The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Transportation

BILL: CS/SB 88

INTRODUCER: Transportation Committee and Senator Wright

SUBJECT: Utility Terrain Vehicles

DATE: February 20, 2025

REVISED: _____

	ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1.	Shutes	Vickers	TR	Fav/CS
2.			ATD	
3.			RC	

I. Summary:

CS/SB 88 creates a definition for “utility terrain vehicle” (UTV) and authorizes the operation of such vehicles on certain roadways. Specifically, the bill defines a UTV as a vehicle less than 70 inches in width which has at least two seats allowing passengers to sit in a side-by-side manner, is operated by foot controls and a steering wheel, and is equipped with headlamps, stop lamps, turn signals, tail lamps, rearview mirrors, a windshield, seat belts, and a horn. A UTV must comply with specified insurance and registration requirements.

The bill authorizes a UTV to legally operate on two-lane county roads and two-lane municipal streets in which the posted speed limit is less than 55 miles per hour. A UTV may only be operated on a part of the State Highway System necessary to cross the highway at an angle of approximately 90 degrees to the direction of the roadway and at a place where a quick and safe crossing can be made. The bill allows the operator to drive the UTV during all hours, however, a UTV may only be operated by a licensed driver or a person possessing a learner’s driver license who is under the direct supervision of a licensed driver.

The bill provides that a county or municipality may enact an ordinance regulating UTV operation and equipment that is more restrictive than statutory requirements. A county or municipality is authorized to prohibit the operation of a UTV on any road under its jurisdiction if the governing body determines that such prohibition is necessary in the interest of safety.

The bill establishes penalties associated with the operation of a UTV. A violation of such is a noncriminal traffic infraction, punishable as a nonmoving violation, as provided in ch. 318, F.S.

The bill will likely have both positive and negative fiscal impacts on private and governmental sectors. *See* Section V., Fiscal Impact Statement.

The bill takes effect January 1, 2026.

II. Present Situation:

Florida law establishes various regulations governing golf carts, all terrain vehicles and low speed vehicles, among others. These regulations generally address applicable traffic laws, equipment, registration, titling, and insurance. Currently, Florida law does not define a utility terrain vehicle or authorize their operation on public roads.

Operation of Golf Carts

A golf cart is defined as a motor vehicle that is designed and manufactured for operation on a golf course for sporting or recreational purposes and that is not capable of exceeding speeds of 20 miles per hour.¹ Section 316.212, F.S, provides for the operation of golf carts on certain roadways. Except as provided in statute, the operation of a golf cart upon public roads or streets is prohibited.

A golf cart may be operated upon a county road designated by the county, a municipal street designated by the municipality, or a two-lane county road located within the jurisdiction of a municipality designated by that municipality, for use by golf carts. Prior to making a designation, the responsible local governmental entity must first determine that golf carts may safely travel on or cross the public road or street, considering factors including the speed, volume, and character of motor vehicle traffic using the road or street. Upon a determination that golf carts may be safely operated on a designated road or street, the responsible governmental entity must post appropriate signs to indicate that such operation is allowed.²

A golf cart may be operated on a part of the State Highway System³ under the following conditions:⁴

- To cross a portion of the State Highway System which intersects a county road or municipal street that has been designated for use by golf carts if the Florida Department of Transportation (FDOT) has reviewed and approved the location and design of the crossing and any traffic control devices needed for safety purposes.
- To cross, at midblock, a part of the State Highway System where a golf course is constructed on both sides of the highway if the FDOT has reviewed and approved the location and design of the crossing and any traffic control devices needed for safety purposes.

Upon its determination that golf carts may be operated on a given road, the FDOT must post appropriate signs on the road to indicate that such operation is allowed.⁵

¹ Section 320.01(22), F.S.

² Section 316.212(1), F.S.

