SB 1986 — Water Management Districts

by Budget Committee

The bill provides for the following:

- Authorizes the Legislature to set the maximum millage rate for each district.
- Removes a provision requiring that the maximum property tax revenue for water management districts revert to the amount authorized for the prior year if the Legislature does not set the amount.
- Removes the maximum revenue limitation for the 2011-2012 fiscal year.
- Creates s. 373.535, F.S., to require each water management district to submit a preliminary budget by January 15 for legislative review, requires the preliminary budget to include certain information, and authorizes the President of the Senate and the Speaker of the House of Representatives to submit comments regarding the preliminary budget to the district by March 1. Requires each district to respond to the comments no later than March 15.
- Provides for the preliminary budget reviewed by the Legislature to be the basis for developing each district's tentative budget for the next fiscal year.
- Provides criteria for the Legislative Budget Commission (LBC) to use in approving the tentative budget of a district and authorizes the LBC to reject certain district budget proposals.
- Requires a district to submit for review a description of any significant changes made from the preliminary budget to the tentative budget.
- Requires that a five-year water resource development work program describe the district's implementation strategy and funding plan for water resource, water supply, and alternative water supply development components of each approved regional water supply plan.
- Authorizes the governing board of a water management district to provide group insurance for its employees and the employees of another water management district.
- Allows each water management district to own, acquire, develop, construct, operate, and manage a public information system, and exempts local government review or approval of such public information system.
- Revises the definitions of the terms "regularly established position" and "temporary position" for purposes of district positions within the state retirement system, effective October 1, 2012.

If approved by the Governor, these provisions take effect upon becoming a law except as otherwise expressly provided in the bill.

Committee on Budget

SB 1996— Department of Economic Opportunity

by Budget Committee

Senate Bill 1996 provides for the following:

- Repeals the future expiration of an amendment to s. 163.3247(3), F.S., which amendment eliminated the travel and per diem reimbursement for members of the Century Commission.
- Repeals the future expiration of an amendment to s. 201.15(1)(c)2., F.S., which amendment eliminated the distribution of documentary stamp tax revenues to the Century Commission.
- Requires the Auditor General and the Office of Program Policy Analysis and Government Accountability (OPPAGA) to jointly conduct an audit and review of the programs and operations of the Florida Housing Finance Corporation. A work plan for such audit and review must be submitted to the President of the Senate and the Speaker of the House of Representatives no later than July 1, 2012. The audit and review shall encompass, at a minimum, a review of the corporation's assets, liabilities, income, and operating expenses, the internal management, financial and operational controls employed, the programmatic decision-making processes used, the governance, direction and oversight provided by the Florida Housing Finance Corporation Board of Directors, and the performance outcomes of the programs administered by the Florida Housing Finance Corporation. The audit and review shall also include formulation of recommendations to the Legislature for changes to the structure, governance and operational processes of the Florida Housing Finance Corporation. Unless otherwise directed in writing jointly by the President of the Senate and the Speaker of the House of Representatives, a written report on the audit and review shall be submitted to the President of the Senate and the Speaker of the House of Representatives no later than December 1, 2012. This section of the bill is effective upon becoming law.
- Authorizes the Florida Housing Finance Corporation to utilize up to 10 percent of its annual allocation of low-income housing tax credits, allocation of nontaxable revenue bonds, and State Apartment Incentive Loan Program funds appropriated by the Legislature and available to allocate by request for proposals or other competitive solicitation funding for high-priority affordable housing projects, such as housing to support economic development and job creation initiatives, housing for veterans and their families, and other special needs populations in communities throughout the state as determined by the corporation on an annual basis.
- Authorizes the Florida Housing Finance Corporation's State Apartment Incentive Loan Program (SAIL) to accept payment of deferred program interest at an interest rate that is consistent with rates currently authorized in law, provided the deferred interest is paid in not more than five equal annual installments. This section also provides authority for additional SAIL funding to preserve existing projects having financing guaranteed under the Florida Affordable Housing Guarantee Program. Projects shall be given priority for

funding which meet specified criteria. The maximum amount that may be funded is \$2,500,000 per project, and authority for such funding expires on June 30, 2013.

