traffic signal as required by ss. 316.074(1) or 316.075(1)(c)1., F.S. When the \$158 fine is the result of a local government's traffic infraction detector, \$75 is retained by the local government and \$83 is deposited with the Department of Revenue (DOR).<sup>27</sup> DOR subsequently distributes the fines by depositing \$70 in the General Revenue Fund, \$10 in the Department of Health Emergency Services Trust Fund, and \$3 in the Brain and Spinal Cord Injury Trust Fund.<sup>28</sup>

If a law enforcement officer cites a motorist for the same offense, the fine is still \$158, but the revenue is distributed from the local clerk of court to DOR, where \$30 is distributed to the General Revenue Fund, \$65 is distributed to the Department of Health Emergency Services Trust Fund, and \$3 is distributed to the Brain and Spinal Cord Injury Trust Fund. The remaining \$60 is distributed in small percentages to a number of funds pursuant to s. 318.21, F.S.<sup>29</sup>

Violations of ss. 316.074(1) or 316.075(1)(c)1., F.S., enforced by traffic infraction detectors may not result in points being assessed against the operator's driver's license and may not be used for the purpose of setting motor vehicle insurance rates.<sup>30</sup>

### ***Actual Revenues***

According to the DOR website, from July 2014 through June 2015, 75 jurisdictions operated red light camera programs throughout the state. DOR reports the state portion of the fines collected during that fiscal year amount to \$54,114,003. Of the total, \$45,644,880 was distributed to the

### *Impact on Crashes and Fatalities*

Research reveals numerous studies of the impact of red light cameras on crashes and fatalities, and the studies are contradictory.

### **III. Effect of Proposed Changes:**

**Section 1** of the bill amends s. 316.003, F.S., to repeal the current subsection (87) definition of “traffic infraction detector,” currently defined to mean a vehicle sensor installed to work in conjunction with a traffic control signal and a camera or cameras synchronized to automatically record two or more sequenced photographic or electronic images or streaming video of only the rear of a motor vehicle at the time the vehicle fails to stop behind the stop bar or clearly marked stop line when facing a traffic control signal steady red light. Also removed is the requirement to include in any notice of violation or traffic citation issued by the use of a traffic infraction detector a photograph or other recorded image showing both the license tag of the offending vehicle and the traffic control device being violated.

This section of the bill also amends s. 316.003, F.S., to repeal the current subsection (91) definition of “local hearing officer,” currently defined to mean the person, designated by a department, county, or municipality that elects to authorize traffic infraction enforcement officers to issue traffic citations under s. 316.0083(1)(a), who is authorized to conduct hearings related to a notice of violation issued pursuant to s. 316.0083. Authorization of a charter county, noncharter county, or municipality to use a currently appointed code enforcement board or special magistrate to serve as the local hearing officer, as well as authorization of the Department of Highway Safety and Motor Vehicles to enter into interlocal agreements to use a county or municipal local hearing officer, is likewise removed.

**Section 2** amends s. 316.008, F.S., to repeal the current subsection (8) authorization of counties or municipalities to install, or authorize the installation of, and use traffic infraction detectors to enforce specified provisions of traffic law relating to obedience to traffic control signals and stopping a vehicle facing a steady red signal.

**Section 3** repeals s. 316.0083, F.S., the “Mark Wandall Traffic Safety Program,” which currently:

- Authorizes DHSMV, a county, or a municipality to authorize a traffic infraction enforcement officer to issue traffic citations for specified provisions of traffic law relating to obedience to traffic control signals and stopping a vehicle facing a steady red signal;
- Prohibits issuance of notices of violation or traffic citations for failing to stop while making rolling, “right-on-red” turns in a “careful and prudent manner” and for failing to stop before crossing the stop line or other point at which a stop is required when making a “right-on-red” turn;
- Provides the process and requirements for issuance of notices of violation, sets forth specific information to be included in such notices; provides alternative options for an alleged

violator, including providing a specified affidavit, requesting a hearing, or paying the penalty stated in the notice; provides penalty amounts and fine distributions; and prohibits certain individuals manufacturers, or vendors from receiving commissions, fees, or remuneration relating to the use of traffic infraction detectors;