³ Section 334.03(24), F.S., defines the term "State Highway System" to mean the interstate system and all other roads within the state which were under the jurisdiction of the state on June 10, 1995, and roads constructed by an agency of the state for the State Highway System, plus roads transferred to the state's jurisdiction after that date by mutual consent with another governmental entity, but not including roads so transferred from the state's jurisdiction. These facilities shall be facilities to which access is regulated.

⁴ Section 316.212(2), F.S.

⁵ *Id.*

A golf cart may only be operated during the hours between sunrise and sunset, unless the responsible governmental entity has determined that a golf cart may be operated during the hours between sunset and sunrise and the golf cart is equipped with headlights, brake lights, turn signals, and a windshield.⁶

A golf cart must be equipped with efficient brakes, reliable steering apparatus, safe tires, a rearview mirror, and red reflectorized warning devices in both the front and rear.⁷

A golf cart may not be operated on public roads or streets by a person:

- Who is under 18 unless that person has a valid learner's driver license or driver license.
- Who is 18 or older unless that person possesses a valid government-issued photographic identification.⁸

A local governmental entity may enact an ordinance relating to golf cart operation and equipment that is more restrictive than those enumerated in s. 316.212, F.S. However, such an ordinance must apply only to an unlicensed driver. Upon enactment of such ordinance, the local governmental entity must post appropriate signs or otherwise inform the residents that such an ordinance exists and that it will be enforced within the local government's jurisdictional territory.⁹

A violation of age or equipment requirements regarding the use of a golf cart is a noncriminal traffic infraction punishable as a nonmoving violation.¹⁰ A violation of the permissible operation of a golf cart on public roads or a violation of the hours of permissible operation of a golf cart is a noncriminal traffic infraction punishable as a moving violation.¹¹

All Terrain Vehicles (ATVs)

Section 316.2123, F.S., provides for the operation of an ATV on certain roadways. An ATV is defined as any motorized off-highway or all-terrain vehicle 55 inches or less in width which has a dry weight of 1,500 pounds or less, is designed to travel on three or more nonhighway tires, and is manufactured for recreational use by one or more persons.¹²

An ATV is prohibited upon public roads or streets of Florida, except that an ATV may be operated during the daytime on an unpaved roadway where a posted speed limit is less than 35 miles per hour.¹³

⁶ Section 316.212(5), F.S.

⁷ Section 316.212(6), F.S.

⁸ Section 316.212(7), F.S.

⁹ Section 316.212(8)(a), F.S.

¹⁰ Section 316.212(9), F.S. Section 318.18, F.S., provides the statutory base fine for a nonmoving violation is \$30 plus court costs and fees, which can increase the total penalty up to \$108.

¹¹ Section 316.212(9), F.S. Section 318.18, F.S., provides the statutory base fine for a moving violation is \$60 plus court costs and fees, which can increase the total penalty up to \$158.

¹² Section 317.0003(1), F.S.

¹³ Section 316.2123(1), F.S.

A county is exempt from s. 316.2123, F.S., (specifically, the authorization for ATV operation on specified roadways) if the governing body of the county, by a majority vote, following a noticed public hearing, votes to exempt the county from this provision. Alternatively, a county may, by majority vote after such hearing, designate certain unpaved roadways where an ATV may be operated during the daytime as long as each such designated roadway has a posted speed limit of 35 miles per hour or less, and appropriately marked to indicate permissible ATV use.¹⁴

Any ATV operation that is permitted under s. 316.2123, F.S., may be undertaken only by a licensed driver or a minor, who may be unlicensed, who is under the direct supervision of licensed driver. The operator must provide proof of ownership under ch. 317, F.S., upon the request of a law enforcement officer.¹⁵

ATVs are titled pursuant to ch. 317, F.S.,¹⁶ but not registered nor provided with a license plate. The manufacturing, distribution, and sale of ATVs is not regulated under ch. 320, F.S., as a motor vehicle and therefore are not required to meet Florida's motor vehicle franchise laws.