- Provides that a participant in an adult or youth work experience activity administered pursuant to ch. 445, Laws of Florida, shall be deemed an employee of the state for purposes of workers' compensation coverage.
- Directs the DEO to prepare draft legislation to conform the Florida Statutes to the provisions of this act, and to submit such draft legislation to the Governor, the President of the Senate, and the Speaker of the House of Representatives on or before October 1, 2012.
- Provides that if the governing body of an independent special district that provides water, wastewater, and sanitation services in a disproportionately affected county as defined in s. 288.106(8), determines that a new user or the expansion of an existing user of one or more of its utility systems will provide a significant benefit to the community in terms of increased job opportunities, economies of scale, or economic development in the area, the governing body may authorize a reduction of its rates, fees, or charges for that user for a specified period of time. A governing body that exercises this power must do so by resolution that states the anticipated economic benefit justifying the reduction as well as the period of time that the reduction remains in place.

If approved by the Governor, these provisions take effect, except as otherwise expressly provided in this act, on July 1, 2012.

Vote: Senate 38-0; House 106-11

- Creates s. 339.139, F.S. entitled Transportation Debt Assessment, which implements a transportation debt assessment policy requiring the department to submit a debt load report in conjunction with the tentative work program;
- Creates s. 339.2825, F.S., entitled Approval of contractor-financed projects, which requires the department to notify the Governor and Legislature prior to advancing a

- project in the 5-year work program utilizing funds provided by a public-private partnership to be reimbursed as programmed in the adopted work program;
- Mandates certain actions by FDOT when they receive an inspection report which either recommends a limit on a bridge, or recommends closing a bridge;
 - Enhances FDOT's authority to establish tolls on certain future limited access facilities in the State Highway System;
 - Allows for bond issuance on high-occupancy toll lanes or express lanes, with certain restrictions on usage;
 - Revises the definition of "economically feasible" as it relates to turnpike projects;
 - Allows private sector entities and off-system toll facilities to use FDOT's toll collection and video billing systems in order to increase non-toll revenues or add convenience or other value for its customers;
 - Mandates that the FDOT secretary designate a facility which meets the definition of an intermodal logistics center and has been designated as such in the local comprehensive plan as part of the Strategic Intermodal System, upon the facilities request; and
 - Provides a process for summary proceedings within 30 days for a challenge to a consolidated environmental resource permit or associated variance or a sovereign submerged lands authorization issued by the Department of Environmental Protection in connection with the state's deepwater ports.

If approved by the Governor, these provisions take effect July 1, 2012, except as otherwise provided in this act.

THE FLORIDA SENATE
2012 SUMMARY OF LEGISLATION PASSED
Committee on Budget

HB 5001 — Appropriations

by Appropriations Committee and Rep. Grimsley (SB 2000 by Budget Committee)

The General Appropriations Act for Fiscal Year 2012-2013 provides for a total budget of \$70.04 billion including:

- General revenue (GR): \$24.77 billion
- Trust funds (TF): \$45.27 billion

The budget is summarized by committee as follows:

- Education
 - PreK-12 Education Appropriations – \$12.8 billion (state funds)
 - \$ 9.7 billion GR
 - \$ 3.1 billion TF
 - Higher Education – \$5.9 billion
 - \$3.0 billion GR
 - \$2.9 billion TF
- Health Appropriations – \$29.9 billion
 - \$7.7 billion GR
 - \$22.2 billion TF
- Criminal and Civil Justice Appropriations – \$4.6 billion
 - \$3.4 billion GR
 - \$1.2 billion TF
- General Government Appropriations – \$5.0 billion
 - \$0.5 billion GR
 - \$4.5 billion TF
- Transportation and Economic Development Appropriations – \$9.9 billion
 - \$ 0.2 billion GR
 - \$9.7 billion TF

Pre-K-12 Education Appropriations

- The total budget for Pre-K -12 education is \$20.4 billion from all sources (state, local, and federal). This total is the same as the total for 2011-12.
- The budget includes \$9.7 billion from general revenue, \$361.1 million from the Educational Enhancement Trust Fund, \$220.1 million from the State School Trust Fund

