by Criminal Justice Subcommittee and Reps. Jones, Mercado, and others (CS/SB 332 by Criminal Justice Committee and Senators Pizzo, Rodriguez, Book, Thurston, Taddeo, Farmer, Brandes, Gibson, Torres, Rouson, Braynon, Perry, and Bracy)

The bill is cited as the “Dignity for Incarcerated Women Act.”

The bill requires all correctional facilities to make “health care products” available to each incarcerated woman. The bill defines “correctional facility” to mean any part of the correctional system, any county detention facility, juvenile detention center or residential facility, temporary holding center, or other criminal detention facility operated by or on behalf of the state or any political subdivision. Additionally, the bill defines “health care products” to include the following:

- Feminine hygiene products, including tampons.
- Moisturizing soap that is not lye-based.
- Toothbrushes.
- Toothpaste.
- Any other health care product the correctional facility deems appropriate.

These items must be available in common housing areas and medical care facilities, at no cost, and in a quantity that is appropriate to the needs of the woman.

Additionally, the bill provides that a male correctional facility employee:

- Is prohibited from conducting a pat-down or body cavity search on an incarcerated woman except in situations where the incarcerated woman is presenting an immediate risk of harm and a female correctional facility employee is not available to do the search;
- Must announce his presence upon entering a housing unit for incarcerated women; and
- With the exception of specified circumstances, must not enter specified areas of the correctional facility in which an incarcerated woman may be in a state of undress or an area where an incarcerated woman in a state of undress may be viewed.

The bill requires male correctional employees to document any incident that violates the above-mentioned provisions within three days. Such documentation must include details of the circumstances that necessitated the employee’s actions.

The bill defines additional terms to provide clarity to the provisions of the act, including “correctional facility employee” and “state of undress.”

If approved by the Governor, these provisions take effect July 1, 2019.

## Committee on Criminal Justice

### **SB 186 — Public Records/Victim of Mass Violence**

by Senators Lee, Book, and Stewart

The bill amends s. 406.136, F.S., and transfers this section to s. 119.071, F.S. The bill retains an existing public record exemption which provides that a photograph or video or audio recording that depicts or records the killing of a law enforcement officer who was acting in accordance with his or her official duties is confidential and exempt from public disclosure. The bill creates a new public records exemption which provides that a photograph or video or audio recording that depicts or records the killing of a victim of mass violence is confidential and exempt from public disclosure. The existing exemption and the new exemption only apply to photographs and video and audio recordings held by an agency.

The bill defines the term “killing of a victim of mass violence” as events that depict either a victim being killed or the body of a victim killed in an incident in which three or more persons, not including the perpetrator, are killed by the perpetrator of an intentional act of violence.

The bill retains provisions relevant to the existing exemption and applies them to the new exemption, including:

- Specifying who may obtain such photograph or video or audio recording, the process of obtaining them pursuant to a court order when good cause is shown, and factors a court must consider in determining good cause;
- Providing that it is a third degree felony for any custodian of such photograph or video or audio recording to willfully and knowingly violate exemption requirements;
- Specifying that the exemption is retroactive and applies to all such photographs or video or audio recordings; and
- Providing that the exemption does not overturn or abrogate or alter any existing orders duly entered into by any court of this state, as of the effective date of this act, which restrict or limit access to such photographs or video or audio recordings.

The bill specifies that a surviving spouse, parent, or adult child of the victim is not precluded from sharing or publicly releasing such photograph or video or audio recording.

The bill provides a public necessity statement as required by the State Constitution. The statement includes legislative findings regarding photographs and video and audio recordings that depict or record the killing of a victim of mass violence. These findings indicate:

- Such photographs and video or audio recordings render a graphic and often disturbing visual or aural representation of the deceased which, if heard, viewed, copied, or publicized, could result in trauma, sorrow, humiliation, or emotional injury to the immediate family of the deceased and detract from the memory of the deceased;
- Widespread unauthorized dissemination of such photographs and video and audio recordings would subject the immediate family of the deceased to continuous injury;
- Dissemination of such photographs and video and audio recordings is harmful to the public because terrorists will use them to attract followers, bring attention to their cause,

and inspire others to kill, and such dissemination may also educe violent acts by the mentally ill or morally corrupt;

- Other types of available information, such as crime scene reports, continue to be available and are less intrusive and injurious to the immediate family of the deceased and continue to provide for public oversight; and
- The exemption should be given retroactive application because it is remedial in nature.

Finally, the bill provides for repeal of the exemption on October 2, 2024, unless reviewed and saved from repeal through reenactment by the Legislature.

If approved by the Governor, these provisions take effect upon becoming law.