Low-speed Vehicles and Mini Trucks

A low-speed vehicle is defined as any four-wheeled vehicle whose top speed is greater than 20 miles per hour but not greater than 25 miles per hour, including, but not limited to, neighborhood electric vehicles. Low-speed vehicles must comply with the safety standards in 49 C.F.R. s. 571.500 and s. 316.2122, F.S.¹⁷ A mini-truck is defined as any four-wheeled vehicle whose top speed is greater than 20 miles per hour but not greater than 25 miles per hour, including, but not limited to, neighborhood electric vehicles. Low-speed vehicles must comply with the safety standards in 49 C.F.R. s. 571.500 and s. 316.2122, F.S.¹⁸

A low-speed vehicle or mini truck may be operated only on streets where the posted speed limit is 35 miles per hour or less. This does not prohibit a low-speed vehicle or mini truck from crossing a road or street at an intersection where the road or street has a posted speed limit of more than 35 miles per hour. A low-speed vehicle must be equipped with headlamps, stop lamps, turn signal lamps, tail lamps, reflex reflectors, parking brakes, rearview mirrors, windshields, seat belts, and vehicle identification numbers.¹⁹

¹⁴ Section 316.2123(2), F.S.

¹⁵ Section 316.2123(3), F.S.

¹⁶ Chapter 317, F.S., provides that the administration of off-highway vehicle titling laws is under the DHSMV, which shall provide for the issuing, handling, and recording of all off-highway vehicle titling applications and certificates, including the receipt and accounting of off-highway vehicle titling fees. Section 317.0002, F.S., states that it is the intent of the Legislature that all off-highway vehicles operated on public lands be titled and issued a certificate of title to allow for easy determination of ownership.

¹⁷ Section 320.01(41), F.S. 49 CFR Part 571 is a set of Federal Motor Vehicle Safety Standards that establish minimum performance requirements for motor vehicles and motor vehicle equipment in the United States. This standard specifies requirements for low-speed vehicles.

¹⁸ Section 320.01(41), F.S.

¹⁹ Section 316.2122(1), F.S.

A low-speed vehicle or mini truck must be registered and insured in accordance with s. 320.02, F.S., and titled pursuant to ch. 319, F.S. Any person operating a low-speed vehicle or mini truck must have in his or her possession a valid driver license.²⁰

Low-speed vehicles and mini trucks are regulated under ch. 320, F.S., and fall under the manufacturing, distribution, and sales requirements, which are included in Florida's motor vehicle franchise dealer laws.

Utility Terrain Vehicles (UTVs)

As previously noted, current Florida law does not define a UTV (sometimes referred to as Recreational Off-Highway Vehicles (ROVs)²¹ or "side-by-sides"), nor does it allow for UTVs to be operated on public roads or streets. Section 317.0003(6), F.S., defines "OHM" or "Off-highway vehicles" to mean any ATV, two-rider ATV, ROV, or OHM that is used off the roads or highways of this state and that is not registered and licensed for highway use pursuant to ch. 320, F.S.

While there are various definitions used in connection with UTVs, the Recreational Off-Highway Vehicle Association²² provides the following definition:

- Designed to travel on four or more non-highway tires;
- Intended by the manufacturer for use by one or more persons and having the following characteristics:
 - A steering wheel for steering control;
 - Non-straddle seating;
 - Seatbelts;
 - An occupant protective structure;
 - Engine displacement of up to 1,000 cc;
 - Maximum speed capability greater than 30 miles per hour; and
 - Less than 80 inches in overall width, exclusive of accessories.²³

Currently, 21 states allow for UTVs (variously defined) to be operated on public roadways, but regulations vary widely from state to state in terms of the requirements for making a UTV street-legal.²⁴ "Street-legal UTVs are universally required to have brake lights, turn signals, headlights, and hazard lights. Some states require additional equipment before they deem a UTV to be street-legal. Just as each state has different regulations for the equipment that street-legal UTVs must have, each state also has varying regulations for how these vehicles can be operated on

²⁰ *Id.*

²¹ Section 317.0003, F.S., provides the following definition for the term "ROV": any motorized recreational off-highway vehicle 80 inches or less in width which has a dry weight of 3,500 pounds or less, is designed to travel on four or more nonhighway tires, and is manufactured for recreational use by one or more persons. The term does not include a golf cart as defined in ss. 316.003 and 320.01, F.S., or a low-speed vehicle as defined in s. 320.01, F.S.