- Provides the process and requirements for issuance of traffic citations; sets forth specific information to be included in such notices; provides for defenses to be established by affidavit, states requirements for information to be included in such affidavits, provides penalties for submission of false affidavits; provides for dismissal of citations and issuance of notices of violation and traffic citations to the person designated in an affidavit as having care, custody, or control of the motor vehicle at the time of the violation; and provides for supplemental enforcement;
- Requires each county or municipality that operates traffic infraction detectors to provide a specified annual summary report to DHSMV regarding the use and operation of traffic infraction detectors, and requires DHSMV to prepare an annual report to the Governor, Senate President, and House Speaker; and
- Sets forth procedures for hearings on notices of violation and authorizes a specified appeal of a final administrative order.

**Section 4** repeals s. 316.00831, F.S., which currently provides for retention by a county or municipality and subsequent remission to the Department of Revenue, as appropriate, of penalties collected for notices of violation during the interim between passage of the Mark Wandall Safety Program in 2010 and DOR's notification of its ability to receive and distribute the retained funds.

**Section 5** repeals s. 316.07456, F.S., which currently requires deployed traffic infraction detectors to meet specifications published by DOT and be tested at regular intervals according to DOT specifications; requires DOT to establish such specifications on or before December 31, 2010; and provides that any detectors in operation before July 1, 2011, are not required to meet the DOT specifications until July 1, 2011.

**Section 6** repeals s. 316.0776, F.S., which currently provides permitting, placement, and installation standards for traffic infraction detectors; and for signage, public announcement, and public awareness campaigns under certain conditions.

**Section 7** amends s. 318.15, F.S.; to repeal provision in current subsection (3) for withholding of a license plate or revalidation sticker for any motor vehicle owned or co-owned by a person who failed to pay the penalty, comply with the terms of a payment plan or order, or failed to appear at a hearing; and authorizes a person to challenge the withholding solely on the basis that the outstanding fines and civil penalties have been paid.

**Section 8** repeals s. 321.50, F.S., which currently authorizes DHSMV to use traffic infraction detectors to enforce specified provisions of traffic law relating to obedience to traffic control signals and stopping a vehicle facing a steady red signal on state roads under DOT jurisdiction when permitted by DOT.

**Section 9** amends s. 28.37(5), F.S., to remove a cross reference and to correct a cross reference to conform to changes made by the act.

**Section 10** amends s. 316.640(1)(b) and (5)(a), F.S., to remove DHSMV authorization to designate employees as traffic infraction enforcement officers; instruction and training requirements for such officers; provisions relating to such officers carrying firearms or other weapons and making arrests; the requirement that such officers be physically located in the state.; authorization of such officers to issue traffic citations under the Mark Wandall Traffic Safety Program; and authorization of any sheriff's department or police department of a municipality to designate employees as traffic infraction officers.

**Section 11** amends s. 316.650(3)(a) and (c), F.S., to remove a cross reference to conform to changes made by the act and to remove provisions relating to provision of replicas of traffic citations and notices of violation issued under the Mark Wandall Traffic Safety Program.

**Section 12** amends s. 318.121, F.S., to remove a cross reference to conform to changes made by the act.

**Section 13** amends s. 318.14(2), F.S., to remove a cross reference to conform to changes made by the act.

**Section 14** amends s. 318.18(15) and (22), F.S., to remove penalty amounts for red light violations enforced by a traffic infraction enforcement officer; distribution requirements for fines collected from traffic infraction detector programs; provisions for dismissal of notices of violation or traffic citations issued in error; the prohibition against certain individuals manufacturers, or vendors receiving commissions, fees, or remuneration relating to the use of traffic infraction detectors; and authorization of local hearing officers to order payment of county or municipal costs, not to exceed \$250.