- and \$2.5 billion from other trust funds, largely for federal programs. In addition, \$7.6 billion of local funds are included for the Florida Education Finance Program (FEFP).
- Priority is given to preserving the core delivery systems, which include Voluntary Prekindergarten Education and School Readiness, the FEFP for public schools, and the Florida School for the Deaf and the Blind.
 - \$413.3 million is provided for the Voluntary Prekindergarten Education program, including workload funding of \$28.7 million for an additional 11,555 full time equivalent positions (FTEs), and \$10.3 million for an additional 4,111 FTE students in the current year. Also, the base student allocation remains unchanged at \$2,383 for the regular school year and \$2,026 for the summer program.
 - \$581.5 million is provided for the School Readiness Program and the conforming bill initiates significant changes which will:
 - Increase services to 0 to 5 year old children;
 - Increase the number of children served by reducing non-direct services and increasing efficiency;
 - Reduce fraud;
 - Require pre and post testing of all children served; and
 - Standardize payment rates.
 - \$1.068 billion additional state funds are provided for the Florida Education Finance Program (FEFP) for K – 12 public schools. This funding is used to:
 - Replace \$224 million of nonrecurring funds;
 - Educate an additional 30,874 students for \$197 million;
 - Offset \$246.8 million in reduced ad valorem revenues (3.61 percent reduction in taxable value)
 - Adjust funding for retirement system changes: \$99.3 million in additional Florida Retirement System costs and \$52.6 million reduction for a change in investment plan rates; and
 - Enhance educational services in the amount of \$353.9 million.
 - Also, for the FEFP:
 - Total funds are increased by 3.6 percent and funds per student are increased by \$150 or 2.41 percent.
 - \$637 million is provided for the Supplemental Academic Instruction program (\$21 million increase) and \$130 million is provided for the Reading Instruction allocation (\$32.3 million increase). The increased funding for these two programs is provided to extend the normal school day by an additional hour for the students in the 100 lowest performing elementary schools to provide intensive reading instruction.
 - School Recognition funding is increased by \$15 million to \$134.6 million (from \$70 to \$100 per student).
 - Per student funding for Virtual Education is increased from \$4,800 to \$5,200.
 - The Base Student Allocation is increased by \$104 or 2.98 percent.
 - \$3 billion is provided for Class Size, an increase of \$56.3 million.
 - Required and Discretionary millages for operations remain unchanged.
 - Funding for most non-FEFP programs remains the same or increased. New grant programs are funded.

Public Education Capital Outlay

- The total budget for education fixed capital outlay is \$1.6 billion, including debt service on prior bonding.
- Budget also provides \$250 million to complete previously authorized capital outlay projects. This covers these projects with available nonrecurring cash instead of bond proceeds (the appropriation includes \$120 million from general revenue and \$130 million from the Educational Enhancement Trust Fund).
- The total includes \$67.6 million for Maintenance, Repair and Remodeling, including:
 - \$5.4 million for the Florida College System;
 - \$7.0 million for the State University System; and
 - \$55.2 million for charter schools.
- The total includes \$115.3 million for construction projects, including:
 - \$69.1 million for the Florida College System;
 - \$30.9 million for the State University System;
 - \$1.7 million for the Florida School for the Deaf and the Blind;
 - \$4.3 million for University Developmental Research Schools; and
 - \$9.4 million for other education capital outlay projects.
- \$28 million for school district and Florida College System bonded construction projects.
- \$1.4 billion for debt service.

Higher Education Appropriations

The Higher Education budget including tuition totals \$6.8 billion, which is a 0.5 percent increase from the 2011-12 fiscal year. The budget includes a \$253.6 million (7.8 percent) decrease in general revenue funds and a \$10.9 million (1.3 percent) decrease in the Educational Enhancement Trust Fund.

Also included is a 5 percent base tuition increase for Workforce and Florida Colleges. For State Universities a base tuition increase is not recommended; however each university has the option of up to a 15 percent increase under its tuition differential fee authority.

Workforce Education

- The budget including tuition is \$542.4 million. With a slight increase of \$117,400 over the current year, the program is essentially level funded.

Florida College System

- The budget including tuition is \$2 billion. This is an increase of \$84.2 million or 4.4 percent. The Senate budget provides for operating costs of new facility space and for the continuation of the 2+2 partnership incentive. There are no reductions in programs.