²² The Recreational Off-Highway Vehicle Association is a national, not-for-profit trade association formed to promote the safe and responsible use of recreational off-highway vehicles manufactured or distributed in the United States. Recreational Off-Highway Vehicle Association, <https://rohva.org/about-us/> (last visited January 17, 2025).

²³ The Recreational Off-Highway Vehicle Association, *What is an ROV?*, <https://rohva.org/what-is-an-rov/> (last visited January 17, 2025)

²⁴ World Population Review, *UTV Street Legal States 2024*, [UTV Street Legal States 2024 \(worldpopulationreview.com\)](https://worldpopulationreview.com/utv-street-legal-states-2024/), (last visited January 17, 2025).

public roads. Most states only allow UTVs to be operated on county roads. UTVs are not allowed on interstate highways”²⁵

III. Effect of Proposed Changes:

The bill creates s. 316.21275, F.S., to define the term “utility terrain vehicle” or “UTV” to mean a vehicle less than 70 inches in width which has at least two seats allowing passengers to sit in a side-by-side manner, operated by foot controls and a steering wheel and which is equipped with headlamps, stop lamps, turn signals, tail lamps, rearview mirrors, a windshield, seat belts, and a horn. The bill defines the term “direct supervision” to mean a person who is in the adjacent front passenger seat of the UTV being operated.

A UTV may only be operated on designated two-lane county roads or two-lane municipal streets in which the posted speed limit is less than 55 miles per hour. Before making such designation, the responsible county or municipality must first determine that a UTV may safely travel on or cross the public road or street, considering factors including speed, volume, and character of motor vehicle traffic using the road or street.

A UTV may be operated only on a part of the State Highway System necessary to cross the highway at an angle of approximately 90 degrees to the direction of the roadway and at a place where a quick and safe crossing can be made. The Department of Transportation may prohibit the operation of UTVs on any road in its jurisdiction if it determines that such prohibition is necessary in the interest of safety.

The bill allows the operator to drive the UTV during all hours. A UTV may only be operated by a licensed driver pursuant to s. 322.18, F.S., or a person possessing a learner’s driver license pursuant to s. 322.1615, F.S., who is under the direct supervision of a licensed driver.

The owner or operator of a UTV must comply with all of the following requirements and regulations:

- Obey traffic regulations enumerated in ch. 316, F.S., and operate his or her UTV with due care.
- Provide proof of ownership under ch. 317, F.S., upon the request of a law enforcement officer.
- Fulfill all insurance requirements pursuant to s. 324.021, F.S.
- Ensure that the UTV has the proper license plate pursuant to s. 320.0847, F.S.
- Maintain registration certificate or copy thereof in the UTV pursuant to s. 320.0605, F.S.

The bill allows a county or municipality to enact an ordinance regarding UTV operation and equipment which is more restrictive than those requirements enumerated in statute. A county or municipality may also prohibit the use of UTVs on any road under its jurisdiction if the governing body of such county or municipality determines that such prohibition is necessary in the interest of safety.

²⁵ *Id.*

The bill authorizes penalties associated with operating a UTV. A violation of such is a noncriminal traffic infraction, punishable as a nonmoving violation, as provided in ch. 318.