**Section 15** amends s. 320.03(8), F.S., to remove a cross reference to conform to changes made by the act.

**Section 16** amends s. 322.27(3)((d), F.S., to remove prohibitions against imposition of driver license points for red light violations enforced by a traffic infraction enforcement officer and against using red light violations enforced by a traffic infraction enforcement officer to set motor vehicle insurance rates.

**Section 17** provides that the act takes effect July 1, 2019.

Because the preemption provisions of s. 316.0076, F.S., remain in statute, local governments will have no authority to implement red light camera programs.

#### **IV. Constitutional Issues:**

##### **A. Municipality/County Mandates Restrictions:**

None.

**B. Public Records/Open Meetings Issues:**

None.

**C. Trust Funds Restrictions:**

None.

**D. Other Constitutional Issues:**

Research of available vendor contracts suggests that some local governments anticipated the possible repeal of authority to implement red light camera programs and made provision for termination of such contracts in the event of repeal, while others did not. Some vendors may raise impairment of contract claims.

**V. Fiscal Impact Statement:**

**A. Tax/Fee Issues:**

The Revenue Estimating Conference (REC) Impact Conference estimated the bill will have a recurring negative impact of<sup>32</sup>:

	General Revenue	Trust Fund	Local/Other	Total
2019-2020	\$56.8 million	\$10.8 million	\$65.7 million	\$133.3 million
2020-2021	\$57.5 million	\$11 million	\$66.5 million	\$135 million

**B. Private Sector Impact:**

The possible imposition of a \$158 fine (and potential court costs) for red light violations detected by red light cameras is eliminated.

**C. Government Sector Impact:**

The state portion of the \$158 fine is \$83. The bill would eliminate the source of this revenue for the distributions identified above. Revenue from fines collected for red light violation citations issued by law enforcement officers would continue to be distributed to the identified funds.

The local jurisdiction retains \$75 of the \$158 fine. The bill would eliminate this source of revenue but would also eliminate expenses related to operating and maintaining red light camera programs. No future revenues would be realized following repeal of red light camera authorization.

**VI. Technical Deficiencies:**

None.

**VIII. Statutes Affected:**

This bill amends the following sections of the Florida Statutes: 28.37, 316.003, 316.008, 318.15, 316.640, 316.650, 318.121, 318.14, 318.18, 320.03, and 322.27.

This bill repeals the following sections of the Florida Statutes: 316.0083, 316.00831, 316.07456, 316.0776, and 321.50.

**IX. Additional Information:**

- A. **Committee Substitute – Statement of Substantial Changes:**  
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

**CS by Transportation on February 4, 2016:**

The CS changes the effective date of the bill from when the bill becomes law to July 1, 2019.

59 amended to read:

60 316.640 Enforcement.—The enforcement of the traffic laws of  
61 this state is vested as follows:

62 (1) STATE.—

63 (b)1. The Department of Transportation has authority to  
64 enforce on all the streets and highways of this state all laws  
65 applicable within its authority.

66 2.a. The Department of Transportation shall develop  
67 training and qualifications standards for toll enforcement  
68 officers whose sole authority is to enforce the payment of tolls  
69 pursuant to s. 316.1001. Nothing in this subparagraph shall be  
70 construed to permit the carrying of firearms or other weapons,  
71 nor shall a toll enforcement officer have arrest authority.

72 b. For the purpose of enforcing s. 316.1001, governmental  
73 entities, as defined in s. 334.03, which own or operate a toll  
74 facility may employ independent contractors or designate  
75 employees as toll enforcement officers; however, any such toll  
76 enforcement officer must successfully meet the training and  
77 qualifications standards for toll enforcement officers  
78 established by the Department of Transportation.