State University System

- The budget including tuition is \$3.4 billion. This is an overall decrease of \$39.9 million or 1.1 percent. These funds anticipate total tuition revenue growth of \$244 million. The budget includes a nonrecurring general revenue reduction of \$300 million, which will be restored in 2013-14. Universities will use a portion of their fund balance to maintain full operations. The budget also provides \$8.4 million for the operating costs of new facilities space, \$3.3 million for the National High Magnetic Field Lab at FSU, \$2.5 million for the Degree Completion Pilot Program coordinated by the University of West Florida, and \$15 million for Outcome Based Performance Funding.

Vocational Rehabilitation

- The budget is \$202.1 million. This is a increase of \$9.0 million or 4.7 percent. The Adults with Disabilities program is preserved at \$10.0 million with a 15 percent reduction. The budget reduces 20 FTE and \$1.7 million due to elimination of the Injured Worker Program with the loss of Workers Compensation Administration Trust Fund funding. The budget also provides \$11.8 million in federal funds for anticipated workload increases.

Blind Services

- The budget is \$52.6 million, which is an increase of \$547,117 or 1.1 percent.

Private Colleges & Universities

- The budget is \$104.9 million. This is a decrease of \$488,773 or 0.5 percent. An increase in award levels for the FRAG newly eligible students is provided. (Current FRAG eligible institutions are at the current level of \$2,150 per student, newly eligibles are at \$1476 per student as part of a continuing phase in, and ABLA students are at the current level of \$803 per student.)

Student Financial Aid

- The budget is \$479.6 million for state programs. This is a decrease of \$18.0 million or 3.6 percent. The budget reduces the Bright Futures payment level by about 1 percent. The total amount of the Florida Student Assistance Grants, Florida's primary need-based program, is held at the current 2011-12 level. Federal financial aid programs are reduced by \$4.5 million (37.3 percent) based on the availability of federal funds.

Board of Governors

- The budget is \$6.4 million budget, which is an increase of \$801,762 (14.5 percent) over the 2011-2012 fiscal year appropriation. The increase includes funding for the filling of long vacant positions and for an online university study.

Committee on Budget

HB 5003 — Implementing the 2012-2013 General Appropriations Act by Appropriations Committee and Rep. Grimsley (SB 2002 by Budget Committee)

This bill provides the following substantive modifications for the 2012-2013 fiscal year.

Section 1 provides legislative intent that the implementing and administering provisions of this act apply to the General Appropriations Act for FY 2012-2013.

Section 2 incorporates the Florida Education Finance Program (FEFP) work papers by reference for the purpose of displaying the calculations used by the Legislature.

Section 3 amends s. 216.292, F.S., to authorize the transfer of fixed capital outlay appropriations for public schools between appropriation categories upon approval of the Executive Office of the Governor.

Section 4 authorizes a university board of trustees to expend reserve or carry-forward balances from prior year operational and programmatic appropriations on legislatively approved fixed capital outlay projects authorized for the establishment of a new campus.

Section 5 provides requirements to govern the completion of Phases 2 and 3 of the Department of Health's Florida Onsite Sewage Nitrogen Strategies Study. The bill prohibits state agencies from implementing regulations with higher standards than those currently in place until Phase 3 of the department's Florida Onsite Sewage Nitrogen Reduction Strategies Study is completed.

Section 6 incorporates by reference document entitled "Medicaid Supplemental Hospital Funding Programs" for the purpose of displaying the calculations used by the legislature in making appropriations for the Low-Income Pool, Disproportionate Share Hospital, and Hospital Exemptions Programs.

Sections 7 and 8 amend s. 20.04, F.S., to remove reference to "program offices" and replace with language providing that each circuit of agency is aligned geographically with each of the state's judicial circuits and each region is comprised of multiple circuits.

Section 9 amends s. 409.912, F.S., to authorize the Agency for Health Care Administration to provide a Medicaid prepaid dental health program in Miami-Dade County. The bill provides that, for all other counties, the agency may not limit dental services to prepaid plans and must allow qualified dental providers to provide dental services under Medicaid on a fee for service reimbursement methodology. The bill requires the agency to seek any necessary revisions or amendments to the state plan or federal waivers in order to implement this provision. The bill requires the agency to terminate existing contracts as needed.