In order to implement the bill the DHSMV would issue a title to the UTV owner and the operator of a UTV would be required to provide proof of ownership under ch. 317, F.S., upon the request of a law enforcement officer. As a result, UTVs would be titled as an Off-Highway Vehicle, but unlike ATVs that are not registered, UTVs would be registered as an on-highway vehicle (like low-speed vehicles and mini-trucks).²⁶

The bill takes effect January 1, 2026.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

The reclassification of UTVs will subject owners of such vehicles to existing motor vehicle registration fees.

The DHSMV may charge the following registration fees:

- Advanced Replacement Fee - \$2.80
- Original License Plate - \$28.00
- Reflectorizing - \$.50
- Air Pollution - \$.10
- Decal on Demand - \$1.00

²⁶ Department of Highway Safety and Motor Vehicles, Agency Analysis of 2025 Senate Bill 88, p. 3, January 28, 2025. (On file with the Senate Committee on Transportation)

- Service Fee - \$2.50
- Base Tax – Undetermined
- Emergency Medical Services - \$.10
- Juvenile Justice - \$1.00
- Law Enforcement Radio Trust Fund - \$1.00
- Surcharge State Transportation - \$1.20
- FRVIS - \$.50
- State Transportation Fund – if over 10,000 lbs. gross vehicle weight
- Transfer Fee - \$4.50
- Delinquent Fee – based on license tax charged from, s. 320.08, F.S.²⁷

B. Private Sector Impact:

Manufacturers and dealers of UTVs may be subject to regulation under the state’s motor vehicle manufacturer and franchise dealer laws (ss. 320.60-320.70, F.S.).

C. Government Sector Impact:

The DHSMV estimates that the bill will have an indeterminate positive fiscal impact on state government revenue associated with the resulting increase in motor vehicle titling and registration fees.²⁸

The DHSMV anticipates the bill will have an indeterminate negative fiscal impact associated with additional expenditures on title stock, registration stock, license plates, and decal inventory.²⁹

The DHSMV estimates a negative fiscal impact of \$59,310 associated with new programming and implementation of the bill.³⁰ These costs can be absorbed within existing resources.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill creates section 316.21275 of the Florida Statutes.

This bill substantially amends section 320.0847 of the Florida Statutes.

²⁸ *Id.* at 6.

²⁹ *Id.*

³⁰ *Id.* at 5.

IX. Additional Information:**A. Committee Substitute – Statement of Changes:**

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Transportation on February 18, 2025:

- Clarifies that UTVs are subject to motor vehicle insurance requirements.
- Requires that a person must maintain the registration certificate or a copy of the registration in the UTV.
- Changes the effective date from July 1, 2025 to January 1, 2026.

B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill's introducer or the Florida Senate.

28 or a utility terrain vehicle as defined in s. 316.21275 upon
29 payment of the appropriate license taxes and fees prescribed in
30 s. 320.08.

31 (2) The license plate for a low-speed vehicle, ~~or~~ mini
32 truck, or utility terrain vehicle must ~~shall~~ comply with ~~the~~
33 ~~provisions of~~ s. 320.06.

34 Section 3. This act shall take effect January 1, 2026.

By Senator Wright

8-00135-25

202588__

A bill to be entitled

An act relating to utility terrain vehicles; creating s. 316.21275, F.S.; defining terms; authorizing a utility terrain vehicle (UTV) to be operated during all hours; authorizing the operation of UTVs on certain roadways; authorizing the operation of UTVs on certain parts of the State Highway System; authorizing the Department of Transportation to prohibit the use of UTVs under certain circumstances; authorizing persons possessing certain licenses to operate a UTV; requiring owners or operators of a UTV to comply with certain requirements and regulations; authorizing a county or municipality to restrict the operation of UTVs under certain circumstances; providing civil penalties; amending s. 320.0847, F.S.; requiring the Department of Highway Safety and Motor Vehicles to issue a license plate to the owner or lessee of a vehicle registered as a UTV upon payment of certain taxes and fees; requiring that license plates for UTVs comply with specified provisions; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 316.21275, Florida Statutes, is created to read:

316.21275 Operation of a UTV on certain roadways.-

(1) As used in this section, the term:

(a) "Direct supervision" means a person is in the adjacent

Page 1 of 4

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

8-00135-25

202588__

front passenger seat of the UTV being operated.