*Vote: Senate 40-0; House 108-6*

## Committee on Criminal Justice

### **CS/CS/CS/SB 248 — Public Records/Civilian Personnel Employed by a Law Enforcement Agency**

by Rules Committee; Governmental Oversight and Accountability Committee; Criminal Justice Committee; and Senators Hooper, Baxley, Simpson, Perry, and Book

The bill (Chapter 2019-12, L.O.F.) amends s. 119.071(4)(d), F.S., which contains several public records exemptions for home addresses and various other information identifying specified agency personnel and officials and their families. The bill expands these public records exemptions by defining the term “home addresses,” a previously undefined term, as the dwelling location at which an individual resides and includes the physical address, mailing address, street address, parcel identification number, plot identification number, legal property description, neighborhood name and lot number, GPS coordinates, and any other descriptive property information that may reveal the home address.

The bill also amends s. 119.071(4)(d)2.a., F.S., to create a new public records exemption for:

- Home addresses, telephone numbers, dates of birth, and photographs of active or former civilian personnel employed by a law enforcement agency;
- Names, home addresses, telephone numbers, photographs, dates of birth, and places of employment of the spouses and children of such personnel; and
- Names and locations of schools and day care facilities attended by the children of such personnel.

The bill allows an officer, employee, justice, judge, or other person covered by the public records exemptions to file a written request for release of his or her exempt information to the custodial agency. The written request must be notarized and must specify the information to be released and the party that is authorized to receive the information. Upon receipt of the written request, the custodial agency must release the specified information to the party authorized to receive such information.

The bill provides statements of public necessity for expanding public records exemptions and creating a new public records exemption as required by the State Constitution.

The bill provides that the public records exemptions in s. 119.071(4)(d), F.S., are subject to the Open Government Sunset Review Act, and stand repealed on October 2, 2024, unless reviewed and saved from repeal through reenactment by the Legislature.

These provisions were approved by the Governor and take effect July 1, 2019.

Such person may not be penalized for a violation of a condition of pretrial release, probation, or parole if the evidence for such violation was obtained as a result of their seeking medical assistance.

Protection under s. 562.112, F.S., or s. 893.21, F.S., from arrest, charge, prosecution, or penalization may not be grounds for suppression of evidence in other criminal prosecutions.

### **SB 1136 — Cyberharassment**

by Senators Harrell and Perry

The bill amends s. 784.049, F.S., which punishes sexual cyberharassment. The bill modifies legislative findings in this section to indicate:

- A depicted person in a sexually explicit image may retain a reasonable expectation that image will remain private despite sharing the image with another person, such as an intimate partner;
- Conduct prohibited by this section includes dissemination of a sexually explicit image through electronic means in addition to publication of such image on an Internet website;
- Dissemination of a sexually explicit image may occur through electronic means; and
- Publication or dissemination of such sexually explicit images is contrary to the depicted person's reasonable expectation of privacy and without the consent of all parties depicted in such image.

The bill amends the definition of “personal identification information,” which pertains to the personal identification information of the person depicted in a sexually explicit image, to mean any information that identifies an individual, and includes, but is not limited to, any name, postal or electronic mail address, telephone number, social security number, date of birth, or any unique physical representation.

Finally, the bill provides that evidence that the depicted person sent a sexually explicit image to another person does not, on its own, remove his or her reasonable expectation of privacy for such image.

If approved by the Governor, these provisions take effect July 1, 2019.

by Oversight, Transparency and Public Management Subcommittee and Reps. Yarborough and others (SB 7044 by Criminal Justice Committee)

The bill saves the public records exemption in s. 790.0601(2), F.S., from repeal. The public records exemption for the personal identifying information of persons who apply for a concealed weapon or firearm license, or renew an existing license, through a local tax collector's office was created in 2014. ### **CS/HB 7107 — Controlled Substances**

by Judiciary Committee; Criminal Justice Subcommittee; and Rep. Sabatini (SB 7082 by Criminal Justice Committee)

The bill amends s. 893.03, F.S., Florida's controlled substance schedules, to reschedule the following substance from Schedule I to Schedule V: a drug product in finished dosage formulation which has been approved by the United States Food and Drug Administration (FDA) and which contains cannabidiol (CBD) derived from cannabis and no more than 0.1 percent tetrahydrocannabinols.

This scheduling language currently applies only to Epidiolex®, a pharmaceutical oral solution which contains highly purified CBD and which is used for the treatment of seizures associated with two rare and severe forms of epilepsy. Epidiolex® is the only CBD product currently approved by the FDA.

The bill codifies an emergency rule adopted by the Florida Attorney General, which reschedules the described drug product from Schedule I to Schedule V. This rescheduling is consistent with federal law.

The bill also amends the definition of the term "cannabis" in s. 893.02, F.S., to indicate that the term does not apply to Epidiolex® or any future CBD-derived drug product that may be covered by the Schedule V drug scheduling language created by the bill. This change is consistent with an exception to that term that covers medical marijuana manufactured, possessed, sold, purchased, delivered, distributed, or dispensed from a medical marijuana dispensary in conformance with s. 381.986, F.S. Epidiolex® is a prescription medication and is dispensed from a pharmacy pursuant to a physician's prescription.