Section 10 provides authority for the Department of Health to transfer funding to the Florida Agricultural and Mechanical University for the Crestview Center through the budget amendment process.

Section 11 prohibits the Department of Health from implementing the onsite sewage treatment and disposal program described in s. 381.0065, F.S., until the department submits a plan to the Legislative Budget Commission and the plan is approved.

Section 12 amends s. 216.262, F.S., to allow the Executive Office of the Governor to request additional positions and appropriations from unallocated general revenue during the 2012-2013 fiscal year for the Department of Corrections if the actual inmate population of the department exceeds the inmate population projections of the December 2012 Criminal Justice Estimating Conference by 1 percent for 2 consecutive months or 2 percent for any month. The additional positions and appropriations must be approved by the Legislative Budget Commission.

Section 13 authorizes the Department of Legal Affairs to transfer cash remaining after required disbursements from specified Attorney General cases to the Operating Trust Fund to pay salaries and benefits.

Section 14 authorizes the Department of Legal Affairs to expend appropriated funds in specific appropriations on the same programs that were funded by the department pursuant to specific appropriations made in general appropriations acts in prior years.

Section 15 amends s. 932.7055, F.S., to extend for another year the authorization for a municipality to expend funds in a special law enforcement trust fund to reimburse the general fund of the municipality for moneys advanced from the general fund to the special law enforcement trust fund prior to October 1, 2001.

Section 16 provides limitation on Department of Juvenile Justice reimbursements for health care services to 110 percent of Medicare allowable rates.

Section 17 authorizes Chief Justice to secure a trust fund loan during the 2012-2013 fiscal year if revenues are insufficient in the State Courts Revenue Trust Fund to fund appropriations.

Section 18 allows that, notwithstanding s. 28.2455, F.S., funds remaining in the Clerks of Court Trust Fund to be available for clerks of court for FY 2012-2013 expenditures.

Section 19 provides that the calculation of unit costs for the clerks of court and state trial courts are contained in documents that are incorporated by reference.

Section 20 amends s. 29.008, F.S., to provide that counties are exempt from the requirement to increase expenditures by 1.5 percent for court-related functions.

Section 21 provides that funds from the State Agency Law Enforcement Radio System Trust Fund may be used by the Department of Management Services to fund mutual aid build out maintenance and sustainment and the interoperability network.

Section 22 authorizes the Department of Management Services to use interest earnings from the Communications Working Capital Trust Fund as the funding source for its responsibilities related to the MyFlorida.com portal.

Section 23 requires the Department of Management Services and agencies to utilize a tenant broker to renegotiate private lease agreements, in excess of 2,000 square feet, expiring between July 1, 2013 and June 30, 2015.

Section 24 provides that funds available in the Audit and Warrant Clearing Trust Fund for subsequent distribution to the General Revenue Fund will be available to the tax collection provider who shall make the interest payment required by s. 443.131(5), F.S., to the Federal Government in the amount directed by the Governor.

Section 25 provides that revenues in the trust fund are authorized to be used for Total Maximum Daily Loads program, Drinking Water Revolving Loan Trust Fund, and the Wastewater Treatment and Stormwater Management Revolving Loan Trust Fund.

Section 26 provides for the allocation of moneys from the Water Management Lands Trust Fund to pay debt service on bonds issued before February 1, 2009, by the South Water Management District and the St. Johns Water Management District; continues to provide for \$8 million to be transferred to the General Revenue Fund; and provides the remaining funds be distributed to the Suwannee River Water Management District.

Section 27 authorizes the use of revenues in the Ecosystem Management and Restoration Trust Fund for funding of activities to preserve and repair the state's beaches.

Section 28 requires the Department of Environmental Protection to award \$2,400,000 of grant funds equally to counties having populations of fewer than 100,000 for waste tire, litter prevention, recycling and education, and general solid waste programs.

Section 29 provides that the Department of Agriculture and Consumer Services, at its discretion, is authorized to extend, revise, and renew current contracts or agreements created or entered into, pursuant to Chapter 2006-25, L.O.F., (the FY 2006-2007 General Appropriations Act), in order to provide consistency and continuity in agriculture promotion throughout the state.