(b) "Utility terrain vehicle" or "UTV" means a vehicle less than 70 inches in width which has at least two seats allowing passengers to sit in a side-by-side manner, is operated by foot controls and a steering wheel, and is equipped with headlamps, stop lamps, turn signals, tail lamps, rearview mirrors, a windshield, seat belts, and a horn.

(2) A UTV may be operated during all hours.

(3) A UTV may be operated only upon:

(a) A two-lane county road with a posted speed limit of less than 55 miles per hour which has been designated for UTV use by a county; or

(b) A two-lane municipal street with a posted speed limit of less than 55 miles per hour which has been designated for UTV use by a municipality.

Before making such designation, the responsible county or municipality must first determine that a UTV may safely travel on or cross the public road or street, considering factors including the speed, volume, and character of motor vehicle traffic using the road or street.

(4) A person may operate a UTV on the State Highway System only when necessary to cross the highway at an angle of approximately 90 degrees to the direction of the roadway and at a place where a quick and safe crossing can be made. The Department of Transportation may prohibit the operation of UTVs on any road in its jurisdiction if it determines that such prohibition is necessary in the interest of safety.

(5) A person may operate a UTV only if he or she possesses

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

8-00135-25 202588__

59 a driver license pursuant to s. 322.18, or the person possesses
60 a learner's driver license pursuant to s. 322.1615 and is under
61 the direct supervision of a licensed driver.

62 (6) The owner or operator of a UTV must comply with all of
63 the following requirements and regulations:

64 (a) Obey traffic regulations enumerated in this chapter and
65 operate his or her UTV with due care.

66 (b) Provide proof of ownership under chapter 317 upon
67 request of a law enforcement officer.

68 (c) Fulfil all insurance requirements pursuant to s.
69 324.022.

70 (d) Ensure that the UTV has the proper license plate
71 pursuant to s. 320.0847.

72 (7) A county or municipality may enact an ordinance
73 regarding UTV operation and equipment which is more restrictive
74 than those requirements enumerated in this section.

75 (8) A county or municipality may prohibit the operation of
76 a UTV on any road or street under its jurisdiction if the
77 governing body of such county or municipality determines that
78 such prohibition is necessary in the interest of safety.

79 (9) A violation of this section is a noncriminal traffic
80 infraction, punishable as a nonmoving violation, as provided in
81 chapter 318.

82 Section 2. Section 320.0847, Florida Statutes, is amended
83 to read:

84 320.0847 Mini truck, utility terrain vehicle, and low-speed
85 vehicle license plates.—

86 (1) The department shall issue a license plate to the owner
87 or lessee of any vehicle registered as a low-speed vehicle as

8-00135-25 202588__

88 defined in s. 320.01, ~~or~~ a mini truck as defined in s. 320.01,
89 or a utility terrain vehicle as defined in s. 316.21275 upon
90 payment of the appropriate license taxes and fees prescribed in
91 s. 320.08.

92 (2) The license plate for a low-speed vehicle, ~~or~~ mini
93 truck, or utility terrain vehicle must shall comply with the
94 ~~provisions of~~ s. 320.06.

95 Section 3. This act shall take effect July 1, 2025.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Transportation

BILL: SB 274

INTRODUCER: Senator Arrington

SUBJECT: Transportation Facility Designations/Harris Rosen Way

DATE: February 18, 2025

REVISED: _____

	ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1.	Johnson	Vickers	TR	Favorable
2.			ATD	
3.			FP	

I. Summary:

SB 274 designates that portion of International Drive between S.R. 528 and Sand Lake Road in Orange County as “Harris Rosen Way” and directs the Florida Department of Transportation (FDOT) to erect suitable markers.