79 ~~3. For the purpose of enforcing s. 316.0083, the department~~  
80 ~~may designate employees as traffic infraction enforcement~~  
81 ~~officers. A traffic infraction enforcement officer must~~

240 Section 15. Subsection (8) of section 320.03, Florida  
 241 Statutes, is amended to read:

242 320.03 Registration; duties of tax collectors;  
 243 International Registration Plan.—

244 (8) If the applicant's name appears on the list referred to  
 245 in s. 316.1001(4), s. 316.1967(6), ~~s. 318.15(3)~~, or s.  
 246 713.78(13), a license plate or revalidation sticker may not be  
 247 issued until that person's name no longer appears on the list or  
 248 until the person presents a receipt from the governmental entity  
 249 or the clerk of court that provided the data showing that the  
 250 fines outstanding have been paid. This subsection does not apply  
 251 to the owner of a leased vehicle if the vehicle is registered in  
 252 the name of the lessee of the vehicle. The tax collector and the  
 253 clerk of the court are each entitled to receive monthly, as  
 254 costs for implementing and administering this subsection, 10  
 255 percent of the civil penalties and fines recovered from such  
 256 persons. As used in this subsection, the term "civil penalties  
 257 and fines" does not include a wrecker operator's lien as  
 258 described in s. 713.78(13). If the tax collector has private tag  
 259 agents, such tag agents are entitled to receive a pro rata share  
 260 of the amount paid to the tax collector, based upon the  
 261 percentage of license plates and revalidation stickers issued by

262 the tag agent compared to the total issued within the county.  
 263 The authority of any private agent to issue license plates shall  
 264 be revoked, after notice and a hearing as provided in chapter  
 265 120, if he or she issues any license plate or revalidation  
 266 sticker contrary to the provisions of this subsection. This  
 267 section applies only to the annual renewal in the owner's birth  
 268 month of a motor vehicle registration and does not apply to the  
 269 transfer of a registration of a motor vehicle sold by a motor  
 270 vehicle dealer licensed under this chapter, except for the  
 271 transfer of registrations which includes the annual renewals.  
 272 This section does not affect the issuance of the title to a  
 273 motor vehicle, notwithstanding s. 319.23(8)(b).

274 Section 16. Paragraph (d) of subsection (3) of section  
 275 322.27, Florida Statutes, is amended to read:

276 322.27 Authority of department to suspend or revoke driver  
 277 license or identification card.—

278 (3) There is established a point system for evaluation of  
 279 convictions of violations of motor vehicle laws or ordinances,  
 280 and violations of applicable provisions of s. 403.413(6)(b) when  
 281 such violations involve the use of motor vehicles, for the  
 282 determination of the continuing qualification of any person to  
 283 operate a motor vehicle. The department is authorized to suspend  
 284 the license of any person upon showing of its records or other  
 285 good and sufficient evidence that the licensee has been  
 286 convicted of violation of motor vehicle laws or ordinances, or  
 287 applicable provisions of s. 403.413(6)(b), amounting to 12 or  
 288 more points as determined by the point system. The suspension  
 289 shall be for a period of not more than 1 year.

290 (d) The point system shall have as its basic element a

 301 speed-3 points.  
 302 b. In excess of 15 miles per hour of lawful or posted  
 303 speed-4 points.  
 304 6. A violation of a traffic control signal device as  
 305 provided in s. 316.074(1) or s. 316.075(1)(c)1.-4 points.  
 306 ~~However, no points shall be imposed for a violation of s.~~  
 307 ~~316.074(1) or s. 316.075(1)(c)1. when a driver has failed to~~  
 308 ~~stop at a traffic signal and when enforced by a traffic~~  
 309 ~~infraction enforcement officer. In addition, a violation of s.~~  
 310 ~~316.074(1) or s. 316.075(1)(c)1. when a driver has failed to~~  
 311 ~~stop at a traffic signal and when enforced by a traffic~~  
 312 ~~infraction enforcement officer may not be used for purposes of~~  
 313 ~~setting motor vehicle insurance rates.~~  
 314 7. All other moving violations (including parking on a  
 315 highway outside the limits of a municipality)-3 points. However,  
 316 no points shall be imposed for a violation of s. 316.0741 or s.  
 317 316.2065(11); and points shall be imposed for a violation of s.  
 318 316.1001 only when imposed by the court after a hearing pursuant