Section 30 amends s. 379.209, F.S., to authorize the Fish and Wildlife Conservation Commission to transfer cash balance from the Nongame Wildlife Trust Fund to the Grants and Donations Trust Fund for the purpose of supporting cash flow.

Section 31 authorizes the Fish and Wildlife Conservation Commission to transfer \$500,000 in hunting and fishing license fees from the Grants and Donations Trust Fund to the State Game Trust Fund to repay the loan originally authorized in Specific Appropriation 1950 in Chapter 2008-152, L.O.F.

Section 32 authorizes the Governor to transfer appropriations between the Fish and Wildlife Conservation Commission and the Department of Environmental Protection as necessary to implement the approved list of projects.

Section 33 amends s. 259.105, F.S., to provide that the funds appropriated from the Florida Forever Trust Fund shall be distributed only to the Division of State Lands within the Department of Environmental Protection for less-than-fee interest acquisitions.

Section 34 extends expiration of commission from September 30, 2012, to January 1, 2013, and extends time for issuance of report from September 1, 2012, to January 1, 2013.

Sections 35 and 36 amend s. 311.07, F.S., to exempt certain projects for ports located in counties designated as rural areas of critical economic concern from match requirements.

Section 37 authorizes the Executive Office of the Governor to transfer funds in order to align the budget authority granted to pay each department's risk management insurance.

Section 38 authorizes the Executive Office of the Governor to transfer funds in the appropriation category "Special Categories-Transfer to Department of Management Services-Human Resources Services Purchased Per Statewide Contract" of the FY 2012-2013 General Appropriations Act between departments, in order to align the budget authority granted with the assessments that must be paid by each agency to the Department of Management Services for human resources management services.

Section 39 sets rates for health savings accounts at the current levels for the fiscal year.

Section 40 amends s. 112.24, F.S., to provide that the reassignment of an employee of a state agency may be made if recommended by the Governor or Chief Justice, as appropriate, and approved by the chairs of the Senate and House budget committees. Such actions shall be deemed approved if neither chair provides written notice of objection within 14 days after the chair's receiving notice of the action pursuant to s. 216.177, F.S.

Section 41 provides that legislative salaries will remain at the same level in effect on July 1, 2010.

Sections 42 and 43 amend s. 215.32(2)(b), F.S., in order to implement the transfer of moneys to the General Revenue Fund from trust funds in the FY 2012-2013 General Appropriations Act.

Sections 44, 45, and 46 reenact s. 215.5601, F.S., relating to investment objectives of the Lawton Chiles Endowment Fund and authorize transfer of funds from endowment to the General Revenue Fund.

Section 47 provides that, in order to implement the issuance of new debt authorized in the FY 2012-2013 General Appropriations Act, and pursuant to the requirements of s. 215.98, F.S.,

the Legislature determines that the authorization and issuance of debt for the 2012-2013 fiscal year should be implemented and is in the best interest of the state and necessary to address a critical state emergency.

Section 48 provides that funds appropriated for travel by state employees shall be limited to travel for activities that are critical to each state agency's mission. This section prohibits funds from being used to travel to foreign countries, other states, conferences, staff-training or other administrative functions unless agency head approves in writing. It requires the agency head to consider use of teleconferencing and electronic communication to meet needs of activity before approving travel.

Section 49 provides that the Governor is authorized to transfer funds appropriated in any appropriation category used to pay for data processing in the General Appropriations Act between agencies in order to align the budget authority granted with the utilization rate of each department.

Section 50 provides that an agency may transfer funds from the data processing appropriation categories to another appropriation category for the purpose of supporting and managing its computer resources until such time as the agency's data processing function is transferred to the Southwood Shared Resource Center, the Northwood Shared Resource Center, or the Northwest Regional Data Center.

Section 51 provides that the Governor is authorized to transfer funds appropriated in the appropriations category "expenses" between agencies in order to allocate a reduction relating to SUNCOM Services.

Section 52 and **53** amend s. 110.12315, F.S., to modify copayments consistent with decisions that have been made in the General Appropriations Act. The Department of Management Services is authorized to implement a 90-day supply limit program for certain maintenance drugs as determined by the department at retail pharmacies participating in the program, if the department determines it to be in the best financial interest of the state.