The estimated cost to FDOT to install the designation markers is \$2,400. See the “Fiscal Impact Statement” below for details.

The bill takes effect July 1, 2025.

II. Present Situation:

Section 334.071, F.S., provides that legislative designations of transportation facilities are for honorary or memorial purposes or to distinguish a particular facility. Such designations are not to be construed as requiring any action by local governments or private parties regarding the changing of any street signs, mailing addresses, or 911 emergency telephone number system listings, unless the legislation specifically provides for such changes.¹

When the Legislature establishes road or bridge designations, FDOT is required to place markers only at the termini specified for each highway segment or bridge designated by the law creating the designation and to erect any other markers it deems appropriate for the transportation facility.²

FDOT may not erect the markers for honorary road or bridge designations unless the affected city or county commission enacts a resolution supporting the designation. When the designated

¹ Section 334.071(1), F.S.

² Section 334.071(2), F.S.

road or bridge segment is located in more than one city or county, each affected local government must pass resolutions supporting the designations before the installation of the markers.³

Harris Rosen

Harris Rosen was the founder, President, and Chief Operating Officer of Rosen Hotels and Resorts, a company operating seven Orlando-area hotels. Mr. Rosen created programs to provide free preschool to children in underserved communities, was instrumental in the founding of the Rosen College of Hospitality Management at the University of Central Florida and was involved in other philanthropic efforts. Mr. Rosen passed away on November 25, 2024.⁴

III. Effect of Proposed Changes:

The bill creates an undesignated section of Florida law designating that portion of International Drive between S.R. 528 and Sand Lake Road in Orange County as “Harris Rosen Way” and directs FDOT to erect suitable markers.

The bill takes effect July 1, 2025.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None.

³ Section 334.071(3), F.S.

⁴ *Harris Rosen – Founder, Rosen Hotels & Resorts*, <https://www.rosenhoteles.com/leadership/harris-rosen/> (last visited February 4, 2025).

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

The estimated cost to erect the designation markers required under this bill is \$2,400, based on the assumption that a minimum of two markers are required at a cost to FDOT of no less than \$1,200 each. The estimate includes labor, materials, manufacturing, and installation.⁵ FDOT is expected to absorb the estimated cost within existing resources.

VI. Technical Deficiencies:

None.

VII. Related Issues:

The proposed designation for Harris Rosen Way is not located on the State Highway System.

VIII. Statutes Affected:

This bill creates an undesignated section of Florida Statutes.

IX. Additional Information:**A. Committee Substitute – Statement of Changes:**

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

None.

B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill's introducer or the Florida Senate.

⁵ E-mail from Jack Rogers, FDOT Legislative Affairs Director, *RE: Transportation Facility Designation Costs*, December 9, 2024. (On file with Senate Committee on Transportation).

A bill to be entitled

An act relating to transportation facility designations; providing an honorary designation of a certain transportation facility in a specified county; directing the Department of Transportation to erect suitable markers; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Harris Rosen Way designated; Department of Transportation to erect suitable markers.-

(1) That portion of International Drive between S.R. 528 and Sand Lake Road in Orange County is designated as "Harris Rosen Way."

(2) The Department of Transportation is directed to erect suitable markers designating Harris Rosen Way as described in subsection (1).

Section 2. This act shall take effect July 1, 2025.

34th District

February 18, 2025

The Honorable Senator Jay Collins
Chairman, Transportation Committee
313 Senate Building
404 South Monroe Street
Tallahassee, FL 32399

Dear Chairman Collins,

I respectfully request an excused absence from the Tuesday, February 18, 2025, Transportation Committee at 4:00 p.m. due to the snowstorms in New York, which have canceled my flight home.

Thank you in advance for considering this request. If you have any questions, comments, or concerns, please do not hesitate to contact me or my office.

Sincerely,

A handwritten signature in blue ink, appearing to read "Shev Jones".