Section 54 requires the Agency for Health Care Administration to competitively procure a Florida Discount Drug Card Program to provide market competitive discounts and return money to the state on a per prescription basis. Discounts will be available to Florida residents without income restrictions. Revenues derived from this contract shall be deposited into the Grants and Donations Trust Fund to reduce cost of Medicaid pharmacy purchases.

Section 55 specifies that no section will take effect if the appropriations and proviso to which it relates are vetoed.

Section 56 provides that a permanent change made by another law to any of the same statutes amended by this bill takes precedence over the provision in this bill.

Section 57 provides a severability clause.

Section 58 provides an effective date.

If approved by the Governor, these provisions take effect July 1, 2012.

HB 5005 — Retirement

by Appropriations Committee and Rep. Grimsley (SB 2006 by Budget Committee)

This bill provides for the following.

- Reduces the employer contribution rates into the Community College System Optional Retirement Program.
- Reduces the employer contribution rates into the Senior Management Service Optional Annuity Program.
- Reduces the employer contribution rates into the State University System Optional Retirement Program.
- Adjusts the employer-paid contribution rates for normal cost and unfunded actuarial liability for the Florida Retirement System (FRS), based on the 2011 Actuarial Valuation, as adjusted by the changes to the Investment Plan allocations.
- Reduce the allocation rates for all retirement classes being deposited into Investment Plan member accounts.

The Division of Retirement conducted an actuarial study to determine the impact from changes to the allocations to individual members Investment Plan accounts to the “blended” normal cost for the FRS, as determined in the July 1, 2011 Valuation Study. The net impacts of the adjustments to the “blended” normal cost of the FRS made by the bill upon state funded entities are as follows:

Entities Funded by the State	General Revenue Fund	Trust Funds	Total
State	\$11.17 million	\$11.17 million	\$22.34 million
School Boards	\$46.73 million		\$46.73 million
State University System	\$4.48 million		\$4.48 million
Community Colleges	\$3.47 million		\$3.47 million
Total	\$62.38 million	\$11.17 million	\$77.02 million

The reduction in employer-paid contributions to the State University Optional Retirement Program, the Community College Optional Retirement Program and the Senior Management Service Optional Annuity Program produce the following savings to the entities indicated:

Entities Funded by the State	General Revenue Fund	Trust Funds	Total
State	(\$0.07 million)	(\$0.07 million)	(\$0.15 million)
State University System	(\$37.57 million)		(\$37.57 million)
Community Colleges	(\$2.57 million)		(\$2.57 million)
Total	(\$40.21 million)	(\$0.07 million)	(\$40.29 million)

If approved by the Governor, these provisions take effect July 1, 2012.

HB 5009 — Health Insurance Benefits for State Employees

by Appropriations Committee and Rep. Grimsley

This bill places the state contribution to the Health Savings Account of participants in the High Deductible Plan in the statutes.

The bill authorizes the Department of Management Services (department) to implement a 90-day supply limit program for certain maintenance drugs through retail pharmacies participating in the prescription drug program if the department determines it to be in the best financial interest of the state.

The bill authorizes the University of Florida Board of Trustees, at its option, to implement the provision of state health or other self-insurance programs for its employees, students, and affiliated units, as determined by the Board of Trustees. The bill provides that such insurance coverage not be implemented prior to January 1, 2013. The plan must allow all employees retiring from the University of Florida after January 1, 2013, to participate. The bill provides that state funding for the insurance programs for active employees paid from Education and General Activity funds be determined based on the insurance premium rates established in the General Appropriation Act, as adjusted actuarially to account for insurance for retirees. It provides for review and approval of the necessary actuarial studies and budget transfers.

If approved by the Governor, these provisions take effect July 1, 2012.

Committee on Budget

HB 5301 — Medicaid Services

by Health Care Appropriations Subcommittee and Rep. Hudson and others (SB 1988 by Budget Committee)

The bill provides for the following:

- Removes the prohibition against subsidized Kidcare coverage for children of public employees who are eligible for state group health insurance, thereby allowing children of public employees to enroll in subsidized Kidcare if they meet the program's eligibility requirements.
- Directs the Department of Children and Families (DCF) and the Agency for Health Care Administration (AHCA), subject to an appropriation, to develop a new system of eligibility for Medicaid and Kidcare, consistent with requirements of federal and state laws.
- Limits Medicaid payment for hospital emergency room services for non-pregnant adults to 6 visits per year.
- Changes the statutory deadline for Medicaid hospital rates to be adjusted within any fiscal year from September 30 to October 31. Allows rate reductions beyond the deadline only in cases of insufficient collections of funds voluntarily donated by local taxing authorities designed to augment hospital rates.
- Revises the timeline and parameters for AHCA to develop a plan to transfer the state's hospital payments to a diagnosis related group (DRG) system, with a target implementation date of July 1, 2013, subject to Legislative approval.
- Updates statutes relating to the disproportionate share hospital (DSH) program so the program uses the proper data to calculate the distribution of dollars. Also repeals two sections of statute for two perennially unfunded DSH programs.
- Revises the methodology for determining a county's eligible recipients for the purpose of county contributions to Medicaid and revises the methodology of collecting those funds.
 - For past due billings, a county may pay 85 percent of the amount due over the next five years. In the alternative, a county may choose to be subject to 100 percent of the past due amount but can make a claim before the Division of Administrative Hearings to have the amount reduced if the county believes the amount billed is incorrect.
 - For prospective billings, the state each month will withhold from a county's distribution of funds from the local government half-cent sales tax an amount equal to the county's required contribution to Medicaid for that month. If a county believes the state has withheld too much due to errors in the state's Medicaid eligibility system data base, the county may request a refund based on reasons submitted with the request.
 - The bill also requires AHCA and DCF to create a system for hospitals and nursing homes to assist the state in making any needed updates in the Medicaid data base for Medicaid recipients' county of residence when recipients are admitted. If updates are needed, they must be performed within 10 days of admission
- Expands statewide two Medicaid anti-fraud pilot projects relating to home health care.

- Authorizes the establishment or expansion of Programs of All-inclusive Care for the Elderly (PACE) in Manatee, Sarasota, DeSoto, and Broward counties.
- Expands statewide a pilot project for the delivery of Medicaid services for persons diagnosed with HIV/AIDS, in partnership with a university-based, research-oriented program that specializes in health care for HIV/AIDS patients.

If approved by the Governor, section 12 of the bill will take effect upon becoming law, other provisions take effect July 1, 2012.

HB 5505 — Department of Financial Services

by Government Operations Appropriations Subcommittee and Rep. Hooper

The bill provides for the following:

- Allows for the electronic submission of workers' compensation exemption applications, with streamlined reporting requirements (e.g., elimination of notarization requirement and, for construction industry exemptions, the filing of copies of stock certificates).
 - Requires additional data elements to be reported by all applicants filing electronically to include:
 - Date of birth, Florida driver's license number or identification card number.
 - For construction industry applicants, statement of ownership interest.
 - Provides that exemptions issued after January 1, 2013, are valid for two years.
- Repeals the requirement for the Department of Financial Services to prepare an annual report on the administration of the workers' compensation laws of the prior year.
- Provides for a cost savings of nine positions and \$348,289 incorporated into the Fiscal Year 2012-13 General Appropriations Act.
- Amends the delinquent finance charge related to consumer finance loans by adjusting the current \$10 fee annually based on the consumer price index.
- Provides that revenues collected for money transmitter functions will be deposited into the Financial Institutions Regulatory Trust Fund rather than the Regulatory Trust Fund.
- Authorizes the Governor, at his option, to direct the State Board of Administration (SBA) to create the Florida Insurance Premium Tax Pre-Payment Program in order to provide an additional funding mechanism for the Florida Hurricane Catastrophe (CAT) Fund.
 - If the Governor approves, the SBA may sell up to \$1.5 billion in tax credits that can be applied to reduce future tax liabilities. The bill limits the amount of tax credits that can be applied each year to \$150 million.
 - The SBA will loan the proceeds of the tax credit sale to the CAT Fund.
 - Loan repayments are to be deposited in the General Revenue Fund.
 - The loan repayment schedule is to be designed so that in each fiscal year the General Revenue Fund receives an amount equal to the tax credits being applied.

If approved by the Governor, these provisions take effect July 1, 2012.
